paranormal mysteries of access Northwest

16

00:00:41,780 --> 00:00:39,260

community radio here in lovely Liverpool

17

00:00:43,940 --> 00:00:41,790

tonight my guest is someone I've known

18

00:00:46,729 --> 00:00:43,950

for a couple of years and we started

19

00:00:49,400 --> 00:00:46,739

talking because of my investigation into

20

00:00:50,959 --> 00:00:49,410

the Larry Warren fraud and I must admit

21

00:00:53,720 --> 00:00:50,969

at first I didn't really know what to

22

00:00:56,930 --> 00:00:53,730

make of him but quickly realized he is

23

00:00:58,430 --> 00:00:56,940

as ferocious about the truth as most of

24

00:01:01,010 --> 00:00:58,440

the friends that I've made this past few

25

00:01:03,410 --> 00:01:01,020

years actually and once I got to know

26
00:01:05,060 --> 00:01:03,420
Darren I came to understand that he was

27
00:01:07,429 --> 00:01:05,070
more like me than either of us would

28
00:01:10,370 --> 00:01:07,439
like to be and that is because we have

29
00:01:13,580 --> 00:01:10,380
both come literally face to face with a

30
00:01:16,460 --> 00:01:13,590
craft of unknown origin and what he saw

31
00:01:19,340 --> 00:01:16,470
changed him forever in an instant it was

32
00:01:21,530 --> 00:01:19,350
so huge and profound that four years

33
00:01:24,170 --> 00:01:21,540
later is literally still absolutely

34
00:01:26,060 --> 00:01:24,180
stunned by it and as I had a hard time

35
00:01:28,429 --> 00:01:26,070
even process in it which is something

36
00:01:32,090 --> 00:01:28,439
else I can totally understand because

37
00:01:34,190 --> 00:01:32,100
it's nearly 22 years since our event but

38
00:01:36,200 --> 00:01:34,200

it might as well have been last week and

39

00:01:39,350 --> 00:01:36,210

I guess I could probably say that for

40

00:01:42,649 --> 00:01:39,360

both of us and he currently researches

41

00:01:44,810 --> 00:01:42,659

UFOs and the associated topics and like

42

00:01:48,230 --> 00:01:44,820

myself he's a bit of a fraud buster and

43

00:01:50,450 --> 00:01:48,240

he runs a Facebook group ET UFO Hunters

44

00:01:52,700 --> 00:01:50,460

which is a really cool group actually

45

00:01:55,760 --> 00:01:52,710

and we do a lot of debunking and dismiss

46

00:01:58,819 --> 00:01:55,770

in and you know trying to find the truth

47

00:02:00,920 --> 00:01:58,829

in there it's a good bunch of people so

48

00:02:04,399 --> 00:02:00,930

I'd like to welcome and Darren Cooper to

49

00:02:07,150 --> 00:02:04,409

the show hi Darren I start her thank you

50

00:02:10,130 --> 00:02:07,160

for the awesome welcome

51
00:02:12,380 --> 00:02:10,140
I've actually been dying to talk to you

52
00:02:13,030 --> 00:02:12,390
for ages because we met last year didn't

53
00:02:17,710 --> 00:02:13,040
we

54
00:02:21,110 --> 00:02:17,720
the outer limits conference in Hull

55
00:02:22,940 --> 00:02:21,120
which was a really good conference

56
00:02:28,730 --> 00:02:22,950
actually I recommend it for next year if

57
00:02:34,580 --> 00:02:28,740
anybody's listening and so you had a

58
00:02:38,300 --> 00:02:34,590
really crazy crazy experience in 2014

59
00:02:41,660 --> 00:02:38,310
but because I know how it all came about

60
00:02:45,140 --> 00:02:41,670
I realize that you must have had an

61
00:02:48,770 --> 00:02:45,150
interest in UFOs before this happened to

62
00:02:51,890 --> 00:02:48,780
you and I just wondered what was it that

63
00:02:56,360 --> 00:02:51,900

actually attracted you to the subject in

64

00:02:57,160 --> 00:02:56,370

the first place oh that's a great

65

00:03:01,600 --> 00:02:57,170

question

66

00:03:05,170 --> 00:03:01,610

well this is going to sound very strange

67

00:03:08,810 --> 00:03:05,180

do you remember the Gary McKenna me I do

68

00:03:12,110 --> 00:03:08,820

you do yeah at that that specific moment

69

00:03:14,210 --> 00:03:12,120

in time I was watching what was going on

70

00:03:16,970 --> 00:03:14,220

with this gentleman and it festered

71

00:03:20,030 --> 00:03:16,980

fascinated me that he was chasing dr.

72

00:03:24,320 --> 00:03:20,040

Steven Greer at the same time and his

73

00:03:28,820 --> 00:03:24,330

fascination with white seen done c5 etc

74

00:03:32,600 --> 00:03:28,830

and that just caught my attention but I

75

00:03:35,020 --> 00:03:32,610

think way before that I'd seen things in

76

00:03:38,990 --> 00:03:35,030

the sky and probably dismissed them as

77

00:03:41,930 --> 00:03:39,000

now it can't be mm-hmm and there's a

78

00:03:46,759 --> 00:03:41,940

realization of actually doing that

79

00:03:51,310 --> 00:03:46,769

yourself is a step too far in some

80

00:03:53,810 --> 00:03:51,320

people's eyes but yeah dr. gary mckinnon

81

00:03:58,090 --> 00:03:53,820

it was the same time as that so

82

00:04:00,560 --> 00:03:58,100

basically I I went and bought the app

83

00:04:02,390 --> 00:04:00,570

from this first video I saw he was

84

00:04:06,020 --> 00:04:02,400

advertising the app so I went and bought

85

00:04:07,400 --> 00:04:06,030

that always this dr. Steven Greer yeah

86

00:04:10,430 --> 00:04:07,410

right because I thought you weren't gary

87

00:04:13,789 --> 00:04:10,440

mckinnon for a second oh sorry my addled

88

00:04:18,219 --> 00:04:13,799

mind so Gary McKinnon was the gentleman

89

00:04:22,520 --> 00:04:18,229

that hacked NASA after dr. Steven Greer

90

00:04:26,490 --> 00:04:22,530

explanation of there's craft behind the

91

00:04:28,440 --> 00:04:26,500

moon etc and he wanted to find that and

92

00:04:31,050 --> 00:04:28,450

he did we don't know because we haven't

93

00:04:33,780 --> 00:04:31,060

seen them but yeah yeah this said that

94

00:04:35,790 --> 00:04:33,790

he'd hacked into the Pentagon didn't a

95

00:04:39,240 --> 00:04:35,800

and ruined all these terminals but Ollie

96

00:04:40,590 --> 00:04:39,250

does he's a snoop about which is pretty

97

00:04:42,000 --> 00:04:40,600

much what every other country in the

98

00:04:48,330 --> 00:04:42,010

world has probably been doing as well

99

00:04:50,370 --> 00:04:48,340

because if this guy bedroom mu chewed

100

00:04:52,860 --> 00:04:50,380

through all these like top-secret

101
00:04:54,300 --> 00:04:52,870
computers and who would who else would

102
00:04:56,490 --> 00:04:54,310
it be doing that you know that room

103
00:04:58,530 --> 00:04:56,500
wouldn't yeah I know that was a crazy

104
00:05:00,450 --> 00:04:58,540
crazy story what ever happened to him I

105
00:05:03,270 --> 00:05:00,460
don't really I'm certainly went off by

106
00:05:05,340 --> 00:05:03,280
and added all that yeah believe you got

107
00:05:08,310 --> 00:05:05,350
off with it I'm following on following

108
00:05:13,010 --> 00:05:08,320
him on YouTube he's not allowed a

109
00:05:16,680 --> 00:05:13,020
computer so he's going around me yeah

110
00:05:18,270 --> 00:05:16,690
that's interesting about that because it

111
00:05:20,070 --> 00:05:18,280
was pretty scary for a while wasn't it

112
00:05:24,420 --> 00:05:20,080
there were threatening it with 70 years

113
00:05:26,280 --> 00:05:24,430

imprisonment it's just wild 5,000 pound

114

00:05:30,540 --> 00:05:26,290

damage to each console we touched that's

115

00:05:32,159 --> 00:05:30,550

right absolute rubbish yeah they said

116

00:05:35,100 --> 00:05:32,169

he'd planted a virus or something didn't

117

00:05:39,230 --> 00:05:35,110

I said that yeah destroyed two terminals

118

00:05:41,219 --> 00:05:39,240

yeah nice and Sharon's claimed their

119

00:05:43,710 --> 00:05:41,229

governments to 'putin uff can leave the

120

00:05:46,620 --> 00:05:43,720

back northern Oakland saying you have to

121

00:05:48,810 --> 00:05:46,630

wonder you have to really wonder and so

122

00:05:51,060 --> 00:05:48,820

it was Gary McKinnon that got you on to

123

00:05:53,040 --> 00:05:51,070

Steven Greer was a sort of attracted

124

00:05:55,440 --> 00:05:53,050

your attention his way so pretty much

125

00:05:58,530 --> 00:05:55,450

yeah and you bought an app on your phone

126

00:06:03,900 --> 00:05:58,540

for your phone I did right so tell me

127

00:06:07,320 --> 00:06:03,910

about them well this is mine think but

128

00:06:10,680 --> 00:06:07,330

we'd have to start from before we went

129

00:06:12,180 --> 00:06:10,690

to the serious promo starter you want

130

00:06:16,530 --> 00:06:12,190

darling start right back at the

131

00:06:20,010 --> 00:06:16,540

beginning and tell us the story yeah so

132

00:06:22,770 --> 00:06:20,020

I bought the app after following Gary

133

00:06:24,719 --> 00:06:22,780

McKinnon after Steven Greer and

134

00:06:28,290 --> 00:06:24,729

basically the first video I ever watched

135

00:06:31,440 --> 00:06:28,300

a dr. Steven Greer was associated with

136

00:06:33,630 --> 00:06:31,450

the app and contact and I just thought

137

00:06:37,190 --> 00:06:33,640

is enough easy easy

138

00:06:39,959 --> 00:06:37,200

just talking [\h__\h] excuse me yes fine but

139

00:06:43,589 --> 00:06:39,969

I

140

00:06:47,279 --> 00:06:43,599

found out myself personally by using the

141

00:06:51,889 --> 00:06:47,289

app at home using the short meditation

142

00:06:55,529 --> 00:06:51,899

and basically walk out into my garden

143

00:06:57,539 --> 00:06:55,539

this is within three minutes of using

144

00:07:01,259 --> 00:06:57,549

the app for the first time or maybe the

145

00:07:03,269 --> 00:07:01,269

second time using it full walked out

146

00:07:06,629 --> 00:07:03,279

into the garden and I see this beautiful

147

00:07:10,379 --> 00:07:06,639

glowing orb just literally like it's

148

00:07:13,949 --> 00:07:10,389

come through a curtain a doorway another

149

00:07:15,959 --> 00:07:13,959

dimension and my eyes had to look you

150

00:07:17,309 --> 00:07:15,969

know when you take a double look yeah I

151
00:07:19,019 --> 00:07:17,319
do mother

152
00:07:23,699 --> 00:07:19,029
Brian didn't understand what was going

153
00:07:25,979 --> 00:07:23,709
on and obviously that freaked me up it

154
00:07:27,509 --> 00:07:25,989
started swimming towards me I say

155
00:07:32,399 --> 00:07:27,519
swimming because it was swimming like a

156
00:07:33,719 --> 00:07:32,409
fish and comets meteors and shooting

157
00:07:36,509 --> 00:07:33,729
stars whatever people want to call them

158
00:07:39,449 --> 00:07:36,519
they don't do that they don't swim

159
00:07:42,119 --> 00:07:39,459
directly to you I know I panic it's the

160
00:07:48,029 --> 00:07:42,129
first time I've ever seen anything come

161
00:07:50,279 --> 00:07:48,039
after using their bloody hat so things

162
00:07:52,469 --> 00:07:50,289
started clicking in my brain I've just

163
00:07:54,629 --> 00:07:52,479

using it was it the meditation was at me

164

00:07:59,879 --> 00:07:54,639

and I'm questioning myself everywhere I

165

00:08:05,219 --> 00:07:59,889

go and this thing came straight towards

166

00:08:08,729 --> 00:08:05,229

me make three four hundred feet away at

167

00:08:11,609 --> 00:08:08,739

least came straight towards me then the

168

00:08:16,259 --> 00:08:11,619

material I was right in front of me no

169

00:08:19,139 --> 00:08:16,269

tail it was glowing bluish white amazing

170

00:08:23,969 --> 00:08:19,149

looking thing yeah so that was that was

171

00:08:27,779 --> 00:08:23,979

um one strange unexpected encounter

172

00:08:28,829 --> 00:08:27,789

afternoon using an app that I didn't

173

00:08:31,309 --> 00:08:28,839

think would work I thought it was

174

00:08:36,899 --> 00:08:33,929

maybe the app put your mind in the right

175

00:08:41,309 --> 00:08:36,909

place to attract it you'll see it you

176

00:08:43,589 --> 00:08:41,319

know who knows how it works but I think

177

00:08:46,850 --> 00:08:43,599

a living agent is really important this

178

00:08:53,040 --> 00:08:46,860

phenomena definitely

179

00:08:55,860 --> 00:08:53,050

sorry-sorry after that we yeah we

180

00:08:59,610 --> 00:08:55,870

used it at Christian with mum's house at

181

00:09:02,519 --> 00:08:59,620

one stage and we are we had been fashion

182

00:09:05,820 --> 00:09:02,529

flashing back us as a response yeah

183

00:09:08,100 --> 00:09:05,830

again after the medication flashbacks in

184

00:09:10,139 --> 00:09:08,110

the sky we're thinking that all that

185

00:09:13,230 --> 00:09:10,149

many miles away thousands of miles away

186

00:09:18,000 --> 00:09:13,240

but huge bright beautiful white clean

187

00:09:22,380 --> 00:09:18,010

light so that that was a couple that

188

00:09:24,240 --> 00:09:22,390

we've had this is before 2014 and before

189

00:09:27,750 --> 00:09:24,250

we'd actually met dr. Steven Greer in

190

00:09:31,680 --> 00:09:27,760

London you always with your friend when

191

00:09:34,139 --> 00:09:31,690

these things happen not all the time no

192

00:09:39,540 --> 00:09:34,149

I've been interesting they're normally

193

00:09:41,430 --> 00:09:39,550

in itself yeah I seem to have on film as

194

00:09:44,329 --> 00:09:41,440

well than swimming through the walls but

195

00:09:47,069 --> 00:09:44,339

I'm not convinced they didn't duh but I

196

00:09:50,940 --> 00:09:47,079

haven't posted that one this I know what

197

00:09:52,949 --> 00:09:50,950

online like is here yeah I think we need

198

00:09:55,199 --> 00:09:52,959

other sort of bits of correlating data

199

00:10:01,079 --> 00:09:55,209

for arms don't with these days because a

200

00:10:03,210 --> 00:10:01,089

lot of it is yeah I've actually felt one

201
00:10:04,889 --> 00:10:03,220
on me I felt something freezing cold

202
00:10:13,040 --> 00:10:04,899
running up my arm so I took a picture

203
00:10:15,600 --> 00:10:13,050
and exactly you know on the shoulder

204
00:10:27,079 --> 00:10:15,610
yeah I was tapped on the shoulder in a

205
00:10:32,550 --> 00:10:30,389
every single person that I talked to who

206
00:10:34,740 --> 00:10:32,560
had an experience that they've either

207
00:10:36,300 --> 00:10:34,750
had this stuff before but not really

208
00:10:39,840 --> 00:10:36,310
paid any minds were in some sort of

209
00:10:41,490 --> 00:10:39,850
massive happens ah you know everything

210
00:10:43,439 --> 00:10:41,500
starts happening afterwards and they're

211
00:10:45,329 --> 00:10:43,449
like you know having all these kind of

212
00:10:48,000 --> 00:10:45,339
all the paranormal experiences it's like

213
00:10:49,350 --> 00:10:48,010

either opens up a part I think it opens

214

00:10:52,740 --> 00:10:49,360

something up in us I think that's what

215

00:10:53,220 --> 00:10:52,750

it does yeah definitely mm-hmm couldn't

216

00:10:55,230 --> 00:10:53,230

agree more

217

00:10:57,269 --> 00:10:55,240

yeah like shaman's they do all these

218

00:11:00,030 --> 00:10:57,279

kind of similar kind of stuff he's

219

00:11:03,030 --> 00:11:00,040

relatable the fear the trauma you know

220

00:11:05,639 --> 00:11:03,040

kind of yeah yeah you know I'm saying

221

00:11:06,500 --> 00:11:05,649

that it's kind of I think trauma

222

00:11:09,170 --> 00:11:06,510

actually are

223

00:11:12,800 --> 00:11:09,180

a part of our mind that would hit her to

224

00:11:16,310 --> 00:11:12,810

be dharman maybe but anyway yeah January

225

00:11:18,980 --> 00:11:16,320

12th yes certainly what what sorry

226

00:11:23,300 --> 00:11:18,990

that's what it did to me yeah in 2014

227

00:11:26,390 --> 00:11:23,310

yeah but several occurrences where we've

228

00:11:28,130 --> 00:11:26,400

had them responding maybe just taking

229

00:11:30,920 --> 00:11:28,140

the dog for a walk around Emily not

230

00:11:33,170 --> 00:11:30,930

doing meditation at all in fact not

231

00:11:33,800 --> 00:11:33,180

calling them at all just literally

232

00:11:36,740 --> 00:11:33,810

skywatching

233

00:11:39,970 --> 00:11:36,750

within minutes we can have them showing

234

00:11:56,180 --> 00:11:39,980

up coming through some kind of doorway

235

00:11:58,400 --> 00:11:56,190

no absolutely bizarre so just if this

236

00:11:59,960 --> 00:11:58,410

light came down and then it split into

237

00:12:01,940 --> 00:11:59,970

three in the three went in three

238

00:12:03,980 --> 00:12:01,950

different directions and it wasn't a

239

00:12:06,410 --> 00:12:03,990

firework because it came downwards and

240

00:12:08,930 --> 00:12:06,420

it didn't make any noise yes and these

241

00:12:10,670 --> 00:12:08,940

three things they just went in different

242

00:12:12,200 --> 00:12:10,680

directions and they went down behind the

243

00:12:14,810 --> 00:12:12,210

houses which they were obviously miles

244

00:12:20,390 --> 00:12:14,820

away but and we were on the hill boys

245

00:12:23,600 --> 00:12:20,400

like wow yeah I've been catching them on

246

00:12:26,690 --> 00:12:23,610

a catch among film as well and having

247

00:12:30,740 --> 00:12:26,700

that dismissed is that's heart-wrenching

248

00:12:34,850 --> 00:12:30,750

I was there yeah no means is that

249

00:12:36,140 --> 00:12:34,860

feeling I was there I saw it and trust

250

00:12:41,050 --> 00:12:36,150

me you'll feel it you'll know will

251

00:12:43,880 --> 00:12:41,060

appear yeah so in them I think it was

252

00:12:47,360 --> 00:12:43,890

2013 we went to the London London Buster

253

00:12:49,390 --> 00:12:47,370

theatre for the red carpet premiere and

254

00:12:52,940 --> 00:12:49,400

we explained to dr. Greer that we had

255

00:12:56,120 --> 00:12:52,950

responses literally playing with the app

256

00:12:59,180 --> 00:12:56,130

not doing it properly because I'm

257

00:13:00,970 --> 00:12:59,190

unaware of how to do this I'm checking

258

00:13:04,610 --> 00:13:00,980

it out just to see if it works

259

00:13:07,220 --> 00:13:04,620

so I'm explaining this to dr. Steven

260

00:13:11,930 --> 00:13:07,230

Greer and he's saying ask them to come

261

00:13:14,420 --> 00:13:11,940

closer and I'm like seriously well how

262

00:13:16,220 --> 00:13:14,430

did you do that see I'm at that moment

263

00:13:16,550 --> 00:13:16,230

in time I still don't know what I'm

264

00:13:19,910 --> 00:13:16,560

doing

265

00:13:22,250 --> 00:13:19,920

yeah so I'm using an app thinking

266

00:13:25,699 --> 00:13:22,260

well this is his madness this is not

267

00:13:27,379 --> 00:13:25,709

going to work but like everyone says

268

00:13:31,160 --> 00:13:27,389

you've got to try it

269

00:13:34,639 --> 00:13:31,170

trust me you gotta try it so yeah after

270

00:13:35,569 --> 00:13:34,649

explaining that we'd had responses we'd

271

00:13:40,069 --> 00:13:35,579

called them down

272

00:13:42,310 --> 00:13:40,079

supposedly using his app he asked us to

273

00:13:45,050 --> 00:13:42,320

get them closer or ask them nicely

274

00:13:51,740 --> 00:13:45,060

within your conscious thought to come

275

00:13:57,110 --> 00:13:51,750

closer so we go away from London meeting

276
00:13:59,569 --> 00:13:57,120
dr. Greer and must be a couple of months

277
00:14:02,329 --> 00:13:59,579
before we see anything else and then we

278
00:14:04,220 --> 00:14:02,339
start getting random I'd say random

279
00:14:05,810 --> 00:14:04,230
because it wasn't full meditation we

280
00:14:08,030 --> 00:14:05,820
hadn't used the app that these stages

281
00:14:10,150 --> 00:14:08,040
they're randomly turning up in different

282
00:14:12,290 --> 00:14:10,160
places and we're seeing them everywhere

283
00:14:14,449 --> 00:14:12,300
everywhere we go we're going to

284
00:14:16,090 --> 00:14:14,459
different locations at work and we're

285
00:14:19,160 --> 00:14:16,100
filming them all over the place

286
00:14:21,949 --> 00:14:19,170
beautiful red glowing orbs pure energy

287
00:14:24,380 --> 00:14:21,959
you can see it it's spinning it rotates

288
00:14:26,300 --> 00:14:24,390

and there's something inside they're

289

00:14:32,000 --> 00:14:26,310

alive they're conscious because they're

290

00:14:33,439 --> 00:14:32,010

responding to us that's insane it

291

00:14:36,050 --> 00:14:33,449

reminds me of something

292

00:14:37,610 --> 00:14:36,060

Cass Clarke heard their barrels that

293

00:14:40,240 --> 00:14:37,620

were coming out of the top of her craft

294

00:14:42,650 --> 00:14:40,250

the craft she saw that just know what

295

00:14:44,540 --> 00:14:42,660

she said that like little black dots it

296

00:14:49,250 --> 00:14:44,550

was all something moving inside as well

297

00:14:51,199 --> 00:14:49,260

and they were reading yeah yeah yeah

298

00:14:53,329 --> 00:14:51,209

it's crazy what's going on people just

299

00:14:56,210 --> 00:14:53,339

can't believe it and I'm not surprised

300

00:14:59,000 --> 00:14:56,220

because it is absolutely but it's really

301

00:15:01,519 --> 00:14:59,010

real it is unbelievable it truly is

302

00:15:05,170 --> 00:15:01,529

unbelievable I don't blame them for not

303

00:15:08,509 --> 00:15:05,180

believing half of what we say but

304

00:15:13,990 --> 00:15:08,519

believe me it's real I'm talking to the

305

00:15:17,300 --> 00:15:14,000

listeners they're really not you say

306

00:15:20,180 --> 00:15:17,310

your your win counter I had to read it

307

00:15:28,219 --> 00:15:20,190

twice just to make it sink in that blew

308

00:15:35,249 --> 00:15:31,949

so these you think that these are plasma

309

00:15:39,269 --> 00:15:35,259

and this plasma is alive don't you yes

310

00:15:44,309 --> 00:15:39,279

100% I'm truly convinced and you'll get

311

00:15:47,339 --> 00:15:44,319

to know why in a minute I'll explain I'm

312

00:15:50,489 --> 00:15:47,349

going to move to 2014 we've been in

313

00:15:54,889 --> 00:15:50,499

between meeting dr. Steven Greer there's

314

00:15:58,439 --> 00:15:54,899

only a handful of recorded footage of

315

00:16:01,439 --> 00:15:58,449

orbs in distant in the distance sorry

316

00:16:10,949 --> 00:16:01,449

yeah up to 300 feet away that's close

317

00:16:12,599 --> 00:16:10,959

but mm not 2014 I know what sky yeah my

318

00:16:15,359 --> 00:16:12,609

hairs are standing on end I'm not yeah

319

00:16:20,909 --> 00:16:15,369

and yeah it's wild

320

00:16:22,889 --> 00:16:20,919

I believe you though when I met you

321

00:16:25,649 --> 00:16:22,899

though I could see all over your face

322

00:16:27,899 --> 00:16:25,659

it's absolutely edged into your face is

323

00:16:29,549 --> 00:16:27,909

this event and I know that because it's

324

00:16:32,939 --> 00:16:29,559

etched into mine as well

325

00:16:36,419 --> 00:16:32,949

you know if I'm not grinning and like my

326

00:16:38,819 --> 00:16:36,429

hope my resting [\h__\h] you can see it

327

00:16:42,989 --> 00:16:38,829

you can see there's yeah something

328

00:16:47,519 --> 00:16:42,999

bothering me something you're never

329

00:16:52,669 --> 00:16:47,529

going to forget never know it's like it

330

00:16:54,509 --> 00:16:52,679

was yesterday yeah every day's like

331

00:16:56,819 --> 00:16:54,519

people can't believe that there are

332

00:16:58,469 --> 00:16:56,829

memories that you can retain memories

333

00:17:00,359 --> 00:16:58,479

it's like oh they fade over time you've

334

00:17:02,369 --> 00:17:00,369

misperceived it at the time blah blah

335

00:17:05,100 --> 00:17:02,379

blah it's like yeah I understand why you

336

00:17:09,329 --> 00:17:05,110

say all of those things with just 75,000

337

00:17:14,819 --> 00:17:09,339

types of noop yeah you can say any way

338

00:17:20,189 --> 00:17:14,829

you like trust me I was there so we are

339

00:17:22,679 --> 00:17:20,199

we are arrived at Burlington house we

340

00:17:26,399 --> 00:17:22,689

call it state security it was state

341

00:17:29,930 --> 00:17:26,409

securities plc limited at the time and

342

00:17:32,220 --> 00:17:29,940

it's now changed hands twice which

343

00:17:37,470 --> 00:17:32,230

freaked us out a little bit it turned

344

00:17:40,109 --> 00:17:37,480

into Rothschild and I was reading at the

345

00:17:41,400 --> 00:17:40,119

same time with Gary McKinnon and

346

00:17:43,380 --> 00:17:41,410

Rothschild

347

00:17:46,740 --> 00:17:43,390

in there somewhere and I was a little

348

00:17:51,540 --> 00:17:46,750

bit weird give you the creeps

349

00:17:55,170 --> 00:17:51,550

yeah so we arrived there around 6:00

350

00:17:57,090 --> 00:17:55,180

6:30 that night as we do every night we

351

00:17:59,160 --> 00:17:57,100

can tone enter the building till 6:00

352

00:18:04,010 --> 00:17:59,170

so we're flowing around 6:00 between

353

00:18:08,280 --> 00:18:04,020

6:00 and 6:30 we get to the canteen and

354

00:18:10,680 --> 00:18:08,290

me and Chris decide to fully try out the

355

00:18:15,060 --> 00:18:10,690

app once and for all do it from start to

356

00:18:19,410 --> 00:18:15,070

finish and we we do the app sorry we do

357

00:18:22,800 --> 00:18:19,420

the contact meditation which lasts

358

00:18:27,510 --> 00:18:22,810

around 20 20 plus minutes maybe half an

359

00:18:30,120 --> 00:18:27,520

hour we listen to the whole other

360

00:18:33,810 --> 00:18:30,130

meditation totally silent following the

361

00:18:42,110 --> 00:18:33,820

guides guidelines that got dr. Greer's

362

00:18:44,940 --> 00:18:42,120

same and after this we use the tones

363

00:18:48,120 --> 00:18:44,950

there's the part in the app called tones

364

00:18:50,040 --> 00:18:48,130

this is the et contact tool and the part

365

00:18:54,000 --> 00:18:50,050

on the app called cones you play these

366

00:18:59,150 --> 00:18:54,010

tones and they were recorded in a crop

367

00:19:07,620 --> 00:18:59,160

circle by Colleen Andrews in Winchester

368

00:19:10,320 --> 00:19:07,630

which is a very strange coincidence it's

369

00:19:13,790 --> 00:19:10,330

very odd because we've actually heard

370

00:19:17,820 --> 00:19:13,800

these tones in real life as well yeah

371

00:19:21,870 --> 00:19:17,830

with the app in my pocket not play but

372

00:19:26,340 --> 00:19:21,880

I'll get to that after you have to

373

00:19:28,290 --> 00:19:26,350

remind me of that one so basically we've

374

00:19:31,590 --> 00:19:28,300

gone through the meditation we've played

375

00:19:36,480 --> 00:19:31,600

the tones I've put the magnetometer part

376

00:19:41,760 --> 00:19:36,490

of the Apple so this involves a compass

377

00:19:45,300 --> 00:19:41,770

and a it will only go off if there's a

378

00:19:49,500 --> 00:19:45,310

magnetic impulse in the room in theory

379

00:19:52,350 --> 00:19:49,510

this is the theory and it will go off

380

00:19:55,080 --> 00:19:52,360

over a hundred so ask the hundred for

381

00:19:57,930 --> 00:19:55,090

the alarm goes off this

382

00:20:02,130 --> 00:19:57,940

when way over 500 I think it was five

383

00:20:04,320 --> 00:20:02,140

40-odd that made me panic so I'm

384

00:20:05,850 --> 00:20:04,330

thinking at the same time well there's

385

00:20:07,110 --> 00:20:05,860

something here seriously am i staring

386

00:20:07,730 --> 00:20:07,120

out the window we're looking around the

387

00:20:11,670 --> 00:20:07,740

room

388

00:20:13,020 --> 00:20:11,680

I'm feeling very agitated like there is

389

00:20:16,260 --> 00:20:13,030

something here I feel it there's

390

00:20:22,050 --> 00:20:16,270

something watching and you know when you

391

00:20:25,520 --> 00:20:22,060

get there eerie feeling okay and we stop

392

00:20:27,480 --> 00:20:25,530

that I'm sure I played the tones again

393

00:20:29,760 --> 00:20:27,490

and we stopped and rolled a cigarette

394

00:20:31,350 --> 00:20:29,770

finished our coffee I believe we've got

395

00:20:34,140 --> 00:20:31,360

another coffee and went out with our

396

00:20:35,630 --> 00:20:34,150

cigarettes down to the left hand side

397

00:20:38,130 --> 00:20:35,640

emergency stairwell

398

00:20:42,420 --> 00:20:38,140

we shouldn't you stood there but that's

399

00:20:45,840 --> 00:20:42,430

where we decided to smoke so we get out

400

00:20:47,100 --> 00:20:45,850

to the stairwell around 810 so we've

401
00:20:50,730 --> 00:20:47,110
gone through all of this playing the

402
00:20:54,860 --> 00:20:50,740
tones etc and that's lasted well over an

403
00:20:59,040 --> 00:20:54,870
hour we get out to the balcony

404
00:21:01,370 --> 00:20:59,050
well we've lit up cigarettes and I

405
00:21:05,040 --> 00:21:01,380
believe it was less than a minute

406
00:21:12,630 --> 00:21:05,050
definitely less than a minute and I get

407
00:21:27,690 --> 00:21:12,640
this I get this so I'm just going to

408
00:21:30,840 --> 00:21:27,700
clean talk about that and wobble on and

409
00:21:38,150 --> 00:21:30,850
then when I stop talking I'm shaking you

410
00:21:50,670 --> 00:21:44,040
so the feeling of I don't know whether I

411
00:21:55,890 --> 00:21:50,680
felt lighter first or warm right but it

412
00:21:59,880 --> 00:21:55,900
seemed to be warmer lighter and the the

413
00:22:00,780 --> 00:21:59,890

deafness sorry the deafening quietness

414

00:22:05,820 --> 00:22:00,790

yeah

415

00:22:08,690 --> 00:22:05,830

instant silence and I look at Chris and

416

00:22:11,249 --> 00:22:08,700

East is just stood there

417

00:22:13,789 --> 00:22:11,259

the automatic reaction to look up

418

00:22:18,989 --> 00:22:13,799

where's the warmth from total silence

419

00:22:20,759 --> 00:22:18,999

but the only noticeable sign of silence

420

00:22:23,070 --> 00:22:20,769

was because the the wind was blowing

421

00:22:26,100 --> 00:22:23,080

through the trees it was quite cold it

422

00:22:28,830 --> 00:22:26,110

was January wind blowing through the

423

00:22:31,320 --> 00:22:28,840

trees I could hear birds which is quite

424

00:22:34,860 --> 00:22:31,330

odd around here actually this is quite

425

00:22:37,860 --> 00:22:34,870

it's quite quiet because behind the back

426
00:22:39,360 --> 00:22:37,870
of these buildings are farms according

427
00:22:41,820 --> 00:22:39,370
to Google Maps that goes on for miles

428
00:22:45,210 --> 00:22:41,830
yeah and the direction this thing came

429
00:22:49,529 --> 00:22:45,220
in it came through the most quiet area

430
00:22:51,359 --> 00:22:49,539
first I only looked at this a few weeks

431
00:22:56,249 --> 00:22:51,369
ago that sort of caught my eye

432
00:22:58,200 --> 00:22:56,259
Wow let it come in through the fields

433
00:23:00,989 --> 00:22:58,210
instead of the flats the opposite side

434
00:23:04,289 --> 00:23:00,999
of the road on the right or the hotel

435
00:23:10,879 --> 00:23:04,299
and main road to the left it missed all

436
00:23:15,659 --> 00:23:10,889
of that very strange so when when the

437
00:23:19,529 --> 00:23:15,669
total deafening silence hits we look up

438
00:23:25,379 --> 00:23:19,539

and the first thing we see is two ends

439

00:23:30,330 --> 00:23:25,389

of a V two white lights and I'll sort of

440

00:23:42,029 --> 00:23:30,340

back up and say the Kris what the [h__h]

441

00:23:44,460 --> 00:23:42,039

is that excuse me sorry yeah my brain at

442

00:23:48,239 --> 00:23:44,470

that stage couldn't keep up with all the

443

00:23:53,960 --> 00:23:48,249

feelings in emotional calmness going on

444

00:23:57,119 --> 00:23:53,970

yeah I was calmed instantly which was

445

00:23:58,440 --> 00:23:57,129

baffling obviously too you see a brain

446

00:24:02,879 --> 00:23:58,450

right it couldn't keep up with the

447

00:24:05,700 --> 00:24:02,889

thoughts going on yes so then we see the

448

00:24:09,509 --> 00:24:05,710

rest of the craft coming out and the red

449

00:24:12,840 --> 00:24:09,519

orb in the middle I call it an orb that

450

00:24:19,639 --> 00:24:12,850

doesn't feel correct this thing was

451
00:24:22,470 --> 00:24:19,649
alive this thing was huge whether it was

452
00:24:26,790 --> 00:24:22,480
controlling the rest of it

453
00:24:29,490 --> 00:24:26,800
that's just an opinion but as it stands

454
00:24:30,720 --> 00:24:29,500
above your head in total silence it

455
00:24:37,970 --> 00:24:30,730
should have falling out the sky it was

456
00:24:42,270 --> 00:24:40,380
it's crazy how they just stay up there

457
00:24:44,460 --> 00:24:42,280
and there's no noise and there's just

458
00:24:45,960 --> 00:24:44,470
none nothing and that lack of noise

459
00:24:48,300 --> 00:24:45,970
coming from it just makes it more

460
00:24:50,400 --> 00:24:48,310
surreal this and that because every year

461
00:24:55,650 --> 00:24:50,410
everything that we know that moves makes

462
00:24:58,110 --> 00:24:55,660
a noise yes indeed see there's some

463
00:25:00,720 --> 00:24:58,120

extraction unit fans or cooling fans to

464

00:25:03,420 --> 00:25:00,730

the left sorry to the right-hand side of

465

00:25:06,780 --> 00:25:03,430

the stairwell there's six of Mobley's

466

00:25:08,760 --> 00:25:06,790

I've got a picture of this they're

467

00:25:09,060 --> 00:25:08,770

really loud we couldn't hear that

468

00:25:11,820 --> 00:25:09,070

anymore

469

00:25:12,330 --> 00:25:11,830

Wow there's a light to the right-hand

470

00:25:18,410 --> 00:25:12,340

side

471

00:25:21,090 --> 00:25:18,420

couldn't hear that anymore I'm 99.9%

472

00:25:24,120 --> 00:25:21,100

convinced there was people outside the

473

00:25:27,930 --> 00:25:24,130

back of the body Grange hotel yeah this

474

00:25:31,710 --> 00:25:27,940

is what 300 yards away they would have

475

00:25:37,590 --> 00:25:31,720

seen it convinced they would have seen

476

00:25:40,440 --> 00:25:37,600

it as it is above our heads

477

00:25:43,290 --> 00:25:40,450

floating gracefully um I'm thinking and

478

00:25:46,530 --> 00:25:43,300

shouting at Chris I say shouting because

479

00:25:48,540 --> 00:25:46,540

a deafening silence in my head I didn't

480

00:25:51,450 --> 00:25:48,550

know if he could hear me or I was just

481

00:25:53,220 --> 00:25:51,460

losing my mind right and what we're

482

00:25:55,080 --> 00:25:53,230

citing back and forward here you see in

483

00:25:57,390 --> 00:25:55,090

this I'm trying to convince myself I'm

484

00:25:59,370 --> 00:25:57,400

not I keep asking him are you seeing

485

00:26:07,560 --> 00:25:59,380

this just to make sure I'm seeing the

486

00:26:12,000 --> 00:26:07,570

same as him and this it was like liquid

487

00:26:15,780 --> 00:26:12,010

metals there's no other colors like it

488

00:26:20,280 --> 00:26:15,790

I've never seen a bright white light so

489

00:26:30,960 --> 00:26:20,290

clean so bright but not enough for you

490

00:26:32,610 --> 00:26:30,970

to close your eyes or squint yeah not

491

00:26:35,880 --> 00:26:32,620

too bright to look at it but it is

492

00:26:38,640 --> 00:26:35,890

brilliant brilliant white yep

493

00:26:45,600 --> 00:26:38,650

so clean but like it like itself is

494

00:26:49,800 --> 00:26:45,610

alive yeah this I could see depth within

495

00:26:54,510 --> 00:26:49,810

the five points of light I could see

496

00:26:57,800 --> 00:26:54,520

like you can imagine a tube with a light

497

00:27:01,980 --> 00:26:57,810

coming from him inside there yeah I

498

00:27:08,840 --> 00:27:01,990

could see depth into this piece but when

499

00:27:13,680 --> 00:27:12,360

Wow what the hell's going on so that's

500

00:27:17,940 --> 00:27:13,690

my brain baffled again

501
00:27:27,360 --> 00:27:17,950
and it just went on and on and on the

502
00:27:32,570 --> 00:27:27,370
center alive think orb you sent me

503
00:27:38,760 --> 00:27:32,580
something sometime again did which

504
00:27:41,790 --> 00:27:38,770
scared the [h__h] out of me strange things

505
00:27:45,660 --> 00:27:41,800
that they like to do and you described

506
00:27:48,390 --> 00:27:45,670
this to me as this yeah circular red

507
00:27:51,300 --> 00:27:48,400
thing with all these swirling it was he

508
00:27:53,820 --> 00:27:51,310
said it looked alive and it was darker

509
00:27:56,580 --> 00:27:53,830
darker in parts and you know it was just

510
00:28:00,780 --> 00:27:56,590
moving so it was really red like a red

511
00:28:03,120 --> 00:28:00,790
that you could never describe or had

512
00:28:08,010 --> 00:28:03,130
ever seen before but that there was kind

513
00:28:10,080 --> 00:28:08,020

of some movement in it and when my one

514

00:28:13,080 --> 00:28:10,090

of my kids was sat next to me playing

515

00:28:15,330 --> 00:28:13,090

with a slime app which is utterly

516

00:28:18,810 --> 00:28:15,340

ridiculous to me what a stupid thing

517

00:28:21,350 --> 00:28:18,820

yeah you know odd all right play with

518

00:28:23,990 --> 00:28:21,360

slimy I understand that but slime app

519

00:28:26,790 --> 00:28:24,000

anyway I'm glad that they did that

520

00:28:30,360 --> 00:28:26,800

because she was playing with it and and

521

00:28:33,870 --> 00:28:30,370

swirling it around and I thought that's

522

00:28:37,320 --> 00:28:33,880

what amen I wonder if that is that kind

523

00:28:39,930 --> 00:28:37,330

of dental movement and so obviously I

524

00:28:41,670 --> 00:28:39,940

sent it to you and said get this out and

525

00:28:43,290 --> 00:28:41,680

you said is the one in red because I

526
00:28:46,380 --> 00:28:43,300
think Lee was gray or orange or whatever

527
00:28:47,850 --> 00:28:46,390
yeah that was it yeah and I said I don't

528
00:28:49,269 --> 00:28:47,860
know so you've got the up didn't you and

529
00:28:51,789 --> 00:28:49,279
you

530
00:28:54,039 --> 00:28:51,799
and then I found that same night I found

531
00:28:58,659 --> 00:28:54,049
this brilliant little recorder so I

532
00:29:05,620 --> 00:28:58,669
recorded the screen moving didn't I yeah

533
00:29:12,840 --> 00:29:05,630
you did Wow I set I set and played with

534
00:29:22,810 --> 00:29:16,570
that's the closest thing I've ever seen

535
00:29:28,570 --> 00:29:22,820
to being so perfect yeah that was it

536
00:29:31,299 --> 00:29:28,580
liquid moving like but nearly

537
00:29:34,990 --> 00:29:31,309
see-through yeah which is absolutely

538
00:29:37,840 --> 00:29:35,000

bizarre Chris is adamant he could see a

539

00:29:40,810 --> 00:29:37,850

star straight through it I was baffled

540

00:29:42,600 --> 00:29:40,820

as to the bread one how could I just

541

00:29:46,990 --> 00:29:42,610

couldn't take my eyes off it yeah and

542

00:29:47,769 --> 00:29:47,000

the total calmness of me not having to

543

00:29:50,710 --> 00:29:47,779

do that myself

544

00:29:54,669 --> 00:29:50,720

the panic and everything else was

545

00:29:57,700 --> 00:29:54,679

relieved that's why I said some years

546

00:29:59,350 --> 00:29:57,710

ago that I wasn't in control yeah

547

00:30:08,799 --> 00:29:59,360

because I didn't think I was and I

548

00:30:11,350 --> 00:30:08,809

certainly didn't feel it was it just

549

00:30:13,930 --> 00:30:11,360

makes you feel like I when I say how it

550

00:30:17,470 --> 00:30:13,940

made me feeling is like about as big as

551
00:30:20,519 --> 00:30:17,480
a grain of sand you know I felt so small

552
00:30:24,039 --> 00:30:20,529
and so ridiculous I felt useless yeah

553
00:30:35,049 --> 00:30:24,049
yeah and just had to confirm keeps

554
00:30:39,250 --> 00:30:35,059
yelling at Chris to confirm it for me he

555
00:30:43,629 --> 00:30:39,260
is a very quiet bloke he said it doesn't

556
00:30:49,810 --> 00:30:43,639
faze him but I don't know maybe doesn't

557
00:30:52,659 --> 00:30:49,820
I mean it does me yeah I totally get

558
00:30:55,980 --> 00:30:52,669
that Aaron I really do it just changes

559
00:30:59,950 --> 00:30:55,990
everything in one instant

560
00:31:02,890 --> 00:30:59,960
yeah the only reason I say this for 100%

561
00:31:06,970 --> 00:31:02,900
certainty is

562
00:31:09,070 --> 00:31:06,980
I did that mm-hmm it was me

563
00:31:12,550 --> 00:31:09,080

yeah and I've confirmed it so many times

564

00:31:15,490 --> 00:31:12,560

yeah just require a living agent and I'm

565

00:31:18,100 --> 00:31:15,500

not I don't think it's the app itself I

566

00:31:26,260 --> 00:31:18,110

think it puts your mind in the right

567

00:31:28,300 --> 00:31:26,270

place which I'll be looking at the Stars

568

00:31:31,390 --> 00:31:28,310

and I'll look up and exactly where a

569

00:31:33,550 --> 00:31:31,400

look exactly when I look a white light

570

00:31:37,720 --> 00:31:33,560

will get bigger and bigger and bigger

571

00:31:40,540 --> 00:31:37,730

and then it just gone gone three flashes

572

00:31:43,600 --> 00:31:40,550

or something it's always exactly where I

573

00:31:49,780 --> 00:31:43,610

look and I thought is it my eyes I see

574

00:31:51,520 --> 00:31:49,790

your eyes no the deaf for you yeah

575

00:31:54,550 --> 00:31:51,530

exactly it's just for me but then I

576

00:31:56,490 --> 00:31:54,560

think well I know you real I know you're

577

00:32:02,800 --> 00:31:56,500

there why did you keep doing that stop

578

00:32:03,070 --> 00:32:02,810

yes please tell me boy didn't mean to do

579

00:32:21,010 --> 00:32:03,080

it

580

00:32:22,690 --> 00:32:21,020

Wales at the cottage I was upstairs and

581

00:32:24,490 --> 00:32:22,700

he was washing up and he thought about

582

00:32:26,110 --> 00:32:24,500

going stair what Scott you know looking

583

00:32:29,800 --> 00:32:26,120

at the sky and then he thought oh no

584

00:32:32,470 --> 00:32:29,810

it's cloudy oh man his brain went oh but

585

00:32:34,930 --> 00:32:32,480

they hide in clouds the hues clouds to

586

00:32:37,300 --> 00:32:34,940

hide I'll go and have a look they do and

587

00:32:40,660 --> 00:32:37,310

then he went out after thinking that and

588

00:32:44,440 --> 00:32:40,670

tada there it was I mean it was really

589

00:32:47,080 --> 00:32:44,450

far away but I've done that myself

590

00:32:49,450 --> 00:32:47,090

like I've been doing whatever I'm doing

591

00:32:51,010 --> 00:32:49,460

and then my brains going take some

592

00:32:53,620 --> 00:32:51,020

pictures take some pictures now we've

593

00:32:55,390 --> 00:32:53,630

had to try this video I wouldn't have

594

00:32:57,820 --> 00:32:55,400

got anything but the pictures that could

595

00:33:01,180 --> 00:32:57,830

zoom right in and there was this silver

596

00:33:04,990 --> 00:33:01,190

sphere and it's like how how how does my

597

00:33:07,240 --> 00:33:05,000

brain mmm did did I sense it but it's

598

00:33:10,480 --> 00:33:07,250

miles away how could I send how did how

599

00:33:13,720 --> 00:33:10,490

does it work are they in our heads they

600

00:33:16,760 --> 00:33:13,730

you know yeah they can be

601
00:33:19,070 --> 00:33:16,770
it's you have to be you have to learn

602
00:33:21,440 --> 00:33:19,080
how to be okay with all of that and all

603
00:33:24,320 --> 00:33:21,450
of those thoughts which can a barred

604
00:33:27,470 --> 00:33:24,330
aligned on paranoia but it's not

605
00:33:29,360 --> 00:33:27,480
surprising we get paranoid because how

606
00:33:31,159 --> 00:33:29,370
does it work and it makes you think all

607
00:33:31,880 --> 00:33:31,169
these strange things and there's

608
00:33:35,060 --> 00:33:31,890
something else

609
00:33:36,649 --> 00:33:35,070
they are responding yeah and all of us

610
00:33:42,279 --> 00:33:36,659
are allowed to me no they're all see

611
00:33:45,289 --> 00:33:42,289
that yeah that must be the reason I

612
00:33:50,180 --> 00:33:45,299
think most of my family I've seen them I

613
00:33:52,279 --> 00:33:50,190

find that very odd since you've seen

614

00:33:54,470 --> 00:33:52,289

this I mean since yeah now they've now

615

00:33:57,680 --> 00:33:54,480

they've told me also they're saying

616

00:34:00,950 --> 00:33:57,690

things before you are there yeah right

617

00:34:04,070 --> 00:34:00,960

mhm and I've just found out so I'll just

618

00:34:07,010 --> 00:34:04,080

say just found out read about last year

619

00:34:11,300 --> 00:34:07,020

my brother said to me check out my last

620

00:34:15,409 --> 00:34:11,310

track on my old album he's got a couple

621

00:34:17,780 --> 00:34:15,419

of albums out so I need to check that

622

00:34:19,609 --> 00:34:17,790

out I haven't actually got that correct

623

00:34:21,859 --> 00:34:19,619

yet because he lives in Germany so I

624

00:34:22,369 --> 00:34:21,869

need to get an album promise but that's

625

00:34:28,639 --> 00:34:22,379

interesting

626

00:34:30,740 --> 00:34:28,649

he's singing about his encounters which

627

00:34:36,530 --> 00:34:30,750

is quite shocking I need to talk to him

628

00:34:40,310 --> 00:34:36,540

about that again Wow so how many people

629

00:34:46,099 --> 00:34:40,320

in your family have seen things then um

630

00:34:49,480 --> 00:34:46,109

I would say all of them it's obviously

631

00:34:54,320 --> 00:34:49,490

something that's going on in your family

632

00:34:55,520 --> 00:34:54,330

when then is a spiritualist medium she's

633

00:35:00,740 --> 00:34:55,530

going to go to a reading for me soon

634

00:35:03,680 --> 00:35:00,750

yeah and maybe check out and see if she

635

00:35:07,970 --> 00:35:03,690

can find out who my God is about

636

00:35:10,609 --> 00:35:07,980

grandmas and all this you know yeah but

637

00:35:11,930 --> 00:35:10,619

every time you know I speak to a medium

638

00:35:13,280 --> 00:35:11,940

or whatever they always say Oh your

639

00:35:15,200 --> 00:35:13,290

grandmother they should grandma like

640

00:35:19,460 --> 00:35:15,210

your grandma now the other it's always

641

00:35:22,700 --> 00:35:19,470

be grandma yeah she sees things stood

642

00:35:25,490 --> 00:35:22,710

behind her and leaning on her shoulder

643

00:35:30,630 --> 00:35:27,330

[Music]

644

00:35:34,530 --> 00:35:30,640

I did that freaks me out so much I

645

00:35:37,860 --> 00:35:34,540

panicked and left that was enough for me

646

00:35:41,910 --> 00:35:37,870

well I know it's scary it's totally

647

00:35:42,960 --> 00:35:41,920

didn't happen it really scary stuff to

648

00:35:44,670 --> 00:35:42,970

me oh my god

649

00:35:48,450 --> 00:35:44,680

I can't believe that my ears are they

650

00:35:50,370 --> 00:35:48,460

just started to go grain there's it just

651
00:35:51,960 --> 00:35:50,380
comes with the territory though and when

652
00:35:56,300 --> 00:35:51,970
you have something happens here yeah I

653
00:35:59,850 --> 00:35:56,310
think I'm not I kind of think that

654
00:36:01,230 --> 00:35:59,860
because we're so rattled um we are the

655
00:36:03,450 --> 00:36:01,240
ones who have generated the energy we're

656
00:36:06,870 --> 00:36:03,460
generating our own energy we're sending

657
00:36:10,730 --> 00:36:06,880
out nice bikes of whatever and you know

658
00:36:13,290 --> 00:36:10,740
thought processes and emotions yeah I

659
00:36:15,510 --> 00:36:13,300
think the energy that we have around us

660
00:36:17,280 --> 00:36:15,520
like a bioelectric field I think it just

661
00:36:23,430 --> 00:36:17,290
goes completely crackers and there's

662
00:36:28,130 --> 00:36:23,440
probably something I pictured that my

663
00:36:31,580 --> 00:36:28,140

head for a thought process

664

00:36:33,840 --> 00:36:31,590

toreano for sequencing process yeah

665

00:36:36,930 --> 00:36:33,850

obviously same thing as you just said

666

00:36:39,320 --> 00:36:36,940

we're sending out a thought sequence

667

00:36:41,820 --> 00:36:39,330

we're asking them for them to show and

668

00:36:45,300 --> 00:36:41,830

this has happened so many times I've

669

00:36:47,820 --> 00:36:45,310

scared people they don't like to admit

670

00:36:50,640 --> 00:36:47,830

that but you were scared at the time

671

00:36:54,870 --> 00:36:50,650

you're not scared now we were at the

672

00:37:03,150 --> 00:36:54,880

time well what you David if anybody

673

00:37:07,950 --> 00:37:03,160

starts see not for me thank you very

674

00:37:12,090 --> 00:37:07,960

much no this show about that moment

675

00:37:19,680 --> 00:37:12,100

thank you my problem is I keep asking

676
00:37:22,140 --> 00:37:19,690
for more and it happens yeah so just

677
00:37:25,230 --> 00:37:22,150
going back to UM standing on the

678
00:37:29,430 --> 00:37:25,240
stairwell I swear

679
00:37:33,110 --> 00:37:29,440
Chris sort dematerialize or either a

680
00:37:35,400 --> 00:37:33,120
materialize or shoot off rapid pace

681
00:37:37,380 --> 00:37:35,410
because as where we're staring and

682
00:37:39,560 --> 00:37:37,390
swearing each other try and trying to

683
00:37:42,680 --> 00:37:39,570
convince ourselves that this wasn't real

684
00:37:47,550 --> 00:37:42,690
it was

685
00:37:52,640 --> 00:37:47,560
but at that specific time I felt within

686
00:37:55,890 --> 00:37:52,650
a bubble yeah of the total solids

687
00:37:57,300 --> 00:37:55,900
everything turned off wow that was a

688
00:38:09,960 --> 00:37:57,310

switch so my brain couldn't calculate

689

00:38:11,940 --> 00:38:09,970

that no way did I understand that we

690

00:38:13,350 --> 00:38:11,950

know each other trying to convince

691

00:38:20,070 --> 00:38:13,360

yourselves that you weren't actually

692

00:38:25,940 --> 00:38:20,080

seeing it and that's what you just said

693

00:38:28,350 --> 00:38:25,950

right so when I'm speaking to Chris or

694

00:38:31,970 --> 00:38:28,360

Shelton I have to shout because it's a

695

00:38:38,010 --> 00:38:31,980

numbing feeling in your head yeah like

696

00:38:40,530 --> 00:38:38,020

as pressure going on Chester yeah I'm

697

00:38:43,430 --> 00:38:40,540

just trying to think whether I'm going

698

00:38:46,620 --> 00:38:43,440

slightly deaf at that moment in time or

699

00:38:48,210 --> 00:38:46,630

something else has happened so are

700

00:38:50,970 --> 00:38:48,220

several thoughts going through my mind

701
00:38:56,480 --> 00:38:50,980
at that time and I'm shelling to Chrissy

702
00:38:59,670 --> 00:38:56,490
you you feeling this are you seeing this

703
00:39:03,990 --> 00:38:59,680
Chris is that is that moving like that

704
00:39:07,680 --> 00:39:04,000
it's liquid Wow and I can see the points

705
00:39:13,190 --> 00:39:07,690
the lights go off in deep to it like a

706
00:39:16,880 --> 00:39:13,200
tube maybe eight inches deep but the

707
00:39:21,900 --> 00:39:16,890
light was so bright the white ones and

708
00:39:26,430 --> 00:39:21,910
the crisp clean perfectly cut edges no

709
00:39:28,410 --> 00:39:26,440
seams just perfectly cut edges but how

710
00:39:32,550 --> 00:39:28,420
can it have perfectly cut edges when

711
00:39:35,970 --> 00:39:32,560
it's moving like liquid so I'm thinking

712
00:39:39,180 --> 00:39:35,980
this at the same time and I'm blown away

713
00:39:46,010 --> 00:39:39,190

this is insane it's like looking at a

714

00:39:54,840 --> 00:39:50,810

it's literally like a cartoon yeah and

715

00:39:58,620 --> 00:39:54,850

so the last time I turn around to Chris

716

00:40:02,280 --> 00:39:58,630

and say I can't see how thick it is I

717

00:40:04,770 --> 00:40:02,290

can't see a depth to it that's mad

718

00:40:06,300 --> 00:40:04,780

I know so I've only said that unless

719

00:40:08,700 --> 00:40:06,310

what ten seconds

720

00:40:11,730 --> 00:40:08,710

I turned back round and the craft is

721

00:40:14,040 --> 00:40:11,740

gone this is directly above the back

722

00:40:16,470 --> 00:40:14,050

doors of the motley Grange hotel so

723

00:40:19,680 --> 00:40:16,480

that's 300 feet from the back door of

724

00:40:22,890 --> 00:40:19,690

the emergency stairwell to the back door

725

00:40:27,270 --> 00:40:22,900

of the Flatley Grange Hotel in hedge and

726

00:40:29,100 --> 00:40:27,280

Southampton so only 300 feet or yards

727

00:40:33,300 --> 00:40:29,110

and not sure which which when I looked

728

00:40:36,660 --> 00:40:33,310

at I swear to God there was people there

729

00:40:38,580 --> 00:40:36,670

but I haven't got the courage to go in

730

00:40:41,400 --> 00:40:38,590

and speak to the manager and say look I

731

00:40:45,860 --> 00:40:41,410

was there on that night did anybody see

732

00:41:05,160 --> 00:41:02,730

yeah when you all first started going

733

00:41:06,810 --> 00:41:05,170

off you start to feel the change and

734

00:41:10,020 --> 00:41:06,820

everything you heard the birds yeah

735

00:41:11,880 --> 00:41:10,030

Birds well I don't if I told you I think

736

00:41:14,790 --> 00:41:11,890

I did tell you that I saw I think it was

737

00:41:18,570 --> 00:41:14,800

ninety nineteen ninety-nine I saw the

738

00:41:22,130 --> 00:41:18,580

three Chevron UFOs and they were

739

00:41:24,840 --> 00:41:22,140

completely flat and really sharp-edged

740

00:41:26,610 --> 00:41:24,850

yeah oh and there were one inside the

741

00:41:28,260 --> 00:41:26,620

other there was like gaps so it looked

742

00:41:30,440 --> 00:41:28,270

like three chevrons on the road you know

743

00:41:34,470 --> 00:41:30,450

I mean you know them ruins

744

00:41:36,450 --> 00:41:34,480

yeah so but when I was sat on the

745

00:41:40,500 --> 00:41:36,460

doorstep and I was like just looking at

746

00:41:42,660 --> 00:41:40,510

the sky and what first what happened

747

00:41:44,910 --> 00:41:42,670

first was all the birds in this tree

748

00:41:47,340 --> 00:41:44,920

started singing but it got really really

749

00:41:48,900 --> 00:41:47,350

really really really loud and I felt

750

00:41:50,940 --> 00:41:48,910

like I was going crazy because it felt

751
00:41:53,280 --> 00:41:50,950
like the birds were inside my head yeah

752
00:41:54,990 --> 00:41:53,290
and it was so loud in there are many of

753
00:41:56,880 --> 00:41:55,000
them it just started off as a few birds

754
00:41:58,830 --> 00:41:56,890
singing and then it just got to his

755
00:42:00,570 --> 00:41:58,840
crescendo and I looked up and I saw

756
00:42:04,380 --> 00:42:00,580
these three things just shoot across the

757
00:42:06,540 --> 00:42:04,390
sky maybe like four seconds I would say

758
00:42:08,680 --> 00:42:06,550
the whole thing and I just got into a

759
00:42:11,509 --> 00:42:08,690
complete and lots of panic

760
00:42:12,739 --> 00:42:11,519
you know because I couldn't believe what

761
00:42:17,420 --> 00:42:12,749
I was seeing and it was the birds that

762
00:42:19,249 --> 00:42:17,430
were so loud yeah that was it just

763
00:42:21,950 --> 00:42:19,259

reminded me of that when you said that

764

00:42:26,930 --> 00:42:21,960

and I thought yeah that's insane it made

765

00:42:28,519 --> 00:42:26,940

my heart pounding you know we're told to

766

00:42:31,430 --> 00:42:28,529

keep all this stuff to ourselves and to

767

00:42:33,170 --> 00:42:31,440

you know like be paranoid or worried

768

00:42:40,759 --> 00:42:33,180

about being laughed at and all the rest

769

00:42:43,789 --> 00:42:40,769

of it but when we talk a really really

770

00:42:46,180 --> 00:42:43,799

significant like the birds well to me

771

00:42:48,499 --> 00:42:46,190

birds and Chevron's and yards was

772

00:42:51,559 --> 00:42:48,509

literally a chevron wasn't it with this

773

00:42:55,819 --> 00:42:51,569

red circle inside it yes with the lights

774

00:42:58,390 --> 00:42:55,829

on the arms of the Chevron itself and

775

00:43:01,960 --> 00:42:58,400

that was black wasn't it

776

00:43:04,430 --> 00:43:01,970

well Chris at one stage this is funny

777

00:43:09,470 --> 00:43:04,440

Chris at one stage was convinced it was

778

00:43:12,470 --> 00:43:09,480

white ah which was very that that's very

779

00:43:16,069 --> 00:43:12,480

odd now I showed him showed him the

780

00:43:18,589 --> 00:43:16,079

image they drew yeah that's it and then

781

00:43:23,180 --> 00:43:18,599

I'll call it in and he said yeah that's

782

00:43:27,170 --> 00:43:23,190

it so the liquid as we saw moving had a

783

00:43:31,640 --> 00:43:27,180

change of you know when it catches light

784

00:43:33,289 --> 00:43:31,650

yeah so it it had a tinge of white to it

785

00:43:36,529 --> 00:43:33,299

I would say yeah yeah I would agree with

786

00:43:43,269 --> 00:43:36,539

that yeah but to my eyes the whole thing

787

00:43:48,339 --> 00:43:43,279

was black perfectly black and are moving

788

00:43:56,509 --> 00:43:54,140

yeah like liquid metal the trick but the

789

00:43:58,220 --> 00:43:56,519

app that you shared with me the red one

790

00:44:01,039 --> 00:43:58,230

well that was perfect

791

00:44:04,099 --> 00:44:01,049

yeah but that was alive I think the

792

00:44:05,960 --> 00:44:04,109

whole craft was alive but the red 100%

793

00:44:08,329 --> 00:44:05,970

convinced that was alive yeah because

794

00:44:14,029 --> 00:44:08,339

I've seen them since and they all look

795

00:44:18,499 --> 00:44:14,039

the same right so we're after Chris is

796

00:44:21,860 --> 00:44:18,509

um she's looking towards me which is

797

00:44:24,470 --> 00:44:21,870

actually looking towards the craft so

798

00:44:26,060 --> 00:44:24,480

maybe it scared him maybe it disappeared

799

00:44:27,800 --> 00:44:26,070

like that and maybe it scared him or

800

00:44:32,770 --> 00:44:27,810

maybe didn't see it disappear lan's

801
00:44:35,900 --> 00:44:32,780
looking at me but it disappeared and we

802
00:44:39,860 --> 00:44:35,910
sorry before that the sound came back

803
00:44:45,680 --> 00:44:39,870
alright so between the building and the

804
00:44:48,350 --> 00:44:45,690
trees which is 50 60 feet high all the

805
00:44:50,780 --> 00:44:48,360
sound came back the fans came back the

806
00:44:52,400 --> 00:44:50,790
birds the trees when going through and

807
00:44:54,680 --> 00:44:52,410
the water to the right hand side

808
00:44:58,580 --> 00:44:54,690
everything came back with we could hear

809
00:45:01,850 --> 00:44:58,590
perfectly again so it wasn't cause that

810
00:45:05,540 --> 00:45:01,860
leo's factor doesn't she and but people

811
00:45:08,480 --> 00:45:05,550
have asked me and I don't really recall

812
00:45:10,820 --> 00:45:08,490
I know that the Sheep had led down and

813
00:45:12,740 --> 00:45:10,830

they weren't being quiet but we could

814

00:45:16,250 --> 00:45:12,750

hear each other and I didn't feel deaf

815

00:45:18,650 --> 00:45:16,260

and I didn't feel static but I don't

816

00:45:19,940 --> 00:45:18,660

remember hearing any sounds but I don't

817

00:45:27,830 --> 00:45:19,950

know if there really were I need to be

818

00:45:31,550 --> 00:45:27,840

heard there was a very windy it was it

819

00:45:34,880 --> 00:45:31,560

was down it wasn't raining you know it's

820

00:45:38,000 --> 00:45:34,890

just thick cloud cover so we're warmish

821

00:45:40,070 --> 00:45:38,010

I don't remember I honestly think that I

822

00:45:42,500 --> 00:45:40,080

was just so caught up in the moment that

823

00:45:44,350 --> 00:45:42,510

I didn't feel cold I didn't feel

824

00:45:48,230 --> 00:45:44,360

anything I didn't you know it was just

825

00:45:50,150 --> 00:45:48,240

it was February so it will have been

826

00:45:53,030 --> 00:45:50,160

cold you know we were on the top of a

827

00:45:55,550 --> 00:45:53,040

mountain in Wales in February later you

828

00:45:59,240 --> 00:45:55,560

know about seven o'clock something like

829

00:46:02,000 --> 00:45:59,250

that in the evening so you know it

830

00:46:03,860 --> 00:46:02,010

wasn't warm but I don't remember being

831

00:46:07,160 --> 00:46:03,870

cold and we were all outside for quite a

832

00:46:10,430 --> 00:46:07,170

while I think the adrenaline was pumping

833

00:46:13,180 --> 00:46:10,440

that much you know you just don't those

834

00:46:17,570 --> 00:46:13,190

things to stoke torture today

835

00:46:19,580 --> 00:46:17,580

that's it so according to according to

836

00:46:28,940 --> 00:46:19,590

the time we were out there quite a while

837

00:46:32,180 --> 00:46:28,950

as well we certainly did we till after

838

00:46:35,569 --> 00:46:32,190

the craft either dematerialized or shot

839

00:46:38,839 --> 00:46:35,579

off sadly I didn't witness it

840

00:46:40,779 --> 00:46:38,849

I was too busy staring at Chris still

841

00:46:44,690 --> 00:46:40,789

convinced myself that this thing's

842

00:46:48,849 --> 00:46:44,700

something it's not we turn back into the

843

00:46:51,069 --> 00:46:48,859

building and I'm dazed walking around

844

00:46:53,079 --> 00:46:51,079

straight to the wards for County and

845

00:46:56,809 --> 00:46:53,089

Chris calls me back

846

00:46:59,900 --> 00:46:56,819

Darren do you realize the time it may I

847

00:47:02,359 --> 00:46:59,910

couldn't give a [h__h] about the time I'm

848

00:47:05,839 --> 00:47:02,369

going to crack on here and get out of

849

00:47:08,989 --> 00:47:05,849

there I'm done I can't believe what's

850

00:47:15,079 --> 00:47:08,999

just happened I'm basically on a

851
00:47:17,569 --> 00:47:15,089
meltdown at that time but Chris kindly

852
00:47:21,259 --> 00:47:17,579
shouts again and says look at the look

853
00:47:24,199 --> 00:47:21,269
at the time and it's it's way after

854
00:47:31,130 --> 00:47:24,209
eleven o'clock we got outside at 10 past

855
00:47:33,469 --> 00:47:31,140
8:00 and it's now way after 11:00 we

856
00:47:36,430 --> 00:47:33,479
didn't leave the building until 1:30

857
00:47:50,539 --> 00:47:43,969
so from exiting the stairwell at around

858
00:47:57,459 --> 00:47:50,549
like maybe 25 past 8 in theory we've

859
00:48:02,569 --> 00:47:57,469
lost four hours of time between 8 10 and

860
00:48:05,059 --> 00:48:02,579
1:30 a.m. but in between that time we'd

861
00:48:06,859 --> 00:48:05,069
cleaned the building for at least 45

862
00:48:11,959 --> 00:48:06,869
minutes rushed back to the cleaning

863
00:48:17,269 --> 00:48:11,969

cupboard and run out the door yeah also

864

00:48:20,180 --> 00:48:17,279

a few minutes after the craft had

865

00:48:22,939 --> 00:48:20,190

actually disappeared a black helicopter

866

00:48:25,269 --> 00:48:22,949

turns up Chris has convinced us to but I

867

00:48:30,049 --> 00:48:25,279

didn't stick my head out the door so he

868

00:48:32,359 --> 00:48:30,059

would have seen the - so these are pure

869

00:48:34,969 --> 00:48:32,369

black those windows on them but they're

870

00:48:38,809 --> 00:48:34,979

pure black and I'm panicking

871

00:48:40,910 --> 00:48:38,819

I'm hid behind the table trying to look

872

00:48:43,549 --> 00:48:40,920

out the window and I don't know if

873

00:48:45,140 --> 00:48:43,559

they're there they're for us you know

874

00:48:48,819 --> 00:48:45,150

what goes through your head at this

875

00:48:52,359 --> 00:48:51,219

no you just think yeah is that for me I

876

00:48:53,739 --> 00:48:52,369

mean you think oh don't be ridiculous

877

00:48:57,759 --> 00:48:53,749

and then you think well why wouldn't it

878

00:48:59,199 --> 00:48:57,769

be not the first time either taking

879

00:49:02,620 --> 00:48:59,209

pictures of me talking about it on

880

00:49:05,259 --> 00:49:02,630

Facebook you know you do I think you

881

00:49:07,299 --> 00:49:05,269

know the genuinely interested in people

882

00:49:11,890 --> 00:49:07,309

who were having this phenomena around

883

00:49:13,690 --> 00:49:11,900

them ya know we know or not we feelin

884

00:49:15,309 --> 00:49:13,700

like cattle this just make me feel

885

00:49:16,979 --> 00:49:15,319

special and I know it doesn't make you

886

00:49:20,410 --> 00:49:16,989

feel special

887

00:49:21,370 --> 00:49:20,420

mm-hmm well they know it was there they

888

00:49:23,890 --> 00:49:21,380

wouldn't have been there for that

889

00:49:25,690 --> 00:49:23,900

nothing else no helicopter helicopters

890

00:49:28,449 --> 00:49:25,700

all planes had ever ever gone over the

891

00:49:31,059 --> 00:49:28,459

top of that building we know that

892

00:49:32,920 --> 00:49:31,069

because the flight path from head Yin

893

00:49:34,109 --> 00:49:32,930

dorsal Hampton Airport is completely the

894

00:49:36,640 --> 00:49:34,119

opposite direction

895

00:49:44,309 --> 00:49:36,650

Malcolm Robinson sent away letters to

896

00:49:47,529 --> 00:49:44,319

various premises police etc airports

897

00:49:49,539 --> 00:49:47,539

Minister of Defence Freedom of

898

00:49:53,289 --> 00:49:49,549

Information request from the police as

899

00:49:56,109 --> 00:49:53,299

well it's all been returned as I'll give

900

00:49:58,329 --> 00:49:56,119

you this one the airport Exeter Airport

901
00:50:05,650 --> 00:49:58,339
I think it was returned it and said it

902
00:50:07,630 --> 00:50:05,660
was a c-130 aircraft okay that's that's

903
00:50:10,900 --> 00:50:07,640
nice of you what six feet away I could

904
00:50:14,140 --> 00:50:10,910
have touched it oh we're saying that the

905
00:50:24,309 --> 00:50:14,150
craft that you saw was the c-130 yeah

906
00:50:26,499 --> 00:50:24,319
shouldn't of them blown our heads off it

907
00:50:28,839 --> 00:50:26,509
did like it didn't make me laugh

908
00:50:31,719 --> 00:50:28,849
there were several like that but that

909
00:50:38,650 --> 00:50:31,729
one did make me laugh although it pissed

910
00:50:41,979 --> 00:50:38,660
me off at the same time and in the bases

911
00:50:44,739 --> 00:50:41,989
around there you should be able to find

912
00:50:46,630 --> 00:50:44,749
out through FOIA whether anything was in

913
00:50:50,699 --> 00:50:46,640

the air that night because Kaz Clarke

914

00:50:54,699 --> 00:50:50,709

and Gary Jones from Swansea UFO network

915

00:50:57,789 --> 00:50:54,709

Cass Clark is their witness and he's the

916

00:50:59,650 --> 00:50:57,799

researcher and they've been firing off

917

00:51:01,390 --> 00:50:59,660

these fires and come in but we've come

918

00:51:02,500 --> 00:51:01,400

about section 26 which is not in the

919

00:51:05,890 --> 00:51:02,510

public interest

920

00:51:08,950 --> 00:51:05,900

but they know that they've seen that she

921

00:51:10,900 --> 00:51:08,960

saw c-130s she saw various helicopters

922

00:51:13,720 --> 00:51:10,910

they had this particular kind of

923

00:51:16,660 --> 00:51:13,730

formation that they were engaging with

924

00:51:20,609 --> 00:51:16,670

this Crafton and it started with the

925

00:51:24,550 --> 00:51:20,619

helicopters so you two should talk

926

00:51:28,890 --> 00:51:24,560

indeed yeah I will get old okay some

927

00:51:35,349 --> 00:51:32,550

we've got several letters on return from

928

00:51:39,990 --> 00:51:35,359

Elise excetera belay yeah they've

929

00:51:43,840 --> 00:51:40,000

they've seen nothing by this year

930

00:51:45,099 --> 00:51:43,850

rubbish well you know that are there you

931

00:51:46,780 --> 00:51:45,109

wouldn't have sent helicopters otherwise

932

00:51:48,580 --> 00:51:46,790

well the police might not know about it

933

00:51:50,740 --> 00:51:48,590

they might not that wasn't the

934

00:52:01,030 --> 00:51:50,750

helicopters from the police was if it

935

00:52:03,910 --> 00:52:01,040

was black if they were all know I've got

936

00:52:08,710 --> 00:52:03,920

police helicopters on video outside my

937

00:52:10,690 --> 00:52:08,720

hair and also the other the other black

938

00:52:13,120 --> 00:52:10,700

chopper that followed the UFO in my

939

00:52:19,090 --> 00:52:13,130

garden yeah when I filmed it was in the

940

00:52:21,970 --> 00:52:19,100

papers that was course yes in them

941

00:52:26,200 --> 00:52:21,980

it's in for newspapers basically I

942

00:52:29,580 --> 00:52:26,210

walked out after doing meditation and I

943

00:52:33,520 --> 00:52:29,590

see this black object off to my left

944

00:52:38,800 --> 00:52:33,530

gracefully floating maybe maybe a

945

00:52:42,550 --> 00:52:38,810

thousand feet away from me maybe give or

946

00:52:46,599 --> 00:52:42,560

take maybe a thousand feet up mm

947

00:52:49,060 --> 00:52:46,609

possibly um it doesn't wobble like a

948

00:52:53,109 --> 00:52:49,070

balloon it doesn't look like a balloon

949

00:52:56,109 --> 00:52:53,119

so I run back and get my camcorder when

950

00:52:59,140 --> 00:52:56,119

i zoom in and look at this object it's

951
00:53:03,190 --> 00:52:59,150
got a hole in the center so it's now a

952
00:53:07,500 --> 00:53:03,200
ring it's a black ring and balloons

953
00:53:10,390 --> 00:53:07,510
would have taken a the wind path or

954
00:53:12,910 --> 00:53:10,400
floated off into the distance either

955
00:53:15,940 --> 00:53:12,920
going up or down wouldn't note this

956
00:53:16,270 --> 00:53:15,950
stayed perfectly straight straight

957
00:53:19,540 --> 00:53:16,280
across

958
00:53:21,700 --> 00:53:19,550
sky I could see it for miles but sadly

959
00:53:23,440 --> 00:53:21,710
on the the camcorder at the time I

960
00:53:26,980 --> 00:53:23,450
thought I'd lost it so I'm pulling the

961
00:53:31,090 --> 00:53:26,990
camcorder down and lost the fridge so I

962
00:53:32,880 --> 00:53:31,100
stopped filming several minutes later at

963
00:53:35,200 --> 00:53:32,890

least two minutes I would have guessed

964

00:53:38,140 --> 00:53:35,210

this black helicopter comes over the

965

00:53:40,600 --> 00:53:38,150

same path and follows it all the way

966

00:53:43,480 --> 00:53:40,610

through exactly the same path how

967

00:54:02,980 --> 00:53:47,800

and I've got all this on on camera and

968

00:54:05,410 --> 00:54:02,990

that was the kids have seen if I was

969

00:54:09,220 --> 00:54:05,420

going to put them on in public they're

970

00:54:11,980 --> 00:54:09,230

telling you that I love it and you know

971

00:54:14,410 --> 00:54:11,990

I mean they were literally parts pretty

972

00:54:17,140 --> 00:54:14,420

much parked on the roof and I was in the

973

00:54:19,000 --> 00:54:17,150

Attic and the kids are down in the

974

00:54:21,400 --> 00:54:19,010

street and I'm showing down to them and

975

00:54:29,260 --> 00:54:21,410

they're showing up to me there's two of

976

00:54:31,420 --> 00:54:29,270

her oh I know a lot of going just kind

977

00:54:33,640 --> 00:54:31,430

of circling but going right over the top

978

00:54:35,680 --> 00:54:33,650

of my my houses I'm in the Attic I've

979

00:54:37,380 --> 00:54:35,690

got a Dharma it's pretty cold up there

980

00:54:39,670 --> 00:54:37,390

there's no incident there's nothing

981

00:54:41,920 --> 00:54:39,680

insulating anything so it's just kind of

982

00:54:44,050 --> 00:54:41,930

the roof and the noise is incredible

983

00:54:45,490 --> 00:54:44,060

there was all right over the top and

984

00:54:47,050 --> 00:54:45,500

then doing a little circle right on the

985

00:54:49,720 --> 00:54:47,060

top and doing a little circle in the end

986

00:54:52,090 --> 00:54:49,730

I just sat there with two fingers in the

987

00:54:56,800 --> 00:54:52,100

air at the window cuz I thought you're

988

00:55:00,070 --> 00:54:56,810

doing it you know and then probably just

989

00:55:01,840 --> 00:55:00,080

missed across well I probably do I would

990

00:55:03,640 --> 00:55:01,850

why would I know that anything I used to

991

00:55:05,080 --> 00:55:03,650

see a lot going on above my house but I

992

00:55:07,540 --> 00:55:05,090

probably was probably stuff going on up

993

00:55:10,240 --> 00:55:07,550

there when I wasn't looking I mean that

994

00:55:12,460 --> 00:55:10,250

I had a crazy time in November 2010

995

00:55:16,270 --> 00:55:12,470

there with all sorts of things and it

996

00:55:19,420 --> 00:55:16,280

wasn't there was a c-130 circling

997

00:55:21,160 --> 00:55:19,430

circling circling for 24 hours has

998

00:55:23,740 --> 00:55:21,170

Clarke said that I've never even got a

999

00:55:26,080 --> 00:55:23,750

little old photographs on Facebook at

1000

00:55:27,610 --> 00:55:26,090

these plane and I kept firsta graphing

1001
00:55:29,680 --> 00:55:27,620
it because it was so noisy and it was

1002
00:55:33,730 --> 00:55:29,690
you know it was there for

1003
00:55:35,410 --> 00:55:33,740
an entire day and then the next day

1004
00:55:38,410 --> 00:55:35,420
there were two Chinook helicopters at

1005
00:55:39,190 --> 00:55:38,420
the back of the net Oh in beeston in

1006
00:55:40,960 --> 00:55:39,200
Leeds

1007
00:55:43,589 --> 00:55:40,970
right in the middle of the city centre

1008
00:55:46,000 --> 00:55:43,599
practically doing a grid search

1009
00:55:47,680 --> 00:55:46,010
something was going on you know and I

1010
00:55:49,390 --> 00:55:47,690
was the only person looking at the skies

1011
00:55:55,600 --> 00:55:49,400
and second photographs and putting them

1012
00:55:59,349 --> 00:55:56,789
[Music]

1013
00:56:00,760 --> 00:55:59,359

and I thought I'd gone crazy I thought

1014

00:56:03,210 --> 00:56:00,770

he was doing my din in it and I've

1015

00:56:07,510 --> 00:56:03,220

remembered it for all these years and

1016

00:56:10,450 --> 00:56:07,520

last year friends brought another friend

1017

00:56:11,680 --> 00:56:10,460

round and he was saying that he was

1018

00:56:15,970 --> 00:56:11,690

talking about a friend of his that had

1019

00:56:18,970 --> 00:56:15,980

died and he said Ernie had all this this

1020

00:56:21,039 --> 00:56:18,980

stuff going on in November 2010 when he

1021

00:56:22,450 --> 00:56:21,049

kept seeing all these weird UFOs and all

1022

00:56:25,120 --> 00:56:22,460

sorts of stuff going on with the clouds

1023

00:56:27,970 --> 00:56:25,130

and I was like well I saw that oh my god

1024

00:56:30,460 --> 00:56:27,980

I'm not crazy then fortunately this guy

1025

00:56:35,740 --> 00:56:30,470

is not alive anymore he fell off a

1026

00:56:38,079 --> 00:56:35,750

building and you know it was kind of

1027

00:56:39,609 --> 00:56:38,089

like from the grave I got this little

1028

00:56:41,650 --> 00:56:39,619

bit of confirmation that you know you

1029

00:56:43,000 --> 00:56:41,660

did see that if a little boy was seeing

1030

00:56:44,890 --> 00:56:43,010

things you know I mean he was pointing

1031

00:56:47,890 --> 00:56:44,900

things out in the sky and he was in his

1032

00:56:49,930 --> 00:56:47,900

pushchair you know I honestly thought no

1033

00:56:54,460 --> 00:56:49,940

I'm going crazy and then there was that

1034

00:56:56,470 --> 00:56:54,470

I could remember somebody somebody said

1035

00:57:00,029 --> 00:56:56,480

some military guy said there was going

1036

00:57:03,549 --> 00:57:00,039

to be an invasion on November the 10th

1037

00:57:05,529 --> 00:57:03,559

2010 right years and years ago so far

1038

00:57:07,990 --> 00:57:05,539

and I can't remember his name Benjamin

1039

00:57:10,750 --> 00:57:08,000

our been something like that it's not

1040

00:57:14,829 --> 00:57:10,760

Benjamin Fulford but something along

1041

00:57:16,660 --> 00:57:14,839

like something like that so all this was

1042

00:57:18,490 --> 00:57:16,670

going on and I thought no this can't be

1043

00:57:20,349 --> 00:57:18,500

I don't you just sort of making stuff up

1044

00:57:22,000 --> 00:57:20,359

so I wasn't on living room but I'm just

1045

00:57:24,819 --> 00:57:22,010

gonna watch a bit of TV so I don't go

1046

00:57:26,980 --> 00:57:24,829

crazy and then it comes on and I only

1047

00:57:29,740 --> 00:57:26,990

ever watched TV I only other TV for my

1048

00:57:33,039 --> 00:57:29,750

children the series and the brand-new

1049

00:57:41,079 --> 00:57:33,049

series of V it started that day each ok

1050

00:57:42,000 --> 00:57:41,089

no way no way my mind all of it yeah too

1051
00:57:43,859 --> 00:57:42,010
crazy and

1052
00:57:45,930 --> 00:57:43,869
I've talked to Troy if it wasn't he a

1053
00:57:48,270 --> 00:57:45,940
little bit about having those moments

1054
00:57:49,980 --> 00:57:48,280
when your environment seems to be

1055
00:57:53,160 --> 00:57:49,990
interacting with you and that was then

1056
00:57:56,970 --> 00:57:53,170
and now I look back and a question miss

1057
00:57:58,500 --> 00:57:56,980
oñate but you know what we do that don't

1058
00:58:01,950 --> 00:57:58,510
worry question a son let's here all the

1059
00:58:04,130 --> 00:58:01,960
time because it makes us feel crazy many

1060
00:58:06,540 --> 00:58:04,140
times many times we're not we're just

1061
00:58:11,390 --> 00:58:06,550
something and it makes us feel crazy

1062
00:58:14,970 --> 00:58:11,400
we're not actually crazy but when you go

1063
00:58:20,970 --> 00:58:14,980

you go out and confirm it again and

1064

00:58:28,680 --> 00:58:20,980

again and again that oh okay now tell me

1065

00:58:30,780 --> 00:58:28,690

why in hell I've got it I think if we

1066

00:58:34,290 --> 00:58:30,790

did know we could prove it would be the

1067

00:58:44,390 --> 00:58:34,300

richest people on the planet that's it I

1068

00:58:59,130 --> 00:58:57,120

no I mean being but certainly like yeah

1069

00:59:03,890 --> 00:58:59,140

sorry I'd certainly like to know what

1070

00:59:07,170 --> 00:59:03,900

happened to the time was it manipulated

1071

00:59:09,930 --> 00:59:07,180

as soon as we stood outside in my

1072

00:59:11,819 --> 00:59:09,940

opinion yes it was well didn't you say

1073

00:59:14,120 --> 00:59:11,829

that you had a funny thing going on with

1074

00:59:18,420 --> 00:59:14,130

you out before you even went outside

1075

00:59:21,839 --> 00:59:18,430

yeah and at no stage after the photo of

1076
00:59:26,520 --> 00:59:21,849
the app was taken at 7:36 I believe that

1077
00:59:31,319 --> 00:59:26,530
was at no stage after that did we look

1078
00:59:36,240 --> 00:59:31,329
at the time so I'm guessing we got

1079
00:59:38,940 --> 00:59:36,250
outside it 10 past 8:00 yeah because

1080
00:59:43,920 --> 00:59:38,950
it's human that the tones went on for a

1081
00:59:45,109 --> 00:59:43,930
good 15 15 minutes plus the coffee the

1082
00:59:48,900 --> 00:59:45,119
role in the cigarettes

1083
00:59:53,130 --> 00:59:48,910
it would mean around 8 8 10 yeah

1084
00:59:55,320 --> 00:59:53,140
but maybe not I felt strange but not

1085
00:59:57,930 --> 00:59:55,330
that strange I was a hard

1086
01:00:04,950 --> 00:59:57,940
speed this is where that conversation

1087
01:00:12,470 --> 01:00:04,960
with the MUFON Muppet very nice oh my

1088
01:00:17,210 --> 01:00:12,480

goodness I am so I can't even find words

1089

01:00:20,160 --> 01:00:17,220

right to express my blowing my utter

1090

01:00:24,690 --> 01:00:20,170

disgust at what happened to you yes

1091

01:00:28,590 --> 01:00:24,700

please tell the listeners what MUFON did

1092

01:00:30,930 --> 01:00:28,600

to you I wanted to do to you Jack

1093

01:00:39,120 --> 01:00:30,940

Turnbull was right

1094

01:00:40,620 --> 01:00:39,130

Mr Turnbull you agree the conversation

1095

01:00:44,100 --> 01:00:40,630

took place I got a phone call from Jack

1096

01:00:44,820 --> 01:00:44,110

handle obviously after reporting it did

1097

01:00:46,950 --> 01:00:44,830

he move on

1098

01:00:52,560 --> 01:00:46,960

case number seven oh three four - I

1099

01:00:58,890 --> 01:00:52,570

believe and received the phone call he

1100

01:01:01,110 --> 01:00:58,900

asked me to explain as you would Larry

1101

01:01:05,240 --> 01:01:01,120

Warren's name came into it because of

1102

01:01:08,880 --> 01:01:05,250

the half-speed comment from myself and

1103

01:01:12,180 --> 01:01:08,890

the red orb is that you sure you haven't

1104

01:01:14,640 --> 01:01:12,190

read the book no I don't even know Larry

1105

01:01:16,080 --> 01:01:14,650

Warren is to be perfectly honest I

1106

01:01:23,760 --> 01:01:16,090

didn't he stole that off somebody else

1107

01:01:26,670 --> 01:01:23,770

that element anyway yeah well when when

1108

01:01:28,320 --> 01:01:26,680

I read the book it was three beings now

1109

01:01:40,950 --> 01:01:28,330

in the film it's four so good luck with

1110

01:01:44,160 --> 01:01:40,960

it anyway yeah went on to say that he

1111

01:01:46,680 --> 01:01:44,170

would inject cast was sodium pentothal

1112

01:01:49,410 --> 01:01:46,690

and give us a lie-detector test to see

1113

01:01:52,650 --> 01:01:49,420

if we're full of [\h__\h] basically and I

1114

01:01:54,870 --> 01:01:52,660

did it chuckles nothing chuckle a little

1115

01:01:57,450 --> 01:01:54,880

bit and I thought wow really

1116

01:02:01,020 --> 01:01:57,460

now you can know this this is thoughts

1117

01:02:08,539 --> 01:02:01,030

running through my head and I'm

1118

01:02:12,739 --> 01:02:10,609

who literally makes my brain feel for me

1119

01:02:15,109 --> 01:02:12,749

like there's not enough room in my head

1120

01:02:18,380 --> 01:02:15,119

for it you know you see what's the shape

1121

01:02:21,469 --> 01:02:18,390

shift out in anger there he obviously

1122

01:02:23,029 --> 01:02:21,479

thought I was full of crap because my

1123

01:02:28,160 --> 01:02:23,039

explanation of the craft the missing

1124

01:02:29,809 --> 01:02:28,170

time the helicopters the feeling the

1125

01:02:32,089 --> 01:02:29,819

looks of sound feeling death going

1126
01:02:34,400 --> 01:02:32,099
half-speed the thing was alive I mean

1127
01:02:36,650 --> 01:02:34,410
did it did it make his head explode or

1128
01:02:41,479 --> 01:02:36,660
something imagine how I felt stood there

1129
01:02:45,169 --> 01:02:41,489
I mean for him to say something that

1130
01:02:47,449 --> 01:02:45,179
bizarre Gorman I'll take your truth

1131
01:03:01,959 --> 01:02:47,459
suits you I'll do your laundry like you

1132
01:03:08,359 --> 01:03:04,630
it's just outrageous

1133
01:03:10,189 --> 01:03:08,369
so no context from MUFON after that

1134
01:03:12,620 --> 01:03:10,199
official phone call from this Jack

1135
01:03:26,719 --> 01:03:12,630
Turnbull who was supposed to be the UK

1136
01:03:29,870 --> 01:03:26,729
organizer or rep UK's entire package

1137
01:03:32,539 --> 01:03:29,880
that comes with each drug in beautiful

1138
01:03:35,689 --> 01:03:32,549

no investigation whatsoever no letters

1139

01:03:39,349 --> 01:03:35,699

and no no secondary phone call nothing

1140

01:03:45,679 --> 01:03:39,359

total silence I even contacted jet is it

1141

01:03:47,929 --> 01:03:45,689

Jen house end housing yeah I believe

1142

01:03:49,370 --> 01:03:47,939

there was no response from him yeah I

1143

01:03:52,099 --> 01:03:49,380

sent him the coast number and everything

1144

01:03:56,599 --> 01:03:52,109

told him who called me I contacted MUFON

1145

01:03:59,089 --> 01:03:56,609

online I responded to emails zero

1146

01:04:03,949 --> 01:03:59,099

contact with Chris at all nobody spoke

1147

01:04:06,439 --> 01:04:03,959

to Krystal all our sightings to beef up

1148

01:04:11,479 --> 01:04:06,449

their presence but they don't believe

1149

01:04:15,169 --> 01:04:11,489

anybody do any helicopters were there so

1150

01:04:19,880 --> 01:04:15,179

they know it was it you know they can

1151
01:04:22,279 --> 01:04:19,890
parade them in public and go you know

1152
01:04:25,759 --> 01:04:22,289
the last email I got it was from

1153
01:04:31,039 --> 01:04:25,769
den house and actually was a subscribe

1154
01:04:33,289 --> 01:04:31,049
here please pay me pay me and I can read

1155
01:04:39,049 --> 01:04:33,299
my own citing that I have reported to

1156
01:04:43,009 --> 01:04:39,059
you yeah yeah so I went along to Gary

1157
01:04:46,489 --> 01:04:43,019
Heseltine's conference and Malcolm

1158
01:04:48,859 --> 01:04:46,499
Robinson was speaking I thought that was

1159
01:04:51,199 --> 01:04:48,869
absolutely awesome so I had to tell that

1160
01:04:53,209 --> 01:04:51,209
man my story definitely had to tell that

1161
01:05:02,120 --> 01:04:53,219
know my story I've bought in the beer of

1162
01:05:05,089 --> 01:05:02,130
the cars so you owe me a beer now so I

1163
01:05:09,039 --> 01:05:05,099

told him and he contacted me

1164

01:05:11,989 --> 01:05:09,049

shortly after and I gave him the report

1165

01:05:15,919 --> 01:05:11,999

this gentleman did more for us and so

1166

01:05:18,829 --> 01:05:15,929

did Allison Dunlop in 24 hours then move

1167

01:05:21,049 --> 01:05:18,839

on I've ever done all the police all the

1168

01:05:24,559 --> 01:05:21,059

airports or any other company that's it

1169

01:05:28,429 --> 01:05:24,569

some denying it was there they've done

1170

01:05:29,599 --> 01:05:28,439

more for us and we thank them from the

1171

01:05:33,620 --> 01:05:29,609

bottom of our heart

1172

01:05:36,609 --> 01:05:33,630

definitely yeah Allison Dunlop has been

1173

01:05:41,029 --> 01:05:36,619

absolutely outstanding legend in this

1174

01:05:45,109 --> 01:05:41,039

Larry Warren fraud investigation yeah

1175

01:05:49,339 --> 01:05:45,119

absolutely and SPI Scotland is their

1176

01:05:51,109 --> 01:05:49,349

thing you know they are really good and

1177

01:05:54,499 --> 01:05:51,119

the if you go to them that they will

1178

01:05:56,870 --> 01:05:54,509

help you if they come you know Allison's

1179

01:06:00,099 --> 01:05:56,880

just an excellent person she was my

1180

01:06:07,069 --> 01:06:00,109

guest last week she's lovely

1181

01:06:09,319 --> 01:06:07,079

just went in about a minute and yeah I'm

1182

01:06:12,979 --> 01:06:09,329

glad that you got some support from man

1183

01:06:16,849 --> 01:06:12,989

but there just isn't any real support

1184

01:06:19,759 --> 01:06:16,859

for anybody's or needs you know in

1185

01:06:23,659 --> 01:06:19,769

Dudley is busy yes sorry sir

1186

01:06:25,579 --> 01:06:23,669

um yeah suddenly there's no one there's

1187

01:06:26,809 --> 01:06:25,589

not really anyone to turn to is it I'm

1188

01:06:30,049 --> 01:06:26,819

agreeing with you totally

1189

01:06:33,229 --> 01:06:30,059

I mean you can't talk to your friends if

1190

01:06:34,669 --> 01:06:33,239

they don't know what you're actually

1191

01:06:37,400 --> 01:06:34,679

going to say I mean when you're in a

1192

01:06:41,010 --> 01:06:37,410

conversation and someone mentioned

1193

01:06:45,090 --> 01:06:41,020

it's it's a piss taking competition it's

1194

01:06:46,590 --> 01:06:45,100

not there's no reality to it I mean if

1195

01:06:51,150 --> 01:06:46,600

you're if you're me and you stand there

1196

01:06:53,490 --> 01:06:51,160

I'll show you yeah just wait a minute

1197

01:06:55,920 --> 01:06:53,500

just like that urn that guy who is

1198

01:07:00,660 --> 01:06:55,930

economy South Yahweh he says he can call

1199

01:07:02,430 --> 01:07:00,670

down fell down these lights and some

1200

01:07:03,750 --> 01:07:02,440

waters and they went to film and because

1201
01:07:20,310 --> 01:07:03,760
they were just going to go take the piss

1202
01:07:22,770 --> 01:07:20,320
out of him and I was I was trying to

1203
01:07:27,360 --> 01:07:22,780
film my last one when my friend David

1204
01:07:27,690 --> 01:07:27,370
was here we didn't do meditation or

1205
01:07:29,580 --> 01:07:27,700
anything

1206
01:07:32,070 --> 01:07:29,590
I was literally describing the c5 and

1207
01:07:35,400 --> 01:07:32,080
how contact works through the app and

1208
01:07:37,680 --> 01:07:35,410
what we use and less than five minutes

1209
01:07:41,930 --> 01:07:37,690
we hadn't even laid our cigarette I

1210
01:07:45,050 --> 01:07:41,940
think I started playing the tones and

1211
01:07:48,720 --> 01:07:45,060
around 300 feet away from my back door

1212
01:07:53,010 --> 01:07:48,730
above the neighbor's house is two

1213
01:07:56,340 --> 01:07:53,020

beautiful white white orbs it looks like

1214

01:07:59,280 --> 01:07:56,350

a pair of headlights and I'm like wow is

1215

01:08:01,260 --> 01:07:59,290

that hey do you seeing this a nice he

1216

01:08:01,910 --> 01:08:01,270

grabbed me on the shoulder what the [h__h]

1217

01:08:05,580 --> 01:08:01,920

is that

1218

01:08:07,740 --> 01:08:05,590

Dave said sorry mate we've just been

1219

01:08:11,060 --> 01:08:07,750

described in c5 and how it works and

1220

01:08:13,980 --> 01:08:11,070

there they are mate seriously and

1221

01:08:16,980 --> 01:08:13,990

because we've taken our thoughts away

1222

01:08:19,860 --> 01:08:16,990

and started talking they're bored they

1223

01:08:22,350 --> 01:08:19,870

disappear so they slowly dematerializing

1224

01:08:26,220 --> 01:08:22,360

it's gone yeah there's nothing in the

1225

01:08:29,130 --> 01:08:26,230

sky it's clear totally clear so Dave

1226

01:08:31,170 --> 01:08:29,140

turns around and runs into his wife yeah

1227

01:08:32,610 --> 01:08:31,180

we've just been outside for less than 2

1228

01:08:37,200 --> 01:08:32,620

minutes look more folks filling me in

1229

01:08:45,540 --> 01:08:37,210

we're just into UFOs outside and sadly

1230

01:08:47,550 --> 01:08:45,550

she wasn't that interested besides my

1231

01:08:49,229 --> 01:08:47,560

friend was allowed in joints to cau I

1232

01:08:51,209 --> 01:08:49,239

first wanna know

1233

01:08:53,430 --> 01:08:51,219

Oberlin is this there was three lights

1234

01:08:54,959 --> 01:08:53,440

in the line and it kept going behind the

1235

01:08:56,190 --> 01:08:54,969

cloud and coming back out again and then

1236

01:08:58,470 --> 01:08:56,200

go and banned the clown coming back out

1237

01:09:00,030 --> 01:08:58,480

again it moves slowly to our eye and

1238

01:09:06,539 --> 01:09:00,040

vanish straight in front of our eyes and

1239

01:09:16,530 --> 01:09:06,549

she went sorry that's the connection

1240

01:09:18,870 --> 01:09:16,540

between you impressed at all well see we

1241

01:09:21,479 --> 01:09:18,880

were talking I was describing to

1242

01:09:25,440 --> 01:09:21,489

Christians brother see Christine's the

1243

01:09:28,170 --> 01:09:25,450

one who had the encounter with me I was

1244

01:09:33,050 --> 01:09:28,180

waiting for Chris at his mum's house and

1245

01:09:38,640 --> 01:09:33,060

his brother was there so we he watched

1246

01:09:41,999 --> 01:09:38,650

my v8 craft video on YouTube and then

1247

01:09:44,760 --> 01:09:42,009

said well how do you do it then so I was

1248

01:09:48,690 --> 01:09:44,770

basically describing c5 as you do yeah

1249

01:09:53,120 --> 01:09:48,700

and we went out to the balcony and I

1250

01:09:55,830 --> 01:09:53,130

said Aaron right just to just saw we're

1251

01:09:58,260 --> 01:09:55,840

I'm going to point in the sky look in

1252

01:10:00,510 --> 01:09:58,270

that specific part of the sky so there's

1253

01:10:01,950 --> 01:10:00,520

a tree to the left hand side and there's

1254

01:10:04,650 --> 01:10:01,960

a flat to the right-hand side the only

1255

01:10:08,600 --> 01:10:04,660

space that we can physically look at is

1256

01:10:11,520 --> 01:10:08,610

around 10 meters wide in front of us so

1257

01:10:18,090 --> 01:10:11,530

you can imagine several thousand feet in

1258

01:10:20,520 --> 01:10:18,100

the sky behind the tree sorry so I say

1259

01:10:23,880 --> 01:10:20,530

look in that part of the sky and ask

1260

01:10:25,800 --> 01:10:23,890

them to show and they will I said that

1261

01:10:27,750 --> 01:10:25,810

all calmly without a smile on my face

1262

01:10:31,880 --> 01:10:27,760

purposely we were laughing and joking

1263

01:10:34,890 --> 01:10:31,890

inside so we we went outside to prove it

1264

01:10:39,810 --> 01:10:34,900

so I say to Aaron again look up in that

1265

01:10:41,610 --> 01:10:39,820

part of the sky noble show he does that

1266

01:10:45,390 --> 01:10:41,620

he stands there for a few seconds

1267

01:10:50,220 --> 01:10:45,400

doesn't even enter a minute and one

1268

01:10:53,520 --> 01:10:50,230

perfectly bright white wall shows up and

1269

01:10:59,760 --> 01:10:53,530

I told you I loved that moment when you

1270

01:11:02,280 --> 01:10:59,770

turn around and say I told you yes and

1271

01:11:03,120 --> 01:11:02,290

you can see the sort of worry in his

1272

01:11:06,450 --> 01:11:03,130

eyes

1273

01:11:09,720 --> 01:11:06,460

what's that well you know what it is now

1274

01:11:11,520 --> 01:11:09,730

ask them to flash for you asking for

1275

01:11:13,440 --> 01:11:11,530

escort don't have to say out loud if you

1276

01:11:16,230 --> 01:11:13,450

don't want to ask for it to flash and

1277

01:11:18,810 --> 01:11:16,240

this beautiful brilliant white light it

1278

01:11:23,160 --> 01:11:18,820

was massive absolutely massive bright

1279

01:11:24,720 --> 01:11:23,170

white flash I said right so you don't

1280

01:11:26,940 --> 01:11:24,730

think that this thing is just coming

1281

01:11:29,580 --> 01:11:26,950

towards us flashing randomly ask it to

1282

01:11:31,320 --> 01:11:29,590

flash when you want ask it to flash

1283

01:11:35,250 --> 01:11:31,330

again do it for a second time to confirm

1284

01:11:38,490 --> 01:11:35,260

its gonna come confirm its responding to

1285

01:11:39,870 --> 01:11:38,500

you and me so we both look we don't say

1286

01:11:43,320 --> 01:11:39,880

it out loud we say it in our heads

1287

01:11:47,550 --> 01:11:43,330

please flash the second time a beautiful

1288

01:11:50,490 --> 01:11:47,560

white light flashes again so I pause for

1289

01:11:52,260 --> 01:11:50,500

a minute thinking this is awesome we've

1290

01:11:53,940 --> 01:11:52,270

both got bloody phones enough in our

1291

01:11:57,390 --> 01:11:53,950

pockets and we don't get them out I

1292

01:12:02,190 --> 01:11:57,400

don't know why we didn't but for a third

1293

01:12:03,360 --> 01:12:02,200

time we asked it to flash and it does so

1294

01:12:08,130 --> 01:12:03,370

there's at least a minute and a half

1295

01:12:10,440 --> 01:12:08,140

between asking for them for them to

1296

01:12:14,490 --> 01:12:10,450

respond and knowing that this is no

1297

01:12:16,590 --> 01:12:14,500

plane beacon this is no flashing LED

1298

01:12:18,870 --> 01:12:16,600

light anywhere this is not a plane this

1299

01:12:21,840 --> 01:12:18,880

is not random you asked this to come

1300

01:12:25,110 --> 01:12:21,850

with me I'm just trying to prove a point

1301
01:12:28,710 --> 01:12:25,120
here oh and for the last time it flashed

1302
01:12:31,680 --> 01:12:28,720
again but all of a sudden its border

1303
01:12:34,440 --> 01:12:31,690
flashing it starts zipping from point to

1304
01:12:35,430 --> 01:12:34,450
point in the sky hundreds of feet

1305
01:12:37,200 --> 01:12:35,440
between them

1306
01:12:41,340 --> 01:12:37,210
zipping all over and you can see it

1307
01:12:43,590 --> 01:12:41,350
sparkling so it flashes at each point is

1308
01:12:48,570 --> 01:12:43,600
that it's stopped there yeah several

1309
01:12:51,090 --> 01:12:48,580
hundred feet away yeah and flashing it

1310
01:12:55,250 --> 01:12:51,100
every point it stops and then all of a

1311
01:13:02,610 --> 01:12:58,770
I would suggested to him that we need to

1312
01:13:04,470 --> 01:13:02,620
keep our thought sequence on it and stop

1313
01:13:05,880 --> 01:13:04,480

talking about other things at that

1314

01:13:08,370 --> 01:13:05,890

moment in time we stopped talking

1315

01:13:11,370 --> 01:13:08,380

because we were freaked out it was it

1316

01:13:15,320 --> 01:13:11,380

was shooting all over the sky and just

1317

01:13:16,800 --> 01:13:15,330

playing games now it was it looked bored

1318

01:13:18,630 --> 01:13:16,810

that was

1319

01:13:21,840 --> 01:13:18,640

really shocking but his jaw did hit the

1320

01:13:24,780 --> 01:13:21,850

ground at that point he's just walked

1321

01:13:26,970 --> 01:13:24,790

into his mum and he's shown that ma'am

1322

01:13:35,190 --> 01:13:26,980

we've just seen a UFO outside Darren's

1323

01:13:38,910 --> 01:13:35,200

to show be told you you need something

1324

01:13:42,240 --> 01:13:38,920

Morrow doing it again and again and the

1325

01:13:44,130 --> 01:13:42,250

whole disbeliefs kind of thing when I

1326

01:13:46,530 --> 01:13:44,140

first moved into this house which is

1327

01:13:48,750 --> 01:13:46,540

about four years ago and it went outside

1328

01:13:51,870 --> 01:13:48,760

and that's not in the garden and I've

1329

01:13:53,790 --> 01:13:51,880

smoked and I was having a cig and

1330

01:13:56,760 --> 01:13:53,800

looking and I just sort of looked at the

1331

01:14:00,480 --> 01:13:56,770

sky and this you know the flash flash

1332

01:14:02,520 --> 01:14:00,490

flash so you know I see that so often I

1333

01:14:04,980 --> 01:14:02,530

was like ah what do you do you know what

1334

01:14:08,370 --> 01:14:04,990

what's possible glean from that you know

1335

01:14:10,110 --> 01:14:08,380

what it doesn't make any difference you

1336

01:14:12,990 --> 01:14:10,120

do in that you know you need to do

1337

01:14:13,710 --> 01:14:13,000

something bigger like yeah what is the

1338

01:14:17,640 --> 01:14:13,720

point in that

1339

01:14:20,070 --> 01:14:17,650

well the next day in the paper there's a

1340

01:14:23,070 --> 01:14:20,080

report that these big blue light had

1341

01:14:26,550 --> 01:14:23,080

been zipping from over here to Old Swan

1342

01:14:27,840 --> 01:14:26,560

and back to Old Swan and there were

1343

01:14:29,070 --> 01:14:27,850

people out there were loads of people

1344

01:14:31,680 --> 01:14:29,080

out in the street and they were all

1345

01:14:36,330 --> 01:14:31,690

watching it I didn't see it I said well

1346

01:14:38,160 --> 01:14:36,340

I thought I saw some must be a plane

1347

01:14:41,400 --> 01:14:38,170

because we only had John Lennon Airport

1348

01:14:43,470 --> 01:14:41,410

so yeah we get a lot of flashes and

1349

01:14:45,090 --> 01:14:43,480

you've got the long distance travel you

1350

01:14:47,460 --> 01:14:45,100

know we get a lot of planes going over

1351

01:14:49,140 --> 01:14:47,470

but anyway I just saw this light and it

1352

01:14:52,230 --> 01:14:49,150

was between the houses and Garland's

1353

01:14:54,330 --> 01:14:52,240

could have been out but then it was in

1354

01:14:56,040 --> 01:14:54,340

the paper and it was on I don't know it

1355

01:15:00,750 --> 01:14:56,050

wasn't on the news I'm lying it was all

1356

01:15:02,340 --> 01:15:00,760

over social media but it was in the it

1357

01:15:04,410 --> 01:15:02,350

was in the paper that all these people

1358

01:15:05,490 --> 01:15:04,420

listened and I thought was that for me

1359

01:15:13,560 --> 01:15:05,500

was that because I said do something

1360

01:15:20,160 --> 01:15:13,570

bigger right it was perfect makes

1361

01:15:22,110 --> 01:15:20,170

perfect school you know like cuz you

1362

01:15:24,780 --> 01:15:22,120

think no doing for me anything well you

1363

01:15:26,600 --> 01:15:24,790

did say that and you did see that and no

1364

01:15:29,589 --> 01:15:26,610

one's gonna believe it and you did

1365

01:15:37,479 --> 01:15:29,599

already think she crazy so

1366

01:15:41,649 --> 01:15:37,489

you know and you're just like in a state

1367

01:15:46,899 --> 01:15:41,659

of incredulity forever like half gaping

1368

01:15:49,089 --> 01:15:46,909

looking around like a commensal but so I

1369

01:15:49,689 --> 01:15:49,099

think it's all going on in that in my

1370

01:15:51,910 --> 01:15:49,699

head

1371

01:15:54,280 --> 01:15:51,920

it's you know I might be stuck there

1372

01:15:56,050 --> 01:15:54,290

just looking old whatever like just

1373

01:15:57,850 --> 01:15:56,060

sitting still but I'm not in my brain

1374

01:16:00,760 --> 01:15:57,860

it's like I need to know this I need to

1375

01:16:02,609 --> 01:16:00,770

know that was that for me yep and it

1376

01:16:05,229 --> 01:16:02,619

just gets worse and worse

1377

01:16:08,020 --> 01:16:05,239

you're insane thinking that that's for

1378

01:16:12,459 --> 01:16:08,030

you you know like get over yourself and

1379

01:16:14,890 --> 01:16:12,469

all that kind of stuff I've been there

1380

01:16:19,620 --> 01:16:14,900

and done oh my god is just trying to

1381

01:16:23,830 --> 01:16:19,630

dismiss it it's not happening because

1382

01:16:27,490 --> 01:16:23,840

yeah because we start after maybe a

1383

01:16:32,339 --> 01:16:27,500

month between that we we were working in

1384

01:16:35,950 --> 01:16:32,349

I think it was Leon solo or gospel

1385

01:16:39,819 --> 01:16:35,960

basically we would stopped work went

1386

01:16:43,720 --> 01:16:39,829

down to the beach to just chill because

1387

01:16:47,680 --> 01:16:43,730

sadly my friends mum passed away the day

1388

01:16:51,700 --> 01:16:47,690

before and so we were we were trying to

1389

01:16:54,569 --> 01:16:51,710

comfort him any way we could and then

1390

01:16:58,089 --> 01:16:54,579

we're talking about spirits and and

1391

01:17:00,160 --> 01:16:58,099

you'll you'll feel certain things if

1392

01:17:02,319 --> 01:17:00,170

you're feeling that there's ghosts

1393

01:17:06,160 --> 01:17:02,329

presents and stuff like that we were

1394

01:17:09,430 --> 01:17:06,170

having a very bizarre conversation but

1395

01:17:14,229 --> 01:17:09,440

it went on to what I showed Dave in

1396

01:17:16,870 --> 01:17:14,239

garden and basically I went into telling

1397

01:17:22,930 --> 01:17:16,880

them about contact them see you five

1398

01:17:25,589 --> 01:17:22,940

again and I'd say less than less than

1399

01:17:30,510 --> 01:17:25,599

two minutes again and we have three

1400

01:17:35,339 --> 01:17:30,520

right but they were bright but they were

1401

01:17:38,770 --> 01:17:35,349

off-white very odd but very circular

1402

01:17:40,390 --> 01:17:38,780

so we had three tone up this time but

1403

01:17:44,440 --> 01:17:40,400

strangely that date it was three of us

1404

01:17:46,750 --> 01:17:44,450

and when there's two of us to turn up

1405

01:17:51,880 --> 01:17:46,760

strange thought or strange coincidence

1406

01:17:54,880 --> 01:17:51,890

but so three bright white orbs more off

1407

01:17:58,240 --> 01:17:54,890

white orbs show up but the strange thing

1408

01:18:01,870 --> 01:17:58,250

was one separated from the two and when

1409

01:18:06,010 --> 01:18:01,880

out quite fast I'd say maybe 10 15 mile

1410

01:18:07,900 --> 01:18:06,020

an hour came out about 30 feet away from

1411

01:18:12,760 --> 01:18:07,910

the other two this is directly above our

1412

01:18:15,460 --> 01:18:12,770

heads around 30 feet separated from the

1413

01:18:18,970 --> 01:18:15,470

two and then came back and when it came

1414

01:18:22,300 --> 01:18:18,980

back it was an instant stop into a

1415

01:18:24,610 --> 01:18:22,310

triangular formation and then they D

1416

01:18:26,260 --> 01:18:24,620

materialized by habit behind our heads

1417

01:18:28,620 --> 01:18:26,270

but just above us yeah

1418

01:18:31,050 --> 01:18:28,630

so as we're turning our heads just to

1419

01:18:34,030 --> 01:18:31,060

stop the crookneck

1420

01:18:38,470 --> 01:18:34,040

they then D materialized and all three

1421

01:18:42,100 --> 01:18:38,480

of us wow that was amazing but this is

1422

01:18:45,340 --> 01:18:42,110

twice for David and once just to confirm

1423

01:18:50,440 --> 01:18:45,350

for the other day so they both named

1424

01:18:55,210 --> 01:18:50,450

Dave so again proving a point that they

1425

01:18:57,760 --> 01:18:55,220

do show and you can show people but

1426

01:19:03,400 --> 01:18:57,770

we're all capable of this as well that's

1427

01:19:12,160 --> 01:19:03,410

in my opinion when you're I don't know

1428

01:19:14,620 --> 01:19:12,170

if something clicks acknowledge there's

1429

01:19:16,660 --> 01:19:14,630

a lot of people I think some people it's

1430

01:19:19,300 --> 01:19:16,670

just not for them and it doesn't exist

1431

01:19:21,280 --> 01:19:19,310

in their worlds at all it's going on

1432

01:19:23,440 --> 01:19:21,290

you know parading around in front of us

1433

01:19:25,030 --> 01:19:23,450

but not in front of everybody

1434

01:19:27,790 --> 01:19:25,040

otherwise everyone would believe

1435

01:19:30,340 --> 01:19:27,800

wouldn't I everyone would say all right

1436

01:19:33,820 --> 01:19:30,350

that said so many times why don't I see

1437

01:19:37,450 --> 01:19:33,830

anything what do you see well on trying

1438

01:19:38,980 --> 01:19:37,460

you're not well even I think some people

1439

01:19:41,740 --> 01:19:38,990

even when they try they just can't learn

1440

01:19:44,560 --> 01:19:41,750

I mean like my friend yeah like they go

1441

01:19:47,770 --> 01:19:44,570

there's there's a craft of unknown

1442

01:19:49,350 --> 01:19:47,780

origin and it's just D materialized

1443

01:19:56,959 --> 01:19:49,360

right in front of our eyes

1444

01:20:07,959 --> 01:19:59,180

you just had contact with an

1445

01:20:21,110 --> 01:20:11,420

and our solar system and how it actually

1446

01:20:24,680 --> 01:20:21,120

operates yeah what are we are we I saw

1447

01:20:29,030 --> 01:20:24,690

the helix vortex solar system model

1448

01:20:31,670 --> 01:20:29,040

which is up accurate not this like Sun

1449

01:20:34,280 --> 01:20:31,680

with the rings around it and all the

1450

01:20:36,439 --> 01:20:34,290

planets in different places in this card

1451

01:20:38,180 --> 01:20:36,449

it's not like that's all this one's like

1452

01:20:39,770 --> 01:20:38,190

a comet no we're all spinning like crazy

1453

01:20:43,220 --> 01:20:39,780

are going around it and there's like

1454

01:20:45,740 --> 01:20:43,230

this dance around this ball of fires

1455

01:20:48,229 --> 01:20:45,750

were actually hurtling forward I mean I

1456

01:20:50,930 --> 01:20:48,239

knew we were moving right and you were

1457

01:20:53,479 --> 01:20:50,940

moving forwards but when you look at the

1458

01:20:55,700 --> 01:20:53,489

normal kind of model of the solar system

1459

01:20:57,860 --> 01:20:55,710

as represented it at school it's nothing

1460

01:21:06,590 --> 01:20:57,870

like the reality and then when I saw the

1461

01:21:13,520 --> 01:21:06,600

reality I was like oh my god I would

1462

01:21:15,890 --> 01:21:13,530

behave and that's why we live and it's

1463

01:21:17,810 --> 01:21:15,900

all about destruction just blows my mind

1464

01:21:20,209 --> 01:21:17,820

I just think what are we and we've gone

1465

01:21:22,939 --> 01:21:20,219

about aliens and it's things that are

1466

01:21:26,840 --> 01:21:22,949

impossible we I hear people talking

1467

01:21:29,390 --> 01:21:26,850

about impossibilities and I like I would

1468

01:21:31,189 --> 01:21:29,400

just like to explain the reality of our

1469

01:21:33,620 --> 01:21:31,199

existence and put it in front of

1470

01:21:36,320 --> 01:21:33,630

somebody and say you know if this wasn't

1471

01:21:38,150 --> 01:21:36,330

actually a reality would you think that

1472

01:21:40,760 --> 01:21:38,160

any of that was possible that we're

1473

01:21:45,110 --> 01:21:40,770

spinning at 3000 miles an hour well

1474

01:21:48,439 --> 01:21:45,120

being crushed by 10 tons of pressure per

1475

01:21:52,370 --> 01:21:48,449

square inch you know no you'd die you'd

1476

01:21:52,610 --> 01:21:52,380

be dead well well not are we though well

1477

01:21:54,700 --> 01:21:52,620

we

1478

01:21:57,860 --> 01:21:54,710

[Laughter]

1479

01:22:00,350 --> 01:21:57,870

you know we're conscious conscious

1480

01:22:01,880 --> 01:22:00,360

sentient beings like that I would like

1481

01:22:04,070 --> 01:22:01,890

to let everybody live with their own

1482

01:22:09,830 --> 01:22:04,080

delusions as long as they don't try and

1483

01:22:11,750 --> 01:22:09,840

trample mine I know I'm deluded I know I

1484

01:22:12,890 --> 01:22:11,760

don't know what everything is everybody

1485

01:22:17,090 --> 01:22:12,900

else seems to think that they've got

1486

01:22:21,820 --> 01:22:17,100

everything pegged down you know you're

1487

01:22:25,030 --> 01:22:21,830

very clever I mean yeah I mean I've seen

1488

01:22:28,660 --> 01:22:25,040

various craft solid craft I've seen

1489

01:22:31,070 --> 01:22:28,670

cigar-shaped craft yeah this was going

1490

01:22:31,490 --> 01:22:31,080

according to my brain thousands of miles

1491

01:22:35,090 --> 01:22:31,500

an hour

1492

01:22:38,210 --> 01:22:35,100

yeah was it from hundreds of miles that

1493

01:22:44,120 --> 01:22:38,220

way to the left of my house I'd believe

1494

01:22:47,120 --> 01:22:44,130

that self to east in less than three

1495

01:22:48,380 --> 01:22:47,130

seconds yeah you know wow that was quick

1496

01:22:54,650 --> 01:22:48,390

that wasn't for me

1497

01:22:56,270 --> 01:22:54,660

but random as well they are but one one

1498

01:22:58,160 --> 01:22:56,280

could be I think some of it is

1499

01:23:00,680 --> 01:22:58,170

definitely ours I think we've got that

1500

01:23:03,140 --> 01:23:00,690

technology down no Pat and I think we

1501

01:23:04,970 --> 01:23:03,150

have done since they thought isn't early

1502

01:23:06,530 --> 01:23:04,980

50s and I think that's why all they were

1503

01:23:08,690 --> 01:23:06,540

all different those crashes I don't

1504

01:23:12,560 --> 01:23:08,700

think they were all aliens I think they

1505

01:23:14,390 --> 01:23:12,570

were always trying to fly maybe you know

1506

01:23:18,910 --> 01:23:14,400

I don't know about reversing engineered

1507

01:23:23,390 --> 01:23:18,920

stuff maybe but we certainly and on

1508

01:23:27,650 --> 01:23:23,400

anti-gravity but maybe not military

1509

01:23:30,560 --> 01:23:27,660

excetera but you know I think well

1510

01:23:32,590 --> 01:23:30,570

advanced now which just disgusts me that

1511

01:23:34,520 --> 01:23:32,600

they don't release this kind of

1512

01:23:36,590 --> 01:23:34,530

technology that could certainly squirrel

1513

01:23:39,200 --> 01:23:36,600

into something worth living for all of

1514

01:23:42,560 --> 01:23:39,210

us I mean like for all of us not just

1515

01:23:48,620 --> 01:23:42,570

the few you know I mean I'm not gonna

1516

01:23:52,050 --> 01:23:48,630

get political now but don't do polish it

1517

01:23:58,380 --> 01:23:56,730

we have got a crazy existence and you

1518

01:23:59,880 --> 01:23:58,390

know you get used to it though don't you

1519

01:24:01,380 --> 01:23:59,890

when people say that they don't believe

1520

01:24:04,050 --> 01:24:01,390

in things and just say well I don't

1521

01:24:06,540 --> 01:24:04,060

blame you if you could naturally be a

1522

01:24:09,240 --> 01:24:06,550

genuinely mean that when you say I don't

1523

01:24:12,390 --> 01:24:09,250

blame you then you can have a little bit

1524

01:24:15,510 --> 01:24:12,400

of an easier time because you know when

1525

01:24:16,470 --> 01:24:15,520

I was first started talking and bottled

1526

01:24:18,660 --> 01:24:16,480

it up for years

1527

01:24:24,810 --> 01:24:18,670

and so it was just like this dam had

1528

01:24:26,580 --> 01:24:24,820

burst and I didn't I thought I knew a

1529

01:24:28,230 --> 01:24:26,590

lot about what had happened to me

1530

01:24:29,910 --> 01:24:28,240

because I was listening to people that I

1531

01:24:31,650 --> 01:24:29,920

came into contact with on the net and

1532

01:24:34,590 --> 01:24:31,660

they said oh you loved being abducted

1533

01:24:38,760 --> 01:24:34,600

burn and you know in Wales and you live

1534

01:24:40,590 --> 01:24:38,770

at he loved he loved an implant in your

1535

01:24:43,230 --> 01:24:40,600

nose and then you spine and in your

1536

01:24:44,400 --> 01:24:43,240

hound and then you know like oh my god

1537

01:24:47,760 --> 01:24:44,410

really

1538

01:24:50,250 --> 01:24:47,770

you know well I do have something funny

1539

01:24:58,230 --> 01:24:50,260

moving in the back of my neck but if you

1540

01:25:12,450 --> 01:24:58,240

had it checked out no doctors I think

1541

01:25:14,970 --> 01:25:12,460

I've got an employment I think well we

1542

01:25:17,460 --> 01:25:14,980

know that these implants are real we

1543

01:25:19,440 --> 01:25:17,470

know about some people can refuse to

1544

01:25:21,360 --> 01:25:19,450

believe it if they want but you know

1545

01:25:26,400 --> 01:25:21,370

what people are overdone for fun now

1546

01:25:28,760 --> 01:25:26,410

so yeah well have you ever met Kate for

1547

01:25:34,020 --> 01:25:28,770

well spent no I haven't actually

1548

01:25:37,170 --> 01:25:34,030

she's got 29 implants she has them in

1549

01:25:37,560 --> 01:25:37,180

symmetrical order on on a all over her

1550

01:25:39,270 --> 01:25:37,570

body

1551
01:25:43,580 --> 01:25:39,280
to be honest I've seen the magnets that

1552
01:25:48,630 --> 01:25:43,590
actually stick to them that blew my mind

1553
01:25:52,140 --> 01:25:48,640
yeah disorganized cans images or

1554
01:25:54,960 --> 01:25:52,150
anything yeah it's all being checked out

1555
01:26:00,780 --> 01:25:54,970
by they're all W Sims at the moment I

1556
01:26:06,200 --> 01:26:00,790
believe Darryl Darryl

1557
01:26:15,090 --> 01:26:09,120
at one stage sorry when I met her she

1558
01:26:17,910 --> 01:26:15,100
had 25 and today she has 29 and she's

1559
01:26:25,080 --> 01:26:17,920
had encounters from a very early age

1560
01:26:29,370 --> 01:26:25,090
yeah well you know I've had my spider on

1561
01:26:32,899 --> 01:26:29,380
my legs MRI there's my neck there's

1562
01:26:37,979 --> 01:26:32,909
nothing there but my arms and my hands

1563
01:26:40,050 --> 01:26:37,989

have not been even x-rayed so so we

1564

01:26:42,240 --> 01:26:40,060

should organize somebody to bring that

1565

01:26:44,910 --> 01:26:42,250

device with them I'm sure somebody did

1566

01:26:52,129 --> 01:26:44,920

that few years ago I think it was Miles

1567

01:27:01,129 --> 01:26:54,689

it just looked like a sex toys to be

1568

01:27:04,649 --> 01:27:01,139

honest ya know Oh absolute travesty

1569

01:27:09,419 --> 01:27:04,659

confessions of an alien abductee and it

1570

01:27:11,970 --> 01:27:09,429

was Marie who I think it was Marie

1571

01:27:17,520 --> 01:27:11,980

pretty sure it was Mary who had the

1572

01:27:22,340 --> 01:27:17,530

signal coming from a body and some yeah

1573

01:27:24,600 --> 01:27:22,350

weird kind of green stuff in her skin I

1574

01:27:26,160 --> 01:27:24,610

don't think it was on her skin because I

1575

01:27:30,780 --> 01:27:26,170

don't think it worked off it was kind of

1576

01:27:33,570 --> 01:27:30,790

in her skin somehow and I know that in

1577

01:27:37,590 --> 01:27:33,580

one of the conferences in Phoenix

1578

01:27:39,300 --> 01:27:37,600

somebody does that scan in there I've

1579

01:27:40,470 --> 01:27:39,310

never had it done obviously because I've

1580

01:27:44,879 --> 01:27:40,480

never been to one of those major

1581

01:27:50,970 --> 01:27:44,889

conferences and I don't mean miles not

1582

01:27:52,800 --> 01:27:50,980

on exactly good terms anymore damage

1583

01:27:54,720 --> 01:27:52,810

that's been done and nobody's taking any

1584

01:27:57,290 --> 01:27:54,730

responsibility for any other damage that

1585

01:28:01,410 --> 01:27:59,399

yeah we know

1586

01:28:05,340 --> 01:28:01,420

mommy Marie is one of the people that

1587

01:28:09,600 --> 01:28:05,350

has been you know extremely hurt by all

1588

01:28:14,339 --> 01:28:09,610

of that and she'll paper as well damage

1589

01:28:15,750 --> 01:28:14,349

to be by the UFO community and you know

1590

01:28:18,459 --> 01:28:15,760

that word community

1591

01:28:22,300 --> 01:28:18,469

oh it's also lovely

1592

01:28:25,510 --> 01:28:22,310

our community now the community just

1593

01:28:28,240 --> 01:28:25,520

feels like a big hug with nasty big

1594

01:28:30,700 --> 01:28:28,250

spikes I just have to drain the ball of

1595

01:28:32,140 --> 01:28:30,710

life out of you and so you're dead and

1596

01:28:34,180 --> 01:28:32,150

they chased you off because you're the

1597

01:28:41,939 --> 01:28:34,190

real deal we can't have the real deal

1598

01:28:50,550 --> 01:28:44,860

where people with feelings with true

1599

01:28:57,640 --> 01:28:50,560

life stories just text on the screen

1600

01:29:00,970 --> 01:28:57,650

yeah we show them to their faces and

1601

01:29:04,680 --> 01:29:00,980

then it all becomes true what my wife

1602

01:29:14,350 --> 01:29:04,690

seen them my children have seen them I

1603

01:29:15,910 --> 01:29:14,360

can go on remember clearly obviously

1604

01:29:18,670 --> 01:29:15,920

because it was only six but he does

1605

01:29:20,709 --> 01:29:18,680

remember being scared and he remembers

1606

01:29:24,280 --> 01:29:20,719

the lights and he remembers the stick

1607

01:29:29,860 --> 01:29:24,290

hand come he's coming through the hedge

1608

01:29:34,840 --> 01:29:29,870

yes yes bless him and I think about that

1609

01:29:37,500 --> 01:29:34,850

night breaks me out you know I feel like

1610

01:29:39,880 --> 01:29:37,510

I should have tried to reassure you but

1611

01:29:43,770 --> 01:29:39,890

were you not in the same state that I

1612

01:29:46,570 --> 01:29:43,780

will feel like I had that control yeah I

1613

01:29:48,700 --> 01:29:46,580

didn't even fully comprehend what was

1614

01:29:50,800 --> 01:29:48,710

happening to us to be fair you know and

1615

01:29:53,050 --> 01:29:50,810

I think Steve started to get a little

1616

01:29:53,530 --> 01:29:53,060

bit worried John was completely freaked

1617

01:29:57,060 --> 01:29:53,540

out

1618

01:30:00,400 --> 01:29:57,070

dunya and I would just kind of like

1619

01:30:03,520 --> 01:30:00,410

staring at a little bit like you know

1620

01:30:06,370 --> 01:30:03,530

almost not not scared there was no

1621

01:30:10,570 --> 01:30:06,380

scared expression on her face it was

1622

01:30:12,670 --> 01:30:10,580

wonderful and uh and I know that I felt

1623

01:30:14,890 --> 01:30:12,680

exactly the same was I was looking up it

1624

01:30:17,260 --> 01:30:14,900

and when I was going back outside by

1625

01:30:20,560 --> 01:30:17,270

myself to go walking towards it I

1626

01:30:24,130 --> 01:30:20,570

actually remember kind of you know weeks

1627

01:30:26,530 --> 01:30:24,140

of hahaha laughs and you sort of shaky

1628

01:30:30,910 --> 01:30:26,540

right yeah yeah deep thought oh you've

1629

01:30:31,970 --> 01:30:30,920

just reminded me go on you have it made

1630

01:30:38,270 --> 01:30:31,980

me feel

1631

01:30:41,150 --> 01:30:38,280

childish I felt stupid literally and I

1632

01:30:48,670 --> 01:30:41,160

felt that several times over stood in a

1633

01:30:54,260 --> 01:30:50,860

especially we walked around the whole

1634

01:30:56,680 --> 01:30:54,270

whole crop circle and we reached the

1635

01:30:59,600 --> 01:30:56,690

middle and we found these three notes

1636

01:31:02,270 --> 01:30:59,610

I've got pictures of what they say it

1637

01:31:04,850 --> 01:31:02,280

was very odd whether there was the

1638

01:31:07,780 --> 01:31:04,860

makers or people who have visited I'm

1639

01:31:14,750 --> 01:31:07,790

not sure what's going on there but I

1640

01:31:17,390 --> 01:31:14,760

felt very weak like I was going to pass

1641

01:31:20,090 --> 01:31:17,400

out literally in the middle in the crop

1642

01:31:24,260 --> 01:31:20,100

circle before there I felt very childish

1643

01:31:26,060 --> 01:31:24,270

and giggly so I get that most times when

1644

01:31:27,560 --> 01:31:26,070

I meditate actually sometimes it can

1645

01:31:30,920 --> 01:31:27,570

make me laugh out loud like this

1646

01:31:39,620 --> 01:31:30,930

something here and it lends me a shock

1647

01:31:42,560 --> 01:31:39,630

they very old it was just nothing going

1648

01:31:44,630 --> 01:31:42,570

on mired nothing going on in my head and

1649

01:31:47,540 --> 01:31:44,640

I sort of laughed at the situation at

1650

01:31:49,820 --> 01:31:47,550

how ridiculous it was not how ridiculous

1651
01:31:52,570 --> 01:31:49,830
I was going out by myself to stand right

1652
01:32:00,410 --> 01:31:52,580
underneath the sodden you went back out

1653
01:32:03,979 --> 01:32:00,420
why self are you no are you mad or

1654
01:32:07,310 --> 01:32:03,989
anything a curiosity did you check the

1655
01:32:08,930 --> 01:32:07,320
time Steve says it was around about

1656
01:32:12,440 --> 01:32:08,940
half-past seven when I went outside

1657
01:32:15,470 --> 01:32:12,450
because he checked the time but again on

1658
01:32:18,530 --> 01:32:15,480
your own I well he went out by himself

1659
01:32:20,240 --> 01:32:18,540
and he saw it then he shouted in he saw

1660
01:32:22,340 --> 01:32:20,250
it in the distance and he shouted me

1661
01:32:24,170 --> 01:32:22,350
downstairs so I came downstairs and I

1662
01:32:26,810 --> 01:32:24,180
couldn't see it and then I eventually

1663
01:32:29,240 --> 01:32:26,820

clocked on to I was pointing and I saw a

1664

01:32:31,400 --> 01:32:29,250

little flicker and I said it's lightning

1665

01:32:33,740 --> 01:32:31,410

and he said it's not like name watch it

1666

01:32:36,290 --> 01:32:33,750

and because I knew where it was that I

1667

01:32:38,180 --> 01:32:36,300

was watching and it came on and it went

1668

01:32:39,590 --> 01:32:38,190

off and it came on and it went off when

1669

01:32:41,750 --> 01:32:39,600

it came on and it went off and it was

1670

01:32:44,630 --> 01:32:41,760

moving so where's all right and I was

1671

01:32:45,380 --> 01:32:44,640

like oh wow yeah that's something weird

1672

01:32:48,410 --> 01:32:45,390

that was

1673

01:32:50,960 --> 01:32:48,420

you know because it was just like a of

1674

01:32:54,290 --> 01:32:50,970

lights and it was rippling and you could

1675

01:32:58,940 --> 01:32:54,300

see you know it was really really bright

1676

01:33:00,710 --> 01:32:58,950

then it stopped moving and it kind of

1677

01:33:03,410 --> 01:33:00,720

started to come towards us really slowly

1678

01:33:05,810 --> 01:33:03,420

it come over really quickly or anything

1679

01:33:07,820 --> 01:33:05,820

like that and it's zigzagged he'd seeks

1680

01:33:12,350 --> 01:33:07,830

out and it did these it was almost like

1681

01:33:14,540 --> 01:33:12,360

a zigzag was so exaggerated that that's

1682

01:33:16,070 --> 01:33:14,550

how it had to maneuver I don't think it

1683

01:33:17,780 --> 01:33:16,080

could move in a straight line I don't

1684

01:33:19,910 --> 01:33:17,790

know it was weird because it went right

1685

01:33:21,710 --> 01:33:19,920

after our right so it was behind the

1686

01:33:24,170 --> 01:33:21,720

house and then came all the way back

1687

01:33:26,690 --> 01:33:24,180

over to the left so it was right away

1688

01:33:29,920 --> 01:33:26,700

from us but in front of the I don't know

1689

01:33:32,630 --> 01:33:29,930

maybe a few hundred yards away from us

1690

01:33:35,690 --> 01:33:32,640

over the field in front of the house and

1691

01:33:37,220 --> 01:33:35,700

then slowly drifted over towards it so I

1692

01:33:39,770 --> 01:33:37,230

don't understand why it didn't just come

1693

01:33:42,170 --> 01:33:39,780

in a straight line to walk towards us

1694

01:33:44,810 --> 01:33:42,180

and where it was from where it was and

1695

01:33:46,670 --> 01:33:44,820

why it had to zigzag and white kind of

1696

01:33:50,180 --> 01:33:46,680

overshot the house and then came back

1697

01:33:53,090 --> 01:33:50,190

again and then you know you drifted so

1698

01:33:58,130 --> 01:33:53,100

slowly until it was over the house it

1699

01:33:59,600 --> 01:33:58,140

was really really slow you know and we

1700

01:34:01,100 --> 01:33:59,610

were out I don't even know how long we

1701

01:34:03,070 --> 01:34:01,110

were out there I have no idea of the

1702

01:34:05,170 --> 01:34:03,080

time at all I couldn't tell you and

1703

01:34:07,580 --> 01:34:05,180

because it was February was already dark

1704

01:34:16,310 --> 01:34:07,590

probably dark around about five o'clock

1705

01:34:20,750 --> 01:34:16,320

so no idea yeah and then obviously

1706

01:34:22,460 --> 01:34:20,760

because my son Louie got scared and we

1707

01:34:24,910 --> 01:34:22,470

felt that John was obviously not having

1708

01:34:26,900 --> 01:34:24,920

a good time a bit with little Joseph I

1709

01:34:28,580 --> 01:34:26,910

said to Steve the kids are getting

1710

01:34:32,090 --> 01:34:28,590

scared and he said come on let's take

1711

01:34:40,520 --> 01:34:32,100

him in the house so we did and then John

1712

01:34:42,020 --> 01:34:40,530

had done nothing that's where the wire

1713

01:34:43,460 --> 01:34:42,030

when I came downstairs and went just

1714

01:34:45,770 --> 01:34:43,470

back to where they were when I came

1715

01:34:47,330 --> 01:34:45,780

downstairs and Steven obviously been

1716

01:34:48,860 --> 01:34:47,340

washing up because he said that he was

1717

01:34:50,720 --> 01:34:48,870

washing up and he thought about going to

1718

01:34:53,390 --> 01:34:50,730

look at the sky and I'll know it's

1719

01:34:55,010 --> 01:34:53,400

cloudy oh no they were like clouds why

1720

01:34:58,500 --> 01:34:55,020

would he even think oh no they like

1721

01:35:01,700 --> 01:34:58,510

clouds like you know me

1722

01:35:07,110 --> 01:35:01,710

so then obviously I went out by myself

1723

01:35:08,160 --> 01:35:07,120

laughing walked up the gap like oh

1724

01:35:12,000 --> 01:35:08,170

Christ

1725

01:35:13,979 --> 01:35:12,010

it literally toes are cold to think that

1726

01:35:16,080 --> 01:35:13,989

I actually went out by myself without

1727

01:35:18,630 --> 01:35:16,090

even a thought it's a safety or anything

1728

01:35:19,110 --> 01:35:18,640

nothing nothing nothing was going on in

1729

01:35:22,260 --> 01:35:19,120

my head

1730

01:35:27,270 --> 01:35:22,270

so stood underneath it and I'm literally

1731

01:35:31,560 --> 01:35:27,280

like now what ha ha you know yeah oh

1732

01:35:33,180 --> 01:35:31,570

[h__\h] alright feet behind me and

1733

01:35:35,220 --> 01:35:33,190

something bumping into me back and

1734

01:35:36,810 --> 01:35:35,230

running past me but there was nowhere to

1735

01:35:40,290 --> 01:35:36,820

go because I was stuck next to a while

1736

01:35:43,680 --> 01:35:40,300

so that puzzles me as well but then I

1737

01:35:46,260 --> 01:35:43,690

was running and then I realized I was

1738

01:35:47,760 --> 01:35:46,270

running probably by the time I was

1739

01:35:50,670 --> 01:35:47,770

already halfway about to the house cuz I

1740

01:35:54,090 --> 01:35:50,680

was pretty fake you know I could shift I

1741

01:35:57,300 --> 01:35:54,100

was into it's steves as an aerobics

1742

01:36:04,560 --> 01:35:57,310

instructor so with circuits between on

1743

01:36:08,250 --> 01:36:04,570

rest of it very fit and the tries to

1744

01:36:10,410 --> 01:36:08,260

kind of do a bionic woman leap from the

1745

01:36:13,350 --> 01:36:10,420

top set Weber at my side came back into

1746

01:36:15,690 --> 01:36:13,360

focus for a second and then it was like

1747

01:36:17,820 --> 01:36:15,700

flash flash flash I remember a step

1748

01:36:20,070 --> 01:36:17,830

remember the middle of a patio and I

1749

01:36:21,360 --> 01:36:20,080

remember on the kitchen step but there

1750

01:36:22,800 --> 01:36:21,370

was have been a few steps in between

1751

01:36:26,970 --> 01:36:22,810

that but I just don't remember and I

1752

01:36:28,500 --> 01:36:26,980

knew I realized I couldn't see but I

1753

01:36:31,050 --> 01:36:28,510

didn't care I just thought just keep on

1754

01:36:32,370 --> 01:36:31,060

in you know he's just well there didn't

1755

01:36:33,720 --> 01:36:32,380

even think that there was nothing but I

1756

01:36:36,360 --> 01:36:33,730

stopped me from running oh it was a

1757

01:36:40,530 --> 01:36:36,370

flight it was a you know fight or flight

1758

01:36:42,800 --> 01:36:40,540

but then yeah I'm done when I walked in

1759

01:36:45,030 --> 01:36:42,810

the house and when I run in nouse and I

1760

01:36:47,010 --> 01:36:45,040

don't I saw the kids straightaway and I

1761

01:36:50,580 --> 01:36:47,020

thought oh god cut you know and I just

1762

01:36:53,910 --> 01:36:50,590

sort of stood there trembling and he's

1763

01:36:56,280 --> 01:36:53,920

just looked at me I don't they just we I

1764

01:36:59,790 --> 01:36:56,290

mean you know trying to say it without

1765

01:37:02,100 --> 01:36:59,800

being loud and it just looks at the

1766

01:37:03,780 --> 01:37:02,110

clock on the cooker went well you aren't

1767

01:37:07,920 --> 01:37:03,790

being out there long so he want I don't

1768

01:37:11,050 --> 01:37:07,930

have missing time oh that's cool you

1769

01:37:12,790 --> 01:37:11,060

know mean okay you know

1770

01:37:16,000 --> 01:37:12,800

okay the point where everything was over

1771

01:37:23,110 --> 01:37:16,010

for me don't ping brain gone that's it

1772

01:37:26,380 --> 01:37:23,120

yeah really the other one who dog

1773

01:37:28,870 --> 01:37:26,390

healthy without looking crazy and

1774

01:37:31,240 --> 01:37:28,880

obviously it rattled as that much that

1775

01:37:35,500 --> 01:37:31,250

became so disturbs that we fell out and

1776

01:37:37,330 --> 01:37:35,510

I didn't ever see him for 13 years you

1777

01:37:40,030 --> 01:37:37,340

know oh my god yeah I remember reading

1778

01:37:41,680 --> 01:37:40,040

it carry all that time by myself

1779

01:37:45,490 --> 01:37:41,690

wondering if it really happens like that

1780

01:37:51,100 --> 01:37:45,500

and that's the Facebook I found them and

1781

01:37:52,720 --> 01:37:51,110

it really happened like the amount of

1782

01:37:57,790 --> 01:37:52,730

times me and Chris have had that

1783

01:38:03,250 --> 01:37:57,800

conversation it's unreal reconfirming

1784

01:38:07,570 --> 01:38:03,260

for ourselves but then after 2014 me and

1785

01:38:11,680 --> 01:38:07,580

Lee decided to continue I mean I had an

1786

01:38:16,510 --> 01:38:11,690

agenda of my own yeah I must admit I

1787

01:38:19,810 --> 01:38:16,520

needed to confirm sorry the truth Troy

1788

01:38:24,130 --> 01:38:19,820

it's not working Cistus more more more

1789

01:38:27,790 --> 01:38:24,140

and more confusing as you go along but

1790

01:38:29,230 --> 01:38:27,800

to be able to literally do the

1791

01:38:33,040 --> 01:38:29,240

meditation in the car we're at

1792

01:38:37,240 --> 01:38:33,050

Winchester now and me and Lee are in the

1793

01:38:40,240 --> 01:38:37,250

car and the meditation we play the tones

1794

01:38:42,940 --> 01:38:40,250

shortly after the meditation and we turn

1795

01:38:46,960 --> 01:38:42,950

it all off so this is well over half an

1796

01:38:48,790 --> 01:38:46,970

hour we'll work on were relaxed let's do

1797

01:38:52,930 --> 01:38:48,800

this let's get out the car and go Scott

1798

01:38:56,380 --> 01:38:52,940

watch I had a feeling just before that I

1799

01:39:02,100 --> 01:38:56,390

had to get out now I told Lee and he's

1800

01:39:04,320 --> 01:39:02,110

ready to go did we get outside and

1801

01:39:07,990 --> 01:39:04,330

believe we're taking shots

1802

01:39:10,810 --> 01:39:08,000

Lee's taking these taking pictures and

1803

01:39:13,750 --> 01:39:10,820

I've forgot my camera card I think I

1804

01:39:18,690 --> 01:39:13,760

think they're correct so he's taking

1805

01:39:21,820 --> 01:39:18,700

pictures and I'm looking in the field

1806

01:39:24,669 --> 01:39:21,830

all of a sudden we hear what I hear

1807

01:39:27,550 --> 01:39:24,679

first from my right ear to my

1808

01:39:30,750 --> 01:39:27,560

dear the same identical tones that we've

1809

01:39:34,380 --> 01:39:30,760

been playing in the vamp their car

1810

01:39:37,689 --> 01:39:34,390

literally five minutes before I thought

1811

01:39:40,540 --> 01:39:37,699

it moved past from right here to left

1812

01:39:43,680 --> 01:39:40,550

you left there and then leave right here

1813

01:39:46,510 --> 01:39:43,690

to left here and I ducked my head I

1814

01:39:51,910 --> 01:39:46,520

don't know if it hurt or it was loud or

1815

01:39:54,550 --> 01:39:51,920

it was in my head I really confused me I

1816

01:39:54,939 --> 01:39:54,560

said to Lee Lee did did you just hear

1817

01:39:57,729 --> 01:39:54,949

that

1818

01:40:01,899 --> 01:39:57,739

it's a little hot planet yet his face

1819

01:40:03,939 --> 01:40:01,909

his face was white I could see there it

1820

01:40:06,250 --> 01:40:03,949

just heard the same bloody thing we've

1821

01:40:11,439 --> 01:40:06,260

just heard the tones that we play on the

1822

01:40:13,000 --> 01:40:11,449

app for contact I'm turning around I'm

1823

01:40:14,410 --> 01:40:13,010

looking in the field I'm looking around

1824

01:40:17,860 --> 01:40:14,420

man that's freaked me out that's just

1825

01:40:18,780 --> 01:40:17,870

the Meridian is that yeah he's agreeing

1826

01:40:23,169 --> 01:40:18,790

me the whole time

1827

01:40:25,450 --> 01:40:23,179

all of a sudden Lee says there's a craft

1828

01:40:29,169 --> 01:40:25,460

up there and he can see a black

1829

01:40:32,560 --> 01:40:29,179

triangular craft several hundred feet in

1830

01:40:35,790 --> 01:40:32,570

the air and again I hear from the right

1831

01:40:38,620 --> 01:40:35,800

ear to left ear the same tone plate I

1832

01:40:40,180 --> 01:40:38,630

left them I wish I could play it here I

1833

01:40:51,910 --> 01:40:40,190

could put it on loudspeaker and play

1834

01:41:10,640 --> 01:40:54,890

we've got here so we hear from right

1835

01:41:15,380 --> 01:41:10,650

here to left here here this cone yeah so

1836

01:41:24,919 --> 01:41:15,390

we it's ah that's just giving me chills

1837

01:41:29,149 --> 01:41:24,929

but you're inside now I I'll probably

1838

01:41:34,939 --> 01:41:29,159

have a good sky watch off yeah I've gone

1839

01:41:38,780 --> 01:41:34,949

freezing cold Wow um anyway the again

1840

01:41:44,330 --> 01:41:38,790

that one's made me shake because the

1841

01:41:46,399 --> 01:41:44,340

Tony it's a [h__h] nap so all this crap

1842

01:41:48,770 --> 01:41:46,409

that this app doesn't work we've just

1843

01:41:51,500 --> 01:41:48,780

heard the same tones recorded by Colin

1844

01:41:57,350 --> 01:41:51,510

Andrews in a crop circle in 1979 I

1845

01:42:03,070 --> 01:41:57,360

believe I believe so using an app that

1846

01:42:04,689 --> 01:42:03,080

I've just randomly got from Greer after

1847

01:42:08,270 --> 01:42:04,699

Gary McKinnon

1848

01:42:09,830 --> 01:42:08,280

it was pretty random I'm searching for

1849

01:42:13,070 --> 01:42:09,840

this not believing anything at the time

1850

01:42:15,740 --> 01:42:13,080

and I'm here today merely go out the

1851

01:42:20,090 --> 01:42:15,750

field this is the observatory in

1852

01:42:22,640 --> 01:42:20,100

Winchester the planetarium standing here

1853

01:42:24,350 --> 01:42:22,650

in the same tones less than five minutes

1854

01:42:28,430 --> 01:42:24,360

after we've played the codes in the car

1855

01:42:31,850 --> 01:42:28,440

for contact we do this every time and it

1856

01:42:32,390 --> 01:42:31,860

just wrecked my brain what the hell is

1857

01:42:34,580 --> 01:42:32,400

going on

1858

01:42:36,110 --> 01:42:34,590

Lee sites the craft I completely miss it

1859

01:42:39,050 --> 01:42:36,120

by the time I've looked up in the air is

1860

01:42:42,550 --> 01:42:39,060

gone because we're freaked out and

1861

01:42:45,919 --> 01:42:42,560

talking our thought process has stopped

1862

01:42:48,050 --> 01:42:45,929

we've realized now that once we've made

1863

01:42:51,740 --> 01:42:48,060

contact do not stop

1864

01:42:53,870 --> 01:42:51,750

yeah and I know I now understand which

1865

01:42:56,930 --> 01:42:53,880

is why I shall agree I now understand

1866

01:43:02,750 --> 01:42:56,940

why dr. Steven Greer said ask them to

1867

01:43:06,210 --> 01:43:02,760

come closer and they do didn't

1868

01:43:09,570 --> 01:43:06,220

yeah I don't know whether it was in my

1869

01:43:17,430 --> 01:43:09,580

head or around my head yeah I said that

1870

01:43:20,580 --> 01:43:17,440

to me and he's like oh all these things

1871

01:43:23,130 --> 01:43:20,590

and I'm what's up man I'm scared but I

1872

01:43:25,590 --> 01:43:23,140

believe you because I've met you and I

1873

01:43:28,080 --> 01:43:25,600

can see that you are wearing this event

1874

01:43:30,030 --> 01:43:28,090

and your skin I can feel it coming off

1875

01:43:32,130 --> 01:43:30,040

you see it in your voice I can see it in

1876

01:43:35,010 --> 01:43:32,140

your face the way that you tremble in

1877

01:43:37,250 --> 01:43:35,020

you know and you're talking to me it

1878

01:43:40,200 --> 01:43:37,260

it's affecting you still it's still

1879

01:43:43,860 --> 01:43:40,210

reverberating inside you physically I

1880

01:43:45,480 --> 01:43:43,870

know that you saw this I just I'm

1881

01:43:47,250 --> 01:43:45,490

skeptical that it's got anything to do

1882

01:43:50,310 --> 01:43:47,260

with Stephen greener and more to do with

1883

01:43:54,270 --> 01:43:50,320

you but then you know my mind is say

1884

01:43:55,800 --> 01:43:54,280

tones they're everything so that tone it

1885

01:43:58,350 --> 01:43:55,810

could have just had something to do with

1886

01:44:00,330 --> 01:43:58,360

your psyche it's opened you up to

1887

01:44:03,240 --> 01:44:00,340

whatever it is because it's the tone

1888

01:44:06,210 --> 01:44:03,250

that comes with the phenomena so you

1889

01:44:07,650 --> 01:44:06,220

know I don't know that I'm calling it

1890

01:44:09,900 --> 01:44:07,660

with the app but he's got something to

1891

01:44:10,110 --> 01:44:09,910

do with your mind I'm so convinced of

1892

01:44:17,850 --> 01:44:10,120

that

1893

01:44:21,840 --> 01:44:17,860

yes it's attracted to you know yeah this

1894

01:44:24,570 --> 01:44:21,850

toner that's fascinating why I say why

1895

01:44:28,680 --> 01:44:24,580

it's so fascinating is because Colin

1896

01:44:30,780 --> 01:44:28,690

Andrews obviously recorded it and none

1897

01:44:32,340 --> 01:44:30,790

of us are any wiser as to what it was or

1898

01:44:34,800 --> 01:44:32,350

what it means or what that signal was

1899

01:44:36,840 --> 01:44:34,810

what does that term mean yeah why did

1900

01:44:38,970 --> 01:44:36,850

they play it back it was identical and

1901
01:44:41,010 --> 01:44:38,980
in your ears as well and so close to you

1902
01:44:42,540 --> 01:44:41,020
while you were out yeah extremely smooth

1903
01:44:44,280 --> 01:44:42,550
you got you see I've met Lee and I've

1904
01:44:46,170 --> 01:44:44,290
talked to Lee and he doesn't come across

1905
01:44:49,200 --> 01:44:46,180
to me as being a [h__\h] artist at all

1906
01:44:54,240 --> 01:44:49,210
you know and I know y'all not lying I

1907
01:44:56,340 --> 01:44:54,250
know you know it just gets worse as I go

1908
01:44:58,860 --> 01:44:56,350
along explaining to Colleen I mean we

1909
01:45:03,390 --> 01:44:58,870
ended up this is the Ramban thing here

1910
01:45:06,510 --> 01:45:03,400
we ended up in Winchester knowing

1911
01:45:09,450 --> 01:45:06,520
nothing about there of where it was

1912
01:45:12,510 --> 01:45:09,460
recorded we're less than half a mile

1913
01:45:15,669 --> 01:45:12,520

from it there's two fields distance from

1914

01:45:22,089 --> 01:45:15,679

where it was actually recorded

1915

01:45:23,859 --> 01:45:22,099

that's insane in the locale yeah this is

1916

01:45:25,929 --> 01:45:23,869

another thing with those bloody crop

1917

01:45:27,939 --> 01:45:25,939

circles is that most of I'm a mermaid

1918

01:45:29,589 --> 01:45:27,949

I don't believe every single crop circle

1919

01:45:32,500 --> 01:45:29,599

in the world is mamud I really don't

1920

01:45:34,299 --> 01:45:32,510

believe that no I think I just think

1921

01:45:36,069 --> 01:45:34,309

there's such an industry that depends on

1922

01:45:37,989 --> 01:45:36,079

them down there they're going to appear

1923

01:45:39,969 --> 01:45:37,999

all the time and they need to appear all

1924

01:45:44,219 --> 01:45:39,979

the time people make money out of them

1925

01:45:46,449 --> 01:45:44,229

you know there was something wrong there

1926

01:45:48,699 --> 01:45:46,459

was something wrong in that one

1927

01:45:52,419 --> 01:45:48,709

definitely it's still a design and still

1928

01:45:54,250 --> 01:45:52,429

the frequencies right so I said to Matt

1929

01:45:56,169 --> 01:45:54,260

Williams once I was done like the weird

1930

01:45:58,479 --> 01:45:56,179

weekend in Devon and he was given a talk

1931

01:46:00,609 --> 01:45:58,489

and I asked him where do you get your

1932

01:46:02,529 --> 01:46:00,619

ideas from then he said I don't know and

1933

01:46:04,060 --> 01:46:02,539

a system have you ever had any

1934

01:46:06,609 --> 01:46:04,070

paranormal experiences while you're

1935

01:46:09,339 --> 01:46:06,619

doing it yeah I can't remember he said

1936

01:46:11,709 --> 01:46:09,349

they were but you know there's something

1937

01:46:13,810 --> 01:46:11,719

about them you know but I've seen one

1938

01:46:15,989 --> 01:46:13,820

myself in 1982 in the middle of nowhere

1939

01:46:18,609 --> 01:46:15,999

that nobody ever gave a toss about all

1940

01:46:20,290 --> 01:46:18,619

right next to a farmer's house and it

1941

01:46:23,160 --> 01:46:20,300

wasn't the farmer God knows Alfred

1942

01:46:26,979 --> 01:46:23,170

appeared just three like cookie cutters

1943

01:46:31,080 --> 01:46:26,989

in the field you know no frequencies

1944

01:46:35,379 --> 01:46:31,090

nothing no messages

1945

01:46:39,549 --> 01:46:35,389

yeah leaf leaf felt sick and I was going

1946

01:46:44,310 --> 01:46:39,559

to pass out so whether we should we did

1947

01:46:46,929 --> 01:46:44,320

the c-5 so meditation right so maybe

1948

01:46:49,330 --> 01:46:46,939

there was something there but wasn't

1949

01:46:51,790 --> 01:46:49,340

fully materialized which has just

1950

01:46:54,089 --> 01:46:51,800

reminded me of another one that actually

1951

01:46:57,370 --> 01:46:54,099

scared the living hell out of me I

1952

01:47:01,149 --> 01:46:57,380

walked out to my garden randomly one

1953

01:47:04,149 --> 01:47:01,159

night and could see this crap after less

1954

01:47:07,199 --> 01:47:04,159

than it could have been ten feet away in

1955

01:47:09,879 --> 01:47:07,209

cloak I could see the outline of it

1956

01:47:11,879 --> 01:47:09,889

literally right outside my Bible and

1957

01:47:18,219 --> 01:47:11,889

that scared me to death

1958

01:47:22,140 --> 01:47:18,229

it looked oval possibly a bit yeah

1959

01:47:26,320 --> 01:47:22,150

possibly so I saw a boom around

1960

01:47:28,750 --> 01:47:26,330

boomerang shape I run back

1961

01:47:29,590 --> 01:47:28,760

doors I had a few beers that my man

1962

01:47:31,990 --> 01:47:29,600

there scared me

1963

01:47:38,770 --> 01:47:32,000

that was random I didn't after that

1964

01:47:41,650 --> 01:47:38,780

that's not going as well you know if you

1965

01:47:45,480 --> 01:47:41,660

start looking without your app try it

1966

01:47:48,520 --> 01:47:45,490

about you and yeah I actually filmed one

1967

01:47:55,410 --> 01:47:48,530

a couple of weeks ago that we couldn't

1968

01:47:57,250 --> 01:47:55,420

see that was a first I looked on the

1969

01:47:57,940 --> 01:47:57,260

satellite track and there was no

1970

01:48:01,720 --> 01:47:57,950

satellites

1971

01:48:03,400 --> 01:48:01,730

it wasn't the ISS none of us could see

1972

01:48:05,470 --> 01:48:03,410

it there was four of us there to my

1973

01:48:09,250 --> 01:48:05,480

daughter and her friend and leave us out

1974

01:48:10,930 --> 01:48:09,260

there as well yeah it was totally

1975

01:48:15,490 --> 01:48:10,940

invisible but the night vision saw it

1976

01:48:21,570 --> 01:48:15,500

just that was odd and it looks identical

1977

01:48:28,780 --> 01:48:25,330

strange video but I've also got another

1978

01:48:31,510 --> 01:48:28,790

one on there that I filmed outside my

1979

01:48:34,240 --> 01:48:31,520

back door after just the meditation no

1980

01:48:41,140 --> 01:48:34,250

tones or anything like that I walk

1981

01:48:44,950 --> 01:48:41,150

outside and and there's it looked three

1982

01:48:49,420 --> 01:48:44,960

to four feet wide at least maybe a

1983

01:48:52,450 --> 01:48:49,430

thousand feet maybe higher maybe I'm

1984

01:48:55,630 --> 01:48:52,460

filming filming the larger craft and I

1985

01:48:59,860 --> 01:48:55,640

don't see anything else going on between

1986

01:49:02,830 --> 01:48:59,870

there but I see flashes very my new

1987

01:49:05,050 --> 01:49:02,840

flashes around the larger craft on the

1988

01:49:07,960 --> 01:49:05,060

camera at the time I don't see what's

1989

01:49:10,660 --> 01:49:07,970

actually going on another craft enters

1990

01:49:13,630 --> 01:49:10,670

the frame bottom right-hand side take

1991

01:49:17,380 --> 01:49:13,640

two shots at the larger one or flashes

1992

01:49:22,120 --> 01:49:17,390

twice there's two options turns around

1993

01:49:23,860 --> 01:49:22,130

and zips back out the way it came in but

1994

01:49:26,050 --> 01:49:23,870

that didn't happen just once it happened

1995

01:49:27,670 --> 01:49:26,060

twice there's one above it as well it

1996

01:49:31,590 --> 01:49:27,680

does the same thing checking it out and

1997

01:49:36,340 --> 01:49:31,600

then zips off again video I was only

1998

01:49:36,970 --> 01:49:36,350

this is on YouTube oh it looks like it

1999

01:49:38,680 --> 01:49:36,980

to me

2000

01:49:40,240 --> 01:49:38,690

and everyone else has pointed out that

2001

01:49:42,280 --> 01:49:40,250

looks like it takes two shot

2002

01:49:44,110 --> 01:49:42,290

this is something out of Star Wars where

2003

01:49:53,160 --> 01:49:44,120

did you get that from the filmed in the

2004

01:50:01,900 --> 01:49:56,650

something's going on Oh insane oh god

2005

01:50:04,000 --> 01:50:01,910

yeah are you actually firing yeah I mean

2006

01:50:05,020 --> 01:50:04,010

that you know we stuff up there and all

2007

01:50:07,330 --> 01:50:05,030

these little flashes there with you

2008

01:50:10,180 --> 01:50:07,340

that's not going to be necessarily the

2009

01:50:12,520 --> 01:50:10,190

clunky kinetic weapons that we have down

2010

01:50:16,120 --> 01:50:12,530

here it's going to be some sort of

2011

01:50:19,510 --> 01:50:16,130

plasma technology that yes so quick as

2012

01:50:22,540 --> 01:50:19,520

well very quick but you see the points

2013

01:50:25,420 --> 01:50:22,550

of light in either flashes or takes two

2014

01:50:25,720 --> 01:50:25,430

shots it's not as clear but you can see

2015

01:50:28,060 --> 01:50:25,730

it

2016

01:50:31,990 --> 01:50:28,070

those are focused once or twice but you

2017

01:50:33,790 --> 01:50:32,000

can actually see all three of them and

2018

01:50:40,020 --> 01:50:33,800

these are not bad because birds don't

2019

01:50:43,420 --> 01:50:40,030

flash today mistaken for V ships

2020

01:50:48,580 --> 01:50:43,430

don't Lewin crafts with lights on yeah

2021

01:50:51,970 --> 01:50:48,590

absolutely I saw out of the corner of my

2022

01:50:54,400 --> 01:50:51,980

eye to my right and I was half leaving

2023

01:50:56,200 --> 01:50:54,410

my seats are running to the house when

2024

01:50:59,530 --> 01:50:56,210

he went overhead and I realized it was

2025

01:51:01,060 --> 01:50:59,540

geese and it was the streetlights street

2026

01:51:02,380 --> 01:51:01,070

lights shining on the underbellies of

2027

01:51:07,500 --> 01:51:02,390

the geese that were flying in formation

2028

01:51:11,020 --> 01:51:07,510

at night but I saw in my mind a v-shaped

2029

01:51:24,100 --> 01:51:11,030

craft with orange lights on it just out

2030

01:51:27,460 --> 01:51:24,110

the condom eyes I don't even like going

2031

01:51:30,850 --> 01:51:27,470

out and look at this guy anymore you

2032

01:51:34,810 --> 01:51:30,860

know I have to for some reason yeah we

2033

01:51:37,660 --> 01:51:34,820

were clearly or I was clearly told to go

2034

01:51:39,790 --> 01:51:37,670

there I've ended up in the same place as

2035

01:51:43,630 --> 01:51:39,800

the tones were recorded Matt that is

2036

01:51:45,670 --> 01:51:43,640

really weird that that is just well and

2037

01:51:50,470 --> 01:51:45,680

we've heard the tones literally played

2038

01:51:53,740 --> 01:51:50,480

in our ears or in our heads the same map

2039

01:51:57,490 --> 01:51:53,750

we didn't know collared and routed from

2040

01:52:01,210 --> 01:51:57,500

across there well and it cheese 4head we

2041

01:52:06,360 --> 01:52:01,220

were shot at that was that was fun

2042

01:52:10,810 --> 01:52:06,370

um as far as we can tell the farmer oh

2043

01:52:17,350 --> 01:52:10,820

[h__\h] yeah boys Oh God

2044

01:52:19,990 --> 01:52:17,360

we were running down that was awesome

2045

01:52:25,260 --> 01:52:20,000

that night we was asked should say Lee

2046

01:52:32,230 --> 01:52:29,770

one minute before this I was pointing in

2047

01:52:34,120 --> 01:52:32,240

the field and saying luckily they're

2048

01:52:36,160 --> 01:52:34,130

flashing back right there mate right

2049

01:52:38,440 --> 01:52:36,170

there and they're flashing back at us in

2050

01:52:42,070 --> 01:52:38,450

the field and I'm shining Beckett but

2051
01:52:43,540 --> 01:52:42,080
the laser and it's responding so I was

2052
01:52:45,460 --> 01:52:43,550
still pointing but Lee can't see it

2053
01:52:47,410 --> 01:52:45,470
because he's looking in the camera so I

2054
01:52:51,370 --> 01:52:47,420
said point your camera in that direction

2055
01:52:55,240 --> 01:52:51,380
you'll catch it trust me he takes three

2056
01:52:57,700 --> 01:52:55,250
shots in sequence and catches a six-inch

2057
01:52:59,980 --> 01:52:57,710
I say six inch because I can look to the

2058
01:53:03,130 --> 01:52:59,990
left-hand side and there's a three inch

2059
01:53:05,830 --> 01:53:03,140
railing three by one piece of timber so

2060
01:53:07,470 --> 01:53:05,840
the timber is three inches tall wide

2061
01:53:12,580 --> 01:53:07,480
sorry

2062
01:53:15,010 --> 01:53:12,590
this creature object or being I call it

2063
01:53:19,030 --> 01:53:15,020

a light being because we've caught many

2064

01:53:20,950 --> 01:53:19,040

of them six inches tall right in front

2065

01:53:24,190 --> 01:53:20,960

of us that it flashes from the field

2066

01:53:26,050 --> 01:53:24,200

where I'm pointing straight towards the

2067

01:53:29,830 --> 01:53:26,060

camera and then goes back to the field

2068

01:53:34,930 --> 01:53:29,840

in a matter of seconds and Lee catches

2069

01:53:41,260 --> 01:53:34,940

all three I thought that was amazing at

2070

01:53:44,770 --> 01:53:41,270

the same place as we were shot it farms

2071

01:53:48,940 --> 01:53:44,780

that seemed to be a life in themselves

2072

01:53:51,340 --> 01:53:48,950

somehow yeah and but the funny thing is

2073

01:53:55,360 --> 01:53:51,350

they were circular to my eyes in the

2074

01:54:03,300 --> 01:53:55,370

film so that they manifest into whatever

2075

01:54:05,830 --> 01:54:03,310

they like now I guess great questions

2076

01:54:06,400 --> 01:54:05,840

I've got some fantastic questions and

2077

01:54:09,310 --> 01:54:06,410

never going to

2078

01:54:12,780 --> 01:54:09,320

answered you know people say when you

2079

01:54:18,940 --> 01:54:12,790

die you'll know it all a bloody bad oh

2080

01:54:20,620 --> 01:54:18,950

yeah we'll be one of them all be for

2081

01:54:22,120 --> 01:54:20,630

nothing you know I just keep thinking to

2082

01:54:23,640 --> 01:54:22,130

myself it can't all be for nothing it

2083

01:54:26,110 --> 01:54:23,650

can't be for nothing

2084

01:54:27,370 --> 01:54:26,120

you know otherwise everybody else that

2085

01:54:29,500 --> 01:54:27,380

we go through it as well there's got to

2086

01:54:32,740 --> 01:54:29,510

be some reason but you know that maybe

2087

01:54:37,150 --> 01:54:32,750

me just been desperately trying to give

2088

01:54:41,290 --> 01:54:37,160

my nonsense some sort of meaning so you

2089

01:54:43,410 --> 01:54:41,300

know I'm carry on rocking far away

2090

01:54:47,350 --> 01:54:43,420

through life because you know it is a

2091

01:54:49,240 --> 01:54:47,360

creative maker is this and then people

2092

01:54:53,190 --> 01:54:49,250

that you crazy as well because they're

2093

01:54:55,510 --> 01:54:53,200

just so bloody vicious and unnecessary

2094

01:54:57,160 --> 01:54:55,520

you know it's like yeah well there's

2095

01:55:00,970 --> 01:54:57,170

nobody going to question my son as he as

2096

01:55:03,370 --> 01:55:00,980

much as I ever have I'll show you how up

2097

01:55:05,260 --> 01:55:03,380

in there and on there you know is it me

2098

01:55:08,680 --> 01:55:05,270

am i nuts or am i losing the plot or

2099

01:55:11,410 --> 01:55:08,690

what no no because I'm showing other

2100

01:55:13,690 --> 01:55:11,420

people no I have been to so many doctors

2101

01:55:15,460 --> 01:55:13,700

and therapists I even put myself in a

2102

01:55:18,370 --> 01:55:15,470

psychiatric ward because I assumed that

2103

01:55:20,230 --> 01:55:18,380

I must be schizophrenic I have tried to

2104

01:55:22,120 --> 01:55:20,240

convince I don't even know how many

2105

01:55:24,130 --> 01:55:22,130

doctors therapists specialists but

2106

01:55:27,550 --> 01:55:24,140

there's something wrong with me that was

2107

01:55:29,530 --> 01:55:27,560

I'm a crazy person you know mentally

2108

01:55:32,860 --> 01:55:29,540

there's something going on or you know

2109

01:55:36,580 --> 01:55:32,870

I've got some kind of mental illness

2110

01:55:38,650 --> 01:55:36,590

that's making me got all this and see

2111

01:55:40,990 --> 01:55:38,660

all this and it just makes you feel

2112

01:55:43,840 --> 01:55:41,000

crazy I'm not actually crazy and it

2113

01:55:45,670 --> 01:55:43,850

doesn't last one she said to me Sasha

2114

01:55:47,080 --> 01:55:45,680

there's no cure for summit a you're just

2115

01:55:49,680 --> 01:55:47,090

gonna have to learn to live in your own

2116

01:55:52,920 --> 01:55:49,690

skin I was like oh why do you go from

2117

01:55:55,420 --> 01:55:52,930

[Laughter]

2118

01:55:59,140 --> 01:55:55,430

I'm assuming they're there they're there

2119

01:56:02,040 --> 01:55:59,150

for me yeah it certainly works whatever

2120

01:56:08,200 --> 01:56:05,410

yeah I agree it's not the app it's it's

2121

01:56:10,570 --> 01:56:08,210

the person yeah all the people got

2122

01:56:14,350 --> 01:56:10,580

triggered something in you you know in

2123

01:56:18,100 --> 01:56:14,360

your car to kick out the right thought

2124

01:56:19,190 --> 01:56:18,110

happen wave energy whatever it is that

2125

01:56:27,710 --> 01:56:19,200

we send out

2126

01:56:29,270 --> 01:56:27,720

Oh Oh in 2014 I did because he it was

2127

01:56:32,750 --> 01:56:29,280

almost like he knew it was there he went

2128

01:56:35,540 --> 01:56:32,760

looking for a yeah I mean I was totally

2129

01:56:39,650 --> 01:56:35,550

oblivious I would never have even

2130

01:56:41,540 --> 01:56:39,660

thought about it you know so just some

2131

01:56:46,210 --> 01:56:41,550

that's what makes me think again we're

2132

01:56:48,830 --> 01:56:46,220

not in control they did that yeah yeah

2133

01:56:52,310 --> 01:56:48,840

something takes over it's very peaceful

2134

01:56:54,320 --> 01:56:52,320

and calm and it's very but something

2135

01:56:58,280 --> 01:56:54,330

happens that's worrying isn't it because

2136

01:57:00,020 --> 01:56:58,290

that's so sneak a very I go very

2137

01:57:00,620 --> 01:57:00,030

childish it's like oh I'm young again

2138

01:57:12,560 --> 01:57:00,630

yeah

2139

01:57:15,200 --> 01:57:12,570

without thinking wow well we've actually

2140

01:57:18,140 --> 01:57:15,210

come to the end of the show now Darrin

2141

01:57:27,410 --> 01:57:18,150

can you believe it I could probably keep

2142

01:57:28,940 --> 01:57:27,420

going I told you flies definitely wants

2143

01:57:31,150 --> 01:57:28,950

to talk to you more about all this I'm

2144

01:57:33,260 --> 01:57:31,160

going to check out your videos as well I

2145

01:57:35,300 --> 01:57:33,270

can't believe it I don't actually don't

2146

01:57:38,180 --> 01:57:35,310

know until now so scattered I've got

2147

01:57:40,550 --> 01:57:38,190

that much going on you know try and keep

2148

01:57:43,480 --> 01:57:40,560

on top of everything but if I wasn't

2149

01:57:45,710 --> 01:57:43,490

such a scatterbrain and we have such a

2150

01:57:51,290 --> 01:57:45,720

hectic life with the kids and everything

2151
01:57:52,550 --> 01:57:51,300
and me being hectic myself because I

2152
01:57:54,440 --> 01:57:52,560
don't know if that made me hyperactive

2153
01:57:57,680 --> 01:57:54,450
or if I've always been hired for outside

2154
01:57:59,330 --> 01:57:57,690
well certainly am now and thanks ever so

2155
01:58:01,340 --> 01:57:59,340
much for coming on and talking because I

2156
01:58:03,590 --> 01:58:01,350
know how you know nervous you were and I

2157
01:58:05,960 --> 01:58:03,600
know how it makes you feel and I it

2158
01:58:08,390 --> 01:58:05,970
brings a lot back doesn't it mm-hmm

2159
01:58:11,600 --> 01:58:08,400
Jenni don't but you got through it great

2160
01:58:12,890 --> 01:58:11,610
and you know I really enjoy talking to

2161
01:58:15,320 --> 01:58:12,900
you and I'm sure that everybody's going

2162
01:58:17,480 --> 01:58:15,330
to really enjoy listening see and

2163
01:58:19,940 --> 01:58:17,490

appreciate you know what you've been

2164

01:58:22,100 --> 01:58:19,950

through even if they don't believe that

2165

01:58:24,920 --> 01:58:22,110

Greer's app does anything you know the

2166

01:58:27,710 --> 01:58:24,930

car well some people would argue Bach is

2167

01:58:32,360 --> 01:58:27,720

why yeah I actually that's what created

2168

01:58:33,320 --> 01:58:32,370

what I believe you anyone who meets will

2169

01:58:37,729 --> 01:58:33,330

fee

2170

01:58:39,800 --> 01:58:37,739

coming off yeah that's for sure so you

2171

01:58:41,150 --> 01:58:39,810

know if you know if anybody gets a

2172

01:58:43,850 --> 01:58:41,160

chance to go out so many conferences

2173

01:58:46,970 --> 01:58:43,860

that Darren might be there just go see

2174

01:58:49,459 --> 01:58:46,980

for yourself you know thanks Darren
