London UK aloof and immersive given me a

28

00:02:01,300 --> 00:01:58,640

lot of help on this show it does a lot

29

00:02:03,910 --> 00:02:01,310

of the editing and things on the show I

30

00:02:06,730 --> 00:02:03,920

believe he's in London and not gonna

31

00:02:09,210 --> 00:02:06,740

give us the final okay hello today is a

32

00:02:15,339 --> 00:02:09,220

cookie stream for the New York State USA

33

00:02:17,740 --> 00:02:15,349

right now it's a face show is you know

34

00:02:20,350 --> 00:02:17,750

you may recall on the last show I had

35

00:02:23,400 --> 00:02:20,360

[h__\h] sellout on well this today is

36

00:02:25,449 --> 00:02:23,410

Ronald Kinsella Phillips twin brother

37

00:02:29,530 --> 00:02:25,459

believe it or not they were both born in

38

00:02:31,960 --> 00:02:29,540

the same day and

39

00:02:35,020 --> 00:02:31,970

Enron all developed an awful lot of work

40

00:02:38,020 --> 00:02:35,030

together but Ronald they kind of got

41

00:02:40,809 --> 00:02:38,030

separate paths in in interests but they

42

00:02:43,690 --> 00:02:40,819

do collude on certain things you've got

43

00:02:46,690 --> 00:02:43,700

they've got the twin souls shows also

44

00:02:48,940 --> 00:02:46,700

honest on this network that they have

45

00:02:50,770 --> 00:02:48,950

but anyway all waste no more time I'll

46

00:02:51,309 --> 00:02:50,780

introduce you to Ron Kinsella

47

00:02:56,979 --> 00:02:51,319

hello

48

00:02:58,599 --> 00:02:56,989

you and welcome to the show thank you

49

00:03:01,629 --> 00:02:58,609

very much I'm very honored to be on it

50

00:03:08,410 --> 00:03:01,639

well I'm honored to have you on as I was

51

00:03:11,860 --> 00:03:08,420

Philip yes I so won it yes it's a l

52

00:03:15,309 --> 00:03:11,870

think the subject of the paranormal and

53

00:03:17,500 --> 00:03:15,319

things that are beyond our own science

54

00:03:21,729 --> 00:03:17,510

is fascinating and as we were just

55

00:03:25,449 --> 00:03:21,739

saying earlier when we were saying we

56

00:03:28,000 --> 00:03:25,459

trap for the truth with it yeah but I've

57

00:03:29,949 --> 00:03:28,010

had a number of experiences myself David

58

00:03:32,199 --> 00:03:29,959

if you'd like me to start off oh yes

59

00:03:33,729 --> 00:03:32,209

absolutely please I was gonna say where

60

00:03:39,270 --> 00:03:33,739

do you which direction you want to take

61

00:03:43,839 --> 00:03:42,009

we have separate projects although we do

62

00:03:45,250 --> 00:03:43,849

commit on certain things together which

63

00:03:47,949 --> 00:03:45,260

is absolutely there's actually

64

00:03:50,619 --> 00:03:47,959

beautifully part when I was younger

65

00:03:52,990 --> 00:03:50,629

certainly I was frightened of the world

66

00:03:56,409 --> 00:03:53,000

I was frightened if the teachers because

67

00:04:00,189 --> 00:03:56,419

as you know yourself David in the the

68

00:04:03,069 --> 00:04:00,199

70s I mean for Phillip am I myself

69

00:04:04,689 --> 00:04:03,079

the schools were terrifically well

70

00:04:07,719 --> 00:04:04,699

disciplined I mean they still have the

71

00:04:11,289 --> 00:04:07,729

cane in effect all that you know so we

72

00:04:13,929 --> 00:04:11,299

not only did we have them to mind our

73

00:04:17,680 --> 00:04:13,939

P's and Q's we had to adhere to the

74

00:04:20,170 --> 00:04:17,690

rules of society and I was I think I

75

00:04:24,159 --> 00:04:20,180

believe I was a very good pupil albeit I

76
00:04:26,320 --> 00:04:24,169
was very lazy and this was when I was

77
00:04:29,740 --> 00:04:26,330
about eight and a half I was frightened

78
00:04:32,409 --> 00:04:29,750
of the world frightened of people I was

79
00:04:34,420 --> 00:04:32,419
terrified of the teacher we had now I've

80
00:04:35,159 --> 00:04:34,430
made reference to her in a new book I'm

81
00:04:38,469 --> 00:04:35,169
writing

82
00:04:40,270 --> 00:04:38,479
I've fortunate time enough to have a

83
00:04:42,520 --> 00:04:40,280
contract with the wonderful Philip

84
00:04:44,499 --> 00:04:42,530
mantel with flying dis precise audio

85
00:04:45,700 --> 00:04:44,509
contract I was gonna bring that up as

86
00:04:48,520 --> 00:04:45,710
soon as you've mentioned you go here

87
00:04:50,770 --> 00:04:48,530
yeah because it's all part and parcel of

88
00:04:52,689 --> 00:04:50,780

in it it's autobiographical as well as

89

00:04:54,899 --> 00:04:52,699

talking about the reptilians but

90

00:04:57,550 --> 00:04:54,909

referring to this particular teacher

91

00:04:58,990 --> 00:04:57,560

when you're subjected to this sort of

92

00:05:01,480 --> 00:04:59,000

thing as a kid you think it's the norm

93

00:05:03,909 --> 00:05:01,490

but it wasn't now because this teacher I

94

00:05:04,870 --> 00:05:03,919

will describe her to give a picture she

95

00:05:09,970 --> 00:05:04,880

was about

96

00:05:11,470 --> 00:05:09,980

and I'm not being negative or wacky with

97

00:05:13,030 --> 00:05:11,480

it I'm going to just say as it is she

98

00:05:17,020 --> 00:05:13,040

was about 57 years old

99

00:05:18,580 --> 00:05:17,030

very very astute lady she was northern I

100

00:05:20,140 --> 00:05:18,590

won't give her name that would not be

101

00:05:22,300 --> 00:05:20,150

fair although I think sadly she would

102

00:05:25,000 --> 00:05:22,310

have passed I won't wish that upon but

103

00:05:27,520 --> 00:05:25,010

I'll call her miss book show as a pseudo

104

00:05:29,170 --> 00:05:27,530

name but I'm working on this teacher and

105

00:05:31,090 --> 00:05:29,180

now I had her for a year in every

106

00:05:33,910 --> 00:05:31,100

subject to show yourself would recall in

107

00:05:36,610 --> 00:05:33,920

school you had a tutor for more or less

108

00:05:40,180 --> 00:05:36,620

all your lessons is that right David my

109

00:05:42,460 --> 00:05:40,190

school I mean no I love to go in 65 to

110

00:05:45,910 --> 00:05:42,470

be honest but yeah yeah we did have a

111

00:05:47,590 --> 00:05:45,920

various teachers my open to a boys

112

00:05:49,510 --> 00:05:47,600

school for a couple of years and that

113

00:05:51,820 --> 00:05:49,520

was actually a nightmare in my secondary

114

00:05:54,040 --> 00:05:51,830

years and I actually I wanted to pass

115

00:05:56,080 --> 00:05:54,050

the 13 plus believe it or not to get out

116

00:05:57,640 --> 00:05:56,090

of that school so I could go to a

117

00:06:02,520 --> 00:05:57,650

technical school but that's another

118

00:06:06,580 --> 00:06:05,260

we have obviously some hurdles and I

119

00:06:08,560 --> 00:06:06,590

know exactly what you saying about the

120

00:06:13,030 --> 00:06:08,570

corporal punishment than the cane in

121

00:06:14,440 --> 00:06:13,040

everything like this school was down the

122

00:06:16,570 --> 00:06:14,450

road junior school and it was quite

123

00:06:19,270 --> 00:06:16,580

beautiful it was Victorian and the

124

00:06:20,890 --> 00:06:19,280

classes classrooms are set out on the

125

00:06:22,690 --> 00:06:20,900

edges and the hall was in the center so

126

00:06:24,190 --> 00:06:22,700

made it very dark were you're inside the

127

00:06:26,320 --> 00:06:24,200

lights were always on which made it

128

00:06:28,240 --> 00:06:26,330

somewhat cozy and I was always looking

129

00:06:30,970 --> 00:06:28,250

out in Miss butchers class as I was

130

00:06:33,370 --> 00:06:30,980

looking out at the park they got a big

131

00:06:35,170 --> 00:06:33,380

park opposite and I was just daydreaming

132

00:06:36,970 --> 00:06:35,180

but this teacher gave me hell just to

133

00:06:41,950 --> 00:06:36,980

give you an idea of my character before

134

00:06:44,140 --> 00:06:41,960

I go into the UFOs but I am just I

135

00:06:46,090 --> 00:06:44,150

wasn't even bothered with English or

136

00:06:48,910 --> 00:06:46,100

maths I was frightened of everything but

137

00:06:50,200 --> 00:06:48,920

I remember distinctly this particular

138

00:06:52,120 --> 00:06:50,210

she I mean she had it into me big time

139

00:06:55,720 --> 00:06:52,130

and this goes on and on this is a year

140

00:06:59,470 --> 00:06:55,730

of punishment she we had a spelling

141

00:07:01,390 --> 00:06:59,480

lesson and Illi hadn't bothered to learn

142

00:07:03,280 --> 00:07:01,400

these words and I thought my god is this

143

00:07:04,990 --> 00:07:03,290

what life amounts to learning is

144

00:07:07,570 --> 00:07:05,000

spelling or doing a mass you know it's

145

00:07:09,520 --> 00:07:07,580

hard enough wondering what you're gonna

146

00:07:11,800 --> 00:07:09,530

do when you leave school but yeah so I

147

00:07:13,870 --> 00:07:11,810

cheated what I did was she called out

148

00:07:15,340 --> 00:07:13,880

each word and we wrote down what they

149

00:07:18,860 --> 00:07:15,350

were supposed to be spell [h__\h] and then

150

00:07:21,740 --> 00:07:18,870

she called out the spelling and she

151
00:07:25,520 --> 00:07:21,750
round two - I said sir so how many of

152
00:07:27,710 --> 00:07:25,530
you got Ronald what did you get I said

153
00:07:29,720 --> 00:07:27,720
I've got but I never got more than three

154
00:07:32,180 --> 00:07:29,730
or two but I said I've I've got sixteen

155
00:07:36,590 --> 00:07:32,190
mr. butcher that's very good

156
00:07:37,940 --> 00:07:36,600
Oh mark chip it I said what I couldn't

157
00:07:39,130 --> 00:07:37,950
lie there's no one next to me to swap it

158
00:07:42,980 --> 00:07:39,140
with I said I did

159
00:07:45,020 --> 00:07:42,990
Renea or Pierre you know David I've

160
00:07:47,630 --> 00:07:45,030
never forgotten that memory I had to

161
00:07:51,530 --> 00:07:47,640
walk up there I didn't get a good hiding

162
00:07:53,540 --> 00:07:51,540
but she said class we have a cheat you

163
00:07:55,970 --> 00:07:53,550

will stand with your dolls list against

164

00:08:00,530 --> 00:07:55,980

the blackboard I'll see you later

165

00:08:02,120 --> 00:08:00,540

so I stood there and I was reflecting on

166

00:08:07,340 --> 00:08:02,130

everything especially the punishment I

167

00:08:10,490 --> 00:08:07,350

get from a certain person my mother and

168

00:08:13,250 --> 00:08:10,500

I probably rightly deserved it but I had

169

00:08:14,690 --> 00:08:13,260

to write each word out 500 times and she

170

00:08:16,370 --> 00:08:14,700

should this a tweet now that was

171

00:08:18,290 --> 00:08:16,380

understandable but then we had then we

172

00:08:20,270 --> 00:08:18,300

had a competition a story competition

173

00:08:21,740 --> 00:08:20,280

she knew my grammar was terrible and I

174

00:08:23,360 --> 00:08:21,750

was so excited so as I write this story

175

00:08:25,010 --> 00:08:23,370

about Doctor Who in the Daleks it was

176

00:08:27,440 --> 00:08:25,020

something I came up with my was excited

177

00:08:29,540 --> 00:08:27,450

I thought pick me pick me and she did

178

00:08:31,310 --> 00:08:29,550

the day came when she picked this piece

179

00:08:34,220 --> 00:08:31,320

of paper out and started reading and

180

00:08:36,470 --> 00:08:34,230

then she got faster and faster and

181

00:08:38,510 --> 00:08:36,480

faster and then slammed the paper down

182

00:08:40,700 --> 00:08:38,520

on the table in front of me before all

183

00:08:43,940 --> 00:08:40,710

the pupils and said and this is except

184

00:08:47,360 --> 00:08:43,950

what she said where's Sharon where's

185

00:08:50,540 --> 00:08:47,370

chef full stops where's Shelley grammar

186

00:08:52,640 --> 00:08:50,550

and I realized yes this was constant

187

00:08:54,350 --> 00:08:52,650

with me and her and Miss mowcher

188

00:08:55,880 --> 00:08:54,360

I mean the final time I saw her there's

189

00:09:00,020 --> 00:08:55,890

a lot more in this book about her but

190

00:09:02,660 --> 00:09:00,030

this is reflecting my character the

191

00:09:04,040 --> 00:09:02,670

final insult was when I left school went

192

00:09:05,390 --> 00:09:04,050

to high school which was a blessing the

193

00:09:06,560 --> 00:09:05,400

teachers were wonderful there I had to

194

00:09:08,000 --> 00:09:06,570

say stop at high school man was

195

00:09:10,660 --> 00:09:08,010

absolutely wonderful loved the teachers

196

00:09:14,450 --> 00:09:10,670

but when I had been released from prison

197

00:09:16,040 --> 00:09:14,460

I went back to see her because my sister

198

00:09:17,510 --> 00:09:16,050

was under her and she did a play and I

199

00:09:19,720 --> 00:09:17,520

just happened to see miss butcher and

200

00:09:23,240 --> 00:09:19,730

she just came up to me out of the blue

201
00:09:25,640 --> 00:09:23,250
how are you doing I said yes I'm fine

202
00:09:28,220 --> 00:09:25,650
thank you miss butcher so what do you

203
00:09:29,870 --> 00:09:28,230
want to be when you grow up and I'll

204
00:09:32,140 --> 00:09:29,880
never forget this slide it's funny isn't

205
00:09:35,320 --> 00:09:32,150
it David the things you don't forget

206
00:09:37,780 --> 00:09:35,330
really if it did need to go up buying a

207
00:09:39,180 --> 00:09:37,790
pub tuition you have mass sympathy

208
00:09:43,570 --> 00:09:39,190
because I told her about to be a writer

209
00:09:46,630 --> 00:09:43,580
so that ended that sour note now when

210
00:09:50,260 --> 00:09:46,640
this horror had finished a new horror

211
00:09:52,060 --> 00:09:50,270
began because it's when I started seeing

212
00:09:55,000 --> 00:09:52,070
the UFOs now I had seen something when I

213
00:09:57,130 --> 00:09:55,010

was a child but I won't go into that I

214

00:09:59,650 --> 00:09:57,140

can't I can't really I don't really want

215

00:10:01,060 --> 00:09:59,660

to go into that but it's ER I'm writing

216

00:10:03,190 --> 00:10:01,070

about it anyway there was something I

217

00:10:06,640 --> 00:10:03,200

saw I can't be absolutely certain what

218

00:10:09,430 --> 00:10:06,650

it was if this was certain it was when I

219

00:10:11,769 --> 00:10:09,440

was 13 it was 1982 and we used to stay

220

00:10:14,200 --> 00:10:11,779

with our grandparents in Felton - from

221

00:10:17,290 --> 00:10:14,210

Middlesex said a lovely house there's a

222

00:10:18,930 --> 00:10:17,300

three storey now it's quite big I we

223

00:10:22,420 --> 00:10:18,940

used to say they're fed up and died on

224

00:10:25,660 --> 00:10:22,430

summer holidays and our grandma was

225

00:10:26,890 --> 00:10:25,670

psychic but of course then it wasn't

226

00:10:29,890 --> 00:10:26,900

really mentioned you didn't talk about

227

00:10:31,810 --> 00:10:29,900

mediums or UFO is it you just didn't do

228

00:10:33,310 --> 00:10:31,820

it don't you understand you couldn't

229

00:10:36,280 --> 00:10:33,320

tell your teachers you could tell your

230

00:10:41,710 --> 00:10:36,290

father not a label no no you mean yeah a

231

00:10:43,480 --> 00:10:41,720

lot of crazy women you know in a

232

00:10:46,510 --> 00:10:43,490

nutshell my grandma was hanging out

233

00:10:48,610 --> 00:10:46,520

washing and we were with her and of

234

00:10:50,410 --> 00:10:48,620

course I had no interest in UFOs I

235

00:10:52,329 --> 00:10:50,420

didn't even believe in the mediums and

236

00:10:54,340 --> 00:10:52,339

I'm ashamed to say one of them may to

237

00:10:59,199 --> 00:10:54,350

take Mickey Alba and all of a sudden

238

00:11:02,740 --> 00:10:59,209

this all came over the garden now at

239

00:11:04,630 --> 00:11:02,750

first we thought it was a balloon but as

240

00:11:07,210 --> 00:11:04,640

a 13 year it had been extremely

241

00:11:08,590 --> 00:11:07,220

inquisitive and I damn well knew that

242

00:11:10,480 --> 00:11:08,600

was not a balloon and Philip knew as

243

00:11:11,650 --> 00:11:10,490

well it came right over in a controlled

244

00:11:13,990 --> 00:11:11,660

manner it arced

245

00:11:16,269 --> 00:11:14,000

over it arced over the garden and then

246

00:11:18,910 --> 00:11:16,279

it stopped above Grandma's how head now

247

00:11:20,500 --> 00:11:18,920

this thing was like a silver ball it was

248

00:11:22,060 --> 00:11:20,510

it looked heavy it looked like it was

249

00:11:24,400 --> 00:11:22,070

made of titanium or something of that

250

00:11:26,590 --> 00:11:24,410

nature and by the size of a football or

251
00:11:28,300 --> 00:11:26,600
regular football and it just because it

252
00:11:29,710 --> 00:11:28,310
was quite breezier that day it came over

253
00:11:32,079 --> 00:11:29,720
in a controlled manner and then just

254
00:11:35,019 --> 00:11:32,089
hung over grandma's head well we got

255
00:11:37,150 --> 00:11:35,029
snapped now we looked up at it and David

256
00:11:40,540 --> 00:11:37,160
it was there for some time it was

257
00:11:43,150 --> 00:11:40,550
hovering for about three or four minutes

258
00:11:45,519 --> 00:11:43,160
at the most I would think it's hard when

259
00:11:47,230 --> 00:11:45,529
you look back but I don't color things

260
00:11:49,389 --> 00:11:47,240
straight it wasn't a balloon there was

261
00:11:52,300 --> 00:11:49,399
no court there was no seams it was just

262
00:11:54,759 --> 00:11:52,310
absolutely solid and it just hung it did

263
00:11:56,019 --> 00:11:54,769

not move an inch and I knew when Phillip

264

00:11:58,239 --> 00:11:56,029

and I knew we pointed up and said

265

00:12:00,519 --> 00:11:58,249

grandma look and she said she bassoon

266

00:12:02,949 --> 00:12:00,529

come we couldn't believe it she said oh

267

00:12:05,259 --> 00:12:02,959

look the fairies have come to take a

268

00:12:07,989 --> 00:12:05,269

closer look at us now I knew she was

269

00:12:09,460 --> 00:12:07,999

trying to keep us calm she used this she

270

00:12:11,259 --> 00:12:09,470

was used this fairy you know these

271

00:12:12,850 --> 00:12:11,269

fairies down the garden told her to

272

00:12:14,439 --> 00:12:12,860

cover up their mediumship the fairies

273

00:12:16,900 --> 00:12:14,449

whisper things to her you see but she

274

00:12:18,189 --> 00:12:16,910

was she was psychic she knew things she

275

00:12:20,139 --> 00:12:18,199

was amazing but we weren't really

276

00:12:23,259 --> 00:12:20,149

interested in it at all it was just

277

00:12:24,879 --> 00:12:23,269

hearsay but she must have seen these

278

00:12:27,009 --> 00:12:24,889

things before didn't faze her at all

279

00:12:28,509 --> 00:12:27,019

she didn't faze it and then it moved in

280

00:12:30,369 --> 00:12:28,519

a controlled manner after about four

281

00:12:32,980 --> 00:12:30,379

minutes it moved towards the house and

282

00:12:34,689 --> 00:12:32,990

it stopped before the windows and then

283

00:12:37,090 --> 00:12:34,699

it started moving up but it was having a

284

00:12:40,360 --> 00:12:37,100

good look in the windows as it moved off

285

00:12:42,309 --> 00:12:40,370

this was like really weird and this was

286

00:12:45,460 --> 00:12:42,319

technology I knew it was technology and

287

00:12:46,960 --> 00:12:45,470

as it went oh it went to the roof of the

288

00:12:49,059 --> 00:12:46,970

house and then he went over well we

289

00:12:51,189 --> 00:12:49,069

dashed him and ranted inside our house

290

00:12:52,869 --> 00:12:51,199

and we could see it increase in speed in

291

00:12:54,879 --> 00:12:52,879

a controlled manner and direct line

292

00:12:57,429 --> 00:12:54,889

faster and faster zip down the solder

293

00:12:59,860 --> 00:12:57,439

blown and disappeared that was it it was

294

00:13:02,049 --> 00:12:59,870

as it was as peculiar it was

295

00:13:06,790 --> 00:13:02,059

otherworldly it was a very bizarre now

296

00:13:09,340 --> 00:13:06,800

that was not military I knew even people

297

00:13:12,280 --> 00:13:09,350

have tried to label as a balloon as a

298

00:13:14,410 --> 00:13:12,290

atmospheric distortion no it was a clear

299

00:13:16,389 --> 00:13:14,420

day jazz breezy and it wasn't military

300

00:13:18,249 --> 00:13:16,399

because the military wouldn't have

301
00:13:19,600 --> 00:13:18,259
developed anti-gravity with mechanisms

302
00:13:22,150 --> 00:13:19,610
they're not abetted not of that

303
00:13:24,069 --> 00:13:22,160
instrument if they wouldn't have done it

304
00:13:25,840 --> 00:13:24,079
and even if they had they wouldn't even

305
00:13:28,540 --> 00:13:25,850
bother spying on a grandma with the two

306
00:13:31,720 --> 00:13:28,550
grand seems they're just doing it just

307
00:13:35,619 --> 00:13:31,730
wouldn't be interested so the incident

308
00:13:37,150 --> 00:13:35,629
strangely was slightly not forgotten but

309
00:13:39,819 --> 00:13:37,160
we've never forgotten it never and I

310
00:13:40,540 --> 00:13:39,829
know I mean I remembered at the time

311
00:13:43,840 --> 00:13:40,550
looking at it

312
00:13:46,150 --> 00:13:43,850
I remembered my god my God look at it it

313
00:13:48,100 --> 00:13:46,160

was technology David Byrn obviate not

314

00:13:49,869 --> 00:13:48,110

our technology it fascinates me because

315

00:13:51,910 --> 00:13:49,879

it wants word for word it's almost the

316

00:13:55,269 --> 00:13:51,920

same as the story the food said on the

317

00:13:57,249 --> 00:13:55,279

last show you know and it's almost the

318

00:13:59,650 --> 00:13:57,259

same just about it really is the same

319

00:14:03,340 --> 00:13:59,660

description you know

320

00:14:06,610 --> 00:14:03,350

why why there was no reaction to it from

321

00:14:08,350 --> 00:14:06,620

your grandmother you know she was just

322

00:14:09,310 --> 00:14:08,360

she just said the fairies have come to

323

00:14:10,840 --> 00:14:09,320

take a closer look

324

00:14:13,000 --> 00:14:10,850

she definitely seen these things before

325

00:14:14,200 --> 00:14:13,010

it was clear she had seen them before I

326

00:14:16,270 --> 00:14:14,210

don't know what they were but they

327

00:14:18,640 --> 00:14:16,280

weren't from our world what other you

328

00:14:20,400 --> 00:14:18,650

know we do hear these some stories well

329

00:14:22,870 --> 00:14:20,410

we've seen videos and things of little

330

00:14:25,450 --> 00:14:22,880

like balls come out coming out of the

331

00:14:27,070 --> 00:14:25,460

UFO they seem to be like probes that go

332

00:14:31,140 --> 00:14:27,080

around don't know could it wonder if it

333

00:14:35,590 --> 00:14:33,700

I've called it an electronic eye because

334

00:14:37,060 --> 00:14:35,600

when it was there I had the distinct

335

00:14:39,310 --> 00:14:37,070

impression it was watching us it was

336

00:14:41,860 --> 00:14:39,320

looking so it could be there a version

337

00:14:44,260 --> 00:14:41,870

of an eye or something or camera so it

338

00:14:48,730 --> 00:14:44,270

evidently is that this is leading up to

339

00:14:50,800 --> 00:14:48,740

the calm before the storm because that

340

00:14:53,290 --> 00:14:50,810

Christmas something happened to me at

341

00:14:56,260 --> 00:14:53,300

home and I it took it takes a long time

342

00:14:58,870 --> 00:14:56,270

to realize the you connect the dots as

343

00:15:00,430 --> 00:14:58,880

David Icke lovingly says you don't

344

00:15:02,020 --> 00:15:00,440

connect the dots you can't until it's

345

00:15:04,030 --> 00:15:02,030

happened and it's gone the incident has

346

00:15:07,870 --> 00:15:04,040

happened but the worst was yet to come

347

00:15:09,850 --> 00:15:07,880

because I had actually seen the people

348

00:15:13,780 --> 00:15:09,860

of this thing or I believe of them who

349

00:15:16,390 --> 00:15:13,790

were spying on us because in the winter

350

00:15:19,960 --> 00:15:16,400

of 1982 I was taken by them now it

351

00:15:21,580 --> 00:15:19,970

sounds very matter-of-factly to say it

352

00:15:24,010 --> 00:15:21,590

that way and you know it's like all

353

00:15:26,530 --> 00:15:24,020

Wyman abductee I'm not I've messed make

354

00:15:28,780 --> 00:15:26,540

it quite clear I am NOT an abductee this

355

00:15:30,550 --> 00:15:28,790

incident did happen it wasn't sleep

356

00:15:32,590 --> 00:15:30,560

paralysis I have never forgotten me

357

00:15:34,090 --> 00:15:32,600

because it's scar me for life I've seen

358

00:15:35,830 --> 00:15:34,100

the doctors that's what I call them only

359

00:15:38,710 --> 00:15:35,840

once I have not seen the doctors again

360

00:15:40,330 --> 00:15:38,720

but every 2 or 3 years after that we see

361

00:15:43,630 --> 00:15:40,340

the UFOs I will tell you what happened

362

00:15:47,320 --> 00:15:45,760

it was in Luton at Pillsbury Crescent I

363

00:15:49,150 --> 00:15:47,330

love that bird that all Victorian houses

364

00:15:51,220 --> 00:15:49,160

big old rooms full of em I shared a room

365

00:15:54,280 --> 00:15:51,230

it was big it's really big I mean it's

366

00:15:57,480 --> 00:15:54,290

beautifully spacious house and of course

367

00:16:00,370 --> 00:15:57,490

the Victorian houses were built so vast

368

00:16:01,870 --> 00:16:00,380

but it was one night I can't remember

369

00:16:04,000 --> 00:16:01,880

exactly what night because either as

370

00:16:06,220 --> 00:16:04,010

I've just written on here I've just made

371

00:16:08,200 --> 00:16:06,230

it a comment on here on here you know it

372

00:16:09,910 --> 00:16:08,210

begins within a weekday and of when

373

00:16:13,300 --> 00:16:09,920

granddad was at work this is to do with

374

00:16:15,519 --> 00:16:13,310

the all I said I don't think you'll

375

00:16:17,379 --> 00:16:15,529

raise an eyebrow as is relatively

376

00:16:18,790 --> 00:16:17,389

undocumented account that the

377

00:16:21,249 --> 00:16:18,800

particulars are certainly not vague

378

00:16:22,840 --> 00:16:21,259

children simply don't record events such

379

00:16:24,429 --> 00:16:22,850

as this I had no interest in

380

00:16:27,579 --> 00:16:24,439

documentation or Diaries that you won't

381

00:16:29,590 --> 00:16:27,589

you're a kid you know it happened in

382

00:16:32,319 --> 00:16:29,600

1982 after these its session with the

383

00:16:33,819 --> 00:16:32,329

orb and this has it's what they showed

384

00:16:35,590 --> 00:16:33,829

me after as it scarred me for life I've

385

00:16:39,819 --> 00:16:35,600

never forgotten it I was taken from my

386

00:16:41,170 --> 00:16:39,829

bed one night I was taken up just I went

387

00:16:42,340 --> 00:16:41,180

through the roof David I just went

388

00:16:44,559 --> 00:16:42,350

through the whole house I can't believe

389

00:16:46,480 --> 00:16:44,569

it so I had no knowledge of UFOs it had

390

00:16:48,549 --> 00:16:46,490

no interest in them especially even

391

00:16:52,119 --> 00:16:48,559

after all by Ida it's weird because it's

392

00:16:53,319 --> 00:16:52,129

like an f3 or paradox you just seemed to

393

00:16:56,019 --> 00:16:53,329

just accept her after a while and just

394

00:16:57,519 --> 00:16:56,029

move on but it didn't stop so I was

395

00:16:59,139 --> 00:16:57,529

taken through the roof of this house and

396

00:17:01,629 --> 00:16:59,149

I could see something very dark very

397

00:17:02,980 --> 00:17:01,639

dark in the sky it was darker than the

398

00:17:05,949 --> 00:17:02,990

sky I think this guy must have been

399

00:17:08,380 --> 00:17:05,959

evidently bluish or dark blue but it was

400

00:17:10,409 --> 00:17:08,390

black I couldn't discern the shape but

401
00:17:12,909 --> 00:17:10,419
there was something hang in there well I

402
00:17:14,919 --> 00:17:12,919
must have passed out Lucas may not know

403
00:17:16,860 --> 00:17:14,929
I'm obviously in it evidently logically

404
00:17:19,809 --> 00:17:16,870
I'm in it because I'm seated in this

405
00:17:22,419 --> 00:17:19,819
wheelchair and this we'll share is white

406
00:17:24,399 --> 00:17:22,429
it's very modern it's not like our

407
00:17:26,409 --> 00:17:24,409
wheelchairs it I knew it was a

408
00:17:27,909 --> 00:17:26,419
wheelchair but very very modern and I

409
00:17:29,440 --> 00:17:27,919
was in this room it looked like an

410
00:17:31,480 --> 00:17:29,450
operating theatre I'll put it that way

411
00:17:33,820 --> 00:17:31,490
it didn't look intimidating I mean I had

412
00:17:36,669 --> 00:17:33,830
a table there I cannot remember the

413
00:17:38,080 --> 00:17:36,679

particulars of the room I can't but what

414

00:17:39,940 --> 00:17:38,090

I do remember is the table and I

415

00:17:42,880 --> 00:17:39,950

remember the three doctors standing

416

00:17:44,110 --> 00:17:42,890

before me and one behind me now I call

417

00:17:45,669 --> 00:17:44,120

them doctors I don't know what they were

418

00:17:47,980 --> 00:17:45,679

I'll tell you what they weren't people

419

00:17:50,909 --> 00:17:47,990

they were taller than people and they

420

00:17:53,470 --> 00:17:50,919

were clad from head to toe in a uniform

421

00:17:55,450 --> 00:17:53,480

it was like a radiation outfit but it

422

00:17:57,610 --> 00:17:55,460

was more modern that even their eyes

423

00:18:00,250 --> 00:17:57,620

were you can see them there were

424

00:18:01,919 --> 00:18:00,260

advisors there was all all completely

425

00:18:04,870 --> 00:18:01,929

clad even the hands of wore gloves and

426
00:18:06,669 --> 00:18:04,880
they would obviously start on because as

427
00:18:09,039 --> 00:18:06,679
I woke up I found I couldn't really turn

428
00:18:10,630 --> 00:18:09,049
to look at the person behind me I knew

429
00:18:11,860 --> 00:18:10,640
there was someone behind me there was

430
00:18:14,970 --> 00:18:11,870
someone definitely behind me I couldn't

431
00:18:17,950 --> 00:18:14,980
turn enough to see him but he spoke and

432
00:18:19,210 --> 00:18:17,960
I are gather he was in charge because he

433
00:18:21,039 --> 00:18:19,220
was the one who did all the talking he

434
00:18:23,799 --> 00:18:21,049
said um the first thing he said was

435
00:18:25,419 --> 00:18:23,809
quite incredibly said we're going to

436
00:18:26,800 --> 00:18:25,429
we're going to perform an operation on

437
00:18:29,710 --> 00:18:26,810
you Ronald

438
00:18:33,040 --> 00:18:29,720

now when he said my name David I felt

439

00:18:34,800 --> 00:18:33,050

absolute choice one dermis and this was

440

00:18:37,020 --> 00:18:34,810

all to see in an english-language

441

00:18:42,010 --> 00:18:37,030

language or was it just you think

442

00:18:44,980 --> 00:18:42,020

implanted into your head that's a good

443

00:18:46,780 --> 00:18:44,990

point good point I cannot say I can't

444

00:18:49,270 --> 00:18:46,790

answer that it was English and it

445

00:18:53,470 --> 00:18:49,280

sounded like a an authoritative male

446

00:18:55,870 --> 00:18:53,480

English I would say perhaps middle-aged

447

00:18:58,810 --> 00:18:55,880

I don't know but the words came clean

448

00:19:00,550 --> 00:18:58,820

and risk and I'd never saw any mouths to

449

00:19:02,470 --> 00:19:00,560

move I don't know how it was done but I

450

00:19:06,310 --> 00:19:02,480

just heard this and he was the voice was

451
00:19:08,920 --> 00:19:06,320
really assure but it was the suggestion

452
00:19:10,990 --> 00:19:08,930
of the operation and I don't know why I

453
00:19:12,880 --> 00:19:11,000
just knew it was to do with the head I

454
00:19:14,650 --> 00:19:12,890
remember pleading with him I couldn't

455
00:19:16,030 --> 00:19:14,660
turn to I couldn't see him a couldn't

456
00:19:16,840 --> 00:19:16,040
turn I don't know I just couldn't move

457
00:19:19,540 --> 00:19:16,850
to see him

458
00:19:21,790 --> 00:19:19,550
I said no Ill implore you I don't want

459
00:19:24,160 --> 00:19:21,800
this operation please and he said no it

460
00:19:25,810 --> 00:19:24,170
is for your own good and he did Sarah

461
00:19:28,750 --> 00:19:25,820
membered him stating quite clearly I'm

462
00:19:31,150 --> 00:19:28,760
going to promise you one thing we will

463
00:19:33,640 --> 00:19:31,160

not harm you now I knew he wouldn't they

464

00:19:35,440 --> 00:19:33,650

one unkind but they were an authority

465

00:19:37,030 --> 00:19:35,450

and they were going to do what they were

466

00:19:39,760 --> 00:19:37,040

going to do and as I said this was this

467

00:19:42,700 --> 00:19:39,770

was not a dream I was there and he

468

00:19:45,490 --> 00:19:42,710

produced I saw his left hand

469

00:19:47,530 --> 00:19:45,500

it was gloved and I couldn't really I

470

00:19:49,480 --> 00:19:47,540

dated I don't know how many digits he

471

00:19:52,270 --> 00:19:49,490

had on this and I wasn't looking at that

472

00:19:54,370 --> 00:19:52,280

I was looking what he had in it I didn't

473

00:19:55,660 --> 00:19:54,380

I can't I wish that if I had if someone

474

00:19:56,740 --> 00:19:55,670

could take me back I'd happily do it

475

00:19:58,270 --> 00:19:56,750

I've married a zero I take a

476

00:19:59,920 --> 00:19:58,280

lie-detector test anything I'll do it

477

00:20:01,630 --> 00:19:59,930

I'll go back with regression I want to

478

00:20:04,690 --> 00:20:01,640

see what was the bad was all about yeah

479

00:20:07,780 --> 00:20:04,700

but he produced this rod with his nodule

480

00:20:09,970 --> 00:20:07,790

on the end and he pressed it on the palm

481

00:20:13,210 --> 00:20:09,980

of my hand very gently and when he did I

482

00:20:14,530 --> 00:20:13,220

went out now evidently remove head no

483

00:20:16,180 --> 00:20:14,540

they must have done an operation because

484

00:20:19,240 --> 00:20:16,190

I was dropping for the damn thing I was

485

00:20:20,830 --> 00:20:19,250

dropping very fast and I can't remember

486

00:20:22,120 --> 00:20:20,840

much about it although I was terrified I

487

00:20:24,880 --> 00:20:22,130

was actually falling from the thing as

488

00:20:28,240 --> 00:20:24,890

on my own but I was going back into the

489

00:20:31,750 --> 00:20:28,250

house and I was buzzing I felt this real

490

00:20:35,950 --> 00:20:31,760

electric charge pulsing all over me my

491

00:20:37,840 --> 00:20:35,960

hair felt electric it felt electric and

492

00:20:39,550 --> 00:20:37,850

as I was dropping I could see the roof

493

00:20:40,270 --> 00:20:39,560

of the loft as I was coming through and

494

00:20:41,860 --> 00:20:40,280

then I could see

495

00:20:44,230 --> 00:20:41,870

the bed and as I was reaching the bed I

496

00:20:46,120 --> 00:20:44,240

felt the little bump and that's

497

00:20:48,220 --> 00:20:46,130

absolutely horrendous because I knew

498

00:20:50,250 --> 00:20:48,230

damn well it was happening you know

499

00:20:53,440 --> 00:20:50,260

that's your confirmation and the film

500

00:20:55,480 --> 00:20:53,450

maybe on the back on the bed so I could

501
00:20:58,120 --> 00:20:55,490
fill the sheets in the bed in the little

502
00:21:00,430 --> 00:20:58,130
bump and then they did the worst thing

503
00:21:02,380 --> 00:21:00,440
imaginable and ironic this thing was

504
00:21:04,120 --> 00:21:02,390
more horrific than the doctors

505
00:21:05,050 --> 00:21:04,130
themselves I call them doctors I don't

506
00:21:10,060 --> 00:21:05,060
know what they were but they weren't

507
00:21:13,480 --> 00:21:10,070
people they projected and this was a

508
00:21:16,660 --> 00:21:13,490
hologram we're 13 years or your kid

509
00:21:18,250 --> 00:21:16,670
you're very very very focused you know

510
00:21:19,510 --> 00:21:18,260
what you're looking at you know you

511
00:21:21,040 --> 00:21:19,520
don't take a knee don't have any

512
00:21:22,810 --> 00:21:21,050
nonsense kiss are wonderful of that they

513
00:21:24,820 --> 00:21:22,820

can give you an exact description of

514

00:21:25,960 --> 00:21:24,830

something you know when they see

515

00:21:28,200 --> 00:21:25,970

something I'll give you an exact

516

00:21:31,000 --> 00:21:28,210

description because I'm not tainted with

517

00:21:34,000 --> 00:21:31,010

colorful fancies at the time and I may

518

00:21:36,520 --> 00:21:34,010

see them but they don't do it and I saw

519

00:21:38,350 --> 00:21:36,530

this massive it was the head not the

520

00:21:40,120 --> 00:21:38,360

body the head is huge

521

00:21:42,070 --> 00:21:40,130

holographic head and it was odd because

522

00:21:43,690 --> 00:21:42,080

it was wavering it was wavering like a

523

00:21:46,660 --> 00:21:43,700

hologram like it was an in Oh in water

524

00:21:50,020 --> 00:21:46,670

it was a hologram of a huge chessick let

525

00:21:51,730 --> 00:21:50,030

and it was grinning and this Cheshire

526

00:21:53,590 --> 00:21:51,740

Cat wasn't like the one from Alice in

527

00:21:55,720 --> 00:21:53,600

Wonderland this was a girl the

528

00:21:58,450 --> 00:21:55,730

penultimate the or the ultimate horror

529

00:22:00,310 --> 00:21:58,460

this was an absolute nightmare all his

530

00:22:02,260 --> 00:22:00,320

teeth was showing it was grinning and

531

00:22:04,780 --> 00:22:02,270

they kept it there for ages

532

00:22:10,000 --> 00:22:04,790

he was wavering and waving then he went

533

00:22:13,000 --> 00:22:10,010

now it all ended that was it Capone all

534

00:22:15,430 --> 00:22:13,010

done but after that every two or three

535

00:22:16,450 --> 00:22:15,440

years thought of and I have seen the

536

00:22:19,270 --> 00:22:16,460

UFOs

537

00:22:21,760 --> 00:22:19,280

now I kept questioning David why on

538

00:22:24,850 --> 00:22:21,770

earth would they show me something so

539

00:22:26,830 --> 00:22:24,860

damn bizarre as that why did they do it

540

00:22:29,170 --> 00:22:26,840

why did the dirt that was if I want to

541

00:22:31,420 --> 00:22:29,180

clear they had left here that it may not

542

00:22:33,130 --> 00:22:31,430

have made such an impact but I think it

543

00:22:35,800 --> 00:22:33,140

was that are doing and I know why they

544

00:22:38,230 --> 00:22:35,810

did it it took me years to figure out

545

00:22:41,380 --> 00:22:38,240

why they did that in fact I mean I was

546

00:22:44,050 --> 00:22:41,390

only 39 50 now so it was only a couple

547

00:22:47,350 --> 00:22:44,060

of years ago it tweaked I know what they

548

00:22:50,260 --> 00:22:47,360

did and they were very smart because I

549

00:22:51,610 --> 00:22:50,270

had evidently disturbed them through

550

00:22:52,900 --> 00:22:51,620

their operation

551
00:22:54,040 --> 00:22:52,910
you know before they're going to do it

552
00:22:55,330 --> 00:22:54,050
well they said they were going to do

553
00:22:58,050 --> 00:22:55,340
I'm sure what they did but they did

554
00:23:00,370 --> 00:22:58,060
something because I interrupted them

555
00:23:01,600 --> 00:23:00,380
perhaps they felt that when they put me

556
00:23:02,920 --> 00:23:01,610
back down they thought we're going to

557
00:23:04,540 --> 00:23:02,930
sort this out we've got to do something

558
00:23:05,950 --> 00:23:04,550
because they have is it evident no it's

559
00:23:08,020 --> 00:23:05,960
very well so they plucked something out

560
00:23:09,520 --> 00:23:08,030
of my head a few years ago a today I'd

561
00:23:11,560 --> 00:23:09,530
seen Alice in Wonderland I wasn't really

562
00:23:13,330 --> 00:23:11,570
interested in Alice in Wonderland

563
00:23:15,160 --> 00:23:13,340

no no disrespect to the wonderful

564

00:23:17,080 --> 00:23:15,170

brilliant Lewis Carroll

565

00:23:18,750 --> 00:23:17,090

no but I just wasn't really into it but

566

00:23:21,340 --> 00:23:18,760

I suppose they picked it out and

567

00:23:22,780 --> 00:23:21,350

projected that because when I go and see

568

00:23:24,460 --> 00:23:22,790

a psychologist I said well they showed

569

00:23:26,080 --> 00:23:24,470

me the Cheshire Cat oh hang on a minute

570

00:23:28,780 --> 00:23:26,090

this I kind of just wait a bit wait a

571

00:23:31,360 --> 00:23:28,790

minute what you've been down the rabbit

572

00:23:32,770 --> 00:23:31,370

hole you're getting confused you you're

573

00:23:34,300 --> 00:23:32,780

getting confused with the Alice in

574

00:23:38,200 --> 00:23:34,310

Wonderland do you see where I'm going

575

00:23:41,020 --> 00:23:38,210

with this it seemed very very smart

576

00:23:42,970 --> 00:23:41,030

yeah very clever and I haven't seen

577

00:23:45,670 --> 00:23:42,980

since then I've never seen the doctors

578

00:23:48,340 --> 00:23:45,680

again I've never seen them they were as

579

00:23:50,620 --> 00:23:48,350

I said they weren't unkind but what

580

00:23:51,910 --> 00:23:50,630

happened after that at school I don't

581

00:23:54,730 --> 00:23:51,920

know how long I can't remember how long

582

00:23:56,920 --> 00:23:54,740

it was a long afterwards I had a fit and

583

00:23:58,330 --> 00:23:56,930

it was to do with the head because I was

584

00:24:01,510 --> 00:23:58,340

clutching my head in these three

585

00:24:03,160 --> 00:24:01,520

incredible panes in geography and they

586

00:24:04,960 --> 00:24:03,170

were so bad I crushed my head and just

587

00:24:07,060 --> 00:24:04,970

collapse and I fell onto the font or

588

00:24:08,440 --> 00:24:07,070

pupil but then pushed me off him then I

589

00:24:10,210 --> 00:24:08,450

went onto the floor and Philip said he

590

00:24:14,500 --> 00:24:10,220

was there I was fitting for a few

591

00:24:19,170 --> 00:24:14,510

minutes and they pulled me out and I've

592

00:24:23,320 --> 00:24:21,520

but of course I didn't connect the dots

593

00:24:25,930 --> 00:24:23,330

I couldn't happen you until later on in

594

00:24:28,150 --> 00:24:25,940

life you think my cup is it connected I

595

00:24:30,940 --> 00:24:28,160

can't be sure but it seems damn Oh

596

00:24:35,110 --> 00:24:30,950

doesn't it and whether they did good or

597

00:24:37,900 --> 00:24:35,120

bad I mean Andrew a champion he attended

598

00:24:39,580 --> 00:24:37,910

a session as I said I've only just

599

00:24:41,320 --> 00:24:39,590

recently come out and spoken about this

600

00:24:44,050 --> 00:24:41,330

it's taking a lot of guts you know

601
00:24:45,490 --> 00:24:44,060
because people do your work colleagues I

602
00:24:46,870 --> 00:24:45,500
mean my goodness when I go to work I

603
00:24:49,480 --> 00:24:46,880
think what it ain't Sinkin Lee they must

604
00:24:51,760 --> 00:24:49,490
think I'm nuts but I'm not going to let

605
00:24:53,560 --> 00:24:51,770
it I'm not going to let it lie I have to

606
00:24:55,330 --> 00:24:53,570
get this out to people you know because

607
00:24:56,680 --> 00:24:55,340
if they've had encounters or things that

608
00:24:59,230 --> 00:24:56,690
have occurred in their laughing it mean

609
00:25:02,230 --> 00:24:59,240
just ease their their their own

610
00:25:05,080 --> 00:25:02,240
situation but yes I had to fit and I oh

611
00:25:06,310 --> 00:25:05,090
oh yes and after that they asked me if I

612
00:25:07,720 --> 00:25:06,320
wanted to go and see a doctor I was

613
00:25:09,730 --> 00:25:07,730

terrified of doctors as it no

614

00:25:11,380 --> 00:25:09,740

no no because this to do with the head I

615

00:25:12,550 --> 00:25:11,390

didn't want them to going in there now

616

00:25:14,320 --> 00:25:12,560

they were very good the school were very

617

00:25:15,370 --> 00:25:14,330

good they I mean a stop at high school

618

00:25:17,680 --> 00:25:15,380

they were lovely I'm not most of the

619

00:25:20,920 --> 00:25:17,690

teachers there my after the dragon we

620

00:25:22,510 --> 00:25:20,930

had they were wonderful they sent me

621

00:25:24,010 --> 00:25:22,520

home and I don't think I had the rest of

622

00:25:26,260 --> 00:25:24,020

week on Friday banging headache but I

623

00:25:27,850 --> 00:25:26,270

recovered alright and as I said I have

624

00:25:28,930 --> 00:25:27,860

never seen them again but I have seen

625

00:25:31,870 --> 00:25:28,940

the UFOs

626

00:25:33,790 --> 00:25:31,880

so this this later on in life it was

627

00:25:36,400 --> 00:25:33,800

much later when like yourself you know

628

00:25:37,990 --> 00:25:36,410

David Icke there was some burning desire

629

00:25:40,180 --> 00:25:38,000

to get this out to people I didn't know

630

00:25:42,760 --> 00:25:40,190

which how to do it or which way to do it

631

00:25:45,850 --> 00:25:42,770

but it was just to get this this out

632

00:25:49,240 --> 00:25:45,860

there to them you know and as I said I

633

00:25:52,570 --> 00:25:49,250

had a recently an interview one moocher

634

00:25:54,430 --> 00:25:52,580

was filmed talking about this and it's

635

00:25:55,690 --> 00:25:54,440

the first time I've ever done it it's

636

00:25:57,310 --> 00:25:55,700

the first time I've ever I think it was

637

00:25:59,170 --> 00:25:57,320

last year the year before I did it I

638

00:26:01,180 --> 00:25:59,180

actually speak out about it and you get

639

00:26:03,640 --> 00:26:01,190

them as fireless comments from people

640

00:26:04,780 --> 00:26:03,650

who sit you know one of them and I'm

641

00:26:10,000 --> 00:26:04,790

going to say it I don't mind I've got

642

00:26:13,030 --> 00:26:10,010

nothing to hide he said are the archons

643

00:26:16,480 --> 00:26:13,040

as camp as Ronald Kinsella and I will

644

00:26:18,940 --> 00:26:16,490

camp at all and another one was what a

645

00:26:22,510 --> 00:26:18,950

pair of lying old Queens now I'd like to

646

00:26:24,340 --> 00:26:22,520

make it known quite aptly but I have

647

00:26:30,190 --> 00:26:24,350

never lied in my life I've the only time

648

00:26:31,870 --> 00:26:30,200

tonight was when I cheated a these

649

00:26:33,550 --> 00:26:31,880

people these people are just nasty they

650

00:26:35,650 --> 00:26:33,560

though I think that's all they've got in

651

00:26:36,970 --> 00:26:35,660

life is to be nasty to other people you

652

00:26:39,430 --> 00:26:36,980

know I mean of course they're probably

653

00:26:41,140 --> 00:26:39,440

got no skills of their own anyway and

654

00:26:43,240 --> 00:26:41,150

there's probably jealousy in the end

655

00:26:44,650 --> 00:26:43,250

that something's not happened to them I

656

00:26:48,010 --> 00:26:44,660

think that's the only thing I can put it

657

00:26:50,470 --> 00:26:48,020

down to my goodness I wouldn't wish that

658

00:26:52,480 --> 00:26:50,480

to happen to them no they don't know me

659

00:26:55,300 --> 00:26:52,490

they don't know me at all and they

660

00:26:58,060 --> 00:26:55,310

attacked my character and my own my own

661

00:26:59,770 --> 00:26:58,070

my own self you see in life we all have

662

00:27:02,770 --> 00:26:59,780

our own paths we're all unique were

663

00:27:05,140 --> 00:27:02,780

important and the thing is it depends on

664

00:27:06,910 --> 00:27:05,150

what what road you've taken with people

665

00:27:09,270 --> 00:27:06,920

mine wasn't 2 billion with certain

666

00:27:12,730 --> 00:27:09,280

people you know and I'll say that

667

00:27:15,100 --> 00:27:12,740

loosely so when you get older you're a

668

00:27:17,200 --> 00:27:15,110

bit more wary of people not yourselves

669

00:27:19,060 --> 00:27:17,210

or because we're good friends and but

670

00:27:20,840 --> 00:27:19,070

you know what we may not know where they

671

00:27:22,520 --> 00:27:20,850

come in and they you know you're

672

00:27:23,690 --> 00:27:22,530

a little bit worried because you know

673

00:27:25,910 --> 00:27:23,700

you don't know how they're gonna take

674

00:27:28,190 --> 00:27:25,920

you and I don't know a lot of people

675

00:27:29,660 --> 00:27:28,200

because it leads UFO experiences I know

676

00:27:33,410 --> 00:27:29,670

they're laughing behind my back

677

00:27:37,790 --> 00:27:33,420

you know but as I said it takes a lot to

678

00:27:39,470 --> 00:27:37,800

come out with it say oh these people are

679

00:27:41,600 --> 00:27:39,480

anyway they just thought the old school

680

00:27:42,890 --> 00:27:41,610

bullies but when you actually confront

681

00:27:48,260 --> 00:27:42,900

them with something they usually the

682

00:27:50,150 --> 00:27:48,270

biggest killers of the law his name who

683

00:27:52,100 --> 00:27:50,160

did it to one he confronted this troll

684

00:27:53,870 --> 00:27:52,110

who was bullying him or said something

685

00:27:59,960 --> 00:27:53,880

and is it that I think it was he went

686

00:28:01,790 --> 00:27:59,970

women week experience for so for school

687

00:28:03,200 --> 00:28:01,800

when you actually confront someone when

688

00:28:05,780 --> 00:28:03,210

you tell me you've had enough of it you

689

00:28:06,140 --> 00:28:05,790

know you know I was very easygoing at

690

00:28:08,360 --> 00:28:06,150

school

691

00:28:10,400 --> 00:28:08,370

but one day I just broke I just does

692

00:28:11,870 --> 00:28:10,410

just cracks and I've really confronted

693

00:28:14,090 --> 00:28:11,880

this believe it had always been Elliott

694

00:28:20,270 --> 00:28:14,100

and things changed you almost become a

695

00:28:23,000 --> 00:28:20,280

best friend Wow yeah yes it is and but

696

00:28:24,530 --> 00:28:23,010

this led on this incident with the

697

00:28:26,540 --> 00:28:24,540

doctors which was quite a long time to

698

00:28:28,600 --> 00:28:26,550

go as I said I've never seen them again

699

00:28:30,860 --> 00:28:28,610

and I would if I could get a good

700

00:28:36,020 --> 00:28:30,870

regress someone who could regress you

701
00:28:37,220 --> 00:28:36,030
profession do that sounds fascinating do

702
00:28:41,210 --> 00:28:37,230
you think they may have put an implant

703
00:28:43,010 --> 00:28:41,220
in your head off I cannot say David but

704
00:28:44,210 --> 00:28:43,020
it's funny isn't it but after that every

705
00:28:45,680 --> 00:28:44,220
two or three years and I didn't know

706
00:28:47,180 --> 00:28:45,690
about him I didn't know even about the

707
00:28:48,920 --> 00:28:47,190
Roswell incident then I didn't know

708
00:28:50,870 --> 00:28:48,930
about Rendlesham I didn't know any there

709
00:28:53,090 --> 00:28:50,880
wasn't be the interest in UFOs not

710
00:28:55,250 --> 00:28:53,100
really then I mean we hear of them but I

711
00:28:57,740 --> 00:28:55,260
don't know it's quite possible I have no

712
00:28:59,360 --> 00:28:57,750
idea I mean the the fit my head in class

713
00:29:01,580 --> 00:28:59,370

could it be that they did it it sadly

714

00:29:04,160 --> 00:29:01,590

went wrong or what were they correcting

715

00:29:07,010 --> 00:29:04,170

a problem that they foresaw a time and

716

00:29:09,200 --> 00:29:07,020

it would happen I don't know but this

717

00:29:11,120 --> 00:29:09,210

led me into the interesting topic of

718

00:29:13,760 --> 00:29:11,130

UFOs especially about the reptilians we

719

00:29:15,230 --> 00:29:13,770

hear about as much as would be greys but

720

00:29:18,050 --> 00:29:15,240

I'm going to tell you this David I have

721

00:29:19,580 --> 00:29:18,060

to laugh at this through this interest

722

00:29:21,440 --> 00:29:19,590

of this topic

723

00:29:22,790 --> 00:29:21,450

I remember reading some books I won't

724

00:29:24,830 --> 00:29:22,800

give the names of the authors that would

725

00:29:26,420 --> 00:29:24,840

be unfair where they were depicting

726

00:29:28,040 --> 00:29:26,430

these Nordic types as being ever so

727

00:29:30,590 --> 00:29:28,050

friendly and they're concerned about

728

00:29:32,120 --> 00:29:30,600

peace on earth and you know they're they

729

00:29:34,040 --> 00:29:32,130

they want everything they're concerned

730

00:29:34,700 --> 00:29:34,050

about nuclear warfare or atomic warfare

731

00:29:36,590 --> 00:29:34,710

then

732

00:29:38,870 --> 00:29:36,600

sources that landed and something just

733

00:29:40,940 --> 00:29:38,880

didn't add up when I was reading these I

734

00:29:43,880 --> 00:29:40,950

kept thinking something just didn't add

735

00:29:46,070 --> 00:29:43,890

up now there was a case of a ship which

736

00:29:48,769 --> 00:29:46,080

I believe happened that it approached a

737

00:29:52,700 --> 00:29:48,779

military base and it it was able to

738

00:29:54,649 --> 00:29:52,710

successfully disarm temporarily some of

739

00:29:57,380 --> 00:29:54,659

the nuclear weapons and then flit off

740

00:29:59,360 --> 00:29:57,390

they've been doing this non on on and

741

00:30:01,340 --> 00:29:59,370

off so yeah well as I said to Philip

742

00:30:03,470 --> 00:30:01,350

could this be rather like an illusion

743

00:30:05,779 --> 00:30:03,480

not not physically but they're giving us

744

00:30:07,820 --> 00:30:05,789

the impression that they're concerned

745

00:30:10,220 --> 00:30:07,830

and sometimes they knock out a few silos

746

00:30:13,060 --> 00:30:10,230

so there we are we we give me example

747

00:30:14,960 --> 00:30:13,070

all they needed so sorry just a

748

00:30:16,730 --> 00:30:14,970

demonstration what they can do yeah

749

00:30:21,139 --> 00:30:16,740

sorry okay yeah give me to interrupt you

750

00:30:23,090 --> 00:30:21,149

I mean the point being is if they were

751
00:30:25,850 --> 00:30:23,100
so concerned they didn't they won't even

752
00:30:28,549 --> 00:30:25,860
need to contact us if they were so

753
00:30:31,010 --> 00:30:28,559
concerned about global the the safety of

754
00:30:32,600 --> 00:30:31,020
our world and the planet as a whole they

755
00:30:34,310 --> 00:30:32,610
demonstrated their power quite happily

756
00:30:36,710 --> 00:30:34,320
they could just simply go along and do

757
00:30:39,740 --> 00:30:36,720
every single solid wipe them out we have

758
00:30:40,970 --> 00:30:39,750
beer we build more of the weapons again

759
00:30:42,139 --> 00:30:40,980
until we think all right we've got a

760
00:30:44,029 --> 00:30:42,149
slap on the hand we can't this this

761
00:30:46,490 --> 00:30:44,039
pointless making nuclear weapons they

762
00:30:48,620 --> 00:30:46,500
haven't and they won't David that's the

763
00:30:50,360 --> 00:30:48,630

point I'm trying to raise certainly not

764

00:30:52,700 --> 00:30:50,370

from what we're seeing there is no good

765

00:30:55,430 --> 00:30:52,710

that has come from them at all you know

766

00:30:57,110 --> 00:30:55,440

they're going on about these people and

767

00:30:58,970 --> 00:30:57,120

I'm not denouncing any author

768

00:31:01,730 --> 00:30:58,980

I'm not denouncing any book this is my

769

00:31:04,039 --> 00:31:01,740

own opinion and my own opinion and I'm

770

00:31:06,200 --> 00:31:04,049

entitled to it I have not seen one good

771

00:31:07,639 --> 00:31:06,210

come from them not one good nothing

772

00:31:09,950 --> 00:31:07,649

absolutely nothing they could have the

773

00:31:11,630 --> 00:31:09,960

cure for cancer they could have the cure

774

00:31:14,480 --> 00:31:11,640

for many diseases we have received

775

00:31:16,100 --> 00:31:14,490

nothing they could wipe out all the

776

00:31:18,409 --> 00:31:16,110

nuclear weapons or nullify them they

777

00:31:20,380 --> 00:31:18,419

haven't done it it's like a game of cat

778

00:31:23,180 --> 00:31:20,390

and mouse and they are rather like

779

00:31:25,070 --> 00:31:23,190

shadows they seem to hide in the shadows

780

00:31:26,990 --> 00:31:25,080

they don't want to be seen and yet they

781

00:31:29,389 --> 00:31:27,000

do it's like when they put you under

782

00:31:32,210 --> 00:31:29,399

like me for example evident they can't

783

00:31:33,830 --> 00:31:32,220

successfully and any Theo ties us I

784

00:31:36,019 --> 00:31:33,840

mean I find that very strange for an

785

00:31:38,299 --> 00:31:36,029

advanced place that they can't entirely

786

00:31:40,190 --> 00:31:38,309

do it because sometimes we always wake

787

00:31:42,200 --> 00:31:40,200

up is as if we're meant to wake up to

788

00:31:45,110 --> 00:31:42,210

see snippets of them I don't know what

789

00:31:47,269 --> 00:31:45,120

is one is like a big nasty game but um

790

00:31:48,380 --> 00:31:47,279

you know that but that's my views on it

791

00:31:49,850 --> 00:31:48,390

you know about this

792

00:31:52,760 --> 00:31:49,860

about you know when I was reading about

793

00:31:56,240 --> 00:31:52,770

a certain that that adapt abductee

794

00:31:57,800 --> 00:31:56,250

sorry that was taken by them and he was

795

00:31:59,240 --> 00:31:57,810

ripped off to planets and they were all

796

00:32:01,580 --> 00:31:59,250

concerned I thought after one I thought

797

00:32:03,470 --> 00:32:01,590

no this is something wrong perhaps it

798

00:32:05,870 --> 00:32:03,480

did happen to him but it's an illusion

799

00:32:08,870 --> 00:32:05,880

they're making giving him this this

800

00:32:11,300 --> 00:32:08,880

illusion of care justice because we now

801
00:32:13,130 --> 00:32:11,310
know that the aliens are able to change

802
00:32:16,160 --> 00:32:13,140
their faces I mean first they're goblins

803
00:32:17,690 --> 00:32:16,170
and fairies then they made Nordics you

804
00:32:19,850 --> 00:32:17,700
know and then we have the greys what's

805
00:32:22,640 --> 00:32:19,860
it to be next year what's the next thing

806
00:32:27,020 --> 00:32:22,650
okay fifty I presume you'll run writing

807
00:32:29,330 --> 00:32:27,030
there yeah they can they can bring dead

808
00:32:31,190 --> 00:32:29,340
relatives aboard ships you read at these

809
00:32:33,710 --> 00:32:31,200
where they bring dead people aboard to

810
00:32:40,610 --> 00:32:33,720
see the adapt a just to make him a bit

811
00:32:42,410 --> 00:32:40,620
calmer I don't think that we may not be

812
00:32:44,420 --> 00:32:42,420
I've said before we may not be talking

813
00:32:46,430 --> 00:32:44,430

about if your terrestrial here we could

814

00:32:50,000 --> 00:32:46,440

we talked about interdimensional beings

815

00:32:51,770 --> 00:32:50,010

of some sort is a very good point and I

816

00:32:53,660 --> 00:32:51,780

met you know David it's funny isn't it

817

00:32:55,700 --> 00:32:53,670

the more I look into this subject the

818

00:32:57,650 --> 00:32:55,710

more I'm inclined to believe you're

819

00:33:00,170 --> 00:32:57,660

absolutely right that they are not from

820

00:33:02,930 --> 00:33:00,180

outer space rather they are from inner

821

00:33:05,990 --> 00:33:02,940

space a bit a dimension interdimensional

822

00:33:07,910 --> 00:33:06,000

yes and I don't think we call them

823

00:33:10,490 --> 00:33:07,920

aliens we have we have to we have to

824

00:33:12,620 --> 00:33:10,500

enable things categorize things with

825

00:33:14,720 --> 00:33:12,630

names that's understandable absolutely

826

00:33:16,130 --> 00:33:14,730

we need to categorizes I don't think

827

00:33:18,080 --> 00:33:16,140

they're aliens I think that's something

828

00:33:20,060 --> 00:33:18,090

else of course I do believe aliens are

829

00:33:22,010 --> 00:33:20,070

out there yeah we would be stupid to

830

00:33:23,900 --> 00:33:22,020

think we're the only ones but yes it

831

00:33:26,210 --> 00:33:23,910

doesn't all doesn't mean all these

832

00:33:28,640 --> 00:33:26,220

occurrences that we get Oh from

833

00:33:31,550 --> 00:33:28,650

extraterrestrial races I could well be

834

00:33:34,580 --> 00:33:31,560

you know it's a dimensional most of them

835

00:33:35,870 --> 00:33:34,590

anyway I absolutely absolutely agree

836

00:33:37,880 --> 00:33:35,880

with you I could absolutely believe in

837

00:33:40,400 --> 00:33:37,890

life on other planets of course I mean

838

00:33:43,160 --> 00:33:40,410

you know you know it this is this

839

00:33:44,690 --> 00:33:43,170

absolutely I believe there are but what

840

00:33:46,010 --> 00:33:44,700

wave deep me with that moment is some

841

00:33:48,050 --> 00:33:46,020

Menace that even the military can't

842

00:33:49,520 --> 00:33:48,060

control you know they seem to whip whip

843

00:33:51,920 --> 00:33:49,530

out into the skies and then disappear

844

00:33:54,770 --> 00:33:51,930

again and elude them yeah you know and I

845

00:33:57,980 --> 00:33:54,780

do believe the Roswell ship going to the

846

00:34:00,020 --> 00:33:57,990

the most famous case of of them all I

847

00:34:02,180 --> 00:34:00,030

actually do believe something alien

848

00:34:04,940 --> 00:34:02,190

crash there and I do believe

849

00:34:07,130 --> 00:34:04,950

that they captured hardware or physical

850

00:34:08,780 --> 00:34:07,140

I thought I do to agree with you yeah

851

00:34:10,880 --> 00:34:08,790

along with bodies is what I believe

852

00:34:13,100 --> 00:34:10,890

absolutely believed there within that

853

00:34:15,860 --> 00:34:13,110

because there's no smoke without fire

854

00:34:17,930 --> 00:34:15,870

and you know they actually reported and

855

00:34:19,340 --> 00:34:17,940

actually said that they've kept they've

856

00:34:21,740 --> 00:34:19,350

tried to put the thumb on it and stop

857

00:34:23,390 --> 00:34:21,750

them and retract it which when it was

858

00:34:25,480 --> 00:34:23,400

all out of the babe already you know I

859

00:34:28,610 --> 00:34:25,490

mean obviously that was a military

860

00:34:30,290 --> 00:34:28,620

nuclear not so much nuclear but a sonic

861

00:34:33,080 --> 00:34:30,300

base at that time they wouldn't be

862

00:34:37,520 --> 00:34:33,090

releasing a story like that stupidity

863

00:34:43,250 --> 00:34:37,530

would they're you know this back in the

864

00:34:45,590 --> 00:34:43,260

bag against the pieces they have

865

00:34:47,390 --> 00:34:45,600

hundreds of people there to clean up a

866

00:34:49,430 --> 00:34:47,400

molecule that children can find lying

867

00:34:51,500 --> 00:34:49,440

around no I don't think so I mean they

868

00:34:53,150 --> 00:34:51,510

were they were with the people living in

869

00:34:54,830 --> 00:34:53,160

an area we're quite used to seeing those

870

00:34:55,250 --> 00:34:54,840

balloons anyway so they knew what they

871

00:34:57,350 --> 00:34:55,260

look like

872

00:35:00,110 --> 00:34:57,360

especially man Mac Brazel who found that

873

00:35:02,480 --> 00:35:00,120

one on his ranch he knew what they look

874

00:35:03,800 --> 00:35:02,490

like because it found them before but he

875

00:35:06,560 --> 00:35:03,810

says this was nothing like he'd seen

876
00:35:08,210 --> 00:35:06,570
before that's right I mean you made you

877
00:35:10,490 --> 00:35:08,220
raised an interesting point David with

878
00:35:12,320 --> 00:35:10,500
the this fear we saw you said could they

879
00:35:14,780 --> 00:35:12,330
be coming from these ships that's a very

880
00:35:17,150 --> 00:35:14,790
good point because I did think about the

881
00:35:19,480 --> 00:35:17,160
Foo Fighters mmm I mean second world war

882
00:35:21,880 --> 00:35:19,490
they were heavily documented by pilots

883
00:35:24,200 --> 00:35:21,890
tailing the planes or swishing around

884
00:35:25,640 --> 00:35:24,210
observing the war there again they

885
00:35:28,460 --> 00:35:25,650
didn't intervene with the war they just

886
00:35:30,110 --> 00:35:28,470
watched okay so this thing could be like

887
00:35:32,060 --> 00:35:30,120
one of those things it's just not moving

888
00:35:34,160 --> 00:35:32,070

as fast as they were you know it's not

889

00:35:36,320 --> 00:35:34,170

eliminated unless you made a book of the

890

00:35:39,470 --> 00:35:36,330

moment about a lot of food fighters and

891

00:35:41,030 --> 00:35:39,480

actually UFOs in war time it's actually

892

00:35:42,860 --> 00:35:41,040

quite very interesting and there's a lot

893

00:35:45,170 --> 00:35:42,870

more reports that I wasn't even aware of

894

00:35:47,570 --> 00:35:45,180

it seems to be quite a commonplace thing

895

00:35:48,980 --> 00:35:47,580

with a lot when during wartime and these

896

00:35:52,880 --> 00:35:48,990

think the same flying around more than

897

00:35:56,090 --> 00:35:52,890

you were actually reported yeah in other

898

00:35:58,670 --> 00:35:56,100

books that I've seen you know yes that's

899

00:36:01,130 --> 00:35:58,680

right I mean as I said they've done

900

00:36:03,020 --> 00:36:01,140

nothing to help now you get some people

901
00:36:04,760 --> 00:36:03,030
who write that it is against their law

902
00:36:06,260 --> 00:36:04,770
to intervene you know they hate these

903
00:36:08,450 --> 00:36:06,270
people seem to know their rules and

904
00:36:11,390 --> 00:36:08,460
regulations it's against their but if

905
00:36:12,640 --> 00:36:11,400
there's a nuclear blast and intervene

906
00:36:15,020 --> 00:36:12,650
but they didn't they didn't with the

907
00:36:16,040 --> 00:36:15,030
atomic bomb testing make they could have

908
00:36:17,960 --> 00:36:16,050
stopped it they didn't

909
00:36:21,320 --> 00:36:17,970
there was one incident I know they did

910
00:36:23,450 --> 00:36:21,330
they did there was a rocket that took

911
00:36:25,250 --> 00:36:23,460
off and one of them was sped round it

912
00:36:27,320 --> 00:36:25,260
quickly fired a bolt of light and then

913
00:36:29,990 --> 00:36:27,330

destroyed it I don't know what that's

914

00:36:31,910 --> 00:36:30,000

all about that probably is another case

915

00:36:34,490 --> 00:36:31,920

of you know one let's just show our

916

00:36:36,410 --> 00:36:34,500

concern but certainly from my point of

917

00:36:38,270 --> 00:36:36,420

view I'm rather confused at the fact as

918

00:36:40,250 --> 00:36:38,280

why they've done absolutely nothing I

919

00:36:42,230 --> 00:36:40,260

mean I know they can't land on the lawns

920

00:36:44,240 --> 00:36:42,240

of the white as I know they can't arrive

921

00:36:47,060 --> 00:36:44,250

in their shirts because let's be honest

922

00:36:50,890 --> 00:36:47,070

there will be absolute Aniki I mean you

923

00:36:53,030 --> 00:36:50,900

know you just have to look at our own

924

00:36:54,890 --> 00:36:53,040

government and people what we do when we

925

00:36:55,760 --> 00:36:54,900

just saw it cost a simple vote yeah

926

00:36:58,580 --> 00:36:55,770

absolutely

927

00:37:00,290 --> 00:36:58,590

yeah the absolute horror and absolute

928

00:37:02,300 --> 00:37:00,300

lies we have to go through with that so

929

00:37:04,580 --> 00:37:02,310

my god what would happen if they arrived

930

00:37:06,440 --> 00:37:04,590

and I don't think the ones that visiting

931

00:37:09,230 --> 00:37:06,450

is at present would I think they're much

932

00:37:10,460 --> 00:37:09,240

darker I think these greys and not all

933

00:37:12,350 --> 00:37:10,470

what their pity I mean there might be

934

00:37:15,350 --> 00:37:12,360

factions which are good you get the good

935

00:37:18,920 --> 00:37:15,360

the bad and the ugly I mean we spoke to

936

00:37:21,140 --> 00:37:18,930

the wonderful Kathleen Mardan who is the

937

00:37:23,060 --> 00:37:21,150

niece of betty Ambati Betty and Barney

938

00:37:25,430 --> 00:37:23,070

Hill misses the niece and she's

939

00:37:27,020 --> 00:37:25,440

absolutely smashing and she she came up

940

00:37:29,060 --> 00:37:27,030

with a very interesting point especially

941

00:37:30,470 --> 00:37:29,070

about the Roswell ship that it could be

942

00:37:33,140 --> 00:37:30,480

possible is it possible that they are

943

00:37:35,780 --> 00:37:33,150

the pilots are engineered there they're

944

00:37:38,030 --> 00:37:35,790

biologically made to suit that

945

00:37:40,040 --> 00:37:38,040

environment that ends the ship you know

946

00:37:44,990 --> 00:37:40,050

that was a very interesting interesting

947

00:37:46,880 --> 00:37:45,000

hypothesis yes and if so if you're so

948

00:37:50,090 --> 00:37:46,890

advanced you could just sit back and

949

00:37:51,560 --> 00:37:50,100

build these clone people and send them

950

00:37:52,910 --> 00:37:51,570

out and then act as their eyes and their

951
00:37:55,070 --> 00:37:52,920
ears and have a look round they sniff

952
00:37:57,320 --> 00:37:55,080
around you know we have to consider many

953
00:37:59,990 --> 00:37:57,330
different things I mean I have I had I'm

954
00:38:01,520 --> 00:38:00,000
good at this I make you laugh I had one

955
00:38:02,960 --> 00:38:01,530
chap as I said I won't mention names

956
00:38:06,140 --> 00:38:02,970
it's not fair and I wouldn't do it

957
00:38:09,320 --> 00:38:06,150
anyway but it's check he seemed to have

958
00:38:12,650 --> 00:38:09,330
the entire alien agenda all implied see

959
00:38:15,290 --> 00:38:12,660
he was basically telling me he wrote to

960
00:38:17,930 --> 00:38:15,300
me about that I had got my Theory's

961
00:38:20,420 --> 00:38:17,940
wrong about them that they were and he

962
00:38:22,070 --> 00:38:20,430
gave this list this list it was a oh my

963
00:38:24,020 --> 00:38:22,080

god it was never-ending about what they

964

00:38:26,330 --> 00:38:24,030

plan to do and I thought where'd you get

965

00:38:28,580 --> 00:38:26,340

this from and he told me it was from as

966

00:38:29,810 --> 00:38:28,590

some general high class general well of

967

00:38:32,270 --> 00:38:29,820

course they can say anything

968

00:38:34,820 --> 00:38:32,280

because as soon as the general denounces

969

00:38:37,190 --> 00:38:34,830

it it becomes a conspiracy you is lost

970

00:38:39,050 --> 00:38:37,200

in this web of you know no one can prove

971

00:38:41,150 --> 00:38:39,060

it so I thought no this is absolute

972

00:38:42,920 --> 00:38:41,160

rubbish with the aliens absolutely

973

00:38:44,570 --> 00:38:42,930

categorically would not state their

974

00:38:46,010 --> 00:38:44,580

agenda to us and if they did it would be

975

00:38:47,450 --> 00:38:46,020

an absolute fabrication they would lead

976

00:38:49,520 --> 00:38:47,460

us off the trail they're not gonna tell

977

00:38:52,340 --> 00:38:49,530

us what they're up to tell us what they

978

00:38:54,830 --> 00:38:52,350

do and this is another point I'd like to

979

00:38:56,510 --> 00:38:54,840

raise about the hybridization program I

980

00:38:59,170 --> 00:38:56,520

read so much about

981

00:39:02,720 --> 00:38:59,180

now I'm not criticizing it I don't know

982

00:39:03,860 --> 00:39:02,730

I'm not educated in it entirely I mean

983

00:39:05,570 --> 00:39:03,870

perhaps there are some of them as

984

00:39:07,730 --> 00:39:05,580

scientists experimenting with people as

985

00:39:09,560 --> 00:39:07,740

a sweetwood with lab rats but the point

986

00:39:12,800 --> 00:39:09,570

i can't understand is some of them going

987

00:39:15,680 --> 00:39:12,810

on about the graves making a new race

988

00:39:17,750 --> 00:39:15,690

for their own empire or their own

989

00:39:19,730 --> 00:39:17,760

kingdom or whatever and I thought that's

990

00:39:21,710 --> 00:39:19,740

absolutely rubbish what's the point in

991

00:39:23,690 --> 00:39:21,720

that there's no point in it doesn't make

992

00:39:26,570 --> 00:39:23,700

any logical sense they wouldn't move

993

00:39:29,480 --> 00:39:26,580

away from what they are is like us when

994

00:39:32,420 --> 00:39:29,490

we're if we're dying out and we develop

995

00:39:35,050 --> 00:39:32,430

a new breed of people let's say I won't

996

00:39:37,760 --> 00:39:35,060

say they're cavemen but they're you

997

00:39:40,040 --> 00:39:37,770

Victorian in in nature Victorian they

998

00:39:41,930 --> 00:39:40,050

say we're we're of the 25th century and

999

00:39:43,940 --> 00:39:41,940

they're Victorian people we'll be

1000

00:39:46,730 --> 00:39:43,950

putting our genes into them what's the

1001
00:39:49,250 --> 00:39:46,740
point yeah they're never going to be the

1002
00:39:50,900 --> 00:39:49,260
original the hosts they're not going to

1003
00:39:53,180 --> 00:39:50,910
be that they're just going to be

1004
00:39:54,770 --> 00:39:53,190
completely a separate species doing

1005
00:39:56,090 --> 00:39:54,780
their own things that didn't make sense

1006
00:39:57,890 --> 00:39:56,100
to me there's something more sinister

1007
00:40:00,230 --> 00:39:57,900
behind I think they would agree more I

1008
00:40:02,420 --> 00:40:00,240
get your point there yeah you know I

1009
00:40:05,330 --> 00:40:02,430
just I don't understand that at all you

1010
00:40:08,000 --> 00:40:05,340
know and then we move on to the the

1011
00:40:12,380 --> 00:40:08,010
triangular ships now I have seen only

1012
00:40:15,590 --> 00:40:12,390
one once and it's ironic because and

1013
00:40:28,400 --> 00:40:15,600

although I'm friends with a wonderful

1014

00:40:30,950 --> 00:40:28,410

author Andrew Johnson I'm trying to get

1015

00:40:34,760 --> 00:40:30,960

him on the show soon actually yeah he's

1016

00:40:36,530 --> 00:40:34,770

a lovely very well educated he's like

1017

00:40:40,160 --> 00:40:36,540

his self he doesn't have any nonsense is

1018

00:40:42,020 --> 00:40:40,170

he he wants the truth out there and he

1019

00:40:44,339 --> 00:40:42,030

was showing me these images of these

1020

00:40:47,430 --> 00:40:44,349

triangular ships and they were very

1021

00:40:50,370 --> 00:40:47,440

sharply cornered and he was basically

1022

00:40:52,049 --> 00:40:50,380

their military built and I said well no

1023

00:40:54,630 --> 00:40:52,059

perhaps not all of them only he agreed

1024

00:40:58,079 --> 00:40:54,640

on that point and well my god I was to

1025

00:41:00,210 --> 00:40:58,089

see one myself I've I have catalogs I

1026

00:41:01,979 --> 00:41:00,220

think I have cat no I didn't kind of

1027

00:41:03,690 --> 00:41:01,989

catalog that one because I've seen so

1028

00:41:05,160 --> 00:41:03,700

many of them every two or three years

1029

00:41:08,609 --> 00:41:05,170

this is what I'm putting infinite

1030

00:41:12,749 --> 00:41:08,619

Mantle's book every account what I've

1031

00:41:14,579 --> 00:41:12,759

seen and and what I see David is not

1032

00:41:16,319 --> 00:41:14,589

just pinpricks of light they are full

1033

00:41:18,660 --> 00:41:16,329

scale but if I see them there happens to

1034

00:41:20,729 --> 00:41:18,670

be full scale this try a ship I saw it

1035

00:41:23,549 --> 00:41:20,739

was an August I do remember it was

1036

00:41:25,079 --> 00:41:23,559

August I don't know it was the 11th of

1037

00:41:28,739 --> 00:41:25,089

August I may have actually written it

1038

00:41:30,210 --> 00:41:28,749

down I can't remember but it was 11th or

1039

00:41:34,349 --> 00:41:30,220

12th and the Sun was seven o'clock in

1040

00:41:37,589 --> 00:41:34,359

the afternoon the Sun was the direction

1041

00:41:39,870 --> 00:41:37,599

of house here it's quite bright and it

1042

00:41:43,170 --> 00:41:39,880

just this huge thing casually passed

1043

00:41:44,849 --> 00:41:43,180

overhead now it was quite low I mean it

1044

00:41:47,219 --> 00:41:44,859

was massive I could see even the the

1045

00:41:49,739 --> 00:41:47,229

corners and the detail on the side of it

1046

00:41:52,680 --> 00:41:49,749

and it was a triangle it was a black

1047

00:41:55,709 --> 00:41:52,690

triangle it was if the corners weren't

1048

00:41:59,749 --> 00:41:55,719

sharp though they were rounded extremely

1049

00:42:02,339 --> 00:41:59,759

beautifully rounded and the the actual

1050

00:42:04,979 --> 00:42:02,349

mass of it was thick set I mean it

1051

00:42:06,959 --> 00:42:04,989

wasn't thin it was really fix it I

1052

00:42:09,599 --> 00:42:06,969

imagine you could get 15 decks on it I

1053

00:42:12,660 --> 00:42:09,609

mean it was gigantic and it was it was

1054

00:42:17,099 --> 00:42:12,670

so big and it just gracefully passed

1055

00:42:18,479 --> 00:42:17,109

above the house it moved a forward and I

1056

00:42:20,400 --> 00:42:18,489

can see any rockets there were no

1057

00:42:21,870 --> 00:42:20,410

engines there was no sound there was

1058

00:42:22,529 --> 00:42:21,880

nothing it wasn't a drone it was

1059

00:42:25,440 --> 00:42:22,539

gigantic

1060

00:42:28,019 --> 00:42:25,450

it looked like the the the silver orb

1061

00:42:29,940 --> 00:42:28,029

that we saw the the unfair the

1062

00:42:32,219 --> 00:42:29,950

electronica I call it it looks heavy

1063

00:42:34,589 --> 00:42:32,229

really heavy it was made of cast iron

1064

00:42:36,690 --> 00:42:34,599

black cast iron or something it's look

1065

00:42:41,160 --> 00:42:36,700

really heavy and but it was just flying

1066

00:42:43,229 --> 00:42:41,170

effortless silly into the distance and

1067

00:42:45,089 --> 00:42:43,239

as I was watching it now I had to I had

1068

00:42:47,009 --> 00:42:45,099

a choice now I could have grabbed my

1069

00:42:49,799 --> 00:42:47,019

mobile phone I wished I had now wished

1070

00:42:52,049 --> 00:42:49,809

I've filmed but I was frightened of

1071

00:42:53,819 --> 00:42:52,059

losing it and as I was watching it I

1072

00:42:55,109 --> 00:42:53,829

noticed that where the Sun was fretting

1073

00:42:57,400 --> 00:42:55,119

on the side it had these lovely grooves

1074

00:42:59,980 --> 00:42:57,410

along the side of it

1075

00:43:01,570 --> 00:42:59,990

Shing Grove but and the belly of it

1076
00:43:03,280 --> 00:43:01,580
underneath the belly I can see the belly

1077
00:43:05,920 --> 00:43:03,290
there were no girders all right it had

1078
00:43:07,570 --> 00:43:05,930
no lights on it nothing was on the thing

1079
00:43:09,610 --> 00:43:07,580
it was just all black and I suppose

1080
00:43:11,740 --> 00:43:09,620
that's attributed to it being daylight I

1081
00:43:13,900 --> 00:43:11,750
suppose these people who report them who

1082
00:43:15,340 --> 00:43:13,910
I do believe that they report them with

1083
00:43:17,050 --> 00:43:15,350
this mainly at night isn't it but they

1084
00:43:18,970 --> 00:43:17,060
see them nicely obviously I hate them

1085
00:43:20,560 --> 00:43:18,980
you know these these things on them but

1086
00:43:23,890 --> 00:43:20,570
no it was it was quick it was quite

1087
00:43:26,170 --> 00:43:23,900
although it was extremely bizarre it was

1088
00:43:28,120 --> 00:43:26,180

quite there was a certain beauty about

1089

00:43:30,640 --> 00:43:28,130

it I remembered thinking at the time as

1090

00:43:33,010 --> 00:43:30,650

I was watching it how the hell can it

1091

00:43:35,890 --> 00:43:33,020

just hang there how can it just hang

1092

00:43:39,460 --> 00:43:35,900

there it was me David it was gigantic

1093

00:43:42,490 --> 00:43:39,470

to gauge the actual size it was probably

1094

00:43:44,170 --> 00:43:42,500

the size of two football field so it

1095

00:43:47,860 --> 00:43:44,180

sounds very much like the Phoenix one

1096

00:43:49,690 --> 00:43:47,870

doesn't its own yeah and I never saw

1097

00:43:52,570 --> 00:43:49,700

again it was just and I kept thinking

1098

00:43:54,400 --> 00:43:52,580

why what why isn't anyone I can't they

1099

00:43:56,110 --> 00:43:54,410

see it why can't I see it

1100

00:43:57,430 --> 00:43:56,120

when these things happen and I do

1101
00:43:59,650 --> 00:43:57,440
believe they happen to a lot of people

1102
00:44:01,750 --> 00:43:59,660
when these things happen I think the

1103
00:44:02,650 --> 00:44:01,760
wonderful British UFO just saw it to

1104
00:44:04,540 --> 00:44:02,660
read all her books

1105
00:44:07,150 --> 00:44:04,550
Jenny Randall's she coined the phrase

1106
00:44:10,390 --> 00:44:07,160
the Oz factor this kicks in it's like

1107
00:44:12,940 --> 00:44:10,400
his it's it's it's unreal but it's real

1108
00:44:16,450 --> 00:44:12,950
you know there's one thing I did notice

1109
00:44:19,570 --> 00:44:16,460
one interesting detail I did notice when

1110
00:44:21,430 --> 00:44:19,580
this craft passed out of the head and it

1111
00:44:23,230 --> 00:44:21,440
didn't look military to me David that

1112
00:44:26,710 --> 00:44:23,240
look like it was perhaps hundreds of

1113
00:44:30,010 --> 00:44:26,720

years ahead of technology I'm not

1114

00:44:31,870 --> 00:44:30,020

discrediting the incredible progress and

1115

00:44:34,200 --> 00:44:31,880

military of made I mean there's no doubt

1116

00:44:36,850 --> 00:44:34,210

that they have developed some kind of

1117

00:44:39,040 --> 00:44:36,860

craft that can perhaps navigate and you

1118

00:44:41,590 --> 00:44:39,050

bother to you not I'm not knocking them

1119

00:44:43,840 --> 00:44:41,600

not on this scale not beside and even if

1120

00:44:45,520 --> 00:44:43,850

they had there is a valid point they

1121

00:44:48,450 --> 00:44:45,530

would not be broadcast themselves across

1122

00:44:50,710 --> 00:44:48,460

they would be flying them no maybe

1123

00:44:53,860 --> 00:44:50,720

thousands of people would be seeing them

1124

00:44:55,840 --> 00:44:53,870

like that yeah do it it's not that would

1125

00:44:56,590 --> 00:44:55,850

not be their tactic they're too smart

1126

00:45:01,030 --> 00:44:56,600

for that

1127

00:45:02,800 --> 00:45:01,040

but one interesting detail I did note is

1128

00:45:04,450 --> 00:45:02,810

that we have a lot of birds around where

1129

00:45:05,980 --> 00:45:04,460

we are and August yeah they're

1130

00:45:08,500 --> 00:45:05,990

everywhere the flying around when it

1131

00:45:10,930 --> 00:45:08,510

paths there was not one bird not one

1132

00:45:13,359 --> 00:45:10,940

bird anywhere

1133

00:45:16,150 --> 00:45:13,369

I was not strange he's joined you know

1134

00:45:18,099 --> 00:45:16,160

bird I didn't feel any vibration from it

1135

00:45:21,130 --> 00:45:18,109

I didn't feel anything from the thing it

1136

00:45:23,980 --> 00:45:21,140

just seemed to casually move and it was

1137

00:45:26,620 --> 00:45:23,990

it was like a shiny black tar thick said

1138

00:45:28,510 --> 00:45:26,630

the corners were rounded I was a

1139

00:45:30,490 --> 00:45:28,520

complete about my goodness when you look

1140

00:45:31,990 --> 00:45:30,500

at that and I did have a damn good look

1141

00:45:34,300 --> 00:45:32,000

at it as I said I had the choice of

1142

00:45:36,339 --> 00:45:34,310

getting my phone but I was frightened to

1143

00:45:38,260 --> 00:45:36,349

move to lose detail and people say

1144

00:45:39,819 --> 00:45:38,270

that's a cop-out it wasn't I wish now I

1145

00:45:41,200 --> 00:45:39,829

had God I wished I had because it was

1146

00:45:43,120 --> 00:45:41,210

there for a bit longer than I thought

1147

00:45:44,890 --> 00:45:43,130

but you don't know if it's gonna zip off

1148

00:45:46,809 --> 00:45:44,900

its gonna disappear you've got no idea

1149

00:45:49,180 --> 00:45:46,819

but I wanted to see the thing for what

1150

00:45:52,180 --> 00:45:49,190

it really was and that is alien

1151
00:45:53,920 --> 00:45:52,190
technology or otherworldly well you're

1152
00:45:55,510 --> 00:45:53,930
not yes but this made those same

1153
00:45:57,819 --> 00:45:55,520
descriptions that's what interests me

1154
00:45:59,890 --> 00:45:57,829
I've heard that type of description from

1155
00:46:02,230 --> 00:45:59,900
several other people just a couple of

1156
00:46:04,990 --> 00:46:02,240
friends of mine also

1157
00:46:09,400 --> 00:46:05,000
I think Darren Cooper had a very similar

1158
00:46:12,339 --> 00:46:09,410
experience to what you're describing you

1159
00:46:14,140 --> 00:46:12,349
know that's and I have seen a lot more

1160
00:46:16,329 --> 00:46:14,150
is it I would say well every two or

1161
00:46:17,950 --> 00:46:16,339
three years now the last ones we saw

1162
00:46:19,690 --> 00:46:17,960
were three of them I think they put them

1163
00:46:20,920 --> 00:46:19,700

on YouTube someone had unloaded them

1164

00:46:23,319 --> 00:46:20,930

someone else captured them

1165

00:46:24,700 --> 00:46:23,329

thank God and they've filmed them and

1166

00:46:28,750 --> 00:46:24,710

they've analyzed them and they're not

1167

00:46:30,190 --> 00:46:28,760

aircrafts at all but that was 2016 so

1168

00:46:32,470 --> 00:46:30,200

it's every two or three years now so

1169

00:46:34,569 --> 00:46:32,480

I've seen nothing yet and as I said with

1170

00:46:36,460 --> 00:46:34,579

the doctors I've as I said I've never

1171

00:46:38,470 --> 00:46:36,470

seen them again that was very very

1172

00:46:41,740 --> 00:46:38,480

bizarre but I would be happy to be

1173

00:46:43,390 --> 00:46:41,750

regressed to see if they could take me

1174

00:46:46,990 --> 00:46:43,400

back to the time it's funny isn't it

1175

00:46:49,359 --> 00:46:47,000

because I was request once by a medium

1176

00:46:52,690 --> 00:46:49,369

after all this I mean our beloved

1177

00:46:54,670 --> 00:46:52,700

grandmother she passed away she passed

1178

00:46:56,829 --> 00:46:54,680

away and I went to see medium even even

1179

00:46:58,120 --> 00:46:56,839

after all that I did announce the

1180

00:46:59,920 --> 00:46:58,130

mediums thinking would because Philip

1181

00:47:02,790 --> 00:46:59,930

came back from singer and I was laughing

1182

00:47:05,920 --> 00:47:02,800

said hole you know I was ignorant

1183

00:47:08,950 --> 00:47:05,930

I kept saying are you know crystal ball

1184

00:47:10,150 --> 00:47:08,960

of gypsy woman you know pop cause my car

1185

00:47:11,950 --> 00:47:10,160

was silver and all that I said what a

1186

00:47:14,710 --> 00:47:11,960

load of rubbish when he came back from

1187

00:47:16,750 --> 00:47:14,720

her the first thing I noticed the first

1188

00:47:19,210 --> 00:47:16,760

thing it was down strong he stank of

1189

00:47:21,130 --> 00:47:19,220

youth Jew and I said to him what's the

1190

00:47:21,609 --> 00:47:21,140

medium we're never to any parfum no no

1191

00:47:23,530 --> 00:47:21,619

she doesn't

1192

00:47:24,819 --> 00:47:23,540

she wasn't grandpa from what my grandma

1193

00:47:27,009 --> 00:47:24,829

always

1194

00:47:29,620 --> 00:47:27,019

war youth June I said all this juice

1195

00:47:31,150 --> 00:47:29,630

wanted it she loved it so I made an

1196

00:47:33,969 --> 00:47:31,160

appointment to see her and it developed

1197

00:47:37,569 --> 00:47:33,979

a friendship afterwards especially Tim

1198

00:47:39,549 --> 00:47:37,579

yeah yeah are you at your night she

1199

00:47:44,469 --> 00:47:39,559

cooked a ball yourself are you all do

1200

00:47:47,049 --> 00:47:44,479

you know Philippe he is isn't he yeah

1201

00:47:49,839 --> 00:47:47,059

yeah no I'm afraid I'm not I make no

1202

00:47:51,670 --> 00:47:49,849

claim to that when s this medium she was

1203

00:47:53,949 --> 00:47:51,680

in David she was incredible her name was

1204

00:47:56,019 --> 00:47:53,959

Pearl she was incredible very young very

1205

00:47:57,160 --> 00:47:56,029

transient woman she was incredible she

1206

00:47:57,940 --> 00:47:57,170

didn't even look at me I gave a false

1207

00:47:59,739 --> 00:47:57,950

name by the way

1208

00:48:01,239 --> 00:47:59,749

and she cheated bother I didn't faze her

1209

00:48:02,979 --> 00:48:01,249

she just looked at the woman it all came

1210

00:48:05,229 --> 00:48:02,989

through actually what she came through

1211

00:48:07,690 --> 00:48:05,239

with I was gobsmacked it wasn't this

1212

00:48:11,199 --> 00:48:07,700

wishy-washy monsters they put on TV like

1213

00:48:14,019 --> 00:48:11,209

his own unique body there no this was

1214

00:48:15,459 --> 00:48:14,029

accurate detailed to the point where a

1215

00:48:18,099 --> 00:48:15,469

family member drowned we had no

1216

00:48:20,140 --> 00:48:18,109

knowledge of it and yet our mother knew

1217

00:48:21,759 --> 00:48:20,150

who it was it was yes it was the person

1218

00:48:22,630 --> 00:48:21,769

she said we had no so she's not even

1219

00:48:23,559 --> 00:48:22,640

mine we didn't either

1220

00:48:25,569 --> 00:48:23,569

because he'd be not on with the

1221

00:48:27,640 --> 00:48:25,579

knowledge how could she know she she's

1222

00:48:28,959 --> 00:48:27,650

she did past life regression afterwards

1223

00:48:30,640 --> 00:48:28,969

with me and that's the only time I was

1224

00:48:33,099 --> 00:48:30,650

regret afterwards after this meeting her

1225

00:48:35,109 --> 00:48:33,109

after I'd confirmed that it yeah you

1226

00:48:36,670 --> 00:48:35,119

know she's absolutely spot on she came

1227

00:48:39,400 --> 00:48:36,680

around and did passive aggression when I

1228

00:48:41,620 --> 00:48:39,410

saw for past lives but I didn't see I

1229

00:48:43,509 --> 00:48:41,630

didn't see what she because she said

1230

00:48:49,170 --> 00:48:43,519

Phillip and I were once sisters on

1231

00:48:55,809 --> 00:48:51,430

American friends out there don't know

1232

00:49:06,910 --> 00:48:55,819

who they are but two gentlemen dressed

1233

00:49:09,069 --> 00:49:06,920

up as ladies and they it was two old

1234

00:49:09,880 --> 00:49:09,079

ladies you know they portrayed them for

1235

00:49:11,920 --> 00:49:09,890

American friends

1236

00:49:14,880 --> 00:49:11,930

they betrayed them as these comical to

1237

00:49:18,910 --> 00:49:14,890

village life

1238

00:49:19,839 --> 00:49:18,920

cake-eating eccentric ladies so very fun

1239

00:49:21,309 --> 00:49:19,849

I've got the cellar actually we've got

1240

00:49:23,170 --> 00:49:21,319

the we've got the box that over they

1241

00:49:24,999 --> 00:49:23,180

were very popular I think in the 70s

1242

00:49:36,459 --> 00:49:25,009

there were seven probably like the

1243

00:49:38,620 --> 00:49:36,469

Golden Girls that are new pretty they

1244

00:49:39,910 --> 00:49:38,630

are here amongst us they certainly are

1245

00:49:42,339 --> 00:49:39,920

I like that line that was from the

1246

00:49:44,890 --> 00:49:42,349

invaders they are here amongst us we

1247

00:49:47,440 --> 00:49:44,900

what they are we don't know we can't say

1248

00:49:49,539 --> 00:49:47,450

and I think it's wonderful attributed to

1249

00:49:52,299 --> 00:49:49,549

all of our UFO researchers who are

1250

00:49:54,249 --> 00:49:52,309

absolutely wonderful people so I liken

1251

00:49:56,200 --> 00:49:54,259

it to a jigsaw puzzle they're trying to

1252

00:49:58,299 --> 00:49:56,210

put pieces together to form a coherent

1253

00:49:59,740 --> 00:49:58,309

picture almost the most of them are I'm

1254

00:50:02,200 --> 00:49:59,750

afraid that there's a few that go a

1255

00:50:04,660 --> 00:50:02,210

little bit overboard and try to start

1256

00:50:09,970 --> 00:50:04,670

exaggerating things which being kind of

1257

00:50:12,299 --> 00:50:09,980

throws all of their previous work that's

1258

00:50:15,730 --> 00:50:12,309

the danger of becoming started no yes

1259

00:50:19,660 --> 00:50:15,740

like I've seen some I won't give names

1260

00:50:22,749 --> 00:50:19,670

some talk one particular woman presenter

1261

00:50:26,230 --> 00:50:22,759

who I think I'm not going to be unkind

1262

00:50:29,529 --> 00:50:26,240

here but I think she's um what's the

1263

00:50:32,890 --> 00:50:29,539

word should I use in a social media

1264

00:50:33,549 --> 00:50:32,900

climber yeah and I dunno who you're

1265

00:50:36,099 --> 00:50:33,559

talking about

1266

00:50:37,630 --> 00:50:36,109

yeah you have to be careful because when

1267

00:50:40,089 --> 00:50:37,640

I've noticed when people come up with

1268

00:50:41,740 --> 00:50:40,099

new theories good folk on like on your

1269

00:50:43,779 --> 00:50:41,750

radio stations or other people on other

1270

00:50:48,940 --> 00:50:43,789

radio stations she seems to suck up the

1271

00:50:51,519 --> 00:50:48,950

information like a Spanish exactly yeah

1272

00:50:54,640 --> 00:50:51,529

and so she has the answers to everything

1273

00:50:57,400 --> 00:50:54,650

basically it sounds like yes I think and

1274

00:50:58,900 --> 00:50:57,410

I'm watching this woman on TV and

1275

00:51:00,880 --> 00:50:58,910

YouTube and that I think she's got a

1276

00:51:02,640 --> 00:51:00,890

hell of a lot of them wrong this is the

1277

00:51:08,920 --> 00:51:02,650

ironic thing about it especially about

1278

00:51:11,650 --> 00:51:08,930

the the crop circles which and which is

1279

00:51:13,990 --> 00:51:11,660

a shame because early research into well

1280

00:51:15,819 --> 00:51:14,000

to talk about it Ketel reasons and

1281

00:51:18,579 --> 00:51:15,829

everything like there was actually very

1282

00:51:20,529 --> 00:51:18,589

very good and it still stands up but

1283

00:51:22,210 --> 00:51:20,539

unfortunately it's just gone too far

1284

00:51:24,999 --> 00:51:22,220

when you get the answers to everything

1285

00:51:29,230 --> 00:51:25,009

that's going on unfortunately this sort

1286

00:51:31,539 --> 00:51:29,240

of ruins everything else yes but as you

1287

00:51:34,240 --> 00:51:31,549

said no I'm not psychic like Phillip but

1288

00:51:37,359 --> 00:51:34,250

my intuition always kicks in it's like

1289

00:51:40,809 --> 00:51:37,369

about this woman yeah and the the the

1290

00:51:43,059 --> 00:51:40,819

getting back to the the psychic ability

1291

00:51:45,549 --> 00:51:43,069

no I couldn't raise the skin of a

1292

00:51:48,160 --> 00:51:45,559

writing well as I think we've all got it

1293

00:51:50,140 --> 00:51:48,170

in us a lot we were saying before before

1294

00:51:52,420 --> 00:51:50,150

a lot we feel affirmed there I think

1295

00:51:54,700 --> 00:51:52,430

this don't develop it do we

1296

00:51:56,590 --> 00:51:54,710

you okay is this funny feeling about

1297

00:52:03,220 --> 00:51:56,600

someone or when you walk into a room you

1298

00:52:04,810 --> 00:52:03,230

feel in atmosphere bring you through I

1299

00:52:08,340 --> 00:52:04,820

think with my art I love drawing the

1300

00:52:10,810 --> 00:52:08,350

night fantastic some of your artwork

1301
00:52:12,490 --> 00:52:10,820
when I put this show this the show goes

1302
00:52:14,050 --> 00:52:12,500
out in a few weeks I'll actually put

1303
00:52:16,680 --> 00:52:14,060
some of your artwork on the pet on the

1304
00:52:19,180 --> 00:52:16,690
paranormal dimensions page if it's okay

1305
00:52:21,970 --> 00:52:19,190
use whatever you want David that's fine

1306
00:52:23,470 --> 00:52:21,980
but um but and also with the writing but

1307
00:52:26,110 --> 00:52:23,480
I was like you said David yes you're

1308
00:52:28,150 --> 00:52:26,120
right all of us we all have this it's

1309
00:52:29,620 --> 00:52:28,160
whether we wish it to remain dormant or

1310
00:52:31,780 --> 00:52:29,630
not I think some people it's slightly

1311
00:52:34,000 --> 00:52:31,790
works other people they work on images

1312
00:52:36,370 --> 00:52:34,010
brilliant brilliant to really develop

1313
00:52:41,170 --> 00:52:36,380

the skill is like the wonderful Franklin

1314

00:52:42,850 --> 00:52:41,180

it's his his his his he has an ability I

1315

00:52:45,520 --> 00:52:42,860

mean when he did that when he broke all

1316

00:52:47,170 --> 00:52:45,530

those concrete slabs using not only the

1317

00:52:48,370 --> 00:52:47,180

power of his fist which cannot possibly

1318

00:52:51,430 --> 00:52:48,380

do it that's impossible

1319

00:52:53,800 --> 00:52:51,440

but it's mind yeah does he find into it

1320

00:52:56,230 --> 00:52:53,810

that's why I was trying to I I asked him

1321

00:52:58,000 --> 00:52:56,240

the question about sir does he know this

1322

00:53:00,340 --> 00:52:58,010

going on in it with in his mind is it or

1323

00:53:01,750 --> 00:53:00,350

is it something that's I don't know does

1324

00:53:04,060 --> 00:53:01,760

he understand what it is that's

1325

00:53:05,380 --> 00:53:04,070

happening you know I mean he's been

1326

00:53:07,180 --> 00:53:05,390

linked in his book of records you know

1327

00:53:09,100 --> 00:53:07,190

it's got an accomplished gentleman and I

1328

00:53:10,840 --> 00:53:09,110

absolutely love the guy I think and when

1329

00:53:13,390 --> 00:53:10,850

he talks he talks the truth and I was

1330

00:53:15,730 --> 00:53:13,400

fascinated about the reptilian he saw

1331

00:53:17,590 --> 00:53:15,740

the shapeshifter he saw her and if Frank

1332

00:53:18,910 --> 00:53:17,600

says he saw it he saw yeah oh he

1333

00:53:22,590 --> 00:53:18,920

wouldn't yeah you wouldn't lie enough

1334

00:53:27,760 --> 00:53:22,600

right it's not that type of guy you know

1335

00:53:30,250 --> 00:53:27,770

but yes you know his his accounts I mean

1336

00:53:32,680 --> 00:53:30,260

you know I'm just grateful that we have

1337

00:53:35,020 --> 00:53:32,690

people like yourself David and Frank and

1338

00:53:37,330 --> 00:53:35,030

we have all the others the good people

1339

00:53:39,160 --> 00:53:37,340

on our side who are just trying to find

1340

00:53:40,780 --> 00:53:39,170

out what these things are and I don't

1341

00:53:43,570 --> 00:53:40,790

think we're going to get the answer

1342

00:53:45,970 --> 00:53:43,580

anytime soon I think this picture is not

1343

00:53:48,070 --> 00:53:45,980

even half built yet on this puzzle no I

1344

00:53:51,460 --> 00:53:48,080

think you're right I'll ever see in my

1345

00:53:54,010 --> 00:53:51,470

lifetime think I will in my lifetime

1346

00:53:56,740 --> 00:53:54,020

either it's it's but it is but one thing

1347

00:53:59,110 --> 00:53:56,750

week we have confirmed this ancient it

1348

00:54:02,470 --> 00:53:59,120

has been here for a long time it's able

1349

00:54:04,570 --> 00:54:02,480

to change its shape as Paul Sinclair I

1350

00:54:06,220 --> 00:54:04,580

mean the wonderful Paul Sinclair son of

1351

00:54:10,170 --> 00:54:06,230

a lot of research into it as well

1352

00:54:13,540 --> 00:54:10,180

in Benton where him and the wonderful

1353

00:54:19,060 --> 00:54:13,550

film producer christopher Turner salmon

1354

00:54:21,250 --> 00:54:19,070

yeah wonderful people and also Bob Brown

1355

00:54:23,440 --> 00:54:21,260

yeah they be not investigating these

1356

00:54:26,260 --> 00:54:23,450

things and I mean Chris Turner did a

1357

00:54:28,569 --> 00:54:26,270

wonderful documentary on don't mention

1358

00:54:32,170 --> 00:54:28,579

the refugees oh goodie actually it's

1359

00:54:36,430 --> 00:54:32,180

very good and Elysium sorry elusive he

1360

00:54:39,609 --> 00:54:36,440

did one called elusive about the Bigfoot

1361

00:54:41,349 --> 00:54:39,619

and I think it's bringing a new when I

1362

00:54:42,849 --> 00:54:41,359

was knee bring it down the night yes

1363

00:54:45,310 --> 00:54:42,859

that there is something new coming out I

1364

00:54:47,890 --> 00:54:45,320

think this yeah I think he and Paul were

1365

00:54:49,810 --> 00:54:47,900

working on something I believe yeah I

1366

00:54:52,000 --> 00:54:49,820

mean I love all that and I love I just

1367

00:54:54,609 --> 00:54:52,010

think it like you said David you have

1368

00:54:56,770 --> 00:54:54,619

the inner knowing about people you you

1369

00:54:59,079 --> 00:54:56,780

have that that feeling that you you're

1370

00:55:00,670 --> 00:54:59,089

drawn to that like you're drawn to we

1371

00:55:02,050 --> 00:55:00,680

were drawn to each other and I think

1372

00:55:03,280 --> 00:55:02,060

that's beautiful you know it's like well

1373

00:55:05,650 --> 00:55:03,290

I've made mistakes

1374

00:55:07,810 --> 00:55:05,660

you know you yeah we've all know how

1375

00:55:10,000 --> 00:55:07,820

trust broken of your points you know I

1376

00:55:11,589 --> 00:55:10,010

think I think the trouble is with if

1377

00:55:12,040 --> 00:55:11,599

you're like me I'm a very trusting

1378

00:55:14,140 --> 00:55:12,050

person

1379

00:55:15,670 --> 00:55:14,150

I'll do trouble people a lot even if I

1380

00:55:18,520 --> 00:55:15,680

might have a funny feeling about them

1381

00:55:22,660 --> 00:55:18,530

first but then yeah but once that trust

1382

00:55:26,230 --> 00:55:22,670

is broken you know well you know how I

1383

00:55:29,319 --> 00:55:26,240

feel about that yes yes I know what you

1384

00:55:31,750 --> 00:55:29,329

mean it's like it's just the way it is

1385

00:55:33,700 --> 00:55:31,760

isn't it but the doctors as I said

1386

00:55:34,900 --> 00:55:33,710

referring to them they weren't as I must

1387

00:55:36,880 --> 00:55:34,910

make it quite clear they weren't

1388

00:55:42,609 --> 00:55:36,890

horrible to me they were very concerned

1389

00:55:43,960 --> 00:55:42,619

but they were very very he the the three

1390

00:55:46,030 --> 00:55:43,970

ahead of me never spoke they were just

1391

00:55:46,990 --> 00:55:46,040

standing there at the three ahead of me

1392

00:55:48,880 --> 00:55:47,000

they just stood there

1393

00:55:51,130 --> 00:55:48,890

the I couldn't see the visitors to

1394

00:55:52,809 --> 00:55:51,140

pepper he behind me I never saw him he

1395

00:55:55,900 --> 00:55:52,819

was the one in charge but he was

1396

00:55:58,059 --> 00:55:55,910

extremely polite his voice was polite as

1397

00:55:59,680 --> 00:55:58,069

I said I don't know if he communicated

1398

00:56:01,240 --> 00:55:59,690

through lips or whether it was her mind

1399

00:56:04,480 --> 00:56:01,250

I never saw him or could see anything on

1400

00:56:07,630 --> 00:56:04,490

them to to answer that but he was polite

1401
00:56:09,370 --> 00:56:07,640
but he was an authority that was going

1402
00:56:11,500 --> 00:56:09,380
to do what they were going to do they

1403
00:56:13,510 --> 00:56:11,510
won't have any nonsense and and they

1404
00:56:15,069 --> 00:56:13,520
were very gentle I mean they didn't even

1405
00:56:17,440 --> 00:56:15,079
wagered my hand he was very gentle and

1406
00:56:19,630 --> 00:56:17,450
put the no president Najib on it it was

1407
00:56:20,039 --> 00:56:19,640
very gentle you know the thing they

1408
00:56:22,259 --> 00:56:20,049
showed

1409
00:56:25,019 --> 00:56:22,269
afterwards I mean I might be wrong but

1410
00:56:26,609 --> 00:56:25,029
is the only logical answer I can come up

1411
00:56:28,739 --> 00:56:26,619
with why they showed me that horror and

1412
00:56:32,069 --> 00:56:28,749
interesting enough I'm I mean I've never

1413
00:56:33,569 --> 00:56:32,079

ever illustrated this cat but I'm going

1414

00:56:37,259 --> 00:56:33,579

to illustrate it for this book for third

1415

00:56:38,880 --> 00:56:37,269

it men for this book about the the

1416

00:56:40,380 --> 00:56:38,890

aliens the reptilians and all that but I

1417

00:56:43,169 --> 00:56:40,390

am going to do an actual picture of it

1418

00:56:46,049 --> 00:56:43,179

as I could never recapture what I saw I

1419

00:56:47,789 --> 00:56:46,059

couldn't do that I could never recapture

1420

00:56:49,799 --> 00:56:47,799

the horror of what I thought because

1421

00:56:51,630 --> 00:56:49,809

that cat's got me for life I've never

1422

00:56:54,479 --> 00:56:51,640

forgotten this face I can see it but

1423

00:56:55,709 --> 00:56:54,489

trying to actually replicate it is going

1424

00:56:57,359 --> 00:56:55,719

to be different but I look I'm going to

1425

00:57:00,239 --> 00:56:57,369

give it my best shot for this book as

1426

00:57:02,459 --> 00:57:00,249

well you know yeah sure that yeah it was

1427

00:57:04,410 --> 00:57:02,469

wavering it was like it was and that if

1428

00:57:07,589 --> 00:57:04,420

I remember correctly it was blueish it

1429

00:57:09,839 --> 00:57:07,599

was blue electric bluish or not so

1430

00:57:12,209 --> 00:57:09,849

bright as electric blue but it was like

1431

00:57:14,400 --> 00:57:12,219

an electric bluish I don't know that I

1432

00:57:16,769 --> 00:57:14,410

can't remember if it had color in it I

1433

00:57:18,959 --> 00:57:16,779

cannot remember but it was certainly

1434

00:57:20,579 --> 00:57:18,969

bluish and I could see the teeth are

1435

00:57:22,499 --> 00:57:20,589

very clever I mean if we had technology

1436

00:57:24,809 --> 00:57:22,509

like that now my goodness would you'd

1437

00:57:26,969 --> 00:57:24,819

make up you can make a fortune you know

1438

00:57:28,769 --> 00:57:26,979

especially that that absolutely perfect

1439

00:57:30,419 --> 00:57:28,779

you know especially projecting it out I

1440

00:57:32,219 --> 00:57:30,429

don't know they can do it with VR now

1441

00:57:34,469 --> 00:57:32,229

they're very clever with his via virtual

1442

00:57:36,209 --> 00:57:34,479

reality systems you know we ever have to

1443

00:57:38,519 --> 00:57:36,219

wear the screen on your head you need

1444

00:57:40,229 --> 00:57:38,529

some kind of receptor for it but they

1445

00:57:42,779 --> 00:57:40,239

could just project it on the ceiling of

1446

00:57:44,759 --> 00:57:42,789

the wall and he was 3d it was like he

1447

00:57:47,459 --> 00:57:44,769

was really there just so Tamara was 9 he

1448

00:57:50,419 --> 00:57:47,469

was his head was really there and that

1449

00:57:53,789 --> 00:57:50,429

is the only the only thing that um

1450

00:57:56,099 --> 00:57:53,799

horrified me about them was ironically

1451

00:57:57,150 --> 00:57:56,109

not then themselves but the cat yeah

1452

00:57:59,339 --> 00:57:57,160

that's fascinating

1453

00:58:02,219 --> 00:57:59,349

anyway unfortunately we've got about a

1454

00:58:06,509 --> 00:58:02,229

minute left so I think we just have to

1455

00:58:09,019 --> 00:58:06,519

wind up and you've got blendable next

1456

00:58:11,579 --> 00:58:09,029

you've got anything important planned or

1457

00:58:13,429 --> 00:58:11,589

well I'm gonna hopefully meet you at the

1458

00:58:21,299 --> 00:58:13,439

car oh yes Jay we'll be seeing you there

1459

00:58:26,609 --> 00:58:21,309

the whole conference looking so for that

1460

00:58:28,380 --> 00:58:26,619

I am too and yeah I mean really I pretty

1461

00:58:30,269 --> 00:58:28,390

well listening out there Philip and

1462

00:58:32,780 --> 00:58:30,279

Ronald to have their own twin soul site

1463

00:58:34,190 --> 00:58:32,790

which is on this network as well

1464

00:58:37,520 --> 00:58:34,200

which you should always give us into

1465

00:58:40,730 --> 00:58:37,530

opal I'll put a link to it on my page

1466

00:58:42,740 --> 00:58:40,740

and unfortunately we've got to leave it

1467

00:58:46,640 --> 00:58:42,750

there now it's been fascinating talking

1468

00:58:50,120 --> 00:58:46,650

to ronald again oh yeah like you you

1469

00:58:52,270 --> 00:58:50,130

really are twin souls you and i can see

1470

00:58:55,430 --> 00:58:52,280

exactly why you call yourselves that now

1471

00:58:58,280 --> 00:58:55,440

dum and tweedle dee dee now you're both

1472

00:59:01,550 --> 00:58:58,290

gentlemen and I'm really proud to know

1473

00:59:03,920 --> 00:59:01,560

you I really am and I'm really looking

1474

00:59:05,660 --> 00:59:03,930

forward to seeing you soon anyway

1475

00:59:08,300 --> 00:59:05,670

everyone I'm sorry I'll go say goodbye

1476

00:59:10,990 --> 00:59:08,310

to you now and then let's see it I'll go
