FEATURED REVIEW

paranormal challenge:a brief introduction

two teams spend the night in a haunted location trying to collect as much evidence as possible using modern equipment. they present their findings at the end of the show.the team with the most findings win a prize. the show is hosted by Zak. a rushed show that jumps on the ghost adventures money train.i do not think a single night in a haunted location is enough time for a serious investigation.an attempt to make more money out of an over used idea.it tries to introduce new ideas.a sure fire way of getting lots of viewers & making loads of money. will attract a lot of fans but (hopefully) will wither away to nothing over time.
