issues for the organization tom has been

42

00:03:26,009 --> 00:03:22,609

fascinated by military and intelligence

43

00:03:28,569 --> 00:03:26,019

agencies have seen intelligence agencies

44

00:03:31,449 --> 00:03:28,579

inspections and with the UFO public

45

00:03:33,729 --> 00:03:31,459

he'll be in undertaking research study

46

00:03:35,860 --> 00:03:33,739

of the history of the mj-12 affair and

47

00:03:37,600 --> 00:03:35,870

intends to eventually publish his

48

00:03:39,490 --> 00:03:37,610

findings he looks forward to

49

00:03:43,330 --> 00:03:39,500

participating in discussions on

50

00:03:46,150 --> 00:03:43,340

Kjetil topic which has some disposable

51  
00:03:49,180 --> 00:03:46,160  
no we dealt with a couple of weeks ago

52  
00:03:52,420 --> 00:03:49,190  
after the sad loss of Stenson Friedman

53  
00:03:54,730 --> 00:03:52,430  
he'll be giving the local presentations

54  
00:03:57,340 --> 00:03:54,740  
to local UFO groups and in being a guest

55  
00:04:01,120 --> 00:03:57,350  
on internet talk shows and podcasts such

56  
00:04:03,940 --> 00:04:01,130  
as this one well don't think I'll just

57  
00:04:04,360 --> 00:04:03,950  
introduce Tom now and hello Tom you

58  
00:04:06,880 --> 00:04:04,370  
there

59  
00:04:09,820 --> 00:04:06,890  
yes David thank you for having me I

60  
00:04:12,280 --> 00:04:09,830  
appreciate some been looking forward to

61  
00:04:14,940 --> 00:04:12,290  
talking to you indeed so once again I'll

62  
00:04:17,560 --> 00:04:14,950  
tell you Ani I apologize for the delay

63  
00:04:19,390 --> 00:04:17,570

as you know we did lose Stanton Friedman

64

00:04:23,980 --> 00:04:19,400

a couple of weeks ago and no sense we'll

65

00:04:26,320 --> 00:04:23,990

do a couple of kind of tribute shows if

66

00:04:30,010 --> 00:04:26,330

you'd if you will call them there is

67

00:04:31,390 --> 00:04:30,020

this your first uk-based show yes it is

68

00:04:38,950 --> 00:04:31,400

that site

69

00:04:40,810 --> 00:04:38,960

welcome to the UK I mean I hope this

70

00:04:43,420 --> 00:04:40,820

will be the first of many but so the UK

71

00:04:46,030 --> 00:04:43,430

shows - actually no this this this

72

00:04:48,550 --> 00:04:46,040

network goes out across the u.s. anyway

73

00:04:52,870 --> 00:04:48,560

so it's not as if it's just you okay

74

00:04:55,300 --> 00:04:52,880

based you know I've been in the process

75

00:04:57,700 --> 00:04:55,310

of retiring from my regular employment

76

00:05:00,010 --> 00:04:57,710

so I'm gonna have time to travel and I

77

00:05:02,350 --> 00:05:00,020

want to get over to the UK one of these

78

00:05:04,630 --> 00:05:02,360

days not too long from now good I hope

79

00:05:05,920 --> 00:05:04,640

you do I mean if you come down to the

80

00:05:10,420 --> 00:05:05,930

you've heard of the Rendlesham forest

81

00:05:13,180 --> 00:05:10,430

incident from 980 well yes I live fairly

82

00:05:15,430 --> 00:05:13,190

near in difficult forest and I know

83

00:05:17,560 --> 00:05:15,440

quite a bit about it so if you ever come

84

00:05:20,650 --> 00:05:17,570

down to this way then maybe we can meet

85

00:05:23,440 --> 00:05:20,660

up well actually I had I had a

86

00:05:25,810 --> 00:05:23,450

conversation with Colonel old friend

87

00:05:30,580 --> 00:05:25,820

appoint a few weeks ago when I was at

88

00:05:34,510 --> 00:05:30,590

the I was at the Edinburgh UFO Festival

89

00:05:37,150 --> 00:05:34,520

and he was there so that was interesting

90

00:05:39,730 --> 00:05:37,160

I don't know if you know but I'm

91

00:05:40,810 --> 00:05:39,740

planning a conference for Colonel Holt

92

00:05:43,060 --> 00:05:40,820

in September

93

00:05:44,980 --> 00:05:43,070

he's coming over again and you'll be

94

00:05:46,630 --> 00:05:44,990

staying here and everything and it'll be

95

00:05:49,360 --> 00:05:46,640

over for about week so if you could make

96

00:05:51,320 --> 00:05:49,370

it in September but be great that's

97

00:05:53,540 --> 00:05:51,330

probably bashing it a bit

98

00:05:56,390 --> 00:05:53,550

well unfortunately I can't be everywhere

99

00:05:59,570 --> 00:05:56,400

at once anyway

100

00:06:01,010 --> 00:05:59,580

top this though get into where would you

101  
00:06:05,649 --> 00:06:01,020  
like to start you'll tell us about your

102  
00:06:07,969 --> 00:06:05,659  
mutant connections and well I

103  
00:06:11,240 --> 00:06:07,979  
normally ask this question how did I get

104  
00:06:16,010 --> 00:06:11,250  
in the UFOs but I was I'm 66 years old

105  
00:06:18,980 --> 00:06:16,020  
and I was born in 1953 so I grew up as a

106  
00:06:23,270 --> 00:06:18,990  
cold war baby a cold warrior a person

107  
00:06:25,820 --> 00:06:23,280  
I'm constantly hearing about the

108  
00:06:28,700 --> 00:06:25,830  
possibilities of a nuclear war and the

109  
00:06:30,709 --> 00:06:28,710  
space program and as you know during

110  
00:06:33,409 --> 00:06:30,719  
that era there were movies like The Day

111  
00:06:35,659 --> 00:06:33,419  
the Earth Stood Still and we had the

112  
00:06:39,200 --> 00:06:35,669  
Twilight Zone and I was reading Tom

113  
00:06:41,510 --> 00:06:39,210

Swift books growing up and UFOs were

114

00:06:45,619 --> 00:06:41,520

very much in the mainstream media in the

115

00:06:48,680 --> 00:06:45,629

50s and 60s so I grew up with that and I

116

00:06:52,219 --> 00:06:48,690

wasn't actively involved I had read

117

00:06:54,589 --> 00:06:52,229

several books by Donald Kehoe you know

118

00:06:58,309 --> 00:06:54,599

flying saucers serious business type of

119

00:07:03,740 --> 00:06:58,319

thing and in my younger years but in the

120

00:07:06,200 --> 00:07:03,750

in the 1980s after reading history books

121

00:07:09,200 --> 00:07:06,210

facts of history books for many years I

122

00:07:12,490 --> 00:07:09,210

got interested in the subject of

123

00:07:16,999 --> 00:07:12,500

espionage and counterintelligence and

124

00:07:20,659 --> 00:07:17,009

psychological warfare mmm and in the in

125

00:07:23,540 --> 00:07:20,669

the late very late 80s early 90s I ran

126  
00:07:26,420 --> 00:07:23,550  
across the UFO magazine on the street

127  
00:07:29,510 --> 00:07:26,430  
and I bought it and read it and then I

128  
00:07:34,129 --> 00:07:29,520  
started looking into the fields more and

129  
00:07:39,439 --> 00:07:34,139  
I got involved in MUFON and I at that

130  
00:07:42,619 --> 00:07:39,449  
time the mj-12 controversy was raging in

131  
00:07:45,459 --> 00:07:42,629  
the early nineties and in looking at

132  
00:07:48,800 --> 00:07:45,469  
that I realized that there had been a

133  
00:07:52,519 --> 00:07:48,810  
merger between counterintelligence and

134  
00:07:54,879 --> 00:07:52,529  
psychological warfare in the u.s. so

135  
00:07:57,769 --> 00:07:54,889  
this is what really truly intrigues me

136  
00:08:00,950 --> 00:07:57,779  
meanwhile I had gotten involved in MUFON

137  
00:08:03,550 --> 00:08:00,960  
I had bought the field investigators

138  
00:08:06,010 --> 00:08:03,560

manual studied pass

139

00:08:08,620 --> 00:08:06,020

build investigators exam became a field

140

00:08:11,220 --> 00:08:08,630

investigator investigated some cases I

141

00:08:14,409 --> 00:08:11,230

became a state section director and

142

00:08:16,330 --> 00:08:14,419

after a while now they fund with at that

143

00:08:18,310 --> 00:08:16,340

time was headquartered in Seguin Texas

144

00:08:20,770 --> 00:08:18,320

which is just a few miles from San

145

00:08:24,610 --> 00:08:20,780

Antonio and it was being run by Walt

146

00:08:26,470 --> 00:08:24,620

Andrus and Walt Andrus courteously he

147

00:08:30,070 --> 00:08:26,480

gave me the opportunity to come on the

148

00:08:33,329 --> 00:08:30,080

board of MUFON in the 1994 era in fact

149

00:08:35,980 --> 00:08:33,339

it was during the time of the the

150

00:08:37,750 --> 00:08:35,990

symposium MUFON symposium in Austin

151  
00:08:57,040 --> 00:08:37,760  
Texas and I've been on the board ever

152  
00:09:00,820 --> 00:08:57,050  
since the mj-12 documents arrived via

153  
00:09:03,070 --> 00:09:00,830  
the image of the roswell incident what

154  
00:09:05,560 --> 00:09:03,080  
is your feelings on that do you feel

155  
00:09:07,960 --> 00:09:05,570  
further for any MUFON investigations

156  
00:09:12,550 --> 00:09:07,970  
that there actually was an alien craft

157  
00:09:16,810 --> 00:09:12,560  
that correct I think there is a distinct

158  
00:09:19,420 --> 00:09:16,820  
possibility and I think that many

159  
00:09:21,690 --> 00:09:19,430  
historians will tell us David that

160  
00:09:24,670 --> 00:09:21,700  
history is is really a matter of

161  
00:09:28,030 --> 00:09:24,680  
probabilities and I think that we can

162  
00:09:30,280 --> 00:09:28,040  
ask ourselves how probable is that that

163  
00:09:32,560 --> 00:09:30,290

a craft crashed and there were there

164

00:09:34,750 --> 00:09:32,570

were bodies and this was all anomalous

165

00:09:38,470 --> 00:09:34,760

and I would say that the probability is

166

00:09:40,300 --> 00:09:38,480

pretty high I've read you know much of

167

00:09:43,420 --> 00:09:40,310

the Roswell literature and kept up with

168

00:09:45,850 --> 00:09:43,430

Roswell controversy the latest thing

169

00:09:49,540 --> 00:09:45,860

I've read is Roswell in the 21st century

170

00:09:52,480 --> 00:09:49,550

by Kevin Randle and Kevin Randall's a

171

00:09:55,570 --> 00:09:52,490

very conservative UFO investigator has

172

00:09:57,550 --> 00:09:55,580

wonderful investigative skills he tracks

173

00:09:58,960 --> 00:09:57,560

down people and gets to the gifts as

174

00:10:01,870 --> 00:09:58,970

close as he can to the heart of the

175

00:10:04,180 --> 00:10:01,880

information and in reading Rosslyn a

176

00:10:06,699 --> 00:10:04,190

21st century which I think is the latest

177

00:10:09,340 --> 00:10:06,709

on the subject there's enough there to

178

00:10:10,990 --> 00:10:09,350

convince me now maybe someone who's more

179

00:10:13,570 --> 00:10:11,000

skeptical they may have more trouble

180

00:10:17,470 --> 00:10:13,580

with it but after all the years the

181

00:10:20,350 --> 00:10:17,480

stories and the testimonies the room

182

00:10:22,299 --> 00:10:20,360

the leaks from a number of different

183

00:10:25,119 --> 00:10:22,309

sources not just from the Roswell area

184

00:10:27,879 --> 00:10:25,129

but for military bases from retired

185

00:10:29,710 --> 00:10:27,889

military people etc etc there's enough

186

00:10:31,960 --> 00:10:29,720

to convince me that it's highly probable

187

00:10:34,689 --> 00:10:31,970

that something like that has happened

188

00:10:37,749 --> 00:10:34,699

hmm well we help out the the cut of call

189

00:10:40,389 --> 00:10:37,759

so story do you go along with that or

190

00:10:43,480 --> 00:10:40,399

because he worked in the Pentagon didn't

191

00:10:47,259 --> 00:10:43,490

the after that after his time in the Air

192

00:10:50,290 --> 00:10:47,269

Force and you've got to give his story

193

00:10:54,730 --> 00:10:50,300

some credence for that just for that

194

00:10:55,989 --> 00:10:54,740

issue alone yeah he had I think that a

195

00:10:57,699 --> 00:10:55,999

kernel course though a

196

00:11:00,850 --> 00:10:57,709

lieutenant-colonel course though I

197

00:11:05,679 --> 00:11:00,860

believe had a pretty solid career in the

198

00:11:07,480 --> 00:11:05,689

army and in the government hmm he claims

199

00:11:10,540 --> 00:11:07,490

that he worked for it's a general

200

00:11:13,269 --> 00:11:10,550

Trudeau and that he had come across some

201

00:11:16,809 --> 00:11:13,279

Roswell material that he claims he

202

00:11:18,720 --> 00:11:16,819

passed on to private industry I think

203

00:11:21,790 --> 00:11:18,730

that much of it considering the

204

00:11:25,110 --> 00:11:21,800

possibilities of the Roswell effects I

205

00:11:27,819 --> 00:11:25,120

think that much of it is is is is

206

00:11:30,489 --> 00:11:27,829

believable now I don't know if it's true

207

00:11:34,210 --> 00:11:30,499

or not I have heard that the really

208

00:11:37,269 --> 00:11:34,220

juicy information is his own diary his

209

00:11:39,999 --> 00:11:37,279

own papers which I haven't seen as far

210

00:11:41,860 --> 00:11:40,009

as I know have not been published it

211

00:11:46,119 --> 00:11:41,870

would be nice if we could see that now

212

00:11:49,119 --> 00:11:46,129

the the the roswell book that came out

213

00:11:52,119 --> 00:11:49,129

you know with his name i think was your

214

00:11:53,980 --> 00:11:52,129

you know toward commercial appeal and

215

00:11:55,689 --> 00:11:53,990

it's possible there are some things in

216

00:11:59,759 --> 00:11:55,699

there that are either not relevant or

217

00:12:02,350 --> 00:11:59,769

not true or have been saturated but i

218

00:12:04,710 --> 00:12:02,360

think there's you know again there's a

219

00:12:07,509 --> 00:12:04,720

distinct possibility that some of his

220

00:12:09,970 --> 00:12:07,519

Hecht activities have been related to

221

00:12:12,850 --> 00:12:09,980

Roswell yeah I think he may have well

222

00:12:16,239 --> 00:12:12,860

been fit some daddy information that

223

00:12:17,739 --> 00:12:16,249

week ended up in the book itself but I

224

00:12:19,329 --> 00:12:17,749

think you've gotta say I think you've

225

00:12:20,350 --> 00:12:19,339

got give him some credence for the fact

226

00:12:22,230 --> 00:12:20,360

that he was working in the Pentagon

227

00:12:26,230 --> 00:12:22,240

unless it was all the misinformation

228

00:12:27,879 --> 00:12:26,240

disinformation the tech theater

229

00:12:31,389 --> 00:12:27,889

well there's always that possibility

230

00:12:36,189 --> 00:12:31,399

yeah but the fact that things like

231

00:12:38,290 --> 00:12:36,199

glazes and fiber optics and ICS and all

232

00:12:41,259 --> 00:12:38,300

sorts of chips and transistors and

233

00:12:43,119 --> 00:12:41,269

things that so came out of that there

234

00:12:44,999 --> 00:12:43,129

was this thing to appear quite around

235

00:12:48,519 --> 00:12:45,009

that so at the same time didn't they and

236

00:12:51,280 --> 00:12:48,529

there's no real hard I can't find any

237

00:12:53,859 --> 00:12:51,290

hard connections between lasers actually

238

00:12:57,129 --> 00:12:53,869

first started materializing they think

239

00:13:00,040 --> 00:12:57,139

they come out of nowhere yeah you know

240

00:13:02,319 --> 00:13:00,050

and I'm not I'm not an authority on the

241

00:13:06,549 --> 00:13:02,329

history of technology in the 20th

242

00:13:11,439 --> 00:13:06,559

century but it's simply amazing in terms

243

00:13:13,780 --> 00:13:11,449

of the micro processors that the kind of

244

00:13:17,319 --> 00:13:13,790

progress that's been made and the number

245

00:13:19,840 --> 00:13:17,329

of processors that can be imprinted onto

246

00:13:21,609 --> 00:13:19,850

a chip is is just absolutely amazing

247

00:13:24,429 --> 00:13:21,619

it's phenomenal yeah I mean I actually

248

00:13:26,350 --> 00:13:24,439

got my board working career was in the

249

00:13:28,480 --> 00:13:26,360

electronics industry and when I first

250

00:13:30,129 --> 00:13:28,490

felt if we had normal valves and things

251  
00:13:33,280 --> 00:13:30,139  
you know president mean you'd like the

252  
00:13:35,139 --> 00:13:33,290  
late sixties and right up until the when

253  
00:13:36,579 --> 00:13:35,149  
I was leaving I mean you couldn't see

254  
00:13:40,359 --> 00:13:36,589  
the things on a pinhead

255  
00:13:42,489 --> 00:13:40,369  
you know the amazing transformation that

256  
00:13:44,769 --> 00:13:42,499  
went through while I was working in the

257  
00:13:48,449 --> 00:13:44,779  
industry was well you know it's

258  
00:13:52,119 --> 00:13:48,459  
fascinating and amazing you know yeah

259  
00:13:54,280 --> 00:13:52,129  
who knows I mean sometimes all you have

260  
00:13:55,869 --> 00:13:54,290  
to do is get an idea across some of

261  
00:14:00,069 --> 00:13:55,879  
these people and they can run with it

262  
00:14:01,900 --> 00:14:00,079  
yeah so your actual thoughts on the

263  
00:14:03,249 --> 00:14:01,910

mj-12 documents you think they're all

264

00:14:06,160 --> 00:14:03,259

genuine or do you think there's some

265

00:14:08,259 --> 00:14:06,170

fake ones thrown in there to sort of

266

00:14:10,739 --> 00:14:08,269

muddy the waters a bit because that's my

267

00:14:13,299 --> 00:14:10,749

thought so I think the you know the

268

00:14:17,939 --> 00:14:13,309

discredit that's been fake ones thrown

269

00:14:20,980 --> 00:14:17,949

in there yeah well I my area of interest

270

00:14:24,970 --> 00:14:20,990

David is is what I call the history of

271

00:14:28,569 --> 00:14:24,980

the mj-12 affair and there's on drawing

272

00:14:31,809 --> 00:14:28,579

a distinction in I'm looking at the

273

00:14:34,150 --> 00:14:31,819

history of the actual activities that

274

00:14:38,650 --> 00:14:34,160

were involved in the development of the

275

00:14:39,390 --> 00:14:38,660

mj-12 affair and that being the people

276

00:14:43,080 --> 00:14:39,400

that were in

277

00:14:46,530 --> 00:14:43,090

and the events that occurred and the

278

00:14:49,350 --> 00:14:46,540

things the ideas and the claims that

279

00:14:52,080 --> 00:14:49,360

were made and I believe this has been

280

00:14:55,290 --> 00:14:52,090

going on since the early 80s to do the

281

00:14:57,840 --> 00:14:55,300

print day and you know we can outline

282

00:14:59,790 --> 00:14:57,850

the history of the mj-12 affair with

283

00:15:04,170 --> 00:14:59,800

with the appearance of the original

284

00:15:07,519 --> 00:15:04,180

mj-12 documents in the 1980s connected

285

00:15:09,690 --> 00:15:07,529

with Bill Moore and Jamie Shandra and

286

00:15:11,090 --> 00:15:09,700

your gentleman from England there I

287

00:15:13,260 --> 00:15:11,100

can't remember her saying right now

288

00:15:16,740 --> 00:15:13,270

above top secret

289

00:15:19,650 --> 00:15:16,750

Timothy good oh yeah the release of

290

00:15:21,750 --> 00:15:19,660

those documents of 1980s and then we had

291

00:15:24,750 --> 00:15:21,760

now there are several things that I'm

292

00:15:28,470 --> 00:15:24,760

including in in the mj-12 affair those

293

00:15:32,910 --> 00:15:28,480

things being for example the appearance

294

00:15:35,820 --> 00:15:32,920

of Bob Lazar and then in the 90s we had

295

00:15:39,360 --> 00:15:35,830

the documents that are associated with

296

00:15:42,990 --> 00:15:39,370

Timothy Cooper and this is a much higher

297

00:15:45,440 --> 00:15:43,000

volume of material of pages that have

298

00:15:48,960 --> 00:15:45,450

been related to Timothy Cooper's

299

00:15:52,500 --> 00:15:48,970

activities and in the 90s we had of

300

00:15:55,730 --> 00:15:52,510

course the alien autopsy film and and

301  
00:15:58,560 --> 00:15:55,740  
also in the 90s and the 2000s we had

302  
00:16:02,760 --> 00:15:58,570  
these claims from this person by the

303  
00:16:05,610 --> 00:16:02,770  
name of dan burisch and then in the

304  
00:16:08,880 --> 00:16:05,620  
2000s we had the serpo affair the surco

305  
00:16:11,160 --> 00:16:08,890  
material that has come out and then up

306  
00:16:13,590 --> 00:16:11,170  
to the present and more dan burisch

307  
00:16:16,700 --> 00:16:13,600  
material and up to the present time

308  
00:16:19,740 --> 00:16:16,710  
we've had this ultra top-secret mj-12

309  
00:16:21,690 --> 00:16:19,750  
document appear on the internet and then

310  
00:16:24,260 --> 00:16:21,700  
almost within the last few weeks we've

311  
00:16:27,570 --> 00:16:24,270  
had this document

312  
00:16:33,210 --> 00:16:27,580  
allegedly associated with with Eric

313  
00:16:35,490 --> 00:16:33,220

Davis on the Admiral Wilson document and

314

00:16:39,269 --> 00:16:35,500

also with KITT green on the alien

315

00:16:41,460 --> 00:16:39,279

autopsy issue so in my opinion the mj-12

316

00:16:45,390 --> 00:16:41,470

affair has occurred almost up to this

317

00:16:47,280 --> 00:16:45,400

month yeah I've got to say about the

318

00:16:50,670 --> 00:16:47,290

alien autopsy we know actually no the

319

00:16:51,950 --> 00:16:50,680

man who did the the ID'd autopsy spiros

320

00:16:54,050 --> 00:16:51,960

Belarus

321

00:16:55,790 --> 00:16:54,060

and all this thing about the alien

322

00:16:57,440 --> 00:16:55,800

autopsy being genuine there are people

323

00:17:00,560 --> 00:16:57,450

out there still think he's genuine he's

324

00:17:03,470 --> 00:17:00,570

really I know for a fact it's really a

325

00:17:05,540 --> 00:17:03,480

fake film you know it's what I don't

326

00:17:07,490 --> 00:17:05,550

what - all paid what paperwork whatever

327

00:17:09,800 --> 00:17:07,500

paperwork has come out whether there's

328

00:17:12,530 --> 00:17:09,810

another real alien autopsy is another

329

00:17:14,510 --> 00:17:12,540

matter but the one that was actually out

330

00:17:21,230 --> 00:17:14,520

there that was on film was actually a

331

00:17:23,540 --> 00:17:21,240

fake one yeah and at the moment David I

332

00:17:28,580 --> 00:17:23,550

think in terms of the alien autopsy film

333

00:17:31,880 --> 00:17:28,590

we have mass confusion because there has

334

00:17:33,770 --> 00:17:31,890

been this document that has come out

335

00:17:37,400 --> 00:17:33,780

that has been leaked on the Internet

336

00:17:41,000 --> 00:17:37,410

that was between Eric Davis and doctor

337

00:17:44,060 --> 00:17:41,010

kit green and dr. kik green in in these

338

00:17:46,280 --> 00:17:44,070

series the emails it was communicated

339

00:17:50,930 --> 00:17:46,290

dr. Greene has said that he had been

340

00:17:54,290 --> 00:17:50,940

briefed on on these alien dissections so

341

00:17:58,130 --> 00:17:54,300

this this this started this whole ball

342

00:18:00,440 --> 00:17:58,140

rolling a few weeks ago with reexamining

343

00:18:02,450 --> 00:18:00,450

the alien on top no no I'm not sitting

344

00:18:04,490 --> 00:18:02,460

here claiming that the film that we've

345

00:18:07,100 --> 00:18:04,500

all seen you know that was marketed is

346

00:18:10,430 --> 00:18:07,110

genuine I'm not claiming that at all i

347

00:18:13,010 --> 00:18:10,440

what my question is what about the

348

00:18:16,580 --> 00:18:13,020

original film that sound tilt that's in

349

00:18:19,430 --> 00:18:16,590

mr. Santilli claimed that an had or has

350

00:18:21,470 --> 00:18:19,440

does that story well is it this

351

00:18:23,480 --> 00:18:21,480

possession this is this is the question

352

00:18:25,010 --> 00:18:23,490

I'd like to have it yes I've got my

353

00:18:31,280 --> 00:18:25,020

opinion on that know what I'm theories

354

00:18:33,920 --> 00:18:31,290

one from what I get from what I gather

355

00:18:37,550 --> 00:18:33,930

spirits with auras his faith that he is

356

00:18:39,260 --> 00:18:37,560

inviting centuries to produce it and he

357

00:18:43,370 --> 00:18:39,270

does he says he never will because he

358

00:18:46,010 --> 00:18:43,380

hasn't got one well and you know if you

359

00:18:48,290 --> 00:18:46,020

think about it David if you had

360

00:18:52,820 --> 00:18:48,300

something like that in the press if I

361

00:18:55,820 --> 00:18:52,830

was doing that for one thing I would if

362

00:18:58,760 --> 00:18:55,830

i if i did a reconstruction of the event

363

00:19:01,270 --> 00:18:58,770

you know a reenactment I mark I would

364

00:19:03,680 --> 00:19:01,280

identify this such to begin with

365

00:19:04,680 --> 00:19:03,690

secondly I would state that there is

366

00:19:06,690 --> 00:19:04,690

original

367

00:19:09,360 --> 00:19:06,700

and I would hold that in some kind of

368

00:19:12,480 --> 00:19:09,370

custody or escrow so that it could be

369

00:19:14,100 --> 00:19:12,490

verified okay and those are logical

370

00:19:18,500 --> 00:19:14,110

things that that you would think would

371

00:19:19,670 --> 00:19:18,510

be done under circumstances about yeah

372

00:19:22,590 --> 00:19:19,680

really

373

00:19:26,220 --> 00:19:22,600

whisperers produce that film he did it

374

00:19:28,230 --> 00:19:26,230

was kind of a joke in fact and he didn't

375

00:19:31,020 --> 00:19:28,240

it got out of hand he didn't actually

376

00:19:32,460 --> 00:19:31,030

realized that some Santilli was actually

377

00:19:33,840 --> 00:19:32,470

spreading all around the border making a

378

00:19:35,430 --> 00:19:33,850

lot of money out of it he actually

379

00:19:36,960 --> 00:19:35,440

realized himself so when he when

380

00:19:39,720 --> 00:19:36,970

somebody told him it was actually on the

381

00:19:41,730 --> 00:19:39,730

television or somebody he went what yeah

382

00:19:44,160 --> 00:19:41,740

as if you know it was supposed to be

383

00:19:49,440 --> 00:19:44,170

just a joke that got out of hand

384

00:19:53,970 --> 00:19:49,450

in actual fact well I've done open mind

385

00:19:57,000 --> 00:19:53,980

and I requested a copy of Phillip

386

00:19:59,160 --> 00:19:57,010

mammals book and he very curiously sent

387

00:20:00,930 --> 00:19:59,170

it to me at no charge yeah I haven't had

388

00:20:02,610 --> 00:20:00,940

a chance to read it yet but I know that

389

00:20:06,900 --> 00:20:02,620

he spent years researching that

390

00:20:09,120 --> 00:20:06,910

absolutely my intention David is to look

391

00:20:11,460 --> 00:20:09,130

at the history of this whole affair you

392

00:20:13,860 --> 00:20:11,470

know from the 80s to the present hmm and

393

00:20:16,500 --> 00:20:13,870

try to get as much factual information

394

00:20:16,920 --> 00:20:16,510

as I can and let the chips fall where

395

00:20:21,210 --> 00:20:16,930

they may

396

00:20:24,960 --> 00:20:21,220

sure no you you asked me what is my

397

00:20:27,300 --> 00:20:24,970

opinion of the mj-12 original mj-12

398

00:20:29,820 --> 00:20:27,310

documents and I you know there are

399

00:20:32,520 --> 00:20:29,830

several theories I think that we can

400

00:20:35,700 --> 00:20:32,530

associate that with that one is an out

401  
00:20:39,260 --> 00:20:35,710  
mount hoax either by Bill Moore and

402  
00:20:44,700 --> 00:20:39,270  
company or by other some unknown party

403  
00:20:46,380 --> 00:20:44,710  
another possibility is that there and if

404  
00:20:48,900 --> 00:20:46,390  
this is becoming increasingly apparent

405  
00:20:51,900 --> 00:20:48,910  
in in recent discussions but the

406  
00:20:54,000 --> 00:20:51,910  
apparent there are factions within the

407  
00:20:57,960 --> 00:20:54,010  
department of defense

408  
00:21:00,840 --> 00:20:57,970  
there's the faction and apparently that

409  
00:21:02,730 --> 00:21:00,850  
is in favor of greater disclosure of

410  
00:21:04,910 --> 00:21:02,740  
information into the public and there's

411  
00:21:08,640 --> 00:21:04,920  
a faction that that is against

412  
00:21:12,540 --> 00:21:08,650  
disclosure yeah it's it's one thing one

413  
00:21:15,330 --> 00:21:12,550

possibility is that maybe some kind of

414

00:21:18,540 --> 00:21:15,340

compromise had been reached and the

415

00:21:20,880 --> 00:21:18,550

compromise was that information that

416

00:21:22,530 --> 00:21:20,890

would be released to the public that it

417

00:21:25,080 --> 00:21:22,540

would be released in such a way that it

418

00:21:27,180 --> 00:21:25,090

would enable possible deniability and

419

00:21:29,880 --> 00:21:27,190

not be able to be traced back to its

420

00:21:33,840 --> 00:21:29,890

source so that's one theory about

421

00:21:37,080 --> 00:21:33,850

mj-12 related material another theory I

422

00:21:37,590 --> 00:21:37,090

have was the more than I look at the

423

00:21:42,180 --> 00:21:37,600

so-called

424

00:21:45,840 --> 00:21:42,190

a theory that and again this is becoming

425

00:21:47,310 --> 00:21:45,850

a more popular notion in you know and

426

00:21:50,280 --> 00:21:47,320

just following the general discussion on

427

00:21:52,620 --> 00:21:50,290

the internet on Twitter is that this

428

00:21:54,780 --> 00:21:52,630

aviary and certain people certain P key

429

00:21:59,580 --> 00:21:54,790

people within the aviary such as help

430

00:22:03,480 --> 00:21:59,590

put off get green maybe Eric Davis John

431

00:22:05,190 --> 00:22:03,490

Alexander its efforts Deborah that they

432

00:22:09,060 --> 00:22:05,200

have moved through several iterations

433

00:22:11,700 --> 00:22:09,070

over the years this aviary was the loose

434

00:22:18,690 --> 00:22:11,710

breed in the 80s and some of these

435

00:22:21,530 --> 00:22:18,700

people migrated to Joe firmage and to

436

00:22:27,330 --> 00:22:21,540

mr. Bigelow's Smiths and mr. big was

437

00:22:29,340 --> 00:22:27,340

bass and now here we are today and some

438

00:22:30,660 --> 00:22:29,350

of these same people that like waited to

439

00:22:34,080 --> 00:22:30,670

to the stars Academy

440

00:22:37,020 --> 00:22:34,090

so I'm looking into the possibility that

441

00:22:38,850 --> 00:22:37,030

the mj-12 documents may have originated

442

00:22:40,380 --> 00:22:38,860

somewhere within the aviary not

443

00:22:44,040 --> 00:22:40,390

necessarily from Biltmore

444

00:22:46,740 --> 00:22:44,050

so that's another possibility hmm did

445

00:22:51,120 --> 00:22:46,750

you have a speak to Stanton about mj-12

446

00:22:53,700 --> 00:22:51,130

documents Batol oh yes oh yes I was

447

00:22:58,080 --> 00:22:53,710

doing a lot of research at the time on

448

00:23:02,400 --> 00:22:58,090

the Internet mrs. several years ago and

449

00:23:05,160 --> 00:23:02,410

I had some pretty pretty pointed kind of

450

00:23:08,070 --> 00:23:05,170

hard questions that I wanted to ask Stan

451

00:23:10,260 --> 00:23:08,080

Friedman and I had the opportunity to

452

00:23:13,470 --> 00:23:10,270

sit down with him at a symposium this is

453

00:23:18,950 --> 00:23:13,480

several years ago twice my style down

454

00:23:22,500 --> 00:23:18,960

with him all right talk with him I

455

00:23:25,380 --> 00:23:22,510

demand a man at a at a cocktail party

456

00:23:27,390 --> 00:23:25,390

and we sat down at breakfast and I asked

457

00:23:31,170 --> 00:23:27,400

several very pointed questions that you

458

00:23:32,080 --> 00:23:31,180

know and he just tried this father said

459

00:23:33,460 --> 00:23:32,090

he said it

460

00:23:35,890 --> 00:23:33,470

make any difference because the mj-12

461

00:23:39,310 --> 00:23:35,900

documents are real those are the answers

462

00:23:41,080 --> 00:23:39,320

that yes yeah that one's pretty familiar

463

00:23:45,750 --> 00:23:41,090

so that's the proprieties mine was right

464

00:23:50,950 --> 00:23:45,760

up see that's right that's fine yeah

465

00:23:52,990 --> 00:23:50,960

okay move on to the Bob Lazar what is

466

00:23:55,240 --> 00:23:53,000

your opinion of him now

467

00:23:57,549 --> 00:23:55,250

I've just given my quick opinion for

468

00:23:59,470 --> 00:23:57,559

about 20 years I actually believe Bob

469

00:24:01,720 --> 00:23:59,480

Lazar story I'm afraid

470

00:24:03,940 --> 00:24:01,730

over the last year or so office it'll

471

00:24:06,039 --> 00:24:03,950

started I started sitting on the fence

472

00:24:09,070 --> 00:24:06,049

about it and now I've got on the side

473

00:24:13,029 --> 00:24:09,080

that I don't really believe him how do

474

00:24:14,680 --> 00:24:13,039

you feel about that you know I just

475

00:24:18,549 --> 00:24:14,690

don't know what to think really David

476

00:24:22,299 --> 00:24:18,559

because his educational credentials had

477

00:24:23,620 --> 00:24:22,309

not been verified as we all know and you

478

00:24:25,180 --> 00:24:23,630

would think that would be one of the

479

00:24:31,289 --> 00:24:25,190

first things that he would try out

480

00:24:34,570 --> 00:24:31,299

mm-hmm you know to prove his case he

481

00:24:39,310 --> 00:24:34,580

apparently did work at los alamos in

482

00:24:41,950 --> 00:24:39,320

some capacity all right perhaps as a

483

00:24:43,690 --> 00:24:41,960

technician perhaps as an outside

484

00:24:45,370 --> 00:24:43,700

contractor I don't know because I

485

00:24:47,830 --> 00:24:45,380

haven't had a chance you know to

486

00:24:50,169 --> 00:24:47,840

investigate that in any depth I'm just

487

00:24:53,250 --> 00:24:50,179

going by what I'm saying in the public

488

00:24:57,789 --> 00:24:53,260

literature and in the public discussions

489

00:25:01,990 --> 00:24:57,799

whether he was actually in area 51 or or

490

00:25:05,590 --> 00:25:02,000

as poor as they say I I just don't know

491

00:25:08,649 --> 00:25:05,600

but but I will say this is his story has

492

00:25:11,740 --> 00:25:08,659

not changed over the years and he has

493

00:25:14,889 --> 00:25:11,750

seemed to be very reluctant to talk you

494

00:25:18,039 --> 00:25:14,899

know to go public even though and he has

495

00:25:20,380 --> 00:25:18,049

the appearance of people in order to get

496

00:25:22,210 --> 00:25:20,390

him to go public with anything they have

497

00:25:25,450 --> 00:25:22,220

to drag it out of them have to drag him

498

00:25:27,460 --> 00:25:25,460

into it yeah just before he died

499

00:25:30,460 --> 00:25:27,470

actually Stanton Friedman had a meeting

500

00:25:32,830 --> 00:25:30,470

with them with publicity at the other

501  
00:25:36,029 --> 00:25:32,840  
think it was a televised one and they

502  
00:25:39,220 --> 00:25:36,039  
seem to think that Bob Lazar was a fraud

503  
00:25:41,220 --> 00:25:39,230  
well and Eric Davis has said that Bob

504  
00:25:45,500 --> 00:25:41,230  
Lazar is a fraud but here's the

505  
00:25:48,140 --> 00:25:45,510  
possibility Bob Lazar claims

506  
00:25:50,870 --> 00:25:48,150  
that well he said that he had built a

507  
00:25:53,360 --> 00:25:50,880  
jet car mm-hmm when he was working in

508  
00:25:55,760 --> 00:25:53,370  
Los Alamos and that an article had been

509  
00:26:01,100 --> 00:25:55,770  
written about that jet car in the Los

510  
00:26:04,190 --> 00:26:01,110  
Alamos newspaper and that Lazar claims

511  
00:26:05,690 --> 00:26:04,200  
that he ran into Edward Teller reading

512  
00:26:08,810 --> 00:26:05,700  
that article and they got into a

513  
00:26:12,020 --> 00:26:08,820

conversation and that later on when

514

00:26:14,659 --> 00:26:12,030

Lazar and these are his claims that when

515

00:26:18,980 --> 00:26:14,669

Lazar decided to get back into science

516

00:26:22,270 --> 00:26:18,990

whatever that means that he got in touch

517

00:26:25,070 --> 00:26:22,280

with dr. teller now you would think that

518

00:26:28,419 --> 00:26:25,080

if you were just a Joe Blow off the

519

00:26:31,700 --> 00:26:28,429

street you would not be called by EG&G

520

00:26:34,520 --> 00:26:31,710

into an interview to go to work at what

521

00:26:38,860 --> 00:26:34,530

if true has got to be the most

522

00:26:41,810 --> 00:26:38,870

classified program in the world okay but

523

00:26:43,909 --> 00:26:41,820

if you knew Edward Teller and they felt

524

00:26:45,950 --> 00:26:43,919

were teller picked up the phone and said

525

00:26:48,770 --> 00:26:45,960

I've got somebody for you to work there

526

00:26:51,440 --> 00:26:48,780

I think you wouldn't have any trouble at

527

00:26:58,970 --> 00:26:51,450

all giving them okay and I will say that

528

00:27:00,980 --> 00:26:58,980

but I don't know all these questions are

529

00:27:02,180 --> 00:27:00,990

I'll publish it around at the moment no

530

00:27:03,500 --> 00:27:02,190

I don't think we're to get the host with

531

00:27:06,080 --> 00:27:03,510

twenty of them are weak because though

532

00:27:08,600 --> 00:27:06,090

you know that's a I believe Bob Lazar

533

00:27:11,240 --> 00:27:08,610

story for about 20 years or so and well

534

00:27:12,950 --> 00:27:11,250

for at about 20 years and I'm sort of I

535

00:27:16,400 --> 00:27:12,960

saw the film actually a few days ago

536

00:27:18,260 --> 00:27:16,410

that he's got out and it didn't convince

537

00:27:20,180 --> 00:27:18,270

me at all to be honest even though I've

538

00:27:24,830 --> 00:27:20,190

been on the Bob Lazar side of things for

539

00:27:31,130 --> 00:27:24,840

so many years wait to see what we see

540

00:27:33,620 --> 00:27:31,140

what see what materializes I think it

541

00:27:35,690 --> 00:27:33,630

really requires a lot of patience it

542

00:27:39,980 --> 00:27:35,700

just requires a lot of patience because

543

00:27:44,510 --> 00:27:39,990

in all the 70 years since this all began

544

00:27:47,750 --> 00:27:44,520

in 1947 you know the modern era we have

545

00:27:51,260 --> 00:27:47,760

never received firm confirmation from

546

00:27:53,360 --> 00:27:51,270

authorities in society now we we that

547

00:27:55,220 --> 00:27:53,370

followed the UFO feel like myself and

548

00:27:56,810 --> 00:27:55,230

other people in the field we're quite

549

00:27:59,450 --> 00:27:56,820

sure that something's going on

550

00:28:02,570 --> 00:27:59,460

but we've never received official

551  
00:28:04,490 --> 00:28:02,580  
confirmation so that leaves us in limbo

552  
00:28:08,120 --> 00:28:04,500  
and all we can do is to have patience

553  
00:28:09,710 --> 00:28:08,130  
and keep studying keep learning but

554  
00:28:13,400 --> 00:28:09,720  
especially when we get into these

555  
00:28:15,680 --> 00:28:13,410  
documents and leaked information and DoD

556  
00:28:17,830 --> 00:28:15,690  
related stuff it just turns into a

557  
00:28:20,090 --> 00:28:17,840  
wilderness of mirrors yeah

558  
00:28:22,310 --> 00:28:20,100  
it's not cops in a couple of times it

559  
00:28:24,710 --> 00:28:22,320  
seems to me the release of a lot of

560  
00:28:26,090 --> 00:28:24,720  
stuff and it's probably old out there

561  
00:28:27,830 --> 00:28:26,100  
but you've got to find it in amongst the

562  
00:28:30,290 --> 00:28:27,840  
woods something you've got a tree you've

563  
00:28:31,700 --> 00:28:30,300

got to find within the woods there's you

564

00:28:33,710 --> 00:28:31,710

know that's the way it seems to me

565

00:28:36,800 --> 00:28:33,720

especially with the reports they've

566

00:28:38,690 --> 00:28:36,810

released over here in the UK there's

567

00:28:42,080 --> 00:28:38,700

been a deluge of UFO reports being

568

00:28:44,450 --> 00:28:42,090

released and if you go through with you

569

00:28:46,490 --> 00:28:44,460

tens of thousands of pages and you

570

00:28:48,320 --> 00:28:46,500

really need to go through well I haven't

571

00:28:50,600 --> 00:28:48,330

personally gone through them all but I

572

00:28:52,760 --> 00:28:50,610

know people like Nick Pope and that have

573

00:28:56,270 --> 00:28:52,770

gone through much of it and there are

574

00:28:58,880 --> 00:28:56,280

treasures within those papers that do a

575

00:29:00,620 --> 00:28:58,890

new point something that something has

576  
00:29:02,960 --> 00:29:00,630  
happened at some point you know that

577  
00:29:04,700 --> 00:29:02,970  
there are real genuine reports out there

578  
00:29:06,950 --> 00:29:04,710  
I certainly believe them

579  
00:29:09,830 --> 00:29:06,960  
and I know we're not seen I've seen a

580  
00:29:13,880 --> 00:29:09,840  
UFO myself in 67 so I do know they're

581  
00:29:17,450 --> 00:29:13,890  
out there if you have your own

582  
00:29:24,050 --> 00:29:17,460  
experience at all I haven't I have not

583  
00:29:26,660 --> 00:29:24,060  
and after learning and when I learned in

584  
00:29:28,580 --> 00:29:26,670  
the nineties about these abductions I

585  
00:29:31,040 --> 00:29:28,590  
really started thinking David I don't

586  
00:29:32,960 --> 00:29:31,050  
want to see oh yeah we know I was heard

587  
00:29:35,270 --> 00:29:32,970  
of that you know anything I just saw an

588  
00:29:37,790 --> 00:29:35,280

orange oval object going across the

589

00:29:38,150 --> 00:29:37,800

night sky pulsating it wasn't a bright

590

00:29:43,160 --> 00:29:38,160

light

591

00:29:44,810 --> 00:29:43,170

watching it for a good 15 minutes or so

592

00:29:49,610 --> 00:29:44,820

then it wasn't an aircraft I'm talking

593

00:29:52,190 --> 00:29:49,620

about 1967 or Bolivia was and it was a

594

00:29:54,470 --> 00:29:52,200

large oval object you know and I teared

595

00:29:57,140 --> 00:29:54,480

out and got a book I looked for a book

596

00:29:59,720 --> 00:29:57,150

about oval objects and I was amazed to

597

00:30:01,810 --> 00:29:59,730

find that this is a loads of oval

598

00:30:05,630 --> 00:30:01,820

objects seen all over the world actual

599

00:30:07,880 --> 00:30:05,640

but and there's no shortage of sightings

600

00:30:09,420 --> 00:30:07,890

in the UK that's for sure yeah an orange

601  
00:30:11,220 --> 00:30:09,430  
seems to be a pathetic

602  
00:30:14,730 --> 00:30:11,230  
the color that some of them that appears

603  
00:30:18,300 --> 00:30:14,740  
to be even if it is quite similar to the

604  
00:30:21,960 --> 00:30:18,310  
curdled whole experience they you know

605  
00:30:23,430 --> 00:30:21,970  
you guys are over there in NATO land and

606  
00:30:26,610 --> 00:30:23,440  
I wonder if that doesn't have something

607  
00:30:30,540 --> 00:30:26,620  
to do with it what do you mean what's

608  
00:30:33,510 --> 00:30:30,550  
her secret weapon yeah I mean that's

609  
00:30:37,680 --> 00:30:33,520  
always a possibility I mean this yeah

610  
00:30:39,300 --> 00:30:37,690  
yeah he's what this whole object what do

611  
00:30:40,890 --> 00:30:39,310  
you certainly wasn't a normal heavy

612  
00:30:41,820 --> 00:30:40,900  
aircraft with there is some sort of a

613  
00:30:43,010 --> 00:30:41,830

secret aircraft

614

00:30:53,100 --> 00:30:43,020

I suppose that's always a possibility

615

00:30:55,470 --> 00:30:53,110

you know sure so yeah this bothering me

616

00:30:59,150 --> 00:30:55,480

right now about these latest document

617

00:31:02,160 --> 00:30:59,160

releases the documents in particular the

618

00:31:05,940 --> 00:31:02,170

the Admiral Wilson document and the KITT

619

00:31:08,370 --> 00:31:05,950

cream document is that some people are

620

00:31:10,440 --> 00:31:08,380

praying to jump in and immediately say

621

00:31:13,230 --> 00:31:10,450

that that there are most important

622

00:31:15,030 --> 00:31:13,240

documents in UFO history and then other

623

00:31:16,920 --> 00:31:15,040

people are jumping in and trying to say

624

00:31:19,290 --> 00:31:16,930

oh they're fake you know they they find

625

00:31:22,770 --> 00:31:19,300

this or that out red flag or this or

626

00:31:26,610 --> 00:31:22,780

that inconsistency and I'd like to see

627

00:31:31,350 --> 00:31:26,620

more of a what I would term a methodical

628

00:31:33,570 --> 00:31:31,360

approach to analyzing these problems for

629

00:31:36,510 --> 00:31:33,580

example you know the first question you

630

00:31:39,740 --> 00:31:36,520

have is provenance but where did the

631

00:31:42,180 --> 00:31:39,750

document originate in an all mmm

632

00:31:44,550 --> 00:31:42,190

secondly there's there's the question of

633

00:31:47,810 --> 00:31:44,560

chain of custody who has had the

634

00:31:51,360 --> 00:31:47,820

document how is the how was the item

635

00:31:53,100 --> 00:31:51,370

passed from one party to another now in

636

00:31:56,700 --> 00:31:53,110

in the and in the case of the Admiral

637

00:31:58,320 --> 00:31:56,710

Wilson document the chain custody is

638

00:32:00,950 --> 00:31:58,330

very interesting and we don't we don't

639

00:32:03,300 --> 00:32:00,960

have a complete chain of custody yeah

640

00:32:05,580 --> 00:32:03,310

also I think you know we need to be

641

00:32:09,690 --> 00:32:05,590

looking at the timeline you know what

642

00:32:11,580 --> 00:32:09,700

has occurred by whom when and we want to

643

00:32:14,340 --> 00:32:11,590

look at the disposition where where is

644

00:32:16,950 --> 00:32:14,350

the document now does it still exist

645

00:32:18,390 --> 00:32:16,960

has it been destroyed you know is in

646

00:32:20,400 --> 00:32:18,400

someone's file so I think these are

647

00:32:21,700 --> 00:32:20,410

questions that we need to be asking and

648

00:32:23,850 --> 00:32:21,710

looking at

649

00:32:25,900 --> 00:32:23,860

and I'd like to see see people

650

00:32:29,290 --> 00:32:25,910

investigating this on an objective

651  
00:32:31,390 --> 00:32:29,300  
rational basis and then we can summarize

652  
00:32:34,810 --> 00:32:31,400  
what it is that we know on what it is

653  
00:32:38,550 --> 00:32:34,820  
that we don't know for example in the

654  
00:32:42,100 --> 00:32:38,560  
admiral wilson document it's not

655  
00:32:45,160 --> 00:32:42,110  
outlandish to think that the document

656  
00:32:47,320 --> 00:32:45,170  
probably if it's if it's true and it

657  
00:32:50,170 --> 00:32:47,330  
hasn't been denied by eric davis but

658  
00:32:52,360 --> 00:32:50,180  
that it originated with eric davis he

659  
00:32:55,120 --> 00:32:52,370  
possibly made copies and sent them to

660  
00:32:58,150 --> 00:32:55,130  
friends of his and knids one of those

661  
00:32:59,860 --> 00:32:58,160  
people being at gur mitchell a copy of

662  
00:33:02,980 --> 00:32:59,870  
that document was that in April

663  
00:33:06,640 --> 00:33:02,990

Mitchell's files someone or some group

664

00:33:09,030 --> 00:33:06,650

we don't know who was able to take

665

00:33:13,420 --> 00:33:09,040

possession of it you're Mitchell's files

666

00:33:16,750 --> 00:33:13,430

now somewhere between there and the

667

00:33:19,690 --> 00:33:16,760

gentleman and in Australia on uh the

668

00:33:22,360 --> 00:33:19,700

gentleman in Australia received that

669

00:33:24,990 --> 00:33:22,370

document or documents from some party

670

00:33:27,970 --> 00:33:25,000

that he says was at a space conference

671

00:33:30,460 --> 00:33:27,980

okay and we don't know who the who these

672

00:33:34,390 --> 00:33:30,470

parties are in between so we have a

673

00:33:37,300 --> 00:33:34,400

reasonable idea of a chain of custody on

674

00:33:40,150 --> 00:33:37,310

this because we know that grant Cameron

675

00:33:42,220 --> 00:33:40,160

ended up he says that he got a copy of

676  
00:33:43,840 --> 00:33:42,230  
this document and then it was leaked on

677  
00:33:48,850 --> 00:33:43,850  
the Internet and we don't know who

678  
00:33:51,430 --> 00:33:48,860  
leaked it so we have a partial chain of

679  
00:33:53,440 --> 00:33:51,440  
custody on this and it's okay to say

680  
00:33:55,540 --> 00:33:53,450  
that we know certain things and we don't

681  
00:33:57,850 --> 00:33:55,550  
know certain things other things and

682  
00:34:12,970 --> 00:33:57,860  
that those still are subject to

683  
00:34:14,980 --> 00:34:12,980  
investigation yeah hello welcome to the

684  
00:34:18,730 --> 00:34:14,990  
paranormal UK radio network we're

685  
00:34:21,490 --> 00:34:18,740  
listening to Tom Whitmore and we've been

686  
00:34:24,930 --> 00:34:21,500  
covering the mj-12 documents etc and

687  
00:34:29,050 --> 00:34:24,940  
just in case you wonder where you were

688  
00:34:31,450 --> 00:34:29,060

anyway Tom we I'll be jump straight in

689

00:34:33,590 --> 00:34:31,460

and so you originally became interested

690

00:34:36,100 --> 00:34:33,600

in UFOs but you hadn't actually seen any

691

00:34:38,330 --> 00:34:36,110

do you actually believe in them yourself

692

00:34:40,280 --> 00:34:38,340

yes most definitely

693

00:34:42,170 --> 00:34:40,290

so yes you've got you seen enough

694

00:34:46,640 --> 00:34:42,180

evidence that makes you believe in them

695

00:34:49,700 --> 00:34:46,650

oh yes most very definitely there I I

696

00:34:52,340 --> 00:34:49,710

can't say for sure where they originate

697

00:34:54,470 --> 00:34:52,350

or what the ultimate nature of it is I

698

00:34:57,380 --> 00:34:54,480

don't know and you know we've all heard

699

00:35:01,700 --> 00:34:57,390

all the theories from extraterrestrial

700

00:35:02,630 --> 00:35:01,710

to interdimensional to offer us harassed

701  
00:35:05,270 --> 00:35:02,640  
real to you

702  
00:35:09,080 --> 00:35:05,280  
time travelers etc I mean it could be

703  
00:35:10,310 --> 00:35:09,090  
any and all of those could you know yes

704  
00:35:12,920 --> 00:35:10,320  
it could but it must

705  
00:35:15,890 --> 00:35:12,930  
there's definitely UFO a real UFO

706  
00:35:16,510 --> 00:35:15,900  
phenomena I'm absolutely convinced of

707  
00:35:20,150 --> 00:35:16,520  
that

708  
00:35:22,790 --> 00:35:20,160  
yeah have you got some sort of a drive

709  
00:35:27,530 --> 00:35:22,800  
mechanism that keeps you going in your

710  
00:35:30,500 --> 00:35:27,540  
interest in this yeah I'm saying you

711  
00:35:32,210 --> 00:35:30,510  
know it's it's an internal thing that

712  
00:35:35,990 --> 00:35:32,220  
wants you to get the to the truth in

713  
00:35:44,060 --> 00:35:36,000

this like yeah a lot many of us try to

714

00:35:45,890 --> 00:35:44,070

do you mean is there some is it the

715

00:35:53,030 --> 00:35:45,900

passion of it or just the interest or

716

00:35:56,420 --> 00:35:53,040

both well I think ultimately people are

717

00:35:59,560 --> 00:35:56,430

interested in the UFO problem in the

718

00:36:06,770 --> 00:35:59,570

phenomenon because it ultimately creates

719

00:36:10,790 --> 00:36:06,780

wonder and what can be more wonderful so

720

00:36:14,920 --> 00:36:10,800

to speak than to examine the possibility

721

00:36:17,390 --> 00:36:14,930

of this phenomenon originating possibly

722

00:36:20,180 --> 00:36:17,400

extraterrestrial or whatever origin

723

00:36:23,720 --> 00:36:20,190

montañas that there's that element of

724

00:36:26,120 --> 00:36:23,730

wonder secondly I've been in the UFO

725

00:36:29,150 --> 00:36:26,130

field long enough to know that this is a

726

00:36:34,970 --> 00:36:29,160

long-term problem there are no quick

727

00:36:39,080 --> 00:36:34,980

solutions and I and I've developed a

728

00:36:42,230 --> 00:36:39,090

sense of patience in this field and I

729

00:36:45,350 --> 00:36:42,240

believe that to be successful in the

730

00:36:47,300 --> 00:36:45,360

long term and studying UFOs consistently

731

00:36:49,850 --> 00:36:47,310

that we must

732

00:36:53,770 --> 00:36:49,860

the tolerance for ambiguity what can be

733

00:36:56,870 --> 00:36:53,780

more ambiguous than the UFO topic okay

734

00:36:59,180 --> 00:36:56,880

thirdly I'm fascinated by the

735

00:37:01,460 --> 00:36:59,190

possibility that that the government

736

00:37:05,390 --> 00:37:01,470

intelligence agencies taken interests in

737

00:37:08,810 --> 00:37:05,400

the UFO groups and we've seen we've seen

738

00:37:11,330 --> 00:37:08,820

evidence of those and if there are

739

00:37:14,720 --> 00:37:11,340

counterintelligence activities occurring

740

00:37:17,150 --> 00:37:14,730

in relationship to the UFO groups and

741

00:37:20,150 --> 00:37:17,160

UFO individuals I want to learn all I

742

00:37:21,920 --> 00:37:20,160

can about it that keeps me going sure

743

00:37:25,010 --> 00:37:21,930

oh no I guess that's how you see your

744

00:37:27,260 --> 00:37:25,020

role in ufology too to tell as many

745

00:37:30,880 --> 00:37:27,270

people as you can and write about it and

746

00:37:33,380 --> 00:37:30,890

hope you want to get this book out and

747

00:37:36,980 --> 00:37:33,390

basically get your your your side of

748

00:37:39,230 --> 00:37:36,990

things out and yeah hopefully back up

749

00:37:43,370 --> 00:37:39,240

the you've your beliefs in ufology a lot

750

00:37:45,260 --> 00:37:43,380

really my point yeah well point you I

751  
00:37:47,270 --> 00:37:45,270  
mean I wanna I want to write is either

752  
00:37:49,070 --> 00:37:47,280  
gonna be a report or a self-published

753  
00:37:51,560 --> 00:37:49,080  
book or maybe even a commercially

754  
00:37:55,970 --> 00:37:51,570  
published button if any one Brenna but

755  
00:37:58,700 --> 00:37:55,980  
the the basic theme is mj-12 a

756  
00:38:01,670 --> 00:37:58,710  
reappraisal because I think enough time

757  
00:38:04,880 --> 00:38:01,680  
has transpired you know this has been

758  
00:38:06,740 --> 00:38:04,890  
going on 40 years that we can we can

759  
00:38:10,360 --> 00:38:06,750  
really develop some historical

760  
00:38:13,460 --> 00:38:10,370  
perspective in this and I think with a

761  
00:38:16,310 --> 00:38:13,470  
reexamination that the facts of the

762  
00:38:19,100 --> 00:38:16,320  
people involved of the documents of the

763  
00:38:20,930 --> 00:38:19,110

activities that occurred I want to dig

764

00:38:23,360 --> 00:38:20,940

into this as far as I can David and

765

00:38:26,390 --> 00:38:23,370

hopefully turn up new ground turn up new

766

00:38:28,340 --> 00:38:26,400

material and in all of that I think we

767

00:38:31,430 --> 00:38:28,350

can't have a reappraisal of the mj-12

768

00:38:32,930 --> 00:38:31,440

affair and again like I said I think you

769

00:38:33,170 --> 00:38:32,940

know we'll let the chips fall where they

770

00:38:35,690 --> 00:38:33,180

may

771

00:38:38,960 --> 00:38:35,700

sure yes why what you think there's so

772

00:38:41,270 --> 00:38:38,970

many year divides in regarding the

773

00:38:43,730 --> 00:38:41,280

subjects of home UFOs and the

774

00:38:46,580 --> 00:38:43,740

implications for humanity sort of thing

775

00:38:48,650 --> 00:38:46,590

there seems to be a real hard deficient

776

00:38:50,750 --> 00:38:48,660

about people that if you're on a

777

00:38:53,600 --> 00:38:50,760

non-believer the non-believer seems to

778

00:38:56,900 --> 00:38:53,610

think that all the UFO believers and

779

00:38:58,250 --> 00:38:56,910

that's basically and the UFO believers

780

00:39:00,050 --> 00:38:58,260

think that all the ones that don't

781

00:39:02,050 --> 00:39:00,060

believe it they think in that's his kind

782

00:39:05,080 --> 00:39:02,060

of a pity

783

00:39:08,150 --> 00:39:05,090

well I know it's affected me because

784

00:39:11,690 --> 00:39:08,160

when I when I know that establishment

785

00:39:15,350 --> 00:39:11,700

science won't address the UFO problem

786

00:39:19,490 --> 00:39:15,360

that in itself makes me skeptical of

787

00:39:22,070 --> 00:39:19,500

establishment science yeah now you know

788

00:39:26,420 --> 00:39:22,080

hopefully not going too far with that

789

00:39:28,520 --> 00:39:26,430

notion but establishment science is made

790

00:39:29,960 --> 00:39:28,530

up of human beings and human beings

791

00:39:33,050 --> 00:39:29,970

aren't perfect and they have their

792

00:39:35,990 --> 00:39:33,060

issues and an establishment science you

793

00:39:38,420 --> 00:39:36,000

have dogma you have doctrine you have

794

00:39:42,500 --> 00:39:38,430

things that you can't question they've

795

00:39:44,990 --> 00:39:42,510

been that they've been asserted to the

796

00:39:47,270 --> 00:39:45,000

point that if you take a different

797

00:39:49,240 --> 00:39:47,280

approach

798

00:39:51,950 --> 00:39:49,250

maybe you don't get tenure of your

799

00:39:56,240 --> 00:39:51,960

university maybe you don't get along

800

00:39:59,000 --> 00:39:56,250

with your with your co-workers maybe

801  
00:40:02,360 --> 00:39:59,010  
maybe you don't get that promotion maybe

802  
00:40:04,850 --> 00:40:02,370  
you get fired you know so there are

803  
00:40:08,480 --> 00:40:04,860  
people that fall into line to whatever

804  
00:40:11,090 --> 00:40:08,490  
the establishment science doctrines and

805  
00:40:13,250 --> 00:40:11,100  
dogmas are and they don't step out of

806  
00:40:16,250 --> 00:40:13,260  
line and that's why you have this whole

807  
00:40:18,470 --> 00:40:16,260  
notion of an invisible college now there

808  
00:40:20,690 --> 00:40:18,480  
are scientists who are interested in the

809  
00:40:23,300 --> 00:40:20,700  
UFO problem but they've got a study at

810  
00:40:25,070 --> 00:40:23,310  
underground so to speak there's an

811  
00:40:27,500 --> 00:40:25,080  
undergrad and how many scientists I

812  
00:40:29,930 --> 00:40:27,510  
don't know that I think people in

813  
00:40:34,430 --> 00:40:29,940

general are a little more open-minded

814

00:40:36,620 --> 00:40:34,440

than maybe maybe maybe I think because

815

00:40:39,050 --> 00:40:36,630

of the experiences I've had in the UFO

816

00:40:41,770 --> 00:40:39,060

field that if if they're studying it

817

00:40:45,500 --> 00:40:41,780

they're doing it privately and quietly

818

00:40:49,840 --> 00:40:45,510

yeah well I think there's a lot of

819

00:40:52,070 --> 00:40:49,850

people that that if they report a UFO

820

00:40:54,950 --> 00:40:52,080

they're being classed as an

821

00:40:57,680 --> 00:40:54,960

attention-seeker or a hoaxer you know

822

00:40:59,690 --> 00:40:57,690

and or mentally ill even and I think

823

00:41:01,700 --> 00:40:59,700

that's quote I think a lot of that is

824

00:41:04,040 --> 00:41:01,710

actually being sort of pushed aside now

825

00:41:06,800 --> 00:41:04,050

on people are actually accepting more

826

00:41:08,570 --> 00:41:06,810

aren't they are believed anyway or they

827

00:41:10,100 --> 00:41:08,580

still I know there are still people out

828

00:41:11,920 --> 00:41:10,110

there that think of people that you

829

00:41:14,890 --> 00:41:11,930

believe in UFOs

830

00:41:17,200 --> 00:41:14,900

all that but when you think about it I

831

00:41:18,640 --> 00:41:17,210

mean with all of those styles that are

832

00:41:21,460 --> 00:41:18,650

out there it's got to be so they've got

833

00:41:22,780 --> 00:41:21,470

the other civilizations out there and

834

00:41:26,110 --> 00:41:22,790

probably as they've used in the past

835

00:41:27,430 --> 00:41:26,120

unreal so tomorrow I think in this note

836

00:41:30,400 --> 00:41:27,440

there's no reason why they can't be

837

00:41:36,970 --> 00:41:30,410

coming here or you know or we've got the

838

00:41:41,170 --> 00:41:36,980

interdimensional factor also so it's

839

00:41:45,430 --> 00:41:41,180

getting better you know there there had

840

00:41:49,930 --> 00:41:45,440

been a real effort by authorities to

841

00:41:53,340 --> 00:41:49,940

really clamp down on this airline pilots

842

00:41:56,320 --> 00:41:53,350

have been reluctant to report anything

843

00:41:58,480 --> 00:41:56,330

the military people had been reluctant

844

00:42:01,480 --> 00:41:58,490

to report anything it does help your

845

00:42:03,790 --> 00:42:01,490

career I don't know if that's because

846

00:42:05,740 --> 00:42:03,800

the military people don't want to deal

847

00:42:08,950 --> 00:42:05,750

with it you know they see it as an

848

00:42:12,040 --> 00:42:08,960

extraneous issue that's outside of their

849

00:42:16,690 --> 00:42:12,050

real job which is protecting national

850

00:42:19,870 --> 00:42:16,700

security or if there is some oversight

851

00:42:27,100 --> 00:42:19,880

and director direction you know to to

852

00:42:28,900 --> 00:42:27,110

avoid this this whole subject because

853

00:42:31,410 --> 00:42:28,910

Colonel Hall would this this whole thing

854

00:42:34,060 --> 00:42:31,420

affecting his career in Hindi air force

855

00:42:37,270 --> 00:42:34,070

and it was something he never wanted to

856

00:42:38,260 --> 00:42:37,280

come out but it just came out and and he

857

00:42:48,880 --> 00:42:38,270

was stabbed with it for the rest of his

858

00:42:50,530 --> 00:42:48,890

life yeah they're probably really don't

859

00:42:52,570 --> 00:42:50,540

want that story coming out he said it's

860

00:42:54,340 --> 00:42:52,580

a no he said to me a couple of times he

861

00:42:58,420 --> 00:42:54,350

said it was one of those things that I'd

862

00:43:01,000 --> 00:42:58,430

have rather if he can come out you know

863

00:43:02,950 --> 00:43:01,010

so what for sure so the disclosure

864

00:43:05,500 --> 00:43:02,960

movement you think we'll ever get real

865

00:43:06,820 --> 00:43:05,510

disclosure real I mean real disclosure I

866

00:43:07,900 --> 00:43:06,830

know that all these things coming out

867

00:43:11,440 --> 00:43:07,910

and we're not sure if they're true or

868

00:43:12,400 --> 00:43:11,450

not you know the prisoners are coming

869

00:43:13,420 --> 00:43:12,410

out and say right I've got an

870

00:43:16,780 --> 00:43:13,430

announcement to make

871

00:43:19,940 --> 00:43:16,790

we are we are not alone something like

872

00:43:24,529 --> 00:43:19,950

that do you think they'll ever happen I

873

00:43:27,079 --> 00:43:24,539

don't I do not end now and I said this

874

00:43:30,640 --> 00:43:27,089

before but the main question is if I

875

00:43:33,259 --> 00:43:30,650

have if there has been one or more

876

00:43:36,589 --> 00:43:33,269

saucers recovered and if there have been

877

00:43:41,089 --> 00:43:36,599

alien bodies if there is anything to

878

00:43:43,609 --> 00:43:41,099

that then I don't think there's going to

879

00:43:46,460 --> 00:43:43,619

be any disclosure real disclosure about

880

00:43:49,490 --> 00:43:46,470

it and the reason why is because it's

881

00:43:53,029 --> 00:43:49,500

been if it is true it's been kept under

882

00:43:56,150 --> 00:43:53,039

under wraps for seventy years and there

883

00:43:59,210 --> 00:43:56,160

has been a lot of lying going on and it

884

00:44:02,990 --> 00:43:59,220

was just like if there was if this ever

885

00:44:04,309 --> 00:44:03,000

was outed or became public there are

886

00:44:06,230 --> 00:44:04,319

some people that were gonna have to

887

00:44:08,210 --> 00:44:06,240

answer some very hard questions and

888

00:44:11,000 --> 00:44:08,220

they're gonna be in trouble okay

889

00:44:14,120 --> 00:44:11,010

and the if assuming it is true if it is

890

00:44:18,710 --> 00:44:14,130

true the people that are in control of

891

00:44:21,890 --> 00:44:18,720

this information they have no incentive

892

00:44:24,259 --> 00:44:21,900

to disclose it what they had nothing to

893

00:44:28,309 --> 00:44:24,269

gain because all its gonna do is cause

894

00:44:30,769 --> 00:44:28,319

problems for them and that's why I don't

895

00:44:34,190 --> 00:44:30,779

think there's going to be any out now

896

00:44:37,220 --> 00:44:34,200

disclosure now I do think currently just

897

00:44:40,069 --> 00:44:37,230

recently in the last 12 months we've

898

00:44:43,940 --> 00:44:40,079

been in a process of getting what I call

899

00:44:48,859 --> 00:44:43,950

soft confirmation and soft confirmation

900

00:44:51,559 --> 00:44:48,869

is where it has been acceptable to

901  
00:44:54,799 --> 00:44:51,569  
discuss UFOs publicly by the mainstream

902  
00:44:57,740 --> 00:44:54,809  
media and even by some of the military

903  
00:45:00,440 --> 00:44:57,750  
and congressional authorities so there's

904  
00:45:03,559 --> 00:45:00,450  
there's been there's been an inkling of

905  
00:45:06,289 --> 00:45:03,569  
some admission that maybe there's

906  
00:45:08,390 --> 00:45:06,299  
something to the UFO problem okay yeah

907  
00:45:10,999 --> 00:45:08,400  
but that's that's not what I call hard

908  
00:45:12,859 --> 00:45:11,009  
confirmation hard confirmation is when

909  
00:45:15,140 --> 00:45:12,869  
they roll out the b-2 bomber and they

910  
00:45:16,880 --> 00:45:15,150  
ever they have a ceremony and they have

911  
00:45:19,880 --> 00:45:16,890  
speeches and there's no doubt that there

912  
00:45:22,279 --> 00:45:19,890  
is a b-2 bomber okay and in hard

913  
00:45:24,890 --> 00:45:22,289

confirmation would in UFOs would be the

914

00:45:26,480 --> 00:45:24,900

Secretary of Defense coming out and

915

00:45:29,690 --> 00:45:26,490

having a press conference and saying

916

00:45:32,470 --> 00:45:29,700

this UFO problem is real we have tapes

917

00:45:34,420 --> 00:45:32,480

we have radar records we have films

918

00:45:38,710 --> 00:45:34,430

you know etc etc etc I don't think

919

00:45:41,440 --> 00:45:38,720

that's going to happen and that and for

920

00:45:43,870 --> 00:45:41,450

something for the average person who

921

00:45:45,940 --> 00:45:43,880

doesn't believe in the UFO problem and

922

00:45:49,570 --> 00:45:45,950

doesn't know anything about it it would

923

00:45:52,270 --> 00:45:49,580

be very hard to convince them that there

924

00:45:54,160 --> 00:45:52,280

are a real crashed UFOs and there are

925

00:45:56,109 --> 00:45:54,170

real alien bodies it's almost like you'd

926

00:45:59,440 --> 00:45:56,119

have to put them on display in the

927

00:46:02,230 --> 00:45:59,450

Smithsonian or on the Washington DC mall

928

00:46:05,200 --> 00:46:02,240

and let that let the masses file past

929

00:46:07,540 --> 00:46:05,210

you know I'll pass the the saucers of

930

00:46:09,460 --> 00:46:07,550

the bodies you know that's the kind of

931

00:46:12,160 --> 00:46:09,470

hard confirmation that is really

932

00:46:14,680 --> 00:46:12,170

necessary for this UFO problem to really

933

00:46:17,020 --> 00:46:14,690

truly be accepted by the media by

934

00:46:19,060 --> 00:46:17,030

academia by government by military

935

00:46:20,950 --> 00:46:19,070

support center now I just don't think

936

00:46:23,020 --> 00:46:20,960

that's gonna happen it is felt to be

937

00:46:24,700 --> 00:46:23,030

some questions being asked about why

938

00:46:31,450 --> 00:46:24,710

have you covered light source over all

939

00:46:34,180 --> 00:46:31,460

these years yeah it certainly and so

940

00:46:36,460 --> 00:46:34,190

what are we left with you know we we

941

00:46:38,710 --> 00:46:36,470

have what I think in in the intelligence

942

00:46:42,160 --> 00:46:38,720

community and even in the financial

943

00:46:45,490 --> 00:46:42,170

world that is known as as a mosaic it's

944

00:46:47,980 --> 00:46:45,500

like a it's like a jigsaw puzzle we have

945

00:46:54,220 --> 00:46:47,990

certain pieces that we can be fairly

946

00:46:55,720 --> 00:46:54,230

sure our indicators of reality and we

947

00:46:58,660 --> 00:46:55,730

also have a lot of missing information

948

00:47:01,780 --> 00:46:58,670

so I think as UFO researchers and

949

00:47:05,020 --> 00:47:01,790

investigators we're reduced

950

00:47:07,690 --> 00:47:05,030

we're reduced to having to put together

951

00:47:10,359 --> 00:47:07,700

a mosaic and it requires a lot of

952

00:47:14,470 --> 00:47:10,369

patience and it requires a tolerance for

953

00:47:16,900 --> 00:47:14,480

ambiguity yeah have you idea for anyone

954

00:47:18,880 --> 00:47:16,910

what because video in their own UFO

955

00:47:21,790 --> 00:47:18,890

investigations or revert research in the

956

00:47:30,099 --> 00:47:21,800

field what would you say to them anyone

957

00:47:34,420 --> 00:47:30,109

wants to start out well I would give

958

00:47:37,480 --> 00:47:34,430

this advice to new investigators you

959

00:47:41,980 --> 00:47:37,490

want and I know I realize I'm plugging

960

00:47:46,099 --> 00:47:41,990

move on here but this is truth about the

961

00:47:48,920 --> 00:47:46,109

best most reliable most thorough

962

00:47:51,289 --> 00:47:48,930

most methodical manual on field

963

00:47:55,009 --> 00:47:51,299

investigation is the MUFON field

964

00:47:58,190 --> 00:47:55,019

investigators manual okay now like I've

965

00:48:02,059 --> 00:47:58,200

got a copy of it here in my house it is

966

00:48:04,039 --> 00:48:02,069

excellent so I would advise and this has

967

00:48:07,430 --> 00:48:04,049

been put together David over many years

968

00:48:09,680 --> 00:48:07,440

and Yvonne's been it's fifty years so we

969

00:48:12,769 --> 00:48:09,690

know we do know a thing or two about UFO

970

00:48:16,039 --> 00:48:12,779

investigation and I would advise anyone

971

00:48:20,239 --> 00:48:16,049

that wants to be an investigator to join

972

00:48:22,309 --> 00:48:20,249

move on and get a copy the of the field

973

00:48:24,380 --> 00:48:22,319

investigators manual and pass the exam

974

00:48:26,479 --> 00:48:24,390

now you don't have to do it that way you

975

00:48:28,729 --> 00:48:26,489

can go to the library or you can go to

976  
00:48:32,180 --> 00:48:28,739  
Amazon or go on the internet and there

977  
00:48:33,769 --> 00:48:32,190  
are books on UFO investigations on field

978  
00:48:36,680 --> 00:48:33,779  
investigations and you can put together

979  
00:48:38,630 --> 00:48:36,690  
your own little program now there there

980  
00:48:41,839 --> 00:48:38,640  
are two ways to go about it you can you

981  
00:48:43,849 --> 00:48:41,849  
can join move on and get into the MUFON

982  
00:48:47,089 --> 00:48:43,859  
Network and there are local groups

983  
00:48:48,859 --> 00:48:47,099  
they're called state sections and we

984  
00:48:52,729 --> 00:48:48,869  
have state directors and you can get

985  
00:48:55,579 --> 00:48:52,739  
into the MUFON system and hopefully be

986  
00:48:58,009 --> 00:48:55,589  
assigned cases and start doing cases

987  
00:48:59,870 --> 00:48:58,019  
that way the other way to do it is like

988  
00:49:02,470 --> 00:48:59,880

I said go to the library or get books

989

00:49:06,460 --> 00:49:02,480

from Amazon and study field investigator

990

00:49:08,839 --> 00:49:06,470

training and then become start

991

00:49:09,710 --> 00:49:08,849

investigating sightings and build your

992

00:49:13,130 --> 00:49:09,720

own case file

993

00:49:14,749 --> 00:49:13,140

privately ok Jordan now I would advise

994

00:49:16,579 --> 00:49:14,759

anyone getting into field an

995

00:49:17,749 --> 00:49:16,589

investigation to not spend a lot of

996

00:49:20,359 --> 00:49:17,759

money on equipment

997

00:49:22,130 --> 00:49:20,369

you know like cameras and Geiger

998

00:49:24,910 --> 00:49:22,140

counters and all this stuff

999

00:49:29,660 --> 00:49:24,920

the reason why I say that is because

1000

00:49:32,720 --> 00:49:29,670

and and here's a truism in the UFO field

1001

00:49:35,029 --> 00:49:32,730

investigation statement the vast vast

1002

00:49:36,799 --> 00:49:35,039

majority of information that you're

1003

00:49:39,349 --> 00:49:36,809

going to get in conducting field

1004

00:49:42,259 --> 00:49:39,359

investigations is witness testimony or

1005

00:49:44,599 --> 00:49:42,269

you you will get very little physical

1006

00:49:46,940 --> 00:49:44,609

evidence now I'm not saying you will

1007

00:49:48,170 --> 00:49:46,950

never get any I mean it's possible you

1008

00:49:49,910 --> 00:49:48,180

know somebody could have something

1009

00:49:52,640 --> 00:49:49,920

happen and and all sudden you have

1010

00:49:55,279 --> 00:49:52,650

physical evidence and that's fine okay

1011

00:49:57,920 --> 00:49:55,289

but in the vast majority of cases all

1012

00:49:59,470 --> 00:49:57,930

you have is witness testimony so you

1013

00:50:05,120 --> 00:49:59,480

want to develop skill

1014

00:50:07,279 --> 00:50:05,130

in interviewing the witness and in my

1015

00:50:10,839 --> 00:50:07,289

humble opinion the most important thing

1016

00:50:13,640 --> 00:50:10,849

to do in interviewing the witness is

1017

00:50:16,309 --> 00:50:13,650

asking the right kinds of questions and

1018

00:50:19,940 --> 00:50:16,319

sitting back and listening and let the

1019

00:50:23,960 --> 00:50:19,950

witness talk okay without me without

1020

00:50:26,210 --> 00:50:23,970

providing leading questions etc etc and

1021

00:50:30,279 --> 00:50:26,220

in interviewing the witness and then

1022

00:50:35,539 --> 00:50:32,809

David in this day of in this day and age

1023

00:50:37,250 --> 00:50:35,549

if everyone's got mobile phones even now

1024

00:50:38,599 --> 00:50:37,260

we're not sure what we're looking at on

1025

00:50:41,240 --> 00:50:38,609

the Internet are we though with the use

1026

00:50:44,720 --> 00:50:41,250

of UFOs but is that true or is it not

1027

00:50:47,299 --> 00:50:44,730

true you know there's so many fakes out

1028

00:50:48,710 --> 00:50:47,309

there that you can't rely on any films

1029

00:50:50,839 --> 00:50:48,720

will teach that you might be shown I

1030

00:50:52,519 --> 00:50:50,849

think that's why I think that's the

1031

00:50:54,109 --> 00:50:52,529

important factor that so these to be

1032

00:50:55,760 --> 00:50:54,119

pointed out so you're important going

1033

00:50:59,269 --> 00:50:55,770

out there that there's a lot of fakes

1034

00:51:01,819 --> 00:50:59,279

out there there's a lot of fakes and you

1035

00:51:04,609 --> 00:51:01,829

can run your own little tax tests next

1036

00:51:06,470 --> 00:51:04,619

time you see a jet airplane flying by

1037

00:51:09,650 --> 00:51:06,480

and I'll stay in the landing pattern

1038

00:51:11,599 --> 00:51:09,660

that's fairly far away take out your

1039

00:51:13,490 --> 00:51:11,609

phone and take a picture and then look

1040

00:51:16,339 --> 00:51:13,500

at it later and see how much you know

1041

00:51:18,650 --> 00:51:16,349

how clear does the plane look to you can

1042

00:51:20,930 --> 00:51:18,660

you clearly identify it as an airplane

1043

00:51:23,480 --> 00:51:20,940

I beg you and a lot of instances that

1044

00:51:25,990 --> 00:51:23,490

you'd have a hard time even identifying

1045

00:51:28,640 --> 00:51:26,000

it as an airplane much less the c200

1046

00:51:31,730 --> 00:51:28,650

coffee house boats don't you that you

1047

00:51:34,789 --> 00:51:31,740

know even like with these sometimes if

1048

00:51:36,200 --> 00:51:34,799

they're in flight and you know people

1049

00:51:37,880 --> 00:51:36,210

say well there are all these cellphones

1050

00:51:40,220 --> 00:51:37,890

you know why doesn't somebody have a

1051  
00:51:42,019 --> 00:51:40,230  
good photograph of you but I mean that's

1052  
00:51:45,170 --> 00:51:42,029  
true there are a lot of cell phones but

1053  
00:51:48,049 --> 00:51:45,180  
you know like like I'll ride my bike on

1054  
00:51:49,970 --> 00:51:48,059  
these greenways these parks in town and

1055  
00:51:52,970 --> 00:51:49,980  
there will be deer or there will be

1056  
00:51:54,680 --> 00:51:52,980  
Birds etc and I'll pull out my phone by

1057  
00:52:00,710 --> 00:51:54,690  
the time I get my phone at night I'm

1058  
00:52:02,720 --> 00:52:00,720  
ready to press the button but that's the

1059  
00:52:05,000 --> 00:52:02,730  
way I mean those are even worse and

1060  
00:52:09,079 --> 00:52:05,010  
that's that's a big problem David

1061  
00:52:10,790 --> 00:52:09,089  
because people say well there's not

1062  
00:52:13,520 --> 00:52:10,800  
enough scientific investigator

1063  
00:52:15,290 --> 00:52:13,530

being done in the UFO field but there's

1064

00:52:17,570 --> 00:52:15,300

a real problem because you don't know

1065

00:52:20,240 --> 00:52:17,580

when you're gonna see UFO you don't know

1066

00:52:22,250 --> 00:52:20,250

where you're gonna see if UFO you don't

1067

00:52:25,250 --> 00:52:22,260

know under what circumstances you're

1068

00:52:28,520 --> 00:52:25,260

going to see it UFO I mean in order to

1069

00:52:29,930 --> 00:52:28,530

even start to do science for one thing

1070

00:52:32,060 --> 00:52:29,940

you have to have something you can

1071

00:52:34,430 --> 00:52:32,070

measure and secondly you have to have

1072

00:52:36,350 --> 00:52:34,440

some control of the conditions over

1073

00:52:38,420 --> 00:52:36,360

which you can study it and neither of

1074

00:52:39,440 --> 00:52:38,430

those conditions exists in the UFO

1075

00:52:41,660 --> 00:52:39,450

problem exactly

1076

00:52:44,090 --> 00:52:41,670

yeah what are your feelings on the

1077

00:52:49,660 --> 00:52:44,100

abductees yeah like the Travis Walton

1078

00:52:58,540 --> 00:52:55,420

yeah Travis Walton case does not fit the

1079

00:53:02,060 --> 00:52:58,550

kind of standard mold of the UFO

1080

00:53:05,840 --> 00:53:02,070

abduction scenario but the Travis Walton

1081

00:53:08,600 --> 00:53:05,850

case is fascinating and think the things

1082

00:53:13,700 --> 00:53:08,610

that occurred and have been extremely

1083

00:53:16,370 --> 00:53:13,710

interesting I think I believe has had

1084

00:53:19,340 --> 00:53:16,380

a profound effect on Travis Waltons life

1085

00:53:22,480 --> 00:53:19,350

and to this day he's still he's still

1086

00:53:25,370 --> 00:53:22,490

telling that story I don't have any

1087

00:53:27,410 --> 00:53:25,380

trouble believing you know even though

1088

00:53:29,720 --> 00:53:27,420

again you know do we ever really know

1089

00:53:33,820 --> 00:53:29,730

whether something actually happened or

1090

00:53:37,850 --> 00:53:33,830

is true now with the UFO abductions

1091

00:53:40,970 --> 00:53:37,860

there have been so many reports and so

1092

00:53:42,890 --> 00:53:40,980

many claims by individuals and their

1093

00:53:45,710 --> 00:53:42,900

lives have been affected they've been

1094

00:53:47,840 --> 00:53:45,720

affected psychologically and they've

1095

00:53:49,400 --> 00:53:47,850

been affected physically there's been so

1096

00:53:51,950 --> 00:53:49,410

much of that that I don't think you

1097

00:53:56,540 --> 00:53:51,960

could write off the UFO abduction

1098

00:53:58,610 --> 00:53:56,550

problem and that now there is there are

1099

00:54:01,600 --> 00:53:58,620

some claims there are some notions that

1100

00:54:04,870 --> 00:54:01,610

maybe there's some kind of nefarious

1101  
00:54:07,250 --> 00:54:04,880  
military government mind-control

1102  
00:54:13,100 --> 00:54:07,260  
activities going on you know it is

1103  
00:54:15,350 --> 00:54:13,110  
certainly a possibility but overall I'm

1104  
00:54:18,050 --> 00:54:15,360  
convinced that that some kind of

1105  
00:54:20,150 --> 00:54:18,060  
abduction phenomenon is occurring surely

1106  
00:54:21,799 --> 00:54:20,160  
because merely because of the sheer

1107  
00:54:24,469 --> 00:54:21,809  
number of reports that

1108  
00:54:26,239 --> 00:54:24,479  
sure yeah what about I mean I actually

1109  
00:54:27,589 --> 00:54:26,249  
believe her and Travis Walton story I've

1110  
00:54:29,660 --> 00:54:27,599  
met him a couple of times and I think

1111  
00:54:33,289 --> 00:54:29,670  
he's very convincing is that is a

1112  
00:54:34,849 --> 00:54:33,299  
absolute gentleman and I just don't see

1113  
00:54:39,890 --> 00:54:34,859

him as a lawyer you know it just has to

1114

00:54:41,870 --> 00:54:39,900

come over as a lawyer we could all be

1115

00:54:45,650 --> 00:54:41,880

open to be taken Ino no I've been taking

1116

00:54:47,359 --> 00:54:45,660

him put a few times but personally I'll

1117

00:54:49,279 --> 00:54:47,369

believe him anyway I mean the fact that

1118

00:54:50,630 --> 00:54:49,289

he went missing for four days who's one

1119

00:54:53,120 --> 00:54:50,640

of the suspects is I mean where would he

1120

00:54:55,839 --> 00:54:53,130

have gone to full-face you know and and

1121

00:54:59,479 --> 00:54:55,849

these friends were accused of murder so

1122

00:55:03,829 --> 00:54:59,489

well and and you know your quote-unquote

1123

00:55:06,920 --> 00:55:03,839

typical abductee experiences something

1124

00:55:09,709 --> 00:55:06,930

that is developed into occurring at

1125

00:55:13,189 --> 00:55:09,719

night ain't on whatever happens you know

1126

00:55:16,189 --> 00:55:13,199

the person if they ever left their

1127

00:55:18,349 --> 00:55:16,199

bedroom you know they're returned that

1128

00:55:20,989 --> 00:55:18,359

same night and you know they wake up

1129

00:55:24,559 --> 00:55:20,999

with with strange sensations and so on

1130

00:55:27,799 --> 00:55:24,569

so but in Travis Waltons case assuming

1131

00:55:30,410 --> 00:55:27,809

that that the case that's been recounted

1132

00:55:32,479 --> 00:55:30,420

is is true as told he was physically

1133

00:55:35,630 --> 00:55:32,489

missing for that time that for that time

1134

00:55:37,370 --> 00:55:35,640

period that doesn't fit the mold and but

1135

00:55:40,370 --> 00:55:37,380

at the same time it's extremely

1136

00:55:42,620 --> 00:55:40,380

interesting and especially with his

1137

00:55:44,630 --> 00:55:42,630

recounting being in some kind of

1138

00:55:47,120 --> 00:55:44,640

underground facility that's extremely

1139

00:55:49,009 --> 00:55:47,130

interesting yeah I think he theory is

1140

00:55:50,419 --> 00:55:49,019

that they may well have been trying to

1141

00:55:52,239 --> 00:55:50,429

save his life because he got too close

1142

00:55:55,849 --> 00:55:52,249

to the craft and it made weather firm

1143

00:55:57,890 --> 00:55:55,859

affected him in some way you know well

1144

00:56:00,769 --> 00:55:57,900

and that could explain why his story

1145

00:56:05,359 --> 00:56:00,779

doesn't really fit the average you know

1146

00:56:08,829 --> 00:56:05,369

the average narrative hmm yeah what

1147

00:56:13,370 --> 00:56:08,839

about if you hear people with implants

1148

00:56:16,249 --> 00:56:13,380

what's your opinion of that well again

1149

00:56:20,209 --> 00:56:16,259

it's just report after report after

1150

00:56:22,719 --> 00:56:20,219

report and it's frustrating because I

1151

00:56:26,809 --> 00:56:22,729

don't know if there have ever actually

1152

00:56:28,939 --> 00:56:26,819

been more than just one or two implants

1153

00:56:31,519 --> 00:56:28,949

that have actually been retrieved and

1154

00:56:32,550 --> 00:56:31,529

analyzed I don't know if many cases

1155

00:56:36,300 --> 00:56:32,560

where they have been

1156

00:56:38,100 --> 00:56:36,310

so that's that's a that's a concern but

1157

00:56:40,170 --> 00:56:38,110

at the same time I you know you hear

1158

00:56:42,750 --> 00:56:40,180

these stories of the implants physically

1159

00:56:47,780 --> 00:56:42,760

moving you know when people try to

1160

00:56:52,020 --> 00:56:47,790

remove them there are these cases of the

1161

00:56:54,420 --> 00:56:52,030

implanted pregnancy syndrome and then

1162

00:56:57,930 --> 00:56:54,430

the fetus goes away and the doctor just

1163

00:57:01,500 --> 00:56:57,940

shrug those shoulders you know women

1164

00:57:03,480 --> 00:57:01,510

women reporting these these pregnancies

1165

00:57:05,640 --> 00:57:03,490

to doctors than the doctors not believe

1166

00:57:10,320 --> 00:57:05,650

him because it doesn't fit their their

1167

00:57:12,720 --> 00:57:10,330

paradigm so they're there in terms of

1168

00:57:15,990 --> 00:57:12,730

getting to any real facts about it it's

1169

00:57:20,820 --> 00:57:16,000

a very problematic for us

1170

00:57:22,440 --> 00:57:20,830

civilian amateur type investigators but

1171

00:57:25,350 --> 00:57:22,450

there have been just far too many

1172

00:57:28,380 --> 00:57:25,360

reports of implants and suspected

1173

00:57:30,540 --> 00:57:28,390

implants for it to just be ignored yeah

1174

00:57:33,330 --> 00:57:30,550

and you don't think to find that most

1175

00:57:35,130 --> 00:57:33,340

people say they've got implants or they

1176

00:57:36,660 --> 00:57:35,140

think they're going plants don't want

1177

00:57:38,970 --> 00:57:36,670

the remove do they because I think he

1178

00:57:43,650 --> 00:57:38,980

may will affect something to do with

1179

00:57:44,880 --> 00:57:43,660

their own physical body yeah I think I

1180

00:57:46,350 --> 00:57:44,890

don't actually know a couple of people

1181

00:57:49,920 --> 00:57:46,360

that say they've got implants and I

1182

00:57:52,140 --> 00:57:49,930

don't disbelieve them in fact so the

1183

00:57:54,840 --> 00:57:52,150

friend of one it was just telling me the

1184

00:57:56,610 --> 00:57:54,850

other day for the Kinsella is actually

1185

00:58:00,090 --> 00:57:56,620

had it medically examined and actually

1186

00:58:01,050 --> 00:58:00,100

the doctor said if you've been abducted

1187

00:58:02,940 --> 00:58:01,060

by aliens

1188

00:58:04,710 --> 00:58:02,950

because it was actually behind his ear

1189

00:58:09,320 --> 00:58:04,720

and it's actually got like a crystal or

1190

00:58:12,210 --> 00:58:09,330

and stuff on it so it's pretty weird

1191

00:58:15,150 --> 00:58:12,220

yeah yeah it's weird and I think some

1192

00:58:16,800 --> 00:58:15,160

people want them removed and maybe some

1193

00:58:24,630 --> 00:58:16,810

others don't maybe they think it's doing

1194

00:58:26,250 --> 00:58:24,640

them good have you got so how many radio

1195

00:58:27,870 --> 00:58:26,260

shows have you done so far in the state

1196

00:58:32,000 --> 00:58:27,880

she's done quite a few recently I

1197

00:58:34,740 --> 00:58:32,010

believe in you well there's one radio

1198

00:58:38,190 --> 00:58:34,750

program I've been on three times since

1199

00:58:42,720 --> 00:58:38,200

the beginning of the year and I've also

1200

00:58:45,170 --> 00:58:42,730

done let's see three others so I think

1201

00:58:48,180 --> 00:58:45,180

this is this will be

1202

00:58:50,600 --> 00:58:48,190

c34 this may be the fifth one that I've

1203

00:58:52,380 --> 00:58:50,610

been on this shoe

1204

00:58:56,940 --> 00:58:52,390

enjoying it immensely

1205

00:58:58,830 --> 00:58:56,950

I appreciate this be great actual fact

1206

00:59:00,840 --> 00:58:58,840

what I'll do a little circuit and I'll

1207

00:59:03,000 --> 00:59:00,850

put links to those other shows on so

1208

00:59:05,460 --> 00:59:03,010

I've got a the Paramore paranormal

1209

00:59:07,650 --> 00:59:05,470

dimensions page on Facebook if anyone

1210

00:59:12,900 --> 00:59:07,660

was to come and find it I'll put some

1211

00:59:17,430 --> 00:59:12,910

links on there so Tom's shows and

1212

00:59:19,200 --> 00:59:17,440

interviews he's done and if you want to

1213

00:59:21,540 --> 00:59:19,210

send me anything tom that might be of

1214

00:59:23,820 --> 00:59:21,550

interest I can put on the pace in most

1215

00:59:25,170 --> 00:59:23,830

welcome if you add your book I could put

1216

00:59:26,910 --> 00:59:25,180

you could emphasize your book for you

1217

00:59:31,800 --> 00:59:26,920

but it's not out yet so look I'll do

1218

00:59:33,870 --> 00:59:31,810

that for you quite there yet so if

1219

00:59:35,250 --> 00:59:33,880

you've got any papers or notes and

1220

00:59:39,510 --> 00:59:35,260

things you'd like me to put up I can do

1221

00:59:42,240 --> 00:59:39,520

that okay okay thank you very much

1222

00:59:46,470 --> 00:59:42,250

but I've been assembled the links to all

1223

00:59:48,060 --> 00:59:46,480

those anyway so I'll send them great

1224

00:59:50,130 --> 00:59:48,070

talking to you I think we have to warn

1225

00:59:51,630 --> 00:59:50,140

you out there because I know they're a

1226

00:59:53,910 --> 00:59:51,640

bit more flexible there with this show

1227

00:59:56,340 --> 00:59:53,920

but there's still when I make it to run

1228

00:59:58,650 --> 00:59:56,350

about an hour well we better do it under

1229

01:00:00,570 --> 00:59:58,660

an hour before but we're sort of just a

1230

01:00:03,150 --> 01:00:00,580

little bit more flexible now because it

1231

01:00:05,490 --> 01:00:03,160

goes out in a different format so but

1232

01:00:07,770 --> 01:00:05,500

anyway Tom okay fantastic talking to you

1233

01:00:11,070 --> 01:00:07,780

and Debbie get keep in touch you know

1234

01:00:13,980 --> 01:00:11,080

where I am now and the I certainly will

1235

01:00:15,060 --> 01:00:13,990

be getting back to you and fold out here

1236

01:00:16,800 --> 01:00:15,070

you get it on there everything because I

1237

01:00:21,060 --> 01:00:16,810

understand you're moving in a moment or

1238

01:00:23,220 --> 01:00:21,070

trying to move yes sir yes sir I'm gonna

1239

01:00:24,930 --> 01:00:23,230

my intention is to move to Washington DC

1240

01:00:26,760 --> 01:00:24,940

so that I can do research at the

1241

01:00:36,540 --> 01:00:26,770

National Archives will you be living

1242

01:00:41,700 --> 01:00:36,550
