Paranormal Dimensions - Caz Clarke and Gari Jones - The Pentyrch Incident

1
00:00:04,550 --> 00:00:02,149
paranormal dimensions is a regular

2
00:00:06,869 --> 00:00:04,560
feature on mondays on the paranormal uk

3
00:00:09,030 --> 00:00:06,879
radio network any opinions or comments

4
00:00:10,950 --> 00:00:09,040
made by any guest are their own and they

5
00:00:13,430 --> 00:00:10,960
do not necessarily reflect any of the

6
00:00:17,349 --> 00:00:13,440
presenters or networks opinions

7
00:00:18,630 --> 00:00:17,359
it is my firm opinion that these

8
00:00:22,550 --> 00:00:18,640
sightings

9
00:00:23,990 --> 00:00:22,560
should be investigated most meticulously

10
00:00:26,790 --> 00:00:24,000
you don't believe that these flying

11
00:00:30,630 --> 00:00:26,800
saucers actually exist to you and how

12
00:00:32,950 --> 00:00:30,640
can you be so certain they don't mr chap

13
00:00:37,350 --> 00:00:32,960

well i i just don't believe it

14

00:00:41,350 --> 00:00:37,360

our minds should be open on all subjects

15

00:00:45,270 --> 00:00:41,360

wrong conclusions are usually the result

16

00:00:54,740 --> 00:00:45,280

of lack of comprehensive analysis

17

00:00:54,750 --> 00:01:16,390

[Music]

18

00:01:16,400 --> 00:01:21,640

foreign

00:02:22,949 --> 00:02:20,800
so just before that um thank you for all

36
00:02:24,150 --> 00:02:22,959
the emails that you send and if you

37
00:02:26,750 --> 00:02:24,160
would like to get in touch with me

anytime it's david young 2qn at

39

00:02:32,190 --> 00:02:29,040

yahoo.com uk

40

00:02:34,390 --> 00:02:32,200

that's david young 2qn at

41

00:02:37,030 --> 00:02:34,400

yahoo.com uk

42

00:02:39,589 --> 00:02:37,040

ok i shall now bring sasha back home

43

00:02:40,949 --> 00:02:39,599

hello sasha how are you doing

44

00:02:42,790 --> 00:02:40,959

all right mate

45

00:02:42,990 --> 00:02:42,800

all right oh you're taking me now aren't

46

00:02:45,190 --> 00:02:43,000

you

47

00:02:47,190 --> 00:02:45,200

[Laughter]

48

00:02:49,589 --> 00:02:47,200

you normally

49

00:02:51,750 --> 00:02:49,599

yeah pretty mental today

50

00:02:54,630 --> 00:02:51,760

you're all right so your everything's

51
00:02:56,070 --> 00:02:54,640
all running all right out there is it

52
00:02:58,470 --> 00:02:56,080
i wouldn't know i haven't been paying

53
00:03:00,790 --> 00:02:58,480
attention yeah i would be a bit like me

54
00:03:02,869 --> 00:03:00,800
down here then really

55
00:03:05,670 --> 00:03:02,879
yeah i'm just trying to read like at the

56
00:03:08,149 --> 00:03:05,680
moment because uh you know i'm a little

57
00:03:09,750 --> 00:03:08,159
bit unpredictable even for me so i'm

58
00:03:12,949 --> 00:03:09,760
just trying to say i'm staying off

59
00:03:14,710 --> 00:03:12,959
social media too easily triggered

60
00:03:16,790 --> 00:03:14,720
and uh i mean i might be right about

61
00:03:19,190 --> 00:03:16,800
what i'm saying but you know it's just

62
00:03:20,869 --> 00:03:19,200
like you don't feel like that's um

63
00:03:25,190 --> 00:03:20,879

yeah i know i know exactly what you mean

64

00:03:27,110 --> 00:03:25,200

i i i just try to avoid talk with any

65

00:03:29,110 --> 00:03:27,120

of what you should recall with arguments

66

00:03:31,190 --> 00:03:29,120

or sort of disagreements yeah i just

67

00:03:32,869 --> 00:03:31,200

sort of do what i do and

68

00:03:34,070 --> 00:03:32,879

just sort of yeah i mean i don't know

69

00:03:35,509 --> 00:03:34,080

what i do

70

00:03:37,110 --> 00:03:35,519

if you i just thought don't take your

71

00:03:38,869 --> 00:03:37,120

notes off anything

72

00:03:40,390 --> 00:03:38,879

really

73

00:03:53,350 --> 00:03:40,400

same as no people don't take your notes

74

00:03:57,270 --> 00:03:54,630

yesterday when we took the dogs out

75

00:04:01,190 --> 00:03:59,110

the sun was out we took the dogs out we

76

00:04:03,670 --> 00:04:01,200

were absolutely trenched

77

00:04:05,350 --> 00:04:03,680

yeah yeah it's been bad here and but

78

00:04:06,630 --> 00:04:05,360

it's been really warm as well and i hate

79

00:04:07,509 --> 00:04:06,640

that

80

00:04:08,949 --> 00:04:07,519

oh

81

00:04:11,429 --> 00:04:08,959

yeah it's been we've had some really

82

00:04:13,190 --> 00:04:11,439

warm weather yeah oh britain has got the

83

00:04:15,190 --> 00:04:13,200

sense of humor that it has got that

84

00:04:17,909 --> 00:04:15,200

ironic sarcastic sense of humor because

85

00:04:19,990 --> 00:04:17,919

of the weather i know i mean i'm pretty

86

00:04:24,070 --> 00:04:20,000

sure that found this affection

87

00:04:25,909 --> 00:04:24,080

yes september's been better than august

88

00:04:27,350 --> 00:04:25,919

and and to be honest i think we're

89

00:04:29,590 --> 00:04:27,360

heading into october which is going to

90

00:04:31,510 --> 00:04:29,600

be better than augusta

91

00:04:33,030 --> 00:04:31,520

it's still pretty wild as well yeah mind

92

00:04:34,790 --> 00:04:33,040

you saying that i did put the heating on

93

00:04:35,909 --> 00:04:34,800

for 10 minutes

94

00:04:37,749 --> 00:04:35,919

yeah i know

95

00:04:42,310 --> 00:04:37,759

good job i was like yeah i'm not quite

96

00:04:47,110 --> 00:04:44,950

anyway tonight is we've got cass clark

97

00:04:50,230 --> 00:04:47,120

again we had castle

98

00:04:51,749 --> 00:04:50,240

on the 26th of april which which to be

99

00:04:54,469 --> 00:04:51,759

honest does it stand there does it seem

100

00:05:02,390 --> 00:04:54,479

that they will go to you um sasha that

101
00:05:05,430 --> 00:05:04,070
it seems like it was only a couple of

102
00:05:07,590 --> 00:05:05,440
months ago but when i looked i'll be the

103
00:05:09,189 --> 00:05:07,600
bloke it was 26th of april and at that

104
00:05:11,990 --> 00:05:09,199
time we said oh we're going to get kez

105
00:05:14,150 --> 00:05:12,000
and gary on and since then a few other

106
00:05:16,710 --> 00:05:14,160
things have happened and um

107
00:05:18,710 --> 00:05:16,720
and of course the book is out now so

108
00:05:20,230 --> 00:05:18,720
um hopefully we're going to talk quite a

109
00:05:22,550 --> 00:05:20,240
bit about that

110
00:05:24,150 --> 00:05:22,560
so yeah yeah

111
00:05:26,230 --> 00:05:24,160
i think we ought to sort of waste no

112
00:05:27,350 --> 00:05:26,240
more time and get casual gary in shall

113
00:05:30,710 --> 00:05:27,360

we

114

00:05:32,310 --> 00:05:30,720

come on in from the outside yeah okay

115

00:05:34,710 --> 00:05:32,320

welcome to the show

116

00:05:35,909 --> 00:05:34,720

cass clock and gary jones

117

00:05:36,870 --> 00:05:35,919

how you doing

118

00:05:41,590 --> 00:05:36,880

hi

119

00:05:45,189 --> 00:05:43,430

well yes

120

00:05:46,710 --> 00:05:45,199

this is listening to sasha and i we were

121

00:05:48,469 --> 00:05:46,720

just talking you've got your book out

122

00:05:50,830 --> 00:05:48,479

now after the uh

123

00:05:53,029 --> 00:05:50,840

like a few months ago we had cass on and

124

00:05:54,790 --> 00:05:53,039

um you know

125

00:05:56,390 --> 00:05:54,800

time seems to have flown

126

00:05:57,990 --> 00:05:56,400

but i know at the time cares there was

127

00:05:59,270 --> 00:05:58,000

something going on that you couldn't say

128

00:06:02,469 --> 00:05:59,280

too much about

129

00:06:04,790 --> 00:06:02,479

um is all that in the book now

130

00:06:06,390 --> 00:06:04,800

yes the majority of it is this is phase

131

00:06:07,510 --> 00:06:06,400

one of the investigation

132

00:06:09,670 --> 00:06:07,520

complete

133

00:06:10,950 --> 00:06:09,680

we're well into phase two which is going

134

00:06:13,749 --> 00:06:10,960

really well

135

00:06:15,909 --> 00:06:13,759

um i didn't in fact gary and i never

136

00:06:17,749 --> 00:06:15,919

intended to write a book

137

00:06:19,990 --> 00:06:17,759

um but it came to my attention that

138

00:06:21,909 --> 00:06:20,000

others were going to so it was actually

139

00:06:23,990 --> 00:06:21,919

put together in four days as much as the

140

00:06:25,909 --> 00:06:24,000

investigation took five years oh well

141

00:06:26,870 --> 00:06:25,919

really the book itself only took four

142

00:06:29,510 --> 00:06:26,880

days

143

00:06:30,469 --> 00:06:29,520

um but yes everything is in there

144

00:06:32,790 --> 00:06:30,479

um

145

00:06:34,870 --> 00:06:32,800

i did speak to sasha earlier today and

146

00:06:35,990 --> 00:06:34,880

discuss some things that i can't say on

147

00:06:37,430 --> 00:06:36,000

the radio

148

00:06:39,830 --> 00:06:37,440

um

149

00:06:41,830 --> 00:06:39,840

but was kind about a stop when it comes

150

00:06:43,590 --> 00:06:41,840

to going to government at the moment we

151

00:06:47,189 --> 00:06:43,600

did have some meetings

152

00:06:49,830 --> 00:06:47,199

um with some members of the well senate

153

00:06:52,390 --> 00:06:49,840

and um they wanted some of the original

154

00:06:55,110 --> 00:06:52,400

photographs that we are unfortunately

155

00:06:57,830 --> 00:06:55,120

unable to give them so that sort of

156

00:06:59,749 --> 00:06:57,840

avenue has been closed for us

157

00:07:00,710 --> 00:06:59,759

next stage will be to put the petition

158

00:07:02,950 --> 00:07:00,720

out

159

00:07:04,390 --> 00:07:02,960

and the petition will be to have all of

160

00:07:07,029 --> 00:07:04,400

the footage released from all of the

161

00:07:09,110 --> 00:07:07,039

aircraft involved that night as it was

162

00:07:10,790 --> 00:07:09,120

just an exercise let's all just see it

163

00:07:11,909 --> 00:07:10,800

was just an example

164

00:07:13,110 --> 00:07:11,919

yeah

165

00:07:15,110 --> 00:07:13,120

enough isn't it

166

00:07:16,950 --> 00:07:15,120

when you say this

167

00:07:19,110 --> 00:07:16,960

you say it only took you the four days

168

00:07:21,189 --> 00:07:19,120

to put the book out or get the book put

169

00:07:22,710 --> 00:07:21,199

together but you must have had loads of

170

00:07:25,270 --> 00:07:22,720

notes and things that you've been

171

00:07:27,670 --> 00:07:25,280

working on over the years so yeah it's

172

00:07:28,830 --> 00:07:27,680

more than just a four days really

173

00:07:31,830 --> 00:07:28,840

oh yes

174

00:07:34,150 --> 00:07:31,840

definitely five-year investigation

175

00:07:35,510 --> 00:07:34,160

um that i put together in in four days

176

00:07:36,309 --> 00:07:35,520

while gary and i put together in four

177

00:07:38,230 --> 00:07:36,319

days

178

00:07:40,070 --> 00:07:38,240

uh and it's got all of the

179

00:07:41,350 --> 00:07:40,080

the lies and contradictions that we've

180

00:07:44,230 --> 00:07:41,360

been told

181

00:07:46,230 --> 00:07:44,240

by the ministry of defense by the police

182

00:07:47,909 --> 00:07:46,240

and other authorities

183

00:07:49,909 --> 00:07:47,919

um

184

00:07:52,309 --> 00:07:49,919

and it's not my words it's their words

185

00:07:54,790 --> 00:07:52,319

which is the beautiful thing

186

00:07:56,390 --> 00:07:54,800

um because it's a

187

00:07:58,070 --> 00:07:56,400

prime example of the left hand not

188

00:07:59,589 --> 00:07:58,080

knowing what the right hand is doing

189

00:08:02,550 --> 00:07:59,599

most of the time

190

00:08:04,230 --> 00:08:02,560

but everything is in there

191

00:08:06,469 --> 00:08:04,240

um you can certainly see that they've

192

00:08:09,589 --> 00:08:06,479

lied on multiple occasions

193

00:08:11,909 --> 00:08:09,599

and in one fyi they actually checked for

194

00:08:13,510 --> 00:08:11,919

a second time and confirmed their health

195

00:08:14,550 --> 00:08:13,520

no information but that was a lie as

196

00:08:15,749 --> 00:08:14,560

well

197

00:08:17,029 --> 00:08:15,759

um

198

00:08:18,390 --> 00:08:17,039

so

199

00:08:20,629 --> 00:08:18,400

lots of people have heard us talk about

200

00:08:21,909 --> 00:08:20,639

the evidence but not very many people

201
00:08:24,550 --> 00:08:21,919
have seen it

202
00:08:26,390 --> 00:08:24,560
it is actually free on amazon

203
00:08:28,869 --> 00:08:26,400
um on kindle

204
00:08:31,909 --> 00:08:28,879
so people can read it for free if you

205
00:08:36,149 --> 00:08:31,919
remember the library there yes really

206
00:08:36,159 --> 00:08:47,030
you can read it for free

207
00:08:51,110 --> 00:08:48,870
yeah i've got a paper copy here for you

208
00:08:52,630 --> 00:08:51,120
if you want one session oh yeah that'll

209
00:08:55,190 --> 00:08:52,640
be beaut

210
00:08:57,430 --> 00:08:55,200
um i i really want everybody to see the

211
00:08:59,990 --> 00:08:57,440
evidence for themselves because

212
00:09:02,389 --> 00:09:00,000
it's not gary's words or my words it's

213
00:09:04,710 --> 00:09:02,399

their words and that's the beauty of it

214

00:09:06,150 --> 00:09:04,720

and they are the genuine documents

215

00:09:07,750 --> 00:09:06,160

all of the reference numbers are there

216

00:09:09,590 --> 00:09:07,760

for the freedom of information requests

217

00:09:10,470 --> 00:09:09,600

so if anybody wants to look them up they

218

00:09:12,710 --> 00:09:10,480

can

219

00:09:15,110 --> 00:09:12,720

it's part of the public record

220

00:09:16,790 --> 00:09:15,120

and i think you'd be quite shocked at

221

00:09:18,710 --> 00:09:16,800

how easily they've been called out

222

00:09:20,230 --> 00:09:18,720

really

223

00:09:22,150 --> 00:09:20,240

of course as we said before when you

224

00:09:24,630 --> 00:09:22,160

were on the show last time it was just

225

00:09:28,150 --> 00:09:24,640

uk so we've got gary on you were a big

226

00:09:30,550 --> 00:09:28,160

part of this as well gary weren't you

227

00:09:32,389 --> 00:09:30,560

yeah it's a 50 50 thing with me and cars

228

00:09:35,430 --> 00:09:32,399

with this investigation because for the

229

00:09:35,829 --> 00:09:35,440

last five years we've

230

00:09:37,590 --> 00:09:35,839

it sort um

231

00:09:39,670 --> 00:09:37,600

started out like you know cars and her

232

00:09:41,509 --> 00:09:39,680

friends and neighbors and other people

233

00:09:43,190 --> 00:09:41,519

did their stuff and then

234

00:09:45,750 --> 00:09:43,200

i came along and

235

00:09:47,990 --> 00:09:45,760

a few others joined in to do uh parts of

236

00:09:49,590 --> 00:09:48,000

the investigation but since then

237

00:09:51,110 --> 00:09:49,600

me and carlos have like for the last

238

00:09:53,430 --> 00:09:51,120

couple years came together and as you

239

00:09:55,190 --> 00:09:53,440

can see the um the investigation has

240

00:09:57,269 --> 00:09:55,200

gone superbly well we put a lot of

241

00:09:59,430 --> 00:09:57,279

evidence together the book has finally

242

00:10:00,310 --> 00:09:59,440

come out the website is there we've got

243

00:10:01,990 --> 00:10:00,320

all these

244

00:10:03,350 --> 00:10:02,000

video presentations and when you

245

00:10:05,350 --> 00:10:03,360

actually look at it you know we're not

246

00:10:07,110 --> 00:10:05,360

the ones lying we're proving the ones

247

00:10:08,870 --> 00:10:07,120

who are lying to us

248

00:10:10,790 --> 00:10:08,880

you know they keep contradicting

249

00:10:12,790 --> 00:10:10,800

themselves and they keep

250

00:10:14,310 --> 00:10:12,800

stepping on each other's toes with the

251
00:10:16,790 --> 00:10:14,320
information they give us all the answers

252
00:10:18,949 --> 00:10:16,800
they give us in the fois especially

253
00:10:19,910 --> 00:10:18,959
it's um it's just there for everyone to

254
00:10:22,150 --> 00:10:19,920
see and

255
00:10:23,990 --> 00:10:22,160
uh casa really summed this up quite

256
00:10:25,670 --> 00:10:24,000
beautifully um

257
00:10:27,430 --> 00:10:25,680
now we've proven this case without

258
00:10:29,269 --> 00:10:27,440
photographs or videos and i really like

259
00:10:30,550 --> 00:10:29,279
the way that sums up quite nicely here

260
00:10:31,670 --> 00:10:30,560
because

261
00:10:33,190 --> 00:10:31,680
i mean

262
00:10:34,630 --> 00:10:33,200
there's nothing else you can say you

263
00:10:36,069 --> 00:10:34,640

know i mean

264

00:10:37,509 --> 00:10:36,079

it's all there for people to see they

265

00:10:38,790 --> 00:10:37,519

can scrutinize it all they want but

266

00:10:39,990 --> 00:10:38,800

they'll find out that we're the ones

267

00:10:41,509 --> 00:10:40,000

telling the truth we're proving

268

00:10:43,350 --> 00:10:41,519

ourselves and

269

00:10:44,870 --> 00:10:43,360

they're not um

270

00:10:48,150 --> 00:10:44,880

the ones like the military and the

271

00:10:50,550 --> 00:10:48,160

government and the police and

272

00:10:53,030 --> 00:10:50,560

they don't want to tell their lies

273

00:10:55,590 --> 00:10:53,040

and we're exposing them for it yeah did

274

00:10:57,670 --> 00:10:55,600

you and did you know each other before

275

00:10:59,110 --> 00:10:57,680

this or or were you brought together

276

00:11:02,310 --> 00:10:59,120

through this

277

00:11:04,310 --> 00:11:02,320

right

278

00:11:05,829 --> 00:11:04,320

cass wasn't anything to do with the ufo

279

00:11:08,550 --> 00:11:05,839

community no that's what i remember

280

00:11:10,389 --> 00:11:08,560

saying the last time yeah

281

00:11:12,870 --> 00:11:10,399

in fact when it happened i had

282

00:11:14,310 --> 00:11:12,880

absolutely no clue who to speak to in

283

00:11:16,150 --> 00:11:14,320

fact i didn't even know you weren't

284

00:11:18,630 --> 00:11:16,160

supposed to talk about ufos so when the

285

00:11:20,069 --> 00:11:18,640

cover story went out from wells online

286

00:11:21,670 --> 00:11:20,079

i immediately

287

00:11:23,430 --> 00:11:21,680

flew into a comment you know you know i

288

00:11:24,630 --> 00:11:23,440

can categorically assure you that was no

289

00:11:25,590 --> 00:11:24,640

exercise

290

00:11:26,389 --> 00:11:25,600

um

291

00:11:27,670 --> 00:11:26,399

and

292

00:11:29,990 --> 00:11:27,680

you know i obviously felt the

293

00:11:32,150 --> 00:11:30,000

consequences of that directly afterwards

294

00:11:34,230 --> 00:11:32,160

when i was interrogated

295

00:11:36,230 --> 00:11:34,240

um and it was an interrogation you know

296

00:11:39,190 --> 00:11:36,240

the questions were fast and furious i

297

00:11:40,870 --> 00:11:39,200

didn't have a time at all to think it

298

00:11:42,389 --> 00:11:40,880

was one question after another after

299

00:11:43,829 --> 00:11:42,399

another you know

300

00:11:45,509 --> 00:11:43,839

um

301
00:11:47,110 --> 00:11:45,519
and afterwards i didn't speak about it

302
00:11:48,389 --> 00:11:47,120
for 20 months

303
00:11:49,190 --> 00:11:48,399
not at all

304
00:11:50,949 --> 00:11:49,200
yeah

305
00:11:53,590 --> 00:11:50,959
and it was only when gary became

306
00:11:57,269 --> 00:11:53,600
involved and gary and i didn't get on at

307
00:11:58,870 --> 00:11:57,279
all to begin with um we locked horns on

308
00:12:00,629 --> 00:11:58,880
many occasions

309
00:12:02,629 --> 00:12:00,639
but i'm a strong believer that the truth

310
00:12:04,230 --> 00:12:02,639
would always prevail and neither of us

311
00:12:05,670 --> 00:12:04,240
would have gone up this with such

312
00:12:08,230 --> 00:12:05,680
tenacity

313
00:12:11,110 --> 00:12:08,240

if this wasn't a real incident

314

00:12:12,629 --> 00:12:11,120

and it's not done yet

315

00:12:13,990 --> 00:12:12,639

there's um parts of this explained in

316

00:12:15,269 --> 00:12:14,000

the book as well so if people want to

317

00:12:17,190 --> 00:12:15,279

read that

318

00:12:19,670 --> 00:12:17,200

yeah why we locked homes and stuff but

319

00:12:21,430 --> 00:12:19,680

you know it's just that um

320

00:12:23,190 --> 00:12:21,440

it was such an incredible event and the

321

00:12:25,350 --> 00:12:23,200

way it was being described it sounded

322

00:12:28,150 --> 00:12:25,360

and i said this to cars it sounded kind

323

00:12:29,750 --> 00:12:28,160

of fanciful and just it was quite

324

00:12:31,590 --> 00:12:29,760

quite an intricate uh thing you were

325

00:12:33,590 --> 00:12:31,600

describing i mean

326

00:12:35,269 --> 00:12:33,600

i've seen quite a lot of big ufo cases

327

00:12:36,949 --> 00:12:35,279

like render stream of course

328

00:12:38,310 --> 00:12:36,959

you know in roswell but this would sound

329

00:12:40,629 --> 00:12:38,320

like something like that and i was like

330

00:12:42,310 --> 00:12:40,639

you know but when we find when i finally

331

00:12:44,470 --> 00:12:42,320

started when we finally started to do

332

00:12:46,150 --> 00:12:44,480

some you know field research and

333

00:12:48,069 --> 00:12:46,160

i knew where to start looking with the

334

00:12:49,509 --> 00:12:48,079

military and stuff it was all just

335

00:12:51,269 --> 00:12:49,519

coming together and i was like wow this

336

00:12:53,590 --> 00:12:51,279

you know kaz is really

337

00:12:55,030 --> 00:12:53,600

really being truthful yeah it's amazing

338

00:12:56,550 --> 00:12:55,040

and since then it's grown since then

339

00:12:59,350 --> 00:12:56,560

it's grown you know it's become what it

340

00:13:01,509 --> 00:12:59,360

is now the book website and

341

00:13:02,949 --> 00:13:01,519

a very big case indeed yeah i think we

342

00:13:05,110 --> 00:13:02,959

ought to kind of because i mean it could

343

00:13:06,550 --> 00:13:05,120

be people out here listening who don't

344

00:13:09,110 --> 00:13:06,560

know what we're talking or what you're

345

00:13:13,030 --> 00:13:09,120

talking about so maybe we could go right

346

00:13:14,629 --> 00:13:13,040

from the beginning how it all set out um

347

00:13:16,550 --> 00:13:14,639

you know how you came together and

348

00:13:19,350 --> 00:13:16,560

perhaps what what you saw and what you

349

00:13:21,190 --> 00:13:19,360

experienced you know for the plenty of

350

00:13:22,150 --> 00:13:21,200

listeners that are new to this

351

00:13:24,069 --> 00:13:22,160

um

352

00:13:25,750 --> 00:13:24,079

and obviously it's going to be something

353

00:13:27,110 --> 00:13:25,760

that would probably lead them to get

354

00:13:30,230 --> 00:13:27,120

your book if they

355

00:13:34,230 --> 00:13:31,829

that's that

356

00:13:35,670 --> 00:13:34,240

yeah yeah please do yeah and then you

357

00:13:38,230 --> 00:13:35,680

can sort of say hey you two came

358

00:13:40,150 --> 00:13:38,240

together and everything and um

359

00:13:41,430 --> 00:13:40,160

far away

360

00:13:43,430 --> 00:13:41,440

okay well

361

00:13:45,590 --> 00:13:43,440

it's called the penn turk incident

362

00:13:47,350 --> 00:13:45,600

because it began here

363

00:13:49,110 --> 00:13:47,360

and uh for three days and three nights

364

00:13:50,870 --> 00:13:49,120

we had two surveillance aircraft that

365

00:13:53,350 --> 00:13:50,880

took it in turns to monitor the skies

366

00:13:55,110 --> 00:13:53,360

above our village we had contacted the

367

00:13:56,949 --> 00:13:55,120

ministry of defense and the mainstream

368

00:13:59,350 --> 00:13:56,959

media and nobody seemed to know anything

369

00:14:01,030 --> 00:13:59,360

about it in fact the ministry of defence

370

00:14:03,110 --> 00:14:01,040

actually ignored us

371

00:14:04,629 --> 00:14:03,120

and by the third night

372

00:14:06,470 --> 00:14:04,639

it was quite apparent that they were

373

00:14:08,550 --> 00:14:06,480

watching for something but we certainly

374

00:14:10,949 --> 00:14:08,560

didn't expect to see what happened

375

00:14:12,870 --> 00:14:10,959

i had no belief in ufos

376

00:14:14,230 --> 00:14:12,880

um in fact one of my neighbors david

377

00:14:15,750 --> 00:14:14,240

actually thought they were watching for

378

00:14:17,829 --> 00:14:15,760

russian planes because it was only the

379

00:14:20,389 --> 00:14:17,839

week before that we turned away to tu

380

00:14:21,670 --> 00:14:20,399

160 bombers from our airspace russian

381

00:14:23,590 --> 00:14:21,680

bombers

382

00:14:26,629 --> 00:14:23,600

um but what

383

00:14:28,870 --> 00:14:26,639

in pyramid the jettison smaller craft

384

00:14:31,189 --> 00:14:28,880

two of which approached us afterwards

385

00:14:33,829 --> 00:14:31,199

the military had set an ambush for it

386

00:14:36,230 --> 00:14:33,839

pursued them and fired upon them

387

00:14:38,870 --> 00:14:36,240

without first trying to establish any

388

00:14:41,030 --> 00:14:38,880

form of peaceful communication

389

00:14:42,949 --> 00:14:41,040

uh one of the objects that they fired

390

00:14:46,389 --> 00:14:42,959

upon did actually crash into smilog

391

00:14:47,910 --> 00:14:46,399

woods the emf evidence that gary has

392

00:14:49,189 --> 00:14:47,920

found has been quite phenomenal and

393

00:14:51,670 --> 00:14:49,199

double checked

394

00:14:53,670 --> 00:14:51,680

i actually contacted the welsh ufo

395

00:14:55,990 --> 00:14:53,680

network to begin with because i had no

396

00:14:58,230 --> 00:14:56,000

clue who to speak to about it

397

00:15:00,389 --> 00:14:58,240

it turned out to be a one-man band and

398

00:15:02,310 --> 00:15:00,399

mr lee thomas who put me in contact with

399

00:15:04,550 --> 00:15:02,320

a man called richard hall

400

00:15:06,470 --> 00:15:04,560

i didn't know who richard was

401
00:15:08,870 --> 00:15:06,480
um but i understood that he was doing a

402
00:15:11,269 --> 00:15:08,880
conference in murtha that sunday the

403
00:15:12,629 --> 00:15:11,279
28th of february

404
00:15:13,990 --> 00:15:12,639
this happened in the early hours of

405
00:15:15,990 --> 00:15:14,000
friday morning

406
00:15:17,350 --> 00:15:16,000
and i decided there and then that was it

407
00:15:19,110 --> 00:15:17,360
i was going to go and see richard i

408
00:15:20,629 --> 00:15:19,120
didn't know what he looked like i had no

409
00:15:22,389 --> 00:15:20,639
clue whether or not i was going to be

410
00:15:24,949 --> 00:15:22,399
able to speak with him but i i was

411
00:15:26,470 --> 00:15:24,959
determined to go and at least try

412
00:15:27,910 --> 00:15:26,480
i spoke to richard

413
00:15:30,470 --> 00:15:27,920

um

414

00:15:32,150 --> 00:15:30,480
before the conference started

415

00:15:35,269 --> 00:15:32,160
and um explained to him what had

416

00:15:37,110 --> 00:15:35,279
happened and he offered me to speak to

417

00:15:38,629 --> 00:15:37,120
his audience at the end of the show to

418

00:15:40,550 --> 00:15:38,639
ask if anybody else had seen or

419

00:15:42,470 --> 00:15:40,560
witnessed anything

420

00:15:44,230 --> 00:15:42,480
um at the end of the show that's exactly

421

00:15:46,310 --> 00:15:44,240
what i did i'd never spoken publicly

422

00:15:48,629 --> 00:15:46,320
before and richard was stood in front of

423

00:15:50,389 --> 00:15:48,639
me passing me the microphone

424

00:15:52,150 --> 00:15:50,399
and i stood up and told the entire

425

00:15:54,389 --> 00:15:52,160
audience what had happened and gary just

426
00:15:56,710 --> 00:15:54,399
happened to be there that night

427
00:15:58,389 --> 00:15:56,720
uh half a dozen other witnesses stood up

428
00:16:00,310 --> 00:15:58,399
sun said that they saw other lights

429
00:16:02,710 --> 00:16:00,320
flying around in the skies

430
00:16:04,230 --> 00:16:02,720
others heard the explosions others too

431
00:16:06,230 --> 00:16:04,240
found it difficult to get home that

432
00:16:09,509 --> 00:16:06,240
night because the uniform police had

433
00:16:11,269 --> 00:16:09,519
closed all the roads um a member of

434
00:16:13,269 --> 00:16:11,279
staff from the royal morgan hospital

435
00:16:15,670 --> 00:16:13,279
said that they felt the explosion that

436
00:16:17,990 --> 00:16:15,680
the explosion was so huge an air

437
00:16:19,829 --> 00:16:18,000
explosion that it shook the building

438
00:16:21,430 --> 00:16:19,839

down to its foundations and the smoke

439

00:16:22,470 --> 00:16:21,440

that came from the explosion was so

440

00:16:23,990 --> 00:16:22,480

dense

441

00:16:25,110 --> 00:16:24,000

it came in through the windows and

442

00:16:27,829 --> 00:16:25,120

through the vents and filled the

443

00:16:30,949 --> 00:16:27,839

corridors of the hospital with smoke

444

00:16:33,430 --> 00:16:30,959

this member of staff has gone outside

445

00:16:35,350 --> 00:16:33,440

and the smoke was falling from the air

446

00:16:37,269 --> 00:16:35,360

and it was so dense it resembled a foggy

447

00:16:39,189 --> 00:16:37,279

night

448

00:16:41,350 --> 00:16:39,199

well

449

00:16:43,749 --> 00:16:41,360

he was told that the switchboard had

450

00:16:45,910 --> 00:16:43,759

been called directly after the explosion

451
00:16:47,990 --> 00:16:45,920
and told that the hospital services were

452
00:16:49,590 --> 00:16:48,000
not required that this was just an

453
00:16:51,670 --> 00:16:49,600
exercise

454
00:16:53,749 --> 00:16:51,680
where nobody had any prior notification

455
00:16:56,870 --> 00:16:53,759
of this exercise at all

456
00:16:58,790 --> 00:16:56,880
um there's no digital or paper record of

457
00:17:00,790 --> 00:16:58,800
this exercise

458
00:17:02,550 --> 00:17:00,800
and certainly you know the hospital

459
00:17:03,910 --> 00:17:02,560
definitely didn't know but they have

460
00:17:07,110 --> 00:17:03,920
since tried to do an awful lot of

461
00:17:08,390 --> 00:17:07,120
backfilling as well as southwest police

462
00:17:10,150 --> 00:17:08,400
you know they told us that they couldn't

463
00:17:11,669 --> 00:17:10,160

find any evidence of the road closures

464

00:17:13,110 --> 00:17:11,679

yet they know which officers were

465

00:17:15,909 --> 00:17:13,120

involved

466

00:17:18,150 --> 00:17:15,919

um i'll pass you over to gary so that he

467

00:17:20,309 --> 00:17:18,160

can continue from there but that's

468

00:17:21,829 --> 00:17:20,319

basically what happened that night um

469

00:17:23,189 --> 00:17:21,839

yeah this is actually the very first

470

00:17:26,949 --> 00:17:23,199

time i ever

471

00:17:29,029 --> 00:17:26,959

met kaz clark or knew of her who she was

472

00:17:30,310 --> 00:17:29,039

yeah i went to the murtha table rugby

473

00:17:31,190 --> 00:17:30,320

club

474

00:17:32,710 --> 00:17:31,200

and

475

00:17:34,390 --> 00:17:32,720

i was listening to richard d hall's

476

00:17:35,350 --> 00:17:34,400

presentation because

477

00:17:37,029 --> 00:17:35,360

i always thought they were good

478

00:17:39,190 --> 00:17:37,039

presentations and then at the end there

479

00:17:40,950 --> 00:17:39,200

was a q and a session

480

00:17:43,430 --> 00:17:40,960

what was interesting is that two days

481

00:17:44,870 --> 00:17:43,440

prior of course we had the major

482

00:17:47,270 --> 00:17:44,880

incident that kaz

483

00:17:48,950 --> 00:17:47,280

and dave had witnessed

484

00:17:50,310 --> 00:17:48,960

but i didn't know nothing about that i

485

00:17:51,909 --> 00:17:50,320

just knew that the military had been

486

00:17:53,750 --> 00:17:51,919

building up in the area for quite some

487

00:17:55,029 --> 00:17:53,760

time you know low-flying helicopters

488

00:17:57,270 --> 00:17:55,039

planes

489

00:17:58,870 --> 00:17:57,280

convoys of trucks and you know army

490

00:18:00,549 --> 00:17:58,880

vehicles and i said what is going on

491

00:18:03,110 --> 00:18:00,559

yeah everyone was asking the question

492

00:18:05,750 --> 00:18:03,120

everywhere i went in murtha or ponti or

493

00:18:07,830 --> 00:18:05,760

in my hometown

494

00:18:10,950 --> 00:18:07,840

but um of course we get to martha and

495

00:18:13,830 --> 00:18:10,960

then we get to the q and a session um

496

00:18:15,750 --> 00:18:13,840

cars get to get a hold of the microphone

497

00:18:17,350 --> 00:18:15,760

and sometimes people ask what was the

498

00:18:18,470 --> 00:18:17,360

demeanor like can i say well she was

499

00:18:20,150 --> 00:18:18,480

quite calm

500

00:18:21,669 --> 00:18:20,160

and she was quite collected but you can

501
00:18:23,190 --> 00:18:21,679
tell she was quite

502
00:18:25,270 --> 00:18:23,200
full of adrenaline she had been through

503
00:18:27,590 --> 00:18:25,280
something quite incredible

504
00:18:29,270 --> 00:18:27,600
and she told that audience you know and

505
00:18:31,350 --> 00:18:29,280
i can't remember exactly the words but

506
00:18:33,110 --> 00:18:31,360
that there was this ufo event and that

507
00:18:35,110 --> 00:18:33,120
the military were involved and there was

508
00:18:36,870 --> 00:18:35,120
this large explosion and

509
00:18:38,710 --> 00:18:36,880
all these other things and everyone's

510
00:18:40,830 --> 00:18:38,720
literally just i mean literally i can

511
00:18:43,669 --> 00:18:40,840
remember this much right everyone just

512
00:18:46,150 --> 00:18:43,679
stopped turned over and looked at cars

513
00:18:48,470 --> 00:18:46,160

and i can i can smell the excitement in

514

00:18:49,990 --> 00:18:48,480

the room it was like wow you know

515

00:18:51,590 --> 00:18:50,000

and some of the guy who was in the

516

00:18:53,350 --> 00:18:51,600

audience talked about how the hospital

517

00:18:54,470 --> 00:18:53,360

had shaken you know because of some loud

518

00:18:56,950 --> 00:18:54,480

explosion

519

00:18:59,590 --> 00:18:56,960

filled the rooms with smoke or some

520

00:19:00,950 --> 00:18:59,600

thick black smoke you know it was quite

521

00:19:02,870 --> 00:19:00,960

incredible that people were saying all

522

00:19:04,789 --> 00:19:02,880

this and obviously from there i wanted

523

00:19:07,110 --> 00:19:04,799

to really get involved in this

524

00:19:08,870 --> 00:19:07,120

but cars was being

525

00:19:11,029 --> 00:19:08,880

caused at the end casino council's been

526

00:19:13,350 --> 00:19:11,039

surrounded by so many people so it's

527

00:19:16,390 --> 00:19:13,360

quite difficult for me to get to her

528

00:19:18,390 --> 00:19:16,400

so um i just realized i have to get

529

00:19:20,470 --> 00:19:18,400

going because my left is uh waiting

530

00:19:22,470 --> 00:19:20,480

outside they have to get up early and

531

00:19:24,870 --> 00:19:22,480

the time was getting on so i just

532

00:19:26,470 --> 00:19:24,880

thought okay if i

533

00:19:27,669 --> 00:19:26,480

i'll get on computer tomorrow because no

534

00:19:29,669 --> 00:19:27,679

doubt now this is going to be talked

535

00:19:31,590 --> 00:19:29,679

about and hopefully i'll find cars that

536

00:19:33,750 --> 00:19:31,600

way but like i said

537

00:19:35,350 --> 00:19:33,760

i tried looking for cars online

538

00:19:37,990 --> 00:19:35,360

couldn't find her anywhere especially on

539

00:19:39,669 --> 00:19:38,000

facebook i type a name in i'd go to the

540

00:19:40,950 --> 00:19:39,679

ufo groups and all these other social

541

00:19:43,750 --> 00:19:40,960

media groups that were interested in

542

00:19:45,510 --> 00:19:43,760

richard the hall or ufos and nothing

543

00:19:46,470 --> 00:19:45,520

nobody would find or knew about cass

544

00:19:49,590 --> 00:19:46,480

clark

545

00:19:53,270 --> 00:19:49,600

it wasn't until like october 2017 that

546

00:19:55,190 --> 00:19:53,280

finally contact was made and from there

547

00:19:56,870 --> 00:19:55,200

you know i would say the real

548

00:19:59,350 --> 00:19:56,880

real investigation began although i've

549

00:20:01,830 --> 00:19:59,360

been doing my own work previously trying

550

00:20:03,830 --> 00:20:01,840

to find uh bits and pieces of uh what i

551

00:20:05,750 --> 00:20:03,840

could find i found some things but i

552

00:20:08,470 --> 00:20:05,760

didn't find much it wasn't until i got

553

00:20:10,470 --> 00:20:08,480

in contact with kaz and dave and

554

00:20:12,149 --> 00:20:10,480

uh donner and steve

555

00:20:14,710 --> 00:20:12,159

you know when they gave us so much

556

00:20:16,470 --> 00:20:14,720

information back then it was like okay

557

00:20:17,830 --> 00:20:16,480

now we got something let's go find it

558

00:20:19,510 --> 00:20:17,840

and of course

559

00:20:25,430 --> 00:20:19,520

we did

560

00:20:27,430 --> 00:20:25,440

metal detector scans i went online and

561

00:20:28,789 --> 00:20:27,440

had to look for the military and online

562

00:20:30,630 --> 00:20:28,799

comments

563

00:20:31,510 --> 00:20:30,640

and from there you know me and cars of

564

00:20:33,270 --> 00:20:31,520

course

565

00:20:36,149 --> 00:20:33,280

as cows would say we were locking horns

566

00:20:38,149 --> 00:20:36,159

a couple of times but once we started to

567

00:20:39,590 --> 00:20:38,159

see how it was all shaping together what

568

00:20:41,110 --> 00:20:39,600

carson said and what david said in

569

00:20:42,950 --> 00:20:41,120

particular

570

00:20:45,830 --> 00:20:42,960

it just yeah it all came together and it

571

00:20:47,590 --> 00:20:45,840

was um it was good you know it

572

00:20:49,669 --> 00:20:47,600

we started to do our presentations and

573

00:20:51,669 --> 00:20:49,679

started to make our findings public and

574

00:20:52,950 --> 00:20:51,679

it really just uh

575

00:20:53,990 --> 00:20:52,960

showed the world it really showed the

576
00:20:55,909 --> 00:20:54,000
people who were listening that you know

577
00:20:57,750 --> 00:20:55,919
there was something incredible here

578
00:20:59,110 --> 00:20:57,760
and of course we did our first

579
00:21:00,310 --> 00:20:59,120
presentation and it's been growing ever

580
00:21:01,909 --> 00:21:00,320
since so

581
00:21:03,029 --> 00:21:01,919
if cars wants to come back into this one

582
00:21:05,270 --> 00:21:03,039
she can tell you where it went from

583
00:21:07,190 --> 00:21:05,280
there

584
00:21:08,470 --> 00:21:07,200
well initially i didn't want to come

585
00:21:09,590 --> 00:21:08,480
forward at all

586
00:21:12,470 --> 00:21:09,600
um

587
00:21:15,350 --> 00:21:12,480
i only spoke to a

588
00:21:16,870 --> 00:21:15,360

small ufo group in wales

589

00:21:18,149 --> 00:21:16,880

because they told me they just wanted

590

00:21:21,110 --> 00:21:18,159

the story

591

00:21:23,270 --> 00:21:21,120

uh for their collection shall we say

592

00:21:25,029 --> 00:21:23,280

and i placed so many conditions on them

593

00:21:27,669 --> 00:21:25,039

that they must come alone

594

00:21:29,430 --> 00:21:27,679

not to record me or photograph me

595

00:21:33,110 --> 00:21:29,440

but that's not exactly what happened but

596

00:21:35,029 --> 00:21:33,120

i didn't find that out until much later

597

00:21:36,470 --> 00:21:35,039

um i was actually betrayed on the very

598

00:21:38,549 --> 00:21:36,480

first day

599

00:21:40,549 --> 00:21:38,559

and they outed me and

600

00:21:42,149 --> 00:21:40,559

placed me in such a difficult position

601
00:21:43,909 --> 00:21:42,159
because

602
00:21:45,430 --> 00:21:43,919
certain people had contacted me by my

603
00:21:47,270 --> 00:21:45,440
facebook page and asked if they could

604
00:21:48,230 --> 00:21:47,280
come out and view the site

605
00:21:52,789 --> 00:21:48,240
and

606
00:21:55,350 --> 00:21:52,799
where it happened um i haven't phoned uh

607
00:21:57,110 --> 00:21:55,360
photography but or recorded very much

608
00:21:59,430 --> 00:21:57,120
that people have a right to anonymity

609
00:22:01,830 --> 00:21:59,440
and i was contacted by somebody again by

610
00:22:04,230 --> 00:22:01,840
my facebook page and this guy turned out

611
00:22:08,390 --> 00:22:04,240
to be military i'm not joking when i say

612
00:22:10,950 --> 00:22:08,400
that my family and myself was threatened

613
00:22:13,750 --> 00:22:10,960

with perhaps a faithful car accident you

614

00:22:15,909 --> 00:22:13,760

know accidents happen all the time

615

00:22:19,830 --> 00:22:15,919

but it was the way that it was said i

616

00:22:24,830 --> 00:22:21,990

yes he said to me wasn't i worried about

617

00:22:27,990 --> 00:22:24,840

what was going to happen to me and my

618

00:22:30,149 --> 00:22:28,000

family didn't i know that accidents

619

00:22:34,310 --> 00:22:30,159

happen all the time

620

00:22:37,669 --> 00:22:35,110

yeah

621

00:22:39,190 --> 00:22:37,679

um you know what was it that i wanted

622

00:22:41,909 --> 00:22:39,200

and i said i didn't want anything for

623

00:22:43,510 --> 00:22:41,919

myself i felt that i was on borrowed

624

00:22:45,990 --> 00:22:43,520

time anyway

625

00:22:48,149 --> 00:22:46,000

um i began to

626
00:22:50,310 --> 00:22:48,159
have some very strange health issues

627
00:22:52,630 --> 00:22:50,320
that i hadn't suffered before

628
00:22:55,510 --> 00:22:52,640
and they were little things at first

629
00:22:57,270 --> 00:22:55,520
so i didn't quite connect everything

630
00:22:59,029 --> 00:22:57,280
you know like suddenly becoming allergic

631
00:23:00,870 --> 00:22:59,039
to uh the coatings on a vitamin topic

632
00:23:02,789 --> 00:23:00,880
that i take from my entire life

633
00:23:04,470 --> 00:23:02,799
to becoming anaphylactic when i wasn't

634
00:23:05,350 --> 00:23:04,480
before

635
00:23:07,350 --> 00:23:05,360
and

636
00:23:09,990 --> 00:23:07,360
as i say i didn't connect it

637
00:23:13,510 --> 00:23:10,000
initially until i nearly died uh new

638
00:23:17,029 --> 00:23:14,789

and then it occurred to me that all of

639

00:23:18,710 --> 00:23:17,039

these changes changes have happened

640

00:23:19,909 --> 00:23:18,720

since that night

641

00:23:22,230 --> 00:23:19,919

because this thing

642

00:23:24,789 --> 00:23:22,240

turned my hair completely white on the

643

00:23:27,270 --> 00:23:24,799

morning of the 27th of february it could

644

00:23:28,789 --> 00:23:27,280

be radiation that's done that i've just

645

00:23:29,990 --> 00:23:28,799

read a scientific paper now where

646

00:23:32,310 --> 00:23:30,000

they've

647

00:23:34,950 --> 00:23:32,320

um exposed mice to high doses of

648

00:23:36,870 --> 00:23:34,960

radiation and their hair or fur had gone

649

00:23:38,310 --> 00:23:36,880

white um where i wanted to remain

650

00:23:40,310 --> 00:23:38,320

anonymous suddenly

651
00:23:42,390 --> 00:23:40,320
i wasn't anymore

652
00:23:45,110 --> 00:23:42,400
and

653
00:23:46,149 --> 00:23:45,120
the military clearly knew who i was

654
00:23:59,510 --> 00:23:46,159
and

655
00:24:02,149 --> 00:23:59,520
ufo group in wales

656
00:24:04,470 --> 00:24:02,159
actually went on to the same program so

657
00:24:05,350 --> 00:24:04,480
i know where it came from

658
00:24:07,909 --> 00:24:05,360
but

659
00:24:10,149 --> 00:24:07,919
i discussed it with gary as to what i

660
00:24:12,070 --> 00:24:10,159
should do and he said look you know the

661
00:24:15,029 --> 00:24:12,080
more public you are now

662
00:24:16,789 --> 00:24:15,039
the safer you'll be

663
00:24:18,630 --> 00:24:16,799

and we have multiple discussions about

664

00:24:20,630 --> 00:24:18,640

it and then it was decided

665

00:24:22,470 --> 00:24:20,640

even though the investigation was far

666

00:24:24,390 --> 00:24:22,480

from complete

667

00:24:27,430 --> 00:24:24,400

that i had to go around the country with

668

00:24:30,070 --> 00:24:27,440

him and present the evidence that we had

669

00:24:32,390 --> 00:24:30,080

and now it's a lot more complete

670

00:24:34,230 --> 00:24:32,400

and if it wasn't real i i wouldn't have

671

00:24:35,510 --> 00:24:34,240

sat three lie detectors you know a lot

672

00:24:38,230 --> 00:24:35,520

of people don't

673

00:24:39,990 --> 00:24:38,240

don't believe in polygraph tests

674

00:24:41,510 --> 00:24:40,000

but they do actually say whether or not

675

00:24:42,950 --> 00:24:41,520

you're being deceptive it doesn't say

676
00:24:44,950 --> 00:24:42,960
whether or not you're telling the truth

677
00:24:47,110 --> 00:24:44,960
or you know but it will detect if you're

678
00:24:49,110 --> 00:24:47,120
being deceptive

679
00:24:51,269 --> 00:24:49,120
but i had to choose

680
00:24:52,950 --> 00:24:51,279
the right polygraph examiner they had to

681
00:24:55,909 --> 00:24:52,960
be the best

682
00:24:57,830 --> 00:24:55,919
and i tried the best in europe first and

683
00:25:01,430 --> 00:24:57,840
gary was present

684
00:25:04,310 --> 00:25:01,440
um with with others um when i spoke to

685
00:25:05,909 --> 00:25:04,320
this gentleman who actually infer that

686
00:25:07,909 --> 00:25:05,919
he would fail me

687
00:25:09,669 --> 00:25:07,919
before he even tested me

688
00:25:10,870 --> 00:25:09,679

his words were actually because you're

689

00:25:14,630 --> 00:25:10,880

not going to get the answers you're

690

00:25:19,510 --> 00:25:16,710

it was so hard to get a polygraph

691

00:25:21,029 --> 00:25:19,520

examiner to agree to test me

692

00:25:24,149 --> 00:25:21,039

that when i eventually did find a

693

00:25:25,750 --> 00:25:24,159

company that was prepared to do it

694

00:25:27,350 --> 00:25:25,760

i actually refused to discuss the

695

00:25:28,470 --> 00:25:27,360

content of my test with anyone but my

696

00:25:30,630 --> 00:25:28,480

examiner

697

00:25:32,230 --> 00:25:30,640

i thought by the time i'd pay for it

698

00:25:34,149 --> 00:25:32,240

was wired up to the machine it'd be

699

00:25:35,790 --> 00:25:34,159

pretty hard for them to say i'm sorry

700

00:25:37,430 --> 00:25:35,800

but we can't test you

701
00:25:38,870 --> 00:25:37,440

[Music]

702
00:25:41,830 --> 00:25:38,880

um

703
00:25:43,430 --> 00:25:41,840

but i did it primarily for my doctors i

704
00:25:45,190 --> 00:25:43,440

think because i needed them to take me

705
00:25:48,149 --> 00:25:45,200

seriously about what had happened to me

706
00:25:49,350 --> 00:25:48,159

and why my health was deteriorating

707
00:25:50,789 --> 00:25:49,360

um

708
00:25:52,950 --> 00:25:50,799

but i knew that it would help the case

709
00:25:54,149 --> 00:25:52,960

as well

710
00:25:57,350 --> 00:25:54,159

and

711
00:25:59,029 --> 00:25:57,360

actually when the results came through

712
00:26:00,950 --> 00:25:59,039

i had a house full of people and gary

713
00:26:03,430 --> 00:26:00,960

was here as well and it actually came

714

00:26:05,110 --> 00:26:03,440

through via my email first

715

00:26:07,190 --> 00:26:05,120

and i remember the day that i opened the

716

00:26:10,470 --> 00:26:07,200

email where it said

717

00:26:12,149 --> 00:26:10,480

truthful no deception and i just burst

718

00:26:13,190 --> 00:26:12,159

into tears because it had been such a

719

00:26:14,870 --> 00:26:13,200

battle

720

00:26:17,990 --> 00:26:14,880

for somebody else to believe me to know

721

00:26:20,630 --> 00:26:18,000

that i was actually telling the truth

722

00:26:22,470 --> 00:26:20,640

it was just a relief to know that

723

00:26:25,110 --> 00:26:22,480

that at last somebody else in the world

724

00:26:27,110 --> 00:26:25,120

knew that i was being honest about this

725

00:26:29,510 --> 00:26:27,120

and if i wasn't then i wouldn't have

726

00:26:31,510 --> 00:26:29,520

pushed this investigation so hard

727

00:26:33,830 --> 00:26:31,520

and challenged the ministry of defense

728

00:26:36,390 --> 00:26:33,840

and challenged the police

729

00:26:37,990 --> 00:26:36,400

and other agencies

730

00:26:39,590 --> 00:26:38,000

and so much so that we've tied them in

731

00:26:41,669 --> 00:26:39,600

knots now

732

00:26:43,029 --> 00:26:41,679

to the point where

733

00:26:45,029 --> 00:26:43,039

we're actually we've actually got south

734

00:26:46,470 --> 00:26:45,039

wales police in a situation where they

735

00:26:48,230 --> 00:26:46,480

can't answer us so they're trying to

736

00:26:50,470 --> 00:26:48,240

hide behind exemptions that don't

737

00:26:51,590 --> 00:26:50,480

actually apply

738

00:26:53,110 --> 00:26:51,600

so we're gonna

739

00:26:55,029 --> 00:26:53,120

write back to them now and give them one

740

00:26:56,789 --> 00:26:55,039

last chance

741

00:26:58,149 --> 00:26:56,799

to tell us or at least answer our

742

00:26:59,350 --> 00:26:58,159

questions and if they don't we're going

743

00:27:01,510 --> 00:26:59,360

to write to the commissioner and hold

744

00:27:02,789 --> 00:27:01,520

them in contempt of court

745

00:27:05,430 --> 00:27:02,799

and that's

746

00:27:10,070 --> 00:27:05,440

they could be facing criminal charges

747

00:27:12,549 --> 00:27:10,080

um but that's how real this is you know

748

00:27:14,310 --> 00:27:12,559

i think the petition is our last hope of

749

00:27:17,110 --> 00:27:14,320

being able to have questions asked in

750

00:27:20,549 --> 00:27:19,110

and we will do a 30-day countdown for

751
00:27:21,909 --> 00:27:20,559
that petition which will be on the

752
00:27:26,549 --> 00:27:21,919
website

753
00:27:27,750 --> 00:27:26,559
for witnesses if they want to come

754
00:27:29,190 --> 00:27:27,760
forward

755
00:27:30,710 --> 00:27:29,200
and they don't have to give their real

756
00:27:33,269 --> 00:27:30,720
names

757
00:27:35,510 --> 00:27:33,279
they want to remain anonymous they can

758
00:27:37,669 --> 00:27:35,520
if they just need to speak to somebody i

759
00:27:39,269 --> 00:27:37,679
i have counselors on standby waiting to

760
00:27:41,669 --> 00:27:39,279
take their call

761
00:27:44,630 --> 00:27:41,679
some people you know like for myself for

762
00:27:46,230 --> 00:27:44,640
example i had no one to turn to

763
00:27:47,830 --> 00:27:46,240

absolutely no one

764

00:27:49,430 --> 00:27:47,840

and i did and still do have

765

00:27:51,990 --> 00:27:49,440

post-traumatic stress

766

00:27:53,830 --> 00:27:52,000

and i had no one to talk to about it

767

00:27:56,630 --> 00:27:53,840

and it's a really difficult thing to go

768

00:28:00,950 --> 00:27:59,110

that are all of the people that say that

769

00:28:03,830 --> 00:28:00,960

they're doing something good and doing

770

00:28:07,190 --> 00:28:03,840

something about uh the ufo issue with

771

00:28:09,110 --> 00:28:07,200

the the abduction you know problem and

772

00:28:10,630 --> 00:28:09,120

there's literally nobody there there's

773

00:28:12,789 --> 00:28:10,640

no nothing

774

00:28:15,110 --> 00:28:12,799

i think that was that was the shocker

775

00:28:18,310 --> 00:28:15,120

for me when i first came to the ufo

776

00:28:19,909 --> 00:28:18,320

community and i was looking for someone

777

00:28:23,269 --> 00:28:19,919

who

778

00:28:24,870 --> 00:28:23,279

just listened or be interested you know

779

00:28:27,110 --> 00:28:24,880

like you would think that the ufo

780

00:28:28,149 --> 00:28:27,120

community would be interested in a ufo

781

00:28:30,149 --> 00:28:28,159

event

782

00:28:32,789 --> 00:28:30,159

and it was just none of the above i was

783

00:28:36,230 --> 00:28:32,799

so angry like what the hell has everyone

784

00:28:37,990 --> 00:28:36,240

been doing for 17 years right

785

00:28:39,830 --> 00:28:38,000

that's one of the things that's that's

786

00:28:41,510 --> 00:28:39,840

really uh got to me a little bit that

787

00:28:43,430 --> 00:28:41,520

i've only been involved in the ufo

788

00:28:45,190 --> 00:28:43,440

community for five years

789

00:28:47,350 --> 00:28:45,200

and in that time it seems to me that

790

00:28:49,269 --> 00:28:47,360

everybody is interviewing everybody else

791

00:28:50,870 --> 00:28:49,279

and it's all the same stories going on

792

00:28:53,190 --> 00:28:50,880

over and over again

793

00:28:55,029 --> 00:28:53,200

but no one is doing anything

794

00:28:56,950 --> 00:28:55,039

no one is doing anything

795

00:28:58,310 --> 00:28:56,960

um

796

00:29:00,070 --> 00:28:58,320

yeah we've tried to take it to

797

00:29:03,430 --> 00:29:00,080

government and we've been blocked by a

798

00:29:07,190 --> 00:29:03,440

ufo group that have these supposed

799

00:29:08,230 --> 00:29:07,200

original photographs by a unit

800

00:29:10,549 --> 00:29:08,240

um

801
00:29:12,710 --> 00:29:10,559
by a witness that night who wishes to

802
00:29:14,149 --> 00:29:12,720
remain anonymous

803
00:29:16,950 --> 00:29:14,159
um but they will not give us the

804
00:29:19,430 --> 00:29:16,960
originals to authenticate we have mps

805
00:29:23,110 --> 00:29:19,440
asking for those photographs so they can

806
00:29:27,350 --> 00:29:26,149
you sort of you brought this forward and

807
00:29:29,510 --> 00:29:27,360
you know you

808
00:29:31,190 --> 00:29:29,520
put this case to a point where people

809
00:29:33,269 --> 00:29:31,200
were saying that they didn't believe you

810
00:29:35,029 --> 00:29:33,279
but then

811
00:29:36,549 --> 00:29:35,039
and people said who didn't believe you

812
00:29:38,310 --> 00:29:36,559
said that there's a better witness now

813
00:29:39,909 --> 00:29:38,320

what this thing turned your life

814

00:29:41,669 --> 00:29:39,919

completely upside down and then all

815

00:29:45,430 --> 00:29:41,679

you've got is a lot of people trying to

816

00:29:48,230 --> 00:29:45,440

cannibalize you and steal your evidence

817

00:29:50,950 --> 00:29:48,240

and you know it's outrageous and this is

818

00:29:55,190 --> 00:29:50,960

just what the scene is it's so toxic

819

00:29:59,029 --> 00:29:57,669

i mean i have felt suicidal at times not

820

00:30:01,190 --> 00:29:59,039

because of what happened to me but

821

00:30:03,669 --> 00:30:01,200

because of people

822

00:30:06,549 --> 00:30:03,679

i have been attacked by trolls and

823

00:30:08,149 --> 00:30:06,559

debunkers for the last five years and as

824

00:30:10,549 --> 00:30:08,159

i've said before and i will probably say

825

00:30:11,750 --> 00:30:10,559

it again if this was just the story i

826

00:30:13,110 --> 00:30:11,760

would have written a novel and put it

827

00:30:17,269 --> 00:30:13,120

under fiction and i wouldn't have to

828

00:30:21,430 --> 00:30:18,950

believers around you

829

00:30:23,909 --> 00:30:21,440

and that's what they do they just feed

830

00:30:25,830 --> 00:30:23,919

into a certain set of people and some

831

00:30:27,909 --> 00:30:25,840

people will accidentally get involved in

832

00:30:29,350 --> 00:30:27,919

it and then realize it's a lot of tosh

833

00:30:32,149 --> 00:30:29,360

if they're you know if they're just

834

00:30:33,990 --> 00:30:32,159

story spinners and then they'll move on

835

00:30:36,630 --> 00:30:34,000

but won't make a scene

836

00:30:38,710 --> 00:30:36,640

um and even if they do make a scene a

837

00:30:42,070 --> 00:30:38,720

whole group of people will cannibalize

838

00:30:43,990 --> 00:30:42,080

that one person making the scene so

839

00:30:46,149 --> 00:30:44,000

always the witnesses that are attacked

840

00:30:48,230 --> 00:30:46,159

and yet the presenters

841

00:30:50,950 --> 00:30:48,240

need the witnesses testimony to to be

842

00:30:53,510 --> 00:30:50,960

able to present it for the glory yeah

843

00:30:55,750 --> 00:30:53,520

and for me that that is wrong we need to

844

00:30:57,430 --> 00:30:55,760

come together as a community personal

845

00:30:59,750 --> 00:30:57,440

feelings should not come into this we

846

00:31:01,509 --> 00:30:59,760

need to stand together it's time that we

847

00:31:04,070 --> 00:31:01,519

approached our government with a

848

00:31:05,830 --> 00:31:04,080

petition with at least 10 000 signatures

849

00:31:07,909 --> 00:31:05,840

and demand the truth

850

00:31:09,190 --> 00:31:07,919

i that's exactly what i'm going to do i

851

00:31:11,350 --> 00:31:09,200

want questions

852

00:31:13,269 --> 00:31:11,360

in parliament like this

853

00:31:15,269 --> 00:31:13,279

yeah well i think questions have been

854

00:31:17,669 --> 00:31:15,279

asked in parliament before

855

00:31:19,269 --> 00:31:17,679

but they weren't pushed i mean

856

00:31:22,070 --> 00:31:19,279

we've literally got

857

00:31:23,190 --> 00:31:22,080

um it's been on the news now

858

00:31:24,549 --> 00:31:23,200

you know the whole thing with the

859

00:31:26,950 --> 00:31:24,559

pentagon

860

00:31:28,789 --> 00:31:26,960

so you know why can't we have these

861

00:31:34,149 --> 00:31:28,799

questions asked why you know why do we

862

00:31:37,509 --> 00:31:35,669

what i find dangerous is that the

863

00:31:39,509 --> 00:31:37,519

ministry of defense did a secret study

864

00:31:41,990 --> 00:31:39,519

of ufos called the con dyne report that

865

00:31:43,909 --> 00:31:42,000

you're probably both aware of

866

00:31:45,750 --> 00:31:43,919

and they lied to parliament and said

867

00:31:47,430 --> 00:31:45,760

that they had no interest in ufos that

868

00:31:49,110 --> 00:31:47,440

there was no study

869

00:31:50,710 --> 00:31:49,120

so they lied to parliament they've lied

870

00:31:52,630 --> 00:31:50,720

to the mainstream media and they lied to

871

00:31:54,310 --> 00:31:52,640

the general public about it and it was

872

00:31:56,149 --> 00:31:54,320

real

873

00:31:58,630 --> 00:31:56,159

and then multiple times they stated

874

00:32:00,950 --> 00:31:58,640

within that consign report that ufos are

875

00:32:03,909 --> 00:32:00,960

of no defense significance and are not

876

00:32:07,190 --> 00:32:03,919

repeat not a threat so how they can hide

877

00:32:08,549 --> 00:32:07,200

behind section 26 defense is beyond me

878

00:32:11,350 --> 00:32:08,559

i think the thing is they may have

879

00:32:14,070 --> 00:32:11,360

publicly lied to the parliament but they

880

00:32:18,230 --> 00:32:14,080

probably were talking behind the scenes

881

00:32:24,149 --> 00:32:20,710

we would like to think yeah because what

882

00:32:26,230 --> 00:32:24,159

they did that night affects everybody

883

00:32:27,669 --> 00:32:26,240

you know the military do not own this

884

00:32:28,789 --> 00:32:27,679

planet

885

00:32:31,830 --> 00:32:28,799

you know

886

00:32:33,509 --> 00:32:31,840

our leaders do not own this planet it

887

00:32:35,430 --> 00:32:33,519

belongs to all of us and what they did

888

00:32:37,750 --> 00:32:35,440

that night involves every single human

889

00:32:41,029 --> 00:32:37,760

being on this planet

890

00:32:45,750 --> 00:32:42,710

there's been quite a few

891

00:32:48,470 --> 00:32:45,760

large ufo incidents with the when they

892

00:32:49,750 --> 00:32:48,480

are large objects

893

00:32:55,590 --> 00:32:49,760

how

894

00:32:58,710 --> 00:32:55,600

outrageous when when we saw that in

895

00:33:01,190 --> 00:32:58,720

wales it was absolutely freaking massive

896

00:33:03,669 --> 00:33:01,200

yeah afterwards i was just like

897

00:33:06,310 --> 00:33:03,679

they lost that they can't not speed that

898

00:33:07,750 --> 00:33:06,320

up on radar somewhere

899

00:33:10,630 --> 00:33:07,760

with something

900

00:33:11,830 --> 00:33:10,640

you know or even coming into the

901
00:33:13,590 --> 00:33:11,840
atmosphere

902
00:33:15,269 --> 00:33:13,600
going out on this

903
00:33:17,350 --> 00:33:15,279
eo whatever

904
00:33:19,909 --> 00:33:17,360
what the hell how can they not know i

905
00:33:22,470 --> 00:33:19,919
don't believe that they they're unaware

906
00:33:27,350 --> 00:33:22,480
they know just let's spend their

907
00:33:30,789 --> 00:33:29,269
something did occur that they just can't

908
00:33:32,630 --> 00:33:30,799
talk about it otherwise they would just

909
00:33:34,470 --> 00:33:32,640
say there isn't any

910
00:33:37,350 --> 00:33:34,480
information on that

911
00:33:39,350 --> 00:33:37,360
well i had the ministry of defense to

912
00:33:41,269 --> 00:33:39,360
um on the fourth year anniversary

913
00:33:42,549 --> 00:33:41,279

presentation that gary and i did here in

914

00:33:44,549 --> 00:33:42,559

penn turk

915

00:33:46,389 --> 00:33:44,559

and on that particular night it was a

916

00:33:48,310 --> 00:33:46,399

very poor turnout because the weather

917

00:33:51,110 --> 00:33:48,320

was extremely bad

918

00:33:54,950 --> 00:33:51,120

and so they actually stood out as

919

00:33:56,310 --> 00:33:54,960

someone that i've never seen before

920

00:33:58,470 --> 00:33:56,320

and they did so

921

00:33:59,669 --> 00:33:58,480

for their for personal reasons but i

922

00:34:01,590 --> 00:33:59,679

mean if they were there for personal

923

00:34:02,710 --> 00:34:01,600

reasons why say they were from the

924

00:34:04,870 --> 00:34:02,720

ministry of defense you know it didn't

925

00:34:07,350 --> 00:34:04,880

make sense but in fairness to them if

926

00:34:09,270 --> 00:34:07,360

they were as in every other witness i

927

00:34:11,750 --> 00:34:09,280

will not disclose what they look like

928

00:34:13,190 --> 00:34:11,760

only to say that it was one man and one

929

00:34:15,750 --> 00:34:13,200

woman

930

00:34:17,030 --> 00:34:15,760

and the man was trying to say to me or

931

00:34:18,550 --> 00:34:17,040

perhaps what you saw was a drone

932

00:34:20,629 --> 00:34:18,560

thinking that perhaps i'd seen these

933

00:34:23,270 --> 00:34:20,639

objects from a distance

934

00:34:25,430 --> 00:34:23,280

um so i said well unless they can make

935

00:34:27,430 --> 00:34:25,440

drones the height of this this room you

936

00:34:30,310 --> 00:34:27,440

know and six feet wide can fly

937

00:34:32,149 --> 00:34:30,320

completely silently and change color

938

00:34:33,909 --> 00:34:32,159

and then i'd have to concur eyes but i'm

939

00:34:34,790 --> 00:34:33,919

yet to see us build a pyramid that can

940

00:34:36,629 --> 00:34:34,800

fly

941

00:34:38,389 --> 00:34:36,639

and his head dropped but afterwards she

942

00:34:40,069 --> 00:34:38,399

came up to me the lady

943

00:34:42,149 --> 00:34:40,079

and she took me by the hand and she said

944

00:34:44,069 --> 00:34:42,159

the minister defense do know

945

00:34:46,389 --> 00:34:44,079

i said well i know they know because i

946

00:34:47,589 --> 00:34:46,399

was there and i saw them

947

00:34:48,950 --> 00:34:47,599

and she said i wish there were more

948

00:34:50,550 --> 00:34:48,960

people like you in the world that would

949

00:34:52,230 --> 00:34:50,560

stand up she said because the people

950

00:34:53,909 --> 00:34:52,240

should know the truth

951
00:34:55,510 --> 00:34:53,919
and when she walked away from me it was

952
00:34:57,910 --> 00:34:55,520
like she had the weight of the world on

953
00:34:59,349 --> 00:34:57,920
her shoulders and i suddenly felt

954
00:35:00,630 --> 00:34:59,359
quite sorry for these people that

955
00:35:02,790 --> 00:35:00,640
they're in these positions where they're

956
00:35:05,030 --> 00:35:02,800
forced to lie

957
00:35:07,670 --> 00:35:05,040
and and that needs to change because

958
00:35:09,349 --> 00:35:07,680
this involves everyone and i said in my

959
00:35:11,670 --> 00:35:09,359
very first speech

960
00:35:13,670 --> 00:35:11,680
um you know they can release 95 percent

961
00:35:15,510 --> 00:35:13,680
of it and perhaps there's five percent

962
00:35:20,790 --> 00:35:15,520
that people aren't ready to hear

963
00:35:24,470 --> 00:35:22,950

people need to know the difference if we

964

00:35:27,109 --> 00:35:24,480

have enemies

965

00:35:29,589 --> 00:35:27,119

or there are hostile extraterrestrials

966

00:35:31,109 --> 00:35:29,599

then we should know the difference

967

00:35:32,630 --> 00:35:31,119

so if there are hospitals perhaps

968

00:35:34,470 --> 00:35:32,640

there's a hotline that we can phone and

969

00:35:37,270 --> 00:35:34,480

say well actually you need to get your

970

00:35:38,950 --> 00:35:37,280

butts over here because this is going on

971

00:35:40,950 --> 00:35:38,960

but uh all right

972

00:35:42,310 --> 00:35:40,960

i i was stuck with a taxi driver once

973

00:35:43,750 --> 00:35:42,320

and i mentioned that we were talking

974

00:35:45,510 --> 00:35:43,760

about wherever i was probably going to a

975

00:35:47,750 --> 00:35:45,520

conference or something and mentioned

976

00:35:49,990 --> 00:35:47,760

aliens and he freaked out and it was

977

00:35:52,630 --> 00:35:50,000

genuine almost panic

978

00:35:54,630 --> 00:35:52,640

where he demanded that i not speak of it

979

00:35:55,829 --> 00:35:54,640

because he was too frightened to even

980

00:35:56,790 --> 00:35:55,839

think of it

981

00:36:02,470 --> 00:35:56,800

so

982

00:36:04,550 --> 00:36:02,480

of people who are not involved we all

983

00:36:07,430 --> 00:36:04,560

think that you know we're all ready for

984

00:36:08,310 --> 00:36:07,440

this but most people haven't even got a

985

00:36:11,109 --> 00:36:08,320

clue

986

00:36:13,750 --> 00:36:11,119

don't even know what roswell is you know

987

00:36:17,109 --> 00:36:13,760

unbelievable but you know

988

00:36:19,910 --> 00:36:17,119

a lot of people are not even thinking

989

00:36:22,390 --> 00:36:19,920

that this is even a possibility reality

990

00:36:23,750 --> 00:36:22,400

or too frightened of it so i'm not

991

00:36:26,069 --> 00:36:23,760

convinced

992

00:36:28,150 --> 00:36:26,079

especially with our governments and the

993

00:36:29,829 --> 00:36:28,160

way that they handle things that the

994

00:36:33,190 --> 00:36:29,839

truth

995

00:36:34,870 --> 00:36:33,200

is going to be helpful i just think it

996

00:36:36,550 --> 00:36:34,880

is not i don't mean that the religions

997

00:36:38,870 --> 00:36:36,560

would collapse the banks of bloody blood

998

00:36:41,589 --> 00:36:38,880

all that i mean i mean people just tend

999

00:36:44,150 --> 00:36:41,599

to be frozen in places with their

1000

00:36:47,030 --> 00:36:44,160

you know own apathy all the time

1001
00:36:49,430 --> 00:36:47,040
but you know it's a bit much if you've

1002
00:36:51,829 --> 00:36:49,440
really never even thought of it before i

1003
00:36:53,670 --> 00:36:51,839
agree we need to come together as a race

1004
00:36:54,390 --> 00:36:53,680
we're not the only ones and it would

1005
00:36:56,950 --> 00:36:54,400
give

1006
00:36:58,390 --> 00:36:56,960
our children direction

1007
00:37:00,390 --> 00:36:58,400
um

1008
00:37:02,230 --> 00:37:00,400
you know we're not top of the food chain

1009
00:37:04,390 --> 00:37:02,240
and it's hard time that's what we've

1010
00:37:06,310 --> 00:37:04,400
been talking about i've got kids around

1011
00:37:09,349 --> 00:37:06,320
me all the time they're not frightened

1012
00:37:12,470 --> 00:37:09,359
of the idea of it it's the older people

1013
00:37:14,310 --> 00:37:12,480

you know that seem to be fruits

1014

00:37:16,470 --> 00:37:14,320

i mean

1015

00:37:18,069 --> 00:37:16,480

if they really like technology we could

1016

00:37:20,150 --> 00:37:18,079

inhabit other planets you know

1017

00:37:21,349 --> 00:37:20,160

overpopulation problems just about

1018

00:37:23,030 --> 00:37:21,359

solved

1019

00:37:25,109 --> 00:37:23,040

um it would

1020

00:37:27,270 --> 00:37:25,119

steer our children into the sciences

1021

00:37:28,870 --> 00:37:27,280

that that they will need

1022

00:37:30,630 --> 00:37:28,880

for space travel i'm not saying that

1023

00:37:32,310 --> 00:37:30,640

everybody would want to

1024

00:37:33,990 --> 00:37:32,320

but certainly that's the way the human

1025

00:37:36,069 --> 00:37:34,000

race is going well

1026

00:37:38,870 --> 00:37:36,079

definitely going in that direction isn't

1027

00:37:40,870 --> 00:37:38,880

it so yeah and kids are born with all of

1028

00:37:42,550 --> 00:37:40,880

this stuff at their fingertips you know

1029

00:37:44,630 --> 00:37:42,560

people i still see people saying uh

1030

00:37:46,150 --> 00:37:44,640

people kids today they don't know no

1031

00:37:48,069 --> 00:37:46,160

i'll tell you what we don't know what

1032

00:37:50,470 --> 00:37:48,079

bomb they're the ones who've grown up

1033

00:37:53,109 --> 00:37:50,480

with this yeah the fingertips [h__h]

1034

00:37:54,630 --> 00:37:53,119

little babies you see mums have to give

1035

00:37:56,790 --> 00:37:54,640

babies their funds because they're all

1036

00:37:58,230 --> 00:37:56,800

flashy and shiny and the babies just

1037

00:38:00,550 --> 00:37:58,240

won't leave you alone so they get their

1038

00:38:02,310 --> 00:38:00,560

phones from being like six months old

1039

00:38:04,550 --> 00:38:02,320

and then they can figure that out from

1040

00:38:07,510 --> 00:38:04,560

that age well i've had five children two

1041

00:38:10,069 --> 00:38:07,520

grandchildren i've watched them doing it

1042

00:38:12,230 --> 00:38:10,079

so you know

1043

00:38:13,990 --> 00:38:12,240

well i didn't have technology when i was

1044

00:38:15,109 --> 00:38:14,000

growing up you know and with mobile

1045

00:38:16,630 --> 00:38:15,119

phones you have to have a separate

1046

00:38:19,510 --> 00:38:16,640

handbag

1047

00:38:20,310 --> 00:38:19,520

for it you know

1048

00:38:21,829 --> 00:38:20,320

um

1049

00:38:24,310 --> 00:38:21,839

i didn't even

1050

00:38:26,630 --> 00:38:24,320

was growing up

1051
00:38:29,109 --> 00:38:26,640
exactly you know it's her technology has

1052
00:38:31,829 --> 00:38:29,119
come on leaps and bounds

1053
00:38:33,670 --> 00:38:31,839
um but i think it's it's time that we

1054
00:38:35,430 --> 00:38:33,680
were told that we're not alone i think

1055
00:38:36,390 --> 00:38:35,440
the pentagon have done the right thing

1056
00:38:41,750 --> 00:38:36,400
they

1057
00:38:42,550 --> 00:38:41,760
public that ufos are real

1058
00:38:43,990 --> 00:38:42,560
um

1059
00:38:46,069 --> 00:38:44,000
but they're not saying where they're

1060
00:38:48,950 --> 00:38:46,079
from or who they are or what they're

1061
00:38:52,390 --> 00:38:48,960
doing and they do know

1062
00:38:54,550 --> 00:38:52,400
i spoke to sasha earlier today um

1063
00:38:56,069 --> 00:38:54,560

he he actually publicized the fact that

1064

00:38:59,109 --> 00:38:56,079

the united states and air force are

1065

00:39:02,290 --> 00:38:59,119

monitoring a frequency to know when

1066

00:39:03,430 --> 00:39:02,300

these quote ufos are going to appear

1067

00:39:04,470 --> 00:39:03,440

[Music]

1068

00:39:06,790 --> 00:39:04,480

um

1069

00:39:07,990 --> 00:39:06,800

because i'd always question how did they

1070

00:39:09,829 --> 00:39:08,000

know

1071

00:39:11,430 --> 00:39:09,839

that these craft were coming here

1072

00:39:13,990 --> 00:39:11,440

specifically

1073

00:39:15,829 --> 00:39:14,000

and they are monitoring a frequency the

1074

00:39:17,910 --> 00:39:15,839

satellites are

1075

00:39:19,990 --> 00:39:17,920

in communication with the e3 sentries

1076

00:39:22,950 --> 00:39:20,000

the aywax planes

1077

00:39:25,030 --> 00:39:22,960

directly so they can steer these this i

1078

00:39:26,069 --> 00:39:25,040

star project directly to where they need

1079

00:39:28,069 --> 00:39:26,079

it to be

1080

00:39:30,470 --> 00:39:28,079

and so their responses the surveillance

1081

00:39:32,390 --> 00:39:30,480

aircraft the two e3 centuries one of

1082

00:39:34,390 --> 00:39:32,400

which is from nato

1083

00:39:36,310 --> 00:39:34,400

is always involved

1084

00:39:38,710 --> 00:39:36,320

um and whatever else they need there's

1085

00:39:40,470 --> 00:39:38,720

this huge i think there are 28 task

1086

00:39:43,030 --> 00:39:40,480

forces worldwide

1087

00:39:46,710 --> 00:39:43,040

that are dealing with this phenomena 24

1088

00:39:47,510 --> 00:39:46,720

7. so that tells you how big this is

1089

00:39:48,870 --> 00:39:47,520

um

1090

00:39:50,390 --> 00:39:48,880

yeah i mean and that should be on

1091

00:39:51,910 --> 00:39:50,400

mainstream media shouldn't it i mean

1092

00:39:53,750 --> 00:39:51,920

nobody ever talks about it on mainstream

1093

00:39:55,510 --> 00:39:53,760

media unless they want to take the take

1094

00:39:58,069 --> 00:39:55,520

the mickey out of it

1095

00:40:00,550 --> 00:39:58,079

well right i think you know with the

1096

00:40:01,829 --> 00:40:00,560

types of people that were involved in

1097

00:40:04,710 --> 00:40:01,839

arctic

1098

00:40:05,910 --> 00:40:04,720

they've put a serious conversation on

1099

00:40:08,069 --> 00:40:05,920

the table

1100

00:40:11,829 --> 00:40:08,079

unless giggling

1101

00:40:13,910 --> 00:40:11,839

you know so i think if anything

1102

00:40:16,950 --> 00:40:13,920

we might not have really got disclosure

1103

00:40:17,990 --> 00:40:16,960

or anything near it but i think this

1104

00:40:21,589 --> 00:40:18,000

whole

1105

00:40:23,670 --> 00:40:21,599

bubble of stuff has elevated ufology

1106

00:40:25,190 --> 00:40:23,680

from the gutter

1107

00:40:26,309 --> 00:40:25,200

which you still deserve because it's

1108

00:40:27,349 --> 00:40:26,319

terrible

1109

00:40:30,150 --> 00:40:27,359

but

1110

00:40:32,309 --> 00:40:30,160

the discussion is

1111

00:40:33,990 --> 00:40:32,319

now high-end you know i mean it's not

1112

00:40:34,870 --> 00:40:34,000

just your blogger

1113

00:40:36,630 --> 00:40:34,880

um

1114

00:40:38,630 --> 00:40:36,640

so i think

1115

00:40:41,589 --> 00:40:38,640

that's our best takeaway from all of

1116

00:40:43,190 --> 00:40:41,599

that at the moment yeah indeed and you

1117

00:40:44,550 --> 00:40:43,200

know what have the military done this is

1118

00:40:48,069 --> 00:40:44,560

the point that they've been shooting

1119

00:40:50,230 --> 00:40:48,079

these things down since the 1940s

1120

00:40:51,430 --> 00:40:50,240

as far back as i can go but maybe before

1121

00:40:54,550 --> 00:40:51,440

then

1122

00:40:56,870 --> 00:40:54,560

and that is an act of hostility on our

1123

00:40:59,190 --> 00:40:56,880

part um i think they were targeting

1124

00:41:01,670 --> 00:40:59,200

radar on them in the in the 1940s and

1125

00:41:02,710 --> 00:41:01,680

discovered that brought them down

1126

00:41:04,950 --> 00:41:02,720

um

1127

00:41:07,270 --> 00:41:04,960

yeah i heard that

1128

00:41:09,589 --> 00:41:07,280

uh are we in trouble you know is that

1129

00:41:11,430 --> 00:41:09,599

why that you know suddenly we've got

1130

00:41:13,510 --> 00:41:11,440

space force and

1131

00:41:16,150 --> 00:41:13,520

in in the public eye i mean now not the

1132

00:41:17,750 --> 00:41:16,160

secret space force but an actual space

1133

00:41:20,230 --> 00:41:17,760

force that if you join the air force you

1134

00:41:21,589 --> 00:41:20,240

can actually be part of you know they're

1135

00:41:23,750 --> 00:41:21,599

doing all of this without our knowledge

1136

00:41:25,430 --> 00:41:23,760

and without our consent

1137

00:41:28,309 --> 00:41:25,440

and we pay for it

1138

00:41:32,230 --> 00:41:30,069

yeah well there's other stuff going on

1139

00:41:34,470 --> 00:41:32,240

that is far more sinister

1140

00:41:35,589 --> 00:41:34,480

so yeah i mean there's a lot to unpack

1141

00:41:36,950 --> 00:41:35,599

there

1142

00:41:39,670 --> 00:41:36,960

yeah indeed

1143

00:41:42,309 --> 00:41:39,680

they have been visiting us since ancient

1144

00:41:44,069 --> 00:41:42,319

times i mean there's so much ancient

1145

00:41:46,950 --> 00:41:44,079

evidence that these

1146

00:41:50,390 --> 00:41:46,960

people from the stars came here

1147

00:41:51,910 --> 00:41:50,400

um but there's also a lot of negative

1148

00:41:53,430 --> 00:41:51,920

stuff that's going on people are being

1149

00:41:55,349 --> 00:41:53,440

abducted

1150

00:41:57,349 --> 00:41:55,359

and some people are not returned well

1151
00:41:58,870 --> 00:41:57,359
people as thousands of people disappear

1152
00:42:00,870 --> 00:41:58,880
every year don't they in fact you know

1153
00:42:04,390 --> 00:42:00,880
probably get into the museum every year

1154
00:42:05,589 --> 00:42:04,400
yeah tens of thousands of people

1155
00:42:06,950 --> 00:42:05,599
well they reckon there's millions of

1156
00:42:08,470 --> 00:42:06,960
people don't know millions of people go

1157
00:42:10,230 --> 00:42:08,480
missing every year we don't know why but

1158
00:42:11,510 --> 00:42:10,240
so many of them never

1159
00:42:12,950 --> 00:42:11,520
found again we don't know where they've

1160
00:42:15,510 --> 00:42:12,960
gone

1161
00:42:18,470 --> 00:42:15,520
there's lots of reasons why

1162
00:42:21,670 --> 00:42:18,480
with such a massive volume there it's

1163
00:42:23,829 --> 00:42:21,680

quite it makes you think

1164

00:42:26,870 --> 00:42:23,839

i think senator richard blumenthal said

1165

00:42:28,790 --> 00:42:26,880

it best in the senate hearing with

1166

00:42:31,589 --> 00:42:28,800

general dunford when they were going for

1167

00:42:34,390 --> 00:42:31,599

the funding for space posts

1168

00:42:37,109 --> 00:42:34,400

and it was the way in which he said

1169

00:42:38,390 --> 00:42:37,119

we know what they are doing our

1170

00:42:40,630 --> 00:42:38,400

adversaries

1171

00:42:42,390 --> 00:42:40,640

what they are doing and they know that

1172

00:42:44,790 --> 00:42:42,400

we know what they are doing but the

1173

00:42:46,790 --> 00:42:44,800

american people have no idea and if they

1174

00:42:48,790 --> 00:42:46,800

did there would be some great concern

1175

00:42:50,550 --> 00:42:48,800

we're all human beings and we are one

1176

00:42:52,230 --> 00:42:50,560

race and if anything happens to this

1177

00:42:54,870 --> 00:42:52,240

planet as a whole

1178

00:42:57,750 --> 00:42:54,880

you can wave bye bye

1179

00:42:59,670 --> 00:42:57,760

but i think people are at risk

1180

00:43:02,630 --> 00:42:59,680

i think we've been foolish and naive to

1181

00:43:04,870 --> 00:43:02,640

believe that all life forms are benign

1182

00:43:07,910 --> 00:43:04,880

some families are destroyed by this

1183

00:43:09,910 --> 00:43:07,920

stuff yeah let me tell you i'm speaking

1184

00:43:13,030 --> 00:43:09,920

it's coming from one

1185

00:43:15,670 --> 00:43:13,040

you know being the matriarch of one

1186

00:43:18,550 --> 00:43:15,680

destroyed family because i was destroyed

1187

00:43:20,230 --> 00:43:18,560

by all this yeah you had an horrific

1188

00:43:22,550 --> 00:43:20,240

experience sasha

1189

00:43:24,470 --> 00:43:22,560

never mind life as well all the [h__\h]

1190

00:43:27,510 --> 00:43:24,480

that went on in my life

1191

00:43:30,550 --> 00:43:27,520

you know it's just this in you know in

1192

00:43:32,710 --> 00:43:30,560

like normal life yeah and attacks for it

1193

00:43:34,950 --> 00:43:32,720

as well yeah

1194

00:43:37,589 --> 00:43:34,960

it's just too much it's too much in

1195

00:43:41,670 --> 00:43:37,599

people malfunction carrying the burden

1196

00:43:42,870 --> 00:43:41,680

of the knowledge of this phenomena

1197

00:43:46,150 --> 00:43:42,880

and

1198

00:43:47,829 --> 00:43:46,160

some of the surrounding subjects

1199

00:43:49,190 --> 00:43:47,839

and people

1200

00:43:51,109 --> 00:43:49,200

on the scene

1201
00:43:53,430 --> 00:43:51,119
are damaging

1202
00:43:56,150 --> 00:43:53,440
the whole thing is just shocking yeah i

1203
00:43:59,109 --> 00:43:56,160
i am not i am shocked

1204
00:44:00,630 --> 00:43:59,119
completely immeasurably forever and ever

1205
00:44:03,190 --> 00:44:00,640
and you can't do anything about that

1206
00:44:06,069 --> 00:44:03,200
you've got no choice now it's just been

1207
00:44:12,150 --> 00:44:06,079
like landed on you here i have that

1208
00:44:15,990 --> 00:44:14,790
you know oh my god that is not even the

1209
00:44:19,349 --> 00:44:16,000
point

1210
00:44:20,870 --> 00:44:19,359
what matters is what is happening

1211
00:44:23,190 --> 00:44:20,880
some people have said to me how can you

1212
00:44:24,950 --> 00:44:23,200
recall with such detail

1213
00:44:27,589 --> 00:44:24,960

and i've always said well if you have a

1214

00:44:29,990 --> 00:44:27,599

traumatic experience in your life

1215

00:44:33,190 --> 00:44:30,000

it doesn't matter what it is

1216

00:44:35,829 --> 00:44:33,200

you will remember that day in detail

1217

00:44:37,589 --> 00:44:35,839

whatever that trauma is in your life

1218

00:44:40,069 --> 00:44:37,599

you're in there forever and it will play

1219

00:44:41,990 --> 00:44:40,079

every day in your head forever

1220

00:44:43,510 --> 00:44:42,000

like you know how can you remember well

1221

00:44:45,589 --> 00:44:43,520

i can remember because my brain won't

1222

00:44:48,069 --> 00:44:45,599

let me forget actually because just

1223

00:44:50,390 --> 00:44:48,079

every single hour of every single day

1224

00:44:52,309 --> 00:44:50,400

for years it's just going to play out

1225

00:44:54,390 --> 00:44:52,319

over and over and over again

1226

00:44:56,950 --> 00:44:54,400

until you're just completely insane with

1227

00:44:58,550 --> 00:44:56,960

that you know that's what it does unless

1228

00:45:02,550 --> 00:44:58,560

you can get the counselling unless you

1229

00:45:04,790 --> 00:45:02,560

can afford to get help or if you somehow

1230

00:45:07,349 --> 00:45:04,800

just manage to be okay with it but some

1231

00:45:10,150 --> 00:45:07,359

members are just not okay this happened

1232

00:45:13,349 --> 00:45:10,160

on my doorstep literally

1233

00:45:16,230 --> 00:45:13,359

and uh it will always be there and i

1234

00:45:17,910 --> 00:45:16,240

can't escape it i just can't and i've

1235

00:45:19,430 --> 00:45:17,920

been placed in a situation now where i

1236

00:45:21,589 --> 00:45:19,440

have to go forward

1237

00:45:23,829 --> 00:45:21,599

and i will for all of us

1238

00:45:26,710 --> 00:45:23,839

i will go and keep going and keep poking

1239

00:45:29,430 --> 00:45:26,720

the bear until i get an answer

1240

00:45:31,349 --> 00:45:29,440

because your brain won't let you blow

1241

00:45:33,589 --> 00:45:31,359

your heart won't let you leave it alone

1242

00:45:35,190 --> 00:45:33,599

you know and people go about on about

1243

00:45:37,750 --> 00:45:35,200

motivations that i don't have a

1244

00:45:40,710 --> 00:45:37,760

motivation i can't stop myself

1245

00:45:43,349 --> 00:45:40,720

it's not even me wanting to even do this

1246

00:45:44,790 --> 00:45:43,359

because i really don't i hate it i hate

1247

00:45:46,710 --> 00:45:44,800

everything that he's done to my life and

1248

00:45:48,870 --> 00:45:46,720

everything that he's left me with

1249

00:45:50,150 --> 00:45:48,880

but i've got no choice because i'm just

1250

00:45:53,349 --> 00:45:50,160

stuck with it

1251
00:45:55,349 --> 00:45:53,359
as as a permanent you know and it can

1252
00:45:58,790 --> 00:45:55,359
override everything in my day i have to

1253
00:46:01,829 --> 00:45:58,800
find ways to override it because it just

1254
00:46:04,150 --> 00:46:01,839
saturates you it changes you and you

1255
00:46:06,710 --> 00:46:04,160
just feel driven to do something it's

1256
00:46:08,309 --> 00:46:06,720
not even planned it's not calculated

1257
00:46:11,190 --> 00:46:08,319
just got to

1258
00:46:13,670 --> 00:46:11,200
do something because i can't sit here

1259
00:46:15,670 --> 00:46:13,680
not doing something i don't even know if

1260
00:46:19,349 --> 00:46:15,680
anything that i ever do makes any bloody

1261
00:46:20,069 --> 00:46:19,359
difference to anyone it just helps me

1262
00:46:24,150 --> 00:46:20,079
get

1263
00:46:27,030 --> 00:46:24,160

i'm literally with it because i'm not a

1264

00:46:28,790 --> 00:46:27,040

choice i can't put it down i can't

1265

00:46:30,630 --> 00:46:28,800

pretend it never happened

1266

00:46:31,910 --> 00:46:30,640

right you know what if post traumatic

1267

00:46:33,910 --> 00:46:31,920

stress does to you and this is what

1268

00:46:35,270 --> 00:46:33,920

people don't get you know like i've

1269

00:46:36,710 --> 00:46:35,280

tried to say well if there's a war

1270

00:46:38,150 --> 00:46:36,720

veteran who's suffering with post

1271

00:46:39,750 --> 00:46:38,160

traumatic stress

1272

00:46:42,309 --> 00:46:39,760

he can come home and get counselling

1273

00:46:44,309 --> 00:46:42,319

because i can get help you know but you

1274

00:46:46,150 --> 00:46:44,319

put that war veteran back into a war

1275

00:46:48,309 --> 00:46:46,160

situation and he's going to go straight

1276

00:46:49,349 --> 00:46:48,319

back into ptsd

1277

00:46:51,030 --> 00:46:49,359

um

1278

00:46:52,870 --> 00:46:51,040

you know that there's no profit in the

1279

00:46:54,550 --> 00:46:52,880

book for me at all i didn't do it for

1280

00:46:57,990 --> 00:46:54,560

profit otherwise it wouldn't be on

1281

00:47:00,550 --> 00:46:58,000

kindle for free um i did it because

1282

00:47:02,309 --> 00:47:00,560

everybody has a right to know the truth

1283

00:47:03,750 --> 00:47:02,319

and i want the people to see the

1284

00:47:05,270 --> 00:47:03,760

evidence which is why it's all in the

1285

00:47:07,589 --> 00:47:05,280

book it's not a story it's a

1286

00:47:10,550 --> 00:47:07,599

presentation of the evidence in their

1287

00:47:12,790 --> 00:47:10,560

words not mine i think we i think most

1288

00:47:15,430 --> 00:47:12,800

of us know that very few people make a

1289

00:47:17,109 --> 00:47:15,440

lot of money out of ufology um you know

1290

00:47:19,190 --> 00:47:17,119

there's only the very few names that

1291

00:47:21,270 --> 00:47:19,200

might sort of make a a good living out

1292

00:47:25,349 --> 00:47:21,280

of it um i don't know of any that make

1293

00:47:28,150 --> 00:47:26,870

um we know quite a few people in the

1294

00:47:29,910 --> 00:47:28,160

business don't worry if you want to call

1295

00:47:33,030 --> 00:47:29,920

it a business well it was very important

1296

00:47:34,950 --> 00:47:33,040

to have uh you and sasha you know kez

1297

00:47:38,069 --> 00:47:34,960

and sasha on the same show together

1298

00:47:41,510 --> 00:47:38,079

because you both suffered a lot of um

1299

00:47:43,430 --> 00:47:41,520

stress and trolls on facebook etc

1300

00:47:45,349 --> 00:47:43,440

um and i think gary did to a certain

1301

00:47:47,270 --> 00:47:45,359

extent as well didn't you gary

1302

00:47:49,190 --> 00:47:47,280

no i've been attacked and i've been

1303

00:47:50,630 --> 00:47:49,200

trolled and i've had my abusers and this

1304

00:47:52,150 --> 00:47:50,640

and that but to be honest it's like

1305

00:47:53,670 --> 00:47:52,160

whatever ducks back to me now because

1306

00:47:55,910 --> 00:47:53,680

i've had it for so long

1307

00:47:57,109 --> 00:47:55,920

i just don't pay attention to it

1308

00:47:58,309 --> 00:47:57,119

because what can you do well they're

1309

00:47:59,829 --> 00:47:58,319

going to say what they want to say

1310

00:48:00,790 --> 00:47:59,839

they're going to do what they want to do

1311

00:48:06,309 --> 00:48:00,800

and

1312

00:48:07,670 --> 00:48:06,319

i don't feed them i don't feed the troll

1313

00:48:09,510 --> 00:48:07,680

because at the end of the day they just

1314

00:48:11,190 --> 00:48:09,520

want a reaction they'll use any little

1315

00:48:13,510 --> 00:48:11,200

word or any little sentence and they'll

1316

00:48:14,390 --> 00:48:13,520

forget the whole story you know and all

1317

00:48:16,390 --> 00:48:14,400

the

1318

00:48:17,589 --> 00:48:16,400

all is just look for one little thing

1319

00:48:19,430 --> 00:48:17,599

and that becomes the basis of their

1320

00:48:22,790 --> 00:48:19,440

argument so i just don't bother with it

1321

00:48:25,270 --> 00:48:22,800

it um i mean i i i find myself i've come

1322

00:48:26,630 --> 00:48:25,280

under more of um

1323

00:48:28,710 --> 00:48:26,640

attacks on my machine you know i've

1324

00:48:33,190 --> 00:48:28,720

noticed that uh certain things i've ever

1325

00:48:35,990 --> 00:48:34,549

there's so many computers since i

1326

00:48:37,510 --> 00:48:36,000

started working with carson is funny

1327

00:48:38,950 --> 00:48:37,520

enough i've had several hard drives and

1328

00:48:40,230 --> 00:48:38,960

computers go funny on me even though

1329

00:48:41,030 --> 00:48:40,240

they were all some of them were brand

1330

00:48:43,190 --> 00:48:41,040

new

1331

00:48:44,630 --> 00:48:43,200

as well and you know it's just like

1332

00:48:45,670 --> 00:48:44,640

what's going on i think somebody taught

1333

00:48:48,630 --> 00:48:45,680

the heck you just now because you

1334

00:48:50,870 --> 00:48:48,640

required

1335

00:48:52,630 --> 00:48:50,880

um i'll just read a little bit from the

1336

00:48:54,069 --> 00:48:52,640

from the back of the book yeah in my

1337

00:48:56,150 --> 00:48:54,079

summing up

1338

00:48:57,750 --> 00:48:56,160

and i've said the evidence is vast in

1339

00:48:59,829 --> 00:48:57,760

this case and i would ask you to

1340

00:49:01,750 --> 00:48:59,839

scrutinize it closely

1341

00:49:04,150 --> 00:49:01,760

the truth is right here and i ask you to

1342

00:49:06,069 --> 00:49:04,160

find it within these pages

1343

00:49:08,390 --> 00:49:06,079

if there is nothing to hide why have

1344

00:49:10,630 --> 00:49:08,400

they lied and lied again and in some

1345

00:49:12,230 --> 00:49:10,640

cases confirmed for a second time and

1346

00:49:13,990 --> 00:49:12,240

still lied

1347

00:49:16,069 --> 00:49:14,000

i put it to you not only the authorities

1348

00:49:18,309 --> 00:49:16,079

lied in this case and have covered up

1349

00:49:20,630 --> 00:49:18,319

the truth but the military knowingly and

1350

00:49:22,549 --> 00:49:20,640

expectantly intercepted and engaged a

1351
00:49:25,349 --> 00:49:22,559
huge pyramid ufo and the crafted

1352
00:49:27,030 --> 00:49:25,359
jefferson that were not hostile

1353
00:49:29,190 --> 00:49:27,040
and without trying to first establish

1354
00:49:33,030 --> 00:49:29,200
any form of peaceful communications

1355
00:49:34,790 --> 00:49:33,040
pursued and fired upon it without mercy

1356
00:49:36,710 --> 00:49:34,800
it is time for truth exposure in this

1357
00:49:38,390 --> 00:49:36,720
country and across the world

1358
00:49:40,549 --> 00:49:38,400
time to at least try to correct what has

1359
00:49:42,950 --> 00:49:40,559
been done before it is too late for us

1360
00:49:44,870 --> 00:49:42,960
in our children our planet and the

1361
00:49:47,109 --> 00:49:44,880
entire human race

1362
00:49:47,990 --> 00:49:47,119
i ask you to be my judging jury in this

1363
00:49:50,230 --> 00:49:48,000

case

1364

00:49:52,150 --> 00:49:50,240

and to seek the truth in this matter and

1365

00:49:54,470 --> 00:49:52,160

to find the only answer that really does

1366

00:49:56,790 --> 00:49:54,480

make any sense at all is the pentagon

1367

00:49:59,670 --> 00:49:56,800

qfo instant of 2016

1368

00:50:00,790 --> 00:49:59,680

above and beyond any reasonable doubt

1369

00:50:03,270 --> 00:50:00,800

was real

1370

00:50:05,349 --> 00:50:03,280

but that's just uh some you know i could

1371

00:50:07,510 --> 00:50:05,359

go into some of the evidence and some of

1372

00:50:08,710 --> 00:50:07,520

the lies that they've told hmm yeah

1373

00:50:10,150 --> 00:50:08,720

would you like to give us a couple of

1374

00:50:11,910 --> 00:50:10,160

samples of that i mean you don't want to

1375

00:50:13,430 --> 00:50:11,920

give too much the book away of course i

1376

00:50:17,030 --> 00:50:13,440

know although we can read it for nothing

1377

00:50:18,870 --> 00:50:17,040

on kindle i'll i'll just read this very

1378

00:50:20,870 --> 00:50:18,880

quickly then if i ask you to be a

1379

00:50:22,630 --> 00:50:20,880

jewelry member in a court of law

1380

00:50:24,230 --> 00:50:22,640

i would ask you to set aside your

1381

00:50:26,470 --> 00:50:24,240

personal beliefs and try this case on

1382

00:50:29,270 --> 00:50:26,480

the evidence put before you i would

1383

00:50:30,870 --> 00:50:29,280

remind you the jury if a witness lies

1384

00:50:32,950 --> 00:50:30,880

you can throw out all or part of their

1385

00:50:33,990 --> 00:50:32,960

testimony but which part would you

1386

00:50:35,910 --> 00:50:34,000

believe

1387

00:50:38,230 --> 00:50:35,920

if multiple witnesses are caught lying

1388

00:50:39,670 --> 00:50:38,240

under oath it is a conspiracy to cover

1389

00:50:41,829 --> 00:50:39,680

up the truth

1390

00:50:45,349 --> 00:50:41,839

no official governing body or emergency

1391

00:50:47,910 --> 00:50:45,359

service received any prior notification

1392

00:50:49,750 --> 00:50:47,920

national resources for wales lied about

1393

00:50:52,790 --> 00:50:49,760

why the trees were failed in smiler

1394

00:50:54,309 --> 00:50:52,800

woods there is no plan on health notice

1395

00:50:56,390 --> 00:50:54,319

the police lied about any knowledge of

1396

00:50:58,790 --> 00:50:56,400

road closures that night whilst knowing

1397

00:51:00,790 --> 00:50:58,800

which officers were involved

1398

00:51:02,950 --> 00:51:00,800

the military defense relied on several

1399

00:51:04,870 --> 00:51:02,960

official government documents multiple

1400

00:51:05,829 --> 00:51:04,880

times and this is part of the public

1401
00:51:07,670 --> 00:51:05,839
record

1402
00:51:09,109 --> 00:51:07,680
they lied about having any knowledge of

1403
00:51:10,549 --> 00:51:09,119
the planes over penn turk in the

1404
00:51:11,990 --> 00:51:10,559
preceding days

1405
00:51:13,510 --> 00:51:12,000
they lied about hovering low over

1406
00:51:15,910 --> 00:51:13,520
people's homes in the early hours of the

1407
00:51:18,549 --> 00:51:15,920
morning they lied about exceeding the no

1408
00:51:20,069 --> 00:51:18,559
tam by at least 50 miles something they

1409
00:51:22,549 --> 00:51:20,079
would never do

1410
00:51:24,790 --> 00:51:22,559
the mod lied about sending a clean-up

1411
00:51:26,870 --> 00:51:24,800
crew to the fields of penn turk and lied

1412
00:51:28,150 --> 00:51:26,880
about their identity whilst in the films

1413
00:51:30,069 --> 00:51:28,160

of pento

1414

00:51:32,150 --> 00:51:30,079

they modi lied about knowing who the

1415

00:51:33,430 --> 00:51:32,160

people were in the fields of pentuke and

1416

00:51:35,589 --> 00:51:33,440

when checking for a second time

1417

00:51:37,109 --> 00:51:35,599

confirmed no information was held but

1418

00:51:38,950 --> 00:51:37,119

that was a lie too

1419

00:51:41,109 --> 00:51:38,960

they also lied about the simulated

1420

00:51:44,069 --> 00:51:41,119

munitions causing the explosions that

1421

00:51:46,069 --> 00:51:44,079

shook people's homes and the hospital

1422

00:51:48,470 --> 00:51:46,079

and the answers they did give all fell

1423

00:51:50,630 --> 00:51:48,480

within the realms of section 26

1424

00:51:52,150 --> 00:51:50,640

not in the public interest well i

1425

00:51:54,390 --> 00:51:52,160

believe it's very much in the public

1426

00:51:57,670 --> 00:51:54,400

interest and these are all things that

1427

00:52:01,510 --> 00:51:59,510

those are just some of the lies that

1428

00:52:03,030 --> 00:52:01,520

they told

1429

00:52:04,470 --> 00:52:03,040

i mean you certainly lay it on the line

1430

00:52:06,790 --> 00:52:04,480

there for them are you going to be

1431

00:52:10,549 --> 00:52:06,800

sending a copy of your book to the

1432

00:52:12,230 --> 00:52:10,559

police etc read what you said

1433

00:52:13,829 --> 00:52:12,240

uh not until we finished our

1434

00:52:14,870 --> 00:52:13,839

investigation

1435

00:52:17,030 --> 00:52:14,880

um

1436

00:52:18,710 --> 00:52:17,040

and it's still ongoing gary and i are at

1437

00:52:21,190 --> 00:52:18,720

present in the middle of doing the

1438

00:52:22,549 --> 00:52:21,200

second phase of the investigation um

1439

00:52:24,150 --> 00:52:22,559

because there's been an awful lot of

1440

00:52:25,670 --> 00:52:24,160

backfilling

1441

00:52:27,990 --> 00:52:25,680

attempted by the ministry of defense and

1442

00:52:30,309 --> 00:52:28,000

the police and the hospital

1443

00:52:33,510 --> 00:52:30,319

um and so we're in the process of

1444

00:52:35,750 --> 00:52:33,520

dissecting that which is it just gets

1445

00:52:37,190 --> 00:52:35,760

funnier as you go along you know the the

1446

00:52:38,790 --> 00:52:37,200

more likes they tell the deeper the

1447

00:52:41,510 --> 00:52:38,800

whole yeah and the deeper the more

1448

00:52:43,430 --> 00:52:41,520

they're just ending up very yeah can i

1449

00:52:45,910 --> 00:52:43,440

can i maybe just uh there's something

1450

00:52:47,670 --> 00:52:45,920

not in the book but something that i was

1451

00:52:50,069 --> 00:52:47,680

working on now

1452

00:52:51,190 --> 00:52:50,079

very interesting uh show we did a show

1453

00:52:53,430 --> 00:52:51,200

with uh

1454

00:52:54,950 --> 00:52:53,440

kev baker one time and cars introduced a

1455

00:52:57,349 --> 00:52:54,960

really interesting piece of evidence

1456

00:52:59,510 --> 00:52:57,359

where you found that um

1457

00:53:01,270 --> 00:52:59,520

the forestry commission had failed an

1458

00:53:02,950 --> 00:53:01,280

area that was not supposed to be further

1459

00:53:05,430 --> 00:53:02,960

they said it had large disease in that

1460

00:53:06,710 --> 00:53:05,440

area but you found the maps and the

1461

00:53:08,150 --> 00:53:06,720

points of years they were supposed to be

1462

00:53:09,750 --> 00:53:08,160

cutting things down there was nothing

1463

00:53:12,470 --> 00:53:09,760

for that area where the impact site is

1464

00:53:16,790 --> 00:53:12,480

isn't it that's right okay

1465

00:53:19,589 --> 00:53:16,800

now um i was looking uh on a couple of

1466

00:53:22,150 --> 00:53:19,599

websites and i was wondering about this

1467

00:53:24,710 --> 00:53:22,160

beechnraft king of 350 king aircraft the

1468

00:53:26,710 --> 00:53:24,720

one we call uh the snake the snake 48 or

1469

00:53:28,549 --> 00:53:26,720

that's a418

1470

00:53:30,549 --> 00:53:28,559

now i found a very interesting page and

1471

00:53:33,750 --> 00:53:30,559

i've actually managed to locate it here

1472

00:53:35,589 --> 00:53:33,760

because i remember when we were doing um

1473

00:53:38,470 --> 00:53:35,599

when we were doing our initial searches

1474

00:53:41,349 --> 00:53:38,480

online i found a section on uh

1475

00:53:43,030 --> 00:53:41,359

the way was it current lasted yeah yes a

1476

00:53:44,790 --> 00:53:43,040

lot of the story had been deleted but

1477

00:53:46,950 --> 00:53:44,800

somebody had posted it on facebook and

1478

00:53:48,309 --> 00:53:46,960

the comments were all there and some

1479

00:53:50,309 --> 00:53:48,319

comments were on other places and i

1480

00:53:52,309 --> 00:53:50,319

found someone named um

1481

00:53:54,829 --> 00:53:52,319

well moyer i'll just call it that

1482

00:53:57,829 --> 00:53:54,839

the name is in the book

1483

00:53:59,349 --> 00:53:57,839

um now her father was a patient at the

1484

00:54:02,630 --> 00:53:59,359

hospital

1485

00:54:05,030 --> 00:54:02,640

and he he recalled hearing gun shots not

1486

00:54:05,990 --> 00:54:05,040

missile or big bangs i mean that did

1487

00:54:09,910 --> 00:54:06,000

happen

1488

00:54:11,990 --> 00:54:09,920

hearing something like machine gun fire

1489

00:54:13,430 --> 00:54:12,000

now this man worked in the raf and he

1490

00:54:15,670 --> 00:54:13,440

knows the sound of what these things

1491

00:54:18,230 --> 00:54:15,680

sound like and he was quite unnerved by

1492

00:54:22,950 --> 00:54:18,240

this now it was around the time that

1493

00:54:24,470 --> 00:54:22,960

after the pyramid craft uh left the area

1494

00:54:25,589 --> 00:54:24,480

and

1495

00:54:28,069 --> 00:54:25,599

the

1496

00:54:30,470 --> 00:54:28,079

snake 48 plane had gone over to

1497

00:54:32,150 --> 00:54:30,480

uh the smile goods area because

1498

00:54:33,750 --> 00:54:32,160

smiling woods is

1499

00:54:35,750 --> 00:54:33,760

quite interesting if he didn't have the

1500

00:54:37,430 --> 00:54:35,760

pancreatic field smiling would be a very

1501
00:54:39,030 --> 00:54:37,440
interesting case on its own

1502
00:54:41,510 --> 00:54:39,040
you'd have a lot of evidence there and

1503
00:54:42,870 --> 00:54:41,520
what what i discovered here is that um

1504
00:54:45,030 --> 00:54:42,880
with this

1505
00:54:47,030 --> 00:54:45,040
plane that we're talking about shadow r1

1506
00:54:49,589 --> 00:54:47,040
is sometimes what it's called

1507
00:54:51,270 --> 00:54:49,599
it's so secretive and it's not very much

1508
00:54:53,829 --> 00:54:51,280
known about the kind of capabilities

1509
00:54:56,950 --> 00:54:53,839
this plane has but i did find something

1510
00:54:58,150 --> 00:54:56,960
on a raytheon's uh air force technology

1511
00:55:00,390 --> 00:54:58,160
website and

1512
00:55:02,789 --> 00:55:00,400
it tells me that this particular system

1513
00:55:05,829 --> 00:55:02,799

has something called um

1514

00:55:08,549 --> 00:55:05,839

infrared system synthetic aperture radar

1515

00:55:11,510 --> 00:55:08,559

inverse synthetic aperture radar

1516

00:55:14,390 --> 00:55:11,520

uh that's quite a lot to to go into but

1517

00:55:17,109 --> 00:55:14,400

the basic the basic thing of it is it

1518

00:55:19,829 --> 00:55:17,119

says on one website here iso technology

1519

00:55:21,270 --> 00:55:19,839

uses relative movement of the target

1520

00:55:23,030 --> 00:55:21,280

rather than the emitter to create the

1521

00:55:24,710 --> 00:55:23,040

synthetic aperture

1522

00:55:26,150 --> 00:55:24,720

it says the iso antenna can be mounted

1523

00:55:28,069 --> 00:55:26,160

into airporn

1524

00:55:30,150 --> 00:55:28,079

platform alternatively iso can also be

1525

00:55:31,270 --> 00:55:30,160

used by one or more ground based antenna

1526
00:55:34,309 --> 00:55:31,280
to generate this

1527
00:55:36,470 --> 00:55:34,319
2d or 3d radar image of an object moving

1528
00:55:38,309 --> 00:55:36,480
in the field of view now this particular

1529
00:55:39,510 --> 00:55:38,319
radar can cut through

1530
00:55:41,750 --> 00:55:39,520
cloud

1531
00:55:43,910 --> 00:55:41,760
follow it foliage forest and any other

1532
00:55:46,710 --> 00:55:43,920
thick area right

1533
00:55:48,390 --> 00:55:46,720
and it can create a 2d 3d radar image of

1534
00:55:50,150 --> 00:55:48,400
something in the area now this is what

1535
00:55:52,150 --> 00:55:50,160
i'm getting at

1536
00:55:54,230 --> 00:55:52,160
cars

1537
00:55:56,309 --> 00:55:54,240
uh showed that in the radar returns when

1538
00:55:58,069 --> 00:55:56,319

the plane left the pentagon field it

1539

00:56:00,309 --> 00:55:58,079

went over to

1540

00:56:02,230 --> 00:56:00,319

the smile was area

1541

00:56:05,190 --> 00:56:02,240

it circled that area and the circles got

1542

00:56:07,190 --> 00:56:05,200

smaller didn't it cause yes okay

1543

00:56:09,190 --> 00:56:07,200

right now this is two interesting points

1544

00:56:10,390 --> 00:56:09,200

here right we've got

1545

00:56:13,349 --> 00:56:10,400

um

1546

00:56:15,190 --> 00:56:13,359

the emf trail that follows into the

1547

00:56:17,270 --> 00:56:15,200

impact site but also if you follow it

1548

00:56:18,630 --> 00:56:17,280

back it goes to the royal morgan

1549

00:56:19,510 --> 00:56:18,640

hospital where that big explosion

1550

00:56:20,789 --> 00:56:19,520

happened

1551

00:56:22,870 --> 00:56:20,799

and all the buildings shook and the

1552

00:56:24,870 --> 00:56:22,880

smoke and everything and lancers and

1553

00:56:26,390 --> 00:56:24,880

comments to the right of the on the map

1554

00:56:28,390 --> 00:56:26,400

anyway

1555

00:56:29,430 --> 00:56:28,400

the point i'm getting that here is that

1556

00:56:30,950 --> 00:56:29,440

it's

1557

00:56:32,710 --> 00:56:30,960

very likely and i would even say this is

1558

00:56:34,870 --> 00:56:32,720

true that that green object that managed

1559

00:56:36,230 --> 00:56:34,880

to distract all the other planes and let

1560

00:56:38,069 --> 00:56:36,240

it over

1561

00:56:40,069 --> 00:56:38,079

uh northwesterly the one that fired the

1562

00:56:41,589 --> 00:56:40,079

three strobes cars yes

1563

00:56:44,549 --> 00:56:41,599

i've said right this is this is how i

1564

00:56:46,789 --> 00:56:44,559

piece it together that it went that way

1565

00:56:49,190 --> 00:56:46,799

it must have i i do strongly believe it

1566

00:56:50,549 --> 00:56:49,200

hid in the woods because as soon as the

1567

00:56:51,430 --> 00:56:50,559

the plane that was circling the one that

1568

00:56:55,109 --> 00:56:51,440

was

1569

00:56:57,030 --> 00:56:55,119

snake 48 it immediately went over to

1570

00:56:59,430 --> 00:56:57,040

that area and the circles got smaller

1571

00:57:01,670 --> 00:56:59,440

and smaller and smaller until eventually

1572

00:57:03,030 --> 00:57:01,680

it seemed all the aircraft

1573

00:57:04,789 --> 00:57:03,040

got to that area and one of the

1574

00:57:06,870 --> 00:57:04,799

helicopters was firing machine gun

1575

00:57:08,710 --> 00:57:06,880

bullets at the forest trying to force

1576
00:57:10,870 --> 00:57:08,720
this thing up because they from the 2d

1577
00:57:13,030 --> 00:57:10,880
3d radar they knew exactly how to

1578
00:57:14,309 --> 00:57:13,040
pinpoint it

1579
00:57:16,710 --> 00:57:14,319
that's that do you see do you understand

1580
00:57:18,789 --> 00:57:16,720
what i'm saying david stanton yeah yeah

1581
00:57:20,789 --> 00:57:18,799
yeah yeah it seems to me they were able

1582
00:57:22,950 --> 00:57:20,799
to target it and manipulate it

1583
00:57:24,549 --> 00:57:22,960
and with all the other aircraft sort of

1584
00:57:25,750 --> 00:57:24,559
like forming a perimeter around it with

1585
00:57:28,069 --> 00:57:25,760
the

1586
00:57:30,549 --> 00:57:28,079
one apache helicopter was

1587
00:57:32,470 --> 00:57:30,559
told i remember someone telling me this

1588
00:57:34,470 --> 00:57:32,480

so it was hovering solo close the houses

1589

00:57:36,069 --> 00:57:34,480

just low and below the trees

1590

00:57:38,150 --> 00:57:36,079

and it seems to me very clearly that

1591

00:57:40,470 --> 00:57:38,160

they were trying to force this thing out

1592

00:57:42,390 --> 00:57:40,480

using the machine guns right

1593

00:57:44,390 --> 00:57:42,400

finally got it to come out

1594

00:57:46,069 --> 00:57:44,400

and then of course they were clicking

1595

00:57:48,230 --> 00:57:46,079

what's the patchy's main thing it can

1596

00:57:49,430 --> 00:57:48,240

hide below come up out of nowhere and

1597

00:57:51,990 --> 00:57:49,440

just target you would hit you with

1598

00:57:53,589 --> 00:57:52,000

something very powerful and that's where

1599

00:57:56,150 --> 00:57:53,599

cars i do believe is correct the

1600

00:57:57,990 --> 00:57:56,160

brimstone missile has been used

1601
00:57:59,349 --> 00:57:58,000
because it's a very short it's a very

1602
00:58:01,670 --> 00:57:59,359
small missile

1603
00:58:04,470 --> 00:58:01,680
it's about six or seven feet and it can

1604
00:58:05,829 --> 00:58:04,480
be mounted very very lightly and it goes

1605
00:58:07,829 --> 00:58:05,839
subsonic speeds which is about a

1606
00:58:09,510 --> 00:58:07,839
thousand miles an hour at least very

1607
00:58:11,270 --> 00:58:09,520
quickly and the way it can impact the

1608
00:58:13,750 --> 00:58:11,280
target is very specific it can either

1609
00:58:15,589 --> 00:58:13,760
explode on impact explode before impact

1610
00:58:16,950 --> 00:58:15,599
or it can impact the target explore it

1611
00:58:18,309 --> 00:58:16,960
from the inside

1612
00:58:19,829 --> 00:58:18,319
whatever they use that night you know

1613
00:58:21,990 --> 00:58:19,839

clearly it was able to shoot it back

1614

00:58:25,030 --> 00:58:22,000

down to the forest

1615

00:58:26,789 --> 00:58:25,040

and that's what was all i think

1616

00:58:29,750 --> 00:58:26,799

one thing is clear that it was not a

1617

00:58:31,910 --> 00:58:29,760

simulated munition no the apache was

1618

00:58:33,750 --> 00:58:31,920

caught in its own kinetic wave which is

1619

00:58:36,309 --> 00:58:33,760

why it had to do an emergency landing at

1620

00:58:39,030 --> 00:58:36,319

cardiff international airport and such

1621

00:58:41,510 --> 00:58:39,040

was the size of the kinetic wave it set

1622

00:58:42,630 --> 00:58:41,520

the car alarms off in neighboring

1623

00:58:44,950 --> 00:58:42,640

villages

1624

00:58:47,109 --> 00:58:44,960

this was not a small explosion this

1625

00:58:48,710 --> 00:58:47,119

explosion was enormous we're not just

1626
00:58:52,150 --> 00:58:48,720
talking car alarms

1627
00:58:54,230 --> 00:58:52,160
in translucent but in vega and talbot

1628
00:58:55,750 --> 00:58:54,240
green and in neighboring villages all of

1629
00:58:57,270 --> 00:58:55,760
the car alarms were set off by this

1630
00:58:59,910 --> 00:58:57,280
kinetic wave

1631
00:59:01,030 --> 00:58:59,920
it's you know not just one or two you

1632
00:59:02,230 --> 00:59:01,040
look out your window and all the car

1633
00:59:03,589 --> 00:59:02,240
alarms are going off in the street

1634
00:59:05,990 --> 00:59:03,599
that's a huge

1635
00:59:06,789 --> 00:59:06,000
shaking going on

1636
00:59:09,349 --> 00:59:06,799
um

1637
00:59:11,510 --> 00:59:09,359
so simulated munitions do not have any

1638
00:59:13,589 --> 00:59:11,520

kinetic energy at all

1639

00:59:17,270 --> 00:59:13,599

and it was very kind of richard hall to

1640

00:59:19,430 --> 00:59:17,280

actually go out in june of 2016 to film

1641

00:59:22,230 --> 00:59:19,440

the police counter-terrorism drill where

1642

00:59:23,430 --> 00:59:22,240

they were letting off fake or simulated

1643

00:59:26,150 --> 00:59:23,440

munitions

1644

00:59:28,950 --> 00:59:26,160

um and i've seen more smoke to be fair

1645

00:59:30,630 --> 00:59:28,960

firework and the noise certainly didn't

1646

00:59:33,750 --> 00:59:30,640

register on the richter scale 40 miles

1647

00:59:36,230 --> 00:59:33,760

away in monmouth this explosion did

1648

00:59:37,829 --> 00:59:36,240

i mean that is an enormous explosion and

1649

00:59:39,589 --> 00:59:37,839

i think the reason why it registered on

1650

00:59:42,069 --> 00:59:39,599

the richter scale even though it was an

1651
00:59:43,829 --> 00:59:42,079
air explosion was because it shook the

1652
00:59:46,710 --> 00:59:43,839
royal morgan hospital which as you know

1653
00:59:48,470 --> 00:59:46,720
goes down multiple levels underground

1654
00:59:50,950 --> 00:59:48,480
and an earthquake will register from a

1655
00:59:52,470 --> 00:59:50,960
fixed subterranean location and that's

1656
00:59:55,820 --> 00:59:52,480
why it registered on the richter scale

1657
00:59:57,589 --> 00:59:55,830
because the hospital is south shook

1658
00:59:59,990 --> 00:59:57,599
[Music]

1659
01:00:01,910 --> 01:00:00,000
and this was no small explosion to be

1660
01:00:03,990 --> 01:00:01,920
heard from five miles away i heard it

1661
01:00:05,109 --> 01:00:04,000
here in penn turk

1662
01:00:07,910 --> 01:00:05,119
um

1663
01:00:11,109 --> 01:00:07,920

but it was an enormous explosion

1664

01:00:12,549 --> 01:00:11,119

and they clearly shot at something

1665

01:00:14,549 --> 01:00:12,559

and the only thing that went in that

1666

01:00:15,990 --> 01:00:14,559

direction was the green object that

1667

01:00:17,990 --> 01:00:16,000

first came out of the pyramid that

1668

01:00:19,270 --> 01:00:18,000

deliberately got the plane's attention

1669

01:00:22,549 --> 01:00:19,280

to follow it

1670

01:00:24,789 --> 01:00:22,559

i believe it was a deliberate decoy or a

1671

01:00:25,750 --> 01:00:24,799

sacrifice

1672

01:00:27,349 --> 01:00:25,760

for the

1673

01:00:29,510 --> 01:00:27,359

to draw the aircraft away from the

1674

01:00:31,430 --> 01:00:29,520

pyramid itself and the and the loaded

1675

01:00:33,270 --> 01:00:31,440

jettison

1676
01:00:35,670 --> 01:00:33,280
and the fact that those objects were

1677
01:00:37,349 --> 01:00:35,680
trying to hide from the helicopters i

1678
01:00:39,430 --> 01:00:37,359
think is quite sad

1679
01:00:41,270 --> 01:00:39,440
if the carl winston witnesses

1680
01:00:43,670 --> 01:00:41,280
do have the video

1681
01:00:45,430 --> 01:00:43,680
and it does turn out to be real

1682
01:00:46,630 --> 01:00:45,440
i i'd very much like to see it i think

1683
01:00:48,390 --> 01:00:46,640
the world should see it because this

1684
01:00:49,510 --> 01:00:48,400
object this pyramid flew over their

1685
01:00:51,670 --> 01:00:49,520
house

1686
01:00:53,670 --> 01:00:51,680
and it had some of these barrel-shaped

1687
01:00:55,910 --> 01:00:53,680
objects with it

1688
01:00:57,990 --> 01:00:55,920

one of the green barrels tried to hide

1689

01:01:00,150 --> 01:00:58,000

in the field next to their house

1690

01:01:02,069 --> 01:01:00,160

and the helicopters were sweeping left

1691

01:01:02,710 --> 01:01:02,079

and right across the field searching for

1692

01:01:10,150 --> 01:01:02,720

it

1693

01:01:11,750 --> 01:01:10,160

westward again in fact all of the

1694

01:01:13,750 --> 01:01:11,760

barrel-shaped objects were herded

1695

01:01:15,430 --> 01:01:13,760

together by the military

1696

01:01:18,630 --> 01:01:15,440

and they were pushed west they were

1697

01:01:20,789 --> 01:01:18,640

witnessed um in betas in bridgend

1698

01:01:23,270 --> 01:01:20,799

heading west they were witnessed in port

1699

01:01:25,589 --> 01:01:23,280

albert heading west being pursued by

1700

01:01:27,670 --> 01:01:25,599

military jets and helicopters

1701

01:01:29,670 --> 01:01:27,680

basically being pushed out to sea

1702

01:01:31,109 --> 01:01:29,680

as i say the military would never exceed

1703

01:01:33,190 --> 01:01:31,119

in no time

1704

01:01:34,549 --> 01:01:33,200

um and no time is there as a notice to

1705

01:01:36,230 --> 01:01:34,559

airmen

1706

01:01:38,069 --> 01:01:36,240

too so that other

1707

01:01:39,829 --> 01:01:38,079

aircraft are not put in danger by

1708

01:01:42,150 --> 01:01:39,839

military aircraft nobody's allowed

1709

01:01:44,309 --> 01:01:42,160

inside the no time area just military

1710

01:01:45,670 --> 01:01:44,319

aircraft but they would never exceed it

1711

01:01:47,349 --> 01:01:45,680

because they would be put another

1712

01:01:49,030 --> 01:01:47,359

aircraft at risk

1713

01:01:51,270 --> 01:01:49,040

but they did that night

1714

01:01:53,109 --> 01:01:51,280

by over 50 miles

1715

01:01:54,470 --> 01:01:53,119

over 50 miles and they continued going

1716

01:01:57,109 --> 01:01:54,480

west tonight to see they actually went

1717

01:01:59,270 --> 01:01:57,119

over swansea and out to sea

1718

01:02:01,109 --> 01:01:59,280

well one report sorry one report that i

1719

01:02:02,549 --> 01:02:01,119

got is um

1720

01:02:03,910 --> 01:02:02,559

that i saw in the comments they probably

1721

01:02:06,230 --> 01:02:03,920

went as far as west wales you know all

1722

01:02:09,430 --> 01:02:06,240

the way down to the coast of uh what do

1723

01:02:10,470 --> 01:02:09,440

you call it um tambie area

1724

01:02:11,829 --> 01:02:10,480

no

1725

01:02:13,190 --> 01:02:11,839

so

1726

01:02:14,630 --> 01:02:13,200

what will they do with that far outlook

1727

01:02:16,710 --> 01:02:14,640

this is dominicans

1728

01:02:20,150 --> 01:02:16,720

massively exceeded the no term

1729

01:02:22,789 --> 01:02:20,160

which in an exercise they would never do

1730

01:02:24,390 --> 01:02:22,799

um this was not an exercise this was

1731

01:02:26,549 --> 01:02:24,400

real life

1732

01:02:30,390 --> 01:02:26,559

and the no time was put in at the last

1733

01:02:33,990 --> 01:02:30,400

minute just inserted in the last minute

1734

01:02:35,990 --> 01:02:34,000

um there was no mention for south wales

1735

01:02:38,470 --> 01:02:36,000

in exercise chameleon

1736

01:02:42,150 --> 01:02:38,480

exercise chameleon was listed for durham

1737

01:02:43,109 --> 01:02:42,160

in the north of england 310 miles away

1738

01:02:45,510 --> 01:02:43,119

and

1739

01:02:47,430 --> 01:02:45,520

the week before the week before

1740

01:02:49,910 --> 01:02:47,440

uh the incident here

1741

01:02:52,230 --> 01:02:49,920

there was no mention in south wales then

1742

01:02:54,789 --> 01:02:52,240

and they would never do an exercise over

1743

01:02:57,430 --> 01:02:54,799

a residential area in the early hours of

1744

01:03:00,390 --> 01:02:57,440

the morning for one reason

1745

01:03:02,150 --> 01:03:00,400

in case of accidents

1746

01:03:04,309 --> 01:03:02,160

we've got our men have got sunbridge to

1747

01:03:06,630 --> 01:03:04,319

stop the road 30 miles up the road which

1748

01:03:08,230 --> 01:03:06,640

is mod land if they want to go and blow

1749

01:03:09,589 --> 01:03:08,240

themselves up they're quite welcome to

1750

01:03:10,950 --> 01:03:09,599

do so

1751

01:03:12,950 --> 01:03:10,960

but they would not do it over a

1752

01:03:15,109 --> 01:03:12,960

residential area next to a hospital well

1753

01:03:16,630 --> 01:03:15,119

you'd hope though

1754

01:03:18,710 --> 01:03:16,640

the only reason they would do it is if

1755

01:03:21,109 --> 01:03:18,720

they were real if they were there for

1756

01:03:22,150 --> 01:03:21,119

real life they would never ever ever do

1757

01:03:23,589 --> 01:03:22,160

it on

1758

01:03:25,029 --> 01:03:23,599

on a i mean

1759

01:03:27,750 --> 01:03:25,039

they would never do it over a

1760

01:03:31,190 --> 01:03:27,760

residential area at night because what

1761

01:03:32,950 --> 01:03:31,200

car said the fear of uh damage to human

1762

01:03:34,549 --> 01:03:32,960

life all the

1763

01:03:36,549 --> 01:03:34,559

accidents and everything they've got

1764

01:03:38,549 --> 01:03:36,559

plenty of lands they can practice on

1765

01:03:41,029 --> 01:03:38,559

anywhere they want and yet they chose

1766

01:03:43,430 --> 01:03:41,039

when we asked him in an foi they said

1767

01:03:44,789 --> 01:03:43,440

oh um certain landscapes meet the

1768

01:03:46,470 --> 01:03:44,799

criteria that we need in order to

1769

01:03:48,710 --> 01:03:46,480

conduct operations or something to that

1770

01:03:50,710 --> 01:03:48,720

effect but i'm like land features this

1771

01:03:51,990 --> 01:03:50,720

is bloody this is wales for god's sake

1772

01:03:53,510 --> 01:03:52,000

you know this is

1773

01:03:55,750 --> 01:03:53,520

this is this is the valley's area you've

1774

01:03:57,589 --> 01:03:55,760

got so many areas of the same thing what

1775

01:03:58,549 --> 01:03:57,599

is this mountain 10 feet taller than

1776

01:04:02,789 --> 01:03:58,559

that

1777

01:04:05,190 --> 01:04:02,799

apache helicopter had to do an emergency

1778

01:04:07,270 --> 01:04:05,200

landing at cardiff international airport

1779

01:04:08,789 --> 01:04:07,280

with his cockpit on fire

1780

01:04:10,789 --> 01:04:08,799

you know this this one of our best

1781

01:04:13,430 --> 01:04:10,799

gunships and one of the best gunships in

1782

01:04:15,670 --> 01:04:13,440

the world and there it is with a cockpit

1783

01:04:18,230 --> 01:04:15,680

on fire having to do an emergency london

1784

01:04:19,510 --> 01:04:18,240

at cardiff international instead of raf

1785

01:04:21,510 --> 01:04:19,520

st athen

1786

01:04:23,750 --> 01:04:21,520

you know which is just a few miles away

1787

01:04:25,589 --> 01:04:23,760

so there was an accident that night and

1788

01:04:28,230 --> 01:04:25,599

god forbid it went into somebody's house

1789

01:04:31,029 --> 01:04:28,240

or they didn't make the airport you know

1790

01:04:33,109 --> 01:04:31,039

um but the fact is that they use

1791

01:04:34,870 --> 01:04:33,119

live munitions that night

1792

01:04:36,230 --> 01:04:34,880

typically they use lag munitions which

1793

01:04:38,390 --> 01:04:36,240

is illegal

1794

01:04:40,309 --> 01:04:38,400

they're not even allowed to carry live

1795

01:04:42,789 --> 01:04:40,319

munitions over a residential area let

1796

01:04:43,670 --> 01:04:42,799

alone use them

1797

01:04:44,870 --> 01:04:43,680

um

1798

01:04:46,069 --> 01:04:44,880

there's some sorry guys there's

1799

01:04:47,750 --> 01:04:46,079

something else to add to that isn't

1800

01:04:49,910 --> 01:04:47,760

there um

1801

01:04:52,230 --> 01:04:49,920

we've mentioned this a few times

1802

01:04:53,910 --> 01:04:52,240

can you imagine you're a surgeon and

1803

01:04:56,230 --> 01:04:53,920

you're working on a very delicate part

1804

01:04:57,349 --> 01:04:56,240

of someone's body at night or a long

1805

01:04:58,789 --> 01:04:57,359

surgery that goes through and then

1806

01:05:00,470 --> 01:04:58,799

suddenly the hospital shakes and you're

1807

01:05:02,069 --> 01:05:00,480

like oh my god i've just slipped you

1808

01:05:03,430 --> 01:05:02,079

know you probably licked an artery or

1809

01:05:05,349 --> 01:05:03,440

damaged someone

1810

01:05:07,029 --> 01:05:05,359

uh in surgery i mean

1811

01:05:10,069 --> 01:05:07,039

this this is

1812

01:05:11,430 --> 01:05:10,079

this is one of the things that um

1813

01:05:12,950 --> 01:05:11,440

it's one of the things that we're

1814

01:05:14,710 --> 01:05:12,960

finding out with the fois now i mean is

1815

01:05:17,589 --> 01:05:14,720

it okay to talk about these cars with

1816

01:05:18,789 --> 01:05:17,599

the notifications um i i wouldn't

1817

01:05:21,430 --> 01:05:18,799

discuss

1818

01:05:22,950 --> 01:05:21,440

what we're doing right now okay i want

1819

01:05:24,470 --> 01:05:22,960

to concentrate on holding them in

1820

01:05:26,150 --> 01:05:24,480

contempt at the moment they're not

1821

01:05:27,750 --> 01:05:26,160

answering but it's certainly something

1822

01:05:28,870 --> 01:05:27,760

you want to point out like i can see

1823

01:05:30,789 --> 01:05:28,880

that

1824

01:05:32,230 --> 01:05:30,799

yeah with the distortions say this much

1825

01:05:33,109 --> 01:05:32,240

you know i mean

1826

01:05:35,270 --> 01:05:33,119

it's like

1827

01:05:37,750 --> 01:05:35,280

they they they would never do it even

1828

01:05:38,950 --> 01:05:37,760

for those reasons you know i mean

1829

01:05:40,789 --> 01:05:38,960

if you're if you're if you're in

1830

01:05:42,630 --> 01:05:40,799

intensive care or you're performing

1831

01:05:43,589 --> 01:05:42,640

surgery you certainly wouldn't do that

1832

01:05:45,670 --> 01:05:43,599

that's one of the reasons you wouldn't

1833

01:05:47,670 --> 01:05:45,680

do it on a residential area because you

1834

01:05:50,710 --> 01:05:47,680

can imagine the um the headlines in the

1835

01:05:53,829 --> 01:05:50,720

morning you know army causes hospital

1836

01:05:55,190 --> 01:05:53,839

surgeon to deform a patient in surgery

1837

01:05:57,510 --> 01:05:55,200

or something

1838

01:05:59,990 --> 01:05:57,520

you know hence the back filling and they

1839

01:06:01,510 --> 01:06:00,000

do perform neurosurgery at the royal

1840

01:06:02,710 --> 01:06:01,520

morgan hospital

1841

01:06:04,549 --> 01:06:02,720

you know that's one of the things they

1842

01:06:06,870 --> 01:06:04,559

do do and

1843

01:06:09,430 --> 01:06:06,880

microsurgery whether it be brain surgery

1844

01:06:11,430 --> 01:06:09,440

or spinal surgery you know

1845

01:06:13,109 --> 01:06:11,440

they do this center of microscope for

1846

01:06:14,870 --> 01:06:13,119

god's sake if

1847

01:06:16,870 --> 01:06:14,880

that building shook and they were doing

1848

01:06:18,870 --> 01:06:16,880

an operation at the time they could have

1849

01:06:21,510 --> 01:06:18,880

easily given somebody a stroke or

1850

01:06:23,190 --> 01:06:21,520

paralyzed somebody hmm

1851

01:06:26,630 --> 01:06:23,200

you know

1852

01:06:28,069 --> 01:06:26,640

with the the cut i mean it's not just

1853

01:06:30,630 --> 01:06:28,079

the cars jumping i mean the one thing

1854

01:06:31,910 --> 01:06:30,640

that uh made me stand out two things

1855

01:06:34,230 --> 01:06:31,920

from the comments especially that one

1856

01:06:36,470 --> 01:06:34,240

person in richard hall's

1857

01:06:38,549 --> 01:06:36,480

thing that he didn't just say

1858

01:06:40,950 --> 01:06:38,559

oh there was a little shaking he said

1859

01:06:43,430 --> 01:06:40,960

the walls shook the big thick wooden

1860

01:06:45,109 --> 01:06:43,440

doors the fireproof one shook the

1861

01:06:46,549 --> 01:06:45,119

fixtures and the windows were literally

1862

01:06:47,910 --> 01:06:46,559

rattling like someone playing a bass

1863

01:06:48,710 --> 01:06:47,920

guitar very loud you know you haven't

1864

01:06:49,829 --> 01:06:48,720

seen them

1865

01:06:51,670 --> 01:06:49,839

kind of thing

1866

01:06:53,190 --> 01:06:51,680

you know you're not just talking a small

1867

01:06:54,950 --> 01:06:53,200

thing here and

1868

01:06:55,670 --> 01:06:54,960

something else that's come up since i

1869

01:06:58,390 --> 01:06:55,680

mean

1870

01:07:00,390 --> 01:06:58,400

laura wrote of the paranormal scholar

1871

01:07:02,230 --> 01:07:00,400

yes yes

1872

01:07:03,670 --> 01:07:02,240

amazing video and it's

1873

01:07:05,190 --> 01:07:03,680

garnered a lot of attention a lot of

1874

01:07:08,470 --> 01:07:05,200

comments and some of them are very very

1875

01:07:10,470 --> 01:07:08,480

um well thought out and well detailed

1876

01:07:11,670 --> 01:07:10,480

they say to us

1877

01:07:12,870 --> 01:07:11,680

that um

1878

01:07:15,270 --> 01:07:12,880

you know the paper the amount of

1879

01:07:17,109 --> 01:07:15,280

paperwork that would be needed

1880

01:07:19,270 --> 01:07:17,119

to conduct an exercise of this this

1881

01:07:21,349 --> 01:07:19,280

scale the amount of assets the military

1882

01:07:23,109 --> 01:07:21,359

acids on the ground in the air

1883

01:07:25,270 --> 01:07:23,119

and everything else

1884

01:07:26,390 --> 01:07:25,280

would be phenomenal i mean just

1885

01:07:28,390 --> 01:07:26,400

i mean

1886

01:07:29,750 --> 01:07:28,400

just to even get one helicopter here was

1887

01:07:31,910 --> 01:07:29,760

like like you know a week's worth of

1888

01:07:33,349 --> 01:07:31,920

paperwork and a headache of signatures

1889

01:07:36,309 --> 01:07:33,359

anything and you're talking something

1890

01:07:38,390 --> 01:07:36,319

like that like a small invading army

1891

01:07:39,990 --> 01:07:38,400

over here and

1892

01:07:41,829 --> 01:07:40,000

as much as i hate to say this you know

1893

01:07:43,190 --> 01:07:41,839

on meta bank right they did bring up one

1894

01:07:44,870 --> 01:07:43,200

interesting point but then i immediately

1895

01:07:46,789 --> 01:07:44,880

found how stupid it was

1896

01:07:49,270 --> 01:07:46,799

when uh they said it's customary for the

1897

01:07:51,670 --> 01:07:49,280

military to clean up their uh

1898

01:07:53,430 --> 01:07:51,680

to clean up the mess that they make

1899

01:07:55,190 --> 01:07:53,440

i didn't realize right it was customary

1900

01:07:56,710 --> 01:07:55,200

for them to remove rubbish from the

1901

01:07:58,309 --> 01:07:56,720

lanches and common that's been there for

1902

01:07:59,990 --> 01:07:58,319

years

1903

01:08:02,230 --> 01:08:00,000

right but the council been asked to

1904

01:08:04,950 --> 01:08:02,240

remove for years and years and yet along

1905

01:08:06,950 --> 01:08:04,960

comes the army we asked him in an foi

1906

01:08:08,069 --> 01:08:06,960

why did you gather all the scrap metal

1907

01:08:10,230 --> 01:08:08,079

that's been there for years and put it

1908

01:08:12,390 --> 01:08:10,240

into a neat pile to be moved away they

1909

01:08:14,549 --> 01:08:12,400

hid behind section 26 it's not in the

1910

01:08:15,990 --> 01:08:14,559

public interest to know why it is they

1911

01:08:18,470 --> 01:08:16,000

must collect rubbish that's usually the

1912

01:08:20,630 --> 01:08:18,480

council's job well the interesting point

1913

01:08:22,309 --> 01:08:20,640

then since you've brought up the metal

1914

01:08:24,550 --> 01:08:22,319

search is that people have gone out with

1915

01:08:26,630 --> 01:08:24,560

metal detectors on on the common

1916

01:08:28,950 --> 01:08:26,640

uh in recent months

1917

01:08:30,709 --> 01:08:28,960

and they haven't found as much as a

1918

01:08:31,709 --> 01:08:30,719

bottle top

1919

01:08:36,950 --> 01:08:31,719

nothing

1920

01:08:39,510 --> 01:08:36,960

on that common

1921

01:08:40,390 --> 01:08:39,520

that night they did a meticulous metal

1922

01:08:42,950 --> 01:08:40,400

search

1923

01:08:45,030 --> 01:08:42,960

every piece of metal that was on that

1924

01:08:47,110 --> 01:08:45,040

common was picked up and what they

1925

01:08:49,110 --> 01:08:47,120

didn't need they they neatly cut up and

1926

01:08:50,550 --> 01:08:49,120

stacked along the roadside

1927

01:08:52,870 --> 01:08:50,560

um

1928

01:08:54,630 --> 01:08:52,880

i have spoken to a witness

1929

01:08:57,030 --> 01:08:54,640

that lives in the area

1930

01:08:59,510 --> 01:08:57,040

that filmed and photographed what the

1931

01:09:00,470 --> 01:08:59,520

military was doing that night

1932

01:09:02,870 --> 01:09:00,480

um

1933

01:09:04,550 --> 01:09:02,880

i would like that person to get back in

1934

01:09:06,630 --> 01:09:04,560

contact with me

1935

01:09:08,550 --> 01:09:06,640

they do have a video i would very much

1936

01:09:09,990 --> 01:09:08,560

like to see it

1937

01:09:12,630 --> 01:09:10,000

um and again

1938

01:09:15,590 --> 01:09:12,640

their identities will be kept anonymous

1939

01:09:17,669 --> 01:09:15,600

if they don't want to be known publicly

1940

01:09:18,829 --> 01:09:17,679

and i will promise to do that as i have

1941

01:09:21,269 --> 01:09:18,839

with all the other

1942

01:09:23,189 --> 01:09:21,279

witnesses um

1943

01:09:24,470 --> 01:09:23,199

you know until such time as they can or

1944

01:09:26,390 --> 01:09:24,480

will

1945

01:09:28,709 --> 01:09:26,400

come forward

1946

01:09:29,990 --> 01:09:28,719

and i'll just say also that um since me

1947

01:09:31,349 --> 01:09:30,000

and cars have been doing this a lot of

1948

01:09:32,870 --> 01:09:31,359

people have told us

1949

01:09:34,630 --> 01:09:32,880

and honestly things that we've never

1950

01:09:37,669 --> 01:09:34,640

revealed in names we've never broken

1951

01:09:39,349 --> 01:09:37,679

secret secrecy or an anonymity

1952

01:09:41,269 --> 01:09:39,359

you can rely on us that much you know we

1953

01:09:42,709 --> 01:09:41,279

will never ever reveal your details if

1954

01:09:44,789 --> 01:09:42,719

you only choose to let us you know what

1955

01:09:46,309 --> 01:09:44,799

i mean so

1956

01:09:47,829 --> 01:09:46,319

because i know people got information

1957

01:09:49,110 --> 01:09:47,839

that we that would help this case

1958

01:09:50,470 --> 01:09:49,120

immensely but

1959

01:09:52,229 --> 01:09:50,480

it's just a question of trust and

1960

01:09:53,910 --> 01:09:52,239

whether or not you know

1961

01:09:55,270 --> 01:09:53,920

they're willing to come forward but i've

1962

01:09:57,750 --> 01:09:55,280

always said

1963

01:09:59,669 --> 01:09:57,760

i mean cars have never broken anonymity

1964

01:10:01,350 --> 01:09:59,679

we've never revealed anyone's identities

1965

01:10:03,669 --> 01:10:01,360

or secrets unless of course instructed

1966

01:10:05,430 --> 01:10:03,679

to do so so

1967

01:10:07,830 --> 01:10:05,440

i hope that will uh you can go to the

1968

01:10:09,430 --> 01:10:07,840

website you can post anonymously you can

1969

01:10:13,189 --> 01:10:09,440

tell us what you know

1970

01:10:15,350 --> 01:10:13,199

and we'll take it from there you know so

1971

01:10:17,510 --> 01:10:15,360

i've already said you know people don't

1972

01:10:19,110 --> 01:10:17,520

need to tell us their real names i'm

1973

01:10:20,550 --> 01:10:19,120

really not interested in people's real

1974

01:10:21,910 --> 01:10:20,560

names if they don't want to be known

1975

01:10:24,950 --> 01:10:21,920

publicly then

1976

01:10:26,709 --> 01:10:24,960

um for their own protection if they feel

1977

01:10:28,550 --> 01:10:26,719

they don't have to tell us their name

1978

01:10:32,229 --> 01:10:28,560

they really don't

1979

01:10:34,870 --> 01:10:32,239

but any bit of information is is value

1980

01:10:36,870 --> 01:10:34,880

valued information you know just to find

1981

01:10:38,470 --> 01:10:36,880

out that all the car alarms went off in

1982

01:10:40,630 --> 01:10:38,480

neighboring villages

1983

01:10:41,910 --> 01:10:40,640

may have seemed incidental to some

1984

01:10:43,030 --> 01:10:41,920

people

1985

01:10:45,189 --> 01:10:43,040

but to us

1986

01:10:46,630 --> 01:10:45,199

it proves the kinetic wave

1987

01:10:48,470 --> 01:10:46,640

not only with the shaking of people's

1988

01:10:50,709 --> 01:10:48,480

homes that shook people awake in their

1989

01:10:53,110 --> 01:10:50,719

beds in their homes

1990

01:10:54,709 --> 01:10:53,120

um but to set car alarms off in

1991

01:10:58,149 --> 01:10:54,719

neighboring villages means the light

1992

01:11:00,310 --> 01:10:58,159

explosion was huge

1993

01:11:02,149 --> 01:11:00,320

of course you can't put a simulated

1994

01:11:02,870 --> 01:11:02,159

mission in the air which is well let's

1995

01:11:04,630 --> 01:11:02,880

talk

1996

01:11:06,630 --> 01:11:04,640

let's start i mean when you when you say

1997

01:11:08,470 --> 01:11:06,640

simulated cars in it it's also like with

1998

01:11:10,390 --> 01:11:08,480

the emf i mean

1999

01:11:12,709 --> 01:11:10,400

when we first did the emf it was just a

2000

01:11:15,510 --> 01:11:12,719

means of looking around the penn turk

2001
01:11:17,750 --> 01:11:15,520
fields area where you and david saw that

2002
01:11:19,910 --> 01:11:17,760
large craft and the path it took in

2003
01:11:21,669 --> 01:11:19,920
everything else

2004
01:11:23,270 --> 01:11:21,679
i mean we came down there a few times

2005
01:11:24,630 --> 01:11:23,280
and then finally we got an emf detector

2006
01:11:28,470 --> 01:11:24,640
and we started looking around and it was

2007
01:11:29,830 --> 01:11:28,480
like all the surrounding fields by the

2008
01:11:32,310 --> 01:11:29,840
the bush by the

2009
01:11:33,990 --> 01:11:32,320
gate entrance and the tree

2010
01:11:35,189 --> 01:11:34,000
yeah those two had signals but once we

2011
01:11:38,149 --> 01:11:35,199
got into the area where the craft had

2012
01:11:40,390 --> 01:11:38,159
been seen moving along left to right

2013
01:11:42,630 --> 01:11:40,400

that's where we found a ton of signals

2014

01:11:45,910 --> 01:11:42,640

didn't we yes we mapped it all out now

2015

01:11:47,270 --> 01:11:45,920

this what i'm getting at here is

2016

01:11:49,510 --> 01:11:47,280

i wanted to make sure that when we did

2017

01:11:52,070 --> 01:11:49,520

this it was very thorough we did metal

2018

01:11:53,669 --> 01:11:52,080

detector searches

2019

01:11:56,149 --> 01:11:53,679

i was looking at british geological

2020

01:11:58,149 --> 01:11:56,159

survey maps uh even ancient

2021

01:11:59,750 --> 01:11:58,159

burial maps or something is there

2022

01:12:01,350 --> 01:11:59,760

anything in this ground that will tell

2023

01:12:04,070 --> 01:12:01,360

me that there's a false positive reading

2024

01:12:06,149 --> 01:12:04,080

coming from somewhere underground cables

2025

01:12:08,630 --> 01:12:06,159

water water

2026

01:12:10,630 --> 01:12:08,640

flow or something anything i could not

2027

01:12:13,430 --> 01:12:10,640

find nothing at all and i did the same

2028

01:12:16,390 --> 01:12:13,440

thing for smile awkward now

2029

01:12:18,229 --> 01:12:16,400

some of our work got put into doubt

2030

01:12:20,550 --> 01:12:18,239

later on because someone was suggesting

2031

01:12:22,870 --> 01:12:20,560

that uh the emf detector that we used

2032

01:12:25,189 --> 01:12:22,880

was not calibrated to the certain

2033

01:12:26,229 --> 01:12:25,199

specific range

2034

01:12:28,390 --> 01:12:26,239

and

2035

01:12:30,550 --> 01:12:28,400

i was like well hang on no no no no i

2036

01:12:32,310 --> 01:12:30,560

know that emf thing works right

2037

01:12:33,750 --> 01:12:32,320

there's no one is going to tell me that

2038

01:12:35,669 --> 01:12:33,760

we did not go

2039

01:12:39,510 --> 01:12:35,679

thoroughly through every procedure that

2040

01:12:41,430 --> 01:12:39,520

would allow us to say that our emf was

2041

01:12:43,030 --> 01:12:41,440

not accurate it was accurate okay i

2042

01:12:44,310 --> 01:12:43,040

think i think what it is there's a

2043

01:12:46,790 --> 01:12:44,320

no-name

2044

01:12:49,030 --> 01:12:46,800

band of emf detector that looks very

2045

01:12:51,030 --> 01:12:49,040

similar to the one that we use and that

2046

01:12:53,430 --> 01:12:51,040

is faulty

2047

01:12:54,550 --> 01:12:53,440

but then name brand doesn't work

2048

01:12:57,270 --> 01:12:54,560

and i think that's what they were

2049

01:13:00,070 --> 01:12:57,280

implying was that the emf detector that

2050

01:13:01,189 --> 01:13:00,080

we used was that brand or unnamed brand

2051

01:13:04,550 --> 01:13:01,199

i should say

2052

01:13:07,270 --> 01:13:04,560

um when it wasn't and gary has done a

2053

01:13:09,030 --> 01:13:07,280

fantastic job by testing the ef mf meter

2054

01:13:11,030 --> 01:13:09,040

that we use

2055

01:13:12,470 --> 01:13:11,040

with a more expensive one and this

2056

01:13:13,510 --> 01:13:12,480

no-name brand

2057

01:13:15,830 --> 01:13:13,520

against

2058

01:13:18,790 --> 01:13:15,840

television sets and you know electricity

2059

01:13:21,430 --> 01:13:18,800

meters and microwaves yeah and the one

2060

01:13:23,350 --> 01:13:21,440

that we use is actually giving the same

2061

01:13:25,350 --> 01:13:23,360

reading as the more expensive one and

2062

01:13:26,790 --> 01:13:25,360

the no name brand doesn't actually work

2063

01:13:28,870 --> 01:13:26,800

at all

2064

01:13:30,550 --> 01:13:28,880

so whoever made the complaints on amazon

2065

01:13:31,750 --> 01:13:30,560

that the no-name brand doesn't work was

2066

01:13:33,830 --> 01:13:31,760

absolutely right

2067

01:13:36,470 --> 01:13:33,840

but we double checked it and we had to

2068

01:13:38,070 --> 01:13:36,480

double check our equipment to ensure

2069

01:13:40,870 --> 01:13:38,080

that our readings were correct and they

2070

01:13:43,510 --> 01:13:40,880

were and 20 months after the event

2071

01:13:45,510 --> 01:13:43,520

emf in those fields were still

2072

01:13:47,430 --> 01:13:45,520

harmful to human beings

2073

01:13:48,709 --> 01:13:47,440

because the whole team were made ill

2074

01:13:50,550 --> 01:13:48,719

from being in there

2075

01:13:52,470 --> 01:13:50,560

from headaches and nausea to burning

2076

01:13:54,229 --> 01:13:52,480

skin and burning eyes

2077

01:13:55,910 --> 01:13:54,239

you know and dizziness and

2078

01:13:58,229 --> 01:13:55,920

disorientation

2079

01:13:59,990 --> 01:13:58,239

and all of these this is from the emf

2080

01:14:01,990 --> 01:14:00,000

it's all well it's not it's not just

2081

01:14:04,550 --> 01:14:02,000

that is it it's that um

2082

01:14:06,070 --> 01:14:04,560

obviously we scanned uh the pantech

2083

01:14:07,590 --> 01:14:06,080

fields quite a lot because it's just you

2084

01:14:08,310 --> 01:14:07,600

know it's not it's not too far away from

2085

01:14:10,390 --> 01:14:08,320

uh

2086

01:14:12,149 --> 01:14:10,400

where you are but the smile was one

2087

01:14:13,350 --> 01:14:12,159

right i mean what was interesting is i

2088

01:14:14,390 --> 01:14:13,360

did the same thing

2089

01:14:15,910 --> 01:14:14,400

this is how you know because i keep

2090

01:14:16,790 --> 01:14:15,920

telling people right once we eliminated

2091

01:14:18,950 --> 01:14:16,800

all

2092

01:14:20,790 --> 01:14:18,960

possible things right whether it's a

2093

01:14:22,870 --> 01:14:20,800

tower or an electrical cable or

2094

01:14:24,310 --> 01:14:22,880

something under the ground

2095

01:14:26,630 --> 01:14:24,320

we've gone through this with a fine

2096

01:14:28,310 --> 01:14:26,640

tooth comb now it's like oh this is

2097

01:14:29,669 --> 01:14:28,320

something we need to map it out so we

2098

01:14:31,510 --> 01:14:29,679

mapped it all out with a grid reference

2099

01:14:34,709 --> 01:14:31,520

search left to right up and down across

2100

01:14:36,149 --> 01:14:34,719

the fields in two sections each

2101

01:14:37,990 --> 01:14:36,159

and

2102

01:14:39,430 --> 01:14:38,000

you you see the map in the book you know

2103

01:14:41,590 --> 01:14:39,440

we found clusters and then we found a

2104

01:14:43,590 --> 01:14:41,600

trail and amazingly the trail follows

2105

01:14:46,149 --> 01:14:43,600

the path that cars and dave said the

2106

01:14:47,350 --> 01:14:46,159

craft went on that night and went to

2107

01:14:49,270 --> 01:14:47,360

where the handler lightning came down

2108

01:14:51,270 --> 01:14:49,280

that's what we call the ball patch

2109

01:14:52,310 --> 01:14:51,280

now what's really interesting also is

2110

01:14:54,070 --> 01:14:52,320

that

2111

01:14:56,229 --> 01:14:54,080

i'm surprised we found this

2112

01:14:58,070 --> 01:14:56,239

is that when we went to smiler woods

2113

01:14:59,669 --> 01:14:58,080

right and where the

2114

01:15:00,880 --> 01:14:59,679

the

2115

01:15:01,990 --> 01:15:00,890

uh and

2116

01:15:04,310 --> 01:15:02,000

[Music]

2117

01:15:06,390 --> 01:15:04,320

i think with stevia you found a trailer

2118

01:15:08,310 --> 01:15:06,400

broken canopies and other branches and

2119

01:15:09,910 --> 01:15:08,320

it'll lead right into that uh impact

2120

01:15:11,110 --> 01:15:09,920

site of course you have video of that

2121

01:15:12,950 --> 01:15:11,120

and that's where your hair is turned

2122

01:15:16,390 --> 01:15:12,960

white yeah

2123

01:15:18,310 --> 01:15:16,400

we've gone into that area about 20 20

2124

01:15:20,709 --> 01:15:18,320

minutes 22 months maybe two years to the

2125

01:15:22,070 --> 01:15:20,719

day you know scanning that area because

2126

01:15:23,590 --> 01:15:22,080

it takes a while to do this stuff you

2127

01:15:26,229 --> 01:15:23,600

know you don't just do it in one day

2128

01:15:27,270 --> 01:15:26,239

you've got to do multiple scans and

2129

01:15:29,189 --> 01:15:27,280

obviously when you're doing multiple

2130

01:15:31,430 --> 01:15:29,199

scans in an area that's got emf harmful

2131

01:15:33,990 --> 01:15:31,440

to you you're getting very sick as well

2132

01:15:37,189 --> 01:15:34,000

you know and um the point i'm making is

2133

01:15:39,270 --> 01:15:37,199

that over time you know i find the trail

2134

01:15:40,709 --> 01:15:39,280

that comes from the impact sites that

2135

01:15:43,110 --> 01:15:40,719

goes all the way back to electrician

2136

01:15:45,189 --> 01:15:43,120

common and of course if you follow in it

2137

01:15:46,870 --> 01:15:45,199

goes to the impact side you know you

2138

01:15:48,149 --> 01:15:46,880

can't make that up but then you see the

2139

01:15:50,149 --> 01:15:48,159

trail

2140

01:15:52,310 --> 01:15:50,159

in the second and third field in panterk

2141

01:15:54,149 --> 01:15:52,320

that follows the line of the craft that

2142

01:15:56,709 --> 01:15:54,159

cousin dave saw

2143

01:15:58,149 --> 01:15:56,719

and it impacts highly at the point where

2144

01:15:59,669 --> 01:15:58,159

the lightning came down the hand of

2145

01:16:01,189 --> 01:15:59,679

lightning that cast described united to

2146

01:16:02,870 --> 01:16:01,199

try and stop itself

2147

01:16:03,990 --> 01:16:02,880

that was the strongest point of it all

2148

01:16:05,990 --> 01:16:04,000

and

2149

01:16:07,990 --> 01:16:06,000

over time all that's dissipated it's

2150

01:16:09,510 --> 01:16:08,000

completely gone you cannot find it

2151

01:16:11,750 --> 01:16:09,520

anymore

2152

01:16:14,709 --> 01:16:11,760

and it's just amazing right you cannot

2153

01:16:16,790 --> 01:16:14,719

make that up you can't falsify it you

2154

01:16:19,030 --> 01:16:16,800

can't synthetically

2155

01:16:21,030 --> 01:16:19,040

uh duplicate it you can't do nothing

2156

01:16:23,030 --> 01:16:21,040

right either that's there naturally or

2157

01:16:24,870 --> 01:16:23,040

something has put it there as soon as

2158

01:16:26,709 --> 01:16:24,880

that we've ruled out all man-made stuff

2159

01:16:29,350 --> 01:16:26,719

and all natural made stuff the only

2160

01:16:30,229 --> 01:16:29,360

option left is that this was a craft

2161

01:16:33,030 --> 01:16:30,239

that

2162

01:16:34,790 --> 01:16:33,040

had some anti-gravity kind of technology

2163

01:16:37,030 --> 01:16:34,800

with an incredible

2164

01:16:39,030 --> 01:16:37,040

emf field surrounding it right

2165

01:16:40,149 --> 01:16:39,040

yes given its size and shape and

2166

01:16:41,430 --> 01:16:40,159

everything

2167

01:16:43,350 --> 01:16:41,440

that's why you know that's why i'm not

2168

01:16:45,270 --> 01:16:43,360

surprised it left it but when cars and

2169

01:16:47,030 --> 01:16:45,280

dave were describing it to me i said i

2170

01:16:48,470 --> 01:16:47,040

wonder if it's still there and yeah you

2171

01:16:52,070 --> 01:16:48,480

read it in the book you see it on the

2172

01:16:53,669 --> 01:16:52,080

website you see it in the presentation

2173

01:16:55,030 --> 01:16:53,679

one presentation that i did do a video

2174

01:16:55,830 --> 01:16:55,040

that was separate to all the others but

2175

01:16:58,470 --> 01:16:55,840

just

2176

01:17:01,030 --> 01:16:58,480

i call it the emf enhancement video

2177

01:17:04,070 --> 01:17:01,040

just to show how we did all this

2178

01:17:05,510 --> 01:17:04,080

and you can't make it up it's impossible

2179

01:17:06,950 --> 01:17:05,520

but i don't care what anyone says you

2180

01:17:08,950 --> 01:17:06,960

can say it's a faulty meter but i've

2181

01:17:11,030 --> 01:17:08,960

already just proven that one you know

2182

01:17:12,550 --> 01:17:11,040

what's left

2183

01:17:13,910 --> 01:17:12,560

what is left i mean that is a

2184

01:17:16,310 --> 01:17:13,920

significant piece of evidence right

2185

01:17:18,310 --> 01:17:16,320

there you tell me what's left and the

2186

01:17:20,229 --> 01:17:18,320

interesting point is as well is that two

2187

01:17:22,149 --> 01:17:20,239

days after the book went live bearing in

2188

01:17:23,430 --> 01:17:22,159

mind that i've been here for over 20

2189

01:17:25,510 --> 01:17:23,440

years now

2190

01:17:28,550 --> 01:17:25,520

that the field where the ball patches

2191

01:17:30,870 --> 01:17:28,560

was absolutely leveled by unknown farmer

2192

01:17:32,550 --> 01:17:30,880

he was not the usual farmer

2193

01:17:33,990 --> 01:17:32,560

and they have leveled the field

2194

01:17:36,229 --> 01:17:34,000

completely

2195

01:17:38,709 --> 01:17:36,239

um there is a video on my facebook page

2196

01:17:41,270 --> 01:17:38,719

of that the day actually happened

2197

01:17:43,110 --> 01:17:41,280

um again

2198

01:17:45,830 --> 01:17:43,120

evidence of absence is it where they

2199

01:17:47,910 --> 01:17:45,840

just want to destroy everything

2200

01:17:48,790 --> 01:17:47,920

uh as they did with the trees and smiled

2201

01:17:50,390 --> 01:17:48,800

woods

2202

01:17:52,870 --> 01:17:50,400

well the timing is a bit suspicious

2203

01:17:55,510 --> 01:17:52,880

isn't it yeah very i mean literally

2204

01:17:57,750 --> 01:17:55,520

literally it's even literally 24 or 48

2205

01:17:59,270 --> 01:17:57,760

hours i went up there myself i look

2206

01:18:01,590 --> 01:17:59,280

around i was like what

2207

01:18:03,430 --> 01:18:01,600

on earth

2208

01:18:04,950 --> 01:18:03,440

yeah there's nothing in that i mean look

2209

01:18:06,709 --> 01:18:04,960

feel you know if you're gonna say the

2210

01:18:08,630 --> 01:18:06,719

farmer did to increase grazing

2211

01:18:09,830 --> 01:18:08,640

opportunity for the sheep well i'm not

2212

01:18:11,270 --> 01:18:09,840

being funny the sheep don't spend that

2213

01:18:12,390 --> 01:18:11,280

much time in there anyway they're in the

2214

01:18:15,030 --> 01:18:12,400

other fields where there's plenty of

2215

01:18:17,350 --> 01:18:15,040

grass there's no reason to destroy that

2216

01:18:19,110 --> 01:18:17,360

area or cut it or trim it or anything

2217

01:18:22,630 --> 01:18:19,120

they've gone in there and they've cut

2218

01:18:23,990 --> 01:18:22,640

all the snake weed grass type of stuff

2219

01:18:25,750 --> 01:18:24,000

and they've just left

2220

01:18:26,390 --> 01:18:25,760

a little outline of the ball partially

2221

01:18:28,390 --> 01:18:26,400

but

2222

01:18:29,910 --> 01:18:28,400

they've destroyed it

2223

01:18:32,229 --> 01:18:29,920

yeah they haven't touched branding

2224

01:18:33,590 --> 01:18:32,239

fields

2225

01:18:35,830 --> 01:18:33,600

they've destroyed it they've destroyed

2226

01:18:37,430 --> 01:18:35,840

that evidence

2227

01:18:38,870 --> 01:18:37,440

i basically don't see why now because

2228

01:18:41,270 --> 01:18:38,880

there's nothing there

2229

01:18:43,750 --> 01:18:41,280

i was referring it to the patch after a

2230

01:18:45,510 --> 01:18:43,760

while because the emf signals have gone

2231

01:18:46,870 --> 01:18:45,520

the grass in the the flowers are really

2232

01:18:48,149 --> 01:18:46,880

starting to grow back maybe that's why

2233

01:18:50,229 --> 01:18:48,159

they did it because now it's looking

2234

01:18:52,630 --> 01:18:50,239

healthy again but obviously it ain't

2235

01:18:53,510 --> 01:18:52,640

because they decided to chop it down

2236

01:18:55,110 --> 01:18:53,520

yeah

2237

01:18:56,790 --> 01:18:55,120

well certainly raises a lot of questions

2238

01:18:57,830 --> 01:18:56,800

doesn't it you know everything you've

2239

01:18:59,990 --> 01:18:57,840

said

2240

01:19:01,910 --> 01:19:00,000

um you know just it just makes it

2241

01:19:03,590 --> 01:19:01,920

weirder and weirder

2242

01:19:05,510 --> 01:19:03,600

it's certainly a massive case i don't

2243

01:19:07,590 --> 01:19:05,520

really understand how it's avoided the

2244

01:19:10,870 --> 01:19:07,600

mainstream media that you know

2245

01:19:12,790 --> 01:19:10,880

so yeah to be bigger than it actually is

2246

01:19:14,470 --> 01:19:12,800

well i think with all things with the

2247

01:19:17,030 --> 01:19:14,480

mainstream media they all seem to be

2248

01:19:18,950 --> 01:19:17,040

reading from the same song page

2249

01:19:20,790 --> 01:19:18,960

um you know and if your

2250

01:19:22,390 --> 01:19:20,800

evidence doesn't fit their official

2251
01:19:23,910 --> 01:19:22,400
narrative you're not going to get heard

2252
01:19:26,709 --> 01:19:23,920
by the mainstream

2253
01:19:28,310 --> 01:19:26,719
um i have done some filming with sky

2254
01:19:30,709 --> 01:19:28,320
i've also done some filming with a

2255
01:19:33,430 --> 01:19:30,719
reputable firm in canada and i can't say

2256
01:19:35,430 --> 01:19:33,440
any more than that um at present because

2257
01:19:37,750 --> 01:19:35,440
i'm still under contract

2258
01:19:39,510 --> 01:19:37,760
and needless to say it will be aired

2259
01:19:40,790 --> 01:19:39,520
some of it will be aired later this year

2260
01:19:43,030 --> 01:19:40,800
in the autumn

2261
01:19:45,590 --> 01:19:43,040
and some of it will be aired in canada

2262
01:19:46,870 --> 01:19:45,600
and the northern united states uh next

2263
01:19:49,110 --> 01:19:46,880

year

2264

01:19:51,189 --> 01:19:49,120

um so hopefully you know more people

2265

01:19:53,750 --> 01:19:51,199

will get to hear about this case

2266

01:19:55,830 --> 01:19:53,760

i have been shadow banned

2267

01:19:57,510 --> 01:19:55,840

i'll give you a little example of that a

2268

01:19:59,750 --> 01:19:57,520

paranormal scholar who did the short

2269

01:20:04,070 --> 01:19:59,760

documentary film for me

2270

01:20:07,189 --> 01:20:04,080

um i've had 815 000 views on that video

2271

01:20:09,430 --> 01:20:07,199

so the penthouse instant information is

2272

01:20:12,709 --> 01:20:09,440

very hard to find gary couldn't find me

2273

01:20:14,870 --> 01:20:12,719

for 20 months and i wasn't hiding

2274

01:20:17,750 --> 01:20:14,880

just that i've been shadow banned when

2275

01:20:19,510 --> 01:20:17,760

that one video alone is had 815

2276

01:20:21,430 --> 01:20:19,520

000 views wow

2277

01:20:23,189 --> 01:20:21,440

and you know how i am with searches i

2278

01:20:25,189 --> 01:20:23,199

can find a lot of information on the

2279

01:20:26,790 --> 01:20:25,199

internet because i understand how

2280

01:20:29,510 --> 01:20:26,800

how their um

2281

01:20:31,590 --> 01:20:29,520

algorithms and their meta tags and their

2282

01:20:34,070 --> 01:20:31,600

various words actually work

2283

01:20:37,510 --> 01:20:34,080

but it's just amazing i mean

2284

01:20:38,390 --> 01:20:37,520

you type in cars clock or clock or cars

2285

01:20:39,270 --> 01:20:38,400

or

2286

01:20:41,189 --> 01:20:39,280

car

2287

01:20:42,550 --> 01:20:41,199

method or something nothing was coming

2288

01:20:43,750 --> 01:20:42,560

up and even though people were talking

2289

01:20:46,470 --> 01:20:43,760

about it on

2290

01:20:48,629 --> 01:20:46,480

south wales awakening and there was talk

2291

01:20:50,390 --> 01:20:48,639

about it on the whales online and some

2292

01:20:52,629 --> 01:20:50,400

bits of it were being shared and here

2293

01:20:54,470 --> 01:20:52,639

and there it's like why is i know cass

2294

01:20:56,870 --> 01:20:54,480

is using a facebook account to post

2295

01:20:57,750 --> 01:20:56,880

comments on that line why can i not find

2296

01:20:59,110 --> 01:20:57,760

her

2297

01:21:02,870 --> 01:20:59,120

on

2298

01:21:04,629 --> 01:21:02,880

answering her or seemed to be agreeing

2299

01:21:07,030 --> 01:21:04,639

with her i thought they seemed to be

2300

01:21:09,030 --> 01:21:07,040

using a social media account

2301

01:21:10,229 --> 01:21:09,040

um couldn't find them i i did look for

2302

01:21:11,990 --> 01:21:10,239

them as well but it's like i couldn't

2303

01:21:13,590 --> 01:21:12,000

find no one it's like what's going on

2304

01:21:15,270 --> 01:21:13,600

here yeah she couldn't have blocked you

2305

01:21:16,870 --> 01:21:15,280

could she because she didn't she didn't

2306

01:21:17,590 --> 01:21:16,880

know you because you didn't know you

2307

01:21:19,270 --> 01:21:17,600

were

2308

01:21:21,750 --> 01:21:19,280

no i didn't block anyone

2309

01:21:23,030 --> 01:21:21,760

i had no idea at all in fact the link

2310

01:21:25,270 --> 01:21:23,040

was only made

2311

01:21:26,950 --> 01:21:25,280

when that very small ufo group in wales

2312

01:21:28,629 --> 01:21:26,960

had posted a blog to say they were going

2313

01:21:29,830 --> 01:21:28,639

to do a sky watch on top of the garth

2314

01:21:32,229 --> 01:21:29,840

mountain

2315

01:21:34,790 --> 01:21:32,239

and i placed a comment underneath simply

2316

01:21:36,390 --> 01:21:34,800

to say it's a good place to be and that

2317

01:21:38,310 --> 01:21:36,400

was where they were able to make contact

2318

01:21:39,990 --> 01:21:38,320

with me

2319

01:21:43,510 --> 01:21:40,000

but um

2320

01:21:45,590 --> 01:21:43,520

i wasn't a member of any ufo groups at

2321

01:21:47,590 --> 01:21:45,600

all because i had no interest in the

2322

01:21:49,430 --> 01:21:47,600

subject at all

2323

01:21:52,149 --> 01:21:49,440

um so it really did

2324

01:21:54,310 --> 01:21:52,159

turn my world upside down and i concur

2325

01:21:56,390 --> 01:21:54,320

with sasha 100

2326

01:21:59,030 --> 01:21:56,400

how it changed my life

2327

01:22:00,390 --> 01:21:59,040

i had no idea that i had post-traumatic

2328

01:22:02,790 --> 01:22:00,400

stress

2329

01:22:04,629 --> 01:22:02,800

until really

2330

01:22:06,629 --> 01:22:04,639

i caught myself when i when i ripped

2331

01:22:07,990 --> 01:22:06,639

into that commanding officer from

2332

01:22:10,390 --> 01:22:08,000

vodafone

2333

01:22:12,229 --> 01:22:10,400

and i just went from zero to a hundred

2334

01:22:13,430 --> 01:22:12,239

and then i realized actually there's

2335

01:22:16,229 --> 01:22:13,440

something wrong

2336

01:22:17,430 --> 01:22:16,239

you know it's changing me as a person

2337

01:22:19,110 --> 01:22:17,440

you know i look back at some of my

2338

01:22:21,590 --> 01:22:19,120

presentations the one that i did in

2339

01:22:25,430 --> 01:22:21,600

cornwall for example and i cringe

2340

01:22:27,189 --> 01:22:25,440

because i am so angry and and and i

2341

01:22:29,270 --> 01:22:27,199

think it's time

2342

01:22:31,510 --> 01:22:29,280

that we did get angry i mean it's time

2343

01:22:33,189 --> 01:22:31,520

that we actually took it forward

2344

01:22:35,750 --> 01:22:33,199

and started to ask our government

2345

01:22:38,470 --> 01:22:35,760

seriously for answers

2346

01:22:40,070 --> 01:22:38,480

because nothing is getting done you know

2347

01:22:42,629 --> 01:22:40,080

it seems that some groups are only

2348

01:22:45,189 --> 01:22:42,639

interested in collating the information

2349

01:22:47,030 --> 01:22:45,199

and not doing anything with it

2350

01:22:49,110 --> 01:22:47,040

and there are thousands of people in

2351

01:22:50,950 --> 01:22:49,120

this country that have been affected

2352

01:22:52,790 --> 01:22:50,960

millions of people across the world have

2353

01:22:55,110 --> 01:22:52,800

been affected

2354

01:22:56,310 --> 01:22:55,120

and it's high time that we were told

2355

01:22:59,030 --> 01:22:56,320

something

2356

01:23:01,669 --> 01:22:59,040

instead of this blanket denial

2357

01:23:03,510 --> 01:23:01,679

um that still goes on today and it's

2358

01:23:05,590 --> 01:23:03,520

getting serious if they're shooting

2359

01:23:07,350 --> 01:23:05,600

these things down yeah i mean i remember

2360

01:23:08,950 --> 01:23:07,360

the last time you were on the show i

2361

01:23:11,189 --> 01:23:08,960

know i knew you'd been through a tough

2362

01:23:12,149 --> 01:23:11,199

time um but i didn't realize quite how

2363

01:23:13,750 --> 01:23:12,159

much

2364

01:23:15,990 --> 01:23:13,760

you've been through until you explained

2365

01:23:16,950 --> 01:23:16,000

it and i was quite shocked actually

2366

01:23:18,629 --> 01:23:16,960

um

2367

01:23:19,590 --> 01:23:18,639

you seem to have gone through a tough

2368

01:23:21,590 --> 01:23:19,600

time like

2369

01:23:23,910 --> 01:23:21,600

very much like sasha dude that's that's

2370

01:23:26,310 --> 01:23:23,920

why another reason that you know i like

2371

01:23:28,390 --> 01:23:26,320

having you both on the show together

2372

01:23:30,870 --> 01:23:28,400

is i actually sought such a right

2373

01:23:34,390 --> 01:23:30,880

because i have such an affinity with

2374

01:23:36,470 --> 01:23:34,400

that woman she gave me some really

2375

01:23:38,470 --> 01:23:36,480

brilliant information and i've never

2376
01:23:40,229 --> 01:23:38,480
forgotten her words when she said cuz

2377
01:23:41,750 --> 01:23:40,239
it's a process

2378
01:23:44,149 --> 01:23:41,760
and eventually you will come out you

2379
01:23:45,590 --> 01:23:44,159
decide but how long that will be

2380
01:23:48,229 --> 01:23:45,600
no one knows

2381
01:23:50,550 --> 01:23:48,239
you know she's an extremely wise woman

2382
01:23:52,790 --> 01:23:50,560
if i have any questions it's sasha that

2383
01:23:55,030 --> 01:23:52,800
i go to i think she's absolutely

2384
01:23:55,830 --> 01:23:55,040
brilliant at what she does

2385
01:23:58,550 --> 01:23:55,840
um

2386
01:24:00,229 --> 01:23:58,560
i i absolutely do feel

2387
01:24:02,870 --> 01:24:00,239
that we've gone through a very similar

2388
01:24:04,629 --> 01:24:02,880

experience together it's affected us in

2389

01:24:06,550 --> 01:24:04,639

a very similar way

2390

01:24:12,070 --> 01:24:06,560

i still have ptsd

2391

01:24:15,750 --> 01:24:13,910

i sought her out because i know sasha

2392

01:24:16,709 --> 01:24:15,760

doesn't take any messing about from

2393

01:24:19,270 --> 01:24:16,719

anyone

2394

01:24:21,189 --> 01:24:19,280

you know and if someone is a liar

2395

01:24:23,110 --> 01:24:21,199

sasha is the one that will find them out

2396

01:24:25,110 --> 01:24:23,120

and i know for a fact that you just

2397

01:24:26,870 --> 01:24:25,120

saying what you said sasha won't be

2398

01:24:29,110 --> 01:24:26,880

feeling big-headed about all this she'll

2399

01:24:31,750 --> 01:24:29,120

she'll sort of feel quite um

2400

01:24:33,910 --> 01:24:31,760

um please do you say it but not yeah i'm

2401

01:24:36,149 --> 01:24:33,920

not in a big heady sort of way

2402

01:24:38,470 --> 01:24:36,159

she's my go-to yeah you know i i sort

2403

01:24:39,910 --> 01:24:38,480

sasha out because

2404

01:24:42,149 --> 01:24:39,920

i know that she

2405

01:24:43,990 --> 01:24:42,159

can smell a liar at a thousand paces i

2406

01:24:46,310 --> 01:24:44,000

can't say that's always been the case

2407

01:24:48,790 --> 01:24:46,320

but now after what i've been through

2408

01:24:51,110 --> 01:24:48,800

with lions and even nick pope said that

2409

01:24:53,990 --> 01:24:51,120

um i got trolled more than him and worse

2410

01:24:55,750 --> 01:24:54,000

than him a lot saying something i

2411

01:24:58,070 --> 01:24:55,760

couldn't see it from the outside so i

2412

01:25:00,470 --> 01:24:58,080

don't know what it looked like but um i

2413

01:25:02,070 --> 01:25:00,480

know how it felt yeah

2414

01:25:03,430 --> 01:25:02,080

it's crazy

2415

01:25:04,950 --> 01:25:03,440

but as you know it comes with a

2416

01:25:07,189 --> 01:25:04,960

territory doesn't it when you when you

2417

01:25:07,830 --> 01:25:07,199

start um kind of making a

2418

01:25:09,750 --> 01:25:07,840

and

2419

01:25:11,350 --> 01:25:09,760

if it whether it's a big name or a

2420

01:25:12,390 --> 01:25:11,360

little name you're gonna get your trolls

2421

01:25:13,990 --> 01:25:12,400

whatever

2422

01:25:15,910 --> 01:25:14,000

you know

2423

01:25:18,149 --> 01:25:15,920

yeah yeah i know

2424

01:25:19,590 --> 01:25:18,159

if you if you're you know changing

2425

01:25:21,910 --> 01:25:19,600

something if you're

2426

01:25:24,229 --> 01:25:21,920

telling people that the things that they

2427

01:25:25,270 --> 01:25:24,239

believe are not right

2428

01:25:27,590 --> 01:25:25,280

um

2429

01:25:29,110 --> 01:25:27,600

people don't like that but actually

2430

01:25:31,110 --> 01:25:29,120

quite a lot of people

2431

01:25:32,070 --> 01:25:31,120

are willing to

2432

01:25:33,990 --> 01:25:32,080

um

2433

01:25:36,550 --> 01:25:34,000

you know change the mind

2434

01:25:39,590 --> 01:25:36,560

and then some people definitely will

2435

01:25:43,270 --> 01:25:39,600

never change the mind

2436

01:25:45,030 --> 01:25:43,280

we'll just be horrific you know

2437

01:25:46,470 --> 01:25:45,040

i've always said i'm not here to

2438

01:25:48,229 --> 01:25:46,480

convince anyone

2439

01:25:49,750 --> 01:25:48,239

i'm here to inform you

2440

01:25:52,629 --> 01:25:49,760

that's one of the reasons why i wrote

2441

01:25:54,229 --> 01:25:52,639

the book i i wanted the evidence to be

2442

01:25:56,070 --> 01:25:54,239

as it is i didn't want it to be

2443

01:25:57,910 --> 01:25:56,080

corrupted by anybody

2444

01:25:59,910 --> 01:25:57,920

i wanted people to be able to see it for

2445

01:26:02,149 --> 01:25:59,920

themselves at the moment they're trying

2446

01:26:03,590 --> 01:26:02,159

to hide behind exemptions and they've

2447

01:26:05,910 --> 01:26:03,600

actually said there's the southwest

2448

01:26:09,750 --> 01:26:05,920

police and their latest one

2449

01:26:11,270 --> 01:26:09,760

um that they can neither confirm or deny

2450

01:26:13,110 --> 01:26:11,280

that they hold the information well

2451
01:26:15,910 --> 01:26:13,120
that's not how a freedom of information

2452
01:26:18,149 --> 01:26:15,920
request works that's the heading they

2453
01:26:20,070 --> 01:26:18,159
either confirm they have the information

2454
01:26:21,750 --> 01:26:20,080
but they can't give it to us because of

2455
01:26:24,070 --> 01:26:21,760
certain exemptions or they deny they

2456
01:26:26,550 --> 01:26:24,080
hold the information but they cannot say

2457
01:26:28,070 --> 01:26:26,560
we can neither confirm or deny because

2458
01:26:29,590 --> 01:26:28,080
that would go across the board with any

2459
01:26:32,950 --> 01:26:29,600
freedom of information and nobody would

2460
01:26:34,229 --> 01:26:32,960
ever get any information you know so

2461
01:26:35,110 --> 01:26:34,239
they they really don't know what they're

2462
01:26:36,550 --> 01:26:35,120
doing

2463
01:26:39,350 --> 01:26:36,560

and i do

2464

01:26:42,310 --> 01:26:39,360

um gary and i will be drafting

2465

01:26:44,070 --> 01:26:42,320

this latest foi to southwest police

2466

01:26:46,550 --> 01:26:44,080

actually stating that the exemptions

2467

01:26:48,390 --> 01:26:46,560

that they give given already will be

2468

01:26:51,430 --> 01:26:48,400

placed as a refusal

2469

01:26:52,790 --> 01:26:51,440

and if they fail to answer this one we

2470

01:26:54,149 --> 01:26:52,800

will be writing to the commissioner and

2471

01:26:56,470 --> 01:26:54,159

holding them in contempt and they could

2472

01:26:58,950 --> 01:26:56,480

face criminal charges that is the bottom

2473

01:27:02,830 --> 01:26:58,960

line they will answer me because i know

2474

01:27:05,990 --> 01:27:02,840

this was real yeah interesting

2475

01:27:07,750 --> 01:27:06,000

time yeah there's lots to come and you

2476

01:27:09,430 --> 01:27:07,760

know as i say they keep digging

2477

01:27:11,990 --> 01:27:09,440

and the deeper they dig the more lies

2478

01:27:13,910 --> 01:27:12,000

they tell the worse it gets for them

2479

01:27:15,669 --> 01:27:13,920

the truth will always prevail david yeah

2480

01:27:18,550 --> 01:27:15,679

sure absolutely

2481

01:27:22,070 --> 01:27:18,560

okay you are besties now what the book

2482

01:27:23,590 --> 01:27:22,080

is is available on amazon as you've said

2483

01:27:25,830 --> 01:27:23,600

it is it's called is it's just called

2484

01:27:28,870 --> 01:27:25,840

the pen turk incident it is called the

2485

01:27:31,030 --> 01:27:28,880

pentok incident the greatest ufo

2486

01:27:33,430 --> 01:27:31,040

cover-up of modern times that's it so

2487

01:27:35,110 --> 01:27:33,440

anyway because everyone knows what it is

2488

01:27:36,790 --> 01:27:35,120

now yeah yeah there are going to be

2489

01:27:38,629 --> 01:27:36,800

people out there international people

2490

01:27:40,629 --> 01:27:38,639

out there that don't know what the penta

2491

01:27:42,709 --> 01:27:40,639

incident is so what i'll do on a

2492

01:27:45,590 --> 01:27:42,719

paranormal dimensions page i'll put

2493

01:27:47,510 --> 01:27:45,600

links to the book and everything and uh

2494

01:27:49,510 --> 01:27:47,520

and if you'd like to get anyone to get

2495

01:27:52,390 --> 01:27:49,520

into contact with you i can put links on

2496

01:27:55,030 --> 01:27:52,400

there as well kez and gary if anybody

2497

01:27:56,950 --> 01:27:55,040

out there that needs help with anything

2498

01:27:57,830 --> 01:27:56,960

even if they just want to talk about

2499

01:27:58,790 --> 01:27:57,840

their

2500

01:28:02,149 --> 01:27:58,800

um

2501

01:28:03,669 --> 01:28:02,159

experience then then please contact us

2502

01:28:05,189 --> 01:28:03,679

and we have counsellors waiting to take

2503

01:28:06,709 --> 01:28:05,199

their calls i'll put all the links to

2504

01:28:08,709 --> 01:28:06,719

the things that i can and uh it's been

2505

01:28:11,030 --> 01:28:08,719

great having you and gary on and you

2506

01:28:12,830 --> 01:28:11,040

again sasha thanks for coming on and

2507

01:28:14,390 --> 01:28:12,840

always a pleasure

2508

01:28:18,550 --> 01:28:14,400

yeah

2509

01:28:19,990 --> 01:28:18,560

hopefully we can say glad to meet you

2510

01:28:21,430 --> 01:28:20,000

hopefully we can

2511

01:28:22,709 --> 01:28:21,440

make it up in a few months it was a

2512

01:28:24,310 --> 01:28:22,719

pleasure

2513

01:28:25,750 --> 01:28:24,320

well maybe one day we'll get down to

2514

01:28:27,350 --> 01:28:25,760

penn turk that would be nice that would

2515

01:28:29,189 --> 01:28:27,360

be lovely yeah

2516

01:28:31,030 --> 01:28:29,199

i have to try and put that on my agenda

2517

01:28:32,950 --> 01:28:31,040

one day because uh

2518

01:28:35,590 --> 01:28:32,960

as i say i haven't been to wales for

2519

01:28:37,189 --> 01:28:35,600

probably a good 10 years 10 15 years now

2520

01:28:41,030 --> 01:28:37,199

i should think it must be probably about

2521

01:28:45,189 --> 01:28:42,629

leaving for the work

2522

01:28:47,189 --> 01:28:45,199

so oh yeah i know what you mean yeah

2523

01:28:47,620 --> 01:28:47,199

maybe next year

2524

01:28:48,790 --> 01:28:47,630

um

2525

01:28:50,310 --> 01:28:48,800

[Music]

2526

01:28:52,470 --> 01:28:50,320

hopefully the second phase of the

2527

01:28:54,310 --> 01:28:52,480

investigation should be completed by

2528

01:28:56,149 --> 01:28:54,320

next year but you know it took the

2529

01:28:57,990 --> 01:28:56,159

police three years to answer us the last

2530

01:29:00,310 --> 01:28:58,000

time so i don't hold it now do you do

2531

01:29:03,030 --> 01:29:00,320

you see do you foresee another book

2532

01:29:04,870 --> 01:29:03,040

follow up to this or or

2533

01:29:06,629 --> 01:29:04,880

um

2534

01:29:09,830 --> 01:29:06,639

there is a possibility i mean i had to

2535

01:29:13,510 --> 01:29:09,840

reduce the information in this book from

2536

01:29:15,430 --> 01:29:13,520

900 pages down to 297 pages because it

2537

01:29:17,350 --> 01:29:15,440

was just too much so it could actually

2538

01:29:18,229 --> 01:29:17,360

be you might get another edition which

2539

01:29:20,950 --> 01:29:18,239

is

2540

01:29:23,750 --> 01:29:20,960

expanded edition or something

2541

01:29:26,709 --> 01:29:23,760

yes very possibly um

2542

01:29:28,310 --> 01:29:26,719

present we are working on the second

2543

01:29:31,030 --> 01:29:28,320

phase of the investigation which is

2544

01:29:32,629 --> 01:29:31,040

going extremely well i mean the lies

2545

01:29:35,189 --> 01:29:32,639

that they just keep telling just get

2546

01:29:37,350 --> 01:29:35,199

worse for them and in some cases are

2547

01:29:39,030 --> 01:29:37,360

absolutely hilarious

2548

01:29:43,510 --> 01:29:39,040

um

2549

01:29:46,470 --> 01:29:43,520

that phase but i can't at the moment

2550

01:29:48,470 --> 01:29:46,480

yeah um we are waiting for answers well

2551

01:29:50,870 --> 01:29:48,480

what we could do is maybe when you do

2552

01:29:52,550 --> 01:29:50,880

know a bit more um perhaps maybe next

2553

01:29:53,910 --> 01:29:52,560

year yeah maybe in the middle of next

2554

01:29:55,990 --> 01:29:53,920

year or something perhaps we'll see

2555

01:29:57,510 --> 01:29:56,000

where we are now and perhaps come back

2556

01:30:01,030 --> 01:29:57,520

on the show again

2557

01:30:02,790 --> 01:30:01,040

i'll be amazing thanks dave and and

2558

01:30:04,229 --> 01:30:02,800

yeah i'm just gonna i'm just gonna say

2559

01:30:06,390 --> 01:30:04,239

you know with if people are wondering

2560

01:30:07,350 --> 01:30:06,400

why can't we say nothing i mean you can

2561

01:30:08,709 --> 01:30:07,360

see

2562

01:30:10,790 --> 01:30:08,719

just even with the release of the book

2563

01:30:12,870 --> 01:30:10,800

you know we had uh someone before the

2564

01:30:14,550 --> 01:30:12,880

book even got sold there was already

2565

01:30:16,229 --> 01:30:14,560

someone posting a negative comment on

2566

01:30:17,750 --> 01:30:16,239

that a one star thing

2567

01:30:21,510 --> 01:30:17,760

and it was like you haven't even read

2568

01:30:24,310 --> 01:30:23,030

just a military exercise and all that

2569

01:30:26,149 --> 01:30:24,320

wasn't it

2570

01:30:28,070 --> 01:30:26,159

yeah yeah

2571

01:30:30,470 --> 01:30:28,080

you guys before the book was published

2572

01:30:32,149 --> 01:30:30,480

that was posted up there yeah but then

2573

01:30:34,390 --> 01:30:32,159

but then you know as soon as a book gets

2574

01:30:36,070 --> 01:30:34,400

published within 24 48 hours the field

2575

01:30:37,910 --> 01:30:36,080

gets cut down

2576

01:30:39,669 --> 01:30:37,920

so clearly someone is monitoring

2577

01:30:42,310 --> 01:30:39,679

monitoring what me and cars are doing

2578

01:30:44,550 --> 01:30:42,320

yeah right whether legally or illegally

2579

01:30:46,550 --> 01:30:44,560

i don't know i'm not joking when i say

2580

01:30:49,189 --> 01:30:46,560

i've kicked the police off my page i

2581

01:30:51,110 --> 01:30:49,199

have kicked the cia off my page and i

2582

01:30:53,590 --> 01:30:51,120

find that hilarious

2583

01:30:54,310 --> 01:30:53,600

and that is that is the truth yeah isn't

2584

01:30:55,750 --> 01:30:54,320

it

2585

01:30:57,430 --> 01:30:55,760

you have done that a few times you

2586

01:30:59,590 --> 01:30:57,440

probably more cars anyway

2587

01:31:01,350 --> 01:30:59,600

yeah well it does you know they've asked

2588

01:31:03,030 --> 01:31:01,360

me questions specifically about the

2589

01:31:05,030 --> 01:31:03,040

investigation and i just tell them i'm

2590

01:31:06,310 --> 01:31:05,040

not at liberty to discuss it because i

2591

01:31:07,830 --> 01:31:06,320

don't want to give them their heads up

2592

01:31:09,910 --> 01:31:07,840

yeah you know

2593

01:31:11,669 --> 01:31:09,920

as to what we're doing because if they

2594

01:31:13,510 --> 01:31:11,679

not if they learn what we're doing then

2595

01:31:15,510 --> 01:31:13,520

they they sort of like

2596

01:31:17,590 --> 01:31:15,520

run into they run into those areas like

2597

01:31:19,110 --> 01:31:17,600

oh you know change this do that blah

2598

01:31:20,470 --> 01:31:19,120

blah blah you know so we want to keep

2599

01:31:22,550 --> 01:31:20,480

mommy toes and let them walk on

2600

01:31:24,229 --> 01:31:22,560

eggshells a little bit well

2601

01:31:26,550 --> 01:31:24,239

we tried to cut them off before they had

2602

01:31:28,070 --> 01:31:26,560

that opportunity you know the same as we

2603

01:31:29,590 --> 01:31:28,080

did with the men that came with men and

2604

01:31:30,550 --> 01:31:29,600

women that came and camped in the fields

2605

01:31:32,310 --> 01:31:30,560

here

2606

01:31:33,669 --> 01:31:32,320

um the first thing i got gary to do was

2607

01:31:35,350 --> 01:31:33,679

to check whether or not there'd been any

2608

01:31:37,030 --> 01:31:35,360

planner permission for

2609

01:31:37,990 --> 01:31:37,040

said campsite

2610

01:31:39,830 --> 01:31:38,000

um

2611

01:31:42,470 --> 01:31:39,840

to cut that avenue off so that they

2612

01:31:44,550 --> 01:31:42,480

couldn't later go back and and add or

2613

01:31:46,950 --> 01:31:44,560

yes you know vodafone had this plan

2614

01:31:48,390 --> 01:31:46,960

permission to camp there when clearly

2615

01:31:49,990 --> 01:31:48,400

they were military

2616

01:31:52,149 --> 01:31:50,000

you know only the military can hide

2617

01:31:53,030 --> 01:31:52,159

behind section 26

2618

01:31:54,629 --> 01:31:53,040

um

2619

01:31:56,390 --> 01:31:54,639

and what was so important that they had

2620

01:31:57,830 --> 01:31:56,400

to come and camp and search the fields

2621

01:31:59,669 --> 01:31:57,840

of penn

2622

01:32:01,350 --> 01:31:59,679

in forensic suits using ground

2623

01:32:03,990 --> 01:32:01,360

penetrating radar

2624

01:32:05,430 --> 01:32:04,000

and triangulating satellites into this

2625

01:32:11,350 --> 01:32:05,440

area you know

2626

01:32:15,750 --> 01:32:14,149

well i guess on that note um yeah so

2627

01:32:16,629 --> 01:32:15,760

hopefully we'll get you back on the show

2628

01:32:18,629 --> 01:32:16,639

again

2629

01:32:19,830 --> 01:32:18,639

you know middle of next year maybe and

2630

01:32:20,790 --> 01:32:19,840

hopefully we should know exactly where

2631

01:32:22,629 --> 01:32:20,800

we are

2632

01:32:24,550 --> 01:32:22,639

bothered

2633

01:32:26,550 --> 01:32:24,560

well hopefully if we have our answers

2634

01:32:28,229 --> 01:32:26,560

yes and uh if not the police will be

2635

01:32:30,310 --> 01:32:28,239

held in contempt and that should be

2636

01:32:32,229 --> 01:32:30,320

interesting well yeah or we'll be in the

2637

01:32:35,669 --> 01:32:32,239

middle of a court case

2638

01:32:52,550 --> 01:32:35,679

anyway right we better leave

2639

01:32:52,560 --> 01:32:54,950

message

2640

01:32:58,470 --> 01:32:56,229

you've been listening to the paranormal

2641

01:33:02,149 --> 01:32:58,480

uk radio network i'm david young thank

2642

01:33:04,860 --> 01:33:03,590

right

2644

01:33:08,709 --> 01:33:06,840

[Laughter]

2645

01:33:10,950 --> 01:33:08,719

hello

2646

01:33:13,430 --> 01:33:10,960

unidentified flying objects

2647

01:33:15,750 --> 01:33:13,440

commonly known as flying saucers

2648

01:33:18,470 --> 01:33:15,760

do exist

2649

01:33:21,189 --> 01:33:18,480

some kind of flying objects have been

2650

01:33:23,270 --> 01:33:21,199

photographed in the sky

2651
01:33:25,430 --> 01:33:23,280
if they cannot be identified as objects

2652
01:33:26,950 --> 01:33:25,440
known to man

2653
01:33:29,669 --> 01:33:26,960
what are they

2654
01:33:31,189 --> 01:33:29,679
if they are not man-made

2655
01:33:34,390 --> 01:33:31,199
who made them

2656
01:33:42,910 --> 01:33:34,400
if they are not from this planet

2657
01:33:42,920 --> 01:34:22,310

01:34:22,320 --> 01:34:26,890
so

2659
01:34:26,900 --> 01:34:32,950
