

Paranormal UK Radio Network Presents

PARANORMAL DIMENSIONS with David Young

Paranormal Researcher
and Investigator
Tom Warrington
Monday 24th June

www.paranormalukradionetwork.com

1
00:00:41,080 --> 00:00:21,550

[Music]

2
00:00:44,920 --> 00:00:43,240

hello this is michael feeley and you're

3
00:00:47,380 --> 00:00:44,930

listening to the paranormal UK regular

4
00:00:49,180 --> 00:00:47,390

Network the UK's biggest paranormal

5
00:00:52,300 --> 00:00:49,190

Network and this is paranormal

6
00:00:53,620 --> 00:00:52,310

dimensions with David Young well thank

7
00:00:57,580 --> 00:00:53,630

you for letting my called as a very nice

8
00:01:01,900 --> 00:00:57,590

intro right hello everybody welcome to

9
00:01:03,730 --> 00:01:01,910

another parallel dimension show got a

10
00:01:05,110 --> 00:01:03,740

young man for you today mr. Tom

11
00:01:09,070 --> 00:01:05,120

Warrington I'm going to introduce in a

12
00:01:10,570 --> 00:01:09,080

moment but before I do that yeah as you

13
00:01:13,540 --> 00:01:10,580

know I've started doing calls out for

14

00:01:15,070 --> 00:01:13,550

people so this is this is today's three

15

00:01:17,050 --> 00:01:15,080

or four just put this shows three I

16

00:01:19,870 --> 00:01:17,060

should say really I'm going to give a

17

00:01:23,800 --> 00:01:19,880

call out for Mont Westbury in Nottingham

18

00:01:26,170 --> 00:01:23,810

UK good gonna give a call out for

19

00:01:28,180 --> 00:01:26,180

William Poole in a good friend in San

20

00:01:30,640 --> 00:01:28,190

Antonio Texas who was a guest from here

21

00:01:33,400 --> 00:01:30,650

previously I think he is a goodness and

22

00:01:35,410 --> 00:01:33,410

occasionally and they're gonna give us a

23

00:01:39,570 --> 00:01:35,420

call that was Stephie grant Douglas

24

00:01:42,430 --> 00:01:39,580

other main UK riots now as I said the

25

00:01:44,140 --> 00:01:42,440

young man named Tom Warrington he's

26

00:01:45,669 --> 00:01:44,150

become a little bit of a mate he's got

27

00:01:49,330 --> 00:01:45,679

your hands he's got his other he's got a

28

00:01:51,730 --> 00:01:49,340

radio show his own which he has on a

29

00:01:55,210 --> 00:01:51,740

different network I might say but we're

30

00:01:57,010 --> 00:01:55,220

all friends so it's not a problem so I'm

31

00:01:58,779 --> 00:01:57,020

walking you can hear him laughing in the

32

00:02:03,999 --> 00:01:58,789

background yes so I'm going to say hello

33

00:02:09,609 --> 00:02:04,009

to Tom welcome to the a called your

34

00:02:13,630 --> 00:02:09,619

Michael deep no thank you for inviting

35

00:02:16,120 --> 00:02:13,640

me to the show and it's a bit strange

36

00:02:19,180 --> 00:02:16,130

you know turning the tables as it were

37

00:02:21,610 --> 00:02:19,190

cuz it's normally me doing it so as you

38

00:02:25,860 --> 00:02:21,620

know I ended up on this show through

39
00:02:30,130 --> 00:02:25,870
your show because always on your show so

40
00:02:30,760 --> 00:02:30,140
it's kinda it's like I said before I'd

41
00:02:34,150 --> 00:02:30,770
never

42
00:02:37,180 --> 00:02:34,160
own show at the beginning of this year

43
00:02:40,600 --> 00:02:37,190
but it kind of works out that way from

44
00:02:46,120 --> 00:02:40,610
being on your show because but anyway

45
00:02:49,390 --> 00:02:46,130
this is your show not washer talk about

46
00:02:51,820 --> 00:02:49,400
my radio show a little later I'm sure

47
00:02:54,660 --> 00:02:51,830
but if I may up I wanted to kind of turn

48
00:02:56,970 --> 00:02:54,670
the clocks back now and

49
00:02:58,650 --> 00:02:56,980
tell you all a bit how I became involved

50
00:03:00,300 --> 00:02:58,660
in what I'm doing at the minute

51
00:03:05,699 --> 00:03:00,310
well you beat me because all the bets

52
00:03:10,410 --> 00:03:05,709
who asked you that so well you know we

53
00:03:15,330 --> 00:03:10,420
go in 26 years now back and an infamous

54
00:03:18,630 --> 00:03:15,340
program was aired on the BBC and called

55
00:03:21,360 --> 00:03:18,640
ghost watch which some of you may may

56
00:03:24,839 --> 00:03:21,370
have not heard of written by a guy

57
00:03:27,300 --> 00:03:24,849
called Stephen Volk who was actually

58
00:03:29,400 --> 00:03:27,310
appeared on one of my radio shows and

59
00:03:34,759 --> 00:03:29,410
very early days the pure paranormal show

60
00:03:36,720 --> 00:03:34,769
and it was basically a mockumentary

61
00:03:38,610 --> 00:03:36,730
basically David have you heard of this

62
00:03:40,440 --> 00:03:38,620
ghost watch program I have a

63
00:03:42,360 --> 00:03:40,450

mockumentary yeah I think I do i do

64

00:03:44,550 --> 00:03:42,370

remember something to do with it only

65

00:03:45,479 --> 00:03:44,560

some imagining something but I do it

66

00:03:50,400 --> 00:03:45,489

does sound familiar

67

00:03:53,309 --> 00:03:50,410

yeah well it was aired on Halloween and

68

00:03:57,990 --> 00:03:53,319

it was done like a alive probably yes

69

00:04:00,360 --> 00:03:58,000

no I do remember it yeah I mean I

70

00:04:02,340 --> 00:04:00,370

probably remember it that this sort of

71

00:04:07,370 --> 00:04:02,350

thing was unheard of so it was very

72

00:04:10,680 --> 00:04:07,380

fresh very raw and I was quite young I

73

00:04:11,789 --> 00:04:10,690

was allowed to watch this program and I

74

00:04:15,539 --> 00:04:11,799

don't know what my parents are thinking

75

00:04:20,069 --> 00:04:15,549

because you know it led onto what I'm

76

00:04:20,969 --> 00:04:20,079

doing up to this point in time and to be

77

00:04:26,640 --> 00:04:20,979

honest it scared the living daylights

78

00:04:28,560 --> 00:04:26,650

out of me it was it was so real daddy

79

00:04:32,190 --> 00:04:28,570

kind of an awesome Will's but we've

80

00:04:36,600 --> 00:04:32,200

ghosts and things hidden they like it

81

00:04:39,390 --> 00:04:36,610

was like a joke it was a joke it was

82

00:04:41,790 --> 00:04:39,400

only of weeks later that they kind of

83

00:04:46,590 --> 00:04:41,800

announced the show was it was a hoax but

84

00:04:48,510 --> 00:04:46,600

some fortunately I did the right on my

85

00:04:51,570 --> 00:04:48,520

show and and he said it was actually

86

00:04:53,310 --> 00:04:51,580

based and they wrote it around the

87

00:04:56,909 --> 00:04:53,320

Enfield haunting which happened back in

88

00:05:00,420 --> 00:04:56,919

the 70s ami ones who like so it was very

89

00:05:03,210 --> 00:05:00,430

ritzy very real and it was filmed in you

90

00:05:05,600 --> 00:05:03,220

know in a normal families home and they

91

00:05:08,700 --> 00:05:05,610

were plagued by poltergeist activity and

92

00:05:11,130 --> 00:05:08,710

I was actually transfixed

93

00:05:14,880 --> 00:05:11,140

fight but absolutely transfixed to what

94

00:05:17,550 --> 00:05:14,890

was happening and it raised so many

95

00:05:20,790 --> 00:05:17,560

questions and I at the time at that age

96

00:05:24,300 --> 00:05:20,800

I was aware of ghosts as it were and I

97

00:05:26,730 --> 00:05:24,310

don't really like that label nobody

98

00:05:28,860 --> 00:05:26,740

knows what a ghost is I suppose it's a

99

00:05:30,960 --> 00:05:28,870

terminology we've used to kind of

100

00:05:34,230 --> 00:05:30,970

simplify something that we don't

101
00:05:36,600 --> 00:05:34,240
understand but yeah I'll be back to that

102
00:05:39,090 --> 00:05:36,610
show I mean it changed everything for me

103
00:05:44,820 --> 00:05:39,100
really it we really did I mean I do

104
00:05:46,800 --> 00:05:44,830
sleep for days as you've been talking

105
00:05:48,060 --> 00:05:46,810
about it here's actually come back to me

106
00:06:03,020 --> 00:05:48,070
now do remember it being

107
00:06:06,930 --> 00:06:05,100
yeah I think it might well have been at

108
00:06:08,850 --> 00:06:06,940
work or some a lot more class ball wind

109
00:06:10,230 --> 00:06:08,860
and flight for our us listeners on

110
00:06:13,610 --> 00:06:10,240
people around the world Bach Les Paul

111
00:06:17,100 --> 00:06:13,620
was okay a TV presenter I'm here at UK I

112
00:06:22,010 --> 00:06:17,110
think actually it was my parking it was

113
00:06:25,230 --> 00:06:22,020

Michael Parkinson and Sarah green yes

114

00:06:26,940 --> 00:06:25,240

right eggshells was featured on it as

115

00:06:28,740 --> 00:06:26,950

well he was kind of like interviewing

116

00:06:31,980 --> 00:06:28,750

the people in the street and stuff like

117

00:06:36,420 --> 00:06:31,990

that and the actual poltergeist or the

118

00:06:39,810 --> 00:06:36,430

ghosts the kids named as pipes which

119

00:06:41,280 --> 00:06:39,820

when you look at the the program back

120

00:06:44,630 --> 00:06:41,290

because you can actually buy it on DVD

121

00:06:47,460 --> 00:06:44,640

it's it's very rare actually to get

122

00:06:50,550 --> 00:06:47,470

people in America because it was the

123

00:06:52,710 --> 00:06:50,560

anniversary I think last year and I

124

00:06:56,880 --> 00:06:52,720

think the rereleased the DVD as it were

125

00:06:59,370 --> 00:06:56,890

and people went crazy over again but say

126

00:07:02,910 --> 00:06:59,380

there was actually someone commits

127

00:07:06,570 --> 00:07:02,920

suicide over the from the program I mean

128

00:07:10,110 --> 00:07:06,580

it had that much of an impact on people

129

00:07:12,360 --> 00:07:10,120

because it was so believable you know it

130

00:07:15,780 --> 00:07:12,370

was so raw it was filmed in such a way

131

00:07:18,570 --> 00:07:15,790

that never been done before on British

132

00:07:20,970 --> 00:07:18,580

television so you know it made a massive

133

00:07:22,230 --> 00:07:20,980

impact and I'm sure it's but lot of

134

00:07:24,570 --> 00:07:22,240

other people's interest

135

00:07:27,150 --> 00:07:24,580

in the paranormal as well and it was

136

00:07:30,270 --> 00:07:27,160

fantastic to get what the writer who did

137

00:07:33,659 --> 00:07:30,280

the show on my show because he explained

138

00:07:35,930 --> 00:07:33,669

it was based on the Enfield haunting and

139

00:07:39,360 --> 00:07:35,940

he had spoke to Guilin and playfair

140

00:07:42,240 --> 00:07:39,370

Moorish gross when they were writing the

141

00:07:44,520 --> 00:07:42,250

show and they wanted to make it as real

142

00:07:49,159 --> 00:07:44,530

as possible and so they held they had to

143

00:07:52,200 --> 00:07:49,169

help amazing investigators from the SPR

144

00:07:54,240 --> 00:07:52,210

this is Tim psychical research and you

145

00:07:57,320 --> 00:07:54,250

know which probably made it a bit more

146

00:08:01,529 --> 00:07:57,330

kind of yeah had a bit more umph to it

147

00:08:05,969 --> 00:08:01,539

it was some yeah I mean I guess a it had

148

00:08:17,159 --> 00:08:05,979

a huge huge implications as to what I'm

149

00:08:19,439 --> 00:08:17,169

doing today really but that really did

150

00:08:24,059 --> 00:08:19,449

generate the initial spark but then

151

00:08:26,850 --> 00:08:24,069

freeze later from that that infamous

152

00:08:29,279 --> 00:08:26,860

show being aired on Halloween I received

153

00:08:32,550 --> 00:08:29,289

a book now this is a bit of a strange

154

00:08:37,260 --> 00:08:32,560

book to give a young child really and my

155

00:08:40,469 --> 00:08:37,270

uncle bless him he is a great guy it was

156

00:08:43,319 --> 00:08:40,479

an artist you know he's done a lot of

157

00:08:47,850 --> 00:08:43,329

things in life he gave me this book and

158

00:08:49,949 --> 00:08:47,860

now this was a strange but true case

159

00:08:51,930 --> 00:08:49,959

book so yeah I'm sure many this is

160

00:08:56,490 --> 00:08:51,940

probably known if that was Michael Aspel

161

00:09:00,180 --> 00:08:56,500

I believe who introduced that show and

162

00:09:02,790 --> 00:09:00,190

the case book was the the book I got was

163

00:09:05,730 --> 00:09:02,800

actually full case book of the Enfield

164

00:09:10,560 --> 00:09:05,740

haunting or the Enfield poltergeist as

165

00:09:14,040 --> 00:09:10,570

it was known back then so that initially

166

00:09:17,130 --> 00:09:14,050

kind of propelled me and was a big

167

00:09:21,240 --> 00:09:17,140

catalyst for my entry into the

168

00:09:24,300 --> 00:09:21,250

supernatural because this case was well

169

00:09:29,550 --> 00:09:24,310

it's probably one of the best documented

170

00:09:30,930 --> 00:09:29,560

no to guys cases in in the world now you

171

00:09:33,480 --> 00:09:30,940

know there's a lot of skepticism over

172

00:09:35,400 --> 00:09:33,490

whether a lot of the activity was fate

173

00:09:35,910 --> 00:09:35,410

but there's no doubt in my mind I've

174

00:09:38,970 --> 00:09:35,920

actually met

175

00:09:42,569 --> 00:09:38,980

guyline and playfair God rest his soul

176

00:09:44,600 --> 00:09:42,579

at the Gulf's mr. universe see he did a

177

00:09:47,509 --> 00:09:44,610

talk there on the Enfield haunting and

178

00:09:49,829 --> 00:09:47,519

you know I've got a lot of his books

179

00:09:53,069 --> 00:09:49,839

I've actually followed him throughout my

180

00:09:56,910 --> 00:09:53,079

life and interest in the paranormal I

181

00:09:59,340 --> 00:09:56,920

think he's possibly the best psychical

182

00:10:02,730 --> 00:09:59,350

research and there is and he's roped

183

00:10:04,800 --> 00:10:02,740

some amazing pieces I'm pulled two guys

184

00:10:06,750 --> 00:10:04,810

specifically pulled advice well you know

185

00:10:11,490 --> 00:10:06,760

you just upset a few people live or

186

00:10:22,740 --> 00:10:11,500

saying that don't you well a lot of

187

00:10:24,900 --> 00:10:22,750

people to be honest I don't think there

188

00:10:26,850 --> 00:10:24,910

should be any egos in this anyway I mean

189

00:10:28,650 --> 00:10:26,860

you will we've all got opinions about

190

00:10:32,040 --> 00:10:28,660

who we think are the best researchers

191

00:10:34,350 --> 00:10:32,050

and things like that against the ego

192

00:10:36,660 --> 00:10:34,360

thing in this and field because we're

193

00:10:39,210 --> 00:10:36,670

all in it together we should all be

194

00:10:43,380 --> 00:10:39,220

trying to help each other anyway so well

195

00:10:45,660 --> 00:10:43,390

unfortunately it's not like that as you

196

00:10:49,460 --> 00:10:45,670

know I'm pretty much against frauds and

197

00:10:52,650 --> 00:10:49,470

lawyers in this field as I know you are

198

00:10:54,990 --> 00:10:52,660

yeah of course I mean you know I've been

199

00:10:58,280 --> 00:10:55,000

doing this for a long time now and I met

200

00:11:00,530 --> 00:10:58,290

a lot of people a long journey and

201
00:11:04,350 --> 00:11:00,540
unfortunately I've come across some

202
00:11:06,240 --> 00:11:04,360
half-wits and frauds you know it goes to

203
00:11:08,280 --> 00:11:06,250
be engaged with every territory not just

204
00:11:10,680 --> 00:11:08,290
the paranormal you college either to

205
00:11:13,889 --> 00:11:10,690
zoology it's every every walk of life

206
00:11:15,780 --> 00:11:13,899
unfortunately and it's how we cope with

207
00:11:18,630 --> 00:11:15,790
it ins how we deal with it's how we move

208
00:11:22,620 --> 00:11:18,640
on from it and is this the thing you

209
00:11:26,069 --> 00:11:22,630
know but yeah it's a it said that the

210
00:11:29,579 --> 00:11:26,079
book really really did ping it off for

211
00:11:32,340 --> 00:11:29,589
me because there from then on because I

212
00:11:36,090 --> 00:11:32,350
live in rural Lincolnshire and we we're

213
00:11:39,600 --> 00:11:36,100

very privileged to have you know bomber

214

00:11:44,009 --> 00:11:39,610

County as it were based here so lots of

215

00:11:47,370 --> 00:11:44,019

RAF bases lots of abandoned RAF

216

00:11:49,380 --> 00:11:47,380

locations and supposedly haunted watched

217

00:11:51,540 --> 00:11:49,390

at where I am because I mean

218

00:11:52,920 --> 00:11:51,550

the rural suffer can we've got the old

219

00:11:57,750 --> 00:11:52,930

us basis here

220

00:12:01,200 --> 00:11:57,760

yeah very very similar and so as a child

221

00:12:03,930 --> 00:12:01,210

you know I was spoiled for choice really

222

00:12:07,020 --> 00:12:03,940

and if this was prior to all these

223

00:12:10,740 --> 00:12:07,030

ghosts on in companies that we see so

224

00:12:13,880 --> 00:12:10,750

much of now none of that back then there

225

00:12:16,710 --> 00:12:13,890

was very limited access to information

226

00:12:19,080 --> 00:12:16,720

internet was probably very limited at

227

00:12:23,730 --> 00:12:19,090

the time probably two days to get

228

00:12:25,860 --> 00:12:23,740

connected and stuff like limited to

229

00:12:28,800 --> 00:12:25,870

basic newspaper articles and

230

00:12:30,690 --> 00:12:28,810

word-of-mouth really but that didn't

231

00:12:34,170 --> 00:12:30,700

stop me as a child you know we was

232

00:12:39,000 --> 00:12:34,180

knocking on doors asking people who said

233

00:12:42,630 --> 00:12:39,010

go you must have got some startled looks

234

00:12:45,000 --> 00:12:42,640

at some oh yes yeah I did but then you

235

00:12:47,430 --> 00:12:45,010

know we had some really intrigued people

236

00:12:50,670 --> 00:12:47,440

who shared the stories and you know that

237

00:12:53,940 --> 00:12:50,680

really kind of fascinated me even more

238

00:12:55,800 --> 00:12:53,950

and do you know it's all about you know

239

00:12:59,010 --> 00:12:55,810

I've done quite a few different things

240

00:13:01,500 --> 00:12:59,020

within the paranormal and the best thing

241

00:13:03,570 --> 00:13:01,510

about it all is meeting people and share

242

00:13:05,760 --> 00:13:03,580

and listening to experiences being

243

00:13:07,110 --> 00:13:05,770

because it's fantastic I mean I was at

244

00:13:09,540 --> 00:13:07,120

an event last night I should talk about

245

00:13:12,330 --> 00:13:09,550

later and you know just talking to

246

00:13:15,690 --> 00:13:12,340

people it is it's fantastic and it's

247

00:13:18,300 --> 00:13:15,700

fascinating it really is and yeah long

248

00:13:21,590 --> 00:13:18,310

may it continue suppose you like me

249

00:13:25,920 --> 00:13:21,600

we've met some lovely friends that we're

250

00:13:30,510 --> 00:13:25,930

friends because it's just a lovely we've

251
00:13:32,580 --> 00:13:30,520
met a few weirdos as well obviously you

252
00:13:34,830 --> 00:13:32,590
tend to phone you tend to poor people

253
00:13:36,210 --> 00:13:34,840
who people there's a few weird so that

254
00:13:39,420 --> 00:13:36,220
you think well don't want anything to do

255
00:13:41,520 --> 00:13:39,430
with those really and lawyers and but

256
00:13:43,500 --> 00:13:41,530
you do tend to find a list of people you

257
00:13:46,560 --> 00:13:43,510
you know you can trust you know what

258
00:13:50,280 --> 00:13:46,570
they're telling you is the truth and as

259
00:13:52,020 --> 00:13:50,290
far as they know it is I mean it's you

260
00:13:56,880 --> 00:13:52,030
know any bomb interrupt you know let you

261
00:13:59,070 --> 00:13:56,890
carry all boards down to the trust

262
00:14:02,040 --> 00:13:59,080
factor as well and I think there's a

263
00:14:03,300 --> 00:14:02,050

lack of that in a lot of groups that

264

00:14:05,819 --> 00:14:03,310

I've seen

265

00:14:07,829 --> 00:14:05,829

cuz I get kindly invited but this is off

266

00:14:09,900 --> 00:14:07,839

the cuff from the pure paranoia radio

267

00:14:12,059 --> 00:14:09,910

show I get invited to a lot of events

268

00:14:15,210 --> 00:14:12,069

which is actually amazing so grateful

269

00:14:17,730 --> 00:14:15,220

but it's nice to see how different

270

00:14:20,189 --> 00:14:17,740

groups and organizations kind of work

271

00:14:22,829 --> 00:14:20,199

and the methodology of how they

272

00:14:24,749 --> 00:14:22,839

construct an event because they're not

273

00:14:26,280 --> 00:14:24,759

investigations I do want to put that out

274

00:14:29,189 --> 00:14:26,290

there these these nights that you pay

275

00:14:33,480 --> 00:14:29,199

for that they're great as an insight to

276

00:14:35,460 --> 00:14:33,490

what you could possibly kind of know as

277

00:14:38,309 --> 00:14:35,470

a step to the next level if you wish to

278

00:14:40,590 --> 00:14:38,319

choose but they're nowhere they're

279

00:14:44,840 --> 00:14:40,600

nothing like an investigation I mean hi

280

00:14:48,449 --> 00:14:44,850

Adam and Winspear from Paris science and

281

00:14:51,900 --> 00:14:48,459

those guys they know how to investigate

282

00:14:54,509 --> 00:14:51,910

they can lay a lot of data they you know

283

00:14:56,369 --> 00:14:54,519

they're there for four years at location

284

00:14:58,769 --> 00:14:56,379

now that that is that is an

285

00:15:04,350 --> 00:14:58,779

investigation yeah you know you're

286

00:15:07,230 --> 00:15:04,360

spending 48 hours and it's an event it's

287

00:15:10,470 --> 00:15:07,240

a it's a go you know and I think people

288

00:15:13,319 --> 00:15:10,480

nowadays get kind of confused or led

289

00:15:14,699 --> 00:15:13,329

down the wrong way as to what what what

290

00:15:16,530 --> 00:15:14,709

they kind of mean but you know that

291

00:15:20,429 --> 00:15:16,540

that's for them to find now and that's

292

00:15:22,199 --> 00:15:20,439

how it happened for me I mean I I am got

293

00:15:24,090 --> 00:15:22,209

involved with a group from Spaulding and

294

00:15:28,350 --> 00:15:24,100

that's how I first started with the

295

00:15:31,530 --> 00:15:28,360

ghost and scene and you know I saw it

296

00:15:33,360 --> 00:15:31,540

from an event side of things so you know

297

00:15:35,280 --> 00:15:33,370

it's very military lads as you've

298

00:15:38,699 --> 00:15:35,290

probably seen David on a lot of events

299

00:15:40,470 --> 00:15:38,709

which I suppose you have to do you have

300

00:15:42,809 --> 00:15:40,480

to kind of be controlled because you

301
00:15:44,819 --> 00:15:42,819
don't want every person running around

302
00:15:46,379 --> 00:15:44,829
as opposed to Hornet location I think

303
00:15:48,720 --> 00:15:46,389
the thing is with those things you get a

304
00:15:50,519 --> 00:15:48,730
few people think something's gonna

305
00:15:52,860 --> 00:15:50,529
happen straight away and of course it

306
00:15:55,139 --> 00:15:52,870
doesn't most most of those nights when

307
00:15:57,059 --> 00:15:55,149
you have a ghost no stunts you know it

308
00:15:58,499 --> 00:15:57,069
nothing happens and it gets a report

309
00:16:03,329 --> 00:15:58,509
anything you get to a point you think

310
00:16:05,610 --> 00:16:03,339
I'll go home you know you know I mean

311
00:16:09,710 --> 00:16:05,620
obviously even in eight hours at a place

312
00:16:12,990 --> 00:16:09,720
and still nothing happens yes I think

313
00:16:15,269 --> 00:16:13,000

I've conducted several private

314

00:16:16,720 --> 00:16:15,279

investigations over the time as well and

315

00:16:18,460 --> 00:16:16,730

you know in all

316

00:16:21,370 --> 00:16:18,470

years have been doing it David I can

317

00:16:24,850 --> 00:16:21,380

honestly say to you that I could

318

00:16:28,300 --> 00:16:24,860

probably count on one hand instances

319

00:16:32,139 --> 00:16:28,310

that I can't explain or still yet to

320

00:16:36,220 --> 00:16:32,149

explain so that shows you a probably

321

00:16:38,650 --> 00:16:36,230

true reflection of of investigating

322

00:16:41,040 --> 00:16:38,660

because you know you've seen it all over

323

00:16:45,040 --> 00:16:41,050

Facebook I mean some of these groups are

324

00:16:47,290 --> 00:16:45,050

producing supposedly EVPs or on on a

325

00:16:50,560 --> 00:16:47,300

daily occurrence and you know it's um I

326

00:16:52,990 --> 00:16:50,570

don't know I'm not you know condoning it

327

00:16:56,800 --> 00:16:53,000

or whatever I'm just I just find it hard

328

00:17:02,889 --> 00:16:56,810

to kind of believe I'm either doing it

329

00:17:05,230 --> 00:17:02,899

incorrectly or this also when you've got

330

00:17:07,390 --> 00:17:05,240

these groups you do often have a psychic

331

00:17:08,829 --> 00:17:07,400

that there's in that group and you've

332

00:17:13,049 --> 00:17:08,839

really got to put a lot of trust within

333

00:17:15,100 --> 00:17:13,059

in that psychic Avenue are they you know

334

00:17:18,250 --> 00:17:15,110

bulbs doubts about the trust of the

335

00:17:20,380 --> 00:17:18,260

people that are running it I mean in the

336

00:17:23,319 --> 00:17:20,390

east anglia group well you know Gary

337

00:17:25,689 --> 00:17:23,329

Bret field now yes Gary he's very

338

00:17:33,820 --> 00:17:25,699

psychic and I think he's amazing to be

339

00:17:36,070 --> 00:17:33,830

honest I've worked with several mediums

340

00:17:38,020 --> 00:17:36,080

over the years and I've come across some

341

00:17:41,799 --> 00:17:38,030

fraudulent mediums it's probably over

342

00:17:45,310 --> 00:17:41,809

the south and I it's a difficult one

343

00:17:48,520 --> 00:17:45,320

I think this these medium led groups are

344

00:17:53,200 --> 00:17:48,530

just off the cuff from the most haunted

345

00:17:54,549 --> 00:17:53,210

shows and they see it's how they see it

346

00:17:56,320 --> 00:17:54,559

on the TV and they think well that's

347

00:17:58,299 --> 00:17:56,330

that's how it should be done you know

348

00:18:00,220 --> 00:17:58,309

it's not easy you might not remember

349

00:18:04,299 --> 00:18:00,230

these programs are for entertainment

350

00:18:07,539 --> 00:18:04,309

only and they do state that start or end

351

00:18:09,760 --> 00:18:07,549

of the shows and you know I think

352

00:18:11,860 --> 00:18:09,770

there's a lot there's too many groups

353

00:18:13,510 --> 00:18:11,870

now that I just it's like the blind

354

00:18:16,180 --> 00:18:13,520

leading the blind in a minute you're

355

00:18:19,380 --> 00:18:16,190

seeing what others do and it's the same

356

00:18:22,870 --> 00:18:19,390

and not monotonous method on do they use

357

00:18:25,090 --> 00:18:22,880

and I think it's got a bit stagnant with

358

00:18:29,020 --> 00:18:25,100

regards to events out on there because

359

00:18:30,340 --> 00:18:29,030

it's same I get invited to a lot of

360

00:18:32,680 --> 00:18:30,350

events I feel a lot

361

00:18:35,830 --> 00:18:32,690

I used to be involved in a lot of event

362

00:18:38,710 --> 00:18:35,840

companies and it's the same stuff and it

363

00:18:41,140 --> 00:18:38,720

needs fresh ideas it needs new things

364

00:18:44,650 --> 00:18:41,150

because I hear and I talk to a lot of

365

00:18:46,870 --> 00:18:44,660

gas that you know travel the UK and you

366

00:18:49,470 --> 00:18:46,880

know it's in different teams and you

367

00:18:51,880 --> 00:18:49,480

know that that they see the same things

368

00:18:54,850 --> 00:18:51,890

now I don't know whether that's because

369

00:18:58,360 --> 00:18:54,860

groups are afraid of coming away from

370

00:19:00,520 --> 00:18:58,370

that same mundane thing and the opening

371

00:19:03,250 --> 00:19:00,530

prayer at the start that they do and

372

00:19:05,409 --> 00:19:03,260

then they give a bit the talk and they

373

00:19:07,539 --> 00:19:05,419

do the human pension and all that stuff

374

00:19:10,870 --> 00:19:07,549

and there's nothing wrong with that but

375

00:19:13,450 --> 00:19:10,880

I think you know there's a lot of stuff

376

00:19:16,630 --> 00:19:13,460

there's a lot of ideas especially back

377

00:19:18,399 --> 00:19:16,640

in the Harry price era that you know we

378

00:19:20,799 --> 00:19:18,409

could really implicate and I think

379

00:19:24,010 --> 00:19:20,809

guests would absolutely lap it up there

380

00:19:27,010 --> 00:19:24,020

really would and I don't myself and I'm

381

00:19:30,460 --> 00:19:27,020

just at this point and my co-host Barry

382

00:19:32,200 --> 00:19:30,470

Barry frankish talked about a little bit

383

00:19:37,000 --> 00:19:32,210

late but then we're going to be

384

00:19:40,060 --> 00:19:37,010

conducting an event at the Black Swan in

385

00:19:43,450 --> 00:19:40,070

New York and we're going to go back to

386

00:19:45,789 --> 00:19:43,460

basics so we're gonna have limited

387

00:19:50,049 --> 00:19:45,799

amount of Technology and if anything

388

00:19:53,940 --> 00:19:50,059

really and it's gonna be generally old

389

00:19:56,080 --> 00:19:53,950

Victorian seances we've read like says

390

00:19:59,169 --> 00:19:56,090

Penn and everyone's gonna get every shoe

391

00:20:01,750 --> 00:19:59,179

depen and paper and generally you are

392

00:20:03,250 --> 00:20:01,760

the tool you are the piece of equipment

393

00:20:06,220 --> 00:20:03,260

you are going to be relying on your

394

00:20:08,620 --> 00:20:06,230

senses and your senses only we possibly

395

00:20:10,630 --> 00:20:08,630

will be using a camcorder to to record

396

00:20:13,090 --> 00:20:10,640

you know what's what's progressing in

397

00:20:15,549 --> 00:20:13,100

the room but that is it we're not going

398

00:20:18,760 --> 00:20:15,559

to be using broken radios we're not

399

00:20:20,710 --> 00:20:18,770

going to using k2 we're not using laser

400

00:20:23,440 --> 00:20:20,720

grids rempods we don't to use any of

401
00:20:25,870 --> 00:20:23,450
that we are gonna go back to basics and

402
00:20:28,690 --> 00:20:25,880
I think a lot of people a lot of guests

403
00:20:32,169 --> 00:20:28,700
out there they do like that because you

404
00:20:33,820 --> 00:20:32,179
know when people experience things nine

405
00:20:38,380 --> 00:20:33,830
times out of 10 it's not for a rem-pod

406
00:20:41,169 --> 00:20:38,390
or flashing teddy bear or whatever it's

407
00:20:42,430 --> 00:20:41,179
yourself and the element is is a big

408
00:20:44,649 --> 00:20:42,440
power

409
00:20:47,499 --> 00:20:44,659
paranormal experiences at all always say

410
00:20:50,830 --> 00:20:47,509
to people what the paranormal appear you

411
00:20:54,100 --> 00:20:50,840
know paranormal phenomena occur if that

412
00:20:56,980 --> 00:20:54,110
human element wasn't there hmm what's

413
00:21:01,450 --> 00:20:56,990

your opinion of things like k2 meters

414

00:21:03,789 --> 00:21:01,460

and stuff like that oh good I mean I you

415

00:21:06,159 --> 00:21:03,799

know I I have had them in the past don't

416

00:21:09,129 --> 00:21:06,169

get me wrong but you know this was from

417

00:21:12,879 --> 00:21:09,139

the old ghost hunting events year yes

418

00:21:14,970 --> 00:21:12,889

and they are they are great for visual

419

00:21:18,639 --> 00:21:14,980

aids they are trained for mocking

420

00:21:24,070 --> 00:21:18,649

electromagnetic fields but the problem

421

00:21:26,019 --> 00:21:24,080

is people don't understand what specific

422

00:21:30,070 --> 00:21:26,029

pieces of equipment are for they are not

423

00:21:35,019 --> 00:21:30,080

designed to search for ghosts no go

424

00:21:38,350 --> 00:21:35,029

detectors they are built for other uses

425

00:21:42,549 --> 00:21:38,360

really you know you know the EMF meters

426

00:21:45,909 --> 00:21:42,559

that have been so kind of in fraud in

427

00:21:47,769 --> 00:21:45,919

this kind of paranormal circus really

428

00:21:51,310 --> 00:21:47,779

because there they've been used so much

429

00:21:54,129 --> 00:21:51,320

and people kind of rely and then when

430

00:21:57,369 --> 00:21:54,139

they see the lights flash we must have a

431

00:21:59,470 --> 00:21:57,379

ghost in it let's peel it back you know

432

00:22:01,090 --> 00:21:59,480

there's a number of things that set the

433

00:22:03,129 --> 00:22:01,100

he speak well I say a number there's a

434

00:22:05,499 --> 00:22:03,139

huge amount of things that set caters

435

00:22:07,749 --> 00:22:05,509

I've done experiments on them what you

436

00:22:10,090 --> 00:22:07,759

set them off you know fridge you set

437

00:22:13,690 --> 00:22:10,100

them off anything even yourself

438

00:22:17,680 --> 00:22:13,700

you know we it's you know it electric

439

00:22:21,430 --> 00:22:17,690

pulses we do emit small charges of

440

00:22:23,830 --> 00:22:21,440

electricity so people do kind of get

441

00:22:26,259 --> 00:22:23,840

confused and they do get in raveled with

442

00:22:30,700 --> 00:22:26,269

with with the paranormal kind of ghost

443

00:22:32,470 --> 00:22:30,710

hunting companies you know exploiting

444

00:22:34,419 --> 00:22:32,480

and showing off the flashing lights

445

00:22:36,759 --> 00:22:34,429

because let's be honest it's a great

446

00:22:38,710 --> 00:22:36,769

thing to look at in a dark room when the

447

00:22:41,919 --> 00:22:38,720

RAM pump goes off and it alarms off

448

00:22:44,259 --> 00:22:41,929

every wall gets excited but you know you

449

00:22:49,149 --> 00:22:44,269

have to kind of keep your sensible head

450

00:22:51,999 --> 00:22:49,159

on when attending any sort of and not to

451
00:22:53,710 --> 00:22:52,009
try and get too excited and too caught

452
00:22:56,230 --> 00:22:53,720
up in the moment because it's very easy

453
00:22:58,350 --> 00:22:56,240
to do you you know

454
00:23:02,530 --> 00:22:58,360
seeing it very very often enough

455
00:23:05,080 --> 00:23:02,540
especially when a bang or knock occurs

456
00:23:07,570 --> 00:23:05,090
and everybody immediately mainly

457
00:23:08,860 --> 00:23:07,580
portrays it is a gang yes in some of

458
00:23:12,250 --> 00:23:08,870
these old buildings you're gonna get

459
00:23:13,690 --> 00:23:12,260
some wall movements and wood movements

460
00:23:18,520 --> 00:23:13,700
and all sorts of things aren't you and

461
00:23:20,890 --> 00:23:18,530
we know some things exactly know I've

462
00:23:22,930 --> 00:23:20,900
always said this to people who've been

463
00:23:25,690 --> 00:23:22,940

with me you know I don't I don't look

464

00:23:28,090 --> 00:23:25,700

about anymore I say how is it used to be

465

00:23:31,840 --> 00:23:28,100

one of these people David who I'd be

466

00:23:34,240 --> 00:23:31,850

scared to kind of defend or you know

467

00:23:36,790 --> 00:23:34,250

upset people and and I have to be quite

468

00:23:39,280 --> 00:23:36,800

tactful because I have a radio show and

469

00:23:41,590 --> 00:23:39,290

I do a lot of writing as well but you

470

00:23:43,720 --> 00:23:41,600

know it's got to a point now I've seen

471

00:23:48,430 --> 00:23:43,730

enough and I've seen enough kind of

472

00:23:52,299 --> 00:23:48,440

conning of people and and a misuse of

473

00:23:53,830 --> 00:23:52,309

the paranormal really because there's a

474

00:23:55,660 --> 00:23:53,840

lot of people out there that are just in

475

00:23:58,180 --> 00:23:55,670

it for the for the money oh yeah I mean

476

00:24:04,810 --> 00:23:58,190

this is people making ghost-detecting

477

00:24:05,620 --> 00:24:04,820

machines ISM there and yeah and they're

478

00:24:07,180 --> 00:24:05,630

not cheap either

479

00:24:09,220 --> 00:24:07,190

I mean they're really they're just I

480

00:24:12,880 --> 00:24:09,230

love it was just a ripple for anyway

481

00:24:15,100 --> 00:24:12,890

yeah there and and again people get

482

00:24:17,950 --> 00:24:15,110

caught up in it you know and the thing

483

00:24:19,750 --> 00:24:17,960

is these these goes from in nights and

484

00:24:21,580 --> 00:24:19,760

they're there they're all fantastic you

485

00:24:23,320 --> 00:24:21,590

know don't get me wrong some really good

486

00:24:26,140 --> 00:24:23,330

groups out there and I went to it doing

487

00:24:28,690 --> 00:24:26,150

some nice people Israel but the thing is

488

00:24:30,610 --> 00:24:28,700

it's it's all about socializing well

489

00:24:34,090 --> 00:24:30,620

it's not just you go to event but you

490

00:24:36,190 --> 00:24:34,100

meet people and you know you get to know

491

00:24:38,290 --> 00:24:36,200

them and you know you go to another

492

00:24:41,169 --> 00:24:38,300

event it's like a little community for

493

00:24:43,720 --> 00:24:41,179

people and it's so lovely to see people

494

00:24:45,610 --> 00:24:43,730

create friendships through this and

495

00:24:48,250 --> 00:24:45,620

that's another another positive from

496

00:24:51,520 --> 00:24:48,260

these kind of events as well but the

497

00:24:53,620 --> 00:24:51,530

downside to it is is that they all get

498

00:24:55,810 --> 00:24:53,630

caught caught up in what they see on the

499

00:24:58,570 --> 00:24:55,820

TV or what they see on Facebook lives

500

00:25:02,049 --> 00:24:58,580

and this is what we should be doing no

501
00:25:05,080 --> 00:25:02,059
you know do what you think or in fact

502
00:25:08,080 --> 00:25:05,090
you if you have a personal preference or

503
00:25:09,410 --> 00:25:08,090
interest or direction to what you kind

504
00:25:10,820 --> 00:25:09,420
of I mean my personal

505
00:25:14,120 --> 00:25:10,830
action when I investigate his

506
00:25:17,420 --> 00:25:14,130
temperature because with you if you do

507
00:25:19,400 --> 00:25:17,430
research parent hauntings historically

508
00:25:22,820 --> 00:25:19,410
there's always been a sense of

509
00:25:27,170 --> 00:25:22,830
temperature changes and people often you

510
00:25:30,260 --> 00:25:27,180
know kind of spell temperature increases

511
00:25:32,600 --> 00:25:30,270
or decreases so I specifically monitor I

512
00:25:37,130 --> 00:25:32,610
have a number of temperature loggers

513
00:25:40,700 --> 00:25:37,140

that map on a 10 10 second cycle that's

514

00:25:43,160 --> 00:25:40,710

record any sort of fluctuations and then

515

00:25:46,070 --> 00:25:43,170

when I get home I can actually put that

516

00:25:48,260 --> 00:25:46,080

on the graph and I can monitor or see if

517

00:25:50,510 --> 00:25:48,270

there's any trends to what people were

518

00:25:52,460 --> 00:25:50,520

actually saying at that point and that

519

00:25:55,280 --> 00:25:52,470

moment in time and so that's something

520

00:25:59,570 --> 00:25:55,290

tangible that you can actually you know

521

00:26:02,870 --> 00:25:59,580

look at all study but you know it's I

522

00:26:04,430 --> 00:26:02,880

don't know it's up to people's decision

523

00:26:07,070 --> 00:26:04,440

really it depends what you want if you

524

00:26:09,650 --> 00:26:07,080

want to go to an interactive scary movie

525

00:26:11,570 --> 00:26:09,660

then go to a ghost you know but if you

526

00:26:14,090 --> 00:26:11,580

want to take that that that seriousness

527

00:26:17,390 --> 00:26:14,100

a bit more on your Inge press then I

528

00:26:20,390 --> 00:26:17,400

suggest you kind of look at a SAP or the

529

00:26:22,790 --> 00:26:20,400

SPR and you know they do some great

530

00:26:25,520 --> 00:26:22,800

events and great talks and some great

531

00:26:26,960 --> 00:26:25,530

workshops and you know you will see the

532

00:26:33,650 --> 00:26:26,970

difference from going from one of those

533

00:26:35,390 --> 00:26:33,660

events to a ghost of majority but quite

534

00:26:37,010 --> 00:26:35,400

a lot a lot of people only go to what

535

00:26:39,350 --> 00:26:37,020

might be one of it just to see what it's

536

00:26:41,030 --> 00:26:39,360

like isn't it you know they expect a lot

537

00:26:42,560 --> 00:26:41,040

of things that so happen and then they

538

00:26:45,710 --> 00:26:42,570

get I think well nothing happened on

539

00:26:48,770 --> 00:26:45,720

there and they don't bother again I

540

00:26:51,980 --> 00:26:48,780

don't you know and that's that's the

541

00:26:55,820 --> 00:26:51,990

media's fault the media paints a true

542

00:26:59,120 --> 00:26:55,830

picture of what paranormal investigators

543

00:27:01,790 --> 00:26:59,130

do you know don't lot of work that goes

544

00:27:04,220 --> 00:27:01,800

into parallel investigating when you're

545

00:27:06,580 --> 00:27:04,230

conducting it correctly there's a lot of

546

00:27:10,310 --> 00:27:06,590

research there's a lot of interviewing

547

00:27:12,710 --> 00:27:10,320

and you know these events teams just

548

00:27:15,410 --> 00:27:12,720

hire out supposedly haunted locations

549

00:27:17,090 --> 00:27:15,420

give you a little bit of history a bit

550

00:27:19,490 --> 00:27:17,100

of equipment and away you go

551
00:27:21,320 --> 00:27:19,500
you know there's nothing wrong with that

552
00:27:22,880 --> 00:27:21,330
but if you want to take it a bit more

553
00:27:25,669 --> 00:27:22,890
seriously

554
00:27:28,370 --> 00:27:25,679
there's a lot of there's a lot of good

555
00:27:30,289 --> 00:27:28,380
groups out there that you know will kind

556
00:27:31,760 --> 00:27:30,299
of guide you in the right direction is

557
00:27:33,740 --> 00:27:31,770
it work yeah well we're not quite like

558
00:27:33,950 --> 00:27:33,750
the show's most halted and things like

559
00:27:36,110 --> 00:27:33,960
that

560
00:27:38,240 --> 00:27:36,120
mostly because of the history they give

561
00:27:39,530 --> 00:27:38,250
you at the beginning of the show you

562
00:27:42,610 --> 00:27:39,540
know if that's what that's the most

563
00:27:44,990 --> 00:27:42,620

interesting part of it for me you know

564

00:27:46,610 --> 00:27:45,000

what may have happened in the past and

565

00:27:47,210 --> 00:27:46,620

totally knew where the posies and all

566

00:27:48,680 --> 00:27:47,220

that sort of stuff

567

00:27:50,870 --> 00:27:48,690

that's what I find the most interesting

568

00:27:53,630 --> 00:27:50,880

probably the most of what's happening

569

00:27:58,789 --> 00:27:53,640

within the show is probably be s problem

570

00:28:00,860 --> 00:27:58,799

over here but yeah I mean yeah most on

571

00:28:03,799 --> 00:28:00,870

it is it's it's the double-edged sword

572

00:28:06,350 --> 00:28:03,809

as we often say you know I mean I think

573

00:28:07,730 --> 00:28:06,360

they do think it does happen but

574

00:28:09,560 --> 00:28:07,740

unfortunately I think they've been

575

00:28:11,299 --> 00:28:09,570

caught out once or twice for things that

576

00:28:18,549 --> 00:28:11,309

have been fate 7i

577

00:28:22,360 --> 00:28:18,559

I'd say more twice day well I've had

578

00:28:25,039 --> 00:28:22,370

I've had Kiran Kiran okie from Muskogee

579

00:28:28,100 --> 00:28:25,049

Nevada when I've spoke to Steve Parsons

580

00:28:29,870 --> 00:28:28,110

who's been almost torn in Barry John as

581

00:28:32,780 --> 00:28:29,880

well who's been almost I've been on

582

00:28:36,230 --> 00:28:32,790

event with him and he you know these are

583

00:28:38,900 --> 00:28:36,240

all great people but you know this show

584

00:28:41,840 --> 00:28:38,910

when it originally started I mean it

585

00:28:45,409 --> 00:28:41,850

actually sparked a huge influx of

586

00:28:49,070 --> 00:28:45,419

interest from the public it brought the

587

00:28:51,770 --> 00:28:49,080

supernatural to the forefront Paul's

588

00:28:55,220 --> 00:28:51,780

lives you know and it opened that it

589

00:29:04,240 --> 00:28:55,230

opened up a massive kind of area of

590

00:29:10,460 --> 00:29:08,180

I mean people probably to me now are you

591

00:29:13,700 --> 00:29:10,470

slate it off all the time Tom I do say

592

00:29:15,500 --> 00:29:13,710

that because on the back of that the

593

00:29:18,440 --> 00:29:15,510

only other other side of the sword is

594

00:29:20,539 --> 00:29:18,450

it's had a really negative impact on the

595

00:29:22,310 --> 00:29:20,549

smaller groups the lone investigators

596

00:29:24,799 --> 00:29:22,320

that I'm alone investigating I'm not

597

00:29:29,480 --> 00:29:24,809

part of any group I investigate on my

598

00:29:33,680 --> 00:29:29,490

own and it's it's had a damaging effect

599

00:29:34,880 --> 00:29:33,690

to locations I mean I've got a lovely

600

00:29:36,740 --> 00:29:34,890

young lady who's coming on the show and

601
00:29:39,830 --> 00:29:36,750
28 from a and

602
00:29:42,169 --> 00:29:39,840
she's got a local little group David and

603
00:29:44,769 --> 00:29:42,179
you know she can't gain any locations

604
00:29:47,269 --> 00:29:44,779
anymore because the prices yeah I just

605
00:29:49,399 --> 00:29:47,279
on hiked up and hiked on and this is on

606
00:29:51,860 --> 00:29:49,409
the stem of most thought if most would

607
00:29:53,840 --> 00:29:51,870
have been there you can expect to pay in

608
00:29:57,769 --> 00:29:53,850
the exceed of a thousand pounds and some

609
00:30:00,590 --> 00:29:57,779
locations linked Lincoln Castle now

610
00:30:01,039 --> 00:30:00,600
stands about two thousand pounds for one

611
00:30:03,680 --> 00:30:01,049
night

612
00:30:05,690 --> 00:30:03,690
this is astronomical Alex ridiculous you

613
00:30:08,869 --> 00:30:05,700

know and it and it and it stops the

614

00:30:12,049 --> 00:30:08,879

little groups enjoying these fantastic

615

00:30:13,759 --> 00:30:12,059

locations and and you know that that's

616

00:30:15,289 --> 00:30:13,769

what really annoys me because I've been

617

00:30:17,360 --> 00:30:15,299

on the backside of that I had my own

618

00:30:20,659 --> 00:30:17,370

group based in Nottingham many years ago

619

00:30:22,820 --> 00:30:20,669

and we struggled we really did struggle

620

00:30:25,249 --> 00:30:22,830

getting location because of the prices

621

00:30:28,999 --> 00:30:25,259

but there again we found some little

622

00:30:30,230 --> 00:30:29,009

gems you know and actually a story I

623

00:30:33,169 --> 00:30:30,240

must have missed her

624

00:30:36,409 --> 00:30:33,179

oh you are so cute a location and I can

625

00:30:38,869 --> 00:30:36,419

tell is the stone stone beau guild hall

626

00:30:42,379 --> 00:30:38,879

in Lincoln never been investigated

627

00:30:45,259 --> 00:30:42,389

before until we got there and we did a

628

00:30:48,110 --> 00:30:45,269

night for charity and the Lincoln mayor

629

00:30:49,970 --> 00:30:48,120

attended it was absolutely fantastic so

630

00:30:54,619 --> 00:30:49,980

we were so honored and privileged to be

631

00:30:58,659 --> 00:30:54,629

there and two days later I received a

632

00:31:05,240 --> 00:30:58,669

message from somebody from most haunted

633

00:31:07,580 --> 00:31:05,250

asking me about the location you know

634

00:31:10,210 --> 00:31:07,590

them I knew what was going on I knew

635

00:31:13,249 --> 00:31:10,220

what we were trying to get out and I

636

00:31:15,409 --> 00:31:13,259

didn't give him much information I don't

637

00:31:17,930 --> 00:31:15,419

think they've been there but so you know

638

00:31:20,180 --> 00:31:17,940

I thought if they if they actually went

639

00:31:23,480 --> 00:31:20,190

to that location I mean it would stop

640

00:31:25,519 --> 00:31:23,490

many more teams and individuals getting

641

00:31:29,930 --> 00:31:25,529

inside and I thought I'm not you the

642

00:31:31,759 --> 00:31:29,940

pleasure of that so it's a double-edged

643

00:31:33,320 --> 00:31:31,769

sword managed towards it isn't it really

644

00:31:36,590 --> 00:31:33,330

I mean you may lose these as they've got

645

00:31:38,180 --> 00:31:36,600

now they can't be that many places they

646

00:31:41,840 --> 00:31:38,190

have they don't know about hold of the

647

00:31:44,629 --> 00:31:41,850

hope but we're blessed in the UK we

648

00:31:47,000 --> 00:31:44,639

really are I mean I've traveled all over

649

00:31:49,400 --> 00:31:47,010

the UK and there are apps and I've been

650

00:31:51,800 --> 00:31:49,410

to some amazing locations

651
00:31:54,890 --> 00:31:51,810
she got some really really interesting

652
00:31:57,500 --> 00:31:54,900
locations Ryan my doorstep pressing Paul

653
00:32:01,280 --> 00:31:57,510
Barnes which is one of the last

654
00:32:04,780 --> 00:32:01,290
remaining sites and buildings of the

655
00:32:08,680 --> 00:32:04,790
Knights Templar which I regularly visit

656
00:32:12,170 --> 00:32:08,690
amazing location and people witnessing

657
00:32:13,850 --> 00:32:12,180
monks and all sorts of this location and

658
00:32:15,500 --> 00:32:13,860
that that's literally down the road for

659
00:32:17,090 --> 00:32:15,510
me and of course the Haunted watch

660
00:32:20,540 --> 00:32:17,100
towers as well that I've got on the

661
00:32:22,910 --> 00:32:20,550
doorstep belts and house is another one

662
00:32:25,100 --> 00:32:22,920
of my favorite places so yeah we're

663
00:32:27,440 --> 00:32:25,110

quite privileged in the UK David I'm I

664

00:32:29,240 --> 00:32:27,450

suppose with we've got quite a lot of

665

00:32:30,740 --> 00:32:29,250

locations yeah about to join you on one

666

00:32:32,450 --> 00:32:30,750

of your house one these days for one

667

00:32:37,310 --> 00:32:32,460

even if investigations we have to shall

668

00:32:39,980 --> 00:32:37,320

fix something up I've got so much going

669

00:32:43,730 --> 00:32:39,990

on this year a lot of events that might

670

00:32:48,140 --> 00:32:43,740

end in and you know must must mention

671

00:32:52,400 --> 00:32:48,150

the guys last night she went to the King

672

00:32:53,990 --> 00:32:52,410

Edward the seventh school at Colville so

673

00:32:55,850 --> 00:32:54,000

that was a public event and that was

674

00:32:59,450 --> 00:32:55,860

fantastic I've never actually done an

675

00:33:01,160 --> 00:32:59,460

old Victorian school before so that was

676

00:33:03,560 --> 00:33:01,170

that was really really interesting

677

00:33:05,240 --> 00:33:03,570

so the guys at UK paranormal Knights

678

00:33:09,890 --> 00:33:05,250

they were really nice really looked

679

00:33:13,490 --> 00:33:09,900

after me and yeah I'm suffering today

680

00:33:24,020 --> 00:33:13,500

though it's the ghost ghost hunters

681

00:33:28,760 --> 00:33:24,030

hangover yeah we're doing one in a

682

00:33:33,380 --> 00:33:28,770

couple of weeks first of June the rum

683

00:33:37,670 --> 00:33:33,390

tower in Norfolk oh right the East

684

00:33:40,700 --> 00:33:37,680

Anglia group you know with the Gary you

685

00:33:45,500 --> 00:33:40,710

know that goes to be quite good you've

686

00:33:47,480 --> 00:33:45,510

been yeah I've been kindly enough to be

687

00:33:51,980 --> 00:33:47,490

invited along to some of their events as

688

00:33:55,340 --> 00:33:51,990

well I think I did an actual live show a

689

00:33:58,820 --> 00:33:55,350

live radio show from the coronation hall

690

00:34:00,920 --> 00:33:58,830

oh yes yeah so they didn't know they did

691

00:34:03,110 --> 00:34:00,930

a public event there now that was great

692

00:34:05,570 --> 00:34:03,120

because that was a first

693

00:34:08,480 --> 00:34:05,580

live show we disappear powerful Roadshow

694

00:34:10,100 --> 00:34:08,490

condemned it was weird yeah we were

695

00:34:11,690 --> 00:34:10,110

invited to go to that but I think we

696

00:34:17,030 --> 00:34:11,700

would do something else at the time I

697

00:34:19,639 --> 00:34:17,040

couldn't do it there was a good turnout

698

00:34:22,040 --> 00:34:19,649

and and the base camp I had the radio

699

00:34:25,340 --> 00:34:22,050

set up in there and I kind of in to be

700

00:34:26,950 --> 00:34:25,350

the guest and and stuff was going on it

701
00:34:30,730 --> 00:34:26,960
was great it was really weird

702
00:34:34,820 --> 00:34:30,740
yeah it's really nice and we've done the

703
00:34:38,060 --> 00:34:34,830
goodness of the church Farm Museum

704
00:34:45,460 --> 00:34:38,070
skegness right yeah that's that's

705
00:34:53,570 --> 00:34:49,490
cancelled that that got polls yeah yeah

706
00:34:56,830 --> 00:34:53,580
Sean cabin and Vivian pal the organizer

707
00:34:59,660 --> 00:34:56,840
this is for someone named rings I don't

708
00:35:03,650 --> 00:34:59,670
lack of interest I believe it was Dave

709
00:35:06,050 --> 00:35:03,660
it they yeah they pulled it so we were

710
00:35:08,210 --> 00:35:06,060
thinking about going no there's almost

711
00:35:10,160 --> 00:35:08,220
no telling everything and then we

712
00:35:11,990 --> 00:35:10,170
decided not to do it but I think it for

713
00:35:13,670 --> 00:35:12,000

I can't think what for I think there was

714

00:35:16,250 --> 00:35:13,680

something else going on again but you

715

00:35:20,060 --> 00:35:16,260

know right that's the reason we pulled

716

00:35:23,510 --> 00:35:20,070

out of it's a shame yeah I know I was

717

00:35:25,130 --> 00:35:23,520

invited to do the radio coverage again

718

00:35:30,340 --> 00:35:25,140

because I did it for the first year at

719

00:35:32,980 --> 00:35:30,350

oh goodness me crashing temple bar yes

720

00:35:36,020 --> 00:35:32,990

that's very good so I did the whole

721

00:35:38,680 --> 00:35:36,030

weekend to that and added to add in to

722

00:35:41,330 --> 00:35:38,690

talks as well which is very honored and

723

00:35:43,100 --> 00:35:41,340

happy but I saw you last wasn't it well

724

00:35:48,380 --> 00:35:43,110

I just sort of say you've been in

725

00:35:49,940 --> 00:35:48,390

passing the next one very manic that one

726

00:35:52,640 --> 00:35:49,950

because it was too because obviously

727

00:35:54,920 --> 00:35:52,650

they as the way they conducted it was

728

00:35:57,230 --> 00:35:54,930

they you had speakers in two different

729

00:35:59,930 --> 00:35:57,240

locations at same time I'm so it's very

730

00:36:03,760 --> 00:35:59,940

difficult to kind of get round everybody

731

00:36:10,970 --> 00:36:05,840

unfortunately you can't see all can you

732

00:36:14,480 --> 00:36:10,980

do that but no I missed Malcolm

733

00:36:16,800 --> 00:36:14,490

Robinson's talk because I was doing a

734

00:36:20,160 --> 00:36:16,810

agen of a great guy

735

00:36:21,420 --> 00:36:20,170

it's been on the show and I think he was

736

00:36:25,470 --> 00:36:21,430

more second guessed it so you would have

737

00:36:28,080 --> 00:36:25,480

started doing this yeah actually we had

738

00:36:32,130 --> 00:36:28,090

really good talk powerful listen you

739

00:36:33,750 --> 00:36:32,140

know he's he's another chap who you know

740

00:36:35,430 --> 00:36:33,760

I've got a lot of time for a lot respect

741

00:36:37,650 --> 00:36:35,440

and what he does because he's a good

742

00:36:39,180 --> 00:36:37,660

researcher as well and and you know

743

00:36:41,580 --> 00:36:39,190

people like that

744

00:36:44,790 --> 00:36:41,590

that there's not many researchers like

745

00:36:46,890 --> 00:36:44,800

that now in the UK because as you know

746

00:36:50,280 --> 00:36:46,900

David it's all about the egos and the

747

00:36:52,170 --> 00:36:50,290

live feeds the minute not with everybody

748

00:36:57,960 --> 00:36:52,180

I must say I mean I don't think

749

00:37:00,570 --> 00:36:57,970

Malcolm's got an ego saying you know you

750

00:37:03,540 --> 00:37:00,580

know researchers like himself

751
00:37:05,310 --> 00:37:03,550
there's hardly anyone now like that and

752
00:37:07,200 --> 00:37:05,320
so most of the people that do actually

753
00:37:10,290 --> 00:37:07,210
know or get you involved we haven't got

754
00:37:12,480 --> 00:37:10,300
an ego you know it's there are a few

755
00:37:15,060 --> 00:37:12,490
that you do know about you tend to avoid

756
00:37:19,080 --> 00:37:15,070
them you know because that's all they're

757
00:37:20,790 --> 00:37:19,090
all about yeah well unfortunately you

758
00:37:23,430 --> 00:37:20,800
know especially in the kind of haunting

759
00:37:25,950 --> 00:37:23,440
car the side of things paranormal it's

760
00:37:27,720 --> 00:37:25,960
it's rife at the minute and you know

761
00:37:31,170 --> 00:37:27,730
because others are seeing others do it

762
00:37:34,230 --> 00:37:31,180
it's causing another X mini explosion of

763
00:37:38,760 --> 00:37:34,240

look at me like my page Jeremih page

764

00:37:41,700 --> 00:37:38,770

culture and it's it's really not good

765

00:37:45,210 --> 00:37:41,710

it's because people see this as the

766

00:37:47,880 --> 00:37:45,220

thing to do and the the correct way to

767

00:37:51,090 --> 00:37:47,890

conduct yourself on an investigation and

768

00:37:53,190 --> 00:37:51,100

you know I I mean there is benefits to

769

00:37:54,990 --> 00:37:53,200

it I mean some people say well some

770

00:38:01,860 --> 00:37:55,000

people can't get to investigations so

771

00:38:05,220 --> 00:38:01,870

live feeds and brilliant or afford these

772

00:38:08,760 --> 00:38:05,230

things exactly about that is fantastic

773

00:38:11,250 --> 00:38:08,770

but on the flip side to it these people

774

00:38:14,400 --> 00:38:11,260

are given a platform they're given a

775

00:38:16,530 --> 00:38:14,410

stage and with that there you can see

776

00:38:19,800 --> 00:38:16,540

their egos getting bigger and bigger and

777

00:38:22,200 --> 00:38:19,810

bigger and unfortunately I think it's

778

00:38:24,510 --> 00:38:22,210

having a bit of a negative effect on the

779

00:38:27,840 --> 00:38:24,520

paranormal to be fair social media yeah

780

00:38:30,390 --> 00:38:27,850

yes okay that's my pick I think there'd

781

00:38:32,069 --> 00:38:30,400

be a few people out there that would say

782

00:38:34,260 --> 00:38:32,079

would accuse me of that because because

783

00:38:36,630 --> 00:38:34,270

I've started this radio show up I mean I

784

00:38:37,920 --> 00:38:36,640

don't get paid for it you don't get paid

785

00:38:38,819 --> 00:38:37,930

for your I know I do it for the

786

00:38:43,200 --> 00:38:38,829

interest help it

787

00:38:44,970 --> 00:38:43,210

and yes involved I mean as I always say

788

00:38:49,589 --> 00:38:44,980

is the people that I have on this their

789

00:38:51,359 --> 00:38:49,599

show not mine you know I'm torn actually

790

00:38:56,010 --> 00:38:51,369

learn the same as you are and the same

791

00:38:57,240 --> 00:38:56,020

as most of us would be probably no less

792

00:39:00,359 --> 00:38:57,250

to most people to come on the show

793

00:39:04,260 --> 00:39:00,369

actually you know most of the subjects

794

00:39:05,460 --> 00:39:04,270

we are talking about I want to learn

795

00:39:08,819 --> 00:39:05,470

from it and I want to meet these people

796

00:39:10,440 --> 00:39:08,829

so you know yeah yeah exactly and cuz

797

00:39:12,569 --> 00:39:10,450

I've mentioned and start the show

798

00:39:14,539 --> 00:39:12,579

it's all about the people the person

799

00:39:17,400 --> 00:39:14,549

interaction you know meeting new people

800

00:39:20,160 --> 00:39:17,410

sharing their experiences learning off

801
00:39:22,650 --> 00:39:20,170
of the people that's that is the way to

802
00:39:23,970 --> 00:39:22,660
kind of go forward I believe in the

803
00:39:25,380 --> 00:39:23,980
parallel because there's not a lot of

804
00:39:28,529 --> 00:39:25,390
sharing of information

805
00:39:30,240 --> 00:39:28,539
there's not many groups that it's very

806
00:39:32,490 --> 00:39:30,250
limited the groups that talk to each

807
00:39:34,289 --> 00:39:32,500
other or interact with each other which

808
00:39:36,180 --> 00:39:34,299
is such a shame because we can learn a

809
00:39:37,980 --> 00:39:36,190
lot of future I mean I've been doing it

810
00:39:40,019 --> 00:39:37,990
for a long time now and I'm learning I'm

811
00:39:40,940 --> 00:39:40,029
learning stuff to this day you know and

812
00:39:48,930 --> 00:39:40,950
that's what it's all about

813
00:39:50,370 --> 00:39:48,940

yeah well on the show so far it's nice

814

00:39:52,079 --> 00:39:50,380

getting to know people as well you know

815

00:39:53,519 --> 00:39:52,089

you know when I'll see you an event now

816

00:40:12,859 --> 00:39:53,529

figure out how it's on and we know each

817

00:40:18,210 --> 00:40:15,690

yeah well I've started writing a book

818

00:40:21,779 --> 00:40:18,220

and it's probably this some of them

819

00:40:28,549 --> 00:40:21,789

released and would be bored of me it's

820

00:40:31,680 --> 00:40:28,559

hit every time it's in the process and

821

00:40:33,720 --> 00:40:31,690

yeah I it's been on the back burner for

822

00:40:36,180 --> 00:40:33,730

a long long time unfortunately I do

823

00:40:39,029 --> 00:40:36,190

write for a number of different

824

00:40:41,609 --> 00:40:39,039

magazines as well sort of articles which

825

00:40:44,130 --> 00:40:41,619

takes a lot of time as you probably know

826

00:40:45,570 --> 00:40:44,140

writing can be quite tedious

827

00:40:48,000 --> 00:40:45,580

actual magazine I think you've done

828

00:40:51,570 --> 00:40:48,010

quite a lot for of you so yeah yeah

829

00:40:56,130 --> 00:40:51,580

massively supernatural and I did several

830

00:40:58,500 --> 00:40:56,140

articles for was it what's the one God

831

00:41:01,970 --> 00:40:58,510

or is it haunted magazine there is a

832

00:41:04,500 --> 00:41:01,980

haunted magazine yeah yeah then their

833

00:41:07,140 --> 00:41:04,510

paranormal hauntings a fifth those are

834

00:41:08,670 --> 00:41:07,150

quite for quite a for you actually got

835

00:41:11,730 --> 00:41:08,680

rid of quite a lot of articles to be

836

00:41:15,060 --> 00:41:11,740

fair so yeah the books yeah the book

837

00:41:23,900 --> 00:41:15,070

will be will be complete I suppose

838

00:41:31,460 --> 00:41:23,910

probably next year there's a few people

839

00:41:34,710 --> 00:41:33,300

because I think you've got the knowledge

840

00:41:37,110 --> 00:41:34,720

I mean you've been in the business for

841

00:41:38,160 --> 00:41:37,120

long enough now you should be thank you

842

00:41:41,430 --> 00:41:38,170

I'm saying

843

00:41:44,340 --> 00:41:41,440

I'm sure you will get it eventually it

844

00:41:46,230 --> 00:41:44,350

just it just felt wrong like to do it

845

00:41:48,150 --> 00:41:46,240

because I thought I've seen it I've seen

846

00:41:50,490 --> 00:41:48,160

a hell of a lot David oh no just just

847

00:41:54,270 --> 00:41:50,500

that initial interest that started on

848

00:41:57,990 --> 00:41:54,280

Halloween in 1992 to this day I've seen

849

00:41:59,970 --> 00:41:58,000

a lot I've seen ghost hunting companies

850

00:42:03,720 --> 00:41:59,980

I've been involved started Mia I started

851

00:42:06,390 --> 00:42:03,730

my own group to write in articles to

852

00:42:11,160 --> 00:42:06,400

start in the radio show to investigate

853

00:42:16,040 --> 00:42:11,170

on me oh it's so you could say I've got

854

00:42:19,410 --> 00:42:16,050

a big wide spectrum of experiences of

855

00:42:22,050 --> 00:42:19,420

people and you know and I think it was a

856

00:42:26,430 --> 00:42:22,060

I thought it was about time that I kind

857

00:42:29,430 --> 00:42:26,440

of put my ideology to pen to paper kind

858

00:42:30,900 --> 00:42:29,440

of thing and hopefully you know it

859

00:42:33,830 --> 00:42:30,910

should be a good read because there's

860

00:42:36,690 --> 00:42:33,840

some amazing paranormal books up there

861

00:42:39,650 --> 00:42:36,700

but a lot of it though is kind of the

862

00:42:43,230 --> 00:42:39,660

same sort of thing so like people can't

863

00:42:45,300 --> 00:42:43,240

write about their kind of area which is

864

00:42:47,190 --> 00:42:45,310

great but you know I've seen a lot of

865

00:42:50,160 --> 00:42:47,200

that over the years but I kind of want

866

00:42:52,800 --> 00:42:50,170

to do a bit of a twist on mine and it's

867

00:42:55,410 --> 00:42:52,810

gonna kind of involve the reader as it

868

00:42:57,300 --> 00:42:55,420

were and I've been trying to I've

869

00:43:00,540 --> 00:42:57,310

actually got quite a few and

870

00:43:03,990 --> 00:43:00,550

gnome stories and experiences from

871

00:43:05,730 --> 00:43:04,000

people that approached me and I'm going

872

00:43:08,460 --> 00:43:05,740

to include in the book and it's good I

873

00:43:09,960 --> 00:43:08,470

kind of involve the reader so when

874

00:43:12,930 --> 00:43:09,970

you're reading it you're gonna get it I

875

00:43:15,330 --> 00:43:12,940

don't get to enjoy it you're gonna have

876

00:43:18,060 --> 00:43:15,340

you're gonna have decisions to make in

877

00:43:19,710 --> 00:43:18,070

the book kind of thing so yeah it's

878

00:43:21,950 --> 00:43:19,720

gonna be different I don't think it's

879

00:43:34,970 --> 00:43:21,960

been done before so hopefully it will be

880

00:43:39,480 --> 00:43:37,410

involves the rune stead of you kind of

881

00:43:43,140 --> 00:43:39,490

reading oh you know there was a haunting

882

00:43:44,790 --> 00:43:43,150

here in a in the 1800s and footsteps are

883

00:43:46,650 --> 00:43:44,800

still her to this day it's not going to

884

00:43:48,960 --> 00:43:46,660

be like that you are gonna get a bit of

885

00:43:51,870 --> 00:43:48,970

a bit of that to paint the picture but

886

00:43:54,030 --> 00:43:51,880

ultimately you you're gonna have to kind

887

00:44:05,880 --> 00:43:54,040

of think for yourself when you read the

888

00:44:09,830 --> 00:44:05,890

book hopefully yeah of course yeah so

889

00:44:14,880 --> 00:44:09,840

when I I started to group up with

890

00:44:17,480 --> 00:44:14,890

somebody who lives in Nottingham and the

891

00:44:20,610 --> 00:44:17,490

group still doing well to this day and

892

00:44:23,940 --> 00:44:20,620

you know I wish them all the best we

893

00:44:26,930 --> 00:44:23,950

were invited to a private investigation

894

00:44:31,740 --> 00:44:26,940

in a place called a B that's any being Y

895

00:44:34,980 --> 00:44:31,750

in the Lincolnshire walls the family

896

00:44:37,740 --> 00:44:34,990

were let's say we're absolutely

897

00:44:41,970 --> 00:44:37,750

petrified and from all accounts from the

898

00:44:46,250 --> 00:44:41,980

initial first contact from the family to

899

00:44:49,170 --> 00:44:46,260

the group owner they were experiencing a

900

00:44:51,150 --> 00:44:49,180

platform for nomina that really you know

901
00:44:54,150 --> 00:44:51,160
kind of cooked up our interests as it

902
00:44:57,780 --> 00:44:54,160
were so they had things disappearing and

903
00:45:01,200 --> 00:44:57,790
reappearing for their eyes that they had

904
00:45:04,680 --> 00:45:01,210
a pause the children and were witnessing

905
00:45:06,630 --> 00:45:04,690
full-bodied apparitions they had the

906
00:45:10,110 --> 00:45:06,640
telltale signs of what we classist

907
00:45:10,920 --> 00:45:10,120
poltergeist phenomena now when we

908
00:45:15,390 --> 00:45:10,930
arrived

909
00:45:16,620 --> 00:45:15,400
the location the the family you David

910
00:45:18,359 --> 00:45:16,630
you probably good judge of character

911
00:45:21,599 --> 00:45:18,369
when you're talking to people who

912
00:45:24,030 --> 00:45:21,609
experience stuff you know when people

913
00:45:26,700 --> 00:45:24,040

are kind of giving you a later [\h__\h] and

914

00:45:38,030 --> 00:45:26,710

ball oh you know when people actually

915

00:45:40,620 --> 00:45:38,040

generally telling the truth but not now

916

00:45:42,690 --> 00:45:40,630

exactly exactly so you know that that's

917

00:45:46,109 --> 00:45:42,700

a really good skill to have and one that

918

00:45:49,319 --> 00:45:46,119

you must have in the peril but yeah so

919

00:45:51,839 --> 00:45:49,329

you know I kind of knew instantaneously

920

00:45:55,170 --> 00:45:51,849

that this could be the real deal here I

921

00:45:57,240 --> 00:45:55,180

mean the family were shaken you know

922

00:46:01,680 --> 00:45:57,250

they were there too they were crying out

923

00:46:05,190 --> 00:46:01,690

for help so you know we spent several in

924

00:46:07,589 --> 00:46:05,200

a lot of hours at the house there was a

925

00:46:11,069 --> 00:46:07,599

point where we even gave the family

926
00:46:12,870 --> 00:46:11,079
money to have a day out so we could you

927
00:46:15,809 --> 00:46:12,880
know concentrate in the house itself and

928
00:46:17,789 --> 00:46:15,819
basically we was there to try and not

929
00:46:19,980 --> 00:46:17,799
only attain some evidence of what was

930
00:46:21,839 --> 00:46:19,990
going on but just to reach and I think

931
00:46:23,910 --> 00:46:21,849
this is the most important thing when

932
00:46:24,960 --> 00:46:23,920
conducting yourself in a point

933
00:46:27,660 --> 00:46:24,970
investigation you have to be very

934
00:46:29,970 --> 00:46:27,670
careful but I think it's more of a

935
00:46:32,190 --> 00:46:29,980
reassurance thing when people approach

936
00:46:33,990 --> 00:46:32,200
you because if they are experiencing

937
00:46:35,940 --> 00:46:34,000
some phenomena there's not a lot of

938
00:46:39,270 --> 00:46:35,950

people they can turn to so you are the

939

00:46:41,760 --> 00:46:39,280

last part of call really so you know a

940

00:46:44,609 --> 00:46:41,770

lot of trustees has handed over and you

941

00:46:46,559 --> 00:46:44,619

know but I think ultimately the the

942

00:46:51,930 --> 00:46:46,569

family were very grateful that we were

943

00:46:54,920 --> 00:46:51,940

there we did catch some bits we did

944

00:46:59,309 --> 00:46:54,930

catch some some phenomena that they were

945

00:47:02,490 --> 00:46:59,319

suggesting they evidently moved moved

946

00:47:05,430 --> 00:47:02,500

home because the the activity did not

947

00:47:07,020 --> 00:47:05,440

see so you know and I hate to say it but

948

00:47:09,809 --> 00:47:07,030

a lot of these teams and stuff that go

949

00:47:12,660 --> 00:47:09,819

into houses and encourage cease haunt

950

00:47:14,760 --> 00:47:12,670

this phenomena I think it's a low load

951
00:47:16,710 --> 00:47:14,770
of rubbish you know I mean as you

952
00:47:20,520 --> 00:47:16,720
probably aware David report class

953
00:47:23,920 --> 00:47:20,530
activity is very quick to develop and

954
00:47:26,880 --> 00:47:23,930
does not a huge amount of time

955
00:47:30,309 --> 00:47:26,890
and people say that the house is still

956
00:47:34,299 --> 00:47:30,319
haunted by altar guys over decades are a

957
00:47:36,599 --> 00:47:34,309
certain location is utter since and but

958
00:47:41,980 --> 00:47:36,609
anyway back to the the thing that I

959
00:47:44,670 --> 00:47:41,990
caught on camera I I set up a static

960
00:47:47,680 --> 00:47:44,680
camera up in the child's playroom the

961
00:47:51,579 --> 00:47:47,690
the family are actually out on this

962
00:47:53,529 --> 00:47:51,589
occasion I locked the door so that I had

963
00:47:57,670 --> 00:47:53,539

the key or one of the members had the

964

00:47:59,289 --> 00:47:57,680

key and you know the cameras rolling you

965

00:48:02,230 --> 00:47:59,299

know and it was left and we had several

966

00:48:05,200 --> 00:48:02,240

cameras scattered over that the house as

967

00:48:08,620 --> 00:48:05,210

it were now as you probably aware as an

968

00:48:12,309 --> 00:48:08,630

investigator you host painful thing is

969

00:48:14,319 --> 00:48:12,319

not just being at the the location but

970

00:48:16,779 --> 00:48:14,329

going through the hours and hours of

971

00:48:19,660 --> 00:48:16,789

footage and audio clips and yeah and

972

00:48:26,440 --> 00:48:19,670

Peter it's just absolutely incredible I

973

00:48:28,720 --> 00:48:26,450

mean the master still after all the film

974

00:48:32,829 --> 00:48:28,730

or not roll the film but it's digital

975

00:48:35,650 --> 00:48:32,839

every day or whether yep I mean in this

976
00:48:38,079 --> 00:48:35,660
instant we had temperature loggers we

977
00:48:40,420 --> 00:48:38,089
had cameras and these were rolling

978
00:48:43,599 --> 00:48:40,430
appeared to 12 hours so you can imagine

979
00:48:46,720 --> 00:48:43,609
the deck that we had so the camera that

980
00:48:48,819 --> 00:48:46,730
I had in the child's playroom I was

981
00:48:51,549 --> 00:48:48,829
reviewing honor I think it was honest it

982
00:48:53,670 --> 00:48:51,559
was on a weekend I've my headphones on a

983
00:48:56,319 --> 00:48:53,680
cup of coffee

984
00:48:59,529 --> 00:48:56,329
nothing nothing four hours four hours

985
00:49:02,920 --> 00:48:59,539
into it there was a bag well that's

986
00:49:08,380 --> 00:49:02,930
interesting and anyway so that that went

987
00:49:11,349 --> 00:49:08,390
and and then all of a sudden what is so

988
00:49:14,109 --> 00:49:11,359

clear and if anybody out there would

989

00:49:15,970 --> 00:49:14,119

like this or a writ I can give you the

990

00:49:18,039 --> 00:49:15,980

original footage as well if you'd like

991

00:49:20,019 --> 00:49:18,049

that you know I I would sure I share

992

00:49:21,730 --> 00:49:20,029

everything David so you know and I've

993

00:49:24,279 --> 00:49:21,740

had several people listen to this as

994

00:49:28,299 --> 00:49:24,289

well so this was caught on a hard drive

995

00:49:32,620 --> 00:49:28,309

camera i quartz and it lasted

996

00:49:37,700 --> 00:49:32,630

approximately oh it was seconds I'll say

997

00:49:44,270 --> 00:49:37,710

no more than six seconds it was a lady

998

00:49:47,870 --> 00:49:44,280

of probably I'd say mature hey it's the

999

00:49:51,349 --> 00:49:47,880

young lady you have but she was coming a

1000

00:49:54,710 --> 00:49:51,359

what I thought was a nursery rhyme or

1001
00:49:59,329 --> 00:49:54,720
humming some solitude and it was so so

1002
00:50:01,730 --> 00:49:59,339
clear I nearly dropped my coffee and I

1003
00:50:03,079 --> 00:50:01,740
well I actually thought one of the kids

1004
00:50:06,520 --> 00:50:03,089
had come in or something like that

1005
00:50:09,049 --> 00:50:06,530
because it was crystal clear and I

1006
00:50:12,710 --> 00:50:09,059
produced it to the team and they you

1007
00:50:14,839 --> 00:50:12,720
know they said you know this this is so

1008
00:50:17,510 --> 00:50:14,849
unexplainable you know that there was no

1009
00:50:18,950 --> 00:50:17,520
tape involved so some people might

1010
00:50:20,900 --> 00:50:18,960
suggest it that it might have been a

1011
00:50:25,040 --> 00:50:20,910
previous recording well it's a hard

1012
00:50:28,220 --> 00:50:25,050
drive camera you know and it is so so

1013
00:50:31,849 --> 00:50:28,230

clear and if anyone would like a snippet

1014

00:50:34,760 --> 00:50:31,859

of it or whatever please email no stop

1015

00:50:36,500 --> 00:50:34,770

it so you could send it to me and I

1016

00:50:41,780 --> 00:50:36,510

could put it on my paranormal dimensions

1017

00:50:44,120 --> 00:50:41,790

page listen to this can see it yeah yeah

1018

00:50:45,740 --> 00:50:44,130

and I tell you what I won't do because

1019

00:50:50,630 --> 00:50:45,750

obviously that the original thing is

1020

00:50:54,319 --> 00:50:50,640

about twelve hours long so I I've

1021

00:50:56,960 --> 00:50:54,329

actually got a snippet of the actual

1022

00:51:00,230 --> 00:50:56,970

humming but you but what I've done is

1023

00:51:01,849 --> 00:51:00,240

with the footage I've left in me leaving

1024

00:51:04,940 --> 00:51:01,859

the room and locking it so you can see

1025

00:51:08,030 --> 00:51:04,950

that there's no one else in the room the

1026

00:51:10,039 --> 00:51:08,040

camera is back to the wall and it's

1027

00:51:13,000 --> 00:51:10,049

pointing in the direction of the door so

1028

00:51:17,210 --> 00:51:13,010

you can see there's nobody in the room

1029

00:51:20,289 --> 00:51:17,220

yeah so I caught that and that that was

1030

00:51:21,500 --> 00:51:20,299

that was one of those moments you for

1031

00:51:23,690 --> 00:51:21,510

crikey

1032

00:51:25,849 --> 00:51:23,700

you know the hair I mean the hairs are

1033

00:51:29,120 --> 00:51:25,859

standing up on my arm now I'm just I can

1034

00:51:31,160 --> 00:51:29,130

I can I can always replicate that that

1035

00:51:35,289 --> 00:51:31,170

audio in my head because I've listened

1036

00:51:38,299 --> 00:51:35,299

to it about thousand times to kind of

1037

00:51:41,210 --> 00:51:38,309

eradicate any normality to it because it

1038

00:51:43,460 --> 00:51:41,220

was just not possible how how did that

1039

00:51:45,680 --> 00:51:43,470

sound happen I don't know was it goes I

1040

00:51:47,120 --> 00:51:45,690

don't know I don't know what a ghost is

1041

00:51:49,190 --> 00:51:47,130

I don't know what a poltergeist is

1042

00:51:51,589 --> 00:51:49,200

that's some fair for me to comment but

1043

00:51:54,140 --> 00:51:51,599

you know I caught that you know and

1044

00:51:56,120 --> 00:51:54,150

it matched up with to what the children

1045

00:52:00,439 --> 00:51:56,130

were saying they were saying the lady

1046

00:52:02,059 --> 00:52:00,449

was was singing always humming and it

1047

00:52:05,349 --> 00:52:02,069

was interesting you know and and you

1048

00:52:08,239 --> 00:52:05,359

know eventually the family didn't move

1049

00:52:09,620 --> 00:52:08,249

because we we're not there to kind of

1050

00:52:11,689 --> 00:52:09,630

bottle up ghost's this is not

1051
00:52:14,479 --> 00:52:11,699
ghostbusters you know we were still and

1052
00:52:17,329 --> 00:52:14,489
engaged as to what this phenomena it is

1053
00:52:21,170 --> 00:52:17,339
you know and I don't think we'll ever

1054
00:52:23,539 --> 00:52:21,180
kind of attained any any substantial

1055
00:52:25,609 --> 00:52:23,549
amount of evidence to say yeah this is

1056
00:52:26,719 --> 00:52:25,619
what people experiencing I don't think

1057
00:52:29,660 --> 00:52:26,729
we will I think it's gonna be one of

1058
00:52:32,539 --> 00:52:29,670
those earthbound mysteries that we shall

1059
00:52:35,299 --> 00:52:32,549
never know it's very interesting story

1060
00:52:36,650 --> 00:52:35,309
though I suppose when you when someone

1061
00:52:38,779 --> 00:52:36,660
tells you something like that

1062
00:52:42,069 --> 00:52:38,789
you're then in a position where am I

1063
00:52:44,630 --> 00:52:42,079

going to Ahmet imagining this in my head

1064

00:52:46,939 --> 00:52:44,640

and of course when you call it an actual

1065

00:52:50,029 --> 00:52:46,949

audio recording of it then that kind of

1066

00:52:52,579 --> 00:52:50,039

confirms something doesn't it exactly I

1067

00:52:55,430 --> 00:52:52,589

mean and again I thought like you've

1068

00:52:56,989 --> 00:52:55,440

said I always doubt myself especially

1069

00:52:58,939 --> 00:52:56,999

when I experience something and I

1070

00:53:02,109 --> 00:52:58,949

mentioned at the start Cheryl probably a

1071

00:53:04,910 --> 00:53:02,119

hand one on one hand I've encountered or

1072

00:53:08,079 --> 00:53:04,920

witness things I cannot physically

1073

00:53:11,089 --> 00:53:08,089

explain but there was there was just no

1074

00:53:13,009 --> 00:53:11,099

it was just nothing to kind of attain

1075

00:53:16,099 --> 00:53:13,019

that oh it could be this because there

1076
00:53:18,620 --> 00:53:16,109
was it was such an occult investigation

1077
00:53:20,689 --> 00:53:18,630
and to this day we actually conducted

1078
00:53:23,689 --> 00:53:20,699
ourselves very well back it back in

1079
00:53:25,519 --> 00:53:23,699
those years and something I'm kind of

1080
00:53:26,930 --> 00:53:25,529
built on because you have to be

1081
00:53:28,849 --> 00:53:26,940
controlled when it comes to this yeah

1082
00:53:30,589 --> 00:53:28,859
sure you can't just jump to conclusions

1083
00:53:32,449 --> 00:53:30,599
and say oh definitely something

1084
00:53:34,189 --> 00:53:32,459
supernatural about something you've got

1085
00:53:52,420 --> 00:53:34,199
discount everything else that you could

1086
00:53:57,430 --> 00:53:55,249
quite a few radio shows ever knew in the

1087
00:54:01,489 --> 00:53:57,440
past apart from your own of course I

1088
00:54:04,269 --> 00:54:01,499

have goodness me go scholars grouse

1089

00:54:05,329 --> 00:54:04,279

chronicles international was probably by

1090

00:54:07,489 --> 00:54:05,339

actually

1091

00:54:10,999 --> 00:54:07,499

appeared on that I think three times and

1092

00:54:13,489 --> 00:54:11,009

that's with ronco lekin the the

1093

00:54:17,870 --> 00:54:13,499

fantastic Steve Parsons is the other

1094

00:54:19,549 --> 00:54:17,880

half of Paris science yeah that doesn't

1095

00:54:21,349 --> 00:54:19,559

that's an international show that's a

1096

00:54:24,009 --> 00:54:21,359

really really good way to show if you if

1097

00:54:28,759 --> 00:54:24,019

you want to listen to that's fantastic

1098

00:54:30,650 --> 00:54:28,769

oh you must oh yeah I think they did

1099

00:54:34,249 --> 00:54:30,660

podcasts and stuff but yeah again

1100

00:54:36,140 --> 00:54:34,259

another great show that has a wide

1101

00:54:38,390 --> 00:54:36,150

spectrum of guests like your show and

1102

00:54:40,339 --> 00:54:38,400

like my show and and and it's something

1103

00:54:42,620 --> 00:54:40,349

that I have noticed over the years

1104

00:54:44,989 --> 00:54:42,630

there's been like a more explosion of

1105

00:54:46,309 --> 00:54:44,999

these kind of fantastic radio show I

1106

00:54:48,499 --> 00:54:46,319

mean people are spoilt for choice

1107

00:54:50,809 --> 00:54:48,509

it's really cool because I love

1108

00:54:53,569 --> 00:54:50,819

listening to other shows and and you

1109

00:54:57,200 --> 00:54:53,579

know I you know it's really nice to hear

1110

00:54:59,390 --> 00:54:57,210

again different kind of speakers and and

1111

00:55:02,329 --> 00:54:59,400

experiences that people are having and

1112

00:55:10,029 --> 00:55:02,339

all in the comfort of your own home

1113

00:55:13,759 --> 00:55:12,289

we're all in this together we should be

1114

00:55:16,549 --> 00:55:13,769

sharing information whatever we've got

1115

00:55:28,660 --> 00:55:16,559

and and should all be we all be mates

1116

00:55:33,979 --> 00:55:31,339

Colonel Hall is own doing a conference

1117

00:55:38,420 --> 00:55:33,989

in September if you're down in this area

1118

00:55:41,989 --> 00:55:38,430

I mean I have I have seed and I believe

1119

00:55:46,130 --> 00:55:41,999

I said this this year is absolutely

1120

00:55:50,269 --> 00:55:46,140

manic and I think I know in September I

1121

00:55:54,259 --> 00:55:50,279

mean I'm visiting out which yes in

1122

00:55:57,170 --> 00:55:54,269

September so might be difficult but if

1123

00:55:59,140 --> 00:55:57,180

I'm not I will be definitely coming to

1124

00:56:03,349 --> 00:55:59,150

that event it looks really good yeah

1125

00:56:04,519 --> 00:56:03,359

it's a silly will but I mean if you

1126

00:56:06,440 --> 00:56:04,529

think you might be able to get to it

1127

00:56:09,200 --> 00:56:06,450

give me a shout and we'll see what we

1128

00:56:18,809 --> 00:56:09,210

could do it's gonna be an interesting

1129

00:56:22,769 --> 00:56:20,909

I'm sure it will be I'm sure be and

1130

00:56:25,499 --> 00:56:22,779

again you know the whole convention side

1131

00:56:27,329 --> 00:56:25,509

of things and UK is slowly creeping up

1132

00:56:28,769 --> 00:56:27,339

again so that's really good to say

1133

00:56:32,909 --> 00:56:28,779

really good say yeah we got you could

1134

00:56:35,309 --> 00:56:32,919

guess coming up on your shows ah crikey

1135

00:56:38,519 --> 00:56:35,319

I've got I've actually got the guys who

1136

00:56:42,709 --> 00:56:38,529

Carly invited me to their event last

1137

00:56:46,289 --> 00:56:42,719

night the UK paranormal guys they're on

1138

00:56:48,630 --> 00:56:46,299

Tuesday show I've got the lovely Kylie

1139

00:56:50,429 --> 00:56:48,640

Davis who's a local investigator she's

1140

00:56:54,239 --> 00:56:50,439

vote she actually lives in the same town

1141

00:56:57,499 --> 00:56:54,249

as me she's coming on to speak about her

1142

00:57:00,059 --> 00:56:57,509

frustration as we better shouldn't start

1143

00:57:03,239 --> 00:57:00,069

co-locations because I could say she's

1144

00:57:08,219 --> 00:57:03,249

from a very small group and she can't

1145

00:57:09,569 --> 00:57:08,229

get anywhere she's really really is

1146

00:57:11,339 --> 00:57:09,579

because there are some really really

1147

00:57:14,159 --> 00:57:11,349

good great groups out there and

1148

00:57:16,890 --> 00:57:14,169

unfortunately they're just very limited

1149

00:57:18,870 --> 00:57:16,900

at the minute and I can't see it really

1150

00:57:23,699 --> 00:57:18,880

changing with the kind of aspect of

1151
00:57:24,929 --> 00:57:23,709
locations pricing but yeah so what do

1152
00:57:27,349 --> 00:57:24,939
you think of some of these American

1153
00:57:30,749 --> 00:57:27,359
shows that are on I think they're very

1154
00:57:35,579 --> 00:57:30,759
no I think they Marvel everything don't

1155
00:57:37,739 --> 00:57:35,589
they well you know it's give or take it

1156
00:57:41,429 --> 00:57:37,749
I mean I tend not to watch any sort of

1157
00:57:43,649 --> 00:57:41,439
paranormal shows I mean I used to watch

1158
00:57:47,849 --> 00:57:43,659
most [h__h] I do remember watching season

1159
00:57:51,089 --> 00:57:47,859
one I think I watch two season free you

1160
00:57:53,640 --> 00:57:51,099
know and my interest Windell then

1161
00:57:57,870 --> 00:57:53,650
rapidly when I saw actually what they

1162
00:57:59,579 --> 00:57:57,880
were really about so yeah I mean people

1163
00:58:01,499 --> 00:57:59,589

like that they're entertaining aren't

1164

00:58:04,559 --> 00:58:01,509

they someone with this but Richard Felix

1165

00:58:08,989 --> 00:58:04,569

was in the earlier ones wasn't he is

1166

00:58:11,640 --> 00:58:08,999

pretty much leave well Richards yeah

1167

00:58:14,279 --> 00:58:11,650

he's been on he's been on our show and

1168

00:58:16,349 --> 00:58:14,289

we've spoken several times as well and

1169

00:58:19,859 --> 00:58:16,359

I've been to visit him at Darby jail who

1170

00:58:22,969 --> 00:58:19,869

berry own star BJ oh yeah very the thing

1171

00:58:26,519 --> 00:58:22,979

is with Richard he is a fantastic

1172

00:58:28,140 --> 00:58:26,529

historian and the storyteller you can

1173

00:58:31,960 --> 00:58:28,150

listen to him for hours honestly he

1174

00:58:33,820 --> 00:58:31,970

knows a lot of information

1175

00:58:36,010 --> 00:58:33,830

a lot of brilliant go stories I think

1176

00:58:37,480 --> 00:58:36,020

you left can you give him a share ask

1177

00:58:41,650 --> 00:58:37,490

him to come on Marcia I think I have to

1178

00:58:44,440 --> 00:58:41,660

give him a share I'm definitely hook you

1179

00:58:46,150 --> 00:58:44,450

up because ya like to say he's a he's a

1180

00:58:48,880 --> 00:58:46,160

very knowledgeable guy I'd be great for

1181

00:58:51,720 --> 00:58:48,890

your show and he's fascinating really

1182

00:58:55,120 --> 00:58:51,730

what that once it's so powerful that

1183

00:58:58,690 --> 00:58:55,130

respect for him actually probably with

1184

00:59:03,099 --> 00:58:58,700

the ghost histories and everything we've

1185

00:59:10,060 --> 00:59:03,109

got a body up there tom we're running so

1186

00:59:13,210 --> 00:59:10,070

Nick show awful not careful sir they

1187

00:59:15,700 --> 00:59:13,220

wanna get in constant I do have a public

1188

00:59:17,920 --> 00:59:15,710

page which is Thomas Warrington

1189

00:59:19,720 --> 00:59:17,930

paranormal writer seeker of truth if

1190

00:59:22,780 --> 00:59:19,730

anyone wants to look at my articles a

1191

00:59:25,270 --> 00:59:22,790

course my radio show pure power a radio

1192

00:59:28,810 --> 00:59:25,280

show with my friend Barry Frankish is on

1193

00:59:31,839 --> 00:59:28,820

pulse talk radio every Tuesday counts

1194

00:59:34,630 --> 00:59:31,849

seven and dog thinks on my page for all

1195

00:59:36,750 --> 00:59:34,640

that as well I do everything I can to

1196

00:59:38,950 --> 00:59:36,760

point people in your direction as well

1197

00:59:41,170 --> 00:59:38,960

anyway we've got the front we've got a

1198

00:59:43,000 --> 00:59:41,180

sacred by Tom because as I said we've

1199

00:59:46,690 --> 00:59:43,010

run I'm gonna be running in my music in

1200

00:59:49,060 --> 00:59:46,700

a minute anyway Tom thanks very much for

1201

00:59:50,050 --> 00:59:49,070

coming on then thank you everyone out

1202

00:59:51,670 --> 00:59:50,060

there for listening you've been

1203

00:59:53,680 --> 00:59:51,680

listening to the paranormal UK radio

1204

00:59:55,750 --> 00:59:53,690

network and this is paranormal

1205

00:59:57,579 --> 00:59:55,760

dimensions and on David Young and we've

1206

00:59:58,730 --> 00:59:57,589

been listen to Tom Morton why it's all

1207

01:00:01,300 --> 00:59:58,740

thank you coming
