

Paranormal UK Radio Network Presents

PARANORMAL DIMENSIONS

with David Young

with
UFO Researcher and
author John Hanson

Monday 22nd April at 8pm GMT/EST

www.paranormalukradionetwork.com

1
00:00:38,209 --> 00:00:21,550

[Music]

2
00:00:43,400 --> 00:00:40,700
greetings you're listening to the

3
00:00:46,099 --> 00:00:43,410
paranormal UK radio network the UK's

4
00:00:48,310 --> 00:00:46,109
biggest paranormal Network I'm David

5
00:00:50,840 --> 00:00:48,320
Young and this is paranormal dimensions

6
00:00:53,869 --> 00:00:50,850
now on this show I'm going to make no

7
00:00:58,240 --> 00:00:53,879
apologies I've got a very good friend on

8
00:01:00,920 --> 00:00:58,250
that on the line here John Henson either

9
00:01:03,799 --> 00:01:00,930
in my mind he's probably run as a bit

10
00:01:06,139 --> 00:01:03,809
the UK's best UFO researchers he's

11
00:01:08,660 --> 00:01:06,149
responsible for writing the haunted

12
00:01:12,410 --> 00:01:08,670
skies books which is like a history of

13
00:01:14,090 --> 00:01:12,420

the unit of the UFO books and rip well

14

00:01:16,309 --> 00:01:14,100

really usher didn't even get on and tell

15

00:01:19,910 --> 00:01:16,319

you all about that so hello John Henson

16

00:01:22,130 --> 00:01:19,920

oh good afternoon to you David how are

17

00:01:26,870 --> 00:01:22,140

you doing all right if I might blow up

18

00:01:33,469 --> 00:01:26,880

in those trees try not to fall over

19

00:01:37,100 --> 00:01:33,479

again I actually just contacted the

20

00:01:41,960 --> 00:01:37,110

local village Magdalene here because

21

00:01:43,760 --> 00:01:41,970

they they did a article on well UFOs

22

00:01:46,369 --> 00:01:43,770

that they've done someone me before to

23

00:01:49,249 --> 00:01:46,379

be fair but the last one was about six

24

00:01:52,279 --> 00:01:49,259

months ago and it was a number of

25

00:01:56,169 --> 00:01:52,289

strange lights seen over the Cala tea

26
00:01:59,059 --> 00:01:56,179
about six or seven miles from here and

27
00:02:02,089 --> 00:01:59,069
you know the usual thing that you use

28
00:02:04,999 --> 00:02:02,099
your skeptical stuff about it and pee

29
00:02:08,570 --> 00:02:05,009
taking the aliens are invading and I

30
00:02:11,390 --> 00:02:08,580
felt that was I felt like should that

31
00:02:14,750 --> 00:02:11,400
needed a rebuttal although I can't

32
00:02:17,570 --> 00:02:14,760
as our friend Charles Holt would say I

33
00:02:20,830 --> 00:02:17,580
can't say where these things are from or

34
00:02:22,280 --> 00:02:20,840
what they are but the evidence is

35
00:02:25,369 --> 00:02:22,290
indisputable

36
00:02:29,180 --> 00:02:25,379
from from so many people that have seen

37
00:02:31,309 --> 00:02:29,190
so many things going back to what keep

38
00:02:33,320 --> 00:02:31,319

going back so many years now you know he

39

00:02:35,540 --> 00:02:33,330

says yeah like there's a bit luck with

40

00:02:36,949 --> 00:02:35,550

ages and even further back isn't it it

41

00:02:38,320 --> 00:02:36,959

goes yeah if you really want to take it

42

00:02:43,009 --> 00:02:38,330

that far

43

00:02:47,380 --> 00:02:43,019

well this is true I remember every now

44

00:02:51,470 --> 00:02:47,390

and then there's a surge or a wave of

45

00:02:54,520 --> 00:02:51,480

procrastination by you know in Hugh

46

00:02:57,619 --> 00:02:54,530

yes they're interested in UFOs and

47

00:03:00,979 --> 00:02:57,629

obviously try and convince me that

48

00:03:04,759 --> 00:03:00,989

triangular UFOs which of course that

49

00:03:08,030 --> 00:03:04,769

came to came to light in the 1980s their

50

00:03:11,420 --> 00:03:08,040

famous Belgium wave try and tell me that

51
00:03:14,720 --> 00:03:11,430
it's a covert top-secret aircraft well

52
00:03:17,030 --> 00:03:14,730
all I can say is that first Awards I

53
00:03:20,690 --> 00:03:17,040
cannot prove or disprove well I can

54
00:03:22,850 --> 00:03:20,700
prove is the identical things that have

55
00:03:28,150 --> 00:03:22,860
been seen you know going back to the

56
00:03:31,130 --> 00:03:28,160
13th and 14th century and in my opinion

57
00:03:35,210 --> 00:03:31,140
you know you can't explain them away

58
00:03:37,309 --> 00:03:35,220
under a myriad of explanations as as

59
00:03:40,300 --> 00:03:37,319
people offer you know they won't

60
00:03:43,490 --> 00:03:40,310
believes or fireballs or meteorites and

61
00:03:45,319 --> 00:03:43,500
you know the term UFO wasn't wasn't

62
00:03:48,589 --> 00:03:45,329
known then but I'm convinced if there

63
00:03:53,360 --> 00:03:48,599

was an Internet a few hundred years ago

64

00:03:55,430 --> 00:03:53,370

we would be absolutely weighted under

65

00:03:57,530 --> 00:03:55,440

with the amount of sightings that

66

00:04:00,670 --> 00:03:57,540

clearly well most of them would have

67

00:04:03,949 --> 00:04:00,680

been UFOs because he couldn't even fly

68

00:04:05,479 --> 00:04:03,959

but all they had to do to recall them

69

00:04:09,050 --> 00:04:05,489

them was just menu scripts and those

70

00:04:10,699 --> 00:04:09,060

things or maybe cave drawings in a cave

71

00:04:12,500 --> 00:04:10,709

drawings you write our friend and

72

00:04:14,449 --> 00:04:12,510

somebody was telling me actually assume

73

00:04:16,310 --> 00:04:14,459

he was chatting to me about von Daniken

74

00:04:19,940 --> 00:04:16,320

the other day and I said that we'd met

75

00:04:22,580 --> 00:04:19,950

up with him and he'd he'd kindly give an

76

00:04:28,960 --> 00:04:22,590

endorsement to the books I think after

77

00:04:36,800 --> 00:04:32,170

perseverance is the word you very kindly

78

00:04:41,060 --> 00:04:36,810

you know he got in touching them again

79

00:04:45,200 --> 00:04:41,070

and this is the thing you see I do say

80

00:04:47,300 --> 00:04:45,210

to a lot of people you know I don't make

81

00:04:49,730 --> 00:04:47,310

any money out of this I wish I did oh

82

00:04:52,640 --> 00:04:49,740

I've been the first now I know you've

83

00:04:53,960 --> 00:04:52,650

told me several years yeah but I but I

84

00:04:56,200 --> 00:04:53,970

put it down to the fact that

85

00:04:59,600 --> 00:04:56,210

unfortunately we live in an age where

86

00:05:03,239 --> 00:04:59,610

people that you know when I say people

87

00:05:08,759 --> 00:05:05,549

that-that-that's that small group of

88

00:05:11,369 --> 00:05:08,769

enthusiasts is a small group comparison

89

00:05:13,619 --> 00:05:11,379

to the general public the general public

90

00:05:16,469 --> 00:05:13,629

got their own preconceived if you like

91

00:05:21,289 --> 00:05:16,479

misconceptions about UFOs but within our

92

00:05:24,299 --> 00:05:21,299

small encampment if you like you know

93

00:05:28,739 --> 00:05:24,309

there is a problem in my opinion because

94

00:05:30,899 --> 00:05:28,749

so many people you know they they either

95

00:05:33,299 --> 00:05:30,909

believe in black or white which we

96

00:05:35,399 --> 00:05:33,309

discussed before about whether they're

97

00:05:38,639 --> 00:05:35,409

alien spaceships or not or covert

98

00:05:41,879 --> 00:05:38,649

top-secret technological crap I just

99

00:05:45,149 --> 00:05:41,889

don't know but yeah all I've thought to

100

00:05:48,629 --> 00:05:45,159

do and and now seeing so many of these

101
00:05:51,919 --> 00:05:48,639
guys pass away at not only the witnesses

102
00:05:55,729 --> 00:05:51,929
but UFO researchers like Omar Fowler

103
00:05:58,409 --> 00:05:55,739
what a smashing bloke he he was and

104
00:06:02,729 --> 00:05:58,419
people like even people like Dennis

105
00:06:06,059 --> 00:06:02,739
Plunkett Margaret Westwood and others so

106
00:06:09,739 --> 00:06:06,069
many so many others I feel that I have

107
00:06:15,179 --> 00:06:09,749
to at least to the best of my ability

108
00:06:17,789 --> 00:06:15,189
produce a record of not only what the

109
00:06:19,769 --> 00:06:17,799
witnesses have seen but but you know the

110
00:06:23,669 --> 00:06:19,779
achievements made by those very

111
00:06:27,419 --> 00:06:23,679
important researchers so that's why I'm

112
00:06:29,939 --> 00:06:27,429
doing it for and certainly if I did

113
00:06:33,479 --> 00:06:29,949

something like that for money and fame

114

00:06:36,269 --> 00:06:33,489

I'd be sat on my yacht but unfortunately

115

00:06:39,029 --> 00:06:36,279

I'm not and I don't hold that against

116

00:06:41,729 --> 00:06:39,039

well I do because I find it fascinating

117

00:06:44,309 --> 00:06:41,739

and I think I mentioned to you an X

118

00:06:46,619 --> 00:06:44,319

count so I came the other day and she

119

00:06:48,989 --> 00:06:46,629

spoke to me about something she

120

00:06:50,639 --> 00:06:48,999

witnessed and was was warned and

121

00:06:53,459 --> 00:06:50,649

threatened which is all part of the

122

00:06:55,519 --> 00:06:53,469

territory or it was part of the charity

123

00:06:57,989 --> 00:06:55,529

I don't think happens so much now but

124

00:07:00,269 --> 00:06:57,999

yeah that's that's that's where I'm

125

00:07:04,039 --> 00:07:00,279

coming from and I'm buggered if I

126
00:07:09,269 --> 00:07:06,989
just I suppose really I suppose we ought

127
00:07:12,059 --> 00:07:09,279
to go back to the beginning so how you

128
00:07:14,009 --> 00:07:12,069
really got into it and started deciding

129
00:07:15,700 --> 00:07:14,019
to write books I guess it's probably the

130
00:07:18,790 --> 00:07:15,710
best way to start what it is

131
00:07:23,350 --> 00:07:18,800
the strange thing is that when I retired

132
00:07:25,270 --> 00:07:23,360
from the Schwartz in 1995 my son was

133
00:07:30,940 --> 00:07:25,280
dead in the force they would he just

134
00:07:33,790 --> 00:07:30,950
joined up actually as as a special and

135
00:07:35,530 --> 00:07:33,800
as I say when I retired I I used to

136
00:07:37,120 --> 00:07:35,540
leave it and I used to either I've got a

137
00:07:39,160 --> 00:07:37,130
metal detector you should like to go out

138
00:07:41,740 --> 00:07:39,170

metal detecting just like to go out and

139

00:07:43,600 --> 00:07:41,750

dig you still like to go to Victorian

140

00:07:46,180 --> 00:07:43,610

tips as well because that fascinates me

141

00:07:47,950 --> 00:07:46,190

delving through history oh yeah and the

142

00:07:51,520 --> 00:07:47,960

amount of stuff that the Victorians

143

00:07:54,280 --> 00:07:51,530

chucked away I mean these tips are not

144

00:07:59,590 --> 00:07:54,290

easy to get to now but I can assure you

145

00:08:01,270 --> 00:07:59,600

that they are very exciting because you

146

00:08:04,210 --> 00:08:01,280

never know what you're going to find and

147

00:08:09,370 --> 00:08:04,220

I used to dig up bottles enjoyed that

148

00:08:13,210 --> 00:08:09,380

and then as I say the my son was

149

00:08:15,910 --> 00:08:13,220

directed to he was then oh sorry was a

150

00:08:18,130 --> 00:08:15,920

special beginning but in 95 he was a

151

00:08:21,370 --> 00:08:18,140

police constable of just a few months

152

00:08:25,030 --> 00:08:21,380

experience and he was directed to a

153

00:08:28,630 --> 00:08:25,040

porter report on the 16th or it could

154

00:08:33,340 --> 00:08:28,640

have been a 92 January 1995 he was a 19

155

00:08:35,380 --> 00:08:33,350

and 6:40 p.m. and following a number of

156

00:08:39,040 --> 00:08:35,390

reports of things over the Birmingham

157

00:08:41,950 --> 00:08:39,050

city centre he went to a place called

158

00:08:45,010 --> 00:08:41,960

Moseley and interviewed a doctor drove a

159

00:08:49,690 --> 00:08:45,020

short distance away and him and the

160

00:08:52,990 --> 00:08:49,700

police woman saw this elliptical object

161

00:08:57,430 --> 00:08:53,000

hovering over some trees with a blue

162

00:09:00,730 --> 00:08:57,440

field around it and a red a red glow in

163

00:09:04,600 --> 00:09:00,740

the centre and a bit like as I said to

164

00:09:07,000 --> 00:09:04,610

him a cheeseburger but he was he could

165

00:09:10,020 --> 00:09:07,010

not believe that he was seeing this and

166

00:09:14,010 --> 00:09:10,030

to be honest at that point in time I

167

00:09:16,510 --> 00:09:14,020

regarded such reports as ridiculous I

168

00:09:19,470 --> 00:09:16,520

you know it's hard isn't it that it

169

00:09:23,590 --> 00:09:19,480

takes something like that a trigger to

170

00:09:26,350 --> 00:09:23,600

to open one's eyes and prior to them as

171

00:09:28,210 --> 00:09:26,360

far as I was concerned this is the this

172

00:09:28,870 --> 00:09:28,220

is well it's now that I was in 21st

173

00:09:32,650 --> 00:09:28,880

century

174

00:09:37,030 --> 00:09:32,660

but I suppose the annoying part about it

175

00:09:39,460 --> 00:09:37,040

is that um children UFOs aren't on the

176

00:09:43,960 --> 00:09:39,470

curriculum but but but children don't

177

00:09:47,200 --> 00:09:43,970

have an idea about what as well has gone

178

00:09:48,640 --> 00:09:47,210

on again I'm I'm reiterating I don't

179

00:09:51,220 --> 00:09:48,650

know what these things are and I don't

180

00:09:54,040 --> 00:09:51,230

know where they come from but it but it

181

00:09:57,340 --> 00:09:54,050

it does form pile of our history all

182

00:09:58,690 --> 00:09:57,350

about culture but it comes as a big as I

183

00:10:00,700 --> 00:09:58,700

say it comes as a bit of a shock when

184

00:10:02,440 --> 00:10:00,710

you find you're on the other side of you

185

00:10:04,300 --> 00:10:02,450

you're one of the crazies they're on you

186

00:10:07,030 --> 00:10:04,310

when you suddenly find that you're the

187

00:10:10,030 --> 00:10:07,040

one that believes in the UFOs or ghosts

188

00:10:13,480 --> 00:10:10,040

or whatever it is it's a comes that you

189

00:10:15,340 --> 00:10:13,490

come across you become you know on the

190

00:10:21,730 --> 00:10:15,350

other side basically you get people take

191

00:10:25,150 --> 00:10:21,740

the Pierre of you don't you do you can't

192

00:10:28,480 --> 00:10:25,160

get away from the fact that so many

193

00:10:32,260 --> 00:10:28,490

people I've seen these things and that

194

00:10:37,210 --> 00:10:32,270

predominantly that there is familiarity

195

00:10:42,370 --> 00:10:37,220

between so many sightings you know going

196

00:10:44,640 --> 00:10:42,380

back to the early 1940s where most a

197

00:10:47,470 --> 00:10:44,650

number of witnesses will describe seeing

198

00:10:49,360 --> 00:10:47,480

three lights in the sky three lights

199

00:10:53,710 --> 00:10:49,370

forming a triangle but one of the lights

200

00:10:55,510 --> 00:10:53,720

will shoot off now to me that that

201
00:10:58,930 --> 00:10:55,520
negates the fact that it could have been

202
00:11:01,090 --> 00:10:58,940
some covert top-secret aircraft back in

203
00:11:03,730 --> 00:11:01,100
the early 40s or something the Germans

204
00:11:06,580 --> 00:11:03,740
have got but they're gone

205
00:11:09,490 --> 00:11:06,590
sorry as I say you've got to get that so

206
00:11:11,980 --> 00:11:09,500
possibility a chance well it may well

207
00:11:13,570 --> 00:11:11,990
the human cannot fit all the cases you

208
00:11:16,870 --> 00:11:13,580
see it can't hmm

209
00:11:19,600 --> 00:11:16,880
and that's that's an insult really to

210
00:11:21,730 --> 00:11:19,610
all of these witnesses I mean oddly

211
00:11:23,110 --> 00:11:21,740
enough in front of me I've got I mean

212
00:11:26,110 --> 00:11:23,120
this guy's long gone

213
00:11:30,040 --> 00:11:26,120

David Proctor but he was a friend of Roy

214

00:11:32,470 --> 00:11:30,050

lakes and most I think Roy is retired

215

00:11:35,560 --> 00:11:32,480

from it now he lives in Barking in Essex

216

00:11:38,320 --> 00:11:35,570

but there is something from him from

217

00:11:42,610 --> 00:11:38,330

London UFO studies and he says and this

218

00:11:45,220 --> 00:11:42,620

is probably what 74 probably seven

219

00:11:48,940 --> 00:11:45,230

five nice saying we note the lack of

220

00:11:51,520 --> 00:11:48,950

serious attention paid a subject in much

221

00:11:53,650 --> 00:11:51,530

of the media and note with some alarm

222

00:11:57,190 --> 00:11:53,660

the amount of time the subject is you

223

00:11:59,740 --> 00:11:57,200

Cindy to fill a space or else simply to

224

00:12:02,350 --> 00:11:59,750

poke fun in our general direction

225

00:12:04,660 --> 00:12:02,360

London UFO studies are determined to

226

00:12:06,970 --> 00:12:04,670

prove to all interested party that UFOs

227

00:12:09,880 --> 00:12:06,980

per se are real and not figments of a

228

00:12:12,190 --> 00:12:09,890

fevered imagination nor hoaxes the

229

00:12:14,200 --> 00:12:12,200

general public such as they are have a

230

00:12:17,020 --> 00:12:14,210

right to know what is above them in the

231

00:12:20,260 --> 00:12:17,030

skies but of course the general public

232

00:12:24,280 --> 00:12:20,270

is not told about any of this really are

233

00:12:26,520 --> 00:12:24,290

they no no I mean the but but as I say

234

00:12:29,170 --> 00:12:26,530

going back to the the thing with the

235

00:12:31,290 --> 00:12:29,180

only if they want a sensational story to

236

00:12:36,480 --> 00:12:31,300

take the the mickey out of usual well

237

00:12:41,500 --> 00:12:36,490

we've seen with so much to do with

238

00:12:43,420 --> 00:12:41,510

Colonel halt hmm that so many people and

239

00:12:46,180 --> 00:12:43,430

without specifically I'm not going to

240

00:12:48,520 --> 00:12:46,190

name individuals it would be well uh I

241

00:12:51,420 --> 00:12:48,530

don't feel today's the right time but

242

00:12:55,840 --> 00:12:51,430

people have made such preposterous

243

00:12:59,740 --> 00:12:55,850

stories and have come forward for years

244

00:13:02,560 --> 00:12:59,750

what's forty years later now yeah and

245

00:13:06,250 --> 00:13:02,570

the thing is Colonel Holt was deputy

246

00:13:09,160 --> 00:13:06,260

base commander at the base and he is

247

00:13:13,240 --> 00:13:09,170

never heard of these people you know you

248

00:13:15,100 --> 00:13:13,250

know so that never stopped happening but

249

00:13:17,980 --> 00:13:15,110

of course as I found out with the whole

250

00:13:20,500 --> 00:13:17,990

perspective they were not interested in

251
00:13:24,180 --> 00:13:20,510
said the media was not interested in in

252
00:13:27,370 --> 00:13:24,190
serious research all that book at all

253
00:13:31,630 --> 00:13:27,380
what they canceled on concentrated on

254
00:13:34,150 --> 00:13:31,640
was wild stories but of course it's so

255
00:13:38,290 --> 00:13:34,160
disappointing for me that there you know

256
00:13:42,040 --> 00:13:38,300
a few looks at something I know you say

257
00:13:44,080 --> 00:13:42,050
a million cuttings obviously it would be

258
00:13:46,300 --> 00:13:44,090
a billion cuttings about UFOs but out of

259
00:13:49,630 --> 00:13:46,310
those million cuttings you can bet your

260
00:13:52,060 --> 00:13:49,640
bottom dollar that 99% of those cuttings

261
00:13:54,580 --> 00:13:52,070
would be taking the proverbial pee out

262
00:13:57,700 --> 00:13:54,590
of there out of the UFO witness

263
00:14:00,550 --> 00:13:57,710

is out of the UFO researchers and you

264

00:14:04,150 --> 00:14:00,560

have to ask yourself a question why why

265

00:14:07,090 --> 00:14:04,160

is this being allowed to happen you know

266

00:14:10,600 --> 00:14:07,100

I mean I'm I just don't understand it I

267

00:14:14,980 --> 00:14:10,610

mean you yourself probably feel that

268

00:14:17,170 --> 00:14:14,990

that that this this this phenomena it

269

00:14:20,080 --> 00:14:17,180

should be given far more it should be

270

00:14:23,950 --> 00:14:20,090

treated far more seriously but then I

271

00:14:25,690 --> 00:14:23,960

suppose I'm not defending that fact but

272

00:14:28,120 --> 00:14:25,700

maybe people would be frightened or

273

00:14:31,390 --> 00:14:28,130

worried I don't know yeah I mean I can

274

00:14:33,670 --> 00:14:31,400

all I know is the one that I saw in 67

275

00:14:35,890 --> 00:14:33,680

which I which to me was not anything

276

00:14:38,550 --> 00:14:35,900

that was of this earth it was a big

277

00:14:41,020 --> 00:14:38,560

orange object going across the sky and

278

00:14:43,210 --> 00:14:41,030

it was just nothing around at that time

279

00:14:44,620 --> 00:14:43,220

that could explain it you know it was

280

00:14:47,800 --> 00:14:44,630

doing it was completely silent and I've

281

00:14:49,840 --> 00:14:47,810

told you about and then I found out that

282

00:14:55,120 --> 00:14:49,850

it's quite a common occurrence these big

283

00:14:56,860 --> 00:14:55,130

orange elliptical no at the time but I

284

00:14:59,800 --> 00:14:56,870

started seeing a lot of reports and they

285

00:15:01,180 --> 00:14:59,810

were a lot of reports were orange it

286

00:15:03,790 --> 00:15:01,190

could have been I mean it was an oval

287

00:15:07,480 --> 00:15:03,800

object for the straight that I saw but

288

00:15:09,240 --> 00:15:07,490

it could well have been an oval object

289

00:15:13,510 --> 00:15:09,250

it was like an X shape

290

00:15:20,380 --> 00:15:13,520

type of object it could well have been a

291

00:15:22,030 --> 00:15:20,390

saucer shape explain what it was it

292

00:15:26,440 --> 00:15:22,040

wasn't like a bright light it was like

293

00:15:29,650 --> 00:15:26,450

an incandescent or inside my head there

294

00:15:33,100 --> 00:15:29,660

but the fact that from a different angle

295

00:15:35,770 --> 00:15:33,110

either from the witness's perspective or

296

00:15:38,830 --> 00:15:35,780

the way that it moves and rotates and

297

00:15:42,190 --> 00:15:38,840

whatever you can get different shapes to

298

00:15:43,540 --> 00:15:42,200

it yeah but I could look flat or it

299

00:15:45,010 --> 00:15:43,550

could look round couldn't it yeah if

300

00:15:49,210 --> 00:15:45,020

you've got something that's over that's

301

00:15:52,870 --> 00:15:49,220

like that it's and I suppose even if

302

00:15:54,910 --> 00:15:52,880

it's a it might not even be around this

303

00:15:57,820 --> 00:15:54,920

object anyway it could have for other

304

00:16:00,010 --> 00:15:57,830

appendages depending on whatever angle

305

00:16:04,810 --> 00:16:00,020

it's at well I'm going to say to you

306

00:16:07,060 --> 00:16:04,820

because pretty crazy but I wonder if

307

00:16:09,100 --> 00:16:07,070

these whatever these things are I mean

308

00:16:12,550 --> 00:16:09,110

they're marking natural phenomena there

309

00:16:17,350 --> 00:16:12,560

might be another type of indigenous

310

00:16:23,680 --> 00:16:17,360

species that actually that picks up on

311

00:16:25,270 --> 00:16:23,690

on electromagnetic magnetic waves how do

312

00:16:29,050 --> 00:16:25,280

you know it doesn't even pick up on

313

00:16:30,340 --> 00:16:29,060

human beings I don't know what it said

314

00:16:32,020 --> 00:16:30,350

on other shows I mean this is what I

315

00:16:34,180 --> 00:16:32,030

caught this shows obsolete a few times

316

00:16:35,980 --> 00:16:34,190

they have people get fed up they're

317

00:16:37,450 --> 00:16:35,990

paranoid the paranormal dimensions I

318

00:16:39,700 --> 00:16:37,460

almost think maybe some of these things

319

00:16:40,890 --> 00:16:39,710

do come through different dimensions as

320

00:16:44,620 --> 00:16:40,900

well you know not just all

321

00:16:46,720 --> 00:16:44,630

extraterrestrial but I thought what your

322

00:16:51,790 --> 00:16:46,730

view is on that John I mean that's well

323

00:16:54,130 --> 00:16:51,800

I I used to believe originally there was

324

00:16:56,500 --> 00:16:54,140

a vast difference between a paranormal

325

00:16:59,770 --> 00:16:56,510

and the UFO phenomena and there could be

326

00:17:02,140 --> 00:16:59,780

but certainly enough i witnessed like

327

00:17:04,810 --> 00:17:02,150

yourself some restraint things in

328

00:17:06,400 --> 00:17:04,820

Rendlesham forest so because they're on

329

00:17:08,110 --> 00:17:06,410

the ground are they paranormal but

330

00:17:11,080 --> 00:17:08,120

because they fly across the sky are the

331

00:17:13,690 --> 00:17:11,090

UFO or flying saucers or whatever you

332

00:17:16,710 --> 00:17:13,700

want to wanna call and but because the

333

00:17:19,780 --> 00:17:16,720

paranormal means out to the normal well

334

00:17:23,610 --> 00:17:19,790

the trouble is you get involved as much

335

00:17:26,590 --> 00:17:23,620

as I've done with this stuff you wonder

336

00:17:32,200 --> 00:17:26,600

what is the normal and what is out of

337

00:17:36,790 --> 00:17:32,210

the normal just just how many thousands

338

00:17:40,500 --> 00:17:36,800

of sightings of strange objects but in

339

00:17:44,590 --> 00:17:40,510

the main you know so much has been lost

340

00:17:48,640 --> 00:17:44,600

from our history so that's that's that's

341

00:17:53,280 --> 00:17:48,650

what I'm trying to do but it is an

342

00:17:57,790 --> 00:17:53,290

incredible subject and again I I suppose

343

00:18:01,000 --> 00:17:57,800

probably I I refer to Rendlesham because

344

00:18:02,800 --> 00:18:01,010

I probably got more it takes me 10 times

345

00:18:05,350 --> 00:18:02,810

longer to do a book like the whole

346

00:18:07,390 --> 00:18:05,360

perspective to then it would do on a

347

00:18:11,320 --> 00:18:07,400

normal would because with a normal book

348

00:18:13,030 --> 00:18:11,330

it's it's fairly straightforward I've

349

00:18:16,210 --> 00:18:13,040

obviously asked some research has to be

350

00:18:20,019 --> 00:18:16,220

conducted into it but with the the

351

00:18:22,330 --> 00:18:20,029

the the Rendlesham stuff it's so I know

352

00:18:25,930 --> 00:18:22,340

that the press regarded as Britain's

353

00:18:28,720 --> 00:18:25,940

Roswell but the you know and they seem

354

00:18:31,720 --> 00:18:28,730

to ignore everything else but to be fair

355

00:18:37,539 --> 00:18:31,730

there is so much stuff involved with the

356

00:18:40,869 --> 00:18:37,549

Rendlesham case and well only recently

357

00:18:44,230 --> 00:18:40,879

we we discussed a situation where

358

00:18:48,220 --> 00:18:44,240

somebody had done some superficial

359

00:18:52,060 --> 00:18:48,230

research and wanted to publish something

360

00:18:53,680 --> 00:18:52,070

on it and didn't contact Colonel Holt

361

00:18:56,619 --> 00:18:53,690

and the matter was brought to the

362

00:18:59,470 --> 00:18:56,629

attention the colonel who then contacted

363

00:19:01,480 --> 00:18:59,480

me and said he hoped to advise the

364

00:19:04,450 --> 00:19:01,490

gentleman accordingly but it appears

365

00:19:06,669 --> 00:19:04,460

nothing was going to change so in other

366

00:19:09,129 --> 00:19:06,679

words it was going to be another slice

367

00:19:11,799 --> 00:19:09,139

of the Rendlesham pipe but before people

368

00:19:13,389 --> 00:19:11,809

so they could decide whether it was that

369

00:19:15,940 --> 00:19:13,399

good old lighthouse

370

00:19:18,310 --> 00:19:15,950

yeah or whether it was a UFO whatever

371

00:19:19,240 --> 00:19:18,320

the hell our UFO is so from somebody

372

00:19:24,190 --> 00:19:19,250

nobody's ever heard of

373

00:19:26,200 --> 00:19:24,200

well yeah but how many times that maybe

374

00:19:28,840 --> 00:19:26,210

people think it's and well people do

375

00:19:32,710 --> 00:19:28,850

think it's an opportunity to make a fast

376

00:19:34,419 --> 00:19:32,720

book because they don't realize that so

377

00:19:36,879 --> 00:19:34,429

many people out there I've heard the

378

00:19:39,399 --> 00:19:36,889

same old story and don't know don't mean

379

00:19:41,440 --> 00:19:39,409

to be derogatory but it isn't just about

380

00:19:43,659 --> 00:19:41,450

what happened over those few nights I

381

00:19:46,779 --> 00:19:43,669

mean I found quite a number of new

382

00:19:48,249 --> 00:19:46,789

witnesses because you can't get away

383

00:19:50,649 --> 00:19:48,259

from the fact that if you've got a

384

00:19:53,769 --> 00:19:50,659

witness who described seeing something

385

00:19:56,590 --> 00:19:53,779

similar or not similar in the case to

386

00:19:57,820 --> 00:19:56,600

what what was seen at Rendlesham well

387

00:19:59,980 --> 00:19:57,830

then that's corroboration

388

00:20:01,930 --> 00:19:59,990

it's corroboration of the fact that

389

00:20:03,820 --> 00:20:01,940

something somebody else has seen

390

00:20:06,369 --> 00:20:03,830

something and it's important you put

391

00:20:08,499 --> 00:20:06,379

that down and as we've seen if you take

392

00:20:11,080 --> 00:20:08,509

all this corroboration out if you take

393

00:20:13,659 --> 00:20:11,090

other accounts out if you take this and

394

00:20:15,190 --> 00:20:13,669

that as we saw at the BBC one when we

395

00:20:18,759 --> 00:20:15,200

did the walk in the forest there with

396

00:20:20,619 --> 00:20:18,769

the BBC if you take all of this out wait

397

00:20:22,990 --> 00:20:20,629

you've got really bugger all and you

398

00:20:27,240 --> 00:20:23,000

just got that back to the same old hot

399

00:20:30,129 --> 00:20:27,250

potato stuff you know and then people

400

00:20:34,090 --> 00:20:30,139

people unfortunately don't realize just

401
00:20:36,159 --> 00:20:34,100
how much has gone I mean I well I've

402
00:20:40,480 --> 00:20:36,169
done with this book I provided a

403
00:20:45,220 --> 00:20:40,490
timeline because it's important it would

404
00:20:47,109 --> 00:20:45,230
be impossible to put her want to doing

405
00:20:49,659 --> 00:20:47,119
that in the next whole perspective but I

406
00:20:52,230 --> 00:20:49,669
mean I have invited Chuck to give

407
00:20:56,289 --> 00:20:52,240
various comments about specific cases

408
00:20:59,649 --> 00:20:56,299
which he has done before we get up to I

409
00:21:02,200 --> 00:20:59,659
think part 2 would be the 1980 P the new

410
00:21:05,019 --> 00:21:02,210
witnesses and then part three would be

411
00:21:07,269 --> 00:21:05,029
the rebuttals of which you and I ain't

412
00:21:15,850 --> 00:21:07,279
even got there yes although I've got no

413
00:21:18,490 --> 00:21:15,860

mate I'm just gonna build yeah I think

414

00:21:19,840 --> 00:21:18,500

I'll feel all to jump in because there's

415

00:21:21,820 --> 00:21:19,850

gonna be people here at the listing that

416

00:21:24,190 --> 00:21:21,830

will to talk about the whole perspective

417

00:21:28,119 --> 00:21:24,200

if she's the book you wrote with John

418

00:21:31,659 --> 00:21:28,129

Holt and sort of where did that actually

419

00:21:33,369 --> 00:21:31,669

start because what I'll do on my

420

00:21:35,499 --> 00:21:33,379

Facebook page I've got the Dora

421

00:21:36,879 --> 00:21:35,509

paranormal dimensions page or we

422

00:21:46,450 --> 00:21:36,889

actually put links to all these books

423

00:21:55,840 --> 00:21:46,460

and explain that you wanted to write his

424

00:22:04,379 --> 00:21:55,850

own story I hope his name he was gonna

425

00:22:21,100 --> 00:22:19,090

yeah and I think I want to say great

426

00:22:23,499 --> 00:22:21,110

woody case I've got it wrong but she was

427

00:22:25,749 --> 00:22:23,509

saying yeah I thought about row because

428

00:22:28,779 --> 00:22:25,759

they were the ones that from the news of

429

00:22:31,359 --> 00:22:28,789

the world oh well I wasn't too happy

430

00:22:35,560 --> 00:22:31,369

with that with the involvement of

431

00:22:39,269 --> 00:22:35,570

certain people and accordingly in think

432

00:22:41,070 --> 00:22:39,279

1989 he has to be relieved of the legal

433

00:22:43,200 --> 00:22:41,080

responsibilities of right

434

00:22:46,799 --> 00:22:43,210

a book with them because I was email

435

00:22:53,239 --> 00:22:46,809

here somewhere and so that never cracked

436

00:22:57,060 --> 00:22:53,249

off and I just wish I just wish in a way

437

00:22:58,470 --> 00:22:57,070

that the book these but well I've done

438

00:23:02,340 --> 00:22:58,480

that I've shot myself in the foot right

439

00:23:05,580 --> 00:23:02,350

because I only make a couple of pounds a

440

00:23:08,369 --> 00:23:05,590

book because I I naively thought well I

441

00:23:11,580 --> 00:23:08,379

still I would still do it I you know I

442

00:23:15,269 --> 00:23:11,590

wanted to provide as much information I

443

00:23:17,669 --> 00:23:15,279

am as many pages and as many college

444

00:23:19,139 --> 00:23:17,679

illustrations for the reader because I

445

00:23:20,639 --> 00:23:19,149

thought that was welcome guarantee you

446

00:23:22,700 --> 00:23:20,649

succeeded in it because we're talking

447

00:23:25,109 --> 00:23:22,710

about getting off of 900 pages on well

448

00:23:27,450 --> 00:23:25,119

yeah you're right I think a thousand

449

00:23:29,159 --> 00:23:27,460

images but then you think you sit back

450

00:23:31,739 --> 00:23:29,169

and you don't think oh wow I'm gonna

451
00:23:34,739 --> 00:23:31,749
make a lot of money because I don't do

452
00:23:37,859 --> 00:23:34,749
it for that but what I do it no they get

453
00:23:40,229 --> 00:23:37,869
something back but of course um we

454
00:23:42,450 --> 00:23:40,239
publishing that this this two ways of

455
00:23:46,560 --> 00:23:42,460
doing it you can either do what my

456
00:23:49,289 --> 00:23:46,570
esteemed colleague does Phil a film and

457
00:23:53,479 --> 00:23:49,299
for and he uploads you straight through

458
00:23:56,519 --> 00:23:53,489
to Amazon so they'll convert the the

459
00:23:59,700 --> 00:23:56,529
Microsoft Word document to a PDF and

460
00:24:02,070 --> 00:23:59,710
then that's that's the way he goes well

461
00:24:05,249 --> 00:24:02,080
honey there's an excellent job but I

462
00:24:07,379 --> 00:24:05,259
suppose I'm a little bit old-fashioned

463
00:24:10,830 --> 00:24:07,389

because there are so many images and

464

00:24:13,499 --> 00:24:10,840

because there's so much a depth to it I

465

00:24:16,019 --> 00:24:13,509

I like to get it typeset because then I

466

00:24:18,599 --> 00:24:16,029

can see it as it goes along the course

467

00:24:22,979 --> 00:24:18,609

and typesetting cost something like one

468

00:24:25,680 --> 00:24:22,989

pound 20 or 30 pence a page so you you

469

00:24:26,970 --> 00:24:25,690

just mentioned 900 pages yeah you're

470

00:24:28,710 --> 00:24:26,980

talking about quality you're talking

471

00:24:30,690 --> 00:24:28,720

about a ground before it goes anywhere

472

00:24:33,269 --> 00:24:30,700

then there's the cost of registry

473

00:24:35,849 --> 00:24:33,279

there's also other costs involved and

474

00:24:38,789 --> 00:24:35,859

then you know the book probably makes

475

00:24:41,669 --> 00:24:38,799

that I probably three or four quid if at

476

00:24:45,869 --> 00:24:41,679

a book so you need a hell of a lot of

477

00:24:48,389 --> 00:24:45,879

books and of course I am mindful of the

478

00:24:51,480 --> 00:24:48,399

fact that the Chuck is a co-author so in

479

00:24:53,789 --> 00:24:51,490

the past I've given him some money when

480

00:24:57,450 --> 00:24:53,799

I can but it clearly

481

00:25:00,210 --> 00:24:57,460

each its it I mean somebody the other

482

00:25:01,769 --> 00:25:00,220

day suggested I contact to publish and

483

00:25:03,930 --> 00:25:01,779

ask them to republish the whole

484

00:25:05,759 --> 00:25:03,940

perspective because a big mainstream

485

00:25:08,700 --> 00:25:05,769

publish will make a lot of money

486

00:25:11,879 --> 00:25:08,710

probably for themselves not me

487

00:25:13,649 --> 00:25:11,889

but Jesus said and done I mean if your

488

00:25:17,180 --> 00:25:13,659

names on it John you should but you

489

00:25:19,889 --> 00:25:17,190

wrote is hell bit so well yes but I

490

00:25:23,129 --> 00:25:19,899

again I I don't want the heart back to

491

00:25:29,029 --> 00:25:23,139

the early days where I lost six volumes

492

00:25:33,560 --> 00:25:29,039

because I know other guys in our

493

00:25:37,859 --> 00:25:33,570

business now come and and Phil and

494

00:25:41,399 --> 00:25:37,869

others have been I've had problems shall

495

00:25:43,710 --> 00:25:41,409

we say their previous no I had a big

496

00:25:47,299 --> 00:25:43,720

problem because it wasn't the fact that

497

00:25:51,810 --> 00:25:47,309

six books were taken off and I I i I've

498

00:25:55,409 --> 00:25:51,820

redone those six books in four four

499

00:25:58,590 --> 00:25:55,419

revised volumes and I haven't even got a

500

00:26:00,539 --> 00:25:58,600

copy the fights volume for yet but I did

501
00:26:02,399 --> 00:26:00,549
that but of course the six books were

502
00:26:05,549 --> 00:26:02,409
lost well it wasn't just six books that

503
00:26:08,369 --> 00:26:05,559
were lost it was six books it was nearly

504
00:26:10,499 --> 00:26:08,379
three thousand pounds plus traveling

505
00:26:18,090 --> 00:26:10,509
backwards forwards for two years and

506
00:26:20,220 --> 00:26:18,100
Patty all that research research yes all

507
00:26:28,159 --> 00:26:20,230
that time was nothing so I know anything

508
00:26:30,720 --> 00:26:28,169
right yeah yes yes and suffice to say I

509
00:26:32,789 --> 00:26:30,730
ended up taking that guy to court and

510
00:26:34,379 --> 00:26:32,799
getting him a CCJ but I should have gone

511
00:26:36,989 --> 00:26:34,389
to a higher court and got a lot more

512
00:26:38,970 --> 00:26:36,999
money back but I know some people would

513
00:26:41,999 --> 00:26:38,980

say well what's done is done whether it

514

00:26:43,799 --> 00:26:42,009

is done but it still irks one and you

515

00:26:46,289 --> 00:26:43,809

know where I'm coming from there because

516

00:26:48,599 --> 00:26:46,299

those are single hooks and and again as

517

00:26:51,119 --> 00:26:48,609

you just said six books gone four books

518

00:26:54,090 --> 00:26:51,129

have to be redone in color twice as much

519

00:26:58,440 --> 00:26:54,100

work so that again has cost time and

520

00:27:01,470 --> 00:26:58,450

money and the annoying part is that I

521

00:27:05,759 --> 00:27:01,480

cannot get it I can't get the marketed

522

00:27:08,060 --> 00:27:05,769

you see I cannot get I can't get the mug

523

00:27:09,590 --> 00:27:08,070

that in all the time

524

00:27:13,180 --> 00:27:09,600

I've been doing this the only thing I've

525

00:27:17,000 --> 00:27:13,190

ever had in a national was the Betty

526

00:27:19,640 --> 00:27:17,010

Betty turban Betty driver coronations

527

00:27:21,860 --> 00:27:19,650

doing lady because I was friendly with

528

00:27:24,170 --> 00:27:21,870

her and her sister Frieda Frieda was the

529

00:27:28,010 --> 00:27:24,180

paranormal one if you like the psychic

530

00:27:32,600 --> 00:27:28,020

one that's the only thing I've ever had

531

00:27:36,110 --> 00:27:32,610

and when the first book Volume one came

532

00:27:40,810 --> 00:27:36,120

about in 2010 was it also linked with

533

00:27:43,340 --> 00:27:40,820

God that's eight years ago I foolishly

534

00:27:47,810 --> 00:27:43,350

contacted all the Nationals and they all

535

00:27:50,630 --> 00:27:47,820

asked for a book gotten even more money

536

00:27:54,010 --> 00:27:50,640

you needed yeah so I'm reluctant only

537

00:27:56,300 --> 00:27:54,020

recently about some very charming

538

00:27:58,220 --> 00:27:56,310

representatives of the press contact me

539

00:28:01,460 --> 00:27:58,230

and entered all manner of conversation

540

00:28:04,670 --> 00:28:01,470

very enthusiastic about getting me on

541

00:28:08,330 --> 00:28:04,680

the BBC radio stations but they they

542

00:28:10,100 --> 00:28:08,340

want the books now Ken a whole if you

543

00:28:14,390 --> 00:28:10,110

like the whole book as we call it and

544

00:28:16,970 --> 00:28:14,400

you know that that costs me something

545

00:28:20,030 --> 00:28:16,980

like about twenty nine thirty quid I

546

00:28:22,130 --> 00:28:20,040

mean that's something to thirty-five but

547

00:28:25,820 --> 00:28:22,140

bearing in mind I have to split that

548

00:28:28,460 --> 00:28:25,830

which of the profits but I'm saying that

549

00:28:30,860 --> 00:28:28,470

people don't like they don't want to buy

550

00:28:32,510 --> 00:28:30,870

the books yeah well when you think about

551
00:28:34,040 --> 00:28:32,520
the effort that's gone into that job and

552
00:28:42,650 --> 00:28:34,050
you gonna get sort of a lot of three

553
00:28:45,920 --> 00:28:42,660
quid up a copy it's it's not only the

554
00:28:50,480 --> 00:28:45,930
whole book the Wiltshire book you see I

555
00:28:52,750 --> 00:28:50,490
used to go 1996 I owe and macros and

556
00:28:56,720 --> 00:28:52,760
thought was to Wiltjer Silbury Hill

557
00:28:59,480 --> 00:28:56,730
Avery Stonehenge interviewed hundreds of

558
00:29:01,610 --> 00:28:59,490
people and have all their accounts

559
00:29:05,240 --> 00:29:01,620
written chronologically in the Wiltshire

560
00:29:08,660 --> 00:29:05,250
book and nobody buys the wheelchair book

561
00:29:17,800 --> 00:29:08,670
at all which is so strange and I did

562
00:29:20,120 --> 00:29:17,810
what yeah I don't understand no I can't

563
00:29:21,299 --> 00:29:20,130

understand it because these books should

564

00:29:23,190 --> 00:29:21,309

really I mean

565

00:29:25,820 --> 00:29:23,200

she said the amount of work I've spent

566

00:29:28,259 --> 00:29:25,830

nights on Silbury alive interviewed I

567

00:29:31,739 --> 00:29:28,269

think these things coming he made man

568

00:29:33,360 --> 00:29:31,749

made man which was a group there they

569

00:29:37,379 --> 00:29:33,370

were on the hill and this triangular

570

00:29:39,960 --> 00:29:37,389

object came down you know Colleen and

571

00:29:43,860 --> 00:29:39,970

Xu's was very helpful and busty Taylor

572

00:29:48,210 --> 00:29:43,870

Murray a weekly Idol list goes on and

573

00:29:52,830 --> 00:29:48,220

and you know even reg Presley and and

574

00:29:54,570 --> 00:29:52,840

yet it's I don't know what one has to do

575

00:29:57,269 --> 00:29:54,580

but of course I couldn't get any press

576

00:30:01,139 --> 00:29:57,279

it press attention at all on the book

577

00:30:02,310 --> 00:30:01,149

yeah I can't I just can't get it nobody

578

00:30:05,279 --> 00:30:02,320

that's crazy

579

00:30:17,749 --> 00:30:05,289

well it's severe it's almost like I've

580

00:30:24,269 --> 00:30:19,889

and you're getting so much information

581

00:30:26,730 --> 00:30:24,279

out that I don't like sometimes I'm

582

00:30:28,799 --> 00:30:26,740

mindful of the fact that it's a bit like

583

00:30:30,210 --> 00:30:28,809

I mean because you're pretty well-versed

584

00:30:33,840 --> 00:30:30,220

in the subject and you're a very

585

00:30:35,840 --> 00:30:33,850

sensible blow very helpful man and it's

586

00:30:49,409 --> 00:30:35,850

just so you're well respected and

587

00:30:55,350 --> 00:30:49,419

unfortunately there's quite a few people

588

00:30:57,539 --> 00:30:55,360

in this business that well for the money

589

00:31:05,220 --> 00:30:57,549

I know you're saying not firing on all

590

00:31:08,730 --> 00:31:05,230

four cylinders as they say yeah the

591

00:31:10,919 --> 00:31:08,740

trouble is the press love it because why

592

00:31:12,930 --> 00:31:10,929

I can never understand if the if you

593

00:31:14,519 --> 00:31:12,940

were a journalist it wouldn't matter

594

00:31:18,239 --> 00:31:14,529

whether you're a journalist reporter in

595

00:31:20,399 --> 00:31:18,249

the 60s you mentioned about 67 or 67

596

00:31:22,169 --> 00:31:20,409

where there was a huge wave of what was

597

00:31:24,299 --> 00:31:22,179

referred to as the flying cross not only

598

00:31:27,299 --> 00:31:24,309

in England but in the state and I

599

00:31:30,840 --> 00:31:27,309

interviewed most of the major witnesses

600

00:31:34,160 --> 00:31:30,850

from the 67 period I tracked them all

601
00:31:37,790 --> 00:31:34,170
down and sadly many

602
00:31:40,790 --> 00:31:37,800
I've passed away but that was that was a

603
00:31:42,440 --> 00:31:40,800
fascinating time and of course you know

604
00:31:44,900 --> 00:31:42,450
anything like that that God into the

605
00:31:49,820 --> 00:31:44,910
press could be explained away as Mars or

606
00:31:52,390 --> 00:31:49,830
Venus or whatever and clearly clearly

607
00:31:55,250 --> 00:31:52,400
wasn't but there was some amazing stuff

608
00:31:57,380 --> 00:31:55,260
but well strange because like you say 67

609
00:31:59,060 --> 00:31:57,390
that's when I saw my orange oval object

610
00:32:01,880 --> 00:31:59,070
going across the sky was it across it

611
00:32:04,520 --> 00:32:01,890
was an orange oval so yeah yeah but all

612
00:32:10,400 --> 00:32:04,530
you all you want to do like so many of

613
00:32:12,350 --> 00:32:10,410

us you actually need an answer and the

614

00:32:15,550 --> 00:32:12,360

very fact that the answers aren't

615

00:32:20,210 --> 00:32:15,560

forthcoming and that generally speaking

616

00:32:24,380 --> 00:32:20,220

the the subject isn't fitted with any

617

00:32:28,900 --> 00:32:24,390

seriousness indicates that something is

618

00:32:31,700 --> 00:32:28,910

afout here something is is happening or

619

00:32:35,210 --> 00:32:31,710

whatever these things are the

620

00:32:37,730 --> 00:32:35,220

authorities are not anxious for it to be

621

00:32:39,740 --> 00:32:37,740

known about generally that that no

622

00:32:42,470 --> 00:32:39,750

that's fair enough

623

00:32:45,530 --> 00:32:42,480

and what happens is as the years go by

624

00:32:49,070 --> 00:32:45,540

people's accounts disappear the sink

625

00:32:51,620 --> 00:32:49,080

into the Oblivion of history you know

626

00:32:56,870 --> 00:32:51,630

that the the second world war sightings

627

00:32:59,810 --> 00:32:56,880

the 77 way low so you know you it's just

628

00:33:02,510 --> 00:32:59,820

I mean look at Milton Torres 57 the may

629

00:33:04,700 --> 00:33:02,520

57 because some of these sightings well

630

00:33:07,160 --> 00:33:04,710

I was saying earlier I've done it again

631

00:33:09,290 --> 00:33:07,170

stab at cloth of timeline now the

632

00:33:11,420 --> 00:33:09,300

readers gonna have a bloody good

633

00:33:15,500 --> 00:33:11,430

eyesight because the timelines got be

634

00:33:18,410 --> 00:33:15,510

reduced to size 8 font it's a bit ok I

635

00:33:23,050 --> 00:33:18,420

don't know if you you you you if you

636

00:33:27,380 --> 00:33:23,060

hung some magnificent painting on your

637

00:33:28,820 --> 00:33:27,390

you know on the side of your wall you

638

00:33:30,590 --> 00:33:28,830

know you'd look at the painting you

639

00:33:32,840 --> 00:33:30,600

wouldn't look at the back so much but

640

00:33:36,560 --> 00:33:32,850

the back long all the timeline provides

641

00:33:38,150 --> 00:33:36,570

reader with the information supporting

642

00:33:41,210 --> 00:33:38,160

that position case so if you talk about

643

00:33:44,960 --> 00:33:41,220

the mint Milton Torres United States Air

644

00:33:47,600 --> 00:33:44,970

Force pilot may 57 and that was ordered

645

00:33:50,960 --> 00:33:47,610

would to intercept two UFO

646

00:33:54,370 --> 00:33:50,970

and with a few seconds or 10 seconds or

647

00:33:57,440 --> 00:33:54,380

something he was ordered to fire either

648

00:34:01,070 --> 00:33:57,450

discharges rockets at this UFO over

649

00:34:04,340 --> 00:34:01,080

civilian territory I bet that that is

650

00:34:06,260 --> 00:34:04,350

one of probably what hundreds of

651

00:34:11,419 --> 00:34:06,270

incidents like that at all

652

00:34:13,820 --> 00:34:11,429

you know so people in my opinion people

653

00:34:16,430 --> 00:34:13,830

want to know what happened on the 21st

654

00:34:19,490 --> 00:34:16,440

to me what happened on the 1st of May so

655

00:34:22,639 --> 00:34:19,500

that's what I've done but unfortunately

656

00:34:28,060 --> 00:34:22,649

I'm about to discontinued the timeline I

657

00:34:32,260 --> 00:34:28,070

think between 73 and pop 72 to 76

658

00:34:34,899 --> 00:34:32,270

because the book gets too big you see

659

00:34:38,899 --> 00:34:34,909

I've been getting grizzly bigger or no

660

00:34:41,480 --> 00:34:38,909

well I'm the problem we've discussed

661

00:34:44,030 --> 00:34:41,490

this before is that and I mean you're an

662

00:34:45,919 --> 00:34:44,040

agreeing with me that the next book

663

00:34:47,720 --> 00:34:45,929

should go out the order any books that

664

00:34:50,690 --> 00:34:47,730

go out should be in black and white and

665

00:34:54,649 --> 00:34:50,700

color giving the reader the option

666

00:34:56,030 --> 00:34:54,659

because many many people clearly I go

667

00:34:59,570 --> 00:34:56,040

back to what I said before you see

668

00:35:01,370 --> 00:34:59,580

because people don't know me they don't

669

00:35:06,380 --> 00:35:01,380

and they don't know about the books

670

00:35:08,720 --> 00:35:06,390

they're not prepared to spend as David

671

00:35:11,090 --> 00:35:08,730

Bryant would send an evenings money 25

672

00:35:13,820 --> 00:35:11,100

quid or something on a book and I

673

00:35:15,260 --> 00:35:13,830

understand that but I'm I'm banging my

674

00:35:17,660 --> 00:35:15,270

head against a brick wall because I

675

00:35:21,050 --> 00:35:17,670

can't get the books market in anyway the

676

00:35:22,849 --> 00:35:21,060

books aren't about me they're not

677

00:35:24,770 --> 00:35:22,859

awesome now that they're about so many

678

00:35:43,150 --> 00:35:24,780

guys this is your sweat and blood all

679

00:35:47,870 --> 00:35:46,160

yeah just hold you I will see any

680

00:35:51,320 --> 00:35:47,880

looking out the window an Apache

681

00:35:58,340 --> 00:35:51,330

helicopters just flown on I don't know I

682

00:36:05,359 --> 00:36:02,230

[Laughter]

683

00:36:10,750 --> 00:36:05,369

they do fly kites a fly quite low over

684

00:36:14,770 --> 00:36:10,760

here so go to the place you live in saxy

685

00:36:21,050 --> 00:36:14,780

and yes don't fall from the places that

686

00:36:23,300 --> 00:36:21,060

that's right but ya should think of

687

00:36:29,390 --> 00:36:23,310

something else to say I mean I could

688

00:36:31,099 --> 00:36:29,400

spend the values you've got 11 volumes

689

00:36:34,720 --> 00:36:31,109

of haunted skies books now haven't you

690

00:36:37,220 --> 00:36:34,730

you've read down the first four volumes

691

00:36:42,200 --> 00:36:37,230

now I go you step into the first four

692

00:36:44,359 --> 00:36:42,210

four volumes are we gonna go do what I

693

00:36:48,020 --> 00:36:44,369

want to do I've got all most of the

694

00:36:52,280 --> 00:36:48,030

stuff here I I have I'd like to start

695

00:36:56,320 --> 00:36:52,290

volume 12 which is 1993 yeah I've said

696

00:37:01,490 --> 00:36:56,330

before that 1993 and 1994 would be one

697

00:37:05,810 --> 00:37:01,500

probably 800-page book 1995 would be one

698

00:37:09,740 --> 00:37:05,820

book therein lies the problem 96 97 98

699

00:37:15,080 --> 00:37:09,750

99 I am NOT going past the year 2000 I

700

00:37:17,060 --> 00:37:15,090

refuse to because I these things take an

701
00:37:19,700 --> 00:37:17,070
enormous amount of time if only people

702
00:37:22,730 --> 00:37:19,710
perhaps people think you can just chuck

703
00:37:27,050 --> 00:37:22,740
some text in whack of injuring but I

704
00:37:30,400 --> 00:37:27,060
mean I know with the whole perspective

705
00:37:34,160 --> 00:37:30,410
to that I'm working on at the moment

706
00:37:35,900 --> 00:37:34,170
it's like okay with each comment by

707
00:37:38,540 --> 00:37:35,910
Chuck well I've done I've put a picture

708
00:37:42,200 --> 00:37:38,550
of chalking oh I've picked what morning

709
00:37:44,390 --> 00:37:42,210
me citations because when he doing the

710
00:37:47,120 --> 00:37:44,400
various intervals of his career at

711
00:37:51,349 --> 00:37:47,130
various places you know not just

712
00:37:54,500 --> 00:37:51,359
Bentwaters he's been regarded with great

713
00:37:57,020 --> 00:37:54,510

affection by his the guys that work

714

00:38:05,450 --> 00:37:57,030

under him and he's got so many he's got

715

00:38:10,010 --> 00:38:05,460

a whole whole side of the club you know

716

00:38:12,580 --> 00:38:10,020

I'm saying so many citations and awards

717

00:38:15,059 --> 00:38:12,590

which tells you one thing about the guy

718

00:38:17,219 --> 00:38:15,069

that he was well

719

00:38:20,189 --> 00:38:17,229

other guys that he worked with and I

720

00:38:23,120 --> 00:38:20,199

mean I you know what he's like he's yeah

721

00:38:27,269 --> 00:38:23,130

alright they spoken though isn't he a

722

00:38:29,699 --> 00:38:27,279

bit introvert but he by God he knows he

723

00:38:34,559 --> 00:38:29,709

knows well he knows about it there's so

724

00:38:36,719 --> 00:38:34,569

much respect for him and treated me

725

00:38:38,910 --> 00:38:36,729

apart from liking him more like him as

726

00:38:42,180 --> 00:38:38,920

well being respected like somebody's

727

00:38:49,469 --> 00:38:42,190

some you know quite rare nowadays I

728

00:38:51,630 --> 00:38:49,479

think it is yeah yes he said what he

729

00:38:57,449 --> 00:38:51,640

said about him he's been very helpful

730

00:38:59,579 --> 00:38:57,459

ease I I've seen him as offering if you

731

00:39:01,349 --> 00:38:59,589

like the facility through through his

732

00:39:05,609 --> 00:39:01,359

book or through our moon what do you

733

00:39:08,789 --> 00:39:05,619

want to call it the idea was and it

734

00:39:11,939 --> 00:39:08,799

would sell more books because of because

735

00:39:15,569 --> 00:39:11,949

of his name I know he is but yeah we we

736

00:39:20,779 --> 00:39:15,579

both know that it unfortunately people

737

00:39:24,660 --> 00:39:20,789

that buy UFO books are more turned on by

738

00:39:27,359 --> 00:39:24,670

garish stories of aliens and abductions

739

00:39:30,029 --> 00:39:27,369

and and all sorts of strange period

740

00:39:33,390 --> 00:39:30,039

things and of course those things are

741

00:39:35,699 --> 00:39:33,400

there but but people in the main try and

742

00:39:39,029 --> 00:39:35,709

capitalize through the publication of a

743

00:39:40,589 --> 00:39:39,039

Boyar by putting the often the biggest

744

00:39:42,390 --> 00:39:40,599

load of rubbish I've ever read in my

745

00:39:45,719 --> 00:39:42,400

life but that sometimes people seem to

746

00:39:47,579 --> 00:39:45,729

like embellished sometimes up they don't

747

00:39:49,140 --> 00:39:47,589

really caught most reports are quite so

748

00:39:51,359 --> 00:39:49,150

a mundane aren't though you know and

749

00:39:53,130 --> 00:39:51,369

quite repetitive a lot of them but it's

750

00:39:58,799 --> 00:39:53,140

the comparison between those reports

751

00:40:03,329 --> 00:39:58,809

that you got look at I remember

752

00:40:09,630 --> 00:40:03,339

interviewing a guy how to do with the 73

753

00:40:12,359 --> 00:40:09,640

Berwyn mountains incident and I Margaret

754

00:40:13,739 --> 00:40:12,369

Frey was involved in that with can't

755

00:40:17,039 --> 00:40:13,749

remember his name now can't remember

756

00:40:21,870 --> 00:40:17,049

more but ain't been ASIMO quite a few

757

00:40:24,989 --> 00:40:21,880

times and clearly what you had there was

758

00:40:26,969 --> 00:40:24,999

the the evidence of the nurse and a two

759

00:40:27,630 --> 00:40:26,979

daughters of something resting on the

760

00:40:31,230 --> 00:40:27,640

hillside

761

00:40:35,790 --> 00:40:31,240

but over the years it's been built up to

762

00:40:39,660 --> 00:40:35,800

all manner of strange phenomena but but

763

00:40:42,990 --> 00:40:39,670

I interviewed a but a bloke and I I was

764

00:40:46,110 --> 00:40:43,000

very careful during the interview I but

765

00:40:48,600 --> 00:40:46,120

basically this chap said that he was on

766

00:40:50,760 --> 00:40:48,610

his way home with a number of other men

767

00:40:53,280 --> 00:40:50,770

and stopped by the side of the mountain

768

00:40:56,420 --> 00:40:53,290

to have a pee or something whatever the

769

00:41:01,200 --> 00:40:56,430

stop for and then this thing appeared

770

00:41:16,230 --> 00:41:01,210

and dropped this is a family show job

771

00:41:19,110 --> 00:41:16,240

yeah to actually try and convince me and

772

00:41:25,500 --> 00:41:19,120

this is all documented is the fact that

773

00:41:30,150 --> 00:41:25,510

a flatbed lorry driven by the army

774

00:41:32,550 --> 00:41:30,160

turned up and a guy got out and when you

775

00:41:35,430 --> 00:41:32,560

picked up the UFO the Flying Saucer and

776

00:41:37,290 --> 00:41:35,440

put it on the back of the trailer and

777

00:41:39,270 --> 00:41:37,300

then just before they drove off they

778

00:41:42,870 --> 00:41:39,280

they remembered they haven't picked up

779

00:41:44,940 --> 00:41:42,880

the occupants so they whistled and as

780

00:41:46,590 --> 00:41:44,950

good as gold the alien came out of the

781

00:41:48,420 --> 00:41:46,600

bushes and got into the truck with him

782

00:41:49,880 --> 00:41:48,430

an office out in the sunset down the

783

00:41:53,970 --> 00:41:49,890

motorway now if you believe all that

784

00:41:57,750 --> 00:41:53,980

it's a family show well then you need

785

00:42:00,540 --> 00:41:57,760

you need to book yourself I'm sorry but

786

00:42:02,400 --> 00:42:00,550

that's that's ball yeah people have

787

00:42:05,790 --> 00:42:02,410

exploited that story they've made money

788

00:42:07,200 --> 00:42:05,800

out of it and and daddys 37 how it all

789

00:42:10,080 --> 00:42:07,210

goes in this business

790

00:42:11,520 --> 00:42:10,090

and also like what you say we don't get

791

00:42:14,250 --> 00:42:11,530

us wrong out there'll be what you and I

792

00:42:15,750 --> 00:42:14,260

believe in aliens don't we oh yeah and

793

00:42:18,630 --> 00:42:15,760

every day I cook they're not an everyday

794

00:42:28,640 --> 00:42:18,640

occurrence that sort of drop down for a

795

00:42:33,290 --> 00:42:28,650

pier and the corner do you sing on the

796

00:42:38,460 --> 00:42:35,790

using conversation with Gordon Crichton

797

00:42:40,650 --> 00:42:38,470

from edges with flying saucer review it

798

00:42:41,680 --> 00:42:40,660

to see him years ago and sadly passed

799

00:42:45,640 --> 00:42:41,690

away

800

00:42:47,349 --> 00:42:45,650

but he pity he he said to me I was

801

00:42:51,130 --> 00:42:47,359

telling him something else I was bit

802

00:42:53,490 --> 00:42:51,140

amusing and he said my boy he said what

803

00:42:56,200 --> 00:42:53,500

are you doing laughing it's not a

804

00:42:58,859 --> 00:42:56,210

humorous subject John you should know

805

00:43:06,309 --> 00:43:03,970

lambasted yeah I I agree it's not a

806

00:43:09,190 --> 00:43:06,319

humorous too big but if you if you you

807

00:43:11,650 --> 00:43:09,200

need a sense of humor in this job to

808

00:43:14,020 --> 00:43:11,660

counteract the hostility don't you oh

809

00:43:23,380 --> 00:43:14,030

yes so we've seen it quite a bit of that

810

00:43:26,589 --> 00:43:23,390

over a few years I met some lovely

811

00:43:29,349 --> 00:43:26,599

people over the years so you an inkling

812

00:43:31,680 --> 00:43:29,359

oh yeah yeah yeah we talked about I mean

813

00:43:34,960 --> 00:43:31,690

a lot of people we know about the aliens

814

00:43:36,700 --> 00:43:34,970

Rendlesham without going into that and

815

00:43:39,130 --> 00:43:36,710

what was it did the lanes well the ones

816

00:43:43,150 --> 00:43:39,140

that didn't land but they were used to

817

00:43:45,370 --> 00:43:43,160

paranormal but mr. jolly and Brenda

818

00:43:48,190 --> 00:43:45,380

Butler told me this story originally mr.

819

00:43:52,029 --> 00:43:48,200

jolly was the guy the exact the forest

820

00:43:54,789 --> 00:43:52,039

killing the rabbits and near the weapons

821

00:43:56,859 --> 00:43:54,799

storage area I said I actually his

822

00:44:03,730 --> 00:43:56,869

weapons storage not weapons support

823

00:44:05,799 --> 00:44:03,740

areas me weapon history and he saw these

824

00:44:07,720 --> 00:44:05,809

he thought they were children they were

825

00:44:09,370 --> 00:44:07,730

moving through the forest but floating

826

00:44:12,819 --> 00:44:09,380

and he was quite frightened but he

827

00:44:15,099 --> 00:44:12,829

stopped observed and they were moving it

828

00:44:19,029 --> 00:44:15,109

he saw like this or brand monks moving

829

00:44:20,559 --> 00:44:19,039

about with cows on them and then after

830

00:44:23,079 --> 00:44:20,569

they'd left there was a sticky residue

831

00:44:25,420 --> 00:44:23,089

on the ground and he contacted the base

832

00:44:29,049 --> 00:44:25,430

and they sent some guys and they took

833

00:44:32,829 --> 00:44:29,059

samples of this and then what and then

834

00:44:34,750 --> 00:44:32,839

told him he was not to do anymore he

835

00:44:37,329 --> 00:44:34,760

was to keep out of that area which which

836

00:44:39,880 --> 00:44:37,339

he didn't I mentioned this to Chuck and

837

00:44:42,789 --> 00:44:39,890

Chuck said well I think I knew mr.

838

00:44:45,339 --> 00:44:42,799

Jolley he said but I I don't know about

839

00:44:47,380 --> 00:44:45,349

that particular story now so whether he

840

00:44:50,349 --> 00:44:47,390

does or is not telling I don't know but

841

00:44:54,250 --> 00:44:50,359

but so I've no doubt that because he

842

00:44:55,330 --> 00:44:54,260

said mr. Jolley was a very very genuine

843

00:44:57,640 --> 00:44:55,340

guy

844

00:45:00,460 --> 00:44:57,650

and I've met a lot genuine people that

845

00:45:02,710 --> 00:45:00,470

that have seen aliens which takes me

846

00:45:05,080 --> 00:45:02,720

back to when I first got involved in all

847

00:45:08,050 --> 00:45:05,090

of this I could settle for strange

848

00:45:10,690 --> 00:45:08,060

objects cigar-shaped objects rotating

849

00:45:14,650 --> 00:45:10,700

things flying saucers you name whatever

850

00:45:17,710 --> 00:45:14,660

like flying about but of course the very

851

00:45:20,110 --> 00:45:17,720

suggestion or inference that they had

852

00:45:22,810 --> 00:45:20,120

occupants was ridiculous I was not

853

00:45:25,660 --> 00:45:22,820

prepared to accept it and yet I can't

854

00:45:28,480 --> 00:45:25,670

explain how many times and some of them

855

00:45:31,630 --> 00:45:28,490

have been police officers where they've

856

00:45:33,790 --> 00:45:31,640

seen what appears to be small figures

857

00:45:36,040 --> 00:45:33,800

moving around the craft while it's on

858

00:45:40,840 --> 00:45:36,050

the ground and I have many reports of

859

00:45:42,610 --> 00:45:40,850

that and from from all so many members

860

00:45:44,830 --> 00:45:42,620

of the public police officers and even

861

00:45:49,350 --> 00:45:44,840

pilots so you've got ask yourself what's

862

00:45:52,810 --> 00:45:49,360

up and I don't know I I just don't know

863

00:45:55,570 --> 00:45:52,820

when but they as we said you you know

864

00:45:59,920 --> 00:45:55,580

there are no doubt some very genuine

865

00:46:01,840 --> 00:45:59,930

incidents involving you know incursions

866

00:46:05,280 --> 00:46:01,850

by these mission if you like the column

867

00:46:07,690 --> 00:46:05,290

machines with occupants and and then

868

00:46:09,370 --> 00:46:07,700

interaction with human beings it's

869

00:46:11,410 --> 00:46:09,380

happened many times isn't it

870

00:46:12,940 --> 00:46:11,420

yeah yeah I think I should be in

871

00:46:14,470 --> 00:46:12,950

subjects at this point because so

872

00:46:16,570 --> 00:46:14,480

there's probably people out there that

873

00:46:18,970 --> 00:46:16,580

don't know that you yourself or your ex

874

00:46:21,970 --> 00:46:18,980

CID weren't you so you're you had a

875

00:46:25,840 --> 00:46:21,980

respected job when you didn't believe in

876
00:46:27,820 --> 00:46:25,850
UFOs at the time but in your retirement

877
00:46:30,490 --> 00:46:27,830
is when you've discovered the UFOs

878
00:46:35,470 --> 00:46:30,500
basically isn't it well yeah went that

879
00:46:38,230 --> 00:46:35,480
single trigger and the if you like that

880
00:46:41,020 --> 00:46:38,240
the members of public the the witnesses

881
00:46:44,100 --> 00:46:41,030
the believers they are the pit people

882
00:46:47,070 --> 00:46:44,110
that had something happened to them or

883
00:46:56,220 --> 00:46:47,080
which is provided the necessary trigger

884
00:46:59,590 --> 00:46:56,230
to you know to create this this this

885
00:47:02,230 --> 00:46:59,600
interest and a passion for the subject

886
00:47:04,300 --> 00:47:02,240
and you've made a lot of those witnesses

887
00:47:07,090 --> 00:47:04,310
the same as myself and basically they

888
00:47:07,630 --> 00:47:07,100

all some of them have been threatened

889

00:47:09,460 --> 00:47:07,640

that I

890

00:47:13,810 --> 00:47:09,470

sure that doesn't that now some of them

891

00:47:16,000 --> 00:47:13,820

have been threatened and you know it

892

00:47:17,860 --> 00:47:16,010

banished the trigger and I suppose if I

893

00:47:20,650 --> 00:47:17,870

hadn't had the thing that triggered off

894

00:47:22,210 --> 00:47:20,660

my interest I would have well I wouldn't

895

00:47:24,370 --> 00:47:22,220

be talking to you now what am I not

896

00:47:26,320 --> 00:47:24,380

unless we were going to discuss hope we

897

00:47:29,110 --> 00:47:26,330

could be discussing dogs or horses or

898

00:47:29,830 --> 00:47:29,120

something yeah you know I'm saying yeah

899

00:47:33,340 --> 00:47:29,840

absolutely

900

00:47:35,080 --> 00:47:33,350

it's it's so so stranger and and we

901
00:47:37,750 --> 00:47:35,090
mentioned earlier that these things have

902
00:47:39,550 --> 00:47:37,760
been with us for well I think these

903
00:47:43,300 --> 00:47:39,560
things have been with us for thousands

904
00:47:46,590 --> 00:47:43,310
of years and I I'm fully convinced they

905
00:47:49,720 --> 00:47:46,600
will be here long after we've gone and

906
00:47:53,020 --> 00:47:49,730
surely to God before the human race is

907
00:47:55,300 --> 00:47:53,030
rendered inoperable on this on this

908
00:47:58,360 --> 00:47:55,310
world somebody will have told us what

909
00:48:00,640 --> 00:47:58,370
these things are because oh yeah this

910
00:48:02,530 --> 00:48:00,650
makes you wonder if one day we will know

911
00:48:04,540 --> 00:48:02,540
it'll be like a common thing that there

912
00:48:07,060 --> 00:48:04,550
are people out there then we will travel

913
00:48:08,560 --> 00:48:07,070

around the universe and we'll know each

914

00:48:10,240 --> 00:48:08,570

other and everything it just makes you

915

00:48:13,060 --> 00:48:10,250

wonder what the future does hold for the

916

00:48:16,870 --> 00:48:13,070

planet and and others life forms out

917

00:48:21,640 --> 00:48:16,880

there my you know you're right and

918

00:48:22,960 --> 00:48:21,650

sometimes probably like yourself for me

919

00:48:25,750 --> 00:48:22,970

okay

920

00:48:27,820 --> 00:48:25,760

the world is a big place but is it a big

921

00:48:32,650 --> 00:48:27,830

race in comparison always got a lot

922

00:48:34,210 --> 00:48:32,660

smaller over the last sort of with the

923

00:48:36,190 --> 00:48:34,220

internet and everything else I mean we

924

00:48:38,860 --> 00:48:36,200

can now just chat with people that we're

925

00:48:40,540 --> 00:48:38,870

doing now on skype right across the

926

00:48:45,370 --> 00:48:40,550

other side of the planet it's it's so

927

00:48:47,190 --> 00:48:45,380

easy now to be passing information on as

928

00:48:50,920 --> 00:48:47,200

I say I think that so that's been a big

929

00:48:53,500 --> 00:48:50,930

a big downfall of some people who come

930

00:48:55,150 --> 00:48:53,510

out with all these tales that not the

931

00:48:56,740 --> 00:48:55,160

Internet has been their big downfall

932

00:48:58,450 --> 00:48:56,750

because things are so easy to just

933

00:49:07,020 --> 00:48:58,460

google now how to find there huh

934

00:49:13,960 --> 00:49:11,620

the day and I know that knife crime has

935

00:49:16,750 --> 00:49:13,970

been a major thing at the moment but I

936

00:49:19,030 --> 00:49:16,760

and I would imagine that knife crime has

937

00:49:21,610 --> 00:49:19,040

always been something of a major concern

938

00:49:24,580 --> 00:49:21,620

but it's

939

00:49:28,240 --> 00:49:24,590

it's utilized at this particular time

940

00:49:31,060 --> 00:49:28,250

maybe to take the heat off brexit that's

941

00:49:33,850 --> 00:49:31,070

how I feel because I bloody clue what's

942

00:49:35,650 --> 00:49:33,860

cut Naaman breaks it neither of you but

943

00:49:39,130 --> 00:49:35,660

every now and then something crops up

944

00:49:41,020 --> 00:49:39,140

and is nurtured I'm not saying knife

945

00:49:43,030 --> 00:49:41,030

crime is not a serious thing of course

946

00:49:46,720 --> 00:49:43,040

is a serious thing and a lot of people

947

00:49:49,990 --> 00:49:46,730

lost their lives but if you if you went

948

00:49:52,420 --> 00:49:50,000

on to battle 85 he went on to New

949

00:49:54,790 --> 00:49:52,430

Zealand or Australia or the place has

950

00:49:56,860 --> 00:49:54,800

looked up knife crime and murders and

951
00:49:58,450 --> 00:49:56,870
God knows what there'd be so much there

952
00:50:00,250 --> 00:49:58,460
that you wouldn't know about but you

953
00:50:02,440 --> 00:50:00,260
could know about because it's available

954
00:50:04,630 --> 00:50:02,450
to know about but years ago yeah

955
00:50:07,090 --> 00:50:04,640
wouldn't a known would we know as far as

956
00:50:08,800 --> 00:50:07,100
the old days of the Teddy boys there was

957
00:50:10,270 --> 00:50:08,810
so much of the violence and stuff around

958
00:50:28,540 --> 00:50:10,280
back in the 50s wasn't there was stuff

959
00:50:39,370 --> 00:50:28,550
like wait no boy rockers I was involved

960
00:50:44,150 --> 00:50:39,380
in Ringo Starr oh say it was a bit of a

961
00:50:44,160 --> 00:50:51,790
[Laughter]

962
00:50:51,800 --> 00:50:54,870
[Music]

963
00:51:01,510 --> 00:50:57,420

dressing is what friendship is all about

964

00:51:03,580 --> 00:51:01,520

and you know we we've known each other

965

00:51:06,940 --> 00:51:03,590

for some time now and trust each other

966

00:51:10,000 --> 00:51:06,950

and it's great that I can chat to

967

00:51:12,610 --> 00:51:10,010

because it's very rare that I have the

968

00:51:15,610 --> 00:51:12,620

opportunity to talk to other people

969

00:51:21,040 --> 00:51:15,620

about a subject that I am passionate not

970

00:51:22,390 --> 00:51:21,050

obsessed passionate around and cuz over

971

00:51:27,130 --> 00:51:22,400

the years I've done a lot of podcasts

972

00:51:30,100 --> 00:51:27,140

and um for me the the BBC want the BBC

973

00:51:35,290 --> 00:51:30,110

one show that was that was a

974

00:51:38,980 --> 00:51:35,300

that was a [h__h] let me spend all day in

975

00:51:49,960 --> 00:51:38,990

the forest it's freezing cold and they

976
00:51:52,620 --> 00:51:49,970
showed about five minutes get paid it

977
00:52:08,800 --> 00:51:52,630
was it was it was a tripod it wasn't

978
00:52:10,330 --> 00:52:08,810
right it's a pinnacle in gun you're

979
00:52:16,900 --> 00:52:10,340
talking about that I will put a few of

980
00:52:19,540 --> 00:52:16,910
these [h__\h] up on the collection of

981
00:52:19,840 --> 00:52:19,550
those people will argue to the cows come

982
00:52:24,280 --> 00:52:19,850
home

983
00:52:26,440 --> 00:52:24,290
that bloody lighthouse no it's all done

984
00:52:28,450 --> 00:52:26,450
in just now but people will start

985
00:52:31,570 --> 00:52:28,460
argument when you try and tell them look

986
00:52:33,700 --> 00:52:31,580
hang on and Chuck himself did say D of

987
00:52:36,250 --> 00:52:33,710
the day you know and response what we

988
00:52:38,230 --> 00:52:36,260

spoke about earlier the fact that there

989

00:52:40,060 --> 00:52:38,240

were a lot of civilian witnesses that

990

00:52:42,840 --> 00:52:40,070

saw things there as well

991

00:52:45,100 --> 00:52:42,850

Oh years and of course not just

992

00:52:47,530 --> 00:52:45,110

1980-1981 as well because he was there

993

00:52:48,910 --> 00:52:47,540

till 1984 my memories on summer nights

994

00:52:52,240 --> 00:52:48,920

on you gotta be able to ride our

995

00:52:55,180 --> 00:52:52,250

evidence why you well I have additional

996

00:53:01,590 --> 00:52:55,190

evidence from a friend of David Bryant

997

00:53:04,240 --> 00:53:01,600

who but yeah Gary Baker's done yeah so

998

00:53:07,540 --> 00:53:04,250

that's that's the thing isn't it they

999

00:53:09,850 --> 00:53:07,550

deliberately lied and they deliberately

1000

00:53:12,970 --> 00:53:09,860

didn't want the if you like the truth to

1001
00:53:15,730 --> 00:53:12,980
come out but the truth of what that

1002
00:53:18,820 --> 00:53:15,740
that's the problem the truth I don't

1003
00:53:20,890 --> 00:53:18,830
know what the truth is but in my

1004
00:53:22,270 --> 00:53:20,900
immature what you say even shut doesn't

1005
00:53:25,750 --> 00:53:22,280
know what the truth is does he you can

1006
00:53:27,910 --> 00:53:25,760
only you can only say what he saw and

1007
00:53:34,810 --> 00:53:27,920
and theorized as to what he might have

1008
00:53:37,060 --> 00:53:34,820
seen I'm gonna I'm going to use a little

1009
00:53:40,480 --> 00:53:37,070
word here that you've been an X Co demon

1010
00:53:42,339 --> 00:53:40,490
I'm going to use somebody else's so you

1011
00:53:44,019 --> 00:53:42,349
know what evidences

1012
00:53:48,309 --> 00:53:44,029
and you know where that came from Paul

1013
00:53:54,039 --> 00:53:48,319

yeah yeah it's uh yeah oh yeah yeah true

1014

00:53:59,079 --> 00:53:54,049

so I was just I know a big Delaney

1015

00:54:00,819 --> 00:53:59,089

yesterday that her father was was a guy

1016

00:54:06,099 --> 00:54:00,829

called Taft Thomas Detective Constable

1017

00:54:10,059 --> 00:54:06,109

that same place where I began my memory

1018

00:54:12,939 --> 00:54:10,069

and I just maybe laughed because in

1019

00:54:16,299 --> 00:54:12,949

those days before custody blocks are I

1020

00:54:18,699 --> 00:54:16,309

can remember one Detective Constable her

1021

00:54:20,049 --> 00:54:18,709

was quite short in statue I mean a lot

1022

00:54:22,299 --> 00:54:20,059

shorter than me and I saying something

1023

00:54:25,179 --> 00:54:22,309

but he used to have to stand on the

1024

00:54:30,489 --> 00:54:25,189

chair to interview thee the teenage

1025

00:54:31,929 --> 00:54:30,499

suspect it was about six football has to

1026

00:54:37,900 --> 00:54:31,939

be a certain height to be a policeman

1027

00:54:40,179 --> 00:54:37,910

job five foot nine Birmingham but I did

1028

00:54:43,779 --> 00:54:40,189

you know I tried for the met actually it

1029

00:54:45,609 --> 00:54:43,789

so I went down to the met and it was the

1030

00:54:49,479 --> 00:54:45,619

elephant and cut there was something of

1031

00:54:51,219 --> 00:54:49,489

the police place recruitment center near

1032

00:54:56,019 --> 00:54:51,229

the Elephant and Castle or some things

1033

00:54:59,709 --> 00:54:56,029

about forget that was like 16 1965 that

1034

00:55:01,719 --> 00:54:59,719

was Christ and I remember staying there

1035

00:55:04,239 --> 00:55:01,729

that got to stay the night you see and

1036

00:55:07,719 --> 00:55:04,249

or I did get any sleep because all I

1037

00:55:09,729 --> 00:55:07,729

heard was these the London police

1038

00:55:12,069 --> 00:55:09,739

officers moving in and out shouting

1039

00:55:15,399 --> 00:55:12,079

screaming in a drunken state you

1040

00:55:19,289 --> 00:55:15,409

imagined her like a a 20 year old kid

1041

00:55:21,309 --> 00:55:19,299

from from the sticks never never

1042

00:55:24,159 --> 00:55:21,319

experienced anything like it but of

1043

00:55:27,009 --> 00:55:24,169

course I height was like 5 foot 11 so

1044

00:55:28,749 --> 00:55:27,019

that was I you know I've got turned

1045

00:55:31,299 --> 00:55:28,759

around the next day but I never forgot

1046

00:55:34,089 --> 00:55:31,309

the Elephant and Castle yeah because the

1047

00:55:35,829 --> 00:55:34,099

the London area is where you've been I

1048

00:55:38,979 --> 00:55:35,839

know you recently you were going to try

1049

00:55:45,849 --> 00:55:38,989

and get an to London to have a go with I

1050

00:55:51,880 --> 00:55:45,859

talked to Theresa my OC suppose she

1051
00:55:53,910 --> 00:55:51,890
still be there well I mean I was raised

1052
00:55:56,910 --> 00:55:53,920
in London you know

1053
00:56:01,079 --> 00:55:56,920
in East India yeah mine moved to Essex

1054
00:56:04,079 --> 00:56:01,089
when I was 15 so in your left all my

1055
00:56:07,380 --> 00:56:04,089
friends behind and shows not about me

1056
00:56:12,569 --> 00:56:07,390
but just say I was born and raised in

1057
00:56:15,630 --> 00:56:12,579
the East End so I know about the show is

1058
00:56:18,630 --> 00:56:15,640
actually about us and it's about UFOs

1059
00:56:21,690 --> 00:56:18,640
can income us so much more and we told

1060
00:56:23,309 --> 00:56:21,700
them that UFOs the paranormal even

1061
00:56:26,609 --> 00:56:23,319
people overlays they've been abducted

1062
00:56:29,010 --> 00:56:26,619
and but the association between historic

1063
00:56:32,579 --> 00:56:29,020

historical sites of interest late lines

1064

00:56:38,010 --> 00:56:32,589

and in G line and UFOs it is all part of

1065

00:56:41,190 --> 00:56:38,020

that mix and it without these this

1066

00:56:43,319 --> 00:56:41,200

massive number of witnesses and they had

1067

00:56:47,549 --> 00:56:43,329

the courage to come forward over the

1068

00:56:51,809 --> 00:56:47,559

years which they have you know we'd be

1069

00:56:53,970 --> 00:56:51,819

worse off so yeah I'd like yourself I've

1070

00:56:59,250 --> 00:56:53,980

met some very nice people in this

1071

00:57:01,230 --> 00:56:59,260

business also met the opposite ones if

1072

00:57:03,960 --> 00:57:01,240

it was kind of funny how we kind of got

1073

00:57:06,240 --> 00:57:03,970

well they use the word thrown together

1074

00:57:08,490 --> 00:57:06,250

but it was kind of it was the Woodbridge

1075

00:57:10,319 --> 00:57:08,500

conference wasn't it for the Colonel

1076
00:57:13,920 --> 00:57:10,329
Holt and there was a picture that was

1077
00:57:16,980 --> 00:57:13,930
taken off of a wall and I think it got

1078
00:57:20,280 --> 00:57:16,990
signed and there was a there was a there

1079
00:57:21,960 --> 00:57:20,290
I think it was a wrong person name for

1080
00:57:24,809 --> 00:57:21,970
it was it was it was somebody with the

1081
00:57:37,500 --> 00:57:24,819
same name yes kind of how we got

1082
00:57:39,059 --> 00:57:37,510
involved together because it was a bloke

1083
00:57:40,470 --> 00:57:39,069
sitting next to me and he showed me this

1084
00:57:42,240 --> 00:57:40,480
picture and I said where'd you get it

1085
00:57:43,799 --> 00:57:42,250
from and he said I've got it over there

1086
00:57:46,440 --> 00:57:43,809
and I thought I thought they were being

1087
00:57:49,170 --> 00:57:46,450
handed out so we signed you know stupid

1088
00:57:58,559 --> 00:57:49,180

as I am but no then I like to learned

1089

00:58:03,690 --> 00:57:58,569

off of you though it would be neat but

1090

00:58:07,559 --> 00:58:03,700

that was over all ground but there's

1091

00:58:10,410 --> 00:58:07,569

strange things did happen at the 2015

1092

00:58:13,170 --> 00:58:10,420

I nearly said concert the conference

1093

00:58:15,239 --> 00:58:13,180

here yeah but those things will not

1094

00:58:17,789 --> 00:58:15,249

happen again in the conference that we

1095

00:58:19,890 --> 00:58:17,799

and mostly you have put together in

1096

00:58:22,219 --> 00:58:19,900

September because they won't be allowed

1097

00:58:24,749 --> 00:58:22,229

to happen but there are all sorts of now

1098

00:58:26,930 --> 00:58:24,759

strange things I'm not going into them

1099

00:58:30,259 --> 00:58:26,940

but but well we haven't really got time

1100

00:58:34,019 --> 00:58:30,269

immediately oh that's okay well no like

1101

00:58:36,959 --> 00:58:34,029

tight time goes fast I'll tell you more

1102

00:58:43,499 --> 00:58:36,969

John used to come back on again maybe a

1103

00:58:46,349 --> 00:58:43,509

month or couple of months time regularly

1104

00:58:48,329 --> 00:58:46,359

but yeah because at the end of the dates

1105

00:58:53,039 --> 00:58:48,339

two friends talking about a subject

1106

00:58:54,089 --> 00:58:53,049

that's very special to them and and the

1107

00:58:57,809 --> 00:58:54,099

end of the day you've done your homework

1108

00:58:59,309 --> 00:58:57,819

and I've done mine and you've done a lot

1109

00:59:02,849 --> 00:58:59,319

more than I if I'm going to admit that

1110

00:59:04,680 --> 00:59:02,859

freely it's just a pleasure for me to be

1111

00:59:17,519 --> 00:59:04,690

able to talk to people like yourself and

1112

00:59:20,549 --> 00:59:17,529

then call you friend you know as I say I

1113

00:59:22,769 --> 00:59:20,559

will put all these links to your books

1114

00:59:31,140 --> 00:59:22,779

wander on the paranormal dimension saw

1115

00:59:33,180 --> 00:59:31,150

it on Facebook if you were speaking very

1116

00:59:37,370 --> 00:59:33,190

soon and I'm afraid I've got to leave it

1117

00:59:44,920 --> 00:59:40,380

thank you and I hope you enjoyed the

1118

00:59:47,359 --> 00:59:44,930

show yeah yeah I've told you so but

1119

00:59:50,209 --> 00:59:47,369

[Laughter]

1120

00:59:54,500 --> 00:59:50,219

anyway oh yeah we'll be back
