early twenties and had many experiences

16

00:01:31,230 --> 00:01:29,320

throughout his military life including

17

00:01:34,560 --> 00:01:31,240

black ops active service in Rhodesia

18

00:01:36,600 --> 00:01:34,570

South Africa in Colombia Frank CV

19

00:01:40,950 --> 00:01:36,610

includes working for a infamous drug

20

00:01:42,810 --> 00:01:40,960

baron and his military life sharing

21

00:01:44,880 --> 00:01:42,820

first-hand evidence of corruption with

22

00:01:48,510 --> 00:01:44,890

war money and drugs and how they all in

23

00:01:50,010 --> 00:01:48,520

Tahlequah government agendas now this

24

00:01:53,190 --> 00:01:50,020

background has given him a unique

25

00:01:56,130 --> 00:01:53,200

perspective in uncharred sorry in tyre

26  
00:01:56,910 --> 00:01:56,140  
and social interaction now a master in

27  
00:02:00,450 --> 00:01:56,920  
martial arts

28  
00:02:02,310 --> 00:02:00,460  
he holds two World Records he has three

29  
00:02:05,460 --> 00:02:02,320  
degrees in engineering social work in

30  
00:02:07,559 --> 00:02:05,470  
education and Frank and secular journey

31  
00:02:09,359 --> 00:02:07,569  
through his life discovering and and

32  
00:02:10,889 --> 00:02:09,369  
another thing evidence of corruption

33  
00:02:13,260 --> 00:02:10,899  
deceit and dishonesty

34  
00:02:17,130 --> 00:02:13,270  
but he mostly uses experiences to

35  
00:02:19,170 --> 00:02:17,140  
educate inform now as far as the

36  
00:02:21,360 --> 00:02:19,180  
paranormal goes is say that he deals in

37  
00:02:24,630 --> 00:02:21,370  
spiritual healing in check

38  
00:02:26,370 --> 00:02:24,640

martial arts are Frank's main focus and

39

00:02:27,720 --> 00:02:26,380

he leaves his students always wanting

40

00:02:30,180 --> 00:02:27,730

more

41

00:02:34,380 --> 00:02:30,190

now I'm free I'm Betty proud to call

42

00:02:36,480 --> 00:02:34,390

Frank a friend of mine his he's been a

43

00:02:38,670 --> 00:02:36,490

great help over there so a year or so

44

00:02:40,830 --> 00:02:38,680

we're certain the aspects which we

45

00:02:46,470 --> 00:02:40,840

weren't probably mates that you're into

46

00:02:48,840 --> 00:02:46,480

here but so will will see often that's a

47

00:02:51,620 --> 00:02:48,850

lot of talks and he does

48

00:02:54,720 --> 00:02:51,630

talks on the power of Chi auras

49

00:02:57,809 --> 00:02:54,730

reptilian agendas

50

00:03:01,440 --> 00:02:57,819

where do humans come from enemy of state

51  
00:03:03,600 --> 00:03:01,450  
that music and humans soul and also the

52  
00:03:05,759 --> 00:03:03,610  
history of UFOs and have quite a few

53  
00:03:06,140 --> 00:03:05,769  
other subjects all right so I'm now

54  
00:03:08,569 --> 00:03:06,150  
going to

55  
00:03:11,179 --> 00:03:08,579  
welcome Frank Lewis welcome to show

56  
00:03:12,920 --> 00:03:11,189  
Frank oh thank you David and thank you

57  
00:03:14,780 --> 00:03:12,930  
for having me and a lot of everybody out

58  
00:03:17,960 --> 00:03:14,790  
there it's an absolute pleasure my

59  
00:03:19,759 --> 00:03:17,970  
friend yeah as I say you've you've been

60  
00:03:21,649 --> 00:03:19,769  
a great help to me over the last boy as

61  
00:03:24,619 --> 00:03:21,659  
you know in a certain subjects over

62  
00:03:29,059 --> 00:03:24,629  
where we'll touch on that we'll see but

63  
00:03:33,170 --> 00:03:29,069

I suppose really what what Betty brought

64

00:03:37,130 --> 00:03:33,180

you into the paranormal universe if you

65

00:03:39,649 --> 00:03:37,140

like to what raised your interest you

66

00:03:41,210 --> 00:03:39,659

were in the rotation Army weren't you

67

00:03:43,360 --> 00:03:41,220

and you had some sort of a really

68

00:03:48,649 --> 00:03:43,370

supernatural experience there didn't you

69

00:03:50,180 --> 00:03:48,659

yeah was crazy Android does a lot of

70

00:03:53,509 --> 00:03:50,190

things your mind so I can't really

71

00:03:57,949 --> 00:03:53,519

explain what really did up and fizzled

72

00:04:00,860 --> 00:03:57,959

and we had a firefight and it was with

73

00:04:02,839 --> 00:04:00,870

what I now believe would graze at the

74

00:04:05,509 --> 00:04:02,849

time we thought he would pygmies you

75

00:04:08,589 --> 00:04:05,519

know and he it was all it was all I

76

00:04:11,839 --> 00:04:08,599

could dream white state but the the only

77

00:04:14,930 --> 00:04:11,849

difference between a dream and what was

78

00:04:18,170 --> 00:04:14,940

happening was we did expend a lot of

79

00:04:20,930 --> 00:04:18,180

ammunition were the cartridges when we

80

00:04:24,500 --> 00:04:20,940

don't know there was no sign of the

81

00:04:28,730 --> 00:04:24,510

firefight but the ammunition was gone so

82

00:04:30,710 --> 00:04:28,740

it was very surreal and I took his there

83

00:04:36,529 --> 00:04:30,720

don't know what happened I ever look for

84

00:04:39,260 --> 00:04:36,539

answers I've not found any if I open a

85

00:04:41,029 --> 00:04:39,270

door this time no more doors to open and

86

00:04:43,879 --> 00:04:41,039

you know it really is a rabbit always

87

00:04:46,939 --> 00:04:43,889

the paranormal but it started with me

88

00:04:49,700 --> 00:04:46,949

when I was a kid you know probably used

89

00:04:52,969 --> 00:04:49,710

to talk to spirit in the bedroom when we

90

00:04:57,500 --> 00:04:52,979

were kids so I was aware of it like then

91

00:05:03,290 --> 00:04:57,510

and it weren't told I got to about 18 19

92

00:05:06,610 --> 00:05:03,300

I was a party one night and one of the

93

00:05:08,960 --> 00:05:06,620

lads he was sat next to me and he said

94

00:05:11,379 --> 00:05:08,970

while them rainbows coming out the

95

00:05:14,000 --> 00:05:11,389

stereo speakers a lot nice thoroughly

96

00:05:17,089 --> 00:05:14,010

and I walked in in my way why do you see

97

00:05:18,230 --> 00:05:17,099

him as well and he went yeah you know

98

00:05:22,459 --> 00:05:18,240

when I say Cassady

99

00:05:24,589 --> 00:05:22,469

all right well I've not had any acid and

100

00:05:27,469 --> 00:05:24,599

he goes well you see him anyway yeah

101  
00:05:29,450 --> 00:05:27,479  
he's like energy waves or seeing it you

102  
00:05:31,519 --> 00:05:29,460  
know see auras you know I didn't know

103  
00:05:34,070 --> 00:05:31,529  
they were rewards at the time I just

104  
00:05:38,240 --> 00:05:34,080  
called them by the Ready Brek man

105  
00:05:40,940 --> 00:05:38,250  
mmm-hmm you know I weren't I was aware

106  
00:05:44,089 --> 00:05:40,950  
of a dog but I think nobody was and it

107  
00:05:45,830 --> 00:05:44,099  
was that point I realized I was very

108  
00:05:48,920 --> 00:05:45,840  
different to a lot of other people you

109  
00:05:51,680 --> 00:05:48,930  
know Kasumi went into a long

110  
00:05:53,779 --> 00:05:51,690  
conversation about things you know and

111  
00:05:56,690 --> 00:05:53,789  
especially about the effects of drugs on

112  
00:05:58,909 --> 00:05:56,700  
the human Mali which jump still

113  
00:06:01,390 --> 00:05:58,919

fascinated with to this day you know

114

00:06:04,070 --> 00:06:01,400

after being a social worker and the

115

00:06:08,570 --> 00:06:04,080

pharmaceutical industry and what he's

116

00:06:10,070 --> 00:06:08,580

really doing to human beans hmm like the

117

00:06:11,990 --> 00:06:10,080

sort of things you have be mixed up in

118

00:06:19,070 --> 00:06:12,000

if you've got quite a colorful life

119

00:06:21,740 --> 00:06:19,080

haven't you yeah it's all I can say is

120

00:06:25,519 --> 00:06:21,750

it made me who I am now and I'm happy

121

00:06:26,860 --> 00:06:25,529

with who I am now but I do have a unique

122

00:06:29,570 --> 00:06:26,870

perspective on things

123

00:06:32,390 --> 00:06:29,580

you know I will see things other people

124

00:06:36,550 --> 00:06:32,400

don't and look how did you say that I

125

00:06:40,519 --> 00:06:36,560

know I well just like my kind of logic

126

00:06:42,800 --> 00:06:40,529

is such a word they said everybody's

127

00:06:45,260 --> 00:06:42,810

logic their logic and you know

128

00:06:49,760 --> 00:06:45,270

everybody's truth is the truth we're all

129

00:06:52,969 --> 00:06:49,770

unique but when you get the odd

130

00:06:55,010 --> 00:06:52,979

individual it comes out with things and

131

00:06:58,430 --> 00:06:55,020

everybody's looking around at each other

132

00:07:00,339 --> 00:06:58,440

going what you know we can smell

133

00:07:02,000 --> 00:07:00,349

something here

134

00:07:06,829 --> 00:07:02,010

unfortunately there's these kind of

135

00:07:10,519 --> 00:07:06,839

people around hmm you know you can only

136

00:07:12,620 --> 00:07:10,529

feel though a wise man once yeah yeah

137

00:07:14,659 --> 00:07:12,630

well as we know we've sort of been

138

00:07:17,209 --> 00:07:14,669

having to quite a bit over the last

139

00:07:20,540 --> 00:07:17,219

couple of years we've with a certain

140

00:07:22,939 --> 00:07:20,550

person but you're you're as passionate

141

00:07:24,740 --> 00:07:22,949

as me about honesty well truth and

142

00:07:27,369 --> 00:07:24,750

honesty as far as we can get it I mean

143

00:07:29,899 --> 00:07:27,379

everyone can be fooled like you say but

144

00:07:32,570 --> 00:07:29,909

once you do realize you've been forged

145

00:07:34,459 --> 00:07:32,580

you don't like it at all

146

00:07:38,749 --> 00:07:34,469

is one thing I'm very very passionate

147

00:07:41,019 --> 00:07:38,759

about is freedom and you know the way

148

00:07:45,070 --> 00:07:41,029

I've seen the last 12 months of God's

149

00:07:48,260 --> 00:07:45,080

discerned people who are journalists

150

00:07:51,799 --> 00:07:48,270

they so happy to silence and censor

151  
00:07:55,219 --> 00:07:51,809  
people which is a mockery of the freedom

152  
00:07:58,189 --> 00:07:55,229  
of speech hmm you know I if the troops

153  
00:08:00,769 --> 00:07:58,199  
are truth then it doesn't hurt people

154  
00:08:03,320 --> 00:08:00,779  
well it doesn't and fortunately you know

155  
00:08:07,010 --> 00:08:03,330  
truth does hurt but the truth remains

156  
00:08:09,529 --> 00:08:07,020  
and it always will be the truth so when

157  
00:08:12,170 --> 00:08:09,539  
you try suppressing or distorting or

158  
00:08:16,610 --> 00:08:12,180  
tell lies ensures up and eventually

159  
00:08:18,769 --> 00:08:16,620  
these people get caught out hmm and one

160  
00:08:21,709 --> 00:08:18,779  
of the first signs of them panicking is

161  
00:08:23,719 --> 00:08:21,719  
when they go on the offensive mm-hmm you

162  
00:08:26,269 --> 00:08:23,729  
know the best form of Defense is to go

163  
00:08:29,449 --> 00:08:26,279

on the offensive and that's what we've

164

00:08:33,920 --> 00:08:29,459

seen at the moment you know some of the

165

00:08:36,529 --> 00:08:33,930

aspects you and I are involved it it's a

166

00:08:39,500 --> 00:08:36,539

very sad reflection of mainstream

167

00:08:44,509 --> 00:08:39,510

journalism yeah Parker with you there

168

00:08:49,490 --> 00:08:44,519

yeah you know I I said I saw I first

169

00:08:52,579 --> 00:08:49,500

done growing up you know in Rhodesia it

170

00:08:55,970 --> 00:08:52,589

was very very different from South

171

00:08:59,090 --> 00:08:55,980

African apartheid but do is distill off

172

00:09:02,000 --> 00:08:59,100

that division of black and white but the

173

00:09:04,100 --> 00:09:02,010

the education I had even though it was a

174

00:09:07,990 --> 00:09:04,110

good education it was biased towards the

175

00:09:11,540 --> 00:09:08,000

white man and a very good example was

176

00:09:15,220 --> 00:09:11,550

Zimbabwe ruins we were taught dolly was

177

00:09:18,980 --> 00:09:15,230

probably built by Portuguese explorers

178

00:09:21,259 --> 00:09:18,990

now the true history of it is still

179

00:09:23,809 --> 00:09:21,269

being on earth they were definitely the

180

00:09:26,689 --> 00:09:23,819

black man of Africa and there was a

181

00:09:29,600 --> 00:09:26,699

massive trading empire in Africa and

182

00:09:32,540 --> 00:09:29,610

Zimbabwe ruins was part of it so that

183

00:09:36,230 --> 00:09:32,550

was a part of history which was hidden

184

00:09:38,990 --> 00:09:36,240

from a censored so you know so he

185

00:09:40,639 --> 00:09:39,000

brought up on that icon of why it's like

186

00:09:43,720 --> 00:09:40,649

yeah I'm not the only one

187

00:09:46,090 --> 00:09:43,730

everybody is guilty of it

188

00:09:47,979 --> 00:09:46,100

you know when I came to this country I

189

00:09:50,229 --> 00:09:47,989

was amazed that I knew more about

190

00:09:52,569 --> 00:09:50,239

British history and people my own age

191

00:09:59,319 --> 00:09:52,579

did you know they went every towards it

192

00:10:01,710 --> 00:09:59,329

so you know we do live under censorship

193

00:10:04,090 --> 00:10:01,720

and it starts from the day were born

194

00:10:08,289 --> 00:10:04,100

yeah but what year was it easy to come

195

00:10:12,489 --> 00:10:08,299

to this country friend at first in 1973

196

00:10:13,929 --> 00:10:12,499

or October 1973 right so you spent a

197

00:10:18,879 --> 00:10:13,939

good few years over here is that you

198

00:10:23,169 --> 00:10:18,889

what's that full yield of yeah yeah yeah

199

00:10:25,479 --> 00:10:23,179

Massimo yeah it's just that some people

200

00:10:29,259 --> 00:10:25,489

may be puzzled by cuz if your ex in is

201

00:10:32,590 --> 00:10:29,269

quite a northern you're a northern UK

202

00:10:35,109 --> 00:10:32,600

accident and you were born in Rhodesia I

203

00:10:37,329 --> 00:10:35,119

think we ought to clear that not just

204

00:10:40,150 --> 00:10:37,339

you know put some people are wondering

205

00:10:42,009 --> 00:10:40,160

because you've all gave you've look cuz

206

00:10:43,689 --> 00:10:42,019

you've got so long over here you just

207

00:10:47,889 --> 00:10:43,699

sort of develop the ex in having you

208

00:10:51,299 --> 00:10:47,899

yeah we all the road he does you know my

209

00:10:58,210 --> 00:10:54,429

interested interestingly when I was a

210

00:11:00,099 --> 00:10:58,220

social worker I I got a I used to work

211

00:11:02,710 --> 00:11:00,109

with adults with learning disabilities

212

00:11:06,579 --> 00:11:02,720

hmm and I've got a speech therapist in

213

00:11:08,710 --> 00:11:06,589

for a client and within half an hour

214

00:11:10,809 --> 00:11:08,720

meeting the speech therapist she turned

215

00:11:14,650 --> 00:11:10,819

around to me and she said you're from

216

00:11:16,329 --> 00:11:14,660

Bulawayo aren't you how do you work that

217

00:11:19,659 --> 00:11:16,339

out she says the certain words you say

218

00:11:23,019 --> 00:11:19,669

you know can pick your accent or only it

219

00:11:25,900 --> 00:11:23,029

was stuff like you know in up knock will

220

00:11:29,139 --> 00:11:25,910

say they'll say it master but I'll say

221

00:11:33,549 --> 00:11:29,149

master and it's just little things like

222

00:11:34,929 --> 00:11:33,559

that we you know what change yeah

223

00:11:36,309 --> 00:11:34,939

because it's something else all be

224

00:11:38,109 --> 00:11:36,319

interested me I'll get that you know

225

00:11:39,669 --> 00:11:38,119

what you you came over I know you've

226

00:11:44,889 --> 00:11:39,679

been here quite a long time but sir

227

00:11:50,819 --> 00:11:44,899

you know um my father was English it was

228

00:11:54,789 --> 00:11:50,829

from Preston my mother she was Irish so

229

00:11:57,610 --> 00:11:54,799

my father always since he did national

230

00:12:01,000 --> 00:11:57,620

service in ridicu army he's always ad

231

00:12:04,570 --> 00:12:01,010

she fate and I was a kid we moved around

232

00:12:07,810 --> 00:12:04,580

a lot and I went to think was 15 schools

233

00:12:13,030 --> 00:12:07,820

I went to because we moved around day

234

00:12:16,810 --> 00:12:13,040

mainly in South Africa you know I've let

235

00:12:18,280 --> 00:12:16,820

so when he decided well it was me more

236

00:12:22,360 --> 00:12:18,290

there really she wanted to come back to

237

00:12:26,019 --> 00:12:22,370

the UK so they came back to Preston and

238

00:12:29,950 --> 00:12:26,029

I came with them and I'll ever settled

239

00:12:32,110 --> 00:12:29,960

so but I got an apprenticeship as soon

240

00:12:35,200 --> 00:12:32,120

as the apprenticeship was over I went

241

00:12:38,650 --> 00:12:35,210

back to Raleigh Jie you know I was

242

00:12:41,500 --> 00:12:38,660

homesick book in the change so

243

00:12:44,019 --> 00:12:41,510

drastically they ended up in the Army I

244

00:12:47,680 --> 00:12:44,029

volunteered so you know I changed my

245

00:12:49,230 --> 00:12:47,690

life but it put me on the path and I

246

00:12:55,090 --> 00:12:49,240

think I'm on the right path

247

00:12:57,340 --> 00:12:55,100

hmm you know so this introduction so in

248

00:12:59,380 --> 00:12:57,350

the Army did you start developing only

249

00:13:04,720 --> 00:12:59,390

interested in the martial arts or and

250

00:13:09,010 --> 00:13:04,730

she actually yeah yeah in inside she had

251

00:13:11,140 --> 00:13:09,020

already done a bit of kungfu with a

252

00:13:13,810 --> 00:13:11,150

master over in Blackburn called Gary

253

00:13:17,110 --> 00:13:13,820

Gordon they're one of my friends at the

254

00:13:21,070 --> 00:13:17,120

time Cresselia he was like slashing

255

00:13:24,400 --> 00:13:21,080

comfort he took me along and I enjoyed

256

00:13:26,170 --> 00:13:24,410

it but we were in an abbey of going

257

00:13:27,449 --> 00:13:26,180

training for a few I was a nun going

258

00:13:31,360 --> 00:13:27,459

again he totally drunk

259

00:13:34,210 --> 00:13:31,370

it was my point was and the day after

260

00:13:38,199 --> 00:13:34,220

I'm forgetting what we'd learn so you

261

00:13:41,170 --> 00:13:38,209

know it is for my interest but when I

262

00:13:43,900 --> 00:13:41,180

was in the Army I was watching an

263

00:13:47,199 --> 00:13:43,910

American veteran who joined the obvious

264

00:13:50,470 --> 00:13:47,209

and he was doing Tai Chi so I was like

265

00:13:53,890 --> 00:13:50,480

curious because I'd seen it before so he

266

00:13:56,829 --> 00:13:53,900

started taking me I don't after the army

267

00:13:59,500 --> 00:13:56,839

obviously I learnt a few or non combat

268

00:14:01,540 --> 00:13:59,510

techniques and stuff but after the army

269

00:14:05,980 --> 00:14:01,550

I got just I took it on board very

270

00:14:09,320 --> 00:14:05,990

seriously and I'm now obviously a master

271

00:14:14,870 --> 00:14:09,330

but I'm 750 great whites I hmm

272

00:14:17,060 --> 00:14:14,880

so you know I've got it I I'm I only

273

00:14:21,440 --> 00:14:17,070

teach for students now you know

274

00:14:25,400 --> 00:14:21,450

privately their friends hmm he came up

275

00:14:29,180 --> 00:14:25,410

hull a few year ago it's quite funny

276

00:14:31,880 --> 00:14:29,190

really because one of them's I think

277

00:14:36,829 --> 00:14:31,890

he's 41 now and you're the three they're

278

00:14:41,120 --> 00:14:36,839

all like young lads 24 25 but this one

279

00:14:45,560 --> 00:14:41,130

night we were we were out and obviously

280

00:14:48,199 --> 00:14:45,570

we're in a young person's place and one

281

00:14:51,710 --> 00:14:48,209

of them said to me said Robert keeps

282

00:14:54,500 --> 00:14:51,720

looking at you and I way I actually

283

00:14:56,240 --> 00:14:54,510

she's bonny girl how ain't she over in a

284

00:14:59,480 --> 00:14:56,250

minute she's over talking to me

285

00:15:02,000 --> 00:14:59,490

so all these lads are like how did he do

286

00:15:04,730 --> 00:15:02,010

that that's like cheating isn't it I'm

287

00:15:09,560 --> 00:15:04,740

going nah I think telling me was it or

288

00:15:12,620 --> 00:15:09,570

longer but you know I just said no I

289

00:15:14,440 --> 00:15:12,630

don't know he's not the Gino here in a

290

00:15:17,600 --> 00:15:14,450

week later the same thing happened again

291

00:15:21,590 --> 00:15:17,610

and they were like nicely did she

292

00:15:24,800 --> 00:15:21,600

teaches Tai Chi so I did I started

293

00:15:27,199 --> 00:15:24,810

teaching them but we're at a point now

294

00:15:29,120 --> 00:15:27,209

where they're interested in the healings

295

00:15:31,310 --> 00:15:29,130

I love it and they're interested

296

00:15:34,970 --> 00:15:31,320

certainly in the paranormal side of it

297

00:15:38,420 --> 00:15:34,980

and experiencing spirit and Goff's and

298

00:15:40,940 --> 00:15:38,430

things hmm you know I was like jag I

299

00:15:42,829 --> 00:15:40,950

teach him every Wednesday night and

300

00:15:45,470 --> 00:15:42,839

tonight there's a guy coming around he's

301  
00:15:47,900 --> 00:15:45,480  
got bad bike so they're gonna do healing

302  
00:15:48,610 --> 00:15:47,910  
on him they don't know yet but that's

303  
00:15:52,370 --> 00:15:48,620  
the plan

304  
00:15:55,699 --> 00:15:52,380  
interesting yeah no he came about two

305  
00:15:58,490 --> 00:15:55,709  
years ago and you know same thing bad

306  
00:16:00,350 --> 00:15:58,500  
bike he only had the one session and

307  
00:16:04,639 --> 00:16:00,360  
he's never had a problem seems to like

308  
00:16:06,139 --> 00:16:04,649  
couple weeks ago so you know what it

309  
00:16:09,319 --> 00:16:06,149  
whatever I'm teaching these logic is

310  
00:16:11,030 --> 00:16:09,329  
right they're doing it you know so with

311  
00:16:12,620 --> 00:16:11,040  
cheat you actually understand what it is

312  
00:16:17,610 --> 00:16:12,630  
you're doing or was it something within

313  
00:16:21,360 --> 00:16:17,620

you that some that you can't explain

314

00:16:24,690 --> 00:16:21,370

part of its something within me because

315

00:16:28,620 --> 00:16:24,700

I've listened to everybody else you know

316

00:16:31,230 --> 00:16:28,630

the top he was and stuff and it I'm not

317

00:16:33,690 --> 00:16:31,240

gonna slag them off or say the wrong

318

00:16:36,660 --> 00:16:33,700

because he's their journey and he's

319

00:16:39,020 --> 00:16:36,670

their understanding of what it is but

320

00:16:41,190 --> 00:16:39,030

some of it I do laugh at you know they

321

00:16:44,040 --> 00:16:41,200

it's like everything else you get you

322

00:16:47,070 --> 00:16:44,050

sick snake oil salesman in it here but

323

00:16:47,810 --> 00:16:47,080

for anybody I will say it comes from

324

00:16:50,970 --> 00:16:47,820

within

325

00:16:55,080 --> 00:16:50,980

hmm whatever you wanna call it you call

326

00:16:57,030 --> 00:16:55,090

it up because I mean your video copy now

327

00:16:59,550 --> 00:16:57,040

I'm gonna put this on I should put a

328

00:17:03,500 --> 00:16:59,560

link to the the video on my paranormal

329

00:17:06,990 --> 00:17:03,510

dimension site yeah the listeners page

330

00:17:08,790 --> 00:17:07,000

you going through those tiles I just it

331

00:17:10,290 --> 00:17:08,800

just looks the impossible possible

332

00:17:13,319 --> 00:17:10,300

any possible thing to do or it would be

333

00:17:14,670 --> 00:17:13,329

for me anyway but which I see you do you

334

00:17:17,220 --> 00:17:14,680

seem to just slice through it like

335

00:17:18,929 --> 00:17:17,230

butter and it just it's just

336

00:17:20,819 --> 00:17:18,939

unbelievable really because you've got

337

00:17:22,949 --> 00:17:20,829

to world records I've been there once

338

00:17:25,829 --> 00:17:22,959

for the year breaking tiles and the

339

00:17:28,350 --> 00:17:25,839

other ones for the chopsticks to your

340

00:17:30,870 --> 00:17:28,360

throat isn't it yeah which is a another

341

00:17:32,790 --> 00:17:30,880

scary thing that you think that would go

342

00:17:37,650 --> 00:17:32,800

through most people throat what you did

343

00:17:41,400 --> 00:17:37,660

Oh couple years ago demonstrated either

344

00:17:44,370 --> 00:17:41,410

prob conference where I had a lady hold

345

00:17:47,070 --> 00:17:44,380

the sword against my throat I pushed him

346

00:17:52,470 --> 00:17:47,080

by audience she fell over I can't be a

347

00:17:53,910 --> 00:17:52,480

thing about it's just a look at some of

348

00:17:55,440 --> 00:17:53,920

your videos I'll say yeah when you were

349

00:17:57,840 --> 00:17:55,450

standing on your fingers as well and

350

00:18:03,750 --> 00:17:57,850

laning against the walk really hurts me

351

00:18:05,190 --> 00:18:03,760

fingers just looking at it yeah that's

352

00:18:07,620 --> 00:18:05,200

what I'm saying it's something some sort

353

00:18:09,930 --> 00:18:07,630

of a weird boy to me it's some sort of a

354

00:18:12,180 --> 00:18:09,940

paranormal power I can't put it any

355

00:18:14,040 --> 00:18:12,190

other way so what's that unless we've

356

00:18:16,050 --> 00:18:14,050

all got it but we don't know how to

357

00:18:19,830 --> 00:18:16,060

manipulate you use it is that it would

358

00:18:22,080 --> 00:18:19,840

that be the case I don't know yeah well

359

00:18:23,880 --> 00:18:22,090

I do it through the martial arts and

360

00:18:26,580 --> 00:18:23,890

food healing where I'm controlling and

361

00:18:29,640 --> 00:18:26,590

manipulating it and you know to protect

362

00:18:34,460 --> 00:18:29,650

my body and then projecting

363

00:18:37,050 --> 00:18:34,470

to hurt somebody or heal one your eyes I

364

00:18:39,720 --> 00:18:37,060

mean can you imagine meeting somebody

365

00:18:42,680 --> 00:18:39,730

like a and concrete slab no that's what

366

00:18:45,630 --> 00:18:42,690

I'm saying it's so killin yeah you know

367

00:18:47,610 --> 00:18:45,640

it's and that's where a lot of the

368

00:18:49,950 --> 00:18:47,620

degree of control comes in from your own

369

00:18:52,950 --> 00:18:49,960

point of view doesn't it that's right

370

00:18:54,450 --> 00:18:52,960

yeah you know you just got to have a

371

00:18:58,040 --> 00:18:54,460

locker being a piece to praveen you

372

00:19:00,480 --> 00:18:58,050

everything otherwise it's one of the big

373

00:19:03,630 --> 00:19:00,490

we have one of the big test for me he

374

00:19:07,800 --> 00:19:03,640

was going through my last divorce hmm

375

00:19:12,260 --> 00:19:07,810

I was pushed to the limit by quite a few

376

00:19:16,260 --> 00:19:12,270

people but especially my ex-wife and I

377

00:19:17,370 --> 00:19:16,270

didn't do what anybody was expecting you

378

00:19:20,640 --> 00:19:17,380

know I him

379

00:19:22,770 --> 00:19:20,650

even now people said to me God you went

380

00:19:27,570 --> 00:19:22,780

through hell but you just like smiled

381

00:19:29,010 --> 00:19:27,580

and the answer is I wasn't playing there

382

00:19:32,220 --> 00:19:29,020

again hmm

383

00:19:33,780 --> 00:19:32,230

you know the day she left that was it it

384

00:19:35,630 --> 00:19:33,790

was longer and I know where you're

385

00:19:40,200 --> 00:19:35,640

coming from brother because I've ever

386

00:19:42,330 --> 00:19:40,210

thought that myself it's easy to yeah

387

00:19:43,400 --> 00:19:42,340

it's actually carried an attachment with

388

00:19:47,130 --> 00:19:43,410

you hmm

389

00:19:49,050 --> 00:19:47,140

it was like nah I've got to practice

390

00:19:53,370 --> 00:19:49,060

what I preach and put my martial arts

391

00:19:55,830 --> 00:19:53,380

into practice you know peace of mind

392

00:19:59,670 --> 00:19:55,840

you stick arm in your mind you're gonna

393

00:20:03,150 --> 00:19:59,680

win whatever hmm you know I did and I

394

00:20:05,160 --> 00:20:03,160

did you know okay uh I've not seen my

395

00:20:08,190 --> 00:20:05,170

three youngest children since then but

396

00:20:11,220 --> 00:20:08,200

hmm in my mind and in my heart I want

397

00:20:15,840 --> 00:20:11,230

because I didn't react the way she

398

00:20:17,610 --> 00:20:15,850

wanted me to you know at the end of I

399

00:20:18,540 --> 00:20:17,620

think she wanted me to react in a

400

00:20:21,780 --> 00:20:18,550

negative way

401  
00:20:24,480 --> 00:20:21,790  
hmm get me arrested and Garcia solved

402  
00:20:28,260 --> 00:20:24,490  
yet blah blah blah Bly's violent and all

403  
00:20:31,810 --> 00:20:28,270  
this which she's not telling my youngest

404  
00:20:34,930 --> 00:20:31,820  
door is to beat my youngest daughter

405  
00:20:37,210 --> 00:20:34,940  
it's like disgusting and lock and you

406  
00:20:38,379 --> 00:20:37,220  
get ya know it might be quite feel quite

407  
00:20:42,119 --> 00:20:38,389  
saying that so you really told me about

408  
00:20:44,049 --> 00:20:42,129  
your your children yeah you know it's um

409  
00:20:47,529 --> 00:20:44,059  
it's not any of these thing to go

410  
00:20:49,810 --> 00:20:47,539  
through is it it's so content no you

411  
00:20:51,609 --> 00:20:49,820  
know I just really really no matter how

412  
00:20:54,369 --> 00:20:51,619  
bad a person you are and you're not in

413  
00:20:58,090 --> 00:20:54,379

any way shape or form but say it nobody

414

00:21:00,489 --> 00:20:58,100

deserves that oh all my friends even you

415

00:21:04,779 --> 00:21:00,499

was Bob they'd be like even our own

416

00:21:06,999 --> 00:21:04,789

parents did do I can't believe what she

417

00:21:09,339 --> 00:21:07,009

put me through and didn't stop in me

418

00:21:10,320 --> 00:21:09,349

saying that kids cuz then kids went

419

00:21:13,180 --> 00:21:10,330

everywhere with me

420

00:21:16,210 --> 00:21:13,190

mmm you know if I just went to shop

421

00:21:18,399 --> 00:21:16,220

they'd come to shop with me if I went

422

00:21:22,180 --> 00:21:18,409

off to a martial arts conference they

423

00:21:25,779 --> 00:21:22,190

came with me you know they they were

424

00:21:28,200 --> 00:21:25,789

part of me so she wanted to hurt me and

425

00:21:31,839 --> 00:21:28,210

that was the only way she could do it

426

00:21:34,320 --> 00:21:31,849

so yes Andrea if you listening you did

427

00:21:37,599 --> 00:21:34,330

hurt me I hope you're happy

428

00:21:40,359 --> 00:21:37,609

well well if she is listening in them

429

00:21:43,119 --> 00:21:40,369

that's right this is nothing I can say

430

00:21:45,369 --> 00:21:43,129

to make anything any easier for you but

431

00:21:47,560 --> 00:21:45,379

you know you know a thought something

432

00:21:50,769 --> 00:21:47,570

with you yeah people don't know about

433

00:21:53,019 --> 00:21:50,779

this story that's not it's not nice it's

434

00:21:54,849 --> 00:21:53,029

not and you know I'm not the only one

435

00:21:58,629 --> 00:21:54,859

that's going through it no now of course

436

00:22:01,119 --> 00:21:58,639

you know at the time somebody handed me

437

00:22:04,570 --> 00:22:01,129

a video recorded it from the say they

438

00:22:07,210 --> 00:22:04,580

and it was Bob Geldof he was going

439

00:22:09,820 --> 00:22:07,220

through a very similar thing and he

440

00:22:12,580 --> 00:22:09,830

started questioning you know family law

441

00:22:15,339 --> 00:22:12,590

in the judiciary and the way it was

442

00:22:19,180 --> 00:22:15,349

going and yeah it was what happened

443

00:22:21,909 --> 00:22:19,190

tonight so if I'm a man of his stature

444

00:22:24,940 --> 00:22:21,919

and money yeah if it can happen to him

445

00:22:28,269 --> 00:22:24,950

it can up to any of us saw yeah oh no no

446

00:22:32,739 --> 00:22:28,279

and it did but it got me interesting in

447

00:22:35,499 --> 00:22:32,749

law and you know I have a quite a good

448

00:22:38,889 --> 00:22:35,509

understanding now of law and were we

449

00:22:40,720 --> 00:22:38,899

stand within English common law and the

450

00:22:42,789 --> 00:22:40,730

action statutes that are enforced upon

451  
00:22:44,470 --> 00:22:42,799  
us yeah that's something that's quite

452  
00:22:45,440 --> 00:22:44,480  
mind-blowing it the things we actually

453  
00:22:48,440 --> 00:22:45,450  
don't know what

454  
00:22:50,539 --> 00:22:48,450  
out there what we can actually do about

455  
00:22:52,730 --> 00:22:50,549  
things which we don't we just stand up

456  
00:22:56,330 --> 00:22:52,740  
on standby and let them do it a lot

457  
00:22:59,779 --> 00:22:56,340  
really a lot of the time yeah you know

458  
00:23:02,180 --> 00:22:59,789  
it's one of the first things I chuckled

459  
00:23:03,490 --> 00:23:02,190  
was the council tax and looking at that

460  
00:23:07,759 --> 00:23:03,500  
hmm

461  
00:23:09,470 --> 00:23:07,769  
it's actually unlawful it's not illegal

462  
00:23:13,549 --> 00:23:09,480  
but it's unlawful and there's a

463  
00:23:15,350 --> 00:23:13,559

difference between lawful and legal when

464

00:23:21,279 --> 00:23:15,360

you get your head round that you can do

465

00:23:25,100 --> 00:23:21,289

something about it no for most people

466

00:23:27,169 --> 00:23:25,110

the first contact with being on the

467

00:23:31,549 --> 00:23:27,179

wrong side of the law only get arrested

468

00:23:34,789 --> 00:23:31,559

or just like say a motoring offense

469

00:23:37,750 --> 00:23:34,799

where the police pull you over no go

470

00:23:40,009 --> 00:23:37,760

right now I'm going to report you for

471

00:23:43,909 --> 00:23:40,019

you Bob tire on your car

472

00:23:46,460 --> 00:23:43,919

do you understand and the minute you say

473

00:23:51,169 --> 00:23:46,470

yes I understand you've gone into a

474

00:23:55,570 --> 00:23:51,179

contract and you've formed a joiner and

475

00:24:00,590 --> 00:23:55,580

that's where the of you then because you

476

00:24:03,950 --> 00:24:00,600

know to stand or be in they don't speak

477

00:24:07,159 --> 00:24:03,960

English they speak legalese hmm the

478

00:24:12,289 --> 00:24:07,169

trickier into it dude you're not better

479

00:24:15,110 --> 00:24:12,299

than highway robbers on the highway we

480

00:24:19,450 --> 00:24:15,120

just got a really nice way of doing it

481

00:24:25,940 --> 00:24:19,460

and everybody thinks it's the right way

482

00:24:27,320 --> 00:24:25,950

essentially it's not hmm I mean I mean

483

00:24:29,899 --> 00:24:27,330

the thing is that what can you actually

484

00:24:32,720 --> 00:24:29,909

I think most people would be sort of too

485

00:24:33,860 --> 00:24:32,730

frightened to sort of deal with that

486

00:24:35,360 --> 00:24:33,870

that wouldn't know you know you know

487

00:24:36,289 --> 00:24:35,370

will you just say yes sir bit three

488

00:24:38,180 --> 00:24:36,299

baseball sir

489

00:24:40,879 --> 00:24:38,190

and sort of just let them do what they

490

00:24:41,990 --> 00:24:40,889

do I suppose if you said nothing I

491

00:24:46,129 --> 00:24:42,000

suppose that would make the difference

492

00:24:49,669 --> 00:24:46,139

with it you know we're yeah because you

493

00:24:51,080 --> 00:24:49,679

ask any barrister or worldwide they'll

494

00:24:54,110 --> 00:24:51,090

say do not talk to the police

495

00:24:56,450 --> 00:24:54,120

hmm simply you open your mouth you

496

00:24:59,690 --> 00:24:56,460

making a commitment and you you're gonna

497

00:25:03,440 --> 00:25:01,130

you're not obliged to say anything but

498

00:25:05,389 --> 00:25:03,450

if you do say you know that's that's

499

00:25:09,200 --> 00:25:05,399

where that comes from is it doesn't

500

00:25:11,750 --> 00:25:09,210

correct that yeah and another thing most

501  
00:25:14,330 --> 00:25:11,760  
people don't get around is when you do

502  
00:25:17,419 --> 00:25:14,340  
get arrested you're taken into

503  
00:25:20,330 --> 00:25:17,429  
protective custody and that comes back

504  
00:25:24,110 --> 00:25:20,340  
from the days of like mob rule and

505  
00:25:26,840 --> 00:25:24,120  
lynchings we can stub all he would move

506  
00:25:31,549 --> 00:25:26,850  
in and arrest you for your protection

507  
00:25:36,289 --> 00:25:31,559  
and Stu protective custody so the of an

508  
00:25:45,590 --> 00:25:36,299  
obligation once you're arrested not to

509  
00:25:48,049 --> 00:25:45,600  
take you in a bit you a couple of

510  
00:25:57,549 --> 00:25:48,059  
degrees Avenue in engineering and Social

511  
00:26:01,639 --> 00:25:57,559  
Work and education apprenticeship in

512  
00:26:03,680 --> 00:26:01,649  
engineering pattern making that gave me

513  
00:26:07,610 --> 00:26:03,690

a very strong interest in mythology

514

00:26:10,850 --> 00:26:07,620

which is where I have my mondegreen and

515

00:26:12,590 --> 00:26:10,860

Salahi right because there is that

516

00:26:15,080 --> 00:26:12,600

there's a paranormal aspects of emitter

517

00:26:16,129 --> 00:26:15,090

emits the memo I'll say mister mister

518

00:26:21,139 --> 00:26:16,139

ology is it

519

00:26:23,810 --> 00:26:21,149

yeah mythology yeah yeah I remember

520

00:26:28,039 --> 00:26:23,820

going to see a psychic the years ago I

521

00:26:30,080 --> 00:26:28,049

was in our finger sure he was he was

522

00:26:33,440 --> 00:26:30,090

called Tom I think you would call and he

523

00:26:34,310 --> 00:26:33,450

just said to me you're an alchemist yeah

524

00:26:36,049 --> 00:26:34,320

that's what I was going to say The

525

00:26:37,490 --> 00:26:36,059

Alchemist third part of it comes into it

526

00:26:40,629 --> 00:26:37,500

while looking at him up or how do you

527

00:26:45,500 --> 00:26:40,639

work that out you know how to use metals

528

00:26:50,990 --> 00:26:45,510

and I was like wow or impress me you

529

00:26:54,409 --> 00:26:51,000

know especially without there so there's

530

00:26:58,580 --> 00:26:54,419

a program on the TV and on the internet

531

00:27:01,480 --> 00:26:58,590

now called forged in fire oh I watch it

532

00:27:04,759 --> 00:27:01,490

really Jesus Leon loved it hmm you know

533

00:27:06,440 --> 00:27:04,769

I just like working with metals but

534

00:27:08,950 --> 00:27:06,450

especially that because they're making

535

00:27:12,220 --> 00:27:08,960

edged weapons which eases

536

00:27:14,770 --> 00:27:12,230

one of my hobbies you know obviously

537

00:27:21,070 --> 00:27:14,780

with martial arts and swords and stuff

538

00:27:22,900 --> 00:27:21,080

yeah yeah yeah he's interested I don't

539

00:27:24,310 --> 00:27:22,910

really know much about the alchemy side

540

00:27:27,070 --> 00:27:24,320

of it but I know there was some sort of

541

00:27:28,450 --> 00:27:27,080

a kind of a paranormal connection to

542

00:27:31,570 --> 00:27:28,460

whether you call that how can we a

543

00:27:36,430 --> 00:27:31,580

paranormal operation I don't know but

544

00:27:41,140 --> 00:27:36,440

it's a it got to the blacksmith or the

545

00:27:43,660 --> 00:27:41,150

forger working the metal oh let's just

546

00:27:45,490 --> 00:27:43,670

take these samurai sword because

547

00:27:49,090 --> 00:27:45,500

everybody knows what the summer I saw it

548

00:27:51,850 --> 00:27:49,100

is and the metal worker will fold it

549

00:27:53,890 --> 00:27:51,860

thousands of times to get different

550

00:27:58,990 --> 00:27:53,900

waves to get so they'll give a decent

551  
00:28:02,440 --> 00:27:59,000  
edge but in it he's putting his spirit

552  
00:28:02,800 --> 00:28:02,450  
or his Chi into well into the working of

553  
00:28:08,560 --> 00:28:02,810  
it

554  
00:28:11,260 --> 00:28:08,570  
said by many people they'll pick up a

555  
00:28:15,450 --> 00:28:11,270  
samurai sword and they can feel the

556  
00:28:19,480 --> 00:28:15,460  
energy of it but it's the same with any

557  
00:28:21,370 --> 00:28:19,490  
edged weapon if it's made correctly with

558  
00:28:25,270 --> 00:28:21,380  
the love and the spirit of the

559  
00:28:26,860 --> 00:28:25,280  
blacksmith his energies in it no that's

560  
00:28:30,000 --> 00:28:26,870  
when I get the legend of Excalibur

561  
00:28:34,290 --> 00:28:30,010  
things are there isn't it maybe yeah I

562  
00:28:38,310 --> 00:28:34,300  
believe that the legend of Excalibur was

563  
00:28:41,580 --> 00:28:38,320

you know I King Arthur withdrew it from

564

00:28:45,850 --> 00:28:41,590

from the storm but he used to cast

565

00:28:48,700 --> 00:28:45,860

bronze swords installed so maybe that's

566

00:28:51,220 --> 00:28:48,710

where the legend comes from there's some

567

00:28:54,970 --> 00:28:51,230

fascinating stuff in it frankly sir you

568

00:28:58,570 --> 00:28:54,980

know what you want to talk a bit about

569

00:29:00,280 --> 00:28:58,580

your spiritual healing or because I are

570

00:29:01,890 --> 00:29:00,290

you also distant ghost hunts and things

571

00:29:04,510 --> 00:29:01,900

I'm not going to connect the two but

572

00:29:09,480 --> 00:29:04,520

obviously spirit comes in through a lot

573

00:29:14,590 --> 00:29:09,490

of what you do I first really embraced

574

00:29:18,130 --> 00:29:14,600

who I was spiritually within six months

575

00:29:20,350 --> 00:29:18,140

I was doing tarot readings and spirit

576

00:29:23,980 --> 00:29:20,360

you know clairvoyant readings that

577

00:29:27,100 --> 00:29:23,990

like occurs and it was at one psychic

578

00:29:29,980 --> 00:29:27,110

fair I might be dead with roughly he was

579

00:29:32,890 --> 00:29:29,990

a spiritual healer and he was working

580

00:29:34,890 --> 00:29:32,900

around the aura of a this woman and it

581

00:29:39,190 --> 00:29:34,900

were fascinating miss I was watching it

582

00:29:40,980 --> 00:29:39,200

so afterwards when we were packing away

583

00:29:45,130 --> 00:29:40,990

our know it talking to him and I said

584

00:29:46,900 --> 00:29:45,140

were you working on the Qi and he goes

585

00:29:48,490 --> 00:29:46,910

yeah whatever you want to call it you

586

00:29:51,130 --> 00:29:48,500

know I was working on their energy I'm a

587

00:29:52,510 --> 00:29:51,140

healer fascinating because I was

588

00:29:55,870 --> 00:29:52,520

watching you and I was watching the

589

00:29:59,110 --> 00:29:55,880

colors change and what he was doing so

590

00:30:02,260 --> 00:29:59,120

he it was like all dear hands of Hope so

591

00:30:05,350 --> 00:30:02,270

he felt my G and he said you got very

592

00:30:08,650 --> 00:30:05,360

powerful Chi can I teach you spiritual

593

00:30:10,960 --> 00:30:08,660

healing so I could the long story short

594

00:30:15,310 --> 00:30:10,970

yes he did and took them talk too few

595

00:30:19,600 --> 00:30:15,320

years after it I thought probably about

596

00:30:21,490 --> 00:30:19,610

20 people healing since then but also at

597

00:30:24,549 --> 00:30:21,500

that same time I was doing oh what a

598

00:30:28,090 --> 00:30:24,559

ghost haunting and I did some girls on

599

00:30:33,669 --> 00:30:28,100

team we Jess and Karl it was the first

600

00:30:35,320 --> 00:30:33,679

presenter on more started the he asked

601  
00:30:36,850 --> 00:30:35,330  
me what I do it boy

602  
00:30:39,549 --> 00:30:36,860  
i struggling through the divorce at the

603  
00:30:43,030 --> 00:30:39,559  
time I'm glad was trashed so I didn't

604  
00:30:49,090 --> 00:30:43,040  
want to make any kind of commitment but

605  
00:30:52,030 --> 00:30:49,100  
yeah did the road he's taking me down

606  
00:30:55,930 --> 00:30:52,040  
has made me realize and now physics back

607  
00:30:59,140 --> 00:30:55,940  
this up that the universe that we see

608  
00:31:01,270 --> 00:30:59,150  
and feel around this is only part of a

609  
00:31:06,070 --> 00:31:01,280  
multi universe multi-dimensional

610  
00:31:09,390 --> 00:31:06,080  
universe and the Higgs boson particle or

611  
00:31:11,500 --> 00:31:09,400  
the god particle proves this hmm that

612  
00:31:12,220 --> 00:31:11,510  
there are things outside of this

613  
00:31:15,430 --> 00:31:12,230

universe

614

00:31:17,350 --> 00:31:15,440

hmm a couple of cell or a couple of

615

00:31:20,830 --> 00:31:17,360

miles before a so that's the reason I

616

00:31:23,260 --> 00:31:20,840

named this show you know what dimensions

617

00:31:24,909 --> 00:31:23,270

because of that I've quite I feel quite

618

00:31:27,070 --> 00:31:24,919

strongly about the dimension of excess

619

00:31:29,850 --> 00:31:27,080

spectrum everything but sorry Elijah

620

00:31:32,090 --> 00:31:29,860

dying strapped is interrupted no he's

621

00:31:35,240 --> 00:31:32,100

right

622

00:31:36,670 --> 00:31:35,250

you know people I've taught psyche to

623

00:31:39,590 --> 00:31:36,680

over the years

624

00:31:42,170 --> 00:31:39,600

the sooner related he starts to

625

00:31:45,400 --> 00:31:42,180

experience what everybody would call a

626

00:31:48,770 --> 00:31:45,410

paranormal hmm I just call it normal

627

00:31:51,200 --> 00:31:48,780

well yeah I mean it's normal so some of

628

00:31:52,640 --> 00:31:51,210

us isn't it you know it's yeah I think

629

00:31:56,090 --> 00:31:52,650

it's only parent or what are the people

630

00:31:58,130 --> 00:31:56,100

that kind of only outside a bit really

631

00:31:59,510 --> 00:31:58,140

yeah I think they like to call it

632

00:32:03,770 --> 00:31:59,520

paranormal because they're actually

633

00:32:05,810 --> 00:32:03,780

scared of it yeah you know it's there's

634

00:32:07,970 --> 00:32:05,820

something within the human psyche if

635

00:32:09,950 --> 00:32:07,980

they don't know what it is they're

636

00:32:16,160 --> 00:32:09,960

instantly scared of it yes I'm a

637

00:32:18,110 --> 00:32:16,170

paranormal or abnormal yeah so usually

638

00:32:19,550 --> 00:32:18,120

you get the laughter you know nice Oh

639

00:32:22,160 --> 00:32:19,560

nervous laugh hmm

640

00:32:24,950 --> 00:32:22,170

but yeah the people I've been teaching

641

00:32:27,800 --> 00:32:24,960

and that you know you get the odd one or

642

00:32:30,860 --> 00:32:27,810

come on god I saw colors around that

643

00:32:34,070 --> 00:32:30,870

person like that's you or you start to

644

00:32:36,140 --> 00:32:34,080

see as well as feel it and they're like

645

00:32:39,080 --> 00:32:36,150

wow and then we thought this would exist

646

00:32:42,100 --> 00:32:39,090

you know I'm blown away

647

00:32:46,340 --> 00:32:42,110

the older I've got I've realized that

648

00:32:48,950 --> 00:32:46,350

it's you know again it's not that

649

00:32:52,070 --> 00:32:48,960

paranormal it is normal for human beings

650

00:32:54,650 --> 00:32:52,080

to be this way hmm I mean I could I've

651  
00:32:57,050 --> 00:32:54,660  
seen auras myself but I can't see colors

652  
00:33:00,680 --> 00:32:57,060  
all I can see is like a gray like a gray

653  
00:33:04,370 --> 00:33:00,690  
shape around people when you start keep

654  
00:33:06,050 --> 00:33:04,380  
practicing yeah yeah I suppose that's

655  
00:33:07,970 --> 00:33:06,060  
pretty easy that yeah it's the suppose

656  
00:33:10,370 --> 00:33:07,980  
if you keep practicing year after year

657  
00:33:12,440 --> 00:33:10,380  
it would get better but some I didn't

658  
00:33:14,150 --> 00:33:12,450  
know what you mean about your it quite I

659  
00:33:17,720 --> 00:33:14,160  
was quite amazed bought myself the first

660  
00:33:22,310 --> 00:33:17,730  
time I saw it you know yeah it is

661  
00:33:25,430 --> 00:33:22,320  
actually arising you know like you said

662  
00:33:27,650 --> 00:33:25,440  
up there example last week we do group

663  
00:33:30,800 --> 00:33:27,660

the lights I'm teaching one of them

664

00:33:31,490 --> 00:33:30,810

sensitive spirit what came into the room

665

00:33:35,540 --> 00:33:31,500

mm-hm

666

00:33:37,210 --> 00:33:35,550

so you know he he's got that open mind

667

00:33:41,770 --> 00:33:37,220

for it

668

00:33:44,200 --> 00:33:41,780

he's analytical which is good but he has

669

00:33:47,350 --> 00:33:44,210

eye open mind and he stayed sucks for

670

00:33:50,260 --> 00:33:47,360

you and say hi but people do hmm

671

00:33:53,340 --> 00:33:50,270

and people are frightened to talk about

672

00:33:57,700 --> 00:33:53,350

it as well because I get a lot of people

673

00:34:00,250 --> 00:33:57,710

will come to me and they'll say I mean

674

00:34:02,410 --> 00:34:00,260

father died on my wife died dolls been

675

00:34:04,870 --> 00:34:02,420

dying whatever and then three four

676

00:34:07,720 --> 00:34:04,880

nights later he came in bedroom and sat

677

00:34:10,450 --> 00:34:07,730

on my bed and I could feel one more I

678

00:34:13,450 --> 00:34:10,460

could smell and or could actually see

679

00:34:15,070 --> 00:34:13,460

them and a lot of people experienced up

680

00:34:18,670 --> 00:34:15,080

but the two friends who even tell their

681

00:34:22,360 --> 00:34:18,680

own family the fear of ridicule and I

682

00:34:25,420 --> 00:34:22,370

also found this we reptilians well now

683

00:34:29,560 --> 00:34:25,430

our first experience one anand spoke

684

00:34:32,860 --> 00:34:29,570

about it all the people say speaking

685

00:34:35,590 --> 00:34:32,870

about it and a lot a lot of people come

686

00:34:38,680 --> 00:34:35,600

to me for help because they live a

687

00:34:41,440 --> 00:34:38,690

problem we reptilians you know I can't

688

00:34:44,040 --> 00:34:41,450

really help them but half the time just

689

00:34:48,730 --> 00:34:44,050

by talking about it and accepting that

690

00:34:53,200 --> 00:34:48,740

they are a real phenomenon people get a

691

00:34:56,980 --> 00:34:53,210

bit of Solace from it but I've met three

692

00:34:59,650 --> 00:34:56,990

independent people David who were all ex

693

00:35:03,910 --> 00:34:59,660

Paris you know a British partying

694

00:35:05,920 --> 00:35:03,920

British parachute regiment and did none

695

00:35:08,530 --> 00:35:05,930

of them knew each other but the earth

696

00:35:12,550 --> 00:35:08,540

spoke of an island up in Scotland and

697

00:35:14,820 --> 00:35:12,560

only Joe spoke of reptilians and I was

698

00:35:19,000 --> 00:35:14,830

like just blown away

699

00:35:22,050 --> 00:35:19,010

one of them committed suicide he said

700

00:35:26,920 --> 00:35:22,060

the reptilians were after him

701  
00:35:29,680 --> 00:35:26,930  
which was very sad it was his mom who

702  
00:35:33,100 --> 00:35:29,690  
got in touch with me first asked me if

703  
00:35:35,410 --> 00:35:33,110  
I'd help him I said I'll try but doing

704  
00:35:37,840 --> 00:35:35,420  
nothing and then it was about two years

705  
00:35:40,330 --> 00:35:37,850  
later you hear on me it was about three

706  
00:35:43,840 --> 00:35:40,340  
o'clock in the morning here on me out of

707  
00:35:45,700 --> 00:35:43,850  
the blue and said the reptilians were

708  
00:35:46,980 --> 00:35:45,710  
outside his room they were after getting

709  
00:35:52,740 --> 00:35:46,990  
him

710  
00:35:57,450 --> 00:35:52,750  
spot to the police he said the same

711  
00:36:00,330 --> 00:35:57,460  
thing so whatever was going on in his

712  
00:36:01,980 --> 00:36:00,340  
mind or whatever was happening it was

713  
00:36:04,470 --> 00:36:01,990

very real for him hmm

714

00:36:07,920 --> 00:36:04,480

to the point where he did take his life

715

00:36:10,040 --> 00:36:07,930

or and allegedly took his life because

716

00:36:14,490 --> 00:36:10,050

he was left down didn't he was a

717

00:36:17,760 --> 00:36:14,500

right-handed cut across his table so we

718

00:36:21,440 --> 00:36:17,770

don't know but I was the last person he

719

00:36:26,130 --> 00:36:23,880

mm-hmm

720

00:36:27,510 --> 00:36:26,140

I was actually gonna lead you in so I

721

00:36:29,960 --> 00:36:27,520

asked you about the reptilians but

722

00:36:33,570 --> 00:36:29,970

you've sort of let in suit yourself so

723

00:36:36,870 --> 00:36:33,580

they do a very real phenomenon you know

724

00:36:40,500 --> 00:36:36,880

I did again it's this multi-dimensional

725

00:36:43,980 --> 00:36:40,510

universe these different species of

726

00:36:48,030 --> 00:36:43,990

reptilians some live on the plane we

727

00:36:50,640 --> 00:36:48,040

live on underground different cultures

728

00:36:55,830 --> 00:36:50,650

around the world speak about and you

729

00:36:58,800 --> 00:36:55,840

know another Sioux Indians had certain

730

00:37:03,599 --> 00:36:58,810

groups of warriors that went hunting for

731

00:37:04,500 --> 00:37:03,609

them at night not to kill them but then

732

00:37:05,870 --> 00:37:04,510

there's others which are

733

00:37:08,070 --> 00:37:05,880

multi-dimensional

734

00:37:11,880 --> 00:37:08,080

the one I saw was certainly

735

00:37:14,880 --> 00:37:11,890

multi-dimensional he came through the

736

00:37:18,570 --> 00:37:14,890

body of the person in my lounge like

737

00:37:22,260 --> 00:37:18,580

shape-shifted so I saw that plain as day

738

00:37:24,840 --> 00:37:22,270

and he was just it's mind-blowing really

739

00:37:26,880 --> 00:37:24,850

actually see it so what I actually like

740

00:37:28,800 --> 00:37:26,890

to in your mind are they actually link

741

00:37:32,640 --> 00:37:28,810

to somebody permanently or do they come

742

00:37:36,900 --> 00:37:32,650

through on occasion from from another

743

00:37:39,990 --> 00:37:36,910

dimension you don't know I don't know

744

00:37:42,060 --> 00:37:40,000

but the research you've been doing do

745

00:37:47,880 --> 00:37:42,070

you like a certain blood group which is

746

00:37:49,730 --> 00:37:47,890

racist negative they seem to be more

747

00:37:52,080 --> 00:37:49,740

attached to people without blood group

748

00:37:55,010 --> 00:37:52,090

you know our victim said I mention the

749

00:38:02,650 --> 00:38:00,140

I I also know that they go after young

750

00:38:07,730 --> 00:38:02,660

girls and a blond-haired blue-eyed

751

00:38:09,980 --> 00:38:07,740

before puberty which did this is a

752

00:38:12,580 --> 00:38:09,990

really horrible shy love it hmm

753

00:38:15,080 --> 00:38:12,590

he will they will eat the flesh of them

754

00:38:18,290 --> 00:38:15,090

because they put them through an extreme

755

00:38:21,440 --> 00:38:18,300

terror where they secrete in hormones

756

00:38:23,210 --> 00:38:21,450

and and all sorts of chemicals and he

757

00:38:25,760 --> 00:38:23,220

start their reptilians thereafter and he

758

00:38:30,070 --> 00:38:25,770

will leave them you'll peel the flesh

759

00:38:33,410 --> 00:38:30,080

off off the children and even because

760

00:38:36,140 --> 00:38:33,420

spoken about some older there's many

761

00:38:39,980 --> 00:38:36,150

many people go missing over the planet

762

00:38:41,600 --> 00:38:39,990

isn't there room every year you know do

763

00:38:47,990 --> 00:38:41,610

you think is a connection so that with

764

00:38:52,880 --> 00:38:48,000

the reptilian in this I once met Dean

765

00:38:55,609 --> 00:38:52,890

Warwick he he actually dropped dead at

766

00:38:57,109 --> 00:38:55,619

the Prague conference you know that

767

00:39:00,849 --> 00:38:57,119

which was right in front of me no I

768

00:39:04,970 --> 00:39:00,859

heard of yeah six feet from me but I

769

00:39:07,550 --> 00:39:04,980

spoke to him about the reptilians and he

770

00:39:11,210 --> 00:39:07,560

came out with a figure and I think it

771

00:39:14,300 --> 00:39:11,220

was not point naught naught six of the

772

00:39:19,190 --> 00:39:14,310

population goes missing in any part of

773

00:39:21,260 --> 00:39:19,200

the world hmm and I was like fascinated

774

00:39:23,420 --> 00:39:21,270

that there's an exact figure of the

775

00:39:24,950 --> 00:39:23,430

population goes missing hmm yeah I never

776

00:39:27,109 --> 00:39:24,960

seen again that just disappear off the

777

00:39:33,229 --> 00:39:27,119

face of the earth don't they yeah it's

778

00:39:38,640 --> 00:39:33,239

um it's almost like a farm unit hmm

779

00:39:41,370 --> 00:39:38,650

yeah yeah until a failure so I thought

780

00:39:43,349 --> 00:39:41,380

lost last week and she was talking about

781

00:39:49,559 --> 00:39:43,359

people like I'm missing in the national

782

00:39:51,979 --> 00:39:49,569

parks in American yeah you know and I've

783

00:39:53,999 --> 00:39:51,989

been fascinated with out recently yeah

784

00:39:59,519 --> 00:39:54,009

it wasn't last week it was a couple of

785

00:40:01,200 --> 00:39:59,529

weeks ago put yeah that's yeah it's

786

00:40:03,359 --> 00:40:01,210

actually quite scary I think Richard II

787

00:40:05,569 --> 00:40:03,369

halted at the documentary didn't he

788

00:40:08,130 --> 00:40:05,579

about some people who can be seen I

789

00:40:10,200 --> 00:40:08,140

don't know aah coughing rooms called now

790

00:40:12,539 --> 00:40:10,210

but some that was quite a fascinating

791

00:40:14,670 --> 00:40:12,549

I'll have to look that up and you right

792

00:40:17,309 --> 00:40:14,680

see he's a shame I've not watched a lot

793

00:40:20,549 --> 00:40:17,319

of Richard deals work I watched even

794

00:40:23,839 --> 00:40:20,559

9/11 one and I was just like yeah this

795

00:40:26,249 --> 00:40:23,849

is brilliant research ya know he's a

796

00:40:27,690 --> 00:40:26,259

he's a good research I'd love to chunk

797

00:40:29,130 --> 00:40:27,700

it you on this show but we so it was

798

00:40:31,950 --> 00:40:29,140

very busy man I'm kind of see him

799

00:40:34,170 --> 00:40:31,960

thinking next month in them Norwich I

800

00:40:36,749 --> 00:40:34,180

think he's alright

801  
00:40:42,539 --> 00:40:36,759  
how much onic have a word with him a sip

802  
00:40:45,359 --> 00:40:42,549  
on game on yeah do a few more

803  
00:40:48,779 --> 00:40:45,369  
conferences daily no I'm walking for

804  
00:40:51,479 --> 00:40:48,789  
eternal home coming off yes yeah I mean

805  
00:40:52,829 --> 00:40:51,489  
anyone out there if you if you're

806  
00:40:54,239 --> 00:40:52,839  
available to come to the Woodbridge

807  
00:40:56,279 --> 00:40:54,249  
conference so you can get tickets

808  
00:40:58,670 --> 00:40:56,289  
through me but Frank is gonna actually

809  
00:41:01,799 --> 00:40:58,680  
be our security man

810  
00:41:05,849 --> 00:41:01,809  
yeah we're come on it's too heavy

811  
00:41:07,440 --> 00:41:05,859  
where's our security so I know I will

812  
00:41:09,329 --> 00:41:07,450  
put a link on not on the page I think

813  
00:41:10,769 --> 00:41:09,339

for that as well I'll put a bit of a

814

00:41:12,930 --> 00:41:10,779

mention in for it I think it's about

815

00:41:14,880 --> 00:41:12,940

time I haven't said much a bit on the on

816

00:41:16,380 --> 00:41:14,890

the paranormal dimensions page but I

817

00:41:18,209 --> 00:41:16,390

will put that on there now because I

818

00:41:20,789 --> 00:41:18,219

think we're sort of creeping towards it

819

00:41:22,979 --> 00:41:20,799

and the tickets are gradually selling I

820

00:41:24,630 --> 00:41:22,989

think I think I've thought about so the

821

00:41:26,670 --> 00:41:24,640

particular so far so it's not bad going

822

00:41:30,539 --> 00:41:26,680

really consider is in September

823

00:41:33,420 --> 00:41:30,549

yeah you see it's gonna be an

824

00:41:36,779 --> 00:41:33,430

interesting one because yeah apart from

825

00:41:38,969 --> 00:41:36,789

Colonel is like Malcolm Sascha few

826

00:41:41,579 --> 00:41:38,979

others they're all interesting people

827

00:41:42,500 --> 00:41:41,589

and other than a lot to put 200 G that's

828

00:41:44,859 --> 00:41:42,510

the yeah

829

00:41:48,230 --> 00:41:44,869

obviously it's Colonel hot today but

830

00:41:50,630 --> 00:41:48,240

like they're these these support cast if

831

00:41:53,780 --> 00:41:50,640

you like massage is gonna be quickly

832

00:41:55,040 --> 00:41:53,790

quite a big present or I suppose she's

833

00:41:58,310 --> 00:41:55,050

do probably doing the second-biggest

834

00:42:04,370 --> 00:41:58,320

presentation on a on a certain aspects

835

00:42:07,190 --> 00:42:04,380

of the fraud in the Aria fire so John's

836

00:42:10,340 --> 00:42:07,200

gonna be John Henson they wrote the book

837

00:42:13,130 --> 00:42:10,350

with Colonel holt and there's a second

838

00:42:15,050 --> 00:42:13,140

volume on his way he's gonna be doing so

839

00:42:16,640 --> 00:42:15,060

little talks about the books and the

840

00:42:19,640 --> 00:42:16,650

presentation of the book and everything

841

00:42:20,810 --> 00:42:19,650

so and you never know frankly what I

842

00:42:27,290 --> 00:42:20,820

would get you on the stage to give a

843

00:42:31,490 --> 00:42:27,300

couple of words but it will say that

844

00:42:34,910 --> 00:42:31,500

over the weekend I spoke at Prague when

845

00:42:38,450 --> 00:42:34,920

I got asked Laura that Larry who is

846

00:42:42,099 --> 00:42:38,460

running it out we know if some right she

847

00:42:47,930 --> 00:42:42,109

says say we want you to talk don't swear

848

00:42:50,980 --> 00:42:47,940

I promise the rebels were didn't I do

849

00:42:53,690 --> 00:42:50,990

get passionate sometimes I know

850

00:42:55,760 --> 00:42:53,700

supporters do I will put your videos up

851

00:43:02,859 --> 00:42:55,770

on on the gun that's on the apparel

852

00:43:07,609 --> 00:43:05,690

yeah I know you can get really mad about

853

00:43:12,500 --> 00:43:07,619

stuff and you just can't help it can you

854

00:43:14,900 --> 00:43:12,510

and a particular magazine editor out

855

00:43:23,000 --> 00:43:14,910

there who doesn't doesn't like you

856

00:43:31,310 --> 00:43:23,010

that's only can pickle really doesn't

857

00:43:35,120 --> 00:43:31,320

look right to doubt freedom of speed you

858

00:43:36,800 --> 00:43:35,130

don't know if you can speak the truth

859

00:43:43,910 --> 00:43:36,810

but so I'll ignore it and go the other

860

00:43:45,109 --> 00:43:43,920

way anyway there's a thing on the list

861

00:43:47,750 --> 00:43:45,119

I've got you in front of me says where

862

00:43:53,090 --> 00:43:47,760

do humans come from so what does he mean

863

00:43:56,460 --> 00:43:53,100

Frank right fascinating subject is just

864

00:43:59,430 --> 00:43:56,470

like another pet king of mine is history

865

00:44:04,109 --> 00:43:59,440

and certainly the history of mankind is

866

00:44:07,349 --> 00:44:04,119

not what we've been told you know I grew

867

00:44:09,569 --> 00:44:07,359

up a Catholic so I had duck I'm in down

868

00:44:12,960 --> 00:44:09,579

me you know the creationist side of it

869

00:44:15,349 --> 00:44:12,970

hmm but soon realized that way right

870

00:44:19,349 --> 00:44:15,359

well I saw you looking at history

871

00:44:21,870 --> 00:44:19,359

especially growing up in Rhodesia I was

872

00:44:24,839 --> 00:44:21,880

taught English history because he was an

873

00:44:28,680 --> 00:44:24,849

English colony but there was not much

874

00:44:31,800 --> 00:44:28,690

African history and if he's talking

875

00:44:35,130 --> 00:44:31,810

about Western history on Africa it's

876

00:44:39,720 --> 00:44:35,140

only culinary year old you know the

877

00:44:43,890 --> 00:44:39,730

ignore the African side of it so but I

878

00:44:46,950 --> 00:44:43,900

was also learning that from going out

879

00:44:47,609 --> 00:44:46,960

into the villages are you saw a good

880

00:44:50,760 --> 00:44:47,619

neighbor

881

00:44:54,120 --> 00:44:50,770

old London burg he went out into the

882

00:44:56,640 --> 00:44:54,130

Kalahari quite a lot hunting and he used

883

00:44:59,400 --> 00:44:56,650

to take me with him sad stare with a son

884

00:45:03,000 --> 00:44:59,410

Bushmen and learn tracking and hunting

885

00:45:05,460 --> 00:45:03,010

skills and when I found water stuff I

886

00:45:08,000 --> 00:45:05,470

Apple also learning the legends of them

887

00:45:12,050 --> 00:45:08,010

and were there believed they came from

888

00:45:14,010 --> 00:45:12,060

and that always stuck with me

889

00:45:15,569 --> 00:45:14,020  
so when I start looking at other

890

00:45:17,790 --> 00:45:15,579  
cultures around the world

891

00:45:23,480 --> 00:45:17,800  
the or believed that we came from the

892

00:45:28,980 --> 00:45:23,490  
stars which is fascinating because the

893

00:45:35,400 --> 00:45:28,990  
archeology clearly shows that mankind is

894

00:45:37,410 --> 00:45:35,410  
older than we are told ya you know it's

895

00:45:40,829 --> 00:45:37,420  
easy to say I'll take the Great Pyramid

896

00:45:43,650 --> 00:45:40,839  
but I'll not I'll take the Sumerian

897

00:45:46,980 --> 00:45:43,660  
civilization he said that was the birth

898

00:45:51,059 --> 00:45:46,990  
of civilization but it wasn't it was a

899

00:45:53,550 --> 00:45:51,069  
very very complex civilization and it

900

00:45:56,760 --> 00:45:53,560  
did not just suddenly exist it had to

901  
00:46:01,230 --> 00:45:56,770  
evolve from something so there's at

902  
00:46:02,790 --> 00:46:01,240  
least 10,000 years before that but some

903  
00:46:07,010 --> 00:46:02,800  
of the technologies around the world

904  
00:46:09,810 --> 00:46:07,020  
some of the ancient sites in mathematics

905  
00:46:12,599 --> 00:46:09,820  
the logistics of building

906  
00:46:15,810 --> 00:46:12,609  
it came from a very very organised

907  
00:46:17,700 --> 00:46:15,820  
highly advanced civilization so we're a

908  
00:46:22,740 --> 00:46:17,710  
lot older than we actually are

909  
00:46:24,810 --> 00:46:22,750  
hmm now when you look at dirt myths and

910  
00:46:28,109 --> 00:46:24,820  
where we came from they're all same we

911  
00:46:28,849 --> 00:46:28,119  
came from the stars now it could just be

912  
00:46:32,760 --> 00:46:28,859  
that

913  
00:46:35,130 --> 00:46:32,770

I forget what he's called a Spurs hero

914

00:46:38,970 --> 00:46:35,140

or something basically like the young

915

00:46:41,820 --> 00:46:38,980

drama distract where wife came from

916

00:46:45,090 --> 00:46:41,830

outer space on a comet and came here you

917

00:46:50,040 --> 00:46:45,100

know in microbes and then he develops so

918

00:46:52,820 --> 00:46:50,050

I don't believe that but as for mankind

919

00:46:58,560 --> 00:46:52,830

the missing link is there there's no

920

00:47:02,310 --> 00:46:58,570

definitive way we moved and when you do

921

00:47:05,099 --> 00:47:02,320

look at home or something the brain size

922

00:47:10,050 --> 00:47:05,109

the skeletal sized a lot has not evolved

923

00:47:11,640 --> 00:47:10,060

hmm and joke around a nature like you've

924

00:47:13,980 --> 00:47:11,650

got sharks you've got crocodiles

925

00:47:17,940 --> 00:47:13,990

alligators they're not evolved in

926

00:47:21,210 --> 00:47:17,950

millions and millions of years people

927

00:47:25,140 --> 00:47:21,220

say well do they like the king of their

928

00:47:28,590 --> 00:47:25,150

environment now I'll say well what

929

00:47:31,160 --> 00:47:28,600

environment is the human king of because

930

00:47:33,930 --> 00:47:31,170

wherever humans go we trash it

931

00:47:40,190 --> 00:47:33,940

but in archeology is not a sign of this

932

00:47:44,220 --> 00:47:40,200

rationing beyond 100,000 years ago hmm

933

00:47:46,859 --> 00:47:44,230

so you know I question where did we come

934

00:47:48,540 --> 00:47:46,869

from and I think we came from somewhere

935

00:47:51,000 --> 00:47:48,550

else our space forever

936

00:47:54,000 --> 00:47:51,010

yeah we're not we're not indigenous to

937

00:47:55,830 --> 00:47:54,010

this planet now I think a lot of the

938

00:47:57,630 --> 00:47:55,840

religions have got everything really

939

00:48:00,870 --> 00:47:57,640

confused as well ever no because I think

940

00:48:02,550 --> 00:48:00,880

they do actually refer to obviously they

941

00:48:04,680 --> 00:48:02,560

do actually refer to outer space don't

942

00:48:07,590 --> 00:48:04,690

they in the idea especially in the Bible

943

00:48:09,660 --> 00:48:07,600

was his a when we'd God said let there

944

00:48:11,490 --> 00:48:09,670

be there be light everything he said she

945

00:48:14,840 --> 00:48:11,500

talked about the planet so it's gotta be

946

00:48:18,720 --> 00:48:14,850

off the planet somewhere yeah it's some

947

00:48:21,340 --> 00:48:18,730

the Indian leaders then they'd actually

948

00:48:26,930 --> 00:48:21,350

describe the solar system hmm

949

00:48:29,270 --> 00:48:26,940

IRD knock yeah and and the because the

950

00:48:31,670 --> 00:48:29,280

Mount Mahabharata was all his sales as

951  
00:48:36,260 --> 00:48:31,680  
he is older than the Bible and the soda

952  
00:48:39,260 --> 00:48:36,270  
korone isn't it yes and they will talk

953  
00:48:41,180 --> 00:48:39,270  
about beans which you very much thought

954  
00:48:44,210 --> 00:48:41,190  
the same descriptions as God Jesus

955  
00:48:46,760 --> 00:48:44,220  
Christ and a few others isn't yeah

956  
00:48:48,590 --> 00:48:46,770  
they've all got those some characters in

957  
00:48:50,960 --> 00:48:48,600  
their Bibles which are thousands years

958  
00:48:53,510 --> 00:48:50,970  
older and it seems like our later ones

959  
00:48:55,490 --> 00:48:53,520  
have been sort of adapted from that yeah

960  
00:48:57,410 --> 00:48:55,500  
hey I'll talk to Michael freely about

961  
00:49:01,670 --> 00:48:57,420  
that actually the last gets that all the

962  
00:49:04,220 --> 00:49:01,680  
here it's so it's actually quite a sexy

963  
00:49:06,380 --> 00:49:04,230

quite quite interesting subject if I

964

00:49:13,700 --> 00:49:06,390

think also interesting hurts revi make

965

00:49:17,480 --> 00:49:13,710

it a part too yeah it is I just take the

966

00:49:18,560 --> 00:49:17,490

whole Egyptian hierarchy hmm Horus

967

00:49:22,670 --> 00:49:18,570

horizon

968

00:49:25,940 --> 00:49:22,680

you know I saw their yock yock or hey

969

00:49:29,630 --> 00:49:25,950

you got your kills you connect you with

970

00:49:32,890 --> 00:49:29,640

the solar system hey sir hmm you know

971

00:49:36,740 --> 00:49:32,900

there's too many coincidences yeah

972

00:49:38,300 --> 00:49:36,750

definitely yeah considering you've got

973

00:49:40,400 --> 00:49:38,310

civilizations that didn't know each

974

00:49:42,470 --> 00:49:40,410

other on different sides of the planet

975

00:49:47,090 --> 00:49:42,480

but they've got similar types of beliefs

976

00:49:49,970 --> 00:49:47,100

and pictures they draw and and the

977

00:49:52,370 --> 00:49:49,980

structures they build huh yeah you know

978

00:49:53,590 --> 00:49:52,380

it's as I said it's a very fascinating

979

00:49:58,580 --> 00:49:53,600

subject

980

00:49:59,990 --> 00:49:58,590

one of the symbols I connected with you

981

00:50:04,520 --> 00:50:00,000

know different continents there's a

982

00:50:06,260 --> 00:50:04,530

spiral hmm it's like to this day nobody

983

00:50:11,660 --> 00:50:06,270

really knows what they were carving into

984

00:50:15,260 --> 00:50:11,670

rock what the spiral represents yeah now

985

00:50:18,860 --> 00:50:15,270

just amazing to me in Tai Chi it

986

00:50:25,970 --> 00:50:23,000

if he got to energy lines you know ley

987

00:50:33,230 --> 00:50:25,980

lines or dragon lines where they cross

988

00:50:36,170 --> 00:50:33,240

the the energy spirals upwards so he'll

989

00:50:38,600 --> 00:50:36,180

feel like both ancient man you slightly

990

00:50:41,030 --> 00:50:38,610

built places like stone and crossing

991

00:50:43,340 --> 00:50:41,040

over Leyland hmm you know they were

992

00:50:48,050 --> 00:50:43,350

trying to harness that energy meant an

993

00:50:50,060 --> 00:50:48,060

actual that's cheap yeah when you look

994

00:50:51,620 --> 00:50:50,070

at how happy those things are lifting

995

00:50:54,200 --> 00:50:51,630

one on top of the other like that is

996

00:50:56,990 --> 00:50:54,210

some heavy things are the only mental

997

00:50:59,690 --> 00:50:57,000

face and absolutely how many you know

998

00:51:02,150 --> 00:50:59,700

what drove them to do that yeah it must

999

00:51:06,200 --> 00:51:02,160

be something very very special for him

1000

00:51:09,260 --> 00:51:06,210

to do that yeah not just once either his

1001  
00:51:11,090 --> 00:51:09,270  
there's probably gonna meet them

1002  
00:51:13,030 --> 00:51:11,100  
gateways they're all this for about ten

1003  
00:51:18,740 --> 00:51:13,040  
years I mean I think something like that

1004  
00:51:20,750 --> 00:51:18,750  
yeah yeah and also the pyramids I mean

1005  
00:51:25,940 --> 00:51:20,760  
to be lucky and those great big chunks

1006  
00:51:27,650 --> 00:51:25,950  
of sandstone or wherever it is right the

1007  
00:51:29,240 --> 00:51:27,660  
way up to the I mean I take it heavier

1008  
00:51:30,980 --> 00:51:29,250  
heavier the higher you go and why you

1009  
00:51:34,610 --> 00:51:30,990  
want to take him up as high as that I

1010  
00:51:36,410 --> 00:51:34,620  
it's just um yeah do you think I know

1011  
00:51:39,170 --> 00:51:36,420  
some sort of team has to come in sit out

1012  
00:51:43,040 --> 00:51:39,180  
with who if it's a but building the

1013  
00:51:46,070 --> 00:51:43,050

pyramids I've never been to Egypt but me

1014

00:51:49,910 --> 00:51:46,080

whoever Oliver yes he he spent three

1015

00:51:52,670 --> 00:51:49,920

months working on like a irrigation

1016

00:51:56,720 --> 00:51:52,680

scheme I think was part of the Prince of

1017

00:51:59,030 --> 00:51:56,730

Wales thing he did or something no but

1018

00:52:01,250 --> 00:51:59,040

he was there three months and for one

1019

00:52:04,520 --> 00:52:01,260

more the they took him realm Egypt and

1020

00:52:08,300 --> 00:52:04,530

show them all sighs so he was the first

1021

00:52:11,720 --> 00:52:08,310

one I really spark to about the actual

1022

00:52:13,640 --> 00:52:11,730

scale of the Great Pyramid you know on

1023

00:52:16,640 --> 00:52:13,650

for aggressive in stood at the bear so

1024

00:52:20,650 --> 00:52:16,650

there it's just like wow they're deep

1025

00:52:25,250 --> 00:52:20,660

them rock to the Wayne tons each yeah

1026

00:52:28,870 --> 00:52:25,260

did logistics if you go by what

1027

00:52:31,310 --> 00:52:28,880

scientists say it took 20 years to build

1028

00:52:33,170 --> 00:52:31,320

that means that one

1029

00:52:36,220 --> 00:52:33,180

blocks was placed every three minutes

1030

00:52:39,380 --> 00:52:36,230

hmm 24 hours a day seven days a week

1031

00:52:42,260 --> 00:52:39,390

that's quite a what'll save you see and

1032

00:52:45,050 --> 00:52:42,270

why would you why the manpower on the

1033

00:52:48,590 --> 00:52:45,060

purpose to do it why would you want to

1034

00:52:51,650 --> 00:52:48,600

do that yeah yeah that's why I can't get

1035

00:52:55,790 --> 00:52:51,660

my head round sometime for me yeah I

1036

00:52:58,100 --> 00:52:55,800

mean you can very J to like the

1037

00:53:01,640 --> 00:52:58,110

Victorian edge the Victorian age was

1038

00:53:04,880 --> 00:53:01,650

where certain people write Brunel and

1039

00:53:07,970 --> 00:53:04,890

that rose to prominence and he started

1040

00:53:10,970 --> 00:53:07,980

building stuff like Preston where

1041

00:53:12,740 --> 00:53:10,980

Ireland is the parish museum there's a

1042

00:53:16,820 --> 00:53:12,750

guy called Irish built it for Preston

1043

00:53:19,550 --> 00:53:16,830

hmm now he compare that to the pyramid

1044

00:53:23,360 --> 00:53:19,560

anything it's just it's like a drop in

1045

00:53:27,230 --> 00:53:23,370

the ocean yeah yeah well [h\_\_h] you Lance

1046

00:53:30,920 --> 00:53:27,240

and control and power that that Pharaoh

1047

00:53:37,550 --> 00:53:30,930

or whoever built that her roommate had

1048

00:53:38,840 --> 00:53:37,560

was phenomenal hmm and white hmm yeah

1049

00:53:40,580 --> 00:53:38,850

the first person that got me interested

1050

00:53:42,440 --> 00:53:40,590

no I saw that was obviously erich von

1051  
00:53:44,000 --> 00:53:42,450  
daniken with these uh Chariots of the

1052  
00:53:47,050 --> 00:53:44,010  
Gods you know this would go I started

1053  
00:53:49,850 --> 00:53:47,060  
really thinking seriously back in about

1054  
00:53:54,380 --> 00:53:49,860  
1966 I think it was when it came to hell

1055  
00:53:56,630 --> 00:53:54,390  
yeah but yes I don't know how you feel

1056  
00:53:59,660 --> 00:53:56,640  
about the ancient alien theory but so

1057  
00:54:01,040 --> 00:53:59,670  
I'm actually quite quite impressed but I

1058  
00:54:03,350 --> 00:54:01,050  
think I actually think there's a lot to

1059  
00:54:05,300 --> 00:54:03,360  
it I mean if every theory is not right

1060  
00:54:08,240 --> 00:54:05,310  
obviously but this mistakes here and

1061  
00:54:10,460 --> 00:54:08,250  
there and Izzy's only theory but I think

1062  
00:54:12,230 --> 00:54:10,470  
a lot of energy it Reggie's valid

1063  
00:54:14,570 --> 00:54:12,240

questions absolutely it makes you think

1064

00:54:16,100 --> 00:54:14,580

about it I mean even when Eric filmed

1065

00:54:17,720 --> 00:54:16,110

then it can rub the book you didn't say

1066

00:54:19,490 --> 00:54:17,730

Chariots of the Gods he put a question

1067

00:54:21,650 --> 00:54:19,500

mark on the end of it it's his question

1068

00:54:24,050 --> 00:54:21,660

you know it's not actually saying it was

1069

00:54:27,230 --> 00:54:24,060

a put some it's Denny shows you the

1070

00:54:29,530 --> 00:54:27,240

evidence oh well you know you just take

1071

00:54:31,240 --> 00:54:29,540

like in the Great Pyramid the

1072

00:54:34,010 --> 00:54:31,250

sarcophagus

1073

00:54:36,890 --> 00:54:34,020

it's a massive blocker

1074

00:54:39,590 --> 00:54:36,900

I can't remember the exact name of the

1075

00:54:42,680 --> 00:54:39,600

granite is made of but he's the second

1076  
00:54:44,120 --> 00:54:42,690  
hardest substance on the planet and it's

1077  
00:54:49,250 --> 00:54:44,130  
been hollowed out

1078  
00:54:51,440 --> 00:54:49,260  
yeah the he had to use at least damn tip

1079  
00:54:54,620 --> 00:54:51,450  
tools to do no he struggled with that

1080  
00:54:56,930 --> 00:54:54,630  
today wouldn't you yeah exactly

1081  
00:55:04,550 --> 00:54:56,940  
so where did you get that technology

1082  
00:55:06,290 --> 00:55:04,560  
from we've got I mean I don't you talk a

1083  
00:55:08,840 --> 00:55:06,300  
lot about the history of UFOs I mean

1084  
00:55:11,240 --> 00:55:08,850  
whether you oh yes let's just talk about

1085  
00:55:12,920 --> 00:55:11,250  
them domain the big case Roz will do you

1086  
00:55:16,070 --> 00:55:12,930  
what do you think about the Roswell case

1087  
00:55:19,360 --> 00:55:16,080  
in the last couple of years we've got I

1088  
00:55:25,250 --> 00:55:23,120

Roswell's interesting because what makes

1089

00:55:28,670 --> 00:55:25,260

it even more interesting is how the

1090

00:55:31,190 --> 00:55:28,680

press recorded it in the first 24 hours

1091

00:55:33,560 --> 00:55:31,200

hmm and in a result then they took it

1092

00:55:36,530 --> 00:55:33,570

all the way again yeah yeah so that

1093

00:55:39,050 --> 00:55:36,540

obviously a conspiracies gonna be built

1094

00:55:42,470 --> 00:55:39,060

up from that and people are going to ask

1095

00:55:47,420 --> 00:55:42,480

questions so whatever happened I don't

1096

00:55:49,580 --> 00:55:47,430

really know but I know of the

1097

00:55:52,520 --> 00:55:49,590

overwhelming evidence in history shows

1098

00:55:54,050 --> 00:55:52,530

that it's been happening since Mon

1099

00:55:55,280 --> 00:55:54,060

camera around yeah

1100

00:55:58,400 --> 00:55:55,290

yeah this thing's obviously before

1101  
00:56:01,010 --> 00:55:58,410  
before Roswell will agree with you won't

1102  
00:56:04,300 --> 00:56:01,020  
want to earliest incidences I can find

1103  
00:56:07,010 --> 00:56:04,310  
in histories a furrow in Egypt

1104  
00:56:09,710 --> 00:56:07,020  
describing them and I think he am for

1105  
00:56:12,440 --> 00:56:09,720  
three days where the rod gets in the sky

1106  
00:56:17,150 --> 00:56:12,450  
and stuff hmm but he records at the

1107  
00:56:19,880 --> 00:56:17,160  
healthy Mecca decision which is one of

1108  
00:56:20,600 --> 00:56:19,890  
the theories where the he is oh my god

1109  
00:56:23,930 --> 00:56:20,610  
mankind

1110  
00:56:25,720 --> 00:56:23,940  
yeah there's also vzq stories everyone

1111  
00:56:30,890 --> 00:56:25,730  
knows about the wheels with him we also

1112  
00:56:36,230 --> 00:56:30,900  
yeah and how many both the up visions

1113  
00:56:38,770 --> 00:56:36,240

and saw UFOs do dip in there all the

1114

00:56:42,590 --> 00:56:38,780

time yeah you know in you looking

1115

00:56:44,600 --> 00:56:42,600

history you're looking care or they did

1116

00:56:48,740 --> 00:56:44,610

did growing them the describing them

1117

00:56:52,220 --> 00:56:48,750

we're talking about you know they and I

1118

00:56:54,800 --> 00:56:52,230

think the best analogy is the Lakota

1119

00:56:58,040 --> 00:56:54,810

Sioux Indian they have a saying called

1120

00:57:00,380 --> 00:56:58,050

maitake erosion which means

1121

00:57:04,660 --> 00:57:00,390

all my relations and they talked about

1122

00:57:10,040 --> 00:57:08,630

so they accept that nudists are people

1123

00:57:18,560 --> 00:57:10,050

and the accent is multi-dimensional

1124

00:57:21,050 --> 00:57:18,570

means here indeed I know you've done

1125

00:57:25,150 --> 00:57:21,060

quite a few radio shows and systems and

1126  
00:57:29,120 --> 00:57:25,160  
things you anything else lined up Frank

1127  
00:57:32,210 --> 00:57:29,130  
I'm doing conscious camping I think he's

1128  
00:57:35,570 --> 00:57:32,220  
in August down in Wales the I'm doing a

1129  
00:57:38,000 --> 00:57:35,580  
Tai Chi workshop for that weekend all

1130  
00:57:41,990 --> 00:57:38,010  
right I'm thinking of doing a three hour

1131  
00:57:44,750 --> 00:57:42,000  
session on explaining who we are as a

1132  
00:57:46,970 --> 00:57:44,760  
human being before I go into doing some

1133  
00:57:50,510 --> 00:57:46,980  
practical Tai Chi and Qi Gong with them

1134  
00:57:53,000 --> 00:57:50,520  
also some deep meditation because to

1135  
00:57:55,310 --> 00:57:53,010  
feel this in I'm gonna go there in a

1136  
00:57:59,180 --> 00:57:55,320  
collage camp in anyway I love it they're

1137  
00:58:00,490 --> 00:57:59,190  
just too nice for a cheese go down that

1138  
00:58:02,660 --> 00:58:00,500

field

1139

00:58:04,190 --> 00:58:02,670

yeah well I'm amazed you've never

1140

00:58:07,160 --> 00:58:04,200

written a book you know you should do

1141

00:58:11,900 --> 00:58:07,170

that you know I started writing one

1142

00:58:13,850 --> 00:58:11,910

about 15 year ago and realized that the

1143

00:58:16,010 --> 00:58:13,860

information oh god I'm gonna have to

1144

00:58:18,140 --> 00:58:16,020

write three or four books it's just

1145

00:58:19,670 --> 00:58:18,150

knocking down yeah I'm really all do it

1146

00:58:24,080 --> 00:58:19,680

frame while you're on this play my other

1147

00:58:26,060 --> 00:58:24,090

you should do it yeah you've got a lot

1148

00:58:28,520 --> 00:58:26,070

of knowledge and information to put out

1149

00:58:32,870 --> 00:58:28,530

there only things I have been thinking

1150

00:58:36,140 --> 00:58:32,880

about is selling the house and buying in

1151  
00:58:42,560 --> 00:58:36,150  
a narrow Bock and living online ro bot

1152  
00:58:47,390 --> 00:58:42,570  
and luckily down range some bolt yeah

1153  
00:58:51,050 --> 00:58:47,400  
well you should do that well Frank I'm

1154  
00:58:53,900 --> 00:58:51,060  
really sorry we've run out of time it's

1155  
00:58:54,620 --> 00:58:53,910  
a fascinating though how we can do it

1156  
00:58:58,190 --> 00:58:54,630  
again sometime

1157  
00:59:00,860 --> 00:58:58,200  
but um yeah sure any time do you

1158  
00:59:03,920 --> 00:59:00,870  
I mean you always welcome down my way

1159  
00:59:06,200 --> 00:59:03,930  
you know that if you ever around but I'm

1160  
00:59:08,510 --> 00:59:06,210  
afraid we've got say goodbye to Frank

1161  
00:59:11,180 --> 00:59:08,520  
and thank you for everyone for listening

1162  
00:59:13,070 --> 00:59:11,190  
and I thank you

1163  
00:59:16,580 --> 00:59:13,080

as I sell put some links on this site

1164

00:59:19,340 --> 00:59:16,590

and everything and buy boyfriend thank

1165

00:59:21,010 --> 00:59:19,350
