22

00:01:37,469 --> 00:01:35,680

apart from dozens of published articles

23

00:01:40,650 --> 00:01:37,479

on the paranormal Philip is also

24

00:01:43,020 --> 00:01:40,660

occurred in Suffolk England in 1980

30

00:01:56,399 --> 00:01:53,920

along with the first investigate altar

31

00:01:58,080 --> 00:01:56,409

of the case Brenda Butler so it was also

32

00:02:00,630 --> 00:01:58,090

accredited in publishing an article

33

00:02:03,630 --> 00:02:00,640

concerning a revolutionary speculation

34

00:02:07,200 --> 00:02:03,640

with regards to the UFO panel problem he

35

00:02:09,660 --> 00:02:07,210

is currently working on more books now

36

00:02:12,030 --> 00:02:09,670

ok I'm going to introduce take no more

37

00:02:15,509 --> 00:02:12,040

time by glue institution consoler hello

38

00:02:18,180 --> 00:02:15,519

Phillip hello David thank you very much

39

00:02:20,280 --> 00:02:18,190

you're having me on your show it's great

40

00:02:24,690 --> 00:02:20,290

to have you on I mean as I sound really

41

00:02:27,330 --> 00:02:24,700

I've been looking forward to this don't

42

00:02:29,880 --> 00:02:27,340

know how to set off and I suppose we'll

43

00:02:31,890 --> 00:02:29,890

be able to get into how you got into all

44

00:02:33,150 --> 00:02:31,900

this Tony with your brother and

45

00:02:40,500 --> 00:02:33,160

everything work did you grow up did you

46

00:02:43,080 --> 00:02:40,510

grow up now yeah not really no I mean we

47

00:02:46,590 --> 00:02:43,090

as a kid I used to have very strange

48

00:02:48,710 --> 00:02:46,600

experiences I would literally if I saw

49

00:02:51,690 --> 00:02:48,720

something bad happening within my mind

50

00:02:53,879 --> 00:02:51,700

shockingly I I'd see it playing out

51
00:02:55,440 --> 00:02:53,889
later on slightly different but almost

52
00:02:57,030 --> 00:02:55,450
in the same way

53
00:02:58,230 --> 00:02:57,040
if there's gonna be an argument or if

54
00:03:00,060 --> 00:02:58,240
there was something brewing and I

55
00:03:02,760 --> 00:03:00,070
thought that I when I was a kid was

56
00:03:04,890 --> 00:03:02,770
cursed and I would say a little mantra

57
00:03:06,630 --> 00:03:04,900
cat went no God no never God never to

58
00:03:08,970 --> 00:03:06,640
try and council it out when I'd realized

59
00:03:12,270 --> 00:03:08,980
that this was happening I didn't realize

60
00:03:14,220 --> 00:03:12,280
up until much later in my life that this

61
00:03:17,130 --> 00:03:14,230
so-called clairvoyant ability would

62
00:03:19,140 --> 00:03:17,140
manifest and of course it's it's a

63
00:03:22,110 --> 00:03:19,150

dangerous road to walk down because a

64

00:03:23,790 --> 00:03:22,120

lot of the general public which are fed

65

00:03:26,940 --> 00:03:23,800

by the media machine and the media

66

00:03:29,010 --> 00:03:26,950

machine is you and I well no David don't

67

00:03:32,390 --> 00:03:29,020

take these subject matters of UFOs or

68

00:03:35,370 --> 00:03:32,400

psychic exploration in the way that

69

00:03:38,910 --> 00:03:35,380

people like us take it yeah they poopoo

70

00:03:40,920 --> 00:03:38,920

it so the the actual paranormal

71

00:03:42,810 --> 00:03:40,930

experiences have been with us since we

72

00:03:45,300 --> 00:03:42,820

were children I'm an identical twin and

73

00:03:48,350 --> 00:03:45,310

my brother is more artistic he's an

74

00:03:51,600 --> 00:03:48,360

author also but he's also very artistic

75

00:03:54,060 --> 00:03:51,610

but it started when we were when we were

76

00:03:56,820 --> 00:03:54,070

younger and I remembered one episode

77

00:04:00,090 --> 00:03:56,830

very clearly which happened when we were

78

00:04:02,220 --> 00:04:00,100

13 years of age in 1982 when we had been

79

00:04:03,479 --> 00:04:02,230

with our maternal grandmother and we

80

00:04:06,540 --> 00:04:03,489

used to stay with them at summer

81

00:04:09,150 --> 00:04:06,550

holidays and also in Christmastime in

82

00:04:11,970 --> 00:04:09,160

Easter and they lived in a very big

83

00:04:15,530 --> 00:04:11,980

three-story high house in Middlesex and

84

00:04:17,580 --> 00:04:15,540

on this particular wonderful summers

85

00:04:19,949 --> 00:04:17,590

afternoon we were out in the back garden

86

00:04:22,320 --> 00:04:19,959

me Ronnie and Grandma and there was a

87

00:04:23,880 --> 00:04:22,330

slight breeze as a perfect perfect day

88

00:04:26,280 --> 00:04:23,890

I'd suppose you'd call it perfect blue

89

00:04:29,220 --> 00:04:26,290

day with sunny caught sight of this some

90

00:04:31,230 --> 00:04:29,230

silver all that was moving through the

91

00:04:34,409 --> 00:04:31,240

sky towards us and we first thought that

92

00:04:38,040 --> 00:04:34,419

it had been a balloon but this silver

93

00:04:41,010 --> 00:04:38,050

all was coming closer and closer and it

94

00:04:43,409 --> 00:04:41,020

came over to the tree that grandmother

95

00:04:45,300 --> 00:04:43,419

had up at the back of the garden now my

96

00:04:47,010 --> 00:04:45,310

grandmother was psychic but not to the

97

00:04:49,020 --> 00:04:47,020

point where she would do people readings

98

00:04:51,420 --> 00:04:49,030

she just knew things and the whole

99

00:04:53,310 --> 00:04:51,430

family was aware of this and while we

100

00:04:56,190 --> 00:04:53,320

were watching the silver Auld it was

101
00:04:57,420 --> 00:04:56,200
hovering over the tree it was around the

102
00:05:01,110 --> 00:04:57,430
size of a football

103
00:05:02,790 --> 00:05:01,120
I'm it was perfect silver it was it had

104
00:05:03,360 --> 00:05:02,800
no markings on it whatsoever it made no

105
00:05:06,120 --> 00:05:03,370
sound

106
00:05:08,330 --> 00:05:06,130
they look weighty and it came over and

107
00:05:12,140 --> 00:05:08,340
it hung over our grandmother's head and

108
00:05:15,140 --> 00:05:12,150
as you know kids thirteen year thirteen

109
00:05:16,730 --> 00:05:15,150
year olds well like what fits that and

110
00:05:19,220 --> 00:05:16,740
and you know makes people say oh you

111
00:05:20,810 --> 00:05:19,230
know that didn't know you did it

112
00:05:22,700 --> 00:05:20,820
actually happened a list there was no

113
00:05:24,710 --> 00:05:22,710

way of explaining what it was now what

114

00:05:26,570 --> 00:05:24,720

was really funny was that our

115

00:05:30,410 --> 00:05:26,580

grandmother didn't seem fazed at all by

116

00:05:31,820 --> 00:05:30,420

the experience at all and she we'd asked

117

00:05:33,410 --> 00:05:31,830

her what it was and she said well the

118

00:05:35,840 --> 00:05:33,420

fairies have come to take a closer look

119

00:05:38,840 --> 00:05:35,850

at us and that was her way I think of

120

00:05:41,930 --> 00:05:38,850

trying to calm the experience of a the

121

00:05:44,720 --> 00:05:41,940

whole experience in in some kind of like

122

00:05:46,880 --> 00:05:44,730

way of soothing her grandson's well it

123

00:05:48,440 --> 00:05:46,890

moved away from her head went up to the

124

00:05:50,060 --> 00:05:48,450

windows to the house as though peeking

125

00:05:51,890 --> 00:05:50,070

through and then disappeared I

126

00:05:53,450 --> 00:05:51,900

remembered we ran into the house to go

127

00:05:55,460 --> 00:05:53,460

across to the other side of the house to

128

00:05:56,930 --> 00:05:55,470

look at it and see it disappear now in

129

00:05:59,600 --> 00:05:56,940

those days that were no such things as

130

00:06:02,390 --> 00:05:59,610

drones my brother always called it in I

131

00:06:04,400 --> 00:06:02,400

you know and you hear about these these

132

00:06:06,860 --> 00:06:04,410

cases that was the start I remember that

133

00:06:09,110 --> 00:06:06,870

was the talk of a family for a very long

134

00:06:13,220 --> 00:06:09,120

time so that was the initial start of of

135

00:06:15,200 --> 00:06:13,230

this very bizarre phenomena yeah that

136

00:06:17,420 --> 00:06:15,210

was that was the beginning of it and you

137

00:06:19,700 --> 00:06:17,430

know as a kid I remembered I was very

138

00:06:22,430 --> 00:06:19,710

heavily into the paranormal cause I used

139

00:06:24,020 --> 00:06:22,440

to go to the library with my brother

140

00:06:25,790 --> 00:06:24,030

every Saturday morning for a few hours

141

00:06:28,010 --> 00:06:25,800

to do a project on the Loch Ness monster

142

00:06:30,500 --> 00:06:28,020

and I have to say I did say to Malcolm

143

00:06:32,660 --> 00:06:30,510

Robinson also investigated every time I

144

00:06:53,270 --> 00:06:32,670

heard a lot more I think of him and also

145

00:06:54,470 --> 00:06:53,280

the rosebush so the immediate thought

146

00:06:56,060 --> 00:06:54,480

would have been it was a balloon of

147

00:07:01,190 --> 00:06:56,070

something wouldn't it have been that orb

148

00:07:03,470 --> 00:07:01,200

you saw that sir was not into anything

149

00:07:06,530 --> 00:07:03,480

other than a balloon and now after all

150

00:07:08,270 --> 00:07:06,540

these years later and researching and

151
00:07:10,130 --> 00:07:08,280
investigating through through our own

152
00:07:12,440 --> 00:07:10,140
personal experiences both my twin and I

153
00:07:14,060 --> 00:07:12,450
you're finding that these objects are

154
00:07:15,650 --> 00:07:14,070
well have been well known that they were

155
00:07:18,140 --> 00:07:15,660
that they were known as the Foo Fighters

156
00:07:21,320 --> 00:07:18,150
in the the Second World War you know

157
00:07:22,189 --> 00:07:21,330
they've been seen about by craft that

158
00:07:25,249 --> 00:07:22,199
they're seen

159
00:07:27,200 --> 00:07:25,259
all over the world so my investigations

160
00:07:28,790 --> 00:07:27,210
let me then into further into that field

161
00:07:31,689 --> 00:07:28,800
but in course in those days there wasn't

162
00:07:35,269 --> 00:07:31,699
much on UFOs and especially in the media

163
00:07:37,399 --> 00:07:35,279

and of course in back in the 80s I mean

164

00:07:39,350 --> 00:07:37,409

you know we had dr. J Allen Hynek said

165

00:07:42,559 --> 00:07:39,360

that the project group of he released a

166

00:07:44,330 --> 00:07:42,569

book and I had that as a paper backer as

167

00:07:46,070 --> 00:07:44,340

a young kid I didn't understand most of

168

00:07:48,980 --> 00:07:46,080

it but trying to absorb the scientific

169

00:07:52,850 --> 00:07:48,990

information in there was quite hard but

170

00:07:56,510 --> 00:07:52,860

this eventually led on to an experience

171

00:07:59,510 --> 00:07:56,520

to quite a traumatic experience that had

172

00:08:02,480 --> 00:07:59,520

occurred in the winter of 1989 and this

173

00:08:06,170 --> 00:08:02,490

is this is moving to when I was you know

174

00:08:09,829 --> 00:08:06,180

around 20 and and that that had happened

175

00:08:11,809 --> 00:08:09,839

in the small village of master Norton in

176

00:08:14,480 --> 00:08:11,819

the which of 1989 and that bad is what

177

00:08:15,709 --> 00:08:14,490

then actually led me to believe that we

178

00:08:17,510 --> 00:08:15,719

were dealing with something that goes

179

00:08:19,480 --> 00:08:17,520

beyond the physical nuts and bolts

180

00:08:21,649 --> 00:08:19,490

aspect of what we call your follow G

181

00:08:24,350 --> 00:08:21,659

because I had an experience then that

182

00:08:26,230 --> 00:08:24,360

chain my whole idea of reality as we

183

00:08:28,639 --> 00:08:26,240

call it and since that day I've been

184

00:08:33,290 --> 00:08:28,649

investigating and trying to understand

185

00:08:39,290 --> 00:08:33,300

what what this is all about do you want

186

00:08:41,089 --> 00:08:39,300

me to go I mean people you know raise

187

00:08:43,360 --> 00:08:41,099

their eyebrows sometimes when you say

188

00:08:45,800 --> 00:08:43,370

you've seen a UFO and you know I

189

00:08:47,900 --> 00:08:45,810

understand that that the experience is

190

00:08:51,319 --> 00:08:47,910

very different when you when you see one

191

00:08:54,319 --> 00:08:51,329

and my twin brother and I recently saw

192

00:08:56,780 --> 00:08:54,329

three of them back in on the 9th of

193

00:08:58,819 --> 00:08:56,790

April 2016 and thankfully being recorded

194

00:09:00,819 --> 00:08:58,829

by my niece in a neighboring village but

195

00:09:04,040 --> 00:09:00,829

that's another story

196

00:09:06,920 --> 00:09:04,050

yeah and Jason Glee's analyzed the

197

00:09:09,170 --> 00:09:06,930

footage and there are no but what

198

00:09:11,480 --> 00:09:09,180

happened in 1989 was that we lived in a

199

00:09:13,160 --> 00:09:11,490

small cul-de-sac I'm very quiet area and

200

00:09:15,139 --> 00:09:13,170

it wasn't that far from a church called

201
00:09:16,610 --> 00:09:15,149
Sir Mary's Church whether or not our

202
00:09:18,800 --> 00:09:16,620
property then low in the ley line I'm

203
00:09:20,900 --> 00:09:18,810
not really sure but my brother and I

204
00:09:23,420 --> 00:09:20,910
shared the downstairs room a study in a

205
00:09:25,819 --> 00:09:23,430
bedroom it was quite large and we have

206
00:09:28,069 --> 00:09:25,829
downstairs our room and the hall and the

207
00:09:29,829 --> 00:09:28,079
kitchen and the conservatory and cotton

208
00:09:33,860 --> 00:09:29,839
to the garden I come back from work and

209
00:09:35,929 --> 00:09:33,870
I would have got back from the train for

210
00:09:38,539 --> 00:09:35,939
about quarter past seven seven

211
00:09:40,939 --> 00:09:38,549
maybe quarter past seven and I got into

212
00:09:42,409 --> 00:09:40,949
the house and our dog Benji we had a dog

213
00:09:44,329 --> 00:09:42,419

there and called Benji my sister my

214

00:09:46,849 --> 00:09:44,339

brother were in the house they were the

215

00:09:48,619 --> 00:09:46,859

only ones in there and I came in through

216

00:09:50,509 --> 00:09:48,629

the door and walked through to the hall

217

00:09:53,569 --> 00:09:50,519

to the kitchen and you know we're just

218

00:09:55,239 --> 00:09:53,579

talking during bits and pieces having a

219

00:09:58,460 --> 00:09:55,249

coffee while I was in the kitchen and

220

00:10:00,529 --> 00:09:58,470

all of a sudden the atmosphere in the

221

00:10:02,239 --> 00:10:00,539

room changed it was like an electrical

222

00:10:04,549 --> 00:10:02,249

current that gone going through the room

223

00:10:06,559 --> 00:10:04,559

and you could sense this it was like a

224

00:10:08,210 --> 00:10:06,569

buildup of static and I know that a lot

225

00:10:08,829 --> 00:10:08,220

of people who experience very strange

226

00:10:12,369 --> 00:10:08,839

paranormal

227

00:10:15,710 --> 00:10:12,379

episodes go through this is changing

228

00:10:18,079 --> 00:10:15,720

temperature changing them the atmosphere

229

00:10:20,179 --> 00:10:18,089

that becomes electric and all of a

230

00:10:22,099 --> 00:10:20,189

sudden my brother who was standing to my

231

00:10:24,469 --> 00:10:22,109

left and away from the open door to the

232

00:10:28,489 --> 00:10:24,479

hall seemed to go in what I can only

233

00:10:31,399 --> 00:10:28,499

call this a trance and as he this this

234

00:10:33,739 --> 00:10:31,409

static energy was building our dog

235

00:10:35,479 --> 00:10:33,749

started to growl and my brother said

236

00:10:37,279 --> 00:10:35,489

there's going to be an earthquake or

237

00:10:38,989 --> 00:10:37,289

grandma's going to die and he said this

238

00:10:41,419 --> 00:10:38,999

by looking at it was almost as if he'd

239

00:10:42,859 --> 00:10:41,429

been possessed by something he doesn't

240

00:10:44,629 --> 00:10:42,869

know why he said but he said afterwards

241

00:10:46,249 --> 00:10:44,639

but this is what came out of his mouth

242

00:10:47,839 --> 00:10:46,259

there's going to be an earthquake or

243

00:10:49,129 --> 00:10:47,849

grandma's gonna die well my grandmother

244

00:10:52,759 --> 00:10:49,139

wasn't hurt and they're saying it was no

245

00:10:54,349 --> 00:10:52,769

earthquake at that exact moment through

246

00:10:57,169 --> 00:10:54,359

the hall because we had frosted glass

247

00:10:59,809 --> 00:10:57,179

windows to the hall a very bright white

248

00:11:01,669 --> 00:10:59,819

light was coming up to the door of the

249

00:11:03,859 --> 00:11:01,679

house and the window to the house is all

250

00:11:05,629 --> 00:11:03,869

frosted and I thought it was a car

251
00:11:08,119 --> 00:11:05,639
cleanup coming up the driveway two hour

252
00:11:10,519 --> 00:11:08,129
drive but this light got brighter and

253
00:11:13,159 --> 00:11:10,529
brighter and what it was doing

254
00:11:14,899 --> 00:11:13,169
incredulously was bending the glass to

255
00:11:18,139 --> 00:11:14,909
the door so while my brother was going

256
00:11:19,899 --> 00:11:18,149
in this trance the glass was bending

257
00:11:22,669 --> 00:11:19,909
backwards and forth so something was

258
00:11:24,229 --> 00:11:22,679
penetrating through it and my mind at

259
00:11:26,149 --> 00:11:24,239
that point was thinking I don't

260
00:11:27,739 --> 00:11:26,159
understand what's happening I was

261
00:11:30,589 --> 00:11:27,749
getting more and more frantic the dog

262
00:11:32,809 --> 00:11:30,599
started to bark and I I really didn't

263
00:11:36,229 --> 00:11:32,819

understand what the hell was going on

264

00:11:38,119 --> 00:11:36,239

and incredulous as it may seem my sister

265

00:11:40,579 --> 00:11:38,129

was to the to the far left

266

00:11:42,229 --> 00:11:40,589

she heard the dog she saw Ronnie but she

267

00:11:44,929 --> 00:11:42,239

didn't see what happened next because

268

00:11:46,819 --> 00:11:44,939

they weren't in these the area of where

269

00:11:48,619 --> 00:11:46,829

this happened but the only way I can

270

00:11:49,800 --> 00:11:48,629

describe was this small entity about

271

00:11:52,680 --> 00:11:49,810

three foot

272

00:11:55,019 --> 00:11:52,690

or clad in black with what I assumed was

273

00:11:57,960 --> 00:11:55,029

some type of helmet the seem bigger than

274

00:12:00,210 --> 00:11:57,970

its body it literally walked through the

275

00:12:02,070 --> 00:12:00,220

glass that seemed like jelly or bending

276

00:12:04,200 --> 00:12:02,080

and ran into our downstairs bedroom

277

00:12:06,060 --> 00:12:04,210

stroke study and every but everything

278

00:12:08,370 --> 00:12:06,070

returned to normal at this point the dog

279

00:12:10,680 --> 00:12:08,380

is really going for him it's really mm

280

00:12:13,380 --> 00:12:10,690

Benji's really marking the hairs on the

281

00:12:15,660 --> 00:12:13,390

back of my neck coming up and I reached

282

00:12:18,030 --> 00:12:15,670

behind me in the drawer and I pull out a

283

00:12:19,590 --> 00:12:18,040

knife the biggest knife I can find and I

284

00:12:21,750 --> 00:12:19,600

was said there's an intruder in the

285

00:12:24,300 --> 00:12:21,760

house and then I said even louder

286

00:12:27,660 --> 00:12:24,310

there's an intruder in the house and at

287

00:12:30,150 --> 00:12:27,670

that point this thing ran from the small

288

00:12:32,340 --> 00:12:30,160

room downstairs very quickly so the dog

289

00:12:34,260 --> 00:12:32,350

I mean you have to be them to understand

290

00:12:37,950 --> 00:12:34,270

that it's really quite frightening the

291

00:12:39,750 --> 00:12:37,960

dog was really barking and yelping and

292

00:12:41,690 --> 00:12:39,760

distressed and it ran up the stairs and

293

00:12:46,019 --> 00:12:41,700

disappeared so we searched the house

294

00:12:47,940 --> 00:12:46,029

there was nothing nothing at all so if

295

00:12:49,740 --> 00:12:47,950

you try to put yourself in that

296

00:12:51,660 --> 00:12:49,750

situation and this was all the way back

297

00:12:54,300 --> 00:12:51,670

in our aunt in 89 and nothing quite like

298

00:12:56,520 --> 00:12:54,310

that has happened ever again you should

299

00:12:58,620 --> 00:12:56,530

like to explain to people what happened

300

00:13:01,650 --> 00:12:58,630

I couldn't tell you if you said to

301
00:13:03,960 --> 00:13:01,660
someone I saw this gray type thing that

302
00:13:07,380 --> 00:13:03,970
looked now I realized could have been

303
00:13:09,270 --> 00:13:07,390
one all dressed in black walk through

304
00:13:12,450 --> 00:13:09,280
your walk through the glass of your

305
00:13:15,180 --> 00:13:12,460
front door from sunlight themselves into

306
00:13:17,310 --> 00:13:15,190
the ground but that wasn't the end of it

307
00:13:21,480 --> 00:13:17,320
because I then experienced something

308
00:13:23,160 --> 00:13:21,490
even more bizarre that particular what I

309
00:13:27,660 --> 00:13:23,170
can only assume was the early hours the

310
00:13:31,560 --> 00:13:27,670
morning were I found myself waking up

311
00:13:34,380 --> 00:13:31,570
and and on my back levitating and I was

312
00:13:37,680 --> 00:13:34,390
being pulled and it was dark from my

313
00:13:40,350 --> 00:13:37,690

room and I woke up in the hall and being

314

00:13:42,540 --> 00:13:40,360

pulled through the kitchen doors to the

315

00:13:44,190 --> 00:13:42,550

house and thinking how on earth am I

316

00:13:45,600 --> 00:13:44,200

able to get through the walls and doors

317

00:13:50,579 --> 00:13:45,610

of my house because as though it's like

318

00:13:54,930 --> 00:13:50,589

some LT bottles sorry only interrupting

319

00:13:56,579 --> 00:13:54,940

purify anyone would or would like some

320

00:14:00,030 --> 00:13:56,589

people say to sleep around the power

321

00:14:02,880 --> 00:14:00,040

paralysis or something but no I was

322

00:14:03,840 --> 00:14:02,890

being pulled through the wall to the

323

00:14:05,249 --> 00:14:03,850

kitchen through the

324

00:14:06,629 --> 00:14:05,259

Chinn through the conservatory now to

325

00:14:09,389 --> 00:14:06,639

the back garden and all along I'm

326

00:14:12,480 --> 00:14:09,399

thinking to myself well how am I able to

327

00:14:14,759 --> 00:14:12,490

pass through doors how am i able to go

328

00:14:16,499 --> 00:14:14,769

through them and this thought was in my

329

00:14:18,449 --> 00:14:16,509

mind primarily because I was not in

330

00:14:20,850 --> 00:14:18,459

control of where I was going something

331

00:14:21,900 --> 00:14:20,860

else was in control and as I came out to

332

00:14:23,699 --> 00:14:21,910

the back garden

333

00:14:25,590 --> 00:14:23,709

I was lifted up it was dark and I could

334

00:14:27,180 --> 00:14:25,600

see all these your clothes going through

335

00:14:29,280 --> 00:14:27,190

the sky and thinking at that point my

336

00:14:33,509 --> 00:14:29,290

goodness they're real they're real and

337

00:14:35,519 --> 00:14:33,519

my mind is fighting to stay to try and

338

00:14:38,100 --> 00:14:35,529

bring control to myself because I know

339

00:14:39,780 --> 00:14:38,110

that I'm being forcibly removed somehow

340

00:14:43,259 --> 00:14:39,790

from where I have been in my bedroom

341

00:14:45,540 --> 00:14:43,269

stroke study out here and as I focus

342

00:14:47,759 --> 00:14:45,550

upon these UFOs moving through the sky

343

00:14:50,460 --> 00:14:47,769

there is one particular one that's not

344

00:14:53,699 --> 00:14:50,470

moving and as soon as I fix my attention

345

00:14:55,680 --> 00:14:53,709

upon it I am lifted up I can fill my

346

00:14:58,259 --> 00:14:55,690

stomach going and I'm pulled towards it

347

00:15:00,150 --> 00:14:58,269

and then i black out and then the next

348

00:15:03,389 --> 00:15:00,160

episode is the one where I suffered

349

00:15:05,639 --> 00:15:03,399

unfortunately through media you know

350

00:15:08,670 --> 00:15:05,649

tegra Dacian I suppose in some way

351
00:15:12,389 --> 00:15:08,680
because what happened then was that I

352
00:15:15,030 --> 00:15:12,399
again woke and I was disorientated I

353
00:15:19,170 --> 00:15:15,040
didn't know where I was and I found

354
00:15:21,179 --> 00:15:19,180
myself strapped to some type of bed but

355
00:15:24,990 --> 00:15:21,189
not dead that you would think it it felt

356
00:15:27,480 --> 00:15:25,000
more like a solid hard bed the room was

357
00:15:31,889 --> 00:15:27,490
very dark it was very hot it was like

358
00:15:34,379 --> 00:15:31,899
being in a sauna and I remembered waking

359
00:15:37,769 --> 00:15:34,389
up thinking where on earth am I and then

360
00:15:40,620 --> 00:15:37,779
feeling the shock and horror of what was

361
00:15:44,999 --> 00:15:40,630
going on because I then found rather

362
00:15:46,769 --> 00:15:45,009
embarrassingly that there was the device

363
00:15:48,360 --> 00:15:46,779

that had been placed into the lower and

364

00:15:51,720 --> 00:15:48,370

Anthony I don't need to go into detail

365

00:15:53,790 --> 00:15:51,730

and I could feel it within my stomach

366

00:15:56,480 --> 00:15:53,800

like it's pulsating and as I turned to

367

00:15:59,249 --> 00:15:56,490

my right there were these three tall

368

00:16:00,660 --> 00:15:59,259

brick I know I can explain this like

369

00:16:02,550 --> 00:16:00,670

reptilians it sounds ridiculous but

370

00:16:04,889 --> 00:16:02,560

that's the only thing I could define in

371

00:16:06,150 --> 00:16:04,899

terms of reality that they were moving

372

00:16:09,120 --> 00:16:06,160

backwards and forwards in this very

373

00:16:12,569 --> 00:16:09,130

strong stance through this mist and I

374

00:16:14,160 --> 00:16:12,579

started to scream and yell and I wanted

375

00:16:17,290 --> 00:16:14,170

them to take this thing out of me

376

00:16:19,450 --> 00:16:17,300

and if I can just explain to you that

377

00:16:22,810 --> 00:16:19,460

the fear the total fear and degradation

378

00:16:24,250 --> 00:16:22,820

of that moment is something that was all

379

00:16:26,800 --> 00:16:24,260

it's all very well explaining in on

380

00:16:28,620 --> 00:16:26,810

radio but the initial emotions and their

381

00:16:31,570 --> 00:16:28,630

the actual experience was very horrific

382

00:16:34,030 --> 00:16:31,580

as ice yeah and as I screamed and yelled

383

00:16:36,150 --> 00:16:34,040

they it was as our mr. Ratan lab they

384

00:16:41,170 --> 00:16:36,160

weren't interested to me whatsoever

385

00:16:44,500 --> 00:16:41,180

however this small gray I call it gray

386

00:16:46,900 --> 00:16:44,510

first time I was seen one shocked me

387

00:16:48,880 --> 00:16:46,910

because it came forward and it was more

388

00:16:52,270 --> 00:16:48,890

cream than gray and it the thing was

389

00:16:56,560 --> 00:16:52,280

retracted out of my lower part and I was

390

00:16:58,480 --> 00:16:56,570

ordered to sit up and address it it was

391

00:17:00,520 --> 00:16:58,490

very cold it didn't have any empathy in

392

00:17:02,980 --> 00:17:00,530

it but I was grateful to it because I

393

00:17:05,829 --> 00:17:02,990

felt from an empathic level that it had

394

00:17:08,800 --> 00:17:05,839

released the mechanisms around my legs

395

00:17:12,370 --> 00:17:08,810

and my my arms and and this thing had

396

00:17:15,610 --> 00:17:12,380

gone retracted across the floor so I did

397

00:17:17,590 --> 00:17:15,620

as this thing commanded I dressed and I

398

00:17:20,560 --> 00:17:17,600

was ordered to follow it towards this

399

00:17:22,329 --> 00:17:20,570

wall what I thought was a wall until the

400

00:17:24,550 --> 00:17:22,339

wall disappeared and I found that we

401
00:17:26,410 --> 00:17:24,560
were up some height and I assumed at

402
00:17:28,570 --> 00:17:26,420
that point we were still in the craft

403
00:17:31,540 --> 00:17:28,580
and we were still above the village but

404
00:17:33,640 --> 00:17:31,550
it was it was becoming morning and this

405
00:17:36,850 --> 00:17:33,650
is where it gets really cranky because I

406
00:17:40,240 --> 00:17:36,860
found myself seeing another craft by the

407
00:17:42,490 --> 00:17:40,250
conservatory lowered down and I thought

408
00:17:45,430 --> 00:17:42,500
oh my god what on earth is going on on

409
00:17:48,010 --> 00:17:45,440
here you know I I've just been taken

410
00:17:49,870 --> 00:17:48,020
from my my house I'm up in this thing

411
00:17:53,350 --> 00:17:49,880
I've had this most terrifying experience

412
00:17:55,690 --> 00:17:53,360
and this gray type creature is now

413
00:17:57,130 --> 00:17:55,700

asking me that I need to exit well I'm

414

00:17:59,500 --> 00:17:57,140

thinking well held held away it said

415

00:18:03,340 --> 00:17:59,510

does it expect me to just walk out of

416

00:18:05,770 --> 00:18:03,350

this opening well the next thing I knew

417

00:18:08,470 --> 00:18:05,780

was there were two other graves with me

418

00:18:10,630 --> 00:18:08,480

and we're coming down to the ground I'm

419

00:18:12,520 --> 00:18:10,640

told not to look at them but my main

420

00:18:14,560 --> 00:18:12,530

focus attention on the last part of this

421

00:18:17,680 --> 00:18:14,570

experience that I'm very quickly going

422

00:18:21,520 --> 00:18:17,690

through is that this other UFO that was

423

00:18:23,920 --> 00:18:21,530

smaller had this other gray underneath

424

00:18:25,540 --> 00:18:23,930

it's standing in in front of me now the

425

00:18:26,920 --> 00:18:25,550

other two Gray's that told me not to

426

00:18:30,370 --> 00:18:26,930

look at them and obviously cleared off

427

00:18:31,000 --> 00:18:30,380

they just go on but this one in front of

428

00:18:33,040 --> 00:18:31,010

me

429

00:18:36,040 --> 00:18:33,050

the most was the most shocking I felt

430

00:18:38,020 --> 00:18:36,050

violated and totally degraded I didn't

431

00:18:40,420 --> 00:18:38,030

understand what had happened to me I

432

00:18:43,600 --> 00:18:40,430

didn't know where I where I was in terms

433

00:18:44,890 --> 00:18:43,610

of my mind or you know or what you're

434

00:18:46,120 --> 00:18:44,900

going through these experiences in your

435

00:18:49,450 --> 00:18:46,130

mind thinking this is really happening

436

00:18:50,890 --> 00:18:49,460

to me yeah I want proof I need proof so

437

00:18:53,650 --> 00:18:50,900

this great the standing in front of me

438

00:18:55,540 --> 00:18:53,660

is about four foot tall he's more he's

439

00:18:57,430 --> 00:18:55,550

more human looking than Graeme and still

440

00:19:00,550 --> 00:18:57,440

Griff in order mean he was stocky well

441

00:19:02,440 --> 00:19:00,560

well-built the one-piece uniform knee

442

00:19:06,100 --> 00:19:02,450

length high boots I could still see him

443

00:19:08,800 --> 00:19:06,110

now his chin came into a point at the

444

00:19:10,960 --> 00:19:08,810

end but he wore this stupid hat on his

445

00:19:13,120 --> 00:19:10,970

head pointed hat that was that came

446

00:19:14,740 --> 00:19:13,130

underneath his craft and he's got his

447

00:19:17,200 --> 00:19:14,750

arms folded across his chest and he's

448

00:19:19,240 --> 00:19:17,210

looking at me he's looking at me really

449

00:19:25,530 --> 00:19:19,250

angrily like you know and I could feel

450

00:19:27,880 --> 00:19:25,540

this this real anger in him I damned I

451

00:19:30,850 --> 00:19:27,890

don't know I've got no idea this is the

452

00:19:32,860 --> 00:19:30,860

thing and I thought how dare you how I

453

00:19:35,200 --> 00:19:32,870

wanted to punch him but because I

454

00:19:37,000 --> 00:19:35,210

couldn't get to him I was not able to

455

00:19:40,150 --> 00:19:37,010

move I was still in this kind of like

456

00:19:43,990 --> 00:19:40,160

control or whatever it was so I thought

457

00:19:45,730 --> 00:19:44,000

I need proof I need something so the the

458

00:19:48,700 --> 00:19:45,740

only thing that came to my mind was how

459

00:19:50,800 --> 00:19:48,710

the hell am I able to get through locked

460

00:19:52,120 --> 00:19:50,810

and bolted doors I mean how how are you

461

00:19:53,470 --> 00:19:52,130

able to do that and I knew that if he

462

00:19:55,720 --> 00:19:53,480

could give me the answer to that I'd

463

00:19:58,750 --> 00:19:55,730

crack it I cracked the code I'd crack it

464

00:20:01,390 --> 00:19:58,760

all but he looked at me David and his

465

00:20:03,100 --> 00:20:01,400

mouth went to an O and he started to

466

00:20:06,160 --> 00:20:03,110

talk in this electronic grasp when I

467

00:20:08,200 --> 00:20:06,170

found myself rushing back through the

468

00:20:09,460 --> 00:20:08,210

doors to the conservatory through to the

469

00:20:12,700 --> 00:20:09,470

doors to the kitchen through to the

470

00:20:15,250 --> 00:20:12,710

doors today the downstairs study bedroom

471

00:20:17,080 --> 00:20:15,260

and bang I was back in my body as soon

472

00:20:20,680 --> 00:20:17,090

as I I came back in there I had a

473

00:20:22,530 --> 00:20:20,690

nosebleed on my right nostril and I got

474

00:20:25,210 --> 00:20:22,540

up and it was very difficult for me to

475

00:20:26,920 --> 00:20:25,220

walk around and move now what's

476

00:20:31,360 --> 00:20:26,930

interesting what's really interesting

477

00:20:34,000 --> 00:20:31,370

about this is that I my brother and I my

478

00:20:37,690 --> 00:20:34,010

twin and I found three triangular marks

479

00:20:39,880 --> 00:20:37,700

that were prominent and were behind my

480

00:20:42,550 --> 00:20:39,890

right ear and we tried to remember the

481

00:20:44,110 --> 00:20:42,560

old Polaroid cameras yeah but we're

482

00:20:44,680 --> 00:20:44,120

trying to take a picture of it they

483

00:20:46,719 --> 00:20:44,690

picked

484

00:20:48,729 --> 00:20:46,729

wouldn't come out so I had three

485

00:20:50,499 --> 00:20:48,739

triangular marks behind my right here

486

00:20:55,710 --> 00:20:50,509

I've got three marks that I still have

487

00:20:57,969 --> 00:20:55,720

on my right arm that burn and I also

488

00:21:00,460 --> 00:20:57,979

kept having nosebleeds to the right

489

00:21:03,310 --> 00:21:00,470

nostril to the note to the right nostril

490

00:21:05,799 --> 00:21:03,320

the area here and of course in those

491

00:21:07,690 --> 00:21:05,809

days who was I going to go to go to a

492

00:21:09,430 --> 00:21:07,700

doctor and say oh you know you made by

493

00:21:11,619 --> 00:21:09,440

aliens and whatever they're just all the

494

00:21:13,930 --> 00:21:11,629

way to the late but I'm not so

495

00:21:15,519 --> 00:21:13,940

interested in in what happened to me

496

00:21:18,009 --> 00:21:15,529

although I will never forget the

497

00:21:20,680 --> 00:21:18,019

experience what's interesting is the

498

00:21:23,379 --> 00:21:20,690

fact of of how what we call the

499

00:21:25,570 --> 00:21:23,389

abduction happened and and my my

500

00:21:28,180 --> 00:21:25,580

research into further investigations

501
00:21:30,519 --> 00:21:28,190
into the abduction phenomena which which

502
00:21:32,739 --> 00:21:30,529
kind of like tied in with soul survival

503
00:21:35,589 --> 00:21:32,749
being a medium now which was very

504
00:21:37,419 --> 00:21:35,599
strange and integrating these parts

505
00:21:40,499 --> 00:21:37,429
because we've always looked at the UFO

506
00:21:42,940 --> 00:21:40,509
phenomena and the psychic phenomena and

507
00:21:45,759 --> 00:21:42,950
cryptozoology in and all these different

508
00:21:47,349 --> 00:21:45,769
areas into different boxes but I've been

509
00:21:49,029 --> 00:21:47,359
trying for a long time now trying to

510
00:21:50,830 --> 00:21:49,039
piece the bits together but just going

511
00:21:54,700 --> 00:21:50,840
back very quickly with regards to the

512
00:21:56,589 --> 00:21:54,710
ear now some a couple of years ago I

513
00:21:58,060 --> 00:21:56,599

think now maybe a couple of years I had

514

00:21:59,409 --> 00:21:58,070

some problems with my right ear I've

515

00:22:03,729 --> 00:21:59,419

always known there was something in

516

00:22:05,859 --> 00:22:03,739

there in my right ear and I went to the

517

00:22:08,229 --> 00:22:05,869

doctors for them to have a look at it

518

00:22:12,639 --> 00:22:08,239

and when I went to the doctors the local

519

00:22:15,489 --> 00:22:12,649

surgery of the road from us the one of

520

00:22:16,930 --> 00:22:15,499

the doctors got the device that must

521

00:22:18,369 --> 00:22:16,940

have known look and then another look in

522

00:22:20,379 --> 00:22:18,379

my right here and then another look and

523

00:22:23,499 --> 00:22:20,389

I'm sitting there thinking well what are

524

00:22:25,180 --> 00:22:23,509

they looking at and so I didn't go in

525

00:22:26,889 --> 00:22:25,190

there specifically for them to find

526

00:22:28,299 --> 00:22:26,899

anything in that wasn't that's not that

527

00:22:29,769 --> 00:22:28,309

I wants to go because every time I took

528

00:22:30,999 --> 00:22:29,779

a shower they was seen or when I'm

529

00:22:32,729 --> 00:22:31,009

asleep that seems like there's water

530

00:22:36,159 --> 00:22:32,739

logged in there it feels uncomfortable

531

00:22:37,719 --> 00:22:36,169

so anyway she said hold on a minute I

532

00:22:39,849 --> 00:22:37,729

need to go and get another doctor so she

533

00:22:41,799 --> 00:22:39,859

went on off and got another doctor and

534

00:22:43,359 --> 00:22:41,809

so the doctor came down and then there's

535

00:22:45,489 --> 00:22:43,369

other doctor stuff having a look in my

536

00:22:46,989 --> 00:22:45,499

ear and poking around in everything

537

00:22:54,190 --> 00:22:46,999

we're talking to each other I thought my

538

00:22:55,869 --> 00:22:54,200

god if I got something because it

539

00:22:57,970 --> 00:22:55,879

doesn't look like it's cleared up they

540

00:23:00,250 --> 00:22:57,980

said if there's a crystalline son

541

00:23:02,680 --> 00:23:00,260

sure in there it's very bizarre well

542

00:23:05,560 --> 00:23:02,690

anyway they left it they left this is

543

00:23:08,169 --> 00:23:05,570

the trip they left it at that and anyway

544

00:23:09,490 --> 00:23:08,179

the the doctor the Rhine saw she knows

545

00:23:12,100 --> 00:23:09,500

I'm a medium she doesn't know about the

546

00:23:14,440 --> 00:23:12,110

UFO stuff and she said what shall I ask

547

00:23:21,629 --> 00:23:14,450

you a question she said have you been

548

00:23:25,330 --> 00:23:21,639

abducted by aliens what David I mean

549

00:23:27,340 --> 00:23:25,340

they they left it today this is not the

550

00:23:29,680 --> 00:23:27,350

first time I've gone about my ear they

551
00:23:31,810 --> 00:23:29,690
left it and I went back to the car and I

552
00:23:33,039 --> 00:23:31,820
thought well that's very odd if there's

553
00:23:34,149 --> 00:23:33,049
something that still looks like it's

554
00:23:37,570 --> 00:23:34,159
healing and there's a crystalline

555
00:23:39,850 --> 00:23:37,580
structure wouldn't you say especially to

556
00:23:43,029 --> 00:23:39,860
come out with it have you been your

557
00:23:45,970 --> 00:23:43,039
party yeah I swear to God I mean I don't

558
00:23:49,029 --> 00:23:45,980
I do not I like that I know I still and

559
00:23:51,639 --> 00:23:49,039
what's really interesting is that not

560
00:23:54,490 --> 00:23:51,649
long ago probably about a month ago I

561
00:23:56,590 --> 00:23:54,500
was just resting and I felt something

562
00:23:58,360 --> 00:23:56,600
moving in there and and it felt like

563
00:24:03,100 --> 00:23:58,370

there was something moving in there and

564

00:24:05,289 --> 00:24:03,110

I could feel it you know I'm not

565

00:24:07,779 --> 00:24:05,299

claiming that I've got a tracker or

566

00:24:09,610 --> 00:24:07,789

device or implant but there's a part of

567

00:24:11,259 --> 00:24:09,620

my mind that thinks no I don't want it

568

00:24:13,060 --> 00:24:11,269

touched and I want it left David because

569

00:24:15,659 --> 00:24:13,070

I've heard these stories of people

570

00:24:19,090 --> 00:24:15,669

haven't been removed and then they

571

00:24:21,639 --> 00:24:19,100

horrible has it helped me I don't know

572

00:24:25,870 --> 00:24:21,649

is it a try something that's helping you

573

00:24:27,399 --> 00:24:25,880

you mean yeah it's possible and but I'm

574

00:24:29,680 --> 00:24:27,409

going to tell you now I'm absolutely

575

00:24:31,899 --> 00:24:29,690

convinced that what happened back in

576

00:24:33,340 --> 00:24:31,909

1989 had something to do with the right

577

00:24:34,480 --> 00:24:33,350

ear and something being placed there

578

00:24:36,850 --> 00:24:34,490

because I've always had something in the

579

00:24:38,200 --> 00:24:36,860

back of my mind that something is there

580

00:24:41,110 --> 00:24:38,210

so this is this is where my

581

00:24:43,419 --> 00:24:41,120

investigations led me then into really

582

00:24:45,310 --> 00:24:43,429

serious investigating the truth not the

583

00:24:47,769 --> 00:24:45,320

lies or the disinformation or the

584

00:24:50,500 --> 00:24:47,779

sensationalism or the ego the truth

585

00:24:52,870 --> 00:24:50,510

however bizarre and however hard it is

586

00:24:54,279 --> 00:24:52,880

for people to accept what I went through

587

00:24:56,139 --> 00:24:54,289

because I knew that I was going to be in

588

00:24:58,899 --> 00:24:56,149

for a tough time with this I thought

589

00:25:01,269 --> 00:24:58,909

this is possibly an abduction and it's

590

00:25:03,190 --> 00:25:01,279

done out of body that's still connected

591

00:25:06,430 --> 00:25:03,200

to the body and this is where my my

592

00:25:12,020 --> 00:25:06,440

theoretical model of of the abduction

593

00:25:16,110 --> 00:25:14,880

with regards to that so that this is

594

00:25:18,090 --> 00:25:16,120

where it led me in terms of the

595

00:25:20,730 --> 00:25:18,100

investigation and the research in terms

596

00:25:22,890 --> 00:25:20,740

of when people call Gray's and the

597

00:25:24,780 --> 00:25:22,900

abduction phenomena how the abduction

598

00:25:29,460 --> 00:25:24,790

happens why is that people go through

599

00:25:30,690 --> 00:25:29,470

Wars and because they stay interested we

600

00:25:32,220 --> 00:25:30,700

were taught about the greys was the

601
00:25:34,910 --> 00:25:32,230
connection with the reptilians as well

602
00:25:37,020 --> 00:25:34,920
they seem to work together at time so

603
00:25:38,880 --> 00:25:37,030
I've heard that I've heard that several

604
00:25:41,100 --> 00:25:38,890
times yeah yeah you think there have

605
00:25:43,290 --> 00:25:41,110
been two different races of aliens if

606
00:25:44,610 --> 00:25:43,300
you like that they will be separate and

607
00:25:49,110 --> 00:25:44,620
not not being working together but they

608
00:25:50,790 --> 00:25:49,120
seem to work together I don't understand

609
00:25:53,010 --> 00:25:50,800
because the thing is think about this I

610
00:25:54,870 --> 00:25:53,020
mean back then in 1989 you were you were

611
00:25:57,210 --> 00:25:54,880
considered an absolute crazy and you

612
00:25:58,650 --> 00:25:57,220
even suggested that you've had some form

613
00:26:00,630 --> 00:25:58,660

of an abduction I know that Jenny

614

00:26:02,940 --> 00:26:00,640

Randall's got in touch with my twin and

615

00:26:05,370 --> 00:26:02,950

I about it that was many years ago but

616

00:26:06,960 --> 00:26:05,380

if you told anyone that you'd been in

617

00:26:08,850 --> 00:26:06,970

the presence of what you thought were

618

00:26:10,260 --> 00:26:08,860

reptilian yes I mean you'll be laughed

619

00:26:13,560 --> 00:26:10,270

all the way to the leap but what's

620

00:26:15,540 --> 00:26:13,570

interesting is that I do believe after

621

00:26:18,780 --> 00:26:15,550

all these years of trying to deny it

622

00:26:20,580 --> 00:26:18,790

myself not in terms of what happened to

623

00:26:23,580 --> 00:26:20,590

me but denying the existence of

624

00:26:25,620 --> 00:26:23,590

reptilians as people call them I'm not

625

00:26:27,990 --> 00:26:25,630

so sure I mean I they didn't communicate

626

00:26:29,940 --> 00:26:28,000

with me that in fact there their whole

627

00:26:32,460 --> 00:26:29,950

mannerisms suggested I was nothing more

628

00:26:35,040 --> 00:26:32,470

than a piece of meat of them it was the

629

00:26:36,750 --> 00:26:35,050

gray the cream-colored gray that I saw

630

00:26:39,720 --> 00:26:36,760

that had a little bit more empathy I

631

00:26:42,570 --> 00:26:39,730

guess more understanding but not on a

632

00:26:44,760 --> 00:26:42,580

human level I guess that was me feeling

633

00:26:48,060 --> 00:26:44,770

that because it seemed to release me and

634

00:26:50,660 --> 00:26:48,070

ordered me to dress and it was ready to

635

00:26:53,880 --> 00:26:50,670

remove me from from this negative

636

00:26:55,200 --> 00:26:53,890

experience or this very negative

637

00:26:57,960 --> 00:26:55,210

situation and I had that I've been

638

00:27:01,740 --> 00:26:57,970

involved in but this then led into the

639

00:27:04,800 --> 00:27:01,750

sphere of the soul and the greys which

640

00:27:06,810 --> 00:27:04,810

seemed like clones and they can't

641

00:27:09,360 --> 00:27:06,820

reproduce and of course I starts to

642

00:27:11,940 --> 00:27:09,370

really think long and hard about you

643

00:27:14,730 --> 00:27:11,950

know putting the pieces together the

644

00:27:16,110 --> 00:27:14,740

greys can't reproduce they seem like

645

00:27:18,390 --> 00:27:16,120

they're clones

646

00:27:21,390 --> 00:27:18,400

they don't understand about human

647

00:27:23,730 --> 00:27:21,400

emotions or empathy or love or color or

648

00:27:24,090 --> 00:27:23,740

taste they seem to be devoid of that and

649

00:27:25,980 --> 00:27:24,100

I know

650

00:27:28,410 --> 00:27:25,990

there was the contention that there may

651
00:27:31,110 --> 00:27:28,420
be androids or robots I'm not dismissing

652
00:27:33,900 --> 00:27:31,120
that fact and what I'm saying is that

653
00:27:37,050 --> 00:27:33,910
they're very interested in our human

654
00:27:38,580 --> 00:27:37,060
physiology and also our psychology as

655
00:27:40,620 --> 00:27:38,590
well they seem to be masters at

656
00:27:44,100 --> 00:27:40,630
mind-reading they seem to be masters

657
00:27:46,350 --> 00:27:44,110
they're very much ahead of themselves in

658
00:27:48,780 --> 00:27:46,360
terms of communicating and controlling

659
00:27:52,830 --> 00:27:48,790
humans through the use of their eyes

660
00:27:55,920 --> 00:27:52,840
their mind now this then I then wrote a

661
00:27:57,600 --> 00:27:55,930
book called believed bridging the gap

662
00:28:00,000 --> 00:27:57,610
between the psychic in UFO phenomena

663
00:28:01,560 --> 00:28:00,010

which then was led on with sky crash

664

00:28:03,420 --> 00:28:01,570

throughout time because I know that I I

665

00:28:05,160 --> 00:28:03,430

teamed up with Brenda and I was doing a

666

00:28:09,020 --> 00:28:05,170

lot of investigations and Rendlesham

667

00:28:11,730 --> 00:28:09,030

forest which was the UK's number one

668

00:28:13,350 --> 00:28:11,740

Roswell then I wrote a book called

669

00:28:15,780 --> 00:28:13,360

pester eternity which kind of like

670

00:28:18,180 --> 00:28:15,790

highlighted upon the theoretical model

671

00:28:20,690 --> 00:28:18,190

of what the greys could and only say

672

00:28:23,430 --> 00:28:20,700

could represent it's only a theory

673

00:28:25,290 --> 00:28:23,440

because we as humans when we think about

674

00:28:27,480 --> 00:28:25,300

it we only think that we live and then

675

00:28:29,940 --> 00:28:27,490

we die that's it but I loved the firm

676
00:28:32,460 --> 00:28:29,950
conviction that the human soul survives

677
00:28:35,910 --> 00:28:32,470
death and this is something that led me

678
00:28:37,860 --> 00:28:35,920
into more areas of the greys because

679
00:28:40,140 --> 00:28:37,870
they're interested in reproduction human

680
00:28:42,300 --> 00:28:40,150
reproduction hybridization yet they

681
00:28:44,040 --> 00:28:42,310
can't reproduce and this is where I kind

682
00:28:46,140 --> 00:28:44,050
of like thought hmm what are they up to

683
00:28:51,060 --> 00:28:46,150
what are they after what they want and

684
00:28:56,970 --> 00:28:51,070
it was in 1996 I believe where I had my

685
00:28:58,380 --> 00:28:56,980
first ever download because Brenda gets

686
00:29:00,240 --> 00:28:58,390
down there bring the button that we're

687
00:29:03,090 --> 00:29:00,250
talking about the full rendition I don't

688
00:29:08,340 --> 00:29:03,100

believe Brenda gets download some much

689

00:29:10,020 --> 00:29:08,350

like the Jim yes it was the only one

690

00:29:11,910 --> 00:29:10,030

time that I had what they would call a

691

00:29:15,150 --> 00:29:11,920

download and if I may explain to the

692

00:29:17,790 --> 00:29:15,160

listeners what that feels like it's

693

00:29:20,160 --> 00:29:17,800

almost like a knowing it at one minute I

694

00:29:22,230 --> 00:29:20,170

was at work you know and I don't know

695

00:29:23,610 --> 00:29:22,240

thinking about because I'm I'm always

696

00:29:25,320 --> 00:29:23,620

think I don't think might not stop

697

00:29:27,240 --> 00:29:25,330

thinking I don't think about UFOs I'm

698

00:29:28,470 --> 00:29:27,250

thinking about psychic I'm thinking

699

00:29:29,460 --> 00:29:28,480

about the staff and trying to put the

700

00:29:31,860 --> 00:29:29,470

pieces together

701
00:29:33,540 --> 00:29:31,870
for the truth for the ultimate truth of

702
00:29:35,900 --> 00:29:33,550
what we're dealing with and on this

703
00:29:37,799 --> 00:29:35,910
particular day I can't remember what day

704
00:29:39,599 --> 00:29:37,809
but it was enlightened

705
00:29:41,459 --> 00:29:39,609
sex i I had this download and it was

706
00:29:42,869 --> 00:29:41,469
like a complete vision of everything I

707
00:29:44,729 --> 00:29:42,879
knew if I had to grab a piece of paper

708
00:29:47,279 --> 00:29:44,739
and a pen and I started furiously

709
00:29:49,169 --> 00:29:47,289
scribbling this formula down and what I

710
00:29:50,609 --> 00:29:49,179
was getting was the information that

711
00:29:53,580 --> 00:29:50,619
came through was that the Grays were

712
00:29:55,049 --> 00:29:53,590
cloning souls that there that they had

713
00:29:56,849 --> 00:29:55,059

cloned themselves from their original

714

00:29:58,680 --> 00:29:56,859

masters they could no longer reproduce

715

00:30:00,089 --> 00:29:58,690

and that they were abducting people

716

00:30:02,909 --> 00:30:00,099

because they were working on a

717

00:30:05,399 --> 00:30:02,919

hybridization program to try and create

718

00:30:07,560 --> 00:30:05,409

some form of gestation for their cloned

719

00:30:10,019 --> 00:30:07,570

souls or spark of consciousness to

720

00:30:13,560 --> 00:30:10,029

connect back to when we go to the

721

00:30:16,769 --> 00:30:13,570

religion or puppies went to so that was

722

00:30:18,060 --> 00:30:16,779

published in alien encounters that came

723

00:30:20,669 --> 00:30:18,070

out in a magazine called alien

724

00:30:24,089 --> 00:30:20,679

encounters back in the late 90s that was

725

00:30:26,310 --> 00:30:24,099

quite popular they published that and

726

00:30:29,159 --> 00:30:26,320

they considered revolutionary but that

727

00:30:36,409 --> 00:30:29,169

that's not where it ended because the

728

00:30:42,989 --> 00:30:39,450

striking down all halls of smoke and

729

00:30:47,339 --> 00:30:42,999

mirrors which led me into you know the

730

00:30:48,869 --> 00:30:47,349

Rendlesham case you know and we we were

731

00:30:50,310 --> 00:30:48,879

doing a lot of research and

732

00:30:52,440 --> 00:30:50,320

investigations under the recommendation

733

00:30:55,139 --> 00:30:52,450

of the brilliant and lovely Peter

734

00:30:57,859 --> 00:30:55,149

Robbins who my brother and I Susan had

735

00:31:00,869 --> 00:30:57,869

the esteemed pleasure many years ago

736

00:31:04,139 --> 00:31:00,879

unfortunately wonderful really kicked in

737

00:31:08,879 --> 00:31:04,149

the nuts by somebody but unfortunately

738

00:31:11,940 --> 00:31:08,889

but so he feels such a waste which I'll

739

00:31:14,369 --> 00:31:11,950

told which I told his date so it's silly

740

00:31:21,450 --> 00:31:14,379

because he's much appreciated in the UFO

741

00:31:23,249 --> 00:31:21,460

world and he suggested going out there

742

00:31:27,450 --> 00:31:23,259

so which we did Ronnie Susan and myself

743

00:31:29,310 --> 00:31:27,460

and we did a lot of experiments out

744

00:31:33,659 --> 00:31:29,320

there because we knew that there was

745

00:31:37,619 --> 00:31:33,669

something going on it's like the areas

746

00:31:39,889 --> 00:31:37,629

of like in America and skinwalker ranch

747

00:31:42,930 --> 00:31:39,899

you have these particular areas in

748

00:31:46,259 --> 00:31:42,940

around the world that have UFO activity

749

00:31:48,300 --> 00:31:46,269

but also seem to have a lot of

750

00:31:50,770 --> 00:31:48,310

paranormal

751
00:31:53,320 --> 00:31:50,780
experiences around that area like orbs

752
00:31:57,550 --> 00:31:53,330
and all these different things so we did

753
00:31:59,470 --> 00:31:57,560
an experiment and I will tell you for

754
00:32:05,440 --> 00:31:59,480
the record which has been which has been

755
00:32:08,890 --> 00:32:05,450
documented on the 8th of June in 1998 we

756
00:32:11,950 --> 00:32:08,900
we had seen a huge triangular object

757
00:32:14,080 --> 00:32:11,960
with a circular appendage in the

758
00:32:17,680 --> 00:32:14,090
football in the farmer's field

759
00:32:19,630 --> 00:32:17,690
to be correct just outside one pond

760
00:32:20,740 --> 00:32:19,640
perimeter of the forest and this had

761
00:32:22,540 --> 00:32:20,750
been done where we've done in this

762
00:32:25,510 --> 00:32:22,550
experiment at home a week before he went

763
00:32:27,250 --> 00:32:25,520

back to the forest we'd sent our

764

00:32:29,710 --> 00:32:27,260

intentions out through meditation and

765

00:32:31,660 --> 00:32:29,720

we'd ask them to show themselves to us

766

00:32:34,660 --> 00:32:31,670

we really wanted to see them we would

767

00:32:36,280 --> 00:32:34,670

take no camera equipment at all we

768

00:32:40,270 --> 00:32:36,290

wanted this to be a personal experience

769

00:32:42,400 --> 00:32:40,280

so the date was the 8th of June in 1998

770

00:32:44,860 --> 00:32:42,410

but we went there for to see if they

771

00:32:48,630 --> 00:32:44,870

would turn up and we'd gone into the

772

00:32:51,010 --> 00:32:48,640

forest into the field we used we used to

773

00:32:54,010 --> 00:32:51,020

you know hook up where we normally do

774

00:32:56,260 --> 00:32:54,020

and it was getting dark and of course

775

00:32:57,550 --> 00:32:56,270

you you can't be seen by the farmer

776

00:32:59,950 --> 00:32:57,560

that's across the field because he's

777

00:33:03,100 --> 00:32:59,960

worked on sometimes just to scare people

778

00:33:04,720 --> 00:33:03,110

off so we've got some dowsing rods and I

779

00:33:06,970 --> 00:33:04,730

doused them to the area of the field now

780

00:33:09,400 --> 00:33:06,980

at this time half the field was crop and

781

00:33:11,560 --> 00:33:09,410

half was just like barren land and I

782

00:33:13,810 --> 00:33:11,570

found a place I thought was the area

783

00:33:15,880 --> 00:33:13,820

where the original UFO came came

784

00:33:18,250 --> 00:33:15,890

originally I can't be sure of that

785

00:33:20,050 --> 00:33:18,260

because you know at that point I didn't

786

00:33:23,010 --> 00:33:20,060

really have a lot of information about

787

00:33:25,810 --> 00:33:23,020

what had happened with regards to

788

00:33:28,420 --> 00:33:25,820

Rendlesham until I met Brenda

789

00:33:30,400 --> 00:33:28,430

some years later but we found the spot

790

00:33:31,990 --> 00:33:30,410

and both Ronald Susan a good friend of

791

00:33:34,870 --> 00:33:32,000

ours Susan and myself sat in a circle

792

00:33:37,930 --> 00:33:34,880

and meditated Eames a lovely night stars

793

00:33:39,700 --> 00:33:37,940

round it was a full moon and this was

794

00:33:42,730 --> 00:33:39,710

roughly around about I think quarter to

795

00:33:45,370 --> 00:33:42,740

10:00 at night we've meditated now we

796

00:33:46,660 --> 00:33:45,380

can under meditation I mean who would

797

00:33:48,040 --> 00:33:46,670

have believed if anyone seen these three

798

00:33:52,690 --> 00:33:48,050

people sit in the middle of this field

799

00:33:54,700 --> 00:33:52,700

this time of night we got up and we

800

00:33:57,520 --> 00:33:54,710

thought well would we have a look around

801
00:33:58,890 --> 00:33:57,530
and we saw this red light and it was

802
00:34:00,990 --> 00:33:58,900
coming from the

803
00:34:04,380 --> 00:34:01,000
the farmers what we thought was the

804
00:34:06,150 --> 00:34:04,390
farmers house and it was it was coming

805
00:34:08,430 --> 00:34:06,160
towards us and we thought oh my god we

806
00:34:09,869 --> 00:34:08,440
the farmer seen us he's gone his car and

807
00:34:11,730 --> 00:34:09,879
he's coming across the field

808
00:34:14,520 --> 00:34:11,740
we started run back and I stopped and I

809
00:34:17,550 --> 00:34:14,530
turned back round and I found that they

810
00:34:20,970 --> 00:34:17,560
though it wasn't a car car lights aren't

811
00:34:24,180 --> 00:34:20,980
red and it was moving towards us and

812
00:34:26,070 --> 00:34:24,190
then it shot across the field shot

813
00:34:29,940 --> 00:34:26,080

straight across the field so fast we

814

00:34:31,470 --> 00:34:29,950

thought wow that was amazing what the

815

00:34:33,960 --> 00:34:31,480

hell was that we thought that was it

816

00:34:35,700 --> 00:34:33,970

we thought that was it until there was a

817

00:34:38,100 --> 00:34:35,710

flash of light from the other side of

818

00:34:40,080 --> 00:34:38,110

the field where these trees were and the

819

00:34:41,790 --> 00:34:40,090

only way I can explain it to you was

820

00:34:44,430 --> 00:34:41,800

that there was this triangular it's like

821

00:34:46,680 --> 00:34:44,440

a pyramid it flashed it appeared and

822

00:34:49,889 --> 00:34:46,690

there was a gap and a circular on the

823

00:34:50,369 --> 00:34:49,899

carriage underneath it and it made no

824

00:34:52,680 --> 00:34:50,379

sound

825

00:34:54,419 --> 00:34:52,690

it was brilliant color of white and

826

00:34:57,210 --> 00:34:54,429

different colors emanating from the

827

00:35:00,090 --> 00:34:57,220

inside of the triangle and the circle

828

00:35:02,040 --> 00:35:00,100

undercarriage was moving one way it was

829

00:35:03,510 --> 00:35:02,050

like a clock yeah you know we got clock

830

00:35:05,280 --> 00:35:03,520

one moving one way and the other moving

831

00:35:08,010 --> 00:35:05,290

the other so the triangle was moving

832

00:35:09,690 --> 00:35:08,020

around in a circle one way and the the

833

00:35:12,270 --> 00:35:09,700

circular appendage with blue lights

834

00:35:15,210 --> 00:35:12,280

around its central hub was moving the

835

00:35:20,070 --> 00:35:15,220

other well that was it I started to run

836

00:35:21,960 --> 00:35:20,080

towards it and I ran across the field I

837

00:35:24,360 --> 00:35:21,970

remembered my jeans getting soaked this

838

00:35:26,160 --> 00:35:24,370

was the holy grail for me it was the

839

00:35:27,330 --> 00:35:26,170

most strangest and yet beautiful thing

840

00:35:29,160 --> 00:35:27,340

I've ever seen in my life

841

00:35:30,960 --> 00:35:29,170

I didn't stop to think at that point

842

00:35:33,510 --> 00:35:30,970

because I was confirming shutting back

843

00:35:35,430 --> 00:35:33,520

telling tell me it's triangular tell me

844

00:35:36,990 --> 00:35:35,440

this circular appendage because I was

845

00:35:39,060 --> 00:35:37,000

trying to confirm with the others who

846

00:35:42,600 --> 00:35:39,070

were running after me that that is what

847

00:35:44,220 --> 00:35:42,610

we were seeing well the closer I got I

848

00:35:46,710 --> 00:35:44,230

mean it was incredible and then I

849

00:35:48,780 --> 00:35:46,720

remembered I got under it and then I it

850

00:35:50,790 --> 00:35:48,790

just went out like someone had turned

851
00:35:53,210 --> 00:35:50,800
some lights off and I slipped fell I

852
00:35:57,350 --> 00:35:53,220
took in a load of dirt in my mouth I

853
00:36:01,320 --> 00:35:57,360
spat it out and I then started to I

854
00:36:03,050 --> 00:36:01,330
laugh I laugh I I cried and I laughed I

855
00:36:06,200 --> 00:36:03,060
cried out laugh because I thought no

856
00:36:09,830 --> 00:36:06,210
elation yeah no one who in the world

857
00:36:12,140 --> 00:36:09,840
well it got even stranger David because

858
00:36:15,230 --> 00:36:12,150
we we talk nothing about

859
00:36:16,760 --> 00:36:15,240
this and you know we kept talking about

860
00:36:19,760 --> 00:36:16,770
over and over again it was the most

861
00:36:22,160 --> 00:36:19,770
incredible thing now I contacted I can't

862
00:36:24,410 --> 00:36:22,170
be sure if it was UFO magazine David

863
00:36:27,079 --> 00:36:24,420

I lke it was one I'm sure it was and I

864

00:36:29,329 --> 00:36:27,089

spoke to a person called reinforce his

865

00:36:31,940 --> 00:36:29,339

lay and however I tried to spell this

866

00:36:33,710 --> 00:36:31,950

name the man on the other end was very

867

00:36:35,690 --> 00:36:33,720

accommodating it's like and I remember

868

00:36:37,460 --> 00:36:35,700

briam Forks and he said all can use this

869

00:36:38,710 --> 00:36:37,470

is the next day because I didn't sleep I

870

00:36:42,829 --> 00:36:38,720

didn't eat I was still on a high

871

00:36:45,079 --> 00:36:42,839

beautiful day the next day can you send

872

00:36:48,079 --> 00:36:45,089

me everything pictures anything you have

873

00:36:50,690 --> 00:36:48,089

which we did a package it sent it to the

874

00:36:52,130 --> 00:36:50,700

magazine and nothing back and when I

875

00:36:54,319 --> 00:36:52,140

phoned back up and found the magazine

876

00:36:56,120 --> 00:36:54,329

back up and asked so they said they

877

00:36:58,940 --> 00:36:56,130

don't have anyone here at that name now

878

00:37:00,230 --> 00:36:58,950

I don't and they said the editor said

879

00:37:02,779 --> 00:37:00,240

he'd send everything to Peter Robinson

880

00:37:04,700 --> 00:37:02,789

and I hadn't mentioned Peter honest at

881

00:37:07,370 --> 00:37:04,710

all I mean he didn't know that we we had

882

00:37:10,609 --> 00:37:07,380

met him but of course we do we do now it

883

00:37:13,819 --> 00:37:10,619

was hard but that was very so yeah and

884

00:37:15,799 --> 00:37:13,829

that was one of the and then of course

885

00:37:17,779 --> 00:37:15,809

that's where I met Brenda Butler I

886

00:37:18,859 --> 00:37:17,789

didn't know where she was in the world I

887

00:37:21,079 --> 00:37:18,869

wasn't out there doing investigations

888

00:37:22,579 --> 00:37:21,089

again and I said I'd really love to meet

889

00:37:24,170 --> 00:37:22,589

Brenda Butler on that very night that we

890

00:37:27,260 --> 00:37:24,180

were investigating in huge again we met

891

00:37:30,140 --> 00:37:27,270

we met they're still investigating you

892

00:37:32,569 --> 00:37:30,150

know yeah and then we teamed together

893

00:37:34,849 --> 00:37:32,579

and then we wrote wrote the book sky

894

00:37:36,829 --> 00:37:34,859

crashed throughout time a continued

895

00:37:38,839 --> 00:37:36,839

investigation to the rental Rendlesham

896

00:37:41,809 --> 00:37:38,849

UFO mystery which kappa been brought out

897

00:37:43,370 --> 00:37:41,819

in 2013 i believe and that was more to

898

00:37:44,930 --> 00:37:43,380

do with her a lot of what bender was

899

00:37:48,230 --> 00:37:44,940

involved in and sightings before and

900

00:37:50,599 --> 00:37:48,240

afterwards so that that's where that

901
00:38:00,440 --> 00:37:50,609
project led so you can see David that

902
00:38:03,079 --> 00:38:00,450
you know I seem to be met with you're

903
00:38:05,839 --> 00:38:03,089
clairvoyant life and when did that will

904
00:38:08,240 --> 00:38:05,849
start in real childhood or what do you

905
00:38:10,400 --> 00:38:08,250
think there's something as enhanced that

906
00:38:15,109 --> 00:38:10,410
through your maybe your implant in your

907
00:38:18,410 --> 00:38:15,119
ear David I couldn't I can tell you is

908
00:38:20,480 --> 00:38:18,420
that I can only are not putting things

909
00:38:23,000 --> 00:38:20,490
together in saying this is mrs. exactly

910
00:38:25,099 --> 00:38:23,010
how it happened it's possible that you

911
00:38:25,970 --> 00:38:25,109
know and I know that I we had some very

912
00:38:28,849 --> 00:38:25,980
strange things had

913
00:38:31,340 --> 00:38:28,859

to us as kids anyway and you know I

914

00:38:33,380 --> 00:38:31,350

believe that thinking about this it's

915

00:38:35,330 --> 00:38:33,390

not like oh look at me I'm special then

916

00:38:36,920 --> 00:38:35,340

I've never been like that I've been more

917

00:38:39,080 --> 00:38:36,930

of a curious person I've always tried to

918

00:38:42,109 --> 00:38:39,090

find out how things work them putting

919

00:38:48,680 --> 00:38:42,119

things together but the clairvoyant

920

00:38:50,210 --> 00:38:48,690

ability activated in in 1999 and and but

921

00:38:51,380 --> 00:38:50,220

I believe that it's been with me since a

922

00:38:52,700 --> 00:38:51,390

child because you read a lot of these

923

00:38:54,980 --> 00:38:52,710

stories and I've read a lot of books

924

00:38:56,300 --> 00:38:54,990

about a lot of mediums and how brilliant

925

00:38:58,670 --> 00:38:56,310

they are and all the rest of it but

926

00:39:00,770 --> 00:38:58,680

really I wrote a book called reaching

927

00:39:02,510 --> 00:39:00,780

for divine which one was my first

928

00:39:04,340 --> 00:39:02,520

published book which dealt with the

929

00:39:07,120 --> 00:39:04,350

psychic phenomena and trying to explain

930

00:39:10,010 --> 00:39:07,130

the process of how that works and

931

00:39:11,720 --> 00:39:10,020

explaining also that it you know mediums

932

00:39:13,370 --> 00:39:11,730

do have their problems through

933

00:39:15,290 --> 00:39:13,380

communication I'm a discard at

934

00:39:19,190 --> 00:39:15,300

communication is not one of them least

935

00:39:21,230 --> 00:39:19,200

things for anyone to do but again I

936

00:39:24,500 --> 00:39:21,240

remembered seeing a brilliant medium

937

00:39:27,380 --> 00:39:24,510

called pearl that I eyed for the very

938

00:39:29,690 --> 00:39:27,390

first time in my life where my

939

00:39:32,540 --> 00:39:29,700

grandmother had passed over and she told

940

00:39:34,670 --> 00:39:32,550

me she said to me that you've had UFO

941

00:39:38,180 --> 00:39:34,680

experiences and she said you've had an

942

00:39:40,580 --> 00:39:38,190

encounter with with a group of them and

943

00:39:42,770 --> 00:39:40,590

I was shocked and she said to me and she

944

00:39:48,109 --> 00:39:42,780

said you're going to be a medium this is

945

00:39:49,609 --> 00:39:48,119

this was back in 1997 no I think roughly

946

00:39:51,380 --> 00:39:49,619

around there I can't remember the exact

947

00:39:53,030 --> 00:39:51,390

ticket and I thought she said you're

948

00:39:54,710 --> 00:39:53,040

gonna make a connection between the UFO

949

00:39:56,750 --> 00:39:54,720

and psychic phenomena and I thought well

950

00:39:58,849 --> 00:39:56,760

what connection is that she said you'll

951
00:40:01,880 --> 00:39:58,859
it'll come to you so at that point I

952
00:40:04,880 --> 00:40:01,890
realized that as individuals as souls as

953
00:40:07,040 --> 00:40:04,890
ourselves we're all important and we're

954
00:40:09,530 --> 00:40:07,050
all connected and that I believe that

955
00:40:11,210 --> 00:40:09,540
there is life after death I believe that

956
00:40:13,760 --> 00:40:11,220
the continuation of consciousness I

957
00:40:15,710 --> 00:40:13,770
believe also David that there are other

958
00:40:19,160 --> 00:40:15,720
interdimensional entities accessing our

959
00:40:21,740 --> 00:40:19,170
unbilled of dimension they are very

960
00:40:23,320 --> 00:40:21,750
interested in us as a species could this

961
00:40:25,940 --> 00:40:23,330
be some form of past life connection

962
00:40:28,070 --> 00:40:25,950
could this be some spiritual connection

963
00:40:30,920 --> 00:40:28,080

are there as kathleen Mardon quite

964

00:40:34,070 --> 00:40:30,930

beautifully put a faction of rogue greys

965

00:40:37,490 --> 00:40:34,080

I did like that as a railroad humans you

966

00:40:39,810 --> 00:40:37,500

don't know so this is this is where this

967

00:40:41,910 --> 00:40:39,820

has led me not just into the UFO field

968

00:40:44,340 --> 00:40:41,920

the psychic investigations and the

969

00:40:46,440 --> 00:40:44,350

really really cranky part is that people

970

00:40:48,960 --> 00:40:46,450

like to keep them separate they they'd

971

00:40:50,220 --> 00:40:48,970

like to deal with the UFO department on

972

00:40:52,320 --> 00:40:50,230

its own and they'd like to deal with the

973

00:40:53,520 --> 00:40:52,330

psychic department on its own what I am

974

00:40:55,800 --> 00:40:53,530

and I know there's a few other

975

00:40:57,810 --> 00:40:55,810

researchers as well they were doing this

976
00:41:00,540 --> 00:40:57,820
trying to combine two together trying to

977
00:41:02,880 --> 00:41:00,550
connect the dots together in this so

978
00:41:04,680 --> 00:41:02,890
that that's that's where that that led

979
00:41:07,500 --> 00:41:04,690
me in terms of my research with regards

980
00:41:09,720 --> 00:41:07,510
to that yeah few years ago like I said

981
00:41:11,250 --> 00:41:09,730
on a few other programs I couldn't see

982
00:41:13,530 --> 00:41:11,260
any connections with them like oh

983
00:41:14,940 --> 00:41:13,540
spiritualism and UFOs everything but

984
00:41:16,620 --> 00:41:14,950
it's only after over the last few years

985
00:41:18,480 --> 00:41:16,630
that I've sort of kind of started

986
00:41:20,040 --> 00:41:18,490
thinking there's something in this you

987
00:41:23,600 --> 00:41:20,050
know with the when you hear about the

988
00:41:26,130 --> 00:41:23,610

reptilians and the greys and and

989

00:41:27,630 --> 00:41:26,140

dimensional beings and everything else I

990

00:41:31,620 --> 00:41:27,640

really do think it is all connected

991

00:41:33,450 --> 00:41:31,630

thought you'd like you do yes like how

992

00:41:34,860 --> 00:41:33,460

are they able to access our dimension I

993

00:41:36,360 --> 00:41:34,870

mean you know what makes me laugh as a

994

00:41:38,070 --> 00:41:36,370

scientist think they've got to do it our

995

00:41:39,450 --> 00:41:38,080

way they may have found a completely

996

00:41:41,010 --> 00:41:39,460

different way they may have found a way

997

00:41:43,170 --> 00:41:41,020

to stand in their consciousness without

998

00:41:44,940 --> 00:41:43,180

using bodies they may be able to project

999

00:41:46,290 --> 00:41:44,950

themselves like the military the secret

1000

00:41:48,480 --> 00:41:46,300

military elite have been doing with

1001
00:41:51,480 --> 00:41:48,490
remote viewing I mean you know because

1002
00:41:53,640 --> 00:41:51,490
the way that I see it when I met dr.

1003
00:41:55,680 --> 00:41:53,650
David Jacobs in Arizona

1004
00:41:57,180 --> 00:41:55,690
I mean his race and research is

1005
00:42:00,270 --> 00:41:57,190
faultless as well he believes that

1006
00:42:02,580 --> 00:42:00,280
they're here to repopulate the planet

1007
00:42:04,290 --> 00:42:02,590
I'm not disputing that but from my

1008
00:42:06,240 --> 00:42:04,300
perspective I thought no they're

1009
00:42:08,940 --> 00:42:06,250
interested in reproduction for a

1010
00:42:12,570 --> 00:42:08,950
particular reason and the reason is

1011
00:42:14,760 --> 00:42:12,580
because I believe that they have lost

1012
00:42:16,800 --> 00:42:14,770
themselves through the act of cloning

1013
00:42:19,260 --> 00:42:16,810

and that they are trying to reintroduce

1014

00:42:22,050 --> 00:42:19,270

themselves back into creation because

1015

00:42:25,290 --> 00:42:22,060

from my perspective certain faction of

1016

00:42:27,840 --> 00:42:25,300

grace not all of them may have lost

1017

00:42:31,440 --> 00:42:27,850

themselves to this this form over of

1018

00:42:33,750 --> 00:42:31,450

cloning we have to think on an on an

1019

00:42:35,820 --> 00:42:33,760

empathic level for instance if I was to

1020

00:42:40,110 --> 00:42:35,830

clone you delivered a million times in a

1021

00:42:42,000 --> 00:42:40,120

laboratory you you you yourself or the

1022

00:42:43,770 --> 00:42:42,010

natural process of reproduction you've

1023

00:42:45,420 --> 00:42:43,780

come through the correct now memories

1024

00:42:47,880 --> 00:42:45,430

from a spirit world members for past

1025

00:42:49,890 --> 00:42:47,890

future whatever your clones will only

1026
00:42:51,990 --> 00:42:49,900
have the memory one single imprint of

1027
00:42:53,200 --> 00:42:52,000
one single life one single memory so

1028
00:42:56,590 --> 00:42:53,210
that when those physics

1029
00:42:59,350 --> 00:42:56,600
groans die my hypothesis is if this

1030
00:43:01,210 --> 00:42:59,360
happened to the Grays that spark of

1031
00:43:03,850 --> 00:43:01,220
consciousness may have amalgamated

1032
00:43:06,400 --> 00:43:03,860
itself as one mind hive consciousness on

1033
00:43:07,960 --> 00:43:06,410
a different level of reality and that

1034
00:43:09,250 --> 00:43:07,970
they found a world that can reproduce

1035
00:43:11,710 --> 00:43:09,260
because they're interested in

1036
00:43:13,810 --> 00:43:11,720
reproduction and as possible they want

1037
00:43:16,330 --> 00:43:13,820
to propel themselves back to where we go

1038
00:43:17,980 --> 00:43:16,340

to or it could even be that there

1039

00:43:21,280 --> 00:43:17,990

there's a bigger part of us that we're

1040

00:43:22,750 --> 00:43:21,290

not really yet aware of and we're still

1041

00:43:25,510 --> 00:43:22,760

looking for that and I'm not saying that

1042

00:43:27,640 --> 00:43:25,520

my theory is set no I'm open to all

1043

00:43:29,140 --> 00:43:27,650

forms of theoretical debate whether it's

1044

00:43:30,490 --> 00:43:29,150

us from the future which was quite

1045

00:43:32,500 --> 00:43:30,500

possibly could be us from the future

1046

00:43:34,690 --> 00:43:32,510

we've we've mapped art and now we're

1047

00:43:37,060 --> 00:43:34,700

coming back to try and salvage what we

1048

00:43:39,280 --> 00:43:37,070

can or you know there could be advanced

1049

00:43:41,010 --> 00:43:39,290

bio mechanical machines that have been

1050

00:43:43,270 --> 00:43:41,020

sent as Scouts cross universe to

1051
00:43:44,520 --> 00:43:43,280
investigate us I mean all these things

1052
00:43:48,610 --> 00:43:44,530
have to be looked at

1053
00:43:57,190 --> 00:43:48,620
we need your quality pieces do do ideas

1054
00:43:58,660 --> 00:43:57,200
ever pop up in your and that's something

1055
00:44:00,760 --> 00:43:58,670
that's quite interesting I mean you know

1056
00:44:02,650 --> 00:44:00,770
I'm dealing with survival evidence more

1057
00:44:05,860 --> 00:44:02,660
times than on five days a week I'm

1058
00:44:10,240 --> 00:44:05,870
dealing with the time so but not once no

1059
00:44:12,430 --> 00:44:10,250
I don't get these things everything's a

1060
00:44:14,740 --> 00:44:12,440
living living you think if something

1061
00:44:16,420 --> 00:44:14,750
dies and it's alien or human or whatever

1062
00:44:18,970 --> 00:44:16,430
you think that these things would all

1063
00:44:21,580 --> 00:44:18,980

come together and in the afterlife on

1064

00:44:22,540 --> 00:44:21,590

you yeah if you see what is interesting

1065

00:44:24,910 --> 00:44:22,550

though what is it

1066

00:44:26,740 --> 00:44:24,920

definitely absolutely definitely but

1067

00:44:29,350 --> 00:44:26,750

what's also interesting David is that as

1068

00:44:30,790 --> 00:44:29,360

a clairvoyant medium I see orbs around

1069

00:44:33,040 --> 00:44:30,800

people they come in different colors

1070

00:44:36,340 --> 00:44:33,050

they're very very bright now what do

1071

00:44:38,050 --> 00:44:36,350

UFOs come as lights different colored

1072

00:44:41,710 --> 00:44:38,060

lights but they're much much more

1073

00:44:44,440 --> 00:44:41,720

intense they're much more overwhelming

1074

00:44:45,580 --> 00:44:44,450

so I do believe that when we're dealing

1075

00:44:47,410 --> 00:44:45,590

with the dead and we're dealing with

1076

00:44:50,050 --> 00:44:47,420

UFOs they're operating on slightly

1077

00:44:52,060 --> 00:44:50,060

different vibrations of reality they're

1078

00:44:54,190 --> 00:44:52,070

probably coming into our dimension in

1079

00:44:58,090 --> 00:44:54,200

ways that we could probably not even

1080

00:45:00,610 --> 00:44:58,100

believe you know so I'm absolutely of

1081

00:45:02,290 --> 00:45:00,620

the firm conviction that we're dealing

1082

00:45:05,140 --> 00:45:02,300

with interdimensional entities as

1083

00:45:06,520 --> 00:45:05,150

opposed to physical entities because

1084

00:45:06,850 --> 00:45:06,530

that's the only way they can get through

1085

00:45:11,110 --> 00:45:06,860

to

1086

00:45:13,510 --> 00:45:11,120

encounter I'm talking in terms of the

1087

00:45:15,880 --> 00:45:13,520

greys here and not all of them as I said

1088

00:45:17,710 --> 00:45:15,890

we have different species of humans we

1089

00:45:19,900 --> 00:45:17,720

have rogue humans we have good humans

1090

00:45:21,790 --> 00:45:19,910

you know why isn't it why would it be

1091

00:45:24,660 --> 00:45:21,800

any different for like the greys for

1092

00:45:27,700 --> 00:45:24,670

example because they have always

1093

00:45:30,430 --> 00:45:27,710

maintained their physiology in terms of

1094

00:45:32,350 --> 00:45:30,440

their their 3 feet they large heads with

1095

00:45:35,230 --> 00:45:32,360

a wraparound eyes and the way that they

1096

00:45:38,130 --> 00:45:35,240

do things is universal so that's where

1097

00:45:40,900 --> 00:45:38,140

my main forte with the greys Grey's are

1098

00:45:43,150 --> 00:45:40,910

and always has been within my research

1099

00:45:44,770 --> 00:45:43,160

because I'm fascinated by them and they

1100

00:45:51,100 --> 00:45:44,780

do fascinate me because they are they

1101
00:45:52,780 --> 00:45:51,110
are every effect I did with your um sky

1102
00:45:55,170 --> 00:45:52,790
correct book with Brenda this brilliant

1103
00:45:57,370 --> 00:45:55,180
book I mean something that's actually

1104
00:46:00,130 --> 00:45:57,380
fascinated me was I was hoping you might

1105
00:46:02,560 --> 00:46:00,140
take a bit up then David Daniels the

1106
00:46:07,390 --> 00:46:02,570
reptilian within it oh yes I found that

1107
00:46:09,540 --> 00:46:07,400
very very creepy yeah I mean it was true

1108
00:46:13,240 --> 00:46:09,550
I mean all the people that I interviewed

1109
00:46:14,740 --> 00:46:13,250
very down-to-earth solid people met this

1110
00:46:20,940 --> 00:46:14,750
guy and they were all scared of him

1111
00:46:26,440 --> 00:46:24,460
was absolutely terrified well I mean you

1112
00:46:29,860 --> 00:46:26,450
know it turned out that he'd found

1113
00:46:31,300 --> 00:46:29,870

himself you know in these places and he

1114

00:46:33,490 --> 00:46:31,310

wants to meet with you I follow shows I

1115

00:46:37,000 --> 00:46:33,500

know that he met with Jenny Randall's

1116

00:46:38,290 --> 00:46:37,010

very briefly Fennell Wendell Stevens he

1117

00:46:39,730 --> 00:46:38,300

was getting to all the people he was

1118

00:46:41,410 --> 00:46:39,740

very strange and I'm absolutely

1119

00:46:43,360 --> 00:46:41,420

convinced that my brother and Susan and

1120

00:46:45,550 --> 00:46:43,370

I met him long before that we were

1121

00:46:49,240 --> 00:46:45,560

involved with Rendlesham when we all

1122

00:46:51,100 --> 00:46:49,250

brenda when we've gone to a pub in in

1123

00:46:54,250 --> 00:46:51,110

suffolk and we didn't have anything to

1124

00:46:55,350 --> 00:46:54,260

drink which was disappointing but never

1125

00:46:58,840 --> 00:46:55,360

mind

1126

00:47:00,370 --> 00:46:58,850

so and this guy came out and and my

1127

00:47:01,930 --> 00:47:00,380

brother and susan said they saw his

1128

00:47:03,580 --> 00:47:01,940

right arm changed to plastic and he

1129

00:47:05,170 --> 00:47:03,590

wouldn't leave us alone and do you know

1130

00:47:06,700 --> 00:47:05,180

it's really weird he followed us into

1131

00:47:08,320 --> 00:47:06,710

the forest what can you do missed I

1132

00:47:10,870 --> 00:47:08,330

watched there with it with beans then

1133

00:47:12,940 --> 00:47:10,880

which is a narrow mystery society and

1134

00:47:14,650 --> 00:47:12,950

and he wouldn't leave us alone and you

1135

00:47:16,600 --> 00:47:14,660

know what David I'm absolutely convinced

1136

00:47:18,250 --> 00:47:16,610

that was him he used the name Joseph and

1137

00:47:20,559 --> 00:47:18,260

it some people say no you didn't but why

1138

00:47:24,609 --> 00:47:20,569

not I mean you know you know

1139

00:47:27,189 --> 00:47:24,619

why not he was a very he he was a very

1140

00:47:28,659 --> 00:47:27,199

strange character and he has been

1141

00:47:31,029 --> 00:47:28,669

documented so that is something that's

1142

00:47:33,909 --> 00:47:31,039

very good he just he just I think he

1143

00:47:35,620 --> 00:47:33,919

just mess with everyone's minds he just

1144

00:47:38,620 --> 00:47:35,630

was all over the place yet he could

1145

00:47:40,809 --> 00:47:38,630

perform these amazing things so I know

1146

00:47:44,549 --> 00:47:40,819

that the people in high establishments

1147

00:47:55,029 --> 00:47:51,939

very where do we apparently when we've

1148

00:47:58,779 --> 00:47:55,039

gone there I don't know but it was never

1149

00:48:01,719 --> 00:47:58,789

anything and he was a caravan I-sit know

1150

00:48:03,189 --> 00:48:01,729

who yes that's right it seemed perfect

1151
00:48:03,969 --> 00:48:03,199
every time he had these powers he could

1152
00:48:06,130 --> 00:48:03,979
read minds

1153
00:48:07,929 --> 00:48:06,140
I mean he you know he said he's from the

1154
00:48:09,339 --> 00:48:07,939
Pleiades and that there was a war or

1155
00:48:12,130 --> 00:48:09,349
there's some type of war going on and

1156
00:48:14,529 --> 00:48:12,140
and he met with some very influential

1157
00:48:17,829 --> 00:48:14,539
figures within our society so an hmm

1158
00:48:19,449 --> 00:48:17,839
seriously as well so that that's in

1159
00:48:21,219 --> 00:48:19,459
stein crash that without that was all

1160
00:48:24,809 --> 00:48:21,229
documented in stein crash throughout

1161
00:48:29,499 --> 00:48:24,819
time that kappa been brought out in 2013

1162
00:48:31,299 --> 00:48:29,509
that was quite a project to work on yeah

1163
00:48:34,659 --> 00:48:31,309

that you didn't do too well now that

1164

00:48:36,399 --> 00:48:34,669

book apparently if they do that you know

1165

00:48:41,439 --> 00:48:36,409

it's not very easy book to get a hold of

1166

00:48:43,239 --> 00:48:41,449

is it apparently they publish quite a

1167

00:48:46,239 --> 00:48:43,249

lot of mind-body-spirit books but very

1168

00:48:48,189 --> 00:48:46,249

sadly John Day has passed over and I and

1169

00:48:49,209 --> 00:48:48,199

I think the publishing companies and

1170

00:48:51,880 --> 00:48:49,219

some of disarray

1171

00:48:53,739 --> 00:48:51,890

so what's still trying to work through

1172

00:48:56,829 --> 00:48:53,749

another company that's dealing with them

1173

00:48:59,199 --> 00:48:56,839

to sort sort this all out but you know

1174

00:49:00,609 --> 00:48:59,209

I'm sure that walk in that sort is

1175

00:49:02,529 --> 00:49:00,619

should be I think it should be made

1176

00:49:03,789 --> 00:49:02,539

available again because it's and I'm

1177

00:49:07,449 --> 00:49:03,799

sure a lot of people would like to get

1178

00:49:08,769 --> 00:49:07,459

their hands on a copy yes that's right I

1179

00:49:11,559 --> 00:49:08,779

mean they can they can buy it through

1180

00:49:13,779 --> 00:49:11,569

the site still kept a ban I think they

1181

00:49:14,679 --> 00:49:13,789

can still get it there but I don't quite

1182

00:49:16,390 --> 00:49:14,689

know what's happening with that

1183

00:49:18,640 --> 00:49:16,400

publishing company at all at the moment

1184

00:49:19,929 --> 00:49:18,650

say they were very good they brought up

1185

00:49:23,979 --> 00:49:19,939

the other books but then obviously

1186

00:49:25,569 --> 00:49:23,989

there's tragedies and it's don't know

1187

00:49:31,649 --> 00:49:25,579

what's happening with it the moment one

1188

00:49:34,120 --> 00:49:31,659

of the ungodly agenda what's that one oh

1189

00:49:38,380 --> 00:49:34,130

yes

1190

00:49:40,329 --> 00:49:38,390

ungodly agenda we have David Saperstein

1191

00:49:43,210 --> 00:49:40,339

the author of cocoon they made his book

1192

00:49:45,099 --> 00:49:43,220

into a Hollywood film David Saperstein

1193

00:49:47,349 --> 00:49:45,109

he wrote was cuckoo metamorphosis

1194

00:49:49,870 --> 00:49:47,359

butterfly and his good friend of ours is

1195

00:49:52,089 --> 00:49:49,880

a professor from New York but he we

1196

00:49:55,089 --> 00:49:52,099

wrote this book about reptilians who

1197

00:49:57,630 --> 00:49:55,099

were basically watching the world and a

1198

00:49:59,890 --> 00:49:57,640

female heroine gets involved in this

1199

00:50:01,420 --> 00:49:59,900

satellite program that she doesn't know

1200

00:50:03,579 --> 00:50:01,430

what it's about and then she ends up

1201

00:50:05,589 --> 00:50:03,589

finding out that these aliens that are

1202

00:50:07,779 --> 00:50:05,599

linked with the secret military elite

1203

00:50:10,269 --> 00:50:07,789

are after something they want something

1204

00:50:15,039 --> 00:50:10,279

on the earth and and they're looking for

1205

00:50:18,039 --> 00:50:15,049

I won't give too much away within it to

1206

00:50:20,859 --> 00:50:18,049

turn to you've learned we've been told

1207

00:50:22,719 --> 00:50:20,869

so David we run old and I have been been

1208

00:50:24,370 --> 00:50:22,729

told so because that was wrong that was

1209

00:50:26,769 --> 00:50:24,380

more Ronald's project to mine I've had a

1210

00:50:30,009 --> 00:50:26,779

few ideas in there but though there is a

1211

00:50:31,299 --> 00:50:30,019

lot I believe that is truth and they

1212

00:50:33,940 --> 00:50:31,309

always say don't know the best way to

1213

00:50:36,759 --> 00:50:33,950

get anything that's fiction those true

1214

00:50:38,739 --> 00:50:36,769

story is through fiction and sometimes

1215

00:50:41,229 --> 00:50:38,749

you have to be very careful but yeah we

1216

00:50:43,390 --> 00:50:41,239

we we've this idea together both money

1217

00:50:44,259 --> 00:50:43,400

and I and he he pulled his heart and

1218

00:50:46,029 --> 00:50:44,269

soul into it

1219

00:50:48,009 --> 00:50:46,039

it had some quite good reviews I believe

1220

00:50:49,569 --> 00:50:48,019

I think it did quite well there's a huge

1221

00:50:54,759 --> 00:50:49,579

listing book um uh so but strong get old

1222

00:50:57,729 --> 00:50:54,769

would copy myself that was that's a

1223

00:51:02,259 --> 00:51:00,309

disclosure movement do you any thoughts

1224

00:51:05,979 --> 00:51:02,269

on that do you think we get any closer

1225

00:51:07,900 --> 00:51:05,989

to it like I don't think so David I

1226

00:51:09,880 --> 00:51:07,910

really don't know we keep hearing all

1227

00:51:13,359 --> 00:51:09,890

this disclosure and I know that you know

1228

00:51:15,009 --> 00:51:13,369

dr. Steven Greer tried and other people

1229

00:51:18,069 --> 00:51:15,019

but I'm going to tell you now there is a

1230

00:51:19,569 --> 00:51:18,079

wall that's stopping the good public

1231

00:51:21,569 --> 00:51:19,579

from knowing about this because I think

1232

00:51:23,529 --> 00:51:21,579

you know if we just look at the the

1233

00:51:25,870 --> 00:51:23,539

political problems we have at the moment

1234

00:51:28,809 --> 00:51:25,880

and how that's being engineered through

1235

00:51:31,839 --> 00:51:28,819

brexit and how your manipulation lies

1236

00:51:33,279 --> 00:51:31,849

deceit you know and look what's

1237

00:51:35,279 --> 00:51:33,289

happening with that new uterus tells

1238

00:51:38,440 --> 00:51:35,289

someone about there's a water shortage

1239

00:51:39,700 --> 00:51:38,450

in Sainsbury's or Tesco's so there's

1240

00:51:41,380 --> 00:51:39,710

going to be a petrol shortage they're

1241

00:51:43,660 --> 00:51:41,390

going to q1 so you can't get any petrol

1242

00:51:46,509 --> 00:51:43,670

you know how will they manage how on

1243

00:51:47,980 --> 00:51:46,519

earth will they manage the reality and

1244

00:51:51,060 --> 00:51:47,990

the acknowledgement that

1245

00:51:52,930 --> 00:51:51,070

we are being visited by not so much

1246

00:51:54,850 --> 00:51:52,940

extraterrestrials but I would call them

1247

00:51:57,790 --> 00:51:54,860

into dimensionals that will scare

1248

00:52:00,460 --> 00:51:57,800

Raphael of people good people who have

1249

00:52:04,000 --> 00:52:00,470

been programmed the system's way whereas

1250

00:52:10,650 --> 00:52:04,010

people like you and I many other people

1251
00:52:13,630 --> 00:52:10,660

[Laughter]

1252
00:52:15,610 --> 00:52:13,640

that figure of doubt upon the those that

1253
00:52:23,230 --> 00:52:15,620

reckon that we need to be locked away I

1254
00:52:29,980 --> 00:52:23,240

think it's an interesting sighs I must

1255
00:52:32,740 --> 00:52:29,990

say fascinated by it I've I'm after the

1256
00:52:35,440 --> 00:52:32,750

truth I'm unlinked as you are with some

1257
00:52:37,150 --> 00:52:35,450

very brilliant people I'm very honored

1258
00:52:40,090 --> 00:52:37,160

and I have to say my brother and I both

1259
00:52:41,860 --> 00:52:40,100

honored to be brought into your circle

1260
00:52:43,150 --> 00:52:41,870

and the other circles of people who are

1261
00:52:45,430 --> 00:52:43,160

looking for the truth because that's

1262
00:52:47,680 --> 00:52:45,440

what we're dealing with and however

1263
00:52:48,700 --> 00:52:47,690

crazy it may seem you you kind of like

1264

00:52:50,950 --> 00:52:48,710

get a feeling of whether or not

1265

00:52:53,200 --> 00:52:50,960

something's truthful or not and it's

1266

00:52:56,320 --> 00:52:53,210

very easy to do some December like that

1267

00:52:57,820 --> 00:52:56,330

but to deal with the truth to look for

1268

00:53:00,610 --> 00:52:57,830

the truth to be passionate about the

1269

00:53:04,360 --> 00:53:00,620

truth I mean I spend every day of my

1270

00:53:06,550 --> 00:53:04,370

life reading and absorbing and thinking

1271

00:53:08,560 --> 00:53:06,560

and writing and you know and this is

1272

00:53:12,100 --> 00:53:08,570

that's the truth I mean you know that's

1273

00:53:15,880 --> 00:53:12,110

the truth thank you for saying that I

1274

00:53:18,610 --> 00:53:15,890

mean I appreciate those comments like

1275

00:53:20,440 --> 00:53:18,620

you say I've been sort of mixed up in

1276

00:53:22,350 --> 00:53:20,450

something that this before last three

1277

00:53:29,410 --> 00:53:22,360

years but so we won't going through here

1278

00:53:33,070 --> 00:53:29,420

but the moment from that we only deal

1279

00:53:35,440 --> 00:53:33,080

west right hit you in the face that

1280

00:53:37,540 --> 00:53:35,450

implies and things have been told it

1281

00:53:40,120 --> 00:53:37,550

does actually hit you pretty hard you

1282

00:53:42,160 --> 00:53:40,130

know and this is why I feel so sure

1283

00:53:46,990 --> 00:53:42,170

Peter who's been through a really badly

1284

00:53:49,930 --> 00:53:47,000

treaty Peru you know and he knows but he

1285

00:53:52,210 --> 00:53:49,940

knows how we really feel about and he's

1286

00:53:54,590 --> 00:53:52,220

for his own personal research and that

1287

00:53:57,560 --> 00:53:54,600

which he's still respected you know

1288

00:53:59,030 --> 00:53:57,570

oh and I don't doubt that I told him I

1289

00:54:00,710 --> 00:53:59,040

never have doubted that and I can tell

1290

00:54:03,080 --> 00:54:00,720

you I wouldn't be at all surprised if he

1291

00:54:04,730 --> 00:54:03,090

picks up his pen and he does another UFO

1292

00:54:09,320 --> 00:54:04,740

book or something because he's got a lot

1293

00:54:09,330 --> 00:54:17,690

[Laughter]

1294

00:54:21,470 --> 00:54:19,160

sorry conducting your own sort of

1295

00:54:24,170 --> 00:54:21,480

research into the UFO field or the thing

1296

00:54:26,210 --> 00:54:24,180

or I think I think my advice would be to

1297

00:54:28,280 --> 00:54:26,220

don't accept everything as face value

1298

00:54:31,970 --> 00:54:28,290

you really do need to look deeply into

1299

00:54:34,280 --> 00:54:31,980

it yeah I think you know it's like

1300

00:54:36,320 --> 00:54:34,290

anything I think if you my advice to

1301
00:54:38,420 --> 00:54:36,330
anyone that's looking into it is believe

1302
00:54:40,340 --> 00:54:38,430
in what you believe in and and I also

1303
00:54:42,020 --> 00:54:40,350
feel that you need to go out and you

1304
00:54:44,390 --> 00:54:42,030
have to do your research you must

1305
00:54:46,040 --> 00:54:44,400
research you can't just take it to face

1306
00:54:47,930 --> 00:54:46,050
value from the book or from something

1307
00:54:50,210 --> 00:54:47,940
you've read online or a documentary

1308
00:54:52,970 --> 00:54:50,220
you've seen go and research and then

1309
00:54:55,040 --> 00:54:52,980
talk to people get in touch with people

1310
00:54:56,960 --> 00:54:55,050
it's only when you do that you start to

1311
00:54:58,700 --> 00:54:56,970
put the pieces together and you know

1312
00:55:03,260 --> 00:54:58,710
we've had a the world's had a lot of

1313
00:55:06,410 --> 00:55:03,270

incredible very famous UFO encounters

1314

00:55:10,190 --> 00:55:06,420

that I believe are totally sad because

1315

00:55:12,770 --> 00:55:10,200

no one shouts for so long if they're if

1316

00:55:14,510 --> 00:55:12,780

there's no basis to it you know for

1317

00:55:17,000 --> 00:55:14,520

Roswell for instance I mean that is an

1318

00:55:20,150 --> 00:55:17,010

incredible true case Rendlesham forest

1319

00:55:21,830 --> 00:55:20,160

incident absolutely totally true with

1320

00:55:24,020 --> 00:55:21,840

Colonel Charles hoping his men and

1321

00:55:26,150 --> 00:55:24,030

Penniston and Burroughs and I also

1322

00:55:28,790 --> 00:55:26,160

believe that there's we have the

1323

00:55:31,070 --> 00:55:28,800

Pascagoula event that happened that I

1324

00:55:33,410 --> 00:55:31,080

know Phillip mentals heavily into that

1325

00:55:35,630 --> 00:55:33,420

was another very famous and very

1326

00:55:37,760 --> 00:55:35,640

well-known in the case as well so there

1327

00:55:41,030 --> 00:55:37,770

are there are hundreds if not thousands

1328

00:55:42,950 --> 00:55:41,040

of cases there have been investigated

1329

00:55:44,270 --> 00:55:42,960

have been investigated and there are

1330

00:55:46,040 --> 00:55:44,280

good researchers out there who were

1331

00:55:47,270 --> 00:55:46,050

digging digging digging for the truth

1332

00:55:50,000 --> 00:55:47,280

they want the truth they want you

1333

00:55:52,130 --> 00:55:50,010

they're going to find it so yeah that's

1334

00:55:53,750 --> 00:55:52,140

that's what that's where my I'm not so

1335

00:55:54,650 --> 00:55:53,760

interested in what happened to me now

1336

00:55:56,540 --> 00:55:54,660

that happened

1337

00:55:59,270 --> 00:55:56,550

I mean privately trying to working at

1338

00:56:01,460 --> 00:55:59,280

myself and I still write about it but my

1339

00:56:03,080 --> 00:56:01,470

real passion and drive is to get to be

1340

00:56:04,880 --> 00:56:03,090

to the real root of what's going on

1341

00:56:06,680 --> 00:56:04,890

that's where the result is would you

1342

00:56:07,350 --> 00:56:06,690

like to give up me because you're doing

1343

00:56:09,450 --> 00:56:07,360

the

1344

00:56:11,130 --> 00:56:09,460

an appearance on your shorts all is it

1345

00:56:13,410 --> 00:56:11,140

July was it it or is it you know the end

1346

00:56:15,630 --> 00:56:13,420

of June which were which are where I'll

1347

00:56:18,030 --> 00:56:15,640

be seeing oh yeah if you'd like to

1348

00:56:21,780 --> 00:56:18,040

pretty out these and other people might

1349

00:56:24,870 --> 00:56:21,790

like to yeah you can find out what I'm

1350

00:56:26,850 --> 00:56:24,880

doing online I mean I know it's the end

1351

00:56:37,650 --> 00:56:26,860

of June sometime but I'm a bit rubbish

1352

00:56:43,170 --> 00:56:37,660

with dates I'm afraid a normal

1353

00:56:46,140 --> 00:56:43,180

dimensions page anyway you know but my

1354

00:56:49,290 --> 00:56:46,150

books and the research and I and I you

1355

00:56:50,610 --> 00:56:49,300

can find out about me on there and I am

1356

00:56:52,560 --> 00:56:50,620

working on a new book called you the

1357

00:56:54,870 --> 00:56:52,570

public receive the grand UFO deception

1358

00:56:57,330 --> 00:56:54,880

which hopefully will be out in 2020 and

1359

00:57:05,970 --> 00:56:57,340

I'm also halfway through a psychic book

1360

00:57:07,140 --> 00:57:05,980

called I just they just pop into my head

1361

00:57:09,570 --> 00:57:07,150

and I'm thinking oh that sounds like a

1362

00:57:12,150 --> 00:57:09,580

good one I think I'll use that one but I

1363

00:57:14,790 --> 00:57:12,160

have to thank all of all of you and all

1364

00:57:16,770 --> 00:57:14,800

the good researchers who have supported

1365

00:57:18,360 --> 00:57:16,780

me and and my brother Ronald in

1366

00:57:20,310 --> 00:57:18,370

everything that we do which is really

1367

00:57:22,500 --> 00:57:20,320

very warm and lovely and that really

1368

00:57:24,540 --> 00:57:22,510

warms the heart so dealing with truth

1369

00:57:26,850 --> 00:57:24,550

and honesty in your respect dealing with

1370

00:57:29,370 --> 00:57:26,860

integrity that is what it's all about

1371

00:57:31,410 --> 00:57:29,380

and it's about sharing good information

1372

00:57:32,640 --> 00:57:31,420

and keeping abreast of what's going on

1373

00:57:33,750 --> 00:57:32,650

around the world because this case has

1374

00:57:36,600 --> 00:57:33,760

probably happened today that we won't

1375

00:57:38,370 --> 00:57:36,610

get to know about until about yeah very

1376
00:57:40,800 --> 00:57:38,380
warm human beings and I think that just

1377
00:57:42,510 --> 00:57:40,810
saw you can just that passion that you

1378
00:57:45,420 --> 00:57:42,520
both show for this for the subject just

1379
00:57:49,620 --> 00:57:45,430
it just emanates out there and you know

1380
00:57:51,600 --> 00:57:49,630
nothing everyone appreciates if you yeah

1381
00:57:53,940 --> 00:57:51,610
we're not out to score points one after

1382
00:57:56,520 --> 00:57:53,950
fame or forties the way we're doing it

1383
00:57:58,710 --> 00:57:56,530
and most and most scholars and

1384
00:58:01,260 --> 00:57:58,720
researchers North as a poor that's fine

1385
00:58:02,880 --> 00:58:01,270
I love what I do and and it's this the

1386
00:58:04,560 --> 00:58:02,890
drive that gets you there that's what

1387
00:58:05,820 --> 00:58:04,570
it's all about and the comradeship with

1388
00:58:07,560 --> 00:58:05,830

all those other good people out there

1389

00:58:08,910 --> 00:58:07,570

who are really trying to help you and

1390

00:58:11,490 --> 00:58:08,920

push you forward it's really wonderful

1391

00:58:13,710 --> 00:58:11,500

it's it's lovely sayin is that what you

1392

00:58:15,030 --> 00:58:13,720

like best about this book I think that's

1393

00:58:16,770 --> 00:58:15,040

what I like about it it's meeting all

1394

00:58:18,360 --> 00:58:16,780

these lovely people I don't think I'll

1395

00:58:20,400 --> 00:58:18,370

admit all these lovely people that such

1396

00:58:20,700 --> 00:58:20,410

as yourself without this subject you

1397

00:58:23,790 --> 00:58:20,710

know

1398

00:58:25,319 --> 00:58:23,800

yes yeah and I think social media has

1399

00:58:27,120 --> 00:58:25,329

helped in some way now because in the

1400

00:58:29,190 --> 00:58:27,130

early days you can have anywhere to

1401

00:58:31,020 --> 00:58:29,200

write them away tweets were alike so

1402

00:58:34,049 --> 00:58:31,030

it's given us the ability and I just

1403

00:58:37,109 --> 00:58:34,059

hope that the establishment does not in

1404

00:58:38,520 --> 00:58:37,119

any way try and control that which

1405

00:58:51,270 --> 00:58:38,530

they've done with a lot of other things

1406

00:58:52,589 --> 00:58:51,280

but that that's not going to that thank

1407

00:58:54,359 --> 00:58:52,599

you so much for coming on it's been

1408

00:58:56,430 --> 00:58:54,369

fascinating this being brilliant I've

1409

00:58:58,079 --> 00:58:56,440

got Ronald on the next show like I

1410

00:59:00,569 --> 00:58:58,089

mentioned so I'm looking forward to

1411

00:59:03,329 --> 00:59:00,579

speaking to him and no mention as well

1412

00:59:05,760 --> 00:59:03,339

like I said we'll put some links on the

1413

00:59:07,319 --> 00:59:05,770

page and everything and so if you want

1414

00:59:08,609 --> 00:59:07,329

to send me anything new you've got new

1415

00:59:10,260 --> 00:59:08,619

to put me on there but all I'll ever

1416

00:59:29,190 --> 00:59:10,270

root around then for him whatever I can

1417

00:59:30,750 --> 00:59:29,200

about you anyway Oh fantastic I'm

1418

00:59:34,950 --> 00:59:30,760

looking forward to seeing you soon take

1419

00:59:36,539 --> 00:59:34,960

care of yourself and I'm afraid this

1420

00:59:39,089 --> 00:59:36,549

person thank you once again for tuning
