00:00:40,819 --> 00:00:37,640

paranormal mysteries on access Northwest

16

00:00:44,030 --> 00:00:40,829

today's guest is someone I met about six

17

00:00:47,240 --> 00:00:44,040

years ago and I lived in Leeds I was run

18

00:00:49,459 --> 00:00:47,250

in an abductee and experienced a kind of

19

00:00:51,799 --> 00:00:49,469

advice network I don't really know what

20

00:00:55,040 --> 00:00:51,809

yet Carly I suppose it was something

21

00:00:57,049 --> 00:00:55,050

like that and anyway somebody gave her

22

00:00:58,849 --> 00:00:57,059

my number to call and have a chat

23

00:01:04,310 --> 00:00:58,859

because she'd been having experiences

24

00:01:07,039 --> 00:01:04,320

and this lady she's had so many the

25

00:01:09,380 --> 00:01:07,049

beggars belief but it's not just

26

00:01:12,140 --> 00:01:09,390

abduction she's had lots and lots of hi

27

00:01:14,330 --> 00:01:12,150

strange moments which have been

28

00:01:18,380 --> 00:01:14,340

corroborated by other people in some

29

00:01:21,320 --> 00:01:18,390

cases and has involved other people as

30

00:01:24,850 --> 00:01:21,330

well people have witnessed it and people

31

00:01:28,100 --> 00:01:24,860

have had experiences with her and

32

00:01:34,069 --> 00:01:28,110

actually the phenomena around this lady

33

00:01:38,569 --> 00:01:34,079

is phenomenal anyway I took her to see a

34

00:01:42,590 --> 00:01:38,579

friend as well probably I don't know few

35

00:01:46,870 --> 00:01:42,600

years ago and she had an abduction

36

00:01:51,429 --> 00:01:46,880

experience then and just talking to her

37

00:01:54,830 --> 00:01:51,439

before I started the show she's had some

38

00:01:56,929 --> 00:01:54,840

experiences recently so I'm going to

39

00:02:00,170 --> 00:01:56,939

introduce you to a very good friend of

40

00:02:04,100 --> 00:02:00,180

mine and that's Paula green hello Paula

41

00:02:07,609 --> 00:02:04,110

hey how you darlin like so coming up to

42

00:02:10,880 --> 00:02:07,619

talk to me you are one of the wildest

43

00:02:13,030 --> 00:02:10,890

abductees I've ever met in my life one

44

00:02:17,709 --> 00:02:13,040

of the people that I believe with

45

00:02:21,240 --> 00:02:17,719

our one seconds questioning what one of

46

00:02:25,959 --> 00:02:21,250

the things that was so interesting to me

47

00:02:29,319 --> 00:02:25,969

when we first met when when you are

48

00:02:32,349 --> 00:02:29,329

recounting your events and explaining

49

00:02:34,270 --> 00:02:32,359

what happened you go into such minut

50

00:02:36,809 --> 00:02:34,280

detail and you are is that sitting

51
00:02:39,640 --> 00:02:36,819
sitting down but then you get up and

52
00:02:42,849 --> 00:02:39,650
then you start drawing out with your

53
00:02:45,910 --> 00:02:42,859
body where things were where you were

54
00:02:49,300 --> 00:02:45,920
eyes because I'm actually seeing it

55
00:02:53,979 --> 00:02:49,310
again reliving it again probably break

56
00:02:56,349 --> 00:02:53,989
down crying again you know very very

57
00:03:00,129 --> 00:02:56,359
vivid picture with every moment that you

58
00:03:02,890 --> 00:03:00,139
were explaining and I could see just by

59
00:03:05,289 --> 00:03:02,900
watching you that you were accessing

60
00:03:08,199 --> 00:03:05,299
these memories and it was important that

61
00:03:10,420 --> 00:03:08,209
even you bent you know it was like the

62
00:03:12,789 --> 00:03:10,430
position of a peg in one instance when

63
00:03:15,759 --> 00:03:12,799

yeah you saw one peeping through a gate

64

00:03:18,490 --> 00:03:15,769

etcetera I mean you know people say oh

65

00:03:20,819 --> 00:03:18,500

you can't make this stuff up but you can

66

00:03:24,539 --> 00:03:20,829

if you've listened and talked to enough

67

00:03:27,460 --> 00:03:24,549

experiences but when you watching people

68

00:03:29,469 --> 00:03:27,470

telling you stuff when they're really

69

00:03:33,430 --> 00:03:29,479

really living it they'd be able to

70

00:03:36,819 --> 00:03:33,440

bounce and and you completely acted out

71

00:03:40,619 --> 00:03:36,829

in my kitchen lots of things that you've

72

00:03:44,170 --> 00:03:40,629

gone through and I knew instantly that

73

00:03:48,610 --> 00:03:44,180

you were totally genuine and the fact

74

00:03:51,009 --> 00:03:48,620

was that when you told me about all

75

00:03:52,899 --> 00:03:51,019

these things that had happened and you

76

00:03:55,449 --> 00:03:52,909

were looking at me like waiting for

77

00:03:57,149 --> 00:03:55,459

something then I was like what are you

78

00:04:00,610 --> 00:03:57,159

ain't well what is it

79

00:04:04,599 --> 00:04:00,620

and I was so convinced that you actually

80

00:04:06,309 --> 00:04:04,609

knew what was going on with you did

81

00:04:08,050 --> 00:04:06,319

someone to talk to and you what you

82

00:04:09,189 --> 00:04:08,060

wanted was some confirmation and I

83

00:04:11,349 --> 00:04:09,199

couldn't believe it because you've been

84

00:04:13,960 --> 00:04:11,359

telling me about all these little guys

85

00:04:16,659 --> 00:04:13,970

with big black eyes yeah coming up

86

00:04:19,509 --> 00:04:16,669

through the floor you know all this kind

87

00:04:21,430 --> 00:04:19,519

of stuff and I actually thought that you

88

00:04:25,620 --> 00:04:21,440

and you and you were okay and you

89

00:04:27,070 --> 00:04:25,630

thought ya know a thing about anything

90

00:04:29,170 --> 00:04:27,080

you know

91

00:04:32,469 --> 00:04:29,180

like the first time I've spoken out

92

00:04:34,570 --> 00:04:32,479

about it and I will absolutely terrified

93

00:04:45,309 --> 00:04:34,580

that day when I met yeah you know like

94

00:04:50,320 --> 00:04:45,319

this woman's gonna think I'm psycho yeah

95

00:04:53,490 --> 00:04:50,330

I was at the time I was having some

96

00:04:57,580 --> 00:04:53,500

stuff going on at home and I'd never

97

00:05:01,540 --> 00:04:57,590

experienced the greys before until 2012

98

00:05:04,809 --> 00:05:01,550

when I think one like in my bedroom

99

00:05:07,809 --> 00:05:04,819

doorway and the whole event rolled on

100

00:05:11,290 --> 00:05:07,819

from there but also involved one of my

101
00:05:13,570 --> 00:05:11,300
children and you can a song into my

102
00:05:17,350 --> 00:05:13,580
orbit just as that was happening and

103
00:05:19,450 --> 00:05:17,360
yeah I knew about the greys and

104
00:05:22,959 --> 00:05:19,460
obviously I've read enough and had

105
00:05:26,140 --> 00:05:22,969
enough people speak about them but you

106
00:05:27,969 --> 00:05:26,150
were my first experience of somebody who

107
00:05:32,649 --> 00:05:27,979
was actually interacting with him on any

108
00:05:34,390 --> 00:05:32,659
really significant level yeah because I

109
00:05:38,230 --> 00:05:34,400
didn't actually know that many abductees

110
00:05:41,469 --> 00:05:38,240
in the flesh they were all online so it

111
00:05:46,600 --> 00:05:41,479
was like a really good time in and funny

112
00:05:48,129 --> 00:05:46,610
how things kind of are timed that you

113
00:05:50,550 --> 00:05:48,139

had all this stuff going on with the

114

00:05:55,330 --> 00:05:50,560

greys and then I just had this like

115

00:05:57,909 --> 00:05:55,340

bubble of a few months of activity but I

116

00:06:00,459 --> 00:05:57,919

was trying to digest that well when you

117

00:06:01,390 --> 00:06:00,469

came in some my orbit with all your

118

00:06:03,339 --> 00:06:01,400

tales of it

119

00:06:06,010 --> 00:06:03,349

so I actually helped me understood

120

00:06:09,159 --> 00:06:06,020

understand what was going on so I just

121

00:06:11,469 --> 00:06:09,169

think this kind of flow that goes with

122

00:06:14,619 --> 00:06:11,479

it that we can see yeah your friends for

123

00:06:19,980 --> 00:06:14,629

these all these years six years yeah

124

00:06:22,480 --> 00:06:19,990

that there is a pattern yes

125

00:06:23,980 --> 00:06:22,490

and we're all intertwined in the

126

00:06:25,450 --> 00:06:23,990

background and we don't even know it

127

00:06:28,360 --> 00:06:25,460

until we meet each other

128

00:06:30,760 --> 00:06:28,370

yep wait where some well I can't we

129

00:06:34,269 --> 00:06:30,770

would get colder water oh yeah

130

00:06:37,089 --> 00:06:34,279

when zoom in does that no guy would it

131

00:06:40,720 --> 00:06:37,099

go yeah guy my old car house from

132

00:06:42,790 --> 00:06:40,730

because if I can detect

133

00:06:45,400 --> 00:06:42,800

something happening at yar end and it's

134

00:06:48,730 --> 00:06:45,410

exactly what I'm detecting a now I'll

135

00:06:51,400 --> 00:06:48,740

type out such a thing on Facebook anyway

136

00:06:57,910 --> 00:06:51,410

oh my god I've just you know just said

137

00:07:00,570 --> 00:06:57,920

this yeah when we were talking I

138

00:07:03,520 --> 00:07:00,580

couldn't even tell who was who

139

00:07:04,810 --> 00:07:03,530

well I was just talking to John Hanson

140

00:07:09,550 --> 00:07:04,820

hi John

141

00:07:11,500 --> 00:07:09,560

the other day on the phone yeah and he

142

00:07:18,580 --> 00:07:11,510

said I couldn't tell the difference

143

00:07:20,650 --> 00:07:18,590

between me and you even sometimes I'll

144

00:07:22,750 --> 00:07:20,660

be laughing at Cibola telling devil

145

00:07:50,440 --> 00:07:22,760

coming from the kitchen so did just like

146

00:07:53,560 --> 00:07:50,450

Paul oh yeah okay so when we first met

147

00:07:58,540 --> 00:07:53,570

it was the crazy time for both of us

148

00:08:00,700 --> 00:07:58,550

wasn't it well I think I will at the end

149

00:08:05,830 --> 00:08:00,710

of each other with it there's the way

150

00:08:09,670 --> 00:08:05,840

and I just couldn't deal with what was

151
00:08:12,460 --> 00:08:09,680
happening like it's a to life situation

152
00:08:14,620 --> 00:08:12,470
one that you've got to have a secret and

153
00:08:20,980 --> 00:08:14,630
the other is not a lot you know live as

154
00:08:23,290 --> 00:08:20,990
normal before and then the next thing

155
00:08:26,020 --> 00:08:23,300
you know well in your case you'd be at

156
00:08:28,540 --> 00:08:26,030
work with all those people that do you

157
00:08:32,050 --> 00:08:28,550
read in and I'm standing outside a

158
00:08:33,400 --> 00:08:32,060
school gate just waiting for them to

159
00:08:35,200 --> 00:08:33,410
open the gates look I'm going to get the

160
00:08:37,300 --> 00:08:35,210
kids and as I'm standing there looking

161
00:08:40,839 --> 00:08:37,310
at the gate I'm getting flash flash

162
00:08:42,850 --> 00:08:40,849
flash and then you go oh hang on and

163
00:08:44,890 --> 00:08:42,860

then I'm picking the kids up and you

164

00:08:46,270 --> 00:08:44,900

kind of like talking to people oh yeah

165

00:08:48,310 --> 00:08:46,280

oh is that right yeah thanks for the

166

00:08:51,040 --> 00:08:48,320

letter blah blah blah and then you mind

167

00:08:53,730 --> 00:08:51,050

it's going boom boom boom and all these

168

00:08:55,650 --> 00:08:53,740

memories and you just like

169

00:08:57,900 --> 00:08:55,660

and yeah and you've got everything going

170

00:08:59,310 --> 00:08:57,910

on under the surface and then are you

171

00:09:01,110 --> 00:08:59,320

just walking down the road I'm going in

172

00:09:04,290 --> 00:09:01,120

the coop choose even the tea the kids

173

00:09:06,330 --> 00:09:04,300

are all running around below and and

174

00:09:08,340 --> 00:09:06,340

you've got to keep it together and you

175

00:09:12,780 --> 00:09:08,350

mean the thought you want to do is just

176

00:09:14,880 --> 00:09:12,790

fall on the floor and cry our scam yeah

177

00:09:19,650 --> 00:09:14,890

scream at the sky Mar like that's what I

178

00:09:23,640 --> 00:09:19,660

ended up doing but it's a double life

179

00:09:32,610 --> 00:09:23,650

but your life I mean I don't even know

180

00:09:34,740 --> 00:09:32,620

how you're not like really but I I deal

181

00:09:39,750 --> 00:09:34,750

with it and I suppose people deal with

182

00:09:41,970 --> 00:09:39,760

it in different ways but mine I am got

183

00:09:45,720 --> 00:09:41,980

to the cracking pain which the point was

184

00:09:47,760 --> 00:09:45,730

when I met you and and then I discovered

185

00:09:50,730 --> 00:09:47,770

that well I wasn't the only one which

186

00:09:55,260 --> 00:09:50,740

made it better for me so when I'm with

187

00:09:58,230 --> 00:09:55,270

sin sale your accounts I think they're

188

00:10:01,110 --> 00:09:58,240

everything so then it don't make mine

189

00:10:04,980 --> 00:10:01,120

sound as bad even though you'll feel the

190

00:10:09,000 --> 00:10:04,990

same when I tell mine but the way I deal

191

00:10:12,480 --> 00:10:09,010

with it now he's like well I'm still a

192

00:10:16,550 --> 00:10:12,490

year I'm still alive and I've been hurt

193

00:10:19,140 --> 00:10:16,560

by more humans than what I have yeah

194

00:10:23,150 --> 00:10:19,150

it's or whatever you want to call them

195

00:10:26,550 --> 00:10:23,160

you know yeah that's absolutely true

196

00:10:31,110 --> 00:10:26,560

quite yeah quite profound actually that

197

00:10:33,330 --> 00:10:31,120

Paula mm-hmm what I've always said that

198

00:10:35,130 --> 00:10:33,340

you know when I was like running this

199

00:10:36,810 --> 00:10:35,140

support network which I was doing

200

00:10:37,920 --> 00:10:36,820

publicly at first but then you know

201
00:10:39,150 --> 00:10:37,930
people don't like it when you're not

202
00:10:42,060 --> 00:10:39,160
telling them what you're doing and then

203
00:10:44,850 --> 00:10:42,070
it was all private but obviously I have

204
00:10:47,430 --> 00:10:44,860
to stop when I had poppy and you know I

205
00:10:52,380 --> 00:10:47,440
couldn't do everything and then moved to

206
00:10:55,230 --> 00:10:52,390
Liverpool but you know the thing that I

207
00:10:59,280 --> 00:10:55,240
had to deal with first and foremost

208
00:11:01,410 --> 00:10:59,290
where's the embarrassment in shame given

209
00:11:03,810 --> 00:11:01,420
to them by other people

210
00:11:07,140 --> 00:11:03,820
you know and there and the feeling

211
00:11:10,020 --> 00:11:07,150
stupid and in

212
00:11:13,380 --> 00:11:10,030
embarrassed and you know like you know

213
00:11:14,490 --> 00:11:13,390

starting every sentence with you're not

214

00:11:16,200 --> 00:11:14,500

gonna believe if they saw this is gonna

215

00:11:19,200 --> 00:11:16,210

sound really weird you're gonna think

216

00:11:19,530 --> 00:11:19,210

about I still do that I still say it at

217

00:11:21,690 --> 00:11:19,540

people

218

00:11:25,290 --> 00:11:21,700

well you won't believe it I know don't

219

00:11:31,230 --> 00:11:25,300

really care now like you won't believe

220

00:11:38,910 --> 00:11:31,240

it really really well you won't believe

221

00:11:43,080 --> 00:11:38,920

it that was the first thing you have to

222

00:11:45,660 --> 00:11:43,090

get takes ages as well because you have

223

00:11:49,200 --> 00:11:45,670

to say oh don't be embarrassed anymore

224

00:11:54,240 --> 00:11:49,210

look I've heard it all and is gonna

225

00:11:57,360 --> 00:11:54,250

sound weird not to me you know given

226

00:12:01,290 --> 00:11:57,370

this shame and on a safari there's

227

00:12:04,890 --> 00:12:01,300

people I will literally pay you to

228

00:12:07,230 --> 00:12:04,900

abduct me I would do you know better

229

00:12:11,700 --> 00:12:07,240

than you would I would talk to them I

230

00:12:14,730 --> 00:12:11,710

would the best one is when you hear

231

00:12:17,100 --> 00:12:14,740

people saying oh in the you know say in

232

00:12:19,320 --> 00:12:17,110

the name of Jesus and I'm like are you

233

00:12:20,340 --> 00:12:19,330

[h__h] kidding me excuse my language

234

00:12:23,160 --> 00:12:20,350

cut that out

235

00:12:26,610 --> 00:12:23,170

are you in there you know it's like

236

00:12:30,210 --> 00:12:26,620

please door so you know it's like one of

237

00:12:33,330 --> 00:12:30,220

my friends a lot giving him and I've

238

00:12:37,050 --> 00:12:33,340

told you about abafar and you know she

239

00:12:40,890 --> 00:12:37,060

she's not an experienced or anything but

240

00:12:44,400 --> 00:12:40,900

she does attend a church and I know the

241

00:12:46,740 --> 00:12:44,410

answer I know the answer she says you

242

00:12:49,500 --> 00:12:46,750

know and I'm like watch I knew what were

243

00:12:54,210 --> 00:12:49,510

coming I knew what she were gonna say

244

00:12:55,920 --> 00:12:54,220

you know and it's you just got say Jesus

245

00:13:02,630 --> 00:12:55,930

Christ and they'll go away and I'm like

246

00:13:05,580 --> 00:13:02,640

oh no no please don't go there you know

247

00:13:11,040 --> 00:13:05,590

because I know if we had the thought of

248

00:13:17,130 --> 00:13:11,050

that anything that can stop it apart

249

00:13:18,510 --> 00:13:17,140

from maybe extreme anger but then I

250

00:13:20,100 --> 00:13:18,520

don't even know that I mean I got

251

00:13:24,180 --> 00:13:20,110

extremely angry

252

00:13:27,750 --> 00:13:24,190

made all kinds of threats and the

253

00:13:28,949 --> 00:13:27,760

problem with what happened is I called

254

00:13:33,210 --> 00:13:28,959

them

255

00:13:36,360 --> 00:13:33,220

[h__\h] cowards hiding sneaking

256

00:13:39,290 --> 00:13:36,370

about why don't you show yourselves you

257

00:13:41,970 --> 00:13:39,300

know all high-and-mighty

258

00:13:44,069 --> 00:13:41,980

sneaking them out and messing with my

259

00:13:45,110 --> 00:13:44,079

family so they did the shopping

260

00:13:57,329 --> 00:13:45,120

themselves

261

00:14:00,960 --> 00:13:57,339

yeah I asked for it and then to me it

262

00:14:02,910 --> 00:14:00,970

was the first one that started was with

263

00:14:19,519 --> 00:14:02,920

the bird I think that was like a

264

00:14:26,910 --> 00:14:19,529

disguise thing was about the bird hmm

265

00:14:31,019 --> 00:14:26,920

when you were little my mom knew I used

266

00:14:34,380 --> 00:14:31,029

to got a nursery in the mornings and in

267

00:14:37,230 --> 00:14:34,390

our house it we had a it was a thrilled

268

00:14:38,910 --> 00:14:37,240

terraced house and we had a meeting at

269

00:14:42,480 --> 00:14:38,920

the back if you if you don't know what a

270

00:14:46,050 --> 00:14:42,490

meeting if anyone eats we had outside

271

00:14:48,930 --> 00:14:46,060

toilets and it was the stone slab on the

272

00:14:52,230 --> 00:14:48,940

top of the toilet where the toilet area

273

00:14:56,610 --> 00:14:52,240

were but that title it had been taken

274

00:15:03,480 --> 00:14:56,620

out when I was young so it didn't exist

275

00:15:08,610 --> 00:15:03,490

it was just like it just an empty stone

276

00:15:10,949 --> 00:15:08,620

out building yeah so yeah I used to sit

277

00:15:14,699 --> 00:15:10,959

on their hot summer days and I'd be sat

278

00:15:17,819 --> 00:15:14,709

there and my mom had always liked being

279

00:15:19,949 --> 00:15:17,829

the kitchen washing up doing the washing

280

00:15:22,019 --> 00:15:19,959

it flicking in and out between room and

281

00:15:27,600 --> 00:15:22,029

kitchen you know just keeping an eye on

282

00:15:33,230 --> 00:15:27,610

me rarely and and I remember seeing this

283

00:15:42,710 --> 00:15:39,129

it will like it sit on the roof opposite

284

00:15:46,009 --> 00:15:42,720

which was a raw back row of the row of

285

00:15:48,769 --> 00:15:46,019

shops so the shops at the front and that

286

00:15:51,230 --> 00:15:48,779

was the back doorways to him and there'd

287

00:15:54,609 --> 00:15:51,240

be sat there at this bird to be sat

288

00:15:58,040 --> 00:15:54,619

there on the roof and every time my mom

289

00:15:59,749 --> 00:15:58,050

disappeared in that front room you know

290

00:16:01,850 --> 00:15:59,759

such consumer from the kitchen and

291

00:16:06,350 --> 00:16:01,860

whatever it come down and sit next to me

292

00:16:08,720 --> 00:16:06,360

and to me that were now my where you

293

00:16:11,689 --> 00:16:08,730

know everybody goes a bird that seemed

294

00:16:14,410 --> 00:16:11,699

you know and well I didn't think that

295

00:16:20,799 --> 00:16:14,420

because a four-year-old he's not much

296

00:16:23,480 --> 00:16:20,809

process going on is there a limited to

297

00:16:26,809 --> 00:16:23,490

processing stuff you know you've this

298

00:16:31,429 --> 00:16:26,819

you know in your options of thinking

299

00:16:35,929 --> 00:16:31,439

about stuff a very vague so it's come

300

00:16:39,139 --> 00:16:35,939

down sit next to me and in my well what

301
00:16:43,160 --> 00:16:39,149
we call telepathic and it would sit

302
00:16:46,780 --> 00:16:43,170
there and ask me do I like my family do

303
00:17:02,410 --> 00:16:46,790
I like going to school it was just

304
00:17:11,139 --> 00:17:05,299
to meet one normal bit to anyone else it

305
00:17:14,750 --> 00:17:11,149
well but it's it went on like every day

306
00:17:17,769 --> 00:17:14,760
for six months suddenly six week or

307
00:17:20,689 --> 00:17:17,779
whatever you know that as summertime

308
00:17:23,179 --> 00:17:20,699
yeah and it would always be the same

309
00:17:25,279 --> 00:17:23,189
questions but in a different format and

310
00:17:30,620 --> 00:17:25,289
I will dance it would talk to me

311
00:17:36,700 --> 00:17:30,630
telepathically I would answer her

312
00:17:39,919 --> 00:17:36,710
telepathically and per normal cuts and

313
00:17:42,740 --> 00:17:39,929

to me that were normal even when I've

314

00:17:47,180 --> 00:17:42,750

spoke telepathically it was normal for

315

00:17:49,190 --> 00:17:47,190

me it over and but I missed

316

00:17:52,880 --> 00:17:49,200

well my moments seen this you know a

317

00:17:54,380 --> 00:17:52,890

moment well at that age I want sure with

318

00:17:57,110 --> 00:17:54,390

a minimum would say that you don't think

319

00:18:02,210 --> 00:17:57,120

like that but I got older I thought I've

320

00:18:05,510 --> 00:18:02,220

got to find out about this bird and used

321

00:18:08,690 --> 00:18:05,520

to call it Inca yeah right this is where

322

00:18:12,920 --> 00:18:08,700

know I was with you and your mom and

323

00:18:15,890 --> 00:18:12,930

your mom said it's time I discussed it

324

00:18:20,690 --> 00:18:15,900

because I said to you didn't I've got to

325

00:18:22,220 --> 00:18:20,700

ask my mom about this bird remember do

326

00:18:24,470 --> 00:18:22,230

you remember that bird that you used to

327

00:18:25,340 --> 00:18:24,480

talk to she actually volunteer this

328

00:18:28,760 --> 00:18:25,350

information

329

00:18:30,950 --> 00:18:28,770

yeah you said yeah did so you started

330

00:18:34,580 --> 00:18:30,960

talking to her about you told her about

331

00:18:37,910 --> 00:18:34,590

it I didn't talk to Inca that's right

332

00:18:40,370 --> 00:18:37,920

she said you called Inca yeah I'm there

333

00:18:42,800 --> 00:18:40,380

and I witnessed this and then when I got

334

00:18:45,260 --> 00:18:42,810

home I get onto Google and I'm looking

335

00:18:47,360 --> 00:18:45,270

up inker thinking what was this and it's

336

00:18:51,530 --> 00:18:47,370

actually the name of a type of black

337

00:18:53,780 --> 00:18:51,540

bird that yeah yeah a moment that's

338

00:18:54,100 --> 00:18:53,790

annoying fisting that type of thing at

339

00:18:57,200 --> 00:18:54,110

all

340

00:18:59,510 --> 00:18:57,210

so the year witnesses there it's clear

341

00:19:02,030 --> 00:18:59,520

is there and she loosed her and then his

342

00:19:05,690 --> 00:19:02,040

name inker and I totally forgot about

343

00:19:09,200 --> 00:19:05,700

that it was my mom that said you called

344

00:19:15,980 --> 00:19:09,210

the Inca and I'm like what astonished

345

00:19:18,560 --> 00:19:15,990

you know you know that you know I'm like

346

00:19:21,440 --> 00:19:18,570

whoa because you said that you were

347

00:19:23,450 --> 00:19:21,450

going to ask her and you didn't even ask

348

00:19:25,880 --> 00:19:23,460

her she just started talking about it

349

00:19:28,400 --> 00:19:25,890

that was the weird thing but yeah I said

350

00:19:35,750 --> 00:19:28,410

that and then we found out that Inca is

351

00:19:38,890 --> 00:19:35,760

actually type of that bird yeah that

352

00:19:45,250 --> 00:19:38,900

reminds me of this weekend just gone

353

00:19:48,680 --> 00:19:45,260

yeah because I was giving a talk

354

00:19:50,990 --> 00:19:48,690

probably in Blackpool and I was talking

355

00:19:54,710 --> 00:19:51,000

about you for the last 10 minutes yeah

356

00:19:58,340 --> 00:19:54,720

yeah granddaughter mention something

357

00:20:00,490 --> 00:19:58,350

about aliens the time I was talking

358

00:20:02,320 --> 00:20:00,500

about you and we could yeah

359

00:20:04,030 --> 00:20:02,330

prove it yes my talk was at that time

360

00:20:08,410 --> 00:20:04,040

and when you actually posted that on

361

00:20:10,060 --> 00:20:08,420

Facebook yeah that was just bizarre but

362

00:20:12,190 --> 00:20:10,070

I didn't know you was talking at the

363

00:20:14,440 --> 00:20:12,200

time obviously you know I met Oliver

364

00:20:16,840 --> 00:20:14,450

here in Bradford women grando

365

00:20:17,620 --> 00:20:16,850

she's playing Apple Inc on minding her

366

00:20:19,930 --> 00:20:17,630

own business

367

00:20:27,760 --> 00:20:19,940

you know I know for presenter with these

368

00:20:34,930 --> 00:20:27,770

sort of paranoid puru puru normal that's

369

00:20:36,280 --> 00:20:34,940

what I wrote on Facebook but you know

370

00:20:40,600 --> 00:20:36,290

she sucked that playing with the ties

371

00:20:41,980 --> 00:20:40,610

and I've no influence like that I don't

372

00:20:56,470 --> 00:20:41,990

present it with that sort of thing

373

00:20:59,110 --> 00:20:56,480

whatsoever it's all about tangled in the

374

00:21:00,910 --> 00:20:59,120

Laker paces anyway so she's playing with

375

00:21:04,330 --> 00:21:00,920

this actually she's you know playing

376

00:21:07,810 --> 00:21:04,340

with a cat and stuff like that you know

377

00:21:11,530 --> 00:21:07,820

from tangled and she just looks up at me

378

00:21:13,030 --> 00:21:11,540

she says no ma oh yeah yeah I can't

379

00:21:14,920 --> 00:21:13,040

remember exact wording now but I'd

380

00:21:15,730 --> 00:21:14,930

written it down on Facebook exactly how

381

00:21:17,680 --> 00:21:15,740

she said it

382

00:21:20,080 --> 00:21:17,690

and I kind of looked away yeah I thought

383

00:21:22,750 --> 00:21:20,090

she's gonna watch for some sweets or

384

00:21:25,450 --> 00:21:22,760

something you know name get me drink get

385

00:21:28,690 --> 00:21:25,460

me this you know can have some anyway so

386

00:21:33,100 --> 00:21:28,700

we're and I looked out yes Lola like

387

00:21:38,860 --> 00:21:33,110

that and she says big do you smoke about

388

00:21:49,500 --> 00:21:38,870

to Gilman says vehicle aliens that say

389

00:21:53,080 --> 00:21:49,510

yeah and I did that mean space humans

390

00:21:56,280 --> 00:21:53,090

yeah and then she just care I didn't I

391

00:22:01,690 --> 00:21:56,290

didn't answer her because I were like oh

392

00:22:09,040 --> 00:22:01,700

boy it would like I want surprised that

393

00:22:11,830 --> 00:22:09,050

she'd said to either you know I won't

394

00:22:14,290 --> 00:22:11,840

surprise that she'd said it but why say

395

00:22:16,600 --> 00:22:14,300

she's playing with rapunzel ties in

396

00:22:20,049 --> 00:22:16,610

and there were no influence there for it

397

00:22:22,210 --> 00:22:20,059

to think anything right and I just kept

398

00:22:23,980 --> 00:22:22,220

quiet I didn't say I kind of looked and

399

00:22:24,580 --> 00:22:23,990

she just turned away it carried on

400

00:22:27,370 --> 00:22:24,590

playing

401
00:22:32,890 --> 00:22:27,380
she wasn't even bothered by an answer

402
00:22:37,299 --> 00:22:32,900
you know at the time I was on stage and

403
00:22:40,750 --> 00:22:37,309
for the last 10 minutes or so I was

404
00:22:42,940 --> 00:22:40,760
talking about you yes what we've been

405
00:22:44,650 --> 00:22:42,950
through who and you know what I'd been

406
00:22:47,350 --> 00:22:44,660
through and then that you gone and it

407
00:22:52,060 --> 00:22:47,360
had happened to you as well yeah that

408
00:22:54,310 --> 00:22:52,070
when when I was up there that's when you

409
00:22:56,440 --> 00:22:54,320
put that stats on Facebook I believe it

410
00:22:58,000 --> 00:22:56,450
and I've been talking about this kind of

411
00:23:02,530 --> 00:22:58,010
thing you know

412
00:23:04,590 --> 00:23:02,540
in my talk and there was evidence right

413
00:23:08,049 --> 00:23:04,600

there right there

414

00:23:09,610 --> 00:23:08,059

what was really mad as well as I've been

415

00:23:12,460 --> 00:23:09,620

talking to this other lady who's that

416

00:23:13,750 --> 00:23:12,470

experiences and she kind of lives in the

417

00:23:16,930 --> 00:23:13,760

area but she didn't know that the

418

00:23:18,549 --> 00:23:16,940

conference was on and the day before the

419

00:23:20,680 --> 00:23:18,559

conference she'd been quite depressed

420

00:23:22,810 --> 00:23:20,690

and down and like I need a sign you need

421

00:23:26,799 --> 00:23:22,820

to give me a sign I'm losing faith in

422

00:23:28,930 --> 00:23:26,809

life in general you know and so the next

423

00:23:32,250 --> 00:23:28,940

day she's kind of gone out and she just

424

00:23:35,110 --> 00:23:32,260

popped into the dissenter where I was

425

00:23:37,090 --> 00:23:35,120

she used the loo and as she's washing

426
00:23:39,730 --> 00:23:37,100
their hands I come out the toilet and I

427
00:23:41,049 --> 00:23:39,740
just like oh well oh and I thought she

428
00:23:42,549 --> 00:23:41,059
was there for the conference and she

429
00:23:45,610 --> 00:23:42,559
wants you just not nipped in to use a

430
00:23:46,560 --> 00:23:45,620
toilet oh I've been waiting for a sign I

431
00:24:03,210 --> 00:23:46,570
went tada

432
00:24:03,220 --> 00:24:07,300
[Laughter]

433
00:24:07,310 --> 00:24:12,120
[Music]

434
00:24:23,409 --> 00:24:19,960
elephant muted have to be something

435
00:24:24,740 --> 00:24:23,419
absolutely ridiculous like rhinoceros

436
00:24:35,460 --> 00:24:24,750
mutilation

437
00:24:49,470 --> 00:24:43,370
we don't stop really doing right no so

438
00:24:55,350 --> 00:24:49,480

where did we go from that one oh I'm

439

00:24:59,390 --> 00:24:55,360

just like I thought you got in the

440

00:25:03,290 --> 00:24:59,400

bathroom I thought oh no that's a toilet

441

00:25:08,060 --> 00:25:03,300

well you know I'm like women cats crazy

442

00:25:25,500 --> 00:25:18,570

I couldn't afford 9 4 enter 5 enter far

443

00:25:34,620 --> 00:25:25,510

and it's like come on girl right let's

444

00:25:50,250 --> 00:25:34,630

talk about when we went to an Andrew's

445

00:25:55,200 --> 00:25:50,260

house because I actually right when I

446

00:25:59,040 --> 00:25:55,210

went to Ann's in 2007 2006 I've seen

447

00:26:00,930 --> 00:25:59,050

Jason speak and I saw these like shadowy

448

00:26:02,520 --> 00:26:00,940

figures I thought it was seen in our era

449

00:26:03,840 --> 00:26:02,530

B's but then I realized that this thing

450

00:26:06,150 --> 00:26:03,850

was standing behind him and he won't

451
00:26:09,960 --> 00:26:06,160
around him anymore ha the following year

452
00:26:15,120 --> 00:26:09,970
I saw the in the flesh a large reptilian

453
00:26:19,410 --> 00:26:15,130
little girl thing monster grinning with

454
00:26:21,360 --> 00:26:19,420
her I don't even know what that was when

455
00:26:24,240 --> 00:26:21,370
I spoke to Mary Rodwell she said that

456
00:26:25,830 --> 00:26:24,250
Jason had seen this girl and when she

457
00:26:29,960 --> 00:26:25,840
smiled she had like these ferocious

458
00:26:35,010 --> 00:26:29,970
teeth and I said I've seen a golden eyes

459
00:26:37,350 --> 00:26:35,020
crazy stuff and when I was there there

460
00:26:38,870 --> 00:26:37,360
were a few people there Paola Harris was

461
00:26:42,290 --> 00:26:38,880
talking

462
00:26:45,290 --> 00:26:42,300
Mike Oran was there with his lady Fran

463
00:26:47,630 --> 00:26:45,300

and a couple called James and Lynn but

464

00:26:57,920 --> 00:26:47,640

they didn't stay there they left there

465

00:27:01,060 --> 00:26:57,930

was Jim some Linda wants that so I went

466

00:27:06,020 --> 00:27:01,070

to bed and then I had an abduction with

467

00:27:07,030 --> 00:27:06,030

which was awful like in a dentist's

468

00:27:10,310 --> 00:27:07,040

chair

469

00:27:13,040 --> 00:27:10,320

hooked up to some stuff you know some

470

00:27:15,380 --> 00:27:13,050

machinery graphs being employed all

471

00:27:16,850 --> 00:27:15,390

kinds of weird horrible really really

472

00:27:19,790 --> 00:27:16,860

horrific are really really frightening

473

00:27:22,760 --> 00:27:19,800

and I was drugged because my arm looks

474

00:27:24,980 --> 00:27:22,770

about 20 feet long and I was trying to

475

00:27:28,160 --> 00:27:24,990

sort of stand up and shout for help at

476

00:27:30,140 --> 00:27:28,170

the same time but I can do both side so

477

00:27:33,230 --> 00:27:30,150

just thought concentrate on shouting so

478

00:27:35,120 --> 00:27:33,240

I shouted mm everything went off again

479

00:27:37,850 --> 00:27:35,130

switched off again you know that when he

480

00:27:42,160 --> 00:27:37,860

fallen when you've gone when you when

481

00:27:47,660 --> 00:27:42,170

they've switched you off or whatever

482

00:27:52,280 --> 00:27:47,670

yeah well this was drugs I think then

483

00:27:54,230 --> 00:27:52,290

the next day I woke up I was a new it

484

00:27:56,720 --> 00:27:54,240

had happened there was no like memory

485

00:27:58,640 --> 00:27:56,730

block or anything hmm

486

00:27:59,780 --> 00:27:58,650

at least Taylor was there as well that

487

00:28:01,490 --> 00:27:59,790

was right and he came out of the

488

00:28:03,260 --> 00:28:01,500

bathroom and I did somebody got at the

489

00:28:05,060 --> 00:28:03,270

toilet and I thought I can't stay in

490

00:28:08,570 --> 00:28:05,070

this room by myself with all this going

491

00:28:11,690 --> 00:28:08,580

on in my head - you know like panic a

492

00:28:14,810 --> 00:28:11,700

bit and so I hit the bathroom door opens

493

00:28:16,730 --> 00:28:14,820

I just hope the dog like because the

494

00:28:19,250 --> 00:28:16,740

door was shut and that don't even shut

495

00:28:20,930 --> 00:28:19,260

properly shut and I had bright red hair

496

00:28:23,930 --> 00:28:20,940

at the time as well and I think I

497

00:28:37,550 --> 00:28:23,940

probably looked like some sort of insane

498

00:28:40,760 --> 00:28:37,560

Sasquatch in Bungie talking talking

499

00:28:42,290 --> 00:28:40,770

talking and he was talking about these

500

00:28:45,160 --> 00:28:42,300

black dogs and I remembered a little

501
00:28:47,380 --> 00:28:45,170
black dog so Jim and

502
00:28:50,020 --> 00:28:47,390
and he said it was chewing on his

503
00:28:53,890 --> 00:28:50,030
humping it was a big black dog and then

504
00:28:55,570 --> 00:28:53,900
so like didn't have anything to do with

505
00:28:57,250 --> 00:28:55,580
anybody or anything after that I was

506
00:28:59,950 --> 00:28:57,260
totally demented just running around the

507
00:29:01,900 --> 00:28:59,960
internet chant like express myself

508
00:29:04,120 --> 00:29:01,910
trying to find a way to talk about this

509
00:29:06,280 --> 00:29:04,130
stuff because yeah you know I was always

510
00:29:08,020 --> 00:29:06,290
angry oh my god but you don't understand

511
00:29:09,520 --> 00:29:08,030
and you're a liar why am I talking to

512
00:29:15,160 --> 00:29:09,530
you you're a liar and I say it's other

513
00:29:16,300 --> 00:29:15,170

faces and they don't like it like you

514

00:29:19,270 --> 00:29:16,310

don't even know what I'm talking about

515

00:29:21,850 --> 00:29:19,280

and you should and all these people that

516

00:29:23,050 --> 00:29:21,860

of doing all these stuff really doing

517

00:29:25,720 --> 00:29:23,060

nothing because there's nothing there

518

00:29:28,540 --> 00:29:25,730

there's nothing to accessors nothing you

519

00:29:30,760 --> 00:29:28,550

know tangible I cut you know I've had an

520

00:29:32,380 --> 00:29:30,770

experience oh well we've got this person

521

00:29:35,350 --> 00:29:32,390

will do a blood test they'll take hair

522

00:29:38,140 --> 00:29:35,360

samples clothes fibers blow do a

523

00:29:40,660 --> 00:29:38,150

forensic thing because whatever you are

524

00:29:42,550 --> 00:29:40,670

touched will leave a trace well even if

525

00:29:44,530 --> 00:29:42,560

it's some sort of chemical that's been

526

00:29:46,210 --> 00:29:44,540

spread on his to remove the trace

527

00:29:48,340 --> 00:29:46,220

there's the chemical that we wouldn't

528

00:29:51,400 --> 00:29:48,350

yeah contacts with there be something in

529

00:29:53,620 --> 00:29:51,410

our blood to be something something the

530

00:29:56,020 --> 00:29:53,630

trevor was me is the only person I know

531

00:29:58,390 --> 00:29:56,030

that is come up with anything sensible

532

00:30:00,730 --> 00:29:58,400

like that you know a suggestion that

533

00:30:04,600 --> 00:30:00,740

just nobody ever paid attention to it

534

00:30:07,180 --> 00:30:04,610

you know yeah so like people say well

535

00:30:09,070 --> 00:30:07,190

I'm using the scientific method what's

536

00:30:10,930 --> 00:30:09,080

that then

537

00:30:12,550 --> 00:30:10,940

well I'm just going to be as near to

538

00:30:16,630 --> 00:30:12,560

science as I can so there isn't an

539

00:30:19,000 --> 00:30:16,640

actual science method then you you say

540

00:30:20,800 --> 00:30:19,010

in it so that you you know you want

541

00:30:22,900 --> 00:30:20,810

people to take you seriously and stun

542

00:30:25,420 --> 00:30:22,910

that but then when people say what's the

543

00:30:31,870 --> 00:30:25,430

scientific method you have to have one

544

00:30:35,170 --> 00:30:31,880

no so so none of that ever happens then

545

00:30:37,030 --> 00:30:35,180

I'm at home right after this is like

546

00:30:39,130 --> 00:30:37,040

seven years later or whatever I'm at

547

00:30:41,320 --> 00:30:39,140

home and I've got Jason in my head

548

00:30:44,650 --> 00:30:41,330

really badly and this is the son an

549

00:30:48,520 --> 00:30:44,660

abductee of he was house where we were

550

00:30:52,960 --> 00:30:48,530

staying at yeah and I was bothering me

551
00:30:55,030 --> 00:30:52,970
bothering me bothering me was this the

552
00:30:58,640 --> 00:30:55,040
time that your room million said that

553
00:31:00,890 --> 00:30:58,650
we're going down to our nuts yeah yeah

554
00:31:02,840 --> 00:31:00,900
I got in touch through Jason's wife and

555
00:31:05,120 --> 00:31:02,850
I said I've really really got to see him

556
00:31:07,490 --> 00:31:05,130
I'm not even gonna take no for an answer

557
00:31:09,520 --> 00:31:07,500
but I will wait a little while I know

558
00:31:12,550 --> 00:31:09,530
he's not well I know something's wrong

559
00:31:16,550 --> 00:31:12,560
because I can't get him out on the edge

560
00:31:18,020 --> 00:31:16,560
and and then it went on and on I didn't

561
00:31:19,820 --> 00:31:18,030
hear anything back and I thought well I

562
00:31:21,890 --> 00:31:19,830
know that you don't like to be involved

563
00:31:24,710 --> 00:31:21,900

in this anymore because he's up death

564

00:31:27,230 --> 00:31:24,720

threats as well and you know like he

565

00:31:30,290 --> 00:31:27,240

said sputtered like because it happens

566

00:31:32,090 --> 00:31:30,300

to us it leaves its mark he might and to

567

00:31:34,280 --> 00:31:32,100

be sort of up here with it but you never

568

00:31:38,180 --> 00:31:34,290

are okay with it never okay you just

569

00:31:41,990 --> 00:31:38,190

learn to cope with right and then I get

570

00:31:43,790 --> 00:31:42,000

this help the boy what why's that come

571

00:31:45,800 --> 00:31:43,800

from was my brain doing this you know I

572

00:31:49,280 --> 00:31:45,810

mean then he needs to spend time with

573

00:31:51,350 --> 00:31:49,290

humans and I thinking I am a crazy

574

00:31:53,810 --> 00:31:51,360

person and then I'm right after girl

575

00:31:55,400 --> 00:31:53,820

fall back on no I'm not crazy person

576
00:31:57,440 --> 00:31:55,410
because I've been to all the doctors and

577
00:32:01,670 --> 00:31:57,450
they I can't convince anyone that I'm a

578
00:32:04,190 --> 00:32:01,680
crazy person so I go to the sky right

579
00:32:06,320 --> 00:32:04,200
well I can't do anything you better make

580
00:32:08,060 --> 00:32:06,330
something happen so that this all

581
00:32:10,340 --> 00:32:08,070
happens and then whatever needs to

582
00:32:14,180 --> 00:32:10,350
happen will happen well it well I'm not

583
00:32:16,250 --> 00:32:14,190
ringing up and saying hi Ann must I've

584
00:32:20,330 --> 00:32:16,260
said it you're out it ruined my life

585
00:32:22,700 --> 00:32:20,340
you know and all this Blair has happened

586
00:32:25,190 --> 00:32:22,710
since and you know it all started there

587
00:32:28,310 --> 00:32:25,200
you know I just thought I had to do that

588
00:32:31,760 --> 00:32:28,320

know few weeks later she got in touch

589

00:32:33,860 --> 00:32:31,770

with me but before before she got in

590

00:32:35,870 --> 00:32:33,870

touch me had a word with Jamie bazolar

591

00:32:38,690 --> 00:32:35,880

was a mutual friend of mine and Jason's

592

00:32:40,310 --> 00:32:38,700

I said Jamie can you get in touch of

593

00:32:42,950 --> 00:32:40,320

them because you know him as well and

594

00:32:45,920 --> 00:32:42,960

see if he's okay and see what's going on

595

00:32:47,600 --> 00:32:45,930

because I just feel so desperate about

596

00:32:51,560 --> 00:32:47,610

this I feel like I should just get in my

597

00:32:55,070 --> 00:32:51,570

car and drive there yeah you know I feel

598

00:32:57,980 --> 00:32:55,080

that it's so massive inside me is this

599

00:33:01,010 --> 00:32:57,990

feeling and then three weeks later and

600

00:33:03,590 --> 00:33:01,020

got in touch and then I went to see him

601
00:33:06,800 --> 00:33:03,600
and I saw Ellis and he went well and

602
00:33:08,660 --> 00:33:06,810
then let's come back to leads and then

603
00:33:11,180 --> 00:33:08,670
the second time I said come on we'll go

604
00:33:12,470 --> 00:33:11,190
down I want to take you with me because

605
00:33:16,700 --> 00:33:12,480
he needs people

606
00:33:17,299 --> 00:33:16,710
like us to get him you know back where

607
00:33:20,090 --> 00:33:17,309
he should be

608
00:33:23,270 --> 00:33:20,100
yeah should be doing that before people

609
00:33:27,890 --> 00:33:23,280
chest him off which happens to all of us

610
00:33:28,730 --> 00:33:27,900
to try to chase us off yes we went

611
00:33:37,430 --> 00:33:28,740
together don't they

612
00:33:39,080 --> 00:33:37,440
yeah we did Oh JA me Little J I am there

613
00:33:40,880 --> 00:33:39,090

must be some level of crazy going on

614

00:33:46,940 --> 00:33:40,890

well the must be because you would tell

615

00:33:50,810 --> 00:33:46,950

me about that engine and you better be

616

00:33:52,909 --> 00:33:50,820

sure you baby yeah you know and I'm the

617

00:33:55,909 --> 00:33:52,919

one that said well it will happen to me

618

00:34:10,879 --> 00:33:55,919

whatever happens it will happen to me Oh

619

00:34:13,070 --> 00:34:10,889

was I wrong one of the worst yeah and I

620

00:34:20,840 --> 00:34:13,080

don't even know what went on at one

621

00:34:22,669 --> 00:34:20,850

night because women four nights was the

622

00:34:25,359 --> 00:34:22,679

one that I got taken from the window was

623

00:34:25,369 --> 00:34:37,060

downstairs right yes the o maryam/mary

624

00:34:56,899 --> 00:34:54,830

Jameson that's it yeah yes you all I

625

00:34:59,720 --> 00:34:56,909

remember is this fair because it's the

626
00:35:05,180 --> 00:34:59,730
most one that sticks in my memory that

627
00:35:07,820 --> 00:35:05,190
you something really weird in the room

628
00:35:08,990 --> 00:35:07,830
yeah I went to the toilet and when I

629
00:35:12,170 --> 00:35:09,000
came downstairs

630
00:35:15,020 --> 00:35:12,180
I felt I don't think I should be here

631
00:35:17,030 --> 00:35:15,030
and I'm gonna slowly walk through the

632
00:35:18,650 --> 00:35:17,040
room and I'm sort of in the middle of

633
00:35:20,450 --> 00:35:18,660
the room and I remember putting my hand

634
00:35:24,380 --> 00:35:20,460
on my chin and looking at everybody

635
00:35:26,910 --> 00:35:24,390
ya know and I thought no I don't like

636
00:35:29,400 --> 00:35:26,920
this and I went

637
00:35:34,349 --> 00:35:29,410
and I went I got straight to bed in the

638
00:35:36,779 --> 00:35:34,359

dark in the house are you kidding me in

639

00:35:39,690 --> 00:35:36,789

the dark right and I just got I just got

640

00:35:46,319 --> 00:35:39,700

into bed and I just shot down yeah and

641

00:35:49,470 --> 00:35:46,329

then from there I was with them and the

642

00:35:52,770 --> 00:35:49,480

only chair that was available was like

643

00:35:57,210 --> 00:35:52,780

in the corner of the room and it was one

644

00:36:05,760 --> 00:35:57,220

of them leather like and what the color

645

00:36:14,839 --> 00:36:05,770

leather high back with I cannot fit

646

00:36:21,539 --> 00:36:17,839

anyway I think it would green there

647

00:36:25,620 --> 00:36:21,549

anyway so that were available was this

648

00:36:29,370 --> 00:36:25,630

chair and I just I just sat down and it

649

00:36:34,410 --> 00:36:29,380

was like I could see kind of as soon as

650

00:36:36,990 --> 00:36:34,420

I sat down I felt a bit weird it's not

651
00:36:42,569 --> 00:36:37,000
weird I can describe either it were a

652
00:36:45,660 --> 00:36:42,579
bit I can't explain it just want a

653
00:36:47,279 --> 00:36:45,670
normal weird you know what I mean and

654
00:36:49,019 --> 00:36:47,289
they were like it would just I

655
00:36:51,150 --> 00:36:49,029
understood yeah anywhere right so I

656
00:36:53,549 --> 00:36:51,160
could see them and never like this

657
00:36:58,140 --> 00:36:53,559
weirdness we're getting stronger this

658
00:37:00,900 --> 00:36:58,150
slight feeling and I could see them all

659
00:37:03,299 --> 00:37:00,910
of them looking at me you know were like

660
00:37:07,500 --> 00:37:03,309
what what's she doing and one do we know

661
00:37:10,140 --> 00:37:07,510
I would just be sat back and I was

662
00:37:13,109 --> 00:37:10,150
thinking what the hell looking at me for

663
00:37:15,480 --> 00:37:13,119

you know and like I said that it was

664

00:37:19,769 --> 00:37:15,490

just a weird atmosphere it was they

665

00:37:24,390 --> 00:37:19,779

weren't right so I didn't know the full

666

00:37:27,029 --> 00:37:24,400

extent of all this you know previous

667

00:37:31,019 --> 00:37:27,039

things that had happened did daya I knew

668

00:37:36,900 --> 00:37:31,029

about you and Elliott that anything else

669

00:37:40,359 --> 00:37:36,910

about anything and when I first met you

670

00:37:44,710 --> 00:37:40,369

you didn't even know Nick Park was

671

00:37:47,499 --> 00:37:44,720

yeah didn't know anyone and he said yeah

672

00:37:57,460 --> 00:37:47,509

do you know son son yeah I'm not no no

673

00:38:02,920 --> 00:37:57,470

no yeah well it's clean in it mere

674

00:38:04,450 --> 00:38:02,930

memories so anyway what is it son sat

675

00:38:06,460 --> 00:38:04,460

down and getting all this like weird

676

00:38:12,190 --> 00:38:06,470

feeling it's like an energy feeling

677

00:38:16,109 --> 00:38:12,200

that's getting stronger it's like a

678

00:38:18,609 --> 00:38:16,119

staticky yeah feeling through me all day

679

00:38:19,839 --> 00:38:18,619

anyway so there carries on you know

680

00:38:21,460 --> 00:38:19,849

they're looking at me like what's she

681

00:38:22,960 --> 00:38:21,470

doing well I'm just starting this chair

682

00:38:23,769 --> 00:38:22,970

doing nothing but they didn't question

683

00:38:31,599 --> 00:38:23,779

it

684

00:38:33,549 --> 00:38:31,609

a moment of madness so anyway there

685

00:38:37,930 --> 00:38:33,559

carries on talking and I'm sat in this

686

00:38:39,370 --> 00:38:37,940

chair really straight back and I've got

687

00:38:42,009 --> 00:38:39,380

this like thinking we're a little

688

00:38:44,979 --> 00:38:42,019

cushion behind me I'm not so sure I

689

00:38:47,109 --> 00:38:44,989

don't know Oh Matt have been a mechanic

690

00:38:53,950 --> 00:38:47,119

and I put there it was somewhat behind

691

00:38:56,289 --> 00:38:53,960

me and and I felt this like someone

692

00:38:59,799 --> 00:38:56,299

pushing me while we're back like really

693

00:39:01,180 --> 00:38:59,809

pushing me lower back right as if I were

694

00:39:06,099 --> 00:39:01,190

gonna they're going to push me out this

695

00:39:08,170 --> 00:39:06,109

chair in a minute you know this is weird

696

00:39:11,289 --> 00:39:08,180

well I'm looking at I'm thinking looking

697

00:39:15,519 --> 00:39:11,299

at all then sat there and I'm looking

698

00:39:18,609 --> 00:39:15,529

thinking do they know what's going on

699

00:39:21,549 --> 00:39:18,619

with me right now because the kinda kept

700

00:39:23,380 --> 00:39:21,559

looking at me and talking but what they

701
00:39:26,440 --> 00:39:23,390
were talking about I've no idea it

702
00:39:27,489 --> 00:39:26,450
worked like with this static feeling

703
00:39:30,099 --> 00:39:27,499
going through my body

704
00:39:34,269 --> 00:39:30,109
it would just jumbled up what they were

705
00:39:36,160 --> 00:39:34,279
saying so it would just it just getting

706
00:39:37,599 --> 00:39:36,170
scrambled as it were going in the ego

707
00:39:40,930 --> 00:39:37,609
Society I got a clue what they were

708
00:39:44,140 --> 00:39:40,940
talking about and this feelings getting

709
00:39:49,859 --> 00:39:44,150
stronger than this pushing marchin right

710
00:40:01,489 --> 00:39:52,890
like over there balloons

711
00:40:05,880 --> 00:40:01,499
you know like grow in yeah yeah and then

712
00:40:07,319 --> 00:40:05,890
it will like it musta really hit me in

713
00:40:09,539 --> 00:40:07,329

the back at this point because I

714

00:40:12,989 --> 00:40:09,549

remember the feeling but I got described

715

00:40:15,900 --> 00:40:12,999

and in the length or would like

716

00:40:19,529 --> 00:40:15,910

something whacked me and I'd gone

717

00:40:22,079 --> 00:40:19,539

forward slightly and come back up and I

718

00:40:26,670 --> 00:40:22,089

looked at what his name is it James

719

00:40:31,200 --> 00:40:26,680

James yeah directly aim and he says

720

00:40:34,140 --> 00:40:31,210

light through and I'm thinking like what

721

00:40:37,170 --> 00:40:34,150

through a clue what he's on the back I

722

00:40:39,839 --> 00:40:37,180

had no idea about reptilians align you

723

00:40:44,489 --> 00:40:39,849

with the gray that's all I know

724

00:40:47,190 --> 00:40:44,499

because that's all I'd saying and it's

725

00:40:50,730 --> 00:40:47,200

like you know it's saying let it go and

726

00:40:53,400 --> 00:40:50,740

I'm like girl you're not me it's just

727

00:40:57,420 --> 00:40:53,410

like come through and I'm going no no

728

00:40:58,380 --> 00:40:57,430

I'm scared I don't want to and even

729

00:40:59,849 --> 00:40:58,390

though I didn't know what I was letting

730

00:41:01,589 --> 00:40:59,859

through and you it was so much that

731

00:41:04,380 --> 00:41:01,599

we're trying to get through so wouldn't

732

00:41:07,489 --> 00:41:04,390

wouldn't have some insane don't let it

733

00:41:09,870 --> 00:41:07,499

through he's sane like through when yet

734

00:41:11,880 --> 00:41:09,880

I'm not supposed to know what I'm

735

00:41:15,839 --> 00:41:11,890

letting throw because I got flu about

736

00:41:18,539 --> 00:41:15,849

this situation it's a panic I felt a

737

00:41:23,190 --> 00:41:18,549

panic as well I was like I don't like

738

00:41:26,220 --> 00:41:23,200

this it's like yeah yeah did like me and

739

00:41:29,640 --> 00:41:26,230

I went I can't I can't physically old

740

00:41:33,690 --> 00:41:29,650

this back any longer and all I remember

741

00:41:36,059 --> 00:41:33,700

they saw my it push and like a release

742

00:41:39,329 --> 00:41:36,069

come out and made out there it was like

743

00:41:46,140 --> 00:41:39,339

an energy just weird out with me about

744

00:41:52,259 --> 00:41:46,150

there and I remember haha all I saw were

745

00:41:59,549 --> 00:41:52,269

these pair of long fake I won't say like

746

00:42:03,840 --> 00:41:59,559

say it was like solid muscular top half

747

00:42:11,320 --> 00:42:07,810

so bearing in mind and sat down so what

748

00:42:14,920 --> 00:42:11,330

I'm seeing is this bomb above my head

749

00:42:19,710 --> 00:42:14,930

level the top half of their legs on me I

750

00:42:21,220 --> 00:42:19,720

level and then say the knees just below

751
00:42:25,060 --> 00:42:21,230
know what I mean

752
00:42:27,910 --> 00:42:25,070
but I'm kind of look at means I was I

753
00:42:31,780 --> 00:42:27,920
was in the bed right above yeah well the

754
00:42:35,290 --> 00:42:31,790
thing is I kind of look down but I can't

755
00:42:40,380 --> 00:42:35,300
get the feet I couldn't see the feet

756
00:42:43,360 --> 00:42:40,390
because of like in in mind if you mean

757
00:42:46,570 --> 00:42:43,370
this thing still partly my body because

758
00:42:49,810 --> 00:42:46,580
my legs are like sticking out so this

759
00:42:50,560 --> 00:42:49,820
these legs like a few inches from my

760
00:42:53,440 --> 00:42:50,570
face

761
00:42:56,260 --> 00:42:53,450
so while I'm sat down these as I'm

762
00:43:00,940 --> 00:42:56,270
looking down these things like mingled

763
00:43:03,460 --> 00:43:00,950

in my body you know but yeah the top end

764

00:43:07,240 --> 00:43:03,470

because I'm sat back that's happened

765

00:43:08,860 --> 00:43:07,250

these upgrades out of me buddy and I'm

766

00:43:12,460 --> 00:43:08,870

kind of looking at it and I kind of

767

00:43:15,910 --> 00:43:12,470

slowly looking at it oh you know some of

768

00:43:20,260 --> 00:43:15,920

it extend me neck right back and it's

769

00:43:36,040 --> 00:43:20,270

and it looks great but not a gray is a

770

00:43:38,950 --> 00:43:36,050

gray blue way she Brown 18g it depends

771

00:43:40,720 --> 00:43:38,960

what light it moves exactly it was like

772

00:43:43,510 --> 00:43:40,730

when I saw it it kind of looks blue and

773

00:43:46,510 --> 00:43:43,520

pink and purple yeah like like when you

774

00:43:50,620 --> 00:43:46,520

know like are you lee fishin you get

775

00:43:54,490 --> 00:43:50,630

that what color is a you-know-what Mary

776

00:43:58,570 --> 00:43:54,500

the skin oily face and it's like they

777

00:44:01,300 --> 00:43:58,580

were like that but it wouldn't it look

778

00:44:04,440 --> 00:44:01,310

like made of plasticine aslam it won't

779

00:44:09,010 --> 00:44:04,450

scale your anything it will oh like

780

00:44:12,910 --> 00:44:09,020

plasticine me like like shame that you

781

00:44:15,450 --> 00:44:12,920

get you know but this I'm looking up

782

00:44:19,040 --> 00:44:15,460

anyway I'll crack on with this cuz

783

00:44:22,950 --> 00:44:19,050

as I'm looking up and it was that tall

784

00:44:26,000 --> 00:44:22,960

even though their front room wasn't that

785

00:44:32,010 --> 00:44:26,010

tall that the ceiling wasn't that tall

786

00:44:36,720 --> 00:44:32,020

this thing shoulders should have touched

787

00:44:39,120 --> 00:44:36,730

that ceiling but it should have gone

788

00:44:41,420 --> 00:44:39,130

beyond that ceiling so basically it

789

00:44:46,500 --> 00:44:41,430

should have been in your bedroom

790

00:44:49,349 --> 00:44:46,510

shoulders in your bedroom but it bent

791

00:44:51,510 --> 00:44:49,359

down it had to bend down to about the

792

00:45:02,609 --> 00:44:51,520

ceiling even though it were partly

793

00:45:05,359 --> 00:45:02,619

mingled into the ceiling pictures of the

794

00:45:09,390 --> 00:45:05,369

energy form of it that I've seen yeah

795

00:45:12,900 --> 00:45:09,400

and that that came out of it looked like

796

00:45:18,859 --> 00:45:12,910

it came out Jason he seems to be around

797

00:45:21,809 --> 00:45:18,869

him and then it was behind him yeah and

798

00:45:24,240 --> 00:45:21,819

and it's bending

799

00:45:26,849 --> 00:45:24,250

side down it doesn't need to bend it

800

00:45:32,150 --> 00:45:26,859

down because it can go in and out of

801
00:45:36,390 --> 00:45:32,160
anything you know mainly what you do and

802
00:45:39,569 --> 00:45:36,400
it kind of stepped forward so it went

803
00:45:42,210 --> 00:45:39,579
totally don't have my legs you know I

804
00:45:45,539 --> 00:45:42,220
mean it were like no it's like step

805
00:45:49,589 --> 00:45:45,549
forward two paces even though step

806
00:45:55,349 --> 00:45:49,599
forward two paces it was like I didn't

807
00:46:03,270 --> 00:45:55,359
see the first day doing some what I'm

808
00:46:05,789 --> 00:46:03,280
saying it where I saw it standing by

809
00:46:09,900 --> 00:46:05,799
Jason when Jason was like about 12 feet

810
00:46:12,089 --> 00:46:09,910
away from me yeah an angle to my left it

811
00:46:14,520 --> 00:46:12,099
kind of like grew a tail or something

812
00:46:16,049 --> 00:46:14,530
outside of it but then a bit of it

813
00:46:18,809 --> 00:46:16,059

dropped off and it drops straight down

814

00:46:20,010 --> 00:46:18,819

and I watched it drop straight down but

815

00:46:27,430 --> 00:46:20,020

it landed at my feet

816

00:46:35,140 --> 00:46:31,050

just can't comprehend it but even me

817

00:46:37,420 --> 00:46:35,150

tellin ya nobody can see what I can see

818

00:46:40,360 --> 00:46:37,430

you know even though you've got a vague

819

00:46:42,730 --> 00:46:40,370

idea of what I can say it's only you

820

00:46:46,000 --> 00:46:42,740

that can naturally see it because it's

821

00:46:48,640 --> 00:46:46,010

through my eyes but so I miss these this

822

00:46:51,640 --> 00:46:48,650

steps even though it took two steps I

823

00:46:57,490 --> 00:46:51,650

know it took two steps but it's mr.

824

00:46:59,440 --> 00:46:57,500

stead I've missed that step yeah so it

825

00:47:02,470 --> 00:46:59,450

all sounds very bizarre that's because

826

00:47:08,140 --> 00:47:02,480

it is and then it's looking number room

827

00:47:12,790 --> 00:47:08,150

and I said straight away for not I don't

828

00:47:15,250 --> 00:47:12,800

know why and I said it wants you and why

829

00:47:19,090 --> 00:47:15,260

would I say that for a start and now

830

00:47:23,620 --> 00:47:19,100

what denied want you um you know and she

831

00:47:25,990 --> 00:47:23,630

looked up I mean she looked straight up

832

00:47:28,180 --> 00:47:26,000

its face so she knew it were there

833

00:47:30,910 --> 00:47:28,190

because she's looking at the exact I

834

00:47:34,720 --> 00:47:30,920

looked at Ana well I'm definitely not

835

00:47:39,280 --> 00:47:34,730

seen this Kazan is right at it and the

836

00:47:42,250 --> 00:47:39,290

others are looking right at it and it's

837

00:47:46,350 --> 00:47:42,260

a city once she went and it raised its

838

00:47:50,260 --> 00:47:46,360

and it's got this long arm muscular and

839

00:47:52,540 --> 00:47:50,270

it raises its and puts it on shoulder

840

00:47:56,140 --> 00:47:52,550

and she says say something like get off

841

00:47:59,470 --> 00:47:56,150

don't touch me and now we were watching

842

00:48:01,870 --> 00:47:59,480

this you know it's not like I've just

843

00:48:03,820 --> 00:48:01,880

seen it I mean uncertified failure

844

00:48:07,140 --> 00:48:03,830

everyone over there I couldn't see

845

00:48:12,910 --> 00:48:07,150

what's happening but besides this I'm

846

00:48:21,700 --> 00:48:12,920

during this time this is gonna sound

847

00:48:26,620 --> 00:48:21,710

really stupid but and what I call my

848

00:48:28,540 --> 00:48:26,630

little grey he says it is the energy and

849

00:48:31,930 --> 00:48:28,550

annoying bit throw is energy and

850

00:48:34,600 --> 00:48:31,940

actually it does look different and is

851

00:48:37,630 --> 00:48:34,610

about five foot tall acecomm down the

852

00:48:41,200 --> 00:48:37,640

stairs from where you went up and this

853

00:48:45,010 --> 00:48:41,210

carrot and a small is about

854

00:48:52,780 --> 00:48:45,020

between three now four foot tall and his

855

00:48:54,910 --> 00:48:52,790

is a tan color is very old it's got

856

00:48:57,849 --> 00:48:54,920

wrinkly skin whether that's wrinkles

857

00:49:01,299 --> 00:48:57,859

because he's old or wrinkles because

858

00:49:01,859 --> 00:49:01,309

that's the type of thing he used I don't

859

00:49:06,099 --> 00:49:01,869

know

860

00:49:11,890 --> 00:49:06,109

get your big grey your big black eye

861

00:49:14,319 --> 00:49:11,900

type almond [h__h] things and but they're

862

00:49:19,450 --> 00:49:14,329

not these eyes are the only ones that

863

00:49:24,250 --> 00:49:19,460

are like that can see through your type

864

00:49:26,740 --> 00:49:24,260

thing ease it like a doll you know like

865

00:49:30,250 --> 00:49:26,750

when cat's eyes and they get old and

866

00:49:33,339 --> 00:49:30,260

they get like a dually yes it's like

867

00:49:36,309 --> 00:49:33,349

that that the life come the life's going

868

00:49:37,870 --> 00:49:36,319

elephants Park it will like it's like

869

00:49:42,099 --> 00:49:37,880

his eyes like that

870

00:49:43,930 --> 00:49:42,109

and and it come up in his he walks down

871

00:49:47,200 --> 00:49:43,940

the stairs even though I can't see

872

00:49:48,309 --> 00:49:47,210

through that wall I can see her

873

00:49:51,940 --> 00:49:48,319

downstairs

874

00:49:55,720 --> 00:49:51,950

and he's carrying this gold alone so

875

00:49:58,960 --> 00:49:55,730

while this is happening what I think it

876

00:50:00,430 --> 00:49:58,970

were a reptilian with and so I don't

877

00:50:03,730 --> 00:50:00,440

know what's going on there now but he

878

00:50:05,559 --> 00:50:03,740

stood there and I'm telling him a girl

879

00:50:09,309 --> 00:50:05,569

when you're not having Jason and all

880

00:50:14,170 --> 00:50:09,319

this this one my little gray

881

00:50:16,510 --> 00:50:14,180

I call him Danny DeVito and and he is

882

00:50:19,930 --> 00:50:16,520

carrying this gold balloon and it comes

883

00:50:22,089 --> 00:50:19,940

towards man and he's old yams me but in

884

00:50:24,730 --> 00:50:22,099

a balloon is what we know a balloon it

885

00:50:27,339 --> 00:50:24,740

is gold but it's shimmery and it's I'd

886

00:50:30,309 --> 00:50:27,349

say it's an integer but it's in the

887

00:50:33,430 --> 00:50:30,319

disguise of the balloon it's got tiny

888

00:50:35,260 --> 00:50:33,440

sparks coming from it's beautiful and

889

00:50:37,539 --> 00:50:35,270

he's offering me yet because I know it's

890

00:50:40,180 --> 00:50:37,549

beautiful but I'm too scared to take

891

00:50:42,670 --> 00:50:40,190

this and I'm going no I don't want it

892

00:50:45,280 --> 00:50:42,680

and in me you know and he's saying it

893

00:50:48,250 --> 00:50:45,290

you know telepathically take it and I'm

894

00:50:52,990 --> 00:50:48,260

going no I don't want a you know take it

895

00:50:54,760 --> 00:50:53,000

where I don't want and I'm you that it's

896

00:51:11,410 --> 00:50:54,770

a

897

00:51:13,570 --> 00:51:11,420

though he's you know I'm one ticket off

898

00:51:16,170 --> 00:51:13,580

in money what it well and if I develop

899

00:51:20,980 --> 00:51:16,180

and it as the silver thread saying

900

00:51:23,350 --> 00:51:20,990

glowing silver threads yeah you know I

901
00:51:24,460 --> 00:51:23,360
know so I didn't need to take the

902
00:51:26,290 --> 00:51:24,470
balloon because I knew what we're

903
00:51:27,730 --> 00:51:26,300
already in that and you I remember

904
00:51:31,690 --> 00:51:27,740
you'll send I'm a well what do you think

905
00:51:32,500 --> 00:51:31,700
within it I said knowledge I don't know

906
00:51:35,140 --> 00:51:32,510
if you're in them

907
00:51:37,720 --> 00:51:35,150
I don't you every remember it's asking

908
00:51:39,940 --> 00:51:37,730
me well actually what is just totally

909
00:51:42,340 --> 00:51:39,950
blowing my mind at the moment that like

910
00:51:45,100 --> 00:51:42,350
a cut even I know I can't remember that

911
00:51:49,090 --> 00:51:45,110
bit but I remember after I'd seen that

912
00:51:52,150 --> 00:51:49,100
the energy farm of that when I got home

913
00:51:53,980 --> 00:51:52,160

that night and I felt like something I'd

914

00:51:56,320 --> 00:51:53,990

peeled the skin off the top of my head

915

00:51:58,540 --> 00:51:56,330

not painfully but it just felt like my

916

00:52:01,510 --> 00:51:58,550

was a costume and it was being pulled

917

00:52:02,950 --> 00:52:01,520

off my skull yeah I felt I felt a

918

00:52:04,570 --> 00:52:02,960

pressure going all the way through me

919

00:52:06,460 --> 00:52:04,580

you know like you're you know you were

920

00:52:08,440 --> 00:52:06,470

saying that that was coming through yeah

921

00:52:10,630 --> 00:52:08,450

yeah I'm feeling that pressure and that

922

00:52:12,820 --> 00:52:10,640

electricity I felt like go through the

923

00:52:14,980 --> 00:52:12,830

top of my head and it went all the way

924

00:52:16,180 --> 00:52:14,990

down my body but me feel sick that it

925

00:52:22,720 --> 00:52:16,190

made me feel like I was gonna

926

00:52:25,440 --> 00:52:22,730

I felt easy with my feet and then it

927

00:52:29,250 --> 00:52:25,450

felt like clear just totally free mhm

928

00:52:32,140 --> 00:52:29,260

but as that was happening it was like

929

00:52:34,360 --> 00:52:32,150

black what I could see was black but I

930

00:52:35,170 --> 00:52:34,370

could actually see someone's hands hold

931

00:52:37,630 --> 00:52:35,180

in mind

932

00:52:41,340 --> 00:52:37,640

mm-hmm all of it what I could see was

933

00:52:43,800 --> 00:52:41,350

made out of this Gold sparkly energy

934

00:52:46,570 --> 00:52:43,810

[Music]

935

00:52:53,290 --> 00:52:46,580

like in that bit in the matrix at the

936

00:52:56,800 --> 00:52:53,300

end yeah it was somebody was holding my

937

00:53:01,230 --> 00:52:56,810

hands and it was all just gold energy

938

00:53:05,680 --> 00:53:01,240

yeah in connection with mine mainly from

939

00:53:08,529 --> 00:53:05,690

and anyway so where would I get this go

940

00:53:09,819 --> 00:53:08,539

anywhere it goes you know I mean

941

00:53:12,309 --> 00:53:09,829

I'm your what we're in there didn't he

942

00:53:17,169 --> 00:53:12,319

or grab the balloon for its turn in any

943

00:53:21,849 --> 00:53:17,179

kind of killed a girl and it goes back

944

00:53:25,239 --> 00:53:21,859

upstairs I don't know anything more than

945

00:53:28,029 --> 00:53:25,249

that I don't recall going to bed

946

00:53:31,109 --> 00:53:28,039

I don't recall anything anything about

947

00:53:37,269 --> 00:53:31,119

that now was it the night after Dane

948

00:53:39,489 --> 00:53:37,279

that I I got second floor the window was

949

00:53:59,859 --> 00:53:39,499

that the night after yeah

950

00:54:03,099 --> 00:53:59,869

oh that night absolutely destroy I have

951
00:54:07,469 --> 00:54:03,109
never been that distraught in my life

952
00:54:09,880 --> 00:54:07,479
you know it would have a rific it was

953
00:54:12,400 --> 00:54:09,890
you know one of the must have really I'd

954
00:54:19,209 --> 00:54:12,410
said them the most Erik is horrific out

955
00:54:22,419 --> 00:54:19,219
of the everything's so I go into detail

956
00:54:26,979 --> 00:54:22,429
about that yeah right sir

957
00:54:30,819 --> 00:54:26,989
it was already in bed these now this I

958
00:54:34,179 --> 00:54:30,829
just don't remember actually going I bet

959
00:54:37,329 --> 00:54:34,189
I don't remember how I got to bait I

960
00:54:47,309 --> 00:54:37,339
don't remember anything about that in

961
00:54:53,229 --> 00:54:47,319
between bit from that reptilian gets

962
00:54:57,939 --> 00:54:53,239
insignificant rapid it's like we were

963
00:55:03,159 --> 00:54:57,949

lying on the bait and it would obviously

964

00:55:08,459 --> 00:55:03,169

double bed one yeah high side was the

965

00:55:11,259 --> 00:55:08,469

window one so it was at the right of me

966

00:55:13,059 --> 00:55:11,269

and sort of a bit of a gap at each side

967

00:55:15,729 --> 00:55:13,069

that we could walk down and there was

968

00:55:20,580 --> 00:55:15,739

suitcase is at bottom in a red wardrobe

969

00:55:24,720 --> 00:55:20,590

a red wall be when a red wall behind us

970

00:55:25,530 --> 00:55:24,730

yeah and it's like I'm still seeing bits

971

00:55:31,230 --> 00:55:25,540

of it now

972

00:55:34,230 --> 00:55:31,240

a little laid out and I just remember

973

00:55:38,820 --> 00:55:34,240

that you were sat on the bed just set up

974

00:55:43,710 --> 00:55:38,830

on the bed talking ma and I was leaning

975

00:55:46,920 --> 00:55:43,720

across the bed so my feet were kind of

976

00:55:49,500 --> 00:55:46,930

up in the air because I couldn't put

977

00:55:52,200 --> 00:55:49,510

them anywhere else of it only put my

978

00:55:54,000 --> 00:55:52,210

window source and that you know I were

979

00:55:57,180 --> 00:55:54,010

leaning on their belly across the bed

980

00:56:00,660 --> 00:55:57,190

and you know oh you're wiggling them and

981

00:56:02,580 --> 00:56:00,670

we're talking in that so I think I must

982

00:56:06,720 --> 00:56:02,590

have been at an angle because I remember

983

00:56:08,220 --> 00:56:06,730

looking at you in the face so I think my

984

00:56:09,720 --> 00:56:08,230

feet was somewhere near bottom that bed

985

00:56:11,760 --> 00:56:09,730

and they body was somewhere near it

986

00:56:14,970 --> 00:56:11,770

middle and were looking a bit so I've

987

00:56:17,940 --> 00:56:14,980

got me elbows on the bed and me hands me

988

00:56:20,730 --> 00:56:17,950

fearsome me hands and we're talking away

989

00:56:24,839 --> 00:56:20,740

and the next minute

990

00:56:26,609 --> 00:56:24,849

all I remember is you're kind of your

991

00:56:29,310 --> 00:56:26,619

eyes are shutting I'm thinking oh she's

992

00:56:32,040 --> 00:56:29,320

tired and but I'm still talking

993

00:56:34,530 --> 00:56:32,050

yeah and he wasn't saying anything so

994

00:56:37,800 --> 00:56:34,540

she would you were just like totally out

995

00:56:40,079 --> 00:56:37,810

of it and when your eyes wasn't sure you

996

00:56:44,880 --> 00:56:40,089

were just looking straight forward like

997

00:56:47,370 --> 00:56:44,890

in a trance you know and I'm still

998

00:56:49,109 --> 00:56:47,380

talking away yeah and we'll love it I

999

00:56:52,020 --> 00:56:49,119

will laughing about someone talking

1000

00:56:55,079 --> 00:56:52,030

we're like you were still with it which

1001
00:56:57,839 --> 00:56:55,089
is really weird anywhere and then all I

1002
00:57:00,170 --> 00:56:57,849
remember is looking at ya and you

1003
00:57:06,030 --> 00:57:00,180
quickly moved you right you didn't blink

1004
00:57:09,470 --> 00:57:06,040
you moved your eyes to your left which

1005
00:57:12,450 --> 00:57:09,480
is you know I mean where my legs was

1006
00:57:15,089 --> 00:57:12,460
towards me and you looked at me legs and

1007
00:57:18,329 --> 00:57:15,099
I looked at ya and I went it's there in

1008
00:57:21,570 --> 00:57:18,339
air and you kind of just kept looking

1009
00:57:24,630 --> 00:57:21,580
and looking and I remember turning me

1010
00:57:27,870 --> 00:57:24,640
aid moving me underwear from the face

1011
00:57:29,880 --> 00:57:27,880
turning me eight really slow I don't

1012
00:57:34,360 --> 00:57:29,890
know why I did it self law but you know

1013
00:57:39,400 --> 00:57:34,370

I told me I'd really saw like that

1014

00:57:41,590 --> 00:57:39,410

there is my gray the danny devito one

1015

00:57:46,690 --> 00:57:41,600

that offered me the balloon that I've

1016

00:57:50,230 --> 00:57:46,700

seen a lot of me accounts stood looking

1017

00:57:53,230 --> 00:57:50,240

at me a thief about the size of so evade

1018

00:57:56,530 --> 00:57:53,240

reaches the windowsill are just above

1019

00:58:00,220 --> 00:57:56,540

the windowsill and he's looking at me

1020

00:58:07,330 --> 00:58:00,230

and I'm getting this sympathetic vibe of

1021

00:58:10,810 --> 00:58:07,340

Fame and I'm like what what what what's

1022

00:58:14,230 --> 00:58:10,820

he doing stop there you know and then

1023

00:58:16,570 --> 00:58:14,240

all of a sudden it's like someday

1024

00:58:18,940 --> 00:58:16,580

grab him eight feet but if somebody's

1025

00:58:21,850 --> 00:58:18,950

gonna grab your legs and to pull you off

1026
00:58:25,570 --> 00:58:21,860
something they grab grab what a mafia

1027
00:58:28,240 --> 00:58:25,580
uncle that's how people normally do it

1028
00:58:30,010 --> 00:58:28,250
the won't grab round you toes and pull

1029
00:58:32,920 --> 00:58:30,020
you that way I'll get the middle of the

1030
00:58:34,780 --> 00:58:32,930
foot and Paulie is out there but I knew

1031
00:58:36,910 --> 00:58:34,790
it wasn't aim that we're doing it

1032
00:58:40,210 --> 00:58:36,920
because he's answer at the side of him

1033
00:58:43,620 --> 00:58:40,220
you know it was some some thing are some

1034
00:58:47,830 --> 00:58:43,630
farce that was hauled in on a my fame

1035
00:58:52,120 --> 00:58:47,840
another remember is I'm looking at young

1036
00:58:55,210 --> 00:58:52,130
and I'm screaming Sasha but nothing's

1037
00:58:57,940 --> 00:58:55,220
coming our you know and all I really

1038
00:59:01,420 --> 00:58:57,950

remember is it was like whoosh this

1039

00:59:04,090 --> 00:59:01,430

whoosh feeling it's like a release of me

1040

00:59:05,680 --> 00:59:04,100

fate and it's like a vacuum so much that

1041

00:59:09,340 --> 00:59:05,690

I'm going to provoke young cleaner is

1042

00:59:11,140 --> 00:59:09,350

something you know but even though I had

1043

00:59:13,420 --> 00:59:11,150

a night dress on and now I'm going

1044

00:59:16,690 --> 00:59:13,430

backwards at that speed that night dress

1045

00:59:20,140 --> 00:59:16,700

should have moved practically over me

1046

00:59:23,050 --> 00:59:20,150

eight yeah and it didn't move and that's

1047

00:59:26,500 --> 00:59:23,060

one thing that sticks in my mind you

1048

00:59:30,670 --> 00:59:26,510

know the speed the pull and everything

1049

00:59:32,830 --> 00:59:30,680

and that nitrous did not move and I

1050

00:59:34,990 --> 00:59:32,840

remembers I'm going backwards I'm

1051
00:59:38,140 --> 00:59:35,000
screaming and screaming and nothing's

1052
00:59:42,190 --> 00:59:38,150
coming out and you're just kind of

1053
00:59:44,770 --> 00:59:42,200
staring into space you know and all I

1054
00:59:47,260 --> 00:59:44,780
remember then is get into the window you

1055
00:59:51,150 --> 00:59:47,270
don't have time a thing [\h__\h] I'm gonna

1056
00:59:59,620 --> 00:59:54,060
anything you don't even have to kind

1057
01:00:03,670 --> 00:59:59,630
yeah and I'm like God and against the

1058
01:00:07,660 --> 01:00:03,680
peripheral view of this what I felt with

1059
01:00:13,900 --> 01:00:07,670
a window which is actually agree a very

1060
01:00:16,359 --> 01:00:13,910
fine grid membrane now this membrane

1061
01:00:18,400 --> 01:00:16,369
didn't stop where the window should have

1062
01:00:21,760 --> 01:00:18,410
stopped the glass at each side it

1063
01:00:28,480 --> 01:00:21,770

carried on past the walls of the bedroom

1064

01:00:30,820 --> 01:00:28,490

and so yeah you've got a I can't even

1065

01:00:33,550 --> 01:00:30,830

describe it you won't eat it to describe

1066

01:00:35,560 --> 01:00:33,560

it you won't even be able to see it in

1067

01:00:38,710 --> 01:00:35,570

your mind's eye what I'm talking about

1068

01:00:44,170 --> 01:00:38,720

but this gray membrane extends past the

1069

01:00:48,540 --> 01:00:44,180

walls and all I remember they need this

1070

01:00:51,690 --> 01:00:48,550

lab pop in me aid and I've gone and

1071

01:00:54,070 --> 01:00:51,700

everything's kind of slowed right down

1072

01:00:56,140 --> 01:00:54,080

I'm afraid of probably a nanosecond

1073

01:00:58,810 --> 01:00:56,150

while me eggs going through this gray

1074

01:01:03,430 --> 01:00:58,820

membrane it goes pop I'm out of it and

1075

01:01:05,680 --> 01:01:03,440

um everything speeds up again and I'm

1076

01:01:06,630 --> 01:01:05,690

going backwards at like a 45 degree

1077

01:01:11,079 --> 01:01:06,640

angle

1078

01:01:13,480 --> 01:01:11,089

and I'm looking down at you and your

1079

01:01:17,020 --> 01:01:13,490

eyes still sure the windows getting

1080

01:01:20,589 --> 01:01:17,030

smaller I can start see the house I can

1081

01:01:22,770 --> 01:01:20,599

see the fields at the back I can I can

1082

01:01:28,660 --> 01:01:22,780

see the trees round

1083

01:01:31,140 --> 01:01:28,670

Ann's garden I can see like a bit of a

1084

01:01:34,240 --> 01:01:31,150

fence that that way I can see till Perl

1085

01:01:38,470 --> 01:01:34,250

stands from da road and shall she add

1086

01:01:42,630 --> 01:01:38,480

two pearls I can see again I can see a

1087

01:01:47,109 --> 01:01:42,640

road and it's just going on it and the

1088

01:01:49,120 --> 01:01:47,119

speed at which I'm going at is in the

1089

01:01:53,370 --> 01:01:49,130

distance it's not making any sense

1090

01:01:56,470 --> 01:01:53,380

because I'm only halfway off for a field

1091

01:01:59,680 --> 01:01:56,480

but it looks like I'm like a mile away

1092

01:02:01,650 --> 01:01:59,690

at this point and it keeps going on and

1093

01:02:10,289 --> 01:02:01,660

on

1094

01:02:12,240 --> 01:02:10,299

and I should be viola we're here do you

1095

01:02:15,539 --> 01:02:12,250

know what I mean but I'm thinking well

1096

01:02:17,749 --> 01:02:15,549

I'm just to end of a field now you know

1097

01:02:21,029 --> 01:02:17,759

and I'm not but you're not thinking

1098

01:02:23,460 --> 01:02:21,039

logic there's no logic there is you know

1099

01:02:25,710 --> 01:02:23,470

now I'm thinking I should be this I

1100

01:02:27,599 --> 01:02:25,720

should be there but then nothing

1101

01:02:30,990 --> 01:02:27,609

I'm not thinking anything because it's

1102

01:02:33,870 --> 01:02:31,000

too quick yeah so the speed and the time

1103

01:02:36,900 --> 01:02:33,880

and the distance is not making any sense

1104

01:02:40,319 --> 01:02:36,910

whatsoever then all I remember in these

1105

01:02:40,910 --> 01:02:40,329

I'm blacking out I'm blacking out that's

1106

01:02:43,799 --> 01:02:40,920

it

1107

01:02:47,190 --> 01:02:43,809

everything's slowed right down I'm

1108

01:02:50,519 --> 01:02:47,200

blacking out I'm gone then all I

1109

01:02:54,720 --> 01:02:50,529

remember is waking up in on debate not

1110

01:02:56,700 --> 01:02:54,730

in the bed on the bed me I never ever

1111

01:02:59,910 --> 01:02:56,710

sleep on my back it's the most

1112

01:03:02,130 --> 01:02:59,920

uncomfortable position I can sleep in

1113

01:03:06,809 --> 01:03:02,140

you know it's chronic backache I get

1114

01:03:09,059 --> 01:03:06,819

with it and it's like a foot feeling

1115

01:03:13,920 --> 01:03:09,069

again just before that I said boom that

1116

01:03:16,829 --> 01:03:13,930

drop failing and then remember then it's

1117

01:03:22,589 --> 01:03:16,839

like boot up [h__h] you know I'm awake and

1118

01:03:24,690 --> 01:03:22,599

me arms are crossed over me Bodhi Mia me

1119

01:03:26,789 --> 01:03:24,700

Anza stretched out the crust over my

1120

01:03:29,130 --> 01:03:26,799

body so who knows on that shoulder one

1121

01:03:35,309 --> 01:03:29,140

hands on of the shoulder millet me feet

1122

01:03:38,640 --> 01:03:35,319

across the bottom and listen right this

1123

01:03:40,620 --> 01:03:38,650

this um so good again so close to tile

1124

01:03:43,259 --> 01:03:40,630

is when I'm in the bathroom they

1125

01:03:46,769 --> 01:03:43,269

actually ate mer what has just gone on

1126

01:03:48,420 --> 01:03:46,779

and I can't remember whether it would

1127

01:03:52,289 --> 01:03:48,430

air like or not but all I remember is

1128

01:04:00,809 --> 01:03:52,299

coming in at that room Oh bouncing on

1129

01:04:03,509 --> 01:04:00,819

the baby you know I would just in such a

1130

01:04:07,049 --> 01:04:03,519

flux I didn't know what to do where ago

1131

01:04:09,059 --> 01:04:07,059

what to say everything would just so I

1132

01:04:13,349 --> 01:04:09,069

would so overwhelmed with these emotions

1133

01:04:15,570 --> 01:04:13,359

that I just couldn't and all I remember

1134

01:04:22,580 --> 01:04:15,580

you say me summat like Oh

1135

01:04:25,520 --> 01:04:22,590

- well they go about oh oh

1136

01:04:42,320 --> 01:04:25,530

[Laughter]

1137

01:04:42,330 --> 01:04:53,060

streaming down my face

1138

01:05:03,150 --> 01:05:00,780

oh yeah that were that were I think then

1139

01:05:09,080 --> 01:05:03,160

you know about an hour later you must

1140

01:05:25,950 --> 01:05:21,990

everything was just like a tornado yeah

1141

01:05:28,290 --> 01:05:25,960

and we went downstairs and I remember on

1142

01:05:30,300 --> 01:05:28,300

with that would made a bit of breakfast

1143

01:05:37,710 --> 01:05:30,310

and it must have been where that I

1144

01:05:43,740 --> 01:05:37,720

looked and had rung were ringing Jason

1145

01:05:46,020 --> 01:05:43,750

and and Jason had answered and he said

1146

01:05:51,630 --> 01:05:46,030

to Anne which one of them got abducted

1147

01:05:58,190 --> 01:05:51,640

last night yeah and you looked at me I

1148

01:06:16,740 --> 01:06:06,510

do you start again like I wanna go see

1149

01:06:23,160 --> 01:06:16,750

ya you know what I know it's awful it's

1150

01:06:27,290 --> 01:06:23,170

the house it's the land it's not just

1151

01:06:29,010 --> 01:06:27,300

the house it's the land around it yeah

1152

01:06:33,560 --> 01:06:29,020

you know

1153

01:06:37,859 --> 01:06:33,570

you get there as you driving up to it

1154

01:06:39,570 --> 01:06:37,869

hearing some sort as on yeah which is

1155

01:06:41,790 --> 01:06:39,580

funny you should say that actually

1156

01:06:45,810 --> 01:06:41,800

because I was talking to Mary Rodwell

1157

01:06:48,870 --> 01:06:45,820

and she said a Jason had said that

1158

01:06:49,410 --> 01:06:48,880

something very ancient thousands of

1159

01:06:53,100 --> 01:06:49,420

years old

1160

01:07:00,240 --> 01:06:53,110

kind of looks out there one night when I

1161

01:07:03,210 --> 01:07:00,250

was there with Herman you know but I

1162

01:07:09,930 --> 01:07:03,220

stood outside with Jason and Jackie and

1163

01:07:12,600 --> 01:07:09,940

just we all smoked and he said oh that

1164

01:07:34,970 --> 01:07:12,610

failed them and I went yeah go in that

1165

01:07:40,920 --> 01:07:38,849

sunny where the sun's kind of like yeah

1166

01:07:59,580 --> 01:07:40,930

the whole world we're leaving doubtless

1167

01:08:03,030 --> 01:07:59,590

all the time yeah obviously I remember

1168

01:08:05,520 --> 01:08:03,040

him saying that it's seen this girl kind

1169

01:08:07,470 --> 01:08:05,530

of here there and everywhere like just

1170

01:08:10,620 --> 01:08:07,480

be sort of out doing stuff with the

1171

01:08:13,740 --> 01:08:10,630

horses and look up and there she'd be

1172

01:08:16,110 --> 01:08:13,750

yeah and he said that when she grinned

1173

01:08:19,260 --> 01:08:16,120

he didn't say this to me he said it's

1174

01:08:20,039 --> 01:08:19,270

Mary when she grinned she had all these

1175

01:08:24,690 --> 01:08:20,049

teeth

1176

01:08:26,610 --> 01:08:24,700

you know just written my thing out and

1177

01:08:28,530 --> 01:08:26,620

I've tried to draw these teeth I'm not

1178

01:08:30,870 --> 01:08:28,540

very good at it so I thought I'm not

1179

01:08:33,480 --> 01:08:30,880

including them they don't look right I

1180

01:08:34,800 --> 01:08:33,490

can't get it right you know I mean and I

1181

01:08:36,749 --> 01:08:34,810

don't want to show it if it don't look

1182

01:08:40,019 --> 01:08:36,759

like as near as damn it

1183

01:08:42,300 --> 01:08:40,029

so well you know if you me don't like

1184

01:08:45,250 --> 01:08:42,310

that I'm willing to do it

1185

01:08:47,230 --> 01:08:45,260

yeah we were going to write a book won't

1186

01:08:51,940 --> 01:08:47,240

we well good I was gonna do the writing

1187

01:09:00,250 --> 01:08:51,950

oh I would do illustrations yeah still

1188

01:09:06,070 --> 01:09:00,260

gonna do it but as far as I'm concerned

1189

01:09:07,900 --> 01:09:06,080

now I've just lost yeah because I think

1190

01:09:12,670 --> 01:09:07,910

of everything alive it's always there in

1191

01:09:15,280 --> 01:09:12,680

the back of my mind you know if you're

1192

01:09:18,070 --> 01:09:15,290

not like consciously sort of okay I am

1193

01:09:30,010 --> 01:09:18,080

doing this now you mind just sort of

1194

01:09:33,370 --> 01:09:30,020

naturally wanders back to it and this

1195

01:09:36,520 --> 01:09:33,380

makes sense and we're going to find a

1196

01:09:38,410 --> 01:09:36,530

bigger picture you know am I going to

1197

01:09:44,080 --> 01:09:38,420

change the ending is what the brain

1198

01:09:46,540 --> 01:09:44,090

wants to do a thing so it's just there

1199

01:09:51,160 --> 01:09:46,550

all the time and then we sort of mulling

1200

01:09:52,260 --> 01:09:51,170

over one experience then boom from left

1201

01:09:54,820 --> 01:09:52,270

all right

1202

01:10:02,260 --> 01:09:54,830

it comes another thought about another

1203

01:10:04,660 --> 01:10:02,270

thing it don't it doesn't stop it you

1204

01:10:06,160 --> 01:10:04,670

can't stop you can't stop thinking about

1205

01:10:12,240 --> 01:10:06,170

it even though you're not thinking about

1206

01:10:15,040 --> 01:10:12,250

it it could pops up and then you would

1207

01:10:20,440 --> 01:10:15,050

so lean but I believe that all the

1208

01:10:24,790 --> 01:10:23,020

well you looked mine a few months ago

1209

01:10:29,230 --> 01:10:24,800

didn't ya well it couple of month ago

1210

01:10:35,680 --> 01:10:29,240

you can't man and we're doing them thing

1211

01:10:39,700 --> 01:10:35,690

you've got that light so yeah yeah doing

1212

01:10:41,770 --> 01:10:39,710

that as well yeah right

1213

01:10:44,920 --> 01:10:41,780

I've got to say this because people

1214

01:10:48,580 --> 01:10:44,930

often can being irresponsible I don't

1215

01:10:51,460 --> 01:10:48,590

actually usually like advise that people

1216

01:10:54,740 --> 01:10:51,470

start communicating with things in their

1217

01:11:00,370 --> 01:10:54,750

own home because it's an invitation

1218

01:11:05,000 --> 01:11:00,380

to have some space within that space so

1219

01:11:12,610 --> 01:11:05,010

but parlor has abilities and they follow

1220

01:11:15,170 --> 01:11:12,620

a home and they just like you know but

1221

01:11:17,420 --> 01:11:15,180

you're doing that thing you know it like

1222

01:11:21,110 --> 01:11:17,430

something it kept answering I like you

1223

01:11:25,390 --> 01:11:21,120

know and I started laughing yes but it's

1224

01:11:28,430 --> 01:11:25,400

not fooling it's not fun like I said

1225

01:11:32,810 --> 01:11:28,440

it's my it's my way of dealing with

1226

01:11:34,850 --> 01:11:32,820

things you know no but you see pilots

1227

01:11:38,300 --> 01:11:34,860

already had communication with them

1228

01:11:39,830 --> 01:11:38,310

anyway guys stand in there in a living

1229

01:11:44,600 --> 01:11:39,840

room who disappears

1230

01:11:46,250 --> 01:11:44,610

you know this she eventually asked out

1231

01:11:49,190 --> 01:11:46,260

in the bedroom if there's somebody here

1232

01:12:00,470 --> 01:11:49,200

just please talking to this now you know

1233

01:12:01,760 --> 01:12:00,480

like this EVP and she says right I'm

1234

01:12:03,790 --> 01:12:01,770

just gonna leave this area I'm gonna

1235

01:12:06,890 --> 01:12:03,800

walk downstairs and then you know like

1236

01:12:19,610 --> 01:12:06,900

say anything say something and then it

1237

01:12:29,420 --> 01:12:19,620

goes I see yeah woman woman goes she's

1238

01:12:32,180 --> 01:12:29,430

back don't bother me cause I live with

1239

01:12:33,710 --> 01:12:32,190

it but I know you'll say no you

1240

01:12:38,480 --> 01:12:33,720

shouldn't have to live with it but you

1241

01:12:41,660 --> 01:12:38,490

know any anyway well anyway yeah what'd

1242

01:12:43,730 --> 01:12:41,670

you say I played it for I did it for

1243

01:12:47,150 --> 01:12:43,740

about a week before I sent you that

1244

01:12:49,370 --> 01:12:47,160

copper another like I played it and

1245

01:12:51,470 --> 01:12:49,380

played it and played it I know what does

1246

01:12:54,920 --> 01:12:51,480

it really alright this is it I've got

1247

01:12:58,030 --> 01:12:54,930

send such a base to see exactly what it

1248

01:13:04,940 --> 01:12:58,040

says if it says the same is what I'm

1249

01:13:06,900 --> 01:13:04,950

hearing it then yeah you know yeah well

1250

01:13:10,170 --> 01:13:06,910

I sent it sorry friend

1251

01:13:13,410 --> 01:13:10,180

hmm and she tried to do some noise

1252

01:13:16,590 --> 01:13:13,420

reduction stuff on it and sent Leah back

1253

01:13:23,420 --> 01:13:16,600

to me and I played it and it was all

1254

01:13:28,140 --> 01:13:23,430

like oh my god it sounds like aliens

1255

01:13:30,780 --> 01:13:28,150

cats under days but actually what it did

1256

01:13:33,030 --> 01:13:30,790

was it's helped sort of because it adds

1257

01:13:36,480 --> 01:13:33,040

a different pitch when there was a voice

1258

01:13:39,060 --> 01:13:36,490

so it kind of indicated where there were

1259

01:13:42,390 --> 01:13:39,070

voices so it was like kind of add a

1260

01:13:45,210 --> 01:13:42,400

little change in ripple and then in the

1261

01:13:47,820 --> 01:13:45,220

middle it picked out something that we

1262

01:13:50,870 --> 01:13:47,830

hadn't heard before it couldn't hear

1263

01:13:56,370 --> 01:13:50,880

because of the hiss yeah and then

1264

01:13:59,090 --> 01:13:56,380

towards the end another ripple so but it

1265

01:14:02,100 --> 01:13:59,100

just it actually turned out to be

1266

01:14:05,820 --> 01:14:02,110

something that happens kind of some

1267

01:14:07,650 --> 01:14:05,830

distortion that happens when you do this

1268

01:14:10,290 --> 01:14:07,660

particular kind of noise reduction and

1269

01:14:14,460 --> 01:14:10,300

it's also the kind of microphone used

1270

01:14:17,910 --> 01:14:14,470

and I hope you know how it kind of like

1271

01:14:22,140 --> 01:14:17,920

receives the noise so it wasn't anything

1272

01:14:24,900 --> 01:14:22,150

like aliens talking like in the Fourth

1273

01:14:31,070 --> 01:14:24,910

Kind which is very similar to what it

1274

01:14:35,790 --> 01:14:33,930

well you know what surprised me just

1275

01:14:38,220 --> 01:14:35,800

that because but nobody's gonna believe

1276

01:14:42,600 --> 01:14:38,230

it yeah anyway you know I mean we're

1277

01:14:45,600 --> 01:14:42,610

just crazy people out so yeah so we came

1278

01:14:48,480 --> 01:14:45,610

I came to yours and we did that yeah and

1279

01:14:52,440 --> 01:14:48,490

that was in the daytime as their time

1280

01:14:55,260 --> 01:14:52,450

was it happens to make all times of the

1281

01:14:57,870 --> 01:14:55,270

day and it's not just you know people

1282

01:15:01,920 --> 01:14:57,880

just atooma on a night it's on a night

1283

01:15:04,650 --> 01:15:01,930

and I'm know it's all I'm having bouts

1284

01:15:07,770 --> 01:15:04,660

of it now and then it'll go quiet for

1285

01:15:09,750 --> 01:15:07,780

the wild months weeks days it'll go

1286

01:15:12,420 --> 01:15:09,760

quiet and then I love bouncing my up and

1287

01:15:15,740 --> 01:15:12,430

once it might up and five times in a day

1288

01:15:21,110 --> 01:15:15,750

my up and five days and it just saw

1289

01:15:26,820 --> 01:15:21,120

inconsistent and that yeah

1290

01:15:28,710 --> 01:15:26,830

it does happen in the day I had one

1291

01:15:32,070 --> 01:15:28,720

earlier where my bed shook it felt like

1292

01:15:35,040 --> 01:15:32,080

some dude shook not shook it but pushed

1293

01:15:38,130 --> 01:15:35,050

me bed and pushed it back again and that

1294

01:15:40,770 --> 01:15:38,140

wasn't a good three hours ago in

1295

01:15:43,380 --> 01:15:40,780

happened and then clicking noise that so

1296

01:15:49,710 --> 01:15:43,390

damn it you know I'll just say yeah and

1297

01:15:54,300 --> 01:15:49,720

the my oh well bangs like somebody's

1298

01:15:57,720 --> 01:15:54,310

clap the hands yeah yeah clicks and

1299

01:16:01,470 --> 01:15:57,730

beeps stereos just coming on for no

1300

01:16:04,350 --> 01:16:01,480

reason whatsoever like oh all of our

1301

01:16:07,020 --> 01:16:04,360

gadgets nowadays or all kind of like

1302

01:16:11,210 --> 01:16:07,030

tuned into something so yeah you don't

1303

01:16:14,040 --> 01:16:11,220

get that analog static rah you know you

1304

01:16:16,050 --> 01:16:14,050

station's programmed in you switch it on

1305

01:16:19,830 --> 01:16:16,060

you put it on that it goes straight to

1306

01:16:21,720 --> 01:16:19,840

the station mm-hmm and it's on a certain

1307

01:16:23,370 --> 01:16:21,730

volume as well because it's you know

1308

01:16:27,870 --> 01:16:23,380

however you left it or whatever you

1309

01:16:31,530 --> 01:16:27,880

preset sir not in my life when you know

1310

01:16:36,480 --> 01:16:31,540

the stereo just blares like really

1311

01:16:44,210 --> 01:16:36,490

really loudly it's full volume for no

1312

01:16:48,980 --> 01:16:44,220

reason I thought must be the cat oh

1313

01:16:52,350 --> 01:16:48,990

nothing so I'm telling me from Pitt he's

1314

01:16:54,930 --> 01:16:52,360

been around for a while and he's going

1315

01:16:58,010 --> 01:16:54,940

out the door and I said to him that's

1316

01:17:01,350 --> 01:16:58,020

really weird moment the other day when I

1317

01:17:03,240 --> 01:17:01,360

hit the stereo came on full blast and my

1318

01:17:05,760 --> 01:17:03,250

plan was because I lived on my own was I

1319

01:17:07,440 --> 01:17:05,770

anyone had broken in what I was going to

1320

01:17:09,210 --> 01:17:07,450

do I had like a wine bottle that side

1321

01:17:10,950 --> 01:17:09,220

had a candle in it but it looked a

1322

01:17:12,330 --> 01:17:10,960

scuzzy I'd all wax all over it and I've

1323

01:17:14,100 --> 01:17:12,340

done it all deliberately it look quite

1324

01:17:15,630 --> 01:17:14,110

cool but I thought well that's my secret

1325

01:17:16,950 --> 01:17:15,640

weapon that's the only thing I've got in

1326

01:17:19,800 --> 01:17:16,960

the bedroom you know I'm going to go

1327

01:17:22,110 --> 01:17:19,810

running downstairs be as heavy as I can

1328

01:17:25,590 --> 01:17:22,120

on the stairs so make it sound like I'm

1329

01:17:27,480 --> 01:17:25,600

a giant yeah like I might be a big blur

1330

01:17:29,640 --> 01:17:27,490

and then I'm gonna burst through the

1331

01:17:32,070 --> 01:17:29,650

door so it's so loud everything's so

1332

01:17:32,880 --> 01:17:32,080

loud and whoever it is will just panic

1333

01:17:34,860 --> 01:17:32,890

run away

1334

01:17:38,300 --> 01:17:34,870

and if the dirt that I'm going to smack

1335

01:17:40,860 --> 01:17:38,310

him with his part so this has gone off

1336

01:17:44,030 --> 01:17:40,870

everyone downstairs stop their kids

1337

01:17:58,320 --> 01:17:44,040

right with his bottle in me and God

1338

01:18:00,630 --> 01:17:58,330

expected I but I'm telling my friend

1339

01:18:02,780 --> 01:18:00,640

when he's just about to leave and he did

1340

01:18:10,110 --> 01:18:02,790

it again

1341

01:18:12,840 --> 01:18:10,120

what it was telling him oh and then what

1342

01:18:16,380 --> 01:18:12,850

happened was in his lap that eat moved

1343

01:18:18,450 --> 01:18:16,390

into somebody had died there of a heroin

1344

01:18:21,900 --> 01:18:18,460

overdose and they've been there for that

1345

01:18:26,400 --> 01:18:21,910

long they it was part of the carpet oh

1346

01:18:28,680 --> 01:18:26,410

no he didn't have a carpet in his flat

1347

01:18:31,110 --> 01:18:28,690

but it was having all this really you

1348

01:18:36,960 --> 01:18:31,120

know like go through all these dark days

1349

01:18:38,670 --> 01:18:36,970

thing yeah and it's like written he went

1350

01:18:42,240 --> 01:18:38,680

like like a crazy person

1351

01:18:45,690 --> 01:18:42,250

dead man walking on his door and then

1352

01:18:48,720 --> 01:18:45,700

tried to smash a hole in the ceiling and

1353

01:19:00,030 --> 01:18:48,730

they need something like a page message

1354

01:19:01,950 --> 01:19:00,040

because it was it was like so I went

1355

01:19:04,050 --> 01:19:01,960

round and I was been in the Pope round

1356

01:19:05,700 --> 01:19:04,060

the corner so I bought pine and let's

1357

01:19:07,620 --> 01:19:05,710

knock it out under me jacket thinking

1358

01:19:09,630 --> 01:19:07,630

else I came apparently if he's bit down

1359

01:19:12,870 --> 01:19:09,640

you know I mean I'm sneaks a pint at the

1360

01:19:15,780 --> 01:19:12,880

pub and I got there to see this dead man

1361

01:19:18,170 --> 01:19:15,790

walking on the door I'm just jar on the

1362

01:19:21,810 --> 01:19:18,180

floor like looking at the scene and like

1363

01:19:24,810 --> 01:19:21,820

what the hell is going on so like a

1364

01:19:27,210 --> 01:19:24,820

little while later these guys have come

1365

01:19:28,710 --> 01:19:27,220

round to do gas safety check and he's

1366

01:19:30,120 --> 01:19:28,720

making them a cup of tea because he's

1367

01:19:32,070 --> 01:19:30,130

like that you know I mean then he went

1368

01:19:34,890 --> 01:19:32,080

in the kitchen medical a cup of tea and

1369

01:19:37,320 --> 01:19:34,900

it comes out just as he heard them say

1370

01:19:41,400 --> 01:19:37,330

so I opened the door and I got me in the

1371

01:19:43,920 --> 01:19:41,410

face by a wall of flies oh well the

1372

01:19:46,010 --> 01:19:43,930

thing is the parlor is that I told him a

1373

01:19:48,960 --> 01:19:46,020

little while before that I'd had a dream

1374

01:19:51,480 --> 01:19:48,970

that he someone who was really wrong

1375

01:19:53,400 --> 01:19:51,490

and I gone round to see him and I opened

1376

01:19:56,370 --> 01:19:53,410

the door to his house and I got hit in

1377

01:19:58,080 --> 01:19:56,380

the face by a wall of flies yeah so I

1378

01:20:00,210 --> 01:19:58,090

told him this dream I might have even

1379

01:20:04,980 --> 01:20:00,220

been telling him when the stereo went

1380

01:20:07,560 --> 01:20:04,990

off so he'd heard that same phrase from

1381

01:20:09,600 --> 01:20:07,570

me come out of this guy's mouth so he

1382

01:20:12,750 --> 01:20:09,610

made him explain what it was and it was

1383

01:20:16,560 --> 01:20:12,760

like you know that this guy had been

1384

01:20:21,660 --> 01:20:16,570

found dead by him and the house was just

1385

01:20:25,680 --> 01:20:21,670

full of life that long and dead man

1386

01:20:31,040 --> 01:20:25,690

walking you know I mean so I was like

1387

01:20:35,100 --> 01:20:31,050

what so was it like was the stereo thing

1388

01:20:37,500 --> 01:20:35,110

was this kind of like to start us like a

1389

01:20:41,070 --> 01:20:37,510

sort of sequence of events if you like

1390

01:20:46,170 --> 01:20:41,080

mmm to prompt something because these

1391

01:20:52,020 --> 01:20:46,180

guys like trapped in that in this flat

1392

01:20:56,430 --> 01:20:52,030

hmm it's kind of open like you know yeah

1393

01:20:58,830 --> 01:20:56,440

oh I just totally I don't even know how

1394

01:21:01,440 --> 01:20:58,840

that works it's like okay so is he

1395

01:21:04,950 --> 01:21:01,450

hopping between us to try and get

1396

01:21:08,640 --> 01:21:04,960

himself known yeah now are something

1397

01:21:12,030 --> 01:21:08,650

because there's one thing about spirit

1398

01:21:16,230 --> 01:21:12,040

that they if we have abilities they can

1399

01:21:19,140 --> 01:21:16,240

tell we might not even know yeah but

1400

01:21:20,760 --> 01:21:19,150

they I think that we go and I think that

1401

01:21:21,990 --> 01:21:20,770

we can do something about it this is

1402

01:21:24,360 --> 01:21:22,000

something that I've discovered so I

1403

01:21:27,090 --> 01:21:24,370

tried to sort of educate myself on how

1404

01:21:29,280 --> 01:21:27,100

to do something about it well you've

1405

01:21:31,140 --> 01:21:29,290

come a mile sunt you know Chad claims in

1406

01:21:35,250 --> 01:21:31,150

it but then we're a lot of distraction

1407

01:21:40,970 --> 01:21:35,260

going on at the time and I think that

1408

01:21:43,860 --> 01:21:40,980

was a main trigger when the block spirit

1409

01:21:47,310 --> 01:21:43,870

was stood by me breakfast bar when I

1410

01:21:52,920 --> 01:21:47,320

walked in me out and I thought it would

1411

01:21:57,720 --> 01:21:52,930

a builder because they just pop out of

1412

01:21:59,459 --> 01:21:57,730

the floor one Dan I probably walking up

1413

01:22:02,859 --> 01:21:59,469

pass think you know right

1414

01:22:08,589 --> 01:22:02,869

shower video excuse me

1415

01:22:13,179 --> 01:22:08,599

a young long locks my doll and the guy

1416

01:22:17,350 --> 01:22:13,189

stood there looked in these fifties it

1417

01:22:22,779 --> 01:22:17,360

could have been mid-50s and he's wearing

1418

01:22:26,319 --> 01:22:22,789

my back it looked like James and it

1419

01:22:31,149 --> 01:22:26,329

looked and a check saw a lumberjack

1420

01:22:38,020 --> 01:22:31,159

Stiles shirt thing and it looked really

1421

01:22:40,120 --> 01:22:38,030

like dirty you know he's obviously been

1422

01:22:43,929 --> 01:22:40,130

working somewhere really there but these

1423

01:22:48,549 --> 01:22:43,939

the quarry that was a possible way to

1424

01:22:50,709 --> 01:22:48,559

streets aware and I used to play up

1425

01:22:54,629 --> 01:22:50,719

there a lot that's where I fell down and

1426

01:23:02,189 --> 01:22:58,660

yeah probably and it stopped working

1427

01:23:05,169 --> 01:23:02,199

in about 1965 its quarry

1428

01:23:06,910 --> 01:23:05,179

it's our sonic now yeah but it looked

1429

01:23:10,029 --> 01:23:06,920

that thought I'm okay

1430

01:23:13,689 --> 01:23:10,039

you know that storm storm stuff you know

1431

01:23:16,179 --> 01:23:13,699

Powell and I've got the stove yeah that

1432

01:23:17,859 --> 01:23:16,189

sort of color some I I think it was from

1433

01:23:21,339 --> 01:23:17,869

the East Room the quality might not be

1434

01:23:24,759 --> 01:23:21,349

that it's just a pheromone and anyway I

1435

01:23:29,279 --> 01:23:24,769

walked because my keychain is like in

1436

01:23:31,810 --> 01:23:29,289

with my living room so it's an open-plan

1437

01:23:34,509 --> 01:23:31,820

room you've got a kitchenette with a

1438

01:23:38,140 --> 01:23:34,519

breakfast bar yeah yes it's kind of open

1439

01:23:40,089 --> 01:23:38,150

planning well I walked towards it and I

1440

01:23:41,979 --> 01:23:40,099

thought as I'm walking towards it

1441

01:23:45,819 --> 01:23:41,989

there's only a few strides between the

1442

01:23:48,640 --> 01:23:45,829

front door and the breakfast bar and I

1443

01:23:54,040 --> 01:23:48,650

puts the breakfast it puts a sees ice

1444

01:23:56,620 --> 01:23:54,050

block didn't think of it some bite of it

1445

01:24:01,390 --> 01:23:56,630

and I kind of looked at him put my keys

1446

01:24:02,890 --> 01:24:01,400

so I'm a good two feet away from him and

1447

01:24:04,839 --> 01:24:02,900

he's looking at me

1448

01:24:06,939 --> 01:24:04,849

you know he's followed me is that is

1449

01:24:11,290 --> 01:24:06,949

aids and eyes have followed me in and

1450

01:24:12,540 --> 01:24:11,300

he's you know so he's just like an

1451

01:24:15,720 --> 01:24:12,550

ordinary person

1452

01:24:17,910 --> 01:24:15,730

puts McKee's on breakfast bar stood at

1453

01:24:20,100 --> 01:24:17,920

the other side of him so I've got the

1454

01:24:23,270 --> 01:24:20,110

breakfast bar in between us he's

1455

01:24:27,870 --> 01:24:23,280

slightly to the right of me at this time

1456

01:24:31,200 --> 01:24:27,880

and I'm looking at him thinking well you

1457

01:24:37,050 --> 01:24:31,210

know what you're doing you know the

1458

01:24:42,270 --> 01:24:37,060

thing is I'm in 1 cent building yeah and

1459

01:24:44,330 --> 01:24:42,280

I thought yeah I'm thinking he's it's

1460

01:24:47,820 --> 01:24:44,340

only a few seconds they were stood there

1461

01:24:49,560 --> 01:24:47,830

but it's like the thoughts that were I

1462

01:24:52,200 --> 01:24:49,570

have to actually thoughts going through

1463

01:24:55,350 --> 01:24:52,210

me aid within those few seconds I'm

1464

01:24:57,420 --> 01:24:55,360

thinking oh my mom sent bill during well

1465

01:25:01,400 --> 01:24:57,430

no she told me if she dissent if you're

1466

01:25:04,770 --> 01:25:01,410

gonna send builder I'm gonna minute I

1467

01:25:07,500 --> 01:25:04,780

also helped her to get in my door if

1468

01:25:10,170 --> 01:25:07,510

I've just unlocked it oh maybe she's got

1469

01:25:11,030 --> 01:25:10,180

a spare key but why would the door be

1470

01:25:13,440 --> 01:25:11,040

locked

1471

01:25:16,080 --> 01:25:13,450

surely my mum would have shared with him

1472

01:25:20,190 --> 01:25:16,090

so all these questions I must spin while

1473

01:25:22,230 --> 01:25:20,200

looking at em for long within a few

1474

01:25:25,890 --> 01:25:22,240

seconds all these questions going on in

1475

01:25:30,950 --> 01:25:25,900

me aid and then all of a sudden it's

1476

01:25:33,900 --> 01:25:30,960

gone and that just carries on as normal

1477

01:25:37,860 --> 01:25:33,910

ok some change gets each shower in the

1478

01:25:40,590 --> 01:25:37,870

light you know and nothing else about it

1479

01:25:42,000 --> 01:25:40,600

and at me aid and chalet at that night

1480

01:25:47,610 --> 01:25:42,010

and I thought I've done a minute it was

1481

01:25:49,980 --> 01:25:47,620

that look I know what you mean oblivious

1482

01:25:52,140 --> 01:25:49,990

sometimes I think I've seen some really

1483

01:25:54,990 --> 01:25:52,150

incredible things and I've taken one

1484

01:25:57,630 --> 01:25:55,000

photograph and then walked off yeah yeah

1485

01:26:08,520 --> 01:25:57,640

it said to stay in there and like you

1486

01:26:14,490 --> 01:26:08,530

know capturing the moment sort of

1487

01:26:16,280 --> 01:26:14,500

instances where like the dream question

1488

01:26:18,690 --> 01:26:16,290

mark that yeah the other night where I I

1489

01:26:20,430 --> 01:26:18,700

looked out of the door and I looked up

1490

01:26:22,230 --> 01:26:20,440

I'm you're which direction I was

1491

01:26:25,770 --> 01:26:22,240

supposed to look into see this thing

1492

01:26:29,970 --> 01:26:28,800

and then we took a photograph at sky you

1493

01:26:32,760 --> 01:26:29,980

know you could be doing something

1494

01:26:34,080 --> 01:26:32,770

nothing said to you oh go take a

1495

01:26:36,090 --> 01:26:34,090

photograph at sky

1496

01:26:39,180 --> 01:26:36,100

you know um felt like yourself you know

1497

01:26:40,770 --> 01:26:39,190

I don't even clinician I do anything you

1498

01:26:44,910 --> 01:26:40,780

know and you've gone out took a

1499

01:26:47,520 --> 01:26:44,920

photograph at sky you've zoomed in five

1500

01:26:50,640 --> 01:26:47,530

hours later a daily you've decided to

1501
01:26:53,760 --> 01:26:50,650
look at your photograph have you some

1502
01:26:58,490 --> 01:26:53,770
Dame and there's an unidentified object

1503
01:27:05,310 --> 01:26:58,500
and like one of mine that I had was in

1504
01:27:08,280 --> 01:27:05,320
the chemtrail one and it were like wait

1505
01:27:10,800 --> 01:27:08,290
[h__h] and it has to like it's moving and

1506
01:27:15,300 --> 01:27:10,810
it's got two things coming out of it

1507
01:27:19,200 --> 01:27:15,310
like it's moving like things that are

1508
01:27:20,400 --> 01:27:19,210
blowing out of it well you know it's

1509
01:27:22,830 --> 01:27:20,410
stuff like that

1510
01:27:27,540 --> 01:27:22,840
it's like the day away you go back and

1511
01:27:29,430 --> 01:27:27,550
look at I remember looking one day

1512
01:27:31,830 --> 01:27:29,440
tightening that we bedroom moving stuff

1513
01:27:33,570 --> 01:27:31,840

around and getting the urge excited

1514

01:27:38,300 --> 01:27:33,580

lived you know that house of mine that

1515

01:27:44,670 --> 01:27:41,100

similar the one that I lived in previous

1516

01:27:47,100 --> 01:27:44,680

to this yeah well I was in my bedroom

1517

01:27:48,840 --> 01:27:47,110

when I was like my brain was literally

1518

01:27:51,210 --> 01:27:48,850

saying take some pictures take some

1519

01:27:55,020 --> 01:27:51,220

pictures yes I was on the far floor in

1520

01:27:58,950 --> 01:27:55,030

this massive picture windows and oh but

1521

01:28:02,010 --> 01:27:58,960

it was huge yeah massive and there's a

1522

01:28:03,690 --> 01:28:02,020

fantastic view and so I like I kind of

1523

01:28:05,850 --> 01:28:03,700

ignored it you know like because I was

1524

01:28:08,730 --> 01:28:05,860

doing somewhere like and and then I

1525

01:28:11,370 --> 01:28:08,740

thought oh god alright I'll take some

1526

01:28:13,830 --> 01:28:11,380

pictures you know yeah yeah took some

1527

01:28:16,260 --> 01:28:13,840

photographs of the sky zoomed in there's

1528

01:28:18,600 --> 01:28:16,270

a little sphere zooming about all over

1529

01:28:20,940 --> 01:28:18,610

the place with a little black thing that

1530

01:28:23,400 --> 01:28:20,950

was kind of like going in a way around

1531

01:28:27,240 --> 01:28:23,410

it at one point it looked like there was

1532

01:28:30,300 --> 01:28:27,250

a sphere inside like a little black

1533

01:28:32,430 --> 01:28:30,310

triangle but then it was in the next

1534

01:28:34,319 --> 01:28:32,440

picture which was just second not even

1535

01:28:37,709 --> 01:28:34,329

second

1536

01:28:40,589 --> 01:28:37,719

it was over to the left of it at the top

1537

01:28:45,569 --> 01:28:40,599

left and then like in the middle like a

1538

01:28:51,379 --> 01:28:45,579

strife in anything it was kind of far

1539

01:28:59,580 --> 01:28:58,830

I think why did I get the urge to take

1540

01:29:03,450 --> 01:28:59,590

pictures

1541

01:29:05,640 --> 01:29:03,460

I was really nutter in myself yeah

1542

01:29:08,790 --> 01:29:05,650

why is it we always kind of like just

1543

01:29:13,049 --> 01:29:08,800

look in the right right direction at

1544

01:29:17,520 --> 01:29:13,059

that time I know and do is it some sort

1545

01:29:20,700 --> 01:29:17,530

of spidey sense or is there something

1546

01:29:22,950 --> 01:29:20,710

horrific like going on like they know

1547

01:29:24,600 --> 01:29:22,960

what we're thinking all the time you

1548

01:29:27,450 --> 01:29:24,610

know I said a people you have to get

1549

01:29:29,580 --> 01:29:27,460

used to a lot when yeah you will live

1550

01:29:30,989 --> 01:29:29,590

with this because you have to get used

1551
01:29:31,529 --> 01:29:30,999
to thinking that somebody can read your

1552
01:29:34,799 --> 01:29:31,539
thoughts

1553
01:29:36,899 --> 01:29:34,809
yeah there that your life's not even

1554
01:29:41,009 --> 01:29:36,909
your own that you have another life that

1555
01:29:43,709 --> 01:29:41,019
you don't like yeah yeah like you have

1556
01:29:47,069 --> 01:29:43,719
little glimpse of it and sometimes I can

1557
01:29:51,270 --> 01:29:47,079
see myself doing stuff talking to

1558
01:29:58,560 --> 01:29:51,280
somebody else and I'm like ah you know

1559
01:30:07,529 --> 01:29:58,570
or then I'm looking at people yeah men

1560
01:30:11,580 --> 01:30:07,539
in uniform and you don't I think is as

1561
01:30:13,229 --> 01:30:11,590
you get older I find it easier because

1562
01:30:22,919 --> 01:30:13,239
I'm learning a deal with it in different

1563
01:30:25,500 --> 01:30:22,929

ways yeah it's just easy yeah I sort of

1564

01:30:28,229 --> 01:30:25,510

like put it in a backpack yeah so it's

1565

01:30:33,569 --> 01:30:28,239

like ah it's like on me back yeah and I

1566

01:30:37,200 --> 01:30:33,579

can be it round with me like it's not

1567

01:30:40,049 --> 01:30:37,210

like full of rocks and pulling me

1568

01:30:43,739 --> 01:30:40,059

backwards anymore I mean the Lord is

1569

01:30:47,129 --> 01:30:43,749

like oh and that is in cars one of the

1570

01:30:47,820 --> 01:30:47,139

ways to recover from this is to be able

1571

01:30:50,640 --> 01:30:47,830

to

1572

01:30:54,000 --> 01:30:50,650

talk about it safely yeah without fear

1573

01:30:56,280 --> 01:30:54,010

of the rubber boss being wrong for our

1574

01:30:58,920 --> 01:30:56,290

and you know the long sleeve cardigan

1575

01:31:00,570 --> 01:30:58,930

and although not that the NHS can cope

1576
01:31:01,680 --> 01:31:00,580
with any patients that are either going

1577
01:31:04,290 --> 01:31:01,690
to jump off a building

1578
01:31:06,540 --> 01:31:04,300
never mind believe in this stuff you

1579
01:31:07,950 --> 01:31:06,550
know so everybody out there who thinks

1580
01:31:08,970 --> 01:31:07,960
if you're gonna talk about it you're

1581
01:31:12,210 --> 01:31:08,980
gonna get locked up

1582
01:31:14,280 --> 01:31:12,220
there's no room URI you safe the can't

1583
01:31:15,870 --> 01:31:14,290
lock you up because they're just got the

1584
01:31:22,200 --> 01:31:15,880
funding yeah yeah

1585
01:31:25,560 --> 01:31:22,210
alien delusion so you know you have to

1586
01:31:28,980 --> 01:31:25,570
really really be okay knowing right okay

1587
01:31:31,680 --> 01:31:28,990
I've had an answer for that okay that

1588
01:31:36,480 --> 01:31:31,690

relationships undid because they have to

1589

01:31:39,510 --> 01:31:36,490

go through that you know like just so

1590

01:31:43,500 --> 01:31:39,520

many things just horrors that end up

1591

01:31:45,630 --> 01:31:43,510

being inflicted like I in my soul I knew

1592

01:31:47,940 --> 01:31:45,640

I think that something would happen if

1593

01:31:49,830 --> 01:31:47,950

we went to Anne's together yeah I said

1594

01:31:51,990 --> 01:31:49,840

to you so many times

1595

01:31:53,940 --> 01:31:52,000

think about it think about you sure you

1596

01:31:56,480 --> 01:31:53,950

can't I think you mentioned it for about

1597

01:31:59,280 --> 01:31:56,490

a week I said I'm going I'm going

1598

01:32:03,120 --> 01:31:59,290

because somewhere inside me was saying

1599

01:32:06,450 --> 01:32:03,130

you've got to go as well you know and I

1600

01:32:07,410 --> 01:32:06,460

would go again if as much as horrifying

1601
01:32:11,250 --> 01:32:07,420
as it Wow

1602
01:32:14,610 --> 01:32:11,260
I would go again I think I would but I

1603
01:32:21,750 --> 01:32:14,620
would take a shed load of equipment and

1604
01:32:24,240 --> 01:32:21,760
yeah everything have a van just to set

1605
01:32:27,390 --> 01:32:24,250
up you know we probably died of

1606
01:32:30,960 --> 01:32:27,400
radiation poisoning amongst all that EMF

1607
01:32:32,550 --> 01:32:30,970
going off around us but you know and

1608
01:32:33,780 --> 01:32:32,560
then nothing would happen and that would

1609
01:32:39,500 --> 01:32:33,790
be great but people would be

1610
01:32:42,440 --> 01:32:39,510
disappointed yeah yeah but no like a

1611
01:32:45,270 --> 01:32:42,450
panel debate and Chris French said to me

1612
01:32:48,450 --> 01:32:45,280
well how often does it happen and I said

1613
01:32:51,000 --> 01:32:48,460

well you know it's sporadic and the last

1614

01:32:53,280 --> 01:32:51,010

time was in 2012 and I said if it was

1615

01:32:55,230 --> 01:32:53,290

like other people on the internet say is

1616

01:33:01,750 --> 01:32:55,240

when they come in every night I said I'd

1617

01:33:03,160 --> 01:33:01,760

be like on Big Brother for a rest yeah

1618

01:33:04,629 --> 01:33:03,170

there's a big brother because there's

1619

01:33:07,750 --> 01:33:04,639

cameras everywhere and they will never

1620

01:33:09,790 --> 01:33:07,760

show themselves no so that would be a

1621

01:33:13,560 --> 01:33:09,800

nice little holiday wasn't it you know

1622

01:33:22,450 --> 01:33:13,570

but fortunately it doesn't happen like

1623

01:33:24,520 --> 01:33:22,460

we've had both of us apart yeah like but

1624

01:33:31,180 --> 01:33:24,530

then it stops and it stops for years are

1625

01:33:34,870 --> 01:33:31,190

seemingly oh yeah when I moved to

1626
01:33:37,560 --> 01:33:34,880
Liverpool I remember when we lived in

1627
01:33:41,740 --> 01:33:37,570
chill wall and we were in bed one night

1628
01:33:45,899 --> 01:33:41,750
we were watching TV so you know there

1629
01:33:48,700 --> 01:33:45,909
was light in the room and it looked like

1630
01:33:51,250 --> 01:33:48,710
someone was shining a green light on the

1631
01:33:54,220 --> 01:33:51,260
window and I had loads of things on the

1632
01:33:56,020 --> 01:33:54,230
windowsill and I realize that it's not

1633
01:33:57,430 --> 01:33:56,030
coming from outside because there would

1634
01:34:00,189 --> 01:33:57,440
be a shudder there there would be a

1635
01:34:02,740 --> 01:34:00,199
green bit missing where all the stuff is

1636
01:34:05,649 --> 01:34:02,750
mhm it's like that Green Square is

1637
01:34:08,890 --> 01:34:05,659
projected onto the curtain from inside

1638
01:34:12,100 --> 01:34:08,900

inside yeah right I looked up at the

1639

01:34:14,259 --> 01:34:12,110

ceiling Dave tell you that the ceiling

1640

01:34:16,540 --> 01:34:14,269

and there's like this oblong of green

1641

01:34:18,759 --> 01:34:16,550

light that's like just by the cupboard

1642

01:34:19,689 --> 01:34:18,769

door which is kind of like opposite the

1643

01:34:21,759 --> 01:34:19,699

door that you're going through the

1644

01:34:23,830 --> 01:34:21,769

bedroom it's a cup of dark to the left

1645

01:34:26,020 --> 01:34:23,840

is all the bedroom there's a wall yeah

1646

01:34:28,000 --> 01:34:26,030

there's the door the wall the cupboard

1647

01:34:30,700 --> 01:34:28,010

opposite and then to the left is all of

1648

01:34:33,850 --> 01:34:30,710

the bedroom so in front of this cupboard

1649

01:34:35,890 --> 01:34:33,860

door there was this green light and it

1650

01:34:37,689 --> 01:34:35,900

just slowly moved across the ceilings

1651
01:34:40,810 --> 01:34:37,699
and we were just like on our phones or I

1652
01:34:42,490 --> 01:34:40,820
was reading about you know I got outta

1653
01:34:45,629 --> 01:34:42,500
bed and I'm flapping around with a

1654
01:34:48,339 --> 01:34:45,639
curtain oh wow yeah then I was just like

1655
01:34:50,020 --> 01:34:48,349
Dave's going oh it must be Chris outside

1656
01:34:53,529 --> 01:34:50,030
with his green laser pen I said no

1657
01:34:55,750 --> 01:34:53,539
because there's the box and that there

1658
01:34:57,939 --> 01:34:55,760
would all be a bit missing so it

1659
01:35:01,209 --> 01:34:57,949
wouldn't be a perfect square

1660
01:35:04,029 --> 01:35:01,219
yeah it's got rounded edges in the

1661
01:35:06,669 --> 01:35:04,039
middle of the curtain it's no it's not

1662
01:35:10,060 --> 01:35:06,679
like the whole window it was no sense

1663
01:35:13,930 --> 01:35:10,070

you know yeah back into bed thinking

1664

01:35:15,370 --> 01:35:13,940

yeah it must be something just normal

1665

01:35:17,799 --> 01:35:15,380

like

1666

01:35:21,160 --> 01:35:17,809

can't figure it out right now I watched

1667

01:35:24,549 --> 01:35:21,170

this green light just sort of travel

1668

01:35:26,500 --> 01:35:24,559

across the ceiling towards the door but

1669

01:35:28,209 --> 01:35:26,510

then it just stopped it just vanished

1670

01:35:31,419 --> 01:35:28,219

hmm and the green light on the curtain

1671

01:35:42,310 --> 01:35:31,429

went and you know we were none the wiser

1672

01:35:44,350 --> 01:35:42,320

it was like well that was a bit weird so

1673

01:35:45,339 --> 01:35:44,360

you move on and then next thing happens

1674

01:35:48,689 --> 01:35:45,349

you know it

1675

01:35:52,810 --> 01:35:48,699

oh another thing that don't make sense

1676

01:35:56,410 --> 01:35:52,820

it's it's so difficult to try and make

1677

01:36:00,479 --> 01:35:56,420

sense okay I mean everything that's

1678

01:36:03,700 --> 01:36:00,489

happened to me every one of them as

1679

01:36:05,410 --> 01:36:03,710

every one of my experiences and I can't

1680

01:36:06,279 --> 01:36:05,420

even count how many of these now I've

1681

01:36:10,169 --> 01:36:06,289

just lost count

1682

01:36:12,520 --> 01:36:10,179

but every one of my experiences as a

1683

01:36:16,689 --> 01:36:12,530

familiarity but every one of them is

1684

01:36:19,830 --> 01:36:16,699

different so yeah you know whether it

1685

01:36:23,350 --> 01:36:19,840

involves braids whether it involves a

1686

01:36:25,750 --> 01:36:23,360

UFO whether it you know I mean it's all

1687

01:36:30,100 --> 01:36:25,760

similar but all very different at same

1688

01:36:34,990 --> 01:36:30,110

time so you never know what to expect no

1689

01:36:38,649 --> 01:36:35,000

you know but thank God for the internet

1690

01:36:43,270 --> 01:36:38,659

yeah because you know I was absolutely

1691

01:36:45,339 --> 01:36:43,280

going out of my mind after the UFO thing

1692

01:36:48,160 --> 01:36:45,349

and other things that were happening and

1693

01:36:51,339 --> 01:36:48,170

things I couldn't explain weird download

1694

01:36:53,020 --> 01:36:51,349

things and being like and how people say

1695

01:36:56,560 --> 01:36:53,030

it's sleep paralysis but it's not it was

1696

01:37:00,040 --> 01:36:56,570

like my whole body became electrified

1697

01:37:01,959 --> 01:37:00,050

and kind of like almost you know when

1698

01:37:03,729 --> 01:37:01,969

the electrifying magnets and things and

1699

01:37:06,459 --> 01:37:03,739

it's just kind of got to me like that it

1700

01:37:08,830 --> 01:37:06,469

was like that booth and I couldn't move

1701

01:37:10,450 --> 01:37:08,840

but it was like I was panicking and

1702

01:37:13,870 --> 01:37:10,460

thinking I can't move I don't like it

1703

01:37:18,310 --> 01:37:13,880

yeah and I advise not a voice even just

1704

01:37:21,339 --> 01:37:18,320

this in my head relax yeah and and relax

1705

01:37:23,680 --> 01:37:21,349

and then all this stuff was flashing in

1706

01:37:26,740 --> 01:37:23,690

my mind like it started off with a

1707

01:37:29,440 --> 01:37:26,750

sunflower a beautiful bright yellow

1708

01:37:35,920 --> 01:37:29,450

sunflower on a brilliant blue

1709

01:37:39,970 --> 01:37:35,930

guy yeah and then it was the second

1710

01:37:42,250 --> 01:37:39,980

thing was like a wiring diagram and then

1711

01:37:46,090 --> 01:37:42,260

the third thing was a map and then the

1712

01:37:49,650 --> 01:37:46,100

next thing was this kind of like it was

1713

01:37:51,730 --> 01:37:49,660

like a ball but it was made out of like

1714

01:37:54,670 --> 01:37:51,740

hexagons or something you know whatever

1715

01:37:57,460 --> 01:37:54,680

they all these you know multi-sided [h__h]

1716

01:38:00,370 --> 01:37:57,470

shapes but all together and it was like

1717

01:38:03,130 --> 01:38:00,380

one inside another and there were kind

1718

01:38:05,950 --> 01:38:03,140

of turning and at the left of it it was

1719

01:38:09,310 --> 01:38:05,960

like always it's all black but with

1720

01:38:14,230 --> 01:38:09,320

orange a graphics and it's like data was

1721

01:38:19,120 --> 01:38:14,240

streaming in an imagined to the left and

1722

01:38:21,390 --> 01:38:19,130

then the next thing was like like there

1723

01:38:24,280 --> 01:38:21,400

was a hole inside it and it was like

1724

01:38:28,240 --> 01:38:24,290

sacred it basically what I took from it

1725

01:38:31,870 --> 01:38:28,250

was like sacred geometry and I I kind of

1726

01:38:34,750 --> 01:38:31,880

wondered if this sphere thing might be

1727

01:38:36,130 --> 01:38:34,760

some sort of craft I don't know I had no

1728

01:38:38,260 --> 01:38:36,140

clue it was all too fast

1729

01:38:41,080 --> 01:38:38,270

yeah I was like I said it's too quick I

1730

01:38:43,360 --> 01:38:41,090

can't I can't see it and this thing or

1731

01:38:46,690 --> 01:38:43,370

whatever the feeling the voice the

1732

01:38:51,400 --> 01:38:46,700

thought where as doesn't matter it just

1733

01:38:53,440 --> 01:38:51,410

has to be in there yeah that's you know

1734

01:38:56,080 --> 01:38:53,450

things are going so quick and you can't

1735

01:38:59,020 --> 01:38:56,090

remember it and it's like a time when

1736

01:39:01,450 --> 01:38:59,030

I've been taken in at once and result

1737

01:39:04,630 --> 01:39:01,460

these Grey's around there and they

1738

01:39:06,430 --> 01:39:04,640

pushed me on floor and I feel me you

1739

01:39:10,420 --> 01:39:06,440

know grass is slightly damp and

1740

01:39:12,460 --> 01:39:10,430

everything's so normal and is going to

1741

01:39:15,070 --> 01:39:12,470

remember remember and I'm crying because

1742

01:39:17,800 --> 01:39:15,080

I can't remember what I'm supposed to be

1743

01:39:19,930 --> 01:39:17,810

remembering and the keeps a lessor and

1744

01:39:23,740 --> 01:39:19,940

word and then they all set and the

1745

01:39:25,450 --> 01:39:23,750

talking in unison in the me aid and

1746

01:39:29,350 --> 01:39:25,460

they're all going remember and then they

1747

01:39:31,810 --> 01:39:29,360

tell me that word again and I said I

1748

01:39:34,060 --> 01:39:31,820

can't remember now whether and now I've

1749

01:39:36,670 --> 01:39:34,070

just come a conclusion after thinking I

1750

01:39:39,670 --> 01:39:36,680

should have remembered and I'm thinking

1751

01:39:42,610 --> 01:39:39,680

maybe that saying they were saying I'm a

1752

01:39:43,149 --> 01:39:42,620

daught remember but saying it remember

1753

01:39:47,830 --> 01:39:43,159

and

1754

01:39:50,169 --> 01:39:47,840

sooner rather than say yeah I'll try

1755

01:39:53,319 --> 01:39:50,179

remember ah I can't remember I'm so so

1756

01:39:57,429 --> 01:39:53,329

no you know do you understand what I'm

1757

01:40:00,250 --> 01:39:57,439

saying there yeah I do actually

1758

01:40:03,390 --> 01:40:00,260

yeah you see thing is is that people go

1759

01:40:05,919 --> 01:40:03,400

wild about the skinwalker right

1760

01:40:09,429 --> 01:40:05,929

skinwalker stuff ovens can walk around

1761

01:40:11,949 --> 01:40:09,439

yeah Sherman ranch and all the phenomena

1762

01:40:15,669 --> 01:40:11,959

they're big orange circles over these

1763

01:40:19,929 --> 01:40:15,679

seen them anyway exactly so I'm going

1764

01:40:25,779 --> 01:40:19,939

it's not exclusive to that it happens in

1765

01:40:28,959 --> 01:40:25,789

Bradford that right so I think that all

1766

01:40:30,520 --> 01:40:28,969

of it depends on a living agent now when

1767

01:40:32,649 --> 01:40:30,530

you're living in a city there's gonna be

1768

01:40:34,540 --> 01:40:32,659

more than one is it they're not going to

1769

01:40:35,919 --> 01:40:34,550

just like you could be living next to

1770

01:40:41,350 --> 01:40:35,929

you next down there but they could be

1771

01:40:43,179 --> 01:40:41,360

taking about the same contactee

1772

01:40:44,109 --> 01:40:43,189

abducting experience or whatever you

1773

01:40:45,399 --> 01:40:44,119

want to call it

1774

01:40:48,339 --> 01:40:45,409

I won't know I'm this straight if

1775

01:40:51,399 --> 01:40:48,349

there's anyone else possibly A's I won't

1776

01:40:55,479 --> 01:40:51,409

know because I open up so like you say

1777

01:40:58,169 --> 01:40:55,489

it's not exclusive to one area it's not

1778

01:41:01,600 --> 01:40:58,179

exclusive to the countryside it is

1779

01:41:04,989 --> 01:41:01,610

anywhere could be a block of flats it

1780

01:41:08,560 --> 01:41:04,999

could be a house it's anywhere and

1781

01:41:11,500 --> 01:41:08,570

everywhere and anyone really you know

1782

01:41:13,359 --> 01:41:11,510

and like I said they are in sphere when

1783

01:41:15,310 --> 01:41:13,369

I saw it and it were opening it on the

1784

01:41:18,699 --> 01:41:15,320

one that would ground in the school

1785

01:41:22,089 --> 01:41:18,709

ground and there was three of them they

1786

01:41:25,120 --> 01:41:22,099

were in a triangular this laid out like

1787

01:41:27,129 --> 01:41:25,130

a triangular shape but there wasn't

1788

01:41:30,359 --> 01:41:27,139

together I don't think that were

1789

01:41:33,129 --> 01:41:30,369

together anywhere and one particular one

1790

01:41:35,799 --> 01:41:33,139

and it were opening up like a doll where

1791

01:41:39,069 --> 01:41:35,809

not a doorway as you open it up yeah

1792

01:41:41,979 --> 01:41:39,079

well like you could see beyond this it

1793

01:41:43,899 --> 01:41:41,989

will like add or not but they sent a bit

1794

01:41:47,290 --> 01:41:43,909

of the door not one up and you could see

1795

01:41:50,199 --> 01:41:47,300

it squashed in but you can't see it I

1796

01:41:53,529 --> 01:41:50,209

can describe it now as and as years are

1797

01:41:56,619 --> 01:41:53,539

going on I can I can describe it better

1798

01:41:59,290 --> 01:41:56,629

have more words for it and

1799

01:42:03,429 --> 01:41:59,300

so this thing opens up like it were

1800

01:42:05,560 --> 01:42:03,439

pulsing like it were alive and it's so

1801
01:42:07,750 --> 01:42:05,570
clean up and then claws in an opening up

1802
01:42:13,259 --> 01:42:07,760
and every time it opened door

1803
01:42:18,159 --> 01:42:13,269
they all got bigger and every time it

1804
01:42:19,899 --> 01:42:18,169
got smaller the gap the smaller gap got

1805
01:42:22,540 --> 01:42:19,909
do you know I'm also getting bigger and

1806
01:42:29,349 --> 01:42:22,550
pulsating and bigger and pulsing and it

1807
01:42:32,729 --> 01:42:29,359
I could see straight through Bob I saw

1808
01:42:37,060 --> 01:42:32,739
him job on the guy and I swear now I

1809
01:42:41,229 --> 01:42:37,070
believe that that is a living biological

1810
01:42:44,469 --> 01:42:41,239
thing not you know I met somebody

1811
01:42:47,469 --> 01:42:44,479
recently parlor called Daron Cooper who

1812
01:42:51,250 --> 01:42:47,479
has seen something which is a big red

1813
01:42:55,330 --> 01:42:51,260

circle fact that is flying with a delta

1814

01:42:58,509 --> 01:42:55,340

wing object with multiple white lights

1815

01:43:02,379 --> 01:42:58,519

and he said he saw it and it was a line

1816

01:43:05,889 --> 01:43:02,389

I know you two need to talk to yeah

1817

01:43:08,500 --> 01:43:05,899

friend requesting but and I'm yeah I'm

1818

01:43:11,469 --> 01:43:08,510

no I'm no time well other people say oh

1819

01:43:13,689 --> 01:43:11,479

no it's my man baby named Amy and I'm

1820

01:43:20,199 --> 01:43:13,699

like if you want their I saw where I

1821

01:43:23,919 --> 01:43:20,209

know that that object is alive and it

1822

01:43:26,589 --> 01:43:23,929

I got seen it life is in like me you

1823

01:43:32,439 --> 01:43:26,599

work at a dog or whatever but it is a

1824

01:43:36,040 --> 01:43:32,449

living thing and so what I'm seeing

1825

01:43:38,889 --> 01:43:36,050

beyond this is it opens up more and more

1826

01:43:40,449 --> 01:43:38,899

I can see beyond I can see the field

1827

01:43:42,580 --> 01:43:40,459

behind it

1828

01:43:47,399 --> 01:43:42,590

I can see one of the school buildings

1829

01:43:50,109 --> 01:43:47,409

behind it so this all in job and then

1830

01:43:52,500 --> 01:43:50,119

but I was out John I'm looking at that I

1831

01:43:56,379 --> 01:43:52,510

didn't see what appeared they mean that

1832

01:44:02,979 --> 01:43:56,389

doorway but in a doorway because it's

1833

01:44:05,770 --> 01:44:02,989

round it was a grade that was stood

1834

01:44:09,279 --> 01:44:05,780

there you know and it walked out it was

1835

01:44:10,300 --> 01:44:09,289

you know I once the only time I would

1836

01:44:13,300 --> 01:44:10,310

say

1837

01:44:15,000 --> 01:44:13,310

I wasn't scared of it and I didn't I

1838

01:44:18,670 --> 01:44:15,010

didn't even know it won't win a mine

1839

01:44:20,950 --> 01:44:18,680

there are no as energy because they

1840

01:44:23,710 --> 01:44:20,960

don't have the personnel their

1841

01:44:28,000 --> 01:44:23,720

personalities and energy their name is

1842

01:44:30,730 --> 01:44:28,010

the energy it's this energy is them and

1843

01:44:33,430 --> 01:44:30,740

it's all they're all unique energies

1844

01:44:38,590 --> 01:44:33,440

I got saying it for everybody this is

1845

01:44:41,110 --> 01:44:38,600

from my point of view you know well yeah

1846

01:44:44,140 --> 01:44:41,120

it's an energy no no no I ain't seen

1847

01:44:46,690 --> 01:44:44,150

this energy before ah you know felt this

1848

01:44:48,370 --> 01:44:46,700

energy coming from this grid this is a

1849

01:44:51,610 --> 01:44:48,380

newbie I don't know yo and it's walking

1850

01:44:55,840 --> 01:44:51,620

wild man and as I'm at one side of the

1851

01:45:00,280 --> 01:44:55,850

phone says at the other and I am me ex

1852

01:45:03,010 --> 01:45:00,290

with me and I'm going oh look at that

1853

01:45:05,440 --> 01:45:03,020

woman oh no he's going look at that

1854

01:45:13,450 --> 01:45:05,450

little old woman am I good I know a law

1855

01:45:16,330 --> 01:45:13,460

woman and I could feel it it's not much

1856

01:45:19,330 --> 01:45:16,340

personality but what they do have makes

1857

01:45:24,640 --> 01:45:19,340

me laugh because they have this slight

1858

01:45:29,680 --> 01:45:24,650

slight slight my new sense of emotion

1859

01:45:33,820 --> 01:45:29,690

and I felt it kind of a laugh coming

1860

01:45:37,570 --> 01:45:33,830

from it and anything which comes across

1861

01:45:40,600 --> 01:45:37,580

as a laugh you know what that's our time

1862

01:45:42,850 --> 01:45:40,610

you're so hard to this yeah there and

1863

01:45:46,720 --> 01:45:42,860

like I've always said so you know I

1864

01:45:51,700 --> 01:45:46,730

think the word as much as authors as

1865

01:45:55,150 --> 01:45:51,710

what we learn off them yeah and that was

1866

01:45:56,710 --> 01:45:55,160

like it's like telepathy people think

1867

01:46:01,360 --> 01:45:56,720

they have all these complicated ideas

1868

01:46:04,510 --> 01:46:01,370

about its just feeling and seeing insane

1869

01:46:05,920 --> 01:46:04,520

sitting it's like you know mixing all

1870

01:46:08,980 --> 01:46:05,930

the signals up mm-hmm

1871

01:46:10,240 --> 01:46:08,990

you know intellectualize in every moment

1872

01:46:14,620 --> 01:46:10,250

you know I mean it doesn't have so

1873

01:46:17,110 --> 01:46:14,630

straight sound you can look at something

1874

01:46:19,480 --> 01:46:17,120

like we do it all the time me my kids do

1875

01:46:22,960 --> 01:46:19,490

it all the time you know I'm in mom

1876

01:46:24,520 --> 01:46:22,970

phone calls blah injuries she it's

1877

01:46:26,979 --> 01:46:24,530

herself I yourself said

1878

01:46:32,159 --> 01:46:26,989

and we live 70 miles apart you know it's

1879

01:46:34,959 --> 01:46:32,169

always kind of crazy crazy stuff it just

1880

01:46:37,779 --> 01:46:34,969

makes you sound like you're insane and

1881

01:46:40,149 --> 01:46:37,789

that you're just making summer out and

1882

01:46:41,979 --> 01:46:40,159

nothing and and it's like yeah well I

1883

01:46:43,810 --> 01:46:41,989

have actually thought about that along

1884

01:46:46,149 --> 01:46:43,820

and I have actually thought that I'm

1885

01:46:48,279 --> 01:46:46,159

crazy more times and any of you lot

1886

01:46:51,580 --> 01:46:48,289

couldn't even thought that put together

1887

01:46:54,209 --> 01:46:51,590

there you know like 20 million times a

1888

01:46:56,199 --> 01:46:54,219

day but then I have to fall back on

1889

01:46:59,080 --> 01:46:56,209

actually know you've seen all those

1890

01:47:01,870 --> 01:46:59,090

people and all those pick all the

1891

01:47:06,069 --> 01:47:01,880

psychologists therapists I like of this

1892

01:47:11,020 --> 01:47:06,079

something you know as you know years ago

1893

01:47:13,989 --> 01:47:11,030

I nearly lost my job through it stopping

1894

01:47:17,889 --> 01:47:13,999

a few didn't iron do you know what I'm

1895

01:47:21,399 --> 01:47:17,899

sick of lying on job application says oh

1896

01:47:27,639 --> 01:47:21,409

yes I do swimming oh I play golf

1897

01:47:29,770 --> 01:47:27,649

oh so [h__h] excuse me you weren't a

1898

01:47:33,419 --> 01:47:29,780

normai in chester I'm gonna tell you you

1899

01:47:36,729 --> 01:47:33,429

know and through that I got called

1900

01:47:40,359 --> 01:47:36,739

mentally unstable are what something to

1901

01:47:41,799 --> 01:47:40,369

them words one yeah they didn't know

1902

01:47:43,929 --> 01:47:41,809

that you were fit for your current

1903

01:47:45,819 --> 01:47:43,939

position and that you might be mentally

1904

01:47:47,589 --> 01:47:45,829

unstable because you'd put that you're

1905

01:47:50,620 --> 01:47:47,599

likely you were interested in X or

1906

01:47:52,779 --> 01:47:50,630

politics you didn't say no you didn't

1907

01:47:55,779 --> 01:47:52,789

say anything like that just XO politics

1908

01:47:59,020 --> 01:47:55,789

and the study of you know and the

1909

01:48:00,489 --> 01:47:59,030

pre-empting of what would we do if life

1910

01:48:03,759 --> 01:48:00,499

from other planets or other places

1911

01:48:06,189 --> 01:48:03,769

arrived here you know people are kind of

1912

01:48:09,100 --> 01:48:06,199

working on that idea and trying to come

1913

01:48:11,439 --> 01:48:09,110

up with you know what is the best way to

1914

01:48:14,020 --> 01:48:11,449

handle that situation and because of her

1915

01:48:15,489 --> 01:48:14,030

they rang up your Boston yeah and said

1916

01:48:17,199 --> 01:48:15,499

oh we don't think she's right in the air

1917

01:48:25,929 --> 01:48:17,209

and your boss said well tough she's

1918

01:48:27,489 --> 01:48:25,939

worked for me for six months 11 year but

1919

01:48:36,819 --> 01:48:27,499

you've been with him for six years when

1920

01:48:37,410 --> 01:48:36,829

I first listened to me cuz I know what

1921

01:48:39,510 --> 01:48:37,420

I'm talking

1922

01:48:43,620 --> 01:48:39,520

about anyway parlor you know we've come

1923

01:48:51,570 --> 01:48:43,630

to the end of the show oh no I'm gonna

1924

01:48:53,790 --> 01:48:51,580

have to bring ya a rough idea what we

1925

01:49:04,979 --> 01:48:53,800

were going to talk about today we talked

1926

01:49:06,450 --> 01:49:04,989

about the eyes bodies so yeah yeah yeah

1927

01:49:08,640 --> 01:49:06,460

because paula was told about the eyes

1928

01:49:10,350 --> 01:49:08,650

and I was told about when the way when

1929

01:49:13,070 --> 01:49:10,360

people say that scene I mean clothing

1930

01:49:16,560 --> 01:49:13,080

silver suits and helmets and stuff I

1931

01:49:18,959 --> 01:49:16,570

know why and Paula knows how the eyes

1932

01:49:20,160 --> 01:49:18,969

work yes sir that's for another show I'm

1933

01:49:25,560 --> 01:49:20,170

sorry I'm gonna have to leave you on a

1934

01:49:29,550 --> 01:49:25,570

cliffhanger there thank you it's been a

1935

01:49:33,390 --> 01:49:29,560

pleasure so right everybody next week

1936

01:49:35,790 --> 01:49:33,400

another guest another a surprise in the

1937

01:49:38,220 --> 01:49:35,800

meantime you can catch me on facebook on

1938

01:49:41,040 --> 01:49:38,230

the paranormal mysteries on a and W

1939

01:49:45,150 --> 01:49:41,050

Facebook page and I'm on Twitter with

1940

01:49:47,189 --> 01:49:45,160

about 5 people following me and and

1941

01:49:50,820 --> 01:49:47,199

following about five as well so you know

1942

01:49:51,750 --> 01:49:50,830

if you could stop by might even start

1943

01:49:54,240 --> 01:49:51,760

posting on it
