paranormal mysteries on access Northwest

16

00:00:42,200 --> 00:00:39,059

community radio show here in lovely

17

00:00:43,280 --> 00:00:42,210

Liverpool as a lot of you will know for

18

00:00:46,549 --> 00:00:43,290

the past three years I've been

19

00:00:48,920 --> 00:00:46,559

conducting an investigation into the

20

00:00:50,660 --> 00:00:48,930

very many claims of Larry Warren who

21

00:00:52,970 --> 00:00:50,670

says that he is the whistleblower to the

22

00:00:55,220 --> 00:00:52,980

Rendlesham forest incidents well not

23

00:00:56,900 --> 00:00:55,230

even that is true as it was somebody

24

00:00:58,520 --> 00:00:56,910

called Steve Roberts who first told

25

00:01:00,920 --> 00:00:58,530

Brenda Butler and dot Street about

26

00:01:04,039 --> 00:01:00,930

events that occurred on a US Air Force

27

00:01:06,859 --> 00:01:04,049

Base in Suffolk in 1980 over the

28

00:01:08,090 --> 00:01:06,869

Christmas weekend so if you missed the

29

00:01:10,580 --> 00:01:08,100

last few shows they will be up on

30

00:01:12,200 --> 00:01:10,590

YouTube soon but I have spent a lot of

31

00:01:14,990 --> 00:01:12,210

time debunking Warren's Rendlesham

32

00:01:17,840 --> 00:01:15,000

account I wanted to go over the RFI

33

00:01:21,109 --> 00:01:17,850

events first to show inconsistencies and

34

00:01:23,780 --> 00:01:21,119

changes in every element of his various

35

00:01:25,730 --> 00:01:23,790

narratives I had to do this because a

36

00:01:27,499 --> 00:01:25,740

few people have asked what as the forged

37

00:01:30,319 --> 00:01:27,509

memorabilia sales got to do with

38

00:01:31,819 --> 00:01:30,329

Rendlesham as I have said before it has

39

00:01:34,429 --> 00:01:31,829

nothing to do with Rendlesham but

40

00:01:36,590 --> 00:01:34,439

everything to do with as appears so i've

41

00:01:38,600 --> 00:01:36,600

already produced reams of evidence and

42

00:01:41,690 --> 00:01:38,610

problems with his so-called memorabilia

43

00:01:43,700 --> 00:01:41,700

business and Rendlesham claims yet Gary

44

00:01:46,370 --> 00:01:43,710

Heseltine silence essay is all just

45

00:01:48,530 --> 00:01:46,380

opinion far from it but he says it is

46

00:01:51,350 --> 00:01:48,540

all the opinion of one woman who loves

47

00:01:53,719 --> 00:01:51,360

Larry Warren and has been spurned well

48

00:01:56,539 --> 00:01:53,729

tonight mr. Hazeltine and company I will

49

00:01:59,080 --> 00:01:56,549

put an end to that ridiculous claim I'd

50

00:02:02,870 --> 00:01:59,090

like to introduce you to Duane Carlton

51
00:02:06,800 --> 00:02:02,880
Duane you Larry many years ago and he

52
00:02:08,089 --> 00:02:06,810
met him on the 9th of March in 1993 and

53
00:02:09,889 --> 00:02:08,099
he's going to walk us through his

54
00:02:11,780 --> 00:02:09,899
timeline of events with Larry Warren

55
00:02:14,330 --> 00:02:11,790
which are very interesting and

56
00:02:16,910 --> 00:02:14,340
illuminating and of course has nothing

57
00:02:20,830 --> 00:02:16,920
with me or my opinion welcome to the

58
00:02:23,380 --> 00:02:20,840
show Duane hello thank you for having me

59
00:02:26,479 --> 00:02:23,390
now you wrote to me a little while ago

60
00:02:28,430 --> 00:02:26,489
about quite a few months ago now and

61
00:02:30,680 --> 00:02:28,440
that's you used to know

62
00:02:34,699 --> 00:02:30,690
Larry Warren years ago and that you'd

63
00:02:37,580 --> 00:02:34,709

seen Nick Pope's little note that he

64

00:02:38,089 --> 00:02:37,590

wrote about the events called theft at

65

00:02:40,160 --> 00:02:38,099

Eastgate

66

00:02:42,550 --> 00:02:40,170

is that right somebody sent that to you

67

00:02:45,320 --> 00:02:42,560

and you read it then you read Peters

68

00:02:49,970 --> 00:02:45,330

statement and then you came blogs and

69

00:02:53,330 --> 00:02:49,980

then you came to me actually a friend a

70

00:02:57,530 --> 00:02:53,340

friend of mine who also knew Larry you

71

00:02:59,559 --> 00:02:57,540

know back here in the States had I think

72

00:03:02,509 --> 00:02:59,569

heard one of your podcasts and then

73

00:03:04,670 --> 00:03:02,519

messed me and said hey you got a you

74

00:03:06,350 --> 00:03:04,680

know there somebody else has kind of

75

00:03:07,850 --> 00:03:06,360

figured out what's going on with Larry

76

00:03:09,740 --> 00:03:07,860

and I thought you'd find this

77

00:03:11,839 --> 00:03:09,750

interesting and he you know and then

78

00:03:15,350 --> 00:03:11,849

from that I started doing a little

79

00:03:17,570 --> 00:03:15,360

poking around and I found the the two

80

00:03:21,979 --> 00:03:17,580

documents that you mentioned and yes

81

00:03:22,640 --> 00:03:21,989

then I had my jaw dropped and I was so

82

00:03:28,699 --> 00:03:22,650

thrilled

83

00:03:30,170 --> 00:03:28,709

so you met Larry in 1993 in a bar so set

84

00:03:34,930 --> 00:03:30,180

the scene what was going on in your life

85

00:03:40,340 --> 00:03:34,940

back then back then I was playing in a

86

00:03:44,599 --> 00:03:40,350

blues band I was a die-hard Stevie Ray

87

00:03:47,710 --> 00:03:44,609

Vaughan fanatic big time into Stevie Ray

88

00:03:49,280 --> 00:03:47,720

and Jimi Hendrix and even kind of was

89

00:03:52,280 --> 00:03:49,290

dressing the part

90

00:03:57,250 --> 00:03:52,290

and definitely trying to emulate the

91

00:04:01,670 --> 00:03:57,260

guitar styles and and I was playing at a

92

00:04:06,349 --> 00:04:01,680

a bar called Marsha B's Roadhouse that

93

00:04:08,840 --> 00:04:06,359

was in Rutland Vermont and I was

94

00:04:12,890 --> 00:04:08,850

approached by this guy who introduced

95

00:04:14,780 --> 00:04:12,900

himself as Larry Warren he told me that

96

00:04:16,300 --> 00:04:14,790

he used to work for Stevie Ray Vaughn

97

00:04:18,340 --> 00:04:16,310

and

98

00:04:20,409 --> 00:04:18,350

he you know told me how much he thought

99

00:04:24,129 --> 00:04:20,419

that I played like Stevie Ray Vaughan

100

00:04:26,620 --> 00:04:24,139

and that he had all these connections in

101
00:04:32,850 --> 00:04:26,630
the music business and that he was going

102
00:04:38,650 --> 00:04:36,370
yeah well you know I know you're quite a

103
00:04:41,080 --> 00:04:38,660
modest man but so I'll say this for you

104
00:04:43,000 --> 00:04:41,090
at that time in rutland you were quite a

105
00:04:46,210 --> 00:04:43,010
big deal I mean you were a really good

106
00:04:48,070 --> 00:04:46,220
musician very popular band and I think

107
00:04:51,550 --> 00:04:48,080
it's fair to say that you were a big

108
00:04:55,000 --> 00:04:51,560
fish in that area at that time and so

109
00:04:58,840 --> 00:04:55,010
this is why Warren made a beeline for

110
00:05:02,200 --> 00:04:58,850
you because you were a big deal well I

111
00:05:04,150 --> 00:05:02,210
you know to be fair Rutland's a pretty

112
00:05:06,790 --> 00:05:04,160
you know small town and the grand scheme

113
00:05:12,040 --> 00:05:06,800

of things but yeah my band was really

114

00:05:16,440 --> 00:05:12,050

popular and you know I've been a

115

00:05:20,230 --> 00:05:16,450

full-time professional musician for

116

00:05:23,950 --> 00:05:20,240

since before then I was a full-time

117

00:05:29,140 --> 00:05:23,960

musician then so I was playing a lot my

118

00:05:32,250 --> 00:05:29,150

band played a lot and you know so yeah

119

00:05:35,380 --> 00:05:32,260

people around the area knew who I was

120

00:05:38,800 --> 00:05:35,390

yeah and you're still playing now so you

121

00:05:43,180 --> 00:05:38,810

are a career musician yeah yeah I play

122

00:05:49,870 --> 00:05:43,190

past year I played close to 300 dates

123

00:05:54,850 --> 00:05:49,880

I play a lot yeah and you think is a nut

124

00:05:58,570 --> 00:05:54,860

sir are they you know I have some issues

125

00:06:03,490 --> 00:05:58,580

with my hands but you know that we'll

126

00:06:05,950 --> 00:06:03,500

get to saw fingers later yeah so so

127

00:06:07,600 --> 00:06:05,960

right when you met Larry it basically he

128

00:06:10,150 --> 00:06:07,610

just sort of threw himself at you didn't

129

00:06:12,010 --> 00:06:10,160

he because from the timeline of events

130

00:06:15,190 --> 00:06:12,020

that you've created is a Word document

131

00:06:17,170 --> 00:06:15,200

and sent me it was only a fortnight

132

00:06:21,730 --> 00:06:17,180

before he started to shower you with

133

00:06:25,180 --> 00:06:21,740

gifts yeah yeah actually yeah you're

134

00:06:29,070 --> 00:06:25,190

right it was less than a week within

135

00:06:30,340 --> 00:06:29,080

less than a week yeah he gave me a

136

00:06:34,480 --> 00:06:30,350

leather

137

00:06:40,330 --> 00:06:34,490

jacket it was his and it had a little a

138

00:06:45,870 --> 00:06:40,340

little crown shaped pin on it and on the

139

00:06:47,980 --> 00:06:45,880

back was an autograph that said I

140

00:06:52,420 --> 00:06:47,990

probably should double check but I

141

00:06:55,020 --> 00:06:52,430

believe it said to Larry guaranteed

142

00:06:59,050 --> 00:06:55,030

which was a split into three different

143

00:07:03,910 --> 00:06:59,060

parts so it was like GU a you know and

144

00:07:09,130 --> 00:07:03,920

then quotation marks you know yeah I was

145

00:07:12,210 --> 00:07:09,140

GU AR quotation UN quotation P EE D and

146

00:07:19,510 --> 00:07:12,220

then it was you know Stevie Ray Vaughn

147

00:07:22,390 --> 00:07:19,520

and he told me that yes this this is a

148

00:07:24,790 --> 00:07:22,400

jacket that I had that was mine and I

149

00:07:26,590 --> 00:07:24,800

you know have pictures of me wearing it

150

00:07:29,200 --> 00:07:26,600

with Stevie Ray Vaughn and Stevie Ray

151

00:07:32,080 --> 00:07:29,210

Vaughn signed it and this little crown

152

00:07:35,530 --> 00:07:32,090

pin that's on it is the one that used to

153

00:07:41,230 --> 00:07:35,540

be on Stevie Ray's hat a hat that he

154

00:07:46,420 --> 00:07:41,240

wore before we died within a week this

155

00:07:50,080 --> 00:07:46,430

is like six days after I met him Wow and

156

00:07:54,160 --> 00:07:50,090

by the way this is all oh it the other

157

00:07:56,050 --> 00:07:54,170

thing it said on it was NYC 1986 so the

158

00:07:58,930 --> 00:07:56,060

you know the story was that you know

159

00:08:01,600 --> 00:07:58,940

Larry had this jacket and there is a

160

00:08:05,530 --> 00:08:01,610

there there is photographic evidence of

161

00:08:10,920 --> 00:08:05,540

Larry wearing this jacket but that he

162

00:08:13,960 --> 00:08:10,930

got Stevie Ray to sign it in 1986 and

163

00:08:16,030 --> 00:08:13,970

and then like I said you know Klein TV

164

00:08:20,650 --> 00:08:16,040

ray gave him the crown pin off of his

165

00:08:23,020 --> 00:08:20,660

hat and you know all of this is you know

166

00:08:26,430 --> 00:08:23,030

there's actual verifiable proof that

167

00:08:28,830 --> 00:08:26,440

this happened because I used to keep

168

00:08:31,480 --> 00:08:28,840

beat books that were kind of like a

169

00:08:33,279 --> 00:08:31,490

journal back then I would keep like a

170

00:08:37,690 --> 00:08:33,289

lot of notes about what happened in

171

00:08:40,390 --> 00:08:37,700

shows and things like that so he clearly

172

00:08:43,120 --> 00:08:40,400

gave that to me at a gig because I wrote

173

00:08:44,140 --> 00:08:43,130

notes about it in my you know and I

174

00:08:49,000 --> 00:08:44,150

still have all those

175

00:08:51,340 --> 00:08:49,010

books from 25 years ago some some little

176
00:08:53,920 --> 00:08:51,350
harder things really do actually come

177
00:08:54,550 --> 00:08:53,930
into the round only about colony were

178
00:09:01,000 --> 00:08:54,560
harder

179
00:09:02,860 --> 00:09:01,010
he's just very organized and I'm sir

180
00:09:07,060 --> 00:09:02,870
please about that because this is not my

181
00:09:08,050 --> 00:09:07,070
opinion is it so within within minutes

182
00:09:10,540 --> 00:09:08,060
basically

183
00:09:13,000 --> 00:09:10,550
he's thrown himself at you and he's got

184
00:09:15,670 --> 00:09:13,010
right into your head and he's pandering

185
00:09:19,570 --> 00:09:15,680
to the things that you love the most

186
00:09:21,550 --> 00:09:19,580
which is abusing Stevie Ray Vaughn you

187
00:09:23,740 --> 00:09:21,560
know and that's I imagine that he

188
00:09:25,210 --> 00:09:23,750

probably looked pretty much like Stevie

189

00:09:28,000 --> 00:09:25,220

when you ever get home because you got

190

00:09:29,800 --> 00:09:28,010

the right hair and everything yeah well

191

00:09:31,750 --> 00:09:29,810

you know what like I said I definitely

192

00:09:32,530 --> 00:09:31,760

back then was trying to you know dress

193

00:09:35,560 --> 00:09:32,540

the part

194

00:09:38,670 --> 00:09:35,570

yeah so you know and and plus the band

195

00:09:42,160 --> 00:09:38,680

that I was playing with we did a lot of

196

00:09:45,640 --> 00:09:42,170

Stevie Ray Tunes so it was it was very

197

00:09:48,490 --> 00:09:45,650

obvious you know I mean everybody knew

198

00:09:50,290 --> 00:09:48,500

that I was a Stevie Ray fan so he it

199

00:09:56,290 --> 00:09:50,300

wouldn't have taken much for him to have

200

00:09:59,110 --> 00:09:56,300

picked up on that yeah and so this

201
00:10:01,930 --> 00:09:59,120
jacket that you're talking about we've

202
00:10:04,630 --> 00:10:01,940
all seen the pictures because on my blog

203
00:10:08,710 --> 00:10:04,640
that they have been totally debunked as

204
00:10:11,620 --> 00:10:08,720
forgeries they are they were created

205
00:10:14,650 --> 00:10:11,630
quite early on probably you know early

206
00:10:17,410 --> 00:10:14,660
90s but people are saying the issues

207
00:10:19,780 --> 00:10:17,420
Photoshop etc well I'm not sure I don't

208
00:10:21,580 --> 00:10:19,790
know when Photoshop existed but I know

209
00:10:24,520 --> 00:10:21,590
are they took me far the advent of the

210
00:10:26,290 --> 00:10:24,530
internet so I don't know if he's taken

211
00:10:29,350 --> 00:10:26,300
these photographs and he's done the

212
00:10:31,150 --> 00:10:29,360
old-fashioned cutting around photos

213
00:10:33,790 --> 00:10:31,160

piecing it together as a collage and

214

00:10:36,430 --> 00:10:33,800

then taking a photograph of the collage

215

00:10:39,460 --> 00:10:36,440

he often takes photographs through glass

216

00:10:43,330 --> 00:10:39,470

so that kind of blurs they the lines a

217

00:10:46,330 --> 00:10:43,340

little you know and then sometimes you

218

00:10:49,300 --> 00:10:46,340

will see that there's a reflection of

219

00:10:52,660 --> 00:10:49,310

the camera and his hands in on the glass

220

00:10:54,610 --> 00:10:52,670

which further distorts the image but it

221

00:10:56,260 --> 00:10:54,620

still seems like legit oh I'm just

222

00:10:58,060 --> 00:10:56,270

taking the photo of a photo that's in a

223

00:11:01,360 --> 00:10:58,070

frame in my house

224

00:11:03,249 --> 00:11:01,370

you know those are his little tricks he

225

00:11:05,079 --> 00:11:03,259

has all these a different aging

226

00:11:09,280 --> 00:11:05,089

techniques and all the rest of it but

227

00:11:10,870 --> 00:11:09,290

we've got him in the jacket in several

228

00:11:17,079 --> 00:11:10,880

of these people and all of the pictures

229

00:11:18,610 --> 00:11:17,089

have got issues with them so you must

230

00:11:22,300 --> 00:11:18,620

have jumped out your skin when you saw

231

00:11:24,069 --> 00:11:22,310

that Wow you know what that which the

232

00:11:26,259 --> 00:11:24,079

the the fake photos for the jacket

233

00:11:28,240 --> 00:11:26,269

initially the fake photos like I said

234

00:11:29,710 --> 00:11:28,250

with him wearing the jacket are supposed

235

00:11:31,420 --> 00:11:29,720

to be put some ones together realized

236

00:11:35,620 --> 00:11:31,430

that you were looking at the jacket that

237

00:11:38,499 --> 00:11:35,630

you owned uh well actually I was

238

00:11:40,660 --> 00:11:38,509

thrilled when I saw I think it was on

239

00:11:42,309 --> 00:11:40,670

one of your blog's that it was like well

240

00:11:46,900 --> 00:11:42,319

there it is that's the jacket right

241

00:11:49,329 --> 00:11:46,910

there and because years ago he had told

242

00:11:52,960 --> 00:11:49,339

me that he was going to give me at some

243

00:11:56,410 --> 00:11:52,970

point a photograph of him wearing the

244

00:11:58,840 --> 00:11:56,420

jacket with Stevi but I never he never

245

00:12:02,559 --> 00:11:58,850

did give it to me he never did give me

246

00:12:04,990 --> 00:12:02,569

one so I was I was you know but yeah

247

00:12:07,930 --> 00:12:05,000

there's there's you know this photograph

248

00:12:12,129 --> 00:12:07,940

and it proves that it was his jacket and

249

00:12:14,800 --> 00:12:12,139

you know yeah for people listening to

250

00:12:16,809 --> 00:12:14,810

this the blog is actually called styles

251

00:12:19,150 --> 00:12:16,819

in his eyes The Adventures of Larry

252

00:12:21,009 --> 00:12:19,160

Warren and the doctored photographs and

253

00:12:22,660 --> 00:12:21,019

it's a little bit long but you know it

254

00:12:24,819 --> 00:12:22,670

was such a miserable time I had to have

255

00:12:27,250 --> 00:12:24,829

some amusement in it because you know it

256

00:12:29,170 --> 00:12:27,260

was really quite a massive betrayal to

257

00:12:30,939 --> 00:12:29,180

find out that a friend of nine years

258

00:12:32,590 --> 00:12:30,949

isn't who he said he was in any way

259

00:12:34,750 --> 00:12:32,600

shape or form in fact he's nothing of

260

00:12:37,660 --> 00:12:34,760

the things that he said he was so it was

261

00:12:42,040 --> 00:12:37,670

like you know there was no joy in any of

262

00:12:43,569 --> 00:12:42,050

it but so I had to kind of develop a

263

00:12:46,840 --> 00:12:43,579

little bit of humor around it just to

264

00:12:50,230 --> 00:12:46,850

survive the you know the onslaught of

265

00:12:52,829 --> 00:12:50,240

the hatred from him and his friends

266

00:12:56,639 --> 00:12:52,839

which is something that you also

267

00:12:59,379 --> 00:12:56,649

experience because when you eventually

268

00:13:01,300 --> 00:12:59,389

started to realize there were problems

269

00:13:06,220 --> 00:13:01,310

with the things they were saying he

270

00:13:08,230 --> 00:13:06,230

turned on you - yeah I mean I kind of

271

00:13:10,629 --> 00:13:08,240

like to just back up a little bit or

272

00:13:11,920 --> 00:13:10,639

kind of go into that which was that you

273

00:13:14,889 --> 00:13:11,930

know right at the

274

00:13:17,610 --> 00:13:14,899

beginning and you know you have to

275

00:13:21,639 --> 00:13:17,620

remember that at the time I was in my

276

00:13:24,850 --> 00:13:21,649

probably it is twice probably you know

277

00:13:27,639 --> 00:13:24,860

early to mid-20s you know so you know

278

00:13:30,070 --> 00:13:27,649

you meet somebody that says oh yeah I

279

00:13:33,670 --> 00:13:30,080

worked with your you know musical hero

280

00:13:35,920 --> 00:13:33,680

and I think that you have you know as

281

00:13:37,840 --> 00:13:35,930

much talent as him and I'm gonna make

282

00:13:41,170 --> 00:13:37,850

you famous I mean you know when you're

283

00:13:43,480 --> 00:13:41,180

in your 20s you you yeah I mean you want

284

00:13:45,400 --> 00:13:43,490

to hear that you know you're ecstatic to

285

00:13:47,680 --> 00:13:45,410

hear that and you think oh my god this

286

00:13:50,050 --> 00:13:47,690

is this is the person that I've you know

287

00:13:52,090 --> 00:13:50,060

been waiting for to come along and and

288

00:13:56,019 --> 00:13:52,100

you know take me to the next level and

289

00:13:58,570 --> 00:13:56,029

so you know I'd befriended him right off

290

00:14:02,740 --> 00:13:58,580

you know the bat and hung out with him

291

00:14:05,769 --> 00:14:02,750

quite a bit and he stayed at my house a

292

00:14:07,030 --> 00:14:05,779

couple of times and not a couple of

293

00:14:09,130 --> 00:14:07,040

times I shouldn't say that he stayed at

294

00:14:10,720 --> 00:14:09,140

my house once for a couple of days I

295

00:14:14,610 --> 00:14:10,730

think actually would be more accurate

296

00:14:18,340 --> 00:14:14,620

yeah and but there was a point where he

297

00:14:22,360 --> 00:14:18,350

went out of town allegedly went to

298

00:14:27,090 --> 00:14:22,370

California and I must have written him a

299

00:14:30,100 --> 00:14:27,100

letter because he wrote me a letter and

300

00:14:34,110 --> 00:14:30,110

you know like a six page handwritten

301
00:14:37,360 --> 00:14:34,120
dated letter and you know he talks about

302
00:14:42,610 --> 00:14:37,370
you know California and that he's coming

303
00:14:45,340 --> 00:14:42,620
back to Rutland and and this is where

304
00:14:47,890 --> 00:14:45,350
there's there's Providence for the

305
00:14:51,040 --> 00:14:47,900
jacket because he makes a point to

306
00:14:52,420 --> 00:14:51,050
mention in the letter that that's where

307
00:14:55,390 --> 00:14:52,430
he states that he's going to get me a

308
00:14:58,540 --> 00:14:55,400
photograph of the jacket that he gave to

309
00:15:00,610 --> 00:14:58,550
me that was sought any states that it

310
00:15:02,819 --> 00:15:00,620
was signed by Stevie Ray and that he's

311
00:15:05,350 --> 00:15:02,829
going to give me this photograph of it

312
00:15:07,690 --> 00:15:05,360
and in the same letter again he's

313
00:15:09,910 --> 00:15:07,700

talking about how great a musician he

314

00:15:12,430 --> 00:15:09,920

thinks I am and all contacts he has

315

00:15:14,980 --> 00:15:12,440

music business he names them off and

316

00:15:17,500 --> 00:15:14,990

different clubs that we you know that he

317

00:15:22,300 --> 00:15:17,510

should take me to go and play and you

318

00:15:24,940 --> 00:15:22,310

know the whole nine yards and so it plus

319

00:15:25,870 --> 00:15:24,950

also again evidence because it's in

320

00:15:29,189 --> 00:15:25,880

Larry so

321

00:15:32,199 --> 00:15:29,199

you know this matter you know and it's

322

00:15:33,999 --> 00:15:32,209

an original document again I saved it

323

00:15:44,069 --> 00:15:34,009

all these years because like you said I

324

00:15:48,040 --> 00:15:44,079

probably am a bit of a hoarder you know

325

00:15:50,170 --> 00:15:48,050

but it provides evidence that he gave me

326

00:15:52,870 --> 00:15:50,180

the jacket and he's stating that it was

327

00:15:56,350 --> 00:15:52,880

signed by Stevie Ray Vaughn

328

00:15:58,480 --> 00:15:56,360

and it also goes to a lot of the claims

329

00:16:00,879 --> 00:15:58,490

that he was making about his involvement

330

00:16:04,030 --> 00:16:00,889

with production companies and vomit with

331

00:16:08,439 --> 00:16:04,040

different venues and things like that

332

00:16:10,889 --> 00:16:08,449

and you know and in case you know he

333

00:16:14,829 --> 00:16:10,899

hears this and tries to you know

334

00:16:17,949 --> 00:16:14,839

discredit my musical skills I mean you

335

00:16:20,980 --> 00:16:17,959

know he's clearly pumping the sunshine

336

00:16:23,590 --> 00:16:20,990

to me about how my wife how skilled I I

337

00:16:26,650 --> 00:16:23,600

was back then as a musician and even as

338

00:16:29,379 --> 00:16:26,660

recently as two years ago you know I

339

00:16:32,470 --> 00:16:29,389

have a screenshot of a Facebook post

340

00:16:34,389 --> 00:16:32,480

where he's saying the same thing so you

341

00:16:36,189 --> 00:16:34,399

know if he's gonna try to discredit my

342

00:16:38,050 --> 00:16:36,199

abilities at this point he's gonna have

343

00:16:39,910 --> 00:16:38,060

to explain why you know what happened in

344

00:16:43,780 --> 00:16:39,920

the past two years I didn't Allison I'm

345

00:16:46,920 --> 00:16:43,790

not a good musician but excellent you

346

00:16:49,660 --> 00:16:46,930

know so yeah so you know vents so then

347

00:16:51,790 --> 00:16:49,670

like I said I befriended him we we hung

348

00:16:53,499 --> 00:16:51,800

out quite a bit because you know he was

349

00:16:58,240 --> 00:16:53,509

essentially going to like manage my

350

00:17:02,620 --> 00:16:58,250

career and this and that and there was a

351

00:17:05,049 --> 00:17:02,630

number of of things where that you know

352

00:17:08,230 --> 00:17:05,059

there were things that happened that you

353

00:17:11,880 --> 00:17:08,240

know made him look even more glowing in

354

00:17:15,460 --> 00:17:11,890

particular actually remember we went to

355

00:17:18,220 --> 00:17:15,470

I'm sure everybody knows and in Jerry's

356

00:17:20,199 --> 00:17:18,230

you know ice cream and they were they

357

00:17:22,470 --> 00:17:20,209

they're out of Vermont and they used to

358

00:17:25,960 --> 00:17:22,480

hold a concert like a festival every

359

00:17:28,360 --> 00:17:25,970

year for a couple years and they had a

360

00:17:32,110 --> 00:17:28,370

festival one time with Buddy Guy in the

361

00:17:35,500 --> 00:17:32,120

band and Larry and I went to go to this

362

00:17:38,919 --> 00:17:35,510

festival and he managed to talk our way

363

00:17:39,230 --> 00:17:38,929

onto the tour bus with the band's you

364

00:17:41,480 --> 00:17:39,240

know

365

00:17:43,990 --> 00:17:41,490

to the festival's band and had backstage

366

00:17:45,230 --> 00:17:44,000

passes and which all makes him look

367

00:17:47,450 --> 00:17:45,240

legit

368

00:17:51,950 --> 00:17:47,460

you know then oh yeah this guy must he

369

00:17:53,240 --> 00:17:51,960

must be who he says he is you know so

370

00:17:54,919 --> 00:17:53,250

you know that was one of the things

371

00:17:58,610 --> 00:17:54,929

where I was like wow you know yeah he's

372

00:18:00,890 --> 00:17:58,620

telling the truth well he ended up later

373

00:18:04,100 --> 00:18:00,900

on trying to do the same thing at

374

00:18:08,450 --> 00:18:04,110

another show with a large group of

375

00:18:10,130 --> 00:18:08,460

people and it he got called on it by

376

00:18:12,770 --> 00:18:10,140

security and they took him to the office

377

00:18:16,430 --> 00:18:12,780

this is that Stratton Mountain and in

378

00:18:17,720 --> 00:18:16,440

Vermont and you know he told him one

379

00:18:19,220 --> 00:18:17,730

that you know cuz I said well who are

380

00:18:21,020 --> 00:18:19,230

you and why are you bringing all these

381

00:18:23,000 --> 00:18:21,030

people backstage and he said long the

382

00:18:26,600 --> 00:18:23,010

tour publicist and they said there is no

383

00:18:30,560 --> 00:18:26,610

- her publicist so who are you so this

384

00:18:33,320 --> 00:18:30,570

whole kind of story fell apart and by

385

00:18:36,710 --> 00:18:33,330

that point I'd already had a number of

386

00:18:39,740 --> 00:18:36,720

other times where he had relayed stories

387

00:18:42,860 --> 00:18:39,750

in my presence to other people stories

388

00:18:45,919 --> 00:18:42,870

that he had initially told me but then

389

00:18:48,260 --> 00:18:45,929

in telling them to other people all of a

390

00:18:50,150 --> 00:18:48,270

sudden they were taken up a notch or two

391

00:18:52,460 --> 00:18:50,160

they were embellished there was more

392

00:18:54,860 --> 00:18:52,470

details and more no details to the story

393

00:18:56,960 --> 00:18:54,870

and then he would always try to get me

394

00:19:00,580 --> 00:18:56,970

to corroborate for him they don't say

395

00:19:02,960 --> 00:19:00,590

you know say oh right you know and and

396

00:19:04,940 --> 00:19:02,970

I'm not really good with that kind of

397

00:19:06,740 --> 00:19:04,950

stuff so I would kind of say well that's

398

00:19:10,100 --> 00:19:06,750

not the way that's not what you told me

399

00:19:13,940 --> 00:19:10,110

but you know which you know we kind of

400

00:19:17,240 --> 00:19:13,950

annoy him but you know when it came down

401
00:19:19,690 --> 00:19:17,250
to this show at Stratton it was clear by

402
00:19:22,580 --> 00:19:19,700
that point I was like oh yeah this guy's

403
00:19:27,380 --> 00:19:22,590
he's lying to people you know and he's

404
00:19:30,020 --> 00:19:27,390
not who he thinks he is and you know at

405
00:19:32,360 --> 00:19:30,030
that point I started to distance myself

406
00:19:36,590 --> 00:19:32,370
away from him maybe because I was you

407
00:19:41,240 --> 00:19:36,600
know I I really disliked people that lie

408
00:19:42,470 --> 00:19:41,250
and dishonesty and and so I was like I

409
00:19:45,410 --> 00:19:42,480
don't want to be I don't want to be

410
00:19:48,049 --> 00:19:45,420
connected to this guy when I'm you know

411
00:19:50,690 --> 00:19:48,059
I'm starting to suspect that he's up to

412
00:19:53,499 --> 00:19:50,700
some nefarious activities and then at

413
00:19:57,590 --> 00:19:53,509

the same time he was also

414

00:19:59,419 --> 00:19:57,600

like bringing items around the bars and

415

00:20:01,340 --> 00:19:59,429

saying look this is John Entwistle's

416

00:20:04,009 --> 00:20:01,350

bass or look these are John Lennon's

417

00:20:07,009 --> 00:20:04,019

glasses or this is the army jacket that

418

00:20:10,249 --> 00:20:07,019

John one and you know you know war in

419

00:20:11,810 --> 00:20:10,259

the photograph you know in front of the

420

00:20:13,820 --> 00:20:11,820

Statue of Liberty or whatever you or

421

00:20:16,370 --> 00:20:13,830

that he wore in the Madison Square

422

00:20:19,450 --> 00:20:16,380

Garden concert you know this kind of

423

00:20:21,470 --> 00:20:19,460

stuff and even that was like my

424

00:20:24,529 --> 00:20:21,480

suspicious were aroused because I'm like

425

00:20:26,779 --> 00:20:24,539

if you had something worth that kind of

426

00:20:29,450 --> 00:20:26,789

money you wouldn't take it to a bar and

427

00:20:33,139 --> 00:20:29,460

robbed one and let everybody kind of

428

00:20:35,680 --> 00:20:33,149

pause you know and yeah and you know one

429

00:20:39,919 --> 00:20:35,690

of the items he brought around was a

430

00:20:42,499 --> 00:20:39,929

like a 60s Fender Stratocaster that he

431

00:20:45,409 --> 00:20:42,509

said this belonged to Jimi Hendrix and

432

00:20:47,090 --> 00:20:45,419

you know we showed it to me and again

433

00:20:49,789 --> 00:20:47,100

being Hendrix fan I had a book that

434

00:20:52,549 --> 00:20:49,799

listed a lot of the known items owned by

435

00:20:55,129 --> 00:20:52,559

Stevie Ray Vaughn or I'm sorry by Jimi

436

00:20:56,749 --> 00:20:55,139

Hendrix in the back of the book I was no

437

00:20:59,990 --> 00:20:56,759

mention of this serial number in there

438

00:21:01,669 --> 00:21:00,000

just so you know you know and so like

439

00:21:03,490 --> 00:21:01,679

that was all kind of going on at the

440

00:21:05,659 --> 00:21:03,500

same time and it's so it's like I

441

00:21:08,389 --> 00:21:05,669

started piecing together them like I

442

00:21:10,460 --> 00:21:08,399

think he's like doing a lot of like

443

00:21:14,570 --> 00:21:10,470

phony-baloney in regards all this

444

00:21:16,580 --> 00:21:14,580

memorabilia and items and like the John

445

00:21:20,629 --> 00:21:16,590

Entwistle bass it was like super Plain

446

00:21:23,419 --> 00:21:20,639

Jane off the shelf Alembic bass and I'm

447

00:21:26,539 --> 00:21:23,429

like anybody who's ever seen John Lennon

448

00:21:28,940 --> 00:21:26,549

or John Entwistle's basses knows they're

449

00:21:32,090 --> 00:21:28,950

super customized like really fancy

450

00:21:34,909 --> 00:21:32,100

inlays and like no way did he just walk

451

00:21:38,119 --> 00:21:34,919

one off the the shelf and use it that

452

00:21:40,190 --> 00:21:38,129

you know there's a way and also he

453

00:21:42,470 --> 00:21:40,200

wouldn't stick a big brass plaque on it

454

00:21:46,519 --> 00:21:42,480

that said you know owned by John

455

00:21:49,789 --> 00:21:46,529

Entwistle you know so there was a lot of

456

00:21:51,619 --> 00:21:49,799

things to like me you know red flags go

457

00:21:53,299 --> 00:21:51,629

up for me and at that point I started

458

00:21:57,259 --> 00:21:53,309

really trying to distance myself and

459

00:21:59,330 --> 00:21:57,269

Larry mm-hmm yeah he was that I ever

460

00:22:01,850 --> 00:21:59,340

triple cars as well I've not said that

461

00:22:03,799 --> 00:22:01,860

in a couple of the entries you've pulled

462

00:22:05,750 --> 00:22:03,809

that it has been an altercation with

463

00:22:06,860 --> 00:22:05,760

somebody called Charlie you ever made a

464

00:22:11,900 --> 00:22:06,870

note that

465

00:22:13,310 --> 00:22:11,910

behaved himself on particular night you

466

00:22:15,920 --> 00:22:13,320

know because that's that's another thing

467

00:22:19,120 --> 00:22:15,930

about him as well as his he calls it is

468

00:22:23,480 --> 00:22:19,130

instinct for aggression in a in a bar

469

00:22:25,130 --> 00:22:23,490

yeah I know that there was an incident I

470

00:22:27,200 --> 00:22:25,140

think eventually charges were dropped

471

00:22:30,890 --> 00:22:27,210

but he did yeah he punched somebody in a

472

00:22:32,390 --> 00:22:30,900

bar in Rutland and there were some you

473

00:22:36,500 --> 00:22:32,400

know charges but that they were

474

00:22:40,250 --> 00:22:36,510

eventually dropped yeah I mean he never

475

00:22:41,660 --> 00:22:40,260

he never did that with me but he

476
00:22:43,040 --> 00:22:41,670
definitely would get into arguments with

477
00:22:46,010 --> 00:22:43,050
people I suppose

478
00:22:47,930 --> 00:22:46,020
well yeah well I did I did mention that

479
00:22:52,460 --> 00:22:47,940
he got into some kind of disagreement

480
00:22:54,919 --> 00:22:52,470
with with with Charlie well another II

481
00:22:57,290 --> 00:22:54,929
was he told me that he was seeing and

482
00:23:00,140 --> 00:22:57,300
one called Nancy who had a radio show

483
00:23:04,480 --> 00:23:00,150
and that he did an advert for her radio

484
00:23:06,650 --> 00:23:04,490
show and he did that advert in

485
00:23:08,870 --> 00:23:06,660
broadcasting school in Connecticut which

486
00:23:14,120 --> 00:23:08,880
is nowhere near well it's not Vermont is

487
00:23:15,860 --> 00:23:14,130
it so he's kind of his you knew Nancy

488
00:23:17,330 --> 00:23:15,870

and this is why I'm kind of bringing it

489

00:23:21,980 --> 00:23:17,340

in because I remember him mentioning her

490

00:23:24,919 --> 00:23:21,990

that he did this advert fara some sort

491

00:23:27,380 --> 00:23:24,929

of voice over for you know whatever air

492

00:23:30,770 --> 00:23:27,390

show was what he said that he did this

493

00:23:33,049 --> 00:23:30,780

at a broadcasting school which he's

494

00:23:37,990 --> 00:23:33,059

later says Connecticut and he actually

495

00:23:41,270 --> 00:23:38,000

got a Bachelor of Arts degree in in

496

00:23:44,480 --> 00:23:41,280

communications which is hilarious

497

00:23:47,960 --> 00:23:44,490

because capturing a sentence together or

498

00:23:49,760 --> 00:23:47,970

use a computer oh well you know I'm not

499

00:23:53,030 --> 00:23:49,770

so sure that he can't use a computer to

500

00:23:55,160 --> 00:23:53,040

be honest alone because he says this but

501
00:23:57,590 --> 00:23:55,170
he managed to churn out all this stuff

502
00:24:00,560 --> 00:23:57,600
so you know I think that might be

503
00:24:03,590 --> 00:24:00,570
another lie as well yeah yeah you know

504
00:24:08,600 --> 00:24:03,600
what exactly when I first met him he was

505
00:24:12,020 --> 00:24:08,610
living with Nancy Nancy was a well-known

506
00:24:15,080 --> 00:24:12,030
radio DJ at the time she was a real DJ

507
00:24:20,659 --> 00:24:15,090
in rutland for many many years she still

508
00:24:23,029 --> 00:24:20,669
lives in Rutland and I I can remember

509
00:24:25,190 --> 00:24:23,039
going to pick him up at her apartment

510
00:24:27,979 --> 00:24:25,200
you know so I was actually in that

511
00:24:29,690 --> 00:24:27,989
apartment I can remember he was

512
00:24:32,029 --> 00:24:29,700
definitely working on the book with

513
00:24:35,840 --> 00:24:32,039

Peter Robbins at that time and I can

514

00:24:38,930 --> 00:24:35,850

remember him showing me like you know

515

00:24:41,840 --> 00:24:38,940

some like photographs of you know

516

00:24:46,940 --> 00:24:41,850

alleged you know like UFOs or aliens or

517

00:24:50,960 --> 00:24:46,950

that kind of thing and you know but it

518

00:24:52,460 --> 00:24:50,970

was a very small apartment I mean to be

519

00:24:55,310 --> 00:24:52,470

honest and I think I mentioned this to

520

00:24:57,619 --> 00:24:55,320

you once privately it was like I hadn't

521

00:25:00,590 --> 00:24:57,629

really thought about until just recently

522

00:25:02,389 --> 00:25:00,600

it never had occurred to me how he even

523

00:25:09,109 --> 00:25:02,399

ended up in Rouen to begin with this

524

00:25:11,180 --> 00:25:09,119

Rutland is really a small town and and

525

00:25:14,090 --> 00:25:11,190

then when I realized that oh yeah he

526
00:25:16,340 --> 00:25:14,100
grew up maybe an hour away from here

527
00:25:19,249 --> 00:25:16,350
over in upstate New York so it's really

528
00:25:21,379 --> 00:25:19,259
not that far away so then it then it

529
00:25:27,349 --> 00:25:21,389
sort of made some sense but why he came

530
00:25:30,019 --> 00:25:27,359
to Rutland I have no idea you know but

531
00:25:32,419 --> 00:25:30,029
as far as Connecticut Connecticut's Pro

532
00:25:34,609 --> 00:25:32,429
you know it's a couple hours away from

533
00:25:36,889 --> 00:25:34,619
you know you got a drive from Vermont

534
00:25:39,440 --> 00:25:36,899
south through Massachusetts to get to

535
00:25:40,999 --> 00:25:39,450
Connecticut so you know if you from here

536
00:25:44,450 --> 00:25:41,009
from Rutland up Hartford Connecticut

537
00:25:46,070 --> 00:25:44,460
Connecticut is like three hours it's

538
00:25:48,560 --> 00:25:46,080

just the way that you kind of knits

539

00:25:51,139 --> 00:25:48,570

little things together so far apart

540

00:25:55,580 --> 00:25:51,149

they're not you know I can't a dumb

541

00:25:59,299 --> 00:25:55,590

little advert as he told me brief like

542

00:26:03,649 --> 00:25:59,309

voiceover unfit for her show and driven

543

00:26:06,109 --> 00:26:03,659

to flowers to be able to do that you

544

00:26:08,379 --> 00:26:06,119

know so what does what doesn't make

545

00:26:11,810 --> 00:26:08,389

sense there is that first of all Nancy

546

00:26:13,940 --> 00:26:11,820

was a professional DJ she wouldn't need

547

00:26:15,680 --> 00:26:13,950

something helps to make any kind of

548

00:26:19,159 --> 00:26:15,690

advertisement for that's what her job

549

00:26:21,680 --> 00:26:19,169

would have been yeah you know deejays

550

00:26:27,259 --> 00:26:21,690

radio deejays do make advertisements do

551
00:26:29,330 --> 00:26:27,269
do do voiceovers so I don't understand

552
00:26:34,190 --> 00:26:29,340
why she would need somebody else to do

553
00:26:34,520 --> 00:26:34,200
that for her and you know I'm just going

554
00:26:37,730 --> 00:26:34,530
to bring

555
00:26:42,200 --> 00:26:37,740
this point up is as I've seen a lot of

556
00:26:45,320 --> 00:26:42,210
the like kind of YouTube videos and and

557
00:26:48,020 --> 00:26:45,330
heard some of the podcasts with you know

558
00:26:52,460 --> 00:26:48,030
Larry's defenders you know putting him

559
00:26:54,680 --> 00:26:52,470
on here's another thing that you just go

560
00:26:56,240 --> 00:26:54,690
how many things can this guy possibly do

561
00:26:59,570 --> 00:26:56,250
in his lifetime I mean like you know he

562
00:27:01,610 --> 00:26:59,580
was you know when in the service then he

563
00:27:03,820 --> 00:27:01,620

got a communications degree while

564

00:27:06,040 --> 00:27:03,830

somehow it's somewhere along the line he

565

00:27:09,380 --> 00:27:06,050

managed to work in the steel industry

566

00:27:11,870 --> 00:27:09,390

somehow along was like a huge mover and

567

00:27:14,780 --> 00:27:11,880

shaker in the music industry oh my god

568

00:27:17,840 --> 00:27:14,790

he was down in 911 pulling you know

569

00:27:19,790 --> 00:27:17,850

bodies out of the wreckage and you know

570

00:27:23,690 --> 00:27:19,800

owned somewhere in there he was abducted

571

00:27:26,060 --> 00:27:23,700

by UFOs I mean somewhere in there he saw

572

00:27:28,700 --> 00:27:26,070

Bigfoot I mean it's just like on and on

573

00:27:30,190 --> 00:27:28,710

and on and it's like there's I'm just

574

00:27:32,810 --> 00:27:30,200

gonna throw this out there there's no

575

00:27:34,820 --> 00:27:32,820

verifiable oh wait he was a bodyguard

576

00:27:38,300 --> 00:27:34,830

too wasn't he had some bodyguard

577

00:27:40,520 --> 00:27:38,310

yeah for John Lennon he claims in 2011

578

00:27:43,280 --> 00:27:40,530

he saw some items that belonged that he

579

00:27:45,440 --> 00:27:43,290

said belong to John Lennon and he said

580

00:27:47,270 --> 00:27:45,450

that he was John Lennon's bodyguard but

581

00:27:51,710 --> 00:27:47,280

he actually said that he met him in cafe

582

00:27:55,490 --> 00:27:51,720

Fortuna in November 1980 just a week

583

00:27:57,380 --> 00:27:55,500

before he died and now he said he met

584

00:27:59,000 --> 00:27:57,390

Don than three times and he's trying to

585

00:28:01,130 --> 00:27:59,010

make her out but his dad is something in

586

00:28:02,630 --> 00:28:01,140

the music industry now so that he could

587

00:28:03,140 --> 00:28:02,640

say that he met these people when he was

588

00:28:05,570 --> 00:28:03,150

younger

589

00:28:08,450 --> 00:28:05,580

he's actually in actual fact his dad was

590

00:28:11,510 --> 00:28:08,460

an insurance salesman in New York and

591

00:28:14,090 --> 00:28:11,520

that's in his book so yes so an

592

00:28:17,030 --> 00:28:14,100

insurance salesman allegedly you know I

593

00:28:18,920 --> 00:28:17,040

mean the thing with John Lennon I mean

594

00:28:23,630 --> 00:28:18,930

it's mind-boggling because in Larry's

595

00:28:26,480 --> 00:28:23,640

home timeline he was what 17 or 18 when

596

00:28:28,190 --> 00:28:26,490

John Lennon died so like John Lennon's

597

00:28:32,390 --> 00:28:28,200

going to hire an 18 year old as his

598

00:28:34,460 --> 00:28:32,400

bodyguard I seriously doubt that well if

599

00:28:37,370 --> 00:28:34,470

you saw the graphs of Larry when he was

600

00:28:38,660 --> 00:28:37,380

actually 1819 he looks like he wasted

601
00:28:42,490 --> 00:28:38,670
just a little bit more than a wet

602
00:28:45,890 --> 00:28:42,500
flannel yeah he the photograph that he's

603
00:28:47,990 --> 00:28:45,900
generated of himself standing with John

604
00:28:51,200 --> 00:28:48,000
Lennon he looks at least four

605
00:28:54,050 --> 00:28:51,210
say yeah oh yeah I've seen that

606
00:28:58,250 --> 00:28:54,060
photograph so I mean the point that I'm

607
00:28:59,810 --> 00:28:58,260
getting at is that like you know people

608
00:29:03,230 --> 00:28:59,820
need to kind of step back and look

609
00:29:06,730 --> 00:29:03,240
objectively and say how is it possible

610
00:29:09,170 --> 00:29:06,740
that this guy has done all of these

611
00:29:12,350 --> 00:29:09,180
amazing fantastical things in his

612
00:29:14,690 --> 00:29:12,360
lifetime it's not possible you know

613
00:29:17,960 --> 00:29:14,700

another one he used to pass off and

614

00:29:19,610 --> 00:29:17,970

Rutland here was that he was a he tried

615

00:29:22,390 --> 00:29:19,620

he was telling people for a while that

616

00:29:26,510 --> 00:29:22,400

he was Vietnam that suffering from PTSD

617

00:29:28,910 --> 00:29:26,520

and that's it there was there was a

618

00:29:32,780 --> 00:29:28,920

bartender at this this bar that I used

619

00:29:34,430 --> 00:29:32,790

to play every week and he was a Larry

620

00:29:36,020 --> 00:29:34,440

was obviously a regular there and he

621

00:29:39,020 --> 00:29:36,030

later ended up living with this

622

00:29:41,510 --> 00:29:39,030

bartender or actually might have been at

623

00:29:44,990 --> 00:29:41,520

that time and the bartender actually was

624

00:29:47,780 --> 00:29:45,000

a Vietnam vet who definitely had some

625

00:29:50,900 --> 00:29:47,790

PTSD and he pulled Larry aside and said

626

00:29:54,680 --> 00:29:50,910

dude I know how old you are senior you

627

00:29:56,870 --> 00:29:54,690

know your license or your ID so don't be

628

00:30:00,410 --> 00:29:56,880

doing that you know Vietnam vets do not

629

00:30:02,210 --> 00:30:00,420

take kindly to people you know trying to

630

00:30:04,040 --> 00:30:02,220

claim that their Vietnam vet when they

631

00:30:05,980 --> 00:30:04,050

weren't you know so I mean let's put it

632

00:30:08,690 --> 00:30:05,990

this way when Vietnam ended

633

00:30:11,000 --> 00:30:08,700

Larry would have been something like 13

634

00:30:18,410 --> 00:30:11,010

yeah clearly did not serve in the

635

00:30:19,850 --> 00:30:18,420

service in 1974 1975 so you know you and

636

00:30:21,650 --> 00:30:19,860

then you know then add on to what he's

637

00:30:24,140 --> 00:30:21,660

talking about oh yeah and I worked for

638

00:30:25,810 --> 00:30:24,150

that Beach Boys and I worked for Stevie

639

00:30:29,450 --> 00:30:25,820

Ray I mean it's just it's too

640

00:30:32,000 --> 00:30:29,460

fantastical well I think the best points

641

00:30:36,230 --> 00:30:32,010

of all of that nonsense is when he said

642

00:30:38,420 --> 00:30:36,240

that he was he actually co-signed

643

00:30:40,580 --> 00:30:38,430

Metallica and received half a million

644

00:30:43,460 --> 00:30:40,590

pounds finder's fee with a friend of his

645

00:30:45,200 --> 00:30:43,470

Richard who also signed him but a guy

646

00:30:47,120 --> 00:30:45,210

called Michael allaha actually signed

647

00:30:49,040 --> 00:30:47,130

Metallica and there's a film about him

648

00:30:51,710 --> 00:30:49,050

on Netflix and there's no mention of

649

00:30:54,500 --> 00:30:51,720

Larry Warren as Odin of anybody because

650

00:30:57,490 --> 00:30:54,510

especially not Richard or Larry or any

651
00:31:00,440 --> 00:30:57,500
of that but he stills when Tino mogera

652
00:31:02,169 --> 00:31:00,450
took it upon himself to ask all the

653
00:31:04,930 --> 00:31:02,179
questions that we were asking

654
00:31:07,959 --> 00:31:04,940
and give it the college try yet when

655
00:31:09,580 --> 00:31:07,969
Larry continued to lie and said no he

656
00:31:11,409 --> 00:31:09,590
never said that he said that he spent

657
00:31:13,180 --> 00:31:11,419
Richard got paid a million and that he

658
00:31:15,219 --> 00:31:13,190
should have got half a million because

659
00:31:18,609 --> 00:31:15,229
he introduced them to him

660
00:31:21,759 --> 00:31:18,619
Richard still didn't sign Metallica

661
00:31:25,029 --> 00:31:21,769
Michael allaha still signed Metallica

662
00:31:27,729 --> 00:31:25,039
and Tino didn't go out well how does

663
00:31:30,820 --> 00:31:27,739

Michael alig all fit into this blah blah

664

00:31:32,680 --> 00:31:30,830

he just went okay next question so you

665

00:31:34,570 --> 00:31:32,690

know even when asked a question about

666

00:31:37,899 --> 00:31:34,580

something that's been absolutely proven

667

00:31:40,419 --> 00:31:37,909

to be completely untrue you just carried

668

00:31:41,680 --> 00:31:40,429

on with the same narrative and Gary has

669

00:31:43,029 --> 00:31:41,690

all signs doing the same thing they're

670

00:31:44,649 --> 00:31:43,039

both kind of like get in there is just

671

00:31:46,570 --> 00:31:44,659

look down don't look up don't look at it

672

00:31:50,079 --> 00:31:46,580

said it's not happening London alley

673

00:31:51,729 --> 00:31:50,089

Lola right and it'll all go away well no

674

00:31:54,479 --> 00:31:51,739

it's not going away that's getting

675

00:31:57,310 --> 00:31:54,489

bigger because now you're here with your

676
00:31:58,329 --> 00:31:57,320
evidence of exactly the same things as

677
00:32:01,089 --> 00:31:58,339
I've been saying

678
00:32:03,339 --> 00:32:01,099
in fact you tie beautifully into it

679
00:32:05,169 --> 00:32:03,349
because the folks have debunked if they

680
00:32:07,839 --> 00:32:05,179
have him with Stevie Ray Vaughan wearing

681
00:32:10,299 --> 00:32:07,849
that jacket you have the jacket I have

682
00:32:17,529 --> 00:32:10,309
the jacket I still because I heard so I

683
00:32:20,649 --> 00:32:17,539
do still have the jacket yeah I mean he

684
00:32:23,039 --> 00:32:20,659
gave me a number of items you know he

685
00:32:28,539 --> 00:32:23,049
gave me a couple of allegedly signed

686
00:32:30,539 --> 00:32:28,549
photographs you know he gave me at one

687
00:32:34,359 --> 00:32:30,549
point he gave me a guitar effects pedal

688
00:32:37,239 --> 00:32:34,369

which was a crybaby Kyra ya crybaby fuzz

689

00:32:38,739 --> 00:32:37,249

wah and you know that this blonde is

690

00:32:41,409 --> 00:32:38,749

Stevie Ray Vaughan and he used it and he

691

00:32:43,930 --> 00:32:41,419

gave me this handwritten letter of

692

00:32:46,450 --> 00:32:43,940

authenticity from Rene Martinez who was

693

00:32:49,659 --> 00:32:46,460

Stevie Ray Vaughan's you know guitar

694

00:32:52,479 --> 00:32:49,669

tech once I've gone through my date

695

00:32:55,149 --> 00:32:52,489

books I realized that when he gave me

696

00:32:58,089 --> 00:32:55,159

that particular item and the letter it

697

00:33:01,299 --> 00:32:58,099

was I had already been like pulling away

698

00:33:04,839 --> 00:33:01,309

from him at that point and and I and

699

00:33:06,909 --> 00:33:04,849

then I sort of started to remember I

700

00:33:09,159 --> 00:33:06,919

kind of had a mental debate with myself

701
00:33:11,769 --> 00:33:09,169
over whether I should take it because I

702
00:33:13,210 --> 00:33:11,779
was like I you know I'm positive this

703
00:33:15,190 --> 00:33:13,220
guy's full of crap

704
00:33:15,940 --> 00:33:15,200
so why would you and then I was like

705
00:33:17,680 --> 00:33:15,950
well he is

706
00:33:20,620 --> 00:33:17,690
giving you a foot pedal so you know

707
00:33:27,159 --> 00:33:20,630
there's something there you know and so

708
00:33:29,620 --> 00:33:27,169
I did take it and I've I later on there

709
00:33:31,899 --> 00:33:29,630
was an amplifier I wanted so I tree it I

710
00:33:34,029 --> 00:33:31,909
used to come while still do but I used

711
00:33:37,570 --> 00:33:34,039
to collect effects pedals in particular

712
00:33:40,060 --> 00:33:37,580
so I had I traded a bunch of vintage

713
00:33:41,889 --> 00:33:40,070

effects pedals and I traded that in

714

00:33:43,600 --> 00:33:41,899

towards the sand but with no mention of

715

00:33:45,460 --> 00:33:43,610

Stevie Ray Vaughn I had peeled off a

716

00:33:47,590 --> 00:33:45,470

little sticker on the bottom where he

717

00:33:49,629 --> 00:33:47,600

it's at SRV that you know he had written

718

00:33:52,570 --> 00:33:49,639

on there and I pulled that off and just

719

00:33:55,000 --> 00:33:52,580

traded as as sectional you know I never

720

00:33:57,100 --> 00:33:55,010

said anything about any celebrity

721

00:33:59,470 --> 00:33:57,110

connection and I kept the letter of

722

00:34:02,470 --> 00:33:59,480

authenticity because as soon as he gave

723

00:34:06,310 --> 00:34:02,480

it to me I still had his handwritten

724

00:34:08,950 --> 00:34:06,320

letter to me and I'm like wow it's not

725

00:34:13,270 --> 00:34:08,960

even disguised handwriting it was so

726
00:34:15,430 --> 00:34:13,280
blatantly the same handwriting that you

727
00:34:17,470 --> 00:34:15,440
know up but that's why you know that was

728
00:34:21,669 --> 00:34:17,480
I mean I I knew like this this is

729
00:34:26,919 --> 00:34:21,679
completely bogus so I've kept that all

730
00:34:29,889 --> 00:34:26,929
these years and because I throughout the

731
00:34:33,550 --> 00:34:29,899
90s to bring this to people's attention

732
00:34:37,960 --> 00:34:33,560
because it became pretty obvious that he

733
00:34:39,700 --> 00:34:37,970
was selling these items he he gave a

734
00:34:43,809 --> 00:34:39,710
number of items to a number of different

735
00:34:46,240 --> 00:34:43,819
people here in Rutland a buddy buddy of

736
00:34:47,619 --> 00:34:46,250
mine you know has an album allegedly

737
00:34:50,290 --> 00:34:47,629
signed by all the members of the

738
00:34:53,230 --> 00:34:50,300

Grateful Dead there's another guy he

739

00:34:54,849 --> 00:34:53,240

gave a bass to that he said it was giant

740

00:34:56,740 --> 00:34:54,859

whistles and he'll sign buy it and it's

741

00:34:58,630 --> 00:34:56,750

it's not even expensive bake it was like

742

00:35:00,700 --> 00:34:58,640

a cheapo bass then it was like nothing

743

00:35:05,290 --> 00:35:00,710

that Entwistle would have even looked at

744

00:35:07,750 --> 00:35:05,300

nevermind played in fact the guy ended

745

00:35:09,400 --> 00:35:07,760

up removing the effe can't whistle

746

00:35:11,380 --> 00:35:09,410

autograph off of it because he needed

747

00:35:14,890 --> 00:35:11,390

like this thing's not real any and he

748

00:35:19,480 --> 00:35:14,900

played the bass but and he also has some

749

00:35:21,040 --> 00:35:19,490

signed you know photographs you know

750

00:35:22,480 --> 00:35:21,050

like so I think a Stevie Ray Vaughan

751
00:35:23,980 --> 00:35:22,490
thing that he you know said the same

752
00:35:27,760 --> 00:35:23,990
thing he's like this is obviously not

753
00:35:29,270 --> 00:35:27,770
his signature for one thing bond is

754
00:35:31,700 --> 00:35:29,280
spelled wrong

755
00:35:35,810 --> 00:35:31,710
pretty much all of the alleged

756
00:35:39,320 --> 00:35:35,820
autographed items I have Vaughn is

757
00:35:40,910 --> 00:35:39,330
misspelled so I'm like you know I doubt

758
00:35:43,130 --> 00:35:40,920
that stevie ray vaughan forgot how to

759
00:35:46,940 --> 00:35:43,140
spell his own name and in it multiple

760
00:35:50,839 --> 00:35:46,950
times you know well there's a there's a

761
00:35:52,670 --> 00:35:50,849
few items that a house like that there's

762
00:35:54,710 --> 00:35:52,680
one piece of evidence he claims to be

763
00:35:56,420 --> 00:35:54,720

part of his military records where

764

00:35:58,580 --> 00:35:56,430

somebody called Lisa way and spell him

765

00:36:02,470 --> 00:35:58,590

incorrectly twice on the same different

766

00:36:05,480 --> 00:36:02,480

piece of paper in two different pens I

767

00:36:07,820 --> 00:36:05,490

mean I'm sure that you're gonna use the

768

00:36:10,760 --> 00:36:07,830

documents that I sent you and like some

769

00:36:14,270 --> 00:36:10,770

of the analysis that I mean you know

770

00:36:18,560 --> 00:36:14,280

because basically my hope here was that

771

00:36:20,870 --> 00:36:18,570

I could with Larry's own handwritten

772

00:36:23,300 --> 00:36:20,880

statement I could prove that he gave me

773

00:36:25,820 --> 00:36:23,310

the jacket he made the claim that it was

774

00:36:28,280 --> 00:36:25,830

signed by Stevie Ray Vaughn you have

775

00:36:30,740 --> 00:36:28,290

photographs of the jacket and you know

776

00:36:36,620 --> 00:36:30,750

the handwriting on it

777

00:36:38,300 --> 00:36:36,630

I want once you and I made contact you

778

00:36:40,099 --> 00:36:38,310

know just got a step back again like

779

00:36:41,630 --> 00:36:40,109

throughout maybe the reason I kept all

780

00:36:43,490 --> 00:36:41,640

this stuff in the first place was

781

00:36:45,890 --> 00:36:43,500

because I was trying to bring to

782

00:36:48,380 --> 00:36:45,900

people's attention that I was sure that

783

00:36:51,380 --> 00:36:48,390

he was foraging item you know

784

00:36:54,680 --> 00:36:51,390

memorabilia and selling it for large

785

00:37:00,980 --> 00:36:54,690

sums of money you know and that really

786

00:37:03,109 --> 00:37:00,990

rubbed me the wrong way and so and I

787

00:37:05,270 --> 00:37:03,119

kind of you know you'd run into people

788

00:37:07,640 --> 00:37:05,280

where they were just convinced that oh

789

00:37:07,940 --> 00:37:07,650

well he you know he's he's telling the

790

00:37:11,200 --> 00:37:07,950

truth

791

00:37:14,240 --> 00:37:11,210

look he's on TV on the Discovery Channel

792

00:37:16,040 --> 00:37:14,250

showing the you know where the UFO came

793

00:37:19,490 --> 00:37:16,050

down he must be telling the truth about

794

00:37:20,450 --> 00:37:19,500

this guitar signed by Jerry Garcia you

795

00:37:24,740 --> 00:37:20,460

know what I mean it was like there was

796

00:37:27,800 --> 00:37:24,750

no logical connection to what they were

797

00:37:30,589 --> 00:37:27,810

saying but that's what he knew he'd kind

798

00:37:32,359 --> 00:37:30,599

of used like I remember there was a kind

799

00:37:34,609 --> 00:37:32,369

of painted guitar that he claimed was

800

00:37:37,339 --> 00:37:34,619

signed by you know I think it was all

801
00:37:39,170 --> 00:37:37,349
the members of the Grateful Dead and but

802
00:37:40,910 --> 00:37:39,180
because he could show the auction book

803
00:37:42,680 --> 00:37:40,920
that was in people went well must be

804
00:37:45,200 --> 00:37:42,690
real it's in you know

805
00:37:46,849 --> 00:37:45,210
action book and on is like no that

806
00:37:51,890 --> 00:37:46,859
doesn't mean it's real you know look at

807
00:37:54,020 --> 00:37:51,900
it you know you know and so what I was

808
00:37:56,569 --> 00:37:54,030
hoping was that you know I saved all

809
00:37:58,670 --> 00:37:56,579
those years is that somebody eventually

810
00:38:01,480 --> 00:37:58,680
would be interested enough to like

811
00:38:03,950 --> 00:38:01,490
actually pursue investigating and that

812
00:38:06,910 --> 00:38:03,960
here's you know evidence that could at

813
00:38:09,740 --> 00:38:06,920

least be looked at in comparison to

814

00:38:13,520 --> 00:38:09,750

actual handwriting from these famous

815

00:38:18,829 --> 00:38:13,530

people and compared to other items that

816

00:38:22,670 --> 00:38:18,839

he's you know sold and so once you and I

817

00:38:25,670 --> 00:38:22,680

made contact I sent a jacket to an

818

00:38:29,089 --> 00:38:25,680

authentication house here in the United

819

00:38:30,530 --> 00:38:29,099

States that does a lot of you know

820

00:38:35,079 --> 00:38:30,540

authenticating with signatures and

821

00:38:40,329 --> 00:38:35,089

memorabilia well very well respected and

822

00:38:43,849 --> 00:38:40,339

paid to have it officially analyzed and

823

00:38:46,370 --> 00:38:43,859

it you know it came back that this is a

824

00:38:50,870 --> 00:38:46,380

complete forgery and they list off a

825

00:38:53,859 --> 00:38:50,880

number of reasons as to why so it now

826

00:38:56,390 --> 00:38:53,869

shows that Larry gave me the jacket

827

00:38:58,849 --> 00:38:56,400

Larry says it was signed by Stevie Ray

828

00:39:02,690 --> 00:38:58,859

Vaughan the forgers are the

829

00:39:05,660 --> 00:39:02,700

Authenticator say no it wasn't so that

830

00:39:07,460 --> 00:39:05,670

means he's lying he never had it signed

831

00:39:09,770 --> 00:39:07,470

by Stevie Ray Vaughn well that's not

832

00:39:12,920 --> 00:39:09,780

Stevie Ray Vaughn then who signed the

833

00:39:15,440 --> 00:39:12,930

jacket from that point you can look at

834

00:39:17,480 --> 00:39:15,450

the jacket you can look at the other

835

00:39:18,980 --> 00:39:17,490

items that he gave me that were signed

836

00:39:20,750 --> 00:39:18,990

you can look at the letter of

837

00:39:22,790 --> 00:39:20,760

authenticity he gave me from Rene

838

00:39:25,630 --> 00:39:22,800

Martinez you can look at Larry's own

839

00:39:28,790 --> 00:39:25,640

handwritten letter that he sent me and

840

00:39:30,770 --> 00:39:28,800

come to the conclusion that the

841

00:39:33,430 --> 00:39:30,780

handwriting all looks very very similar

842

00:39:35,990 --> 00:39:33,440

and you know then you can start

843

00:39:37,849 --> 00:39:36,000

comparing it to other documents that are

844

00:39:40,460 --> 00:39:37,859

known to have come from him from

845

00:39:44,809 --> 00:39:40,470

different auctions John Lydon

846

00:39:46,220 --> 00:39:44,819

John Lennon items for example or to one

847

00:39:50,150 --> 00:39:46,230

of his other favorites that he sells

848

00:39:51,530 --> 00:39:50,160

online but you know that's Jimi Hendrix

849

00:39:54,530 --> 00:39:51,540

I mean there's there's a number of

850

00:39:56,480 --> 00:39:54,540

different ones that he's that you found

851

00:39:58,920 --> 00:39:56,490

auction well at least yeah

852

00:40:01,290 --> 00:39:58,930

absolutely and I've tried to stop as

853

00:40:03,450 --> 00:40:01,300

many of the sales as I can but I also

854

00:40:06,600 --> 00:40:03,460

realized that while stopping that I was

855

00:40:08,580 --> 00:40:06,610

stopping criminal activity and so there

856

00:40:12,390 --> 00:40:08,590

would never be a conviction so I kind of

857

00:40:13,230 --> 00:40:12,400

backed off a little but the guitars that

858

00:40:16,710 --> 00:40:13,240

he's had

859

00:40:20,460 --> 00:40:16,720

it was obviously had a few because the

860

00:40:22,530 --> 00:40:20,470

one that I investigated was basically

861

00:40:28,170 --> 00:40:22,540

the guitar that he said that Steve I'll

862

00:40:31,530 --> 00:40:28,180

give him at that gig yep he said he was

863

00:40:34,340 --> 00:40:31,540

at where Joe Cocker opened but in fact

864

00:40:37,740 --> 00:40:34,350

Larry wasn't there because I was there

865

00:40:39,180 --> 00:40:37,750

yes I'm glad you brought that up so and

866

00:40:40,590 --> 00:40:39,190

I can even tell you what they thought

867

00:40:45,720 --> 00:40:40,600

was right off the top of my head it was

868

00:40:49,860 --> 00:40:45,730

July 3rd 1990 Stevie Ray Vaughan and Joe

869

00:40:53,670 --> 00:40:49,870

Cocker played at the shanna in Essex

870

00:40:59,580 --> 00:40:53,680

Junction Vermont Champlain Valley

871

00:41:05,010 --> 00:40:59,590

fairgrounds and my wife and I attended

872

00:41:06,660 --> 00:41:05,020

that show and it worked out that the

873

00:41:09,450 --> 00:41:06,670

tickets that we had which should have

874

00:41:11,640 --> 00:41:09,460

been way up in the grandstand they had

875

00:41:14,220 --> 00:41:11,650

pulled out our they had put a big

876

00:41:17,310 --> 00:41:14,230

spotlight follow spot where our seats

877

00:41:19,350 --> 00:41:17,320

were supposed to be so when I went to

878

00:41:21,870 --> 00:41:19,360

the Estrin said uh these seats don't

879

00:41:23,790 --> 00:41:21,880

exist the guy said well you can go sit

880

00:41:25,740 --> 00:41:23,800

wherever you want so we walked way down

881

00:41:29,250 --> 00:41:25,750

to the we went down front we went down

882

00:41:33,170 --> 00:41:29,260

to the front row and Joe Cocker was the

883

00:41:37,800 --> 00:41:33,180

opener Stevie Ray was a headliner and

884

00:41:43,200 --> 00:41:37,810

I'm sure that when I first met Larry I

885

00:41:46,980 --> 00:41:43,210

would have told him that then I had an

886

00:41:49,050 --> 00:41:46,990

end of that show and you can prove

887

00:41:53,760 --> 00:41:49,060

because you saw that was stuff yeah I

888

00:41:55,980 --> 00:41:53,770

still have the tickets those yes and and

889

00:42:00,090 --> 00:41:55,990

you know no like jumping to the guitar

890

00:42:01,920 --> 00:42:00,100

that you're talking about there's some

891

00:42:03,540 --> 00:42:01,930

kind of interesting connections as far

892

00:42:05,790 --> 00:42:03,550

as a goes to because another one of the

893

00:42:09,989 --> 00:42:05,800

things that I have that Larry gave me at

894

00:42:18,599 --> 00:42:14,519

a sunburst Fender Stratocaster it was

895

00:42:20,459 --> 00:42:18,609

hanging up in a Hard Rock Cafe and it

896

00:42:22,379 --> 00:42:20,469

was you know one that was there done by

897

00:42:26,519 --> 00:42:22,389

Stevie Ray Vaughan it's in the Hard Rock

898

00:42:30,269 --> 00:42:26,529

Cafe and there was a signature by Stevie

899

00:42:32,729 --> 00:42:30,279

across the top of the face of guitar and

900

00:42:40,679 --> 00:42:32,739

I still have this photograph because I'm

901
00:42:43,499 --> 00:42:40,689
a hoarder and I kept it and so so it's

902
00:42:47,279 --> 00:42:43,509
kind of and like I said I had said

903
00:42:50,099 --> 00:42:47,289
before when I first met Larry he started

904
00:42:53,149 --> 00:42:50,109
showing all these instruments and

905
00:42:54,529 --> 00:42:53,159
memorabilia items to people around

906
00:42:59,699 --> 00:42:54,539
Rutland

907
00:43:04,319 --> 00:42:59,709
one of them was on 1967 sunburst Fender

908
00:43:08,519 --> 00:43:04,329
Stratocaster that he said belonged to

909
00:43:10,559 --> 00:43:08,529
Jimi Hendrix and as I said there was

910
00:43:13,499 --> 00:43:10,569
definitely no serial number connection

911
00:43:16,409 --> 00:43:13,509
to anything that was you know documented

912
00:43:18,059 --> 00:43:16,419
to have been owned by Hendrix but he he

913
00:43:20,549 --> 00:43:18,069

would like to point out that somebody

914

00:43:22,319 --> 00:43:20,559

had put like there had been hole where

915

00:43:25,019 --> 00:43:22,329

there had been a strap button that would

916

00:43:27,179 --> 00:43:25,029

have been on the wrong side for a

917

00:43:29,309 --> 00:43:27,189

right-handed player to use so that you

918

00:43:35,099 --> 00:43:29,319

know he was like yeah that you know see

919

00:43:37,829 --> 00:43:35,109

Jimi using music you know and so when I

920

00:43:39,899 --> 00:43:37,839

saw that guitar there was no signature

921

00:43:42,119 --> 00:43:39,909

there was no mention that it had ever

922

00:43:44,639 --> 00:43:42,129

belonged to Stevie Ray Vaughan there was

923

00:43:48,059 --> 00:43:44,649

no mention that Stevie Ray gave this

924

00:43:51,439 --> 00:43:48,069

guitar to me at the you know the Stevie

925

00:43:57,569 --> 00:43:51,449

Show with Joe Cocker nothing it was a

926

00:44:02,579 --> 00:43:57,579

Jimi Hendrix guitar well later on and I

927

00:44:05,579 --> 00:44:02,589

didn't find this until later but there

928

00:44:07,159 --> 00:44:05,589

was somebody apparently this guitar went

929

00:44:09,929 --> 00:44:07,169

up for auction

930

00:44:12,059 --> 00:44:09,939

signed by Stevie Ray Vaughan right

931

00:44:14,759 --> 00:44:12,069

across the top of the face very similar

932

00:44:19,979 --> 00:44:14,769

to the photograph of the one in the Hard

933

00:44:21,749 --> 00:44:19,989

Rock Cafe and yeah you know the only

934

00:44:23,249 --> 00:44:21,759

difference in the two guitars was that

935

00:44:23,910 --> 00:44:23,259

the one in the Hard Rock had a maple

936

00:44:26,819 --> 00:44:23,920

neck

937

00:44:29,880 --> 00:44:26,829

maple fingerboard the one that Larry had

938

00:44:36,779 --> 00:44:29,890

had a rosewood but the autograph was in

939

00:44:40,079 --> 00:44:36,789

the same place and so an individual paid

940

00:44:42,720 --> 00:44:40,089

a large sum of money for that guitar

941

00:44:46,700 --> 00:44:42,730

back in the mid 90s so this was when

942

00:44:51,089 --> 00:44:46,710

Larry was still living in Vermont and

943

00:44:53,730 --> 00:44:51,099

that and one of the pieces that went

944

00:44:57,870 --> 00:44:53,740

with the guitar was a handwritten letter

945

00:45:00,089 --> 00:44:57,880

of authenticity which you can still find

946

00:45:02,579 --> 00:45:00,099

online because that guitar is still

947

00:45:03,809 --> 00:45:02,589

being attempted to be sold within the

948

00:45:05,880 --> 00:45:03,819

last couple years

949

00:45:09,299 --> 00:45:05,890

what was the Guernsey's I think was the

950

00:45:11,640 --> 00:45:09,309

auction house that sold it online they

951

00:45:14,609 --> 00:45:11,650

didn't manage to sell it all right it

952

00:45:18,120 --> 00:45:14,619

just keeps going back into interser into

953

00:45:21,420 --> 00:45:18,130

this it was bought by Stevie Ray

954

00:45:24,390 --> 00:45:21,430

Vaughan's biographer Barton in 1995 and

955

00:45:26,789 --> 00:45:24,400

he was refunded the running but they

956

00:45:29,999 --> 00:45:26,799

auction houses always give the I service

957

00:45:33,390 --> 00:45:30,009

back to people and so they just keep

958

00:45:36,599 --> 00:45:33,400

popping up every now and again you know

959

00:45:39,509 --> 00:45:36,609

options and I've seen it a few years ago

960

00:45:41,940 --> 00:45:39,519

up for 80 you saw another one what was

961

00:45:44,579 --> 00:45:41,950

it 400 I also get this yes so we're not

962

00:45:47,279 --> 00:45:44,589

talking we're not talking you know petty

963

00:45:49,589 --> 00:45:47,289

crime here this is like you know this is

964

00:45:53,789 --> 00:45:49,599

definitely great grand theft you know

965

00:45:56,309 --> 00:45:53,799

and um so so the point there I was going

966

00:45:59,279 --> 00:45:56,319

with was that one of the things that

967

00:46:01,559 --> 00:45:59,289

this auction house posted was this

968

00:46:04,859 --> 00:46:01,569

letter of authenticity alleged to have

969

00:46:09,890 --> 00:46:04,869

been handwritten by Stevie Ray Vaughn

970

00:46:14,249 --> 00:46:09,900

himself and which he again talks about I

971

00:46:18,349 --> 00:46:14,259

gave this horse Larry Warren at the July

972

00:46:22,410 --> 00:46:18,359

3rd show 1990 in Essex Junction Vermont

973

00:46:24,870 --> 00:46:22,420

but then there are so many things in the

974

00:46:28,380 --> 00:46:24,880

letter that are like incorrect

975

00:46:33,240 --> 00:46:28,390

for example there's mention of I used

976

00:46:35,069 --> 00:46:33,250

this guitar at Larry's request for the

977

00:46:37,930 --> 00:46:35,079

Encore for a couple of students in the

978

00:46:43,480 --> 00:46:37,940

Encore and Joe Cocker

979

00:46:45,970 --> 00:46:43,490

saying one of them never happened Joe

980

00:46:51,370 --> 00:46:45,980

Cocker didn't sing one note with Stevie

981

00:46:53,790 --> 00:46:51,380

Ray Vaughan's band not one so like why

982

00:46:57,819 --> 00:46:53,800

would Stevie Ray write something that

983

00:47:00,609 --> 00:46:57,829

completely didn't happen and not only

984

00:47:04,000 --> 00:47:00,619

that that's not the guitar that he used

985

00:47:06,339 --> 00:47:04,010

in the on come on core in fact the guy

986

00:47:08,020 --> 00:47:06,349

that was the original purchaser who got

987

00:47:11,740 --> 00:47:08,030

his money refunded one point had written

988

00:47:15,609 --> 00:47:11,750

a very lengthy detailed letter of the

989

00:47:19,630 --> 00:47:15,619

entire country to PI's right and one of

990

00:47:21,579 --> 00:47:19,640

the things that he stated was he was

991

00:47:22,930 --> 00:47:21,589

told numerous times that Larry was going

992

00:47:24,970 --> 00:47:22,940

to provide him with photographic

993

00:47:27,490 --> 00:47:24,980

evidence of Stevie Ray Vaughn player

994

00:47:29,680 --> 00:47:27,500

never came up with photographs and

995

00:47:33,579 --> 00:47:29,690

eventually admitted there are no

996

00:47:36,359 --> 00:47:33,589

photographs of him playing it all right

997

00:47:39,640 --> 00:47:36,369

he also further confirmed with the

998

00:47:42,849 --> 00:47:39,650

actual Rene Martinez that there was no

999

00:47:47,170 --> 00:47:42,859

evidence that Stevie Ray had ever owned

1000

00:47:49,150 --> 00:47:47,180

or played that guitar and as his guitar

1001
00:47:55,359 --> 00:47:49,160
tech he would have been familiar with

1002
00:47:58,150 --> 00:47:55,369
all of Stevie's instruments so you know

1003
00:48:02,520 --> 00:47:58,160
another inconsistency in the letter was

1004
00:48:05,440 --> 00:48:02,530
that Stevie Ray didn't seem to know

1005
00:48:07,780 --> 00:48:05,450
where the serial number would be on a

1006
00:48:11,170 --> 00:48:07,790
Stratocaster which is you know a guy at

1007
00:48:14,170 --> 00:48:11,180
his level of skill and clearly a

1008
00:48:16,470 --> 00:48:14,180
Stratocaster aficionado would definitely

1009
00:48:19,780 --> 00:48:16,480
know where to find serial number on a

1010
00:48:23,550 --> 00:48:19,790
1967 Stratocaster he would also know

1011
00:48:28,150 --> 00:48:23,560
that sunburst is not two words it's one

1012
00:48:30,670 --> 00:48:28,160
you know just things like that and that

1013
00:48:32,530 --> 00:48:30,680

guy's a letter of authenticity was

1014

00:48:34,780 --> 00:48:32,540

written Oh it said that if somebody

1015

00:48:36,670 --> 00:48:34,790

called Paul Ray gave it to Jimi Hendrix

1016

00:48:41,109 --> 00:48:36,680

and Jimi Hendrix gave it to Stevie Ray

1017

00:48:43,809 --> 00:48:41,119

Vaughan so it's the most amazing saw he

1018

00:48:46,300 --> 00:48:43,819

got it was Jimmy's then Paul Ray who

1019

00:48:48,760 --> 00:48:46,310

played in the Cobras which was you know

1020

00:48:51,880 --> 00:48:48,770

which was a bad TV had been connected to

1021

00:48:54,130 --> 00:48:51,890

way back before he was famous

1022

00:48:58,589 --> 00:48:54,140

and then yet many alleged that he got it

1023

00:49:01,870 --> 00:48:58,599

from Paul Ray who again in the original

1024

00:49:05,829 --> 00:49:01,880

purchasers detailed letter of the

1025

00:49:08,710 --> 00:49:05,839

transaction said he contacted ray and

1026

00:49:10,509 --> 00:49:08,720

Paul ray said never seen that guitar

1027

00:49:13,289 --> 00:49:10,519

before never owned it don't know

1028

00:49:15,729 --> 00:49:13,299

anything about it not mine

1029

00:49:18,519 --> 00:49:15,739

and we've got a photograph of him with

1030

00:49:21,849 --> 00:49:18,529

it in the jacket right so we know the

1031

00:49:23,829 --> 00:49:21,859

guitar is completely totally ridiculous

1032

00:49:26,279 --> 00:49:23,839

because it's had about five different

1033

00:49:30,489 --> 00:49:26,289

five different letters of authentication

1034

00:49:33,789 --> 00:49:30,499

I can't remember evil is running out a

1035

00:49:35,710 --> 00:49:33,799

name isn't the latest a lot of

1036

00:49:38,529 --> 00:49:35,720

authenticity is supposed to be written

1037

00:49:40,900 --> 00:49:38,539

that letter was my play the one that

1038

00:49:44,739 --> 00:49:40,910

came with the guitar was Stevie Ray

1039

00:49:46,989 --> 00:49:44,749

Vaughn no that was the first one no it's

1040

00:49:49,690 --> 00:49:46,999

not several letters altercation with it

1041

00:49:51,160 --> 00:49:49,700

is that one doing well I've only seen

1042

00:49:53,259 --> 00:49:51,170

that one as far as that particular

1043

00:49:54,729 --> 00:49:53,269

guitar there was another carp guitar

1044

00:49:59,140 --> 00:49:54,739

just recently they went up for auction

1045

00:50:01,870 --> 00:49:59,150

and that one has a Rene Marsh yeah yeah

1046

00:50:03,729 --> 00:50:01,880

but I might be getting muddled up there

1047

00:50:05,499 --> 00:50:03,739

is he's definitely given as several

1048

00:50:07,509 --> 00:50:05,509

different stories well me about the

1049

00:50:10,660 --> 00:50:07,519

guitar the other thing is is that you

1050

00:50:12,460 --> 00:50:10,670

know he's disputed that well yeah that

1051
00:50:15,789 --> 00:50:12,470
guitar was stolen from me and whatever

1052
00:50:17,559 --> 00:50:15,799
and here's the thing you know again you

1053
00:50:23,349 --> 00:50:17,569
look at the letter of authenticity

1054
00:50:25,180 --> 00:50:23,359
robust 1967 Stratocaster and that

1055
00:50:28,479 --> 00:50:25,190
allegedly and Stevie Ray Vaughan's

1056
00:50:30,579 --> 00:50:28,489
handwriting and you look at that you

1057
00:50:34,059 --> 00:50:30,589
look at the handwritten letter from

1058
00:50:36,880 --> 00:50:34,069
Larry that he wrote me I mean you do not

1059
00:50:40,529 --> 00:50:36,890
have to be an FBI handwriting analyst to

1060
00:50:43,150 --> 00:50:40,539
like look at it go thank God he also

1061
00:50:44,049 --> 00:50:43,160
misspells the same words that Larry

1062
00:50:49,839 --> 00:50:44,059
misspells

1063
00:50:53,529 --> 00:50:49,849

oh yes Charlie Lennon Rene Martinez and

1064

00:50:56,229 --> 00:50:53,539

Larry Warren I'll spell the word jeering

1065

00:50:59,559 --> 00:50:56,239

with a double are and how many Stevie

1066

00:51:02,470 --> 00:50:59,569

Ryan pieces of evidence is it for ya

1067

00:51:05,349 --> 00:51:02,480

there's four cuz it was him

1068

00:51:07,870 --> 00:51:05,359

Rene Martinez Charlie Lennon

1069

00:51:10,209 --> 00:51:07,880

and this alleged letter by Stevie Ray

1070

00:51:16,509 --> 00:51:10,219

Vaughn all four of them spelled during

1071

00:51:22,920 --> 00:51:16,519

do you are are ing like I don't think so

1072

00:51:25,749 --> 00:51:22,930

oh my goodness

1073

00:51:29,769 --> 00:51:25,759

also the Grateful Dead guitar he

1074

00:51:35,229 --> 00:51:29,779

actually has a few paintings he's

1075

00:51:37,839 --> 00:51:35,239

generated himself that he sold as he's

1076
00:51:43,930 --> 00:51:37,849
attempted to sell and managed to sell

1077
00:51:46,420 --> 00:51:43,940
one for eight thousand pounds the guitar

1078
00:51:50,009 --> 00:51:46,430
that we were just talking about now

1079
00:51:55,359 --> 00:51:50,019
there's just the one option in France

1080
00:51:57,069 --> 00:51:55,369
now Jim Jimmy gave Stevie a guitar

1081
00:51:59,410 --> 00:51:57,079
because Stevie kept stealing it

1082
00:52:02,289 --> 00:51:59,420
borrowing his stuff and Jimi was getting

1083
00:52:03,999 --> 00:52:02,299
pissed off with this and said you know

1084
00:52:05,440 --> 00:52:04,009
leave my stuff alone and one of his

1085
00:52:07,690 --> 00:52:05,450
friends said why don't you just give him

1086
00:52:09,339 --> 00:52:07,700
that sprightly little guitar and then

1087
00:52:12,160 --> 00:52:09,349
he'll leave your stuff alone so it goes

1088
00:52:13,660 --> 00:52:12,170

okay it gives Stevie this he's gotten me

1089

00:52:16,180 --> 00:52:13,670

scratched into the headstock and it's

1090

00:52:22,479 --> 00:52:16,190

got Stevie scratch oh I don't think I've

1091

00:52:24,339 --> 00:52:22,489

seen this one okay so this one is three

1092

00:52:26,739 --> 00:52:24,349

hundred and twenty five thousand and the

1093

00:52:28,660 --> 00:52:26,749

story answered that's more like Oreos it

1094

00:52:30,729 --> 00:52:28,670

Stevie and I'm sorry the story is that

1095

00:52:34,359 --> 00:52:30,739

Stevie Ray got the guitar from Jimi

1096

00:52:36,880 --> 00:52:34,369

Hendrix Jimi Jimi was brother Jimmy

1097

00:52:41,620 --> 00:52:36,890

sorry Jimmy Vaughan yeah well it was

1098

00:52:43,959 --> 00:52:41,630

whose middle name is Lawrence I thought

1099

00:52:45,189 --> 00:52:43,969

Jimmy Ray Vaughan I was like don't I got

1100

00:52:47,739 --> 00:52:45,199

a minute that's not right I thought

1101

00:52:51,789 --> 00:52:47,749

Jimmy Lee no it was even Louis but

1102

00:52:54,009 --> 00:52:51,799

anyway so this guitar the first one it's

1103

00:52:55,900 --> 00:52:54,019

a battered old looking it's a probably a

1104

00:52:57,400 --> 00:52:55,910

striper and play I was reading about the

1105

00:53:00,930 --> 00:52:57,410

other day and I think it's written about

1106

00:53:04,479 --> 00:53:00,940

by Craig Hopkins who is actually the

1107

00:53:08,549 --> 00:53:04,489

biographer and he's you know he knows

1108

00:53:12,370 --> 00:53:08,559

Jimmy and Jimmy is the custodian of all

1109

00:53:14,799 --> 00:53:12,380

Stevie's guitars so they're not all for

1110

00:53:16,959 --> 00:53:14,809

now in circulation that family don't

1111

00:53:18,609 --> 00:53:16,969

need any money they're not like you know

1112

00:53:19,240 --> 00:53:18,619

selling stuff because it needs to keep a

1113

00:53:22,390 --> 00:53:19,250

roof over the

1114

00:53:24,849 --> 00:53:22,400

blahblahblah sentiments are items and

1115

00:53:26,440 --> 00:53:24,859

the guitar and the price on that is

1116

00:53:29,230 --> 00:53:26,450

three hundred and twenty five thousand

1117

00:53:32,349 --> 00:53:29,240

which is expected see so we've got this

1118

00:53:34,270 --> 00:53:32,359

other guitar this what is it as strike I

1119

00:53:37,839 --> 00:53:34,280

don't know what is the person be it's a

1120

00:53:41,710 --> 00:53:37,849

great one but I've seen it in his flat

1121

00:53:43,780 --> 00:53:41,720

I saw it only guitar stand next to all

1122

00:53:46,150 --> 00:53:43,790

of the paintings that he's done that are

1123

00:53:47,410 --> 00:53:46,160

all of God hot king's work so he's

1124

00:53:49,540 --> 00:53:47,420

running he's showing us all these

1125

00:53:51,490 --> 00:53:49,550

paintings me and my partner one day I'm

1126
00:53:52,720 --> 00:53:51,500
around it is [h__\h] I'm like wow I love

1127
00:53:54,460 --> 00:53:52,730
this wow that's amazing

1128
00:53:56,740 --> 00:53:54,470
he's right orange one word are these

1129
00:53:58,870 --> 00:53:56,750
like geometric patterns I find out later

1130
00:54:01,420 --> 00:53:58,880
it's an exact copy of God Hopkins

1131
00:54:03,790 --> 00:54:01,430
artwork and his wife's his ex-wife Sue

1132
00:54:05,770 --> 00:54:03,800
it's got all of these paintings all over

1133
00:54:06,910 --> 00:54:05,780
her house anybody who goes in that Apple

1134
00:54:09,849 --> 00:54:06,920
to take a look around and see all these

1135
00:54:11,770 --> 00:54:09,859
forgeries right I know that the bath is

1136
00:54:13,420 --> 00:54:11,780
in his house cuz I've seen it and it has

1137
00:54:15,670 --> 00:54:13,430
got a Stevie Ray Vaughan signature on it

1138
00:54:20,920 --> 00:54:15,680

that he's all his Stevie Ray Vaughan

1139

00:54:22,390 --> 00:54:20,930

signature I know he had nothing on it

1140

00:54:23,770 --> 00:54:22,400

was just stood there and he never said

1141

00:54:24,730 --> 00:54:23,780

oh look Stevie Ray Vaughan's guitar

1142

00:54:26,680 --> 00:54:24,740

because I hold I've melted

1143

00:54:28,180 --> 00:54:26,690

she'd have said it's like he says that

1144

00:54:30,609 --> 00:54:28,190

nobody knows who Stevie Ray Vaughan is

1145

00:54:32,829 --> 00:54:30,619

he says he got Stevie Ray into the Rock

1146

00:54:35,140 --> 00:54:32,839

and Roll Hall of Fame he said that he

1147

00:54:37,329 --> 00:54:35,150

put Stevie Ray Vaughan in his book to

1148

00:54:38,849 --> 00:54:37,339

put him on Larry's train to make him

1149

00:54:43,540 --> 00:54:38,859

famous

1150

00:54:45,940 --> 00:54:43,550

right and I said actually I remember

1151
00:54:48,760 --> 00:54:45,950
being at a Blues Festival the day that

1152
00:54:50,980 --> 00:54:48,770
Stevie died Annie and the word came back

1153
00:54:53,079 --> 00:54:50,990
we were all in the car park I'll stop

1154
00:54:55,630 --> 00:54:53,089
there because we'd all been with a band

1155
00:54:58,630 --> 00:54:55,640
who would play seen Stevie story Hendrix

1156
00:55:02,140 --> 00:54:58,640
rest of it and my partner was as sound

1157
00:55:04,420 --> 00:55:02,150
guy and it was a little shocked we were

1158
00:55:06,640 --> 00:55:04,430
all reeling from it because we all love

1159
00:55:09,760 --> 00:55:06,650
Stevie Ray Vaughan's hell is he talking

1160
00:55:11,650 --> 00:55:09,770
about nobody knows anyways right right

1161
00:55:14,010 --> 00:55:11,660
well I mean that's that's the thing is

1162
00:55:18,130 --> 00:55:14,020
that the folks that seemed to be

1163
00:55:22,660 --> 00:55:18,140

defending him and believed him are not

1164

00:55:25,000 --> 00:55:22,670

willing to objectively look at you know

1165

00:55:27,579 --> 00:55:25,010

finding any evidence to back up his

1166

00:55:31,599 --> 00:55:27,589

claims you know a good example of that

1167

00:55:34,120 --> 00:55:31,609

is you know I saw the interview with him

1168

00:55:37,740 --> 00:55:34,130

where he talks about

1169

00:55:41,589 --> 00:55:37,750

oh yeah I met Dennis Wilson when they

1170

00:55:44,680 --> 00:55:41,599

played in my hometown in upstate New

1171

00:55:46,359 --> 00:55:44,690

York now I did a little homework and I

1172

00:55:49,000 --> 00:55:46,369

know where Larry's from he's from

1173

00:55:52,270 --> 00:55:49,010

Queensbury which is right up against

1174

00:55:53,920 --> 00:55:52,280

Glens Falls New York and there's a Civic

1175

00:55:57,339 --> 00:55:53,930

Center once whole Civic Center in it

1176

00:56:00,910 --> 00:55:57,349

opened I want to UM believe I have this

1177

00:56:03,000 --> 00:56:00,920

correctly in like 1978 and my first band

1178

00:56:05,410 --> 00:56:03,010

that played there was the Beach Boys the

1179

00:56:07,420 --> 00:56:05,420

Larry tells these stories he never

1180

00:56:09,130 --> 00:56:07,430

specifically says going salsa and

1181

00:56:11,230 --> 00:56:09,140

everybody says you know this venue in my

1182

00:56:13,329 --> 00:56:11,240

hometown well that would have been the

1183

00:56:15,460 --> 00:56:13,339

only venue in Glens Falls was one Faust

1184

00:56:19,870 --> 00:56:15,470

Glens Falls without all that big either

1185

00:56:23,970 --> 00:56:19,880

and so he talks about like oh yeah my

1186

00:56:27,280 --> 00:56:23,980

buddy and I snuck in backstage because

1187

00:56:31,390 --> 00:56:27,290

the Beach Boys used the venue to

1188

00:56:35,020 --> 00:56:31,400

rehearse for like a week be prior to the

1189

00:56:37,240 --> 00:56:35,030

to the show and he claims that he got

1190

00:56:39,370 --> 00:56:37,250

hired by Dennis Wilson to be his

1191

00:56:42,430 --> 00:56:39,380

personal assistant in and this and that

1192

00:56:46,510 --> 00:56:42,440

and then he says how Dennis Wilson was

1193

00:56:48,760 --> 00:56:46,520

this tall guy six foot four well I mean

1194

00:56:50,680 --> 00:56:48,770

it takes half a second to do a Google

1195

00:56:55,290 --> 00:56:50,690

search for the heights of Dennis Wilson

1196

00:56:59,710 --> 00:56:55,300

and it was something like five nine yeah

1197

00:57:03,790 --> 00:56:59,720

something like that and so there was

1198

00:57:05,320 --> 00:57:03,800

another interview with Larry where they

1199

00:57:07,240 --> 00:57:05,330

asked him to said hey you know people

1200

00:57:10,450 --> 00:57:07,250

are saying you know Dennis Wilson was

1201
00:57:13,810 --> 00:57:10,460
not 64 and his response is well they

1202
00:57:16,930 --> 00:57:13,820
didn't know him and that's accepted as

1203
00:57:18,820 --> 00:57:16,940
an answer okay on to the next question

1204
00:57:22,210 --> 00:57:18,830
well that's not an answer because you

1205
00:57:24,460 --> 00:57:22,220
can't explain why if you if you do a

1206
00:57:27,670 --> 00:57:24,470
search for the guy it says he's five

1207
00:57:29,500 --> 00:57:27,680
nine why if he was six four and every

1208
00:57:31,720 --> 00:57:29,510
photograph of the Beach Boys he would

1209
00:57:36,339 --> 00:57:31,730
have been towering over everybody else

1210
00:57:39,240 --> 00:57:36,349
and he's not you know so he there's the

1211
00:57:41,740 --> 00:57:39,250
problem is that people are willing to I

1212
00:57:43,990 --> 00:57:41,750
don't need any actual evidence or proof

1213
00:57:45,460 --> 00:57:44,000

that the guy's telling the truth he said

1214

00:57:46,690 --> 00:57:45,470

he knew the guy that's good enough for

1215

00:57:48,460 --> 00:57:46,700

me well

1216

00:57:52,960 --> 00:57:48,470

good enough for me it didn't be good

1217

00:57:56,800 --> 00:57:52,970

enough for you I mean no same thing like

1218

00:57:59,370 --> 00:57:56,810

the Americans we really find it

1219

00:58:03,370 --> 00:57:59,380

distasteful when people lie about 9/11

1220

00:58:07,900 --> 00:58:03,380

you know so when I saw the video footage

1221

00:58:11,290 --> 00:58:07,910

of him saying oh yeah after you know

1222

00:58:13,990 --> 00:58:11,300

9/11 I hopped a plane and flew right

1223

00:58:16,600 --> 00:58:14,000

there and used my vast experience in the

1224

00:58:19,900 --> 00:58:16,610

steel industry to pull bodies from the

1225

00:58:23,980 --> 00:58:19,910

wreckage and it's like that is like in

1226

00:58:26,290 --> 00:58:23,990

America that is sacrilege man you that's

1227

00:58:28,540 --> 00:58:26,300

like that's right up there with

1228

00:58:31,450 --> 00:58:28,550

pretending you have cancer to get money

1229

00:58:34,150 --> 00:58:31,460

to get money from people I think you hit

1230

00:58:38,350 --> 00:58:34,160

on me and it's like you just don't lie

1231

00:58:40,930 --> 00:58:38,360

about 9/11 well then he actually did

1232

00:58:42,670 --> 00:58:40,940

another video because he says no you

1233

00:58:45,520 --> 00:58:42,680

didn't you were here and you were in a

1234

00:58:48,070 --> 00:58:45,530

conference and he was like what these

1235

00:58:50,350 --> 00:58:48,080

people do where yeah yeah he said I was

1236

00:58:54,790 --> 00:58:50,360

with my brother-in-law when we found

1237

00:58:58,540 --> 00:58:54,800

ninth that we recovered recovered nine

1238

00:59:00,220 --> 00:58:58,550

firefighters caught in a pocket right he

1239

00:59:04,690 --> 00:59:00,230

recovered the bodies of nine

1240

00:59:07,420 --> 00:59:04,700

firefighters oh no you know I mean you

1241

00:59:11,440 --> 00:59:07,430

know and again you know where is anybody

1242

00:59:13,810 --> 00:59:11,450

asking for can you prove it yeah and all

1243

00:59:15,310 --> 00:59:13,820

of me first of all just but no and he

1244

00:59:17,050 --> 00:59:15,320

says he's got [h__\h] offs he says he's

1245

00:59:18,190 --> 00:59:17,060

done it all but he's not gonna prove it

1246

00:59:20,080 --> 00:59:18,200

and he can all get lost

1247

00:59:21,730 --> 00:59:20,090

well we don't deserve to know we're not

1248

00:59:24,130 --> 00:59:21,740

especially now here's the thing about

1249

00:59:27,280 --> 00:59:24,140

that as soon as 9/11 happened because

1250

00:59:30,130 --> 00:59:27,290

there were planes and fault they didn't

1251

00:59:36,190 --> 00:59:30,140

let any planes fly in the United States

1252

00:59:39,970 --> 00:59:36,200

at all for a period of time you know so

1253

00:59:43,150 --> 00:59:39,980

if he hopped a plane from London to New

1254

00:59:44,980 --> 00:59:43,160

York how about showing us that plane

1255

00:59:48,640 --> 00:59:44,990

ticket of the what you know the miracle

1256

00:59:52,360 --> 00:59:48,650

plane that was allowed to fly you know

1257

00:59:54,730 --> 00:59:52,370

that it just didn't happen and so when

1258

00:59:56,830 --> 00:59:54,740

was it in this vast career of his that

1259

01:00:00,690 --> 00:59:56,840

all of a sudden he was an expert in the

1260

01:00:04,740 --> 01:00:02,970

for 28 years I think he says he says

1261

01:00:08,310 --> 01:00:04,750

this in another video and that he was in

1262

01:00:09,960 --> 01:00:08,320

the Hells Angels for 28 years and no and

1263

01:00:11,850 --> 01:00:09,970

then and then when we asked him about

1264

01:00:13,590 --> 01:00:11,860

this steel industry thing he said I

1265

01:00:16,200 --> 01:00:13,600

didn't say that he said something about

1266

01:00:19,740 --> 01:00:16,210

what when he was at school he did some

1267

01:00:22,050 --> 01:00:19,750

like little mini cars or whatever

1268

01:00:24,990 --> 01:00:22,060

Carrie's exact words but basically

1269

01:00:27,360 --> 01:00:25,000

another totally different story to what

1270

01:00:28,890 --> 01:00:27,370

he was saying when he was when he and

1271

01:00:31,740 --> 01:00:28,900

you know that he actually get crushed

1272

01:00:33,690 --> 01:00:31,750

that he wasn't invited to speak he heard

1273

01:00:37,440 --> 01:00:33,700

that they were talking on 911 and

1274

01:00:39,300 --> 01:00:37,450

marched in shouting his mouth off as he

1275

01:00:45,210 --> 01:00:39,310

walked down to the front light and just

1276

01:00:48,930 --> 01:00:45,220

took over you know yeah I mean it to me

1277

01:00:53,700 --> 01:00:48,940

it's just important that you know he

1278

01:00:56,820 --> 01:00:53,710

would try to you know somehow you know

1279

01:00:58,470 --> 01:00:56,830

take advantage of that event United

1280

01:01:01,410 --> 01:00:58,480

States that's just not done he what's

1281

01:01:05,670 --> 01:01:01,420

people to think of him as an open hero

1282

01:01:07,500 --> 01:01:05,680

and you know the air boss ex vet he was

1283

01:01:10,740 --> 01:01:07,510

in the Air Force from the very first

1284

01:01:13,320 --> 01:01:10,750

days training service for 134 days for

1285

01:01:16,140 --> 01:01:13,330

God's sake that is not a career in the

1286

01:01:16,680 --> 01:01:16,150

film that build him as retired yeah I'm

1287

01:01:23,250 --> 01:01:16,690

tired

1288

01:01:26,030 --> 01:01:23,260

thing that um I when I you know trying

1289

01:01:28,470 --> 01:01:26,040

to figure out what his story is

1290

01:01:30,240 --> 01:01:28,480

and and again and you know all you got

1291

01:01:34,530 --> 01:01:30,250

to do is look at the stuff that you can

1292

01:01:36,720 --> 01:01:34,540

verify was true that there's no doubt he

1293

01:01:38,870 --> 01:01:36,730

did go in the service and when he went

1294

01:01:43,970 --> 01:01:38,880

in the service and that would have been

1295

01:01:47,250 --> 01:01:43,980

1980 he's 18 years old

1296

01:01:50,640 --> 01:01:47,260

and the fact that he didn't last a year

1297

01:01:54,180 --> 01:01:50,650

I mean I can tell you again as someone

1298

01:01:55,620 --> 01:01:54,190

who grew up in the United States they

1299

01:02:00,080 --> 01:01:55,630

don't kick you out of service for

1300

01:02:02,190 --> 01:02:00,090

nothing you know and they don't want no

1301

01:02:04,290 --> 01:02:02,200

cafeteria is what you signed up done

1302

01:02:09,090 --> 01:02:04,300

there yeah now's the bait you have to be

1303

01:02:11,660 --> 01:02:09,100

either snapped I mean oh no our services

1304

01:02:13,430 --> 01:02:11,670

is voluntary

1305

01:02:15,980 --> 01:02:13,440

so they're always trying to recruit

1306

01:02:18,349 --> 01:02:15,990

people so once they got you signed on

1307

01:02:21,440 --> 01:02:18,359

the dotted line they're not going to

1308

01:02:22,180 --> 01:02:21,450

boot you out unless they absolutely have

1309

01:02:26,270 --> 01:02:22,190

to

1310

01:02:28,280 --> 01:02:26,280

so if he was such an amazing officer and

1311

01:02:30,859 --> 01:02:28,290

it was an officer he was you know just

1312

01:02:33,799 --> 01:02:30,869

an enlisted guy security specialist

1313

01:02:37,240 --> 01:02:33,809

right he wouldn't have been booted out

1314

01:02:39,680 --> 01:02:37,250

for nothing he had to have been either

1315

01:02:43,599 --> 01:02:39,690

you know there must have been he or did

1316

01:02:46,760 --> 01:02:43,609

something really wrong that you know or

1317

01:02:51,490 --> 01:02:46,770

they found him to be have some kind of

1318

01:02:55,370 --> 01:02:51,500

mental defect or physical defect a

1319

01:02:58,069 --> 01:02:55,380

constant but behavior drugs is one thing

1320

01:03:00,410 --> 01:02:58,079

they'll get you take well it it might I

1321

01:03:03,530 --> 01:03:00,420

mean but you would you would most likely

1322

01:03:05,870 --> 01:03:03,540

be punished I would think there would be

1323

01:03:08,410 --> 01:03:05,880

some kind of indication that he was I

1324

01:03:11,000 --> 01:03:08,420

mean the service does have their own

1325

01:03:13,730 --> 01:03:11,010

they have their own court they have

1326

01:03:16,760 --> 01:03:13,740

their own you know the stockade or

1327

01:03:18,289 --> 01:03:16,770

whatever I mean if if you did something

1328

01:03:20,660 --> 01:03:18,299

like that in the service you would be

1329

01:03:25,430 --> 01:03:20,670

punished in the service you wouldn't

1330

01:03:26,960 --> 01:03:25,440

necessarily be kicked out you know you

1331

01:03:30,319 --> 01:03:26,970

know but the most like I say the most

1332

01:03:32,569 --> 01:03:30,329

common reason that they they boot you

1333

01:03:34,940 --> 01:03:32,579

out of the service is that you've got

1334

01:03:38,829 --> 01:03:34,950

some kind of physical problem or a

1335

01:03:41,089 --> 01:03:38,839

sickness or something like that you know

1336

01:03:43,400 --> 01:03:41,099

it's a complaining they had a problem

1337

01:03:46,430 --> 01:03:43,410

with his wrist and he went to see an

1338

01:03:49,730 --> 01:03:46,440

orthopedic dropped her on Lakenheath dr.

1339

01:03:51,920 --> 01:03:49,740

Eccles and he has this piece of evidence

1340

01:03:54,530 --> 01:03:51,930

that he says he's evidence anyway and

1341

01:03:56,450 --> 01:03:54,540

it's a medical sheet which the original

1342

01:03:58,039 --> 01:03:56,460

has actually been tipped whatever it

1343

01:04:00,470 --> 01:03:58,049

said before has been tipped over and

1344

01:04:04,039 --> 01:04:00,480

it's a ret burn and he's hope that we

1345

01:04:06,589 --> 01:04:04,049

would mistake you know a bone doctor for

1346

01:04:15,280 --> 01:04:06,599

an eye doctor so you've got orthopedics

1347

01:04:20,930 --> 01:04:18,740

basically he's he was whining about a

1348

01:04:23,750 --> 01:04:20,940

problem with his wrist to one of the

1349

01:04:27,109 --> 01:04:23,760

other servicemen that remembers this and

1350

01:04:29,470 --> 01:04:27,119

so that would be the to my mind

1351

01:04:31,580 --> 01:04:29,480

how would that disability come about

1352

01:04:34,760 --> 01:04:31,590

well I'm only trying to find a weapon

1353

01:04:35,270 --> 01:04:34,770

and Korean right I can't do it it's my

1354

01:04:39,470 --> 01:04:35,280

wrist

1355

01:04:42,050 --> 01:04:39,480

nah I'm rubbish I'll practice I mean you

1356

01:04:44,240 --> 01:04:42,060

know I mean I I know certain you know

1357

01:04:47,030 --> 01:04:44,250

like I know I know someone that enlisted

1358

01:04:49,580 --> 01:04:47,040

and got booted out because they messed

1359

01:04:52,099 --> 01:04:49,590

you know they injured their knee badly

1360

01:04:54,440 --> 01:04:52,109

enough that you know they were like yeah

1361

01:04:56,090 --> 01:04:54,450

this you know we don't want you anymore

1362

01:04:57,920 --> 01:04:56,100

because you're here you know if we had

1363

01:05:01,840 --> 01:04:57,930

to put you out in combat your you know

1364

01:05:04,310 --> 01:05:01,850

your knees is like ruined you know when

1365

01:05:07,010 --> 01:05:04,320

you know when Vietnam was happening I

1366

01:05:09,410 --> 01:05:07,020

have older brothers that were old enough

1367

01:05:13,700 --> 01:05:09,420

to have been drafted and I have one

1368

01:05:15,680 --> 01:05:13,710

brother that you know is epileptic you

1369

01:05:16,700 --> 01:05:15,690

know would have grand mal seizures they

1370

01:05:18,590 --> 01:05:16,710

wouldn't have touched him with a

1371

01:05:21,020 --> 01:05:18,600

ten-foot pole because they don't want to

1372

01:05:23,060 --> 01:05:21,030

put somebody out in the field in combat

1373

01:05:24,620 --> 01:05:23,070

that they can't guarantee they're going

1374

01:05:26,060 --> 01:05:24,630

to get your medication to you and then

1375

01:05:28,520 --> 01:05:26,070

you're going to be having seizures in

1376

01:05:29,990 --> 01:05:28,530

the middle of a you know a firefight or

1377

01:05:31,280 --> 01:05:30,000

something you know what I mean they

1378

01:05:33,040 --> 01:05:31,290

don't want people flat feet they don't

1379

01:05:35,480 --> 01:05:33,050

want people with bad backs you know and

1380

01:05:39,680 --> 01:05:35,490

they don't want people would have some

1381

01:05:42,710 --> 01:05:39,690

kind of mental health issue well there

1382

01:05:45,020 --> 01:05:42,720

was a gentleman who was a military

1383

01:05:47,830 --> 01:05:45,030

career man who was in the forties for 30

1384

01:05:50,450 --> 01:05:47,840

odd years and he said that is in this is

1385

01:05:53,420 --> 01:05:50,460

discharge code was due to too far which

1386

01:05:56,599 --> 01:05:53,430

is an unsuitable and usually means glide

1387

01:06:00,140 --> 01:05:56,609

on the enlistment papers so he didn't do

1388

01:06:02,960 --> 01:06:00,150

well at school so maybe he's lied about

1389

01:06:06,920 --> 01:06:02,970

what qualifications he expected to

1390

01:06:09,980 --> 01:06:06,930

receive etc but undesirable or

1391

01:06:15,109 --> 01:06:09,990

unsuitable right is the discharge code

1392

01:06:17,960 --> 01:06:15,119

right he says it doesn't exist and most

1393

01:06:19,849 --> 01:06:17,970

people didn't check right right I mean

1394

01:06:24,349 --> 01:06:19,859

you know but there's going you know back

1395

01:06:27,500 --> 01:06:24,359

to you know Larry's past I mean so much

1396

01:06:30,530 --> 01:06:27,510

of it is just vague and there's you know

1397

01:06:33,200 --> 01:06:30,540

there doesn't seem to be he doesn't

1398

01:06:36,560 --> 01:06:33,210

provide an a scintilla of actual

1399

01:06:37,550 --> 01:06:36,570

physical I mean photos that clearly look

1400

01:06:40,010 --> 01:06:37,560

doctored like

1401

01:06:43,700 --> 01:06:40,020

back on the the the Stevie Ray Vaughn

1402

01:06:45,590 --> 01:06:43,710

guitar the you said oh there's a

1403

01:06:47,260 --> 01:06:45,600

photograph of him wearing the jacket and

1404

01:06:50,540 --> 01:06:47,270

Stevie and Stevie's holding the guitar

1405

01:06:53,870 --> 01:06:50,550

I've seen that photo and I hope you have

1406

01:06:59,840 --> 01:06:53,880

a copy of it because anybody looking at

1407

01:07:04,130 --> 01:06:59,850

that would go wow yeah weird angle and

1408

01:07:09,050 --> 01:07:04,140

it's also clearly dropped in there

1409

01:07:12,290 --> 01:07:09,060

because it the size of the guitar would

1410

01:07:15,460 --> 01:07:12,300

make Stevie Ray Vaughn a giant because I

1411

01:07:18,410 --> 01:07:15,470

mean the guitar looks it looks too small

1412

01:07:21,980 --> 01:07:18,420

also is but it's just a bit where the

1413

01:07:23,540 --> 01:07:21,990

signature is this see yeah yeah I mean

1414

01:07:26,360 --> 01:07:23,550

it's like that's the size of the actual

1415

01:07:31,640 --> 01:07:26,370

guitar that he's holding is way too

1416

01:07:37,310 --> 01:07:31,650

small for reality how cuz Stevie Ray

1417

01:07:40,190 --> 01:07:37,320

Vaughan's not a big guy he's smaller

1418

01:07:43,370 --> 01:07:40,200

than me I'm sure yeah I mean a

1419

01:07:45,110 --> 01:07:43,380

Stratocaster would look fairly big on

1420

01:07:48,470 --> 01:07:45,120

him in that photo it's the exact

1421

01:07:52,190 --> 01:07:48,480

opposite and looks too small and it's at

1422

01:07:55,580 --> 01:07:52,200

this weird angle so you know and then I

1423

01:07:58,190 --> 01:07:55,590

believe you also found images online

1424

01:08:00,320 --> 01:07:58,200

where you could see that like oh yeah

1425

01:08:03,470 --> 01:08:00,330

here's the original photo of Stevie Ray

1426

01:08:06,080 --> 01:08:03,480

Vaughn where he's you know the face is

1427

01:08:08,600 --> 01:08:06,090

exactly you could drop it right on there

1428

01:08:12,020 --> 01:08:08,610

and you go oh my god it's the same the

1429

01:08:14,570 --> 01:08:12,030

same body position the same face like

1430

01:08:17,120 --> 01:08:14,580

you know what I mean the odds of you

1431

01:08:18,980 --> 01:08:17,130

taking a photograph of somebody and then

1432

01:08:22,309 --> 01:08:18,990

being so identical that you could

1433

01:08:24,260 --> 01:08:22,319

interchange to them is it's impossible

1434

01:08:29,840 --> 01:08:24,270

they would never be an exact same pose

1435

01:08:32,539 --> 01:08:29,850

like so you know again it where I'm

1436

01:08:36,020 --> 01:08:32,549

going with that is like you know if he

1437

01:08:39,140 --> 01:08:36,030

worked as a bodyguard son if he actually

1438

01:08:42,410 --> 01:08:39,150

worked at fur production company if he

1439

01:08:46,190 --> 01:08:42,420

worked in the steel industry there would

1440

01:08:49,370 --> 01:08:46,200

be financial records you know there

1441

01:08:51,590 --> 01:08:49,380

would be tax forms there would be things

1442

01:08:52,970 --> 01:08:51,600

you know there would be pace

1443

01:08:56,660 --> 01:08:52,980

there would be something that proved

1444

01:09:02,780 --> 01:08:56,670

that he actually worked for this person

1445

01:09:04,610 --> 01:09:02,790

or that person yeah I mean it just again

1446

01:09:07,460 --> 01:09:04,620

and also a few worked in all these

1447

01:09:11,660 --> 01:09:07,470

industries and you were such a big mover

1448

01:09:14,450 --> 01:09:11,670

and a shaker you would have vast sums of

1449

01:09:16,790 --> 01:09:14,460

money the whole time

1450

01:09:19,340 --> 01:09:16,800

that Larry was here in Vermont and we're

1451

01:09:23,450 --> 01:09:19,350

talking it was at least ten years a

1452

01:09:26,630 --> 01:09:23,460

decade he never owned a house never

1453

01:09:29,330 --> 01:09:26,640

owned the car never even lived on it

1454

01:09:33,260 --> 01:09:29,340

always lived with somebody else as a

1455

01:09:36,740 --> 01:09:33,270

roommate I mean it just doesn't make

1456

01:09:38,870 --> 01:09:36,750

sense that you know somebody at that and

1457

01:09:41,150 --> 01:09:38,880

first of all if you were mover and a

1458

01:09:43,600 --> 01:09:41,160

shaker in the music industry why would

1459

01:09:48,470 --> 01:09:43,610

you be living in Rutland rock population

1460

01:09:50,390 --> 01:09:48,480

17,000 you wouldn't if you remember it

1461

01:09:54,350 --> 01:09:50,400

being expert why would you be living on

1462

01:09:57,080 --> 01:09:54,360

my side I mean and nobody stops and ask

1463

01:09:59,300 --> 01:09:57,090

these questions because they just go

1464

01:10:03,020 --> 01:09:59,310

well Larry says it's true so it it must

1465

01:10:05,060 --> 01:10:03,030

be true and Sasha is a crazy lady so it

1466

01:10:08,120 --> 01:10:05,070

must be Jed well any on the same thing

1467

01:10:10,700 --> 01:10:08,130

with me when he was here I was the bad

1468

01:10:12,380 --> 01:10:10,710

guy because I started saying hey people

1469

01:10:15,940 --> 01:10:12,390

use your head listen to what he's saying

1470

01:10:20,300 --> 01:10:15,950

like that is too fantastical to be true

1471

01:10:22,670 --> 01:10:20,310

I mean I I could recount numerous things

1472

01:10:25,490 --> 01:10:22,680

that were like you know I was in a

1473

01:10:27,650 --> 01:10:25,500

friend of mine that I've known you know

1474

01:10:30,440 --> 01:10:27,660

since I was like 13 years old

1475

01:10:33,080 --> 01:10:30,450

and you know he's also a full time

1476

01:10:35,120 --> 01:10:33,090

professional musician and you know his

1477

01:10:37,520 --> 01:10:35,130

musical hero was Frank Zappa

1478

01:10:40,580 --> 01:10:37,530

well then all of a sudden is you know as

1479

01:10:43,310 --> 01:10:40,590

soon as Larry picked up on that yeah oh

1480

01:10:48,020 --> 01:10:43,320

yeah I knew Frank Zappa and I went and I

1481

01:10:50,060 --> 01:10:48,030

visited him on his death back yeah yes

1482

01:10:54,680 --> 01:10:50,070

you know I mean it's just too

1483

01:10:56,630 --> 01:10:54,690

fantastical to be believed I know that

1484

01:10:58,610 --> 01:10:56,640

he gave a leather jacket to somebody and

1485

01:11:01,430 --> 01:10:58,620

said that it was from Sid Vicious and

1486

01:11:04,010 --> 01:11:01,440

this woman she was very very poorly I'm

1487

01:11:04,970 --> 01:11:04,020

going to a hospital all the time and she

1488

01:11:06,770 --> 01:11:04,980

wore this Jack

1489

01:11:09,530 --> 01:11:06,780

I don't wanna say who it is but she wore

1490

01:11:12,020 --> 01:11:09,540

this jacket as she was dying and it was

1491

01:11:14,390 --> 01:11:12,030

her like her security blanket and her

1492

01:11:17,870 --> 01:11:14,400

you know special item that made her feel

1493

01:11:21,140 --> 01:11:17,880

you know connected to someone who was

1494

01:11:23,120 --> 01:11:21,150

her idol you know from an era of music

1495

01:11:26,180 --> 01:11:23,130

that she really loved and it was alive

1496

01:11:28,760 --> 01:11:26,190

right you know excuse me I would defy

1497

01:11:32,770 --> 01:11:28,770

somebody to come up with that jacket to

1498

01:11:35,810 --> 01:11:32,780

find out where the actual jacket was

1499

01:11:37,730 --> 01:11:35,820

mm-hmm you know but exactly he figures

1500

01:11:39,830 --> 01:11:37,740

out what people are into and then plays

1501

01:11:41,570 --> 01:11:39,840

up to that you know like I said with me

1502

01:11:43,670 --> 01:11:41,580

it was very obvious I was in the Stevie

1503

01:11:46,100 --> 01:11:43,680

Ray Vaughn and Hendrix so he played up

1504

01:11:50,450 --> 01:11:46,110

to that with my buddy it was Frank Zappa

1505

01:11:51,800 --> 01:11:50,460

he played up to that you know it was

1506

01:11:53,720 --> 01:11:51,810

another friend that you had it was a

1507

01:11:56,720 --> 01:11:53,730

clock there wasn't any place yeah oh

1508

01:11:59,330 --> 01:11:56,730

yeah yeah yeah yeah yeah yeah

1509

01:12:00,980 --> 01:11:59,340

gave him the autographed Eric Clapton

1510

01:12:03,980 --> 01:12:00,990

picture that was also in the same

1511

01:12:07,520 --> 01:12:03,990

handwriting as mice you know my Larry

1512

01:12:09,440 --> 01:12:07,530

letter and you know talking about you

1513

01:12:13,850 --> 01:12:09,450

know how he and Larry were fishing

1514

01:12:17,390 --> 01:12:13,860

buddies and you know you know was just

1515

01:12:19,670 --> 01:12:17,400

one one thing after after another which

1516

01:12:24,340 --> 01:12:19,680

goes to the person who originally homie

1517

01:12:29,540 --> 01:12:24,350

about your podcast was a was somebody

1518

01:12:33,160 --> 01:12:29,550

who who started you know selling items

1519

01:12:36,410 --> 01:12:33,170

on eBay you know very very early days

1520

01:12:38,810 --> 01:12:36,420

and uh at one point contacted me and

1521

01:12:40,310 --> 01:12:38,820

said hey I know you've got problems with

1522

01:12:42,410 --> 01:12:40,320

this guy Larry this would have been in

1523

01:12:48,460 --> 01:12:42,420

like the I'm gonna guess somewhere

1524

01:12:51,770 --> 01:12:48,470

around 90 somewhere between 97 and 99

1525

01:12:53,330 --> 01:12:51,780

somewhere in there and he said you know

1526

01:12:57,320 --> 01:12:53,340

hey I know you got problems with this

1527

01:12:59,900 --> 01:12:57,330

guy Larry but I'm kind of curious why

1528

01:13:04,280 --> 01:12:59,910

because he's asked me to sell items for

1529

01:13:08,030 --> 01:13:04,290

him online so I I went and I met with

1530

01:13:10,790 --> 01:13:08,040

this guy and I you know and I you know

1531

01:13:13,490 --> 01:13:10,800

he showed me these items in there was

1532

01:13:15,980 --> 01:13:13,500

like three items that Larry had asked

1533

01:13:18,830 --> 01:13:15,990

him to sell one was a Stratocaster pick

1534

01:13:23,000 --> 01:13:18,840

guard sign Burton

1535

01:13:27,020 --> 01:13:23,010

one was a copy of Pink Floyd metal

1536

01:13:28,640 --> 01:13:27,030

allegedly signed by Roger Waters and I

1537

01:13:30,050 --> 01:13:28,650

don't recall the third item it might

1538

01:13:33,560 --> 01:13:30,060

have been a Stevie Ray Vaughn item

1539

01:13:37,400 --> 01:13:33,570

perhaps I looked at the three items I

1540

01:13:39,830 --> 01:13:37,410

said I'm not going to say anything I'm

1541

01:13:43,520 --> 01:13:39,840

just gonna come back tomorrow with some

1542

01:13:45,890 --> 01:13:43,530

things for you to look at and I went

1543

01:13:50,330 --> 01:13:45,900

back the next day with my handwritten

1544

01:13:53,750 --> 01:13:50,340

letter my a couple of autographs

1545

01:13:56,660 --> 01:13:53,760

photographs and the Rene Martinez letter

1546

01:13:59,060 --> 01:13:56,670

and you know all the things that I had

1547

01:14:03,290 --> 01:13:59,070

hoarded for the previous like seven or

1548

01:14:07,370 --> 01:14:03,300

nine years and showed it to him and the

1549

01:14:09,470 --> 01:14:07,380

country action without me saying word he

1550

01:14:12,110 --> 01:14:09,480

said I got to sit down I think I'm gonna

1551

01:14:16,250 --> 01:14:12,120

be sick because it was so blatantly the

1552

01:14:19,190 --> 01:14:16,260

same handwriting and he said I have to

1553

01:14:24,440 --> 01:14:19,200

stop these auctions I can't be selling

1554

01:14:26,270 --> 01:14:24,450

this stuff so he later told me that even

1555

01:14:29,090 --> 01:14:26,280

when he tried when he stopped the

1556

01:14:31,640 --> 01:14:29,100

options this guy because he said I have

1557

01:14:35,480 --> 01:14:31,650

a guy for me like \$200 for this Clapton

1558

01:14:37,130 --> 01:14:35,490

skirt that clearly so when he told me

1559

01:14:38,870 --> 01:14:37,140

when I told that guy I was stopping the

1560

01:14:41,090 --> 01:14:38,880

auction the guy was still trying to

1561

01:14:43,700 --> 01:14:41,100

offer him money for it even when he's

1562

01:14:47,060 --> 01:14:43,710

telling him I really believe this is a

1563

01:14:49,460 --> 01:14:47,070

forgery well that's how kind of nutso

1564

01:14:51,380 --> 01:14:49,470

people are out there about all this

1565

01:14:54,050 --> 01:14:51,390

stuff and what's kind of really shameful

1566

01:14:57,170 --> 01:14:54,060

is that the industry doesn't really seem

1567

01:15:00,080 --> 01:14:57,180

to be policing itself in any way you

1568

01:15:02,960 --> 01:15:00,090

know that okay that's all I mean when

1569

01:15:06,890 --> 01:15:02,970

over here you see auctions where Larry

1570

01:15:10,070 --> 01:15:06,900

has dubbed himself an official you know

1571

01:15:11,570 --> 01:15:10,080

Beatles Authenticator you know

1572

01:15:13,760 --> 01:15:11,580

apparently you don't have to go to

1573

01:15:15,710 --> 01:15:13,770

school to get it to get a degree or be

1574

01:15:17,600 --> 01:15:15,720

declared you know an official

1575

01:15:21,230 --> 01:15:17,610

Authenticator of Beatles memorabilia you

1576

01:15:22,850 --> 01:15:21,240

just say it and Brit well actually when

1577

01:15:24,580 --> 01:15:22,860

we challenged him on that is that he was

1578

01:15:28,400 --> 01:15:24,590

taught by the FBI

1579

01:15:30,080 --> 01:15:28,410

really so yeah yeah yeah so what other

1580

01:15:32,060 --> 01:15:30,090

point was involved in you know like

1581

01:15:34,880 --> 01:15:32,070

checking all these facts

1582

01:15:38,540 --> 01:15:34,890

got it such as the FBI so don't do Casas

1583

01:15:41,060 --> 01:15:38,550

for the public and handwriting and even

1584

01:15:43,730 --> 01:15:41,070

if they did they wouldn't do a course in

1585

01:15:46,280 --> 01:15:43,740

which they would teach people how to

1586

01:15:48,470 --> 01:15:46,290

forge signatures it would be teaching

1587

01:15:50,690 --> 01:15:48,480

them how to discover that they were

1588

01:15:54,230 --> 01:15:50,700

forged because he'd actually written

1589

01:15:56,600 --> 01:15:54,240

them Jimi Hendrix signature in lipstick

1590

01:15:59,420 --> 01:15:56,610

on the side of the UFO monument in

1591

01:16:03,440 --> 01:15:59,430

Rendlesham forest in the park at the

1592

01:16:05,960 --> 01:16:03,450

campsite but and it was absolutely

1593

01:16:07,850 --> 01:16:05,970

perfect Jimi Hendrix it was like there's

1594

01:16:11,390 --> 01:16:07,860

Jimi's and there's like and he's done

1595

01:16:14,300 --> 01:16:11,400

that freehand lipstick in one girl right

1596

01:16:16,340 --> 01:16:14,310

big not like a little signature he has

1597

01:16:18,620 --> 01:16:16,350

done that so many times he can do it any

1598

01:16:20,330 --> 01:16:18,630

size whatever so when we said how come

1599

01:16:24,230 --> 01:16:20,340

he got it so accurate he said because

1600

01:16:26,570 --> 01:16:24,240

the FBI talked about a foot what they

1601
01:16:29,240 --> 01:16:26,580
taught you how to Farsi Richard know

1602
01:16:30,860 --> 01:16:29,250
this all of the other incredible skills

1603
01:16:33,200 --> 01:16:30,870
and you know work on all these different

1604
01:16:37,550 --> 01:16:33,210
industries he's also worked with the FBI

1605
01:16:41,210 --> 01:16:37,560
- Wow yep yeah what would the FBI I'm

1606
01:16:44,900 --> 01:16:41,220
learning how to be a offense occator of

1607
01:16:47,030 --> 01:16:44,910
signatures yeah right but they say the

1608
01:16:48,800 --> 01:16:47,040
thing is he also said that he was in the

1609
01:16:50,810 --> 01:16:48,810
house in France right and there's ronnie

1610
01:16:52,400 --> 01:16:50,820
Dugdale point you don't last week my

1611
01:16:53,750 --> 01:16:52,410
sure that there are a couple of

1612
01:16:55,100 --> 01:16:53,760
requirements or the cat even believe

1613
01:16:57,740 --> 01:16:55,110

that I did this doesn't occur to me

1614

01:16:59,900 --> 01:16:57,750

because I do know this that if you have

1615

01:17:01,730 --> 01:16:59,910

ever been a police officer I've been

1616

01:17:03,440 --> 01:17:01,740

involved in the police in any way shape

1617

01:17:07,790 --> 01:17:03,450

or form you could never be a Hells Angel

1618

01:17:10,130 --> 01:17:07,800

and he was to Garris so they would never

1619

01:17:11,990 --> 01:17:10,140

have them if it works with the FBI there

1620

01:17:13,970 --> 01:17:12,000

would never have him and in fact they

1621

01:17:18,080 --> 01:17:13,980

didn't have him and that was a lie as

1622

01:17:19,970 --> 01:17:18,090

well and he's in a show with them I

1623

01:17:23,630 --> 01:17:19,980

think it's top secret remember

1624

01:17:26,210 --> 01:17:23,640

Christina Jovi and Joe Montel dole if

1625

01:17:28,670 --> 01:17:26,220

you go if you put that into YouTube top

1626

01:17:30,890 --> 01:17:28,680

secret I can't remember that the full

1627

01:17:33,310 --> 01:17:30,900

name of a shell he's absolutely out of

1628

01:17:37,370 --> 01:17:33,320

his mind

1629

01:17:40,040 --> 01:17:37,380

brother other words for the hour at the

1630

01:17:42,530 --> 01:17:40,050

fame and I'll and I actually he has

1631

01:17:45,979 --> 01:17:42,540

become more American the longer he lives

1632

01:17:50,640 --> 01:17:45,989

in England the stronger relaxing

1633

01:17:53,970 --> 01:17:50,650

you know so you know with the fame and

1634

01:17:56,729 --> 01:17:53,980

all this what Fame is not famous it was

1635

01:17:58,350 --> 01:17:56,739

he famous to like where all the massive

1636

01:18:01,140 --> 01:17:58,360

bunch of weirdoes looking at the sky you

1637

01:18:03,600 --> 01:18:01,150

know I mean like alright so nice people

1638

01:18:05,820 --> 01:18:03,610

but he's a bit everywhere subject but

1639

01:18:08,910 --> 01:18:05,830

not everybody what has a clue about

1640

01:18:10,320 --> 01:18:08,920

Roswell you don't mean if said that was

1641

01:18:12,510 --> 01:18:10,330

the biggest incident and the most

1642

01:18:14,729 --> 01:18:12,520

commonly known I know lots of people

1643

01:18:17,070 --> 01:18:14,739

that have heard of Roswell right so it's

1644

01:18:18,030 --> 01:18:17,080

not like the whole world is looking he's

1645

01:18:20,040 --> 01:18:18,040

not famous

1646

01:18:22,020 --> 01:18:20,050

he's famous to a bunch of weirdos maybe

1647

01:18:24,030 --> 01:18:22,030

but for all the wrong reasons alone oh

1648

01:18:27,030 --> 01:18:24,040

well I'm just that I mean there's that

1649

01:18:29,700 --> 01:18:27,040

great clip where he's talking about 9/11

1650

01:18:32,209 --> 01:18:29,710

and the whole time he's talking in this

1651

01:18:34,800 --> 01:18:32,219

like he's trying to do like a Brooklyn

1652

01:18:36,900 --> 01:18:34,810

accent Brooklyn New York accent and

1653

01:18:39,900 --> 01:18:36,910

talking about growing up and Brooklyn or

1654

01:18:43,500 --> 01:18:39,910

you know and it brung ya well which is

1655

01:18:45,360 --> 01:18:43,510

funny because it's like he's provided

1656

01:18:47,550 --> 01:18:45,370

evidence himself that he grew up in

1657

01:18:49,229 --> 01:18:47,560

Queens berry New York his mom lived in

1658

01:18:51,000 --> 01:18:49,239

Queens berry New York he showed that

1659

01:18:56,940 --> 01:18:51,010

letter that had her actual street

1660

01:18:59,090 --> 01:18:56,950

address right on it you know you know I

1661

01:19:02,090 --> 01:18:59,100

mean it just boggles mine that like

1662

01:19:04,890 --> 01:19:02,100

trust me there is no New York accent in

1663

01:19:08,070 --> 01:19:04,900

Queensberry New York you know I mean

1664

01:19:10,229 --> 01:19:08,080

it's pretty far upstate the fact that he

1665

01:19:12,660 --> 01:19:10,239

adopted this accent it was like I've

1666

01:19:14,490 --> 01:19:12,670

never heard the guy talk like that even

1667

01:19:16,350 --> 01:19:14,500

in any other thing you can find on

1668

01:19:18,030 --> 01:19:16,360

youtube with him talking he doesn't talk

1669

01:19:20,550 --> 01:19:18,040

like that but this one thing where he's

1670

01:19:22,380 --> 01:19:20,560

talking about you know oh and I flew

1671

01:19:24,150 --> 01:19:22,390

down the new you know New York to help

1672

01:19:27,150 --> 01:19:24,160

pull bodies out of the wreckage you're

1673

01:19:30,330 --> 01:19:27,160

like where did this accent come from you

1674

01:19:32,340 --> 01:19:30,340

know and nobody calls him on it nobody

1675

01:19:41,310 --> 01:19:32,350

goes hey what are you having a stroke or

1676

01:19:44,550 --> 01:19:41,320

something what's going on you know you

1677

01:19:46,680 --> 01:19:44,560

know so I mean so well if it is like he

1678

01:19:49,050 --> 01:19:46,690

says he's there it was in the steel

1679

01:19:51,120 --> 01:19:49,060

industry he was in the other ladies in

1680

01:19:53,430 --> 01:19:51,130

the Hells Angels for 28 years it says in

1681

01:19:55,500 --> 01:19:53,440

one of his videos so in that in that

1682

01:19:57,830 --> 01:19:55,510

christinageorge video that he says that

1683

01:20:00,589 --> 01:19:57,840

he was the PA to the Beach Boys

1684

01:20:02,959 --> 01:20:00,599

the rest of it if flushes is the Hells

1685

01:20:05,450 --> 01:20:02,969

Angels patches those lanes will get to

1686

01:20:08,570 --> 01:20:05,460

see it and then they go around slap him

1687

01:20:11,720 --> 01:20:08,580

about a bit and take the rope him so go

1688

01:20:14,689 --> 01:20:11,730

on ask him everybody ask him when you if

1689

01:20:17,240 --> 01:20:14,699

I'm a deluded lunatic ask him about the

1690

01:20:19,160 --> 01:20:17,250

Hells Angels yeah here's another thing

1691

01:20:23,479 --> 01:20:19,170

about this that like if you were held

1692

01:20:25,550 --> 01:20:23,489

angel you'd have a motorcycle I mean the

1693

01:20:28,879 --> 01:20:25,560

whole time that I knew Larry like I said

1694

01:20:31,640 --> 01:20:28,889

he never had a car he definitely didn't

1695

01:20:33,890 --> 01:20:31,650

have a motorcycle and in the handwritten

1696

01:20:37,450 --> 01:20:33,900

letter that he wrote me if he was

1697

01:20:39,979 --> 01:20:37,460

actually a biker he wouldn't say

1698

01:20:47,390 --> 01:20:39,989

hey maybe you could introduce me to that

1699

01:20:51,260 --> 01:20:47,400

girl who thinks I'm a biker oh yeah I

1700

01:20:53,540 --> 01:20:51,270

got the idea from you know this is in

1701

01:20:55,580 --> 01:20:53,550

your letter isn't it yeah you know Wow

1702

01:20:59,780 --> 01:20:55,590

she wouldn't have to think he was a

1703

01:21:03,320 --> 01:20:59,790

biker if he was a biker and again if you

1704

01:21:06,919 --> 01:21:03,330

were a biker you don't a motorcycle he

1705

01:21:10,669 --> 01:21:06,929

you'd also have stories about you bike

1706

01:21:14,120 --> 01:21:10,679

rides coming off yet the best dress she

1707

01:21:17,450 --> 01:21:14,130

wears trace some idiot kneeling up she

1708

01:21:20,390 --> 01:21:17,460

wore how far down you got on you oh yeah

1709

01:21:22,399 --> 01:21:20,400

you know and watching your kneecap pad

1710

01:21:25,070 --> 01:21:22,409

she rubbed off on the road go around

1711

01:21:28,250 --> 01:21:25,080

around all of those things like I know

1712

01:21:31,129 --> 01:21:28,260

bikers I was one and you know I mean I

1713

01:21:34,490 --> 01:21:31,139

know we all have these stories and we

1714

01:21:36,709 --> 01:21:34,500

all have photos of our bikes even from

1715

01:21:37,790 --> 01:21:36,719

like a billion years ago Spratly old

1716

01:21:40,370 --> 01:21:37,800

felt were in the pile

1717

01:21:42,470 --> 01:21:40,380

and seen as Larry likes to kind of like

1718

01:21:44,750 --> 01:21:42,480

queer albums of taking photographs of

1719

01:21:46,760 --> 01:21:44,760

photographs he would have had some bikes

1720

01:21:49,939 --> 01:21:46,770

in all of those photos that 11 days

1721

01:21:53,030 --> 01:21:49,949

laptop there was none at all we we're a

1722

01:21:55,100 --> 01:21:53,040

I like a short time tumbled it down the

1723

01:21:57,859 --> 01:21:55,110

road one time and went I'm not really

1724

01:22:04,310 --> 01:21:57,869

cut out for this and sold it you know

1725

01:22:05,660 --> 01:22:04,320

had it and that bike you know and and

1726

01:22:08,570 --> 01:22:05,670

then we're talking I didn't have it for

1727

01:22:10,310 --> 01:22:08,580

long no maybe like a year or so you know

1728

01:22:11,570 --> 01:22:10,320

year and a half or whatever but I got

1729

01:22:14,300 --> 01:22:11,580

pictures

1730

01:22:19,220 --> 01:22:14,310

yeah so yeah and like I said the fact

1731

01:22:22,370 --> 01:22:19,230

that I can you know swear to God in the

1732

01:22:25,010 --> 01:22:22,380

10 or 11 years that he yeah it was

1733

01:22:28,120 --> 01:22:25,020

probably close to 10 I'd say I think he

1734

01:22:30,440 --> 01:22:28,130

came around here so what I say 93 and

1735

01:22:32,150 --> 01:22:30,450

I'm not sure when he moved to England so

1736

01:22:33,980 --> 01:22:32,160

maybe he wasn't quite here in Vermont

1737

01:22:38,300 --> 01:22:33,990

ten years but it was it was pretty close

1738

01:22:41,540 --> 01:22:38,310

to 10 years never never owned any kind

1739

01:22:43,130 --> 01:22:41,550

of a vehicle not even a bicycle nothing

1740

01:22:46,100 --> 01:22:43,140

I've never known him ever bike I've

1741

01:22:48,620 --> 01:22:46,110

never known him have a car and one time

1742

01:22:52,820 --> 01:22:48,630

when me and my friend Sarah can see him

1743

01:22:55,250 --> 01:22:52,830

and we kept seemingly polies took us to

1744

01:22:57,860 --> 01:22:55,260

this bar he's where all the Hells Angels

1745

01:22:59,270 --> 01:22:57,870

hung out and he said I think he at that

1746

01:23:02,420 --> 01:22:59,280

time he was telling us he was a Hells

1747

01:23:03,830 --> 01:23:02,430

Angel and I said - unless you bike and

1748

01:23:05,420 --> 01:23:03,840

that oh it's a lot to put the buckets

1749

01:23:07,820 --> 01:23:05,430

off-road at the moment so he lied that

1750

01:23:11,930 --> 01:23:07,830

pablum paid it and that's a requirement

1751

01:23:13,820 --> 01:23:11,940

I mean right well I mean and that's kind

1752

01:23:15,740 --> 01:23:13,830

of going back to your original point

1753

01:23:18,800 --> 01:23:15,750

which how does this connect to

1754

01:23:23,660 --> 01:23:18,810

Rendlesham forest which is that in both

1755

01:23:26,420 --> 01:23:23,670

cases his his life that story that he

1756

01:23:29,390 --> 01:23:26,430

tells and also the story of his

1757

01:23:33,130 --> 01:23:29,400

involvement in Rendlesham as soon as you

1758

01:23:36,380 --> 01:23:33,140

start pulling on the thread of his story

1759

01:23:40,630 --> 01:23:36,390

the entire thing begins to unravel as

1760

01:23:43,250 --> 01:23:40,640

nothing but a complete pile of lies and

1761

01:23:46,040 --> 01:23:43,260

what I don't understand how people can't

1762

01:23:51,680 --> 01:23:46,050

make connection is that if the guy is

1763

01:23:54,710 --> 01:23:51,690

willing to lie and try and steal from

1764

01:23:57,110 --> 01:23:54,720

people you know selling them merchandise

1765

01:24:00,380 --> 01:23:57,120

or the large sums of money that you I

1766

01:24:02,840 --> 01:24:00,390

mean really when you look at the the

1767

01:24:06,050 --> 01:24:02,850

proof you look at the the ever-changing

1768

01:24:07,940 --> 01:24:06,060

stories and just the stories are like it

1769

01:24:10,400 --> 01:24:07,950

definitely did not happen that you can

1770

01:24:13,250 --> 01:24:10,410

prove didn't happen and the fact that he

1771

01:24:15,020 --> 01:24:13,260

never provides any kind of actual proof

1772

01:24:19,360 --> 01:24:15,030

of anything that he's saying but you

1773

01:24:24,200 --> 01:24:19,370

start to realize that he is a

1774

01:24:25,510 --> 01:24:24,210

sociopathic liar and if he's gonna lie

1775

01:24:28,820 --> 01:24:25,520

about

1776

01:24:29,450 --> 01:24:28,830

memorabilia and what he's done in his

1777

01:24:32,840 --> 01:24:29,460

life

1778

01:24:36,950 --> 01:24:32,850

why wouldn't he lie about Randall

1779

01:24:40,660 --> 01:24:36,960

children and in fact that's the perfect

1780

01:24:42,950 --> 01:24:40,670

thing for him to lie about I saw a UFO

1781

01:24:45,860 --> 01:24:42,960

there's no video of it there's no

1782

01:24:47,810 --> 01:24:45,870

photographs of it it's a perfect train

1783

01:24:49,990 --> 01:24:47,820

because it's not like he can provide any

1784

01:24:53,390 --> 01:24:50,000

proof that he did that happened either

1785

01:24:55,340 --> 01:24:53,400

but he has these provided proof he's got

1786

01:24:57,470 --> 01:24:55,350

the thing that nobody else he says these

1787

01:24:58,939 --> 01:24:57,480

taken photographs of the phenomena first

1788

01:25:00,649 --> 01:24:58,949

of all he said it was a guy called mark

1789

01:25:02,660 --> 01:25:00,659

R Mike I can never get it right which

1790

01:25:03,860 --> 01:25:02,670

one he uses it's Ronnie told me last

1791

01:25:08,660 --> 01:25:03,870

week but it's gotten at me ed again

1792

01:25:10,700 --> 01:25:08,670

so mark the accountant or Mike and he

1793

01:25:12,890 --> 01:25:10,710

took these photos gave them to Larry who

1794

01:25:14,780 --> 01:25:12,900

held on for 19 years as his ace in the

1795

01:25:15,919 --> 01:25:14,790

hole to convince everybody well why did

1796

01:25:17,540 --> 01:25:15,929

you just give him to the people in the

1797

01:25:20,810 --> 01:25:17,550

first place of convince everyone and

1798

01:25:23,120 --> 01:25:20,820

then so he gave him to Giorgio Bruni who

1799

01:25:24,950 --> 01:25:23,130

said Oh brilliant I'll accept that and

1800

01:25:27,919 --> 01:25:24,960

then a week later Fondren said actually

1801

01:25:30,169 --> 01:25:27,929

I took them so as like ever a little run

1802

01:25:33,379 --> 01:25:30,179

down in the show last week which what

1803

01:25:35,419 --> 01:25:33,389

have heard the photograph has now

1804

01:25:38,540 --> 01:25:35,429

suddenly become a Department of Defense

1805

01:25:41,000 --> 01:25:38,550

photograph there's no paperwork with it

1806

01:25:42,680 --> 01:25:41,010

- so there's some Special Ops guys gave

1807

01:25:44,209 --> 01:25:42,690

him it he says so this little

1808

01:25:45,860 --> 01:25:44,219

photographs in there and he said there's

1809

01:25:48,110 --> 01:25:45,870

a face in the corner this face is

1810

01:25:51,200 --> 01:25:48,120

actually John Burroughs right well that

1811

01:25:53,270 --> 01:25:51,210

is it actually a cropped version of the

1812

01:25:55,490 --> 01:25:53,280

photograph which is actually in a far

1813

01:25:56,990 --> 01:25:55,500

Suri's and if you look at the fr size

1814

01:25:58,790 --> 01:25:57,000

you can see where the squiggle is that

1815

01:26:05,629 --> 01:25:58,800

supposed to be John Burroughs head but

1816

01:26:08,570 --> 01:26:05,639

he doesn't ever having that know we

1817

01:26:12,709 --> 01:26:08,580

questions that okay so this incident

1818

01:26:18,290 --> 01:26:12,719

happened nearly 40 years ago and all of

1819

01:26:20,510 --> 01:26:18,300

a sudden now 38 39 years later Larry

1820

01:26:22,370 --> 01:26:20,520

Warren the only person that's come up

1821

01:26:25,370 --> 01:26:22,380

with a photograph he never came up with

1822

01:26:27,620 --> 01:26:25,380

it before but now all of a sudden I got

1823

01:26:28,310 --> 01:26:27,630

a photograph that I took of the of the

1824

01:26:30,649 --> 01:26:28,320

incident

1825

01:26:32,240 --> 01:26:30,659

well he's got a few actually or at least

1826

01:26:34,610 --> 01:26:32,250

a couple because he said that he had

1827

01:26:37,189 --> 01:26:34,620

another one of an a-10 and above the

1828

01:26:38,580 --> 01:26:37,199

a-10 was the UFO and he swears on his

1829

01:26:41,070 --> 01:26:38,590

son's head

1830

01:26:41,939 --> 01:26:41,080

that that craft was in his face later

1831

01:26:44,339 --> 01:26:41,949

that night

1832

01:26:47,430 --> 01:26:44,349

well that photograph was taken in 1985

1833

01:26:49,410 --> 01:26:47,440

on his honey not in 1980 on that night

1834

01:26:51,270 --> 01:26:49,420

he's got various stories of how he came

1835

01:26:53,520 --> 01:26:51,280

to take the photograph because he was

1836

01:26:55,470 --> 01:26:53,530

actually in Germany at the same time as

1837

01:26:57,629 --> 01:26:55,480

he's taking the photograph in you know

1838

01:26:59,370 --> 01:26:57,639

like his two stories so when we look

1839

01:27:02,459 --> 01:26:59,380

closely at the photographs in his album

1840

01:27:05,430 --> 01:27:02,469

oh gosh what's this oh look there's that

1841

01:27:07,800 --> 01:27:05,440

photograph actually given to me by Barry

1842

01:27:10,109 --> 01:27:07,810

Greenwood who wrote a book in 93 and

1843

01:27:12,930 --> 01:27:10,119

then didn't believe Larry so the woman

1844

01:27:16,439 --> 01:27:12,940

who wrote a book in the 1999 I think she

1845

01:27:19,950 --> 01:27:16,449

doesn't believe in me and so everybody

1846

01:27:23,910 --> 01:27:19,960

abandons him and photograph in the album

1847

01:27:26,399 --> 01:27:23,920

does not have the a-10 with with the UFO

1848

01:27:28,290 --> 01:27:26,409

above it it's just the a-10 and it's a

1849

01:27:30,479 --> 01:27:28,300

color photograph and the one that he's

1850

01:27:34,560 --> 01:27:30,489

banding around now is black or white and

1851
01:27:36,240 --> 01:27:34,570
has a UFO yeah well apparently I that I

1852
01:27:38,040 --> 01:27:36,250
faked that and then he's gone parading

1853
01:27:40,560 --> 01:27:38,050
around people saying that he's really

1854
01:27:42,689 --> 01:27:40,570
it's just an effect it when we were

1855
01:27:45,540 --> 01:27:42,699
fragrance and then he put it on and

1856
01:27:47,520 --> 01:27:45,550
somehow he's I even make sense how could

1857
01:27:49,770 --> 01:27:47,530
I have adopted everything or I've

1858
01:27:52,109 --> 01:27:49,780
downloaded it off the internet and I've

1859
01:27:54,660 --> 01:27:52,119
managed to put it up and replace it all

1860
01:27:57,180 --> 01:27:54,670
that replace was at the same about his

1861
01:27:59,550 --> 01:27:57,190
military records so I was like well show

1862
01:28:01,410 --> 01:27:59,560
us where at there once I'm presenting

1863
01:28:02,700 --> 01:28:01,420

show me the ones that you've got and

1864

01:28:06,290 --> 01:28:02,710

let's up and point out where the

1865

01:28:09,930 --> 01:28:06,300

different and we won't do it right well

1866

01:28:11,550 --> 01:28:09,940

yeah I mean he has he has issues with

1867

01:28:14,000 --> 01:28:11,560

timelines because that's another thing I

1868

01:28:18,300 --> 01:28:14,010

provided you and in the you know

1869

01:28:20,100 --> 01:28:18,310

documents that I gave you was that he

1870

01:28:24,089 --> 01:28:20,110

also further goes on to say about the

1871

01:28:27,600 --> 01:28:24,099

leather jacket that it was signed by

1872

01:28:32,640 --> 01:28:27,610

Stevie Ray well he was on tour with

1873

01:28:36,740 --> 01:28:32,650

Robert Plant from Led Zeppelin and again

1874

01:28:40,640 --> 01:28:36,750

the jacket is dated New York City 1986

1875

01:28:43,200 --> 01:28:40,650

well if you do a little homework

1876

01:28:48,120 --> 01:28:43,210

Stevie Ray didn't tour with Robert Plant

1877

01:28:50,430 --> 01:28:48,130

for another couple years so so it was 90

1878

01:28:51,940 --> 01:28:50,440

days yeah you know and and and even in

1879

01:28:55,330 --> 01:28:51,950

that I discovered

1880

01:28:59,640 --> 01:28:55,340

that in Larry's own words he talked

1881

01:29:02,740 --> 01:28:59,650

publicly about working with the stones

1882

01:29:06,610 --> 01:29:02,750

on a tour he's difficulty man I want to

1883

01:29:09,250 --> 01:29:06,620

say was maybe steel wheels and obviously

1884

01:29:11,770 --> 01:29:09,260

that's how they never told they never

1885

01:29:14,010 --> 01:29:11,780

Todd that's Robins sisters bombed his

1886

01:29:17,170 --> 01:29:14,020

steel wheels and then avatar did a three

1887

01:29:18,700 --> 01:29:17,180

gig well yeah sang in the same way he

1888

01:29:22,570 --> 01:29:18,710

talked about that he worked for the

1889

01:29:24,280 --> 01:29:22,580

stones on this tour and he also said he

1890

01:29:26,500 --> 01:29:24,290

was working with Stevie Ray on the tour

1891

01:29:28,270 --> 01:29:26,510

that he was with Robert Plant well

1892

01:29:31,780 --> 01:29:28,280

there's a problem in that they

1893

01:29:33,760 --> 01:29:31,790

overlapped so you can't be working on

1894

01:29:36,190 --> 01:29:33,770

two tours at the same time new places

1895

01:29:39,220 --> 01:29:36,200

and yeah can't be in two places it was

1896

01:29:40,840 --> 01:29:39,230

plus the Robert Plant but I've got a

1897

01:29:42,130 --> 01:29:40,850

photograph of him you know there's a

1898

01:29:43,630 --> 01:29:42,140

Stevie Ray Vaughan ones and there's a

1899

01:29:46,210 --> 01:29:43,640

Robert Plant one where he's with Robert

1900

01:29:48,310 --> 01:29:46,220

Phoebe snow and somebody else and if you

1901

01:29:51,370 --> 01:29:48,320

look at the wall in the back it goes all

1902

01:29:54,760 --> 01:29:51,380

wonky yes and and so I've kind of and

1903

01:29:56,590 --> 01:29:54,770

it's all all at a funny angle so it's

1904

01:29:58,090 --> 01:29:56,600

another generated photograph anyway you

1905

01:29:58,420 --> 01:29:58,100

was never in that photograph with Robert

1906

01:30:00,640 --> 01:29:58,430

Plant

1907

01:30:02,920 --> 01:30:00,650

it's stuck himself on the edge so I mean

1908

01:30:05,830 --> 01:30:02,930

it's certainly like the other thing that

1909

01:30:11,290 --> 01:30:05,840

gets me is that people I mean there is

1910

01:30:13,720 --> 01:30:11,300

just such an overwhelming pile of things

1911

01:30:19,810 --> 01:30:13,730

that should make any rational person go

1912

01:30:22,180 --> 01:30:19,820

huh that does look suspicious that you

1913

01:30:24,190 --> 01:30:22,190

know how people can't even allow

1914

01:30:27,390 --> 01:30:24,200

themselves to question that like maybe

1915

01:30:31,600 --> 01:30:27,400

he is lying you know but I mean it's a

1916

01:30:33,700 --> 01:30:31,610

mountain of evidence showing that he's

1917

01:30:35,260 --> 01:30:33,710

lied about thinking about that he's lied

1918

01:30:37,930 --> 01:30:35,270

about the other thing it's like a lie

1919

01:30:40,480 --> 01:30:37,940

after lie after lie after lie and and

1920

01:30:43,180 --> 01:30:40,490

then you're still gonna want to defend

1921

01:30:47,200 --> 01:30:43,190

the guy I mean it doesn't make logical

1922

01:30:50,680 --> 01:30:47,210

sense well that they didn't just defend

1923

01:30:52,540 --> 01:30:50,690

him they've actually had this concerted

1924

01:30:57,580 --> 01:30:52,550

assault the cold butter almond and

1925

01:31:00,670 --> 01:30:57,590

alliance against me right and they've at

1926

01:31:02,950 --> 01:31:00,680

this concert effort with it was around

1927

01:31:05,000 --> 01:31:02,960

fifty people at one point that were

1928

01:31:07,010 --> 01:31:05,010

trolling me

1929

01:31:10,280 --> 01:31:07,020

and then it whittled down it whittled

1930

01:31:13,490 --> 01:31:10,290

down it whittled down until you know all

1931

01:31:15,140 --> 01:31:13,500

of the people who were at first weren't

1932

01:31:17,450 --> 01:31:15,150

necessarily trolling me but they were

1933

01:31:19,729 --> 01:31:17,460

Todd to the people who were trolling me

1934

01:31:21,830 --> 01:31:19,739

negatively about me and they were

1935

01:31:24,110 --> 01:31:21,840

believing everything that he said it

1936

01:31:25,910 --> 01:31:24,120

wasn't until he screwed up by

1937

01:31:29,150 --> 01:31:25,920

threatening to put my windpipe through

1938

01:31:31,580 --> 01:31:29,160

my spine and my life faster than venue

1939

01:31:34,310 --> 01:31:31,590

security would ever you know be able to

1940

01:31:37,040 --> 01:31:34,320

react to etc that was what got him

1941

01:31:38,870 --> 01:31:37,050

banned from a conference now they said

1942

01:31:41,840 --> 01:31:38,880

that it was me that had wound him up and

1943

01:31:43,040 --> 01:31:41,850

blah blah blah so I should the lady who

1944

01:31:44,870 --> 01:31:43,050

organized the conference the

1945

01:31:46,490 --> 01:31:44,880

conversation where I said I were going

1946

01:31:49,729 --> 01:31:46,500

to go to this conference and I was going

1947

01:31:52,880 --> 01:31:49,739

to ask about his Rendlesham narrative

1948

01:31:55,250 --> 01:31:52,890

and he told this woman Alison Dunlop

1949

01:31:57,800 --> 01:31:55,260

that I threatened him and I'd threatened

1950

01:32:01,010 --> 01:31:57,810

his family and that was his reaction to

1951

01:32:03,620 --> 01:32:01,020

it the threat that he perceived was me

1952

01:32:05,360 --> 01:32:03,630

being in audience and asking him that

1953

01:32:07,910 --> 01:32:05,370

question and putting him on the spot so

1954

01:32:10,340 --> 01:32:07,920

his language was very tell him his

1955

01:32:13,100 --> 01:32:10,350

reaction was very Italian punch me in

1956

01:32:13,520 --> 01:32:13,110

the throat put my windpipe through my

1957

01:32:15,229 --> 01:32:13,530

spine

1958

01:32:16,610 --> 01:32:15,239

that's the throat so it's a punch me in

1959

01:32:21,140 --> 01:32:16,620

the throat which is where are my noise

1960

01:32:23,479 --> 01:32:21,150

comes from yeah and like wreck get and

1961

01:32:26,840 --> 01:32:23,489

kill me because I'm a threat at this

1962

01:32:29,960 --> 01:32:26,850

point now the threat is a question about

1963

01:32:31,790 --> 01:32:29,970

which Rendlesham narrative right so all

1964

01:32:34,070 --> 01:32:31,800

of that and I was trying to say people

1965

01:32:37,040 --> 01:32:34,080

look at his reaction how ridiculous is

1966

01:32:39,560 --> 01:32:37,050

that to a question and they thought they

1967

01:32:42,440 --> 01:32:39,570

believed him and then when she saw the

1968

01:32:45,200 --> 01:32:42,450

the conversation Facebook post where I

1969

01:32:47,540 --> 01:32:45,210

said to the co-organizer of that

1970

01:32:49,850 --> 01:32:47,550

conference Malcolm I am quite happy to

1971

01:32:51,920 --> 01:32:49,860

submit my question beforehand and I act

1972

01:32:54,080 --> 01:32:51,930

a little guarantee that I will not carry

1973

01:32:56,840 --> 01:32:54,090

on alarming I just want to ask this

1974

01:32:58,910 --> 01:32:56,850

question right and it was looking like

1975

01:33:01,070 --> 01:32:58,920

no gonna be able to go so it was a case

1976

01:33:03,650 --> 01:33:01,080

of well somebody else said we'll I'll

1977

01:33:09,080 --> 01:33:03,660

ask the question then yeah so it was a

1978

01:33:10,880 --> 01:33:09,090

case of II said that you and whomever in

1979

01:33:13,280 --> 01:33:10,890

brackets because someone else said that

1980

01:33:15,320 --> 01:33:13,290

they'd go and ask the question right so

1981

01:33:18,460 --> 01:33:15,330

then I got and and then they can't be

1982

01:33:21,130 --> 01:33:18,470

University cancelled the conference

1983

01:33:23,110 --> 01:33:21,140

and said no way we're not having this

1984

01:33:24,820 --> 01:33:23,120

going on there I got blamed for that as

1985

01:33:28,300 --> 01:33:24,830

well and they were going to send me a

1986

01:33:30,670 --> 01:33:28,310

bill for 450 pounds which was the extra

1987

01:33:33,220 --> 01:33:30,680

seven that were asked to pay for extra

1988

01:33:35,170 --> 01:33:33,230

security for a second venue that they

1989

01:33:39,220 --> 01:33:35,180

got yeah they were going to bill me for

1990

01:33:41,470 --> 01:33:39,230

it because of him but then they all

1991

01:33:44,740 --> 01:33:41,480

ended up because she just went actually

1992

01:33:48,370 --> 01:33:44,750

is he's behavior was utterly atrocious

1993

01:33:50,170 --> 01:33:48,380

right you know and he's told her little

1994

01:33:51,970 --> 01:33:50,180

eyes and the in she wrote statement and

1995

01:33:54,640 --> 01:33:51,980

that's how it all turned around so that

1996

01:33:57,730 --> 01:33:54,650

50 people quickly turned into just a

1997

01:34:00,190 --> 01:33:57,740

handful and the rest of him started

1998

01:34:03,580 --> 01:34:00,200

being on you know not on my team but we

1999

01:34:05,230 --> 01:34:03,590

kind of got together and facts you know

2000

01:34:06,370 --> 01:34:05,240

and divvying up the jobs between us what

2001

01:34:07,570 --> 01:34:06,380

we're gonna do right when it was gonna

2002

01:34:09,070 --> 01:34:07,580

check on that was gonna check on how it

2003

01:34:11,560 --> 01:34:09,080

was gonna hear they said yeah and that's

2004

01:34:21,190 --> 01:34:11,570

how I work and we became the fab far

2005

01:34:26,340 --> 01:34:21,200

from that is how that you know when you

2006

01:34:31,840 --> 01:34:26,350

see people who absolutely 100%

2007

01:34:35,890 --> 01:34:31,850

verifiably have known Larry some people

2008

01:34:38,410 --> 01:34:35,900

extremely well for example yeah his Co

2009

01:34:42,300 --> 01:34:38,420

West co-author on left at Eastgate who

2010

01:34:46,810 --> 01:34:42,310

now public publicly come out and stated

2011

01:34:50,440 --> 01:34:46,820

he's a liar it's all baloney and I was

2012

01:34:54,580 --> 01:34:50,450

hoodwinked and now this is a guy that's

2013

01:34:58,840 --> 01:34:54,590

got no no I mean no reason to want to do

2014

01:35:02,440 --> 01:34:58,850

that I mean because you know their book

2015

01:35:05,710 --> 01:35:02,450

being pulled off the market that affects

2016

01:35:08,650 --> 01:35:05,720

his intimate written three books what

2017

01:35:11,530 --> 01:35:08,660

that yeah he'd written three books two

2018

01:35:11,920 --> 01:35:11,540

of them made self publish but what they

2019

01:35:14,020 --> 01:35:11,930

were after

2020

01:35:17,050 --> 01:35:14,030

East Gate was Cosmo who was the

2021

01:35:19,570 --> 01:35:17,060

publisher so Cosmo canceled their

2022

01:35:22,360 --> 01:35:19,580

publishing off the book and Peter

2023

01:35:27,010 --> 01:35:22,370

himself pulled the other two books from

2024

01:35:30,820 --> 01:35:27,020

print and so so he you know he affected

2025

01:35:32,290 --> 01:35:30,830

his own income by doing that because he

2026

01:35:34,959 --> 01:35:32,300

clearly felt it was more

2027

01:35:36,910 --> 01:35:34,969

to tell what he had discovered and

2028

01:35:39,790 --> 01:35:36,920

believed to be the truth

2029

01:35:44,189 --> 01:35:39,800

so what blows my mind is people that

2030

01:35:47,319 --> 01:35:44,199

don't know Larry as well as Peter does

2031

01:35:49,330 --> 01:35:47,329

who was sit there and go oh no I still

2032

01:35:52,299 --> 01:35:49,340

believe Larry I mean here's a guy that

2033

01:35:54,850 --> 01:35:52,309

knew him intimately for decades and

2034

01:35:56,560 --> 01:35:54,860

defended him specially for decades who

2035

01:36:00,669 --> 01:35:56,570

has now come out and said thought I knew

2036

01:36:02,620 --> 01:36:00,679

him huh thought he knew him yeah we all

2037

01:36:05,580 --> 01:36:02,630

thought we knew him but we didn't right

2038

01:36:09,040 --> 01:36:05,590

but you know the point I'm getting at is

2039

01:36:11,319 --> 01:36:09,050

people that you know like myself uh you

2040

01:36:13,750 --> 01:36:11,329

know I knew him when he was here in

2041

01:36:16,750 --> 01:36:13,760

Rutland I knew him well enough that he

2042

01:36:20,740 --> 01:36:16,760

slept on my couch you know for a couple

2043

01:36:22,359 --> 01:36:20,750

of days and you know we hung out a lot I

2044

01:36:27,459 --> 01:36:22,369

mean I had a lot of interaction with

2045

01:36:30,100 --> 01:36:27,469

this guy and you know I'm telling you in

2046

01:36:33,040 --> 01:36:30,110

my experiences he could never tell the

2047

01:36:35,379 --> 01:36:33,050

same story twice he made things up I

2048

01:36:40,500 --> 01:36:35,389

believe he was forging items he was

2049

01:36:43,270 --> 01:36:40,510

selling items you know deceiving people

2050

01:36:45,609 --> 01:36:43,280

you know like like I said Peter worked

2051

01:36:47,830 --> 01:36:45,619

intimately with him for many many many

2052

01:36:48,520 --> 01:36:47,840

many years he's come out and said he's a

2053

01:36:51,250 --> 01:36:48,530

fraud

2054

01:36:53,470 --> 01:36:51,260

now why people won't believe that it

2055

01:36:55,359 --> 01:36:53,480

just boggles the mind I mean when you

2056

01:36:58,780 --> 01:36:55,369

have people even let's go to the you

2057

01:37:00,760 --> 01:36:58,790

know you know in the USL community when

2058

01:37:04,419 --> 01:37:00,770

you have somebody at the level of Nick

2059

01:37:06,850 --> 01:37:04,429

Pope saying this guy is full of it you

2060

01:37:11,649 --> 01:37:06,860

know what I mean there's you've got a

2061

01:37:13,510 --> 01:37:11,659

look at it and go you know obviously

2062

01:37:13,930 --> 01:37:13,520

Nick Pope would would would would love

2063

01:37:17,200 --> 01:37:13,940

her

2064

01:37:19,209 --> 01:37:17,210

Larry story to be true and well he

2065

01:37:22,419 --> 01:37:19,219

endorsed the book originally but April

2066

01:37:24,370 --> 01:37:22,429

his endorsement he wouldn't do that he

2067

01:37:25,109 --> 01:37:24,380

wasn't really complete sure it was

2068

01:37:27,790 --> 01:37:25,119

baloney

2069

01:37:28,990 --> 01:37:27,800

you know same thing with Peter you know

2070

01:37:30,010 --> 01:37:29,000

they're affecting their own

2071

01:37:32,140 --> 01:37:30,020

self-interest

2072

01:37:36,700 --> 01:37:32,150

in a negative way by having come out and

2073

01:37:38,680 --> 01:37:36,710

say I got fooled by this guy Alan tell

2074

01:37:41,580 --> 01:37:38,690

and tell you it's affected Peter very

2075

01:37:44,500 --> 01:37:41,590

badly and I hope that you know that

2076

01:37:46,209 --> 01:37:44,510

changes because I think actually why he

2077

01:37:48,459 --> 01:37:46,219

was immensely bro

2078

01:37:50,560 --> 01:37:48,469

he could have just carry on with Gary

2079

01:37:52,870 --> 01:37:50,570

Heseltine sticking his fingers in his

2080

01:37:54,970 --> 01:37:52,880

ears Allah but he couldn't because the

2081

01:37:57,939 --> 01:37:54,980

evidence that are presented actually

2082

01:37:59,229 --> 01:37:57,949

stood up to scrutiny you know so I mean

2083

01:38:01,900 --> 01:37:59,239

I guess that's that's where I'm going

2084

01:38:05,680 --> 01:38:01,910

with it is is that you know people have

2085

01:38:08,820 --> 01:38:05,690

to really step back and and look at all

2086

01:38:12,220 --> 01:38:08,830

of the stuff that's being presented and

2087

01:38:14,830 --> 01:38:12,230

who the people are that are saying you

2088

01:38:18,760 --> 01:38:14,840

know Larry's a fraud and a forger and a

2089

01:38:21,340 --> 01:38:18,770

liar and and even and you know I invite

2090

01:38:23,680 --> 01:38:21,350

them to take on their own investigation

2091

01:38:26,950 --> 01:38:23,690

you tried a piece Larry Warren's life

2092

01:38:30,550 --> 01:38:26,960

together and you try to figure it out

2093

01:38:34,630 --> 01:38:30,560

and I guarantee you you are not gonna

2094

01:38:36,910 --> 01:38:34,640

find any degrees from any college you're

2095

01:38:39,010 --> 01:38:36,920

not gonna find well we did check that

2096

01:38:41,170 --> 01:38:39,020

yeah well I'm gonna do this on their own

2097

01:38:44,050 --> 01:38:41,180

if people out there listening who still

2098

01:38:46,720 --> 01:38:44,060

think that he's telling the truth you

2099

01:38:48,910 --> 01:38:46,730

know just do your homework don't take my

2100

01:38:52,390 --> 01:38:48,920

word for it don't take Sasha's word for

2101
01:38:55,110 --> 01:38:52,400
it go out and you find financial records

2102
01:38:58,150 --> 01:38:55,120
proving that Larry worked for anybody

2103
01:39:01,510 --> 01:38:58,160
you go find that he had a degree from

2104
01:39:03,670 --> 01:39:01,520
any school you go find where he was an

2105
01:39:05,709 --> 01:39:03,680
expert in the steel industry you go find

2106
01:39:09,010 --> 01:39:05,719
where anybody could document that he was

2107
01:39:11,340 --> 01:39:09,020
at Ground Zero at 9/11 you know you go

2108
01:39:14,620 --> 01:39:11,350
find that there's any proof that he

2109
01:39:17,950 --> 01:39:14,630
worked as a publicist for the stones or

2110
01:39:18,790 --> 01:39:17,960
Stevie Ray or Eric Clapton or you know

2111
01:39:21,970 --> 01:39:18,800
anybody

2112
01:39:24,160 --> 01:39:21,980
you can't oh it was on stage at live it

2113
01:39:26,530 --> 01:39:24,170

he says he was on stage at light when

2114

01:39:29,560 --> 01:39:26,540

Led Zeppelin came on right well in the

2115

01:39:31,780 --> 01:39:29,570

DVD the only band that are not included

2116

01:39:33,790 --> 01:39:31,790

in the DVD of live aired is Led Zeppelin

2117

01:39:37,689 --> 01:39:33,800

because they paid that atrociously they

2118

01:39:39,880 --> 01:39:37,699

wouldn't allow that rap to be put into

2119

01:39:41,830 --> 01:39:39,890

it was just so disturbing all right

2120

01:39:44,650 --> 01:39:41,840

sorry it can't be seen so now somebody

2121

01:39:47,050 --> 01:39:44,660

that I know know they organized a

2122

01:39:49,270 --> 01:39:47,060

massive part of library now if I say who

2123

01:39:49,750 --> 01:39:49,280

or what he'll give it away so I'm not

2124

01:39:52,000 --> 01:39:49,760

going to

2125

01:39:54,370 --> 01:39:52,010

you just gotta set my word for this that

2126
01:39:59,140 --> 01:39:54,380
he has asked all of the people that

2127
01:39:59,890 --> 01:39:59,150
worked on that that stage that backstage

2128
01:40:01,720 --> 01:39:59,900
nobody

2129
01:40:04,090 --> 01:40:01,730
was getting back there tighter than the

2130
01:40:06,340 --> 01:40:04,100
nuts backside nobody's heard of Larry

2131
01:40:08,500 --> 01:40:06,350
Warren and I've got you know this is

2132
01:40:11,200 --> 01:40:08,510
obviously second-hand information but I

2133
01:40:13,270 --> 01:40:11,210
know that the guy who asked the guy and

2134
01:40:14,649 --> 01:40:13,280
know the industry that is in and I know

2135
01:40:16,899 --> 01:40:14,659
his connections and I know he's not

2136
01:40:20,470 --> 01:40:16,909
lying easy part of the people who help

2137
01:40:22,270 --> 01:40:20,480
me and he's done some amazing stuff but

2138
01:40:23,709 --> 01:40:22,280

Larry wasn't on stage we would like

2139

01:40:25,419 --> 01:40:23,719

something that like I don't I wish I

2140

01:40:28,090 --> 01:40:25,429

could do that well here's another thing

2141

01:40:30,040 --> 01:40:28,100

I mean showing some pictures of you with

2142

01:40:31,720 --> 01:40:30,050

famous people doesn't prove that you

2143

01:40:34,660 --> 01:40:31,730

worked for them or that you were even

2144

01:40:37,570 --> 01:40:34,670

friendly with them you know hoping for a

2145

01:40:40,030 --> 01:40:37,580

lot of people I've even played onstage

2146

01:40:42,370 --> 01:40:40,040

with with some famous people I could

2147

01:40:45,040 --> 01:40:42,380

show you photographs of me playing with

2148

01:40:49,450 --> 01:40:45,050

Rick Danko of the band on multiple

2149

01:40:51,820 --> 01:40:49,460

occasions we weren't close buddies I

2150

01:40:55,000 --> 01:40:51,830

just happen to be the opening act and he

2151
01:40:56,680 --> 01:40:55,010
was cool enough to ask me to sit in you

2152
01:40:59,590 --> 01:40:56,690
know I didn't know him I didn't work

2153
01:41:01,360 --> 01:40:59,600
warm I wasn't in his band you know I

2154
01:41:02,919 --> 01:41:01,370
could certainly tell those stories ago

2155
01:41:04,600 --> 01:41:02,929
look here's a picture of me playing with

2156
01:41:07,240 --> 01:41:04,610
him and people would believe it but

2157
01:41:09,459 --> 01:41:07,250
that's not what happened you know I can

2158
01:41:11,439 --> 01:41:09,469
show you pictures of me with all kinds

2159
01:41:12,970 --> 01:41:11,449
of different famous people I didn't know

2160
01:41:15,729 --> 01:41:12,980
they might just happen to be the opening

2161
01:41:18,880 --> 01:41:15,739
act yeah I mean it's like yeah it

2162
01:41:22,000 --> 01:41:18,890
doesn't mean a damn thing so that isn't

2163
01:41:25,390 --> 01:41:22,010

proof of anything you know like I said

2164

01:41:27,459 --> 01:41:25,400

there'd be financial records I haven't

2165

01:41:29,530 --> 01:41:27,469

even been able to find any kind of

2166

01:41:32,410 --> 01:41:29,540

indication that Larry actually graduated

2167

01:41:35,740 --> 01:41:32,420

from high school I mean find me a

2168

01:41:38,530 --> 01:41:35,750

yearbook that he's in you know what I'm

2169

01:41:40,750 --> 01:41:38,540

saying okay and I have looked at every

2170

01:41:42,360 --> 01:41:40,760

single what would not just me there was

2171

01:41:45,490 --> 01:41:42,370

a few of us we went through Alvin and

2172

01:41:47,380 --> 01:41:45,500

registers photo albums and all the rest

2173

01:41:49,060 --> 01:41:47,390

of it there's no sign of him at all and

2174

01:41:51,070 --> 01:41:49,070

in fact I do know somebody who knows the

2175

01:41:52,899 --> 01:41:51,080

fire chief who's quite disturbed about

2176

01:41:54,189 --> 01:41:52,909

this BT none of these people want to get

2177

01:41:56,830 --> 01:41:54,199

involved with it because it's such an

2178

01:41:59,050 --> 01:41:56,840

ugly magnet so you know why would you

2179

01:42:02,110 --> 01:41:59,060

invite this into your life yeah so it's

2180

01:42:04,510 --> 01:42:02,120

like a friend of a friend always but the

2181

01:42:07,060 --> 01:42:04,520

the fire chief who was in charge at

2182

01:42:09,430 --> 01:42:07,070

Ground Zero is horrified by this he's

2183

01:42:11,229 --> 01:42:09,440

put a post up in a group on Facebook

2184

01:42:12,820 --> 01:42:11,239

which is the official one but he said

2185

01:42:13,660 --> 01:42:12,830

I'm just gonna leave it there to see if

2186

01:42:16,840 --> 01:42:13,670

anyone gets mad

2187

01:42:18,640 --> 01:42:16,850

not to do anything about it you know and

2188

01:42:20,050 --> 01:42:18,650

there's a lot of that may pan won't get

2189

01:42:21,459 --> 01:42:20,060

involved especially involved and they'll

2190

01:42:23,590 --> 01:42:21,469

go guy won't get involved unless the

2191

01:42:25,600 --> 01:42:23,600

grocery involved family friends are

2192

01:42:28,080 --> 01:42:25,610

sending obscene revoir family friend of

2193

01:42:31,390 --> 01:42:28,090

Stevie Ray Vargas are sending me things

2194

01:42:33,040 --> 01:42:31,400

that are in action that they know

2195

01:42:36,370 --> 01:42:33,050

doesn't belong to Stevie and everything

2196

01:42:39,189 --> 01:42:36,380

well but they don't want their you

2197

01:42:42,220 --> 01:42:39,199

mentioned me paying I mean she came out

2198

01:42:46,120 --> 01:42:42,230

and made a public statement that I did

2199

01:42:49,300 --> 01:42:46,130

not give that that drawing tutelary as

2200

01:42:51,490 --> 01:42:49,310

he claims that she didn't believe that

2201

01:42:54,340 --> 01:42:51,500

it was a real and it's certain that it

2202

01:42:56,380 --> 01:42:54,350

was a real John Lennon drawing that it

2203

01:42:58,750 --> 01:42:56,390

definitely didn't originate from her I

2204

01:43:02,560 --> 01:42:58,760

mean she completely discredited a story

2205

01:43:04,840 --> 01:43:02,570

and still people will go oh now Larry's

2206

01:43:06,970 --> 01:43:04,850

telling the truth I'm like she's his

2207

01:43:08,680 --> 01:43:06,980

story and she's telling you it's not

2208

01:43:13,540 --> 01:43:08,690

true and you're not going to believe her

2209

01:43:17,140 --> 01:43:13,550

and by the way we can prove 100% that

2210

01:43:19,240 --> 01:43:17,150

MAPE a new John Lennon I mean you know

2211

01:43:21,430 --> 01:43:19,250

there's all kinds of proof that she knew

2212

01:43:25,000 --> 01:43:21,440

John Lennon anybody that believes that

2213

01:43:27,459 --> 01:43:25,010

Larry Warren at 17 and 18 years old was

2214

01:43:28,090 --> 01:43:27,469

friends with John Lennon you need your

2215

01:43:30,490 --> 01:43:28,100

head examined

2216

01:43:32,350 --> 01:43:30,500

I'll trained to be close per section I

2217

01:43:34,450 --> 01:43:32,360

say he was close for section demigods

2218

01:43:36,640 --> 01:43:34,460

and like I mean like you had the

2219

01:43:39,400 --> 01:43:36,650

photograph of him standing next to John

2220

01:43:41,680 --> 01:43:39,410

Lennon where he's got a beard and is

2221

01:43:46,720 --> 01:43:41,690

like Fort Emmy you can see you've got a

2222

01:43:49,660 --> 01:43:46,730

weathered face it's so blatantly a fake

2223

01:43:51,729 --> 01:43:49,670

and again anybody in their right mind

2224

01:44:00,100 --> 01:43:51,739

would look at that and go that's that's

2225

01:44:01,660 --> 01:44:00,110

so pathetic it's hilarious it's all

2226

01:44:04,300 --> 01:44:01,670

ridiculous and the other thing that is

2227

01:44:06,790 --> 01:44:04,310

he's generated all these paintings that

2228

01:44:09,580 --> 01:44:06,800

he says that were like Jerry Garcia's

2229

01:44:12,370 --> 01:44:09,590

Bob Dylan's all the rest of it but he's

2230

01:44:14,919 --> 01:44:12,380

like Jerry Garcia where did this

2231

01:44:16,840 --> 01:44:14,929

painting called the time she and Larry

2232

01:44:20,500 --> 01:44:16,850

walrus on his own version of this time

2233

01:44:24,220 --> 01:44:20,510

machine and another one that he's put in

2234

01:44:27,340 --> 01:44:24,230

action together with the Levin helm Bob

2235

01:44:30,520 --> 01:44:27,350

Dylan pentane which was said to be Faye

2236

01:44:31,870 --> 01:44:30,530

by the auction house and it was in an

2237

01:44:34,180 --> 01:44:31,880

auction that he sold

2238

01:44:36,850 --> 01:44:34,190

although the Jerrica pains him for 8

2239

01:44:40,300 --> 01:44:36,860

grand and since then he sold we think

2240

01:44:41,920 --> 01:44:40,310

the Jimi Hendrix jacket is sold the John

2241

01:44:44,590 --> 01:44:41,930

Lennon jacket he saw the John Lennon

2242

01:44:46,780 --> 01:44:44,600

paying in he sold a John Lennon a Jimi

2243

01:44:50,020 --> 01:44:46,790

Hendrix ring and tried to send her Jimi

2244

01:44:53,380 --> 01:44:50,030

Hendrix paint in and so I kind of taught

2245

01:44:55,360 --> 01:44:53,390

it up how much he's actually generated

2246

01:44:58,570 --> 01:44:55,370

from some of the things that he sold I

2247

01:45:01,600 --> 01:44:58,580

know of his in this past sort of five

2248

01:45:04,630 --> 01:45:01,610

years for a time frame maybe six

2249

01:45:08,740 --> 01:45:04,640

actually and it's well over 60,000

2250

01:45:11,140 --> 01:45:08,750

pounds well in if he's piece all day

2251

01:45:13,180 --> 01:45:11,150

Jimi jacket and the painting that's

2252

01:45:14,160 --> 01:45:13,190

another thirty thousand out of one art

2253

01:45:17,170 --> 01:45:14,170

room

2254

01:45:19,320 --> 01:45:17,180

and and the police don't appreciate

2255

01:45:23,110 --> 01:45:19,330

right we don't deal with that

2256

01:45:24,880 --> 01:45:23,120

mind-boggling did know you know that

2257

01:45:28,240 --> 01:45:24,890

there isn't an up or send in England

2258

01:45:30,340 --> 01:45:28,250

because I guarantee you you can't find

2259

01:45:34,480 --> 01:45:30,350

any place where Larry paid taxes on that

2260

01:45:38,590 --> 01:45:34,490

money to English Oh copies oldest taxes

2261

01:45:41,560 --> 01:45:38,600

of America or yes I'll be 80 Oh anything

2262

01:45:45,990 --> 01:45:41,570

I mean he says his business it's no

2263

01:45:47,830 --> 01:45:46,000

website is no castle oh please no no no

2264

01:45:53,620 --> 01:45:47,840

and I

2265

01:45:55,660 --> 01:45:53,630

suspect that any online auctions he's

2266

01:45:59,050 --> 01:45:55,670

it's somebody somebody else is selling

2267

01:46:01,840 --> 01:45:59,060

it for him and again though he connects

2268

01:46:03,850 --> 01:46:01,850

himself to all of these items when you

2269

01:46:05,830 --> 01:46:03,860

provide a letter of authenticity from

2270

01:46:09,970 --> 01:46:05,840

Charlie Lennon where he specifically

2271

01:46:12,100 --> 01:46:09,980

says I gave that you know this I gave

2272

01:46:14,470 --> 01:46:12,110

this Larry Warren or I sold it to Larry

2273

01:46:16,960 --> 01:46:14,480

Warren or Larry Warren is authenticating

2274

01:46:22,510 --> 01:46:16,970

it you know I received this from Charlie

2275

01:46:24,940 --> 01:46:22,520

listen you know name it well Charlie

2276

01:46:27,160 --> 01:46:24,950

Lennon died is without any money they

2277

01:46:28,480 --> 01:46:27,170

died in poverty yet this guy took all

2278

01:46:30,490 --> 01:46:28,490

that stuff off and the soldier attacks

2279

01:46:31,900 --> 01:46:30,500

all them on you know I mean book he's

2280

01:46:34,540 --> 01:46:31,910

Mike he's putting himself out to be a

2281

01:46:37,720 --> 01:46:34,550

devil anyway right just like that right

2282

01:46:39,910 --> 01:46:37,730

but you know I'm saying that by his let

2283

01:46:40,299 --> 01:46:39,920

use of letter of authenticity where he

2284

01:46:44,319 --> 01:46:40,309

men

2285

01:46:47,859 --> 01:46:44,329

his own name or he directly can connect

2286

01:46:50,889 --> 01:46:47,869

himself to the side oh yeah you know or

2287

01:46:54,369 --> 01:46:50,899

which when you you know when you can

2288

01:46:56,500 --> 01:46:54,379

prove these items or forgeries I mean

2289

01:46:59,439 --> 01:46:56,510

yeah I can't wiggle out of like oh well

2290

01:47:02,349 --> 01:46:59,449

that's not me well the letter says Larry

2291

01:47:04,599 --> 01:47:02,359

Warren write on it you know how would

2292

01:47:08,049 --> 01:47:04,609

Charlie Lennon ever even know who the

2293

01:47:11,290 --> 01:47:08,059

hell Larry Warren was well because Larry

2294

01:47:13,750 --> 01:47:11,300

moved to where Charlie lived yeah you've

2295

01:47:19,719 --> 01:47:13,760

moved to the same little town as a big

2296

01:47:21,069 --> 01:47:19,729

birth so so he something out and said

2297

01:47:22,629 --> 01:47:21,079

alright well this is where I live this

2298

01:47:25,899 --> 01:47:22,639

is how I knew it when he's actually said

2299

01:47:28,239 --> 01:47:25,909

that Charlie was like an uncle to him so

2300

01:47:30,219 --> 01:47:28,249

he was John Lennon's uncle so he's like

2301

01:47:32,679 --> 01:47:30,229

an uncle to John Lennon and little -

2302

01:47:36,429 --> 01:47:32,689

Larry warrior so they're far they're

2303

01:47:38,079 --> 01:47:36,439

brothers cousins what no it's like he's

2304

01:47:40,899 --> 01:47:38,089

putting himself at the heart of the

2305

01:47:43,569 --> 01:47:40,909

family you know it's not true I mean you

2306

01:47:47,679 --> 01:47:43,579

know here's here's kind of my assessment

2307

01:47:49,839 --> 01:47:47,689

of his motivation way back when

2308

01:47:51,669 --> 01:47:49,849

because another one of his stories was

2309

01:47:54,909 --> 01:47:51,679

like you know after he's talking about I

2310

01:47:58,379 --> 01:47:54,919

was Dennis Wilson's personal assistant I

2311

01:48:00,759 --> 01:47:58,389

saw online where he also talked about oh

2312

01:48:02,829 --> 01:48:00,769

yeah and I went to this club in the

2313

01:48:06,939 --> 01:48:02,839

early 80s and I jammed with the Beach

2314

01:48:11,259 --> 01:48:06,949

Boys now I've seen Larry try to play the

2315

01:48:14,829 --> 01:48:11,269

bass he is not a musician the guy can't

2316

01:48:19,259 --> 01:48:14,839

string two notes together he wouldn't

2317

01:48:26,500 --> 01:48:22,959

to put up a any kind of video of him

2318

01:48:28,719 --> 01:48:26,510

playing anything playing something music

2319

01:48:31,329 --> 01:48:28,729

fingers always hurt though because

2320

01:48:33,339 --> 01:48:31,339

always hurt when Dave said to him

2321

01:48:36,569 --> 01:48:33,349

because my partner Davey plays a guitar

2322

01:48:38,919 --> 01:48:36,579

he's a really good you know musician and

2323

01:48:40,899 --> 01:48:38,929

there's musical instruments lying around

2324

01:48:42,909 --> 01:48:40,909

all over the place in the house Larry

2325

01:48:44,469 --> 01:48:42,919

never ever picks up a guitar when Dave

2326

01:48:48,279 --> 01:48:44,479

said somewhat so and we said oh my

2327

01:48:51,159 --> 01:48:48,289

fingers are a bit so yeah you know that

2328

01:48:53,709 --> 01:48:51,169

was you don't play my you know yeah you

2329

01:48:54,160 --> 01:48:53,719

know so what I think probably case was

2330

01:48:56,500 --> 01:48:54,170

is they

2331

01:48:59,200 --> 01:48:56,510

way way way back when when he was in

2332

01:49:01,930 --> 01:48:59,210

high school you know he wanted to be in

2333

01:49:03,850 --> 01:49:01,940

it he wanted to be a musician and you

2334

01:49:06,959 --> 01:49:03,860

know I've seen a photograph of him

2335

01:49:11,260 --> 01:49:06,969

playing with a band way back then and

2336

01:49:13,240 --> 01:49:11,270

I'm sure they were not good and I'm sure

2337

01:49:16,600 --> 01:49:13,250

that he couldn't play and there had to

2338

01:49:18,880 --> 01:49:16,610

be a point where he realized my dream of

2339

01:49:19,979 --> 01:49:18,890

being a famous rock and roll star isn't

2340

01:49:26,350 --> 01:49:19,989

going to happen

2341

01:49:28,419 --> 01:49:26,360

so he created the illusion another way

2342

01:49:30,640 --> 01:49:28,429

he became you know he wanted to be

2343

01:49:33,130 --> 01:49:30,650

fainted it was about being famous and

2344

01:49:34,890 --> 01:49:33,140

about being connected to music and I

2345

01:49:38,800 --> 01:49:34,900

think that's how the whole thing

2346

01:49:42,580 --> 01:49:38,810

probably got started way back when you

2347

01:49:45,189 --> 01:49:42,590

know but I mean again the guy can't play

2348

01:49:49,630 --> 01:49:45,199

I've seen him try on more than one

2349

01:49:52,270 --> 01:49:49,640

occasion and he's terrible so the story

2350

01:49:54,820 --> 01:49:52,280

you know there's no way the Heath had

2351
01:49:59,110 --> 01:49:54,830
him with the Beach Boys you know never

2352
01:50:02,709 --> 01:49:59,120
ever happened now in his book he says

2353
01:50:04,330 --> 01:50:02,719
that he's scratched onto the surface is

2354
01:50:06,280 --> 01:50:04,340
going into the air faster convinced a

2355
01:50:07,360 --> 01:50:06,290
few friends to go in it as well but

2356
01:50:09,280 --> 01:50:07,370
we're in different and they played at

2357
01:50:12,189 --> 01:50:09,290
this festival to three thousand people

2358
01:50:15,640 --> 01:50:12,199
and that somebody approached him and

2359
01:50:17,320 --> 01:50:15,650
said oh yeah like the Eagles you know we

2360
01:50:24,130 --> 01:50:17,330
want to sign you and it's like no so

2361
01:50:26,380 --> 01:50:24,140
we're going in the u.s. there for us mum

2362
01:50:28,660 --> 01:50:26,390
fail at that why would you sign a record

2363
01:50:30,850 --> 01:50:28,670

deal when you go in to go into the US

2364

01:50:33,990 --> 01:50:30,860

Air Force and and probably back in what

2365

01:50:37,000 --> 01:50:34,000

1980 they were probably getting paid but

2366

01:50:40,000 --> 01:50:37,010

hundred bucks a week fifty bucks a week

2367

01:50:42,040 --> 01:50:40,010

I mean well it was out of the Air Force

2368

01:50:43,209 --> 01:50:42,050

about 20 weeks later so he could just to

2369

01:50:48,010 --> 01:50:43,219

go on back to that guy said I've changed

2370

01:50:50,439 --> 01:50:48,020

my mind one let's do it you know and you

2371

01:50:52,840 --> 01:50:50,449

know and again it's like don't take our

2372

01:50:57,370 --> 01:50:52,850

word for it go do your own homework I

2373

01:51:00,610 --> 01:50:57,380

mean uh you know I mean again like his

2374

01:51:03,520 --> 01:51:00,620

own co-author you know has stated like

2375

01:51:05,620 --> 01:51:03,530

Yeah right off the bat you know he

2376

01:51:07,660 --> 01:51:05,630

claimed that he was had a degree from

2377

01:51:08,350 --> 01:51:07,670

some college in Connecticut and and

2378

01:51:12,480 --> 01:51:08,360

there happened

2379

01:51:16,570 --> 01:51:12,490

you know there he proved it was a lie

2380

01:51:21,880 --> 01:51:16,580

you know and once a liar always a liar

2381

01:51:24,640 --> 01:51:21,890

you know I mean he you know he there can

2382

01:51:27,430 --> 01:51:24,650

he show any documents any any kind of

2383

01:51:30,280 --> 01:51:27,440

diploma any kind of diploma like I said

2384

01:51:31,690 --> 01:51:30,290

I does even have a GE well even show his

2385

01:51:33,940 --> 01:51:31,700

military records

2386

01:51:35,650 --> 01:51:33,950

it won't even show us its military

2387

01:51:38,200 --> 01:51:35,660

records you won't show us anything

2388

01:51:40,930 --> 01:51:38,210

because we've asked how dare you

2389

01:51:43,000 --> 01:51:40,940

question it how dare you ask for

2390

01:51:44,950 --> 01:51:43,010

evidence right I've got the evidence but

2391

01:51:47,590 --> 01:51:44,960

you can't see well you know I'm not

2392

01:51:49,810 --> 01:51:47,600

worthy that there's a smacks of the The

2393

01:51:53,460 --> 01:51:49,820

Wizard of Oz of like pay no attention to

2394

01:52:00,670 --> 01:51:58,300

no you know the fact that it's just

2395

01:52:03,280 --> 01:52:00,680

don't going isn't it people doesn't stop

2396

01:52:09,930 --> 01:52:03,290

wouldn't be questioning if there weren't

2397

01:52:16,150 --> 01:52:12,880

everything I've looked hire is a lie and

2398

01:52:18,790 --> 01:52:16,160

then a new turned up and just underlined

2399

01:52:21,790 --> 01:52:18,800

everything that I've said and and and

2400

01:52:25,060 --> 01:52:21,800

it's not me with my mind-control powers

2401

01:52:27,940 --> 01:52:25,070

as they seem to think that I have way of

2402

01:52:31,990 --> 01:52:27,950

know I was weighing everybody I I made

2403

01:52:35,470 --> 01:52:32,000

Peter ruin his career with my mind power

2404

01:52:39,180 --> 01:52:35,480

right I can I can say State for the

2405

01:52:43,420 --> 01:52:39,190

record I contacted you and said I have

2406

01:52:46,270 --> 01:52:43,430

some some documents you should see and

2407

01:52:49,690 --> 01:52:46,280

you know and I suspected in tandem with

2408

01:52:52,840 --> 01:52:49,700

this conversation you're going to use at

2409

01:52:53,890 --> 01:52:52,850

least some of the documents and I was

2410

01:52:56,920 --> 01:52:53,900

all going out there baby

2411

01:52:58,600 --> 01:52:56,930

alright well I mean if it's all right

2412

01:52:59,560 --> 01:52:58,610

with you I would love to and then I

2413

01:53:01,780 --> 01:52:59,570

would like to do some further

2414

01:53:03,820 --> 01:53:01,790

comparisons with the handwriting samples

2415

01:53:06,070 --> 01:53:03,830

that both of us have because you know

2416

01:53:07,960 --> 01:53:06,080

you found problems you found the same

2417

01:53:10,360 --> 01:53:07,970

problems as I found because you've used

2418

01:53:14,260 --> 01:53:10,370

it a couple of pieces because of the

2419

01:53:16,960 --> 01:53:14,270

during the the double odd during you

2420

01:53:20,320 --> 01:53:16,970

know and I all will just knit together

2421

01:53:21,820 --> 01:53:20,330

well I mean you know the thing was like

2422

01:53:24,160 --> 01:53:21,830

yeah I discovered

2423

01:53:26,110 --> 01:53:24,170

you know a number of things like that or

2424

01:53:29,350 --> 01:53:26,120

you know or use them but I also

2425

01:53:31,570 --> 01:53:29,360

discovered like like the jacket like I

2426

01:53:36,070 --> 01:53:31,580

told you he used the word guaranteed

2427

01:53:38,590 --> 01:53:36,080

split into three pieces which again you

2428

01:53:41,470 --> 01:53:38,600

aren't gonna find any Stevie Ray Vaughn

2429

01:53:43,360 --> 01:53:41,480

signature where he ever did that or any

2430

01:53:46,450 --> 01:53:43,370

example of his handwriting where he ever

2431

01:53:49,780 --> 01:53:46,460

did that but in the handwritten letter

2432

01:53:54,430 --> 01:53:49,790

that Larry wrote to me he did it

2433

01:53:58,170 --> 01:53:54,440

mm-hmm he used to you you have to have

2434

01:54:02,170 --> 01:53:58,180

the correct attitude that's like what's

2435

01:54:03,460 --> 01:54:02,180

interesting that you know Stevie Ray

2436

01:54:05,410 --> 01:54:03,470

Vaughn you can't find anything where he

2437

01:54:09,490 --> 01:54:05,420

does it but there it is Larry did it in

2438

01:54:12,060 --> 01:54:09,500

his own handwriting and Larry did the

2439

01:54:15,400 --> 01:54:12,070

during in his men they did the daring in

2440

01:54:16,750 --> 01:54:15,410

Salinas at the dairy with lemon we need

2441

01:54:18,640 --> 01:54:16,760

to keep going on and on with those

2442

01:54:21,400 --> 01:54:18,650

documents that I gave you but I had it I

2443

01:54:23,080 --> 01:54:21,410

hit a point where I was like you know I

2444

01:54:24,760 --> 01:54:23,090

was kind of like well you're wrong you

2445

01:54:26,320 --> 01:54:24,770

know everybody you can keep looking at

2446

01:54:28,150 --> 01:54:26,330

these documents and fight because you

2447

01:54:30,820 --> 01:54:28,160

know I picked off a number of letters

2448

01:54:33,850 --> 01:54:30,830

that were you could say look at the way

2449

01:54:37,960 --> 01:54:33,860

these s's is the S is for example and

2450

01:54:39,820 --> 01:54:37,970

the backwards e you know the e that's a

2451

01:54:42,430 --> 01:54:39,830

backwards three like there you know that

2452

01:54:43,900 --> 01:54:42,440

Stevie Ray Vaughn use you know and then

2453

01:54:47,500 --> 01:54:43,910

all of a sudden it's like well look

2454

01:54:50,710 --> 01:54:47,510

here's layer using the same swoopy exact

2455

01:54:53,710 --> 01:54:50,720

same swoop ES and the backwards three

2456

01:54:57,220 --> 01:54:53,720

the same journey and learn Rene Martinez

2457

01:54:59,440 --> 01:54:57,230

doing the same thing you know and look

2458

01:55:02,080 --> 01:54:59,450

Phoebe Snow yeah here's nobody else in

2459

01:55:06,520 --> 01:55:02,090

Stevie's band doing an S the same way

2460

01:55:09,130 --> 01:55:06,530

doing this are the same way so it hit a

2461

01:55:11,050 --> 01:55:09,140

point where I was like you know after

2462

01:55:12,580 --> 01:55:11,060

five or six different letters that I

2463

01:55:15,480 --> 01:55:12,590

pointed out that you could find that

2464

01:55:18,640 --> 01:55:15,490

were the exact same across numerous

2465

01:55:24,190 --> 01:55:18,650

documents that were definitely you could

2466

01:55:25,900 --> 01:55:24,200

source directly to Larry Warren you know

2467

01:55:28,090 --> 01:55:25,910

I had to hit a point where I was like

2468

01:55:31,840 --> 01:55:28,100

okay everybody you're on your own you

2469

01:55:34,000 --> 01:55:31,850

can you know I mean I've heard in

2470

01:55:35,500 --> 01:55:34,010

noticing that like little other things

2471

01:55:37,959 --> 01:55:35,510

that he did quirks like

2472

01:55:41,279 --> 01:55:37,969

um you know people can follow up on this

2473

01:55:45,370 --> 01:55:41,289

on their own is that documents where

2474

01:55:47,589 --> 01:55:45,380

sometimes he seems to forget which form

2475

01:55:50,229 --> 01:55:47,599

of the letter he's using and all of a

2476
01:55:53,109 --> 01:55:50,239
sudden it's like whoops you know there

2477
01:55:55,899 --> 01:55:53,119
there's you know that J looks different

2478
01:55:59,140 --> 01:55:55,909
than this one in the same ladder you

2479
01:56:00,250 --> 01:55:59,150
know and or hey she keeps slipping and

2480
01:56:02,379 --> 01:56:00,260
here he's printing and all of a sudden

2481
01:56:05,649 --> 01:56:02,389
he forgot what he was doing and wrote

2482
01:56:08,080 --> 01:56:05,659
one word and cursive you know and it's a

2483
01:56:10,740 --> 01:56:08,090
which is a trait of Hayes as well yeah

2484
01:56:12,939 --> 01:56:10,750
so you can start looking at an

2485
01:56:14,740 --> 01:56:12,949
capitalizes in the capital a is in the

2486
01:56:16,180 --> 01:56:14,750
room right so you can see there's not

2487
01:56:18,729 --> 01:56:16,190
alone get started looking at these

2488
01:56:21,759 --> 01:56:18,739

different documents and going oh yeah

2489

01:56:23,950 --> 01:56:21,769

look Charlie Lennon does the same thing

2490

01:56:27,850 --> 01:56:23,960

oh look Rene Martinez does the same

2491

01:56:30,520 --> 01:56:27,860

thing the same thing with the he is the

2492

01:56:33,459 --> 01:56:30,530

world's worst speller you know the guy

2493

01:56:35,979 --> 01:56:33,469

can't spell you know which is why you

2494

01:56:38,049 --> 01:56:35,989

know and I hope this works him to know

2495

01:56:39,850 --> 01:56:38,059

in but this is why I questioned whether

2496

01:56:41,950 --> 01:56:39,860

he actually got a high school diploma or

2497

01:56:45,490 --> 01:56:41,960

not because he really is a terrible

2498

01:56:47,350 --> 01:56:45,500

speller yeah it's in his book that he

2499

01:56:48,939 --> 01:56:47,360

didn't do well at school and no

2500

01:56:50,950 --> 01:56:48,949

universities were going to be knocking

2501

01:56:52,689 --> 01:56:50,960

on his door so how did he get the group

2502

01:56:54,399 --> 01:56:52,699

how did he get degrees communications

2503

01:56:56,680 --> 01:56:54,409

and how did he get you know whatever the

2504

01:57:00,609 --> 01:56:56,690

degree that he was claiming he got in

2505

01:57:05,520 --> 01:57:00,619

you know Connecticut I mean you know I

2506

01:57:10,509 --> 01:57:05,530

mean come on Laura doesn't hold water no

2507

01:57:13,359 --> 01:57:10,519

no no no it's it's that there's that

2508

01:57:15,490 --> 01:57:13,369

many holes in the bag the big a bag has

2509

01:57:19,990 --> 01:57:15,500

become a chip there's no bottom it's

2510

01:57:22,959 --> 01:57:20,000

just so perforated well I mean just that

2511

01:57:26,379 --> 01:57:22,969

point that you just brought service okay

2512

01:57:28,120 --> 01:57:26,389

and not being good in school that's kind

2513

01:57:30,660 --> 01:57:28,130

of a common tale and I'm sure it's the

2514

01:57:34,709 --> 01:57:30,670

same thing in England that often times

2515

01:57:38,910 --> 01:57:34,719

when people don't do well in school

2516

01:57:42,600 --> 01:57:38,920

aren't good students don't like school

2517

01:57:46,089 --> 01:57:42,610

when they become a you know legal age

2518

01:57:48,910 --> 01:57:46,099

they list because there's no other

2519

01:57:52,180 --> 01:57:48,920

there's like it's an option too

2520

01:57:53,650 --> 01:57:52,190

be able to make money you know it's like

2521

01:57:56,169 --> 01:57:53,660

well I don't want to go to college but I

2522

01:57:58,750 --> 01:57:56,179

want to I want to make money all enlist

2523

01:58:00,669 --> 01:57:58,760

in the service I'm not you know I don't

2524

01:58:04,120 --> 01:58:00,679

like going to school but Amanda trade is

2525

01:58:07,270 --> 01:58:04,130

very so when you look at layer you look

2526

01:58:10,000 --> 01:58:07,280

at his spelling you look at his you know

2527

01:58:12,040 --> 01:58:10,010

the fact that you can't find anything

2528

01:58:13,810 --> 01:58:12,050

you can't find yearbooks with it I mean

2529

01:58:17,320 --> 01:58:13,820

you can't find anything to prove that

2530

01:58:21,630 --> 01:58:17,330

the guy actually graduated from anywhere

2531

01:58:25,270 --> 01:58:23,680

well there is a little thing when I

2532

01:58:27,640 --> 01:58:25,280

checked one of those instachat things

2533

01:58:31,470 --> 01:58:27,650

online there's a Larry a war room from

2534

01:58:36,669 --> 01:58:31,480

Vermont and Queensbury with ten plus

2535

01:58:42,459 --> 01:58:36,679

criminal records which we've been

2536

01:58:47,290 --> 01:58:42,469

debating paying for information you know

2537

01:58:50,050 --> 01:58:47,300

and so you know T that the scenario

2538

01:58:51,459 --> 01:58:50,060

seems to fit more likely that that's

2539

01:58:53,500 --> 01:58:51,469

what happened that's what service and

2540

01:58:56,919 --> 01:58:53,510

the fact that they booted him out of the

2541

01:59:00,430 --> 01:58:56,929

service I'm telling you they don't do

2542

01:59:02,470 --> 01:59:00,440

that unless they absolutely have to it

2543

01:59:05,500 --> 01:59:02,480

would have a t they would have kept him

2544

01:59:07,510 --> 01:59:05,510

in the service for as long as they could

2545

01:59:13,120 --> 01:59:07,520

you know they're always looking for

2546

01:59:14,740 --> 01:59:13,130

people to it so again going back to the

2547

01:59:17,350 --> 01:59:14,750

documents you know you look at the

2548

01:59:20,500 --> 01:59:17,360

misspellings and it's like you know

2549

01:59:23,229 --> 01:59:20,510

across documents you can see oh my god

2550

01:59:24,640 --> 01:59:23,239

all none of these people can spell yeah

2551

01:59:26,650 --> 01:59:24,650

when I think there's misspellings on

2552

01:59:29,110 --> 01:59:26,660

every pretty much every die some of them

2553

01:59:31,479 --> 01:59:29,120

can't even spell their own exactly I

2554

01:59:33,850 --> 01:59:31,489

mean how many times have you misspelled

2555

01:59:35,770 --> 01:59:33,860

your name I don't think I ever heard

2556

01:59:37,090 --> 01:59:35,780

exactly but you certainly do it and

2557

01:59:39,490 --> 01:59:37,100

didn't do it in multiple times I mean

2558

01:59:42,090 --> 01:59:39,500

even if you were writing hastily you

2559

01:59:44,380 --> 01:59:42,100

know you know what I mean but it's like

2560

01:59:46,780 --> 01:59:44,390

you know and that's going back to the

2561

01:59:49,510 --> 01:59:46,790

jacket one of the things that again is I

2562

01:59:53,740 --> 01:59:49,520

am providing actual physical verifiable

2563

01:59:56,439 --> 01:59:53,750

evidence from an actual you know company

2564

02:00:00,580 --> 01:59:56,449

that does signature authentication and

2565

02:00:02,709 --> 02:00:00,590

they put in writing this is a forgery

2566

02:00:06,340 --> 02:00:02,719

and one of the things is

2567

02:00:09,000 --> 02:00:06,350

Vaughn is spelled wrong the letters

2568

02:00:12,370 --> 02:00:09,010

aren't shaped correctly they're leaning

2569

02:00:13,810 --> 02:00:12,380

incorrectly the you know what I mean and

2570

02:00:16,360 --> 02:00:13,820

actually if you look at the leather

2571

02:00:18,400 --> 02:00:16,370

jacket it would be the one and only time

2572

02:00:19,540 --> 02:00:18,410

at Stevie Ray didn't use a backwards

2573

02:00:22,420 --> 02:00:19,550

three for an E

2574

02:00:27,070 --> 02:00:22,430

it's Stevie with a small case he never

2575

02:00:29,500 --> 02:00:27,080

happened you know so it you know it's

2576

02:00:34,050 --> 02:00:29,510

just people you got to start using some

2577

02:00:36,840 --> 02:00:34,060

logic and you know if he's lying about

2578

02:00:43,090 --> 02:00:36,850

you know

2579

02:00:44,830 --> 02:00:43,100

he's lying about his involvement in the

2580

02:00:47,260 --> 02:00:44,840

service his involvement in Rendlesham

2581

02:00:50,680 --> 02:00:47,270

for his involvement is the whistleblower

2582

02:00:54,010 --> 02:00:50,690

I mean the fact that his story continues

2583

02:00:57,520 --> 02:00:54,020

to change after thirty eight eight years

2584

02:00:59,590 --> 02:00:57,530

I mean when does logic come into play

2585

02:01:01,689 --> 02:00:59,600

and people go wow why would why would

2586

02:01:03,280 --> 02:01:01,699

remember things now that he didn't

2587

02:01:05,650 --> 02:01:03,290

remember thirty-eight years ago

2588

02:01:08,380 --> 02:01:05,660

why is he now got photographs and you

2589

02:01:10,390 --> 02:01:08,390

didn't have thirty-eight years ago you

2590

02:01:12,189 --> 02:01:10,400

know why is he now coming up with some

2591

02:01:13,840 --> 02:01:12,199

letter from his that he wrote to his

2592

02:01:17,170 --> 02:01:13,850

mother that he didn't come up with 38

2593

02:01:19,630 --> 02:01:17,180

years ago I mean he's kind of like

2594

02:01:23,820 --> 02:01:19,640

gently waved that around but since his

2595

02:01:26,320 --> 02:01:23,830

mom became Paulie and since died he's

2596

02:01:28,900 --> 02:01:26,330

trumpeting it you know it's just like

2597

02:01:30,939 --> 02:01:28,910

wow well why didn't you go mad about it

2598

02:01:32,560 --> 02:01:30,949

like you are doing now before why is it

2599

02:01:35,110 --> 02:01:32,570

so important now that your mom can't

2600

02:01:38,530 --> 02:01:35,120

actually say no right that's not what

2601
02:01:42,910 --> 02:01:38,540
was in the letter right exactly you know

2602
02:01:44,740 --> 02:01:42,920
so yeah I mean I've come forward it's

2603
02:01:47,110 --> 02:01:44,750
just it's deafening is it you can come

2604
02:01:49,689 --> 02:01:47,120
you can go up like in circles well that

2605
02:01:52,750 --> 02:01:49,699
yeah constantly I mean here's the thing

2606
02:01:54,070 --> 02:01:52,760
you know I'm sticking my neck out you

2607
02:01:56,320 --> 02:01:54,080
know and I'm sure there'll be you know

2608
02:01:59,020 --> 02:01:56,330
there's probably gonna be some grease

2609
02:02:04,840 --> 02:01:59,030
orders that are gonna you know trash me

2610
02:02:07,660 --> 02:02:04,850
and and whatever go for it yeah you know

2611
02:02:12,850 --> 02:02:07,670
I'm very confident in my and my skills

2612
02:02:15,970 --> 02:02:12,860
and in my career and I actually knew

2613
02:02:16,610 --> 02:02:15,980

Larry I can prove it and I'm providing

2614

02:02:20,210 --> 02:02:16,620

actual

2615

02:02:23,930 --> 02:02:20,220

physical verifiable evidence you know

2616

02:02:25,790 --> 02:02:23,940

I'm good also mission authentication I

2617

02:02:27,560 --> 02:02:25,800

could probably list you fifty people you

2618

02:02:31,840 --> 02:02:27,570

could you know interview from Rutland a

2619

02:02:37,220 --> 02:02:31,850

lot and they'd all have Larry stories

2620

02:02:39,440 --> 02:02:37,230

you know so you know again I'm sticking

2621

02:02:42,080 --> 02:02:39,450

my neck out and I invite people who are

2622

02:02:45,110 --> 02:02:42,090

listening to do your own homework

2623

02:02:48,770 --> 02:02:45,120

do some research try to find anything

2624

02:02:53,140 --> 02:02:48,780

that proves proves physical evidence any

2625

02:02:57,320 --> 02:02:53,150

of his stories are true good luck

2626
02:02:59,600 --> 02:02:57,330
exactly and also you know Gary Heseltine

2627
02:03:01,670 --> 02:02:59,610
says listen to me cuz I'm just a crazy

2628
02:03:04,160 --> 02:03:01,680
person this is my end that's actually

2629
02:03:07,790 --> 02:03:04,170
just an opinion of Gary Heseltine's

2630
02:03:10,130 --> 02:03:07,800
and he's like absolutely ignoring all of

2631
02:03:12,050 --> 02:03:10,140
this evidence because he can just put it

2632
02:03:14,540 --> 02:03:12,060
into one little bubble if Sasha's a

2633
02:03:17,180 --> 02:03:14,550
crazy lady he was infatuated with Warren

2634
02:03:19,580 --> 02:03:17,190
she's obsessed she loves him and she's

2635
02:03:21,230 --> 02:03:19,590
mental and she moved him into her house

2636
02:03:22,940 --> 02:03:21,240
to have an affair with him under her

2637
02:03:25,910 --> 02:03:22,950
nose under the nose of her partner

2638
02:03:29,510 --> 02:03:25,920

that's how horrible she is that's how

2639

02:03:31,820 --> 02:03:29,520

greedy in in all of us well it's not me

2640

02:03:33,980 --> 02:03:31,830

when you told me about him and I saw

2641

02:03:38,870 --> 02:03:33,990

stuff online with him my question would

2642

02:03:41,450 --> 02:03:38,880

be again why is he not so hot yeah what

2643

02:03:43,910 --> 02:03:41,460

I mean why would he leave that area what

2644

02:03:46,220 --> 02:03:43,920

is it about his past that gives him an E

2645

02:03:47,930 --> 02:03:46,230

and a credibility whatsoever and the

2646

02:03:50,960 --> 02:03:47,940

fact that he is a cop and not willing to

2647

02:03:53,750 --> 02:03:50,970

look at any evidence provided because it

2648

02:03:57,110 --> 02:03:53,760

isn't in his best interest because he

2649

02:04:00,410 --> 02:03:57,120

can make money with Larry's story if it

2650

02:04:02,690 --> 02:04:00,420

isn't debunked whereas if he has to look

2651

02:04:06,260 --> 02:04:02,700

at and say okay you're right the guy's

2652

02:04:08,510 --> 02:04:06,270

lying his cash cow goes away you know

2653

02:04:11,630 --> 02:04:08,520

and and again I and I would be

2654

02:04:14,810 --> 02:04:11,640

questioning why is the guy not a cop any

2655

02:04:17,960 --> 02:04:14,820

longer why do you leave no do you have

2656

02:04:20,630 --> 02:04:17,970

to retire I think he had issues in his

2657

02:04:24,940 --> 02:04:20,640

job his ex-partner has told us quite a

2658

02:04:26,870 --> 02:04:24,950

lot about how about him she's even

2659

02:04:28,820 --> 02:04:26,880

mentioned that she might even write a

2660

02:04:29,700 --> 02:04:28,830

book about him because people need to

2661

02:04:33,240 --> 02:04:29,710

know

2662

02:04:36,720 --> 02:04:33,250

DBC really is and he's not the person

2663

02:04:37,920 --> 02:04:36,730

that he portrays himself to being so and

2664

02:04:40,290 --> 02:04:37,930

then he's just so she's just a crazy

2665

02:04:42,390 --> 02:04:40,300

like she's just my ex blah blah blah now

2666

02:04:44,490 --> 02:04:42,400

but you know you got what he came to do

2667

02:04:46,440 --> 02:04:44,500

disbelief everybody on top of a pile of

2668

02:04:47,250 --> 02:04:46,450

evidence like this you know it's about

2669

02:04:48,870 --> 02:04:47,260

time

2670

02:04:51,090 --> 02:04:48,880

Gary pulled his head out of his backside

2671

02:04:52,500 --> 02:04:51,100

and stop accusing me of really looking

2672

02:04:54,360 --> 02:04:52,510

at what he's being said because

2673

02:04:56,250 --> 02:04:54,370

everybody else is and everyone's looking

2674

02:04:57,810 --> 02:04:56,260

at him like he's a massive loser and

2675

02:04:59,370 --> 02:04:57,820

he's just pretending that he's not he's

2676

02:05:01,890 --> 02:04:59,380

got no respect in the UFO community

2677

02:05:03,780 --> 02:05:01,900

anywhere and he shouts at people for not

2678

02:05:05,520 --> 02:05:03,790

respecting them and that's gonna help is

2679

02:05:07,770 --> 02:05:05,530

there you know if that's how much of a

2680

02:05:10,560 --> 02:05:07,780

bully is he'll stand there shouting at

2681

02:05:13,200 --> 02:05:10,570

people in front of a whole conference of

2682

02:05:15,690 --> 02:05:13,210

other people because that's how arrogant

2683

02:05:18,570 --> 02:05:15,700

he is and now entitled he thinks that he

2684

02:05:23,010 --> 02:05:18,580

is that it can start dominating other

2685

02:05:26,130 --> 02:05:23,020

men for not attacking me or joining

2686

02:05:29,820 --> 02:05:26,140

forces with him against me because he

2687

02:05:33,630 --> 02:05:29,830

sent out these letters of these kind of

2688

02:05:36,180 --> 02:05:33,640

posts of me swearing yeah what only a

2689

02:05:38,850 --> 02:05:36,190

sexist caveman like you would do that oh

2690

02:05:42,150 --> 02:05:38,860

I mean oh look at the woman swearing oh

2691

02:05:44,160 --> 02:05:42,160

look at the crazy lady over there well I

2692

02:05:45,660 --> 02:05:44,170

mean I when you look at the post that

2693

02:05:48,270 --> 02:05:45,670

Larry's put up where he's used like

2694

02:05:50,220 --> 02:05:48,280

anti-semitic language who would be

2695

02:05:53,060 --> 02:05:50,230

supporting a guy that said like such

2696

02:05:56,220 --> 02:05:53,070

hateful horrible things online

2697

02:05:59,130 --> 02:05:56,230

disgusting things you know racist

2698

02:06:00,420 --> 02:05:59,140

anti-semitic things I mean it's just you

2699

02:06:03,030 --> 02:06:00,430

know and then there you're gonna defend

2700

02:06:06,000 --> 02:06:03,040

that guy I mean give me a break yeah I

2701
02:06:08,430 --> 02:06:06,010
mean that's you know somebody that I'm

2702
02:06:10,260 --> 02:06:08,440
the only person that's even heard any of

2703
02:06:13,500 --> 02:06:10,270
that but I'm not on this about ten of us

2704
02:06:14,760 --> 02:06:13,510
I'm sorry what there's about ten people

2705
02:06:17,820 --> 02:06:14,770
that have heard him he used that

2706
02:06:19,620 --> 02:06:17,830
language about Peter and he says that

2707
02:06:20,580 --> 02:06:19,630
it's just me saying it but it's not I'm

2708
02:06:23,190 --> 02:06:20,590
not the only person

2709
02:06:25,200 --> 02:06:23,200
well we posted it you know I mean didn't

2710
02:06:28,140 --> 02:06:25,210
he yeah put up an actual post on

2711
02:06:30,510 --> 02:06:28,150
Facebook where he you know I mean that

2712
02:06:32,130 --> 02:06:30,520
doesn't go away that's you know that's

2713
02:06:34,800 --> 02:06:32,140

for the whole world to see and you know

2714

02:06:37,610 --> 02:06:34,810

I mean that should have read alone right

2715

02:06:41,100 --> 02:06:37,620

there just disqualify him for everybody

2716

02:06:42,470 --> 02:06:41,110

yeah you know yeah because some guy in

2717

02:06:44,570 --> 02:06:42,480

MUFON he

2718

02:06:46,340 --> 02:06:44,580

a little run a boost sounded like a

2719

02:06:47,810 --> 02:06:46,350

white supremacist and he's a write-off

2720

02:06:50,600 --> 02:06:47,820

how exactly

2721

02:06:53,030 --> 02:06:50,610

and he actually no he actually was the

2722

02:06:55,820 --> 02:06:53,040

mover and shaker with him move on so you

2723

02:06:57,140 --> 02:06:55,830

know it damages people but apparently it

2724

02:06:58,400 --> 02:06:57,150

does not importance okay well you know

2725

02:07:00,800 --> 02:06:58,410

and I think I've mentioned this to you

2726

02:07:02,840 --> 02:07:00,810

before is that you know as far as

2727

02:07:10,210 --> 02:07:02,850

Larry's connection to the UFO community

2728

02:07:12,770 --> 02:07:10,220

and you know did you know there's you

2729

02:07:15,170 --> 02:07:12,780

got it I would think that they're going

2730

02:07:17,920 --> 02:07:15,180

to people are going to want to get on

2731

02:07:21,920 --> 02:07:17,930

the correct side of things because if

2732

02:07:24,260 --> 02:07:21,930

for example you get behind Larry Warren

2733

02:07:26,720 --> 02:07:24,270

and go yep I firmly believe is this

2734

02:07:31,270 --> 02:07:26,730

story is the true story of what happened

2735

02:07:34,880 --> 02:07:31,280

and somewhere down the line it is

2736

02:07:36,470 --> 02:07:34,890

absolutely verifiably no question about

2737

02:07:39,140 --> 02:07:36,480

it that this guy has made the whole

2738

02:07:40,970 --> 02:07:39,150

thing up that doesn't make the UFO

2739

02:07:44,180 --> 02:07:40,980

community look good or give them

2740

02:07:49,310 --> 02:07:44,190

credibility to go you let this guy fool

2741

02:07:50,750 --> 02:07:49,320

you for 40 years okay people are going

2742

02:07:53,960 --> 02:07:50,760

to just wash their hands of the whole

2743

02:07:55,729 --> 02:07:53,970

thing you know I mean it's yeah which is

2744

02:07:57,290 --> 02:07:55,739

why you know I looked at it with look

2745

02:07:59,390 --> 02:07:57,300

when Nick Pope came out with his

2746

02:08:01,280 --> 02:07:59,400

statement I'm like yeah he doesn't want

2747

02:08:04,330 --> 02:08:01,290

to be the guy that you know with egg on

2748

02:08:06,500 --> 02:08:04,340

his face going oh man this guy fooled me

2749

02:08:09,020 --> 02:08:06,510

you know it's much better to come out

2750

02:08:11,330 --> 02:08:09,030

and say hey I was fooled for a while but

2751

02:08:13,370 --> 02:08:11,340

I figured it out and I'm coming out and

2752

02:08:15,400 --> 02:08:13,380

saying it like I figured out that it's

2753

02:08:18,229 --> 02:08:15,410

it's phony I mean the same thing with me

2754

02:08:19,910 --> 02:08:18,239

same thing with you I wanted to believe

2755

02:08:21,710 --> 02:08:19,920

the guy at first I gave him the benefit

2756

02:08:24,710 --> 02:08:21,720

of the doubt you know when he played up

2757

02:08:26,240 --> 02:08:24,720

to you know my weaknesses that I'm gonna

2758

02:08:28,790 --> 02:08:26,250

make you famous and I'm gonna do this

2759

02:08:30,740 --> 02:08:28,800

and again not me just saying the words

2760

02:08:36,800 --> 02:08:30,750

himself in the handwritten letter that

2761

02:08:39,260 --> 02:08:36,810

he gave you you know so yeah I wanted to

2762

02:08:42,050 --> 02:08:39,270

believe but then I started to see too

2763

02:08:44,450 --> 02:08:42,060

many cracks in the facade and I started

2764

02:08:46,220 --> 02:08:44,460

figuring out like ah that's true and if

2765

02:08:47,600 --> 02:08:46,230

this story isn't true why would this one

2766

02:08:50,420 --> 02:08:47,610

be true and you know what I mean you

2767

02:08:52,820 --> 02:08:50,430

just you don't want to be the one still

2768

02:08:54,800 --> 02:08:52,830

standing the last man standing going

2769

02:08:55,880 --> 02:08:54,810

there he's telling the truth when the

2770

02:08:59,150 --> 02:08:55,890

whole world goes

2771

02:09:01,010 --> 02:08:59,160

no he's not he thought I mean yeah you

2772

02:09:05,990 --> 02:09:01,020

know you got to get on the right side of

2773

02:09:07,550 --> 02:09:06,000

things people so absolutely we've

2774

02:09:08,870 --> 02:09:07,560

actually come to the end of the show now

2775

02:09:09,350 --> 02:09:08,880

we might have even gone over a little

2776

02:09:15,710 --> 02:09:09,360

bit

2777

02:09:18,110 --> 02:09:15,720

who cares it's important no no no that

2778

02:09:20,330 --> 02:09:18,120

won't be up then no not at all I'm the

2779

02:09:23,840 --> 02:09:20,340

last broadcast so we can go over a

2780

02:09:27,350 --> 02:09:23,850

little that's okay it's but oh my gosh

2781

02:09:29,510 --> 02:09:27,360

Duane it's taking a little while for us

2782

02:09:31,520 --> 02:09:29,520

to get here don't be saying oh something

2783

02:09:35,180 --> 02:09:31,530

biggs come in and now it's a yeah

2784

02:09:39,890 --> 02:09:35,190

so I'm a man of my word I told you I

2785

02:09:43,630 --> 02:09:39,900

would provide you with letting no and be

2786

02:09:45,890 --> 02:09:43,640

get out there publicly and here it is

2787

02:09:47,720 --> 02:09:45,900

thank you so much for that because

2788

02:09:49,880 --> 02:09:47,730

people need to know and stop believing

2789

02:09:52,610 --> 02:09:49,890

Gary Heseltine that this is just the

2790

02:09:54,350 --> 02:09:52,620

products of a cruel essence mind you

2791

02:09:54,920 --> 02:09:54,360

know I'm not the only person that sauced

2792

02:09:57,320 --> 02:09:54,930

him out

2793

02:09:59,660 --> 02:09:57,330

even the authors of clear intent system

2794

02:10:01,250 --> 02:09:59,670

out and dumped him the Arthur if you

2795

02:10:03,500 --> 02:10:01,260

can't tell the people system out and

2796

02:10:05,030 --> 02:10:03,510

dumped him nobody stays with him even

2797

02:10:07,100 --> 02:10:05,040

his own co-author sauced him out and

2798

02:10:09,590 --> 02:10:07,110

dumped him now all right it was because

2799

02:10:12,590 --> 02:10:09,600

of the stuff that I brought out but you

2800

02:10:14,450 --> 02:10:12,600

can't you can't deny it right now so I

2801

02:10:17,450 --> 02:10:14,460

no longer claim to know what happened at

2802

02:10:20,420 --> 02:10:17,460

Rendlesham forest because I believed him

2803

02:10:21,950 --> 02:10:20,430

and his narrative is all parts of

2804

02:10:24,890 --> 02:10:21,960

different that's different people

2805

02:10:27,020 --> 02:10:24,900

different things so it's it's a mess in

2806

02:10:28,940 --> 02:10:27,030

my head and I need to go back to the

2807

02:10:31,820 --> 02:10:28,950

drawing board if I want to actually know

2808

02:10:34,580 --> 02:10:31,830

about the rest of the people who we just

2809

02:10:37,070 --> 02:10:34,590

kind of like puts you off so you know

2810

02:10:38,900 --> 02:10:37,080

it's a new journey for me now but thank

2811

02:10:40,100 --> 02:10:38,910

you so much for coming on the show and

2812

02:10:42,440 --> 02:10:40,110

thank you so much for putting your neck

2813

02:10:44,480 --> 02:10:42,450

on the line because you know it's not as

2814

02:10:46,310 --> 02:10:44,490

bad as it was if you did joined in a

2815

02:10:48,050 --> 02:10:46,320

couple of years ago you would have had a

2816

02:10:50,270 --> 02:10:48,060

barrage of it but now the behave

2817

02:10:52,640 --> 02:10:50,280

themselves because the films coming out

2818

02:10:54,500 --> 02:10:52,650

in a few months so they want this all to

2819

02:10:57,530 --> 02:10:54,510

go away the only alter quiet and down

2820

02:10:59,390 --> 02:10:57,540

and they've had shows deleted and things

2821

02:11:00,920 --> 02:10:59,400

like that that they don't speak very

2822

02:11:04,070 --> 02:11:00,930

highly of me but there's actually

2823

02:11:05,760 --> 02:11:04,080

committing hate crimes actually so you

2824

02:11:08,290 --> 02:11:05,770

know and

2825

02:11:10,270 --> 02:11:08,300

thank you thank you very much for your

2826
02:11:12,670 --> 02:11:10,280
input and thank you so much for coming

2827
02:11:14,860 --> 02:11:12,680
on the show and telling everybody that

2828
02:11:16,330 --> 02:11:14,870
you know he's a shyster as well I

2829
02:11:19,450 --> 02:11:16,340
appreciate all the work and effort that

2830
02:11:22,030 --> 02:11:19,460
you've put in and you know all the petty

2831
02:11:24,430 --> 02:11:22,040
crap that you've had to endure along the

2832
02:11:25,930 --> 02:11:24,440
way but I mean you know as soon as my

2833
02:11:27,640 --> 02:11:25,940
friend sent me the link and said hey I

2834
02:11:28,600 --> 02:11:27,650
just listened to this podcast you gotta

2835
02:11:30,970 --> 02:11:28,610
check this out

2836
02:11:34,240 --> 02:11:30,980
I hadn't thought about Larry Warren in

2837
02:11:34,870 --> 02:11:34,250
many many years I was out of sight out

2838
02:11:38,500 --> 02:11:34,880

of mind

2839

02:11:40,720 --> 02:11:38,510

yeah and when I just refire me up that I

2840

02:11:43,630 --> 02:11:40,730

was like finally there's somebody that's

2841

02:11:46,090 --> 02:11:43,640

gonna that sees the truth and I need to

2842

02:11:47,710 --> 02:11:46,100

let her know that there's somebody else

2843

02:11:49,840 --> 02:11:47,720

out there because I knew what it was

2844

02:11:51,640 --> 02:11:49,850

like to be the one person in town going

2845

02:11:54,690 --> 02:11:51,650

Larry's full of crap and you know and

2846

02:11:56,770 --> 02:11:54,700

everybody else wanted to believe him I

2847

02:11:59,260 --> 02:11:56,780

thought my I will never forget that

2848

02:12:02,470 --> 02:11:59,270

moment when I open that message from you

2849

02:12:10,630 --> 02:12:02,480

I just read it and I still don't really

2850

02:12:12,460 --> 02:12:10,640

slowly away oh my god I wouldn't even

2851

02:12:16,330 --> 02:12:12,470

get the words out I just saw that

2852

02:12:18,220 --> 02:12:16,340

everybody read it everything coming out

2853

02:12:22,330 --> 02:12:18,230

at once you know like how you typewriter

2854

02:12:24,280 --> 02:12:22,340

keys are getting jammed in right it was

2855

02:12:28,180 --> 02:12:24,290

one of the best moments out of this

2856

02:12:30,430 --> 02:12:28,190

entire awful awful drama that's gone on

2857

02:12:33,460 --> 02:12:30,440

that has been so intense at times that I

2858

02:12:35,260 --> 02:12:33,470

thought I was gonna die from it but you

2859

02:12:37,840 --> 02:12:35,270

know got through it and we're at the

2860

02:12:39,610 --> 02:12:37,850

other side of it now and you know the

2861

02:12:41,410 --> 02:12:39,620

evidences just keeps coming out so

2862

02:12:43,350 --> 02:12:41,420

Joanne I'm going to have to be right

2863

02:12:46,150 --> 02:12:43,360

there so much for coming up and

2864

02:12:48,370 --> 02:12:46,160

definitely be keeping in touch thank you
