15

00:01:19,139 --> 00:01:15,800

it's one a week those anyway waste no

16

00:01:21,580 --> 00:01:19,149

more time and introduce Allison Dunlop

17

00:01:22,419 --> 00:01:21,590

hello all lovely to be here thank you

18

00:01:24,639 --> 00:01:22,429

for inviting me

19

00:01:26,109 --> 00:01:24,649

oh it's a great pleasure I mean we've

20

00:01:28,150 --> 00:01:26,119

we've done a couple of shows before on

21

00:01:31,150 --> 00:01:28,160

your on your network so it's some of the

22

00:01:34,210 --> 00:01:31,160

assembly fair and any wise to have you

23

00:01:35,590 --> 00:01:34,220

on in this one because you know the

24

00:01:38,320 --> 00:01:35,600

drill and then you've got a lot of

25

00:01:43,630 --> 00:01:38,330

experience in the paranormal anyway

26
00:01:46,419 --> 00:01:43,640
haven't you yes and below obviously I'm

27
00:01:49,260 --> 00:01:46,429
up in Scotland and on SPI Scotland

28
00:01:52,449 --> 00:01:49,270
Scottish and

29
00:01:56,020 --> 00:01:52,459
strange phenomena investigations in

30
00:02:06,930 --> 00:01:56,030
Scotland it is it was just it was always

31
00:02:20,949 --> 00:02:06,940
known as SPI you can start things off in

32
00:02:25,119 --> 00:02:20,959
1979 so going back quainter are we and

33
00:02:29,020 --> 00:02:25,129
we really must Malcolm appeared he has a

34
00:02:32,650 --> 00:02:29,030
great presence and energy for this kind

35
00:02:34,750 --> 00:02:32,660
of stuff and he really heated so well

36
00:02:38,369 --> 00:02:34,760
when he was up here and then things when

37
00:02:42,729 --> 00:02:38,379
he left went very quiet in Scotland and

38
00:02:45,250 --> 00:02:42,739

a few years back I managed to find him

39

00:02:50,590 --> 00:02:45,260

again on Facebook and Facebook SAR

40

00:02:52,839 --> 00:02:50,600

wonderful thing inaudible yeah you know

41

00:02:55,750 --> 00:02:52,849

I'd kind of moved away from the paranor

42

00:02:59,530 --> 00:02:55,760

stuff and I was doing as do my own thing

43

00:03:02,289 --> 00:02:59,540

I was I started the the Glasgow

44

00:03:05,619 --> 00:03:02,299

University Pekin society so I did that

45

00:03:07,449 --> 00:03:05,629

obviously I had I had gone to uni by

46

00:03:12,039 --> 00:03:07,459

that point and I was doing various other

47

00:03:13,000 --> 00:03:12,049

things and then afterwards a few things

48

00:03:16,959 --> 00:03:13,010

happened

49

00:03:19,000 --> 00:03:16,969

mm synchronistically m8c and and it kind

50

00:03:22,390 --> 00:03:19,010

of brought me kicking and screaming back

51
00:03:24,699 --> 00:03:22,400
to the the paranormal subject and I

52
00:03:26,559 --> 00:03:24,709
thought I really I really want to do an

53
00:03:32,559 --> 00:03:26,569
investigation again our investigations

54
00:03:36,640 --> 00:03:32,569
again and I spoke to Malcolm and with

55
00:03:41,199 --> 00:03:36,650
his blessing he said why don't you start

56
00:03:43,179 --> 00:03:41,209
up SPI again and Scotland so and that

57
00:03:45,759 --> 00:03:43,189
was basically my dad he was still doing

58
00:03:50,020 --> 00:03:45,769
SPI stuff down in England and Hastings

59
00:03:52,899 --> 00:03:50,030
and he does his talks and things like

60
00:03:55,300 --> 00:03:52,909
that but it's a up here it was very very

61
00:03:57,159 --> 00:03:55,310
quiet as far as SPI ever concerned I

62
00:03:59,469 --> 00:03:57,169
mean those other things going on and

63
00:04:02,050 --> 00:03:59,479

those other investigation teams and

64

00:04:04,689 --> 00:04:02,060

other groups and things like that but I

65

00:04:07,689 --> 00:04:04,699

haven't really found any and Glasgow and

66

00:04:10,240 --> 00:04:07,699

so apart from the SSP are thought Pete

67

00:04:14,140 --> 00:04:10,250

as well the Scottish Society for

68

00:04:16,180 --> 00:04:14,150

psychical research so I sometimes go to

69

00:04:19,749 --> 00:04:16,190

their meetings which wasn't very far

70

00:04:21,759 --> 00:04:19,759

away from me but um yeah I just I think

71

00:04:31,719 --> 00:04:21,769

I just really wanted to do something for

72

00:04:37,060 --> 00:04:31,729

myself and start start something off and

73

00:04:41,050 --> 00:04:37,070

I think you know where I had started off

74

00:04:47,110 --> 00:04:41,060

with paranormal investigations was with

75

00:04:48,820 --> 00:04:47,120

SPI back in the the nineties and you

76

00:04:52,450 --> 00:04:48,830

know I'd done a few investigations but

77

00:04:57,189 --> 00:04:52,460

them and you know I think I just really

78

00:05:01,420 --> 00:04:57,199

wanted to get back to that so um and and

79

00:05:04,600 --> 00:05:01,430

by that time I'd had experience with

80

00:05:06,670 --> 00:05:04,610

their other groups starting up other

81

00:05:09,939 --> 00:05:06,680

groups and an organizing thing

82

00:05:12,550 --> 00:05:09,949

and runnin things later on in the pic

83

00:05:16,300 --> 00:05:12,560

and society or on any events and such

84

00:05:18,969 --> 00:05:16,310

like so and you know I had all that this

85

00:05:21,850 --> 00:05:18,979

this of skills there to do that again

86

00:05:23,890 --> 00:05:21,860

and I wanted it to be in the paranormal

87

00:05:28,749 --> 00:05:23,900

and of course this of course at the same

88

00:05:31,749 --> 00:05:28,759

time I managed to get into manage to I

89

00:05:37,120 --> 00:05:31,759

was offered to do a radio show with a

90

00:05:42,820 --> 00:05:37,130

radio station and Eastern Partnership

91

00:05:47,260 --> 00:05:42,830

and so I started doing EDX fails Eastern

92

00:05:49,210 --> 00:05:47,270

Partnership radio and that you know I

93

00:05:53,140 --> 00:05:49,220

was finding out about tensions with them

94

00:06:04,450 --> 00:05:53,150

and then I decided just to do my own

95

00:06:09,400 --> 00:06:04,460

podcast EDX fails so seem to be able to

96

00:06:12,700 --> 00:06:09,410

change that on the on the Facebook you

97

00:06:15,730 --> 00:06:12,710

know the the URL and don't seem to be

98

00:06:18,610 --> 00:06:15,740

able to change that but yes it used to

99

00:06:23,020 --> 00:06:18,620

be EDX fails which was Eastern Barcia

100

00:06:27,420 --> 00:06:23,030

and it's no EDX fails which is Allison

101
00:06:34,420 --> 00:06:31,810
yeah I think so when this comes out

102
00:06:36,159 --> 00:06:34,430
there is good you'll be this Peter do

103
00:06:39,270 --> 00:06:36,169
you think but I'll be putting links on

104
00:06:47,640 --> 00:06:39,280
the page is about moral dimensions and

105
00:06:47,650 --> 00:06:55,230
[Laughter]

106
00:06:59,200 --> 00:06:57,760
as you saying things the kickoff of

107
00:07:00,969 --> 00:06:59,210
being a couple years ago but well we

108
00:07:03,820 --> 00:07:00,979
don't go into it here that but so we

109
00:07:06,189 --> 00:07:03,830
became quite close I know we've had a

110
00:07:08,589 --> 00:07:06,199
sort of kind of briefly met a few Tyler

111
00:07:15,840 --> 00:07:08,599
cutlets on double dates that we've come

112
00:07:24,730 --> 00:07:21,780
yeah it's you see though you mentioned

113
00:07:26,140 --> 00:07:24,740

yeah or very very much so in it is you

114

00:07:30,040 --> 00:07:26,150

see there you mentioned the conference

115

00:07:34,360 --> 00:07:30,050

we made at the 2016 conference and

116

00:07:36,310 --> 00:07:34,370

that's something that before that no the

117

00:07:40,600 --> 00:07:36,320

year before was an Edinburgh that was

118

00:07:43,660 --> 00:07:40,610

our first conference in 2015 and you

119

00:07:46,920 --> 00:07:43,670

know that was it's a Malcolm myself and

120

00:07:50,800 --> 00:07:46,930

wrong holiday and who's also another

121

00:07:54,670 --> 00:07:50,810

very seasoned investigator and a

122

00:07:57,910 --> 00:07:54,680

researcher or third lecturer and in the

123

00:08:00,910 --> 00:07:57,920

paranormal an apology and the 3 overs

124

00:08:02,980 --> 00:08:00,920

heads together and we decided we were

125

00:08:05,440 --> 00:08:02,990

going to do a conference and we've been

126
00:08:09,670 --> 00:08:05,450
saying this for a few years beforehand

127
00:08:11,890 --> 00:08:09,680
and then you know we we just decided to

128
00:08:15,040 --> 00:08:11,900
get on with it and you know come on is

129
00:08:17,350 --> 00:08:15,050
what we're going to do here so um it has

130
00:08:20,170 --> 00:08:17,360
been so successful and I think it was

131
00:08:26,440 --> 00:08:20,180
really who's Scotland had been needed

132
00:08:28,150 --> 00:08:26,450
and you know and wanted it's you know

133
00:08:31,870 --> 00:08:28,160
Scotland I think sometimes got just

134
00:08:35,560 --> 00:08:31,880
because get about forgotten a you know

135
00:08:38,770 --> 00:08:35,570
it's like we are feud has been a million

136
00:08:41,170 --> 00:08:38,780
miles away and a lot of sports because

137
00:08:43,300 --> 00:08:41,180
doing get asked and as a result you know

138
00:08:47,500 --> 00:08:43,310

to speak other conferences as a result

139

00:08:49,450 --> 00:08:47,510

of that um you know you've not maybe got

140

00:08:53,800 --> 00:08:49,460

a lot of people who have confidence to

141

00:08:57,880 --> 00:08:53,810

speak especially women this is you know

142

00:09:03,430 --> 00:08:57,890

a point that I do have to feel that

143

00:09:05,740 --> 00:09:03,440

after days and as a you know women have

144

00:09:09,310 --> 00:09:05,750

a very quiet voice especially in

145

00:09:11,610 --> 00:09:09,320

ethology and but what's the Scottish

146

00:09:14,410 --> 00:09:11,620

conference we are trying to promote

147

00:09:18,100 --> 00:09:14,420

Scottish speakers and more female

148

00:09:21,610 --> 00:09:18,110

speakers is taking time you know slowly

149

00:09:24,880 --> 00:09:21,620

but surely and will will get their bets

150

00:09:29,100 --> 00:09:24,890

and oh get some great speakers again

151

00:09:34,410 --> 00:09:31,380

we don't like to come up again at some

152

00:09:42,480 --> 00:09:34,420

point I'm sure I will because people in

153

00:09:45,300 --> 00:09:42,490

Peter rockiness came over just all that

154

00:09:48,780 --> 00:09:45,310

but yeah you know that picture dropping

155

00:09:54,180 --> 00:09:48,790

so it was on my previous show and he was

156

00:09:57,060 --> 00:09:54,190

a great guest also really concentrate on

157

00:09:59,069 --> 00:09:57,070

you isn't it we also understand you you

158

00:10:00,290 --> 00:09:59,079

know a lot of our angels and demons in

159

00:10:03,960 --> 00:10:00,300

particular

160

00:10:08,870 --> 00:10:03,970

yes I'm kind of carving up a vanish for

161

00:10:12,690 --> 00:10:08,880

myself from the paranormal as far as the

162

00:10:15,150 --> 00:10:12,700

too much about so you know the stories

163

00:10:18,449 --> 00:10:15,160

and things but these feet to somebody

164

00:10:20,610 --> 00:10:18,459

knows quite a bit about we kind of said

165

00:10:22,920 --> 00:10:20,620

people might poopoo angels and things

166

00:10:25,170 --> 00:10:22,930

like that foot with the moral code about

167

00:10:28,860 --> 00:10:25,180

things like this oh you're such a lot

168

00:10:31,920 --> 00:10:28,870

about it you know you think oh this

169

00:10:35,699 --> 00:10:31,930

probably something in yes okay well I've

170

00:10:39,269 --> 00:10:35,709

had my own experiences with both and and

171

00:10:42,000 --> 00:10:39,279

people can you know take out of these

172

00:10:45,660 --> 00:10:42,010

stories what port the uestion and and

173

00:10:49,560 --> 00:10:45,670

what well you know what they can and but

174

00:10:53,130 --> 00:10:49,570

I've certainly had experiences that have

175

00:10:58,069 --> 00:10:53,140

been quite either quite terrifying or

176

00:11:03,240 --> 00:10:58,079

profound in some way that I mean I never

177

00:11:05,819 --> 00:11:03,250

for many years I I never believed and or

178

00:11:08,460 --> 00:11:05,829

was really interested and anything like

179

00:11:13,410 --> 00:11:08,470

that and it might be demons just because

180

00:11:16,050 --> 00:11:13,420

I was above a horror fun but um you know

181

00:11:19,800 --> 00:11:16,060

not particularly into that subject to me

182

00:11:24,000 --> 00:11:19,810

it was a very Christian thing and I was

183

00:11:27,810 --> 00:11:24,010

pagan for many years so I didn't really

184

00:11:34,430 --> 00:11:27,820

look at that side of things and it was

185

00:11:39,990 --> 00:11:34,440

only really when I started doing Reiki

186

00:11:41,740 --> 00:11:40,000

that I in meditations I would get angels

187

00:11:45,340 --> 00:11:41,750

coming to me

188

00:11:50,319 --> 00:11:45,350

and I mean obviously Enrique are doing

189

00:11:54,730 --> 00:11:50,329

healing it's a type of healing and you

190

00:12:00,040 --> 00:11:54,740

know your your your tuning to the life

191

00:12:04,629 --> 00:12:00,050

force energy around us and you know

192

00:12:06,759 --> 00:12:04,639

these beings these energies are all part

193

00:12:09,879 --> 00:12:06,769

of that and they were you know they were

194

00:12:11,679 --> 00:12:09,889

revealing themselves to me and in many

195

00:12:15,009 --> 00:12:11,689

ways and then I realized that you know

196

00:12:16,629 --> 00:12:15,019

the the they were there to help if I

197

00:12:20,980 --> 00:12:16,639

wanted them to help I read a little bit

198

00:12:24,600 --> 00:12:20,990

about them I did call upon them on

199

00:12:29,829 --> 00:12:24,610

occasions and and it had come to my aid

200

00:12:34,360 --> 00:12:29,839

so you know I over time began to realize

201
00:12:41,530 --> 00:12:34,370
that yeah these these angelic beings are

202
00:12:45,040 --> 00:12:41,540
real they are helpful and they will come

203
00:12:47,139 --> 00:12:45,050
to your aid if you ask them to so of

204
00:12:52,360 --> 00:12:47,149
course I talked my inner light

205
00:12:56,129 --> 00:12:52,370
experience of a demonic nature where I

206
00:13:00,340 --> 00:12:56,139
was attacked by an activist and I've

207
00:13:09,160 --> 00:13:00,350
told the story many many times but I'd

208
00:13:12,900 --> 00:13:09,170
woken up alright then so I had woken up

209
00:13:15,730 --> 00:13:12,910
and and I'd been having a nightmare

210
00:13:19,540 --> 00:13:15,740
I went too weak in my partner I was

211
00:13:22,809 --> 00:13:19,550
unable to weak and I'm a ton drained and

212
00:13:25,840 --> 00:13:22,819
I mean a ton drained to weaken him but

213
00:13:33,160 --> 00:13:25,850

then I was I was flipped onto my back

214

00:13:36,340 --> 00:13:33,170

and suddenly the business meal demon on

215

00:13:40,569 --> 00:13:36,350

top of me halt pinning me down and

216

00:13:45,009 --> 00:13:40,579

trying to UM trying to cut my neck with

217

00:13:48,790 --> 00:13:45,019

his cut my throat with his this one long

218

00:13:50,350 --> 00:13:48,800

fingernail and he said to me you thought

219

00:13:53,379 --> 00:13:50,360

you could get away from it doesn't--you

220

00:13:55,150 --> 00:13:53,389

and it's all that isn't terrifying

221

00:13:59,500 --> 00:13:55,160

enough because I couldn't move

222

00:14:02,050 --> 00:13:59,510

at all at this point I could move my

223

00:14:07,360 --> 00:14:02,060

eyes though and I could see over in the

224

00:14:10,900 --> 00:14:07,370

corner this and old women long scraggly

225

00:14:13,600 --> 00:14:10,910

hair long white natey giggling in her

226

00:14:16,660 --> 00:14:13,610

hand and she obviously thought this was

227

00:14:19,090 --> 00:14:16,670

very funny later on when I looked into

228

00:14:23,220 --> 00:14:19,100

all this stuff I realized that she is

229

00:14:25,990 --> 00:14:23,230

the the old hag the the nightmare

230

00:14:31,480 --> 00:14:26,000

created the mere LaMotta where we get

231

00:14:38,050 --> 00:14:31,490

the word nightmare from and the there's

232

00:14:42,730 --> 00:14:38,060

various versions of the Incubus

233

00:14:45,850 --> 00:14:42,740

narrative if you like there's various

234

00:14:52,060 --> 00:14:45,860

characters involved in the narrative so

235

00:14:56,440 --> 00:14:52,070

you've got this meal adult demon female

236

00:14:58,980 --> 00:14:56,450

adult demon little keepeth you've got

237

00:15:03,430 --> 00:14:58,990

the Mara the old women of the hag

238

00:15:07,390 --> 00:15:03,440

because it's sometimes called all ha and

239

00:15:13,810 --> 00:15:07,400

you've got this little troll like say MP

240

00:15:17,920 --> 00:15:13,820

SH and creature the times appear on top

241

00:15:19,900 --> 00:15:17,930

of people and sometimes the demons of a

242

00:15:20,290 --> 00:15:19,910

murderous nature as it seemed to be with

243

00:15:26,110 --> 00:15:20,300

me

244

00:15:29,260 --> 00:15:26,120

of a sexual nature which in this case it

245

00:15:33,480 --> 00:15:29,270

wasn't but M is something that I have

246

00:15:38,050 --> 00:15:33,490

noticed with Incubus attacks is that it

247

00:15:41,200 --> 00:15:38,060

quite often happens when there's

248

00:15:46,930 --> 00:15:41,210

problems in a relationship or when

249

00:15:52,060 --> 00:15:46,940

somebody and has psychological problems

250

00:15:54,870 --> 00:15:52,070

about relationships now that's all that

251

00:15:59,500 --> 00:15:54,880

I've really observed and as far as

252

00:16:01,500 --> 00:15:59,510

the what's not all of observed but it's

253

00:16:08,610 --> 00:16:01,510

one of one of the things I've observed

254

00:16:10,860 --> 00:16:08,620

I've observed that things like having a

255

00:16:14,760 --> 00:16:10,870

it's Werdum late or an hour music

256

00:16:17,220 --> 00:16:14,770

playing well keep these experiences from

257

00:16:19,620 --> 00:16:17,230

happening or they're quite helpful

258

00:16:25,650 --> 00:16:19,630

anyway keeping our window closed just

259

00:16:28,350 --> 00:16:25,660

seems to be helpful but you know I don't

260

00:16:30,660 --> 00:16:28,360

know what the demons have and always

261

00:16:32,610 --> 00:16:30,670

have had some kind of double function

262

00:16:34,170 --> 00:16:32,620

they tell you something I've written

263

00:16:38,510 --> 00:16:34,180

that happens I've experienced that

264

00:16:45,960 --> 00:16:41,130

you know in ancient times they would

265

00:16:49,470 --> 00:16:45,970

have remember Pazuzu and the exorcists

266

00:16:52,680 --> 00:16:49,480

and the demon in the exorcist felt they

267

00:16:57,030 --> 00:16:52,690

would keep statues statues and houses of

268

00:16:59,160 --> 00:16:57,040

em Pazuzu because he was a demon of the

269

00:17:02,460 --> 00:16:59,170

wind and he was so powerful and so

270

00:17:07,650 --> 00:17:02,470

frightened to people that he was thought

271

00:17:10,380 --> 00:17:07,660

that he would keep away other demons so

272

00:17:15,870 --> 00:17:10,390

in that guise he was actually a

273

00:17:18,350 --> 00:17:15,880

good-luck charm as that where so it's

274

00:17:24,750 --> 00:17:18,360

not unusual for demons to be able to do

275

00:17:29,960 --> 00:17:26,640

well I was in quite a troubled

276

00:17:35,160 --> 00:17:29,970

relationship at the time I was quite and

277

00:17:41,610 --> 00:17:35,170

I think my voice in inverted commas was

278

00:17:45,750 --> 00:17:41,620

was quite suppressed I would say and and

279

00:17:49,670 --> 00:17:45,760

there was a lot of probably more like

280

00:17:53,850 --> 00:17:49,680

emotional abuse going on there know

281

00:17:56,880 --> 00:17:53,860

whether that demon was an actual entity

282

00:18:03,990 --> 00:17:56,890

who was drawn to that whether it was

283

00:18:07,010 --> 00:18:04,000

causing that you know so many reasons

284

00:18:09,060 --> 00:18:07,020

and and I always kept an open mind and I

285

00:18:10,740 --> 00:18:09,070

you know it kind of got to the point

286

00:18:13,350 --> 00:18:10,750

Pete I thought doesn't really matter

287

00:18:16,610 --> 00:18:13,360

whether it was an entity or whether it

288

00:18:21,480 --> 00:18:16,620

was psychological phenomena

289

00:18:22,240 --> 00:18:21,490

the fact is that it happened I perceived

290

00:18:24,880 --> 00:18:22,250

it top

291

00:18:28,980 --> 00:18:24,890

so what happened the experience itself

292

00:18:31,980 --> 00:18:28,990

was real and maybe there's something

293

00:18:35,560 --> 00:18:31,990

that more that I should be looking at

294

00:18:37,210 --> 00:18:35,570

and less and and that was there was lots

295

00:18:42,910 --> 00:18:37,220

of different things that have drawn me

296

00:18:46,770 --> 00:18:42,920

to want to become an exorcist and and

297

00:19:00,460 --> 00:18:46,780

that was that was probably the earliest

298

00:19:03,960 --> 00:19:00,470

experience that I'd had you think it may

299

00:19:08,410 --> 00:19:03,970

be as if I mention attack of some sort

300

00:19:12,460 --> 00:19:08,420

yeah I mean people have said that maybe

301
00:19:14,980 --> 00:19:12,470
these things are actually of a reptilian

302
00:19:20,830 --> 00:19:14,990
nature some people have said that they

303
00:19:24,310 --> 00:19:20,840
are gen as in DGI NN which is another

304
00:19:26,940 --> 00:19:24,320
possibility I was going to go somewhere

305
00:19:29,790 --> 00:19:26,950
by thought and I can't remember no

306
00:19:40,780 --> 00:19:29,800
[Laughter]

307
00:19:45,970 --> 00:19:40,790
easily easily thrown yes so that was my

308
00:19:47,980 --> 00:19:45,980
earliest experience of demonic entity

309
00:19:51,520 --> 00:19:47,990
whatever yeah

310
00:19:52,090 --> 00:19:51,530
it's terrifying because you can't move

311
00:19:56,370 --> 00:19:52,100
either

312
00:20:03,390 --> 00:19:56,380
you can't fight off you can't run away I

313
00:20:05,800 --> 00:20:03,400

know what I was going to go with us so a

314

00:20:11,620 --> 00:20:05,810

fortnight later or maybe was a week

315

00:20:14,530 --> 00:20:11,630

later the same thing started to happen

316

00:20:17,920 --> 00:20:14,540

but I managed to scream out this time

317

00:20:20,470 --> 00:20:17,930

and and my partner who had been through

318

00:20:23,830 --> 00:20:20,480

the room came in and switched on the

319

00:20:28,780 --> 00:20:23,840

light and that was that was that came

320

00:20:32,140 --> 00:20:28,790

over I mean it could be that you're just

321

00:20:35,620 --> 00:20:32,150

seeing into another dimension because

322

00:20:36,200 --> 00:20:35,630

there was this of um you know the feel

323

00:20:38,419 --> 00:20:36,210

has life

324

00:20:42,529 --> 00:20:38,429

- does that where there's a soft bluish

325

00:20:44,210 --> 00:20:42,539

color which I wonder whether that had

326

00:20:46,940 --> 00:20:44,220

anything to do with the third eye

327

00:20:50,409 --> 00:20:46,950

opening and the color that's associated

328

00:20:59,570 --> 00:20:50,419

with the third eye is this of them

329

00:21:01,700 --> 00:20:59,580

bluish purplish color my hair to answer

330

00:21:04,340 --> 00:21:01,710

this because operated before when I was

331

00:21:06,440 --> 00:21:04,350

very very young I had a purple mist

332

00:21:08,180 --> 00:21:06,450

coming to the room of swirling around

333

00:21:10,909 --> 00:21:08,190

the room I can actually still remember

334

00:21:13,850 --> 00:21:10,919

it operation it before a couple of other

335

00:21:15,830 --> 00:21:13,860

programs and he swirls around the room

336

00:21:17,389 --> 00:21:15,840

and I was terrified by ok be nothing

337

00:21:19,730 --> 00:21:17,399

always only pilots probably any so he

338

00:21:22,669 --> 00:21:19,740

was something wrong right I remembered

339

00:21:25,009 --> 00:21:22,679

father coming here I'm pointing to this

340

00:21:29,480 --> 00:21:25,019

purple mr. swirly after this row back at

341

00:21:31,669 --> 00:21:29,490

Romans wink to tease him he didn't see

342

00:21:33,230 --> 00:21:31,679

it whoa just make it I've always

343

00:21:35,269 --> 00:21:33,240

wondered what the hell that what a

344

00:21:41,919 --> 00:21:35,279

purple mist was but you mentioned in

345

00:21:46,430 --> 00:21:41,929

that blue and the purple mist it yeah oh

346

00:21:51,789 --> 00:21:46,440

and blue was a Supra it was always

347

00:21:55,129 --> 00:21:51,799

associated of this pronoun Scotland and

348

00:21:57,950 --> 00:21:55,139

so it may well either you know I mean if

349

00:22:01,789 --> 00:21:57,960

you were to the time children famously

350

00:22:06,440 --> 00:22:01,799

are able to see other things you know

351
00:22:10,460 --> 00:22:06,450
they um they seem to be able to see into

352
00:22:12,619 --> 00:22:10,470
these other nations so I know I was in a

353
00:22:15,169 --> 00:22:12,629
car with a side I could never stand

354
00:22:28,249 --> 00:22:15,179
being a cop the decider so I must have

355
00:22:30,529 --> 00:22:28,259
been around about I mean I I would say

356
00:22:32,899 --> 00:22:30,539
you were so young you were able to see

357
00:22:39,440 --> 00:22:32,909
whatever it was that your far other will

358
00:22:43,970 --> 00:22:39,450
see and and we unless our brains like

359
00:22:48,049 --> 00:22:43,980
hard and we do have this of um what

360
00:22:48,990 --> 00:22:48,059
would you see it's like a safety cashes

361
00:22:51,840 --> 00:22:49,000
it

362
00:22:54,840 --> 00:22:51,850
because otherwise there is so much

363
00:22:57,450 --> 00:22:54,850

around us we would be quite like

364

00:23:00,230 --> 00:22:57,460

overwhelmed by the amount of n for me

365

00:23:02,850 --> 00:23:00,240

yeah ancient aliens would have to taken

366

00:23:09,870 --> 00:23:02,860

if we were bombarded with that all the

367

00:23:14,399 --> 00:23:09,880

time yeah or it's just that our brains

368

00:23:17,279 --> 00:23:14,409

start to you know develop and the

369

00:23:23,100 --> 00:23:17,289

ability to block out certain things that

370

00:23:26,820 --> 00:23:23,110

would overwhelm our sense is you know so

371

00:23:33,360 --> 00:23:26,830

that's one thing but I had always been

372

00:23:36,539 --> 00:23:33,370

looking at thank things from the point

373

00:23:42,500 --> 00:23:36,549

of view of the demonic now 14 years

374

00:23:46,500 --> 00:23:42,510

lease so I bumped into James Welsh and

375

00:23:49,700 --> 00:23:46,510

he told me about his experiences seeing

376

00:23:54,270 --> 00:23:49,710

the UFOs it coming up to the millennium

377

00:23:57,480 --> 00:23:54,280

December 1999 and it wasn't until he

378

00:24:01,169 --> 00:23:57,490

handed me trained homeland he handed me

379

00:24:03,060 --> 00:24:01,179

a photograph and yeah I think it was an

380

00:24:09,240 --> 00:24:03,070

Emmy join us for and actually they heard

381

00:24:11,610 --> 00:24:09,250

and he said it's not it's not real I've

382

00:24:14,760 --> 00:24:11,620

done it like a photo short term last

383

00:24:19,590 --> 00:24:14,770

year for to show people weird I saw in

384

00:24:23,539 --> 00:24:19,600

what it looked like and it was right

385

00:24:32,490 --> 00:24:23,549

above my flat then weird I had had that

386

00:24:35,430 --> 00:24:32,500

experience in December 1999 so I mean I

387

00:24:39,060 --> 00:24:35,440

can't pinpoint D its but I do know it

388

00:24:41,220 --> 00:24:39,070

was around about December 1999 and that

389

00:24:43,799 --> 00:24:41,230

you know it was the same time that James

390

00:24:48,810 --> 00:24:43,809

had seen this year for above my flat

391

00:24:51,180 --> 00:24:48,820

that just employed it it was just he

392

00:24:53,820 --> 00:24:51,190

said it was like plasma and it just

393

00:24:57,750 --> 00:24:53,830

employed it and I think that was I think

394

00:24:58,560 --> 00:24:57,760

that I was hurry described saw it made

395

00:25:02,490 --> 00:24:58,570

me think Oh

396

00:25:06,060 --> 00:25:02,500

could there be a UF or even stroke alien

397

00:25:10,350 --> 00:25:06,070

action to us you know could it be that

398

00:25:14,130 --> 00:25:10,360

some kind of electromagnetic thing and

399

00:25:19,080 --> 00:25:14,140

the atmosphere has caused me to help us

400

00:25:22,800 --> 00:25:19,090

in it you know just I'm very open-minded

401
00:25:25,050 --> 00:25:22,810
about what it may have been that's not

402
00:25:25,560 --> 00:25:25,060
to say that I don't you believe in

403
00:25:29,130 --> 00:25:25,570
demons

404
00:25:32,490 --> 00:25:29,140
and the angels because I very much do to

405
00:25:34,890 --> 00:25:32,500
make that clear but for me the personal

406
00:25:38,040 --> 00:25:34,900
experience I know that in the scientific

407
00:25:42,480 --> 00:25:38,050
community certainly a psychological

408
00:25:45,960 --> 00:25:42,490
community and it just put it down to

409
00:25:49,950 --> 00:25:45,970
sleep paralysis which is fine and there

410
00:25:52,500 --> 00:25:49,960
was hours well you know there was sleep

411
00:25:56,880 --> 00:25:52,510
paralysis and that's absolutely true

412
00:26:00,150 --> 00:25:56,890
what interests me is why do people see

413
00:26:03,600 --> 00:26:00,160

the same thing is it something to do

414

00:26:09,000 --> 00:26:03,610

with the Jungian archetypes quit me

415

00:26:10,950 --> 00:26:09,010

be particularly you know the martyr you

416

00:26:14,220 --> 00:26:10,960

know is it something like that so I mean

417

00:26:17,550 --> 00:26:14,230

there's lots of different arguments lots

418

00:26:19,680 --> 00:26:17,560

of different theories to explain away

419

00:26:22,770 --> 00:26:19,690

something like thank you pass attack but

420

00:26:25,470 --> 00:26:22,780

people see the same things you know they

421

00:26:29,150 --> 00:26:25,480

see these particular four particular

422

00:26:31,890 --> 00:26:29,160

characters in some form or another and

423

00:26:37,110 --> 00:26:31,900

that in itself I find quite fascinating

424

00:26:39,630 --> 00:26:37,120

if I would I had never heard of this

425

00:26:41,930 --> 00:26:39,640

experience to her harder I didn't know

426

00:26:44,160 --> 00:26:41,940

anyone else who had harder and

427

00:26:47,280 --> 00:26:44,170

afterwards I spoke to my friends and

428

00:26:49,650 --> 00:26:47,290

none of them had heard it we've just

429

00:26:54,870 --> 00:26:49,660

looked at me like I had the little horns

430

00:26:56,780 --> 00:26:54,880

on my head you know don't know what

431

00:26:59,280 --> 00:26:56,790

you're talking about

432

00:27:03,930 --> 00:26:59,290

yeah I think we just thought I needed

433

00:27:07,740 --> 00:27:03,940

some psychiatric help or something yeah

434

00:27:10,590 --> 00:27:07,750

in fact and somebody did say to me what

435

00:27:12,060 --> 00:27:10,600

were you smoking at the time and I said

436

00:27:16,230 --> 00:27:12,070

no I was completely sober

437

00:27:22,500 --> 00:27:16,240

you know I smoked or dry

438

00:27:25,260 --> 00:27:22,510

anything so it certainly wasn't anything

439

00:27:29,000 --> 00:27:25,270

I hadn't been influenced by innocent

440

00:27:33,360 --> 00:27:29,010

like that so that that was my

441

00:27:35,730 --> 00:27:33,370

introduction to the world of the demonic

442

00:27:40,860 --> 00:27:35,740

fallacy it was that introduction in that

443

00:27:43,080 --> 00:27:40,870

sure fact when I was 14 and before this

444

00:27:44,790 --> 00:27:43,090

I I used to watch the the Hammer horror

445

00:27:47,580 --> 00:27:44,800

films with my dad when I was a little

446

00:27:52,549 --> 00:27:47,590

ghetto and I mean they're great team

447

00:28:00,210 --> 00:27:52,559

really but Christopher Lee as fantastic

448

00:28:02,460 --> 00:28:00,220

and then and so my grandfather so he was

449

00:28:04,910 --> 00:28:02,470

always going to like secondhand book

450

00:28:08,190 --> 00:28:04,920

sales and things like that and he said

451
00:28:12,930 --> 00:28:08,200
you like hoarder don't you I said yeah I

452
00:28:14,910 --> 00:28:12,940
do is it well and I picked this up you

453
00:28:17,910 --> 00:28:14,920
may like it you know with the big seal

454
00:28:21,750 --> 00:28:17,920
and he handed me the Exorcist in pewter

455
00:28:25,110 --> 00:28:21,760
blast she's The Exorcist he had he

456
00:28:28,700 --> 00:28:25,120
hadn't read himself he had no idea what

457
00:28:51,570 --> 00:28:38,100
fourteen year old granddaughter it was

458
00:28:53,910 --> 00:28:51,580
all originally oh my goodness actually

459
00:29:00,090 --> 00:28:53,920
that's enjoy it and it and it's a free

460
00:29:01,620 --> 00:29:00,100
community not much but it really is but

461
00:29:04,230 --> 00:29:01,630
I just have to chalk although it was my

462
00:29:06,600 --> 00:29:04,240
clan follow the gave me any he was none

463
00:29:10,320 --> 00:29:06,610

the wiser and I never never said to him

464

00:29:12,960 --> 00:29:10,330

hey that was some big and so that I

465

00:29:19,140 --> 00:29:12,970

guess was in my introduction to the

466

00:29:22,340 --> 00:29:19,150

demonic but I was in my late my late

467

00:29:25,290 --> 00:29:22,350

twenties when I had that experience so

468

00:29:27,750 --> 00:29:25,300

the book did not influence me to have

469

00:29:29,010 --> 00:29:27,760

you know an experience like the Incubus

470

00:29:31,080 --> 00:29:29,020

attack

471

00:29:33,510 --> 00:29:31,090

and what wants it with you it's not

472

00:29:38,160 --> 00:29:33,520

something you were employed or

473

00:29:39,630 --> 00:29:38,170

definitely definitely no what no no you

474

00:29:41,550 --> 00:29:39,640

don't want something like that it is

475

00:29:45,210 --> 00:29:41,560

utterly terrifying and you are

476
00:29:47,640 --> 00:29:45,220
completely powerless under that whatever

477
00:29:48,860 --> 00:29:47,650
that for says you're completely

478
00:29:52,050 --> 00:29:48,870
powerless

479
00:29:54,960 --> 00:29:52,060
had I known about the Angels then I

480
00:29:58,110 --> 00:29:54,970
might have asked for their help at that

481
00:30:02,610 --> 00:29:58,120
point because I have done as I said

482
00:30:07,200 --> 00:30:02,620
earlier on and I have invoked the angels

483
00:30:11,070 --> 00:30:07,210
to help and they have done one occasion

484
00:30:15,540 --> 00:30:11,080
was in a hospital and it was the woman

485
00:30:19,770 --> 00:30:15,550
in the room next to me she was an old

486
00:30:23,040 --> 00:30:19,780
woman she was very very sick and her

487
00:30:26,010 --> 00:30:23,050
family had been cold and they were I saw

488
00:30:31,110 --> 00:30:26,020

them talking to the doctors outside the

489

00:30:34,230 --> 00:30:31,120

room and they were very upset but taken

490

00:30:36,720 --> 00:30:34,240

tons to go in and sat with her at one

491

00:30:40,140 --> 00:30:36,730

point there was nobody I was safe to him

492

00:30:45,350 --> 00:30:40,150

and I looked up know her room I should

493

00:30:49,170 --> 00:30:45,360

say was diagonally left to my room so I

494

00:30:56,940 --> 00:30:49,180

looked up and outside her door there was

495

00:30:59,930 --> 00:30:56,950

a dark shadow and I stole I was just

496

00:31:04,890 --> 00:30:59,940

like suddenly region and I looked up and

497

00:31:09,150 --> 00:31:04,900

then the shadow began to move it started

498

00:31:12,690 --> 00:31:09,160

to move towards her room and I thought

499

00:31:14,610 --> 00:31:12,700

that you know I just got I mean it

500

00:31:16,650 --> 00:31:14,620

wasn't just I got the creeps

501
00:31:23,660 --> 00:31:16,660
I really felt it was something quite

502
00:31:27,090 --> 00:31:23,670
evil about this dark shadow so I am

503
00:31:30,180 --> 00:31:27,100
closed my book and I called out to the

504
00:31:34,710 --> 00:31:30,190
Angels and Michael for protection and

505
00:31:38,070 --> 00:31:34,720
courage and Raphael for healing and

506
00:31:41,400 --> 00:31:38,080
asked them to you know protect and guard

507
00:31:43,770 --> 00:31:41,410
and heal this old woman

508
00:31:47,990 --> 00:31:43,780
and then I told the shard or that and

509
00:31:51,870 --> 00:31:48,000
this woman was protected and um

510
00:31:56,400 --> 00:31:51,880
basically to do one you know to to leave

511
00:32:00,049 --> 00:31:56,410
it alone and at that point it started to

512
00:32:04,799 --> 00:32:00,059
move back from the door and disappear

513
00:32:08,430 --> 00:32:04,809

the next day the old woman was well

514

00:32:10,100 --> 00:32:08,440

enough to be moved into wards and she

515

00:32:14,789 --> 00:32:10,110

had over an ie

516

00:32:17,850 --> 00:32:14,799

had some kind of miraculous maybe not

517

00:32:19,919 --> 00:32:17,860

recovery but she certainly was she was

518

00:32:21,630 --> 00:32:19,929

walking on a you know she was able to

519

00:32:24,270 --> 00:32:21,640

walk on her when she was able to walk

520

00:32:27,570 --> 00:32:24,280

like from the room and to abort

521

00:32:30,750 --> 00:32:27,580

and and and so I mean obviously I don't

522

00:32:36,210 --> 00:32:30,760

know the ending to that but I asked a

523

00:32:38,610 --> 00:32:36,220

nurse and if well first of all I said to

524

00:32:40,560 --> 00:32:38,620

the nurse I got this interest have you

525

00:32:42,450 --> 00:32:40,570

ever seen anything in the hospital so I

526

00:32:44,520 --> 00:32:42,460

didn't tell her anything about the dark

527

00:32:46,320 --> 00:32:44,530

shadow I didn't want him to give me a

528

00:32:49,380 --> 00:32:46,330

referral to psychiatric you know or

529

00:32:51,390 --> 00:32:49,390

something like that um and she said yes

530

00:32:54,480 --> 00:32:51,400

that is something out there we see out

531

00:32:56,760 --> 00:32:54,490

the corner of an eye we see the shadow

532

00:33:02,039 --> 00:32:56,770

at the corner of her eye just going back

533

00:33:04,590 --> 00:33:02,049

and forward and last week there was an

534

00:33:08,220 --> 00:33:04,600

old man in the ward along to the right

535

00:33:11,970 --> 00:33:08,230

and we have the screams in the middle of

536

00:33:13,799 --> 00:33:11,980

the night the nurses ran through and he

537

00:33:18,539 --> 00:33:13,809

said he was been dragged out the bed by

538

00:33:20,520 --> 00:33:18,549

his feet and they got him comfortable

539

00:33:23,520 --> 00:33:20,530

again gave my cup of tea settled him

540

00:33:26,730 --> 00:33:23,530

down and a little while later one of the

541

00:33:28,500 --> 00:33:26,740

nurses went into the room she was her

542

00:33:31,799 --> 00:33:28,510

hand was up in something in a cupboard

543

00:33:37,140 --> 00:33:31,809

and she just felt this other hand

544

00:33:43,080 --> 00:33:37,150

clamped down on her arm and she was out

545

00:33:44,789 --> 00:33:43,090

of there very quickly so there was you

546

00:33:48,659 --> 00:33:44,799

know there had been something in there

547

00:33:53,030 --> 00:33:48,669

for other still well I don't think

548

00:33:56,330 --> 00:33:53,040

they're now used for for awards

549

00:33:57,860 --> 00:33:56,340

in fact I think though this was in the

550

00:34:02,150 --> 00:33:57,870

West and I think it's actually been

551
00:34:03,980 --> 00:34:02,160
demolished now and which is I think

552
00:34:09,250 --> 00:34:03,990
quite good news particularly for that

553
00:34:11,570 --> 00:34:09,260
what but you know that was another

554
00:34:13,639 --> 00:34:11,580
angelic thing that happened and it

555
00:34:17,510 --> 00:34:13,649
doesn't have to be something like a big

556
00:34:21,050 --> 00:34:17,520
and major like that you know but we we

557
00:34:24,590 --> 00:34:21,060
all do today have things that happen

558
00:34:28,850 --> 00:34:24,600
that M cause us to be anxious or worried

559
00:34:32,030 --> 00:34:28,860
or whatever and you know it's an example

560
00:34:34,669 --> 00:34:32,040
that the angels are there to be called

561
00:34:38,570 --> 00:34:34,679
upon and it can just be something like

562
00:34:41,200 --> 00:34:38,580
you know quite um like you can't find

563
00:34:44,419 --> 00:34:41,210

something that's really important you

564

00:34:49,010 --> 00:34:44,429

know and and you can ask for their help

565

00:34:52,790 --> 00:34:49,020

with something like that so just ask the

566

00:34:58,630 --> 00:34:52,800

angels and you'll you'll find it like

567

00:35:09,830 --> 00:35:07,730

exorcism obviously it wasn't a major you

568

00:35:12,620 --> 00:35:09,840

could do I mean you could do it

569

00:35:15,350 --> 00:35:12,630

certainly whoever was after I left and a

570

00:35:20,360 --> 00:35:15,360

little backed off and I mean of course

571

00:35:22,550 --> 00:35:20,370

an exorcism you invoke their angels as

572

00:35:25,510 --> 00:35:22,560

well as the scenes and and meaty and

573

00:35:32,300 --> 00:35:25,520

Jesus is they're all very very powerful

574

00:35:36,160 --> 00:35:32,310

names and energies to take and the you

575

00:35:40,340 --> 00:35:36,170

know to exercise the the evil entity

576
00:35:43,700 --> 00:35:40,350
from a person or from a home or whatever

577
00:35:48,200 --> 00:35:43,710
so I guess in a way it was like maybe a

578
00:35:50,780 --> 00:35:48,210
mini exercise oh yeah I guess so

579
00:35:52,730 --> 00:35:50,790
I guess it was I mean I've done another

580
00:35:59,200 --> 00:35:52,740
one and my house which I would see was

581
00:36:02,600 --> 00:35:59,210
was quite a major exorcism I had had

582
00:36:05,810 --> 00:36:02,610
some work was getting done in the flat

583
00:36:08,780 --> 00:36:05,820
and one of the workmen that came on

584
00:36:11,570 --> 00:36:08,790
I just there was something about I

585
00:36:16,100 --> 00:36:11,580
didn't like as soon as he stepped in the

586
00:36:18,410 --> 00:36:16,110
door and after he had gone there was

587
00:36:30,310 --> 00:36:18,420
still I still felt like somebody was on

588
00:36:33,260 --> 00:36:30,320

my flat it's just a sense you know that

589

00:36:36,050 --> 00:36:33,270

and as I say afterwards I realized what

590

00:36:39,260 --> 00:36:36,060

it was was probably the he had an

591

00:36:42,880 --> 00:36:39,270

attachment watham and it had em decided

592

00:36:46,700 --> 00:36:42,890

to lingered about after he left and

593

00:36:49,700 --> 00:36:46,710

either he brought more than one and and

594

00:36:53,060 --> 00:36:49,710

and left with you know one and left why

595

00:36:55,520 --> 00:36:53,070

not or or he had just left this one but

596

00:37:00,920 --> 00:36:55,530

anyway there was afterwards it was s

597

00:37:03,470 --> 00:37:00,930

presence and its really unsettling when

598

00:37:05,510 --> 00:37:03,480

that happens and I've never really I

599

00:37:08,210 --> 00:37:05,520

don't think I'd ever really felt it

600

00:37:10,790 --> 00:37:08,220

before but it just says like somebody's

601
00:37:14,210 --> 00:37:10,800
and my flat I can feel them I can

602
00:37:17,140 --> 00:37:14,220
actually there I can feel them and it

603
00:37:19,490 --> 00:37:17,150
that neither was noises in the hallway

604
00:37:22,730 --> 00:37:19,500
but there was you know nothing to

605
00:37:25,670 --> 00:37:22,740
account for them the next morning there

606
00:37:28,520 --> 00:37:25,680
was loud noises in the leffen room when

607
00:37:33,680 --> 00:37:28,530
I opened the cartons and there was like

608
00:37:35,090 --> 00:37:33,690
some since I it was nothing there was

609
00:37:37,670 --> 00:37:35,100
nothing in the herb that had that you

610
00:37:40,670 --> 00:37:37,680
know what fallen or whatever and then

611
00:37:42,890 --> 00:37:40,680
the kitchen flooded and at that point I

612
00:37:45,460 --> 00:37:42,900
just ton Jones in my living room and

613
00:37:47,870 --> 00:37:45,470

said right that is it

614

00:37:51,140 --> 00:37:47,880

you cannot stay here

615

00:37:57,920 --> 00:37:51,150

you cannot attach yourself to me this is

616

00:38:02,600 --> 00:37:57,930

my home and you can just get out in more

617

00:38:05,870 --> 00:38:02,610

floaty language than that and nothing

618

00:38:12,140 --> 00:38:05,880

happened for about a fortnight and about

619

00:38:14,450 --> 00:38:12,150

a fortnight later I woke up and I felt

620

00:38:18,740 --> 00:38:14,460

like I was being attacked it was kind of

621

00:38:20,540 --> 00:38:18,750

late the Incubus thing and

622

00:38:23,150 --> 00:38:20,550

something that but it was an invisible

623

00:38:28,430 --> 00:38:23,160

force I couldn't see what it was had

624

00:38:33,440 --> 00:38:28,440

both my rests and I was you know I was

625

00:38:37,120 --> 00:38:33,450

as strong as a McCoy so I would say

626

00:38:43,240 --> 00:38:37,130

therefore that it probably was humans

627

00:38:49,220 --> 00:38:43,250

you know and sped it if you like perhaps

628

00:38:52,849 --> 00:38:49,230

but it had a hold of me and you know I

629

00:38:58,460 --> 00:38:52,859

was shouting a few things data and told

630

00:39:01,760 --> 00:38:58,470

again to leave and a fortnight again

631

00:39:06,020 --> 00:39:01,770

when it passed and nothing and then

632

00:39:09,650 --> 00:39:06,030

there was noise and the walls will cut

633

00:39:13,490 --> 00:39:09,660

one night and the walls were shaking the

634

00:39:16,190 --> 00:39:13,500

bed was shaking and I thought right I

635

00:39:21,020 --> 00:39:16,200

really this is this not it's not getting

636

00:39:24,680 --> 00:39:21,030

the hint here him that after all the

637

00:39:29,809 --> 00:39:24,690

things that I've said so I did a major

638

00:39:31,910 --> 00:39:29,819

cleansing and I guess that major

639

00:39:36,859 --> 00:39:31,920

cleansing you would say you could class

640

00:39:42,290 --> 00:39:36,869

as an exorcism and because yes it did

641

00:39:45,380 --> 00:39:42,300

that and one thing that happened or was

642

00:39:47,630 --> 00:39:45,390

the heel stones on the ceiling it's a

643

00:39:51,440 --> 00:39:47,640

noise like that's what it was like it

644

00:39:55,400 --> 00:39:51,450

was like I'm like millions of heel

645

00:39:57,230 --> 00:39:55,410

students on my living room ceiling and I

646

00:39:59,930 --> 00:39:57,240

was looking up and I'm thinking I'm

647

00:40:02,359 --> 00:39:59,940

surely I am not hallucinating this is

648

00:40:05,210 --> 00:40:02,369

like hailstones on glass or pebbles

649

00:40:08,200 --> 00:40:05,220

pebbles is probably a better way to

650

00:40:13,670 --> 00:40:08,210

describe it like tables on Auden glass

651
00:40:18,650 --> 00:40:13,680
and I'm looking at my cards and the lire

652
00:40:20,390 --> 00:40:18,660
eyes were the heads looking up to the

653
00:40:25,520 --> 00:40:20,400
ceiling so I thought yes they can hear

654
00:40:30,079 --> 00:40:25,530
as well and it stopped after a little

655
00:40:32,420 --> 00:40:30,089
while and but I just read after

656
00:40:37,160 --> 00:40:32,430
exorcisms things like that can happen

657
00:40:39,490 --> 00:40:37,170
and you know the sand eel stones on the

658
00:40:42,860 --> 00:40:39,500
the noise of hailstones on the ceiling

659
00:40:45,820 --> 00:40:42,870
was one of the things that I read about

660
00:40:50,650 --> 00:40:45,830
afterwards not before afterwards

661
00:40:53,090 --> 00:40:50,660
I was writing my talk for the conference

662
00:40:56,510 --> 00:40:53,100
from last year it was in possession and

663
00:40:59,300 --> 00:40:56,520

exorcism but I need to keep taking

664

00:41:04,460 --> 00:40:59,310

breaks from it because the more that I

665

00:41:10,790 --> 00:41:04,470

would write something would happen so I

666

00:41:12,980 --> 00:41:10,800

had to become too careful I think all

667

00:41:17,450 --> 00:41:12,990

obviously it's kind of like talk of the

668

00:41:19,820 --> 00:41:17,460

devil you know and I think that

669

00:41:25,430 --> 00:41:19,830

sometimes can be the case I was very

670

00:41:30,260 --> 00:41:25,440

focused on what I was doing and I you

671

00:41:32,120 --> 00:41:30,270

know I don't know if I don't know do

672

00:41:33,980 --> 00:41:32,130

they do they want to be here to do they

673

00:41:36,230 --> 00:41:33,990

know or is that a warning that you've

674

00:41:40,880 --> 00:41:36,240

not talked about them I really don't

675

00:41:45,500 --> 00:41:40,890

know it's difficult to it's difficult to

676

00:41:48,160 --> 00:41:45,510

say however this year and I shared my my

677

00:41:52,730 --> 00:41:48,170

talks and something about laser it's on

678

00:41:54,320 --> 00:41:52,740

apparitions of the Virgin Mary and so

679

00:42:01,370 --> 00:41:54,330

that that's my talk for this year so

680

00:42:04,279 --> 00:42:01,380

it's a what's your take on that services

681

00:42:10,489 --> 00:42:04,289

yeah I kind of wonder about some of

682

00:42:11,989 --> 00:42:10,499

those definition things it's oh I have

683

00:42:13,549 --> 00:42:11,999

to take her well about me know where to

684

00:42:16,160 --> 00:42:13,559

go with it yeah I've had quite the hair

685

00:42:23,479 --> 00:42:16,170

to take several deputies because you do

686

00:42:25,880 --> 00:42:23,489

get like a lot of crowd excited well um

687

00:42:30,499 --> 00:42:25,890

you know one of them thousands of people

688

00:42:35,839 --> 00:42:30,509

witnessed the phenomena the phenomenon

689

00:42:39,019 --> 00:42:35,849

sorry I you know I don't really know how

690

00:42:54,219 --> 00:42:39,029

to take them myself either except that

691

00:42:56,569 --> 00:42:54,229

and if somebody to make a new story or

692

00:42:59,509 --> 00:42:56,579

well I mean I've wondered the same

693

00:43:03,519 --> 00:42:59,519

myself have these appearances been

694

00:43:08,150 --> 00:43:03,529

staged for a reason because um they do

695

00:43:11,599 --> 00:43:08,160

well the M was at Fatima I think what

696

00:43:14,440 --> 00:43:11,609

happened and no it was something to do

697

00:43:20,469 --> 00:43:14,450

with Russia and I can't remember offhand

698

00:43:27,259 --> 00:43:20,479

just no but and it certainly seemed to M

699

00:43:30,140 --> 00:43:27,269

ease a situation there I I don't you

700

00:43:32,870 --> 00:43:30,150

know I've not started my talk yet so I

701
00:43:36,079 --> 00:43:32,880
don't want to to see too much because

702
00:43:42,410 --> 00:43:36,089
I've not really made up my mind yet what

703
00:43:45,979 --> 00:43:42,420
we I'm going to go with the talk but I

704
00:43:50,029 --> 00:43:45,989
get where you're coming from with where

705
00:43:52,940 --> 00:43:50,039
they staged or is an actual thing but

706
00:44:00,019 --> 00:43:52,950
then you know when when the water

707
00:44:07,130 --> 00:44:00,029
doesn't trouble I think that then holier

708
00:44:11,329 --> 00:44:07,140
powers can step in and try to help and

709
00:44:18,580 --> 00:44:11,339
so if it is a real thing then perhaps

710
00:44:30,440 --> 00:44:21,470
we're talking about that dog look no

711
00:44:40,730 --> 00:44:30,450
you're actually because the Balaton in

712
00:44:44,120 --> 00:44:40,740
gnostic church and well and there's

713
00:44:46,760 --> 00:44:44,130

probably some good reasons for you not

714

00:44:54,620 --> 00:44:46,770

having heard of that before

715

00:45:00,620 --> 00:44:54,630

um Valentinianism has never really been

716

00:45:07,220 --> 00:45:00,630

in this country until until I guess

717

00:45:11,240 --> 00:45:07,230

David Perry who was ordained by the

718

00:45:14,720 --> 00:45:11,250

Valentinians and Italy and so it's been

719

00:45:18,260 --> 00:45:14,730

more of a European thing and and they're

720

00:45:21,260 --> 00:45:18,270

also quite kind of don't want to say

721

00:45:24,260 --> 00:45:21,270

secret cuz I don't really think that

722

00:45:28,370 --> 00:45:24,270

that's the right word to use but they've

723

00:45:32,510 --> 00:45:28,380

historically been persecuted and for

724

00:45:38,480 --> 00:45:32,520

their views the Gnostics as Valentinian

725

00:45:40,190 --> 00:45:38,490

was and as valentine's was and so I

726

00:45:43,250 --> 00:45:40,200

think that's probably the reason why

727

00:45:47,510 --> 00:45:43,260

you've not heard much about them it's

728

00:45:56,750 --> 00:45:47,520

all but Gnosticism not gnosis is about

729

00:46:04,270 --> 00:45:56,760

wisdom and it's about the I guess the

730

00:46:09,560 --> 00:46:04,280

the wisdom of the inner messages of

731

00:46:12,920 --> 00:46:09,570

Christianity do the what does that what

732

00:46:15,950 --> 00:46:12,930

is the actual and the actual message of

733

00:46:20,500 --> 00:46:15,960

the Bible you know what is it symbolic

734

00:46:24,650 --> 00:46:20,510

and you know what what does the symbols

735

00:46:29,940 --> 00:46:24,660

what do they represent and how can they

736

00:46:45,550 --> 00:46:34,210

you know I I guess that that's probably

737

00:46:51,610 --> 00:46:45,560

the simplest well we are trying to sing

738

00:46:54,520 --> 00:46:51,620

in the no no no it's alright no

739

00:46:56,530 --> 00:46:54,530

understand what you mean and we are

740

00:47:05,340 --> 00:46:56,540

practicing in the liberal Catholic

741

00:47:11,710 --> 00:47:05,350

tradition we Catholicism was not the

742

00:47:15,280 --> 00:47:11,720

oldest form of Christianity Roman

743

00:47:18,730 --> 00:47:15,290

Catholicism rather it was actually Roman

744

00:47:20,980 --> 00:47:18,740

Catholicism that is this you know not

745

00:47:24,100 --> 00:47:20,990

the spin-off but maybe branched the

746

00:47:28,630 --> 00:47:24,110

branches of when one went one way one

747

00:47:32,820 --> 00:47:28,640

went the other way but we are trying to

748

00:47:38,920 --> 00:47:32,830

be as close to the original Christianity

749

00:47:41,320 --> 00:47:38,930

and I guess it's also quite close to a

750

00:47:52,900 --> 00:47:41,330

or third or you know Orthodox

751

00:47:59,680 --> 00:47:52,910

Christianity as well I guess good bites

752

00:48:03,520 --> 00:47:59,690

cool once you assume it all went wrong I

753

00:48:08,430 --> 00:48:03,530

mean I think you know the teachings of

754

00:48:11,560 --> 00:48:08,440

Jesus I have quite you often get

755

00:48:13,660 --> 00:48:11,570

absolutely nothing to do with the

756

00:48:27,730 --> 00:48:13,670

various Christian denominations and

757

00:48:32,310 --> 00:48:27,740

there well the thing is I mean that for

758

00:48:35,920 --> 00:48:32,320

example did Jesus ever say that

759

00:48:40,240 --> 00:48:35,930

homosexuality was wrong I don't think he

760

00:48:42,250 --> 00:48:40,250

ever that and it's not

761

00:48:45,180 --> 00:48:42,260

it's not anywhere there that he ever

762

00:48:47,650 --> 00:48:45,190

said that store but but historically

763

00:48:51,070 --> 00:48:47,660

Christianity has had this major issue

764

00:48:53,680 --> 00:48:51,080

with homosexuality that's just one small

765

00:48:56,859 --> 00:48:53,690

thing but it's it's probably quite apt

766

00:48:59,950 --> 00:48:56,869

to mention because it's um it's very

767

00:49:05,280 --> 00:48:59,960

much in the news just now um you know

768

00:49:07,000 --> 00:49:05,290

it's it's very much a topical subject

769

00:49:15,099 --> 00:49:07,010

for discussion

770

00:49:21,010 --> 00:49:15,109

and and you know i s that we're trying

771

00:49:25,030 --> 00:49:21,020

to get back to that you know that there

772

00:49:27,310 --> 00:49:25,040

is there is nothing this faith is for

773

00:49:31,089 --> 00:49:27,320

everyone there's nothing to debates as

774

00:49:34,120 --> 00:49:31,099

it's really all comes down to the one

775

00:49:35,890 --> 00:49:34,130

thing one major thing which is love you

776

00:49:55,390 --> 00:49:35,900

know and that's that's what it's that

777

00:49:57,790 --> 00:49:55,400

sort of stuff though and I've said to

778

00:50:00,520 --> 00:49:57,800

people you imagine that like there's a

779

00:50:02,950 --> 00:50:00,530

big G in the middle that represents God

780

00:50:05,430 --> 00:50:02,960

and we're all all the different faiths

781

00:50:07,780 --> 00:50:05,440

that all standing around looking at this

782

00:50:10,359 --> 00:50:07,790

but we're all sinner from our own

783

00:50:17,200 --> 00:50:10,369

perspective but it's the same thing that

784

00:50:20,140 --> 00:50:17,210

we're looking at well yeah I mean you

785

00:50:23,079 --> 00:50:20,150

can look at God scientifically and and

786

00:50:29,260 --> 00:50:23,089

the science is trying to do that so you

787

00:50:33,970 --> 00:50:29,270

know that why not you know all Sciences

788

00:50:37,450 --> 00:50:33,980

is as valid as anything else and we

789

00:50:42,490 --> 00:50:37,460

actually in the Valentin Ian's and the

790

00:50:47,910 --> 00:50:42,500

liberal Catholic churches I don't have

791

00:50:53,580 --> 00:50:47,920

any issue with science at all it it's

792

00:50:55,770 --> 00:50:53,590

it's part of it myself as an atheist

793

00:50:57,990 --> 00:50:55,780

in fact I didn't believe in it but I

794

00:50:59,490 --> 00:50:58,000

didn't believe in afterlife so where

795

00:51:02,400 --> 00:50:59,500

does that leave me really hug look what

796

00:51:05,040 --> 00:51:02,410

it leaves me quite confused because I

797

00:51:07,200 --> 00:51:05,050

guess you you might be spiritual rather

798

00:51:11,490 --> 00:51:07,210

than religious yeah that's that kind of

799

00:51:14,820 --> 00:51:11,500

house a lot of people are like that

800

00:51:20,970 --> 00:51:14,830

because we we have become quite a

801
00:51:24,870 --> 00:51:20,980
secular society but that in itself I

802
00:51:28,550 --> 00:51:24,880
think has caused a lot of problems too

803
00:51:32,250 --> 00:51:28,560
you know you see arise for example and a

804
00:51:32,790 --> 00:51:32,260
mental illness and depression and things

805
00:51:36,510 --> 00:51:32,800
like that

806
00:51:41,880 --> 00:51:36,520
no I'm not I mean I don't have all the

807
00:51:47,310 --> 00:51:41,890
answers and this is only I guess but it

808
00:51:50,970 --> 00:51:47,320
wouldn't surprise me if the lack a lack

809
00:52:04,920 --> 00:51:50,980
of spirituality and a lack of you know

810
00:52:07,740 --> 00:52:04,930
focus is unhelpful yeah well they're

811
00:52:11,130 --> 00:52:07,750
very bogged down in the mundane modelled

812
00:52:13,710 --> 00:52:11,140
in the material world and a survey

813
00:52:21,240 --> 00:52:13,720

bogged down and not and they don't think

814

00:52:23,730 --> 00:52:21,250

that there's anything else I mean that

815

00:52:26,280 --> 00:52:23,740

would depress me if I didn't think you

816

00:52:28,170 --> 00:52:26,290

know if I thought that you know this was

817

00:52:32,550 --> 00:52:28,180

there and I was in a terrible terrible

818

00:52:39,900 --> 00:52:32,560

situation and I would be I'd be quite

819

00:52:44,670 --> 00:52:39,910

depressed as well but I spirituality is

820

00:52:49,710 --> 00:52:44,680

a very individual thing and I guess each

821

00:52:56,520 --> 00:52:49,720

person has to you know find out what

822

00:52:59,550 --> 00:52:56,530

works for them I think the the one good

823

00:53:07,250 --> 00:52:59,560

thing about and the Valentin in gnostic

824

00:53:12,110 --> 00:53:07,260

church as that you are very host a pizza

825

00:53:19,380 --> 00:53:12,120

you're you're free to explore

826

00:53:25,290 --> 00:53:19,390

spirituality and interpret efficacy it

827

00:53:29,130 --> 00:53:25,300

was the Bible the Gnostic Gospels or or

828

00:53:33,330 --> 00:53:29,140

forever through your own eyes

829

00:53:35,160 --> 00:53:33,340

and what you get I offer personally it

830

00:53:39,000 --> 00:53:35,170

obviously discussion grips and things

831

00:53:41,130 --> 00:53:39,010

like that help with it's not about

832

00:53:44,700 --> 00:53:41,140

persuasion law it's about putting ideas

833

00:53:48,990 --> 00:53:44,710

forward and seeing more you know what

834

00:53:51,840 --> 00:53:49,000

can what can you get out of that so I

835

00:53:53,640 --> 00:53:51,850

think that's probably the the best but

836

00:53:56,000 --> 00:53:53,650

you know for me being brought up as our

837

00:53:59,310 --> 00:53:56,010

Protestant we are everything is just

838

00:54:04,170 --> 00:53:59,320

straps out of the churches and it's all

839

00:54:05,550 --> 00:54:04,180

very much just that are there and

840

00:54:13,170 --> 00:54:05,560

there's a reason for that and that's

841

00:54:19,100 --> 00:54:13,180

absolutely fine but um I felt that what

842

00:54:22,350 --> 00:54:19,110

worked for me was visual stimuli and a

843

00:54:26,490 --> 00:54:22,360

ritual and things like that

844

00:54:31,260 --> 00:54:26,500

these kind of I don't know the the gift

845

00:54:36,840 --> 00:54:31,270

me something that a Presbyterian azzam

846

00:54:39,840 --> 00:54:36,850

doesn't give me so that's why I I've

847

00:54:44,220 --> 00:54:39,850

ended up doing that it goes very very

848

00:54:46,200 --> 00:54:44,230

much goes hand in hand with um my pagan

849

00:54:50,580 --> 00:54:46,210

beliefs as well I should also mention

850

00:55:05,970 --> 00:54:50,590

that that it doesn't preclude them you

851
00:55:13,050 --> 00:55:05,980
know I guess so yeah I must say it's

852
00:55:17,610 --> 00:55:13,060
amazing like the kind of yeah well I

853
00:55:19,530 --> 00:55:17,620
mean pre always I mean especially you

854
00:55:20,600 --> 00:55:19,540
depends what part the bottle Japan and

855
00:55:24,600 --> 00:55:20,610
really

856
00:55:28,080 --> 00:55:24,610
you know because in the in the Middle

857
00:55:33,240 --> 00:55:28,090
East you know you had the the Hebrew

858
00:55:35,430 --> 00:55:33,250
faith the Jewish faith I don't think

859
00:55:36,780 --> 00:55:35,440
that originally have been called I don't

860
00:55:40,020 --> 00:55:36,790
think they were originally called juice

861
00:55:42,000 --> 00:55:40,030
or but I don't think it was originally

862
00:55:46,890 --> 00:55:42,010
known as Judaism but um you certainly

863
00:55:48,510 --> 00:55:46,900

had you certainly had that and there in

864

00:55:53,130 --> 00:55:48,520

the Middle East

865

00:56:20,130 --> 00:55:53,140

um yeah I'm a forgotten freedom school

866

00:56:23,340 --> 00:56:20,140

again you can actually see that because

867

00:56:24,570 --> 00:56:23,350

then you forget about Hinduism and

868

00:56:34,740 --> 00:56:24,580

things like then you forgetting about

869

00:56:37,140 --> 00:56:34,750

the it you know in the Far East I know

870

00:56:39,350 --> 00:56:37,150

you say that so from this kind of

871

00:56:42,360 --> 00:56:39,360

started from the Middle East it all the

872

00:56:45,540 --> 00:56:42,370

sort of Far East and the west and

873

00:56:47,250 --> 00:56:45,550

everything from there but as I said we

874

00:56:49,680 --> 00:56:47,260

could probably talk a couple hours on

875

00:56:56,040 --> 00:56:49,690

that thing over there yeah I don't know

876

00:56:58,980 --> 00:56:56,050

I I would probably say that um Rome you

877

00:57:03,810 --> 00:56:58,990

know right the borrowed the probably the

878

00:57:06,060 --> 00:57:03,820

more shamanic indigenous cultures but

879

00:57:08,100 --> 00:57:06,070

she could call that that I think you

880

00:57:24,570 --> 00:57:08,110

would call shame and you would call

881

00:57:27,150 --> 00:57:24,580

paganism yeah I was just gonna say I'll

882

00:57:30,410 --> 00:57:27,160

give the conference a quick mention here

883

00:57:33,090 --> 00:57:30,420

then and so it's on the 22nd of June

884

00:57:36,270 --> 00:57:33,100

it's in the Queen Margaret Union

885

00:57:39,750 --> 00:57:36,280

in Glasgow 10:00 a.m. till 6 p.m.

886

00:57:43,530 --> 00:57:39,760

tickets are 10 pounds and you can get

887

00:57:43,950 --> 00:57:43,540

them from ESPI Scotland at gmail.com of

888

00:57:48,630 --> 00:57:43,960

good

889

00:57:52,950 --> 00:57:48,640

gimme it's be myself and Malcolm we're

890

00:57:54,810 --> 00:57:52,960

891

00:57:58,190 --> 00:57:54,820

talk on the strange and bizarre Malcolm

892

00:58:01,280 --> 00:57:58,200

Anderson talking about a haunted

896

00:58:14,640 --> 00:58:12,160

Scottish properties early Buchanan

897

00:58:18,330 --> 00:58:14,650

talking about UFOs and Bonnie bridge and

898

00:58:21,150 --> 00:58:18,340

an atom artery who is going to be

899

00:58:25,080 --> 00:58:21,160

talking about Marilyn and from a

900

00:58:28,640 --> 00:58:25,090

historical point of view the looking at

901
00:58:31,200 --> 00:58:28,650
the possibility of Marilyn has been a

902
00:58:32,610 --> 00:58:31,210
are there through I think he comes more

903
00:58:35,430 --> 00:58:32,620
from the school of thought that the

904
00:58:51,840 --> 00:58:35,440
Arthurian legends actually originated in

905
