[Music]

2
00:00:39,110 --> 00:00:36,869
reaching from the third dimension your

3
00:00:42,930 --> 00:00:39,120
listings

4
00:00:45,030 --> 00:00:42,940
the biggest UK periodontal Network I'm

5
00:00:47,880 --> 00:00:45,040
David Young and this is paranormal

6
00:00:48,840 --> 00:00:47,890
dimensions right I've got a fantastic

7
00:00:51,170 --> 00:00:48,850
guest for you tonight

8
00:00:55,470 --> 00:00:51,180
it's is known as William Poole in and

9
00:00:57,780 --> 00:00:55,480
it's gonna be all about UFOs are you

10
00:01:00,110 --> 00:00:57,790
there William bud introduce you now and

11
00:01:02,280 --> 00:01:00,120
hopefully we can get straight into it

12
00:01:04,140 --> 00:01:02,290
David I'm here thanks for having me

13
00:01:06,600 --> 00:01:04,150

great oh thanks for coming on I'm

14

00:01:08,460 --> 00:01:06,610

pleased to have you will you as you know

15

00:01:10,410 --> 00:01:08,470

we've been friends on Facebook for

16

00:01:11,730 --> 00:01:10,420

probably a couple years at least now

17

00:01:15,210 --> 00:01:11,740

we've been watching each other what's

18

00:01:16,650 --> 00:01:15,220

been going on and but now finally

19

00:01:18,240 --> 00:01:16,660

talking to you for the first time around

20

00:01:25,650 --> 00:01:18,250

please for it and hopefully it'll be

21

00:01:27,600 --> 00:01:25,660

it'll carry on your voice sir anyway

22

00:01:29,100 --> 00:01:27,610

I'll just tell I'm gonna say to the

23

00:01:32,670 --> 00:01:29,110

listeners out there you might you might

24

00:01:35,070 --> 00:01:32,680

so hear an improvement in my audio

25

00:01:36,719 --> 00:01:35,080

equipment on my last show apparently

26
00:01:38,880 --> 00:01:36,729
there's a lot of problem with the sound

27
00:01:41,520 --> 00:01:38,890
but I've been invested in a new

28
00:01:43,610 --> 00:01:41,530
microphone and record you so hopefully

29
00:01:46,020 --> 00:01:43,620
things will be a lot better this time

30
00:01:48,539 --> 00:01:46,030
anyway I should go straight into this

31
00:01:50,430 --> 00:01:48,549
now say I mean how did you originally

32
00:01:57,780 --> 00:01:50,440
get become interested in the subject to

33
00:01:59,969 --> 00:01:57,790
UFOs young like young fella watching

34
00:02:02,370 --> 00:01:59,979
sci-fi things like that movie in

35
00:02:04,740 --> 00:02:02,380
television and I really didn't have an

36
00:02:07,350 --> 00:02:04,750
opinion about the UFO issue I guess I

37
00:02:09,570 --> 00:02:07,360
was kind of a hardened skeptic but then

38
00:02:11,430 --> 00:02:09,580

I got into my university studies in my

39

00:02:12,930 --> 00:02:11,440

20s and I thought you know I should

40

00:02:15,570 --> 00:02:12,940

really look into this just to see if

41

00:02:19,350 --> 00:02:15,580

there's anything to it and I think I was

42

00:02:22,710 --> 00:02:19,360

about 22 at the time and I spent a

43

00:02:23,820 --> 00:02:22,720

summer in Roswell looking through

44

00:02:26,220 --> 00:02:23,830

everything they had to offer at the

45

00:02:28,320 --> 00:02:26,230

Museum there and I changed my mind I

46

00:02:29,550 --> 00:02:28,330

became I'm still a skeptic but I'm aware

47

00:02:31,710 --> 00:02:29,560

that something's going on

48

00:02:33,600 --> 00:02:31,720

nobody is the answer is it fascinates me

49

00:02:35,220 --> 00:02:33,610

and ever since then I've been pretty

50

00:02:36,930 --> 00:02:35,230

obsessed with it so yeah yeah you've

51
00:02:38,039 --> 00:02:36,940
gotta start out as a skeptic Evan you

52
00:02:39,390 --> 00:02:38,049
can't just believe everything that's

53
00:02:41,370 --> 00:02:39,400
thrown at you because there's so much

54
00:02:43,970 --> 00:02:41,380
rubbish on Facebook and not just

55
00:02:49,740 --> 00:02:43,980
Facebook on YouTube everything online

56
00:02:52,740 --> 00:02:49,750
probably 90% of is rubbish I agree every

57
00:02:54,780 --> 00:02:52,750
you know I mean Rose Bowls

58
00:02:57,300 --> 00:02:54,790
I've only been there once to be honest

59
00:03:01,050 --> 00:02:57,310
with the museum because always it's a

60
00:03:03,090 --> 00:03:01,060
long way away from here but yeah yeah

61
00:03:04,590 --> 00:03:03,100
it's the interesting place but I think

62
00:03:06,990 --> 00:03:04,600
you gotta get quite regularly don't you

63
00:03:10,020 --> 00:03:07,000

I do I end up going there about three

64

00:03:11,940 --> 00:03:10,030

worked out of the air yeah yeah it's a

65

00:03:13,350 --> 00:03:11,950

good it's a good place to just I'm in

66

00:03:15,449 --> 00:03:13,360

the museum and not the museum but the

67

00:03:19,400 --> 00:03:15,459

library they have attached to the museum

68

00:03:24,260 --> 00:03:19,410

it's a great box of info files magazines

69

00:03:27,449 --> 00:03:24,270

books sati reports you name it so I love

70

00:03:29,160 --> 00:03:27,459

diving into that and just exploring yeah

71

00:03:31,380 --> 00:03:29,170

it's great stuff yeah you came across a

72

00:03:36,840 --> 00:03:31,390

few other books did you the other day

73

00:03:39,030 --> 00:03:36,850

somebody gave you oh he lives I think it

74

00:03:41,940 --> 00:03:39,040

was in the northern part of mistakes and

75

00:03:43,500 --> 00:03:41,950

he he's letting go with all his books

76

00:03:48,360 --> 00:03:43,510

which is something I would never do

77

00:03:51,590 --> 00:03:48,370

that's always good with it and I say

78

00:03:54,060 --> 00:03:51,600

well don't find a safe place here so he

79

00:03:56,729 --> 00:03:54,070

used the mail the snail mail here in the

80

00:03:58,470 --> 00:03:56,739

States and Mail me about I guess about

81

00:04:00,930 --> 00:03:58,480

thirteen books or thirteen pieces of

82

00:04:02,190 --> 00:04:00,940

literature so I have yet to touch any of

83

00:04:04,680 --> 00:04:02,200

them but I will by the time this summer

84

00:04:09,420 --> 00:04:04,690

comes so there's some of the court

85

00:04:12,840 --> 00:04:09,430

claims below like I am a today I am in

86

00:04:15,300 --> 00:04:12,850

his depth yeah hmm ma'am have you

87

00:04:18,780 --> 00:04:15,310

actually say the UFO yourself or think

88

00:04:20,900 --> 00:04:18,790

you may have done little no I've never

89

00:04:22,530 --> 00:04:20,910

seen anything or experienced anything

90

00:04:26,070 --> 00:04:22,540

out of the ordinary

91

00:04:28,650 --> 00:04:26,080

I never have um yeah I'm completely

92

00:04:30,530 --> 00:04:28,660

convinced that something is going on but

93

00:04:33,290 --> 00:04:30,540

I myself have never seen anything so uh

94

00:04:36,240 --> 00:04:33,300

yeah I'm always fascinated by people

95

00:04:37,620 --> 00:04:36,250

who've experienced something hmm I yeah

96

00:04:41,280 --> 00:04:37,630

it gives me a point of view I don't have

97

00:04:43,950 --> 00:04:41,290

yeah I mean I saw if you know this story

98

00:04:49,680 --> 00:04:43,960

but I saw one in nineteen I think it was

99

00:04:52,830 --> 00:04:49,690

66 or 67 here in the UK in Essex in the

100

00:04:56,700 --> 00:04:52,840

across the night sky it was like a large

101
00:04:58,080 --> 00:04:56,710
oval orange object silent and I was

102
00:05:02,880 --> 00:04:58,090
watching it for probably a good ten

103
00:05:04,440 --> 00:05:02,890
minutes and it gave me kind of kind of a

104
00:05:05,680 --> 00:05:04,450
peaceful feeling watching if you can

105
00:05:07,930 --> 00:05:05,690
understand that

106
00:05:11,310 --> 00:05:07,940
but yeah it was definitely something

107
00:05:13,180 --> 00:05:11,320
weird I mean back in 66 67 KITT was 67

108
00:05:16,510 --> 00:05:13,190
because I was walking home from the

109
00:05:17,620 --> 00:05:16,520
girlfriend's house at the time and it

110
00:05:20,440 --> 00:05:17,630
probably about one o'clock in the

111
00:05:27,850 --> 00:05:20,450
morning it was dark and this is orange

112
00:05:28,780 --> 00:05:27,860
object going across the sky I would love

113
00:05:31,660 --> 00:05:28,790

to experience something like that

114

00:05:34,440 --> 00:05:31,670

perhaps I shuffle off this planet

115

00:05:37,590 --> 00:05:34,450

oh I'll see one but nothing so far so

116

00:05:40,360 --> 00:05:37,600

keep your eyes open you never know

117

00:05:41,650 --> 00:05:40,370

everyone everyone looks down here in the

118

00:05:49,870 --> 00:05:41,660

States everybody looks down at their

119

00:05:51,550 --> 00:05:49,880

phones yeah yeah but you know yeah I

120

00:05:53,260 --> 00:05:51,560

mean I'll tell you what before they

121

00:05:54,430 --> 00:05:53,270

don't give you another little story no

122

00:05:55,840 --> 00:05:54,440

she's supposed to be your show but I'll

123

00:05:58,630 --> 00:05:55,850

just tell you cut them cut the bio

124

00:06:00,580 --> 00:05:58,640

stories as well I was living in London

125

00:06:03,460 --> 00:06:00,590

living in London as a child I grew up in

126
00:06:06,070 --> 00:06:03,470
London and when I was about 8 years old

127
00:06:08,170 --> 00:06:06,080
I was sitting on my steps looking up at

128
00:06:10,450 --> 00:06:08,180
the stars and suddenly I'm watching a

129
00:06:12,360 --> 00:06:10,460
star move and stop a move and stop now

130
00:06:14,860 --> 00:06:12,370
this would have been around about 1958

131
00:06:16,690 --> 00:06:14,870
so what the hell that was I've always

132
00:06:21,480 --> 00:06:16,700
wondered because back then I just

133
00:06:21,490 --> 00:06:27,540
I know now that stars don't do that so

134
00:06:33,550 --> 00:06:31,510
people people experience things and they

135
00:06:35,260 --> 00:06:33,560
may write it off as a star or comet or

136
00:06:37,450 --> 00:06:35,270
what-have-you but as they get older and

137
00:06:39,550 --> 00:06:37,460
more knowledgeable hmm they they saw

138
00:06:42,520 --> 00:06:39,560

something that wasn't what they thought

139

00:06:43,900 --> 00:06:42,530

it was yeah he thought was a star and

140

00:06:45,909 --> 00:06:43,910

now you're convinced it probably wasn't

141

00:06:48,460 --> 00:06:45,919

and who knows what it was but that's

142

00:06:49,420 --> 00:06:48,470

that's interesting how enough time gives

143

00:06:51,130 --> 00:06:49,430

you a different point of view

144

00:06:52,960 --> 00:06:51,140

yeah oh it's always stuck in my mind I

145

00:06:54,250 --> 00:06:52,970

mean stars don't move and stop the move

146

00:06:56,830 --> 00:06:54,260

and stop you know and it was definitely

147

00:07:08,290 --> 00:06:56,840

doing that in a downward motion so so

148

00:07:09,760 --> 00:07:08,300

what was what keeps you going to be

149

00:07:11,020 --> 00:07:09,770

involved in this field because you know

150

00:07:13,060 --> 00:07:11,030

there's a lot of frauds of the stuff

151

00:07:15,130 --> 00:07:13,070

going on and it's a little bit

152

00:07:17,680 --> 00:07:15,140

disheartening sometimes as there when

153

00:07:19,060 --> 00:07:17,690

you find out about some of these the the

154

00:07:24,130 --> 00:07:19,070

fraud really goes off

155

00:07:27,340 --> 00:07:24,140

saluté a good term uh you know I just I

156

00:07:28,960 --> 00:07:27,350

just want to know the answers I I am

157

00:07:32,070 --> 00:07:28,970

very comfortable saying that I don't

158

00:07:33,940 --> 00:07:32,080

know the answers mmm searching for them

159

00:07:38,650 --> 00:07:33,950

it's almost like you have to weed out

160

00:07:41,950 --> 00:07:38,660

the crap part of my friends uh yeah from

161

00:07:43,930 --> 00:07:41,960

these frogs and and Charlotte says in

162

00:07:45,790 --> 00:07:43,940

these cases that our hosts to find the

163

00:07:46,990 --> 00:07:45,800

cases that are illegitimate it's worth

164

00:07:50,430 --> 00:07:47,000

the effort because there's there's a

165

00:07:53,110 --> 00:07:50,440

core of cases that are unexplained and

166

00:07:55,150 --> 00:07:53,120

challenged a scientific mind I'm kind of

167

00:07:57,550 --> 00:07:55,160

a grounded guy so I like I like seeing

168

00:08:00,010 --> 00:07:57,560

evidence but it's fascinating to

169

00:08:02,230 --> 00:08:00,020

interview people and hear and hear their

170

00:08:03,550 --> 00:08:02,240

testimony and it gets my mind thinking

171

00:08:04,870 --> 00:08:03,560

okay what did they see they saw

172

00:08:07,950 --> 00:08:04,880

something that I can't explain

173

00:08:10,600 --> 00:08:07,960

and and the majority of those people are

174

00:08:12,430 --> 00:08:10,610

pretty regular there were average

175

00:08:13,960 --> 00:08:12,440

individuals they just want an answer

176
00:08:15,100 --> 00:08:13,970
they really don't they're not enamored

177
00:08:16,180 --> 00:08:15,110
with or the Raylan

178
00:08:19,660 --> 00:08:16,190
they just want to know what they saw

179
00:08:21,160 --> 00:08:19,670
yeah yeah so say most of those people

180
00:08:22,450 --> 00:08:21,170
that are really a genuine they're not

181
00:08:24,070 --> 00:08:22,460
looking for style de bourree I think

182
00:08:25,450 --> 00:08:24,080
that really a lot of them don't like to

183
00:08:28,210 --> 00:08:25,460
tell the story because they'll get made

184
00:08:30,070 --> 00:08:28,220
a fool of usually yeah I know that

185
00:08:31,810 --> 00:08:30,080
outfit had that feel was because we know

186
00:08:33,370 --> 00:08:31,820
when I was telling my little stories you

187
00:08:39,339 --> 00:08:33,380
know you think oh maybe I should just

188
00:08:41,740 --> 00:08:39,349

shut up is a huge deal unless or

189

00:08:43,900 --> 00:08:41,750

nowadays but now I might be wrong saying

190

00:08:45,340 --> 00:08:43,910

that but yeah it's it's it's troublesome

191

00:08:46,450 --> 00:08:45,350

somebody experiences something that

192

00:08:48,010 --> 00:08:46,460

they're afraid to talk about it because

193

00:08:50,470 --> 00:08:48,020

they're afraid of being laughed at that

194

00:08:53,710 --> 00:08:50,480

horrible feeling I can only imagine yeah

195

00:08:56,170 --> 00:08:53,720

I mean some my mind it's it's ridiculous

196

00:08:57,730 --> 00:08:56,180

to think there aren't any aliens whether

197

00:08:59,920 --> 00:08:57,740

they're actually coming here there's

198

00:09:02,710 --> 00:08:59,930

another matter but I think they probably

199

00:09:04,990 --> 00:09:02,720

are I know I believe you know that's my

200

00:09:06,760 --> 00:09:05,000

belief anyway I mean there's probably as

201
00:09:11,080 --> 00:09:06,770
you can't prove it can you you can only

202
00:09:15,520 --> 00:09:11,090
think what you've seen you know kind of

203
00:09:17,680 --> 00:09:15,530
what your feeling is on that I mean the

204
00:09:20,110 --> 00:09:17,690
the number of stars and planets we found

205
00:09:22,390 --> 00:09:20,120
if you stand out to the known universe

206
00:09:24,820 --> 00:09:22,400
yeah the numbers kind of dictate we

207
00:09:26,490 --> 00:09:24,830
can't the chances of us being alone in

208
00:09:30,010 --> 00:09:26,500
the entire universe are pretty much zero

209
00:09:32,620 --> 00:09:30,020
absolutely the issue is we don't approve

210
00:09:34,540 --> 00:09:32,630
of any have come here and my

211
00:09:37,329 --> 00:09:34,550
so my personal position is I think alien

212
00:09:39,069 --> 00:09:37,339
visitation has occurred but I don't

213
00:09:40,389 --> 00:09:39,079

think it's anywhere near as common as

214

00:09:42,400 --> 00:09:40,399

though it's portrayed in the oval

215

00:09:46,240 --> 00:09:42,410

community but he's pretty impossible to

216

00:09:48,759 --> 00:09:46,250

prove yeah I said but I believe it's

217

00:09:50,439 --> 00:09:48,769

happened so but I'm with you there yeah

218

00:09:53,530 --> 00:09:50,449

yeah well maybe what about the ancient

219

00:09:56,559 --> 00:09:53,540

ideas theory had to go with that you

220

00:09:59,430 --> 00:09:56,569

know I I don't know I I'm afraid that

221

00:10:01,780 --> 00:09:59,440

some of the researchers because there's

222

00:10:03,819 --> 00:10:01,790

megalithic structures or things that

223

00:10:06,610 --> 00:10:03,829

they can't explain or things that have

224

00:10:08,620 --> 00:10:06,620

been built and there's no evidence as to

225

00:10:12,670 --> 00:10:08,630

who built them they immediately make the

226
00:10:15,069 --> 00:10:12,680
jump to alien as opposed to being more

227
00:10:16,720 --> 00:10:15,079
cautious than thinking okay the further

228
00:10:18,129 --> 00:10:16,730
back in time you go the less evidence

229
00:10:19,720 --> 00:10:18,139
there is of anything hmm

230
00:10:23,740 --> 00:10:19,730
so it's hard it's hard to nail down one

231
00:10:25,329 --> 00:10:23,750
theory my gut tells me the majority of

232
00:10:27,480 --> 00:10:25,339
things are built by humans we just don't

233
00:10:30,699 --> 00:10:27,490
know enough about our own history

234
00:10:31,749 --> 00:10:30,709
explain them but I mean there's no

235
00:10:35,439 --> 00:10:31,759
reason why not I mean there's no

236
00:10:37,240 --> 00:10:35,449
evidence against it but I think it's I'm

237
00:10:41,259 --> 00:10:37,250
not very conscious guys so my gut tells

238
00:10:45,639 --> 00:10:41,269

me it's not a Liam but there is always a

239

00:10:48,160 --> 00:10:45,649

possibility but I I'm not I don't really

240

00:10:51,670 --> 00:10:48,170

get into that kind of sighs Andra

241

00:10:53,170 --> 00:10:51,680

beautiful research too much maybe I'm

242

00:10:55,420 --> 00:10:53,180

turned off by all the TV shows about it

243

00:10:56,800 --> 00:10:55,430

but I don't know but yeah oh yeah let's

244

00:10:57,519 --> 00:10:56,810

do fun to fascinate you don't have to

245

00:11:00,069 --> 00:10:57,529

save yourself

246

00:11:04,900 --> 00:11:00,079

yeah come on do they lead on like a

247

00:11:06,579 --> 00:11:04,910

million years so I think the good thing

248

00:11:08,769 --> 00:11:06,589

about those programs at least they give

249

00:11:12,699 --> 00:11:08,779

you some good aerial shots of the areas

250

00:11:13,900 --> 00:11:12,709

and like the ancient monuments and

251
00:11:16,059 --> 00:11:13,910
everything like that and good to see

252
00:11:18,100 --> 00:11:16,069
them from the air is fantastic places

253
00:11:19,259 --> 00:11:18,110
you never be able to get the chance to

254
00:11:23,379 --> 00:11:19,269
go to yourself

255
00:11:24,610 --> 00:11:23,389
yeah threw you out yeah I'm good college

256
00:11:26,769 --> 00:11:24,620
friends they've done quite a bit of

257
00:11:28,650 --> 00:11:26,779
traveling overseas the things that I say

258
00:11:31,960 --> 00:11:28,660
they've seen things in person I'm not

259
00:11:34,509 --> 00:11:31,970
and I always envied them because they've

260
00:11:37,059 --> 00:11:34,519
seen all these my best friend when

261
00:11:39,550 --> 00:11:37,069
college went to a massive pshew in South

262
00:11:41,980 --> 00:11:39,560
America yeah and it was gorgeous it was

263
00:11:43,299 --> 00:11:41,990

it was all inspiring and all I've seen

264

00:11:46,600 --> 00:11:43,309

his pictures I've never been there so I

265

00:11:48,879 --> 00:11:46,610

I envy his experience and you're on TV

266

00:11:50,710 --> 00:11:48,889

giving you it gives it gives individual

267

00:11:53,559 --> 00:11:50,720

an opportunity to see these things at

268

00:11:55,600 --> 00:11:53,569

least on on a screen yeah

269

00:11:57,429 --> 00:11:55,610

when they may not ever make it there in

270

00:11:59,679 --> 00:11:57,439

their lives so it that's true

271

00:12:01,359 --> 00:11:59,689

yeah yeah I think he actually makes you

272

00:12:04,359 --> 00:12:01,369

think anyway doesn't it even if maybe

273

00:12:06,879 --> 00:12:04,369

there's maybe some of the things you're

274

00:12:08,319 --> 00:12:06,889

seeing and not maybe accurate but it

275

00:12:10,780 --> 00:12:08,329

does make you think about the

276
00:12:13,389 --> 00:12:10,790
possibilities from thousands of years

277
00:12:15,489 --> 00:12:13,399
ago you know and and to think of life

278
00:12:17,049 --> 00:12:15,499
out there that there's there's this life

279
00:12:20,739 --> 00:12:17,059
has probably been there for millions of

280
00:12:22,389 --> 00:12:20,749
years in advance of us you know and it

281
00:12:23,679 --> 00:12:22,399
certainly makes me I mean it's a pianist

282
00:12:27,369 --> 00:12:23,689
that the first thing that made me start

283
00:12:29,590 --> 00:12:27,379
thinking about life out in space was

284
00:12:31,869 --> 00:12:29,600
actually a chance of the gold see erich

285
00:12:37,619 --> 00:12:31,879
von daniken that was one of the first

286
00:12:40,960 --> 00:12:39,639
thinking is always good I mean those

287
00:12:44,559 --> 00:12:40,970
shows it leisure and those shows in

288
00:12:46,030 --> 00:12:44,569

those books make you think possibilities

289

00:12:48,639 --> 00:12:46,040

and then critical thought is always a

290

00:12:50,739 --> 00:12:48,649

good thing and going back to the direct

291

00:12:52,629 --> 00:12:50,749

you elbow issue if people can use

292

00:12:54,729 --> 00:12:52,639

critical thought like you said if it

293

00:12:58,509 --> 00:12:54,739

gets it would get some thinking in a

294

00:13:00,069 --> 00:12:58,519

kind of a common-sense way it could you

295

00:13:02,109 --> 00:13:00,079

allow those things that they're really

296

00:13:05,350 --> 00:13:02,119

out there that are obviously hoaxes or

297

00:13:06,879 --> 00:13:05,360

obviously yeah hey if you just play if

298

00:13:09,879 --> 00:13:06,889

you just apply some common sense those

299

00:13:12,069 --> 00:13:09,889

things are kind of cast aside but but

300

00:13:12,699 --> 00:13:12,079

people don't think enough I think that I

301

00:13:15,850 --> 00:13:12,709

think you're right

302

00:13:17,979 --> 00:13:15,860

oh yeah okay cause I when when you start

303

00:13:20,919 --> 00:13:17,989

reading a lot of that and reading things

304

00:13:23,650 --> 00:13:20,929

in the Bible stuff there are UFO events

305

00:13:26,470 --> 00:13:23,660

reported in the Bible that's a really

306

00:13:29,289 --> 00:13:26,480

make you think that makes you thinking

307

00:13:30,850 --> 00:13:29,299

there but but the the traulsen thing for

308

00:13:32,949 --> 00:13:30,860

someone like me is I'm always wanted to

309

00:13:35,169 --> 00:13:32,959

research cases but the further back you

310

00:13:39,759 --> 00:13:35,179

go in time the harder it are oh yeah yes

311

00:13:41,769 --> 00:13:39,769

yeah it's it's it's virtually impossible

312

00:13:46,119 --> 00:13:41,779

to prove something that happened 70

313

00:13:47,559 --> 00:13:46,129

years ago much less 3,000 so stories are

314

00:13:51,249 --> 00:13:47,569

interesting man there's a lot of these

315

00:13:54,400 --> 00:13:51,259

religious texts have stories of events

316

00:13:56,139 --> 00:13:54,410

that sound like something flying it

317

00:13:57,669 --> 00:13:56,149

sounds like a powered craft it may not

318

00:14:00,460 --> 00:13:57,679

be but it's interesting stories

319

00:14:03,340 --> 00:14:00,470

nonetheless yes bottle of the

320

00:14:06,520 --> 00:14:03,350

ZQ up dizzy cool you think you are yeah

321

00:14:09,580 --> 00:14:06,530

yeah yeah yeah with the wheels within

322

00:14:14,700 --> 00:14:09,590

wheels yeah yeah it's quite fascinating

323

00:14:20,230 --> 00:14:17,650

think about why do you think there's so

324

00:14:23,290 --> 00:14:20,240

much division in the UFO William there's

325

00:14:24,550 --> 00:14:23,300

some you know a lot of people I know

326

00:14:26,140 --> 00:14:24,560

there's a lot of that there seems to be

327

00:14:29,050 --> 00:14:26,150

a lot so many arguments going on

328

00:14:33,790 --> 00:14:29,060

nowadays about um who believes in what

329

00:14:36,280 --> 00:14:33,800

and yeah what believes east what is true

330

00:14:37,720 --> 00:14:36,290

and everything and it seems to be it's

331

00:14:41,770 --> 00:14:37,730

always been like that but it does seem

332

00:14:44,170 --> 00:14:41,780

to be multi positive nowadays I just a

333

00:14:48,280 --> 00:14:44,180

little yeah you you are you're spot-on

334

00:14:50,980 --> 00:14:48,290

about that it seems like everyone has

335

00:14:52,630 --> 00:14:50,990

their own positions and they kind of get

336

00:14:54,940 --> 00:14:52,640

pigeonholed in their positions when they

337

00:14:56,110 --> 00:14:54,950

when they were challenged as to okay how

338

00:14:57,340 --> 00:14:56,120

do you do robber this position if

339

00:15:00,490 --> 00:14:57,350

somebody asked them a question how did

340

00:15:01,930 --> 00:15:00,500

you come to this conclusion they make a

341

00:15:03,310 --> 00:15:01,940

lot of people don't really know why they

342

00:15:05,980 --> 00:15:03,320

believe something they've just kind of

343

00:15:08,620 --> 00:15:05,990

heard it in a book or they saw a DVD or

344

00:15:11,140 --> 00:15:08,630

they saw an interview and then they kind

345

00:15:13,000 --> 00:15:11,150

of double down it's become very

346

00:15:14,470 --> 00:15:13,010

polarized here in the states the

347

00:15:15,760 --> 00:15:14,480

political scene is horrible it's very

348

00:15:17,590 --> 00:15:15,770

polarized people don't talk to each

349

00:15:21,850 --> 00:15:17,600

other and then the UFO community has

350

00:15:23,470 --> 00:15:21,860

kind of the same way I mean I'm I'm a I

351
00:15:25,390 --> 00:15:23,480
was raised to be a gentleman I can I can

352
00:15:27,490 --> 00:15:25,400
agree to disagree I can have a cordial

353
00:15:29,440 --> 00:15:27,500
discussion with somebody they believe

354
00:15:30,730 --> 00:15:29,450
something totally different but at the

355
00:15:32,110 --> 00:15:30,740
end of the day we're still friends we

356
00:15:34,210 --> 00:15:32,120
can we can discuss things and just say

357
00:15:35,950 --> 00:15:34,220
okay you think that I think this we'll

358
00:15:38,110 --> 00:15:35,960
just move on yeah that's all I should

359
00:15:40,290 --> 00:15:38,120
yeah yeah yeah should be like that but

360
00:15:43,900 --> 00:15:40,300
yeah it's very polarized it though I

361
00:15:45,130 --> 00:15:43,910
don't know why it started it's it's

362
00:15:48,340 --> 00:15:45,140
progressively getting worse I think

363
00:15:49,870 --> 00:15:48,350

sometimes they it becomes it gets to the

364

00:15:51,520 --> 00:15:49,880

point where people people conduct

365

00:15:53,980 --> 00:15:51,530

themselves horribly they call each other

366

00:15:55,930 --> 00:15:53,990

name right it's it's it becomes very

367

00:15:58,090 --> 00:15:55,940

childish I'm thinking okay be these

368

00:15:58,660 --> 00:15:58,100

people are grown adults they're not 12

369

00:16:01,360 --> 00:15:58,670

years old

370

00:16:04,780 --> 00:16:01,370

yeah but it's it's unfortunate does he

371

00:16:06,910 --> 00:16:04,790

like that as to why I I have no idea

372

00:16:08,230 --> 00:16:06,920

David well you get to a point where you

373

00:16:09,820 --> 00:16:08,240

all you're doing is you're asking a

374

00:16:11,950 --> 00:16:09,830

question that doesn't quite sound right

375

00:16:13,780 --> 00:16:11,960

you want to know more about it and then

376

00:16:16,000 --> 00:16:13,790

you start getting insults and

377

00:16:20,500 --> 00:16:16,010

whirring afro neck yeah some swear words

378

00:16:22,750 --> 00:16:20,510

thrown at you what's going on here you

379

00:16:24,040 --> 00:16:22,760

know and I don't seem to want the water

380

00:16:24,520 --> 00:16:24,050

wants for the question that you're

381

00:16:26,860 --> 00:16:24,530

asking

382

00:16:29,620 --> 00:16:26,870

they just want to basically just insult

383

00:16:31,120 --> 00:16:29,630

you and swear words at you yeah and you

384

00:16:35,170 --> 00:16:31,130

see I don't know you've seen some of it

385

00:16:37,480 --> 00:16:35,180

on your website seventh year yeah I can

386

00:16:40,200 --> 00:16:37,490

I keep I keep my websites under control

387

00:16:42,520 --> 00:16:40,210

yeah there's ever a reason that way

388

00:16:43,900 --> 00:16:42,530

whether it's you or I or anybody else

389

00:16:46,630 --> 00:16:43,910

can actually talk about their experience

390

00:16:50,470 --> 00:16:46,640

without fear of being ridiculed

391

00:16:53,770 --> 00:16:50,480

that's it used for me yeah keep it under

392

00:16:54,880 --> 00:16:53,780

control and and when I created a group

393

00:16:56,950 --> 00:16:54,890

it's actually gonna be the four year

394

00:17:00,970 --> 00:16:56,960

anniversary on the 7th of this month of

395

00:17:03,040 --> 00:17:00,980

that of my group existing I didn't have

396

00:17:04,510 --> 00:17:03,050

the rules written at first but then with

397

00:17:06,370 --> 00:17:04,520

enough time watching everything else

398

00:17:08,650 --> 00:17:06,380

that was happening on on Facebook and

399

00:17:09,940 --> 00:17:08,660

other social media sites I thought no I

400

00:17:11,680 --> 00:17:09,950

need rules otherwise this will get out

401
00:17:14,110 --> 00:17:11,690
of control somebody will be in the group

402
00:17:19,150 --> 00:17:14,120
and they'll start acting crazy yeah I

403
00:17:20,590 --> 00:17:19,160
didn't want that to happen so yeah oh

404
00:17:22,570 --> 00:17:20,600
you actually kick somebody off the other

405
00:17:26,440 --> 00:17:22,580
day did you who because I made a comment

406
00:17:28,090 --> 00:17:26,450
about me I'm on the show yeah I thought

407
00:17:29,320 --> 00:17:28,100
he made a comment on my personal blog I

408
00:17:31,090 --> 00:17:29,330
wasn't really crazy about because they

409
00:17:33,190 --> 00:17:31,100
they made some personal comments about

410
00:17:35,470 --> 00:17:33,200
two friends yeah mine up okay I don't

411
00:17:36,970 --> 00:17:35,480
tell her that I'm sorry that's it's time

412
00:17:39,430 --> 00:17:36,980
to be an adult so I just hide his banner

413
00:17:41,710 --> 00:17:39,440

from the page and and I I made a post

414

00:17:43,270 --> 00:17:41,720

about who exactly it was and just moved

415

00:17:44,890 --> 00:17:43,280

on I mean you can't control one's

416

00:17:46,510 --> 00:17:44,900

behavior though it was sometimes these

417

00:17:50,100 --> 00:17:46,520

people who I mean that person so you

418

00:17:52,270 --> 00:17:50,110

didn't know me and the weather it knew I

419

00:17:56,110 --> 00:17:52,280

mean we can say the name it was Peter

420

00:17:58,990 --> 00:17:56,120

Robbins was it whether he knows anything

421

00:18:01,420 --> 00:17:59,000

about him or I mean then call him a

422

00:18:04,930 --> 00:18:01,430

fraud I think was quite outrageous to be

423

00:18:08,680 --> 00:18:04,940

honest you know what I mean I simply

424

00:18:10,420 --> 00:18:08,690

shared on your personal blog you were

425

00:18:12,100 --> 00:18:10,430

advertised to the program that you have

426
00:18:15,250 --> 00:18:12,110
when you're interviewing Peter it's fun

427
00:18:18,220 --> 00:18:15,260
yeah it was wasn't it yeah there's

428
00:18:19,660 --> 00:18:18,230
nothing else yeah no I made no comment

429
00:18:20,920 --> 00:18:19,670
at all I was just sharing I was just

430
00:18:23,980 --> 00:18:20,930
sharing your IRA target to increase

431
00:18:27,080 --> 00:18:23,990
viewership or listening viewers to

432
00:18:29,690 --> 00:18:27,090
program and he came out with a with a

433
00:18:31,970 --> 00:18:29,700
dude comment about yourself and Peter

434
00:18:34,010 --> 00:18:31,980
about okay well I wouldn't tolerate

435
00:18:35,690 --> 00:18:34,020
their butt about anybody well he said he

436
00:18:39,430 --> 00:18:35,700
doesn't know me I know that for a fact

437
00:18:42,410 --> 00:18:39,440
well because I think nobody was yeah

438
00:18:43,910 --> 00:18:42,420

counted banham you know I mean one thing

439

00:18:46,100 --> 00:18:43,920

to say something about someone you don't

440

00:18:47,600 --> 00:18:46,110

know and that's that's unfortunate but

441

00:18:49,310 --> 00:18:47,610

he says something about two good friends

442

00:18:50,480 --> 00:18:49,320

or like okay well that's not that's not

443

00:18:52,390 --> 00:18:50,490

gonna that's not going to flow with me

444

00:18:54,170 --> 00:18:52,400

so yeah bye-bye

445

00:19:04,280 --> 00:18:54,180

unfortunately there's a few nut cases

446

00:19:06,440 --> 00:19:04,290

like yeah I always think about it's

447

00:19:07,760 --> 00:19:06,450

about the why the Western world can come

448

00:19:09,640 --> 00:19:07,770

to war up the sink but that's for

449

00:19:12,440 --> 00:19:09,650

somebody reporting what they'd observed

450

00:19:14,150 --> 00:19:12,450

about an unidentified flying objects

451
00:19:16,730 --> 00:19:14,160
with it being seen as an attention

452
00:19:18,920 --> 00:19:16,740
seeker a mystique a hoaxer or a true

453
00:19:20,360 --> 00:19:18,930
believer or if it mentally ill or Fame

454
00:19:22,220 --> 00:19:20,370
seeker well what do you think about that

455
00:19:26,780 --> 00:19:22,230
do you think they're people being

456
00:19:29,750 --> 00:19:26,790
labeled too easily yes I think part of

457
00:19:30,440 --> 00:19:29,760
that is because the the media here in

458
00:19:32,440 --> 00:19:30,450
the States

459
00:19:36,530 --> 00:19:32,450
does not treat the UFO issue seriously

460
00:19:39,380 --> 00:19:36,540
what I don't hear ELISA yeah I at least

461
00:19:41,720 --> 00:19:39,390
hear they went tell them report to UFO

462
00:19:43,010 --> 00:19:41,730
they get make it labeled you know they

463
00:19:46,490 --> 00:19:43,020

think okay well how much does this guy

464

00:19:48,170 --> 00:19:46,500

have to drink how his girlfriend what

465

00:19:50,450 --> 00:19:48,180

political party does it belong to but

466

00:19:52,730 --> 00:19:50,460

none of those things matter but they

467

00:19:54,320 --> 00:19:52,740

label these people and they belittle

468

00:19:56,420 --> 00:19:54,330

them they don't take it seriously as

469

00:19:57,800 --> 00:19:56,430

opposed to thinking okay this is simply

470

00:20:00,050 --> 00:19:57,810

an individual to saw something they

471

00:20:01,850 --> 00:20:00,060

can't explain they don't treat like that

472

00:20:05,660 --> 00:20:01,860

they treat it they they they character

473

00:20:09,230 --> 00:20:05,670

assassinate that person and that was

474

00:20:11,480 --> 00:20:09,240

official that was official procedure set

475

00:20:13,880 --> 00:20:11,490

by the air force in the government back

476
00:20:17,600 --> 00:20:13,890
in the 50s here in the state and and

477
00:20:19,370 --> 00:20:17,610
since then it's as it has it has a

478
00:20:21,890 --> 00:20:19,380
continue to this day it probably has to

479
00:20:24,200 --> 00:20:21,900
a certain extent but then it became so

480
00:20:25,820 --> 00:20:24,210
colony in the everyday environment here

481
00:20:30,200 --> 00:20:25,830
in the states now it just happens

482
00:20:32,540 --> 00:20:30,210
everywhere it's it's it's unfortunate

483
00:20:35,030 --> 00:20:32,550
because again it it influences people it

484
00:20:38,600 --> 00:20:35,040
it makes people not want to report what

485
00:20:40,820 --> 00:20:38,610
they saw and that and sold as an

486
00:20:43,130 --> 00:20:40,830
investigator or a historian like myself

487
00:20:44,660 --> 00:20:43,140
the data you have available to you is

488
00:20:45,530 --> 00:20:44,670

kind of a stunted because you wonder

489

00:20:47,120 --> 00:20:45,540

okay

490

00:20:48,620 --> 00:20:47,130

how many's how you reports actually are

491

00:20:51,170 --> 00:20:48,630

I mean how many sightings are actually

492

00:20:53,590 --> 00:20:51,180

reported and my personal thought is I

493

00:20:56,420 --> 00:20:53,600

think less than 20% yeah oh sorry you

494

00:20:58,550 --> 00:20:56,430

reported which is which is crazy so any

495

00:21:01,970 --> 00:20:58,560

data you have is on some level

496

00:21:03,080 --> 00:21:01,980

incomplete because of that and I think

497

00:21:05,030 --> 00:21:03,090

it's just thought about just in the

498

00:21:06,770 --> 00:21:05,040

states I mean but if obviously this

499

00:21:08,810 --> 00:21:06,780

thousands reports all over the world

500

00:21:10,940 --> 00:21:08,820

isn't there every day every day

501
00:21:14,630 --> 00:21:10,950
thousands but there's certainly an awful

502
00:21:16,700 --> 00:21:14,640
lot every day yes yeah all over the

503
00:21:19,310 --> 00:21:16,710
world you know I mean the vast majority

504
00:21:21,650 --> 00:21:19,320
are not extraterrestrial I would think

505
00:21:25,190 --> 00:21:21,660
but now if you're right there's a lot

506
00:21:31,700 --> 00:21:25,200
mistake yeah yeah at the same time I

507
00:21:34,490 --> 00:21:31,710
mean some maybe and if there's even one

508
00:21:37,160 --> 00:21:34,500
that's potentially extraterrestrial it

509
00:21:38,660 --> 00:21:37,170
doesn't get reported that's a loss I

510
00:21:42,320 --> 00:21:38,670
mean that's something we want to hear

511
00:21:44,330 --> 00:21:42,330
about but yeah it is I mean leave here

512
00:21:46,790 --> 00:21:44,340
in the states the my entire life I only

513
00:21:49,220 --> 00:21:46,800

know what it's like here but it's it's

514

00:21:50,450 --> 00:21:49,230

it's the way the media portrays the UFO

515

00:21:54,740 --> 00:21:50,460

issue here in the states it's pretty

516

00:21:57,790 --> 00:21:54,750

sorry the Paris job do you think that's

517

00:21:59,660 --> 00:21:57,800

still driven by the air force and uh

518

00:22:04,670 --> 00:21:59,670

there's supposed to be secret

519

00:22:06,680 --> 00:22:04,680

governments and stuff like that I don't

520

00:22:09,010 --> 00:22:06,690

think so I think I think they might even

521

00:22:11,690 --> 00:22:09,020

that might have been policy back then

522

00:22:14,120 --> 00:22:11,700

but as time has gone on he's become it's

523

00:22:15,890 --> 00:22:14,130

become human nature it's become yeah

524

00:22:17,720 --> 00:22:15,900

it's been put into your psyche isn't it

525

00:22:21,110 --> 00:22:17,730

so make it so I think it's all rubbish

526
00:22:23,810 --> 00:22:21,120
yeah yeah it is so it's become common

527
00:22:28,100 --> 00:22:23,820
here it's kind of like the dc4 the

528
00:22:31,190 --> 00:22:28,110
disinformation scenario the government

529
00:22:35,060 --> 00:22:31,200
slash military was engaged in that to

530
00:22:37,210 --> 00:22:35,070
some extent back a few decades ago but

531
00:22:39,200 --> 00:22:37,220
now there's no need for that because

532
00:22:40,670 --> 00:22:39,210
there are people in the community that

533
00:22:42,980 --> 00:22:40,680
believes so many things they believe

534
00:22:44,660 --> 00:22:42,990
everything yeah there's there's no need

535
00:22:47,210 --> 00:22:44,670
for disinformation we do it to ourselves

536
00:22:49,730 --> 00:22:47,220
yeah yeah yeah yeah and I think with all

537
00:22:52,310 --> 00:22:49,740
the fight that's the problem with all

538
00:22:54,080 --> 00:22:52,320

the fake DeVito videos and things that

539

00:22:57,650 --> 00:22:54,090

you see on YouTube

540

00:22:59,470 --> 00:22:57,660

we kind of drive it down ourselves wd-40

541

00:23:01,220 --> 00:22:59,480

you get people out there faking you're

542

00:23:02,540 --> 00:23:01,230

faking UFOs

543

00:23:04,310 --> 00:23:02,550

what's the point that they're in there

544

00:23:06,890 --> 00:23:04,320

you know you're just ruining the whole

545

00:23:08,510 --> 00:23:06,900

thing for yourself you know I I don't

546

00:23:10,370 --> 00:23:08,520

know I don't know what there is to gain

547

00:23:14,950 --> 00:23:10,380

I mean I don't know anybody who's gotten

548

00:23:18,440 --> 00:23:14,960

rich making fake UFO videos I don't know

549

00:23:20,660 --> 00:23:18,450

I mean and also we'll talk about UFOs

550

00:23:23,120 --> 00:23:20,670

being it extraterrestrial there could be

551
00:23:25,670 --> 00:23:23,130
like the interdimensional aspects of it

552
00:23:26,750 --> 00:23:25,680
as well what do you feel about that yeah

553
00:23:28,670 --> 00:23:26,760
I mean I

554
00:23:32,000 --> 00:23:28,680
and the all possibilities are on the

555
00:23:34,280 --> 00:23:32,010
table I think they're extraterrestrial

556
00:23:37,160 --> 00:23:34,290
but I might be wrong but there are

557
00:23:39,530 --> 00:23:37,170
several theories that seem to explain

558
00:23:41,840 --> 00:23:39,540
some aspects of the film they seem to

559
00:23:45,980 --> 00:23:41,850
explain some parts of the of the data we

560
00:23:47,450 --> 00:23:45,990
have but not completely so it I mean I

561
00:23:50,060 --> 00:23:47,460
believe it I believe in the

562
00:23:53,060 --> 00:23:50,070
extra-terrestrial theory but at what may

563
00:23:54,530 --> 00:23:53,070

weigh may turn out to be some some

564

00:23:58,520 --> 00:23:54,540

combination of all these theories may

565

00:24:00,980 --> 00:23:58,530

explain it in the end but you know it's

566

00:24:02,900 --> 00:24:00,990

kind of like what did when did I mean in

567

00:24:06,080 --> 00:24:02,910

literature Sherlock Holmes his credit is

568

00:24:09,710 --> 00:24:06,090

credited as saying that once you've

569

00:24:12,170 --> 00:24:09,720

investigated a scenario once he won all

570

00:24:15,680 --> 00:24:12,180

the possibilities well there was left he

571

00:24:17,060 --> 00:24:15,690

is the explanation but again it's you

572

00:24:19,730 --> 00:24:17,070

can't prove it we don't have a piece of

573

00:24:21,200 --> 00:24:19,740

the ship we don't have a body so we can

574

00:24:22,670 --> 00:24:21,210

eliminate okay wasn't a weather balloon

575

00:24:24,680 --> 00:24:22,680

it wasn't lightning it wasn't

576
00:24:26,930 --> 00:24:24,690
atmospheric phenomenon it wasn't a

577
00:24:28,340 --> 00:24:26,940
misidentified helicopter and so he

578
00:24:29,690 --> 00:24:28,350
eliminated those from a case and

579
00:24:33,860 --> 00:24:29,700
extraterrestrials still on the table

580
00:24:35,780 --> 00:24:33,870
it's a possibility so a lot of the

581
00:24:37,940 --> 00:24:35,790
theory said may hold a lot of water I

582
00:24:38,780 --> 00:24:37,950
guess we don't we don't know yet but

583
00:24:41,150 --> 00:24:38,790
it's a possibility

584
00:24:48,410 --> 00:24:41,160
well you a believer in the you know

585
00:24:49,130 --> 00:24:48,420
Topsy it was around no cuz I was all

586
00:24:52,400 --> 00:24:49,140
caught up in it

587
00:24:55,760 --> 00:24:52,410
for a while I when I first thought it

588
00:24:59,930 --> 00:24:55,770

was it was aired here in 95 on the Fox

589

00:25:02,120 --> 00:24:59,940

Network and I I know what to think when

590

00:25:03,530 --> 00:25:02,130

I first saw it but I washed it a few

591

00:25:06,650 --> 00:25:03,540

more times after that I ended up buying

592

00:25:07,310 --> 00:25:06,660

it on yeah they sue him back

593

00:25:10,940 --> 00:25:07,320

that's

594

00:25:13,880 --> 00:25:10,950

VHS tapes and after a while a washout

595

00:25:15,290 --> 00:25:13,890

thought okay the the way the autopsy

596

00:25:17,540 --> 00:25:15,300

looked the way it was wet in the way

597

00:25:19,850 --> 00:25:17,550

what was the procedure was done wasn't

598

00:25:22,700 --> 00:25:19,860

very accurate and and the guy that

599

00:25:25,400 --> 00:25:22,710

brought the film to the public he was

600

00:25:28,670 --> 00:25:25,410

unwilling to allow any pieces of it to

601
00:25:30,200 --> 00:25:28,680
be examined so I after about three or

602
00:25:32,000 --> 00:25:30,210
four times washing it I thought you know

603
00:25:33,620 --> 00:25:32,010
this is this looks more like a hoax yeah

604
00:25:36,920 --> 00:25:33,630
I should thinking feeling in my stomach

605
00:25:38,450 --> 00:25:36,930
oh that's our hoax and yeah I believe

606
00:25:40,880 --> 00:25:38,460
that to this day but it was fascinating

607
00:25:44,630 --> 00:25:40,890
watching it was on national TV yeah yeah

608
00:25:48,380 --> 00:25:44,640
yeah it was pretty I know Spiros I'm

609
00:25:50,960 --> 00:25:48,390
hoping to get on the show the spirits

610
00:25:54,380 --> 00:25:50,970
Belarus yeah the man who actually did

611
00:25:55,670 --> 00:25:54,390
the the hoax but yeah there's still

612
00:26:00,890 --> 00:25:55,680
people out there that believe it's real

613
00:26:02,990 --> 00:26:00,900

don't you yeah and they believe that

614

00:26:07,000 --> 00:26:03,000

he's a government plant so it will just

615

00:26:10,160 --> 00:26:07,010

give you the story out that's false

616

00:26:16,190 --> 00:26:10,170

yep yeah they believe in hope on you

617

00:26:18,310 --> 00:26:16,200

thinker so yeah yeah they they are where

618

00:26:23,720 --> 00:26:18,320

were they are they they're out there

619

00:26:25,760 --> 00:26:23,730

yeah yeah the the litteraly Bay the

620

00:26:30,580 --> 00:26:25,770

unknown yeah okay we were talking about

621

00:26:35,480 --> 00:26:33,290

making everyone look foolish in the UFO

622

00:26:37,610 --> 00:26:35,490

but how do you feel about the disclosure

623

00:26:43,700 --> 00:26:37,620

movement actually feelings going towards

624

00:26:46,280 --> 00:26:43,710

this sir yeah I I maybe yeah

625

00:26:48,020 --> 00:26:46,290

my god like my gut tells me that there's

626
00:26:49,520 --> 00:26:48,030
there's no motivation for the government

627
00:26:50,840 --> 00:26:49,530
or the military to disclose anything

628
00:26:52,850 --> 00:26:50,850
whatever they out

629
00:26:55,880 --> 00:26:52,860
I just don't think they'll ever disclose

630
00:26:58,340 --> 00:26:55,890
anything I think it's up to individuals

631
00:27:02,080 --> 00:26:58,350
to try to find as much out about it as

632
00:27:04,460 --> 00:27:02,090
they can but I don't think the official

633
00:27:05,660 --> 00:27:04,470
organizations or governments I don't

634
00:27:07,310 --> 00:27:05,670
think they'll ever really do anything

635
00:27:09,110 --> 00:27:07,320
other than release their files

636
00:27:11,330 --> 00:27:09,120
yeah I don't think they've already

637
00:27:14,630 --> 00:27:11,340
actually disclosed to a certain extent

638
00:27:16,400 --> 00:27:14,640

by releasing so many files sort of

639

00:27:17,990 --> 00:27:16,410

public and if you dig deep enough

640

00:27:20,060 --> 00:27:18,000

there's a lot of interesting stuff in

641

00:27:21,710 --> 00:27:20,070

there isn't there you know it's just

642

00:27:23,900 --> 00:27:21,720

it's like it's like I was talking the

643

00:27:29,840 --> 00:27:23,910

other day yeah it's not hiding a tree in

644

00:27:32,060 --> 00:27:29,850

the woods it's just finding you yeah I

645

00:27:34,040 --> 00:27:32,070

mean well I mean the the British

646

00:27:35,750 --> 00:27:34,050

government they release the files over

647

00:27:38,630 --> 00:27:35,760

the course of the last I guess 10 15

648

00:27:39,860 --> 00:27:38,640

years and there's fascinating cases in

649

00:27:41,150 --> 00:27:39,870

contain to them you just have to take

650

00:27:43,670 --> 00:27:41,160

the time to look through them and

651
00:27:46,040 --> 00:27:43,680
there's thousands of files in cases but

652
00:27:49,580 --> 00:27:46,050
there's a lot of data in them so I guess

653
00:27:51,530 --> 00:27:49,590
that's a form of disclosure I just don't

654
00:27:53,660 --> 00:27:51,540
know if a military leader or a political

655
00:27:55,670 --> 00:27:53,670
leader will actually hold a press

656
00:27:58,430 --> 00:27:55,680
conference and say okay we saw this this

657
00:28:00,590 --> 00:27:58,440
occurred this in this year we we had

658
00:28:02,960 --> 00:28:00,600
contact or I don't think something like

659
00:28:04,430 --> 00:28:02,970
that would happen but certainly some

660
00:28:06,280 --> 00:28:04,440
level of disclosures happen because the

661
00:28:08,300 --> 00:28:06,290
government's are giving their files

662
00:28:11,030 --> 00:28:08,310
there they're releasing them to the

663
00:28:12,770 --> 00:28:11,040

public which has not occurred here in

664

00:28:16,160 --> 00:28:12,780

the states and I don't see that ever

665

00:28:18,110 --> 00:28:16,170

happening here but also happen there's a

666

00:28:21,100 --> 00:28:18,120

lot over there I know you got the Blue

667

00:28:24,230 --> 00:28:21,110

Book ones which were all of public

668

00:28:27,710 --> 00:28:24,240

exercise anyway weren't they but I saw

669

00:28:32,750 --> 00:28:27,720

oh I thought I thought they've released

670

00:28:35,000 --> 00:28:32,760

a lot but obviously they haven't been

671

00:28:36,440 --> 00:28:35,010

out since the mid seventies and you're

672

00:28:39,500 --> 00:28:36,450

right he wasn't exercise it really

673

00:28:41,960 --> 00:28:39,510

wasn't it really wasn't a legitimate

674

00:28:43,760 --> 00:28:41,970

investigative efforts except for a short

675

00:28:45,770 --> 00:28:43,770

time in the 50s yeah because I don't

676
00:28:47,240 --> 00:28:45,780
think we're different pellucid they put

677
00:28:49,640 --> 00:28:47,250
the ones out that they could answer most

678
00:28:50,920 --> 00:28:49,650
of them Oh everything they could not so

679
00:28:55,630 --> 00:28:50,930
when somewhere else

680
00:28:58,010 --> 00:28:55,640
yes material command and some other I

681
00:29:00,700 --> 00:28:58,020
guess we'll say organizations within the

682
00:29:04,610 --> 00:29:00,710
military so yeah the Blue Book files are

683
00:29:06,260 --> 00:29:04,620
again they betray a picture because the

684
00:29:09,050 --> 00:29:06,270
Air Force wanted to explain the UFO

685
00:29:11,570 --> 00:29:09,060
issue so I clearly the cases which were

686
00:29:13,940 --> 00:29:11,580
explainable were allowed to go into the

687
00:29:17,270 --> 00:29:13,950
Blue Book system but other cases are

688
00:29:20,840 --> 00:29:17,280

stronger aren't there and have yet to be

689

00:29:22,340 --> 00:29:20,850

really released on in any way so yeah so

690

00:29:23,420 --> 00:29:22,350

it's been kind of partial I mean the

691

00:29:25,520 --> 00:29:23,430

Blue Book is out there

692

00:29:27,590 --> 00:29:25,530

grudges out there probably signed it out

693

00:29:29,240 --> 00:29:27,600

there for the public to look at but the

694

00:29:31,950 --> 00:29:29,250

real stronger cases they weren't allowed

695

00:29:36,600 --> 00:29:31,960

to be in Blue Book those are

696

00:29:37,230 --> 00:29:36,610

or not so and I use those ones I'm

697

00:29:38,400 --> 00:29:37,240

referring to

698

00:29:40,980 --> 00:29:38,410

I don't think those will ever see the

699

00:29:42,900 --> 00:29:40,990

light of day yeah which says a lot for

700

00:29:46,200 --> 00:29:42,910

itself really doesn't it boy well I

701
00:29:53,580 --> 00:29:46,210
really see them oh yeah exactly you know

702
00:29:55,650 --> 00:29:53,590
why not yeah have you got any advice for

703
00:29:58,140 --> 00:29:55,660
people considering could that to narrow

704
00:30:00,960 --> 00:29:58,150
your investigations UFO investigations

705
00:30:02,790 --> 00:30:00,970
in the field you know I know there's not

706
00:30:05,640 --> 00:30:02,800
a lot of advice you can give people but

707
00:30:07,440 --> 00:30:05,650
some I think a lot of it it's just to

708
00:30:11,660 --> 00:30:07,450
stick to it isn't it because you can be

709
00:30:17,130 --> 00:30:11,670
quite disheartening yes it can be I

710
00:30:19,530 --> 00:30:17,140
think I like to refer to what law

711
00:30:22,140 --> 00:30:19,540
enforcement does an ID law enforcement

712
00:30:24,240 --> 00:30:22,150
investigation doesn't go into a case

713
00:30:26,040 --> 00:30:24,250

with some preconceived notion they

714

00:30:29,100 --> 00:30:26,050

simply look for the evidence they try to

715

00:30:31,950 --> 00:30:29,110

gather as much evidence they can in the

716

00:30:33,870 --> 00:30:31,960

proper way and and and garner first-hand

717

00:30:36,750 --> 00:30:33,880

testimony of physical evidence and then

718

00:30:39,480 --> 00:30:36,760

whatever that evidence proves or shows

719

00:30:40,710 --> 00:30:39,490

or lead you to you go with that I think

720

00:30:42,570 --> 00:30:40,720

a lot of times in the open field

721

00:30:45,210 --> 00:30:42,580

investigators have a preconceived idea

722

00:30:47,040 --> 00:30:45,220

they have a bias hmm at what may have

723

00:30:50,160 --> 00:30:47,050

happened and they approach a case with

724

00:30:52,290 --> 00:30:50,170

that bias and I think and that occurs

725

00:30:54,360 --> 00:30:52,300

and the end like and David like you said

726

00:30:56,160 --> 00:30:54,370

if you just keep your nose to the

727

00:30:57,900 --> 00:30:56,170

grindstone you keep pushing keep pushing

728

00:31:02,520 --> 00:30:57,910

it may get frustrating that gets tiring

729

00:31:04,140 --> 00:31:02,530

is it never any process and you come

730

00:31:06,480 --> 00:31:04,150

across a lot of cases that are mundane

731

00:31:08,160 --> 00:31:06,490

and explainable and you really see

732

00:31:09,600 --> 00:31:08,170

nothing really outstanding in your work

733

00:31:11,040 --> 00:31:09,610

but you gotta keep pushing because

734

00:31:12,360 --> 00:31:11,050

sooner or later you'll find one sooner

735

00:31:14,340 --> 00:31:12,370

or later there's if that's not

736

00:31:16,050 --> 00:31:14,350

explaining you know keep pushing that's

737

00:31:17,550 --> 00:31:16,060

that's I guess there's about device yeah

738

00:31:19,200 --> 00:31:17,560

cuz it seems to me a lot of people go

739

00:31:20,310 --> 00:31:19,210

out on the Skywalk she's expecting

740

00:31:24,870 --> 00:31:20,320

they're actually gonna say something

741

00:31:26,250 --> 00:31:24,880

yeah and you know yeah that's usually

742

00:31:28,140 --> 00:31:26,260

the case yeah they're they're expecting

743

00:31:29,370 --> 00:31:28,150

to do something yeah it probably happens

744

00:31:31,950 --> 00:31:29,380

a lot in the States as well no you see

745

00:31:33,390 --> 00:31:31,960

little clips and things in fact you did

746

00:31:35,850 --> 00:31:33,400

this go watch it well back there because

747

00:31:38,160 --> 00:31:35,860

we had um we had someone come over from

748

00:31:40,770 --> 00:31:38,170

from the UK actually a coffee we think

749

00:31:42,000 --> 00:31:40,780

he's one of our presenters and I've

750

00:31:44,330 --> 00:31:42,010

never seen you under tell you they'll

751
00:31:45,779 --> 00:31:44,340
send you a picture of your de televisión

752
00:31:47,489 --> 00:31:45,789
yeah

753
00:31:51,330 --> 00:31:47,499
I apologize to British television for

754
00:31:53,489 --> 00:31:51,340
showing miles a month but no it was a it

755
00:31:56,719 --> 00:31:53,499
was a Sky Watch after a field trip that

756
00:31:58,830 --> 00:31:56,729
was conducted by the local Houston MUFON

757
00:32:01,979 --> 00:31:58,840
chapter they've gone out

758
00:32:05,399 --> 00:32:01,989
we went out to explore the cache Landrum

759
00:32:07,440 --> 00:32:05,409
signing area that case happened in 1980

760
00:32:09,389 --> 00:32:07,450
actually the same weekend is added to

761
00:32:12,299 --> 00:32:09,399
the Saudi Interior from forest same

762
00:32:14,009 --> 00:32:12,309
weekend all right yeah so we we went to

763
00:32:16,590 --> 00:32:14,019

we went to did a little excursion there

764

00:32:17,580 --> 00:32:16,600

came back there was food and drinks and

765

00:32:19,469 --> 00:32:17,590

we just couldn't have a sky watching

766

00:32:21,739 --> 00:32:19,479

this this gentleman who is a celebrity

767

00:32:24,509 --> 00:32:21,749

in Great Britain I don't know his name

768

00:32:28,259 --> 00:32:24,519

I'll see you in a minute Fred Presley

769

00:32:29,460 --> 00:32:28,269

wolf she's done was a strut Brett and he

770

00:32:30,749 --> 00:32:29,470

sat down with us with a group of about

771

00:32:32,549 --> 00:32:30,759

20 people they were just asking

772

00:32:34,739 --> 00:32:32,559

questions and then day was it was a fun

773

00:32:36,149 --> 00:32:34,749

occasion and I didn't get to stable the

774

00:32:38,669 --> 00:32:36,159

Sky Watch I had to work the next morning

775

00:32:40,229 --> 00:32:38,679

so I'd that'll back to San Antonio but

776
00:32:41,310 --> 00:32:40,239
it was fascinating here in the they were

777
00:32:44,249 --> 00:32:41,320
a different point of view

778
00:32:46,259 --> 00:32:44,259
though yeah it was it was clear as a

779
00:32:48,060 --> 00:32:46,269
bell that night but yeah I don't know

780
00:32:49,680 --> 00:32:48,070
ordering yeah well he was there with his

781
00:32:56,940 --> 00:32:49,690
son that made a short series about

782
00:32:58,979 --> 00:32:56,950
travelling across the USA right now they

783
00:33:04,560 --> 00:32:58,989
Rock they arrived pretty late they

784
00:33:06,599 --> 00:33:04,570
arrived like I think was 11 p.m. they

785
00:33:09,089 --> 00:33:06,609
got a lot yeah was pretty late cuz it

786
00:33:10,680 --> 00:33:09,099
was it was kind of kind of wearing down

787
00:33:12,869 --> 00:33:10,690
and then they arrived it 11:30 p.m.

788
00:33:14,129 --> 00:33:12,879

local time and they everyone is energy

789

00:33:17,039 --> 00:33:14,139

all the convict up and they kept going

790

00:33:22,019 --> 00:33:17,049

yeah it was about to go to sleep and

791

00:33:24,029 --> 00:33:22,029

they was late so know was was coyote on

792

00:33:26,219 --> 00:33:24,039

the outskirts of Houston anyways it was

793

00:33:30,149 --> 00:33:26,229

kind of hard to find the spot so it was

794

00:33:32,430 --> 00:33:30,159

it wasn't it wasn't it wasn't stretched

795

00:33:34,979 --> 00:33:32,440

to imagine they got lost it was you know

796

00:33:37,950 --> 00:33:34,989

I figure they would so yeah that's yeah

797

00:33:46,289 --> 00:33:37,960

that's a crazy City for Troy he didn't

798

00:33:47,039 --> 00:33:46,299

you stay out of Houston extend about 30

799

00:33:49,560 --> 00:33:47,049

miles

800

00:33:51,359 --> 00:33:49,570

oh well no no no but I was there the

801
00:33:53,609 --> 00:33:51,369
other year the freeways and that the

802
00:33:55,560 --> 00:33:53,619
over policies under policies and they're

803
00:33:58,530 --> 00:33:55,570
so easy to get lost on you you end up on

804
00:34:02,940 --> 00:33:58,540
the wrong road you had it

805
00:34:04,620 --> 00:34:02,950
or maybe a UFO crashed in downtown

806
00:34:12,210 --> 00:34:04,630
Houston there's no way they could cover

807
00:34:14,760 --> 00:34:12,220
it up so yeah yeah what do you think I

808
00:34:17,909 --> 00:34:14,770
mean what do you think the most the

809
00:34:22,200 --> 00:34:17,919
biggest challenges issue facing UFO

810
00:34:23,970 --> 00:34:22,210
research today is it trying to walk wade

811
00:34:26,850 --> 00:34:23,980
through the suppose really

812
00:34:29,490 --> 00:34:26,860
isn't it it's yeah I'm pretty much

813
00:34:33,930 --> 00:34:29,500

pretty much it's it's I mean it's it's

814

00:34:36,180 --> 00:34:33,940

the UFO community needs to be looked at

815

00:34:38,250 --> 00:34:36,190

in a positive light

816

00:34:40,140 --> 00:34:38,260

right now yeah at least here in the

817

00:34:43,159 --> 00:34:40,150

states it's viewed as like a

818

00:34:45,720 --> 00:34:43,169

pseudoscience it's not taken seriously

819

00:34:48,150 --> 00:34:45,730

and that's a result of all the hucksters

820

00:34:50,370 --> 00:34:48,160

and charlatans and hoaxing going on

821

00:34:52,620 --> 00:34:50,380

that's like look like that so that's

822

00:34:55,790 --> 00:34:52,630

that's one struggle the other struggle

823

00:34:59,910 --> 00:34:55,800

is there's a shortage of investigators

824

00:35:01,920 --> 00:34:59,920

good ones yeah yeah yes IDs there that

825

00:35:03,570 --> 00:35:01,930

are that are reported in the States or

826

00:35:05,340 --> 00:35:03,580

around the world there's not enough

827

00:35:08,610 --> 00:35:05,350

investigators to research all of them

828

00:35:12,320 --> 00:35:08,620

hmm I would think some really good cases

829

00:35:15,120 --> 00:35:12,330

are falling through the cracks and

830

00:35:16,320 --> 00:35:15,130

another way another another aspect that

831

00:35:20,790 --> 00:35:16,330

would help us would be if we were

832

00:35:21,780 --> 00:35:20,800

treated in a more legitimate life by the

833

00:35:23,580 --> 00:35:21,790

scientific community

834

00:35:25,050 --> 00:35:23,590

yeah we're really big that would be a

835

00:35:26,940 --> 00:35:25,060

big deal but none of those things has

836

00:35:28,440 --> 00:35:26,950

happened yet so I I guess we're all

837

00:35:30,480 --> 00:35:28,450

pushing toward that we're working for

838

00:35:32,850 --> 00:35:30,490

that yeah why do you feel this too many

839

00:35:34,500 --> 00:35:32,860

kind of tell me what I call the

840

00:35:36,390 --> 00:35:34,510

entertainers but we know no I know that

841

00:35:39,210 --> 00:35:36,400

they're called entertainers in the UFO

842

00:35:41,190 --> 00:35:39,220

in the world when I go on and just all

843

00:35:42,900 --> 00:35:41,200

the talks and things where they could be

844

00:35:46,350 --> 00:35:42,910

doing some really good investigative

845

00:35:47,640 --> 00:35:46,360

work and I think a lot of it they're

846

00:35:51,030 --> 00:35:47,650

probably just relying on the Internet

847

00:35:54,930 --> 00:35:51,040

themselves a lot a lot of it's on I read

848

00:35:57,870 --> 00:35:54,940

yeah yeah you thought you vote I'm it

849

00:36:00,000 --> 00:35:57,880

you Poe tainment my good friend Ray

850

00:36:01,020 --> 00:36:00,010

Spivey it was in my in my group he

851

00:36:03,680 --> 00:36:01,030

called a new potema

852

00:36:08,280 --> 00:36:03,690

when these television programs are or

853

00:36:10,920 --> 00:36:08,290

put together and they they portray the

854

00:36:12,510 --> 00:36:10,930

UFO phenomenon with a script in a

855

00:36:15,030 --> 00:36:12,520

screenplay and it's

856

00:36:18,120 --> 00:36:15,040

portrayed AnnaLynne a accurate factual

857

00:36:20,250 --> 00:36:18,130

light and then you have shows like

858

00:36:23,280 --> 00:36:20,260

ancient aliens you evoke UFO FILES which

859

00:36:24,570 --> 00:36:23,290

have some information in them but the

860

00:36:27,900 --> 00:36:24,580

vast majority is just kind of

861

00:36:29,850 --> 00:36:27,910

speculative and yeah you know I'm

862

00:36:31,350 --> 00:36:29,860

somewhat honest in some way it helps I

863

00:36:33,270 --> 00:36:31,360

mean the new the new show Project Blue

864

00:36:36,450 --> 00:36:33,280

Book on History Channel and make it

865

00:36:38,160 --> 00:36:36,460

people interested in a UFO issue but the

866

00:36:40,530 --> 00:36:38,170

show itself does not portray the events

867

00:36:43,110 --> 00:36:40,540

accurately no so there is a double-edged

868

00:36:44,820 --> 00:36:43,120

sword it really is but I guess if it

869

00:36:46,680 --> 00:36:44,830

gets one or two people involved in

870

00:36:48,780 --> 00:36:46,690

investigations it's a good thing yeah

871

00:36:50,700 --> 00:36:48,790

but yeah you have to view it like okay

872

00:36:53,820 --> 00:36:50,710

this is really this is just a TV show

873

00:36:55,830 --> 00:36:53,830

this is not real events y'all haven't

874

00:36:58,530 --> 00:36:55,840

seen that yet cuz yes it hit the UK

875

00:37:00,510 --> 00:36:58,540

shows yet but officially anyway I think

876
00:37:04,410 --> 00:37:00,520
there's been a few illegal copies

877
00:37:06,690 --> 00:37:04,420
floating a bit but that's I'm looking

878
00:37:08,670 --> 00:37:06,700
forward to seeing that at some point I

879
00:37:10,110 --> 00:37:08,680
was always a great fan of the x-files

880
00:37:11,400 --> 00:37:10,120
and things like that's why I can't

881
00:37:13,470 --> 00:37:11,410
understand why it's not taken more

882
00:37:16,700 --> 00:37:13,480
seriously you know because the X file

883
00:37:19,920 --> 00:37:16,710
was was quite a serious program and

884
00:37:21,810 --> 00:37:19,930
people took it seriously and yet then

885
00:37:24,030 --> 00:37:21,820
when you talk about the real cases they

886
00:37:29,070 --> 00:37:24,040
kind of take the take the mickey out of

887
00:37:32,490 --> 00:37:29,080
it you know understand I don't know I

888
00:37:35,250 --> 00:37:32,500

mean yeah and the x-files was a good TV

889

00:37:37,110 --> 00:37:35,260

show as well written again it wasn't

890

00:37:39,690 --> 00:37:37,120

accurate in fact for cases they may have

891

00:37:43,650 --> 00:37:39,700

been written into a screenplay but it

892

00:37:47,460 --> 00:37:43,660

was a serious drama but people can't

893

00:37:49,290 --> 00:37:47,470

people can't take that jump to looking

894

00:37:52,980 --> 00:37:49,300

at UFO cases in a serious light they

895

00:37:56,010 --> 00:37:52,990

kind of they belittle it yeah artistic

896

00:37:58,200 --> 00:37:56,020

license they cool yeah they did you know

897

00:38:00,780 --> 00:37:58,210

I don't know what people can't take the

898

00:38:03,390 --> 00:38:00,790

elbow issue seriously some do there are

899

00:38:08,040 --> 00:38:03,400

people to do but I don't know if the

900

00:38:10,500 --> 00:38:08,050

average citizen takes the Eloise issue

901
00:38:13,980 --> 00:38:10,510
seriously I don't know I think a lot of

902
00:38:15,690 --> 00:38:13,990
them don't this is my opinion I see I

903
00:38:17,070 --> 00:38:15,700
see both I see people who take it

904
00:38:19,230 --> 00:38:17,080
seriously in other words just kind of

905
00:38:22,230 --> 00:38:19,240
blow it off and make fun of it and and

906
00:38:25,560 --> 00:38:22,240
or don't even look at it at all so I

907
00:38:26,370 --> 00:38:25,570
don't know yeah do you have any interest

908
00:38:28,890 --> 00:38:26,380
in the paranormal

909
00:38:30,540 --> 00:38:28,900
are you interested in the ghosts and

910
00:38:34,860 --> 00:38:30,550
hauntings and things always it mainly

911
00:38:37,920 --> 00:38:34,870
just UFOs mainly just you oppose I like

912
00:38:40,530 --> 00:38:37,930
a few other fringe topics like the

913
00:38:42,210 --> 00:38:40,540

Bigfoot scenario watch this month yeah

914

00:38:45,150 --> 00:38:42,220

because I mean I grew up I grew up

915

00:38:46,740 --> 00:38:45,160

fascinated by dinosaurs hmm so the idea

916

00:38:49,170 --> 00:38:46,750

of the ancient species or unknown

917

00:38:52,080 --> 00:38:49,180

animals may exist in nature I find that

918

00:38:54,570 --> 00:38:52,090

fascinating but yeah I might as far as

919

00:38:56,790 --> 00:38:54,580

my research at all you'll pose yeah well

920

00:38:58,830 --> 00:38:56,800

sometimes the the Yeti or the call

921

00:39:02,010 --> 00:38:58,840

before is actually linked to UFOs in

922

00:39:05,130 --> 00:39:02,020

some of the so you know is it some sort

923

00:39:06,960 --> 00:39:05,140

of a interdimensional stuff isn't it

924

00:39:08,760 --> 00:39:06,970

this link to it same as our Loch Ness

925

00:39:10,920 --> 00:39:08,770

monster because I had the Malcolm

926
00:39:14,880 --> 00:39:10,930
Robinson over on a couple of weeks ago

927
00:39:16,470 --> 00:39:14,890
you heard it but he was talking about a

928
00:39:21,140 --> 00:39:16,480
loch ness monster and we were ready to

929
00:39:24,720 --> 00:39:21,150
the interdimensional aspects of it there

930
00:39:26,870 --> 00:39:24,730
was good knowing yeah you're right there

931
00:39:30,270 --> 00:39:26,880
there's there's UFO cases that have a

932
00:39:33,390 --> 00:39:30,280
Bigfoot component I I don't know what to

933
00:39:35,010 --> 00:39:33,400
think of them they're there what dr.

934
00:39:37,380 --> 00:39:35,020
Hynek used to call them high strangeness

935
00:39:38,430 --> 00:39:37,390
cases they're not just a nuts and bolts

936
00:39:40,020 --> 00:39:38,440
day iDisk

937
00:39:43,770 --> 00:39:40,030
there are cases that border on the

938
00:39:45,570 --> 00:39:43,780

paranormal I I don't know I'm a pretty

939

00:39:47,460 --> 00:39:45,580

grounded guy I have no idea what's going

940

00:39:50,250 --> 00:39:47,470

on there but uh it's fascinating how

941

00:39:52,920 --> 00:39:50,260

some aspects of a paranormal tend to

942

00:39:55,320 --> 00:39:52,930

bleed into each other oh yeah yeah from

943

00:39:57,480 --> 00:39:55,330

UFO cases are so bizarre they bleed into

944

00:39:59,850 --> 00:39:57,490

other other things any got crop circle

945

00:40:02,670 --> 00:39:59,860

enigma and cattle mutilations and things

946

00:40:05,040 --> 00:40:02,680

like that if there's a connection I

947

00:40:06,570 --> 00:40:05,050

don't know but it it's always it's

948

00:40:08,870 --> 00:40:06,580

always fascinating discussion so how do

949

00:40:11,940 --> 00:40:08,880

you feel about a crop circles

950

00:40:14,010 --> 00:40:11,950

yeah always hours ask this last month I

951
00:40:18,840 --> 00:40:14,020
don't know the program I don't know I

952
00:40:22,650 --> 00:40:18,850
don't know I you take the water believe

953
00:40:23,550 --> 00:40:22,660
it don't you but yeah I'd be fascinating

954
00:40:27,240 --> 00:40:23,560
if they were trying to communicate with

955
00:40:30,600 --> 00:40:27,250
us using structures put into or carved

956
00:40:32,520 --> 00:40:30,610
into a cross I don't know I I haven't

957
00:40:34,020 --> 00:40:32,530
read enough about Alex you know he

958
00:40:37,560 --> 00:40:34,030
programs I have a couple of books on in

959
00:40:39,240 --> 00:40:37,570
my in my archives but I don't know I

960
00:40:40,080 --> 00:40:39,250
know there's a lot of hoaxes oh yeah

961
00:40:43,140 --> 00:40:40,090
definitely

962
00:40:45,600 --> 00:40:43,150
a lot of nice when yourself pickup XE

963
00:40:47,670 --> 00:40:45,610

ancient aliens again some of the designs

964

00:40:50,030 --> 00:40:47,680

that have been made that Tiana Tiana COO

965

00:40:52,620 --> 00:40:50,040

and all that sort places in the in Peru

966

00:40:54,740 --> 00:40:52,630

baser wonder about the designs that you

967

00:41:00,780 --> 00:40:54,750

see there the designs you see in the

968

00:41:03,780 --> 00:41:00,790

cornfield because you could never say

969

00:41:05,100 --> 00:41:03,790

from the air you know yeah and there's

970

00:41:06,900 --> 00:41:05,110

something too unexplained there's

971

00:41:08,640 --> 00:41:06,910

something clearly hoses there are some

972

00:41:11,460 --> 00:41:08,650

that are examined and proven to be

973

00:41:16,380 --> 00:41:11,470

hoaxes oh yes but there's still they

974

00:41:19,040 --> 00:41:16,390

still do they defy explanation so in

975

00:41:24,240 --> 00:41:19,050

that by itself makes it fascinating I

976
00:41:25,860 --> 00:41:24,250
don't know what's going on though I say

977
00:41:29,250 --> 00:41:25,870
there's no experts in this field it's

978
00:41:31,200 --> 00:41:29,260
all is there no no the term the term UFO

979
00:41:33,000 --> 00:41:31,210
expert it is an oxymoron that makes

980
00:41:36,120 --> 00:41:33,010
notes them but it's thrown around a lot

981
00:41:39,690 --> 00:41:36,130
yeah but all right I guess crop circles

982
00:41:41,130 --> 00:41:39,700
is more of a European enigma more than

983
00:41:44,040 --> 00:41:41,140
the States it happens here occasionally

984
00:41:47,100 --> 00:41:44,050
but it seems to be much more in in the

985
00:41:48,630 --> 00:41:47,110
gray in the British Isles you know it's

986
00:41:50,670 --> 00:41:48,640
not always so we're trying to learn from

987
00:41:52,020 --> 00:41:50,680
each other what we and you'll know a bit

988
00:41:53,250 --> 00:41:52,030

oh no appear and somebody else will

989

00:41:55,230 --> 00:41:53,260

never be trying to put it all together

990

00:41:59,940 --> 00:41:55,240

and come up with some kind of an answer

991

00:42:03,690 --> 00:41:59,950

to it but so we never know that goes to

992

00:42:05,610 --> 00:42:03,700

the question you asked me a while back

993

00:42:08,250 --> 00:42:05,620

about how the how the UFO community as

994

00:42:10,800 --> 00:42:08,260

far as research can brew researchers can

995

00:42:12,510 --> 00:42:10,810

talk to each other yeah that would be a

996

00:42:14,430 --> 00:42:12,520

big help because somebody somebody in

997

00:42:15,840 --> 00:42:14,440

France or Britain or Peru or the States

998

00:42:17,730 --> 00:42:15,850

might have some answers or some data

999

00:42:19,980 --> 00:42:17,740

that's fascinating if they talk to

1000

00:42:22,500 --> 00:42:19,990

somebody across the pond or somebody

1001
00:42:25,350 --> 00:42:22,510
from India or somebody from Japan who

1002
00:42:27,510 --> 00:42:25,360
might have a similar data that goes a

1003
00:42:28,950 --> 00:42:27,520
long way but I think a lot of a lot of a

1004
00:42:30,060 --> 00:42:28,960
lot of researchers a lot of groups don't

1005
00:42:31,140 --> 00:42:30,070
really do that they don't talk to each

1006
00:42:32,640 --> 00:42:31,150
other yeah and they just keep it to

1007
00:42:36,600 --> 00:42:32,650
themselves within their own groups oh

1008
00:42:38,010 --> 00:42:36,610
yeah yeah they communicated more I think

1009
00:42:39,840 --> 00:42:38,020
that would be a big oh I think that

1010
00:42:41,700 --> 00:42:39,850
would be a big help you know then you

1011
00:42:44,100 --> 00:42:41,710
can you still get a lot of cattle

1012
00:42:47,390 --> 00:42:44,110
mutilations going on over the states I

1013
00:42:49,380 --> 00:42:47,400

know you we get them occasionally here

1014

00:42:50,940 --> 00:42:49,390

they're still reported but it really

1015

00:42:53,130 --> 00:42:50,950

doesn't make it really doesn't make the

1016

00:42:53,640 --> 00:42:53,140

news other than local outlets I know

1017

00:42:56,160 --> 00:42:53,650

there's a

1018

00:42:57,989 --> 00:42:56,170

mutilation in I recall was on vacation

1019

00:42:59,970 --> 00:42:57,999

in Colorado about eight years ago and it

1020

00:43:02,400 --> 00:42:59,980

was a mutilation that happened outside

1021

00:43:06,839 --> 00:43:02,410

Colorado Springs and we had made the

1022

00:43:09,900 --> 00:43:06,849

local paper but it doesn't seem to be is

1023

00:43:11,489 --> 00:43:09,910

well I I should rephrase that there may

1024

00:43:13,109 --> 00:43:11,499

be mutilations going on but they're not

1025

00:43:13,980 --> 00:43:13,119

reported in the media as much as they

1026
00:43:16,289 --> 00:43:13,990
were before

1027
00:43:19,079 --> 00:43:16,299
maybe so commonplace there it was good

1028
00:43:20,819 --> 00:43:19,089
used to it and but I mean to me that's

1029
00:43:23,400 --> 00:43:20,829
pretty weird because they said they do

1030
00:43:26,640 --> 00:43:23,410
seem to be kind of cut off by lasers

1031
00:43:28,440 --> 00:43:26,650
don't they yeah

1032
00:43:31,170 --> 00:43:28,450
hey you I think you rock your ideas

1033
00:43:32,309 --> 00:43:31,180
become commonplace hmm no it's not

1034
00:43:33,690 --> 00:43:32,319
anything out of the ordinary because

1035
00:43:35,190 --> 00:43:33,700
it's happened so often people say oh

1036
00:43:37,769 --> 00:43:35,200
that's another it's another cattle

1037
00:43:39,150 --> 00:43:37,779
mutilation no big deal why why spend the

1038
00:43:40,739 --> 00:43:39,160

money or the time reported in the

1039

00:43:43,950 --> 00:43:40,749

newspaper yeah and of course it's not

1040

00:43:46,739 --> 00:43:43,960

always just calluses hoaxes and shaping

1041

00:43:48,690 --> 00:43:46,749

Osos isn't it yeah yes yeah yeah I mean

1042

00:43:50,670 --> 00:43:48,700

the majority is cattle but yeah horses

1043

00:43:53,759 --> 00:43:50,680

other other farm animal other farm

1044

00:43:57,269 --> 00:43:53,769

other farm mammals it's it happens to

1045

00:43:58,529 --> 00:43:57,279

them but I'm it's like crop circles I

1046

00:44:01,170 --> 00:43:58,539

have no idea what's going on I mean

1047

00:44:03,210 --> 00:44:01,180

there may be awful component to it I I

1048

00:44:07,049 --> 00:44:03,220

don't know there's enough there's

1049

00:44:09,569 --> 00:44:07,059

another unexplained part of that

1050

00:44:12,440 --> 00:44:09,579

scenario the blood loss the lack of

1051

00:44:15,180 --> 00:44:12,450

footprints the nature that make it

1052

00:44:17,640 --> 00:44:15,190

fascinating and and and still a mystery

1053

00:44:20,339 --> 00:44:17,650

yeah but if it's connected to you

1054

00:44:22,979 --> 00:44:20,349

opposed or some other paranormal and

1055

00:44:24,809 --> 00:44:22,989

they might I don't know I mean but it's

1056

00:44:26,519 --> 00:44:24,819

so clean to be animal attack something

1057

00:44:30,150 --> 00:44:26,529

like most of its on but I seem to be

1058

00:44:32,039 --> 00:44:30,160

anyway yeah because I'm greater when you

1059

00:44:33,420 --> 00:44:32,049

select war I see if it was a tiger

1060

00:44:35,940 --> 00:44:33,430

attack or something they'll be ripped to

1061

00:44:38,970 --> 00:44:35,950

shreds well I seem to be so clean the

1062

00:44:40,950 --> 00:44:38,980

killed if you look yeah pretty much like

1063

00:44:44,249 --> 00:44:40,960

I mean wolf or a grizzly bear or brown

1064

00:44:45,779 --> 00:44:44,259

bear would leave such clean cut marks a

1065

00:44:47,339 --> 00:44:45,789

with a word there will be blood at the

1066

00:44:49,529 --> 00:44:47,349

scene it would be there would be

1067

00:44:51,450 --> 00:44:49,539

destruction to the body yeah it's in

1068

00:44:53,220 --> 00:44:51,460

there if so it wouldn't even be a

1069

00:44:54,680 --> 00:44:53,230

carcass left I let's take you away with

1070

00:44:59,460 --> 00:44:54,690

me

1071

00:45:01,650 --> 00:44:59,470

pretty much yeah you're right also

1072

00:45:03,120 --> 00:45:01,660

begets at a point of the people to go

1073

00:45:05,279 --> 00:45:03,130

missing as well all over the world just

1074

00:45:07,010 --> 00:45:05,289

there's quite a few people it goes into

1075

00:45:09,600 --> 00:45:07,020

thousands doesn't it over the world

1076
00:45:12,330 --> 00:45:09,610
I've always wondered if at least if as a

1077
00:45:16,340 --> 00:45:12,340
sort of UFO connections to there you

1078
00:45:18,930 --> 00:45:16,350
through he repelled you do yeah there's

1079
00:45:22,440 --> 00:45:18,940
thousands of disappearances that that

1080
00:45:25,020 --> 00:45:22,450
are unexplained maybe they were suicides

1081
00:45:28,340 --> 00:45:25,030
kidnappings people wanting to disappear

1082
00:45:30,780 --> 00:45:28,350
from their lives certainly explain some

1083
00:45:36,150 --> 00:45:30,790
could there be evil component could they

1084
00:45:38,730 --> 00:45:36,160
be let's say alien abductions where the

1085
00:45:40,470 --> 00:45:38,740
abductee is not returned I guess that's

1086
00:45:44,880 --> 00:45:40,480
the possibility I mean there's no proof

1087
00:45:46,110 --> 00:45:44,890
that that's not transpiring so there but

1088
00:45:48,180 --> 00:45:46,120

your are there's thousands of people

1089

00:45:51,030 --> 00:45:48,190

that are reported missing and it makes

1090

00:45:52,470 --> 00:45:51,040

me wonder immediately how many how many

1091

00:45:54,870 --> 00:45:52,480

people go missing and they are not

1092

00:45:56,070 --> 00:45:54,880

reported yeah yeah well that's wrong I

1093

00:45:57,630 --> 00:45:56,080

think at a lot of a third world

1094

00:45:59,610 --> 00:45:57,640

countries people go missing I think

1095

00:46:01,380 --> 00:45:59,620

they're probably just not even thought

1096

00:46:05,460 --> 00:46:01,390

about or mentioned are they you know

1097

00:46:07,290 --> 00:46:05,470

it's a yeah but how people could just go

1098

00:46:08,970 --> 00:46:07,300

missing there's no sign of them at all I

1099

00:46:11,430 --> 00:46:08,980

just sort of they disappear off the face

1100

00:46:15,510 --> 00:46:11,440

of the earth it's just biggest belief

1101
00:46:17,180 --> 00:46:15,520
really yeah because all these lot of

1102
00:46:21,240 --> 00:46:17,190
these disappearances don't happen in

1103
00:46:24,360 --> 00:46:21,250
like national parks or sometimes it

1104
00:46:26,040 --> 00:46:24,370
happens in the city yeah if you if it

1105
00:46:28,980 --> 00:46:26,050
was in a national park or some area that

1106
00:46:30,180 --> 00:46:28,990
wasn't developed my mind immediately

1107
00:46:31,560 --> 00:46:30,190
thinks don't get predators and

1108
00:46:34,920 --> 00:46:31,570
scavengers are gonna take the body if

1109
00:46:36,240 --> 00:46:34,930
this person died vultures and coyotes

1110
00:46:38,190 --> 00:46:36,250
and wolves and things of that nature

1111
00:46:39,510 --> 00:46:38,200
will take the body and they'll devour

1112
00:46:41,670 --> 00:46:39,520
they the evidence there won't be

1113
00:46:44,510 --> 00:46:41,680

anything left to find but a lot of

1114

00:46:47,010 --> 00:46:44,520

people disappear from urban areas and

1115

00:46:50,400 --> 00:46:47,020

that's a lot harder to explain how a

1116

00:46:51,210 --> 00:46:50,410

person could just disappear without a

1117

00:46:53,040 --> 00:46:51,220

trace

1118

00:46:54,750 --> 00:46:53,050

it's still the majority of probably

1119

00:46:56,940 --> 00:46:54,760

something mundane in nature they were

1120

00:46:58,860 --> 00:46:56,950

kidnapped or they decided to leave there

1121

00:47:01,230 --> 00:46:58,870

they leave their lives and relocate

1122

00:47:04,040 --> 00:47:01,240

somewhere else then the majority Polly

1123

00:47:06,810 --> 00:47:04,050

are assigned to that explanation but

1124

00:47:08,580 --> 00:47:06,820

just the numbers are are fascinating

1125

00:47:10,550 --> 00:47:08,590

that thousands will just disappear

1126
00:47:14,220 --> 00:47:10,560
without a trace

1127
00:47:15,960 --> 00:47:14,230
that's that's a nutrition scenario yeah

1128
00:47:18,609 --> 00:47:15,970
oh it's terrified in some respects is

1129
00:47:19,920 --> 00:47:18,619
thick you know but you think

1130
00:47:23,770 --> 00:47:19,930
when you actually look at the figures

1131
00:47:29,680 --> 00:47:23,780
yeah yeah I measured care one of the

1132
00:47:31,750 --> 00:47:29,690
families they leave behind yeah what do

1133
00:47:35,460 --> 00:47:31,760
you what do you least like about ufology

1134
00:47:42,400 --> 00:47:35,470
is it the backbone and everything it's a

1135
00:47:44,970 --> 00:47:42,410
yeah I know it's an easy you know I have

1136
00:47:46,960 --> 00:47:44,980
I have friends that I disagree with

1137
00:47:49,900 --> 00:47:46,970
completely yeah

1138
00:47:52,540 --> 00:47:49,910

well we get along just fine it's just

1139

00:47:53,770 --> 00:47:52,550

those individuals that they just want a

1140

00:47:55,299 --> 00:47:53,780

back fight they want to ride your

1141

00:47:58,089 --> 00:47:55,309

coattails they want to call your names

1142

00:48:01,599 --> 00:47:58,099

they just I don't know what it happens

1143

00:48:02,079 --> 00:48:01,609

but it does it's you know I just brush

1144

00:48:03,520 --> 00:48:02,089

it off

1145

00:48:04,839 --> 00:48:03,530

I either block them on Facebook actually

1146

00:48:06,579 --> 00:48:04,849

I don't have any big block companies but

1147

00:48:08,349 --> 00:48:06,589

other than that one gentleman now I'm

1148

00:48:10,990 --> 00:48:08,359

using that word gently the gentleman is

1149

00:48:13,089 --> 00:48:11,000

made the company by yourself and Peter I

1150

00:48:14,470 --> 00:48:13,099

blocked him but beyond that I have no

1151
00:48:17,500 --> 00:48:14,480
one else block on Facebook I just don't

1152
00:48:18,579 --> 00:48:17,510
interact with yeah there's a lot of that

1153
00:48:20,980 --> 00:48:18,589
stuff for the one that

1154
00:48:23,349 --> 00:48:20,990
yeah it's that's that's part of the

1155
00:48:25,839 --> 00:48:23,359
thing I like the least about the UFO

1156
00:48:27,130 --> 00:48:25,849
community yeah but it is work and I just

1157
00:48:27,370 --> 00:48:27,140
you know if someone's gonna act like

1158
00:48:28,480 --> 00:48:27,380
that

1159
00:48:30,400 --> 00:48:28,490
I just don't interact with them no I

1160
00:48:31,930 --> 00:48:30,410
don't you mean I mean to think he's off

1161
00:48:33,730 --> 00:48:31,940
being blocked by her but certain people

1162
00:48:35,319 --> 00:48:33,740
because of the investigation because of

1163
00:48:44,349 --> 00:48:35,329

the investigation we were doing I just

1164

00:48:46,120 --> 00:48:44,359

want a shuttle sales I can't imagine why

1165

00:48:48,430 --> 00:48:46,130

anybody would block you you're a

1166

00:48:49,960 --> 00:48:48,440

gentleman I try to be I mean severely

1167

00:48:52,240 --> 00:48:49,970

side Lois told about me a little while

1168

00:48:55,390 --> 00:48:52,250

ago that was using swear words on

1169

00:48:57,730 --> 00:48:55,400

Facebook I've never done that I did use

1170

00:48:59,319 --> 00:48:57,740

an F word in in a private message to

1171

00:49:01,329 --> 00:48:59,329

somebody which then was port on phasing

1172

00:49:03,160 --> 00:49:01,339

yeah but that was because I was very

1173

00:49:06,180 --> 00:49:03,170

annoyed about something and and that

1174

00:49:08,650 --> 00:49:06,190

felt I had no no problem in any way so

1175

00:49:10,059 --> 00:49:08,660

that was just that was just because

1176
00:49:15,400 --> 00:49:10,069
that's all they could use a public aids

1177
00:49:16,870 --> 00:49:15,410
me really yeah I am one friend on

1178
00:49:22,720 --> 00:49:16,880
Facebook he's he's a very grounded guy

1179
00:49:25,890 --> 00:49:22,730
and he he sent me a photograph he I

1180
00:49:27,910 --> 00:49:25,900
guess he screamed the screen saved a

1181
00:49:30,670 --> 00:49:27,920
threat on Facebook were a couple of guys

1182
00:49:32,440 --> 00:49:30,680
that have unfriended me or

1183
00:49:34,810 --> 00:49:32,450
lewd comments about me I'm like okay I

1184
00:49:36,820 --> 00:49:34,820
don't know I don't I don't think I'm

1185
00:49:38,380 --> 00:49:36,830
two-faced I don't think I'm this out of

1186
00:49:41,020 --> 00:49:38,390
the other but they have this opinion of

1187
00:49:44,230 --> 00:49:41,030
me I thought well I mean I can't help

1188
00:49:46,270 --> 00:49:44,240

but you will think about me I mean I you

1189

00:49:49,870 --> 00:49:46,280

know it's it's kind of bizarre how that

1190

00:49:51,280 --> 00:49:49,880

happens yeah it is what it is I mean you

1191

00:49:53,440 --> 00:49:51,290

know how many people think we don't know

1192

00:49:57,280 --> 00:49:53,450

you but but then they sort of make a

1193

00:49:59,680 --> 00:49:57,290

judgment against you I mean just people

1194

00:50:01,800 --> 00:49:59,690

it's like she knows them no and I've

1195

00:50:05,140 --> 00:50:01,810

just people wrongly in the past as well

1196

00:50:06,400 --> 00:50:05,150

yeah they may be judges or people that

1197

00:50:09,760 --> 00:50:06,410

they don't know or people they've never

1198

00:50:12,040 --> 00:50:09,770

been in person I mean it's it's it's

1199

00:50:14,050 --> 00:50:12,050

kind of bizarre yeah they make horrible

1200

00:50:15,850 --> 00:50:14,060

comments I wouldn't I would make some of

1201
00:50:17,980 --> 00:50:15,860
the comments I see on social media I

1202
00:50:19,030 --> 00:50:17,990
wouldn't think a lot my worst enemy much

1203
00:50:21,970 --> 00:50:19,040
less somebody I've never met

1204
00:50:24,430 --> 00:50:21,980
exactly but yeah it it it's out there a

1205
00:50:28,650 --> 00:50:24,440
lot it's it's pretty interesting yeah

1206
00:50:31,780 --> 00:50:28,660
and hence the rules in my group yeah

1207
00:50:33,580 --> 00:50:31,790
pretty straight talking and honest in

1208
00:50:36,250 --> 00:50:33,590
what you say I've never seen anything

1209
00:50:37,720 --> 00:50:36,260
that's you where you've insulted anyone

1210
00:50:41,140 --> 00:50:37,730
for any reason oh no you will usually

1211
00:50:43,270 --> 00:50:41,150
pull up people on the insult in others

1212
00:50:46,450 --> 00:50:43,280
or using bad language or whatever I just

1213
00:50:47,230 --> 00:50:46,460

know it's just only for it with you know

1214

00:50:48,850 --> 00:50:47,240

I would never do that

1215

00:50:51,130 --> 00:50:48,860

yeah I would never insult anybody if I'd

1216

00:50:53,080 --> 00:50:51,140

if I disagree with them I always tell

1217

00:50:55,540 --> 00:50:53,090

them all that well I just disagree with

1218

00:50:58,270 --> 00:50:55,550

you and that's it I would never insult

1219

00:51:07,960 --> 00:50:58,280

anybody no it's that's I wasn't raised

1220

00:51:11,770 --> 00:51:07,970

like that so either quite good what do

1221

00:51:14,230 --> 00:51:11,780

you like the best about utility oh the

1222

00:51:15,480 --> 00:51:14,240

apprenticeship yeah I was going to say

1223

00:51:17,860 --> 00:51:15,490

exactly the same thing

1224

00:51:19,180 --> 00:51:17,870

yeah the friendship something I look

1225

00:51:21,700 --> 00:51:19,190

forward to going to Roswell every year

1226
00:51:23,230 --> 00:51:21,710
and and talking with the research as an

1227
00:51:24,360 --> 00:51:23,240
author as I email in them keeping the

1228
00:51:26,350 --> 00:51:24,370
cocktail with them building friendships

1229
00:51:28,990 --> 00:51:26,360
people I know in the community that are

1230
00:51:31,840 --> 00:51:29,000
that are cordial and friendly and then

1231
00:51:33,070 --> 00:51:31,850
that's great I love that that and if you

1232
00:51:34,570 --> 00:51:33,080
don't need to agree with them they're

1233
00:51:36,400 --> 00:51:34,580
just your friend they have different -

1234
00:51:38,020 --> 00:51:36,410
different positions they believe in

1235
00:51:40,090 --> 00:51:38,030
different areas none of that really

1236
00:51:42,040 --> 00:51:40,100
matters because you're friends I love

1237
00:51:44,170 --> 00:51:42,050
that that's that's that's the best thing

1238
00:51:44,980 --> 00:51:44,180

about it oh because go say exactly the

1239

00:51:46,750 --> 00:51:44,990

same

1240

00:51:49,330 --> 00:51:46,760

even if there's people that you've never

1241

00:51:51,250 --> 00:51:49,340

met you do become friends on Facebook I

1242

00:51:52,960 --> 00:51:51,260

know it sounds a bit silly you do become

1243

00:51:56,320 --> 00:51:52,970

friends on face but you do get to know

1244

00:51:58,240 --> 00:51:56,330

people and eventually hopefully you'll

1245

00:52:00,040 --> 00:51:58,250

run it know your you will meet them the

1246

00:52:01,930 --> 00:52:00,050

same as you and I this is the first time

1247

00:52:03,580 --> 00:52:01,940

we've spoken although we've known about

1248

00:52:09,190 --> 00:52:03,590

each other for a couple of years at

1249

00:52:10,960 --> 00:52:09,200

least and I like we're friends now oh

1250

00:52:15,760 --> 00:52:10,970

yeah if you can call me any time with

1251
00:52:18,370 --> 00:52:15,770
you yeah it's that's the way social

1252
00:52:19,870 --> 00:52:18,380
media should work people from across all

1253
00:52:21,370 --> 00:52:19,880
areas of the planet can make build

1254
00:52:24,520 --> 00:52:21,380
friendships even though they know me in

1255
00:52:26,740 --> 00:52:24,530
person they can interact and that's a

1256
00:52:29,290 --> 00:52:26,750
good thing it's it's unfortunate that

1257
00:52:31,630 --> 00:52:29,300
you have people that misuse it else to

1258
00:52:33,460 --> 00:52:31,640
attack people yes yeah I mean hopefully

1259
00:52:39,220 --> 00:52:33,470
I'll get to meet you face to face one

1260
00:52:42,520 --> 00:52:39,230
day if we will see come over to the UK

1261
00:52:44,110 --> 00:52:42,530
dear I never have but I've been invited

1262
00:52:49,090 --> 00:52:44,120
several times I at some point I will

1263
00:52:51,480 --> 00:52:49,100

make that conference this year in

1264

00:52:54,910 --> 00:52:51,490

September at sea for Colonel Hulk

1265

00:52:57,400 --> 00:52:54,920

Colonel Holt returns to Woodbridge you

1266

00:53:00,130 --> 00:52:57,410

know that's in real s in reference to

1267

00:53:02,410 --> 00:53:00,140

the previous appearance at Woodbridge

1268

00:53:03,940 --> 00:53:02,420

when it was a big hoo-ha rebellion Peter

1269

00:53:06,460 --> 00:53:03,950

Robbins wrote a book about it which he

1270

00:53:10,180 --> 00:53:06,470

since withdrawn and they've all become

1271

00:53:11,260 --> 00:53:10,190

friends again and everything and I mean

1272

00:53:22,630 --> 00:53:11,270

you've probably heard all that story

1273

00:53:24,430 --> 00:53:22,640

anyway yeah it was it was music two more

1274

00:53:26,530 --> 00:53:24,440

years anyway so know that all these

1275

00:53:28,150 --> 00:53:26,540

people have been you know got back

1276
00:53:32,320 --> 00:53:28,160
together again all these people and have

1277
00:53:35,260 --> 00:53:32,330
fallen out over certain issues if they

1278
00:53:36,730 --> 00:53:35,270
can bury the hatchet they're getting

1279
00:53:38,440 --> 00:53:36,740
along again that means they can move

1280
00:53:40,180 --> 00:53:38,450
forward to start investigating some more

1281
00:53:42,130 --> 00:53:40,190
they can keep working they can keep

1282
00:53:43,710 --> 00:53:42,140
pushing forward instead of kind of

1283
00:53:46,390 --> 00:53:43,720
nibbling at each other's heel yeah

1284
00:53:50,770 --> 00:53:46,400
that's a good thank you yeah you could

1285
00:53:52,870 --> 00:53:50,780
have the radio shows lined up I think

1286
00:53:54,460 --> 00:53:52,880
I'm gonna appear on radio wasteland out

1287
00:53:56,680 --> 00:53:54,470
of Redding California in about a couple

1288
00:53:57,660 --> 00:53:56,690

weeks Rob if you can send me links I'll

1289

00:54:00,780 --> 00:53:57,670

put them on my power

1290

00:54:02,309 --> 00:54:00,790

dimensions page and I really yeah I'll

1291

00:54:02,789 --> 00:54:02,319

be sharing yourself here we gotta help

1292

00:54:05,280 --> 00:54:02,799

each other out

1293

00:54:07,170 --> 00:54:05,290

we'll put I'll put certain links and

1294

00:54:09,180 --> 00:54:07,180

things from you know from yourself on

1295

00:54:10,980 --> 00:54:09,190

the page everything so people can find

1296

00:54:14,250 --> 00:54:10,990

you and your groups and everything I'll

1297

00:54:15,480 --> 00:54:14,260

put some things on there and a few

1298

00:54:24,829 --> 00:54:15,490

pictures of here will send me a few

1299

00:54:29,940 --> 00:54:27,420

I'm not I'm not really enamored with how

1300

00:54:32,579 --> 00:54:29,950

I look on I in voter grabs off anyone oh

1301

00:54:37,829 --> 00:54:32,589

yeah I'm a bill bill salt throw before

1302

00:54:41,430 --> 00:54:37,839

their best one so true you mean you're

1303

00:54:46,890 --> 00:54:41,440

being very kind I do the same thing

1304

00:54:48,599 --> 00:54:46,900

honestly I listen back to myself on

1305

00:54:49,410 --> 00:54:48,609

these radio shows you I think oh don't

1306

00:54:51,539 --> 00:54:49,420

read or say hello

1307

00:54:54,390 --> 00:54:51,549

I think everyone thinks the same thing

1308

00:54:56,130 --> 00:54:54,400

though don't they yes I see your own

1309

00:55:00,420 --> 00:54:56,140

pictures I think you see a lot of that

1310

00:55:02,520 --> 00:55:00,430

picture yeah first time the first radio

1311

00:55:05,280 --> 00:55:02,530

program I appeal was radio wasteland

1312

00:55:08,190 --> 00:55:05,290

I guess January of last year and they

1313

00:55:09,690 --> 00:55:08,200

send me a CD copy of of the other

1314

00:55:12,150 --> 00:55:09,700

program no a friend of mine record it

1315

00:55:14,640 --> 00:55:12,160

and send me a CD copy of it and I played

1316

00:55:16,589 --> 00:55:14,650

it I thought I found it horrid yeah yeah

1317

00:55:20,039 --> 00:55:16,599

I'm sorry I thought anyone loves to sad

1318

00:55:21,930 --> 00:55:20,049

to the right voice about three different

1319

00:55:25,020 --> 00:55:21,940

cases I mispronounced a researchers name

1320

00:55:26,819 --> 00:55:25,030

and I got a year wrong in a case and I

1321

00:55:28,920 --> 00:55:26,829

thought I should know this what it was

1322

00:55:31,740 --> 00:55:28,930

always upset with that you know and it

1323

00:55:33,660 --> 00:55:31,750

wasn't a big deal but yeah we we are our

1324

00:55:36,299 --> 00:55:33,670

own worst critic when it comes to

1325

00:55:39,329 --> 00:55:36,309

pictures and programs and stuff so yeah

1326
00:55:43,220 --> 00:55:39,339
yeah yeah what about conferences are you

1327
00:55:46,410 --> 00:55:43,230
guys have any this year just Roswell

1328
00:55:48,510 --> 00:55:46,420
just going to divest of all I'm probably

1329
00:55:50,280 --> 00:55:48,520
righto full week early and do some

1330
00:55:51,120 --> 00:55:50,290
broadcasts on my blog from the festival

1331
00:55:54,870 --> 00:55:51,130
and

1332
00:55:58,650 --> 00:55:54,880
hopefully take Donna Schmidt the lunch

1333
00:55:59,910 --> 00:55:58,660
and catch up with him and I know Karen

1334
00:56:00,930 --> 00:55:59,920
Randall will be there for the first time

1335
00:56:07,039 --> 00:56:00,940
in about seven or eight years so

1336
00:56:10,799 --> 00:56:07,049
Beatrice tomorrow but beyond that no I

1337
00:56:11,540 --> 00:56:10,809
my my day job as a tennis coach my

1338
00:56:13,800 --> 00:56:11,550

scheduling

1339

00:56:15,810 --> 00:56:13,810

prevents me from going to other

1340

00:56:17,910 --> 00:56:15,820

conferences so it's pretty much Rozell

1341

00:56:22,260 --> 00:56:17,920

yeah well I did that you know you were a

1342

00:56:23,700 --> 00:56:22,270

tennis coach yeah yeah local high school

1343

00:56:27,120 --> 00:56:23,710

here in San Antonio I'm the head tennis

1344

00:56:29,880 --> 00:56:27,130

coach and uh my ability to travel is

1345

00:56:31,490 --> 00:56:29,890

kind of stunted yeah except summer I'm

1346

00:56:33,540 --> 00:56:31,500

off I'm off like four months of a year

1347

00:56:36,330 --> 00:56:33,550

so that's when I get to go to

1348

00:56:39,240 --> 00:56:36,340

conferences and so it's really just

1349

00:56:43,290 --> 00:56:39,250

Rozell this year yeah but uh yeah did

1350

00:56:46,850 --> 00:56:43,300

you have a plate so make a roof no I

1351
00:56:48,900 --> 00:56:46,860
play live but I I've never met that

1352
00:56:57,180 --> 00:56:48,910
gentleman was that will use that term

1353
00:56:58,920 --> 00:56:57,190
loosely no quite lucky actually it's

1354
00:57:00,840 --> 00:56:58,930
quite funny really he comes over here

1355
00:57:03,260 --> 00:57:00,850
for Wimbledon these he seems all right I

1356
00:57:06,690 --> 00:57:03,270
think he was a tempestuous kid he was a

1357
00:57:10,530 --> 00:57:06,700
just that champ st or something yeah

1358
00:57:12,810 --> 00:57:10,540
yeah yeah he was a good guy opinions

1359
00:57:14,880 --> 00:57:12,820
he's he's kind of temperamental on the

1360
00:57:16,170 --> 00:57:14,890
court but he he's a good announcer when

1361
00:57:17,220 --> 00:57:16,180
he wasn't working in Wimbledon every

1362
00:57:20,370 --> 00:57:17,230
year yeah I like it

1363
00:57:22,830 --> 00:57:20,380

he's pretty spot on you know it's pretty

1364

00:57:31,530 --> 00:57:22,840

good news to me that your says coach

1365

00:57:32,880 --> 00:57:31,540

good luck with that thirty years I'd say

1366

00:57:34,430 --> 00:57:32,890

it's funny what you find out about

1367

00:57:37,230 --> 00:57:34,440

papers isn't it

1368

00:57:39,350 --> 00:57:37,240

yeah I mean we all have our own

1369

00:57:42,510 --> 00:57:39,360

attachment we discover each other

1370

00:57:46,020 --> 00:57:42,520

through common interests of UFO

1371

00:57:48,030 --> 00:57:46,030

phenomena yeah alright so as we as we

1372

00:57:50,220 --> 00:57:48,040

touch base we learn more about our own

1373

00:57:51,840 --> 00:57:50,230

personal lives of Wax what how we pay

1374

00:57:53,190 --> 00:57:51,850

the bills as opposed to re-entry yeah

1375

00:57:54,930 --> 00:57:53,200

Oh pizza pay on his tennis he's probably

1376
00:57:57,060 --> 00:57:54,940
been the only sport lets you follow

1377
00:57:57,510 --> 00:57:57,070
quite regularly I don't I don't watch

1378
00:58:03,420 --> 00:57:57,520
football

1379
00:58:09,810 --> 00:58:03,430
really there's probably tennis is my

1380
00:58:11,430 --> 00:58:09,820
first love you in sport yeah that's

1381
00:58:14,250 --> 00:58:11,440
right Joe Mecca wrote that fantastic

1382
00:58:17,730 --> 00:58:14,260
match yeah they would broadcast it on

1383
00:58:21,300 --> 00:58:17,740
PBS here they would broadcast the BBC

1384
00:58:22,920 --> 00:58:21,310
broadcast every year and and I grew up

1385
00:58:25,470 --> 00:58:22,930
watching that longer and Swede play that

1386
00:58:30,550 --> 00:58:25,480
crazy American

1387
00:58:33,099 --> 00:58:30,560
clapping mattress yeah so buddy is I've

1388
00:58:37,240 --> 00:58:33,109

been doing that for decades I love my

1389

00:58:41,920 --> 00:58:37,250

work it's interesting that I can discuss

1390

00:58:43,870 --> 00:58:41,930

the UFO issue and work I shower on work

1391

00:58:45,339 --> 00:58:43,880

udderly for a couple hours just to hang

1392

00:58:46,390 --> 00:58:45,349

out with the coaches and touch base and

1393

00:58:48,730 --> 00:58:46,400

just see what's going on at the campus

1394

00:58:51,130 --> 00:58:48,740

and they ask me questions about the UFO

1395

00:58:56,230 --> 00:58:51,140

issue yes they are they kind of know I'm

1396

00:58:58,690 --> 00:58:56,240

the Oh God yeah oh yeah they're

1397

00:59:00,040 --> 00:58:58,700

interested in it which I I like that

1398

00:59:00,820 --> 00:59:00,050

that's a good change of pace that's

1399

00:59:03,250 --> 00:59:00,830

fantastic

1400

00:59:07,450 --> 00:59:03,260

anyway on that note I'm afraid we've run

1401
00:59:09,910 --> 00:59:07,460
out of time to chop you off here and the

1402
00:59:11,800 --> 00:59:09,920
thing once again thank you very much for

1403
00:59:14,020 --> 00:59:11,810
coming on it's been fantastic talking to

1404
00:59:16,390 --> 00:59:14,030
you and I've always here if you want to

1405
00:59:20,230 --> 00:59:16,400
read me anytime yeah and hopefully abou

1406
00:59:21,400 --> 00:59:20,240
speak again and but I am at your service

1407
00:59:24,099 --> 00:59:21,410
whenever you want me on your process

1408
00:59:26,560 --> 00:59:24,109
right thanks yes I'll put some links on

1409
00:59:29,020 --> 00:59:26,570
the page should everything and hope

1410
00:59:32,260 --> 00:59:29,030
you'll come visit and speak to you again

1411
00:59:34,960 --> 00:59:32,270
shortly thank you cool anyway anyway

1412
00:59:36,820 --> 00:59:34,970
anyway everybody thank you very much for

1413
00:59:39,130 --> 00:59:36,830

listening if you tuned e if you haven't

1414

00:59:42,070 --> 00:59:39,140

been well you ever that's the end of you

1415

00:59:49,230 --> 00:59:42,080

and I'll speak to you again next time
