CHRISTOPHER O'BRIEN
and
STAN GORDON

1
00:00:37,110 --> 00:00:34,260
Chris O'Brien our co-host this week

2
00:00:38,850 --> 00:00:37,120
Chris after we had this fascinating

3
00:00:41,130 --> 00:00:38,860
discussion the other week about the

4
00:00:43,560 --> 00:00:41,140
Hollow Earth about the earth base ufos

5
00:00:47,160 --> 00:00:43,570
etc etc with Allan Greenfield Walter

6
00:00:49,229 --> 00:00:47,170
Bosley and Michael Mott and my cleland I

7
00:00:51,210 --> 00:00:49,239
was thinking here what do you think

8
00:00:53,520 --> 00:00:51,220
about the Hollow Earth did you ever read

9
00:00:55,799 --> 00:00:53,530
some of those early books from dr.

10
00:00:57,600 --> 00:00:55,809
Barnard and all those other people not

11
00:00:59,579 --> 00:00:57,610
that particular one but one of the first

12
00:01:00,900 --> 00:00:59,589
science fiction books I read as a kid

13
00:01:03,600 --> 00:01:00,910

was Journey to the Center of the Earth

14

00:01:05,460 --> 00:01:03,610

which always was you know as always

15

00:01:07,170 --> 00:01:05,470

fascinated me the whole idea of the

16

00:01:09,359 --> 00:01:07,180

Hollow Earth has always been intriguing

17

00:01:10,499 --> 00:01:09,369

to me I think scientifically it's it's

18

00:01:13,230 --> 00:01:10,509

untenable

19

00:01:15,900 --> 00:01:13,240

of course now with the latest word from

20

00:01:17,999 --> 00:01:15,910

Richard Hoagland that the moon Mars moon

21

00:01:20,520 --> 00:01:18,009

Phobos is it's Hollow

22

00:01:23,960 --> 00:01:20,530

it kind of brings that whole thing into

23

00:01:27,600 --> 00:01:23,970

more of a larger big picture context but

24

00:01:29,609 --> 00:01:27,610

I'm behaving like a typical host of the

25

00:01:32,700 --> 00:01:29,619

power cast saying that maybe Richard

26

00:01:36,300 --> 00:01:32,710

Hoagland logic is hollow I wouldn't

27

00:01:39,330 --> 00:01:36,310

argue with that one Jane I you know I've

28

00:01:41,730 --> 00:01:39,340

never really been much of a fan and I do

29

00:01:43,499 --> 00:01:41,740

have problems with people that create

30

00:01:45,330 --> 00:01:43,509

cults of personality in this field but

31

00:01:48,060 --> 00:01:45,340

in terms of the subject matter I thought

32

00:01:50,219 --> 00:01:48,070

that the show was very fascinating I

33

00:01:53,130 --> 00:01:50,229

think Allen and Michael had some really

34

00:01:56,999 --> 00:01:53,140

interesting observations very bright

35

00:02:00,480 --> 00:01:57,009

guys I I do sense that the whole concept

36

00:02:03,840 --> 00:02:00,490

of the Hollow Earth I think as as kind

37

00:02:06,510 --> 00:02:03,850

of a fairy tale or fantasy you know it

38

00:02:08,550 --> 00:02:06,520

just doesn't it to me it is just that

39

00:02:11,610 --> 00:02:08,560

and I do think that there's a good

40

00:02:15,060 --> 00:02:11,620

chance that some ancient civilization

41

00:02:16,500 --> 00:02:15,070

did extensively dig tunnels underground

42

00:02:18,930 --> 00:02:16,510

I do think that there are undiscovered

43

00:02:21,630 --> 00:02:18,940

tunnel systems and underground cavern

44

00:02:23,759 --> 00:02:21,640

systems but the whole concept of a

45

00:02:25,979 --> 00:02:23,769

Hollow Earth quote-unquote to me is is a

46

00:02:28,800 --> 00:02:25,989

little bit fanciful my reading about the

47

00:02:30,569 --> 00:02:28,810

Hollow Earth by the way precedes maybe

48

00:02:32,880 --> 00:02:30,579

what you read or maybe came later bosz a

49

00:02:34,440 --> 00:02:32,890

different concept and that was the

50

00:02:37,319 --> 00:02:34,450

Palouse etre series from Edgar Rice

51
00:02:39,390 --> 00:02:37,329
Burroughs where they went to the North

52
00:02:42,899 --> 00:02:39,400
Pole and Ross

53
00:02:44,610 --> 00:02:42,909
the polar gap and inside found the Great

54
00:02:47,309 --> 00:02:44,620
Central Sun at the center of the earth

55
00:02:49,830 --> 00:02:47,319
yeah I read them all - sure and that of

56
00:02:51,509 --> 00:02:49,840
course was the Ray Palmer image to some

57
00:02:53,640 --> 00:02:51,519
degree because I think people forget

58
00:02:56,490 --> 00:02:53,650
people forget that some of the final

59
00:02:58,830 --> 00:02:56,500
works from Edgar Rice Burroughs appeared

60
00:03:03,030 --> 00:02:58,840
in amazing stories when Ray Palmer was

61
00:03:05,009 --> 00:03:03,040
editor yeah I wasn't aware of that

62
00:03:07,349 --> 00:03:05,019
I also liked one of my favorite comics

63
00:03:11,220 --> 00:03:07,359

was the Golden Key comics of toric son

64

00:03:13,949 --> 00:03:11,230

of stone - paleo-indians ago into kind

65

00:03:16,589 --> 00:03:13,959

of a Hollow Earth scenario I was always

66

00:03:18,119 --> 00:03:16,599

very fascinated by that you know the

67

00:03:19,710 --> 00:03:18,129

whole Mac Tony's idea of crypto

68

00:03:21,720 --> 00:03:19,720

terrestrials if they do live here then

69

00:03:23,550 --> 00:03:21,730

then they've got to be somewhere so it's

70

00:03:26,660 --> 00:03:23,560

either their subterranean or suboceanic

71

00:03:30,059 --> 00:03:26,670

and and I think you know obviously that

72

00:03:33,089 --> 00:03:30,069

it's a closed system phenomenon I truly

73

00:03:36,360 --> 00:03:33,099

believe and and I do think that those

74

00:03:38,520 --> 00:03:36,370

are our two most obvious choices in

75

00:03:41,910 --> 00:03:38,530

terms of where to look for these crypto

76

00:03:44,280 --> 00:03:41,920

terrestrials to use that coin term but

77

00:03:46,349 --> 00:03:44,290

again I you know I think I think even

78

00:03:48,059 --> 00:03:46,359

though you know it sounds good on paper

79

00:03:49,559 --> 00:03:48,069

I think a lot more research and

80

00:03:51,210 --> 00:03:49,569

investigation needs to be done before

81

00:03:52,949 --> 00:03:51,220

anything definitive is is that we're

82

00:03:55,349 --> 00:03:52,959

gonna come forth the problem I have is

83

00:03:57,569 --> 00:03:55,359

how do you prove such a thing how do you

84

00:04:00,750 --> 00:03:57,579

prove it without actually bringing one

85

00:04:03,300 --> 00:04:00,760

of those beings front and center and

86

00:04:05,339 --> 00:04:03,310

saying okay where do you come from and

87

00:04:07,559 --> 00:04:05,349

many if they say yeah we're live in

88

00:04:09,689 --> 00:04:07,569

those caves in whatever language they

89

00:04:11,879 --> 00:04:09,699

speak or we're under the ocean and then

90

00:04:13,979 --> 00:04:11,889

why believe them and that's the other of

91

00:04:16,080 --> 00:04:13,989

course issue I mean when you meet these

92

00:04:18,360 --> 00:04:16,090

beings and people do meet up with beings

93

00:04:20,969 --> 00:04:18,370

and they say where you're from what are

94

00:04:22,860 --> 00:04:20,979

you doing what's your purpose yeah would

95

00:04:25,200 --> 00:04:22,870

you believe them if they told you sure

96

00:04:27,750 --> 00:04:25,210

why should they tell you the truth I

97

00:04:29,460 --> 00:04:27,760

mean maybe they have a prime directive

98

00:04:32,550 --> 00:04:29,470

that says we're not going to interfere

99

00:04:35,219 --> 00:04:32,560

in the affairs of these primitive

100

00:04:37,290 --> 00:04:35,229

Earthlings and it could be the primitive

101
00:04:39,120 --> 00:04:37,300
people who share the world with us and

102
00:04:41,670 --> 00:04:39,130
are making a complete mess of it

103
00:04:43,990 --> 00:04:41,680
but whatever they are they may also have

104
00:04:46,390 --> 00:04:44,000
a philosophy as you know

105
00:04:47,830 --> 00:04:46,400
don't tell the truth don't tell them

106
00:04:50,110 --> 00:04:47,840
where we are

107
00:04:52,000 --> 00:04:50,120
because they'll come after us if just

108
00:04:54,880 --> 00:04:52,010
tell them what they need to know exactly

109
00:04:57,220 --> 00:04:54,890
or you know what we think they need to

110
00:04:59,050 --> 00:04:57,230
know right I'd love to have somebody

111
00:05:00,960 --> 00:04:59,060
like John Greenwald or somebody do an

112
00:05:03,880 --> 00:05:00,970
FOI a request

113
00:05:05,640 --> 00:05:03,890

requesting the the crustal mapping

114

00:05:07,510 --> 00:05:05,650

program but they've been doing from some

115

00:05:09,340 --> 00:05:07,520

super high-tech satellite in space

116

00:05:11,920 --> 00:05:09,350

that's been operational since the late

117

00:05:13,450 --> 00:05:11,930

90s supposedly they've mapped a good

118

00:05:15,640 --> 00:05:13,460

deal of the Earth's crust already down

119

00:05:17,760 --> 00:05:15,650

to 40 miles that would give us an

120

00:05:20,500 --> 00:05:17,770

indication of ancient tunnel systems and

121

00:05:24,340 --> 00:05:20,510

potential you know places to really

122

00:05:26,530 --> 00:05:24,350

focus our investigative intentions that

123

00:05:28,420 --> 00:05:26,540

would be I think a good first step so

124

00:05:31,150 --> 00:05:28,430

anybody out there in the mood to do an

125

00:05:34,240 --> 00:05:31,160

FOI a request figure out some terms to

126
00:05:36,070 --> 00:05:34,250
use for finding these these images and

127
00:05:38,380 --> 00:05:36,080
looking looking getting the data

128
00:05:40,659 --> 00:05:38,390
released you know it's probably there

129
00:05:43,960 --> 00:05:40,669
somewhere assuming of course that they

130
00:05:46,510 --> 00:05:43,970
aren't using secret tell agrees to kind

131
00:05:49,510 --> 00:05:46,520
of found the instrumentation well there

132
00:05:50,710 --> 00:05:49,520
you go there's always an answer I mean

133
00:05:53,500 --> 00:05:50,720
if you don't have the information that's

134
00:05:55,810 --> 00:05:53,510
being hidden from you I mean just

135
00:05:57,640 --> 00:05:55,820
because you remember owls at night

136
00:06:00,400 --> 00:05:57,650
doesn't mean that you weren't abducted

137
00:06:03,130 --> 00:06:00,410
by UFO aliens or wherever they're from

138
00:06:04,719 --> 00:06:03,140

maybe they're clipped allow us yeah and

139

00:06:07,090 --> 00:06:04,729

you know what think about this I have a

140

00:06:07,960 --> 00:06:07,100

site called tech night out okay right

141

00:06:15,400 --> 00:06:07,970

mmm

142

00:06:17,409 --> 00:06:15,410

tapping into an unresolved screen image

143

00:06:19,990 --> 00:06:17,419

well now the people who listen to the

144

00:06:22,659 --> 00:06:20,000

show in the forums at forum dr. Peric

145

00:06:25,540 --> 00:06:22,669

ascom they're going to speculate hey is

146

00:06:27,719 --> 00:06:25,550

he mean an abductee you know maybe you

147

00:06:31,840 --> 00:06:27,729

should give your your little owl logo

148

00:06:33,640 --> 00:06:31,850

almond eyes well I can't draw so I took

149

00:06:36,820 --> 00:06:33,650

what the artist gave me I never

150

00:06:38,850 --> 00:06:36,830

specified specific types of eyes you

151
00:06:41,770 --> 00:06:38,860
know I just said you know make it look

152
00:06:45,570 --> 00:06:41,780
okay and it actually has kind of like

153
00:06:47,950 --> 00:06:45,580
golden eyes doesn't it and yeah it does

154
00:06:51,280 --> 00:06:47,960
and that's not my fault and it's

155
00:06:54,999 --> 00:06:51,290
interesting too we had a reader of my

156
00:06:58,390 --> 00:06:55,009
technology site technical community

157
00:07:00,760 --> 00:06:58,400
a good logo and I said okay so he came

158
00:07:01,269 --> 00:07:00,770
up with that logo I never heard from him

159
00:07:03,369 --> 00:07:01,279
since

160
00:07:07,329 --> 00:07:03,379
maybe back into the center of the earth

161
00:07:09,609 --> 00:07:07,339
or something oh my gosh so it's probably

162
00:07:11,739 --> 00:07:09,619
some sort of subliminally programmed

163
00:07:13,299 --> 00:07:11,749

logo there's no I probably bright went

164

00:07:19,179 --> 00:07:13,309

back to Madison Avenue is where he went

165

00:07:19,540 --> 00:07:19,189

he was in France okay no friends jokes

166

00:07:23,200 --> 00:07:19,550

please

167

00:07:25,269 --> 00:07:23,210

French crypto owls that's right so today

168

00:07:27,329 --> 00:07:25,279

we're going to explore the really

169

00:07:30,610 --> 00:07:27,339

mysterious Pennsylvania

170

00:07:34,299 --> 00:07:30,620

yeah gets my vote for the most anomalous

171

00:07:36,279 --> 00:07:34,309

state east of the Rocky Mountains or the

172

00:07:37,689 --> 00:07:36,289

Continental Divide that it's kind of a

173

00:07:39,189 --> 00:07:37,699

toss-up between Pennsylvania and

174

00:07:42,309 --> 00:07:39,199

Missouri but I think Pennsylvania wins

175

00:07:45,040 --> 00:07:42,319

out people forget Sylvania is one huge

176

00:07:47,920 --> 00:07:45,050

state takes hours to drive from

177

00:07:50,199 --> 00:07:47,930

Pittsburgh to Philadelphia you know

178

00:07:52,540 --> 00:07:50,209

right and I lived in Pennsylvania for a

179

00:07:56,170 --> 00:07:52,550

number of years they were very strange

180

00:07:58,179 --> 00:07:56,180

years seriously yeah well look at it

181

00:08:00,549 --> 00:07:58,189

Stan's book Stan Gordon is our guest he

182

00:08:02,079 --> 00:08:00,559

he's one of those unsung heroes out

183

00:08:04,929 --> 00:08:02,089

there this is gonna be a real treat to

184

00:08:06,999 --> 00:08:04,939

to talk with Stan again he's been at

185

00:08:09,279 --> 00:08:07,009

this almost 50 years and just real

186

00:08:12,219 --> 00:08:09,289

slogging away doing the field work

187

00:08:14,709 --> 00:08:12,229

logging the data you know walking the

188

00:08:17,170 --> 00:08:14,719

walk and talking to talk and and keeping

189

00:08:19,809 --> 00:08:17,180

a low profile not promoting himself is

190

00:08:22,649 --> 00:08:19,819

some sort of you know personality and

191

00:08:25,839 --> 00:08:22,659

someone that's out there to to you know

192

00:08:27,879 --> 00:08:25,849

maximize the the financial potentials of

193

00:08:30,009 --> 00:08:27,889

all this he's a he's a real I really

194

00:08:32,800 --> 00:08:30,019

look up to him I look up to his work and

195

00:08:35,230 --> 00:08:32,810

I'm this is really exciting for me to be

196

00:08:36,790 --> 00:08:35,240

on the on the show today with him Stan

197

00:08:39,759 --> 00:08:36,800

Gordon author of really mysterious

198

00:08:42,410 --> 00:08:39,769

Pennsylvania coming up next on the pair

199

00:08:47,210 --> 00:08:45,260

226

00:10:03,199 --> 00:10:00,290

hi this is Don Ecker and you are tuned

227

00:10:05,570 --> 00:10:03,209

in to the para cast let me tell you what

228

00:10:09,079 --> 00:10:05,580

you're gonna hear stuff here that you

229

00:10:12,019 --> 00:10:09,089

probably won't hear anywhere else hear

230

00:10:13,940 --> 00:10:12,029

that George snoring Stan Gordon has a

231

00:10:15,980 --> 00:10:13,950

new book out called really mysterious

232

00:10:17,690 --> 00:10:15,990

Pennsylvania and I don't think he was

233

00:10:19,670 --> 00:10:17,700

talking about the fact that I used to

234

00:10:20,990 --> 00:10:19,680

live in Pennsylvania therefore made it

235

00:10:25,910 --> 00:10:21,000

really mysterious you're not talking

236

00:10:27,740 --> 00:10:25,920

about me are you definitely not okay I

237

00:10:30,199 --> 00:10:27,750

feel kind of settled there but I

238

00:10:33,769 --> 00:10:30,209

remember living in Pennsylvania in the

239

00:10:36,139 --> 00:10:33,779

1970s and we had UFO flapped there and

240

00:10:37,759 --> 00:10:36,149

then I learned from people like yourself

241

00:10:39,759 --> 00:10:37,769

and Kurt's subtly and others who were

242

00:10:42,800 --> 00:10:39,769

investigating things that were happening

243

00:10:44,810 --> 00:10:42,810

that Pennsylvania is really mysterious

244

00:10:47,449 --> 00:10:44,820

lots of strange things go on there and

245

00:10:53,030 --> 00:10:47,459

what is there about that state that

246

00:10:54,590 --> 00:10:53,040

seems to attract the strangest ooh all

247

00:10:55,910 --> 00:10:54,600

the questions people asked us all the

248

00:10:57,340 --> 00:10:55,920

time and I don't have a definite answer

249

00:10:59,480 --> 00:10:57,350

for that but I can tell you that

250

00:11:01,699 --> 00:10:59,490

historically there's always been a lot

251
00:11:03,920 --> 00:11:01,709
of strange activity going here across

252
00:11:06,319 --> 00:11:03,930
the state of Pennsylvania I mean we go

253
00:11:08,120 --> 00:11:06,329
back to you know the the early

254
00:11:09,829 --> 00:11:08,130
references of Bigfoot sightings in

255
00:11:11,810 --> 00:11:09,839
Pennsylvania a lot of early of

256
00:11:13,280 --> 00:11:11,820
references to UFO sightings being

257
00:11:15,470 --> 00:11:13,290
observed in different parts of the state

258
00:11:17,500 --> 00:11:15,480
I mean the earliest firsthand that can I

259
00:11:20,750 --> 00:11:17,510
have a Bigfoot sighting goes back to

260
00:11:22,760 --> 00:11:20,760
1931 up in Indy and add up and Fayette

261
00:11:25,970 --> 00:11:22,770
County PA and we've talked before about

262
00:11:27,740 --> 00:11:25,980
Fayette County it's a hotbed for all

263
00:11:31,100 --> 00:11:27,750

type of strange phenomena year after

264

00:11:32,960 --> 00:11:31,110

year so yet County is among those

265

00:11:34,310 --> 00:11:32,970

counties that border along the Chestnut

266

00:11:36,980 --> 00:11:34,320

Ridge which we've talked about the

267

00:11:39,079 --> 00:11:36,990

Chestnut Ridge is a mountain range runs

268

00:11:41,120 --> 00:11:39,089

from custom County West Virginia through

269

00:11:43,490 --> 00:11:41,130

Westmoreland Fayette and Indiana County

270

00:11:45,290 --> 00:11:43,500

and South West PA and historically

271

00:11:47,329 --> 00:11:45,300

there's just been a tremendous amount of

272

00:11:49,880 --> 00:11:47,339

strange activity along that mountain

273

00:11:51,560 --> 00:11:49,890

range which is about 100 miles long UFO

274

00:11:54,050 --> 00:11:51,570

sightings all kind of strange to

275

00:11:56,860 --> 00:11:54,060

creature reports Bigfoot sightings Black

276

00:12:00,110 --> 00:11:56,870

Panthers of course mountain lions

277

00:12:01,699 --> 00:12:00,120

strange reports of underground sounds

278

00:12:03,319 --> 00:12:01,709

along the ridge over the years just a

279

00:12:04,940 --> 00:12:03,329

lot of weird things will happen along

280

00:12:06,800 --> 00:12:04,950

the shelves not rich you know

281

00:12:08,390 --> 00:12:06,810

I want to ask you something before we

282

00:12:10,010 --> 00:12:08,400

really progress on this because we've

283

00:12:12,380 --> 00:12:10,020

had this discussion going on quite a

284

00:12:14,660 --> 00:12:12,390

while you originally came to prominence

285

00:12:17,960 --> 00:12:14,670

in paranormal research because of the

286

00:12:20,120 --> 00:12:17,970

Kecksburg incident which happened you

287

00:12:22,520 --> 00:12:20,130

know many many years ago and I think the

288

00:12:25,940 --> 00:12:22,530

question we've been asking Stan is

289

00:12:27,530 --> 00:12:25,950

whether we should still be investigating

290

00:12:30,050 --> 00:12:27,540

or trying to get information about these

291

00:12:32,570 --> 00:12:30,060

real old cases and concentrate more on

292

00:12:34,280 --> 00:12:32,580

the more recent stuff well you know I've

293

00:12:37,040 --> 00:12:34,290

worked in that case so that was 16 years

294

00:12:40,220 --> 00:12:37,050

old I haven't back December 9th 1965 and

295

00:12:42,080 --> 00:12:40,230

it's a very fascinating case we have a

296

00:12:44,330 --> 00:12:42,090

lot of information on it yet there are

297

00:12:45,950 --> 00:12:44,340

many unanswered questions and of course

298

00:12:47,930 --> 00:12:45,960

the the main on the answer question is

299

00:12:49,940 --> 00:12:47,940

still what was the object that fell that

300

00:12:53,240 --> 00:12:49,950

day our show to say late afternoon

301
00:12:54,860 --> 00:12:53,250
December 9th 1965 that was interesting

302
00:12:56,960 --> 00:12:54,870
enough that the military responders of

303
00:12:59,300 --> 00:12:56,970
that scene apparently we covered the

304
00:13:01,700 --> 00:12:59,310
object and even now after so many years

305
00:13:03,320 --> 00:13:01,710
later they still want to open the

306
00:13:06,860 --> 00:13:03,330
information on what exactly was

307
00:13:08,900 --> 00:13:06,870
recovered and I still received some

308
00:13:11,390 --> 00:13:08,910
input on the case every year I still get

309
00:13:12,950 --> 00:13:11,400
in for some information on it and I'm

310
00:13:14,360 --> 00:13:12,960
still hopeful that some day we're gonna

311
00:13:16,370 --> 00:13:14,370
find that person or find that

312
00:13:18,110 --> 00:13:16,380
information that might finally let us

313
00:13:20,060 --> 00:13:18,120

close the information on the event and

314

00:13:21,530 --> 00:13:20,070

finally have an answer on what exactly

315

00:13:23,660 --> 00:13:21,540

we were dealing with one of the things

316

00:13:25,730 --> 00:13:23,670

that's always puzzled me about it is is

317

00:13:27,470 --> 00:13:25,740

how you know with these wonderful

318

00:13:31,010 --> 00:13:27,480

efforts that have been made over the

319

00:13:33,980 --> 00:13:31,020

last 10 or 15 years for Freedom of

320

00:13:36,290 --> 00:13:33,990

Information Act requests you know it's

321

00:13:38,000 --> 00:13:36,300

interesting that we haven't really been

322

00:13:40,190 --> 00:13:38,010

able to pull much information out of the

323

00:13:42,020 --> 00:13:40,200

government on this because obviously the

324

00:13:43,700 --> 00:13:42,030

the military was involved and you would

325

00:13:45,290 --> 00:13:43,710

think there would be some sort of paper

326

00:13:48,680 --> 00:13:45,300

trail that would give us at least some

327

00:13:51,110 --> 00:13:48,690

clues on what exactly their role was and

328

00:13:54,920 --> 00:13:51,120

and information about what what the

329

00:13:57,020 --> 00:13:54,930

actual craft was or object and I agree

330

00:13:58,370 --> 00:13:57,030

and I started doing Fourier our reports

331

00:14:00,080 --> 00:13:58,380

on these thought to think on this case

332

00:14:00,500 --> 00:14:00,090

going back many many years and then of

333

00:14:02,930 --> 00:14:00,510

course

334

00:14:05,510 --> 00:14:02,940

Leslie Kane with the our coalition of

335

00:14:08,750 --> 00:14:05,520

freedom information work through with

336

00:14:11,840 --> 00:14:08,760

the that lawsuit that they had with NASA

337

00:14:14,180 --> 00:14:11,850

contain pertaining to the event and you

338

00:14:15,980 --> 00:14:14,190

know actually the only document that

339

00:14:17,870 --> 00:14:15,990

actually pertains to the case of ever

340

00:14:18,500 --> 00:14:17,880

really surfaced was that project

341

00:14:22,250 --> 00:14:18,510

Bluebook

342

00:14:24,470 --> 00:14:22,260

ports which basically it listed it as

343

00:14:26,210 --> 00:14:24,480

actually an acme PA instead of Kecksburg

344

00:14:27,440 --> 00:14:26,220

which I understand a reason why that

345

00:14:29,600 --> 00:14:27,450

would be and I believe that was because

346

00:14:31,310 --> 00:14:29,610

they talked to some members of the

347

00:14:32,840 --> 00:14:31,320

family that lived within walking

348

00:14:35,420 --> 00:14:32,850

distance from where the object

349

00:14:36,740 --> 00:14:35,430

reportedly fell and they had an ACME

350

00:14:39,110 --> 00:14:36,750

mailing address and I believe that's

351
00:14:42,050 --> 00:14:39,120
probably why that was always put under

352
00:14:43,730 --> 00:14:42,060
that specific name but of course that

353
00:14:46,190 --> 00:14:43,740
report goes on to say that a search

354
00:14:47,660 --> 00:14:46,200
continued to around I believe around two

355
00:14:50,750 --> 00:14:47,670
o'clock or so in the morning that

356
00:14:52,310 --> 00:14:50,760
nothing was found and you have I mean

357
00:14:54,470 --> 00:14:52,320
I've interviewed hundreds of hundreds of

358
00:14:56,120 --> 00:14:54,480
people who were directly involved or

359
00:14:58,490 --> 00:14:56,130
indirectly involved lots of people with

360
00:15:00,680 --> 00:14:58,500
information and there are many people

361
00:15:02,210 --> 00:15:00,690
that late-afternoon of course this

362
00:15:04,430 --> 00:15:02,220
happened late afternoon when the object

363
00:15:06,170 --> 00:15:04,440

reportedly fell in the area and when it

364

00:15:08,420 --> 00:15:06,180

came in those people fought dropped down

365

00:15:09,650 --> 00:15:08,430

said it didn't fall down as there was

366

00:15:11,780 --> 00:15:09,660

something came in a high rate of speed

367

00:15:14,300 --> 00:15:11,790

like a meteorite or reentry a space

368

00:15:15,860 --> 00:15:14,310

debris or satellite but this thing came

369

00:15:18,080 --> 00:15:15,870

in relatively slowly almost like a

370

00:15:20,270 --> 00:15:18,090

controlled landing and then momentarily

371

00:15:22,220 --> 00:15:20,280

after a fell though the Calma blue

372

00:15:24,260 --> 00:15:22,230

smoker grows up with dust in the area

373

00:15:26,300 --> 00:15:24,270

but it dissipated very quickly after

374

00:15:28,160 --> 00:15:26,310

that and you know there was so much we

375

00:15:29,330 --> 00:15:28,170

didn't know back in that time when

376

00:15:31,790 --> 00:15:29,340

that's happened I mean it was a major

377

00:15:33,290 --> 00:15:31,800

news story in this area the next day and

378

00:15:35,120 --> 00:15:33,300

all the local paper was making the

379

00:15:37,100 --> 00:15:35,130

national news was hitting all the wire

380

00:15:38,750 --> 00:15:37,110

services and they were talking about the

381

00:15:42,050 --> 00:15:38,760

military involvement and the air being

382

00:15:43,730 --> 00:15:42,060

cordoned off and and then you had the

383

00:15:45,980 --> 00:15:43,740

report the next day after all the other

384

00:15:47,690 --> 00:15:45,990

reports came out that the there was a

385

00:15:49,370 --> 00:15:47,700

search for the object there was an

386

00:15:51,230 --> 00:15:49,380

agreement review and the search revealed

387

00:15:53,480 --> 00:15:51,240

nothing nothing was found there was a

388

00:15:54,980 --> 00:15:53,490

search the people had been mistaken and

389

00:15:56,810 --> 00:15:54,990

that people have seen a bright meteor in

390

00:15:59,570 --> 00:15:56,820

the sky but nothing had fallen to the

391

00:16:01,040 --> 00:15:59,580

ground and I can remember just days

392

00:16:03,170 --> 00:16:01,050

after that happened there was so much

393

00:16:05,330 --> 00:16:03,180

talk around this community of people

394

00:16:07,400 --> 00:16:05,340

seeing what they said was a large

395

00:16:09,800 --> 00:16:07,410

military flatbed tractor-trailer truck

396

00:16:10,880 --> 00:16:09,810

carrying a large tarpaulin covering out

397

00:16:13,370 --> 00:16:10,890

of the air at a high rate of speed

398

00:16:15,470 --> 00:16:13,380

about one o'clock in the morning and of

399

00:16:17,570 --> 00:16:15,480

course over the years we get a lot of

400

00:16:18,830 --> 00:16:17,580

information and so much information I

401
00:16:20,990 --> 00:16:18,840
got it wasn't easy to get a hold of

402
00:16:22,280 --> 00:16:21,000
because so many people didn't want to

403
00:16:23,990 --> 00:16:22,290
come forward even today there are many

404
00:16:26,330 --> 00:16:24,000
people you still call me occasionally

405
00:16:29,390 --> 00:16:26,340
who haven't contacted me after all these

406
00:16:31,260 --> 00:16:29,400
years that this happened and quite often

407
00:16:33,570 --> 00:16:31,270
I'd get a lead from a friend and

408
00:16:35,640 --> 00:16:33,580
a relative of somebody and we followed

409
00:16:38,700 --> 00:16:35,650
up on the case but I can tell you in the

410
00:16:41,430 --> 00:16:38,710
summer of 1990 before the unsolved

411
00:16:43,380 --> 00:16:41,440
mystery TV show did a season premiere on

412
00:16:46,050 --> 00:16:43,390
the Kecksburg case a gentleman

413
00:16:49,290 --> 00:16:46,060

approached me and I was able to verify

414

00:16:51,810 --> 00:16:49,300

his background quite easily and he told

415

00:16:54,570 --> 00:16:51,820

me that he was a member of the air force

416

00:16:57,540 --> 00:16:54,580

security team Air Force security police

417

00:16:59,880 --> 00:16:57,550

team at Lockport Air Force Base that

418

00:17:01,440 --> 00:16:59,890

guarded the object when it came in to

419

00:17:03,810 --> 00:17:01,450

that base from Pennsylvania early

420

00:17:05,820 --> 00:17:03,820

morning hours of December 10th and he

421

00:17:07,710 --> 00:17:05,830

told me that the security on the base

422

00:17:09,930 --> 00:17:07,720

was even higher than when President

423

00:17:13,410 --> 00:17:09,940

Kennedy had is--it a base for a previous

424

00:17:15,030 --> 00:17:13,420

visit the the tread and they said they

425

00:17:17,400 --> 00:17:15,040

backed the object in the trailer into a

426

00:17:20,100 --> 00:17:17,410

hangar there was a security team put

427

00:17:21,510 --> 00:17:20,110

around that area they were given a shoot

428

00:17:22,770 --> 00:17:21,520

to kill order for anybody approached

429

00:17:25,170 --> 00:17:22,780

that area without the proper

430

00:17:27,480 --> 00:17:25,180

identification now this fella told me he

431

00:17:29,430 --> 00:17:27,490

was on that team that long he was called

432

00:17:30,900 --> 00:17:29,440

off from there and do something else but

433

00:17:32,520 --> 00:17:30,910

he said he heard it wasn't there that

434

00:17:33,930 --> 00:17:32,530

long that it went over to

435

00:17:36,990 --> 00:17:33,940

wright-patterson Air Force Base from

436

00:17:39,650 --> 00:17:37,000

there which other individuals all again

437

00:17:42,000 --> 00:17:39,660

different people unknown to each other

438

00:17:43,500 --> 00:17:42,010

verify the fact that yes it went in to

439

00:17:45,690 --> 00:17:43,510

wright-patterson fact we've know exactly

440

00:17:47,820 --> 00:17:45,700

what good lan went to one fella even

441

00:17:49,410 --> 00:17:47,830

drew me out of a whole row sketch of all

442

00:17:51,060 --> 00:17:49,420

the buildings and the layouts and he

443

00:17:52,950 --> 00:17:51,070

said you get in and beanie into the base

444

00:17:54,480 --> 00:17:52,960

I'll show you exactly where was but of

445

00:17:57,930 --> 00:17:54,490

course where it is now we have actually

446

00:17:59,760 --> 00:17:57,940

no idea and I mean I'm convinced with

447

00:18:02,430 --> 00:17:59,770

any doubt whatsoever that an object of

448

00:18:04,080 --> 00:18:02,440

unknown origin did follow that afternoon

449

00:18:06,540 --> 00:18:04,090

outside of Kecksburg be in the military

450

00:18:08,460 --> 00:18:06,550

recovered it what that object was is

451
00:18:10,350 --> 00:18:08,470
still open for speculation but you know

452
00:18:12,540 --> 00:18:10,360
we've had so many people over the years

453
00:18:14,130 --> 00:18:12,550
who have contacted me who believe they

454
00:18:16,140 --> 00:18:14,140
know what it was and there's many many

455
00:18:18,020 --> 00:18:16,150
different theories and everything of

456
00:18:22,140 --> 00:18:18,030
course from you know a Russian satellite

457
00:18:24,330 --> 00:18:22,150
to a meteorite to one guy told me he

458
00:18:26,580 --> 00:18:24,340
will show some type of projectile that

459
00:18:29,340 --> 00:18:26,590
was fired from a giant gun and Canada

460
00:18:31,230 --> 00:18:29,350
you know all type of secret things I

461
00:18:33,300 --> 00:18:31,240
mean we've had all kind of people coming

462
00:18:35,400 --> 00:18:33,310
with information but when you try to get

463
00:18:37,470 --> 00:18:35,410

information on it or you try to get the

464

00:18:40,020 --> 00:18:37,480

evidence it just doesn't fit to what we

465

00:18:42,120 --> 00:18:40,030

know and there you gotta remember

466

00:18:43,970 --> 00:18:42,130

whatever this thing was back in 1965

467

00:18:46,549 --> 00:18:43,980

this thing's coming in over a while

468

00:18:48,620 --> 00:18:46,559

comes in over the first scene you know

469

00:18:50,780 --> 00:18:48,630

over several states it comes in over the

470

00:18:52,250 --> 00:18:50,790

Greater Pittsburgh area it moves out

471

00:18:54,740 --> 00:18:52,260

towards the Westmoreland County out

472

00:18:56,780 --> 00:18:54,750

towards Greensburg and as its passing

473

00:18:58,490 --> 00:18:56,790

over greens are moving out roughly route

474

00:19:00,680 --> 00:18:58,500

30 east and makes a turn to the south

475

00:19:02,060 --> 00:19:00,690

and it's moving out and it's the in

476

00:19:04,370 --> 00:19:02,070

sequential by people these little

477

00:19:06,289 --> 00:19:04,380

farming communities it moves out to the

478

00:19:07,940 --> 00:19:06,299

mountain a plural ville so other people

479

00:19:09,710 --> 00:19:07,950

around there see this thing up in that

480

00:19:11,630 --> 00:19:09,720

area and apparently makes a turn it

481

00:19:13,070 --> 00:19:11,640

comes back towards Kecksburg then it

482

00:19:16,070 --> 00:19:13,080

makes another turn it goes down to the

483

00:19:17,720 --> 00:19:16,080

woods and what we didn't know at that

484

00:19:20,480 --> 00:19:17,730

time there was many years later I mean

485

00:19:22,220 --> 00:19:20,490

it was until 1987 that we actually found

486

00:19:25,460 --> 00:19:22,230

the first eyewitness and was just by

487

00:19:26,990 --> 00:19:25,470

sheer luck that we found him who claimed

488

00:19:29,810 --> 00:19:27,000

to have seen this object on the ground

489

00:19:31,490 --> 00:19:29,820

and we what we now know is that right

490

00:19:33,590 --> 00:19:31,500

after this thing fell apparently some

491

00:19:36,140 --> 00:19:33,600

individuals locally went down into the

492

00:19:38,299 --> 00:19:36,150

woods and saw this large metallic acorn

493

00:19:40,280 --> 00:19:38,309

shaped object semi buried in the ground

494

00:19:42,770 --> 00:19:40,290

this thing from what we got from our

495

00:19:44,840 --> 00:19:42,780

witnesses is proximately estimated be

496

00:19:48,530 --> 00:19:44,850

fairly 10 to 12 or feet or one length

497

00:19:50,810 --> 00:19:48,540

but 8 to 10 feet in diameter as one

498

00:19:53,630 --> 00:19:50,820

witness who the first wouldn't we met

499

00:19:55,640 --> 00:19:53,640

was Jim romansky 1987 at that time for

500

00:19:57,200 --> 00:19:55,650

many years he kept anonymous but he was

501
00:19:59,510 --> 00:19:57,210
a mission his background was that of a

502
00:20:01,850 --> 00:19:59,520
machinist and he said to him it looked

503
00:20:03,799 --> 00:20:01,860
like somebody took liquid metal of an

504
00:20:06,710 --> 00:20:03,809
off gold colored liquid metal poured

505
00:20:08,120 --> 00:20:06,720
into an acorn shaped mold because he

506
00:20:10,100 --> 00:20:08,130
said it was like one saw a piece of

507
00:20:11,990 --> 00:20:10,110
metal there's no rivets no seams the

508
00:20:13,580 --> 00:20:12,000
fuselage no windows that he could see

509
00:20:15,680 --> 00:20:13,590
because the semi buried in the ground he

510
00:20:17,390 --> 00:20:15,690
couldn't see the bottom and on the

511
00:20:20,150 --> 00:20:17,400
bottom of the raised up the area of the

512
00:20:22,700 --> 00:20:20,160
acorn are these unusual markings that he

513
00:20:24,140 --> 00:20:22,710

said were more like symbols and he said

514

00:20:26,630 --> 00:20:24,150

later on after spending a lot of time

515

00:20:28,610 --> 00:20:26,640

going into libraries and looking at

516

00:20:30,890 --> 00:20:28,620

ancient languages of ancient drawings

517

00:20:32,750 --> 00:20:30,900

that the closest thing was like ancient

518

00:20:34,760 --> 00:20:32,760

Egyptian hieroglyphics and other

519

00:20:36,710 --> 00:20:34,770

witnesses described seeing the very

520

00:20:39,380 --> 00:20:36,720

similar type of thing in fact the one

521

00:20:41,210 --> 00:20:39,390

witness who contacted me after the

522

00:20:43,850 --> 00:20:41,220

unsolved mysteries show his name we call

523

00:20:46,640 --> 00:20:43,860

which enables Myron and Myron story was

524

00:20:47,990 --> 00:20:46,650

very interesting he called me after the

525

00:20:49,400 --> 00:20:48,000

show air and he said I guess I'm allowed

526
00:20:50,000 --> 00:20:49,410
to talk to you about it now since was on

527
00:20:51,740 --> 00:20:50,010
television

528
00:20:53,330 --> 00:20:51,750
and of course I asked what are you

529
00:20:56,450 --> 00:20:53,340
talking about and he said well he said

530
00:20:57,510 --> 00:20:56,460
he had worked for a large supply house

531
00:21:00,900 --> 00:20:57,520
in Ohio at

532
00:21:03,030 --> 00:21:00,910
any a Navy officer came in to that

533
00:21:05,490 --> 00:21:03,040
office with a special type of glazed

534
00:21:06,720 --> 00:21:05,500
engineering brick and placed a large

535
00:21:08,160 --> 00:21:06,730
order of this to be sent to

536
00:21:09,930 --> 00:21:08,170
wright-patterson air force base this was

537
00:21:13,680 --> 00:21:09,940
just two three days after the incident

538
00:21:16,200 --> 00:21:13,690

Pennsylvania anyhow the story was that

539

00:21:18,630 --> 00:21:16,210

there was there was two different loads

540

00:21:21,660 --> 00:21:18,640

of Brooks sent into that base the first

541

00:21:23,700 --> 00:21:21,670

day another driver who wouldn't talk to

542

00:21:25,140 --> 00:21:23,710

us at first but later verified the story

543

00:21:27,750 --> 00:21:25,150

he was though the day before my urn was

544

00:21:31,140 --> 00:21:27,760

there he went into the base he was

545

00:21:33,330 --> 00:21:31,150

escorted in sent his supply of bricks

546

00:21:35,400 --> 00:21:33,340

into that area and outside this large

547

00:21:37,860 --> 00:21:35,410

warehouse building he said was this

548

00:21:39,450 --> 00:21:37,870

flatbed trailer with this tarp object

549

00:21:41,340 --> 00:21:39,460

and he described like a big Liberty Bell

550

00:21:43,560 --> 00:21:41,350

from its shape Christiana seed was

551
00:21:46,770 --> 00:21:43,570
covered and the next day both he and

552
00:21:48,870 --> 00:21:46,780
Myron went to the base they were

553
00:21:50,549 --> 00:21:48,880
escorted in they were told to stay with

554
00:21:52,620 --> 00:21:50,559
your vehicle's just do your job don't be

555
00:21:55,169 --> 00:21:52,630
looking around well mine was very

556
00:21:56,549 --> 00:21:55,179
curious because after a period of time

557
00:21:58,830 --> 00:21:56,559
he's seen these guys who used awake

558
00:22:00,530 --> 00:21:58,840
coveralls with sidearms and their

559
00:22:02,580 --> 00:22:00,540
various type of protective clothing and

560
00:22:04,560 --> 00:22:02,590
every one small but coming out and

561
00:22:05,850 --> 00:22:04,570
changing or out of clothing he's

562
00:22:07,919 --> 00:22:05,860
wondering like what's going on in there

563
00:22:08,940 --> 00:22:07,929

so when he thought the time was clear

564

00:22:10,799 --> 00:22:08,950

nobody was around

565

00:22:12,600 --> 00:22:10,809

he walked overlooked the interest of his

566

00:22:15,210 --> 00:22:12,610

building and he said up in the

567

00:22:17,400 --> 00:22:15,220

scaffolding here is his big metallic

568

00:22:18,900 --> 00:22:17,410

again acorn shaped object with the

569

00:22:20,400 --> 00:22:18,910

hieroglyphic markings on it there's

570

00:22:22,320 --> 00:22:20,410

ladders going up there's men on the

571

00:22:24,510 --> 00:22:22,330

ladder and apparently trying to open

572

00:22:26,190 --> 00:22:24,520

this thing up again side of it and I

573

00:22:27,360 --> 00:22:26,200

guess he asked a few questions and at

574

00:22:28,560 --> 00:22:27,370

first they must have thought he was

575

00:22:30,600 --> 00:22:28,570

cleared to be there and then they

576

00:22:32,100 --> 00:22:30,610

realized he wasn't and asked what he

577

00:22:33,960 --> 00:22:32,110

told me was basically he was pretty much

578

00:22:36,120 --> 00:22:33,970

threatened not to talk about it but they

579

00:22:38,790 --> 00:22:36,130

told him that in 20 years this will all

580

00:22:40,830 --> 00:22:38,800

be public knowledge and he he thought

581

00:22:42,600 --> 00:22:40,840

well you know 20 years later and then he

582

00:22:43,890 --> 00:22:42,610

sees the show in 1990 and he and they're

583

00:22:46,710 --> 00:22:43,900

talking about him they said I guess I

584

00:22:48,990 --> 00:22:46,720

love to talk about it now so anyhow you

585

00:22:50,730 --> 00:22:49,000

know we know where the object went to

586

00:22:52,200 --> 00:22:50,740

where's that city of course we have no

587

00:22:53,790 --> 00:22:52,210

idea what do you think the bricks are

588

00:22:56,130 --> 00:22:53,800

being used for that the Navy guy ordered

589

00:22:59,549 --> 00:22:56,140

from them well what he told us was that

590

00:23:02,310 --> 00:22:59,559

they actually build this thing up inside

591

00:23:03,630 --> 00:23:02,320

of a building they what I recall is he

592

00:23:06,270 --> 00:23:03,640

said they put some type of a lead-lined

593

00:23:08,480 --> 00:23:06,280

seal and also bricked us up with a

594

00:23:10,780 --> 00:23:08,490

special type of engineering brick and

595

00:23:13,840 --> 00:23:10,790

basically they put it up inside of

596

00:23:15,640 --> 00:23:13,850

building and brick to swing up and so

597

00:23:18,910 --> 00:23:15,650

that that would indicate they may have

598

00:23:21,370 --> 00:23:18,920

had some sort of radiation that's what

599

00:23:22,840 --> 00:23:21,380

his that's what his idea was how about

600

00:23:25,180 --> 00:23:22,850

some of your witnesses that were on site

601
00:23:28,210 --> 00:23:25,190
in the woods did anyone ever report any

602
00:23:30,280 --> 00:23:28,220
sort of you know things that you would

603
00:23:32,830 --> 00:23:30,290
describe to radiation poisoning did

604
00:23:35,290 --> 00:23:32,840
anybody get sick after they were there

605
00:23:37,840 --> 00:23:35,300
the firemen that were part of the search

606
00:23:39,850 --> 00:23:37,850
team I think there was there was one

607
00:23:41,140 --> 00:23:39,860
witness who was relatively closed who

608
00:23:43,120 --> 00:23:41,150
doesn't really like to talk about it

609
00:23:45,790 --> 00:23:43,130
much he has had a lot of history even

610
00:23:48,310 --> 00:23:45,800
more recent years I'm having various

611
00:23:50,290 --> 00:23:48,320
type of physical problems and which he

612
00:23:52,660 --> 00:23:50,300
always thought was being attributed

613
00:23:55,540 --> 00:23:52,670

being close to the object there was a

614

00:23:57,250 --> 00:23:55,550

family named the Hayes family who lived

615

00:23:59,200 --> 00:23:57,260

in a small farming house here running at

616

00:24:02,560 --> 00:23:59,210

the time it was the closest farm house

617

00:24:03,970 --> 00:24:02,570

to the impact site and you saw them they

618

00:24:05,590 --> 00:24:03,980

were on the unsolved mystery show I

619

00:24:08,050 --> 00:24:05,600

believe and they were on my documentary

620

00:24:10,440 --> 00:24:08,060

I produced the untold story Mrs. Hayes

621

00:24:13,210 --> 00:24:10,450

has now passed away as so many other

622

00:24:14,170 --> 00:24:13,220

very prominent witnesses of the case and

623

00:24:16,030 --> 00:24:14,180

who have gone public

624

00:24:18,130 --> 00:24:16,040

the majority of witness today still have

625

00:24:19,960 --> 00:24:18,140

never gone public for various reasons

626
00:24:21,880 --> 00:24:19,970
and that just gives them more insight

627
00:24:23,890 --> 00:24:21,890
into their credibility but they had no

628
00:24:25,240 --> 00:24:23,900
idea that the little details they gave

629
00:24:27,340 --> 00:24:25,250
me how they verified other people's

630
00:24:30,130 --> 00:24:27,350
account but going back to the Hayes case

631
00:24:31,930 --> 00:24:30,140
they lived in that house that was very

632
00:24:33,760 --> 00:24:31,940
close to the impact site the kids in

633
00:24:35,920 --> 00:24:33,770
that house the woods was their

634
00:24:37,900 --> 00:24:35,930
playground they knew the woods very well

635
00:24:40,030 --> 00:24:37,910
they played down there every day they

636
00:24:42,400 --> 00:24:40,040
were down to the day before and John

637
00:24:44,380 --> 00:24:42,410
Hayes and his brother went down into the

638
00:24:46,030 --> 00:24:44,390

woods the next morning after seeing all

639

00:24:47,950 --> 00:24:46,040

the military activity around their house

640

00:24:49,510 --> 00:24:47,960

having military people actually coming

641

00:24:52,260 --> 00:24:49,520

in and out of their home and actually

642

00:24:54,160 --> 00:24:52,270

using the telephone and apparently

643

00:24:55,390 --> 00:24:54,170

reversing the phone calls because they

644

00:24:58,060 --> 00:24:55,400

never had any bills on their phone they

645

00:24:59,410 --> 00:24:58,070

were calling different people and Joe

646

00:25:00,730 --> 00:24:59,420

and his brother went down the next day

647

00:25:02,050 --> 00:25:00,740

first thing they have to do they have to

648

00:25:04,480 --> 00:25:02,060

mend this fence out there because he had

649

00:25:06,520 --> 00:25:04,490

some cows the military had cut the fence

650

00:25:07,000 --> 00:25:06,530

line to take these trucks down to that

651
00:25:08,860 --> 00:25:07,010
area

652
00:25:10,510 --> 00:25:08,870
tantor the impact site because you

653
00:25:12,130 --> 00:25:10,520
couldn't take the trucks actually right

654
00:25:13,860 --> 00:25:12,140
through the impact site because of the

655
00:25:16,080 --> 00:25:13,870
tree growth down there you know what

656
00:25:17,880 --> 00:25:16,090
we could go into a host show again on

657
00:25:19,080 --> 00:25:17,890
Plattsburgh we've already done that I

658
00:25:21,269 --> 00:25:19,090
want to ask a couple of key questions

659
00:25:23,399 --> 00:25:21,279
let's move on to some other cases all

660
00:25:25,500 --> 00:25:23,409
right the mention of radiation is there

661
00:25:28,380 --> 00:25:25,510
any indication the people the witnesses

662
00:25:31,080 --> 00:25:28,390
who died did they die prematurely or as

663
00:25:33,299 --> 00:25:31,090

a result of normal factors well you know

664

00:25:35,460 --> 00:25:33,309

we only know of somebody I have names of

665

00:25:38,159 --> 00:25:35,470

people who have given me names of

666

00:25:40,289 --> 00:25:38,169

relatives and there's no way to prove it

667

00:25:41,730 --> 00:25:40,299

and what most people passed away years

668

00:25:44,880 --> 00:25:41,740

and years ago before I had the chance to

669

00:25:46,289 --> 00:25:44,890

interview them and there was rumors of

670

00:25:50,549 --> 00:25:46,299

things like that but nothing we can

671

00:25:52,500 --> 00:25:50,559

verify okay now at this point in 2010

672

00:25:55,139 --> 00:25:52,510

you mentioned there are witnesses who

673

00:25:58,200 --> 00:25:55,149

still haven't come forward how do you go

674

00:25:59,519 --> 00:25:58,210

about finding who they are getting them

675

00:26:01,889 --> 00:25:59,529

to talk and getting some more

676

00:26:03,570 --> 00:26:01,899

information about this the whole thing

677

00:26:05,130 --> 00:26:03,580

is even around here there's been a lot

678

00:26:07,820 --> 00:26:05,140

of media coverage a lot of people and

679

00:26:10,320 --> 00:26:07,830

whenever you have a media coverage of it

680

00:26:13,200 --> 00:26:10,330

sometimes people do decide to come

681

00:26:15,539 --> 00:26:13,210

forward I mean when there was this talk

682

00:26:17,549 --> 00:26:15,549

a number of years ago when the sci-fi

683

00:26:19,919 --> 00:26:17,559

channel was doing a big investigation of

684

00:26:22,560 --> 00:26:19,929

the case and they were showing they were

685

00:26:24,480 --> 00:26:22,570

doing this very intensely very seriously

686

00:26:26,130 --> 00:26:24,490

than there was there was a lot of new

687

00:26:29,490 --> 00:26:26,140

people that began to come forward at

688

00:26:31,169 --> 00:26:29,500

that time and occasionally I'll get

689

00:26:33,330 --> 00:26:31,179

somebody will come forward a fella came

690

00:26:35,070 --> 00:26:33,340

forward last year that had a little bit

691

00:26:37,049 --> 00:26:35,080

of interesting information but none of

692

00:26:38,610 --> 00:26:37,059

this I mean it's all helps to verify

693

00:26:41,430 --> 00:26:38,620

other people's accounts for what we know

694

00:26:43,230 --> 00:26:41,440

but we just haven't gotten that that one

695

00:26:45,450 --> 00:26:43,240

case that one bit of important

696

00:26:47,130 --> 00:26:45,460

information that might still the case I

697

00:26:49,169 --> 00:26:47,140

mean one of the rumors we've heard for

698

00:26:51,149 --> 00:26:49,179

years and many many people told us this

699

00:26:52,620 --> 00:26:51,159

that there are there are pictures around

700

00:26:54,360 --> 00:26:52,630

somewhere people have seen Blackpoint

701
00:26:56,279 --> 00:26:54,370
pictures that somebody took of the

702
00:26:58,289 --> 00:26:56,289
object back at that time down in the

703
00:26:59,880 --> 00:26:58,299
woods and various people told us they've

704
00:27:01,440 --> 00:26:59,890
actually seen the pictures but nobody's

705
00:27:02,850 --> 00:27:01,450
ever come forward with them and we're

706
00:27:04,529 --> 00:27:02,860
still hopeful someday those pictures

707
00:27:06,960 --> 00:27:04,539
might turn up somewhere it's like the

708
00:27:08,639 --> 00:27:06,970
famous Thunderbird photograph from the

709
00:27:10,200 --> 00:27:08,649
turn of the century that so many people

710
00:27:11,880 --> 00:27:10,210
claim to have seen but nobody could find

711
00:27:13,500 --> 00:27:11,890
a compact

712
00:27:16,680 --> 00:27:13,510
speaking of Thunderbirds one of the

713
00:27:18,210 --> 00:27:16,690

things that I was really found I found

714

00:27:19,919 --> 00:27:18,220

really intriguing and really mysterious

715

00:27:22,950 --> 00:27:19,929

Pennsylvania here's some of these

716

00:27:24,200 --> 00:27:22,960

amazing Thunderbird sightings including

717

00:27:26,090 --> 00:27:24,210

some

718

00:27:27,920 --> 00:27:26,100

broad daylight over shopping centers

719

00:27:31,130 --> 00:27:27,930

landing almost breaking trees and stuff

720

00:27:33,500 --> 00:27:31,140

oh you've had other interesting aerial

721

00:27:35,240 --> 00:27:33,510

crypto type phenomena around the area

722

00:27:36,410 --> 00:27:35,250

once you describe some of the reports

723

00:27:38,990 --> 00:27:36,420

that you've had over the years of these

724

00:27:40,900 --> 00:27:39,000

types of objects were crypto creatures

725

00:27:48,830 --> 00:27:40,910

cliffhanger

726

00:27:53,460 --> 00:27:51,150

picture this you're on the phone with a

727

00:27:56,610 --> 00:27:53,470

client or colleague trying to explain

728

00:27:58,860 --> 00:27:56,620

something visual a PowerPoint a keynote

729

00:28:01,500 --> 00:27:58,870

presentation a website but it's

730

00:28:02,310 --> 00:28:01,510

frustrating because they can't see what

731

00:28:05,220 --> 00:28:02,320

you're talking about

732

00:28:08,040 --> 00:28:05,230

the solution good news they can if you

733

00:28:10,920 --> 00:28:08,050

746

00:29:10,440 --> 00:29:08,700

we have Stan Gordon officer a really

747

00:29:11,670 --> 00:29:10,450

mysterious Pennsylvania of the co-host

748

00:29:14,550 --> 00:29:11,680

is Christopher O'Brien

749

00:29:16,200 --> 00:29:14,560

he's become a the or hour or something

750

00:29:18,780 --> 00:29:16,210

like that we're just playing with

751

00:29:20,940 --> 00:29:18,790

phrases here yeah dick stack that's

752

00:29:24,990 --> 00:29:20,950

right in the Irish trickster

753

00:29:27,660 --> 00:29:25,000

okay so Thunderbirds Stan what pray tell

754

00:29:29,090 --> 00:29:27,670

is a Thunderbird well ponder brothers

755

00:29:32,220 --> 00:29:29,100

sister has been given to these

756

00:29:35,550 --> 00:29:32,230

reportedly generally very large birds

757

00:29:39,450 --> 00:29:35,560

generally dark and colours are black

758

00:29:41,640 --> 00:29:39,460

dark brown but with a huge wingspan that

759

00:29:43,680 --> 00:29:41,650

some people estimate to be twenty feet

760

00:29:45,090 --> 00:29:43,690

or more in length and of course you know

761

00:29:47,520 --> 00:29:45,100

just like with Bigfoot case another

762

00:29:49,200 --> 00:29:47,530

eclipta case we look into summer turned

763

00:29:51,840 --> 00:29:49,210

out to be misidentification of other

764

00:29:53,340 --> 00:29:51,850

normal birds in the area like with

765

00:29:55,380 --> 00:29:53,350

Bigfoot we've had some case where tend

766

00:29:56,910 --> 00:29:55,390

to be bear or large shaggy dogs things

767

00:29:58,440 --> 00:29:56,920

along that line but some of these

768

00:30:00,480 --> 00:29:58,450

reports have been very interesting I

769

00:30:01,830 --> 00:30:00,490

mean there was an incident happened I

770

00:30:03,540 --> 00:30:01,840

believe like two years ago that one of

771

00:30:05,430 --> 00:30:03,550

my associates Jim Brown investigated

772

00:30:07,830 --> 00:30:05,440

down on Washington PA it was an

773

00:30:10,620 --> 00:30:07,840

afternoon beautiful afternoon on a major

774

00:30:13,530 --> 00:30:10,630

highway winter is reportedly this huge

775

00:30:15,300 --> 00:30:13,540

almost I used back like creature came

776

00:30:17,700 --> 00:30:15,310

down over top of vehicles with yesterday

777

00:30:19,260 --> 00:30:17,710

to be a 20-foot wingspan people stop

778

00:30:21,510 --> 00:30:19,270

their cars got out of their cars and one

779

00:30:22,950 --> 00:30:21,520

man reportedly got out of the car and he

780

00:30:23,340 --> 00:30:22,960

was seen with the camera taking pictures

781

00:30:24,810 --> 00:30:23,350

of it

782

00:30:27,450 --> 00:30:24,820

but whoever he was he's never come

783

00:30:30,000 --> 00:30:27,460

forward and there have been other

784

00:30:32,040 --> 00:30:30,010

reports you know even some what we had a

785

00:30:33,330 --> 00:30:32,050

case enough outside of Greensburg here

786

00:30:36,630 --> 00:30:33,340

several years ago where a gentleman

787

00:30:39,030 --> 00:30:36,640

claimed that he saw a huge bird about 60

788

00:30:42,020 --> 00:30:39,040

feet above the truck and Clark traffic

789

00:30:44,040 --> 00:30:42,030

got going outside of the town and

790

00:30:46,290 --> 00:30:44,050

there's been many reports I mean

791

00:30:47,760 --> 00:30:46,300

historically there's a lot of reports on

792

00:30:49,590 --> 00:30:47,770

what we call the black forest region of

793

00:30:51,090 --> 00:30:49,600

Pennsylvania but it's not just there

794

00:30:52,980 --> 00:30:51,100

they've been reported from all parts of

795

00:30:54,720 --> 00:30:52,990

the state in fact I don't have much

796

00:30:56,370 --> 00:30:54,730

information but I just got a report of a

797

00:30:57,990 --> 00:30:56,380

possible one scene they here in

798

00:30:59,490 --> 00:30:58,000

Pennsylvania I'm trying to get a hold of

799

00:31:02,490 --> 00:30:59,500

a minute something the information on it

800

00:31:04,200 --> 00:31:02,500

and but by far one of the most

801

00:31:06,390 --> 00:31:04,210

interesting most detailed accounts

802

00:31:07,350 --> 00:31:06,400

happen actually in nearby West Virginia

803

00:31:09,330 --> 00:31:07,360

which I mentioned here in the book

804

00:31:11,130 --> 00:31:09,340

because I interviewed this guy several

805

00:31:14,160 --> 00:31:11,140

times he sent me a sketch of what he

806

00:31:16,560 --> 00:31:14,170

drew what he had seen and this is one of

807

00:31:19,120 --> 00:31:16,570

the most detailed accounts that happened

808

00:31:21,100 --> 00:31:19,130

in the fall of 2007 and

809

00:31:22,990 --> 00:31:21,110

gentleman was driving down the road two

810

00:31:25,210 --> 00:31:23,000

lane highway about eight o'clock in the

811

00:31:27,310 --> 00:31:25,220

morning aside of clendenon West Virginia

812

00:31:28,600 --> 00:31:27,320

and he said he's driving down the road

813

00:31:30,790 --> 00:31:28,610

when all of a sudden he had to hit his

814

00:31:32,830 --> 00:31:30,800

brakes because right in front of him it

815

00:31:36,280 --> 00:31:32,840

says a huge bird only a few yards away

816

00:31:37,720 --> 00:31:36,290

which is feeding on some roadkill and he

817

00:31:39,970 --> 00:31:37,730

said what starring him was the fact that

818

00:31:42,220 --> 00:31:39,980

this thing was so big I mean it stood at

819

00:31:43,510 --> 00:31:42,230

least four feet tall because his head

820

00:31:47,170 --> 00:31:43,520

extended over the roofline of his

821

00:31:49,330 --> 00:31:47,180

vehicle and he said he got a very very

822

00:31:51,130 --> 00:31:49,340

detailed look at this creature he said

823

00:31:52,930 --> 00:31:51,140

that the head was featherless and

824

00:31:54,640 --> 00:31:52,940

separated from the rest of the body by a

825

00:31:58,390 --> 00:31:54,650

prominent yellowish orange collar of

826

00:32:00,850 --> 00:31:58,400

plumage the body was basically dark

827

00:32:02,380 --> 00:32:00,860

brown or black with feathers the neck

828

00:32:04,090 --> 00:32:02,390

was long and crooked the beak was

829

00:32:06,940 --> 00:32:04,100

appeared Oracle was pretty large and

830

00:32:08,530 --> 00:32:06,950

long the eyes were dark he said that the

831

00:32:10,180 --> 00:32:08,540

legs were covered in feathers but he

832

00:32:11,590 --> 00:32:10,190

could not see the feet he believed if I

833

00:32:14,500 --> 00:32:11,600

believe rather he said they were pretty

834

00:32:16,180 --> 00:32:14,510

much bare the chest of the the large

835

00:32:17,950 --> 00:32:16,190

bird he said was distinct then it was

836

00:32:20,380 --> 00:32:17,960

well-formed but he said the most

837

00:32:22,450 --> 00:32:20,390

striking feature of all was a huge

838

00:32:24,550 --> 00:32:22,460

wingspan and actually what he did he

839

00:32:26,800 --> 00:32:24,560

went back afterwards they measured the

840

00:32:29,710 --> 00:32:26,810

the highway and it was twenty-one feet

841

00:32:31,570 --> 00:32:29,720

across where the expansion of the wings

842

00:32:34,330 --> 00:32:31,580

were parented because it was so close to

843

00:32:36,040 --> 00:32:34,340

him he said that the wings as he

844

00:32:38,080 --> 00:32:36,050

remember they were like arms of a human

845

00:32:40,420 --> 00:32:38,090

that were attached as I had shoulders in

846

00:32:42,970 --> 00:32:40,430

a very muscular upper torso and the

847

00:32:44,710 --> 00:32:42,980

wings were as if they were its arms and

848

00:32:46,330 --> 00:32:44,720

he said it kind of scared at each other

849

00:32:47,890 --> 00:32:46,340

for a minute talk he said he was

850

00:32:49,960 --> 00:32:47,900

somewhat too shocked looking at this

851
00:32:52,180 --> 00:32:49,970
thing that the bird became somewhat

852
00:32:54,490 --> 00:32:52,190
startled himself itself he put his head

853
00:32:56,380 --> 00:32:54,500
back when a stared at him and then it

854
00:32:58,870 --> 00:32:56,390
turned around in an awkward mat and a

855
00:33:02,110 --> 00:32:58,880
manner tried to run off and as though

856
00:33:03,340 --> 00:33:02,120
trying to fly off and it was jumping

857
00:33:05,320 --> 00:33:03,350
like from one foot to the other or

858
00:33:08,500 --> 00:33:05,330
hopping viana with its wings flapping to

859
00:33:11,350 --> 00:33:08,510
gain speed to take off and he said that

860
00:33:12,910 --> 00:33:11,360
when it it was moving its wings that the

861
00:33:14,320 --> 00:33:12,920
Lynx tip says she stirred up the dust

862
00:33:16,300 --> 00:33:14,330
and the gravel on both sides of the road

863
00:33:18,670 --> 00:33:16,310

as it became airborne flew up over the

864

00:33:21,220 --> 00:33:18,680

trees and was gone and he said later he

865

00:33:23,140 --> 00:33:21,230

went and did some research trying to

866

00:33:25,810 --> 00:33:23,150

find a bird that would look closely said

867

00:33:29,000 --> 00:33:25,820

the clothes naked crime was a territory

868

00:33:31,160 --> 00:33:29,010

which of course was an extinct bird yes

869

00:33:34,190 --> 00:33:31,170

to believe that this is anything other

870

00:33:36,200 --> 00:33:34,200

than a real creature that maybe we don't

871

00:33:38,390 --> 00:33:36,210

see too often because they stay away

872

00:33:40,670 --> 00:33:38,400

well we could well be it's just the fact

873

00:33:42,310 --> 00:33:40,680

that a 21 foot wingspan it's just

874

00:33:44,690 --> 00:33:42,320

unbelievable

875

00:33:46,280 --> 00:33:44,700

it's kind of difficult unless it's

876

00:33:49,250 --> 00:33:46,290

hiding in the mountains somewhere or in

877

00:33:51,020 --> 00:33:49,260

the forest right and again you know it's

878

00:33:52,580 --> 00:33:51,030

not the case here where you suck you

879

00:33:54,590 --> 00:33:52,590

think's on the a half a mile away and

880

00:33:56,090 --> 00:33:54,600

you can misidentified her you know not

881

00:33:58,040 --> 00:33:56,100

the problem not properly judge the

882

00:33:59,810 --> 00:33:58,050

actual size this was very very close

883

00:34:01,850 --> 00:33:59,820

range and there have been some other

884

00:34:03,440 --> 00:34:01,860

reports or a relatively close range as

885

00:34:05,780 --> 00:34:03,450

well I mean there was an incident

886

00:34:07,310 --> 00:34:05,790

happened years ago out here at the

887

00:34:09,320 --> 00:34:07,320

Westmoreland mall they had a story out

888

00:34:11,540 --> 00:34:09,330

here which sells tickets for different

889

00:34:14,030 --> 00:34:11,550

shows in the Pittsburgh area a walk walk

890

00:34:15,860 --> 00:34:14,040

shows and whatever so the kids during

891

00:34:18,200 --> 00:34:15,870

the years ago they used to line up all

892

00:34:20,120 --> 00:34:18,210

night long stand in line to get their

893

00:34:22,040 --> 00:34:20,130

tickets well on this one particular

894

00:34:24,500 --> 00:34:22,050

night I guess it was a clear moonlit

895

00:34:25,850 --> 00:34:24,510

night and what I was told was it was a

896

00:34:27,260 --> 00:34:25,860

bunch of people out there standing

897

00:34:29,300 --> 00:34:27,270

around all of a sudden it was this big

898

00:34:31,129 --> 00:34:29,310

shadow came over top of them from the

899

00:34:32,720 --> 00:34:31,139

wooded area from behind the mall the

900

00:34:35,360 --> 00:34:32,730

saying comes right over top of them and

901
00:34:37,250 --> 00:34:35,370
they got a good look at this giant bird

902
00:34:39,800 --> 00:34:37,260
that they said best thing they could

903
00:34:41,360 --> 00:34:39,810
describe was like a pterodactyl and they

904
00:34:43,280 --> 00:34:41,370
got a pretty good look at it and they

905
00:34:45,919 --> 00:34:43,290
were pretty much her Cup in looking

906
00:34:47,840 --> 00:34:45,929
cases like this do you see cases outside

907
00:34:49,879 --> 00:34:47,850
of Pennsylvania with similar creatures

908
00:34:52,790 --> 00:34:49,889
other than Virginia you were mentioning

909
00:34:55,460 --> 00:34:52,800
it before yeah that was in West Virginia

910
00:34:56,840 --> 00:34:55,470
right and I think Chris hit Chris have

911
00:34:59,120 --> 00:34:56,850
you might have some cases that your way

912
00:35:02,090 --> 00:34:59,130
of these giant birds yeah I have

913
00:35:05,750 --> 00:35:02,100

actually right around it seems that they

914

00:35:09,260 --> 00:35:05,760

the only places that I've had reports of

915

00:35:11,930 --> 00:35:09,270

them or stories in most cases I've only

916

00:35:15,140 --> 00:35:11,940

had actually one report but I have been

917

00:35:16,760 --> 00:35:15,150

told stories that indicate the border

918

00:35:19,340 --> 00:35:16,770

area between Colorado and New Mexico and

919

00:35:21,950 --> 00:35:19,350

the San Luis Valley cheated over to the

920

00:35:25,160 --> 00:35:21,960

east side of the valley is where these

921

00:35:26,780 --> 00:35:25,170

types of huge flying creatures if for

922

00:35:30,819 --> 00:35:26,790

lack of a better word have been seen and

923

00:35:34,059 --> 00:35:30,829

one actual report from 86

924

00:35:36,880 --> 00:35:34,069

was a what was described as a 30 to 40

925

00:35:39,009 --> 00:35:36,890

foot wingspan of a huge bird and it was

926
00:35:40,690 --> 00:35:39,019
described it's almost like being a bird

927
00:35:42,430 --> 00:35:40,700
but it seemed like it was like a hole in

928
00:35:47,199 --> 00:35:42,440
the sky which I found is a very

929
00:35:49,839 --> 00:35:47,209
interesting description that it appeared

930
00:35:51,940 --> 00:35:49,849
to be a negative space in the sky but it

931
00:35:53,859 --> 00:35:51,950
was you know silhouetted against a blue

932
00:35:56,019 --> 00:35:53,869
sky during the day but you couldn't

933
00:35:57,339 --> 00:35:56,029
really see any details on it it's almost

934
00:35:58,959 --> 00:35:57,349
like you could see the the flight

935
00:36:00,459 --> 00:35:58,969
feathers you could see the shape of the

936
00:36:02,829 --> 00:36:00,469
head the shape of the wings a shape of

937
00:36:04,749 --> 00:36:02,839
the tail but there was no detail it's

938
00:36:07,089 --> 00:36:04,759

almost like it was absorbing light and

939

00:36:10,479 --> 00:36:07,099

this was an ex Vietnam that trained

940

00:36:12,190 --> 00:36:10,489

observer he had also two other witnesses

941

00:36:15,279 --> 00:36:12,200

with him when he when they saw this

942

00:36:18,099 --> 00:36:15,289

thing and there have been reports around

943

00:36:20,349 --> 00:36:18,109

the Four Corners area over the years of

944

00:36:24,640 --> 00:36:20,359

these large flying birds and of course

945

00:36:26,410 --> 00:36:24,650

down in South I think southwestern Texas

946

00:36:28,569 --> 00:36:26,420

in the last few years have been some

947

00:36:30,160 --> 00:36:28,579

reports of what you know people are

948

00:36:32,410 --> 00:36:30,170

describing is similar why you just

949

00:36:35,499 --> 00:36:32,420

described as some sort of pterodactyl or

950

00:36:37,059 --> 00:36:35,509

tirana Don type type creature say there

951
00:36:38,739 --> 00:36:37,069
have been yeah and there have been a

952
00:36:41,559 --> 00:36:38,749
report of many other states as windup

953
00:36:43,390 --> 00:36:41,569
just for example Texas Illinois and just

954
00:36:45,189 --> 00:36:43,400
several years ago there was that big

955
00:36:47,229 --> 00:36:45,199
national news story about the pilot up

956
00:36:48,759 --> 00:36:47,239
in Alaska who had encountered it as a

957
00:36:50,499 --> 00:36:48,769
huge bird which he said had about the

958
00:36:52,660 --> 00:36:50,509
same wingspan and so the aircraft the

959
00:36:54,939 --> 00:36:52,670
small aircraft he was flying so these

960
00:36:56,410 --> 00:36:54,949
things are being seen throughout the

961
00:36:58,269 --> 00:36:56,420
country and other parts of the world as

962
00:36:59,589 --> 00:36:58,279
well something similar anyhow yeah

963
00:37:01,509 --> 00:36:59,599

there's the famous ones in New Guinea

964

00:37:03,459 --> 00:37:01,519

that come down and in our grave-robbers

965

00:37:05,890 --> 00:37:03,469

that come down they they have some sort

966

00:37:07,809 --> 00:37:05,900

of luminescence they actually give off

967

00:37:09,880 --> 00:37:07,819

light they're only seen basically during

968

00:37:12,939 --> 00:37:09,890

the night and they fly down and and they

969

00:37:15,009 --> 00:37:12,949

they dig up graves freshly infirm bodies

970

00:37:17,140 --> 00:37:15,019

and stuff there's a monster quest I

971

00:37:19,660 --> 00:37:17,150

think did a a very interesting segment

972

00:37:22,029 --> 00:37:19,670

last season on these things this is

973

00:37:23,890 --> 00:37:22,039

something that has you know if you do

974

00:37:25,539 --> 00:37:23,900

some research which I have done into the

975

00:37:26,949 --> 00:37:25,549

Thunderbird phenomenon David hatchet

976

00:37:28,779 --> 00:37:26,959

Childress also has done quite a bit of

977

00:37:30,880 --> 00:37:28,789

research these types of legends are

978

00:37:32,859 --> 00:37:30,890

found worldwide so it's it's we're not

979

00:37:35,229 --> 00:37:32,869

dealing with something isolated I think

980

00:37:37,660 --> 00:37:35,239

two one one or two specific areas this

981

00:37:39,609 --> 00:37:37,670

is a worldwide paranormal phenomenon for

982

00:37:42,370 --> 00:37:39,619

lack of a better term how far back in

983

00:37:43,370 --> 00:37:42,380

history can you find these cases that's

984

00:37:45,710 --> 00:37:43,380

a good question

985

00:37:48,170 --> 00:37:45,720

you know I'd have to I'd have to kind of

986

00:37:51,559 --> 00:37:48,180

revisit my research on that I there are

987

00:37:52,880 --> 00:37:51,569

legendary accounts it all depends on how

988

00:37:55,039 --> 00:37:52,890

you define a case

989

00:37:58,160 --> 00:37:55,049

my definition of a case is a date and

990

00:38:00,349 --> 00:37:58,170

time and location but rumors and stories

991

00:38:02,269 --> 00:38:00,359

go back and you know all the way back

992

00:38:04,130 --> 00:38:02,279

into them and probably in the prehistory

993

00:38:05,269 --> 00:38:04,140

I would think those are all traditions

994

00:38:08,210 --> 00:38:05,279

of these things in Native American

995

00:38:10,009 --> 00:38:08,220

cultures for instance that that go back

996

00:38:13,569 --> 00:38:10,019

you know hundreds if not a thousand or

997

00:38:17,779 --> 00:38:13,579

plus years so this is I think a very

998

00:38:19,370 --> 00:38:17,789

prevalent albeit very rare but but

999

00:38:21,589 --> 00:38:19,380

prevalent in terms of its proximity

1000

00:38:23,329 --> 00:38:21,599

around the world there are these cases

1001
00:38:26,150 --> 00:38:23,339
being reported one of the few places

1002
00:38:28,160 --> 00:38:26,160
that I haven't seen many references to

1003
00:38:30,920 --> 00:38:28,170
Thunderbirds in South America for some

1004
00:38:34,640 --> 00:38:30,930
reason I've not really encountered many

1005
00:38:36,349 --> 00:38:34,650
very few if any reports or stories or

1006
00:38:37,910 --> 00:38:36,359
legends of these things down there for

1007
00:38:39,859 --> 00:38:37,920
some reason now in terms of

1008
00:38:42,019 --> 00:38:39,869
investigating something like this you

1009
00:38:46,900 --> 00:38:42,029
have the eyewitness reports but how do

1010
00:38:51,710 --> 00:38:49,819
something I really want to run far away

1011
00:38:53,509 --> 00:38:51,720
if I saw one of these things it's easy

1012
00:38:56,440 --> 00:38:53,519
Jane just just pull out your friendly

1013
00:38:59,990 --> 00:38:56,450

neighborhood sting or any aircraft

1014

00:39:01,490 --> 00:39:00,000

portable device yeah it's probably the

1015

00:39:03,259 --> 00:39:01,500

certain way people are trying to deal

1016

00:39:05,420 --> 00:39:03,269

with catch you can eat a nine foot tall

1017

00:39:07,309 --> 00:39:05,430

bigfoot-type creatures as well yeah well

1018

00:39:09,200 --> 00:39:07,319

let's let's remind our listeners that

1019

00:39:11,150 --> 00:39:09,210

the largest bird that flies is a

1020

00:39:15,200 --> 00:39:11,160

California condor which has a wingspan

1021

00:39:16,789 --> 00:39:15,210

maybe of nine feet most of the large

1022

00:39:19,009 --> 00:39:16,799

ones are around eight feet there may be

1023

00:39:21,710 --> 00:39:19,019

one or two that are just have a slightly

1024

00:39:23,509 --> 00:39:21,720

larger wingspan which I have seen on

1025

00:39:25,279 --> 00:39:23,519

numerous occasions up at the Grand

1026

00:39:27,019 --> 00:39:25,289

Canyon there's eight of them up there

1027

00:39:28,970 --> 00:39:27,029

and boy when you see them the first time

1028

00:39:30,650 --> 00:39:28,980

I saw one it flew 20 feet over my head I

1029

00:39:32,990 --> 00:39:30,660

was standing on the rim I had no idea

1030

00:39:34,579 --> 00:39:33,000

was coming and when it went over I

1031

00:39:36,230 --> 00:39:34,589

thought it was an airplane we have a

1032

00:39:38,359 --> 00:39:36,240

first split second because it was so

1033

00:39:41,390 --> 00:39:38,369

huge and when they fly their wings

1034

00:39:43,130 --> 00:39:41,400

rarely flap and only when they catch a

1035

00:39:45,319 --> 00:39:43,140

thermal later they can their wings will

1036

00:39:48,140 --> 00:39:45,329

be Stockstill for quite quite a long

1037

00:39:49,730 --> 00:39:48,150

time so you know 9 foot is impressive to

1038

00:39:52,750 --> 00:39:49,740

see something you know over twice that

1039

00:39:54,580 --> 00:39:52,760

size to me would be quite

1040

00:39:55,690 --> 00:39:54,590

quite an experience I would love to see

1041

00:39:59,320 --> 00:39:55,700

something like that especially if I had

1042

00:40:01,150 --> 00:39:59,330

a video camera in my hand well someone

1043

00:40:02,290 --> 00:40:01,160

has that maybe we'd get some answers

00:41:07,770 --> 00:41:05,680
book called really mysterious

1060
00:41:09,870 --> 00:41:07,780
Pennsylvania and with a Thunderbird

1061
00:41:12,000 --> 00:41:09,880
phenomenon we're covering something

1062
00:41:14,160 --> 00:41:12,010
that's happening quite a ways around the

1063
00:41:15,660 --> 00:41:14,170

world one of the crazy theories that

1064

00:41:18,030 --> 00:41:15,670

comes to me of course when we get into

1065

00:41:20,130 --> 00:41:18,040

the paranormal realms is whether and

1066

00:41:22,350 --> 00:41:20,140

maybe this is like the TV series fringe

1067

00:41:24,780 --> 00:41:22,360

you know where they see occasionally

1068

00:41:26,790 --> 00:41:24,790

this other reality that maybe we're

1069

00:41:28,890 --> 00:41:26,800

seeing another reality where these

1070

00:41:31,320 --> 00:41:28,900

things are front and center and it was a

1071

00:41:35,640 --> 00:41:31,330

TV show called prime evil of course also

1072

00:41:37,590 --> 00:41:35,650

on BBC that had that same kind of stick

1073

00:41:40,170 --> 00:41:37,600

in other words being able to see

1074

00:41:42,300 --> 00:41:40,180

something in an alternate reality so is

1075

00:41:44,490 --> 00:41:42,310

there anything to look at in terms of

1076

00:41:47,010 --> 00:41:44,500

that how do you even prove it well you

1077

00:41:49,290 --> 00:41:47,020

know going back to the 1973 wave which

1078

00:41:52,680 --> 00:41:49,300

was just an incredible time to live

1079

00:41:55,110 --> 00:41:52,690

through back in 1973 to 1974 which is

1080

00:41:56,340 --> 00:41:55,120

gonna be a topic of my second book which

1081

00:41:57,480 --> 00:41:56,350

I've been working on these books for

1082

00:41:58,650 --> 00:41:57,490

quite a while and the solid book

1083

00:42:00,570 --> 00:41:58,660

hopefully will be up next three months

1084

00:42:02,670 --> 00:42:00,580

it's gonna be called silent invasion the

1085

00:42:05,970 --> 00:42:02,680

Pennsylvania UFO Bigfoot case book and

1086

00:42:09,330 --> 00:42:05,980

it focuses on the events of 1973 in the

1087

00:42:11,190 --> 00:42:09,340

1974 it was just an amazing time to live

1088

00:42:12,720 --> 00:42:11,200

through and blame me had I not been

1089

00:42:14,790 --> 00:42:12,730

directly involved and lived through it

1090

00:42:17,870 --> 00:42:14,800

myself be very difficult for me they

1091

00:42:22,140 --> 00:42:17,880

even accept some of what was going on

1092

00:42:24,120 --> 00:42:22,150

feeling exactly and would you like me to

1093

00:42:25,950 --> 00:42:24,130

give you a little scenario begin about

1094

00:42:29,640 --> 00:42:25,960

what happened back in 73 and I was

1095

00:42:31,950 --> 00:42:29,650

started please okay well December 1973

1096

00:42:34,200 --> 00:42:31,960

there have been a lot of activity going

1097

00:42:37,740 --> 00:42:34,210

on as you remember in 1973 in the fall

1098

00:42:39,750 --> 00:42:37,750

of 73 the United States had this major

1099

00:42:41,910 --> 00:42:39,760

wave of UFO activity going on across the

1100

00:42:43,860 --> 00:42:41,920

country there was a lot of reports going

1101

00:42:45,870 --> 00:42:43,870

on and radio and TV at the time but here

1102

00:42:48,180 --> 00:42:45,880

in Pennsylvania it actually started on

1103

00:42:50,340 --> 00:42:48,190

January 1st and it continued all year

1104

00:42:52,860 --> 00:42:50,350

long across the state we were very very

1105

00:42:54,900 --> 00:42:52,870

busy back then I had my first research

1106

00:42:57,780 --> 00:42:54,910

group which was a Westmoreland County

1107

00:42:59,820 --> 00:42:57,790

UFO study group when I set this group up

1108

00:43:02,670 --> 00:42:59,830

it was my determination try to set up a

1109

00:43:04,800 --> 00:43:02,680

group a fast response type of team of

1110

00:43:06,570 --> 00:43:04,810

research people that would try to get to

1111

00:43:08,340 --> 00:43:06,580

the scene of these events hopefully

1112

00:43:11,040 --> 00:43:08,350

while the phenomena was ongoing or soon

1113

00:43:13,440 --> 00:43:11,050

after so the information was fresh

1114

00:43:15,060 --> 00:43:13,450

and with my electronics background we

1115

00:43:16,370 --> 00:43:15,070

set up a two-way radio system where we

1116

00:43:18,150 --> 00:43:16,380

were able to radio dispatch

1117

00:43:20,550 --> 00:43:18,160

investigators to the scene in certain

1118

00:43:24,600 --> 00:43:20,560

areas so anyhow how this all started was

1119

00:43:27,600 --> 00:43:24,610

it was August 2 773 I received a phone

1120

00:43:30,900 --> 00:43:27,610

call from a relative of a person who had

1121

00:43:32,880 --> 00:43:30,910

had an unusual event happened outside of

1122

00:43:35,310 --> 00:43:32,890

Greensburg on a rural area not far from

1123

00:43:36,690 --> 00:43:35,320

the old Green Gate mall area and this

1124

00:43:39,570 --> 00:43:36,700

fellow apparently had been in the

1125

00:43:41,700 --> 00:43:39,580

hospital sense of time it happened and

1126
00:43:43,740 --> 00:43:41,710
he had just gotten home that day and

1127
00:43:46,230 --> 00:43:43,750
they pulled me I need to contact him and

1128
00:43:48,570 --> 00:43:46,240
which I did and I went out to his house

1129
00:43:51,210 --> 00:43:48,580
the event actually happened on July 31st

1130
00:43:52,980 --> 00:43:51,220
that evening it was a warm evening he

1131
00:43:54,510 --> 00:43:52,990
had his a window up in the bathroom is

1132
00:43:56,730 --> 00:43:54,520
shady because it was getting up early

1133
00:43:59,250 --> 00:43:56,740
for work and he was doing what he always

1134
00:44:00,840 --> 00:43:59,260
did and he happened to turn around began

1135
00:44:03,300 --> 00:44:00,850
to smell this funny odor first kind of

1136
00:44:04,710 --> 00:44:03,310
like a rotten cucumber he told me there

1137
00:44:06,690 --> 00:44:04,720
were some dogs outside they weren't

1138
00:44:08,670 --> 00:44:06,700

making any noise but when he turned

1139

00:44:10,890 --> 00:44:08,680

around to the window here's these two

1140

00:44:12,780 --> 00:44:10,900

large glowing red eyes looking at him in

1141

00:44:14,910 --> 00:44:12,790

a window but the windows 8 feet off the

1142

00:44:15,930 --> 00:44:14,920

ground so he runs into the other room

1143

00:44:18,060 --> 00:44:15,940

and y'all some of the other family

1144

00:44:19,740 --> 00:44:18,070

members and they run in and there's

1145

00:44:21,180 --> 00:44:19,750

nothing in a window at that time but

1146

00:44:23,760 --> 00:44:21,190

they could smell the odd odor

1147

00:44:25,470 --> 00:44:23,770

so anyhow this guy had some history I

1148

00:44:27,720 --> 00:44:25,480

believe of a hard condition I guess he

1149

00:44:30,090 --> 00:44:27,730

was taken to the hospital ambulance and

1150

00:44:31,290 --> 00:44:30,100

was in there for a while so any I went

1151

00:44:33,540 --> 00:44:31,300

out to interview him that same day

1152

00:44:35,520 --> 00:44:33,550

August the 7th and he told me about his

1153

00:44:38,010 --> 00:44:35,530

experience it seemed very sincere still

1154

00:44:41,420 --> 00:44:38,020

very very upset while we're there I

1155

00:44:45,090 --> 00:44:41,430

learned from his wife that some of the

1156

00:44:47,670 --> 00:44:45,100

local boys had number of weeks before

1157

00:44:49,290 --> 00:44:47,680

but taking a was taking a shortcut over

1158

00:44:52,200 --> 00:44:49,300

to the mall through the wooded area and

1159

00:44:55,170 --> 00:44:52,210

they had not experienced what I was told

1160

00:44:56,520 --> 00:44:55,180

was that they were walking down the road

1161

00:44:58,590 --> 00:44:56,530

heard some noise at her left thought it

1162

00:45:01,050 --> 00:44:58,600

was a deer in the and the bushes over

1163

00:45:02,850 --> 00:45:01,060

there or thrown some rocks in instead of

1164

00:45:06,000 --> 00:45:02,860

a deer coming out here comes this very

1165

00:45:08,220 --> 00:45:06,010

large hairy man-like upright creature

1166

00:45:11,100 --> 00:45:08,230

walked across the road with a long

1167

00:45:13,170 --> 00:45:11,110

stride very long arms went up behind the

1168

00:45:15,390 --> 00:45:13,180

heel off behind these peoples home well

1169

00:45:16,740 --> 00:45:15,400

luckily some of those boys were around

1170

00:45:18,840 --> 00:45:16,750

the area I got to talk to him that day

1171

00:45:21,000 --> 00:45:18,850

they told him about their experience and

1172

00:45:22,260 --> 00:45:21,010

I said to him well you mind if I go up

1173

00:45:24,140 --> 00:45:22,270

and look on your property up around the

1174

00:45:25,730 --> 00:45:24,150

hill and they said sure go ahead

1175

00:45:27,170 --> 00:45:25,740

some of the boys won the company up

1176
00:45:28,010 --> 00:45:27,180
there and they did and we walked around

1177
00:45:29,720 --> 00:45:28,020
there for a while

1178
00:45:31,069 --> 00:45:29,730
looked around didn't we see much of

1179
00:45:34,069 --> 00:45:31,079
anything I'm just getting ready to leave

1180
00:45:36,410 --> 00:45:34,079
when I have logged down and right there

1181
00:45:38,120 --> 00:45:36,420
on the ground is the strangest footprint

1182
00:45:39,500 --> 00:45:38,130
I had ever seen the kids were just

1183
00:45:40,910 --> 00:45:39,510
amazed like they couldn't believe what

1184
00:45:42,920 --> 00:45:40,920
they were seeing either I got on radio

1185
00:45:46,190 --> 00:45:42,930
called one of my other associates they

1186
00:45:47,630 --> 00:45:46,200
brought out some casting material and we

1187
00:45:49,700 --> 00:45:47,640
took photographs of measurements made a

1188
00:45:52,039 --> 00:45:49,710

cast of that cast which was a three-toed

1189

00:45:54,349 --> 00:45:52,049

footprint 13 inches long and 8 inches

1190

00:45:56,299 --> 00:45:54,359

wide did they volunteer to take you out

1191

00:46:02,750 --> 00:45:56,309

there or did you ask to be taken out

1192

00:46:04,519 --> 00:46:02,760

there yeah I'm very important because

1193

00:46:06,380 --> 00:46:04,529

they did not volunteer to take you to

1194

00:46:08,599 --> 00:46:06,390

the spot which it indicates to me that

1195

00:46:10,130 --> 00:46:08,609

it wasn't a hoax oh well the point was I

1196

00:46:12,200 --> 00:46:10,140

didn't even know anything about this - I

1197

00:46:14,000 --> 00:46:12,210

got there and the and the boys came

1198

00:46:15,890 --> 00:46:14,010

later the mother the parents were

1199

00:46:17,390 --> 00:46:15,900

telling me about the story first I had

1200

00:46:20,059 --> 00:46:17,400

no idea when a guys or anything about

1201

00:46:21,470 --> 00:46:20,069

the second event and then we went up

1202

00:46:22,880 --> 00:46:21,480

there and looked around and I mean you

1203

00:46:24,289 --> 00:46:22,890

could tell they were all pretty startled

1204

00:46:26,450 --> 00:46:24,299

pretty shook up seeing that footprint

1205

00:46:28,490 --> 00:46:26,460

anyhow as I said we look around while

1206

00:46:30,349 --> 00:46:28,500

I'm out in the field we get a radio

1207

00:46:31,789 --> 00:46:30,359

report - one of my other investigators

1208

00:46:33,410 --> 00:46:31,799

from up in Beaver County north of

1209

00:46:36,079 --> 00:46:33,420

Pittsburgh almost the Ohio Line that

1210

00:46:38,900 --> 00:46:36,089

same morning was investigating an

1211

00:46:40,670 --> 00:46:38,910

incident where man up in a trailer has

1212

00:46:42,589 --> 00:46:40,680

seen this large creature with glowing

1213

00:46:44,539 --> 00:46:42,599

eyes I remember looking in the window

1214

00:46:46,700 --> 00:46:44,549

and the police have found some large

1215

00:46:49,220 --> 00:46:46,710

strange footprints up there so that was

1216

00:46:52,039 --> 00:46:49,230

this beginning of this series of events

1217

00:46:54,380 --> 00:46:52,049

that began to occur and you know

1218

00:46:56,150 --> 00:46:54,390

historically you know you get these

1219

00:46:58,220 --> 00:46:56,160

reports of a Bigfoot sighting in one

1220

00:47:00,559 --> 00:46:58,230

particular area and sometimes they make

1221

00:47:02,450 --> 00:47:00,569

some news but what happened here was it

1222

00:47:04,640 --> 00:47:02,460

wasn't just one localized small area

1223

00:47:06,440 --> 00:47:04,650

this was taking place over seven

1224

00:47:08,630 --> 00:47:06,450

counties in western Pennsylvania and

1225

00:47:09,859 --> 00:47:08,640

then down at the same time down around

1226

00:47:11,750 --> 00:47:09,869

Lancaster in the eastern part of the

1227

00:47:13,880 --> 00:47:11,760

state in the Pennsylvania Dutch country

1228

00:47:15,319 --> 00:47:13,890

the farmers down there reporting similar

1229

00:47:17,660 --> 00:47:15,329

activity as well and there were

1230

00:47:19,819 --> 00:47:17,670

multitudes of these creature cases I

1231

00:47:21,920 --> 00:47:19,829

mean I thought on my radio room here

1232

00:47:23,990 --> 00:47:21,930

were being monitored 24 hours a day with

1233

00:47:25,880 --> 00:47:24,000

calls coming in it was unbelievable I

1234

00:47:27,650 --> 00:47:25,890

mean I had two phone lines operating at

1235

00:47:29,990 --> 00:47:27,660

the time for the calls coming in and at

1236

00:47:31,609 --> 00:47:30,000

least twice in one week as I recall the

1237

00:47:32,960 --> 00:47:31,619

system went down the phone company said

1238

00:47:34,819 --> 00:47:32,970

never seen like it before from the

1239

00:47:35,330 --> 00:47:34,829

overload of calls coming in putting into

1240

00:47:38,300 --> 00:47:35,340

all the

1241

00:47:40,340 --> 00:47:38,310

back in 1960 a rather than 73 we had

1242

00:47:41,570 --> 00:47:40,350

teams going out 24 hours a day I mean we

1243

00:47:43,370 --> 00:47:41,580

were out in the middle of no man's land

1244

00:47:44,750 --> 00:47:43,380

to 3 o'clock in the morning where people

1245

00:47:46,670 --> 00:47:44,760

are seeing these things many of these

1246

00:47:48,890 --> 00:47:46,680

were also daylight sightings and when I

1247

00:47:50,630 --> 00:47:48,900

tell you some people within 10 feet of

1248

00:47:52,580 --> 00:47:50,640

some of these things that's what some of

1249

00:47:54,530 --> 00:47:52,590

the reports were it was just incredible

1250

00:47:56,990 --> 00:47:54,540

and there were many many good sightings

1251

00:47:58,640 --> 00:47:57,000

plus the fact that back then a lot of

1252

00:48:00,110 --> 00:47:58,650

the calls were initially coming in first

1253

00:48:02,210 --> 00:48:00,120

to the either the news me or the police

1254

00:48:04,640 --> 00:48:02,220

department who quite often referring the

1255

00:48:06,740 --> 00:48:04,650

calls over us to investigate so in some

1256

00:48:08,300 --> 00:48:06,750

cases you had the local or state police

1257

00:48:11,540 --> 00:48:08,310

investigates some of the cases as well

1258

00:48:13,580 --> 00:48:11,550

and it was just an amazing time but what

1259

00:48:15,380 --> 00:48:13,590

was so intriguing is that in some of

1260

00:48:17,300 --> 00:48:15,390

these cases we were out there within

1261

00:48:19,400 --> 00:48:17,310

minutes hours after they occurred

1262

00:48:21,080 --> 00:48:19,410

you saw the emotion of the witnesses

1263

00:48:22,850 --> 00:48:21,090

people very very upset

1264

00:48:24,590 --> 00:48:22,860

I mean sometimes men out there shaking

1265

00:48:26,270 --> 00:48:24,600

with guns in her hands at least two

1266

00:48:28,850 --> 00:48:26,280

cases I can recall where people actually

1267

00:48:30,560 --> 00:48:28,860

took clothing and left their their homes

1268

00:48:32,870 --> 00:48:30,570

for a period of time because they were

1269

00:48:34,580 --> 00:48:32,880

so shocked by what they saw in a lot of

1270

00:48:37,250 --> 00:48:34,590

cases various types of physical evidence

1271

00:48:39,050 --> 00:48:37,260

not just you know just footprints but

1272

00:48:40,760 --> 00:48:39,060

sometimes other physical evidence he

1273

00:48:42,620 --> 00:48:40,770

indicates something moving through the

1274

00:48:45,020 --> 00:48:42,630

area you know broken down brush or

1275

00:48:46,880 --> 00:48:45,030

things like that one case was amazing

1276

00:48:48,920 --> 00:48:46,890

where something this creature was being

1277

00:48:50,630 --> 00:48:48,930

chased as I recall we didn't get the

1278

00:48:53,360 --> 00:48:50,640

word on this tool sometime later

1279

00:48:56,360 --> 00:48:53,370

unfortunately but went through at a

1280

00:48:58,130 --> 00:48:56,370

grove of pine trees and was apparently

1281

00:49:00,020 --> 00:48:58,140

just pulling these small pine trees out

1282

00:49:01,640 --> 00:49:00,030

as I was walking through we doing some

1283

00:49:04,940 --> 00:49:01,650

pictures of those uprooted pine trees

1284

00:49:07,580 --> 00:49:04,950

and it was just an amazing time I can

1285

00:49:09,370 --> 00:49:07,590

tell you back in 1973 oh I remember I

1286

00:49:11,720 --> 00:49:09,380

was working at a radio station in

1287

00:49:12,830 --> 00:49:11,730

Southeast Pennsylvania at the time and

1288

00:49:15,410 --> 00:49:12,840

we were getting all sorts of reports

1289

00:49:18,740 --> 00:49:15,420

what occurs to me here is the CSI

1290

00:49:21,410 --> 00:49:18,750

viewpoint of 2010 we've got all this

1291

00:49:25,550 --> 00:49:21,420

forensic evidence has anyone thought of

1292

00:49:27,050 --> 00:49:25,560

getting DNA sampling testing to see what

1293

00:49:29,540 --> 00:49:27,060

they could learn about all these samples

1294

00:49:30,740 --> 00:49:29,550

well you got to remember back in 73 we

1295

00:49:34,220 --> 00:49:30,750

didn't have access a lot of that

1296

00:49:37,730 --> 00:49:34,230

information back then but we did have

1297

00:49:39,920 --> 00:49:37,740

some samples and back then you had Ivan

1298

00:49:41,660 --> 00:49:39,930

Sanderson group that he had formed

1299

00:49:43,670 --> 00:49:41,670

called the Society for the investigators

1300

00:49:47,030 --> 00:49:43,680

he unexplained set to up in New Jersey

1301
00:49:48,560 --> 00:49:47,040
and they had some consultants on some

1302
00:49:49,009 --> 00:49:48,570
pretty good scientific consultants back

1303
00:49:51,349 --> 00:49:49,019
then

1304
00:49:54,199 --> 00:49:51,359
but everybody was limited to the

1305
00:49:56,449 --> 00:49:54,209
capabilities of that time and we did

1306
00:49:58,069 --> 00:49:56,459
send off some samples I could tell about

1307
00:50:00,559 --> 00:49:58,079
some of those stories and they'll be

1308
00:50:04,579 --> 00:50:00,569
mentioned in the book coming up solid

1309
00:50:06,349 --> 00:50:04,589
invasion but the only one sampled that

1310
00:50:07,789 --> 00:50:06,359
was kind of interesting and again these

1311
00:50:09,589 --> 00:50:07,799
things are all apparently destroyed

1312
00:50:12,259 --> 00:50:09,599
because none of them were ever returned

1313
00:50:13,719 --> 00:50:12,269

on the samples we sent out but most of

1314

00:50:17,149 --> 00:50:13,729

the samples they were able to identify

1315

00:50:20,809 --> 00:50:17,159

but the thing I'm asking here is yes we

1316

00:50:23,299 --> 00:50:20,819

know about technology in 1973 but today

1317

00:50:25,219 --> 00:50:23,309

do you have any samples left that you

1318

00:50:28,039 --> 00:50:25,229

can analyze using today's scientific

1319

00:50:29,689 --> 00:50:28,049

techniques unfortunately not nope

1320

00:50:31,999 --> 00:50:29,699

because we gave up pretty much every we

1321

00:50:33,439 --> 00:50:32,009

had back at that time so we do not and

1322

00:50:35,029 --> 00:50:33,449

was a limited amount of what we did at

1323

00:50:37,039 --> 00:50:35,039

back then what about the official

1324

00:50:38,749 --> 00:50:37,049

response you got calls from the State

1325

00:50:40,849 --> 00:50:38,759

Police and everyone else you know we

1326

00:50:43,609 --> 00:50:40,859

know I deal with this you figure it out

1327

00:50:46,909 --> 00:50:43,619

was there ever an official explanation

1328

00:50:49,309 --> 00:50:46,919

for any of this stuff no official

1329

00:50:51,199 --> 00:50:49,319

explanation but I can tell you even the

1330

00:50:53,299 --> 00:50:51,209

number of newspaper stories that talked

1331

00:50:55,489 --> 00:50:53,309

about investigation of different police

1332

00:50:57,079 --> 00:50:55,499

departments at the time even cases where

1333

00:50:58,909 --> 00:50:57,089

you have police officers and witnesses

1334

00:51:01,159 --> 00:50:58,919

in some cases across the state with some

1335

00:51:03,679 --> 00:51:01,169

of the UFO cases while there was no

1336

00:51:05,359 --> 00:51:03,689

official explanation there was nothing

1337

00:51:07,459 --> 00:51:05,369

that I can recall most those cases were

1338

00:51:09,469 --> 00:51:07,469

they yes said they were hoaxes either I

1339

00:51:11,059 --> 00:51:09,479

and I can tell you and I can give you

1340

00:51:13,069 --> 00:51:11,069

detail of some of the really intriguing

1341

00:51:15,589 --> 00:51:13,079

case because your question was about

1342

00:51:18,319 --> 00:51:15,599

some of the unusual aspects could there

1343

00:51:20,629 --> 00:51:18,329

be a physical and non-physical aspect to

1344

00:51:23,749 --> 00:51:20,639

some of these cases and I can tell you

1345

00:51:26,659 --> 00:51:23,759

as we went into those reports in 1973 we

1346

00:51:28,339 --> 00:51:26,669

are very open-minded our position was to

1347

00:51:31,309 --> 00:51:28,349

seek out the information where the

1348

00:51:33,620 --> 00:51:31,319

evidence led us to initially as we're

1349

00:51:35,029 --> 00:51:33,630

going in we're thinking well as many

1350

00:51:36,529 --> 00:51:35,039

people thought before we appear to be

1351
00:51:39,859 --> 00:51:36,539
initially done with some type of unknown

1352
00:51:42,139 --> 00:51:39,869
primates but as time went on and months

1353
00:51:44,269 --> 00:51:42,149
went on and more reports came in we

1354
00:51:47,089 --> 00:51:44,279
began to get some very unusual reports

1355
00:51:48,679 --> 00:51:47,099
from the general public and these were

1356
00:51:51,109 --> 00:51:48,689
not people who had an interest in UFOs

1357
00:51:52,939 --> 00:51:51,119
or big thing like that in particular and

1358
00:51:55,069 --> 00:51:52,949
just a couple of I can tell you about

1359
00:51:58,489 --> 00:51:55,079
one was the case having September of

1360
00:51:59,749 --> 00:51:58,499
Beaver County where our two young ladies

1361
00:52:00,889 --> 00:51:59,759
were waiting for a friend to pick them

1362
00:52:02,270 --> 00:52:00,899
up they are standing outside in this

1363
00:52:04,720 --> 00:52:02,280

rural area

1364

00:52:06,830 --> 00:52:04,730

and all of a sudden this huge white

1365

00:52:09,200 --> 00:52:06,840

light-colored hairy Bigfoot creature

1366

00:52:12,140 --> 00:52:09,210

comes running across through that area

1367

00:52:14,300 --> 00:52:12,150

seeing the creature alone was unusual

1368

00:52:16,970 --> 00:52:14,310

but what was most fascinating was it was

1369

00:52:20,060 --> 00:52:16,980

carrying a small glowing sphere in its

1370

00:52:22,070 --> 00:52:20,070

one hand a sphere light so it's running

1371

00:52:23,870 --> 00:52:22,080

into this wooded area and a short time

1372

00:52:25,010 --> 00:52:23,880

later this object comes down what's your

1373

00:52:26,840 --> 00:52:25,020

first they thought it was an aircraft

1374

00:52:28,520 --> 00:52:26,850

but it moves over the area slowly and it

1375

00:52:30,950 --> 00:52:28,530

projects a beam of light down into the

1376

00:52:33,170 --> 00:52:30,960

woods where the creature had run into so

1377

00:52:34,730 --> 00:52:33,180

that was a very interesting case like

1378

00:52:37,460 --> 00:52:34,740

what are we dealing with here

1379

00:52:39,350 --> 00:52:37,470

and then we had that classic case which

1380

00:52:40,640 --> 00:52:39,360

I'm sure you have heard about and I've

1381

00:52:43,070 --> 00:52:40,650

talked about many times and will be

1382

00:52:45,890 --> 00:52:43,080

detailed the book which occurred October

1383

00:52:49,100 --> 00:52:45,900

25th 1973 up again in Fayette County

1384

00:52:50,630 --> 00:52:49,110

a sunny union town I got a call from the

1385

00:52:51,800 --> 00:52:50,640

state trooper up there'd be investing

1386

00:52:53,240 --> 00:52:51,810

officer around duck

1387

00:52:55,280 --> 00:52:53,250

that right after he came back from the

1388

00:52:58,220 --> 00:52:55,290

investigation after he was interviewed

1389

00:53:00,440 --> 00:52:58,230

as well about it and just briefly when I

1390

00:53:02,930 --> 00:53:00,450

go into all the details this happened

1391

00:53:04,910 --> 00:53:02,940

and about 9 o'clock that evening there's

1392

00:53:06,770 --> 00:53:04,920

about 15 people in a small rural

1393

00:53:09,770 --> 00:53:06,780

community out there to see this large

1394

00:53:11,570 --> 00:53:09,780

but as big as a barn a red sphere light

1395

00:53:15,620 --> 00:53:11,580

dropping from the sky slowly towards the

1396

00:53:17,420 --> 00:53:15,630

pasture well the farmer son who's quite

1397

00:53:18,250 --> 00:53:17,430

a big fella and to neighbor boys decided

1398

00:53:21,320 --> 00:53:18,260

they were going to go up to investigate

1399

00:53:24,250 --> 00:53:21,330

so the farmer son gave them to his dad's

1400

00:53:26,570 --> 00:53:24,260

house and he grabs a 30.6 some

1401
00:53:30,170 --> 00:53:26,580
ammunition which included some tracer

1402
00:53:31,910 --> 00:53:30,180
rounds and he and the two fellows go

1403
00:53:34,220 --> 00:53:31,920
down this little farm road up toward the

1404
00:53:36,170 --> 00:53:34,230
pasture they left the lights on on the

1405
00:53:38,600 --> 00:53:36,180
truck to help light their way it was

1406
00:53:41,000 --> 00:53:38,610
dark of course and they noticed that it

1407
00:53:43,370 --> 00:53:41,010
looked like the power was training in

1408
00:53:45,320 --> 00:53:43,380
the truck the lights were the bright

1409
00:53:47,000 --> 00:53:45,330
lights were getting much darker and they

1410
00:53:49,070 --> 00:53:47,010
should have been and is that somebody

1411
00:53:51,500 --> 00:53:49,080
was training in the power they go up to

1412
00:53:53,390 --> 00:53:51,510
the field and as I get up there they're

1413
00:53:55,130 --> 00:53:53,400

amazed to see this huge object which is

1414

00:53:57,530 --> 00:53:55,140

not round anymore it's like half of a

1415

00:53:59,120 --> 00:53:57,540

dome but it's now bright white it's

1416

00:54:01,580 --> 00:53:59,130

illuminating the whole area it's

1417

00:54:03,230 --> 00:54:01,590

approximate 254 your way as I recall and

1418

00:54:05,210 --> 00:54:03,240

it's making this real high-pitched

1419

00:54:07,730 --> 00:54:05,220

humming sound it said almost like a loud

1420

00:54:09,200 --> 00:54:07,740

lawnmower but as they're going up to

1421

00:54:11,960 --> 00:54:09,210

that area they also heard like these

1422

00:54:13,130 --> 00:54:11,970

baby crying sounds so they get up to the

1423

00:54:15,230 --> 00:54:13,140

top of the field and they're watching

1424

00:54:15,840 --> 00:54:15,240

this thing and they're all pretty shook

1425

00:54:18,120 --> 00:54:15,850

up and the

1426
00:54:20,370 --> 00:54:18,130
boys very very shook up already but then

1427
00:54:23,100 --> 00:54:20,380
they noticed about 75 feet away I won

1428
00:54:25,500 --> 00:54:23,110
this fence line of these two Paul

1429
00:54:27,090 --> 00:54:25,510
figures slowly moving in their direction

1430
00:54:28,590 --> 00:54:27,100
well they thought at first they were

1431
00:54:31,260 --> 00:54:28,600
bare and they realize these things are

1432
00:54:33,300 --> 00:54:31,270
bipedal they're very tall once maybe a

1433
00:54:33,750 --> 00:54:33,310
foot taller setters maybe around 7 foot

1434
00:54:36,720 --> 00:54:33,760
tall

1435
00:54:38,270 --> 00:54:36,730
they have long matted hair the arms are

1436
00:54:41,220 --> 00:54:38,280
down past the knees almost to the ground

1437
00:54:42,990 --> 00:54:41,230
they're walking upright one behind you

1438
00:54:45,330 --> 00:54:43,000

get along this fence they have glowing

1439

00:54:47,040 --> 00:54:45,340

luminous green eyes there's this funny

1440

00:54:49,080 --> 00:54:47,050

smell in here like burning rubber and

1441

00:54:51,210 --> 00:54:49,090

they're making these baby crying sounds

1442

00:54:52,680 --> 00:54:51,220

well the one kid is young the other guy

1443

00:54:54,540 --> 00:54:52,690

shoot him shoot him he's getting very

1444

00:54:58,370 --> 00:54:54,550

upset he finally runs out of the field

1445

00:55:01,110 --> 00:54:58,380

and goes home so finally the fella fires

1446

00:55:02,610 --> 00:55:01,120

tortoise to want the creatures he did he

1447

00:55:04,740 --> 00:55:02,620

had a trace around it so it's just a

1448

00:55:06,300 --> 00:55:04,750

flash of light he fires a second one

1449

00:55:08,490 --> 00:55:06,310

which is also a tracer when he finds

1450

00:55:10,950 --> 00:55:08,500

that second tracer the larger the two

1451
00:55:13,710 --> 00:55:10,960
creatures reaches out to grab that

1452
00:55:16,740 --> 00:55:13,720
tracer and at the moment it does that

1453
00:55:19,020 --> 00:55:16,750
the object in the field vanishes it

1454
00:55:21,810 --> 00:55:19,030
doesn't take off it's gone it disappears

1455
00:55:24,330 --> 00:55:21,820
the sound stops the light goes out it's

1456
00:55:26,160 --> 00:55:24,340
not longer there at that point the

1457
00:55:27,720 --> 00:55:26,170
creatures turn around slowly start

1458
00:55:29,130 --> 00:55:27,730
walking back along the fence line back

1459
00:55:32,250 --> 00:55:29,140
towards the woods from where they came

1460
00:55:34,080 --> 00:55:32,260
the foul on now is firing live ammo

1461
00:55:36,000 --> 00:55:34,090
right into them and he said I'm a hunter

1462
00:55:37,590 --> 00:55:36,010
I know I hit that larger creature but it

1463
00:55:39,270 --> 00:55:37,600

it didn't even indicate it was heard

1464

00:55:41,910 --> 00:55:39,280

they just kept moving slowly back away

1465

00:55:43,290 --> 00:55:41,920

from them they got out of the woods they

1466

00:55:44,550 --> 00:55:43,300

were in back to the home they told a

1467

00:55:45,750 --> 00:55:44,560

family what happened they took him to a

1468

00:55:48,030 --> 00:55:45,760

neighbor some they call the State Police

1469

00:55:49,710 --> 00:55:48,040

about 45 minutes later the trooper

1470

00:55:51,660 --> 00:55:49,720

arrives on the scene I'm here to

1471

00:55:53,010 --> 00:55:51,670

investigate the flying saucer and the

1472

00:55:54,870 --> 00:55:53,020

witness said you know forget about it

1473

00:55:56,640 --> 00:55:54,880

and think I'm not to the trooper said we

1474

00:55:58,440 --> 00:55:56,650

had a report of two similar creatures up

1475

00:56:00,540 --> 00:55:58,450

on the mountain the night before I have

1476
00:56:02,460 --> 00:56:00,550
to investigate him so they go up in the

1477
00:56:05,370 --> 00:56:02,470
patrol car up into the past up into the

1478
00:56:06,840 --> 00:56:05,380
field as a trooper had told me they go

1479
00:56:08,640 --> 00:56:06,850
over to the area where the object have

1480
00:56:10,350 --> 00:56:08,650
been on the ground and he said that

1481
00:56:13,020 --> 00:56:10,360
whole area appeared to be supersoft

1482
00:56:17,070 --> 00:56:13,030
luminescent glowing about 100 150 feet

1483
00:56:19,740 --> 00:56:17,080
in diameter well yeah the farm animals

1484
00:56:22,710 --> 00:56:19,750
wouldn't go any more into it they said

1485
00:56:24,150 --> 00:56:22,720
the light from it was bright enough that

1486
00:56:25,770 --> 00:56:24,160
if he sat down within and he could read

1487
00:56:28,050 --> 00:56:25,780
a newspaper from what from the light

1488
00:56:29,760 --> 00:56:28,060

coming off of it and there's a lot more

1489

00:56:32,070 --> 00:56:29,770

to the story but any

1490

00:56:33,360 --> 00:56:32,080

how the trooper and the other guys

1491

00:56:35,130 --> 00:56:33,370

finally go back to the State Police

1492

00:56:36,720 --> 00:56:35,140

barracks when they get back to their

1493

00:56:38,130 --> 00:56:36,730

boat separately taking the two different

1494

00:56:40,440 --> 00:56:38,140

rooms but the trooper and the other guy

1495

00:56:41,100 --> 00:56:40,450

are interviewed by other troopers after

1496

00:56:43,230 --> 00:56:41,110

they're done

1497

00:56:44,910 --> 00:56:43,240

the trooper calls me and he says I think

1498

00:56:46,620 --> 00:56:44,920

that there's a possibility of something

1499

00:56:48,510 --> 00:56:46,630

still up here you need to get up here as

1500

00:56:50,340 --> 00:56:48,520

soon as you can with a team so we're

1501
00:56:51,660 --> 00:56:50,350
quite a distance away it took a little

1502
00:56:53,820 --> 00:56:51,670
time to get our team together get our

1503
00:56:56,430 --> 00:56:53,830
equipment and stuff together but we got

1504
00:56:58,590 --> 00:56:56,440
out the early morning hours and by the

1505
00:57:00,780 --> 00:56:58,600
time we got there the the luminous area

1506
00:57:01,950 --> 00:57:00,790
was no longer luminous the animal still

1507
00:57:03,960 --> 00:57:01,960
won't go anywhere near it

1508
00:57:05,340 --> 00:57:03,970
and there were some other things that

1509
00:57:07,590 --> 00:57:05,350
happen which are very interesting but

1510
00:57:09,240 --> 00:57:07,600
too long to get into right now to detail

1511
00:57:10,560 --> 00:57:09,250
to collect any plant plant and soil

1512
00:57:13,920 --> 00:57:10,570
samples by it by chance

1513
00:57:14,550 --> 00:57:13,930

back then it was we did not at that time

1514

00:57:19,860 --> 00:57:14,560

I

1515

00:57:22,530 --> 00:57:19,870

we did and there was a lot more that was

1516

00:57:24,060 --> 00:57:22,540

going on there which very unusual things

1517

00:57:26,400 --> 00:57:24,070

that were happening involving the

1518

00:57:28,080 --> 00:57:26,410

witness at the time in fact we had dr.

1519

00:57:30,510 --> 00:57:28,090

Schwartz come in the doctor swore she

1520

00:57:32,040 --> 00:57:30,520

made birth on Schwartz who severe it was

1521

00:57:34,680 --> 00:57:32,050

where it very well known in the field

1522

00:57:36,360 --> 00:57:34,690

Joe has written several books he was in

1523

00:57:38,030 --> 00:57:36,370

New Jersey at the time and actually he

1524

00:57:41,580 --> 00:57:38,040

came up here and spent a week up here

1525

00:57:44,700 --> 00:57:41,590

with the people involved and there was

1526
00:57:46,800 --> 00:57:44,710
some circumstances at the time that we

1527
00:57:49,080 --> 00:57:46,810
just weren't able to follow through like

1528
00:57:50,640 --> 00:57:49,090
we generally would have done is that I

1529
00:57:52,200 --> 00:57:50,650
can recall on that but because I don't

1530
00:57:55,320 --> 00:57:52,210
recall any samples being taken that I

1531
00:57:56,610 --> 00:57:55,330
recall what you describing what you

1532
00:57:58,200 --> 00:57:56,620
described it really does sound like a

1533
00:58:00,600 --> 00:57:58,210
pair of physical event as opposed to

1534
00:58:02,160 --> 00:58:00,610
something we know nuts and bolts I mean

1535
00:58:06,180 --> 00:58:02,170
I mean there may be a nuts and bolts

1536
00:58:08,010 --> 00:58:06,190
element or or quality to the report and

1537
00:58:10,680 --> 00:58:08,020
into the experience but the fact that

1538
00:58:12,720 --> 00:58:10,690

the object vanished and that ice

1539

00:58:15,780 --> 00:58:12,730

creatures were not recoiling from being

1540

00:58:17,250 --> 00:58:15,790

hit by a 30.6 rounded two or three would

1541

00:58:18,900 --> 00:58:17,260

suggest to me that there's some sort of

1542

00:58:20,700 --> 00:58:18,910

dimensional thing going on or something

1543

00:58:24,060 --> 00:58:20,710

pair of physical going on

1544

00:58:25,920 --> 00:58:24,070

now I what you what distance away was

1545

00:58:27,510 --> 00:58:25,930

this particular event from the event

1546

00:58:28,590 --> 00:58:27,520

where the Bigfoot was seen with the

1547

00:58:31,800 --> 00:58:28,600

glowing ball of light and then

1548

00:58:32,849 --> 00:58:31,810

subsequent flyover with the the objects

1549

00:58:35,420 --> 00:58:32,859

shooting down the beam of

1550

00:58:40,529 --> 00:58:35,430

that was that was quite a distance away

1551

00:58:43,410 --> 00:58:40,539

this was a time by Emily yeah top of my

1552

00:58:44,940 --> 00:58:43,420

head maybe I'm guessing 70 18 miles

1553

00:58:47,009 --> 00:58:44,950

behind you miles somewhere around there

1554

00:58:49,710 --> 00:58:47,019

proximate more well how about time

1555

00:58:52,650 --> 00:58:49,720

proximity what was the timing on the two

1556

00:58:54,960 --> 00:58:52,660

events oh this one doesn't happen not

1557

00:58:56,549 --> 00:58:54,970

being the one with the glowing sphere or

1558

00:58:57,660 --> 00:58:56,559

what happened in September 27th it's

1559

00:59:00,210 --> 00:58:57,670

October 25th

1560

00:59:02,130 --> 00:59:00,220

okay so within a month of one another

1561

00:59:05,130 --> 00:59:02,140

yeah and there was a lot of stuff and

1562

00:59:07,349 --> 00:59:05,140

then if you the other story that's most

1563

00:59:09,229 --> 00:59:07,359

fascinating which gives you a better

1564

00:59:12,839 --> 00:59:09,239

glimpse of what we might be dealing with

1565

00:59:14,460 --> 00:59:12,849

happened February 6th of 1974 in that

1566

00:59:18,299 --> 00:59:14,470

same County but not in that same general

1567

00:59:20,519 --> 00:59:18,309

area and it's probably one of the most

1568

00:59:22,259 --> 00:59:20,529

fascinating cases we've ever had and

1569

00:59:24,690 --> 00:59:22,269

we'll talk about it by the way in part

1570

00:59:26,279 --> 00:59:24,700

two of this episode Stan Gordon tell our

1571

00:59:29,039 --> 00:59:26,289

listeners where they can find more about

1572

00:59:30,749 --> 00:59:29,049

the things that you do well people can

1573

00:59:34,549 --> 00:59:30,759

get an autograph copy of the book really

1574

00:59:39,059 --> 00:59:34,559

mysterious Pennsylvania by going to WWE

1575

00:59:41,069 --> 00:59:39,069

and info INF oh and they can go to their

1576
00:59:43,109 --> 00:59:41,079
website and get current information and

1577
00:59:44,930 --> 00:59:43,119
they can also order the book and also

1578
00:59:47,220 --> 00:59:44,940
they can obtain a copy of my

1579
00:59:49,650 --> 00:59:47,230
award-winning video Kecksburg the untold

1580
00:59:50,819 --> 00:59:49,660
story which is also on DVD hmm but

1581
00:59:54,229 --> 00:59:50,829
you're not gonna do a blu-ray version

1582
00:59:58,470 --> 00:59:56,640
we'll have Stan Gordon with co-host

1583
01:00:04,349 --> 00:59:58,480
Christopher O'Brien coming up on the

1584
01:00:05,099 --> 01:00:04,359
other side of the Peres cast we want to

1585
01:00:06,960 --> 01:00:05,109
hear from you

1586
01:00:09,870 --> 01:00:06,970
if you have a comment or question about

1587
01:00:13,109 --> 01:00:09,880
the podcast send it to news at the

1588
01:00:15,599 --> 01:00:13,119

podcast calm that's news at the pear

1589

01:00:16,979 --> 01:00:15,609

cast calm and don't forget to visit our

1590

01:00:19,470 --> 01:00:16,989

forums where you can talk to fellow

1591

01:00:22,109 --> 01:00:19,480

listeners just go to the pear cast calm

1592

01:00:31,780 --> 01:00:22,119

and click on the forum links that's the

1593

01:00:40,599 --> 01:00:34,490

welcome back to the part goes with jeans

1594

01:00:45,549 --> 01:00:43,209

we continue with Stan Gordon he is a

1595

01:00:47,499 --> 01:00:45,559

longtime paranormal researcher started

1596

01:00:50,199 --> 01:00:47,509

when he was a teenager as many of us did

1597

01:00:52,269 --> 01:00:50,209

author of a new book called really

1598

01:00:53,650 --> 01:00:52,279

mysterious Pennsylvania and we're

1599

01:00:55,870 --> 01:00:53,660

finding that the really mysterious

1600

01:00:57,910 --> 01:00:55,880

aspect doesn't just cover Pennsylvania

1601
01:00:59,729 --> 01:00:57,920
but a wide portion of the world

1602
01:01:01,839 --> 01:00:59,739
Christopher O'Brien is our co-host

1603
01:01:03,939 --> 01:01:01,849
before we broke for the halfway point

1604
01:01:05,589 --> 01:01:03,949
Stan you were about to start with

1605
01:01:08,169 --> 01:01:05,599
another case history can you continue

1606
01:01:09,819 --> 01:01:08,179
please sure and gene by the way actually

1607
01:01:12,729 --> 01:01:09,829
started when I was 10 years old back in

1608
01:01:13,599 --> 01:01:12,739
1959 so I'm approaching 51 years this

1609
01:01:16,660 --> 01:01:13,609
year that I've been doing this

1610
01:01:19,150 --> 01:01:16,670
investigation and I've never had a UFO a

1611
01:01:21,579 --> 01:01:19,160
Bigfoot study myself and as Steve Allen

1612
01:01:23,620 --> 01:01:21,589
once said you must be very tired some

1613
01:01:26,109 --> 01:01:23,630

days I am let me tell you you know going

1614

01:01:28,689 --> 01:01:26,119

back to this events of 73 and again

1615

01:01:30,309 --> 01:01:28,699

going into this open-mindedly looking

1616

01:01:32,890 --> 01:01:30,319

into all aspects of what we're dealing

1617

01:01:34,419 --> 01:01:32,900

with these creature reports and I still

1618

01:01:35,979 --> 01:01:34,429

keep an open mind today because we don't

1619

01:01:38,349 --> 01:01:35,989

have any definitive answers as to what

1620

01:01:40,059 --> 01:01:38,359

really was going on or what the

1621

01:01:42,309 --> 01:01:40,069

phenomena really is revealing to us at

1622

01:01:44,799 --> 01:01:42,319

this point but we had these unusual

1623

01:01:46,839 --> 01:01:44,809

reports and we had incidents out there

1624

01:01:49,209 --> 01:01:46,849

where for example we had trails of

1625

01:01:50,439 --> 01:01:49,219

footprints that just suddenly stopped

1626

01:01:52,689 --> 01:01:50,449

and vanished when there should have been

1627

01:01:54,189 --> 01:01:52,699

more footprints a lot of other

1628

01:01:58,199 --> 01:01:54,199

mysterious events that happened during

1629

01:02:00,699 --> 01:01:58,209

this wave in 73 and 74 and by far

1630

01:02:02,650 --> 01:02:00,709

probably the most interesting case that

1631

01:02:04,660 --> 01:02:02,660

came up that makes us begin to wonder

1632

01:02:08,349 --> 01:02:04,670

exactly what we're dealing with happened

1633

01:02:09,789 --> 01:02:08,359

February 6 of 1974 now those people who

1634

01:02:12,459 --> 01:02:09,799

were living back at that time you'll

1635

01:02:14,349 --> 01:02:12,469

remember that time period because there

1636

01:02:16,660 --> 01:02:14,359

was a national trucker strike going on

1637

01:02:18,669 --> 01:02:16,670

there was gas rationing happening and

1638

01:02:22,059 --> 01:02:18,679

there was some violence on the highways

1639

01:02:23,489 --> 01:02:22,069

so here in Pennsylvania you had both the

1640

01:02:27,130 --> 01:02:23,499

State Police and the National Guard

1641

01:02:28,719 --> 01:02:27,140

patrolling together so on this event but

1642

01:02:30,849 --> 01:02:28,729

the state police and National Guardsmen

1643

01:02:33,489 --> 01:02:30,859

responded this incident this happened

1644

01:02:35,199 --> 01:02:33,499

towards the Ohio Pyle fair Kenney way

1645

01:02:38,559 --> 01:02:35,209

way up in the mountains way out and

1646

01:02:40,209 --> 01:02:38,569

sticks and what we learn was that this

1647

01:02:42,099 --> 01:02:40,219

woman who lived out in the country all

1648

01:02:43,900 --> 01:02:42,109

her life do the animals wasn't pretty

1649

01:02:46,509 --> 01:02:43,910

much afraid of anything living this

1650

01:02:48,219 --> 01:02:46,519

little cabin out there her daughter and

1651
01:02:50,499 --> 01:02:48,229
son Los Angeles about a hundred feet

1652
01:02:52,390 --> 01:02:50,509
away from them and another dwelling and

1653
01:02:54,549 --> 01:02:52,400
anyhow she was in her house that night

1654
01:02:55,079 --> 01:02:54,559
just doing what she normally does and

1655
01:02:58,859 --> 01:02:55,089
she

1656
01:03:02,069 --> 01:02:58,869
has some garbage out there and there was

1657
01:03:04,019 --> 01:03:02,079
some pop garbage cancer so tin cans and

1658
01:03:05,969 --> 01:03:04,029
she heard him cans rattling there have

1659
01:03:07,410 --> 01:03:05,979
been a pack of wild dogs have been

1660
01:03:09,299 --> 01:03:07,420
coming through that area recently she

1661
01:03:11,969 --> 01:03:09,309
figured the dogs were back so she loads

1662
01:03:13,769 --> 01:03:11,979
up her shotgun and she's going to open

1663
01:03:15,359 --> 01:03:13,779

up the door and her idea was to fire

1664

01:03:18,029 --> 01:03:15,369

over the heads of the dogs and scare the

1665

01:03:20,339 --> 01:03:18,039

dogs away so she loads up the shotgun

1666

01:03:22,529 --> 01:03:20,349

she turns on the porch light she opens

1667

01:03:25,109 --> 01:03:22,539

the door she steps out and instead of

1668

01:03:26,969 --> 01:03:25,119

the dogs being there just a few feet

1669

01:03:30,029 --> 01:03:26,979

away directly in front of her it's this

1670

01:03:31,589 --> 01:03:30,039

huge hairy creature and I remember

1671

01:03:33,420 --> 01:03:31,599

exactly what she told me she said I look

1672

01:03:35,219 --> 01:03:33,430

like a great big hairy ape with its arms

1673

01:03:37,019 --> 01:03:35,229

straight up over its edie and what

1674

01:03:39,630 --> 01:03:37,029

should she do she fires right into it

1675

01:03:41,729 --> 01:03:39,640

and she said there was a bright flash of

1676
01:03:44,039 --> 01:03:41,739
white like somebody took a picture with

1677
01:03:46,680 --> 01:03:44,049
a camera she said to me and it vanished

1678
01:03:48,420 --> 01:03:46,690
right in front of it it was gone now the

1679
01:03:50,640 --> 01:03:48,430
people 100 feet away heard the gunshot

1680
01:03:51,420 --> 01:03:50,650
call it NASA what's going on so she told

1681
01:03:53,729 --> 01:03:51,430
him what happened

1682
01:03:55,170 --> 01:03:53,739
so the son-in-law grabs his pistol and

1683
01:03:57,329 --> 01:03:55,180
he makes his way up towards the house

1684
01:04:00,239 --> 01:03:57,339
and what he said was that he was

1685
01:04:02,569 --> 01:04:00,249
surrounded by four or five hairy beings

1686
01:04:05,099 --> 01:04:02,579
with glowing red eyes like coals of fire

1687
01:04:06,839 --> 01:04:05,109
and he starts shooting randomly at him

1688
01:04:09,239 --> 01:04:06,849

and ran into the house and when they

1689

01:04:11,069 --> 01:04:09,249

looked out the window above the trees

1690

01:04:13,019 --> 01:04:11,079

there's this large object he said like a

1691

01:04:14,609 --> 01:04:13,029

big Christmas ornament different color

1692

01:04:16,559 --> 01:04:14,619

lights on hovering over the trees at the

1693

01:04:19,380 --> 01:04:16,569

same time so they called the State

1694

01:04:22,109 --> 01:04:19,390

Police and by the time - State Police

1695

01:04:24,509 --> 01:04:22,119

got out there of course whatever was

1696

01:04:26,160 --> 01:04:24,519

there was gone but I thought we couldn't

1697

01:04:27,479 --> 01:04:26,170

get up here the next morning I went up

1698

01:04:29,519 --> 01:04:27,489

there with my one of my associate

1699

01:04:32,400 --> 01:04:29,529

investigators we got up to the scene we

1700

01:04:35,849 --> 01:04:32,410

met another animal enforcement officer

1701

01:04:38,880 --> 01:04:35,859

up there and we talked about people

1702

01:04:40,380 --> 01:04:38,890

involved and very very upset over what

1703

01:04:42,599 --> 01:04:40,390

happened the night before talked to the

1704

01:04:44,579 --> 01:04:42,609

witness involved and in fact when we

1705

01:04:45,930 --> 01:04:44,589

went out there with the looking through

1706

01:04:47,459 --> 01:04:45,940

the trees in the woods out there right

1707

01:04:47,849 --> 01:04:47,469

in line where she had shot of this

1708

01:04:49,559 --> 01:04:47,859

creature

1709

01:04:53,309 --> 01:04:49,569

we found that bebe patterned in the

1710

01:04:55,469 --> 01:04:53,319

trees out there and anyhow if this case

1711

01:04:56,999 --> 01:04:55,479

is real and it was asking no reason to

1712

01:04:58,709 --> 01:04:57,009

doubt that these people were telling us

1713

01:05:00,809 --> 01:04:58,719

what they believed to be true I mean why

1714

01:05:02,969 --> 01:05:00,819

would you make up such a story then it

1715

01:05:03,749 --> 01:05:02,979

leads us to wonder you know what exactly

1716

01:05:06,029 --> 01:05:03,759

are we dealing with

1717

01:05:07,410 --> 01:05:06,039

you know I investigate hundreds of

1718

01:05:08,640 --> 01:05:07,420

Bigfoot sightings here in Pennsylvania

1719

01:05:11,700 --> 01:05:08,650

over the years and talked a lot

1720

01:05:13,760 --> 01:05:11,710

very very credible people I mean just

1721

01:05:16,680 --> 01:05:13,770

like with UFOs you have police officers

1722

01:05:18,510 --> 01:05:16,690

you know you have all kinds of people

1723

01:05:22,110 --> 01:05:18,520

all kind of backgrounds young children

1724

01:05:23,700 --> 01:05:22,120

adults males females and majorities

1725

01:05:25,710 --> 01:05:23,710

people don't want any publicity they're

1726

01:05:27,180 --> 01:05:25,720

not I'm trying to seek anything most of

1727

01:05:29,220 --> 01:05:27,190

them have been extremely shook up by the

1728

01:05:31,110 --> 01:05:29,230

experience I mean I've been in touch

1729

01:05:32,370 --> 01:05:31,120

with some people from 20 years ago or

1730

01:05:34,290 --> 01:05:32,380

more who had a Bigfoot sighting and

1731

01:05:35,670 --> 01:05:34,300

today they're still shook up over and

1732

01:05:37,710 --> 01:05:35,680

they still don't want to deal with what

1733

01:05:40,290 --> 01:05:37,720

they experienced why would you make up

1734

01:05:41,790 --> 01:05:40,300

such a story so the thing is and I've

1735

01:05:43,770 --> 01:05:41,800

always said this four years ago like the

1736

01:05:45,600 --> 01:05:43,780

skeptic saying if these creatures are

1737

01:05:47,730 --> 01:05:45,610

really out there and and the

1738

01:05:50,160 --> 01:05:47,740

circumstantial evidence is overwhelming

1739

01:05:51,930 --> 01:05:50,170

that there is something out there people

1740

01:05:54,840 --> 01:05:51,940

are seeing the question is as the

1741

01:05:57,240 --> 01:05:54,850

skeptic say hey why haven't we found any

1742

01:05:58,740 --> 01:05:57,250

bodies why has tomato on a car well

1743

01:06:00,060 --> 01:05:58,750

haven't I found any bones little woods

1744

01:06:02,760 --> 01:06:00,070

and of course there's a lot of theories

1745

01:06:04,350 --> 01:06:02,770

on this but it just doesn't make a lot

1746

01:06:06,180 --> 01:06:04,360

of central all the reports just in

1747

01:06:07,410 --> 01:06:06,190

Pennsylvania alone not to look at all

1748

01:06:08,430 --> 01:06:07,420

the reports throughout the country and

1749

01:06:11,580 --> 01:06:08,440

throughout the world or something

1750

01:06:13,500 --> 01:06:11,590

similar no question and maybe we should

1751
01:06:16,320 --> 01:06:13,510
be exploring right now for a few moments

1752
01:06:19,020 --> 01:06:16,330
Stan okay why isn't there more evidence

1753
01:06:20,640 --> 01:06:19,030
if we have this flurry of cases in

1754
01:06:22,560 --> 01:06:20,650
Pennsylvania and elsewhere strange

1755
01:06:24,900 --> 01:06:22,570
creatures Thunderbirds Bigfoot

1756
01:06:27,720 --> 01:06:24,910
Littlefoot whatever where is all the

1757
01:06:30,120 --> 01:06:27,730
evidence of their existence why are they

1758
01:06:31,920 --> 01:06:30,130
here and not here well this is what I've

1759
01:06:33,630 --> 01:06:31,930
been saying myself you look at the case

1760
01:06:35,220 --> 01:06:33,640
like that you look at some of the other

1761
01:06:37,050 --> 01:06:35,230
cases we had that we've looked at over

1762
01:06:38,940 --> 01:06:37,060
the years some of these things that

1763
01:06:42,180 --> 01:06:38,950

happen especially during this wave in 73

1764

01:06:44,130 --> 01:06:42,190

which makes one wonder if we're dealing

1765

01:06:46,170 --> 01:06:44,140

with something that has a physical and a

1766

01:06:48,330 --> 01:06:46,180

non-physical aspect to it why is there

1767

01:06:50,520 --> 01:06:48,340

not more physical evidence probably the

1768

01:06:52,380 --> 01:06:50,530

best evidence we saw at the scene that

1769

01:06:54,630 --> 01:06:52,390

some of these events including this one

1770

01:06:56,790 --> 01:06:54,640

up in Ohio pile which I didn't see but I

1771

01:06:58,830 --> 01:06:56,800

interviewed the investigating state

1772

01:07:00,540 --> 01:06:58,840

trooper who was there and he said to me

1773

01:07:02,250 --> 01:07:00,550

what was so amazing when he got to the

1774

01:07:03,930 --> 01:07:02,260

scene was how the animals were

1775

01:07:05,280 --> 01:07:03,940

responding and this is something we've

1776

01:07:07,410 --> 01:07:05,290

seen a different case specially with

1777

01:07:09,420 --> 01:07:07,420

dogs at some of these Bigfoot cases

1778

01:07:12,000 --> 01:07:09,430

where when these creatures are close to

1779

01:07:14,670 --> 01:07:12,010

the dogs they are just like paralyzed in

1780

01:07:15,990 --> 01:07:14,680

fear they won't bark they're shaking

1781

01:07:18,599 --> 01:07:16,000

they won't move

1782

01:07:19,890 --> 01:07:18,609

sometimes this goes on for you know they

1783

01:07:21,690 --> 01:07:19,900

are more depending on a circumstance

1784

01:07:24,240 --> 01:07:21,700

sometimes they won't even eat probably

1785

01:07:26,280 --> 01:07:24,250

for two or three days later and other

1786

01:07:29,400 --> 01:07:26,290

people reported in some of the cases yet

1787

01:07:31,170 --> 01:07:29,410

other types of cattle horses cats inside

1788

01:07:32,820 --> 01:07:31,180

of people's homes like hiding underneath

1789

01:07:33,810 --> 01:07:32,830

the beds and acting with a jelly

1790

01:07:35,609 --> 01:07:33,820

normally would

1791

01:07:36,720 --> 01:07:35,619

I remember in this particular case I

1792

01:07:38,010 --> 01:07:36,730

believe it was a big I think in this

1793

01:07:40,859 --> 01:07:38,020

case it was a young baby in the house

1794

01:07:42,450 --> 01:07:40,869

people saying how unusual upset that

1795

01:07:43,589 --> 01:07:42,460

baby was at night which the baby never

1796

01:07:47,580 --> 01:07:43,599

reacted like that before

1797

01:07:49,349 --> 01:07:47,590

so again I keep an open mind to all

1798

01:07:51,930 --> 01:07:49,359

aspects of the Bigfoot phenomenon other

1799

01:07:54,330 --> 01:07:51,940

ask and other types of crypto cases but

1800

01:07:56,730 --> 01:07:54,340

I think we cannot exclude the

1801

01:07:58,349 --> 01:07:56,740

possibility that only in some of these

1802

01:08:00,870 --> 01:07:58,359

type of reports I'm not saying all

1803

01:08:02,010 --> 01:08:00,880

species are like this but we may be done

1804

01:08:03,510 --> 01:08:02,020

with something has a physical or

1805

01:08:05,339 --> 01:08:03,520

non-physical aspect to it

1806

01:08:08,010 --> 01:08:05,349

you mentioned the dogs of course dogs

1807

01:08:09,330 --> 01:08:08,020

other animals being sensitive the things

1808

01:08:12,870 --> 01:08:09,340

that we can't see or hear

1809

01:08:14,730 --> 01:08:12,880

have you taken canine friends with you

1810

01:08:16,680 --> 01:08:14,740

on these investigations to see what they

1811

01:08:18,990 --> 01:08:16,690

can detect I can tell you in most cases

1812

01:08:20,309 --> 01:08:19,000

we did not only because we shouldn't

1813

01:08:22,800 --> 01:08:20,319

have the capable we didn't have the dogs

1814

01:08:23,910 --> 01:08:22,810

to do it back then so I don't recall

1815

01:08:26,820 --> 01:08:23,920

that there could have been some

1816

01:08:30,030 --> 01:08:26,830

individual investigators I do remember

1817

01:08:32,370 --> 01:08:30,040

this one of the investigators who went

1818

01:08:34,289 --> 01:08:32,380

out on a case which was significant in

1819

01:08:35,760 --> 01:08:34,299

another County where there had been a

1820

01:08:38,400 --> 01:08:35,770

report of a creature I believe on the

1821

01:08:40,289 --> 01:08:38,410

roof of a low level house but I think it

1822

01:08:42,059 --> 01:08:40,299

caught up on the roof and there was some

1823

01:08:45,180 --> 01:08:42,069

hair samples that were pretty

1824

01:08:46,470 --> 01:08:45,190

significant and that was the one hair

1825

01:08:49,260 --> 01:08:46,480

sample I think I sort of talked to you

1826

01:08:51,930 --> 01:08:49,270

about and we got sidetracked that it was

1827

01:08:53,940 --> 01:08:51,940

the one case where they said it was near

1828

01:08:55,709 --> 01:08:53,950

human but couldn't be identified for

1829

01:08:58,289 --> 01:08:55,719

sure as human while other tears could

1830

01:09:01,170 --> 01:08:58,299

easily be identified and when he took it

1831

01:09:04,200 --> 01:09:01,180

home and his dog smelled that hair that

1832

01:09:06,900 --> 01:09:04,210

dog was just like cowering and very very

1833

01:09:08,970 --> 01:09:06,910

upset when a smell bad hairy fed Wow

1834

01:09:11,930 --> 01:09:08,980

interesting I used to take my brother's

1835

01:09:14,610 --> 01:09:11,940

beer and he's out on my couch encases

1836

01:09:16,860 --> 01:09:14,620

absolutely and it just you could not

1837

01:09:20,099 --> 01:09:16,870

freak this dog out it was absolutely

1838

01:09:22,650 --> 01:09:20,109

infallible if that's the proper word and

1839

01:09:24,870 --> 01:09:22,660

one of the things that that we noticed

1840

01:09:26,849 --> 01:09:24,880

right off was as soon as he would be

1841

01:09:28,130 --> 01:09:26,859

introduced to the scene in always we

1842

01:09:31,180 --> 01:09:28,140

would introduce the dog to

1843

01:09:33,410 --> 01:09:31,190

to the scene first before we entered

1844

01:09:36,440 --> 01:09:33,420

near the animal if there have been any

1845

01:09:38,120 --> 01:09:36,450

sort of coyotes in the area he would

1846

01:09:39,710 --> 01:09:38,130

instantly go and identify where the

1847

01:09:42,560 --> 01:09:39,720

Coyotes had urinated because he would

1848

01:09:45,140 --> 01:09:42,570

then urinate - so dogs are very good

1849

01:09:47,720 --> 01:09:45,150

investigative partners and they also

1850

01:09:51,080 --> 01:09:47,730

mark their territory first well they

1851

01:09:53,300 --> 01:09:51,090

also coyotes interfere or intrude on my

1852

01:09:55,310 --> 01:09:53,310

territory well when you're when you're

1853

01:09:58,610 --> 01:09:55,320

investigating the unusual livestock

1854

01:09:59,990 --> 01:09:58,620

deaths in disfigurements it's really

1855

01:10:02,240 --> 01:10:00,000

good to know if the coyotes have been in

1856

01:10:04,460 --> 01:10:02,250

around the scene most of the cases that

1857

01:10:07,310 --> 01:10:04,470

we had coyotes would not venture within

1858

01:10:09,260 --> 01:10:07,320

100 feet 200 feet of a case and they

1859

01:10:11,600 --> 01:10:09,270

would circle around the outside in a and

1860

01:10:15,050 --> 01:10:11,610

kind of like checking it out but not

1861

01:10:18,260 --> 01:10:15,060

going near it the meaning with all these

1862

01:10:20,600 --> 01:10:18,270

cases and what they signify I mentioned

1863

01:10:22,790 --> 01:10:20,610

during a brief intermission withstand

1864

01:10:25,430 --> 01:10:22,800

how about more recent cases you know we

1865

01:10:26,960 --> 01:10:25,440

know a lot happened in the 70s certainly

1866

01:10:28,700 --> 01:10:26,970

as I said I lived in Pennsylvania

1867

01:10:30,110 --> 01:10:28,710

I remember just everything happening

1868

01:10:34,640 --> 01:10:30,120

every day I'd hear about something

1869

01:10:37,400 --> 01:10:34,650

somewhere but now we're in 2010 and are

1870

01:10:40,310 --> 01:10:37,410

we still getting a fair number of UFO

1871

01:10:43,070 --> 01:10:40,320

and strange creature reports in your

1872

01:10:46,220 --> 01:10:43,080

state Stan yeah yes last year was a very

1873

01:10:49,070 --> 01:10:46,230

active year there are 2009 the

1874

01:10:50,930 --> 01:10:49,080

information that I obtained from various

1875

01:10:53,510 --> 01:10:50,940

sources on them came from 48 counties of

1876

01:10:55,580 --> 01:10:53,520

Pennsylvania last year and there was

1877

01:10:58,040 --> 01:10:55,590

quite a bit of Bigfoot activity going on

1878

01:11:00,080 --> 01:10:58,050

I know I had a number of reports saw

1879

01:11:01,520 --> 01:11:00,090

Eric Oldman at the Pennsylvania Bigfoot

1880

01:11:02,960 --> 01:11:01,530

Society they investigate a number of

1881

01:11:05,690 --> 01:11:02,970

cases I think one of the most

1882

01:11:08,110 --> 01:11:05,700

interesting cases that the PBS had

1883

01:11:10,700 --> 01:11:08,120

called me to join their group to

1884

01:11:13,040 --> 01:11:10,710

investigate the case and this happened

1885

01:11:14,930 --> 01:11:13,050

again here we go Fayette County again

1886

01:11:15,860 --> 01:11:14,940

another area with a long history of

1887

01:11:18,350 --> 01:11:15,870

Bigfoot activity

1888

01:11:20,420 --> 01:11:18,360

this happened on July 10th last year and

1889

01:11:22,850 --> 01:11:20,430

this was daylight about six in the

1890

01:11:25,910 --> 01:11:22,860

afternoon there was a very warm clear

1891

01:11:28,070 --> 01:11:25,920

beautiful day as I recall and the woman

1892

01:11:30,830 --> 01:11:28,080

was driving down the road about 3540

1893

01:11:33,560 --> 01:11:30,840

miles an hour on this two-lane road

1894

01:11:36,140 --> 01:11:33,570

outside of Uniontown again when out of

1895

01:11:38,150 --> 01:11:36,150

the corner of her left eye she caught a

1896

01:11:40,040 --> 01:11:38,160

figure moving from the left side and

1897

01:11:40,419 --> 01:11:40,050

approaching and so it's going to walk

1898

01:11:42,669 --> 01:11:40,429

right

1899

01:11:45,430 --> 01:11:42,679

in front of her car so what does she do

1900

01:11:47,020 --> 01:11:45,440

her first reaction is she swerves the MS

1901
01:11:48,760 --> 01:11:47,030
hitting this person walking out right in

1902
01:11:51,399 --> 01:11:48,770
front of her vehicle but as she's

1903
01:11:54,160 --> 01:11:51,409
turning she's looking up and realizes

1904
01:11:56,530 --> 01:11:54,170
this is not a person this is some kind

1905
01:11:58,090 --> 01:11:56,540
of a very strange creature and she sat

1906
01:12:00,580 --> 01:11:58,100
there when she pulled over to the curb

1907
01:12:02,229 --> 01:12:00,590
she sat there for a minute and she looks

1908
01:12:04,270 --> 01:12:02,239
into a rearview mirror

1909
01:12:06,459 --> 01:12:04,280
the watch is his large hairy creature

1910
01:12:08,890 --> 01:12:06,469
leaps across the trunk of her vehicle

1911
01:12:10,149 --> 01:12:08,900
and while she's sitting there trying to

1912
01:12:12,070 --> 01:12:10,159
compose herself trying to figure out

1913
01:12:14,560 --> 01:12:12,080

what's going on next thing she knows she

1914

01:12:16,570 --> 01:12:14,570

looks to right about 75 feet away to the

1915

01:12:19,450 --> 01:12:16,580

right the creature is running down this

1916

01:12:21,459 --> 01:12:19,460

road in the opposite direction which if

1917

01:12:23,500 --> 01:12:21,469

it kept going it would have gone through

1918

01:12:25,360 --> 01:12:23,510

a large like a few of the area up into

1919

01:12:27,610 --> 01:12:25,370

the mountainous area up towards

1920

01:12:29,830 --> 01:12:27,620

Jumonville which has had a long history

1921

01:12:32,080 --> 01:12:29,840

of a lot of strange creature encounters

1922

01:12:34,209 --> 01:12:32,090

up there going back to the 70s anyhow

1923

01:12:37,000 --> 01:12:34,219

what she said she saw my Jeep swerved to

1924

01:12:39,040 --> 01:12:37,010

miss hitting this creature she said that

1925

01:12:41,709 --> 01:12:39,050

this thing was at least six feet tall

1926

01:12:43,899 --> 01:12:41,719

six feet or born height that it was

1927

01:12:45,580 --> 01:12:43,909

upright on two legs it was a little hard

1928

01:12:47,110 --> 01:12:45,590

to see the neck because of the hair to

1929

01:12:49,360 --> 01:12:47,120

explain it she said she could see some

1930

01:12:51,010 --> 01:12:49,370

details to it that they had was fairly

1931

01:12:54,040 --> 01:12:51,020

big in the and the shoulders are very

1932

01:12:55,419 --> 01:12:54,050

wide and she said it was hair coming out

1933

01:12:57,750 --> 01:12:55,429

from all over the face like that I have

1934

01:12:59,680 --> 01:12:57,760

a dog or wolf the nose was flat and dark

1935

01:13:01,899 --> 01:12:59,690

she really couldn't see much of the

1936

01:13:03,880 --> 01:13:01,909

mouth area nor could she see any ears

1937

01:13:05,709 --> 01:13:03,890

but she said the most prominent features

1938

01:13:07,750 --> 01:13:05,719

were the eyes and she said the eyes were

1939

01:13:10,149 --> 01:13:07,760

what really group the crew her attention

1940

01:13:11,470 --> 01:13:10,159

that that kind of a nerve heard that

1941

01:13:13,419 --> 01:13:11,480

they were least twice the size of a

1942

01:13:16,090 --> 01:13:13,429

human circular in shape but the eyes

1943

01:13:17,500 --> 01:13:16,100

were dark possibly black in color and

1944

01:13:19,959 --> 01:13:17,510

she said they were just wild looking

1945

01:13:22,209 --> 01:13:19,969

there was no iris no whites and they

1946

01:13:24,700 --> 01:13:22,219

were just very very strange-looking it

1947

01:13:26,979 --> 01:13:24,710

was Sparky and muscular chest area was

1948

01:13:28,899 --> 01:13:26,989

thick and hairy the shoulders were wide

1949

01:13:31,479 --> 01:13:28,909

and rounded the arms are very long and

1950

01:13:34,990 --> 01:13:31,489

hanging down you know from the body down

1951

01:13:37,090 --> 01:13:35,000

beyond the knees and the hair was long

1952

01:13:40,060 --> 01:13:37,100

on the arms like like a pair she said

1953

01:13:42,160 --> 01:13:40,070

and she got a pretty good description of

1954

01:13:45,250 --> 01:13:42,170

this thing and we went out and

1955

01:13:47,320 --> 01:13:45,260

interviewed her and her husband appeared

1956

01:13:48,729 --> 01:13:47,330

to be very credible people she was still

1957

01:13:51,399 --> 01:13:48,739

you could tell when she is describing

1958

01:13:53,320 --> 01:13:51,409

this - they dragged us in who was the

1959

01:13:54,260 --> 01:13:53,330

artist who was there from the UH PBS and

1960

01:13:55,400 --> 01:13:54,270

we were

1961

01:13:57,820 --> 01:13:55,410

you could tell she was still very

1962

01:14:00,290 --> 01:13:57,830

emotional over what was going on and

1963

01:14:01,640 --> 01:14:00,300

when I'm looking over their vehicle I

1964

01:14:02,930 --> 01:14:01,650

was talk to them and I went over and

1965

01:14:04,970 --> 01:14:02,940

just Nick I was looking around on her

1966

01:14:07,070 --> 01:14:04,980

vehicle and I was checking real close

1967

01:14:08,480 --> 01:14:07,080

and I noticed as I was examining around

1968

01:14:12,260 --> 01:14:08,490

the trunk here and the opposite side on

1969

01:14:15,170 --> 01:14:12,270

the left this really unusual affective

1970

01:14:16,820 --> 01:14:15,180

scratch area and that area was about six

1971

01:14:20,120 --> 01:14:16,830

inches from the left taillight to the

1972

01:14:21,230 --> 01:14:20,130

first creation of the scratches and it

1973

01:14:23,510 --> 01:14:21,240

was about eight and a half inches long

1974

01:14:25,820 --> 01:14:23,520

and two inches wide but there were many

1975

01:14:28,460 --> 01:14:25,830

many like vertical and horizontal very

1976

01:14:31,370 --> 01:14:28,470

thin scratch lines and went into the

1977

01:14:32,570 --> 01:14:31,380

paint surface and I showed these people

1978

01:14:34,040 --> 01:14:32,580

and said we've never seen like that

1979

01:14:35,420 --> 01:14:34,050

before we do you've noticed that and

1980

01:14:37,610 --> 01:14:35,430

that would have been right in the air

1981

01:14:39,500 --> 01:14:37,620

what a thing probably would have made

1982

01:14:41,720 --> 01:14:39,510

contact as it went over the back of the

1983

01:14:44,960 --> 01:14:41,730

truck now we can't say for sure its

1984

01:14:47,360 --> 01:14:44,970

associated with it but it was kind of

1985

01:14:48,950 --> 01:14:47,370

interesting but I believe the woman was

1986

01:14:56,750 --> 01:14:48,960

very sincere when she described what she

1987

01:14:58,640 --> 01:14:56,760

was seeing hey neighbors would you like

1988

01:15:01,280 --> 01:14:58,650

to see the power cast live long and

1989

01:15:03,320 --> 01:15:01,290

prosper well if you know of anyone who

this is Leslie Kane and I'm with the

1999

01:15:36,640 --> 01:15:33,050

Coalition for freedom of information and

2000

01:15:38,440 --> 01:15:36,650

you are listening to the podcast co-host

2001

01:15:40,720 --> 01:15:38,450

is Christopher Brian we have Stan Gordon

2002

01:15:42,970 --> 01:15:40,730

he is the author of really mysterious

2003

01:15:45,090 --> 01:15:42,980

Pennsylvania and Chris was about to

2004

01:15:47,410 --> 01:15:45,100

enlighten us on another case please I

2005

01:15:49,000 --> 01:15:47,420

find a very intriguing it's quite

2006

01:15:51,460 --> 01:15:49,010

similar to another case I think you had

2007

01:15:53,560 --> 01:15:51,470

in in March 97 where a guy had a Bigfoot

2008

01:15:56,530 --> 01:15:53,570

leaning on his trunk looking in his back

2009

01:15:58,420 --> 01:15:56,540

window he took off in the creature left

2010

01:16:00,460 --> 01:15:58,430

some there's a photograph in your book

2011

01:16:02,890 --> 01:16:00,470

left some very impressive scratch marks

2012

01:16:06,250 --> 01:16:02,900

how was it that was a very very unusual

2013

01:16:08,110 --> 01:16:06,260

case okay and there's a long involved

2014

01:16:10,540 --> 01:16:08,120

case I'll try to explain it to you

2015

01:16:12,940 --> 01:16:10,550

briefly I remember getting the call

2016

01:16:15,190 --> 01:16:12,950

very early morning hours on March 12

2017

01:16:16,750 --> 01:16:15,200

1997 this happened that just a short

2018

01:16:19,420 --> 01:16:16,760

time before my 3 o'clock in the morning

2019

01:16:23,290 --> 01:16:19,430

now this again is Derry Township a Barry

2020

01:16:25,060 --> 01:16:23,300

Township is a rural community along the

2021

01:16:28,720 --> 01:16:25,070

base of the Chestnut Ridge again outside

2022

01:16:31,150 --> 01:16:28,730

of Latrobe PA historically a lot of

2023

01:16:33,940 --> 01:16:31,160

weird activity out there with Bigfoot

2024

01:16:36,520 --> 01:16:33,950

UFO cases Bigfoot in particular there's

2025

01:16:37,990 --> 01:16:36,530

been sightings since then there have

2026

01:16:40,390 --> 01:16:38,000

been many sightings going back to the

2027

01:16:43,030 --> 01:16:40,400

least of 1950s I have on record from out

2028

01:16:45,130 --> 01:16:43,040

in that area but of course that 73 Way

2029

01:16:46,960 --> 01:16:45,140

was very active in that area as well so

2030

01:16:49,210 --> 01:16:46,970

anyhow I get this call from this fellow

2031

01:16:52,060 --> 01:16:49,220

that told me that him and two other

2032

01:16:54,430 --> 01:16:52,070

fellas had had a very unusual experience

2033

01:16:56,260 --> 01:16:54,440

that early that morning so what I found

2034

01:16:58,390 --> 01:16:56,270

out was these guys they work at night

2035

01:17:00,370 --> 01:16:58,400

they go right down this back road when

2036

01:17:02,380 --> 01:17:00,380

all of a sudden the hubcap came off of

2037

01:17:04,300 --> 01:17:02,390

the vehicle rolled across the road into

2038

01:17:07,030 --> 01:17:04,310

this field where there's some old cars

2039

01:17:09,490 --> 01:17:07,040

so they short time later they went back

2040

01:17:10,900 --> 01:17:09,500

there to look for the missing hubcap but

2041

01:17:13,570 --> 01:17:10,910

there wasn't a place to park real close

2042

01:17:15,040 --> 01:17:13,580

so they parked about 200 250 feet away

2043

01:17:17,560 --> 01:17:15,050

from that particular area

2044

01:17:19,150 --> 01:17:17,570

one the fellow stayed in the vehicle the

2045

01:17:21,310 --> 01:17:19,160

other two men decided to get down and

2046

01:17:23,260 --> 01:17:21,320

look around and as a looking round down

2047

01:17:25,360 --> 01:17:23,270

there they hear the sound that says

2048

01:17:27,880 --> 01:17:25,370

something like metal-on-metal sound and

2049

01:17:29,530 --> 01:17:27,890

as we're walking along they hear like

2050

01:17:31,330 --> 01:17:29,540

this loud growling away from a dog

2051
01:17:32,920 --> 01:17:31,340
somewhere in the area so they're moving

2052
01:17:34,780 --> 01:17:32,930
around slowly thinking maybe there's a

2053
01:17:38,050 --> 01:17:34,790
guard dog or something around here and

2054
01:17:39,700 --> 01:17:38,060
that's walking along all of a sudden one

2055
01:17:41,729 --> 01:17:39,710
of the fellows notices some movement

2056
01:17:43,440 --> 01:17:41,739
ahead of them the aim this

2057
01:17:45,090 --> 01:17:43,450
flashlight in that direction well at

2058
01:17:46,440 --> 01:17:45,100
that point both of the men are pretty

2059
01:17:48,300 --> 01:17:46,450
much startled because what they're

2060
01:17:50,820 --> 01:17:48,310
seeing is a lot of dog but when they

2061
01:17:53,130 --> 01:17:50,830
describe it as a huge about a 9 foot

2062
01:17:55,560 --> 01:17:53,140
tall ape-like creature covered white

2063
01:17:57,360 --> 01:17:55,570

here which was bent down and was now

2064

01:17:59,850 --> 01:17:57,370

beginning the rise from the ground the

2065

01:18:01,200 --> 01:17:59,860

one man is panic right away he just runs

2066

01:18:03,000 --> 01:18:01,210

out of there the other guy said he stood

2067

01:18:04,560 --> 01:18:03,010

there for several seconds I was looking

2068

01:18:06,959 --> 01:18:04,570

at this thing trying to figure out what

2069

01:18:09,510 --> 01:18:06,969

it is and he runs back to the vehicle as

2070

01:18:12,060 --> 01:18:09,520

they're pulling away from there the one

2071

01:18:14,310 --> 01:18:12,070

fella realizes that he had dropped his

2072

01:18:16,350 --> 01:18:14,320

dad expensive knife and also some keys

2073

01:18:18,930 --> 01:18:16,360

say he was pretty concerned about that

2074

01:18:20,190 --> 01:18:18,940

but they passed that area I went back

2075

01:18:22,170 --> 01:18:20,200

past that area from where they had

2076

01:18:24,060 --> 01:18:22,180

parked they didn't see the creature they

2077

01:18:25,620 --> 01:18:24,070

moved around a little slower tried to

2078

01:18:28,530 --> 01:18:25,630

find the missing items but they didn't

2079

01:18:31,050 --> 01:18:28,540

see them anywhere so anyhow here's what

2080

01:18:33,209 --> 01:18:31,060

next happen was kind of unusual as they

2081

01:18:36,390 --> 01:18:33,219

were driving down this little road all

2082

01:18:39,360 --> 01:18:36,400

of a sudden this this nice new red

2083

01:18:41,340 --> 01:18:39,370

silver Chevy dually big Chevy dual real

2084

01:18:43,530 --> 01:18:41,350

truck passes them in the opposite

2085

01:18:45,479 --> 01:18:43,540

direction a high rate of speed and the

2086

01:18:47,580 --> 01:18:45,489

fellows watches this truck pulled onto a

2087

01:18:50,100 --> 01:18:47,590

side road turned around and began to

2088

01:18:52,530 --> 01:18:50,110

follow after them down the road and this

2089

01:18:55,290 --> 01:18:52,540

Chevy dually increases its speed and it

2090

01:18:56,760 --> 01:18:55,300

comes right up behind them and stay with

2091

01:18:59,040 --> 01:18:56,770

it for they said about us about a half a

2092

01:19:00,510 --> 01:18:59,050

mile and everybody in that vehicle the

2093

01:19:03,150 --> 01:19:00,520

three guys said they had the impression

2094

01:19:05,250 --> 01:19:03,160

that whoever was in that Julie was

2095

01:19:07,080 --> 01:19:05,260

trying to get their license number so

2096

01:19:09,510 --> 01:19:07,090

anyhow that truck finally stops on the

2097

01:19:11,010 --> 01:19:09,520

roadway starts backing up turns off its

2098

01:19:14,670 --> 01:19:11,020

lights and back something to a side road

2099

01:19:17,100 --> 01:19:14,680

and that's it well anyhow they go to the

2100

01:19:18,300 --> 01:19:17,110

closest residence of the three fellows

2101
01:19:20,670 --> 01:19:18,310
and they go over there and sit down and

2102
01:19:22,229 --> 01:19:20,680
talk about what happened well as they

2103
01:19:23,820 --> 01:19:22,239
discussed this or like they can't

2104
01:19:26,190 --> 01:19:23,830
believe what they saw only two out of

2105
01:19:28,020 --> 01:19:26,200
three saw the creature the two fellows

2106
01:19:29,670 --> 01:19:28,030
are intrigued they're scared but they're

2107
01:19:31,470 --> 01:19:29,680
intrigued and wonder what this thing was

2108
01:19:33,120 --> 01:19:31,480
so they decide what they need to go back

2109
01:19:36,479 --> 01:19:33,130
in that area look around for the keys

2110
01:19:38,850 --> 01:19:36,489
and the knife anyhow so the other guy

2111
01:19:40,709 --> 01:19:38,860
has a room it had a nice car they had

2112
01:19:42,900 --> 01:19:40,719
souped up with a modified high speed

2113
01:19:45,650 --> 01:19:42,910

engine in it and they decided to go back

2114

01:19:48,330 --> 01:19:45,660

in that vehicle and the fellows hand a

2115

01:19:50,880 --> 01:19:48,340

modified automobile headlight that they

2116

01:19:52,740 --> 01:19:50,890

had converted over to use into a like a

2117

01:19:54,240 --> 01:19:52,750

cigarette lighter adapter second use for

2118

01:19:54,840 --> 01:19:54,250

a big spotlight so they took that with

2119

01:19:56,850 --> 01:19:54,850

them

2120

01:19:58,530 --> 01:19:56,860

so they get down into the area and they

2121

01:19:59,970 --> 01:19:58,540

plug in the spod lightness for shining

2122

01:20:02,820 --> 01:19:59,980

around that field around those old

2123

01:20:04,500 --> 01:20:02,830

vehicles and they said all of a sudden a

2124

01:20:06,810 --> 01:20:04,510

short-time liner here comes the creature

2125

01:20:08,580 --> 01:20:06,820

again and they said as the one witness

2126
01:20:10,890 --> 01:20:08,590
told me said we were antagonizing this

2127
01:20:13,410 --> 01:20:10,900
thing we can give you the beam at the

2128
01:20:15,810 --> 01:20:13,420
creature it kept putting his hands up in

2129
01:20:17,910 --> 01:20:15,820
front of his eyes to block the bright

2130
01:20:19,530 --> 01:20:17,920
light coming into it and was getting

2131
01:20:22,530 --> 01:20:19,540
very very upset he said we were doing

2132
01:20:24,630 --> 01:20:22,540
the antagonizing you could tell nice to

2133
01:20:26,220 --> 01:20:24,640
Bigfoot day right so remember we had a

2134
01:20:27,750 --> 01:20:26,230
turkey commercial that they've been

2135
01:20:32,250 --> 01:20:27,760
there and with the guys messing with

2136
01:20:34,620 --> 01:20:32,260
Bigfoot so anyhow here's this huge white

2137
01:20:36,420 --> 01:20:34,630
carry creature it's walking upright it's

2138
01:20:38,640 --> 01:20:36,430

on two legs and began to chase after

2139

01:20:40,920 --> 01:20:38,650

their vehicle and they said it moved

2140

01:20:42,450 --> 01:20:40,930

very fast got off to with about three

2141

01:20:44,160 --> 01:20:42,460

feet of the rear bumper and when they

2142

01:20:47,400 --> 01:20:44,170

were they put on some speed and got away

2143

01:20:51,360 --> 01:20:47,410

from it so anyhow that's the next part

2144

01:20:53,670 --> 01:20:51,370

of the story now what happens is the guy

2145

01:20:55,860 --> 01:20:53,680

who has that car who had lost the keys

2146

01:20:58,260 --> 01:20:55,870

and the knife little later that evening

2147

01:21:00,540 --> 01:20:58,270

after he took another fella home to his

2148

01:21:02,250 --> 01:21:00,550

house decides he needs to go back out

2149

01:21:05,190 --> 01:21:02,260

there again to see if we can find the

2150

01:21:07,320 --> 01:21:05,200

missing items so he goes around the area

2151
01:21:09,810 --> 01:21:07,330
he has his lights down low I believe

2152
01:21:12,300 --> 01:21:09,820
anyhow he's looking around he doesn't

2153
01:21:14,550 --> 01:21:12,310
see this creature so he slowly looked

2154
01:21:16,050 --> 01:21:14,560
around and he pulls up driving around

2155
01:21:18,540 --> 01:21:16,060
there and he leans it down I believe it

2156
01:21:22,650 --> 01:21:18,550
he sees the I think it's the knife that

2157
01:21:24,840 --> 01:21:22,660
he saw and so anyhow he just grabs the

2158
01:21:27,360 --> 01:21:24,850
knife and he opens the door never gets

2159
01:21:30,240 --> 01:21:27,370
out just grabs a knife and all of a

2160
01:21:32,340 --> 01:21:30,250
sudden he feels this heavy thump every

2161
01:21:34,560 --> 01:21:32,350
thud on the rear of his vehicle he looks

2162
01:21:36,180 --> 01:21:34,570
up into the rear mirror and he's shocked

2163
01:21:38,190 --> 01:21:36,190

to see here's this big hairy white

2164

01:21:40,020 --> 01:21:38,200

creature now leaning on the back of his

2165

01:21:40,410 --> 01:21:40,030

car peering at him through the rear

2166

01:21:42,060 --> 01:21:40,420

window

2167

01:21:43,830 --> 01:21:42,070

he said the eyes seem to be having a

2168

01:21:45,360 --> 01:21:43,840

reddish glow but he did tell me later he

2169

01:21:47,990 --> 01:21:45,370

thought maybe that was from the brake

2170

01:21:50,610 --> 01:21:48,000

lights reflecting but he wasn't sure and

2171

01:21:52,590 --> 01:21:50,620

he's trying to use gas in the vehicle

2172

01:21:54,000 --> 01:21:52,600

he's trying to get out of there but the

2173

01:21:56,520 --> 01:21:54,010

weight of this thing he couldn't move

2174

01:21:58,410 --> 01:21:56,530

the car and he said he kept gassing and

2175

01:22:01,020 --> 01:21:58,420

hitting the gas and he said his tail

2176
01:22:02,550 --> 01:22:01,030
pipes are just really really whistling

2177
01:22:04,560 --> 01:22:02,560
now they're really really loud it's

2178
01:22:07,100 --> 01:22:04,570
hurting his ears and it keeps whistling

2179
01:22:08,930 --> 01:22:07,110
lad or anything's finally at one point

2180
01:22:12,410 --> 01:22:08,940
he thinks it was a sound that finally

2181
01:22:14,360 --> 01:22:12,420
caused a creature who released I itself

2182
01:22:15,920 --> 01:22:14,370
from the vehicle he gets out of the car

2183
01:22:18,800 --> 01:22:15,930
kind of turned sideways he finally gets

2184
01:22:22,100 --> 01:22:18,810
on the road he goes down the road he's

2185
01:22:23,240 --> 01:22:22,110
pretty upset at the time and he finds

2186
01:22:26,810 --> 01:22:23,250
that there's a little one of those

2187
01:22:28,360 --> 01:22:26,820
little 24-hour little restaurant or I

2188
01:22:31,820 --> 01:22:28,370

should say like a gas station

2189

01:22:33,680 --> 01:22:31,830

convenience store and he's in there I

2190

01:22:35,540 --> 01:22:33,690

believe getting a coffee or whatever and

2191

01:22:38,270 --> 01:22:35,550

he's watching his car the whole time and

2192

01:22:41,210 --> 01:22:38,280

he said short time later another car

2193

01:22:42,590 --> 01:22:41,220

pulls up several this is short distance

2194

01:22:44,660 --> 01:22:42,600

from where he had parked and the several

2195

01:22:47,570 --> 01:22:44,670

teenagers get out there admiring his car

2196

01:22:49,310 --> 01:22:47,580

and they never touched it and he went

2197

01:22:50,630 --> 01:22:49,320

outside and they were talking about the

2198

01:22:52,700 --> 01:22:50,640

car and one of them said something like

2199

01:22:54,170 --> 01:22:52,710

did you get attacked by any animal or

2200

01:22:55,700 --> 01:22:54,180

some kind of a bear or something and he

2201

01:22:57,950 --> 01:22:55,710

said what do you mean and he looked and

2202

01:23:00,140 --> 01:22:57,960

they're on the back of the vehicle with

2203

01:23:01,610 --> 01:23:00,150

these deep what a pretty claw marks deep

2204

01:23:03,140 --> 01:23:01,620

into the Payton meadow on the rear of

2205

01:23:05,240 --> 01:23:03,150

the vehicle which there's a picture of

2206

01:23:06,770 --> 01:23:05,250

it in the book and what the body shop

2207

01:23:08,510 --> 01:23:06,780

would say when they do the estimate well

2208

01:23:10,880 --> 01:23:08,520

this is what the guy said he said how am

2209

01:23:12,530 --> 01:23:10,890

I supposed to call my insurance man tell

2210

01:23:14,690 --> 01:23:12,540

me I got attacked by a strange white

2211

01:23:16,310 --> 01:23:14,700

hairy creature you know and I mean why

2212

01:23:18,290 --> 01:23:16,320

would you go if you're gonna hostessing

2213

01:23:19,790 --> 01:23:18,300

why would you go and and destroy your

2214

01:23:21,890 --> 01:23:19,800

really nice car that you really thought

2215

01:23:24,800 --> 01:23:21,900

a lot about but a lot of money into okay

2216

01:23:26,600 --> 01:23:24,810

so anyhow the rest of the story is I get

2217

01:23:28,130 --> 01:23:26,610

a hold of these guys and I said I want

2218

01:23:30,890 --> 01:23:28,140

to meet with you guys as soon as I can

2219

01:23:32,180 --> 01:23:30,900

today so we made arrangements to meet

2220

01:23:34,220 --> 01:23:32,190

with them to go out to the scene

2221

01:23:36,080 --> 01:23:34,230

interview them take photographs

2222

01:23:38,600 --> 01:23:36,090

everything we could to document the

2223

01:23:40,700 --> 01:23:38,610

information so anyhow I talked to

2224

01:23:43,100 --> 01:23:40,710

several of my phone maid arranged to

2225

01:23:45,140 --> 01:23:43,110

meet with them and I guess over the

2226

01:23:47,480 --> 01:23:45,150

later in the day as I recall the witness

2227

01:23:49,070 --> 01:23:47,490

who had shined the spotlight on the

2228

01:23:51,560 --> 01:23:49,080

creature who had gotten a very good look

2229

01:23:53,780 --> 01:23:51,570

at it I found out later that he was a

2230

01:23:55,220 --> 01:23:53,790

little upset and he was kind of not

2231

01:23:56,630 --> 01:23:55,230

really wanting to talk to me and I said

2232

01:23:59,240 --> 01:23:56,640

what's going on why everything was fine

2233

01:24:01,010 --> 01:23:59,250

and his other friend which the guy later

2234

01:24:03,050 --> 01:24:01,020

did let me interview and he verified he

2235

01:24:05,000 --> 01:24:03,060

said that after I had talked to him on

2236

01:24:07,370 --> 01:24:05,010

the phone early that morning he said

2237

01:24:10,220 --> 01:24:07,380

about ten minutes later he received

2238

01:24:12,110 --> 01:24:10,230

another phone call and the phone what he

2239

01:24:13,790 --> 01:24:12,120

could remember for the message was on

2240

01:24:16,460 --> 01:24:13,800

the phone the voice said something like

2241

01:24:18,380 --> 01:24:16,470

this is field agents also from the

2242

01:24:20,030 --> 01:24:18,390

Federal Bureau of Investigation but the

2243

01:24:22,220 --> 01:24:20,040

incident last night forget

2244

01:24:23,450 --> 01:24:22,230

look you saw him and I strongly suggest

2245

01:24:26,780 --> 01:24:23,460

you don't talk any further with Stan

2246

01:24:29,060 --> 01:24:26,790

Borden sounds like MIB is afoot yeah now

2247

01:24:31,190 --> 01:24:29,070

one thing I want to point out there's no

2248

01:24:33,260 --> 01:24:31,200

way we've ever been able to verify that

2249

01:24:35,000 --> 01:24:33,270

was actually the FBI involved I did send

2250

01:24:37,370 --> 01:24:35,010

them a letter I never did receive a

2251

01:24:39,650 --> 01:24:37,380

response so I have no idea who it was

2252

01:24:41,240 --> 01:24:39,660

now the other fellow the other guy who

2253

01:24:44,060 --> 01:24:41,250

had the nice car he's still with his

2254

01:24:45,770 --> 01:24:44,070

parents and according to him he wasn't

2255

01:24:48,080 --> 01:24:45,780

home at the time but he did get sonic on

2256

01:24:51,920 --> 01:24:48,090

a phone message but also he said there

2257

01:24:54,170 --> 01:24:51,930

was four men each and two vehicles which

2258

01:24:56,090 --> 01:24:54,180

I believe were Chevy caprices they

2259

01:24:57,020 --> 01:24:56,100

pulled up to the family told they want

2260

01:24:59,480 --> 01:24:57,030

to talk to him

2261

01:25:03,110 --> 01:24:59,490

and but they apparently never came back

2262

01:25:05,180 --> 01:25:03,120

again and so the question is how did

2263

01:25:06,470 --> 01:25:05,190

anybody find out about the event I mean

2264

01:25:07,700 --> 01:25:06,480

I was the only one who knew better

2265

01:25:09,800 --> 01:25:07,710

early-morning hours

2266

01:25:12,800 --> 01:25:09,810

so either somebody was monitoring my

2267

01:25:14,540 --> 01:25:12,810

phone calls or somebody through tracing

2268

01:25:16,910 --> 01:25:14,550

their license was following up on

2269

01:25:19,280 --> 01:25:16,920

somebody involved but it was a very

2270

01:25:21,170 --> 01:25:19,290

interesting case and I mean I've always

2271

01:25:22,430 --> 01:25:21,180

thought that these guys were believed to

2272

01:25:24,620 --> 01:25:22,440

be telling the truth as they were

2273

01:25:26,810 --> 01:25:24,630

letting us know about it that's really

2274

01:25:28,520 --> 01:25:26,820

wild two cases with Bigfoot scratching

2275

01:25:31,490 --> 01:25:28,530

people's trunks I love it

2276

01:25:33,950 --> 01:25:31,500

that's amazing that's that's pretty rare

2277

01:25:37,010 --> 01:25:33,960

you don't get that kind of physical

2278

01:25:39,320 --> 01:25:37,020

evidence and descriptions especially so

2279

01:25:40,910 --> 01:25:39,330

close after the event that's one thing

2280

01:25:42,620 --> 01:25:40,920

Stan I must say and I I don't want to

2281

01:25:45,020 --> 01:25:42,630

sound like I'm stroking you here but I

2282

01:25:47,150 --> 01:25:45,030

but I really am I mean you know almost

2283

01:25:50,120 --> 01:25:47,160

every case that you're describing you

2284

01:25:52,220 --> 01:25:50,130

are on site either you know as quickly

2285

01:25:54,200 --> 01:25:52,230

as possible or the following day and

2286

01:25:56,210 --> 01:25:54,210

that you know for all you aspiring field

2287

01:25:57,950 --> 01:25:56,220

investigators out there the only way

2288

01:26:00,980 --> 01:25:57,960

that Stan can do this is to have an

2289

01:26:03,980 --> 01:26:00,990

extensive network of contacts and law

2290

01:26:06,740 --> 01:26:03,990

enforcement people around his state and

2291

01:26:08,600 --> 01:26:06,750

regions that are there constantly

2292

01:26:11,390 --> 01:26:08,610

monitoring activity and and having a

2293

01:26:14,720 --> 01:26:11,400

really well established well oiled phone

2294

01:26:16,760 --> 01:26:14,730

tree going so that people are dispatched

2295

01:26:19,280 --> 01:26:16,770

immediately to these cases and and this

2296

01:26:21,380 --> 01:26:19,290

is really important as you mentioned

2297

01:26:23,780 --> 01:26:21,390

earlier if you get on site right after

2298

01:26:27,950 --> 01:26:23,790

an event you're gonna be able to really

2299

01:26:29,960 --> 01:26:27,960

get an emotional read on a person that

2300

01:26:31,670 --> 01:26:29,970

has allegedly had a strange experience

2301

01:26:32,109 --> 01:26:31,680

if you arrive at a place that has this

2302

01:26:34,810 --> 01:26:32,119

enquire

2303

01:26:37,479 --> 01:26:34,820

we'll report attached to it and the

2304

01:26:39,580 --> 01:26:37,489

person is nonchalant it kind of makes

2305

01:26:40,779 --> 01:26:39,590

you wonder well maybe there's not

2306

01:26:43,209 --> 01:26:40,789

something to it but if the person

2307

01:26:46,359 --> 01:26:43,219

obviously is exhibiting emotional

2308

01:26:48,129 --> 01:26:46,369

trauma or the effects of a highly

2309

01:26:50,319 --> 01:26:48,139

strange experience the impacts you

2310

01:26:52,540 --> 01:26:50,329

emotionally and so this is really this

2311

01:26:55,000 --> 01:26:52,550

is really important and I think you know

2312

01:26:58,060 --> 01:26:55,010

being out in the field you know for

2313

01:27:00,040 --> 01:26:58,070

decades I mean Stan Stan knows that this

2314

01:27:03,159 --> 01:27:00,050

is a really important element in and we

2315

01:27:05,500 --> 01:27:03,169

do really urge aspiring field

2316

01:27:09,069 --> 01:27:05,510

investigators to to really jump on these

2317

01:27:10,449 --> 01:27:09,079

cases if possible and get on site as

2318

01:27:35,459 --> 01:27:10,459

quickly as possible there's no

2319

01:27:39,699 --> 01:27:35,469

substitute for that conspiracy's

2320

01:27:42,069 --> 01:27:39,709

activity and when you subscribe to Tim

2330

01:28:22,660 --> 01:28:17,660

you're in the para castle you never know

2331

01:28:27,290 --> 01:28:25,340

we have Stan Gordon officer of really

2332

01:28:28,820 --> 01:28:27,300

mysterious Pennsylvania our co-host who

2333

01:28:29,990 --> 01:28:28,830

has also been out there on the scene

2334

01:28:32,900 --> 01:28:30,000

investigating cases

2335

01:28:34,670 --> 01:28:32,910

Christopher O'Brien so guys even one of

2336

01:28:37,070 --> 01:28:34,680

you take this up how do we train

2337

01:28:39,770 --> 01:28:37,080

investigators to go out there and know

2338

01:28:41,630 --> 01:28:39,780

what to do what equipment they need etc

2339

01:28:45,830 --> 01:28:41,640

do they take the one-hour course from

2340

01:28:47,570 --> 01:28:45,840

you fun what well I can tell you my

2341

01:28:49,250 --> 01:28:47,580

groups I started my first group back in

2342

01:28:52,280 --> 01:28:49,260

1970 that was the Westmoreland County

2343

01:28:54,200 --> 01:28:52,290

you have a study group by 1975 we were

2344

01:28:56,540 --> 01:28:54,210

receiving such a big input of

2345

01:28:57,470 --> 01:28:56,550

information from across the state that I

2346

01:28:58,700 --> 01:28:57,480

changed the name of the group that

2347

01:29:01,400 --> 01:28:58,710

append to saying the Center for UFO

2348

01:29:03,710 --> 01:29:01,410

research and then in 1981 I found

2349

01:29:05,120 --> 01:29:03,720

another group called PA su the

2350

01:29:07,160 --> 01:29:05,130

Pennsylvania Association for the study

2351
01:29:10,010 --> 01:29:07,170
of the unexplained which continued

2352
01:29:12,200 --> 01:29:10,020
operation till 1993 since then I've been

2353
01:29:13,940 --> 01:29:12,210
investigating on my own it's just you

2354
01:29:16,310 --> 01:29:13,950
know I had hundreds of people involved

2355
01:29:17,990 --> 01:29:16,320
we were very active I mean it was like a

2356
01:29:20,540 --> 01:29:18,000
second job that I was paying for out of

2357
01:29:23,060 --> 01:29:20,550
my own pocket pretty much and work

2358
01:29:24,680 --> 01:29:23,070
full-time as I still do today but you

2359
01:29:26,660 --> 01:29:24,690
know talking about training see what I

2360
01:29:29,720 --> 01:29:26,670
wanted to do when I got organized back

2361
01:29:32,210 --> 01:29:29,730
in those early days of 1970 I knew that

2362
01:29:34,520 --> 01:29:32,220
when I said my heart line up in 1969 for

2363
01:29:36,290 --> 01:29:34,530

the public and I began to get inundated

2364

01:29:38,420 --> 01:29:36,300

with phone calls on all kind of strange

2365

01:29:40,370 --> 01:29:38,430

phenomena I knew this was much more than

2366

01:29:41,900 --> 01:29:40,380

I can handle on my own I knew that I

2367

01:29:43,210 --> 01:29:41,910

needed research people I need

2368

01:29:45,800 --> 01:29:43,220

specialists scientists engineers

2369

01:29:48,170 --> 01:29:45,810

technicians all kind of specialists to

2370

01:29:50,330 --> 01:29:48,180

evaluate these cases that was my goal to

2371

01:29:52,550 --> 01:29:50,340

set up a volunteer group of people and

2372

01:29:55,420 --> 01:29:52,560

that's what I did slowly but surely I

2373

01:29:57,620 --> 01:29:55,430

began to make contact with colleges with

2374

01:29:59,390 --> 01:29:57,630

companies that have laboratories in the

2375

01:30:01,430 --> 01:29:59,400

Pittsburgh area and I and I began to

2376

01:30:03,350 --> 01:30:01,440

gain all these kind of specialists that

2377

01:30:05,090 --> 01:30:03,360

was amazing that the quality of type of

2378

01:30:06,890 --> 01:30:05,100

people I had for years and years many

2379

01:30:08,720 --> 01:30:06,900

which did and anonymously because their

2380

01:30:10,820 --> 01:30:08,730

position and I had a lot of former

2381

01:30:13,310 --> 01:30:10,830

military people former people working

2382

01:30:15,710 --> 01:30:13,320

military intelligence we had people of

2383

01:30:18,620 --> 01:30:15,720

all the law enforcement and we set up

2384

01:30:21,020 --> 01:30:18,630

our own investigative training courses I

2385

01:30:23,210 --> 01:30:21,030

mean we we took guys out in the field we

2386

01:30:24,020 --> 01:30:23,220

plotted how to interview how to properly

2387

01:30:26,030 --> 01:30:24,030

interview pea

2388

01:30:28,070 --> 01:30:26,040

well not that not to lead people into

2389

01:30:30,200 --> 01:30:28,080

the information we taught them how to

2390

01:30:32,150 --> 01:30:30,210

make castings how to take measurements

2391

01:30:34,550 --> 01:30:32,160

how to gather samples for laboratory

2392

01:30:36,110 --> 01:30:34,560

analysis so we did a lot of training in

2393

01:30:38,120 --> 01:30:36,120

our own groups that you know most people

2394

01:30:40,010 --> 01:30:38,130

didn't have back in those days back then

2395

01:30:43,100 --> 01:30:40,020

we even work with the the the County

2396

01:30:44,570 --> 01:30:43,110

civil defense where they you know we

2397

01:30:46,520 --> 01:30:44,580

worked very closely with them and we

2398

01:30:49,210 --> 01:30:46,530

trained a number of our people as

2399

01:30:51,680 --> 01:30:49,220

radiological monitors and we had

2400

01:30:53,930 --> 01:30:51,690

radiation gear we have magnetic

2401

01:30:56,180 --> 01:30:53,940

detectors we had a lot of radio

2402

01:30:58,820 --> 01:30:56,190

equipment we had a lot of stuff that we

2403

01:31:00,740 --> 01:30:58,830

all had as individuals again we all pay

2404

01:31:03,050 --> 01:31:00,750

for this stuff out of run pockets but

2405

01:31:04,730 --> 01:31:03,060

also because of the type of people I

2406

01:31:06,740 --> 01:31:04,740

have involved in those groups a lot of

2407

01:31:08,120 --> 01:31:06,750

these guys built their own equipment so

2408

01:31:09,950 --> 01:31:08,130

we had access a lot of really

2409

01:31:11,750 --> 01:31:09,960

interesting stuff that was you know

2410

01:31:14,570 --> 01:31:11,760

pretty high-tech for back in those days

2411

01:31:16,250 --> 01:31:14,580

that you couldn't easily buy so we but

2412

01:31:17,810 --> 01:31:16,260

we had access a lot of good stuff but we

2413

01:31:20,480 --> 01:31:17,820

are still very limited to what we could

2414

01:31:22,490 --> 01:31:20,490

do yeah it's important that that you

2415

01:31:24,770 --> 01:31:22,500

know you mentioned training seminars

2416

01:31:27,530 --> 01:31:24,780

that's one thing that I attempted to do

2417

01:31:30,740 --> 01:31:27,540

in the San Luis Valley is get interested

2418

01:31:32,660 --> 01:31:30,750

people together and actually because

2419

01:31:36,070 --> 01:31:32,670

it's such a sparse population where I

2420

01:31:38,900 --> 01:31:36,080

was you know you couldn't really do

2421

01:31:40,460 --> 01:31:38,910

expect a group to show up necessarily

2422

01:31:42,650 --> 01:31:40,470

because of the distances out there but

2423

01:31:47,390 --> 01:31:42,660

but I was able to train a couple of

2424

01:31:49,430 --> 01:31:47,400

people hands-on just one-on-one - to do

2425

01:31:51,200 --> 01:31:49,440

field work out there but that's that's a

2426

01:31:54,200 --> 01:31:51,210

real that's a real good question Jean

2427

01:31:55,580 --> 01:31:54,210

it's it's a real problem I think you

2428

01:31:57,410 --> 01:31:55,590

know we need to get younger folks

2429

01:31:59,600 --> 01:31:57,420

involved and as carry they carry the

2430

01:32:01,760 --> 01:31:59,610

banner forward in this realm we need to

2431

01:32:04,160 --> 01:32:01,770

have I think more of a standardized

2432

01:32:07,370 --> 01:32:04,170

approach someone like Stan would be a

2433

01:32:09,830 --> 01:32:07,380

really a perfect person to to dovetail

2434

01:32:11,840 --> 01:32:09,840

efforts and standardization of

2435

01:32:13,940 --> 01:32:11,850

approaches for training and another

2436

01:32:15,410 --> 01:32:13,950

element that I always stress with people

2437

01:32:18,770 --> 01:32:15,420

that are interested in investigating

2438

01:32:20,870 --> 01:32:18,780

these things is is also monitor do

2439

01:32:23,300 --> 01:32:20,880

follow up a work with people that have

2440

01:32:25,250 --> 01:32:23,310

had high strange experiences oftentimes

2441

01:32:27,500 --> 01:32:25,260

these experiences are life-changing and

2442

01:32:29,900 --> 01:32:27,510

one of the real indicators of the

2443

01:32:32,180 --> 01:32:29,910

validity and the reality of an

2444

01:32:33,860 --> 01:32:32,190

experience is to touch bases with them a

2445

01:32:35,840 --> 01:32:33,870

year or two later and find out you know

2446

01:32:37,790 --> 01:32:35,850

how this event hasn't

2447

01:32:39,500 --> 01:32:37,800

for their life and oftentimes you'll

2448

01:32:41,540 --> 01:32:39,510

find you'll find that these people they

2449

01:32:43,610 --> 01:32:41,550

have been irrevocably changed as a

2450

01:32:45,320 --> 01:32:43,620

result of having these experiences and

2451

01:32:47,450 --> 01:32:45,330

and that's another thing that you don't

2452

01:32:49,880 --> 01:32:47,460

see on the move fund and the MUFON

2453

01:32:52,250 --> 01:32:49,890

investigators manual is anything to do

2454

01:32:53,840 --> 01:32:52,260

with with the experimenter because you

2455

01:32:56,150 --> 01:32:53,850

know I have all I personally have a

2456

01:32:58,280 --> 01:32:56,160

hunch that the effect of these of these

2457

01:33:00,080 --> 01:32:58,290

experiences on the person is as

2458

01:33:01,910 --> 01:33:00,090

important if not more important than the

2459

01:33:03,740 --> 01:33:01,920

actual nuts and bolts details of the

2460

01:33:07,280 --> 01:33:03,750

experience itself so maybe that is the

2461

01:33:10,010 --> 01:33:07,290

experience the effect question to ask of

2462

01:33:11,960 --> 01:33:10,020

both of you here Stan we've had a couple

2463

01:33:14,180 --> 01:33:11,970

of discussions and then the power cast

2464

01:33:17,690 --> 01:33:14,190

forums it's gotten pretty crazy about

2465

01:33:19,700 --> 01:33:17,700

UFO abductions do you have any abduction

2466

01:33:23,120 --> 01:33:19,710

cases that you folks have investigated

2467

01:33:24,950 --> 01:33:23,130

in Pennsylvania and who investigates

2468

01:33:26,210 --> 01:33:24,960

them okay well you must have read my

2469

01:33:28,940 --> 01:33:26,220

mind because I was just gonna bring that

2470

01:33:31,130 --> 01:33:28,950

up as to what that we were just talking

2471

01:33:33,110 --> 01:33:31,140

about there a moment ago I was probably

2472

01:33:34,640 --> 01:33:33,120

one of the first investigators to really

2473

01:33:36,710 --> 01:33:34,650

get involved in the abduction cases in

2474

01:33:39,020 --> 01:33:36,720

the late 1960s a long before people

2475

01:33:41,270 --> 01:33:39,030

heard much about abduction cases and we

2476

01:33:43,790 --> 01:33:41,280

and I can say in recent years I've had

2477

01:33:45,890 --> 01:33:43,800

next to nothing being called in on

2478

01:33:50,030 --> 01:33:45,900

abduction reports very few in this area

2479

01:33:51,890 --> 01:33:50,040

but back in the 70s 80s 90s we are

2480

01:33:53,390 --> 01:33:51,900

getting quite a lot of reports like that

2481

01:33:55,280 --> 01:33:53,400

from across the state of Pennsylvania

2482

01:33:58,070 --> 01:33:55,290

and we looked into a number of cases and

2483

01:34:00,230 --> 01:33:58,080

let me tell you you can spend weeks days

2484

01:34:02,480 --> 01:34:00,240

months just on one case I mean it's just

2485

01:34:03,560 --> 01:34:02,490

you know it's incredible what you can

2486

01:34:06,020 --> 01:34:03,570

get involved in some of these type of

2487

01:34:07,430 --> 01:34:06,030

reports and your limit of what you can

2488

01:34:09,770 --> 01:34:07,440

do but you're trying to best you can and

2489

01:34:12,170 --> 01:34:09,780

I agree on a percent in many cases

2490

01:34:15,020 --> 01:34:12,180

especially important cases of close

2491

01:34:17,180 --> 01:34:15,030

encounters with creatures or UFO cases

2492

01:34:18,920 --> 01:34:17,190

we try to keep in touch with witnesses

2493

01:34:21,320 --> 01:34:18,930

you know for months and years after they

2494

01:34:23,210 --> 01:34:21,330

happened yeah so we look into a number

2495

01:34:25,040 --> 01:34:23,220

of abduction reports and one thing I

2496

01:34:28,010 --> 01:34:25,050

began to find back in the early days

2497

01:34:30,860 --> 01:34:28,020

when you really start looking to the

2498

01:34:32,360 --> 01:34:30,870

backgrounds of people and I think maybe

2499

01:34:34,100 --> 01:34:32,370

you fellas maybe I've heard about this a

2500

01:34:35,960 --> 01:34:34,110

little bit but I began to find and

2501

01:34:38,540 --> 01:34:35,970

unfortunately we just didn't have the

2502

01:34:40,760 --> 01:34:38,550

time or the funding they do a detailed

2503

01:34:42,680 --> 01:34:40,770

study of it it just got to the point cuz

2504

01:34:44,420 --> 01:34:42,690

we had so many reports came in I mean we

2505

01:34:46,850 --> 01:34:44,430

look at the thousands and thousands of

2506

01:34:47,760 --> 01:34:46,860

events over the years unnamed and this

2507

01:34:49,800 --> 01:34:47,770

was all

2508

01:34:51,540 --> 01:34:49,810

your spare time and you know you can

2509

01:34:53,400 --> 01:34:51,550

only do the best you could do but anyhow

2510

01:34:55,130 --> 01:34:53,410

going back I began to look into the

2511

01:34:58,080 --> 01:34:55,140

backgrounds of some of these people and

2512

01:34:59,220 --> 01:34:58,090

began to find that a lot of the people

2513

01:35:02,430 --> 01:34:59,230

who claimed without objection

2514

01:35:04,200 --> 01:35:02,440

experiences also had sometimes a

2515

01:35:06,330 --> 01:35:04,210

lifetime experience with other types of

2516

01:35:08,250 --> 01:35:06,340

phenomena hwadam began as very young

2517

01:35:10,590 --> 01:35:08,260

children having you know invisible

2518

01:35:12,930 --> 01:35:10,600

playmates seeing ghosts or some type of

2519

01:35:15,060 --> 01:35:12,940

apparitions and throughout their lives

2520

01:35:17,130 --> 01:35:15,070

some of these people would have UFO

2521

01:35:19,200 --> 01:35:17,140

encounters sometimes encounters with

2522

01:35:21,030 --> 01:35:19,210

strange creatures Bigfoot other

2523

01:35:23,160 --> 01:35:21,040

paranormal events in their home or other

2524

01:35:25,080 --> 01:35:23,170

people and their families I think there

2525

01:35:27,090 --> 01:35:25,090

was a lot more to that than we really

2526

01:35:29,910 --> 01:35:27,100

knew about and some of that will come

2527

01:35:32,730 --> 01:35:29,920

out in the next book but I think it was

2528

01:35:35,670 --> 01:35:32,740

very very fascinating again talk to some

2529

01:35:36,990 --> 01:35:35,680

people who had some very detailed what

2530

01:35:38,790 --> 01:35:37,000

they claimed would be their alleged

2531

01:35:41,520 --> 01:35:38,800

abduction experiences summer were very

2532

01:35:43,560 --> 01:35:41,530

detailed accounts but again I keep an

2533

01:35:46,170 --> 01:35:43,570

open mind I'm no expert on abduction

2534

01:35:49,470 --> 01:35:46,180

reports but I felt in some of the cases

2535

01:35:51,360 --> 01:35:49,480

these people were very concerned their

2536

01:35:53,610 --> 01:35:51,370

lives were very much affected by what

2537

01:35:56,010 --> 01:35:53,620

was happening other people and their

2538

01:35:58,650 --> 01:35:56,020

family sometimes were involved in some

2539

01:36:01,050 --> 01:35:58,660

of the events and they truly believed

2540

01:36:03,120 --> 01:36:01,060

that something was happening them that

2541

01:36:05,400 --> 01:36:03,130

was you know wasn't a normal activity

2542

01:36:07,440 --> 01:36:05,410

but what this was all about I still keep

2543

01:36:08,700 --> 01:36:07,450

an open mind in this aspect as well well

2544

01:36:10,260 --> 01:36:08,710

then one of the questions that come up

2545

01:36:13,620 --> 01:36:10,270

of course is how we investigate the

2546

01:36:15,690 --> 01:36:13,630

cases were these all or mostly instances

2547

01:36:17,760 --> 01:36:15,700

where people recall consciously what

2548

01:36:20,870 --> 01:36:17,770

happened or do we get into that murky

2549

01:36:23,340 --> 01:36:20,880

world of hypnotic regression again I'm

2550

01:36:24,540 --> 01:36:23,350

reflecting back in over many many years

2551

01:36:25,020 --> 01:36:24,550

I don't have all these cases right in

2552

01:36:28,290 --> 01:36:25,030

front of me

2553

01:36:29,820 --> 01:36:28,300

a lot of them as I recall lot of them

2554

01:36:30,780 --> 01:36:29,830

remember a lot of the information

2555

01:36:33,090 --> 01:36:30,790

consciously

2556

01:36:36,600 --> 01:36:33,100

but in some cases of there were some

2557

01:36:39,480 --> 01:36:36,610

aspects where there was hypnotherapy

2558

01:36:41,840 --> 01:36:39,490

involved back then we we had some pretty

2559

01:36:43,470 --> 01:36:41,850

good people in the medical field and the

2560

01:36:45,240 --> 01:36:43,480

psychologists and different people

2561

01:36:47,310 --> 01:36:45,250

involved who were pretty well trained to

2562

01:36:48,840 --> 01:36:47,320

deal with these types of things and so

2563

01:36:51,060 --> 01:36:48,850

we had some people were pretty good

2564

01:36:53,670 --> 01:36:51,070

knowing how to do that type of thing

2565

01:36:55,650 --> 01:36:53,680

without leading the witnesses and some

2566

01:36:57,030 --> 01:36:55,660

very detailed information you know

2567

01:36:59,150 --> 01:36:57,040

what's coming up in some of those events

2568

01:37:00,860 --> 01:36:59,160

interestingly we had

2569

01:37:02,810 --> 01:37:00,870

I think it was one case we had many

2570

01:37:05,420 --> 01:37:02,820

years ago with a businessman he was

2571

01:37:08,120 --> 01:37:05,430

actually driving from a particular town

2572

01:37:10,550 --> 01:37:08,130

he had to go out of town directly to get

2573

01:37:12,830 --> 01:37:10,560

up a specific part for a customer say he

2574

01:37:14,570 --> 01:37:12,840

knew exactly where he was going he had

2575

01:37:16,280 --> 01:37:14,580

quite a period of time missing and if I

2576

01:37:17,510 --> 01:37:16,290

recall that happened right on the

2577

01:37:19,010 --> 01:37:17,520

Pennsylvania Turnpike

2578

01:37:21,260 --> 01:37:19,020

yeah ghin I'm just going from memory

2579

01:37:23,090 --> 01:37:21,270

here but there was some really good

2580

01:37:25,250 --> 01:37:23,100

drawings done at the time by one of the

2581

01:37:27,830 --> 01:37:25,260

people in our group while he was under

2582

01:37:30,530 --> 01:37:27,840

hypnosis and he described in detail the

2583

01:37:32,870 --> 01:37:30,540

inside of the room to craft some symbols

2584

01:37:35,480 --> 01:37:32,880

the instrumentation on it but

2585

01:37:37,370 --> 01:37:35,490

interestingly it was drawn from his

2586

01:37:38,930 --> 01:37:37,380

perspective how he was lying down in

2587

01:37:40,640 --> 01:37:38,940

this table and everything was a

2588

01:37:42,920 --> 01:37:40,650

perspective it was very interesting

2589

01:37:45,170 --> 01:37:42,930

where you go from there I think part of

2590

01:37:47,780 --> 01:37:45,180

the problem has been that there's a lot

2591

01:37:50,390 --> 01:37:47,790

of people out there who wonder whether

2592

01:37:52,580 --> 01:37:50,400

when you undergo hypnotic regression

2593

01:37:53,930 --> 01:37:52,590

you're really remembering anything that

2594

01:37:55,850 --> 01:37:53,940

really happened or maybe you're

2595

01:37:58,040 --> 01:37:55,860

basically confabulating from a

2596

01:38:00,200 --> 01:37:58,050

science-fiction movie or unfortunately

2597

01:38:01,790 --> 01:38:00,210

the hypnotist is guiding you this has

2598

01:38:04,340 --> 01:38:01,800

become a natural controversy of these

2599

01:38:05,750 --> 01:38:04,350

days yes if you want to know more about

2600

01:38:06,620 --> 01:38:05,760

that subject just tuned in to the

2601

01:38:12,290 --> 01:38:06,630

podcast forum

2602

01:38:14,180 --> 01:38:12,300

oh and I'm about to put a stop to it

2603

01:38:16,580 --> 01:38:14,190

because the problem is here is they're

2604

01:38:20,300 --> 01:38:16,590

focusing on one case and I'd like to see

2605

01:38:23,360 --> 01:38:20,310

them look into ways to improve the

2606

01:38:24,830 --> 01:38:23,370

investigative methodology that's better

2607

01:38:25,880 --> 01:38:24,840

if somebody consciously reports

2608

01:38:28,310 --> 01:38:25,890

something and sees it

2609

01:38:30,980 --> 01:38:28,320

what about UFO photographs have you had

2610

01:38:32,420 --> 01:38:30,990

any really good ones you know I do see

2611

01:38:33,980 --> 01:38:32,430

photographs come in every once in a

2612

01:38:35,840 --> 01:38:33,990

while and a lot of them you know there's

2613

01:38:38,210 --> 01:38:35,850

a special deal with digital cameras

2614

01:38:39,980 --> 01:38:38,220

there's a lot of things what sonically

2615

01:38:43,460 --> 01:38:39,990

within the cameras that can produce a

2616

01:38:45,500 --> 01:38:43,470

lot of very strange images and you know

2617

01:38:46,700 --> 01:38:45,510

I think a lot of people contact me and

2618

01:38:48,290 --> 01:38:46,710

other researchers and they have some

2619

01:38:50,210 --> 01:38:48,300

very odd-looking things on film and

2620

01:38:51,800 --> 01:38:50,220

they're inter credible people in most

2621

01:38:54,470 --> 01:38:51,810

cases they didn't see anything at the

2622

01:38:56,570 --> 01:38:54,480

time the pictures were taken and but you

2623

01:38:57,800 --> 01:38:56,580

know it's very rare that I get really

2624

01:38:59,900 --> 01:38:57,810

good pictures now there isn't one

2625

01:39:02,120 --> 01:38:59,910

picture in the book that you may have

2626
01:39:04,460 --> 01:39:02,130
seen that was taken just a couple years

2627
01:39:06,980 --> 01:39:04,470
ago outside of Youngwood PA that was

2628
01:39:09,740 --> 01:39:06,990
kind of interesting and these people

2629
01:39:11,480 --> 01:39:09,750
with this one person in the vehicle had

2630
01:39:12,620 --> 01:39:11,490
just gotten a new cell phone just a few

2631
01:39:15,200 --> 01:39:12,630
days before with a nice

2632
01:39:16,129 --> 01:39:15,210
shop setting and was just happened to be

2633
01:39:17,689 --> 01:39:16,139
in the right place at the right time

2634
01:39:20,510 --> 01:39:17,699
when they got a photograph of this

2635
01:39:23,120 --> 01:39:20,520
object which was kind of a very large

2636
01:39:25,280 --> 01:39:23,130
luminous diamond shaped ivory with a

2637
01:39:28,570 --> 01:39:25,290
hump on the top and the bottom it was

2638
01:39:30,770 --> 01:39:28,580

moving out the world area very low and

2639

01:39:32,780 --> 01:39:30,780

they watch this thing and they finally

2640

01:39:35,209 --> 01:39:32,790

got a clear spot where they wasn't

2641

01:39:37,189 --> 01:39:35,219

blocked by houses took one photograph of

2642

01:39:38,750 --> 01:39:37,199

it which did come out and interestingly

2643

01:39:40,729 --> 01:39:38,760

which I'm sure you've probably heard in

2644

01:39:43,430 --> 01:39:40,739

so many cases as well here's this large

2645

01:39:45,470 --> 01:39:43,440

object is there then all of a sudden it

2646

01:39:48,110 --> 01:39:45,480

just disappears it's not there anymore

2647

01:39:50,120 --> 01:39:48,120

and the one witness said basically say

2648

01:39:51,500 --> 01:39:50,130

it was there then it wasn't there you

2649

01:39:53,810 --> 01:39:51,510

know quite often we hear these stories

2650

01:39:55,959 --> 01:39:53,820

of what appear V sometimes large solid

2651
01:39:58,370 --> 01:39:55,969
objects of various type of objects that

2652
01:39:59,959 --> 01:39:58,380
they appear and then suddenly just

2653
01:40:01,459 --> 01:39:59,969
vanish they're gone they don't take off

2654
01:40:03,410 --> 01:40:01,469
a high rate of speed they just disappear

2655
01:40:05,390 --> 01:40:03,420
right in front of witnesses eyes yeah

2656
01:40:06,950 --> 01:40:05,400
the object that you're referring to I'm

2657
01:40:08,120 --> 01:40:06,960
looking at right now in the book it's

2658
01:40:13,129 --> 01:40:08,130
someone taking your young word

2659
01:40:14,600 --> 01:40:13,139
Pennsylvania to my semi trained eye it

2660
01:40:17,750 --> 01:40:14,610
definitely looks like a real a real

2661
01:40:20,959 --> 01:40:17,760
picture there looks like a a plasma

2662
01:40:22,370 --> 01:40:20,969
sheath or cloud around the object which

2663
01:40:26,810 --> 01:40:22,380

is one of the first things I look for

2664

01:40:29,740 --> 01:40:26,820

very few billy meier sort of George

2665

01:40:33,229 --> 01:40:29,750

Adamski metal craft photographs of

2666

01:40:35,180 --> 01:40:33,239

objects I feel or real I think most of

2667

01:40:38,330 --> 01:40:35,190

those are faked do you look for that

2668

01:40:40,189 --> 01:40:38,340

plasma in fact the ionization of the air

2669

01:40:42,890 --> 01:40:40,199

around the object to me is a real

2670

01:40:44,930 --> 01:40:42,900

indicator of the of the you know a

2671

01:40:47,090 --> 01:40:44,940

legitimate UFO photographing this one

2672

01:40:49,070 --> 01:40:47,100

definitely looks looks real well the

2673

01:40:51,080 --> 01:40:49,080

people involved I mean I interviewed

2674

01:40:52,970 --> 01:40:51,090

them they were very credible people I

2675

01:40:54,620 --> 01:40:52,980

have a guy that I work with for years

2676

01:40:56,090 --> 01:40:54,630

it's a very good researcher and he

2677

01:40:58,430 --> 01:40:56,100

doesn't leave able to do some pretty

2678

01:40:59,990 --> 01:40:58,440

good work with photo analysis and he

2679

01:41:02,090 --> 01:41:00,000

took a look at this picture too and he

2680

01:41:04,459 --> 01:41:02,100

came away and he really couldn't find

2681

01:41:06,110 --> 01:41:04,469

any explanation for it as I recall yeah

2682

01:41:08,090 --> 01:41:06,120

I'm starting to get a little tired of

2683

01:41:10,640 --> 01:41:08,100

all these orb photographs that people

2684

01:41:13,340 --> 01:41:10,650

are presenting me all breathlessly

2685

01:41:16,310 --> 01:41:13,350

saying I was surrounded by angels or I

2686

01:41:16,890 --> 01:41:16,320

was surrounded by by aliens look and

2687

01:41:18,510 --> 01:41:16,900

look at all these

2688

01:41:20,250 --> 01:41:18,520

orbs it's like how come we didn't see

2689

01:41:22,530 --> 01:41:20,260

all these orb photographs prior to the

2690

01:41:24,209 --> 01:41:22,540

digital age you know what you know what

2691

01:41:26,280 --> 01:41:24,219

part of that do people not understand

2692

01:41:27,899 --> 01:41:26,290

how come we didn't see him prior to the

2693

01:41:32,110 --> 01:41:27,909

time they were actually photographed and

2694

01:41:32,120 --> 01:41:38,720

[Music]

2695

01:41:44,670 --> 01:41:42,150

for 58 years fate has provided true

2696

01:41:47,070 --> 01:41:44,680

reports of the strange and unknown fate

2697

01:41:48,930 --> 01:41:47,080

brings you the latest in all aspects of

2698

01:41:52,470 --> 01:41:48,940

the paranormal like angels and miracles

2708
01:42:37,730 --> 01:42:36,690
we have Stan Gordon he's written a new

2709
01:42:39,680 --> 01:42:37,740
book called really mysterious

2710
01:42:42,230 --> 01:42:39,690
Pennsylvania which is a case book one

2711
01:42:44,630 --> 01:42:42,240
which means there will be sequels and we

2712
01:42:46,910 --> 01:42:44,640
have co-host christopher o'brien in our

2713
01:42:49,760 --> 01:42:46,920

final section let's kind of put it all

2714

01:42:52,430 --> 01:42:49,770

together again so Stan are we looking at

2715

01:42:54,740 --> 01:42:52,440

et sending down strange creatures are we

2716

01:42:56,780 --> 01:42:54,750

looking at the fourth dimension or what

2717

01:42:59,510 --> 01:42:56,790

well I'll tell you my honest opinion is

2718

01:43:01,130 --> 01:42:59,520

I don't have the answer after so many

2719

01:43:03,440 --> 01:43:01,140

years of investigating literally

2720

01:43:06,200 --> 01:43:03,450

thousands of cases having been able to

2721

01:43:08,570 --> 01:43:06,210

you know eliminate a lot of things as

2722

01:43:10,520 --> 01:43:08,580

IFOS I mean I get a lot of reports a lot

2723

01:43:12,350 --> 01:43:10,530

of things on the service fee and very

2724

01:43:14,750 --> 01:43:12,360

strange and unusual but as we all know

2725

01:43:16,070 --> 01:43:14,760

when you properly investigate and most

2726

01:43:18,080 --> 01:43:16,080

turned out to be a master or man-made

2727

01:43:20,390 --> 01:43:18,090

origin but they're always that

2728

01:43:22,640 --> 01:43:20,400

particular percentage of cases each year

2729

01:43:24,080 --> 01:43:22,650

you cannot easily dismiss my feeling has

2730

01:43:26,960 --> 01:43:24,090

been for a number of years is that

2731

01:43:28,490 --> 01:43:26,970

there's no one easy explanation for the

2732

01:43:33,500 --> 01:43:28,500

unknown category of what we're dealing

2733

01:43:36,860 --> 01:43:33,510

with here is that you absolutely agree

2734

01:43:38,720 --> 01:43:36,870

I'm in some ways I'm quite a bit more

2735

01:43:41,030 --> 01:43:38,730

confused now than I was when I started

2736

01:43:42,890 --> 01:43:41,040

this so 20 years of yeah so exactly

2737

01:43:44,540 --> 01:43:42,900

because I could say over the years you

2738

01:43:46,160 --> 01:43:44,550

know as things we're developing in some

2739

01:43:48,170 --> 01:43:46,170

cases over the years and we finally were

2740

01:43:49,760 --> 01:43:48,180

getting some patterns to it then all of

2741

01:43:53,090 --> 01:43:49,770

a sudden another case shows up it

2742

01:43:55,250 --> 01:43:53,100

completely blows away that theory as I

2743

01:43:57,350 --> 01:43:55,260

said the more we know the more confusing

2744

01:43:59,510 --> 01:43:57,360

it is I there's no clear explanation I I

2745

01:44:02,060 --> 01:43:59,520

think that you cannot eliminate the

2746

01:44:04,880 --> 01:44:02,070

possibility that a Lisa percentage could

2747

01:44:07,220 --> 01:44:04,890

be extraterrestrial visitors but again

2748

01:44:09,590 --> 01:44:07,230

you know got these cases where you have

2749

01:44:10,940 --> 01:44:09,600

a solid physical craft that suddenly

2750

01:44:13,310 --> 01:44:10,950

appear in front of people will suddenly

2751

01:44:15,380 --> 01:44:13,320

disappear they change form they go

2752

01:44:18,080 --> 01:44:15,390

physically form into different types of

2753

01:44:19,610 --> 01:44:18,090

craft and then I think some of the some

2754

01:44:20,780 --> 01:44:19,620

of the cases are really fascinating me

2755

01:44:23,960 --> 01:44:20,790

is a couple of them in this book by the

2756

01:44:25,820 --> 01:44:23,970

way are these small spherical objects

2757

01:44:27,950 --> 01:44:25,830

that people see at very close range

2758

01:44:29,510 --> 01:44:27,960

they're anywhere from a few inches to a

2759

01:44:30,350 --> 01:44:29,520

foot in diameter and these are

2760

01:44:31,880 --> 01:44:30,360

fascinating

2761

01:44:34,160 --> 01:44:31,890

we started getting news reports back in

2762

01:44:35,870 --> 01:44:34,170

the 60s and you know even some of the

2763

01:44:37,910 --> 01:44:35,880

abductees have talked about these small

2764

01:44:39,740 --> 01:44:37,920

spheres of light to the occasional see

2765

01:44:42,590 --> 01:44:39,750

in their homes but I've had other case

2766

01:44:44,510 --> 01:44:42,600

of these small spheres I had a case

2767

01:44:45,770 --> 01:44:44,520

where people had to wind us down on the

2768

01:44:47,030 --> 01:44:45,780

cloud and these little spheres were

2769

01:44:49,310 --> 01:44:47,040

inside

2770

01:44:50,930 --> 01:44:49,320

floating around in the car one case for

2771

01:44:52,700 --> 01:44:50,940

many many years ago I believe in

2772

01:44:55,850 --> 01:44:52,710

Punxsutawney up to the home of

2773

01:44:59,300 --> 01:44:55,860

Punxsutawney Phil and Thompson's honey

2774

01:45:00,940 --> 01:44:59,310

Phil is an alien creature not so sure

2775

01:45:03,320 --> 01:45:00,950

about that

2776

01:45:06,140 --> 01:45:03,330

but anyhow there was a case where a

2777

01:45:09,230 --> 01:45:06,150

woman had a spherical objects moth

2778

01:45:10,460 --> 01:45:09,240

flying into her kitchen through a window

2779

01:45:12,530 --> 01:45:10,470

was floating around

2780

01:45:15,080 --> 01:45:12,540

she took a broom to it for smacking with

2781

01:45:18,110 --> 01:45:15,090

a broom and she said it broke into two

2782

01:45:19,430 --> 01:45:18,120

separate identical spheres they floated

2783

01:45:22,340 --> 01:45:19,440

around the room went back out the window

2784

01:45:26,360 --> 01:45:22,350

and went away I love it she attacked it

2785

01:45:28,070 --> 01:45:26,370

with a broom yeah we've had him on golf

2786

01:45:30,830 --> 01:45:28,080

courses years ago we had one and

2787

01:45:32,300 --> 01:45:30,840

Pittsburgh were a small sphere was right

2788

01:45:34,160 --> 01:45:32,310

above the golfers they don't swing into

2789

01:45:35,450 --> 01:45:34,170

golf clubs at it and every time this one

2790

01:45:37,670 --> 01:45:35,460

got it would move up a little bit and

2791

01:45:38,900 --> 01:45:37,680

finally took off but a couple of them

2792

01:45:41,420 --> 01:45:38,910

here in the book I mean there's some

2793

01:45:43,340 --> 01:45:41,430

really interesting ones here where man

2794

01:45:45,230 --> 01:45:43,350

and his sister were sitting in their

2795

01:45:47,660 --> 01:45:45,240

home and they heard these taps on the

2796

01:45:49,100 --> 01:45:47,670

window and the look to see coming across

2797

01:45:50,720 --> 01:45:49,110

the front winter which is only a few

2798

01:45:53,270 --> 01:45:50,730

feet away four they were sitting it's

2799

01:45:55,460 --> 01:45:53,280

just red sphere that's us floating right

2800

01:45:57,620 --> 01:45:55,470

across the window it hit their window he

2801
01:45:59,810 --> 01:45:57,630
opens up the door to think flies up over

2802
01:46:01,340 --> 01:45:59,820
his neighbor's roof comes back in a few

2803
01:46:04,280 --> 01:46:01,350
seconds comes back to the window again

2804
01:46:06,950 --> 01:46:04,290
and you know it was not aluminous was a

2805
01:46:08,720 --> 01:46:06,960
bright red color and had two long thin

2806
01:46:09,320 --> 01:46:08,730
beams of light coming out of it go

2807
01:46:11,270 --> 01:46:09,330
figure

2808
01:46:13,010 --> 01:46:11,280
there's so many strange things we don't

2809
01:46:14,420 --> 01:46:13,020
have the answers for out there but I've

2810
01:46:16,490 --> 01:46:14,430
noticed some patterning in these fear

2811
01:46:18,950 --> 01:46:16,500
reports the ones that are about baseball

2812
01:46:21,050 --> 01:46:18,960
sized tend to be real bright laser ruby

2813
01:46:23,360 --> 01:46:21,060

red and anything smaller than that at

2814

01:46:26,120 --> 01:46:23,370

least in my experience in my case logs

2815

01:46:28,400 --> 01:46:26,130

tend to be like like Tinkerbell in the

2816

01:46:30,140 --> 01:46:28,410

Disney movies it's the larger ones that

2817

01:46:32,990 --> 01:46:30,150

are like beach ball size that tend to go

2818

01:46:35,960 --> 01:46:33,000

Orange and then you go up to the real

2819

01:46:38,150 --> 01:46:35,970

big green glowing huge green green

2820

01:46:40,400 --> 01:46:38,160

glowing objects that are have been

2821

01:46:42,410 --> 01:46:40,410

reported since the late 40s and 50s in

2822

01:46:44,240 --> 01:46:42,420

the southwest so there is a little bit

2823

01:46:46,640 --> 01:46:44,250

of patterning to size in color that I've

2824

01:46:48,110 --> 01:46:46,650

noticed yeah well again there was a

2825

01:46:51,340 --> 01:46:48,120

couple other ones mentioned in the book

2826

01:46:54,860 --> 01:46:51,350

here and there was a one incident that

2827

01:46:57,620 --> 01:46:54,870

happened several years ago it was in a

2828

01:46:59,370 --> 01:46:57,630

shopping center here in North Huntington

2829

01:47:02,070 --> 01:46:59,380

Township there

2830

01:47:03,960 --> 01:47:02,080

several people out there who would the

2831

01:47:07,230 --> 01:47:03,970

mall the shopping center had just closed

2832

01:47:08,550 --> 01:47:07,240

down this small these people were

2833

01:47:11,430 --> 01:47:08,560

talking out there and one of the people

2834

01:47:13,350 --> 01:47:11,440

happen to yell so look at that here was

2835

01:47:15,510 --> 01:47:13,360

a small sphere I mean this was only as

2836

01:47:17,340 --> 01:47:15,520

big as about a I think a tennis ball if

2837

01:47:19,620 --> 01:47:17,350

I remember and it was kind of like

2838

01:47:22,020 --> 01:47:19,630

bubble but much more solid in appearance

2839

01:47:23,400 --> 01:47:22,030

and it was only about I think about six

2840

01:47:25,200 --> 01:47:23,410

feet off the ground as I recall about

2841

01:47:26,550 --> 01:47:25,210

ten feet away the one guy said he said I

2842

01:47:29,250 --> 01:47:26,560

could have stuck my hand to grab this

2843

01:47:31,920 --> 01:47:29,260

thing but it was moving steadily across

2844

01:47:33,660 --> 01:47:31,930

right across from them going down to the

2845

01:47:36,120 --> 01:47:33,670

road down towards the other part of the

2846

01:47:38,610 --> 01:47:36,130

shopping area starting to zigzag Amanda

2847

01:47:40,170 --> 01:47:38,620

took off but it was very very close

2848

01:47:41,820 --> 01:47:40,180

appear to be a solid and he said

2849

01:47:44,790 --> 01:47:41,830

whatever it was it appear to be some

2850

01:47:47,730 --> 01:47:44,800

type of a probe yep or Tinkerbell okay

2851
01:47:50,670 --> 01:47:47,740
so Taylor Behl and Peter Pan are present

2852
01:47:52,410 --> 01:47:50,680
in Pennsylvania fixed areas and they're

2853
01:47:54,750 --> 01:47:52,420
here for a movie I don't know how far

2854
01:47:56,910 --> 01:47:54,760
back can you go with this stuff Stan we

2855
01:47:58,560 --> 01:47:56,920
look at current stuff we mentioned

2856
01:48:00,240 --> 01:47:58,570
Thunderbirds going back pretty far what

2857
01:48:02,400 --> 01:48:00,250
about the rest of it well I like I said

2858
01:48:04,590 --> 01:48:02,410
the earliest first thing I reckon I have

2859
01:48:07,080 --> 01:48:04,600
a lot of a Bigfoot goes back to 1931 I

2860
01:48:09,990 --> 01:48:07,090
mean there are legends and ice believe

2861
01:48:11,780 --> 01:48:10,000
in some early 1900 references to

2862
01:48:14,580 --> 01:48:11,790
Thunderbirds in Pennsylvania

2863
01:48:17,070 --> 01:48:14,590

UFOs go back of course you know they're

2864

01:48:18,570 --> 01:48:17,080

very very far back so I mean there's a

2865

01:48:20,040 --> 01:48:18,580

lot of historical stuff that's going

2866

01:48:22,890 --> 01:48:20,050

back for many many years people seeing

2867

01:48:25,950 --> 01:48:22,900

these things but my records actually a

2868

01:48:27,660 --> 01:48:25,960

most up-to-date from huh I'd say

2869

01:48:29,850 --> 01:48:27,670

actually my records go back to the 1890s

2870

01:48:32,010 --> 01:48:29,860

in Pennsylvania up that are present but

2871

01:48:34,920 --> 01:48:32,020

a lot of the most the largest amount of

2872

01:48:36,420 --> 01:48:34,930

activity would be late 60s up to the

2873

01:48:39,150 --> 01:48:36,430

present time because I got out in the

2874

01:48:40,800 --> 01:48:39,160

field after the incident Kecksburg 1965

2875

01:48:42,870 --> 01:48:40,810

when I began to investigate out in the

2876

01:48:44,850 --> 01:48:42,880

field so while my records are pretty

2877

01:48:46,680 --> 01:48:44,860

updated from that point on why my

2878

01:48:50,040 --> 01:48:46,690

earliest one is 1777

2879

01:48:52,890 --> 01:48:50,050

believe it or not which I did goes way

2880

01:48:54,960 --> 01:48:52,900

back I do Antonioni has mentioned that

2881

01:48:57,810 --> 01:48:54,970

there were some from the late 1600s in

2882

01:48:59,520 --> 01:48:57,820

new england but but a lot of people

2883

01:49:00,930 --> 01:48:59,530

don't know who Antonio is and he's going

2884

01:49:02,880 --> 01:49:00,940

to be on a future episode

2885

01:49:05,130 --> 01:49:02,890

so maybe explain who he is and what he

2886

01:49:07,380 --> 01:49:05,140

does Antonio Banderas is one of the top

2887

01:49:11,210 --> 01:49:07,390

experts I think in the world on the

2888

01:49:14,390 --> 01:49:11,220

historical UFO reports that go back

2889

01:49:17,780 --> 01:49:14,400

you know is as far back as the dark ages

2890

01:49:19,970 --> 01:49:17,790

and and even back into into the classic

2891

01:49:22,460 --> 01:49:19,980

Greek period for instance he's recently

2892

01:49:25,460 --> 01:49:22,470

uncovered some amazing what sound like

2893

01:49:28,310 --> 01:49:25,470

abduction reports that are pre you know

2894

01:49:30,410 --> 01:49:28,320

Cortez in the Maya Lance very

2895

01:49:31,550 --> 01:49:30,420

interesting guy extremely knowledgeable

2896

01:49:34,540 --> 01:49:31,560

he was the international head of

2897

01:49:37,310 --> 01:49:34,550

Investigations for MUFON for many years

2898

01:49:39,740 --> 01:49:37,320

he was a co-author with Don Berliner for

2899

01:49:41,450 --> 01:49:39,750

the best available evidence report that

2900

01:49:45,080 --> 01:49:41,460

was funded by by Lawrence Rockefeller

2901
01:49:48,320 --> 01:49:45,090
and the bgw foundation that there was a

2902
01:49:50,000 --> 01:49:48,330
highly touted back in the mid 90s he's

2903
01:49:51,680 --> 01:49:50,010
been one of those you know like Stan

2904
01:49:53,150 --> 01:49:51,690
just one of those quiet guys it doesn't

2905
01:49:55,130 --> 01:49:53,160
promote himself it doesn't doesn't

2906
01:49:56,690 --> 01:49:55,140
create this cult of personality was

2907
01:49:59,120 --> 01:49:56,700
extremely on the ball extremely

2908
01:50:00,680 --> 01:49:59,130
knowledgeable you know he's slaying so

2909
01:50:02,360 --> 01:50:00,690
he really has his finger like Scott

2910
01:50:04,550 --> 01:50:02,370
Corrales for instance says his finger on

2911
01:50:06,770 --> 01:50:04,560
the pulse of Latin American reports and

2912
01:50:09,530 --> 01:50:06,780
I can't wait to to get him on the show

2913
01:50:11,360 --> 01:50:09,540

he doesn't do many radio shows and it's

2914

01:50:14,090 --> 01:50:11,370

like this show here with Stan it's gonna

2915

01:50:15,830 --> 01:50:14,100

be absolutely fascinating yes Antonio is

2916

01:50:17,510 --> 01:50:15,840

someone I've known for a number of years

2917

01:50:19,280 --> 01:50:17,520

and they will have him and Scott on the

2918

01:50:21,500 --> 01:50:19,290

show with you Chris and we could

2919

01:50:24,920 --> 01:50:21,510

reminisce about UFOs and other

2920

01:50:27,710 --> 01:50:24,930

paranormal cases so anyway as we wind

2921

01:50:29,630 --> 01:50:27,720

this down Stan Gordon what do we do to

2922

01:50:32,960 --> 01:50:29,640

improve investigations get better

2923

01:50:34,760 --> 01:50:32,970

information and maybe to get a handle of

2924

01:50:36,290 --> 01:50:34,770

what's really going on where do we go

2925

01:50:38,000 --> 01:50:36,300

from here well I think you know

2926

01:50:39,860 --> 01:50:38,010

researchers have to start in their

2927

01:50:42,470 --> 01:50:39,870

localized areas they've got to do

2928

01:50:43,910 --> 01:50:42,480

they've got to get to that that first

2929

01:50:45,710 --> 01:50:43,920

level they've got to get to where the

2930

01:50:47,750 --> 01:50:45,720

reports may be coming into it's not to

2931

01:50:50,450 --> 01:50:47,760

them they need to make contact with a

2932

01:50:53,240 --> 01:50:50,460

local police local news media resources

2933

01:50:55,520 --> 01:50:53,250

that if they get the report these people

2934

01:50:57,260 --> 01:50:55,530

need to come across no there's that

2935

01:50:59,030 --> 01:50:57,270

they're serious about this to make the

2936

01:51:00,020 --> 01:50:59,040

contact so they will get the information

2937

01:51:02,570 --> 01:51:00,030

that's the first thing getting in the

2938

01:51:04,520 --> 01:51:02,580

reports and then you've got to be able

2939

01:51:06,350 --> 01:51:04,530

to handle the reports you need to have

2940

01:51:08,480 --> 01:51:06,360

the qualified people who are adding

2941

01:51:10,460 --> 01:51:08,490

interview people and that have the

2942

01:51:12,200 --> 01:51:10,470

capabilities to properly analyze what's

2943

01:51:12,950 --> 01:51:12,210

being reported and you got to start them

2944

01:51:15,740 --> 01:51:12,960

young and they have

2945

01:51:18,380 --> 01:51:15,750

be local or regional what I found in the

2946

01:51:20,090 --> 01:51:18,390

San Luis Valley is outside investigators

2947

01:51:22,790 --> 01:51:20,100

would come in to to investigate cases

2948

01:51:25,670 --> 01:51:22,800

and wouldn't get very far because you

2949

01:51:27,530 --> 01:51:25,680

know people in oftentimes in rural areas

2950

01:51:29,330 --> 01:51:27,540

where these these events tend to occur

2951

01:51:30,830 --> 01:51:29,340

oftentimes they're very suspicious of

2952

01:51:31,940 --> 01:51:30,840

people coming from the outside but if

2953

01:51:34,790 --> 01:51:31,950

you live there and you have a local

2954

01:51:37,190 --> 01:51:34,800

phone number or you know they know that

2955

01:51:39,920 --> 01:51:37,200

you're from the area there they're way

2956

01:51:42,440 --> 01:51:39,930

more apt to open up and confide in you

2957

01:51:44,780 --> 01:51:42,450

and obviously it's the whole anonymity

2958

01:51:47,420 --> 01:51:44,790

factor if you'll violate confidences or

2959

01:51:49,400 --> 01:51:47,430

violate anonymity you'll just sync

2960

01:51:51,229 --> 01:51:49,410

yourself you only got one or two chances

2961

01:51:53,420 --> 01:51:51,239

at that and that's one thing I pride

2962

01:51:56,110 --> 01:51:53,430

myself on is I honor all requests for

2963

01:51:59,030 --> 01:51:56,120

anonymity yes now in terms of getting

2964

01:52:01,729 --> 01:51:59,040

official them to accept what's going on

2965

01:52:03,979 --> 01:52:01,739

is there a disclosure here that we could

2966

01:52:06,320 --> 01:52:03,989

strive for or probably officialdom

2967

01:52:08,870 --> 01:52:06,330

doesn't care or doesn't know what the

2968

01:52:10,820 --> 01:52:08,880

answer is well you know we looked at all

2969

01:52:12,290 --> 01:52:10,830

these different different events and

2970

01:52:13,729 --> 01:52:12,300

things have happened even recent years

2971

01:52:14,840 --> 01:52:13,739

to try to get disclosure and of course

2972

01:52:16,820 --> 01:52:14,850

we're all hopeful that what happens

2973

01:52:18,410 --> 01:52:16,830

someday but over the many many years

2974

01:52:20,450 --> 01:52:18,420

I've been doing this now I mean I've

2975

01:52:22,010 --> 01:52:20,460

become somewhat the scourge over that

2976

01:52:24,650 --> 01:52:22,020

but I'm hopeful that something would

2977

01:52:27,700 --> 01:52:24,660

happen because even back in boy it's

2978

01:52:30,320 --> 01:52:27,710

really going back well I say 1975-76

2979

01:52:32,840 --> 01:52:30,330

there was indication that there was some

2980

01:52:34,370 --> 01:52:32,850

talk that things were being handled on a

2981

01:52:36,290 --> 01:52:34,380

certain level to begin to release the

2982

01:52:38,060 --> 01:52:36,300

information to the public and things

2983

01:52:41,350 --> 01:52:38,070

look pretty good for a while and then as

2984

01:52:44,330 --> 01:52:41,360

usual when these stories start to

2985

01:52:46,880 --> 01:52:44,340

there's nothing right as nothing ever

2986

01:52:47,990 --> 01:52:46,890

comes through and I'm just not so

2987

01:52:50,240 --> 01:52:48,000

convinced that that's gonna happen

2988

01:52:53,709 --> 01:52:50,250

anytime soon you know you become

2989

01:52:56,000 --> 01:52:53,719

discouraged I become cynical and jaded I

2990

01:52:57,590 --> 01:52:56,010

just had to throw that in there I don't

2991

01:53:00,860 --> 01:52:57,600

know I think that the disclosure folk

2992

01:53:03,920 --> 01:53:00,870

are gonna be waiting for quite a while

2993

01:53:07,400 --> 01:53:03,930

before our tax dollars has anything

2994

01:53:10,400 --> 01:53:07,410

official to say about the level of their

2995

01:53:12,590 --> 01:53:10,410

awareness knowledge and and and about

2996

01:53:14,900 --> 01:53:12,600

all this stuff is just it's just I don't

2997

01:53:16,340 --> 01:53:14,910

see it anytime soon probably not in our

2998

01:53:18,260 --> 01:53:16,350

lifetimes let's put it that way

2999

01:53:19,640 --> 01:53:18,270

so we're destined to chase but it will

3000

01:53:21,110 --> 01:53:19,650

be forever elusive

3001
01:53:22,140 --> 01:53:21,120
I think somebody's going to have to mess

3002
01:53:25,200 --> 01:53:22,150
up at

3003
01:53:27,660 --> 01:53:25,210
at some level and and we'll have some

3004
01:53:30,380 --> 01:53:27,670
sort of or some sort of deep throat type

3005
01:53:34,230 --> 01:53:30,390
character that comes out and is able to

3006
01:53:36,120 --> 01:53:34,240
supply irrefutable documents and data

3007
01:53:37,470 --> 01:53:36,130
not like the mj-12 documents but

3008
01:53:41,370 --> 01:53:37,480
something that can really truly be

3009
01:53:42,900 --> 01:53:41,380
become confirmed there are such

3010
01:53:46,350 --> 01:53:42,910
documents to be found

3011
01:53:47,880 --> 01:53:46,360
yeah I'm sure I'm sure you know the

3012
01:53:51,390 --> 01:53:47,890
federal government has has a real

3013
01:53:52,890 --> 01:53:51,400

obsession for for documentation I'm sure

3014

01:53:55,020 --> 01:53:52,900

a lot of these documents have been

3015

01:53:57,150 --> 01:53:55,030

destroyed but there's I'm sure that

3016

01:53:58,950 --> 01:53:57,160

there's something something still you

3017

01:54:02,340 --> 01:53:58,960

know maybe in that big huge document

3018

01:54:03,600 --> 01:54:02,350

repository that's in Atchison Kansas and

3019

01:54:05,850 --> 01:54:03,610

the old limestone mines there's a

3020

01:54:08,130 --> 01:54:05,860

million square feet of file cabinets

3021

01:54:09,810 --> 01:54:08,140

basically there I'm sure there are

3022

01:54:12,120 --> 01:54:09,820

documents but it's gonna take somebody

3023

01:54:14,520 --> 01:54:12,130

on the inside higher and higher up on

3024

01:54:16,410 --> 01:54:14,530

the inside to feel compelled to to come

3025

01:54:17,880 --> 01:54:16,420

out and spill the beans on this so right

3026

01:54:20,730 --> 01:54:17,890

now it's not sitting there in warehouse

3027

01:54:23,520 --> 01:54:20,740

13 you know we could be warehouse 14 for

3028

01:54:26,940 --> 01:54:23,530

all we know I kind of think of the scene

3029

01:54:29,010 --> 01:54:26,950

in the original energy Lost Ark you know

3030

01:54:32,930 --> 01:54:29,020

where they have the Ark of the Covenant

3031

01:54:35,640 --> 01:54:32,940

and it goes into this dusty old basement

3032

01:54:37,830 --> 01:54:35,650

beneath the Smithsonian or somewhere and

3033

01:54:40,590 --> 01:54:37,840

everybody forgets about it nobody cares

3034

01:54:42,990 --> 01:54:40,600

and you wonder if they didn't get

3035

01:54:45,510 --> 01:54:43,000

information even back in the 30s 40s 50s

3036

01:54:47,160 --> 01:54:45,520

whatever and it's just being kept hidden

3037

01:54:49,800 --> 01:54:47,170

somewhere because nobody knows what to

3038

01:54:52,350 --> 01:54:49,810

do with it they can't say hey we got

3039

01:54:52,920 --> 01:54:52,360

this stuff but we haven't a clue yeah

3040

01:54:54,900 --> 01:54:52,930

exactly

3041

01:54:57,510 --> 01:54:54,910

it's the opening scene in the the latest

3042

01:54:59,250 --> 01:54:57,520

because it's Crystal Skull Indiana Jones

3043

01:55:01,980 --> 01:54:59,260

movie - I think is in one of those

3044

01:55:03,840 --> 01:55:01,990

types of warehouses allegedly so I I

3045

01:55:05,850 --> 01:55:03,850

don't know I I don't I'm not holding my

3046

01:55:07,350 --> 01:55:05,860

breath because I turned many shades of

3047

01:55:09,690 --> 01:55:07,360

purple and my head would explode before

3048

01:55:13,650 --> 01:55:09,700

we're gonna get you know the exo

3049

01:55:15,510 --> 01:55:13,660

politics lusted after disclosure I think

3050

01:55:17,280 --> 01:55:15,520

I think what we're seeing is other

3051

01:55:19,380 --> 01:55:17,290

countries are disclosing to try to take

3052

01:55:20,850 --> 01:55:19,390

the heat off the US government and I

3053

01:55:22,740 --> 01:55:20,860

think everybody else will disclose

3054

01:55:25,890 --> 01:55:22,750

before the government even begins to

3055

01:55:27,570 --> 01:55:25,900

entertain that yes it's closing it's

3056

01:55:29,910 --> 01:55:27,580

nothing earth-shattering it's just more

3057

01:55:31,740 --> 01:55:29,920

places with the same as - Lee exactly

3058

01:55:33,390 --> 01:55:31,750

but it's keeping the heat off the US

3059

01:55:35,040 --> 01:55:33,400

government cuz everybody gets

3060

01:55:36,570 --> 01:55:35,050

you know it's these are red hair and

3061

01:55:39,780 --> 01:55:36,580

disclosure product the projects where

3062

01:55:41,940 --> 01:55:39,790

you know the you KMOD order you know and

3063

01:55:43,140 --> 01:55:41,950

how they'll expose some document so say

3064

01:55:44,610 --> 01:55:43,150

we're not going to investigate UFOs

3065

01:55:45,990 --> 01:55:44,620

anymore and that'll be a big news story

3066

01:55:48,630 --> 01:55:46,000

and everybody will be thinking about

3067

01:55:50,130 --> 01:55:48,640

that and not dog in the US government it

3068

01:55:53,640 --> 01:55:50,140

has to either be a public groundswell

3069

01:55:56,520 --> 01:55:53,650

that makes it politically expedient for

3070

01:55:59,190 --> 01:55:56,530

disclosure to happen which is not going

3071

01:56:02,340 --> 01:55:59,200

to happen anytime soon or a public

3072

01:56:04,410 --> 01:56:02,350

groundswell to improve space exploration

3073

01:56:06,030 --> 01:56:04,420

this is one of the things a really sore

3074

01:56:08,190 --> 01:56:06,040

point with me that we're looking at the

3075

01:56:13,950 --> 01:56:08,200

fact that we land on the moon in 1969

3076

01:56:16,200 --> 01:56:13,960

early 70s and we have these programs and

3077

01:56:18,660 --> 01:56:16,210

we're using the same technology from the

3078

01:56:21,540 --> 01:56:18,670

v2 rocket to get us up there this big

3079

01:56:22,890 --> 01:56:21,550

firecracker gets us up there and we're

3080

01:56:25,170 --> 01:56:22,900

not looking for anything else

3081

01:56:28,290 --> 01:56:25,180

we're just coasting we're just doing

3082

01:56:30,920 --> 01:56:28,300

enough to stop the political criticism

3083

01:56:35,280 --> 01:56:30,930

there's nothing that drive us into space

3084

01:56:38,280 --> 01:56:35,290

2001 will happen in 20 201 what was in

3085

01:56:40,050 --> 01:56:38,290

2001 in terms of space travel the way

3086

01:56:41,610 --> 01:56:40,060

things are going now well we have the

3087

01:56:43,440 --> 01:56:41,620

space core that's already out there Gary

3088

01:56:47,400 --> 01:56:43,450

McKinnon claims that he was able to

3089

01:56:50,430 --> 01:56:47,410

stumble on a list of off-planet you know

3090

01:56:52,410 --> 01:56:50,440

the Air Force personnel or whatever and

3091

01:56:55,470 --> 01:56:52,420

and then of course we have our hollow

3092

01:56:57,420 --> 01:56:55,480

Phobos too I mean we probably have you

3093

01:56:59,610 --> 01:56:57,430

know the ultimate you know Cold War

3094

01:57:01,650 --> 01:56:59,620

bunker is probably spinning around Mars

3095

01:57:03,540 --> 01:57:01,660

right Richard Hoagland well if we bring

3096

01:57:05,250 --> 01:57:03,550

Richard Hoagland on here will join to

3097

01:57:06,330 --> 01:57:05,260

have to ask him those serious questions

3098

01:57:08,280 --> 01:57:06,340

but I want to know about Richard

3099

01:57:10,590 --> 01:57:08,290

Hoagland educational background which

3100

01:57:13,650 --> 01:57:10,600

isn't mentioned in his Wikipedia entry

3101
01:57:14,910 --> 01:57:13,660
Stan we're not ignoring you okay but I'd

3102
01:57:17,040 --> 01:57:14,920
like you to spend a couple of minutes

3103
01:57:19,020 --> 01:57:17,050
telling us about the book and where you

3104
01:57:21,660 --> 01:57:19,030
go in your investigation from here well

3105
01:57:24,150 --> 01:57:21,670
of course I get reports you know quite

3106
01:57:26,520 --> 01:57:24,160
commonly from phone calls here from the

3107
01:57:27,810 --> 01:57:26,530
emails and I course I'm working at the

3108
01:57:30,150 --> 01:57:27,820
independent research and I don't still

3109
01:57:31,530 --> 01:57:30,160
work full-time so try to catch up and

3110
01:57:33,840 --> 01:57:31,540
try to keep up with the current cases

3111
01:57:36,600 --> 01:57:33,850
and try to get on as many as I can on

3112
01:57:37,830 --> 01:57:36,610
current reports I have the second book

3113
01:57:40,500 --> 01:57:37,840

hopefully coming out in the next few

3114

01:57:43,110 --> 01:57:40,510

months it's called solid invasion the

3115

01:57:45,479 --> 01:57:43,120

Pennsylvania UFO Bigfoot case book which

3116

01:57:46,560 --> 01:57:45,489

is going to focus on the 73 events but

3117

01:57:48,270 --> 01:57:46,570

people can get across

3118

01:57:50,730 --> 01:57:48,280

it's newly-released a really mysterious

3119

01:57:52,980 --> 01:57:50,740

Pennsylvania be GLaDOS anime er

3120

01:57:55,410 --> 01:57:52,990

personalized autograph copy they can

3121

01:57:58,320 --> 01:57:55,420

look at my website ordered at Stan

3122

01:58:01,260 --> 01:57:58,330

Gordon dot info or they can call seven

3123

01:58:03,870 --> 01:58:01,270

two four eight three eight seven seven

3124

01:58:06,120 --> 01:58:03,880

six eight and we can also order directly

3125

01:58:07,830 --> 01:58:06,130

by phone as well why'd you give that

3126

01:58:09,120 --> 01:58:07,840

number again but now I understand a lot

3127

01:58:12,410 --> 01:58:09,130

of people are going to call you and just

3128

01:58:15,510 --> 01:58:12,420

you know one phone sex or something I

3129

01:58:17,550 --> 01:58:15,520

get a lot of calls about UFOs and other

3130

01:58:19,410 --> 01:58:17,560

strange phenomena quite off on this

3131

01:58:22,260 --> 01:58:19,420

number at seven two four eight three

3132

01:58:23,880 --> 01:58:22,270

eight seven seven six eight what about

3133

01:58:25,770 --> 01:58:23,890

an email address or would you rather not

3134

01:58:27,540 --> 01:58:25,780

receive the spam oh no I

3135

01:58:29,010 --> 01:58:27,550

if people would email me I get a lot of

3136

01:58:32,970 --> 01:58:29,020

reports by email we can get through my

3137

01:58:35,690 --> 01:58:32,980

website it's PA UFO at Comcast but net

3138

01:58:38,130 --> 01:58:35,700

well now Comcast is gonna be slammed

3139

01:58:40,470 --> 01:58:38,140

Chris uh Brian where you have coming up

3140

01:58:42,300 --> 01:58:40,480

for us to check out well of course I've

3141

01:58:45,270 --> 01:58:42,310

got my new book that's out stocking the

3142

01:58:47,460 --> 01:58:45,280

tricksters which is what's behind

3143

01:58:50,280 --> 01:58:47,470

metrics they're moist and of course I do

3144

01:58:53,310 --> 01:58:50,290

have a website our strange planet calm

3145

01:58:57,150 --> 01:58:53,320

or oh you are strange planet calm and

3146

01:58:59,400 --> 01:58:57,160

I'm working hard on getting a you know

3147

01:59:01,290 --> 01:58:59,410

24/7 surveillance net of high-res video

3148

01:59:02,940 --> 01:59:01,300

cameras in the San Luis Valley where

3149

01:59:06,930 --> 01:59:02,950

we're making strides to make that a

3150

01:59:09,120 --> 01:59:06,940

reality that is been a project that I

3151

01:59:11,070 --> 01:59:09,130

hadn't you know as a vision for quite a

3152

01:59:12,240 --> 01:59:11,080

number of years and we're finally seeing

3153

01:59:14,130 --> 01:59:12,250

light at the end of the tunnel for this

3154

01:59:16,050 --> 01:59:14,140

project and it's real exciting

3155

01:59:19,290 --> 01:59:16,060

thank you very much Stan Gordon author

3156

01:59:21,450 --> 01:59:19,300

of really mysterious Pennsylvania the

3157

01:59:23,430 --> 01:59:21,460

first of a number of case books we

3158

01:59:25,500 --> 01:59:23,440

expect and of course Chris O'Brien

3159

01:59:27,180 --> 01:59:25,510

thanks for joining us this week on the

3160

01:59:29,160 --> 01:59:27,190

power cast thanks for having me I

3161

01:59:31,140 --> 01:59:29,170

appreciate it was a great show yeah

3162

01:59:33,210 --> 01:59:31,150

great great having you on Stan and

3163

01:59:34,350 --> 01:59:33,220

you're real you're unsung hero and a

3164

01:59:36,030 --> 01:59:34,360

real trooper and you've been a real

3165

01:59:37,860 --> 01:59:36,040

inspiration for myself and many other

3166

01:59:49,640 --> 01:59:37,870

field investigators out to keep up the

3167

01:59:54,800 --> 01:59:52,890

two minutes we formed an adventure in
