

we weren't injured by it and I was very close and it changed and

Chuck de Caro CNN Special Assignments Bentwaters UFO Incident 1985

1  
00:00:06,289 --> 00:00:03,970  
primitive okay I'm but I'm gonna go to

2  
00:00:08,540 --> 00:00:06,299  
health for medicines

3  
00:00:13,580 --> 00:00:08,550  
yeah so I've been operating off my

4  
00:00:17,830 --> 00:00:13,590  
Facebook and now I'm gonna go to all

5  
00:00:24,380 --> 00:00:17,840  
right okay so I'm gonna go to YouTube

6  
00:00:29,679 --> 00:00:24,390  
why I want to show you to you enter what

7  
00:00:31,939 --> 00:00:29,689  
I want to do is show you a in a second

8  
00:00:33,410 --> 00:00:31,949  
go through all that incident the

9  
00:00:36,740 --> 00:00:33,420  
incident which we've kind of covered

10  
00:00:41,540 --> 00:00:36,750  
lightly and listen to talking heads us

11  
00:00:43,549 --> 00:00:41,550  
real hard the next within our failure

12  
00:00:44,840 --> 00:00:43,559  
analysis those events happening before

13  
00:00:49,880 --> 00:00:44,850

we're on debrief

14

00:00:52,040 --> 00:00:49,890

I I was ill back in our dorm that

15

00:00:54,740 --> 00:00:52,050

morning this is just hours after the

16

00:00:57,380 --> 00:00:54,750

Rendlesham forest incident guys in the

17

00:00:59,299 --> 00:00:57,390

back cuz they're kind of new in and I

18

00:01:01,490 --> 00:00:59,309

didn't feel well I felt metallic taste

19

00:01:03,979 --> 00:01:01,500

in my mouth my eyes or water perfuse Lee

20

00:01:06,170 --> 00:01:03,989

so I already had it effects of look we

21

00:01:10,609 --> 00:01:06,180

have been exposed to not just me

22

00:01:12,649 --> 00:01:10,619

everyone by the way I went over I met

23

00:01:17,120 --> 00:01:12,659

Greg bathroom another witness to this

24

00:01:19,999 --> 00:01:17,130

and we had I went to the chow hall the

25

00:01:22,219 --> 00:01:20,009

mess hall and I sat down at the police

26

00:01:25,070 --> 00:01:22,229

table and we had a long table with a gun

27

00:01:26,870 --> 00:01:25,080

rack and I had changed I wasn't a

28

00:01:29,149 --> 00:01:26,880

uniform now and so while the other

29

00:01:31,359 --> 00:01:29,159

witnesses across roommate and he said to

30

00:01:34,039 --> 00:01:31,369

me what the f just happened to us and

31

00:01:36,410 --> 00:01:34,049

Jim Penniston was at the end of the

32

00:01:38,090 --> 00:01:36,420

table who wasn't involved in fact he was

33

00:01:40,399 --> 00:01:38,100

involved night one but claims he wasn't

34

00:01:42,560 --> 00:01:40,409

on baseless day he was he was at the end

35

00:01:44,060 --> 00:01:42,570

of table and said I started talking to

36

00:01:47,330 --> 00:01:44,070

him and then Penniston looked at me and

37

00:01:49,160 --> 00:01:47,340

said Warren shut the F up and he

38

00:01:50,240 --> 00:01:49,170

verified that five years ago right the

39

00:01:51,590 --> 00:01:50,250

front of other people with I said

40

00:01:52,999 --> 00:01:51,600

remember that thing he goes well I was

41

00:01:57,069 --> 00:01:53,009

just looking out for you and I go stop

42

00:02:00,950 --> 00:01:57,079

looking out for me Jim a nefarious

43

00:02:03,080 --> 00:02:00,960

relationship I have with Jim but uh so

44

00:02:05,480 --> 00:02:03,090

that happened so I got pissed off and I

45

00:02:08,809 --> 00:02:05,490

told Greg I said listen I'm calling my

46

00:02:11,540 --> 00:02:08,819

mother 19 went guys right we're all

47

00:02:13,430 --> 00:02:11,550

Mama's boys one way or another

48

00:02:18,800 --> 00:02:13,440

my mother for five hours ahead of New

49

00:02:20,870 --> 00:02:18,810

York time I went we in a phone that you

50

00:02:23,180 --> 00:02:20,880

could get a free call but I know they're

51  
00:02:25,550 --> 00:02:23,190  
monitored right nothing that happened

52  
00:02:28,550 --> 00:02:25,560  
that was it was sunny morning sunny out

53  
00:02:30,740 --> 00:02:28,560  
I went to the base phone box which you

54  
00:02:33,530 --> 00:02:30,750  
see depicted in that show accepted with

55  
00:02:35,270 --> 00:02:33,540  
the Sun was out and the public saw near

56  
00:02:37,130 --> 00:02:35,280  
the red phone box and I reversed the

57  
00:02:40,370 --> 00:02:37,140  
charges to New York to call my mother

58  
00:02:42,860 --> 00:02:40,380  
rank standing outside the door and I see

59  
00:02:44,510 --> 00:02:42,870  
she answers and she goes hello and I

60  
00:02:46,430 --> 00:02:44,520  
said I said to her bye you won't believe

61  
00:02:48,410 --> 00:02:46,440  
what happened a UFO landed near the base

62  
00:02:50,080 --> 00:02:48,420  
and blah blah but I keep and you know

63  
00:02:53,450 --> 00:02:50,090

say you know she's not answering

64

00:02:55,850 --> 00:02:53,460

she wasn't there so I called the

65

00:02:58,160 --> 00:02:55,860

operator this is 1980 mind you and

66

00:03:00,050 --> 00:02:58,170

things are primitive I call her and I

67

00:03:01,760 --> 00:03:00,060

say listen I've been cut off she does

68

00:03:03,110 --> 00:03:01,770

are you calling from the base and I said

69

00:03:06,470 --> 00:03:03,120

yes she does you were cut off from the

70

00:03:09,590 --> 00:03:06,480

base and hung up and I looked at Greg I

71

00:03:12,350 --> 00:03:09,600

said I'm screwed don't forget it went

72

00:03:13,910 --> 00:03:12,360

back to the door well I was screwed long

73

00:03:15,290 --> 00:03:13,920

story short and this is all covered and

74

00:03:19,100 --> 00:03:15,300

left at he skate in the book that I

75

00:03:20,930 --> 00:03:19,110

co-authored with Peter Robbins it's all

76

00:03:22,520 --> 00:03:20,940

covered right so I could skip that I

77

00:03:24,650 --> 00:03:22,530

forget I should write a book should not

78

00:03:26,090 --> 00:03:24,660

you I think I tell them there are you

79

00:03:29,390 --> 00:03:26,100

gonna get your story I ever thought of

80

00:03:32,440 --> 00:03:29,400

doing a radio show consider it maybe one

81

00:03:36,710 --> 00:03:32,450

day I'll do a book I don't know and

82

00:03:39,699 --> 00:03:36,720

funny world and so I identified myself

83

00:03:41,780 --> 00:03:39,709

is it a definite problem instantly

84

00:03:44,750 --> 00:03:41,790

because that's just how I roll

85

00:03:49,520 --> 00:03:44,760

and I went back to the dorm I was still

86

00:03:51,320 --> 00:03:49,530

ill and by 11 a.m. I got I was we had

87

00:03:53,150 --> 00:03:51,330

his phone downstairs in the day room

88

00:03:54,979 --> 00:03:53,160

where I loved in the second floor guy

89

00:03:59,600 --> 00:03:54,989

ran up aren't got a phone call ran down

90

00:04:02,180 --> 00:03:59,610

got a voice from operations and this is

91

00:04:05,030 --> 00:04:02,190

wing operations he gives rough

92

00:04:07,490 --> 00:04:05,040

you're off and I'm thinking I'm not

93

00:04:10,190 --> 00:04:07,500

surprised and then they said meet at

94

00:04:12,350 --> 00:04:10,200

this law enforcement desk which was not

95

00:04:14,750 --> 00:04:12,360

a secret underground alien base it was a

96

00:04:17,420 --> 00:04:14,760

little Quonset hut thing where our chief

97

00:04:20,930 --> 00:04:17,430

Malcolm Ziegler was so when I got there

98

00:04:23,290 --> 00:04:20,940

my group was all the same rank airman

99

00:04:26,279 --> 00:04:23,300

third senior airman down to airman

100

00:04:29,649 --> 00:04:26,289

as amethyst last to strike we get there

101  
00:04:32,110 --> 00:04:29,659  
and we got geiger counters to offer us

102  
00:04:35,439 --> 00:04:32,120  
by these guys I didn't know we go into

103  
00:04:37,629 --> 00:04:35,449  
the room on the on the law enforcement

104  
00:04:39,189 --> 00:04:37,639  
desk that was empty there was no one

105  
00:04:43,270 --> 00:04:39,199  
even in there in the jail they had

106  
00:04:46,089 --> 00:04:43,280  
couple cells for the Ellie's and on that

107  
00:04:47,499 --> 00:04:46,099  
desk were documents stacked that was

108  
00:04:50,529 --> 00:04:47,509  
never brought to Colonel Hall

109  
00:04:54,640 --> 00:04:50,539  
never almost documents they were all

110  
00:04:58,540 --> 00:04:54,650  
pre-typed pre written statements saying

111  
00:04:59,050 --> 00:04:58,550  
we were off-duty and saw lights in the

112  
00:05:02,379 --> 00:04:59,060  
trees

113  
00:05:03,700 --> 00:05:02,389

I said well someone next to me said

114

00:05:05,680 --> 00:05:03,710

wonderfully don't sign them and they go

115

00:05:08,499 --> 00:05:05,690

you can sign them our first shirt at

116

00:05:10,450 --> 00:05:08,509

least swings in seinem signed them all

117

00:05:12,670 --> 00:05:10,460

this we had a sign down all these things

118

00:05:15,939 --> 00:05:12,680

we couldn't read into the office we went

119

00:05:18,459 --> 00:05:15,949

we sat on a couple rows of chairs and I

120

00:05:20,890 --> 00:05:18,469

can't recount this in the book I was

121

00:05:23,619 --> 00:05:20,900

debriefed not by Air Force and my and my

122

00:05:25,719 --> 00:05:23,629

brothers we were debriefed by Office of

123

00:05:26,980 --> 00:05:25,729

Naval Intelligence and then guy was

124

00:05:29,409 --> 00:05:26,990

named Richardson and has been

125

00:05:32,170 --> 00:05:29,419

established now was the head of Naval

126

00:05:34,240 --> 00:05:32,180

Intelligence out of London with our

127

00:05:36,309 --> 00:05:34,250

forces security services guys in that

128

00:05:37,059 --> 00:05:36,319

room which apart of the NSA we didn't

129

00:05:40,050 --> 00:05:37,069

know that then

130

00:05:42,219 --> 00:05:40,060

suits not men and black guys in suits

131

00:05:43,330 --> 00:05:42,229

but they're a whole bunch things there

132

00:05:45,640 --> 00:05:43,340

they showed us a film

133

00:05:49,300 --> 00:05:45,650

I'm narrated they did I've met other

134

00:05:52,390 --> 00:05:49,310

people have seen that they told us that

135

00:05:55,839 --> 00:05:52,400

what we saw was off earth technical

136

00:05:59,649 --> 00:05:55,849

technology off off earth something I

137

00:06:02,529 --> 00:05:59,659

forget the word and these are the

138

00:06:05,439 --> 00:06:02,539

reasons for classification secrecy and

139

00:06:08,230 --> 00:06:05,449

this is a long history and the you know

140

00:06:10,779 --> 00:06:08,240

you it was all true the flag and all

141

00:06:12,879 --> 00:06:10,789

that hadn't started remember we're young

142

00:06:14,980 --> 00:06:12,889

guys our lives have already been

143

00:06:16,749 --> 00:06:14,990

derailed in the last few hours imagine

144

00:06:18,700 --> 00:06:16,759

the guys that didn't know about this

145

00:06:22,570 --> 00:06:18,710

phenomena well some didn't and thought

146

00:06:26,300 --> 00:06:22,580

it was the devil Baptists that's the guy

147

00:06:28,100 --> 00:06:26,310

to it that mr. Hall said never did

148

00:06:30,200 --> 00:06:28,110

imagine how many oh we had the highest

149

00:06:32,510 --> 00:06:30,210

suicide rate in NATO on our base but

150

00:06:34,730 --> 00:06:32,520

it's a lot of R&D that went on there

151  
00:06:40,040 --> 00:06:34,740  
research and development all kinds of

152  
00:06:43,130 --> 00:06:40,050  
things historically always did so we

153  
00:06:44,210 --> 00:06:43,140  
went through all that were released that

154  
00:06:48,350 --> 00:06:44,220  
night

155  
00:06:50,630 --> 00:06:48,360  
I myself sergeant the stems a met some

156  
00:06:52,070 --> 00:06:50,640  
other people went through this and long

157  
00:06:53,960 --> 00:06:52,080  
story short it's covered in there were

158  
00:06:55,760 --> 00:06:53,970  
hit with an exotic toxin near the

159  
00:06:58,820 --> 00:06:55,770  
construction we went out to meet a car

160  
00:07:01,340 --> 00:06:58,830  
these guy came in from my wing and I

161  
00:07:03,110 --> 00:07:01,350  
just heard and literally I could see

162  
00:07:05,720 --> 00:07:03,120  
everything I could hear everything I

163  
00:07:08,120 --> 00:07:05,730

couldn't see never had my eyes water so

164

00:07:10,520 --> 00:07:08,130

much my nose I couldn't breathe I was

165

00:07:12,860 --> 00:07:10,530

thumped and put into the back I knew the

166

00:07:14,840 --> 00:07:12,870

wheel well was there I knew the stins

167

00:07:16,220 --> 00:07:14,850

that was there I could knew that he's

168

00:07:17,540 --> 00:07:16,230

fighting I'm fighting but they're

169

00:07:20,210 --> 00:07:17,550

literally I think we're getting stopped

170

00:07:23,440 --> 00:07:20,220

in it was darkened they got us it's a

171

00:07:25,970 --> 00:07:23,450

long story we were taking somewhere now

172

00:07:30,290 --> 00:07:25,980

this is when you get into the MK stuff

173

00:07:31,700 --> 00:07:30,300

we for sure this the halt Colonel Hall

174

00:07:33,290 --> 00:07:31,710

I'm saying some things you people might

175

00:07:36,710 --> 00:07:33,300

not be familiar with and that's not your

176

00:07:39,050 --> 00:07:36,720

fault it's 35 years of a [h\_\_h] but at the

177

00:07:41,060 --> 00:07:39,060

end of the day the tank that halt

178

00:07:43,700 --> 00:07:41,070

desired and Leslie Kean helped acquire

179

00:07:47,260 --> 00:07:43,710

was when I asked Budd Hopkins the great

180

00:07:49,820 --> 00:07:47,270

deceased researcher I want to explore

181

00:07:53,870 --> 00:07:49,830

1995 I want to explore what happened to

182

00:07:55,820 --> 00:07:53,880

me after and this is what came out it

183

00:07:59,480 --> 00:07:55,830

was a very clinical thing wing

184

00:08:01,820 --> 00:07:59,490

intelligence is semi-subterranean not an

185

00:08:03,770 --> 00:08:01,830

alien base but a scenario was put in

186

00:08:06,050 --> 00:08:03,780

some of us where there's potentially

187

00:08:08,900 --> 00:08:06,060

science fiction scenario about 10

188

00:08:12,680 --> 00:08:08,910

minutes of recall but what came out in

189

00:08:14,660 --> 00:08:12,690

the tape is that we were given that what

190

00:08:18,470 --> 00:08:14,670

was put into us with crash Lewis not

191

00:08:20,450 --> 00:08:18,480

sodium pentathol with sodium amytal and

192

00:08:22,279 --> 00:08:20,460

if he's studying what sodium amytal does

193

00:08:26,089 --> 00:08:22,289

it's a mind control drug

194

00:08:30,439 --> 00:08:26,099

caetera and i named four people on that

195

00:08:32,839 --> 00:08:30,449

tape we kept it quiet and through a

196

00:08:35,839 --> 00:08:32,849

bunch of really nefarious best it's

197

00:08:38,060 --> 00:08:35,849

involved in this thing my old deputy

198

00:08:40,069 --> 00:08:38,070

base commander got a hold of this tape

199

00:08:42,139 --> 00:08:40,079

and has those four names we didn't

200

00:08:43,790 --> 00:08:42,149

publish them because this all happened

201  
00:08:46,300 --> 00:08:43,800  
long before the book we didn't publish

202  
00:08:51,170 --> 00:08:46,310  
them to protect those innocent parties

203  
00:08:52,939 --> 00:08:51,180  
because they may not have known dark

204  
00:08:55,280 --> 00:08:52,949  
things things I wouldn't do I'm glad my

205  
00:08:58,370 --> 00:08:55,290  
conscience is clean on all this

206  
00:09:01,280 --> 00:08:58,380  
long story short really [h\_\_h] up things

207  
00:09:03,769 --> 00:09:01,290  
happen to us after that things were not

208  
00:09:06,430 --> 00:09:03,779  
safe remember the movie marathon man

209  
00:09:09,199 --> 00:09:06,440  
isn't safe it goddamn was not safe

210  
00:09:11,540 --> 00:09:09,209  
people were who they said they were we

211  
00:09:13,720 --> 00:09:11,550  
had teams flying into that base we had

212  
00:09:16,910 --> 00:09:13,730  
aircraft I wrote a letter

213  
00:09:21,009 --> 00:09:16,920

the famous vault memo which I would be

214

00:09:23,780 --> 00:09:21,019

the one to actually get out in 1983

215

00:09:25,879 --> 00:09:23,790

within days of this event and Colonel

216

00:09:27,829 --> 00:09:25,889

halt wrote a memo unexplained lights and

217

00:09:29,809 --> 00:09:27,839

indicate it's a historic document I come

218

00:09:32,960 --> 00:09:29,819

along to help get it out like hates me

219

00:09:35,059 --> 00:09:32,970

basically because his names on it and I

220

00:09:38,960 --> 00:09:35,069

wrote him I wrote a letter to my mother

221

00:09:41,300 --> 00:09:38,970

on the 6th of January and I wrote it to

222

00:09:42,769 --> 00:09:41,310

her and it's 8 pages of dynamite now

223

00:09:45,170 --> 00:09:42,779

you'd say why isn't that the book well

224

00:09:48,259 --> 00:09:45,180

it's mentioned but and my mother's

225

00:09:49,850 --> 00:09:48,269

response is mentioned but we were alone

226

00:09:53,000 --> 00:09:49,860

in this there was no internet we knew

227

00:09:55,730 --> 00:09:53,010

there was too much to do until it took

228

00:09:58,129 --> 00:09:55,740

Gary Heseltine annex CID copies ago this

229

00:10:01,400 --> 00:09:58,139

is a historic document my letter is the

230

00:10:04,610 --> 00:10:01,410

only authentic original account of these

231

00:10:07,129 --> 00:10:04,620

events not copies that predates the Hult

232

00:10:08,900 --> 00:10:07,139

memo by the way Jim Tennyson's notebook

233

00:10:10,699 --> 00:10:08,910

has been altered and changed even to

234

00:10:13,220 --> 00:10:10,709

confess so that would not be accepted in

235

00:10:14,809 --> 00:10:13,230

the courtroom now the ones and zeros

236

00:10:17,179 --> 00:10:14,819

they weren't there now they're there

237

00:10:19,280 --> 00:10:17,189

that's his problem that would not be

238

00:10:20,960 --> 00:10:19,290

accepted now I move this to the back of

239

00:10:24,259 --> 00:10:20,970

court would not make look at that and

240

00:10:26,059 --> 00:10:24,269

touch a bird with my letter thank God my

241

00:10:29,360 --> 00:10:26,069

mother saved it even her bookkeeping is

242

00:10:30,180 --> 00:10:29,370

on the back is I basically try to

243

00:10:32,010 --> 00:10:30,190

explain what

244

00:10:34,950 --> 00:10:32,020

and mask it in another letter this

245

00:10:38,190 --> 00:10:34,960

historical thing I nailed it on the 7th

246

00:10:40,920 --> 00:10:38,200

of January it talks about teams coming

247

00:10:42,810 --> 00:10:40,930

in I said ikat the end I said I can't

248

00:10:44,430 --> 00:10:42,820

tell you the whole thing and in the mail

249

00:10:46,950 --> 00:10:44,440

they read it I'll tell you when I get

250

00:10:48,960 --> 00:10:46,960

home and I was thinking if I got caught

251

00:10:53,190 --> 00:10:48,970

mailing this I'm dead it got through

252

00:10:54,720 --> 00:10:53,200

Paul writes his memo a week later which

253

00:10:56,580 --> 00:10:54,730

almost looks like he took it out of my

254

00:11:00,090 --> 00:10:56,590

letter it's that clear if you read the

255

00:11:02,370 --> 00:11:00,100

real ones nothing put out get postmarks

256

00:11:04,500 --> 00:11:02,380

everything Bob Salas X US Air Force

257

00:11:08,880 --> 00:11:04,510

captain because that's exactly APO was

258

00:11:11,250 --> 00:11:08,890

exact that's the letter two days after

259

00:11:13,200 --> 00:11:11,260

halts three days after halt write this

260

00:11:15,920 --> 00:11:13,210

memo my mother responds talking about

261

00:11:18,930 --> 00:11:15,930

the hostages being released and from

262

00:11:22,890 --> 00:11:18,940

Iran I was involved in that on the tty

263

00:11:25,680 --> 00:11:22,900

in Germany and what she writes is that

264

00:11:28,050 --> 00:11:25,690

all this stuff and not realizing the

265

00:11:30,090 --> 00:11:28,060

scope of what went on well Larry you

266

00:11:32,700 --> 00:11:30,100

certainly explained your situation with

267

00:11:35,220 --> 00:11:32,710

the UFO and as you know what you another

268

00:11:37,140 --> 00:11:35,230

saw was just that a UFO it must have

269

00:11:41,070 --> 00:11:37,150

been quite an experience then she goes

270

00:11:43,080 --> 00:11:41,080

on so here's a trail of custody burying

271

00:11:45,750 --> 00:11:43,090

anything to do with lighthouses or I

272

00:11:49,410 --> 00:11:45,760

heard something I didn't sit down a

273

00:11:50,880 --> 00:11:49,420

surgeon purse tins until April we

274

00:11:53,790 --> 00:11:50,890

weren't allowed to talk to each other

275

00:11:56,070 --> 00:11:53,800

none of us and best Inza sought me out

276

00:11:58,140 --> 00:11:56,080

yep nope came under my door from his

277

00:12:00,210 --> 00:11:58,150

girlfriend Cindy Charles which I gave to

278

00:12:03,350 --> 00:12:00,220

Georgina Bern I still had it not never

279

00:12:06,000 --> 00:12:03,360

seen it since government to Seoul but uh

280

00:12:08,610 --> 00:12:06,010

the elimin Lauren of Lawson very

281

00:12:10,530 --> 00:12:08,620

valuable thank God for my mother saving

282

00:12:14,040 --> 00:12:10,540

this stuff and I saved them kind of a

283

00:12:15,780 --> 00:12:14,050

packrat and anyway long story short I

284

00:12:18,060 --> 00:12:15,790

left the Air Force fully honorable

285

00:12:20,070 --> 00:12:18,070

breach a contract I had help though it

286

00:12:21,900 --> 00:12:20,080

wasn't dealing the job they had me on I

287

00:12:24,780 --> 00:12:21,910

was still security police but I was in

288

00:12:26,579 --> 00:12:24,790

the back of it operations they are on me

289

00:12:28,380 --> 00:12:26,589

all the time and my door kicked open

290

00:12:29,820 --> 00:12:28,390

drug dogs coming through I'm saying

291

00:12:31,650 --> 00:12:29,830

they're gonna plant they were doing it

292

00:12:34,740 --> 00:12:31,660

to a few guys they're gonna plant me

293

00:12:36,720 --> 00:12:34,750

they're gonna put something they dentist

294

00:12:37,790 --> 00:12:36,730

evil of the plume that you know there

295

00:12:41,600 --> 00:12:37,800

was all kind of ugly

296

00:12:44,329 --> 00:12:41,610

snitching going on and so I said I'm out

297

00:12:47,740 --> 00:12:44,339

but I'll come back in just out of the

298

00:12:50,300 --> 00:12:47,750

space was there a name so I got out and

299

00:12:52,880 --> 00:12:50,310

fully honorable discharge breach of

300

00:12:55,400 --> 00:12:52,890

contract I came out with a code that

301  
00:12:56,569 --> 00:12:55,410  
does not exist on the books it me it's a

302  
00:12:58,460 --> 00:12:56,579  
classified code

303  
00:13:00,470 --> 00:12:58,470  
I think mr. Holt did say my medical

304  
00:13:02,240 --> 00:13:00,480  
records are classified did me well

305  
00:13:03,920 --> 00:13:02,250  
you're not involved in some why would

306  
00:13:07,310 --> 00:13:03,930  
they good yeah I'll forget about it

307  
00:13:09,019 --> 00:13:07,320  
that's up to you folks but uh and he

308  
00:13:10,850 --> 00:13:09,029  
said everything's locked down with me I

309  
00:13:13,550 --> 00:13:10,860  
think he thinks I'm a spook that's what

310  
00:13:14,600 --> 00:13:13,560  
he thinks but a spy sorry can't say that

311  
00:13:18,620 --> 00:13:14,610  
let's country things

312  
00:13:20,180 --> 00:13:18,630  
believe me it can't but uh okay that's

313  
00:13:23,090 --> 00:13:20,190

what people think I went through that I

314

00:13:26,240 --> 00:13:23,100

came back to the states I saw the

315

00:13:28,699 --> 00:13:26,250

surgeon pass tenza in his world and his

316

00:13:30,889 --> 00:13:28,709

dorm room and I said we got to get this

317

00:13:33,319 --> 00:13:30,899

out we had had a loss of life already we

318

00:13:38,090 --> 00:13:33,329

knew about that was my motivation folks

319

00:13:40,280 --> 00:13:38,100

by the way revenge because of that that

320

00:13:42,530 --> 00:13:40,290

was my motivator not revenge and also

321

00:13:47,120 --> 00:13:42,540

that screw this this is real that this

322

00:13:49,819 --> 00:13:47,130

is as real as the movies come home I was

323

00:13:51,949 --> 00:13:49,829

not right I can remember call two days

324

00:13:53,750 --> 00:13:51,959

my sister picks up the phone the kitchen

325

00:13:56,360 --> 00:13:53,760

she goes there's someone on the phone

326

00:13:58,160 --> 00:13:56,370

listen and there was a tap on her phone

327

00:13:59,660 --> 00:13:58,170

in front of my work for New York

328

00:14:02,030 --> 00:13:59,670

telephone at the time as it did come I

329

00:14:03,560 --> 00:14:02,040

was it my drummer old drummer I said you

330

00:14:06,110 --> 00:14:03,570

can come by and listen this son at some

331

00:14:07,430 --> 00:14:06,120

time and he came the next day because it

332

00:14:09,319 --> 00:14:07,440

would happen the same time you hear

333

00:14:11,449 --> 00:14:09,329

people offer something going on

334

00:14:13,010 --> 00:14:11,459

nito she got a tap on here it's a third

335

00:14:15,110 --> 00:14:13,020

party on your thing they don't know

336

00:14:18,920 --> 00:14:15,120

you're hearing them so that was the

337

00:14:20,949 --> 00:14:18,930

beginning long story short I wasn't the

338

00:14:24,010 --> 00:14:20,959

best of people it's all in the book

339

00:14:28,100 --> 00:14:24,020

there's no saintly Hood in that thing

340

00:14:30,650 --> 00:14:28,110

but you know I drink you know - what

341

00:14:32,360 --> 00:14:30,660

post-traumatic stress does to people it

342

00:14:37,610 --> 00:14:32,370

was a totally different person

343

00:14:39,650 --> 00:14:37,620

not a nice person and I just didn't

344

00:14:42,079 --> 00:14:39,660

relate to the world I didn't recognize

345

00:14:46,850 --> 00:14:42,089

anything I didn't know how to live in it

346

00:14:50,019 --> 00:14:46,860

at all and so well it's all covered in

347

00:14:52,850 --> 00:14:50,029

there so long story short I one day in

348

00:14:54,650 --> 00:14:52,860

1982 how did you get public someone

349

00:14:56,869 --> 00:14:54,660

interviewed me recently I said so when

350

00:14:57,829 --> 00:14:56,879

you went to the press I go I didn't go

351  
00:15:01,730 --> 00:14:57,839  
to the press

352  
00:15:04,850 --> 00:15:01,740  
life is funny I have a tooth removed in

353  
00:15:07,129 --> 00:15:04,860  
Connecticut living at my dad's my mother

354  
00:15:09,980 --> 00:15:07,139  
threw me out at that time with every

355  
00:15:10,999 --> 00:15:09,990  
good reason and liver my dad said you

356  
00:15:12,470 --> 00:15:11,009  
come down here they didn't know I

357  
00:15:13,790 --> 00:15:12,480  
wouldn't tell my dad everything my

358  
00:15:14,239 --> 00:15:13,800  
mother didn't want to know it's just

359  
00:15:16,160 --> 00:15:14,249  
scary

360  
00:15:17,989 --> 00:15:16,170  
I had only told a friend of mine Harold

361  
00:15:20,210 --> 00:15:17,999  
saw him when we're drinking beer when I

362  
00:15:22,549 --> 00:15:20,220  
just got home and he goes you he was the

363  
00:15:25,040 --> 00:15:22,559

first guy I told on the street back in

364

00:15:26,869 --> 00:15:25,050

America and he said he said a lot more

365

00:15:30,259 --> 00:15:26,879

that you forgotten I said look it's

366

00:15:32,600 --> 00:15:30,269

enough I am good well I had this oral

367

00:15:34,489 --> 00:15:32,610

surgery as plenty how things work and I

368

00:15:36,980 --> 00:15:34,499

get home and really you know how that

369

00:15:39,049 --> 00:15:36,990

hurts it was the upper deck and I does a

370

00:15:40,790 --> 00:15:39,059

Hartford Courant newspaper and I'm

371

00:15:42,499 --> 00:15:40,800

reading through it is the broad sheet

372

00:15:44,749 --> 00:15:42,509

from Hartford Connecticut the capital of

373

00:15:46,220 --> 00:15:44,759

Connecticut and there was an article and

374

00:15:47,960 --> 00:15:46,230

show this woman and her husband and

375

00:15:51,739 --> 00:15:47,970

these paper mache aliens and said

376

00:15:53,720 --> 00:15:51,749

Cheshire couple talk of UFO expense

377

00:15:54,350 --> 00:15:53,730

something I said what a bunch of whack

378

00:15:55,879 --> 00:15:54,360

jobs

379

00:15:58,579 --> 00:15:55,889

I remember thinking what a bunch of nut

380

00:16:01,759 --> 00:15:58,589

cases but I missed it where the man

381

00:16:04,970 --> 00:16:01,769

worked and it was a he was a mechanic in

382

00:16:07,369 --> 00:16:04,980

a place to our viewership in the next

383

00:16:09,379 --> 00:16:07,379

town and I immediately called

384

00:16:12,290 --> 00:16:09,389

information on the phones remember on

385

00:16:14,989 --> 00:16:12,300

the wall I called him I just it was an

386

00:16:17,540 --> 00:16:14,999

impulse calling he gets on the phone and

387

00:16:19,939 --> 00:16:17,550

I say you Bob Luca his wife was Betty

388

00:16:22,460 --> 00:16:19,949

Andreasen if you know the book the

389

00:16:23,960 --> 00:16:22,470

andreas an affair by Raymond Fowler I

390

00:16:27,169 --> 00:16:23,970

wasn't familiar with it at that time

391

00:16:28,999 --> 00:16:27,179

very famous controversial lady without

392

00:16:31,759 --> 00:16:29,009

these people you would never know about

393

00:16:33,889 --> 00:16:31,769

revolution at all because God knows

394

00:16:35,239 --> 00:16:33,899

where I would go I called him I said

395

00:16:37,340 --> 00:16:35,249

listen I've been through something I

396

00:16:40,040 --> 00:16:37,350

can't talk about it my family can I talk

397

00:16:42,200 --> 00:16:40,050

- I live in the next town in Suneetha oh

398

00:16:43,250 --> 00:16:42,210

come on over and Bob just told me the

399

00:16:45,470 --> 00:16:43,260

other night ghosts you know we have a

400

00:16:47,270 --> 00:16:45,480

tape from that night you came I said and

401  
00:16:50,810 --> 00:16:47,280  
that would be the first time I ever went

402  
00:16:52,730 --> 00:16:50,820  
on record go to their house have coffee

403  
00:16:54,650 --> 00:16:52,740  
cake weird should happen those paper

404  
00:16:57,350 --> 00:16:54,660  
mache things were there that unnerved me

405  
00:16:59,480 --> 00:16:57,360  
and I told them basically I didn't

406  
00:17:01,670 --> 00:16:59,490  
mention this being things or whatever it

407  
00:17:04,010 --> 00:17:01,680  
was but I gave them a roundabout

408  
00:17:06,980 --> 00:17:04,020  
safe version because back then you got

409  
00:17:08,060 --> 00:17:06,990  
laughed at yeah for talking about just a

410  
00:17:11,270 --> 00:17:08,070  
light in the sky

411  
00:17:12,740 --> 00:17:11,280  
it's 1982 this repetition didn't come

412  
00:17:15,230 --> 00:17:12,750  
out on the History Channel folks by the

413  
00:17:17,510 --> 00:17:15,240

way in 2010 with the time travel it's

414

00:17:18,770 --> 00:17:17,520

always been out there right out there

415

00:17:23,600 --> 00:17:18,780

longer than some people in the room been

416

00:17:24,980 --> 00:17:23,610

alive but people want to rewrite so I

417

00:17:27,650 --> 00:17:24,990

get there and they said well we have a

418

00:17:30,350 --> 00:17:27,660

friend who's a cop up in seven Coventry

419

00:17:32,060 --> 00:17:30,360

Larry Fossum and he was an active

420

00:17:33,980 --> 00:17:32,070

lieutenant in the police but he was with

421

00:17:36,860 --> 00:17:33,990

an organization called citizens against

422

00:17:38,870 --> 00:17:36,870

UFO secrecy and they deal with the new

423

00:17:41,930 --> 00:17:38,880

Freedom of Information Act we have had

424

00:17:43,610 --> 00:17:41,940

and we'll hook you up with him so I had

425

00:17:45,050 --> 00:17:43,620

dinner with this guy Larry Fawcett

426

00:17:46,430 --> 00:17:45,060

that's a good luck you'll never get

427

00:17:48,110 --> 00:17:46,440

anything but I felt better talking to

428

00:17:50,540 --> 00:17:48,120

these people is that for a real

429

00:17:51,950 --> 00:17:50,550

conservative family my dad my dad was my

430

00:17:53,750 --> 00:17:51,960

biggest supporters but I don't think it

431

00:17:55,460 --> 00:17:53,760

would be I thought he'd throw me out cuz

432

00:17:56,960 --> 00:17:55,470

I said I think they thought I'd get

433

00:17:59,090 --> 00:17:56,970

thrown out of the Air Force or something

434

00:18:01,010 --> 00:17:59,100

for doing something I just didn't think

435

00:18:03,560 --> 00:18:01,020

you could talk to them my brother in May

436

00:18:05,300 --> 00:18:03,570

when all this came out gotten a fight we

437

00:18:08,120 --> 00:18:05,310

went through a plastic board we leave

438

00:18:10,760 --> 00:18:08,130

tour house apart he's an adze all the

439

00:18:12,890 --> 00:18:10,770

[h\_\_h] post-traumatic stress what

440

00:18:15,170 --> 00:18:12,900

happens my brother's way bigger than

441

00:18:17,320 --> 00:18:15,180

bait I threw him around like a rag doll

442

00:18:19,190 --> 00:18:17,330

and I regret it to this day

443

00:18:22,130 --> 00:18:19,200

destroyer I mean we're going through

444

00:18:24,620 --> 00:18:22,140

plays like The Terminator this thing in

445

00:18:26,570 --> 00:18:24,630

us not good and believe me I'm not the

446

00:18:31,280 --> 00:18:26,580

only one I'm just honest enough to say

447

00:18:33,350 --> 00:18:31,290

it I do regret it it's real real stuff

448

00:18:36,770 --> 00:18:33,360

that went off every bad amazed on

449

00:18:41,260 --> 00:18:36,780

standing here and and I regret a lot of

450

00:18:44,380 --> 00:18:41,270

it Behe it's a 100% so

451  
00:18:45,850 --> 00:18:44,390  
this Larry I made and he goes through

452  
00:18:49,210 --> 00:18:45,860  
the whole thing was in New York I like

453  
00:18:50,920 --> 00:18:49,220  
me and is in his 40s then he's deceased

454  
00:18:53,290 --> 00:18:50,930  
now and he they were working on a book

455  
00:18:56,740 --> 00:18:53,300  
called clear intent the government

456  
00:18:59,080 --> 00:18:56,750  
cover-up of using foi required documents

457  
00:19:01,630 --> 00:18:59,090  
and I told the story and I'm like oh you

458  
00:19:03,790 --> 00:19:01,640  
know we've heard a few from England you

459  
00:19:06,130 --> 00:19:03,800  
know because it was rumored that self or

460  
00:19:07,990 --> 00:19:06,140  
they check the minute and I said okay

461  
00:19:09,640 --> 00:19:08,000  
you know good luck with the thing I gave

462  
00:19:13,000 --> 00:19:09,650  
him the time stains the approximants

463  
00:19:16,240 --> 00:19:13,010

they file an FOI a after multiple

464

00:19:16,690 --> 00:19:16,250

hilarious denials the air forces running

465

00:19:19,150 --> 00:19:16,700

scared

466

00:19:20,650 --> 00:19:19,160

I came the Hulk memo remember the day

467

00:19:22,420 --> 00:19:20,660

get home we got him lair

468

00:19:24,220 --> 00:19:22,430

and I go you got what he goes we got a

469

00:19:26,190 --> 00:19:24,230

document telling you believe it or not

470

00:19:28,180 --> 00:19:26,200

was there for all this with just

471

00:19:30,310 --> 00:19:28,190

magically everyone else I was there I

472

00:19:33,040 --> 00:19:30,320

was a phone call we've got it and I said

473

00:19:35,440 --> 00:19:33,050

what I was the most surprised of anybody

474

00:19:36,310 --> 00:19:35,450

unexplained lights you read it I'm like

475

00:19:38,530 --> 00:19:36,320

I can't believe this

476  
00:19:39,520 --> 00:19:38,540  
Colonel halt ago I remember Colonel Hall

477  
00:19:42,040 --> 00:19:39,530  
I remember the name

478  
00:19:45,190 --> 00:19:42,050  
I had no interaction with him during

479  
00:19:48,070 --> 00:19:45,200  
those events at all I just didn't well

480  
00:19:51,370 --> 00:19:48,080  
there it began folks the cap is out of

481  
00:19:54,670 --> 00:19:51,380  
the bag and October when you learned

482  
00:19:57,550 --> 00:19:54,680  
about it here we sent the halt memo to

483  
00:19:58,930 --> 00:19:57,560  
England to researchers one I won't

484  
00:20:01,480 --> 00:19:58,940  
mention that serum I'm going to be

485  
00:20:04,720 --> 00:20:01,490  
positive today it doesn't look good for

486  
00:20:06,580 --> 00:20:04,730  
them but we sent it gratis and a

487  
00:20:08,410 --> 00:20:06,590  
particular a lawyer for Manchester

488  
00:20:10,180 --> 00:20:08,420

decided to sell it to the news of the

489

00:20:13,030 --> 00:20:10,190

world which I wasn't familiar at the

490

00:20:15,880 --> 00:20:13,040

paper for twenty five thousand nineteen

491

00:20:19,540 --> 00:20:15,890

eighty two pounds which was split four

492

00:20:23,020 --> 00:20:19,550

ways well some ways between some folks

493

00:20:25,090 --> 00:20:23,030

you know I have never taken a penny from

494

00:20:28,330 --> 00:20:25,100

anything without my name on it in this

495

00:20:30,160 --> 00:20:28,340

I've passed everything that's one thing

496

00:20:31,900 --> 00:20:30,170

I'm proud of when that first came out

497

00:20:33,940 --> 00:20:31,910

then that we had a rag in the safe spell

498

00:20:36,190 --> 00:20:33,950

the National Enquirer and they called

499

00:20:38,500 --> 00:20:36,200

they go because it was making the news

500

00:20:41,020 --> 00:20:38,510

in the states before here and they said

501  
00:20:42,550 --> 00:20:41,030  
can you which can you sell this to us

502  
00:20:45,520 --> 00:20:42,560  
for five thousand and I said

503  
00:20:48,310 --> 00:20:45,530  
fine oh that's a secondhand Harley I'd

504  
00:20:50,320 --> 00:20:48,320  
get right so my father I never been

505  
00:20:52,990 --> 00:20:50,330  
sayin I go and get 5000 bucks now I'm

506  
00:20:53,830 --> 00:20:53,000  
young you know and he goes he goes is

507  
00:20:56,500 --> 00:20:53,840  
your name on it

508  
00:20:59,440 --> 00:20:56,510  
I go no but he goes I think you'll

509  
00:21:02,440 --> 00:20:59,450  
regret selling it if you do now 20 years

510  
00:21:06,310 --> 00:21:02,450  
dirty glad i missin my old man not a lot

511  
00:21:08,740 --> 00:21:06,320  
but I did on that one and that started

512  
00:21:10,870 --> 00:21:08,750  
folks that was the cap was truly out of

513  
00:21:11,970 --> 00:21:10,880

the bag not 2010 guys this has been

514

00:21:14,950 --> 00:21:11,980

forever

515

00:21:16,600 --> 00:21:14,960

anyway a price was put on blood sadly on

516

00:21:18,220 --> 00:21:16,610

this side of the Atlantic that the

517

00:21:19,720 --> 00:21:18,230

states are no better with what helps

518

00:21:23,260 --> 00:21:19,730

certain people have done things they're

519

00:21:25,240 --> 00:21:23,270

either with this as you know and that

520

00:21:28,720 --> 00:21:25,250

started a front page of the news of the

521

00:21:31,990 --> 00:21:28,730

world Sunday edition October 3rd 1983

522

00:21:34,450 --> 00:21:32,000

you woke up to that news UFO lands in

523

00:21:36,910 --> 00:21:34,460

Suffolk and it's official now I know

524

00:21:39,400 --> 00:21:36,920

it's a tabloid but it was a major

525

00:21:43,660 --> 00:21:39,410

circulation tabloid remember no internet

526  
00:21:46,030 --> 00:21:43,670  
then newspapers were the way and that

527  
00:21:49,900 --> 00:21:46,040  
was it it was out the next thing that

528  
00:21:52,600 --> 00:21:49,910  
happens you know look the first

529  
00:21:54,280 --> 00:21:52,610  
conference I ever did I again I was just

530  
00:21:56,380 --> 00:21:54,290  
trying to talk to someone about the

531  
00:21:57,760 --> 00:21:56,390  
floral surgery about instead of my

532  
00:21:59,920 --> 00:21:57,770  
family someone that's been through

533  
00:22:03,490 --> 00:21:59,930  
something that would listen to me that's

534  
00:22:07,750 --> 00:22:03,500  
all I wanted I had no frickin idea about

535  
00:22:10,390 --> 00:22:07,760  
where this I'd be 35 years no nor a

536  
00:22:12,820 --> 00:22:10,400  
desire you know I was aiming for music

537  
00:22:15,810 --> 00:22:12,830  
and you know a semi yes some kind of

538  
00:22:18,130 --> 00:22:15,820

career in the audio creative thing

539

00:22:20,080 --> 00:22:18,140

because I knew the Air Force was over I

540

00:22:21,970 --> 00:22:20,090

mean that was done and that price in the

541

00:22:23,950 --> 00:22:21,980

gun in there anyways probably probably

542

00:22:25,570 --> 00:22:23,960

was raw material was definitely raw

543

00:22:31,270 --> 00:22:25,580

material for the people to suppress this

544

00:22:34,270 --> 00:22:31,280

[h\_\_h] don't you know but uh the next

545

00:22:35,320 --> 00:22:34,280

thing that happened we this be exploded

546

00:22:37,210 --> 00:22:35,330

it was big news

547

00:22:40,390 --> 00:22:37,220

I talked to certain researchers on the

548

00:22:41,860 --> 00:22:40,400

phone here they called me lots of things

549

00:22:43,150 --> 00:22:41,870

were not it's it's in the book some

550

00:22:45,640 --> 00:22:43,160

aren't there I don't like to embarrass

551  
00:22:47,419 --> 00:22:45,650  
people actually do don't I could write

552  
00:22:54,590 --> 00:22:47,429  
three books on what's

553  
00:22:56,629 --> 00:22:54,600  
one's enough but it by 1984 that's

554  
00:23:01,249 --> 00:22:56,639  
pretty well known I led the witnesses

555  
00:23:03,139 --> 00:23:01,259  
the people to other witnesses Jim

556  
00:23:05,450 --> 00:23:03,149  
Penniston John Burroughs were definitely

557  
00:23:07,759 --> 00:23:05,460  
not radar for another decade by the way

558  
00:23:09,830 --> 00:23:07,769  
Charles halt nothing there are still

559  
00:23:11,389 --> 00:23:09,840  
active duty so that you never meet them

560  
00:23:14,139 --> 00:23:11,399  
but I'm going to show you something that

561  
00:23:16,519 --> 00:23:14,149  
were you gonna meet other witnesses 1984

562  
00:23:18,649 --> 00:23:16,529  
this is quite a famous thing I had

563  
00:23:21,470 --> 00:23:18,659

already been on BBC Breakfast time with

564

00:23:23,359 --> 00:23:21,480

a friend I was in blacked out I never

565

00:23:25,279 --> 00:23:23,369

used the name art Wallace you always

566

00:23:27,590 --> 00:23:25,289

hear that when he used the name never

567

00:23:29,570 --> 00:23:27,600

all I said to the authors of the book

568

00:23:31,879 --> 00:23:29,580

clear intent if you and that was the

569

00:23:32,299 --> 00:23:31,889

first time the document remember was put

570

00:23:35,239 --> 00:23:32,309

in it

571

00:23:36,919 --> 00:23:35,249

my a bit of my account first time the

572

00:23:39,560 --> 00:23:36,929

account was in ever a book is clear

573

00:23:41,479 --> 00:23:39,570

intent not the sky crash I said just

574

00:23:44,440 --> 00:23:41,489

don't use my name until other witnesses

575

00:23:47,599 --> 00:23:44,450

verified so one of the co-authors puts

576  
00:23:49,879 --> 00:23:47,609  
made-up name art walls I have been

577  
00:23:52,340 --> 00:23:49,889  
fighting for 32 years telling people

578  
00:23:55,129 --> 00:23:52,350  
over and over I've never used the name

579  
00:23:57,349 --> 00:23:55,139  
has nothing to do with me but humanity

580  
00:23:59,389 --> 00:23:57,359  
really does your head him doesn't it our

581  
00:24:01,849 --> 00:23:59,399  
wallets maybe I should do radio one day

582  
00:24:05,269 --> 00:24:01,859  
I don't know but write a book perhaps

583  
00:24:07,999 --> 00:24:05,279  
who knows radios you let's do one I

584  
00:24:11,210 --> 00:24:08,009  
don't know how to do it but this is the

585  
00:24:14,210 --> 00:24:11,220  
humans driving this but anyway this

586  
00:24:16,970 --> 00:24:14,220  
explosion now in 1904 the Japs came

587  
00:24:18,919 --> 00:24:16,980  
around and the regular kind of America

588  
00:24:20,840 --> 00:24:18,929

I'm the only guy to go I'm the go-to guy

589

00:24:24,759 --> 00:24:20,850

there was no one else back in me up

590

00:24:29,269 --> 00:24:27,019

everything you think of now didn't exist

591

00:24:31,269 --> 00:24:29,279

it was I was the guy that was the only

592

00:24:33,889 --> 00:24:31,279

thing I was more surprised than anyone

593

00:24:35,389 --> 00:24:33,899

and the Japs come to May and you should

594

00:24:37,190 --> 00:24:35,399

see those shows men I looked like a

595

00:24:39,080 --> 00:24:37,200

scared dear I haven't a friend look at

596

00:24:41,869 --> 00:24:39,090

that say you look so shell-shocked at

597

00:24:44,799 --> 00:24:41,879

that age like France and I go I guess

598

00:24:48,049 --> 00:24:44,809

that was for a couple decades easy and

599

00:24:51,229 --> 00:24:48,059

the Japanese got a janeshia alloy with

600

00:24:53,180 --> 00:24:51,239

Nippon television says to me an RA shot

601  
00:24:54,490 --> 00:24:53,190  
over here and film people he goes have

602  
00:24:57,430 --> 00:24:54,500  
you heard the tape and

603  
00:24:58,899 --> 00:24:57,440  
but tape he went on he'll hear clips of

604  
00:25:01,779 --> 00:24:58,909  
it in a minute if you're not familiar

605  
00:25:03,399 --> 00:25:01,789  
with it my tape because of the event he

606  
00:25:05,049 --> 00:25:03,409  
played it my fault my parents were

607  
00:25:06,940 --> 00:25:05,059  
around my father stepmother all we're in

608  
00:25:08,769 --> 00:25:06,950  
the liver couple living room we played

609  
00:25:11,470 --> 00:25:08,779  
it and we've been shooting all day I got

610  
00:25:13,389 --> 00:25:11,480  
redressed in all this [h\_\_h] but you know

611  
00:25:15,129 --> 00:25:13,399  
I was skeptical on him skeptical guy

612  
00:25:16,990 --> 00:25:15,139  
believe it or not I'm not cool kind of

613  
00:25:20,769 --> 00:25:17,000

guy and I show me

614

00:25:23,590 --> 00:25:20,779

and sure enough place this 18 minutes of

615

00:25:25,330 --> 00:25:23,600

audio as soon as it begins I'm not

616

00:25:27,539 --> 00:25:25,340

listening so much to the voice I'm

617

00:25:29,169 --> 00:25:27,549

listen to then freak with the radio

618

00:25:32,740 --> 00:25:29,179

communication chatter in the background

619

00:25:34,769 --> 00:25:32,750

I'm like holy [h\_\_h] that's all night all

620

00:25:37,480 --> 00:25:34,779

the call signs they were our call size

621

00:25:40,060 --> 00:25:37,490

and I everyone's a distance and there

622

00:25:42,190 --> 00:25:40,070

I'm like oh my god I've got to have this

623

00:25:43,690 --> 00:25:42,200

he goes well if you come to Japan so I

624

00:25:45,970 --> 00:25:43,700

went to Japan and you think we're in

625

00:25:47,889 --> 00:25:45,980

this for money no I could have asked for

626

00:25:51,310 --> 00:25:47,899

50 grand and probably got it

627

00:25:53,889 --> 00:25:51,320

I asked that's us I'll tell you what I

628

00:25:57,639 --> 00:25:53,899

look back it is funny I said can I take

629

00:26:01,779 --> 00:25:57,649

my brother and they go oh my go they go

630

00:26:04,299 --> 00:26:01,789

how about \$500 I'm like okay I could

631

00:26:06,430 --> 00:26:04,309

have put zeros across the map because

632

00:26:10,930 --> 00:26:06,440

when I got to Japan which was a great

633

00:26:12,519 --> 00:26:10,940

experience I'm happy I did I'm happy I

634

00:26:15,460 --> 00:26:12,529

don't and I have to share a story with

635

00:26:18,159 --> 00:26:15,470

you do I get to Japan it was like being

636

00:26:20,619 --> 00:26:18,169

the Beatles I landed with little Stephen

637

00:26:22,450 --> 00:26:20,629

and the disciples the soul Steve Van

638

00:26:24,669 --> 00:26:22,460

Sant from The Sopranos Bruce Prince they

639

00:26:28,240 --> 00:26:24,679

were all in the same flight 14 hours

640

00:26:30,430 --> 00:26:28,250

crammed in George Benson the guitar he

641

00:26:32,379 --> 00:26:30,440

was up there with just jam 14 I was

642

00:26:34,350 --> 00:26:32,389

going to Japan we landed in a Rita

643

00:26:37,149 --> 00:26:34,360

Airport and we're walking

644

00:26:39,249 --> 00:26:37,159

Steven and M - yeah you know they had

645

00:26:40,930 --> 00:26:39,259

that Sun city song out at that time

646

00:26:43,450 --> 00:26:40,940

and we're going down this I wasn't like

647

00:26:45,580 --> 00:26:43,460

moving sidewalks I was like this Japs

648

00:26:46,960 --> 00:26:45,590

got everything and we're going down I

649

00:26:49,149 --> 00:26:46,970

get to the others all this press and

650

00:26:50,919 --> 00:26:49,159

taking pictures and I'm like outstanding

651  
00:26:53,409 --> 00:26:50,929  
back it's you know he's in Springsteen's

652  
00:26:56,499 --> 00:26:53,419  
bed it wasn't for him

653  
00:26:58,690 --> 00:26:56,509  
ivana son uh well listen the pictures of

654  
00:27:01,390 --> 00:26:58,700  
me an appointment all this it was like

655  
00:27:03,130 --> 00:27:01,400  
the Beatles of the [h\_\_\h] gold

656  
00:27:05,140 --> 00:27:03,140  
good bands ants I've seen in Cynthia's

657  
00:27:07,440 --> 00:27:05,150  
[h\_\_\h] oh babe this we were selling we

658  
00:27:12,520 --> 00:27:07,450  
were Barris and they're like oh my god

659  
00:27:14,890 --> 00:27:12,530  
but I move down the line custom I'm not

660  
00:27:16,900 --> 00:27:14,900  
kidding you and I'm like I was scared

661  
00:27:21,010 --> 00:27:16,910  
I'm like what if I got into I'm like

662  
00:27:23,650 --> 00:27:21,020  
this is madness out to limos print

663  
00:27:27,280 --> 00:27:23,660

following running in cars filming and

664

00:27:29,380 --> 00:27:27,290

smiling I'm like stop this this is what

665

00:27:31,210 --> 00:27:29,390

they look against McCartney about this

666

00:27:33,160 --> 00:27:31,220

truly happened it was really scary to be

667

00:27:35,440 --> 00:27:33,170

honest with you I have film of this

668

00:27:38,770 --> 00:27:35,450

walking through and just it was like I'm

669

00:27:42,580 --> 00:27:38,780

Kim Kardashian her her ex former father

670

00:27:44,770 --> 00:27:42,590

or whatever it was and it was scary was

671

00:27:46,540 --> 00:27:44,780

amazing but Japan being there was a

672

00:27:50,350 --> 00:27:46,550

fantastic thing I hung out with your

673

00:27:53,650 --> 00:27:50,360

regular and the Ben peas he did and I

674

00:27:56,290 --> 00:27:53,660

hung out with Queen that were there for

675

00:27:58,170 --> 00:27:56,300

the tennis thing I met with Freddie it

676  
00:28:00,610 --> 00:27:58,180  
was basically I was telling this why why

677  
00:28:00,970 --> 00:28:00,620  
we were in the pond radio I love these

678  
00:28:02,890 --> 00:28:00,980  
things

679  
00:28:06,040 --> 00:28:02,900  
I I could do another one we're up in the

680  
00:28:07,900 --> 00:28:06,050  
pond radio so I have done radio and the

681  
00:28:10,240 --> 00:28:07,910  
Queen was promoting some out and they

682  
00:28:12,850 --> 00:28:10,250  
were all up there in Japan immense like

683  
00:28:15,160 --> 00:28:12,860  
the weirdest it's like being on Mars and

684  
00:28:17,110 --> 00:28:15,170  
so I'm sitting in this greenroom thing

685  
00:28:19,090 --> 00:28:17,120  
and Freddie smoked which you wouldn't

686  
00:28:20,560 --> 00:28:19,100  
think but he's just smoking it's what he

687  
00:28:22,480 --> 00:28:20,570  
here for darling and I go like this and

688  
00:28:24,070 --> 00:28:22,490

I went through this UFO thing it was oh

689

00:28:25,810 --> 00:28:24,080

I don't remember what he said but it was

690

00:28:28,350 --> 00:28:25,820

almost like [h\_\_h] please it was

691

00:28:31,060 --> 00:28:28,360

something like that was hilarious and

692

00:28:33,430 --> 00:28:31,070

yes we're there and the late great Rick

693

00:28:36,340 --> 00:28:33,440

wake not Rick Wakeman I know Rick he's a

694

00:28:38,560 --> 00:28:36,350

big ally of ours uh Chris wired I and I

695

00:28:40,000 --> 00:28:38,570

hung out with them guys they were

696

00:28:41,890 --> 00:28:40,010

there's a big tennis thing going on that

697

00:28:44,740 --> 00:28:41,900

McEnroe guy was over there

698

00:28:47,350 --> 00:28:44,750

and we all seen every round I hung out

699

00:28:49,840 --> 00:28:47,360

and this club whole next season Queen

700

00:28:52,570 --> 00:28:49,850

and it was it just a great time but

701

00:28:54,670 --> 00:28:52,580

scary but my mission was to get the

702

00:28:57,220 --> 00:28:54,680

actual I did a lot of TV shows Johnny

703

00:28:59,410 --> 00:28:57,230

Depp was in a movie I know recreation we

704

00:29:00,550 --> 00:28:59,420

did I played myself we filmed at the

705

00:29:03,100 --> 00:29:00,560

base of Mount Fuji

706

00:29:04,510 --> 00:29:03,110

Johnny Depp was a male model before he

707

00:29:05,740 --> 00:29:04,520

did 21 Jump Street

708

00:29:09,070 --> 00:29:05,750

working in Japan

709

00:29:10,659 --> 00:29:09,080

and took acting jobs on the side and his

710

00:29:13,090 --> 00:29:10,669

name was John death and he had a

711

00:29:15,009 --> 00:29:13,100

Kentucky accent and he wasn't the John

712

00:29:18,519 --> 00:29:15,019

you know now but he now has a house

713

00:29:21,159 --> 00:29:18,529

right near our air base life's weird and

714

00:29:22,509 --> 00:29:21,169

he played just extra background guy in

715

00:29:25,240 --> 00:29:22,519

fact I told him just went back and then

716

00:29:26,649 --> 00:29:25,250

the directors got furious long story and

717

00:29:29,230 --> 00:29:26,659

a lot of that's covered in the book but

718

00:29:30,909 --> 00:29:29,240

who knew Johnny Depp he was not though

719

00:29:32,409 --> 00:29:30,919

I'm thinking no one's gonna see this

720

00:29:33,789 --> 00:29:32,419

[h\_\_h] it's all over the youtubes now

721

00:29:36,039 --> 00:29:33,799

though it didn't exist that I'm like

722

00:29:37,840 --> 00:29:36,049

this is Japan no we'll see this the

723

00:29:39,759 --> 00:29:37,850

effects they did it was like just short

724

00:29:41,769 --> 00:29:39,769

of godzilla mothra flying in on

725

00:29:44,049 --> 00:29:41,779

Rendlesham that was truly like that and

726

00:29:46,419 --> 00:29:44,059

the same people that did the effects did

727

00:29:48,759 --> 00:29:46,429

the effects on this crazy Japanese movie

728

00:29:51,070 --> 00:29:48,769

but my son falls down left laughing a

729

00:29:53,799 --> 00:29:51,080

pie or girly stuff is bad your hair man

730

00:29:57,690 --> 00:29:53,809

you'll see some hair BG hair like I

731

00:29:59,889 --> 00:29:57,700

scout Maurice given but enough but we

732

00:30:03,549 --> 00:29:59,899

these are some of the fun things you

733

00:30:06,070 --> 00:30:03,559

know funny memories things but that's 31

734

00:30:08,019 --> 00:30:06,080

years ago but what I did do is came back

735

00:30:10,539 --> 00:30:08,029

with that audio but I made the promise

736

00:30:12,519 --> 00:30:10,549

that's where I was dishonest I told you

737

00:30:15,009 --> 00:30:12,529

news he goes he must not play this for

738

00:30:17,200 --> 00:30:15,019

anyone well over here researchers remain

739

00:30:18,850 --> 00:30:17,210

nameless we're taking that tape and

740

00:30:20,499 --> 00:30:18,860

saying we have it not sharing it with

741

00:30:22,450 --> 00:30:20,509

any we had never been in the media here

742

00:30:27,610 --> 00:30:22,460

it was didn't draws and I've got

743

00:30:30,159 --> 00:30:27,620

something I said screw you they got back

744

00:30:32,860 --> 00:30:30,169

well I was already in the process of

745

00:30:36,090 --> 00:30:32,870

being an adviser to a program called for

746

00:30:38,769 --> 00:30:36,100

CNN 5 years old CNN at this time a

747

00:30:41,139 --> 00:30:38,779

special assignment and it would to be

748

00:30:43,659 --> 00:30:41,149

called UFO of the Bentwaters incident

749

00:30:45,850 --> 00:30:43,669

I'm about to show that to you you are

750

00:30:49,450 --> 00:30:45,860

alight with that it's a three-part

751  
00:30:51,549 --> 00:30:49,460  
series that aired in February of 85 you

752  
00:30:54,249 --> 00:30:51,559  
will see witnesses all blacked out that

753  
00:30:56,560 --> 00:30:54,259  
you have never seen again that lived

754  
00:31:00,249 --> 00:30:56,570  
through this thing and then you see

755  
00:31:02,230 --> 00:31:00,259  
dumbass who is not blacked out because I

756  
00:31:04,570 --> 00:31:02,240  
was already known for two years with it

757  
00:31:06,070 --> 00:31:04,580  
but all CNN went to the guys I say go to

758  
00:31:08,110 --> 00:31:06,080  
them if you're lying there cuz they go

759  
00:31:13,119 --> 00:31:08,120  
see and he's got to tell you they all

760  
00:31:16,299 --> 00:31:13,129  
you'll see tell you how old this is no

761  
00:31:17,629 --> 00:31:16,309  
graphics like CGI a courtroom artist in

762  
00:31:19,969 --> 00:31:17,639  
DC just drew a picture

763  
00:31:21,949 --> 00:31:19,979

they didn't consult with me it looks

764

00:31:24,469 --> 00:31:21,959

like aliens are having iced tea on it

765

00:31:27,649 --> 00:31:24,479

but the concept of this is that CNN

766

00:31:30,349 --> 00:31:27,659

caught the air force in 16 lies the man

767

00:31:32,149 --> 00:31:30,359

that did the thing is Chuck de Caro you

768

00:31:33,849 --> 00:31:32,159

might have seen the news on Chuck a few

769

00:31:36,440 --> 00:31:33,859

weeks ago he's a special forces

770

00:31:41,089 --> 00:31:36,450

reservists then but he was the son

771

00:31:43,849 --> 00:31:41,099

military and technology guy for CNN he

772

00:31:45,739 --> 00:31:43,859

did this he knew that these events

773

00:31:48,349 --> 00:31:45,749

happen but he knew the nuclear element

774

00:31:50,329 --> 00:31:48,359

was ultimately important that makes an

775

00:31:52,879 --> 00:31:50,339

extreme defense significance for your

776

00:31:54,409 --> 00:31:52,889

country so when they say lighthouse no

777

00:31:56,180 --> 00:31:54,419

yet but they Admiral of the fleet the

778

00:31:58,879 --> 00:31:56,190

Lord Peter he'll Norton who I knew

779

00:32:00,319 --> 00:31:58,889

didn't just hear about him actually knew

780

00:32:03,349 --> 00:32:00,329

him called him Pete once didn't like

781

00:32:05,509 --> 00:32:03,359

that and Peter Robbins god bless him

782

00:32:08,299 --> 00:32:05,519

would always get his title wrong Admiral

783

00:32:09,469 --> 00:32:08,309

Lord and he goes it's the Lord and

784

00:32:12,499 --> 00:32:09,479

Peterson sorry

785

00:32:16,399 --> 00:32:12,509

so I'm like Pete you know don't worry

786

00:32:18,379 --> 00:32:16,409

it's like it's Peter we learned our

787

00:32:21,139 --> 00:32:18,389

place but man respect to the guy he was

788

00:32:24,409 --> 00:32:21,149

the head of freaking NATO and a huge

789

00:32:27,319 --> 00:32:24,419

ally of this thing and I seen other

790

00:32:30,259 --> 00:32:27,329

people hello Peter no no no no he was

791

00:32:32,599 --> 00:32:30,269

odd it was Uncle Peter and a big

792

00:32:35,539 --> 00:32:32,609

supporter and got arrested so very brave

793

00:32:37,969 --> 00:32:35,549

man but again the head of frickin NATO

794

00:32:42,409 --> 00:32:37,979

in his day that's kind of a good job

795

00:32:45,109 --> 00:32:42,419

Suffolk Donald's is it so uh I got that

796

00:32:47,029 --> 00:32:45,119

tape and I get back and I tell Chuck the

797

00:32:49,339 --> 00:32:47,039

Carroll I said I've got a tape of the

798

00:32:51,199 --> 00:32:49,349

incident part of it now at this point I

799

00:32:52,819 --> 00:32:51,209

still thought the instance all must have

800

00:32:54,139 --> 00:32:52,829

been in one night because we came out I

801  
00:32:57,529 --> 00:32:54,149  
couldn't imagine how could this happen

802  
00:32:59,599 --> 00:32:57,539  
three nights and no one know and so I

803  
00:33:01,879 --> 00:32:59,609  
thought we were responding to what the

804  
00:33:03,859 --> 00:33:01,889  
earlier incident was meant with me

805  
00:33:06,049 --> 00:33:03,869  
awhile that's the job they used to pick

806  
00:33:08,209 --> 00:33:06,059  
up man it just didn't make sense to me

807  
00:33:10,549 --> 00:33:08,219  
and maybe anyone else it wouldn't but it

808  
00:33:12,949 --> 00:33:10,559  
was three nights by then I think I knew

809  
00:33:17,269 --> 00:33:12,959  
so I took the tape and I gave it to

810  
00:33:19,669 --> 00:33:17,279  
Chuck and this is the first time the CNN

811  
00:33:22,519 --> 00:33:19,679  
the CNN actually should possible play

812  
00:33:24,889 --> 00:33:22,529  
this tape now this program was lost in

813  
00:33:27,139 --> 00:33:24,899

time CNN didn't even own a copy of this

814

00:33:30,440 --> 00:33:27,149

I found it in a bass

815

00:33:31,940 --> 00:33:30,450

in my house an old tank I sent it down

816

00:33:34,399 --> 00:33:31,950

CNN didn't even have it in their

817

00:33:37,009 --> 00:33:34,409

archives this was their highest-rated

818

00:33:39,379 --> 00:33:37,019

special assignment to that point 1985

819

00:33:42,680 --> 00:33:39,389

now if you're looking for graphics and

820

00:33:44,539 --> 00:33:42,690

groove like now it ain't it's definitely

821

00:33:45,799 --> 00:33:44,549

historic but what's important here is

822

00:33:49,099 --> 00:33:45,809

the people you're going to meet and

823

00:33:51,349 --> 00:33:49,109

listen to what they say you'll find I

824

00:33:53,839 --> 00:33:51,359

ain't the only one but they have never

825

00:33:57,019 --> 00:33:53,849

spoken again and as I say with the vile

826

00:33:59,239 --> 00:33:57,029

abuse even some of our own have

827

00:34:00,469 --> 00:33:59,249

committed upon us and the memories of

828

00:34:04,159 --> 00:34:00,479

those who are here

829

00:34:07,700 --> 00:34:04,169

would you I'm the only one crazy enough

830

00:34:09,649 --> 00:34:07,710

to do that where's my spectacles and I

831

00:34:11,359 --> 00:34:09,659

hope you enjoy this but it is a historic

832

00:34:14,389 --> 00:34:11,369

important thing that certain parties

833

00:34:15,829 --> 00:34:14,399

would rather you never seen and they

834

00:34:17,569 --> 00:34:15,839

still don't want you to see them as too

835

00:34:19,129 --> 00:34:17,579

late because it's on freaking YouTube

836

00:34:19,639 --> 00:34:19,139

and John Hanson or what's-his-name

837

00:34:22,639 --> 00:34:19,649

kisser

838

00:34:23,930 --> 00:34:22,649

skunk man can't stop it no probably put

839

00:34:28,669 --> 00:34:23,940

a complaint on this too

840

00:34:31,549 --> 00:34:28,679

it's mine oh it is not and that is see

841

00:34:36,040 --> 00:34:31,559

and and forgive the primitive nature of

842

00:34:53,669 --> 00:34:42,500

[Music]

843

00:34:59,279 --> 00:34:56,549

and here we are lady okay did you need

844

00:35:01,799 --> 00:34:59,289

to get them okay what this is Chuck

845

00:35:04,440 --> 00:35:01,809

actually let us say and he married the

846

00:35:07,170 --> 00:35:04,450

first CNN actor the first actor of

847

00:35:09,120 --> 00:35:07,180

American news then and they were

848

00:35:11,400 --> 00:35:09,130

traveling through the country just three

849

00:35:14,220 --> 00:35:11,410

weeks ago stopped at a hotel in New

850

00:35:16,410 --> 00:35:14,230

Mexico a guy broke in and a shootout

851  
00:35:18,509 --> 00:35:16,420  
ensued between shocked he was protecting

852  
00:35:20,640 --> 00:35:18,519  
his wife Chuck was shot three times that

853  
00:35:22,739 --> 00:35:20,650  
guy you're about to see and he is

854  
00:35:24,150 --> 00:35:22,749  
recovering in hospital II did kill the

855  
00:35:27,029 --> 00:35:24,160  
assailant than the Acela would have

856  
00:35:29,759 --> 00:35:27,039  
executed both of them just to rob so

857  
00:35:31,799 --> 00:35:29,769  
that's a sidebar it never stops with

858  
00:35:33,900 --> 00:35:31,809  
this thing but there's a very brave

859  
00:35:36,930 --> 00:35:33,910  
reporter and I have a lot of respect and

860  
00:35:39,720 --> 00:35:36,940  
he just forgive my hairstyle and

861  
00:35:41,999 --> 00:35:39,730  
remember this when you see my shot begin

862  
00:35:44,370 --> 00:35:42,009  
I'm walking through the back my father's

863  
00:35:46,620 --> 00:35:44,380

back garden and what you they cut out is

864

00:36:07,440 --> 00:35:46,630

my father yelling don't let him film the

865

00:36:09,900 --> 00:36:07,450

goddamn house this is the countryside of

866

00:36:12,329 --> 00:36:09,910

the county of East Anglia on the east

867

00:36:14,430 --> 00:36:12,339

central Sea coast of England it is a

868

00:36:16,950 --> 00:36:14,440

quiet land of thatched roof houses and

869

00:36:19,680 --> 00:36:16,960

farms coastal washes and fishing

870

00:36:22,589 --> 00:36:19,690

villages near the town of Woodbridge is

871

00:36:25,170 --> 00:36:22,599

the Rendlesham forest 10,000 acres of

872

00:36:27,660 --> 00:36:25,180

scotch and Corsican pine forested by the

873

00:36:29,970 --> 00:36:27,670

British government the Rendlesham forest

874

00:36:32,940 --> 00:36:29,980

is also the home of the US Air Force's

875

00:36:35,489 --> 00:36:32,950

81st Tactical Fighter Wing located on a

876

00:36:38,130 --> 00:36:35,499

twin base complex formed by Woodbridge

877

00:36:42,390 --> 00:36:38,140

and Bentwaters Air Field located some

878

00:36:45,660 --> 00:36:42,400

six miles apart the first fly some 158

879

00:36:48,150 --> 00:36:45,670

10 pink buster aircraft over four years

880

00:36:50,670 --> 00:36:48,160

ago however the area adjacent to the

881

00:36:52,979 --> 00:36:50,680

Woodbridge headquarters complex was the

882

00:36:55,529 --> 00:36:52,989

site of what witnesses say was an

883

00:36:58,019 --> 00:36:55,539

astounding event seemingly taken from

884

00:37:00,269 --> 00:36:58,029

science fiction they claimed that the

885

00:37:02,609 --> 00:37:00,279

Rendlesham forest was the landing site

886

00:37:12,390 --> 00:37:02,619

of an unidentified flying object

887

00:37:12,400 --> 00:37:15,880

that's all

888

00:37:21,190 --> 00:37:18,729

every one of the witnesses is mechanic

889

00:37:23,799 --> 00:37:21,200

Jerry Harris who owns a car repair shop

890

00:37:27,279 --> 00:37:23,809

just off the runway at Bentwaters field

891

00:37:29,079 --> 00:37:27,289

I suppose you must be mad cause I'll

892

00:37:32,380 --> 00:37:29,089

never see who was an ad must be similar

893

00:37:34,509 --> 00:37:32,390

or a sudden of maintenance on Gordon

894

00:37:37,299 --> 00:37:34,519

Levitt a game warden who lives in Orford

895

00:37:40,079 --> 00:37:37,309

near Woodbridge saw it too first of all

896

00:37:42,910 --> 00:37:40,089

it looks as though it was an aircraft

897

00:37:46,539 --> 00:37:42,920

the light was coming in it appeared to

898

00:37:49,660 --> 00:37:46,549

be quite slow and then it speeded up and

899

00:37:52,479 --> 00:37:49,670

it came towards the lodge and the closer

900

00:37:56,019 --> 00:37:52,489

cut the more I realized it was not an

901  
00:37:57,539 --> 00:37:56,029  
aircraft the British tabloid press had a

902  
00:37:59,849 --> 00:37:57,549  
field day with reports of the incident

903  
00:38:04,089 --> 00:37:59,859  
with stories of flying saucers

904  
00:38:06,489 --> 00:38:04,099  
mysterious lights and even aliens The

905  
00:38:08,319 --> 00:38:06,499  
Times of London however dismissed the

906  
00:38:11,140 --> 00:38:08,329  
incident and poked fun at the other

907  
00:38:13,210 --> 00:38:11,150  
newspapers it quoted this man Vince or

908  
00:38:15,789 --> 00:38:13,220  
kettle a forester who works near the

909  
00:38:18,519 --> 00:38:15,799  
alleged landing site their kennel told

910  
00:38:20,739 --> 00:38:18,529  
CNN that the UFO was merely a beam of

911  
00:38:22,479 --> 00:38:20,749  
light from the nearby offered lighthouse

912  
00:38:24,489 --> 00:38:22,489  
but if you didn't know as a lighthouse

913  
00:38:26,349 --> 00:38:24,499

if you thought it was something small

914

00:38:28,299 --> 00:38:26,359

maybe 2 3 metres across

915

00:38:30,249 --> 00:38:28,309

pulsing about and pulsing white in the

916

00:38:31,989 --> 00:38:30,259

forest yes it looks as if it's within

917

00:38:34,210 --> 00:38:31,999

the trees and it does appear to light

918

00:38:36,220 --> 00:38:34,220

out the trees as well but gordon-levitt

919

00:38:38,380 --> 00:38:36,230

the game warden who was also familiar

920

00:38:40,210 --> 00:38:38,390

with the course dismissed the lighthouse

921

00:38:42,849 --> 00:38:40,220

Theory outright at the moment we're

922

00:38:44,410 --> 00:38:42,859

standing on the Offutt cave and quite

923

00:38:47,859 --> 00:38:44,420

clearly you can see the light has over

924

00:38:51,309 --> 00:38:47,869

there pricing and the light from the UFO

925

00:38:53,499 --> 00:38:51,319

was tobin nothing like the light from a

926

00:38:56,349 --> 00:38:53,509

lighter what makes the Bentwaters

927

00:38:58,920 --> 00:38:56,359

Woodbridge UFO incident unique is that

928

00:39:01,029 --> 00:38:58,930

this official US Air Force report

929

00:39:03,880 --> 00:39:01,039

obtained under the Freedom of

930

00:39:05,470 --> 00:39:03,890

Information Act documents two UFO

931

00:39:08,430 --> 00:39:05,480

incidents that were intensely

932

00:39:11,819 --> 00:39:08,440

investigated by the Air Force it's

933

00:39:14,220 --> 00:39:11,829

early in the morning of December 27 1982

934

00:39:16,470 --> 00:39:14,230

Air Force security police patrolmen saw

935

00:39:18,930 --> 00:39:16,480

unusual lights outside the back gate at

936

00:39:20,550 --> 00:39:18,940

RAF Woodbridge thinking an aircraft

937

00:39:22,829 --> 00:39:20,560

might have crashed they called for

938

00:39:25,050 --> 00:39:22,839

permission to investigate the on-duty

939

00:39:27,780 --> 00:39:25,060

flight chief allowed three patrolmen to

940

00:39:30,059 --> 00:39:27,790

proceed on foot the individuals were put

941

00:39:32,250 --> 00:39:30,069

seeing a strange glowing object in the

942

00:39:34,380 --> 00:39:32,260

forest that was metallic an appearance

943

00:39:36,990 --> 00:39:34,390

pan triangular in shape approximately

944

00:39:39,450 --> 00:39:37,000

two to three meters across the base and

945

00:39:41,880 --> 00:39:39,460

two meters high in illuminated the

946

00:39:44,069 --> 00:39:41,890

entire forest with a white light the

947

00:39:46,170 --> 00:39:44,079

object had a pulsating red light on top

948

00:39:49,290 --> 00:39:46,180

and the bank of blue lights underneath

949

00:39:51,030 --> 00:39:49,300

it was hovering or on legs at the

950

00:39:53,579 --> 00:39:51,040

patrolmen approached and maneuvered

951  
00:39:55,740 --> 00:39:53,589  
through the trees and disappeared the

952  
00:39:57,510 --> 00:39:55,750  
next day three depressions one and a

953  
00:39:59,700 --> 00:39:57,520  
half inches deep and seven inches in

954  
00:40:02,040 --> 00:39:59,710  
diameter were found where the object had

955  
00:40:03,980 --> 00:40:02,050  
been sighted on the ground the following

956  
00:40:07,770 --> 00:40:03,990  
night the area was checked for radiation

957  
00:40:10,170 --> 00:40:07,780  
beta gamma readings 0.1 Miller ends were

958  
00:40:12,180 --> 00:40:10,180  
recorded with peak readings in the three

959  
00:40:14,430 --> 00:40:12,190  
depressions and near the center of the

960  
00:40:17,160 --> 00:40:14,440  
triangle worn by the depressions a

961  
00:40:18,930 --> 00:40:17,170  
nearby tree had moderate readings on the

962  
00:40:21,480 --> 00:40:18,940  
side of the tree toward the depressions

963  
00:40:23,220 --> 00:40:21,490

later in the night a red sunlight the

964

00:40:25,950 --> 00:40:23,230

light was seen through the trees it

965

00:40:27,900 --> 00:40:25,960

moved about and pulse at one point it

966

00:40:30,030 --> 00:40:27,910

appeared to throw off glowing particles

967

00:40:32,609 --> 00:40:30,040

and then broke into five separate white

968

00:40:34,980 --> 00:40:32,619

objects and then disappeared immediately

969

00:40:37,230 --> 00:40:34,990

thereafter three star-like objects were

970

00:40:39,720 --> 00:40:37,240

dearest in the sky two objects to the

971

00:40:41,480 --> 00:40:39,730

north and one to the south all of which

972

00:40:44,940 --> 00:40:41,490

were about 10 degrees off the horizon

973

00:40:47,069 --> 00:40:44,950

the object moved about in sharp angular

974

00:40:49,290 --> 00:40:47,079

movements and displayed red green and

975

00:40:51,300 --> 00:40:49,300

blue lights the objects to the north

976  
00:40:53,100 --> 00:40:51,310  
appeared to be elliptical and then

977  
00:40:55,080 --> 00:40:53,110  
turned four circles

978  
00:40:57,720 --> 00:40:55,090  
and remain in the sky for an hour or

979  
00:41:00,060 --> 00:40:57,730  
more the object to the south was visible

980  
00:41:01,500 --> 00:41:00,070  
for two or three hours and being down a

981  
00:41:04,050 --> 00:41:01,510  
stream of light from time to time

982  
00:41:06,240 --> 00:41:04,060  
numerous individuals including the

983  
00:41:09,570 --> 00:41:06,250  
undersigned witnessed activities in

984  
00:41:10,200 --> 00:41:09,580  
paragraphs two and three sighs Charles I

985  
00:41:12,270 --> 00:41:10,210  
halt

986  
00:41:15,840 --> 00:41:12,280  
Lieutenant Colonel the United States Air

987  
00:41:19,740 --> 00:41:15,850  
Force deputy base commander but I think

988  
00:41:22,440 --> 00:41:19,750

I saw a UFO it's some kind of a

989

00:41:25,320 --> 00:41:22,450

spaceship from someplace not of this

990

00:41:27,600 --> 00:41:25,330

earth airman Gregg is a former Air Force

991

00:41:29,730 --> 00:41:27,610

security policeman who says he was a

992

00:41:32,100 --> 00:41:29,740

witness to the second of two UFO

993

00:41:35,130 --> 00:41:32,110

landings on consecutive days in December

994

00:41:37,620 --> 00:41:35,140

1980 outside the US air force base at

995

00:41:39,990 --> 00:41:37,630

Woodbridge England those events were

996

00:41:42,150 --> 00:41:40,000

documented in this official US Air Force

997

00:41:44,580 --> 00:41:42,160

report released under the Freedom of

998

00:41:46,980 --> 00:41:44,590

Information Act according to the report

999

00:41:49,290 --> 00:41:46,990

in the first encounter before daybreak

1000

00:41:51,060 --> 00:41:49,300

three security policemen saw a luminous

1001  
00:41:52,860 --> 00:41:51,070  
metallic object and followed it through

1002  
00:41:54,840 --> 00:41:52,870  
the forest as it maneuvered for the

1003  
00:41:56,940 --> 00:41:54,850  
trees and then disappeared after

1004  
00:41:59,070 --> 00:41:56,950  
daybreak this now retired security

1005  
00:42:01,020 --> 00:41:59,080  
police Master Sergeant went to the site

1006  
00:42:03,210 --> 00:42:01,030  
of the incident along with others to

1007  
00:42:05,280 --> 00:42:03,220  
determine what had happened to protect

1008  
00:42:07,530 --> 00:42:05,290  
his current government job he asked not

1009  
00:42:11,940 --> 00:42:07,540  
to be identified and an approximate

1010  
00:42:15,720 --> 00:42:11,950  
location of this alleged crash landing

1011  
00:42:18,860 --> 00:42:15,730  
in the wooded area I found what appeared

1012  
00:42:21,950 --> 00:42:18,870  
to be three depressions in the ground

1013  
00:42:24,660 --> 00:42:21,960

the ground was rather soft at that time

1014

00:42:27,410 --> 00:42:24,670

but three depressions in a triangular

1015

00:42:28,640 --> 00:42:27,420

pattern but it turned out that they were

1016

00:42:31,800 --> 00:42:28,650

12-foot

1017

00:42:34,560 --> 00:42:31,810

equidistant from each other

1018

00:42:36,690 --> 00:42:34,570

measured from Senator sessions and

1019

00:42:39,270 --> 00:42:36,700

officer who accompanies Master Sergeant

1020

00:42:41,760 --> 00:42:39,280

G corroborates that account but since he

1021

00:42:43,920 --> 00:42:41,770

is still on active duty he to ask for an

1022

00:42:45,630 --> 00:42:43,930

annuity both he and the sergeant said

1023

00:42:48,040 --> 00:42:45,640

they took photographs of the physical

1024

00:42:50,020 --> 00:42:48,050

evidence I took the pictures and

1025

00:42:52,240 --> 00:42:50,030

we thought we had some evidence but when

1026

00:42:54,880 --> 00:42:52,250

the pictures came back they will all

1027

00:42:56,710 --> 00:42:54,890

fight it out there was nothing on the on

1028

00:42:58,840 --> 00:42:56,720

the film itself or on the negatives

1029

00:43:02,710 --> 00:42:58,850

because the site of the incident was

1030

00:43:49,590 --> 00:43:02,720

located between the two air bases were

1031

00:43:53,830 --> 00:43:51,880

according to Air Force sources the

1032

00:43:56,349 --> 00:43:53,840

deputy base commander Lieutenant Colonel

1033

00:43:58,359 --> 00:43:56,359

Charles I halt later the author of the

1034

00:44:00,580 --> 00:43:58,369

only known written account of the UFO

1035

00:44:02,710 --> 00:44:00,590

events advised the heightened state of

1036

00:44:04,750 --> 00:44:02,720

surveillance in case the UFO returned

1037

00:44:06,760 --> 00:44:04,760

the following night of four main

1038

00:44:09,970 --> 00:44:06,770

perimeter patrol near the back gate at

1039

00:44:12,520 --> 00:44:09,980

Woodbridge saw the UFO again airman Greg

1040

00:44:13,960 --> 00:44:12,530

was a member of that Patrol we were

1041

00:44:16,000 --> 00:44:13,970

about halfway into the shift I guess

1042

00:44:19,450 --> 00:44:16,010

when we noticed some lights in the sky

1043

00:44:25,290 --> 00:44:19,460

that didn't seem to follow any pattern

1044

00:44:27,580 --> 00:44:25,300

of any aircraft that we'd seen and we

1045

00:44:30,730 --> 00:44:27,590

watched him for a while and disappeared

1046

00:44:32,800 --> 00:44:30,740

and the next thing that we saw was the

1047

00:44:35,020 --> 00:44:32,810

lights in a forest

1048

00:44:39,610 --> 00:44:35,030

in a clearing it was off the end of the

1049

00:44:41,140 --> 00:44:39,620

runway and we called Cielo central

1050

00:44:43,300 --> 00:44:41,150

security control to tell them that we'd

1051  
00:44:44,730 --> 00:44:43,310  
like to go investigate it and they give

1052  
00:44:48,760 --> 00:44:44,740  
us permission to go ahead and go on out

1053  
00:44:51,040 --> 00:44:48,770  
as we got in there we got could see into

1054  
00:44:53,140 --> 00:44:51,050  
their clearing and see a series of

1055  
00:44:54,160 --> 00:44:53,150  
lights in there surrounded by that

1056  
00:44:55,870 --> 00:44:54,170  
ground fog

1057  
00:44:58,870 --> 00:44:55,880  
it was kind of common in the area so we

1058  
00:45:00,190 --> 00:44:58,880  
didn't think too much of it and we

1059  
00:45:02,830 --> 00:45:00,200  
decided a little bit closer soon we

1060  
00:45:05,020 --> 00:45:02,840  
could find out and when we got closer in

1061  
00:45:07,150 --> 00:45:05,030  
the field the hair on your arms in the

1062  
00:45:09,250 --> 00:45:07,160  
backyard enacting it yeah under your hat

1063  
00:45:11,440 --> 00:45:09,260

even stand on him it's like it was a

1064

00:45:14,230 --> 00:45:11,450

real big static charge in the air let me

1065

00:45:17,460 --> 00:45:14,240

ask where you are the time yes what kind

1066

00:45:20,500 --> 00:45:17,470

of weapon worked here the m16 did you

1067

00:45:23,410 --> 00:45:20,510

load the weapon and any time yes I did

1068

00:45:24,670 --> 00:45:23,420

loaded and put it on semi-automatic we

1069

00:45:27,040 --> 00:45:24,680

didn't know what we were encountering

1070

00:45:29,140 --> 00:45:27,050

you only knew it was something that that

1071

00:45:30,580 --> 00:45:29,150

was totally beyond our realm of

1072

00:45:32,980 --> 00:45:30,590

experience we've never experienced

1073

00:45:34,990 --> 00:45:32,990

anything like this before and about that

1074

00:45:36,100 --> 00:45:35,000

time we decided that we better get that

1075

00:45:38,980 --> 00:45:36,110

guy there because we were getting a

1076

00:45:42,670 --> 00:45:38,990

little too scared and we took off better

1077

00:45:44,860 --> 00:45:42,680

run went back our vehicle as they

1078

00:45:46,660 --> 00:45:44,870

reached their patrol truck he says there

1079

00:45:48,460 --> 00:45:46,670

were about half a dozen vehicles and

1080

00:45:51,160 --> 00:45:48,470

about 30 men strung out along the

1081

00:45:52,990 --> 00:45:51,170

roadside among the first to arrive was

1082

00:45:55,930 --> 00:45:53,000

deputy base commander Lieutenant Colonel

1083

00:45:57,940 --> 00:45:55,940

Charles I halt in a three-man team one

1084

00:45:59,410 --> 00:45:57,950

of them is this sergeant he is still an

1085

00:46:01,600 --> 00:45:59,420

active duty and asked to have his

1086

00:46:04,510 --> 00:46:01,610

identity concealed right now I do

1087

00:46:07,570 --> 00:46:04,520

believe that UFOs exist up until that

1088

00:46:09,340 --> 00:46:07,580

point I've been skeptical now I believe

1089

00:46:11,290 --> 00:46:09,350

there may have been someone else there

1090

00:46:13,690 --> 00:46:11,300

although the Air Force contends that

1091

00:46:15,910 --> 00:46:13,700

there is no audio visual evidence of the

1092

00:46:17,290 --> 00:46:15,920

Bentwaters incidents see it in his

1093

00:46:19,360 --> 00:46:17,300

obtain a tape recording made by

1094

00:46:22,210 --> 00:46:19,370

Lieutenant Colonel halt during one of

1095

00:46:24,220 --> 00:46:22,220

the encounters the 20-minute tape cover

1096

00:46:27,430 --> 00:46:24,230

segments of events over a seven hour

1097

00:46:29,680 --> 00:46:27,440

period Colonel halt and his team started

1098

00:46:31,900 --> 00:46:29,690

searching for the object and found what

1099

00:46:36,250 --> 00:46:31,910

they thought was the same UFO landing

1100

00:46:45,690 --> 00:46:36,260

site reported a day or so earlier

1101  
00:46:50,650 --> 00:46:48,640  
according to sergeant be the team member

1102  
00:46:52,960 --> 00:46:50,660  
carrying the Geiger counter was selected

1103  
00:46:55,840 --> 00:46:52,970  
by Colonel halt to take photographs in

1104  
00:46:58,650 --> 00:46:55,850  
radioactivity readings certain nevels

1105  
00:47:01,330 --> 00:46:58,660  
who is a disaster preparedness

1106  
00:47:05,320 --> 00:47:01,340  
specialist he operated the Geiger

1107  
00:47:07,450 --> 00:47:05,330  
counter well he was the expert on us so

1108  
00:47:09,760 --> 00:47:07,460  
he carried it and he operated it Colonel

1109  
00:47:12,400 --> 00:47:09,770  
Paul recorded the radioactivity data in

1110  
00:47:14,050 --> 00:47:12,410  
detail and his official report one of

1111  
00:47:16,020 --> 00:47:14,060  
those readings was taken from a tree

1112  
00:47:18,700 --> 00:47:16,030  
facing the suspected landing site

1113  
00:47:20,650 --> 00:47:18,710

Colonel halt also noticed unusual

1114

00:47:22,270 --> 00:47:20,660

abrasions on the nearby trees and

1115

00:47:39,550 --> 00:47:22,280

ordered sergeant nevels to take

1116

00:48:03,910 --> 00:47:39,560

photographs according to the hall tape

1117

00:48:08,240 --> 00:48:06,710

it wasn't about that time that sergeant

1118

00:48:24,440 --> 00:48:08,250

being the others apparently saw

1119

00:48:26,660 --> 00:48:24,450

something standing at the landing site

1120

00:48:28,850 --> 00:48:26,670

described by Colonel halt in his report

1121

00:48:31,490 --> 00:48:28,860

behind me is the light from being

1122

00:48:33,940 --> 00:48:31,500

offered lighthouse it flashes every five

1123

00:48:37,190 --> 00:48:33,950

seconds and is less than ten miles away

1124

00:48:39,740 --> 00:48:37,200

the question remains however how could

1125

00:48:42,290 --> 00:48:39,750

curl Halton his men mistake that light

1126  
00:48:44,510 --> 00:48:42,300  
on two different nights for something

1127  
00:48:46,670 --> 00:48:44,520  
radically different critics say that the

1128  
00:48:49,040 --> 00:48:46,680  
light the men saw also appeared in

1129  
00:48:50,870 --> 00:48:49,050  
roughly five second intervals and so the

1130  
00:48:53,150 --> 00:48:50,880  
lighthouse beacon must be the source of

1131  
00:48:55,550 --> 00:48:53,160  
the light here's what happened when we

1132  
00:48:58,070 --> 00:48:55,560  
synchronized the hall tape noting each

1133  
00:49:00,080 --> 00:48:58,080  
siding with the lighthouse beacon the

1134  
00:49:30,679 --> 00:49:00,090  
initial sightings at least appear to

1135  
00:49:35,880 --> 00:49:33,390  
yes sergeant B if he and the others

1136  
00:49:38,549 --> 00:49:35,890  
could have been mistaken I've never once

1137  
00:49:40,699 --> 00:49:38,559  
seen a white house that moved and this

1138  
00:49:43,859 --> 00:49:40,709

object moved because we followed it

1139

00:50:19,169 --> 00:49:43,869

under no way could that be the orphan

1140

00:50:21,929 --> 00:50:19,179

white house Colonel halt and his men are

1141

00:50:24,209 --> 00:50:21,939

reported observing other objects his

1142

00:50:26,489 --> 00:50:24,219

report describes a red Sun like light

1143

00:50:28,169 --> 00:50:26,499

that threw off glowing particles and

1144

00:50:30,659 --> 00:50:28,179

broke up into five separate white

1145

00:50:50,150 --> 00:50:30,669

objects immediately after they noticed

1146

00:50:55,200 --> 00:50:53,400

on the haul tape he and others continue

1147

00:50:58,860 --> 00:50:55,210

to observe the objects for several hours

1148

00:51:01,020 --> 00:50:58,870

and halt noted it in his report Carl

1149

00:51:03,690 --> 00:51:01,030

Hall would not comment officially to CNN

1150

00:51:05,670 --> 00:51:03,700

about these strange incidents but my

1151  
00:51:07,350 --> 00:51:05,680  
first impression is that I thought they

1152  
00:51:08,730 --> 00:51:07,360  
were children because my mind wouldn't

1153  
00:51:11,160 --> 00:51:08,740  
accept what I was saying I thought there

1154  
00:51:12,960 --> 00:51:11,170  
were children in snowsuits Larry Warren

1155  
00:51:15,090 --> 00:51:12,970  
says he's willing to risk ridicule to

1156  
00:51:16,920 --> 00:51:15,100  
tell about his encounter with what he

1157  
00:51:18,780 --> 00:51:16,930  
says appeared to be alien being

1158  
00:51:20,520 --> 00:51:18,790  
Larry Warren is today a sales

1159  
00:51:22,440 --> 00:51:20,530  
representative for a medical company

1160  
00:51:24,600 --> 00:51:22,450  
living and working in a typical suburban

1161  
00:51:26,670 --> 00:51:24,610  
community but a little over four years

1162  
00:51:27,030 --> 00:51:26,680  
ago as an enlisted man in the US Air

1163  
00:51:28,830 --> 00:51:27,040

Force

1164

00:51:30,870 --> 00:51:28,840

he claims he had a most untypical

1165

00:51:32,880 --> 00:51:30,880

experience when he came face-to-face

1166

00:51:35,700 --> 00:51:32,890

with something he admits he has trouble

1167

00:51:37,410 --> 00:51:35,710

describing one was assigned to security

1168

00:51:39,930 --> 00:51:37,420

at the Bentwaters Woodbridge Air Force

1169

00:51:41,790 --> 00:51:39,940

Base complex in England he says he was a

1170

00:51:44,040 --> 00:51:41,800

witness to the second of two UFO

1171

00:51:46,890 --> 00:51:44,050

encounters on succeeding days in the

1172

00:51:48,390 --> 00:51:46,900

forest separating the two bases and CNN

1173

00:51:50,430 --> 00:51:48,400

has found except for Warren's

1174

00:51:52,350 --> 00:51:50,440

description of the alien beings others

1175

00:51:55,550 --> 00:51:52,360

who were there who have given strikingly

1176  
00:51:58,230 --> 00:51:55,560  
similar accounts of the UFOs what was

1177  
00:51:59,970 --> 00:51:58,240  
predominant a fire first that's what we

1178  
00:52:02,640 --> 00:51:59,980  
thought it was so there's Monica rather

1179  
00:52:06,600 --> 00:52:02,650  
reddish orange color but ahead of the

1180  
00:52:09,630 --> 00:52:06,610  
colors moving around in it we saw flying

1181  
00:52:10,530 --> 00:52:09,640  
objects containing maybe other people or

1182  
00:52:12,510 --> 00:52:10,540  
another life-form

1183  
00:52:15,210 --> 00:52:12,520  
there were a number of different

1184  
00:52:17,100 --> 00:52:15,220  
phenomena seen a triangular luminous

1185  
00:52:19,190 --> 00:52:17,110  
flying object with a red light on top

1186  
00:52:22,070 --> 00:52:19,200  
and a series of blue lights underneath a

1187  
00:52:24,540 --> 00:52:22,080  
circular translucent ground-hugging disc

1188  
00:52:26,850 --> 00:52:24,550

various lights moving erratically about

1189

00:52:28,950 --> 00:52:26,860

the night sky one of which occasionally

1190

00:52:32,040 --> 00:52:28,960

beam the shaft of white light downward

1191

00:52:34,170 --> 00:52:32,050

and a luminous pulsating red iron spear

1192

00:52:37,260 --> 00:52:34,180

didn't look solid at all just looked

1193

00:52:39,140 --> 00:52:37,270

like a self-admitted

1194

00:52:42,240 --> 00:52:39,150

you know piece of light it was just odd

1195

00:52:45,710 --> 00:52:42,250

I seen it like it was no sooner than

1196

00:52:47,780 --> 00:52:45,720

that in blue Rob not outward or upward

1197

00:52:51,110 --> 00:52:47,790

move down with all these sparkles and

1198

00:52:52,850 --> 00:52:51,120

different colors of light indescribable

1199

00:52:55,190 --> 00:52:52,860

because it's beyond me how this thing

1200

00:52:59,870 --> 00:52:55,200

this happened we weren't injured by it I

1201  
00:53:01,100 --> 00:52:59,880  
was very close and it changed and that

1202  
00:53:02,930 --> 00:53:01,110  
was the weirdest thing about it and

1203  
00:53:05,090 --> 00:53:02,940  
changed into the ship that people had

1204  
00:53:06,980 --> 00:53:05,100  
seen earlier the three cops had fallen

1205  
00:53:09,350 --> 00:53:06,990  
out their wards description of a

1206  
00:53:11,330 --> 00:53:09,360  
transformed object appears to match what

1207  
00:53:12,800 --> 00:53:11,340  
three Airmen reportedly saw at the same

1208  
00:53:14,570 --> 00:53:12,810  
location the night before

1209  
00:53:19,780 --> 00:53:14,580  
what Warren's story takes an even

1210  
00:53:25,580 --> 00:53:23,320  
people or whatever you want to call them

1211  
00:53:27,200 --> 00:53:25,590  
coming out baiting come out there were

1212  
00:53:29,450 --> 00:53:27,210  
no doors or anything on this ship these

1213  
00:53:31,280 --> 00:53:29,460

things moved out there were three of

1214

00:53:35,300 --> 00:53:31,290

them and they were covered with they had

1215

00:53:37,130 --> 00:53:35,310

light around them and it you know they

1216

00:53:42,830 --> 00:53:37,140

came out they stood there and actually

1217

00:53:47,000 --> 00:53:42,840

floated to make it more complicated be

1218

00:53:48,980 --> 00:53:47,010

and beings exactly no threatening

1219

00:53:51,820 --> 00:53:48,990

motions were made at us by them they

1220

00:53:56,650 --> 00:53:51,830

didn't communicate with me at all

1221

00:53:59,330 --> 00:53:56,660

our base commander was there Richmond

1222

00:54:01,340 --> 00:53:59,340

Lieutenant Colonel Gordon Williams the

1223

00:54:03,170 --> 00:54:01,350

official air force response is that

1224

00:54:06,080 --> 00:54:03,180

Williams now a general did not witness

1225

00:54:08,030 --> 00:54:06,090

the alleged incident CNN has contacted

1226  
00:54:10,040 --> 00:54:08,040  
two Airmen who Warren says will present

1227  
00:54:11,990 --> 00:54:10,050  
that night both say that something

1228  
00:54:14,540 --> 00:54:12,000  
happened but neither confirm nor deny

1229  
00:54:16,430 --> 00:54:14,550  
Warren's story a noncommissioned officer

1230  
00:54:18,710 --> 00:54:16,440  
who helped conduct a subsequent

1231  
00:54:21,290 --> 00:54:18,720  
investigation of one of the reported

1232  
00:54:22,970 --> 00:54:21,300  
landing sites says his superiors seem to

1233  
00:54:27,290 --> 00:54:22,980  
have little interest in pursuing it

1234  
00:54:29,840 --> 00:54:27,300  
things seem to be clamped down quite

1235  
00:54:32,030 --> 00:54:29,850  
suddenly and nobody was talking to

1236  
00:54:35,300 --> 00:54:32,040  
anybody else about it and when I tried

1237  
00:54:39,260 --> 00:54:35,310  
to find or ask specific questions about

1238  
00:54:41,210 --> 00:54:39,270

things nobody knew anything

1239

00:54:43,700 --> 00:54:41,220

Larry costaud is a full-time police

1240

00:54:46,010 --> 00:54:43,710

detective he is also the co-author of a

1241

00:54:47,310 --> 00:54:46,020

book which uses government documents to

1242

00:54:49,200 --> 00:54:47,320

support its argument

1243

00:54:52,050 --> 00:54:49,210

that there has been an official cover-up

1244

00:54:53,940 --> 00:54:52,060

of the UFO experience he says military

1245

00:54:55,230 --> 00:54:53,950

personnel have good reason to be

1246

00:54:57,450 --> 00:54:55,240

reluctant to talk about their

1247

00:54:59,400 --> 00:54:57,460

experiences the reason for them not

1248

00:55:02,790 --> 00:54:59,410

talking is usually better been spreadin

1249

00:55:06,150 --> 00:55:02,800

threatened or they fall under the

1250

00:55:08,610 --> 00:55:06,160

regulation Jane up on 46 which talks

1251  
00:55:10,500 --> 00:55:08,620  
about if anybody talks about UFO events

1252  
00:55:13,080 --> 00:55:10,510  
that have been reported in the military

1253  
00:55:15,390 --> 00:55:13,090  
they're subject to find loss of pension

1254  
00:55:16,410 --> 00:55:15,400  
and retirement every other thing and

1255  
00:55:18,870 --> 00:55:16,420  
even jail time

1256  
00:55:21,000 --> 00:55:18,880  
CNN began asking the Air Force for

1257  
00:55:22,500 --> 00:55:21,010  
information about the Beth waters UFO

1258  
00:55:24,690 --> 00:55:22,510  
incident six months ago

1259  
00:55:27,540 --> 00:55:24,700  
throughout the Air Force has been slow

1260  
00:55:29,880 --> 00:55:27,550  
to respond and when it did reply the

1261  
00:55:32,280 --> 00:55:29,890  
answer was usually quote unknown input

1262  
00:55:34,680 --> 00:55:32,290  
when some cases apparently misleading

1263  
00:55:36,900 --> 00:55:34,690

for example when CNN asked are there any

1264

00:55:38,790 --> 00:55:36,910

photographs tape recordings videotapes

1265

00:55:40,950 --> 00:55:38,800

drawings or descriptions of any kind in

1266

00:55:43,620 --> 00:55:40,960

Air Force files the official US Air

1267

00:55:46,260 --> 00:55:43,630

Force reply was quote there was no audio

1268

00:55:48,540 --> 00:55:46,270

visual documentation done end quote

1269

00:55:50,850 --> 00:55:48,550

however as we reported earlier in this

1270

00:55:53,330 --> 00:55:50,860

series there was an audio tape made

1271

00:55:56,400 --> 00:55:53,340

during the second of two UFO encounters

1272

00:55:58,410 --> 00:55:56,410

CNN has also found an officer who says

1273

00:56:00,840 --> 00:55:58,420

he drove the base commander to a waiting

1274

00:56:09,410 --> 00:56:00,850

airplane to deliver what he was told was

1275

00:56:20,760 --> 00:56:18,420

and to the pilot the canopy closes in

1276

00:56:22,710 --> 00:56:20,770

the aircraft of all I have to work with

1277

00:56:24,750 --> 00:56:22,720

headed and he said Germany

1278

00:56:26,280 --> 00:56:24,760

Larry Fawcett says he thinks the Air

1279

00:56:28,110 --> 00:56:26,290

Force could be involved in a cover-up

1280

00:56:29,760 --> 00:56:28,120

when they do telling the public for

1281

00:56:31,770 --> 00:56:29,770

thirty years there's no such thing as

1282

00:56:33,600 --> 00:56:31,780

UFOs how can they reverse themselves now

1283

00:56:35,730 --> 00:56:33,610

so there is and they did mind covering

1284

00:56:37,320 --> 00:56:35,740

it up if it is a cover-up than the

1285

00:56:39,790 --> 00:56:37,330

American public may never know what

1286

00:56:41,950 --> 00:56:39,800

those Airmen saw at Bentwaters

1287

00:56:44,079 --> 00:56:41,960

if they were really keystone cops who

1288

00:56:45,760 --> 00:56:44,089

are hallucinating as one critic suggests

1289

00:56:47,500 --> 00:56:45,770

than one of the national security

1290

00:56:49,240 --> 00:56:47,510

implications of those same Airmen

1291

00:56:50,770 --> 00:56:49,250

guarding a strategically important

1292

00:56:52,809 --> 00:56:50,780

airbase where nuclear weapons are

1293

00:56:54,220 --> 00:56:52,819

reportedly stored if they weren't

1294

00:56:55,930 --> 00:56:54,230

hallucinating than one of the

1295

00:56:58,510 --> 00:56:55,940

implications of what they actually did

1296

00:57:00,370 --> 00:56:58,520

see when CNN recently asked the Air

1297

00:57:02,620 --> 00:57:00,380

Force about the possible existence of

1298

00:57:04,839 --> 00:57:02,630

movie film of the Bentwaters UFO the

1299

00:57:06,190 --> 00:57:04,849

official Air Force response was the

1300

00:57:08,770 --> 00:57:06,200

United States Air Force stopped

1301

00:57:11,470 --> 00:57:08,780

investigating UFOs in 1969

1302

00:57:16,720 --> 00:57:11,480

this is Chuck de Caro CNN's special

1303

00:57:22,150 --> 00:57:16,730

assignments thank you that's what do you

1304

00:57:24,130 --> 00:57:22,160

think guys that's something that a lot

1305

00:57:27,099 --> 00:57:24,140

of people don't want you to see but the

1306

00:57:55,420 --> 00:57:27,109

history more was out back then and it's

1307

00:58:01,540 --> 00:57:59,210

it's all gone now I was like sure I was

1308

00:58:06,590 --> 00:58:01,550

yeah I was kind of show another YouTube

1309

00:58:08,420 --> 00:58:06,600

okay for now yeah what you got out of

1310

00:58:10,580 --> 00:58:08,430

there is and I think you may be here a

1311

00:58:14,600 --> 00:58:10,590

little surprised is that we're verifying

1312

00:58:16,760 --> 00:58:14,610

these are offices verifying film people

1313

00:58:18,290 --> 00:58:16,770

wouldn't confirm or deny what I was

1314

00:58:21,590 --> 00:58:18,300

saying it's easy to say no well that

1315

00:58:23,120 --> 00:58:21,600

says yes doesn't it there's a lot of

1316

00:58:24,830 --> 00:58:23,130

things in people that you never have

1317

00:58:28,130 --> 00:58:24,840

never spoken again that was Captain Mike

1318

00:58:31,130 --> 00:58:28,140

Morocco that drove Gordon wings on the

1319

00:58:33,590 --> 00:58:31,140

film so it's not me saying it and it's

1320

00:58:36,170 --> 00:58:33,600

it's it's been out there forever and

1321

00:58:38,810 --> 00:58:36,180

fact CNN one is for are saying where

1322

00:58:40,550 --> 00:58:38,820

nuclear weapons are and yep certain

1323

00:58:42,860 --> 00:58:40,560

people still don't saying that makes it

1324

00:58:45,080 --> 00:58:42,870

defense significant where this stuff

1325

00:58:47,720 --> 00:58:45,090

should be really pissing you folks off

1326

00:58:50,660 --> 00:58:47,730

even though it's a long time ago you

1327

00:58:52,340 --> 00:58:50,670

will lie to about the nuclear weapons

1328

00:58:55,100 --> 00:58:52,350

and you have these beams coming down

1329

00:58:57,560 --> 00:58:55,110

that hurt our weapons by the way we had

1330

00:58:59,330 --> 00:58:57,570

containment teams come in and these

1331

00:59:01,760 --> 00:58:59,340

weapons there were a number of women's

1332

00:59:04,300 --> 00:59:01,770

record useless on that basis and

1333

00:59:06,770 --> 00:59:04,310

elsewhere wasn't it of the book yep and

1334

00:59:09,100 --> 00:59:06,780

so that was a factor too and this is

1335

00:59:11,690 --> 00:59:09,110

something you should get mad about but

1336

00:59:14,210 --> 00:59:11,700

and out there were funny for a long time

1337

00:59:16,970 --> 00:59:14,220

let me say that right yet he said oh

1338

00:59:19,760 --> 00:59:16,980

rendered useless could they have been

1339

00:59:21,620 --> 00:59:19,770

actually dangerous you know I don't know

1340

00:59:23,150 --> 00:59:21,630

I don't know I saw a containment teams

1341

00:59:25,880 --> 00:59:23,160

come they come in and they clear

1342

00:59:28,070 --> 00:59:25,890

everything but there were the Canadians

1343

00:59:30,950 --> 00:59:28,080

thanks to them on the classified UFO

1344

00:59:32,780 --> 00:59:30,960

Declassified through other entities

1345

00:59:33,410 --> 00:59:32,790

found out that we had a hundred tactical

1346

00:59:38,109 --> 00:59:33,420

nuclear

1347

00:59:42,049 --> 00:59:38,119

Bombay's at that time and that I believe

1348

00:59:45,289 --> 00:59:42,059

60 of them 16 is 60 I'm forgetting that

1349

00:59:47,510 --> 00:59:45,299

one is too many were rendered

1350

00:59:50,030 --> 00:59:47,520

ineffective and that came through an

1351

00:59:54,109 --> 00:59:50,040

outside body through the Canadians about

1352

00:59:56,240 --> 00:59:54,119

our base and structure of nukes at all I

1353

00:59:58,630 --> 00:59:56,250

wasn't involved in that end of anything

1354

01:00:02,539 --> 00:59:58,640

but this is your country I mean would it

1355

01:00:04,670 --> 01:00:02,549

this is real stuff now these guys were

1356

01:00:05,510 --> 01:00:04,680

all highly trained people I when I was

1357

01:00:08,900 --> 01:00:05,520

trained guy too

1358

01:00:10,190 --> 01:00:08,910

and none of them are lying and they're

1359

01:00:11,900 --> 01:00:10,200

all counting a lot of them were still on

1360

01:00:13,670 --> 01:00:11,910

active duty but the people you see now

1361

01:00:16,730 --> 01:00:13,680

on the History Channel of all the time

1362

01:00:19,160 --> 01:00:16,740

none of them were even around yet these

1363

01:00:20,900 --> 01:00:19,170

guys are just telling it like it was yes

1364

01:00:23,270 --> 01:00:20,910

not everything's there and then Dhoni is

1365

01:00:26,720 --> 01:00:23,280

easy and I've noticed if CNN saying

1366

01:00:29,059 --> 01:00:26,730

alien being I never said it but it's

1367

01:00:31,579 --> 01:00:29,069

that's what the press would do then it

1368

01:00:33,920 --> 01:00:31,589

well if it's not us there's an alien I

1369

01:00:37,280 --> 01:00:33,930

don't know that's putting it too much in

1370

01:00:39,710 --> 01:00:37,290

the pot don't know but I'm not the only

1371

01:00:41,240 --> 01:00:39,720

one obviously saying we saw vehicle scan

1372

01:00:43,460 --> 01:00:41,250

people or another life-form

1373

01:00:45,200 --> 01:00:43,470

when reg Julius is saying and here's

1374

01:00:47,510 --> 01:00:45,210

another thing over here which I'm so

1375

01:00:49,460 --> 01:00:47,520

tired of it was a big rumor mill it was

1376

01:00:51,260 --> 01:00:49,470

in the pubs it was this and that you

1377

01:00:54,740 --> 01:00:51,270

just thought regularly is saying things

1378

01:00:57,740 --> 01:00:54,750

were clapping down no one was talking to

1379

01:01:00,950 --> 01:00:57,750

anybody else to include me that's

1380

01:01:04,250 --> 01:01:00,960

another myth there was no rumors at all

1381

01:01:06,470 --> 01:01:04,260

not here except some cities seen some

1382

01:01:09,770 --> 01:01:06,480

things and talked about it but but none

1383

01:01:12,470 --> 01:01:09,780

of us were mm-hmm but it's funny that I

1384

01:01:16,760 --> 01:01:12,480

had my mother's letter I'd Center which

1385

01:01:21,380 --> 01:01:16,770

is the only now the officially first

1386

01:01:23,960 --> 01:01:21,390

written record of his events but I even

1387

01:01:25,730 --> 01:01:23,970

when we did this I was still in a box of

1388

01:01:28,760 --> 01:01:25,740

my mother's I just never thought of it I

1389

01:01:31,819 --> 01:01:28,770

never thought I'd write a book the book

1390

01:01:34,579 --> 01:01:31,829

so in 1984 nets in your I met my

1391

01:01:36,559 --> 01:01:34,589

co-author Peter loved that hi how are

1392

01:01:37,250 --> 01:01:36,569

you was a conference with Allen Hynek I

1393

01:01:40,910 --> 01:01:37,260

knew Allen hi

1394

01:01:43,070 --> 01:01:40,920

anyone you named jacques ballet John

1395

01:01:45,410 --> 01:01:43,080

keel I knew real I was a miserable old

1396

01:01:47,570 --> 01:01:45,420

guy that guy you're gonna have a Cariah

1397

01:01:48,860 --> 01:01:47,580

stitch in I've done gigs of have you

1398

01:01:50,600 --> 01:01:48,870

name them I know them all

1399

01:01:53,660 --> 01:01:50,610

and a lot of her dead now man I've been

1400

01:01:55,640 --> 01:01:53,670

around a long time with this stuff and I

1401  
01:01:56,960 --> 01:01:55,650  
was one of the upstairs with Stan floor

1402  
01:01:58,550 --> 01:01:56,970  
remember this we're at the Congress

1403  
01:02:00,740 --> 01:01:58,560  
Stanton Friedman he's like everyone's

1404  
01:02:02,300 --> 01:02:00,750  
would spend you know but Stan's I

1405  
01:02:04,580 --> 01:02:02,310  
remember he was hitting on these girls I

1406  
01:02:06,730 --> 01:02:04,590  
think it ladies women he's like you know

1407  
01:02:09,470 --> 01:02:06,740  
stan has to stand beard going on forever

1408  
01:02:11,840 --> 01:02:09,480  
and he's I just walked by Anna Michael I

1409  
01:02:14,090 --> 01:02:11,850  
know that guy from that UFO movie in the

1410  
01:02:16,610 --> 01:02:14,100  
century and he goes have you seen my

1411  
01:02:20,060 --> 01:02:16,620  
latest film to these girls I'm like damn

1412  
01:02:21,890 --> 01:02:20,070  
I got to know Stan real well and over

1413  
01:02:24,710 --> 01:02:21,900

the years and he's you know he does what

1414

01:02:28,580 --> 01:02:24,720

Stan does and I've been in a room in a

1415

01:02:30,380 --> 01:02:28,590

TV show New Orleans and we had pizza and

1416

01:02:32,360 --> 01:02:30,390

I said we're going on the in theater and

1417

01:02:34,220 --> 01:02:32,370

go filming thing would enough stand what

1418

01:02:38,390 --> 01:02:34,230

the Domino's we came back in the pizzas

1419

01:02:41,080 --> 01:02:38,400

wrong in theaters and he comes out ya

1420

01:02:51,500 --> 01:02:41,090

know what attack know what're we did

1421

01:02:56,170 --> 01:02:51,510

boxes there and I'm like you know I

1422

01:02:58,700 --> 01:02:56,180

don't see evidence of no empty boxes so

1423

01:03:01,460 --> 01:02:58,710

characters I could write a whole book on

1424

01:03:05,800 --> 01:03:01,470

the characters I've met Irie man Peter

1425

01:03:08,810 --> 01:03:05,810

Robbins in 1987 my co-author on this

1426

01:03:11,720 --> 01:03:08,820

book which we are proud of this is the

1427

01:03:13,850 --> 01:03:11,730

updated one and it is the only one to

1428

01:03:15,890 --> 01:03:13,860

date still written by a witness not the

1429

01:03:19,670 --> 01:03:15,900

new one that was written by Nick poem I

1430

01:03:21,340 --> 01:03:19,680

wrote my own stuff Peter wrote it and it

1431

01:03:24,470 --> 01:03:21,350

was 11 years about a hundred grand

1432

01:03:26,300 --> 01:03:24,480

between us of money research travel with

1433

01:03:27,650 --> 01:03:26,310

this that the other if you're pulling a

1434

01:03:29,390 --> 01:03:27,660

hoax or a scam you're not gonna be

1435

01:03:30,680 --> 01:03:29,400

dropping your own cash on it it kind of

1436

01:03:32,660 --> 01:03:30,690

defeats it doesn't it

1437

01:03:34,340 --> 01:03:32,670

and we never thought we'd get there

1438

01:03:37,460 --> 01:03:34,350

we've had all kind of mountains my met

1439

01:03:39,920 --> 01:03:37,470

Peter I spoke for MUFON at the National

1440

01:03:43,190 --> 01:03:39,930

for the big conference at the American

1441

01:03:44,450 --> 01:03:43,200

University in 97 I had to do a paper and

1442

01:03:46,849 --> 01:03:44,460

I'm really not to do a paper

1443

01:03:49,370 --> 01:03:46,859

kind of guy but I had to do it and I

1444

01:03:51,140 --> 01:03:49,380

stood there and I got to stop Midway I

1445

01:03:53,720 --> 01:03:51,150

got to political it was young and kind

1446

01:03:55,579 --> 01:03:53,730

of you know and I had Walt Andres it was

1447

01:03:56,000 --> 01:03:55,589

they had a MUFON at that time he's long

1448

01:03:58,490 --> 01:03:56,010

gone

1449

01:04:00,380 --> 01:03:58,500

I think he's deceased must be and he

1450

01:04:03,170 --> 01:04:00,390

comes up and told me to stop and I'm

1451

01:04:04,579 --> 01:04:03,180

like what and this is like seven eight

1452

01:04:07,070 --> 01:04:04,589

hundred people but what are you saying

1453

01:04:09,680 --> 01:04:07,080

that any system must stop it was like

1454

01:04:11,570 --> 01:04:09,690

Nixon or something I go listen I said

1455

01:04:13,040 --> 01:04:11,580

ladies and gentlemen can't talk I said

1456

01:04:14,900 --> 01:04:13,050

I'm being censored by the same people

1457

01:04:18,980 --> 01:04:14,910

that [h\_\_h] about government censorship

1458

01:04:20,510 --> 01:04:18,990

so I will go outside I'm alone and if

1459

01:04:24,620 --> 01:04:20,520

anyone wants to hear what I gotta say

1460

01:04:27,290 --> 01:04:24,630

come on with me I emptied the room so I

1461

01:04:32,450 --> 01:04:27,300

was not I was enemy number one for MUFON

1462

01:04:36,260 --> 01:04:32,460

never worked for them again absolutely

1463

01:04:38,000 --> 01:04:36,270

true yeah yeah you know he was I guess

1464

01:04:40,250 --> 01:04:38,010

was nice then like like I don't know

1465

01:04:42,829 --> 01:04:40,260

what I had crossed MUFON policy was you

1466

01:04:44,750 --> 01:04:42,839

couldn't talk about being he couldn't do

1467

01:04:48,109 --> 01:04:44,760

this back then guys I mean the world's

1468

01:04:51,349 --> 01:04:48,119

so different now you just didn't do it

1469

01:04:53,000 --> 01:04:51,359

and but I did it and I you know and I

1470

01:04:55,070 --> 01:04:53,010

know what you were gonna get for doing

1471

01:04:57,050 --> 01:04:55,080

it so I met this little fella again the

1472

01:04:59,000 --> 01:04:57,060

hauling is highly I walked back in and

1473

01:05:01,220 --> 01:04:59,010

Whitley stream it was there the reason I

1474

01:05:03,800 --> 01:05:01,230

wrote a book is I was misrepresenting a

1475

01:05:06,680 --> 01:05:03,810

whole bunch of books by 85 about three

1476

01:05:07,880 --> 01:05:06,690

or four and Whitley Strieber was

1477

01:05:09,560 --> 01:05:07,890

sniffing around to write the book

1478

01:05:11,420 --> 01:05:09,570

communion he was known as what writing

1479

01:05:17,089 --> 01:05:11,430

the wolf and the howling although all

1480

01:05:18,470 --> 01:05:17,099

the scary war day all those bit and so

1481

01:05:25,280 --> 01:05:18,480

Whitley I got to know a little bit

1482

01:05:27,410 --> 01:05:25,290

because I did okay and came up the title

1483

01:05:30,130 --> 01:05:27,420

and started it and I had a different guy

1484

01:05:32,780 --> 01:05:30,140

as a co-author and he was not a

1485

01:05:35,030 --> 01:05:32,790

experiencer he didn't live it I couldn't

1486

01:05:36,680 --> 01:05:35,040

relate to a lot of it yeah I can

1487

01:05:39,140 --> 01:05:36,690

understand and you're lucky if you have

1488

01:05:41,990 --> 01:05:39,150

it but I wanted a second voice that at

1489

01:05:44,300 --> 01:05:42,000

least was touched by the experience I

1490

01:05:46,700 --> 01:05:44,310

met this guy Peter and he goes oh we met

1491

01:05:48,140 --> 01:05:46,710

years back in Westchester I didn't

1492

01:05:50,300 --> 01:05:48,150

remember it at that time it was

1493

01:05:52,040 --> 01:05:50,310

basically a hi Hawaii and he looked at

1494

01:05:56,450 --> 01:05:52,050

me and said thinking good luck with this

1495

01:06:00,380 --> 01:05:56,460

guy and now we met and that began our 28

1496

01:06:02,089 --> 01:06:00,390

years ago we started and we I had him

1497

01:06:04,370 --> 01:06:02,099

lined up at me I knew he was gonna be my

1498

01:06:06,320 --> 01:06:04,380

co-author before he knew it I didn't

1499

01:06:09,560 --> 01:06:06,330

even know if he knew how to write I just

1500

01:06:11,510 --> 01:06:09,570

knew it I is the title of that book I

1501

01:06:14,000 --> 01:06:11,520

knew all kind of things and I knew it

1502

01:06:17,210 --> 01:06:14,010

would get published it took 11 you know

1503

01:06:18,620 --> 01:06:17,220

nine a half years with us to and if I

1504

01:06:20,210 --> 01:06:18,630

didn't have that guy would never have

1505

01:06:23,260 --> 01:06:20,220

completed this I went to what divorce

1506

01:06:26,540 --> 01:06:23,270

doing that my first one done two and

1507

01:06:29,500 --> 01:06:26,550

we've gone through everything but I will

1508

01:06:32,329 --> 01:06:29,510

tell you at the end of the day

1509

01:06:35,150 --> 01:06:32,339

revolution has become whatever it is

1510

01:06:37,430 --> 01:06:35,160

more than me it's not about me but I'm

1511

01:06:39,920 --> 01:06:37,440

very proud the fact that I was the one

1512

01:06:42,800 --> 01:06:39,930

to kick the lid off the can no one else

1513

01:06:44,480 --> 01:06:42,810

did I did I paid the price for doing it

1514

01:06:45,950 --> 01:06:44,490

but I knew there would be one because it

1515

01:06:48,560 --> 01:06:45,960

was a real thing and it involved

1516

01:06:50,720 --> 01:06:48,570

government governments it's an

1517

01:06:55,089 --> 01:06:50,730

international incident it's not a

1518

01:06:57,980 --> 01:06:55,099

lighthouse it cost cost lives it cost

1519

01:07:01,099 --> 01:06:57,990

damage with all of our families it's

1520

01:07:04,220 --> 01:07:01,109

like a rock and a lake in the rings it

1521

01:07:06,560 --> 01:07:04,230

is the great big ugly that's what I call

1522

01:07:09,320 --> 01:07:06,570

it it's nothing nice about these events

1523

01:07:12,880 --> 01:07:09,330

it's not fun I see people I love that

1524

01:07:16,609 --> 01:07:12,890

case not a case there's nothing to love

1525

01:07:18,260 --> 01:07:16,619

it's not a case is lives there's a

1526

01:07:20,480 --> 01:07:18,270

phenomena at work but it gets

1527

01:07:23,810 --> 01:07:20,490

overshadowed by all the dark things the

1528

01:07:26,210 --> 01:07:23,820

federales yours included did us with

1529

01:07:29,270 --> 01:07:26,220

impunity our base let us get thrown to

1530

01:07:31,310 --> 01:07:29,280

the Sharks and outside entities to deal

1531

01:07:33,800 --> 01:07:31,320

with this the civilians do not

1532

01:07:35,690 --> 01:07:33,810

government CIA this that's why the

1533

01:07:37,790 --> 01:07:35,700

government say we have nothing to do

1534

01:07:41,370 --> 01:07:37,800

with them you know they farm it out the

1535

01:07:44,060 --> 01:07:41,380

slants its land operations contractors

1536

01:07:46,500 --> 01:07:44,070

that's who contains this stuff fronts

1537

01:07:47,610 --> 01:07:46,510

not you're not looking at when you see

1538

01:07:49,820 --> 01:07:47,620

it I think them

1539

01:07:53,400 --> 01:07:49,830

it's that thing over there with the sign

1540

01:07:55,950 --> 01:07:53,410

Burger King but an anti Burger King it's

1541

01:07:57,930 --> 01:07:55,960

so wrapped up and black project black

1542

01:08:01,230 --> 01:07:57,940

money black drum whatever

1543

01:08:04,200 --> 01:08:01,240

it's the biggest secret in the world it

1544

01:08:06,570 --> 01:08:04,210

was control that losing controls so

1545

01:08:10,170 --> 01:08:06,580

desperate now the world's so different

1546

01:08:12,600 --> 01:08:10,180

from them days so different so anyway

1547

01:08:14,850 --> 01:08:12,610

how the better note I'll just show you

1548

01:08:17,280 --> 01:08:14,860

one thing and I think I can close it

1549

01:08:19,560 --> 01:08:17,290

with that but let me two seconds forgive

1550

01:08:21,090 --> 01:08:19,570

the power on my version of power ones

1551

01:08:23,760 --> 01:08:21,100

you're lucky I don't have like smoke

1552

01:08:38,650 --> 01:08:23,770

things to send up this is my next

1553

01:08:45,880 --> 01:08:40,990

I said I wrote this book I can't see

1554

01:08:47,680 --> 01:08:45,890

over so there's like Kurt Vonnegut in

1555

01:08:49,450 --> 01:08:47,690

person the author told me because kid

1556

01:08:58,120 --> 01:08:49,460

there's no magic and getting look right

1557

01:09:19,180 --> 01:08:58,130

there writing books the magic mister can

1558

01:09:22,420 --> 01:09:19,190

you give me any advice I said Liberace

1559

01:09:26,050 --> 01:09:22,430

I don't know girl right but understand

1560

01:09:28,030 --> 01:09:26,060

me uh I hear you but the as time went on

1561

01:09:32,230 --> 01:09:28,040

I was very honored I've done a lot of

1562

01:09:34,000 --> 01:09:32,240

things you know done most of the UN all

1563

01:09:36,430 --> 01:09:34,010

kind of things I know senators you're

1564

01:09:38,860 --> 01:09:36,440

looking at the only person whistleblower

1565

01:09:41,890 --> 01:09:38,870

in this subject this country my country

1566

01:09:45,030 --> 01:09:41,900

anywhere that has had as United States

1567

01:09:47,710 --> 01:09:45,040

passport suspended for doing just this

1568

01:09:49,660 --> 01:09:47,720

it's never happened to anyone and I want

1569

01:09:51,460 --> 01:09:49,670

to thank the UFO community in America

1570

01:09:53,650 --> 01:09:51,470

when that happened the 90s before book

1571

01:09:55,480 --> 01:09:53,660

came out it was once I started saying we

1572

01:09:57,760 --> 01:09:55,490

had news because she still won't hear

1573

01:09:59,560 --> 01:09:57,770

other witnesses say I got sick of the

1574

01:10:01,030 --> 01:09:59,570

[h\_\_\h] no defense indefinite I said

1575

01:10:03,220 --> 01:10:01,040

well we had nukes and I did that right

1576

01:10:05,980 --> 01:10:03,230

Michelle field here I'm not even sorry

1577

01:10:08,350 --> 01:10:05,990

and I lost my passport got suspended

1578

01:10:11,560 --> 01:10:08,360

eventually it was removed and it took

1579

01:10:13,480 --> 01:10:11,570

you know the Attorney General is the

1580

01:10:17,020 --> 01:10:13,490

Attorney General of the United States is

1581

01:10:19,270 --> 01:10:17,030

the top law man in the land we're very

1582

01:10:20,800 --> 01:10:19,280

lucky after within a year it kept me

1583

01:10:25,720 --> 01:10:20,810

from coming to England because they had

1584

01:10:28,360 --> 01:10:25,730

things lined up it kept me it took Peter

1585

01:10:30,310 --> 01:10:28,370

got us in touch with Ramsey Clark and

1586

01:10:32,260 --> 01:10:30,320

I'm Zack arc was Robert Kennedy's number

1587

01:10:36,240 --> 01:10:32,270

two Attorney General under John Kennedy

1588

01:10:38,740 --> 01:10:36,250

of the United States at a local lawyer

1589

01:10:40,540 --> 01:10:38,750

Kennedy's assassinated he is Lyndon

1590

01:10:43,540 --> 01:10:40,550

Johnson's number-one lawyer in the land

1591

01:10:47,080 --> 01:10:43,550

of America brands at Clark Nixon comes

1592

01:10:49,090 --> 01:10:47,090

in in 68 different Republicans different

1593

01:10:52,060 --> 01:10:49,100

things but Ramsey Clark was so respected

1594

01:10:54,490 --> 01:10:52,070

he remained Richard Nixon's Attorney

1595

01:10:56,350 --> 01:10:54,500

General for his first term the Ramsey

1596

01:10:59,080 --> 01:10:56,360

car came out against the Vietnam War and

1597

01:11:01,600 --> 01:10:59,090

all these things Ramsey Clark got me my

1598

01:11:03,430 --> 01:11:01,610

passport back because the only way you

1599

01:11:04,870 --> 01:11:03,440

can lose a passport in America is if you

1600

01:11:08,020 --> 01:11:04,880

were convicted to tell them you don't

1601  
01:11:10,150 --> 01:11:08,030  
have a right to want right class a felon

1602  
01:11:12,390 --> 01:11:10,160  
then you don't know and this happened to

1603  
01:11:14,860 --> 01:11:12,400  
mate and has never happened to anyone

1604  
01:11:16,870 --> 01:11:14,870  
that happened to mate and the reasons

1605  
01:11:20,290 --> 01:11:16,880  
were for speaking about sensitive

1606  
01:11:24,640 --> 01:11:20,300  
defense issues in a public forum on

1607  
01:11:26,860 --> 01:11:24,650  
foreign soil this is a fact in real and

1608  
01:11:29,380 --> 01:11:26,870  
I if I was in America right now and I

1609  
01:11:31,900 --> 01:11:29,390  
saw some old school UF ologists I would

1610  
01:11:34,750 --> 01:11:31,910  
thank them for not doing a [h\_\_h] thing

1611  
01:11:36,460 --> 01:11:34,760  
about it or even backing me or standing

1612  
01:11:37,750 --> 01:11:36,470  
with me just like that picture I showed

1613  
01:11:41,380 --> 01:11:37,760

you earlier they all ran like

1614

01:11:43,900 --> 01:11:41,390

schoolgirls so stand alone baby I hadn't

1615

01:11:45,790 --> 01:11:43,910

do to bad doing that did I but I've had

1616

01:11:49,170 --> 01:11:45,800

great friends and support around me also

1617

01:11:51,400 --> 01:11:49,180

I am stronger than my enemies clearly

1618

01:11:53,890 --> 01:11:51,410

but I want to show you something and

1619

01:11:55,840 --> 01:11:53,900

just end on a positive note you know

1620

01:11:57,950 --> 01:11:55,850

last week if you follow this stuff was

1621

01:12:00,110 --> 01:11:57,960

not a very positive

1622

01:12:01,970 --> 01:12:00,120

for certain people were my old Charles

1623

01:12:05,090 --> 01:12:01,980

Hall Pam I wanna make a Stampin Up kind

1624

01:12:10,040 --> 01:12:05,100

of halt real quick he was a nice guy on

1625

01:12:12,110 --> 01:12:10,050

the base he was very open officer and we

1626  
01:12:14,450 --> 01:12:12,120  
have had a dynamic I got a stocking that

1627  
01:12:16,160 --> 01:12:14,460  
out his name's on it I caused hell for a

1628  
01:12:18,440 --> 01:12:16,170  
lot of people I didn't know it but I

1629  
01:12:20,690 --> 01:12:18,450  
found out last year how much I stopped

1630  
01:12:23,390 --> 01:12:20,700  
people from progressing to general all

1631  
01:12:25,700 --> 01:12:23,400  
kind of things because I come with

1632  
01:12:27,470 --> 01:12:25,710  
Elizabeth didn't intend to do that I was

1633  
01:12:30,110 --> 01:12:27,480  
you I didn't think of the cause and

1634  
01:12:33,110 --> 01:12:30,120  
effect so some people really you know

1635  
01:12:33,920 --> 01:12:33,120  
pissed off still you know and that I

1636  
01:12:37,210 --> 01:12:33,930  
would be too

1637  
01:12:39,560 --> 01:12:37,220  
what's this little sob doing this but

1638  
01:12:41,450 --> 01:12:39,570

and there's things I don't know about

1639

01:12:43,430 --> 01:12:41,460

this I've put my finger on the bees

1640

01:12:46,850 --> 01:12:43,440

nests which certain people I call would

1641

01:12:49,160 --> 01:12:46,860

no more the other day he was a very I'm

1642

01:12:51,170 --> 01:12:49,170

gonna say this and I'll be different

1643

01:12:53,780 --> 01:12:51,180

than maybe what you were there a few

1644

01:12:57,050 --> 01:12:53,790

others when I was there I met Colonel

1645

01:12:58,910 --> 01:12:57,060

halt he was a nice and accessible as an

1646

01:13:02,090 --> 01:12:58,920

officer he liked to hang around security

1647

01:13:04,190 --> 01:13:02,100

forces he wasn't nasty baby he liked to

1648

01:13:08,210 --> 01:13:04,200

hang around as he was like the cops and

1649

01:13:11,690 --> 01:13:08,220

it's very fair guy and I remember that

1650

01:13:13,850 --> 01:13:11,700

about him that our dynamic you know

1651

01:13:15,500 --> 01:13:13,860

obviously this has changed that I'm not

1652

01:13:17,450 --> 01:13:15,510

going to go into anything like that I

1653

01:13:20,000 --> 01:13:17,460

will say I respect his service in

1654

01:13:26,290 --> 01:13:20,010

Vietnam I respect the fact that he was

1655

01:13:29,270 --> 01:13:26,300

very open kind of guy then I am so sorry

1656

01:13:31,100 --> 01:13:29,280

because it hurts the overview not didn't

1657

01:13:32,360 --> 01:13:31,110

hurt Lowry it hurts this because we're

1658

01:13:33,980 --> 01:13:32,370

not the thing we're thinking about look

1659

01:13:36,260 --> 01:13:33,990

who's there was about the who again in

1660

01:13:38,390 --> 01:13:36,270

the schoolyard and we're not thinking of

1661

01:13:42,110 --> 01:13:38,400

the bigger picture a breach of your

1662

01:13:46,490 --> 01:13:42,120

national security in your country by

1663

01:13:49,460 --> 01:13:46,500

argument annuals and an adverse effect

1664

01:13:51,920 --> 01:13:49,470

on nuclear weapons secretly housed in

1665

01:13:56,180 --> 01:13:51,930

your country and adversely affected by

1666

01:13:58,100 --> 01:13:56,190

an unknown from the hominin and you told

1667

01:13:59,600 --> 01:13:58,110

it's a lighthouse and so this is the

1668

01:14:00,979 --> 01:13:59,610

that's the tragedy the interpersonal

1669

01:14:02,690 --> 01:14:00,989

thing that goes on

1670

01:14:04,729 --> 01:14:02,700

and revolution but I guess that's how

1671

01:14:05,240 --> 01:14:04,739

this is all design let them eat each

1672

01:14:07,220 --> 01:14:05,250

other

1673

01:14:11,330 --> 01:14:07,230

meanwhile the people that do pull the

1674

01:14:11,750 --> 01:14:11,340

strings laughing they go works every

1675

01:14:14,660 --> 01:14:11,760

time

1676

01:14:16,760 --> 01:14:14,670

they know the psychological studies and

1677

01:14:19,190 --> 01:14:16,770

we're all getting older now I mean he

1678

01:14:20,470 --> 01:14:19,200

had us all we were out there now no like

1679

01:14:23,000 --> 01:14:20,480

Roswell they're all dead

1680

01:14:27,530 --> 01:14:23,010

we're alive but I'm the youngest an

1681

01:14:29,120 --> 01:14:27,540

event of 54 you know it's gonna be one

1682

01:14:31,880 --> 01:14:29,130

of those dominoes and God knows what

1683

01:14:34,250 --> 01:14:31,890

this will look like in 30 years who

1684

01:14:37,280 --> 01:14:34,260

knows but you have you should get mad

1685

01:14:38,720 --> 01:14:37,290

about membership for every breweries not

1686

01:14:40,670 --> 01:14:38,730

because the lengths make us someone says

1687

01:14:42,800 --> 01:14:40,680

bad things about me or this guy in it

1688

01:14:43,880 --> 01:14:42,810

really about what happened I think it's

1689

01:14:45,530 --> 01:14:43,890

pretty clear to you it wasn't a

1690

01:14:47,450 --> 01:14:45,540

lighthouse at this point because you've

1691

01:14:49,520 --> 01:14:47,460

heard British people also were affected

1692

01:14:51,820 --> 01:14:49,530

by this insane thing I just want to show

1693

01:14:54,290 --> 01:14:51,830

you thing get to just shut up and just

1694

01:14:56,510 --> 01:14:54,300

drink your beer I used to go to a bar

1695

01:14:58,100 --> 01:14:56,520

called Sandy's how was their t-shirt

1696

01:14:59,300 --> 01:14:58,110

just shut up and drink your beer on the

1697

01:15:03,590 --> 01:14:59,310

back anyway

1698

01:15:06,530 --> 01:15:03,600

I in 2001 I was ours to enjoy plenty and

1699

01:15:10,010 --> 01:15:06,540

gentle torogai fooling around faces a

1700

01:15:12,350 --> 01:15:10,020

lot of them guy said we've come forward

1701

01:15:12,680 --> 01:15:12,360

because of your book this book I wasn't

1702

01:15:16,040 --> 01:15:12,690

on it

1703

01:15:17,510 --> 01:15:16,050

didn't know how the machine worked last

1704

01:15:19,090 --> 01:15:17,520

and then open that's why you were able

1705

01:15:22,100 --> 01:15:19,100

to do what you did you didn't think

1706

01:15:24,170 --> 01:15:22,110

kamikaze Wharram at the end there I was

1707

01:15:26,510 --> 01:15:24,180

invited at DC I lived here my son was

1708

01:15:28,459 --> 01:15:26,520

six months old and it was the honor of

1709

01:15:31,100 --> 01:15:28,469

my life to stand at the National Press

1710

01:15:33,080 --> 01:15:31,110

Club I was the first one machine guy to

1711

01:15:35,600 --> 01:15:33,090

do so it was the largest press

1712

01:15:38,630 --> 01:15:35,610

attendance in the history of the MPC in

1713

01:15:40,100 --> 01:15:38,640

DC even President speaking at it and the

1714

01:15:43,040 --> 01:15:40,110

press didn't come and shoot and leave

1715

01:15:44,920 --> 01:15:43,050

they stayed for four hours and the

1716

01:15:47,840 --> 01:15:44,930

elements on the moon is at night nothing

1717

01:15:50,870 --> 01:15:47,850

BBC everything we had guys stringers and

1718

01:15:54,620 --> 01:15:50,880

tears nothing that night huge

1719

01:15:56,060 --> 01:15:54,630

suppression I want to end it I would not

1720

01:15:56,580 --> 01:15:56,070

have been brought to the jaw by like

1721

01:15:58,890 --> 01:15:56,590

mice

1722

01:16:00,690 --> 01:15:58,900

without going through this class without

1723

01:16:02,940 --> 01:16:00,700

being stationed in England with if the

1724

01:16:06,420 --> 01:16:02,950

life is it's a long license boy have you

1725

01:16:08,400 --> 01:16:06,430

ended up here touring this book in 97

1726  
01:16:10,620 --> 01:16:08,410  
times bestseller number seven in England

1727  
01:16:14,820 --> 01:16:10,630  
you know we're over John like air at

1728  
01:16:16,620 --> 01:16:14,830  
that time rank amateurs like us get

1729  
01:16:20,160 --> 01:16:16,630  
Liverpool I love Liverpool the publicist

1730  
01:16:21,750 --> 01:16:20,170  
says they didn't even read their kid and

1731  
01:16:24,540 --> 01:16:21,760  
I said get us something a Liverpool so

1732  
01:16:26,700 --> 01:16:24,550  
we got some paranormal gig my ex-wife

1733  
01:16:29,610 --> 01:16:26,710  
has taken tickets on the door I met her

1734  
01:16:32,670 --> 01:16:29,620  
I got food and long relationship long

1735  
01:16:34,710 --> 01:16:32,680  
story short without this I will tell

1736  
01:16:37,020 --> 01:16:34,720  
what happened to me I would not have my

1737  
01:16:42,470 --> 01:16:37,030  
son I think anyone we know means a lot

1738  
01:16:45,900 --> 01:16:42,480

to me and this is my we lobby for a week

1739

01:16:50,490 --> 01:16:45,910

congressmen and Senators in DC we have

1740

01:16:52,950 --> 01:16:50,500

many conferences in Congress everything

1741

01:16:55,230 --> 01:16:52,960

this is Mike just we had brief ups we're

1742

01:16:56,700 --> 01:16:55,240

a big long table the guy remember Hill

1743

01:17:00,570 --> 01:16:56,710

Street Blues the Cheryl well chief

1744

01:17:01,920 --> 01:17:00,580

Daniels just the host I forgot who was

1745

01:17:04,170 --> 01:17:01,930

there I'm like oh yeah yeah I remember

1746

01:17:06,360 --> 01:17:04,180

that I thought that was big lines in the

1747

01:17:08,460 --> 01:17:06,370

base this is Maya and we just had a

1748

01:17:10,980 --> 01:17:08,470

brief up just introduce ourselves to the

1749

01:17:12,810 --> 01:17:10,990

press and I'd like to end with this it's

1750

01:17:16,290 --> 01:17:12,820

I would never change a thing with what

1751

01:17:18,270 --> 01:17:16,300

I've done ever I do a few things

1752

01:17:20,220 --> 01:17:18,280

different but I still wouldn't I don't

1753

01:17:22,290 --> 01:17:20,230

think I did have bad a job but this was

1754

01:17:26,010 --> 01:17:22,300

my testimony and make just before

1755

01:17:27,810 --> 01:17:26,020

September 11 happened in America I was

1756

01:17:29,790 --> 01:17:27,820

living here then but may I show that to

1757

01:17:32,400 --> 01:17:29,800

you would you mind yeah that's very

1758

01:17:33,780 --> 01:17:32,410

brief and this is I met every word and I

1759

01:17:36,360 --> 01:17:33,790

would do it again price could you hit

1760

01:17:39,540 --> 01:17:36,370

the Lights right yeah or my friend and

1761

01:17:42,800 --> 01:17:39,550

I'm quite friend you know I just whose

1762

01:17:47,580 --> 01:17:44,970

good morning ladies and gentlemen and

1763

01:17:51,390 --> 01:17:47,590

members of the press I my name is larry

1764

01:17:53,250 --> 01:17:51,400

warrant 20 years ago in 1980 I was a

1765

01:17:57,120 --> 01:17:53,260

security specialist assigned to RAF

1766

01:18:00,419 --> 01:17:57,130

Bentwaters Woodbridge NATO Air Force

1767

01:18:03,740 --> 01:18:00,429

facilities in suffolk east anglia i had

1768

01:18:05,910 --> 01:18:03,750

a secret security clearance i goaded

1769

01:18:07,919 --> 01:18:05,920

backline nuclear weapons that were

1770

01:18:09,510 --> 01:18:07,929

stored there at the time I mean without

1771

01:18:13,950 --> 01:18:09,520

the knowledge of the people of Great

1772

01:18:18,630 --> 01:18:13,960

Britain I went through its a portion of

1773

01:18:21,510 --> 01:18:18,640

a 20 night UFO event where objects made

1774

01:18:23,910 --> 01:18:21,520

incursions over OWS a fire kick

1775

01:18:26,040 --> 01:18:23,920

pencil-thin beams of light into them and

1776

01:18:28,560 --> 01:18:26,050

adversely affected the Ordnance possibly

1777

01:18:31,020 --> 01:18:28,570

these objects were on the ground on two

1778

01:18:33,150 --> 01:18:31,030

different nights potentially there was

1779

01:18:36,150 --> 01:18:33,160

another life-form scene this is an

1780

01:18:38,610 --> 01:18:36,160

unpopular truth these events were

1781

01:18:40,650 --> 01:18:38,620

extreme defense significance to not only

1782

01:18:42,540 --> 01:18:40,660

her majesty's government that this

1783

01:18:46,050 --> 01:18:42,550

government as well and they are still

1784

01:18:48,390 --> 01:18:46,060

shrouded in secrecy they're very complex

1785

01:18:51,560 --> 01:18:48,400

they were very fast this is more about a

1786

01:18:54,150 --> 01:18:51,570

human rights issue than just a UFO issue

1787

01:18:56,820 --> 01:18:54,160

20 years ago this room would be empty I

1788

01:18:58,680 --> 01:18:56,830

see a trend in history this is history

1789

01:19:01,290 --> 01:18:58,690

in motion but unfortunately its history

1790

01:19:04,010 --> 01:19:01,300

with the security classification I would

1791

01:19:07,380 --> 01:19:04,020

be more than honored to swear under oath

1792

01:19:09,780 --> 01:19:07,390

that I went experienced what I did I saw

1793

01:19:12,689 --> 01:19:09,790

what I saw these events produced not

1794

01:19:15,300 --> 01:19:12,699

only after numerous denials by this

1795

01:19:16,770 --> 01:19:15,310

government a memo by Lieutenant Colonel

1796

01:19:19,080 --> 01:19:16,780

Charles halt our deputy base commander

1797

01:19:21,450 --> 01:19:19,090

which reads like science fiction that

1798

01:19:24,590 --> 01:19:21,460

also produced years later an on-site

1799

01:19:27,090 --> 01:19:24,600

audio tape he made as these objects

1800

01:19:30,000 --> 01:19:27,100

perform their feats and did what they

1801  
01:19:31,890 --> 01:19:30,010  
did and violated airspace these events

1802  
01:19:33,780 --> 01:19:31,900  
are of extreme depends significance I

1803  
01:19:34,320 --> 01:19:33,790  
hope my brothers and aunts that went

1804  
01:19:36,150 --> 01:19:34,330  
through these

1805  
01:19:38,430 --> 01:19:36,160  
guess we'll begin an immunity at some

1806  
01:19:40,020 --> 01:19:38,440  
point and be able to join us here it is

1807  
01:19:43,710 --> 01:19:40,030  
an honor to share the stage with all of

1808  
01:19:45,600 --> 01:19:43,720  
these people people and I think we're

1809  
01:19:46,530 --> 01:19:45,610  
all our children my son Dennis god bless

1810  
01:19:49,500 --> 01:19:46,540  
you son

1811  
01:19:51,360 --> 01:19:49,510  
we can change the world you're heroes

1812  
01:20:34,550 --> 01:19:51,370  
for being here also and I will testify

1813  
01:20:42,210 --> 01:20:38,280

decoy missiles came in in 1982 after I

1814

01:20:45,210 --> 01:20:42,220

was left the base this is something not

1815

01:20:47,640 --> 01:20:45,220

really my area I saw Peter Robbins deals

1816

01:20:49,710 --> 01:20:47,650

with his weather modification things

1817

01:20:51,570 --> 01:20:49,720

which was and that's more his area of

1818

01:20:52,980 --> 01:20:51,580

interest unfortunately we found a lot of

1819

01:20:54,780 --> 01:20:52,990

witnesses and if you read left to these

1820

01:20:56,490 --> 01:20:54,790

gate and read interviews with them it

1821

01:20:58,740 --> 01:20:56,500

saw similar things that look like what

1822

01:21:00,930 --> 01:20:58,750

they call cloud busters could I put my

1823

01:21:03,810 --> 01:21:00,940

mark on it I couldn't but I saw those

1824

01:21:05,640 --> 01:21:03,820

things the weapons the missiles that

1825

01:21:07,470 --> 01:21:05,650

were dummy missiles on Woodbridge not

1826

01:21:10,800 --> 01:21:07,480

Bentwaters by the way I saw what I saw

1827

01:21:13,050 --> 01:21:10,810

on bent wards and I don't know what they

1828

01:21:16,020 --> 01:21:13,060

were but they sure matched similarly

1829

01:21:17,130 --> 01:21:16,030

what Peter showed me was a cloud bust

1830

01:21:20,130 --> 01:21:17,140

all right I didn't know what the hell

1831

01:21:22,560 --> 01:21:20,140

any of that was but then you have you

1832

01:21:24,360 --> 01:21:22,570

know again our friend has made a stab at

1833

01:21:27,120 --> 01:21:24,370

something but is inaccurate already

1834

01:21:29,310 --> 01:21:27,130

about what he's saying is it that I

1835

01:21:31,710 --> 01:21:29,320

don't know a lot of R&D there think of

1836

01:21:33,630 --> 01:21:31,720

that weird storm in 97 what do I know

1837

01:21:37,170 --> 01:21:33,640

that's more Peters area but what I do

1838

01:21:40,260 --> 01:21:37,180

know I did see things that look like the

1839

01:21:42,930 --> 01:21:40,270

cloud Buster right but more

1840

01:21:44,880 --> 01:21:42,940

heuristic every now and then not

1841

01:21:46,710 --> 01:21:44,890

missiles I know what a missile is I was

1842

01:21:48,450 --> 01:21:46,720

trained killer by the time I got there

1843

01:21:49,920 --> 01:21:48,460

it was trying to protect muscles but we

1844

01:21:51,570 --> 01:21:49,930

didn't bring the dummies in until after

1845

01:21:54,900 --> 01:21:51,580

I left and that was mimicking the cruise

1846

01:21:59,390 --> 01:21:54,910

missile we didn't have them in 1980 or

1847

01:22:02,070 --> 01:21:59,400

81 so if that helps but but now it's

1848

01:22:04,500 --> 01:22:02,080

again it's kind of a misdirection it's

1849

01:22:06,780 --> 01:22:04,510

an idea that theory peter has may I'm

1850

01:22:09,510 --> 01:22:06,790

open I don't know what the thing was but

1851

01:22:11,430 --> 01:22:09,520

we have another series of sargent at the

1852

01:22:13,470 --> 01:22:11,440

station there that verified yes we saw

1853

01:22:16,500 --> 01:22:13,480

these things and they were moving around

1854

01:22:18,300 --> 01:22:16,510

the base coming to any further and

1855

01:22:20,190 --> 01:22:18,310

that's not an area of interest of mine

1856

01:22:22,590 --> 01:22:20,200

and I think it was just one more arrow

1857

01:22:25,110 --> 01:22:22,600

being fired last week sadly not accurate

1858

01:22:27,690 --> 01:22:25,120

again but I don't know what it was

1859

01:22:29,390 --> 01:22:27,700

thanks buddy appreciate that anyone else

1860

01:22:34,830 --> 01:22:29,400

anything you want

1861

01:22:37,530 --> 01:22:34,840

nothing yes

1862

01:22:39,810 --> 01:22:37,540

they weren't there were wheels and it

1863

01:22:40,860 --> 01:22:39,820

was asking up these things the long

1864

01:22:42,390 --> 01:22:40,870

poles I thought they were a

1865

01:22:44,280 --> 01:22:42,400

communication thing right

1866

01:22:47,250 --> 01:22:44,290

they weren't misses they were long poles

1867

01:22:49,980 --> 01:22:47,260

that came off as OD green and they were

1868

01:22:52,230 --> 01:22:49,990

I first saw we went to try a Princeton

1869

01:22:53,970 --> 01:22:52,240

University finger and I spoke there for

1870

01:22:56,160 --> 01:22:53,980

the college of autonomy which is an

1871

01:22:58,830 --> 01:22:56,170

interest of my co-authors not mine but I

1872

01:23:01,770 --> 01:22:58,840

did see there is this weird I met these

1873

01:23:03,720 --> 01:23:01,780

doctors been science guides and I'm like

1874

01:23:06,420 --> 01:23:03,730

holy [h\_\_\h] they did show me some weird

1875

01:23:08,630 --> 01:23:06,430

stuff with that or economy stuff I got

1876

01:23:13,680 --> 01:23:08,640

enough trouble but then I looked at the

1877

01:23:15,360 --> 01:23:13,690

I was seeing these brochures in the

1878

01:23:17,820 --> 01:23:15,370

eighties and I'm looking and I'm like I

1879

01:23:19,770 --> 01:23:17,830

can't we had them on the banks now that

1880

01:23:22,470 --> 01:23:19,780

would sound yeah why add to you know who

1881

01:23:23,910 --> 01:23:22,480

needs any more but as we proceeded I

1882

01:23:26,220 --> 01:23:23,920

said I saw things that looked like that

1883

01:23:29,730 --> 01:23:26,230

but there were more military looking and

1884

01:23:31,790 --> 01:23:29,740

that we found another two sergeants and

1885

01:23:34,130 --> 01:23:31,800

their interviews and

1886

01:23:35,780 --> 01:23:34,140

in our book so but now they weren't

1887

01:23:37,550 --> 01:23:35,790

mixels I don't know what they were and

1888

01:23:39,950 --> 01:23:37,560

it just kind of weird cuz the weather

1889

01:23:41,540 --> 01:23:39,960

thing well that for us that first is not

1890

01:23:44,300 --> 01:23:41,550

the first that this things happened to

1891

01:23:47,000 --> 01:23:44,310

us of 1980 but I just were certain

1892

01:23:49,130 --> 01:23:47,010

critics would help at least some basics

1893

01:23:50,510 --> 01:23:49,140

in fact to really launch the attacks

1894

01:23:52,930 --> 01:23:50,520

because they were easily knocked down

1895

01:23:56,090 --> 01:23:52,940

but I don't know what if it wasn't so

1896

01:23:58,280 --> 01:23:56,100

it's a theory it's an idea I think we

1897

01:24:01,220 --> 01:23:58,290

were so shocked by the what happened

1898

01:24:03,440 --> 01:24:01,230

there in 87 I mean if you've ever seen a

1899

01:24:05,780 --> 01:24:03,450

war against trees or a nuclear weapon

1900

01:24:06,950 --> 01:24:05,790

the law I know there's the Michaels

1901

01:24:08,930 --> 01:24:06,960

thing that the hurricane that came

1902

01:24:11,360 --> 01:24:08,940

through and all that I believe there is

1903

01:24:14,690 --> 01:24:11,370

what weather modification of time what's

1904

01:24:16,250 --> 01:24:14,700

this it no did we need to add it I don't

1905

01:24:19,190 --> 01:24:16,260

know some people are interested in it

1906

01:24:21,380 --> 01:24:19,200

it's an idea I couldn't prove it at all

1907

01:24:23,780 --> 01:24:21,390

but I did see things that resemble what

1908

01:24:25,780 --> 01:24:23,790

they call cloud busters and I they work

1909

01:24:28,300 --> 01:24:25,790

this is we didn't have the dummy ship

1910

01:24:30,740 --> 01:24:28,310

thanks brother that's a good question to

1911

01:24:41,150 --> 01:24:30,750

that God Peters had be going through the

1912

01:24:44,270 --> 01:24:41,160

whole and there so you know it's kind of

1913

01:24:58,900 --> 01:24:44,280

like hippie stuff for maybe the any

1914

01:25:06,380 --> 01:25:04,250

yeah no ill 100% convinced it was

1915

01:25:09,020 --> 01:25:06,390

non-human technology there for three

1916

01:25:11,240 --> 01:25:09,030

days I think there was an operation in

1917

01:25:13,340 --> 01:25:11,250

place it wasn't a random thing to vector

1918

01:25:15,830 --> 01:25:13,350

this stuff in and study it in close come

1919

01:25:18,170 --> 01:25:15,840

close confines I think we were putting

1920

01:25:22,100 --> 01:25:18,180

the trap and to see how this phenomena

1921

01:25:24,410 --> 01:25:22,110

interacts with military people being

1922

01:25:25,040 --> 01:25:24,420

observed by Special Forces units in

1923

01:25:27,380 --> 01:25:25,050

those woods

1924

01:25:29,479 --> 01:25:27,390

thus the pictures I showed earlier that

1925

01:25:32,750 --> 01:25:29,489

have guilty conscience 'as the thing got

1926

01:25:35,330 --> 01:25:32,760

out of hand it was being studied filmed

1927

01:25:38,180 --> 01:25:35,340

and everything I'm describing that I saw

1928

01:25:40,130 --> 01:25:38,190

up which month I there was a whole

1929

01:25:41,930 --> 01:25:40,140

backline that we didn't see and thus

1930

01:25:44,840 --> 01:25:41,940

that's the command post over at this

1931

01:25:46,520 --> 01:25:44,850

campsite this is a much bigger thing and

1932

01:25:50,000 --> 01:25:46,530

many of us were put in place on that

1933

01:25:53,060 --> 01:25:50,010

base now I know not by random but

1934

01:25:54,740 --> 01:25:53,070

because of prehistory this is a

1935

01:25:57,979 --> 01:25:54,750

threatened people our prehistory by the

1936

01:26:01,850 --> 01:25:57,989

way with this phenomena are a threat the

1937

01:26:04,640 --> 01:26:01,860

power base who do we have but now a

1938

01:26:06,260 --> 01:26:04,650

hundred and what I saw there I have a

1939

01:26:08,390 --> 01:26:06,270

history with the stuff in my life I

1940

01:26:11,660 --> 01:26:08,400

don't know where it's from I know where

1941

01:26:14,000 --> 01:26:11,670

it ain't from not from Detroit but this

1942

01:26:17,030 --> 01:26:14,010

I did see things I there the word alien

1943

01:26:17,420 --> 01:26:17,040

it's alien to me I did they weren't

1944

01:26:22,520 --> 01:26:17,430

human

1945

01:26:24,350 --> 01:26:22,530

how it was all convoluted with Saudia

1946

01:26:26,050 --> 01:26:24,360

mammoth all and you see we're contained

1947

01:26:29,209 --> 01:26:26,060

rats and so you can start the sweep

1948

01:26:31,340 --> 01:26:29,219

fireproof everyone this thing got out of

1949

01:26:33,800 --> 01:26:31,350

hand it was to be these guys on the

1950

01:26:37,850 --> 01:26:33,810

first night were lured hey buddy lure

1951

01:26:39,080 --> 01:26:37,860

out to those woods no question and this

1952

01:26:40,370 --> 01:26:39,090

thing just got bigger look at the

1953

01:26:43,490 --> 01:26:40,380

picture I took midday

1954

01:26:45,470 --> 01:26:43,500

two days later this [h\_\_h] still around I

1955

01:26:46,640 --> 01:26:45,480

didn't see it then I didn't know I'd be

1956

01:26:50,570 --> 01:26:46,650

in front of it later

1957

01:26:54,770 --> 01:26:50,580

and so that's my view that's my view I

1958

01:26:57,410 --> 01:26:54,780

know we're not alone I I know that I'm

1959

01:26:59,990 --> 01:26:57,420

not in the proof business that I'm in

1960

01:27:02,090 --> 01:27:00,000

the truth business my truth but I'm not

1961

01:27:05,660 --> 01:27:02,100

up to sell you nothing we are it's also

1962

01:27:08,930 --> 01:27:05,670

the reality that step is objective you

1963

01:27:12,170 --> 01:27:08,940

you wake up to some reality you live

1964

01:27:14,900 --> 01:27:12,180

you know I know we're not alone no quick

1965

01:27:20,930 --> 01:27:14,910

story 1975 40 years ago this month

1966

01:27:22,490 --> 01:27:20,940

driving on Niagara Falls western New

1967

01:27:24,920 --> 01:27:22,500

York State New York Thruway midday

1968

01:27:26,720 --> 01:27:24,930

hungry degrees Fahrenheit car windows

1969

01:27:28,580 --> 01:27:26,730

open my mother's drive my sister's in

1970

01:27:30,530 --> 01:27:28,590

the back she wouldn't cared if we round

1971

01:27:32,689 --> 01:27:30,540

this thing over or a UFO race she just

1972

01:27:36,740 --> 01:27:32,699

doesn't can to know about it it doesn't

1973

01:27:40,189 --> 01:27:36,750

have Gucci on issue and we're driving

1974

01:27:41,990 --> 01:27:40,199

and we were I was 14 15 15 I we're

1975

01:27:43,520 --> 01:27:42,000

driving and there's a field I'll just

1976

01:27:46,459 --> 01:27:43,530

tell you how weird this [h\_\_\h] world is

1977

01:27:48,590 --> 01:27:46,469

New York State upstate I'm very rural

1978

01:27:51,020 --> 01:27:48,600

and you're heading through light they

1979

01:27:53,209 --> 01:27:51,030

kindly and there's a tree a lot of

1980

01:27:54,770 --> 01:27:53,219

traffic and here's that tree just real

1981

01:27:56,630 --> 01:27:54,780

quick but big tree line

1982

01:27:58,459 --> 01:27:56,640

and as we're driving right now 50 I

1983

01:28:01,610 --> 01:27:58,469

think the speed limits had dropped at 50

1984

01:28:04,610 --> 01:28:01,620

men or 55 this thing breaks out of the

1985

01:28:09,530 --> 01:28:04,620

trees it's running and it's running

1986

01:28:12,620 --> 01:28:09,540

about 30 miles an hour it's about 50 60

1987

01:28:15,560 --> 01:28:12,630

or 50 yards off the highway the highways

1988

01:28:17,810 --> 01:28:15,570

the level with this field Marsh big red

1989

01:28:21,410 --> 01:28:17,820

barn out that way and I'm like this

1990

01:28:23,990 --> 01:28:21,420

and it's as a stick the deer in front of

1991

01:28:27,709 --> 01:28:24,000

it the things about nine feet tall

1992

01:28:31,670 --> 01:28:27,719

it's a reddish fur all over it shoulders

1993

01:28:35,780 --> 01:28:31,680

mass would be like here its head was no

1994

01:28:38,420 --> 01:28:35,790

neck it was massive upright thing

1995

01:28:41,150 --> 01:28:38,430

running we have no Apes of North America

1996

01:28:44,410 --> 01:28:41,160

this wasn't an ape and it ran in a way

1997

01:28:50,340 --> 01:28:44,420

that it seemed like it wasn't even

1998

01:28:52,630 --> 01:28:50,350

that's running boom

1999

01:28:54,550 --> 01:28:52,640

takes the back legs right out of this

2000

01:28:56,080 --> 01:28:54,560

big buck we got big bucks there

2001

01:28:59,320 --> 01:28:56,090

broke its legs right there it's not

2002

01:29:02,460 --> 01:28:59,330

happening through the fitnah beer flew

2003

01:29:06,070 --> 01:29:02,470

into the stream and it jumped in and

2004

01:29:07,660 --> 01:29:06,080

we're now passing state police car right

2005

01:29:10,270 --> 01:29:07,670

in front of us were them to pull over

2006

01:29:11,920 --> 01:29:10,280

and the things in the water and they're

2007

01:29:14,290 --> 01:29:11,930

just looking at it look this way of the

2008

01:29:16,240 --> 01:29:14,300

highway but there's no neck the movement

2009

01:29:18,940 --> 01:29:16,250

I did like that it did with its upper

2010

01:29:22,750 --> 01:29:18,950

body it was wrong in every right way and

2011

01:29:25,720 --> 01:29:22,760

its face isn't human it was more human

2012

01:29:29,080 --> 01:29:25,730

than a gorilla and it was about 9 to 10

2013

01:29:30,790 --> 01:29:29,090

feet tall and it was massive so I can

2014

01:29:31,390 --> 01:29:30,800

say there I looked at my mother went

2015

01:29:34,780 --> 01:29:31,400

both ways

2016

01:29:36,460 --> 01:29:34,790

Bigfoot instantly little I know back

2017

01:29:38,590 --> 01:29:36,470

then I used to think all that stuff that

2018

01:29:40,570 --> 01:29:38,600

Robert Patterson film is 100% authentic

2019

01:29:43,120 --> 01:29:40,580

there's no suits they can do with that

2020

01:29:45,880 --> 01:29:43,130

bad in 67 they still can't do it now

2021

01:29:47,860 --> 01:29:45,890

that is a real thing that lives in our

2022

01:29:49,330 --> 01:29:47,870

woods and I would if you're interested

2023

01:29:52,750 --> 01:29:49,340

in that subject I would suggest you read

2024

01:29:54,460 --> 01:29:52,760

the books for missing 411 amazing and

2025

01:29:56,980 --> 01:29:54,470

what the cover-up that's going on in our

2026

01:29:59,530 --> 01:29:56,990

national parks and how special forces

2027

01:30:01,330 --> 01:29:59,540

respond armed they don't interact with

2028

01:30:03,780 --> 01:30:01,340

no one they know what's going on but

2029

01:30:06,730 --> 01:30:03,790

these things have a little more

2030

01:30:08,800 --> 01:30:06,740

paranormal than they are this and I do

2031

01:30:10,360 --> 01:30:08,810

believe they have taken people I don't

2032

01:30:13,060 --> 01:30:10,370

believe they're all they're trying to go

2033

01:30:14,980 --> 01:30:13,070

back years they tried something but

2034

01:30:17,500 --> 01:30:14,990

they're not all from here I just might

2035

01:30:19,720 --> 01:30:17,510

believe seen it now might have to prove

2036

01:30:22,570 --> 01:30:19,730

it no I know they're in the woods and I

2037

01:30:25,110 --> 01:30:22,580

ain't camping with you any other

2038

01:30:31,230 --> 01:30:25,120

question and I know it I'm not officer

2039

01:30:36,970 --> 01:30:33,880

absolutely my friend I do they asked if

2040

01:30:38,980 --> 01:30:36,980

the do I think these I with my life

2041

01:30:41,110 --> 01:30:38,990

experience I absolutely my friend

2042

01:30:43,420 --> 01:30:41,120

believe they have permanent bases on

2043

01:30:45,940 --> 01:30:43,430

this earth they've had it remember I

2044

01:30:48,370 --> 01:30:45,950

believe after spending time with this

2045

01:30:51,010 --> 01:30:48,380

guy mr. Russ is put this fine conference

2046

01:30:52,600 --> 01:30:51,020

on I have to tell you I see I've seen a

2047

01:30:54,610 --> 01:30:52,610

lot over the years in real life in

2048

01:30:56,800 --> 01:30:54,620

another way are you ready folks from

2049

01:30:58,330 --> 01:30:56,810

here finally I gotta tell you something

2050

01:30:59,880 --> 01:30:58,340

here this gentleman lives here and he's

2051

01:31:03,000 --> 01:30:59,890

put this conference on Russ

2052

01:31:04,920 --> 01:31:03,010

here and I was showing some video the

2053

01:31:06,600 --> 01:31:04,930

last few days and he talked yelling say

2054

01:31:09,090 --> 01:31:06,610

I got video and there's some great stuff

2055

01:31:10,800 --> 01:31:09,100

out there I've seen what he's filled and

2056

01:31:13,020 --> 01:31:10,810

I think you're gonna see it too

2057

01:31:16,320 --> 01:31:13,030

I asked ya sir I'll tell you what I've

2058

01:31:18,720 --> 01:31:16,330

seen something I've got a weak [h\_\_h] but

2059

01:31:21,330 --> 01:31:18,730

it's in your backyard grand I live on

2060

01:31:23,550 --> 01:31:21,340

the other side of the country good luck

2061

01:31:26,010 --> 01:31:23,560

with this one amazing

2062

01:31:29,220 --> 01:31:26,020

so absolutely a permanent presence we

2063

01:31:31,770 --> 01:31:29,230

see in this land talk talked about the

2064

01:31:35,460 --> 01:31:31,780

ancient history of all this and this is

2065

01:31:38,130 --> 01:31:35,470

nothing new and we are just pawns the

2066

01:31:40,230 --> 01:31:38,140

powerbase knows that's all real but they

2067

01:31:43,470 --> 01:31:40,240

got to control us but who's controlling

2068

01:31:45,000 --> 01:31:43,480

them babe these things out where they

2069

01:31:46,770 --> 01:31:45,010

got a man on the White House lawn they

2070

01:31:49,440 --> 01:31:46,780

don't recognize the seat of power they

2071

01:31:51,030 --> 01:31:49,450

don't need to the magic it's so

2072

01:31:54,600 --> 01:31:51,040

different and there's so many different

2073

01:31:56,370 --> 01:31:54,610

kinds that's my view and my experience

2074

01:31:58,110 --> 01:31:56,380

not just rentals I didn't eat that I've

2075

01:31:58,830 --> 01:31:58,120

had a lifetime I've had more knurled out

2076

01:32:00,660 --> 01:31:58,840

I guess

2077

01:32:04,500 --> 01:32:00,670

well you had more than one sandy bland

2078

01:32:07,140 --> 01:32:04,510

will work sorry so keep an eye on you

2079

01:32:08,430 --> 01:32:07,150

like you said if you're a smoker that's

2080

01:32:11,490 --> 01:32:08,440

even better because you know one lets

2081

01:32:13,740 --> 01:32:11,500

you inside no more time and I've seen

2082

01:32:14,550 --> 01:32:13,750

more [h\_\_h] by smell good regular

2083

01:32:17,070 --> 01:32:14,560

cigarette

2084

01:32:19,530 --> 01:32:17,080

no outside like you're smiling yeah I

2085

01:32:21,930 --> 01:32:19,540

know you and I but every you just take a

2086

01:32:24,240 --> 01:32:21,940

look and if this country is rich in this

2087

01:32:26,280 --> 01:32:24,250

stuff it's the world is it everywhere

2088

01:32:28,170 --> 01:32:26,290

it's every day and the history has been

2089

01:32:30,980 --> 01:32:28,180

right in front of us paintings and the

2090

01:32:35,670 --> 01:32:30,990

cave things it's right there going hello

2091

01:32:41,310 --> 01:32:35,680

who's your daddy anyone else they are

2092

01:32:43,950 --> 01:32:41,320

the gods that I don't know it but

2093

01:32:50,550 --> 01:32:43,960

Rusty's gone again but if he didn't say

2094

01:32:52,380 --> 01:32:50,560

he could answer that I don't know you

2095

01:32:54,090 --> 01:32:52,390

got a beautiful place here but I think

2096

01:32:55,470 --> 01:32:54,100

there's one right out in your Bay here

2097

01:32:59,370 --> 01:32:55,480

and you'll see something that might make

2098

01:33:04,590 --> 01:32:59,380

you think so I was just oh like here's a

2099

01:33:07,980 --> 01:33:04,600

I'm not gonna say this it's just worth

2100

01:33:20,440 --> 01:33:07,990

it do we take a break now today I want
