LEFT AT EAST GATE

A FIRST HAND ACCOUNT OF THE
RENDLESHAM FOREST
UFO INCIDENT,
ITS COVER-UP, AND INVESTIGATION

MINISTRY OF DEFENCE
(AIR)

THIS IS A PROHIBITED PLACE WITHIN
THE MEANING OF THE OFFICIAL SECRETS ACT.
UNAUTHORIZED PERSONS ENTERING THE
AREA MAY BE ARRESTED AND PROSECUTED.

BY LARRY WARREN
& PETER ROBBINS

WITH A FOREWORD BY BUDD HOPKINS

1
00:00:22,179 --> 00:00:19,900
got a bit touchy like nobody goes low II

2
00:00:24,670 --> 00:00:22,189
was born in New York City you grew up in

3
00:00:28,089 --> 00:00:24,680
New York State we enlisted in the United

4
00:00:33,850 --> 00:00:28,099
States Air Force in 1979 and received

5
00:00:35,530 --> 00:00:33,860
his honorable discharge in 1981 while

6
00:00:38,740 --> 00:00:35,540
it's a to the University of Connecticut

7
00:00:51,100 --> 00:00:38,750
Connecticut school of broadcasting in

8
00:00:54,150 --> 00:00:51,110
media studies 1980s had the honor of

9
00:00:58,170 --> 00:00:54,160
working with the Loomis rock and blues

10
00:01:01,479 --> 00:00:58,180
luminaires in a public relations

11
00:01:04,029 --> 00:01:01,489
capacity including Stevie Ray Vaughan

12
00:01:10,980 --> 00:01:04,039
Wow great photographs of him the Stevie

13
00:01:24,609 --> 00:01:17,490

the band Pink Floyd Johnny Winter yeah

14

00:01:26,320 --> 00:01:24,619

the rock man dr. John I'm Miles Davis so

15

00:01:29,529 --> 00:01:26,330

I'll tell you a story about during this

16

00:01:32,339 --> 00:01:29,539

talk he's also wear it to the different

17

00:01:35,949 --> 00:01:32,349

capacities in radio and television and

18

00:01:38,770 --> 00:01:35,959

is a musician and self trade artists all

19

00:01:44,770 --> 00:01:38,780

these paintings really see if anybody

20

00:01:47,940 --> 00:01:44,780

seen lie became first the first at

21

00:01:50,559 --> 00:01:47,950

Bentwaters UFO witnesses to go public in

22

00:01:55,900 --> 00:01:50,569

1983 have you remember it very well I

23

00:01:59,050 --> 00:01:55,910

was very shocked and was others once and

24

00:02:02,710 --> 00:01:59,060

was one of 20 military witnesses to

25

00:02:04,570 --> 00:02:02,720

testify in a disclosure project in 2001

26
00:02:07,930 --> 00:02:04,580
at the National Press Club in Washington

27
00:02:10,449 --> 00:02:07,940
DC which is when she can't find a thing

28
00:02:12,430 --> 00:02:10,459
is still upon YouTube it's on YouTube

29
00:02:13,720 --> 00:02:12,440
you can see it definitely watch it tell

30
00:02:14,830 --> 00:02:13,730
you about that today

31
00:02:17,380 --> 00:02:14,840
really

32
00:02:19,960 --> 00:02:17,390
he told his stories a television radio

33
00:02:23,460 --> 00:02:19,970
worldwide as a whistleblower in the

34
00:02:27,520 --> 00:02:23,470
sense of speaking including CNN the BBC

35
00:02:31,360 --> 00:02:27,530
Nippon television television guy man

36
00:02:34,330 --> 00:02:31,370
cast their Entertainment Tonight Sky TV

37
00:02:36,520 --> 00:02:34,340
and the Sci Fi Channel and probably many

38
00:02:36,850 --> 00:02:36,530

more otherwise his bio born and on and

39

00:02:42,850 --> 00:02:36,860

on

40

00:02:45,670 --> 00:02:42,860

activist for UFO disclosure and military

41

00:02:48,880 --> 00:02:45,680

witnesses rights which is a very

42

00:02:51,250 --> 00:02:48,890

important issue and of course he lives

43

00:03:01,030 --> 00:02:51,260

in our wonderful country so please give

44

00:03:03,009 --> 00:03:01,040

a good warm welcome to thanks her coming

45

00:03:05,080 --> 00:03:03,019

for you guys Russ thanks for putting on

46

00:03:08,920 --> 00:03:05,090

a great day yesterday I've enjoyed it

47

00:03:11,170 --> 00:03:08,930

I've enjoyed the speaker's brilliant

48

00:03:14,470 --> 00:03:11,180

talk the lady that was she still

49

00:03:16,809 --> 00:03:14,480

Hitchcock and she was good and rusty I

50

00:03:17,350 --> 00:03:16,819

learned more about the Berlin thing than

51
00:03:19,330 --> 00:03:17,360
I ever knew

52
00:03:21,430 --> 00:03:19,340
and it's good to see some friends from

53
00:03:24,130 --> 00:03:21,440
down south and up north and points east

54
00:03:26,140 --> 00:03:24,140
and west and some new friends and you

55
00:03:27,819 --> 00:03:26,150
know what who needs to be here or here

56
00:03:33,460 --> 00:03:27,829
and that's it's not about the capacity

57
00:03:35,830 --> 00:03:33,470
of the room I am NOT technologically

58
00:03:38,500 --> 00:03:35,840
good forget that bio I mean it's like

59
00:03:40,690 --> 00:03:38,510
outdated kind of thing and that none of

60
00:03:41,740 --> 00:03:40,700
these things existed but so what I'm

61
00:03:44,229 --> 00:03:41,750
going to do is try to give you some

62
00:03:47,879 --> 00:03:44,239
visuals I am NOT a researcher I'm a

63
00:03:50,559 --> 00:03:47,889

missile or I'm a guy I'm a witness and I

64

00:03:52,900 --> 00:03:50,569

quite by accident ended up in this role

65

00:03:55,449 --> 00:03:52,910

and tend to stay in it because I've seen

66

00:04:00,340 --> 00:03:55,459

what I and others live through get

67

00:04:03,670 --> 00:04:00,350

rewritten quite aggressively even with

68

00:04:06,039 --> 00:04:03,680

the media with other participants some

69

00:04:07,660 --> 00:04:06,049

minority remember what I'm about to tell

70

00:04:10,629 --> 00:04:07,670

you about the majority of people that

71

00:04:12,069 --> 00:04:10,639

lived it every man silent reason being

72

00:04:19,449 --> 00:04:12,079

because I've seen what's happened to me

73

00:04:19,849 --> 00:04:19,459

and some others yeah okay you know you

74

00:04:23,679 --> 00:04:19,859

know

75

00:04:26,029 --> 00:04:23,689

yeah okay no we don't thank you for us

76

00:04:28,490 --> 00:04:26,039

as long as everyone gets that's good

77

00:04:33,439 --> 00:04:28,500

why eyes ain't that good rest so I need

78

00:04:35,689 --> 00:04:33,449

but just an inch I was 19 years old when

79

00:04:39,740 --> 00:04:35,699

this yeah that's great Russ thanks

80

00:04:42,200 --> 00:04:39,750

thanks buddy I put him on here I do

81

00:04:44,179 --> 00:04:42,210

things on my Facebook I put silly things

82

00:04:47,149 --> 00:04:44,189

I put I don't try to get through

83

00:04:48,589 --> 00:04:47,159

political I basically have facebook I

84

00:04:51,589 --> 00:04:48,599

have a mother with dementia I try to

85

00:04:55,820 --> 00:04:51,599

keep in touch with my sister though

86

00:04:58,850 --> 00:04:55,830

because of the role I got cast in years

87

00:05:00,800 --> 00:04:58,860

ago I you know I'm known for whatever

88

00:05:03,740 --> 00:05:00,810

but in real life I'm a regular working

89

00:05:05,089 --> 00:05:03,750

stiff anyone if you know me it's nothing

90

00:05:07,969 --> 00:05:05,099

special about me

91

00:05:10,369 --> 00:05:07,979

I try to be a good father and friend and

92

00:05:13,399 --> 00:05:10,379

all that crap but I really I'm a regular

93

00:05:15,649 --> 00:05:13,409

guy I'm nothing like I've seen other

94

00:05:18,559 --> 00:05:15,659

people act like in the world and this

95

00:05:21,170 --> 00:05:18,569

stuff but I love this phrase I love this

96

00:05:23,959 --> 00:05:21,180

man I when I drank I drank with him once

97

00:05:25,999 --> 00:05:23,969

when he drank still at the improv in New

98

00:05:28,640 --> 00:05:26,009

York years ago I was very lucky like

99

00:05:30,800 --> 00:05:28,650

Steve read my bio my co-author Peter

100

00:05:32,450 --> 00:05:30,810

Robbins were both from an entertainment

101

00:05:36,499 --> 00:05:32,460

background believe it or not

102

00:05:39,350 --> 00:05:36,509

and though I'm known for this very the

103

00:05:41,899 --> 00:05:39,360

big ugly I call it Rendlesham right but

104

00:05:43,879 --> 00:05:41,909

I have a whole other life that I lived I

105

00:05:47,930 --> 00:05:43,889

worked for epic in Atlantic Records for

106

00:05:50,209 --> 00:05:47,940

20 years I co-signed the been called

107

00:05:51,740 --> 00:05:50,219

Metallica I got a huge half a million

108

00:05:54,409 --> 00:05:51,750

dollar fine Daffy with a friend of my

109

00:05:57,320 --> 00:05:54,419

rich Carlson as an hour guys that found

110

00:05:58,879 --> 00:05:57,330

and you know all kind of things but you

111

00:06:00,379 --> 00:05:58,889

know the music business is very

112

00:06:02,570 --> 00:06:00,389

difficult and there's a lot of

113

00:06:05,450 --> 00:06:02,580

temptations and half a million dollars

114

00:06:07,070 --> 00:06:05,460

you could blow literally in one night I

115

00:06:09,740 --> 00:06:07,080

mean it was bad news

116

00:06:12,469 --> 00:06:09,750

it was crazy on the road year-round and

117

00:06:15,499 --> 00:06:12,479

then doing this thing that I'm here for

118

00:06:17,740 --> 00:06:15,509

today and because it was important but

119

00:06:20,450 --> 00:06:17,750

also living with post-traumatic stress

120

00:06:21,980 --> 00:06:20,460

now when I anything I say about me you

121

00:06:24,409 --> 00:06:21,990

can't eyes it buy any of the red the

122

00:06:27,379 --> 00:06:24,419

Bentwaters the Rendlesham witnesses

123

00:06:30,559 --> 00:06:27,389

George Carlin was not one of them but I

124

00:06:32,690 --> 00:06:30,569

like how the man thinks he's a New

125

00:06:37,220 --> 00:06:32,700

Yorker like myself we're both from the

126
00:06:39,560 --> 00:06:37,230
originally and I missed this guy because

127
00:06:42,350 --> 00:06:39,570
you know he wasn't a comedian he was an

128
00:06:45,830 --> 00:06:42,360
observer and the older you get in life

129
00:06:47,750 --> 00:06:45,840
listen it's all about observing there's

130
00:06:51,260 --> 00:06:47,760
an I'm an American I've been in this

131
00:06:53,330 --> 00:06:51,270
country 16 years this time I am our

132
00:06:55,340 --> 00:06:53,340
Americans are no different than you or

133
00:06:57,200 --> 00:06:55,350
just spread out more we have the same

134
00:06:58,940 --> 00:06:57,210
problems we're not millionaires we don't

135
00:07:02,570 --> 00:06:58,950
eat hamburgers for business for

136
00:07:06,200 --> 00:07:02,580
breakfast we you know we we don't live

137
00:07:07,760 --> 00:07:06,210
like Kim Kardashian and all this thing

138
00:07:10,700 --> 00:07:07,770

that's happened in the world that's

139

00:07:14,960 --> 00:07:10,710

dumbing down our children not mine but

140

00:07:16,520 --> 00:07:14,970

and hopefully not yours but it's what

141

00:07:19,760 --> 00:07:16,530

they want they wanted just to see a

142

00:07:21,920 --> 00:07:19,770

stupidity and it just serves someone I

143

00:07:24,280 --> 00:07:21,930

love the arts of music and it is an

144

00:07:27,260 --> 00:07:24,290

escape from what I'm here for today and

145

00:07:29,090 --> 00:07:27,270

I live quite a bit outside this I don't

146

00:07:30,920 --> 00:07:29,100

see conferences if I get asked I know

147

00:07:34,610 --> 00:07:30,930

people it's usually excuse for me to

148

00:07:36,170 --> 00:07:34,620

revisit old friends and really that's

149

00:07:39,290 --> 00:07:36,180

how it is me it's just seeing old

150

00:07:41,540 --> 00:07:39,300

friends and you know it's and then

151
00:07:43,190 --> 00:07:41,550
meeting new people that like the couple

152
00:07:46,940 --> 00:07:43,200
back there we were talking with it you

153
00:07:48,710 --> 00:07:46,950
two nice people that this is new this

154
00:07:50,450 --> 00:07:48,720
subject not just Rendlesham my mate

155
00:07:53,120 --> 00:07:50,460
you've had some things you've seen and

156
00:07:54,650 --> 00:07:53,130
you're curious and you've come and I

157
00:07:57,110 --> 00:07:54,660
honor that I think that's really

158
00:07:59,570 --> 00:07:57,120
important so welcome you know let's get

159
00:08:03,530 --> 00:07:59,580
on with the show here in nineteen when I

160
00:08:10,310 --> 00:08:03,540
grew up when I was so young I could have

161
00:08:14,540 --> 00:08:10,320
seen that but no in 1921 and when I was

162
00:08:16,700 --> 00:08:14,550
kid I grew up regular kind of Ozzie and

163
00:08:18,980 --> 00:08:16,710

Harriet American kind of family i

164

00:08:20,820 --> 00:08:18,990

President Kennedy got killed I remember

165

00:08:22,800 --> 00:08:20,830

that and I remember

166

00:08:24,270 --> 00:08:22,810

my mother walking on the Christmas

167

00:08:26,640 --> 00:08:24,280

presents she was rapping was

168

00:08:28,830 --> 00:08:26,650

Thanksgiving and I'm I was eating lunch

169

00:08:30,689 --> 00:08:28,840

and I can remember this and obviously

170

00:08:32,610 --> 00:08:30,699

she was like a zombie stepping on

171

00:08:34,560 --> 00:08:32,620

Christmas present so I've a very what

172

00:08:36,089 --> 00:08:34,570

I'm and went to the front door and

173

00:08:39,300 --> 00:08:36,099

there's these two women pushing prams

174

00:08:40,680 --> 00:08:39,310

data straight and they said something

175

00:08:42,750 --> 00:08:40,690

and I just remember them running home

176

00:08:44,940 --> 00:08:42,760

and I remember my dad that's when men

177

00:08:46,860 --> 00:08:44,950

were that's like the gangster things you

178

00:08:49,889 --> 00:08:46,870

know still did that no seatbelts and

179

00:08:50,940 --> 00:08:49,899

cause them by the way well I'm making a

180

00:08:54,420 --> 00:08:50,950

point about this

181

00:08:59,460 --> 00:08:54,430

I have extraordinary recall for certain

182

00:09:01,920 --> 00:08:59,470

things bills and so I could remember

183

00:09:04,259 --> 00:09:01,930

that day and I you know after talking to

184

00:09:05,940 --> 00:09:04,269

my mother she actually was in shock as

185

00:09:09,360 --> 00:09:05,950

it said the president has been shot in

186

00:09:11,069 --> 00:09:09,370

Dallas and on the radio she walked out

187

00:09:13,199 --> 00:09:11,079

she was just in shock and it was the big

188

00:09:15,180 --> 00:09:13,209

deal and I do personally believe that

189

00:09:17,699 --> 00:09:15,190

was a coup d'etat my government was

190

00:09:19,710 --> 00:09:17,709

never the same in a sense that American

191

00:09:22,259 --> 00:09:19,720

Dream has never been the same since or

192

00:09:26,720 --> 00:09:22,269

the the even the ability to obtain it I

193

00:09:30,840 --> 00:09:26,730

think we have a similar problem here -

194

00:09:33,420 --> 00:09:30,850

power removed via bullets but anyway I

195

00:09:34,980 --> 00:09:33,430

have a great recall of things as a tried

196

00:09:36,960 --> 00:09:34,990

and not grew up in a family where the

197

00:09:39,600 --> 00:09:36,970

paranormal UFOs this and that I'm

198

00:09:42,329 --> 00:09:39,610

adopted I'm very proud to be at this

199

00:09:44,670 --> 00:09:42,339

book where is it this is not a UFO book

200

00:09:47,490 --> 00:09:44,680

so if you if you think it is a taint

201
00:09:51,150 --> 00:09:47,500
it's it's a story about really people

202
00:09:52,860 --> 00:09:51,160
and that threat runs through it and then

203
00:09:54,420 --> 00:09:52,870
it leaves it to you - I'm not trying to

204
00:09:56,850 --> 00:09:54,430
hawk books but it's and I appreciate

205
00:10:00,660 --> 00:09:56,860
everyone's gotten them and I'll tell you

206
00:10:03,750 --> 00:10:00,670
why I wrote it to me chicks yeah yeah

207
00:10:05,460 --> 00:10:03,760
I'll tell you why we did it I use you

208
00:10:07,680 --> 00:10:05,470
more you know because you know I'm not a

209
00:10:10,530 --> 00:10:07,690
lecturer I'm not a professional at all

210
00:10:12,660 --> 00:10:10,540
there's no profession of this you were

211
00:10:14,699 --> 00:10:12,670
fantastic and I rarely listen to other

212
00:10:19,019 --> 00:10:14,709
you really were I was like god damn I

213
00:10:22,949 --> 00:10:19,029

didn't know that okay good

214

00:10:24,990 --> 00:10:22,959

rush you were fantastic the funny thing

215

00:10:27,269 --> 00:10:25,000

is I in 1979

216

00:10:29,160 --> 00:10:27,279

what makes so ago it was not a popular

217

00:10:31,320 --> 00:10:29,170

time to

218

00:10:35,090 --> 00:10:31,330

we had Vietnam Saigon fell four years

219

00:10:37,650 --> 00:10:35,100

earlier and we had a thing where Iran

220

00:10:41,250 --> 00:10:37,660

the Revolutionary Guard raided our

221

00:10:43,350 --> 00:10:41,260

embassy the movie Argo portrays some

222

00:10:47,040 --> 00:10:43,360

version or another of that it's great

223

00:10:49,890 --> 00:10:47,050

movie even though they whatever they did

224

00:10:51,450 --> 00:10:49,900

was Hollywood but it was the catalyst to

225

00:10:53,100 --> 00:10:51,460

get me to go on the air force I was a

226

00:10:54,750 --> 00:10:53,110

musician I played in rock and roll bands

227

00:10:58,140 --> 00:10:54,760

as in high school wasn't a great student

228

00:11:00,380 --> 00:10:58,150

but kind of like my son but I went I was

229

00:11:02,910 --> 00:11:00,390

blessed to come to England

230

00:11:05,640 --> 00:11:02,920

as an exchange student down in Billerica

231

00:11:08,400 --> 00:11:05,650

Essex and I went to school there at the

232

00:11:11,220 --> 00:11:08,410

Mayflower school and I had I was so

233

00:11:14,190 --> 00:11:11,230

hooked on England man giant Beatle fan I

234

00:11:16,940 --> 00:11:14,200

met John Lennon as a kid and I just you

235

00:11:20,420 --> 00:11:16,950

know man I'm in England you know and

236

00:11:23,820 --> 00:11:20,430

that was a real transformative

237

00:11:26,970 --> 00:11:23,830

experience to me I had a lifelong

238

00:11:29,070 --> 00:11:26,980

history with this phenomenon since I was

239

00:11:31,740 --> 00:11:29,080

a child didn't know what it was in the

240

00:11:33,480 --> 00:11:31,750

early six myths 60s yeah Betty and

241

00:11:35,100 --> 00:11:33,490

Barney Hill sting was known but

242

00:11:36,990 --> 00:11:35,110

definitely not in my house they were

243

00:11:37,800 --> 00:11:37,000

like Steve you're talking about your dad

244

00:11:40,350 --> 00:11:37,810

in his books

245

00:11:42,750 --> 00:11:40,360

my dad you'd find his golf clubs but not

246

00:11:45,230 --> 00:11:42,760

a single book unless it wasn't a it was

247

00:11:48,750 --> 00:11:45,240

a big business guy but no books on

248

00:11:53,940 --> 00:11:48,760

didn't happen it just wasn't part of our

249

00:11:56,940 --> 00:11:53,950

house but I had invisible friends that I

250

00:11:59,100 --> 00:11:56,950

could see and they'd come to my crib and

251
00:12:00,750 --> 00:11:59,110
they'd go ahead would move and weigh

252
00:12:02,370 --> 00:12:00,760
like a so we didn't know what any I

253
00:12:06,000 --> 00:12:02,380
didn't know what it was so I had a

254
00:12:09,870 --> 00:12:06,010
history you'll see all that in this I'm

255
00:12:12,090 --> 00:12:09,880
trying to bring up the bowl so in 79 I

256
00:12:13,829 --> 00:12:12,100
enlisted in the US Air Force and it

257
00:12:17,070 --> 00:12:13,839
wasn't a popular thing to do my friends

258
00:12:19,890 --> 00:12:17,080
thought I was nuts I I thought the Navy

259
00:12:23,160 --> 00:12:19,900
and I get seasick and I wasn't gonna do

260
00:12:25,020 --> 00:12:23,170
that for real and then the army but the

261
00:12:26,940 --> 00:12:25,030
Air Force wanted a higher standard a

262
00:12:29,370 --> 00:12:26,950
great you know entrance and I thought oh

263
00:12:30,329 --> 00:12:29,380

this would be good and I wanted to go

264

00:12:32,819 --> 00:12:30,339

into a law

265

00:12:34,410 --> 00:12:32,829

combatant family you know the Air Force

266

00:12:36,660 --> 00:12:34,420

isn't a lot of ground combat so we're

267

00:12:39,929 --> 00:12:36,670

like RAF regiment would be the closest

268

00:12:42,960 --> 00:12:39,939

thing I can relate to you and we were so

269

00:12:44,850 --> 00:12:42,970

I chose the security for security police

270

00:12:46,499 --> 00:12:44,860

field but I wasn't security police I was

271

00:12:49,410 --> 00:12:46,509

a security specialist there were two

272

00:12:51,360 --> 00:12:49,420

divisions with the cops on the beat and

273

00:12:54,119 --> 00:12:51,370

then there's guys like us you didn't see

274

00:12:56,129 --> 00:12:54,129

much and we were all you know ready for

275

00:12:58,170 --> 00:12:56,139

combat in war and we had big guns

276

00:13:00,869 --> 00:12:58,180

we were killers you know they were

277

00:13:01,410 --> 00:13:00,879

trained to kill that's sorry that's what

278

00:13:03,960 --> 00:13:01,420

we did

279

00:13:06,569 --> 00:13:03,970

and it was the height of the Cold War

280

00:13:08,879 --> 00:13:06,579

was a hot time so I came back from

281

00:13:10,920 --> 00:13:08,889

England I said well I want to go to

282

00:13:12,809 --> 00:13:10,930

England the Air Force we at that time he

283

00:13:14,670 --> 00:13:12,819

asked a young kid now they don't know we

284

00:13:17,549 --> 00:13:14,680

had American bases all over this country

285

00:13:19,949 --> 00:13:17,559

at that time and I got the last

286

00:13:22,559 --> 00:13:19,959

assignment last country a choice which

287

00:13:25,739 --> 00:13:22,569

was I chose England in the whole US Air

288

00:13:28,619 --> 00:13:25,749

Force on the enlistment program so I

289

00:13:30,119 --> 00:13:28,629

came in John burrows I was the same rank

290

00:13:31,379 --> 00:13:30,129

as John burrows when all this happened

291

00:13:33,540 --> 00:13:31,389

they always say sergeant no it was an

292

00:13:35,699 --> 00:13:33,550

airman for just like me

293

00:13:38,369 --> 00:13:35,709

Penniston was just a staffing that's all

294

00:13:41,129 --> 00:13:38,379

but there's so many more guys so I go

295

00:13:44,189 --> 00:13:41,139

into basic training and I go through

296

00:13:46,489 --> 00:13:44,199

that and it was hot as hell in San

297

00:13:48,929 --> 00:13:46,499

Antonio Texas hot as he'd ever seen

298

00:13:50,040 --> 00:13:48,939

but then I look back now and I'm not

299

00:13:51,360 --> 00:13:50,050

going to go into it there's a lot of

300

00:13:52,889 --> 00:13:51,370

things not in there just didn't make

301
00:13:55,100 --> 00:13:52,899
sense so I just to skip through the

302
00:13:57,360 --> 00:13:55,110
raindrops over the years over the things

303
00:13:59,730 --> 00:13:57,370
what I'm saying maybe we were put in

304
00:14:02,069 --> 00:13:59,740
place really you know and I will take

305
00:14:05,429 --> 00:14:02,079
questions you're at one where I will

306
00:14:07,100 --> 00:14:05,439
take questions no problem there's David

307
00:14:09,869 --> 00:14:07,110
Bryan to you and that no we're all right

308
00:14:14,879 --> 00:14:09,879
there's no dead rat on someone so anyway

309
00:14:19,650 --> 00:14:14,889
so we he made his bed so long story

310
00:14:21,749 --> 00:14:19,660
short from there long stories I I got in

311
00:14:23,220 --> 00:14:21,759
the security forces security police as

312
00:14:25,739 --> 00:14:23,230
they were known then security

313
00:14:28,739 --> 00:14:25,749

specialists which an SS was our symbol

314

00:14:30,720 --> 00:14:28,749

we'd be marching SS the best element one

315

00:14:32,100 --> 00:14:30,730

second of not and you know God thank God

316

00:14:34,840 --> 00:14:32,110

Jewish people weren't around

317

00:14:39,430 --> 00:14:34,850

but and that's what no one thought of

318

00:14:41,710 --> 00:14:39,440

that and I came over I got to hurry of

319

00:14:43,660 --> 00:14:41,720

Bentwaters my first base I had been

320

00:14:46,290 --> 00:14:43,670

fully trained at Air Base ground defense

321

00:14:48,820 --> 00:14:46,300

which was advanced ground offender

322

00:14:49,510 --> 00:14:48,830

training that they chose you whether you

323

00:14:52,120 --> 00:14:49,520

liked it or not

324

00:14:54,340 --> 00:14:52,130

so at 12 weeks of Security Forces

325

00:14:58,660 --> 00:14:54,350

training before I even came to my first

326

00:15:01,450 --> 00:14:58,670

base took some leave I remember driving

327

00:15:04,090 --> 00:15:01,460

up on my mother's car held my uniform

328

00:15:06,760 --> 00:15:04,100

and all my friends still adhere to here

329

00:15:08,380 --> 00:15:06,770

I'm like what have I done so I'm going

330

00:15:10,930 --> 00:15:08,390

up the road and I can remember about to

331

00:15:13,150 --> 00:15:10,940

turn and so I got John Lennon's new

332

00:15:17,320 --> 00:15:13,160

singles starting overcomes premieres on

333

00:15:19,780 --> 00:15:17,330

the radio you know real soon and I

334

00:15:21,160 --> 00:15:19,790

remember the time so well Jimmy Carter

335

00:15:24,190 --> 00:15:21,170

was still the president he was on his

336

00:15:26,080 --> 00:15:24,200

way out and I go to McGuire Air Force

337

00:15:27,880 --> 00:15:26,090

Base and this is the beginning

338

00:15:29,380 --> 00:15:27,890

there's a guy connected for his events

339

00:15:32,860 --> 00:15:29,390

called Rick Bertolli know you might have

340

00:15:34,750 --> 00:15:32,870

seen interviews a rare thing Linda well

341

00:15:36,760 --> 00:15:34,760

I run into Rick Bertolli know and

342

00:15:38,950 --> 00:15:36,770

McGuire Air Force Base on our Mac hop

343

00:15:42,070 --> 00:15:38,960

over here military airlift command it

344

00:15:42,670 --> 00:15:42,080

was a charter flight and I'm in the

345

00:15:45,250 --> 00:15:42,680

bathroom

346

00:15:47,230 --> 00:15:45,260

like an idiot I go were you going to

347

00:15:50,230 --> 00:15:47,240

those other own event waters were at the

348

00:15:52,180 --> 00:15:50,240

urinal you're Riedel and I got bad

349

00:15:55,270 --> 00:15:52,190

waters I go I'm going there too they got

350

00:15:57,520 --> 00:15:55,280

nukes there now if you can imagine this

351

00:15:59,650 --> 00:15:57,530

bathroom was full of officers and

352

00:16:01,570 --> 00:15:59,660

Colonels and everything and back in the

353

00:16:04,330 --> 00:16:01,580

70s we had a commercial when Merrill

354

00:16:05,920 --> 00:16:04,340

Lynch speaks people listen and it's the

355

00:16:07,000 --> 00:16:05,930

whole street just stop when someone goes

356

00:16:08,140 --> 00:16:07,010

I'm going to Merrill Lynch and

357

00:16:09,670 --> 00:16:08,150

everything is stopped

358

00:16:13,020 --> 00:16:09,680

well that exact thing happened on the

359

00:16:16,510 --> 00:16:13,030

bathroom and mix and I'm like well do we

360

00:16:19,330 --> 00:16:16,520

you know that was a problem from the

361

00:16:21,940 --> 00:16:19,340

get-go so there were a lot of things

362

00:16:23,620 --> 00:16:21,950

going on flew over I remember two people

363

00:16:27,970 --> 00:16:23,630

messing around with each other under a

364

00:16:30,220 --> 00:16:27,980

blanket next to me on yeah I can still

365

00:16:33,640 --> 00:16:30,230

remember it and that's not in the book

366

00:16:36,160 --> 00:16:33,650

but they was really poor taste and and

367

00:16:38,290 --> 00:16:36,170

I'm sure I drew these orders I'm in a

368

00:16:39,820 --> 00:16:38,300

weird stuff that was just coming to me

369

00:16:40,720 --> 00:16:39,830

because there's a lot of things that

370

00:16:43,090 --> 00:16:40,730

come to you and this

371

00:16:45,069 --> 00:16:43,100

I don't know that I still have that

372

00:16:46,509 --> 00:16:45,079

paper everything talked about I have all

373

00:16:50,110 --> 00:16:46,519

this stuff it's mentioned in there it's

374

00:16:51,699 --> 00:16:50,120

not reproduced and it kind of makes

375

00:16:55,079 --> 00:16:51,709

sense to me now so odd this whole

376

00:16:58,990 --> 00:16:55,089

freaking thing and so sure enough I

377

00:17:00,850 --> 00:16:59,000

landed mildenhall and they have all the

378

00:17:02,980 --> 00:17:00,860

signs for all the bases I'm trying to

379

00:17:04,720 --> 00:17:02,990

give you my experience but how it was

380

00:17:07,360 --> 00:17:04,730

for me because it happens not long after

381

00:17:10,360 --> 00:17:07,370

and there's the headlights for

382

00:17:11,919 --> 00:17:10,370

Bentwaters we all get on it and drove

383

00:17:16,059 --> 00:17:11,929

down there was snow on the ground that

384

00:17:17,409 --> 00:17:16,069

day was December 1st 1980 Sun was up you

385

00:17:18,730 --> 00:17:17,419

can check the weather and there was a

386

00:17:21,340 --> 00:17:18,740

light cover and snow on the ground

387

00:17:23,590 --> 00:17:21,350

coming from North waited in the Sun you

388

00:17:28,120 --> 00:17:23,600

know at the base turned into the base

389

00:17:29,650 --> 00:17:28,130

man gate got off and my guy that greeted

390

00:17:34,150 --> 00:17:29,660

me was a staff sergeant named bud

391

00:17:36,070 --> 00:17:34,160

Stefan's is a name we know and I go I'm

392

00:17:37,870 --> 00:17:36,080

looking around going I was used to us

393

00:17:41,110 --> 00:17:37,880

air bases which are like the size of

394

00:17:43,900 --> 00:17:41,120

cities right and I'm like it's not much

395

00:17:45,730 --> 00:17:43,910

here you know and I go what's there to

396

00:17:47,200 --> 00:17:45,740

do on the base and he goes well we got

397

00:17:51,159 --> 00:17:47,210

the bowling alley over there and I'm

398

00:17:53,680 --> 00:17:51,169

like I'm like really this is how many

399

00:17:54,720 --> 00:17:53,690

yeah I got to be here two years and he

400

00:17:57,220 --> 00:17:54,730

goes if you want a good hamburger

401
00:17:59,710 --> 00:17:57,230
bowling alley it's just been everything

402
00:18:02,860 --> 00:17:59,720
you want go the bowling alley then we

403
00:18:05,530 --> 00:18:02,870
got a taxi JJ cabs and their Arab you

404
00:18:07,450 --> 00:18:05,540
know and I'm like oh okay just before

405
00:18:09,580 --> 00:18:07,460
they started knocking buildings down or

406
00:18:12,130 --> 00:18:09,590
whatever does it and then we went over

407
00:18:14,740 --> 00:18:12,140
to mos that we have the house of sound

408
00:18:17,650 --> 00:18:14,750
you can get big Kenwood speakers size of

409
00:18:19,630 --> 00:18:17,660
Led Zeppelin and they have we had them

410
00:18:22,900 --> 00:18:19,640
in our rooms even though we had it all

411
00:18:25,570 --> 00:18:22,910
let's zip them ac/dc back in black had

412
00:18:26,830 --> 00:18:25,580
just come out that month and I'm just

413
00:18:30,640 --> 00:18:26,840

trying to give you a flavor in the

414

00:18:34,840 --> 00:18:30,650

timeframe and so I like my [\h__\h] over to

415

00:18:37,180 --> 00:18:34,850

my dorm and I meet my roommate who was

416

00:18:39,310 --> 00:18:37,190

now mind you we're America's a vast

417

00:18:41,320 --> 00:18:39,320

place if you don't know if you do know

418

00:18:43,350 --> 00:18:41,330

it's vast even if you're from there you

419

00:18:45,430 --> 00:18:43,360

realize if you're traveling it's big

420

00:18:46,990 --> 00:18:45,440

therefore each states like a different

421

00:18:49,910 --> 00:18:47,000

country and therefore different ways

422

00:18:52,640 --> 00:18:49,920

different religious views different

423

00:18:57,020 --> 00:18:52,650

views on the world north/south divide

424

00:18:58,910 --> 00:18:57,030

still exists west coast of distrustful

425

00:19:01,700 --> 00:18:58,920

of New York is in basic training

426

00:19:03,500 --> 00:19:01,710

I remember the instructor RTI saying

427

00:19:06,710 --> 00:19:03,510

there was a bunch of us New Yorker guys

428

00:19:12,440 --> 00:19:06,720

and he goes watch your valuables there's

429

00:19:16,070 --> 00:19:12,450

about six New Yorkers and like it's

430

00:19:19,130 --> 00:19:16,080

probably right so and so we get through

431

00:19:21,680 --> 00:19:19,140

all that and I get my room and it was

432

00:19:25,040 --> 00:19:21,690

really dingy dumpy thing and bad brown

433

00:19:27,950 --> 00:19:25,050

curtains and bunk beds and the other guy

434

00:19:29,480 --> 00:19:27,960

comes in he goes hello how you doing and

435

00:19:31,970 --> 00:19:29,490

I go what's your name and I won't say

436

00:19:34,040 --> 00:19:31,980

his name because he does play a role in

437

00:19:38,330 --> 00:19:34,050

this and I 'try was in a training flight

438

00:19:40,220 --> 00:19:38,340

with me and he got set back for four

439

00:19:41,900 --> 00:19:40,230

days cuz he left his weapon next to a

440

00:19:43,870 --> 00:19:41,910

tree and forgot it there's nothing he

441

00:19:48,080 --> 00:19:43,880

actually did they from Alabama

442

00:19:52,940 --> 00:19:48,090

they know they're not sophisticated

443

00:19:54,530 --> 00:19:52,950

icons need office right and you know at

444

00:19:57,440 --> 00:19:54,540

nineteen you think you know everything

445

00:20:00,170 --> 00:19:57,450

everything he did know everything

446

00:20:01,700 --> 00:20:00,180

doesn't matter and I got in the wrong

447

00:20:03,470 --> 00:20:01,710

and we're kind of figuring out where the

448

00:20:05,180 --> 00:20:03,480

beds are gonna your beds way over there

449

00:20:06,890 --> 00:20:05,190

I'm gonna have mine here split this damn

450

00:20:09,440 --> 00:20:06,900

bunk bed cuz i'm leslie van under you a

451

00:20:11,390 --> 00:20:09,450

toy get there and we're just staring at

452

00:20:14,360 --> 00:20:11,400

it we just did not like each other go to

453

00:20:16,670 --> 00:20:14,370

bed that night it all send their banging

454

00:20:18,350 --> 00:20:16,680

on her door what's the first shirts he

455

00:20:21,140 --> 00:20:18,360

was grabbed you're alert gear we're on

456

00:20:24,380 --> 00:20:21,150

alert this countering what mr. Holtz is

457

00:20:27,440 --> 00:20:24,390

right i said we don't have alert here

458

00:20:29,630 --> 00:20:27,450

and i talked our way out of it I was

459

00:20:31,790 --> 00:20:29,640

tired I was I gotta go out wherever they

460

00:20:34,280 --> 00:20:31,800

were going get your ID and we don't have

461

00:20:37,790 --> 00:20:34,290

anything you know I've only my underwear

462

00:20:40,400 --> 00:20:37,800

I'm in bed so it all right you know so

463

00:20:42,110 --> 00:20:40,410

the funny thing is is that when you get

464

00:20:44,600 --> 00:20:42,120

to these bases you start a two-week

465

00:20:47,570 --> 00:20:44,610

program of bass familiar ization and

466

00:20:51,320 --> 00:20:47,580

retry requalification firearms we had a

467

00:20:53,930 --> 00:20:51,330

twin base complex we had a massive WUSA

468

00:20:56,630 --> 00:20:53,940

which I'll get into weapons storage area

469

00:20:59,210 --> 00:20:56,640

Woodbridge did not have an active WUSA

470

00:21:00,370 --> 00:20:59,220

at a time when massive bases longest

471

00:21:06,220 --> 00:21:00,380

runway in New York was on

472

00:21:08,380 --> 00:21:06,230

rich in general was the longest and so

473

00:21:10,960 --> 00:21:08,390

we went over to classes every day the

474

00:21:13,540 --> 00:21:10,970

next the next morning we had to meet met

475

00:21:15,760 --> 00:21:13,550

Gordon Williams Charles halt these the

476

00:21:18,790 --> 00:21:15,770

names are deputy commander very involved

477

00:21:20,710 --> 00:21:18,800

in this and everyone else the British

478

00:21:23,470 --> 00:21:20,720

police liaison officer tally about

479

00:21:25,180 --> 00:21:23,480

drink-driving and back then law

480

00:21:27,760 --> 00:21:25,190

enforcement in this room there was no

481

00:21:29,320 --> 00:21:27,770

breathalyzer from not wrong it was good

482

00:21:31,600 --> 00:21:29,330

evening sir how are you right up to your

483

00:21:34,300 --> 00:21:31,610

face is that accurate and you guys are

484

00:21:35,500 --> 00:21:34,310

good you didn't want to get nabbed here

485

00:21:38,500 --> 00:21:35,510

even though I guess a lot of people

486

00:21:40,060 --> 00:21:38,510

drove around that way and we got you

487

00:21:42,060 --> 00:21:40,070

know I've been England but they were

488

00:21:45,400 --> 00:21:42,070

telling people have never left you know

489

00:21:47,560 --> 00:21:45,410

backwoods Alabama or Arkansas or

490

00:21:49,390 --> 00:21:47,570

anywhere you know we're just out of high

491

00:21:51,610 --> 00:21:49,400

school a lot of us but we were now

492

00:21:52,870 --> 00:21:51,620

trained killers you look at pictures of

493

00:21:55,300 --> 00:21:52,880

me in high school

494

00:21:57,640 --> 00:21:55,310

just the two months before three month

495

00:22:01,930 --> 00:21:57,650

four months before and then when I'm on

496

00:22:03,550 --> 00:22:01,940

that base different face different thing

497

00:22:07,240 --> 00:22:03,560

and that's what they do here right

498

00:22:10,450 --> 00:22:07,250

you're not there for create UFO stories

499

00:22:12,190 --> 00:22:10,460

and so I'm just trying to give you a

500

00:22:13,630 --> 00:22:12,200

background of us is I'm not from this

501
00:22:14,830 --> 00:22:13,640
country and you might have a different

502
00:22:15,580 --> 00:22:14,840
experience if you're in the Armed Forces

503
00:22:17,890 --> 00:22:15,590
here

504
00:22:19,570 --> 00:22:17,900
it wasn't an exciting place to be it

505
00:22:22,000 --> 00:22:19,580
felt weird to me the day I got on that

506
00:22:22,660 --> 00:22:22,010
base it felt well there's something

507
00:22:25,480 --> 00:22:22,670
wrong with it

508
00:22:29,230 --> 00:22:25,490
just a gut feeling I'm gonna something

509
00:22:31,480 --> 00:22:29,240
wrong did I have foresight psychic for I

510
00:22:34,660 --> 00:22:31,490
don't know I didn't feel right there and

511
00:22:36,490 --> 00:22:34,670
dig it I didn't like it we got through

512
00:22:40,450 --> 00:22:36,500
our two weeks of training during that

513
00:22:42,100 --> 00:22:40,460

training these two fellas we were

514

00:22:44,440 --> 00:22:42,110

talking about John Lennon or the Beatles

515

00:22:46,930 --> 00:22:44,450

Lennon was coming to England the perform

516

00:22:49,690 --> 00:22:46,940

in March at Wembley Arena but the new

517

00:22:52,420 --> 00:22:49,700

album and this instructor came in and he

518

00:22:54,820 --> 00:22:52,430

goes one of them Beatles just got shot

519

00:22:57,340 --> 00:22:54,830

in New York a few hours ago see this is

520

00:23:00,190 --> 00:22:57,350

a big two weeks before what I'm here for

521

00:23:03,910 --> 00:23:00,200

and one like [h__h] you know that was a

522

00:23:05,890 --> 00:23:03,920

bad day that was just upside down and I

523

00:23:09,520 --> 00:23:05,900

remember this bartender and the all

524

00:23:11,570 --> 00:23:09,530

ranks Club southern guy always yeah that

525

00:23:13,610 --> 00:23:11,580

guy was a communist and I tell you

526

00:23:16,549 --> 00:23:13,620

I was thinking you know what dude I'm

527

00:23:18,680 --> 00:23:16,559

gonna come over this wall but and you

528

00:23:21,260 --> 00:23:18,690

know who that was Monroe Nevins of all

529

00:23:22,700 --> 00:23:21,270

things that it was a communist I didn't

530

00:23:26,200 --> 00:23:22,710

know what role this guy would play later

531

00:23:28,370 --> 00:23:26,210

on you know mr. Geiger counter and

532

00:23:30,320 --> 00:23:28,380

that's why I always remembered his voice

533

00:23:33,200 --> 00:23:30,330

ago that's that guy and he tried to gas

534

00:23:34,970 --> 00:23:33,210

us in this trailer once too but put out

535

00:23:36,860 --> 00:23:34,980

the candle like I took it off and kicked

536

00:23:39,260 --> 00:23:36,870

his door open and ran I just shut me

537

00:23:40,790 --> 00:23:39,270

down the tea I guess anyway we get

538

00:23:43,640 --> 00:23:40,800

through our training we're familiar with

539

00:23:45,860 --> 00:23:43,650

the base now you are posted to flight we

540

00:23:47,780 --> 00:23:45,870

do not have the option of sitting around

541

00:23:50,360 --> 00:23:47,790

for six weeks to wait to go onto a

542

00:23:52,460 --> 00:23:50,370

flight I had all my clearances everyone

543

00:23:53,780 --> 00:23:52,470

else did come over with egg Cabana sack

544

00:23:56,330 --> 00:23:53,790

he's an airman that went through the

545

00:23:58,340 --> 00:23:56,340

first night's events and and I'm trained

546

00:24:00,799 --> 00:23:58,350

together we flew over together we

547

00:24:02,990 --> 00:24:00,809

trained together again and then got our

548

00:24:05,030 --> 00:24:03,000

ship posting he got sea flight I got D

549

00:24:07,700 --> 00:24:05,040

and because we're new we're doing the

550

00:24:12,370 --> 00:24:07,710

Knights wings all that six days off

551

00:24:15,440 --> 00:24:12,380

three off six on three or out work so

552

00:24:17,419 --> 00:24:15,450

first week on flight we're out riding

553

00:24:19,520 --> 00:24:17,429

with law enforcement just get familiar

554

00:24:22,220 --> 00:24:19,530

being in the job even though we're not

555

00:24:23,930 --> 00:24:22,230

in their job second week you might not

556

00:24:26,230 --> 00:24:23,940

be in the WUSA because that's the third

557

00:24:28,310 --> 00:24:26,240

badge I haven't gotten that one yet

558

00:24:30,140 --> 00:24:28,320

clearance was coming and that came on

559

00:24:33,320 --> 00:24:30,150

the 15th of December but they hadn't

560

00:24:35,150 --> 00:24:33,330

issued the pass I shattered in that WS a

561

00:24:38,270 --> 00:24:35,160

on that night I found out that we had

562

00:24:41,200 --> 00:24:38,280

the largest backline tactical stockpile

563

00:24:46,010 --> 00:24:41,210

of tactical nuclear weapons in NATO

564

00:24:50,230 --> 00:24:46,020

housed at RAF Bentwaters you didn't know

565

00:24:53,120 --> 00:24:50,240

it at all now you had at that time

566

00:24:56,150 --> 00:24:53,130

trying to this is important stuff at

567

00:24:58,669 --> 00:24:56,160

that time you had the CMD people the

568

00:25:00,610 --> 00:24:58,679

women going to Greenham common and

569

00:25:04,280 --> 00:25:00,620

chaining themselves to the fences and

570

00:25:07,970 --> 00:25:04,290

all that mucky muck that went off but we

571

00:25:11,060 --> 00:25:07,980

had a sign in our WS a better on their

572

00:25:15,350 --> 00:25:11,070

fence than ours because Greenham common

573

00:25:17,410 --> 00:25:15,360

was a diversion that's the fact I know

574

00:25:20,419 --> 00:25:17,420

because I worked with it we knew it

575

00:25:22,100 --> 00:25:20,429

makes sense doesn't it everyone in that

576

00:25:23,990 --> 00:25:22,110

area knew we had the bottom

577

00:25:27,080 --> 00:25:24,000

we had a hundred tactical nuclear

578

00:25:31,820 --> 00:25:27,090

weapons and not long there about from

579

00:25:34,910 --> 00:25:31,830

here and there's a one-mile blast radius

580

00:25:36,950 --> 00:25:34,920

for each one of them and you know

581

00:25:39,140 --> 00:25:36,960

count your blessings for a few thousand

582

00:25:41,570 --> 00:25:39,150

years in that neighborhood it would turn

583

00:25:44,420 --> 00:25:41,580

to class about a mile circle class

584

00:25:46,100 --> 00:25:44,430

that's what they do and they can be

585

00:25:48,500 --> 00:25:46,110

fired well these were and people say

586

00:25:53,270 --> 00:25:48,510

well that water's wasn't nuclear capable

587

00:25:57,500 --> 00:25:53,280

aircraft no we were hm tag Buster's low

588

00:25:59,630 --> 00:25:57,510

slow tank killers they go over to the fo

589

00:26:01,400 --> 00:25:59,640

wells forward operational location kill

590

00:26:06,430 --> 00:26:01,410

tanks if that kicked off which came

591

00:26:09,740 --> 00:26:06,440

close at this time the Poland very close

592

00:26:12,050 --> 00:26:09,750

but just north of us we had f-111s that

593

00:26:16,250 --> 00:26:12,060

were nuclear capable you don't keep the

594

00:26:19,100 --> 00:26:16,260

assets with the bomb the assets fly in

595

00:26:22,370 --> 00:26:19,110

pick up the bomb and go that's how you

596

00:26:24,080 --> 00:26:22,380

protect the two assets separation

597

00:26:26,570 --> 00:26:24,090

they'll keep them all together because

598

00:26:28,910 --> 00:26:26,580

we're first strike in reality when I

599

00:26:31,010 --> 00:26:28,920

learned in light of first few weeks on

600

00:26:36,260 --> 00:26:31,020

death waters is that if it had kicked

601
00:26:40,280 --> 00:26:36,270
off in the real world way we had about 5

602
00:26:43,910 --> 00:26:40,290
to 10 minutes to say our prayers because

603
00:26:46,100 --> 00:26:43,920
we were first strike retaliation we were

604
00:26:49,940 --> 00:26:46,110
first strike option instantly we were

605
00:26:52,340 --> 00:26:49,950
targeted by them our base was gone but

606
00:26:54,560 --> 00:26:52,350
we had ditches and they'd say still you

607
00:26:56,510 --> 00:26:54,570
got to get in there hit the low and put

608
00:26:58,430 --> 00:26:56,520
yourself into the ground it doesn't your

609
00:27:01,010 --> 00:26:58,440
incinerate adjust your liquid instantly

610
00:27:03,710 --> 00:27:01,020
or vapor so it never happened but what

611
00:27:05,360 --> 00:27:03,720
here's what did happened one night I'll

612
00:27:07,550 --> 00:27:05,370
show you a picture just bear with me as

613
00:27:10,010 --> 00:27:07,560

I do this and I'll keep talking as you

614

00:27:11,870 --> 00:27:10,020

can see I'm pretty good at doing that if

615

00:27:13,580 --> 00:27:11,880

I'm making any the sentences better but

616

00:27:23,450 --> 00:27:13,590

let me do this I hope none of the nude

617

00:27:24,830 --> 00:27:23,460

pictures I tried to but you know me but

618

00:27:27,010 --> 00:27:24,840

I don't the other lifestyle where

619

00:27:29,580 --> 00:27:27,020

anything oh yeah I'm just looking at

620

00:27:41,700 --> 00:27:29,590

Steve okay

621

00:27:43,320 --> 00:27:41,710

now not on computers oh there they are

622

00:27:47,790 --> 00:27:43,330

okay I'm gonna I'm gonna show you this

623

00:27:49,710 --> 00:27:47,800

and yeah right now I'm gonna give you

624

00:27:52,380 --> 00:27:49,720

just a little rundown of back in the day

625

00:27:55,280 --> 00:27:52,390

I forgive me I'm located do it now fine

626

00:27:59,490 --> 00:27:57,870

and forgive me this is not a PowerPoint

627

00:28:02,840 --> 00:27:59,500

I wish I knew how to do those things but

628

00:28:10,260 --> 00:28:02,850

I know anyway there's me on the base

629

00:28:13,250 --> 00:28:10,270

drinking there is me in a girl's room oh

630

00:28:16,140 --> 00:28:13,260

yeah yeah okay yeah sure I'm better now

631

00:28:17,430 --> 00:28:16,150

thank Oh guys sorry for this not being a

632

00:28:19,500 --> 00:28:17,440

PowerPoint I'm trying to give you

633

00:28:21,900 --> 00:28:19,510

instead of a talking head and I'm going

634

00:28:24,150 --> 00:28:21,910

to show you some video but this is we

635

00:28:29,160 --> 00:28:24,160

would do dorm clearances we had a curfew

636

00:28:31,140 --> 00:28:29,170

for men in the in the female barracks at

637

00:28:33,060 --> 00:28:31,150

12 o'clock so we'd have to walk through

638

00:28:35,490 --> 00:28:33,070

and clear the rooms and this is a week

639

00:28:38,340 --> 00:28:35,500

before the incident and this girl main

640

00:28:40,290 --> 00:28:38,350

cookie took my picture and some time

641

00:28:44,310 --> 00:28:40,300

with cookie you know okay check ones in

642

00:28:45,960 --> 00:28:44,320

London oh I think I mentioned her in the

643

00:28:47,550 --> 00:28:45,970

book actually without her Nana we're

644

00:28:52,170 --> 00:28:47,560

friends on Facebook now god she looks

645

00:28:53,820 --> 00:28:52,180

different anyway this is uh you know

646

00:28:55,620 --> 00:28:53,830

I'll tell you the error here you'll love

647

00:28:57,180 --> 00:28:55,630

this this is me and Jeff Lindsay who I

648

00:28:58,950 --> 00:28:57,190

talked into going to the Air Force and

649

00:29:01,290 --> 00:28:58,960

he still doesn't freak because if I ever

650

00:29:03,000 --> 00:29:01,300

set foot in Texas again and that's

651
00:29:05,580 --> 00:29:03,010
invasive training you can see the error

652
00:29:08,040 --> 00:29:05,590
there's a Vietnam P o WB hind us on the

653
00:29:09,900 --> 00:29:08,050
wall that's the error with the neck I

654
00:29:10,290 --> 00:29:09,910
was like Bill Murray it was just a whack

655
00:29:12,330 --> 00:29:10,300
job

656
00:29:16,730 --> 00:29:12,340
funny I went to high school with him but

657
00:29:19,350 --> 00:29:16,740
he's still angry about Texas and but uh

658
00:29:23,640 --> 00:29:19,360
this is the kind of big things we would

659
00:29:28,110 --> 00:29:23,650
drive you know armored vehicles that's

660
00:29:30,790 --> 00:29:28,120
on Bentwaters the cars modern something

661
00:29:34,000 --> 00:29:30,800
cars will fly we thought

662
00:29:36,610 --> 00:29:34,010
I forgive this kind of roughhousing I'm

663
00:29:38,140 --> 00:29:36,620

doing but that's me down an airbase

664

00:29:39,070 --> 00:29:38,150

ground defense training looks like

665

00:29:48,040 --> 00:29:39,080

mashed isn't it

666

00:29:52,180 --> 00:29:48,050

Buckeye this was usually myself how

667

00:29:53,890 --> 00:29:52,190

embarrassing then I but this is the day

668

00:29:55,750 --> 00:29:53,900

you'll love this me and Jeff Lindsey

669

00:29:58,660 --> 00:29:55,760

who's never talked to me again since I

670

00:30:01,360 --> 00:29:58,670

took him in the Air Force we that's when

671

00:30:04,420 --> 00:30:01,370

we're actually leaving from Albany New

672

00:30:06,280 --> 00:30:04,430

York to go to basic training and I think

673

00:30:08,110 --> 00:30:06,290

my mom took that and Jeff became a

674

00:30:09,760 --> 00:30:08,120

carpenter in fact he was in tears

675

00:30:11,980 --> 00:30:09,770

because they sent him to go long he's an

676
00:30:13,900 --> 00:30:11,990
outdoorsman food that Adirondacks write

677
00:30:14,680 --> 00:30:13,910
a sentiment of guam it was the best he

678
00:30:17,200 --> 00:30:14,690
loved it

679
00:30:18,820 --> 00:30:17,210
every an old friend of ours Lisa they

680
00:30:22,180 --> 00:30:18,830
she was a teacher but she was a honey

681
00:30:24,280 --> 00:30:22,190
I'll tell you but uh this is RAF

682
00:30:27,730 --> 00:30:24,290
Bentwaters control tower when it was

683
00:30:29,920 --> 00:30:27,740
still at when I during 1981 which is

684
00:30:31,450 --> 00:30:29,930
still there I'm just trying to give you

685
00:30:34,060 --> 00:30:31,460
a little flavor these are my own

686
00:30:36,820 --> 00:30:34,070
personal pictures this isn't me

687
00:30:39,040 --> 00:30:36,830
I'm painted by certain parties to be

688
00:30:41,170 --> 00:30:39,050

some kind of you know outcast and

689

00:30:43,630 --> 00:30:41,180

mystery and I was served with honor and

690

00:30:45,850 --> 00:30:43,640

that's an a-10 back there this is an

691

00:30:48,190 --> 00:30:45,860

alpha alert area behind me there's

692

00:30:50,940 --> 00:30:48,200

lethal for us all in here and go walking

693

00:30:56,110 --> 00:30:50,950

around that place baby without triple ID

694

00:31:00,490 --> 00:30:56,120

and that's me and that's which now my

695

00:31:03,580 --> 00:31:00,500

son looks like me which is and then some

696

00:31:06,280 --> 00:31:03,590

of the South border a lot of this was

697

00:31:08,680 --> 00:31:06,290

our central that building is still there

698

00:31:11,890 --> 00:31:08,690

in the wall I just went in that building

699

00:31:14,530 --> 00:31:11,900

a few weeks ago it's like dead birds all

700

00:31:16,900 --> 00:31:14,540

kind of things but that was we were the

701
00:31:19,180 --> 00:31:16,910
best security forces in NATO that year

702
00:31:21,460 --> 00:31:19,190
and you say the US air forces in Europe

703
00:31:23,020 --> 00:31:21,470
so we're not monkey boys and you know

704
00:31:24,820 --> 00:31:23,030
chasing lighthouses and

705
00:31:26,020 --> 00:31:24,830
smoking crack in the woods and whatever

706
00:31:28,960 --> 00:31:26,030
was popular then

707
00:31:31,210 --> 00:31:28,970
and I resent when people like Ian

708
00:31:32,530 --> 00:31:31,220
Ridpath and therefore the folks that

709
00:31:36,120 --> 00:31:32,540
don't know there were people that make

710
00:31:38,830 --> 00:31:36,130
it their business to open mouth without

711
00:31:41,320 --> 00:31:38,840
really having anything to say they shed

712
00:31:43,420 --> 00:31:41,330
dust as we say anymore but they make a

713
00:31:46,470 --> 00:31:43,430

career out of it no matter what the odds

714

00:31:48,610 --> 00:31:46,480

are against them they maintain these

715

00:31:52,150 --> 00:31:48,620

ridiculous and you find this throughout

716

00:31:54,880 --> 00:31:52,160

the UFO phenomenon explanation then I

717

00:31:57,010 --> 00:31:54,890

find it comes from fear or just I'm

718

00:31:59,260 --> 00:31:57,020

gonna get attention of this mofo no

719

00:32:01,330 --> 00:31:59,270

matter what angle I take you'll find

720

00:32:05,590 --> 00:32:01,340

that an awful lot in this stuff I always

721

00:32:08,560 --> 00:32:05,600

say go hang out with Kim Kardashian make

722

00:32:10,930 --> 00:32:08,570

as much sense these are the type weapons

723

00:32:13,360 --> 00:32:10,940

this is our armory on RAF Bentwaters

724

00:32:16,690 --> 00:32:13,370

those are m60 machine guns these are

725

00:32:18,880 --> 00:32:16,700

Motorola radio antennas these wrong m16

726

00:32:23,200 --> 00:32:18,890

stack these are alert bags with chemical

727

00:32:25,390 --> 00:32:23,210

warfare suits gas masks all the stuff

728

00:32:27,630 --> 00:32:25,400

you'd stick yourself with the radiation

729

00:32:31,270 --> 00:32:27,640

element it was an ugly time those are

730

00:32:33,700 --> 00:32:31,280

all our bricks batteries through the

731

00:32:37,690 --> 00:32:33,710

radios for channel Motorola's they're

732

00:32:41,470 --> 00:32:37,700

very expensive round 16 barrels these

733

00:32:42,820 --> 00:32:41,480

remain dudes these guys and we were in

734

00:32:44,560 --> 00:32:42,830

that we were in the killing game that's

735

00:32:47,020 --> 00:32:44,570

what we were we were best defenders were

736

00:32:49,270 --> 00:32:47,030

trying to kill spits Nets they came on

737

00:32:51,580 --> 00:32:49,280

to the base now I show you sitting here

738

00:32:55,090 --> 00:32:51,590

this is my last day of high school which

739

00:32:56,920 --> 00:32:55,100

I do look just like my son now that's my

740

00:32:58,780 --> 00:32:56,930

last day of high school not having any

741

00:33:01,180 --> 00:32:58,790

good just got off the bus not knowing

742

00:33:03,250 --> 00:33:01,190

what the hell it was wait listen mate

743

00:33:06,690 --> 00:33:03,260

now you see the difference in the face

744

00:33:10,570 --> 00:33:06,700

the older I get I start to look at oh

745

00:33:12,250 --> 00:33:10,580

what happened oh sorry I'm looking

746

00:33:14,020 --> 00:33:12,260

trying to do with a screen on here I

747

00:33:16,630 --> 00:33:14,030

hope this isn't boring I'm trying to

748

00:33:18,100 --> 00:33:16,640

give you a flavor this is us and I'm

749

00:33:20,110 --> 00:33:18,110

will leave the Rocky Horror Picture Show

750

00:33:22,480 --> 00:33:20,120

these were all brought my brothers I

751

00:33:24,640 --> 00:33:22,490

served with there some are on my

752

00:33:26,529 --> 00:33:24,650

facebook still all of them went through

753

00:33:30,159 --> 00:33:26,539

these events you've never heard

754

00:33:33,639 --> 00:33:30,169

you know why if they're smart they're

755

00:33:37,329 --> 00:33:33,649

smart and I'll tell you what

756

00:33:40,989 --> 00:33:37,339

Jimmy Harper here that's how our uniform

757

00:33:42,969 --> 00:33:40,999

was the there's all OD that's called OD

758

00:33:44,619 --> 00:33:42,979

it was not right the Air Force to

759

00:33:48,849 --> 00:33:44,629

transition from the white and blue the

760

00:33:51,549 --> 00:33:48,859

year before he was a mad man this is how

761

00:33:53,169 --> 00:33:51,559

the these side would have greeted pilots

762

00:33:55,329 --> 00:33:53,179

that sign is still there now that looks

763

00:33:58,089 --> 00:33:55,339

like an Egyptian artifact it's so worn

764

00:33:59,680 --> 00:33:58,099

down but that that's how the side and I

765

00:34:01,659 --> 00:33:59,690

thank the good Lord I took these

766

00:34:11,309 --> 00:34:01,669

pictures I show you some really heavy

767

00:34:16,389 --> 00:34:14,379

the houses folks you guys are talking

768

00:34:18,099 --> 00:34:16,399

about this is them just being built on

769

00:34:20,230 --> 00:34:18,109

the field straight ahead

770

00:34:26,759 --> 00:34:20,240

they are all being built now these this

771

00:34:36,069 --> 00:34:30,909

when we were off we partied at the club

772

00:34:37,690 --> 00:34:36,079

it's a love thing ever all that we had

773

00:34:41,169 --> 00:34:37,700

some fun there and there was some bad

774

00:34:46,119 --> 00:34:41,179

dancing going up but we had to disco

775

00:34:47,409 --> 00:34:46,129

balls match that and believe me I'm

776

00:34:52,690 --> 00:34:47,419

getting to it but I'm trying to put a

777

00:35:00,640 --> 00:34:52,700

face to it all it's important I do okay

778

00:35:01,359 --> 00:35:00,650

on the the events I was off Christmas

779

00:35:04,210 --> 00:35:01,369

King

780

00:35:07,089 --> 00:35:04,220

I did not know there were two previous

781

00:35:10,509 --> 00:35:07,099

nights of events so I'm gonna give you a

782

00:35:14,319 --> 00:35:10,519

rundown now this is the escape room this

783

00:35:18,009 --> 00:35:14,329

is the end of our EF where are you

784

00:35:19,839 --> 00:35:18,019

RAF Woodbridge here and that's the

785

00:35:21,579 --> 00:35:19,849

beginning of the fence and then at the

786

00:35:24,039 --> 00:35:21,589

end of it you turn left now this picture

787

00:35:28,750 --> 00:35:24,049

now those that are familiar with the

788

00:35:31,400 --> 00:35:28,760

forest now oh do you

789

00:35:34,550 --> 00:35:31,410

okay oh that's beautiful myself a little

790

00:35:37,010 --> 00:35:34,560

Mickey Mouse going around oh okay this

791

00:35:40,220 --> 00:35:37,020

this road now this picture is taken in

792

00:35:42,109 --> 00:35:40,230

the spring of 81 so if any of you have

793

00:35:44,210 --> 00:35:42,119

been there you'll notice how close to

794

00:35:45,920 --> 00:35:44,220

the road the trees we're back now that's

795

00:35:50,030 --> 00:35:45,930

a very different forest so when people

796

00:35:52,160 --> 00:35:50,040

say this is where this happened and this

797

00:35:54,290 --> 00:35:52,170

is where that happened and we're going

798

00:35:55,940 --> 00:35:54,300

to put a little kiddie ride there and a

799

00:35:58,339 --> 00:35:55,950

saucer that the thing that no one ever

800

00:36:00,230 --> 00:35:58,349

seen except one guy and the person next

801
00:36:02,480 --> 00:36:00,240
he'll never see in it and we're gonna

802
00:36:05,720 --> 00:36:02,490
put signs up that mislead you all around

803
00:36:11,810 --> 00:36:05,730
got to remember that entire forest was

804
00:36:14,359 --> 00:36:11,820
wiped off the map in 1987 God so how can

805
00:36:15,890 --> 00:36:14,369
people go back but what happened to me

806
00:36:18,020 --> 00:36:15,900
and what happened to others happen in an

807
00:36:20,630 --> 00:36:18,030
open field that it remains unchanged and

808
00:36:23,330 --> 00:36:20,640
it's important details like that I

809
00:36:25,670 --> 00:36:23,340
couldn't find bones in that forest

810
00:36:29,150 --> 00:36:25,680
nowadays because it's not the same

811
00:36:32,210 --> 00:36:29,160
forest some trees that remain but this

812
00:36:33,859 --> 00:36:32,220
is the wishful thinking of people that

813
00:36:37,120 --> 00:36:33,869

want to make this their own but they

814

00:36:39,470 --> 00:36:37,130

gotta earn it you see any gate Oh mouse

815

00:36:41,510 --> 00:36:39,480

and I have a real problem with people

816

00:36:43,910 --> 00:36:41,520

not earning their way and something that

817

00:36:45,200 --> 00:36:43,920

took lives ruined lives ruined famine is

818

00:36:47,570 --> 00:36:45,210

this that the other and trying to

819

00:36:53,750 --> 00:36:47,580

attention or start to it without earning

820

00:37:00,230 --> 00:36:53,760

it forgive my angst this is a picture

821

00:37:01,849 --> 00:37:00,240

taken night number one I can tell you

822

00:37:04,160 --> 00:37:01,859

the facts of this this is heading you're

823

00:37:09,770 --> 00:37:04,170

seeing the forest as it looked in 1980

824

00:37:12,260 --> 00:37:09,780

this is in the Earl of early December it

825

00:37:14,150 --> 00:37:12,270

was just this has had this we had a free

826

00:37:16,190 --> 00:37:14,160

fire zone so if you know now the trees

827

00:37:17,240 --> 00:37:16,200

are right up to this road and that roads

828

00:37:19,480 --> 00:37:17,250

falling apart

829

00:37:21,920 --> 00:37:19,490

this leaves in the Woodbridge base

830

00:37:23,930 --> 00:37:21,930

that's what there's no trees here so we

831

00:37:25,820 --> 00:37:23,940

could see the enemy approach so there'd

832

00:37:27,800 --> 00:37:25,830

be no cover and trees for them

833

00:37:28,880 --> 00:37:27,810

so it's called a free fire zone we have

834

00:37:31,550 --> 00:37:28,890

five hundred yards

835

00:37:32,990 --> 00:37:31,560

it kills a little defense in your

836

00:37:37,640 --> 00:37:33,000

country

837

00:37:39,520 --> 00:37:37,650

Peter stop commenting on my post there

838

00:37:43,550 --> 00:37:39,530

in an operon she doesn't want to be yet

839

00:37:45,890 --> 00:37:43,560

and anyway that's the first and let look

840

00:37:47,030 --> 00:37:45,900

the treeline back then and this is where

841

00:37:49,040 --> 00:37:47,040

the story begins

842

00:37:50,960 --> 00:37:49,050

I'm just trying to put some imaging

843

00:37:52,910 --> 00:37:50,970

because you won't see accurate [h__\h] on

844

00:37:55,370 --> 00:37:52,920

these TV shows I do them and they

845

00:37:57,110 --> 00:37:55,380

don't do immaculate even after they say

846

00:37:59,960 --> 00:37:57,120

we're going to do it just right no

847

00:38:02,630 --> 00:37:59,970

you're not you're going to be as wrong

848

00:38:06,830 --> 00:38:02,640

as Liberace's wardrobe and that's and

849

00:38:09,410 --> 00:38:06,840

they always are what what that is night

850

00:38:12,620 --> 00:38:09,420

number one and I'm basing this on

851
00:38:14,450 --> 00:38:12,630
knowing the people and also spending a

852
00:38:16,040 --> 00:38:14,460
lot of time with John Burroughs it was

853
00:38:19,010 --> 00:38:16,050
one of the first nights guys just last

854
00:38:21,050 --> 00:38:19,020
year on site we are now friends we go

855
00:38:23,540 --> 00:38:21,060
down a lot of stuff we each are on our

856
00:38:26,300 --> 00:38:23,550
own journey with this night number one

857
00:38:29,030 --> 00:38:26,310
even I've learned something they were on

858
00:38:30,740 --> 00:38:29,040
a patrol to check come down this road

859
00:38:33,470 --> 00:38:30,750
turn this way there's the famous east

860
00:38:35,630 --> 00:38:33,480
gate you always say which was only a a

861
00:38:37,580 --> 00:38:35,640
gate that it wasn't a full gate like you

862
00:38:40,640 --> 00:38:37,590
see now and there wasn't guard shacks

863
00:38:42,860 --> 00:38:40,650

and there was a little plastic hot and

864

00:38:45,110 --> 00:38:42,870

it was that not a very used gate at all

865

00:38:47,330 --> 00:38:45,120

at night so they checked on it John

866

00:38:49,220 --> 00:38:47,340

checked on it he was with Bud Stefan's

867

00:38:53,150 --> 00:38:49,230

in a law enforcement police car they're

868

00:38:55,550 --> 00:38:53,160

in a different division from us they

869

00:38:57,200 --> 00:38:55,560

turned around job was not on the post on

870

00:39:00,050 --> 00:38:57,210

the gate they were on a vehicle patrol

871

00:39:04,930 --> 00:39:00,060

checking they look back just like you're

872

00:39:07,670 --> 00:39:04,940

seeing now and right in here

873

00:39:08,540 --> 00:39:07,680

actually if this truck wasn't here go

874

00:39:11,450 --> 00:39:08,550

straight through it

875

00:39:12,800 --> 00:39:11,460

use your imagination with this I can

876

00:39:14,600 --> 00:39:12,810

show you exactly as big there was

877

00:39:19,430 --> 00:39:14,610

something that looked like an air crash

878

00:39:20,960 --> 00:39:19,440

in the forest so they called back get

879

00:39:24,260 --> 00:39:20,970

off my Wendy I went to high school with

880

00:39:26,330 --> 00:39:24,270

you and they went and called for we

881

00:39:28,550 --> 00:39:26,340

think we have a air crash as some weird

882

00:39:31,520 --> 00:39:28,560

lights out of the woods in the forest on

883

00:39:34,520 --> 00:39:31,530

the ground so at this point Jim

884

00:39:36,980 --> 00:39:34,530

Penniston Sergeant Staff Sergeant law

885

00:39:39,170 --> 00:39:36,990

enforcement not security not my division

886

00:39:42,829 --> 00:39:39,180

it's not a senior guy to me

887

00:39:46,969 --> 00:39:42,839

comes down a little that is let's get

888

00:39:50,690 --> 00:39:46,979

off and they can only see all my

889

00:39:55,569 --> 00:39:50,700

business and they came down and they

890

00:39:59,120 --> 00:39:55,579

also seen this stuff and Jim had Edie

891

00:40:00,890 --> 00:39:59,130

with them because we're stay there this

892

00:40:02,450 --> 00:40:00,900

was our last nights of the week of

893

00:40:04,940 --> 00:40:02,460

lighting with law enforcement then we're

894

00:40:06,920 --> 00:40:04,950

out on our boring posts in went in

895

00:40:11,509 --> 00:40:06,930

aircraft areas so you would never see us

896

00:40:13,430 --> 00:40:11,519

again they've pursued the lights but

897

00:40:15,469 --> 00:40:13,440

Stephan's did not want to go into the

898

00:40:17,709 --> 00:40:15,479

forest he was frightened remember he's

899

00:40:21,680 --> 00:40:17,719

the man that picked me up my first day

900

00:40:23,749 --> 00:40:21,690

they pursue the object and hence to all

901
00:40:26,209 --> 00:40:23,759
May I followed them they wanted me to

902
00:40:28,910 --> 00:40:26,219
relay because the radios you try a

903
00:40:31,700 --> 00:40:28,920
cellphone down there this day mobile you

904
00:40:34,940 --> 00:40:31,710
can't get much our radios always had

905
00:40:38,870 --> 00:40:34,950
trouble in this region also our big

906
00:40:40,700 --> 00:40:38,880
powerful radios so they pursued you've

907
00:40:43,099 --> 00:40:40,710
seen the accounts on television the

908
00:40:46,099 --> 00:40:43,109
different this and that's they pursued

909
00:40:49,549 --> 00:40:46,109
the object through the woods Edie was

910
00:40:50,839 --> 00:40:49,559
relaying he saw lights I'm going to show

911
00:40:52,339 --> 00:40:50,849
you something in a second that you've

912
00:40:54,289 --> 00:40:52,349
never seen there's some of you might

913
00:40:57,019 --> 00:40:54,299

have because I put things out and don't

914

00:40:59,509 --> 00:40:57,029

say anything they make their way through

915

00:41:03,920 --> 00:40:59,519

they encounter now sergeant Penniston

916

00:41:07,160 --> 00:41:03,930

says that he encountered this triangular

917

00:41:10,940 --> 00:41:07,170

thing put his hand on it took notes like

918

00:41:12,589 --> 00:41:10,950

he's giving it a ticket all I know is I

919

00:41:16,099 --> 00:41:12,599

was trained if I saw something floating

920

00:41:19,459 --> 00:41:16,109

off the ground in a forest or a Russian

921

00:41:22,279 --> 00:41:19,469

tank or a Jeep or something odd we were

922

00:41:25,370 --> 00:41:22,289

trained in one thing cover and conceal

923

00:41:28,190 --> 00:41:25,380

and relay you cover you consider

924

00:41:30,589 --> 00:41:28,200

yourself from this potential enemy then

925

00:41:34,339 --> 00:41:30,599

really information even with a runner if

926

00:41:37,509 --> 00:41:34,349

you're ready it over not this is work

927

00:41:39,440 --> 00:41:37,519

for you folks polite and no booking like

928

00:41:41,479 --> 00:41:39,450

and that's strange

929

00:41:43,819 --> 00:41:41,489

I'm not knocking the guy he doesn't have

930

00:41:46,430 --> 00:41:43,829

to make good for him but to me in my

931

00:41:49,039 --> 00:41:46,440

logical mind and the way I was trained I

932

00:41:51,920 --> 00:41:49,049

know he goes about his training it

933

00:41:52,930 --> 00:41:51,930

doesn't in just human behavior something

934

00:41:55,599 --> 00:41:52,940

floating off the freak

935

00:41:59,280 --> 00:41:55,609

gran i'm legging it i'm gonna i'm not

936

00:42:02,410 --> 00:41:59,290

there taking notes that's interesting

937

00:42:04,990 --> 00:42:02,420

maybe that the guy standing next to him

938

00:42:10,270 --> 00:42:05,000

has no recall of that as recall of

939

00:42:10,720 --> 00:42:10,280

lights now enoch away we know you're

940

00:42:13,660 --> 00:42:10,730

there

941

00:42:16,210 --> 00:42:13,670

the guy knew yeah this guy could not

942

00:42:18,640 --> 00:42:16,220

you've gotta be here all the time

943

00:42:19,990 --> 00:42:18,650

so the next thing that happens is that i

944

00:42:24,640 --> 00:42:20,000

see I'm not there with these guys I

945

00:42:26,319 --> 00:42:24,650

wasn't even on duty that night well the

946

00:42:27,940 --> 00:42:26,329

guy next to him ed said I seen all the

947

00:42:29,740 --> 00:42:27,950

lights then they're gone for a while

948

00:42:32,349 --> 00:42:29,750

something did happen to these guys no

949

00:42:35,050 --> 00:42:32,359

question it could be different

950

00:42:37,329 --> 00:42:35,060

perceptions Sepp shion's this and that

951

00:42:39,370 --> 00:42:37,339

yet that event on the first night was

952

00:42:41,230 --> 00:42:39,380

photographed and not in Jim Penniston

953

00:42:44,819 --> 00:42:41,240

says he did but it was photographed by

954

00:42:46,960 --> 00:42:44,829

someone else because these events folks

955

00:42:49,359 --> 00:42:46,970

someone knew they were going to happen

956

00:42:51,010 --> 00:42:49,369

because there was a lot of R&D that was

957

00:42:54,250 --> 00:42:51,020

put in place there and I'm gonna tell

958

00:42:56,410 --> 00:42:54,260

you some new stuff that could vector

959

00:42:58,599 --> 00:42:56,420

this stuff and who do you study best on

960

00:43:00,730 --> 00:42:58,609

who has no rights you're under the UCMJ

961

00:43:03,849 --> 00:43:00,740

Uniform Code of Military Justice not

962

00:43:05,980 --> 00:43:03,859

under civilian law quiet area

963

00:43:07,890 --> 00:43:05,990

Christmastime ain't nothing going on at

964

00:43:13,750 --> 00:43:07,900

all even at the best of times

965

00:43:15,160 --> 00:43:13,760

well there was observers throughout I'm

966

00:43:16,930 --> 00:43:15,170

not gonna sit here and try to prove it

967

00:43:19,050 --> 00:43:16,940

to you this is something I know and

968

00:43:21,160 --> 00:43:19,060

these things were photographed

969

00:43:23,740 --> 00:43:21,170

flash-forward a billionaire's later our

970

00:43:25,930 --> 00:43:23,750

book comes out first edition 1997 it's a

971

00:43:29,800 --> 00:43:25,940

big deal I get contacted by a lot of

972

00:43:32,170 --> 00:43:29,810

guys involved in this lots and even

973

00:43:34,569 --> 00:43:32,180

people involved in slap missions that

974

00:43:36,339 --> 00:43:34,579

were connected to this that had been

975

00:43:39,069 --> 00:43:36,349

sick of seeing the many years of hell

976
00:43:43,120 --> 00:43:39,079
not just me other witnesses were abused

977
00:43:44,650 --> 00:43:43,130
used this that the other thing I'm just

978
00:43:46,359 --> 00:43:44,660
throwing some things for you think about

979
00:43:47,980 --> 00:43:46,369
we can't get into what them not because

980
00:43:51,670 --> 00:43:47,990
it would derail for the poor people they

981
00:43:53,890 --> 00:43:51,680
don't know this thing and there were

982
00:43:56,079 --> 00:43:53,900
photographs taken I am about to show you

983
00:43:59,980 --> 00:43:56,089
an actual Department of Defense

984
00:44:02,319 --> 00:43:59,990
photograph one of a number and when

985
00:44:04,510 --> 00:44:02,329
these were passed to me I brought them

986
00:44:08,140 --> 00:44:04,520
to the illumine Ares of American you

987
00:44:10,540 --> 00:44:08,150
apology the guy that took them stayed

988
00:44:12,730 --> 00:44:10,550

off record if you've read Georgiana Bru

989

00:44:14,500 --> 00:44:12,740

nice book rest his soul she only wrote

990

00:44:17,470 --> 00:44:14,510

her book because of ours I knew her

991

00:44:20,860 --> 00:44:17,480

before her book and she has a big go at

992

00:44:23,200 --> 00:44:20,870

me and that the reason why is that she

993

00:44:27,010 --> 00:44:23,210

was gonna out this guy's name this would

994

00:44:28,990 --> 00:44:27,020

have CAD that guy in a bad way I am

995

00:44:30,850 --> 00:44:29,000

loyal to the death so you want to write

996

00:44:33,520 --> 00:44:30,860

bad things and inaccurate things about

997

00:44:36,820 --> 00:44:33,530

me I'm pretty freaking used to it that's

998

00:44:41,470 --> 00:44:36,830

my truth and it stands 18 years in print

999

00:44:43,380 --> 00:44:41,480

for a reason now a picture was taken at

1000

00:44:46,450 --> 00:44:43,390

pictures more than one was passed to me

1001

00:44:48,820 --> 00:44:46,460

even my co-author as much as I loved him

1002

00:44:49,900 --> 00:44:48,830

it was a hot potato they all ran for the

1003

00:44:52,240 --> 00:44:49,910

hills oh I don't know you could be

1004

00:44:55,000 --> 00:44:52,250

getting set up is that the other well

1005

00:44:57,130 --> 00:44:55,010

maybe until Monroe nevels who ran our

1006

00:44:59,530 --> 00:44:57,140

Geiger counter with Charles bolts party

1007

00:45:01,960 --> 00:44:59,540

and John Burroughs himself said that's

1008

00:45:05,350 --> 00:45:01,970

exactly in fact John Burroughs is in the

1009

00:45:07,860 --> 00:45:05,360

picture next to the phenomena sound

1010

00:45:10,570 --> 00:45:07,870

amazing I'm going to show you

1011

00:45:13,020 --> 00:45:10,580

I got a do a PowerPoint Dona it's kind

1012

00:45:15,760 --> 00:45:13,030

of weird give me about five minutes no

1013

00:45:19,540 --> 00:45:15,770

it's it's shameful how I am with these

1014

00:45:21,610 --> 00:45:19,550

things I will show you the raw photo I'm

1015

00:45:24,640 --> 00:45:21,620

not really concerned what you think of

1016

00:45:26,260 --> 00:45:24,650

it because I am obviously but there's

1017

00:45:28,750 --> 00:45:26,270

been a lot of background with this

1018

00:45:31,480 --> 00:45:28,760

there's a lot to this but I want to

1019

00:45:35,980 --> 00:45:31,490

share it with you leave it with you but

1020

00:45:39,010 --> 00:45:35,990

this is an actual DoD print that's night

1021

00:45:41,290 --> 00:45:39,020

one that is the craft in fact as you go

1022

00:45:43,210 --> 00:45:41,300

into it Burroughs is just over here

1023

00:45:45,910 --> 00:45:43,220

that's about a hundred yards from the

1024

00:45:49,600 --> 00:45:45,920

cameras in the trees it's off the ground

1025

00:45:52,420 --> 00:45:49,610

and that is actually taken there now I

1026

00:45:54,250 --> 00:45:52,430

can't go into a lot with this and John's

1027

00:45:56,650 --> 00:45:54,260

demanding I do but you know because he's

1028

00:45:58,480 --> 00:45:56,660

there you know and I've had this flow

1029

00:46:02,320 --> 00:45:58,490

around my Facebook for years I was so

1030

00:46:05,590 --> 00:46:02,330

furious on how some UFO authors things

1031

00:46:08,220 --> 00:46:05,600

like that don't really give a flying

1032

00:46:11,280 --> 00:46:08,230

[h__\h] about the well-being

1033

00:46:13,109 --> 00:46:11,290

witnesses and this is fatal business

1034

00:46:14,910 --> 00:46:13,119

stuff crisis is involving federal

1035

00:46:18,150 --> 00:46:14,920

government your government does that you

1036

00:46:20,190 --> 00:46:18,160

know it's not a game it did happen and I

1037

00:46:22,320 --> 00:46:20,200

can you don't want to play chess with me

1038

00:46:24,150 --> 00:46:22,330

on the reality of these offense I can

1039

00:46:26,730 --> 00:46:24,160

assure you that I'm going to show you

1040

00:46:29,220 --> 00:46:26,740

that that's a real picture I'm gonna go

1041

00:46:31,680 --> 00:46:29,230

into it even more I forget what I'm

1042

00:46:37,020 --> 00:46:31,690

looking for I'm going to show you

1043

00:46:39,420 --> 00:46:37,030

another picture gonna say you have

1044

00:46:41,730 --> 00:46:39,430

literally seen an actual I just can

1045

00:46:46,349 --> 00:46:41,740

assure you without going a literal

1046

00:46:48,690 --> 00:46:46,359

picture of the phenomena in the woods on

1047

00:46:50,190 --> 00:46:48,700

night one night two and of course

1048

00:46:51,750 --> 00:46:50,200

whatever else happened you can read

1049

00:46:54,750 --> 00:46:51,760

about them they have a book encounter

1050

00:46:57,930 --> 00:46:54,760

run the show forest please read it by

1051
00:46:59,910 --> 00:46:57,940
the old knowing guide Nick Pope I'm like

1052
00:47:04,160 --> 00:46:59,920
Nick I don't like how they operate

1053
00:47:06,750 --> 00:47:04,170
that's all you go into because dishonest

1054
00:47:08,580 --> 00:47:06,760
see us there's a book called deliberate

1055
00:47:11,580 --> 00:47:08,590
deception deliberate what they call

1056
00:47:13,620 --> 00:47:11,590
Peter brother protection and Steve merit

1057
00:47:15,690 --> 00:47:13,630
I was kind enough to publish that it is

1058
00:47:17,970 --> 00:47:15,700
available through phenomena magazine for

1059
00:47:20,430 --> 00:47:17,980
free because that's a popular word and

1060
00:47:22,349 --> 00:47:20,440
you read and see how the game is played

1061
00:47:24,330 --> 00:47:22,359
and if you haven't read it you really

1062
00:47:28,170 --> 00:47:24,340
need to because it kind of surprised me

1063
00:47:30,510 --> 00:47:28,180

my co-author did a stunning job and it's

1064

00:47:34,109 --> 00:47:30,520

not you know to me I went up just one

1065

00:47:36,540 --> 00:47:34,119

more second garbage but Peter you know

1066

00:47:43,859 --> 00:47:36,550

you don't mess with that Jew it's all

1067

00:47:46,770 --> 00:47:43,869

gonna say once you get them going I want

1068

00:47:49,650 --> 00:47:46,780

to show you this isn't my way to start

1069

00:47:51,990 --> 00:47:49,660

here I want to explain 70th night number

1070

00:47:54,359 --> 00:47:52,000

two I guess was brought up last week by

1071

00:47:55,859 --> 00:47:54,369

Colonel halt and everyone I've seen

1072

00:47:58,020 --> 00:47:55,869

people who we've got to know about

1073

00:48:01,400 --> 00:47:58,030

Bonnie Tamplin Bonnie Temple was a black

1074

00:48:05,420 --> 00:48:01,410

lieutenant female Bonnie Chaplin was on

1075

00:48:07,760 --> 00:48:05,430

trol night number two vehicle and Bonnie

1076

00:48:10,250 --> 00:48:07,770

Chaplin it had something horrendous

1077

00:48:12,380 --> 00:48:10,260

happened to her with this phenomena I

1078

00:48:14,570 --> 00:48:12,390

will tell you this phenomena did not

1079

00:48:18,590 --> 00:48:14,580

come and go this phenomenon was in that

1080

00:48:22,670 --> 00:48:18,600

area for three solid days whether it was

1081

00:48:24,220 --> 00:48:22,680

visible or not at times I'm gonna go

1082

00:48:27,470 --> 00:48:24,230

into that too

1083

00:48:29,390 --> 00:48:27,480

now bonnie Tamplin I can tell you about

1084

00:48:31,910 --> 00:48:29,400

a week later and I knew lieutenant

1085

00:48:33,830 --> 00:48:31,920

tablet a bit I was in the back light

1086

00:48:36,530 --> 00:48:33,840

offices with Carl Brewer it was a number

1087

00:48:38,330 --> 00:48:36,540

two chief of security police and Bonnie

1088

00:48:41,390 --> 00:48:38,340

Chaplin and him and I'm in a file

1089

00:48:44,210 --> 00:48:41,400

cabinet I got to pick up some whatever

1090

00:48:45,950 --> 00:48:44,220

and I'm in there and he was saying

1091

00:48:47,840 --> 00:48:45,960

you're gonna go you got to go back on

1092

00:48:50,240 --> 00:48:47,850

ship and she goes I am NOT going out

1093

00:48:52,100 --> 00:48:50,250

there and I won't do something to get

1094

00:48:56,990 --> 00:48:52,110

thrown off and she was terrified this

1095

00:48:58,700 --> 00:48:57,000

one don't you pray I saw them I didn't

1096

00:49:01,790 --> 00:48:58,710

see what she's seen and I don't know

1097

00:49:03,680 --> 00:49:01,800

what she saw and she ain't talking again

1098

00:49:07,220 --> 00:49:03,690

do we blame her does she want to be

1099

00:49:10,370 --> 00:49:07,230

another rendition punching bag a black

1100

00:49:11,930 --> 00:49:10,380

woman on top of it you kidding me that

1101

00:49:14,600 --> 00:49:11,940

wouldn't matter to some of these shocks

1102

00:49:16,070 --> 00:49:14,610

out there I hate cowards I have a real

1103

00:49:20,600 --> 00:49:16,080

problem with that I wish I could lighten

1104

00:49:23,720 --> 00:49:20,610

up on it but I can't this is a pity this

1105

00:49:25,040 --> 00:49:23,730

is great this goes into it hitting on

1106

00:49:30,200 --> 00:49:25,050

one hour which is really good-looking

1107

00:49:35,390 --> 00:49:30,210

right but I got to that base this is the

1108

00:49:39,500 --> 00:49:35,400

at midday about 13 hours before the

1109

00:49:42,200 --> 00:49:39,510

third night begins December 1980 is the

1110

00:49:44,870 --> 00:49:42,210

main gate RAF Bentwaters why do I have a

1111

00:49:47,180 --> 00:49:44,880

picture well I went over there with a

1112

00:49:49,970 --> 00:49:47,190

real bad camera I had as a kid in it it

1113

00:49:53,840 --> 00:49:49,980

just was garbage so I went over to the

1114

00:49:56,210 --> 00:49:53,850

PX building commissary naffy a column I

1115

00:49:59,900 --> 00:49:56,220

went over here and I bought a key stone

1116

00:50:01,370 --> 00:49:59,910

110 Instamatic camera I went with a

1117

00:50:04,120 --> 00:50:01,380

friend remember that came Harper guy

1118

00:50:05,860 --> 00:50:04,130

like that he had a car we want a good

1119

00:50:08,080 --> 00:50:05,870

before our shift our first ship was on

1120

00:50:12,660 --> 00:50:08,090

that night our swing seat flight was

1121

00:50:16,690 --> 00:50:12,670

done there was no rumor mill nothing

1122

00:50:18,580 --> 00:50:16,700

pubs are not [\h__\h] it was nothing I'm

1123

00:50:20,890 --> 00:50:18,590

sick of the rewrites guys I don't care

1124

00:50:22,420 --> 00:50:20,900

who you know who you're allied with this

1125

00:50:25,390 --> 00:50:22,430

data and the Americans I don't like

1126

00:50:28,060 --> 00:50:25,400

Larry I don't care it ain't true I was

1127

00:50:30,130 --> 00:50:28,070

there I lived it you didn't

1128

00:50:33,550 --> 00:50:30,140

I'm just being in general tell your

1129

00:50:35,950 --> 00:50:33,560

friends I said it it's [h__h] I know

1130

00:50:38,920 --> 00:50:35,960

it went on I went through it I lived it

1131

00:50:41,260 --> 00:50:38,930

I was there as part of it so I get my

1132

00:50:43,480 --> 00:50:41,270

camera we pull up here he's taking us to

1133

00:50:46,480 --> 00:50:43,490

hips which I want to check I did not

1134

00:50:48,580 --> 00:50:46,490

know and this is Sunday I did not know

1135

00:50:51,100 --> 00:50:48,590

everything shut down like Boston Mass on

1136

00:50:53,710 --> 00:50:51,110

a Sunday back then everything it was a

1137

00:50:56,140 --> 00:50:53,720

ghost town in Ipswich but so I want to

1138

00:50:57,940 --> 00:50:56,150

check an app but Jim said I'll take you

1139

00:51:00,310 --> 00:50:57,950

so me and a few other guys

1140

00:51:02,710 --> 00:51:00,320

I said stop here I just tested the

1141

00:51:04,240 --> 00:51:02,720

camera that's er that what's important

1142

00:51:06,460 --> 00:51:04,250

and thank God I took this picture it's

1143

00:51:07,270 --> 00:51:06,470

in the book that's a guard shack for the

1144

00:51:12,580 --> 00:51:07,280

entrance bulk

1145

00:51:15,640 --> 00:51:12,590

these are sandbags and blast walls we

1146

00:51:18,340 --> 00:51:15,650

had a condition sign and that's it

1147

00:51:22,780 --> 00:51:18,350

that sign would change to normal or

1148

00:51:25,030 --> 00:51:22,790

alert now in two days into the incidents

1149

00:51:27,940 --> 00:51:25,040

already which I am completely unaware of

1150

00:51:30,370 --> 00:51:27,950

unaware no one's talking about nothing

1151
00:51:34,780 --> 00:51:30,380
Brenda Butler was not walking around

1152
00:51:37,390 --> 00:51:34,790
this and nothing [\h__\h] nothing no one

1153
00:51:39,580 --> 00:51:37,400
no I worked it I didn't know it I knew

1154
00:51:42,430 --> 00:51:39,590
the guys I didn't even know it we were

1155
00:51:44,770 --> 00:51:42,440
an alert for a reason because of these

1156
00:51:47,890 --> 00:51:44,780
events there was an alert condition on

1157
00:51:51,250 --> 00:51:47,900
these bases that sign proves it and look

1158
00:51:53,140 --> 00:51:51,260
at how old that car is anyway the it

1159
00:51:58,060 --> 00:51:53,150
really is good that's kind of him but

1160
00:52:00,910 --> 00:51:58,070
what we did and so we drove on and what

1161
00:52:05,470 --> 00:52:00,920
I'm about to show you I on my life had

1162
00:52:06,850 --> 00:52:05,480
no idea and thank God for Facebook I

1163
00:52:08,980 --> 00:52:06,860

took that picture

1164

00:52:11,200 --> 00:52:08,990

we drive and we went to go he was

1165

00:52:11,480 --> 00:52:11,210

bringing us to the free bus which was on

1166

00:52:13,760 --> 00:52:11,490

the

1167

00:52:15,680 --> 00:52:13,770

main gate of Woodbridge so we went

1168

00:52:19,070 --> 00:52:15,690

through to the back gate of Woodbridge

1169

00:52:20,780 --> 00:52:19,080

to go through and as we get down that

1170

00:52:23,000 --> 00:52:20,790

road you know where I said the forest is

1171

00:52:24,859 --> 00:52:23,010

here on the fences here I tested my

1172

00:52:26,720 --> 00:52:24,869

camera again I roll the window down it's

1173

00:52:29,300 --> 00:52:26,730

kind of a mild day that day and I can

1174

00:52:30,830 --> 00:52:29,310

remember it remember I remember Kennedy

1175

00:52:34,550 --> 00:52:30,840

and my mother on the presents and all

1176

00:52:36,020 --> 00:52:34,560

it's amazing and I got for some things

1177

00:52:38,840 --> 00:52:36,030

and they had I got for a lot of other

1178

00:52:42,680 --> 00:52:38,850

thing but I want to show you this I took

1179

00:52:44,510 --> 00:52:42,690

this picture now it's in my facebook

1180

00:52:46,190 --> 00:52:44,520

this is called Bentwaters back in the

1181

00:52:48,200 --> 00:52:46,200

day when I joined Facebook I tried to

1182

00:52:49,310 --> 00:52:48,210

put things on and a friend of mine

1183

00:52:52,310 --> 00:52:49,320

actually put them I didn't know how to

1184

00:52:54,710 --> 00:52:52,320

do them back then and I took this this

1185

00:52:57,320 --> 00:52:54,720

picture I found in a bag where are you I

1186

00:52:59,150 --> 00:52:57,330

I took this is the actual picture I took

1187

00:53:02,060 --> 00:52:59,160

it's actually in color but somehow it

1188

00:53:04,730 --> 00:53:02,070

comes out now we stopped we're going

1189

00:53:08,150 --> 00:53:04,740

down the road toward East Gate right if

1190

00:53:10,250 --> 00:53:08,160

you imagine and there was a low part of

1191

00:53:11,780 --> 00:53:10,260

the trees and then the pines all start

1192

00:53:13,840 --> 00:53:11,790

here so you're at the beginning of the

1193

00:53:16,099 --> 00:53:13,850

road coming down hitting Shorty's I

1194

00:53:17,840 --> 00:53:16,109

wasn't taking a picture of the a10 I

1195

00:53:19,820 --> 00:53:17,850

worked around him all the time we heard

1196

00:53:21,859 --> 00:53:19,830

him they were above us on the ground but

1197

00:53:23,180 --> 00:53:21,869

I just snapped a picture and they ate 10

1198

00:53:27,700 --> 00:53:23,190

hat I don't even remember the plane I

1199

00:53:32,690 --> 00:53:31,040

34 years later that's sitting on my

1200

00:53:34,580 --> 00:53:32,700

facebook and it was 1r up they can fly

1201

00:53:38,330 --> 00:53:34,590

even keep that but oh it's a nice

1202

00:53:40,609 --> 00:53:38,340

silhouette of the ATM and that wasn't it

1203

00:53:42,620 --> 00:53:40,619

was going on my land over at Bentwaters

1204

00:53:44,390 --> 00:53:42,630

it was crossing the back end of the

1205

00:53:47,660 --> 00:53:44,400

forest had nothing to do with leaving

1206

00:53:49,670 --> 00:53:47,670

Woodbridge raisin now what I didn't know

1207

00:53:51,710 --> 00:53:49,680

is there's a guy on my Facebook may mix

1208

00:53:55,220 --> 00:53:51,720

a ur from Essex and I believe in giving

1209

00:53:57,470 --> 00:53:55,230

credit were do and I'm just one day and

1210

00:53:59,660 --> 00:53:57,480

this is where weirdness comes in one day

1211

00:54:01,940 --> 00:53:59,670

I'm sitting here a mouth work that day

1212

00:54:04,280 --> 00:54:01,950

and I just started putting you guys

1213

00:54:05,690 --> 00:54:04,290

might remember if your facebook pictures

1214

00:54:07,400 --> 00:54:05,700

after pictures of Rendlesham thing

1215

00:54:08,990 --> 00:54:07,410

render some things non-stop over and

1216

00:54:10,849 --> 00:54:09,000

over it's not long ago just last year

1217

00:54:14,000 --> 00:54:10,859

over and over and over and I'm like what

1218

00:54:18,319 --> 00:54:14,010

the hell am i doing and I came to that

1219

00:54:20,390 --> 00:54:18,329

and I go but then I do this I

1220

00:54:21,739 --> 00:54:20,400

well that's interesting well I want to

1221

00:54:24,829 --> 00:54:21,749

show you something you see that pictures

1222

00:54:28,039 --> 00:54:24,839

on my facebook didn't pay much attention

1223

00:54:30,650 --> 00:54:28,049

to it I know as much as you do now

1224

00:54:33,319 --> 00:54:30,660

there's more comments now I don't wanna

1225

00:54:36,259 --> 00:54:33,329

show you this I see this comment right

1226

00:54:39,169 --> 00:54:36,269

here Larry what is that just above the

1227

00:54:43,809 --> 00:54:39,179

a-10 is a remark on the photo or what

1228

00:54:49,249 --> 00:54:43,819

you know and I'm like I don't know

1229

00:54:51,709 --> 00:54:49,259

so I someone else got on board with it

1230

00:54:56,390 --> 00:54:51,719

who is it rich is it rich

1231

00:54:59,089 --> 00:54:56,400

Vicky is it rich Robert Martin right and

1232

00:55:02,059 --> 00:54:59,099

right this guy got on it where is he

1233

00:55:03,529 --> 00:55:02,069

Robert Martin this thing kicked off like

1234

00:55:06,829 --> 00:55:03,539

a monkey now you haven't heard about it

1235

00:55:09,109 --> 00:55:06,839

because I'm too scary for the too much

1236

00:55:13,849 --> 00:55:09,119

Larry got too much going on for him that

1237

00:55:17,949 --> 00:55:13,859

ain't right the way it is so people

1238

00:55:21,650 --> 00:55:17,959

smarter than me starting to look at this

1239

00:55:23,859 --> 00:55:21,660

which I never looked at twice and I'm

1240

00:55:26,929 --> 00:55:23,869

gonna show you what came out

1241

00:55:29,630 --> 00:55:26,939

now I does anyone know who dr. Bruce

1242

00:55:31,640 --> 00:55:29,640

Maccabee is is an optical physicist for

1243

00:55:34,099 --> 00:55:31,650

the US Navy and US government by the way

1244

00:55:37,160 --> 00:55:34,109

so when I say this has been analyzed by

1245

00:55:40,880 --> 00:55:37,170

someone with credentials it has now what

1246

00:55:42,349 --> 00:55:40,890

we're gonna do is I can't go and believe

1247

00:55:43,759 --> 00:55:42,359

me other people are now running with

1248

00:55:45,759 --> 00:55:43,769

beter does this it's all part of

1249

00:55:47,809 --> 00:55:45,769

everyone else's gig once I say anything

1250

00:55:51,459 --> 00:55:47,819

and good for them you know it's

1251

00:55:57,109 --> 00:55:55,669

pictures again Larry sorry it's so

1252

00:56:00,640 --> 00:55:57,119

primitive how I'm doing this night you

1253

00:56:07,520 --> 00:56:00,650

want to share this stuff with you I

1254

00:56:12,260 --> 00:56:10,099

I have described what I've seen on paper

1255

00:56:15,160 --> 00:56:12,270

early on it was on the cover of the news

1256

00:56:18,349 --> 00:56:15,170

of the world I didn't finish the drug

1257

00:56:21,920 --> 00:56:18,359

about 1984 I do it once this became

1258

00:56:23,750 --> 00:56:21,930

famous and I drew another picture and I

1259

00:56:26,359 --> 00:56:23,760

said that's the shape of the thing I saw

1260

00:56:30,260 --> 00:56:26,369

I wasn't quite an artist then some would

1261

00:56:33,620 --> 00:56:30,270

say maybe not now but what came out is

1262

00:56:35,240 --> 00:56:33,630

exactly what I've been drawing and I had

1263

00:56:37,339 --> 00:56:35,250

no idea so I know what I'm gonna do and

1264

00:56:38,830 --> 00:56:37,349

again we owe a great debt to this guy

1265

00:56:41,960 --> 00:56:38,840

mix air oops

1266

00:56:43,400 --> 00:56:41,970

just let me get to it cuz I gotta create

1267

00:56:47,599 --> 00:56:43,410

don't I I have to do a PowerPoint

1268

00:56:49,849 --> 00:56:47,609

building I have to join the century my

1269

00:56:52,580 --> 00:56:49,859

photos and I want to show you guys you

1270

00:56:56,450 --> 00:56:52,590

gonna love this if you don't there's no

1271

00:57:04,700 --> 00:56:56,460

hope for you let's say I don't look at

1272

00:57:07,070 --> 00:57:04,710

that that's not me that did that yeah

1273

00:57:08,960 --> 00:57:07,080

but no it has a kernel sad so I'm you

1274

00:57:12,020 --> 00:57:08,970

know I like a laugh if my head was on it

1275

00:57:16,550 --> 00:57:12,030

it wouldn't matter but I this is let's

1276

00:57:18,349 --> 00:57:16,560

get dam in every well I'm like this

1277

00:57:22,220 --> 00:57:18,359

misses out there there's my art by the

1278

00:57:27,349 --> 00:57:22,230

way there's my son got a haircut finally

1279

00:57:32,320 --> 00:57:27,359

there's am I doing this right hey guys

1280

00:57:34,820 --> 00:57:32,330

come on I just slaughter alia let's say

1281

00:57:37,280 --> 00:57:34,830

give me a minute to say I just want to

1282

00:57:44,660 --> 00:57:37,290

show you this that I can move on can I

1283

00:57:44,670 --> 00:57:48,470

ah

1284

00:57:55,520 --> 00:57:53,330

there we go I'll talk about this letter

1285

00:57:57,560 --> 00:57:55,530

you see me with Gary hey that is

1286

00:57:59,480 --> 00:57:57,570

actually well go there in a minute

1287

00:58:03,580 --> 00:57:59,490

I want to just let me good Lord of

1288

00:58:09,560 --> 00:58:06,380

and Shaun Ryder that was an interesting

1289

00:58:11,570 --> 00:58:09,570

show nice guy actually you know there

1290

00:58:15,590 --> 00:58:11,580

was no always a druggie you know there's

1291

00:58:16,390 --> 00:58:15,600

a nice guy I like them seeing all my

1292

00:58:20,990 --> 00:58:16,400

pictures

1293

00:58:24,710 --> 00:58:21,000

the Warriors you all Alan Godfrey

1294

00:58:28,610 --> 00:58:24,720

whatever bill he wrote I didn't put that

1295

00:58:30,650 --> 00:58:28,620

on there sorry well you know guys I'm

1296

00:58:32,930 --> 00:58:30,660

Steve do you have that picture I I don't

1297

00:58:43,550 --> 00:58:32,940

know it's on here but I don't want to

1298

00:58:55,700 --> 00:58:43,560

play around with it all no no I'm trying

1299

00:59:02,150 --> 00:58:55,710

to push the antenna yeah it's um it's my

1300

00:59:04,700 --> 00:59:02,160

pictures yeah I got crazy friends on

1301

00:59:07,850 --> 00:59:04,710

this stuff that I don't know why that's

1302

00:59:09,740 --> 00:59:07,860

on there I should just send Peter posted

1303

00:59:13,880 --> 00:59:09,750

a mission liaison since you're part of

1304

00:59:21,380 --> 00:59:13,890

the conference it's these are things

1305

00:59:28,140 --> 00:59:24,539

let me try this job you know it's gonna

1306

00:59:35,670 --> 00:59:28,150

be down just bare why they just have to

1307

00:59:44,490 --> 00:59:35,680

see this guy's I got too many and why I

1308

00:59:52,980 --> 00:59:50,130

we'll be there just bear with us guys

1309

00:59:55,079 --> 00:59:52,990

for a second okay go back that's it

1310

00:59:57,450 --> 00:59:55,089

okay here's what happened thank you a

1311

01:00:09,690 --> 00:59:57,460

king that's white will it turn it into

1312

01:00:11,130 --> 01:00:09,700

Florence oh there it is all right guys

1313

01:00:12,569 --> 01:00:11,140

this is the most interesting kind of

1314

01:00:16,019 --> 01:00:12,579

weird because it would talk you've ever

1315

01:00:18,809 --> 01:00:16,029

seen my son posing with an a statue

1316

01:00:21,269 --> 01:00:18,819

anyway there's the picture you

1317

01:00:24,660 --> 01:00:21,279

originally saw as people went into it it

1318

01:00:27,390 --> 01:00:24,670

turned into that as you go into it then

1319

01:00:30,990 --> 01:00:27,400

it turned in closer you see the three

1320

01:00:33,720 --> 01:00:31,000

Delta appendages and it is tens of

1321

01:00:35,640 --> 01:00:33,730

meters wide it is a distance from the

1322

01:00:40,829 --> 01:00:35,650

aircraft Bruce Maccabee did a whole

1323

01:00:43,549 --> 01:00:40,839

thing on it and that is exactly when I

1324

01:00:45,839 --> 01:00:43,559

stood 15 feet in front of on the ground

1325

01:00:47,730 --> 01:00:45,849

but let this more important than that

1326

01:00:52,519 --> 01:00:47,740

this is 12 hours now approximately

1327

01:00:57,410 --> 01:00:52,529

before my shift began and night 3 began

1328

01:01:00,900 --> 01:00:57,420

god we know you're there Peter but now

1329

01:01:03,870 --> 01:01:00,910

the same photo shown is a 110 camera

1330

01:01:06,660 --> 01:01:03,880

took that I did not see it I felt

1331

01:01:09,900 --> 01:01:06,670

compelled to take it and 34 years later

1332

01:01:12,480 --> 01:01:09,910

we find it and it matches everything I

1333

01:01:15,690 --> 01:01:12,490

seen and what I described but I'm not

1334

01:01:17,519 --> 01:01:15,700

here to run my case and try to give you

1335

01:01:19,529 --> 01:01:17,529

over the

1336

01:01:21,299 --> 01:01:19,539

and a lot of people have done work on

1337

01:01:22,919 --> 01:01:21,309

this you can see drawings active in the

1338

01:01:25,859 --> 01:01:22,929

80s I don't know where that one is I'm

1339

01:01:28,739 --> 01:01:25,869

not gonna waste your time but there was

1340

01:01:32,069 --> 01:01:28,749

even something above it that isn't

1341

01:01:35,789 --> 01:01:32,079

defined and what this tells me is that

1342

01:01:38,219 --> 01:01:35,799

this phenomenon was in the area non-stop

1343

01:01:40,349 --> 01:01:38,229

whether it was visible or not it was

1344

01:01:42,899 --> 01:01:40,359

here to do something and it wasn't a

1345

01:01:45,449 --> 01:01:42,909

common go random obviously three nights

1346

01:01:47,129 --> 01:01:45,459

in a row there's something going on so

1347

01:01:48,839 --> 01:01:47,139

that's just a point I want to share that

1348

01:01:50,069 --> 01:01:48,849

with you I'm not gonna give you analysis

1349

01:01:52,409 --> 01:01:50,079

and all because I'm not one of them

1350

01:01:55,499 --> 01:01:52,419

people other people are all doing it now

1351

01:01:57,599 --> 01:01:55,509

but mainstream UF ology that's too scary

1352

01:01:59,759 --> 01:01:57,609

for them it makes me to write and that

1353

01:02:03,149 --> 01:01:59,769

can't happen but I'm telling you am i

1354

01:02:05,099 --> 01:02:03,159

right and you got ahead I need ya hello

1355

01:02:07,459 --> 01:02:05,109

I can't even work this I couldn't make

1356

01:02:09,659 --> 01:02:07,469

that out

1357

01:02:14,549 --> 01:02:09,669

nevermind the Christmas message from the

1358

01:02:17,459 --> 01:02:14,559

Hells Angels there but oh yeah okay one

1359

01:02:18,569 --> 01:02:17,469

of the big allies I have a hat look give

1360

01:02:21,149 --> 01:02:18,579

you a break in a minute cuz this is

1361

01:02:23,039 --> 01:02:21,159

draining me sometimes this is Stevie Ray

1362

01:02:25,979 --> 01:02:23,049

Vaughan who now just went into the Rock

1363

01:02:28,259 --> 01:02:25,989

and Roll Hall of Fame where he belongs

1364

01:02:29,789 --> 01:02:28,269

after 25 years he was killed in a

1365

01:02:32,609 --> 01:02:29,799

helicopter crash one of my dearest

1366

01:02:34,589 --> 01:02:32,619

friends and I wrote the song wall of

1367

01:02:36,689 --> 01:02:34,599

denial about Rendlesham forest it's on

1368

01:02:39,149 --> 01:02:36,699

the album in step give a listen sometime

1369

01:02:43,129 --> 01:02:39,159

and it was a lovely man and I do this in

1370

01:02:45,869 --> 01:02:43,139

a great field and that's me next to it

1371

01:02:48,209 --> 01:02:45,879

anyway you know me better than most

1372

01:02:53,740 --> 01:02:48,219

people I don't know if you saw another

1373

01:02:59,290 --> 01:02:55,810

I think that's Leslie cane and porn a

1374

01:03:02,860 --> 01:02:59,300

pump again do you know is oh my god

1375

01:03:06,370 --> 01:03:02,870

that's a new one this guy is like a

1376

01:03:10,660 --> 01:03:06,380

virus of numerous things and it gets

1377

01:03:13,780 --> 01:03:10,670

worse every day I can't post anything I

1378

01:03:16,270 --> 01:03:13,790

want to tell you I a comment was made

1379

01:03:21,190 --> 01:03:16,280

about mr. Hall last week in his relation

1380

01:03:22,030 --> 01:03:21,200

to me I was a friend of this man for 30

1381

01:03:23,770 --> 01:03:22,040

years

1382

01:03:27,670 --> 01:03:23,780

my co-author was an executive assistant

1383

01:03:29,740 --> 01:03:27,680

for since the 70s and he wrote the

1384

01:03:31,840 --> 01:03:29,750

foreword on the updated edition of our

1385

01:03:35,320 --> 01:03:31,850

book and I'm very offended at a certain

1386

01:03:38,400 --> 01:03:35,330

individual disparaging him by making the

1387

01:03:41,820 --> 01:03:38,410

unknowing thing that he disparaged us

1388

01:03:44,830 --> 01:03:41,830

that's called Sony that's called insane

1389

01:03:47,200 --> 01:03:44,840

particularly when provable lies are

1390

01:03:49,090 --> 01:03:47,210

presented as fact that's something wrong

1391

01:03:50,800 --> 01:03:49,100

there in the head that's not an agenda

1392

01:03:56,920 --> 01:03:50,810

there's something wrong when the school

1393

01:04:03,700 --> 01:03:56,930

was department so enough about all that

1394

01:04:05,860 --> 01:04:03,710

oh that's my son in a hotel and but

1395

01:04:07,690 --> 01:04:05,870

anyway I had a normal family and all

1396

01:04:09,520 --> 01:04:07,700

that and I'm you know we're not out of a

1397

01:04:13,330 --> 01:04:09,530

mold people like me but there ain't many

1398

01:04:15,970 --> 01:04:13,340

like me and that's me back in about 1964

1399

01:04:18,040 --> 01:04:15,980

and my sister who looks like a boy and

1400

01:04:19,930 --> 01:04:18,050

my mother and my father which did that

1401

01:04:23,100 --> 01:04:19,940

come out too well my sister sends me but

1402

01:04:27,070 --> 01:04:23,110

she's she takes pictures like this and

1403

01:04:29,170 --> 01:04:27,080

that kind of thing and this is when we

1404

01:04:30,580 --> 01:04:29,180

actually did find out the truth and we

1405

01:04:33,850 --> 01:04:30,590

have been lying for years about

1406

01:04:38,110 --> 01:04:33,860

revolution I it was all for the money

1407

01:04:42,460 --> 01:04:38,120

and women but life isn't dead

1408

01:04:44,860 --> 01:04:42,470

here it is no I'm gonna get on with it

1409

01:04:49,090 --> 01:04:44,870

in a second oh it's my son when he had

1410

01:04:50,740 --> 01:04:49,100

shorter hair anyway you know it's yeah

1411

01:04:52,060 --> 01:04:50,750

we found the truth we always thought

1412

01:04:53,830 --> 01:04:52,070

that was probably off Colonel halt

1413

01:04:55,540 --> 01:04:53,840

Cadillac but that's where we're

1414

01:04:57,220 --> 01:04:55,550

researching over here and that's not in

1415

01:04:59,380 --> 01:04:57,230

for up that's me taking a picture of a

1416

01:05:05,140 --> 01:04:59,390

picture as you know that place is

1417

01:05:07,630 --> 01:05:05,150

crawling with Forbes anyway well now

1418

01:05:09,850 --> 01:05:07,640

that was about to fake veterans I saw

1419

01:05:13,030 --> 01:05:09,860

said you had a problem we find them

1420

01:05:19,210 --> 01:05:13,040

offensive also the bottom line is is

1421

01:05:21,190 --> 01:05:19,220

that my night begins I go to on post we

1422

01:05:23,740 --> 01:05:21,200

go through garden out garden out is a

1423

01:05:27,070 --> 01:05:23,750

thing where again these two bunkers in

1424

01:05:27,940 --> 01:05:27,080

this country particularly the kind they

1425

01:05:29,860 --> 01:05:27,950

never come and meet us

1426

01:05:32,230 --> 01:05:29,870

I assure you he and Redpath has never

1427

01:05:34,840 --> 01:05:32,240

made an effort to meet anyone he's just

1428

01:05:36,940 --> 01:05:34,850

as his agenda him and many others what's

1429

01:05:38,980 --> 01:05:36,950

the guy Dave Clark who had better

1430

01:05:42,550 --> 01:05:38,990

records in the 60s than he does in the

1431

01:05:44,530 --> 01:05:42,560

stuff but cowards they're frankly little

1432

01:05:47,190 --> 01:05:44,540

people that will never meet the people

1433

01:05:50,410 --> 01:05:47,200

and just spew [h__h] through their

1434

01:05:53,470 --> 01:05:50,420

intellectual garbage I'd rather look at

1435

01:05:56,200 --> 01:05:53,480

Tino's things it's just the fact that

1436

01:06:01,330 --> 01:05:56,210

full of [h__h] okay and we scared them

1437

01:06:02,530 --> 01:06:01,340

because we're not and guard mount is a

1438

01:06:04,150 --> 01:06:02,540

thing where you checked if you were on

1439

01:06:05,890 --> 01:06:04,160

drugs narcotics this that or the other

1440

01:06:07,450 --> 01:06:05,900

and you're inspected by a flight chief

1441

01:06:09,670 --> 01:06:07,460

you're posted to flight you get your

1442

01:06:13,930 --> 01:06:09,680

weapon you clear them you go out I was

1443

01:06:16,210 --> 01:06:13,940

posted on P 18 I was picked up by we do

1444

01:06:18,490 --> 01:06:16,220

radio checks I was picked up by after

1445

01:06:20,650 --> 01:06:18,500

about 15 20 minutes I heard a radio

1446

01:06:23,980 --> 01:06:20,660

thing from our tower the speak ads tower

1447

01:06:28,300 --> 01:06:23,990

and the WUSA 80 feet tall those lights

1448

01:06:30,520 --> 01:06:28,310

are back hmm what's that and I saw these

1449

01:06:33,250 --> 01:06:30,530

deer we had lower fences then not like

1450

01:06:35,800 --> 01:06:33,260

you see now around the base and I was

1451

01:06:38,140 --> 01:06:35,810

picked up they said Warren deactivate

1452

01:06:41,770 --> 01:06:38,150

your post which meant leave your post I

1453

01:06:44,020 --> 01:06:41,780

was in an alert post dug in you saw that

1454

01:06:44,420 --> 01:06:44,030

UFO Declassified that actor was actually

1455

01:06:46,010 --> 01:06:44,430

at

1456

01:06:50,090 --> 01:06:46,020

my actual post no one had ever gone to

1457

01:06:53,030 --> 01:06:50,100

them I haven't and I was picked up by

1458

01:06:54,770 --> 01:06:53,040

Adrian best Enza lieutenant Bruce

1459

01:06:57,560 --> 01:06:54,780

England in the passenger seat

1460

01:06:59,570 --> 01:06:57,570

who has makes comments in that book by

1461

01:07:03,650 --> 01:06:59,580

the way all the people that I was with

1462

01:07:06,200 --> 01:07:03,660

by the way and Steve on Jarrow in the

1463

01:07:08,390 --> 01:07:06,210

back Mark Thompson open pickup truck not

1464

01:07:10,580 --> 01:07:08,400

a G pickup truck made her way of the

1465

01:07:13,940 --> 01:07:10,590

motor pool I didn't know busy well then

1466

01:07:16,700 --> 01:07:13,950

he was a sergeant and we had to refuel

1467

01:07:17,960 --> 01:07:16,710

light off light ulcer always hear them

1468

01:07:19,640 --> 01:07:17,970

in these shows they light aircraft

1469

01:07:24,140 --> 01:07:19,650

they're like a little trailer mounted

1470

01:07:26,090 --> 01:07:24,150

thing and we I'm thinking why are we

1471

01:07:26,690 --> 01:07:26,100

doing this must be an exercise we are

1472

01:07:29,060 --> 01:07:26,700

fully armed

1473

01:07:30,680 --> 01:07:29,070

nothing chambered no rounds in the

1474

01:07:33,590 --> 01:07:30,690

chamber that was the law of the land

1475

01:07:35,330 --> 01:07:33,600

here some strange things happen at the

1476

01:07:37,940 --> 01:07:35,340

motor pool which I talked about at

1477

01:07:39,530 --> 01:07:37,950

length have always said you always hear

1478

01:07:40,880 --> 01:07:39,540

I changed my story I'm actually getting

1479

01:07:42,710 --> 01:07:40,890

folks the one that's had the most

1480

01:07:44,630 --> 01:07:42,720

consistent one I might have different

1481

01:07:46,690 --> 01:07:44,640

views a little dis and that as time goes

1482

01:07:51,080 --> 01:07:46,700

on but does that happen

1483

01:07:52,460 --> 01:07:51,090

we drove on I didn't know there were a

1484

01:07:54,980 --> 01:07:52,470

few people that say they were off duty

1485

01:07:56,750 --> 01:07:54,990

they were actually there we met other

1486

01:07:58,820 --> 01:07:56,760

vehicles at the may old main gate of

1487

01:08:01,490 --> 01:07:58,830

Bentwaters which doesn't even exist now

1488

01:08:03,830 --> 01:08:01,500

it's been grown over hasn't it and I

1489

01:08:06,050 --> 01:08:03,840

remember one of the guys in the back

1490

01:08:08,660 --> 01:08:06,060

mark his parents are coming over for New

1491

01:08:10,550 --> 01:08:08,670

Year's and we're talking about that and

1492

01:08:13,670 --> 01:08:10,560

we say must be on an exercise and all it

1493

01:08:15,440 --> 01:08:13,680

was in the 30s Fahrenheit no moon I

1494

01:08:17,390 --> 01:08:15,450

remember halt many years ago sanding up

1495

01:08:19,280 --> 01:08:17,400

the weather was exactly that they says a

1496

01:08:22,430 --> 01:08:19,290

lot of things but it was it was for me

1497

01:08:24,530 --> 01:08:22,440

it wasn't that cold tonight get down the

1498

01:08:26,090 --> 01:08:24,540

end those flares on the remember the

1499

01:08:28,310 --> 01:08:26,100

long road picture I showed you with the

1500

01:08:29,870 --> 01:08:28,320

trees there was a road block there there

1501

01:08:32,210 --> 01:08:29,880

was a 4 Cortina and those law

1502

01:08:34,090 --> 01:08:32,220

enforcement car it was a flare in the

1503

01:08:38,050 --> 01:08:34,100

road there's no one used those roads

1504

01:08:42,910 --> 01:08:38,060

what was that oh it was just a bill and

1505

01:08:47,810 --> 01:08:42,920

that guy's freaking me out bad that bad

1506

01:08:51,070 --> 01:08:47,820

the things people send me but they they

1507

01:08:53,660 --> 01:08:51,080

I was an open pickup truck so I'm here

1508

01:08:56,519 --> 01:08:53,670

Steve's here on the wheel well this

1509

01:08:58,919 --> 01:08:56,529

little bench thing we have a weapon rack

1510

01:09:01,410 --> 01:08:58,929

just we had their steering wheels on our

1511

01:09:03,809 --> 01:09:01,420

side the state side that on our vehicles

1512

01:09:05,039 --> 01:09:03,819

and this poor Cortina with this woman

1513

01:09:07,890 --> 01:09:05,049

and she was trying to get to the back

1514

01:09:10,260 --> 01:09:07,900

gate which was not used much at night

1515

01:09:12,890 --> 01:09:10,270

and they I remember the Ellie toner

1516

01:09:16,410 --> 01:09:12,900

there might be an exploded ordinance

1517

01:09:17,849 --> 01:09:16,420

that was that about so we left that

1518

01:09:19,379 --> 01:09:17,859

there was a little girl asleep next to

1519

01:09:23,729 --> 01:09:19,389

we're on the seat of saw I'm looking

1520

01:09:26,399 --> 01:09:23,739

down it off we go so naive guys 19 years

1521

01:09:29,459 --> 01:09:26,409

old hidden in the Hellmouth that's what

1522

01:09:32,160 --> 01:09:29,469

we did and we get down the end and we're

1523

01:09:34,319 --> 01:09:32,170

left at ease k came from people go well

1524

01:09:34,829 --> 01:09:34,329

it isn't left at Eastgate well you know

1525

01:09:37,680 --> 01:09:34,839

what

1526

01:09:40,260 --> 01:09:37,690

artistic license it's my goddamn book I

1527

01:09:43,169 --> 01:09:40,270

lived it I bled for it uh call thing L I

1528

01:09:44,789 --> 01:09:43,179

want we get down and someone lieutenant

1529

01:09:47,490 --> 01:09:44,799

England those he was an ex-marine by the

1530

01:09:49,049 --> 01:09:47,500

way because where the hell are we

1531

01:09:51,299 --> 01:09:49,059

supposed to go on this to turn left

1532

01:09:53,549 --> 01:09:51,309

after we escaped that was awkward for

1533

01:09:55,560 --> 01:09:53,559

the title so I put left at Eastgate we

1534

01:09:58,140 --> 01:09:55,570

are left at Easter we drove past the

1535

01:09:59,760 --> 01:09:58,150

Eastgate Road down the little hill then

1536

01:10:02,819 --> 01:09:59,770

some of you are quite familiar where I'm

1537

01:10:05,339 --> 01:10:02,829

talking the only trail that exists now

1538

01:10:08,549 --> 01:10:05,349

from those days is the trail we turned

1539

01:10:10,649 --> 01:10:08,559

out it was a loggers access road it was

1540

01:10:12,510 --> 01:10:10,659

dirt track then it wasn't stone on it

1541

01:10:14,790 --> 01:10:12,520

stone was put on it when they cleared

1542

01:10:17,640 --> 01:10:14,800

the forest after the windstorm for the

1543

01:10:19,879 --> 01:10:17,650

heavy equipment so when all mud up back

1544

01:10:22,500 --> 01:10:19,889

then it was just a dirt track

1545

01:10:24,330 --> 01:10:22,510

cathedral-like with the trees we turned

1546

01:10:25,680 --> 01:10:24,340

up that I don't know if there was a gate

1547

01:10:28,049 --> 01:10:25,690

there or not they would have opened it

1548

01:10:29,580 --> 01:10:28,059

what Johnny burrows told me last year is

1549

01:10:32,970 --> 01:10:29,590

that there was a command post set up

1550

01:10:34,439 --> 01:10:32,980

just beyond as a camp site because you

1551

01:10:36,510 --> 01:10:34,449

know there was a command post set up in

1552

01:10:39,270 --> 01:10:36,520

there to I go I did not cuz I never went

1553

01:10:41,100 --> 01:10:39,280

there he does there was head on down we

1554

01:10:44,010 --> 01:10:41,110

get to a clearing which is still there

1555

01:10:45,689 --> 01:10:44,020

it was much smaller then we pulled off

1556

01:10:48,689 --> 01:10:45,699

there's a dip in the ground that still

1557

01:10:51,029 --> 01:10:48,699

remains I don't know why and we get out

1558

01:10:53,160 --> 01:10:51,039

of the vehicles we hand we have red hats

1559

01:10:54,810 --> 01:10:53,170

turn in our weapons is everything I'm

1560

01:10:58,890 --> 01:10:54,820

telling you is verified by other people

1561

01:11:01,080 --> 01:10:58,900

don't be fooled by these Pete rewrite us

1562

01:11:02,819 --> 01:11:01,090

or whatever and we turn their weapons

1563

01:11:05,640 --> 01:11:02,829

and we weren't allowed weapons on your

1564

01:11:07,169 --> 01:11:05,650

soil so they're red hats took them off

1565

01:11:09,240 --> 01:11:07,179

we could transport them between the base

1566

01:11:09,560 --> 01:11:09,250

but we couldn't be on the ground

1567

01:11:12,560 --> 01:11:09,570

Stan

1568

01:11:16,819 --> 01:11:12,570

with a weapon it's against the treaty

1569

01:11:19,729 --> 01:11:16,829

were foreign force and this is the one

1570

01:11:21,470 --> 01:11:19,739

point I believe I saw Colonel halt which

1571

01:11:23,089 --> 01:11:21,480

I always asked him did you wear aviator

1572

01:11:24,950 --> 01:11:23,099

glasses at night did you wear night

1573

01:11:27,290 --> 01:11:24,960

vision you know glasses of my gold

1574

01:11:30,410 --> 01:11:27,300

friend because I sat with him in DC and

1575

01:11:31,879 --> 01:11:30,420

80 93 went to see him I brought them all

1576

01:11:33,260 --> 01:11:31,889

I stopped he didn't put his cards on the

1577

01:11:35,870 --> 01:11:33,270

table so well they are mine he goes

1578

01:11:40,040 --> 01:11:35,880

how'd you get that I said snow which he

1579

01:11:42,470 --> 01:11:40,050

wasn't happy with but we this guy came

1580

01:11:44,540 --> 01:11:42,480

up England's here and this bunch of guys

1581

01:11:46,640 --> 01:11:44,550

came up and that's halts party I believe

1582

01:11:47,149 --> 01:11:46,650

and they said something in England went

1583

01:11:48,830 --> 01:11:47,159

with them

1584

01:11:50,990 --> 01:11:48,840

that's why Bruce England we split there

1585

01:11:53,149 --> 01:11:51,000

are a lot of people there John Burroughs

1586

01:11:56,390 --> 01:11:53,159

is right in the corner John was involved

1587

01:11:58,970 --> 01:11:56,400

two nights you can't miss job six seven

1588

01:12:02,419 --> 01:11:58,980

standing next to Chris Arnold's police

1589

01:12:05,510 --> 01:12:02,429

car Chris Armas freaked out and melted

1590

01:12:07,669 --> 01:12:05,520

down John stare civilian clothes and I

1591

01:12:10,550 --> 01:12:07,679

knew who had just recognized Minelli guy

1592

01:12:12,290 --> 01:12:10,560

and we broke up when you've heard the

1593

01:12:14,810 --> 01:12:12,300

story we went through the forest I'm

1594

01:12:16,879 --> 01:12:14,820

just going to accentuate it now on the

1595

01:12:20,510 --> 01:12:16,889

open channel of the radios we kept here

1596

01:12:22,399 --> 01:12:20,520

in October number one this one I first

1597

01:12:24,410 --> 01:12:22,409

heard the whole tape oh my god that's

1598

01:12:26,600 --> 01:12:24,420

the night because I all the background

1599

01:12:29,660 --> 01:12:26,610

alpha one security on I'm like what the

1600

01:12:30,979 --> 01:12:29,670

hell we were alpha one and I was with

1601
01:12:33,500 --> 01:12:30,989
sergeant bass Tenzin

1602
01:12:35,149 --> 01:12:33,510
and two other individuals we made our

1603
01:12:36,950 --> 01:12:35,159
way through you've heard the story I

1604
01:12:40,550 --> 01:12:36,960
won't take that from you I will tell you

1605
01:12:42,169 --> 01:12:40,560
this I got to a clearing which I didn't

1606
01:12:44,300 --> 01:12:42,179
know was called cable green there's a

1607
01:12:47,750 --> 01:12:44,310
big giant tree which is still there it

1608
01:12:50,540 --> 01:12:47,760
was lit up so I was always my marker I

1609
01:12:52,280 --> 01:12:50,550
knew what size and I estimated beyond

1610
01:12:56,390 --> 01:12:52,290
that's a farmer's farm house still there

1611
01:12:58,280 --> 01:12:56,400
light on second floor dog barking two

1612
01:13:01,069 --> 01:12:58,290
cows in the field it was a cow field

1613
01:13:03,680 --> 01:13:01,079

them 1980 and the cows were wandering at

1614

01:13:06,970 --> 01:13:03,690

night just kind of nearest in the field

1615

01:13:11,540 --> 01:13:06,980

was a circular object on the ground

1616

01:13:13,640 --> 01:13:11,550

greenish yellow transparent but not

1617

01:13:15,830 --> 01:13:13,650

floating off the ground I was here it

1618

01:13:18,109 --> 01:13:15,840

was here's the ground and it was this

1619

01:13:20,070 --> 01:13:18,119

high low but it was like fog with a

1620

01:13:22,440 --> 01:13:20,080

definition shaped

1621

01:13:23,820 --> 01:13:22,450

hard to describe because you wouldn't

1622

01:13:27,570 --> 01:13:23,830

think UFO you're like what the hell is

1623

01:13:29,310 --> 01:13:27,580

this cameras this events were filmed and

1624

01:13:33,420 --> 01:13:29,320

I will prove that to you that they were

1625

01:13:35,100 --> 01:13:33,430

filmed and photographed happily and the

1626

01:13:36,870 --> 01:13:35,110

flip film and photographs were flown out

1627

01:13:39,030 --> 01:13:36,880

that base to third Air Force

1628

01:13:41,460 --> 01:13:39,040

Headquarters in Germany there won't be

1629

01:13:44,220 --> 01:13:41,470

me telling you that it'll be a captain

1630

01:13:45,720 --> 01:13:44,230

from our base telling you that we're

1631

01:13:46,980 --> 01:13:45,730

gonna take a break in a minute but I

1632

01:13:50,190 --> 01:13:46,990

want to get to this because then it's

1633

01:13:51,720 --> 01:13:50,200

heavy after this if you interest another

1634

01:13:55,200 --> 01:13:51,730

why I can show you funny pictures from

1635

01:13:58,230 --> 01:13:55,210

Tino and which are probably more fun but

1636

01:14:00,570 --> 01:13:58,240

the thing is I used to be very angry

1637

01:14:02,640 --> 01:14:00,580

enough time doing this but now it isn't

1638

01:14:08,160 --> 01:14:02,650

like yeah you know maybe this is the

1639

01:14:10,110 --> 01:14:08,170

route that go have some fun we but I do

1640

01:14:12,660 --> 01:14:10,120

get angry at [h__h] artists and Liars

1641

01:14:15,780 --> 01:14:12,670

and rewrite us and revisionist I get in

1642

01:14:17,790 --> 01:14:15,790

anything you know I and I get very angry

1643

01:14:19,530 --> 01:14:17,800

about that I should learn to relax a

1644

01:14:21,630 --> 01:14:19,540

little more start drinking again maybe I

1645

01:14:26,430 --> 01:14:21,640

don't know that's how do you do it

1646

01:14:30,540 --> 01:14:26,440

so we what I seen is all that with these

1647

01:14:33,090 --> 01:14:30,550

artists the Orford lighthouse if you can

1648

01:14:37,200 --> 01:14:33,100

see they're not polite how still the

1649

01:14:40,250 --> 01:14:37,210

press here 35 years later still use the

1650

01:14:45,000 --> 01:14:40,260

lighthouse they can't help themselves

1651

01:14:47,370 --> 01:14:45,010

here's the lighthouse pretend there's

1652

01:14:50,010 --> 01:14:47,380

the farmhouse there's the lighthouse on

1653

01:14:51,540 --> 01:14:50,020

the horizon you would if I believe me I

1654

01:14:53,910 --> 01:14:51,550

wasn't paying attention to lighthouse

1655

01:14:57,720 --> 01:14:53,920

little teeny flash if you saw it at all

1656

01:15:00,000 --> 01:14:57,730

back then and there's trees and then the

1657

01:15:01,710 --> 01:15:00,010

finger trees come out which you know

1658

01:15:03,510 --> 01:15:01,720

about right that's where John and Jim's

1659

01:15:05,310 --> 01:15:03,520

now moved their new site nothing

1660

01:15:07,560 --> 01:15:05,320

happened in Cape of Green now everything

1661

01:15:08,160 --> 01:15:07,570

happening it was rain thank you very

1662

01:15:10,890 --> 01:15:08,170

much

1663

01:15:13,890 --> 01:15:10,900

over the trees from the direction of

1664

01:15:16,850 --> 01:15:13,900

North Sea south of the Orford lighthouse

1665

01:15:19,380 --> 01:15:16,860

came a light much like that it was amber

1666

01:15:21,060 --> 01:15:19,390

and we could see and I'm just thinking

1667

01:15:22,920 --> 01:15:21,070

now they're filming this thing and

1668

01:15:26,610 --> 01:15:22,930

there's a lot of people out there and

1669

01:15:28,800 --> 01:15:26,620

there were senior people - Gordon - mr.

1670

01:15:29,590 --> 01:15:28,810

hall they halt was not the senior guy

1671

01:15:31,690 --> 01:15:29,600

here he is a

1672

01:15:34,480 --> 01:15:31,700

protection artist for certain people I

1673

01:15:37,410 --> 01:15:34,490

know it I was the guy's body girl when

1674

01:15:42,730 --> 01:15:37,420

he left they had his general star I know

1675

01:15:45,220 --> 01:15:42,740

and so that comes in now you got to

1676

01:15:46,720 --> 01:15:45,230

remember perception feeling movement I

1677

01:15:48,490 --> 01:15:46,730

looked at this a part of the book I

1678

01:15:50,680 --> 01:15:48,500

looked at by watching the Timex watch

1679

01:15:52,270 --> 01:15:50,690

and it was everything was like this so

1680

01:15:54,240 --> 01:15:52,280

you've heard these newer witnesses all

1681

01:15:58,060 --> 01:15:54,250

described this I've been saying it for

1682

01:16:00,100 --> 01:15:58,070

33 years publicly move up with slow

1683

01:16:01,590 --> 01:16:00,110

thought process it wasn't normal you

1684

01:16:06,640 --> 01:16:01,600

wouldn't stick around for this stuff

1685

01:16:09,700 --> 01:16:06,650

came in dead center it was about to that

1686

01:16:13,870 --> 01:16:09,710

light high over this 50 foot diameter

1687

01:16:16,120 --> 01:16:13,880

foggy thing I am probably myself

1688

01:16:17,560 --> 01:16:16,130

startled the students it was here other

1689

01:16:20,530 --> 01:16:17,570

guys were here the cameras are over

1690

01:16:24,190 --> 01:16:20,540

there and they were cameras filming it

1691

01:16:25,870 --> 01:16:24,200

and they had the cameras to do it John

1692

01:16:28,000 --> 01:16:25,880

Burroughs was kept back he was off-duty

1693

01:16:30,040 --> 01:16:28,010

he can hear me and say tell him he can't

1694

01:16:31,990 --> 01:16:30,050

come out halt was five hundred yards

1695

01:16:34,360 --> 01:16:32,000

from us on the other side of the field

1696

01:16:36,220 --> 01:16:34,370

his group I didn't even notice nothing

1697

01:16:38,890 --> 01:16:36,230

never seen beams nothing I was looking

1698

01:16:40,690 --> 01:16:38,900

at what's in front of me this thing as

1699

01:16:41,770 --> 01:16:40,700

soon as it's there it looked like a

1700

01:16:45,040 --> 01:16:41,780

basketball

1701

01:16:46,660 --> 01:16:45,050

amber thing and if I even talking was

1702

01:16:48,850 --> 01:16:46,670

like you're in an echo

1703

01:16:52,420 --> 01:16:48,860

wrap them wool like a the feeling it's

1704

01:16:55,720 --> 01:16:52,430

like a movie boom blows up but in a

1705

01:16:58,810 --> 01:16:55,730

controlled thing with long lights that's

1706

01:17:01,150 --> 01:16:58,820

all I can say on that active action

1707

01:17:03,910 --> 01:17:01,160

alone I receive flash burns to my

1708

01:17:07,240 --> 01:17:03,920

retinas that are medically documented by

1709

01:17:09,490 --> 01:17:07,250

the US Air Force insulin SS all matter

1710

01:17:13,030 --> 01:17:09,500

of fact here in fact those documents are

1711

01:17:14,440 --> 01:17:13,040

in that book at the back reproduced next

1712

01:17:16,330 --> 01:17:14,450

thing we're gonna take a break in the

1713

01:17:18,250 --> 01:17:16,340

neck is hard to hear talking heads but

1714

01:17:20,140 --> 01:17:18,260

I'm gonna show you some actual video in

1715

01:17:22,750 --> 01:17:20,150

it but if you're with me

1716

01:17:25,120 --> 01:17:22,760

yep for this and but I'm just trying to

1717

01:17:28,540 --> 01:17:25,130

give you a real kind of a sense of this

1718

01:17:30,340 --> 01:17:28,550

vibe a structured object that which

1719

01:17:33,820 --> 01:17:30,350

would be a track I cannot describe it

1720

01:17:36,480 --> 01:17:33,830

that thing that thing that guy was right

1721

01:17:39,010 --> 01:17:36,490

in front of us however it was it

1722

01:17:41,170 --> 01:17:39,020

transformed it was this movement and

1723

01:17:42,569 --> 01:17:41,180

have to maintain that shape but it was

1724

01:17:44,939 --> 01:17:42,579

always constantly

1725

01:17:47,280 --> 01:17:44,949

some guys retreated some guys to their

1726

01:17:49,290 --> 01:17:47,290

cameras going all a while now I will

1727

01:17:51,299 --> 01:17:49,300

tell you this controversy were there

1728

01:17:53,640 --> 01:17:51,309

aliens there well I don't know what an

1729

01:17:56,010 --> 01:17:53,650

alien is and people that know me and

1730

01:17:58,350 --> 01:17:56,020

don't have an agenda about me I've never

1731

01:18:00,149 --> 01:17:58,360

said there were aliens there I said

1732

01:18:02,850 --> 01:18:00,159

there was something aligned an

1733

01:18:04,709 --> 01:18:02,860

association my perception of it with

1734

01:18:06,810 --> 01:18:04,719

that craft and separate from it there

1735

01:18:08,970 --> 01:18:06,820

were no windows isn't a crowd I don't

1736

01:18:11,280 --> 01:18:08,980

know I can't describe it for you it

1737

01:18:14,970 --> 01:18:11,290

doesn't look it looks like that but it's

1738

01:18:18,359 --> 01:18:14,980

alive its alive and when I say a thing

1739

01:18:21,180 --> 01:18:18,369

came off the side which it did think of

1740

01:18:22,680 --> 01:18:21,190

blowing a bubble it took me 35 years to

1741

01:18:24,990 --> 01:18:22,690

get this description because I think

1742

01:18:26,839 --> 01:18:25,000

some people think a door opened and you

1743

01:18:29,339 --> 01:18:26,849

know we exchange there was no handshakes

1744

01:18:30,780 --> 01:18:29,349

communication never said it I've never

1745

01:18:33,359 --> 01:18:30,790

said the general communicated with

1746

01:18:35,910 --> 01:18:33,369

anyone and he wasn't a general yet but I

1747

01:18:37,290 --> 01:18:35,920

see it reading all the time you're in

1748

01:18:40,080 --> 01:18:37,300

the heart all that good guy you know

1749

01:18:42,120 --> 01:18:40,090

what I'm saying but what I saw and I

1750

01:18:44,339 --> 01:18:42,130

can't prove this but someone's got it on

1751

01:18:46,470 --> 01:18:44,349

film and I'm not out to prove I'm not in

1752

01:18:49,530 --> 01:18:46,480

the belief business I'm in just keeping

1753

01:18:51,450 --> 01:18:49,540

things straight blow a bubble off that

1754

01:18:53,850 --> 01:18:51,460

that's how I describe that this thing

1755

01:18:58,049 --> 01:18:53,860

came off the side of this phenomena the

1756

01:19:00,870 --> 01:18:58,059

structured phenomenon and separated in

1757

01:19:03,060 --> 01:19:00,880

the three and then faded blue gold

1758

01:19:05,339 --> 01:19:03,070

lights off the ground which you've heard

1759

01:19:07,979 --> 01:19:05,349

another guy's described now and within

1760

01:19:11,370 --> 01:19:07,989

that line as it faded were things with

1761

01:19:14,760 --> 01:19:11,380

faces that moved I could see the upper

1762

01:19:16,740 --> 01:19:14,770

extremity and it moved and Sergeant

1763

01:19:20,010 --> 01:19:16,750

Pistons has said to me I this is just

1764

01:19:22,799 --> 01:19:20,020

like what happened in Alaska and it was

1765

01:19:27,870 --> 01:19:22,809

all slow and I'm like and it's truly

1766

01:19:30,180 --> 01:19:27,880

like a bubble dreamy effect and long

1767

01:19:32,640 --> 01:19:30,190

story short our wing showed up other

1768

01:19:35,669 --> 01:19:32,650

senior people showed up they were all

1769

01:19:37,979 --> 01:19:35,679

been protected that was Gordon we came

1770

01:19:40,620 --> 01:19:37,989

in from that way my side - I'm walking

1771

01:19:42,479 --> 01:19:40,630

exact steps he walked and you couldn't

1772

01:19:44,850 --> 01:19:42,489

bring vehicles down - child why didn't

1773

01:19:46,500 --> 01:19:44,860

we drive down to cable green then he

1774

01:19:48,419 --> 01:19:46,510

goes because there was a barbed

1775

01:19:51,120 --> 01:19:48,429

fence right here near the staging area

1776

01:19:53,010 --> 01:19:51,130

so far so different now we broke the

1777

01:19:54,140 --> 01:19:53,020

fences to get down they'd already laid

1778

01:19:57,290 --> 01:19:54,150

down the to store

1779

01:19:59,630 --> 01:19:57,300

barbed wire they had that night now

1780

01:20:02,390 --> 01:19:59,640

there's an 8-foot fence to keep you out

1781

01:20:05,300 --> 01:20:02,400

not dear it's not a deer fence it's a

1782

01:20:07,010 --> 01:20:05,310

you fence and though deer have been

1783

01:20:08,540 --> 01:20:07,020

harmed in that fence which i think is

1784

01:20:11,330 --> 01:20:08,550

appalling but the people that owned that

1785

01:20:14,900 --> 01:20:11,340

property of how when this green well is

1786

01:20:17,000 --> 01:20:14,910

their name they it's that property but

1787

01:20:20,570 --> 01:20:17,010

you know they're just nasty evil kind of

1788

01:20:23,180 --> 01:20:20,580

landowner types hang the rich but uh the

1789

01:20:25,430 --> 01:20:23,190

rude rude people we don't like you UFO

1790

01:20:28,880 --> 01:20:25,440

types on here as I give he UFO types and

1791

01:20:31,300 --> 01:20:28,890

stab me with our wars that happened we

1792

01:20:34,550 --> 01:20:31,310

were doing a BBC World Service radio

1793

01:20:36,020 --> 01:20:34,560

thing on takes you know years ago and

1794

01:20:37,310 --> 01:20:36,030

she comes riding at us with her horse

1795

01:20:39,320 --> 01:20:37,320

and their daughter was like so

1796

01:20:43,160 --> 01:20:39,330

embarrassed teenage guy felt bad for her

1797

01:20:45,470 --> 01:20:43,170

how dad you come on my property I well I

1798

01:20:48,230 --> 01:20:45,480

go you wouldn't believe what's been on

1799

01:20:52,130 --> 01:20:48,240

your property don't eat the carrots

1800

01:20:55,760 --> 01:20:52,140

that's all I can tell you and does your

1801
01:21:02,660 --> 01:20:55,770
daughter have three eyes I pretty kid

1802
01:21:04,850 --> 01:21:02,670
how did you know I was there and I'm not

1803
01:21:07,910 --> 01:21:04,860
making light of it I I don't know what I

1804
01:21:10,310 --> 01:21:07,920
saw you know you get stuck and when you

1805
01:21:12,500 --> 01:21:10,320
there's only if you write them anything

1806
01:21:14,120 --> 01:21:12,510
about this phenomena if yourselves

1807
01:21:15,530 --> 01:21:14,130
you're trying to describe it anything

1808
01:21:18,500 --> 01:21:15,540
I'm not the only guy go through this

1809
01:21:21,110 --> 01:21:18,510
stuff you've seen they try to find how

1810
01:21:23,090 --> 01:21:21,120
many words you can put it in use for

1811
01:21:24,710 --> 01:21:23,100
this phenomena and it all falls back

1812
01:21:27,020 --> 01:21:24,720
into the be science fiction genre

1813
01:21:30,230 --> 01:21:27,030

because I don't know what words to use

1814

01:21:31,940 --> 01:21:30,240

and then pop culture runs with it and

1815

01:21:34,340 --> 01:21:31,950

there's got to be a lian's has got there

1816

01:21:37,820 --> 01:21:34,350

was something alive or it wasn't or it

1817

01:21:39,860 --> 01:21:37,830

put it in our heads or it was who the

1818

01:21:43,070 --> 01:21:39,870

hell knows I'll never know that but it

1819

01:21:45,410 --> 01:21:43,080

happened and it left proof this site

1820

01:21:48,740 --> 01:21:45,420

where this happened is the only piece of

1821

01:21:52,160 --> 01:21:48,750

land in Rendlesham forest or around it

1822

01:21:55,370 --> 01:21:52,170

that has any evidence of an anomalous

1823

01:21:59,840 --> 01:21:55,380

event taking place scientific where I

1824

01:22:01,030 --> 01:21:59,850

say it happened no one else the only

1825

01:22:03,970 --> 01:22:01,040

evidence of an

1826

01:22:05,860 --> 01:22:03,980

this event scientifically analyzed by

1827

01:22:08,860 --> 01:22:05,870

springboard environmental labs and we're

1828

01:22:10,870 --> 01:22:08,870

of Massachusetts twice and you can read

1829

01:22:13,000 --> 01:22:10,880

all these things you know about it

1830

01:22:14,400 --> 01:22:13,010

I'm not into the science step but it's

1831

01:22:18,900 --> 01:22:14,410

just the way it worked out

1832

01:22:22,090 --> 01:22:18,910

do you know about that no it's too real

1833

01:22:23,980 --> 01:22:22,100

you can't have this moving forward so

1834

01:22:27,610 --> 01:22:23,990

the other day I'm tapped out by robert

1835

01:22:31,150 --> 01:22:27,620

ball it was a flight chief get back to

1836

01:22:33,760 --> 01:22:31,160

the site into the parking I see these

1837

01:22:36,940 --> 01:22:33,770

things and they're closed it was a

1838

01:22:38,740 --> 01:22:36,950

separation but there was watching it but

1839

01:22:41,200 --> 01:22:38,750

no one was up there shaking hands and

1840

01:22:42,550 --> 01:22:41,210

all this is I've never said that but it

1841

01:22:44,050 --> 01:22:42,560

makes a fool out of me doesn't it so

1842

01:22:47,110 --> 01:22:44,060

sounds good you know enemies will use

1843

01:22:47,800 --> 01:22:47,120

them and I look back and that was in

1844

01:22:50,050 --> 01:22:47,810

place

1845

01:22:53,710 --> 01:22:50,060

sergeant bust injure remained this is

1846

01:22:56,560 --> 01:22:53,720

why miss tens us with burrows later John

1847

01:22:58,990 --> 01:22:56,570

came forward after I went back probably

1848

01:23:00,880 --> 01:22:59,000

got I'm gonna break now is that what I

1849

01:23:04,030 --> 01:23:00,890

realized when I'm with sergeant Berto

1850

01:23:05,890 --> 01:23:04,040

with John Burroughs last year I said you

1851
01:23:07,390 --> 01:23:05,900
know I came back I remember you still

1852
01:23:09,580 --> 01:23:07,400
standing there and yelling at Chris

1853
01:23:11,770 --> 01:23:09,590
Arnold who was a real prick who got

1854
01:23:12,910 --> 01:23:11,780
terrified and took pictures and says now

1855
01:23:15,820 --> 01:23:12,920
nothing ever happened

1856
01:23:17,440 --> 01:23:15,830
humans shut down on this stuff and we

1857
01:23:19,300 --> 01:23:17,450
had a lot of different reactions from a

1858
01:23:21,340 --> 01:23:19,310
lot of different people but John still

1859
01:23:22,840 --> 01:23:21,350
go back to that I can't I remember him

1860
01:23:25,260 --> 01:23:22,850
you know John's very emotionally he

1861
01:23:27,550 --> 01:23:25,270
can't miss the guy and I'm heading back

1862
01:23:29,530 --> 01:23:27,560
but now the problem is with Ronnie

1863
01:23:32,050 --> 01:23:29,540

Dugdale this friend of ours pointed out

1864

01:23:34,030 --> 01:23:32,060

in the book I'm like that's it and

1865

01:23:36,910 --> 01:23:34,040

suddenly I'm turning my weapon in Sun's

1866

01:23:41,140 --> 01:23:36,920

up at Gardner at the CSC that building

1867

01:23:42,910 --> 01:23:41,150

issue now wait a minute this could only

1868

01:23:47,770 --> 01:23:42,920

have been at the latest 3 a.m. in the

1869

01:23:49,690 --> 01:23:47,780

morning when I had left it takes 10-15

1870

01:23:52,990 --> 01:23:49,700

minutes to get back to Bentwaters I

1871

01:23:54,730 --> 01:23:53,000

don't remember getting in a vehicle and

1872

01:23:57,340 --> 01:23:54,740

going back to Bentwaters and all

1873

01:24:01,840 --> 01:23:57,350

remember is walking the C&C with my

1874

01:24:03,430 --> 01:24:01,850

weapon and the Sun was up never thought

1875

01:24:06,070 --> 01:24:03,440

about this right in this book or

1876

01:24:08,080 --> 01:24:06,080

anything until John told me goes well

1877

01:24:10,540 --> 01:24:08,090

then that's best ends are maintained and

1878

01:24:12,970 --> 01:24:10,550

that's where John I'll sort it out for

1879

01:24:13,330 --> 01:24:12,980

you take the mystery out of this as

1880

01:24:15,550 --> 01:24:13,340

weird

1881

01:24:17,950 --> 01:24:15,560

it is how does people this and that

1882

01:24:21,930 --> 01:24:17,960

that's how Adrienne remained John's

1883

01:24:24,790 --> 01:24:21,940

thing happened after me with Abram I

1884

01:24:26,500 --> 01:24:24,800

don't remember how I got back but then

1885

01:24:28,810 --> 01:24:26,510

John does so don't feel bad cuz after I

1886

01:24:31,330 --> 01:24:28,820

went forward and Adrian chased me and

1887

01:24:34,060 --> 01:24:31,340

John went into this phenomena went in it

1888

01:24:35,650 --> 01:24:34,070

was the fact he don't know he's

1889

01:24:38,410 --> 01:24:35,660

exploring it he just thinks different

1890

01:24:41,410 --> 01:24:38,420

but I know for a fact he did but he has

1891

01:24:43,000 --> 01:24:41,420

14 hours of missing time and I'm going

1892

01:24:44,290 --> 01:24:43,010

and he goes you know I always thought

1893

01:24:46,150 --> 01:24:44,300

with you you're a count though it just

1894

01:24:46,720 --> 01:24:46,160

stops when you're walking back and then

1895

01:24:49,390 --> 01:24:46,730

your turn

1896

01:24:51,190 --> 01:24:49,400

there's a big gap there that's a problem

1897

01:24:53,440 --> 01:24:51,200

for us that I don't really want to know

1898

01:24:57,850 --> 01:24:53,450

but it takes sometimes decades to even

1899

01:24:59,710 --> 01:24:57,860

go that ain't right so let's get a

1900

01:25:04,720 --> 01:24:59,720

little break it Russ are you around

1901

01:25:06,490 --> 01:25:04,730

still I think looking after his mom I

1902

01:25:08,410 --> 01:25:06,500

know that it would that Steve you know

1903

01:25:10,300 --> 01:25:08,420

conferences is if we take a little break
