

Paranormal UK Radio Network Presents

# PARANORMAL DIMENSIONS

with David Young

Author, Clairvoyant and  
Remote viewer  
Solaris BlueRaven

*Monday 10th June at 8pm GMT/EST*

[www.paranormalukradionetwork.com](http://www.paranormalukradionetwork.com)

1  
00:00:39,880 --> 00:00:22,840

[Music]

2  
00:00:42,160 --> 00:00:39,890

this is Sascha Christie and you're

3  
00:00:44,740 --> 00:00:42,170

listening to the paranormal UK radio

4  
00:00:47,890 --> 00:00:44,750

network the UK's biggest paranormal

5  
00:00:50,770 --> 00:00:47,900

Network this is paranormal dimensions

6  
00:00:55,299 --> 00:00:50,780

with David Young Thank You Felicia

7  
00:00:58,900 --> 00:00:55,309

what a great welcome what another great

8  
00:01:01,439 --> 00:00:58,910

show here now first of all I think for

9  
00:01:04,210 --> 00:01:01,449

my listeners that have been listening

10  
00:01:05,049 --> 00:01:04,220

recently I started doing like call-outs

11  
00:01:08,350 --> 00:01:05,059

for people

12  
00:01:11,050 --> 00:01:08,360

I've got call-outs for Eva Bianco in

13  
00:01:13,359 --> 00:01:11,060

Corpus Christi Texas Dave Kelly in

14

00:01:16,660 --> 00:01:13,369

Liverpool UK and Daron Cooper

15

00:01:19,620 --> 00:01:16,670

Southampton UK hope you'll be listening

16

00:01:22,330 --> 00:01:19,630

and welcome to the show everybody else

17

00:01:24,940 --> 00:01:22,340

now I've got a great guest again tonight

18

00:01:28,800 --> 00:01:24,950

and we'll be scared of this one because

19

00:01:31,990 --> 00:01:28,810

she's a she's a witch anybody but

20

00:01:34,480 --> 00:01:32,000

Solaris blue Raven now she's been on the

21

00:01:36,910 --> 00:01:34,490

golden path of mysticism for well over

22

00:01:39,190 --> 00:01:36,920

20 years now so I'm gonna waste no more

23

00:01:42,520 --> 00:01:39,200

time I'm gonna introduce Solaris blue

24

00:01:45,639 --> 00:01:42,530

haven but blue Raven sorry stupidest

25

00:01:46,240 --> 00:01:45,649

hunk so welcome Solaris thank you for

26

00:01:48,010 --> 00:01:46,250

having me

27

00:01:50,230 --> 00:01:48,020

no no it's welcome welcome to the show

28

00:01:52,510 --> 00:01:50,240

and I'm really pleased to be I mean I've

29

00:01:56,880 --> 00:01:52,520

heard of you wolf food for quite a long

30

00:01:59,800 --> 00:01:58,839

congratulations on your and your

31

00:02:01,510 --> 00:01:59,810

wonderful show by the way

32

00:02:03,609 --> 00:02:01,520

thank you very much I mean it seems to

33

00:02:05,109 --> 00:02:03,619

be well it's actually surprised me I

34

00:02:06,850 --> 00:02:05,119

didn't think it was gonna be as popular

35

00:02:09,370 --> 00:02:06,860

as it is but so seems to be going down

36

00:02:11,920 --> 00:02:09,380

okay anyway but but anyway this is your

37

00:02:14,199 --> 00:02:11,930

show and I want to find out all about

38

00:02:16,150 --> 00:02:14,209

you I mean like I said I'm a bit scared

39

00:02:18,580 --> 00:02:16,160

of this one because you seem to be very

40

00:02:21,280 --> 00:02:18,590

oh you've got your black bow and

41

00:02:22,630 --> 00:02:21,290

everything oh yeah yeah I'm pretty much

42

00:02:26,260 --> 00:02:22,640

mastered a lot of different things and

43

00:02:28,540 --> 00:02:26,270

yeah write your resume a here is quite

44

00:02:30,160 --> 00:02:28,550

amazing well yeah it's a couple

45

00:02:31,630 --> 00:02:30,170

lifetimes all merged into one I suppose

46

00:02:33,130 --> 00:02:31,640

when you think about it but yeah I have

47

00:02:34,960 --> 00:02:33,140

a background in martial arts and second

48

00:02:37,240 --> 00:02:34,970

degree black mountain and witchcraft

49

00:02:39,250 --> 00:02:37,250

mysticism and a lot of other areas

50

00:02:40,690 --> 00:02:39,260

across corporate technology yeah yeah

51  
00:02:41,949 --> 00:02:40,700  
cuz you've got your own radio show as

52  
00:02:43,360 --> 00:02:41,959  
well haven't you I do

53  
00:02:44,619 --> 00:02:43,370  
yeah it's on hyperspace it's over there

54  
00:02:46,300 --> 00:02:44,629  
in case your additional radio network

55  
00:02:48,069 --> 00:02:46,310  
and of course it gets replayed here at a

56  
00:02:49,990 --> 00:02:48,079  
paranormal UK radio that's right yeah

57  
00:02:50,770 --> 00:02:50,000  
and what I'll do I've got a Facebook

58  
00:02:52,870 --> 00:02:50,780  
paranormal

59  
00:02:55,780 --> 00:02:52,880  
dimensions page I'll let you put links

60  
00:02:57,220 --> 00:02:55,790  
up to it and all that so yeah what what

61  
00:03:00,940 --> 00:02:57,230  
God a few more people over to your show

62  
00:03:01,780 --> 00:03:00,950  
yeah it's good to share share listeners

63  
00:03:03,460 --> 00:03:01,790

around isn't it

64

00:03:08,620 --> 00:03:03,470

I'm sure my followers will be following

65

00:03:10,750 --> 00:03:08,630

you so that's more the merrier anyway

66

00:03:14,100 --> 00:03:10,760

you want to start to tell us maybe how

67

00:03:16,330 --> 00:03:14,110

you got started in the paranormal and

68

00:03:17,979 --> 00:03:16,340

you've done it's a hundred Tom so you

69

00:03:20,440 --> 00:03:17,989

probably fed up with telling the story

70

00:03:22,120 --> 00:03:20,450

okay well the path of spirit is

71

00:03:23,199 --> 00:03:22,130

something that I was just born into in

72

00:03:24,550 --> 00:03:23,209

the illusion of I guess when I say the

73

00:03:26,590 --> 00:03:24,560

illusion of because we enter onto a

74

00:03:29,020 --> 00:03:26,600

timeline into a world but were already

75

00:03:30,250 --> 00:03:29,030

come in as advanced beings in my opinion

76

00:03:31,990 --> 00:03:30,260

anyway in my assessment so when I

77

00:03:34,330 --> 00:03:32,000

entered onto this world I always had the

78

00:03:35,860 --> 00:03:34,340

ability to see energy I always had the

79

00:03:37,900 --> 00:03:35,870

ability on a spiritual consciousness

80

00:03:39,970 --> 00:03:37,910

level to know things ahead of time in

81

00:03:41,140 --> 00:03:39,980

the illusion so I have figured that at

82

00:03:42,729 --> 00:03:41,150

some point that was going to get

83

00:03:44,440 --> 00:03:42,739

stronger and stronger and it did down

84

00:03:46,300 --> 00:03:44,450

the road I just learned to develop my

85

00:03:48,790 --> 00:03:46,310

skills I also came from a family that

86

00:03:50,830 --> 00:03:48,800

was very much involved in in mysticism

87

00:03:53,009 --> 00:03:50,840

and spirituality but yet had other

88

00:03:55,360 --> 00:03:53,019

belief systems connected to Christianity

89

00:03:57,280 --> 00:03:55,370

connected to the high ranking Scottish

90

00:03:59,860 --> 00:03:57,290

Rite Masons and an Eastern star so the

91

00:04:01,660 --> 00:03:59,870

mystical aspects always was always there

92

00:04:03,640 --> 00:04:01,670

in my atmosphere growing up in the

93

00:04:05,830 --> 00:04:03,650

evolving and from that on at that point

94

00:04:07,750 --> 00:04:05,840

on I just started just just working with

95

00:04:10,300 --> 00:04:07,760

the energies fine-tuning my psychic

96

00:04:11,830 --> 00:04:10,310

abilities and just grew and evolves I

97

00:04:13,720 --> 00:04:11,840

started studying the craft I started

98

00:04:15,640 --> 00:04:13,730

studying mysticism and and received

99

00:04:17,560 --> 00:04:15,650

initiation down the road and eventually

100

00:04:19,360 --> 00:04:17,570

that just worked into something

101  
00:04:21,009 --> 00:04:19,370  
something on a very high level of

102  
00:04:23,200 --> 00:04:21,019  
spirituality and consciousness which I

103  
00:04:24,370 --> 00:04:23,210  
developed and fine-tuned over the years

104  
00:04:26,469 --> 00:04:24,380  
and of course I didn't even factor in

105  
00:04:27,969 --> 00:04:26,479  
the Cobra technology induction that

106  
00:04:29,740 --> 00:04:27,979  
happened in 2004 so a lot of things that

107  
00:04:31,480 --> 00:04:29,750  
happened to me it progressions and

108  
00:04:35,520 --> 00:04:31,490  
spirals over over the decades which

109  
00:04:38,230 --> 00:04:35,530  
pretty much created Who I am today hmm

110  
00:04:41,440 --> 00:04:38,240  
oh you've written several books as well

111  
00:04:43,450 --> 00:04:41,450  
haven't you there's some amazing titles

112  
00:04:46,990 --> 00:04:43,460  
transmission through ascension soul of

113  
00:04:48,820 --> 00:04:47,000

the Sun programmed by deception I of the

114

00:04:50,860 --> 00:04:48,830

room or darkness but that comes after

115

00:04:55,210 --> 00:04:50,870

another one doesn't it I have the black

116

00:05:02,529 --> 00:04:55,220

operations tell us something about those

117

00:05:04,149 --> 00:05:02,539

or there's so many things here that when

118

00:05:04,620 --> 00:05:04,159

it seems like it's not anything that you

119

00:05:07,020 --> 00:05:04,630

don't

120

00:05:08,550 --> 00:05:07,030

dating well I mean there's always place

121

00:05:10,290 --> 00:05:08,560

to grow and evolve and learn but I have

122

00:05:12,030 --> 00:05:10,300

mastered a quite a bit of information so

123

00:05:15,510 --> 00:05:12,040

I like to share it what I do know I like

124

00:05:16,830 --> 00:05:15,520

to share with the masses well yeah and

125

00:05:18,720 --> 00:05:16,840

transportation through a sentient soul

126

00:05:20,610 --> 00:05:18,730

the Sun was initially put out in 2004

127

00:05:22,500 --> 00:05:20,620

and that's that's a book which is pretty

128

00:05:24,450 --> 00:05:22,510

much a 101 in so far as ascension goes

129

00:05:26,700 --> 00:05:24,460

DNA activation and spirituality

130

00:05:28,230 --> 00:05:26,710

I don't dovetail it into the New Age

131

00:05:29,550 --> 00:05:28,240

movement because a lot of the New Age

132

00:05:31,020 --> 00:05:29,560

movement in my opinion has been watered

133

00:05:32,550 --> 00:05:31,030

down with the quote-unquote you know

134

00:05:33,960 --> 00:05:32,560

that the their their aspects of what

135

00:05:35,610 --> 00:05:33,970

they believe is essential work but for

136

00:05:38,190 --> 00:05:35,620

this it's a very 101 insofar as

137

00:05:39,330 --> 00:05:38,200

supernatural energies how one changes

138

00:05:40,920 --> 00:05:39,340

their own vibrational field and

139

00:05:42,570 --> 00:05:40,930

frequency due to their own state of

140

00:05:45,300 --> 00:05:42,580

consciousness and how frequency affects

141

00:05:47,040 --> 00:05:45,310

your DNA which allows you to grow and

142

00:05:48,240 --> 00:05:47,050

evolve spiritually so a lot of different

143

00:05:49,920 --> 00:05:48,250

things I cover in that book in

144

00:05:51,090 --> 00:05:49,930

particular it's a great book for a 101

145

00:05:52,890 --> 00:05:51,100

it's a farce just learning and growing

146

00:05:54,930 --> 00:05:52,900

and trying to understand what what

147

00:05:56,370 --> 00:05:54,940

ascension is what DNA activation is and

148

00:05:57,540 --> 00:05:56,380

how we evolved to higher levels of

149

00:05:59,550 --> 00:05:57,550

consciousness where we bring in what I

150

00:06:00,990 --> 00:05:59,560

call the Avatar consciousness which is

151

00:06:02,970 --> 00:06:01,000

an aspect of your higher self own were

152

00:06:05,820 --> 00:06:02,980

so super conscious and very fine-tuned

153

00:06:07,500 --> 00:06:05,830

so that book was published in 2004 and

154

00:06:09,720 --> 00:06:07,510

then from that point on I put out the i3

155

00:06:11,760 --> 00:06:09,730

melt series which connects to a lot of

156

00:06:13,860 --> 00:06:11,770

dark energies associated with covert

157

00:06:15,840 --> 00:06:13,870

warfare psychotronic weapons artificial

158

00:06:19,050 --> 00:06:15,850

telepathy and a mimic program that's

159

00:06:20,790 --> 00:06:19,060

designed to weaponize the supernatural

160

00:06:22,200 --> 00:06:20,800

world and the only reason I wrote that

161

00:06:24,330 --> 00:06:22,210

book was because I was pulled into the

162

00:06:25,350 --> 00:06:24,340

warfare program in 2004 and I decoded it

163

00:06:27,330 --> 00:06:25,360

and then I wrote about it so that's the

164

00:06:29,550 --> 00:06:27,340

reason I have the book out itself and

165

00:06:30,300 --> 00:06:29,560

it's a real hard read sometimes for some

166

00:06:31,920 --> 00:06:30,310

people who are very enlightened

167

00:06:34,530 --> 00:06:31,930

consciousness because there's a lot in

168

00:06:35,970 --> 00:06:34,540

there that's not very positive and it's

169

00:06:38,370 --> 00:06:35,980

more disturbing because there's a lot of

170

00:06:40,650 --> 00:06:38,380

weaponization and and the one way to get

171

00:06:42,150 --> 00:06:40,660

at and with these covert projects is to

172

00:06:43,500 --> 00:06:42,160

get into the head of people to get into

173

00:06:45,570 --> 00:06:43,510

the mind so they can control manipulate

174

00:06:46,800 --> 00:06:45,580

and using signal interfaces one of the

175

00:06:49,020 --> 00:06:46,810

ways they do that so that's where that

176  
00:06:50,850 --> 00:06:49,030  
came from program by deception is a

177  
00:06:52,640 --> 00:06:50,860  
sequel and the program by deception

178  
00:06:55,110 --> 00:06:52,650  
talks about the timelines it talks about

179  
00:06:56,340 --> 00:06:55,120  
the the world and the global agenda

180  
00:06:58,620 --> 00:06:56,350  
that's going on with the technology

181  
00:07:00,090 --> 00:06:58,630  
itself and then I I put a documentary

182  
00:07:01,200 --> 00:07:00,100  
either about disclosure of covert

183  
00:07:03,000 --> 00:07:01,210  
technology which deals with the implant

184  
00:07:04,350 --> 00:07:03,010  
analysis scan and that's something that

185  
00:07:07,110 --> 00:07:04,360  
I actually had registered by Steve

186  
00:07:08,220 --> 00:07:07,120  
Colburn who I saw in California when I

187  
00:07:10,380 --> 00:07:08,230  
went out there and he measured the

188  
00:07:13,620 --> 00:07:10,390

signals and we confirmed a lot of

189

00:07:14,909 --> 00:07:13,630

information at that point that's where

190

00:07:17,760 --> 00:07:14,919

that is and I have 1 million miles 2 min

191

00:07:18,290 --> 00:07:17,770

I forgot about that yeah that's the most

192

00:07:19,999 --> 00:07:18,300

recent

193

00:07:21,860 --> 00:07:20,009

it's about artificial intelligence and

194

00:07:23,809 --> 00:07:21,870

the future of the world as a spin-off

195

00:07:25,640 --> 00:07:23,819

because that is actually the technology

196

00:07:29,059 --> 00:07:25,650

I was interface with that I just wrote

197

00:07:30,020 --> 00:07:29,069

in the sci-fi to adapting to some people

198

00:07:32,510 --> 00:07:30,030

would understand a little bit better

199

00:07:33,770 --> 00:07:32,520

what's going on on a bigger scale I put

200

00:07:36,110 --> 00:07:33,780

it in science-fiction format but it's

201  
00:07:37,580 --> 00:07:36,120  
actually a real real documentation of a

202  
00:07:39,260 --> 00:07:37,590  
real experience through the artificial

203  
00:07:41,270 --> 00:07:39,270  
intelligence array system yeah that

204  
00:07:43,369 --> 00:07:41,280  
seems to be I seem to be a bit of a

205  
00:07:46,249 --> 00:07:43,379  
trend is it putting true facts into a

206  
00:07:49,219 --> 00:07:46,259  
fictional form nowadays yeah it really

207  
00:07:51,439 --> 00:07:49,229  
is it kind of makes it maybe more

208  
00:07:54,350 --> 00:07:51,449  
readable for some certain audience you

209  
00:07:56,570 --> 00:07:54,360  
know maybe you read science fiction but

210  
00:07:58,879 --> 00:07:56,580  
may not sort of read the real stuff sort

211  
00:08:00,230 --> 00:07:58,889  
of thing there's conspiracy you know

212  
00:08:01,959 --> 00:08:00,240  
people like to look at the conspiracy

213  
00:08:04,879 --> 00:08:01,969

aspects and I think that word is just so

214

00:08:06,350 --> 00:08:04,889

it's just it just falls flat sometimes

215

00:08:07,820 --> 00:08:06,360

because people want to assume that

216

00:08:09,439 --> 00:08:07,830

that's just so it's just theory it's

217

00:08:11,390 --> 00:08:09,449

just this is you know something else but

218

00:08:13,279 --> 00:08:11,400

it's not really real and when in fact

219

00:08:14,869 --> 00:08:13,289

it's actually the technology I talk

220

00:08:17,420 --> 00:08:14,879

about their patents for this technology

221

00:08:21,200 --> 00:08:17,430

this is a real program oh yeah it's

222

00:08:24,490 --> 00:08:21,210

interesting how that plays out hmm this

223

00:08:26,779 --> 00:08:24,500

sub your golden path to mysticism is

224

00:08:28,760 --> 00:08:26,789

well over 20 years you've been doing

225

00:08:30,140 --> 00:08:28,770

this now yeah I've received a lot of

226

00:08:32,980 --> 00:08:30,150

different initiations Enochian

227

00:08:35,510 --> 00:08:32,990

initiations and all different kinds of

228

00:08:36,769 --> 00:08:35,520

initiations insofar as spirituality goes

229

00:08:38,360 --> 00:08:36,779

and progressions of where I've been with

230

00:08:40,010 --> 00:08:38,370

with teachers and spiritual teachers and

231

00:08:43,010 --> 00:08:40,020

and the golden path of spirit is really

232

00:08:45,680 --> 00:08:43,020

just about who we are as ascended beings

233

00:08:47,360 --> 00:08:45,690

when our life body is truly fine-tuned

234

00:08:49,069 --> 00:08:47,370

and activated into our Merkava when I

235

00:08:50,480 --> 00:08:49,079

call the Merkava which is the vehicle of

236

00:08:52,850 --> 00:08:50,490

light and how we block the timelines

237

00:08:54,500 --> 00:08:52,860

here as a pillar of light and extend

238

00:08:56,000 --> 00:08:54,510

that energy into the cosmos but also

239

00:08:57,980 --> 00:08:56,010

bring that the energy from the cosmos

240

00:08:59,720 --> 00:08:57,990

here to change our world and those

241

00:09:01,550 --> 00:08:59,730

around us so so that's part of the

242

00:09:03,620 --> 00:09:01,560

golden path of higher consciousness and

243

00:09:05,240 --> 00:09:03,630

spirit which really deals with and it

244

00:09:07,069 --> 00:09:05,250

also connects into other other aspects

245

00:09:10,130 --> 00:09:07,079

of initiations sacred initiation with

246

00:09:12,490 --> 00:09:10,140

and also healing modalities mmm I

247

00:09:15,290 --> 00:09:12,500

thought you mentioned something about so

248

00:09:17,210 --> 00:09:15,300

22 don't mention that energy so I mean

249

00:09:19,130 --> 00:09:17,220

that's something close to my heart I

250

00:09:20,960 --> 00:09:19,140

think that there's so many different

251  
00:09:22,460 --> 00:09:20,970  
dimensions that we we're dealing we've

252  
00:09:24,759 --> 00:09:22,470  
been probably done know many dimensions

253  
00:09:27,980 --> 00:09:24,769  
there are I know you've mentioned 22

254  
00:09:30,110 --> 00:09:27,990  
great and I referenced that a lot

255  
00:09:31,490 --> 00:09:30,120  
because it's a master frequency and it's

256  
00:09:31,730 --> 00:09:31,500  
also connected to Atlantean timelines

257  
00:09:33,620 --> 00:09:31,740  
and

258  
00:09:35,210 --> 00:09:33,630  
initiation through Atlantean

259  
00:09:36,710 --> 00:09:35,220  
transmission and frequency however it is

260  
00:09:37,790 --> 00:09:36,720  
infinite and when it comes down to

261  
00:09:39,620 --> 00:09:37,800  
dimensional fields and multi-dimensional

262  
00:09:41,000 --> 00:09:39,630  
access we are infinite beings who

263  
00:09:41,990 --> 00:09:41,010

probably realized this but we're

264

00:09:43,310 --> 00:09:42,000

multi-dimensional existing

265

00:09:45,200 --> 00:09:43,320

simultaneously beyond the illusion of

266

00:09:46,760 --> 00:09:45,210

space and time so we have so many

267

00:09:48,380 --> 00:09:46,770

aspects of us already out there in the

268

00:09:50,330 --> 00:09:48,390

cosmos merged with creator sources

269

00:09:51,410 --> 00:09:50,340

co-creators we're soul extensions of

270

00:09:52,910 --> 00:09:51,420

that we have extensions of ourselves

271

00:09:54,980 --> 00:09:52,920

everywhere in the cosmos and in my

272

00:09:56,720 --> 00:09:54,990

opinion that's what creates the antenna

273

00:09:58,040 --> 00:09:56,730

where we can bring in information and

274

00:10:02,080 --> 00:09:58,050

transmit it received and get what we

275

00:10:10,730 --> 00:10:05,750

you're an elder initiate of orders of I

276

00:10:12,800 --> 00:10:10,740

can't read the word yeah and that is I

277

00:10:13,970 --> 00:10:12,810

received initiation way back years and

278

00:10:16,130 --> 00:10:13,980

years back in the nineties before was

279

00:10:17,660 --> 00:10:16,140

really popular I guess but that is

280

00:10:19,460 --> 00:10:17,670

something that I still do and I still I

281

00:10:21,500 --> 00:10:19,470

still do initiations that's guided I

282

00:10:24,470 --> 00:10:21,510

haven't done any recently but yeah it is

283

00:10:26,300 --> 00:10:24,480

a very sacred system and in my opinion

284

00:10:27,950 --> 00:10:26,310

very very empowering because of the

285

00:10:30,380 --> 00:10:27,960

energetic signatures you're working with

286

00:10:32,510 --> 00:10:30,390

on a multi-dimensional scale it's a very

287

00:10:33,680 --> 00:10:32,520

very powerful transmission you know I

288

00:10:36,260 --> 00:10:33,690

have to be on yourself not actually

289

00:10:37,760 --> 00:10:36,270

heard of that but there's different

290

00:10:40,280 --> 00:10:37,770

orders of others different different

291

00:10:42,080 --> 00:10:40,290

Melchizedek orders the Melchizedek is a

292

00:10:43,670 --> 00:10:42,090

they're messed in my opinion this is

293

00:10:46,400 --> 00:10:43,680

this is where it comes from where the

294

00:10:47,600 --> 00:10:46,410

cosmic design and I kind of negate some

295

00:10:49,250 --> 00:10:47,610

of the information that's kept going

296

00:10:50,270 --> 00:10:49,260

here on the linear world and I bring in

297

00:10:51,620 --> 00:10:50,280

more of the Celestials but teacher

298

00:10:53,300 --> 00:10:51,630

celestial teachers in other words they

299

00:10:55,370 --> 00:10:53,310

they intersect other dimensional fields

300

00:10:58,070 --> 00:10:55,380

and other other multi-dimensional realms

301  
00:10:59,210 --> 00:10:58,080  
and initiate through the inner planes to

302  
00:11:01,100 --> 00:10:59,220  
some degree but there's there's that

303  
00:11:03,200 --> 00:11:01,110  
frequency band of teachers celestial

304  
00:11:05,000 --> 00:11:03,210  
teachers that navigate from star system

305  
00:11:06,770 --> 00:11:05,010  
to star system and part of that is our

306  
00:11:08,360 --> 00:11:06,780  
celestial heritage which we inherit as

307  
00:11:09,470 --> 00:11:08,370  
we go through progressions and the

308  
00:11:11,300 --> 00:11:09,480  
initiation is part of that Melchizedek

309  
00:11:13,340 --> 00:11:11,310  
where they're the teachers and they

310  
00:11:14,960 --> 00:11:13,350  
literally journey from place to place

311  
00:11:18,320 --> 00:11:14,970  
you incarnate as a milky detects

312  
00:11:23,510 --> 00:11:18,330  
sometimes that's that's a practice

313  
00:11:25,790 --> 00:11:23,520

saying that milk he's a dick perfect and

314

00:11:29,690 --> 00:11:25,800

you teach many ancient systems such as

315

00:11:31,610 --> 00:11:29,700

rekey experience Reiki it's actually

316

00:11:33,170 --> 00:11:31,620

great yeah it's actually quite

317

00:11:34,970 --> 00:11:33,180

invigorating you know I don't know if

318

00:11:39,020 --> 00:11:34,980

that's the correct word for it but so

319

00:11:40,400 --> 00:11:39,030

that's great yeah yeah it really is and

320

00:11:41,690 --> 00:11:40,410

and I'd love to you Suey system that's

321

00:11:43,310 --> 00:11:41,700

that's one of the traditional systems

322

00:11:45,530 --> 00:11:43,320

you're working with but yeah definitely

323

00:11:47,810 --> 00:11:45,540

has so many capabilities and so far

324

00:11:48,950 --> 00:11:47,820

and resetting the body and removing

325

00:11:51,200 --> 00:11:48,960

anything that's that's holding the

326

00:11:52,910 --> 00:11:51,210

energy and limitation on a subtle scale

327

00:11:54,470 --> 00:11:52,920

so that's a very powerful healing system

328

00:11:56,870 --> 00:11:54,480

if anybody's trying to get involved in

329

00:11:58,760 --> 00:11:56,880

healing work or wants to pursue a

330

00:12:01,520 --> 00:11:58,770

modality for healing I think Reiki is

331

00:12:04,180 --> 00:12:01,530

one of the best ways to go hmm what does

332

00:12:06,890 --> 00:12:04,190

the Egyptian cartoons come into it

333

00:12:08,840 --> 00:12:06,900

Egyptian cartouche is my system it's my

334

00:12:10,850 --> 00:12:08,850

celestial system which connects into a

335

00:12:13,460 --> 00:12:10,860

soul dissention I received which is

336

00:12:15,080 --> 00:12:13,470

information based on my recorder cells

337

00:12:17,660 --> 00:12:15,090

and my celestial heritage and cellular

338

00:12:19,970 --> 00:12:17,670

memory which I created so it's a formula

339

00:12:30,260 --> 00:12:19,980

activated through my initiations that

340

00:12:32,990 --> 00:12:30,270

comes in basically the celestial my star

341

00:12:34,940 --> 00:12:33,000

fortress is my celestial Group and the

342

00:12:37,280 --> 00:12:34,950

boosts are the celestial energies of my

343

00:12:38,810 --> 00:12:37,290

initiations over the years is also an

344

00:12:40,700 --> 00:12:38,820

aspect of me through the soul dissention

345

00:12:43,460 --> 00:12:40,710

soul extensions but but when I received

346

00:12:46,220 --> 00:12:43,470

at my initiations the information that I

347

00:12:48,470 --> 00:12:46,230

received was with my Maya specific

348

00:12:55,100 --> 00:12:48,480

information to utilize and that's what I

349

00:12:57,580 --> 00:12:55,110

work with so it's my system because what

350

00:13:01,040 --> 00:12:57,590

you said you saw it happening Atlantean

351  
00:13:04,370 --> 00:13:01,050  
great and the etheric surgery I presume

352  
00:13:06,230 --> 00:13:04,380  
that means you're actually working that

353  
00:13:09,980 --> 00:13:06,240  
means working with spirit doesn't it to

354  
00:13:11,540 --> 00:13:09,990  
heal master search or anytime you're

355  
00:13:13,100 --> 00:13:11,550  
working in the etheric body you're

356  
00:13:14,210 --> 00:13:13,110  
working on more like the holographic

357  
00:13:16,100 --> 00:13:14,220  
grid that you're working in the subtle

358  
00:13:17,780 --> 00:13:16,110  
energy field and the etheric so that

359  
00:13:19,310 --> 00:13:17,790  
you're able to remove anything like a

360  
00:13:21,050 --> 00:13:19,320  
thick implants they tended to solve

361  
00:13:22,880 --> 00:13:21,060  
through frequency for example but when

362  
00:13:24,770 --> 00:13:22,890  
you're working in the etheric field that

363  
00:13:26,090 --> 00:13:24,780

is definitely you as a surgeon as a

364

00:13:27,740 --> 00:13:26,100

psychic surgeon and I'm not talking that

365

00:13:29,510 --> 00:13:27,750

was it go in there and you know you see

366

00:13:30,740 --> 00:13:29,520

in other I don't know Mexico or

367

00:13:31,910 --> 00:13:30,750

something but I'm talking about your

368

00:13:33,950 --> 00:13:31,920

energy where you're going in you're

369

00:13:35,180 --> 00:13:33,960

removing things blockages of any kind

370

00:13:37,310 --> 00:13:35,190

and that has a lot to do with the psyche

371

00:13:39,110 --> 00:13:37,320

of surgery when you have initiation into

372

00:13:40,610 --> 00:13:39,120

any healing system as a master teacher

373

00:13:42,200 --> 00:13:40,620

normally you will have what we call the

374

00:13:43,910 --> 00:13:42,210

lasers that come out where you can

375

00:13:46,250 --> 00:13:43,920

actually remove this and an etheric

376

00:13:48,620 --> 00:13:46,260

level almost you a holographic repattern

377

00:13:50,330 --> 00:13:48,630

hang on to the the person who's in need

378

00:13:52,700 --> 00:13:50,340

of healing says it's very powerful I'm

379

00:13:54,350 --> 00:13:52,710

work have you got any specific cases

380

00:13:56,450 --> 00:13:54,360

that you could talk about for that whole

381

00:13:58,040 --> 00:13:56,460

oh my gosh I hear from in the past I've

382

00:13:59,450 --> 00:13:58,050

had all kinds of things I've worked on a

383

00:14:01,070 --> 00:13:59,460

lot of different people I always

384

00:14:03,500 --> 00:14:01,080

in the one case that always was most

385

00:14:06,410 --> 00:14:03,510

fascinating was a gentleman who had AIDS

386

00:14:08,840 --> 00:14:06,420

and he was in really bad shape and I did

387

00:14:10,310 --> 00:14:08,850

some work on him and within I guess

388

00:14:12,440 --> 00:14:10,320

within a month he came back to me and

389

00:14:14,090 --> 00:14:12,450

said that he was in remission which I

390

00:14:16,040 --> 00:14:14,100

thought was fabulous so that was one one

391

00:14:17,750 --> 00:14:16,050

positive thing we had another time I was

392

00:14:20,269 --> 00:14:17,760

doing a group session and we were doing

393

00:14:21,980 --> 00:14:20,279

healing circles and we had four master

394

00:14:23,780 --> 00:14:21,990

teacher healers working on one person

395

00:14:25,790 --> 00:14:23,790

who had cancer who was planning on going

396

00:14:27,740 --> 00:14:25,800

to Mexico by the way to get healed or

397

00:14:29,660 --> 00:14:27,750

get some kind of surgery in therapy and

398

00:14:31,190 --> 00:14:29,670

we pushed so hard and worked so much

399

00:14:33,560 --> 00:14:31,200

energy on this particular person that

400

00:14:35,240 --> 00:14:33,570

went to remission as well so I believe

401  
00:14:37,280 --> 00:14:35,250  
in beyond miracles I believe that when

402  
00:14:39,110 --> 00:14:37,290  
we change the dynamic in the DNA when we

403  
00:14:40,550 --> 00:14:39,120  
heal the patterning or whatever the

404  
00:14:42,620 --> 00:14:40,560  
trauma is we can actually go in there

405  
00:14:44,960 --> 00:14:42,630  
and actually redesign and

406  
00:14:46,820 --> 00:14:44,970  
holographically repair to such a degree

407  
00:14:47,930 --> 00:14:46,830  
that people can be healed on a lot of

408  
00:14:49,699 --> 00:14:47,940  
different levels

409  
00:14:51,139 --> 00:14:49,709  
you know when people receive initiations

410  
00:14:52,730 --> 00:14:51,149  
they get beautiful visuals and I don't

411  
00:14:54,380 --> 00:14:52,740  
think that's their delusions I believe

412  
00:14:55,639 --> 00:14:54,390  
that they're actually seeing energy and

413  
00:14:56,810 --> 00:14:55,649

experiencing especially those who are

414

00:14:58,790 --> 00:14:56,820

empathic or attuned to higher

415

00:15:00,139 --> 00:14:58,800

frequencies I've had people see all

416

00:15:02,660 --> 00:15:00,149

kinds of wonderful things what I've done

417

00:15:04,190 --> 00:15:02,670

initiations in the past as well so it's

418

00:15:08,720 --> 00:15:04,200

it's for real the systems are for real

419

00:15:11,900 --> 00:15:08,730

it's fascinating it's a bit mind-blowing

420

00:15:14,900 --> 00:15:11,910

actually yeah yeah it really is well

421

00:15:17,210 --> 00:15:14,910

they played Padian and actually an

422

00:15:23,090 --> 00:15:17,220

ascension timeline so that all comes

423

00:15:24,920 --> 00:15:23,100

into your system and we call it as yeah

424

00:15:26,810 --> 00:15:24,930

it's more about cosmic compass and a

425

00:15:28,490 --> 00:15:26,820

celestial heritage so it is part of an

426

00:15:30,440 --> 00:15:28,500

aspect of I would call soul extensions

427

00:15:31,670 --> 00:15:30,450

of me so the octarine healing system is

428

00:15:32,990 --> 00:15:31,680

a connection to my own healing

429

00:15:34,910 --> 00:15:33,000

modalities and what I've been initiated

430

00:15:36,590 --> 00:15:34,920

to for healing work so that's there and

431

00:15:38,449 --> 00:15:36,600

that's also a celestial healing system

432

00:15:39,890 --> 00:15:38,459

and the pleading and celestial healing

433

00:15:41,540 --> 00:15:39,900

system is something I incorporated along

434

00:15:43,069 --> 00:15:41,550

with timelines I know it sounds really

435

00:15:45,050 --> 00:15:43,079

abstract out there but when you start

436

00:15:46,880 --> 00:15:45,060

fine-tuning and ascending into your

437

00:15:48,650 --> 00:15:46,890

divinity you start getting through these

438

00:15:49,579 --> 00:15:48,660

these dimensional fields and

439

00:15:50,840 --> 00:15:49,589

multi-dimensional states of

440

00:15:52,190 --> 00:15:50,850

consciousness where you're understanding

441

00:15:54,199 --> 00:15:52,200

the language and a lot of it is a

442

00:15:55,100 --> 00:15:54,209

geometric light language and as more

443

00:15:56,420 --> 00:15:55,110

than downloading I mean you're just

444

00:15:57,889 --> 00:15:56,430

literally streaming the energy through

445

00:16:00,319 --> 00:15:57,899

higher consciousness pure energy pure

446

00:16:01,519 --> 00:16:00,329

light which has really interesting

447

00:16:02,930 --> 00:16:01,529

because that was one of the reasons in

448

00:16:04,220 --> 00:16:02,940

my opinion I was put on the radar with a

449

00:16:05,710 --> 00:16:04,230

covert warfare program later on down the

450

00:16:08,300 --> 00:16:05,720

road

451

00:16:10,040 --> 00:16:08,310

so the calvert war can you tell us

452

00:16:13,850 --> 00:16:10,050

anything about this covert warfare

453

00:16:15,379 --> 00:16:13,860

yeah contra fascinates me too today

454

00:16:17,660 --> 00:16:15,389

yeah it's interesting because that's a

455

00:16:19,069 --> 00:16:17,670

technological interface what they do and

456

00:16:19,939 --> 00:16:19,079

I'll describe it as best I can for

457

00:16:21,259 --> 00:16:19,949

everyone but they've heard it before

458

00:16:23,929 --> 00:16:21,269

probably if you read my books but

459

00:16:25,910 --> 00:16:23,939

they'll triangulate a target inside what

460

00:16:27,619 --> 00:16:25,920

for Mike for me example from example

461

00:16:29,449 --> 00:16:27,629

they tart they targeted me inside my

462

00:16:31,879 --> 00:16:29,459

residence in Colorado so they

463

00:16:33,739 --> 00:16:31,889

triangulated me in my home with the

464

00:16:35,629 --> 00:16:33,749

satellite terminology what they use as a

465

00:16:36,829 --> 00:16:35,639

signal interface I'll use a signal

466

00:16:38,720 --> 00:16:36,839

interface onto the target of interest

467

00:16:40,009 --> 00:16:38,730

which would have been me and neroli

468

00:16:41,449 --> 00:16:40,019

interface me onto their artificial

469

00:16:43,129 --> 00:16:41,459

intelligence array system which deals

470

00:16:45,139 --> 00:16:43,139

with live feed communication system with

471

00:16:46,699 --> 00:16:45,149

a live agent also deals with synthetic

472

00:16:48,499 --> 00:16:46,709

telepathy live feed real-time so you're

473

00:16:51,199 --> 00:16:48,509

dealing with a communication system

474

00:16:52,819 --> 00:16:51,209

that's encrypted that is very black in

475

00:16:55,249 --> 00:16:52,829

the science departments but also used in

476

00:16:56,689 --> 00:16:55,259

other areas in advanced sciences and

477

00:16:57,829 --> 00:16:56,699

what I call the black science is black

478

00:16:59,359 --> 00:16:57,839

space burger where we want to call it so

479

00:17:00,619 --> 00:16:59,369

there's a lot of that going on that's

480

00:17:02,929 --> 00:17:00,629

the technology I was interfaced with in

481

00:17:04,730 --> 00:17:02,939

2004 that changed my life forever and

482

00:17:05,990 --> 00:17:04,740

that's the technology I started writing

483

00:17:06,230 --> 00:17:06,000

about because what they were using it

484

00:17:08,269 --> 00:17:06,240

for

485

00:17:09,860 --> 00:17:08,279

besides size Phi you can use a precise

486

00:17:10,850 --> 00:17:09,870

by you can use it for remote viewing you

487

00:17:13,039 --> 00:17:10,860

can do a lot of good things with it

488

00:17:14,840 --> 00:17:13,049

however it's more with them that was

489

00:17:17,000 --> 00:17:14,850

more important irrigation and harassment

490

00:17:18,019 --> 00:17:17,010

and then interfacing and creating all

491

00:17:19,460 --> 00:17:18,029

these different types of programs that

492

00:17:21,829 --> 00:17:19,470

are not necessarily in the highest good

493

00:17:23,240 --> 00:17:21,839

for the individual and also data mining

494

00:17:25,189 --> 00:17:23,250

so they're taking information and then

495

00:17:26,659 --> 00:17:25,199

trying to dump information and you've

496

00:17:29,870 --> 00:17:26,669

heard of them key ultra I'm sure it's

497

00:17:30,860 --> 00:17:29,880

kind of like a advanced version this

498

00:17:32,960 --> 00:17:30,870

some degree of something that could

499

00:17:34,430 --> 00:17:32,970

easily easily mimic em and MKULTRA

500

00:17:36,019 --> 00:17:34,440

because what they're trying to do is

501  
00:17:37,610 --> 00:17:36,029  
tamper with your brainwave activity or

502  
00:17:40,580 --> 00:17:37,620  
mimic it so it isn't it is an

503  
00:17:43,970 --> 00:17:40,590  
interesting technology and it's out

504  
00:17:45,110 --> 00:17:43,980  
there yeah it is it is and the thing is

505  
00:17:47,090 --> 00:17:45,120  
it's the wave of the future because

506  
00:17:49,580 --> 00:17:47,100  
you're talking the level to it right now

507  
00:17:50,659 --> 00:17:49,590  
it's more transhumanism so right now

508  
00:17:53,149 --> 00:17:50,669  
they're using the transhumanist a

509  
00:17:54,169 --> 00:17:53,159  
program to adapt us on two machines in

510  
00:17:55,490 --> 00:17:54,179  
other words we're compatible with

511  
00:17:57,620 --> 00:17:55,500  
machines we know that because we can

512  
00:17:58,880 --> 00:17:57,630  
stream energy we bring in consciousness

513  
00:18:00,110 --> 00:17:58,890

all the time there's no distance the

514

00:18:01,940 --> 00:18:00,120

illusion of space and times we're always

515

00:18:04,639 --> 00:18:01,950

always transmitting and receiving data

516

00:18:06,740 --> 00:18:04,649

all I do is literally interconnect us

517

00:18:08,240 --> 00:18:06,750

onto a technological signal and bring

518

00:18:10,220 --> 00:18:08,250

that signal back into the communication

519

00:18:12,799 --> 00:18:10,230

system and they're right there and gates

520

00:18:15,200 --> 00:18:12,809

with the technology hmm now when you say

521

00:18:17,510 --> 00:18:15,210

that you are talking about the the

522

00:18:19,190 --> 00:18:17,520

government's oh yeah right there's a low

523

00:18:20,750 --> 00:18:19,200

and in my particular circumstance it was

524

00:18:22,129 --> 00:18:20,760

a high profile band that inducted means

525

00:18:23,570 --> 00:18:22,139

the corporate warfare program because

526

00:18:25,430 --> 00:18:23,580

they had access to the technology and

527

00:18:26,720 --> 00:18:25,440

they were using it on with their own

528

00:18:27,530 --> 00:18:26,730

touring and on

529

00:18:29,780 --> 00:18:27,540

their own surveillance and security

530

00:18:31,039 --> 00:18:29,790

systems which of course and if you read

531

00:18:33,049 --> 00:18:31,049

my books and you watch the documents

532

00:18:35,180 --> 00:18:33,059

here I have my handler who I testified

533

00:18:36,620 --> 00:18:35,190

against in 2006 and he had access and

534

00:18:38,750 --> 00:18:36,630

was deploying this technology

535

00:18:40,789 --> 00:18:38,760

he's also connected to yes DC and other

536

00:18:42,740 --> 00:18:40,799

corporate areas which are linked to

537

00:18:44,240 --> 00:18:42,750

alphabet agency so yes one big tentacle

538

00:18:46,460 --> 00:18:44,250

that just expands everywhere and comes

539

00:18:48,440 --> 00:18:46,470

down as the technology itself yeah cuz

540

00:18:50,930 --> 00:18:48,450

they interests me quite a bit the secret

541

00:18:53,960 --> 00:18:50,940

space program I don't know how much you

542

00:18:55,400 --> 00:18:53,970

know about it but I know the technology

543

00:18:57,500 --> 00:18:55,410

real well I know the technology could

544

00:18:58,700 --> 00:18:57,510

pretty much create anything and a lot of

545

00:19:01,580 --> 00:18:58,710

people who say they've been through

546

00:19:02,900 --> 00:19:01,590

different various programs you know for

547

00:19:04,730 --> 00:19:02,910

me it's like Total Recall if you ever

548

00:19:06,919 --> 00:19:04,740

saw that movie but it's really about

549

00:19:08,659 --> 00:19:06,929

just interfacing a target onto something

550

00:19:10,640 --> 00:19:08,669

where they're showing them force visuals

551  
00:19:12,470 --> 00:19:10,650  
but the visuals may not be actually the

552  
00:19:14,659 --> 00:19:12,480  
right imagery it could be a psychotronic

553  
00:19:15,710 --> 00:19:14,669  
program where it's creating a more of a

554  
00:19:17,180 --> 00:19:15,720  
delusion for them but yet they'll

555  
00:19:18,409 --> 00:19:17,190  
believe that they were in these areas

556  
00:19:19,580 --> 00:19:18,419  
and that's what we have to look at and

557  
00:19:22,220 --> 00:19:19,590  
so far as mind control and psychotronic

558  
00:19:23,750 --> 00:19:22,230  
weapons go that's part of that so I do

559  
00:19:25,310 --> 00:19:23,760  
look at it like that but I do see that

560  
00:19:26,570 --> 00:19:25,320  
this is an unlimited technology and it

561  
00:19:28,190 --> 00:19:26,580  
could be used for astronauts space

562  
00:19:29,510 --> 00:19:28,200  
travel is this it's phenomenal because

563  
00:19:31,640 --> 00:19:29,520

you can do so much with it with remote

564

00:19:32,450 --> 00:19:31,650

viewing it's very good but what I see is

565

00:19:34,280 --> 00:19:32,460

that they want to make sure they're

566

00:19:36,140 --> 00:19:34,290

handling it controlling it and making

567

00:19:38,150 --> 00:19:36,150

sure that they don't give it to anyone

568

00:19:42,470 --> 00:19:38,160

or anybody unless they can completely

569

00:19:44,240 --> 00:19:42,480

control that person from reverse

570

00:19:46,730 --> 00:19:44,250

engineering from maybe the Roswell crash

571

00:19:48,260 --> 00:19:46,740

all but if they love that or I think a

572

00:19:49,669 --> 00:19:48,270

lot of us reverse engineer to be honest

573

00:19:51,409 --> 00:19:49,679

but I also feel like they've been data

574

00:19:53,840 --> 00:19:51,419

mining a lot of what I call star people

575

00:19:56,030 --> 00:19:53,850

I see us as star beings and even though

576

00:19:57,890 --> 00:19:56,040

we're not fully activated insofar as our

577

00:20:00,260 --> 00:19:57,900

abilities go those of us who are who

578

00:20:02,060 --> 00:20:00,270

have a lot of ability and have access to

579

00:20:04,280 --> 00:20:02,070

higher dimensional fields of information

580

00:20:05,900 --> 00:20:04,290

get looked at and at the same time when

581

00:20:07,520 --> 00:20:05,910

we get looked at they start creating

582

00:20:08,810 --> 00:20:07,530

this this type of a surveilling program

583

00:20:10,190 --> 00:20:08,820

where they can literally extract us into

584

00:20:13,100 --> 00:20:10,200

these programs even on a subliminal

585

00:20:17,810 --> 00:20:13,110

scale so that does go on hmm makes you

586

00:20:19,400 --> 00:20:17,820

think about abductions as well yeah and

587

00:20:20,870 --> 00:20:19,410

I'd like to say that you know for my own

588

00:20:22,970 --> 00:20:20,880

experience of research it seems to me

589

00:20:24,590 --> 00:20:22,980

that I would great majority people who

590

00:20:26,390 --> 00:20:24,600

are being abducted or actually not being

591

00:20:28,370 --> 00:20:26,400

abducted by extraterrestrials but more

592

00:20:29,870 --> 00:20:28,380

the covert departments that are

593

00:20:32,090 --> 00:20:29,880

literally acquiring a mask of an

594

00:20:35,210 --> 00:20:32,100

extraterrestrial to confuse the person

595

00:20:39,110 --> 00:20:35,220

they're inducting hmm that's quite

596

00:20:40,080 --> 00:20:39,120

frightening no well it can the Furies

597

00:20:41,460 --> 00:20:40,090

pirgos and

598

00:20:42,990 --> 00:20:41,470

because when we first started off in the

599

00:20:44,250 --> 00:20:43,000

interview you were talking about a lot

600

00:20:46,440 --> 00:20:44,260

of things that I was doing prior to my

601  
00:20:47,580 --> 00:20:46,450  
induction and if you can see it sounds

602  
00:20:49,649 --> 00:20:47,590  
really out there a lot of the stuff that

603  
00:20:51,990 --> 00:20:49,659  
I was doing but it was so pure like pure

604  
00:20:53,340 --> 00:20:52,000  
energy and so powerful that in my

605  
00:20:54,750 --> 00:20:53,350  
opinion I believe that that put me on

606  
00:20:56,190 --> 00:20:54,760  
the radar to be interfaced with their

607  
00:20:58,560 --> 00:20:56,200  
technology because that is more of a

608  
00:21:00,450 --> 00:20:58,570  
machine world which makes my technology

609  
00:21:01,890 --> 00:21:00,460  
in need that what I have my abilities

610  
00:21:03,480 --> 00:21:01,900  
accentuates those abilities to some

611  
00:21:04,740 --> 00:21:03,490  
degree and put me in a different arena

612  
00:21:07,080 --> 00:21:04,750  
where they could experiment on what I

613  
00:21:09,299 --> 00:21:07,090

was capable of doing with my mind hmm

614

00:21:13,560 --> 00:21:09,309

when so when do you think us I would see

615

00:21:15,330 --> 00:21:13,570

probably 2002 years ago well in 2004 is

616

00:21:16,860 --> 00:21:15,340

when I was put into the or pulled into

617

00:21:18,720 --> 00:21:16,870

the covert warfare program but prior to

618

00:21:20,220 --> 00:21:18,730

that I would say I was think I was

619

00:21:22,049 --> 00:21:20,230

always being looked at I really do

620

00:21:23,490 --> 00:21:22,059

I started doing a check down timelines

621

00:21:25,980 --> 00:21:23,500

and back in the 80s and I started

622

00:21:27,330 --> 00:21:25,990

feeling like I was having experiences

623

00:21:29,190 --> 00:21:27,340

that were more astral oriented

624

00:21:31,230 --> 00:21:29,200

out-of-body and and just very strange

625

00:21:32,340 --> 00:21:31,240

and I I just kind of brushed it off I

626

00:21:33,659 --> 00:21:32,350

didn't really think anything about it

627

00:21:35,190 --> 00:21:33,669

but now that I look back at those things

628

00:21:36,690 --> 00:21:35,200

I'm thinking that perhaps I was being

629

00:21:40,409 --> 00:21:36,700

looked at back then and I didn't realize

630

00:21:43,230 --> 00:21:40,419

it yeah those out of body experiences

631

00:21:44,669 --> 00:21:43,240

fascinate me too do you know can you

632

00:21:47,639 --> 00:21:44,679

control the out-of-body experiences

633

00:21:49,560 --> 00:21:47,649

yourself yeah oh yeah I've had a lot of

634

00:21:51,480 --> 00:21:49,570

astral projection and younger years I

635

00:21:53,130 --> 00:21:51,490

used to travel all the time and what I

636

00:21:54,690 --> 00:21:53,140

noticed after I was pulled into the

637

00:21:56,490 --> 00:21:54,700

technological program there was

638

00:21:58,110 --> 00:21:56,500

foreshadowing going on which means I had

639

00:21:59,909 --> 00:21:58,120

a I always had something following me

640

00:22:01,830 --> 00:21:59,919

which normally that was never there

641

00:22:03,210 --> 00:22:01,840

before if I did have something with me

642

00:22:05,130 --> 00:22:03,220

when I was actual protecting back and

643

00:22:07,380 --> 00:22:05,140

say the 80s or the 90s it was more of a

644

00:22:09,779 --> 00:22:07,390

spirit or friendly love based you know

645

00:22:11,760 --> 00:22:09,789

it's celestial being and and these were

646

00:22:14,100 --> 00:22:11,770

more shadowy they were more like MIB

647

00:22:15,419 --> 00:22:14,110

types so I did notice the change but

648

00:22:17,100 --> 00:22:15,429

insofar as astral projection goes

649

00:22:19,169 --> 00:22:17,110

anybody can do it it's better practice

650

00:22:20,159 --> 00:22:19,179

raising your vibration but also setting

651  
00:22:22,230 --> 00:22:20,169  
the intent and controlling yourself

652  
00:22:23,519 --> 00:22:22,240  
especially when you're dreaming so when

653  
00:22:24,750 --> 00:22:23,529  
you're when you're in a lucid space of

654  
00:22:26,700 --> 00:22:24,760  
consciousness when you know you're in a

655  
00:22:27,960 --> 00:22:26,710  
dream you can create that dream you can

656  
00:22:29,519 --> 00:22:27,970  
you can actually change the painting you

657  
00:22:30,510 --> 00:22:29,529  
change the scenery I'm sure you're

658  
00:22:32,039 --> 00:22:30,520  
probably familiar with this but you know

659  
00:22:33,899 --> 00:22:32,049  
but literally change the whole design

660  
00:22:35,430 --> 00:22:33,909  
work but also say okay I want to travel

661  
00:22:36,630 --> 00:22:35,440  
tonight or I want to go somewhere but

662  
00:22:38,310 --> 00:22:36,640  
I've always said you know make sure that

663  
00:22:40,139 --> 00:22:38,320

you set your perimeters and shield and

664

00:22:41,610 --> 00:22:40,149

protect because there are things out

665

00:22:43,289 --> 00:22:41,620

there that are not necessarily in the

666

00:22:45,510 --> 00:22:43,299

highest good for your evolution in your

667

00:22:48,149 --> 00:22:45,520

own you know for body system and astral

668

00:22:50,010 --> 00:22:48,159

body hmm yeah my younger years I did

669

00:22:51,510 --> 00:22:50,020

that play around with that will not play

670

00:22:53,340 --> 00:22:51,520

around with it but they explain where to

671

00:22:54,060 --> 00:22:53,350

so I can actually see where you're

672

00:22:57,180 --> 00:22:54,070

coming from

673

00:22:59,190 --> 00:22:57,190

I don't actually do it now but but the

674

00:23:01,950 --> 00:22:59,200

experience I'll heard a lot of power is

675

00:23:05,550 --> 00:23:01,960

it's actually fascinating it's very

676

00:23:08,040 --> 00:23:05,560

liberating do you think the love it

677

00:23:11,070 --> 00:23:08,050

could be also connected to reincarnation

678

00:23:13,890 --> 00:23:11,080

like going to past lives and revisit

679

00:23:15,390 --> 00:23:13,900

definitely yeah I agree that I think

680

00:23:16,560 --> 00:23:15,400

that a lot of times we get pulled out of

681

00:23:18,300 --> 00:23:16,570

our bodies or whether we do it

682

00:23:19,200 --> 00:23:18,310

intentionally or through spirit that

683

00:23:20,670 --> 00:23:19,210

were there to witness something

684

00:23:21,810 --> 00:23:20,680

sometimes and then yeah that could be

685

00:23:24,300 --> 00:23:21,820

something to do with another lifetime

686

00:23:25,320 --> 00:23:24,310

and and also we exist simultaneously so

687

00:23:27,810 --> 00:23:25,330

with the past and the present the future

688

00:23:29,790 --> 00:23:27,820

all now if you're having any issues from

689

00:23:31,290 --> 00:23:29,800

say you have traumatic some kind of a

690

00:23:32,850 --> 00:23:31,300

trauma from another lifetime

691

00:23:34,020 --> 00:23:32,860

then they'll surface it will surface now

692

00:23:35,310 --> 00:23:34,030

on the timeline and you'll have to deal

693

00:23:37,440 --> 00:23:35,320

with that and go through that at the

694

00:23:39,180 --> 00:23:37,450

cellular core level and that has to do

695

00:23:40,830 --> 00:23:39,190

with say say something else that has an

696

00:23:42,540 --> 00:23:40,840

imagery of something and it's haunting

697

00:23:44,250 --> 00:23:42,550

them it's repetitive looping kind of a

698

00:23:45,720 --> 00:23:44,260

program that needs to be looked at and

699

00:23:47,130 --> 00:23:45,730

cleared so those are things in my

700

00:23:48,390 --> 00:23:47,140

opinion anyway so that's something that

701  
00:23:50,070 --> 00:23:48,400  
I look at as well because I feel like

702  
00:23:51,690 --> 00:23:50,080  
we're we're witnessing as a secret

703  
00:24:14,940 --> 00:23:51,700  
witness multiple lifetimes right before

704  
00:24:17,610 --> 00:24:14,950  
our eyes hmm yeah actually interested in

705  
00:24:20,700 --> 00:24:17,620  
UFOs as well or does this kind of be

706  
00:24:23,010 --> 00:24:20,710  
you're more interested in the etheric

707  
00:24:25,140 --> 00:24:23,020  
side of things actually I believe we are

708  
00:24:26,790 --> 00:24:25,150  
the UFO so so feel again where I've been

709  
00:24:28,020 --> 00:24:26,800  
with research and technology I believe

710  
00:24:29,700 --> 00:24:28,030  
that we are the star beings and that we

711  
00:24:31,080 --> 00:24:29,710  
are capable of actually traveling

712  
00:24:32,940 --> 00:24:31,090  
through our own what we call stargates

713  
00:24:34,650 --> 00:24:32,950

throne chakra system in our own

714

00:24:36,360 --> 00:24:34,660

celestial design work when we raise our

715

00:24:38,130 --> 00:24:36,370

vibration and actually change our

716

00:24:39,750 --> 00:24:38,140

biomolecular feel to a point we're

717

00:24:41,280 --> 00:24:39,760

actually able to phase shift into other

718

00:24:42,840 --> 00:24:41,290

dimensional fields and that sounds

719

00:24:44,550 --> 00:24:42,850

really advanced but it's really who we

720

00:24:45,840 --> 00:24:44,560

are as star people because we are the

721

00:24:47,640 --> 00:24:45,850

visitors we're extensions of them in my

722

00:24:49,230 --> 00:24:47,650

opinion so when I look at the UFO

723

00:24:51,060 --> 00:24:49,240

community and I look at the oppose I see

724

00:24:53,010 --> 00:24:51,070

us as the extension and the and the

725

00:24:54,300 --> 00:24:53,020

lineage to that it's nothing strange it

726

00:24:55,980 --> 00:24:54,310

shouldn't be anything strange to us I

727

00:24:57,510 --> 00:24:55,990

think most of the time these days where

728

00:24:58,950 --> 00:24:57,520

I look at UFO anomalies because of where

729

00:25:00,570 --> 00:24:58,960

I've been with technology I'm able to

730

00:25:02,280 --> 00:25:00,580

decode it a lot easier and say well this

731

00:25:03,960 --> 00:25:02,290

is man-made this is part of the black

732

00:25:05,100 --> 00:25:03,970

science department first is something

733

00:25:08,040 --> 00:25:05,110

that's really an offworld or

734

00:25:10,140 --> 00:25:08,050

interdimensional being or life form hmm

735

00:25:11,900 --> 00:25:10,150

so when someone sees a UFO who's never

736

00:25:13,730 --> 00:25:11,910

seen one before

737

00:25:16,500 --> 00:25:13,740

[Music]

738

00:25:18,840 --> 00:25:16,510

so what does that actually mean are you

739

00:25:21,900 --> 00:25:18,850

actually seeing it unconsciously or what

740

00:25:23,580 --> 00:25:21,910

I don't call it in my opinion I think

741

00:25:24,990 --> 00:25:23,590

when people are seeing UFOs it's usually

742

00:25:26,670 --> 00:25:25,000

because their frequency is altered to

743

00:25:28,230 --> 00:25:26,680

the level of consciousness that they're

744

00:25:30,600 --> 00:25:28,240

able to adapt on to another dimensional

745

00:25:32,070 --> 00:25:30,610

field and see something see if something

746

00:25:33,570 --> 00:25:32,080

there that's actually in vibrational

747

00:25:35,910 --> 00:25:33,580

frequency it's in resonance with theirs

748

00:25:37,410 --> 00:25:35,920

that's just my own tank when we raise

749

00:25:38,520 --> 00:25:37,420

our states of consciousness we open

750

00:25:40,260 --> 00:25:38,530

doors we open states of

751  
00:25:42,300 --> 00:25:40,270  
multi-dimensional space and that's what

752  
00:25:43,950 --> 00:25:42,310  
I mean by being your own Stargate so

753  
00:25:45,480 --> 00:25:43,960  
you're opening up the energy as you

754  
00:25:47,430 --> 00:25:45,490  
raise your vibrational frequency your

755  
00:25:48,990 --> 00:25:47,440  
whole world changes around you even

756  
00:25:51,120 --> 00:25:49,000  
though you're holding you're holding the

757  
00:25:52,530 --> 00:25:51,130  
ground here you're grounded here you can

758  
00:25:53,880 --> 00:25:52,540  
still see a multi-dimensional space and

759  
00:25:55,200 --> 00:25:53,890  
in my opinion maybe that's what's going

760  
00:25:57,690 --> 00:25:55,210  
on with some of these people who are

761  
00:25:59,280 --> 00:25:57,700  
witnessing this this type of a frequency

762  
00:26:00,840 --> 00:25:59,290  
which is literally activating them in

763  
00:26:01,980 --> 00:26:00,850

experiencing these things but one thing

764

00:26:03,720 --> 00:26:01,990

I will tell you is that some of these

765

00:26:05,130 --> 00:26:03,730

technological worlds that are here in

766

00:26:06,960 --> 00:26:05,140

the black sciences are able to piggyback

767

00:26:08,520 --> 00:26:06,970

off of those frequencies and create a

768

00:26:09,840 --> 00:26:08,530

psychotronic program where they can

769

00:26:12,030 --> 00:26:09,850

create false visuals and that's why I

770

00:26:13,920 --> 00:26:12,040

say be very careful log your information

771

00:26:15,510 --> 00:26:13,930

use the sermon but also follow your

772

00:26:17,220 --> 00:26:15,520

instincts while your gut follow your

773

00:26:19,530 --> 00:26:17,230

intuition because you know it's spirit

774

00:26:20,880 --> 00:26:19,540

you know spirit wise that what's real

775

00:26:23,340 --> 00:26:20,890

and what's not in other words you know

776

00:26:24,990 --> 00:26:23,350

that something is off world versus

777

00:26:27,660 --> 00:26:25,000

something that's manufactured by mankind

778

00:26:29,550 --> 00:26:27,670

yeah what have you to stand with as far

779

00:26:33,390 --> 00:26:29,560

as you would hear about reptilians and

780

00:26:34,770 --> 00:26:33,400

do you consider their such thing so you

781

00:26:36,000 --> 00:26:34,780

know it's funny I've never seen one I've

782

00:26:37,650 --> 00:26:36,010

never experienced I have a lot of

783

00:26:39,420 --> 00:26:37,660

friends and people that I know that say

784

00:26:41,100 --> 00:26:39,430

they have I would say in my opinion this

785

00:26:42,510 --> 00:26:41,110

is once again my opinion an assessment I

786

00:26:43,860 --> 00:26:42,520

feel like it's for our psyche a

787

00:26:45,180 --> 00:26:43,870

chronically oriented to a point where

788

00:26:46,410 --> 00:26:45,190

that's created as a screen memory to

789

00:26:48,480 --> 00:26:46,420

distract them from what's really going

790

00:26:50,340 --> 00:26:48,490

on so when people say they've had all

791

00:26:52,470 --> 00:26:50,350

these extra these extraterrestrials

792

00:26:53,910 --> 00:26:52,480

perhaps maybe greys or anything like

793

00:26:54,870 --> 00:26:53,920

that I would say it's possible that

794

00:26:57,570 --> 00:26:54,880

they've been interconnected with the

795

00:26:59,910 --> 00:26:57,580

technology that's creating a visual like

796

00:27:00,810 --> 00:26:59,920

that that's created a screen for them to

797

00:27:02,730 --> 00:27:00,820

distract them from what's really

798

00:27:05,280 --> 00:27:02,740

happening what they actually went

799

00:27:06,540 --> 00:27:05,290

through I think it's just one level I

800

00:27:09,360 --> 00:27:06,550

think it's one layer it's like you have

801  
00:27:11,190 --> 00:27:09,370  
to peel it off yeah you know it could be

802  
00:27:13,140 --> 00:27:11,200  
like that you know in some sense

803  
00:27:17,280 --> 00:27:13,150  
sometimes you could be misconstrued as a

804  
00:27:19,650 --> 00:27:17,290  
demon or a reptilian whichever way your

805  
00:27:20,730 --> 00:27:19,660  
sort of mind works exactly it's given to

806  
00:27:21,450 --> 00:27:20,740  
you according to your beliefs and that's

807  
00:27:23,970 --> 00:27:21,460  
another thing if you

808  
00:27:25,530 --> 00:27:23,980  
fear or if you you know if you

809  
00:27:26,700 --> 00:27:25,540  
automatically assume everything is evil

810  
00:27:27,810 --> 00:27:26,710  
then when you experience something

811  
00:27:30,120 --> 00:27:27,820  
you're going to assume that that's a bad

812  
00:27:31,920 --> 00:27:30,130  
thing versus a positive or yeah I agree

813  
00:27:33,540 --> 00:27:31,930

it can shape-shift into into whatever

814

00:27:35,010 --> 00:27:33,550

you want it to be just some degree and

815

00:27:36,540 --> 00:27:35,020

that goes into the holographic world

816

00:27:38,460 --> 00:27:36,550

that goes into what we are dealing with

817

00:27:39,780 --> 00:27:38,470

here is a hologram we project we

818

00:27:41,730 --> 00:27:39,790

manifest the reality through thought

819

00:27:43,290 --> 00:27:41,740

hmmm so we have to be very clear on what

820

00:27:44,520 --> 00:27:43,300

we want to manifest as part of alchemy

821

00:27:46,380 --> 00:27:44,530

as part of mysticism as part of

822

00:27:48,090 --> 00:27:46,390

witchcraft you create manifests

823

00:27:49,860 --> 00:27:48,100

according to your belief systems but at

824

00:27:52,200 --> 00:27:49,870

the same time if to take responsibility

825

00:27:54,780 --> 00:27:52,210

for what you're manifesting so something

826

00:27:58,080 --> 00:27:54,790

for people to pay attention to hmm now

827

00:28:05,430 --> 00:27:58,090

you mention witchcraft now you are a you

828

00:28:07,020 --> 00:28:05,440

are a witch are you not which a lot of

829

00:28:08,850 --> 00:28:07,030

other things High Priestess whatever you

830

00:28:10,710 --> 00:28:08,860

want to call it and we'll have a lot of

831

00:28:13,350 --> 00:28:10,720

misperceptions of witchcraft and which

832

00:28:14,910 --> 00:28:13,360

is and you know if you're a mystical

833

00:28:17,160 --> 00:28:14,920

scientist and you've been on the Pathak

834

00:28:19,050 --> 00:28:17,170

there's the solitary witch which is who

835

00:28:20,700 --> 00:28:19,060

you are as a multi-dimensional being and

836

00:28:22,740 --> 00:28:20,710

to me it's just a magical person I mean

837

00:28:25,080 --> 00:28:22,750

you can go into the to the dynamics of

838

00:28:26,400 --> 00:28:25,090

are you what lineage is this and like

839

00:28:28,260 --> 00:28:26,410

the garden airiness and that but

840

00:28:30,330 --> 00:28:28,270

honestly when push comes to shove we are

841

00:28:32,310 --> 00:28:30,340

all magical beings and in my opinion

842

00:28:34,110 --> 00:28:32,320

it's just about how you work the energy

843

00:28:36,120 --> 00:28:34,120

but but to be honest with you I've

844

00:28:37,200 --> 00:28:36,130

always I've always been that it's never

845

00:28:38,640 --> 00:28:37,210

been something that I've had to be

846

00:28:39,930 --> 00:28:38,650

initiated into you'll hear from a lot of

847

00:28:43,080 --> 00:28:39,940

people it takes a witch to make a witch

848

00:28:44,460 --> 00:28:43,090

well not with me I never have to so yes

849

00:28:47,670 --> 00:28:44,470

you boned a witch you don't become a

850

00:28:49,260 --> 00:28:47,680

witch I mean some witches will argue

851

00:28:51,330 --> 00:28:49,270

that but I don't I've met too many

852

00:28:53,460 --> 00:28:51,340

wishes there solitaires over the years

853

00:28:54,600 --> 00:28:53,470

that would say now that that's something

854

00:28:55,800 --> 00:28:54,610

in their blood it's something in their

855

00:28:58,110 --> 00:28:55,810

DNA it's something in their celestial

856

00:29:00,000 --> 00:28:58,120

heritage and yes if they find the right

857

00:29:02,910 --> 00:29:00,010

you know group of people to work around

858

00:29:04,890 --> 00:29:02,920

and initiate with us fabulous but always

859

00:29:06,450 --> 00:29:04,900

we are all spiritual beings and however

860

00:29:08,490 --> 00:29:06,460

we progressed in it whatever we do on

861

00:29:10,440 --> 00:29:08,500

the timeline wherever that goes it's

862

00:29:11,700 --> 00:29:10,450

going to be on a mystical level so

863

00:29:12,930 --> 00:29:11,710

you'll see more and more of the people

864

00:29:15,750 --> 00:29:12,940

you know witchcraft has gotten a really

865

00:29:16,950 --> 00:29:15,760

bad name and I tried to like redefine

866

00:29:18,750 --> 00:29:16,960

that for people so that they understand

867

00:29:20,940 --> 00:29:18,760

that it's it's not negative and that

868

00:29:24,750 --> 00:29:20,950

it's actually a very positive thing in

869

00:29:26,370 --> 00:29:24,760

the path of the wise one the black

870

00:29:27,810 --> 00:29:26,380

witchcraft and white witchcraft I'll

871

00:29:30,660 --> 00:29:27,820

presume you're more of the white

872

00:29:32,370 --> 00:29:30,670

witchcraft yeah I mean neutral positive

873

00:29:33,690 --> 00:29:32,380

is where I like to be I believe in the

874

00:29:35,040 --> 00:29:33,700

defense of the dark arts but I don't

875

00:29:36,630 --> 00:29:35,050

attack anybody I've never

876

00:29:38,640 --> 00:29:36,640

they wanted to go after others however I

877

00:29:40,140 --> 00:29:38,650

know that there are a lot of not so nice

878

00:29:41,730 --> 00:29:40,150

people out there which isn't this and

879

00:29:43,500 --> 00:29:41,740

that that do those things but we have to

880

00:29:45,660 --> 00:29:43,510

do is fortify ourselves psychically and

881

00:29:46,710 --> 00:29:45,670

be able to deflect attacks and I think

882

00:29:48,930 --> 00:29:46,720

that's something that everybody should

883

00:29:50,100 --> 00:29:48,940

master especially if you're in the

884

00:29:52,050 --> 00:29:50,110

Pertino the paranormal the supernatural

885

00:29:53,010 --> 00:29:52,060

and you're going into hauntings and

886

00:29:54,480 --> 00:29:53,020

you're going into places where you're

887

00:29:56,340 --> 00:29:54,490

you're around a lot of regurgitated

888

00:29:58,170 --> 00:29:56,350

energies and imprints you're going to

889

00:29:59,520 --> 00:29:58,180

have to understand that that whatever

890

00:30:01,080 --> 00:29:59,530

created that more than likely had

891

00:30:03,960 --> 00:30:01,090

something to do in my opinion possibly

892

00:30:05,580 --> 00:30:03,970

with ritual so be aware that you know

893

00:30:06,930 --> 00:30:05,590

sometimes the residual effect could be

894

00:30:09,420 --> 00:30:06,940

something to do with something as simple

895

00:30:14,610 --> 00:30:09,430

as some bad mojo that was going on my

896

00:30:17,310 --> 00:30:14,620

opinion so yeah do you do many ghost

897

00:30:18,960 --> 00:30:17,320

hunts or investigations or I haven't

898

00:30:21,150 --> 00:30:18,970

recently but I have in the past and I

899

00:30:23,310 --> 00:30:21,160

really enjoy it when I do I'm pretty

900

00:30:24,900 --> 00:30:23,320

tuned to energy so I don't need real I

901  
00:30:26,250 --> 00:30:24,910  
don't know any real devices I am the

902  
00:30:27,810 --> 00:30:26,260  
device I can just go in there kind of

903  
00:30:29,130 --> 00:30:27,820  
kind of hone in on energies and

904  
00:30:31,440 --> 00:30:29,140  
signatures of places and I have

905  
00:30:33,090 --> 00:30:31,450  
experience in interesting things some of

906  
00:30:35,880 --> 00:30:33,100  
the technology that I speak up with this

907  
00:30:36,990 --> 00:30:35,890  
is Oaks lovely can mimic the the EVPs so

908  
00:30:38,310 --> 00:30:37,000  
you have to be really careful if you're

909  
00:30:39,540 --> 00:30:38,320  
going in there and you're capturing EVPs

910  
00:30:42,150 --> 00:30:39,550  
all the time because so a lot of those

911  
00:30:43,140 --> 00:30:42,160  
radio waves could be hijacked so that's

912  
00:30:44,700 --> 00:30:43,150  
another thing that people need to pay

913  
00:30:47,040 --> 00:30:44,710

attention to that not everything is as

914

00:30:49,290 --> 00:30:47,050

it appears and some of it can be

915

00:30:51,750 --> 00:30:49,300

unnatural yes you're catching something

916

00:30:53,130 --> 00:30:51,760

in the ethers spirit but at the same

917

00:30:54,570 --> 00:30:53,140

time it can also be manufactured

918

00:30:56,910 --> 00:30:54,580

especially today because everything is

919

00:30:58,890 --> 00:30:56,920

Wi-Fi and satellites hmm yeah

920

00:31:04,320 --> 00:30:58,900

it sounds like uh 5g is gonna be a bit

921

00:31:05,400 --> 00:31:04,330

scary doesn't it from a good thing right

922

00:31:07,140 --> 00:31:05,410

now I agree with that there's been some

923

00:31:08,610 --> 00:31:07,150

strange going on with that and I think

924

00:31:11,520 --> 00:31:08,620

you can scramble a lot of data and make

925

00:31:12,330 --> 00:31:11,530

some some interesting special effects

926

00:31:13,980 --> 00:31:12,340

let's put it that way

927

00:31:15,420 --> 00:31:13,990

hmm and also it's not necessarily as

928

00:31:16,860 --> 00:31:15,430

healthy as we want it to be for our own

929

00:31:18,240 --> 00:31:16,870

electromagnetic fields and that's

930

00:31:19,890 --> 00:31:18,250

another thing our bodies are being

931

00:31:21,780 --> 00:31:19,900

calibrated to technology naturally

932

00:31:22,920 --> 00:31:21,790

because we're around it all the time and

933

00:31:24,450 --> 00:31:22,930

that's something we have to factor in

934

00:31:26,220 --> 00:31:24,460

with our fore body system in our astral

935

00:31:27,630 --> 00:31:26,230

bodies and and understand that there's

936

00:31:29,550 --> 00:31:27,640

an aspect to us that is kind of a

937

00:31:30,600 --> 00:31:29,560

ascended machine world to some degree

938

00:31:32,250 --> 00:31:30,610

because we have to learn how to

939

00:31:37,740 --> 00:31:32,260

calibrate to the machines and I do

940

00:31:40,530 --> 00:31:37,750

believe people have would you've done

941

00:31:42,510 --> 00:31:40,540

your investigations so we say like

942

00:31:44,370 --> 00:31:42,520

hauntings or have you had any really

943

00:31:48,960 --> 00:31:44,380

interesting cases so any possession

944

00:31:50,220 --> 00:31:48,970

cases not possession per se I am

945

00:31:52,200 --> 00:31:50,230

with electronic possession because of

946

00:31:54,150 --> 00:31:52,210

the interface I've been with some of the

947

00:31:55,560 --> 00:31:54,160

things that I've been around or just

948

00:31:57,060 --> 00:31:55,570

kind of like just needing to clear

949

00:31:57,810 --> 00:31:57,070

houses or signatures that need to be

950

00:32:00,300 --> 00:31:57,820

moved on

951  
00:32:02,280 --> 00:32:00,310  
nothing really hardcore from where I've

952  
00:32:04,350 --> 00:32:02,290  
been in the past when I look at it I

953  
00:32:06,150 --> 00:32:04,360  
can't really say you know I'm trying to

954  
00:32:07,470 --> 00:32:06,160  
think if they're same thing if you know

955  
00:32:09,630 --> 00:32:07,480  
I've kind of calibrated to so many

956  
00:32:12,240 --> 00:32:09,640  
things that nothing fazes me yeah so

957  
00:32:13,770 --> 00:32:12,250  
probably be disturbing to some people

958  
00:32:16,320 --> 00:32:13,780  
won't be disturbing to me at all yeah I

959  
00:32:20,970 --> 00:32:16,330  
think I'll get that from you you seem to

960  
00:32:21,930 --> 00:32:20,980  
be flameproof my body takes his butt but

961  
00:32:24,000 --> 00:32:21,940  
I have been through some interesting

962  
00:32:26,970 --> 00:32:24,010  
worlds and those worlds have been very

963  
00:32:28,140 --> 00:32:26,980

dark and although I'm the light I'm just

964

00:32:29,610 --> 00:32:28,150

you know it's just like it's strange you

965

00:32:31,530 --> 00:32:29,620

go into these dark worlds and then you

966

00:32:33,830 --> 00:32:31,540

understand you become more empowered you

967

00:32:35,910 --> 00:32:33,840

just have more armor that's how I feel

968

00:32:41,400 --> 00:32:35,920

you sound a bit like Doctor Strange

969

00:32:43,850 --> 00:32:41,410

actually no it's crazy

970

00:32:46,740 --> 00:32:43,860

what about alchemy did you have much

971

00:32:48,480 --> 00:32:46,750

involved with that or have you been oh

972

00:32:49,680 --> 00:32:48,490

yeah everything's frequency so when I

973

00:32:51,060 --> 00:32:49,690

talk about mystical alchemy I'm

974

00:32:52,620 --> 00:32:51,070

discussing how frequency changes

975

00:32:53,670 --> 00:32:52,630

everything around us and that everything

976

00:32:55,470 --> 00:32:53,680

in our environment is based on a

977

00:32:57,090 --> 00:32:55,480

frequency in a sounding so when we're

978

00:32:59,340 --> 00:32:57,100

talking about how to change our world we

979

00:33:01,440 --> 00:32:59,350

do it through toning sound frequency and

980

00:33:03,090 --> 00:33:01,450

altering the frequency of who we are our

981

00:33:04,650 --> 00:33:03,100

molecular structure in order to adapt to

982

00:33:06,120 --> 00:33:04,660

another dimensional field so that's

983

00:33:08,070 --> 00:33:06,130

where mystical alchemy comes through

984

00:33:09,930 --> 00:33:08,080

sacred initiation you're working with

985

00:33:12,360 --> 00:33:09,940

frequencies that that are literally

986

00:33:13,560 --> 00:33:12,370

designed to change your DNA and alter

987

00:33:14,580 --> 00:33:13,570

your state of consciousness and this is

988

00:33:16,800 --> 00:33:14,590

something that correlates ancient

989

00:33:18,930 --> 00:33:16,810

mystery schools as well I touched on the

990

00:33:21,210 --> 00:33:18,940

Transfiguration of the atom which is

991

00:33:22,860 --> 00:33:21,220

really about who we are as when we morph

992

00:33:24,210 --> 00:33:22,870

into and from our light body into

993

00:33:25,740 --> 00:33:24,220

Merkava which is the vehicle of light

994

00:33:27,810 --> 00:33:25,750

that's through sacred initiation and

995

00:33:30,540 --> 00:33:27,820

once again is Alchemy's always about

996

00:33:33,540 --> 00:33:30,550

alchemy hmm so you consider there is

997

00:33:37,290 --> 00:33:33,550

really like secret governments that use

998

00:33:40,710 --> 00:33:37,300

all this secrets ancient knowledge to

999

00:33:43,800 --> 00:33:40,720

control they've taken a lot of the

1000

00:33:45,540 --> 00:33:43,810

information from secret societies and

1001

00:33:47,520 --> 00:33:45,550

actually have weaponized it to some

1002

00:33:49,080 --> 00:33:47,530

degree and also in my opinion watered it

1003

00:33:51,300 --> 00:33:49,090

down and maybe misrepresented some of

1004

00:33:52,770 --> 00:33:51,310

the initiation codes to the point where

1005

00:33:55,050 --> 00:33:52,780

they're using it for more of control and

1006

00:33:56,610 --> 00:33:55,060

manipulation and more nefarious versus

1007

00:33:57,900 --> 00:33:56,620

what it's supposed to be which is more

1008

00:33:59,580 --> 00:33:57,910

of the pillar of light and the beacon of

1009

00:34:00,810 --> 00:33:59,590

light and I look at it I I see it as the

1010

00:34:02,610 --> 00:34:00,820

Lady of the lake or something that's

1011

00:34:03,720 --> 00:34:02,620

very divine and pure

1012

00:34:05,220 --> 00:34:03,730

and to me it seems like it's been

1013

00:34:06,899 --> 00:34:05,230

weaponized so I do see that has been

1014

00:34:08,310 --> 00:34:06,909

going on but it's also kind of it

1015

00:34:10,230 --> 00:34:08,320

doesn't really have a lot of power in my

1016

00:34:12,089 --> 00:34:10,240

opinion it only can stay in one

1017

00:34:18,149 --> 00:34:12,099

dimensional field and it cannot ascend I

1018

00:34:20,129 --> 00:34:18,159

see is this some sort of a primary

1019

00:34:21,960 --> 00:34:20,139

factor that keeps you going in the old

1020

00:34:24,770 --> 00:34:21,970

mechanism or is it just something

1021

00:34:29,849 --> 00:34:24,780

natural that happens all the time to you

1022

00:34:31,379 --> 00:34:29,859

you know I just well with you can you

1023

00:34:34,109 --> 00:34:31,389

actually turn it off I suppose is the

1024

00:34:35,820 --> 00:34:34,119

question I'm trying to say to you she's

1025

00:34:37,619 --> 00:34:35,830

always screaming when I was younger and

1026

00:34:39,570 --> 00:34:37,629

I was just running energy it was always

1027

00:34:41,310 --> 00:34:39,580

I've always running energy and my

1028

00:34:43,079 --> 00:34:41,320

martial arts always helps as far as you

1029

00:34:44,639 --> 00:34:43,089

know anchoring your Chi and and being

1030

00:34:45,839 --> 00:34:44,649

able to utilize the energy appropriately

1031

00:34:48,149 --> 00:34:45,849

when I was interconnected with

1032

00:34:49,649 --> 00:34:48,159

technology in 2004 that calibrated me to

1033

00:34:51,599 --> 00:34:49,659

a machine world in a digital world that

1034

00:34:53,490 --> 00:34:51,609

was a little more technological and that

1035

00:34:55,169 --> 00:34:53,500

was a different type of adaptation it's

1036

00:34:57,000 --> 00:34:55,179

almost like the Borg energy so that

1037

00:34:58,290 --> 00:34:57,010

changed me a lot and suffers by

1038

00:35:00,870 --> 00:34:58,300

transmissions and frequency and

1039

00:35:03,780 --> 00:35:00,880

everything around me and now that's been

1040

00:35:05,609 --> 00:35:03,790

that was 2004 nowadays I'm a more coming

1041

00:35:07,829 --> 00:35:05,619

back and now I just have a lot of

1042

00:35:09,150 --> 00:35:07,839

different aspects of energy but it's way

1043

00:35:11,430 --> 00:35:09,160

different than it used to be but yeah I

1044

00:35:13,140 --> 00:35:11,440

can switch off me it's the person I

1045

00:35:14,730 --> 00:35:13,150

really want to stop and just take some

1046

00:35:17,040 --> 00:35:14,740

time out that that's one thing but the

1047

00:35:18,329 --> 00:35:17,050

digitized world the technological world

1048

00:35:20,430 --> 00:35:18,339

the interface that I was objected to was

1049

00:35:21,960 --> 00:35:20,440

never you could never rest it's constant

1050

00:35:26,700 --> 00:35:21,970

streaming of interface you don't get any

1051

00:35:28,260 --> 00:35:26,710

doubts at all Wow yeah yeah it's yeah

1052

00:35:29,400 --> 00:35:28,270

that's why it's for them dinner and this

1053

00:35:30,900 --> 00:35:29,410

is why I wrote the book I'd remote

1054

00:35:32,910 --> 00:35:30,910

because this was an abuse of information

1055

00:35:34,530 --> 00:35:32,920

and technology and abuse of power onto

1056

00:35:36,870 --> 00:35:34,540

someone for experimentation or whatever

1057

00:35:38,099 --> 00:35:36,880

it was they were trying to do you wish

1058

00:35:39,780 --> 00:35:38,109

that on anybody because it can mimic

1059

00:35:40,920 --> 00:35:39,790

electronic what I call electronic

1060

00:35:42,390 --> 00:35:40,930

possession is what it boils down to

1061

00:35:43,620 --> 00:35:42,400

because it makes the person look like

1062

00:35:46,440 --> 00:35:43,630

they could appear schizophrenic bipolar

1063

00:35:48,390 --> 00:35:46,450

or have possession because you're

1064

00:35:49,859 --> 00:35:48,400

literally interfacing with synthetic

1065

00:35:52,680 --> 00:35:49,869

celebrity life in real time yeah oh

1066

00:35:53,910 --> 00:35:52,690

could its own people that way oh yeah

1067

00:35:54,990 --> 00:35:53,920

because what I don't know if you're

1068

00:35:56,339 --> 00:35:55,000

familiar with heterodyning or not but

1069

00:35:58,890 --> 00:35:56,349

there's an EEG cloning and heterodyning

1070

00:36:00,660 --> 00:35:58,900

program that's covert MKULTRA oriented

1071

00:36:02,250 --> 00:36:00,670

at CIA you know old intelligence

1072

00:36:04,349 --> 00:36:02,260

communities but literally mixing of

1073

00:36:06,329 --> 00:36:04,359

signals which overlays on to a healthy

1074

00:36:08,099 --> 00:36:06,339

brainwave activity of a target mixing of

1075

00:36:09,450 --> 00:36:08,109

Technology and signals to a point where

1076

00:36:10,410 --> 00:36:09,460

we'll create a schism in the brain to

1077

00:36:11,640 --> 00:36:10,420

make them look like there is something

1078

00:36:13,380 --> 00:36:11,650

wrong with them when in fact there's not

1079

00:36:14,550 --> 00:36:13,390

now this is something that mirrors

1080

00:36:16,140 --> 00:36:14,560

mental illness and this is something

1081

00:36:17,850 --> 00:36:16,150

that I've tried to address because in my

1082

00:36:19,680 --> 00:36:17,860

and it could be very dangerous to

1083

00:36:21,120 --> 00:36:19,690

misrepresent somebody or mislabeled them

1084

00:36:22,800 --> 00:36:21,130

when they're not being they're not

1085

00:36:23,910 --> 00:36:22,810

mentally ill they're not schizophrenic

1086

00:36:26,070 --> 00:36:23,920

they're not bipolar but they're actually

1087

00:36:31,370 --> 00:36:26,080

being affected and infected with a

1088

00:36:33,720 --> 00:36:31,380

technological interface that's hard core

1089

00:36:36,090 --> 00:36:33,730

needs to be much you know to me it needs

1090

00:36:37,950 --> 00:36:36,100

to be watched very closely what they're

1091

00:36:40,080 --> 00:36:37,960

doing it was a ploy that and why

1092

00:36:42,540 --> 00:36:40,090

wouldn't you think when you think about

1093

00:36:44,010 --> 00:36:42,550

the disclosure movement that probably

1094

00:36:46,050 --> 00:36:44,020

means that there's never gonna be a

1095

00:36:48,060 --> 00:36:46,060

disclosure then is there it seems like

1096

00:36:50,310 --> 00:36:48,070

they're just trying to basically turn us

1097

00:36:51,510 --> 00:36:50,320

all into robots you make I think that we

1098

00:36:53,220 --> 00:36:51,520

are the disclosure I think you're the

1099

00:36:55,230 --> 00:36:53,230

disclosure on the disclosure everybody

1100

00:36:56,610 --> 00:36:55,240

you interview I mean to me it's those of

1101  
00:36:58,200 --> 00:36:56,620  
us who have personal experience and

1102  
00:37:00,720 --> 00:36:58,210  
spiritual experiences that I put it out

1103  
00:37:01,860 --> 00:37:00,730  
there and truth are actually this real

1104  
00:37:02,640 --> 00:37:01,870  
disclosure because you're not going to

1105  
00:37:04,620 --> 00:37:02,650  
you're not going to hear from these

1106  
00:37:06,870 --> 00:37:04,630  
other agencies and a lot of it is so

1107  
00:37:08,970 --> 00:37:06,880  
classified beyond top secret it has so

1108  
00:37:10,740 --> 00:37:08,980  
many levels to it that the only way you

1109  
00:37:12,360 --> 00:37:10,750  
will hear about it is if somebody like

1110  
00:37:14,460 --> 00:37:12,370  
me gets pulled into a program and starts

1111  
00:37:16,140 --> 00:37:14,470  
talking about it and discloses the data

1112  
00:37:18,120 --> 00:37:16,150  
yeah I don't think they'll ever disclose

1113  
00:37:19,680 --> 00:37:18,130

it because it works so well but nowadays

1114

00:37:21,270 --> 00:37:19,690

you know what the patents are out there

1115

00:37:22,650 --> 00:37:21,280

and if you look at DARPA for example you

1116

00:37:23,760 --> 00:37:22,660

can find all the technology I talked

1117

00:37:26,220 --> 00:37:23,770

about is something there they're already

1118

00:37:28,380 --> 00:37:26,230

there full speed ahead with hmm yeah I

1119

00:37:29,760 --> 00:37:28,390

think I actually spoke about this before

1120

00:37:31,590 --> 00:37:29,770

I think they've actually put a lot of

1121

00:37:33,840 --> 00:37:31,600

the information out but it's that you

1122

00:37:37,010 --> 00:37:33,850

got to actually find it it's like yeah

1123

00:37:38,940 --> 00:37:37,020

hiding a tree in the woods isn't it it's

1124

00:37:40,080 --> 00:37:38,950

just use your intuition you know and

1125

00:37:41,550 --> 00:37:40,090

it's not about being paranoid or

1126  
00:37:42,840 --> 00:37:41,560  
anything it's just about knowledge I've

1127  
00:37:44,520 --> 00:37:42,850  
always said just keep tools in your

1128  
00:37:46,260 --> 00:37:44,530  
toolbox and having a lot of information

1129  
00:37:47,370 --> 00:37:46,270  
so that if you're doing investigations

1130  
00:37:48,750 --> 00:37:47,380  
or whatever it is you have all these

1131  
00:37:50,700 --> 00:37:48,760  
different avenues to come from you don't

1132  
00:37:52,080 --> 00:37:50,710  
have to go from just one area you can

1133  
00:37:53,670 --> 00:37:52,090  
look for many areas that's why I've

1134  
00:37:55,470 --> 00:37:53,680  
always said anybody who's studying the

1135  
00:37:57,510 --> 00:37:55,480  
path of spirit mysticism the

1136  
00:37:59,250 --> 00:37:57,520  
supernatural anything make sure that you

1137  
00:38:01,050 --> 00:37:59,260  
understand every aspect of what it could

1138  
00:38:02,940 --> 00:38:01,060

be because there are so many so many

1139

00:38:05,010 --> 00:38:02,950

levels out there yeah I presume that

1140

00:38:07,340 --> 00:38:05,020

repeat your your your main advice for

1141

00:38:11,730 --> 00:38:07,350

anyone conducting their own research or

1142

00:38:14,700 --> 00:38:11,740

investigations actually you said yeah I

1143

00:38:16,320 --> 00:38:14,710

tell you what wasn't for me knowing my

1144

00:38:17,970 --> 00:38:16,330

state of consciousness and my abilities

1145

00:38:19,170 --> 00:38:17,980

before I was inducted I wouldn't have

1146

00:38:20,820 --> 00:38:19,180

recognized that that it's Leppa the--

1147

00:38:22,650 --> 00:38:20,830

but because I had done the spiritual

1148

00:38:24,630 --> 00:38:22,660

work and I already understood the

1149

00:38:25,890 --> 00:38:24,640

language of the cosmos when they hit me

1150

00:38:27,060 --> 00:38:25,900

with the technology I was laughing about

1151

00:38:28,770 --> 00:38:27,070

I said oh this is man-made

1152

00:38:29,730 --> 00:38:28,780

I'm the reeks of manmade technology

1153

00:38:31,290 --> 00:38:29,740

because it was so

1154

00:38:33,390 --> 00:38:31,300

fury ER to my own state of consciousness

1155

00:38:37,320 --> 00:38:33,400

that's how I knew so this is just an

1156

00:38:38,940 --> 00:38:37,330

example of where we come from doing the

1157

00:38:42,200 --> 00:38:38,950

spiritual work always helps the long the

1158

00:38:44,280 --> 00:38:42,210

way yeah I'm actually amazed to how you

1159

00:38:46,200 --> 00:38:44,290

have you cope with everything I mean you

1160

00:38:50,580 --> 00:38:46,210

think to seem to know everything about

1161

00:38:52,380 --> 00:38:50,590

everything well I have a database I have

1162

00:38:54,270 --> 00:38:52,390

a solid database and benchmark my own

1163

00:38:56,100 --> 00:38:54,280

personal experiences but I'm still I'm

1164

00:38:57,840 --> 00:38:56,110

always learning everyday and growing but

1165

00:39:00,000 --> 00:38:57,850

I do know what I do know I do I know

1166

00:39:05,130 --> 00:39:00,010

very well that part works well but it's

1167

00:39:07,680 --> 00:39:05,140

always progression so what do you think

1168

00:39:11,130 --> 00:39:07,690

the most pressing challenges are being

1169

00:39:14,310 --> 00:39:11,140

faced now in the paranormal community do

1170

00:39:17,520 --> 00:39:14,320

you think no is this something we've got

1171

00:39:19,440 --> 00:39:17,530

a resist or or something we just need to

1172

00:39:21,390 --> 00:39:19,450

be aware of I think it's something

1173

00:39:22,980 --> 00:39:21,400

people need to be aware of and also have

1174

00:39:25,650 --> 00:39:22,990

a moral compass a celestial compass

1175

00:39:27,690 --> 00:39:25,660

that's all and for me I don't I don't

1176

00:39:29,160 --> 00:39:27,700

wish being people being inducted in any

1177

00:39:31,140 --> 00:39:29,170

type of a technological interface where

1178

00:39:32,580 --> 00:39:31,150

it's disturbing their peace of mind and

1179

00:39:34,080 --> 00:39:32,590

I will tell you that for example the

1180

00:39:35,550 --> 00:39:34,090

stuff that I've been through will take

1181

00:39:37,020 --> 00:39:35,560

away your prayer time your peace of mind

1182

00:39:37,440 --> 00:39:37,030

you won't have any silence in the head

1183

00:39:39,420 --> 00:39:37,450

anymore

1184

00:39:41,550 --> 00:39:39,430

it'll be interfaced with a technological

1185

00:39:43,020 --> 00:39:41,560

stream and and to me this is the wave of

1186

00:39:44,310 --> 00:39:43,030

the future it's transhumanism but it's

1187

00:39:46,050 --> 00:39:44,320

also what they're trying to do in my

1188

00:39:47,400 --> 00:39:46,060

opinion for the future where they can

1189

00:39:48,870 --> 00:39:47,410

reenter a neveri buddy and have them all

1190

00:39:50,640 --> 00:39:48,880

interfacing with synthetic telepathy and

1191

00:39:51,750 --> 00:39:50,650

always at this groovy I know that

1192

00:39:53,130 --> 00:39:51,760

they've talked about this with for

1193

00:39:55,530 --> 00:39:53,140

example I think Zuckerberg touched on it

1194

00:39:57,180 --> 00:39:55,540

years ago and it has its dark side it

1195

00:39:59,310 --> 00:39:57,190

has its side to when people get into

1196

00:40:00,120 --> 00:39:59,320

your head first of all I don't believe

1197

00:40:02,490 --> 00:40:00,130

they should be in there

1198

00:40:03,420 --> 00:40:02,500

no interfacing with anything I don't

1199

00:40:05,160 --> 00:40:03,430

think they should be tampering with

1200

00:40:06,420 --> 00:40:05,170

something so sacred as the temple the

1201  
00:40:07,740 --> 00:40:06,430  
sacred temple your body is a sacred

1202  
00:40:09,210 --> 00:40:07,750  
temple however you want to look at it

1203  
00:40:10,590 --> 00:40:09,220  
and when people are interfacing they

1204  
00:40:12,390 --> 00:40:10,600  
should have permission first of all it

1205  
00:40:13,980 --> 00:40:12,400  
should be mutual and secondly it should

1206  
00:40:16,080 --> 00:40:13,990  
be on a positive scale not for something

1207  
00:40:17,099 --> 00:40:16,090  
nefarious or my control oriented or

1208  
00:40:18,750 --> 00:40:17,109  
something that's going to create a

1209  
00:40:21,120 --> 00:40:18,760  
distortion or a distraction or even

1210  
00:40:23,990 --> 00:40:21,130  
insert a false program to lie deceive

1211  
00:40:27,270 --> 00:40:24,000  
the person that they're interfacing hmm

1212  
00:40:29,070 --> 00:40:27,280  
go back to the rosewater do you actually

1213  
00:40:33,120 --> 00:40:29,080

believe something happened with the

1214

00:40:34,710 --> 00:40:33,130

Roswell crash you know I I do I'm not

1215

00:40:35,880 --> 00:40:34,720

sure what because I wasn't there in the

1216

00:40:37,320 --> 00:40:35,890

illusion of but I would say that there

1217

00:40:39,930 --> 00:40:37,330

was definitely in my opinion exotic

1218

00:40:42,060 --> 00:40:39,940

technology was was there I've heard

1219

00:40:43,530 --> 00:40:42,070

stories about species obviously there

1220

00:40:46,440 --> 00:40:43,540

were some kind of a species involved

1221

00:40:47,880 --> 00:40:46,450

and I also get the sense and I just have

1222

00:40:49,080 --> 00:40:47,890

to look at that on an intuitive scale

1223

00:40:50,910 --> 00:40:49,090

because I don't know much about that

1224

00:40:52,080 --> 00:40:50,920

area that there's definitely something

1225

00:40:54,330 --> 00:40:52,090

that was reverse engineer when it comes

1226  
00:40:56,400 --> 00:40:54,340  
to the DNA of the particular beings that

1227  
00:40:59,700 --> 00:40:56,410  
they had encounters with so that's what

1228  
00:41:02,070 --> 00:40:59,710  
I look at ya know something I try to ask

1229  
00:41:04,470 --> 00:41:02,080  
everyone there because I get opinions

1230  
00:41:06,990 --> 00:41:04,480  
because my opinion is of something

1231  
00:41:08,670 --> 00:41:07,000  
happened there I do believe that they

1232  
00:41:10,680 --> 00:41:08,680  
did have some beans that they were

1233  
00:41:16,020 --> 00:41:10,690  
experimenting on obviously we know about

1234  
00:41:20,970 --> 00:41:16,030  
the fake alien autopsy but was there a

1235  
00:41:23,610 --> 00:41:20,980  
real one as well so intelligence I mean

1236  
00:41:25,050 --> 00:41:23,620  
look and see prior to World War two all

1237  
00:41:26,160 --> 00:41:25,060  
the technologies are coming out of it

1238  
00:41:28,320 --> 00:41:26,170

with the Germans you know with their

1239

00:41:29,640 --> 00:41:28,330

technology with UFOs and they did some

1240

00:41:31,170 --> 00:41:29,650

phenomenal craft work I mean they were

1241

00:41:32,490 --> 00:41:31,180

doing some interesting things you're

1242

00:41:33,840 --> 00:41:32,500

looking at different things going on in

1243

00:41:35,190 --> 00:41:33,850

that time lines with different types of

1244

00:41:36,360 --> 00:41:35,200

timelines that are happening here on and

1245

00:41:38,790 --> 00:41:36,370

off but I would say that there could be

1246

00:41:40,440 --> 00:41:38,800

a correlation with some kind of a maybe

1247

00:41:41,850 --> 00:41:40,450

a sigh off to some degree but I still

1248

00:41:43,410 --> 00:41:41,860

don't discount extraterrestrial

1249

00:41:44,910 --> 00:41:43,420

intelligence and to me that's what

1250

00:41:47,130 --> 00:41:44,920

they're really after is the mind of the

1251

00:41:49,050 --> 00:41:47,140

extra-terrestrial the cosmic mind so

1252

00:41:50,520 --> 00:41:49,060

they can replicate it reverse-engineer

1253

00:41:53,220 --> 00:41:50,530

it and use it for more like a symbiotic

1254

00:41:54,810 --> 00:41:53,230

program to to induct and also interface

1255

00:41:56,100 --> 00:41:54,820

other people with her own what I call

1256

00:41:57,450 --> 00:41:56,110

electronic brain I know it sounds really

1257

00:41:58,860 --> 00:41:57,460

out there but to me that's what I think

1258

00:41:59,880 --> 00:41:58,870

they're doing I've talked to other

1259

00:42:01,410 --> 00:41:59,890

people I don't know if you've ever

1260

00:42:03,120 --> 00:42:01,420

interviewed dr. Richard Alan Miller but

1261

00:42:05,460 --> 00:42:03,130

it's very interesting he's had some

1262

00:42:07,440 --> 00:42:05,470

interesting experiences over near area

1263

00:42:09,150 --> 00:42:07,450

51 back in the day and he has a lot of

1264

00:42:11,160 --> 00:42:09,160

memory loss but he did meet some kind of

1265

00:42:12,600 --> 00:42:11,170

a being or so that's what he's mentioned

1266

00:42:13,500 --> 00:42:12,610

I don't know if you were one interview

1267

00:42:15,870 --> 00:42:13,510

him but I could put you in touch with

1268

00:42:17,340 --> 00:42:15,880

him he's fascinating yeah and he might

1269

00:42:18,840 --> 00:42:17,350

be able to give you some information on

1270

00:42:20,220 --> 00:42:18,850

that but like I said I you know they

1271

00:42:24,320 --> 00:42:20,230

call me Roswell seven when I was

1272

00:42:28,290 --> 00:42:26,610

the technology and how black the

1273

00:42:30,330 --> 00:42:28,300

sciences were it was pretty hush-hush

1274

00:42:32,280 --> 00:42:30,340

initially in 2004 when I was pulled into

1275

00:42:34,620 --> 00:42:32,290

the program and then later on it just

1276

00:42:36,630 --> 00:42:34,630

became more common I think later on but

1277

00:42:38,370 --> 00:42:36,640

initially 2004 was pretty quiet what the

1278

00:42:39,750 --> 00:42:38,380

DC was signing off on what they were

1279

00:42:41,130 --> 00:42:39,760

doing with me so there was definitely a

1280

00:42:43,440 --> 00:42:41,140

very exotic

1281

00:42:45,030 --> 00:42:43,450

hush-hush programs going on hmm yeah

1282

00:42:47,850 --> 00:42:45,040

lovey if you put you in my direction

1283

00:42:55,260 --> 00:42:47,860

that'd be nice oh absolutely happy to

1284

00:42:56,720 --> 00:42:55,270

meet you yeah I do actually it's a book

1285

00:42:58,040 --> 00:42:56,730

that's on the alien intelligence

1286

00:42:59,750 --> 00:42:58,050

so you've heard of here first and that

1287

00:43:00,800 --> 00:42:59,760

will be out and about I'm trying to get

1288

00:43:02,359 --> 00:43:00,810

it wrapped up it should be out about a

1289

00:43:03,859 --> 00:43:02,369

month or so but I'll be sure to send you

1290

00:43:06,380 --> 00:43:03,869

a copy if you're interested in yeah it

1291

00:43:10,690 --> 00:43:06,390

covers the song configuration yeah so

1292

00:43:22,280 --> 00:43:20,450

weeks time because there's a bit about

1293

00:43:24,230 --> 00:43:22,290

your radio show because you've got your

1294

00:43:25,310 --> 00:43:24,240

own show haven't you yeah I have two

1295

00:43:27,530 --> 00:43:25,320

shows actually I have one that's called

1296

00:43:28,849 --> 00:43:27,540

hyperspace that's on KCUR digital radio

1297

00:43:30,770 --> 00:43:28,859

network that's 12:00 midnight Eastern

1298

00:43:32,210 --> 00:43:30,780

Time 9:00 p.m. Pacific and that's on

1299

00:43:33,050 --> 00:43:32,220

Fridays and yeah people can tune in if

1300

00:43:34,460 --> 00:43:33,060

they're interested in

1301

00:43:36,200 --> 00:43:34,470

I have raven stars witching hour which

1302

00:43:37,609 --> 00:43:36,210

is also on saturday nights that told me

1303

00:43:39,370 --> 00:43:37,619

that you start time 9 p.m. Pacific and

1304

00:43:43,010 --> 00:43:39,380

that is on revolution radio studio a

1305

00:43:46,040 --> 00:43:43,020

yeah we'll put next to those on on my

1306

00:43:50,210 --> 00:43:46,050

page as well probably steal a few

1307

00:43:52,069 --> 00:43:50,220

pictures off of your pages with the

1308

00:43:53,630 --> 00:43:52,079

shows I might even if I can find some

1309

00:43:55,339 --> 00:43:53,640

more recordings I'll put those up as

1310

00:44:02,300 --> 00:43:55,349

well because it's always nice to share

1311

00:44:13,700 --> 00:44:02,310

this stuff around you can just volunteer

1312

00:44:15,589 --> 00:44:13,710

so information mine is probably UFOs

1313

00:44:19,280 --> 00:44:15,599

because I've had my own experiences but

1314

00:44:22,430 --> 00:44:19,290

I've had a little bit of ghost

1315

00:44:25,640 --> 00:44:22,440

experience as well but my main interests

1316

00:44:26,990 --> 00:44:25,650

are presumed really is UFOs nice I have

1317

00:44:38,540 --> 00:44:27,000

to have your bio so you can discuss your

1318

00:44:44,290 --> 00:44:38,550

UFO the show so I apologize well I'll

1319

00:44:47,329 --> 00:44:44,300

tell you again when my main one was in

1320

00:44:49,130 --> 00:44:47,339

1967 Olivia was and I was walking home

1321

00:44:52,400 --> 00:44:49,140

from my girlfriend's house oh yeah

1322

00:44:54,050 --> 00:44:52,410

obviously in the UK here in Essex UK it

1323

00:44:56,300 --> 00:44:54,060

was like it was late at night more

1324

00:44:57,980 --> 00:44:56,310

probably 1 o'clock in the morning and I

1325

00:45:01,010 --> 00:44:57,990

looked up in the sky and it was a big

1326  
00:45:05,120 --> 00:45:01,020  
orange oval object pulsating across the

1327  
00:45:06,230 --> 00:45:05,130  
sky and it was loud it was silent and I

1328  
00:45:09,160 --> 00:45:06,240  
wouldn't say it was like a bright light

1329  
00:45:10,640 --> 00:45:09,170  
but it was like a incandescent orange

1330  
00:45:12,230 --> 00:45:10,650  
and it seems

1331  
00:45:13,760 --> 00:45:12,240  
be all different shades of orange it

1332  
00:45:15,620 --> 00:45:13,770  
wasn't just one shade of orange who

1333  
00:45:18,200 --> 00:45:15,630  
knows it's very difficult to explain it

1334  
00:45:19,310 --> 00:45:18,210  
but but that was my main Society I was

1335  
00:45:23,240 --> 00:45:19,320  
probably watching it for about ten

1336  
00:45:25,310 --> 00:45:23,250  
minutes but then or when I thought but

1337  
00:45:27,140 --> 00:45:25,320  
then I had an earlier experience when I

1338  
00:45:29,810 --> 00:45:27,150

was a child actually all sitting on my

1339

00:45:31,670 --> 00:45:29,820

steps so I grew up in London you might

1340

00:45:34,580 --> 00:45:31,680

you might be at itself awake so no no no

1341

00:45:36,020 --> 00:45:34,590

I was sitting on my steps probably rolls

1342

00:45:39,110 --> 00:45:36,030

about seven or eight years old just

1343

00:45:42,200 --> 00:45:39,120

would have been the late 50s and I was

1344

00:45:46,130 --> 00:45:42,210

actually watching a star move a stop and

1345

00:45:48,710 --> 00:45:46,140

move and stop now as a kid I just

1346

00:45:50,780 --> 00:45:48,720

thought oh well that's that's a star

1347

00:45:52,460 --> 00:45:50,790

moving you know didn't think about it

1348

00:45:54,920 --> 00:45:52,470

anyway sunny later on of course I

1349

00:45:57,080 --> 00:45:54,930

realized that stars don't do that so

1350

00:46:01,490 --> 00:45:57,090

what that was back in nineteen in the

1351  
00:46:05,180 --> 00:46:01,500  
50s I don't know so that's kind of my oh

1352  
00:46:07,520 --> 00:46:05,190  
the experiences I can't really put down

1353  
00:46:10,970 --> 00:46:07,530  
to anything else but we don't we know

1354  
00:46:12,590 --> 00:46:10,980  
the stars don't move so what I said

1355  
00:46:14,180 --> 00:46:12,600  
drove but not around then and even if

1356  
00:46:15,800 --> 00:46:14,190  
they had exotic technology that's that's

1357  
00:46:17,270 --> 00:46:15,810  
very interesting and it's not the first

1358  
00:46:18,830 --> 00:46:17,280  
time I've heard about the orange I

1359  
00:46:20,060 --> 00:46:18,840  
actually I can't go to details but my

1360  
00:46:21,860 --> 00:46:20,070  
sister actually saw something like that

1361  
00:46:24,710 --> 00:46:21,870  
in California one time and to me that's

1362  
00:46:26,240 --> 00:46:24,720  
legitimate insofar as real UFO I have to

1363  
00:46:27,920 --> 00:46:26,250

ask you know if you felt like it was

1364

00:46:29,420 --> 00:46:27,930

missing time because once you get you

1365

00:46:31,490 --> 00:46:29,430

see these things in my opinion you're

1366

00:46:33,080 --> 00:46:31,500

always put on the path of spirit and

1367

00:46:35,300 --> 00:46:33,090

multi-dimensional fields and also

1368

00:46:38,750 --> 00:46:35,310

perhaps even being picked up and may not

1369

00:46:40,490 --> 00:46:38,760

even realize it hmm don't think oh I

1370

00:46:42,500 --> 00:46:40,500

mean this was all I'll say about one

1371

00:46:44,180 --> 00:46:42,510

o'clock in the morning I don't think I

1372

00:46:48,980 --> 00:46:44,190

had lost time or anything like that or

1373

00:46:50,240 --> 00:46:48,990

anything weird I mean I mean nobody

1374

00:46:54,440 --> 00:46:50,250

obviously noticed art was missing

1375

00:46:55,880 --> 00:46:54,450

because nobody knew really so have you

1376

00:46:56,900 --> 00:46:55,890

ever asked I mean do you ever do any

1377

00:46:58,700 --> 00:46:56,910

remote viewing where you just kind of

1378

00:47:00,380 --> 00:46:58,710

ask and just focus on it and ask what it

1379

00:47:03,880 --> 00:47:00,390

is and it see if it responds oh I have

1380

00:47:05,750 --> 00:47:03,890

them okay yeah I was gonna say

1381

00:47:07,250 --> 00:47:05,760

especially nowadays where people are

1382

00:47:08,780 --> 00:47:07,260

interacting with quote-unquote UFOs

1383

00:47:10,070 --> 00:47:08,790

east-asian ACCCE five and all these

1384

00:47:12,320 --> 00:47:10,080

other things are going on where they're

1385

00:47:14,060 --> 00:47:12,330

supposedly engaging on some kind of an

1386

00:47:15,440 --> 00:47:14,070

exchange of consciousness level with

1387

00:47:17,600 --> 00:47:15,450

whatever it is whether it's ours

1388

00:47:19,130 --> 00:47:17,610

whatever it is I would say engage you

1389

00:47:21,500 --> 00:47:19,140

have the communication leave an open

1390

00:47:22,760 --> 00:47:21,510

communication system going but find out

1391

00:47:23,630 --> 00:47:22,770

what exactly it is and see if it's

1392

00:47:24,410 --> 00:47:23,640

willing to provide you with the

1393

00:47:25,790 --> 00:47:24,420

information you see

1394

00:47:30,760 --> 00:47:25,800

I mean that's just my own take but

1395

00:47:33,500 --> 00:47:30,770

that's what I would do hmm tharok work

1396

00:47:39,170 --> 00:47:33,510

does the color purple mean anything

1397

00:47:40,640 --> 00:47:39,180

because i'll tell you when i was a young

1398

00:47:42,500 --> 00:47:40,650

baby I was probably about three years

1399

00:47:44,750 --> 00:47:42,510

old and I remember being in my cot at

1400

00:47:48,080 --> 00:47:44,760

home and standing probably I've told

1401  
00:47:50,570 --> 00:47:48,090  
this story a few times about holding up

1402  
00:47:52,700 --> 00:47:50,580  
my on the side of my cot and seeing a

1403  
00:47:54,980 --> 00:47:52,710  
purple mist come into the room and being

1404  
00:47:57,230 --> 00:47:54,990  
terrified now circling around the room

1405  
00:47:59,320 --> 00:47:57,240  
and I was terrified I mean I didn't know

1406  
00:48:02,150 --> 00:47:59,330  
what goes so anything worth at the time

1407  
00:48:05,180 --> 00:48:02,160  
and I remember my father coming yes I

1408  
00:48:07,130 --> 00:48:05,190  
wasn't I could barely talk probably [\h\_\_\h]

1409  
00:48:08,270 --> 00:48:07,140  
but in my babies baby talk I was saying

1410  
00:48:11,690 --> 00:48:08,280  
look at that and they couldn't see

1411  
00:48:13,070 --> 00:48:11,700  
anything but this this purple mist

1412  
00:48:18,260 --> 00:48:13,080  
swirled around the room and he went back

1413  
00:48:19,970 --> 00:48:18,270

out of the room ago my father obviously

1414

00:48:21,170 --> 00:48:19,980

when I was older and I said do you

1415

00:48:22,790 --> 00:48:21,180

remember that because I thought it's

1416

00:48:24,890 --> 00:48:22,800

always been in my mind always remembered

1417

00:48:26,300 --> 00:48:24,900

you know he does remember me screaming

1418

00:48:33,530 --> 00:48:26,310

but couldn't see anything

1419

00:48:34,610 --> 00:48:33,540

Wow very interesting well you know so

1420

00:48:36,050 --> 00:48:34,620

many things come to mind because the

1421

00:48:38,480 --> 00:48:36,060

violet flame of transportation is always

1422

00:48:40,790 --> 00:48:38,490

about transportation through just

1423

00:48:42,290 --> 00:48:40,800

transportation of energy so that's very

1424

00:48:44,090 --> 00:48:42,300

symbolic first of all the crown chakra

1425

00:48:45,320 --> 00:48:44,100

and also your abilities as a healer

1426

00:48:46,310 --> 00:48:45,330

first thing that the first thing comes

1427

00:48:47,960 --> 00:48:46,320

to my is that's there's something about

1428

00:48:49,010 --> 00:48:47,970

you that's unique that you have

1429

00:48:50,510 --> 00:48:49,020

abilities that you probably don't even

1430

00:48:54,050 --> 00:48:50,520

know about which connect to healing work

1431

00:49:04,520 --> 00:48:54,060

so that would you say that cuz I've been

1432

00:49:06,230 --> 00:49:04,530

told that before I'm gonna push you into

1433

00:49:07,460 --> 00:49:06,240

it but I would just say just do it and I

1434

00:49:08,540 --> 00:49:07,470

just set the energy of motion you'll

1435

00:49:10,850 --> 00:49:08,550

find that you'll have those a two

1436

00:49:11,690 --> 00:49:10,860

minutes already there anyway also Merlin

1437

00:49:12,950 --> 00:49:11,700

I don't know if you have anything with

1438

00:49:14,930 --> 00:49:12,960

Merlin but that seems to be very strong

1439

00:49:16,060 --> 00:49:14,940

with your field as well Merlin so that's

1440

00:49:18,140 --> 00:49:16,070

something to look at magic alchemy

1441

00:49:20,720 --> 00:49:18,150

mysticism all those things correlate

1442

00:49:24,920 --> 00:49:20,730

with that particular transmutation 'el

1443

00:49:29,150 --> 00:49:24,930

violet right my parents are always very

1444

00:49:31,130 --> 00:49:29,160

warm you know outside in the cold by

1445

00:49:32,810 --> 00:49:31,140

hand stay very warm you're already

1446

00:49:34,490 --> 00:49:32,820

running the energy so and you've already

1447

00:49:35,360 --> 00:49:34,500

you've probably been a healer before

1448

00:49:37,300 --> 00:49:35,370

before you showed up here on the

1449

00:49:38,710 --> 00:49:37,310

timeline is my take anyway and that

1450

00:49:40,330 --> 00:49:38,720

that part of that is a reminder to you

1451  
00:49:41,950 --> 00:49:40,340  
the violet flame in my opinion is a very

1452  
00:49:43,600 --> 00:49:41,960  
very significant and also yeah I think

1453  
00:49:45,700 --> 00:49:43,610  
of st. to remain a lot as well but it's

1454  
00:49:48,160 --> 00:49:45,710  
the transmutation or flame which

1455  
00:49:50,980 --> 00:49:48,170  
literally translates everything viruses

1456  
00:49:52,300 --> 00:49:50,990  
funguses bacteria distortions trauma so

1457  
00:49:53,650 --> 00:49:52,310  
you have that ability to transmit your

1458  
00:49:55,120 --> 00:49:53,660  
environment and if I were you I would

1459  
00:49:56,620 --> 00:49:55,130  
actually work with that violet flame if

1460  
00:49:57,730 --> 00:49:56,630  
you ever feel like you need it just use

1461  
00:49:59,710 --> 00:49:57,740  
it to transfer you especially if you're

1462  
00:50:06,310 --> 00:49:59,720  
doing any type of investigative research

1463  
00:50:08,410 --> 00:50:06,320

you'd be like now if you're always here

1464

00:50:09,910 --> 00:50:08,420

to uncover who we really are and who we

1465

00:50:11,770 --> 00:50:09,920

really are as Star people we have so

1466

00:50:13,210 --> 00:50:11,780

many abilities we activate them through

1467

00:50:14,950 --> 00:50:13,220

states of consciousness or spirituality

1468

00:50:17,290 --> 00:50:14,960

through affirmations to meditation or

1469

00:50:18,700 --> 00:50:17,300

life life's journey and that's the whole

1470

00:50:19,930 --> 00:50:18,710

idea is the progression of spirit of

1471

00:50:21,550 --> 00:50:19,940

finding out who you really are as a

1472

00:50:24,250 --> 00:50:21,560

multi-dimensional being I would say

1473

00:50:26,380 --> 00:50:24,260

utilize your skills as guided just do it

1474

00:50:32,950 --> 00:50:26,390

yeah you've certainly gave me a lot to

1475

00:50:34,900 --> 00:50:32,960

think about so I must say I never even

1476  
00:50:38,620 --> 00:50:34,910  
thought I'd have a radio program at this

1477  
00:50:40,210 --> 00:50:38,630  
the beginning of this year and all

1478  
00:50:42,670 --> 00:50:40,220  
suddenly I was invited on to another

1479  
00:50:44,710 --> 00:50:42,680  
radio show and on the back of that so I

1480  
00:50:47,830 --> 00:50:44,720  
wasn't I was given this show basically

1481  
00:50:49,120 --> 00:50:47,840  
you know wonderful so I'm so glad you're

1482  
00:51:01,630 --> 00:50:49,130  
doing it you're fabulous you do a great

1483  
00:51:06,940 --> 00:51:01,640  
job pretty ropery I think come on

1484  
00:51:09,370 --> 00:51:06,950  
but yeah it's been fantastic speak to

1485  
00:51:19,570 --> 00:51:09,380  
you about oh you sort of blown my mind

1486  
00:51:22,960 --> 00:51:19,580  
really yeah so we've covered this UFO

1487  
00:51:24,730 --> 00:51:22,970  
disclosure movement so yours you see

1488  
00:51:27,790 --> 00:51:24,740

your real role in the paranormal do you

1489

00:51:31,030 --> 00:51:27,800

see your role is really a messenger to

1490

00:51:33,010 --> 00:51:31,040

get things out there to some degree I'm

1491

00:51:35,020 --> 00:51:33,020

a teacher so have a facilitator and a

1492

00:51:36,460 --> 00:51:35,030

teacher an ambassador to some degree

1493

00:51:37,840 --> 00:51:36,470

when it comes down to information I'm

1494

00:51:39,850 --> 00:51:37,850

certainly there is a sounding board for

1495

00:51:41,380 --> 00:51:39,860

anybody who's into paranormal

1496

00:51:43,540 --> 00:51:41,390

supernatural UFOs or even kommer

1497

00:51:44,710 --> 00:51:43,550

technology so I try to put myself out

1498

00:51:46,720 --> 00:51:44,720

there as someone who they can

1499

00:51:48,280 --> 00:51:46,730

communicate with or ask questions to and

1500

00:51:49,180 --> 00:51:48,290

it's always good to brainstorm yeah

1501  
00:51:51,109 --> 00:51:49,190  
that's the bottom line that's the whole

1502  
00:51:52,789 --> 00:51:51,119  
idea behind working together in

1503  
00:51:54,979 --> 00:51:52,799  
to just talk about information and

1504  
00:51:56,420 --> 00:51:54,989  
experiences and compare notes I have a

1505  
00:51:57,380 --> 00:51:56,430  
lot of information I can share so it

1506  
00:52:00,440 --> 00:51:57,390  
helps people along the way

1507  
00:52:02,420 --> 00:52:00,450  
hmm do you have some sort of effects

1508  
00:52:04,819 --> 00:52:02,430  
that drives you or you've got some sort

1509  
00:52:08,390 --> 00:52:04,829  
of a mechanism that motivates you or

1510  
00:52:09,650 --> 00:52:08,400  
does it just cool initially after the

1511  
00:52:10,940 --> 00:52:09,660  
induction it was just about telling the

1512  
00:52:12,289 --> 00:52:10,950  
truth and making sure that the truth was

1513  
00:52:13,759 --> 00:52:12,299

out there because I knew that my case

1514

00:52:15,859 --> 00:52:13,769

got shoved under the carpet so that was

1515

00:52:17,180 --> 00:52:15,869

my drive that was the driving force was

1516

00:52:18,680 --> 00:52:17,190

to just keep pushing and pushing and

1517

00:52:20,599 --> 00:52:18,690

putting the truth out there and then you

1518

00:52:21,950 --> 00:52:20,609

saw this truth media come out where all

1519

00:52:23,390 --> 00:52:21,960

of a sudden all these different types of

1520

00:52:24,799 --> 00:52:23,400

you know internet media started

1521

00:52:26,719 --> 00:52:24,809

happening where we were just out there I

1522

00:52:28,819 --> 00:52:26,729

never saw myself doing radio either and

1523

00:52:30,890 --> 00:52:28,829

then I am on radio so that was another

1524

00:52:32,539 --> 00:52:30,900

thing I never saw and I see futures I

1525

00:52:34,519 --> 00:52:32,549

mean I understand my future and I never

1526

00:52:35,779 --> 00:52:34,529

saw any of this stuff so it's

1527

00:52:36,859 --> 00:52:35,789

interesting how that works but I know

1528

00:52:38,870 --> 00:52:36,869

that I'm in a different space time

1529

00:52:50,569 --> 00:52:38,880

configuration than I was in 2004 and I

1530

00:52:58,039 --> 00:52:50,579

think that's part of it you give me so

1531

00:52:59,329 --> 00:52:58,049

much I had some full of stuff and but

1532

00:53:00,829 --> 00:52:59,339

you have a lot of UFO sightings over

1533

00:53:03,829 --> 00:53:00,839

there in the UK for what I understand

1534

00:53:06,709 --> 00:53:03,839

this it's a hot spot right yeah I mean I

1535

00:53:08,870 --> 00:53:06,719

live near Rendlesham forest and I have

1536

00:53:12,410 --> 00:53:08,880

been in the in the woods late at night

1537

00:53:14,569 --> 00:53:12,420

and we have seen lights in the sky

1538

00:53:17,209 --> 00:53:14,579

moving I'm not sort of a reflectance

1539

00:53:19,309 --> 00:53:17,219

that's all about remember I described

1540

00:53:22,579 --> 00:53:19,319

stars moving and stopping and moving

1541

00:53:23,989 --> 00:53:22,589

well a few of us saw the same thing this

1542

00:53:26,839 --> 00:53:23,999

was probably a few months ago now at you

1543

00:53:29,029 --> 00:53:26,849

late last year that's the same thing

1544

00:53:32,420 --> 00:53:29,039

like what's your star move and his stop

1545

00:53:36,160 --> 00:53:32,430

and move and stop and move I'm seeing

1546

00:53:39,910 --> 00:53:36,170

aircraft don't do that it is quite a

1547

00:53:43,459 --> 00:53:39,920

witchy area where I live in Suffolk

1548

00:53:45,890 --> 00:53:43,469

there's a lot of old villages here this

1549

00:53:49,009 --> 00:53:45,900

is one I live in a town called nor near

1550

00:53:51,739 --> 00:53:49,019

a town called sex Munden which was one

1551

00:53:54,650 --> 00:53:51,749

of the earliest Sexton settlements

1552

00:53:56,680 --> 00:53:54,660

offing exploits got its name from so

1553

00:54:03,060 --> 00:53:56,690

there's a lot of witchcraft in the area

1554

00:54:08,340 --> 00:54:04,950

it sounds it sounds like a very powerful

1555

00:54:10,470 --> 00:54:08,350

place a very charged place if you've

1556

00:54:12,390 --> 00:54:10,480

been to the UK yourself you haven't I

1557

00:54:14,190 --> 00:54:12,400

always wanted to go but I'd like to go

1558

00:54:15,600 --> 00:54:14,200

check it out I'd love to go explore over

1559

00:54:20,430 --> 00:54:15,610

there yeah yeah it sounds fascinating

1560

00:54:22,680 --> 00:54:20,440

really does all over the country well I

1561

00:54:24,570 --> 00:54:22,690

think Suffolk actually got a locker I

1562

00:54:27,410 --> 00:54:24,580

know something special about it as far

1563

00:54:29,460 --> 00:54:27,420

as witches and the paranormal go really

1564

00:54:35,490 --> 00:54:29,470

obviously you know about the render some

1565

00:54:37,380 --> 00:54:35,500

case what's interesting what's

1566

00:54:38,940 --> 00:54:37,390

interesting is the I always think of

1567

00:54:42,150 --> 00:54:38,950

when there's a sighting there has to be

1568

00:54:43,800 --> 00:54:42,160

a certain kind of a portal or time

1569

00:54:45,240 --> 00:54:43,810

dilation hmm where there's a portal or

1570

00:54:46,830 --> 00:54:45,250

something opening up where they're

1571

00:54:48,750 --> 00:54:46,840

accessing interdimensional space to get

1572

00:54:49,950 --> 00:54:48,760

here or whatever it is whether it's from

1573

00:54:51,570 --> 00:54:49,960

black science department or whatever but

1574

00:54:53,220 --> 00:54:51,580

the bottom line is there has to be a

1575

00:54:54,360 --> 00:54:53,230

signature there's where there's an entry

1576

00:54:56,100 --> 00:54:54,370

point in other words the entry points

1577

00:54:57,270 --> 00:54:56,110

still there yeah so that's what up in my

1578

00:54:59,310 --> 00:54:57,280

opinion you could be saying the entry

1579

00:55:03,960 --> 00:54:59,320

point I don't think those go away they

1580

00:55:06,600 --> 00:55:03,970

activate your frequency guess we've

1581

00:55:08,850 --> 00:55:06,610

talked about that and we saw it there's

1582

00:55:10,650 --> 00:55:08,860

not always extraterrestrial it could be

1583

00:55:17,670 --> 00:55:10,660

interdimensional we have quite quite

1584

00:55:19,710 --> 00:55:17,680

easily Jim Penniston goes down along

1585

00:55:21,510 --> 00:55:19,720

that he seems to think it could be like

1586

00:55:24,000 --> 00:55:21,520

time travelers I mean he doesn't know

1587

00:55:27,000 --> 00:55:24,010

the answer but he could be time

1588

00:55:28,110 --> 00:55:27,010

travelers well it's definitely there the

1589

00:55:30,630 --> 00:55:28,120

signatures are there and that's what I

1590

00:55:31,890 --> 00:55:30,640

always say regardless of us before we

1591

00:55:33,510 --> 00:55:31,900

showed up here on the map there were

1592

00:55:34,650 --> 00:55:33,520

visitors here and they were traversing

1593

00:55:36,570 --> 00:55:34,660

the galactic highway they were

1594

00:55:38,460 --> 00:55:36,580

traversing our inviting our atmosphere

1595

00:55:39,870 --> 00:55:38,470

however they were coming in and out with

1596

00:55:42,720 --> 00:55:39,880

the doorways those doorways in my

1597

00:55:44,130 --> 00:55:42,730

opinion activated or deactivated and I

1598

00:55:45,660 --> 00:55:44,140

feel like the military and the covert

1599

00:55:47,730 --> 00:55:45,670

military is actually trying to stop them

1600

00:55:48,690 --> 00:55:47,740

that you know try to seal those but I

1601  
00:55:51,270 --> 00:55:48,700  
believe they can because it's a

1602  
00:55:52,560 --> 00:55:51,280  
frequency so to me I feel like well

1603  
00:55:54,030 --> 00:55:52,570  
that's why they're here you talk about

1604  
00:55:55,260 --> 00:55:54,040  
residual haunts and things or maybe we

1605  
00:55:57,000 --> 00:55:55,270  
haven't discussed that yet but the idea

1606  
00:55:59,310 --> 00:55:57,010  
behind it is constantly having a

1607  
00:56:01,380 --> 00:55:59,320  
repetitive thing coming back so to me

1608  
00:56:02,700 --> 00:56:01,390  
when we're having experiences and we're

1609  
00:56:04,350 --> 00:56:02,710  
seeing these things connecting in with

1610  
00:56:06,120 --> 00:56:04,360  
different types of UFOs I feel like that

1611  
00:56:07,530 --> 00:56:06,130  
they're traversing a highway mmm and

1612  
00:56:09,120 --> 00:56:07,540  
that we need to just map the highway and

1613  
00:56:11,310 --> 00:56:09,130

then we'll find them you know it's easy

1614

00:56:13,290 --> 00:56:11,320

enough to do in my opinion yeah do you

1615

00:56:16,590 --> 00:56:13,300

think do you think cats and dogs are

1616

00:56:19,410 --> 00:56:16,600

more sensitive but they think they do

1617

00:56:21,300 --> 00:56:19,420

the paranormal definitely cats are very

1618

00:56:23,250 --> 00:56:21,310

very cats are really powerful they're

1619

00:56:24,600 --> 00:56:23,260

very psychic and very protective yeah I

1620

00:56:26,520 --> 00:56:24,610

call them temple kitties of ancient

1621

00:56:27,870 --> 00:56:26,530

Egypt but literally very powerful and so

1622

00:56:29,520 --> 00:56:27,880

far psychic shielding a protection go

1623

00:56:32,070 --> 00:56:29,530

they can take a lot to their

1624

00:56:34,290 --> 00:56:32,080

energetically very strong the dogs are

1625

00:56:37,140 --> 00:56:34,300

very hypersensitive and more so in my

1626  
00:56:38,610 --> 00:56:37,150  
opinion to also covert transmissions so

1627  
00:56:41,240 --> 00:56:38,620  
they're very sensitive with her hearing

1628  
00:56:42,810 --> 00:56:41,250  
to regular supernatural events and also

1629  
00:56:44,190 --> 00:56:42,820  
technological and people need to be very

1630  
00:56:45,540 --> 00:56:44,200  
aware of this because sometimes the

1631  
00:56:47,610 --> 00:56:45,550  
technology that's streaming right now

1632  
00:56:49,920 --> 00:56:47,620  
can affect them it can make them kind of

1633  
00:56:50,790 --> 00:56:49,930  
blackout and it can also create seizures

1634  
00:56:52,710 --> 00:56:50,800  
and things with people they pay

1635  
00:56:58,740 --> 00:56:52,720  
attention their animals you know keep an

1636  
00:56:59,820 --> 00:56:58,750  
eye on them about your your your

1637  
00:57:02,610 --> 00:56:59,830  
second-degree black belt

1638  
00:57:05,820 --> 00:57:02,620

are you in these crowd sir yeah condo

1639

00:57:07,050 --> 00:57:05,830

and so that is my my main style I also

1640

00:57:09,600 --> 00:57:07,060

have a background in in jiu-jitsu

1641

00:57:11,220 --> 00:57:09,610

Japanese jiu-jitsu and weapons and tai

1642

00:57:13,560 --> 00:57:11,230

chi chi-gong and I've talked to a chi

1643

00:57:16,080 --> 00:57:13,570

chi-gong years ago and it's a very nice

1644

00:57:18,180 --> 00:57:16,090

system in so far just regenerating and

1645

00:57:20,310 --> 00:57:18,190

bringing universal life force energy but

1646

00:57:22,940 --> 00:57:20,320

my background is is hardcore Taekwondo

1647

00:57:24,750 --> 00:57:22,950

also I was women's kickboxing champ

1648

00:57:27,180 --> 00:57:24,760

advancing champ back at the day that

1649

00:57:28,860 --> 00:57:27,190

ninety so yeah I did a lot of a lot of

1650

00:57:32,520 --> 00:57:28,870

good good training a lot of her training

1651

00:57:33,900 --> 00:57:32,530

and I still love it today if you've

1652

00:57:45,240 --> 00:57:33,910

heard of Frank would you know Frank

1653

00:57:47,340 --> 00:57:45,250

Lewis actually came on your show one day

1654

00:57:48,540 --> 00:57:47,350

yeah anytime anything I'd love to

1655

00:57:49,800 --> 00:57:48,550

interview more martial artists you know

1656

00:57:51,180 --> 00:57:49,810

something I haven't been doing much of

1657

00:57:52,980 --> 00:57:51,190

and I'd love to put them out there so

1658

00:57:55,740 --> 00:57:52,990

anytime yeah yeah I mean he's a very

1659

00:57:57,450 --> 00:57:55,750

knowledgeable chap and he's had a quite

1660

00:57:59,550 --> 00:57:57,460

an amazing life he yet he's got two

1661

00:58:01,590 --> 00:57:59,560

World Records for breaking new roof

1662

00:58:06,360 --> 00:58:01,600

tiles well I'll put me in touch with you

1663

00:58:08,130 --> 00:58:06,370

and yeah it's such a beautiful path any

1664

00:58:09,960 --> 00:58:08,140

type of martial arts whatever people are

1665

00:58:11,460 --> 00:58:09,970

guided to do whatever style yeah to me

1666

00:58:14,790 --> 00:58:11,470

it's just a life saver it changed my

1667

00:58:16,590 --> 00:58:14,800

whole life I love it yeah he's actually

1668

00:58:19,590 --> 00:58:16,600

had these tough times as well he was a

1669

00:58:22,860 --> 00:58:19,600

soldier of fortune in the in Africa and

1670

00:58:24,810 --> 00:58:22,870

he's seen a lot of nasty things like not

1671

00:58:27,930 --> 00:58:24,820

even a firefight with greys apparently

1672

00:58:29,390 --> 00:58:27,940

which he doesn't know what what the full

1673

00:58:31,850 --> 00:58:29,400

story was but apparently

1674

00:58:34,220 --> 00:58:31,860

a lot of ammunition empty cartridge

1675

00:58:37,310 --> 00:58:34,230

cases left around and a few of the other

1676  
00:58:38,750 --> 00:58:37,320  
troops they don't know what happened

1677  
00:58:40,010 --> 00:58:38,760  
either but they know something happen

1678  
00:58:43,070 --> 00:58:40,020  
because of audio empty cartridges

1679  
00:58:44,660 --> 00:58:43,080  
everywhere but let him go into that

1680  
00:58:48,320 --> 00:58:44,670  
story with you but so yeah well putting

1681  
00:58:49,250 --> 00:58:48,330  
me in touch with you and also like I

1682  
00:58:51,140 --> 00:58:49,260  
said I'd love to have you on my show

1683  
00:58:54,770 --> 00:58:51,150  
well yeah we give me a give me a check

1684  
00:58:59,990 --> 00:58:54,780  
without me and oh definitely come on

1685  
00:59:01,880 --> 00:59:00,000  
thank you thanks for the info we've got

1686  
00:59:03,770 --> 00:59:01,890  
a cutting off there so our assistant

1687  
00:59:05,300 --> 00:59:03,780  
fascinating talking to you and you've

1688  
00:59:13,960 --> 00:59:05,310

blown my mind and I think you're gonna

1689

00:59:18,110 --> 00:59:15,800

definitely come on your show and I'll

1690

00:59:19,520 --> 00:59:18,120

speak to you again until your market

1691

00:59:26,630 --> 00:59:19,530

incident something that's nothing like

1692

00:59:28,220 --> 00:59:26,640

yours but anyway I've gotta say goodbye

1693

00:59:31,040 --> 00:59:28,230

to everybody and thank you for listening

1694

00:59:34,610 --> 00:59:31,050

and thank you Solaris for a really

1695

00:59:37,240 --> 00:59:34,620

fascinating show bye bye adios

1696

00:59:54,589 --> 00:59:37,250

ba bye stellaris thank you
