Paranormal UK Radio Network

Paranormal Dimensions - Sacha Christie-Juliette Gregson - Paranormal Truth

1
00:00:04,630 --> 00:00:02,149
paranormal dimensions is a regular

2
00:00:06,950 --> 00:00:04,640
feature on mondays on the paranormal uk

3
00:00:08,950 --> 00:00:06,960
radio network any opinions or comments

4
00:00:10,870 --> 00:00:08,960
made by any guests are their own and

5
00:00:13,030 --> 00:00:10,880
they do not necessarily reflect any of

6
00:00:14,950 --> 00:00:13,040
the presenters or networks opinions

7
00:00:17,510 --> 00:00:14,960
whatever or whoever it is that haunts

8
00:00:19,510 --> 00:00:17,520
that house the manifestations are the

9
00:00:21,109 --> 00:00:19,520
most powerful and evil in their

10
00:00:22,790 --> 00:00:21,119
experience

11
00:00:31,880 --> 00:00:22,800
they all mentioned

12
00:01:25,670 --> 00:00:49,630
[Music]

13
00:01:29,830 --> 00:01:27,510

this is sasha christie and you're

14

00:01:32,390 --> 00:01:29,840

listening to the paranormal uk radio

15

00:01:34,789 --> 00:01:32,400

network the uk's biggest paranormal

16

00:01:38,149 --> 00:01:34,799

network and this is paranormal

17

00:01:39,670 --> 00:01:38,159

dimensions with david young for me

18

00:01:41,350 --> 00:01:39,680

this is the kind of show that i like

19

00:01:43,590 --> 00:01:41,360

doing most where you basically just have

20

00:01:45,670 --> 00:01:43,600

a freewheeling discussion have a chance

21

00:01:47,830 --> 00:01:45,680

to go off on topics that's what's going

22

00:01:57,030 --> 00:01:47,840

to make you an outstanding player in the

23

00:02:01,350 --> 00:01:59,109

hello and welcome to the show thank you

24

00:02:03,350 --> 00:02:01,360

for the introduction sasha and thank you

25

00:02:05,270 --> 00:02:03,360

for those kind words peter robbins now

26

00:02:07,749 --> 00:02:05,280

sasha will be back shortly she'll be

27

00:02:09,749 --> 00:02:07,759

joining myself and juliet gregson you

28

00:02:12,070 --> 00:02:09,759

may or may not remember that we did a

29

00:02:13,430 --> 00:02:12,080

show called paranormal truth earlier in

30

00:02:15,110 --> 00:02:13,440

the year so this is going to be

31

00:02:17,110 --> 00:02:15,120

paranormal truth and it's a halloween

32

00:02:19,190 --> 00:02:17,120

special since it's that time of year and

33

00:02:20,869 --> 00:02:19,200

the nights are closing in and the

34

00:02:24,390 --> 00:02:20,879

weather's getting colder

35

00:02:26,790 --> 00:02:24,400

so before i introduce sasha and juliet

36

00:02:28,869 --> 00:02:26,800

just like to say um if you've got any

37

00:02:31,509 --> 00:02:28,879

comments or anything you'd like to say

38

00:02:33,350 --> 00:02:31,519

or any requests etc

39

00:02:37,550 --> 00:02:33,360

if you'd like to contact me at any time

40

00:02:39,190 --> 00:02:37,560

my email address is david young 2qn at

41

00:02:46,229 --> 00:02:39,200

yahoo.com.uk

42

00:02:48,550 --> 00:02:46,239

right as i said it's a halloween special

43

00:02:50,550 --> 00:02:48,560

also a paranormal truth too

44

00:02:53,270 --> 00:02:50,560

and these are the two ladies that i'm

45

00:02:55,670 --> 00:02:53,280

bringing back it's sasha christie and

46

00:02:58,309 --> 00:02:55,680

juliette gregson you may know that they

47

00:03:00,949 --> 00:02:58,319

often help me out with co-hosting so

48

00:03:02,710 --> 00:03:00,959

we're brought back together again and um

49

00:03:04,869 --> 00:03:02,720

i hope we can find some interesting

50

00:03:07,030 --> 00:03:04,879

subjects to come up with and uh i hope

51
00:03:09,430 --> 00:03:07,040
you enjoy it hello girls how you doing

52
00:03:10,710 --> 00:03:09,440
all right mate

53
00:03:12,390 --> 00:03:10,720
all righty

54
00:03:14,470 --> 00:03:12,400
my favorite ladies of the night oh no i

55
00:03:16,170 --> 00:03:14,480
shouldn't say that my favorite ladies of

56
00:03:24,970 --> 00:03:16,180
halloween

57
00:03:24,980 --> 00:03:31,110
[Laughter]

58
00:03:35,990 --> 00:03:32,710
my favorite witches so i'm not saying it

59
00:03:39,740 --> 00:03:38,550
no i'm not joking how are you

60
00:03:42,949 --> 00:03:39,750
you're right

61
00:03:44,550 --> 00:03:42,959
[Laughter]

62
00:03:46,789 --> 00:03:44,560
yeah good yeah

63
00:03:49,270 --> 00:03:46,799

did you

64

00:03:53,190 --> 00:03:49,280

good keeping busy i've been writing

65

00:03:54,789 --> 00:03:53,200

stuff for the local rag local newspaper

66

00:03:56,869 --> 00:03:54,799

and she hadn't replied in like three

67

00:03:58,550 --> 00:03:56,879

days and i was like hello

68

00:04:00,630 --> 00:03:58,560

hello claire have you got my emails

69

00:04:02,390 --> 00:04:00,640

because she's done that before and she

70

00:04:03,910 --> 00:04:02,400

and she reported she said i've got them

71

00:04:05,509 --> 00:04:03,920

i'll send you a schedule of when they're

72

00:04:07,429 --> 00:04:05,519

going to be in the paper it was like i

73

00:04:09,350 --> 00:04:07,439

was just thinking are my emails working

74

00:04:11,830 --> 00:04:09,360

so i was emailing people

75

00:04:13,030 --> 00:04:11,840

have you got my email

76

00:04:15,030 --> 00:04:13,040

yeah

77

00:04:17,349 --> 00:04:15,040

i mean if it's anything like me i mean

78

00:04:18,870 --> 00:04:17,359

i'm getting stuff i just can't keep up

79

00:04:20,150 --> 00:04:18,880

with it all and it's you're probably the

80

00:04:22,069 --> 00:04:20,160

same session

81

00:04:22,870 --> 00:04:22,079

and i suddenly remember i thought oh my

82

00:04:24,870 --> 00:04:22,880

god

83

00:04:26,390 --> 00:04:24,880

i didn't answer so and so or

84

00:04:29,590 --> 00:04:26,400

you know it's sort of

85

00:04:31,270 --> 00:04:29,600

i don't you i'm sure things do sort of

86

00:04:32,230 --> 00:04:31,280

you know you forget things completely in

87

00:04:35,110 --> 00:04:32,240

the end

88

00:04:36,790 --> 00:04:35,120

um you know i know it happens to me

89

00:04:38,629 --> 00:04:36,800

but well i don't know i'm messenger all

90

00:04:40,710 --> 00:04:38,639

the time now so i find myself going on

91

00:04:43,110 --> 00:04:40,720

it i'll see there's a lot of messages so

92

00:04:45,030 --> 00:04:43,120

i kind of from one message to another

93

00:04:47,749 --> 00:04:45,040

being efficient and you know like

94

00:04:49,510 --> 00:04:47,759

replying and then i get all these

95

00:04:51,749 --> 00:04:49,520

replies all at once and i'm like oh i'm

96

00:04:53,590 --> 00:04:51,759

running away yeah i know well i spent a

97

00:04:56,550 --> 00:04:53,600

lot of time on telegram now oh you know

98

00:04:58,230 --> 00:04:56,560

not so much on facebook and um just

99

00:05:00,310 --> 00:04:58,240

trying to keep up with all the telegram

100

00:05:02,230 --> 00:05:00,320

stuff is a nightmare

101
00:05:03,830 --> 00:05:02,240
you know yeah we're talking about

102
00:05:05,270 --> 00:05:03,840
nightmares is that with it's the

103
00:05:07,189 --> 00:05:05,280
halloween week

104
00:05:08,950 --> 00:05:07,199
we're on here to celebrate and talk

105
00:05:15,590 --> 00:05:08,960
about

106
00:05:19,350 --> 00:05:17,590
yeah oh yeah that was the plan unless

107
00:05:21,110 --> 00:05:19,360
you've got any other planes

108
00:05:23,830 --> 00:05:21,120
no no

109
00:05:24,320 --> 00:05:23,840
i'm just literally winging it so hard at

110
00:05:26,070 --> 00:05:24,330
the moment

111
00:05:28,230 --> 00:05:26,080
[Laughter]

112
00:05:32,070 --> 00:05:28,240
i i guess a good way to start off this

113
00:05:33,749 --> 00:05:32,080

show for the halloween week is um

114

00:05:36,070 --> 00:05:33,759

i guess we've all got our favorite

115

00:05:39,189 --> 00:05:36,080

movies and books and things i mean what

116

00:05:41,350 --> 00:05:39,199

would your favorite movie say be of the

117

00:05:43,029 --> 00:05:41,360

things about halloweeny type things um

118

00:05:44,070 --> 00:05:43,039

and i don't mean the halloween slasher

119

00:05:45,990 --> 00:05:44,080

films

120

00:05:47,590 --> 00:05:46,000

you know because that's not kind of what

121

00:05:50,230 --> 00:05:47,600

halloween's about is it really it was

122

00:05:53,430 --> 00:05:50,240

just like a face mask you know i mean

123

00:05:56,710 --> 00:05:53,440

sort of ghosty sort of films

124

00:05:58,870 --> 00:05:56,720

one of my favorites is um and people

125

00:06:01,350 --> 00:05:58,880

think it's that cheesy but i don't care

126

00:06:03,909 --> 00:06:01,360

the others with nicole kidman

127

00:06:07,670 --> 00:06:06,390

and i think she's being haunted but in

128

00:06:10,469 --> 00:06:07,680

actual fact

129

00:06:12,950 --> 00:06:10,479

she's dead yeah it's the reverse isn't

130

00:06:14,550 --> 00:06:12,960

it yeah yeah okay and i actually feel

131

00:06:16,790 --> 00:06:14,560

like that sometimes i actually think is

132

00:06:18,390 --> 00:06:16,800

it i'm am i dead is this

133

00:06:19,860 --> 00:06:18,400

this place also

134

00:06:21,590 --> 00:06:19,870

a little weird

135

00:06:22,950 --> 00:06:21,600

[Laughter]

136

00:06:24,390 --> 00:06:22,960

yeah i mean it's like you said i mean

137

00:06:25,830 --> 00:06:24,400

but they're around us all the time

138

00:06:27,749 --> 00:06:25,840

anyway though aren't they

139

00:06:29,110 --> 00:06:27,759

yeah according to my understanding

140

00:06:29,990 --> 00:06:29,120

anyway

141

00:06:34,070 --> 00:06:30,000

yeah

142

00:06:35,749 --> 00:06:34,080

sls camera apps that maps people out you

143

00:06:37,029 --> 00:06:35,759

know and uh absolutely crapped

144

00:06:39,270 --> 00:06:37,039

themselves

145

00:06:41,590 --> 00:06:39,280

and put the camera on in the living room

146

00:06:45,510 --> 00:06:41,600

and this little figure popped up by the

147

00:06:45,520 --> 00:06:52,500

i am an idiot

148

00:06:52,510 --> 00:07:00,309

[Laughter]

149

00:07:05,110 --> 00:07:02,790

your favorite films i was about to say

150

00:07:08,309 --> 00:07:05,120

that was a jolly good choice damn good

151
00:07:11,270 --> 00:07:08,319
film mine's slightly more

152
00:07:12,390 --> 00:07:11,280
rosemary's baby oh yeah i remember that

153
00:07:14,710 --> 00:07:12,400
yeah

154
00:07:16,390 --> 00:07:14,720
it's clever because you never actually

155
00:07:19,909 --> 00:07:16,400
see anything

156
00:07:21,749 --> 00:07:19,919
it's all what your mind conjures

157
00:07:23,909 --> 00:07:21,759
and i think sometimes

158
00:07:26,070 --> 00:07:23,919
that is the scariest thing

159
00:07:27,430 --> 00:07:26,080
your own head

160
00:07:29,350 --> 00:07:27,440
yeah

161
00:07:30,870 --> 00:07:29,360
um the haunting of hill house the

162
00:07:32,309 --> 00:07:30,880
original one the other black and white

163
00:07:34,309 --> 00:07:32,319

one

164

00:07:37,270 --> 00:07:34,319

because there's not really much that

165

00:07:39,589 --> 00:07:37,280

goes on in that it's all suggested yeah

166

00:07:42,790 --> 00:07:39,599

is that the old vinson price one

167

00:07:46,469 --> 00:07:42,800

no no no no i can't remember the actress

168

00:07:48,070 --> 00:07:46,479

um but there's just like a bit of

169

00:07:49,749 --> 00:07:48,080

effects where the walls are kind of

170

00:07:52,309 --> 00:07:49,759

breathing a little bit and there's some

171

00:07:53,430 --> 00:07:52,319

banging going on and she's in the bed

172

00:07:55,189 --> 00:07:53,440

and she thinks she's holding her

173

00:07:56,469 --> 00:07:55,199

sister's hands up but then you realize

174

00:07:58,710 --> 00:07:56,479

that her sister's at the other side of

175

00:08:00,150 --> 00:07:58,720

the room so whose hand is she holding

176

00:08:02,629 --> 00:08:00,160

yeah um

177

00:08:05,029 --> 00:08:02,639

i was a teenager when i watched that and

178

00:08:07,909 --> 00:08:05,039

i was so spooked out by it it was just

179

00:08:09,510 --> 00:08:07,919

all my imagination though yeah they're

180

00:08:11,749 --> 00:08:09,520

probably the best type of films really

181

00:08:13,029 --> 00:08:11,759

the ones that are a psychological type

182

00:08:14,070 --> 00:08:13,039

horror aren't they

183

00:08:14,869 --> 00:08:14,080

you know

184

00:08:16,469 --> 00:08:14,879

um

185

00:08:18,710 --> 00:08:16,479

well i've mentioned well i think one of

186

00:08:20,950 --> 00:08:18,720

my favorites is um stephen king the

187

00:08:23,670 --> 00:08:20,960

stand well it wasn't stephen king it was

188

00:08:25,110 --> 00:08:23,680

his story no sorry not the stan

189

00:08:26,550 --> 00:08:25,120

that's another book

190

00:08:27,909 --> 00:08:26,560

the shining is what i'm actually

191

00:08:29,110 --> 00:08:27,919

thinking of

192

00:08:30,950 --> 00:08:29,120

but then i wasn't a golden mention

193

00:08:32,149 --> 00:08:30,960

understand which was like an epic i

194

00:08:34,310 --> 00:08:32,159

don't know if they've really sort of

195

00:08:35,430 --> 00:08:34,320

managed to put that out on the film as

196

00:08:37,430 --> 00:08:35,440

such yet

197

00:08:40,070 --> 00:08:37,440

you know like 20 million hours long

198

00:08:42,310 --> 00:08:40,080

wasn't it yeah yeah that's right but the

199

00:08:43,750 --> 00:08:42,320

shiny i would say is probably my

200

00:08:45,590 --> 00:08:43,760

probably one of my favorite sort of

201

00:08:47,350 --> 00:08:45,600

spooky films

202

00:08:49,350 --> 00:08:47,360

you know apart from our old favorite the

203

00:08:50,070 --> 00:08:49,360

exorcist which i think everyone sort of

204

00:08:51,829 --> 00:08:50,080

um

205

00:08:53,110 --> 00:08:51,839

you know brilliant feel when it first

206

00:08:54,470 --> 00:08:53,120

came out

207

00:08:57,430 --> 00:08:54,480

you know everyone was walking out the

208

00:08:59,269 --> 00:08:57,440

cinema and feeling the illness

209

00:09:01,269 --> 00:08:59,279

i'm not too sure if i ever thought about

210

00:09:03,350 --> 00:09:01,279

the cinema you know the exorcist i think

211

00:09:05,240 --> 00:09:03,360

the first time i ever saw that was on a

212

00:09:07,110 --> 00:09:05,250

vhs tape

213

00:09:08,550 --> 00:09:07,120

[Music]

214

00:09:11,030 --> 00:09:08,560

you know i might have um other pictures

215

00:09:12,550 --> 00:09:11,040

i can't actually remember

216

00:09:15,269 --> 00:09:12,560

it chads

217

00:09:17,670 --> 00:09:15,279

would be hsc you remember those

218

00:09:18,949 --> 00:09:17,680

certainly

219

00:09:21,590 --> 00:09:18,959

oh god

220

00:09:24,630 --> 00:09:21,600

i like the thing i think the capricorn

221

00:09:26,310 --> 00:09:24,640

the thing the original yeah

222

00:09:28,949 --> 00:09:26,320

you know like old

223

00:09:30,949 --> 00:09:28,959

but it's still good for the

224

00:09:34,389 --> 00:09:30,959

but anyway the special effects in that

225

00:09:36,310 --> 00:09:34,399

are absolutely freaking amazing

226

00:09:38,070 --> 00:09:36,320

and they have stood the test of time as

227

00:09:40,230 --> 00:09:38,080

well and the story is great i absolutely

228

00:09:42,389 --> 00:09:40,240

love that film yeah i'll tell you i used

229

00:09:44,310 --> 00:09:42,399

to love the old hammer horror films as

230

00:09:46,230 --> 00:09:44,320

well i mean i used to go to the cinema

231

00:09:48,710 --> 00:09:46,240

regularly to see those old draculas and

232

00:09:51,030 --> 00:09:48,720

the you know christopher lee and pikachu

233

00:09:54,150 --> 00:09:51,040

and all that sort of stuff you know

234

00:09:55,590 --> 00:09:54,160

it's blood sort of pop popcorn uh horror

235

00:09:57,509 --> 00:09:55,600

but it was fantastic yeah they were sort

236

00:09:59,509 --> 00:09:57,519

of great the their own genre what they

237

00:10:01,750 --> 00:09:59,519

that was great

238

00:10:04,069 --> 00:10:01,760

oh but there was all the eighties ones

239

00:10:05,990 --> 00:10:04,079

there was like phantasm wasn't there and

240

00:10:07,750 --> 00:10:06,000

what else was that extro do you remember

241

00:10:09,350 --> 00:10:07,760

extraordinary seeing that no i don't

242

00:10:11,590 --> 00:10:09,360

think i've seen those oh my god it's

243

00:10:14,630 --> 00:10:11,600

like a bad acid trip and a fortnight in

244

00:10:16,790 --> 00:10:14,640

a bad balloon honest to god there's a

245

00:10:18,949 --> 00:10:16,800

teacher and it's somebody's got like a

246

00:10:22,630 --> 00:10:18,959

fake head on but the walking

247

00:10:24,710 --> 00:10:22,640

kind of they're like backwards all right

248

00:10:26,550 --> 00:10:24,720

on their feet but this kind of like you

249

00:10:28,389 --> 00:10:26,560

know like the hypermobility people who

250

00:10:30,230 --> 00:10:28,399

can dislocate their arms

251
00:10:32,550 --> 00:10:30,240
so the face is actually pointing up but

252
00:10:35,269 --> 00:10:32,560
it makes it the the prosthetics and what

253
00:10:38,710 --> 00:10:35,279
it look like the head's pointing down so

254
00:10:39,990 --> 00:10:38,720
that it's all bowed oh it's so ugly and

255
00:10:41,509 --> 00:10:40,000
rancid and then there's this little

256
00:10:42,949 --> 00:10:41,519
dwarf running around and all kinds of

257
00:10:44,069 --> 00:10:42,959
mad stuff going on

258
00:10:46,870 --> 00:10:44,079
and

259
00:10:48,550 --> 00:10:46,880
it's this woman she gets a tap smiley

260
00:10:51,590 --> 00:10:48,560
thing and it puts a

261
00:10:53,509 --> 00:10:51,600
like a weird tube down the throat and

262
00:10:55,750 --> 00:10:53,519
then she lies on the floor and she's

263
00:10:58,150 --> 00:10:55,760

obviously been impregnated by this thing

264

00:11:00,310 --> 00:10:58,160

and the baby grows into a full-size

265

00:11:01,910 --> 00:11:00,320

person in like about five you know in

266

00:11:04,710 --> 00:11:01,920

like a couple of minutes

267

00:11:07,509 --> 00:11:04,720

so that that's all but it's all all

268

00:11:09,670 --> 00:11:07,519

special effects so i love all that

269

00:11:12,310 --> 00:11:09,680

what was the name of the film again

270

00:11:14,470 --> 00:11:12,320

extra x-t-r-o

271

00:11:15,670 --> 00:11:14,480

it is absolutely

272

00:11:16,790 --> 00:11:15,680

i'm just trying to

273

00:11:19,110 --> 00:11:16,800

say i'm going to check that out yeah i

274

00:11:20,949 --> 00:11:19,120

think i remember seeing the vhs the

275

00:11:23,990 --> 00:11:20,959

covers for that well i don't know if i

276

00:11:25,910 --> 00:11:24,000

saw the film you know it's

277

00:11:29,190 --> 00:11:25,920

well my dad's special effects guy was me

278

00:11:31,990 --> 00:11:29,200

so when i was a kid all that was going

279

00:11:34,310 --> 00:11:32,000

on in our house was anything to do with

280

00:11:37,030 --> 00:11:34,320

those films and how they were made and

281

00:11:39,269 --> 00:11:37,040

my dad doing his own stuff so

282

00:11:41,110 --> 00:11:39,279

you know it was like i watched howling

283

00:11:44,150 --> 00:11:41,120

when there was about nine oh that was a

284

00:11:47,269 --> 00:11:45,910

werewolves ever since

285

00:11:48,630 --> 00:11:47,279

because the what's up right through the

286

00:11:50,470 --> 00:11:48,640

trees and that's the only bet i can

287

00:11:52,470 --> 00:11:50,480

remember and just like burned into my

288

00:11:54,710 --> 00:11:52,480

brain

289

00:11:56,069 --> 00:11:54,720

scanners were the guys that exploded

290

00:11:57,750 --> 00:11:56,079

another good one that was a david

291

00:11:59,670 --> 00:11:57,760

cronenberg film wouldn't it

292

00:12:01,910 --> 00:11:59,680

yeah so my dad was into all that kind of

293

00:12:03,430 --> 00:12:01,920

stuff so it was just all going on yeah i

294

00:12:05,509 --> 00:12:03,440

remember seeing scanners i think there

295

00:12:07,030 --> 00:12:05,519

was there was two films together like

296

00:12:09,590 --> 00:12:07,040

that's when i used to get two movies at

297

00:12:11,110 --> 00:12:09,600

once you know in the same program wasn't

298

00:12:13,670 --> 00:12:11,120

it i remember seeing scanners and there

299

00:12:15,430 --> 00:12:13,680

was another good one that's oh i can't

300

00:12:17,350 --> 00:12:15,440

think what the one anyway but yeah

301
00:12:19,990 --> 00:12:17,360
scanners was a good film oh what that

302
00:12:20,870 --> 00:12:20,000
creature remember that one

303
00:12:24,790 --> 00:12:20,880
the

304
00:12:27,430 --> 00:12:24,800
i want my cake peculiar it's my birthday

305
00:12:29,350 --> 00:12:27,440
i want it now you know

306
00:12:31,269 --> 00:12:29,360
yeah no i don't remember

307
00:12:33,910 --> 00:12:31,279
like four different short flips and it

308
00:12:35,990 --> 00:12:33,920
was done by steven spielberg oh stephen

309
00:12:38,230 --> 00:12:36,000
king and he's in it actually because

310
00:12:39,829 --> 00:12:38,240
there's a meteorite that hits the ground

311
00:12:42,190 --> 00:12:39,839
and everything gets covered in green

312
00:12:43,910 --> 00:12:42,200
stuff including him

313
00:12:48,310 --> 00:12:43,920

[Music]

314

00:12:51,590 --> 00:12:50,069

get these written down she'll take some

315

00:12:54,069 --> 00:12:51,600

notes of some of these things or

316

00:12:56,629 --> 00:12:54,079

obviously i've probably missed a few

317

00:12:58,550 --> 00:12:56,639

that's what i'm doing absolute classic

318

00:12:59,910 --> 00:12:58,560

yeah i thought you meant you mentioned

319

00:13:01,350 --> 00:12:59,920

werewolves i'll tell you one of the good

320

00:13:04,230 --> 00:13:01,360

films well i thought it was good at the

321

00:13:06,389 --> 00:13:04,240

time was when um remember um

322

00:13:08,389 --> 00:13:06,399

oh my god what's his name i forget his

323

00:13:10,069 --> 00:13:08,399

name slipped in mine now he was always

324

00:13:12,150 --> 00:13:10,079

up here and drunk on

325

00:13:13,750 --> 00:13:12,160

some of the shows oh god you know

326

00:13:15,110 --> 00:13:13,760

they'll come back to me

327

00:13:17,430 --> 00:13:15,120

i'll agree

328

00:13:19,269 --> 00:13:17,440

that's right oliver reed did a fantastic

329

00:13:21,829 --> 00:13:19,279

weird wolf film because he's got that

330

00:13:23,750 --> 00:13:21,839

sort of look anyway

331

00:13:26,069 --> 00:13:23,760

well he already had that sort of look in

332

00:13:28,069 --> 00:13:26,079

his in his younger days yeah a lot of a

333

00:13:30,389 --> 00:13:28,079

wolffy sort of face

334

00:13:32,150 --> 00:13:30,399

yeah but i think it was cursed of the

335

00:13:33,590 --> 00:13:32,160

werewolf it was called and in its day it

336

00:13:35,350 --> 00:13:33,600

was brilliant

337

00:13:36,710 --> 00:13:35,360

you know

338

00:13:38,389 --> 00:13:36,720

because they were sort of all color the

339

00:13:39,910 --> 00:13:38,399

early color sort of horror films because

340

00:13:41,350 --> 00:13:39,920

they used to sort of make them in black

341

00:13:42,710 --> 00:13:41,360

and white didn't they

342

00:13:45,189 --> 00:13:42,720

yeah

343

00:13:48,550 --> 00:13:45,199

and my favorite film used to be dracula

344

00:13:51,750 --> 00:13:48,560

you know the old uh vincent price

345

00:13:54,069 --> 00:13:51,760

peter kushner films yeah i mean

346

00:13:55,990 --> 00:13:54,079

christopher lee was great as a dracula

347

00:13:57,910 --> 00:13:56,000

thing uh and also i mean some of the old

348

00:14:00,069 --> 00:13:57,920

bill of the ghostly ones

349

00:14:02,069 --> 00:14:00,079

although they look a bit comical now but

350

00:14:03,670 --> 00:14:02,079

they still had their creepy moments you

351
00:14:05,269 --> 00:14:03,680
know they they had an atmosphere about

352
00:14:07,670 --> 00:14:05,279
them

353
00:14:09,110 --> 00:14:07,680
you know oh but i think the

354
00:14:12,629 --> 00:14:09,120
funniest thing that i ever saw when i

355
00:14:14,310 --> 00:14:12,639
was a child was nosferatu

356
00:14:16,389 --> 00:14:14,320
right i mean my sister so it was on

357
00:14:18,389 --> 00:14:16,399
monday in the afternoon and we watched

358
00:14:20,550 --> 00:14:18,399
it and it was absolutely hysterical how

359
00:14:22,629 --> 00:14:20,560
was that it's that silent film isn't it

360
00:14:23,430 --> 00:14:22,639
the violent movie we were like really

361
00:14:25,110 --> 00:14:23,440
little

362
00:14:27,590 --> 00:14:25,120
probably i was probably about eight so

363
00:14:29,350 --> 00:14:27,600

she live in about six and it was the

364

00:14:31,189 --> 00:14:29,360

horseless carriage

365

00:14:33,030 --> 00:14:31,199

going up the path where they just kind

366

00:14:34,629 --> 00:14:33,040

of like moved it a little bit and filmed

367

00:14:37,590 --> 00:14:34,639

and moved it a little bit in film but it

368

00:14:39,670 --> 00:14:37,600

was all shonky and all over the place

369

00:14:41,430 --> 00:14:39,680

and now like a look at it nothing it's

370

00:14:43,110 --> 00:14:41,440

incredible really for the time but we

371

00:14:44,310 --> 00:14:43,120

just thought it was hysterical i mean

372

00:14:47,269 --> 00:14:44,320

that was i think it was one of the

373

00:14:48,389 --> 00:14:47,279

earliest movies wasn't it made actually

374

00:14:49,990 --> 00:14:48,399

yeah

375

00:14:51,670 --> 00:14:50,000

very early

376

00:14:53,509 --> 00:14:51,680

yeah but yeah before all the talkies and

377

00:14:55,350 --> 00:14:53,519

all that i think it was

378

00:14:56,790 --> 00:14:55,360

well i think it they released it a

379

00:14:58,389 --> 00:14:56,800

little while ago in the west end didn't

380

00:15:00,550 --> 00:14:58,399

they i believe

381

00:15:01,910 --> 00:15:00,560

no idea i don't know i have to show it

382

00:15:02,949 --> 00:15:01,920

on the big screen again i'm sure they

383

00:15:05,189 --> 00:15:02,959

did

384

00:15:07,430 --> 00:15:05,199

it's mad in it i was just thinking then

385

00:15:10,230 --> 00:15:07,440

oh my god when i was little they were

386

00:15:14,949 --> 00:15:10,240

still showing uh black and white

387

00:15:17,350 --> 00:15:14,959

no talky movies on the tv regularly

388

00:15:19,030 --> 00:15:17,360

that's nuts isn't it yeah that's what it

389

00:15:21,030 --> 00:15:19,040

is what were the old piano playing in

390

00:15:21,829 --> 00:15:21,040

the background

391

00:15:22,790 --> 00:15:21,839

yeah

392

00:15:24,829 --> 00:15:22,800

harold

393

00:15:29,189 --> 00:15:24,839

and lauren harding

394

00:15:32,470 --> 00:15:30,790

what about youtube yeah

395

00:15:34,710 --> 00:15:32,480

you got any really old favorites that

396

00:15:36,069 --> 00:15:34,720

you remember

397

00:15:37,350 --> 00:15:36,079

i think some of them you've already

398

00:15:38,550 --> 00:15:37,360

discussed

399

00:15:40,389 --> 00:15:38,560

er

400

00:15:42,069 --> 00:15:40,399

lots of black and white

401
00:15:43,189 --> 00:15:42,079
more watching on telly than at the

402
00:15:44,230 --> 00:15:43,199
cinema

403
00:15:45,749 --> 00:15:44,240
but

404
00:15:48,629 --> 00:15:45,759
sort of thinking some of the people that

405
00:15:51,030 --> 00:15:48,639
have actually visited my hometown about

406
00:15:53,269 --> 00:15:51,040
put back laurel and hardy days

407
00:15:54,790 --> 00:15:53,279
um

408
00:15:57,910 --> 00:15:54,800
conan arthur doyle i found out i

409
00:16:00,150 --> 00:15:57,920
actually visited in 1920

410
00:16:04,150 --> 00:16:00,160
spiritualism

411
00:16:06,069 --> 00:16:04,160
harry houdini appeared in 1905.

412
00:16:09,430 --> 00:16:06,079
so

413
00:16:11,430 --> 00:16:09,440

who has visited and done weird and

414

00:16:12,790 --> 00:16:11,440

wonderful things here yeah i think a lot

415

00:16:15,030 --> 00:16:12,800

of people don't realize that these

416

00:16:16,230 --> 00:16:15,040

people were actually into spiritualism

417

00:16:18,310 --> 00:16:16,240

and all sorts of things weren't they

418

00:16:19,509 --> 00:16:18,320

paranormal

419

00:16:23,189 --> 00:16:19,519

definitely

420

00:16:24,310 --> 00:16:23,199

looking back and thinking sunday

421

00:16:25,670 --> 00:16:24,320

afternoon

422

00:16:28,230 --> 00:16:25,680

it's raining

423

00:16:29,910 --> 00:16:28,240

what's on telly it was usually bbc two i

424

00:16:32,949 --> 00:16:29,920

think and it was like

425

00:16:46,949 --> 00:16:32,959

you'd be there comfy cushions bean bag

426

00:16:51,030 --> 00:16:49,110

i remember being taken to port marion by

427

00:16:52,629 --> 00:16:51,040

my parents on holiday

428

00:16:54,310 --> 00:16:52,639

and it was like this is prisoner and i'm

429

00:16:56,230 --> 00:16:54,320

just looking at my dad like the hell is

430

00:16:59,030 --> 00:16:56,240

he talking about yeah and after i've

431

00:17:01,030 --> 00:16:59,040

watched it it was like oh i get it now

432

00:17:05,029 --> 00:17:01,040

why you made me stand on the chessboard

433

00:17:07,029 --> 00:17:05,039

and then chase me down the beach

434

00:17:09,350 --> 00:17:07,039

but they were very liberal in that

435

00:17:12,470 --> 00:17:09,360

respect i was allowed to watch yeah

436

00:17:14,710 --> 00:17:12,480

basically i wanted but was that was that

437

00:17:16,549 --> 00:17:14,720

would you say that was in the paranormal

438

00:17:18,309 --> 00:17:16,559

genre

439

00:17:20,069 --> 00:17:18,319

it was a bit weird was prisoner but then

440

00:17:21,990 --> 00:17:20,079

again when you sort of read up

441

00:17:23,750 --> 00:17:22,000

about the chap he wrote it and obviously

442

00:17:25,510 --> 00:17:23,760

it was patrick

443

00:17:27,110 --> 00:17:25,520

mcgoon they forgot this wrong i'm sorry

444

00:17:28,549 --> 00:17:27,120

yeah patrick mcgoon was the star and

445

00:17:30,390 --> 00:17:28,559

also i think he wrote wrote it or

446

00:17:32,390 --> 00:17:30,400

something

447

00:17:34,150 --> 00:17:32,400

yeah people today are still discussing

448

00:17:36,390 --> 00:17:34,160

what the hell he meant you know it's

449

00:17:37,990 --> 00:17:36,400

like the last episode is like was he

450

00:17:40,310 --> 00:17:38,000

running the place was he not running the

451
00:17:42,549 --> 00:17:40,320
place i mean opening scene is one of the

452
00:17:45,590 --> 00:17:42,559
best ever that's if i ever have to quit

453
00:17:47,350 --> 00:17:45,600
a job that's what i want to do yeah well

454
00:17:49,990 --> 00:17:47,360
the thing was you didn't know what his

455
00:17:50,950 --> 00:17:50,000
name was did you in it no no but did you

456
00:17:52,870 --> 00:17:50,960
know that

457
00:17:54,230 --> 00:17:52,880
prior to that series i know we've got

458
00:17:56,630 --> 00:17:54,240
off the paranormal ball a little bit

459
00:17:59,029 --> 00:17:56,640
here but prior to that series he was he

460
00:18:01,110 --> 00:17:59,039
was in a series called danger man

461
00:18:03,110 --> 00:18:01,120
where he played a secret agent

462
00:18:05,510 --> 00:18:03,120
so it makes you wonder if the prisoner

463
00:18:07,990 --> 00:18:05,520

was actually the same character

464

00:18:09,430 --> 00:18:08,000

in a different series where you didn't

465

00:18:11,750 --> 00:18:09,440

you know but it sort of didn't refer

466

00:18:14,710 --> 00:18:11,760

back to his old series sort of thing

467

00:18:16,549 --> 00:18:14,720

yeah that's why i always looked for that

468

00:18:18,390 --> 00:18:16,559

you know it's just interesting being

469

00:18:21,029 --> 00:18:18,400

sort of

470

00:18:23,350 --> 00:18:21,039

it's like i didn't you know sashimi you

471

00:18:26,150 --> 00:18:23,360

talking about your dad that's like wow

472

00:18:28,549 --> 00:18:26,160

i would have loved that he was like

473

00:18:29,909 --> 00:18:28,559

it's just fun to

474

00:18:31,750 --> 00:18:29,919

it's like my dad used to work for a

475

00:18:33,750 --> 00:18:31,760

hypnotist which i've talked about before

476

00:18:36,230 --> 00:18:33,760

so i used to get to go and watch the

477

00:18:37,909 --> 00:18:36,240

show so that was to me it was normal

478

00:18:39,669 --> 00:18:37,919

but try and explain that to somebody

479

00:18:48,950 --> 00:18:39,679

else and to kind of tell the red and

480

00:18:52,390 --> 00:18:50,789

you've got to be a certain age to you

481

00:18:54,310 --> 00:18:52,400

you get it

482

00:18:59,350 --> 00:18:54,320

but it's a bit like this the hinge of

483

00:18:59,360 --> 00:19:05,990

that's funny

484

00:19:10,789 --> 00:19:07,909

but it is sort of thinking

485

00:19:12,470 --> 00:19:10,799

as well like wow we've had some pre i

486

00:19:14,310 --> 00:19:12,480

know i have and i know sasha's we

487

00:19:15,990 --> 00:19:14,320

there's some unusual upbringing which is

488

00:19:18,630 --> 00:19:16,000

kind of good

489

00:19:20,870 --> 00:19:18,640

more open to the weird and wonderful

490

00:19:22,870 --> 00:19:20,880

world that we inhabit

491

00:19:24,150 --> 00:19:22,880

well my dad's a complete atheist he was

492

00:19:26,630 --> 00:19:24,160

like well when you're dead you're dead

493

00:19:28,710 --> 00:19:26,640

that's it look there's nothing even says

494

00:19:30,950 --> 00:19:28,720

it on page i'm like you just

495

00:19:32,390 --> 00:19:30,960

you know like backing up the wrong tree

496

00:19:34,070 --> 00:19:32,400

with me you know i mean then they made

497

00:19:36,390 --> 00:19:34,080

me mama we'll talk about all sorts of

498

00:19:39,430 --> 00:19:36,400

weird stuff and you just walked on fire

499

00:19:41,590 --> 00:19:39,440

yeah i mean when his time comes he may

500

00:19:43,909 --> 00:19:41,600

well get a shock there might he yeah

501
00:19:45,830 --> 00:19:43,919
thank you earlier

502
00:19:47,440 --> 00:19:45,840
you think oh it is real

503
00:19:49,669 --> 00:19:47,450
or oh we're wrong on it

504
00:19:52,470 --> 00:19:49,679
[Laughter]

505
00:19:55,270 --> 00:19:52,480
he brought home like a eight-foot

506
00:19:58,789 --> 00:19:55,280
can of beer complete with foam coming

507
00:20:00,789 --> 00:19:58,799
out the top which was totally hollow

508
00:20:02,470 --> 00:20:00,799
and it was our garden for ages and we

509
00:20:06,070 --> 00:20:02,480
all the kids we were just all playing in

510
00:20:07,909 --> 00:20:06,080
it it was giant it was off some tv

511
00:20:09,990 --> 00:20:07,919
um oh just

512
00:20:12,149 --> 00:20:10,000
just mad chaos

513
00:20:14,390 --> 00:20:12,159

giant chickens puppets he did a lot of

514

00:20:17,190 --> 00:20:14,400

animatronics because he did um

515

00:20:18,630 --> 00:20:17,200

tumble down farm and um

516

00:20:20,549 --> 00:20:18,640

cool

517

00:20:22,950 --> 00:20:20,559

oh no no no what's the one with the

518

00:20:24,230 --> 00:20:22,960

dragon and um neil anderson was the

519

00:20:25,669 --> 00:20:24,240

wizard

520

00:20:27,669 --> 00:20:25,679

oh i know what you mean and i don't

521

00:20:29,830 --> 00:20:27,679

think it would happen no you got me on

522

00:20:32,310 --> 00:20:29,840

that yeah i know what you mean and i

523

00:20:34,310 --> 00:20:32,320

can't think of it either way

524

00:20:37,510 --> 00:20:34,320

and that was it because we made a puddle

525

00:20:39,430 --> 00:20:37,520

uh in our kitchen and we all did bits

526
00:20:41,029 --> 00:20:39,440
and bobs of whatever was going on so he

527
00:20:43,590 --> 00:20:41,039
did all the puppets

528
00:20:45,750 --> 00:20:43,600
all the animatronics for

529
00:20:47,669 --> 00:20:45,760
kids programs on yorkshire television

530
00:20:49,990 --> 00:20:47,679
and he did sort of all the fires and

531
00:20:52,070 --> 00:20:50,000
things like that in um

532
00:20:53,830 --> 00:20:52,080
emmerdale and blah blah blah

533
00:20:55,830 --> 00:20:53,840
taggart and

534
00:20:56,950 --> 00:20:55,840
uh shroud for a nightingale all kinds of

535
00:21:00,310 --> 00:20:56,960
stuff

536
00:21:01,750 --> 00:21:00,320
so yeah um he even had a dead sheep in

537
00:21:06,149 --> 00:21:01,760
his living room that he was doing for

538
00:21:10,549 --> 00:21:08,149

not taxidermy i think he was wanting

539

00:21:11,590 --> 00:21:10,559

they wanted him to make it move you know

540

00:21:15,510 --> 00:21:11,600

like

541

00:21:17,110 --> 00:21:15,520

what the hell

542

00:21:21,350 --> 00:21:17,120

did you find yourself sort of being

543

00:21:24,149 --> 00:21:23,029

it was just normal and like you're

544

00:21:26,149 --> 00:21:24,159

dabbing and

545

00:21:27,830 --> 00:21:26,159

like vanishing with kneeling for days on

546

00:21:29,270 --> 00:21:27,840

end and coming back you know like hung

547

00:21:30,710 --> 00:21:29,280

over

548

00:21:32,310 --> 00:21:30,720

you know like

549

00:21:34,549 --> 00:21:32,320

i could only imagine

550

00:21:35,990 --> 00:21:34,559

um so yeah

551
00:21:38,630 --> 00:21:36,000

put lots of

552
00:21:40,149 --> 00:21:38,640

sort of famous people around i would be

553
00:21:41,590 --> 00:21:40,159

seeing them where he worked because you

554
00:21:43,190 --> 00:21:41,600

could just go in and wander around it

555
00:21:45,830 --> 00:21:43,200

didn't matter

556
00:21:48,470 --> 00:21:45,840

you just meet any anyone and everyone

557
00:21:49,830 --> 00:21:48,480

yeah so i just have a very different

558
00:21:52,310 --> 00:21:49,840

view about

559
00:21:53,590 --> 00:21:52,320

famous people and i don't i don't get

560
00:21:56,149 --> 00:21:53,600

any that

561
00:21:56,830 --> 00:21:56,159

like oh my god oh my god it's them you

562
00:21:59,590 --> 00:21:56,840

know

563
00:22:01,510 --> 00:21:59,600

it's just like all special effects have

564

00:22:03,430 --> 00:22:01,520

been ruined for life and meeting

565

00:22:07,190 --> 00:22:03,440

someone's favorite

566

00:22:08,710 --> 00:22:07,200

like oh thanks for stealing all my joy

567

00:22:09,750 --> 00:22:08,720

well i talked about special effects i'll

568

00:22:11,270 --> 00:22:09,760

tell you what

569

00:22:13,029 --> 00:22:11,280

have you had a chance to watch the

570

00:22:15,750 --> 00:22:13,039

walking dead either of you or if you're

571

00:22:17,830 --> 00:22:15,760

not wanting to or i don't like zombies

572

00:22:19,029 --> 00:22:17,840

so no i don't watch it no i'll tell you

573

00:22:21,029 --> 00:22:19,039

i'll tell you what the effects are

574

00:22:23,029 --> 00:22:21,039

amazing in it though

575

00:22:25,990 --> 00:22:23,039

probably it's all the

576

00:22:27,830 --> 00:22:26,000

people who could get the bodies and then

577

00:22:29,990 --> 00:22:27,840

do weird things and it just

578

00:22:32,390 --> 00:22:30,000

freaks me out and then they're all so

579

00:22:34,950 --> 00:22:32,400

fast now what happened to this is slow

580

00:22:51,350 --> 00:22:34,960

zombies i stand a chance against slow

581

00:22:54,310 --> 00:22:52,950

i tried to watch world war z and

582

00:22:55,420 --> 00:22:54,320

couldn't even get through that without

583

00:22:57,590 --> 00:22:55,430

sitting on dave's head

584

00:23:00,549 --> 00:22:57,600

[Laughter]

585

00:23:02,310 --> 00:23:00,559

i mean the thing is the actual stuff

586

00:23:04,070 --> 00:23:02,320

if you i mean you can take away the

587

00:23:06,549 --> 00:23:04,080

ridiculousness of it because i can't it

588

00:23:08,390 --> 00:23:06,559

is kind of ridiculous but then the game

589

00:23:10,470 --> 00:23:08,400

when you look at the way the world seems

590

00:23:13,270 --> 00:23:10,480

to be going it's not quite so ridiculous

591

00:23:15,110 --> 00:23:13,280

is it you know no and and try and put

592

00:23:16,310 --> 00:23:15,120

yourself into that position that it was

593

00:23:18,710 --> 00:23:16,320

actually real

594

00:23:20,789 --> 00:23:18,720

and it would be absolutely

595

00:23:22,070 --> 00:23:20,799

yeah i'd be dead i can't run that

596

00:23:23,430 --> 00:23:22,080

quickly

597

00:23:24,950 --> 00:23:23,440

no i mean it would be absolutely

598

00:23:26,710 --> 00:23:24,960

terrifying wouldn't it yeah if you

599

00:23:29,190 --> 00:23:26,720

imagine that you're like yeah no i have

600

00:23:30,789 --> 00:23:29,200

a big gun

601
00:23:32,549 --> 00:23:30,799
well yeah yeah i mean in the walking

602
00:23:34,149 --> 00:23:32,559
dead always

603
00:23:35,669 --> 00:23:34,159
whacking them on their head or putting

604
00:23:38,390 --> 00:23:35,679
arrows through their eyes and stuff like

605
00:23:39,750 --> 00:23:38,400
that it's um i'm sure

606
00:23:42,390 --> 00:23:39,760
that if there were the three of us

607
00:23:45,029 --> 00:23:42,400
behind a barrier or whatever we would

608
00:23:47,110 --> 00:23:45,039
fight to the best of our abilities

609
00:23:48,310 --> 00:23:47,120
of course you'd have to be for your own

610
00:23:48,950 --> 00:23:48,320
survival

611
00:23:50,789 --> 00:23:48,960
but

612
00:23:54,870 --> 00:23:50,799
you know that's very nice of me to

613
00:24:00,789 --> 00:23:57,590

is any use

614

00:24:02,870 --> 00:24:00,799

that kind of situation because nowhere

615

00:24:04,390 --> 00:24:02,880

i freak out everything you know i'm like

616

00:24:05,669 --> 00:24:04,400

no no no

617

00:24:07,909 --> 00:24:05,679

freak out

618

00:24:09,909 --> 00:24:07,919

no no i turn and i say

619

00:24:11,830 --> 00:24:09,919

sasha and you get yeah and i'd be like

620

00:24:13,110 --> 00:24:11,840

it's all special effects it's not real

621

00:24:14,310 --> 00:24:13,120

and you go

622

00:24:16,149 --> 00:24:14,320

maybe okay

623

00:24:17,830 --> 00:24:16,159

and just remember

624

00:24:19,269 --> 00:24:17,840

victor just say that you're a sims

625

00:24:20,789 --> 00:24:19,279

character in the game and you're gonna

626

00:24:23,110 --> 00:24:20,799

win and they'll be like

627

00:24:23,909 --> 00:24:23,120

actually believe that i am so i'll do

628

00:24:26,149 --> 00:24:23,919

that

629

00:24:29,430 --> 00:24:26,159

yeah you get it's just misdirection in a

630

00:24:31,510 --> 00:24:29,440

good way yeah but no imagine it's not uh

631

00:24:33,029 --> 00:24:31,520

you know imagine it's actually real do

632

00:24:34,870 --> 00:24:33,039

you think you'd get to a point where it

633

00:24:36,149 --> 00:24:34,880

wasn't terrifying anymore to see all

634

00:24:37,510 --> 00:24:36,159

these things running about and that

635

00:24:40,070 --> 00:24:37,520

you're smashing them over the head or

636

00:24:42,390 --> 00:24:40,080

whatever uh do you get you get so used

637

00:24:44,870 --> 00:24:42,400

to it like they seem to in the tv show

638

00:24:46,310 --> 00:24:44,880

um david david i love him blackpool this

639

00:24:47,430 --> 00:24:46,320

is the kind of thing you see on a friday

640

00:24:49,110 --> 00:24:47,440

night

641

00:24:51,110 --> 00:24:49,120

well i apologize to all the people

642

00:24:52,549 --> 00:24:51,120

living in blackpool but you're the devil

643

00:24:53,909 --> 00:24:52,559

yet they said that no they would be

644

00:24:55,990 --> 00:24:53,919

agreeing

645

00:24:58,230 --> 00:24:56,000

uh yeah

646

00:25:00,870 --> 00:24:58,240

there's certain spots that probably i

647

00:25:03,510 --> 00:25:00,880

can think of and probably

648

00:25:05,830 --> 00:25:04,390

it's like

649

00:25:08,230 --> 00:25:05,840

should i walk here with with no

650

00:25:10,310 --> 00:25:08,240

protection you know with the

651
00:25:12,390 --> 00:25:10,320
these areas throughout england scotland

652
00:25:13,669 --> 00:25:12,400
and wells that you just don't venture

653
00:25:15,190 --> 00:25:13,679
out

654
00:25:16,789 --> 00:25:15,200
it's true well yeah i mean i suppose

655
00:25:19,190 --> 00:25:16,799
that's the same anywhere in the world i

656
00:25:20,710 --> 00:25:19,200
mean so you say that anyways there's

657
00:25:22,549 --> 00:25:20,720
places in london there's probably places

658
00:25:24,630 --> 00:25:22,559
around canberry island yeah or what

659
00:25:27,029 --> 00:25:24,640
we've been walking about at night

660
00:25:29,350 --> 00:25:27,039
you know it's also as quiet as it is

661
00:25:30,149 --> 00:25:29,360
but i'm sure it happens anywhere

662
00:25:32,070 --> 00:25:30,159
um

663
00:25:33,990 --> 00:25:32,080

but there you go it's just well i think

664

00:25:35,830 --> 00:25:34,000

a lot of the a lot of um

665

00:25:38,390 --> 00:25:35,840

the horror is in your mind anyway isn't

666

00:25:41,029 --> 00:25:38,400

it the terror that you feel um that's

667

00:25:43,269 --> 00:25:41,039

that's what i found in the past

668

00:25:45,750 --> 00:25:43,279

that that scene where they're in that

669

00:25:47,190 --> 00:25:45,760

house and then all of those zombies come

670

00:25:48,710 --> 00:25:47,200

right there's like

671

00:25:50,950 --> 00:25:48,720

hundreds of them

672

00:25:52,310 --> 00:25:50,960

and they get in the water and they're in

673

00:25:54,710 --> 00:25:52,320

the boat and they're getting away on the

674

00:25:59,190 --> 00:25:54,720

bar and then all them zombies it's just

675

00:26:01,110 --> 00:25:59,200

completely insane savage and fast yeah i

676
00:26:02,390 --> 00:26:01,120
thought i was gonna have a heart attack

677
00:26:05,269 --> 00:26:02,400
yeah

678
00:26:08,310 --> 00:26:05,279
it honestly like the anxiety and my

679
00:26:10,470 --> 00:26:08,320
heart rate is ridiculous i mean i

680
00:26:14,070 --> 00:26:10,480
know that it's not real probably better

681
00:26:14,080 --> 00:26:16,950
yeah

682
00:26:20,549 --> 00:26:19,110
now well i'll say i can remember an old

683
00:26:22,310 --> 00:26:20,559
one of the old hammer horror films

684
00:26:24,230 --> 00:26:22,320
called plague of the zombies it was

685
00:26:26,870 --> 00:26:24,240
nothing like some of these little ones

686
00:26:28,870 --> 00:26:26,880
uh you know the effects and the makeup

687
00:26:31,909 --> 00:26:28,880
and that's it's phenomenal what they do

688
00:26:34,390 --> 00:26:31,919

now yeah you know oh but

689

00:26:36,630 --> 00:26:34,400

why how could we not even remember this

690

00:26:47,909 --> 00:26:36,640

one with carol anne

691

00:26:51,669 --> 00:26:49,350

wow

692

00:26:54,630 --> 00:26:51,679

it is good this there's a lot to be said

693

00:26:57,350 --> 00:26:54,640

for some of the hammer ones and for the

694

00:26:59,029 --> 00:26:57,360

sort of weird 80s ones

695

00:27:00,230 --> 00:26:59,039

they they were great they all sets them

696

00:27:01,909 --> 00:27:00,240

that they used to use in the hammer

697

00:27:03,350 --> 00:27:01,919

films they were probably all cardboard

698

00:27:05,190 --> 00:27:03,360

and that they look fantastic the old

699

00:27:06,789 --> 00:27:05,200

castles and all the castle dracula and

700

00:27:08,470 --> 00:27:06,799

all that you know they had a sort of

701
00:27:10,149 --> 00:27:08,480
atmosphere about

702
00:27:12,230 --> 00:27:10,159
and of course christopher lee was a

703
00:27:14,070 --> 00:27:12,240
regular wasn't he but he did other ones

704
00:27:17,350 --> 00:27:14,080
like rasputin and stuff that was a good

705
00:27:19,029 --> 00:27:17,360
feel oh that was a good one yeah

706
00:27:20,630 --> 00:27:19,039
vaguely remember that

707
00:27:21,909 --> 00:27:20,640
i'll tell you what one of the best ones

708
00:27:24,070 --> 00:27:21,919
was that dennis wheatley i don't know if

709
00:27:25,029 --> 00:27:24,080
you've ever read dennis wheatley stories

710
00:27:27,350 --> 00:27:25,039
books

711
00:27:29,430 --> 00:27:27,360
um yeah the devil rides out was probably

712
00:27:30,470 --> 00:27:29,440
one of the best ones they did

713
00:27:31,990 --> 00:27:30,480

um

714

00:27:33,510 --> 00:27:32,000

i wrote them this actually but i do

715

00:27:35,510 --> 00:27:33,520

remember reading them because my mum

716

00:27:37,110 --> 00:27:35,520

used to read all these books and like

717

00:27:39,269 --> 00:27:37,120

our house was just

718

00:27:41,510 --> 00:27:39,279

stacks of books everywhere

719

00:27:44,149 --> 00:27:41,520

uh my mum would read about three or four

720

00:27:44,950 --> 00:27:44,159

a week so she had all them

721

00:27:47,269 --> 00:27:44,960

uh

722

00:27:49,669 --> 00:27:47,279

it's already done a few danny sweetly

723

00:27:52,149 --> 00:27:49,679

and um

724

00:27:53,590 --> 00:27:52,159

oh and uh eric von daniken

725

00:27:55,110 --> 00:27:53,600

oh yeah

726

00:27:57,029 --> 00:27:55,120

eric like

727

00:27:58,230 --> 00:27:57,039

yeah another dollar stephen king think

728

00:27:59,909 --> 00:27:58,240

stuff and i was probably shrunk because

729

00:28:01,669 --> 00:27:59,919

i was about 12. yeah i've read most of

730

00:28:03,430 --> 00:28:01,679

the stephen king's or the earlier ones

731

00:28:04,870 --> 00:28:03,440

anyway i don't know what i don't read

732

00:28:06,230 --> 00:28:04,880

them now i don't really get the time but

733

00:28:08,149 --> 00:28:06,240

um some of the earlier ones obviously

734

00:28:10,549 --> 00:28:08,159

the stand and the shining and all those

735

00:28:14,070 --> 00:28:10,559

and carrie and christine and about the

736

00:28:28,710 --> 00:28:14,080

creepy the car that kept the joke

737

00:28:31,990 --> 00:28:30,470

absolutely mad

738

00:28:34,710 --> 00:28:32,000

sorry

739

00:28:38,389 --> 00:28:34,720

proper creepy vest on that yeah the pet

740

00:28:43,110 --> 00:28:40,789

it's probably a little kid little evil

741

00:28:45,510 --> 00:28:43,120

dead kid children

742

00:28:47,510 --> 00:28:45,520

dead children they're the worst

743

00:28:49,590 --> 00:28:47,520

everything i'll tell you another writer

744

00:28:51,750 --> 00:28:49,600

i used to read quite a lot of in back in

745

00:28:54,310 --> 00:28:51,760

the well back in the early days was uh

746

00:28:56,630 --> 00:28:54,320

james herbert things like the fog and

747

00:28:59,430 --> 00:28:56,640

the rats and stuff like that they were

748

00:29:00,710 --> 00:28:59,440

really good yeah

749

00:29:02,389 --> 00:29:00,720

well i don't know if this is still

750

00:29:03,990 --> 00:29:02,399

around james herbert or is he did he die

751
00:29:05,110 --> 00:29:04,000
off he's probably it's probably gone now

752
00:29:06,470 --> 00:29:05,120
i should think

753
00:29:09,430 --> 00:29:06,480
well

754
00:29:11,750 --> 00:29:09,440
not got a clue no because i i mean i

755
00:29:13,190 --> 00:29:11,760
think i mean we were probably getting on

756
00:29:15,269 --> 00:29:13,200
a bit when i was reading these books but

757
00:29:17,909 --> 00:29:15,279
someone says probably not around anymore

758
00:29:19,909 --> 00:29:17,919
but they were good in their day

759
00:29:21,830 --> 00:29:19,919
anyway i mean around in your areas is

760
00:29:22,870 --> 00:29:21,840
people putting their halloween stuff out

761
00:29:25,110 --> 00:29:22,880
already

762
00:29:28,470 --> 00:29:25,120
they're all they're all around here

763
00:29:30,870 --> 00:29:28,480

they are across the road my parents um

764

00:29:32,310 --> 00:29:30,880

they're quite close to my mum and dad

765

00:29:34,149 --> 00:29:32,320

and

766

00:29:36,070 --> 00:29:34,159

they've got a you know the whoo the

767

00:29:37,990 --> 00:29:36,080

ghost that sort of moves and you've got

768

00:29:41,669 --> 00:29:38,000

like everything they've got one of them

769

00:29:44,789 --> 00:29:41,679

they've got a grave they've got lights

770

00:29:45,830 --> 00:29:44,799

i'll have to do some pictures seriously

771

00:29:47,830 --> 00:29:45,840

um

772

00:29:49,830 --> 00:29:47,840

not tonight obviously because

773

00:29:51,350 --> 00:29:49,840

and i drove past i think tuna and it was

774

00:29:54,549 --> 00:29:51,360

like

775

00:29:56,710 --> 00:29:54,559

it looks really good yeah one of the

776

00:29:58,630 --> 00:29:56,720

things i've seen so far i'll tell you

777

00:30:00,710 --> 00:29:58,640

what you remember sasha where i used to

778

00:30:02,230 --> 00:30:00,720

live uh we we used to put some things

779

00:30:04,630 --> 00:30:02,240

out on the gate tell me i don't think

780

00:30:13,029 --> 00:30:04,640

anyone ever saw him because you know

781

00:30:17,029 --> 00:30:15,029

yeah i don't have to do anything to my

782

00:30:19,350 --> 00:30:17,039

house because it's like

783

00:30:23,830 --> 00:30:19,360

it already looks like halloween in here

784

00:30:29,430 --> 00:30:25,430

you know and i've got all kinds of weird

785

00:30:31,750 --> 00:30:29,440

stuff on my model on the fireplace yeah

786

00:30:34,470 --> 00:30:31,760

and the box and jars and

787

00:30:35,669 --> 00:30:34,480

curiosity things so yeah

788

00:30:36,870 --> 00:30:35,679

one thing that's gonna be different

789

00:30:38,149 --> 00:30:36,880

where we're living there we're probably

790

00:30:39,750 --> 00:30:38,159

gonna get all the kids knocking on the

791

00:30:42,070 --> 00:30:39,760

door a lot we didn't we couldn't have

792

00:30:44,710 --> 00:30:42,080

that where we were before yeah and you

793

00:30:46,030 --> 00:30:44,720

know so i should probably be throttling

794

00:30:49,190 --> 00:30:46,040

mood by next week

795

00:30:51,269 --> 00:30:49,200

[Laughter]

796

00:30:52,470 --> 00:30:51,279

now but it's all part of this thing i

797

00:30:54,630 --> 00:30:52,480

know yeah

798

00:30:55,990 --> 00:30:54,640

i'll just let you answer the door

799

00:30:57,669 --> 00:30:56,000

or we'll put them or we put all the

800

00:30:59,830 --> 00:30:57,679

lights out might not make out nobody's

801
00:31:01,909 --> 00:30:59,840
own

802
00:31:03,830 --> 00:31:01,919
i like the right little tiny baby ones

803
00:31:05,830 --> 00:31:03,840
you know they can only just start

804
00:31:08,310 --> 00:31:05,840
walking yeah

805
00:31:10,950 --> 00:31:08,320
what's going on

806
00:31:13,430 --> 00:31:10,960
they're just like looking at this

807
00:31:16,310 --> 00:31:13,440
angel with sweeties

808
00:31:17,590 --> 00:31:16,320
yeah i saw a post oh i saw a post on

809
00:31:19,430 --> 00:31:17,600
twitter today and they were saying you

810
00:31:20,149 --> 00:31:19,440
know are you going to trick or treat yes

811
00:31:23,190 --> 00:31:20,159
no

812
00:31:26,470 --> 00:31:23,200
um one bright spark said oh yes i let

813
00:31:30,389 --> 00:31:26,480

them trick or treat however i'm going to

814

00:31:31,590 --> 00:31:30,399

cable tie my gates so they can't get in

815

00:31:33,350 --> 00:31:31,600

and i thought

816

00:31:34,470 --> 00:31:33,360

okay how big are the gates are they

817

00:31:35,669 --> 00:31:34,480

going to break the gate so they're going

818

00:31:37,190 --> 00:31:35,679

to climb over the wall i was just

819

00:31:38,710 --> 00:31:37,200

thinking of all the weirdos well there's

820

00:31:41,029 --> 00:31:38,720

a chain you could always use a chain

821

00:31:42,389 --> 00:31:41,039

rather than a cable tie maybe

822

00:31:44,149 --> 00:31:42,399

and he was like

823

00:31:46,789 --> 00:31:44,159

really and then people were just jumping

824

00:31:49,269 --> 00:31:46,799

and going why you'll break the gate it

825

00:31:50,549 --> 00:31:49,279

was just from something so simple like

826

00:31:52,870 --> 00:31:50,559

you know are you looking forward to

827

00:31:55,269 --> 00:31:52,880

trick you just morphed into

828

00:31:58,230 --> 00:31:55,279

weirdness but that's twitter for you it

829

00:32:00,549 --> 00:31:58,240

can be spectacularly stupid really good

830

00:32:02,070 --> 00:32:00,559

at times but also spectacularly stupid

831

00:32:03,830 --> 00:32:02,080

it's like

832

00:32:07,029 --> 00:32:03,840

why am i reading this i'm just as bad i

833

00:32:09,110 --> 00:32:07,039

didn't reply but i was i was more like

834

00:32:10,549 --> 00:32:09,120

what

835

00:32:13,110 --> 00:32:10,559

people do this

836

00:32:15,590 --> 00:32:13,120

i remember years ago when i was a kid

837

00:32:17,029 --> 00:32:15,600

halloween wasn't the same as it is now

838

00:32:18,870 --> 00:32:17,039

you know we never used to put out loads

839

00:32:20,230 --> 00:32:18,880

of loads of stuff and all that maybe we

840

00:32:21,430 --> 00:32:20,240

didn't have the money i don't know but i

841

00:32:23,029 --> 00:32:21,440

don't remember

842

00:32:24,950 --> 00:32:23,039

all the outsides of the houses being

843

00:32:26,789 --> 00:32:24,960

done up as much as it is now

844

00:32:29,190 --> 00:32:26,799

you know and kids going around the doors

845

00:32:31,190 --> 00:32:29,200

and things i remember just walking

846

00:32:33,269 --> 00:32:31,200

around outside with a turnip that my

847

00:32:35,750 --> 00:32:33,279

daddy followed out and put a candle

848

00:32:39,669 --> 00:32:37,430

used to do turnips

849

00:32:42,070 --> 00:32:39,679

like yeah obviously

850

00:32:44,710 --> 00:32:42,080

yeah and that was it there was no going

851
00:32:46,710 --> 00:32:44,720
to anybody's house or whatever just like

852
00:32:48,950 --> 00:32:46,720
that's a new one i mean it well about

853
00:32:50,549 --> 00:32:48,960
the um the um

854
00:32:52,230 --> 00:32:50,559
pumpkin and all that

855
00:32:54,830 --> 00:32:52,240
now where did that originate the pumpkin

856
00:32:58,149 --> 00:32:54,840
you got any idea

857
00:33:00,870 --> 00:32:58,159
nope i think it's just okay

858
00:33:02,230 --> 00:33:00,880
they're ripe at this time of year maybe

859
00:33:03,669 --> 00:33:02,240
i was either and that was the only

860
00:33:04,870 --> 00:33:03,679
reason they just sort of yeah because

861
00:33:06,470 --> 00:33:04,880
it's not much else you can do with a

862
00:33:08,710 --> 00:33:06,480
pumpkin is there

863
00:33:10,310 --> 00:33:08,720

you know i don't know people people make

864

00:33:11,990 --> 00:33:10,320

pumpkin soup and stuff but i don't know

865

00:33:13,110 --> 00:33:12,000

what else i can do with them

866

00:33:15,669 --> 00:33:13,120

um

867

00:33:18,789 --> 00:33:15,679

nice latte

868

00:33:20,470 --> 00:33:18,799

pumpkin pie it's like yeah lots of

869

00:33:22,630 --> 00:33:20,480

pumpkin things

870

00:33:23,909 --> 00:33:22,640

but someone's just said

871

00:33:25,269 --> 00:33:23,919

some

872

00:33:27,350 --> 00:33:25,279

we've got a great big one that jill's

873

00:33:28,710 --> 00:33:27,360

going to hollow out and make a

874

00:33:30,230 --> 00:33:28,720

you know and i'll say to you what we're

875

00:33:31,909 --> 00:33:30,240

going to do with the rest of it she said

876

00:33:34,230 --> 00:33:31,919

i know

877

00:33:40,789 --> 00:33:36,230

probably my person might get a pumpkin

878

00:33:43,909 --> 00:33:42,630

turnips i think are more scary than

879

00:33:45,110 --> 00:33:43,919

pumpkin

880

00:33:48,389 --> 00:33:45,120

now come on

881

00:33:50,710 --> 00:33:48,399

how's it turning scary come on juliet

882

00:33:54,389 --> 00:33:50,720

well if you look at pictures afterwards

883

00:33:57,190 --> 00:33:54,399

of a turnip and then against a pumpkin

884

00:33:58,870 --> 00:33:57,200

the turnip to me just looks more like

885

00:34:00,950 --> 00:33:58,880

savage yeah

886

00:34:09,430 --> 00:34:00,960

vegetable let's be honest here it's an

887

00:34:13,909 --> 00:34:11,909

or whatever but you can't make a swede

888

00:34:16,869 --> 00:34:13,919

or return it look happy they just look

889

00:34:18,869 --> 00:34:16,879

menacing thank you all right

890

00:34:21,349 --> 00:34:18,879

i should remember something next time i

891

00:34:22,869 --> 00:34:21,359

look at the turnip well think of that

892

00:34:24,470 --> 00:34:22,879

right listen

893

00:34:26,389 --> 00:34:24,480

witches

894

00:34:27,909 --> 00:34:26,399

where they came from you know your

895

00:34:31,190 --> 00:34:27,919

traditional

896

00:34:33,430 --> 00:34:31,200

pointy hat broomstick cat

897

00:34:35,990 --> 00:34:33,440

cauldron so i'll tell you where all that

898

00:34:37,750 --> 00:34:36,000

came from yeah yeah please

899

00:34:39,589 --> 00:34:37,760

okay so

900

00:34:42,869 --> 00:34:39,599

way back when

901
00:34:44,230 --> 00:34:42,879
women used to brew all the ale and all

902
00:34:45,990 --> 00:34:44,240
the beer

903
00:34:49,349 --> 00:34:46,000
and they would use psychoactive

904
00:34:51,109 --> 00:34:49,359
ingredients like mandrake and henbane

905
00:34:57,750 --> 00:34:51,119
and

906
00:35:00,550 --> 00:34:57,760
of other plants but a lot of them they

907
00:35:02,390 --> 00:35:00,560
will these have healing properties they

908
00:35:03,910 --> 00:35:02,400
don't make you bloated and fat like

909
00:35:05,589 --> 00:35:03,920
beers with hops

910
00:35:08,950 --> 00:35:05,599
and um

911
00:35:10,710 --> 00:35:08,960
there was one made out of for 10 000

912
00:35:13,030 --> 00:35:10,720
years called groot

913
00:35:15,510 --> 00:35:13,040

which is um

914

00:35:16,390 --> 00:35:15,520

like labrador marsh

915

00:35:19,829 --> 00:35:16,400

like a

916

00:35:22,310 --> 00:35:19,839

rhododendron and it's very potent all of

917

00:35:24,069 --> 00:35:22,320

these things are toxic on their own but

918

00:35:26,069 --> 00:35:24,079

when you brew them into alcohol they're

919

00:35:28,230 --> 00:35:26,079

not so that's where you get all of the

920

00:35:31,349 --> 00:35:28,240

ingredients being added to a cauldron

921

00:35:34,870 --> 00:35:31,359

from because they had the big pot to

922

00:35:36,790 --> 00:35:34,880

boil all of this work and match it into

923

00:35:38,790 --> 00:35:36,800

a into ale

924

00:35:40,790 --> 00:35:38,800

so because people

925

00:35:43,349 --> 00:35:40,800

couldn't read back then and so there was

926
00:35:45,030 --> 00:35:43,359
no signs outside shops with ye oldie

927
00:35:47,829 --> 00:35:45,040
beer or whatever because nobody could

928
00:35:49,030 --> 00:35:47,839
read so there were like uh visual

929
00:35:49,829 --> 00:35:49,040
signals

930
00:35:51,829 --> 00:35:49,839
so

931
00:35:54,550 --> 00:35:51,839
in the crowd if you saw

932
00:35:57,750 --> 00:35:54,560
a tall pointy hat you knew that that was

933
00:35:58,630 --> 00:35:57,760
a hawker selling beer

934
00:36:00,310 --> 00:35:58,640
now

935
00:36:02,310 --> 00:36:00,320
the room

936
00:36:04,790 --> 00:36:02,320
obviously you need the broom to sweep

937
00:36:07,990 --> 00:36:04,800
the floor but the broom was the visual

938
00:36:10,710 --> 00:36:08,000

signal that beer was being sold so they

939

00:36:13,109 --> 00:36:10,720

would hang the broom above the shop door

940

00:36:15,270 --> 00:36:13,119

so the the people in the crowd could say

941

00:36:17,349 --> 00:36:15,280

all right there's i can go get my beer

942

00:36:20,870 --> 00:36:17,359

from over there

943

00:36:22,550 --> 00:36:20,880

the cat was for catching the rats etc

944

00:36:25,030 --> 00:36:22,560

that and the mice

945

00:36:29,030 --> 00:36:25,040

around the grain and everything

946

00:36:31,510 --> 00:36:29,040

so and they then were demonized because

947

00:36:34,069 --> 00:36:31,520

men came in of course and took over

948

00:36:36,390 --> 00:36:34,079

brewing to demonize the women said that

949

00:36:38,630 --> 00:36:36,400

they were poisoning people there were

950

00:36:41,910 --> 00:36:38,640

actually civil there was like a civil

951
00:36:43,349 --> 00:36:41,920
war over beer being changed from all of

952
00:36:45,829 --> 00:36:43,359
those things

953
00:36:47,910 --> 00:36:45,839
into like your standard pilsner type

954
00:36:49,990 --> 00:36:47,920
beer where you'll be using the hops

955
00:36:54,710 --> 00:36:50,000
where everybody was complaining they

956
00:36:57,670 --> 00:36:54,720
make a man bloaty and lazy and fat

957
00:37:00,550 --> 00:36:57,680
and there's no medimens and violence and

958
00:37:01,750 --> 00:37:00,560
all this so yeah it was uh everyone was

959
00:37:03,750 --> 00:37:01,760
kicking off

960
00:37:05,190 --> 00:37:03,760
but obviously at the elite are the elite

961
00:37:06,630 --> 00:37:05,200
and they do whatever they want they did

962
00:37:07,349 --> 00:37:06,640
it back then and they're still doing it

963
00:37:10,310 --> 00:37:07,359

now

964

00:37:13,589 --> 00:37:10,320

so uh yeah but anyway that's where

965

00:37:15,589 --> 00:37:13,599

your pointy hat which came from and all

966

00:37:18,150 --> 00:37:15,599

the bubble tile and trouble chucking

967

00:37:21,829 --> 00:37:18,160

ingredients i knew whatever blah blah

968

00:37:23,430 --> 00:37:21,839

blah but these were um ingredients of

969

00:37:25,190 --> 00:37:23,440

the beer that they were brewing all

970

00:37:27,670 --> 00:37:25,200

right so they weren't all sort of old

971

00:37:29,270 --> 00:37:27,680

haggy looking women then probably no

972

00:37:31,190 --> 00:37:29,280

because you know a lot of typical witch

973

00:37:32,950 --> 00:37:31,200

cookies got a lot of big nose and all

974

00:37:34,870 --> 00:37:32,960

warts and

975

00:37:36,870 --> 00:37:34,880

stuff yeah

976
00:37:39,349 --> 00:37:36,880
it's my family businesses so you've got

977
00:37:41,829 --> 00:37:39,359
your old and new young working

978
00:37:43,750 --> 00:37:41,839
together you know it was a family

979
00:37:46,950 --> 00:37:43,760
affair

980
00:37:50,069 --> 00:37:46,960
but yeah that's how um the brewing

981
00:37:52,550 --> 00:37:50,079
industry changed completely and the

982
00:37:54,630 --> 00:37:52,560
female brewers were

983
00:37:57,510 --> 00:37:54,640
literally painted to be

984
00:37:59,190 --> 00:37:57,520
evil witches and then were actually

985
00:38:01,109 --> 00:37:59,200
murdered

986
00:38:03,030 --> 00:38:01,119
for being witches so

987
00:38:04,710 --> 00:38:03,040
yeah that's what all that was about so

988
00:38:06,870 --> 00:38:04,720

this is that's where to say which is

989

00:38:08,150 --> 00:38:06,880

brew came from no doubt is that what

990

00:38:11,270 --> 00:38:08,160

yeah

991

00:38:14,390 --> 00:38:12,710

thank you sasha i'm going to read off on

992

00:38:15,910 --> 00:38:14,400

that more if that's okay

993

00:38:18,230 --> 00:38:15,920

it's very

994

00:38:19,829 --> 00:38:18,240

so i did not know so as far as which is

995

00:38:21,589 --> 00:38:19,839

so did

996

00:38:24,630 --> 00:38:21,599

as far as you know did wishes come up

997

00:38:26,470 --> 00:38:24,640

with spells and things to cast on people

998

00:38:27,910 --> 00:38:26,480

and sort of turn into toads and stuff

999

00:38:28,860 --> 00:38:27,920

like that or was that just all fairy

1000

00:38:30,710 --> 00:38:28,870

tales

1001
00:38:31,670 --> 00:38:30,720

[Laughter]

1002
00:38:34,710 --> 00:38:31,680

just

1003
00:38:37,430 --> 00:38:34,720

if witches could turn anyone into turks

1004
00:38:41,910 --> 00:38:37,440

the entire government might be offered

1005
00:38:41,920 --> 00:38:48,470

i apologize to the uk government

1006
00:38:53,190 --> 00:38:51,349

they were just herbalists and healers

1007
00:38:55,910 --> 00:38:53,200

and you know

1008
00:38:57,030 --> 00:38:55,920

psychic intuitive whatever like so many

1009
00:38:59,109 --> 00:38:57,040

people are

1010
00:39:01,510 --> 00:38:59,119

it's nothing special is that you know a

1011
00:39:04,790 --> 00:39:01,520

lot of people are very you know in tune

1012
00:39:06,630 --> 00:39:04,800

and yeah maybe not to any like major

1013
00:39:08,069 --> 00:39:06,640

degree but who are you you were going to

1014

00:39:10,069 --> 00:39:08,079

call oh i knew that was going to happen

1015

00:39:13,190 --> 00:39:10,079

oh i thought about you yesterday

1016

00:39:16,550 --> 00:39:13,200

all the people that do that they're all

1017

00:39:19,109 --> 00:39:16,560

intuitive insensitive in some way

1018

00:39:21,829 --> 00:39:19,119

anyone who's seen a ghost is psychic

1019

00:39:24,069 --> 00:39:21,839

they can see you know like it's just

1020

00:39:26,069 --> 00:39:24,079

it's quite simple

1021

00:39:28,390 --> 00:39:26,079

yeah well

1022

00:39:29,670 --> 00:39:28,400

fine i'm talking about seeing ghosts um

1023

00:39:32,950 --> 00:39:29,680

have you been on the paranormal

1024

00:39:44,950 --> 00:39:34,390

no

1025

00:39:49,030 --> 00:39:47,030

since the last time i spoke to you two

1026
00:39:51,990 --> 00:39:49,040
like lovely ladies i've been on a couple

1027
00:39:53,190 --> 00:39:52,000
myself i went to whis beach castle um

1028
00:39:57,510 --> 00:39:53,200
about

1029
00:39:59,430 --> 00:39:57,520
ago i guess um yeah that was quite

1030
00:40:02,230 --> 00:39:59,440
interesting um

1031
00:40:03,910 --> 00:40:02,240
there was a there was a point where

1032
00:40:06,150 --> 00:40:03,920
i was asked to go and stand by a

1033
00:40:07,829 --> 00:40:06,160
fountain which was it was i mean west

1034
00:40:10,150 --> 00:40:07,839
beach castle was not really a castle

1035
00:40:11,670 --> 00:40:10,160
it's like a house that sort of stands in

1036
00:40:13,750 --> 00:40:11,680
the middle of where a castle used to be

1037
00:40:16,790 --> 00:40:13,760
i think it's kind of what it's really

1038
00:40:18,870 --> 00:40:16,800

like so it's like a big house really um

1039

00:40:20,150 --> 00:40:18,880

and it's not got like gardens

1040

00:40:22,309 --> 00:40:20,160

and there's like a fountain in the

1041

00:40:23,990 --> 00:40:22,319

gardens which is not working but anyway

1042

00:40:25,750 --> 00:40:24,000

i was told to go that was asked to go

1043

00:40:28,230 --> 00:40:25,760

and stand by the fountain and see if i

1044

00:40:31,030 --> 00:40:28,240

could come up with anything you know if

1045

00:40:33,270 --> 00:40:31,040

anything sort of entered my mind

1046

00:40:35,270 --> 00:40:33,280

anyway i did i sat there for about 10

1047

00:40:37,829 --> 00:40:35,280

minutes sort of thing and um

1048

00:40:40,230 --> 00:40:37,839

and i had this funny feeling about monks

1049

00:40:43,190 --> 00:40:40,240

and things like that coming from ahead

1050

00:40:45,589 --> 00:40:43,200

now i'm saying it now because later on

1051

00:40:47,829 --> 00:40:45,599

i i sort of i was asked what um what

1052

00:40:50,069 --> 00:40:47,839

what what i come up with but i said well

1053

00:40:54,069 --> 00:40:50,079

i had this feeling of monks and and

1054

00:40:55,990 --> 00:40:54,079

everything and vivian who was running

1055

00:40:58,230 --> 00:40:56,000

the thing so that's interesting well

1056

00:40:59,670 --> 00:40:58,240

later on in the night or the evening

1057

00:41:01,750 --> 00:40:59,680

where it was the night actually early

1058

00:41:03,829 --> 00:41:01,760

hours in the morning um

1059

00:41:05,910 --> 00:41:03,839

the creator or the person that was

1060

00:41:08,390 --> 00:41:05,920

taking us around the house and uh doing

1061

00:41:09,990 --> 00:41:08,400

the sort of um paranormal investigations

1062

00:41:11,910 --> 00:41:10,000

everything he started talking about

1063

00:41:13,589 --> 00:41:11,920

monks that used to be on the on the

1064

00:41:16,550 --> 00:41:13,599

grounds yeah so

1065

00:41:18,550 --> 00:41:16,560

i'd obviously picked up on something and

1066

00:41:21,030 --> 00:41:18,560

you know i i mean i don't class myself

1067

00:41:23,270 --> 00:41:21,040

as being psychic whatsoever but

1068

00:41:25,190 --> 00:41:23,280

vivian who was doing the thing she she

1069

00:41:27,190 --> 00:41:25,200

told me i was a little bit you know and

1070

00:41:29,589 --> 00:41:27,200

i said well i don't really she said if

1071

00:41:31,430 --> 00:41:29,599

you open your mind up and she says most

1072

00:41:33,190 --> 00:41:31,440

people can do it if they put their mind

1073

00:41:35,030 --> 00:41:33,200

to it you know

1074

00:41:36,550 --> 00:41:35,040

but that kind of shocked me a little bit

1075

00:41:37,910 --> 00:41:36,560

the the the fact that i was coming up

1076

00:41:39,990 --> 00:41:37,920

with these things and there there were

1077

00:41:41,190 --> 00:41:40,000

actually monks on the land around that

1078

00:41:45,510 --> 00:41:41,200

area so

1079

00:41:50,230 --> 00:41:47,910

and what i did last a couple weeks ago

1080

00:41:51,589 --> 00:41:50,240

was when we had a really stormy night uh

1081

00:41:53,030 --> 00:41:51,599

we went to haste

1082

00:41:55,750 --> 00:41:53,040

yeah hastings

1083

00:41:58,230 --> 00:41:55,760

and it was the crime museum we went to

1084

00:42:00,870 --> 00:41:58,240

and it was a really dead night i mean we

1085

00:42:02,390 --> 00:42:00,880

left by 10 o'clock um

1086

00:42:04,150 --> 00:42:02,400

it was only because

1087

00:42:06,790 --> 00:42:04,160

it was right next door to a club and it

1088

00:42:08,630 --> 00:42:06,800

was boom boom boom boom boom

1089

00:42:09,589 --> 00:42:08,640

and it was terrible you know

1090

00:42:11,910 --> 00:42:09,599

um

1091

00:42:13,510 --> 00:42:11,920

and i could get no atmosphere at all

1092

00:42:15,670 --> 00:42:13,520

there you know it i was just really

1093

00:42:17,190 --> 00:42:15,680

disappointed but it's quite an expensive

1094

00:42:18,550 --> 00:42:17,200

evening that was

1095

00:42:20,309 --> 00:42:18,560

you could you could have saved yourself

1096

00:42:22,309 --> 00:42:20,319

money and just asked malcolm was it any

1097

00:42:23,829 --> 00:42:22,319

good well yeah malcolm's not there yes

1098

00:42:26,550 --> 00:42:23,839

right that's true i mean no the actual

1099

00:42:28,150 --> 00:42:26,560

venue itself was interesting you know

1100

00:42:28,950 --> 00:42:28,160

they had all sort of

1101

00:42:31,670 --> 00:42:28,960

um

1102

00:42:33,510 --> 00:42:31,680

murderers weapons and the acid

1103

00:42:35,670 --> 00:42:33,520

bath murders and things like that the

1104

00:42:37,829 --> 00:42:35,680

acid bath there and ah now whether it

1105

00:42:39,750 --> 00:42:37,839

was the actual acid bath or it could be

1106

00:42:41,510 --> 00:42:39,760

it could have been any bar but

1107

00:42:43,670 --> 00:42:41,520

they said it was yesterday

1108

00:42:45,589 --> 00:42:43,680

uh murders were carried out in it

1109

00:42:47,510 --> 00:42:45,599

but um there was a few other things in

1110

00:42:49,829 --> 00:42:47,520

there which it was an interesting venue

1111

00:42:51,589 --> 00:42:49,839

and apparently it was old um

1112

00:42:53,589 --> 00:42:51,599

they were like caves and there's like

1113

00:42:55,990 --> 00:42:53,599

the i think smugglers used to hide all

1114

00:42:58,550 --> 00:42:56,000

their their their wares in them

1115

00:43:00,150 --> 00:42:58,560

um they started on tasting seafront type

1116

00:43:02,309 --> 00:43:00,160

of thing before all the shops and things

1117

00:43:04,069 --> 00:43:02,319

were there obviously you know

1118

00:43:05,990 --> 00:43:04,079

but um yeah it's an interesting place to

1119

00:43:07,829 --> 00:43:06,000

go so it was an interesting place to see

1120

00:43:09,829 --> 00:43:07,839

it was just a it was an expensive

1121

00:43:11,190 --> 00:43:09,839

evening and really got nothing out of it

1122

00:43:14,630 --> 00:43:11,200

you know we didn't even get anything to

1123

00:43:17,510 --> 00:43:16,069

because we were rushing to get there in

1124

00:43:18,790 --> 00:43:17,520

the bad weather we didn't stop to get

1125

00:43:20,309 --> 00:43:18,800

anything and we couldn't get anything

1126

00:43:22,150 --> 00:43:20,319

when we came out so that was the end of

1127

00:43:24,390 --> 00:43:22,160

that

1128

00:43:27,349 --> 00:43:24,400

i've got two bizarre ones obviously you

1129

00:43:29,589 --> 00:43:27,359

know i've got a dog luna a labrador

1130

00:43:31,589 --> 00:43:29,599

um so nights are getting darker

1131

00:43:34,710 --> 00:43:31,599

obviously and

1132

00:43:36,390 --> 00:43:34,720

i do walk at a crematorium carlton

1133

00:43:38,550 --> 00:43:36,400

cremator room

1134

00:43:40,870 --> 00:43:38,560

and i've had some weird pictures as the

1135

00:43:43,349 --> 00:43:40,880

years have progressed there anyway

1136

00:43:46,349 --> 00:43:43,359

and i thought nice evening it's not

1137

00:43:50,069 --> 00:43:46,359

raining for a change i'll walk there was

1138

00:43:51,829 --> 00:43:50,079

absolutely nobody there was me that was

1139

00:43:53,430 --> 00:43:51,839

hurt that was it

1140

00:43:55,589 --> 00:43:53,440

you know when you and it's quite open

1141

00:43:56,710 --> 00:43:55,599

apart from the sort of the actual crime

1142

00:43:58,950 --> 00:43:56,720

in the middle

1143

00:44:00,470 --> 00:43:58,960

and i was sort of i must admit that was

1144

00:44:02,550 --> 00:44:00,480

i was going back to the car because

1145

00:44:04,710 --> 00:44:02,560

there was a story behind it where a taxi

1146

00:44:07,270 --> 00:44:04,720

driver dropped off this woman and then

1147

00:44:09,030 --> 00:44:07,280

she disappeared and then there was this

1148

00:44:09,990 --> 00:44:09,040

goblin type thing that appeared in front

1149

00:44:11,430 --> 00:44:10,000

of the cab

1150

00:44:12,710 --> 00:44:11,440

and i'm sort of walking back to the car

1151

00:44:14,630 --> 00:44:12,720

and i'm like

1152

00:44:16,069 --> 00:44:14,640

i'm just going to turn around i'm just

1153

00:44:16,870 --> 00:44:16,079

going to turn around there's nothing

1154

00:44:18,390 --> 00:44:16,880

there

1155

00:44:19,910 --> 00:44:18,400

but it's going back to

1156

00:44:22,230 --> 00:44:19,920

is it in my head

1157

00:44:23,829 --> 00:44:22,240

because i know the history of it and

1158

00:44:25,990 --> 00:44:23,839

that that was particularly sort of got

1159

00:44:26,870 --> 00:44:26,000

in the car and it was like i'm good i'm

1160

00:44:28,950 --> 00:44:26,880

good

1161

00:44:31,990 --> 00:44:28,960

but i put all the lights on it was just

1162

00:44:34,069 --> 00:44:32,000

like juliet there's nothing there but it

1163

00:44:37,349 --> 00:44:34,079

was still quite peculiar because i knew

1164

00:44:40,069 --> 00:44:37,359

it was just me i know the soul was there

1165

00:44:43,750 --> 00:44:40,079

so if i hadn't seen anything

1166

00:44:45,910 --> 00:44:43,760

yeah you know luna can't speak anymore

1167

00:44:48,630 --> 00:44:45,920

on the flip side

1168

00:44:50,870 --> 00:44:48,640

my mum loves doing the family history

1169

00:44:52,230 --> 00:44:50,880

and she's written um she's got like

1170

00:44:53,910 --> 00:44:52,240

little books she wants to do and she's

1171

00:44:55,109 --> 00:44:53,920

written the first one about the leroy

1172

00:44:57,430 --> 00:44:55,119

family

1173

00:44:59,349 --> 00:44:57,440

so i was tasked with trying to publish

1174

00:45:00,790 --> 00:44:59,359

and so on and so forth anyways of course

1175

00:45:02,550 --> 00:45:00,800

i'm reading through it

1176
00:45:04,630 --> 00:45:02,560
and i came across something rather

1177
00:45:05,510 --> 00:45:04,640
fantastic so yes if you've heard of this

1178
00:45:07,990 --> 00:45:05,520
or no

1179
00:45:10,470 --> 00:45:08,000
the silk stocking murders at elk clean

1180
00:45:12,870 --> 00:45:10,480
yorkshire

1181
00:45:14,230 --> 00:45:12,880
hmm yeah ugly

1182
00:45:16,710 --> 00:45:14,240
vaguely

1183
00:45:20,069 --> 00:45:16,720
turns out it's one of my relatives

1184
00:45:23,109 --> 00:45:21,510
and i was like

1185
00:45:25,670 --> 00:45:23,119
hold on a minute so i sort of went back

1186
00:45:28,790 --> 00:45:25,680
again mary leroy

1187
00:45:31,430 --> 00:45:28,800
and it was just like and i was like no

1188
00:45:33,589 --> 00:45:31,440

no way you know she was strangled the

1189

00:45:36,390 --> 00:45:33,599

woman not the murderer

1190

00:45:37,910 --> 00:45:36,400

yeah she was murdered but it was like oh

1191

00:45:40,390 --> 00:45:37,920

well that's what you meant you were you

1192

00:45:41,109 --> 00:45:40,400

were really related to the um murderer

1193

00:45:42,790 --> 00:45:41,119

yeah

1194

00:45:45,030 --> 00:45:42,800

yes

1195

00:45:47,430 --> 00:45:45,040

the levites are part of the family tree

1196

00:45:49,349 --> 00:45:47,440

so chasing back then

1197

00:45:51,030 --> 00:45:49,359

i i don't understand family trees

1198

00:45:52,950 --> 00:45:51,040

because my mum better rush it than i am

1199

00:45:54,630 --> 00:45:52,960

but she was like oh yes this is one of

1200

00:45:56,710 --> 00:45:54,640

our relatives i was like

1201
00:46:00,390 --> 00:45:56,720
oh hold on a minute and she said

1202
00:46:01,829 --> 00:46:00,400
mary lou void was 1929 and basically she

1203
00:46:03,910 --> 00:46:01,839
was strangled with the stocking and a

1204
00:46:06,470 --> 00:46:03,920
vacant plot to bland in ilkling west

1205
00:46:07,910 --> 00:46:06,480
yorkshire it was like oh

1206
00:46:11,030 --> 00:46:07,920
so when i read the chapter she's written

1207
00:46:12,710 --> 00:46:11,040
about it it was like oh my goodness and

1208
00:46:14,870 --> 00:46:12,720
there's a lot more that she didn't fit

1209
00:46:17,190 --> 00:46:14,880
in that was kind of super close to the

1210
00:46:19,109 --> 00:46:17,200
sort of backstory but it was like

1211
00:46:20,870 --> 00:46:19,119
oh my goodness but there was other bits

1212
00:46:24,470 --> 00:46:20,880
she sort of threw and i was like is

1213
00:46:28,069 --> 00:46:25,829

okay but it was like

1214

00:46:29,589 --> 00:46:28,079

wow i need to write about this for the

1215

00:46:31,670 --> 00:46:29,599

haunted magazine to be honest because i

1216

00:46:33,750 --> 00:46:31,680

thought that's fantastic because usually

1217

00:46:35,589 --> 00:46:33,760

i just write about lancashire but i

1218

00:46:37,910 --> 00:46:35,599

thought i can sort of stare slightly

1219

00:46:39,829 --> 00:46:37,920

into yorkshire now

1220

00:46:42,069 --> 00:46:39,839

ish yeah i mean that would happen it

1221

00:46:45,840 --> 00:46:42,079

says a bit about was she targeted or was

1222

00:46:49,910 --> 00:46:47,190

[Applause]

1223

00:46:53,670 --> 00:46:49,920

because we've got access to more than

1224

00:46:57,430 --> 00:46:55,910

so reid and anna must admit i went away

1225

00:46:58,630 --> 00:46:57,440

and i did an awful lot of reading about

1226
00:47:01,270 --> 00:46:58,640
it as well

1227
00:47:02,630 --> 00:47:01,280
she was a bit

1228
00:47:03,910 --> 00:47:02,640
slightly

1229
00:47:05,510 --> 00:47:03,920
and this was one of the really old

1230
00:47:06,710 --> 00:47:05,520
relatives that we met when my mom was

1231
00:47:08,710 --> 00:47:06,720
sort of doing more of the tree and i

1232
00:47:10,470 --> 00:47:08,720
said i said what do you mean slightly

1233
00:47:12,710 --> 00:47:10,480
and she went you know

1234
00:47:15,430 --> 00:47:12,720
flying

1235
00:47:18,950 --> 00:47:17,670
which you could interpret into anything

1236
00:47:19,990 --> 00:47:18,960
it was just

1237
00:47:21,670 --> 00:47:20,000
very

1238
00:47:24,470 --> 00:47:21,680

bizarre because i thought did she know

1239

00:47:29,510 --> 00:47:27,109

was it just a random

1240

00:47:30,710 --> 00:47:29,520

man again i don't think it was a woman

1241

00:47:32,549 --> 00:47:30,720

it's one of those sort of return you

1242

00:47:33,829 --> 00:47:32,559

know like who's jack the ripper

1243

00:47:35,030 --> 00:47:33,839

yeah

1244

00:47:37,030 --> 00:47:35,040

i don't think they're ever going to find

1245

00:47:38,710 --> 00:47:37,040

out i mean it was really interesting

1246

00:47:40,470 --> 00:47:38,720

sort of going oh wow we've got a

1247

00:47:42,230 --> 00:47:40,480

murderer in the family that sounds awful

1248

00:47:43,430 --> 00:47:42,240

doesn't it it's almost as good as that

1249

00:47:45,829 --> 00:47:43,440

hello

1250

00:47:47,510 --> 00:47:45,839

i see dead people

1251
00:47:49,510 --> 00:47:47,520
oh i see this

1252
00:47:51,109 --> 00:47:49,520
to me i'm like

1253
00:47:53,990 --> 00:47:51,119
okay

1254
00:47:55,670 --> 00:47:54,000
nothing shocks me

1255
00:47:57,349 --> 00:47:55,680
i mean probably if you went back into

1256
00:47:58,950 --> 00:47:57,359
most people's

1257
00:48:01,109 --> 00:47:58,960
family trees you probably find there's

1258
00:48:03,510 --> 00:48:01,119
some sort of strange deaths or murders

1259
00:48:05,109 --> 00:48:03,520
within it i would think somewhere

1260
00:48:06,630 --> 00:48:05,119
i didn't expect that one because i

1261
00:48:08,309 --> 00:48:06,640
haven't heard about that before i've

1262
00:48:09,910 --> 00:48:08,319
heard of the silk stocking murderer the

1263
00:48:12,309 --> 00:48:09,920

murder yeah

1264

00:48:14,710 --> 00:48:12,319

it's the same one

1265

00:48:17,349 --> 00:48:14,720

i didn't attach anything to it until i

1266

00:48:18,829 --> 00:48:17,359

mum sort of said oh yeah you know this

1267

00:48:22,230 --> 00:48:18,839

is what i was like

1268

00:48:23,990 --> 00:48:22,240

oh oh gosh yes you know you know if you

1269

00:48:26,150 --> 00:48:24,000

sort of televised this and nobody

1270

00:48:28,630 --> 00:48:26,160

believed you it was like

1271

00:48:30,470 --> 00:48:28,640

oh my goodness oh yes yes

1272

00:48:33,990 --> 00:48:30,480

we were very peculiar back in the day i

1273

00:48:35,270 --> 00:48:34,000

was like oh you got a tardis now

1274

00:48:37,030 --> 00:48:35,280

it was

1275

00:48:38,630 --> 00:48:37,040

it's like you saved you sort of dig back

1276

00:48:40,470 --> 00:48:38,640

a bit

1277

00:48:41,829 --> 00:48:40,480

it's it's just fascinating because i

1278

00:48:44,309 --> 00:48:41,839

thought i want to know more so i'm going

1279

00:48:46,790 --> 00:48:44,319

to probably do that when i can't go out

1280

00:48:48,309 --> 00:48:46,800

filming things and writing them i

1281

00:48:49,270 --> 00:48:48,319

thought yeah it's something i do want to

1282

00:48:52,309 --> 00:48:49,280

sort of

1283

00:48:53,829 --> 00:48:52,319

pick up on do it it's interesting

1284

00:48:55,349 --> 00:48:53,839

yeah well it's coming to that time of

1285

00:48:57,589 --> 00:48:55,359

year now we can all stand and do a bit

1286

00:48:59,670 --> 00:48:57,599

more reading than that can't we try try

1287

00:49:01,190 --> 00:48:59,680

and steal facebook

1288

00:49:02,630 --> 00:49:01,200

but

1289

00:49:04,150 --> 00:49:02,640

know i've got a few books i want to try

1290

00:49:06,069 --> 00:49:04,160

and catch up well actually one of the

1291

00:49:08,150 --> 00:49:06,079

ones i've got on my list to read is the

1292

00:49:10,549 --> 00:49:08,160

paranormal case polls of with malcolm

1293

00:49:11,750 --> 00:49:10,559

robinson's book volume three that's one

1294

00:49:14,150 --> 00:49:11,760

of the ones i've got to try and catch up

1295

00:49:17,750 --> 00:49:14,160

with because i'm actually in that one

1296

00:49:20,150 --> 00:49:17,760

as well um there was a story i've told

1297

00:49:22,230 --> 00:49:20,160

you on this um on the show a couple of

1298

00:49:24,790 --> 00:49:22,240

times where malcolm and i were at the

1299

00:49:26,470 --> 00:49:24,800

nottingham halls of justice

1300

00:49:28,150 --> 00:49:26,480

and i'd actually told you this one

1301

00:49:29,829 --> 00:49:28,160

session i don't know if you've heard it

1302

00:49:32,790 --> 00:49:29,839

but malcolm and i were walking up the

1303

00:49:34,549 --> 00:49:32,800

steps then they're stone steps from the

1304

00:49:36,950 --> 00:49:34,559

cells down below

1305

00:49:39,190 --> 00:49:36,960

and we were sort of right close together

1306

00:49:41,510 --> 00:49:39,200

coming up these cold steps in the dark

1307

00:49:43,589 --> 00:49:41,520

and also there was a sharp crack behind

1308

00:49:45,750 --> 00:49:43,599

the soccer whipcrack you know and we

1309

00:49:48,470 --> 00:49:45,760

both stopped we thought what was that

1310

00:49:50,309 --> 00:49:48,480

and there was nobody behind us you know

1311

00:49:52,870 --> 00:49:50,319

and um

1312

00:49:54,790 --> 00:49:52,880

anyway i think now i'd have either a

1313

00:49:57,109 --> 00:49:54,800

camera or a lot of camera torch or

1314

00:49:59,430 --> 00:49:57,119

something and he went down the steps and

1315

00:50:01,349 --> 00:49:59,440

he found a stone on the step and it was

1316

00:50:03,270 --> 00:50:01,359

he picked it up and it was warm

1317

00:50:05,430 --> 00:50:03,280

now i don't know if it was that that

1318

00:50:08,150 --> 00:50:05,440

made the noise so all we know is there

1319

00:50:08,950 --> 00:50:08,160

was a lot of sharp crack noise behind us

1320

00:50:10,630 --> 00:50:08,960

um

1321

00:50:12,950 --> 00:50:10,640

and malcolm's written it in the book as

1322

00:50:14,390 --> 00:50:12,960

like the airport for the north the uh

1323

00:50:16,549 --> 00:50:14,400

nottingham

1324

00:50:18,950 --> 00:50:16,559

um the halls of justice support he's put

1325

00:50:21,270 --> 00:50:18,960

it down as it's on page 96

1326

00:50:22,069 --> 00:50:21,280

um probably about three pages of it i

1327

00:50:22,950 --> 00:50:22,079

think

1328

00:50:24,309 --> 00:50:22,960

um

1329

00:50:25,829 --> 00:50:24,319

yeah so that was quite an interesting

1330

00:50:30,150 --> 00:50:25,839

event i don't know if you you've ever

1331

00:50:32,390 --> 00:50:30,160

experienced supports anyone uh sasha or

1332

00:50:36,069 --> 00:50:32,400

actually yes i have

1333

00:50:38,870 --> 00:50:36,079

um i lived in the house in the early 90s

1334

00:50:43,030 --> 00:50:38,880

and um oh god all kinds of weird stuff

1335

00:50:44,950 --> 00:50:43,040

was happening um but one day i

1336

00:50:45,750 --> 00:50:44,960

was talking to my friend she was around

1337

00:50:48,549 --> 00:50:45,760

and

1338

00:50:50,870 --> 00:50:48,559

was gonna give us some like uh

1339

00:50:51,990 --> 00:50:50,880

diuretic tablets that i had because she

1340

00:50:54,069 --> 00:50:52,000

was something

1341

00:50:57,670 --> 00:50:54,079

whatever anyway these tablets were

1342

00:51:00,470 --> 00:50:57,680

absolutely striking blue

1343

00:51:02,230 --> 00:51:00,480

and i kept all medications and tablets

1344

00:51:04,710 --> 00:51:02,240

in an ice cream tub

1345

00:51:07,190 --> 00:51:04,720

in a cupboard in the cellar which was

1346

00:51:09,510 --> 00:51:07,200

actually our kitchen and bathroom

1347

00:51:12,390 --> 00:51:09,520

and so i went into that we went

1348

00:51:14,150 --> 00:51:12,400

downstairs we went and i got the tub i

1349

00:51:16,549 --> 00:51:14,160

brought it out and i put it down on the

1350

00:51:18,470 --> 00:51:16,559

work top by the bathroom door

1351
00:51:19,750 --> 00:51:18,480
and i took everything out

1352
00:51:20,630 --> 00:51:19,760
put it on the side there was nothing

1353
00:51:22,950 --> 00:51:20,640
there

1354
00:51:24,710 --> 00:51:22,960
and she was looking in another cupboard

1355
00:51:26,309 --> 00:51:24,720
i said i'll have a look in the bathroom

1356
00:51:27,349 --> 00:51:26,319
i went into the bathroom which was right

1357
00:51:29,190 --> 00:51:27,359
next to

1358
00:51:30,390 --> 00:51:29,200
he was like you know in the cellar like

1359
00:51:32,870 --> 00:51:30,400
the kitchen

1360
00:51:34,470 --> 00:51:32,880
and i looked through like my makeup bags

1361
00:51:35,589 --> 00:51:34,480
and another bag of whatever yeah and i

1362
00:51:39,270 --> 00:51:35,599
came out

1363
00:51:41,030 --> 00:51:39,280

i've seen the ice cream tub and they

1364

00:51:42,309 --> 00:51:41,040

were in the tub

1365

00:51:44,790 --> 00:51:42,319

facing up

1366

00:51:47,270 --> 00:51:44,800

bright blue like you could not have

1367

00:51:49,589 --> 00:51:47,280

missed them there's just no way

1368

00:51:51,270 --> 00:51:49,599

i said ally they're there

1369

00:51:52,549 --> 00:51:51,280

and she was like oh just as we're

1370

00:51:53,910 --> 00:51:52,559

talking about yeah because i've been

1371

00:51:55,750 --> 00:51:53,920

talking about all the activities that

1372

00:51:57,750 --> 00:51:55,760

have been going on

1373

00:51:59,190 --> 00:51:57,760

so yeah that um there was nothing in

1374

00:52:01,109 --> 00:51:59,200

that tub and then when i came out of

1375

00:52:02,870 --> 00:52:01,119

that bathroom there they were i don't

1376
00:52:05,349 --> 00:52:02,880
care if people believe me or not that

1377
00:52:08,230 --> 00:52:05,359
house was mental you're talking about

1378
00:52:11,190 --> 00:52:08,240
noises that you were behind here i heard

1379
00:52:12,630 --> 00:52:11,200
that in mid-air in my face and there was

1380
00:52:16,829 --> 00:52:12,640
nothing there

1381
00:52:19,510 --> 00:52:16,839
i've heard a loud clap and also like a

1382
00:52:21,670 --> 00:52:19,520
thousand um glasses have all been

1383
00:52:23,349 --> 00:52:21,680
smashed at the same time it happened

1384
00:52:24,950 --> 00:52:23,359
right in my face as i was walking down

1385
00:52:27,190 --> 00:52:24,960
the ceiling steps

1386
00:52:28,950 --> 00:52:27,200
like it literally made me flinch my head

1387
00:52:30,470 --> 00:52:28,960
back because it was just right in my

1388
00:52:32,790 --> 00:52:30,480

face

1389

00:52:34,470 --> 00:52:32,800

that place was absolutely run said yeah

1390

00:52:35,990 --> 00:52:34,480

i mean that cracked what we heard it was

1391

00:52:37,190 --> 00:52:36,000

right it was right just well i suppose

1392

00:52:39,349 --> 00:52:37,200

it was probably about

1393

00:52:41,510 --> 00:52:39,359

maybe six feet away from us and the

1394

00:52:43,430 --> 00:52:41,520

stone and the interesting thing was

1395

00:52:45,670 --> 00:52:43,440

these stone these stone steps are really

1396

00:52:47,670 --> 00:52:45,680

cold you know but this stone when

1397

00:52:49,750 --> 00:52:47,680

malcolm picked up it was warm

1398

00:52:51,670 --> 00:52:49,760

you know as if it was um

1399

00:52:52,470 --> 00:52:51,680

it's like a smooth stone you know which

1400

00:52:54,710 --> 00:52:52,480

was

1401
00:52:56,950 --> 00:52:54,720
and the only thing i could say is that

1402
00:52:58,710 --> 00:52:56,960
if somebody had thrown that stone

1403
00:53:00,069 --> 00:52:58,720
normally if you throw a stone on the

1404
00:53:02,309 --> 00:53:00,079
stone steps you'd hear it bouncing

1405
00:53:04,150 --> 00:53:02,319
wouldn't you you know this was just like

1406
00:53:06,390 --> 00:53:04,160
a one crack and that was it there was no

1407
00:53:07,430 --> 00:53:06,400
bouncing noises or anything like that

1408
00:53:09,829 --> 00:53:07,440
so

1409
00:53:12,150 --> 00:53:09,839
i can only i don't know if it was that

1410
00:53:13,750 --> 00:53:12,160
stone but i could only assume it was

1411
00:53:15,349 --> 00:53:13,760
because of it being a different

1412
00:53:17,750 --> 00:53:15,359
temperature to what the stones to you

1413
00:53:19,270 --> 00:53:17,760

know to the states were so you know that

1414

00:53:21,030 --> 00:53:19,280

was kind of an interesting thing anyway

1415

00:53:23,589 --> 00:53:21,040

malcolm's got a little display on his

1416

00:53:25,430 --> 00:53:23,599

home i think now

1417

00:53:26,870 --> 00:53:25,440

i remembered another time

1418

00:53:29,270 --> 00:53:26,880

in prague

1419

00:53:32,390 --> 00:53:30,870

and there was about

1420

00:53:33,430 --> 00:53:32,400

seven of us

1421

00:53:35,750 --> 00:53:33,440

and

1422

00:53:37,589 --> 00:53:35,760

i was we were all hung over but i was

1423

00:53:39,589 --> 00:53:37,599

absolutely immortal they all said they

1424

00:53:40,950 --> 00:53:39,599

were going shopping

1425

00:53:43,430 --> 00:53:40,960

when they were gonna come back i was

1426
00:53:44,390 --> 00:53:43,440
like right sounds so i was asleep on the

1427
00:53:45,270 --> 00:53:44,400
bed

1428
00:53:47,670 --> 00:53:45,280
and

1429
00:53:49,750 --> 00:53:47,680
i heard somebody come in

1430
00:53:51,910 --> 00:53:49,760
and somebody knocked on my head like

1431
00:53:54,150 --> 00:53:51,920
with knuckles tap tap tap

1432
00:53:55,910 --> 00:53:54,160
i just kind of like smiled and left and

1433
00:53:56,710 --> 00:53:55,920
waved my hand you know like to say get

1434
00:53:59,349 --> 00:53:56,720
off

1435
00:54:02,069 --> 00:53:59,359
and went back to sleep and i woke up and

1436
00:54:05,109 --> 00:54:02,079
the room was filled with cigarette smoke

1437
00:54:06,549 --> 00:54:05,119
and uh and it felt like there should be

1438
00:54:07,349 --> 00:54:06,559

people that you know what i mean it was

1439

00:54:08,549 --> 00:54:07,359

like

1440

00:54:09,990 --> 00:54:08,559

everybody so

1441

00:54:11,910 --> 00:54:10,000

i thought oh they must have been in and

1442

00:54:13,910 --> 00:54:11,920

gone back out again because i just won't

1443

00:54:15,270 --> 00:54:13,920

wake up or whatever so i went in the

1444

00:54:16,309 --> 00:54:15,280

kitchen

1445

00:54:17,270 --> 00:54:16,319

looked

1446

00:54:20,870 --> 00:54:17,280

in the

1447

00:54:24,390 --> 00:54:20,880

didn't come back i was like what the

1448

00:54:25,589 --> 00:54:24,400

hell so got a bath took my watch off i

1449

00:54:27,109 --> 00:54:25,599

got out of the bath went to get me

1450

00:54:29,270 --> 00:54:27,119

watching what she'd gone

1451

00:54:31,030 --> 00:54:29,280

i didn't see it for days

1452

00:54:33,670 --> 00:54:31,040

and then it appeared in the middle of

1453

00:54:35,589 --> 00:54:33,680

the floor in the kitchen doorway someone

1454

00:54:37,430 --> 00:54:35,599

else's wallet vanished and that appeared

1455

00:54:40,870 --> 00:54:37,440

in the middle of the floor in the living

1456

00:54:43,349 --> 00:54:40,880

room so that wasn't but it's absolutely

1457

00:54:46,950 --> 00:54:43,359

if you want to paranormal activity go to

1458

00:54:49,430 --> 00:54:46,960

prague go just go

1459

00:54:51,270 --> 00:54:49,440

it's nuts yeah why would that be this

1460

00:54:52,789 --> 00:54:51,280

session you've got any ideas there's so

1461

00:54:54,549 --> 00:54:52,799

much death you used to throw people off

1462

00:54:57,430 --> 00:54:54,559

the bridge all the time there's like

1463

00:54:58,789 --> 00:54:57,440

this old castle it's a proper old you

1464

00:55:01,910 --> 00:54:58,799

know like everything there the

1465

00:55:04,309 --> 00:55:01,920

architecture it's totally ancient

1466

00:55:07,030 --> 00:55:04,319

and uh that prince charles bridge or

1467

00:55:08,470 --> 00:55:07,040

king child bridge whatever it is um

1468

00:55:11,190 --> 00:55:08,480

this like

1469

00:55:12,470 --> 00:55:11,200

freezes depictions on the walls of what

1470

00:55:15,829 --> 00:55:12,480

they used to do and they just used to

1471

00:55:17,510 --> 00:55:15,839

throw people off it so when i was on the

1472

00:55:19,190 --> 00:55:17,520

um the bridge and i was trying to take

1473

00:55:20,870 --> 00:55:19,200

photographs my camera just kept jamming

1474

00:55:22,470 --> 00:55:20,880

it wouldn't work when we got off the

1475

00:55:25,589 --> 00:55:22,480

bridge it would work

1476

00:55:27,750 --> 00:55:25,599

i tried to take a photograph from

1477

00:55:30,309 --> 00:55:27,760

this mud looking glass building at the

1478

00:55:32,309 --> 00:55:30,319

end at one end of the bridge

1479

00:55:34,950 --> 00:55:32,319

and um and then

1480

00:55:37,829 --> 00:55:34,960

he just jammed he wouldn't go back in it

1481

00:55:40,470 --> 00:55:37,839

absolutely not my camera it was insane

1482

00:55:41,990 --> 00:55:40,480

um yeah if you want paranormal activity

1483

00:55:42,870 --> 00:55:42,000

prague

1484

00:55:47,270 --> 00:55:42,880

just go

1485

00:55:49,430 --> 00:55:47,280

get a room anywhere everywhere is so old

1486

00:55:50,950 --> 00:55:49,440

you know there's so much history there

1487

00:55:53,030 --> 00:55:50,960

and

1488

00:55:55,109 --> 00:55:53,040

yeah well if there's anyone in prague

1489

00:55:57,750 --> 00:55:55,119

actually listening to this please get in

1490

00:55:59,670 --> 00:55:57,760

touch and tell me if any stories

1491

00:56:01,109 --> 00:55:59,680

you know such a beautiful place as well

1492

00:56:02,069 --> 00:56:01,119

yeah i'd love to go to some of these

1493

00:56:04,630 --> 00:56:02,079

places it's been like sort of

1494

00:56:07,829 --> 00:56:04,640

transylvania isn't it it's um that type

1495

00:56:09,670 --> 00:56:07,839

of is there a type of place

1496

00:56:11,990 --> 00:56:09,680

yeah because it's like a proper old

1497

00:56:12,870 --> 00:56:12,000

castle with turrets all over and

1498

00:56:15,589 --> 00:56:12,880

all

1499

00:56:18,230 --> 00:56:15,599

like pointy and everything it's just so

1500

00:56:19,589 --> 00:56:18,240

it's beautiful it's just amazing yeah i

1501
00:56:21,750 --> 00:56:19,599
mean they look really spooky but they

1502
00:56:23,030 --> 00:56:21,760
look fantastic as well those old castles

1503
00:56:27,109 --> 00:56:23,040
yeah

1504
00:56:28,150 --> 00:56:27,119
there's a lot of you know pockets

1505
00:56:30,309 --> 00:56:28,160
thieves

1506
00:56:32,549 --> 00:56:30,319
people um

1507
00:56:35,190 --> 00:56:32,559
you know there's always like

1508
00:56:38,150 --> 00:56:35,200
sexy time stuff going on

1509
00:56:39,829 --> 00:56:38,160
and a big drink culture on the night

1510
00:56:41,750 --> 00:56:39,839
hmm what's up

1511
00:56:45,030 --> 00:56:41,760
that's around in most places isn't it

1512
00:56:47,349 --> 00:56:45,040
yeah he's full-on he's full-on so

1513
00:56:51,750 --> 00:56:49,670

you know i mean some areas that you just

1514

00:56:53,990 --> 00:56:51,760

you won't go to but um

1515

00:56:55,829 --> 00:56:54,000

mostly there's some lovely like bars and

1516

00:56:57,349 --> 00:56:55,839

things that you can find but as you walk

1517

00:56:59,349 --> 00:56:57,359

in between places you're going to get

1518

00:57:01,190 --> 00:56:59,359

people trying to drag you into the bars

1519

00:57:03,670 --> 00:57:01,200

every single bar's got somebody outside

1520

00:57:05,510 --> 00:57:03,680

trying to get you in it so it's a bit

1521

00:57:07,510 --> 00:57:05,520

a bit mad like that but yeah it's gonna

1522

00:57:09,589 --> 00:57:07,520

be a beautiful place i wonder if they do

1523

00:57:10,829 --> 00:57:09,599

ghost tours like they do mostly

1524

00:57:13,589 --> 00:57:10,839

london and

1525

00:57:15,270 --> 00:57:13,599

whatever other will do yeah

1526
00:57:17,190 --> 00:57:15,280
definitely i mean it's like you say if

1527
00:57:18,789 --> 00:57:17,200
it's got a lot of activity like that

1528
00:57:20,390 --> 00:57:18,799
they must have some fantastic tools i

1529
00:57:20,780 --> 00:57:20,400
would have thought

1530
00:57:22,150 --> 00:57:20,790
yeah

1531
00:57:23,829 --> 00:57:22,160
[Music]

1532
00:57:27,109 --> 00:57:23,839
you know i don't know if

1533
00:57:28,950 --> 00:57:27,119
i didn't look at the time we it was just

1534
00:57:31,910 --> 00:57:28,960
me and a couple of friends

1535
00:57:33,430 --> 00:57:31,920
and some of their work mates

1536
00:57:38,630 --> 00:57:33,440
so i didn't even know the other people

1537
00:57:42,230 --> 00:57:40,549
yeah sure he's gone quiet are you still

1538
00:57:44,950 --> 00:57:42,240

there juliet

1539

00:57:46,309 --> 00:57:44,960

i was thinking

1540

00:57:48,390 --> 00:57:46,319

yeah hello amazing i thought you were

1541

00:57:50,309 --> 00:57:48,400

called all for that

1542

00:57:53,030 --> 00:57:50,319

no no i was just thinking about

1543

00:57:55,670 --> 00:57:53,040

something uh because obviously you get

1544

00:57:57,910 --> 00:57:55,680

the closer we get to halloween the more

1545

00:58:00,230 --> 00:57:57,920

we're going to get things on telly

1546

00:58:02,549 --> 00:58:00,240

about ghosts or

1547

00:58:05,030 --> 00:58:02,559

you know whatever's going on but i was

1548

00:58:06,470 --> 00:58:05,040

thinking about like local folklore

1549

00:58:09,109 --> 00:58:06,480

there's certain things that they always

1550

00:58:11,589 --> 00:58:09,119

sort of seem to bring out like uh pendle

1551

00:58:13,190 --> 00:58:11,599

witches as an example

1552

00:58:15,109 --> 00:58:13,200

and it's the same thing it's like the

1553

00:58:16,549 --> 00:58:15,119

same story i remember years ago sort of

1554

00:58:17,990 --> 00:58:16,559

seeing an article in the newspaper and

1555

00:58:18,950 --> 00:58:18,000

they said oh we found a house that it

1556

00:58:20,710 --> 00:58:18,960

wasn't

1557

00:58:22,150 --> 00:58:20,720

you know somebody a friend of mine

1558

00:58:24,630 --> 00:58:22,160

actually lives up near pendle and he

1559

00:58:25,990 --> 00:58:24,640

went it's not a witch's house but again

1560

00:58:27,589 --> 00:58:26,000

it's sort of going back to what sasha

1561

00:58:28,710 --> 00:58:27,599

was saying

1562

00:58:30,630 --> 00:58:28,720

the there's

1563

00:58:33,190 --> 00:58:30,640

things that are perpetuated through

1564

00:58:34,549 --> 00:58:33,200

television and through the written word

1565

00:58:36,390 --> 00:58:34,559

you've proved it tonight going oh

1566

00:58:38,789 --> 00:58:36,400

witches hats

1567

00:58:40,549 --> 00:58:38,799

sometimes we believe the stereotype it's

1568

00:58:42,470 --> 00:58:40,559

like everybody has heard of the panel

1569

00:58:44,710 --> 00:58:42,480

witches however there's a different one

1570

00:58:47,109 --> 00:58:44,720

somebody called meg shelton

1571

00:58:47,910 --> 00:58:47,119

and at this point you think who who's

1572

00:58:50,950 --> 00:58:47,920

that

1573

00:58:54,230 --> 00:58:50,960

easy to google uh basically

1574

00:58:55,750 --> 00:58:54,240

a filed hag this is how she's written up

1575

00:58:57,829 --> 00:58:55,760

accused of witchcraft but the

1576

00:58:59,829 --> 00:58:57,839

interesting thing is when they buried

1577

00:59:02,549 --> 00:58:59,839

her she's at a place called wood

1578

00:59:04,710 --> 00:59:02,559

plumpton cute little village

1579

00:59:07,510 --> 00:59:04,720

and there's a boulder

1580

00:59:09,190 --> 00:59:07,520

massive boulder onto somebody getting

1581

00:59:10,150 --> 00:59:09,200

out of the grave is it

1582

00:59:11,990 --> 00:59:10,160

yeah

1583

00:59:13,589 --> 00:59:12,000

i actually visited when the weather was

1584

00:59:17,510 --> 00:59:13,599

nice over summer

1585

00:59:19,030 --> 00:59:17,520

i did a little youtube video and

1586

00:59:20,870 --> 00:59:19,040

my sense of direction in a car is

1587

00:59:22,870 --> 00:59:20,880

spectacularly bad at the best but i

1588

00:59:25,030 --> 00:59:22,880

managed to actually get some pumps and

1589

00:59:26,870 --> 00:59:25,040

what a lovely little church

1590

00:59:28,710 --> 00:59:26,880

but it was like when you sort of read

1591

00:59:30,549 --> 00:59:28,720

the backstory to it it was like you know

1592

00:59:32,309 --> 00:59:30,559

she was found dead in the cottage

1593

00:59:34,950 --> 00:59:32,319

crushed between a wall and a large

1594

00:59:37,670 --> 00:59:34,960

barrel and talks about her using magic

1595

00:59:39,670 --> 00:59:37,680

to make crops fail turn milk sour and

1596

00:59:41,910 --> 00:59:39,680

cause illness and cattle

1597

00:59:43,349 --> 00:59:41,920

but she's buried face down and a great

1598

00:59:45,510 --> 00:59:43,359

look

1599

00:59:47,829 --> 00:59:45,520

and it's so interesting and i

1600

00:59:50,230 --> 00:59:47,839

must admit

1601
00:59:52,390 --> 00:59:50,240
you're supposed to allegedly

1602
00:59:53,990 --> 00:59:52,400
walk around three times anti-clockwise

1603
00:59:56,230 --> 00:59:54,000
and then spit on my grave

1604
00:59:57,510 --> 00:59:56,240
you know i did and then you make a wish

1605
00:59:58,309 --> 00:59:57,520
and if she likes you she'll grant you

1606
01:00:00,630 --> 00:59:58,319
wish

1607
01:00:03,510 --> 01:00:00,640
happened

1608
01:00:05,750 --> 01:00:03,520
i actually said can i win the lottery

1609
01:00:08,309 --> 01:00:05,760
quid oh

1610
01:00:10,309 --> 01:00:08,319
no i'm on 30 cruising i thought

1611
01:00:12,870 --> 01:00:10,319
that's either fate or it's absolute

1612
01:00:14,309 --> 01:00:12,880
piffle but it was such a nice i thought

1613
01:00:17,510 --> 01:00:14,319

you were gonna send a million mile went

1614

01:00:19,109 --> 01:00:17,520

in for a minute oh obviously

1615

01:00:21,190 --> 01:00:19,119

no i don't know what to do with that

1616

01:00:22,630 --> 01:00:21,200

much he'd be like help

1617

01:00:23,750 --> 01:00:22,640

but it was nice to actually see a

1618

01:00:25,829 --> 01:00:23,760

different

1619

01:00:28,710 --> 01:00:25,839

sort of folk blog because it's not as

1620

01:00:30,549 --> 01:00:28,720

well known as the pendle which is

1621

01:00:32,069 --> 01:00:30,559

it's like when you start talking about

1622

01:00:33,990 --> 01:00:32,079

jack the ripper

1623

01:00:35,829 --> 01:00:34,000

and oh it's like oh no it kind of worms

1624

01:00:37,349 --> 01:00:35,839

that one and it's like it was a man it

1625

01:00:39,030 --> 01:00:37,359

was a woman it was this it was that it

1626
01:00:43,430 --> 01:00:39,040
was royalties

1627
01:00:46,630 --> 01:00:45,109
no i thought most witches were burned at

1628
01:00:48,069 --> 01:00:46,640
the stake weren't they

1629
01:00:51,349 --> 01:00:48,079
and actually

1630
01:00:53,430 --> 01:00:51,359
not that many were actually burned alive

1631
01:00:55,270 --> 01:00:53,440
most were corrupted on the stake and

1632
01:00:57,270 --> 01:00:55,280
then they were burned

1633
01:00:59,510 --> 01:00:57,280
but uh yeah

1634
01:01:00,870 --> 01:00:59,520
you i'm mostly drowning

1635
01:01:03,030 --> 01:01:00,880
yeah i know you used to do

1636
01:01:04,870 --> 01:01:03,040
a ducky stool yeah like if you survived

1637
01:01:06,230 --> 01:01:04,880
you you were a witch which was a bit

1638
01:01:08,549 --> 01:01:06,240

crazy

1639

01:01:09,829 --> 01:01:08,559

and she floated you yeah you're kind of

1640

01:01:11,510 --> 01:01:09,839

damned either

1641

01:01:13,750 --> 01:01:11,520

and the thing is about all of the witch

1642

01:01:15,589 --> 01:01:13,760

towers as well as the as the women they

1643

01:01:17,190 --> 01:01:15,599

actually paid for their own torture they

1644

01:01:19,349 --> 01:01:17,200

paid for the upkeep of the people that

1645

01:01:20,630 --> 01:01:19,359

were torturing them including their food

1646

01:01:21,349 --> 01:01:20,640

and their beer

1647

01:01:22,549 --> 01:01:21,359

and

1648

01:01:25,190 --> 01:01:22,559

um

1649

01:01:28,470 --> 01:01:25,200

you know youth of tools and rope

1650

01:01:31,910 --> 01:01:28,480

um and you know like coal

1651
01:01:33,670 --> 01:01:31,920
to uh like the fires to heat the tools

1652
01:01:35,030 --> 01:01:33,680
to torture them with to get them to

1653
01:01:36,069 --> 01:01:35,040
confess

1654
01:01:37,910 --> 01:01:36,079
um

1655
01:01:40,309 --> 01:01:37,920
i've got a book in my bookcase and

1656
01:01:41,829 --> 01:01:40,319
there's a full tariff

1657
01:01:45,270 --> 01:01:41,839
of charges

1658
01:01:47,430 --> 01:01:45,280
so they would so basically a lot of

1659
01:01:50,390 --> 01:01:47,440
people women with property

1660
01:01:51,670 --> 01:01:50,400
they were targeted because then all they

1661
01:01:53,910 --> 01:01:51,680
they could just help themselves through

1662
01:01:54,630 --> 01:01:53,920
the stuff and just torture her to death

1663
01:01:56,950 --> 01:01:54,640

so

1664

01:01:58,950 --> 01:01:56,960

it was quite a good racket and once they

1665

01:02:01,589 --> 01:01:58,960

stopped people being able to make any

1666

01:02:05,910 --> 01:02:01,599

money from it it died off pretty quickly

1667

01:02:09,510 --> 01:02:07,349

but again

1668

01:02:10,390 --> 01:02:09,520

it's like you'll find sometimes that the

1669

01:02:11,589 --> 01:02:10,400

same

1670

01:02:13,750 --> 01:02:11,599

myth

1671

01:02:15,430 --> 01:02:13,760

perpetuates

1672

01:02:17,109 --> 01:02:15,440

you know unless you you research it i

1673

01:02:18,230 --> 01:02:17,119

mean i know i have enough shells

1674

01:02:19,589 --> 01:02:18,240

obviously

1675

01:02:21,589 --> 01:02:19,599

and it's

1676

01:02:23,510 --> 01:02:21,599

we're not doing it to sandals soon you

1677

01:02:25,589 --> 01:02:23,520

know i know better than you you know

1678

01:02:26,710 --> 01:02:25,599

it's it's just educating that's all

1679

01:02:29,430 --> 01:02:26,720

we're trying to

1680

01:02:30,950 --> 01:02:29,440

that's it this is why we do podcasts

1681

01:02:33,029 --> 01:02:30,960

this is why you do that's right long

1682

01:02:34,630 --> 01:02:33,039

beans nobody can if you use this is like

1683

01:02:36,309 --> 01:02:34,640

yeah nobody can know everything about

1684

01:02:37,910 --> 01:02:36,319

everything i mean we're always learning

1685

01:02:40,309 --> 01:02:37,920

a little bit every time we do these

1686

01:02:42,230 --> 01:02:40,319

shows something i know i do it's um

1687

01:02:44,789 --> 01:02:42,240

that's that's why i do it

1688

01:02:46,309 --> 01:02:44,799

for a reason although i i'm gonna give

1689

01:02:48,069 --> 01:02:46,319

away i'm gonna give away a little bit of

1690

01:02:49,910 --> 01:02:48,079

a secret i'm actually thinking about

1691

01:02:51,270 --> 01:02:49,920

cutting down to instead of doing one

1692

01:02:53,270 --> 01:02:51,280

every week i'm going to do one every two

1693

01:02:55,829 --> 01:02:53,280

weeks in a new year i think because

1694

01:02:58,309 --> 01:02:55,839

finding i'm going to say finding 52

1695

01:03:01,510 --> 01:02:58,319

guests and they do one every week for 52

1696

01:03:02,309 --> 01:03:01,520

weeks is a semi-going this whole book

1697

01:03:04,789 --> 01:03:02,319

well

1698

01:03:07,109 --> 01:03:04,799

when i was on the network with access

1699

01:03:08,870 --> 01:03:07,119

northwest and um

1700

01:03:11,270 --> 01:03:08,880

i was like i just even know if there's

1701
01:03:13,029 --> 01:03:11,280
52 people on the scene i actually want

1702
01:03:15,270 --> 01:03:13,039
to talk to you yeah

1703
01:03:17,270 --> 01:03:15,280
i mean i finally guess okay and i

1704
01:03:19,510 --> 01:03:17,280
thought i had some fantastic guests but

1705
01:03:20,950 --> 01:03:19,520
actually sort of yeah keeping keeping it

1706
01:03:23,670 --> 01:03:20,960
going and ken you know and going into

1707
01:03:26,230 --> 01:03:23,680
next year finding another 52 guests

1708
01:03:27,270 --> 01:03:26,240
um without finding the show going a

1709
01:03:29,349 --> 01:03:27,280
little bit

1710
01:03:31,670 --> 01:03:29,359
i don't call it stell because of the

1711
01:03:33,990 --> 01:03:31,680
guess because it isn't but because of me

1712
01:03:35,910 --> 01:03:34,000
i mean because of my limits of what i

1713
01:03:37,510 --> 01:03:35,920

know and what the questions you can ask

1714

01:03:39,829 --> 01:03:37,520

you end up asking the same kind of

1715

01:03:41,510 --> 01:03:39,839

questions every time and it kind of you

1716

01:03:43,589 --> 01:03:41,520

know although the guest is obviously got

1717

01:03:45,109 --> 01:03:43,599

a different story every time

1718

01:03:46,710 --> 01:03:45,119

but um

1719

01:03:48,950 --> 01:03:46,720

i mean i'm actually thinking of i'll get

1720

01:03:49,750 --> 01:03:48,960

to show 200 and call it quits i think i

1721

01:03:52,470 --> 01:03:49,760

might

1722

01:03:54,630 --> 01:03:52,480

different i'm not sure

1723

01:03:57,190 --> 01:03:54,640

but um yeah that's that's my plan going

1724

01:03:58,710 --> 01:03:57,200

forward anyway so you probably got me a

1725

01:04:00,549 --> 01:03:58,720

couple of years doing this yet but

1726

01:04:03,109 --> 01:04:00,559

probably every two weeks other than

1727

01:04:04,710 --> 01:04:03,119

every every week

1728

01:04:07,670 --> 01:04:04,720

i mean it might be worse

1729

01:04:09,430 --> 01:04:07,680

loosely sort of planned for a show a

1730

01:04:16,150 --> 01:04:09,440

podcast every couple of weeks yeah

1731

01:04:20,309 --> 01:04:18,710

more of these as well where we got like

1732

01:04:22,630 --> 01:04:20,319

maybe two or three of us on the show

1733

01:04:24,309 --> 01:04:22,640

rather than just me and a guest you know

1734

01:04:27,029 --> 01:04:24,319

like having sort of like three people

1735

01:04:29,190 --> 01:04:27,039

talking because i think you can get more

1736

01:04:30,950 --> 01:04:29,200

out of because the you know the other

1737

01:04:33,190 --> 01:04:30,960

person sort of doing the co-hosting like

1738

01:04:34,710 --> 01:04:33,200

we find when we've done it before uh

1739

01:04:37,670 --> 01:04:34,720

they can come up with more questions and

1740

01:04:39,990 --> 01:04:37,680

put more into the show you know it's um

1741

01:04:42,230 --> 01:04:40,000

that's what i thought rather than

1742

01:04:44,069 --> 01:04:42,240

dig up questions or because sometimes

1743

01:04:45,829 --> 01:04:44,079

you do i mean i'm not quit i'm not

1744

01:04:47,589 --> 01:04:45,839

criticizing any guests whatsoever but

1745

01:04:49,270 --> 01:04:47,599

sometimes it's a bit of a hard slog

1746

01:04:51,510 --> 01:04:49,280

trying to come up with questions because

1747

01:04:52,630 --> 01:04:51,520

they'll give a short answer and then

1748

01:04:54,069 --> 01:04:52,640

you've got to come up we'll have a

1749

01:04:55,910 --> 01:04:54,079

question you know i'm going to try and

1750

01:04:58,549 --> 01:04:55,920

keep the can't creepy

1751

01:04:59,990 --> 01:04:58,559

keep it going you know

1752

01:05:02,069 --> 01:05:00,000

but

1753

01:05:03,990 --> 01:05:02,079

i've been i've learned things to me

1754

01:05:05,510 --> 01:05:04,000

doing the podcasts

1755

01:05:07,029 --> 01:05:05,520

you learned something you know i've

1756

01:05:08,789 --> 01:05:07,039

learned other little bits about

1757

01:05:10,950 --> 01:05:08,799

witchcraft i'm going to go away and

1758

01:05:12,230 --> 01:05:10,960

research because it's it's like you

1759

01:05:14,150 --> 01:05:12,240

could do

1760

01:05:16,710 --> 01:05:14,160

an entire program on that and you

1761

01:05:19,029 --> 01:05:16,720

wouldn't scrape the surface you know the

1762

01:05:24,870 --> 01:05:19,039

herbalism side that that interests me as

1763

01:05:30,069 --> 01:05:28,470

don't we so it's um it's always good

1764

01:05:31,510 --> 01:05:30,079

to be honest that was more towards sasha

1765

01:05:33,190 --> 01:05:31,520

no no i know that's what i'm saying it's

1766

01:05:34,630 --> 01:05:33,200

always good that's what i mean it's

1767

01:05:36,230 --> 01:05:34,640

always good for a lot we all get

1768

01:05:37,910 --> 01:05:36,240

something out of it well i've done a

1769

01:05:41,349 --> 01:05:37,920

session because she knows so much

1770

01:05:46,309 --> 01:05:43,270

i don't know

1771

01:05:47,670 --> 01:05:46,319

you know just this has become a little

1772

01:05:49,750 --> 01:05:47,680

you know i've obviously always been

1773

01:05:52,150 --> 01:05:49,760

interested in witchcraft and stuff but

1774

01:05:54,710 --> 01:05:52,160

the most recent thing about the witches

1775

01:05:58,230 --> 01:05:54,720

and the beer um it's not which is it's

1776

01:06:00,710 --> 01:05:58,240

just women breweries um when in lockdown

1777

01:06:02,069 --> 01:06:00,720

i've got balls i've got a bulk uh sacred

1778

01:06:03,910 --> 01:06:02,079

healing beers

1779

01:06:06,630 --> 01:06:03,920

and all the information's in there and i

1780

01:06:07,829 --> 01:06:06,640

was like totally fascinated and

1781

01:06:10,230 --> 01:06:07,839

um

1782

01:06:11,510 --> 01:06:10,240

it was because i've read an article uh

1783

01:06:13,990 --> 01:06:11,520

somebody had written about what they'd

1784

01:06:15,670 --> 01:06:14,000

read so i went looking for the book that

1785

01:06:18,630 --> 01:06:15,680

they referenced and bought it and it was

1786

01:06:20,069 --> 01:06:18,640

just brilliant sacred healing bees and

1787

01:06:22,630 --> 01:06:20,079

there's all the recipes in it but

1788

01:06:24,230 --> 01:06:22,640

there's all the history as well and so

1789

01:06:26,549 --> 01:06:24,240

some of the plants are just impossible

1790

01:06:28,470 --> 01:06:26,559

to get so i've started growing them

1791

01:06:30,549 --> 01:06:28,480

so it's become like this horticultural

1792

01:06:32,950 --> 01:06:30,559

thing where i haven't got anything

1793

01:06:35,109 --> 01:06:32,960

brewed at the moment or brewing but i am

1794

01:06:36,470 --> 01:06:35,119

actually about to brew something for

1795

01:06:39,190 --> 01:06:36,480

christmas

1796

01:06:42,069 --> 01:06:39,200

so uh and i grow my own mandrake and

1797

01:06:43,270 --> 01:06:42,079

hang pain and all that kind of stuff and

1798

01:06:44,390 --> 01:06:43,280

uh

1799

01:06:47,029 --> 01:06:44,400

so

1800

01:06:50,230 --> 01:06:47,039

i've

1801
01:06:51,910 --> 01:06:50,240
kind of been a bit of a gardener now

1802
01:06:53,349 --> 01:06:51,920
sorry it's in my mind when you said

1803
01:06:55,109 --> 01:06:53,359
mandrake there was a man drake the

1804
01:06:58,309 --> 01:06:55,119
magician in the early days it was a

1805
01:07:12,950 --> 01:06:58,319
comic strip do you remember that

1806
01:07:18,150 --> 01:07:15,190
is it easy to get hold of or is it not

1807
01:07:19,750 --> 01:07:18,160
so i read the magazine

1808
01:07:20,789 --> 01:07:19,760
thing and then

1809
01:07:22,390 --> 01:07:20,799
um

1810
01:07:24,549 --> 01:07:22,400
just went and looked

1811
01:07:25,990 --> 01:07:24,559
and found it straight away thank you

1812
01:07:27,190 --> 01:07:26,000
sorry i was going to say if you've got a

1813
01:07:28,789 --> 01:07:27,200

link

1814

01:07:31,910 --> 01:07:28,799

am i allowed to have it now it's just

1815

01:07:33,829 --> 01:07:31,920

like i know i'd find it interesting

1816

01:07:38,230 --> 01:07:33,839

looks like my mom stacks the books but

1817

01:07:41,829 --> 01:07:38,240

as we're all fiction of mine a lot by

1818

01:07:42,870 --> 01:07:41,839

men are all about plants and

1819

01:07:44,950 --> 01:07:42,880

and

1820

01:07:46,390 --> 01:07:44,960

aliens but i never read the alien ones i

1821

01:07:47,670 --> 01:07:46,400

just keep buying them but i never read

1822

01:07:49,109 --> 01:07:47,680

them

1823

01:07:50,789 --> 01:07:49,119

hey do you think that's why we've got so

1824

01:07:51,750 --> 01:07:50,799

many different sorts of beers did they

1825

01:07:53,349 --> 01:07:51,760

come from

1826

01:07:56,150 --> 01:07:53,359

because they're all different different

1827

01:07:58,950 --> 01:07:56,160

witches in the past ruin is something

1828

01:08:00,870 --> 01:07:58,960

it's absolutely ridiculously easy i just

1829

01:08:02,870 --> 01:08:00,880

couldn't believe it

1830

01:08:04,309 --> 01:08:02,880

you just need to throw a few things in

1831

01:08:06,230 --> 01:08:04,319

the bucket put the lid on walk away

1832

01:08:07,990 --> 01:08:06,240

leave it and then come back a couple of

1833

01:08:08,870 --> 01:08:08,000

weeks later and

1834

01:08:10,630 --> 01:08:08,880

um

1835

01:08:13,029 --> 01:08:10,640

you know if there's any sediment or

1836

01:08:15,190 --> 01:08:13,039

whatever you have to get

1837

01:08:16,789 --> 01:08:15,200

your bottle in it or put a bit more

1838

01:08:19,189 --> 01:08:16,799

sugar in it

1839

01:08:21,110 --> 01:08:19,199

then bottle it and then leave it and

1840

01:08:22,870 --> 01:08:21,120

then in a couple of weeks you can drink

1841

01:08:25,030 --> 01:08:22,880

it and it's fizzy and it's just like

1842

01:08:26,950 --> 01:08:25,040

what that is ridiculous oh i've got some

1843

01:08:29,910 --> 01:08:26,960

old socks and an onion i can't do that

1844

01:08:35,189 --> 01:08:31,669

so the book is

1845

01:08:37,510 --> 01:08:35,199

written by um stephen harrod

1846

01:08:40,309 --> 01:08:37,520

booner b-u-h-n-e-r

1847

01:08:42,709 --> 01:08:40,319

and author of sacred plant sacred plant

1848

01:08:45,510 --> 01:08:42,719

medicine i've not got that one

1849

01:08:49,030 --> 01:08:45,520

i'll have to get that one

1850

01:08:51,349 --> 01:08:49,040

so yeah sacred hit sacred and herbal

1851
01:08:52,870 --> 01:08:51,359
healing beers it's called

1852
01:08:54,630 --> 01:08:52,880
thank you

1853
01:08:57,910 --> 01:08:54,640
hey further on from that stuff did you

1854
01:09:00,550 --> 01:08:57,920
have a book of spells as well

1855
01:09:03,829 --> 01:09:00,560
i've got loads of books like that

1856
01:09:06,470 --> 01:09:03,839
i'm thinking that people starve

1857
01:09:08,309 --> 01:09:06,480
to say linking that to the witches and

1858
01:09:10,149 --> 01:09:08,319
the witchcraft obviously they they must

1859
01:09:11,510 --> 01:09:10,159
have used these spells at certain times

1860
01:09:13,990 --> 01:09:11,520
on people

1861
01:09:16,709 --> 01:09:14,000
or or or did they not or is it was that

1862
01:09:18,550 --> 01:09:16,719
just all fallacy again

1863
01:09:21,590 --> 01:09:18,560

well most of the women accused of

1864

01:09:23,030 --> 01:09:21,600

witchcraft were not witches

1865

01:09:24,950 --> 01:09:23,040

most of the women who died were not

1866

01:09:28,070 --> 01:09:24,960

actually witches so where did all the

1867

01:09:31,110 --> 01:09:29,269

um

1868

01:09:32,630 --> 01:09:31,120

well i suppose or were they from people

1869

01:09:34,950 --> 01:09:32,640

who are alchemists because they were

1870

01:09:37,269 --> 01:09:34,960

actually mixed up in a lot of but they

1871

01:09:39,269 --> 01:09:37,279

were were they really witches as well

1872

01:09:41,910 --> 01:09:39,279

alchemists

1873

01:09:43,829 --> 01:09:41,920

but you see it's just people and like

1874

01:09:46,470 --> 01:09:43,839

you know puppet dolls and things like

1875

01:09:49,030 --> 01:09:46,480

that voodoo dolls every

1876

01:09:50,870 --> 01:09:49,040

magical system it's got its mirror with

1877

01:09:53,510 --> 01:09:50,880

another one so you don't need to

1878

01:09:54,470 --> 01:09:53,520

appropriate or anything because

1879

01:09:57,990 --> 01:09:54,480

uh

1880

01:09:59,590 --> 01:09:58,000

it everything it's kind of mirrored

1881

01:10:01,270 --> 01:09:59,600

because it's the kind of set of

1882

01:10:04,390 --> 01:10:01,280

principles and it's

1883

01:10:06,310 --> 01:10:04,400

basically mental energy

1884

01:10:07,990 --> 01:10:06,320

and psychology

1885

01:10:10,470 --> 01:10:08,000

and especially when you're working with

1886

01:10:13,830 --> 01:10:10,480

other people or healing them you know

1887

01:10:15,669 --> 01:10:13,840

oh the medicines etc that was all herbal

1888

01:10:17,750 --> 01:10:15,679

so the spells and things like that

1889

01:10:19,430 --> 01:10:17,760

people

1890

01:10:21,270 --> 01:10:19,440

would make poppet dolls and then put

1891

01:10:22,870 --> 01:10:21,280

needles in them and that's the same as a

1892

01:10:25,189 --> 01:10:22,880

voodoo doll

1893

01:10:29,669 --> 01:10:25,199

you see what i mean yeah

1894

01:10:32,390 --> 01:10:29,679

and it's just um ill intent

1895

01:10:34,310 --> 01:10:32,400

positive intention it whatever it is

1896

01:10:37,910 --> 01:10:34,320

it's you throwing

1897

01:10:40,709 --> 01:10:37,920

energetic daggers into somebody else's

1898

01:10:43,030 --> 01:10:40,719

energy field right yeah so really that's

1899

01:10:46,630 --> 01:10:43,040

just like a target for your

1900

01:10:47,910 --> 01:10:46,640

um intentions really the the goal

1901

01:10:49,590 --> 01:10:47,920

yeah yeah

1902

01:10:51,030 --> 01:10:49,600

you know you can really

1903

01:10:51,990 --> 01:10:51,040

they come on the call it's psychic

1904

01:10:55,590 --> 01:10:52,000

attack

1905

01:10:58,310 --> 01:10:55,600

if somebody's spoken about badly

1906

01:11:00,310 --> 01:10:58,320

um or any ill will is being fired in

1907

01:11:01,990 --> 01:11:00,320

their direction if a lot of people can

1908

01:11:03,669 --> 01:11:02,000

concentrate on that like you know when

1909

01:11:06,950 --> 01:11:03,679

you're trolling somebody that's

1910

01:11:09,110 --> 01:11:08,310

you know

1911

01:11:13,990 --> 01:11:09,120

that

1912

01:11:16,870 --> 01:11:14,000

what was happening was people accusing

1913

01:11:19,510 --> 01:11:16,880

people of stupid things

1914

01:11:20,550 --> 01:11:19,520

and it was a lot of hysteria and most of

1915

01:11:21,430 --> 01:11:20,560

the people

1916

01:11:27,750 --> 01:11:21,440

who

1917

01:11:30,630 --> 01:11:27,760

it's kind of calling them witches

1918

01:11:32,229 --> 01:11:30,640

isn't right do you know what i mean

1919

01:11:33,830 --> 01:11:32,239

i mean you know we've all heard about

1920

01:11:35,350 --> 01:11:33,840

the witch father general i'm not sure if

1921

01:11:37,189 --> 01:11:35,360

he got up your way did he say in

1922

01:11:39,430 --> 01:11:37,199

liverpool or in that area he was sort of

1923

01:11:40,870 --> 01:11:39,440

all down this area wasn't he

1924

01:11:45,990 --> 01:11:40,880

no

1925

01:11:48,550 --> 01:11:46,000

he was sort of like the anglia area and

1926

01:11:51,590 --> 01:11:48,560

i believe yeah

1927

01:11:52,550 --> 01:11:51,600

yeah the only stuff i know about

1928

01:11:55,510 --> 01:11:52,560

here

1929

01:11:57,910 --> 01:11:55,520

is very basic and it's all about the

1930

01:12:00,709 --> 01:11:57,920

viking invasion

1931

01:12:04,229 --> 01:12:00,719

it's everywhere is named is all of

1932

01:12:06,070 --> 01:12:04,239

everywhere is a viking name around here

1933

01:12:08,630 --> 01:12:06,080

yeah liverpool

1934

01:12:09,830 --> 01:12:08,640

and his robbie means lookout or lookout

1935

01:12:10,790 --> 01:12:09,840

point

1936

01:12:12,709 --> 01:12:10,800

um

1937

01:12:14,550 --> 01:12:12,719

and this was all marsh area and there

1938

01:12:16,070 --> 01:12:14,560

was a lookout point here

1939

01:12:17,910 --> 01:12:16,080

found um

1940

01:12:20,550 --> 01:12:17,920

a long boat somewhere nearby and there's

1941

01:12:23,350 --> 01:12:20,560

the ghost story of the police officer

1942

01:12:25,669 --> 01:12:23,360

and the guy that he was chasing that saw

1943

01:12:28,149 --> 01:12:25,679

a viking longboat complete with green

1944

01:12:29,669 --> 01:12:28,159

cloud and lightning sailing past them

1945

01:12:31,830 --> 01:12:29,679

past the church

1946

01:12:33,430 --> 01:12:31,840

and sailed into the ground

1947

01:12:35,830 --> 01:12:33,440

and

1948

01:12:37,669 --> 01:12:35,840

coming down towards our house from the

1949

01:12:38,870 --> 01:12:37,679

church just up the road

1950

01:12:41,430 --> 01:12:38,880

so

1951

01:12:44,390 --> 01:12:41,440

there was water here and that's the path

1952

01:12:45,189 --> 01:12:44,400

where they took was all you know uh

1953

01:12:46,950 --> 01:12:45,199

wet

1954

01:12:49,510 --> 01:12:46,960

but not when they saw it obviously it

1955

01:12:52,790 --> 01:12:49,520

was a thousand years ago or whenever

1956

01:12:54,870 --> 01:12:52,800

so this police officer this guy they've

1957

01:12:57,669 --> 01:12:54,880

like seen this happen

1958

01:12:59,030 --> 01:12:57,679

and um gave statements and

1959

01:13:01,110 --> 01:12:59,040

it was only because of the police

1960

01:13:03,910 --> 01:13:01,120

officer because he was so normal and

1961

01:13:05,910 --> 01:13:03,920

stern that they believed him or

1962

01:13:07,030 --> 01:13:05,920

something like that but yeah

1963

01:13:11,830 --> 01:13:07,040

so we've

1964

01:13:11,840 --> 01:13:16,070

sailing past

1965

01:13:21,750 --> 01:13:18,550

open curtains oh you're right love yeah

1966

01:13:23,750 --> 01:13:21,760

i'm fine uh ship's gone again okay yeah

1967

01:13:25,750 --> 01:13:23,760

i think the vikings got around quite a

1968

01:13:27,350 --> 01:13:25,760

lot in great britain didn't they back in

1969

01:13:29,270 --> 01:13:27,360

the early days it seems i wonder if they

1970

01:13:31,350 --> 01:13:29,280

actually sailed round the island you

1971

01:13:33,110 --> 01:13:31,360

know because we are in ireland um or if

1972

01:13:35,669 --> 01:13:33,120

they actually went across land i wonder

1973

01:13:37,350 --> 01:13:35,679

you know it crosses my mind sometimes

1974

01:13:39,350 --> 01:13:37,360

you know like just landed on different

1975

01:13:41,350 --> 01:13:39,360

places

1976

01:13:46,070 --> 01:13:41,360

they both didn't is because they put

1977

01:13:48,070 --> 01:13:46,080

wheels on the boat so i had to move

1978

01:13:49,350 --> 01:13:48,080

they were very savvy yeah

1979

01:13:51,189 --> 01:13:49,360

yeah i know we're we're obviously

1980

01:13:53,270 --> 01:13:51,199

leaving some day that was quite an early

1981

01:13:54,390 --> 01:13:53,280

um settlement for the vikings as well we

1982

01:13:56,149 --> 01:13:54,400

had um

1983

01:13:57,350 --> 01:13:56,159

what's the name of the place i've got

1984

01:13:59,270 --> 01:13:57,360

what it was called

1985

01:14:01,270 --> 01:13:59,280

but um yeah they've got a lot of barking

1986

01:14:02,070 --> 01:14:01,280

bits and pieces here

1987

01:14:03,590 --> 01:14:02,080

um

1988

01:14:04,709 --> 01:14:03,600

oh sutton who

1989

01:14:05,990 --> 01:14:04,719

isn't it

1990

01:14:09,350 --> 01:14:06,000

they've got that oh yeah they've got the

1991

01:14:11,910 --> 01:14:09,360

viking helmet and everything yeah

1992

01:14:13,590 --> 01:14:11,920

that's um yeah that's about your way

1993

01:14:17,350 --> 01:14:13,600

juliet i'll definitely vikings ever got

1994

01:14:18,790 --> 01:14:17,360

up to um blackboard today

1995

01:14:20,470 --> 01:14:18,800

more

1996

01:14:22,390 --> 01:14:20,480

sort of

1997

01:14:23,990 --> 01:14:22,400

curcumish

1998

01:14:26,790 --> 01:14:24,000

um

1999

01:14:28,950 --> 01:14:26,800

more lancashire to be honest blackpool

2000

01:14:30,470 --> 01:14:28,960

didn't really exist until sort of

2001

01:14:31,990 --> 01:14:30,480

recently when you think but you've got

2002

01:14:35,510 --> 01:14:32,000

like um

2003

01:14:37,910 --> 01:14:35,520

chester yeah as an example kirkham um

2004

01:14:40,070 --> 01:14:37,920

more like the villages there's a place

2005

01:14:42,550 --> 01:14:40,080

we term as over wire

2006

01:14:45,030 --> 01:14:42,560

so you add salt mines there's a place

2007

01:14:48,229 --> 01:14:45,040

called cockasand the cockasand abbey

2008

01:14:49,910 --> 01:14:48,239

which i visited oh my god i so it's

2009

01:14:51,590 --> 01:14:49,920

fantastic it's like from the 12th

2010

01:14:55,189 --> 01:14:51,600

century

2011

01:14:57,669 --> 01:14:55,199

oh it's just beauty it's really desolate

2012

01:14:59,270 --> 01:14:57,679

it's just and you've got views of morgan

2013

01:15:01,270 --> 01:14:59,280

but unfortunately you can see haitian

2014

01:15:05,189 --> 01:15:01,280

path section as well

2015

01:15:08,310 --> 01:15:05,199

but visiting i was lucky enough to

2016

01:15:09,669 --> 01:15:08,320

befriend shall we say or blag

2017

01:15:10,470 --> 01:15:09,679

and i'm at the gentleman who had the

2018

01:15:12,229 --> 01:15:10,480

king

2019

01:15:14,390 --> 01:15:12,239

so i said you know can we come because

2020

01:15:17,270 --> 01:15:14,400

it's it's open like once a year if that

2021

01:15:19,990 --> 01:15:17,280

but it was absolutely fantastic to go

2022

01:15:20,870 --> 01:15:20,000

and visit and we filmed and it was just

2023

01:15:30,390 --> 01:15:20,880

like

2024

01:15:31,590 --> 01:15:30,400

he was sort of

2025

01:15:32,550 --> 01:15:31,600

you know like

2026

01:15:34,310 --> 01:15:32,560

and it's

2027

01:15:37,669 --> 01:15:34,320

i never realized it was like a grade one

2028

01:15:39,350 --> 01:15:37,679

listed monument it was that is it

2029

01:15:41,430 --> 01:15:39,360

you wouldn't know it's just one of those

2030

01:15:43,110 --> 01:15:41,440

weird things that you just sort of take

2031

01:15:45,990 --> 01:15:43,120

for granted and he says if you look

2032

01:15:48,229 --> 01:15:46,000

around the area of lancashire he says

2033

01:15:51,590 --> 01:15:48,239

people would pilfer the stone so you'd

2034

01:15:53,830 --> 01:15:51,600

see it in barns and things it was just

2035

01:15:57,030 --> 01:15:53,840

absolutely peculiar but

2036

01:15:59,830 --> 01:15:57,040

to be fair it's more

2037

01:16:03,110 --> 01:15:59,840

spatterings of of lancashire

2038

01:16:05,990 --> 01:16:03,910

yeah

2039

01:16:08,070 --> 01:16:06,000

not really not really it was more sort

2040

01:16:09,910 --> 01:16:08,080

of it was just like pockets of little

2041

01:16:11,910 --> 01:16:09,920

villages that sort of kept themselves to

2042

01:16:13,590 --> 01:16:11,920

themselves yeah

2043

01:16:15,669 --> 01:16:13,600

yeah i think i'm coming to appreciate

2044

01:16:17,189 --> 01:16:15,679

our country i mean as old as i am i

2045

01:16:19,270 --> 01:16:17,199

think i'm coming to appreciate our

2046

01:16:20,390 --> 01:16:19,280

country more than i may have done in the

2047

01:16:21,830 --> 01:16:20,400

past because

2048

01:16:23,350 --> 01:16:21,840

i've found we've been going around quite

2049

01:16:25,750 --> 01:16:23,360

a bit and you know some of the old

2050

01:16:28,070 --> 01:16:25,760

villages that are really beautiful and

2051

01:16:30,550 --> 01:16:28,080

you can imagine you know why people like

2052

01:16:31,830 --> 01:16:30,560

to come here you know where we should

2053

01:16:33,270 --> 01:16:31,840

get off to

2054

01:16:35,030 --> 01:16:33,280

spain and america and god knows what

2055

01:16:36,070 --> 01:16:35,040

else people like coming here because of

2056

01:16:38,310 --> 01:16:36,080

the history

2057

01:16:39,350 --> 01:16:38,320

you know it's really fascinating in our

2058

01:16:41,590 --> 01:16:39,360

history

2059

01:16:43,830 --> 01:16:41,600

and i really wish i'd spent more time

2060

01:16:46,229 --> 01:16:43,840

doing it when i was younger

2061

01:16:47,990 --> 01:16:46,239

i'm trying to catch up

2062

01:16:49,990 --> 01:16:48,000

i'm making up for it now i mean that's

2063

01:16:51,990 --> 01:16:50,000

what i'm trying to do yeah

2064

01:16:53,030 --> 01:16:52,000

and people sort of say oh you you know

2065

01:16:54,870 --> 01:16:53,040

you said what you're gonna do when you

2066

01:16:56,709 --> 01:16:54,880

retire i'm trying to i may move for 16

2067

01:16:59,110 --> 01:16:56,719

when i retire from work

2068

01:17:00,550 --> 01:16:59,120

and i want to move out of blackpool oh

2069

01:17:02,310 --> 01:17:00,560

yeah but it's blackpool said yeah but

2070

01:17:04,550 --> 01:17:02,320

you don't live here there's good bits

2071

01:17:05,350 --> 01:17:04,560

and bad bits i said i want to move over

2072

01:17:09,189 --> 01:17:05,360

why

2073

01:17:10,950 --> 01:17:09,199

know when you sort of find somewhere and

2074

01:17:12,470 --> 01:17:10,960

you think this is nice

2075

01:17:14,229 --> 01:17:12,480

it's a weird thing to explain but it's

2076

01:17:17,430 --> 01:17:14,239

like you know when you found a nice

2077

01:17:18,630 --> 01:17:17,440

house or a nice person or a nice friend

2078

01:17:21,110 --> 01:17:18,640

in fact

2079

01:17:23,189 --> 01:17:21,120

yeah you just know it's good feeling

2080

01:17:24,229 --> 01:17:23,199

yeah that makes sense yeah

2081

01:17:26,470 --> 01:17:24,239

and i just

2082

01:17:28,310 --> 01:17:26,480

i feel happy when i visit there it's

2083

01:17:30,550 --> 01:17:28,320

like a 40 minutes in the car because i

2084

01:17:32,790 --> 01:17:30,560

live up there blackpool airport and it's

2085

01:17:35,110 --> 01:17:32,800

just like i like visiting and i like

2086

01:17:37,430 --> 01:17:35,120

sort of exploring and thinking

2087

01:17:40,229 --> 01:17:37,440

wow that was pakistan abbey when we sort

2088

01:17:42,149 --> 01:17:40,239

of stood inside it and what he'd done it

2089

01:17:44,229 --> 01:17:42,159

sort of put little markers

2090

01:17:47,270 --> 01:17:44,239

where things had eroded and he says you

2091

01:17:49,590 --> 01:17:47,280

know this floor used to dumb yes

2092

01:17:50,550 --> 01:17:49,600

dead bodies under here

2093

01:17:52,470 --> 01:17:50,560

also

2094

01:17:55,270 --> 01:17:52,480

has he got any sort of history of ghosts

2095

01:17:59,189 --> 01:17:55,280

or anything there do you know oh

2096

01:18:01,110 --> 01:17:59,199

monks it's going back to monks again

2097

01:18:03,430 --> 01:18:01,120

but again that's something i definitely

2098

01:18:05,110 --> 01:18:03,440

want to revisit and you know through my

2099

01:18:06,950 --> 01:18:05,120

other history related friends day as

2100

01:18:08,790 --> 01:18:06,960

well so we've got things planned that we

2101
01:18:11,669 --> 01:18:08,800
can research and we've found we've got

2102
01:18:12,950 --> 01:18:11,679
access to a historical society called

2103
01:18:14,550 --> 01:18:12,960
piling

2104
01:18:15,830 --> 01:18:14,560
which is a little village beautiful

2105
01:18:17,110 --> 01:18:15,840
little village

2106
01:18:20,790 --> 01:18:17,120
and

2107
01:18:22,149 --> 01:18:20,800
they want us to be the librarians

2108
01:18:24,229 --> 01:18:22,159
i love books

2109
01:18:26,790 --> 01:18:24,239
so myself and my friend rochelle were

2110
01:18:28,390 --> 01:18:26,800
absolutely delighted because he sort of

2111
01:18:30,390 --> 01:18:28,400
opened this cupboard this is the

2112
01:18:31,350 --> 01:18:30,400
gentleman bob who's got the key for the

2113
01:18:33,350 --> 01:18:31,360

abby

2114

01:18:34,550 --> 01:18:33,360

or what's left of it anyway do you think

2115

01:18:36,709 --> 01:18:34,560

you're going to have fun looking through

2116

01:18:38,950 --> 01:18:36,719

this well my eyes lit

2117

01:18:41,110 --> 01:18:38,960

michelle's eyes lit up because you know

2118

01:18:42,940 --> 01:18:41,120

sometimes when you've seen something but

2119

01:18:44,149 --> 01:18:42,950

you've never been able to buy a book

2120

01:18:47,030 --> 01:18:44,159

[Music]

2121

01:18:48,790 --> 01:18:47,040

sasha might appreciate this more but

2122

01:18:49,990 --> 01:18:48,800

you know what i mean you you know when

2123

01:18:53,189 --> 01:18:50,000

you have it in your hand and you're like

2124

01:18:55,030 --> 01:18:53,199

what are the contents yeah

2125

01:18:57,350 --> 01:18:55,040

that i'm looking forward to because i

2126

01:19:00,390 --> 01:18:57,360

saw little sneaky bits and i was like

2127

01:19:02,310 --> 01:19:00,400

did you see yes

2128

01:19:04,550 --> 01:19:02,320

why are you getting excited about books

2129

01:19:05,830 --> 01:19:04,560

it's knowledge

2130

01:19:07,430 --> 01:19:05,840

i'll tell you

2131

01:19:09,510 --> 01:19:07,440

talk about old books i've bought

2132

01:19:11,510 --> 01:19:09,520

collections of the old books that you

2133

01:19:13,030 --> 01:19:11,520

could never buy as books usually cost

2134

01:19:15,350 --> 01:19:13,040

you a fortune but you can get a lot of

2135

01:19:16,790 --> 01:19:15,360

digital collections of these things

2136

01:19:18,870 --> 01:19:16,800

on your computer

2137

01:19:20,950 --> 01:19:18,880

i've got a few hundred books like um

2138

01:19:23,669 --> 01:19:20,960

like the old paranormals and ghost books

2139

01:19:25,510 --> 01:19:23,679

and hauntings and all sorts of different

2140

01:19:27,110 --> 01:19:25,520

subjects and they're really amazing you

2141

01:19:28,709 --> 01:19:27,120

know you've got a lot of photographs of

2142

01:19:30,870 --> 01:19:28,719

the old books and you can just sort of

2143

01:19:33,030 --> 01:19:30,880

flick through them uh obviously it's not

2144

01:19:34,630 --> 01:19:33,040

like having a book in your hands but

2145

01:19:37,590 --> 01:19:34,640

you'd never like i say you'd never be

2146

01:19:39,669 --> 01:19:37,600

able to own those books anyway

2147

01:19:42,149 --> 01:19:39,679

some i think sometimes it's no way you

2148

01:19:44,149 --> 01:19:42,159

can buy no no

2149

01:19:46,709 --> 01:19:44,159

i'm very lucky in that respect i've got

2150

01:19:48,070 --> 01:19:46,719

a friend called bob bob the book bob the

2151
01:19:49,750 --> 01:19:48,080
booker

2152
01:19:54,149 --> 01:19:49,760
bob the book guy but he used to be a

2153
01:19:58,709 --> 01:19:56,709
bob the bobby uh bob dobson and he's got

2154
01:20:00,790 --> 01:19:58,719
this warehouse and again a village

2155
01:20:02,470 --> 01:20:00,800
called staining this time and he said

2156
01:20:04,950 --> 01:20:02,480
come and see my storage unit there was

2157
01:20:09,590 --> 01:20:04,960
me expecting like a chef oh no

2158
01:20:12,870 --> 01:20:11,270
um

2159
01:20:14,950 --> 01:20:12,880
it was just absolutely fantastic do you

2160
01:20:16,870 --> 01:20:14,960
remember when you got the really old

2161
01:20:18,709 --> 01:20:16,880
newspapers and you know you could you

2162
01:20:20,229 --> 01:20:18,719
could hide under them yeah that they

2163
01:20:21,430 --> 01:20:20,239

were massive

2164

01:20:23,830 --> 01:20:21,440

um

2165

01:20:26,390 --> 01:20:23,840

they used to do books for sort of the

2166

01:20:29,510 --> 01:20:26,400

falcos and he says i thought you might

2167

01:20:33,350 --> 01:20:29,520

like these and i was just my eyes lit up

2168

01:20:34,229 --> 01:20:33,360

the earliest one i've got is from 1887.

2169

01:20:36,390 --> 01:20:34,239

wow

2170

01:20:38,149 --> 01:20:36,400

and it's just this old book from like

2171

01:20:40,070 --> 01:20:38,159

you know january the first to the end of

2172

01:20:42,550 --> 01:20:40,080

it and it was just like reading and it

2173

01:20:45,830 --> 01:20:42,560

was so eloquently written the news

2174

01:20:47,270 --> 01:20:45,840

reports not like today yeah it was to me

2175

01:20:48,870 --> 01:20:47,280

i like to read things like that because

2176
01:20:49,750 --> 01:20:48,880
that's where you get the good history

2177
01:20:52,550 --> 01:20:49,760
from

2178
01:20:56,470 --> 01:20:52,560
it's like something that um

2179
01:20:57,669 --> 01:20:56,480
oh mike i forgot to say that uh mike

2180
01:20:58,950 --> 01:20:57,679
you know

2181
01:21:00,870 --> 01:20:58,960
but he was like

2182
01:21:02,709 --> 01:21:00,880
try and access libraries try and access

2183
01:21:04,790 --> 01:21:02,719
books if you can get all of them because

2184
01:21:06,629 --> 01:21:04,800
when i sort of bought them they're like

2185
01:21:09,430 --> 01:21:06,639
i've got five

2186
01:21:11,430 --> 01:21:09,440
there were 50 credit and it was like

2187
01:21:13,110 --> 01:21:11,440
and somebody actually said you paid 50

2188
01:21:15,189 --> 01:21:13,120

quid for that and i went trust me

2189

01:21:17,510 --> 01:21:15,199

they're worth more than 50 quid yeah

2190

01:21:19,669 --> 01:21:17,520

well no no no not in a monetary i'm i

2191

01:21:21,910 --> 01:21:19,679

was very lucky that i had the money to

2192

01:21:22,629 --> 01:21:21,920

do that not everybody does

2193

01:21:25,590 --> 01:21:22,639

so

2194

01:21:27,270 --> 01:21:25,600

michelle isn't as

2195

01:21:29,750 --> 01:21:27,280

i will buy things for her because i'm

2196

01:21:31,590 --> 01:21:29,760

sneaky and i'll go oh i got you this and

2197

01:21:32,870 --> 01:21:31,600

she's like will you stop it and i said

2198

01:21:35,750 --> 01:21:32,880

yeah but

2199

01:21:38,709 --> 01:21:35,760

i can't take it with me come on no i

2200

01:21:40,709 --> 01:21:38,719

like trying to it's just

2201

01:21:43,350 --> 01:21:40,719

somebody i can talk to and go

2202

01:21:45,910 --> 01:21:43,360

look

2203

01:21:47,750 --> 01:21:45,920

we've read something about pin fold that

2204

01:21:48,629 --> 01:21:47,760

was haunted

2205

01:21:50,149 --> 01:21:48,639

and

2206

01:21:50,950 --> 01:21:50,159

we were trying to say where the hell is

2207

01:21:59,350 --> 01:21:50,960

it

2208

01:22:01,430 --> 01:21:59,360

know when you start piecing everything

2209

01:22:03,270 --> 01:22:01,440

together and you get oh yeah again you

2210

01:22:05,910 --> 01:22:03,280

can hear the tone of my voice i sound

2211

01:22:13,590 --> 01:22:05,920

like an excited idiot but

2212

01:22:17,510 --> 01:22:15,430

i think it's around about 1900 it's

2213

01:22:18,870 --> 01:22:17,520

about the the great plague it's all

2214

01:22:22,229 --> 01:22:18,880

about i'll pick it up at a boat sale

2215

01:22:26,390 --> 01:22:23,830

show that boot cell you came to us with

2216

01:22:27,590 --> 01:22:26,400

that sasha oh that um

2217

01:22:29,350 --> 01:22:27,600

yeah there's a nice little boot cell

2218

01:22:31,189 --> 01:22:29,360

wasn't it that one

2219

01:22:33,830 --> 01:22:31,199

yeah yeah

2220

01:22:35,669 --> 01:22:33,840

it was a good one

2221

01:22:37,510 --> 01:22:35,679

because you picked up a pestle and

2222

01:22:39,990 --> 01:22:37,520

mortar was it there i think there's like

2223

01:22:42,470 --> 01:22:40,000

an old uh yeah

2224

01:22:44,149 --> 01:22:42,480

and some and a bomb bracelet

2225

01:22:45,669 --> 01:22:44,159

that's right yeah yeah

2226

01:22:47,350 --> 01:22:45,679

yeah any unusual things there didn't

2227

01:22:49,430 --> 01:22:47,360

they

2228

01:22:51,669 --> 01:22:49,440

i thought nobody did that boot cell now

2229

01:22:54,229 --> 01:22:51,679

it's the same anyway

2230

01:22:55,750 --> 01:22:54,239

won't go through more boot sales now but

2231

01:22:57,189 --> 01:22:55,760

because having we have to walk the dogs

2232

01:22:59,030 --> 01:22:57,199

in the morning so we don't get a chance

2233

01:23:01,910 --> 01:22:59,040

to go to them now so it's uh because

2234

01:23:04,470 --> 01:23:01,920

that was a that was a lazy bones one

2235

01:23:05,990 --> 01:23:04,480

um for our international this is that

2236

01:23:09,910 --> 01:23:06,000

means people that can't get our bed

2237

01:23:13,430 --> 01:23:11,910

which is which is usually us

2238

01:23:14,709 --> 01:23:13,440

now i think this one started about 11

2239

01:23:18,229 --> 01:23:14,719

o'clock in the morning which is just

2240

01:23:21,510 --> 01:23:19,910

yeah i'll tell you what one more little

2241

01:23:22,470 --> 01:23:21,520

question before we before we wind up

2242

01:23:24,149 --> 01:23:22,480

what's up

2243

01:23:26,550 --> 01:23:24,159

we i definitely brought this this up

2244

01:23:29,110 --> 01:23:26,560

before but i've never talked about some

2245

01:23:30,550 --> 01:23:29,120

vampires on this show very much and i

2246

01:23:31,910 --> 01:23:30,560

always thought that would be one of the

2247

01:23:33,830 --> 01:23:31,920

big subjects that people would want to

2248

01:23:36,709 --> 01:23:33,840

talk about or someone would talk about

2249

01:23:40,310 --> 01:23:36,719

but it never seems to come up

2250

01:23:45,430 --> 01:23:42,870

on vampires yeah well

2251

01:23:47,270 --> 01:23:45,440

i think there are people who can

2252

01:23:49,350 --> 01:23:47,280

literally zap your energy

2253

01:23:51,110 --> 01:23:49,360

but as far as like

2254

01:23:53,590 --> 01:23:51,120

people turning into bats and drinking

2255

01:23:55,669 --> 01:23:53,600

blood and all uh

2256

01:23:58,310 --> 01:23:55,679

people can't drink blood we it's not

2257

01:24:00,950 --> 01:23:58,320

very good for us we just throw it up

2258

01:24:02,470 --> 01:24:00,960

so i don't really believe in vampires

2259

01:24:05,750 --> 01:24:02,480

but i know that people get into that

2260

01:24:07,350 --> 01:24:05,760

vampire archetypal vibe and

2261

01:24:09,669 --> 01:24:07,360

you know

2262

01:24:11,669 --> 01:24:09,679

do strange stuff with each other

2263

01:24:15,110 --> 01:24:11,679

yeah i know

2264

01:24:17,030 --> 01:24:15,120

but now um i've i don't know you need to

2265

01:24:19,430 --> 01:24:17,040

talk to the assat block they talk about

2266

01:24:21,510 --> 01:24:19,440

vampires and werewolves a lot but

2267

01:24:22,709 --> 01:24:21,520

it's not really something that i spent

2268

01:24:24,310 --> 01:24:22,719

any time

2269

01:24:25,750 --> 01:24:24,320

you know what i mean when i first

2270

01:24:27,590 --> 01:24:25,760

started doing this show i thought it

2271

01:24:28,950 --> 01:24:27,600

would be one of those things that would

2272

01:24:31,830 --> 01:24:28,960

come up a lot but it sort of doesn't

2273

01:24:34,709 --> 01:24:31,840

come out much at all you know

2274

01:24:35,750 --> 01:24:34,719

apart from when i mentioned it

2275

01:24:41,350 --> 01:24:35,760

yeah

2276

01:24:43,270 --> 01:24:41,360

have you any experiences of van pastual

2277

01:24:44,470 --> 01:24:43,280

yet

2278

01:24:56,470 --> 01:24:44,480

i

2279

01:24:59,830 --> 01:24:56,480

them has passed away

2280

01:25:02,070 --> 01:24:59,840

and the other one is called shaun

2281

01:25:04,229 --> 01:25:02,080

manchester

2282

01:25:05,990 --> 01:25:04,239

yeah is this really good about

2283

01:25:10,149 --> 01:25:06,000

um

2284

01:25:11,990 --> 01:25:10,159

sean had a very big beef with david and

2285

01:25:13,830 --> 01:25:12,000

i can't remember his surname do forgive

2286

01:25:14,709 --> 01:25:13,840

me um

2287

01:25:18,070 --> 01:25:14,719

and

2288

01:25:19,510 --> 01:25:18,080

the tv people have made a program about

2289

01:25:21,590 --> 01:25:19,520

her and i thought oh i'm gonna have to

2290

01:25:22,790 --> 01:25:21,600

i'm gonna have to watch that it looks

2291

01:25:24,709 --> 01:25:22,800

interesting

2292

01:25:26,870 --> 01:25:24,719

but donna is the guy you want to talk to

2293

01:25:28,390 --> 01:25:26,880

about all that yeah

2294

01:25:30,709 --> 01:25:28,400

and i just thought

2295

01:25:32,470 --> 01:25:30,719

it just sort of reading through the ins

2296

01:25:35,510 --> 01:25:32,480

and outs and everything and it just

2297

01:25:38,070 --> 01:25:35,520

escalated into just like whoa it was

2298

01:25:46,149 --> 01:25:38,080

just background manchester he's he talks

2299

01:25:50,870 --> 01:25:48,790

a fiction fictional book that he wrote

2300

01:25:52,070 --> 01:25:50,880

and he knows all about the highgate

2301

01:25:53,750 --> 01:25:52,080

stuff and he knows all about this

2302

01:25:56,390 --> 01:25:53,760

nonsense if you want to know what all

2303

01:25:58,310 --> 01:25:56,400

the real deal stuff talk to donaire

2304

01:26:00,629 --> 01:25:58,320

i'll tell you okay

2305

01:26:01,910 --> 01:26:00,639

it just struck me as quite

2306

01:26:03,590 --> 01:26:01,920

it

2307

01:26:06,390 --> 01:26:03,600

i don't know the inside you know but i

2308

01:26:08,149 --> 01:26:06,400

just i was reading like oh my god you

2309

01:26:10,149 --> 01:26:08,159

know you can imagine this play being

2310

01:26:12,790 --> 01:26:10,159

played out if facebook had existed back

2311

01:26:14,629 --> 01:26:12,800

in the 70s it would have been horrific

2312

01:26:15,910 --> 01:26:14,639

absolutely horrific but i like something

2313

01:26:17,990 --> 01:26:15,920

you just mentioned

2314

01:26:19,990 --> 01:26:18,000

there are people out there who are

2315

01:26:21,189 --> 01:26:20,000

emotional vampires who suck and yeah

2316

01:26:22,950 --> 01:26:21,199

that's true

2317

01:26:25,030 --> 01:26:22,960

they do

2318

01:26:27,830 --> 01:26:25,040

i know you've experienced etc on on

2319

01:26:29,030 --> 01:26:27,840

facebook and everything you do get you

2320

01:26:30,310 --> 01:26:29,040

your um

2321

01:26:32,070 --> 01:26:30,320

i don't know whole character

2322

01:26:33,830 --> 01:26:32,080

assassination it's like it's like a

2323

01:26:37,110 --> 01:26:33,840

vampire isn't it really

2324

01:26:38,790 --> 01:26:37,120

that sort of attacks you and uh can

2325

01:26:41,430 --> 01:26:38,800

drain you i know

2326

01:26:43,270 --> 01:26:41,440

but um i actually was doing a paranormal

2327

01:26:45,350 --> 01:26:43,280

investigation with somebody who was like

2328

01:26:47,189 --> 01:26:45,360

a sinkhole

2329

01:26:49,669 --> 01:26:47,199

i don't think they were like purposely

2330

01:26:50,709 --> 01:26:49,679

vampirism but they were just like a pit

2331

01:26:53,110 --> 01:26:50,719

where all

2332

01:26:55,830 --> 01:26:53,120

nothing could fill this person

2333

01:26:58,470 --> 01:26:55,840

it was every time i walked there i felt

2334

01:26:59,830 --> 01:26:58,480

so ill like and

2335

01:27:03,189 --> 01:26:59,840

we were

2336

01:27:05,750 --> 01:27:03,199

and

2337

01:27:06,870 --> 01:27:05,760

stuff going on two of us in the cellar

2338

01:27:09,590 --> 01:27:06,880

in this pub

2339

01:27:11,669 --> 01:27:09,600

and it literally was kicking off

2340

01:27:13,270 --> 01:27:11,679

and this guy made us all stop and sit

2341

01:27:17,750 --> 01:27:13,280

around in the circle so he could pretend

2342

01:27:21,030 --> 01:27:19,669

all absolutely this is just i can't do

2343

01:27:24,390 --> 01:27:21,040

it anymore i can't honestly do it

2344

01:27:26,629 --> 01:27:24,400

anymore it's all so fake

2345

01:27:28,470 --> 01:27:26,639

but yeah that guy he's like a he's like

2346

01:27:31,430 --> 01:27:28,480

a vampire but i don't think he knows

2347

01:27:33,110 --> 01:27:31,440

that he's just a single

2348

01:27:35,270 --> 01:27:33,120

hmm

2349

01:27:36,870 --> 01:27:35,280

was all the energy out of you you just

2350

01:27:38,390 --> 01:27:36,880

wanted to lie down on the floor and god

2351

01:27:40,390 --> 01:27:38,400

says yeah i do i don't know the top

2352

01:27:44,709 --> 01:27:40,400

person you mean

2353

01:27:49,990 --> 01:27:47,510

yeah well okay right on on that note i

2354

01:27:51,910 --> 01:27:50,000

guess um we can leave it there and

2355

01:27:57,030 --> 01:27:51,920

hopefully you'll enjoy

2356

01:28:01,910 --> 01:27:58,870

shattered all of a sudden yeah

2357

01:28:05,350 --> 01:28:03,669

yeah i've really enjoyed somebody this

2358

01:28:09,430 --> 01:28:05,360

just somebody must be dragging you down

2359

01:28:10,790 --> 01:28:09,440

now i feel psychically that's me yeah me

2360

01:28:11,750 --> 01:28:10,800

i know you weren't feeling too good but

2361

01:28:13,430 --> 01:28:11,760

i know you

2362

01:28:15,189 --> 01:28:13,440

it's very well just yeah yeah she wasn't

2363

01:28:17,990 --> 01:28:15,199

feeling too good but she's she's braved

2364

01:28:21,590 --> 01:28:18,000

it through so

2365

01:28:24,070 --> 01:28:21,600

go through the show yeah as always

2366

01:28:26,390 --> 01:28:24,080

no thank you thank you i've got things i

2367

01:28:28,550 --> 01:28:26,400

can take away here and sort of dig into

2368

01:28:29,669 --> 01:28:28,560

as well thank you no much it's been

2369

01:28:32,470 --> 01:28:29,679

great

2370

01:28:35,110 --> 01:28:32,480

like this it's my favorite things this

2371

01:28:37,270 --> 01:28:35,120

was paranormal truth too

2372

01:28:38,470 --> 01:28:37,280

no doubt we'll have a paranormal truth

2373

01:28:39,510 --> 01:28:38,480

number three

2374

01:28:40,629 --> 01:28:39,520

probably

2375

01:28:41,669 --> 01:28:40,639

about the middle of next year or

2376

01:28:43,750 --> 01:28:41,679

something

2377

01:28:45,350 --> 01:28:43,760

and um see what we'll see what other

2378

01:28:46,950 --> 01:28:45,360

subjects we've got a few things coming

2379

01:28:50,950 --> 01:28:46,960

up won't be such a like

2380

01:28:53,270 --> 01:28:50,960

with with the initial cg cg coming up in

2381

01:28:54,310 --> 01:28:53,280

december so no doubt there'll be a few

2382

01:28:58,229 --> 01:28:54,320

things

2383

01:29:04,550 --> 01:29:00,550

with it today so no i'll remember later

2384

01:29:10,070 --> 01:29:07,430

it's got a green in it

2385

01:29:12,550 --> 01:29:10,080

oh oh guys yeah yeah we got that coming

2386

01:29:16,390 --> 01:29:12,560

up quite a bit later on so

2387

01:29:22,830 --> 01:29:19,350

you're out as subtle as a brick

2388

01:29:27,590 --> 01:29:25,669

yeah now like whatever it's been going

2389

01:29:30,229 --> 01:29:27,600

to come out forever it's coming out on

2390

01:29:31,910 --> 01:29:30,239

the day that in the anniversary of when

2391

01:29:34,629 --> 01:29:31,920

nothing happened

2392

01:29:36,790 --> 01:29:34,639

uh yeah and none of the

2393

01:29:38,790 --> 01:29:36,800

witnesses want anything to do with it

2394

01:29:40,709 --> 01:29:38,800

like you know it was four years in the

2395

01:29:42,790 --> 01:29:40,719

making wasn't it

2396

01:29:44,950 --> 01:29:42,800

yeah birthday all that look mind you

2397

01:29:47,590 --> 01:29:44,960

busty might have uh answered a few

2398

01:29:50,390 --> 01:29:47,600

questions but anyway

2399

01:29:53,430 --> 01:29:50,400

yeah i hope i hope it's a success i hope

2400

01:29:55,270 --> 01:29:53,440

it's an absolute blinder of a success

2401
01:29:56,950 --> 01:29:55,280
and that millions of people worldwide

2402
01:29:59,110 --> 01:29:56,960
see it and then they all go to the

2403
01:30:00,709 --> 01:29:59,120
internet and then they find my blog and

2404
01:30:01,750 --> 01:30:00,719
they realize what a [h__\h]

2405
01:30:05,830 --> 01:30:01,760
well

2406
01:30:07,990 --> 01:30:05,840
sasha the bigger that gets the bigger

2407
01:30:09,430 --> 01:30:08,000
the exposure

2408
01:30:11,350 --> 01:30:09,440
yeah so

2409
01:30:12,629 --> 01:30:11,360
but anyway yeah we shall wait and see

2410
01:30:15,189 --> 01:30:12,639
all of you

2411
01:30:21,270 --> 01:30:15,199
in all of new york is waiting oh my god

2412
01:30:26,390 --> 01:30:23,189
there's a few people whose names would

2413
01:30:28,390 --> 01:30:26,400

make your eyebrows literally flooded

2414

01:30:29,990 --> 01:30:28,400

and we've been waiting

2415

01:30:31,990 --> 01:30:30,000

i know i'll be waiting for her yeah it

2416

01:30:34,229 --> 01:30:32,000

seems like forever

2417

01:30:36,310 --> 01:30:34,239

that it's not you know i mean he's he's

2418

01:30:37,590 --> 01:30:36,320

made so many lies so much for the whole

2419

01:30:39,189 --> 01:30:37,600

so much that we're supposed to be scared

2420

01:30:40,629 --> 01:30:39,199

of it coming out oh i can't wait for it

2421

01:30:42,070 --> 01:30:40,639

to come out

2422

01:30:43,830 --> 01:30:42,080

are we are we supposed to be scared of

2423

01:30:45,350 --> 01:30:43,840

it apparently yeah we're probably

2424

01:30:57,669 --> 01:30:45,360

frightened of all the all the things

2425

01:31:01,830 --> 01:30:59,830

become clearer later in the year but

2426
01:31:04,310 --> 01:31:01,840
yeah we can't really do a show about it

2427
01:31:05,990 --> 01:31:04,320
no we can't but

2428
01:31:08,070 --> 01:31:06,000
until it comes out then maybe we can do

2429
01:31:09,350 --> 01:31:08,080
an expose about it because it's because

2430
01:31:11,750 --> 01:31:09,360
it's out there and it's in the public

2431
01:31:13,830 --> 01:31:11,760
domain so

2432
01:31:15,270 --> 01:31:13,840
it's not worth it for other people

2433
01:31:17,750 --> 01:31:15,280
around us

2434
01:31:20,149 --> 01:31:17,760
but um anyway we'll leave it there and

2435
01:31:21,590 --> 01:31:20,159
thank you again sasha and juliette for

2436
01:31:23,830 --> 01:31:21,600
coming on

2437
01:31:26,229 --> 01:31:23,840
yeah and uh no doubt as i say there'll

2438
01:31:27,270 --> 01:31:26,239

be a paranormal truth number three later

2439

01:31:28,390 --> 01:31:27,280

on

2440

01:31:31,270 --> 01:31:28,400

but

2441

01:31:33,189 --> 01:31:31,280

anyway enjoy halloween

2442

01:31:34,709 --> 01:31:33,199

oh well it's my birthday i was born on

2443

01:31:36,470 --> 01:31:34,719

the day of the day all right yeah i

2444

01:31:37,910 --> 01:31:36,480

remember that's right we'll go go out

2445

01:31:41,990 --> 01:31:37,920

and do a bit haunting on that night and

2446

01:31:45,990 --> 01:31:43,430

he should have been born on halloween

2447

01:31:47,750 --> 01:31:46,000

but he was born on the 30th so

2448

01:31:50,390 --> 01:31:47,760

you're going to laugh at what i'm doing

2449

01:31:52,229 --> 01:31:50,400

it's kind of like i'm going to be going

2450

01:31:53,110 --> 01:31:52,239

to a book launch

2451

01:31:55,270 --> 01:31:53,120

sort of

2452

01:31:56,870 --> 01:31:55,280

near jingle hall oh yeah we didn't talk

2453

01:31:58,950 --> 01:31:56,880

about jingle bells just that was a witch

2454

01:32:00,390 --> 01:31:58,960

as well

2455

01:32:04,229 --> 01:32:00,400

i already look like one so i don't

2456

01:32:07,350 --> 01:32:06,310

let me broom out i can be myself for a

2457

01:32:25,030 --> 01:32:07,360

day

2458

01:32:28,790 --> 01:32:26,950

on the paranormal uk radio network i'm

2459

01:32:30,070 --> 01:32:28,800

david young hope you enjoyed that and i

2460

01:32:41,590 --> 01:32:30,080

hope you'll join me again next week

2461

01:32:47,510 --> 01:32:44,149

listen to them

2462

01:32:50,010 --> 01:32:47,520

children of the night

2463

01:32:58,840 --> 01:32:50,020

what music they

2464

01:33:48,870 --> 01:33:42,830

[Music]

2465

01:33:53,350 --> 01:33:50,870

paranormal dimensions is a regular
