

1
00:00:04,999 --> 00:00:02,659
the views opinions and research

2
00:00:06,980 --> 00:00:05,009
conclusions expressed on this show are

3
00:00:08,870 --> 00:00:06,990
those of the show host and not

4
00:00:11,870 --> 00:00:08,880
necessarily those of the network access

5
00:00:15,049 --> 00:00:11,880
Northwest Community Radio are any of its

6
00:00:17,330 --> 00:00:15,059
associates the author and host is solely

7
00:00:18,830 --> 00:00:17,340
responsible for its content the author

8
00:00:20,870 --> 00:00:18,840
has made every endeavor to be

9
00:00:23,150 --> 00:00:20,880
historically accurate and factually

10
00:00:24,970 --> 00:00:23,160
correct based on the written audio and

11
00:00:27,109 --> 00:00:24,980
video claims of the person in question

12
00:00:29,720 --> 00:00:27,119
the playing of this show does not

13
00:00:34,819 --> 00:00:29,730

constitute as an endorsement by Access

14

00:00:36,650 --> 00:00:34,829

Northwest radio hello and welcome to

15

00:00:38,869 --> 00:00:36,660

paranormal mysteries here on access

16

00:00:41,660 --> 00:00:38,879

Northwest community radio here in lovely

17

00:00:44,119 --> 00:00:41,670

Liverpool tonight's show is once again a

18

00:00:45,920 --> 00:00:44,129

Larry Warren themed show as I explained

19

00:00:47,479 --> 00:00:45,930

last week where he claims to be the

20

00:00:50,270 --> 00:00:47,489

whistleblower to the Rendlesham forest

21

00:00:52,160 --> 00:00:50,280

incidents which was three days of highly

22

00:00:54,380 --> 00:00:52,170

unusual activity which involved

23

00:00:57,350 --> 00:00:54,390

personnel from a US Air Force military

24

00:01:00,920 --> 00:00:57,360

base in Suffolk England in December 1980

25

00:01:02,599 --> 00:01:00,930

over the Christmas holiday period the

26

00:01:04,700 --> 00:01:02,609

debate still rages about what those

27

00:01:06,980 --> 00:01:04,710

events were some say it was entirely

28

00:01:09,740 --> 00:01:06,990

mundane events perceived to be unusual

29

00:01:12,160 --> 00:01:09,750

such as a meteor a lighthouse police

30

00:01:14,980 --> 00:01:12,170

lights and a burning truck of animal dog

31

00:01:17,270 --> 00:01:14,990

others think it was alien in nature

32

00:01:19,130 --> 00:01:17,280

inter-dimensional are people from the

33

00:01:21,890 --> 00:01:19,140

future and others believe it to have

34

00:01:23,840 --> 00:01:21,900

been a military exercise but whatever

35

00:01:25,850 --> 00:01:23,850

happened it was definitely not the norm

36

00:01:27,560 --> 00:01:25,860

and people have been left traumatized

37

00:01:30,560 --> 00:01:27,570

and deeply affected by those events

38

00:01:30,940 --> 00:01:30,570

which were suppose agree was not the

39

00:01:34,130 --> 00:01:30,950

norm

40

00:01:36,649 --> 00:01:34,140

Larry Warren claims to have participated

41

00:01:38,810 --> 00:01:36,659

in these events but his stories changed

42

00:01:39,920 --> 00:01:38,820

with every telling and having known him

43

00:01:42,950 --> 00:01:39,930

for almost 10 years

44

00:01:45,020 --> 00:01:42,960

I witnessed his rewrites when I became

45

00:01:47,870 --> 00:01:45,030

aware of these problems I just couldn't

46

00:01:49,580 --> 00:01:47,880

keep them to myself so today I will take

47

00:01:52,700 --> 00:01:49,590

you through some of the problems that I

48

00:01:53,660 --> 00:01:52,710

found at one point Larry Warren's friend

49

00:01:56,600 --> 00:01:53,670

Tina mogera

50

00:01:58,609 --> 00:01:56,610

put to him questions we were all asking

51
00:01:59,420 --> 00:01:58,619
and for Larry to clear things up once

52
00:02:01,940 --> 00:01:59,430
and for all

53
00:02:04,490 --> 00:02:01,950
however he just told my lies on top of

54
00:02:06,039 --> 00:02:04,500
the lies already told so I will be

55
00:02:09,169 --> 00:02:06,049
addressing those two

56
00:02:12,110 --> 00:02:09,179
this clip is from a video that's on the

57
00:02:13,850 --> 00:02:12,120
citizens saying YouTube channel and is

58
00:02:20,630 --> 00:02:13,860
contacts in the desert

59
00:02:23,450 --> 00:02:20,640
and was recorded in 1993 there were 70

60
00:02:25,220 --> 00:02:23,460
of us some people were English there was

61
00:02:33,830 --> 00:02:25,230
some Bobby's there from the town of

62
00:02:36,710 --> 00:02:33,840
Woodbridge which is very close and a lot

63
00:02:38,390 --> 00:02:36,720

of people reacted in their own ways

64

00:02:42,320 --> 00:02:38,400

they're terrified there were a couple

65

00:02:45,170 --> 00:02:42,330

suicides because of this and I just

66

00:02:46,940 --> 00:02:45,180

happened to be the loudest whistle

67

00:02:48,860 --> 00:02:46,950

blower I certainly wasn't the first I

68

00:02:51,620 --> 00:02:48,870

was the one that got through and tell

69

00:02:53,990 --> 00:02:51,630

him to tell us Luba so there you hear

70

00:02:56,690 --> 00:02:54,000

him say I am NOT the original

71

00:02:59,000 --> 00:02:56,700

whistleblower I am just the loudest he

72

00:03:02,270 --> 00:02:59,010

also claims that two people took their

73

00:03:05,330 --> 00:03:02,280

own lives this is in fact not true in a

74

00:03:09,980 --> 00:03:05,340

later interview he says that it was his

75

00:03:13,630 --> 00:03:09,990

roommate Alabama who shot himself in the

76
00:03:15,890 --> 00:03:13,640
head basically that is not true either

77
00:03:18,080 --> 00:03:15,900
the person that is referring to did

78
00:03:20,270 --> 00:03:18,090
struggle after the events and he went

79
00:03:22,490 --> 00:03:20,280
home and he went AWOL and they had to go

80
00:03:24,979 --> 00:03:22,500
and get him back but that wasn't him

81
00:03:26,110 --> 00:03:24,989
killing himself so that's actually a

82
00:03:29,030 --> 00:03:26,120
fabrication

83
00:03:30,890 --> 00:03:29,040
there are also some discrepancies over

84
00:03:32,780 --> 00:03:30,900
the dates that these events happened and

85
00:03:35,690 --> 00:03:32,790
the dates that Warren was actually

86
00:03:38,330 --> 00:03:35,700
involved in in the book clear intent he

87
00:03:41,690 --> 00:03:38,340
states it was the 30th when he makes a

88
00:03:44,900 --> 00:03:41,700

statement is out Wallace it's the 29th

89

00:03:47,900 --> 00:03:44,910

in an early interview it's the 28th into

90

00:03:51,320 --> 00:03:47,910

the 29th and he left at Eastgate it's

91

00:03:54,170 --> 00:03:51,330

the 27th so the dates have changed

92

00:03:56,360 --> 00:03:54,180

consistently also his whereabouts during

93

00:04:00,590 --> 00:03:56,370

those days those first days of activity

94

00:04:03,830 --> 00:04:00,600

change he says he was on base but at

95

00:04:07,220 --> 00:04:03,840

some point in time his story changes and

96

00:04:10,449 --> 00:04:07,230

he says that he was in Germany for two

97

00:04:12,890 --> 00:04:10,459

days and came back on the 27th for duty

98

00:04:15,440 --> 00:04:12,900

that's not what he says in this early

99

00:04:17,300 --> 00:04:15,450

interview and our myth apologies for the

100

00:04:22,099 --> 00:04:17,310

background noise it is actually part of

101
00:04:27,499 --> 00:04:24,980
the first two nights of events have been

102
00:04:31,490 --> 00:04:27,509
waters I wasn't involved in that from

103
00:04:34,999 --> 00:04:31,500
what I know from firsthand witnesses was

104
00:04:39,399 --> 00:04:35,009
a series of events took place beginning

105
00:04:45,999 --> 00:04:41,529
what was assumed to be an aircraft

106
00:04:50,229 --> 00:04:46,009
crashing in the forest was investigated

107
00:04:52,149 --> 00:04:50,239
by three airport security police they

108
00:04:54,129 --> 00:04:52,159
were given permission to go off the base

109
00:04:57,279 --> 00:04:54,139
welcome to the woods they came upon a

110
00:04:59,499 --> 00:04:57,289
trying your craft they followed this

111
00:05:01,600 --> 00:04:59,509
object through the pine forest it had to

112
00:05:05,229 --> 00:05:01,610
be rather small to maneuver through the

113
00:05:08,020 --> 00:05:05,239

trees they pursued it for a good hour

114

00:05:10,989 --> 00:05:08,030

and a half and they finally lost it

115

00:05:14,229 --> 00:05:10,999

before they knew it they went into a

116

00:05:16,989 --> 00:05:14,239

in this clearing was dis object brightly

117

00:05:21,429 --> 00:05:16,999

illuminated one of the officers involved

118

00:05:23,690 --> 00:05:21,439

have sidearm 38 caliber pistol and drew

119

00:05:26,200 --> 00:05:23,700

his weapon and

120

00:05:28,610 --> 00:05:26,210

about to fire on it when the object

121

00:05:30,180 --> 00:05:28,620

turned itself off is that you turn the

122

00:05:32,970 --> 00:05:30,190

TV off

123

00:05:33,810 --> 00:05:32,980

and as a small dot and that small dot of

124

00:05:35,570 --> 00:05:33,820

light blue

125

00:05:38,270 --> 00:05:35,580

[Music]

126
00:05:41,000 --> 00:05:38,280
four hours went by these three Airmen

127
00:05:44,720 --> 00:05:41,010
were missing in the forest they couldn't

128
00:05:47,960 --> 00:05:44,730
be reached by radio or anything and

129
00:05:50,340 --> 00:05:47,970
finally by the end of it they were found

130
00:05:52,590 --> 00:05:50,350
wandering aimlessly to the woods

131
00:05:53,570 --> 00:05:52,600
by other Air Force people never sent out

132
00:05:55,379 --> 00:05:53,580
too

133
00:05:57,749 --> 00:05:55,389
and

134
00:06:00,719 --> 00:05:57,759
brought their reports nevertheless I

135
00:06:04,619 --> 00:06:00,729
inferred regressive hypnosis but on two

136
00:06:07,619 --> 00:06:04,629
of the individuals involved not the

137
00:06:09,360 --> 00:06:07,629
turban and a full scale abduction

138
00:06:11,129 --> 00:06:09,370

scenario exists

139

00:06:13,709 --> 00:06:11,139

this information hasn't been released

140

00:06:18,989 --> 00:06:16,829

the very next night was a series of

141

00:06:20,800 --> 00:06:18,999

sightings this is the best we can

142

00:06:23,230 --> 00:06:20,810

determine

143

00:06:25,990 --> 00:06:23,240

the dates and that's vague because I

144

00:06:27,719 --> 00:06:26,000

know some people that were peripherally

145

00:06:31,689 --> 00:06:27,729

involved in that but there were more

146

00:06:33,490 --> 00:06:31,699

just observations in the sky

147

00:06:35,690 --> 00:06:33,500

on the first day of the date of the

148

00:06:38,030 --> 00:06:35,700

first night's events was on the

149

00:06:41,690 --> 00:06:38,040

like the evening of the 26th of December

150

00:06:43,160 --> 00:06:41,700

into the morning of the 27th

151

00:06:46,400 --> 00:06:43,170

the following that would have been the

152

00:06:48,680 --> 00:06:46,410

27th into the 28th and the third night

153

00:06:51,820 --> 00:06:48,690

that's my involvement would be the 28th

154

00:06:56,439 --> 00:06:55,270

I think it's Tuesday night well what

155

00:06:58,540 --> 00:06:56,449

happened to me I don't know how the

156

00:07:01,330 --> 00:06:58,550

event terminated I heard stories that

157

00:07:03,939 --> 00:07:01,340

the sting flew off at a tremendous rate

158

00:07:06,879 --> 00:07:03,949

of speed quote unquote that I didn't see

159

00:07:09,730 --> 00:07:06,889

that happen I went back to the base of

160

00:07:12,339 --> 00:07:09,740

Santa Rampur while drinking coffee was

161

00:07:14,559 --> 00:07:12,349

in shock as with other Air Force guys

162

00:07:17,589 --> 00:07:14,569

that went through it security police the

163

00:07:19,540 --> 00:07:17,599

day shift was coming on eight life and

164

00:07:21,780 --> 00:07:19,550

everyone had heard some account of these

165

00:07:23,480 --> 00:07:21,790

events going on I've seen the

166

00:07:26,970 --> 00:07:23,490

one of us

167

00:07:29,310 --> 00:07:26,980

our immense tourism all that in

168

00:07:32,250 --> 00:07:29,320

we were relieved from duty I went back

169

00:07:34,120 --> 00:07:32,260

to my room sat around put out an order

170

00:07:35,970 --> 00:07:34,130

clapping record and

171

00:07:37,610 --> 00:07:35,980

in which

172

00:07:40,260 --> 00:07:37,620

[Music]

173

00:07:42,360 --> 00:07:40,270

to set there

174

00:07:44,460 --> 00:07:42,370

try to wonder what was going on I had an

175

00:07:46,480 --> 00:07:44,470

awful taste in my mouth I had some gray

176

00:07:49,540 --> 00:07:46,490

hair which I mean you know

177

00:07:51,570 --> 00:07:49,550

and my eyes hurt you're watering

178

00:07:53,640 --> 00:07:51,580

profusely

179

00:07:55,680 --> 00:07:53,650

it seemed like a dream I never did sleep

180

00:07:58,050 --> 00:07:55,690

that night after a while and had

181

00:08:00,429 --> 00:07:58,060

breakfast was with other security police

182

00:08:03,429 --> 00:08:00,439

who went through the event

183

00:08:05,019 --> 00:08:03,439

and I tried to raise because someone

184

00:08:06,210 --> 00:08:05,029

else actually asked me a question about

185

00:08:09,060 --> 00:08:06,220

it

186

00:08:13,260 --> 00:08:11,580

to say something another sergeant who

187

00:08:19,709 --> 00:08:13,270

was involved in the first night's events

188

00:08:19,719 --> 00:08:25,410

they were debriefed

189

00:08:29,309 --> 00:08:26,570

[Music]

190

00:08:31,649 --> 00:08:29,319

she had on that clip there is not one

191

00:08:33,690 --> 00:08:31,659

mention of him going to Germany and in

192

00:08:36,719 --> 00:08:33,700

fact he's on base and hanging around

193

00:08:39,269 --> 00:08:36,729

with people who were in the periphery of

194

00:08:42,839 --> 00:08:39,279

these other events on the first two

195

00:08:44,670 --> 00:08:42,849

nights another little bit that I want

196

00:08:45,960 --> 00:08:44,680

you to pay attention to was the fact

197

00:08:48,930 --> 00:08:45,970

that he said that he suffered some

198

00:08:50,850 --> 00:08:48,940

damage he said that he had gray hair he

199

00:08:54,329 --> 00:08:50,860

had a nasty taste in his mouth and his

200

00:08:57,090 --> 00:08:54,339

eyes hurt yet in the CNN documentary

201
00:09:00,090 --> 00:08:57,100
that he did prior to this interview he

202
00:09:03,449 --> 00:09:00,100
says that none of them were hurt by this

203
00:09:05,519 --> 00:09:03,459
phenomena and in other interviews he

204
00:09:07,590 --> 00:09:05,529
says that he was in Germany for the

205
00:09:10,860 --> 00:09:07,600
first two nights and in his book left

206
00:09:15,600 --> 00:09:10,870
Eastgate says that he came back on or

207
00:09:19,620 --> 00:09:15,610
about the 27th of December having gone

208
00:09:21,810 --> 00:09:19,630
to Germany for two days to spend some

209
00:09:26,190 --> 00:09:21,820
time with these girls and he left on

210
00:09:28,290 --> 00:09:26,200
Christmas Eve so obviously there's the

211
00:09:32,280 --> 00:09:28,300
lie somewhere he was either on base or

212
00:09:36,569 --> 00:09:32,290
it was in Germany which was it on the

213
00:09:38,850 --> 00:09:36,579

night in question I I should set it up

214

00:09:40,710 --> 00:09:38,860

for you two nights before the event I

215

00:09:43,800 --> 00:09:40,720

was involved in there was an amazing

216

00:09:46,710 --> 00:09:43,810

encounter with three or four security

217

00:09:49,139 --> 00:09:46,720

policemen off the east gate of RAF

218

00:09:54,030 --> 00:09:49,149

Woodbridge which was our sister base

219

00:09:55,500 --> 00:09:54,040

from Bentwaters six miles away and these

220

00:09:57,930 --> 00:09:55,510

gentlemen encountered some very bizarre

221

00:10:02,160 --> 00:09:57,940

things they had missing time all sorts

222

00:10:03,660 --> 00:10:02,170

of negatives happened to them senior

223

00:10:06,090 --> 00:10:03,670

people on the base really didn't believe

224

00:10:08,430 --> 00:10:06,100

it the next night something else

225

00:10:10,460 --> 00:10:08,440

happened which is rather vague we still

226

00:10:13,170 --> 00:10:10,470

haven't pulled up everything on that I

227

00:10:14,670 --> 00:10:13,180

had been in Germany for two days I had

228

00:10:16,590 --> 00:10:14,680

met a girl in London and a friend of

229

00:10:18,569 --> 00:10:16,600

ours and mine went over for the

230

00:10:21,000 --> 00:10:18,579

Christmas break we worked six days on in

231

00:10:22,949 --> 00:10:21,010

three off so I had a few days and on the

232

00:10:27,210 --> 00:10:22,959

28th of December we'd be starting our

233

00:10:30,540 --> 00:10:27,220

shift again I got back to the base on

234

00:10:31,150 --> 00:10:30,550

the late on the 27th and was unaware of

235

00:10:34,509 --> 00:10:31,160

these

236

00:10:36,249 --> 00:10:34,519

fo events and the next morning spent the

237

00:10:40,749 --> 00:10:36,259

day of the city of Ipswich then came

238

00:10:41,769 --> 00:10:40,759

back to the base and I must say also we

239

00:10:43,769 --> 00:10:41,779

were in a heightened state of readiness

240

00:10:46,900 --> 00:10:43,779

because of events in Poland with

241

00:10:50,110 --> 00:10:46,910

solidarity and liqui less them are those

242

00:10:52,509 --> 00:10:50,120

things in this next clip that was

243

00:10:55,569 --> 00:10:52,519

recorded by David Young the flying

244

00:10:56,980 --> 00:10:55,579

saucers of London conference in finally

245

00:11:00,040 --> 00:10:56,990

in 2015

246

00:11:03,340 --> 00:11:00,050

Larry Warren states that he was actually

247

00:11:15,100 --> 00:11:03,350

on base and had been to apes which for

248

00:11:19,210 --> 00:11:15,110

the day midday about 13 hours before the

249

00:11:21,610 --> 00:11:19,220

third night begins December 1980 is the

250

00:11:24,309 --> 00:11:21,620

main gate to RAF Bentwaters why do I

251
00:11:26,499 --> 00:11:24,319
have a picture well I went over there

252
00:11:29,679 --> 00:11:26,509
was a real bad camera I had as a kid and

253
00:11:33,550 --> 00:11:29,689
it just was garbage so I went over the

254
00:11:35,920 --> 00:11:33,560
PX building commissary nappy economy

255
00:11:39,579 --> 00:11:35,930
went over here and I bought a key stone

256
00:11:41,079 --> 00:11:39,589
110 Instamatic camera I went with a

257
00:11:43,210 --> 00:11:41,089
friend remember that came Harper guy

258
00:11:44,949 --> 00:11:43,220
like that he had a car we want to go to

259
00:11:47,319 --> 00:11:44,959
if switch before our shift our first

260
00:11:51,269 --> 00:11:47,329
ship was on that night our swing seat

261
00:11:54,819 --> 00:11:51,279
flight was done there was no rumor mill

262
00:11:55,710 --> 00:11:54,829
nothing pubs are none [h__h] it was

263
00:11:58,360 --> 00:11:55,720

nothing

264

00:12:00,610 --> 00:11:58,370

sick of the rewrites guys I don't care

265

00:12:02,110 --> 00:12:00,620

who you know who your allies with this

266

00:12:05,110 --> 00:12:02,120

data and the Americans I don't like

267

00:12:08,499 --> 00:12:05,120

Larry I don't care it ain't true I was

268

00:12:10,449 --> 00:12:08,509

there I lived it you didn't I'm just

269

00:12:14,720 --> 00:12:10,459

being in general tell your friends I

270

00:12:18,200 --> 00:12:14,730

said it it's [h__h] I know

271

00:12:20,480 --> 00:12:18,210

I lived it I was there as part of it so

272

00:12:22,190 --> 00:12:20,490

I get my camera we pull up here he's

273

00:12:24,820 --> 00:12:22,200

taking us to hips which I want to check

274

00:12:27,320 --> 00:12:24,830

I did not know and this is some day I

275

00:12:29,350 --> 00:12:27,330

did not know everything shut down like

276

00:12:31,820 --> 00:12:29,360

Boston Mass on a Sunday back then

277

00:12:34,910 --> 00:12:31,830

everything was it goes down in Ipswich

278

00:12:37,040 --> 00:12:34,920

but so I want to check it out but Jim

279

00:12:37,640 --> 00:12:37,050

said I'll take you so me and a few other

280

00:12:40,010 --> 00:12:37,650

guys

281

00:12:42,530 --> 00:12:40,020

I said stop here I just tested the

282

00:12:44,030 --> 00:12:42,540

camera that's are what's important is

283

00:12:44,510 --> 00:12:44,040

thank God I took this picture it's in

284

00:12:46,550 --> 00:12:44,520

the book

285

00:12:52,280 --> 00:12:46,560

that's a guard shack for the entrance

286

00:12:55,160 --> 00:12:52,290

bulk user sandbags and blast walls we

287

00:12:59,020 --> 00:12:55,170

had a conditioned side and that's it

288

00:13:02,480 --> 00:12:59,030

that side will change to normal or alert

289

00:13:04,730 --> 00:13:02,490

now and two days into the incidents

290

00:13:07,640 --> 00:13:04,740

already which I am completely unaware of

291

00:13:10,070 --> 00:13:07,650

I where no one's talking about nothing

292

00:13:14,480 --> 00:13:10,080

Brenda Butler was not walking around

293

00:13:17,090 --> 00:13:14,490

this and nothing [h__h] nothing no one

294

00:13:19,280 --> 00:13:17,100

know I worked in I didn't know it I knew

295

00:13:22,130 --> 00:13:19,290

the guys I didn't even know it we were

296

00:13:24,470 --> 00:13:22,140

an alert for a reason because of these

297

00:13:27,590 --> 00:13:24,480

events there was an alert condition on

298

00:13:30,950 --> 00:13:27,600

these bases that sign proves it and look

299

00:13:32,840 --> 00:13:30,960

at how old that coverage anyway the it

300

00:13:37,760 --> 00:13:32,850

really is good that's kind of here but

301
00:13:42,340 --> 00:13:37,770
what we did and so we drove on and what

302
00:13:45,920 --> 00:13:42,350
I'm about to show you I my life has no

303
00:13:48,530 --> 00:13:45,930
and thank God for Facebook I took that

304
00:13:50,510 --> 00:13:48,540
picture we drive and we went to go he

305
00:13:53,210 --> 00:13:50,520
was bringing us to the free bus which

306
00:13:54,800 --> 00:13:53,220
was on the main gate of Woodbridge so we

307
00:13:59,150 --> 00:13:54,810
went through to the back gate of

308
00:14:02,180 --> 00:13:59,160
Woodbridge to go through so as he had

309
00:14:03,920 --> 00:14:02,190
did not clip he was in hips which and

310
00:14:06,380 --> 00:14:03,930
there was no room a mill which

311
00:14:08,720 --> 00:14:06,390
completely contradicts the other

312
00:14:10,940 --> 00:14:08,730
interview that he gave where he said

313
00:14:14,330 --> 00:14:10,950

that everyone was talking about it

314

00:14:17,360 --> 00:14:14,340

little green man a shift came on a

315

00:14:20,240 --> 00:14:17,370

flight came on and were taking the

316

00:14:23,270 --> 00:14:20,250

mickey out of all of them seeing little

317

00:14:27,200 --> 00:14:23,280

green man and everybody knew that the

318

00:14:28,400 --> 00:14:27,210

whole base knew in his finally talk he

319

00:14:31,550 --> 00:14:28,410

said there were no rumors

320

00:14:35,360 --> 00:14:31,560

nothing I knew guys who were involved

321

00:14:38,690 --> 00:14:35,370

and I knew nothing this next clip I'm

322

00:14:44,530 --> 00:14:38,700

playing is Chuck de carros CNN special

323

00:14:46,970 --> 00:14:44,540

assignment Bentwaters UFO incident 1985

324

00:14:50,660 --> 00:14:46,980

didn't look solid at all just look like

325

00:14:54,050 --> 00:14:50,670

a self-admitted you know a piece of

326

00:14:57,020 --> 00:14:54,060

light it was just odd it seemed like it

327

00:14:59,240 --> 00:14:57,030

was no sooner there that and blew up not

328

00:15:01,040 --> 00:14:59,250

outward or upward it just blew down with

329

00:15:04,580 --> 00:15:01,050

all these sparkles and different colors

330

00:15:06,620 --> 00:15:04,590

of light indescribable because it's

331

00:15:08,120 --> 00:15:06,630

beyond me how this thing this happened

332

00:15:27,470 --> 00:15:08,130

we weren't injured by it and I was very

333

00:15:32,490 --> 00:15:29,910

that clip that I've just played was from

334

00:15:36,920 --> 00:15:32,500

an early interview which is on YouTube

335

00:15:39,900 --> 00:15:36,930

and rocky Swanson's YouTube channel I

336

00:15:41,970 --> 00:15:39,910

also need to point out that in the clip

337

00:15:44,490 --> 00:15:41,980

I just played from contact in the desert

338

00:15:47,010 --> 00:15:44,500

where he's coming back from Germany he

339

00:15:49,980 --> 00:15:47,020

shift rotation was six days on and three

340

00:15:52,800 --> 00:15:49,990

days off going back on duty on the 28th

341

00:15:55,230 --> 00:15:52,810

we now know that all events were over by

342

00:15:58,130 --> 00:15:55,240

the morning of the 27th and so by this

343

00:16:00,840 --> 00:15:58,140

particular narrative he was not on duty

344

00:16:04,140 --> 00:16:00,850

we know his current narrative is that he

345

00:16:06,030 --> 00:16:04,150

was in Germany in 2017 where he went to

346

00:16:08,490 --> 00:16:06,040

Toronto to be interviewed by Sid

347

00:16:11,340 --> 00:16:08,500

Goldberg and his channel earth mystery

348

00:16:13,950 --> 00:16:11,350

news in this video he's discussing the

349

00:16:15,870 --> 00:16:13,960

letter he's and his mother he says he

350

00:16:18,660 --> 00:16:15,880

references the first night's incidence

351

00:16:20,180 --> 00:16:18,670

in the letter which is unusual he

352

00:16:22,500 --> 00:16:20,190

doesn't mention his own involvement

353

00:16:25,310 --> 00:16:22,510

there is no way to tell what was in that

354

00:16:29,190 --> 00:16:25,320

envelope the letter is dated six of Jan

355

00:16:31,770 --> 00:16:29,200

postmarked 7th of January in this earth

356

00:16:35,760 --> 00:16:31,780

mystery news clip he says a guy he knows

357

00:16:38,240 --> 00:16:35,770

on D flight at 3 a.m. saw a shooting

358

00:16:42,390 --> 00:16:38,250

star fall into the weapons storage area

359

00:16:44,370 --> 00:16:42,400

he now says he was that guy but no point

360

00:16:47,640 --> 00:16:44,380

in the narrative does anyone see a

361

00:16:50,880 --> 00:16:47,650

shooting staff on into the WUSA a beam

362

00:16:52,890 --> 00:16:50,890

of light was seen he also says that he

363

00:16:55,530 --> 00:16:52,900

and four other guys were walking back to

364

00:16:57,540 --> 00:16:55,540

base from Woodbridge he previously said

365

00:17:00,390 --> 00:16:57,550

he was in a car with friends going to

366

00:17:03,240 --> 00:17:00,400

and from Ipswich but also said he was

367

00:17:05,790 --> 00:17:03,250

coming back from Germany he says they

368

00:17:08,490 --> 00:17:05,800

saw a bright light go straight over as

369

00:17:12,060 --> 00:17:08,500

about fifty feet up so I see I think we

370

00:17:14,490 --> 00:17:12,070

saw the UFO - on the first night John

371

00:17:16,770 --> 00:17:14,500

Jim and Edie found lights in the trees

372

00:17:18,420 --> 00:17:16,780

it was static the following of the

373

00:17:21,210 --> 00:17:18,430

lights through the trees was the third

374

00:17:24,660 --> 00:17:21,220

night remember this was written 6th of

375

00:17:27,480 --> 00:17:24,670

January why was that the only mention of

376

00:17:29,520 --> 00:17:27,490

him seeing a UFO also he states that

377

00:17:31,620 --> 00:17:29,530

they were trained killers but they run

378

00:17:35,040 --> 00:17:31,630

away from witches and black magic the

379

00:17:38,850 --> 00:17:35,050

lesser is problematic as he's added bits

380

00:17:40,299 --> 00:17:38,860

in the PS in different pan this is the

381

00:17:43,600 --> 00:17:40,309

earth mystery news

382

00:17:46,509 --> 00:17:43,610

it's cult never before revealed in fall

383

00:17:53,110 --> 00:17:46,519

first ever written evidence on RAF

384

00:17:55,299 --> 00:17:53,120

Bentwaters what I'm holding is the

385

00:17:59,350 --> 00:17:55,309

actual letter I wrote to my mother on

386

00:18:00,750 --> 00:17:59,360

the 6th of January 1981 just days after

387

00:18:04,480 --> 00:18:00,760

the bent will Rendlesham forest

388

00:18:08,289 --> 00:18:04,490

incidents it predates the halt memo by a

389

00:18:10,149 --> 00:18:08,299

week and what I described in this is the

390

00:18:11,799 --> 00:18:10,159

first night's incidents because I had

391

00:18:16,299 --> 00:18:11,809

called my mother and been cut off on the

392

00:18:18,820 --> 00:18:16,309

phone and it got me in a lot of trouble

393

00:18:21,100 --> 00:18:18,830

so I figured that writer and be coy and

394

00:18:22,960 --> 00:18:21,110

tell her what they told us in the

395

00:18:25,180 --> 00:18:22,970

debrief about the first night's incident

396

00:18:28,060 --> 00:18:25,190

which actually I thought had happened

397

00:18:29,830 --> 00:18:28,070

just before we got out there and that

398

00:18:32,590 --> 00:18:29,840

wasn't the case so I thought I was being

399

00:18:35,200 --> 00:18:32,600

clever I was 19 and I took a big risk

400

00:18:39,639 --> 00:18:35,210

doing it and it got through and on this

401
00:18:43,210 --> 00:18:39,649
is the envelope that I sent to my mother

402
00:18:48,149 --> 00:18:43,220
and it's Armed Forces Air Force Postal

403
00:18:50,889 --> 00:18:48,159
Service stamped and Frank Frank marks my

404
00:18:53,590 --> 00:18:50,899
address in the military was a one airman

405
00:18:57,460 --> 00:18:53,600
first class Lawrence P Warren social

406
00:19:01,360 --> 00:18:57,470
security number 80 first security police

407
00:19:05,440 --> 00:19:01,370
squadron P o box 997 APO air post office

408
00:19:08,889 --> 00:19:05,450
New York oh nine 755 - my mother miss

409
00:19:11,169 --> 00:19:08,899
Joann a Warren 90 - seven Robert Kearns

410
00:19:13,600 --> 00:19:11,179
apartments weeks Road Glens Falls New

411
00:19:16,750 --> 00:19:13,610
York one two eight oh one and that zip

412
00:19:18,610 --> 00:19:16,760
code now is Queensbury 102 a tow force

413
00:19:21,450 --> 00:19:18,620

it's a long time ago that's the actual

414

00:19:25,019 --> 00:19:21,460

envelope and on the back of it I write

415

00:19:27,399 --> 00:19:25,029

PS I forgot to put in the letter

416

00:19:29,169 --> 00:19:27,409

something with the letter what is Jeff's

417

00:19:32,169 --> 00:19:29,179

address and that was a friend of mine

418

00:19:34,149 --> 00:19:32,179

and there's some of my mother who was a

419

00:19:35,889 --> 00:19:34,159

bookkeeper there some of her doing

420

00:19:38,490 --> 00:19:35,899

probably doing her bills on the back of

421

00:19:41,379 --> 00:19:38,500

the envelope that's her handwriting and

422

00:19:44,889 --> 00:19:41,389

that's that I wrote funny there's

423

00:19:46,690 --> 00:19:44,899

cartoons here and I wrote I drew Larry

424

00:19:48,820 --> 00:19:46,700

Jeff and Steve these are two guys I

425

00:19:51,010 --> 00:19:48,830

brought in the Air Force and then I put

426

00:19:51,860 --> 00:19:51,020

my recruiter his head sticking out of

427

00:19:55,520 --> 00:19:51,870

the

428

00:19:57,260 --> 00:19:55,530

Jack Gorman was his name and I roji who

429

00:20:01,480 --> 00:19:57,270

can I [\h__\h] today because the Air

430

00:20:06,590 --> 00:20:01,490

Force had gone sour for me at that point

431

00:20:08,900 --> 00:20:06,600

so the letter is you know that's the one

432

00:20:11,390 --> 00:20:08,910

so there's a lot of history you know

433

00:20:14,960 --> 00:20:11,400

current events in this letter

434

00:20:17,360 --> 00:20:14,970

not just the incident which gives to the

435

00:20:19,700 --> 00:20:17,370

authenticity but I figured after I got

436

00:20:22,790 --> 00:20:19,710

cut off on the phone I'd have to follow

437

00:20:25,520 --> 00:20:22,800

without position worried so at 6 January

438

00:20:27,860 --> 00:20:25,530

81 which is the military way to write a

439

00:20:29,450 --> 00:20:27,870

date not the American Way but the

440

00:20:33,860 --> 00:20:29,460

military we do it like the English do

441

00:20:38,360 --> 00:20:33,870

and I wrote dear ma Sam as my sister and

442

00:20:40,430 --> 00:20:38,370

Mike who was our cat can't help it

443

00:20:43,100 --> 00:20:40,440

that's how it was how was things at home

444

00:20:46,520 --> 00:20:43,110

I hope good I'm ok

445

00:20:49,790 --> 00:20:46,530

I wasn't please don't be too upset that

446

00:20:52,880 --> 00:20:49,800

it has taken me so long to write I think

447

00:20:55,550 --> 00:20:52,890

that was because I told you all I was

448

00:21:00,370 --> 00:20:55,560

doing on the phone and could not think

449

00:21:02,540 --> 00:21:00,380

of anything else to say so page 4

450

00:21:05,720 --> 00:21:02,550

remember I was telling you about that

451
00:21:08,300 --> 00:21:05,730
UFO that landed well I'll tell you the

452
00:21:11,420 --> 00:21:08,310
whole story on it over Europe and

453
00:21:13,070 --> 00:21:11,430
England a bunch of lights were seen over

454
00:21:15,380 --> 00:21:13,080
London one of the lights broke into

455
00:21:17,240 --> 00:21:15,390
about 20 smaller lights and flew in all

456
00:21:19,970 --> 00:21:17,250
directions at about 3:00 in the morning

457
00:21:22,340 --> 00:21:19,980
a guy I know and deflate of security

458
00:21:26,720 --> 00:21:22,350
police told me of course I was the guy

459
00:21:29,210 --> 00:21:26,730
that was being clever he reported a

460
00:21:31,970 --> 00:21:29,220
falling star outside the weapons storage

461
00:21:34,250 --> 00:21:31,980
area post officer I can't tell you what

462
00:21:37,820 --> 00:21:34,260
they keep him there but use your

463
00:21:40,180 --> 00:21:37,830

imagination anyway he reported it and

464

00:21:42,620 --> 00:21:40,190

then everyone started feeling strange

465

00:21:46,250 --> 00:21:42,630

then a guy on the back gate at

466

00:21:49,130 --> 00:21:46,260

Woodbridge reported a bright light

467

00:21:50,600 --> 00:21:49,140

moving through the pine forest we didn't

468

00:21:53,030 --> 00:21:50,610

even know the name it was Rendlesham

469

00:21:55,460 --> 00:21:53,040

then an officer and two sergeants

470

00:21:58,130 --> 00:21:55,470

responded but they could not I say I

471

00:21:59,930 --> 00:21:58,140

didn't know who they were they could not

472

00:22:02,350 --> 00:21:59,940

take weapons because they were off-base

473

00:22:03,770 --> 00:22:02,360

over the radio they're printing an

474

00:22:06,620 --> 00:22:03,780

object

475

00:22:08,540 --> 00:22:06,630

about seven by eight feet in size but

476
00:22:10,700 --> 00:22:08,550
they said every time they would get near

477
00:22:15,230 --> 00:22:10,710
it it would seem farther away all of a

478
00:22:17,840 --> 00:22:15,240
sudden they also said that all the

479
00:22:20,330 --> 00:22:17,850
animals in the forest were going nuts

480
00:22:23,420 --> 00:22:20,340
that all of a sudden the light went out

481
00:22:25,220 --> 00:22:23,430
and over the radio they said they didn't

482
00:22:28,250 --> 00:22:25,230
like the situation who wanted to go back

483
00:22:30,590 --> 00:22:28,260
to base but they were told to keep on

484
00:22:33,140 --> 00:22:30,600
investigating then they said the thing

485
00:22:35,210 --> 00:22:33,150
appeared behind them it seemed like it

486
00:22:37,880 --> 00:22:35,220
was playing games after three and a half

487
00:22:40,190 --> 00:22:37,890
miles of following the thing through

488
00:22:42,350 --> 00:22:40,200

countryside and woods the thing just

489

00:22:44,570 --> 00:22:42,360

disappeared in the field it was only

490

00:22:47,000 --> 00:22:44,580

about ten feet off the ground this is

491

00:22:50,060 --> 00:22:47,010

what a friend of mine said he heard on

492

00:22:52,820 --> 00:22:50,070

the radio at the same time me and five

493

00:22:55,400 --> 00:22:52,830

other guys were walking up a dark road

494

00:22:57,230 --> 00:22:55,410

about two miles from the base back from

495

00:22:59,900 --> 00:22:57,240

Ipswich because we couldn't get a ride

496

00:23:02,210 --> 00:22:59,910

missus before my incident kicked off and

497

00:23:03,710 --> 00:23:02,220

we felt like we were being watched and

498

00:23:06,020 --> 00:23:03,720

it was strange because there were no

499

00:23:08,240 --> 00:23:06,030

streetlights then we saw a bright light

500

00:23:15,080 --> 00:23:08,250

go right over us about fifty feet up and

501
00:23:17,840 --> 00:23:15,090
just fly over a field it was silent we

502
00:23:20,270 --> 00:23:17,850
first thought it was an a-10 jet but

503
00:23:22,430 --> 00:23:20,280
they scream so he ran away because

504
00:23:27,080 --> 00:23:22,440
witchcraft and black magic is big in

505
00:23:30,380 --> 00:23:27,090
this part of Suffolk oh and we thought

506
00:23:32,450 --> 00:23:30,390
that witches were in the woods because

507
00:23:35,090 --> 00:23:32,460
that light just seemed to jump over the

508
00:23:37,820 --> 00:23:35,100
trees the next day it turned out we're

509
00:23:41,000 --> 00:23:37,830
in the same place is the UFO so I think

510
00:23:43,670 --> 00:23:41,010
we saw it too now the three people who

511
00:23:46,520 --> 00:23:43,680
chased it can't and won't talk about it

512
00:23:49,220 --> 00:23:46,530
at all and supposedly no animals have

513
00:23:51,680 --> 00:23:49,230

gone back in the woods yet they did find

514

00:23:56,240 --> 00:23:51,690

two landing sites and supposedly some

515

00:23:58,910 --> 00:23:56,250

equipment left behind a big c-130 this

516

00:24:01,940 --> 00:23:58,920

is an important man because came in and

517

00:24:04,730 --> 00:24:01,950

took something in a crate away and a few

518

00:24:08,090 --> 00:24:04,740

days later and the guards were flown in

519

00:24:09,710 --> 00:24:08,100

from somewhere else it is strange and

520

00:24:12,200 --> 00:24:09,720

now I hear the strange things have been

521

00:24:14,960 --> 00:24:12,210

going on in that in the forest for the

522

00:24:17,320 --> 00:24:14,970

past few weeks and remember we did get

523

00:24:20,330 --> 00:24:17,330

cut off on the phone

524

00:24:22,369 --> 00:24:20,340

so I was being very cool it's hilarious

525

00:24:25,070 --> 00:24:22,379

now to read it kind of know and feel

526

00:24:27,200 --> 00:24:25,080

like my sunroof it's I'm trying not to

527

00:24:29,749 --> 00:24:27,210

upset my mother and I'm like oh well my

528

00:24:33,049 --> 00:24:29,759

life's been screwed so I go through this

529

00:24:34,789 --> 00:24:33,059

telling the first night's event I try to

530

00:24:36,230 --> 00:24:34,799

put in what did happen to us earlier I'm

531

00:24:39,649 --> 00:24:36,240

thinking I can't get in trouble really

532

00:24:43,609 --> 00:24:39,659

distancing myself oh man our New Year's

533

00:24:48,950 --> 00:24:43,619

Eve you know about 20 of us had a great

534

00:24:54,470 --> 00:24:48,960

time and jumped in fountains and all

535

00:24:56,779 --> 00:24:54,480

this I can't even read it I just hope if

536

00:24:58,759 --> 00:24:56,789

it comes down to be getting out cuz I

537

00:25:01,730 --> 00:24:58,769

wanted to get out right away you don't

538

00:25:03,560 --> 00:25:01,740

hold that hold it against me tell Sam

539

00:25:04,909 --> 00:25:03,570

that's my sister to work hard in school

540

00:25:07,940 --> 00:25:04,919

it was the last year of high school

541

00:25:11,389 --> 00:25:07,950

she's the grandmother now it's almost

542

00:25:13,580 --> 00:25:11,399

over for her now tell her pull the cat's

543

00:25:14,720 --> 00:25:13,590

ears for me and MA like I always said

544

00:25:17,149 --> 00:25:14,730

don't work too hard

545

00:25:18,859 --> 00:25:17,159

PS ma and I wrote this in the post

546

00:25:21,470 --> 00:25:18,869

office and then after thought before I

547

00:25:23,419 --> 00:25:21,480

left in a different pen because I was

548

00:25:25,700 --> 00:25:23,429

just about to mail it and I got it and

549

00:25:28,399 --> 00:25:25,710

alright our base post office I wrote PS

550

00:25:31,159 --> 00:25:28,409

mom when I get home I'll tell you the

551
00:25:35,090 --> 00:25:31,169
truth about the UFO I can't in the mail

552
00:25:38,659 --> 00:25:35,100
they read it this is the logic of a 19

553
00:25:41,029 --> 00:25:38,669
year old unsophisticated kid very

554
00:25:42,799 --> 00:25:41,039
confused and trying to pretend

555
00:25:45,409 --> 00:25:42,809
everything's great but please let me I'm

556
00:25:48,100 --> 00:25:45,419
trying to tell you something here but it

557
00:25:50,980 --> 00:25:48,110
verifies the phone call it verifies

558
00:25:54,320 --> 00:25:50,990
definitely the first night it verifies

559
00:25:57,049 --> 00:25:54,330
I'm the guy on D flight a friend on D

560
00:25:58,999 --> 00:25:57,059
flight but it's so disjointed and

561
00:26:00,859 --> 00:25:59,009
bizarre and my head was so wrong and

562
00:26:04,220 --> 00:26:00,869
this is before the halt memo was even

563
00:26:06,409 --> 00:26:04,230

typed by a week it's describing the

564

00:26:08,389 --> 00:26:06,419

first night well I'm describing the

565

00:26:10,820 --> 00:26:08,399

first night because in our debriefing we

566

00:26:13,279 --> 00:26:10,830

had that basically outlined to us and

567

00:26:14,749 --> 00:26:13,289

therefore I thought that all this must

568

00:26:17,989 --> 00:26:14,759

have happened in one night and we were

569

00:26:20,480 --> 00:26:17,999

responding to that incident it turned

570

00:26:23,779 --> 00:26:20,490

out a couple years later it was not the

571

00:26:25,489 --> 00:26:23,789

same night but I thought I can't get in

572

00:26:27,590 --> 00:26:25,499

trouble for writing what they're telling

573

00:26:28,910 --> 00:26:27,600

me because I wasn't in that first night

574

00:26:31,550 --> 00:26:28,920

wasn't on duty

575

00:26:34,550 --> 00:26:31,560

that's with them girls in Germany so why

576

00:26:38,450 --> 00:26:34,560

didn't you put in the letter what you

577

00:26:41,270 --> 00:26:38,460

saw on the third night what I was trying

578

00:26:44,990 --> 00:26:41,280

to do is confirm to my mother an

579

00:26:48,400 --> 00:26:45,000

incident happened because I got caught

580

00:26:51,740 --> 00:26:48,410

calling her and I didn't want it

581

00:26:54,830 --> 00:26:51,750

verifies I'm the guy on D flight a

582

00:26:56,900 --> 00:26:54,840

friend I'm important to this so I told

583

00:26:59,960 --> 00:26:56,910

her what the federales told us in the

584

00:27:02,450 --> 00:26:59,970

debrief so she could have a sense of how

585

00:27:05,720 --> 00:27:02,460

big it was as a very young [h__h] person

586

00:27:07,190 --> 00:27:05,730

at this point and because I'm reading

587

00:27:09,080 --> 00:27:07,200

this now and saying God yeah I'm jumping

588

00:27:12,290 --> 00:27:09,090

to all kinds of things I'm trying to be

589

00:27:14,840 --> 00:27:12,300

Clara as I would have been in jail and I

590

00:27:17,240 --> 00:27:14,850

wrote that because if I wrote what I

591

00:27:20,060 --> 00:27:17,250

went through then I would be accountable

592

00:27:22,940 --> 00:27:20,070

instead of hearsay and that's why I did

593

00:27:25,100 --> 00:27:22,950

that I that was my tactic and the end of

594

00:27:27,080 --> 00:27:25,110

the letter I'm trying to give her a hand

595

00:27:29,510 --> 00:27:27,090

cuz I couldn't send it just like this I

596

00:27:31,430 --> 00:27:29,520

remember writing this letter it was dark

597

00:27:33,440 --> 00:27:31,440

out so I was at my desk at the window

598

00:27:36,200 --> 00:27:33,450

and my room it had books I could

599

00:27:38,240 --> 00:27:36,210

remember writing this and I went to the

600

00:27:40,910 --> 00:27:38,250

post office the next day mailed it on

601
00:27:42,380 --> 00:27:40,920
the seventh the morning obviously and I

602
00:27:45,440 --> 00:27:42,390
go to the post office I remember the

603
00:27:47,600 --> 00:27:45,450
desk on here on the desk were here and I

604
00:27:49,070 --> 00:27:47,610
said you know before I went I go I'm

605
00:27:50,210 --> 00:27:49,080
gonna die there were some pictures with

606
00:27:53,900 --> 00:27:50,220
this but nothing to do with the incident

607
00:27:56,330 --> 00:27:53,910
and I try to make a covert and that's

608
00:27:57,080 --> 00:27:56,340
where I added on the desk real quick

609
00:28:00,170 --> 00:27:57,090
looking around

610
00:28:03,380 --> 00:28:00,180
PS mom when I get home I will tell you

611
00:28:06,500 --> 00:28:03,390
the truth about the UFO I can't in the

612
00:28:08,090 --> 00:28:06,510
mail they'll read it and that was to

613
00:28:10,400 --> 00:28:08,100

protect me as a very young person

614

00:28:13,280 --> 00:28:10,410

thinking as being clever as the years

615

00:28:16,910 --> 00:28:13,290

went on and then obviously haunt wrote

616

00:28:19,820 --> 00:28:16,920

his memo and then two days after that my

617

00:28:21,830 --> 00:28:19,830

mother responds to me well Larry you

618

00:28:24,170 --> 00:28:21,840

certainly explained your situation with

619

00:28:26,960 --> 00:28:24,180

the UFO and as you know what you and

620

00:28:29,270 --> 00:28:26,970

others saw was just that a UFO it must

621

00:28:30,950 --> 00:28:29,280

have been quite an experience and that

622

00:28:35,780 --> 00:28:30,960

was two days after halls memo was

623

00:28:38,240 --> 00:28:35,790

written sat we sandwich in halts memo so

624

00:28:40,010 --> 00:28:38,250

you wrote your mom to say I'll tell you

625

00:28:41,900 --> 00:28:40,020

the real truth about it and I'll tell

626

00:28:43,400 --> 00:28:41,910

you the truth you're referring to the

627

00:28:45,500 --> 00:28:43,410

night that you experienced something

628

00:28:47,990 --> 00:28:45,510

exactly which you couldn't speak about

629

00:28:50,120 --> 00:28:48,000

your own story but you felt okay exactly

630

00:28:51,920 --> 00:28:50,130

you were allowed to speak about the

631

00:28:55,490 --> 00:28:51,930

story that would heard from the other

632

00:28:56,930 --> 00:28:55,500

guys and I we were debriefed and told

633

00:28:59,420 --> 00:28:56,940

that it wasn't a rumor with the

634

00:29:01,610 --> 00:28:59,430

debriefers told us basically an outline

635

00:29:03,320 --> 00:29:01,620

that I wrote because I kept it in my

636

00:29:04,670 --> 00:29:03,330

head and I said well that must have been

637

00:29:07,370 --> 00:29:04,680

they didn't tell us it was three

638

00:29:09,260 --> 00:29:07,380

separate nights that's all I said well

639

00:29:11,780 --> 00:29:09,270

that's why we went out there so we're

640

00:29:14,480 --> 00:29:11,790

not alone in this you know as you heard

641

00:29:16,340 --> 00:29:14,490

about it from the debrief er I was told

642

00:29:19,490 --> 00:29:16,350

by the debris firs our whole room was

643

00:29:21,620 --> 00:29:19,500

that they described the outplay of some

644

00:29:24,650 --> 00:29:21,630

of the incidents yep I didn't know

645

00:29:26,990 --> 00:29:24,660

Penniston and Burroughs at all and they

646

00:29:31,070 --> 00:29:27,000

so I just and that is pretty accurate

647

00:29:34,010 --> 00:29:31,080

for what happened to them and it's it's

648

00:29:37,730 --> 00:29:34,020

the only authentic original kind of

649

00:29:42,860 --> 00:29:37,740

account and I can remember writing this

650

00:29:46,610 --> 00:29:42,870

letter 35 years ago almost 36 years ago

651
00:29:48,590 --> 00:29:46,620
I can remember mailing it and I remember

652
00:29:51,410 --> 00:29:48,600
the afterthought I said I have to let

653
00:29:54,440 --> 00:29:51,420
her know but it verifies also the phone

654
00:29:56,600 --> 00:29:54,450
call and when we got cut off a hundred

655
00:29:58,700 --> 00:29:56,610
percent everything I said was verified

656
00:30:00,350 --> 00:29:58,710
here but that's why I was telling the

657
00:30:01,610 --> 00:30:00,360
first night's event because I said well

658
00:30:04,730 --> 00:30:01,620
I can't get in trouble for something I

659
00:30:07,190 --> 00:30:04,740
wasn't involved in and if I tell what

660
00:30:10,250 --> 00:30:07,200
happened to me I could only do it in

661
00:30:13,460 --> 00:30:10,260
real life and that's the agenda there

662
00:30:15,920 --> 00:30:13,470
that's what it was in the piece so you

663
00:30:17,930 --> 00:30:15,930

have just listened to he states that the

664

00:30:20,360 --> 00:30:17,940

guys on the first night radioed in to

665

00:30:22,700 --> 00:30:20,370

see if they could come back in yeah in

666

00:30:25,040 --> 00:30:22,710

the early interview video he says that

667

00:30:27,110 --> 00:30:25,050

they were uncontacted all by radio and

668

00:30:30,260 --> 00:30:27,120

were found wandering aimlessly in the

669

00:30:32,540 --> 00:30:30,270

woods he states in that earth mystery

670

00:30:34,790 --> 00:30:32,550

news clip that you've just heard that he

671

00:30:36,680 --> 00:30:34,800

described decided to describe a night he

672

00:30:39,050 --> 00:30:36,690

was not involved in so he couldn't get

673

00:30:41,660 --> 00:30:39,060

into trouble so he described the first

674

00:30:43,760 --> 00:30:41,670

night he then goes on to say that it was

675

00:30:46,040 --> 00:30:43,770

a couple of years later that he found

676

00:30:48,170 --> 00:30:46,050

out they were different nights so how

677

00:30:49,370 --> 00:30:48,180

could he have known on the 6th of

678

00:30:51,650 --> 00:30:49,380

January in his life

679

00:30:54,860 --> 00:30:51,660

sir that he was describing the first

680

00:30:56,810 --> 00:30:54,870

night in his finally talk at the flying

681

00:31:00,110 --> 00:30:56,820

saucers of London conference in July

682

00:31:02,870 --> 00:31:00,120

2015 in whole he describes his self as a

683

00:31:05,510 --> 00:31:02,880

trend killer not the naive young lad

684

00:31:07,160 --> 00:31:05,520

running from witches in the woods he

685

00:31:09,440 --> 00:31:07,170

says he was fully trained ground

686

00:31:12,260 --> 00:31:09,450

defender twelve weeks training in San

687

00:31:13,790 --> 00:31:12,270

Antonio then he left East Gate he says

688

00:31:16,760 --> 00:31:13,800

he took one month leave

689

00:31:20,330 --> 00:31:16,770

he arrived in San Antonio on the 22nd of

690

00:31:22,910 --> 00:31:20,340

August 1918 12 weeks training with four

691

00:31:25,190 --> 00:31:22,920

weeks leave puts him at 16 weeks in the

692

00:31:29,060 --> 00:31:25,200

Air Force before landing in the UK for

693

00:31:31,760 --> 00:31:29,070

the 1st for the 1st of December 12 weeks

694

00:31:34,580 --> 00:31:31,770

from the 22nd of August takes you to the

695

00:31:36,650 --> 00:31:34,590

14th of November plus four weeks leave

696

00:31:39,430 --> 00:31:36,660

means he was actually on base around

697

00:31:41,690 --> 00:31:39,440

12th of December then two weeks of

698

00:31:45,380 --> 00:31:41,700

orientation puts his very first ever

699

00:31:48,140 --> 00:31:45,390

shift as a 28th of December which he has

700

00:31:51,770 --> 00:31:48,150

already stated in the first concert clip

701

00:31:55,100 --> 00:31:51,780

I played if you recall it states in left

702

00:31:57,140 --> 00:31:55,110

east gate and to Syd Goldberg in 2017 he

703

00:32:00,500 --> 00:31:57,150

was in Germany for a couple of days and

704

00:32:02,600 --> 00:32:00,510

came home on the 27th the entire series

705

00:32:05,000 --> 00:32:02,610

of events were already over by the time

706

00:32:06,740 --> 00:32:05,010

he got on to his first shift on the 28th

707

00:32:08,510 --> 00:32:06,750

which was a Sunday

708

00:32:10,670 --> 00:32:08,520

he had gone to hip switch him one

709

00:32:17,270 --> 00:32:10,680

narrative but everything shot on a

710

00:32:18,890 --> 00:32:17,280

Sunday in 1987 the US Air Force wasn't a

711

00:32:19,520 --> 00:32:18,900

popular thing to do my friends thought I

712

00:32:24,170 --> 00:32:19,530

was nuts

713

00:32:26,690 --> 00:32:24,180

I thought the Navy and I get seasick and

714

00:32:28,880 --> 00:32:26,700

I wasn't going to do that for real and

715

00:32:30,500 --> 00:32:28,890

then the army but the Air Force wanted a

716

00:32:32,210 --> 00:32:30,510

higher standard a great you know

717

00:32:34,990 --> 00:32:32,220

entrance and I thought oh this would be

718

00:32:37,480 --> 00:32:35,000

good and I wanted to go into

719

00:32:39,279 --> 00:32:37,490

a combatant family you know the Air

720

00:32:41,110 --> 00:32:39,289

Force isn't a lot of ground combat so we

721

00:32:44,110 --> 00:32:41,120

were like RAF regiment would be the

722

00:32:46,180 --> 00:32:44,120

closest thing I can relate to you and we

723

00:32:48,820 --> 00:32:46,190

were and so I chose the security for a

724

00:32:50,200 --> 00:32:48,830

new security police field but I was in

725

00:32:52,299 --> 00:32:50,210

security police I was a security

726

00:32:55,149 --> 00:32:52,309

specialist there were two divisions with

727

00:32:57,310 --> 00:32:55,159

the cops on the beat and then there's

728

00:32:59,500 --> 00:32:57,320

guys like us she didn't see much and we

729

00:33:01,029 --> 00:32:59,510

were all you know ready for combat and

730

00:33:03,100 --> 00:33:01,039

war and we had big guns

731

00:33:05,799 --> 00:33:03,110

we were killers you know they were

732

00:33:08,620 --> 00:33:05,809

trained to kill that's sorry that's what

733

00:33:11,500 --> 00:33:08,630

we did and it was the height of the Cold

734

00:33:13,779 --> 00:33:11,510

War was a hot time so I came back from

735

00:33:15,610 --> 00:33:13,789

England I said well I want to go to

736

00:33:17,350 --> 00:33:15,620

England the Air Force we at that time

737

00:33:19,360 --> 00:33:17,360

you asked a young kid now they don't

738

00:33:22,480 --> 00:33:19,370

know we had American bases all over this

739

00:33:24,310 --> 00:33:22,490

country at that time and I got the last

740

00:33:26,950 --> 00:33:24,320

assignment at last country a choice

741

00:33:29,640 --> 00:33:26,960

which was I chose England in the whole

742

00:33:33,279 --> 00:33:29,650

US Air Force on the enlistment program

743

00:33:34,720 --> 00:33:33,289

so I came in John burrows I was the same

744

00:33:36,100 --> 00:33:34,730

rank as John burrows when all this

745

00:33:38,190 --> 00:33:36,110

happened they would say sergeant no it

746

00:33:40,600 --> 00:33:38,200

was in Harriman for just like big

747

00:33:43,299 --> 00:33:40,610

Penniston was just a staffing that's all

748

00:33:46,000 --> 00:33:43,309

but there's so many more guys so I go

749

00:33:49,090 --> 00:33:46,010

into basic training and I go through

750

00:33:51,419 --> 00:33:49,100

that and it was hot as hell in San

751
00:33:53,830 --> 00:33:51,429
Antonio Texas hot as he died ever seen

752
00:33:54,970 --> 00:33:53,840
but then I look back now and I'm not

753
00:33:56,260 --> 00:33:54,980
going to go into it there's a lot of

754
00:33:57,820 --> 00:33:56,270
things not in there just didn't make

755
00:34:00,000 --> 00:33:57,830
sense or just to skip through the

756
00:34:02,260 --> 00:34:00,010
raindrops over the years over things

757
00:34:04,659 --> 00:34:02,270
what I'm saying maybe we were put in

758
00:34:07,000 --> 00:34:04,669
place really you know and I will take

759
00:34:10,359 --> 00:34:07,010
questions you're at one where I will

760
00:34:12,060 --> 00:34:10,369
take questions no problem there's David

761
00:34:14,820 --> 00:34:12,070
Bryan you and

762
00:34:19,530 --> 00:34:14,830
there's no dead rat on someone so anyway

763
00:34:23,940 --> 00:34:19,540

so we you know he made us but so long

764

00:34:26,190 --> 00:34:23,950

story short from that long stories I I

765

00:34:28,140 --> 00:34:26,200

got in the security forces security

766

00:34:30,690 --> 00:34:28,150

police as they were known then security

767

00:34:33,659 --> 00:34:30,700

specialists which had SS was our symbol

768

00:34:35,669 --> 00:34:33,669

we'd be marching SS the best element one

769

00:34:42,870 --> 00:34:35,679

second of none and you know God that God

770

00:34:45,330 --> 00:34:42,880

Jewish people weren't around and I came

771

00:34:47,310 --> 00:34:45,340

over I got to hurry of Bentwaters my

772

00:34:48,810 --> 00:34:47,320

first base I had been fully trained

773

00:34:52,680 --> 00:34:48,820

night air base ground defense which was

774

00:34:54,150 --> 00:34:52,690

advanced ground offender training that

775

00:34:57,060 --> 00:34:54,160

they chose you whether you like it or

776

00:34:59,220 --> 00:34:57,070

not so I 12 weeks of Security Forces

777

00:35:02,430 --> 00:34:59,230

training before I even came to my first

778

00:35:05,130 --> 00:35:02,440

base so as you can hear the dates do not

779

00:35:07,440 --> 00:35:05,140

add up he states he was on base from the

780

00:35:09,930 --> 00:35:07,450

1st of December even if that were true

781

00:35:12,840 --> 00:35:09,940

it would not have been long enough so

782

00:35:15,420 --> 00:35:12,850

had extensive training in electronic

783

00:35:17,790 --> 00:35:15,430

security as he stated in the early

784

00:35:20,460 --> 00:35:17,800

interview videos where he's talking

785

00:35:22,380 --> 00:35:20,470

about the phone call to his mother he

786

00:35:27,530 --> 00:35:22,390

said that the phones were all monitored

787

00:35:33,590 --> 00:35:31,490

being the first civilian that I'm aware

788

00:35:37,190 --> 00:35:33,600

of in the United States of America that

789

00:35:38,810 --> 00:35:37,200

knew of these events because after we're

790

00:35:41,880 --> 00:35:38,820

told not to use the phones or write

791

00:35:44,700 --> 00:35:41,890

letters Iran tulip

792

00:35:48,690 --> 00:35:44,710

bathroom with another witness to these

793

00:35:50,730 --> 00:35:48,700

events also and Kohima i reversed the

794

00:35:53,040 --> 00:35:50,740

charges and I figured I wouldn't get

795

00:35:55,740 --> 00:35:53,050

nicked because I did that and I got her

796

00:35:59,250 --> 00:35:55,750

on the phone and she accepted the charge

797

00:36:01,020 --> 00:35:59,260

isn't I said back to my recollection I

798

00:36:04,170 --> 00:36:01,030

said mom you're never gonna believe what

799

00:36:06,420 --> 00:36:04,180

I saw last night you saw a UFO landed on

800

00:36:08,580 --> 00:36:06,430

the base and I realized that she wasn't

801
00:36:11,160 --> 00:36:08,590
answering me and I was just talking to

802
00:36:13,460 --> 00:36:11,170
nothing she was gone I didn't hear the

803
00:36:15,380 --> 00:36:13,470
click or the phone get there

804
00:36:17,450 --> 00:36:15,390
well I looked at my egg break bathroom

805
00:36:18,829 --> 00:36:17,460
but I said you know I know I think I've

806
00:36:20,630 --> 00:36:18,839
gotten kind of off so I called the

807
00:36:23,210 --> 00:36:20,640
operator that's that I reversed the

808
00:36:24,890 --> 00:36:23,220
charges you know read hook me up and she

809
00:36:26,990 --> 00:36:24,900
goes are you calling from the base and I

810
00:36:29,210 --> 00:36:27,000
said yes and she said well you were cut

811
00:36:31,010 --> 00:36:29,220
off from the face I knew I was in

812
00:36:33,410 --> 00:36:31,020
trouble at this point because the phones

813
00:36:35,540 --> 00:36:33,420

are all not addressed so naive not even

814

00:36:37,640 --> 00:36:35,550

think that especially after these events

815

00:36:40,640 --> 00:36:37,650

the security measures were extremely

816

00:36:42,079 --> 00:36:40,650

upgraded Colonel Hall makes the position

817

00:36:44,960 --> 00:36:42,089

that the phone system in England is very

818

00:36:46,740 --> 00:36:44,970

antiquated but on a NATO air base of

819

00:36:50,750 --> 00:36:46,750

that magnitude

820

00:36:53,910 --> 00:36:50,760

juries is very very formidable

821

00:36:55,920 --> 00:36:53,920

electronic security of silver and I had

822

00:36:58,350 --> 00:36:55,930

extensive training in that night I was

823

00:37:00,330 --> 00:36:58,360

just so anxious to talk to stone so I

824

00:37:02,130 --> 00:37:00,340

ran back to my room and within an hour I

825

00:37:05,100 --> 00:37:02,140

had a notice to report for the hardened

826

00:37:07,470 --> 00:37:05,110

Communication Center for questioning

827

00:37:09,630 --> 00:37:07,480

which I denied everything until they

828

00:37:13,440 --> 00:37:09,640

played back the tape of my phone call I

829

00:37:17,430 --> 00:37:13,450

was fine I chose the finest of losing my

830

00:37:22,050 --> 00:37:17,440

stripes I only had two and in 1904

831

00:37:23,850 --> 00:37:22,060

stowing the \$95 on that fly in 1986 that

832

00:37:26,520 --> 00:37:23,860

was quite public in this sort of fitting

833

00:37:28,200 --> 00:37:26,530

and I got a letter just as an amendment

834

00:37:30,030 --> 00:37:28,210

to the story I got a letter from the

835

00:37:33,960 --> 00:37:30,040

Department of the Air Force accounting

836

00:37:36,060 --> 00:37:33,970

department in Denver Colorado and I was

837

00:37:37,720 --> 00:37:36,070

still read it was more of the hype of

838

00:37:40,330 --> 00:37:37,730

Bentwaters of

839

00:37:42,640 --> 00:37:40,340

well I'm a letter had stated that you

840

00:37:47,500 --> 00:37:42,650

know mister 1uf the United States Air

841

00:37:50,050 --> 00:37:47,510

Force of 1981 owing \$95 and 68 cents um

842

00:37:52,450 --> 00:37:50,060

you know and they didn't list a reason

843

00:37:53,770 --> 00:37:52,460

or anything and if you don't pay it will

844

00:37:56,290 --> 00:37:53,780

be forced to turn you over to the

845

00:37:58,030 --> 00:37:56,300

Internal Revenue Service it will be

846

00:38:00,880 --> 00:37:58,040

deducted from your taxes and you'll have

847

00:38:02,980 --> 00:38:00,890

bad credit and all this I simply wrote

848

00:38:04,990 --> 00:38:02,990

back a letter saying dear Department of

849

00:38:08,050 --> 00:38:05,000

the Air Force accounting department if

850

00:38:11,470 --> 00:38:08,060

you can demonstrate and list exactly why

851

00:38:14,710 --> 00:38:11,480

I incurred that debt I will be glad to

852

00:38:16,540 --> 00:38:14,720

remit them out to you in full as you've

853

00:38:18,880 --> 00:38:16,550

just heard he states that he was fined

854

00:38:21,190 --> 00:38:18,890

for calling his mother even though they

855

00:38:23,830 --> 00:38:21,200

were all told not to tell anyone not to

856

00:38:26,950 --> 00:38:23,840

speak about it on base or make any phone

857

00:38:28,510 --> 00:38:26,960

calls or write any letters he said that

858

00:38:31,450 --> 00:38:28,520

he chose the firing over losing his

859

00:38:34,000 --> 00:38:31,460

stripes when in reality that would have

860

00:38:36,250 --> 00:38:34,010

seen him court-martialed and in jail you

861

00:38:38,920 --> 00:38:36,260

do not sign non-disclosure agreements

862

00:38:41,110 --> 00:38:38,930

with the military then receive a fine

863

00:38:43,300 --> 00:38:41,120

for breaking them he consistently

864

00:38:45,550 --> 00:38:43,310

reveals sensitive information and

865

00:38:48,100 --> 00:38:45,560

reveals the names of personnel involved

866

00:38:49,600 --> 00:38:48,110

had he signed those documents he would

867

00:38:51,820 --> 00:38:49,610

not have been running at the mouth from

868

00:38:55,630 --> 00:38:51,830

the get-go without consequence he would

869

00:38:57,640 --> 00:38:55,640

have been in jail I want to skip right

870

00:38:59,380 --> 00:38:57,650

back to the start of all this when he

871

00:39:01,780 --> 00:38:59,390

was speaking under the name of out

872

00:39:03,780 --> 00:39:01,790

lawless when his account was completely

873

00:39:07,270 --> 00:39:03,790

different to what it is today

874

00:39:09,220 --> 00:39:07,280

he told dot Street Brenda Butler and

875

00:39:11,380 --> 00:39:09,230

Jenny Randall's for the book sky crash

876

00:39:13,690 --> 00:39:11,390

that when they got to the field and

877

00:39:15,460 --> 00:39:13,700

closer to the object there was a ball of

878

00:39:17,860 --> 00:39:15,470

light that touched him on the head and

879

00:39:18,490 --> 00:39:17,870

when he woke up back in his bed it is a

880

00:39:20,710 --> 00:39:18,500

barracks

881

00:39:22,390 --> 00:39:20,720

he said he woke up on his roommate told

882

00:39:22,750 --> 00:39:22,400

him that he had been there for about an

883

00:39:25,750 --> 00:39:22,760

hour

884

00:39:28,560 --> 00:39:25,760

he told Brendan dot that he didn't see

885

00:39:32,140 --> 00:39:28,570

any aliens but that he felt a presence

886

00:39:34,750 --> 00:39:32,150

interest interestingly the same roommate

887

00:39:37,690 --> 00:39:34,760

according to Warren in his file a talk

888

00:39:39,400 --> 00:39:37,700

later committed suicide and he shared

889

00:39:41,050 --> 00:39:39,410

that bit of information to the Philae

890

00:39:42,820 --> 00:39:41,060

audience by doing an impression of

891

00:39:45,910 --> 00:39:42,830

somebody shooting themselves in the head

892

00:39:47,590 --> 00:39:45,920

with full sound effects but it seems to

893

00:39:51,340 --> 00:39:47,600

me that he was back at the barracks in

894

00:39:52,900 --> 00:39:51,350

their room the whole time and as I've

895

00:39:57,790 --> 00:39:52,910

said before he called his roommate

896

00:39:59,770 --> 00:39:57,800

Alabama and was he in the

897

00:40:01,930 --> 00:39:59,780

all along our was he out with those guys

898

00:40:04,600 --> 00:40:01,940

crying against the tree because that's

899

00:40:06,310 --> 00:40:04,610

who he said Alabama was and he's the guy

900

00:40:07,050 --> 00:40:06,320

that shot himself as he keeps bringing

901
00:40:10,600 --> 00:40:07,060
that up

902
00:40:13,060 --> 00:40:10,610
but as I've already stated the guy were

903
00:40:15,240 --> 00:40:13,070
referring to Alabama bought himself a

904
00:40:19,000 --> 00:40:15,250
ticket home and flew off a wall

905
00:40:21,850 --> 00:40:19,010
so in the book sky crash he says he

906
00:40:25,210 --> 00:40:21,860
didn't see aliens he just remembers

907
00:40:26,920 --> 00:40:25,220
feeling a presence more recently he said

908
00:40:29,800 --> 00:40:26,930
that he hasn't seen he didn't see aliens

909
00:40:31,990 --> 00:40:29,810
at all in fact the first time he

910
00:40:34,780 --> 00:40:32,000
remembers seeing aliens was when he was

911
00:40:36,220 --> 00:40:34,790
being regressed by Fred max the big

912
00:40:38,560 --> 00:40:36,230
problem I have with that is that he

913
00:40:40,660 --> 00:40:38,570

actually faked that hypnosis session if

914

00:40:42,940 --> 00:40:40,670

you read you can't tell the people by

915

00:40:44,860 --> 00:40:42,950

Georgina Brunei you will read how he

916

00:40:47,050 --> 00:40:44,870

faked the whole session he said he

917

00:40:49,510 --> 00:40:47,060

didn't want to disappoint anyone so the

918

00:40:52,480 --> 00:40:49,520

very first time he saw aliens was when

919

00:40:54,520 --> 00:40:52,490

he was faking hypnosis in Georgina's

920

00:40:56,230 --> 00:40:54,530

book she said that she found it equally

921

00:40:59,320 --> 00:40:56,240

strange that there was no reference to

922

00:41:01,690 --> 00:40:59,330

this session or indeed Fred max in left

923

00:41:03,700 --> 00:41:01,700

at Eastgate especially as Larry has

924

00:41:05,980 --> 00:41:03,710

since trashed the newspaper article

925

00:41:08,200 --> 00:41:05,990

surely this was important because he

926
00:41:10,570 --> 00:41:08,210
would apply to his involvement in the

927
00:41:13,530 --> 00:41:10,580
actual incident and would help to quell

928
00:41:16,360 --> 00:41:13,540
the accusations that he was not involved

929
00:41:18,760 --> 00:41:16,370
Georgianna says i decided to contact

930
00:41:20,470 --> 00:41:18,770
peter robbins in new york who explained

931
00:41:22,450 --> 00:41:20,480
that the reason that the session with

932
00:41:24,840 --> 00:41:22,460
fred max was not featured in their book

933
00:41:27,520 --> 00:41:24,850
was due to a decision made by la ray

934
00:41:29,070 --> 00:41:27,530
when I push Peter for more information

935
00:41:32,980 --> 00:41:29,080
it turned out that for whatever reason

936
00:41:34,960 --> 00:41:32,990
Larry was not put under hypnosis but had

937
00:41:36,520 --> 00:41:34,970
just gone through the motion georgina

938
00:41:41,170 --> 00:41:36,530

then goes on to describe how she was

939

00:41:44,080 --> 00:41:41,180

played a tape by dot dot Street where

940

00:41:46,330 --> 00:41:44,090

Larry admitted that he'd actually faked

941

00:41:48,360 --> 00:41:46,340

the hypnosis she says in the tape

942

00:41:50,500 --> 00:41:48,370

Larry's voice became very anxious

943

00:41:51,760 --> 00:41:50,510

unfortunately the tape ran out so he

944

00:41:53,860 --> 00:41:51,770

only heard the first part of his

945

00:41:54,970 --> 00:41:53,870

statement but it was enough to confuse

946

00:41:57,250 --> 00:41:54,980

matters even mark

947

00:41:59,830 --> 00:41:57,260

he confessed to dot that the hypnotic

948

00:42:02,350 --> 00:41:59,840

session in nineteen eighty three had not

949

00:42:05,410 --> 00:42:02,360

been genuine because unbeknownst to the

950

00:42:07,360 --> 00:42:05,420

hypnotist he is not fully hypnotized his

951
00:42:09,160 --> 00:42:07,370
excuse was that he had gone along with

952
00:42:11,440 --> 00:42:09,170
the pretense because someone there paid

953
00:42:14,230 --> 00:42:11,450
for the session and they have said words

954
00:42:16,740 --> 00:42:14,240
the effect that it better be good and

955
00:42:19,060 --> 00:42:16,750
this is what it said in sky crash

956
00:42:21,040 --> 00:42:19,070
initially art Wallis only felt a

957
00:42:23,800 --> 00:42:21,050
presence and did not recall having seen

958
00:42:25,870 --> 00:42:23,810
any aliens but he did say that he

959
00:42:29,020 --> 00:42:25,880
suspected that his mind had just shut

960
00:42:31,240 --> 00:42:29,030
out the images in his BBC interview he

961
00:42:33,580 --> 00:42:31,250
spoke about the possibility of a contact

962
00:42:35,980 --> 00:42:33,590
most definitely there was a definite

963
00:42:38,230 --> 00:42:35,990

conversation took place it was with the

964

00:42:40,240 --> 00:42:38,240

base commander at the time I believe he

965

00:42:42,850 --> 00:42:40,250

even shook one of the hands but this is

966

00:42:45,130 --> 00:42:42,860

hearsay their technology was amazing

967

00:42:47,590 --> 00:42:45,140

though I'd be lying if I told you I knew

968

00:42:50,380 --> 00:42:47,600

what was said here is a sharp excerpt

969

00:42:53,080 --> 00:42:50,390

from the early interview video where he

970

00:42:58,180 --> 00:42:53,090

describes Gordon Williams the base

971

00:43:00,790 --> 00:42:58,190

commander being there and present he was

972

00:43:02,800 --> 00:43:00,800

simply there when Gordon wins who was

973

00:43:06,100 --> 00:43:02,810

our Wing Commander who was present and

974

00:43:08,200 --> 00:43:06,110

who had interaction with another life

975

00:43:14,470 --> 00:43:08,210

I'll stand it to the site and put it's

976
00:43:16,720 --> 00:43:14,480
proven otherwise apologizing yeah he is

977
00:43:19,270 --> 00:43:16,730
in the finally talk saying that he never

978
00:43:20,620 --> 00:43:19,280
said that God and Williams's there and

979
00:43:23,890 --> 00:43:20,630
then nobody never said that he

980
00:43:27,250 --> 00:43:23,900
interrupted with aliens I say a thing

981
00:43:29,980 --> 00:43:27,260
came off the side which it did think of

982
00:43:31,570 --> 00:43:29,990
blowing a bubble it took me 35 years to

983
00:43:33,430 --> 00:43:31,580
get this description because I think

984
00:43:35,140 --> 00:43:33,440
some people think a door opened him

985
00:43:37,450 --> 00:43:35,150
you know we exchanged there was no

986
00:43:39,610 --> 00:43:37,460
handshakes communication never said it

987
00:43:41,500 --> 00:43:39,620
I've never said the general communicated

988
00:43:44,800 --> 00:43:41,510

with anyone and he wasn't a general yet

989

00:43:46,210 --> 00:43:44,810

but I see it renewed all the time you're

990

00:43:49,690 --> 00:43:46,220

in the heart all that good guy you know

991

00:43:52,150 --> 00:43:49,700

what I'm saying even now he says he

992

00:43:54,430 --> 00:43:52,160

never said he saw aliens he actually

993

00:43:56,380 --> 00:43:54,440

drew two typical greys for Barry

994

00:43:57,970 --> 00:43:56,390

Greenwood and Laurie Fossett for their

995

00:44:00,850 --> 00:43:57,980

research when they were writing the book

996

00:44:02,770 --> 00:44:00,860

Clarion's hence warren was eventually

997

00:44:05,080 --> 00:44:02,780

written off by the authors freezing

998

00:44:08,320 --> 00:44:05,090

consistencies in his accounts

999

00:44:11,140 --> 00:44:08,330

he not only drew aliens but told them of

1000

00:44:13,480 --> 00:44:11,150

an underground alien base and provided

1001
00:44:15,130 --> 00:44:13,490
photos of hangars with descriptions of

1002
00:44:17,860 --> 00:44:15,140
them being the entrance to the

1003
00:44:22,450 --> 00:44:17,870
underground base he states categorically

1004
00:44:24,160 --> 00:44:22,460
now that he never said he saw any of

1005
00:44:28,360 --> 00:44:24,170
those things he's never said those

1006
00:44:31,750 --> 00:44:28,370
things before okay I want to move on to

1007
00:44:34,480 --> 00:44:31,760
when Warren was picked up from his guard

1008
00:44:36,850 --> 00:44:34,490
post there have been numerous people in

1009
00:44:39,520 --> 00:44:36,860
the back of that Jeep Adrian Boston's

1010
00:44:42,610 --> 00:44:39,530
and Bruce England usually feature but

1011
00:44:44,620 --> 00:44:42,620
who is driving changes also the person

1012
00:44:49,110 --> 00:44:44,630
who explains that the unexploded

1013
00:44:52,120 --> 00:44:49,120

ordnance in the road that bit changes to

1014

00:44:54,580 --> 00:44:52,130

it's a road block guy in the Casey PS

1015

00:44:57,580 --> 00:44:54,590

show it is someone he knows from the

1016

00:44:59,710 --> 00:44:57,590

barracks in another and one time Adrian

1017

00:45:02,250 --> 00:44:59,720

Boston's are set it out of a window and

1018

00:45:05,230 --> 00:45:02,260

another time Warren says it himself

1019

00:45:07,060 --> 00:45:05,240

sometimes Bobby ball is in the Jeep in

1020

00:45:09,820 --> 00:45:07,070

left at Eastgate is a black officer

1021

00:45:11,890 --> 00:45:09,830

whose name he can't recall and more

1022

00:45:14,980 --> 00:45:11,900

recently in his file II talk

1023

00:45:18,980 --> 00:45:14,990

he says Stephen Guerra was with him this

1024

00:45:20,390 --> 00:45:18,990

is all documented but

1025

00:45:22,370 --> 00:45:20,400

then we get to the bit where the driver

1026
00:45:24,830 --> 00:45:22,380
of the Jeep asks where the hell are we

1027
00:45:25,430 --> 00:45:24,840
supposed to go here are two different

1028
00:45:30,109 --> 00:45:25,440
versions

1029
00:45:31,550 --> 00:45:30,119
I go is here I changed my story I'm

1030
00:45:33,680 --> 00:45:31,560
actually getting folks the one that's

1031
00:45:35,060 --> 00:45:33,690
had the most consistent one I might have

1032
00:45:38,780 --> 00:45:35,070
different views a little different that

1033
00:45:42,440 --> 00:45:38,790
as time goes on but does that happen we

1034
00:45:43,850 --> 00:45:42,450
drove on I didn't know there were a few

1035
00:45:46,760 --> 00:45:43,860
people that say they were off-duty there

1036
00:45:48,740 --> 00:45:46,770
actually there we met other vehicles at

1037
00:45:50,510 --> 00:45:48,750
the may old man gate of Bentwaters which

1038
00:45:54,290 --> 00:45:50,520

doesn't even exist now it's been grown

1039

00:45:56,510 --> 00:45:54,300

over hasn't it and I remember one of the

1040

00:45:58,880 --> 00:45:56,520

guys in the back mark his parents are

1041

00:46:00,290 --> 00:45:58,890

coming over for New Year's and we're

1042

00:46:02,030 --> 00:46:00,300

talking about that but we said must be

1043

00:46:05,210 --> 00:46:02,040

on an exercise and all it was in the

1044

00:46:06,680 --> 00:46:05,220

thirties Fahrenheit no moon I remember

1045

00:46:08,720 --> 00:46:06,690

Hall many years ago sanding up the

1046

00:46:10,370 --> 00:46:08,730

weather was exactly that they says a lot

1047

00:46:12,130 --> 00:46:10,380

of things but it was it was for me

1048

00:46:15,140 --> 00:46:12,140

wasn't that cold a night

1049

00:46:16,790 --> 00:46:15,150

get down the end those flares on the

1050

00:46:18,530 --> 00:46:16,800

remember the long road picture I showed

1051

00:46:20,720 --> 00:46:18,540

you with the trees there was a roadblock

1052

00:46:23,180 --> 00:46:20,730

there there was a Ford Cortina and those

1053

00:46:25,180 --> 00:46:23,190

law enforcement car it was a flare on

1054

00:46:30,190 --> 00:46:25,190

the road there's no one used those roads

1055

00:46:34,280 --> 00:46:30,200

what was that oh it was just a bill and

1056

00:46:38,620 --> 00:46:34,290

that guy's freaking me out bad that bad

1057

00:46:42,160 --> 00:46:38,630

the things people send me but they

1058

00:46:44,960 --> 00:46:42,170

there's an open pickup truck so I'm here

1059

00:46:48,950 --> 00:46:44,970

Steve's here on the wheel well this will

1060

00:46:50,750 --> 00:46:48,960

bench that we had a weapon rack just we

1061

00:46:53,450 --> 00:46:50,760

had the steering wheels on our side the

1062

00:46:55,280 --> 00:46:53,460

state side that on our vehicles and this

1063

00:46:56,470 --> 00:46:55,290

poor Cortina with this woman and she was

1064

00:46:59,540 --> 00:46:56,480

trying to get through the back gate

1065

00:47:01,490 --> 00:46:59,550

which was not used much at night and

1066

00:47:04,030 --> 00:47:01,500

they I remember the Ellie toner

1067

00:47:07,790 --> 00:47:04,040

there might be an exploded ordnance

1068

00:47:09,170 --> 00:47:07,800

how's that about so we left that those

1069

00:47:11,080 --> 00:47:09,180

little girl asleep next year we're

1070

00:47:15,080 --> 00:47:11,090

obviously a soft looking

1071

00:47:17,660 --> 00:47:15,090

off we go so naive guys 19 years old

1072

00:47:20,570 --> 00:47:17,670

hidden in the Hellmouth that's what we

1073

00:47:23,030 --> 00:47:20,580

did and we get down on the end and we're

1074

00:47:24,890 --> 00:47:23,040

left at his gate came from there we go

1075

00:47:27,740 --> 00:47:24,900

well there's a left at each gate well

1076

00:47:30,350 --> 00:47:27,750

you know what artistic license it's my

1077

00:47:33,530 --> 00:47:30,360

goddamn book I lived it I bled for it up

1078

00:47:35,090 --> 00:47:33,540

all day Ella we get down and someone

1079

00:47:38,450 --> 00:47:35,100

lieutenant England goes he was an

1080

00:47:39,920 --> 00:47:38,460

ex-marine by the way does where the hell

1081

00:47:42,620 --> 00:47:39,930

are we supposed to go and it's a turn

1082

00:47:46,400 --> 00:47:42,630

left after escape it was awkward for the

1083

00:47:49,090 --> 00:47:46,410

title that exit was from the flying

1084

00:47:51,980 --> 00:47:49,100

saucers of London conference in filing

1085

00:47:54,770 --> 00:47:51,990

this next clip is from the keeping the

1086

00:48:00,500 --> 00:47:54,780

paranormal friendly community talk show

1087

00:48:03,680 --> 00:48:00,510

Katie PF and we moved down the main gate

1088

00:48:06,050 --> 00:48:03,690

of Bentwaters and there was a few

1089

00:48:07,640 --> 00:48:06,060

vehicles there and we took off and we

1090

00:48:10,580 --> 00:48:07,650

turned just before I can went through

1091

00:48:12,770 --> 00:48:10,590

this back narrow passage and we got over

1092

00:48:15,350 --> 00:48:12,780

to Woodbridge there was a roadblock at

1093

00:48:17,900 --> 00:48:15,360

the end of Woodbridge flight line on the

1094

00:48:20,450 --> 00:48:17,910

road as you're going down not Eastgate

1095

00:48:22,190 --> 00:48:20,460

Road yet the road was very rarely used

1096

00:48:24,080 --> 00:48:22,200

that late at night particularly this

1097

00:48:26,180 --> 00:48:24,090

time of year there were some flares in

1098

00:48:27,890 --> 00:48:26,190

the road two or three I think and we

1099

00:48:30,130 --> 00:48:27,900

stopped there was a Ford Cortina there

1100

00:48:34,130 --> 00:48:30,140

was a woman driver asking one of the

1101
00:48:36,620 --> 00:48:34,140
security guys on the street and he said

1102
00:48:38,810 --> 00:48:36,630
there was might be unexploded ordnance

1103
00:48:40,460 --> 00:48:38,820
and they were and it's looking into it

1104
00:48:42,620 --> 00:48:40,470
and they asked her turn around and go

1105
00:48:44,480 --> 00:48:42,630
the other way to Woodbridge base and she

1106
00:48:46,460 --> 00:48:44,490
was a dependent and I can remember

1107
00:48:48,530 --> 00:48:46,470
looking off the back of I was on the

1108
00:48:50,710 --> 00:48:48,540
right side of the pickup as we're going

1109
00:48:54,080 --> 00:48:50,720
and I'm looking down and there was this

1110
00:48:56,510 --> 00:48:54,090
little girl asleep on the back seats and

1111
00:48:58,280 --> 00:48:56,520
with a blanket on it so and a very clear

1112
00:49:01,160 --> 00:48:58,290
image in a white Ford Cortina should

1113
00:49:03,830 --> 00:49:01,170

English woman and we went past that and

1114

00:49:05,270 --> 00:49:03,840

got down and someone said in the front I

1115

00:49:07,100 --> 00:49:05,280

think it was Sergeant Costanza where

1116

00:49:10,640 --> 00:49:07,110

where are we supposed to go and the

1117

00:49:12,830 --> 00:49:10,650

secondary point where escape the the

1118

00:49:16,040 --> 00:49:12,840

road down to where John Burroughs began

1119

00:49:18,290 --> 00:49:16,050

his thing and stevelou there was another

1120

00:49:20,030 --> 00:49:18,300

guy and they said turn left after he's

1121

00:49:22,370 --> 00:49:20,040

gay that's where our book title came

1122

00:49:24,650 --> 00:49:22,380

from a it just left it he's gate that

1123

00:49:27,140 --> 00:49:24,660

yeah

1124

00:49:29,450 --> 00:49:27,150

what's interesting about those clips is

1125

00:49:31,880 --> 00:49:29,460

that not long after Adrienne Boston's

1126

00:49:34,190 --> 00:49:31,890

are made some comments in public using

1127

00:49:35,930 --> 00:49:34,200

his own Facebook page talking to John

1128

00:49:38,870 --> 00:49:35,940

Burroughs in a group that I'm not a

1129

00:49:41,090 --> 00:49:38,880

member of Larry Warren publicly accused

1130

00:49:43,370 --> 00:49:41,100

me of falsifying the statements by

1131

00:49:45,640 --> 00:49:43,380

Adrienne Boston's a-- and suggesting

1132

00:49:51,110 --> 00:49:45,650

that I'd made a fake profile in

1133

00:49:53,000 --> 00:49:51,120

Adrienne's name Adrienne says I don't

1134

00:49:55,430 --> 00:49:53,010

remember Larry being there at that time

1135

00:49:57,500 --> 00:49:55,440

I remember going on picking up ball in

1136

00:50:00,470 --> 00:49:57,510

England and driving out to the sighting

1137

00:50:03,620 --> 00:50:00,480

and I remember getting out there but not

1138

00:50:05,450 --> 00:50:03,630

with Larry he said to John I've always

1139

00:50:06,500 --> 00:50:05,460

had trouble remembering who went out in

1140

00:50:09,530 --> 00:50:06,510

the field with me

1141

00:50:12,950 --> 00:50:09,540

but I remember talking to Holt and going

1142

00:50:16,040 --> 00:50:12,960

in with you when you asked then later

1143

00:50:17,810 --> 00:50:16,050

he's talking about Larry he said he says

1144

00:50:19,790 --> 00:50:17,820

a lot of things about the incident that

1145

00:50:21,320 --> 00:50:19,800

I know I told him and he couldn't have

1146

00:50:23,150 --> 00:50:21,330

been there because when I got back to

1147

00:50:25,910 --> 00:50:23,160

the doms he had already been there to

1148

00:50:27,710 --> 00:50:25,920

the doms ladies so this is why I believe

1149

00:50:30,170 --> 00:50:27,720

and I know that he has used a lot of my

1150

00:50:31,910 --> 00:50:30,180

recollection I told him everything I

1151
00:50:33,650 --> 00:50:31,920
think he might have recorded everything

1152
00:50:37,340 --> 00:50:33,660
I just don't see how he remembers

1153
00:50:39,200 --> 00:50:37,350
everything I told him when I wrote the

1154
00:50:41,960 --> 00:50:39,210
blog left out at Eastgate

1155
00:50:44,540 --> 00:50:41,970
which I updated with Adrienne's comments

1156
00:50:47,240 --> 00:50:44,550
Adrienne thanks myself and another for

1157
00:50:50,690 --> 00:50:47,250
listening with an open mind not once did

1158
00:50:52,370 --> 00:50:50,700
he say you've got that wrong Sasha this

1159
00:50:56,270 --> 00:50:52,380
is the statement that Adrian Ballinger

1160
00:50:58,700 --> 00:50:56,280
wrote to myself in another person Sasha

1161
00:51:01,430 --> 00:50:58,710
and Nigel I appreciate appreciate your

1162
00:51:03,380 --> 00:51:01,440
interest support and research you've

1163
00:51:05,920 --> 00:51:03,390

definitely been listening with an open

1164

00:51:08,870 --> 00:51:05,930

mind and surely have a lot of questions

1165

00:51:10,850 --> 00:51:08,880

however the very reason I have stayed a

1166

00:51:14,030 --> 00:51:10,860

distance is because it hasn't gone away

1167

00:51:16,490 --> 00:51:14,040

and probably never will I still get

1168

00:51:18,590 --> 00:51:16,500

phone calls from unlisted numbers and

1169

00:51:21,260 --> 00:51:18,600

private numbers who I can't identify

1170

00:51:24,800 --> 00:51:21,270

because I don't know who they are the

1171

00:51:28,250 --> 00:51:24,810

Gov question mark who knows but I know

1172

00:51:30,620 --> 00:51:28,260

that some some time soon I was John

1173

00:51:32,810 --> 00:51:30,630

after I'm able to sit down face to face

1174

00:51:34,940 --> 00:51:32,820

with John again will come forward and

1175

00:51:37,610 --> 00:51:34,950

face the critics who have no earthly

1176

00:51:38,330 --> 00:51:37,620

idea of what rigorous interrogations

1177

00:51:40,960 --> 00:51:38,340

took place

1178

00:51:43,460 --> 00:51:40,970

and what they tried to try to do to us

1179

00:51:45,980 --> 00:51:43,470

some people want the Limelight's

1180

00:51:50,180 --> 00:51:45,990

and then there's those of us who just

1181

00:51:53,330 --> 00:51:50,190

want to know why I'm a US Air Force

1182

00:51:55,340 --> 00:51:53,340

veteran who served whole heartily and I

1183

00:51:57,980 --> 00:51:55,350

still believe in what our nation stands

1184

00:52:00,470 --> 00:51:57,990

for Ronnie has been very understanding

1185

00:52:03,950 --> 00:52:00,480

along with John and supportive it with

1186

00:52:06,590 --> 00:52:03,960

my keeping my distance reason being is

1187

00:52:08,990 --> 00:52:06,600

because some of us out there want glory

1188

00:52:11,960 --> 00:52:09,000

and they don't experience what John and

1189

00:52:14,840 --> 00:52:11,970

I have for the past 35 years which has

1190

00:52:16,910 --> 00:52:14,850

been denial nightmares health issues

1191

00:52:20,300 --> 00:52:16,920

critics and most of all lies and

1192

00:52:21,920 --> 00:52:20,310

deceptions from our own brothers only to

1193

00:52:24,170 --> 00:52:21,930

have the truth surface through others

1194

00:52:27,470 --> 00:52:24,180

like yourself they've taken the time to

1195

00:52:29,240 --> 00:52:27,480

listen our own brothers who are bent on

1196

00:52:31,370 --> 00:52:29,250

taking ownership and credit for

1197

00:52:33,800 --> 00:52:31,380

something that others experienced but

1198

00:52:36,860 --> 00:52:33,810

can't give details is just outright

1199

00:52:38,840 --> 00:52:36,870

disgusting I don't say much but I can

1200

00:52:41,330 --> 00:52:38,850

assure you of one thing and that's that

1201
00:52:43,310 --> 00:52:41,340
I have been had nothing to say except

1202
00:52:46,250 --> 00:52:43,320
the truth and that's how it will always

1203
00:52:46,730 --> 00:52:46,260
be so many witnesses that won't come

1204
00:52:52,430 --> 00:52:46,740
forth

1205
00:52:55,880 --> 00:52:52,440
do you blame them I just want to repeat

1206
00:52:58,010 --> 00:52:55,890
this but our own brothers who are bent

1207
00:53:00,470 --> 00:52:58,020
on taking ownership and credit for

1208
00:53:02,930 --> 00:53:00,480
something that others experienced but

1209
00:53:06,290 --> 00:53:02,940
can't give details is just outright

1210
00:53:09,770 --> 00:53:06,300
disgusting here are some comments from

1211
00:53:12,440 --> 00:53:09,780
Steve la plume Steve also said that were

1212
00:53:14,120 --> 00:53:12,450
in a dusting to lie he states Warren was

1213
00:53:17,210 --> 00:53:14,130

getting out on account of a disability

1214

00:53:19,100 --> 00:53:17,220

that wasn't noticed in training he had a

1215

00:53:21,650 --> 00:53:19,110

problem with his wrists so he was

1216

00:53:24,080 --> 00:53:21,660

getting out of his contract he told

1217

00:53:28,910 --> 00:53:24,090

Georgina bruni this and he also made

1218

00:53:31,760 --> 00:53:28,920

statements of his own steve says larry

1219

00:53:33,800 --> 00:53:31,770

confided to me that he also was involved

1220

00:53:36,620 --> 00:53:33,810

in the sighting and went on to lay it

1221

00:53:38,750 --> 00:53:36,630

out now right off the bat his story did

1222

00:53:41,720 --> 00:53:38,760

not seem to jive with what he has been

1223

00:53:43,370 --> 00:53:41,730

saying Larry told me initially he and a

1224

00:53:46,340 --> 00:53:43,380

friend were walking back from a night

1225

00:53:48,830 --> 00:53:46,350

out of drinking and such and they were

1226
00:53:50,720 --> 00:53:48,840
on a road near Woodbridge Village he

1227
00:53:52,160 --> 00:53:50,730
said as they walk they saw something in

1228
00:53:54,200 --> 00:53:52,170
this guy that was odd

1229
00:53:56,630 --> 00:53:54,210
he told me of balls of light how they

1230
00:53:58,960 --> 00:53:56,640
split and became three and soon after

1231
00:54:00,140 --> 00:53:58,970
the sighting a person whom he said was

1232
00:54:03,200 --> 00:54:00,150
fast

1233
00:54:05,569 --> 00:54:03,210
Office of Special Investigations are

1234
00:54:07,940 --> 00:54:05,579
from the intent Intel community

1235
00:54:10,839 --> 00:54:07,950
approached them on the road after they

1236
00:54:13,490 --> 00:54:10,849
started to continue their journey home

1237
00:54:16,280 --> 00:54:13,500
Larry told me the spook told them both

1238
00:54:17,990 --> 00:54:16,290

to keep shut about what they saw he

1239

00:54:20,420 --> 00:54:18,000

mentioned the other person did not want

1240

00:54:23,000 --> 00:54:20,430

to be known he then went on to say a few

1241

00:54:24,829 --> 00:54:23,010

nights later while on duty he was told

1242

00:54:27,620 --> 00:54:24,839

to fuel up the light Isles and take them

1243

00:54:30,410 --> 00:54:27,630

out by the east gate so he and others

1244

00:54:32,359 --> 00:54:30,420

did just that Larry also mentioned the

1245

00:54:34,190 --> 00:54:32,369

fuel pump was not working right and the

1246

00:54:36,980 --> 00:54:34,200

equipment eventually did not work right

1247

00:54:38,450 --> 00:54:36,990

when it was on location either Larry

1248

00:54:40,190 --> 00:54:38,460

said they were forced to give up their

1249

00:54:42,410 --> 00:54:40,200

weapons because of our agreement with

1250

00:54:43,099 --> 00:54:42,420

the UK and he was told to enter the

1251

00:54:45,349 --> 00:54:43,109

forest

1252

00:54:47,539 --> 00:54:45,359

he said as he did so he saw an amen'

1253

00:54:49,910 --> 00:54:47,549

with his head on his farm against a tree

1254

00:54:52,609 --> 00:54:49,920

crying and the animals seemed to believe

1255

00:54:55,280 --> 00:54:52,619

in the area he mentioned seeing a deer

1256

00:54:57,380 --> 00:54:55,290

feeling fleeing Larry then told me he

1257

00:55:00,140 --> 00:54:57,390

saw a high-ranking official but never

1258

00:55:02,180 --> 00:55:00,150

mentioned who it was he said the officer

1259

00:55:06,559 --> 00:55:02,190

approached a craft which was out in a

1260

00:55:09,890 --> 00:55:06,569

small field our clearing I remember him

1261

00:55:11,809 --> 00:55:09,900

saying clearing not field but it is a

1262

00:55:14,120 --> 00:55:11,819

gray memory and not sharp enough for me

1263

00:55:16,520 --> 00:55:14,130

to be positive he said it was hovering

1264

00:55:18,799 --> 00:55:16,530

off the ground and also that the officer

1265

00:55:19,940 --> 00:55:18,809

slits and fell in the mud and he got a

1266

00:55:22,099 --> 00:55:19,950

chuckle out of it

1267

00:55:24,049 --> 00:55:22,109

he said the officer got to the craft

1268

00:55:26,569 --> 00:55:24,059

where the three beings he described as

1269

00:55:28,849 --> 00:55:26,579

looking like kids in snow suits were ATS

1270

00:55:31,579 --> 00:55:28,859

and that they also were hovering above

1271

00:55:33,710 --> 00:55:31,589

the ground he said well he knew they

1272

00:55:36,470 --> 00:55:33,720

were communicating he could not see how

1273

00:55:39,680 --> 00:55:36,480

because they were now out right they

1274

00:55:41,539 --> 00:55:39,690

were not talking Larry mentioned other

1275

00:55:43,160 --> 00:55:41,549

Airmen in the area and how it seemed

1276

00:55:45,920 --> 00:55:43,170

that they were sent there as witnesses

1277

00:55:47,900 --> 00:55:45,930

of some sorts he then told me parts were

1278

00:55:50,660 --> 00:55:47,910

flown in from Germany to fix the craft

1279

00:55:52,849 --> 00:55:50,670

which was put in a Sun pit of some sort

1280

00:55:54,920 --> 00:55:52,859

he said there were people filming video

1281

00:55:57,620 --> 00:55:54,930

of the encounter as well and that that

1282

00:55:59,420 --> 00:55:57,630

film was flown to Germany Larry then

1283

00:56:01,700 --> 00:55:59,430

went on to tell me about his cuts off

1284

00:56:03,950 --> 00:56:01,710

Carl to his mom when he was talking to

1285

00:56:06,080 --> 00:56:03,960

her about the incident being second in

1286

00:56:08,570 --> 00:56:06,090

adapt vehicle sprayed with something

1287

00:56:10,970 --> 00:56:08,580

to make him ultra grubby then taken he

1288

00:56:12,860 --> 00:56:10,980

was taken underground he mentioned how

1289

00:56:14,960 --> 00:56:12,870

there was a being behind a screen and

1290

00:56:17,420 --> 00:56:14,970

how the person given him and the others

1291

00:56:20,890 --> 00:56:17,430

orders also gave a talk about the whole

1292

00:56:23,870 --> 00:56:20,900

UFO phenomena and showed related videos

1293

00:56:26,690 --> 00:56:23,880

Larry said this person was not military

1294

00:56:28,130 --> 00:56:26,700

but Intel he also mentioned a vast

1295

00:56:30,290 --> 00:56:28,140

underground facility

1296

00:56:32,330 --> 00:56:30,300

Larry stated that he was shown where the

1297

00:56:34,760 --> 00:56:32,340

craft went under the base and were

1298

00:56:37,040 --> 00:56:34,770

housed he said that the UFOs would go

1299

00:56:39,460 --> 00:56:37,050

out and come up onto the nafsi where

1300

00:56:41,800 --> 00:56:39,470

they would emerge from to take flights

1301
00:56:43,880 --> 00:56:41,810
Larry had told me when he was getting

1302
00:56:46,430 --> 00:56:43,890
discharged that it was a medical

1303
00:56:49,760 --> 00:56:46,440
discharge for an issue he had with his

1304
00:56:51,830 --> 00:56:49,770
hand or wrist and that the US Air Force

1305
00:56:53,660 --> 00:56:51,840
should have caught it upon enlisting but

1306
00:56:56,330 --> 00:56:53,670
they did not so they were letting him

1307
00:56:58,580 --> 00:56:56,340
out of his contract I do know he was not

1308
00:57:00,530 --> 00:56:58,590
under anything disciplinary or he would

1309
00:57:03,380 --> 00:57:00,540
be next to me cleaning toilets on major

1310
00:57:05,330 --> 00:57:03,390
Ziegler's sham Patrol if he is saying he

1311
00:57:09,980 --> 00:57:05,340
got out because of anything else I would

1312
00:57:12,560 --> 00:57:09,990
question that this next bit is very

1313
00:57:14,540 --> 00:57:12,570

interesting because Warren told Andy

1314

00:57:17,390 --> 00:57:14,550

Young on his truth frequency radio show

1315

00:57:19,040 --> 00:57:17,400

in July 2016 the Stevie Ray Vaughan was

1316

00:57:20,330 --> 00:57:19,050

at his wedding you would think that

1317

00:57:22,490 --> 00:57:20,340

Steve Allah plume would be saying

1318

00:57:25,400 --> 00:57:22,500

something completely different here but

1319

00:57:27,290 --> 00:57:25,410

he says Larry and his Clara I've met so

1320

00:57:29,540 --> 00:57:27,300

many famous people like Stevie Ray

1321

00:57:32,090 --> 00:57:29,550

Vaughn I can say that this back in the

1322

00:57:34,670 --> 00:57:32,100

late 80s I met Larry at his place in

1323

00:57:37,100 --> 00:57:34,680

Lake George and he showed me photos of

1324

00:57:40,010 --> 00:57:37,110

him and Stevie Ray Vaughn as well as

1325

00:57:42,200 --> 00:57:40,020

Yoko Ono and they were polarize if I

1326
00:57:44,780 --> 00:57:42,210
remember right but either way it was

1327
00:57:46,430 --> 00:57:44,790
long before digital cameras and such on

1328
00:57:48,140 --> 00:57:46,440
Photoshop so I have to say that I

1329
00:57:50,540 --> 00:57:48,150
believe he was there a met those two

1330
00:57:52,640 --> 00:57:50,550
people how much he was friends with any

1331
00:57:54,710 --> 00:57:52,650
of them is beyond me the pics of him

1332
00:57:56,870 --> 00:57:54,720
with Yoko and SRV were second at the

1333
00:57:58,940 --> 00:57:56,880
same spot as a particular event though

1334
00:58:00,740 --> 00:57:58,950
as it was in the same background so

1335
00:58:03,050 --> 00:58:00,750
maybe he could have known them or maybe

1336
00:58:05,840 --> 00:58:03,060
he was just a security guard are at a

1337
00:58:07,400 --> 00:58:05,850
backstage pass he did mention he had

1338
00:58:09,380 --> 00:58:07,410

something to do with promotions for a

1339

00:58:11,180 --> 00:58:09,390

label when he lived in New York City I

1340

00:58:15,170 --> 00:58:11,190

never got into details with him about

1341

00:58:18,380 --> 00:58:15,180

that as I said Steve abloom said that he

1342

00:58:19,520 --> 00:58:18,390

was how Larry's first wedding and here

1343

00:58:23,540 --> 00:58:19,530

is an excerpt

1344

00:58:25,580 --> 00:58:23,550

the truth frequency show Warren says but

1345

00:58:28,220 --> 00:58:25,590

um yes real nice man

1346

00:58:29,510 --> 00:58:28,230

came to my first wedding it's just great

1347

00:58:31,940 --> 00:58:29,520

you'll never hear a bad word about

1348

00:58:34,160 --> 00:58:31,950

Stevie Ray Vaughn ever because no he

1349

00:58:36,500 --> 00:58:34,170

wasn't as a sense and he had his issues

1350

00:58:38,810 --> 00:58:36,510

with alcohol and drugs cocaine not

1351
00:58:41,120 --> 00:58:38,820
heroin or anything and was clean three

1352
00:58:44,150 --> 00:58:41,130
years when he died but even when he was

1353
00:58:46,880 --> 00:58:44,160
in that mindset and he was a tough son

1354
00:58:49,670 --> 00:58:46,890
of a [h__h] smile he wasn't a big guy

1355
00:58:52,550 --> 00:58:49,680
physically he had tons like vice grips

1356
00:58:55,820 --> 00:58:52,560
though and he is finally been inducted

1357
00:58:59,240 --> 00:58:55,830
to the Rock and Roll Hall of Fame you

1358
00:59:01,370 --> 00:58:59,250
could guarantee that Steve Lalume would

1359
00:59:04,070 --> 00:59:01,380
have said that he met Stevie Ray Vaughn

1360
00:59:06,370 --> 00:59:04,080
at Larry Warren's first wedding is sort

1361
00:59:08,900 --> 00:59:06,380
of discuss in the photographs

1362
00:59:11,270 --> 00:59:08,910
Steven Plum also states that were an

1363
00:59:13,520 --> 00:59:11,280

asked him to lie for him that lie was

1364

00:59:15,530 --> 00:59:13,530

that he wanted Steve to say that he

1365

00:59:17,180 --> 00:59:15,540

smuggled a canister of film out of the

1366

00:59:19,550 --> 00:59:17,190

base in a mug that he bought from

1367

00:59:22,070 --> 00:59:19,560

Germany which we now know he never went

1368

00:59:24,740 --> 00:59:22,080

the story of that film canister is

1369

00:59:26,720 --> 00:59:24,750

interesting too he gave photos to

1370

00:59:29,210 --> 00:59:26,730

georgina brunei and told her they were

1371

00:59:32,360 --> 00:59:29,220

from a guy who was local to the area and

1372

00:59:34,610 --> 00:59:32,370

had seen events and taken photos he gave

1373

00:59:36,230 --> 00:59:34,620

them to Warren Warren held on to them

1374

00:59:38,930 --> 00:59:36,240

for 19 years apparently

1375

00:59:40,520 --> 00:59:38,940

Georgina accepts the photos but then

1376

00:59:42,530 --> 00:59:40,530

receives a phone call one week later

1377

00:59:45,320 --> 00:59:42,540

from Larry Warren saying that he took

1378

00:59:47,690 --> 00:59:45,330

them the very same photo said to be of

1379

00:59:49,550 --> 00:59:47,700

events on the first night a night that

1380

00:59:51,560 --> 00:59:49,560

Warren states now that he wasn't

1381

00:59:54,230 --> 00:59:51,570

involved in so he couldn't have taken

1382

00:59:56,660 --> 00:59:54,240

that photo the story of that photo in

1383

00:59:58,670 --> 00:59:56,670

his finally conference talking 2015 is

1384

01:00:00,350 --> 00:59:58,680

that in fact he is an official

1385

01:00:03,920 --> 01:00:00,360

Department of Defense

1386

01:00:07,340 --> 01:00:03,930

photograph now here's another statement

1387

01:00:09,530 --> 01:00:07,350

from Steven Blum Larry had asked me to

1388

01:00:11,840 --> 01:00:09,540

light wounds for him when Georgina bruni

1389

01:00:13,430 --> 01:00:11,850

was interviewing him he called me and

1390

01:00:14,840 --> 01:00:13,440

talked to me about some film he had

1391

01:00:17,210 --> 01:00:14,850

asked me to hold when we were at

1392

01:00:19,190 --> 01:00:17,220

Bentwaters only thing was I have no

1393

01:00:21,410 --> 01:00:19,200

memory at all about him ever asking me

1394

01:00:24,380 --> 01:00:21,420

to hold on to our hide film for him and

1395

01:00:26,750 --> 01:00:24,390

I told told Georgina just that Larry's

1396

01:00:28,910 --> 01:00:26,760

exact words were I just knew need you to

1397

01:00:32,620 --> 01:00:28,920

tell her I asked you to hold on to some

1398

01:00:34,140 --> 01:00:32,630

film canisters for me and that you did

1399

01:00:38,140 --> 01:00:34,150

now I want to move on to some other

1400

01:00:39,850 --> 01:00:38,150

fabrications in warrens finally talk he

1401

01:00:42,400 --> 01:00:39,860

mentions when he first arrived on base

1402

01:00:44,440 --> 01:00:42,410

and asked what was there to do as he was

1403

01:00:46,900 --> 01:00:44,450

used to being on bases that were like

1404

01:00:49,780 --> 01:00:46,910

cities which is a far cry from where he

1405

01:00:52,000 --> 01:00:49,790

found himself he's told that pretty much

1406

01:00:54,670 --> 01:00:52,010

everything centers around the bowling

1407

01:00:56,740 --> 01:00:54,680

alley pay particular attention to what

1408

01:01:03,580 --> 01:00:56,750

he says about the taxi firm that

1409

01:01:05,350 --> 01:01:03,590

operated in the area and my guy the

1410

01:01:10,090 --> 01:01:05,360

greatest name was a staff sergeant named

1411

01:01:12,010 --> 01:01:10,100

bud Stefan's name we know and I'm

1412

01:01:13,810 --> 01:01:12,020

looking around going I was used to US

1413

01:01:17,380 --> 01:01:13,820

air bases which are like the size of

1414

01:01:20,230 --> 01:01:17,390

cities right and I'm like how much here

1415

01:01:22,120 --> 01:01:20,240

you know and let's start to do on the

1416

01:01:27,070 --> 01:01:22,130

base and he goes well we got the bullet

1417

01:01:29,620 --> 01:01:27,080

alley over there and I'm like how many

1418

01:01:31,630 --> 01:01:29,630

yeah I got to be here two years and he

1419

01:01:33,460 --> 01:01:31,640

goes you want a good hamburger bowling

1420

01:01:35,800 --> 01:01:33,470

alley it's just that everything you want

1421

01:01:38,830 --> 01:01:35,810

go to the bowling alley then we got a

1422

01:01:41,560 --> 01:01:38,840

taxi changing cabs and there you know

1423

01:01:43,390 --> 01:01:41,570

and I'm like okay this before they

1424

01:01:45,880 --> 01:01:43,400

started rocking buildings down or

1425

01:01:48,790 --> 01:01:45,890

whatever does it I'll just repeat that

1426

01:01:51,910 --> 01:01:48,800

little bit for you our obstruct taxis

1427

01:01:53,350 --> 01:01:51,920

before they knocked buildings down is

1428

01:01:55,270 --> 01:01:53,360

that the kind of joke that you would

1429

01:02:00,100 --> 01:01:55,280

make if you'd spent months helping

1430

01:02:04,330 --> 01:02:00,110

Claire Ground Zero this next clip is

1431

01:02:08,110 --> 01:02:04,340

called Larry Warren on 9/11 on the 21st

1432

01:02:09,940 --> 01:02:08,120

of January 2007 Animas Sean and David

1433

01:02:12,790 --> 01:02:09,950

Shayler spoke at a conference in

1434

01:02:15,660 --> 01:02:12,800

Liverpool it was called an evening with

1435

01:02:18,310 --> 01:02:15,670

real spies unraveling the lies

1436

01:02:28,380 --> 01:02:18,320

Larry Warren gate crashed his conference

1437

01:02:34,200 --> 01:02:30,650

it was a challenge in the Southtown

1438

01:02:36,539 --> 01:02:34,210

right three friends of mine died though

1439

01:02:40,019 --> 01:02:36,549

so people from this town time and that

1440

01:02:42,109 --> 01:02:40,029

attacked now a respect what you do but

1441

01:02:45,269 --> 01:02:42,119

what I did because my son's a Scouts

1442

01:02:48,329 --> 01:02:45,279

predator the webinar you up in the Bronx

1443

01:02:50,309 --> 01:02:48,339

that we are still right and a lot of

1444

01:02:51,960 --> 01:02:50,319

people who got hurt time that day my

1445

01:02:53,579 --> 01:02:51,970

father [h__h] up he's an accountant

1446

01:02:58,769 --> 01:02:53,589

because the members was the partner

1447

01:03:00,329 --> 01:02:58,779

companies but I will say this Mike when

1448

01:03:02,700 --> 01:03:00,339

it comes I just I don't know if I miss

1449

01:03:06,450 --> 01:03:02,710

something is so proud of him get a good

1450

01:03:09,509 --> 01:03:06,460

like this but uh that was an aircraft my

1451
01:03:11,940 --> 01:03:09,519
friends they hit those buildings because

1452
01:03:12,750 --> 01:03:11,950
my brother went to ground rules of blood

1453
01:03:14,779 --> 01:03:12,760
he was late for work

1454
01:03:19,049 --> 01:03:14,789
beautiful day in New York they're

1455
01:03:19,740 --> 01:03:19,059
similar it was a [h__h] and he got off

1456
01:03:22,230 --> 01:03:19,750
his bus

1457
01:03:23,849 --> 01:03:22,240
these were 3,200 [h__h] that

1458
01:03:28,200 --> 01:03:23,859
would just go into work right and like

1459
01:03:32,759 --> 01:03:28,210
their jobs who does right right daddy

1460
01:03:34,650 --> 01:03:32,769
give 9/11 appease both and the buildings

1461
01:03:36,960 --> 01:03:34,660
fall down what works is still business

1462
01:03:38,970 --> 01:03:36,970
for a lot eaters now the first thing I

1463
01:03:41,160 --> 01:03:38,980

did is Mike can't be in for my soul as I

1464

01:03:43,829 --> 01:03:41,170

pull home those the aircraft I never

1465

01:03:45,660 --> 01:03:43,839

mentioned and I looked down at my work

1466

01:03:48,839 --> 01:03:45,670

in that [h__h] for four months

1467

01:03:52,049 --> 01:03:48,849

I saw twice aircraft enough I saw a lot

1468

01:03:54,120 --> 01:03:52,059

of violence come up and I saw all this

1469

01:03:56,759 --> 01:03:54,130

that the other thing now the seven was

1470

01:03:59,220 --> 01:03:56,769

undermined by number one falling down

1471

01:04:02,070 --> 01:03:59,230

hit number five before went under the

1472

01:04:04,140 --> 01:04:02,080

thing it was a rescue mission going on

1473

01:04:06,900 --> 01:04:04,150

this office and other people civilians

1474

01:04:10,830 --> 01:04:06,910

whoever the weren't many under next

1475

01:04:13,590 --> 01:04:10,840

field right so end this thing about not

1476
01:04:14,550 --> 01:04:13,600
a seven secret [h__h] here's a federal

1477
01:04:16,440 --> 01:04:14,560
building

1478
01:04:18,360 --> 01:04:16,450
commander emergency command center was

1479
01:04:19,680 --> 01:04:18,370
in there with Giuliani and all that he

1480
01:04:22,050 --> 01:04:19,690
should have been in it when I came down

1481
01:04:28,560 --> 01:04:22,060
personally but all the focus off the

1482
01:04:30,150 --> 01:04:28,570
street I see if you look at this way

1483
01:04:31,740 --> 01:04:30,160
every suspect this will begin a

1484
01:04:35,760 --> 01:04:31,750
constitution as in there to know

1485
01:04:39,810 --> 01:04:35,770
hopefully but Flynn started okay they

1486
01:04:41,580 --> 01:04:39,820
hit that thing in 93 and I want to tell

1487
01:04:43,500 --> 01:04:41,590
you this and I'm just gonna say you can

1488
01:04:46,620 --> 01:04:43,510

bull me whatever and a fridge office

1489

01:04:49,710 --> 01:04:46,630

wannabe them what you think and I dunno

1490

01:04:53,670 --> 01:04:49,720

conspiracies take place but my son being

1491

01:04:56,550 --> 01:04:53,680

English there is an Islamic conspiracy

1492

01:04:59,370 --> 01:04:56,560

that was taken advantage of by my

1493

01:05:01,320 --> 01:04:59,380

government any us they pull the planes

1494

01:05:02,640 --> 01:05:01,330

in you got to understand if you're not

1495

01:05:04,770 --> 01:05:02,650

an American you don't think we could be

1496

01:05:06,780 --> 01:05:04,780

beautiful like they if you told me one

1497

01:05:08,460 --> 01:05:06,790

minute before that [h__h] went down that

1498

01:05:10,580 --> 01:05:08,470

those buildings will be gone about a

1499

01:05:12,840 --> 01:05:10,590

forty six when the first one here I

1500

01:05:15,450 --> 01:05:12,850

would have laughed at you I would have

1501

01:05:19,230 --> 01:05:15,460

made \$100,000 then no I never have to

1502

01:05:21,930 --> 01:05:19,240

pay then it happened those buildings

1503

01:05:24,120 --> 01:05:21,940

were hollow and in any year than in them

1504

01:05:28,230 --> 01:05:24,130

and I've been in them many times have

1505

01:05:40,740 --> 01:05:28,240

been when they got built we supply a TV

1506

01:05:48,870 --> 01:05:46,150

the case why Warren was challenged on

1507

01:05:56,620 --> 01:05:48,880

these comments he made a video response

1508

01:06:02,170 --> 01:05:56,630

this is it on that September 11th I was

1509

01:06:05,099 --> 01:06:02,180

in England when that happens I had how I

1510

01:06:07,840 --> 01:06:05,109

love these people a member of my family

1511

01:06:10,930 --> 01:06:07,850

was almost killed in the World Trade

1512

01:06:13,180 --> 01:06:10,940

Center worked in cell tower I'm not

1513

01:06:16,300 --> 01:06:13,190

going to say names my family our meaning

1514

01:06:20,290 --> 01:06:16,310

from you people and the first thing I

1515

01:06:25,210 --> 01:06:20,300

did my son was 6 months old first thing

1516

01:06:29,700 --> 01:06:25,220

I did is hop the plane went home I was

1517

01:06:32,740 --> 01:06:29,710

in the pit right in it smelled the death

1518

01:06:33,670 --> 01:06:32,750

3,000 people have pictures of all it

1519

01:06:36,750 --> 01:06:33,680

that I took

1520

01:06:39,609 --> 01:06:36,760

none of your business call what you want

1521

01:06:42,280 --> 01:06:39,619

do what you want this is a family issue

1522

01:06:44,800 --> 01:06:42,290

I lost four friends in the World Trade

1523

01:06:48,460 --> 01:06:44,810

Center but I didn't know until my 30th

1524

01:06:51,760 --> 01:06:48,470

highschool reunion that people employed

1525

01:06:52,690 --> 01:06:51,770

people I went to school with it was a

1526

01:06:55,690 --> 01:06:52,700

big employer

1527

01:06:58,300 --> 01:06:55,700

I watched them get built I didn't see

1528

01:07:01,030 --> 01:06:58,310

them come down I was there just after

1529

01:07:03,640 --> 01:07:01,040

since the planes could go I was off and

1530

01:07:06,160 --> 01:07:03,650

was perfect swell the death was down in

1531

01:07:07,810 --> 01:07:06,170

the pit we knew people to get him a bit

1532

01:07:11,410 --> 01:07:07,820

was there even with my brother-in-law

1533

01:07:11,650 --> 01:07:11,420

who's in government I'll leave it at

1534

01:07:14,560 --> 01:07:11,660

that

1535

01:07:18,760 --> 01:07:14,570

when they recovered nine firemen in one

1536

01:07:22,090 --> 01:07:18,770

little pocket one day one day so and

1537

01:07:26,280 --> 01:07:22,100

that went on till March of 2002 by the

1538

01:07:28,900 --> 01:07:26,290

way I was around it quite a bit now that

1539

01:07:30,970 --> 01:07:28,910

has nothing to do it revolution and the

1540

01:07:34,490 --> 01:07:30,980

steel industry you're referring to that

1541

01:07:38,930 --> 01:07:34,500

video where these people the mi6

1542

01:07:40,910 --> 01:07:38,940

right as an mi6 or five guy stood up did

1543

01:07:43,400 --> 01:07:40,920

his thing it's a nice guy and he was

1544

01:07:46,430 --> 01:07:43,410

with the girl and there was all this

1545

01:07:49,160 --> 01:07:46,440

kind of what I would call an Tifa type

1546

01:07:50,870 --> 01:07:49,170

people now I mean some of these people

1547

01:07:53,060 --> 01:07:50,880

go against were supporters of the night

1548

01:07:54,859 --> 01:07:53,070

of the seven seven boxes and I've got

1549

01:07:58,339 --> 01:07:54,869

nothing but dirt of machine for these

1550

01:07:59,960 --> 01:07:58,349

books for the steel industry when I

1551

01:08:03,980 --> 01:07:59,970

could have the air force I work for a

1552

01:08:08,210 --> 01:08:03,990

slow company out of Connecticut I was

1553

01:08:13,040 --> 01:08:08,220

going to school and even learn some high

1554

01:08:15,620 --> 01:08:13,050

steel ball not for me so I was quite

1555

01:08:18,800 --> 01:08:15,630

familiar with but not good had it in

1556

01:08:21,019 --> 01:08:18,810

light Heights uh it was a manger that I

1557

01:08:22,789 --> 01:08:21,029

won't even say the name of the company

1558

01:08:24,920 --> 01:08:22,799

because they're they're owned by

1559

01:08:27,740 --> 01:08:24,930

interesting Italians I quite a big

1560

01:08:29,749 --> 01:08:27,750

company in Connecticut and that was not

1561

01:08:35,120 --> 01:08:29,759

the industry for me am I an expert on

1562

01:08:37,760 --> 01:08:35,130

steel no it's my view again I think

1563

01:08:40,490 --> 01:08:37,770

Saudi did it they financed it if that

1564

01:08:42,740 --> 01:08:40,500

you know so and that was the cover-up

1565

01:08:44,840 --> 01:08:42,750

there that's where my governments but

1566

01:08:46,700 --> 01:08:44,850

yeah I smelled the death my brother

1567

01:08:48,800 --> 01:08:46,710

watched him them friends watch people

1568

01:08:49,400 --> 01:08:48,810

splashing on the ground they were in it

1569

01:08:53,030 --> 01:08:49,410

in real time

1570

01:08:55,849 --> 01:08:53,040

and and so there you go and that's it

1571

01:08:57,349 --> 01:08:55,859

and so and I had a few judging me that

1572

01:09:00,530 --> 01:08:57,359

night the people wanted to come outside

1573

01:09:02,209 --> 01:09:00,540

with paint I remember and I'm some other

1574

01:09:05,360 --> 01:09:02,219

people were you know all right you're

1575

01:09:07,550 --> 01:09:05,370

great so that's it let them ramble on

1576

01:09:11,539 --> 01:09:07,560

that's a two important three thousand

1577

01:09:13,340 --> 01:09:11,549

people dead and these morons no no it's

1578

01:09:15,289 --> 01:09:13,350

a fake came to my family's front door

1579

01:09:21,709 --> 01:09:15,299

like it don't like it call me what you

1580

01:09:24,170 --> 01:09:21,719

want it shows more about you than me in

1581

01:09:26,809 --> 01:09:24,180

that segment he says he was with his

1582

01:09:30,769 --> 01:09:26,819

brother-in-law when they recovered nine

1583

01:09:32,510 --> 01:09:30,779

firefighters in a little pocket I would

1584

01:09:36,140 --> 01:09:32,520

say that that would be a pretty big

1585

01:09:39,249 --> 01:09:36,150

event but there's literally no evidence

1586

01:09:42,940 --> 01:09:39,259

of Larry Warren ever being anywhere near

1587

01:09:46,400 --> 01:09:42,950

Ground Zero during that period of time

1588

01:09:47,609 --> 01:09:46,410

there are registers of everyone who

1589

01:09:53,129 --> 01:09:47,619

helped

1590

01:09:55,620 --> 01:09:53,139

there are people who sent me photographs

1591

01:09:58,709 --> 01:09:55,630

of themselves on their friends in the

1592

01:10:01,350 --> 01:09:58,719

pace there was no sign of Larry Warren

1593

01:10:05,250 --> 01:10:01,360

in fact Larry was living here in

1594

01:10:07,680 --> 01:10:05,260

Liverpool he had a very small son and he

1595

01:10:10,770 --> 01:10:07,690

was actually seen at a conference in

1596

01:10:13,020 --> 01:10:10,780

Leeds where what Hopkins and Peter

1597

01:10:15,510 --> 01:10:13,030

Robbins were talking Larry wasn't

1598

01:10:17,939 --> 01:10:15,520

actually speaking but it was a member of

1599

01:10:21,839 --> 01:10:17,949

the audience and sat next to Nick Pope

1600

01:10:24,839 --> 01:10:21,849

in the front row Peter Robbins lived in

1601

01:10:27,060 --> 01:10:24,849

Manhattan at that time and had Larry

1602

01:10:30,689 --> 01:10:27,070

been hanging around there for four to

1603

01:10:33,000 --> 01:10:30,699

six months possibly even 14 one saw

1604

01:10:36,510 --> 01:10:33,010

whatever he's saying he's saying that he

1605

01:10:41,700 --> 01:10:36,520

went in September 2001 and that went on

1606

01:10:43,200 --> 01:10:41,710

until March 2002 it's not clear if

1607

01:10:45,660 --> 01:10:43,210

that's how long he's saying that he was

1608

01:10:50,780 --> 01:10:45,670

there but we know that he was actually

1609

01:10:54,600 --> 01:10:50,790

here in the UK he then says that his

1610

01:10:57,149 --> 01:10:54,610

stints in the steel industry was when he

1611

01:10:59,640 --> 01:10:57,159

got out of the Air Force while he was

1612

01:11:01,589 --> 01:10:59,650

going to school but he didn't go to

1613

01:11:04,979 --> 01:11:01,599

school when he got out of the Air Force

1614

01:11:06,899 --> 01:11:04,989

I should probably spend more time on

1615

01:11:09,839 --> 01:11:06,909

that but I don't really know what I can

1616

01:11:14,160 --> 01:11:09,849

say so I'm going to move on to other

1617

01:11:16,140 --> 01:11:14,170

equally ridiculous claims at the flying

1618

01:11:18,839 --> 01:11:16,150

saucers a blondie conference him finally

1619

01:11:20,640 --> 01:11:18,849

in 2015 and I think maybe I said that

1620

01:11:24,359 --> 01:11:20,650

was in Hall earlier if I did scrap that

1621

01:11:26,879 --> 01:11:24,369

it was finally anyway he very casually

1622

01:11:29,520 --> 01:11:26,889

announced that he signed metallica and

1623

01:11:32,939 --> 01:11:29,530

was paid half a million dollars finder's

1624

01:11:36,300 --> 01:11:32,949

fee he actually says he discovered and

1625

01:11:39,479 --> 01:11:36,310

signed metallica in a recording he did

1626

01:11:41,790 --> 01:11:39,489

with tina mogera tina asked him to

1627

01:11:44,070 --> 01:11:41,800

explain that situation because the truth

1628

01:11:47,010 --> 01:11:44,080

is that a man called Michael L agro

1629

01:11:49,229 --> 01:11:47,020

discovered and signed Metallica this is

1630

01:11:52,770 --> 01:11:49,239

very easy to find out in seconds with a

1631

01:11:55,470 --> 01:11:52,780

quick google search here he is saying he

1632

01:11:56,490 --> 01:11:55,480

co-signed Metallica I was paid half a

1633

01:12:00,149 --> 01:11:56,500

million pounds

1634

01:12:01,410 --> 01:12:00,159

sorry dollars finder's fee and after

1635

01:12:03,300 --> 01:12:01,420

that I will play the

1636

01:12:06,930 --> 01:12:03,310

clicked with Tina where he Claire's this

1637

01:12:09,300 --> 01:12:06,940

master oh right but I have a whole other

1638

01:12:12,620 --> 01:12:09,310

life that I live work for epic in

1639

01:12:15,419 --> 01:12:12,630

Atlantic Records for 20 years I

1640

01:12:17,580 --> 01:12:15,429

co-signed the bank old Metallica I got a

1641

01:12:20,010 --> 01:12:17,590

huge half a million dollar fine to say

1642

01:12:22,260 --> 01:12:20,020

with a friend of my rich Carlsen as an

1643

01:12:24,540 --> 01:12:22,270

our guys have found them you know all

1644

01:12:26,610 --> 01:12:24,550

kind of things but you know the music

1645

01:12:28,590 --> 01:12:26,620

business is very difficult and there's a

1646

01:12:31,709 --> 01:12:28,600

lot of temptations and half a million

1647

01:12:34,020 --> 01:12:31,719

dollars you could blow literally in one

1648

01:12:36,720 --> 01:12:34,030

night I mean it was bad news so it's

1649

01:12:39,090 --> 01:12:36,730

crazy on the road year-round and then

1650

01:12:42,000 --> 01:12:39,100

doing this thing that I'm here for it

1651
01:12:44,080 --> 01:12:42,010
today and because it was important but

1652
01:12:45,290 --> 01:12:44,090
also living with post-traumatic stress

1653
01:12:48,209 --> 01:12:45,300
[Applause]

1654
01:12:52,020 --> 01:12:48,219
okay well sticking with the music theme

1655
01:12:55,800 --> 01:12:52,030
Larry my favorite oh yeah a lots been

1656
01:12:59,430 --> 01:12:55,810
made about quote but you've made a

1657
01:13:02,760 --> 01:12:59,440
couple of years back it's a lecture you

1658
01:13:08,090 --> 01:13:02,770
did him finally where you stated that

1659
01:13:14,070 --> 01:13:08,100
you'd sign Metallica for 500k yeah

1660
01:13:15,930 --> 01:13:14,080
clearly you didn't sign Metallica and do

1661
01:13:19,979 --> 01:13:15,940
you want to go know a bit a detailed

1662
01:13:22,459 --> 01:13:19,989
explain that yeah yeah what it is I use

1663
01:13:26,130 --> 01:13:22,469

a lot of humor and my thoughts when I

1664

01:13:28,080 --> 01:13:26,140

flit around this stupid field and you

1665

01:13:31,350 --> 01:13:28,090

know do gigs which I really don't pursue

1666

01:13:33,660 --> 01:13:31,360

and don't really like doing and I've

1667

01:13:36,000 --> 01:13:33,670

always use humor everyone knows me does

1668

01:13:37,830 --> 01:13:36,010

but there is a connection I knew

1669

01:13:40,770 --> 01:13:37,840

Metallica when they were coming up there

1670

01:13:42,270 --> 01:13:40,780

was showcase band at that time and if

1671

01:13:44,189 --> 01:13:42,280

they probably don't know what Showcase

1672

01:13:45,800 --> 01:13:44,199

means but so I'm not gonna explain it

1673

01:13:48,530 --> 01:13:45,810

and new

1674

01:13:50,600 --> 01:13:48,540

our artists at that time different now

1675

01:13:54,350 --> 01:13:50,610

because none of many good ones out there

1676

01:13:57,920 --> 01:13:54,360

in my view Metallica was a support act

1677

01:14:00,470 --> 01:13:57,930

for a ban I did work with on a tour and

1678

01:14:03,980 --> 01:14:00,480

that was called fates warning and fix

1679

01:14:06,710 --> 01:14:03,990

warning was the supposed to be the

1680

01:14:09,020 --> 01:14:06,720

Metallica they didn't get the breaks

1681

01:14:12,110 --> 01:14:09,030

they made it they were signed to Metal

1682

01:14:14,450 --> 01:14:12,120

Blade Records which was a heavy metal

1683

01:14:15,800 --> 01:14:14,460

label not my genre but they I worked

1684

01:14:17,990 --> 01:14:15,810

with the guys and they're they're great

1685

01:14:20,090 --> 01:14:18,000

guys and I worked with him on their

1686

01:14:22,550 --> 01:14:20,100

first album called night on Brockton and

1687

01:14:25,150 --> 01:14:22,560

I'm on the credits on that album with

1688

01:14:28,100 --> 01:14:25,160

the middle name cell Rodriguez backstage

1689

01:14:31,010 --> 01:14:28,110

we call it backstage nasties there was

1690

01:14:32,870 --> 01:14:31,020

always Lacey and spinal tap and you know

1691

01:14:35,570 --> 01:14:32,880

they're folding the bread and that was

1692

01:14:36,980 --> 01:14:35,580

just like that and I would eat the cell

1693

01:14:38,660 --> 01:14:36,990

rate as you couldn't go wrong with

1694

01:14:41,500 --> 01:14:38,670

celery you didn't you know where it came

1695

01:14:45,800 --> 01:14:41,510

from so I got that nickname in the biz

1696

01:14:46,700 --> 01:14:45,810

because I always ate the celery and so

1697

01:14:49,610 --> 01:14:46,710

face morning

1698

01:14:51,410 --> 01:14:49,620

Metallica opened for them and I'd also

1699

01:14:53,270 --> 01:14:51,420

worked with the tubes at that period

1700

01:14:57,860 --> 01:14:53,280

which had a noun if you remember was

1701

01:15:00,620 --> 01:14:57,870

she's a beauty I forget what the the

1702

01:15:02,300 --> 01:15:00,630

almost call now doesn't matter these

1703

01:15:05,170 --> 01:15:02,310

people will never know these people and

1704

01:15:09,560 --> 01:15:05,180

the tubes are from Frisco great guys and

1705

01:15:11,570 --> 01:15:09,570

so anyway the tubes were suits and they

1706

01:15:13,910 --> 01:15:11,580

had these this gimmick so I remember

1707

01:15:16,310 --> 01:15:13,920

Metallica was opening you know touring

1708

01:15:19,010 --> 01:15:16,320

with us big clubs it was all being Agora

1709

01:15:20,210 --> 01:15:19,020

ballrooms which over here in England

1710

01:15:23,390 --> 01:15:20,220

they don't know what that is they were

1711

01:15:25,730 --> 01:15:23,400

basically giant warehouses or X

1712

01:15:29,330 --> 01:15:25,740

supermarkets or shops that had been

1713

01:15:30,980 --> 01:15:29,340

converted into Rock venues maybe two

1714

01:15:33,170 --> 01:15:30,990

thousand five thousand people you can

1715

01:15:34,790 --> 01:15:33,180

get in them an Agora Shane went all over

1716

01:15:36,230 --> 01:15:34,800

these coasts and a Cleveland up to

1717

01:15:39,290 --> 01:15:36,240

Hartford Connecticut I worked for them

1718

01:15:41,750 --> 01:15:39,300

for a while and John here and all those

1719

01:15:43,850 --> 01:15:41,760

guys they're promoters and

1720

01:15:46,550 --> 01:15:43,860

all that kind of thing so if none of

1721

01:15:49,060 --> 01:15:46,560

this is important at all to Rendlesham

1722

01:15:51,530 --> 01:15:49,070

but as far as what I said my friend rich

1723

01:15:55,130 --> 01:15:51,540

did signed Metallica

1724

01:15:58,070 --> 01:15:55,140

he was an our guy and for enigma Metal

1725

01:15:59,960 --> 01:15:58,080

Blade Records and worked with rich a

1726

01:16:03,010 --> 01:15:59,970

long time was good friends with his wife

1727

01:16:07,430 --> 01:16:03,020

Debbie and myself and my first wife and

1728

01:16:10,040 --> 01:16:07,440

he got a million dollars but because I

1729

01:16:12,800 --> 01:16:10,050

introduced him you know we gave the

1730

01:16:16,460 --> 01:16:12,810

people I was working with gave him that

1731

01:16:18,890 --> 01:16:16,470

man Metallica the option to get exposure

1732

01:16:23,240 --> 01:16:18,900

on these coasts which they did not have

1733

01:16:25,760 --> 01:16:23,250

enough from these because they might

1734

01:16:28,130 --> 01:16:25,770

joke was that I should have gotten half

1735

01:16:32,150 --> 01:16:28,140

of that million dollars

1736

01:16:34,580 --> 01:16:32,160

I didn't it's a joke you have to be

1737

01:16:36,890 --> 01:16:34,590

careful with the Flying Saucer people

1738

01:16:39,650 --> 01:16:36,900

they don't understand this world at all

1739

01:16:41,840 --> 01:16:39,660

at all so in the end of the day that was

1740

01:16:45,650 --> 01:16:41,850

a joke but I should have gotten half mil

1741

01:16:47,720 --> 01:16:45,660

because well I got rich up close and

1742

01:16:50,600 --> 01:16:47,730

personal on that tour and Metallica

1743

01:16:52,970 --> 01:16:50,610

actually eclipsed face warning and

1744

01:16:54,770 --> 01:16:52,980

obviously and all that and I remember

1745

01:16:56,750 --> 01:16:54,780

Metallica got mad at me because I

1746

01:16:58,970 --> 01:16:56,760

suggested they wear suits and tear them

1747

01:17:01,250 --> 01:16:58,980

off on stage and it didn't go down well

1748

01:17:03,920 --> 01:17:01,260

and they liked the tight jeans and the

1749

01:17:06,740 --> 01:17:03,930

high-top sneakers and really big hair

1750

01:17:08,810 --> 01:17:06,750

thing going on then and that's it so

1751

01:17:12,110 --> 01:17:08,820

yeah it's a true story but no I didn't

1752

01:17:14,810 --> 01:17:12,120

get a penny and rich lost that over the

1753

01:17:17,960 --> 01:17:14,820

next year through rock and roll's

1754

01:17:22,010 --> 01:17:17,970

behavior but I hope he's well anyway

1755

01:17:23,900 --> 01:17:22,020

that's true a whole other life that I've

1756

01:17:28,040 --> 01:17:23,910

ever worked for happening in Atlantic

1757

01:17:30,279 --> 01:17:28,050

Records for 20 years I co-signed the

1758

01:17:33,640 --> 01:17:30,289

bank on Metallica I got our huge

1759

01:17:36,339 --> 01:17:33,650

half a million dollar fine to see was on

1760

01:17:39,040 --> 01:17:36,349

the album by fates warning night on

1761

01:17:42,970 --> 01:17:39,050

broken there's literally no mention of

1762

01:17:45,729 --> 01:17:42,980

Lurie or anyone cold celery and Richard

1763

01:17:48,520 --> 01:17:45,739

didn't sign Metallica because Michael a

1764

01:17:51,910 --> 01:17:48,530

lager did there's even a film on Netflix

1765

01:17:53,950 --> 01:17:51,920

about him Tino knew this when asking

1766

01:17:56,229 --> 01:17:53,960

Warren this question but failed to ask

1767

01:17:58,600 --> 01:17:56,239

him how Michael L agro fitted into the

1768

01:18:00,879 --> 01:17:58,610

picture and why doesn't he mention

1769

01:18:03,729 --> 01:18:00,889

Richard are Larry seeing as they all

1770

01:18:05,859 --> 01:18:03,739

must have known each other funnily

1771

01:18:07,839 --> 01:18:05,869

enough there's no sign of Warren in the

1772

01:18:13,209 --> 01:18:07,849

film about the man who actually signed

1773

01:18:15,759 --> 01:18:13,219

Metallica Michael allaha keeping on the

1774

01:18:18,009 --> 01:18:15,769

music theme here is a clip of Larry

1775

01:18:21,040 --> 01:18:18,019

Warren saying that Stevie Ray Vaughan

1776

01:18:53,229 --> 01:18:21,050

wrote the song wall of denial about the

1777

01:18:57,549 --> 01:18:53,239

Rendlesham forest incident spell on team

1778

01:19:00,640 --> 01:18:57,559

rock on said on the 4th of July 2014 in

1779

01:19:02,620 --> 01:19:00,650

an article the material that became the

1780

01:19:06,009 --> 01:19:02,630

instep album impressed the sufferer

1781

01:19:08,740 --> 01:19:06,019

gains it is often described as s Arby's

1782

01:19:11,950 --> 01:19:08,750

confessional album but that isn't the

1783

01:19:14,529 --> 01:19:11,960

whole truth obviously cross by air tight

1784

01:19:16,509 --> 01:19:14,539

rope and wall of denial with lyrics that

1785

01:19:20,350 --> 01:19:16,519

refer to being afraid of my own shadow

1786

01:19:22,930 --> 01:19:20,360

in the face of grace and demons from the

1787

01:19:25,959 --> 01:19:22,940

garden of White Lies deal with addiction

1788

01:19:28,359 --> 01:19:25,969

and redemption but Stevie didn't write

1789

01:19:30,910 --> 01:19:28,369

those words they were penned by his

1790

01:19:34,660 --> 01:19:30,920

longtime friend and accomplice drummer

1791

01:19:37,029 --> 01:19:34,670

songwriter dial Bramall who were trodden

1792

01:19:38,830 --> 01:19:37,039

similar paths and channeled Vaughn's

1793

01:19:41,799 --> 01:19:38,840

misery better than he could have done

1794

01:19:44,179 --> 01:19:41,809

himself the deeply personal stuff was

1795

01:19:48,399 --> 01:19:44,189

dispatched first in early January

1796

01:19:52,669 --> 01:19:48,409

to get it out of the way so once again

1797

01:19:55,040 --> 01:19:52,679

another lie wall of denial was not

1798

01:19:58,459 --> 01:19:55,050

written by Stevie Ray Vaughn about the

1799

01:20:01,219 --> 01:19:58,469

Rendlesham forest incidents it was

1800

01:20:06,679 --> 01:20:01,229

written by dial Brummel about addiction

1801
01:20:08,479 --> 01:20:06,689
for Stevie Ray Vaughan the only alleged

1802
01:20:10,729 --> 01:20:08,489
evidence of Warren's very close

1803
01:20:12,620 --> 01:20:10,739
friendship with Stevie Ray Vaughan are a

1804
01:20:15,739 --> 01:20:12,630
couple of photographs that were quite

1805
01:20:18,589 --> 01:20:15,749
obviously faked both voters were

1806
01:20:20,330 --> 01:20:18,599
generated by printing off photos cussing

1807
01:20:23,419 --> 01:20:20,340
around the bodies and heads than

1808
01:20:25,729 --> 01:20:23,429
photographing the arrangement Warren

1809
01:20:28,879 --> 01:20:25,739
uses the same image of his own head in

1810
01:20:32,330 --> 01:20:28,889
all of his fabrications please refer to

1811
01:20:34,189 --> 01:20:32,340
my blog stars in his eyes The Adventures

1812
01:20:40,310 --> 01:20:34,199
of Larry Warren and the doctored

1813
01:20:43,189 --> 01:20:40,320

photographs on the 21st of July 2016

1814

01:20:46,189 --> 01:20:43,199

Ben Emmeline Jones recorded an interview

1815

01:20:49,429 --> 01:20:46,199

with Larry Warren which was titled Larry

1816

01:20:52,370 --> 01:20:49,439

Warren speaks in this show Larry

1817

01:20:54,679 --> 01:20:52,380

describes his life to burn this was in

1818

01:20:57,739 --> 01:20:54,689

light of the numerous evidences of Larry

1819

01:21:00,020 --> 01:20:57,749

Warren lying but I'd presented this was

1820

01:21:02,359 --> 01:21:00,030

his response to my revelations regarding

1821

01:21:06,819 --> 01:21:02,369

his balay behavior while he stayed in

1822

01:21:09,679 --> 01:21:06,829

our home from February to June 2015

1823

01:21:12,439 --> 01:21:09,689

before moving into our home he had been

1824

01:21:15,739 --> 01:21:12,449

working as a security guard at the Tesco

1825

01:21:18,949 --> 01:21:15,749

supermarket in egg birth he was sucks

1826

01:21:20,989 --> 01:21:18,959

for stealing a packet of cigarettes his

1827

01:21:24,109 --> 01:21:20,999

requirement to perform his duties as a

1828

01:21:27,020 --> 01:21:24,119

security officer in a supermarket or any

1829

01:21:30,500 --> 01:21:27,030

other retail outlet is called an SI a

1830

01:21:32,779 --> 01:21:30,510

card in this show Warren tells Jones

1831

01:21:37,279 --> 01:21:32,789

that he was specially licensed by the

1832

01:21:39,560 --> 01:21:37,289

government in close protection in this

1833

01:21:42,140 --> 01:21:39,570

country by the way and by the way I'm in

1834

01:21:44,000 --> 01:21:42,150

a licence in I was in a licence industry

1835

01:21:46,729 --> 01:21:44,010

where you're drug tested criminal

1836

01:21:48,350 --> 01:21:46,739

background records checks everything to

1837

01:21:51,020 --> 01:21:48,360

be able to work in that which I did for

1838

01:21:51,910 --> 01:21:51,030

10 years and close protection and other

1839

01:21:55,120 --> 01:21:51,920

things

1840

01:21:57,010 --> 01:21:55,130

lights license hearing by the government

1841

01:21:59,380 --> 01:21:57,020

and there's are every kind of things so

1842

01:22:01,450 --> 01:21:59,390

these nonsensical you know we're drug

1843

01:22:04,600 --> 01:22:01,460

tests everything is just you know I

1844

01:22:06,280 --> 01:22:04,610

couldn't have maintained my job and that

1845

01:22:07,900 --> 01:22:06,290

I'm still in a compound different kind

1846

01:22:14,620 --> 01:22:07,910

of industry now we're you're a drug test

1847

01:22:20,470 --> 01:22:14,630

anyway my company loved his life in the

1848

01:22:23,680 --> 01:22:20,480

memorabilia industry and so

1849

01:22:25,570 --> 01:22:23,690

unfortunately because this person's

1850

01:22:28,210 --> 01:22:25,580

involved feel she saw certain business

1851
01:22:30,670 --> 01:22:28,220
things now I'm gonna say this here at an

1852
01:22:33,820 --> 01:22:30,680
auction house called cameo auctioneers

1853
01:22:35,860 --> 01:22:33,830
in reading I have been dealing with rock

1854
01:22:38,590 --> 01:22:35,870
and roll memorabilia I was in the music

1855
01:22:40,930 --> 01:22:38,600
business was a publicist I work for epic

1856
01:22:43,990 --> 01:22:40,940
and Sony Music a lot of people like that

1857
01:22:46,840 --> 01:22:44,000
very famous people and some not so

1858
01:22:49,510 --> 01:22:46,850
famous I work in recording studios you

1859
01:22:52,150 --> 01:22:49,520
name a record plant you name three years

1860
01:22:53,290 --> 01:22:52,160
no that's not left it he escaped because

1861
01:22:56,530 --> 01:22:53,300
I wanted to have a future in that

1862
01:22:58,120 --> 01:22:56,540
industry unfortunately you know and

1863
01:22:59,470 --> 01:22:58,130

Peter Robbins comes from that kind of

1864

01:23:02,470 --> 01:22:59,480

background we know a lot of the same

1865

01:23:05,860 --> 01:23:02,480

folks it's nothing new but I started to

1866

01:23:08,620 --> 01:23:05,870

amass a lot of memorabilia rock and roll

1867

01:23:11,680 --> 01:23:08,630

memorabilia and I'm quite a specialist

1868

01:23:13,480 --> 01:23:11,690

on authenticity and writing all that

1869

01:23:16,870 --> 01:23:13,490

kind of thing and that's only learned

1870

01:23:18,340 --> 01:23:16,880

after many years in the game and when I

1871

01:23:19,570 --> 01:23:18,350

kind enough that I started to say and

1872

01:23:21,400 --> 01:23:19,580

this is where Peter says you know

1873

01:23:24,820 --> 01:23:21,410

certain people finance their but no I

1874

01:23:27,310 --> 01:23:24,830

financed her book with things I started

1875

01:23:29,620 --> 01:23:27,320

to sell have to sell because the book

1876
01:23:31,540 --> 01:23:29,630
was expensive to write and that was mine

1877
01:23:34,840 --> 01:23:31,550
so yeah I tip my hat to the people that

1878
01:23:36,730 --> 01:23:34,850
I was able to do that are you there

1879
01:23:37,780 --> 01:23:36,740
um yeah can you hear me uncle it's a

1880
01:23:40,960 --> 01:23:37,790
message just saying there's a problem

1881
01:23:42,580 --> 01:23:40,970
but can you hear me alright yeah but it

1882
01:23:44,770 --> 01:23:42,590
went away does this seem so right now

1883
01:23:46,870 --> 01:23:44,780
it's recording okay so let me just draw

1884
01:23:49,030 --> 01:23:46,880
us in right real quick cuz I don't like

1885
01:23:51,610 --> 01:23:49,040
people knowing my business so anyway

1886
01:23:54,220 --> 01:23:51,620
this company and I've dealt with all the

1887
01:23:56,190 --> 01:23:54,230
major players in that industry I've been

1888
01:23:58,510 --> 01:23:56,200

ripped off there's a lot of fraud in it

1889

01:24:00,250 --> 01:23:58,520

it's a separate thing from you if all

1890

01:24:03,040 --> 01:24:00,260

are gonna be very profitable but I also

1891

01:24:04,510 --> 01:24:03,050

like the value of the items and the

1892

01:24:05,800 --> 01:24:04,520

keeping the history of rock and

1893

01:24:08,560 --> 01:24:05,810

I've had dealings with the Rock and Roll

1894

01:24:12,850 --> 01:24:08,570

Hall of Fame as an advisor on a number

1895

01:24:14,740 --> 01:24:12,860

of exhibitions Yoko Ono did her 2001

1896

01:24:15,280 --> 01:24:14,750

based on one I had done in the United

1897

01:24:17,920 --> 01:24:15,290

States

1898

01:24:20,620 --> 01:24:17,930

I know Yoko very well I think you were

1899

01:24:24,970 --> 01:24:20,630

you're aware of that through my ex-wife

1900

01:24:27,250 --> 01:24:24,980

hmm yeah you recall you said she said

1901

01:24:29,230 --> 01:24:27,260

something about that yeah yeah yo yo yo

1902

01:24:31,750 --> 01:24:29,240

Co even called her house when Dennis was

1903

01:24:34,000 --> 01:24:31,760

young so one which blew Sue's mind a

1904

01:24:36,100 --> 01:24:34,010

little bit but that's just the way my

1905

01:24:38,830 --> 01:24:36,110

life was and that's you know and that's

1906

01:24:40,450 --> 01:24:38,840

cool they're people and yeah I met John

1907

01:24:43,210 --> 01:24:40,460

Lennon and all that kind of thing and

1908

01:24:45,550 --> 01:24:43,220

it's it's not a big well it's big steel

1909

01:24:48,820 --> 01:24:45,560

them but you know many years older he

1910

01:24:50,740 --> 01:24:48,830

was though he died now but anyway so I

1911

01:24:52,420 --> 01:24:50,750

was able to acquire a lot of different

1912

01:24:53,860 --> 01:24:52,430

things I worked with one great guy and

1913

01:24:56,380 --> 01:24:53,870

it's funny I've seen this come up on her

1914

01:24:58,120 --> 01:24:56,390

page as you know if any of us read her

1915

01:25:00,340 --> 01:24:58,130

book there's Stevie Ray Vaughan is in

1916

01:25:03,520 --> 01:25:00,350

the book Stevie I worked with a company

1917

01:25:05,140 --> 01:25:03,530

called C B enterprises guy named Charlie

1918

01:25:07,630 --> 01:25:05,150

comer who was from Liverpool there's

1919

01:25:11,050 --> 01:25:07,640

also a publicist for John Lennon way

1920

01:25:12,970 --> 01:25:11,060

back and we did all kind of touring

1921

01:25:15,400 --> 01:25:12,980

things to work with Stevie and epic is

1922

01:25:17,800 --> 01:25:15,410

label and all that kind of a lot of

1923

01:25:19,990 --> 01:25:17,810

artists and things so when I did what I

1924

01:25:24,370 --> 01:25:20,000

did I won't go into it here but I'm

1925

01:25:26,890 --> 01:25:24,380

Charlie's past on that but anyway so

1926

01:25:29,530 --> 01:25:26,900

I've seen this thing from some cat named

1927

01:25:31,710 --> 01:25:29,540

Craig a fan club guy or whatever that

1928

01:25:34,570 --> 01:25:31,720

all this elaborate story on a guitar

1929

01:25:37,240 --> 01:25:34,580

that I allegedly it's made out that I

1930

01:25:39,550 --> 01:25:37,250

sold this to this guy and misrepresented

1931

01:25:42,400 --> 01:25:39,560

it or something and all this history I'm

1932

01:25:44,830 --> 01:25:42,410

thinking what the hell is that and then

1933

01:25:47,290 --> 01:25:44,840

I'm thinking that can't be the guitar

1934

01:25:49,810 --> 01:25:47,300

and let me sum this up if anyone's aware

1935

01:25:51,340 --> 01:25:49,820

of this Craig guy and what this woman

1936

01:25:54,430 --> 01:25:51,350

has been throwing around the inner yeah

1937

01:25:55,870 --> 01:25:54,440

so was her last name was a 19 well tell

1938

01:25:58,600 --> 01:25:55,880

you and I'm not going to give the serial

1939

01:26:02,500 --> 01:25:58,610

number that is a stolen guitar and it

1940

01:26:04,150 --> 01:26:02,510

was stolen from me in 1995 from the

1941

01:26:06,250 --> 01:26:04,160

Brill Building in New York City and

1942

01:26:08,890 --> 01:26:06,260

Broadway the Brill Building is where

1943

01:26:10,900 --> 01:26:08,900

Carole King Gerry Goffin Neil Diamond

1944

01:26:13,660 --> 01:26:10,910

all the rest wrote all the great songs

1945

01:26:16,180 --> 01:26:13,670

in the Brill Building if you saw that

1946

01:26:17,320 --> 01:26:16,190

recent show vinyl that is set in the

1947

01:26:21,310 --> 01:26:17,330

Brill Building with

1948

01:26:24,730 --> 01:26:21,320

labor was base oh yeah and and there was

1949

01:26:27,570 --> 01:26:24,740

a person I did business with and that

1950

01:26:30,610 --> 01:26:27,580

guitar was displayed in the shop now

1951

01:26:32,950 --> 01:26:30,620

was it the history that I've seen in

1952

01:26:35,860 --> 01:26:32,960

that because what I know someone did

1953

01:26:38,230 --> 01:26:35,870

that Becca Turner was stolen in 1995 I

1954

01:26:41,260 --> 01:26:38,240

never sold it for anyone at all by the

1955

01:26:44,170 --> 01:26:41,270

way and that has actually a history

1956

01:26:47,890 --> 01:26:44,180

originating with Jimi Hendrix that was

1957

01:26:50,080 --> 01:26:47,900

given to Stevie and then presented to me

1958

01:26:53,320 --> 01:26:50,090

Stevie played it at a soundcheck and

1959

01:26:55,180 --> 01:26:53,330

purity for none of that provenance that

1960

01:26:58,360 --> 01:26:55,190

is on there because I still have the

1961

01:27:00,130 --> 01:26:58,370

actual Providence is authentic so

1962

01:27:02,560 --> 01:27:00,140

someone is trying that stole the guitar

1963

01:27:04,630 --> 01:27:02,570

maybe sold it on for years because many

1964

01:27:09,070 --> 01:27:04,640

years now that has had a New York police

1965

01:27:12,430 --> 01:27:09,080

file a theft file going on it for 21

1966

01:27:14,050 --> 01:27:12,440

years now dr. Greengrass oh yeah what's

1967

01:27:14,770 --> 01:27:14,060

that I'm glad they go to back they go to

1968

01:27:17,830 --> 01:27:14,780

back for you

1969

01:27:20,260 --> 01:27:17,840

no one's got what it was

1970

01:27:22,660 --> 01:27:20,270

it popped up in some auction in New York

1971

01:27:24,430 --> 01:27:22,670

and the auction house I I believe used

1972

01:27:27,040 --> 01:27:24,440

to be famous I've never done business or

1973

01:27:28,360 --> 01:27:27,050

famous for doing carousel horses and

1974

01:27:29,880 --> 01:27:28,370

then you know believe it or not the old

1975

01:27:33,070 --> 01:27:29,890

wooden horses you know people buy these

1976

01:27:34,960 --> 01:27:33,080

and that's their speciality and some of

1977

01:27:37,120 --> 01:27:34,970

them it was in a guy again I haven't

1978

01:27:39,940 --> 01:27:37,130

lived in American 17 years you know so

1979

01:27:42,040 --> 01:27:39,950

I'm not onto everything and it popped up

1980

01:27:44,020 --> 01:27:42,050

and then it was withdrawn or whatever

1981

01:27:46,000 --> 01:27:44,030

and I saw the story and there's a name

1982

01:27:48,160 --> 01:27:46,010

from someone I went to school with and

1983

01:27:51,430 --> 01:27:48,170

all the names and this one guy is the

1984

01:27:53,080 --> 01:27:51,440

head of fenders custom shop who would

1985

01:27:56,980 --> 01:27:53,090

have nothing to do with this guitar the

1986

01:27:59,620 --> 01:27:56,990

guitars of 1966 burst strat and rosewood

1987

01:28:02,160 --> 01:27:59,630

neck the serial numbers no police report

1988

01:28:04,810 --> 01:28:02,170

on it it comes from actually Steve Paul

1989

01:28:08,020 --> 01:28:04,820

along the scene in New York and man is

1990

01:28:10,380 --> 01:28:08,030

Jimi Hendrix very briefly it has a drill

1991

01:28:13,780 --> 01:28:10,390

hole in the lower horn the short horn

1992

01:28:16,540 --> 01:28:13,790

meaning it was strung upside down which

1993

01:28:19,390 --> 01:28:16,550

would be a Hendrix connection there and

1994

01:28:21,760 --> 01:28:19,400

Jimi played it at the scene so it is

1995

01:28:26,920 --> 01:28:21,770

said steep all I know is I believe he's

1996

01:28:28,120 --> 01:28:26,930

gone now and and that was actually long

1997

01:28:28,810 --> 01:28:28,130

stir I'm not going to go window so

1998

01:28:32,560 --> 01:28:28,820

people can read

1999

01:28:34,450 --> 01:28:32,570

do the forged no provenance and maybe

2000

01:28:38,200 --> 01:28:34,460

sell it on or again or whatever it goes

2001

01:28:41,109 --> 01:28:38,210

on is that that was totally but she

2002

01:28:43,240 --> 01:28:41,119

thank God for that I found it but and it

2003

01:28:46,839 --> 01:28:43,250

is that but I have photos of me with

2004

01:28:48,879 --> 01:28:46,849

that guitar and Stevie and a signed by

2005

01:28:51,220 --> 01:28:48,889

Stevie and I ended up with it

2006

01:28:53,200 --> 01:28:51,230

it's no one's business how wasn't stolen

2007

01:28:56,950 --> 01:28:53,210

from them the only issue I had with

2008

01:28:58,390 --> 01:28:56,960

Stevie's estate when our book came out

2009

01:29:01,120 --> 01:28:58,400

and I remember there was a guy with a

2010

01:29:02,859 --> 01:29:01,130

fan club in Texas and you know they are

2011

01:29:05,229 --> 01:29:02,869

Southern Baptists you have to understand

2012

01:29:07,419 --> 01:29:05,239

in Texas and I'll respect everyone from

2013

01:29:10,209 --> 01:29:07,429

Dallas man the cops that got murdered

2014

01:29:12,850 --> 01:29:10,219

yesterday yeah but uh and Stevie you

2015

01:29:15,160 --> 01:29:12,860

know was from Dallas and he was a great

2016

01:29:17,890 --> 01:29:15,170

guy doing well there are friends of mine

2017

01:29:19,540 --> 01:29:17,900

on my facebook I introduced him to and

2018

01:29:23,290 --> 01:29:19,550

it's just a really nice guy and he died

2019

01:29:25,720 --> 01:29:23,300

way too young if you read my blog stars

2020

01:29:28,359 --> 01:29:25,730

in his eyes The Adventures of Larry

2021

01:29:30,370 --> 01:29:28,369

Warren and the doctored photographs you

2022

01:29:33,220 --> 01:29:30,380

will see there are several provenances

2023

01:29:35,140 --> 01:29:33,230

for the guitar and a story about a man

2024

01:29:38,709 --> 01:29:35,150

who bought it off a man called Larry

2025

01:29:41,979 --> 01:29:38,719

Warren who wrote a book about UFOs and

2026

01:29:44,500 --> 01:29:41,989

aliens the Katara's made several

2027

01:29:48,250 --> 01:29:44,510

appearances over the years in auctions

2028

01:29:49,810 --> 01:29:48,260

but every time somebody's bought it it

2029

01:29:52,300 --> 01:29:49,820

has to be returned and the money

2030

01:29:54,069 --> 01:29:52,310

refunded all the money was never even

2031

01:29:58,209 --> 01:29:54,079

handed over because it was proven to be

2032

01:30:00,399 --> 01:29:58,219

fake before that happened now I want to

2033

01:30:01,030 --> 01:30:00,409

talk about Larry Warren and Adrian bust

2034

01:30:03,339 --> 01:30:01,040

Inza

2035

01:30:06,520 --> 01:30:03,349

larry states he was with adrian all

2036

01:30:09,189 --> 01:30:06,530

nights and 11:30 adrienne picked him up

2037

01:30:12,939 --> 01:30:09,199

from his post and drove him to the light

2038

01:30:14,979 --> 01:30:12,949

halls and then on to Carol green as I've

2039

01:30:17,109 --> 01:30:14,989

already stated Adrienne said that never

2040

01:30:19,660 --> 01:30:17,119

happened Adrienne was with Colonel Holt

2041

01:30:22,240 --> 01:30:19,670

all nights something Carol Holt has told

2042

01:30:24,370 --> 01:30:22,250

me personally is correct Larry also

2043

01:30:26,680 --> 01:30:24,380

states that he and Adrian were taken

2044

01:30:30,069 --> 01:30:26,690

together and debriefed in an underground

2045

01:30:33,819 --> 01:30:30,079

alien base Larry now denies ever saying

2046

01:30:36,040 --> 01:30:33,829

this I don't know where it's from what

2047

01:30:37,600 --> 01:30:36,050

it's about but I saw the reaction to it

2048

01:30:39,520 --> 01:30:37,610

by our government

2049

01:30:41,680 --> 01:30:39,530

I went through was he breathing not an

2050

01:30:43,419 --> 01:30:41,690

underground base with an alien the no

2051
01:30:45,280 --> 01:30:43,429
one fixed the spaceship and all the

2052
01:30:49,270 --> 01:30:45,290
things that have been said over the

2053
01:30:51,310 --> 01:30:49,280
years because I sure didn't Sam I'm now

2054
01:30:56,620 --> 01:30:51,320
going to read chapter three from the

2055
01:31:02,169 --> 01:30:56,630
book left at Eastgate it's simply titled

2056
01:31:05,290 --> 01:31:02,179
underground it was now dark five maybe

2057
01:31:07,270 --> 01:31:05,300
six o'clock I reflected on my lenient

2058
01:31:11,140 --> 01:31:07,280
treatment at the office of communication

2059
01:31:14,109 --> 01:31:11,150
security squadron COMSEC only a small

2060
01:31:17,020 --> 01:31:14,119
fine and no letter of reprimand man I

2061
01:31:19,240 --> 01:31:17,030
was lucky and you my mother would be

2062
01:31:21,609 --> 01:31:19,250
concerned had she heard all I had said

2063
01:31:23,379 --> 01:31:21,619

on the phone probably not I'd have to

2064

01:31:25,930 --> 01:31:23,389

write her a letter mainly from one of

2065

01:31:27,879 --> 01:31:25,940

the town's off-base no one would know

2066

01:31:31,060 --> 01:31:27,889

and I'd be free to say more about what

2067

01:31:32,950 --> 01:31:31,070

had happened I was drained of energy but

2068

01:31:34,810 --> 01:31:32,960

it was too late to catch any sleep

2069

01:31:37,600 --> 01:31:34,820

I'd have to catch up in the morning

2070

01:31:40,270 --> 01:31:37,610

maybe after a six-pack and boy did that

2071

01:31:43,149 --> 01:31:40,280

sound good eating was out of the

2072

01:31:44,830 --> 01:31:43,159

question I had no time I walked

2073

01:31:47,229 --> 01:31:44,840

downstairs to the day room and caught

2074

01:31:48,040 --> 01:31:47,239

the news on ITV and a little bit of

2075

01:31:50,709 --> 01:31:48,050

Fawlty Towers

2076

01:31:53,379 --> 01:31:50,719

the Daum phone rang and my friend Dave

2077

01:31:56,020 --> 01:31:53,389

answered it I heard him say from the

2078

01:31:57,760 --> 01:31:56,030

hall yes he's right here as he pointed

2079

01:32:00,430 --> 01:31:57,770

the receiver in my direction

2080

01:32:02,530 --> 01:32:00,440

I had a sinking feeling as I approached

2081

01:32:04,919 --> 01:32:02,540

the phone every time the phone rung that

2082

01:32:09,359 --> 01:32:04,929

day I found myself in more hot water

2083

01:32:11,500 --> 01:32:09,369

hello Emma Warren yes this is Warren I

2084

01:32:13,930 --> 01:32:11,510

didn't know the male voice on the other

2085

01:32:16,120 --> 01:32:13,940

end the call sounded as if it were

2086

01:32:17,820 --> 01:32:16,130

long-distance connection as if the

2087

01:32:20,530 --> 01:32:17,830

caller's voice were in a vacuum

2088

01:32:22,510 --> 01:32:20,540

mm Warren could you meets a car in the

2089

01:32:25,930 --> 01:32:22,520

darn parking lot in 20 minutes

2090

01:32:28,419 --> 01:32:25,940

I asked who are you the voice responded

2091

01:32:31,090 --> 01:32:28,429

that it wasn't important please meet the

2092

01:32:33,729 --> 01:32:31,100

car in 20 minutes I asked how I would

2093

01:32:36,340 --> 01:32:33,739

recognize the car the voice said it will

2094

01:32:38,620 --> 01:32:36,350

be a dark blue sedan upscale you'll know

2095

01:32:41,740 --> 01:32:38,630

it when you see it I asked if his

2096

01:32:44,680 --> 01:32:41,750

request concerned the UFO incident yes

2097

01:32:46,870 --> 01:32:44,690

the voice responded am I in trouble

2098

01:32:49,180 --> 01:32:46,880

will I be late for my shift I have to

2099

01:32:51,399 --> 01:32:49,190

work tonight the answer to both

2100

01:32:53,709 --> 01:32:51,409

questions was now he

2101

01:32:56,830 --> 01:32:53,719

continued you do not have to be in

2102

01:32:59,859 --> 01:32:56,840

uniform and Warren remember 20 minutes

2103

01:33:02,589 --> 01:32:59,869

okay another airman will be with you you

2104

01:33:05,560 --> 01:33:02,599

won't miss the car will you no sir

2105

01:33:08,049 --> 01:33:05,570

the man hung up while staring at some

2106

01:33:12,339 --> 01:33:08,059

pro ira graffiti on the wall in front of

2107

01:33:14,350 --> 01:33:12,349

me i hesitantly did the same upstairs in

2108

01:33:16,959 --> 01:33:14,360

my room i grabbed the heavy jackets and

2109

01:33:18,939 --> 01:33:16,969

headed for the parking lots the weather

2110

01:33:21,699 --> 01:33:18,949

had turned colder and more winter like

2111

01:33:23,589 --> 01:33:21,709

but the brisk air sharpened my senses i

2112

01:33:26,500 --> 01:33:23,599

wished i had been stationed in

2113

01:33:29,049 --> 01:33:26,510

california or a warmer climate anywhere

2114

01:33:32,109 --> 01:33:29,059

but england it just wasn't fun anymore

2115

01:33:34,929 --> 01:33:32,119

i could see the car no it looked like a

2116

01:33:37,029 --> 01:33:34,939

Lincoln Town Car as I got closer it's

2117

01:33:40,299 --> 01:33:37,039

orange and blue New York state plates

2118

01:33:42,819 --> 01:33:40,309

made me strangely homesick across the

2119

01:33:46,089 --> 01:33:42,829

lot another airman walked toward the car

2120

01:33:48,669 --> 01:33:46,099

it was Adrian boost Inza he had been in

2121

01:33:50,709 --> 01:33:48,679

the field with me the night before as we

2122

01:33:52,359 --> 01:33:50,719

neared the car I turned so Adrian and

2123

01:33:55,270 --> 01:33:52,369

said how are you doing

2124

01:33:57,129 --> 01:33:55,280

he just waved back the cow was in the

2125

01:34:00,069 --> 01:33:57,139

far end of the lot near the new housing

2126
01:34:02,890 --> 01:34:00,079
construction site not a soul was in the

2127
01:34:05,020 --> 01:34:02,900
lot with us the front doors opened two

2128
01:34:07,390 --> 01:34:05,030
men got out of the car they were dressed

2129
01:34:10,120 --> 01:34:07,400
in civilian clothes I can't remember the

2130
01:34:12,459 --> 01:34:10,130
details of their faces they opened the

2131
01:34:14,560 --> 01:34:12,469
doors of the backseat once I was next to

2132
01:34:17,319 --> 01:34:14,570
the car I looked at the interior before

2133
01:34:20,169 --> 01:34:17,329
I climbed in and you something was wrong

2134
01:34:22,449 --> 01:34:20,179
the interior was just too bright with a

2135
01:34:25,600 --> 01:34:22,459
greenish glow as if the dash lights were

2136
01:34:28,419 --> 01:34:25,610
amplified 500 times it was eerie

2137
01:34:30,819 --> 01:34:28,429
the man said nothing and as I bent

2138
01:34:34,089 --> 01:34:30,829

forward to get in everything went black

2139

01:34:36,429 --> 01:34:34,099

I was in a void and knew I was seated in

2140

01:34:39,549 --> 01:34:36,439

the car and I knew Adrian was next to me

2141

01:34:41,739 --> 01:34:39,559

but I couldn't talk or move however I

2142

01:34:45,250 --> 01:34:41,749

could hear I felt like I'd been

2143

01:34:47,469 --> 01:34:45,260

anesthetized I heard no conversation in

2144

01:34:49,359 --> 01:34:47,479

the car though I wanted to hear anything

2145

01:34:51,359 --> 01:34:49,369

to take me out of my semi-conscious

2146

01:34:53,620 --> 01:34:51,369

state but that's all I can remember

2147

01:34:56,679 --> 01:34:53,630

until I heard the engine of an a-10

2148

01:34:59,439 --> 01:34:56,689

taking off I was on the Bentwaters

2149

01:35:02,620 --> 01:34:59,449

flight line I knew it but that was all I

2150

01:35:05,020 --> 01:35:02,630

knew suddenly I felt fresh air hit my

2151

01:35:06,880 --> 01:35:05,030

face I could smell it I

2152

01:35:09,670 --> 01:35:06,890

now out of the car and walking are

2153

01:35:11,860 --> 01:35:09,680

moving in some direction I sense people

2154

01:35:15,280 --> 01:35:11,870

around me but I was never touched are

2155

01:35:17,470 --> 01:35:15,290

pushed next I had a definite sensation

2156

01:35:20,650 --> 01:35:17,480

of descent as if I were in an elevator

2157

01:35:23,890 --> 01:35:20,660

causing pressure changes in my ears then

2158

01:35:25,660 --> 01:35:23,900

I lost consciousness regaining my vision

2159

01:35:28,270 --> 01:35:25,670

I found myself in a small cafeteria

2160

01:35:30,430 --> 01:35:28,280

style dining area complete with

2161

01:35:32,860 --> 01:35:30,440

stainless steel and glass serving areas

2162

01:35:34,450 --> 01:35:32,870

the workers whilst under some history

2163

01:35:36,640 --> 01:35:34,460

caps with white overalls

2164

01:35:38,350 --> 01:35:36,650

a few airmen were scattered around the

2165

01:35:38,980 --> 01:35:38,360

room at different tables looking very

2166

01:35:42,550 --> 01:35:38,990

lost

2167

01:35:44,800 --> 01:35:42,560

I felt heavily sedated a hamburger was

2168

01:35:47,290 --> 01:35:44,810

on a tray in front of me but I cannot

2169

01:35:49,390 --> 01:35:47,300

remember eating the lighting was strange

2170

01:35:52,770 --> 01:35:49,400

the walls were covered in cream colored

2171

01:35:55,780 --> 01:35:52,780

tiles next I was walking along a hallway

2172

01:35:57,730 --> 01:35:55,790

this image is very clear rooms

2173

01:36:00,100 --> 01:35:57,740

containing high-tech machines and

2174

01:36:02,140 --> 01:36:00,110

computers of some sorts a male and

2175

01:36:04,210 --> 01:36:02,150

female technicians dressed in orange and

2176

01:36:07,990 --> 01:36:04,220

blue uniforms lining each side of the

2177

01:36:10,450 --> 01:36:08,000

narrow corridor I was in a small group

2178

01:36:13,360 --> 01:36:10,460

of airmen leading the way where two men

2179

01:36:15,160 --> 01:36:13,370

dressed in black SWAT type uniforms they

2180

01:36:17,050 --> 01:36:15,170

said little if anything to us as we

2181

01:36:20,980 --> 01:36:17,060

stopped in front of a large pressurized

2182

01:36:23,500 --> 01:36:20,990

or a small alarm sound sounded as the

2183

01:36:25,470 --> 01:36:23,510

seal was electronically broken the

2184

01:36:27,790 --> 01:36:25,480

massive door quietly moved to the right

2185

01:36:30,370 --> 01:36:27,800

disappearing into the tiled wall

2186

01:36:32,980 --> 01:36:30,380

I remember our being motioned forward

2187

01:36:33,730 --> 01:36:32,990

into a large semi dark rectangular

2188

01:36:36,250 --> 01:36:33,740

shaped room

2189

01:36:39,580 --> 01:36:36,260

the lighting was again strange with a

2190

01:36:41,410 --> 01:36:39,590

dull silvery tone to it so my left was

2191

01:36:43,960 --> 01:36:41,420

an opening in the wall the floor

2192

01:36:46,680 --> 01:36:43,970

continued about five feet into it and

2193

01:36:49,570 --> 01:36:46,690

ended at an angled glass or plexiglass

2194

01:36:52,030 --> 01:36:49,580

full-length window with glass sides for

2195

01:36:55,350 --> 01:36:52,040

peripheral vision the opening was

2196

01:36:58,090 --> 01:36:55,360

perhaps six feet tall by far feet wide

2197

01:37:01,180 --> 01:36:58,100

only two or three people could fit into

2198

01:37:04,240 --> 01:37:01,190

it at a time I stepped into the confined

2199

01:37:07,030 --> 01:37:04,250

area and felt as if I was no longer on

2200

01:37:10,450 --> 01:37:07,040

earth I found myself looking into a

2201

01:37:12,280 --> 01:37:10,460

gigantic dark cavernous space it

2202

01:37:15,250 --> 01:37:12,290

reminded me of the interior of the

2203

01:37:17,170 --> 01:37:15,260

Houston Astrodome in a strange way beads

2204

01:37:18,850 --> 01:37:17,180

of humidity rolled down the other side

2205

01:37:20,979 --> 01:37:18,860

of the seamless glass

2206

01:37:24,510 --> 01:37:20,989

far below I saw movement on a liquid

2207

01:37:27,910 --> 01:37:24,520

black flower perhaps people perhaps not

2208

01:37:29,680 --> 01:37:27,920

also and objects much like the one I'd

2209

01:37:31,870 --> 01:37:29,690

seen the night before but not so

2210

01:37:34,990 --> 01:37:31,880

illuminated was resting in a far corner

2211

01:37:37,180 --> 01:37:35,000

of the facility in the black void there

2212

01:37:39,729 --> 01:37:37,190

were other strange objects all different

2213

01:37:42,700 --> 01:37:39,739

in shape slowly flying across my line of

2214

01:37:44,649 --> 01:37:42,710

sight I looked to my right to see a

2215

01:37:46,720 --> 01:37:44,659

large opening in a wall it looked

2216

01:37:48,910 --> 01:37:46,730

familiar to me I'd seen something

2217

01:37:52,450 --> 01:37:48,920

similar before I just couldn't remember

2218

01:37:54,550 --> 01:37:52,460

where the curving tiled walls looked wet

2219

01:37:57,399 --> 01:37:54,560

and three large bands of light were

2220

01:37:59,350 --> 01:37:57,409

visible from my vantage points one of

2221

01:38:03,669 --> 01:37:59,360

our escorts said it was a tunnel that

2222

01:38:05,740 --> 01:38:03,679

led into the North Sea I turned away and

2223

01:38:09,820 --> 01:38:05,750

was directed to the large door along

2224

01:38:13,330 --> 01:38:09,830

with the other man it opened we were now

2225

01:38:15,370 --> 01:38:13,340

Marsh motion forward turning left we

2226

01:38:18,370 --> 01:38:15,380

walked down a longer hallway and entered

2227

01:38:20,859 --> 01:38:18,380

a small room there we were directed to

2228

01:38:24,160 --> 01:38:20,869

large red cushioned chairs they looked a

2229

01:38:26,250 --> 01:38:24,170

little like airplane seats I sat in the

2230

01:38:28,419 --> 01:38:26,260

first row adrian was to my right

2231

01:38:31,479 --> 01:38:28,429

directly in front of us was a large

2232

01:38:34,540 --> 01:38:31,489

translucent screen about five feet tall

2233

01:38:36,970 --> 01:38:34,550

and far feet wide suddenly I could do

2234

01:38:38,859 --> 01:38:36,980

nothing but look straight assets my head

2235

01:38:42,010 --> 01:38:38,869

could not turn left or right I was

2236

01:38:43,870 --> 01:38:42,020

frozen in place the screen grew bright

2237

01:38:46,240 --> 01:38:43,880

yet the light was soft on my eyes

2238

01:38:48,399 --> 01:38:46,250

through it I saw a silhouette of

2239

01:38:51,580 --> 01:38:48,409

somebody but detail was impossible to

2240

01:38:53,560 --> 01:38:51,590

make out I didn't feel any fear at this

2241

01:38:56,020 --> 01:38:53,570

time I had a heightened sense of

2242

01:38:57,609 --> 01:38:56,030

curiosity along with an intense need to

2243

01:39:00,790 --> 01:38:57,619

talk to the small figure behind the

2244

01:39:03,160 --> 01:39:00,800

screen it never moved but all around me

2245

01:39:07,180 --> 01:39:03,170

a new conversation was taking place I

2246

01:39:08,590 --> 01:39:07,190

couldn't hear it I sensed it I don't

2247

01:39:12,220 --> 01:39:08,600

know how long it was before it's very

2248

01:39:16,500 --> 01:39:12,230

very pissed my brain but when it did I

2249

01:39:19,000 --> 01:39:16,510

was amazed a strange sensation indeed

2250

01:39:21,100 --> 01:39:19,010

somebody was talking to me without words

2251

01:39:23,709 --> 01:39:21,110

yet I was fully aware of the

2252

01:39:26,080 --> 01:39:23,719

conversation the voice was soft and

2253

01:39:29,470 --> 01:39:26,090

reassuring definitely male with an

2254

01:39:30,910 --> 01:39:29,480

accent I couldn't identify it would be

2255

01:39:32,589 --> 01:39:30,920

impossible to try and repeat the

2256

01:39:34,449 --> 01:39:32,599

interruption verbatim

2257

01:39:36,969 --> 01:39:34,459

because I can't remember it the order of

2258

01:39:39,489 --> 01:39:36,979

conversation some point stand out

2259

01:39:41,919 --> 01:39:39,499

clearly though the voice communicated

2260

01:39:44,319 --> 01:39:41,929

telepathically it addressed me by my

2261

01:39:46,239 --> 01:39:44,329

first name the voice went on to

2262

01:39:49,330 --> 01:39:46,249

demonstrate a great familiarity with

2263

01:39:51,879 --> 01:39:49,340

events from my life my being adopted my

2264

01:39:54,339 --> 01:39:51,889

parents separation my love of music and

2265

01:39:57,399 --> 01:39:54,349

creativity my disappointment with

2266

01:40:01,750 --> 01:39:57,409

religion my instincts for aggression and

2267

01:40:04,659 --> 01:40:01,760

my quest for inner and outer peace it

2268

01:40:06,969 --> 01:40:04,669

knew I had an open mind the voice knew

2269

01:40:08,889 --> 01:40:06,979

my strengths and weaknesses and ended

2270

01:40:12,879 --> 01:40:08,899

every statement or description of my

2271

01:40:15,759 --> 01:40:12,889

life by saying do you remember I wasn't

2272

01:40:18,040 --> 01:40:15,769

offended by the intrusions I never felt

2273

01:40:22,029 --> 01:40:18,050

threatened each time he asked if I

2274

01:40:24,009 --> 01:40:22,039

remembered I did not answer I knew it

2275

01:40:26,319 --> 01:40:24,019

didn't mean for me to remember events of

2276

01:40:29,199 --> 01:40:26,329

my life it wanted me to remember

2277

01:40:32,830 --> 01:40:29,209

something else but I couldn't or didn't

2278

01:40:34,959 --> 01:40:32,840

want to I thought back at the figure

2279

01:40:37,839 --> 01:40:34,969

during a lull in the conversation I

2280

01:40:40,479 --> 01:40:37,849

asked who it was and where I was the

2281

01:40:42,040 --> 01:40:40,489

response was direct into the points the

2282

01:40:44,589 --> 01:40:42,050

figure was a being from a place I would

2283

01:40:47,649 --> 01:40:44,599

never understand it was not from my

2284

01:40:50,109 --> 01:40:47,659

reality it never said another planets or

2285

01:40:52,149 --> 01:40:50,119

anything like that it's only made the

2286

01:40:55,689 --> 01:40:52,159

point that I could not comprehend what

2287

01:40:57,879 --> 01:40:55,699

it was or where it came from it went on

2288

01:41:00,879 --> 01:40:57,889

to say that I was in the facility far

2289

01:41:03,339 --> 01:41:00,889

below the air bases the installations

2290

01:41:06,279 --> 01:41:03,349

contained many of its kind along with

2291

01:41:09,429 --> 01:41:06,289

human support personnel the facility had

2292

01:41:12,489 --> 01:41:09,439

been there since the 1940s and expanded

2293

01:41:14,799 --> 01:41:12,499

in the late 1960s the crafts they

2294

01:41:17,709 --> 01:41:14,809

traveled in entered and exited via an

2295

01:41:20,259 --> 01:41:17,719

extensive tunnel system one exit was a

2296

01:41:23,469 --> 01:41:20,269

mile off Lowestoft in suffolk another

2297

01:41:25,330 --> 01:41:23,479

near the offered key the silhouette went

2298

01:41:28,569 --> 01:41:25,340

on to say there are many civilizations

2299

01:41:31,000 --> 01:41:28,579

civilizations from office earth existing

2300

01:41:34,509 --> 01:41:31,010

here they are intimate with the u.s.

2301

01:41:36,909 --> 01:41:34,519

USSR UK and Japanese governments at

2302

01:41:40,149 --> 01:41:36,919

their highest levels and have been here

2303

01:41:41,919 --> 01:41:40,159

since World War two I was disturbed when

2304

01:41:44,229 --> 01:41:41,929

it said religion was created for the

2305

01:41:46,489 --> 01:41:44,239

human race and I still don't believe it

2306

01:41:48,939 --> 01:41:46,499

maybe I just don't want to

2307

01:41:51,169 --> 01:41:48,949

it went on to say that the Cold War was

2308

01:41:53,390 --> 01:41:51,179

non-existence and that third world

2309

01:41:56,509 --> 01:41:53,400

countries are where our future battles

2310

01:41:58,609 --> 01:41:56,519

will be fought its race is blended into

2311

01:42:01,850 --> 01:41:58,619

our society at all levels

2312

01:42:04,489 --> 01:42:01,860

this facility is one of many processing

2313

01:42:06,580 --> 01:42:04,499

zones throughout the world this facility

2314

01:42:09,049 --> 01:42:06,590

and others likely are vital

2315

01:42:11,390 --> 01:42:09,059

contamination safeguards are in place to

2316

01:42:13,489 --> 01:42:11,400

ensure this one being the technical

2317

01:42:17,629 --> 01:42:13,499

ability to make Bentwaters and

2318

01:42:20,180 --> 01:42:17,639

Woodbridge bases vanish I didn't know

2319

01:42:23,989 --> 01:42:20,190

what that meant but assumed it meant to

2320

01:42:27,830 --> 01:42:23,999

be in the literal sense I was selected

2321

01:42:29,899 --> 01:42:27,840

along with others because they knew us I

2322

01:42:33,259 --> 01:42:29,909

vaguely remember you telling me about

2323

01:42:35,299 --> 01:42:33,269

politics and corporations and that I

2324

01:42:38,209 --> 01:42:35,309

would not remember most of my experience

2325

01:42:40,009 --> 01:42:38,219

mainly for my own protection the last

2326

01:42:43,669 --> 01:42:40,019

part of the communication was like a

2327

01:42:46,969 --> 01:42:43,679

farewell the being said Larry in your

2328

01:42:50,060 --> 01:42:46,979

life strive to remember once again I

2329

01:42:51,680 --> 01:42:50,070

fell into blackness I regain

2330

01:42:54,529 --> 01:42:51,690

consciousness while walking through a

2331

01:42:56,870 --> 01:42:54,539

door the sunlight was brilliance as the

2332

01:42:58,879 --> 01:42:56,880

door slams shut behind me I noticed to

2333

01:43:01,399 --> 01:42:58,889

my left a few Airmen working on a light

2334

01:43:04,459 --> 01:43:01,409

all while a crew chief backed orders at

2335

01:43:06,830 --> 01:43:04,469

them to my right to a TENS were taxiing

2336

01:43:08,959 --> 01:43:06,840

for takeoff across the road alone

2337

01:43:12,200 --> 01:43:08,969

security policeman was manning his post

2338

01:43:14,540 --> 01:43:12,210

in a priority care aircraft area a car

2339

01:43:16,759 --> 01:43:14,550

pass containing some pilots they were

2340

01:43:19,040 --> 01:43:16,769

laughing about something maybe the

2341

01:43:20,750 --> 01:43:19,050

mission that awaited them or maybe at

2342

01:43:24,140 --> 01:43:20,760

the snaps picking up garbage with

2343

01:43:27,739 --> 01:43:24,150

pointed sticks I was back but from where

2344

01:43:29,719 --> 01:43:27,749

I turned around with a vengeance and

2345

01:43:31,819 --> 01:43:29,729

opened the door I just passed through I

2346

01:43:33,890 --> 01:43:31,829

had taken two steps forward when a

2347

01:43:37,189 --> 01:43:33,900

female administrative client behind a

2348

01:43:38,689 --> 01:43:37,199

desk asked if she could help me I stared

2349

01:43:40,819 --> 01:43:38,699

at her looking for any hint or

2350

01:43:43,819 --> 01:43:40,829

expression on her face that would tell

2351
01:43:45,709 --> 01:43:43,829
me she knew that was nothing No thank

2352
01:43:46,189 --> 01:43:45,719
you I said and then turned and left the

2353
01:43:49,100 --> 01:43:46,199
building

2354
01:43:51,649 --> 01:43:49,110
the Bentwaters photo processing lab I

2355
01:43:54,200 --> 01:43:51,659
walked quickly quickly to a transport

2356
01:43:56,689 --> 01:43:54,210
bus and gotten bored during the light

2357
01:43:58,879 --> 01:43:56,699
ride back to the dorm area I strove to

2358
01:44:00,319 --> 01:43:58,889
remember all that had happened while

2359
01:44:03,140 --> 01:44:00,329
simultaneously

2360
01:44:05,270 --> 01:44:03,150
wanting to kill the memory everyone on

2361
01:44:08,689 --> 01:44:05,280
the bus was excited because that night

2362
01:44:10,910 --> 01:44:08,699
was new yet New Year's Eve back at my

2363
01:44:12,950 --> 01:44:10,920

Dom a note on my door informed me that

2364

01:44:14,810 --> 01:44:12,960

I'd be changing shifts and would not

2365

01:44:17,379 --> 01:44:14,820

have to report for work until the start

2366

01:44:22,069 --> 01:44:17,389

of the next week on the 2nd of January

2367

01:44:24,589 --> 01:44:22,079

it was sung by my shift supervisor I ran

2368

01:44:26,450 --> 01:44:24,599

into Steve La Plume in the hallway he

2369

01:44:28,939 --> 01:44:26,460

asked where I had been the last two days

2370

01:44:31,609 --> 01:44:28,949

he said Larry I heard you were on

2371

01:44:34,280 --> 01:44:31,619

emergency leave I didn't know how to

2372

01:44:37,129 --> 01:44:34,290

answer him two days what the hell was

2373

01:44:38,959 --> 01:44:37,139

going on I remember buying two bottles

2374

01:44:41,450 --> 01:44:38,969

of champagne that day and hiding one

2375

01:44:43,790 --> 01:44:41,460

near a garbage dumpster should I need it

2376

01:44:45,319 --> 01:44:43,800

I was invited to a New Year's party at

2377

01:44:47,510 --> 01:44:45,329

the women's barracks that night I

2378

01:44:49,910 --> 01:44:47,520

applied myself well with beer and

2379

01:44:51,890 --> 01:44:49,920

champagne and recalled how important it

2380

01:44:53,390 --> 01:44:51,900

seemed at one point to try and fit

2381

01:44:57,830 --> 01:44:53,400

inside a refrigerator

2382

01:45:01,010 --> 01:44:57,840

I got trashed a few brief hours into

2383

01:45:04,310 --> 01:45:01,020

1981 Rick Bertolli no and Lieutenant

2384

01:45:07,189 --> 01:45:04,320

Colonel halts and said the room and

2385

01:45:08,299 --> 01:45:07,199

ordered all males out of the building it

2386

01:45:10,910 --> 01:45:08,309

was past curfew

2387

01:45:13,729 --> 01:45:10,920

I remember halts extracting me from the

2388

01:45:17,209 --> 01:45:13,739

refrigerator and asking if I was okay to

2389

01:45:18,979 --> 01:45:17,219

get home or would I need a ride I turned

2390

01:45:20,870 --> 01:45:18,989

and put my arm on his shoulder and

2391

01:45:23,569 --> 01:45:20,880

wished him a happy new year and offered

2392

01:45:25,879 --> 01:45:23,579

him a drink of champagne he declined and

2393

01:45:27,770 --> 01:45:25,889

showed me to the door once outside I

2394

01:45:30,290 --> 01:45:27,780

staggered across the lawn on roots my

2395

01:45:32,600 --> 01:45:30,300

Dom a girl I knew called me from her

2396

01:45:35,030 --> 01:45:32,610

first-floor window I walked back to the

2397

01:45:37,220 --> 01:45:35,040

building and with a sharp run dived

2398

01:45:40,100 --> 01:45:37,230

through her open window taking out her

2399

01:45:42,169 --> 01:45:40,110

stereo in the process I think I passed

2400

01:45:43,520 --> 01:45:42,179

out when I hit the floor I never did

2401

01:45:47,030 --> 01:45:43,530

make it to that second bottle of

2402

01:45:49,459 --> 01:45:47,040

champagne as the first morning of 1981

2403

01:45:52,609 --> 01:45:49,469

dawned I work with one of the worst

2404

01:45:55,760 --> 01:45:52,619

hangovers of my life and worse a new

2405

01:46:00,260 --> 01:45:55,770

insights I didn't want I'd left part of

2406

01:46:02,209 --> 01:46:00,270

my soul somewhere underground I went

2407

01:46:04,549 --> 01:46:02,219

through with me breathing an underground

2408

01:46:05,560 --> 01:46:04,559

base with an alien that no one fixed the

2409

01:46:07,510 --> 01:46:05,570

spaceship and

2410

01:46:11,170 --> 01:46:07,520

things that have been said over the

2411

01:46:13,630 --> 01:46:11,180

years by Chernin Sam no guards to play

2412

01:46:16,540 --> 01:46:13,640

you a segment of the Adrienne Boston's a

2413

01:46:20,080 --> 01:46:16,550

full radio interview on the Rendlesham

2414

01:46:26,380 --> 01:46:20,090

forest incident this is on Rodney

2415

01:46:28,510 --> 01:46:26,390

McKay's YouTube account I was told that

2416

01:46:29,320 --> 01:46:28,520

some people were there to see me to come

2417

01:46:30,880 --> 01:46:29,330

downstairs

2418

01:46:38,440 --> 01:46:30,890

we were up like in the second third

2419

01:46:43,300 --> 01:46:38,450

floor OSI office

2420

01:46:46,990 --> 01:46:43,310

I wrote a statement up to two and a half

2421

01:46:48,970 --> 01:46:47,000

pages maybe three pages long try to get

2422

01:46:50,410 --> 01:46:48,980

a copy of it and give me a copy that

2423

01:46:53,590 --> 01:46:50,420

that would give me one I never received

2424

01:46:56,890 --> 01:46:53,600

a copy of it I remember going and didn't

2425

01:46:58,780 --> 01:46:56,900

be briefed by major Ziegler and he just

2426

01:47:01,030 --> 01:46:58,790

told me basically you know just go

2427

01:47:03,880 --> 01:47:01,040

operate they were to tell you to do and

2428

01:47:07,720 --> 01:47:03,890

so forth she wasn't really involved with

2429

01:47:11,710 --> 01:47:07,730

the situation he wasn't out there and

2430

01:47:16,030 --> 01:47:11,720

this was already you know the next

2431

01:47:20,680 --> 01:47:16,040

morning and through the years I've tried

2432

01:47:23,830 --> 01:47:20,690

to recall certain spaces of things that

2433

01:47:26,020 --> 01:47:23,840

were empty that out what happened in

2434

01:47:27,820 --> 01:47:26,030

between how did I get back to the

2435

01:47:30,760 --> 01:47:27,830

barracks I don't recall how I got back

2436

01:47:32,440 --> 01:47:30,770

to the fort I'm sure I got a ride on

2437

01:47:36,460 --> 01:47:32,450

somebody or throw something but I don't

2438

01:47:43,720 --> 01:47:36,470

recall how I remember seeing you when I

2439

01:47:46,450 --> 01:47:43,730

was through placing my for putting my

2440

01:47:51,100 --> 01:47:46,460

statement in and giving it to the OSI

2441

01:47:58,120 --> 01:47:51,110

officers they how was coming out the

2442

01:48:00,280 --> 01:47:58,130

building I recall running into John you

2443

01:48:01,720 --> 01:48:00,290

know kind of just I believe I just kind

2444

01:48:05,170 --> 01:48:01,730

of looked at John I only remember about

2445

01:48:06,970 --> 01:48:05,180

sitting thing you're not and I remember

2446

01:48:08,860 --> 01:48:06,980

shaking my head and you know they would

2447

01:48:10,600 --> 01:48:08,870

told me not to speak to anybody nothing

2448

01:48:12,250 --> 01:48:10,610

you know say anything to anyone because

2449

01:48:14,320 --> 01:48:12,260

it was a current investigation going on

2450

01:48:18,650 --> 01:48:14,330

for challengers to it so I tried not to

2451

01:48:20,960 --> 01:48:18,660

speaking to anyone but

2452

01:48:24,560 --> 01:48:20,970

you know I wanted to call home I

2453

01:48:27,560 --> 01:48:24,570

remember I called home I get that blow

2454

01:48:29,510 --> 01:48:27,570

of silence by doing that because kind of

2455

01:48:33,950 --> 01:48:29,520

told my parents and my mom basically

2456

01:48:35,800 --> 01:48:33,960

what had going on it happened and that's

2457

01:48:38,060 --> 01:48:35,810

what my mom told me and she says well

2458

01:48:39,980 --> 01:48:38,070

that's kind of funny she says because

2459

01:48:41,930 --> 01:48:39,990

we've had some vehicle some black

2460

01:48:43,580 --> 01:48:41,940

vehicles out here with man sitting in

2461

01:48:46,090 --> 01:48:43,590

them and they've been in front of a

2462

01:48:50,030 --> 01:48:46,100

house had been at the end of the street

2463

01:48:52,640 --> 01:48:50,040

for my parents live at the time and she

2464

01:48:54,200 --> 01:48:52,650

says what's going on and I was trying to

2465

01:48:55,700 --> 01:48:54,210

explain it to her and she when I said

2466

01:48:57,890 --> 01:48:55,710

the big hole about they talked about her

2467

01:49:01,190 --> 01:48:57,900

main thing she said I remember my mom

2468

01:49:02,990 --> 01:49:01,200

said well don't say anything remember

2469

01:49:05,900 --> 01:49:03,000

your dad works for the government so you

2470

01:49:10,630 --> 01:49:05,910

you know do what you're being told to do

2471

01:49:14,990 --> 01:49:10,640

and I remember telling my mom okay and

2472

01:49:17,750 --> 01:49:15,000

we hung up and I want to thank was later

2473

01:49:20,750 --> 01:49:17,760

that evening or that afternoon I was

2474

01:49:23,150 --> 01:49:20,760

somebody came to my room I don't recall

2475

01:49:25,970 --> 01:49:23,160

who it was I want to say it was it might

2476

01:49:28,730 --> 01:49:25,980

have been Skinner who was my roommate at

2477

01:49:32,390 --> 01:49:28,740

the time or Atromitos II who was another

2478

01:49:34,010 --> 01:49:32,400

roommate of mine and they told me that

2479

01:49:37,700 --> 01:49:34,020

somebody wanted to talk to me downstairs

2480

01:49:40,730 --> 01:49:37,710

I went to the end of the barracks over

2481

01:49:43,940 --> 01:49:40,740

that and I looked from the belt from the

2482

01:49:46,010 --> 01:49:43,950

end of the steps and some gentleman

2483

01:49:49,400 --> 01:49:46,020

little down there and and it was a Air

2484

01:49:55,040 --> 01:49:49,410

Force car yeah a government car ready

2485

01:49:57,020 --> 01:49:55,050

and I said I'll be down in a minute and

2486

01:49:59,180 --> 01:49:57,030

I went down and asking to get in the car

2487

01:50:01,370 --> 01:49:59,190

where we're going and they say we each

2488

01:50:05,750 --> 01:50:01,380

get in the cars got some more question

2489

01:50:07,640 --> 01:50:05,760

so I got in the car with him and we

2490

01:50:09,230 --> 01:50:07,650

ended up and we drove to Woodbridge we

2491

01:50:14,120 --> 01:50:09,240

didn't go to the other side often what's

2492

01:50:17,780 --> 01:50:14,130

the fridge base and there were they when

2493

01:50:21,290 --> 01:50:17,790

you go into Woodbridge when you do go to

2494

01:50:26,390 --> 01:50:21,300

bridge bridge you would have to kind of

2495

01:50:28,160 --> 01:50:26,400

go it's out one gate and then you end up

2496

01:50:33,130 --> 01:50:28,170

going through the gate or through the

2497

01:50:41,000 --> 01:50:37,729

they kind of ask questions as far as you

2498

01:50:42,979 --> 01:50:41,010

know I blow you at when you first got

2499

01:50:46,760 --> 01:50:42,989

reported to you and so forth so we went

2500

01:50:48,709 --> 01:50:46,770

through the scenario and I sprained that

2501
01:50:53,560 --> 01:50:48,719
to them I pointed in a direction I'll

2502
01:50:58,250 --> 01:50:55,760
security the specialist was security

2503
01:51:00,110 --> 01:50:58,260
specialist was I told them where I had

2504
01:51:01,820 --> 01:51:00,120
been driving around and where I saw the

2505
01:51:03,110 --> 01:51:01,830
lights when I was driving for direction

2506
01:51:07,400 --> 01:51:03,120
I came from and so forth

2507
01:51:10,250 --> 01:51:07,410
and we got back in the vehicle we went

2508
01:51:11,780 --> 01:51:10,260
back to Bentwaters and it's better going

2509
01:51:17,120 --> 01:51:11,790
back to the barracks just about what I

2510
01:51:19,490 --> 01:51:17,130
was going he ended up going to the area

2511
01:51:21,800 --> 01:51:19,500
was like for driving for the security

2512
01:51:24,010 --> 01:51:21,810
base itself therefore we had our got my

2513
01:51:26,060 --> 01:51:24,020

dark mounts and stuff we pass through

2514

01:51:28,850 --> 01:51:26,070

maintenance and so forth and I saw the

2515

01:51:31,220 --> 01:51:28,860

camera there was this big old sign and

2516

01:51:34,790 --> 01:51:31,230

there was his building and had where

2517

01:51:37,729 --> 01:51:34,800

they developed photographs and so forth

2518

01:51:44,360 --> 01:51:37,739

and I always called it the camera shop

2519

01:51:46,340 --> 01:51:44,370

and we we thought they pulled over they

2520

01:51:49,850 --> 01:51:46,350

got out they opened my door but come on

2521

01:51:51,140 --> 01:51:49,860

in oh I walked in at that point I

2522

01:51:52,430 --> 01:51:51,150

thought they were never going to show me

2523

01:51:57,410 --> 01:51:52,440

some pictures or something because

2524

01:51:59,830 --> 01:51:57,420

that's the area that we were in but that

2525

01:52:04,240 --> 01:51:59,840

wasn't the case when we went in it was

2526

01:52:07,669 --> 01:52:04,250

went in and it was like down a hallway

2527

01:52:14,240 --> 01:52:07,679

and we kept walking down that hallway

2528

01:52:17,500 --> 01:52:14,250

and there was a we went right and it was

2529

01:52:21,169 --> 01:52:17,510

like I think aboard some another hall

2530

01:52:24,560 --> 01:52:21,179

and then we went into a room and at

2531

01:52:26,270 --> 01:52:24,570

first you know they could have a seat if

2532

01:52:27,979 --> 01:52:26,280

I was like whoa what's going on but you

2533

01:52:29,540 --> 01:52:27,989

think the room was kind of like empty

2534

01:52:31,669 --> 01:52:29,550

with the table on the chair and I was

2535

01:52:34,100 --> 01:52:31,679

like well what's going on then we're

2536

01:52:35,810 --> 01:52:34,110

asking some questions and I really

2537

01:52:38,300 --> 01:52:35,820

didn't want to sit down I started

2538

01:52:40,160 --> 01:52:38,310

getting scared at that point and I said

2539

01:52:41,810 --> 01:52:40,170

well I don't want to sit down I don't

2540

01:52:44,660 --> 01:52:41,820

want to do this at all I won't go back

2541

01:52:45,700 --> 01:52:44,670

to the parent to make there it was you

2542

01:52:47,830 --> 01:52:45,710

know

2543

01:52:51,310 --> 01:52:47,840

unis just down we're gonna ask you

2544

01:52:53,410 --> 01:52:51,320

questions and you to cooperate and one

2545

01:52:55,870 --> 01:52:53,420

of the guys put his hand on my shoulder

2546

01:53:01,510 --> 01:52:55,880

in force big down but was like you're

2547

01:53:03,250 --> 01:53:01,520

gonna sit down so I sat down and I

2548

01:53:06,280 --> 01:53:03,260

started looking around and they turned

2549

01:53:07,930 --> 01:53:06,290

the lights off and that really spooked

2550

01:53:09,939 --> 01:53:07,940

me at that point and that's when the

2551
01:53:11,590 --> 01:53:09,949
light came out in front of me and I

2552
01:53:12,430 --> 01:53:11,600
don't recall seeing a light in front of

2553
01:53:14,530 --> 01:53:12,440
me at that point

2554
01:53:17,290 --> 01:53:14,540
but unlike him out in front of me and

2555
01:53:19,840 --> 01:53:17,300
there was a gentleman I could see the

2556
01:53:23,350 --> 01:53:19,850
silhouette and he started asking me

2557
01:53:26,080 --> 01:53:23,360
questions and he was asking me questions

2558
01:53:32,229 --> 01:53:26,090
as you know what did you see how this

2559
01:53:33,729 --> 01:53:32,239
and I I started asked him will you and

2560
01:53:36,640 --> 01:53:33,739
he said you need to answer the question

2561
01:53:38,590 --> 01:53:36,650
never identified himself to you he said

2562
01:53:42,820 --> 01:53:38,600
I was he I needed to be more concerned

2563
01:53:45,010 --> 01:53:42,830

as to what I saw out there and to tell

2564

01:53:48,490 --> 01:53:45,020

him what I saw that you see we're going

2565

01:53:50,860 --> 01:53:48,500

to record anything and when he said

2566

01:53:55,120 --> 01:53:50,870

record us a tape recorder what he was

2567

01:53:57,550 --> 01:53:55,130

not recording anything and I started to

2568

01:54:00,160 --> 01:53:57,560

tell him about the life respond what I

2569

01:54:03,810 --> 01:54:00,170

saw and when I was telling that there

2570

01:54:10,330 --> 01:54:07,270

interrogation that the gentleman told me

2571

01:54:12,850 --> 01:54:10,340

he says no you can see that you saw it

2572

01:54:15,459 --> 01:54:12,860

was the light houses the light shines

2573

01:54:17,320 --> 01:54:15,469

and it reflects off the freedom and I

2574

01:54:20,110 --> 01:54:17,330

said light doesn't reflect off a tree

2575

01:54:22,360 --> 01:54:20,120

light shines on the tree and you can see

2576

01:54:24,490 --> 01:54:22,370

the tree then when the light comes

2577

01:54:27,010 --> 01:54:24,500

around behind you or above you that's

2578

01:54:30,490 --> 01:54:27,020

not a life and he was very persistent

2579

01:54:32,919 --> 01:54:30,500

about it being the light from the

2580

01:54:34,390 --> 01:54:32,929

lighthouse and then I told him up there

2581

01:54:36,459 --> 01:54:34,400

will the light for the lighthouse is he

2582

01:54:40,390 --> 01:54:36,469

is it going to be it's gonna be white

2583

01:54:43,000 --> 01:54:40,400

and it's gonna rotate but I said you

2584

01:54:45,580 --> 01:54:43,010

know supposedly that lighthouse was too

2585

01:54:46,709 --> 01:54:45,590

far away but then again and he said

2586

01:54:49,600 --> 01:54:46,719

you're not hearing me

2587

01:54:53,350 --> 01:54:49,610

he says I'm telling you that you're

2588

01:54:58,750 --> 01:54:53,360

seeing this light from the lighthouse he

2589

01:55:00,940 --> 01:54:58,760

said that he wasn't he didn't have time

2590

01:55:03,220 --> 01:55:00,950

games that he knew that I needed to be

2591

01:55:06,340 --> 01:55:03,230

truthful and tell him what I really saw

2592

01:55:08,560 --> 01:55:06,350

him which was the life from them and I

2593

01:55:10,960 --> 01:55:08,570

said I thought I was truthful with you I

2594

01:55:13,140 --> 01:55:10,970

saw the light at the Buddy the light was

2595

01:55:15,700 --> 01:55:13,150

Green and we flew in with orange

2596

01:55:19,780 --> 01:55:15,710

laughter yeah there was a white with

2597

01:55:21,790 --> 01:55:19,790

with a blue chip and then I told him at

2598

01:55:24,700 --> 01:55:21,800

that point that there was one point for

2599

01:55:27,400 --> 01:55:24,710

the light one of the lights broke up

2600

01:55:31,630 --> 01:55:27,410

into about five different smaller lights

2601

01:55:35,290 --> 01:55:31,640

up it was a big like a big ball and it

2602

01:55:37,270 --> 01:55:35,300

just burns like a fire word to do and I

2603

01:55:39,610 --> 01:55:37,280

said and it broke out and they just kind

2604

01:55:47,080 --> 01:55:39,620

of all maneuvered and then I'll just it

2605

01:55:52,390 --> 01:55:47,090

kind of left and there were silence and

2606

01:55:57,420 --> 01:55:52,400

he told me he said what you're telling

2607

01:56:01,390 --> 01:55:57,430

me he doesn't exist did not happen

2608

01:56:03,820 --> 01:56:01,400

I'm telling you what you saw it was the

2609

01:56:05,890 --> 01:56:03,830

lighthouse light and I said no sir after

2610

01:56:09,630 --> 01:56:05,900

you after your computer then you're

2611

01:56:15,280 --> 01:56:09,640

confused I'm telling you and he said son

2612

01:56:21,610 --> 01:56:15,290

he said bullets are a dime a dozen he's

2613

01:56:24,910 --> 01:56:21,620

in your cheek do you understand I just

2614

01:56:28,540 --> 01:56:24,920

didn't know what the fainting was and I

2615

01:56:31,680 --> 01:56:28,550

said you don't understand and I felt a

2616

01:56:34,390 --> 01:56:31,690

presence behind me like another body and

2617

01:56:35,740 --> 01:56:34,400

I knew there was more people in there

2618

01:56:40,360 --> 01:56:35,750

like two or three people because I was

2619

01:56:42,550 --> 01:56:40,370

walking by two gentlemen and you know he

2620

01:56:45,810 --> 01:56:42,560

told me again he said I'm gonna tell you

2621

01:56:49,210 --> 01:56:45,820

one more time what you saw was the light

2622

01:56:51,280 --> 01:56:49,220

and the light was shining reflecting off

2623

01:56:55,330 --> 01:56:51,290

the trees and that's gonna be your story

2624

01:56:57,580 --> 01:56:55,340

if that's what you saw that no I didn't

2625

01:57:00,580 --> 01:56:57,590

that wasn't what I thought and he raised

2626

01:57:04,330 --> 01:57:00,590

his voice and the light kind of moved

2627

01:57:06,550 --> 01:57:04,340

and it was I couldn't see I put my hand

2628

01:57:08,920 --> 01:57:06,560

over my hides like kind of shading the

2629

01:57:09,940 --> 01:57:08,930

Sun from above and I was trying to see

2630

01:57:11,870 --> 01:57:09,950

and how I could see was like a

2631

01:57:14,090 --> 01:57:11,880

silhouette he says

2632

01:57:15,830 --> 01:57:14,100

I told you once I'm gonna tell you for

2633

01:57:19,000 --> 01:57:15,840

the last time bullets are cheap they're

2634

01:57:24,070 --> 01:57:19,010

diamonds oh you get the picture

2635

01:57:26,600 --> 01:57:24,080

and at that point I just agreed with him

2636

01:57:28,820 --> 01:57:26,610

because I got the picture

2637

01:57:31,100 --> 01:57:28,830

anybody could get the picture I listened

2638

01:57:35,630 --> 01:57:31,110

the first time but I thought it was just

2639

01:57:37,010 --> 01:57:35,640

him being using the tactic and at that

2640

01:57:40,610 --> 01:57:37,020

point I ain't know what to believe

2641

01:57:42,740 --> 01:57:40,620

anymore as far as who was responsible or

2642

01:57:45,590 --> 01:57:42,750

who was gonna do what and then my

2643

01:57:47,990 --> 01:57:45,600

position and what I did as a sergeant

2644

01:57:50,450 --> 01:57:48,000

and then being congedo I see every now

2645

01:57:52,850 --> 01:57:50,460

and then or running a fireteam team

2646

01:57:54,590 --> 01:57:52,860

leader I said you know people aren't

2647

01:57:56,990 --> 01:57:54,600

gonna look at me the same way people are

2648

01:57:59,050 --> 01:57:57,000

not gonna believe anything I say I want

2649

01:58:02,420 --> 01:57:59,060

to look down there I'm not gonna be

2650

01:58:04,910 --> 01:58:02,430

respected anymore and I'm a sergeant and

2651
01:58:08,540 --> 01:58:04,920
I think they're for certain I can't

2652
01:58:10,370 --> 01:58:08,550
afford that you know at the time only

2653
01:58:13,400 --> 01:58:10,380
looking for a career in a United States

2654
01:58:18,830 --> 01:58:13,410
Air Force you know that did happen not

2655
01:58:20,950 --> 01:58:18,840
after Bulger place but I recall getting

2656
01:58:26,540 --> 01:58:20,960
back to they drove me back to the

2657
01:58:28,990 --> 01:58:26,550
barracks and I believe I can't remember

2658
01:58:32,000 --> 01:58:29,000
who was that night or the next morning

2659
01:58:34,010 --> 01:58:32,010
that's when I slipped a note on the

2660
01:58:37,490 --> 01:58:34,020
Larry's door and I told him that I

2661
01:58:39,890 --> 01:58:37,500
really needed to pocket as you've just

2662
01:58:41,470 --> 01:58:39,900
heard those two Testaments testimonies

2663
01:58:44,440 --> 01:58:41,480

are very very different

2664

01:58:47,570 --> 01:58:44,450

Adrienne was not debriefed with Warren

2665

01:58:49,250 --> 01:58:47,580

Warren later told me that he absorbed

2666

01:58:52,250 --> 01:58:49,260

Adrienne's account because he felt it

2667

01:58:54,020 --> 01:58:52,260

needed to be told also now you know

2668

01:58:56,750 --> 01:58:54,030

where the lighthouse comes into it

2669

01:59:00,110 --> 01:58:56,760

something else warrants Gafsa and blames

2670

01:59:05,360 --> 01:59:00,120

Ian Ridpath far in an interview with

2671

01:59:08,540 --> 01:59:05,370

Linda Moulton Howe in 1986 warrants

2672

01:59:09,980 --> 01:59:08,550

tells Linda that he'd absorbed

2673

01:59:12,290 --> 01:59:09,990

Adrienne's account because it needed to

2674

01:59:15,820 --> 01:59:12,300

be told and that if it turned out not to

2675

01:59:18,650 --> 01:59:15,830

be true is because Adrienne lied to him

2676

01:59:20,420 --> 01:59:18,660

Gary Heseltine states categorically

2677

01:59:22,790 --> 01:59:20,430

there is no evidence that were in his

2678

01:59:25,669 --> 01:59:22,800

light it's just a fatal attraction thing

2679

01:59:31,790 --> 01:59:25,679

on my account and besotted with

2680

01:59:40,700 --> 01:59:31,800

and also I'm mentally oh here he is on

2681

01:59:42,740 --> 01:59:40,710

CC ends livestream with Joe Lomas and so

2682

01:59:45,979 --> 01:59:42,750

in a sense they have budget witnessed

2683

01:59:48,560 --> 01:59:45,989

this in many cases in my opinion and

2684

01:59:51,800 --> 01:59:48,570

they are just out to destroy and he's

2685

01:59:54,680 --> 01:59:51,810

led by one certain woman who I think was

2686

01:59:57,800 --> 01:59:54,690

a sick of fun had a crush on him I said

2687

02:00:00,200 --> 01:59:57,810

this before even Larry's ex-wife would

2688

02:00:02,780 --> 02:00:00,210

go to conferences and see this person

2689

02:00:04,790 --> 02:00:02,790

before that person flipped and say is

2690

02:00:07,820 --> 02:00:04,800

that people in court said is that like

2691

02:00:10,520 --> 02:00:07,830

his wife thinking that this lady was now

2692

02:00:13,760 --> 02:00:10,530

the number watch all was his wife well

2693

02:00:15,410 --> 02:00:13,770

that's kind of sexual into where we're

2694

02:00:17,720 --> 02:00:15,420

going with this that there's something

2695

02:00:18,560 --> 02:00:17,730

that's happened and she will say all

2696

02:00:21,979 --> 02:00:18,570

these things

2697

02:00:24,500 --> 02:00:21,989

it's rubbish I didn't put two and two at

2698

02:00:26,390 --> 02:00:24,510

first together but it's clear now

2699

02:00:29,270 --> 02:00:26,400

through association when you look at the

2700

02:00:31,610 --> 02:00:29,280

screen doesn't it etc but it's quite

2701
02:00:34,910 --> 02:00:31,620
clear that the source was this number

2702
02:00:37,580 --> 02:00:34,920
one fan so while Larry Ward I'm sure I

2703
02:00:40,640 --> 02:00:37,590
did and then certainly flips and now on

2704
02:00:42,800 --> 02:00:40,650
he's number one x- society's guy and

2705
02:00:44,959 --> 02:00:42,810
he's kind of these kind of fatal

2706
02:00:48,740 --> 02:00:44,969
attractions though she's not normal

2707
02:00:51,530 --> 02:00:48,750
behavior and anybody with a reasonable

2708
02:00:55,970 --> 02:00:51,540
opinion could see the level of venom

2709
02:00:58,220 --> 02:00:55,980
that it's not normal that's the end of

2710
02:01:00,590 --> 02:00:58,230
this week's two hours come back next

2711
02:01:03,110 --> 02:01:00,600
week for more there'll be new

2712
02:01:05,720 --> 02:01:03,120
information new revelations with actual

2713
02:01:07,490 --> 02:01:05,730

evidence of lies and fraud Gary

2714

02:01:09,740 --> 02:01:07,500

Heseltine is currently creating a

2715

02:01:12,350 --> 02:01:09,750

documentary to prove that Warren isn't a

2716

02:01:15,290 --> 02:01:12,360

liar while telling everyone he meets

2717

02:01:18,800 --> 02:01:15,300

that I am mentally ill and obsessed with

2718

02:01:22,520 --> 02:01:18,810

Larry Warren and that's folks is a hate
