

Paranormal UK Radio Network Presents

# PARANORMAL DIMENSIONS with David Young

with Ancient Mysteries  
Researcher Michael Feeley  
Part One

*Monday 1st April at 8pm GMT/EST*

[www.paranormdukradonetwork.com](http://www.paranormdukradonetwork.com)

1  
00:00:50,010 --> 00:00:21,520

[Music]

2  
00:00:55,240 --> 00:00:52,590  
greetings from the third dimension

3  
00:00:58,390 --> 00:00:55,250  
you're listening to the paranormal UK

4  
00:01:01,420 --> 00:00:58,400  
radio network the biggest UK paranormal

5  
00:01:03,520 --> 00:01:01,430  
Network I'm David Young and this is

6  
00:01:06,670 --> 00:01:03,530  
paranormal dimensions well here we are

7  
00:01:09,190 --> 00:01:06,680  
on another paranormal dimensions show

8  
00:01:12,360 --> 00:01:09,200  
I've got a fantastic guest again for you

9  
00:01:15,850 --> 00:01:12,370  
today it's michael feeley now

10  
00:01:18,480 --> 00:01:15,860  
Michael's been he's been doing lots of

11  
00:01:22,810 --> 00:01:18,490  
work on the pyramids of ancient

12  
00:01:25,600 --> 00:01:22,820  
architecture and the secrets of ancient

13  
00:01:27,550 --> 00:01:25,610

codes and everything honestly it's gonna

14

00:01:32,170 --> 00:01:27,560

be fascinating this is always fascinated

15

00:01:35,410 --> 00:01:32,180

me I think how it started out they his

16

00:01:37,600 --> 00:01:35,420

an ex-police officer and his wife Sarah

17

00:01:40,660 --> 00:01:37,610

they experienced a spiritual awakening

18

00:01:43,030 --> 00:01:40,670

of a lifetime in 2001 knowing when they

19

00:01:46,660 --> 00:01:43,040

relieved they relieved a murderer of

20

00:01:48,430 --> 00:01:46,670

Victorian teenager whether will actually

21

00:01:51,910 --> 00:01:48,440

get into this I don't know but I will

22

00:01:55,719 --> 00:01:51,920

actually be having some links on my site

23

00:01:59,050 --> 00:01:55,729

on the paranormal dimension sites will

24

00:02:00,340 --> 00:01:59,060

be interesting but I'll let Michael lead

25

00:02:02,440 --> 00:02:00,350

onto that if you'd like to tell

26  
00:02:05,650 --> 00:02:02,450  
something about that but so anyway I'm

27  
00:02:06,969 --> 00:02:05,660  
gonna introduce Michael now and and

28  
00:02:10,809 --> 00:02:06,979  
we'll go from there and this is gonna be

29  
00:02:14,260 --> 00:02:10,819  
fascinating hello Michael hello daily

30  
00:02:15,760 --> 00:02:14,270  
thank you for the show just eat whatever

31  
00:02:17,800 --> 00:02:15,770  
you want to thank you for agreeing to

32  
00:02:19,630 --> 00:02:17,810  
come on no I think it's gonna be as I

33  
00:02:22,350 --> 00:02:19,640  
say fascinating it's always fascinated

34  
00:02:24,220 --> 00:02:22,360  
me the the actual pyramids and the

35  
00:02:25,960 --> 00:02:24,230  
Stonehenge and everything I think you

36  
00:02:28,570 --> 00:02:25,970  
just did a triplets a Stonehenge er the

37  
00:02:30,250 --> 00:02:28,580  
weekend didn't you absolutely just

38  
00:02:33,970 --> 00:02:30,260

yesterday what a fantastic day and

39

00:02:37,270 --> 00:02:33,980

people took pictures of UFOs and it was

40

00:02:38,740 --> 00:02:37,280

a special day yeah absolutely I know I

41

00:02:41,400 --> 00:02:38,750

saw some pictures and it was a lovely

42

00:02:44,380 --> 00:02:41,410

sunny day I know look cold though

43

00:02:46,690 --> 00:02:44,390

well it was because it's a salsa blazing

44

00:02:49,510 --> 00:02:46,700

that the built-in lights is to stop the

45

00:02:51,610 --> 00:02:49,520

wind so the wind was it was sunny but it

46

00:02:53,590 --> 00:02:51,620

was clear it was freezing cold yeah it

47

00:02:55,270 --> 00:02:53,600

did look at us all people saw will have

48

00:03:01,490 --> 00:02:55,280

stuff in there when they because and

49

00:03:07,400 --> 00:03:04,590

no you made it you do get used to it

50

00:03:09,390 --> 00:03:07,410

that you also would you do so much of it

51  
00:03:11,010 --> 00:03:09,400  
well I don't know if you want to tell us

52  
00:03:13,620 --> 00:03:11,020  
anything about how you started out with

53  
00:03:16,199 --> 00:03:13,630  
your that with that well just mentioning

54  
00:03:19,890 --> 00:03:16,209  
about so in 2009 your experience with

55  
00:03:23,970 --> 00:03:19,900  
the Victorian teenager yes well that

56  
00:03:26,340 --> 00:03:23,980  
that's really for me where where the

57  
00:03:28,410 --> 00:03:26,350  
major start really happened and as you

58  
00:03:31,140 --> 00:03:28,420  
said quite rightly in the start you know

59  
00:03:34,320 --> 00:03:31,150  
I was a police officer into the UK's

60  
00:03:36,720 --> 00:03:34,330  
biggest cities from one officer when I

61  
00:03:38,160 --> 00:03:36,730  
dealt with all levels of crime and I

62  
00:03:40,470 --> 00:03:38,170  
being being the first on scene to a

63  
00:03:42,330 --> 00:03:40,480

hostage situation being the first on

64

00:03:44,130 --> 00:03:42,340  
scene to a murder or it could be

65

00:03:46,199 --> 00:03:44,140  
something mundane like the first time to

66

00:03:47,729 --> 00:03:46,209  
have to shoplift him but I sort of dealt

67

00:03:49,979 --> 00:03:47,739  
with it the complete wide spectrum of

68

00:03:53,009 --> 00:03:49,989  
everything over 17 years but I also

69

00:03:55,710 --> 00:03:53,019  
dealt with a lot of investigations and

70

00:03:58,460 --> 00:03:55,720  
invested in works and I do have a very

71

00:04:00,390 --> 00:03:58,470  
sort of investigative intuitive mind and

72

00:04:03,210 --> 00:04:00,400  
when you've worked in law enforcement

73

00:04:06,090 --> 00:04:03,220  
and and evidential gathering for 17

74

00:04:07,860 --> 00:04:06,100  
years you then began to easily seem to

75

00:04:10,440 --> 00:04:07,870  
have an eye to be able to piece evidence

76  
00:04:14,960 --> 00:04:10,450  
together and make main connections that

77  
00:04:18,630 --> 00:04:14,970  
maybe some people can't and but

78  
00:04:21,210 --> 00:04:18,640  
certainly towards the last 1215 was to

79  
00:04:22,590 --> 00:04:21,220  
towards my my career had becoming very

80  
00:04:26,250 --> 00:04:22,600  
very disillusioned with what was

81  
00:04:28,290 --> 00:04:26,260  
happening and at that around that time

82  
00:04:30,630 --> 00:04:28,300  
there was lots of much of what you would

83  
00:04:34,260 --> 00:04:30,640  
deem paranormal things happening to me

84  
00:04:36,420 --> 00:04:34,270  
as well it started briefly before this

85  
00:04:39,529 --> 00:04:36,430  
victorian teenager where was you know

86  
00:04:41,969 --> 00:04:39,539  
Doug young a city back to realm and see

87  
00:04:45,060 --> 00:04:41,979  
strange and Orthodox things in the sky

88  
00:04:47,120 --> 00:04:45,070

that the be there's certain snippets of

89

00:04:50,640 --> 00:04:47,130

things that I was sort of being built up

90

00:04:53,159 --> 00:04:50,650

but the distorted the the teenager the

91

00:04:58,710 --> 00:04:53,169

Victorian teenager really was inherited

92

00:05:02,550 --> 00:04:58,720

from my wife's past and where she lived

93

00:05:06,020 --> 00:05:02,560

as a child used to be Victorian farmland

94

00:05:08,730 --> 00:05:06,030

and many mediums in the family and

95

00:05:10,320 --> 00:05:08,740

mediums that she'd seen throughout our

96

00:05:12,960 --> 00:05:10,330

life

97

00:05:14,429 --> 00:05:12,970

Stickley told her that there was this

98

00:05:18,029 --> 00:05:14,439

girl around but actually looked

99

00:05:19,860 --> 00:05:18,039

strikingly like it and did this girl had

100

00:05:20,309 --> 00:05:19,870

been taken and I grew up by the hands of

101  
00:05:24,770 --> 00:05:20,319  
another

102  
00:05:28,140 --> 00:05:24,780  
now that really can only mean one thing

103  
00:05:30,029 --> 00:05:28,150  
but she sort of lived within and

104  
00:05:32,640 --> 00:05:30,039  
children who used to go and play at the

105  
00:05:34,920 --> 00:05:32,650  
house go upstairs to play and come

106  
00:05:36,240 --> 00:05:34,930  
downstairs and say you know can you go

107  
00:05:36,800 --> 00:05:36,250  
into that little girl or don't play

108  
00:05:39,350 --> 00:05:36,810  
anymore

109  
00:05:42,029 --> 00:05:39,360  
but there was no one else up there and

110  
00:05:46,290 --> 00:05:42,039  
obviously you know that it was sort of a

111  
00:05:48,749 --> 00:05:46,300  
a a spooky type of Harris common area

112  
00:05:50,640 --> 00:05:48,759  
but nevertheless woman when I sort of

113  
00:05:53,790 --> 00:05:50,650

got together and we got together us that

114

00:05:57,240 --> 00:05:53,800

have been heritage and we both went to

115

00:05:59,600 --> 00:05:57,250

see that the same medium who my wife had

116

00:06:03,089 --> 00:05:59,610

seen you know many many years earlier

117

00:06:05,490 --> 00:06:03,099

and independently but basically told us

118

00:06:07,860 --> 00:06:05,500

that there was this girl around she -

119

00:06:09,540 --> 00:06:07,870

she named her and said that she wanted

120

00:06:12,510 --> 00:06:09,550

us to investigate and look into her

121

00:06:15,269 --> 00:06:12,520

death because he termini it had been

122

00:06:17,219 --> 00:06:15,279

covered up and she was a big juicy

123

00:06:19,170 --> 00:06:17,229

unfinished business she was refusing to

124

00:06:22,800 --> 00:06:19,180

leave in other the realm that she's now

125

00:06:27,390 --> 00:06:22,810

stocking yeah so we we agreed you know

126

00:06:29,879 --> 00:06:27,400

we're police officers weird weird we

127

00:06:32,969 --> 00:06:29,889

didn't have a particular time or a date

128

00:06:37,980 --> 00:06:32,979

of the event who didn't necessarily know

129

00:06:41,339 --> 00:06:37,990

what had happened but we went to the our

130

00:06:44,249 --> 00:06:41,349

sort of City Central Library and because

131

00:06:48,329 --> 00:06:44,259

we had a name we looked at every sort of

132

00:06:50,219 --> 00:06:48,339

death from the modern day which was 2009

133

00:06:52,920 --> 00:06:50,229

and we went all the way back to the

134

00:06:54,350 --> 00:06:52,930

Second World War because again we didn't

135

00:06:57,029 --> 00:06:54,360

have any specific day but we floors

136

00:06:58,409 --> 00:06:57,039

where my wife's hairs on the stay was

137

00:06:58,980 --> 00:06:58,419

that would have been built around at

138

00:07:01,290 --> 00:06:58,990

that time

139

00:07:05,010 --> 00:07:01,300

so we'll go back that far but we

140

00:07:09,390 --> 00:07:05,020

couldn't find anything and we spent all

141

00:07:10,649 --> 00:07:09,400

day looking through the records based on

142

00:07:13,409 --> 00:07:10,659

the men that we had and we couldn't find

143

00:07:15,659 --> 00:07:13,419

anything so I think the next day we went

144

00:07:18,300 --> 00:07:15,669

to that a private lunch there which we

145

00:07:19,920 --> 00:07:18,310

thought was private and there was this

146

00:07:22,290 --> 00:07:19,930

religious just myself and a wife for

147

00:07:23,159 --> 00:07:22,300

that and we were just discussing say I'm

148

00:07:24,719 --> 00:07:23,169

working or what

149

00:07:26,489 --> 00:07:24,729

what is this now serving you know we've

150

00:07:27,989 --> 00:07:26,499

we've gone as far as we possibly can

151  
00:07:31,409 --> 00:07:27,999  
we've done as much as we block we think

152  
00:07:32,820 --> 00:07:31,419  
we can we don't have a date you know

153  
00:07:36,390 --> 00:07:32,830  
what what we gonna do I think I think

154  
00:07:39,029 --> 00:07:36,400  
the best thing to do is to call it today

155  
00:07:43,050 --> 00:07:39,039  
from that point on things took a really

156  
00:07:44,580 --> 00:07:43,060  
really negative term and we down from

157  
00:07:46,709 --> 00:07:44,590  
that Sunday lunch when we walked into

158  
00:07:49,739 --> 00:07:46,719  
the house and as we walk in the

159  
00:07:53,519 --> 00:07:49,749  
radiators switch themselves off it has a

160  
00:07:55,409 --> 00:07:53,529  
lot of freezing cold it was that that

161  
00:07:58,079 --> 00:07:55,419  
that particular afternoon was extremely

162  
00:07:59,300 --> 00:07:58,089  
a read and add something attempting to

163  
00:08:02,700 --> 00:07:59,310

to possess me

164

00:08:05,309 --> 00:08:02,710

we'd had leading up to that we had in

165

00:08:08,010 --> 00:08:05,319

our living room we had a six foot double

166

00:08:11,850 --> 00:08:08,020

glazed window and that just shattered

167

00:08:18,450 --> 00:08:11,860

from the inside it's almost the last

168

00:08:21,629 --> 00:08:18,460

activity it was returned so the medium

169

00:08:23,189 --> 00:08:21,639

often said look you know this is now you

170

00:08:24,989 --> 00:08:23,199

know you've got last time I saw you you

171

00:08:27,089 --> 00:08:24,999

offer to up was really declined at that

172

00:08:29,399 --> 00:08:27,099

time but now we would love to help

173

00:08:34,290 --> 00:08:29,409

because it's getting you know

174

00:08:36,180 --> 00:08:34,300

uncomfortable so she said well you know

175

00:08:38,490 --> 00:08:36,190

if you are I've got no car but if you

176

00:08:41,250 --> 00:08:38,500

can come and pick me up abandon mind is

177

00:08:43,350 --> 00:08:41,260

only like 30 40 minute drive from where

178

00:08:44,430 --> 00:08:43,360

we lived if you come and pick me up I'll

179

00:08:47,910 --> 00:08:44,440

coming up here in the morning which

180

00:08:50,340 --> 00:08:47,920

would have been the Monday morning so I

181

00:08:52,530 --> 00:08:50,350

said to her well while I'm on I found to

182

00:08:54,030 --> 00:08:52,540

you may actually the house has gone back

183

00:08:55,560 --> 00:08:54,040

to normal if she's gone out there again

184

00:08:59,970 --> 00:08:55,570

and the medium says yeah that's because

185

00:09:02,430 --> 00:08:59,980

she's with me and saying that you you

186

00:09:05,340 --> 00:09:02,440

promised to help and you haven't and it

187

00:09:08,460 --> 00:09:05,350

was basically that this girl was 14 she

188

00:09:10,980 --> 00:09:08,470

was it from from I didn't know that

189

00:09:15,050 --> 00:09:10,990

particular particular time still it was

190

00:09:17,340 --> 00:09:15,060

from Victorian England in the year 1850

191

00:09:19,850 --> 00:09:17,350

in the records probably only gone back

192

00:09:21,990 --> 00:09:19,860

to the Second World War

193

00:09:24,629 --> 00:09:22,000

so yeah because we didn't have any dead

194

00:09:26,250 --> 00:09:24,639

so nevertheless we we carried on we said

195

00:09:29,370 --> 00:09:26,260

okay well you know we're gonna get some

196

00:09:31,769 --> 00:09:29,380

help tomorrow what can go wrong you know

197

00:09:34,230 --> 00:09:31,779

it is literally now sort of mid

198

00:09:36,860 --> 00:09:34,240

afternoon well we'll stop it we'll get

199

00:09:39,110 --> 00:09:36,870

it sorted tomorrow and

200

00:09:42,080 --> 00:09:39,120

we then begin to later on in the evening

201  
00:09:44,750 --> 00:09:42,090  
began to smell flowers in the house and

202  
00:09:46,310 --> 00:09:44,760  
things started to happen that again made

203  
00:09:49,790 --> 00:09:46,320  
it uncomfortable for us to be there me

204  
00:09:51,170 --> 00:09:49,800  
Axia we had to leave our house because

205  
00:09:54,230 --> 00:09:51,180  
there was it was very very uncomfortable

206  
00:09:58,310 --> 00:09:54,240  
and there was a strange should have here

207  
00:10:01,670 --> 00:09:58,320  
a haunted horrible field down where we

208  
00:10:04,100 --> 00:10:01,680  
made the 30-minute drive to the morning

209  
00:10:05,780 --> 00:10:04,110  
loss house because she was she'd had

210  
00:10:07,670 --> 00:10:05,790  
some kind of understanding of the story

211  
00:10:09,380 --> 00:10:07,680  
because she had been you know it's

212  
00:10:13,300 --> 00:10:09,390  
obviously in the same house as my wife

213  
00:10:16,220 --> 00:10:13,310

as her mother so we went over there

214

00:10:18,320 --> 00:10:16,230

about 1:30 in the morning we went to bed

215

00:10:25,790 --> 00:10:18,330

it was a ground for sort of garage

216

00:10:27,860 --> 00:10:25,800

conversion we slept there Beppe 3:30 in

217

00:10:33,200 --> 00:10:27,870

the morning which was then February the

218

00:10:35,420 --> 00:10:33,210

9th in 2009 I remember being taken back

219

00:10:38,090 --> 00:10:35,430

to what I would describe what I can

220

00:10:41,360 --> 00:10:38,100

remember vividly as if I'm still there

221

00:10:45,800 --> 00:10:41,370

it was an old wooden bedroom I was

222

00:10:49,670 --> 00:10:45,810

singing in lying on a bed or in one side

223

00:10:51,110 --> 00:10:49,680

of the room and I could see in the right

224

00:10:52,520 --> 00:10:51,120

hand corner of the room the very right

225

00:10:55,370 --> 00:10:52,530

hand corner there was a wooden door

226

00:10:58,340 --> 00:10:55,380

there was blue curtains and at that

227

00:11:00,440 --> 00:10:58,350

point I heard the door help him because

228

00:11:02,270 --> 00:11:00,450

he create a wood crate I saw the

229

00:11:04,430 --> 00:11:02,280

curtains moved because of the draft and

230

00:11:05,750 --> 00:11:04,440

then I heard a voice of the young girl

231

00:11:09,140 --> 00:11:05,760

say eriously

232

00:11:10,910 --> 00:11:09,150

at that point the wife woke up and said

233

00:11:17,690 --> 00:11:10,920

I was absolutely screaming in hysterics

234

00:11:19,220 --> 00:11:17,700

as if I was being attacked she was in

235

00:11:23,079 --> 00:11:19,230

the same vein she she was the one in

236

00:11:26,900 --> 00:11:23,089

hysterics and basically when we were

237

00:11:28,550 --> 00:11:26,910

slightly different times but in the same

238

00:11:31,660 --> 00:11:28,560

intima bastard are looking at each other

239

00:11:33,980 --> 00:11:31,670

in hysterics if who being attacked now

240

00:11:36,910 --> 00:11:33,990

obviously after this adapt and we would

241

00:11:40,570 --> 00:11:36,920

hope we couldn't go back to to sleep we

242

00:11:43,970 --> 00:11:40,580

waited family got up and we told them

243

00:11:46,430 --> 00:11:43,980

within probably about 10 o'clock in the

244

00:11:48,770 --> 00:11:46,440

morning I think he was if your new bath

245

00:11:50,560 --> 00:11:48,780

went outside to get the medium hid in

246

00:11:52,090 --> 00:11:50,570

the car literally as a walk

247

00:11:55,780 --> 00:11:52,100

on the driveway to get in the car was a

248

00:11:58,180 --> 00:11:55,790

phone call from her saying sorry I can't

249

00:12:00,640 --> 00:11:58,190

help you so I pulled the slab back and

250

00:12:02,770 --> 00:12:00,650

said big all due respect to you you are

251  
00:12:04,000 --> 00:12:02,780  
going to help us because something

252  
00:12:07,150 --> 00:12:04,010  
really bad happened last night

253  
00:12:09,690 --> 00:12:07,160  
so we carried on she she agreed we

254  
00:12:12,700 --> 00:12:09,700  
carried on when we got to her house she

255  
00:12:14,170 --> 00:12:12,710  
was nervously pacing around on her

256  
00:12:17,260 --> 00:12:14,180  
doorstep

257  
00:12:20,710 --> 00:12:17,270  
the door behind her was closed and it

258  
00:12:22,240 --> 00:12:20,720  
had transpired that on the morning their

259  
00:12:24,880 --> 00:12:22,250  
washing machine had lifted up off the

260  
00:12:27,640 --> 00:12:24,890  
ground off it wasn't even switched on

261  
00:12:29,500 --> 00:12:27,650  
and she put a coffee cup in the kitchen

262  
00:12:31,000 --> 00:12:29,510  
and when she came to literally minutes

263  
00:12:32,950 --> 00:12:31,010

later to be moved and put on the witness

264

00:12:35,200 --> 00:12:32,960

of the forbidden room something was

265

00:12:37,810 --> 00:12:35,210

trying to stop it from coming to help us

266

00:12:39,250 --> 00:12:37,820

well she came over she came over to the

267

00:12:44,010 --> 00:12:39,260

head to the Houston against because of

268

00:12:47,920 --> 00:12:44,020

anybody extremely long story short she

269

00:12:51,430 --> 00:12:47,930

repeated this girl's story to us in in

270

00:12:53,380 --> 00:12:51,440

our living room and what she said is

271

00:12:56,650 --> 00:12:53,390

this girl that she actually gave was the

272

00:13:00,520 --> 00:12:56,660

date of 1850 now the reason that which

273

00:13:02,500 --> 00:13:00,530

mudflows it's because it was the the the

274

00:13:06,160 --> 00:13:02,510

9th of February was the anniversary of

275

00:13:09,340 --> 00:13:06,170

the incident but it was in 1850 so today

276

00:13:11,830 --> 00:13:09,350

today 59 years previous and what she

277

00:13:15,100 --> 00:13:11,840

said was this this girl had been abused

278

00:13:19,900 --> 00:13:15,110

by her stepfather she also gave his name

279

00:13:22,030 --> 00:13:19,910

and on this particular occasion which

280

00:13:23,070 --> 00:13:22,040

was about 3:30 in the morning on the 9th

281

00:13:26,380 --> 00:13:23,080

of February

282

00:13:28,990 --> 00:13:26,390

159 years earlier he come in into the

283

00:13:32,110 --> 00:13:29,000

bedroom as I'd seen and he basically

284

00:13:34,030 --> 00:13:32,120

accidentally swoboda and she died what

285

00:13:36,070 --> 00:13:34,040

we also didn't realize until that

286

00:13:37,750 --> 00:13:36,080

particular point is that we also had the

287

00:13:39,880 --> 00:13:37,760

spirit of her assailant with us as well

288

00:13:41,590 --> 00:13:39,890

and he was the one living slashing

289

00:13:43,150 --> 00:13:41,600

windows and and doing all kinds of

290

00:13:46,740 --> 00:13:43,160

things in the house

291

00:13:50,380 --> 00:13:46,750

so again took us a long story short she

292

00:13:51,970 --> 00:13:50,390

managed to get this dish girl where to -

293

00:13:56,710 --> 00:13:51,980

wherever she was she wasn't had to be

294

00:13:58,930 --> 00:13:56,720

and in in relation to him he put up such

295

00:14:01,570 --> 00:13:58,940

a fight that she had to get help from

296

00:14:03,280 --> 00:14:01,580

from the other side and it actually made

297

00:14:05,829 --> 00:14:03,290

real for six months

298

00:14:06,490 --> 00:14:05,839

because he was that powerful and he was

299

00:14:08,980 --> 00:14:06,500

that strong

300

00:14:11,530 --> 00:14:08,990

yeah as the as the girl was leaving she

301  
00:14:13,360 --> 00:14:11,540  
said to us you know thank you I'm sorry

302  
00:14:16,269 --> 00:14:13,370  
I'm not there because of pink and lilac

303  
00:14:19,060 --> 00:14:16,279  
which was him seemingly a strange thing

304  
00:14:21,819 --> 00:14:19,070  
to say however a couple of days later we

305  
00:14:23,560 --> 00:14:21,829  
came back from a day out and when we

306  
00:14:28,540 --> 00:14:23,570  
when we walked into our house was a pink

307  
00:14:31,509 --> 00:14:28,550  
and lilac flower waiting for us so we

308  
00:14:34,810 --> 00:14:31,519  
basically been taken back in time to

309  
00:14:36,610 --> 00:14:34,820  
either observe or experience or do

310  
00:14:39,970 --> 00:14:36,620  
something but the last month of this

311  
00:14:42,639 --> 00:14:39,980  
girl's life and that it really yes oh

312  
00:14:45,310 --> 00:14:42,649  
really for me that is the one sort of

313  
00:14:48,280 --> 00:14:45,320

pinnacle point that I was cited as being

314

00:14:51,160 --> 00:14:48,290

what you would class as some kind of

315

00:14:54,190 --> 00:14:51,170

awakening yes it seemed like that from

316

00:14:55,840 --> 00:14:54,200

the introduction I've seen from you when

317

00:15:00,160 --> 00:14:55,850

you when you say you accidentally

318

00:15:02,079 --> 00:15:00,170

asphyxiated her what brings you to that

319

00:15:05,280 --> 00:15:02,089

concludes you don't think he was that

320

00:15:08,800 --> 00:15:05,290

was the purpose on purpose or the

321

00:15:13,840 --> 00:15:08,810

information that was passed is that he

322

00:15:17,710 --> 00:15:13,850

used to abuse her just want to keep a

323

00:15:20,170 --> 00:15:17,720

quiet sort of thing and she be as a

324

00:15:26,050 --> 00:15:20,180

result of that he's put his hand over a

325

00:15:28,630 --> 00:15:26,060

mouth your nose and she does so yeah so

326

00:15:30,850 --> 00:15:28,640

the information that that came to us was

327

00:15:32,500 --> 00:15:30,860

that he was more that scenario than a

328

00:15:34,449 --> 00:15:32,510

deliberating need to do if not like

329

00:15:35,590 --> 00:15:34,459

there's more low commencement example

330

00:15:38,650 --> 00:15:35,600

thing yeah exactly

331

00:15:42,100 --> 00:15:38,660

it's very sad though isn't it yeah it's

332

00:15:44,740 --> 00:15:42,110

extremely sad there well stated happened

333

00:15:48,370 --> 00:15:44,750

and became a part of our life as well

334

00:15:51,370 --> 00:15:48,380

hmm that's quite fascinating this story

335

00:15:57,160 --> 00:15:51,380

yeah I know is that he featured in one

336

00:15:59,410 --> 00:15:57,170

of your books or was it yes it yes it's

337

00:16:02,439 --> 00:15:59,420

the a book called when murder travels

338

00:16:03,880 --> 00:16:02,449

through time I haven't actually got that

339

00:16:05,829 --> 00:16:03,890

book I've got a couple of your books but

340

00:16:07,600 --> 00:16:05,839

I forget you go that wants to get older

341

00:16:10,120 --> 00:16:07,610

sounds interesting

342

00:16:12,490 --> 00:16:10,130

now really what your what your research

343

00:16:14,800 --> 00:16:12,500

goes into locked advanced science and

344

00:16:16,930 --> 00:16:14,810

sound gene went geometrics and a

345

00:16:18,940 --> 00:16:16,940

knowledge which is encrypted within

346

00:16:21,670 --> 00:16:18,950

monuments ancient monuments et cetera

347

00:16:25,510 --> 00:16:21,680

isn't it even religious buildings and

348

00:16:29,080 --> 00:16:25,520

scriptures etc it's only does again

349

00:16:32,260 --> 00:16:29,090

again 2009 being extreme to pinnacle

350

00:16:35,230 --> 00:16:32,270

year that was always kept seeing a

351

00:16:37,750 --> 00:16:35,240

golden key being being given to me in my

352

00:16:40,210 --> 00:16:37,760

mind's eye and I couldn't understand

353

00:16:42,310 --> 00:16:40,220

what what a gold key was until I you

354

00:16:44,380 --> 00:16:42,320

know some some time later looked into it

355

00:16:45,780 --> 00:16:44,390

and what it really means and when you

356

00:16:47,740 --> 00:16:45,790

get to church you can see sometimes

357

00:16:49,600 --> 00:16:47,750

understand glass winged out somebody

358

00:16:52,440 --> 00:16:49,610

being handed a golden key it's really

359

00:16:55,420 --> 00:16:52,450

it's it's than it's the the Gnostic

360

00:16:58,420 --> 00:16:55,430

worthiness of sacred knowledge so what

361

00:17:01,090 --> 00:16:58,430

they it's especially symbolic of coming

362

00:17:03,460 --> 00:17:01,100

into sacred knowledge and that really

363

00:17:06,220 --> 00:17:03,470

was given to me in 2009 so from that

364

00:17:08,170 --> 00:17:06,230

point a lot again alongside you know

365

00:17:10,329 --> 00:17:08,180

with a happy marriage of lots of

366

00:17:12,400 --> 00:17:10,339

different paranormal things scene where

367

00:17:14,319 --> 00:17:12,410

miles and UFOs from air of them and

368

00:17:16,720 --> 00:17:14,329

dimensional gateway happening in front

369

00:17:19,150 --> 00:17:16,730

of me and things like that the happy

370

00:17:21,819 --> 00:17:19,160

marriage of being given lots and lots of

371

00:17:23,079 --> 00:17:21,829

sacred information I can actually be

372

00:17:25,870 --> 00:17:23,089

sitting they tell me even now

373

00:17:27,340 --> 00:17:25,880

and actually pinpoint exactly moment the

374

00:17:30,600 --> 00:17:27,350

information has been put into my head

375

00:17:33,430 --> 00:17:30,610

now what that information is really is

376

00:17:37,060 --> 00:17:33,440

cold breaking information that has

377

00:17:38,920 --> 00:17:37,070

enabled me to to create a blueprint that

378

00:17:40,810 --> 00:17:38,930

spans the whole of the ancient world but

379

00:17:42,490 --> 00:17:40,820

the old of the ancient world also has

380

00:17:44,230 --> 00:17:42,500

plans into the world religions because

381

00:17:47,140 --> 00:17:44,240

it's all the same messages all plotted

382

00:17:49,930 --> 00:17:47,150

same blueprint and that blueprint is

383

00:17:52,630 --> 00:17:49,940

really something that goes deep and it's

384

00:17:54,430 --> 00:17:52,640

not being taught in any public levels of

385

00:17:56,650 --> 00:17:54,440

any religion or any public levels of his

386

00:17:59,280 --> 00:17:56,660

treatment so it was a baby it's enabled

387

00:18:02,950 --> 00:17:59,290

me to both again move with 17 years of

388

00:18:05,170 --> 00:18:02,960

evidence gathering and and that sort of

389

00:18:07,390 --> 00:18:05,180

put me in good stead to no cold break

390

00:18:10,030 --> 00:18:07,400

all of those ancient cults and one of

391

00:18:11,380 --> 00:18:10,040

that really yes sound is extremely

392

00:18:13,450 --> 00:18:11,390

important you know when you look at the

393

00:18:15,310 --> 00:18:13,460

likes of star henge it is really a

394

00:18:17,830 --> 00:18:15,320

gigantic tuning fork it's a phonetic

395

00:18:20,920 --> 00:18:17,840

profiler that is capable of deciphering

396

00:18:21,520 --> 00:18:20,930

it messages within sound waves so in

397

00:18:25,930 --> 00:18:21,530

other words

398

00:18:29,380 --> 00:18:25,940

Stonehenge is really a massive receptor

399

00:18:30,610 --> 00:18:29,390

receiver transmitter where the wise ones

400

00:18:34,060 --> 00:18:30,620

the insure ones

401  
00:18:35,920 --> 00:18:34,070  
are able to receive languages from other

402  
00:18:39,100 --> 00:18:35,930  
from other places in the form that have

403  
00:18:41,980 --> 00:18:39,110  
sound and they're able to scribe and

404  
00:18:44,260 --> 00:18:41,990  
decipher a language and when you start

405  
00:18:46,870 --> 00:18:44,270  
looking at mathematics and numbers there

406  
00:18:48,960 --> 00:18:46,880  
is mathematical proof of a correlation

407  
00:18:51,700 --> 00:18:48,970  
between Stonehenge and planet Mars

408  
00:18:53,830 --> 00:18:51,710  
between the moon between the Great

409  
00:18:56,080 --> 00:18:53,840  
Pyramid and the planet Mars the side a

410  
00:18:58,360 --> 00:18:56,090  
Mayan city so there's this this grander

411  
00:19:00,520 --> 00:18:58,370  
thing that's going on but the ancien

412  
00:19:03,299 --> 00:19:00,530  
cloud basically is that all of these

413  
00:19:07,330 --> 00:19:03,309

monuments these ancient monuments are

414

00:19:08,770 --> 00:19:07,340

all connected as a computer and they are

415

00:19:11,020 --> 00:19:08,780

are missing that the Earth's energy

416

00:19:14,070 --> 00:19:11,030

lines and they are basically massive

417

00:19:16,750 --> 00:19:14,080

amplifications but not only

418

00:19:19,180 --> 00:19:16,760

amplifications of sound but they're all

419

00:19:20,680 --> 00:19:19,190

also amplifications of the inner vessel

420

00:19:22,900 --> 00:19:20,690

the inner portal which is the pineal

421

00:19:25,240 --> 00:19:22,910

gland and when you look at the monks of

422

00:19:27,730 --> 00:19:25,250

the Great Pyramid is what people don't

423

00:19:29,799 --> 00:19:27,740

realize is when you put an alpha layer

424

00:19:32,230 --> 00:19:29,809

of the human head Pulver the black

425

00:19:33,910 --> 00:19:32,240

pyramid it actually marks the exact

426

00:19:36,040 --> 00:19:33,920

location of the three master glands of

427

00:19:38,590 --> 00:19:36,050

the third our system which is your inner

428

00:19:39,940 --> 00:19:38,600

portal so we another that argument

429

00:19:42,130 --> 00:19:39,950

saying where you have the king of can be

430

00:19:44,140 --> 00:19:42,140

of the pineal gland where you have the

431

00:19:46,540 --> 00:19:44,150

pituitary gland you have the Queen's

432

00:19:49,470 --> 00:19:46,550

Chamber and so on and when you get the

433

00:19:51,160 --> 00:19:49,480

subterranean chambers and even even now

434

00:19:52,870 --> 00:19:51,170

Egyptologist from scholars for

435

00:19:54,250 --> 00:19:52,880

scratching the head as to what the

436

00:19:56,980 --> 00:19:54,260

subterranean chambers of the Great

437

00:19:58,570 --> 00:19:56,990

Pyramid mean why it means it represents

438

00:20:01,210 --> 00:19:58,580

the subconscious mind and the

439

00:20:03,880 --> 00:20:01,220

subconscious mind feeds the conscious

440

00:20:06,190 --> 00:20:03,890

mind it's really a giant replica of the

441

00:20:09,130 --> 00:20:06,200

human brain the inner portal as well as

442

00:20:13,990 --> 00:20:09,140

a gigantic resonance chamber to

443

00:20:16,480 --> 00:20:14,000

transcend to other places so this

444

00:20:18,760 --> 00:20:16,490

magnificent blueprint you know when you

445

00:20:21,280 --> 00:20:18,770

start looking at the likes of the eggs

446

00:20:23,560 --> 00:20:21,290

of Easter Island which again they're

447

00:20:25,450 --> 00:20:23,570

their mathematical told encrypted with

448

00:20:28,840 --> 00:20:25,460

them they have spiritual cold in cryptid

449

00:20:31,270 --> 00:20:28,850

begin they have there again they are

450

00:20:34,810 --> 00:20:31,280

basically a crystalline Ariel to other

451

00:20:37,240 --> 00:20:34,820

places and when you look at the the

452

00:20:39,280 --> 00:20:37,250

Mayan pyramids in Tikal Tikal comes from

453

00:20:40,810 --> 00:20:39,290

ticket which means the third eye when

454

00:20:43,480 --> 00:20:40,820

you look at the word of that again it

455

00:20:44,050 --> 00:20:43,490

comes from vatika ticket is the third

456

00:20:45,670 --> 00:20:44,060

eye

457

00:20:47,830 --> 00:20:45,680

they're talking about this inner portal

458

00:20:50,380 --> 00:20:47,840

within the pineal gland and that is why

459

00:20:52,600 --> 00:20:50,390

the the Vatican City you will see lots

460

00:20:55,060 --> 00:20:52,610

of statues and pine cones because

461

00:20:57,370 --> 00:20:55,070

pinecone gives us the word penile yeah

462

00:21:02,980 --> 00:20:57,380

you do see everything a lot buildings

463

00:21:05,140 --> 00:21:02,990

need a park ranger power in a portal

464

00:21:07,000 --> 00:21:05,150

which is up in your land and they get

465

00:21:10,030 --> 00:21:07,010

how many girls a lot like deepam there

466

00:21:11,530 --> 00:21:10,040

goes more expansive than that but in a

467

00:21:14,050 --> 00:21:11,540

nutshell all of these ancient monuments

468

00:21:16,180 --> 00:21:14,060

were their monoliths whether their

469

00:21:19,420 --> 00:21:16,190

pyramids whether their gigantic heads

470

00:21:22,030 --> 00:21:19,430

whether they are the Nazca lines whether

471

00:21:24,760 --> 00:21:22,040

they are white horses on hills there's

472

00:21:28,240 --> 00:21:24,770

pictorials whether they are the spirals

473

00:21:31,120 --> 00:21:28,250

of crop circles they are all hidden

474

00:21:32,560 --> 00:21:31,130

messages they are all sort of hidden

475

00:21:33,970 --> 00:21:32,570

frequencies that are able to be

476

00:21:36,610 --> 00:21:33,980

deciphered well the people who were

477

00:21:42,820 --> 00:21:36,620

tuned in do you think there's some sort

478

00:21:44,830 --> 00:21:42,830

of secret secret society but a secret

479

00:21:48,310 --> 00:21:44,840

connection of people who know all these

480

00:21:51,010 --> 00:21:48,320

secrets and because we've heard that

481

00:21:54,340 --> 00:21:51,020

we've we've lost a lot of knowledge over

482

00:21:56,740 --> 00:21:54,350

the over the centuries and it's been

483

00:21:59,530 --> 00:21:56,750

blocked off to us I don't know if you

484

00:22:02,820 --> 00:21:59,540

have opinion of that all of you agree

485

00:22:05,590 --> 00:22:02,830

with that absolutely when you look at

486

00:22:08,020 --> 00:22:05,600

beautiful geometry on charities and

487

00:22:10,510 --> 00:22:08,030

Islamic buildings and all geometry was

488

00:22:13,180 --> 00:22:10,520

put there because of its sonic resonance

489

00:22:17,230 --> 00:22:13,190

did the sonic residents especially when

490

00:22:19,720 --> 00:22:17,240

you start introducing sound hymns sung

491

00:22:24,520 --> 00:22:19,730

it actually resonates to the point of

492

00:22:29,080 --> 00:22:24,530

sacredness now what what what happens is

493

00:22:32,260 --> 00:22:29,090

with geometry is if you imagine that the

494

00:22:35,320 --> 00:22:32,270

principle of creation is geometry and

495

00:22:39,430 --> 00:22:35,330

all geometric shapes are determined by a

496

00:22:41,440 --> 00:22:39,440

circle now basically every non-love form

497

00:22:44,500 --> 00:22:41,450

begins as a sphere which is the circle

498

00:22:47,500 --> 00:22:44,510

so if you imagine the universal

499

00:22:49,090 --> 00:22:47,510

consciousness is a dot if you then

500

00:22:51,360 --> 00:22:49,100

imagine a circle around the duck which

501  
00:22:54,430 --> 00:22:51,370  
then it becomes the Mon that is

502  
00:22:57,760 --> 00:22:54,440  
universal consciousness if you imagine a

503  
00:23:01,420 --> 00:22:57,770  
dot that moves then becomes a lie

504  
00:23:03,790 --> 00:23:01,430  
and the line is a radius and a radius

505  
00:23:05,920 --> 00:23:03,800  
comes from radius which means sun-god it

506  
00:23:08,050 --> 00:23:05,930  
is the tries to intellect it is the easy

507  
00:23:10,990 --> 00:23:08,060  
it is the connection of the Christ to

508  
00:23:14,470 --> 00:23:11,000  
the infinite then when you start looking

509  
00:23:17,260 --> 00:23:14,480  
at this this sacred geometry was once

510  
00:23:21,760 --> 00:23:17,270  
torch as part of initial early

511  
00:23:24,340 --> 00:23:21,770  
Christianity but he was then what does

512  
00:23:26,980 --> 00:23:24,350  
heresy yeah because that the priesthood

513  
00:23:29,950 --> 00:23:26,990

of the time as you wanted to separate

514

00:23:32,320 --> 00:23:29,960

information to be retained by them while

515

00:23:33,940 --> 00:23:32,330

the chosen ones by the initiates and

516

00:23:35,590 --> 00:23:33,950

this obviously girl's back even further

517

00:23:38,500 --> 00:23:35,600

into the lives of the mystery schools of

518

00:23:40,660 --> 00:23:38,510

Egypt where you have the priesthood the

519

00:23:43,690 --> 00:23:40,670

priests that is you have the Pharaohs

520

00:23:45,130 --> 00:23:43,700

farewell means great mind you know we

521

00:23:46,450 --> 00:23:45,140

have the logs of the gaas tail hair

522

00:23:49,150 --> 00:23:46,460

which is really the master of for

523

00:23:50,860 --> 00:23:49,160

telltale use fort they they wanted to

524

00:23:53,200 --> 00:23:50,870

keep all of the sacred information to

525

00:23:55,540 --> 00:23:53,210

the secret Brotherhood's now that that

526  
00:23:57,670 --> 00:23:55,550  
information comes all the way through

527  
00:23:59,470 --> 00:23:57,680  
into the modern day in the likes of the

528  
00:24:01,480 --> 00:23:59,480  
high degrees of masonry in the Kabbalah

529  
00:24:04,840 --> 00:24:01,490  
in the Sufism of them Islam in the

530  
00:24:07,420 --> 00:24:04,850  
Memphis isn't of Christianity it when

531  
00:24:10,060 --> 00:24:07,430  
you start looking at company law girls

532  
00:24:12,310 --> 00:24:10,070  
when you start looking up vehicle badges

533  
00:24:13,990 --> 00:24:12,320  
and Lao girls they are all containing

534  
00:24:16,600 --> 00:24:14,000  
this sacred message we've intersect with

535  
00:24:18,430 --> 00:24:16,610  
geometry and it goes all the way from

536  
00:24:20,830 --> 00:24:18,440  
the ancient past all the way through to

537  
00:24:24,280 --> 00:24:20,840  
the modern day but it is a hidden secret

538  
00:24:26,920 --> 00:24:24,290

because it is for the Harappan cities

539

00:24:30,010 --> 00:24:26,930

for the heretics now that that does word

540

00:24:31,890 --> 00:24:30,020

simply mean those who are able to

541

00:24:34,920 --> 00:24:31,900

understand the sacred mysteries and

542

00:24:37,750 --> 00:24:34,930

metaphors and symbols began to be used

543

00:24:39,700 --> 00:24:37,760

as a way of communication between the

544

00:24:42,790 --> 00:24:39,710

initiatives in which they were able to

545

00:24:45,280 --> 00:24:42,800

decipher and interpret sacred

546

00:24:49,570 --> 00:24:45,290

information through geometry proof

547

00:24:53,230 --> 00:24:49,580

shapes through and so yes it's a

548

00:24:56,080 --> 00:24:53,240

deliberate ploy to keep this this sacred

549

00:24:57,700 --> 00:24:56,090

information away from the public yeah

550

00:25:00,180 --> 00:24:57,710

and they've know that they know full

551

00:25:03,490 --> 00:25:00,190

well that the further away from self

552

00:25:05,620 --> 00:25:03,500

that people go the more their

553

00:25:08,320 --> 00:25:05,630

consciousness dis minister diminishes

554

00:25:10,630 --> 00:25:08,330

because of the self that they get the

555

00:25:11,740 --> 00:25:10,640

more their consciousness raises and that

556

00:25:13,540 --> 00:25:11,750

is why they today

557

00:25:16,090 --> 00:25:13,550

they created this false reality of false

558

00:25:18,550 --> 00:25:16,100

ID funds in order to keep people outside

559

00:25:20,380 --> 00:25:18,560

of themselves because that way their

560

00:25:23,350 --> 00:25:20,390

their consciousness rules remain at a

561

00:25:26,170 --> 00:25:23,360

low ebb that's a low level and they will

562

00:25:28,270 --> 00:25:26,180

never let us see or understand the this

563

00:25:30,070 --> 00:25:28,280

secret language going on so in a

564

00:25:30,700 --> 00:25:30,080

nutshell yes it is being deliberately

565

00:25:32,890 --> 00:25:30,710

kept from us

566

00:25:34,420 --> 00:25:32,900

yeah did you discover that when you were

567

00:25:36,490 --> 00:25:34,430

actually in the police force because I

568

00:25:39,070 --> 00:25:36,500

understand you at the place for saving

569

00:25:42,970 --> 00:25:39,080

us the police force the insignias lock

570

00:25:46,030 --> 00:25:42,980

with the star shapes something to do

571

00:25:51,010 --> 00:25:46,040

with the Sun God's information past is

572

00:25:52,960 --> 00:25:51,020

that yeah I only started to wake up and

573

00:25:55,740 --> 00:25:52,970

start seeing a wider reality before I

574

00:25:58,300 --> 00:25:55,750

left when they start looking again

575

00:26:01,540 --> 00:25:58,310

masonry and it's not all bad you know it

576

00:26:04,090 --> 00:26:01,550

is basically a society of Secrets it you

577

00:26:05,620 --> 00:26:04,100

know but when you start looking at the

578

00:26:08,260 --> 00:26:05,630

police insignia you know you have the

579

00:26:10,570 --> 00:26:08,270

the seven-pointed star which is the the

580

00:26:12,730 --> 00:26:10,580

symbol of the Kabbalah when you start

581

00:26:15,160 --> 00:26:12,740

looking at the crown the crown you know

582

00:26:17,140 --> 00:26:15,170

they have the binner understanding you

583

00:26:18,430 --> 00:26:17,150

have the the crown of the student

584

00:26:20,350 --> 00:26:18,440

pretending you have the double Chevron

585

00:26:24,910 --> 00:26:20,360

of the sergeant's we you know you have

586

00:26:26,620 --> 00:26:24,920

the Masonic black and white but again

587

00:26:27,850 --> 00:26:26,630

you know which is all to do with you

588

00:26:30,670 --> 00:26:27,860

ality which all three really the

589

00:26:32,640 --> 00:26:30,680

balancing of opposites when you but when

590

00:26:35,320 --> 00:26:32,650

you turn those black and white squares

591

00:26:37,030 --> 00:26:35,330

round you then start getting a double

592

00:26:38,560 --> 00:26:37,040

square diagonal which then starts

593

00:26:41,110 --> 00:26:38,570

becoming a secret information on how to

594

00:26:44,400 --> 00:26:41,120

commune with the higher consciousness so

595

00:26:47,590 --> 00:26:44,410

that yes I began to have a realization

596

00:26:49,870 --> 00:26:47,600

but obviously that that realization is

597

00:26:52,810 --> 00:26:49,880

more now than it was then but but the

598

00:26:54,820 --> 00:26:52,820

were snippets and fragments know that

599

00:26:58,930 --> 00:26:54,830

this awakened before I left the service

600

00:27:00,520 --> 00:26:58,940

yeah it leads you through that I mean if

601  
00:27:02,740 --> 00:27:00,530  
that is all true it leads you to the

602  
00:27:06,340 --> 00:27:02,750  
fact that the police force are being

603  
00:27:09,010 --> 00:27:06,350  
controlled by a mysterious force outside

604  
00:27:12,010 --> 00:27:09,020  
of yeah which is actually looking after

605  
00:27:13,450 --> 00:27:12,020  
the the people that think themselves

606  
00:27:21,130 --> 00:27:13,460  
more important than what they normal

607  
00:27:23,050 --> 00:27:21,140  
people are which again is the Kabbalah

608  
00:27:26,030 --> 00:27:23,060  
which is mystical cheering their Judaism

609  
00:27:30,289 --> 00:27:26,040  
when you start looking at who

610  
00:27:32,930 --> 00:27:30,299  
you know creates laws now no laws is

611  
00:27:35,150 --> 00:27:32,940  
really that the god of law is Saturn hmm

612  
00:27:37,340 --> 00:27:35,160  
and that is why the police wear black

613  
00:27:39,350 --> 00:27:37,350

because the color of associated with

614

00:27:40,940 --> 00:27:39,360

satin is black now when you start

615

00:27:42,770 --> 00:27:40,950

looking at the gada law and the police

616

00:27:45,320 --> 00:27:42,780

and the Kabbalah when you start looking

617

00:27:48,140 --> 00:27:45,330

at legalities when when people sign a

618

00:27:51,080 --> 00:27:48,150

contract Saturn as magnetic energy which

619

00:27:53,419 --> 00:27:51,090

contracts so we then start to see that

620

00:27:54,980 --> 00:27:53,429

the whole of this this legal system this

621

00:27:58,100 --> 00:27:54,990

held banking system is this whole

622

00:28:00,169 --> 00:27:58,110

reality of what we live in is as to

623

00:28:01,580 --> 00:28:00,179

control by the same few people yeah and

624

00:28:04,570 --> 00:28:01,590

when you start realizing that you do

625

00:28:07,220 --> 00:28:04,580

realize that yes everything in society

626

00:28:10,760 --> 00:28:07,230

everything of significance and

627

00:28:15,530 --> 00:28:10,770

importance is controlled that's a part

628

00:28:17,570 --> 00:28:15,540

of our regime about the top of the

629

00:28:20,600 --> 00:28:17,580

pyramid now what that top of the pyramid

630

00:28:24,289 --> 00:28:20,610

is is we I mean I've heard it described

631

00:28:26,630 --> 00:28:24,299

just like reptilian aliens when what's

632

00:28:29,480 --> 00:28:26,640

your opinion of that the I mean I know I

633

00:28:30,770 --> 00:28:29,490

actually I couldn't believe it a few you

634

00:28:32,510 --> 00:28:30,780

know if you'd have asked me a few years

635

00:28:34,730 --> 00:28:32,520

ago about reptilians on a cell was not a

636

00:28:38,240 --> 00:28:34,740

rubbish I've heard so much over the last

637

00:28:39,860 --> 00:28:38,250

few years about reptilians and from

638

00:28:42,919 --> 00:28:39,870

different people from different walks of

639

00:28:45,500 --> 00:28:42,929

life and to me there's something in it

640

00:28:49,820 --> 00:28:45,510

you know don't know how you feel about

641

00:28:51,799 --> 00:28:49,830

that well I've seen an 18 a reptilian

642

00:28:54,470 --> 00:28:51,809

but they do exist there are there are

643

00:28:57,560 --> 00:28:54,480

many races of extraterrestrials that do

644

00:28:59,659 --> 00:28:57,570

have different appearances countyians

645

00:29:01,280 --> 00:28:59,669

reptilians that whatever you want to

646

00:29:02,930 --> 00:29:01,290

call whenever they do it's just our

647

00:29:04,720 --> 00:29:02,940

deception of the Muslim because they

648

00:29:07,340 --> 00:29:04,730

look ripped to the English yeah

649

00:29:08,840 --> 00:29:07,350

absolutely and you know of course we

650

00:29:11,240 --> 00:29:08,850

have the r-complex of the brown which is

651  
00:29:13,760 --> 00:29:11,250  
the reptilian brain and things yes there

652  
00:29:16,250 --> 00:29:13,770  
are several there are several races that

653  
00:29:17,690 --> 00:29:16,260  
are closely interlinked we've earthly

654  
00:29:20,000 --> 00:29:17,700  
society and always have been

655  
00:29:21,169 --> 00:29:20,010  
now as I stood next to one after the

656  
00:29:24,560 --> 00:29:21,179  
next to somebody over six four three

657  
00:29:29,750 --> 00:29:24,570  
black eyes energy field made me sort of

658  
00:29:32,600 --> 00:29:29,760  
spin skin completely taut however the

659  
00:29:34,940 --> 00:29:32,610  
contours of the bounds of his face he

660  
00:29:36,530 --> 00:29:34,950  
was not from here now there are there

661  
00:29:39,370 --> 00:29:36,540  
are many races that are better walking

662  
00:29:40,840 --> 00:29:39,380  
amongst us and of course

663  
00:29:42,820 --> 00:29:40,850

you know what whoa whoa wouldn't have a

664

00:29:44,650 --> 00:29:42,830

you know that the universities is is

665

00:29:47,440 --> 00:29:44,660

full of life it's not empty he's no

666

00:29:47,830 --> 00:29:47,450

empty space suitable so yes they do

667

00:29:49,210 --> 00:29:47,840

exist

668

00:29:50,890 --> 00:29:49,220

well when I start looking at the things

669

00:29:52,990 --> 00:29:50,900

like the Sumerian scrolls and the

670

00:29:55,330 --> 00:29:53,000

zecharia sitchin translation of them I

671

00:29:59,230 --> 00:29:55,340

see a completely different translation

672

00:30:01,570 --> 00:29:59,240

which is one of the metaphor for geo

673

00:30:02,650 --> 00:30:01,580

geometric creation and when you start

674

00:30:06,430 --> 00:30:02,660

looking at the names of the characters

675

00:30:08,470 --> 00:30:06,440

of these Sumerian Scrolls you then start

676  
00:30:11,529 --> 00:30:08,480  
to realize that that is actually true

677  
00:30:13,720 --> 00:30:11,539  
they're there chief god is called a new

678  
00:30:15,130 --> 00:30:13,730  
now when you start looking into the one

679  
00:30:18,340 --> 00:30:15,140  
of the oldest languages of Earth which

680  
00:30:20,620 --> 00:30:18,350  
is Sanskrit a no means an atom when you

681  
00:30:23,080 --> 00:30:20,630  
start looking at the the Shetty the slag

682  
00:30:27,190 --> 00:30:23,090  
brothers which is Enki and Enlil that

683  
00:30:30,220 --> 00:30:27,200  
becomes the double helix of DNA when you

684  
00:30:33,070 --> 00:30:30,230  
start looking at a lalu Alalu means wave

685  
00:30:36,220 --> 00:30:33,080  
genetics so it's it's a wave form that

686  
00:30:39,700 --> 00:30:36,230  
creates DNA so we have we you know we

687  
00:30:42,730 --> 00:30:39,710  
have Adam and Tiamat which is basically

688  
00:30:45,220 --> 00:30:42,740

Adam and Eve in area which is Eden no

689

00:30:47,440 --> 00:30:45,230

Eden is the body and of course they all

690

00:30:49,539 --> 00:30:47,450

they all lived in the East of Eden the

691

00:30:52,630 --> 00:30:49,549

East of Eden is the right brain which is

692

00:30:56,200 --> 00:30:52,640

the connector to the higher forces so

693

00:30:58,000 --> 00:30:56,210

when you start analyzing these this

694

00:31:01,570 --> 00:30:58,010

secret induct removed within these

695

00:31:03,310 --> 00:31:01,580

Sumerian Scrolls you start looking at

696

00:31:04,960 --> 00:31:03,320

the watches and the washer means he

697

00:31:07,149 --> 00:31:04,970

who's awake it's talking about

698

00:31:11,890 --> 00:31:07,159

consciousness is talking about the

699

00:31:13,870 --> 00:31:11,900

fertility event the this this unbag if

700

00:31:18,279 --> 00:31:13,880

it seems to be carried around on a lot

701  
00:31:20,560 --> 00:31:18,289  
of action yeah well people don't know

702  
00:31:22,659 --> 00:31:20,570  
what that means but what that is it's a

703  
00:31:25,870 --> 00:31:22,669  
genetic message because when you look at

704  
00:31:28,779 --> 00:31:25,880  
the the the handle of the the handbag

705  
00:31:30,850 --> 00:31:28,789  
the handle of the handbag is an arch

706  
00:31:33,850 --> 00:31:30,860  
which is hundred ninety degrees hundred

707  
00:31:36,159 --> 00:31:33,860  
eighty degrees is the perfect bonding

708  
00:31:37,690 --> 00:31:36,169  
angle for hydrogen bonding which then

709  
00:31:40,029 --> 00:31:37,700  
takes you back to the DNA double helix

710  
00:31:42,310 --> 00:31:40,039  
ranking in law when you look at the

711  
00:31:44,500 --> 00:31:42,320  
actual squared of the handbag you see

712  
00:31:46,960 --> 00:31:44,510  
the punnett square which is really

713  
00:31:51,010 --> 00:31:46,970

telling us that the germ Eight's

714

00:31:52,080 --> 00:31:51,020

which are germs have they connect to

715

00:31:54,930 --> 00:31:52,090

germs of the opposite

716

00:31:57,060 --> 00:31:54,940

sex to create the fertility event the

717

00:31:59,700 --> 00:31:57,070

fertilization event then you start

718

00:32:02,899 --> 00:31:59,710

looking at how they tell you the Anki is

719

00:32:06,299 --> 00:32:02,909

associated with semen and fertility and

720

00:32:07,919 --> 00:32:06,309

you then look at this event where where

721

00:32:10,529 --> 00:32:07,929

the Sumerian Scrolls didn't actually say

722

00:32:13,409 --> 00:32:10,539

that Planet X was the home of the

723

00:32:16,049 --> 00:32:13,419

Anunnaki it was actually Dooku Dooku

724

00:32:18,180 --> 00:32:16,059

means the mound of Venus

725

00:32:18,990 --> 00:32:18,190

it is the mums Berenice which is the

726

00:32:21,149 --> 00:32:19,000

pubic bone

727

00:32:23,990 --> 00:32:21,159

so we then goes right back to fertility

728

00:32:27,630 --> 00:32:24,000

when you start looking at what Nibiru is

729

00:32:28,889 --> 00:32:27,640

given the name of planet x nibiru which

730

00:32:31,169 --> 00:32:28,899

means wandering planet

731

00:32:34,710 --> 00:32:31,179

it's what the Egyptians called Nibiru

732

00:32:37,769 --> 00:32:34,720

which is the planet Venus again it's

733

00:32:40,919 --> 00:32:37,779

associated with semen and fertility

734

00:32:42,840 --> 00:32:40,929

because in sanskrit again the word for

735

00:32:45,090 --> 00:32:42,850

Venus is chakra which means seminal

736

00:32:47,970 --> 00:32:45,100

secretion it's really talking about

737

00:32:50,490 --> 00:32:47,980

genetics and the fertilization event of

738

00:32:52,409 --> 00:32:50,500

humanity it is not it's nothing to do

739

00:32:57,139 --> 00:32:52,419

with what Zecharia Sitchin actually

740

00:33:00,360 --> 00:32:57,149

translated because you do see that

741

00:33:02,279 --> 00:33:00,370

better world handbag in different term

742

00:33:11,190 --> 00:33:02,289

quite across the world don't you in

743

00:33:13,950 --> 00:33:11,200

different religions yes we do which is

744

00:33:16,799 --> 00:33:13,960

that obviously that the key of life is

745

00:33:19,710 --> 00:33:16,809

worse manners but biank not only is it

746

00:33:21,389 --> 00:33:19,720

an energy director again talking about

747

00:33:25,139 --> 00:33:21,399

you know the phonetic powerful arm of

748

00:33:28,560 --> 00:33:25,149

Stone Age but it's also what is that

749

00:33:30,840 --> 00:33:28,570

basically DNA beautification so when a a

750

00:33:32,549 --> 00:33:30,850

protein sees the DNA cell it will wrap

751

00:33:35,100 --> 00:33:32,559

itself over the top and then tie itself

752

00:33:38,310 --> 00:33:35,110

at the end it's really duplication of

753

00:33:40,200 --> 00:33:38,320

cells and these energy directors are

754

00:33:42,510 --> 00:33:40,210

able to change the molecular level of

755

00:33:45,000 --> 00:33:42,520

DNA so to really tell us about the key

756

00:33:47,190 --> 00:33:45,010

of life which is the duplication of

757

00:33:48,450 --> 00:33:47,200

cells when you're looking to the Bible

758

00:33:51,120 --> 00:33:48,460

and you start looking at the book of

759

00:33:53,970 --> 00:33:51,130

Genesis the book of Genesis is really

760

00:33:56,010 --> 00:33:53,980

the book of genetics book of genes then

761

00:33:58,889 --> 00:33:56,020

is any go to Adam and Eve which is the

762

00:34:01,320 --> 00:33:58,899

atom and the electron which is extracted

763

00:34:04,230 --> 00:34:01,330

from the asome as part of nuclear

764

00:34:05,220 --> 00:34:04,240

fission which becomes behave the atom

765

00:34:08,730 --> 00:34:05,230

and the

766

00:34:10,589 --> 00:34:08,740

when you look at Nell WA now that comes

767

00:34:12,780 --> 00:34:10,599

from two Hebrew words none yet which

768

00:34:14,940 --> 00:34:12,790

means life in the waters talk about the

769

00:34:16,800 --> 00:34:14,950

child in its mother which is the arc

770

00:34:19,230 --> 00:34:16,810

which is the arc length which is the

771

00:34:22,649 --> 00:34:19,240

sphere and that sphere as I said earlier

772

00:34:25,260 --> 00:34:22,659

is the origin of all known life forms so

773

00:34:27,240 --> 00:34:25,270

the story of Noah is talking about the

774

00:34:28,889 --> 00:34:27,250

creation of a child the fertility event

775

00:34:31,079 --> 00:34:28,899

so is Jesus Christ

776

00:34:33,210 --> 00:34:31,089

so is Mary Magdalene so all of these

777

00:34:37,470 --> 00:34:33,220

biblical characters they are not what

778

00:34:39,480 --> 00:34:37,480

they are taught to be no in fact they go

779

00:34:43,169 --> 00:34:39,490

back much further than the Bible without

780

00:34:48,480 --> 00:34:43,179

ladies into the ancient Indian the

781

00:34:51,180 --> 00:34:48,490

Mahabharata and and also the chorale

782

00:34:55,440 --> 00:34:51,190

isn't it it's these characters I believe

783

00:34:56,220 --> 00:34:55,450

have come from those originally well

784

00:34:58,170 --> 00:34:56,230

again when you look at different

785

00:35:00,510 --> 00:34:58,180

civilizations you can see that the story

786

00:35:04,680 --> 00:35:00,520

of Jesus is at least 15 times baby oh

787

00:35:06,420 --> 00:35:04,690

that's quite a well yeah so so you know

788

00:35:08,730 --> 00:35:06,430

the bejesus it again all of these

789

00:35:11,670 --> 00:35:08,740

biblical characters are really the

790

00:35:15,000 --> 00:35:11,680

fiction to conceal fact they are they

791

00:35:17,069 --> 00:35:15,010

are metaphors for our self there when

792

00:35:19,740 --> 00:35:17,079

you look at the word data comes from day

793

00:35:20,970 --> 00:35:19,750

it which means self what what that what

794

00:35:23,640 --> 00:35:20,980

that actually hiding from us

795

00:35:27,510 --> 00:35:23,650

is that our own sanctity around

796

00:35:29,309 --> 00:35:27,520

potential our own we are all Jesus

797

00:35:32,520 --> 00:35:29,319

Christ because Jesus Christ is really

798

00:35:34,380 --> 00:35:32,530

talking about that the the solar force

799

00:35:36,930 --> 00:35:34,390

within us the Dragon Rider the master

800

00:35:38,339 --> 00:35:36,940

the master of the Dragon which is the

801  
00:35:42,599 --> 00:35:38,349  
master of wisdom which is the price

802  
00:35:45,930 --> 00:35:42,609  
force within us and that is activated by

803  
00:35:48,530 --> 00:35:45,940  
certain practices but certain spiritual

804  
00:35:50,760 --> 00:35:48,540  
practices that activate this Christ seed

805  
00:35:52,500 --> 00:35:50,770  
with the energy of which is then stored

806  
00:35:55,859 --> 00:35:52,510  
in the solar plexus which is known as

807  
00:35:57,450 --> 00:35:55,869  
Bethlehem inside the solar plexus you

808  
00:36:00,210 --> 00:35:57,460  
have a thimble slight depression as the

809  
00:36:03,380 --> 00:36:00,220  
manger so we have this price force that

810  
00:36:05,849 --> 00:36:03,390  
is birthed in a manger in Bethlehem and

811  
00:36:08,160 --> 00:36:05,859  
according to you know to to to the

812  
00:36:10,559 --> 00:36:08,170  
Gnostics and one other virgin it's

813  
00:36:12,990 --> 00:36:10,569

basically someone who knows how to use

814

00:36:14,970 --> 00:36:13,000

sexual energy and that then gets us into

815

00:36:16,920 --> 00:36:14,980

sexual sublimation it then gets us into

816

00:36:18,930 --> 00:36:16,930

celibacy it then gets us into

817

00:36:21,150 --> 00:36:18,940

resurrection which means to use again

818

00:36:23,970 --> 00:36:21,160

so you can see that this this story of

819

00:36:25,859 --> 00:36:23,980

Jesus it was then crucified on the cross

820

00:36:28,079 --> 00:36:25,869

which is the uptick chases of moving

821

00:36:30,390 --> 00:36:28,089

inside the brain you can see that all of

822

00:36:33,270 --> 00:36:30,400

this then starts to develop into a

823

00:36:35,220 --> 00:36:33,280

metaphor around in the sanctity and our

824

00:36:38,460 --> 00:36:35,230

own in a portal and I'm in a potential

825

00:36:40,230 --> 00:36:38,470

hmm do you receive much criticism for

826

00:36:42,359 --> 00:36:40,240

its important views I mean I know it's

827

00:36:44,220 --> 00:36:42,369

actually quite it's not all your

828

00:36:47,130 --> 00:36:44,230

research is because I upload it from

829

00:36:49,859 --> 00:36:47,140

different points of view too but which

830

00:36:52,890 --> 00:36:49,869

agree with your research - do you get

831

00:36:54,450 --> 00:36:52,900

much done a beautifully because I know

832

00:36:57,059 --> 00:36:54,460

that when you when you get someone who's

833

00:36:59,760 --> 00:36:57,069

very religious they don't seem to be

834

00:37:11,370 --> 00:36:59,770

able to see past what they're reading in

835

00:37:14,460 --> 00:37:11,380

the Bible you know and about this and

836

00:37:16,980 --> 00:37:14,470

again people can only see things from

837

00:37:19,170 --> 00:37:16,990

their level of perception now when

838

00:37:21,900 --> 00:37:19,180

people are brought up into our Malaysian

839

00:37:24,900 --> 00:37:21,910

and then mind is completely rented out

840

00:37:26,250 --> 00:37:24,910

and they actually can't see that they

841

00:37:28,019 --> 00:37:26,260

don't look for the truth because they're

842

00:37:29,549 --> 00:37:28,029

told they're found it because they're

843

00:37:32,220 --> 00:37:29,559

you know but when you actually start

844

00:37:34,500 --> 00:37:32,230

looking at the likes of Catholic popes

845

00:37:37,799 --> 00:37:34,510

like probably of the tenth that are that

846

00:37:40,529 --> 00:37:37,809

have publicly said in in the past it has

847

00:37:44,309 --> 00:37:40,539

served as well this myth of Christ when

848

00:37:46,859 --> 00:37:44,319

in 2017 we have the current Pope Francis

849

00:37:50,430 --> 00:37:46,869

for the Catholic Mass saying that Jesus

850

00:37:52,019 --> 00:37:50,440

a metaphorical knowledge from now you

851  
00:37:55,140 --> 00:37:52,029  
know the people the top of these

852  
00:37:57,420 --> 00:37:55,150  
religions Knuffle well the truth of

853  
00:38:00,660 --> 00:37:57,430  
these characters but unfortunately

854  
00:38:03,329 --> 00:38:00,670  
Humanity is is such that it has to have

855  
00:38:06,920 --> 00:38:03,339  
some kind of icon to follow it has to be

856  
00:38:09,660 --> 00:38:06,930  
I don't like using the the word sheep

857  
00:38:10,799 --> 00:38:09,670  
but they are sheep yeah most follow a

858  
00:38:17,220 --> 00:38:10,809  
shepherd yeah

859  
00:38:19,529 --> 00:38:17,230  
and sleep in any way out the other flock

860  
00:38:21,029 --> 00:38:19,539  
who follows the Shepherd but what they

861  
00:38:22,890 --> 00:38:21,039  
don't tell you is the Good Shepherd is

862  
00:38:25,740 --> 00:38:22,900  
really the enlightened being who

863  
00:38:28,260 --> 00:38:25,750

understands this this true nature now

864

00:38:30,870 --> 00:38:28,270

when when you actually criticize that

865

00:38:32,340 --> 00:38:30,880

Shepherd to the flock of course there's

866

00:38:33,900 --> 00:38:32,350

going to be a bad reaction

867

00:38:37,230 --> 00:38:33,910

when I go to there you did the UFL

868

00:38:38,850 --> 00:38:37,240

community and start saying to you what

869

00:38:42,270 --> 00:38:38,860

zecharia sitchin has said about the

870

00:38:45,810 --> 00:38:42,280

onion Aki is not entirely as it is it

871

00:38:48,510 --> 00:38:45,820

gets the same reaction but because you

872

00:38:49,920 --> 00:38:48,520

know I've got the benefit have seen the

873

00:38:53,790 --> 00:38:49,930

whole of the ancient world know when you

874

00:38:56,700 --> 00:38:53,800

find a blueprint it's the same as in the

875

00:38:59,610 --> 00:38:56,710

universe when you understand that within

876

00:39:02,490 --> 00:38:59,620

the universe everything without

877

00:39:05,400 --> 00:39:02,500

exception follows a mathematical

878

00:39:07,800 --> 00:39:05,410

sequence it follows a mathematical code

879

00:39:11,100 --> 00:39:07,810

that has been pre-programmed so

880

00:39:14,070 --> 00:39:11,110

therefore the earth is not flat because

881

00:39:16,260 --> 00:39:14,080

the whole principle of creation is one

882

00:39:18,600 --> 00:39:16,270

of his sphere achill and geometry so

883

00:39:20,370 --> 00:39:18,610

therefore one planet out of a billion

884

00:39:22,590 --> 00:39:20,380

being flat isn't that possible how

885

00:39:24,630 --> 00:39:22,600

because he girls against girls against

886

00:39:27,600 --> 00:39:24,640

the blueprint that common sense yeah

887

00:39:29,010 --> 00:39:27,610

there when when you look at when you

888

00:39:31,470 --> 00:39:29,020

look at the evidence of that blueprint

889

00:39:33,210 --> 00:39:31,480

when you go to a crime scene is speech

890

00:39:35,070 --> 00:39:33,220

to you it doesn't matter what what

891

00:39:36,840 --> 00:39:35,080

people you know people on the side of

892

00:39:38,760 --> 00:39:36,850

the road are telling you it happened if

893

00:39:40,920 --> 00:39:38,770

the evidence tells you something else

894

00:39:42,390 --> 00:39:40,930

then those people at the side of the

895

00:39:45,900 --> 00:39:42,400

road I'm not telling you the truth yeah

896

00:39:48,090 --> 00:39:45,910

and that is what I'm finding now and and

897

00:39:51,060 --> 00:39:48,100

this blueprint is not it's not just one

898

00:39:53,430 --> 00:39:51,070

small aspect it's not just one monolith

899

00:39:56,250 --> 00:39:53,440

and then in the middle of will fear it

900

00:39:58,680 --> 00:39:56,260

is the whole of the ancient world there

901  
00:40:01,230 --> 00:39:58,690  
are telling you the same thing now when

902  
00:40:03,420 --> 00:40:01,240  
when you start well when everything when

903  
00:40:05,190 --> 00:40:03,430  
the same words keep popping up when the

904  
00:40:07,320 --> 00:40:05,200  
same numbers keep popping up and

905  
00:40:10,710 --> 00:40:07,330  
repeatedly time after time after time

906  
00:40:14,010 --> 00:40:10,720  
that is something to be paid attention

907  
00:40:15,780 --> 00:40:14,020  
to because that is evidence there

908  
00:40:17,250 --> 00:40:15,790  
there's a message in there and they're

909  
00:40:19,350 --> 00:40:17,260  
all sinking from the same team sheet

910  
00:40:21,810 --> 00:40:19,360  
that all telling us that they're all

911  
00:40:23,430 --> 00:40:21,820  
sinking from the same database of

912  
00:40:25,080 --> 00:40:23,440  
knowledge because they're all leaving

913  
00:40:26,910 --> 00:40:25,090

the same message that all leaving the

914

00:40:30,120 --> 00:40:26,920

same codes and they're all leaving

915

00:40:32,550 --> 00:40:30,130

they're the same information about self

916

00:40:33,180 --> 00:40:32,560

and the universe and how we play a part

917

00:40:35,970 --> 00:40:33,190

in that

918

00:40:39,510 --> 00:40:35,980

in their structures in their monuments

919

00:40:43,230 --> 00:40:39,520

in biblical structure in in Islamic

920

00:40:46,109 --> 00:40:43,240

structure in in the Torah in Hinduism in

921

00:40:47,670 --> 00:40:46,119

Sikhism in Islam all of these

922

00:40:49,650 --> 00:40:47,680

when you start looking beyond the public

923

00:40:52,039 --> 00:40:49,660

levels of these belief systems you then

924

00:40:54,509 --> 00:40:52,049

begin to see the truth and the truth is

925

00:40:57,539 --> 00:40:54,519

not is what's being taught on your

926

00:41:02,999 --> 00:40:57,549

Sunday service that is that is a fiction

927

00:41:04,230 --> 00:41:03,009

that is concerning that yeah I agree

928

00:41:06,329 --> 00:41:04,240

with you completely actually they do

929

00:41:09,779 --> 00:41:06,339

when you go it's not fairy stories in it

930

00:41:12,089 --> 00:41:09,789

you you really just really don't want to

931

00:41:13,620 --> 00:41:12,099

insult anybody you and say I'm sure I'm

932

00:41:14,839 --> 00:41:13,630

sure you must get so quite a lot of

933

00:41:17,190 --> 00:41:14,849

feedback

934

00:41:22,849 --> 00:41:17,200

against your theories with some people

935

00:41:25,319 --> 00:41:22,859

but some of course yeah of a week and

936

00:41:27,150 --> 00:41:25,329

somebody came out in the sari talking

937

00:41:30,900 --> 00:41:27,160

about what I write about and then what I

938

00:41:33,059 --> 00:41:30,910

say and they were a Christian and you

939

00:41:36,989 --> 00:41:33,069

know started to speak to them and they

940

00:41:39,630 --> 00:41:36,999

said okay so everybody's been brought up

941

00:41:41,220 --> 00:41:39,640

on a lie except for you I said now I was

942

00:41:43,109 --> 00:41:41,230

brought up on the same line where I've

943

00:41:44,339 --> 00:41:43,119

seen through it and I said I'm not the

944

00:41:46,109 --> 00:41:44,349

only one that's seen through it there's

945

00:41:48,239 --> 00:41:46,119

lots of people seeing through it and

946

00:41:53,339 --> 00:41:48,249

when you do see through it that's just

947

00:41:56,039 --> 00:41:53,349

make sense yeah it's not only inside of

948

00:41:57,630 --> 00:41:56,049

your theory I've actually heard it so we

949

00:41:58,859 --> 00:41:57,640

obviously we all learn from each other

950

00:42:00,390 --> 00:41:58,869

don't we and you you've obviously

951  
00:42:04,769 --> 00:42:00,400  
learned from other people with that

952  
00:42:06,930 --> 00:42:04,779  
theory and built upon it you know when

953  
00:42:09,479 --> 00:42:06,940  
we look at some things like in in a new

954  
00:42:18,539 --> 00:42:09,489  
country like the u.s. when in Washington

955  
00:42:21,150 --> 00:42:18,549  
they've got the great become like our

956  
00:42:22,979 --> 00:42:21,160  
Cleopatra's Needle it's exactly as that

957  
00:42:24,599 --> 00:42:22,989  
I believe there's some sort of resonance

958  
00:42:28,410 --> 00:42:24,609  
with what you're talking about where

959  
00:42:30,539 --> 00:42:28,420  
there isn't there to cheer for can

960  
00:42:34,519 --> 00:42:30,549  
pursue in in Egyptian mythology

961  
00:42:37,710 --> 00:42:34,529  
it's the penis of a Cyrus Noah Cyrus is

962  
00:42:39,599 --> 00:42:37,720  
basically the the pineal gland Osiris is

963  
00:42:41,400 --> 00:42:39,609

connected with the constellation of

964

00:42:43,559 --> 00:42:41,410

Orion you then add the dome of

965

00:42:45,539 --> 00:42:43,569

Washington DC which connected with Isis

966

00:42:47,309 --> 00:42:45,549

which is the womb in and out the eyewall

967

00:42:50,039 --> 00:42:47,319

office the advil is connected to the

968

00:42:53,220 --> 00:42:50,049

womb and also the pituitary gland in the

969

00:42:56,130 --> 00:42:53,230

brain you have the symbol for Sirius

970

00:42:59,370 --> 00:42:56,140

which is the dome the star and the

971

00:42:59,880 --> 00:42:59,380

obelisk you have some little worship of

972

00:43:04,470 --> 00:42:59,890

Isis

973

00:43:08,430 --> 00:43:04,480

in Washington DC with in London moving

974

00:43:10,259 --> 00:43:08,440

Parliament it's basically he talkin from

975

00:43:11,880 --> 00:43:10,269

from ancient Egypt when we look at the

976

00:43:14,069 --> 00:43:11,890

logs of the red carpet at Oscar

977

00:43:15,420 --> 00:43:14,079

ceremonies that is really symbolic of

978

00:43:17,490 --> 00:43:15,430

the world blood line that goes back to

979

00:43:19,829 --> 00:43:17,500

the Pharaohs of Egypt so you will find

980

00:43:22,049 --> 00:43:19,839

that the majority of the US presidents

981

00:43:24,269 --> 00:43:22,059

British throughout the European royalty

982

00:43:27,359 --> 00:43:24,279

are connected to the Pharaohs of Egypt

983

00:43:29,339 --> 00:43:27,369

even Devin Cameron der the former former

984

00:43:31,440 --> 00:43:29,349

British prime minister is related to the

985

00:43:33,779 --> 00:43:31,450

Queen is the cousin abolished Johnson

986

00:43:36,269 --> 00:43:33,789

you know he's the cousin of Harriet

987

00:43:38,099 --> 00:43:36,279

Harman it was what a temporary leader of

988

00:43:40,440 --> 00:43:38,109

the Opposition he will start to say

989

00:43:42,420 --> 00:43:40,450

genetically that the people who are put

990

00:43:45,140 --> 00:43:42,430

in power they were ruling over us are

991

00:43:48,210 --> 00:43:45,150

really part of the same genetic line and

992

00:43:51,180 --> 00:43:48,220

you seal this symbolization in a Zayn

993

00:43:53,220 --> 00:43:51,190

Washington in perished Statue of Liberty

994

00:43:55,200 --> 00:43:53,230

you've got all of London he got the

995

00:43:56,730 --> 00:43:55,210

River Thames which is Camus the dark

996

00:43:59,279 --> 00:43:56,740

River which is the pathway Sue's knee

997

00:44:00,750 --> 00:43:59,289

the serpent of darkness which then leads

998

00:44:02,640 --> 00:44:00,760

you to dark evil which then they see

999

00:44:04,769 --> 00:44:02,650

said the devil which is ignorance you

1000

00:44:06,630 --> 00:44:04,779

have all of these these things going

1001  
00:44:10,230 --> 00:44:06,640  
back to the same place in Indian ancient

1002  
00:44:13,380 --> 00:44:10,240  
history so the president of the Congress

1003  
00:44:15,240 --> 00:44:13,390  
the even though the Sun and the day the

1004  
00:44:17,240 --> 00:44:15,250  
Declaration of Independence on the 4th

1005  
00:44:19,769 --> 00:44:17,250  
of July that's only Philadelphia

1006  
00:44:23,009 --> 00:44:19,779  
Phillies this the Temple of Isis in

1007  
00:44:24,329 --> 00:44:23,019  
Egypt Delta is del fast the womb is the

1008  
00:44:28,039 --> 00:44:24,339  
goddess of the worm the goddess of

1009  
00:44:30,210 --> 00:44:28,049  
motherhood it all goes back to Egypt so

1010  
00:44:32,999 --> 00:44:30,220  
again it's all part of the blueprint

1011  
00:44:35,460 --> 00:44:33,009  
that has been found there you see these

1012  
00:44:38,039 --> 00:44:35,470  
ancient belief systems these ancient

1013  
00:44:41,460 --> 00:44:38,049

sacred information that was for the

1014

00:44:44,789 --> 00:44:41,470

privileged few still today are hidden

1015

00:44:47,999 --> 00:44:44,799

within monuments women buildings within

1016

00:44:50,339 --> 00:44:48,009

even even the governments of the land

1017

00:44:52,380 --> 00:44:50,349

when you look at the word America comes

1018

00:44:54,809 --> 00:44:52,390

from America which basically means the

1019

00:44:56,400 --> 00:44:54,819

land of the feathered serpents but then

1020

00:44:57,749 --> 00:44:56,410

takes you to Cancer Council which is

1021

00:45:00,269 --> 00:44:57,759

really talking about Kundalini energy

1022

00:45:02,190 --> 00:45:00,279

which is the serpent fire at the base of

1023

00:45:05,430 --> 00:45:02,200

the spine that is activated by certain

1024

00:45:08,160 --> 00:45:05,440

practices it all leads to the same

1025

00:45:11,099 --> 00:45:08,170

points of origin if you imagine a tree

1026

00:45:13,079 --> 00:45:11,109

the bark of the tree is true narcissism

1027

00:45:13,760 --> 00:45:13,089

it is the truth it is the origin of

1028

00:45:15,260 --> 00:45:13,770

everything

1029

00:45:17,720 --> 00:45:15,270

but the branches have been deliberately

1030

00:45:20,270 --> 00:45:17,730

put there as a means of keeping people

1031

00:45:22,670 --> 00:45:20,280

away from the bark that is really what

1032

00:45:25,730 --> 00:45:22,680

is happening in people's reality field

1033

00:45:27,770 --> 00:45:25,740

and many of them cannot see past the

1034

00:45:29,690 --> 00:45:27,780

individual twig or the individual branch

1035

00:45:34,640 --> 00:45:29,700

for the individual leaf that their

1036

00:45:35,960 --> 00:45:34,650

reality rests upon everyone's taken note

1037

00:45:39,470 --> 00:45:35,970

earlier because I'm going to be asking

1038

00:45:41,870 --> 00:45:39,480

questions of was yes absolutely

1039

00:45:44,710 --> 00:45:41,880

fascinating Wow cool um I don't really

1040

00:45:47,720 --> 00:45:44,720

know what what where to go nuclear

1041

00:45:49,010 --> 00:45:47,730

what about lentes do you think there's

1042

00:45:51,800 --> 00:45:49,020

any sort connections with the old

1043

00:45:53,750 --> 00:45:51,810

religions of Atlantis with with the

1044

00:45:59,150 --> 00:45:53,760

ancients or do you think that was kind

1045

00:46:05,480 --> 00:45:59,160

of a story that was manufactured for

1046

00:46:08,510 --> 00:46:05,490

somebody again from the Morea a part of

1047

00:46:11,600 --> 00:46:08,520

the blueprint that they have found as

1048

00:46:12,890 --> 00:46:11,610

part of history now well again just a

1049

00:46:15,590 --> 00:46:12,900

couple of weeks ago I was speaking to

1050

00:46:17,960 --> 00:46:15,600

her to the friend and his wife and they

1051  
00:46:19,570 --> 00:46:17,970  
were talking they were very spiritual

1052  
00:46:22,130 --> 00:46:19,580  
and they were talking about the

1053  
00:46:24,890 --> 00:46:22,140  
reactivation of the Atlantean and

1054  
00:46:26,810 --> 00:46:24,900  
lenore-- and crystals so what what what

1055  
00:46:30,230 --> 00:46:26,820  
did that what's the real meaning of that

1056  
00:46:33,200 --> 00:46:30,240  
when you look at the the likes of Plato

1057  
00:46:35,390 --> 00:46:33,210  
who and many of these Greek philosophers

1058  
00:46:37,250 --> 00:46:35,400  
like Socrates and alone actually have

1059  
00:46:40,730 --> 00:46:37,260  
their education in the Misha schools of

1060  
00:46:42,349 --> 00:46:40,740  
Egypt they then took that to Greece you

1061  
00:46:44,150 --> 00:46:42,359  
see that the kabbalah had their

1062  
00:46:47,060 --> 00:46:44,160  
education in the misha schools of egypt

1063  
00:46:50,530 --> 00:46:47,070

and took it in to Judaism so what does

1064

00:46:54,200 --> 00:46:50,540

it mean when you look at Plato he said

1065

00:46:58,910 --> 00:46:54,210

that Atlantis is the island that rules

1066

00:47:01,550 --> 00:46:58,920

seven so when we look at the human spine

1067

00:47:04,609 --> 00:47:01,560

which is the biblical Jacob's Ladder the

1068

00:47:05,840 --> 00:47:04,619

takes you from Earth to heaven they have

1069

00:47:07,910 --> 00:47:05,850

the lower chapters of the body and

1070

00:47:09,859 --> 00:47:07,920

Anna's the kingdom of Earth the top of

1071

00:47:12,349 --> 00:47:09,869

chakras and Ana's the kingdom of heaven

1072

00:47:15,680 --> 00:47:12,359

so when you climb objectives ladder you

1073

00:47:20,330 --> 00:47:15,690

come to heaven the the human spine has

1074

00:47:23,780 --> 00:47:20,340

33 vertebrae when you get to the 33rd

1075

00:47:27,170 --> 00:47:23,790

vertebrae it is now medically as atlas

1076

00:47:29,960 --> 00:47:27,180

now Atlantis means the island

1077

00:47:32,390 --> 00:47:29,970

this what is really telling you when you

1078

00:47:35,030 --> 00:47:32,400

see the The Legend of Atlas Alden above

1079

00:47:36,950 --> 00:47:35,040

the world it is really eldena the mind

1080

00:47:39,800 --> 00:47:36,960

it is Eldon of the consciousness which

1081

00:47:44,900 --> 00:47:39,810

exists within gal Gotha the place of

1082

00:47:47,750 --> 00:47:44,910

skulls now the pineal gland is the

1083

00:47:49,670 --> 00:47:47,760

master gland of the chapter system it is

1084

00:47:52,850 --> 00:47:49,680

the it is that inner portal that abarca

1085

00:47:55,460 --> 00:47:52,860

bears in in the ancient cultures so that

1086

00:47:58,130 --> 00:47:55,470

master gland is situated in the

1087

00:48:00,590 --> 00:47:58,140

geometric center of the human brain it

1088

00:48:03,250 --> 00:48:00,600

is between the two hemispheres and it is

1089

00:48:06,350 --> 00:48:03,260

surrounded by the cerebral spinal fluid

1090

00:48:09,200 --> 00:48:06,360

therefore that master gland is an island

1091

00:48:11,480 --> 00:48:09,210

it is the island that rules

1092

00:48:15,740 --> 00:48:11,490

seven it is the master gland that rules

1093

00:48:18,470 --> 00:48:15,750

over the seven chakras so Atlantis is

1094

00:48:21,380 --> 00:48:18,480

talking about consciousness it is and

1095

00:48:25,370 --> 00:48:21,390

the the re-emergence the reactivation of

1096

00:48:28,190 --> 00:48:25,380

Atlantean and Lemuria crystal is the the

1097

00:48:31,370 --> 00:48:28,200

area of the brain between the pituitary

1098

00:48:33,680 --> 00:48:31,380

gland and the pineal gland is known as

1099

00:48:36,230 --> 00:48:33,690

the Crystal Palace he may recognize that

1100

00:48:38,450 --> 00:48:36,240

from a certain football team name but it

1101  
00:48:40,880 --> 00:48:38,460  
is known as the Crystal Palace that is

1102  
00:48:44,680 --> 00:48:40,890  
the reactivation of the Atlantean and

1103  
00:48:47,060 --> 00:48:44,690  
the Lemurian crystals so we have

1104  
00:48:50,120 --> 00:48:47,070  
Atlantis which is the pineal gland which

1105  
00:48:54,110 --> 00:48:50,130  
is a Cyrus the King's Chamber in Egypt

1106  
00:48:56,210 --> 00:48:54,120  
and we have Lemuria which is Queen mo it

1107  
00:48:58,750 --> 00:48:56,220  
was basically a main queen it was the

1108  
00:49:02,300 --> 00:48:58,760  
equivalent of the Egyptian goddess Isis

1109  
00:49:05,080 --> 00:49:02,310  
Isis is the pituitary gland so there we

1110  
00:49:07,400 --> 00:49:05,090  
have that lantus the pineal gland

1111  
00:49:09,880 --> 00:49:07,410  
lemuria pituitary gland

1112  
00:49:12,350 --> 00:49:09,890  
it is the masculine and the feminine

1113  
00:49:14,660 --> 00:49:12,360

counterparts now the only way that we

1114

00:49:17,510 --> 00:49:14,670

can reach the Egyptian what is it was

1115

00:49:20,600 --> 00:49:17,520

called their God state their Godhead is

1116

00:49:23,180 --> 00:49:20,610

by the imbalance and the Union the

1117

00:49:25,250 --> 00:49:23,190

polarities the Union and the balance of

1118

00:49:27,710 --> 00:49:25,260

opposites which is masculine and

1119

00:49:30,590 --> 00:49:27,720

feminine there's aspects of duality

1120

00:49:33,520 --> 00:49:30,600

when you see the likes of Egyptian

1121

00:49:36,350 --> 00:49:33,530

mummies who incidentally face the East

1122

00:49:39,260 --> 00:49:36,360

because the East and cardinal points is

1123

00:49:40,650 --> 00:49:39,270

the is the the the direction of

1124

00:49:43,740 --> 00:49:40,660

enlightenment alone

1125

00:49:47,299 --> 00:49:43,750

nation you will see that their arms are

1126

00:49:50,849 --> 00:49:47,309

crossed Alba their chest in a cross

1127

00:49:54,140 --> 00:49:50,859

formation that cost formation is

1128

00:49:57,510 --> 00:49:54,150

symbolic of the the union of opposites

1129

00:50:00,779 --> 00:49:57,520

and that crust happens at a central

1130

00:50:02,670 --> 00:50:00,789

point at the top of the heart it's

1131

00:50:05,880 --> 00:50:02,680

really the union of opposites when you

1132

00:50:07,650 --> 00:50:05,890

see the mask of King Tutankhamen there

1133

00:50:09,630 --> 00:50:07,660

that the gold is really the

1134

00:50:12,599 --> 00:50:09,640

Philosopher's Stone it is the the

1135

00:50:14,279 --> 00:50:12,609

internal alchemy their alchemy comes

1136

00:50:16,410 --> 00:50:14,289

from chem which is the former name of

1137

00:50:20,849 --> 00:50:16,420

Egypt well where we get chemistry

1138

00:50:23,370 --> 00:50:20,859

alchemy chemicals chemistry it comes

1139

00:50:26,460 --> 00:50:23,380

from chem Egypt now when you look at the

1140

00:50:28,410 --> 00:50:26,470

kingdom cutting power moons masks and

1141

00:50:29,069 --> 00:50:28,420

you see the two serpents out of the

1142

00:50:31,589 --> 00:50:29,079

third eye

1143

00:50:33,900 --> 00:50:31,599

that is the sacred rivers of the IDA and

1144

00:50:37,170 --> 00:50:33,910

the pink gallon herbs and when they meet

1145

00:50:39,779 --> 00:50:37,180

at the third eye the sixth chakra they

1146

00:50:40,950 --> 00:50:39,789

create suni when they're balanced it's

1147

00:50:44,190 --> 00:50:40,960

the it's the negative and the positive

1148

00:50:45,750 --> 00:50:44,200

serpent when they are balanced they

1149

00:50:47,309 --> 00:50:45,760

create what is known as a consciousness

1150

00:50:49,440 --> 00:50:47,319

fusion and that is really what is

1151  
00:50:52,799 --> 00:50:49,450  
indicating when you start looking at

1152  
00:50:56,069 --> 00:50:52,809  
what looks like a cobra headdress is

1153  
00:50:57,510 --> 00:50:56,079  
really the cerebellum which is the

1154  
00:50:59,339 --> 00:50:57,520  
little brain which deals with

1155  
00:51:02,190 --> 00:50:59,349  
equilibrium which deals with balance

1156  
00:51:05,130 --> 00:51:02,200  
when you start looking at what what

1157  
00:51:07,589 --> 00:51:05,140  
people believe is a beard on these

1158  
00:51:09,329 --> 00:51:07,599  
statues it's not it's what is known as

1159  
00:51:12,480 --> 00:51:09,339  
the dermis which he means serpent

1160  
00:51:14,010 --> 00:51:12,490  
because the serpent the vermis separates

1161  
00:51:16,890 --> 00:51:14,020  
the two lateral hemispheres the two

1162  
00:51:20,130 --> 00:51:16,900  
wings of the cerebellum it's all to do

1163  
00:51:22,140 --> 00:51:20,140

with equilibrium all to do balance the

1164

00:51:24,000 --> 00:51:22,150

balance in opposites that which took

1165

00:51:26,430 --> 00:51:24,010

them to their god state it is the

1166

00:51:27,120 --> 00:51:26,440

balancing and their vessel so atlantis

1167

00:51:30,269 --> 00:51:27,130

and lemuria

1168

00:51:36,599 --> 00:51:30,279

are really metaphor for our inner

1169

00:51:41,130 --> 00:51:36,609

consciousness we have a great fan of

1170

00:51:42,900 --> 00:51:41,140

ancient aliens I don't know if you in

1171

00:51:46,140 --> 00:51:42,910

your opinion do you think aliens built

1172

00:51:50,279 --> 00:51:46,150

the pyramids or or do you think or I

1173

00:51:52,430 --> 00:51:50,289

gave the technology to the ancients so

1174

00:51:54,480 --> 00:51:52,440

in order to build the pyramids sir I

1175

00:51:59,420 --> 00:51:54,490

still can't think that

1176

00:52:02,880 --> 00:51:59,430

just done by human hands but now a

1177

00:52:05,700 --> 00:52:02,890

theory is they were used by humans but

1178

00:52:07,800 --> 00:52:05,710

they were taught by people none of none

1179

00:52:11,400 --> 00:52:07,810

of this world when you when you look at

1180

00:52:13,680 --> 00:52:11,410

Egyptian documents they tell you that

1181

00:52:15,870 --> 00:52:13,690

they were visited from by people from

1182

00:52:18,000 --> 00:52:15,880

the stars and how they were given

1183

00:52:19,800 --> 00:52:18,010

certain mathematical equations and

1184

00:52:22,349 --> 00:52:19,810

certain information

1185

00:52:25,020 --> 00:52:22,359

so but there is no record of the

1186

00:52:26,550 --> 00:52:25,030

Egyptians ever building the pyramids now

1187

00:52:29,099 --> 00:52:26,560

when you start looking at all of these

1188

00:52:33,270 --> 00:52:29,109

fantastic slides I believe they were put

1189

00:52:35,070 --> 00:52:33,280

there by well people who are of

1190

00:52:37,560 --> 00:52:35,080

apparatus or swimming of a greater

1191

00:52:39,440 --> 00:52:37,570

knowledge base of them than people are

1192

00:52:41,910 --> 00:52:39,450

but I do think there were certain

1193

00:52:44,040 --> 00:52:41,920

individuals within that the highest

1194

00:52:47,820 --> 00:52:44,050

society that were taught how to use

1195

00:52:51,150 --> 00:52:47,830

these pieces of equipment and when you

1196

00:52:54,510 --> 00:52:51,160

start looking at you know the the famous

1197

00:52:58,470 --> 00:52:54,520

face on Mars which in the exact origin

1198

00:53:00,329 --> 00:52:58,480

story is the face of Alalu it isn't

1199

00:53:02,700 --> 00:53:00,339

because they're as I said a la Luz way

1200

00:53:04,950 --> 00:53:02,710

of genetics but when you do actually

1201

00:53:06,900 --> 00:53:04,960

look at how destroy down your city on

1202

00:53:10,800 --> 00:53:06,910

Mars has actually been geographically

1203

00:53:12,630 --> 00:53:10,810

mapped by Richard C Hoagland and you can

1204

00:53:14,339 --> 00:53:12,640

see that there's the likes of five sided

1205

00:53:16,200 --> 00:53:14,349

pyramid snow the number five is all

1206

00:53:18,120 --> 00:53:16,210

today we've realized man talking now in

1207

00:53:20,640 --> 00:53:18,130

again consciousness the pentagram the

1208

00:53:23,339 --> 00:53:20,650

the fifth element but when you start

1209

00:53:24,839 --> 00:53:23,349

looking at the face on Mars and you

1210

00:53:29,280 --> 00:53:24,849

start looking at the longitude and

1211

00:53:32,450 --> 00:53:29,290

latitude grid vectors it's actually it

1212

00:53:35,640 --> 00:53:32,460

has encrypted a satellite navigation

1213

00:53:37,920 --> 00:53:35,650

location of Stonehenge when you look at

1214

00:53:40,380 --> 00:53:37,930

Stonehenge and you look at the diameters

1215

00:53:42,540 --> 00:53:40,390

and the mathematics within the diameters

1216

00:53:44,970 --> 00:53:42,550

of Stonehenge tells you how to find the

1217

00:53:46,589 --> 00:53:44,980

side down in City on planet Mars when

1218

00:53:49,589 --> 00:53:46,599

you look at the Great Pyramid of Egypt

1219

00:53:52,859 --> 00:53:49,599

and you start doubling Pi which again is

1220

00:53:55,410 --> 00:53:52,869

a mathematical frequency but a double PI

1221

00:53:57,150 --> 00:53:55,420

by by the diameters of the pyramid again

1222

00:53:59,810 --> 00:53:57,160

it is encrypted the location of the

1223

00:54:02,760 --> 00:53:59,820

cydonia city on mars when you look at

1224

00:54:05,430 --> 00:54:02,770

our boss which is the man of mass it has

1225

00:54:08,040 --> 00:54:05,440

obelisks when you look at the moon it

1226  
00:54:08,280 --> 00:54:08,050  
has a lunar abaca which are a set of six

1227  
00:54:10,320 --> 00:54:08,290  
of

1228  
00:54:11,940 --> 00:54:10,330  
disks that are mapped out to the

1229  
00:54:15,210 --> 00:54:11,950  
diameters of the three main pyramids of

1230  
00:54:18,720 --> 00:54:15,220  
giza that is clearly when you start

1231  
00:54:21,270 --> 00:54:18,730  
looking at a dream wheelchair it is an

1232  
00:54:24,090 --> 00:54:21,280  
exact map overlay of the cydonia city on

1233  
00:54:27,120 --> 00:54:24,100  
Mars when you look at Silbury Hill which

1234  
00:54:29,820 --> 00:54:27,130  
is the largest mound in Europe it is an

1235  
00:54:33,330 --> 00:54:29,830  
exact match of a mound that is on the

1236  
00:54:34,530 --> 00:54:33,340  
cydonia City and Mars you know we have

1237  
00:54:37,550 --> 00:54:34,540  
they a Mars henge

1238  
00:54:40,560 --> 00:54:37,560

on a Mars we have all of these

1239

00:54:42,750 --> 00:54:40,570

correlations between the planets where

1240

00:54:44,850 --> 00:54:42,760

the likes of the great pyramids the

1241

00:54:49,770 --> 00:54:44,860

likes of Stonehenge lots of other

1242

00:54:53,730 --> 00:54:49,780

pyramids were creating a portal in order

1243

00:54:55,800 --> 00:54:53,740

to transmit so for anyone who's seen

1244

00:54:58,560 --> 00:54:55,810

Star Trek in you know beam me up Scotty

1245

00:55:01,230 --> 00:54:58,570

this wasn't really happening and it was

1246

00:55:03,270 --> 00:55:01,240

really happening with with other planets

1247

00:55:06,000 --> 00:55:03,280

and there's mathematical proof for those

1248

00:55:08,430 --> 00:55:06,010

monuments up there that are proven it's

1249

00:55:10,290 --> 00:55:08,440

either a civilization that has come from

1250

00:55:12,300 --> 00:55:10,300

those planets or it's a civilization

1251

00:55:15,300 --> 00:55:12,310

that is able to travel between them now

1252

00:55:18,920 --> 00:55:15,310

that to me would suggest the ancient

1253

00:55:21,450 --> 00:55:18,930

alien theory now having seen an absolute

1254

00:55:23,880 --> 00:55:21,460

plethora of UFOs of all shapes and sizes

1255

00:55:25,470 --> 00:55:23,890

both day and night of all kinds of

1256

00:55:28,110 --> 00:55:25,480

distance and all kinds of Heights

1257

00:55:30,660 --> 00:55:28,120

some of them literally 500 feet above me

1258

00:55:33,150 --> 00:55:30,670

having seen them coming out of

1259

00:55:35,280 --> 00:55:33,160

dimensional portals having me to let

1260

00:55:38,880 --> 00:55:35,290

them telepathically invited to certain

1261

00:55:42,180 --> 00:55:38,890

locations there is something clearly

1262

00:55:48,090 --> 00:55:42,190

going on that we are not being told

1263

00:55:50,880 --> 00:55:48,100

about and why would humans be the only

1264

00:55:53,370 --> 00:55:50,890

life form or the only existence in a

1265

00:55:56,580 --> 00:55:53,380

universe that is absolutely teamed with

1266

00:55:59,520 --> 00:55:56,590

life absolutely you know it makes no

1267

00:56:01,050 --> 00:55:59,530

sense no especially weather will you

1268

00:56:02,400 --> 00:56:01,060

talk about the earth I mention or

1269

00:56:04,350 --> 00:56:02,410

aspects of it I mean this is what I

1270

00:56:07,620 --> 00:56:04,360

called this paranormal dimensions

1271

00:56:11,100 --> 00:56:07,630

because there has so many dimensions to

1272

00:56:13,500 --> 00:56:11,110

to life I believe myself but it's not

1273

00:56:15,780 --> 00:56:13,510

just all into extraterrestrial stuff I

1274

00:56:18,690 --> 00:56:15,790

think probably most of what we see is

1275

00:56:20,160 --> 00:56:18,700

the interdimensional or see or

1276

00:56:22,620 --> 00:56:20,170

experience

1277

00:56:25,410 --> 00:56:22,630

well the extra-terrestrial subject is

1278

00:56:27,240 --> 00:56:25,420

just one of many and obviously you know

1279

00:56:29,190 --> 00:56:27,250

it comes in girls and and it's in the

1280

00:56:31,620 --> 00:56:29,200

news and lots a bit lot lots of people

1281

00:56:32,820 --> 00:56:31,630

are seeing more and more things now so

1282

00:56:35,940 --> 00:56:32,830

that there's obviously been some kind of

1283

00:56:39,210 --> 00:56:35,950

enhancement of you know the visual sort

1284

00:56:41,550 --> 00:56:39,220

of display but but it's just one part of

1285

00:56:43,200 --> 00:56:41,560

many things if you imagine a massive

1286

00:56:45,960 --> 00:56:43,210

stately home you know it doesn't just

1287

00:56:48,600 --> 00:56:45,970

have one room it has hundreds of rooms

1288

00:56:50,760 --> 00:56:48,610

and you know wherever you look at

1289

00:56:51,960 --> 00:56:50,770

electromagnetic forces that some people

1290

00:56:54,510 --> 00:56:51,970

call angels we've been look at

1291

00:56:55,890 --> 00:56:54,520

extraterrestrials which are basically

1292

00:56:58,320 --> 00:56:55,900

humanoids that are aligned to a

1293

00:57:01,050 --> 00:56:58,330

different star system we know we are

1294

00:57:03,210 --> 00:57:01,060

aligned to to this solar system this

1295

00:57:06,210 --> 00:57:03,220

star system and some of them are aligned

1296

00:57:09,540 --> 00:57:06,220

to Sirius similar in Milan to Ryan some

1297

00:57:11,580 --> 00:57:09,550

of them are aligned to our furious alpha

1298

00:57:12,960 --> 00:57:11,590

centauri you know when you start looking

1299

00:57:15,720 --> 00:57:12,970

at air well a lot of these ancient

1300

00:57:17,670 --> 00:57:15,730

monuments are in alignment with the did

1301  
00:57:20,400 --> 00:57:17,680  
the constellation of Orion and and the

1302  
00:57:23,790 --> 00:57:20,410  
free free belts the three stars of the

1303  
00:57:26,940 --> 00:57:23,800  
belt of Orion you will see that the

1304  
00:57:30,390 --> 00:57:26,950  
Orion nursery the m42 is really the

1305  
00:57:33,210 --> 00:57:30,400  
birthplace of matter for this side of

1306  
00:57:34,980 --> 00:57:33,220  
the universe for Earth so there's that

1307  
00:57:37,260 --> 00:57:34,990  
the basically telling us in our origins

1308  
00:57:40,440 --> 00:57:37,270  
which is really in Orion is really in

1309  
00:57:44,700 --> 00:57:40,450  
the stars and when when a star goes

1310  
00:57:47,670 --> 00:57:44,710  
supernova it creates a gold you know

1311  
00:57:50,310 --> 00:57:47,680  
when when a star explodes and Isaac it

1312  
00:57:51,600 --> 00:57:50,320  
creates carbon it creates oxygen which

1313  
00:57:54,870 --> 00:57:51,610

then creates life

1314

00:57:57,600 --> 00:57:54,880

so really you know we are all particles

1315

00:57:59,550 --> 00:57:57,610

are dead exploded stars now when we have

1316

00:58:01,770 --> 00:57:59,560

a child we call it a youngster which is

1317

00:58:05,640 --> 00:58:01,780

really saying a young star because we

1318

00:58:10,010 --> 00:58:05,650

are the material so in effect we are all

1319

00:58:12,660 --> 00:58:10,020

star people now if if a dead star is

1320

00:58:14,610 --> 00:58:12,670

continuing to live within us when our

1321

00:58:16,560 --> 00:58:14,620

physicality dies we will continue to

1322

00:58:19,650 --> 00:58:16,570

live something else and that is how we

1323

00:58:32,760 --> 00:58:19,660

become eternal in terms of these

1324

00:58:33,400 --> 00:58:32,770

particles of matter I mean if you're up

1325

00:58:36,130 --> 00:58:33,410

for it

1326

00:58:37,300 --> 00:58:36,140

really likes to continue with this maybe

1327

00:58:39,910 --> 00:58:37,310

they're part too

1328

00:58:42,700 --> 00:58:39,920

would you be up for that I certainly

1329

00:58:46,600 --> 00:58:42,710

would thank you very much I think we've

1330

00:58:47,920 --> 00:58:46,610

got so much you've got so much so we're

1331

00:58:52,090 --> 00:58:47,930

probably having better time to cover

1332

00:58:53,950 --> 00:58:52,100

here I think we ought to defer at the

1333

00:58:55,570 --> 00:58:53,960

end of this show anyway but I think I'd

1334

00:59:00,700 --> 00:58:55,580

like to do a part so review if you're up

1335

00:59:02,890 --> 00:59:00,710

for it and then a brilliant show I'll do

1336

00:59:08,680 --> 00:59:02,900

that this is gonna be a first - first

1337

00:59:12,310 --> 00:59:08,690

two-parter yeah thanks ever so much

1338

00:59:15,040 --> 00:59:12,320

Michael and as I say will will continue

1339

00:59:17,380 --> 00:59:15,050

yes and there'll be a part 2 coming up

1340

00:59:20,050 --> 00:59:17,390

people earlier and I hope you have been

1341

00:59:22,090 --> 00:59:20,060

as intrigued as I have been and I was

1342

00:59:24,520 --> 00:59:22,100

face thank you again for Michael and

1343

00:59:28,060 --> 00:59:24,530

you'll be hearing again next week from

1344

00:59:31,000 --> 00:59:28,070

him so I'm going to say bye-bye everyone

1345

00:59:33,940 --> 00:59:31,010

sir now and hope you'll tune in again

1346

00:59:48,000 --> 00:59:33,950

for part 2 thank you
