

05/09/10

NICK REDFERN
and
JIM MOSELEY

1
00:00:35,690 --> 00:00:33,620
this episode of the podcast is brought

2
00:00:38,090 --> 00:00:35,700
to you by audible.com the internet's

3
00:00:40,880 --> 00:00:38,100
leading provider of audiobooks with more

4
00:00:42,770 --> 00:00:40,890
than 75,000 downloadable titles across

5
00:00:45,650 --> 00:00:42,780
all types of literature including

6
00:00:47,660 --> 00:00:45,660
fiction nonfiction and periodicals for

7
00:00:51,770 --> 00:00:47,670
free audio book of your choice go to

8
00:00:55,220 --> 00:00:51,780
audible podcast.com slash para cast

9
00:00:58,099 --> 00:00:55,230
that's audible podcast.com slash power

10
00:01:01,490 --> 00:00:58,109
cast and now on with the show we have

11
00:01:05,479 --> 00:01:01,500
another co-host we're adding them in

12
00:01:07,100 --> 00:01:05,489
droves and this fellow is a superstar

13
00:01:08,450 --> 00:01:07,110

he's Nicholas Redfern

14

00:01:10,130 --> 00:01:08,460

he's written lots of books on the

15

00:01:11,810 --> 00:01:10,140

paranormal he's been a lecturer you've

16

00:01:12,740 --> 00:01:11,820

heard him on many radio shows not just

17

00:01:14,780 --> 00:01:12,750

the para cast

18

00:01:17,960 --> 00:01:14,790

he's been there and he knows an awful

19

00:01:19,990 --> 00:01:17,970

lot Nikolias congratulations now well

20

00:01:22,070 --> 00:01:20,000

thanks Janine I appreciate the offer and

21

00:01:24,830 --> 00:01:22,080

you know looking forward to being on the

22

00:01:28,370 --> 00:01:24,840

show and get some good conversations and

23

00:01:31,969 --> 00:01:28,380

discussions going now what attracted you

24

00:01:34,310 --> 00:01:31,979

at first to explore the contact deep and

25

00:01:35,630 --> 00:01:34,320

this frames the preamble for the

26

00:01:36,020 --> 00:01:35,640

discussion which we'll get to in a

27

00:01:38,600 --> 00:01:36,030

moment

28

00:01:41,210 --> 00:01:38,610

well personally I've always had an

29

00:01:44,030 --> 00:01:41,220

interest in the contactee movements when

30

00:01:46,190 --> 00:01:44,040

I was a kid and first got into UFOs some

31

00:01:49,160 --> 00:01:46,200

of the the earliest UFO books I read

32

00:01:51,200 --> 00:01:49,170

were people like Van Tassel Adamski

33

00:01:52,520 --> 00:01:51,210

Daniel Frye those sorts of people and I

34

00:01:54,770 --> 00:01:52,530

think you know when you're when you're a

35

00:01:56,539 --> 00:01:54,780

kid sort of early teens or you know even

36

00:01:58,100 --> 00:01:56,549

before your team's everything is kind of

37

00:01:59,959 --> 00:01:58,110

a little bit black and white you know I

38

00:02:01,730 --> 00:01:59,969

sort of read these stories as well you

39

00:02:03,080 --> 00:02:01,740

know these people have really met aliens

40

00:02:04,819 --> 00:02:03,090

and then of course as you get a bit

41

00:02:06,260 --> 00:02:04,829

older you begin to think hang on you

42

00:02:08,900 --> 00:02:06,270

know there's a few problems with these

43

00:02:11,600 --> 00:02:08,910

stories and for a few years I discarded

44

00:02:13,680 --> 00:02:11,610

them but then later on I began to

45

00:02:15,990 --> 00:02:13,690

realize that what I in my view

46

00:02:17,910 --> 00:02:16,000

one of the problems with a lot of people

47

00:02:19,550 --> 00:02:17,920

reviewing the contactee movement and the

48

00:02:22,140 --> 00:02:19,560

people in a very black-and-white

49

00:02:22,860 --> 00:02:22,150

scenario in the sense that these people

50

00:02:25,560 --> 00:02:22,870

either met

51
00:02:27,600 --> 00:02:25,570
aliens from Venus or they're lying that

52
00:02:29,580 --> 00:02:27,610
there was no sort of middle ground but

53
00:02:31,200 --> 00:02:29,590
the more I dug into it and this is one

54
00:02:33,510 --> 00:02:31,210
of the sort of areas I'd dig into in the

55
00:02:36,030 --> 00:02:33,520
book as well is the idea that maybe

56
00:02:38,460 --> 00:02:36,040
there are other theories to explain the

57
00:02:41,010 --> 00:02:38,470
contactee movement and I've had a whole

58
00:02:42,660 --> 00:02:41,020
range of potential theories and ideas

59
00:02:45,110 --> 00:02:42,670
that might explain some of these

60
00:02:48,120 --> 00:02:45,120
experiences beyond the literal

61
00:02:50,370 --> 00:02:48,130
explanations and I also found that

62
00:02:51,990 --> 00:02:50,380
speaking of conferences a lot of people

63
00:02:54,720 --> 00:02:52,000

who are new to the subject say the last

64

00:02:56,910 --> 00:02:54,730

10 15 years really didn't know a great

65

00:02:58,620 --> 00:02:56,920

deal about the contactees they just

66

00:03:01,320 --> 00:02:58,630

thought you know oh they were this bunch

67

00:03:03,270 --> 00:03:01,330

of old guys from 50 years ago who hoaxed

68

00:03:05,580 --> 00:03:03,280

a bunch of stories about meeting aliens

69

00:03:07,140 --> 00:03:05,590

in the desert and so I thought well you

70

00:03:08,910 --> 00:03:07,150

know got all this new material that

71

00:03:10,830 --> 00:03:08,920

suggests these other ideas and theories

72

00:03:12,990 --> 00:03:10,840

such as Freedom of Information files

73

00:03:15,270 --> 00:03:13,000

from the FBI hundreds and hundreds of

74

00:03:17,040 --> 00:03:15,280

pages on the contactees why not

75

00:03:19,440 --> 00:03:17,050

couple that with the fact that's you

76

00:03:21,750 --> 00:03:19,450

know the the audience is today sort of

77

00:03:23,820 --> 00:03:21,760

not really up to par and up to speed on

78

00:03:25,800 --> 00:03:23,830

what went on back in those days with the

79

00:03:27,600 --> 00:03:25,810

contactees and sort of presented for a

80

00:03:29,600 --> 00:03:27,610

whole new audience you know not just

81

00:03:32,250 --> 00:03:29,610

going over old ground but trying to

82

00:03:34,440 --> 00:03:32,260

understand and rationalize actually what

83

00:03:37,050 --> 00:03:34,450

went on now over the years it looked

84

00:03:39,540 --> 00:03:37,060

like on the surface there's lots below

85

00:03:42,540 --> 00:03:39,550

the surface at the contactee movement

86

00:03:44,340 --> 00:03:42,550

morphed into the abduction scenario yeah

87

00:03:46,620 --> 00:03:44,350

this is one of the interesting things I

88

00:03:48,420 --> 00:03:46,630

find about the UFO subject how it seems

89

00:03:50,610 --> 00:03:48,430

to be forever changing and staying

90

00:03:53,160 --> 00:03:50,620

literally like one or two steps ahead of

91

00:03:55,320 --> 00:03:53,170

us for example although there are people

92

00:03:56,940 --> 00:03:55,330

today who you know might be in their 60s

93

00:03:58,949 --> 00:03:56,950

and 70s and said they had abduction

94

00:04:01,410 --> 00:03:58,959

experiences when they were children

95

00:04:03,720 --> 00:04:01,420

which would have predated you know that

96

00:04:05,759 --> 00:04:03,730

the contactee movement in terms of what

97

00:04:07,650 --> 00:04:05,769

was actually published at the time we're

98

00:04:10,170 --> 00:04:07,660

talking so late forties through the six

99

00:04:12,270 --> 00:04:10,180

early 60s pretty much up until the time

100

00:04:14,460 --> 00:04:12,280

of the Betty and Barney Hill case there

101
00:04:17,370 --> 00:04:14,470
really wasn't too much spoken about

102
00:04:20,580 --> 00:04:17,380
classic abductions with today's Gray's

103
00:04:22,140 --> 00:04:20,590
it is almost the case though it seems to

104
00:04:24,210 --> 00:04:22,150
be the case that you know the contact

105
00:04:25,320 --> 00:04:24,220
here in Kansas began late forties

106
00:04:26,969 --> 00:04:25,330
onwards

107
00:04:29,369 --> 00:04:26,979
then suddenly something happened

108
00:04:32,610 --> 00:04:29,379
roundabout 1960 61-62

109
00:04:33,929 --> 00:04:32,620
where they weren't replaced shall we say

110
00:04:35,939 --> 00:04:33,939
by the graves but they were certainly

111
00:04:38,730 --> 00:04:35,949
eclipsed by these stories that began to

112
00:04:40,649 --> 00:04:38,740
surface and which dominated ufology in

113
00:04:42,540 --> 00:04:40,659

the 70s and the 8 and the space brothers

114

00:04:45,179 --> 00:04:42,550

and contactees were seen as more like a

115

00:04:48,270 --> 00:04:45,189

whimsical bygone thing you know from

116

00:04:49,709 --> 00:04:48,280

several decades earlier so it is kind of

117

00:04:51,149 --> 00:04:49,719

intriguing and there all sorts of

118

00:04:54,629 --> 00:04:51,159

theories you know we can get into as to

119

00:04:56,790 --> 00:04:54,639

how and why the whole contactee movement

120

00:04:59,070 --> 00:04:56,800

if you like once they went out of date

121

00:05:00,719 --> 00:04:59,080

that was just eclipsed massively well

122

00:05:02,969 --> 00:05:00,729

looking at the abduction scenario I

123

00:05:04,890 --> 00:05:02,979

think one difference key difference

124

00:05:07,800 --> 00:05:04,900

between the old contactees is that

125

00:05:09,360 --> 00:05:07,810

George Adamski or a Truman Beth from any

126

00:05:11,450 --> 00:05:09,370

one of these people they meet someone

127

00:05:14,159 --> 00:05:11,460

physically remember I met this person

128

00:05:16,200 --> 00:05:14,169

he's from Mars he's from Venus whatever

129

00:05:18,300 --> 00:05:16,210

but the abduction scenario is kind of

130

00:05:20,519 --> 00:05:18,310

muddy because sometimes they do remember

131

00:05:23,129 --> 00:05:20,529

things sometimes there's a missing time

132

00:05:26,249 --> 00:05:23,139

and sometimes they have to recall this

133

00:05:29,070 --> 00:05:26,259

under hypnosis and as you know there's a

134

00:05:31,350 --> 00:05:29,080

big ground swirl of controversy over the

135

00:05:32,790 --> 00:05:31,360

use of hypnosis for investigating

136

00:05:35,040 --> 00:05:32,800

abductions you're aware of course of the

137

00:05:36,689 --> 00:05:35,050

case involving Emma Woods a woman from

138

00:05:40,260 --> 00:05:36,699

New Zealand who was subjected to

139

00:05:42,059 --> 00:05:40,270

telephone based hypnosis by dr. David

140

00:05:44,129 --> 00:05:42,069

Jacobs who lives in the Philadelphia

141

00:05:45,629 --> 00:05:44,139

area now the question of course that

142

00:05:48,240 --> 00:05:45,639

we've been debating on the power cast

143

00:05:51,119 --> 00:05:48,250

forms in a recent roundtable on the show

144

00:05:53,670 --> 00:05:51,129

is whether the hypnotic regression has

145

00:05:55,170 --> 00:05:53,680

any value in determining what really

146

00:05:57,839 --> 00:05:55,180

happened to anyone what's your feeling

147

00:05:59,269 --> 00:05:57,849

about this my view is that what are the

148

00:06:02,969 --> 00:05:59,279

important things to remember with

149

00:06:05,249 --> 00:06:02,979

hypnotic regression is that the mind is

150

00:06:07,469 --> 00:06:05,259

rendered into to a degree an altered

151
00:06:08,610 --> 00:06:07,479
state when anybody's mind is put into an

152
00:06:11,820 --> 00:06:08,620
altered state whether it's through

153
00:06:14,939 --> 00:06:11,830
hypnosis drugs whatever you're not in

154
00:06:17,040 --> 00:06:14,949
your regular state of mind obviously now

155
00:06:18,779 --> 00:06:17,050
in saying that I don't want people to

156
00:06:21,450 --> 00:06:18,789
think that I'm a skeptic of the idea

157
00:06:24,420 --> 00:06:21,460
that abductions are occurring I think in

158
00:06:26,670 --> 00:06:24,430
some form there is a genuine alien

159
00:06:29,040 --> 00:06:26,680
abduction phenomenon now whether it

160
00:06:30,959 --> 00:06:29,050
actually involves literal flesh and

161
00:06:33,180 --> 00:06:30,969
blood physical aliens you know

162
00:06:36,060 --> 00:06:33,190
kidnapping people for their DNA egg

163
00:06:38,970 --> 00:06:36,070

sperm etc in the conventional scenario

164

00:06:40,380 --> 00:06:38,980

that we all know and understand or you

165

00:06:42,390 --> 00:06:40,390

know could it be like a Monday

166

00:06:44,490 --> 00:06:42,400

incarnation of something like incubi and

167

00:06:45,510 --> 00:06:44,500

succubi encounters which i think you

168

00:06:47,850 --> 00:06:45,520

know there are a lot of interesting

169

00:06:50,880 --> 00:06:47,860

parallels there in other words the

170

00:06:53,190 --> 00:06:50,890

important thing to remember is that when

171

00:06:56,100 --> 00:06:53,200

you're dealing with hypnosis it may well

172

00:06:58,500 --> 00:06:56,110

bring out memories but on the other hand

173

00:07:01,650 --> 00:06:58,510

if those memories are being brought out

174

00:07:03,420 --> 00:07:01,660

and discussed when the witness it's

175

00:07:05,610 --> 00:07:03,430

they're sent themselves in an altered

176

00:07:07,050 --> 00:07:05,620

state of mind in the first place you

177

00:07:09,870 --> 00:07:07,060

know it's kind of along the lines of

178

00:07:11,460 --> 00:07:09,880

well how accurate is the information now

179

00:07:13,440 --> 00:07:11,470

again I wouldn't want people to think

180

00:07:16,350 --> 00:07:13,450

that I believe these people are lying I

181

00:07:20,520 --> 00:07:16,360

don't but it's you know it is incredibly

182

00:07:24,330 --> 00:07:20,530

difficult to rationalize how you can

183

00:07:27,540 --> 00:07:24,340

take testimony at literal face value

184

00:07:29,790 --> 00:07:27,550

when the person is relating it under

185

00:07:33,270 --> 00:07:29,800

hypnosis not you know sitting opposite

186

00:07:35,310 --> 00:07:33,280

us in a totally open and normal frame of

187

00:07:36,960 --> 00:07:35,320

mind I think that's one of the important

188

00:07:39,840 --> 00:07:36,970

things regardless of how accurate

189

00:07:41,670 --> 00:07:39,850

hypnosis may or may not be the fact is

190

00:07:43,680 --> 00:07:41,680

that the person needs in an altered

191

00:07:45,930 --> 00:07:43,690

state well then that raises the bigger

192

00:07:48,750 --> 00:07:45,940

question here should we even be using

193

00:07:50,190 --> 00:07:48,760

hypnosis to unearth information about

194

00:07:52,380 --> 00:07:50,200

abductions because the person's an

195

00:07:54,360 --> 00:07:52,390

altered state they're suggestible they

196

00:07:57,720 --> 00:07:54,370

could receive even if they're

197

00:07:59,610 --> 00:07:57,730

unconscious clues from the hypnotist to

198

00:08:02,310 --> 00:07:59,620

orient their storage to what the

199

00:08:03,930 --> 00:08:02,320

hypnotist expects how do we know I mean

200

00:08:05,850 --> 00:08:03,940

these are all good points I mean I'll

201
00:08:09,960 --> 00:08:05,860
give you a classic example I once I sat

202
00:08:12,840 --> 00:08:09,970
in on three abduction interviews this is

203
00:08:15,920 --> 00:08:12,850
probably going back probably 2000 to

204
00:08:18,450 --> 00:08:15,930
2003 and this actually was in a hypnotic

205
00:08:21,270 --> 00:08:18,460
situation I was actually here in Dallas

206
00:08:23,580 --> 00:08:21,280
Texas where I live and my personal I

207
00:08:25,110 --> 00:08:23,590
won't name was doing some research and

208
00:08:27,750 --> 00:08:25,120
actually a gun training course in

209
00:08:31,200 --> 00:08:27,760
hypnosis they had three women in the

210
00:08:33,120 --> 00:08:31,210
room who claimed abduction experiences I

211
00:08:36,000 --> 00:08:33,130
think it was the second woman the

212
00:08:37,950 --> 00:08:36,010
interviewer the hypnotist if you like or

213
00:08:41,279 --> 00:08:37,960

the woman under and the first question

214

00:08:44,159 --> 00:08:41,289

was can you tell me what the aliens look

215

00:08:46,860 --> 00:08:44,169

like words to that effect now you know

216

00:08:47,650 --> 00:08:46,870

by bringing up the very notion that this

217

00:08:49,840 --> 00:08:47,660

was an alien

218

00:08:52,840 --> 00:08:49,850

cancer and involved aliens that is

219

00:08:55,210 --> 00:08:52,850

massively leading the witness now I

220

00:08:56,769 --> 00:08:55,220

don't say that the the person doing the

221

00:08:59,290 --> 00:08:56,779

interview did it deliberately I don't

222

00:09:01,480 --> 00:08:59,300

think he did but this is one of the

223

00:09:04,319 --> 00:09:01,490

things that people who aren't trained

224

00:09:07,179 --> 00:09:04,329

properly in hypnosis

225

00:09:09,790 --> 00:09:07,189

tragically forget and massively forget

226

00:09:11,710 --> 00:09:09,800

is the issue of leading the witness you

227

00:09:13,600 --> 00:09:11,720

know what color with their eyes or who's

228

00:09:16,629 --> 00:09:13,610

to say their dies you know what I think

229

00:09:20,759 --> 00:09:16,639

is we would say I guess Nick said what

230

00:09:23,769 --> 00:09:20,769

did you see look like to you yeah

231

00:09:25,629 --> 00:09:23,779

actions that were very basic and let

232

00:09:27,519 --> 00:09:25,639

them fill in the details as soon as you

233

00:09:28,929 --> 00:09:27,529

fill in the details they're just going

234

00:09:31,179 --> 00:09:28,939

to go with a story well that's the

235

00:09:32,889 --> 00:09:31,189

unfortunate thing is that so many people

236

00:09:35,650 --> 00:09:32,899

I think they're good intentioned but

237

00:09:38,110 --> 00:09:35,660

they get very excited about wow you know

238

00:09:40,689 --> 00:09:38,120

here's a great new abduction story let's

239

00:09:42,519 --> 00:09:40,699

see what the person has to say and more

240

00:09:44,889 --> 00:09:42,529

importantly if they've been deeply

241

00:09:46,960 --> 00:09:44,899

involved in you know dozens of previous

242

00:09:49,179 --> 00:09:46,970

abduction stories to them it's just

243

00:09:51,400 --> 00:09:49,189

another abduction case to add to the

244

00:09:54,340 --> 00:09:51,410

list and so I think there is this

245

00:09:57,129 --> 00:09:54,350

unconscious tendency subconscious

246

00:10:00,340 --> 00:09:57,139

tendency if you like to to unconsciously

247

00:10:01,030 --> 00:10:00,350

fill in the gaps for the for the

248

00:10:02,769 --> 00:10:01,040

interviewee

249

00:10:05,769 --> 00:10:02,779

I mean I've seen this happen several

250

00:10:06,910 --> 00:10:05,779

times you know for example in the same

251
00:10:09,519 --> 00:10:06,920
particular interview I can remember

252
00:10:12,519 --> 00:10:09,529
another question related to how the

253
00:10:14,889 --> 00:10:12,529
woman was taken from her bedroom to

254
00:10:17,079 --> 00:10:14,899
where the abduction occurred and the

255
00:10:20,139 --> 00:10:17,089
interviewer said how were you taken to

256
00:10:22,059 --> 00:10:20,149
the craft or to the UFO well again that

257
00:10:23,679 --> 00:10:22,069
instills in the mind of the person being

258
00:10:25,900 --> 00:10:23,689
hypnotized that they would take an on

259
00:10:27,579 --> 00:10:25,910
board a UFO or a craft you know the

260
00:10:31,150 --> 00:10:27,589
person should have asked the question

261
00:10:34,030 --> 00:10:31,160
can you describe to me the nature of

262
00:10:36,400 --> 00:10:34,040
where the experience occurred and leave

263
00:10:38,740 --> 00:10:36,410

out all references to UFOs and craft and

264

00:10:41,079 --> 00:10:38,750

but so many don't do that and they don't

265

00:10:42,999 --> 00:10:41,089

see a problem in either unfortunately if

266

00:10:45,309 --> 00:10:43,009

something we're going to explore more in

267

00:10:47,829 --> 00:10:45,319

a few moments especially also the

268

00:10:51,670 --> 00:10:47,839

history of the original contactees and

269

00:10:54,249 --> 00:10:51,680

we'll be joined by someone who knew many

270

00:10:56,710 --> 00:10:54,259

of the contactees he actually met them

271

00:10:59,049 --> 00:10:56,720

and talked to them and has some

272

00:11:01,210 --> 00:10:59,059

interesting memories to present Nick

273

00:11:03,880 --> 00:11:01,220

Redfern joins us as Co

274

00:11:10,030 --> 00:11:03,890

we'll be meeting Jim Mosely on the other

275

00:11:12,040 --> 00:11:10,040

side of the para caste hi this is Tamar

276

00:11:13,840 --> 00:11:12,050

from Nietzsche were domain name and web

277

00:11:16,150 --> 00:11:13,850

hosting company and we really care about

278

00:11:18,640 --> 00:11:16,160

our customers with domain name purchases

279

00:11:20,440 --> 00:11:18,650

Namecheap offers free SSL and free who

280

00:11:22,360 --> 00:11:20,450

is scarred for a year to protect your

281

00:11:24,100 --> 00:11:22,370

identity from spammers we won't bother

282

00:11:25,870 --> 00:11:24,110

you with unwanted messaging in your

283

00:11:27,670 --> 00:11:25,880

inbox or upon checkout but most

284

00:11:29,620 --> 00:11:27,680

importantly we care about you our

285

00:11:31,810 --> 00:11:29,630

customers your satisfaction and

286

00:11:33,640 --> 00:11:31,820

Happiness is our primary focus because

287

00:11:35,560 --> 00:11:33,650

your support means so much to us if

288

00:11:38,050 --> 00:11:35,570

you'd like to learn more please visit us

289

00:11:40,330 --> 00:11:38,060

at radio name chief comm for web hosting

290

00:11:41,590 --> 00:11:40,340

and domain name specials you can also

291

00:11:47,200 --> 00:11:41,600

follow us on twitter at

292

00:11:49,300 --> 00:11:47,210

twitter.com/zeromd VARs on Facebook at

293

00:11:51,990 --> 00:11:49,310

facebook.com slash Namecheap see you

294

00:11:56,440 --> 00:11:54,910

we want to hear from you if you have a

295

00:11:59,950 --> 00:11:56,450

comment or question about the podcast

296

00:12:03,460 --> 00:11:59,960

send it to news at the podcast comm

297

00:12:05,350 --> 00:12:03,470

that's news at the pear cast calm and

298

00:12:07,060 --> 00:12:05,360

don't forget to visit our forums where

299

00:12:09,610 --> 00:12:07,070

you can talk to fellow listeners just go

300

00:12:12,100 --> 00:12:09,620

to the pear cast calm and click on the

301
00:12:20,040 --> 00:12:12,110
forum links that's the forum links at

302
00:12:25,120 --> 00:12:22,870
as you know the power cast is brought to

303
00:12:27,340 --> 00:12:25,130
you by audible.com the internet's

304
00:12:30,160 --> 00:12:27,350
leading provider of audiobooks with more

305
00:12:32,260 --> 00:12:30,170
than 75,000 downloadable titles across

306
00:12:34,330 --> 00:12:32,270
all types of literature and featuring

307
00:12:36,370 --> 00:12:34,340
audio versions of many new york times

308
00:12:38,590 --> 00:12:36,380
bestsellers for listeners of the power

309
00:12:40,750 --> 00:12:38,600
castes audio is offering a free

310
00:12:42,940 --> 00:12:40,760
audiobook to give you a chance to try

311
00:12:45,160 --> 00:12:42,950
out their service one book to consider

312
00:12:48,040 --> 00:12:45,170
for example is above top secret the

313
00:12:49,810 --> 00:12:48,050

worldwide UFO cover-up by Timothy good

314

00:12:52,120 --> 00:12:49,820

Timothy good as you know has been a

315

00:12:54,190 --> 00:12:52,130

guest on the power cast for this book or

316

00:13:06,790 --> 00:12:54,200

another free audio book of your choice

317

00:13:08,650 --> 00:13:06,800

go to audiblepodcast.com/tekzilla Jane

318

00:13:10,840 --> 00:13:08,660

and I'm with the Coalition for freedom

319

00:13:15,250 --> 00:13:10,850

of information and you are listening to

320

00:13:17,410 --> 00:13:15,260

the podcast Nick Redfern we're joined by

321

00:13:20,680 --> 00:13:17,420

Jim Mosley we're talking about Nick's

322

00:13:23,680 --> 00:13:20,690

book contactees a history of alien human

323

00:13:26,410 --> 00:13:23,690

interaction and it's published by new

324

00:13:28,450 --> 00:13:26,420

page so you can get a copy or you'll see

325

00:13:30,460 --> 00:13:28,460

a link at the power cast site if you

326

00:13:33,100 --> 00:13:30,470

click on that site by the way and click

327

00:13:34,840 --> 00:13:33,110

on that link it takes you to Amazon so

328

00:13:37,240 --> 00:13:34,850

we get two or three cents per copy that

329

00:13:38,980 --> 00:13:37,250

you buy that's all it's worth believe me

330

00:13:42,730 --> 00:13:38,990

Amazon is a lot cheaper and they used to

331

00:13:45,730 --> 00:13:42,740

be Jim now you started real early in the

332

00:13:48,850 --> 00:13:45,740

UFO field who was the first UFO

333

00:13:51,010 --> 00:13:48,860

contactee you met well I was just

334

00:13:55,440 --> 00:13:51,020

thinking about all I was waiting to

335

00:13:59,080 --> 00:13:55,450

start the program I first went out to

336

00:14:02,190 --> 00:13:59,090

Southern California in 1953 and that was

337

00:14:04,360 --> 00:14:02,200

part of a trip around the country I made

338

00:14:07,150 --> 00:14:04,370

interviewing people that had been

339

00:14:10,180 --> 00:14:07,160

mentioned in the early saucer books as

340

00:14:13,330 --> 00:14:10,190

having seen something and interviewing

341

00:14:15,160 --> 00:14:13,340

scientists and other people that might

342

00:14:18,160 --> 00:14:15,170

have something important to say on the

343

00:14:20,140 --> 00:14:18,170

subject but they answer your question as

344

00:14:23,230 --> 00:14:20,150

far as I can remember I don't think I

345

00:14:25,990 --> 00:14:23,240

met any of the contactees on that first

346

00:14:28,440 --> 00:14:26,000

trip except George Adamski and I made a

347

00:14:32,490 --> 00:14:28,450

point of going to interview them

348

00:14:35,250 --> 00:14:32,500

I met the rest of the contactees a few

349

00:14:38,190 --> 00:14:35,260

years later as I started going out to

350

00:14:41,400 --> 00:14:38,200

some of the conventions I'm jealous

351
00:14:43,980 --> 00:14:41,410
giant Virata clever run by George Byrne

352
00:14:46,199 --> 00:14:43,990
castle and so that's how I finally met

353
00:14:49,139 --> 00:14:46,209
them I never got to know any of them

354
00:14:51,660 --> 00:14:49,149
very well but justice everyone else but

355
00:14:55,350 --> 00:14:51,670
me that knew them at all seems to have

356
00:14:59,280 --> 00:14:55,360
passed on out of this mortal coil I have

357
00:15:01,860 --> 00:14:59,290
now by dint of having survived this long

358
00:15:04,620 --> 00:15:01,870
because I'm an expert on the contract

359
00:15:07,710 --> 00:15:04,630
keys so that answers your question Jim

360
00:15:10,019 --> 00:15:07,720
now at the time in the early days of the

361
00:15:12,420 --> 00:15:10,029
UFO field we all felt the contactees

362
00:15:14,610 --> 00:15:12,430
were just cooks there were crazies

363
00:15:15,990 --> 00:15:14,620

what was your personal reaction when

364

00:15:19,530 --> 00:15:16,000

meeting some of these people and talking

365

00:15:23,490 --> 00:15:19,540

to them well how can I put it I never

366

00:15:26,910 --> 00:15:23,500

thought they were crazy I did think they

367

00:15:30,470 --> 00:15:26,920

were making it up in all probability and

368

00:15:34,620 --> 00:15:30,480

I still do I think Nick in his book

369

00:15:37,079 --> 00:15:34,630

states correctly that some of them or

370

00:15:41,610 --> 00:15:37,089

maybe all of them had some core

371

00:15:45,329 --> 00:15:41,620

experience that they actually did have

372

00:15:47,220 --> 00:15:45,339

and then they added to that and build on

373

00:15:49,740 --> 00:15:47,230

and took advantage of it that is

374

00:15:52,980 --> 00:15:49,750

possible but in general the more

375

00:15:55,530 --> 00:15:52,990

conservative people in the UFO field of

376

00:15:58,050 --> 00:15:55,540

whom I was certainly one did not take

377

00:16:01,680 --> 00:15:58,060

them seriously and did not believe them

378

00:16:03,720 --> 00:16:01,690

at that time and that's pretty much how

379

00:16:05,850 --> 00:16:03,730

I felt was there a point in time where

380

00:16:07,259 --> 00:16:05,860

you began to feel you know what maybe

381

00:16:10,380 --> 00:16:07,269

they've got something going on here

382

00:16:13,530 --> 00:16:10,390

maybe at the core of all this there's

383

00:16:15,930 --> 00:16:13,540

something real that happened to them yes

384

00:16:18,290 --> 00:16:15,940

well as I say expansion said in his book

385

00:16:22,380 --> 00:16:18,300

and I think he makes a very good point

386

00:16:26,730 --> 00:16:22,390

it's no use to just dismiss every last

387

00:16:28,740 --> 00:16:26,740

word they say out of hand just believe

388

00:16:32,430 --> 00:16:28,750

that there is nothing to it at the very

389

00:16:34,590 --> 00:16:32,440

least I think they had a philosophy that

390

00:16:36,150 --> 00:16:34,600

they were trying to get across and that

391

00:16:39,840 --> 00:16:36,160

they were sincere about

392

00:16:42,450 --> 00:16:39,850

and they used these underhanded means

393

00:16:43,560 --> 00:16:42,460

perhaps I'm thinking particularly of

394

00:16:47,210 --> 00:16:43,570

George Adamski

395

00:16:50,160 --> 00:16:47,220

in order to look at across you might say

396

00:16:53,460 --> 00:16:50,170

philosophical beliefs that they felt

397

00:16:56,160 --> 00:16:53,470

they're very serious about but they

398

00:16:58,560 --> 00:16:56,170

realized that correctly that if they

399

00:17:02,010 --> 00:16:58,570

just said well I'm George Adamski and I

400

00:17:06,000 --> 00:17:02,020

believe so so who would care but if he's

401
00:17:08,610 --> 00:17:06,010
had some exciting unique experience with

402
00:17:12,030 --> 00:17:08,620
the space people and if they told him

403
00:17:14,370 --> 00:17:12,040
the same thing that he already believed

404
00:17:17,490 --> 00:17:14,380
anyhow why then that's something people

405
00:17:19,679 --> 00:17:17,500
would enjoy reading about and would take

406
00:17:21,720 --> 00:17:19,689
him seriously isn't it also true that

407
00:17:24,990 --> 00:17:21,730
Adamski actually wrote a book some years

408
00:17:28,740 --> 00:17:25,000
before his flying saucers have landed

409
00:17:31,890 --> 00:17:28,750
where he actually put the same beliefs

410
00:17:33,750 --> 00:17:31,900
in a different format yeah I'm trying to

411
00:17:36,780 --> 00:17:33,760
remember the name of that book it's

412
00:17:39,390 --> 00:17:36,790
there probably now that was nice me a

413
00:17:42,000 --> 00:17:39,400

pioneers of space however that didn't

414

00:17:44,310 --> 00:17:42,010

correspond in his first book which was

415

00:17:47,820 --> 00:17:44,320

flying saucer landed I they could

416

00:17:50,060 --> 00:17:47,830

correspond it more closely with inside

417

00:17:53,600 --> 00:17:50,070

the spaceships which was the second book

418

00:17:56,850 --> 00:17:53,610

there's no doubt that the danske

419

00:17:59,040 --> 00:17:56,860

recycled those things but as to the

420

00:17:59,970 --> 00:17:59,050

question of whether he was telling the

421

00:18:02,820 --> 00:17:59,980

truth or not

422

00:18:06,150 --> 00:18:02,830

I had one bit of evidence that I don't

423

00:18:09,690 --> 00:18:06,160

have anymore actually after all these

424

00:18:13,470 --> 00:18:09,700

years but in writing to a friend of his

425

00:18:17,760 --> 00:18:13,480

named Gerald Baker who was a close

426

00:18:21,750 --> 00:18:17,770

coworker Dan skis in the early days and

427

00:18:23,730 --> 00:18:21,760

I actually got a photocopy of this

428

00:18:26,730 --> 00:18:23,740

letter from Baker who I got to know

429

00:18:29,110 --> 00:18:26,740

fairly well in later years and it says

430

00:18:31,470 --> 00:18:29,120

there the one thing I remember

431

00:18:35,320 --> 00:18:31,480

clearly and the most important thing

432

00:18:38,110 --> 00:18:35,330

yeah but it says there is sometimes you

433

00:18:40,450 --> 00:18:38,120

have to use the back door to get the

434

00:18:44,799 --> 00:18:40,460

truth across and that was the exact

435

00:18:47,500 --> 00:18:44,809

words that I saw I danske had written to

436

00:18:51,340 --> 00:18:47,510

the strength of his so I I think that's

437

00:18:54,070 --> 00:18:51,350

maybe a very concise true statement of

438

00:18:57,400 --> 00:18:54,080

how advanced he felt now Nick maybe you

439

00:19:00,970 --> 00:18:57,410

can answer this in your investigation of

440

00:19:03,490 --> 00:19:00,980

these old-time contactees or pioneer

441

00:19:06,280 --> 00:19:03,500

contactees did you find any smoking guns

442

00:19:08,320 --> 00:19:06,290

to expose them as having just made up

443

00:19:10,570 --> 00:19:08,330

everything out of whole cross well you

444

00:19:12,580 --> 00:19:10,580

know I think you know I broadly agree

445

00:19:14,290 --> 00:19:12,590

with with Jim where I do think some of

446

00:19:16,780 --> 00:19:14,300

them had core experiences and I think

447

00:19:19,270 --> 00:19:16,790

one of the biggest problems with the

448

00:19:21,370 --> 00:19:19,280

contactee movement is that people look

449

00:19:22,780 --> 00:19:21,380

at the experiences the people literally

450

00:19:25,510 --> 00:19:22,790

in the sense that they either met

451
00:19:26,049 --> 00:19:25,520
longhead aliens from Venus or they made

452
00:19:27,669 --> 00:19:26,059
it all up

453
00:19:30,340 --> 00:19:27,679
I think the truth is actually more

454
00:19:32,260 --> 00:19:30,350
subtle so you know in terms of like Jim

455
00:19:33,940 --> 00:19:32,270
said that they had philosophies that

456
00:19:35,770 --> 00:19:33,950
they actually believed and so in some

457
00:19:38,290 --> 00:19:35,780
respects they felt doing what was

458
00:19:40,720 --> 00:19:38,300
necessary to promote those philosophies

459
00:19:43,450 --> 00:19:40,730
was okay you know if he sort of quotes

460
00:19:45,250 --> 00:19:43,460
spread the cosmic word now in that

461
00:19:48,280 --> 00:19:45,260
respect sort of trying to your question

462
00:19:51,640 --> 00:19:48,290
I think yes there are a number of

463
00:19:55,450 --> 00:19:51,650

smoking guns that that do present some

464

00:19:57,640 --> 00:19:55,460

of the contactees in a bad light but

465

00:19:59,799 --> 00:19:57,650

does that mean that something didn't

466

00:20:03,450 --> 00:19:59,809

happen to them or does it mean that they

467

00:20:05,590 --> 00:20:03,460

expanded upon something for their own

468

00:20:07,360 --> 00:20:05,600

motivations which they perceived as

469

00:20:08,049 --> 00:20:07,370

being worthwhile now I'll give you an

470

00:20:12,310 --> 00:20:08,059

example

471

00:20:14,140 --> 00:20:12,320

you know Jim talked about a gang ski you

472

00:20:16,390 --> 00:20:14,150

know quote using the back door to get a

473

00:20:18,970 --> 00:20:16,400

message across well I got ahold of

474

00:20:21,640 --> 00:20:18,980

George Adamski FBI file which actually

475

00:20:24,549 --> 00:20:21,650

includes a section where the FBI had got

476

00:20:27,610 --> 00:20:24,559

someone to analyze some of Adamski's

477

00:20:30,250 --> 00:20:27,620

photographs they did quite an extensive

478

00:20:31,510 --> 00:20:30,260

study of it and basically came back

479

00:20:34,360 --> 00:20:31,520

saying you know these photographs are

480

00:20:35,880 --> 00:20:34,370

bogus so you know you could argue that a

481

00:20:38,830 --> 00:20:35,890

smoking gun

482

00:20:40,259 --> 00:20:38,840

drastically effects Adamski's

483

00:20:42,269 --> 00:20:40,269

credibility

484

00:20:43,919 --> 00:20:42,279

again the big issue is did he fake

485

00:20:45,979 --> 00:20:43,929

everything or did he create the

486

00:20:48,180 --> 00:20:45,989

photographs as a means to further

487

00:20:50,699 --> 00:20:48,190

bolster the message which try to portray

488

00:20:52,829 --> 00:20:50,709

so in other words the answer as to

489

00:20:55,320 --> 00:20:52,839

whether or not there are smoking guns to

490

00:20:56,909 --> 00:20:55,330

prove these people were fakes isn't as

491

00:20:59,369 --> 00:20:56,919

clear as it seems to be it's more of

492

00:21:02,820 --> 00:20:59,379

like a gray area shall we say no pun

493

00:21:06,419 --> 00:21:02,830

intended you know I had something to it

494

00:21:09,829 --> 00:21:06,429

and again you may know more than I do if

495

00:21:13,199 --> 00:21:09,839

you have visa the guy vile snitch but I

496

00:21:16,409 --> 00:21:13,209

am quite sure from several things that

497

00:21:19,680 --> 00:21:16,419

I've read that the FBI and other

498

00:21:22,919 --> 00:21:19,690

government agencies and conservative

499

00:21:26,459 --> 00:21:22,929

people in general were concerned about

500

00:21:30,479 --> 00:21:26,469

the contactees because they were talking

501
00:21:33,269 --> 00:21:30,489
about peace and love and things like

502
00:21:35,159 --> 00:21:33,279
that which sound alright but if you are

503
00:21:39,409 --> 00:21:35,169
right-wing enough that sounds for a

504
00:21:43,469 --> 00:21:39,419
communistic and there was a feeling

505
00:21:45,619 --> 00:21:43,479
wherever there was the establishment of

506
00:21:49,579 --> 00:21:45,629
this country I think that these people

507
00:21:51,810 --> 00:21:49,589
were influenced by or spreading

508
00:21:55,499 --> 00:21:51,820
communist or Pro communist propaganda

509
00:21:59,430 --> 00:21:55,509
and that was something that was taken

510
00:22:00,149 --> 00:21:59,440
very seriously and in a negative way am

511
00:22:02,039 --> 00:22:00,159
i right now

512
00:22:04,079 --> 00:22:02,049
you're absolutely right Jim I mean I'll

513
00:22:07,709 --> 00:22:04,089

give you an example again just to pull

514

00:22:10,469 --> 00:22:07,719

on Adamski's FBI file there's actually a

515

00:22:13,319 --> 00:22:10,479

whole section in that file where the FBI

516

00:22:15,599 --> 00:22:13,329

investigated where Adamski given the

517

00:22:17,009 --> 00:22:15,609

lecture and somebody had asked him what

518

00:22:19,049 --> 00:22:17,019

sort of government do you think the

519

00:22:20,969 --> 00:22:19,059

aliens have and he said they probably

520

00:22:23,399 --> 00:22:20,979

have communists and he said something

521

00:22:24,359 --> 00:22:23,409

almost words to the effective that's the

522

00:22:27,229 --> 00:22:24,369

way of the future

523

00:22:30,089 --> 00:22:27,239

and of course you know this is 1953

524

00:22:32,310 --> 00:22:30,099

America McCarthyism Reds under the beds

525

00:22:34,619 --> 00:22:32,320

etc and he was actually from that point

526

00:22:36,930 --> 00:22:34,629

onwards that the FBI if you read their

527

00:22:39,569 --> 00:22:36,940

file it's clear that before that time he

528

00:22:42,029 --> 00:22:39,579

was seen as a bit of like a cultist type

529

00:22:43,889 --> 00:22:42,039

character who could influence people a

530

00:22:45,509 --> 00:22:43,899

free started making these claims about

531

00:22:47,489 --> 00:22:45,519

communism and going on the lecture

532

00:22:49,169 --> 00:22:47,499

circuit and selling thousands and

533

00:22:51,060 --> 00:22:49,179

thousands of books the FBI actually

534

00:22:51,389 --> 00:22:51,070

declared him afterwards a security

535

00:22:52,940 --> 00:22:51,399

matter

536

00:22:56,210 --> 00:22:52,950

that's actually wording they

537

00:22:58,370 --> 00:22:56,220

now what's interesting is that George

538

00:23:00,260 --> 00:22:58,380

Van Tassel I got hold of his FBI file

539

00:23:02,410 --> 00:23:00,270

which is actually no less than three

540

00:23:07,040 --> 00:23:02,420

hundred and ninety eight pages long and

541

00:23:09,680 --> 00:23:07,050

that file talks about how the SBI were

542

00:23:10,940 --> 00:23:09,690

concerned about Van Tassel's lectures

543

00:23:13,520 --> 00:23:10,950

where he was talking about the US

544

00:23:16,790 --> 00:23:13,530

economy and how perhaps you know it

545

00:23:18,980 --> 00:23:16,800

could be bettered etc and the SBI

546

00:23:21,680 --> 00:23:18,990

actually made note in one of the

547

00:23:23,780 --> 00:23:21,690

documents to try and find out who it was

548

00:23:26,420 --> 00:23:23,790

there was funding Van Tassel's

549

00:23:27,980 --> 00:23:26,430

newsletters and publications and if you

550

00:23:29,960 --> 00:23:27,990

read between the lines it's quite clear

551
00:23:32,120 --> 00:23:29,970
they were worried that you know some

552
00:23:34,040 --> 00:23:32,130
sort of foreign power was using these

553
00:23:36,380 --> 00:23:34,050
people and wittingly as GM said to

554
00:23:39,500 --> 00:23:36,390
spread communism and Truman bathroom

555
00:23:41,240 --> 00:23:39,510
made similar claims and Orfeo Angelo Chi

556
00:23:43,940 --> 00:23:41,250
one of the earlier contactees as well I

557
00:23:46,280 --> 00:23:43,950
mentioned in the book actually said that

558
00:23:47,960 --> 00:23:46,290
when he was touring on the East Coast at

559
00:23:50,000 --> 00:23:47,970
one point he was approached by what he

560
00:23:53,540 --> 00:23:50,010
described as quote a mysterious group

561
00:23:56,330 --> 00:23:53,550
who wanted to have him sort of slant his

562
00:23:58,220 --> 00:23:56,340
lectures quote along the party line so

563
00:24:00,290 --> 00:23:58,230

but definitely were people who were

564

00:24:03,170 --> 00:24:00,300

trying to I guess influenced the

565

00:24:05,150 --> 00:24:03,180

contactees to spread communism now

566

00:24:07,880 --> 00:24:05,160

whether it was the Russians you know

567

00:24:10,250 --> 00:24:07,890

some sort of left-wing group in the US

568

00:24:13,100 --> 00:24:10,260

or you know somebody else entirely we

569

00:24:14,720 --> 00:24:13,110

don't know that I'm not sure but this I

570

00:24:16,820 --> 00:24:14,730

think was one of the foremost reasons

571

00:24:18,860 --> 00:24:16,830

why the FBI was watching the contactees

572

00:24:21,500 --> 00:24:18,870

I think in some respect the UFO

573

00:24:23,930 --> 00:24:21,510

encounter angle was secondary the FBI

574

00:24:25,700 --> 00:24:23,940

were concerned about the effect that the

575

00:24:28,040 --> 00:24:25,710

contactees would have done the mindset

576

00:24:29,300 --> 00:24:28,050

of the US population kind of like you

577

00:24:31,130 --> 00:24:29,310

know the whole flower power thing in the

578

00:24:33,470 --> 00:24:31,140

60s which was perceived by the

579

00:24:36,080 --> 00:24:33,480

government as being a threat because he

580

00:24:37,550 --> 00:24:36,090

was a threat to the old order and you

581

00:24:40,010 --> 00:24:37,560

know the quote the old men in suits

582

00:24:42,860 --> 00:24:40,020

didn't want the old order changing and I

583

00:24:45,500 --> 00:24:42,870

think they did do you think that there

584

00:24:49,010 --> 00:24:45,510

were groups or individuals that were

585

00:24:52,990 --> 00:24:49,020

actually putting communistic thoughts or

586

00:24:56,390 --> 00:24:53,000

statements into the minds of these

587

00:24:58,360 --> 00:24:56,400

contactees and if so what groups would

588

00:25:00,710 --> 00:24:58,370

they have been

589

00:25:03,529 --> 00:25:00,720

well you know I mean if you read the

590

00:25:06,380 --> 00:25:03,539

FBI's files the the FBI were actually

591

00:25:07,909 --> 00:25:06,390

sure this this was going on you know

592

00:25:09,320 --> 00:25:07,919

that they were highly concerned about

593

00:25:12,049 --> 00:25:09,330

the fact that you know George Adamski

594

00:25:13,970 --> 00:25:12,059

first book flying saucers landed sold

595

00:25:16,250 --> 00:25:13,980

thousands and thousands of copies

596

00:25:18,169 --> 00:25:16,260

literally tens of thousands and as I

597

00:25:22,370 --> 00:25:18,179

said there's a whole section in his file

598

00:25:24,080 --> 00:25:22,380

about his views on communism how you

599

00:25:26,720 --> 00:25:24,090

felt the aliens are communists now I

600

00:25:28,820 --> 00:25:26,730

will admit however that who was doing

601
00:25:31,850 --> 00:25:28,830
this or who might have been trying to

602
00:25:35,330 --> 00:25:31,860
encourage or fear Angelou she or a damn

603
00:25:38,000 --> 00:25:35,340
school bathroom to kind of mutate their

604
00:25:40,730 --> 00:25:38,010
lectures and conferences to come around

605
00:25:42,710 --> 00:25:40,740
to more like a left-wing type thinking

606
00:25:45,799 --> 00:25:42,720
I'll be the first to admit that the

607
00:25:48,529 --> 00:25:45,809
files don't tell us who who that is what

608
00:25:51,590 --> 00:25:48,539
the group might have been etc etc but

609
00:25:54,230 --> 00:25:51,600
you know the the fact that the FBI were

610
00:25:55,820 --> 00:25:54,240
hot on the trail of it seems to me it

611
00:25:58,430 --> 00:25:55,830
would suggest that somewhere behind

612
00:26:01,490 --> 00:25:58,440
closed doors a conversation had gone on

613
00:26:03,590 --> 00:26:01,500

between you know official bodies saying

614

00:26:05,480 --> 00:26:03,600

hey this looks like what's going on

615

00:26:08,600 --> 00:26:05,490

let's try and get to the bottom of it

616

00:26:10,519 --> 00:26:08,610

now Angelou himself called these people

617

00:26:11,870 --> 00:26:10,529

a mysterious group you know he wasn't

618

00:26:13,399 --> 00:26:11,880

like he was talking about the American

619

00:26:15,850 --> 00:26:13,409

Communist Party or something like that

620

00:26:17,630 --> 00:26:15,860

it seems almost you know like

621

00:26:19,399 --> 00:26:17,640

infiltrators that's you know I

622

00:26:21,289 --> 00:26:19,409

speculating the book could it have been

623

00:26:24,320 --> 00:26:21,299

the Russians you know sort of Deep Cover

624

00:26:26,659 --> 00:26:24,330

agents I mean you know that kind of gets

625

00:26:29,000 --> 00:26:26,669

into more x-files territory until you

626
00:26:32,390 --> 00:26:29,010
realize it was an area of the FBI was

627
00:26:37,240 --> 00:26:34,889
[Music]

628
00:26:39,519 --> 00:26:37,250
picture this you're on the phone with a

629
00:26:42,700 --> 00:26:39,529
client or colleague trying to explain

630
00:26:44,919 --> 00:26:42,710
something visual a PowerPoint a keynote

631
00:26:47,560 --> 00:26:44,929
presentation a website but it's

632
00:26:49,600 --> 00:26:47,570
frustrating because they can't see what

633
00:26:52,299 --> 00:26:49,610
you're talking about the solution good

634
00:26:55,899 --> 00:26:52,309
news they can if you invite them to an

635
00:26:58,240 --> 00:26:55,909
online meeting using GoToMeeting then

636
00:27:00,760 --> 00:26:58,250
they can see your computer desktop on

637
00:27:02,409 --> 00:27:00,770
their computer screen so you can show

638
00:27:04,060 --> 00:27:02,419

them what you're talking about

639

00:27:05,799 --> 00:27:04,070

by use goto meeting all the time to

640

00:27:08,380 --> 00:27:05,809

collaborate with colleagues and with

641

00:27:11,769 --> 00:27:08,390

clients you can try goto meeting free

642

00:27:14,919 --> 00:27:11,779

for 30 days but you must visit goto

643

00:27:18,580 --> 00:27:14,929

meeting / podcasts let's go to

644

00:27:32,409 --> 00:27:18,590

meeting.com slash podcasts for free

645

00:27:34,630 --> 00:27:32,419

30-day trial next confirm it's our

646

00:27:36,700 --> 00:27:34,640

co-host he's author of contactees a

647

00:27:39,610 --> 00:27:36,710

history of alien human interaction we

648

00:27:41,260 --> 00:27:39,620

have Jim Mosely editor of saucer smear

649

00:27:44,019 --> 00:27:41,270

will hear more about saucer smears

650

00:27:46,659 --> 00:27:44,029

shortly Jim you had a comment is not at

651

00:27:48,730 --> 00:27:46,669

all well known and probably at this

652

00:27:51,580 --> 00:27:48,740

point in time of very little importance

653

00:27:55,269 --> 00:27:51,590

but I lived in the New York City area

654

00:27:57,970 --> 00:27:55,279

and I was a member of CSI which was one

655

00:28:01,840 --> 00:27:57,980

of the very first civilian saucer

656

00:28:05,860 --> 00:28:01,850

research groups for flying saucers this

657

00:28:09,039 --> 00:28:05,870

would be 1953 or 1954 there was a fellow

658

00:28:12,159 --> 00:28:09,049

a very nice guy that I got to know quite

659

00:28:15,250 --> 00:28:12,169

well his name was Charles fanless and he

660

00:28:18,010 --> 00:28:15,260

had been in World War two I believe in

661

00:28:21,070 --> 00:28:18,020

the OSI which was the predecessor of the

662

00:28:23,710 --> 00:28:21,080

CIA and he told me that he had been

663

00:28:27,460 --> 00:28:23,720

asked by whatever people in the

664

00:28:30,490 --> 00:28:27,470

government to join as CSI he was

665

00:28:32,919 --> 00:28:30,500

interested actually in saucers anyway it

666

00:28:34,930 --> 00:28:32,929

wasn't just all put on it was a subject

667

00:28:38,110 --> 00:28:34,940

that he wanted to

668

00:28:41,200 --> 00:28:38,120

or about but he was asked to keep an eye

669

00:28:45,190 --> 00:28:41,210

out in the air open there to anything

670

00:28:48,210 --> 00:28:45,200

that might indicate outside influences

671

00:28:51,730 --> 00:28:48,220

of communism method that had ever been

672

00:28:54,880 --> 00:28:51,740

such statements from CSI CSI was a

673

00:28:56,890 --> 00:28:54,890

research group not a contact II group I

674

00:28:59,410 --> 00:28:56,900

should point out Jim before people going

675

00:29:02,530 --> 00:28:59,420

to confuse we have TV shows today called

676
00:29:04,390 --> 00:29:02,540
CSI including a CSI in New York where

677
00:29:07,450 --> 00:29:04,400
that's a crime scene investigation

678
00:29:09,220 --> 00:29:07,460
the CSI of the 1950's was a UFO research

679
00:29:11,560 --> 00:29:09,230
organization a very good one by the way

680
00:29:14,530 --> 00:29:11,570
yeah well it's interesting tool you're

681
00:29:17,830 --> 00:29:14,540
talking about possible confusion there

682
00:29:21,730 --> 00:29:17,840
was CSI of New York and at just about

683
00:29:24,160 --> 00:29:21,740
the same time there was a CSI probably

684
00:29:26,380 --> 00:29:24,170
with the initial standing for the same

685
00:29:29,920 --> 00:29:26,390
words and that was in Southern

686
00:29:32,260 --> 00:29:29,930
California composed of so million years

687
00:29:35,640 --> 00:29:32,270
and I don't remember the details but

688
00:29:38,830 --> 00:29:35,650

there were two groups was apparently a

689

00:29:40,420 --> 00:29:38,840

identical name and at the same time you

690

00:29:44,350 --> 00:29:40,430

know Jim when you talk about government

691

00:29:46,300 --> 00:29:44,360

intervention in possibly these contexts

692

00:29:48,940 --> 00:29:46,310

of course we were talking about Russian

693

00:29:51,160 --> 00:29:48,950

intervention but do you remember the

694

00:29:53,860 --> 00:29:51,170

lunch the strange lunch meeting we had

695

00:29:55,930 --> 00:29:53,870

with Howard manager back in the 1960s

696

00:29:58,960 --> 00:29:55,940

and remember Howard manager was not a

697

00:30:01,330 --> 00:29:58,970

friend of your publication you know you

698

00:30:03,640 --> 00:30:01,340

kind of put him in the same category as

699

00:30:05,140 --> 00:30:03,650

a damn ski just one of those Kooks but

700

00:30:09,700 --> 00:30:05,150

then we had this crazy lunch do you

701
00:30:13,180 --> 00:30:09,710
recall this sure is saying that perhaps

702
00:30:15,880 --> 00:30:13,190
and we have this lunch place we'd get

703
00:30:22,060 --> 00:30:15,890
together across from your offices in New

704
00:30:24,070 --> 00:30:22,070
York City have a diner manager there at

705
00:30:26,590 --> 00:30:24,080
one time and he was telling us that he

706
00:30:33,610 --> 00:30:26,600
thought he was part of a government

707
00:30:35,800 --> 00:30:33,620
experiment our government doesn't

708
00:30:38,200 --> 00:30:35,810
believe me it's not problem but

709
00:30:41,110 --> 00:30:38,210
following up from there when Long John

710
00:30:43,720 --> 00:30:41,120
Neville finally got his television show

711
00:30:46,080 --> 00:30:43,730
which was sometime I suppose in the late

712
00:30:48,510 --> 00:30:46,090
fifties and he only had it for

713
00:30:51,419 --> 00:30:48,520

season leases apparently it didn't go

714

00:30:54,570 --> 00:30:51,429

over very well but he had Howard ninja

715

00:30:57,269 --> 00:30:54,580

on the TV show because Howard had been

716

00:31:00,720 --> 00:30:57,279

on the radio show many many times and he

717

00:31:04,169 --> 00:31:00,730

was probably let's say a favorite son or

718

00:31:06,930 --> 00:31:04,179

a sacred cow long johns and he got him

719

00:31:09,570 --> 00:31:06,940

on the TV show which I did not hear and

720

00:31:11,250 --> 00:31:09,580

he started saying the same kind of thing

721

00:31:14,130 --> 00:31:11,260

that you're talking about that it was

722

00:31:18,289 --> 00:31:14,140

not interplanetary but he was set up by

723

00:31:21,419 --> 00:31:18,299

some government agency and longevity

724

00:31:23,610 --> 00:31:21,429

even for that and I think I wish I

725

00:31:26,070 --> 00:31:23,620

couldn't read the show or been there

726

00:31:29,519 --> 00:31:26,080

when it was taped because that must have

727

00:31:32,430 --> 00:31:29,529

been a very amusing scene I'm sure John

728

00:31:35,190 --> 00:31:32,440

was ready to strangle a manager with his

729

00:31:38,130 --> 00:31:35,200

bare hands John had this technique of

730

00:31:39,480 --> 00:31:38,140

the slow burn now ladies and gentlemen

731

00:31:43,500 --> 00:31:39,490

you probably don't know long John

732

00:31:46,080 --> 00:31:43,510

Neville was the pioneer of the all-night

733

00:31:47,639 --> 00:31:46,090

talk radio format with an emphasis on

734

00:31:50,159 --> 00:31:47,649

the paranormal before there was an art

735

00:31:53,399 --> 00:31:50,169

Belle George Noory any of us that was

736

00:31:56,279 --> 00:31:53,409

Long John Neville and I actually saw the

737

00:31:58,950 --> 00:31:56,289

TV show in question okay I recall the

738

00:32:01,289 --> 00:31:58,960

slow burn you know he didn't stay on the

739

00:32:03,000 --> 00:32:01,299

air because he was a professional what

740

00:32:04,799 --> 00:32:03,010

he really felt if he did there would be

741

00:32:06,930 --> 00:32:04,809

words that would be uttered that you

742

00:32:10,560 --> 00:32:06,940

didn't want to hear on TV especially in

743

00:32:16,320 --> 00:32:10,570

the 1950s and 60s yeah well it was also

744

00:32:18,720 --> 00:32:16,330

interesting the menu was always very

745

00:32:21,720 --> 00:32:18,730

friendly with me and and this meeting

746

00:32:23,600 --> 00:32:21,730

that we had at that restaurant must have

747

00:32:26,940 --> 00:32:23,610

been sometime around the time of the

748

00:32:30,090 --> 00:32:26,950

1967 convention that I held when the

749

00:32:33,269 --> 00:32:30,100

vendor was one of the main speakers and

750

00:32:36,769 --> 00:32:33,279

from that point on he and I became good

751

00:32:39,090 --> 00:32:36,779

friends I had let him live free and a

752

00:32:40,889 --> 00:32:39,100

apartment that I had in New York for a

753

00:32:44,160 --> 00:32:40,899

period of a week or two that he was in

754

00:32:46,980 --> 00:32:44,170

New York so that must have started off

755

00:32:48,720 --> 00:32:46,990

on the right foot and after what we kept

756

00:32:51,450 --> 00:32:48,730

in touch it I met him several other

757

00:32:53,370 --> 00:32:51,460

times and he was just as nice as he

758

00:32:55,830 --> 00:32:53,380

could be in spite of the fact that he

759

00:32:58,560 --> 00:32:55,840

knew perfectly well but I didn't believe

760

00:33:02,100 --> 00:32:58,570

his story and I had knocked him in print

761

00:33:04,710 --> 00:33:02,110

several times in saucer news as it was

762

00:33:07,710 --> 00:33:04,720

called then and I always wondered was he

763

00:33:11,640 --> 00:33:07,720

a very tolerant fellow to that degree or

764

00:33:14,940 --> 00:33:11,650

or what was it but we remained in touch

765

00:33:17,040 --> 00:33:14,950

for the rest of his life and I'm no

766

00:33:20,760 --> 00:33:17,050

longer in touch with his little but that

767

00:33:23,370 --> 00:33:20,770

was a long time ago and a very unusual

768

00:33:25,260 --> 00:33:23,380

friendship what was your take about what

769

00:33:27,180 --> 00:33:25,270

he was saying was that some kind of spin

770

00:33:28,650 --> 00:33:27,190

control knowing that you didn't believe

771

00:33:30,780 --> 00:33:28,660

him what he said so he might as well

772

00:33:32,460 --> 00:33:30,790

give you a version that would be more in

773

00:33:34,980 --> 00:33:32,470

line with what you wanted to hear well

774

00:33:38,220 --> 00:33:34,990

no I mean if he said the same thing I'm

775

00:33:41,130 --> 00:33:38,230

long johns television show but you say

776

00:33:44,100 --> 00:33:41,140

he said to me at that restaurant I guess

777

00:33:47,210 --> 00:33:44,110

it was a new angle that he had to

778

00:33:49,920 --> 00:33:47,220

present to everybody not just to me yeah

779

00:33:52,500 --> 00:33:49,930

I would sort of follow up on that is

780

00:33:55,050 --> 00:33:52,510

that if you look into the contactee

781

00:33:57,510 --> 00:33:55,060

movement you do find a number of these

782

00:33:59,520 --> 00:33:57,520

people who did have I guess quote

783

00:34:02,010 --> 00:33:59,530

intriguing links with the official world

784

00:34:04,710 --> 00:34:02,020

I mean George Van Tassel for example who

785

00:34:06,540 --> 00:34:04,720

was responsible for the huge conferences

786

00:34:08,310 --> 00:34:06,550

out of giant rock which you know they're

787

00:34:10,680 --> 00:34:08,320

high retracting literally thousands of

788

00:34:12,450 --> 00:34:10,690

people in the audience's George Van

789

00:34:14,399 --> 00:34:12,460

Tassel used to work for Hughes Aircraft

790

00:34:16,110 --> 00:34:14,409

under Howard Hughes and Howard Hughes

791

00:34:19,020 --> 00:34:16,120

was somebody obviously who worked and

792

00:34:20,340 --> 00:34:19,030

moved in very high circles and there's

793

00:34:24,030 --> 00:34:20,350

actually been books written about his

794

00:34:26,130 --> 00:34:24,040

links to the CIA and how he was actually

795

00:34:28,409 --> 00:34:26,140

good friends with George Van Tassel and

796

00:34:31,560 --> 00:34:28,419

his wife not only that when I got hold

797

00:34:35,610 --> 00:34:31,570

of Van Tassel's FBI file it actually

798

00:34:37,139 --> 00:34:35,620

talked about how in the 1940s when Van

799

00:34:40,409 --> 00:34:37,149

Tassel was working at Hughes Aircraft

800

00:34:43,710 --> 00:34:40,419

he'd actually helped the FBI on a number

801
00:34:46,230 --> 00:34:43,720
of espionage cases where foreign agents

802
00:34:47,880 --> 00:34:46,240
were trying to infiltrate Hughes

803
00:34:50,310 --> 00:34:47,890
Aircraft to find out you know the latest

804
00:34:52,919 --> 00:34:50,320
information on American aircraft designs

805
00:34:54,010 --> 00:34:52,929
and there was an FBI agent named Walter

806
00:34:56,230 --> 00:34:54,020
boss who

807
00:34:58,690 --> 00:34:56,240
it will worked on these investigations

808
00:35:00,880 --> 00:34:58,700
and and Van Tassel actually helped him

809
00:35:03,010 --> 00:35:00,890
on a number of these cases so in other

810
00:35:06,010 --> 00:35:03,020
words even before their UFO experiences

811
00:35:07,510 --> 00:35:06,020
they were moving in official circles and

812
00:35:09,850 --> 00:35:07,520
I know that when I was doing research

813
00:35:12,520 --> 00:35:09,860

for the for the contactees book I found

814

00:35:15,040 --> 00:35:12,530

that Leonard Stringfield an early

815

00:35:17,500 --> 00:35:15,050

research who in later life focused on

816

00:35:19,360 --> 00:35:17,510

crashed UFO stories he'd met some of the

817

00:35:21,430 --> 00:35:19,370

contactees in the fifties and said there

818

00:35:24,010 --> 00:35:21,440

was talk about some of these people

819

00:35:26,080 --> 00:35:24,020

being plants and things like that and

820

00:35:28,270 --> 00:35:26,090

and there's also this long-standing room

821

00:35:29,920 --> 00:35:28,280

I'm sure you know about where George

822

00:35:31,780 --> 00:35:29,930

Adamski was supposed to have some sort

823

00:35:34,240 --> 00:35:31,790

of diplomatic passports now whether or

824

00:35:36,100 --> 00:35:34,250

not that was a damn ski you know trying

825

00:35:38,410 --> 00:35:36,110

to massage his own ego or not I don't

826

00:35:41,650 --> 00:35:38,420

know but you know for what we know from

827

00:35:44,200 --> 00:35:41,660

other contactees they did moving these

828

00:35:46,660 --> 00:35:44,210

sort of interesting official well I I

829

00:35:49,420 --> 00:35:46,670

think the George a dancer you didn't

830

00:35:54,130 --> 00:35:49,430

need claimed the you had a meeting with

831

00:35:57,670 --> 00:35:54,140

the Pope and he had some means of trying

832

00:35:59,830 --> 00:35:57,680

to prove that he had some medallion or

833

00:36:02,050 --> 00:35:59,840

whatever that he claimed the Pope had

834

00:36:06,580 --> 00:36:02,060

given him but then it turned out that

835

00:36:10,270 --> 00:36:06,590

you could buy this dog and anywhere in

836

00:36:12,460 --> 00:36:10,280

in the Vatican area and that it didn't

837

00:36:14,710 --> 00:36:12,470

prove that he met the Pope at all do you

838

00:36:16,960 --> 00:36:14,720

remember that yeah I think you know this

839

00:36:18,640 --> 00:36:16,970

is all you know part of the the spin

840

00:36:21,190 --> 00:36:18,650

that a lot of the contact he's put on

841

00:36:23,440 --> 00:36:21,200

their stories and I think again a lot of

842

00:36:25,990 --> 00:36:23,450

people just people don't realize the

843

00:36:28,060 --> 00:36:26,000

deep level to which it kind of goes you

844

00:36:30,790 --> 00:36:28,070

know it goes beyond hoaxing it almost

845

00:36:32,740 --> 00:36:30,800

goes to the point of doing what needs to

846

00:36:34,990 --> 00:36:32,750

be done to get what they saw as a viable

847

00:36:37,600 --> 00:36:35,000

message across and you know I think

848

00:36:39,150 --> 00:36:37,610

that's been missed or misinterpreted at

849

00:36:42,240 --> 00:36:39,160

least the one thing I always

850

00:36:43,860 --> 00:36:42,250

about here guys is whether or not some

851
00:36:46,950 --> 00:36:43,870
of these contactees were government

852
00:36:49,650 --> 00:36:46,960
plants in other words trying to either

853
00:36:53,100 --> 00:36:49,660
prepare us or just to test the waters

854
00:36:54,870 --> 00:36:53,110
and see how would people react if the

855
00:36:56,430 --> 00:36:54,880
aliens came to visit us and this all

856
00:36:58,440 --> 00:36:56,440
came in the wake of the movie The Day

857
00:37:01,380 --> 00:36:58,450
the Earth Stood Still Michael Rennie

858
00:37:04,170 --> 00:37:01,390
plays this character Klaatu who comes to

859
00:37:06,420 --> 00:37:04,180
earth to warn us about our nuclear folly

860
00:37:09,690 --> 00:37:06,430
we're destroying the planet if you don't

861
00:37:11,760 --> 00:37:09,700
straighten out will destroy you so the

862
00:37:13,320 --> 00:37:11,770
same message was being conveyed was the

863
00:37:17,820 --> 00:37:13,330

government doing some sort of test

864

00:37:20,310 --> 00:37:17,830

once again actually Gina I don't think

865

00:37:23,550 --> 00:37:20,320

that could be right I mean I didn't know

866

00:37:25,890 --> 00:37:23,560

any of the contactees all that well but

867

00:37:30,540 --> 00:37:25,900

they didn't seem to be in a league with

868

00:37:32,460 --> 00:37:30,550

any government plan to put out this one

869

00:37:34,980 --> 00:37:32,470

kind of propaganda or anything like that

870

00:37:37,170 --> 00:37:34,990

Nick yeah I would kind of agree with

871

00:37:39,600 --> 00:37:37,180

that I think he know that the I think

872

00:37:42,570 --> 00:37:39,610

the contactees some of them were being

873

00:37:45,090 --> 00:37:42,580

used by extremist groups by left-wing

874

00:37:47,580 --> 00:37:45,100

groups ultra left-wing groups I mean you

875

00:37:49,470 --> 00:37:47,590

saw or worked for a while at least and I

876

00:37:51,240 --> 00:37:49,480

think there's no tour there's no doubt

877

00:37:53,660 --> 00:37:51,250

that some of them did have links with

878

00:37:57,000 --> 00:37:53,670

the official world like Van Tassel now

879

00:37:59,040 --> 00:37:57,010

whether or not they were being used I

880

00:38:00,810 --> 00:37:59,050

think if they were being used as part of

881

00:38:01,950 --> 00:38:00,820

some message I think it's probably

882

00:38:04,710 --> 00:38:01,960

unwittingly

883

00:38:06,510 --> 00:38:04,720

I think if you look at some of them they

884

00:38:08,550 --> 00:38:06,520

weren't the most reliable of people to

885

00:38:10,050 --> 00:38:08,560

where they might spill the beans so to

886

00:38:12,480 --> 00:38:10,060

speaking you know because it would be an

887

00:38:14,400 --> 00:38:12,490

even greater story you know if they I

888

00:38:18,270 --> 00:38:14,410

think that's a very good point I don't

889

00:38:21,720 --> 00:38:18,280

think anyone any official agency would

890

00:38:24,540 --> 00:38:21,730

trust these people to call instructions

891

00:38:26,640 --> 00:38:24,550

and whether or not they may have been

892

00:38:29,010 --> 00:38:26,650

unwittingly used I think that's a

893

00:38:31,740 --> 00:38:29,020

possibility but I talk about in the book

894

00:38:34,410 --> 00:38:31,750

was the case of all Theo Angelo Chi now

895

00:38:37,140 --> 00:38:34,420

Angela she had these again classic

896

00:38:38,630 --> 00:38:37,150

contact experiences where you know he

897

00:38:41,160 --> 00:38:38,640

said his life was pretty much

898

00:38:44,040 --> 00:38:41,170

transformed overnight from this sickly

899

00:38:46,140 --> 00:38:44,050

sort of timid person with not much self

900

00:38:48,270 --> 00:38:46,150

esteem to somebody writing books and

901
00:38:50,630 --> 00:38:48,280
going on the lecture circuit but in one

902
00:38:53,660 --> 00:38:50,640
of his books he talks about meeting

903
00:38:56,140 --> 00:38:53,670
who he claimed was named Adam who met in

904
00:38:58,849 --> 00:38:56,150
a restaurant and wanted to talk about

905
00:39:00,470 --> 00:38:58,859
Angela's UFO experiences and Adam was

906
00:39:03,589 --> 00:39:00,480
kind of a mysterious character who'd

907
00:39:06,620 --> 00:39:03,599
supposedly met aliens as well but in

908
00:39:09,319 --> 00:39:06,630
this restaurant scenario Adam asks

909
00:39:11,029 --> 00:39:09,329
Angela Lee to take this pill take a

910
00:39:12,470 --> 00:39:11,039
small pill with a glass of water which

911
00:39:14,450 --> 00:39:12,480
he does which probably isn't the best

912
00:39:15,799 --> 00:39:14,460
thing to do you know some stranger gives

913
00:39:17,690 --> 00:39:15,809

you a pill and says take this but

914

00:39:19,549 --> 00:39:17,700

nevertheless that's what Angela Lee

915

00:39:21,589 --> 00:39:19,559

claimed he did and what happened was

916

00:39:24,200 --> 00:39:21,599

that for thirty minutes or so absolutely

917

00:39:26,809 --> 00:39:24,210

nothing happened but after that Angela

918

00:39:29,329 --> 00:39:26,819

Chi started reporting how the room

919

00:39:31,579 --> 00:39:29,339

seemed to change in the diner where they

920

00:39:33,620 --> 00:39:31,589

were where they were sitting and that he

921

00:39:36,170 --> 00:39:33,630

said that the colors in the room seemed

922

00:39:38,450 --> 00:39:36,180

to take on new meaning and he saw like a

923

00:39:40,460 --> 00:39:38,460

little dancing figure on the table and

924

00:39:45,680 --> 00:39:40,470

if you read it it sounds like he'd been

925

00:39:46,910 --> 00:39:45,690

dosed with LSD on the table right next

926

00:39:49,009 --> 00:39:46,920

to where they were sat there were two

927

00:39:51,079 --> 00:39:49,019

guys in military uniforms watching them

928

00:39:53,240 --> 00:39:51,089

very closely if you bear in mind the

929

00:39:54,910 --> 00:39:53,250

time frame this is when people like the

930

00:39:58,039 --> 00:39:54,920

CIA were doing their early

931

00:39:59,960 --> 00:39:58,049

MKULTRA LSD research and I actually

932

00:40:02,690 --> 00:39:59,970

think if you read that in retrospect now

933

00:40:05,870 --> 00:40:02,700

it comes across like somebody dosing up

934

00:40:08,470 --> 00:40:05,880

Angela with LSD and pumping him for

935

00:40:11,839 --> 00:40:08,480

information on his UFO experiences or

936

00:40:13,730 --> 00:40:11,849

trying to encourage more UFO experiences

937

00:40:15,920 --> 00:40:13,740

and to where Angela Chi would have even

938

00:40:17,420 --> 00:40:15,930

more to talk about so I think if the

939

00:40:19,519 --> 00:40:17,430

government was involved and I think in

940

00:40:21,529 --> 00:40:19,529

this case there's a possibility these

941

00:40:24,470 --> 00:40:21,539

people were being used unwittingly not

942

00:40:27,680 --> 00:40:24,480

as as witching players you know I I'm

943

00:40:30,019 --> 00:40:27,690

editor or vo anchor Lucy at least two or

944

00:40:33,980 --> 00:40:30,029

three times probably out out of giant

945

00:40:37,220 --> 00:40:33,990

rocks there was a fellow who is long

946

00:40:39,589 --> 00:40:37,230

gone and forgotten and now but he was

947

00:40:43,160 --> 00:40:39,599

not a contact II but he was a friend of

948

00:40:45,829 --> 00:40:43,170

some of them and his name was max Miller

949

00:40:48,049 --> 00:40:45,839

do you know that name yeah he was like a

950

00:40:50,269 --> 00:40:48,059

young guy who put on UFO conferences was

951
00:40:53,150 --> 00:40:50,279
noon yeah that's right these people are

952
00:40:56,599 --> 00:40:53,160
on the first endure the UFO conference

953
00:41:00,100 --> 00:40:56,609
in either 1952 or 53 at which time he

954
00:41:02,770 --> 00:41:00,110
was only about 13 years old it's amazing

955
00:41:06,120 --> 00:41:02,780
he had some kind of a congenital heart

956
00:41:09,190 --> 00:41:06,130
disease and died young but in the

957
00:41:10,990 --> 00:41:09,200
fifties and I guess up into the early

958
00:41:14,500 --> 00:41:11,000
60s he was quite active

959
00:41:17,080 --> 00:41:14,510
he was quite friendly with Otto Angelou

960
00:41:19,180 --> 00:41:17,090
see just making a lost very short from

961
00:41:22,330 --> 00:41:19,190
reading the first book by Orfeo I

962
00:41:25,390 --> 00:41:22,340
thought he would be in real life of

963
00:41:29,920 --> 00:41:25,400

various theory sort of nervous guy of

964

00:41:33,310 --> 00:41:29,930

very far out perhaps and gentleman and

965

00:41:36,760 --> 00:41:33,320

so on and when I met him he was of

966

00:41:40,270 --> 00:41:36,770

Italian extraction and looked at and

967

00:41:42,460 --> 00:41:40,280

acted it and he was quite genial and in

968

00:41:43,120 --> 00:41:42,470

that sense very normal and he was a big

969

00:41:46,270 --> 00:41:43,130

drinker

970

00:41:48,430 --> 00:41:46,280

and we went out a couple of times and he

971

00:41:50,230 --> 00:41:48,440

got drunk and told all kinds of

972

00:41:52,780 --> 00:41:50,240

interesting things which is another long

973

00:41:55,060 --> 00:41:52,790

story but he was totally different in

974

00:41:56,710 --> 00:41:55,070

person than one would have thought for

975

00:41:58,570 --> 00:41:56,720

meeting his book did you get the

976
00:42:01,180 --> 00:41:58,580
impression Jim in knowing him and going

977
00:42:03,640 --> 00:42:01,190
out and having more than a few beers

978
00:42:05,350 --> 00:42:03,650
with him that he believed were

979
00:42:11,290 --> 00:42:05,360
disbelieve what he claimed to have

980
00:42:15,160 --> 00:42:11,300
happened to him well we really talked

981
00:42:18,400 --> 00:42:15,170
about it all I could tell you a story

982
00:42:19,210 --> 00:42:18,410
that Orfeo the total accident me at one

983
00:42:21,490 --> 00:42:19,220
of our meetings

984
00:42:24,610 --> 00:42:21,500
max told me at a time I'm going to try

985
00:42:27,580 --> 00:42:24,620
to get Orfeo to tell the story about the

986
00:42:31,720 --> 00:42:27,590
sheep and I knew what he meant by that

987
00:42:34,780 --> 00:42:31,730
and I would be very interesting so when

988
00:42:37,660 --> 00:42:34,790

we got there and a max didn't drink I

989

00:42:41,830 --> 00:42:37,670

drank a bit as I still do and so there

990

00:42:44,680 --> 00:42:41,840

are Theo and the evening wore Max kept

991

00:42:47,800 --> 00:42:44,690

urging me or Pio to tell the story about

992

00:42:51,490 --> 00:42:47,810

the sheet and the story about the sheep

993

00:42:54,010 --> 00:42:51,500

was quite interesting when Theo I lived

994

00:42:56,080 --> 00:42:54,020

I guess back east before he moved out to

995

00:42:59,650 --> 00:42:56,090

California this must have been a quite

996

00:43:03,490 --> 00:42:59,660

an unusually rough but he and some

997

00:43:05,900 --> 00:43:03,500

friends were drunk on an evening and go

998

00:43:08,809 --> 00:43:05,910

down to the sheep and and

999

00:43:12,319 --> 00:43:08,819

have their way with the sheep but that's

1000

00:43:15,400 --> 00:43:12,329

not the punchline he as he told us he

1001
00:43:18,950 --> 00:43:15,410
said well you know I always made sure

1002
00:43:25,700 --> 00:43:18,960
that I got a female sheep and some of

1003
00:43:28,279 --> 00:43:25,710
those guys would screw anything it would

1004
00:43:31,940 --> 00:43:28,289
seem yes that that must have been quite

1005
00:43:34,520 --> 00:43:31,950
a lively group but that is something

1006
00:43:37,520 --> 00:43:34,530
that I wouldn't make up on the core man

1007
00:43:39,680 --> 00:43:37,530
he's long dead I believe that is when he

1008
00:43:46,790 --> 00:43:39,690
finally told us that's the story of the

1009
00:43:51,920 --> 00:43:49,130
[Music]

1010
00:43:54,020 --> 00:43:51,930
fate magazine provides true reports of

1011
00:43:56,600 --> 00:43:54,030
the strange and unknown keep up with the

1012
00:43:59,750 --> 00:43:56,610
latest on angels and miracles psychic

1013
00:44:00,860 --> 00:43:59,760

phenomena ghosts UFOs life after death

1014

00:44:03,080 --> 00:44:00,870

and much much more

1015

00:44:05,750 --> 00:44:03,090

to receive your free issue of faith

1016

00:44:09,650 --> 00:44:05,760

magazine call now at one eight hundred

1017

00:44:14,480 --> 00:44:09,660

seven two eight two seven three zero or

1018

00:44:17,390 --> 00:44:14,490

visit their website at wwlp.com that's

1019

00:44:26,030 --> 00:44:17,400

one eight hundred seven two eight twenty

1020

00:44:30,880 --> 00:44:26,040

seven thirty or WWF AEMA g calm what are

1021

00:44:30,890 --> 00:44:40,120

[Music]

1022

00:44:46,400 --> 00:44:43,310

this is the story of the power caste we

1023

00:44:48,830 --> 00:44:46,410

have Jim Mosely editor of saucer smear

1024

00:44:50,810 --> 00:44:48,840

our co-host Nick Redfern author of

1025

00:44:53,420 --> 00:44:50,820

contact a history of alien human

1026

00:44:55,360 --> 00:44:53,430

interaction or maybe not Paley annually

1027

00:44:58,370 --> 00:44:55,370

maybe just human to human interaction

1028

00:45:00,500 --> 00:44:58,380

you know maybe we don't know you know

1029

00:45:03,050 --> 00:45:00,510

Jim over the years you sponsored

1030

00:45:04,910 --> 00:45:03,060

lectures in the New York area and a

1031

00:45:07,520 --> 00:45:04,920

couple of times you featured dr. Frank

1032

00:45:10,280 --> 00:45:07,530

strangers who recently departed and

1033

00:45:13,190 --> 00:45:10,290

recently departed this world and he had

1034

00:45:16,280 --> 00:45:13,200

his own encounter with this alleged

1035

00:45:17,900 --> 00:45:16,290

alien person we what was your feeling

1036

00:45:23,450 --> 00:45:17,910

about him do you think he was up to

1037

00:45:25,910 --> 00:45:23,460

something what dr. Strange's was really

1038

00:45:29,240 --> 00:45:25,920

fast the most interesting and colorful

1039

00:45:33,110 --> 00:45:29,250

of all of these contactees that I met

1040

00:45:35,360 --> 00:45:33,120

and over the years I got to know I'm not

1041

00:45:38,270 --> 00:45:35,370

fairly well although we met at a number

1042

00:45:41,270 --> 00:45:38,280

of East Coast conventions and I guess I

1043

00:45:44,510 --> 00:45:41,280

first met him out in giant rock I

1044

00:45:47,600 --> 00:45:44,520

believe as early as 1957 he was showing

1045

00:45:51,110 --> 00:45:47,610

some documentary that he had put

1046

00:45:55,220 --> 00:45:51,120

together on the subject of flying saucer

1047

00:45:57,950 --> 00:45:55,230

well his most popular book which I guess

1048

00:45:59,870 --> 00:45:57,960

me so quite a number of copies and

1049

00:46:02,870 --> 00:45:59,880

possibly made a great deal of money for

1050

00:46:06,380 --> 00:46:02,880

was the stranger at the Pentagon and

1051
00:46:09,080 --> 00:46:06,390
that's the story of wealth or a spaceman

1052
00:46:11,360 --> 00:46:09,090
who among other things went to the

1053
00:46:14,090 --> 00:46:11,370
Pentagon and interviewed people and so

1054
00:46:16,760 --> 00:46:14,100
on actually I never read the book so I

1055
00:46:19,310 --> 00:46:16,770
can't really tell you a great deal about

1056
00:46:23,090 --> 00:46:19,320
it but the bell--the or the whole thing

1057
00:46:26,630 --> 00:46:23,100
sounded so ridiculously science fiction

1058
00:46:30,440 --> 00:46:26,640
ish because wealth or vowel is of course

1059
00:46:32,900 --> 00:46:30,450
a short for valiant and so r is for what

1060
00:46:35,510 --> 00:46:32,910
is it the Norse god of war or something

1061
00:46:37,140 --> 00:46:35,520
I don't know if it's nor sore German our

1062
00:46:40,589 --> 00:46:37,150
wives

1063
00:46:45,450 --> 00:46:40,599

or is a very powerful God so you know

1064

00:46:48,960 --> 00:46:45,460

some Sauron in faded mythology so there

1065

00:46:51,960 --> 00:46:48,970

I mean would you really expect a space

1066

00:46:54,539 --> 00:46:51,970

person from a distant planet to come

1067

00:46:57,000 --> 00:46:54,549

here and call himself Bell Thor I mean

1068

00:47:00,990 --> 00:46:57,010

just starting from that point I I didn't

1069

00:47:03,779 --> 00:47:01,000

really believe the story but strangers

1070

00:47:06,240 --> 00:47:03,789

was a very complex and very interesting

1071

00:47:09,210 --> 00:47:06,250

guy he he had a lot of things going for

1072

00:47:11,779 --> 00:47:09,220

him for one thing he had some kind of a

1073

00:47:14,250 --> 00:47:11,789

pseudo degree whereby he was a

1074

00:47:17,910 --> 00:47:14,260

immigration expert people don't know

1075

00:47:20,549 --> 00:47:17,920

that about and for quite a large fee he

1076
00:47:23,010 --> 00:47:20,559
would help immigrants get their papers

1077
00:47:25,049 --> 00:47:23,020
together so that they look good stay in

1078
00:47:27,450 --> 00:47:25,059
the United States this is many years ago

1079
00:47:29,549 --> 00:47:27,460
I suppose not the immigration crisis

1080
00:47:31,680 --> 00:47:29,559
that we are right now but that's just

1081
00:47:35,940 --> 00:47:31,690
one of the other hats that he wore he

1082
00:47:38,819 --> 00:47:35,950
was a in a fraternal order of police as

1083
00:47:40,769 --> 00:47:38,829
some kind of an interstate saying he was

1084
00:47:45,269 --> 00:47:40,779
quite a character as saucers were not

1085
00:47:49,589 --> 00:47:45,279
his only thing but as a core point he

1086
00:47:51,480 --> 00:47:49,599
was supposedly a biblical scholar as for

1087
00:47:54,089 --> 00:47:51,490
where he came from the NAG estate he was

1088
00:47:56,190 --> 00:47:54,099

also an expert supposedly on the Dead

1089

00:47:59,039 --> 00:47:56,200

Sea Scrolls I think he wrote at least

1090

00:48:01,920 --> 00:47:59,049

one book about that so he was a man of

1091

00:48:04,529 --> 00:48:01,930

many healers very interesting in his

1092

00:48:07,529 --> 00:48:04,539

last year's and he came extremely funny

1093

00:48:11,579 --> 00:48:07,539

with me he was trying to raise money to

1094

00:48:13,980 --> 00:48:11,589

make a movie out of stranger at the

1095

00:48:16,230 --> 00:48:13,990

Pentagon and I know that he never

1096

00:48:18,000 --> 00:48:16,240

succeeded in doing that but he was still

1097

00:48:20,039 --> 00:48:18,010

working on that project at the time of

1098

00:48:23,250 --> 00:48:20,049

his death which was all two or three

1099

00:48:25,319 --> 00:48:23,260

years ago I would say and he likes smear

1100

00:48:28,109 --> 00:48:25,329

although smear never endorsed and he

1101
00:48:31,410 --> 00:48:28,119
says quite a large donation every year

1102
00:48:33,769 --> 00:48:31,420
it was interesting actually I guess it's

1103
00:48:37,019 --> 00:48:33,779
his president miked up some of these

1104
00:48:38,670 --> 00:48:37,029
contactees likes me even though they

1105
00:48:41,220 --> 00:48:38,680
knew I didn't believe a word they were

1106
00:48:43,049 --> 00:48:41,230
saying I can't really explain that did

1107
00:48:44,359 --> 00:48:43,059
you know any of the other contactees Jim

1108
00:48:48,200 --> 00:48:44,369
well

1109
00:48:51,620 --> 00:48:48,210
all the other one that I knew personally

1110
00:48:54,579 --> 00:48:51,630
beside strangers and Orfeo were was a

1111
00:49:00,289 --> 00:48:54,589
dance key when a dance he was in his

1112
00:49:02,839 --> 00:49:00,299
classic period he was living in a place

1113
00:49:05,299 --> 00:49:02,849

called Palomar Gardens and there's been

1114

00:49:07,099 --> 00:49:05,309

a lot of dispute about this people say

1115

00:49:09,470 --> 00:49:07,109

it was a hamburgers or anything was

1116

00:49:11,509 --> 00:49:09,480

working there well it wasn't exactly a

1117

00:49:13,220 --> 00:49:11,519

hamburger churning and he wasn't working

1118

00:49:16,130 --> 00:49:13,230

there I think he was just free-balling

1119

00:49:18,049 --> 00:49:16,140

because he was a friend of the owner and

1120

00:49:20,210 --> 00:49:18,059

this was a little place that did serve

1121

00:49:23,359 --> 00:49:20,220

indeed hamburgers and such and light

1122

00:49:26,960 --> 00:49:23,369

meals and it was at the beginning of a

1123

00:49:29,690 --> 00:49:26,970

long winding road that went up to Mount

1124

00:49:33,950 --> 00:49:29,700

Palomar Observatory since he called

1125

00:49:36,529 --> 00:49:33,960

himself a professor danske giving the

1126
00:49:39,049 --> 00:49:36,539
impression that he had some kind of a

1127
00:49:42,529 --> 00:49:39,059
degree which he certainly did the real

1128
00:49:44,210 --> 00:49:42,539
scientists at Mount Palomar was were

1129
00:49:47,239 --> 00:49:44,220
very upset about this because people

1130
00:49:50,120 --> 00:49:47,249
would confuse the situation and think

1131
00:49:51,950 --> 00:49:50,130
that ASCII had so connection with the

1132
00:49:54,640 --> 00:49:51,960
observatory which he certainly did not

1133
00:49:59,239 --> 00:49:54,650
and I spent a whole afternoon

1134
00:50:01,609 --> 00:49:59,249
interviewing a danske at Palomar gardens

1135
00:50:03,799 --> 00:50:01,619
and even that day or the next hour I

1136
00:50:06,170 --> 00:50:03,809
went up to the top of the mountain and

1137
00:50:09,920 --> 00:50:06,180
interview the people at the observatory

1138
00:50:12,349 --> 00:50:09,930

as I say there was not much love lost

1139

00:50:15,529 --> 00:50:12,359

between these two groups it was rather

1140

00:50:17,359 --> 00:50:15,539

than unity Nick Redfern the various

1141

00:50:21,769 --> 00:50:17,369

contact deeds did any of them have a

1142

00:50:23,870 --> 00:50:21,779

meaningful job prior to becoming famous

1143

00:50:26,089 --> 00:50:23,880

for their alleged contacts well

1144

00:50:28,640 --> 00:50:26,099

certainly Van Tassel did I mean he had a

1145

00:50:30,049 --> 00:50:28,650

very good job at it Hughes Aircraft you

1146

00:50:33,109 --> 00:50:30,059

know that that's a fact

1147

00:50:35,329 --> 00:50:33,119

I mean but he basically quit his job

1148

00:50:37,190 --> 00:50:35,339

moved out to giant rock and lived in the

1149

00:50:39,829 --> 00:50:37,200

cave and underground with his fancy

1150

00:50:41,120 --> 00:50:39,839

support himself with contributions well

1151

00:50:43,519 --> 00:50:41,130

I think you know like a lot of these

1152

00:50:46,609 --> 00:50:43,529

guys contributions sort of menial work

1153

00:50:49,609 --> 00:50:46,619

at the band's hassle you know he helps

1154

00:50:50,960 --> 00:50:49,619

maintain this Bastrop area giant rock

1155

00:50:53,029 --> 00:50:50,970

and I think got some funding through

1156

00:50:55,489 --> 00:50:53,039

that you know Adamski

1157

00:50:56,210 --> 00:50:55,499

had his place on Palomar as Jim just

1158

00:50:58,069 --> 00:50:56,220

spoke about

1159

00:51:00,290 --> 00:50:58,079

and when on the lecture circuit road

1160

00:51:03,410 --> 00:51:00,300

books you know and I think like a lot of

1161

00:51:05,480 --> 00:51:03,420

us who do what we do you know you you

1162

00:51:07,370 --> 00:51:05,490

scrape believe it through like you did

1163

00:51:10,250 --> 00:51:07,380

one or one of those brings the the

1164

00:51:12,200 --> 00:51:10,260

Georgia dance he had done before he

1165

00:51:15,680 --> 00:51:12,210

officially got into the sulphur field

1166

00:51:18,200 --> 00:51:15,690

and I don't know how far back this would

1167

00:51:20,089 --> 00:51:18,210

go and I don't remember okay and how do

1168

00:51:24,380 --> 00:51:20,099

I know it but I read it in more than one

1169

00:51:26,660 --> 00:51:24,390

place he during Prohibition which lasted

1170

00:51:29,930 --> 00:51:26,670

longer some parts of the country than

1171

00:51:33,140 --> 00:51:29,940

others he had some kind of a let's say

1172

00:51:36,410 --> 00:51:33,150

funny Church that he was running and as

1173

00:51:39,190 --> 00:51:36,420

part of the sacrament that was wine so

1174

00:51:41,960 --> 00:51:39,200

what he did using that as an excuse he

1175

00:51:45,260 --> 00:51:41,970

manufactured best qualities of the wine

1176

00:51:48,770 --> 00:51:45,270

and distributed it in in violation of

1177

00:51:51,050 --> 00:51:48,780

the prohibition situation and that's in

1178

00:51:53,960 --> 00:51:51,060

other words he was a bootlegger in other

1179

00:51:57,800 --> 00:51:53,970

words he was about like yes that was one

1180

00:52:00,380 --> 00:51:57,810

of this earlier professions before he

1181

00:52:02,720 --> 00:52:00,390

got into any of this esoteric stuff and

1182

00:52:05,500 --> 00:52:02,730

I find that quite interesting and indeed

1183

00:52:08,870 --> 00:52:05,510

amusing also did any of these people

1184

00:52:10,940 --> 00:52:08,880

Nick or Jim have a lot of money before

1185

00:52:14,150 --> 00:52:10,950

they got involved in the contact D

1186

00:52:16,400 --> 00:52:14,160

movement no no I would agree I think a

1187

00:52:18,200 --> 00:52:16,410

lot of them were just people who some of

1188

00:52:19,819 --> 00:52:18,210

them I think were you know just hoaxes

1189

00:52:22,069 --> 00:52:19,829

and who likes dancing people like book

1190

00:52:24,650 --> 00:52:22,079

Elson you know and he's done Bucky who

1191

00:52:26,270 --> 00:52:24,660

stories like that but some of them you

1192

00:52:28,460 --> 00:52:26,280

know they didn't have much money before

1193

00:52:31,490 --> 00:52:28,470

and maybe they didn't even need much

1194

00:52:33,170 --> 00:52:31,500

money they you know they got by because

1195

00:52:35,109 --> 00:52:33,180

a lot of them you know I think we're

1196

00:52:36,910 --> 00:52:35,119

kind of attracted to alternative

1197

00:52:39,770 --> 00:52:36,920

lifestyles you know like for example

1198

00:52:42,260 --> 00:52:39,780

Adamski years ago in the 30s at his

1199

00:52:44,720 --> 00:52:42,270

royal order of Tibet so in other words

1200

00:52:46,160 --> 00:52:44,730

you know I think it didn't matter to a

1201
00:52:48,260 --> 00:52:46,170
lot of these people whether they had you

1202
00:52:50,210 --> 00:52:48,270
know two cars the swimming pool or

1203
00:52:52,220 --> 00:52:50,220
whatever you know they were kind of

1204
00:52:53,750 --> 00:52:52,230
happy like a lot of us are in this

1205
00:52:56,030 --> 00:52:53,760
subject you know getting by go to

1206
00:52:59,359 --> 00:52:56,040
conferences hanging out with friends and

1207
00:53:01,339 --> 00:52:59,369
doing research or whatever but they

1208
00:53:03,140 --> 00:53:01,349
didn't really feel a need to be a part

1209
00:53:05,329 --> 00:53:03,150
of sort of the mainstream world it

1210
00:53:06,320 --> 00:53:05,339
wasn't a big deal to them I don't think

1211
00:53:07,910 --> 00:53:06,330
no I was

1212
00:53:10,130 --> 00:53:07,920
excuse me for interrupting now I just

1213
00:53:13,190 --> 00:53:10,140

got to say I don't think any of them

1214

00:53:17,210 --> 00:53:13,200

made any vast amount of money probably

1215

00:53:19,670 --> 00:53:17,220

the one that would have closer than any

1216

00:53:21,230 --> 00:53:19,680

of the others to making good money would

1217

00:53:23,090 --> 00:53:21,240

have been at a ski at least at the

1218

00:53:25,670 --> 00:53:23,100

beginning and I don't know if I continue

1219

00:53:27,740 --> 00:53:25,680

to the same extent for the rest of his

1220

00:53:30,530 --> 00:53:27,750

life I would rather think that he didn't

1221

00:53:32,930 --> 00:53:30,540

to which he did quite well for a while

1222

00:53:35,810 --> 00:53:32,940

and I think you're right most of them

1223

00:53:38,120 --> 00:53:35,820

just were happy with the attention that

1224

00:53:41,030 --> 00:53:38,130

they got the ability to travel around

1225

00:53:43,700 --> 00:53:41,040

the country and free guard with friends

1226
00:53:45,890 --> 00:53:43,710
and followers saw them had little groups

1227
00:53:49,580 --> 00:53:45,900
and followers in different cities and

1228
00:53:52,220 --> 00:53:49,590
they go and give a special lecture to

1229
00:53:55,490 --> 00:53:52,230
each one is over going through that part

1230
00:53:58,790 --> 00:53:55,500
of the country and it would be a very

1231
00:54:01,100 --> 00:53:58,800
pleasant life and an opportunity for

1232
00:54:03,680 --> 00:54:01,110
them to express themselves in any way

1233
00:54:05,570 --> 00:54:03,690
that they wanted Nick isn't it true also

1234
00:54:08,810 --> 00:54:05,580
that some of these contactees maybe ran

1235
00:54:11,600 --> 00:54:08,820
to some personal difficulties such as

1236
00:54:14,000 --> 00:54:11,610
divorces and such because of this yeah I

1237
00:54:16,370 --> 00:54:14,010
guess the most famous one in conv musi

1238
00:54:18,980 --> 00:54:16,380

one was a story of Truman bathroom

1239

00:54:21,080 --> 00:54:18,990

veterans story to me is one of my my

1240

00:54:23,300 --> 00:54:21,090

favorite ones because it sounds so

1241

00:54:25,760 --> 00:54:23,310

outrageous so when you dig into you find

1242

00:54:28,460 --> 00:54:25,770

a lot of parallels with his story with

1243

00:54:30,950 --> 00:54:28,470

ancient stories very old centuries-old

1244

00:54:32,330 --> 00:54:30,960

stories of meetings with higher beings

1245

00:54:35,270 --> 00:54:32,340

and higher entities and there's also

1246

00:54:36,800 --> 00:54:35,280

like a sociological undercurrent to it

1247

00:54:40,390 --> 00:54:36,810

as well which I'll discuss basically

1248

00:54:43,100 --> 00:54:40,400

bathroom was a road worker and in 1952

1249

00:54:44,930 --> 00:54:43,110

working on highways in Nevada felt

1250

00:54:47,750 --> 00:54:44,940

compelled to go out to this huge Mesa

1251
00:54:50,390 --> 00:54:47,760
called Mormon Mesa where he said he fell

1252
00:54:52,340 --> 00:54:50,400
asleep and woke up to this huge flying

1253
00:54:54,380 --> 00:54:52,350
saucer coming down quite literally like

1254
00:54:56,630 --> 00:54:54,390
something out of debut Stood Still and

1255
00:54:57,980 --> 00:54:56,640
these crew members came out interesting

1256
00:55:00,740 --> 00:54:57,990
that they weren't the classic

1257
00:55:02,690 --> 00:55:00,750
long-haired blonds of the Adamski Van

1258
00:55:04,820 --> 00:55:02,700
Tassel talked about they were actually

1259
00:55:05,600 --> 00:55:04,830
smaller like five foot tall we've where

1260
00:55:07,550 --> 00:55:05,610
he caps

1261
00:55:10,670 --> 00:55:07,560
almost sounded like the Betty and Barney

1262
00:55:12,710 --> 00:55:10,680
Hill aliens in some respects but he said

1263
00:55:15,170 --> 00:55:12,720

that to cut a long story short he met

1264

00:55:16,700 --> 00:55:15,180

the the captain of the spacecraft whose

1265

00:55:17,660 --> 00:55:16,710

name was all arranged she was this

1266

00:55:20,000 --> 00:55:17,670

beautiful

1267

00:55:21,440 --> 00:55:20,010

heart-space babe and the book kind of

1268

00:55:24,620 --> 00:55:21,450

comes across between like Star Trek

1269

00:55:26,480 --> 00:55:24,630

meets Baywatch or something like that he

1270

00:55:29,180 --> 00:55:26,490

claimed to have these sort of flirty

1271

00:55:31,640 --> 00:55:29,190

late-night encounters with aura reigns

1272

00:55:33,920 --> 00:55:31,650

on top of this Mesa you know where they

1273

00:55:37,099 --> 00:55:33,930

would discuss philosophy and things like

1274

00:55:41,480 --> 00:55:37,109

this and yes the last of the yes indeed

1275

00:55:44,920 --> 00:55:41,490

right well actually no he never claimed

1276

00:55:47,750 --> 00:55:44,930

to have actually have had sex with all

1277

00:55:49,490 --> 00:55:47,760

right yeah that's right to me you know

1278

00:55:51,200 --> 00:55:49,500

if there was any truth to the story I

1279

00:55:52,759 --> 00:55:51,210

think you know that would have been the

1280

00:55:54,950 --> 00:55:52,769

next step but he claimed that didn't

1281

00:55:57,019 --> 00:55:54,960

happen but what he did say and what he

1282

00:55:58,250 --> 00:55:57,029

did admit was at the same time he was

1283

00:56:00,410 --> 00:55:58,260

having these meetings with this

1284

00:56:01,940 --> 00:56:00,420

beautiful woman that his second marriage

1285

00:56:04,039 --> 00:56:01,950

was already on the rocks

1286

00:56:06,500 --> 00:56:04,049

if you read the story to me it almost

1287

00:56:08,059 --> 00:56:06,510

comes across as like a self-conscious

1288

00:56:10,279 --> 00:56:08,069

attempt to get away from the

1289

00:56:12,380 --> 00:56:10,289

difficulties of his married life with

1290

00:56:15,109 --> 00:56:12,390

this fantasy woman who would fulfill all

1291

00:56:17,480 --> 00:56:15,119

his needs etc he actually married for a

1292

00:56:19,670 --> 00:56:17,490

third time one of the things I point out

1293

00:56:21,890 --> 00:56:19,680

to people not many people realize he

1294

00:56:23,599 --> 00:56:21,900

said his third wife was named Elvira

1295

00:56:27,499 --> 00:56:23,609

Roberts who happens to share the same

1296

00:56:29,450 --> 00:56:27,509

initials as aura Raines they are so it

1297

00:56:31,849 --> 00:56:29,460

was almost as if he didn't impact it on

1298

00:56:34,009 --> 00:56:31,859

his entire married life and a lot of

1299

00:56:36,259 --> 00:56:34,019

people who knew him said that he came

1300

00:56:38,930 --> 00:56:36,269

across as utterly believing his story

1301

00:56:41,509 --> 00:56:38,940

and also though he was supposedly

1302

00:56:43,490 --> 00:56:41,519

obsessed with or arranged for the rest

1303

00:56:45,049 --> 00:56:43,500

of his entire life but he does come

1304

00:56:47,660 --> 00:56:45,059

across to me as someone who may have had

1305

00:56:50,749 --> 00:56:47,670

an experience and literally believed it

1306

00:56:54,079 --> 00:56:50,759

with 100% certainty but it may have been

1307

00:56:56,569 --> 00:56:54,089

some sort of internal fantasy that was

1308

00:56:58,490 --> 00:56:56,579

externalize to such a powerful extent

1309

00:57:01,249 --> 00:56:58,500

but he came to believe it he was married

1310

00:57:03,440 --> 00:57:01,259

three times that's correct he was

1311

00:57:05,990 --> 00:57:03,450

married in the forties which didn't last

1312

00:57:07,579 --> 00:57:06,000

long then the fifties and his wife left

1313

00:57:09,860 --> 00:57:07,589

him because he was supposedly spending

1314

00:57:13,490 --> 00:57:09,870

too much time at all well when

1315

00:57:16,010 --> 00:57:13,500

brains named as the correspondent or

1316

00:57:18,590 --> 00:57:16,020

whatever the term is in his divorce

1317

00:57:20,750 --> 00:57:18,600

proceedings from his second wife yeah

1318

00:57:22,700 --> 00:57:20,760

that was one of the reasons behind the

1319

00:57:24,140 --> 00:57:22,710

divorce was the fact that you know he

1320

00:57:25,340 --> 00:57:24,150

was supposedly getting a little bit too

1321

00:57:27,530 --> 00:57:25,350

close to this

1322

00:57:29,210 --> 00:57:27,540

Gillian woman you know one of the things

1323

00:57:30,710 --> 00:57:29,220

I point out in the block as well is that

1324

00:57:33,410 --> 00:57:30,720

you can look throughout history

1325

00:57:35,840 --> 00:57:33,420

particularly in fairy encounters you

1326
00:57:37,910 --> 00:57:35,850
know in the 1500s and 1600 in England

1327
00:57:40,460 --> 00:57:37,920
where someone a man would be enchanted

1328
00:57:43,220 --> 00:57:40,470
by the fairy queen and they would have

1329
00:57:45,830 --> 00:57:43,230
again be late nights and cancered in an

1330
00:57:47,630 --> 00:57:45,840
isolated area may be subject to missing

1331
00:57:49,850 --> 00:57:47,640
time you know kind of a lot of stuff

1332
00:57:51,800 --> 00:57:49,860
that ballet talked about in passport to

1333
00:57:55,070 --> 00:57:51,810
Magana and I think there are parallels

1334
00:57:57,200 --> 00:57:55,080
enough parallels in batter and story to

1335
00:57:59,090 --> 00:57:57,210
suggest that there are elements of that

1336
00:58:01,880 --> 00:57:59,100
to the case as well that he was somehow

1337
00:58:03,650 --> 00:58:01,890
you know an altered state of mind and

1338
00:58:05,800 --> 00:58:03,660

and may well having encountered

1339

00:58:08,480 --> 00:58:05,810

something but perhaps that's something

1340

00:58:10,910 --> 00:58:08,490

manifested in a way that was based

1341

00:58:13,040 --> 00:58:10,920

around his internal worries about his

1342

00:58:17,120 --> 00:58:13,050

marriages etc you know his third

1343

00:58:20,870 --> 00:58:17,130

marriage was also consummated with the

1344

00:58:23,510 --> 00:58:20,880

ceremony took place at giant rock I

1345

00:58:26,510 --> 00:58:23,520

don't remember exactly which year but I

1346

00:58:29,540 --> 00:58:26,520

just happened to be there and on the

1347

00:58:34,610 --> 00:58:29,550

cover of one of the issues of saucer

1348

00:58:36,920 --> 00:58:34,620

news I have a picture of the I was a

1349

00:58:40,670 --> 00:58:36,930

young married couple because they both

1350

00:58:43,520 --> 00:58:40,680

were at least middle-aged and looked at

1351

00:58:46,610 --> 00:58:43,530

all definitely the picture of him and

1352

00:58:49,430 --> 00:58:46,620

his I guess last white at the ceremony

1353

00:58:52,450 --> 00:58:49,440

or right after it and I remember I had a

1354

00:58:55,700 --> 00:58:52,460

sarcastic a caption to the picture

1355

00:59:00,380 --> 00:58:55,710

something to the effect that this would

1356

00:59:05,570 --> 00:59:00,390

not take the place in his mind his first

1357

00:59:07,400 --> 00:59:05,580

love which was money and it was worded a

1358

00:59:10,359 --> 00:59:07,410

little bit better than that but anyway

1359

00:59:13,249 --> 00:59:10,369

that was my take on him

1360

00:59:14,870 --> 00:59:13,259

it was something interesting that I just

1361

00:59:17,299 --> 00:59:14,880

happen to be there at that time

1362

00:59:19,219 --> 00:59:17,309

Jim Mosley tell our listeners where they

1363

00:59:21,499 --> 00:59:19,229

can learn about saucer smear

1364

00:59:23,509 --> 00:59:21,509

well it's plenty of the two of theirs he

1365

00:59:26,179 --> 00:59:23,519

can in fact you can say in the funny way

1366

00:59:28,969 --> 00:59:26,189

if you want well yes you can do it any

1367

00:59:32,739 --> 00:59:28,979

way you want but just send a letter or

1368

00:59:35,599 --> 00:59:32,749

nose or a psychic message or anything to

1369

00:59:38,449 --> 00:59:35,609

saucer smear you don't even need that

1370

00:59:43,219 --> 00:59:38,459

it's cause there's mere two words pedo

1371

00:59:44,209 --> 00:59:43,229

box 1 7 oh nothing he was two words he

1372

00:59:47,809 --> 00:59:44,219

was Florida

1373

00:59:50,239 --> 00:59:47,819

3 304 1 and so you're interested in

1374

00:59:51,140 --> 00:59:50,249

receiving the magazine and will take

1375

00:59:53,509 --> 00:59:51,150

care of it from there

1376

00:59:55,489 --> 00:59:53,519

we have Nick Redfern author of

1377

00:59:57,559 --> 00:59:55,499

contactees history of alien human

1378

01:00:00,049 --> 00:59:57,569

interaction Jim Mosely editor of saucer

1379

01:00:05,479 --> 01:00:00,059

smear more on the other side of the

1380

01:00:07,130 --> 01:00:05,489

power cast we want to hear from you if

1381

01:00:10,339 --> 01:00:07,140

you have a comment a question about the

1382

01:00:14,299 --> 01:00:10,349

pair cast send it to news at the podcast

1383

01:00:16,279 --> 01:00:14,309

calm that's news at the podcast calm and

1384

01:00:17,989 --> 01:00:16,289

don't forget to visit our forums where

1385

01:00:20,539 --> 01:00:17,999

you can talk to fellow listeners just go

1386

01:00:23,029 --> 01:00:20,549

to the para cast calm and click on the

1387

01:00:31,370 --> 01:00:23,039

forum links that's the forum links at

1388

01:00:40,040 --> 01:00:33,780

welcome back to the parent house with

1389

01:00:45,740 --> 01:00:43,460

we have Nick Redfern co-hosts author of

1390

01:00:48,650 --> 01:00:45,750

contactees a history of alien human

1391

01:00:51,560 --> 01:00:48,660

interaction via Mosley editor of saucers

1392

01:00:53,960 --> 01:00:51,570

smear and we're looking into the life

1393

01:00:55,240 --> 01:00:53,970

and times of the UFO contactees in this

1394

01:00:58,580 --> 01:00:55,250

hour we'll start with leading them to

1395

01:01:01,040 --> 01:00:58,590

more recent events and kind of see what

1396

01:01:03,740 --> 01:01:01,050

happens Nick did any of these contactees

1397

01:01:06,490 --> 01:01:03,750

ever run afoul of the law where the

1398

01:01:09,920 --> 01:01:06,500

police got after them for alleged

1399

01:01:11,480 --> 01:01:09,930

thievery or fraud oh yeah the old

1400

01:01:13,280 --> 01:01:11,490

chapter in the book a man who actually

1401

01:01:15,440 --> 01:01:13,290

wasn't that well known in the field his

1402

01:01:18,020 --> 01:01:15,450

name was Harold Bernie he wrote a book

1403

01:01:20,600 --> 01:01:18,030

called my trip to Venus now Harold

1404

01:01:22,280 --> 01:01:20,610

Bernie was a sign painter and not many

1405

01:01:23,750 --> 01:01:22,290

people would even within the contactee

1406

01:01:26,540 --> 01:01:23,760

movement know of him but I got hold of

1407

01:01:30,220 --> 01:01:26,550

his FBI file which talks about how he'd

1408

01:01:32,360 --> 01:01:30,230

basically conned a woman literally as

1409

01:01:35,750 --> 01:01:32,370

exaggerated as tens of thousands of

1410

01:01:38,300 --> 01:01:35,760

dollars to help fund basically his trip

1411

01:01:40,930 --> 01:01:38,310

to Venus and building a spaceport and

1412

01:01:44,000 --> 01:01:40,940

all sorts of you know classic 1950s

1413

01:01:46,940 --> 01:01:44,010

flying saucer type phenomena if you like

1414

01:01:48,710 --> 01:01:46,950

I mean he was like a really tragic case

1415

01:01:51,140 --> 01:01:48,720

of this woman who was basically just

1416

01:01:52,970 --> 01:01:51,150

taken in by this man and you know just

1417

01:01:54,770 --> 01:01:52,980

fleeced of all their money and he

1418

01:01:56,240 --> 01:01:54,780

received a lengthy jail sentence and the

1419

01:01:57,740 --> 01:01:56,250

FBI would were chasing him all around

1420

01:01:59,330 --> 01:01:57,750

the country trying to catch up with him

1421

01:02:01,370 --> 01:01:59,340

you changing names and changing

1422

01:02:04,160 --> 01:02:01,380

locations you know that's sort of one of

1423

01:02:05,660 --> 01:02:04,170

the darker ceadeus eyes I suppose you

1424

01:02:06,980 --> 01:02:05,670

know where for the most part where the

1425

01:02:09,350 --> 01:02:06,990

people believe you or not they were

1426
01:02:11,660 --> 01:02:09,360
entertained by it but you know when you

1427
01:02:14,870 --> 01:02:11,670
find a woman whose life was destroyed

1428
01:02:17,180 --> 01:02:14,880
because she basically gullibly gave all

1429
01:02:19,580 --> 01:02:17,190
our money away what if this show is you

1430
01:02:21,500 --> 01:02:19,590
know the sheer spell that many of these

1431
01:02:23,000 --> 01:02:21,510
people had over their followers and I

1432
01:02:25,400 --> 01:02:23,010
think that's one of the things that the

1433
01:02:27,590 --> 01:02:25,410
authorities were interested in worried

1434
01:02:30,500 --> 01:02:27,600
about was the the concentration of how

1435
01:02:32,300 --> 01:02:30,510
how people's lives could be affected and

1436
01:02:35,060 --> 01:02:32,310
and literally changed overnight

1437
01:02:37,070 --> 01:02:35,070
by becoming followers of the contactees

1438
01:02:39,440 --> 01:02:37,080

now of course there are other people I

1439

01:02:41,360 --> 01:02:39,450

gota ski car you know who got into

1440

01:02:43,550 --> 01:02:41,370

trouble with the authorities as well it

1441

01:02:45,740 --> 01:02:43,560

was you know like a cosmic equivalent of

1442

01:02:47,210 --> 01:02:45,750

a used car sales you know something like

1443

01:02:49,100 --> 01:02:47,220

that always coming up with new plans and

1444

01:02:51,609 --> 01:02:49,110

ideas that dropped him in hot water and

1445

01:02:54,759 --> 01:02:51,619

sometimes implicated

1446

01:02:57,190 --> 01:02:54,769

deliberately people like Wayne aho who

1447

01:02:59,349 --> 01:02:57,200

got involved without his T car and then

1448

01:03:00,910 --> 01:02:59,359

found himself in hot water not through

1449

01:03:03,940 --> 01:03:00,920

anything that he did but sort of guilt

1450

01:03:05,890 --> 01:03:03,950

by association so some of them were sort

1451

01:03:07,390 --> 01:03:05,900

of colorful characters best avoided if

1452

01:03:13,180 --> 01:03:07,400

you got a few dollars in your pocket

1453

01:03:17,529 --> 01:03:13,190

you know Wayne who was originally named

1454

01:03:20,259 --> 01:03:17,539

or called wing a ho and he insisted on

1455

01:03:24,729 --> 01:03:20,269

changing the pronunciation of his last

1456

01:03:28,089 --> 01:03:24,739

names who because a ho sounds too much

1457

01:03:29,319 --> 01:03:28,099

like yes yes that we probably can't say

1458

01:03:32,410 --> 01:03:29,329

on this very high-class

1459

01:03:34,150 --> 01:03:32,420

radio program okay that's what I like

1460

01:03:36,069 --> 01:03:34,160

about Jim stories just got all these

1461

01:03:38,469 --> 01:03:36,079

weird Atlantic doubts hold of that

1462

01:03:41,140 --> 01:03:38,479

these people from years ago well yeah I

1463

01:03:43,870 --> 01:03:41,150

mean there was always something amusing

1464

01:03:46,450 --> 01:03:43,880

about them you know one thing that comes

1465

01:03:50,049 --> 01:03:46,460

to my mind when I went as I say several

1466

01:03:54,099 --> 01:03:50,059

times over the years to giant rock Van

1467

01:03:56,109 --> 01:03:54,109

Tassel was a very very nice person again

1468

01:03:58,660 --> 01:03:56,119

he's one of the people that didn't seem

1469

01:04:01,630 --> 01:03:58,670

to hold it against me that I was known

1470

01:04:03,969 --> 01:04:01,640

as a skeptic as far as the contactees

1471

01:04:07,089 --> 01:04:03,979

were concerned I wasn't a skeptic about

1472

01:04:10,479 --> 01:04:07,099

saucers only in in regard to their

1473

01:04:13,329 --> 01:04:10,489

particular stories and I remember I

1474

01:04:16,209 --> 01:04:13,339

forget how it began but one of those

1475

01:04:19,680 --> 01:04:16,219

years I asked Van Tassel if I could

1476

01:04:22,749 --> 01:04:19,690

speak from the look of what he had was

1477

01:04:25,029 --> 01:04:22,759

that really was of course a giant rock I

1478

01:04:28,319 --> 01:04:25,039

don't never just how taller was ninety

1479

01:04:31,329 --> 01:04:28,329

thirty Steve or so and he had built a

1480

01:04:32,829 --> 01:04:31,339

stairway a wooden stairway that went to

1481

01:04:35,380 --> 01:04:32,839

the top and then there was a platform

1482

01:04:39,160 --> 01:04:35,390

there where you could stand comfortably

1483

01:04:41,890 --> 01:04:39,170

and it was a mic setup and so on so one

1484

01:04:43,779 --> 01:04:41,900

by one people would give their speeches

1485

01:04:45,640 --> 01:04:43,789

in the course of the day and I don't

1486

01:04:47,670 --> 01:04:45,650

think there was any schedule of it as

1487

01:04:51,249 --> 01:04:47,680

far as I remember it was just ad-libbed

1488

01:04:53,410 --> 01:04:51,259

so when I asked Van Tassel can I speak

1489

01:04:56,259 --> 01:04:53,420

from the rock he said sure go ahead and

1490

01:04:59,259 --> 01:04:56,269

I said well how long do I have he said

1491

01:05:01,029 --> 01:04:59,269

take as long as you want and I think he

1492

01:05:01,960 --> 01:05:01,039

meant it so I got up there and just said

1493

01:05:04,089 --> 01:05:01,970

a few words

1494

01:05:06,130 --> 01:05:04,099

the crowd and so on but I just thought

1495

01:05:08,290 --> 01:05:06,140

it was very nice of them I did that two

1496

01:05:10,630 --> 01:05:08,300

or three different years I don't think

1497

01:05:13,420 --> 01:05:10,640

the crowd the ones that knew me were

1498

01:05:15,970 --> 01:05:13,430

particularly happy to see me or hear for

1499

01:05:18,550 --> 01:05:15,980

me but the entire soul of course was

1500

01:05:22,839 --> 01:05:18,560

really nice about it and just another

1501

01:05:25,089 --> 01:05:22,849

thing he had most of those years at

1502

01:05:27,460 --> 01:05:25,099

least a thousand or two people sometimes

1503

01:05:30,099 --> 01:05:27,470

more that would come out to the desert

1504

01:05:33,400 --> 01:05:30,109

and park their cars or their vans or

1505

01:05:35,680 --> 01:05:33,410

campers or whatever in the vicinity

1506

01:05:37,210 --> 01:05:35,690

he didn't attempt to charge them

1507

01:05:40,300 --> 01:05:37,220

anything for any of that

1508

01:05:44,080 --> 01:05:40,310

the only commercialism there was his

1509

01:05:46,570 --> 01:05:44,090

wife ran a little hamburger stand and no

1510

01:05:49,060 --> 01:05:46,580

one else did is not that she had these

1511

01:05:52,540 --> 01:05:49,070

foods is nobody else tried to so I guess

1512

01:05:54,250 --> 01:05:52,550

he made a little money from that but in

1513

01:05:54,820 --> 01:05:54,260

his own way he seemed like a very decent

1514

01:05:57,849 --> 01:05:54,830

fella

1515

01:06:01,589 --> 01:05:57,859

now about the Integra Tron this thing

1516

01:06:04,420 --> 01:06:01,599

this big Observatory type tower or

1517

01:06:07,000 --> 01:06:04,430

globular thing that he built in the

1518

01:06:08,829 --> 01:06:07,010

desert Nick what was the outcome of that

1519

01:06:10,570 --> 01:06:08,839

what were they promising of it and

1520

01:06:12,550 --> 01:06:10,580

whatever happened to that device well

1521

01:06:14,470 --> 01:06:12,560

basically it's still there I've been out

1522

01:06:17,260 --> 01:06:14,480

to the integratron several times and you

1523

01:06:19,770 --> 01:06:17,270

quiet right it looks like this best way

1524

01:06:21,579 --> 01:06:19,780

to describe is kind of like a huge

1525

01:06:24,460 --> 01:06:21,589

astronomical observatory it's like a

1526

01:06:26,109 --> 01:06:24,470

two-story domed white building out in

1527

01:06:28,420 --> 01:06:26,119

the desert near the town of Landers

1528

01:06:32,530 --> 01:06:28,430

which is a couple of hours drive outside

1529

01:06:34,180 --> 01:06:32,540

of LA and the the idea was according to

1530

01:06:36,609 --> 01:06:34,190

Van Tassel was that it was built on the

1531

01:06:39,599 --> 01:06:36,619

instructions of the space brothers and

1532

01:06:42,670 --> 01:06:39,609

it would have the ability to I guess

1533

01:06:44,560 --> 01:06:42,680

rejuvenate human body cells and the

1534

01:06:47,109 --> 01:06:44,570

human body so whether we would achieve

1535

01:06:49,180 --> 01:06:47,119

immortality or an extended or

1536

01:06:51,040 --> 01:06:49,190

drastically extended lifespan I guess

1537

01:06:53,230 --> 01:06:51,050

he's open to question but but that was

1538

01:06:54,910 --> 01:06:53,240

the that was the notion of it was when

1539

01:06:58,150 --> 01:06:54,920

he was finished I guess it would contain

1540

01:07:00,430 --> 01:06:58,160

technologies or you know some sort of

1541

01:07:03,820 --> 01:07:00,440

power that would would rejuvenate body

1542

01:07:05,530 --> 01:07:03,830

cells etc now again you know whether or

1543

01:07:08,349 --> 01:07:05,540

not that's true or that's open to

1544

01:07:10,390 --> 01:07:08,359

interpretation as to whether or not Van

1545

01:07:11,810 --> 01:07:10,400

Tassel believed it or you know he was

1546

01:07:13,820 --> 01:07:11,820

told something who knows

1547

01:07:16,060 --> 01:07:13,830

but that was the essential theme of it

1548

01:07:18,590 --> 01:07:16,070

today they they used to have a

1549

01:07:20,660 --> 01:07:18,600

conference there which was held for I

1550

01:07:22,580 --> 01:07:20,670

think three years I spoke at the last

1551

01:07:24,800 --> 01:07:22,590

one which is called the retro UFO

1552

01:07:26,660 --> 01:07:24,810

conference was actually very good idea

1553

01:07:29,480 --> 01:07:26,670

because he was actually held out a giant

1554

01:07:32,480 --> 01:07:29,490

rock and the integratron and it was very

1555

01:07:34,640 --> 01:07:32,490

much themed around you know the early

1556

01:07:36,770 --> 01:07:34,650

years of ufology not in kind of like

1557

01:07:39,050 --> 01:07:36,780

wallowing in nostalgia but just bringing

1558

01:07:40,490 --> 01:07:39,060

home to a new audience the early years

1559

01:07:42,890 --> 01:07:40,500

of the subject a lot of people didn't

1560

01:07:45,620 --> 01:07:42,900

know about and you know for me to go out

1561

01:07:47,480 --> 01:07:45,630

there and to see the integratron having

1562

01:07:50,050 --> 01:07:47,490

heard about it for years who it was sort

1563

01:07:52,940 --> 01:07:50,060

of like a interesting and even powerful

1564

01:07:54,590 --> 01:07:52,950

experience to actually be where I guess

1565

01:07:56,300 --> 01:07:54,600

youthful article history was made

1566

01:07:58,610 --> 01:07:56,310

regardless of what you know you think

1567

01:08:00,650 --> 01:07:58,620

about these people and it still stands

1568

01:08:03,140 --> 01:08:00,660

to this day and they have seminars

1569

01:08:04,580 --> 01:08:03,150

lectures meditations and all sorts of

1570

01:08:07,280 --> 01:08:04,590

things there so it's in other words it's

1571

01:08:13,750 --> 01:08:07,290

still like a viable place why did they

1572

01:08:16,039 --> 01:08:13,760

stop having the conventions I know I

1573

01:08:17,870 --> 01:08:16,049

gracefully don't know I mean if you look

1574

01:08:20,720 --> 01:08:17,880

at it yeah I mean you know I'm sure as

1575

01:08:22,789 --> 01:08:20,730

you can attest back in the 50s when he

1576

01:08:24,470 --> 01:08:22,799

was at his height the conference's of

1577

01:08:26,180 --> 01:08:24,480

j-rod were getting thousands of people

1578

01:08:28,910 --> 01:08:26,190

when I was there I think there were

1579

01:08:30,860 --> 01:08:28,920

maybe 60 people and I'm sure you know it

1580

01:08:34,730 --> 01:08:30,870

costs quite a bit of money to fly people

1581

01:08:37,039 --> 01:08:34,740

in and put an event on and I guess I

1582

01:08:39,500 --> 01:08:37,049

don't know 60 people could see you know

1583

01:08:41,900 --> 01:08:39,510

in terms of making it viable or not do

1584

01:08:44,750 --> 01:08:41,910

you know who who owns it now or what

1585

01:08:47,329 --> 01:08:44,760

kind of people own the entire I'm not

1586

01:08:49,490 --> 01:08:47,339

actually sure that no I'm not too sure

1587

01:08:52,039 --> 01:08:49,500

enough well you know it went to several

1588

01:08:56,840 --> 01:08:52,049

different incarnations you might say

1589

01:08:59,210 --> 01:08:56,850

after Van Tassel died and I I don't know

1590

01:09:02,090 --> 01:08:59,220

the whole story either it's been closed

1591

01:09:04,490 --> 01:09:02,100

for periods of time it's they tried this

1592

01:09:06,680 --> 01:09:04,500

they tried that I think they even tried

1593

01:09:09,320 --> 01:09:06,690

to make it into a wedding chapel at one

1594

01:09:11,329 --> 01:09:09,330

point but as you say even though the

1595

01:09:14,960 --> 01:09:11,339

conventions are stuffed again now they

1596

01:09:16,820 --> 01:09:14,970

do have other activities you know I'm

1597

01:09:17,740 --> 01:09:16,830

going to ask a question here that comes

1598

01:09:19,450 --> 01:09:17,750

up now

1599

01:09:21,580 --> 01:09:19,460

which is we're talking about the

1600

01:09:24,460 --> 01:09:21,590

contactees they were popular in the 50s

1601

01:09:26,290 --> 01:09:24,470

and the 60s then we heard about Barney

1602

01:09:28,180 --> 01:09:26,300

and Benny Hill and this is a line of

1603

01:09:30,970 --> 01:09:28,190

demarcation we kind of forgot about the

1604

01:09:35,050 --> 01:09:30,980

contactees Nick was it all about the

1605

01:09:37,750 --> 01:09:35,060

contact claims basically winding down or

1606

01:09:39,310 --> 01:09:37,760

was our attention focus elsewhere well I

1607

01:09:41,770 --> 01:09:39,320

think this is this is an interesting

1608

01:09:45,000 --> 01:09:41,780

thing it's for example people people

1609

01:09:47,710 --> 01:09:45,010

assume I think quite wrongly that the

1610

01:09:50,140 --> 01:09:47,720

contactee movement was replaced by you

1611

01:09:52,420 --> 01:09:50,150

know these little gray guys with the

1612

01:09:55,990 --> 01:09:52,430

black eyes you know involved in the

1613

01:09:57,700 --> 01:09:56,000

abductions in reality the the contactee

1614

01:10:01,180 --> 01:09:57,710

movement never went away you can still

1615

01:10:03,340 --> 01:10:01,190

find classic Tom tatty cases to this day

1616

01:10:04,750 --> 01:10:03,350

but certainly not as prevalent and I

1617

01:10:06,700 --> 01:10:04,760

think the other big thing that people

1618

01:10:09,280 --> 01:10:06,710

forget is they're not publicized as much

1619

01:10:10,810 --> 01:10:09,290

today you know so in other words the

1620

01:10:13,630 --> 01:10:10,820

contactee movement was definitely

1621

01:10:15,490 --> 01:10:13,640

overshadowed by the abduction movements

1622

01:10:18,190 --> 01:10:15,500

but it wasn't a case as some people

1623

01:10:20,620 --> 01:10:18,200

think that one just literally replaced

1624

01:10:22,120 --> 01:10:20,630

the other one I think what happened is

1625

01:10:26,260 --> 01:10:22,130

that probably as our technologies

1626

01:10:28,450 --> 01:10:26,270

developed people perceive abductions and

1627

01:10:31,840 --> 01:10:28,460

you know the genetic experiment angle as

1628

01:10:33,400 --> 01:10:31,850

being more logical and serious than the

1629

01:10:35,500 --> 01:10:33,410

space brothers angle there's a lot of

1630

01:10:37,800 --> 01:10:35,510

people within the UFO subjects who are

1631

01:10:40,660 --> 01:10:37,810

striving to be taken very very seriously

1632

01:10:43,120 --> 01:10:40,670

you know the fact is there are massively

1633

01:10:44,860 --> 01:10:43,130

absurd things in ufology which we

1634

01:10:49,600 --> 01:10:44,870

shouldn't ignore that you know ufology

1635

01:10:51,430 --> 01:10:49,610

can be as funny humorous wacky absurd

1636

01:10:53,200 --> 01:10:51,440

subject and we should embrace that there

1637

01:10:55,360 --> 01:10:53,210

are so many people who feel it threatens

1638

01:10:58,900 --> 01:10:55,370

their credibility so they steered away

1639

01:11:00,460 --> 01:10:58,910

from the contactee issue and move more

1640

01:11:03,790 --> 01:11:00,470

into the area they saw that would give

1641

01:11:06,250 --> 01:11:03,800

them respectability ie the issue of

1642

01:11:08,640 --> 01:11:06,260

alien scientists coming and treating us

1643

01:11:10,780 --> 01:11:08,650

like lab rats which seems you know

1644

01:11:12,550 --> 01:11:10,790

plausible so I think that's what

1645

01:11:15,020 --> 01:11:12,560

happened that the old times just got

1646

01:11:16,820 --> 01:11:15,030

eclipsed by the newer times

1647

01:11:20,180 --> 01:11:16,830

well let's talk about newer times are

1648

01:11:22,400 --> 01:11:20,190

there current day contact deeds that we

1649

01:11:24,770 --> 01:11:22,410

should know about that have claims that

1650

01:11:26,300 --> 01:11:24,780

are similar to the original of course

1651
01:11:35,050 --> 01:11:26,310
they're not coming from Venus anymore

1652
01:11:38,660 --> 01:11:37,190
yeah but I mean I interviewed a couple

1653
01:11:40,460 --> 01:11:38,670
of people for the book who told me quite

1654
01:11:44,000 --> 01:11:40,470
openly you know that they had

1655
01:11:45,770 --> 01:11:44,010
experiences with aliens where you know

1656
01:11:47,450 --> 01:11:45,780
there was human like aliens I talk in

1657
01:11:50,050 --> 01:11:47,460
the book about one of Stonehenge of all

1658
01:11:53,060 --> 01:11:50,060
places where somebody had seen this

1659
01:11:54,290 --> 01:11:53,070
human-like being but there was something

1660
01:11:56,690 --> 01:11:54,300
strange about them they're dressed in

1661
01:11:59,840 --> 01:11:56,700
like a one-piece ski suit long blonde

1662
01:12:02,480 --> 01:11:59,850
hair and literally vanished in the wink

1663
01:12:04,370 --> 01:12:02,490

of an eye after just approaching someone

1664

01:12:06,710 --> 01:12:04,380

and talking about crop circles and how

1665

01:12:09,590 --> 01:12:06,720

crop circles were a message from the

1666

01:12:11,540 --> 01:12:09,600

aliens warning us to change our ways so

1667

01:12:14,270 --> 01:12:11,550

in other words the same message and

1668

01:12:16,580 --> 01:12:14,280

motif was being used in England in

1669

01:12:19,640 --> 01:12:16,590

across in Stonehenge in relation to crop

1670

01:12:21,350 --> 01:12:19,650

circles in the 1990s as is being used

1671

01:12:23,660 --> 01:12:21,360

back in the California desert in the

1672

01:12:26,200 --> 01:12:23,670

fist is now again the big question is

1673

01:12:28,490 --> 01:12:26,210

whether this is or some sort of internal

1674

01:12:30,590 --> 01:12:28,500

experience of the witness or the

1675

01:12:32,870 --> 01:12:30,600

literally is some sort of higher

1676

01:12:34,910 --> 01:12:32,880

intelligence you know traveling the

1677

01:12:35,960 --> 01:12:34,920

decades and the planet trying to get

1678

01:12:38,330 --> 01:12:35,970

these messages across

1679

01:12:40,970 --> 01:12:38,340

but this case I mean this case came

1680

01:12:43,850 --> 01:12:40,980

across as a classic contact TV event

1681

01:12:45,380 --> 01:12:43,860

there's no doubt about that so so the

1682

01:12:47,450 --> 01:12:45,390

scale of the reports might have gone

1683

01:12:49,250 --> 01:12:47,460

down but whatever's behind this

1684

01:12:52,210 --> 01:12:49,260

phenomenon it's still out there sort of

1685

01:12:56,030 --> 01:12:52,220

playing its tricks and it's games etc

1686

01:12:59,990 --> 01:12:56,040

well Nick do you think any of the kind

1687

01:13:03,380 --> 01:13:00,000

of the crop circles are made by aliens

1688

01:13:05,840 --> 01:13:03,390

or other unknown sources or are they all

1689

01:13:08,240 --> 01:13:05,850

hoaxes well you know it's interesting

1690

01:13:10,190 --> 01:13:08,250

how you use the term hoaxes Jim because

1691

01:13:11,540 --> 01:13:10,200

I do think the crop circles and

1692

01:13:14,330 --> 01:13:11,550

formations are made by people

1693

01:13:17,120 --> 01:13:14,340

predominantly and I certainly think all

1694

01:13:19,460 --> 01:13:17,130

the complex ones are now I actually know

1695

01:13:21,300 --> 01:13:19,470

a number of people make formations and

1696

01:13:25,140 --> 01:13:21,310

when people call them hoaxes

1697

01:13:26,550 --> 01:13:25,150

that implies basically that these people

1698

01:13:28,980 --> 01:13:26,560

are pulling the wall other people other

1699

01:13:31,590 --> 01:13:28,990

people's eyes and trying to deceive them

1700

01:13:33,420 --> 01:13:31,600

however if you look into it where you

1701

01:13:36,890 --> 01:13:33,430

actually find is that many of the people

1702

01:13:39,660 --> 01:13:36,900

who make the crop circle formations have

1703

01:13:42,660 --> 01:13:39,670

agendas and motivations that go far

1704

01:13:43,440 --> 01:13:42,670

beyond or don't even include trying to

1705

01:13:46,350 --> 01:13:43,450

trick people

1706

01:13:48,300 --> 01:13:46,360

for example mmm some people may crop

1707

01:13:51,690 --> 01:13:48,310

circles view what they do is a form of

1708

01:13:55,050 --> 01:13:51,700

artwork and instead of using paints and

1709

01:13:57,810 --> 01:13:55,060

pencils and easels etc they use the

1710

01:13:59,700 --> 01:13:57,820

medium of crop and they feel that what

1711

01:14:01,710 --> 01:13:59,710

they're doing is presenting a new type

1712

01:14:04,200 --> 01:14:01,720

of artwork that people can come and see

1713

01:14:05,400 --> 01:14:04,210

and interact with you know you don't

1714

01:14:06,990 --> 01:14:05,410

just go to a museum and look at a

1715

01:14:10,890 --> 01:14:07,000

painting on a wall with a crop circle

1716

01:14:13,410 --> 01:14:10,900

you enter the field you feel changed by

1717

01:14:14,760 --> 01:14:13,420

it and rejuvenate it as some people said

1718

01:14:17,220 --> 01:14:14,770

it's almost like an interactive

1719

01:14:19,890 --> 01:14:17,230

experience now I have another friend of

1720

01:14:21,990 --> 01:14:19,900

mine Matthew Williams who has the who

1721

01:14:24,240 --> 01:14:22,000

can claim and boast of being the only

1722

01:14:27,180 --> 01:14:24,250

person ever arrested and convicted

1723

01:14:29,250 --> 01:14:27,190

charged and convicted in Britain of

1724

01:14:32,030 --> 01:14:29,260

making a crop circle if the actual

1725

01:14:36,300 --> 01:14:32,040

charge was causing damage to a field

1726

01:14:38,910 --> 01:14:36,310

yeah yeah but Matthew Matthew has had a

1727

01:14:41,670 --> 01:14:38,920

number of very weird experiences in crop

1728

01:14:43,890 --> 01:14:41,680

circles that he has personally made such

1729

01:14:46,860 --> 01:14:43,900

as seeing strange balls of light over

1730

01:14:49,020 --> 01:14:46,870

the formation experiencing missing time

1731

01:14:51,450 --> 01:14:49,030

all sorts of strange things and Matthew

1732

01:14:54,290 --> 01:14:51,460

actually thinks that many of the circle

1733

01:14:56,520 --> 01:14:54,300

makers are actually kind of being

1734

01:14:59,310 --> 01:14:56,530

channeled by some sort of higher

1735

01:15:01,350 --> 01:14:59,320

intelligence which is instilling them to

1736

01:15:03,480 --> 01:15:01,360

go out to make the formation so they're

1737

01:15:05,970 --> 01:15:03,490

almost factoring is like a channeler or

1738

01:15:08,130 --> 01:15:05,980

as a contactee for some intelligence and

1739

01:15:10,140 --> 01:15:08,140

whereas people like a dam ski and Van

1740

01:15:12,210 --> 01:15:10,150

Tassel we're going out on the lecture

1741

01:15:15,090 --> 01:15:12,220

circuit today's people are being

1742

01:15:16,650 --> 01:15:15,100

provoked to make these formation so we

1743

01:15:19,770 --> 01:15:16,660

think about them and try and interpret

1744

01:15:22,140 --> 01:15:19,780

them so you know that in other ways that

1745

01:15:24,720 --> 01:15:22,150

the people involved in the phenomenon on

1746

01:15:27,840 --> 01:15:24,730

hoaxes there seems to it goes far deeper

1747

01:15:30,630 --> 01:15:27,850

as well with that so I think I think you

1748

01:15:31,320 --> 01:15:30,640

make a very good point because from what

1749

01:15:35,480 --> 01:15:31,330

little I

1750

01:15:38,730 --> 01:15:35,490

about it most of the people that know

1751

01:15:43,230 --> 01:15:38,740

how to make these tough circles and have

1752

01:15:47,510 --> 01:15:43,240

confessed having done so are themselves

1753

01:15:54,060 --> 01:15:47,520

on some kind of a spiritual kiss and and

1754

01:15:58,050 --> 01:15:54,070

they if I'm not mistaken have had we

1755

01:16:02,730 --> 01:15:58,060

might say abnormal or super normal

1756

01:16:05,240 --> 01:16:02,740

experiences when hanging out as it were

1757

01:16:09,300 --> 01:16:05,250

in their own soft circles in other words

1758

01:16:11,510 --> 01:16:09,310

it's indeed not a hoax and I used the

1759

01:16:15,330 --> 01:16:11,520

wrong word they are expressing their

1760

01:16:17,430 --> 01:16:15,340

spirituality I suppose by doing this is

1761

01:16:19,620 --> 01:16:17,440

that right yeah that's right and I think

1762

01:16:20,760 --> 01:16:19,630

that's what a lot of people again who

1763

01:16:22,800 --> 01:16:20,770

view it as black and white

1764

01:16:24,930 --> 01:16:22,810

a lot of people in the UFO field one

1765

01:16:26,160 --> 01:16:24,940

crop circles to be made by aliens it's

1766

01:16:28,020 --> 01:16:26,170

not just that they believe they're made

1767

01:16:30,270 --> 01:16:28,030

by aliens they actually wants that

1768

01:16:31,890 --> 01:16:30,280

theory to be true because it fits in

1769

01:16:35,250 --> 01:16:31,900

with their kind of comfort zone and

1770

01:16:37,320 --> 01:16:35,260

their belief system now my view is that

1771

01:16:40,230 --> 01:16:37,330

when you start having belief systems

1772

01:16:48,360 --> 01:16:40,240

that are rigidly held you know you fall

1773

01:16:50,130 --> 01:16:48,370

into a trap you'll never get out of hey

1774

01:16:52,890 --> 01:16:50,140

neighbors would you like to see the

1775

01:16:54,690 --> 01:16:52,900

power cast live long and prosper well if

1776

01:16:56,940 --> 01:16:54,700

you know of anyone who wants to

1777

01:16:59,070 --> 01:16:56,950

advertise their products or services on

1778

01:17:01,830 --> 01:16:59,080

the power cast have them contact us

1779

01:17:05,640 --> 01:17:01,840

directly tell them to write to sales at

1780

01:17:08,400 --> 01:17:05,650

the para cast com best sales at the para

1781

01:17:11,040 --> 01:17:08,410

cast outcome and we also accept your

1782

01:17:13,770 --> 01:17:11,050

donations by paypal send your PayPal

1783

01:17:16,890 --> 01:17:13,780

donation to the same address sales at

1784

01:17:19,490 --> 01:17:16,900

Lapera cast calm at sales at the power

1785

01:17:35,160 --> 01:17:19,500

cast calm and thanks for listening

1786

01:17:51,839 --> 01:17:42,900

[Music]

1787

01:17:57,549 --> 01:17:54,370

on the para cats we have Nick Redfern

1788

01:18:00,430 --> 01:17:57,559

author of contactees a history of alien

1789

01:18:02,950 --> 01:18:00,440

human interaction Jim Mosely editor of

1790

01:18:06,549 --> 01:18:02,960

saucer smear you were saying Nick about

1791

01:18:08,770 --> 01:18:06,559

this yeah I think you know that people

1792

01:18:10,870 --> 01:18:08,780

within the crop circle your research

1793

01:18:13,209 --> 01:18:10,880

community they want crop circles to be

1794

01:18:15,850 --> 01:18:13,219

made by aliens you know them that is the

1795

01:18:17,859 --> 01:18:15,860

primary focus of a lot of people's

1796

01:18:19,930 --> 01:18:17,869

research now when you have a belief

1797

01:18:21,970 --> 01:18:19,940

system about crop circles or any

1798

01:18:24,790 --> 01:18:21,980

phenomenon then you kind of you're

1799

01:18:27,970 --> 01:18:24,800

already lost you know we need to have an

1800

01:18:30,459 --> 01:18:27,980

open mind not a rigidly set mind and I

1801

01:18:33,069 --> 01:18:30,469

think what be what a lot of people in

1802

01:18:35,560 --> 01:18:33,079

the crop circle UFO research community

1803

01:18:37,600 --> 01:18:35,570

haven't done is to get to know the

1804

01:18:39,549 --> 01:18:37,610

people who make these formations and

1805

01:18:41,549 --> 01:18:39,559

I've heard had several good friends who

1806

01:18:44,140 --> 01:18:41,559

do this one of them Matthew Williams and

1807

01:18:46,419 --> 01:18:44,150

as Jim said you know a lot of these

1808

01:18:49,350 --> 01:18:46,429

people they're not necessarily religious

1809

01:18:51,879 --> 01:18:49,360

but they do have deeply held spiritual

1810

01:18:54,040 --> 01:18:51,889

mind/body/spirit views and they feel

1811

01:18:56,830 --> 01:18:54,050

some of them at least that creating

1812

01:18:58,689 --> 01:18:56,840

these formations kind of you know

1813

01:19:01,359 --> 01:18:58,699

bridges a link between the physical

1814

01:19:03,430 --> 01:19:01,369

world and the paranormal world and that

1815

01:19:05,560 --> 01:19:03,440

maybe they're acting as a vessel from

1816

01:19:07,720 --> 01:19:05,570

something you know in another realm of

1817

01:19:09,819 --> 01:19:07,730

existence to actually create these

1818

01:19:11,830 --> 01:19:09,829

formations like they're a channeler for

1819

01:19:14,020 --> 01:19:11,840

something and then they're the the

1820

01:19:17,109 --> 01:19:14,030

artist and again it's a controversial

1821

01:19:18,819 --> 01:19:17,119

theory but it doesn't take away as the

1822

01:19:21,850 --> 01:19:18,829

possibility of some people think that

1823

01:19:23,799 --> 01:19:21,860

crop circles have anomalous origins what

1824

01:19:26,560 --> 01:19:23,809

it means though is that if there is some

1825

01:19:29,589 --> 01:19:26,570

force behind them it's actually using

1826

01:19:31,310 --> 01:19:29,599

the crop circle makers to achieve its

1827

01:19:34,970 --> 01:19:31,320

aims so to speak

1828

01:19:37,069 --> 01:19:34,980

a question of either real or hoax it's

1829

01:19:39,410 --> 01:19:37,079

far more complex than that that's all I

1830

01:19:42,080 --> 01:19:39,420

wanted to say well let's look back at

1831

01:19:44,060 --> 01:19:42,090

the contactee claims and we look at the

1832

01:19:46,250 --> 01:19:44,070

fanciful claims we look at the fact that

1833

01:19:48,709 --> 01:19:46,260

people had messages of peace and

1834

01:19:50,450 --> 01:19:48,719

brotherhood like Adamski they wanted to

1835

01:19:52,550 --> 01:19:50,460

present it in a way they felt would be

1836

01:19:54,260 --> 01:19:52,560

acceptable so instead of having to come

1837

01:19:57,050 --> 01:19:54,270

out of this unknown guy named George

1838

01:19:59,660 --> 01:19:57,060

Adamski the blond-haired Venusians from

1839

01:20:03,140 --> 01:19:59,670

Venus bring it but we alluded to this

1840

01:20:07,100 --> 01:20:03,150

earlier is there any genuine paranormal

1841

01:20:09,229 --> 01:20:07,110

aspect to any of it where may we find it

1842

01:20:13,100 --> 01:20:09,239

Nick to the contactee movement you mean

1843

01:20:15,379 --> 01:20:13,110

yes well you know I think I think like

1844

01:20:20,149 --> 01:20:15,389

all of you follow gee what we're lacking

1845

01:20:22,790 --> 01:20:20,159

is proof you know there is no proof all

1846

01:20:25,640 --> 01:20:22,800

we have to work with the theories ideas

1847

01:20:27,379 --> 01:20:25,650

and witness testimony you know it's like

1848

01:20:29,120 --> 01:20:27,389

for example with Roswell people would

1849

01:20:30,439 --> 01:20:29,130

love to say no to solve Roswell but know

1850

01:20:32,629 --> 01:20:30,449

what they're actually going it collected

1851

01:20:35,720 --> 01:20:32,639

a lot of interesting witness reports and

1852

01:20:37,790 --> 01:20:35,730

testimony the proof would be the craft

1853

01:20:39,919 --> 01:20:37,800

or the bodies or whatever and that's the

1854

01:20:42,200 --> 01:20:39,929

same with the contactee movement you

1855

01:20:44,060 --> 01:20:42,210

know there's no firm evidence that room

1856

01:20:47,270 --> 01:20:44,070

and bathroom ever met a physical space

1857

01:20:50,270 --> 01:20:47,280

or space woman named aura reigns there's

1858

01:20:52,970 --> 01:20:50,280

no physical evidence that George Adamski

1859

01:20:56,930 --> 01:20:52,980

ever met aliens as in the California

1860

01:20:59,870 --> 01:20:56,940

desert so I think that like all aspects

1861

01:21:02,390 --> 01:20:59,880

of the 14 world the UFO world we're

1862

01:21:06,109 --> 01:21:02,400

forced to go with what we have and most

1863

01:21:08,300 --> 01:21:06,119

of that is simply witness perception and

1864

01:21:09,530 --> 01:21:08,310

testimony and you know maybe it's always

1865

01:21:11,000 --> 01:21:09,540

going to be like that maybe there's

1866

01:21:13,520 --> 01:21:11,010

something about the phenomenon that

1867

01:21:15,859 --> 01:21:13,530

prevents us from ever getting too close

1868

01:21:20,089 --> 01:21:15,869

to it I think that also is a very good

1869

01:21:24,169 --> 01:21:20,099

point the proof is always lacking and

1870

01:21:28,189 --> 01:21:24,179

either that's an accident or it's a plan

1871

01:21:29,600 --> 01:21:28,199

of some sort that the alien entities or

1872

01:21:33,750 --> 01:21:29,610

whatever the hell

1873

01:21:36,780 --> 01:21:33,760

don't want us to be able to prove or

1874

01:21:39,210 --> 01:21:36,790

them and I remember I forget where this

1875

01:21:42,750 --> 01:21:39,220

happened it might have been years ago in

1876

01:21:47,310 --> 01:21:42,760

Europe but one of these creatures said

1877

01:21:50,370 --> 01:21:47,320

to the man who saw his little craft land

1878

01:21:53,880 --> 01:21:50,380

that this was not a contact each thing

1879

01:21:56,190 --> 01:21:53,890

was just my man perhaps a farmer who who

1880

01:22:00,360 --> 01:21:56,200

saw a craft land and the creature got

1881

01:22:02,910 --> 01:22:00,370

out and the creature said we want you to

1882

01:22:06,620 --> 01:22:02,920

believe in us but not too much

1883

01:22:09,450 --> 01:22:06,630

and I think that's very interesting

1884

01:22:11,180 --> 01:22:09,460

there's some germ of truth there yeah

1885

01:22:14,370 --> 01:22:11,190

that was actually have a Sherma the

1886

01:22:17,400 --> 01:22:14,380

policeman reserved oh I wasn't sure I

1887

01:22:19,140 --> 01:22:17,410

guess you're right boy Ankara and I got

1888

01:22:20,550 --> 01:22:19,150

a better grip on this than I do

1889

01:22:23,250 --> 01:22:20,560

yeah that's that's an interesting little

1890

01:22:25,380 --> 01:22:23,260

quotes you know the idea that there is

1891

01:22:27,330 --> 01:22:25,390

something to believe in but you know

1892

01:22:30,180 --> 01:22:27,340

what is it into what extension we

1893

01:22:33,180 --> 01:22:30,190

believe in it I think you know these are

1894

01:22:34,140 --> 01:22:33,190

all important factors to me where you

1895

01:22:35,970 --> 01:22:34,150

know as I said when I first got

1896

01:22:37,860 --> 01:22:35,980

interested in UFOs I thought when I was

1897

01:22:39,450 --> 01:22:37,870

a little kid you know teenage or

1898

01:22:42,270 --> 01:22:39,460

whatever I did think it was all very

1899

01:22:44,220 --> 01:22:42,280

much black and white that's you know the

1900

01:22:47,280 --> 01:22:44,230

aliens are coming we've got crashed UFOs

1901

01:22:49,470 --> 01:22:47,290

etc etc the more I looked into it as I

1902

01:22:52,980 --> 01:22:49,480

got older the more I saw parallels

1903

01:22:55,920 --> 01:22:52,990

between today's UFO movements and all

1904

01:22:57,810 --> 01:22:55,930

the subject of UFOs and you know things

1905

01:23:00,540 --> 01:22:57,820

like ferry encounters in the fifteen

1906

01:23:02,880 --> 01:23:00,550

hundreds or encounters angels and demons

1907

01:23:06,030 --> 01:23:02,890

two or three thousand years ago it's

1908

01:23:08,340 --> 01:23:06,040

just the motif that's changed the actual

1909

01:23:11,460 --> 01:23:08,350

actions and the experiences and the way

1910

01:23:13,650 --> 01:23:11,470

changes people that stayed the same it's

1911

01:23:16,620 --> 01:23:13,660

just the claim point of origin for these

1912

01:23:18,540 --> 01:23:16,630

beings as altered as we've altered kind

1913

01:23:21,420 --> 01:23:18,550

of like I guess John keels operation

1914

01:23:24,120 --> 01:23:21,430

Trojan horse that sort of thing yeah can

1915

01:23:27,510 --> 01:23:24,130

I tell my favorite George Adamski story

1916

01:23:31,050 --> 01:23:27,520

please I was on there longer Neville's

1917

01:23:35,190 --> 01:23:31,060

radio show twice I think with the danske

1918

01:23:38,010 --> 01:23:35,200

maybe about a year or so apart and long

1919

01:23:41,430 --> 01:23:38,020

johns show started at midnight and

1920

01:23:43,440 --> 01:23:41,440

5 or 5:30 in the morning so you can

1921

01:23:44,940 --> 01:23:43,450

imagine that not everybody that was

1922

01:23:48,090 --> 01:23:44,950

listening stayed awake for the whole

1923

01:23:51,600 --> 01:23:48,100

thing and obviously your ratings would

1924

01:23:54,650 --> 01:23:51,610

drop right off a cliff so to speak after

1925

01:23:57,120 --> 01:23:54,660

perhaps one o'clock and by - it's me and

1926

01:24:01,470 --> 01:23:57,130

not that many people aren't listening

1927

01:24:06,030 --> 01:24:01,480

anymore so when John had a guest such as

1928

01:24:09,080 --> 01:24:06,040

a dasky he would hog the mic for the

1929

01:24:12,300 --> 01:24:09,090

first hour interviewing the guests and

1930

01:24:14,850 --> 01:24:12,310

giving his own views about whatever he

1931

01:24:17,970 --> 01:24:14,860

wanted to say and by the time the panel

1932

01:24:19,980 --> 01:24:17,980

and I was always just a panelist not the

1933

01:24:22,410 --> 01:24:19,990

guest of honor but to get the background

1934

01:24:25,290 --> 01:24:22,420

people usually three or four of us

1935

01:24:27,660 --> 01:24:25,300

didn't get to say much of anything until

1936

01:24:31,020 --> 01:24:27,670

at least 1 or 1:30 in the morning so

1937

01:24:33,240 --> 01:24:31,030

when I finally got a chance to talk to a

1938

01:24:35,040 --> 01:24:33,250

- bi and I'm saying again I don't know

1939

01:24:38,910 --> 01:24:35,050

how many people actually heard this but

1940

01:24:42,240 --> 01:24:38,920

I had some questions in mind and one was

1941

01:24:46,170 --> 01:24:42,250

this I remembered that a danske had

1942

01:24:48,960 --> 01:24:46,180

often said $2 + 2$ or 5 which doesn't seem

1943

01:24:52,850 --> 01:24:48,970

to make any sense but what he supposedly

1944

01:24:56,940 --> 01:24:52,860

meant was that there is a unit of energy

1945

01:24:59,160 --> 01:24:56,950

that is needed in order to add two and

1946

01:25:02,700 --> 01:24:59,170

two again that makes no sense of year

1947

01:25:07,020 --> 01:25:02,710

but that's what he said so when I had my

1948

01:25:09,360 --> 01:25:07,030

chance on that radio show I asked

1949

01:25:13,320 --> 01:25:09,370

advance key tell me George

1950

01:25:16,290 --> 01:25:13,330

how much is $2 + 2$ and this is the answer

1951

01:25:19,680 --> 01:25:16,300

that a handful of listeners must have

1952

01:25:22,740 --> 01:25:19,690

heard he said it can be either four five

1953

01:25:26,370 --> 01:25:22,750

or six depending on the circumstance and

1954

01:25:28,650 --> 01:25:26,380

I figured that's as far as I can go with

1955

01:25:30,630 --> 01:25:28,660

this so I didn't I deliberately didn't

1956

01:25:32,840 --> 01:25:30,640

ask any follow-up questions I thought

1957

01:25:36,500 --> 01:25:32,850

well that's it if you can accept that

1958

01:25:38,850 --> 01:25:36,510

you're there because imagine if real

1959

01:25:40,680 --> 01:25:38,860

mathematics went that way you couldn't

1960

01:25:43,290 --> 01:25:40,690

build anything you couldn't have a

1961

01:25:44,570 --> 01:25:43,300

bridge you couldn't have anything that

1962

01:25:47,840 --> 01:25:44,580

you can imagine that stone

1963

01:25:50,030 --> 01:25:47,850

with math there was a question as to

1964

01:25:55,160 --> 01:25:50,040

what the value of each number would be

1965

01:25:56,960 --> 01:25:55,170

so I liked his answer very much well at

1966

01:26:00,320 --> 01:25:56,970

least he has a lot of flexibility in

1967

01:26:02,720 --> 01:26:00,330

that answer well yes he must have either

1968

01:26:05,300 --> 01:26:02,730

been asked the same question before or

1969

01:26:10,070 --> 01:26:05,310

he was very quick on the draw I don't

1970

01:26:12,110 --> 01:26:10,080

know well you know I never laughed

1971

01:26:13,850 --> 01:26:12,120

because you know if I laugh too much you

1972

01:26:24,810 --> 01:26:13,860

know maybe I'll just you know keel over

1973

01:26:30,760 --> 01:26:28,240

for 58 years fate has provided true

1974

01:26:33,160 --> 01:26:30,770

reports of the strange and unknown fate

1975

01:26:35,020 --> 01:26:33,170

brings you the latest in all aspects of

1976

01:26:38,560 --> 01:26:35,030

the paranormal like angels and miracles

1977

01:26:41,020 --> 01:26:38,570

psychic phenomena ghosts UFOs and much

1978

01:26:43,900 --> 01:26:41,030

much more to receive your complimentary

1979

01:26:47,470 --> 01:26:43,910

fate magazine call now at one eight

1980

01:26:51,250 --> 01:26:47,480

hundred seven two eight two seven three

1981

01:26:54,340 --> 01:26:51,260

oh or visit their website at WWF at mag

1982

01:27:00,700 --> 01:26:54,350

com that's one eight hundred seven two

1983

01:27:04,060 --> 01:27:00,710

eight two seven three zero or WWF a TEM

1984

01:27:10,850 --> 01:27:04,070

AG calm what are you waiting for your

1985

01:27:16,690 --> 01:27:13,850

this is the bear guest you never know

1986

01:27:19,810 --> 01:27:16,700

what's gonna mess

1987

01:27:22,690 --> 01:27:19,820

[Music]

1988

01:27:24,820 --> 01:27:22,700

we have Nick Redfern author of

1989

01:27:25,720 --> 01:27:24,830

contactees a history of alien human

1990

01:27:28,240 --> 01:27:25,730

interaction

1991

01:27:29,920 --> 01:27:28,250

Jim Mosley editor of saucer smear we're

1992

01:27:32,710 --> 01:27:29,930

talking about the contactee movement

1993

01:27:36,520 --> 01:27:32,720

from the early days of the UFO field to

1994

01:27:39,550 --> 01:27:36,530

the present day now as we mentioned

1995

01:27:41,740 --> 01:27:39,560

earlier Nick the abduction scenario

1996

01:27:44,500 --> 01:27:41,750

seems to be more a simultaneous thing

1997

01:27:46,960 --> 01:27:44,510

rather than a replacement for contactees

1998

01:27:49,120 --> 01:27:46,970

but is there any bridge between the two

1999

01:27:51,580 --> 01:27:49,130

the missing time effect things like that

2000

01:27:54,130 --> 01:27:51,590

well you know I mean something about you

2001

01:27:57,490 --> 01:27:54,140

that the Antonio Villas Boas case from

2002

01:28:00,940 --> 01:27:57,500

Brazil sort of straddled the contactee

2003

01:28:03,340 --> 01:28:00,950

movements and the abduction movements in

2004

01:28:05,860 --> 01:28:03,350

the sense the being this woman that

2005

01:28:10,570 --> 01:28:05,870

Antonio Villas Boas supposedly met out

2006

01:28:13,780 --> 01:28:10,580

in Brazil in 1957 I think it was or 1959

2007

01:28:16,690 --> 01:28:13,790

I think that she was sort of very human

2008

01:28:18,910 --> 01:28:16,700

looking but he was treated like basic

2009

01:28:21,660 --> 01:28:18,920

like a lab rat so in other words he had

2010

01:28:24,310 --> 01:28:21,670

some of the motifs of the abduction

2011

01:28:26,560 --> 01:28:24,320

scenario and other motifs from the

2012

01:28:28,930 --> 01:28:26,570

contactee world so I think in that

2013

01:28:31,810 --> 01:28:28,940

respect you know you could argue that

2014

01:28:33,790 --> 01:28:31,820

the villas-boas case had parallels we

2015

01:28:36,730 --> 01:28:33,800

both and if you look at also the Betty

2016

01:28:39,250 --> 01:28:36,740

and Barney Hill case of 1961 you go back

2017

01:28:41,350 --> 01:28:39,260

and read their original accounts and the

2018

01:28:43,420 --> 01:28:41,360

interrupted journey the creatures that

2019

01:28:46,330 --> 01:28:43,430

the hills claims have met they weren't

2020

01:28:49,060 --> 01:28:46,340

the sort of three-foot-tall very spindly

2021

01:28:51,730 --> 01:28:49,070

insect like greys of today's world they

2022

01:28:54,010 --> 01:28:51,740

were like five foot tall they had pupae

2023

01:28:57,250 --> 01:28:54,020

eyes with pupils they were wearing like

2024

01:28:59,830 --> 01:28:57,260

skull caps and you know they look more

2025

01:29:01,720 --> 01:28:59,840

human-like and again you know could we

2026

01:29:04,780 --> 01:29:01,730

argue that that was sort of like a cross

2027

01:29:06,100 --> 01:29:04,790

between the two phenomena I think you

2028

01:29:06,940 --> 01:29:06,110

know there is an argument to be made for

2029

01:29:11,110 --> 01:29:06,950

that as well

2030

01:29:13,570 --> 01:29:11,120

in terms of putting an entire picture on

2031

01:29:16,840 --> 01:29:13,580

where this stands in UFO research should

2032

01:29:19,120 --> 01:29:16,850

we treat the traditional contact D with

2033

01:29:20,890 --> 01:29:19,130

any seriousness at all I mean it's a fun

2034

01:29:26,460 --> 01:29:20,900

story we're enjoying it we're having a

2035

01:29:30,820 --> 01:29:26,470

good time how do we take it seriously I

2036

01:29:32,609 --> 01:29:30,830

don't take you know old seriously and

2037

01:29:35,580 --> 01:29:32,619

most of all

2038

01:29:39,540 --> 01:29:35,590

as we've been covering in the last few

2039

01:29:43,049 --> 01:29:39,550

minutes since none of these contactees

2040

01:29:46,770 --> 01:29:43,059

have any proof whatsoever and you could

2041

01:29:49,350 --> 01:29:46,780

also say that goes with other UFO cases

2042

01:29:52,439 --> 01:29:49,360

too it all depends what you define proof

2043

01:29:56,969 --> 01:29:52,449

as but when you have stories that are

2044

01:30:00,239 --> 01:29:56,979

really no more than then hearsay in the

2045

01:30:02,489 --> 01:30:00,249

sense of evidence then it doesn't really

2046

01:30:05,009 --> 01:30:02,499

matter how seriously you take the money

2047

01:30:06,839 --> 01:30:05,019

they're just like folklore there's just

2048

01:30:08,609 --> 01:30:06,849

nothing there yeah I would agree with

2049

01:30:10,139 --> 01:30:08,619

that I think the one thing I would say

2050

01:30:11,399 --> 01:30:10,149

is that you know that what I try to

2051

01:30:14,339 --> 01:30:11,409

point out in the book is that I think

2052

01:30:16,049 --> 01:30:14,349

there are some anomalies that lead us to

2053

01:30:18,119 --> 01:30:16,059

believe that or lead me to believe that

2054

01:30:20,040 --> 01:30:18,129

it's not just as black and white as they

2055

01:30:23,639 --> 01:30:20,050

were hoaxes or not you know that the

2056

01:30:25,830 --> 01:30:23,649

links with the FBI communists angle LSD

2057

01:30:29,009 --> 01:30:25,840

and mind-control I do think there's a

2058

01:30:31,229 --> 01:30:29,019

lot more going on but what for me leads

2059

01:30:33,810 --> 01:30:31,239

me to sort of take the subject seriously

2060

01:30:37,139 --> 01:30:33,820

in terms of each significance is the

2061

01:30:38,729 --> 01:30:37,149

sheer overwhelming effect he had on

2062

01:30:40,919 --> 01:30:38,739

people I mean to give you a classic

2063

01:30:43,500 --> 01:30:40,929

example you know I speak at a lot of UFO

2064

01:30:46,649 --> 01:30:43,510

conferences today's UFO conferences

2065

01:30:48,859 --> 01:30:46,659

attract maybe 300 people at most and

2066

01:30:50,939 --> 01:30:48,869

that's a good sized audience the

2067

01:30:52,529 --> 01:30:50,949

organizers are always complaining you

2068

01:30:53,819 --> 01:30:52,539

know this year's got to be the last one

2069

01:30:55,949 --> 01:30:53,829

because they're not making any money

2070

01:30:58,319 --> 01:30:55,959

people aren't coming along well if you

2071

01:31:00,389 --> 01:30:58,329

go back to the fifties at a giant rock

2072

01:31:03,479 --> 01:31:00,399

you know Van Tassel was getting fired

2073

01:31:05,909 --> 01:31:03,489

audiences of five at six thousand you

2074

01:31:08,189 --> 01:31:05,919

know no one in the UFO field can compete

2075

01:31:10,770 --> 01:31:08,199

with one of them was that there was an

2076

01:31:12,899 --> 01:31:10,780

inference though well first of all I

2077

01:31:15,089 --> 01:31:12,909

think after the first year he only got a

2078

01:31:16,799 --> 01:31:15,099

couple of thousand likes I heard that

2079

01:31:19,259 --> 01:31:16,809

the first year he had five or ten

2080

01:31:21,779 --> 01:31:19,269

thousand but I was not there I don't I

2081

01:31:24,359 --> 01:31:21,789

don't know but there was more to it than

2082

01:31:27,540 --> 01:31:24,369

that because you didn't even have to be

2083

01:31:30,810 --> 01:31:27,550

interested in saucers to want to go to

2084

01:31:34,199 --> 01:31:30,820

giant rock I mean it was a beautiful

2085

01:31:37,169 --> 01:31:34,209

experience as far as nature and scenery

2086

01:31:39,239 --> 01:31:37,179

is concerned and you could go out there

2087

01:31:41,580 --> 01:31:39,249

and do anything that you wanted you

2088

01:31:43,420 --> 01:31:41,590

didn't have to listen to the speakers

2089

01:31:45,970 --> 01:31:43,430

and most of all they

2090

01:31:48,280 --> 01:31:45,980

no entrance fee and I think that makes a

2091

01:31:50,530 --> 01:31:48,290

whole lot of difference I mean I talked

2092

01:31:53,170 --> 01:31:50,540

to different people of course with the

2093

01:31:54,940 --> 01:31:53,180

times that I was out there and some some

2094

01:31:57,280 --> 01:31:54,950

of the people were on a different ticket

2095

01:32:01,030 --> 01:31:57,290

I had nothing whatever to do with sauces

2096

01:32:04,000 --> 01:32:01,040

some of them seem pretty normal in

2097

01:32:06,880 --> 01:32:04,010

general and you know there were just all

2098

01:32:10,360 --> 01:32:06,890

kinds of people but again the most

2099

01:32:14,200 --> 01:32:10,370

defining thing is no fee and that's what

2100

01:32:16,360 --> 01:32:14,210

I was saying before he rent a soul might

2101
01:32:18,370 --> 01:32:16,370
have thought of some way he could have

2102
01:32:20,380 --> 01:32:18,380
charged for parking I guess even though

2103
01:32:22,630 --> 01:32:20,390
he didn't own the land I don't think I

2104
01:32:25,450 --> 01:32:22,640
mean there's many ways he could have

2105
01:32:27,820 --> 01:32:25,460
exploited this and didn't these days I

2106
01:32:30,820 --> 01:32:27,830
think more and more especially in the

2107
01:32:33,970 --> 01:32:30,830
recession that we have now people don't

2108
01:32:37,000 --> 01:32:33,980
feel it's worth the money to go to a

2109
01:32:38,860 --> 01:32:37,010
salsa convention first you usually get

2110
01:32:41,640 --> 01:32:38,870
the people that have said pretty much

2111
01:32:46,240 --> 01:32:41,650
the same thing many times before

2112
01:32:48,640 --> 01:32:46,250
previous conventions and you know or you

2113
01:32:51,340 --> 01:32:48,650

could buy yeah you can buy a tape of it

2114

01:32:54,940 --> 01:32:51,350

and listen to it much cheaper do you

2115

01:32:56,650 --> 01:32:54,950

agree yeah I do agree I say and I think

2116

01:32:58,960 --> 01:32:56,660

you know that's an important point is

2117

01:33:01,030 --> 01:32:58,970

the fact that you know as Jim points out

2118

01:33:03,310 --> 01:33:01,040

but the subject back then was very

2119

01:33:05,650 --> 01:33:03,320

different you know the nature of the

2120

01:33:08,500 --> 01:33:05,660

conferences and the where they were held

2121

01:33:10,150 --> 01:33:08,510

was different the free entry and things

2122

01:33:12,520 --> 01:33:10,160

like that and I think today's today's

2123

01:33:15,490 --> 01:33:12,530

ufology has become unfortunately more

2124

01:33:17,020 --> 01:33:15,500

based around the commercialization of

2125

01:33:18,700 --> 01:33:17,030

the subject which isn't a bad thing in

2126

01:33:20,380 --> 01:33:18,710

terms of because it brings more

2127

01:33:22,540 --> 01:33:20,390

attention to the subjects of people and

2128

01:33:24,610 --> 01:33:22,550

it gets the word out more you know I do

2129

01:33:27,220 --> 01:33:24,620

think back in those days back in the

2130

01:33:29,200 --> 01:33:27,230

fifties what the contact a movement

2131

01:33:32,950 --> 01:33:29,210

achieved which unfortunately no one can

2132

01:33:35,230 --> 01:33:32,960

achieve in today's world is to provoke

2133

01:33:37,960 --> 01:33:35,240

the creation of a huge movement of

2134

01:33:39,610 --> 01:33:37,970

followers and people who you know board

2135

01:33:42,670 --> 01:33:39,620

the books and went to the conference's

2136

01:33:44,710 --> 01:33:42,680

and he really became almost like a like

2137

01:33:47,830 --> 01:33:44,720

an early version of you know the flower

2138

01:33:49,420 --> 01:33:47,840

power thing in the 1960s promoting you

2139

01:33:50,500 --> 01:33:49,430

know alternative belief systems

2140

01:33:52,919 --> 01:33:50,510

lifestyles

2141

01:33:57,330 --> 01:33:52,929

you know everybody hanging out together

2142

01:33:59,700 --> 01:33:57,340

and I think ufology today is fighting

2143

01:34:01,500 --> 01:33:59,710

and struggling to stay alive and it's

2144

01:34:04,620 --> 01:34:01,510

kind of lost its way because he doesn't

2145

01:34:06,360 --> 01:34:04,630

know what to do now whether or not

2146

01:34:08,340 --> 01:34:06,370

people agree that the concert tees are

2147

01:34:11,160 --> 01:34:08,350

doing the right thing or not the fact is

2148

01:34:14,340 --> 01:34:11,170

that they achieve the position I think

2149

01:34:15,840 --> 01:34:14,350

in the UFO world that really whether

2150

01:34:18,330 --> 01:34:15,850

people agree with their stories are not

2151
01:34:22,080 --> 01:34:18,340
as he never actually been eclipsed in

2152
01:34:24,570 --> 01:34:22,090
terms of its sheer size following and

2153
01:34:26,430 --> 01:34:24,580
effects the transformative effective yet

2154
01:34:28,979 --> 01:34:26,440
on people's lives well you know there's

2155
01:34:32,270 --> 01:34:28,989
another factor too I mean if we say that

2156
01:34:35,520 --> 01:34:32,280
the modern flying saucer hero began in

2157
01:34:37,620 --> 01:34:35,530
1947 which is the year naturally in

2158
01:34:40,620 --> 01:34:37,630
Roswell and the year Kenneth Arnold

2159
01:34:43,050 --> 01:34:40,630
years ago we always thought of Arnold as

2160
01:34:45,990 --> 01:34:43,060
the beginning but now it's Roswell that

2161
01:34:49,410 --> 01:34:46,000
only about ten days apart I think but

2162
01:34:54,149 --> 01:34:49,420
the thing is we're going on now for over

2163
01:34:57,630 --> 01:34:54,159

60 years and nothing has improved we

2164

01:35:00,090 --> 01:34:57,640

don't have proof yet we're nowhere near

2165

01:35:03,930 --> 01:35:00,100

it and a lot of people get frustrated

2166

01:35:06,450 --> 01:35:03,940

and give it up and want to join some

2167

01:35:09,479 --> 01:35:06,460

other movement where you have more hope

2168

01:35:11,640 --> 01:35:09,489

of actually getting somewhere I think

2169

01:35:14,760 --> 01:35:11,650

there's a great deal of frustration and

2170

01:35:18,030 --> 01:35:14,770

just very briefly and I think that most

2171

01:35:20,459 --> 01:35:18,040

people are correctly abandoning the

2172

01:35:22,950 --> 01:35:20,469

extra-terrestrial theory not most people

2173

01:35:25,740 --> 01:35:22,960

but many of the more intellectual people

2174

01:35:28,580 --> 01:35:25,750

and I think more so in England and here

2175

01:35:31,320 --> 01:35:28,590

because there is more intellectual

2176

01:35:34,680 --> 01:35:31,330

activity in that since anything within

2177

01:35:37,380 --> 01:35:34,690

here but they're thinking of alternate

2178

01:35:41,130 --> 01:35:37,390

theories because they're just getting

2179

01:35:44,189 --> 01:35:41,140

nowhere at all with that really do you

2180

01:35:45,630 --> 01:35:44,199

think that's about right yeah I mean one

2181

01:35:48,270 --> 01:35:45,640

of the things I've found I think a lot

2182

01:35:51,360 --> 01:35:48,280

of people who enter the UFO subject go

2183

01:35:53,100 --> 01:35:51,370

one of two ways they either go the way I

2184

01:35:55,709 --> 01:35:53,110

did and I think you've got a lot of

2185

01:35:57,620 --> 01:35:55,719

people like Greg Bishop has where you

2186

01:36:00,720 --> 01:35:57,630

initially come into thinking it is all

2187

01:36:02,879 --> 01:36:00,730

UFOs nuts and bolts aliens and then you

2188

01:36:05,440 --> 01:36:02,889

begin to realize that it's really a very

2189

01:36:08,830 --> 01:36:05,450
old phenomenon that seems to

2190

01:36:11,080 --> 01:36:08,840
manipulate us as much as show itself to

2191

01:36:14,130 --> 01:36:11,090
us and there seems to be a high degree

2192

01:36:16,750 --> 01:36:14,140
of trickery and elusiveness involved and

2193

01:36:18,520 --> 01:36:16,760
in terms of the straightforward

2194

01:36:20,740 --> 01:36:18,530
extra-terrestrial hypothesis a lot of

2195

01:36:22,900 --> 01:36:20,750
material it comes across as very absurd

2196

01:36:24,610 --> 01:36:22,910
and illogical you keep trying to apply

2197

01:36:27,010 --> 01:36:24,620
to that theory and so a lot of people

2198

01:36:29,800 --> 01:36:27,020
change their views as I've done other

2199

01:36:32,950 --> 01:36:29,810
people become rigidly stuck within the a

2200

01:36:35,560 --> 01:36:32,960
th extra-terrestrial hypothesis I think

2201

01:36:38,560 --> 01:36:35,570

because they've been invested in it for

2202

01:36:40,180 --> 01:36:38,570

so long that it would be almost like you

2203

01:36:43,330 --> 01:36:40,190

know a death knell to them to try and

2204

01:36:46,030 --> 01:36:43,340

get away from it and so I feel that they

2205

01:36:48,160 --> 01:36:46,040

try and uphold it because that's all

2206

01:36:51,580 --> 01:36:48,170

that they've ever known and to sort of

2207

01:36:53,920 --> 01:36:51,590

turn away from it would be seen as you

2208

01:36:55,960 --> 01:36:53,930

know affecting their credibility so they

2209

01:36:59,200 --> 01:36:55,970

do whatever they can hang on to it and

2210

01:37:01,090 --> 01:36:59,210

it becomes almost like a cosmic religion

2211

01:37:03,970 --> 01:37:01,100

it becomes a beliefs it's all right so

2212

01:37:06,670 --> 01:37:03,980

really what I like about you NIC is if I

2213

01:37:09,160 --> 01:37:06,680

have interpreted it correctly you

2214

01:37:11,320 --> 01:37:09,170

written quite a large number of books

2215

01:37:14,350 --> 01:37:11,330

and some of them might even be

2216

01:37:17,980 --> 01:37:14,360

contradictory to each other when you get

2217

01:37:21,910 --> 01:37:17,990

on a subject you exhausted as best you

2218

01:37:24,760 --> 01:37:21,920

can but you don't personally have to

2219

01:37:27,430 --> 01:37:24,770

believe your own book in the sense that

2220

01:37:30,340 --> 01:37:27,440

it's the only answer there might not be

2221

01:37:32,920 --> 01:37:30,350

any alternative answer you don't go that

2222

01:37:35,350 --> 01:37:32,930

so and I think that's a perfectly good

2223

01:37:38,350 --> 01:37:35,360

correction I think that's why if I may

2224

01:37:40,270 --> 01:37:38,360

say so you you're probably number one in

2225

01:37:42,220 --> 01:37:40,280

the field right now oh well thank you

2226

01:37:44,320 --> 01:37:42,230

Jim thanks but I wouldn't I wouldn't go

2227

01:37:46,300 --> 01:37:44,330

so far as to say I don't believe what's

2228

01:37:49,300 --> 01:37:46,310

in the books what I would say is that if

2229

01:37:51,730 --> 01:37:49,310

I published something today and five

2230

01:37:54,310 --> 01:37:51,740

years from now something comes out that

2231

01:37:57,820 --> 01:37:54,320

totally contradicts it you know I don't

2232

01:38:00,700 --> 01:37:57,830

have a problem with saying okay I got it

2233

01:38:02,650 --> 01:38:00,710

wrong because I think what we all have

2234

01:38:05,020 --> 01:38:02,660

to remember is in the UFO subject the

2235

01:38:07,660 --> 01:38:05,030

you still stands for unidentified it

2236

01:38:09,250 --> 01:38:07,670

doesn't stand for alien spacecraft or

2237

01:38:11,830 --> 01:38:09,260

time travels or whatever we don't know

2238

01:38:14,890 --> 01:38:11,840

what these things are so I don't feel

2239

01:38:16,299 --> 01:38:14,900

the need to be held to a particular

2240

01:38:19,059 --> 01:38:16,309

belief system

2241

01:38:20,619 --> 01:38:19,069

because that colors your views what I

2242

01:38:22,959 --> 01:38:20,629

would do what I try and do is write

2243

01:38:25,959 --> 01:38:22,969

something and come to a conclusion and

2244

01:38:27,609 --> 01:38:25,969

hopefully I've got it right but if I got

2245

01:38:29,889 --> 01:38:27,619

it wrong you know I'll be the first to

2246

01:38:32,079 --> 01:38:29,899

say so because I don't feel an emotional

2247

01:38:35,739 --> 01:38:32,089

need you know to believe aliens crashed

2248

01:38:37,179 --> 01:38:35,749

at Roswell or ABC or whatever you know I

2249

01:38:39,219 --> 01:38:37,189

think we just need to go where the

2250

01:38:41,500 --> 01:38:39,229

evidence goes and our search might

2251
01:38:44,129 --> 01:38:41,510
change as time progresses you know God

2252
01:38:47,049 --> 01:38:44,139
Vince goes this takes us to another

2253
01:38:50,949 --> 01:38:47,059
subject which of course is deception

2254
01:38:53,079 --> 01:38:50,959
trickery so alien beings come to George

2255
01:38:55,179 --> 01:38:53,089
Adamski maybe they didn't will come to

2256
01:38:58,389 --> 01:38:55,189
anyone say we're from Venus because in

2257
01:39:00,849 --> 01:38:58,399
those days people expected aliens to be

2258
01:39:02,939 --> 01:39:00,859
on Venus or Mars and that's not true of

2259
01:39:05,709 --> 01:39:02,949
course and they don't even look like

2260
01:39:08,589 --> 01:39:05,719
blond-haired humans but they're being

2261
01:39:10,569 --> 01:39:08,599
deceived now that comes to the same

2262
01:39:13,149 --> 01:39:10,579
conclusion that you might come with

2263
01:39:15,270 --> 01:39:13,159

these abductions that if aliens were any

2264

01:39:17,439 --> 01:39:15,280

force out there wherever they are are

2265

01:39:19,719 --> 01:39:17,449

performing these abductions or

2266

01:39:21,399 --> 01:39:19,729

influencing people to believe there are

2267

01:39:23,199 --> 01:39:21,409

abductions you're not seeing what's

2268

01:39:24,609 --> 01:39:23,209

really happening you're being deceived

2269

01:39:27,099 --> 01:39:24,619

you're being fooled what do you think

2270

01:39:28,689 --> 01:39:27,109

about that Nick well yeah I think you

2271

01:39:30,729 --> 01:39:28,699

know there's no doubt but if you look at

2272

01:39:32,979 --> 01:39:30,739

the UFO subject there are deep elements

2273

01:39:36,099 --> 01:39:32,989

that seem to be like stage-managed

2274

01:39:37,209 --> 01:39:36,109

trickery I mean as you will know you go

2275

01:39:38,649 --> 01:39:37,219

back then you'll know as well if you go

2276

01:39:41,379 --> 01:39:38,659

back to the fifties they used to be

2277

01:39:44,199 --> 01:39:41,389

classic reports where people would see

2278

01:39:46,959 --> 01:39:44,209

aliens taking soil samples now it was

2279

01:39:49,809 --> 01:39:46,969

almost to me it comes across like that

2280

01:39:51,909 --> 01:39:49,819

these are being staged for people to see

2281

01:39:53,520 --> 01:39:51,919

them and I think it was being done to

2282

01:39:55,750 --> 01:39:53,530

instill the idea that they were

2283

01:39:57,669 --> 01:39:55,760

extraterrestrial scientists visiting the

2284

01:40:01,179 --> 01:39:57,679

planet but in these kind of cases

2285

01:40:03,520 --> 01:40:01,189

happened so often that it was almost as

2286

01:40:04,540 --> 01:40:03,530

if it would be too inconceivable to

2287

01:40:06,849 --> 01:40:04,550

think that people would just keep

2288

01:40:08,709 --> 01:40:06,859

stumbling across aliens taking soil

2289

01:40:11,199 --> 01:40:08,719

samples that it was almost as if the

2290

01:40:13,899 --> 01:40:11,209

phenomena existed to be seen and it

2291

01:40:15,040 --> 01:40:13,909

needed to be seen to exist I think you

2292

01:40:17,049 --> 01:40:15,050

know there's an argument for that as

2293

01:40:18,609 --> 01:40:17,059

well you know and the idea that the

2294

01:40:20,199 --> 01:40:18,619

aliens are always keen to tell us they

2295

01:40:22,000 --> 01:40:20,209

come from this place or they come from

2296

01:40:24,870 --> 01:40:22,010

that place it's almost as if they're

2297

01:40:27,990 --> 01:40:24,880

trying too hard to convince us

2298

01:40:30,390 --> 01:40:28,000

alien and maybe they are but to me there

2299

01:40:32,040 --> 01:40:30,400

seems to be a high degree not just

2300

01:40:35,340 --> 01:40:32,050

within the UFO subject but a whole range

2301
01:40:37,919 --> 01:40:35,350
of paranormal subjects where trickery is

2302
01:40:39,959 --> 01:40:37,929
at the heart of what's going on and I

2303
01:40:42,090 --> 01:40:39,969
bet people unfortunately take the events

2304
01:40:45,660 --> 01:40:42,100
at face value well you know there

2305
01:40:49,169 --> 01:40:45,670
there's another problem too not only the

2306
01:40:51,990 --> 01:40:49,179
contactees but really all of the UFO

2307
01:40:56,790 --> 01:40:52,000
sightings that have any detail to them

2308
01:40:59,370 --> 01:40:56,800
each incident is different each time the

2309
01:41:02,430 --> 01:40:59,380
craft is seen it's different each time

2310
01:41:05,310 --> 01:41:02,440
there's a message from the so-called

2311
01:41:08,419 --> 01:41:05,320
aliens it's not the same as anybody

2312
01:41:11,700 --> 01:41:08,429
else's message so if there's no

2313
01:41:13,560 --> 01:41:11,710

identical thread running through all of

2314

01:41:16,410 --> 01:41:13,570

this stuff but it's another reason that

2315

01:41:19,260 --> 01:41:16,420

the cynics and the bunkers will say well

2316

01:41:21,810 --> 01:41:19,270

it's all nonsense because if you're

2317

01:41:23,760 --> 01:41:21,820

looking at an airplane a normal airplane

2318

01:41:27,149 --> 01:41:23,770

let's say you can see it from different

2319

01:41:29,760 --> 01:41:27,159

angles but you the more times you see it

2320

01:41:33,600 --> 01:41:29,770

the more easily you'll be able to draw

2321

01:41:35,610 --> 01:41:33,610

exactly what the core phenomenon so to

2322

01:41:39,090 --> 01:41:35,620

what is that that doesn't seem to be

2323

01:41:41,689 --> 01:41:39,100

true at all the saucers it's chaos and

2324

01:41:44,250 --> 01:41:41,699

unique events and that's very

2325

01:41:45,600 --> 01:41:44,260

discouraging to a lot of people well you

2326
01:41:48,450 --> 01:41:45,610
know one of the things that people might

2327
01:41:50,430 --> 01:41:48,460
argue with though is that you're seeing

2328
01:41:52,590 --> 01:41:50,440
something that you've got no warning

2329
01:41:55,649 --> 01:41:52,600
about sudden leave comes there and if

2330
01:41:58,740 --> 01:41:55,659
you put 10 people in a room and present

2331
01:42:00,200 --> 01:41:58,750
some sudden unexpected peculiar event

2332
01:42:03,270 --> 01:42:00,210
and they do this in law school I think

2333
01:42:06,330 --> 01:42:03,280
you would get 10 different opinions of

2334
01:42:08,280 --> 01:42:06,340
what exactly they saw Nick yeah you're

2335
01:42:09,780 --> 01:42:08,290
quite right I mean you know it's like

2336
01:42:11,970 --> 01:42:09,790
people talk about car accidents

2337
01:42:13,709 --> 01:42:11,980
everybody has their own opinion on what

2338
01:42:16,260 --> 01:42:13,719

they saw and of course if it's a

2339

01:42:18,750 --> 01:42:16,270

stressful events what a car accident can

2340

01:42:20,850 --> 01:42:18,760

be your minds in a world and you don't

2341

01:42:22,649 --> 01:42:20,860

necessarily register everything that

2342

01:42:25,050 --> 01:42:22,659

happened and afterwards you know you

2343

01:42:26,700 --> 01:42:25,060

mind picks up on things that you forgot

2344

01:42:28,919 --> 01:42:26,710

about or they were blank from your mind

2345

01:42:31,140 --> 01:42:28,929

and I think that's an important factor

2346

01:42:32,220 --> 01:42:31,150

to remembering any any sort of

2347

01:42:34,200 --> 01:42:32,230

experience there

2348

01:42:37,560 --> 01:42:34,210

sort of challenges the mind of the

2349

01:42:39,660 --> 01:42:37,570

person but in saying that you know Jim's

2350

01:42:41,430 --> 01:42:39,670

quite right that's you know that all the

2351

01:42:43,830 --> 01:42:41,440

lobby's case is so different I mean

2352

01:42:45,420 --> 01:42:43,840

other than one or two photographs you

2353

01:42:47,729 --> 01:42:45,430

look at all the photographs of alleged

2354

01:42:49,860 --> 01:42:47,739

UFOs they're all different a lot of em

2355

01:42:51,390 --> 01:42:49,870

may be saucer shaped or whatever but

2356

01:42:53,820 --> 01:42:51,400

there are subtle differences it's almost

2357

01:42:55,680 --> 01:42:53,830

as if every alien has ever come to the

2358

01:42:58,950 --> 01:42:55,690

planet it's got his own custom design

2359

01:43:01,500 --> 01:42:58,960

craft well maybe that's part of what it

2360

01:43:03,960 --> 01:43:01,510

is you see the other worlds what they

2361

01:43:04,500 --> 01:43:03,970

can do is alter themselves in any way

2362

01:43:08,100 --> 01:43:04,510

they want

2363

01:43:09,780 --> 01:43:08,110

I'm not no no Jean you can alter

2364

01:43:12,380 --> 01:43:09,790

yourself any way you want

2365

01:43:15,570 --> 01:43:12,390

I don't think they can well therefore

2366

01:43:18,840 --> 01:43:15,580

why did you alter yourself Jim the way

2367

01:43:23,040 --> 01:43:18,850

you did I don't know but I'll just as a

2368

01:43:26,790 --> 01:43:23,050

and one more thing to this in science

2369

01:43:30,690 --> 01:43:26,800

obviously you have an experiment or you

2370

01:43:33,360 --> 01:43:30,700

have a phenomena and you can duplicate

2371

01:43:36,030 --> 01:43:33,370

it under control conditions and that's

2372

01:43:38,729 --> 01:43:36,040

what the whole thing is about something

2373

01:43:41,250 --> 01:43:38,739

happens you duplicated other scientists

2374

01:43:42,930 --> 01:43:41,260

and other labs and you know the parts of

2375

01:43:45,840 --> 01:43:42,940

the country or other parts of the world

2376

01:43:48,240 --> 01:43:45,850

when they read the write-up of the

2377

01:43:50,040 --> 01:43:48,250

experiment as they can do the same thing

2378

01:43:54,180 --> 01:43:50,050

themselves and it will come out the same

2379

01:43:57,630 --> 01:43:54,190

way with saucers not only each that is

2380

01:44:01,290 --> 01:43:57,640

unique in its details but as you said

2381

01:44:04,500 --> 01:44:01,300

gene we don't know when and where these

2382

01:44:07,410 --> 01:44:04,510

things are going to happen and most of

2383

01:44:11,520 --> 01:44:07,420

all it cannot be duplicated you can't

2384

01:44:13,800 --> 01:44:11,530

just do it again the same way and gain

2385

01:44:16,410 --> 01:44:13,810

anything by that because it's impossible

2386

01:44:20,629 --> 01:44:16,420

it's a unique event

2387

01:44:23,640 --> 01:44:20,639

[Music]

2388

01:44:25,709 --> 01:44:23,650

hi this is Tamar from new cheese we're a

2389

01:44:27,720 --> 01:44:25,719

domain name and web hosting company and

2390

01:44:29,729 --> 01:44:27,730

we really care about our customers with

2391

01:44:32,010 --> 01:44:29,739

domain name purchases Namecheap offers

2392

01:44:33,600 --> 01:44:32,020

free SSL and free who is guard for a

2393

01:44:35,430 --> 01:44:33,610

year to protect your identity from

2394

01:44:37,620 --> 01:44:35,440

spammers we won't bother you with

2395

01:44:39,600 --> 01:44:37,630

unwanted messaging in your inbox or upon

2396

01:44:41,280 --> 01:44:39,610

checkout but most importantly we care

2397

01:44:43,080 --> 01:44:41,290

about you our customers your

2398

01:44:45,209 --> 01:44:43,090

satisfaction and happiness is our

2399

01:44:46,979 --> 01:44:45,219

primary focus because your support means

2400

01:44:48,810 --> 01:44:46,989

so much to us if you'd like to learn

2401

01:44:50,160 --> 01:44:48,820

more please visit us at Radio

2402

01:44:52,319 --> 01:44:50,170

namecheap.com

2403

01:44:54,240 --> 01:44:52,329

for web hosting and domain name specials

2404

01:44:59,790 --> 01:44:54,250

you can also follow us on twitter at

2405

01:45:01,919 --> 01:44:59,800

twitter.com/zeromd bars on facebook at

2406

01:45:05,760 --> 01:45:01,929

facebook.com slash name's Cheuk see you

2407

01:45:07,859 --> 01:45:05,770

online hi this is 8 Pope's you're

2408

01:45:11,879 --> 01:45:07,869

listening to the parrot talk with Jean

2409

01:45:13,979 --> 01:45:11,889

Steinberg and David B at me we're

2410

01:45:16,649 --> 01:45:13,989

talking to Jim Mosely editor of saucer

2411

01:45:19,020 --> 01:45:16,659

smear our co-host is Nick Redfern author

2412

01:45:21,240 --> 01:45:19,030

of contactees a history of alien human

2413

01:45:23,280 --> 01:45:21,250

interaction this also when we're getting

2414

01:45:25,080 --> 01:45:23,290

to the final stage of this show this

2415

01:45:28,260 --> 01:45:25,090

also takes us to the possibility here

2416

01:45:31,220 --> 01:45:28,270

that there is a core real event but it

2417

01:45:33,330 --> 01:45:31,230

becomes so subjective that we have

2418

01:45:36,569 --> 01:45:33,340

infused it so much with our own

2419

01:45:39,089 --> 01:45:36,579

expectations that no matter what we do

2420

01:45:41,520 --> 01:45:39,099

we're not going to understand what's the

2421

01:45:43,140 --> 01:45:41,530

source Nick what do you think I mean I

2422

01:45:45,930 --> 01:45:43,150

I'm not going to deny the possibility

2423

01:45:48,180 --> 01:45:45,940

that aliens could be coming here that

2424

01:45:50,790 --> 01:45:48,190

what people believe this happening could

2425

01:45:54,290 --> 01:45:50,800

be happening but the more I've dug into

2426

01:45:58,530 --> 01:45:54,300

the subject I found it to try and prove

2427

01:46:00,180 --> 01:45:58,540

the ATH he's not just hard it's almost

2428

01:46:03,089 --> 01:46:00,190

as if you know - mentioned earlier the

2429

01:46:05,459 --> 01:46:03,099

phenomena itself is somehow elusive like

2430

01:46:07,410 --> 01:46:05,469

it has like a trickster quality to it

2431

01:46:09,720 --> 01:46:07,420

and you also find this in things like

2432

01:46:11,700 --> 01:46:09,730

Bigfoot research a lot most bands -

2433

01:46:13,140 --> 01:46:11,710

where people try and photograph these

2434

01:46:15,750 --> 01:46:13,150

things and the photographs don't come

2435

01:46:17,910 --> 01:46:15,760

out properly or the pictures get lost in

2436

01:46:20,160 --> 01:46:17,920

a house move you know somebody's got a

2437

01:46:22,260 --> 01:46:20,170

bit of metal from the Roswell crash and

2438

01:46:24,440 --> 01:46:22,270

that gets lost you know just just

2439

01:46:26,960 --> 01:46:24,450

reminded me of something we had

2440

01:46:29,510 --> 01:46:26,970

a guy named Doug on the show who says

2441

01:46:31,550 --> 01:46:29,520

he's a UFO abductee and he had this kind

2442

01:46:33,560 --> 01:46:31,560

of situation here when they took this

2443

01:46:36,770 --> 01:46:33,570

was some years back they used regular

2444

01:46:39,260 --> 01:46:36,780

film to take a photograph of UFOs they

2445

01:46:41,030 --> 01:46:39,270

sent it to the developing plant and of

2446

01:46:43,370 --> 01:46:41,040

course of all the things they had taken

2447

01:46:47,150 --> 01:46:43,380

to the developing plant this is the one

2448

01:46:50,090 --> 01:46:47,160

where the role disappeared yeah it's

2449

01:46:52,070 --> 01:46:50,100

similar to for example you know you can

2450

01:46:54,110 --> 01:46:52,080

look at things like you know in the UFO

2451

01:46:55,820 --> 01:46:54,120

subject so they said the evidence to

2452

01:46:58,130 --> 01:46:55,830

Roswell but you can go back again in

2453

01:47:00,230 --> 01:46:58,140

1500 where people said they visited the

2454

01:47:02,540 --> 01:47:00,240

fairy Kingdom and they tried to bring

2455

01:47:04,040 --> 01:47:02,550

something back from the fairy realm and

2456

01:47:06,770 --> 01:47:04,050

they were stopped at the last minute by

2457

01:47:09,470 --> 01:47:06,780

the the fairies it's kind of similar to

2458

01:47:11,540 --> 01:47:09,480

that that whenever people deal with

2459

01:47:13,550 --> 01:47:11,550

whatever these weird phenomena are

2460

01:47:15,080 --> 01:47:13,560

they're never able to get the hard

2461

01:47:17,180 --> 01:47:15,090

physical evidence and that's why I

2462

01:47:19,250 --> 01:47:17,190

sometimes wonder if what we're seeing

2463

01:47:21,830 --> 01:47:19,260

there none of its physical but it's

2464

01:47:24,380 --> 01:47:21,840

almost like a matrix hologram type thing

2465

01:47:27,080 --> 01:47:24,390

that's perhaps designed to instill ideas

2466

01:47:29,840 --> 01:47:27,090

and thoughts in us and manifests and

2467

01:47:31,550 --> 01:47:29,850

changes its appearance to suit the

2468

01:47:33,620 --> 01:47:31,560

people the times and the cultural belief

2469

01:47:36,350 --> 01:47:33,630

system you know 2,000 years ago it

2470

01:47:39,050 --> 01:47:36,360

appearing at his angels and demons 500

2471

01:47:42,350 --> 01:47:39,060

no that makes me think of something that

2472

01:47:45,350 --> 01:47:42,360

I had forgotten about wasn't it faster

2473

01:47:48,230 --> 01:47:45,360

as Betty and Barney Hill were leaving

2474

01:47:50,330 --> 01:47:48,240

the spaceship one of the aliens who

2475

01:47:53,150 --> 01:47:50,340

wanted to give them a book I think and

2476

01:47:55,970 --> 01:47:53,160

another alien stopped the first alien

2477

01:47:57,890 --> 01:47:55,980

from doing it so they allegedly came

2478

01:47:59,870 --> 01:47:57,900

that close to having something that

2479

01:48:03,320 --> 01:47:59,880

would have been proof we would assume

2480

01:48:06,860 --> 01:48:03,330

and at the last minute it didn't happen

2481

01:48:08,650 --> 01:48:06,870

in my anyway because that was staged for

2482

01:48:12,200 --> 01:48:08,660

them well that's what we're saying yeah

2483

01:48:14,480 --> 01:48:12,210

you know they basically knew that they'd

2484

01:48:17,120 --> 01:48:14,490

never give them the book there wouldn't

2485

01:48:18,710 --> 01:48:17,130

always be someone to come up and say no

2486

01:48:20,870 --> 01:48:18,720

you can't give them that book well you

2487

01:48:22,850 --> 01:48:20,880

know there's another thing too if these

2488

01:48:25,730 --> 01:48:22,860

creatures fly to wherever they're from

2489

01:48:27,590 --> 01:48:25,740

are well organized you wouldn't have a

2490

01:48:30,260 --> 01:48:27,600

thing like that happening you wouldn't

2491

01:48:32,909 --> 01:48:30,270

have one alien about to do something

2492

01:48:36,209 --> 01:48:32,919

like that and a superior

2493

01:48:39,569 --> 01:48:36,219

officer say no you can't do that I mean

2494

01:48:41,639 --> 01:48:39,579

that is part of the show on show it's

2495

01:48:44,549 --> 01:48:41,649

the same thing for example as a star map

2496

01:48:47,609 --> 01:48:44,559

do you believe that star map is anything

2497

01:48:52,020 --> 01:48:47,619

more than a show whoever is responsible

2498

01:48:54,120 --> 01:48:52,030

for the show it is a play well they

2499

01:48:55,889 --> 01:48:54,130

didn't actually get the star maps and it

2500

01:48:58,139 --> 01:48:55,899

didn't Betty

2501
01:49:00,479 --> 01:48:58,149
come up with it later from her memories

2502
01:49:03,209 --> 01:49:00,489
I mean they didn't get a physical piece

2503
01:49:04,889 --> 01:49:03,219
of paper with a star map no that was one

2504
01:49:07,319 --> 01:49:04,899
of those memories I think to hypnotic

2505
01:49:09,569 --> 01:49:07,329
yeah Marie right and and it to make a

2506
01:49:11,310 --> 01:49:09,579
long story short you can make many

2507
01:49:13,560 --> 01:49:11,320
different star maps if you're very

2508
01:49:15,989 --> 01:49:13,570
careful about it and all of them will

2509
01:49:18,179 --> 01:49:15,999
apply and therefore none of them will

2510
01:49:21,449 --> 01:49:18,189
apply that's what I think Nick in your

2511
01:49:24,239 --> 01:49:21,459
research for the book contactees did you

2512
01:49:25,979 --> 01:49:24,249
see any evidence there other than the

2513
01:49:28,250 --> 01:49:25,989

fact that there's an FBI file on our

2514

01:49:30,779 --> 01:49:28,260

damn skin other people evidence of

2515

01:49:35,069 --> 01:49:30,789

government intervention and what's going

2516

01:49:37,739 --> 01:49:35,079

on yes any kind of movement like this

2517

01:49:41,250 --> 01:49:37,749

contact these abductees well yeah I mean

2518

01:49:43,049 --> 01:49:41,260

for example in George Adamski I'm George

2519

01:49:45,689 --> 01:49:43,059

Van Tassel were actually both visited

2520

01:49:47,669 --> 01:49:45,699

several times by FBI agents I mean

2521

01:49:50,429 --> 01:49:47,679

that's actually reflected in the file in

2522

01:49:53,129 --> 01:49:50,439

one memorable case two FBI agents based

2523

01:49:55,560 --> 01:49:53,139

in Los Angeles traveled out to Landers

2524

01:49:57,120 --> 01:49:55,570

California and were kind of like you

2525

01:49:58,889 --> 01:49:57,130

know sort of flummoxed and put on the

2526
01:50:00,449 --> 01:49:58,899
spot when they realized they were going

2527
01:50:02,459 --> 01:50:00,459
out to meet this guy living in a cave

2528
01:50:04,589 --> 01:50:02,469
under giant rock but they traveled out

2529
01:50:06,810 --> 01:50:04,599
you know and you know in talking of

2530
01:50:09,060 --> 01:50:06,820
intervention you know they they actually

2531
01:50:10,589 --> 01:50:09,070
went out to the people it was literally

2532
01:50:13,409 --> 01:50:10,599
almost like a Mulder and Scully

2533
01:50:14,909 --> 01:50:13,419
situation of two FBI agents trying to

2534
01:50:17,549 --> 01:50:14,919
get to the bottom of these stories their

2535
01:50:19,500 --> 01:50:17,559
alien encounters in the desert so in

2536
01:50:22,560 --> 01:50:19,510
that respect the government has taken

2537
01:50:24,449 --> 01:50:22,570
like a proactive step to intervene and

2538
01:50:27,689 --> 01:50:24,459

find out what's going on it's not a case

2539

01:50:30,089 --> 01:50:27,699

of just writing these people off now you

2540

01:50:32,100 --> 01:50:30,099

know as to what that means and how we

2541

01:50:34,379 --> 01:50:32,110

interpret it that's a different matter

2542

01:50:35,909 --> 01:50:34,389

but I think what I think has happened is

2543

01:50:37,890 --> 01:50:35,919

it for the most part you know

2544

01:50:39,840 --> 01:50:37,900

governments don't really care

2545

01:50:42,360 --> 01:50:39,850

if somebody sees a light in the sky you

2546

01:50:44,580 --> 01:50:42,370

no big deal I think they they're more

2547

01:50:46,470 --> 01:50:44,590

concerned about cases involving the

2548

01:50:49,020 --> 01:50:46,480

military but I think the main concern

2549

01:50:51,870 --> 01:50:49,030

that governments have is the potential

2550

01:50:54,300 --> 01:50:51,880

way in which the human mind and the

2551
01:50:57,750 --> 01:50:54,310
collective belief systems of people can

2552
01:50:59,610 --> 01:50:57,760
be altered quite radically by encounters

2553
01:51:01,830 --> 01:50:59,620
with UFOs or getting into the subject

2554
01:51:03,540 --> 01:51:01,840
it's kind of like you know I drew up

2555
01:51:05,850 --> 01:51:03,550
earlier on the flower power thing in the

2556
01:51:07,830 --> 01:51:05,860
1960s that was like a Cultural

2557
01:51:10,860 --> 01:51:07,840
Revolution that could have transformed

2558
01:51:12,480 --> 01:51:10,870
the human race but it was stamped on by

2559
01:51:15,900 --> 01:51:12,490
the government because people income

2560
01:51:18,270 --> 01:51:15,910
were afraid of the old conventional ways

2561
01:51:21,420 --> 01:51:18,280
being changed and so you know it was

2562
01:51:24,600 --> 01:51:21,430
basically that whole movement was

2563
01:51:27,030 --> 01:51:24,610

crushed now had you know had it been a

2564

01:51:29,220 --> 01:51:27,040

lie allowed to thrive and continue the

2565

01:51:31,770 --> 01:51:29,230

flower power movement LSD everything

2566

01:51:33,240 --> 01:51:31,780

else who knows what sort of world we're

2567

01:51:36,260 --> 01:51:33,250

living in today could be a far more

2568

01:51:39,180 --> 01:51:36,270

positive one and I think the UFO subject

2569

01:51:42,120 --> 01:51:39,190

potentially offers people a radically

2570

01:51:43,560 --> 01:51:42,130

altered lifestyle and mindsets and I

2571

01:51:45,000 --> 01:51:43,570

don't think they think I think people in

2572

01:51:46,860 --> 01:51:45,010

government know that and they're doing

2573

01:51:48,390 --> 01:51:46,870

whatever they can to prevent that from

2574

01:51:51,180 --> 01:51:48,400

happening course the question is is

2575

01:51:52,410 --> 01:51:51,190

there an external force other than the

2576

01:51:55,350 --> 01:51:52,420

government that might be responsible

2577

01:51:57,660 --> 01:51:55,360

that is orienting ourselves towards a

2578

01:51:59,640 --> 01:51:57,670

direction of course we remember and Jim

2579

01:52:02,970 --> 01:51:59,650

knew him very casually and I knew the

2580

01:52:04,980 --> 01:52:02,980

guy Ray Palmer who some consider one of

2581

01:52:07,290 --> 01:52:04,990

the originators of the UFO field because

2582

01:52:09,750 --> 01:52:07,300

he was co-author of the book with

2583

01:52:12,330 --> 01:52:09,760

Kenneth Arnold and he had fate magazine

2584

01:52:13,830 --> 01:52:12,340

and mentioned flying saucers in amazing

2585

01:52:16,680 --> 01:52:13,840

stories a science fiction magazine

2586

01:52:18,810 --> 01:52:16,690

he said flying saucers are here to make

2587

01:52:24,000 --> 01:52:18,820

us think think about what what do you

2588

01:52:25,620 --> 01:52:24,010

think Nick well you know I think the I'm

2589

01:52:28,200 --> 01:52:25,630

not sure if they want us to think about

2590

01:52:33,000 --> 01:52:28,210

this or think about that I think at

2591

01:52:34,620 --> 01:52:33,010

least part of it is the idea of I think

2592

01:52:37,830 --> 01:52:34,630

the UFO subject more than anything else

2593

01:52:40,050 --> 01:52:37,840

allows people to be individuals you know

2594

01:52:42,120 --> 01:52:40,060

it's like for example regardless of

2595

01:52:45,240 --> 01:52:42,130

whether people believe the contactees or

2596

01:52:46,830 --> 01:52:45,250

not the fact is people like a damn ski

2597

01:52:50,310 --> 01:52:46,840

band tassel bathroom

2598

01:52:51,009 --> 01:52:50,320

Angelo Chee they became individuals they

2599

01:52:53,439 --> 01:52:51,019

became

2600

01:52:56,229 --> 01:52:53,449

people living their lives according to

2601
01:52:58,179 --> 01:52:56,239
their own ways and you know let's not

2602
01:53:01,569 --> 01:52:58,189
give a damn about what society thinks

2603
01:53:03,489 --> 01:53:01,579
about us and I think government's wants

2604
01:53:06,009 --> 01:53:03,499
us to be part of a society they don't

2605
01:53:09,009 --> 01:53:06,019
want us to be free thinking individuals

2606
01:53:11,289 --> 01:53:09,019
and I think the UFO subject because of

2607
01:53:14,739 --> 01:53:11,299
its transformative qualities and

2608
01:53:17,109 --> 01:53:14,749
potentials it allows us all to become

2609
01:53:18,909 --> 01:53:17,119
free thinking individuals following our

2610
01:53:22,119 --> 01:53:18,919
own pathways and a lot of us familiar of

2611
01:53:23,769 --> 01:53:22,129
our subject do that and if that were to

2612
01:53:26,229 --> 01:53:23,779
happen on a massive scale you know he

2613
01:53:27,909 --> 01:53:26,239

could challenge the fabric of society so

2614

01:53:29,949 --> 01:53:27,919

I think that's I think that's what the

2615

01:53:32,829 --> 01:53:29,959

UFO subject is trying to do or has the

2616

01:53:35,679 --> 01:53:32,839

potential to do is to allow each of us

2617

01:53:38,169 --> 01:53:35,689

to elevate ourselves to individuals not

2618

01:53:40,719 --> 01:53:38,179

to be part of the herd so to speak and

2619

01:53:43,509 --> 01:53:40,729

Nick I want to ask you how many pages

2620

01:53:47,799 --> 01:53:43,519

did you say were in Georgia dance keys

2621

01:53:49,839 --> 01:53:47,809

pri pile George Adamski there's about 95

2622

01:53:53,439 --> 01:53:49,849

George Van Tassel's I can tell you

2623

01:53:55,779 --> 01:53:53,449

exactly which 398 or they am powerful is

2624

01:53:57,789 --> 01:53:55,789

much bigger than a dancer yeah one of

2625

01:53:59,409 --> 01:53:57,799

the reasons why is bigger is that I'm

2626

01:54:01,209 --> 01:53:59,419

not sure how they got hold of them but

2627

01:54:04,359 --> 01:54:01,219

the FBI actually got hold of some

2628

01:54:07,059 --> 01:54:04,369

advantage newsletters and some of the

2629

01:54:08,859 --> 01:54:07,069

pages of the newsletters comprise parts

2630

01:54:11,169 --> 01:54:08,869

of the file as well now some of the

2631

01:54:13,509 --> 01:54:11,179

contactee FBI files are smaller I got

2632

01:54:15,849 --> 01:54:13,519

Frank strangers FBI file which is

2633

01:54:17,709 --> 01:54:15,859

actually only about nine pages long and

2634

01:54:19,659 --> 01:54:17,719

one of funny things is actually one of

2635

01:54:23,679 --> 01:54:19,669

the pages is a letter from Richard Hall

2636

01:54:26,739 --> 01:54:23,689

to the FBI basically putting Frank

2637

01:54:29,259 --> 01:54:26,749

strangers in a bad light so it was

2638

01:54:31,029 --> 01:54:29,269

almost like you know that some of these

2639

01:54:33,069 --> 01:54:31,039

files contain letters that have been

2640

01:54:35,439 --> 01:54:33,079

fighting you know from April fit in the

2641

01:54:38,469 --> 01:54:35,449

UFO community well one of the reasons

2642

01:54:41,199 --> 01:54:38,479

that Adamski was visited by the FBI of

2643

01:54:44,469 --> 01:54:41,209

course was the fact that he receives

2644

01:54:48,279 --> 01:54:44,479

this letter from this mysterious person

2645

01:54:52,750 --> 01:54:48,289

in the face of uncle Raymond

2646

01:54:56,129 --> 01:54:52,760

strength and he was pleased with the

2647

01:54:58,220 --> 01:54:56,139

letter because it seemed to endorse

2648

01:55:02,180 --> 01:54:58,230

unofficially his view

2649

01:55:05,120 --> 01:55:02,190

his experiences and so naturally you'd

2650

01:55:07,790 --> 01:55:05,130

ask he wanted to make the most of it and

2651
01:55:10,700 --> 01:55:07,800
the FBI as I understand it came to him

2652
01:55:14,150 --> 01:55:10,710
and said this is a hoax this is not a

2653
01:55:16,340 --> 01:55:14,160
genuine letter from the State Department

2654
01:55:18,370 --> 01:55:16,350
and we want you to stop the publicizing

2655
01:55:21,440 --> 01:55:18,380
it because it's not a real letter and

2656
01:55:24,620 --> 01:55:21,450
after that happened of course and esky

2657
01:55:26,660 --> 01:55:24,630
was more adamant than ever that it was

2658
01:55:29,810 --> 01:55:26,670
real whether he actually thought it was

2659
01:55:31,820 --> 01:55:29,820
really don't know but he got a louder in

2660
01:55:34,280 --> 01:55:31,830
talking about it after the visit from

2661
01:55:37,460 --> 01:55:34,290
the FBI and as we all know would too

2662
01:55:39,410 --> 01:55:37,470
short touch this that a certain the late

2663
01:55:42,020 --> 01:55:39,420

great Barker and Jim Mosley were

2664

01:55:44,979 --> 01:55:42,030

responsible there are rumors to the

2665

01:55:47,840 --> 01:55:44,989

effect that the straight letter was

2666

01:55:50,479 --> 01:55:47,850

conceived and executed by the great

2667

01:55:53,120 --> 01:55:50,489

Barker and Jim Mullen yeah in a less

2668

01:55:57,440 --> 01:55:53,130

than sober condition I would mandrin I

2669

01:56:01,190 --> 01:55:57,450

would expect yeah I always told gray I

2670

01:56:04,160 --> 01:56:01,200

said you know I'm younger than Gregg was

2671

01:56:07,130 --> 01:56:04,170

I mean if he was alive he'd be 15 or so

2672

01:56:09,590 --> 01:56:07,140

years older than I I said if I outlive

2673

01:56:12,320 --> 01:56:09,600

you lies that I'm going to confess to

2674

01:56:14,570 --> 01:56:12,330

the Streif letter because it was fun

2675

01:56:18,200 --> 01:56:14,580

doing it but in the long run and we've

2676

01:56:20,930 --> 01:56:18,210

got to set the record straight and show

2677

01:56:23,030 --> 01:56:20,940

people the rest of the story and he said

2678

01:56:25,400 --> 01:56:23,040

oh no you shouldn't do that but when he

2679

01:56:28,310 --> 01:56:25,410

died and the very next issue of some

2680

01:56:30,979 --> 01:56:28,320

news I had the whole thing and one other

2681

01:56:32,810 --> 01:56:30,989

comment I'd make shows the will to

2682

01:56:35,990 --> 01:56:32,820

believe I can't remember the man's name

2683

01:56:39,170 --> 01:56:36,000

now but there's a guy in California who

2684

01:56:41,330 --> 01:56:39,180

is a hardcore danske follower because

2685

01:56:44,120 --> 01:56:41,340

there's still some kind of cult or small

2686

01:56:48,260 --> 01:56:44,130

group that believes in that they asked

2687

01:56:50,720 --> 01:56:48,270

these stories and promotes them and this

2688

01:56:53,450 --> 01:56:50,730

fellow I talked him a couple of times on

2689

01:56:56,630 --> 01:56:53,460

the phone up until it's probably less

2690

01:56:59,479 --> 01:56:56,640

than five years ago he still insisted on

2691

01:57:01,430 --> 01:56:59,489

believing the faithful that there was

2692

01:57:03,770 --> 01:57:01,440

genuine I'll tell you what we have to

2693

01:57:05,570 --> 01:57:03,780

just about end it there Jim tell our

2694

01:57:09,470 --> 01:57:05,580

listeners where they can learn more

2695

01:57:10,750 --> 01:57:09,480

about saucer smear if you want to get

2696

01:57:13,080 --> 01:57:10,760

sausage smear and

2697

01:57:17,250 --> 01:57:13,090

learn the real truths about everything

2698

01:57:19,779 --> 01:57:17,260

right to this office near HP o box one

2699

01:57:24,759 --> 01:57:19,789

709 Key West

2700

01:57:27,520 --> 01:57:24,769

Seward's Key West Florida 3 3 o 4 1 and

2701

01:57:30,220 --> 01:57:27,530

we will be glad to inform you as to how

2702

01:57:32,229 --> 01:57:30,230

you can become informed and that would

2703

01:57:34,870 --> 01:57:32,239

be very informative Jim but we'll tell

2704

01:57:36,399 --> 01:57:34,880

our listeners one more time the address

2705

01:57:39,399 --> 01:57:36,409

because they're running to get their

2706

01:57:40,839 --> 01:57:39,409

pens and their paper paper right now

2707

01:57:44,350 --> 01:57:40,849

there's the paper going to give the

2708

01:57:47,140 --> 01:57:44,360

address I can feel psychically thousands

2709

01:57:49,899 --> 01:57:47,150

of people scurrying across thousands of

2710

01:57:52,180 --> 01:57:49,909

rooms looking for paper and looking for

2711

01:57:55,270 --> 01:57:52,190

pencils and of course none of them will

2712

01:57:58,359 --> 01:57:55,280

ever find paper or pencil so nobody's

2713

01:58:01,720 --> 01:57:58,369

gonna write in but one more time TR box

2714

01:58:04,180 --> 01:58:01,730

one 709 Key West for the three three oh

2715

01:58:06,879 --> 01:58:04,190

four oh one Nick Redfern word we find

2716

01:58:08,200 --> 01:58:06,889

more of your writings and what's your

2717

01:58:10,839 --> 01:58:08,210

next book gonna be about

2718

01:58:14,290 --> 01:58:10,849

well people could find more at Nick

2719

01:58:16,359 --> 01:58:14,300

Redfern com it's my website and I do a

2720

01:58:18,310 --> 01:58:16,369

lot of most of my writing I do on blogs

2721

01:58:20,200 --> 01:58:18,320

so if people link to the website and go

2722

01:58:23,080 --> 01:58:20,210

to the blog section now got blogs and

2723

01:58:26,049 --> 01:58:23,090

everything from UFOs Bigfoots

2724

01:58:28,379 --> 01:58:26,059

Hollywood scandal weird government files

2725

01:58:31,240 --> 01:58:28,389

all sorts of things and I try and update

2726

01:58:33,669 --> 01:58:31,250

most of them at least a couple of times

2727

01:58:36,640 --> 01:58:33,679

a week some of them daily and so that's

2728

01:58:39,339 --> 01:58:36,650

Nick I've gotta say I just read

2729

01:58:42,609 --> 01:58:39,349

yesterday your contribution to in

2730

01:58:48,250 --> 01:58:42,619

Beckley the book mind control sex slave

2731

01:58:50,140 --> 01:58:48,260

and the CIA I think that's your portion

2732

01:58:53,370 --> 01:58:50,150

of the book is reasonable but the book

2733

01:58:55,899 --> 01:58:53,380

itself is not reasonable but anyways I

2734

01:58:57,009 --> 01:58:55,909

do a lot of writing for Tim's books and

2735

01:58:59,379 --> 01:58:57,019

even you know puts out some interesting

2736

01:59:01,540 --> 01:58:59,389

and some funny and wacky titles and some

2737

01:59:03,339 --> 01:59:01,550

really hard to find ones as well you

2738

01:59:04,990 --> 01:59:03,349

know I mean that the people looking for

2739

01:59:07,660 --> 01:59:05,000

four years and then they'll pop up

2740

01:59:09,370 --> 01:59:07,670

through team so it's a which I think and

2741

01:59:12,040 --> 01:59:09,380

we've all known Tim Bentley for three or

2742

01:59:14,319 --> 01:59:12,050

four hundred years I've known Jim Mosley

2743

01:59:17,620 --> 01:59:14,329

most of my life which is a good thing

2744

01:59:19,479 --> 01:59:17,630

and we're happy Jim is still here to

2745

01:59:20,709 --> 01:59:19,489

regale us with stories of the past

2746

01:59:22,660 --> 01:59:20,719

present and future

2747

01:59:23,830 --> 01:59:22,670

gyah Mosley thank you so much for

2748

01:59:26,200 --> 01:59:23,840

joining us on the

2749

01:59:28,660 --> 01:59:26,210

our caste well thank you for having me

2750

01:59:30,100 --> 01:59:28,670

and I am going to hang up at this time

2751

01:59:32,790 --> 01:59:30,110

you don't have to hang up just stay

2752

01:59:35,530 --> 01:59:32,800

where you are for a second Nick Redfern

2753

01:59:37,390 --> 01:59:35,540

welcome aboard to the power caste family

2754

01:59:38,080 --> 01:59:37,400

we look forward to having you back real

2755

01:59:39,729 --> 01:59:38,090

soon now

2756

01:59:40,420 --> 01:59:39,739

well thanks Jane and that it had a good

2757

01:59:46,610 --> 01:59:40,430

time thank you

2758

01:59:57,630 --> 01:59:54,000

the power over this competition tune in
