another fantastic interesting show

16

00:01:29,950 --> 00:01:27,710

because we've got a fantastic guest dr.

17

00:01:33,070 --> 00:01:29,960

arena Scott who I'm gonna induce the

18

00:01:34,749 --> 00:01:33,080

introducing just a a second or so she's

19

00:01:38,109 --> 00:01:34,759

got a brilliant book out called sacred

20

00:01:41,710 --> 00:01:38,119

sacred corn dog corridors excuse me

21

00:01:43,660 --> 00:01:41,720

and I'm sort of about um I just started

22

00:01:46,210 --> 00:01:43,670

reading it to be honest but it's really

23

00:01:48,340 --> 00:01:46,220

fascinating all about cover-ups and

24

00:01:51,550 --> 00:01:48,350

etcetera but hopefully we'll get to

25

00:01:53,709 --> 00:01:51,560

arena to tell us a lot more about it so

26

00:01:58,300 --> 00:01:53,719

with no further ado I'll introduce you

27

00:02:00,670 --> 00:01:58,310

to arena Scott hello arena welcome to

28

00:02:06,760 --> 00:02:00,680

the show and um I hope your will and

29

00:02:08,050 --> 00:02:06,770

everything as we go I mean I don't know

30

00:02:10,660 --> 00:02:08,060

how you would like to start the show

31

00:02:13,860 --> 00:02:10,670

actually like to tell us how you got

32

00:02:19,660 --> 00:02:13,870

into were these the subjects of UFOs

33

00:02:23,259 --> 00:02:19,670

your interest began my years began when

34

00:02:26,800 --> 00:02:23,269

I was a very small child and my sister

35

00:02:33,250 --> 00:02:26,810

and I had something flying around their

36

00:02:35,199 --> 00:02:33,260

room it was pretty weird and we didn't

37

00:02:37,660 --> 00:02:35,209

we never heard even heard of UFOs at

38

00:02:40,960 --> 00:02:37,670

that time it was many many years before

39

00:02:45,640 --> 00:02:40,970

I found out it was probably something to

40

00:02:48,160 --> 00:02:45,650

do with UFOs but I was in the closet for

41

00:02:53,440 --> 00:02:48,170

a very long time and came out as an

42

00:02:56,130 --> 00:02:53,450

investigator years later and so then

43

00:02:58,370 --> 00:02:56,140

eventually I start talking about my own

44

00:03:02,150 --> 00:02:58,380

experiences too

45

00:03:05,180 --> 00:03:02,160

but my own observation was why I got

46

00:03:07,450 --> 00:03:05,190

into it start with right and what sort

47

00:03:10,670 --> 00:03:07,460

of age was that you a child you say

48

00:03:12,470 --> 00:03:10,680

uh-huh yep because I had a very young

49

00:03:14,360 --> 00:03:12,480

experience to when I was but I didn't

50

00:03:17,150 --> 00:03:14,370

realize it was of UFOs either at the

51  
00:03:19,250 --> 00:03:17,160  
time it's like watching a star move and

52  
00:03:20,690 --> 00:03:19,260  
stop and move but I was just thinking at

53  
00:03:22,820 --> 00:03:20,700  
the time it was stars moving and

54  
00:03:27,130 --> 00:03:22,830  
stopping Purtzer it was only later or

55  
00:03:32,450 --> 00:03:30,830  
yeah it's interesting you happen you'll

56  
00:03:34,400 --> 00:03:32,460  
tell us a bit about your book you've got

57  
00:03:36,410 --> 00:03:34,410  
it look it's fascinating actually it's

58  
00:03:39,350 --> 00:03:36,420  
the secrets behind the real project

59  
00:03:42,800 --> 00:03:39,360  
Bluebook wright-patterson Air Force Base

60  
00:03:46,100 --> 00:03:42,810  
Roswell and memory metals and all sorts

61  
00:03:49,420 --> 00:03:46,110  
of other cover-ups and things where

62  
00:03:56,180 --> 00:03:49,430  
would you like to start tell us about it

63  
00:03:58,220 --> 00:03:56,190

well I wanted to the main idea behind

64

00:04:01,640 --> 00:03:58,230

the book was to show what actually went

65

00:04:05,180 --> 00:04:01,650

on in some of the legendary UFO studies

66

00:04:07,310 --> 00:04:05,190

conducted by the government and my book

67

00:04:11,480 --> 00:04:07,320

is named secret quarters because I

68

00:04:13,490 --> 00:04:11,490

worked in places of UFO interest such as

69

00:04:16,520 --> 00:04:13,500

where portions of Project Blue Book took

70

00:04:19,640 --> 00:04:16,530

place so actually did walk in these

71

00:04:22,900 --> 00:04:19,650

sacred quarters where its researchers

72

00:04:26,960 --> 00:04:22,910

had been and I talked to some directly

73

00:04:29,030 --> 00:04:26,970

this is unusual because Blue Book took

74

00:04:31,190 --> 00:04:29,040

places in areas of high security such as

75

00:04:36,290 --> 00:04:31,200

wright-patterson Air Force Base in

76

00:04:39,380 --> 00:04:36,300

Battelle Memorial Institute what that

77

00:04:41,960 --> 00:04:39,390

are secured but I've been in some of the

78

00:04:46,270 --> 00:04:41,970

buildings talk to the people that worked

79

00:04:49,730 --> 00:04:46,280

in there and worked in the same

80

00:04:52,340 --> 00:04:49,740

organizations so I have document and

81

00:04:54,800 --> 00:04:52,350

some photos and things of what was

82

00:04:57,130 --> 00:04:54,810

actually taking place and I also worked

83

00:05:06,400 --> 00:04:57,140

for the Defense Intelligence Agency

84

00:05:11,620 --> 00:05:08,750

did you ever mix that some freedom we

85

00:05:16,360 --> 00:05:11,630

lost him recently didn't we and

86

00:05:19,740 --> 00:05:16,370

the UFO commit community quite hold yeah

87

00:05:22,720 --> 00:05:19,750

did certainly did because he's he's been

88

00:05:29,800 --> 00:05:22,730

doing an excellent job of representing

89  
00:05:34,360 --> 00:05:29,810  
science um I guess what most most people

90  
00:05:39,040 --> 00:05:34,370  
have contact with his his writings in

91  
00:05:42,550 --> 00:05:39,050  
the MUFON Journal where he discusses

92  
00:05:44,320 --> 00:05:42,560  
UFOs in a very scientific way and also

93  
00:05:46,930 --> 00:05:44,330  
he's all over the place all over the

94  
00:05:48,580 --> 00:05:46,940  
world giving speeches and talks and

95  
00:05:51,940 --> 00:05:48,590  
meeting people and everything else so

96  
00:05:54,160 --> 00:05:51,950  
that's a great loss yes one of the

97  
00:06:00,190 --> 00:05:54,170  
biggest losses of recent years anyway

98  
00:06:01,810 --> 00:06:00,200  
isn't it with Project Blue Book I don't

99  
00:06:03,970 --> 00:06:01,820  
think a lot of it was actually for

100  
00:06:05,740 --> 00:06:03,980  
public consumption wasn't it to really

101  
00:06:08,290 --> 00:06:05,750  
cover up the real things that were going

102  
00:06:10,180 --> 00:06:08,300  
on you know I think the real reports

103  
00:06:14,500 --> 00:06:10,190  
went elsewhere didn't they rather than

104  
00:06:16,660 --> 00:06:14,510  
project Bluebook itself yes it depended

105  
00:06:19,300 --> 00:06:16,670  
on it kind of depended on who was the

106  
00:06:21,940 --> 00:06:19,310  
head of project Bluebook some of them

107  
00:06:27,640 --> 00:06:21,950  
took a pre scientific approach to it but

108  
00:06:32,140 --> 00:06:27,650  
some of them were just real debunkers it

109  
00:06:37,930 --> 00:06:32,150  
was yes it was set up for the to collect

110  
00:06:39,940 --> 00:06:37,940  
information from the public and there

111  
00:06:43,690 --> 00:06:39,950  
were other components to it and that's

112  
00:06:46,660 --> 00:06:43,700  
part of what my book was about but tell

113  
00:06:49,380 --> 00:06:46,670

Billy Mattel Memorial Institute did a

114

00:06:52,900 --> 00:06:49,390

study that was very secret at the time

115

00:06:55,810 --> 00:06:52,910

where they analyzed the data that came

116

00:06:58,680 --> 00:06:55,820

from Project Blue Book and nobody was

117

00:07:02,860 --> 00:06:58,690

ever known about it except for leakers

118

00:07:07,930 --> 00:07:02,870

and I had a lot of documents and stuff

119

00:07:09,550 --> 00:07:07,940

from that in my book because dr. on it

120

00:07:11,830 --> 00:07:09,560

hi Nick himself started off as a

121

00:07:19,420 --> 00:07:11,840

disbeliever didn't he and turned into a

122

00:07:21,219 --> 00:07:19,430

believer he was seeing and which I find

123

00:07:24,159 --> 00:07:21,229

quite a fascinating thing to actually

124

00:07:27,170 --> 00:07:24,169

become a believer after being set up to

125

00:07:30,810 --> 00:07:27,180

sort of debunk

126  
00:07:33,390 --> 00:07:30,820  
yes I was very lucky because I was able

127  
00:07:36,740 --> 00:07:33,400  
to get some of his personal handwritten

128  
00:07:40,590 --> 00:07:36,750  
letters in my book hmm most of his

129  
00:07:43,260 --> 00:07:40,600  
communications have been like in

130  
00:07:45,000 --> 00:07:43,270  
journals and magazines and things where

131  
00:07:49,080 --> 00:07:45,010  
it's edited and everything I just have

132  
00:07:50,690 --> 00:07:49,090  
his full real self contained in my book

133  
00:07:53,580 --> 00:07:50,700  
with his real letters and he was a

134  
00:07:55,560 --> 00:07:53,590  
really nice very interesting person and

135  
00:07:58,170 --> 00:07:55,570  
I think the letters show more about him

136  
00:08:03,600 --> 00:07:58,180  
than the formal writings and everything

137  
00:08:05,460 --> 00:08:03,610  
he's done yeah you've seen the the TV

138  
00:08:07,530 --> 00:08:05,470

show that's all at the moment well I

139

00:08:09,590 --> 00:08:07,540

think it's just finished here the

140

00:08:11,520 --> 00:08:09,600

Project Blue Book it's obviously a

141

00:08:13,050 --> 00:08:11,530

fictionalized account but it's still

142

00:08:20,160 --> 00:08:13,060

very interesting it makes you realize

143

00:08:23,190 --> 00:08:20,170

about the things that were going on your

144

00:08:26,460 --> 00:08:23,200

beliefs with the Roswell crash do you

145

00:08:28,260 --> 00:08:26,470

believe there was I myself personally I

146

00:08:31,670 --> 00:08:28,270

do believe there was a crash in some

147

00:08:40,700 --> 00:08:31,680

sort of a cover-up and what would your

148

00:08:47,400 --> 00:08:43,440

actual something hardened concrete is

149

00:08:52,940 --> 00:08:47,410

that I found in the Roswell museum

150

00:08:58,530 --> 00:08:52,950

archives a tape of radio announcer

151  
00:09:04,440 --> 00:08:58,540  
Wilson who was announcing on the radio

152  
00:09:07,310 --> 00:09:04,450  
in Roswell that the that a airplane was

153  
00:09:11,010 --> 00:09:07,320  
carrying debris from the Roswell crash

154  
00:09:12,660 --> 00:09:11,020  
to wright-patterson and what was really

155  
00:09:14,070 --> 00:09:12,670  
interesting about it was as he quit

156  
00:09:16,290 --> 00:09:14,080  
right in the middle and he said well I

157  
00:09:18,030 --> 00:09:16,300  
just called wright-patterson and they

158  
00:09:19,830 --> 00:09:18,040  
said the airplane is on the way so

159  
00:09:23,880 --> 00:09:19,840  
that's pretty good confirmation that

160  
00:09:26,040 --> 00:09:23,890  
something was sent from Roswell after

161  
00:09:27,810 --> 00:09:26,050  
that whatever happened to

162  
00:09:30,120 --> 00:09:27,820  
wright-patterson I think that would be

163  
00:09:32,850 --> 00:09:30,130

cold hard data or smoking guns or

164

00:09:36,960 --> 00:09:32,860

something yes I believe there were

165

00:09:38,770 --> 00:09:36,970

bodies some recovered as well there's

166

00:09:41,380 --> 00:09:38,780

stories about that and

167

00:09:46,450 --> 00:09:41,390

I don't know is some there's informant

168

00:09:49,390 --> 00:09:46,460

saints there were and apparently where

169

00:09:52,090 --> 00:09:49,400

they went was wright-patterson and what

170

00:09:55,090 --> 00:09:52,100

I investigated was there's a lot of

171

00:09:57,940 --> 00:09:55,100

stories by a number of people from

172

00:10:00,130 --> 00:09:57,950

informants and things about what

173

00:10:05,050 --> 00:10:00,140

happened to the bodies the possible

174

00:10:09,600 --> 00:10:05,060

bodies after they got there and one part

175

00:10:14,230 --> 00:10:09,610

of that is the famous hangar 18 where

176

00:10:17,680 --> 00:10:14,240

it's connected in legend to Roswell and

177

00:10:20,950 --> 00:10:17,690

I did some investigating and possibly

178

00:10:25,020 --> 00:10:20,960

found hangar 18 and took pictures of it

179

00:10:27,070 --> 00:10:25,030

and I actually balanced on in

180

00:10:29,920 --> 00:10:27,080

wright-patterson take a number of

181

00:10:34,510 --> 00:10:29,930

pictures of the places of errors that

182

00:10:36,490 --> 00:10:34,520

are mentioned in the legends what were

183

00:10:39,210 --> 00:10:36,500

your feelings about that remember the

184

00:10:43,620 --> 00:10:39,220

the famous alien autopsy film that so

185

00:10:46,660 --> 00:10:43,630

materialized in the in the mid-90s

186

00:10:49,270 --> 00:10:46,670

did you believe it was a real film at

187

00:10:52,960 --> 00:10:49,280

the time I mean I Pete I was taking him

188

00:10:54,550 --> 00:10:52,970

by it I must admit I don't think I was I

189

00:10:54,910 --> 00:10:54,560

don't think I paid too much attention to

190

00:11:01,480 --> 00:10:54,920

it

191

00:11:03,670 --> 00:11:01,490

I just asked Philip man oh yeah yes but

192

00:11:05,860 --> 00:11:03,680

I don't I don't think I paid too much

193

00:11:08,260 --> 00:11:05,870

attention to it because it looked like

194

00:11:11,800 --> 00:11:08,270

something that anybody could actually do

195

00:11:14,640 --> 00:11:11,810

inside the film and everything just

196

00:11:19,540 --> 00:11:14,650

threw some stuff together and do it so

197

00:11:21,579 --> 00:11:19,550

so I didn't really worry about but I did

198

00:11:24,250 --> 00:11:21,589

have firm spirits Belarus on on the show

199

00:11:26,710 --> 00:11:24,260

actually a few shows quite a few shows

200

00:11:30,400 --> 00:11:26,720

back and he that you pay a lot of

201  
00:11:32,290 --> 00:11:30,410  
attention to detail about getting things

202  
00:11:36,370 --> 00:11:32,300  
that were actually did write soul anyone

203  
00:11:37,960 --> 00:11:36,380  
asking questions or looking at it would

204  
00:11:40,510 --> 00:11:37,970  
think oh yeah well there's the right

205  
00:11:44,290 --> 00:11:40,520  
side if a lot of other write that book

206  
00:11:45,520 --> 00:11:44,300  
but it's very interesting thing that did

207  
00:11:49,300 --> 00:11:45,530  
you know there are still people out

208  
00:11:52,100 --> 00:11:49,310  
there that think it's real controversy

209  
00:11:53,870 --> 00:11:52,110  
about it surprisingly enough

210  
00:11:57,500 --> 00:11:53,880  
yeah just still people that believe it's

211  
00:12:01,340 --> 00:11:57,510  
real but there you go but yes it's

212  
00:12:03,140 --> 00:12:01,350  
really interesting so well from the

213  
00:12:04,910 --> 00:12:03,150

Roswell think what about the reverse

214

00:12:07,070 --> 00:12:04,920

engineering what's your thoughts on that

215

00:12:09,890 --> 00:12:07,080

with all the reverse engineering do you

216

00:12:13,630 --> 00:12:09,900

believe but the philip corso story about

217

00:12:17,950 --> 00:12:13,640

some or do you believe he may have been

218

00:12:21,020 --> 00:12:17,960

led up the garden path even by people

219

00:12:25,430 --> 00:12:21,030

well the trouble with all that is is

220

00:12:27,500 --> 00:12:25,440

that there isn't any form of proof they

221

00:12:29,780 --> 00:12:27,510

say it's secured in the government but

222

00:12:31,310 --> 00:12:29,790

you think there would be some documents

223

00:12:34,040 --> 00:12:31,320

show up someplace if something that

224

00:12:37,220 --> 00:12:34,050

looked real and so I just don't know I

225

00:12:38,870 --> 00:12:37,230

don't even know if it's a joke I put it

226

00:12:41,450 --> 00:12:38,880

in my book several times about the

227

00:12:47,440 --> 00:12:41,460

little green men and the proof at

228

00:12:51,290 --> 00:12:47,450

wright-patterson that UFOs exist but I

229

00:12:53,210 --> 00:12:51,300

just don't know I mean I've at

230

00:12:56,180 --> 00:12:53,220

wright-patterson I've been in some of

231

00:13:04,550 --> 00:12:56,190

the top buildings like the famous Blue

232

00:13:12,460 --> 00:13:09,350

it's the place Goldwater

233

00:13:15,890 --> 00:13:12,470

the presidential candidate yeah yeah

234

00:13:18,260 --> 00:13:15,900

yeah well I've actually been in the

235

00:13:20,720 --> 00:13:18,270

building that has been identified as a

236

00:13:23,780 --> 00:13:20,730

Blue Room and in a number of other

237

00:13:26,900 --> 00:13:23,790

buildings and I think there's a good

238

00:13:29,510 --> 00:13:26,910

possibility there's crypts and vaults

239

00:13:33,080 --> 00:13:29,520

under wright-patterson which people say

240

00:13:37,360 --> 00:13:33,090

and people say there's debris and

241

00:13:40,100 --> 00:13:37,370

everything else studied and so I I

242

00:13:42,830 --> 00:13:40,110

hadn't been in all the ones I've been in

243

00:13:46,180 --> 00:13:42,840

some of them and taking pictures of the

244

00:13:50,840 --> 00:13:46,190

outside of them things like that and

245

00:13:53,810 --> 00:13:50,850

there's evidence I think of that there

246

00:13:55,910 --> 00:13:53,820

are crypts and bolts underneath that but

247

00:14:01,760 --> 00:13:55,920

I've never been inside of Krypton vault

248

00:14:04,550 --> 00:14:01,770

and so I don't know the book was very

249

00:14:05,760 --> 00:14:04,560

interesting for course hos but um and I

250

00:14:07,890 --> 00:14:05,770

was quite

251

00:14:09,930 --> 00:14:07,900

I'll take it in bite well not ii invite

252

00:14:11,670 --> 00:14:09,940

but i believe quite a lot of it but i've

253

00:14:13,500 --> 00:14:11,680

been told since that up maybe a lot of

254

00:14:16,760 --> 00:14:13,510

it's pretty exaggerated or that he was

255

00:14:19,350 --> 00:14:16,770

taken off you know taken on but it's I

256

00:14:22,950 --> 00:14:19,360

still find such a lot of it believable

257

00:14:23,430 --> 00:14:22,960

but you know like you say we don't know

258

00:14:25,830 --> 00:14:23,440

do we

259

00:14:27,330 --> 00:14:25,840

she were at the front name I mean he did

260

00:14:33,630 --> 00:14:27,340

have quite an important job within the

261

00:14:36,020 --> 00:14:33,640

US government so it's very hard to to

262

00:14:39,720 --> 00:14:36,030

actually put a judgment on it

263

00:14:45,270 --> 00:14:39,730

why just posted something on my facebook

264

00:14:51,350 --> 00:14:45,280

page this morning it was a well it was

265

00:14:55,080 --> 00:14:51,360

on the national TV here of Channel ABC

266

00:14:59,460 --> 00:14:55,090

Stephanopoulos actually asked President

267

00:15:03,890 --> 00:14:59,470

Trump about UFOs and they had that on

268

00:15:09,960 --> 00:15:03,900

there and usually when they do that they

269

00:15:12,810 --> 00:15:09,970

ridicule it and laugh and show its UFO

270

00:15:15,330 --> 00:15:12,820

music and roll their eyes and everything

271

00:15:19,020 --> 00:15:15,340

but this was doing all seriousness he

272

00:15:22,070 --> 00:15:19,030

asked Trump about UFOs and you jumped in

273

00:15:25,740 --> 00:15:22,080

than I am he said well there were

274

00:15:27,450 --> 00:15:25,750

reports from pilots and he also said he

275

00:15:29,400 --> 00:15:27,460

had been briefed on it I mean obviously

276

00:15:34,110 --> 00:15:29,410

if he was under security wouldn't say

277

00:15:40,620 --> 00:15:34,120

much but that's a lot more respectable

278

00:15:42,420 --> 00:15:40,630

and what's ever I think they all right

279

00:15:45,030 --> 00:15:42,430

they seem to be treating the subject

280

00:15:47,100 --> 00:15:45,040

through seriously of the last month or

281

00:15:50,880 --> 00:15:47,110

so don't they maybe maybe a little bit

282

00:15:54,420 --> 00:15:50,890

longer than Iran but yeah they do seem

283

00:15:56,460 --> 00:15:54,430

to be um trying to don't on actually

284

00:15:58,860 --> 00:15:56,470

release it to the public gently so that

285

00:16:01,530 --> 00:15:58,870

people are getting into the into the

286

00:16:03,390 --> 00:16:01,540

idea that there might be a lien life out

287

00:16:04,770 --> 00:16:03,400

there watching us or flying around in

288

00:16:10,010 --> 00:16:04,780

our skies and we can't do anything about

289

00:16:12,990 --> 00:16:10,020

it you know is this it it seems to be

290

00:16:14,700 --> 00:16:13,000

dribbling out I do actually believe

291

00:16:16,620 --> 00:16:14,710

they've released a lot of reports but

292

00:16:18,060 --> 00:16:16,630

there's so much that's been released

293

00:16:19,170 --> 00:16:18,070

all those were Peaks only in this

294

00:16:21,870 --> 00:16:19,180

country they

295

00:16:23,550 --> 00:16:21,880

a lot of UFO reports but and if you

296

00:16:26,190 --> 00:16:23,560

search through it you can see some very

297

00:16:28,320 --> 00:16:26,200

interesting things but it's kind of all

298

00:16:30,600 --> 00:16:28,330

buried with you know everything you know

299

00:16:32,460 --> 00:16:30,610

the sense of thousands of pages and

300

00:16:33,870 --> 00:16:32,470

maybe one page might have something

301

00:16:35,910 --> 00:16:33,880

written you know which is very

302

00:16:37,530 --> 00:16:35,920

interesting like there's like I've said

303

00:16:39,150 --> 00:16:37,540

before it's like trying to hide up a

304

00:16:44,340 --> 00:16:39,160

tree in a wood sort of thing and you've

305

00:16:46,290 --> 00:16:44,350

gotta find it firm believer in there

306

00:16:48,720 --> 00:16:46,300

anyway I do think they've released a lot

307

00:16:52,940 --> 00:16:48,730

of it but so I know what your thoughts

308

00:16:58,140 --> 00:16:55,470

well I was surprised I mean I think

309

00:17:00,270 --> 00:16:58,150

that's the first time that they always

310

00:17:01,500 --> 00:17:00,280

when they ever they talk about it or

311

00:17:03,800 --> 00:17:01,510

something has a sighting or something

312

00:17:09,270 --> 00:17:03,810

you know it's reticule it laughs Adam oh

313

00:17:11,070 --> 00:17:09,280

yeah yeah well that seems to be the in

314

00:17:12,810 --> 00:17:11,080

thing doesn't it in the media to just

315

00:17:14,970 --> 00:17:12,820

laugh of things a certain Sonny on and

316

00:17:17,430 --> 00:17:14,980

on the news programs if the UFO comes up

317

00:17:29,310 --> 00:17:17,440

it sir I was hahaha it's all family

318

00:17:31,260 --> 00:17:29,320

that's how do you see your role in

319

00:17:34,970 --> 00:17:31,270

ufology are you trying to pass on the

320

00:17:38,930 --> 00:17:34,980

word that there are UFOs out there and

321

00:17:41,700 --> 00:17:38,940

all you just more interested in your own

322

00:17:46,980 --> 00:17:41,710

research where do you see yourself as a

323

00:17:50,970 --> 00:17:46,990

message giver well I'm trying to get

324

00:17:53,490 --> 00:17:50,980

more scientists interested into doing

325

00:17:56,160 --> 00:17:53,500

UFO research because they always say

326

00:17:58,560 --> 00:17:56,170

well scientists don't believe in UFOs

327

00:18:02,160 --> 00:17:58,570

and science say you don't exist yeah

328

00:18:03,960 --> 00:18:02,170

well I a perfectly good background in

329

00:18:07,380 --> 00:18:03,970

science I mean I have a PhD was a

330

00:18:10,800 --> 00:18:07,390

professor I'd also worked in the DIA and

331

00:18:13,290 --> 00:18:10,810

a scientific profession of identifying

332

00:18:15,090 --> 00:18:13,300

aircraft but once I like photography and

333

00:18:19,500 --> 00:18:15,100

things like that that are relevant and

334

00:18:23,070 --> 00:18:19,510

so my sister I had some perfectly good

335

00:18:26,400 --> 00:18:23,080

UFO observations which convinces me that

336

00:18:29,430 --> 00:18:26,410

something's going on and so I I'm

337

00:18:31,710 --> 00:18:29,440

working in a scientific society with a

338

00:18:33,050 --> 00:18:31,720

project set up to try to hear some more

339

00:18:35,810 --> 00:18:33,060

scientists and doing

340

00:18:37,880 --> 00:18:35,820

and I've also publicly published in the

341

00:18:40,220 --> 00:18:37,890

scientific literature in the peer review

342

00:18:42,620 --> 00:18:40,230

literature about UFOs so it's possible

343

00:18:46,100 --> 00:18:42,630

to do that and so I haven't interested

344

00:18:50,930 --> 00:18:46,110

in trying to get more scientists in

345

00:18:52,640 --> 00:18:50,940

activated into UFOs yes obviously we got

346

00:18:53,990 --> 00:18:52,650

a good beginning with as we were talking

347

00:18:56,720 --> 00:18:54,000

about stats of Freedman

348

00:18:59,780 --> 00:18:56,730

because he was a nuclear physicist was a

349

00:19:04,730 --> 00:18:59,790

nice and I don't think he ever saw a UFO

350

00:19:06,320 --> 00:19:04,740

but yes you did believe in them I don't

351

00:19:10,400 --> 00:19:06,330

know I don't believe in them what I

352

00:19:12,800 --> 00:19:10,410

think is that I mean I don't view them

353

00:19:15,980 --> 00:19:12,810

as a religion as something to believe it

354

00:19:22,850 --> 00:19:15,990

I see the information as data that put

355

00:19:28,010 --> 00:19:22,860

in scientific studies believe it is

356

00:19:32,570 --> 00:19:28,020

something without seeing it yeah how do

357

00:19:34,550 --> 00:19:32,580

you feel about the Condon report I think

358

00:19:36,490 --> 00:19:34,560

the data in it was good but I think

359

00:19:40,400 --> 00:19:36,500

their conclusions were ridiculous

360

00:19:43,340 --> 00:19:40,410

because they had perfectly good

361

00:19:46,430 --> 00:19:43,350

researchers that did perfectly good

362

00:19:47,960 --> 00:19:46,440

research and it's in there but then when

363

00:19:50,810 --> 00:19:47,970

they wrote the summary they said there's

364

00:19:53,930 --> 00:19:50,820  
nothing to it well that a lot of the

365

00:19:59,090 --> 00:19:53,940  
researchers disagree with that and can't

366

00:20:01,880 --> 00:19:59,100  
like it Condon said something about he

367

00:20:05,300 --> 00:20:01,890  
said if she's discouraged any interest

368

00:20:07,520 --> 00:20:05,310  
in children of UFOs well if there's very

369

00:20:12,710 --> 00:20:07,530  
few of us why would you discourage their

370

00:20:14,930 --> 00:20:12,720  
interest in them and a lot of those the

371

00:20:20,000 --> 00:20:14,940  
he said they were no threat to national

372

00:20:21,560 --> 00:20:20,010  
security and that apparently the people

373

00:20:25,010 --> 00:20:21,570  
interpret that doesn't mean there's no

374

00:20:30,200 --> 00:20:25,020  
UFOs well those are two different things

375

00:20:31,970 --> 00:20:30,210  
and if you don't know anything about

376

00:20:34,160 --> 00:20:31,980

UFOs you don't know whether they're

377

00:20:39,350 --> 00:20:34,170

threat to national security at all and

378

00:20:44,390 --> 00:20:39,360

that's why what the new the ATF program

379

00:20:46,190 --> 00:20:44,400

was about was to look for whether they

380

00:20:46,790 --> 00:20:46,200

were dangerous or trying to find out

381

00:20:49,640 --> 00:20:46,800

about him

382

00:20:52,640 --> 00:20:49,650

you get this yeah and how'd you feel

383

00:20:54,170 --> 00:20:52,650

about the majestic 12 documents Oh in

384

00:20:57,920 --> 00:20:54,180

Stenson was very much involved with that

385

00:21:00,950 --> 00:20:57,930

wasn't he do you believe they were real

386

00:21:04,750 --> 00:21:00,960

or were there some dummies flow thrown

387

00:21:10,070 --> 00:21:04,760

in there sir confused issues and I

388

00:21:13,340 --> 00:21:10,080

thought they were there was no proof

389

00:21:18,770 --> 00:21:13,350

whatsoever that anything about that was

390

00:21:20,720 --> 00:21:18,780

real and you think you might get some

391

00:21:22,520 --> 00:21:20,730

little grip on something it shows

392

00:21:25,610 --> 00:21:22,530

they're real I worked for a government

393

00:21:29,210 --> 00:21:25,620

and I saw lots of classified documents

394

00:21:38,530 --> 00:21:29,220

but I just didn't view them as real and

395

00:21:41,060 --> 00:21:38,540

I also had interviewed somebody that was

396

00:21:44,410 --> 00:21:41,070

closer to that his name was Robert

397

00:21:46,940 --> 00:21:44,420

Collins and he worked with Richard Doty

398

00:21:52,310 --> 00:21:46,950

Richard Doty is a famous disinformation

399

00:21:58,430 --> 00:21:52,320

person and we interviewed Robert Collins

400

00:21:59,750 --> 00:21:58,440

who was on I think it was it was a 1987

401  
00:22:02,150 --> 00:21:59,760  
TV show

402  
00:22:04,610 --> 00:22:02,160  
UFOs live or something I think the name

403  
00:22:08,570 --> 00:22:04,620  
of because where they first mentioned

404  
00:22:11,840 --> 00:22:08,580  
area 51 and Collins and Doty were

405  
00:22:15,470 --> 00:22:11,850  
dressed up in profile of government

406  
00:22:19,010 --> 00:22:15,480  
informants and all that which is where

407  
00:22:22,160 --> 00:22:19,020  
some of that began and he told me that

408  
00:22:23,810 --> 00:22:22,170  
with a with a disinformation the

409  
00:22:26,660 --> 00:22:23,820  
government gives out there's also

410  
00:22:29,330 --> 00:22:26,670  
information and so you have to be

411  
00:22:32,900 --> 00:22:29,340  
careful what you look at and sort it out

412  
00:22:34,730 --> 00:22:32,910  
and that although sometimes seems like

413  
00:22:39,560 --> 00:22:34,740

really bad disinformation well some of

414

00:22:46,400 --> 00:22:39,570

it might be right yeah well that's our

415

00:22:48,620 --> 00:22:46,410

full team feelings it was done back

416

00:22:52,640 --> 00:22:48,630

Battelle Memorial Institute and that's

417

00:22:58,400 --> 00:22:52,650

what I had a lot of documents from in my

418

00:23:00,530 --> 00:22:58,410

book it's a very good study the TV and

419

00:23:01,940 --> 00:23:00,540

the media

420

00:23:04,340 --> 00:23:01,950

show dr. Hynek going around

421

00:23:06,800 --> 00:23:04,350

investigating UFOs and talking at people

422

00:23:08,150 --> 00:23:06,810

and things it doesn't say what they did

423

00:23:11,660 --> 00:23:08,160

with the information

424

00:23:14,680 --> 00:23:11,670

what they did was is that Mattel wrote a

425

00:23:16,820 --> 00:23:14,690

very good question they're using

426  
00:23:18,650 --> 00:23:16,830  
professional psychologists and things

427  
00:23:23,240 --> 00:23:18,660  
where they could get real discrete

428  
00:23:24,890 --> 00:23:23,250  
information on UFO sightings like what

429  
00:23:26,480 --> 00:23:24,900  
color are they how many did you see it

430  
00:23:29,000 --> 00:23:26,490  
once how long did you watch it and

431  
00:23:33,350 --> 00:23:29,010  
things like that they put all that

432  
00:23:37,670 --> 00:23:33,360  
information into a computer and analyzed

433  
00:23:39,620 --> 00:23:37,680  
it and then compared UFOs that are never

434  
00:23:42,860 --> 00:23:39,630  
identified with ones that are identified

435  
00:23:47,690 --> 00:23:42,870  
later so that they had a control group

436  
00:23:50,120 --> 00:23:47,700  
and their results were that there was

437  
00:23:58,300 --> 00:23:50,130  
less than one chance out of a billion

438  
00:24:01,580 --> 00:23:58,310

that UFOs are prosaic objects by this

439

00:24:05,180 --> 00:24:01,590

statistics it said quite strongly that

440

00:24:09,020 --> 00:24:05,190

UFOs are real but they buried that again

441

00:24:11,510 --> 00:24:09,030

in like some reason said they didn't

442

00:24:13,550 --> 00:24:11,520

find anything and all that like they did

443

00:24:17,930 --> 00:24:13,560

with the content and just obscured it so

444

00:24:19,370 --> 00:24:17,940

that most people in statistics and so

445

00:24:22,970 --> 00:24:19,380

they wouldn't be able to interpret what

446

00:24:24,740 --> 00:24:22,980

the data was but the actual data showed

447

00:24:29,510 --> 00:24:24,750

very strongly that there's something to

448

00:24:31,400 --> 00:24:29,520

UFOs hmm about the advanced metal alloys

449

00:24:33,830 --> 00:24:31,410

that were the film from the Roswell

450

00:24:38,330 --> 00:24:33,840

have you seen any evidence that some of

451  
00:24:41,360 --> 00:24:38,340  
those may have been real or what I found

452  
00:24:43,760 --> 00:24:41,370  
was is that when they did that study

453  
00:24:46,370 --> 00:24:43,770  
would tell it was like classified and

454  
00:24:53,560 --> 00:24:46,380  
everything and it was supposed to take

455  
00:24:56,990 --> 00:24:55,340  
psychologists and people like that to

456  
00:25:00,440 --> 00:24:57,000  
design a questionnaire and then do the

457  
00:25:03,200 --> 00:25:00,450  
statistics but what they action the

458  
00:25:06,470 --> 00:25:03,210  
people that actually worked on it were

459  
00:25:08,750 --> 00:25:06,480  
metallurgist and that immediately makes

460  
00:25:11,870 --> 00:25:08,760  
you wonder why they would have

461  
00:25:14,299 --> 00:25:11,880  
metallurgist when the study had nothing

462  
00:25:17,629 --> 00:25:14,309  
to do with the field of metallurgy so

463  
00:25:20,509 --> 00:25:17,639

people at Mattel had always wondered why

464

00:25:23,539 --> 00:25:20,519

whether they sent some metal along too

465

00:25:26,839 --> 00:25:23,549

and there had never been any proof or

466

00:25:31,159 --> 00:25:26,849

anything well I had interviewed I'd

467

00:25:33,289 --> 00:25:31,169

talked to this man that talk that knew

468

00:25:36,469 --> 00:25:33,299

one of the scientists that worked that

469

00:25:42,049 --> 00:25:36,479

was working at Mattel at the time but

470

00:25:47,869 --> 00:25:42,059

who was a metallurgist and he told the

471

00:25:54,950 --> 00:25:47,879

man that that he was working on a sample

472

00:25:55,579 --> 00:25:54,960

of metal that came from Roswell New

473

00:25:59,389 --> 00:25:55,589

Mexico

474

00:26:02,149 --> 00:25:59,399

at that time around 1947 and he said

475

00:26:04,899 --> 00:26:02,159

that was extraterrestrial and he said

476

00:26:06,889 --> 00:26:04,909

there's a lot more that he can't tell

477

00:26:09,169 --> 00:26:06,899

but it would have been highly classified

478

00:26:11,749 --> 00:26:09,179

then but he had the security clearances

479

00:26:13,369 --> 00:26:11,759

to know about it I mean he was pretty

480

00:26:17,560 --> 00:26:13,379

high and had a lot of scientific

481

00:26:26,329 --> 00:26:17,570

expertise and so I published that about

482

00:26:30,070 --> 00:26:26,339

1994 and about when witness to Roswell

483

00:26:35,119 --> 00:26:30,080

by carrion Schmitt came out they

484

00:26:37,430 --> 00:26:35,129

republished that information and it was

485

00:26:39,099 --> 00:26:37,440

pretty interesting and it was on all

486

00:26:41,930 --> 00:26:39,109

over the internet for quite a few years

487

00:26:44,299 --> 00:26:41,940

that this might be memory metal and

488

00:26:47,810 --> 00:26:44,309

there might be some form of at least

489

00:26:51,499 --> 00:26:47,820

informant information that maybe metal

490

00:26:54,229 --> 00:26:51,509

was analyzed from possibly the Roswell

491

00:26:55,549 --> 00:26:54,239

crash or some something from out west

492

00:26:57,769 --> 00:26:55,559

there hmm

493

00:26:59,690 --> 00:26:57,779

I had done all submit on the show before

494

00:27:01,969 --> 00:26:59,700

last I think it was yeah

495

00:27:04,129 --> 00:27:01,979

along with yes and I carefully Mardon on

496

00:27:07,099 --> 00:27:04,139

the show before that it's kind of a

497

00:27:10,219 --> 00:27:07,109

tribute to Stanton but he mentioned a

498

00:27:14,690 --> 00:27:10,229

bit of it yeah it's not very fascinating

499

00:27:16,519 --> 00:27:14,700

I must say so how do you think we're

500

00:27:19,459 --> 00:27:16,529

going towards disclosure now I know

501  
00:27:21,680 --> 00:27:19,469  
you've mentioned it little bit of before

502  
00:27:22,999 --> 00:27:21,690  
but I don't know if you feel we're

503  
00:27:25,249 --> 00:27:23,009  
actually heading towards the actual

504  
00:27:26,510 --> 00:27:25,259  
disclosure it's one day the president

505  
00:27:30,320 --> 00:27:26,520  
going to sit down and

506  
00:27:33,830 --> 00:27:30,330  
tells us everything oh no I might ask it

507  
00:27:36,940 --> 00:27:33,840  
myself but I think interviewing the

508  
00:27:41,120 --> 00:27:36,950  
president and having him not say that

509  
00:27:43,570 --> 00:27:41,130  
UFOs are fake and answer in serious ways

510  
00:27:46,280 --> 00:27:43,580  
that just happened just this morning is

511  
00:27:52,549 --> 00:27:46,290  
progress on that it's quite a bit of

512  
00:27:56,330 --> 00:27:52,559  
progress and the disclosure such as the

513  
00:28:07,960 --> 00:27:56,340

a cap program in Harry Reid and Bigelow

514

00:28:11,870 --> 00:28:07,970

and Alf I can't pronounce the rest

515

00:28:14,540 --> 00:28:11,880

that's going a long ways toward making

516

00:28:17,600 --> 00:28:14,550

people take it seriously and also all

517

00:28:19,930 --> 00:28:17,610

the jet pilots that actually came

518

00:28:25,910 --> 00:28:19,940

forward and talked about it and the

519

00:28:27,250 --> 00:28:25,920

people on the principal and Nimitz

520

00:28:31,010 --> 00:28:27,260

[Music]

521

00:28:32,299 --> 00:28:31,020

carriers and jet pilots and everything

522

00:28:36,290 --> 00:28:32,309

else is pretty amazing

523

00:28:38,360 --> 00:28:36,300

hmm I think it has a lot of credibility

524

00:28:43,310 --> 00:28:38,370

and people are taking things more

525

00:28:45,470 --> 00:28:43,320

seriously just from that yes if anyone's

526

00:28:47,600 --> 00:28:45,480

just joined us yeah you're listening to

527

00:28:49,790 --> 00:28:47,610

the paranormal UK radio network this is

528

00:28:52,460 --> 00:28:49,800

paranormal dimensions on David Young and

529

00:28:56,750 --> 00:28:52,470

I'm talking to dr. Irena Scott and we

530

00:28:59,770 --> 00:28:56,760

were having a interesting show about her

531

00:29:02,419 --> 00:28:59,780

new book called sacred corridors which

532

00:29:04,850 --> 00:29:02,429

I'll be putting on this I've got a

533

00:29:07,490 --> 00:29:04,860

paranormal dimension site on Facebook if

534

00:29:15,620 --> 00:29:07,500

anyone would like to visit and I'll

535

00:29:17,690 --> 00:29:15,630

certainly be putting I'll be putting

536

00:29:19,970 --> 00:29:17,700

them pictures of the book with it and

537

00:29:22,100 --> 00:29:19,980

that's what and showing where you can

538

00:29:26,330 --> 00:29:22,110

get it but it's a fascinating book from

539

00:29:31,820 --> 00:29:26,340

what I can tell so far about a quarter

540

00:29:37,010 --> 00:29:31,830

inch what's your feelings on alien

541

00:29:38,280 --> 00:29:37,020

abductions arena or have you got no

542

00:29:41,400 --> 00:29:38,290

opinions

543

00:29:45,600 --> 00:29:41,410

I don't know I've talked to people that

544

00:29:49,590 --> 00:29:45,610

say they cut the aliens all the time and

545

00:29:55,410 --> 00:29:49,600

things like that and the thing is you

546

00:30:09,870 --> 00:29:55,420

can't exactly prove it obviously there's

547

00:30:16,110 --> 00:30:09,880

a famous one with Kathie Martin's what's

548

00:30:20,490 --> 00:30:16,120

your feelings on that this was the first

549

00:30:22,770 --> 00:30:20,500

American one that hit the news they

550

00:30:26,280 --> 00:30:22,780

didn't remember an abduction until they

551  
00:30:29,370 --> 00:30:26,290  
were hypnotized I talked to I've talked

552  
00:30:32,400 --> 00:30:29,380  
it Cathleen Martin helped me a whole lot

553  
00:30:34,890 --> 00:30:32,410  
on one of my books I wrote one of my

554  
00:30:39,500 --> 00:30:34,900  
books is about my own experience with

555  
00:30:42,560 --> 00:30:39,510  
UFOs and some of that happened in

556  
00:30:46,340 --> 00:30:42,570  
Massachusetts not too far from the Hill

557  
00:30:52,290 --> 00:30:46,350  
event and she helped me a whole lot

558  
00:30:55,020 --> 00:30:52,300  
writing up my book and also I've talked

559  
00:30:59,070 --> 00:30:55,030  
to Phyllis Budinger who's a scientist

560  
00:31:02,280 --> 00:30:59,080  
and he analyzed Betty Hill kept the

561  
00:31:07,580 --> 00:31:02,290  
dress that she was wearing during her

562  
00:31:12,210 --> 00:31:07,590  
abduction and feels Bettinger

563  
00:31:17,160 --> 00:31:12,220

analyzed with scientific instruments and

564

00:31:19,440 --> 00:31:17,170

said that where the where Betty reported

565

00:31:21,570 --> 00:31:19,450

she was touched by the aliens

566

00:31:24,270 --> 00:31:21,580

that there were pink spots on her blue

567

00:31:26,100 --> 00:31:24,280

dress and if he's had more protein so

568

00:31:31,830 --> 00:31:26,110

there was some kind of evidence that

569

00:31:34,710 --> 00:31:31,840

something went on also there were

570

00:31:43,010 --> 00:31:34,720

elements of there were a number of

571

00:31:45,050 --> 00:31:43,020

elements of that that were similar to

572

00:31:48,210 --> 00:31:45,060

experience my sister and I had

573

00:31:51,090 --> 00:31:48,220

Massachusetts that I had talked about

574

00:31:55,080 --> 00:31:51,100

quite a bit in my book and elsewhere

575

00:31:58,049 --> 00:31:55,090

so I don't I just don't know because you

576

00:32:00,480 --> 00:31:58,059

can't prove it and a lot of people

577

00:32:04,049 --> 00:32:00,490

remember it under hypnosis although some

578

00:32:09,049 --> 00:32:04,059

people say oh they they remember do it I

579

00:32:12,799 --> 00:32:09,059

have I'm kind of wondering sometimes

580

00:32:15,240 --> 00:32:12,809

whether they can affect your mind and

581

00:32:17,940 --> 00:32:15,250

make you think there's an abduction I

582

00:32:20,190 --> 00:32:17,950

mean it's not a metal thing where people

583

00:32:23,279 --> 00:32:20,200

go crazy it's a metal thing or maybe the

584

00:32:27,690 --> 00:32:23,289

UFOs themselves can affect the person's

585

00:32:33,899 --> 00:32:27,700

mind some way - so I don't know it I

586

00:32:37,919 --> 00:32:33,909

mean I just don't know other things and

587

00:32:40,649 --> 00:32:37,929

they're they'll curse else casella's

588

00:32:42,889 --> 00:32:40,659

Rocha on a couple of shows back as well

589

00:32:50,909 --> 00:32:42,899

she was she gave a very each I think

590

00:32:58,200 --> 00:32:50,919

actually the same print same printer but

591

00:33:01,710 --> 00:32:58,210

so abductions and different things that

592

00:33:09,810 --> 00:33:01,720

sir that she's been involved in but yeah

593

00:33:13,860 --> 00:33:09,820

be interesting about portals with UFOs

594

00:33:16,110 --> 00:33:13,870

sometimes and like dimensional incidents

595

00:33:21,320 --> 00:33:16,120

how do you feel about that have you seen

596

00:33:28,379 --> 00:33:21,330

any sort of evidence of anything

597

00:33:30,600 --> 00:33:28,389

what well suppose they say that some

598

00:33:33,029 --> 00:33:30,610

areas are window areas of portal areas

599

00:33:36,060 --> 00:33:33,039

where there's more UFO activity than at

600

00:33:38,460 --> 00:33:36,070

other places and maybe that's so but at

601  
00:33:41,399 --> 00:33:38,470  
times I kind of wonder if maybe there's

602  
00:33:43,409 --> 00:33:41,409  
more publicity or more ability to report

603  
00:33:45,060 --> 00:33:43,419  
things in different areas I mean for

604  
00:33:47,249 --> 00:33:45,070  
example in United States there's a lot

605  
00:33:49,409 --> 00:33:47,259  
more reports I mean but then in other

606  
00:33:51,990 --> 00:33:49,419  
countries but we also have a lot more

607  
00:33:56,009 --> 00:33:52,000  
people and we also have the Internet and

608  
00:33:58,200 --> 00:33:56,019  
people to report to which isn't true in

609  
00:34:00,490 --> 00:33:58,210  
a lot of places so you don't know

610  
00:34:07,139 --> 00:34:00,500  
exactly

611  
00:34:11,200 --> 00:34:07,149  
what it is about but dimensionally I

612  
00:34:16,869 --> 00:34:11,210  
think I think that's a possible good

613  
00:34:19,629 --> 00:34:16,879

explanation that humans may be sort of

614

00:34:21,099 --> 00:34:19,639

primitive and not taking in all of our

615

00:34:23,649 --> 00:34:21,109

environment and there may be a lot of

616

00:34:25,270 --> 00:34:23,659

other things like the quantum theory and

617

00:34:28,629 --> 00:34:25,280

dimensions and everything else that

618

00:34:31,210 --> 00:34:28,639

we're just not don't understand in our

619

00:34:33,700 --> 00:34:31,220

environment that that may have to do

620

00:34:35,589 --> 00:34:33,710

with UFOs mmm the of course strong

621

00:34:37,300 --> 00:34:35,599

belief in there I don't think all ufos

622

00:34:40,119 --> 00:34:37,310

or extraterrestrial I think some are

623

00:34:44,169 --> 00:34:40,129

actually interdimensional you know and I

624

00:34:46,060 --> 00:34:44,179

think it can actually explain ghosts as

625

00:34:48,909 --> 00:34:46,070

well you know I think sometimes we may

626  
00:34:50,859 --> 00:34:48,919  
be seeing a ghost bits where maybe an

627  
00:34:52,990 --> 00:34:50,869  
alien tour may be seen an alien which

628  
00:34:55,270 --> 00:34:53,000  
may be a ghost and I think I think a lot

629  
00:34:58,390 --> 00:34:55,280  
of that kind of blows into one another

630  
00:35:01,270 --> 00:34:58,400  
only sending my own theory and idea but

631  
00:35:03,640 --> 00:35:01,280  
a few years ago I wouldn't have thought

632  
00:35:05,260 --> 00:35:03,650  
that but so I've seen so much over the

633  
00:35:07,349 --> 00:35:05,270  
last few years so I really do think is

634  
00:35:10,720 --> 00:35:07,359  
good there's a big connection with it

635  
00:35:13,109 --> 00:35:10,730  
well I think so too because in either

636  
00:35:16,180 --> 00:35:13,119  
way I mean like if you see around

637  
00:35:18,910 --> 00:35:16,190  
spirits floating through the air what

638  
00:35:23,079 --> 00:35:18,920

could be a ghost it could be a UFO it

639

00:35:26,349 --> 00:35:23,089

could be a norm and you just depend on

640

00:35:28,780 --> 00:35:26,359

your culture on how you define it hmm so

641

00:35:32,589 --> 00:35:28,790

I think they could blend into each other

642

00:35:34,540 --> 00:35:32,599

and a lot of times the some of the

643

00:35:38,260 --> 00:35:34,550

studies by kathleen martin it said that

644

00:35:41,260 --> 00:35:38,270

people that have Close Encounters or

645

00:35:44,500 --> 00:35:41,270

abductions often have poltergeist

646

00:35:47,380 --> 00:35:44,510

experiences later well maybe those are

647

00:35:49,960 --> 00:35:47,390

two components are the same thing hmm

648

00:35:59,829 --> 00:35:49,970

yeah effects up won't be same again some

649

00:36:02,170 --> 00:35:59,839

strange noise he's coming up here how do

650

00:36:05,770 --> 00:36:02,180

you feel about the ancient alien theory

651  
00:36:07,329 --> 00:36:05,780  
but the ancient you know like the Sphinx

652  
00:36:10,620 --> 00:36:07,339  
and the pyramids and everything maybe

653  
00:36:12,820 --> 00:36:10,630  
have been built by aliens

654  
00:36:14,299 --> 00:36:12,830  
well should we have a lot of confidence

655  
00:36:19,779 --> 00:36:14,309  
that people are smartness and

656  
00:36:24,069 --> 00:36:19,789  
that but I think the idea of your hoses

657  
00:36:28,549 --> 00:36:24,079  
craft from other planets came in about

658  
00:36:30,920 --> 00:36:28,559  
1947 with the idea that we might go into

659  
00:36:35,569 --> 00:36:30,930  
space and send rockets and all that up

660  
00:36:38,870 --> 00:36:35,579  
in the space but I think the basic

661  
00:36:40,519 --> 00:36:38,880  
format of things that are like UFO

662  
00:36:45,109 --> 00:36:40,529  
sightings have been going on for a very

663  
00:36:47,359 --> 00:36:45,119

long time and obviously lots of rumors

664

00:36:50,359 --> 00:36:47,369

and things like that but some of them

665

00:36:52,160 --> 00:36:50,369

probably weren't and even abductions and

666

00:36:54,499 --> 00:36:52,170

things that might have been happening

667

00:36:56,839 --> 00:36:54,509

all through history but it wasn't

668

00:37:00,620 --> 00:36:56,849

explained culturally the same way it is

669

00:37:05,509 --> 00:37:00,630

now I mean if you knit the space flight

670

00:37:07,489 --> 00:37:05,519

or et or anything and you were way way

671

00:37:09,049 --> 00:37:07,499

back thousands of years ago and didn't

672

00:37:10,849 --> 00:37:09,059

know what the Stars were you would

673

00:37:13,670 --> 00:37:10,859

interpret is religion or something

674

00:37:15,769 --> 00:37:13,680

whereas now we'd say oh maybe this is a

675

00:37:18,349 --> 00:37:15,779

craft from space but it might be the

676  
00:37:23,589 --> 00:37:18,359  
same sighting of the same thing and just

677  
00:37:27,949 --> 00:37:26,019  
find it strange that there's there's

678  
00:37:29,689 --> 00:37:27,959  
different cultures throughout the world

679  
00:37:32,150 --> 00:37:29,699  
who didn't know each other exist he'd

680  
00:37:34,309 --> 00:37:32,160  
presumably and they had kind of the same

681  
00:37:36,400 --> 00:37:34,319  
beliefs but strangers from the skies and

682  
00:37:38,839 --> 00:37:36,410  
they'd be holding the same types of

683  
00:37:45,049 --> 00:37:38,849  
implements and earrings and things like

684  
00:37:48,019 --> 00:37:45,059  
that I find that very strange yeah and

685  
00:37:51,069 --> 00:37:48,029  
also this is Atlantis this there's big

686  
00:37:53,660 --> 00:37:51,079  
connections there isn't there with

687  
00:37:55,160 --> 00:37:53,670  
ancient the ancient astronaut theory so

688  
00:37:57,169 --> 00:37:55,170

it's quite a big connection event and

689

00:37:58,910 --> 00:37:57,179

lentes I don't know if you would you

690

00:38:02,959 --> 00:37:58,920

believe that there was such a place as

691

00:38:07,309 --> 00:38:02,969

Atlantis that's all well it's a story

692

00:38:08,900 --> 00:38:07,319

that came I think it was an oral story

693

00:38:14,529 --> 00:38:08,910

to start with and then people wrote it

694

00:38:20,359 --> 00:38:14,539

down so you don't know know that but

695

00:38:22,880 --> 00:38:20,369

they're welcoming I mean maybe the place

696

00:38:26,329 --> 00:38:22,890

was pretty advanced and people saw it

697

00:38:27,300 --> 00:38:26,339

and it entered their mythology and got

698

00:38:31,410 --> 00:38:27,310

turned around

699

00:38:33,150 --> 00:38:31,420

then somebody wrote it down so you just

700

00:38:36,750 --> 00:38:33,160

don't know but I'm I think there were

701

00:38:40,230 --> 00:38:36,760

probably places in the ancient world

702

00:38:43,670 --> 00:38:40,240

that were pre advanced you never came

703

00:38:47,340 --> 00:38:43,680

across anything substantial within your

704

00:38:49,830 --> 00:38:47,350

studies over the years no I just read

705

00:38:55,980 --> 00:38:49,840

about the ancient and seeing it on TV

706

00:39:00,120 --> 00:38:55,990

but I um so far as where I am in the

707

00:39:03,240 --> 00:39:00,130

United States some evidence is that in a

708

00:39:09,090 --> 00:39:03,250

lot of Indian mounds here they find

709

00:39:13,500 --> 00:39:09,100

meteorites which suggested that the

710

00:39:15,480 --> 00:39:13,510

Indians had some idea of what meteorites

711

00:39:19,170 --> 00:39:15,490

were that they're something falling in

712

00:39:22,590 --> 00:39:19,180

the sky also the lots of people see me

713

00:39:25,280 --> 00:39:22,600

your rights and so people may tie that

714

00:39:27,710 --> 00:39:25,290

in with the idea of visits from

715

00:39:29,790 --> 00:39:27,720

extraterrestrials or maybe

716

00:39:33,390 --> 00:39:29,800

extraterrestrials land and talk to

717

00:39:35,760 --> 00:39:33,400

people it's hard to say I mean I don't

718

00:39:39,900 --> 00:39:35,770

want to you know jump in anything where

719

00:39:41,670 --> 00:39:39,910

there's no evidence but you can have

720

00:39:47,480 --> 00:39:41,680

your beliefs or thoughts on it

721

00:39:49,860 --> 00:39:47,490

obviously that's all free and some

722

00:39:51,690 --> 00:39:49,870

implants and things we hear these

723

00:39:53,820 --> 00:39:51,700

stories about people being abducted and

724

00:39:56,370 --> 00:39:53,830

having implants fitted there's been some

725

00:39:58,920 --> 00:39:56,380

evidence that people who have these

726

00:40:01,410 --> 00:39:58,930

implants and they get removed by dr.

727

00:40:06,300 --> 00:40:01,420

Leir etcetera how do you feel about that

728

00:40:08,790 --> 00:40:06,310

I think they ought to be a lot be real

729

00:40:12,090 --> 00:40:08,800

transparent and have send the implants

730

00:40:13,980 --> 00:40:12,100

to a group of different scientists be

731

00:40:17,850 --> 00:40:13,990

transparent about the science studying

732

00:40:21,240 --> 00:40:17,860

them and collect all the data and

733

00:40:24,560 --> 00:40:21,250

publish it and not you know not doing an

734

00:40:26,580 --> 00:40:24,570

internal review but send it out to

735

00:40:31,470 --> 00:40:26,590

scientists if you can find any that

736

00:40:34,860 --> 00:40:31,480

would do it and get the results and see

737

00:40:38,970 --> 00:40:34,870

and compare what one scientist does

738

00:40:41,070 --> 00:40:38,980

compared to something else and not tell

739

00:40:45,450 --> 00:40:41,080

him that it's an implant just

740

00:40:47,640 --> 00:40:45,460

please analyze this yeah but you have

741

00:40:59,970 --> 00:40:47,650

not seen anything within your own

742

00:41:02,930 --> 00:40:59,980

studies to pack it out no but I have you

743

00:41:05,070 --> 00:41:02,940

heard that we hear about different

744

00:41:08,310 --> 00:41:05,080

civilizations of different aliens like

745

00:41:11,940 --> 00:41:08,320

reptilians and greys and etc have you

746

00:41:14,510 --> 00:41:11,950

ever seen any evidence of any of that in

747

00:41:20,090 --> 00:41:14,520

your study said that you've gone along

748

00:41:23,790 --> 00:41:20,100

well what I've seen evidence is

749

00:41:25,470 --> 00:41:23,800

shape-shifting that things can take

750

00:41:29,330 --> 00:41:25,480

different shapes and different

751  
00:41:35,820 --> 00:41:29,340  
appearances for example there was one

752  
00:41:41,460 --> 00:41:35,830  
observation by several people where they

753  
00:41:43,560 --> 00:41:41,470  
saw a UFO and one person saw orbs but

754  
00:41:49,050 --> 00:41:43,570  
another person look it's same thing so

755  
00:41:51,990 --> 00:41:49,060  
beings and then there's examples if

756  
00:41:56,670 --> 00:41:52,000  
we're a bunch of orbs or small orbs

757  
00:41:59,700 --> 00:41:56,680  
we'll go together and form something

758  
00:42:03,240 --> 00:41:59,710  
that looks like a humanoid and that sort

759  
00:42:04,350 --> 00:42:03,250  
of thing we're and for people looking at

760  
00:42:08,490 --> 00:42:04,360  
the same thing you'll see something

761  
00:42:10,920 --> 00:42:08,500  
different or somebody will see UFO and

762  
00:42:12,950 --> 00:42:10,930  
then back up a step and not see the UFO

763  
00:42:16,410 --> 00:42:12,960

and go forward that will see the UFO

764

00:42:19,680 --> 00:42:16,420

there's a lot of that which makes you

765

00:42:24,690 --> 00:42:19,690

think that it makes me think maybe that

766

00:42:26,190 --> 00:42:24,700

there's some laser activity involved or

767

00:42:30,680 --> 00:42:26,200

something like that where you can change

768

00:42:34,380 --> 00:42:30,690

your laser and show a different image I

769

00:42:37,260 --> 00:42:34,390

don't know if you should take each if

770

00:42:39,150 --> 00:42:37,270

somebody's a reptilian if you should

771

00:42:41,580 --> 00:42:39,160

take that totally seriously because

772

00:42:44,850 --> 00:42:41,590

somebody may be giving you an image so I

773

00:42:46,770 --> 00:42:44,860

just don't know we're supposed to build

774

00:42:48,590 --> 00:42:46,780

a different vibration plane not there I

775

00:42:50,730 --> 00:42:48,600

think the rip ten years that do do to

776

00:42:52,740 --> 00:42:50,740

shape-shifting from from what I gather

777

00:42:54,390 --> 00:42:52,750

anyway I've never seen one I haven't got

778

00:42:57,090 --> 00:42:54,400

the ability to see any

779

00:42:59,640 --> 00:42:57,100

but I have heard of I do know a few

780

00:43:05,580 --> 00:42:59,650

people they have had the ability to see

781

00:43:07,080 --> 00:43:05,590

these reptilians sort of using other

782

00:43:08,970 --> 00:43:07,090

people's bodies and they seem too

783

00:43:11,070 --> 00:43:08,980

controlled and why don't they are with

784

00:43:14,250 --> 00:43:11,080

us and these people will seem believable

785

00:43:20,190 --> 00:43:14,260

as well you know you've only got to

786

00:43:22,620 --> 00:43:20,200

accept what they say yeah yeah no I

787

00:43:26,190 --> 00:43:22,630

haven't I guess I've talked to people

788

00:43:30,000 --> 00:43:26,200

but I've never delved into it in a lot

789

00:43:32,520 --> 00:43:30,010

of detail I mean there's something

790

00:43:34,760 --> 00:43:32,530

between 15 to like a hundred or so

791

00:43:36,930 --> 00:43:34,770

different species visiting this planet

792

00:43:38,430 --> 00:43:36,940

you can take that with a pinch of salt

793

00:43:42,150 --> 00:43:38,440

really I suppose some people out there

794

00:43:43,860 --> 00:43:42,160

but I I think there's at least that

795

00:43:46,470 --> 00:43:43,870

there's certainly a few visiting this

796

00:43:48,420 --> 00:43:46,480

planet that we don't you know that we we

797

00:43:51,180 --> 00:43:48,430

may know about or some don't know about

798

00:43:55,170 --> 00:43:51,190

but and I think believe do you believe

799

00:43:57,450 --> 00:43:55,180

the government's do know about it why

800

00:44:05,150 --> 00:43:57,460

work for the DIA the definites

801  
00:44:08,130 --> 00:44:05,160  
Intelligence Agency and back in 1968 my

802  
00:44:13,710 --> 00:44:08,140  
supervisor in a section called

803  
00:44:15,810 --> 00:44:13,720  
err order battle and our what we were

804  
00:44:18,870 --> 00:44:15,820  
supposed to do is identify all the

805  
00:44:21,450 --> 00:44:18,880  
aircraft over particular area this is

806  
00:44:24,900 --> 00:44:21,460  
with satellite photography and my

807  
00:44:27,060 --> 00:44:24,910  
supervisors turn in a UFO report which

808  
00:44:29,910 --> 00:44:27,070  
you know we were inside the government

809  
00:44:31,740 --> 00:44:29,920  
we were civilians on the outside and we

810  
00:44:35,820 --> 00:44:31,750  
were supposed to be the top authorities

811  
00:44:37,740 --> 00:44:35,830  
for this area it was on two missions a

812  
00:44:42,240 --> 00:44:37,750  
mission is where the satellite goes

813  
00:44:44,190 --> 00:44:42,250

around the earth in 90 minutes and it

814

00:44:45,810 --> 00:44:44,200

looked the same pretty much the same on

815

00:44:48,650 --> 00:44:45,820

both things accepted Lou :

816

00:44:52,110 --> 00:44:48,660

well my supervisors turned it in as a

817

00:44:56,100 --> 00:44:52,120

UFO and they were just thoroughly

818

00:44:58,800 --> 00:44:56,110

debunked by the higher-ups which made no

819

00:45:01,260 --> 00:44:58,810

sense at all because the higher-ups said

820

00:45:04,080 --> 00:45:01,270

there was a flaw in the film what could

821

00:45:07,650 --> 00:45:04,090

possibly be a fall on defense yes it was

822

00:45:11,520 --> 00:45:07,660

two different totally different pictures

823

00:45:13,289 --> 00:45:11,530

and so I always wondered you know from

824

00:45:15,299 --> 00:45:13,299

way back then if the Defense

825

00:45:18,029 --> 00:45:15,309

Intelligence Agency was covering things

826  
00:45:22,799 --> 00:45:18,039  
up and I imagine they have much better

827  
00:45:26,520 --> 00:45:22,809  
photography now so that probably live

828  
00:45:30,990 --> 00:45:26,530  
video in a lot of detail where they can

829  
00:45:33,740 --> 00:45:31,000  
follow UFOs and so I think they would

830  
00:45:38,279 --> 00:45:33,750  
probably have a lot of information and

831  
00:45:41,069 --> 00:45:38,289  
the DIA is one of the main agencies it's

832  
00:45:46,650 --> 00:45:41,079  
under discussion now in regard to a tip

833  
00:45:48,809 --> 00:45:46,660  
and everything yeah did you you've heard

834  
00:45:51,930 --> 00:45:48,819  
about Hopkins no doubt did you ever have

835  
00:45:54,990 --> 00:45:51,940  
anything to do with him you know my

836  
00:45:57,630 --> 00:45:55,000  
sister and I had as several sightings

837  
00:46:03,240 --> 00:45:57,640  
together and he interviewed both of us

838  
00:46:07,920 --> 00:46:03,250

and my sister's family and thought I was

839

00:46:11,400 --> 00:46:07,930

abducted but anyway so yeah I've

840

00:46:13,950 --> 00:46:11,410

interviewed him on other things too so

841

00:46:17,039 --> 00:46:13,960

we he was a pretty good researcher it's

842

00:46:20,539 --> 00:46:17,049

a shame you so do you you don't think

843

00:46:23,069 --> 00:46:20,549

you were abducted then oh I don't know

844

00:46:25,230 --> 00:46:23,079

because he tried hypnotizing me and I

845

00:46:27,359 --> 00:46:25,240

just didn't have the place at all so it

846

00:46:31,349 --> 00:46:27,369

didn't work we had a sighting where we

847

00:46:37,079 --> 00:46:31,359

might have had missing time maybe two

848

00:46:40,799 --> 00:46:37,089

sightings together and yes for time

849

00:46:43,890 --> 00:46:40,809

table and things like that and I made it

850

00:46:45,930 --> 00:46:43,900

and it's possible I think we may have

851  
00:46:49,079 --> 00:46:45,940  
had missing time but neither of us

852  
00:46:51,539 --> 00:46:49,089  
remember an abduction and I don't

853  
00:46:56,250 --> 00:46:51,549  
hypnotize at all and my sister thinks

854  
00:46:58,470 --> 00:46:56,260  
hypnosis is we're not getting a place on

855  
00:46:59,940 --> 00:46:58,480  
that yeah I think I'll be the same

856  
00:47:03,660 --> 00:46:59,950  
actually I don't think God could be put

857  
00:47:05,400 --> 00:47:03,670  
under either I had almost third show I

858  
00:47:08,089 --> 00:47:05,410  
had Peter Robinson I don't know if

859  
00:47:10,620 --> 00:47:08,099  
you've ever run into him in your travels

860  
00:47:16,710 --> 00:47:10,630  
but he was a good friend of but hopping

861  
00:47:18,809 --> 00:47:16,720  
but Hopkins and it's just so saved he

862  
00:47:21,530 --> 00:47:18,819  
was a good friend about Hopkins and he

863  
00:47:24,560 --> 00:47:21,540

they said the so much respect for him

864

00:47:27,280 --> 00:47:24,570

so it like you say it's a shame we

865

00:47:30,680 --> 00:47:27,290

haven't got to him around either as well

866

00:47:37,870 --> 00:47:35,960

interviewing once I he talked about in

867

00:47:41,330 --> 00:47:37,880

several of these books he talked about

868

00:47:44,150 --> 00:47:41,340

breeding between humans and aliens and

869

00:47:49,430 --> 00:47:44,160

so I had a I have a YouTube by

870

00:47:52,130 --> 00:47:49,440

interviewing asking about how humans

871

00:47:54,980 --> 00:47:52,140

could breed with aliens and I think he

872

00:48:02,990 --> 00:47:54,990

said you know that they can affect the

873

00:48:06,440 --> 00:48:03,000

DA in any some way heartbeats yeah we

874

00:48:10,790 --> 00:48:06,450

had a very famous case in 1980 we've the

875

00:48:14,590 --> 00:48:10,800

Rendlesham UFO incident what what's your

876

00:48:16,550 --> 00:48:14,600

own understandings or beliefs in there

877

00:48:25,210 --> 00:48:16,560

well some of the people seem very

878

00:48:27,650 --> 00:48:25,220

sincere about what they saw and so I

879

00:48:30,700 --> 00:48:27,660

just don't know it's pretty confusing

880

00:48:38,420 --> 00:48:30,710

but I guess it was near a military

881

00:48:40,790 --> 00:48:38,430

United States military base and well

882

00:48:43,310 --> 00:48:40,800

some of the people just seemed totally

883

00:48:48,200 --> 00:48:43,320

sincere and said this is what I saw

884

00:48:50,390 --> 00:48:48,210

yeah and I reasoned down yeah well you

885

00:48:54,080 --> 00:48:50,400

might know but Colonel Holt is a friend

886

00:48:57,530 --> 00:48:54,090

of mine he's actually stayed here in my

887

00:48:58,970 --> 00:48:57,540

house obviously I'm actually doing a

888

00:49:00,950 --> 00:48:58,980

conference for him this year in

889

00:49:03,490 --> 00:49:00,960

September back at Woodbridge because I

890

00:49:05,810 --> 00:49:03,500

live fairly near Rendlesham woods

891

00:49:07,970 --> 00:49:05,820

obviously where he was based year and

892

00:49:10,550 --> 00:49:07,980

Bentwaters and everything I wasn't here

893

00:49:12,920 --> 00:49:10,560

at the time I said living you know in

894

00:49:16,700 --> 00:49:12,930

London but so only six years ago I meant

895

00:49:18,620 --> 00:49:16,710

I moved to this area and strangely

896

00:49:20,150 --> 00:49:18,630

enough as fate would have it I would

897

00:49:23,240 --> 00:49:20,160

have it he's actually become a good

898

00:49:25,400 --> 00:49:23,250

friend of mine so which is pretty weird

899

00:49:30,430 --> 00:49:25,410

I mean he lives in Virginia so if you've

900

00:49:32,710 --> 00:49:30,440

ever bumped into him he's a ways

901  
00:49:35,260 --> 00:49:32,720  
of the Amanar - you know I believe just

902  
00:49:36,790 --> 00:49:35,270  
about everything he says even he's good

903  
00:49:42,370 --> 00:49:36,800  
bit confused about what happened back

904  
00:49:46,270 --> 00:49:42,380  
then but I do believe he's basic story

905  
00:49:48,430 --> 00:49:46,280  
is true obviously I think he would may

906  
00:49:51,609 --> 00:49:48,440  
at the time I've got a feeling he may

907  
00:49:54,069 --> 00:49:51,619  
well have been covering up freeze men

908  
00:49:59,349 --> 00:49:54,079  
under him to protect them from the

909  
00:50:01,150 --> 00:49:59,359  
exposure to the media and everything but

910  
00:50:03,010 --> 00:50:01,160  
yeah there's still a lot going on about

911  
00:50:04,359 --> 00:50:03,020  
that actually because he's got you

912  
00:50:07,809 --> 00:50:04,369  
second he's got your second book coming

913  
00:50:14,200 --> 00:50:07,819

out this year which is wrong which is

914

00:50:15,700 --> 00:50:14,210

writing with John Henson but it's an

915

00:50:18,069 --> 00:50:15,710

interesting story I just wonder what

916

00:50:20,050 --> 00:50:18,079

your feelings on you know what you might

917

00:50:22,540 --> 00:50:20,060

have known about it I'm actually trying

918

00:50:26,500 --> 00:50:22,550

to get Jim Penniston to have been Jim

919

00:50:28,839 --> 00:50:26,510

Penniston on the show sometime in the

920

00:50:31,870 --> 00:50:28,849

next well probably next six weeks or so

921

00:50:33,730 --> 00:50:31,880

to get so he's very busy but he's they

922

00:50:35,260 --> 00:50:33,740

say yes say that you would come on so

923

00:50:37,270 --> 00:50:35,270

we'll see where we go from there cuz

924

00:50:41,550 --> 00:50:37,280

he's got a book coming out shortly - all

925

00:50:46,000 --> 00:50:41,560

about the unique book code the code

926

00:50:48,640 --> 00:50:46,010

that's he got off of the UFO so we'll

927

00:50:50,050 --> 00:50:48,650

see where that goes but I just wonder

928

00:50:52,599 --> 00:50:50,060

what your thoughts were on it that's all

929

00:50:54,130 --> 00:50:52,609

it's it's quite a fascinating case that

930

00:50:55,930 --> 00:50:54,140

doesn't seem to go away here because

931

00:50:59,980 --> 00:50:55,940

it's a lot coming up to 40 years ago now

932

00:51:03,730 --> 00:50:59,990

and it's still very much in the psyche

933

00:51:08,680 --> 00:51:03,740

of the ufology that's one of the top

934

00:51:11,020 --> 00:51:08,690

ones and our witnesses and people coming

935

00:51:12,640 --> 00:51:11,030

forth and talking about yeah there's

936

00:51:15,790 --> 00:51:12,650

been one particular case has been very

937

00:51:17,430 --> 00:51:15,800

much debunked because the the obviously

938

00:51:19,990 --> 00:51:17,440

Peter Roberts was involved in that

939

00:51:24,730 --> 00:51:20,000

unfortunately the book after Eastgate

940

00:51:27,730 --> 00:51:24,740

was removed from sell because of proven

941

00:51:29,620 --> 00:51:27,740

lies that were in it that was anything

942

00:51:33,400 --> 00:51:29,630

really through Peter I think he's his

943

00:51:35,230 --> 00:51:33,410

side of it was all pretty well

944

00:51:38,410 --> 00:51:35,240

researched that you know for the history

945

00:51:39,910 --> 00:51:38,420

of the actual event itself I think it

946

00:51:41,260 --> 00:51:39,920

was his lies he was told by his

947

00:51:43,930 --> 00:51:41,270

co-writer

948

00:51:48,970 --> 00:51:43,940

you know and he actually did a very

949

00:51:50,320 --> 00:51:48,980

public disassociation with him but but

950

00:51:51,670 --> 00:51:50,330

that's still bubbling around there's

951  
00:51:54,040 --> 00:51:51,680  
still things going on with that but

952  
00:52:00,580 --> 00:51:54,050  
which will wait to see how that's going

953  
00:52:05,080 --> 00:52:00,590  
to develop but that's all very

954  
00:52:06,820 --> 00:52:05,090  
fascinating interesting stuff this is

955  
00:52:10,390 --> 00:52:06,830  
some sort of a primary factor that keeps

956  
00:52:15,300 --> 00:52:10,400  
you keep driving new in your research

957  
00:52:19,570 --> 00:52:15,310  
and investigations the primary factor is

958  
00:52:22,570 --> 00:52:19,580  
my own observations which you know if

959  
00:52:24,730 --> 00:52:22,580  
you read somebody else's story we say in

960  
00:52:26,250 --> 00:52:24,740  
no matter if they're the most honest

961  
00:52:30,100 --> 00:52:26,260  
person the world you never know for sure

962  
00:52:32,650 --> 00:52:30,110  
but I mean nobody has to believe me but

963  
00:52:35,950 --> 00:52:32,660

I believe myself and my sister and I had

964

00:52:38,140 --> 00:52:35,960

observations together where we compared

965

00:52:43,300 --> 00:52:38,150

notes what was going on and things like

966

00:52:45,490 --> 00:52:43,310

that and so I think there's something to

967

00:52:50,680 --> 00:52:45,500

it plus my sister and I almost got

968

00:52:54,490 --> 00:52:50,690

killed during a experience well it was

969

00:52:57,540 --> 00:52:54,500

pretty nerve-wracking it's something

970

00:53:00,250 --> 00:52:57,550

I'll always remember and have for a

971

00:53:00,970 --> 00:53:00,260

motivation because I worried it might

972

00:53:04,900 --> 00:53:00,980

happen again

973

00:53:06,780 --> 00:53:04,910

so anyway I'm pretty motivated to try to

974

00:53:10,560 --> 00:53:06,790

figure out what's going on I'm glad it's

975

00:53:14,609 --> 00:53:10,570

being more accepted more accepted now

976  
00:53:18,430 --> 00:53:14,619  
what happened how did you Nica killed

977  
00:53:22,540 --> 00:53:18,440  
it's a real long story we go about five

978  
00:53:24,609 --> 00:53:22,550  
minutes yeah well we had this experience

979  
00:53:27,940 --> 00:53:24,619  
together up in Massachusetts where we

980  
00:53:29,950 --> 00:53:27,950  
saw this very close object and while we

981  
00:53:32,710 --> 00:53:29,960  
were watching it and I was trying to

982  
00:53:36,310 --> 00:53:32,720  
take a picture took I was stuck we were

983  
00:53:40,000 --> 00:53:36,320  
on a Maine free freeway and he acted

984  
00:53:41,920 --> 00:53:40,010  
real funny yet cuz what we were saying

985  
00:53:44,470 --> 00:53:41,930  
when it was right in front of him and

986  
00:53:48,060 --> 00:53:44,480  
turned in the opposite directions I see

987  
00:53:51,580 --> 00:53:48,070  
anything then afterwards as we were

988  
00:53:54,740 --> 00:53:51,590

driving away we wanted to turn that car

989

00:53:56,690 --> 00:53:54,750

around go back to where the UFO was well

990

00:53:59,840 --> 00:53:56,700

follow this and he followed us right

991

00:54:03,500 --> 00:53:59,850

down on my bumper in a truck Wow with

992

00:54:06,980 --> 00:54:03,510

his bright light shining into my mirror

993

00:54:09,230 --> 00:54:06,990

and I was blinded and I switched lanes

994

00:54:12,470 --> 00:54:09,240

and slow down speed it up and I couldn't

995

00:54:13,790 --> 00:54:12,480

get rid of him and he had already act

996

00:54:14,770 --> 00:54:13,800

we'd already talked to him thought he

997

00:54:18,260 --> 00:54:14,780

was crazy

998

00:54:19,910 --> 00:54:18,270

but we were talking to him right when we

999

00:54:22,460 --> 00:54:19,920

were having a close encounter with a UFO

1000

00:54:25,610 --> 00:54:22,470

and the other eye was still in sight

1001  
00:54:27,980 --> 00:54:25,620  
when he started chasing as well and so

1002  
00:54:31,340 --> 00:54:27,990  
the way I got rid of him was to go on

1003  
00:54:35,930 --> 00:54:31,350  
the left-hand lane and then swerve

1004  
00:54:38,450 --> 00:54:35,940  
across the right-hand lane and get off

1005  
00:54:40,040 --> 00:54:38,460  
on an intersection and it was real

1006  
00:54:43,760 --> 00:54:40,050  
dangerous because I didn't know whether

1007  
00:54:46,220 --> 00:54:43,770  
he's gonna kill us chasing us and the

1008  
00:54:48,200 --> 00:54:46,230  
way I got away from him was if somebody

1009  
00:54:49,640 --> 00:54:48,210  
came up on the right-hand lane faster

1010  
00:54:52,010 --> 00:54:49,650  
we'd have been probably killed or

1011  
00:54:55,460 --> 00:54:52,020  
smashed and so it was very dangerous and

1012  
00:54:58,580 --> 00:54:55,470  
so anyway that happened right in the

1013  
00:55:00,350 --> 00:54:58,590

middle of a close encounter Wow way some

1014

00:55:01,700 --> 00:55:00,360

people write a conspiracy and so that

1015

00:55:03,320 --> 00:55:01,710

wouldn't know that I was trying to shut

1016

00:55:06,130 --> 00:55:03,330

you up or get you but yeah I've stopped

1017

00:55:08,150 --> 00:55:06,140

you from seeing what you were seen I

1018

00:55:10,130 --> 00:55:08,160

didn't say anything for a long time

1019

00:55:11,840 --> 00:55:10,140

because I was working for the DIA with

1020

00:55:14,050 --> 00:55:11,850

one of the highest security clearances

1021

00:55:17,840 --> 00:55:14,060

and I didn't go around saying I see UFOs

1022

00:55:20,900 --> 00:55:17,850

but you took real good notes on it and

1023

00:55:23,180 --> 00:55:20,910

eventually I reported it in detail in

1024

00:55:25,400 --> 00:55:23,190

one of my books yeah it sounds a bit

1025

00:55:27,110 --> 00:55:25,410

love that old film with them who was it

1026

00:55:29,420 --> 00:55:27,120

Dennis Weaver and it was but it was a

1027

00:55:30,740 --> 00:55:29,430

truck chasing him all the time all the

1028

00:55:32,630 --> 00:55:30,750

way through coffee what it was called

1029

00:55:34,280 --> 00:55:32,640

now but so it sounds a bit lower there

1030

00:55:37,720 --> 00:55:34,290

yes so must have been terrifying I must

1031

00:55:41,420 --> 00:55:37,730

say it was I'm supposed to give a talk

1032

00:55:47,510 --> 00:55:41,430

about this year's MUFON symposium

1033

00:55:49,730 --> 00:55:47,520

meetings - hmm chief do you have do you

1034

00:55:51,350 --> 00:55:49,740

get a lot of criticism with with your I

1035

00:55:54,380 --> 00:55:51,360

mean you get people criticizing or

1036

00:55:59,650 --> 00:55:54,390

arguing with you in your symposiums or

1037

00:56:06,830 --> 00:55:59,660

whether not a whole lot because I try to

1038

00:56:08,539 --> 00:56:06,840

be scientific and not say I'm well I

1039

00:56:11,929 --> 00:56:08,549

believe in this or that or so

1040

00:56:13,910 --> 00:56:11,939

to try to say what the data is trying to

1041

00:56:15,109 --> 00:56:13,920

say you know there's ways to interpret

1042

00:56:21,140 --> 00:56:15,119

it and that sort of thing

1043

00:56:22,160 --> 00:56:21,150

but I do get harassed yeah I think I

1044

00:56:23,749 --> 00:56:22,170

think it comes with the territory

1045

00:56:27,049 --> 00:56:23,759

doesn't it you're gonna get someone who

1046

00:56:34,279 --> 00:56:27,059

was to be clever and argue about what

1047

00:56:36,529 --> 00:56:34,289

you say but do you like best about what

1048

00:56:41,689 --> 00:56:36,539

you do is that some is it passing the

1049

00:56:46,749 --> 00:56:41,699

word on north what I like best is real

1050

00:56:49,699 --> 00:56:46,759

big research that is well done and shows

1051

00:56:51,620 --> 00:56:49,709

results and that such as the one study

1052

00:56:55,749 --> 00:56:51,630

done by Battelle Memorial Institute they

1053

00:56:59,919 --> 00:56:55,759

had top science study and they came to a

1054

00:57:02,269 --> 00:56:59,929

very valid conclusion that UFOs are

1055

00:57:06,439 --> 00:57:02,279

pretty much real and it was a scientific

1056

00:57:13,759 --> 00:57:06,449

study and I like good observations where

1057

00:57:16,160 --> 00:57:13,769

somebody watches the UFO and reports in

1058

00:57:18,529 --> 00:57:16,170

a lot of detail about what they've seen

1059

00:57:20,329 --> 00:57:18,539

and what's going on yeah I think like me

1060

00:57:23,779 --> 00:57:20,339

you probably find that you meet lots of

1061

00:57:25,939 --> 00:57:23,789

nice people as well oh yeah yeah there's

1062

00:57:29,900 --> 00:57:25,949

quite a nice sum where you meet some

1063

00:57:31,309 --> 00:57:29,910

horrible ones as well one hope generally

1064

00:57:33,709 --> 00:57:31,319

you meet a lot of nice people and they

1065

00:57:37,729 --> 00:57:33,719

become quite so oh yeah I made that good

1066

00:57:40,429 --> 00:57:37,739

friends through this whole subject

1067

00:57:42,589 --> 00:57:40,439

really well I have two really nice

1068

00:57:44,449 --> 00:57:42,599

1069

00:57:45,769 --> 00:57:44,459

1076

00:58:00,469 --> 00:57:59,939

never know we may run into each other at

1077

00:58:03,919 --> 00:58:00,479

some point

1078

00:58:05,419 --> 00:58:03,929
