

1

00:00:00,000 --> 00:00:09,640

We're at the Linda Vista Hospital in East Los Angeles.

2

00:00:09,640 --> 00:00:14,800

This was the beating heart of this thriving community until uncontrollable street violence

3

00:00:14,800 --> 00:00:18,000

put it on life record.

4

00:00:18,000 --> 00:00:26,560

Tonight, we team will clash in an epic challenge to see who will capture the best paranormal

5

00:00:26,560 --> 00:00:27,560

evidence.

6

00:00:27,560 --> 00:00:34,560

This is paranormal challenge, Linda Vista Hospital.

7

00:00:34,560 --> 00:00:41,560

Linda Vista Hospital.

8

00:00:41,560 --> 00:01:10,560

At the height of the East LA gang wars, Linda Vista Hospital was more like a combat hospital.

9

00:01:10,560 --> 00:01:15,840

Zach Viggins, the paranormal challenge chairman, is also lead investigator and co-founder of

10

00:01:15,840 --> 00:01:20,160

the highly respected and award winning Ghost Adventures crew.

11

00:01:20,160 --> 00:01:24,160

He has completed hundreds of investigations working with the world's renowned paranormal

12

00:01:24,160 --> 00:01:29,840

researchers and scientists.

13

00:01:29,840 --> 00:01:35,000

I picked these two teams because verify paranormal, they're very emotional in their approach to

14

00:01:35,000 --> 00:01:36,000

investigating.

15

00:01:36,000 --> 00:01:43,640

Whereas paranormal EXP, they're very scientific, so two contrasting styles of investigations.

16

00:01:43,640 --> 00:01:47,400

Team Paranormal EXP based in Studio City, California.

17

00:01:47,400 --> 00:01:52,120

My name is Marcus, I'm the lead investigator and co-founder of Paranormal EXP.

18

00:01:52,120 --> 00:01:57,080

The responsibility I feel of being a paranormal investigator is probably helping that family

19

00:01:57,080 --> 00:02:01,120

cope with a lost loved one or helping them to move on.

20

00:02:01,120 --> 00:02:03,920

I'm Jason, I'm the second investigator.

21

00:02:03,920 --> 00:02:10,360

We will do anything and everything to capture that EVP, to capture photographic evidence.

22

00:02:10,360 --> 00:02:15,360

My name is Claire and I'm co-founder and tech geek on Paranormal EXP.

23

00:02:15,360 --> 00:02:19,120

Claire kind of likes to be behind the scenes a little more, she likes to work for tech

24

00:02:19,120 --> 00:02:20,120

and what not.

25

00:02:20,120 --> 00:02:22,760

She's very comforting knowing that Claire is watching us over the monitors though.

26

00:02:22,760 --> 00:02:27,680

We work really well together, I think that's going to push us over the time.

27

00:02:27,680 --> 00:02:31,560

Team Verify Paranormal based in Fresno, California.

28

00:02:31,560 --> 00:02:34,840

My name is Scott, I'm the lead investigator for Verify Paranormal.

29

00:02:34,840 --> 00:02:38,760

We know what we're doing, we meet with Matt, Captain Crazy and he's out of control, there's

30

00:02:38,760 --> 00:02:40,200

a theory behind it.

31

00:02:40,200 --> 00:02:45,000

Crazy Scott, he'll bring out the funny side of the investigation, trying to place with

32

00:02:45,000 --> 00:02:49,200

the ghost mind or the energy that's out there.

33

00:02:49,200 --> 00:02:54,200

My name's Matt and I am an investigator slash audio person.

34

00:02:54,200 --> 00:02:59,120

Matthew is our audio guy and he's got a great ear, that's just very gentle and very sweet

35

00:02:59,120 --> 00:03:00,800

and very nice, he's a great asset.

36

00:03:01,800 --> 00:03:07,160

My name's David, I'm a tech manager and he brings a lot of intensity to the table that

37

00:03:07,160 --> 00:03:08,160

I don't have.

38

00:03:08,160 --> 00:03:11,720

It's very important to win because we want the bragging rights.

39

00:03:13,720 --> 00:03:21,680

Verify Paranormal, Paranormal EXP, welcome to Linda Vista Hospital, a place guys where

40

00:03:21,680 --> 00:03:24,840

you don't want to go to get your physical because you don't know who the hell is touching

41

00:03:24,840 --> 00:03:25,840

you, you know what?

42

00:03:25,840 --> 00:03:28,560

I want to introduce you to a friend of mine, Sid Schultz.

43

00:03:28,560 --> 00:03:29,560

Hi guys.

44

00:03:29,560 --> 00:03:30,560

Hi, Sid.

45

00:03:30,560 --> 00:03:35,080

Sid is a location expert here, he's investigated this place dozens and dozens of times.

46

00:03:35,080 --> 00:03:39,000

He's going to walk you around to all the zones that you're going to be investigating tonight,

47

00:03:39,000 --> 00:03:43,560

pay very close attention to every little detail he tells you.

48

00:03:43,560 --> 00:03:45,560

Okay, that's all for now.

49

00:03:47,560 --> 00:03:52,200

Hospitals are a portal, you know this is where you're born, this is where you die.

50

00:03:52,200 --> 00:03:58,560

All it is is a dome of super energized emotions and that is the recipe for hauntings.

51

00:03:58,560 --> 00:04:04,160

Opening in 1904, for 70 years, Linda Vista Hospital was a premier medical center for

52

00:04:04,160 --> 00:04:06,200

East Los Angeles.

53

00:04:06,200 --> 00:04:11,760

The hospital became a pillar of this community until a brutal gang war in the 1970s began

54

00:04:11,760 --> 00:04:14,040

tearing the neighborhood apart.

55

00:04:14,040 --> 00:04:19,520

By the 1980s, severe budget cuts and wretched conditions had transformed this once proud

56

00:04:19,520 --> 00:04:25,000

hospital into a poorly staffed butcher shop plagued by accusations of unspeakable abuse,

57

00:04:25,000 --> 00:04:27,400

negligence and death.

58

00:04:27,400 --> 00:04:33,520

Down in 1991, some believe the spirits lurking in Linda Vista are seeking justice for the

59

00:04:33,520 --> 00:04:35,560

atrocities committed against them.

60

00:04:40,400 --> 00:04:43,640

This room that we're in is the original trauma room.

61

00:04:43,640 --> 00:04:49,480

Now in 1981, Dr. Edwards was frantically working on a bullet-riddled gang member.

62

00:04:49,480 --> 00:04:51,600

He tried to save his life but could not.

63

00:04:51,600 --> 00:04:56,720

The doctor on the way to his car was confronted by that gang and unfortunately they got him.

64

00:04:56,720 --> 00:04:59,000

They shot Dr. Edwards dead.

65

00:05:02,800 --> 00:05:08,640

When you die, you expect to have your ashes if you want to be cremated, to be respected

66

00:05:08,640 --> 00:05:12,160

and be able to be sorted out, single.

67

00:05:12,160 --> 00:05:16,280

There's no telling how many bodies are in this pit.

68

00:05:16,280 --> 00:05:27,920

This is a location where a lot of patients came to detox.

69

00:05:27,920 --> 00:05:32,400

A lot of people didn't kick their habits because they would meet their friends and

70

00:05:32,400 --> 00:05:33,400

bring the drugs in.

71

00:05:33,400 --> 00:05:38,480

So you could imagine how it was for the staff when these patients were not only high on

72

00:05:38,480 --> 00:05:41,400

medication they were given but the outside drug.

73

00:05:41,400 --> 00:05:43,400

It was chaos.

74

00:05:47,280 --> 00:05:52,800

Room 323, the most active hotspot in the entire psych ward.

75

00:05:52,800 --> 00:05:55,760

There's a lot of activity in this building.

76

00:05:55,760 --> 00:06:00,840

So be aware that this is also a very aggressive room.

77

00:06:00,840 --> 00:06:04,480

People have been pushed, people have been scratched.

78

00:06:04,480 --> 00:06:08,040

So you're very warned in your investigation tonight what you might find but take that

79

00:06:08,040 --> 00:06:10,320

to your advantage and good luck.

80

00:06:13,320 --> 00:06:14,320

Hi guys.

81

00:06:14,320 --> 00:06:15,320

How are you doing?

82

00:06:15,360 --> 00:06:19,960

The hot spot shown to the teams, preeminent skeptic and one of tonight's judges, Dr. Michael

83

00:06:19,960 --> 00:06:22,720

Schermer, is conducting an experiment of his own.

84

00:06:22,720 --> 00:06:28,040

He is telling each team two different fabricated stories to see if later during the investigation

85

00:06:28,040 --> 00:06:31,080

the falsified information will influence their findings.

86

00:06:31,080 --> 00:06:32,680

So that's the story we got with this room.

87

00:06:32,680 --> 00:06:33,680

I hope that helps.

88

00:06:33,680 --> 00:06:34,680

Great, thank you.

89

00:06:34,680 --> 00:06:35,680

Thanks.

90

00:06:35,680 --> 00:06:36,680

Thanks.

91

00:06:36,680 --> 00:06:40,680

With the competition set to begin, Zach gets each team geared up with the most advanced

92

00:06:40,680 --> 00:06:43,480

paranormal detection equipment for tonight's challenge.

93

00:06:43,480 --> 00:06:44,480

How was your walkthrough?

94

00:06:44,640 --> 00:06:45,640

Good.

95

00:06:45,640 --> 00:06:46,640

Good?

96

00:06:46,640 --> 00:06:49,640

Who's afraid of room 323?

97

00:06:49,640 --> 00:06:50,640

Scott?

98

00:06:50,640 --> 00:06:52,240

I didn't think you'd raise your hand.

99

00:06:52,240 --> 00:06:53,400

No, I'm pointing at Matthew.

100

00:06:53,400 --> 00:06:55,400

Yeah, you are.

101

00:06:55,400 --> 00:06:57,000

Are you guys ready to investigate?

102

00:06:57,000 --> 00:06:58,000

We want to do it.

103

00:06:58,000 --> 00:06:59,000

We're doing it, man.

104

00:06:59,000 --> 00:07:01,720

Well, this is the equipment that's going to help you.

105

00:07:01,720 --> 00:07:05,320

Each of you are going to be receiving two night vision camcorders.

106

00:07:05,320 --> 00:07:11,920

One stays on a tripod, a full spectrum still camera, a full spectrum camcorder, a melmeter

107

00:07:11,920 --> 00:07:16,360

that measures for electromagnetic energy and temperature, a thermal imaging camera,

108

00:07:16,360 --> 00:07:18,240

two digital recorders.

109

00:07:18,240 --> 00:07:19,240

You guys ready?

110

00:07:19,240 --> 00:07:20,240

Are we ready?

111

00:07:20,240 --> 00:07:21,240

It's not good enough.

112

00:07:21,240 --> 00:07:22,240

Are you guys ready?

113

00:07:22,240 --> 00:07:23,240

Yeah!

114

00:07:23,240 --> 00:07:28,640

Suit up, wait for my signal.

115

00:07:28,640 --> 00:07:32,200

Teams will conduct their investigations simultaneously.

116

00:07:32,200 --> 00:07:36,360

Verify paranormal with beginning zone one, which consists of the main hospital where

117

00:07:36,360 --> 00:07:39,040

our team will explore three floors and the basement.

118

00:07:39,040 --> 00:07:44,840

The paranormal EXP will start out in zone two, which is three floors in the psych ward.

119

00:07:44,840 --> 00:07:48,360

Strict time constraints are designed to push each team to the limit.

120

00:07:48,360 --> 00:07:51,800

They will only be given two hours to complete part one of the investigation.

121

00:07:51,800 --> 00:07:58,680

Then switch locations and continue investigating for two more hours in part two.

122

00:07:58,680 --> 00:08:05,400

Teams will be judged on overall teamwork, technological proficiency, historical knowledge,

123

00:08:05,400 --> 00:08:09,600

audio and visual evidence they are ultimately able to capture.

124

00:08:09,600 --> 00:08:13,160

Tonight's judges are three of the country's most notable paranormal experts.

125

00:08:13,160 --> 00:08:16,320

I'd like to see them continue with the experiment though, move the melmeter as it starts to

126

00:08:16,320 --> 00:08:18,280

go off in another location again.

127

00:08:18,280 --> 00:08:23,040

Dave Schrader, acclaimed paranormal conference lecturer, co-author of *The Other Side*, a

128

00:08:23,040 --> 00:08:28,040

teen's guide to ghost hunting, and host of the wildly popular internet talk show, *Darkness*

129

00:08:28,040 --> 00:08:29,040

Radio.

130

00:08:29,040 --> 00:08:30,440

Jason, we didn't know.

131

00:08:30,440 --> 00:08:35,200

Dr. Michael Schermer, founding publisher of Skeptic Magazine and executive director

132

00:08:35,200 --> 00:08:36,640

of the Skeptic Society.

133

00:08:36,640 --> 00:08:39,160

They're starting to be confrontational.

134

00:08:39,160 --> 00:08:45,200

And Ursula Bielski, founder of Chicago Hauntings, author of Chicago Haunts, Ghost Lore of the

135

00:08:45,200 --> 00:08:51,160

Windy City and other books on the paranormal.

136

00:08:51,160 --> 00:08:54,000

Verify paranormal.

137

00:08:54,000 --> 00:08:56,000

Are you guys ready?

138

00:08:56,000 --> 00:08:58,800

Yes, we're ready.

139

00:08:58,800 --> 00:09:00,560

Paranormal EXP.

140

00:09:00,560 --> 00:09:01,560

Are you guys ready?

141

00:09:01,560 --> 00:09:03,560

Yes, we are.

142

00:09:03,560 --> 00:09:06,680

The portals are open.

143

00:09:06,680 --> 00:09:08,800

Let the challenge begin.

144

00:09:08,800 --> 00:09:12,440

Two hours on the clock, judges.

145

00:09:12,440 --> 00:09:16,720

Dr. Schermer, you are watching paranormal EXP begin in zone two.

146

00:09:16,720 --> 00:09:20,840

Ursula, you are watching verify paranormal beginning in zone one.

147

00:09:20,840 --> 00:09:21,840

Doctor?

148

00:09:21,840 --> 00:09:22,840

Doctor?

149

00:09:22,840 --> 00:09:23,840

Doctor?

150

00:09:23,840 --> 00:09:24,840

Doctor?

151

00:09:24,840 --> 00:09:25,840

Doctor?

152

00:09:25,840 --> 00:09:26,840

The trauma room, we are here.

153

00:09:27,840 --> 00:09:31,000

Hey doc, how's it going doc?

154

00:09:31,000 --> 00:09:32,200

I'm a gang member.

155

00:09:32,200 --> 00:09:33,920

I come in, I've been shot.

156

00:09:33,920 --> 00:09:34,920

Alright?

157

00:09:34,920 --> 00:09:36,600

Look at all my tattoos.

158

00:09:36,600 --> 00:09:39,200

This might have brought back something to you here.

159

00:09:39,200 --> 00:09:41,680

I'm shot, I'm wounded.

160

00:09:41,680 --> 00:09:47,760

I want you to come out and try to fix me.

161

00:09:47,760 --> 00:09:52,680

Because if you don't, all my homies are going to come and get you.

162

00:09:52,680 --> 00:09:55,720

David is an ex-gang member.

163

00:09:55,720 --> 00:10:00,000

And I'm really interested to see if they come into contact with any spirits of the victims

164

00:10:00,000 --> 00:10:01,560

of these gang wars.

165

00:10:01,560 --> 00:10:04,720

Now David's using himself as what we refer to as a trigger object.

166

00:10:04,720 --> 00:10:08,960

Laying down on the table where so many gang members came in to their last few moments

167

00:10:08,960 --> 00:10:09,960

on earth.

168

00:10:09,960 --> 00:10:14,960

Go on David, keep going.

169

00:10:14,960 --> 00:10:19,360

I can't breathe dude, hold on.

170

00:10:19,360 --> 00:10:20,360

Alright doc, come on.

171

00:10:20,360 --> 00:10:21,360

You alright man?

172

00:10:22,040 --> 00:10:23,040

What the hell?

173

00:10:23,040 --> 00:10:26,040

Look, the human bone dude.

174

00:10:27,040 --> 00:10:30,040

Get the f*** away from me!

175

00:10:41,040 --> 00:10:44,240

Remember judges, you are judging these teams on teamwork.

176

00:10:44,240 --> 00:10:48,600

Their use in history that they learned earlier during the walkthrough and technology.

177

00:10:48,600 --> 00:10:51,320

How well are they using the equipment we supplied with them?

178

00:10:51,320 --> 00:10:53,280

To garner evidence.

179

00:10:53,280 --> 00:10:57,320

Now aside from all the cameras that each team is carrying, we also have a cameraman and

180

00:10:57,320 --> 00:11:00,800

one audio technician that follows each team members they go through.

181

00:11:00,800 --> 00:11:04,640

There's also robotic static cameras that are set up throughout the entire building so

182

00:11:04,640 --> 00:11:08,960

that we can try to view them from just about every angle as they're coming and going.

183

00:11:08,960 --> 00:11:10,960

Let's go audio you up and verify paranormal.

184

00:11:13,960 --> 00:11:15,960

I don't want to catch my breath dude.

185

00:11:15,960 --> 00:11:16,960

Is he okay?

186

00:11:16,960 --> 00:11:18,960

Yeah, I don't think so.

187

00:11:18,960 --> 00:11:21,960

Doc, I'm so vulnerable right here, you know.

188

00:11:21,960 --> 00:11:22,960

I'm dying.

189

00:11:22,960 --> 00:11:24,960

You need to save my life.

190

00:11:24,960 --> 00:11:27,960

1981, there was a young man brought in.

191

00:11:27,960 --> 00:11:30,960

Dr. Edwards worked so hard to try and save this young man's life.

192

00:11:30,960 --> 00:11:31,960

He was in a gang.

193

00:11:31,960 --> 00:11:36,520

He had been in a gang and he could not save him and Dr. Edwards went out to the parking

194

00:11:36,520 --> 00:11:41,200

lot at the end of his shift and was actually murdered by the fellow gang members of this

195

00:11:41,200 --> 00:11:42,200

young man.

196

00:11:42,200 --> 00:11:45,640

And right now it appears that David's trying to make contact with this doctor.

197

00:11:45,640 --> 00:11:47,640

Audio up please on verify.

198

00:11:48,320 --> 00:11:49,320

Wow, really?

199

00:11:49,320 --> 00:11:50,320

Yeah, it's...

200

00:11:50,320 --> 00:11:51,320

I don't like this man.

201

00:11:53,320 --> 00:11:54,320

Keep going, keep going, keep going.

202

00:11:54,320 --> 00:11:57,320

Yeah, just like somebody's sitting on me right now.

203

00:11:57,320 --> 00:11:59,320

David is a friend of ours.

204

00:11:59,320 --> 00:12:00,320

We want you.

205

00:12:00,320 --> 00:12:03,320

David, you alright man?

206

00:12:03,320 --> 00:12:04,320

Hold on, I...

207

00:12:06,320 --> 00:12:07,320

Hold on.

208

00:12:10,320 --> 00:12:11,320

Somebody talk for a sec.

209

00:12:11,320 --> 00:12:13,320

I can't breathe right now.

210

00:12:15,320 --> 00:12:16,320

It's like right there.

211

00:12:17,000 --> 00:12:19,000

You leave my friend alone.

212

00:12:19,000 --> 00:12:20,000

Look at this.

213

00:12:20,000 --> 00:12:22,000

I hate the goosebumps, dude.

214

00:12:22,000 --> 00:12:23,000

Feel it.

215

00:12:25,000 --> 00:12:27,000

Alright doc, we're gonna leave you.

216

00:12:27,000 --> 00:12:30,000

So this is allegedly the detox center?

217

00:12:30,000 --> 00:12:33,000

Is there anybody in here right now that can hear me?

218

00:12:35,000 --> 00:12:37,000

It feels like a chill's coming out my legs.

219

00:12:38,000 --> 00:12:39,000

Serious?

220

00:12:39,000 --> 00:12:41,000

Yeah, but it could just be that unnervous.

221

00:12:41,000 --> 00:12:43,000

It's weird, there was like something here.

222

00:12:43,000 --> 00:12:44,000

It was like a...

223

00:12:44,000 --> 00:12:45,000

I don't know what it was.

224

00:12:45,680 --> 00:12:46,680

It felt like...

225

00:12:46,680 --> 00:12:48,680

This is standing here for a minute.

226

00:12:48,680 --> 00:12:49,680

Okay.

227

00:12:53,680 --> 00:12:56,680

We're getting some responses on the millimeter.

228

00:12:56,680 --> 00:12:57,680

Can you do that again?

229

00:12:57,680 --> 00:12:59,680

I'm feeling like goosebumps again.

230

00:12:59,680 --> 00:13:00,680

Are you?

231

00:13:00,680 --> 00:13:02,680

Okay, so Claire's experiencing goosebumps.

232

00:13:02,680 --> 00:13:05,680

If there's anybody here right now that's making this go off?

233

00:13:07,680 --> 00:13:09,680

Can you please tell me what your name is?

234

00:13:11,680 --> 00:13:13,680

Whoa, what the hell?

235

00:13:14,360 --> 00:13:20,360

Claire, real quick, let's see with your camera if there's an animal in here.

236

00:13:20,360 --> 00:13:23,360

I just want to make sure, because I heard a hiss.

237

00:13:23,360 --> 00:13:25,360

There's no animal in here.

238

00:13:25,360 --> 00:13:27,360

They're being really objective.

239

00:13:27,360 --> 00:13:29,360

I have to give them several points here.

240

00:13:35,360 --> 00:13:37,360

Let's do the pink room.

241

00:13:37,360 --> 00:13:39,360

It's right here, dude.

242

00:13:39,360 --> 00:13:41,360

It's George's room.

243

00:13:41,360 --> 00:13:42,360

Alright, let's do George.

244

00:13:42,360 --> 00:13:47,440

Earlier, Dr. Schermer devised an experiment in which he provided the teams with fabricated

245

00:13:47,440 --> 00:13:51,640

stories to see if the false information would influence their findings.

246

00:13:51,640 --> 00:13:52,640

Why did we do this, Dr. Schermer?

247

00:13:52,640 --> 00:13:57,320

We did this as a test to see if it's their imagination that's finding the clues instead

248

00:13:57,320 --> 00:13:59,600

of the actual physical environment.

249

00:13:59,600 --> 00:14:03,760

And this team verified, they were told that it was a geriatric ward.

250

00:14:03,760 --> 00:14:06,360

The story in this particular room, there's an old guy named George.

251

00:14:06,360 --> 00:14:10,240

I mean, he would slug people and the doctors, he poke them and punch them.

252

00:14:10,240 --> 00:14:13,400

Reportedly after he passed, that's what people kind of sensed.

253

00:14:13,400 --> 00:14:17,280

You program that in their head as a skeptic to see if they will get evidence surrounding

254

00:14:17,280 --> 00:14:19,040

what story you made up.

255

00:14:19,040 --> 00:14:21,600

I'm very interested to see what they find here.

256

00:14:21,600 --> 00:14:30,600

George, did you die here alone?

257

00:14:30,600 --> 00:14:36,240

Can you make that noise again for us, George, on the meter by walking up next to it?

258

00:14:36,240 --> 00:14:38,560

I just got touched on the side of my face.

259

00:14:39,000 --> 00:14:40,200

Yeah, right here.

260

00:14:40,200 --> 00:14:43,720

It's like a tingling right here on my face.

261

00:14:43,720 --> 00:14:46,480

And it's really thick and heavy right here.

262

00:14:46,480 --> 00:14:48,080

George, is that you?

263

00:14:48,080 --> 00:14:53,760

I'm on, George, you poor G. Wow, really?

264

00:14:53,760 --> 00:14:58,680

If you're so big and tough, why don't you come over here and poke me, scratch me, do

265

00:14:58,680 --> 00:14:59,680

something.

266

00:14:59,680 --> 00:15:02,080

I'm just sitting here all by myself.

267

00:15:02,080 --> 00:15:06,880

So aside from a little feeling or possibly a poke on the face, Dr. Schermer, there seems

268

00:15:06,960 --> 00:15:10,800

to be just, I don't know if there's any other action that's happened in here.

269

00:15:10,800 --> 00:15:13,000

Yeah, well, I'm impressed with that so far.

270

00:15:13,000 --> 00:15:18,120

I'm going to go on the third floor, okay?

271

00:15:18,120 --> 00:15:20,600

We can meet back in about 15 minutes.

272

00:15:20,600 --> 00:15:26,320

So right now, Marcus from Team EXP is going to be going by himself where the infamous

273

00:15:26,320 --> 00:15:33,920

room 323 is located where it said a lot of attacks happen by a violent presence.

274

00:15:33,920 --> 00:15:35,400

So let's see what happens to Marcus.

275

00:15:36,880 --> 00:15:50,760

Hey, if there's anybody in here, I'm all alone.

276

00:15:50,760 --> 00:15:54,760

Come on, touch me.

277

00:15:54,760 --> 00:16:01,760

I think I heard a noise behind me.

278

00:16:07,880 --> 00:16:10,880

Something strange is going on.

279

00:16:10,880 --> 00:16:15,880

Have you ever had that feeling that you're not alone?

280

00:16:15,880 --> 00:16:22,880

Room 323, the asylum.

281

00:16:22,880 --> 00:16:30,880

This room seems a little bit darker than all the other rooms, actually.

282

00:16:30,880 --> 00:16:40,880

It feels like I'm getting chills through all my arms right now and through my body.

283

00:16:40,880 --> 00:16:46,880

I heard you like to scratch people.

284

00:16:46,880 --> 00:16:50,880

I'm right here.

285

00:16:50,880 --> 00:16:51,880

Touch me.

286

00:16:51,880 --> 00:16:53,880

Yeah, there it is.

287

00:16:53,880 --> 00:16:55,880

Let's start calling him Touch Me.

288

00:16:55,880 --> 00:16:57,880

Let's just get him a t-shirt that says Touch Me.

289

00:16:57,880 --> 00:16:58,880

Let's use that song.

290

00:16:58,880 --> 00:17:01,880

I hope he doesn't say that to me.

291

00:17:01,880 --> 00:17:04,880

Well, you gotta give him some credit for originality here.

292

00:17:04,880 --> 00:17:06,880

Come here.

293

00:17:06,880 --> 00:17:08,880

See my neck?

294

00:17:08,880 --> 00:17:11,880

Scratch me.

295

00:17:11,880 --> 00:17:13,880

Whoa, whoa, whoa, whoa.

296

00:17:13,880 --> 00:17:15,880

This light was not on five seconds ago.

297

00:17:15,880 --> 00:17:17,880

What the f*** was that?

298

00:17:28,880 --> 00:17:30,880

Teams, you got 30 minutes left.

299

00:17:30,880 --> 00:17:32,880

You got 30 minutes left for part one.

300

00:17:32,880 --> 00:17:34,880

David's right below us.

301

00:17:34,880 --> 00:17:35,880

Yeah.

302

00:17:35,880 --> 00:17:38,880

Whoa, whoa, whoa.

303

00:17:38,880 --> 00:17:40,880

Is he screaming?

304

00:17:45,880 --> 00:17:48,880

What the f*** was that?

305

00:17:49,880 --> 00:17:58,880

Mark that I just heard a real loud scream.

306

00:17:58,880 --> 00:18:05,880

So David by himself in the crematorium in the boiler room, raise the volume please.

307

00:18:05,880 --> 00:18:09,880

I have an eerie feeling in here.

308

00:18:09,880 --> 00:18:13,880

I heard noise like heavy breathing right back here.

309

00:18:13,880 --> 00:18:17,880

All right.

310

00:18:17,880 --> 00:18:23,880

This is human ashes of the Jandoes and the Jandoes.

311

00:18:23,880 --> 00:18:28,880

Look, I have a human bone right here.

312

00:18:28,880 --> 00:18:33,880

There's no telling how many bodies are in this pit.

313

00:18:33,880 --> 00:18:37,880

Let me feel the connection. Let me feel you.

314

00:18:41,880 --> 00:18:43,880

What the f*** is this?

315

00:18:43,880 --> 00:18:46,880

It's the kitchen. It looks like a kitchen.

316

00:18:46,880 --> 00:18:49,880

Why would a kitchen be next to a chapel?

317

00:18:49,880 --> 00:18:51,880

What?

318

00:18:51,880 --> 00:18:55,880

What the f*** was that?

319

00:18:55,880 --> 00:18:57,880

Come on.

320

00:18:57,880 --> 00:19:02,880

That's a mean and powerful now, huh?

321

00:19:02,880 --> 00:19:04,880

Dude, what the hell is that?

322

00:19:04,880 --> 00:19:06,880

It's just a little short.

323

00:19:06,880 --> 00:19:08,880

Are you a child?

324

00:19:08,880 --> 00:19:10,880

Are you a little child?

325

00:19:10,880 --> 00:19:12,880

Dude.

326

00:19:12,880 --> 00:19:15,880

Dude.

327

00:19:15,880 --> 00:19:18,880

Is there somebody back there?

328

00:19:18,880 --> 00:19:20,880

Because seriously?

329

00:19:20,880 --> 00:19:26,880

Since you are a child from the other side, we're a little nervous.

330

00:19:26,880 --> 00:19:29,880

Maybe you could be our liaison.

331

00:19:29,880 --> 00:19:31,880

I need to set this down, bro.

332

00:19:31,880 --> 00:19:32,880

Just set it down.

333

00:19:32,880 --> 00:19:35,880

I'm gonna set it on this school chair.

334

00:19:35,880 --> 00:19:38,880

It's here. I can't even believe that noise.

335

00:19:38,880 --> 00:19:40,880

I just heard him.

336

00:19:40,880 --> 00:19:42,880

This is f***ing crazy, bro.

337

00:19:46,880 --> 00:19:49,880

So all the equipment seems to be failing.

338

00:19:51,880 --> 00:19:52,880

Awesome.

339

00:19:52,880 --> 00:19:54,880

Don't worry. Let's roll with it, guys.

340

00:19:54,880 --> 00:19:56,880

I keep seeing that light being blocked over there.

341

00:19:56,880 --> 00:20:00,880

Was that you that was making our cameras malfunction earlier?

342

00:20:00,880 --> 00:20:02,880

Something keeps going past it.

343

00:20:02,880 --> 00:20:04,880

What do you think is out there?

344

00:20:04,880 --> 00:20:06,880

Clara, did you see something block the light as well?

345

00:20:06,880 --> 00:20:09,880

Can I see any trees in the way or anything that could block it?

346

00:20:10,880 --> 00:20:11,880

Let's go somewhere else.

347

00:20:11,880 --> 00:20:13,880

Sounds good.

348

00:20:16,880 --> 00:20:20,880

This room is really intriguing me.

349

00:20:20,880 --> 00:20:22,880

So I'm just gonna stand here.

350

00:20:22,880 --> 00:20:24,880

Are you in here?

351

00:20:30,880 --> 00:20:33,880

Poke at me, grab me, grab my friend Scott.

352

00:20:33,880 --> 00:20:36,880

We're not gonna mind. Just come out and hang out with us.

353

00:20:36,880 --> 00:20:38,880

Dude, what the f***?

354

00:20:38,880 --> 00:20:40,880

Whoa, whoa, whoa, whoa.

355

00:20:40,880 --> 00:20:43,880

Where are you? Stay right here, okay?

356

00:20:43,880 --> 00:20:45,880

What the f***?

357

00:20:45,880 --> 00:20:46,880

You alright?

358

00:20:46,880 --> 00:20:49,880

No, I mean, it's like a pole.

359

00:20:49,880 --> 00:20:50,880

You okay?

360

00:20:50,880 --> 00:20:52,880

Do it again.

361

00:20:52,880 --> 00:20:53,880

Pull on me again.

362

00:20:53,880 --> 00:20:55,880

Come here, Matt. Just come here.

363

00:20:55,880 --> 00:20:57,880

I just want to be by you.

364

00:20:57,880 --> 00:20:59,880

Okay, I'm here.

365

00:20:59,880 --> 00:21:00,880

I'm here.

366

00:21:00,880 --> 00:21:01,880

F*** me right here, okay?

367

00:21:01,880 --> 00:21:02,880

I'm here.

368

00:21:02,880 --> 00:21:03,880

Do it again.

369

00:21:03,880 --> 00:21:04,880

Yank on me.

370

00:21:05,880 --> 00:21:07,880

You want to yank on this?

371

00:21:10,880 --> 00:21:12,880

Yank on this? Come on, that was great.

372

00:21:12,880 --> 00:21:14,880

I'm sorry, I know.

373

00:21:14,880 --> 00:21:15,880

I know.

374

00:21:15,880 --> 00:21:17,880

I kid because I'm nervous.

375

00:21:17,880 --> 00:21:19,880

You're in freaky mode.

376

00:21:19,880 --> 00:21:21,880

Knock it off. You started it.

377

00:21:21,880 --> 00:21:22,880

You're the one that started it.

378

00:21:22,880 --> 00:21:23,880

You did.

379

00:21:23,880 --> 00:21:24,880

Why isn't that gonna work?

380

00:21:24,880 --> 00:21:25,880

I don't know, but I just...

381

00:21:25,880 --> 00:21:27,880

Do you f*** sex?

382

00:21:27,880 --> 00:21:29,880

This is what I want to know.

383

00:21:29,880 --> 00:21:31,880

Is there sex in the afterlife?

384

00:21:31,880 --> 00:21:32,880

I like that question.

385

00:21:32,880 --> 00:21:33,880

Well done, Matt.

386

00:21:33,880 --> 00:21:35,880

Now seriously, before we get out of here,

387

00:21:35,880 --> 00:21:36,880

I want you to try and touch us.

388

00:21:36,880 --> 00:21:38,880

Are you gonna go there after all this?

389

00:21:38,880 --> 00:21:40,880

Touch us. Go ahead.

390

00:21:40,880 --> 00:21:41,880

Touch you.

391

00:21:41,880 --> 00:21:44,880

I'm not as afraidy-cat as you as Scott is.

392

00:21:44,880 --> 00:21:45,880

Really?

393

00:21:45,880 --> 00:21:46,880

I'm gonna stand right here.

394

00:21:46,880 --> 00:21:47,880

Really?

395

00:21:47,880 --> 00:21:48,880

Yeah, I did it.

396

00:21:48,880 --> 00:21:49,880

I did it. You heard it.

397

00:21:49,880 --> 00:21:50,880

Yeah, I heard it.

398

00:21:50,880 --> 00:21:51,880

You heard it.

399

00:21:51,880 --> 00:21:52,880

I'm gonna go back.

400

00:21:52,880 --> 00:21:53,880

All right.

401

00:21:53,880 --> 00:21:54,880

All right, judges.

402

00:21:54,880 --> 00:21:56,880

Right now, there's about just over 20 seconds left

403

00:21:56,880 --> 00:21:58,880

of part one of their investigations.

404

00:21:58,880 --> 00:22:01,880

We are gonna go meet the teams right now

405

00:22:01,880 --> 00:22:02,880

and do a debriefing.

406

00:22:02,880 --> 00:22:04,880

So you might want to cover your ears at this point

407

00:22:04,880 --> 00:22:06,880

because you guys are new to the air raid, Siren.

408

00:22:06,880 --> 00:22:07,880

That's good.

409

00:22:07,880 --> 00:22:09,880

That, yeah.

410

00:22:09,880 --> 00:22:11,880

Good job, team.

411

00:22:18,880 --> 00:22:19,880

How you doing, teams?

412

00:22:19,880 --> 00:22:20,880

Good, good.

413

00:22:20,880 --> 00:22:21,880

All right.

414

00:22:21,880 --> 00:22:25,880

Teams, I want to introduce you to my chief judge, Dave Schrader.

415

00:22:25,880 --> 00:22:27,880

Guys, I gotta say, it's been great to watch you.

416

00:22:27,880 --> 00:22:29,880

You're very strong teams,

417

00:22:29,880 --> 00:22:30,880

and we're really excited to see what you guys

418

00:22:30,880 --> 00:22:32,880

come up with for the next half.

419

00:22:32,880 --> 00:22:35,880

Before you begin part two of your investigation,

420

00:22:35,880 --> 00:22:38,880

we're gonna show each of you a piece of evidence

421

00:22:38,880 --> 00:22:41,880

that was captured by outside paranormal investigators

422

00:22:41,880 --> 00:22:44,880

in the areas that you're headed to next.

423

00:22:44,880 --> 00:22:47,880

Paranormal EXP, you guys are headed to zone one,

424

00:22:47,880 --> 00:22:48,880

the main hospital.

425

00:22:48,880 --> 00:22:50,880

There's an EVP that we want you to listen to

426

00:22:50,880 --> 00:22:52,880

that was captured on the first floor.

427

00:22:56,880 --> 00:22:57,880

Verify paranormal.

428

00:22:57,880 --> 00:23:00,880

You three gentlemen are headed to zone two,

429

00:23:00,880 --> 00:23:01,880

the psychiatric ward.

430

00:23:01,880 --> 00:23:04,880

There's a photo that was taken in room three

431

00:23:04,880 --> 00:23:07,880

two three where all the apparent attacks happened

432

00:23:07,880 --> 00:23:09,880

of some scratches.

433

00:23:14,880 --> 00:23:16,880

In addition to the evidence that Zach has presented,

434

00:23:16,880 --> 00:23:19,880

the teams are both given a new piece of equipment,

435

00:23:19,880 --> 00:23:20,880

the EM Vortex.

436

00:23:20,880 --> 00:23:23,880

Since spirits are said to consist of electromagnetic energy,

437

00:23:23,880 --> 00:23:26,880

the EM Vortex emits a magnetic field,

438

00:23:26,880 --> 00:23:28,880

which the spirits can potentially feed off of

439

00:23:28,880 --> 00:23:30,880

and use to manifest themselves.

440

00:23:30,880 --> 00:23:31,880

You guys ready?

441

00:23:31,880 --> 00:23:32,880

Yeah!

442

00:23:32,880 --> 00:23:34,880

Alright, wait for my signal.

443

00:23:34,880 --> 00:23:36,880

Teams will now switch locations

444

00:23:36,880 --> 00:23:39,880

and will continue investigating for two more hours.

445

00:23:40,880 --> 00:23:43,880

Paranormal EXP will begin in zone one,

446

00:23:43,880 --> 00:23:44,880

which consists of the main hospital

447

00:23:44,880 --> 00:23:47,880

where our team will explore three floors and the basement.

448

00:23:47,880 --> 00:23:49,880

Verify paranormal, we'll head to zone two,

449

00:23:49,880 --> 00:23:52,880

which is three floors in the psych ward.

450

00:23:52,880 --> 00:23:54,880

Alright judges, right now we're getting ready to begin

451

00:23:54,880 --> 00:23:56,880

part two of our investigations.

452

00:23:56,880 --> 00:23:58,880

Paranormal EXP, are you guys ready to begin part two?

453

00:23:58,880 --> 00:23:59,880

Yes we are.

454

00:23:59,880 --> 00:24:01,880

Verify paranormal.

455

00:24:01,880 --> 00:24:03,880

Paranormal, you guys ready to begin part two?

456

00:24:03,880 --> 00:24:04,880

Hell yeah!

457

00:24:04,880 --> 00:24:05,880

Begin.

458

00:24:09,880 --> 00:24:11,880

Okay, let's go regroup in the trauma room.

459

00:24:11,880 --> 00:24:13,880

Equipment, let's get...

460

00:24:13,880 --> 00:24:14,880

It's in the... oh it's in the bag.

461

00:24:14,880 --> 00:24:15,880

Let's go here.

462

00:24:15,880 --> 00:24:16,880

Sorry, I'm sure.

463

00:24:16,880 --> 00:24:17,880

Let's go here.

464

00:24:17,880 --> 00:24:18,880

This is dark.

465

00:24:20,880 --> 00:24:22,880

Okay, let's put it away first.

466

00:24:22,880 --> 00:24:24,880

Is there anybody over here?

467

00:24:25,880 --> 00:24:26,880

Guys, why is this light on?

468

00:24:26,880 --> 00:24:30,880

This light was literally not on five seconds ago.

469

00:24:30,880 --> 00:24:32,880

Hold on, let's try something here.

470

00:24:32,880 --> 00:24:33,880

Flip it.

471

00:24:33,880 --> 00:24:35,880

Guys, did anybody flip it?

472

00:24:35,880 --> 00:24:36,880

I have chills right now.

473

00:24:36,880 --> 00:24:37,880

Me too.

474

00:24:37,880 --> 00:24:39,880

Somebody's coming after me.

475

00:24:39,880 --> 00:24:40,880

Is that anybody down the hall?

476

00:24:40,880 --> 00:24:42,880

Leave me the f*** alone please!

477

00:24:54,880 --> 00:24:55,880

Guys, this light was not on.

478

00:24:55,880 --> 00:24:57,880

The lights which actually got flipped up.

479

00:24:57,880 --> 00:24:59,880

Jason was talking to me and I'm like, why is the light on?

480

00:24:59,880 --> 00:25:01,880

I was in here when it turned on.

481

00:25:01,880 --> 00:25:02,880

You were?

482

00:25:02,880 --> 00:25:04,880

There's nobody in here, I'm standing right here.

483

00:25:04,880 --> 00:25:06,880

Can you move this light switch again?

484

00:25:07,880 --> 00:25:08,880

Should we move on?

485

00:25:08,880 --> 00:25:09,880

We have a lot to cover.

486

00:25:09,880 --> 00:25:11,880

Yeah, I have a lot of ground to cover guys.

487

00:25:11,880 --> 00:25:13,880

I don't have too much time.

488

00:25:13,880 --> 00:25:15,880

Can we get a skeptical explanation?

489

00:25:15,880 --> 00:25:17,880

I have no explanation.

490

00:25:17,880 --> 00:25:21,880

I mean, I don't know if the lights just flicker here and there.

491

00:25:21,880 --> 00:25:23,880

But the switch is up.

492

00:25:23,880 --> 00:25:25,880

And it came on when he was in there.

493

00:25:25,880 --> 00:25:31,880

So I have an idea about this point of view camera Scott.

494

00:25:31,880 --> 00:25:36,880

Lock my, like kind of try to lock myself in that 3-2-3 room.

495

00:25:36,880 --> 00:25:38,880

Dude, people got scratched.

496

00:25:38,880 --> 00:25:39,880

I know, I know.

497

00:25:39,880 --> 00:25:41,880

Room 323.

498

00:25:41,880 --> 00:25:45,880

The most active hotspot in the entire psych war.

499

00:25:45,880 --> 00:25:50,880

Let's keep a very close eye on Matt who's by himself right now on psych world 3.

500

00:25:56,880 --> 00:26:01,880

Mark that, I think I heard a noise to my right.

501

00:26:02,880 --> 00:26:03,880

Check me out.

502

00:26:06,880 --> 00:26:10,880

I heard, you know, my friend Dave telling me that when he...

503

00:26:11,880 --> 00:26:12,880

Hello?

504

00:26:17,880 --> 00:26:19,880

You're like a f***ing patient.

505

00:26:20,880 --> 00:26:21,880

What is that?

506

00:26:32,880 --> 00:26:34,880

Somebody's coming after me.

507

00:26:35,880 --> 00:26:37,880

It's not cool.

508

00:26:37,880 --> 00:26:38,880

Stuff going on.

509

00:26:38,880 --> 00:26:39,880

I don't like it.

510

00:26:40,880 --> 00:26:41,880

I don't want to get hurt.

511

00:26:42,880 --> 00:26:44,880

I don't like what's happening to me here.

512

00:26:46,880 --> 00:26:47,880

F*** it!

513

00:26:47,880 --> 00:26:48,880

F*** it!

514

00:26:48,880 --> 00:26:49,880

Get the f*** away from me!

515

00:26:49,880 --> 00:26:51,880

Get the f*** away from me!

516

00:26:51,880 --> 00:26:53,880

Get the f*** away from me!

517

00:26:53,880 --> 00:26:54,880

Please!

518

00:26:54,880 --> 00:26:56,880

Just leave me the f*** alone, please!

519

00:26:57,880 --> 00:26:59,880

Leave me alone!

520

00:26:59,880 --> 00:27:18,880

Look what we found here.

521

00:27:18,880 --> 00:27:21,880

I think this is the pediatric ward.

522

00:27:22,880 --> 00:27:25,880

Right now, paranormal EXP is entering the pink room.

523

00:27:25,880 --> 00:27:31,880

Earlier, the publisher of Skeptic Magazine came up with an idea to test these teams.

524

00:27:31,880 --> 00:27:37,880

For paranormal EXP that's in there now, you told them that a little girl named Sadie passed away in there.

525

00:27:37,880 --> 00:27:43,880

The little girl named Sadie who we're told anyway after she passed, the presence of her was still here

526

00:27:43,880 --> 00:27:47,880

because she liked to hold the nurses hands, hold the doctors hands

527

00:27:47,880 --> 00:27:49,880

because she didn't have any family to come visit herself.

528

00:27:49,880 --> 00:27:51,880

What was the point of this?

529

00:27:51,880 --> 00:27:58,880

It was to test their susceptibility to expectation bias that they would fill in the narrative according to what we told them.

530

00:27:58,880 --> 00:28:01,880

Let's see what happens. Audio up on paranormal EXP.

531

00:28:01,880 --> 00:28:08,880

Sadie, if you're here, I'm gonna put my hand out here. You can touch it if you want.

532

00:28:11,880 --> 00:28:13,880

How old are you?

533

00:28:16,880 --> 00:28:18,880

I'm sorry, no one's here.

534

00:28:21,880 --> 00:28:23,880

What was that?

535

00:28:23,880 --> 00:28:25,880

Was that anybody down the hall?

536

00:28:25,880 --> 00:28:30,880

Guys, we just heard weird electronic noises coming from down the hall.

537

00:28:33,880 --> 00:28:40,880

So while in Sadie's room, the story that you fabricated for them as your Skeptic experiment,

538

00:28:40,880 --> 00:28:43,880

were they affected by anything from what you saw?

539

00:28:43,880 --> 00:28:45,880

Well, they're fairly not, not yet.

540

00:28:45,880 --> 00:28:49,880

So far they've passed the Skeptics test.

541

00:28:49,880 --> 00:28:52,880

Oh, God, this is a freaking rank.

542

00:28:52,880 --> 00:28:53,880

I found a trigger object.

543

00:28:53,880 --> 00:28:55,880

I think he's officially lost it.

544

00:29:05,880 --> 00:29:10,880

Ten minutes left for paranormal challenge, Linda Vista Hospital is over.

545

00:29:10,880 --> 00:29:11,880

You alright?

546

00:29:11,880 --> 00:29:15,880

I'm still shaking. I'm still shaking from being up there.

547

00:29:15,880 --> 00:29:17,880

God, what? What?

548

00:29:17,880 --> 00:29:18,880

That was freaking.

549

00:29:18,880 --> 00:29:19,880

What?

550

00:29:19,880 --> 00:29:20,880

Dude, the bed.

551

00:29:20,880 --> 00:29:21,880

Whoa, whoa.

552

00:29:21,880 --> 00:29:23,880

Oh, God, dude.

553

00:29:23,880 --> 00:29:25,880

This is a freaking rank.

554

00:29:25,880 --> 00:29:32,880

Scott, Matt, Dave, in the mattress room on the second floor.

555

00:29:32,880 --> 00:29:34,880

I think he's officially lost it.

556

00:29:34,880 --> 00:29:38,880

Well, I think whenever you find some old mattresses with stains all over them,

557

00:29:38,880 --> 00:29:43,880

and you just flop down on it, obviously something starts getting to you at this point.

558

00:29:43,880 --> 00:29:45,880

Dude, dude, that is so gnarly, dude.

559

00:29:45,880 --> 00:29:47,880

It looks like stockless, dude.

560

00:29:49,880 --> 00:29:51,880

Come on. I found a trigger object.

561

00:29:51,880 --> 00:29:56,880

Scott has removed the pair of old pantyhose from the mattress,

562

00:29:56,880 --> 00:29:58,880

and I think is using them as bait.

563

00:29:58,880 --> 00:30:01,880

Someone, nine minutes left. Someone needs to get him out of here.

564

00:30:01,880 --> 00:30:05,880

I think he's, in the psychiatric ward, I think he's officially lost it.

565

00:30:05,880 --> 00:30:07,880

Do you smell something?

566

00:30:07,880 --> 00:30:09,880

Yeah, it's the stockings on your shoulder, bro.

567

00:30:09,880 --> 00:30:11,880

Keeps saying, do you smell something?

568

00:30:15,880 --> 00:30:17,880

This is just a goofy experience.

569

00:30:17,880 --> 00:30:19,880

Oh, my God.

570

00:30:19,880 --> 00:30:21,880

Oh, my God.

571

00:30:26,880 --> 00:30:28,880

Do not shake his hand.

572

00:30:28,880 --> 00:30:29,880

That's right.

573

00:30:29,880 --> 00:30:31,880

Dude, that is so gross, dude.

574

00:30:31,880 --> 00:30:32,880

What are you talking about?

575

00:30:32,880 --> 00:30:34,880

Dude, you got stockings that are used.

576

00:30:34,880 --> 00:30:35,880

Please get them off of me.

577

00:30:35,880 --> 00:30:36,880

I ain't touching that.

578

00:30:36,880 --> 00:30:37,880

What is wrong with you?

579

00:30:37,880 --> 00:30:39,880

You put them on, you take it off.

580

00:30:39,880 --> 00:30:40,880

Whoa.

581

00:30:40,880 --> 00:30:42,880

Paranormal challenge.

582

00:30:42,880 --> 00:30:46,880

Linda Vista Hospital has now come to an end.

583

00:30:52,880 --> 00:30:54,880

That's it, guys. That was awesome.

584

00:30:55,880 --> 00:30:58,880

Now that both investigations are officially completed,

585

00:30:58,880 --> 00:31:00,880

teams must lock up all of their materials

586

00:31:00,880 --> 00:31:03,880

and evacuate the premises until morning.

587

00:31:04,880 --> 00:31:09,880

The teams return the next morning to review their evidence.

588

00:31:09,880 --> 00:31:12,880

Now I'm not a doctor, but I play a woman.

589

00:31:12,880 --> 00:31:13,880

And to help both teams,

590

00:31:13,880 --> 00:31:16,880

Zach has brought in tech expert Billy Tolley.

591

00:31:16,880 --> 00:31:18,880

He'll present the four most compelling pieces captured

592

00:31:18,880 --> 00:31:20,880

during the competition.

593

00:31:20,880 --> 00:31:23,880

Two audio and two visual.

594

00:31:23,880 --> 00:31:26,880

This is all about the fact that

595

00:31:26,880 --> 00:31:28,880

the team is not a doctor,

596

00:31:28,880 --> 00:31:29,880

but a woman.

597

00:31:30,880 --> 00:31:35,880

This is all about pride, respect, credibility.

598

00:31:35,880 --> 00:31:37,880

This amazing team that we have here

599

00:31:37,880 --> 00:31:39,880

and collecting the evidence we did.

600

00:31:39,880 --> 00:31:41,880

I would love to win for this brought.

601

00:31:41,880 --> 00:31:43,880

Us as a team, way closer together.

602

00:31:44,880 --> 00:31:45,880

Team Verify.

603

00:31:45,880 --> 00:31:47,880

I'm on national TV.

604

00:31:47,880 --> 00:31:49,880

We love each other.

605

00:31:49,880 --> 00:31:51,880

It's all I got to say.

606

00:31:51,880 --> 00:31:55,880

Judges, are you ready to see the team's evidence presentation?

607

00:31:55,880 --> 00:31:56,880

Definitely.

608

00:31:56,880 --> 00:31:57,880

Very ready.

609

00:31:57,880 --> 00:31:58,880

Team's calling.

610

00:32:04,880 --> 00:32:05,880

Scott.

611

00:32:05,880 --> 00:32:06,880

Hey.

612

00:32:06,880 --> 00:32:07,880

Matt, David.

613

00:32:07,880 --> 00:32:08,880

How's it going?

614

00:32:08,880 --> 00:32:09,880

How you guys doing?

615

00:32:09,880 --> 00:32:10,880

Awesome.

616

00:32:10,880 --> 00:32:11,880

Did you guys capture some evidence?

617

00:32:11,880 --> 00:32:12,880

Oh, yeah.

618

00:32:12,880 --> 00:32:13,880

Good.

619

00:32:13,880 --> 00:32:14,880

Well, before you present that to the judges,

620

00:32:14,880 --> 00:32:15,880

I want to introduce you to them.

621

00:32:15,880 --> 00:32:16,880

This is Ursula Bielski.

622

00:32:16,880 --> 00:32:18,880

She's the founder of Chicago Hauntings Incorporated.

623

00:32:18,880 --> 00:32:20,880

This is Dr. Michael Schermer,

624

00:32:20,880 --> 00:32:23,880

the publisher of Skeptic Magazine.

625

00:32:23,880 --> 00:32:25,880

He doesn't believe in ghosts.

626

00:32:25,880 --> 00:32:27,880

This is my chief judge, Dave Schrader.

627

00:32:27,880 --> 00:32:28,880

You've already met him.

628

00:32:28,880 --> 00:32:30,880

How could you miss him?

629

00:32:30,880 --> 00:32:31,880

Audio evidence.

630

00:32:31,880 --> 00:32:32,880

You're allowed to present two pieces.

631

00:32:32,880 --> 00:32:34,880

Did you find two pieces?

632

00:32:34,880 --> 00:32:35,880

We did.

633

00:32:35,880 --> 00:32:36,880

We have two items to show you.

634

00:32:39,880 --> 00:32:41,880

The first piece, Matthew and I were in the chapel

635

00:32:41,880 --> 00:32:42,880

on the second floor.

636

00:32:42,880 --> 00:32:44,880

Please bring that up and play it for the judges.

637

00:32:48,880 --> 00:32:50,880

We got help me right in here.

638

00:32:50,880 --> 00:32:51,880

It's really faint when we got help.

639

00:32:51,880 --> 00:32:53,880

And we were saying, can we help you?

640

00:32:53,880 --> 00:32:54,880

Can we assist you?

641

00:32:54,880 --> 00:32:55,880

Can we help you move to the other side

642

00:32:55,880 --> 00:32:56,880

if we have that ability?

643

00:32:56,880 --> 00:32:57,880

Play it again, Bill.

644

00:33:03,880 --> 00:33:05,880

Well, I heard it after you told me

645

00:33:05,880 --> 00:33:06,880

what I was supposed to hear.

646

00:33:06,880 --> 00:33:07,880

I didn't hear it before.

647

00:33:07,880 --> 00:33:09,880

I didn't hear help me.

648

00:33:09,880 --> 00:33:13,880

But after you say it, I could now kind of tune in

649

00:33:13,880 --> 00:33:14,880

and hear that.

650

00:33:14,880 --> 00:33:16,880

I heard some sort of a whisper.

651

00:33:16,880 --> 00:33:19,880

Did you capture a second piece of audio evidence?

652

00:33:19,880 --> 00:33:20,880

We did, Zach.

653

00:33:20,880 --> 00:33:23,880

Right behind the chapel is a food preparation

654

00:33:23,880 --> 00:33:24,880

or a kitchen area.

655

00:33:24,880 --> 00:33:25,880

We saw something moving around.

656

00:33:25,880 --> 00:33:27,880

But we started enticing it or calling out to it

657

00:33:27,880 --> 00:33:28,880

as if it was a child.

658

00:33:28,880 --> 00:33:29,880

OK.

659

00:33:38,880 --> 00:33:39,880

Let's listen to it again, Billy.

660

00:33:46,880 --> 00:33:48,880

I hear a sick kid coughing.

661

00:33:48,880 --> 00:33:49,880

Exactly.

662

00:33:49,880 --> 00:33:50,880

It sounded like a cough.

663

00:33:50,880 --> 00:33:52,880

I'm hearing more like two words.

664

00:33:52,880 --> 00:33:55,880

Like, I can't quite make it like that.

665

00:33:55,880 --> 00:33:56,880

Dave?

666

00:33:56,880 --> 00:33:59,880

It sounded a lot like my three or four-year-old coughing.

667

00:33:59,880 --> 00:34:02,880

Very interesting to verify paranormal.

668

00:34:02,880 --> 00:34:04,880

Did you capture any visual evidence?

669

00:34:04,880 --> 00:34:06,880

We have one item to show you.

670

00:34:09,880 --> 00:34:12,880

The basement of the main hospital has a trauma center

671

00:34:12,880 --> 00:34:14,880

where they brought the gang members in

672

00:34:14,880 --> 00:34:16,880

and then we tried to actually provoke the gang members

673

00:34:16,880 --> 00:34:19,880

for bringing David in and lay them across the gurney.

674

00:34:19,880 --> 00:34:22,880

We took two pictures with the full-spectrum steel camera.

675

00:34:22,880 --> 00:34:24,880

We have one and then a second one we'd like to show you.

676

00:34:24,880 --> 00:34:27,880

This is the first picture and this is the second one.

677

00:34:27,880 --> 00:34:30,880

Now, up here we got a face.

678

00:34:32,880 --> 00:34:34,880

And it looks like it might have goggles on and a bald head

679

00:34:34,880 --> 00:34:36,880

and a neck we're picking up there.

680

00:34:38,880 --> 00:34:42,880

I think if you threw up a dozen slides in sequence like this,

681

00:34:42,880 --> 00:34:45,880

you'd find lots of these little reflective surfaces

682

00:34:45,880 --> 00:34:47,880

of just any kind of micro changes.

683

00:34:47,880 --> 00:34:50,880

I mean, I was actually hoping that you might debunk it

684

00:34:50,880 --> 00:34:52,880

because it scares the f*** out of me.

685

00:34:52,880 --> 00:34:54,880

I gotta tell you, when it first popped up,

686

00:34:54,880 --> 00:34:57,880

I immediately saw a science fiction mad scientist face there.

687

00:35:01,880 --> 00:35:02,880

Verify paranormal.

688

00:35:02,880 --> 00:35:03,880

On behalf of the judges and myself,

689

00:35:03,880 --> 00:35:06,880

we do want to thank you for making us laugh

690

00:35:06,880 --> 00:35:08,880

the most we ever have at Nerve Center.

691

00:35:08,880 --> 00:35:10,880

I want to shake your hands for that.

692

00:35:10,880 --> 00:35:12,880

Wait, you're the pantyhose guy.

693

00:35:13,880 --> 00:35:14,880

Did you wash?

694

00:35:14,880 --> 00:35:16,880

I couldn't. I didn't have time.

695

00:35:17,880 --> 00:35:19,880

I'll just...

696

00:35:19,880 --> 00:35:21,880

You guys may step back.

697

00:35:21,880 --> 00:35:24,880

The winner of Paranormal Challenge,

698

00:35:24,880 --> 00:35:27,880

Linda Vista Hospital, is...

699

00:35:40,880 --> 00:35:42,880

Verify Paranormal has presented their evidence.

700

00:35:42,880 --> 00:35:43,880

Could you hear that?

701

00:35:43,880 --> 00:35:44,880

No, we heard it.

702

00:35:44,880 --> 00:35:45,880

Yeah?

703

00:35:45,880 --> 00:35:48,880

Now, Paranormal EXP will present their evidence.

704

00:35:48,880 --> 00:35:53,880

Marcus, did you capture two pieces of audio evidence?

705

00:35:53,880 --> 00:35:55,880

We did capture two pieces of audio.

706

00:35:58,880 --> 00:36:01,880

The first one was in the psychiatric ward.

707

00:36:01,880 --> 00:36:03,880

Claire just put our bag of gear down,

708

00:36:03,880 --> 00:36:05,880

and this is what we heard.

709

00:36:05,880 --> 00:36:06,880

Billy, bring it up.

710

00:36:06,880 --> 00:36:08,880

Perfect.

711

00:36:10,880 --> 00:36:11,880

Perfect.

712

00:36:11,880 --> 00:36:12,880

What did you make it out?

713

00:36:12,880 --> 00:36:14,880

Please calm down.

714

00:36:14,880 --> 00:36:15,880

Play it again.

715

00:36:17,880 --> 00:36:18,880

Perfect.

716

00:36:20,880 --> 00:36:21,880

Perfect.

717

00:36:21,880 --> 00:36:23,880

Players, it's not you talking.

718

00:36:23,880 --> 00:36:24,880

It wasn't me.

719

00:36:24,880 --> 00:36:27,880

She was super good about always identifying her own self

720

00:36:27,880 --> 00:36:29,880

when she was speaking.

721

00:36:29,880 --> 00:36:32,880

I'm impressed because I don't hear an echo to it.

722

00:36:32,880 --> 00:36:35,880

Did you capture a second piece of audio evidence?

723

00:36:35,880 --> 00:36:36,880

We did.

724

00:36:36,880 --> 00:36:38,880

Claire and I were investigating what appeared to be

725

00:36:38,880 --> 00:36:41,880

a surgical suite or a surgical room.

726

00:36:41,880 --> 00:36:42,880

Billy, play it.

727

00:36:45,880 --> 00:36:47,880

Oh, did you make out a message?

728

00:36:47,880 --> 00:36:48,880

It was, I'm bleeding.

729

00:36:48,880 --> 00:36:49,880

I'm bleeding.

730

00:36:52,880 --> 00:36:56,880

It sounds to me like an exasperated sort of, oh, like...

731

00:36:56,880 --> 00:36:57,880

Yeah.

732

00:36:57,880 --> 00:36:59,880

Wait, in the middle of that clack, you're getting a voice?

733

00:36:59,880 --> 00:37:01,880

I think it sounds like Michael Jackson.

734

00:37:01,880 --> 00:37:02,880

You don't hear that?

735

00:37:02,880 --> 00:37:04,880

It goes, ah, bam!

736

00:37:04,880 --> 00:37:05,880

Play it.

737

00:37:06,880 --> 00:37:07,880

Play it again.

738

00:37:10,880 --> 00:37:11,880

Yeah, you're doing great.

739

00:37:11,880 --> 00:37:12,880

Paranormal EXP.

740

00:37:12,880 --> 00:37:15,880

Paranormal EXP, did you capture any visual evidence?

741

00:37:15,880 --> 00:37:17,880

Unfortunately, we did not.

742

00:37:20,880 --> 00:37:23,880

Teams, got a little surprise for you.

743

00:37:23,880 --> 00:37:27,880

Little did you know last night, you were actually participating

744

00:37:27,880 --> 00:37:32,880

in an experiment conducted by the publisher of Skeptic Magazine.

745

00:37:32,880 --> 00:37:37,880

Dr. Michael Schermer, can you talk to them about the results?

746

00:37:37,880 --> 00:37:40,880

So, the reason for the test is that the power of expectation,

747

00:37:40,880 --> 00:37:42,880

priming the brain to hear a certain thing,

748

00:37:42,880 --> 00:37:44,880

you're more likely to hear it.

749

00:37:44,880 --> 00:37:46,880

Well, with your group, when we were in the pink room,

750

00:37:46,880 --> 00:37:50,880

and I explained that this is the room where the little children were ill

751

00:37:50,880 --> 00:37:53,880

and some of them died, so I just completely made that up.

752

00:37:53,880 --> 00:37:55,880

I have no idea if there's really a city or not.

753

00:37:55,880 --> 00:37:58,880

With the verified paranormal, we set up in the room

754

00:37:58,880 --> 00:38:02,880

that it was a place where geriatric boards were old.

755

00:38:02,880 --> 00:38:04,880

Guys in particular won George, and I have to say,

756

00:38:04,880 --> 00:38:05,880

you guys really played it up.

757

00:38:05,880 --> 00:38:08,880

Challenging, mean old George to come out and poke you.

758

00:38:08,880 --> 00:38:11,880

I thought I'd run a little test here, you did well.

759

00:38:11,880 --> 00:38:13,880

Teams, you may be released at this time.

760

00:38:13,880 --> 00:38:15,880

We'll call you back when we've reached a decision.

761

00:38:15,880 --> 00:38:16,880

Thank you very much.

762

00:38:16,880 --> 00:38:17,880

Thank you.

763

00:38:21,880 --> 00:38:24,880

Alright, judges, now it's time to dissect each category

764

00:38:24,880 --> 00:38:26,880

of history, technology, teamwork.

765

00:38:26,880 --> 00:38:29,880

Let's start off by talking about the history.

766

00:38:29,880 --> 00:38:33,880

Judges, at any time did you see any team members whatsoever

767

00:38:33,880 --> 00:38:34,880

get any of the history wrong?

768

00:38:34,880 --> 00:38:35,880

I didn't.

769

00:38:35,880 --> 00:38:37,880

On that front, I thought they were both pretty equal.

770

00:38:37,880 --> 00:38:39,880

Let's move on to technology.

771

00:38:39,880 --> 00:38:42,880

I thought that Verify did a really great job,

772

00:38:42,880 --> 00:38:43,880

is in the equipment.

773

00:38:43,880 --> 00:38:46,880

Experience started off slow on the technology front,

774

00:38:46,880 --> 00:38:48,880

kind of fumbling and bubbling around for a while.

775

00:38:48,880 --> 00:38:49,880

They had trouble with the camera.

776

00:38:49,880 --> 00:38:50,880

Paranormal XP?

777

00:38:50,880 --> 00:38:51,880

Yeah.

778

00:38:51,880 --> 00:38:52,880

You thought were a little slow at the beginning?

779

00:38:52,880 --> 00:38:53,880

A little slow at the start, yeah.

780

00:38:53,880 --> 00:38:54,880

I'd say the second half, they pulled it together.

781

00:38:54,880 --> 00:38:56,880

Let's talk about teamwork.

782

00:38:56,880 --> 00:38:58,880

Humor aside with Verify Paranormal,

783

00:38:58,880 --> 00:39:00,880

I thought they did an outstanding job.

784

00:39:00,880 --> 00:39:03,880

In my opinion, I'm going to go with teamwork

785

00:39:03,880 --> 00:39:04,880

going to Verify Paranormal.

786

00:39:04,880 --> 00:39:05,880

I'm with you on that.

787

00:39:05,880 --> 00:39:06,880

Absolutely.

788

00:39:06,880 --> 00:39:07,880

I've given a slight edge on that, yeah.

789

00:39:07,880 --> 00:39:09,880

They were, I was so impressed by their teamwork.

790

00:39:09,880 --> 00:39:13,880

I mean, they, and all three of them were so sensitive as well.

791

00:39:13,880 --> 00:39:15,880

And they really looked out for each other.

792

00:39:15,880 --> 00:39:17,880

I would knock down Verify just a tiny bit

793

00:39:17,880 --> 00:39:19,880

for getting a little silly toward the end.

794

00:39:19,880 --> 00:39:20,880

Do you smell something?

795

00:39:20,880 --> 00:39:23,880

Yeah, it's the stockings on your shoulder, bro.

796

00:39:23,880 --> 00:39:26,880

Let's go with audio evidence.

797

00:39:26,880 --> 00:39:28,880

Being one of the most well-known skeptics,

798

00:39:28,880 --> 00:39:29,880

as far as the evidence,

799

00:39:29,880 --> 00:39:32,880

it was just exciting for me to see your take on it.

800

00:39:32,880 --> 00:39:34,880

This female voice.

801

00:39:42,880 --> 00:39:43,880

What were your thoughts on that?

802

00:39:43,880 --> 00:39:45,880

I guess on a scale of one to ten,

803

00:39:45,880 --> 00:39:47,880

most of the stuff we heard throughout the evening

804

00:39:47,880 --> 00:39:48,880

was like one or two.

805

00:39:48,880 --> 00:39:51,880

This was maybe a three or a four, slightly better.

806

00:39:51,880 --> 00:39:53,880

But was it, was it quite interesting?

807

00:39:53,880 --> 00:39:55,880

Well, I thought it was interesting, yeah.

808

00:39:55,880 --> 00:39:58,880

Visual evidence, we were supplied nothing by Paranormal EXP.

809

00:39:58,880 --> 00:40:00,880

And you got to get points to EXP for not finding that.

810

00:40:00,880 --> 00:40:01,880

I would have totally agreed.

811

00:40:01,880 --> 00:40:02,880

That's what I said.

812

00:40:02,880 --> 00:40:05,880

I put down in my notes, love that there was no evidence.

813

00:40:05,880 --> 00:40:08,880

I'm getting tired of seeing the ghosts of dust bunnies

814

00:40:08,880 --> 00:40:10,880

and reflective orbs.

815

00:40:10,880 --> 00:40:12,880

So thank God that they were able to look at it

816

00:40:12,880 --> 00:40:14,880

and honestly look us in the eyes and say we have nothing.

817

00:40:14,880 --> 00:40:17,880

The photo, I think clearly it was a reflection.

818

00:40:17,880 --> 00:40:18,880

Right.

819

00:40:19,880 --> 00:40:21,880

Judges, let's go meet the teams.

820

00:40:21,880 --> 00:40:23,880

I really like the review we did.

821

00:40:23,880 --> 00:40:26,880

The pieces that we gave to them were strong.

822

00:40:26,880 --> 00:40:27,880

I'm anxious to get the results.

823

00:40:27,880 --> 00:40:28,880

Yeah.

824

00:40:28,880 --> 00:40:29,880

I'm just excited.

825

00:40:29,880 --> 00:40:31,880

I'm excited to see what happens.

826

00:40:35,880 --> 00:40:38,880

First off, teams on behalf of myself and the judges,

827

00:40:38,880 --> 00:40:40,880

we want to say thank you very much for coming out here

828

00:40:40,880 --> 00:40:42,880

and investigating Paranormal EXP.

829

00:40:42,880 --> 00:40:45,880

You guys were spot on with your EVP sessions.

830

00:40:45,880 --> 00:40:47,880

So crisp, so clear.

831

00:40:47,880 --> 00:40:49,880

You even had the skeptic Dr. Schirmer

832

00:40:49,880 --> 00:40:51,880

really, really praising that performance.

833

00:40:51,880 --> 00:40:53,880

Verify Paranormal.

834

00:40:53,880 --> 00:40:57,880

Scott, one of the best team leaders we've ever seen.

835

00:40:57,880 --> 00:40:59,880

Congratulations for that.

836

00:40:59,880 --> 00:41:03,880

It is time to announce the winner

837

00:41:03,880 --> 00:41:07,880

of Paranormal Challenge, Linda Vista Hospital.

838

00:41:09,880 --> 00:41:13,880

The winner is...

839

00:41:16,880 --> 00:41:18,880

Wait, before I do that real quick.

840

00:41:18,880 --> 00:41:19,880

Oh, man.

841

00:41:19,880 --> 00:41:20,880

I have a present.

842

00:41:20,880 --> 00:41:22,880

Oh.

843

00:41:22,880 --> 00:41:24,880

Thank you.

844

00:41:24,880 --> 00:41:26,880

We thought we'd give those to you.

845

00:41:26,880 --> 00:41:28,880

You left them in there.

846

00:41:28,880 --> 00:41:29,880

Let's continue.

847

00:41:29,880 --> 00:41:31,880

Is...

848

00:41:32,880 --> 00:41:33,880

Paranormal EXP.

849

00:41:33,880 --> 00:41:34,880

Ah!

850

00:41:34,880 --> 00:41:35,880

Thank you.

851

00:41:36,880 --> 00:41:37,880

Congratulations.

852

00:41:37,880 --> 00:41:38,880

Congratulations.

853

00:41:40,880 --> 00:41:41,880

Congratulations.

854

00:41:41,880 --> 00:41:42,880

Congratulations.

855

00:41:42,880 --> 00:41:43,880

Congratulations.

856

00:41:43,880 --> 00:41:44,880

Thank you.

857

00:41:44,880 --> 00:41:46,880

Yeah, those people get it all the minute.

858

00:41:46,880 --> 00:41:47,880

It feels great when you're here.

859

00:41:47,880 --> 00:41:48,880

Yes.

860

00:41:48,880 --> 00:41:50,880

The judge is over.

861

00:41:50,880 --> 00:41:53,880

I would like 12 more hours to do more of this

862

00:41:53,880 --> 00:41:54,880

with everybody.

863

00:41:54,880 --> 00:41:55,880

Yeah.

864

00:41:55,880 --> 00:41:58,880

It wasn't even the EVP that they were able to bring to us.

865

00:41:58,880 --> 00:42:01,880

It was the fact that they went back and checked their own video

866

00:42:01,880 --> 00:42:04,880

to make sure, yeah, that they did not taint their evidence.

867

00:42:04,880 --> 00:42:05,880

That was fantastic.

868

00:42:05,880 --> 00:42:06,880

That's A-plus investigative.

869

00:42:06,880 --> 00:42:08,880

There it is, another winner.

870

00:42:08,880 --> 00:42:09,880

Did you hear that, EVP?

871

00:42:09,880 --> 00:42:12,880

You want to come out here and try and communicate with the dead

872

00:42:12,880 --> 00:42:13,880

like these teams are?

873

00:42:13,880 --> 00:42:14,880

Well, find us.

874

00:42:14,880 --> 00:42:17,880

It'd be at some haunted location around your neck of the woods.
