1
00:00:11,629 --> 00:00:08,620

[Music]

2
00:00:13,759 --> 00:00:11,639

anyone who does any serious research

3
00:00:16,310 --> 00:00:13,769

into it is going to come to the

4
00:00:19,160 --> 00:00:16,320

conclusion that but not all of it is

5
00:00:22,960 --> 00:00:19,170

just misperceptions or hoaxes something

6
00:00:27,920 --> 00:00:22,970

real is going on and it's pretty weird

7
00:00:31,460 --> 00:00:27,930

yeah absolutely absolutely saw this is

8
00:00:34,850 --> 00:00:31,470

my only you know reaiiy I've looked up

9
00:00:36,770 --> 00:00:34,860

in the sky forever you know I was one of

10
00:00:39,400 --> 00:00:36,780

my first favorite TV shows was with Star

11
00:00:41,810 --> 00:00:39,410

Trek the next one was lost in space

12
00:00:43,580 --> 00:00:41,820

watched a lot of reruns as a kid watched

13
00:00:46,459 --> 00:00:43,590

a lot of space movies so I've loved

14

00:00:49,250 --> 00:00:46,469

looking up at the stars and there was

15

00:00:51,229 --> 00:00:49,260

once I was about 15 years old and again

16

00:00:52,819 --> 00:00:51,239

we lived way out in the country our

17

00:00:57,799 --> 00:00:52,829

closest neighbor was about a mile away

18

00:01:00,049 --> 00:00:57,809

and it was my dad was a farmer and it

19

00:01:02,000 --> 00:01:00,059

was late he came home from planning

20

00:01:06,020 --> 00:01:02,010

planning and it was like 9 or 10 o'clock

21

00:01:08,090 --> 00:01:06,030

and I heard the truck come in and but he

22

00:01:09,969 --> 00:01:08,100

didn't come in and mom I said Jason go

23

00:01:12,109 --> 00:01:09,979

out and check on your dad and I did and

24

00:01:15,760 --> 00:01:12,119

he was just leaning against the side of

25

00:01:19,460 --> 00:01:15,770

his truck and he pointed up in the sky

26

00:01:21,499 --> 00:01:19,470

that of the fields that was between our

27

00:01:24,320 --> 00:01:21,509

house and the other hous you know wait

28

00:01:27,170 --> 00:01:24,330

went way on the other side of the field

29

00:01:29,810 --> 00:01:27,180

he said do you see that and I looked and

30

00:01:31,340 --> 00:01:29,820

there it looked like you know you take a

31

00:01:33,380 --> 00:01:31,350

hole-punch you know you punch a hole in

32

00:01:35,179 --> 00:01:33,390

a piece of paper it looked like you know

33

00:01:38,420 --> 00:01:35,189

there was a giant hole punched in the

34

00:01:41,149 --> 00:01:38,430

sky there were stars everywhere but this

35

00:01:42,530 --> 00:01:41,159

big black circle was there and we stood

36

00:01:45,410 --> 00:01:42,540

there for a while and then we could hear

37

00:01:46,609 --> 00:01:45,420

a hum and I went and got my mother and

38

00:01:49,039 --> 00:01:46,619

she came out and she could hear the same

39

00:01:52,399 --> 00:01:49,049

thing and a few minutes later we'd get a

40

00:01:55,429 --> 00:01:52,409

phone call and it's our neighbor across

41

00:01:59,749 --> 00:01:55,439

the field and he asks do you see that

42

00:02:01,789 --> 00:01:59,759

thing that's above the Fiat and and we

43

00:02:04,819 --> 00:02:01,799

all did so it wasn't just us seeing it

44

00:02:06,999 --> 00:02:04,829

it was our neighbor confirming that we'd

45

00:02:10,639 --> 00:02:07,009

we'd seen it I have no idea what it was

46

00:02:12,950 --> 00:02:10,649

my dad and I stood out there for for you

47

00:02:16,190 --> 00:02:12,960

know longer than mom did but it is

48

00:02:20,000 --> 00:02:16,200

just went up and up and up and

49

00:02:22,880 --> 00:02:20,010

disappeared what was that that's a

50

00:02:25,040 --> 00:02:22,890

fabulous story that is really amazing

51
00:02:27,560 --> 00:02:25,050
I've never seen anything quite like that

52
00:02:31,970 --> 00:02:27,570
I've had a sighting but that that is

53
00:02:33,590 --> 00:02:31,980
really cool yeah it could have been I'm

54
00:02:37,820 --> 00:02:33,600
not ruling out it was something from the

55
00:02:39,650 --> 00:02:37,830
United States government at all well how

56
00:02:41,180 --> 00:02:39,660
fast did it go up and disappear that's

57
00:02:43,130 --> 00:02:41,190
the you know where I'd go with that

58
00:02:46,010 --> 00:02:43,140
because sure we can make we could

59
00:02:50,360 --> 00:02:46,020
probably make really large reasonably

60
00:02:53,150 --> 00:02:50,370
silent flying craft it'll be made with

61
00:02:56,060 --> 00:02:53,160
lighter than air technology but to have

62
00:02:59,270 --> 00:02:56,070
them say suddenly accelerate from zero

63
00:03:01,280 --> 00:02:59,280

to 10,000 miles an hour and no we don't

64

00:03:03,890 --> 00:03:01,290

have anything like that it did just it

65

00:03:05,870 --> 00:03:03,900

was slow it just slowly went up in the

66

00:03:09,880 --> 00:03:05,880

sky and disappeared well it could have

67

00:03:12,080 --> 00:03:09,890

been some kind of tech yeah for sure I

68

00:03:15,890 --> 00:03:12,090

remember I was while I was in college in

69

00:03:18,140 --> 00:03:15,900

the 1980s and I went to college in a

70

00:03:20,300 --> 00:03:18,150

town called Warrensburg Missouri which

71

00:03:22,910 --> 00:03:20,310

was really close to Whiteman Air Force

72

00:03:27,610 --> 00:03:22,920

Base and Whiteman is where they keep the

73

00:03:30,800 --> 00:03:27,620

b-2 stealth bomber right I had just

74

00:03:33,050 --> 00:03:30,810

watched a news program where they had a

75

00:03:35,270 --> 00:03:33,060

story about the stealth bomber and a

76

00:03:37,970 --> 00:03:35,280

couple of days later I was driving on

77

00:03:39,860 --> 00:03:37,980

the highway that was very close to

78

00:03:42,350 --> 00:03:39,870

Whiteman and I saw a stealth bomber in

79

00:03:43,970 --> 00:03:42,360

the sky and if I hadn't seen that news
