

1

00:00:00,000 --> 00:00:07,600

We're at Waverly Hills Sanatorium in Louisville, Kentucky.

2

00:00:07,600 --> 00:00:13,440

This enormous facility has the dreadful distinction of being the death site for tens of thousands

3

00:00:13,440 --> 00:00:16,400

who suffered from tuberculosis.

4

00:00:16,400 --> 00:00:23,440

Tonight, two teams will battle it out here to see who can capture the most compelling

5

00:00:23,440 --> 00:00:24,440

paranormal evidence.

6

00:00:24,440 --> 00:00:27,440

Look, look, look, look, look.

7

00:00:27,440 --> 00:00:28,440

Did you see that?

8

00:00:28,440 --> 00:00:30,440

I wish I wore an adult diaper.

9

00:00:30,440 --> 00:00:31,440

What the?

10

00:00:31,440 --> 00:00:34,440

This is paranormal challenge, Waverly Hills Sanatorium.

11

00:00:34,440 --> 00:00:35,440

Hello!

12

00:00:35,440 --> 00:00:37,440

I'm just so happy.

13

00:00:37,440 --> 00:00:39,440

No, no, no, no, no.

14

00:00:39,440 --> 00:00:41,440

You spent your whole life speaking for help.

15

00:00:41,440 --> 00:00:43,440

We're always here to help.

16

00:00:43,440 --> 00:00:44,440

Two teams.

17

00:00:44,440 --> 00:00:45,440

Dude, what the f\*\*\*?

18

00:00:45,440 --> 00:00:46,440

One night.

19

00:00:46,440 --> 00:00:48,440

Insel, please.

20

00:00:48,440 --> 00:00:50,440

One haunted location.

21

00:00:50,440 --> 00:00:52,440

One winner.

22

00:00:52,440 --> 00:00:59,440

With the ultimate in dragon rugs.

23

00:00:59,440 --> 00:01:06,520

If you want to study and research paranormal phenomena, you must go to a place that is

24

00:01:06,520 --> 00:01:08,040

invested by it.

25

00:01:08,040 --> 00:01:12,840

Zach Beggins, the paranormal challenge chairman, is also lead investigator and co-founder of

26

00:01:12,840 --> 00:01:17,440

the highly respected and award-winning Ghost Adventures crew.

27

00:01:17,440 --> 00:01:21,680

He's completed hundreds of investigations, working with the world's most renowned paranormal

28

00:01:21,680 --> 00:01:26,840

researchers and scientists.

29

00:01:26,840 --> 00:01:29,720

I picked these teams because of how different they are.

30

00:01:29,720 --> 00:01:34,940

And seeing those two different styles is why I chose these two teams to investigate Waverly

31

00:01:34,940 --> 00:01:38,560

Hills Sanatorium.

32

00:01:38,560 --> 00:01:41,960

Ethic paranormal, based in Cleveland, Ohio.

33

00:01:41,960 --> 00:01:46,200

We do use our women's intuition and our sensitivities.

34

00:01:46,200 --> 00:01:50,720

It's just important as any pieces of the equipment that we'll use.

35

00:01:50,720 --> 00:01:52,440

My name is Teresa Argy.

36

00:01:52,440 --> 00:01:55,320

I am the co-founder of Epic Paranormal.

37

00:01:55,320 --> 00:02:00,160

I've been investigating the paranormal since I was probably eight years old.

38

00:02:00,160 --> 00:02:02,040

Teresa is an awesome investigator.

39

00:02:02,040 --> 00:02:04,280

She is so focused and professional.

40

00:02:04,280 --> 00:02:06,280

She basically carries our team.

41

00:02:06,280 --> 00:02:10,600

Hi, my name is Kathy Weber and I am the co-founder of Epic.

42

00:02:10,600 --> 00:02:13,000

She is the real para-historian.

43

00:02:13,000 --> 00:02:15,200

Kathy is also a spirit magnet.

44

00:02:15,200 --> 00:02:18,320

It's amazing some of the things that happen when Kathy's around.

45

00:02:19,320 --> 00:02:20,320

I'm Darla Spector.

46

00:02:20,320 --> 00:02:24,000

Being a videographer, I wanted to bring something to the table.

47

00:02:24,000 --> 00:02:28,080

Her technical know-how is priceless when you're on an investigation.

48

00:02:28,080 --> 00:02:32,400

Besides keeping the energy going, she also keeps everything working as one.

49

00:02:32,400 --> 00:02:36,280

I think as far as the challenge goes here at Waverly, the haunted housewives are going

50

00:02:36,280 --> 00:02:41,520

to be cleaning house and cooking up a good investigation.

51

00:02:41,520 --> 00:02:45,040

Dark alley paranormal, based in Columbus, Ohio.

52

00:02:45,040 --> 00:02:48,200

What fuels us to be here and do what we do is to throw the hunt.

53

00:02:48,200 --> 00:02:50,320

My name is Aaron Salser.

54

00:02:50,320 --> 00:02:53,480

I'm the founder of the Dark Alley Paranormal Investigators.

55

00:02:53,480 --> 00:02:55,960

Our leader, Aaron, brings a lot to the table.

56

00:02:55,960 --> 00:02:57,560

He's great at delegating.

57

00:02:57,560 --> 00:03:01,720

I think that's just kind of the key for any investigator.

58

00:03:01,720 --> 00:03:03,000

My name is Alex Meiring.

59

00:03:03,000 --> 00:03:05,440

I am the equipment tech.

60

00:03:05,440 --> 00:03:09,320

I'll be the first guy to hear, oh my holy s\*\*\*, did you just hear that?

61

00:03:09,320 --> 00:03:12,760

I'm out here to prove to myself that there is something there.

62

00:03:12,880 --> 00:03:15,200

Brian is our second investigator.

63

00:03:15,200 --> 00:03:20,160

Brian is the one to kind of take in his surroundings and he's great at finding evidence that way.

64

00:03:20,160 --> 00:03:23,440

I'm all about the thrill of the hunt, just trying to find something.

65

00:03:23,440 --> 00:03:24,920

I honestly think we're going to win.

66

00:03:24,920 --> 00:03:26,600

They always say, don't go down dark alleys.

67

00:03:26,600 --> 00:03:28,240

Well, we're going to break that stereotype.

68

00:03:28,240 --> 00:03:32,520

We're going to go down that dark alley.

69

00:03:32,520 --> 00:03:36,760

Waverly Hills Sanatorium was a death factory.

70

00:03:36,760 --> 00:03:39,000

You were sent here to die.

71

00:03:39,000 --> 00:03:44,600

Waverly Hills opened its doors in 1926 as a state of the art medical facility.

72

00:03:44,600 --> 00:03:48,760

But despite its best efforts, it couldn't save the tens of thousands of patients whose

73

00:03:48,760 --> 00:03:51,040

bodies were ravaged by tuberculosis.

74

00:03:51,040 --> 00:03:56,480

At the height of the epidemic, it was more of a mausoleum than a hospital, where an endless

75

00:03:56,480 --> 00:04:01,560

stream of cadavers were stacked and discarded through an underground passageway.

76

00:04:01,560 --> 00:04:06,720

Also host to murder and suicide, this corroding coliseum pulsates with spirit energy and is

77

00:04:06,720 --> 00:04:10,040

a notorious epicenter of paranormal activity.

78

00:04:10,040 --> 00:04:24,720

Waverly Hills Sanatorium, this is the ultimate in haunted locations in America.

79

00:04:24,720 --> 00:04:29,000

Teams welcome to Waverly Hills Sanatorium, epic.

80

00:04:29,000 --> 00:04:32,640

Is it true that you're called the haunted housewives of the paranormal?

81

00:04:32,640 --> 00:04:33,640

We are.

82

00:04:33,640 --> 00:04:34,640

Yeah?

83

00:04:34,640 --> 00:04:39,360

What do you guys feel about going up against an all guys team, dark alley paranormal?

84

00:04:39,360 --> 00:04:41,960

Who are we going to hear scream first?

85

00:04:41,960 --> 00:04:42,960

The boys?

86

00:04:42,960 --> 00:04:43,960

All right.

87

00:04:43,960 --> 00:04:44,960

All right.

88

00:04:44,960 --> 00:04:45,960

They look like a tough team.

89

00:04:45,960 --> 00:04:47,480

Well, I want to introduce you to a friend of mine.

90

00:04:47,480 --> 00:04:48,480

This is Mike.

91

00:04:48,480 --> 00:04:53,120

Waverly Hills Historic and Mike Flickner will take the teams on a walkthrough of the location.

92

00:04:53,120 --> 00:04:56,840

The information gathered here will serve as a guide for both teams that they will later

93

00:04:56,840 --> 00:04:59,360

be judged on during their investigation.

94

00:04:59,360 --> 00:05:03,960

Pay very close attention to everything he tells you.

95

00:05:04,320 --> 00:05:07,600

We'll see you guys later tonight.

96

00:05:07,600 --> 00:05:12,480

Years ago, they were dying so fast that they couldn't handle it and they didn't want to

97

00:05:12,480 --> 00:05:17,560

upset the patients by having the hurses come up for the bodies so they start shooting them

98

00:05:17,560 --> 00:05:20,560

down the body shoot.

99

00:05:20,560 --> 00:05:25,800

After about a death an hour, doctors soon noticed that many people were dying more from

100

00:05:25,800 --> 00:05:30,960

lack of hope and they were disease tuberculosis itself, hence the body shoot.

101

00:05:31,960 --> 00:05:36,960

At the bottom of the shoot, there was a temporary morgue that also helped with overflowing bodies.

102

00:05:36,960 --> 00:05:42,160

They were being winched down on this particular slab that you see here to your own right.

103

00:05:42,160 --> 00:05:48,960

The body shoot, creepiest place I've ever been, creepiest place I've ever set foot in.

104

00:05:50,960 --> 00:05:55,680

In these particular rooms right here were the actual patient rooms of Waverly Hills.

105

00:05:55,680 --> 00:05:57,600

And this particular room right here was Mrs. Higgs.

106

00:05:57,600 --> 00:05:59,600

Now Mrs. Higgs was a patient here.

107

00:05:59,600 --> 00:06:02,120

Sadly, Mrs. Higgs died in this room.

108

00:06:02,120 --> 00:06:04,120

But is she really gone?

109

00:06:06,120 --> 00:06:08,480

Sometimes patients would end up on this side of the hallway.

110

00:06:08,480 --> 00:06:11,320

This is not the side of the hallway you want to end up on.

111

00:06:11,320 --> 00:06:13,000

These are called terminal rooms.

112

00:06:13,000 --> 00:06:17,440

You would hear them crying in their sleep or maybe they were awake because I'm sure they

113

00:06:17,440 --> 00:06:18,440

were in pain.

114

00:06:18,440 --> 00:06:22,640

The next morning you would hear silence and nobody would tell you anything but you know

115

00:06:22,640 --> 00:06:24,640

what happened.

116

00:06:24,680 --> 00:06:27,280

Waverly Hills closed its doors.

117

00:06:27,280 --> 00:06:31,640

There was an old homeless man and his white dog used to live on this particular floor.

118

00:06:31,640 --> 00:06:36,920

Now sadly, the old man and his dog were murdered and they were found at the bottom of this

119

00:06:36,920 --> 00:06:38,920

particular elevator.

120

00:06:38,920 --> 00:06:44,720

Along with the previous residents that also still reside here at Waverly, we also have

121

00:06:44,720 --> 00:06:46,720

shadow apparitions.

122

00:06:46,720 --> 00:06:50,080

And we do have one of them here and it's called the creeper.

123

00:06:50,080 --> 00:06:53,520

He appears in many different forms but he's always low to the ground.

124

00:06:53,520 --> 00:06:56,520

And sometimes he crawls on the walls and ceilings.

125

00:06:58,520 --> 00:07:02,520

This is where they did the more serious of the surgeries which would have included pneumothorax

126

00:07:02,520 --> 00:07:04,520

treatment and therocoplasy.

127

00:07:04,520 --> 00:07:08,920

Therocoplasy is where they would have to remove upwards to eight ribs to get the disease part

128

00:07:08,920 --> 00:07:10,120

of the lung.

129

00:07:10,120 --> 00:07:13,120

Many patients were wide awake during these procedures.

130

00:07:15,120 --> 00:07:19,760

Now 502 has been responsible for the death of two nurses.

131

00:07:19,760 --> 00:07:23,360

First nurse, what we do know about her is she was pregnant.

132

00:07:23,360 --> 00:07:27,200

She was found hanging right in front of the elevator shaft.

133

00:07:27,200 --> 00:07:32,480

And the baby that she was pregnant with was found in the fifth floor septic system.

134

00:07:32,480 --> 00:07:37,200

Another nurse either fell, jumped or was pushed from that window straight across from 502.

135

00:07:39,200 --> 00:07:43,360

You have to remember this was a home to a lot of people and it's still her home.

136

00:07:43,360 --> 00:07:51,160

I feel like they may want to make their presence known but I do feel like that it is a haunted

137

00:07:51,160 --> 00:07:52,160

place.

138

00:07:54,160 --> 00:07:58,520

With the competition set to begin, Zach gets each team geared up with the most advanced

139

00:07:58,520 --> 00:08:01,160

paranormal detection equipment for tonight's challenge.

140

00:08:01,160 --> 00:08:02,160

Teams, how you doing?

141

00:08:02,160 --> 00:08:03,160

How was that walkthrough?

142

00:08:03,160 --> 00:08:04,160

Amazing.

143

00:08:04,160 --> 00:08:06,160

Anybody want to drop out?

144

00:08:06,160 --> 00:08:08,160

Because if you do, I'll take your spot.

145

00:08:08,160 --> 00:08:09,160

I want to go investigate.

146

00:08:09,160 --> 00:08:10,160

Definitely not.

147

00:08:10,160 --> 00:08:12,160

Well, let's get to it.

148

00:08:12,160 --> 00:08:17,160

Alright, on this table are the same exact pieces of equipment that each of you will be receiving.

149

00:08:17,160 --> 00:08:19,160

Two night vision camcorders.

150

00:08:19,160 --> 00:08:22,060

One will go on a tripod and not leave the tripod.

151

00:08:22,060 --> 00:08:24,060

One thermal imaging camera.

152

00:08:24,060 --> 00:08:25,860

Two full spectrum cameras.

153

00:08:25,860 --> 00:08:28,860

One is a still, one is a camcorder.

154

00:08:28,860 --> 00:08:32,460

You also get two digital recorders.

155

00:08:32,460 --> 00:08:36,860

You also get a millimeter that measures for electromagnetic energy and temperature.

156

00:08:36,860 --> 00:08:38,860

Are you guys ready?

157

00:08:38,860 --> 00:08:39,860

Ready.

158

00:08:39,860 --> 00:08:40,860

Suit up.

159

00:08:40,860 --> 00:08:43,860

Right now, wait for my signal and we'll be watching you guys.

160

00:08:43,860 --> 00:08:44,860

See ya.

161

00:08:47,860 --> 00:08:51,860

Teams will conduct their investigations simultaneously.

162

00:08:51,860 --> 00:08:56,060

The first two floors will begin in zone one, which consists of the first two floors and

163

00:08:56,060 --> 00:08:57,460

the body shoot.

164

00:08:57,460 --> 00:09:02,060

While dark alley paranormal will start off in zone two, which is comprised of the third,

165

00:09:02,060 --> 00:09:04,660

fourth and fifth floors.

166

00:09:04,660 --> 00:09:07,460

Strict time constraints are designed to push each team to the limit.

167

00:09:07,460 --> 00:09:10,860

They will only be given two hours to complete part one of the investigation.

168

00:09:10,860 --> 00:09:16,660

Then switch locations and continue investigating for two more hours in part two.

169

00:09:16,660 --> 00:09:23,660

Teams will be judged on overall teamwork, technological proficiency, historical knowledge

170

00:09:23,660 --> 00:09:27,460

and audio and visual evidence they are ultimately able to capture.

171

00:09:27,460 --> 00:09:31,260

Tonight's judges are three of the country's most notable paranormal experts.

172

00:09:31,260 --> 00:09:33,260

To me, this is a good use of history.

173

00:09:33,260 --> 00:09:38,360

Dave Schrader, acclaimed paranormal conference lecturer, co-author of *The Other Side*, a

174

00:09:38,360 --> 00:09:43,260

teens guide to ghost hunting and the host of the popular talk show, *Darkness Radio*.

175

00:09:43,260 --> 00:09:45,260

They just heard someone talking.

176

00:09:45,260 --> 00:09:50,460

Beth Brown, who has investigated the paranormal for over 20 years, conducting hundreds of

177

00:09:50,460 --> 00:09:55,860

investigations and founded the Virginia School of Paranormal Education and Research.

178

00:09:55,860 --> 00:09:58,760

They're going in the direction that they heard grumbling.

179

00:09:58,760 --> 00:10:04,860

And Dr. Pamela Ray Heath, noted parapsychologist, co-founder of the Paranormal Research Society

180

00:10:04,860 --> 00:10:12,860

and author of several books on the unexplained, including Handbook to the Afterlife.

181

00:10:12,860 --> 00:10:16,260

Dark Alley Paranormal, are you guys ready?

182

00:10:16,260 --> 00:10:18,260

Yeah.

183

00:10:18,260 --> 00:10:23,460

Team Epic, The Haunted Housewives, are you three girls ready to go?

184

00:10:23,460 --> 00:10:24,960

Yes.

185

00:10:24,960 --> 00:10:27,160

Alright, the portals are open.

186

00:10:27,160 --> 00:10:29,460

Let the challenge begin.

187

00:10:29,460 --> 00:10:32,760

Two hours begin right now.

188

00:10:32,760 --> 00:10:39,060

Dr. Pamela Heath, she is watching Team Epic, The Haunted Housewives who have just begun

189

00:10:39,060 --> 00:10:40,260

in zone one.

190

00:10:40,260 --> 00:10:45,460

Over here, Beth Brown, she is watching Dark Alley Paranormal in zone two.

191

00:10:45,460 --> 00:10:47,660

The challenge has just begun.

192

00:10:47,660 --> 00:10:49,260

Wow!

193

00:10:49,260 --> 00:10:51,260

Something just grabbed my arm.

194

00:10:51,260 --> 00:10:53,260

Hey, it was creepy.

195

00:11:01,760 --> 00:11:04,060

Tell us about the tech setup going on here.

196

00:11:04,060 --> 00:11:08,460

Yeah, each team has been given five pieces of equipment, so they've each got the exact

197

00:11:08,460 --> 00:11:11,260

same advantage going into this investigation.

198

00:11:11,260 --> 00:11:14,160

Then throughout the building, we also have some robotic cameras that are set up, so we

199

00:11:14,160 --> 00:11:18,260

can literally watch this investigation from every conceivable angle.

200

00:11:18,260 --> 00:11:22,460

Now, following each one of our teams, we also have a cameraman and a technician that will

201

00:11:22,460 --> 00:11:24,580

be following immediately behind him.

202

00:11:24,580 --> 00:11:27,660

So each one of the teams will be covered, will be able to tell exactly what's going

203

00:11:27,660 --> 00:11:30,260

on and get a full perspective of this investigation.

204

00:11:30,260 --> 00:11:33,260

All do you up, please, on Dark Alley?

205

00:11:33,260 --> 00:11:36,260

Is anybody in here with us?

206

00:11:39,260 --> 00:11:42,260

If so, we'd like to talk to you.

207

00:11:44,260 --> 00:11:47,760

We heard from the historian that you were murdered.

208

00:11:47,760 --> 00:11:52,260

You and your dog, we want to be able to tell people the truth.

209

00:11:52,260 --> 00:11:57,260

So if you could tell us your story, we'd really appreciate it.

210

00:12:02,260 --> 00:12:06,060

Looks like they're listening in on EVPs at Dark Alley in real time.

211

00:12:06,060 --> 00:12:10,160

We just did an interactive audio session trying to contact the spirit of the homeless

212

00:12:10,160 --> 00:12:13,660

man who supposedly was murdered in that room.

213

00:12:13,660 --> 00:12:17,460

And they call that a burst session.

214

00:12:17,460 --> 00:12:22,160

A burst session is when you take a digital recording device, you go in for a short amount

215

00:12:22,160 --> 00:12:26,760

of time, you ask questions, and you immediately review the results right there on the spot.

216

00:12:26,760 --> 00:12:28,860

I love doing these short burst EVP sessions.

217

00:12:28,860 --> 00:12:29,860

I do too.

218

00:12:29,860 --> 00:12:33,860

It's not true, but we heard from the historian that you were murdered.

219

00:12:34,660 --> 00:12:36,660

You and your dog.

220

00:12:36,660 --> 00:12:38,660

I'm sorry.

221

00:12:38,660 --> 00:12:40,660

What was the time on it?

222

00:12:40,660 --> 00:12:41,660

128.

223

00:12:41,660 --> 00:12:43,660

So almost like a what or something.

224

00:12:43,660 --> 00:12:47,660

We heard from the historian that you were murdered.

225

00:12:47,660 --> 00:12:49,660

You and your dog.

226

00:12:49,660 --> 00:12:51,660

You and your dog.

227

00:12:53,660 --> 00:12:56,660

Alright, let's switch back over to a team epic, please.

228

00:12:56,660 --> 00:13:01,360

Teresa is by herself in the scariest part of all of Waverly Hills Sanatorium, the body

229

00:13:01,360 --> 00:13:02,960

shoot or the death tunnel.

230

00:13:02,960 --> 00:13:08,760

These point of view cameras attaches to the team members chest with a camera that's on

231

00:13:08,760 --> 00:13:11,760

kind of a banana arm and shoots back at their face.

232

00:13:22,760 --> 00:13:24,760

Here you go.

233

00:13:24,760 --> 00:13:34,760

Okay, I'm going to turn these lights out.

234

00:13:38,760 --> 00:13:42,760

It is pitch black in here.

235

00:13:42,760 --> 00:13:48,760

Being in an environment like this, where so much of this death was, this energy, can it

236

00:13:48,760 --> 00:13:52,760

survive in this location and have an effect on you?

237

00:13:52,760 --> 00:13:54,760

Absolutely.

238

00:13:54,760 --> 00:13:59,760

It can be especially strong when it's in a close area and there's nothing to disrupt the energy.

239

00:13:59,760 --> 00:14:00,760

Like this tunnel.

240

00:14:00,760 --> 00:14:04,760

It's like a stagnant place for this energy to just, you know, remain.

241

00:14:04,760 --> 00:14:06,760

Hello?

242

00:14:09,760 --> 00:14:13,760

Did they bring your body down through this tunnel?

243

00:14:13,760 --> 00:14:22,760

Okay, I thought I just heard something.

244

00:14:22,760 --> 00:14:26,760

It sounded like a man's voice.

245

00:14:26,760 --> 00:14:31,760

And I'm going all the way down.

246

00:14:31,760 --> 00:14:33,760

She's fearless.

247

00:14:33,760 --> 00:14:34,760

Look at her.

248

00:14:34,760 --> 00:14:36,760

She's just chugging all the way down to the end of the death tunnel.

249

00:14:36,760 --> 00:14:41,760

I know grown men who are terrified to get more than 10 feet into this place and she's moving

250

00:14:41,760 --> 00:14:43,760

all the way down by herself.

251

00:14:43,760 --> 00:14:44,760

Not me.

252

00:14:44,760 --> 00:14:46,760

Alright, maybe a little.

253

00:14:46,760 --> 00:14:51,760

It seems like it goes on forever.

254

00:14:51,760 --> 00:15:04,760

Alright, I've made it all the way down.

255

00:15:04,760 --> 00:15:07,760

Okay, I'm going to leave now.

256

00:15:07,760 --> 00:15:14,760

So if you'd like to say anything to me, if you have a message for your family,

257

00:15:14,760 --> 00:15:18,760

you want to let me know that I'm not alone down here.

258

00:15:18,760 --> 00:15:25,760

This is your last opportunity.

259

00:15:25,760 --> 00:15:31,760

Oh, I just heard something down there.

260

00:15:31,760 --> 00:15:35,760

I'm not leaving Waverly Hills the way you did.

261

00:15:35,760 --> 00:15:40,760

I'm going back up and out.

262

00:15:40,760 --> 00:15:48,760

That's enough for me out here.

263

00:15:48,760 --> 00:15:52,760

I feel like there's somebody walking behind me.

264

00:15:52,760 --> 00:15:57,760

There have been many, many cases in the death tunnel, in the body shoot there.

265

00:15:57,760 --> 00:16:01,760

As people are going back up the stairs, they'll begin to hear footsteps follow them.

266

00:16:01,760 --> 00:16:12,760

They'll stop thinking it's nothing but the echo of their own footfalls and the footsteps continue.

267

00:16:12,760 --> 00:16:14,760

Hey, it was creepy.

268

00:16:14,760 --> 00:16:21,760

The problem is, I was just looking down the hall just trying to...

269

00:16:21,760 --> 00:16:26,760

That's why I was trying to move on the other side of the way a little bit.

270

00:16:26,760 --> 00:16:27,760

Yeah.

271

00:16:27,760 --> 00:16:29,760

Things are weak.

272

00:16:29,760 --> 00:16:34,760

What the f\*\*\* was that?

273

00:16:34,760 --> 00:16:38,760

Look, look, look, look, look, there it is.

274

00:16:38,760 --> 00:16:39,760

There it is.

275

00:16:39,760 --> 00:16:40,760

Wow.

276

00:16:40,760 --> 00:16:42,760

Look at that.

277

00:16:50,760 --> 00:16:51,760

What is he hearing?

278

00:16:51,760 --> 00:16:53,760

Go audio up, please, on Dark Alley.

279

00:16:53,760 --> 00:16:55,760

It needs to be quiet.

280

00:17:00,760 --> 00:17:02,760

What the f\*\*\* was that?

281

00:17:02,760 --> 00:17:04,760

Did you just hear a scream?

282

00:17:04,760 --> 00:17:05,760

Audio up.

283

00:17:05,760 --> 00:17:06,760

Shh.

284

00:17:06,760 --> 00:17:07,760

Just be quiet.

285

00:17:17,760 --> 00:17:20,760

Well, I'm not presenting that as I have an established outside.

286

00:17:20,760 --> 00:17:21,760

I have no idea.

287

00:17:21,760 --> 00:17:22,760

Let's head that way.

288

00:17:22,760 --> 00:17:25,760

I like that they didn't jump to the conclusion that it's paranormal activity,

289

00:17:25,760 --> 00:17:30,760

but I also think that it's a little remiss by not going and investigating in the area

290

00:17:30,760 --> 00:17:32,760

that they're hearing the screaming noises from.

291

00:17:32,760 --> 00:17:33,760

I totally agree.

292

00:17:38,760 --> 00:17:43,760

Oh my God, this place is just so awesome.

293

00:17:43,760 --> 00:17:46,760

Mrs. Higgs, are you in here?

294

00:17:46,760 --> 00:17:50,760

Mrs. Higgs, there are three women here, me and my friends,

295

00:17:50,760 --> 00:17:55,760

and we understand that you were a patient here

296

00:17:55,760 --> 00:17:58,760

and that you passed away at a very young age.

297

00:17:59,760 --> 00:18:03,760

And you weren't fortunate enough to live as long as the three of us have.

298

00:18:06,760 --> 00:18:08,760

And our heart goes out to you.

299

00:18:08,760 --> 00:18:15,760

This is the tone that you really want to use at a place that's so fragile as Waverly Hills Sanatorium.

300

00:18:15,760 --> 00:18:17,760

Guys, I'm feeling it in the hallway.

301

00:18:17,760 --> 00:18:21,760

Oh, Mrs. Higgs.

302

00:18:23,760 --> 00:18:24,760

Are you here with us?

303

00:18:25,760 --> 00:18:27,760

It's the first time it's went off tonight.

304

00:18:27,760 --> 00:18:28,760

It is.

305

00:18:31,760 --> 00:18:34,760

Allison Aarons, operating room, fourth floor.

306

00:18:35,760 --> 00:18:37,760

I think Aarons nickname should be Eileen.

307

00:18:37,760 --> 00:18:40,760

Every time I see him, he's leaning on something with his hands in his pockets

308

00:18:40,760 --> 00:18:43,760

looking totally disinterested in this investigation.

309

00:18:43,760 --> 00:18:44,760

Where is he?

310

00:18:44,760 --> 00:18:46,760

He's off to the left.

311

00:18:46,760 --> 00:18:49,760

Have the camera operator get a shot of him and let's see him.

312

00:18:49,760 --> 00:18:51,760

Look at him. Look at him. There's Eileen now.

313

00:18:53,760 --> 00:18:54,760

What is he doing?

314

00:18:54,760 --> 00:18:57,760

At any point, have you seen Aaron employ any equipment besides the mill meter

315

00:18:57,760 --> 00:18:59,760

and speaking to the mill meters that sits on the floor?

316

00:18:59,760 --> 00:19:00,760

No.

317

00:19:00,760 --> 00:19:01,760

No.

318

00:19:01,760 --> 00:19:06,760

Teams, you have ten minutes left before we call you back for debriefing.

319

00:19:06,760 --> 00:19:09,760

Take advantage of every minute you have.

320

00:19:11,760 --> 00:19:12,760

Ball.

321

00:19:12,760 --> 00:19:13,760

Here it is.

322

00:19:13,760 --> 00:19:15,760

Okay, you want to play with Zach's balls?

323

00:19:15,760 --> 00:19:17,760

I'm sure we're going to see a lot of them.

324

00:19:17,760 --> 00:19:18,760

They're all over.

325

00:19:18,760 --> 00:19:20,760

I think we've worn out that joke.

326

00:19:20,760 --> 00:19:21,760

Yeah, pretty much.

327

00:19:21,760 --> 00:19:23,760

They're talking about playing with Zach's balls.

328

00:19:25,760 --> 00:19:27,760

That's not part of the challenge.

329

00:19:27,760 --> 00:19:29,760

Well, it could be if they play their cards right.

330

00:19:29,760 --> 00:19:31,760

Put the millimeter by the ball.

331

00:19:35,760 --> 00:19:37,760

There it is. There it is.

332

00:19:37,760 --> 00:19:38,760

Wow.

333

00:19:39,760 --> 00:19:40,760

Look at that.

334

00:19:40,760 --> 00:19:41,760

No.

335

00:19:41,760 --> 00:19:43,760

Those are some high levels.

336

00:19:44,760 --> 00:19:46,760

Are you trying to move the ball?

337

00:19:46,760 --> 00:19:48,760

Are you just trying to show us your hair?

338

00:19:48,760 --> 00:19:50,760

Are you excited about being cured?

339

00:19:52,760 --> 00:19:53,760

Hallelujah.

340

00:19:53,760 --> 00:19:54,760

Right.

341

00:19:54,760 --> 00:19:56,760

At the very end, all of the sudden stuff happens.

342

00:19:56,760 --> 00:19:57,760

Absolutely.

343

00:19:57,760 --> 00:19:58,760

You never know what the paranormal.

344

00:19:58,760 --> 00:20:00,760

You never know when it's going to happen.

345

00:20:00,760 --> 00:20:02,760

Dr. Nitsi may want to cover your ears.

346

00:20:02,760 --> 00:20:03,760

Beth, please do the same.

347

00:20:03,760 --> 00:20:04,760

Dave, you won't hear it.

348

00:20:09,760 --> 00:20:10,760

Oh my God.

349

00:20:10,760 --> 00:20:12,760

He's got a f\*\*\*ing eye.

350

00:20:14,760 --> 00:20:18,760

Hi, teams. How are you doing?

351

00:20:18,760 --> 00:20:19,760

We're good.

352

00:20:19,760 --> 00:20:21,760

Right now, we're going to give you a little taste

353

00:20:21,760 --> 00:20:24,760

of how the judges feel you've been doing so far.

354

00:20:24,760 --> 00:20:25,760

Dave?

355

00:20:25,760 --> 00:20:28,760

I got to start off and tell you girls, you did a great job.

356

00:20:28,760 --> 00:20:29,760

It's been fun to watch.

357

00:20:29,760 --> 00:20:31,760

You just said you're claustrophobic.

358

00:20:31,760 --> 00:20:32,760

Yes.

359

00:20:32,760 --> 00:20:34,760

And yet you were the first one to go down the death tunnel.

360

00:20:34,760 --> 00:20:36,760

We could see that you had a little nerves going on,

361

00:20:36,760 --> 00:20:37,760

but you kept yourself calm.

362

00:20:37,760 --> 00:20:38,760

That was fantastic.

363

00:20:38,760 --> 00:20:41,760

And Aaron, you were the first person successfully on the show

364

00:20:41,760 --> 00:20:43,760

to earn a nickname, Eileen.

365

00:20:43,760 --> 00:20:45,760

Because in every scene we see you,

366

00:20:45,760 --> 00:20:47,760

you seem to be leaning against a wall,

367

00:20:47,760 --> 00:20:50,760

hands in your pocket, totally disinterested in this investigation.

368

00:20:50,760 --> 00:20:52,760

I don't know if you're aware of this,

369

00:20:52,760 --> 00:20:54,760

but this is TV and a competition show.

370

00:20:54,760 --> 00:20:55,760

Let's step it up.

371

00:20:55,760 --> 00:20:57,760

So with that said, we're going to call in the

372

00:20:57,760 --> 00:21:00,760

Paranormal Challenge Audio Visual Tech, Billy Tauley.

373

00:21:00,760 --> 00:21:01,760

Billy?

374

00:21:01,760 --> 00:21:03,760

Now that part one is completed,

375

00:21:03,760 --> 00:21:05,760

Zach presents each team with evidence captured

376

00:21:05,760 --> 00:21:09,760

from previous investigations as a reference for part two.

377

00:21:09,760 --> 00:21:13,760

Team Epic, what you're going to see is some really cool activity

378

00:21:13,760 --> 00:21:15,760

having to do with the trigger object,

379

00:21:15,760 --> 00:21:17,760

some that you've already seen laying around.

380

00:21:17,760 --> 00:21:18,760

Billy?

381

00:21:20,760 --> 00:21:21,760

Oh, no, it's not.

382

00:21:21,760 --> 00:21:22,760

I don't know.

383

00:21:23,760 --> 00:21:25,760

Oh, that is cool.

384

00:21:25,760 --> 00:21:26,760

It's going on.

385

00:21:27,760 --> 00:21:30,760

And I think for the straight.

386

00:21:31,760 --> 00:21:32,760

Pretty impressive, right?

387

00:21:32,760 --> 00:21:33,760

Well, guess what?

388

00:21:33,760 --> 00:21:35,760

You're headed to this area next.

389

00:21:35,760 --> 00:21:37,760

Dark Alley Paranormal.

390

00:21:37,760 --> 00:21:39,760

We're also going to show you a video clip,

391

00:21:39,760 --> 00:21:43,760

a very strange anomaly in the lobby of the first floor.

392

00:21:43,760 --> 00:21:45,760

Did I just catch you flying around?

393

00:21:45,760 --> 00:21:46,760

Oh, there you are.

394

00:21:47,760 --> 00:21:48,760

Mm-hmm.

395

00:21:48,760 --> 00:21:49,760

I did catch you flying.

396

00:21:49,760 --> 00:21:50,760

I see you.

397

00:21:50,760 --> 00:21:52,760

Can you come closer to the camera here?

398

00:21:54,760 --> 00:21:55,760

Are you even over here?

399

00:21:55,760 --> 00:21:56,760

Holy s\*\*\*.

400

00:21:56,760 --> 00:21:58,760

I'm going to come over here and sit on my shoulders.

401

00:21:59,760 --> 00:22:00,760

Did I just catch you flying around?

402

00:22:00,760 --> 00:22:01,760

Oh, there you are.

403

00:22:03,760 --> 00:22:04,760

Mm-hmm.

404

00:22:04,760 --> 00:22:05,760

I did catch you flying.

405

00:22:05,760 --> 00:22:06,760

I see you.

406

00:22:06,760 --> 00:22:08,760

Can you come closer to the camera here?

407

00:22:10,760 --> 00:22:11,760

Are you even over here?

408

00:22:11,760 --> 00:22:12,760

Holy s\*\*\*.

409

00:22:12,760 --> 00:22:14,760

I'm going to come over here and sit on my shoulders.

410

00:22:15,760 --> 00:22:16,760

Pretty cool, huh?

411

00:22:16,760 --> 00:22:17,760

Thank you, Billy.

412

00:22:17,760 --> 00:22:19,760

In addition to the evidence that Zach has presented,

413

00:22:19,760 --> 00:22:21,760

they are both given a new piece of equipment,

414

00:22:21,760 --> 00:22:23,760

the EM Vortex.

415

00:22:23,760 --> 00:22:26,760

Since spirits are said to consist of electromagnetic energy,

416

00:22:26,760 --> 00:22:28,760

the EM Vortex emits a magnetic field,

417

00:22:28,760 --> 00:22:30,760

which the spirits can potentially feed off of

418

00:22:30,760 --> 00:22:32,760

and use to manifest themselves.

419

00:22:32,760 --> 00:22:35,760

I hope this debriefing got you some constructive information.

420

00:22:36,760 --> 00:22:39,760

That you will take with you into part two.

421

00:22:39,760 --> 00:22:40,760

Get ready.

422

00:22:40,760 --> 00:22:41,760

Wait for my signal.

423

00:22:43,760 --> 00:22:45,760

Teams will now switch locations

424

00:22:45,760 --> 00:22:48,760

and continue their investigation for two more hours.

425

00:22:48,760 --> 00:22:51,760

Dark Alley Paranormal will take on zone one,

426

00:22:51,760 --> 00:22:54,760

while Epic Paranormal will explore zone two.

427

00:22:54,760 --> 00:22:55,760

All right, you said it.

428

00:22:55,760 --> 00:22:56,760

Let's do it.

429

00:22:56,760 --> 00:22:57,760

Let's go, guys.

430

00:22:58,760 --> 00:23:00,760

Alex, you doing the body shoot?

431

00:23:00,760 --> 00:23:01,760

Getting there now.

432

00:23:01,760 --> 00:23:02,760

All by yourself?

433

00:23:02,760 --> 00:23:03,760

All by myself.

434

00:23:07,760 --> 00:23:10,760

What the f\*\*\* was that?

435

00:23:18,760 --> 00:23:22,760

Dark Alley's jumping in and Alex is on his way to the dead shoot.

436

00:23:22,760 --> 00:23:23,760

By himself.

437

00:23:23,760 --> 00:23:24,760

The body shoot.

438

00:23:25,760 --> 00:23:26,760

All right.

439

00:23:26,760 --> 00:23:36,760

I'm in the body shoot right now.

440

00:23:36,760 --> 00:23:42,760

And I'm not gonna lie.

441

00:23:44,760 --> 00:23:47,760

I kinda wish I wore an adult diaper.

442

00:23:49,760 --> 00:23:51,760

I just want to talk.

443

00:23:52,760 --> 00:23:53,760

For some of you,

444

00:23:54,760 --> 00:23:57,760

this was your final step here at Waverly Hills.

445

00:23:59,760 --> 00:24:01,760

I'm holding this little device

446

00:24:01,760 --> 00:24:03,760

and we can communicate with each other.

447

00:24:03,760 --> 00:24:06,760

So if you have a message or something you want to...

448

00:24:11,760 --> 00:24:14,760

What the f\*\*\* was that?

449

00:24:15,760 --> 00:24:16,760

I could hear that from here.

450

00:24:16,760 --> 00:24:17,760

Hey, Alex just heard.

451

00:24:17,760 --> 00:24:20,760

Sounded like banging or slamming.

452

00:24:20,760 --> 00:24:21,760

Audio up.

453

00:24:24,760 --> 00:24:25,760

Can you yell?

454

00:24:27,760 --> 00:24:28,760

Yell out your name.

455

00:24:34,760 --> 00:24:35,760

No f\*\*\* way.

456

00:24:38,760 --> 00:24:41,760

This is one creepy f\*\*\* place.

457

00:24:42,760 --> 00:24:44,760

What floor is Team Epic on right now?

458

00:24:44,760 --> 00:24:46,760

They're going to the operating room?

459

00:24:46,760 --> 00:24:47,760

Right.

460

00:24:47,760 --> 00:24:48,760

Are you a patient?

461

00:24:54,760 --> 00:24:55,760

Bingo.

462

00:24:57,760 --> 00:24:59,760

Did you have an operation?

463

00:25:05,760 --> 00:25:08,760

The doctors tried hard to figure out how to help you.

464

00:25:08,760 --> 00:25:11,760

Do you understand that they were trying to help and not hurt?

465

00:25:16,760 --> 00:25:18,760

Audio up please on Teresa.

466

00:25:18,760 --> 00:25:20,760

By herself on the fifth floor where the suicide occurred.

467

00:25:21,760 --> 00:25:22,760

Hello?

468

00:25:24,760 --> 00:25:26,760

There's anybody up here with me?

469

00:25:26,760 --> 00:25:27,760

Oh my God.

470

00:25:29,760 --> 00:25:31,760

Hello, my name is Teresa.

471

00:25:32,760 --> 00:25:35,760

I'm trying to talk to the nurse, the Waverly Hills nurse,

472

00:25:37,760 --> 00:25:39,760

who took her life here in 502.

473

00:25:40,760 --> 00:25:44,760

The spirits associated with those victims of suicides,

474

00:25:44,760 --> 00:25:49,760

how is that different from the patients that have died from tuberculosis?

475

00:25:49,760 --> 00:25:52,760

Sometimes you can get stuck in the emotion of your death.

476

00:25:52,760 --> 00:25:56,760

So somebody who commits suicide, who's extremely depressed,

477

00:25:56,760 --> 00:25:59,760

they may be stuck in that emotion for a long time.

478

00:26:01,760 --> 00:26:03,760

Okay, now I heard something over there.

479

00:26:07,760 --> 00:26:12,760

I understand how you must feel to have a child and not be married.

480

00:26:15,760 --> 00:26:18,760

I had a child when I was not married as well.

481

00:26:19,760 --> 00:26:22,760

And my situation was different.

482

00:26:23,760 --> 00:26:28,760

I had the support of my family and raised a very healthy happy child.

483

00:26:33,760 --> 00:26:37,760

So I'm very sorry that you felt that you needed to take your life because of that.

484

00:26:48,760 --> 00:26:50,760

It's very sad feeling up here.

485

00:26:51,760 --> 00:26:52,760

What's wrong with her?

486

00:26:52,760 --> 00:26:54,760

You had us here if you want us here.

487

00:26:55,760 --> 00:26:56,760

Who heard that?

488

00:26:56,760 --> 00:26:57,760

Who was that?

489

00:26:57,760 --> 00:26:59,760

They just heard something big.

490

00:27:04,760 --> 00:27:05,760

This is a second Teresa.

491

00:27:05,760 --> 00:27:07,760

She's been up there for a long time by herself.

492

00:27:07,760 --> 00:27:09,760

It's very sad feeling up here.

493

00:27:10,760 --> 00:27:14,760

I think we could feel the experience she had through the expression on her face.

494

00:27:16,760 --> 00:27:18,760

Teams, you got 30 minutes left.

495

00:27:18,760 --> 00:27:19,760

Whoa!

496

00:27:19,760 --> 00:27:20,760

You got close to it.

497

00:27:20,760 --> 00:27:21,760

What was that?

498

00:27:21,760 --> 00:27:22,760

You were lighting up.

499

00:27:22,760 --> 00:27:25,760

No, there was something that just went across, right across the screen.

500

00:27:25,760 --> 00:27:27,760

It looked like a big ball light.

501

00:27:27,760 --> 00:27:28,760

On the third floor?

502

00:27:28,760 --> 00:27:29,760

Yeah.

503

00:27:29,760 --> 00:27:30,760

It was a big ball light.

504

00:27:30,760 --> 00:27:31,760

It was a big ball light.

505

00:27:31,760 --> 00:27:32,760

It was a big ball light.

506

00:27:32,760 --> 00:27:33,760

It was a big ball light.

507

00:27:33,760 --> 00:27:34,760

It was a big ball light.

508

00:27:34,760 --> 00:27:35,760

It was a big ball light.

509

00:27:35,760 --> 00:27:36,760

It was a big ball light.

510

00:27:36,760 --> 00:27:37,760

On the third floor?

511

00:27:37,760 --> 00:27:38,760

Yeah.

512

00:27:38,760 --> 00:27:40,760

Possible missed opportunity.

513

00:27:42,760 --> 00:27:43,760

I see a little bit more energy.

514

00:27:43,760 --> 00:27:44,760

Finally out of dark alley,

515

00:27:44,760 --> 00:27:47,760

are you feeling a little bit better about part two of your investigation?

516

00:27:47,760 --> 00:27:48,760

Absolutely.

517

00:27:48,760 --> 00:27:49,760

I haven't seen them staying still.

518

00:27:49,760 --> 00:27:51,760

We are in your domain.

519

00:27:53,760 --> 00:27:55,760

Let us know if you want us here.

520

00:27:56,760 --> 00:27:57,760

Who heard that?

521

00:27:57,760 --> 00:27:58,760

Who was that?

522

00:27:59,760 --> 00:28:00,760

What?

523

00:28:00,760 --> 00:28:01,760

You didn't hear that?

524

00:28:01,760 --> 00:28:02,760

They just heard something big.

525

00:28:02,760 --> 00:28:03,760

Whoa.

526

00:28:03,760 --> 00:28:05,760

It sounded like someone tripped and fell.

527

00:28:05,760 --> 00:28:06,760

You didn't hear it?

528

00:28:06,760 --> 00:28:07,760

It was like...

529

00:28:08,760 --> 00:28:10,760

Let us know if you want us here.

530

00:28:11,760 --> 00:28:12,760

Who heard that?

531

00:28:12,760 --> 00:28:13,760

Who was that?

532

00:28:14,760 --> 00:28:16,760

Let us know if you want us here.

533

00:28:16,760 --> 00:28:17,760

Who heard that?

534

00:28:17,760 --> 00:28:18,760

Who was that?

535

00:28:18,760 --> 00:28:19,760

Who's in here?

536

00:28:19,760 --> 00:28:20,760

I just heard that.

537

00:28:20,760 --> 00:28:21,760

Is that a doorway?

538

00:28:21,760 --> 00:28:22,760

That's a doorway out, right?

539

00:28:22,760 --> 00:28:23,760

To the left?

540

00:28:23,760 --> 00:28:24,760

Yeah, this is back into the hallway.

541

00:28:24,760 --> 00:28:26,760

I just saw a motion back there.

542

00:28:26,760 --> 00:28:28,760

It went back into the hallway.

543

00:28:29,760 --> 00:28:30,760

Holy...

544

00:28:35,760 --> 00:28:37,760

Can you play ball with me?

545

00:28:39,760 --> 00:28:41,760

This is the room that the ball was being played with

546

00:28:41,760 --> 00:28:43,760

on the famous video that we showed them.

547

00:28:43,760 --> 00:28:46,760

So, hopefully they're going to be able to re-enact that

548

00:28:46,760 --> 00:28:48,760

and get the ball to interact with them.

549

00:28:48,760 --> 00:28:50,760

Looks like it wants to move, you know?

550

00:28:50,760 --> 00:28:51,760

It's like...

551

00:28:51,760 --> 00:28:52,760

I feel like it wants to move.

552

00:28:53,760 --> 00:28:55,760

Can you ask him to turn Night Vision off real quick

553

00:28:55,760 --> 00:28:57,760

to show everybody what they're seeing?

554

00:28:57,760 --> 00:28:58,760

There you go.

555

00:28:58,760 --> 00:29:00,760

That's what they're seeing right there.

556

00:29:00,760 --> 00:29:03,760

You know, if you're getting angry with Shave Me or...

557

00:29:03,760 --> 00:29:04,760

Whatever.

558

00:29:06,760 --> 00:29:07,760

Ooh, ooh.

559

00:29:07,760 --> 00:29:08,760

What happened?

560

00:29:08,760 --> 00:29:09,760

Kathy got bumped.

561

00:29:10,760 --> 00:29:11,760

She's hearing this curse.

562

00:29:11,760 --> 00:29:12,760

Is she okay?

563

00:29:13,760 --> 00:29:15,760

This room likes to draw blood from me.

564

00:29:16,760 --> 00:29:17,760

Oh, man.

565

00:29:17,760 --> 00:29:18,760

Let's leave.

566

00:29:20,760 --> 00:29:21,760

Maybe it's a nurse.

567

00:29:21,760 --> 00:29:22,760

She wants to draw blood.

568

00:29:22,760 --> 00:29:24,760

I think you know what you got to do right now.

569

00:29:24,760 --> 00:29:25,760

Oh, yeah.

570

00:29:25,760 --> 00:29:26,760

Inclusion?

571

00:29:29,760 --> 00:29:31,760

We used all our women's intuition.

572

00:29:31,760 --> 00:29:33,760

Our women's intuition.

573

00:29:33,760 --> 00:29:35,760

Our sensitivities as mothers.

574

00:29:35,760 --> 00:29:36,760

Our empathy.

575

00:29:36,760 --> 00:29:39,760

We used all that, and that's something that they couldn't have used.

576

00:29:39,760 --> 00:29:41,760

I think this is one of the most common places in America.

577

00:29:41,760 --> 00:29:45,760

As Wasma says, definitely lived up to this reputation tonight.

578

00:29:45,760 --> 00:29:48,760

Now that both investigations are officially completed,

579

00:29:48,760 --> 00:29:50,760

teams must lock up all of their materials

580

00:29:50,760 --> 00:29:53,760

and evacuate the premises until morning.

581

00:29:59,760 --> 00:30:02,760

The teams return the next morning to review their evidence.

582

00:30:02,760 --> 00:30:05,760

They'll present the four most compelling pieces captured during the competition.

583

00:30:05,760 --> 00:30:06,760

Oh, that's all the shadow.

584

00:30:06,760 --> 00:30:07,760

Two audio.

585

00:30:07,760 --> 00:30:08,760

That's not you.

586

00:30:08,760 --> 00:30:09,760

And two visual.

587

00:30:10,760 --> 00:30:12,760

And now it's time for judgment.

588

00:30:13,760 --> 00:30:16,760

This is all about pride, respect, credibility.

589

00:30:17,760 --> 00:30:18,760

You know, we're competitive guys.

590

00:30:18,760 --> 00:30:19,760

We came here to win.

591

00:30:19,760 --> 00:30:21,760

I don't want to go home without winning.

592

00:30:21,760 --> 00:30:23,760

Reputations are at stake.

593

00:30:23,760 --> 00:30:25,760

I know women's reputation is everything.

594

00:30:26,760 --> 00:30:27,760

You guys ready to lift teams and know how they did?

595

00:30:27,760 --> 00:30:28,760

Yes.

596

00:30:28,760 --> 00:30:29,760

Let's bring them in.

597

00:30:29,760 --> 00:30:30,760

Teams, come on in.

598

00:30:31,760 --> 00:30:33,760

Dark alley paranormal.

599

00:30:33,760 --> 00:30:34,760

How you guys doing?

600

00:30:34,760 --> 00:30:35,760

Good.

601

00:30:35,760 --> 00:30:36,760

Very good.

602

00:30:36,760 --> 00:30:37,760

Brian, Alex.

603

00:30:37,760 --> 00:30:38,760

Doing well.

604

00:30:38,760 --> 00:30:39,760

Did you guys have a good evidence review?

605

00:30:39,760 --> 00:30:40,760

Yes, yes.

606

00:30:40,760 --> 00:30:41,760

Did you find some stuff?

607

00:30:41,760 --> 00:30:42,760

Yeah.

608

00:30:42,760 --> 00:30:46,760

So without further ado, let's find out how you guys did in the history category.

609

00:30:50,760 --> 00:30:51,760

Beth.

610

00:30:51,760 --> 00:30:54,760

You guys started off strong and went right in

611

00:30:54,760 --> 00:30:59,760

and directed all of your questioning towards the homeless man and his dog from the elevator shaft.

612

00:30:59,760 --> 00:31:03,760

And really, I think that was your strongest show of history for the whole night.

613

00:31:04,760 --> 00:31:06,760

Another category is teamwork.

614

00:31:06,760 --> 00:31:07,760

You know, I had a lot of concerns.

615

00:31:07,760 --> 00:31:10,760

You guys had a lot of low energy in the first half of the investigation.

616

00:31:10,760 --> 00:31:12,760

You guys definitely seem to bring it for the second half.

617

00:31:12,760 --> 00:31:15,760

Beth, how'd they do in technology?

618

00:31:18,760 --> 00:31:23,760

I was a little distressed at first with the male meter because you kept it in hand a lot.

619

00:31:23,760 --> 00:31:25,760

And it was moving all the time.

620

00:31:25,760 --> 00:31:27,760

I know that's really hard to get good, clear readings.

621

00:31:27,760 --> 00:31:32,760

But I did really score you highly on your meticulous note-taking.

622

00:31:32,760 --> 00:31:33,760

I agree.

623

00:31:33,760 --> 00:31:34,760

I love note-taking.

624

00:31:34,760 --> 00:31:37,760

And I think that's going to probably help you guys in your evidence review.

625

00:31:37,760 --> 00:31:38,760

Dark alley paranormal.

626

00:31:38,760 --> 00:31:40,760

Did you guys capture some evidence?

627

00:31:40,760 --> 00:31:41,760

Yeah, we did.

628

00:31:41,760 --> 00:31:44,760

Let's move into the audio evidence category.

629

00:31:47,760 --> 00:31:54,760

The first one here was actually Brian doing the solo cam up on the fifth floor where the suicide of the nurse occurred.

630

00:31:54,760 --> 00:31:55,760

It's correct.

631

00:31:55,760 --> 00:31:58,760

I won't tell you what we think it says, you just listen.

632

00:32:01,760 --> 00:32:03,760

Someone's telling me to get out of here.

633

00:32:03,760 --> 00:32:04,760

I'm hearing turn around.

634

00:32:04,760 --> 00:32:05,760

What did you make out of it?

635

00:32:05,760 --> 00:32:07,760

We thought it was get out of here too.

636

00:32:07,760 --> 00:32:08,760

Get out of here.

637

00:32:08,760 --> 00:32:09,760

Let me hear it again.

638

00:32:14,760 --> 00:32:16,760

Do you have a second piece of audio, Aaron?

639

00:32:16,760 --> 00:32:17,760

Yeah, we have.

640

00:32:17,760 --> 00:32:18,760

This was Alex.

641

00:32:18,760 --> 00:32:19,760

He was in the body shoot.

642

00:32:19,760 --> 00:32:21,760

Again, doing the solo cam.

643

00:32:21,760 --> 00:32:23,760

Alex, did you have fun on the body shoot?

644

00:32:23,760 --> 00:32:25,760

I have goosebumps right now, thinking about it.

645

00:32:25,760 --> 00:32:28,760

Well, let's see if this voice had something to do with the noise you heard.

646

00:32:41,760 --> 00:32:42,760

Godzilla.

647

00:32:43,760 --> 00:32:45,760

Billy, can you replay it?

648

00:32:45,760 --> 00:32:47,760

So if you have a message or something you wanted to...

649

00:32:52,760 --> 00:32:54,760

Is it possibly a residual type sound?

650

00:32:54,760 --> 00:32:55,760

Yeah.

651

00:32:55,760 --> 00:33:00,760

I mean, you figure the thousands of bodies that were slammed down on those carts that went down at a horse waiting below.

652

00:33:00,760 --> 00:33:01,760

Yeah.

653

00:33:02,760 --> 00:33:04,760

Did you capture any visual evidence, Aaron?

654

00:33:04,760 --> 00:33:05,760

Yeah, we have one video clip.

655

00:33:05,760 --> 00:33:06,760

Tell me about it.

656

00:33:06,760 --> 00:33:07,760

It was one of our static cams.

657

00:33:07,760 --> 00:33:09,760

It was an IR static cam on the fourth floor.

658

00:33:09,760 --> 00:33:12,760

There's a sound followed by an anomaly and an orb.

659

00:33:12,760 --> 00:33:14,760

It's got speed, a sense of direction.

660

00:33:14,760 --> 00:33:15,760

Let's take a look at it.

661

00:33:16,760 --> 00:33:17,760

Keys jingling.

662

00:33:18,760 --> 00:33:19,760

Something right there.

663

00:33:19,760 --> 00:33:20,760

Right there.

664

00:33:20,760 --> 00:33:21,760

Yeah.

665

00:33:21,760 --> 00:33:23,760

Billy, can you do a replay, please?

666

00:33:32,760 --> 00:33:35,760

I think it's kind of cool how you have an unexplained noise.

667

00:33:35,760 --> 00:33:36,760

Yeah.

668

00:33:36,760 --> 00:33:37,760

And then you have something visual.

669

00:33:37,760 --> 00:33:38,760

We don't know what it is.

670

00:33:38,760 --> 00:33:39,760

Right.

671

00:33:39,760 --> 00:33:40,760

Let's ask the judges.

672

00:33:40,760 --> 00:33:41,760

What's your opinions?

673

00:33:41,760 --> 00:33:42,760

Anything?

674

00:33:42,760 --> 00:33:43,760

I'm curious.

675

00:33:43,760 --> 00:33:50,760

If you're a team, if you're called into a home to investigate and the family supplies you with this piece of evidence, what would your thought be?

676

00:33:50,760 --> 00:33:52,760

You know, try to find a probable cause for it.

677

00:33:52,760 --> 00:33:55,760

You can always present it, but you still can't always guarantee it.

678

00:33:55,760 --> 00:33:57,760

Thank you, Dark Alley Paranormal very much.

679

00:33:57,760 --> 00:33:58,760

You may be released.

680

00:33:58,760 --> 00:33:59,760

Thank you.

681

00:33:59,760 --> 00:34:00,760

Thanks, guys.

682

00:34:00,760 --> 00:34:06,760

The winner of Paranormal Challenge, Weaverly Hills Sanatory, is...

683

00:34:14,760 --> 00:34:18,760

Dark Alley Paranormal has delivered their evidence to the judges.

684

00:34:18,760 --> 00:34:21,760

What the f\*\*\* was that?

685

00:34:22,760 --> 00:34:23,760

Godzilla.

686

00:34:23,760 --> 00:34:26,760

Now it's Epic Paranormal's turn to present their evidence.

687

00:34:26,760 --> 00:34:29,760

Team Epic, the Haunted Housewives.

688

00:34:29,760 --> 00:34:30,760

How you guys doing?

689

00:34:30,760 --> 00:34:31,760

Doing great.

690

00:34:31,760 --> 00:34:32,760

Doing good?

691

00:34:32,760 --> 00:34:37,760

Dr. Heath, how did they do using the history of the team?

692

00:34:38,760 --> 00:34:45,760

I really liked how they used the history to compassionately connect with the spirits.

693

00:34:45,760 --> 00:34:51,760

I also like that you took it upon yourselves to talk about the different medical procedures that were taking place here and engaging them.

694

00:34:51,760 --> 00:34:52,760

Did this work?

695

00:34:52,760 --> 00:34:53,760

How did that feel when this happened?

696

00:34:53,760 --> 00:34:55,760

I thought that was really a great use of history.

697

00:34:55,760 --> 00:34:58,760

How well did they work together as a team?

698

00:35:01,760 --> 00:35:04,760

I really liked how you guys worked together as a team.

699

00:35:04,760 --> 00:35:06,760

You did a really nice job with it.

700

00:35:06,760 --> 00:35:11,760

I would have liked to have seen someone besides Teresa do some of the POVs.

701

00:35:11,760 --> 00:35:16,760

And I was a little disappointed that you discouraged Kathy from doing it when she was interested.

702

00:35:16,760 --> 00:35:19,760

We wanted to see you up there by yourself, Kathy.

703

00:35:19,760 --> 00:35:21,760

I discouraged myself.

704

00:35:21,760 --> 00:35:22,760

We really did.

705

00:35:22,760 --> 00:35:24,760

I really wanted to go, but I kind of...

706

00:35:24,760 --> 00:35:26,760

What made you not want to go up there?

707

00:35:26,760 --> 00:35:27,760

What made you?

708

00:35:27,760 --> 00:35:30,760

Like, I really wanted to give it everything and I would have been off on my concentration.

709

00:35:30,760 --> 00:35:32,760

Well, we're telling you don't be uncomfortable. You did a fantastic job.

710

00:35:32,760 --> 00:35:33,760

Thank you very much.

711

00:35:33,760 --> 00:35:36,760

How well did they use the technology that was supplied to them?

712

00:35:39,760 --> 00:35:41,760

I like the fact that you used all of it.

713

00:35:41,760 --> 00:35:43,760

I mean, you really made an effort to do that.

714

00:35:43,760 --> 00:35:44,760

We tried.

715

00:35:44,760 --> 00:35:47,760

You were having moments of feeling touched or heat.

716

00:35:47,760 --> 00:35:49,760

You have a thermal camera.

717

00:35:49,760 --> 00:35:51,760

I would have loved to have seen you employ that at that moment to see.

718

00:35:51,760 --> 00:35:55,760

Can we capture a hand or something rubbing up against your arm or holding your hand?

719

00:35:55,760 --> 00:35:57,760

All right, now the part everybody wants to see.

720

00:35:57,760 --> 00:35:58,760

Evidence.

721

00:35:58,760 --> 00:36:00,760

Teresa, did your team capture some evidence?

722

00:36:00,760 --> 00:36:02,760

We captured quite a bit of evidence.

723

00:36:02,760 --> 00:36:05,760

Let's start with audio first. Bring up their first audio clip.

724

00:36:08,760 --> 00:36:12,760

This was my solo mission down the body shoot.

725

00:36:15,760 --> 00:36:16,760

Teresa, you here.

726

00:36:16,760 --> 00:36:18,760

I hear it's upside down, man.

727

00:36:18,760 --> 00:36:21,760

Now that comes from the line of questioning I was using.

728

00:36:21,760 --> 00:36:25,760

Bodies would go down and life people would go up.

729

00:36:25,760 --> 00:36:33,760

Wow. I think I hear, don't try to hurt her.

730

00:36:35,760 --> 00:36:38,760

Teresa, did your team capture a second piece of audio evidence?

731

00:36:38,760 --> 00:36:42,760

We did. We were on the third floor in front of the elevator.

732

00:36:42,760 --> 00:36:44,760

There's my voice and then there's a response.

733

00:36:50,760 --> 00:36:52,760

Did you make out anything it was saying?

734

00:36:52,760 --> 00:36:54,760

Down the shaft.

735

00:36:55,760 --> 00:36:57,760

Here it is.

736

00:37:00,760 --> 00:37:02,760

Let's hear it again.

737

00:37:04,760 --> 00:37:09,760

Team Epic, please present the judges with your first piece of visual evidence.

738

00:37:12,760 --> 00:37:18,760

Our first piece of visual evidence was Darla and Kathy in the operating room, the surgical suite,

739

00:37:18,760 --> 00:37:21,760

while I was doing my solo mission on the fifth floor.

740

00:37:21,760 --> 00:37:23,760

Awesome. Let's see it, Billy.

741

00:37:23,760 --> 00:37:25,760

Are you patient?

742

00:37:27,760 --> 00:37:30,760

Wow. Right on cue.

743

00:37:32,760 --> 00:37:34,760

Did you have an operation?

744

00:37:38,760 --> 00:37:46,760

Wow. You were communicating with this spirit by using a device that the spirit found out is very easy to manipulate.

745

00:37:46,760 --> 00:37:48,760

Did you have an operation?

746

00:37:48,760 --> 00:37:50,760

Yes.

747

00:37:52,760 --> 00:37:55,760

Teresa, did your team capture a second piece of visual evidence?

748

00:37:55,760 --> 00:38:00,760

We do. This next piece of evidence is in the fourth floor hallway as well.

749

00:38:00,760 --> 00:38:06,760

Kathy sees something with her eyes and then we capture something on film.

750

00:38:06,760 --> 00:38:08,760

Billy, let's watch it.

751

00:38:08,760 --> 00:38:10,760

Where is this, man?

752

00:38:12,760 --> 00:38:14,760

Okay, something just came.

753

00:38:14,760 --> 00:38:17,760

If you saw it visually, almost holding something up to see it.

754

00:38:17,760 --> 00:38:19,760

We saw something happening down there.

755

00:38:26,760 --> 00:38:33,760

I tend to be really skeptical with visual evidence anyway and I do tend to lean towards an insect.

756

00:38:33,760 --> 00:38:39,760

And typically with bugs, they come across as rods, but it's definitely an irregular type shape.

757

00:38:39,760 --> 00:38:45,760

Team Epic, Dark Alley, Paranormal, thank you both for presenting us with your evidence.

758

00:38:45,760 --> 00:38:50,760

You may be released at this time and we'll call you back shortly with our decision.

759

00:38:53,760 --> 00:38:59,760

Let's start off by teamwork. Dr. Heath, how did you feel Team Epic did?

760

00:38:59,760 --> 00:39:03,760

I feel like they did better because they worked together figuring out what to do next.

761

00:39:03,760 --> 00:39:08,760

Dark Alley, there was such low energy, the team seemed to really just not gel together.

762

00:39:08,760 --> 00:39:12,760

They were back and forth with their teamwork, it was inconsistent.

763

00:39:12,760 --> 00:39:17,760

Let's move to history. I saw a very good use of history again by Team Epic.

764

00:39:17,760 --> 00:39:21,760

They got so down to the nitty gritty details of what this location was all about.

765

00:39:21,760 --> 00:39:25,760

Mrs. Higgs, we understand that he passed away at a very young age.

766

00:39:25,760 --> 00:39:31,760

I would say in the first part of the investigation, the first two hours, I felt both teams were evenly matched.

767

00:39:31,760 --> 00:39:39,760

And then in the second part of the investigation, the big note I put was Dark Alley didn't seem to have any use of history.

768

00:39:39,760 --> 00:39:42,760

In terms of technology, what are your thoughts?

769

00:39:42,760 --> 00:39:49,760

What I liked about Epic is they really, even though they weren't familiar with some of the equipment, they really made an effort to use it all.

770

00:39:49,760 --> 00:39:53,760

You know, I loved Dark Alley's use of short burst EVP.

771

00:39:53,760 --> 00:39:55,760

You ate your dog.

772

00:39:57,760 --> 00:39:58,760

Did you hear that?

773

00:39:58,760 --> 00:40:00,760

Alright, let's get to the evidence.

774

00:40:00,760 --> 00:40:03,760

I have a second piece of audio that Dark Alley presented to us.

775

00:40:03,760 --> 00:40:05,760

Oh, I thought that was crazy.

776

00:40:05,760 --> 00:40:07,760

That's definitely my top pick.

777

00:40:07,760 --> 00:40:10,760

So do you have a message or something you wanted to know?

778

00:40:14,760 --> 00:40:19,760

The video evidence that Team Epic presented us, I mean, it was so dramatic.

779

00:40:19,760 --> 00:40:24,760

The detailing and the communication and the immediate responses that she was getting.

780

00:40:24,760 --> 00:40:29,760

And as soon as they started asking these deep emotional questions, they started getting responses.

781

00:40:29,760 --> 00:40:31,760

Are you patient?

782

00:40:32,760 --> 00:40:36,760

Bingo.

783

00:40:36,760 --> 00:40:40,760

Alright, judges, I think we're all in agreement.

784

00:40:40,760 --> 00:40:41,760

Yes.

785

00:40:41,760 --> 00:40:45,760

Dr. Heath, Beth, Dave, we found our winner.

786

00:40:45,760 --> 00:40:47,760

Let's go meet the teams.

787

00:40:49,760 --> 00:40:51,760

We don't know what they're thinking.

788

00:40:51,760 --> 00:40:54,760

We know that our investigation was really well done.

789

00:40:54,760 --> 00:40:57,760

It's kind of just up in their hands, that's the nerve-wracking part.

790

00:40:57,760 --> 00:40:59,760

I think we did an amazing job.

791

00:40:59,760 --> 00:41:02,760

I think we ran circles around those young boys.

792

00:41:06,760 --> 00:41:07,760

Team's the biggest part.

793

00:41:07,760 --> 00:41:09,760

Did you guys just have fun or what?

794

00:41:09,760 --> 00:41:10,760

Absolutely.

795

00:41:10,760 --> 00:41:12,760

Absolutely, as we did.

796

00:41:12,760 --> 00:41:18,760

Dark Alley Paranormal, guys, just such professionalism and respectful investigators.

797

00:41:18,760 --> 00:41:19,760

Thank you.

798

00:41:19,760 --> 00:41:24,760

Team Epic, with such delicate history, you guys used it so well.

799

00:41:24,760 --> 00:41:25,760

Thank you.

800

00:41:25,760 --> 00:41:27,760

We want to thank you guys for being a part of the show with us.

801

00:41:27,760 --> 00:41:30,760

However, at the end of the day, there can only be one winner.

802

00:41:30,760 --> 00:41:36,760

And with that said, the winner of Paranormal Challenge,

803

00:41:36,760 --> 00:41:40,760

Waverly Hills Sanatorium, is...

804

00:41:44,760 --> 00:41:45,760

Team Epic.

805

00:41:45,760 --> 00:41:46,760

Yes!

806

00:41:46,760 --> 00:41:49,760

Congratulations, girls.

807

00:41:49,760 --> 00:41:51,760

I'm kind of kidding.

808

00:41:53,760 --> 00:41:55,760

I feel like I just became Miss America.

809

00:41:55,760 --> 00:41:57,760

This is how women react, okay?

810

00:41:57,760 --> 00:41:59,760

So excited that we won Paranormal Challenge.

811

00:41:59,760 --> 00:42:04,760

This was the absolute best day of our Paranormal experience.

812

00:42:04,760 --> 00:42:05,760

This was amazing.

813

00:42:05,760 --> 00:42:06,760

I love it.

814

00:42:06,760 --> 00:42:09,760

I mean, I'd do it, you know, again in a heartbeat if I could.

815

00:42:09,760 --> 00:42:11,760

Once in a lifetime experience, it can be that.

816

00:42:11,760 --> 00:42:15,760

And there you have it, another team earning the bragging rights on Paranormal Challenge.

817

00:42:15,760 --> 00:42:16,760

What do you say?

818

00:42:16,760 --> 00:42:18,760

Want to give it a try?
