Northwest radio hello and welcome to

15

00:00:41,720 --> 00:00:39,120

paranormal mysteries here in lovely

16

00:00:44,569 --> 00:00:41,730

Liverpool today my guest is a friend

17

00:00:47,510 --> 00:00:44,579

David Young who I came across a few

18

00:00:50,510 --> 00:00:47,520

years ago at the beginning of something

19

00:00:53,450 --> 00:00:50,520

that I started as snowballed into

20

00:00:56,060 --> 00:00:53,460

something so massive now and that was

21

00:00:58,760 --> 00:00:56,070

the Larry Warren fraud investigation

22

00:01:01,430 --> 00:00:58,770

I've alluded to this a few times on this

23

00:01:03,979 --> 00:01:01,440

show but I haven't actually spoken in

24

00:01:05,719 --> 00:01:03,989

any way shape or form about it I

25

00:01:11,510 --> 00:01:05,729

certainly haven't gone into any detail

26

00:01:12,920 --> 00:01:11,520

just brief passing mentions but I have

27

00:01:14,330 --> 00:01:12,930

some new evidence that I'm going to be

28

00:01:16,280 --> 00:01:14,340

bringing out in their next couple of

29

00:01:20,510 --> 00:01:16,290

weeks well over the next couple of weeks

30

00:01:23,120 --> 00:01:20,520

and so I thought before we got into all

31

00:01:27,380 --> 00:01:23,130

of that but I would do a little recap

32

00:01:30,109 --> 00:01:27,390

for for those who followed the saga I

33

00:01:32,149 --> 00:01:30,119

shall call it and for those who've never

34

00:01:34,690 --> 00:01:32,159

heard of it because I know that I've got

35

00:01:38,990 --> 00:01:34,700

a few people who listen to the show

36

00:01:41,420 --> 00:01:39,000

unfamiliar with my research and all the

37

00:01:43,160 --> 00:01:41,430

other things that I get up to because

38

00:01:44,800 --> 00:01:43,170

they've found me through the show so

39

00:01:48,499 --> 00:01:44,810

this is for you guys

40

00:01:52,940 --> 00:01:48,509

hi David welcome to the show not speak

41

00:01:54,590 --> 00:01:52,950

to you and to sweetie so well yeah

42

00:01:59,569 --> 00:01:54,600

because in the beginning it wasn't like

43

00:02:01,280 --> 00:01:59,579

that was it darling no I don't think we

44

00:02:03,109 --> 00:02:01,290

were enemies ever I think we were sort

45

00:02:04,719 --> 00:02:03,119

of fun there are different different

46

00:02:09,229 --> 00:02:04,729

understandings of how things were

47

00:02:10,880 --> 00:02:09,239

definitely yeah I actually thought I was

48

00:02:12,320 --> 00:02:10,890

a very suspicious of you because you

49

00:02:13,170 --> 00:02:12,330

were talking to everybody and nobody

50

00:02:15,330 --> 00:02:13,180

never does

51
00:02:17,910 --> 00:02:15,340
and I thought you were just being like a

52
00:02:19,619 --> 00:02:17,920
snake in the grass but actually what you

53
00:02:21,479 --> 00:02:19,629
were doing was talking to everybody

54
00:02:22,850 --> 00:02:21,489
because that's the sensible thing to do

55
00:02:27,300 --> 00:02:22,860
trying again

56
00:02:30,690 --> 00:02:27,310
I still do that now yeah but I got I

57
00:02:32,339 --> 00:02:30,700
took you wrong you know a lot of people

58
00:02:34,890 --> 00:02:32,349
took me wrong as well there's been a lot

59
00:02:37,649 --> 00:02:34,900
of healing that's gone on over the past

60
00:02:41,399 --> 00:02:37,659
three years through all this drama but

61
00:02:42,720 --> 00:02:41,409
yeah because in the beginning well what

62
00:02:46,289 --> 00:02:42,730
I'll do is I'll start the beginning for

63
00:02:47,879 --> 00:02:46,299

the listeners is Larry Warren claims to

64

00:02:50,119 --> 00:02:47,889

be the whistleblower of the Rendlesham

65

00:02:55,410 --> 00:02:50,129

forest incident which happened in

66

00:02:57,360 --> 00:02:55,420

Suffolk in 1980 next to the twin bases

67

00:02:59,580 --> 00:02:57,370

Bentwaters Woodbridge but it was closer

68

00:03:01,979 --> 00:02:59,590

to Bentwaters and was in Rendlesham

69

00:03:04,710 --> 00:03:01,989

forest itself I've heard lots of people

70

00:03:06,929 --> 00:03:04,720

say all kinds of things about not

71

00:03:09,509 --> 00:03:06,939

happening because of being on the base

72

00:03:11,220 --> 00:03:09,519

and all the rest of it but actually it

73

00:03:12,780 --> 00:03:11,230

didn't happen on the base it happened

74

00:03:16,259 --> 00:03:12,790

off the base so I just want to get that

75

00:03:19,619 --> 00:03:16,269

out of the way so it was a series of

76

00:03:21,809 --> 00:03:19,629

events that were very unusual and they

77

00:03:25,860 --> 00:03:21,819

happened over the Christmas weekend they

78

00:03:29,149 --> 00:03:25,870

involved various people on the base all

79

00:03:32,729 --> 00:03:29,159

different ranks and the first night was

80

00:03:35,069 --> 00:03:32,739

mainly Jim Penniston and John Burroughs

81

00:03:36,449 --> 00:03:35,079

there was at cabin side but he's he

82

00:03:38,640 --> 00:03:36,459

doesn't speak so we'll just talk about

83

00:03:41,009 --> 00:03:38,650

you know a refer to Jim and John because

84

00:03:42,719 --> 00:03:41,019

they're in the public eye they both have

85

00:03:45,300 --> 00:03:42,729

very different ideas about what went on

86

00:03:51,719 --> 00:03:45,310

that night and they don't talk to each

87

00:03:54,539 --> 00:03:51,729

other as far as are now Jim was the lead

88

00:03:56,789 --> 00:03:54,549

in in the lead birth of their party he

89

00:04:00,599 --> 00:03:56,799

went forward he saw this objects on the

90

00:04:02,099 --> 00:04:00,609

ground and you can tell he drew the

91

00:04:04,050 --> 00:04:02,109

symbols that were on the side of it this

92

00:04:06,240 --> 00:04:04,060

thing it was a like a black pyramidal

93

00:04:08,909 --> 00:04:06,250

DeltaWing objects it was on the ground

94

00:04:12,030 --> 00:04:08,919

and it had these strange hieroglyphics

95

00:04:13,939 --> 00:04:12,040

on the side are these symbols which Jim

96

00:04:16,560 --> 00:04:13,949

wrote down in his notebook now I

97

00:04:19,140 --> 00:04:16,570

completely believe all of that bit

98

00:04:21,930 --> 00:04:19,150

because when you look at the diagrams

99

00:04:24,060 --> 00:04:21,940

that he drew you can tell how much his

100

00:04:26,480 --> 00:04:24,070

hands are shaking they were actually all

101
00:04:28,100 --> 00:04:26,490
straight edged but when you look at them

102
00:04:30,710 --> 00:04:28,110
can tell you hands were shaking so he

103
00:04:32,089 --> 00:04:30,720
was you know full of adrenaline shall we

104
00:04:34,570 --> 00:04:32,099
say I'm going to say frightened but I

105
00:04:38,240 --> 00:04:34,580
think possibly you would be I you know

106
00:04:40,370 --> 00:04:38,250
and John was kind of between him and the

107
00:04:41,900 --> 00:04:40,380
vehicle was ed was at the vehicle and

108
00:04:43,580 --> 00:04:41,910
they were kind of like shouting

109
00:04:45,710 --> 00:04:43,590
instructions to each other that's the

110
00:04:48,969 --> 00:04:45,720
basis of the first night the second

111
00:04:53,290 --> 00:04:48,979
night involved we as far as we all know

112
00:04:57,230 --> 00:04:53,300
lieutenant sampling she had a blue light

113
00:04:58,909 --> 00:04:57,240

the entered their vehicle and she

114

00:05:01,820 --> 00:04:58,919

completely freaked out about this as you

115

00:05:04,629 --> 00:05:01,830

watch there's some talk of her losing a

116

00:05:09,200 --> 00:05:04,639

firearm in the forest and actually

117

00:05:11,749 --> 00:05:09,210

having opened fire on this thing again I

118

00:05:13,730 --> 00:05:11,759

don't know how true all of that is this

119

00:05:16,700 --> 00:05:13,740

is stuff that's just been said so

120

00:05:20,600 --> 00:05:16,710

there's no documentation or anything the

121

00:05:23,230 --> 00:05:20,610

third night was when Colonel halt

122

00:05:27,379 --> 00:05:23,240

where's officers do was Christmas

123

00:05:29,270 --> 00:05:27,389

somebody went into the party where they

124

00:05:33,350 --> 00:05:29,280

all were and told him that the UFO was

125

00:05:36,770 --> 00:05:33,360

back so he left the party went and got

126

00:05:38,300 --> 00:05:36,780

changed grabbed his dictaphone and when

127

00:05:40,070 --> 00:05:38,310

they've met but with everybody else he

128

00:05:42,649 --> 00:05:40,080

grabbed a few bits of equipment and then

129

00:05:46,100 --> 00:05:42,659

they went out to look for it they walked

130

00:05:52,430 --> 00:05:46,110

miles and came across the most

131

00:05:54,170 --> 00:05:52,440

incredible sights there were something

132

00:05:56,719 --> 00:05:54,180

that was shooting beams down from the

133

00:05:58,520 --> 00:05:56,729

sky there was lights going through the

134

00:06:03,620 --> 00:05:58,530

trees there was a big red light that

135

00:06:05,899 --> 00:06:03,630

looked like a winking eye the the event

136

00:06:08,779 --> 00:06:05,909

was recorded on Colonel Holt's

137

00:06:10,820 --> 00:06:08,789

dictaphone there's about 18 minutes of

138

00:06:12,890 --> 00:06:10,830

tape but people think that's been edited

139

00:06:15,559 --> 00:06:12,900

down I don't know about I haven't asked

140

00:06:17,990 --> 00:06:15,569

him I don't know if anybody has or if

141

00:06:19,610 --> 00:06:18,000

he's ever admitted to that I'll walk

142

00:06:21,249 --> 00:06:19,620

don't know what the situation is there

143

00:06:26,120 --> 00:06:21,259

but somebody said there were four hours

144

00:06:28,309 --> 00:06:26,130

would take no idea if that's true so

145

00:06:30,800 --> 00:06:28,319

that's the basis of everything Larry

146

00:06:34,430 --> 00:06:30,810

Oren reckons he was there that third

147

00:06:35,810 --> 00:06:34,440

night but he was on cable green where as

148

00:06:38,779 --> 00:06:35,820

Colonel Hall

149

00:06:40,280 --> 00:06:38,789

Adrian bas dinza and John Burroughs were

150

00:06:42,950 --> 00:06:40,290

a different area

151
00:06:44,480 --> 00:06:42,960
all together yet Larry Warren claims to

152
00:06:45,020 --> 00:06:44,490
have been with Adrienne bas DeAnza all

153
00:06:47,780 --> 00:06:45,030
night

154
00:06:49,850 --> 00:06:47,790
now Larry Warren and I been friends

155
00:06:51,290 --> 00:06:49,860
since 2007 when I met him at a

156
00:06:53,870 --> 00:06:51,300
conference and we hit it off straight

157
00:06:56,350 --> 00:06:53,880
away were both bonkers both like a laugh

158
00:06:59,300 --> 00:06:56,360
and we were friends from there on in

159
00:07:02,390 --> 00:06:59,310
went to Devon for a week you know some

160
00:07:04,010 --> 00:07:02,400
several times stayed in touch online we

161
00:07:05,870 --> 00:07:04,020
lived in different cities I lived in

162
00:07:06,860 --> 00:07:05,880
Leeds he lived in Liverpool but when I

163
00:07:08,990 --> 00:07:06,870

moved to Liverpool

164

00:07:11,630 --> 00:07:09,000

you know the visits became more frequent

165

00:07:14,750 --> 00:07:11,640

and then eventually he ended up staying

166

00:07:16,790 --> 00:07:14,760

with us for four months because he'd

167

00:07:19,550 --> 00:07:16,800

made himself homeless and he was in a

168

00:07:20,930 --> 00:07:19,560

financial state and we know as good

169

00:07:23,810 --> 00:07:20,940

friends we let him come and stay with us

170

00:07:25,790 --> 00:07:23,820

and it was during that time there I

171

00:07:27,680 --> 00:07:25,800

noticed that he kept changing elements

172

00:07:28,970 --> 00:07:27,690

of the story which were very important

173

00:07:31,190 --> 00:07:28,980

elements they weren't just little ones

174

00:07:33,340 --> 00:07:31,200

but at the time there was somebody who

175

00:07:39,290 --> 00:07:33,350

was interested in making a film about

176
00:07:41,630 --> 00:07:39,300
what happened to Larry specifically and

177
00:07:43,400 --> 00:07:41,640
so the rewrites cited to happen to my

178
00:07:43,850 --> 00:07:43,410
face now I've read his book left at

179
00:07:46,640 --> 00:07:43,860
Eastgate

180
00:07:48,140 --> 00:07:46,650
and I'd listened to him tell his story

181
00:07:51,230 --> 00:07:48,150
over and over and over again because

182
00:07:54,430 --> 00:07:51,240
he's completely saturated with it and I

183
00:07:57,560 --> 00:07:54,440
assumed all of that to be like the PTSD

184
00:08:00,110 --> 00:07:57,570
reaction but now I understand that it's

185
00:08:01,760 --> 00:08:00,120
just his temper because his lies are

186
00:08:04,100 --> 00:08:01,770
catching up with him when he first

187
00:08:05,810 --> 00:08:04,110
started all of this he never imagined

188
00:08:07,070 --> 00:08:05,820

that the internet would ever exist and

189

00:08:09,230 --> 00:08:07,080

his book was written and published

190

00:08:11,930 --> 00:08:09,240

before the advent of the internet and

191

00:08:14,090 --> 00:08:11,940

since then everybody well not everybody

192

00:08:14,840 --> 00:08:14,100

obviously quite a lot of people I've

193

00:08:17,030 --> 00:08:14,850

sussed him out

194

00:08:20,300 --> 00:08:17,040

Georgina Bru nicest amount Brenda Butler

195

00:08:22,130 --> 00:08:20,310

original civilian investigator in

196

00:08:23,900 --> 00:08:22,140

Suffolk tossed him out she's never

197

00:08:26,240 --> 00:08:23,910

believed he was there I just believed

198

00:08:28,040 --> 00:08:26,250

that Brenda was mistaken and now I have

199

00:08:30,920 --> 00:08:28,050

to concede that she was absolutely right

200

00:08:34,400 --> 00:08:30,930

and the way that I found out was because

201
00:08:38,060 --> 00:08:34,410
Larry Warren's ex-girlfriend at the time

202
00:08:42,500 --> 00:08:38,070
on base in 1980 was involved in the

203
00:08:45,020 --> 00:08:42,510
incidents and she told me that he wasn't

204
00:08:48,170 --> 00:08:45,030
there he wasn't involved he was in his

205
00:08:50,840 --> 00:08:48,180
dorm and at the bar when they got back

206
00:08:52,370 --> 00:08:50,850
from being out there and being involved

207
00:08:54,710 --> 00:08:52,380
and he immediately

208
00:08:57,410 --> 00:08:54,720
I was angry that he'd missed out on the

209
00:08:58,850 --> 00:08:57,420
big show started running around on the

210
00:09:01,730 --> 00:08:58,860
base talking so everybody who was

211
00:09:03,500 --> 00:09:01,740
involved or who wasn't involved gleaning

212
00:09:05,720 --> 00:09:03,510
as much as he could from these people

213
00:09:08,630 --> 00:09:05,730

and writing himself immediately into the

214

00:09:10,490 --> 00:09:08,640

narrative saying that he was there but

215

00:09:12,620 --> 00:09:10,500

what had happened was was Adrian boss

216

00:09:14,330 --> 00:09:12,630

DeAnza was involved but he was with

217

00:09:14,810 --> 00:09:14,340

Colonel Hall and John Burroughs all

218

00:09:23,390 --> 00:09:14,820

night

219

00:09:25,420 --> 00:09:23,400

and he done this radio show I think I'm

220

00:09:29,600 --> 00:09:25,430

not sure when it was maybe January in

221

00:09:31,790 --> 00:09:29,610

2015 and it's called

222

00:09:33,950 --> 00:09:31,800

on the on youtube if you wish to listen

223

00:09:35,810 --> 00:09:33,960

to this it's Adrian Boston's a full

224

00:09:38,720 --> 00:09:35,820

radio interview on Rendlesham forest

225

00:09:41,690 --> 00:09:38,730

incident the youtuber is Rodney McKay

226

00:09:44,360 --> 00:09:41,700

and the full interview is on there and

227

00:09:47,060 --> 00:09:44,370

that is where you will hear if you know

228

00:09:49,220 --> 00:09:47,070

left at Eastgate and you know the story

229

00:09:51,200 --> 00:09:49,230

in there and you know Larry Warren's

230

00:09:54,200 --> 00:09:51,210

narrative when you listen to that show

231

00:09:56,990 --> 00:09:54,210

you will hear Adrian bust in sir tell

232

00:10:01,190 --> 00:09:57,000

you Larry Warren's narrative in its

233

00:10:03,080 --> 00:10:01,200

entirety so after Larry had been kicked

234

00:10:07,730 --> 00:10:03,090

out for being a complete nightmare in

235

00:10:09,080 --> 00:10:07,740

our house I eventually got ran to listen

236

00:10:12,230 --> 00:10:09,090

to this show that had been recorded

237

00:10:13,640 --> 00:10:12,240

while he was still here but while he was

238

00:10:15,440 --> 00:10:13,650

here he never talks about anything else

239

00:10:16,130 --> 00:10:15,450

I didn't want to hear it I just wasn't

240

00:10:19,190 --> 00:10:16,140

interested

241

00:10:20,780 --> 00:10:19,200

I was absolutely drowning in my own life

242

00:10:22,970 --> 00:10:20,790

and my situation as we'd gone bankrupt

243

00:10:24,980 --> 00:10:22,980

we'd moved house that's grown benefits

244

00:10:27,650 --> 00:10:24,990

all this kind of stuff and we had Larry

245

00:10:30,140 --> 00:10:27,660

Warren living as withers before during

246

00:10:35,840 --> 00:10:30,150

and after for a little while

247

00:10:38,060 --> 00:10:35,850

so when it all blew up I decided to

248

00:10:40,250 --> 00:10:38,070

listen to this radio show and my jaw was

249

00:10:43,810 --> 00:10:40,260

on the floor that is when I realized

250

00:10:46,790 --> 00:10:43,820

that Larry Warren had completely stolen

251

00:10:49,160 --> 00:10:46,800

Adrian bust in tzer's account now he

252

00:10:53,410 --> 00:10:49,170

told me while he was living with me one

253

00:11:02,000 --> 00:10:58,150

excuse me that he'd actually absorbed

254

00:11:04,120 --> 00:11:02,010

Adrian bust in tzer's account where he'd

255

00:11:05,870 --> 00:11:04,130

been taken to an underground base and

256

00:11:07,400 --> 00:11:05,880

debriefed

257

00:11:08,809 --> 00:11:07,410

the underground base doesn't exist he'd

258

00:11:10,879 --> 00:11:08,819

never actually said that that was

259

00:11:11,749 --> 00:11:10,889

something that he done it in but he was

260

00:11:13,759 --> 00:11:11,759

debriefed

261

00:11:15,559 --> 00:11:13,769

so Larry said that he thought that he

262

00:11:17,660 --> 00:11:15,569

was really important that that part of

263

00:11:20,269 --> 00:11:17,670

the story be told so he decided to tell

264

00:11:24,319 --> 00:11:20,279

it for him so that Adrian didn't have to

265

00:11:26,600 --> 00:11:24,329

come public so if this has been said

266

00:11:28,460 --> 00:11:26,610

before but I was completely brain blind

267

00:11:30,470 --> 00:11:28,470

I believed left at Eastgate didn't want

268

00:11:32,780 --> 00:11:30,480

to read anything else and when I did I

269

00:11:34,730 --> 00:11:32,790

was in a you know the wrong frame of

270

00:11:37,550 --> 00:11:34,740

mind to do so I was already dismissing

271

00:11:38,780 --> 00:11:37,560

it before I had so I decided that I

272

00:11:40,850 --> 00:11:38,790

couldn't live with this guy's lies

273

00:11:44,240 --> 00:11:40,860

inside me because I don't even tell my

274

00:11:46,579 --> 00:11:44,250

own lies and I decided to tell people

275

00:11:47,240 --> 00:11:46,589

and that is when everything exploded it

276

00:11:51,499 --> 00:11:47,250

went crazy

277

00:11:53,150 --> 00:11:51,509

I got a threat from him in November 2015

278

00:11:55,610 --> 00:11:53,160

which I didn't even find so the

279

00:12:00,499 --> 00:11:55,620

following February that said you're

280

00:12:04,309 --> 00:12:00,509

effed best move bias that triggered me I

281

00:12:07,129 --> 00:12:04,319

went crazy on the internet I shouted and

282

00:12:09,230 --> 00:12:07,139

carried on and then I started to

283

00:12:11,360 --> 00:12:09,240

investigate him that's when I started to

284

00:12:14,329 --> 00:12:11,370

look at the show and I said Larry Warren

285

00:12:17,990 --> 00:12:14,339

wasn't there he stole his account and so

286

00:12:20,960 --> 00:12:18,000

many people were really really hating on

287

00:12:23,660 --> 00:12:20,970

me but then at the other side of that

288

00:12:24,319 --> 00:12:23,670

coin there was a lot of people who were

289

00:12:28,280 --> 00:12:24,329

helping me

290

00:12:31,519 --> 00:12:28,290

and in between there was Alison Dunlop

291

00:12:33,679 --> 00:12:31,529

and David Young and you know a couple of

292

00:12:35,090 --> 00:12:33,689

other people who were all supportive of

293

00:12:37,850 --> 00:12:35,100

Larry because he was going to be

294

00:12:39,230 --> 00:12:37,860

speaking at the SBI conference that year

295

00:12:42,019 --> 00:12:39,240

in Scotland

296

00:12:44,389 --> 00:12:42,029

now I said I'm going to go and I'm going

297

00:12:45,410 --> 00:12:44,399

to ask him this question why is Adrian

298

00:12:48,290 --> 00:12:45,420

Costanza's

299

00:12:50,329 --> 00:12:48,300

story exactly the same as Larry Warren's

300

00:12:52,460 --> 00:12:50,339

including the memory I've taken a

301
00:12:55,220 --> 00:12:52,470
particular kind of camera off a person

302
00:12:57,350 --> 00:12:55,230
and remembering it had a big M on it

303
00:12:58,699 --> 00:12:57,360
probably for Motorola or something like

304
00:13:00,230 --> 00:12:58,709
you know I don't know the names of

305
00:13:01,040 --> 00:13:00,240
cameras but it was a he said it looks

306
00:13:04,309 --> 00:13:01,050
expensive

307
00:13:07,400 --> 00:13:04,319
and I thought Larry said though that's

308
00:13:10,189 --> 00:13:07,410
in his book so I just knew it I just

309
00:13:12,559 --> 00:13:10,199
knew it and I had to tell people so then

310
00:13:15,759 --> 00:13:12,569
the investigation started and I started

311
00:13:17,660 --> 00:13:15,769
to find other bits of information and

312
00:13:18,889 --> 00:13:17,670
all the things that you've been getting

313
00:13:23,359 --> 00:13:18,899

up to we

314

00:13:25,670 --> 00:13:23,369

were memorabilia fraud fortunes are

315

00:13:27,710 --> 00:13:25,680

memorabilia etc so I started to bring

316

00:13:30,970 --> 00:13:27,720

all that out now people say what's that

317

00:13:33,470 --> 00:13:30,980

got to do with Rendlesham forest well

318

00:13:35,150 --> 00:13:33,480

nothing is the answer to that question

319

00:13:37,549 --> 00:13:35,160

but it's got everything to do with the

320

00:13:41,059 --> 00:13:37,559

kind of man that he is and that was what

321

00:13:42,679 --> 00:13:41,069

I was trying to get across in that time

322

00:13:45,379 --> 00:13:42,689

it would fallen out with everybody

323

00:13:47,359 --> 00:13:45,389

practically that our new and made

324

00:13:50,840 --> 00:13:47,369

friends of people that I hadn't

325

00:13:54,230 --> 00:13:50,850

previously known and obviously my like

326

00:13:59,960 --> 00:13:54,240

long-term friends and supporters they

327

00:14:01,910 --> 00:13:59,970

were there with me so I reported these

328

00:14:03,559 --> 00:14:01,920

threats of the police they reported me

329

00:14:05,119 --> 00:14:03,569

to the police it was a bit - enough

330

00:14:06,739 --> 00:14:05,129

rowing like that but the police don't

331

00:14:07,960 --> 00:14:06,749

want to get involved in arguments on the

332

00:14:13,400 --> 00:14:07,970

Internet

333

00:14:16,129 --> 00:14:13,410

so eventually through all the RG bad you

334

00:14:18,379 --> 00:14:16,139

read the conference that Larry ended up

335

00:14:23,480 --> 00:14:18,389

being banned from in Glasgow from the

336

00:14:25,639 --> 00:14:23,490

SBI conference Alison Dunlop then had to

337

00:14:28,189 --> 00:14:25,649

concede that she'd been wrong about Lori

338

00:14:31,189 --> 00:14:28,199

and she issued a statement which

339

00:14:35,179 --> 00:14:31,199

basically covered all of that and what

340

00:14:37,429 --> 00:14:35,189

had gone on and that unfortunately there

341

00:14:40,509 --> 00:14:37,439

you know she had to accept that what I

342

00:14:43,249 --> 00:14:40,519

was saying was true and that is when

343

00:14:47,030 --> 00:14:43,259

David and I started talking again isn't

344

00:14:49,220 --> 00:14:47,040

it David bring you into it I mean I can

345

00:14:51,169 --> 00:14:49,230

say that it that was when I first

346

00:14:52,910 --> 00:14:51,179

realized something was very wrong about

347

00:14:56,269 --> 00:14:52,920

the club when I wait to the Glasgow

348

00:14:57,980 --> 00:14:56,279

conference when I got there I saw I know

349

00:15:00,619 --> 00:14:57,990

I never knew I didn't know it was home

350

00:15:03,319 --> 00:15:00,629

that so Larry had been banned when I

351
00:15:05,689 --> 00:15:03,329
arrived at the doorway basically he was

352
00:15:07,400 --> 00:15:05,699
standing leaning against the car and I

353
00:15:09,259 --> 00:15:07,410
walked over to him and I said what's

354
00:15:13,639 --> 00:15:09,269
going on there he said oh I've been

355
00:15:15,710 --> 00:15:13,649
banned you know and of course I don't

356
00:15:17,389 --> 00:15:15,720
think I knew about it anyway because I

357
00:15:18,829 --> 00:15:17,399
was actually saying well how bad is that

358
00:15:21,799 --> 00:15:18,839
her power leads to treat you like that

359
00:15:23,480 --> 00:15:21,809
you know and everything and I you know

360
00:15:25,220 --> 00:15:23,490
one or two other people will walk it up

361
00:15:28,850 --> 00:15:25,230
and saying much the same type of thing

362
00:15:31,309 --> 00:15:28,860
and I think he's intention of toning up

363
00:15:32,199 --> 00:15:31,319

there was actually to get Peter to stand

364

00:15:34,869 --> 00:15:32,209

down and

365

00:15:36,129 --> 00:15:34,879

back him up that's my that's my I mean I

366

00:15:38,619 --> 00:15:36,139

don't know a few fields it that was

367

00:15:39,759 --> 00:15:38,629

probably the same you know no because if

368

00:15:44,319 --> 00:15:39,769

they're a band

369

00:15:46,720 --> 00:15:44,329

did Ben Hamlin Jones did a vlog of the

370

00:15:49,359 --> 00:15:46,730

event and they were all in the car and

371

00:15:52,419 --> 00:15:49,369

he and Larry said that he was going to

372

00:15:54,069 --> 00:15:52,429

get to speak they went anyway because he

373

00:15:55,629 --> 00:15:54,079

thought that once he got there he'd be

374

00:15:58,960 --> 00:15:55,639

able to talk to people and say look

375

00:16:02,350 --> 00:15:58,970

she's just crazy it's not bad and you

376

00:16:05,049 --> 00:16:02,360

know and ended up being able to speak be

377

00:16:07,389 --> 00:16:05,059

even victory screw me right well it

378

00:16:08,169 --> 00:16:07,399

wasn't me you I've been banned no no I

379

00:16:10,329 --> 00:16:08,179

understand that

380

00:16:13,720 --> 00:16:10,339

and anyway after sort of telling me oh

381

00:16:15,400 --> 00:16:13,730

happy retreat yeah the kaabah City

382

00:16:18,970 --> 00:16:15,410

conference with Pete's are doing it on

383

00:16:20,679 --> 00:16:18,980

his own I was one of one or two people

384

00:16:23,319 --> 00:16:20,689

invited for a drink in the evening with

385

00:16:25,359 --> 00:16:23,329

with dairy and still hearing the story

386

00:16:28,439 --> 00:16:25,369

about oh I bet he's been treated and you

387

00:16:31,569 --> 00:16:28,449

know it was only a couple of days after

388

00:16:34,389 --> 00:16:31,579

after the event when Allen started

389

00:16:36,639 --> 00:16:34,399

releasing all the letters there have

390

00:16:39,189 --> 00:16:36,649

been you know the reasons why that Larry

391

00:16:42,970 --> 00:16:39,199

was banned obviously the threats to

392

00:16:45,789 --> 00:16:42,980

yourself and I don't know if anyone else

393

00:16:47,949 --> 00:16:45,799

was threatened but there was so many I

394

00:16:49,780 --> 00:16:47,959

could see that it was lies coming you

395

00:16:50,999 --> 00:16:49,790

know I thought well this is not what I

396

00:16:54,369 --> 00:16:51,009

was hearing for theree

397

00:16:56,559 --> 00:16:54,379

and that's why I started really

398

00:16:59,769 --> 00:16:56,569

realizing something was very wrong about

399

00:17:01,600 --> 00:16:59,779

his whole story I mean just before I've

400

00:17:03,730 --> 00:17:01,610

gone to the truth conference a little

401
00:17:08,470 --> 00:17:03,740
while before that and they would say he

402
00:17:11,649 --> 00:17:08,480
was gonna take me on a Beatles tour even

403
00:17:13,689 --> 00:17:11,659
so we he was hits came by asking his if

404
00:17:16,990 --> 00:17:13,699
Paul McCartney is in town you'll

405
00:17:27,960 --> 00:17:17,000
introduce me at that time I thought yeah

406
00:17:30,159 --> 00:17:27,970
really okay it still sounded a bit term

407
00:17:33,220 --> 00:17:30,169
because he says he but all the people he

408
00:17:35,019 --> 00:17:33,230
hangs up out with everything you know he

409
00:17:37,210 --> 00:17:35,029
told me all them stories as well over

410
00:17:39,100 --> 00:17:37,220
the years and there were plausible you

411
00:17:41,730 --> 00:17:39,110
know it didn't tell me that it was a

412
00:17:43,980 --> 00:17:41,740
close security bodyguard for John Lennon

413
00:17:45,299 --> 00:17:43,990

know which is what it says now but the

414

00:17:46,919 --> 00:17:45,309

threats that we made yet the glass wood

415

00:17:48,840 --> 00:17:46,929

girl conference that well before the

416

00:17:51,090 --> 00:17:48,850

conference to get him banned I'm just

417

00:17:52,440 --> 00:17:51,100

gonna read out he said this is the

418

00:17:55,140 --> 00:17:52,450

outlaw wait now you got to remember this

419

00:17:56,640 --> 00:17:55,150

is because I said I was going to go to

420

00:17:58,560 --> 00:17:56,650

the conference and ask him a question

421

00:18:00,419 --> 00:17:58,570

and I put that post on my page and I

422

00:18:03,030 --> 00:18:00,429

spoke to Malcolm and I said I'll gladly

423

00:18:05,310 --> 00:18:03,040

give you the question beforehand you

424

00:18:07,200 --> 00:18:05,320

know it can be vetted that question can

425

00:18:10,530 --> 00:18:07,210

be asked of him I don't even have to ask

426

00:18:13,680 --> 00:18:10,540

you basically he said this is the outlaw

427

00:18:15,570 --> 00:18:13,690

way and I'm sorry I have to post I will

428

00:18:18,390 --> 00:18:15,580

have family and very close friends at

429

00:18:20,070 --> 00:18:18,400

the venue if you then he puts in

430

00:18:21,990 --> 00:18:20,080

brackets whomever because it doesn't

431

00:18:24,360 --> 00:18:22,000

want anyone asking the question hmm

432

00:18:27,270 --> 00:18:24,370

makes a move on me others I love

433

00:18:29,520 --> 00:18:27,280

understand this I will jump off stage

434

00:18:32,130 --> 00:18:29,530

and put your windpipe through your spine

435

00:18:35,070 --> 00:18:32,140

you are a threat at that point and your

436

00:18:38,610 --> 00:18:35,080

life will end really yes prosecutor

437

00:18:41,880 --> 00:18:38,620

questions yeah exactly yeah and this is

438

00:18:44,640 --> 00:18:41,890

what this is what did it for him yeah he

439

00:18:47,100 --> 00:18:44,650

said and faster than venue security

440

00:18:49,500 --> 00:18:47,110

could deal with I am telling all this as

441

00:18:52,290 --> 00:18:49,510

a public service message he did for your

442

00:18:54,060 --> 00:18:52,300

own good but what fantastic PR for the

443

00:18:57,150 --> 00:18:54,070

great Glasgow gig I don't need

444

00:18:59,880 --> 00:18:57,160

protection but if I really did I bring

445

00:19:01,860 --> 00:18:59,890

in my Detroit brother James MA had whom

446

00:19:04,350 --> 00:19:01,870

dealt with a similar deal with me and

447

00:19:06,840 --> 00:19:04,360

brother Peter Robbins years ago be smart

448

00:19:09,630 --> 00:19:06,850

stay at home on your chicken [h__h]

449

00:19:13,910 --> 00:19:09,640

Internet baby so that was the threat

450

00:19:16,740 --> 00:19:13,920

that got him banned and he also told

451
00:19:18,960 --> 00:19:16,750
Kelly Marie when she tries to question

452
00:19:22,080 --> 00:19:18,970
him about this zip it you little nut

453
00:19:24,360 --> 00:19:22,090
back oh I lost somebody waiting for you

454
00:19:25,980 --> 00:19:24,370
one day you know like basically if

455
00:19:28,560 --> 00:19:25,990
somebody's gonna go and beat up this

456
00:19:29,299 --> 00:19:28,570
Scottish woman for daring to say

457
00:19:35,730 --> 00:19:29,309
anything

458
00:19:37,770 --> 00:19:35,740
so the Hells Angels well you see there's

459
00:19:40,290 --> 00:19:37,780
so many things isn't there to talk about

460
00:19:42,690 --> 00:19:40,300
how many lies as the guys hold you know

461
00:19:45,630 --> 00:19:42,700
he says the all of their I think that

462
00:19:52,500 --> 00:19:45,640
James Moorhead chap who's probably a

463
00:19:54,120 --> 00:19:52,510

Hells Angel that he knows and probably

464

00:19:55,170 --> 00:19:54,130

the only one that he knows I don't know

465

00:19:56,820 --> 00:19:55,180

I know I know I know

466

00:20:00,600 --> 00:19:56,830

a few but you certainly never been wrong

467

00:20:03,150 --> 00:20:00,610

we've got that proven so that is a lie

468

00:20:04,020 --> 00:20:03,160

that is easy all these threats about his

469

00:20:06,060 --> 00:20:04,030

bikers

470

00:20:07,170 --> 00:20:06,070

he's reaches long he's gonna threaten

471

00:20:10,650 --> 00:20:07,180

threatened

472

00:20:16,260 --> 00:20:10,660

James Welsh with bikers come in series

473

00:20:18,480 --> 00:20:16,270

flats you know he's just every time

474

00:20:19,980 --> 00:20:18,490

anybody challenges him with anything we

475

00:20:21,600 --> 00:20:19,990

get threatened all the word you win

476

00:20:24,810 --> 00:20:21,610

anyway he's gone very quiet at the

477

00:20:26,790 --> 00:20:24,820

moment so that was his that was the

478

00:20:30,390 --> 00:20:26,800

threat that actually got him banned from

479

00:20:31,770 --> 00:20:30,400

the SBI conference and it's probably the

480

00:20:34,770 --> 00:20:31,780

best thing that ever happened actually

481

00:20:36,090 --> 00:20:34,780

and ultimately but I did want to know

482

00:20:37,740 --> 00:20:36,100

what he was going to say because I

483

00:20:40,290 --> 00:20:37,750

didn't know what his current narrative

484

00:20:43,320 --> 00:20:40,300

was but the best thing about it all was

485

00:20:44,970 --> 00:20:43,330

was that in the gym he was speaking like

486

00:20:47,000 --> 00:20:44,980

that flying saucers of London conference

487

00:20:50,700 --> 00:20:47,010

in fire he wasn't in you attended that

488

00:20:53,100 --> 00:20:50,710

yes and that's the one where while he

489

00:20:55,260 --> 00:20:53,110

was here he had all this memorabilia and

490

00:20:57,060 --> 00:20:55,270

he'd sold some and he was waiting for

491

00:20:57,990 --> 00:20:57,070

the money right this is what he told us

492

00:20:59,070 --> 00:20:58,000

he was waiting for the money

493

00:21:00,600 --> 00:20:59,080

little did we know that he'd been

494

00:21:02,910 --> 00:21:00,610

getting it in dribs and drabs and

495

00:21:05,160 --> 00:21:02,920

spending it because he'd sold a john

496

00:21:08,070 --> 00:21:05,170

lennon sketch to russ quell it for ten

497

00:21:13,650 --> 00:21:08,080

thousand and that was where the exchange

498

00:21:15,000 --> 00:21:13,660

happened but I'd wanted Warren to speak

499

00:21:16,950 --> 00:21:15,010

at the Glasgow conference because I

500

00:21:19,710 --> 00:21:16,960

really wanted his narrative I wanted to

501
00:21:20,940 --> 00:21:19,720
know what his story was because he's as

502
00:21:22,170 --> 00:21:20,950
far as I knew there were several

503
00:21:24,360 --> 00:21:22,180
different versions of different

504
00:21:26,340 --> 00:21:24,370
different bits once I've started looking

505
00:21:30,830 --> 00:21:26,350
at other things that have been said in

506
00:21:34,320 --> 00:21:30,840
the past and unfortunately there was no

507
00:21:37,380 --> 00:21:34,330
recording of the finally one there was

508
00:21:41,130 --> 00:21:37,390
no a video of it at all that hadn't

509
00:21:44,250 --> 00:21:41,140
happened and so I was just kind of like

510
00:21:47,820 --> 00:21:44,260
right okay well I'll muddle on anyway

511
00:21:52,950 --> 00:21:47,830
not knowing what his current version of

512
00:21:55,410 --> 00:21:52,960
events was but then not long ago David

513
00:21:59,550 --> 00:21:55,420

you discovered that you had the

514

00:22:02,070 --> 00:21:59,560

recording there was one Sunday afternoon

515

00:22:04,230 --> 00:22:02,080

I remembered I had these because I

516

00:22:07,650 --> 00:22:04,240

usually called a lot of conferences or

517

00:22:08,680 --> 00:22:07,660

go to some beware there anyone else is

518

00:22:12,520 --> 00:22:08,690

good

519

00:22:16,160 --> 00:22:12,530

now adieu record or de corazon ago to us

520

00:22:18,290 --> 00:22:16,170

I've got on that Philae conference which

521

00:22:20,900 --> 00:22:18,300

I went to you know I started listening

522

00:22:22,700 --> 00:22:20,910

to it I thought good god this is gold

523

00:22:26,090 --> 00:22:22,710

dust you know because there was such a

524

00:22:27,950 --> 00:22:26,100

lot of what I mean at the time I thought

525

00:22:29,660 --> 00:22:27,960

I was taking anybody like a few other

526

00:22:33,140 --> 00:22:29,670

people that are in the audience you know

527

00:22:35,860 --> 00:22:33,150

and but sort of I don't know you know

528

00:22:45,200 --> 00:22:35,870

since then but a lot of it was absolute

529

00:22:51,170 --> 00:22:45,210

BS you know and like is really special

530

00:22:53,120 --> 00:22:51,180

I mean and the Bigfoots the story is

531

00:22:55,460 --> 00:22:53,130

very provable is approvable alive

532

00:22:57,530 --> 00:22:55,470

absolutely you know what we've been kind

533

00:23:00,560 --> 00:22:57,540

of working with isn't that sort of ok

534

00:23:04,340 --> 00:23:00,570

let's let's take stock of his various

535

00:23:08,480 --> 00:23:04,350

narratives his lies his life story you

536

00:23:11,420 --> 00:23:08,490

know this thing that he's telling but

537

00:23:16,490 --> 00:23:11,430

when you get he said came up with that

538

00:23:18,140 --> 00:23:16,500

it was just like wow remember what

539

00:23:20,450 --> 00:23:18,150

happened at the time well actually but

540

00:23:23,900 --> 00:23:20,460

yeah a lot the Facebook posts you can

541

00:23:26,630 --> 00:23:23,910

make yeah Larry Warren says he saw

542

00:23:28,040 --> 00:23:26,640

Metallica I think they didn't know where

543

00:23:31,160 --> 00:23:28,050

the audio record you know I don't think

544

00:23:34,340 --> 00:23:31,170

it's because he said I never said to

545

00:23:37,520 --> 00:23:34,350

making things up yeah yeah so that was

546

00:23:39,590 --> 00:23:37,530

when I left the same post you know up

547

00:23:46,610 --> 00:23:39,600

but put the audio along with it with him

548

00:23:48,620 --> 00:23:46,620

actually saying it he tells that is so

549

00:23:50,690 --> 00:23:48,630

perfect is that record room because he

550

00:23:52,760 --> 00:23:50,700

hears all this extra stuff that he

551
00:23:54,350 --> 00:23:52,770
throws in because he knows it's not

552
00:23:57,650 --> 00:23:54,360
being recorded he can say whatever he

553
00:24:01,970 --> 00:23:57,660
wants you know and he said for the

554
00:24:04,970 --> 00:24:01,980
listeners benefit that he had co-signed

555
00:24:10,370 --> 00:24:04,980
Metallica and been paid half a million

556
00:24:13,670 --> 00:24:10,380
pounds finest Lee yep so he discovered

557
00:24:15,950 --> 00:24:13,680
Metallica yeah and was epic Atlantic

558
00:24:21,290 --> 00:24:15,960
Records all in the same paragraph I

559
00:24:22,370 --> 00:24:21,300
think it was 20 years yeah something

560
00:24:23,600 --> 00:24:22,380
like that is like every

561
00:24:26,360 --> 00:24:23,610
thing he's been ads all these amazing

562
00:24:28,430 --> 00:24:26,370
careers or something so the Metallica

563
00:24:29,960 --> 00:24:28,440

thing he said but him and his friend

564

00:24:33,770 --> 00:24:29,970

Richard someone whose name escapes me

565

00:24:40,730 --> 00:24:33,780

this money and got paid half a million

566

00:24:42,980 --> 00:24:40,740

each finder's fee rich Carlson also did

567

00:24:45,760 --> 00:24:42,990

a quick google and it turns out that

568

00:24:48,800 --> 00:24:45,770

this guy called Michael a Largo

569

00:24:51,760 --> 00:24:48,810

discovered and signed Metallica no

570

00:24:56,330 --> 00:24:51,770

mention of Larry no mention of Richard

571

00:24:57,680 --> 00:24:56,340

no nothing so you know this is one of

572

00:24:59,960 --> 00:24:57,690

the things that we challenged isn't it

573

00:25:02,720 --> 00:24:59,970

yeah that's right and any started saying

574

00:25:04,870 --> 00:25:02,730

about although it wasn't a sit so about

575

00:25:07,730 --> 00:25:04,880

I would meet at Metallica worked for us

576

00:25:12,920 --> 00:25:07,740

and it was his little band that he came

577

00:25:14,420 --> 00:25:12,930

up with name and depend and he said his

578

00:25:16,910 --> 00:25:14,430

name is on the back of the credits on

579

00:25:19,400 --> 00:25:16,920

the album so obviously we did a search

580

00:25:26,180 --> 00:25:19,410

for the album itself fights warning

581

00:25:27,410 --> 00:25:26,190

fates warning that I had right in trying

582

00:25:31,370 --> 00:25:27,420

to find his name on the back of this

583

00:25:33,800 --> 00:25:31,380

album did you think we found it a little

584

00:25:35,570 --> 00:25:33,810

bit more research says but in actual

585

00:25:38,300 --> 00:25:35,580

fact Metallica we were around before

586

00:25:40,130 --> 00:25:38,310

fates warning but he chose a story that

587

00:25:42,800 --> 00:25:40,140

fates warning were around before and

588

00:25:44,570 --> 00:25:42,810

that Metallica worked for them yeah and

589

00:25:47,420 --> 00:25:44,580

it I mean it's like it's like I've said

590

00:25:49,880 --> 00:25:47,430

before Google's been Warren's worst

591

00:25:51,740 --> 00:25:49,890

enemy really because he's told most of

592

00:25:54,620 --> 00:25:51,750

his stories before Google came about

593

00:25:56,180 --> 00:25:54,630

like you were saying earlier and things

594

00:25:58,580 --> 00:25:56,190

are so easy to sort of she's tracked

595

00:26:00,290 --> 00:25:58,590

down now that's the same you've been D

596

00:26:03,670 --> 00:26:00,300

work as opposed to being in went before

597

00:26:10,700 --> 00:26:07,760

it was sweet sweet Riverbend ensuite

598

00:26:15,050 --> 00:26:10,710

with a band that was at Riverbend now

599

00:26:17,630 --> 00:26:15,060

and he paid for over 3,000 people just

600

00:26:19,220 --> 00:26:17,640

before I know now you think if you were

601
00:26:20,810 --> 00:26:19,230
in a band like that you'd have lots of

602
00:26:22,640 --> 00:26:20,820
pictures I mean whenever you see like

603
00:26:25,190 --> 00:26:22,650
young bands and things you loads of

604
00:26:26,840 --> 00:26:25,200
pictures fan pictures and all sorts have

605
00:26:29,030 --> 00:26:26,850
you ever seen any pictures or haven't no

606
00:26:31,310 --> 00:26:29,040
Il just I did an internet search I think

607
00:26:32,990 --> 00:26:31,320
if the other people did too and trying

608
00:26:35,180 --> 00:26:33,000
to find out more about this sweet river

609
00:26:37,610 --> 00:26:35,190
band there is a band called sweet man

610
00:26:39,860 --> 00:26:37,620
Cajun aren't they it's more like Asian

611
00:26:43,130 --> 00:26:39,870
baby was putting it over as an Eagles

612
00:26:44,780 --> 00:26:43,140
type Bend not quite the same thing you

613
00:26:47,180 --> 00:26:44,790

know and we looked at the venue when he

614

00:26:50,930 --> 00:26:47,190

said he played and it was like a country

615

00:26:52,610 --> 00:26:50,940

park a small stage where maybe 50 60

616

00:26:56,060 --> 00:26:52,620

people might have been in the audience

617

00:26:58,640 --> 00:26:56,070

you know so it's all sort of all like

618

00:27:01,160 --> 00:26:58,650

that that's you it's so easy to sort of

619

00:27:02,720 --> 00:27:01,170

them well to find out for yourself I

620

00:27:04,370 --> 00:27:02,730

mean I encourage anyone out there was a

621

00:27:06,350 --> 00:27:04,380

good be listening to this program don't

622

00:27:08,300 --> 00:27:06,360

just as what Sarah and I are saying if

623

00:27:10,130 --> 00:27:08,310

you've got the book left at a sky look

624

00:27:11,630 --> 00:27:10,140

at bits in it yourself and go I'm

625

00:27:12,110 --> 00:27:11,640

researching because you can't do it

626

00:27:18,590 --> 00:27:12,120

yourself

627

00:27:20,780 --> 00:27:18,600

a lot of lies in there as well hey like

628

00:27:25,490 --> 00:27:20,790

I know it's jumping around a little bit

629

00:27:31,040 --> 00:27:25,500

here but in 1979 was when he went inside

630

00:27:33,080 --> 00:27:31,050

to join the air force in 1979 he also

631

00:27:36,980 --> 00:27:33,090

closed her being at school in England in

632

00:27:39,710 --> 00:27:36,990

Billerica now he makes out it makes it

633

00:27:42,710 --> 00:27:39,720

sound like he was here in education for

634

00:27:44,540 --> 00:27:42,720

a year but if you read left escape you

635

00:27:46,970 --> 00:27:44,550

will see that after his little stint in

636

00:27:52,190 --> 00:27:46,980

Billerica Essex that there's a lesson

637

00:27:55,070 --> 00:27:52,200

from the woman's the woman who he stayed

638

00:27:57,640 --> 00:27:55,080

with it was like a student exchange she

639

00:28:00,380 --> 00:27:57,650

said to it's an elected to Larry's mom

640

00:28:04,190 --> 00:28:00,390

telling her how lovely her son had been

641

00:28:07,310 --> 00:28:04,200

for the week for a week yeah he's there

642

00:28:13,670 --> 00:28:07,320

in the book yeah he now alludes to being

643

00:28:15,320 --> 00:28:13,680

here forever in the finally talk he says

644

00:28:17,470 --> 00:28:15,330

there's a bit where he says that when

645

00:28:20,120 --> 00:28:17,480

they were on base and they were being

646

00:28:21,920 --> 00:28:20,130

told about the area all the rest of it

647

00:28:23,210 --> 00:28:21,930

what it's like living in England he made

648

00:28:25,010 --> 00:28:23,220

out that it wasn't for him because he'd

649

00:28:26,480 --> 00:28:25,020

been here before he'd already lived here

650

00:28:29,930 --> 00:28:26,490

it'd been here for a one week and an

651
00:28:32,330 --> 00:28:29,940
exchange hmm so there's little things

652
00:28:35,740 --> 00:28:32,340
where there's a little bit of truth to

653
00:28:39,980 --> 00:28:35,750
it but everything is wildly exaggerated

654
00:28:41,480 --> 00:28:39,990
yeah and if anything he's I know yet old

655
00:28:42,890 --> 00:28:41,490
school he was talking about Mayflower

656
00:28:45,260 --> 00:28:42,900
because I did live in Billerica for a

657
00:28:47,500 --> 00:28:45,270
while you know six so it says quite a

658
00:28:50,380 --> 00:28:47,510
stranger cross over again

659
00:28:55,840 --> 00:28:50,390
bears before I moved to Suffolk yeah and

660
00:28:58,470 --> 00:28:55,850
then in that year as well in another it

661
00:29:03,730 --> 00:28:58,480
was a video show radio show with

662
00:29:10,360 --> 00:29:03,740
christinageorge and Germans Halldor Gary

663
00:29:13,330 --> 00:29:10,370

Heseltine and field bother ya because he

664

00:29:15,280 --> 00:29:13,340

also said in that in in the late 70s

665

00:29:19,810 --> 00:29:15,290

remember he was at school in Berlin

666

00:29:23,230 --> 00:29:19,820

Ricky it was also in school in Albany

667

00:29:26,560 --> 00:29:23,240

and he had the summer kicking around

668

00:29:27,370 --> 00:29:26,570

with his friends waiting to go into the

669

00:29:32,680 --> 00:29:27,380

Air Force

670

00:29:37,390 --> 00:29:32,690

but in this latest video radio show

671

00:29:40,770 --> 00:29:37,400

thing with them and what was I gonna say

672

00:29:43,900 --> 00:29:40,780

oh my god me and mascot blank

673

00:29:45,880 --> 00:29:43,910

what was it socket about David you were

674

00:29:48,040 --> 00:29:45,890

talking talking about you kicking around

675

00:29:54,000 --> 00:29:48,050

in the late 70s in Beach Boys I believe

676

00:30:00,610 --> 00:29:54,010

you were going to come to pay on that

677

00:30:02,230 --> 00:30:00,620

yeah he says that he was pay for the

678

00:30:03,880 --> 00:30:02,240

Beach Boys in the late seventies yeah

679

00:30:05,680 --> 00:30:03,890

and of course Peter Robbie's knows

680

00:30:07,000 --> 00:30:05,690

nothing about all this you know thought

681

00:30:10,360 --> 00:30:07,010

you'd a told Peter Robbie's wouldn't you

682

00:30:12,210 --> 00:30:10,370

yeah absolutely because he said that in

683

00:30:16,540 --> 00:30:12,220

that time as well while he was waiting

684

00:30:18,250 --> 00:30:16,550

to catch his flight which in the book he

685

00:30:20,890 --> 00:30:18,260

says he goes to the airport with his mom

686

00:30:23,410 --> 00:30:20,900

and he gets his flight in his new

687

00:30:26,230 --> 00:30:23,420

narrative his flights delayed for two

688

00:30:31,090 --> 00:30:26,240

days and he hangs out with John Lennon

689

00:30:31,900 --> 00:30:31,100

for two days busy year I mean how

690

00:30:34,870 --> 00:30:31,910

amazing is that

691

00:30:36,430 --> 00:30:34,880

yeah and again why isn't that in left

692

00:30:40,180 --> 00:30:36,440

Eastgate because it doesn't mention that

693

00:30:43,060 --> 00:30:40,190

it's all you so John Lennon dies within

694

00:30:46,480 --> 00:30:43,070

yeah well he's at Bentwaters so why

695

00:30:47,920 --> 00:30:46,490

doesn't he say oh my friend of my recent

696

00:30:50,530 --> 00:30:47,930

friend that was with a little while ago

697

00:30:54,310 --> 00:30:50,540

has just died it doesn't say that at all

698

00:30:56,800 --> 00:30:54,320

yeah no and that's so easy basis our he

699

00:31:00,190 --> 00:30:56,810

starts in August doesn't mean he goes to

700

00:31:01,240 --> 00:31:00,200

Lackland in Texas hmm and that's where

701
00:31:05,020 --> 00:31:01,250
he meets Stevie over

702
00:31:06,700 --> 00:31:05,030
when he goes to the way out west club so

703
00:31:10,510 --> 00:31:06,710
in that year he was pier to the Beach

704
00:31:11,920 --> 00:31:10,520
Boys he met and hung out with John

705
00:31:15,070 --> 00:31:11,930
Lennon for two days even though John

706
00:31:19,540 --> 00:31:15,080
Lennon spent Thanksgiving and it was the

707
00:31:21,790 --> 00:31:19,550
27th he did a photo shoot Thanksgiving

708
00:31:24,940 --> 00:31:21,800
he spent time with Ringo and his wife

709
00:31:30,210 --> 00:31:24,950
and then so that's like the 2728 and

710
00:31:34,990 --> 00:31:32,320
something November sorry and then he's

711
00:31:39,100 --> 00:31:35,000
hanging out with Larry an 18 year old

712
00:31:40,690 --> 00:31:39,110
kid well we got that famous we got the

713
00:31:42,370 --> 00:31:40,700

famous black and white photo of and we

714

00:31:46,570 --> 00:31:42,380

take it's supposed to be taking a full

715

00:31:48,340 --> 00:31:46,580

tuner in New York and he actually names

716

00:31:52,120 --> 00:31:48,350

the people the person that took the

717

00:31:55,270 --> 00:31:52,130

photo and where it was taken that was it

718

00:31:58,680 --> 00:31:55,280

was Vinnie Irwin who took the picture it

719

00:32:03,640 --> 00:31:58,690

wasn't her and he basically photoshopped

720

00:32:07,270 --> 00:32:03,650

himself or whatever program people at

721

00:32:10,540 --> 00:32:07,280

least a year old man looks at some

722

00:32:13,750 --> 00:32:10,550

photographs of him areas a time and I

723

00:32:15,340 --> 00:32:13,760

know that he went to New York when he

724

00:32:16,870 --> 00:32:15,350

was 40 because I remember him telling me

725

00:32:21,580 --> 00:32:16,880

about that there was a photographs of

726

00:32:22,660 --> 00:32:21,590

him in New York when he was 40 so Nick

727

00:32:26,140 --> 00:32:22,670

Pope said it best

728

00:32:28,890 --> 00:32:26,150

he called him a florid-faced but here

729

00:32:31,300 --> 00:32:28,900

I'll really like you know the kind of

730

00:32:33,760 --> 00:32:31,310

width of his face and all the recipe

731

00:32:39,130 --> 00:32:33,770

that comes with it does come out with

732

00:32:43,420 --> 00:32:39,140

some gems I must say so yeah there's um

733

00:32:45,220 --> 00:32:43,430

in my blogs I think John Lennon sketch

734

00:32:46,660 --> 00:32:45,230

mystery ends here or maybe stars in

735

00:32:48,640 --> 00:32:46,670

their eyes the adventures of the Larry

736

00:32:49,870 --> 00:32:48,650

Warren and he's doctored photographs

737

00:32:53,380 --> 00:32:49,880

something that was cold

738

00:32:56,260 --> 00:32:53,390

so there's photographs that he's

739

00:33:00,480 --> 00:32:56,270

doctored of him with John Lennon him

740

00:33:03,130 --> 00:33:00,490

with Stevie Ray Vaughn him with Yoko Ono

741

00:33:04,630 --> 00:33:03,140

there's yeah because there's a yellow

742

00:33:05,980 --> 00:33:04,640

car on a pitch you've got a signature on

743

00:33:08,290 --> 00:33:05,990

there Evan yeah now you can actually

744

00:33:09,700 --> 00:33:08,300

Google Yoko Ono signature and and

745

00:33:14,070 --> 00:33:09,710

compare it with Larry's on that pitch

746

00:33:16,440 --> 00:33:14,080

nothing alike it's similar but

747

00:33:21,510 --> 00:33:16,450

leans he leans it forward where she

748

00:33:26,190 --> 00:33:21,520

leans backwards drink them

749

00:33:29,130 --> 00:33:26,200

so yeah December 1980 was just an

750

00:33:31,890 --> 00:33:29,140

amazing month for Warren because then he

751
00:33:35,850 --> 00:33:31,900
ended up at Bentwaters on the 1st of

752
00:33:37,680 --> 00:33:35,860
December and twenty five six days later

753
00:33:43,110 --> 00:33:37,690
claims were being involved in the

754
00:33:45,420 --> 00:33:43,120
biggest ui5 and this contrary but you

755
00:33:47,280 --> 00:33:45,430
know as we've already said his

756
00:33:48,900 --> 00:33:47,290
girlfriend cookie she said that he

757
00:33:54,210 --> 00:33:48,910
wasn't there there's lots of other bits

758
00:33:58,440 --> 00:33:54,220
that allude to that there's so much to

759
00:34:04,770 --> 00:33:58,450
cover oh one other James's Aston Martin

760
00:34:09,419 --> 00:34:04,780
you so he's 18 years old and he's got an

761
00:34:17,460 --> 00:34:09,429
Aston Martin how likely is that and he

762
00:34:19,290 --> 00:34:17,470
packed up on base who I'm sorry I bet

763
00:34:23,550 --> 00:34:19,300

you've got a life you're living with the

764

00:34:25,890 --> 00:34:23,560

Stars actually laughing at the people

765

00:34:29,490 --> 00:34:25,900

the reading the reading that book really

766

00:34:31,440 --> 00:34:29,500

it's I know I'm as guilty I took it you

767

00:34:33,180 --> 00:34:31,450

know ready twice and also he's really

768

00:34:37,050 --> 00:34:33,190

sort of a fascinating book but when you

769

00:34:39,210 --> 00:34:37,060

start reading it and in hindsight after

770

00:34:41,159 --> 00:34:39,220

knowing a lot about the lawyers and

771

00:34:45,540 --> 00:34:41,169

things you can see straight through most

772

00:34:46,230 --> 00:34:45,550

of it it's just complete it is

773

00:34:50,850 --> 00:34:46,240

embarrassing

774

00:34:53,730 --> 00:34:50,860

yeah so Phil for Peter Robbie's because

775

00:34:56,280 --> 00:34:53,740

he he was obviously the biggest yeah the

776

00:35:00,600 --> 00:34:56,290

PSone taken him boy he put so thirty

777

00:35:03,120 --> 00:35:00,610

years yeah back in Warren up and you

778

00:35:06,180 --> 00:35:03,130

know and then sort of and and going by

779

00:35:09,360 --> 00:35:06,190

story and obviously is it to him it must

780

00:35:10,500 --> 00:35:09,370

feel like you know I mean obviously I'm

781

00:35:12,900 --> 00:35:10,510

what I made if they've obviously

782

00:35:15,750 --> 00:35:12,910

traveled around a bit and but but when

783

00:35:20,490 --> 00:35:15,760

you when it's backed up by alloys it

784

00:35:22,200 --> 00:35:20,500

sort of becomes like a force oh no I

785

00:35:24,300 --> 00:35:22,210

think I'd be really embarrassed about it

786

00:35:26,620 --> 00:35:24,310

you know I don't quite know how to

787

00:35:30,050 --> 00:35:26,630

describe how it must feel

788

00:35:34,190 --> 00:35:30,060

it's ridiculous isn't it so I'm just

789

00:35:37,970 --> 00:35:34,200

looking at me notes again here and it

790

00:35:41,270 --> 00:35:37,980

this is the incredible thing because you

791

00:35:45,290 --> 00:35:41,280

know it calls himself an expert a US Air

792

00:35:49,400 --> 00:35:45,300

Force veteran and he was actually in the

793

00:35:53,210 --> 00:35:49,410

US Air Force from start to finish all of

794

00:35:57,770 --> 00:35:53,220

his all of his career in the US Air

795

00:35:59,360 --> 00:35:57,780

Force from start to finish was for 134

796

00:36:00,950 --> 00:35:59,370

days yeah

797

00:36:05,090 --> 00:36:00,960

it was just under ten months was

798

00:36:07,210 --> 00:36:05,100

nineteen weeks he was in the Air Force

799

00:36:09,650 --> 00:36:07,220

so he could have only just basically

800

00:36:11,540 --> 00:36:09,660

finished his basic training really if he

801
00:36:14,930 --> 00:36:11,550
did finish it at all well I don't think

802
00:36:17,570 --> 00:36:14,940
he did you know because that dr. Eccles

803
00:36:20,480 --> 00:36:17,580
sheet is blatantly being tampered with

804
00:36:21,830 --> 00:36:20,490
it's been tip xed oh yeah so he's got

805
00:36:24,080 --> 00:36:21,840
this piece of paper that says that he

806
00:36:26,510 --> 00:36:24,090
went to see this doctor Eccles at

807
00:36:32,720 --> 00:36:26,520
Lakenheath in the February I think and

808
00:36:34,070 --> 00:36:32,730
it says opti ret burn now this is in the

809
00:36:35,540 --> 00:36:34,080
book and it looks fine

810
00:36:37,220 --> 00:36:35,550
it looks just like a photocopied sheet

811
00:36:41,690 --> 00:36:37,230
but when you see the other sheet where

812
00:36:43,670 --> 00:36:41,700
he's been taken from its tip xed no I

813
00:36:46,280 --> 00:36:43,680

was sent that it's a standard version of

814

00:36:52,040 --> 00:36:46,290

it and I do believe it was from Georgina

815

00:36:55,180 --> 00:36:52,050

Brunei's Bruni's collection so a hundred

816

00:37:00,410 --> 00:36:55,190

and thirty four days and he's now being

817

00:37:02,360 --> 00:37:00,420

peddled as a retired veteran when yeah I

818

00:37:05,800 --> 00:37:02,370

think it's also important to mention

819

00:37:14,690 --> 00:37:05,810

that dr. Eccles was not on the Thurman

820

00:37:17,180 --> 00:37:14,700

and what he said was he bumped into

821

00:37:19,880 --> 00:37:17,190

Steve the plume there and Steve with Lou

822

00:37:21,680 --> 00:37:19,890

has told me this himself that he said

823

00:37:23,630 --> 00:37:21,690

that he was there because the problem

824

00:37:27,410 --> 00:37:23,640

with his wrists that hadn't been picked

825

00:37:30,230 --> 00:37:27,420

up in training and that he was getting

826

00:37:32,500 --> 00:37:30,240

out on a disability and that disability

827

00:37:34,670 --> 00:37:32,510

being that he couldn't fire his weapon

828

00:37:37,240 --> 00:37:34,680

properly because of the problem with his

829

00:37:38,960 --> 00:37:37,250

wrist so he didn't as far as I'm

830

00:37:42,680 --> 00:37:38,970

concerned

831

00:37:44,710 --> 00:37:42,690

he didn't pass his weapons training and

832

00:37:46,819 --> 00:37:44,720

rather than just practice and get good

833

00:37:48,200 --> 00:37:46,829

it's something wrong with him are

834

00:37:50,510 --> 00:37:48,210

there's something wrong with the

835

00:37:54,609 --> 00:37:50,520

situation you know it's not him it's not

836

00:37:59,030 --> 00:37:54,619

his fault it's a disability you know

837

00:38:02,240 --> 00:37:59,040

yeah he says he go out on a dd-214 re -

838

00:38:04,630 --> 00:38:02,250

for him if you research that he's he

839

00:38:07,940 --> 00:38:04,640

says in the book that code didn't exist

840

00:38:08,809 --> 00:38:07,950

it's a yes you win you've only yourself

841

00:38:11,390 --> 00:38:08,819

for sir

842

00:38:13,460 --> 00:38:11,400

code list it says breach of in these

843

00:38:15,470 --> 00:38:13,470

enlistment and real isn't agreement

844

00:38:18,200 --> 00:38:15,480

that's what he comes under that code

845

00:38:20,780 --> 00:38:18,210

yeah I mean anyone can research that

846

00:38:24,010 --> 00:38:20,790

yourself outside you know but in the

847

00:38:27,650 --> 00:38:24,020

book he apparently at code doesn't exist

848

00:38:29,390 --> 00:38:27,660

yeah and he says that is am I think he

849

00:38:34,609 --> 00:38:29,400

says in the book that the CIA I've got

850

00:38:37,880 --> 00:38:34,619

is military records and in now he's

851

00:38:41,750 --> 00:38:37,890

narrative is that it's NSA that I've got

852

00:38:47,109 --> 00:38:41,760

it so I found out that you can actually

853

00:38:51,440 --> 00:38:47,119

apply for anybody's basic records

854

00:38:54,339 --> 00:38:51,450

doesn't tell you much but what I got

855

00:38:58,370 --> 00:38:54,349

back was an almost instant response

856

00:39:01,339 --> 00:38:58,380

saying that his military records are

857

00:39:04,430 --> 00:39:01,349

there and they're available for him to

858

00:39:05,900 --> 00:39:04,440

apply for if he so wishes or if he gives

859

00:39:08,270 --> 00:39:05,910

permission anybody else

860

00:39:10,550 --> 00:39:08,280

couldn't get them so they're not with

861

00:39:16,579 --> 00:39:10,560

the CIA the NSA there's nothing special

862

00:39:18,020 --> 00:39:16,589

about his records you know I think John

863

00:39:20,150 --> 00:39:18,030

Burroughs are still trouble okay an

864

00:39:24,530 --> 00:39:20,160

artist isn't a but eventually I don't

865

00:39:26,079 --> 00:39:24,540

getting disability so why isn't Warren

866

00:39:30,589 --> 00:39:26,089

trying to get that same disability

867

00:39:34,099 --> 00:39:30,599

John's helping other witnesses so what's

868

00:39:40,190 --> 00:39:34,109

wrong with Larry yeah apparently opti

869

00:39:43,700 --> 00:39:40,200

Ratburn well he optical retinal burn but

870

00:39:45,920 --> 00:39:43,710

then in the Chuck de Caro CNN video

871

00:39:49,160 --> 00:39:45,930

which is also on YouTube he's a CNN

872

00:39:50,450 --> 00:39:49,170

documentary about Rendlesham he says

873

00:39:51,790 --> 00:39:50,460

that none of them were hurt by this

874

00:39:55,600 --> 00:39:51,800

craft

875

00:39:57,040 --> 00:39:55,610

yeah remember seeing that so every

876

00:39:59,340 --> 00:39:57,050

single thing that you says there's two

877

00:40:05,080 --> 00:40:03,340

you don't mean yeah I'm interested to

878

00:40:06,850 --> 00:40:05,090

see what's gonna come out and this this

879

00:40:09,100 --> 00:40:06,860

film where if it ever does come out the

880

00:40:10,570 --> 00:40:09,110

capable green film which version they're

881

00:40:12,820 --> 00:40:10,580

going to go with because one way or the

882

00:40:14,320 --> 00:40:12,830

other it's going to cause the quite a

883

00:40:17,200 --> 00:40:14,330

few arguments I think anyway

884

00:40:19,330 --> 00:40:17,210

well where people when people start said

885

00:40:20,740 --> 00:40:19,340

well cuz I mean this point like this his

886

00:40:24,030 --> 00:40:20,750

story's gotta be the same as it was in

887

00:40:26,260 --> 00:40:24,040

left a skate surely the kind of change

888

00:40:29,440 --> 00:40:26,270

you don't have to experience he's only

889

00:40:31,240 --> 00:40:29,450

had the one well in the trailers that

890

00:40:34,900 --> 00:40:31,250

they've got for the film Carol green now

891

00:40:38,530 --> 00:40:34,910

there are four aliens when there were

892

00:40:40,740 --> 00:40:38,540

only three allegedly yeah but there's

893

00:40:43,780 --> 00:40:40,750

only him that's seen the aliens and the

894

00:40:47,260 --> 00:40:43,790

bubbles the first time that he remembers

895

00:40:49,510 --> 00:40:47,270

our talks about those aliens was in a

896

00:40:51,820 --> 00:40:49,520

hypnosis session that it did with a guy

897

00:40:52,510 --> 00:40:51,830

called fred max which he admitted to

898

00:40:54,460 --> 00:40:52,520

faking

899

00:40:58,270 --> 00:40:54,470

and if you read you can't tell the

900

00:41:00,760 --> 00:40:58,280

people by Georgina Brunei you will see

901
00:41:02,680 --> 00:41:00,770
that in there he says that he admitted

902
00:41:04,240 --> 00:41:02,690
to me he admitted to faking it and

903
00:41:06,460 --> 00:41:04,250
that's the first time he ever mentions

904
00:41:08,860 --> 00:41:06,470
aliens I think that's really important

905
00:41:12,210 --> 00:41:08,870
you know eat the first time he talks

906
00:41:14,530 --> 00:41:12,220
about aliens is in effect hypnosis yeah

907
00:41:16,720 --> 00:41:14,540
well they did make a statement he's

908
00:41:18,940 --> 00:41:16,730
never mentioned aliens but aliens I

909
00:41:21,460 --> 00:41:18,950
mention quite a few times in left escape

910
00:41:23,860 --> 00:41:21,470
actual fact yeah I know cuz he's done

911
00:41:28,450 --> 00:41:23,870
this polygraph test doesn't he to prove

912
00:41:31,120 --> 00:41:28,460
himself the liar of well the liar of his

913
00:41:32,890 --> 00:41:31,130

life which is a bit open to question as

914

00:41:34,990 --> 00:41:32,900

we found as well well this is that

915

00:41:39,220 --> 00:41:35,000

because you did some research into the

916

00:41:43,930 --> 00:41:39,230

people who conduct said that polygraph

917

00:41:48,810 --> 00:41:43,940

tin yeah yeah patty music ro and Barry

918

00:41:51,160 --> 00:41:48,820

tests it was that there was actually

919

00:41:53,920 --> 00:41:51,170

there was actually a fraud report put

920

00:41:57,510 --> 00:41:53,930

out against that particular person and

921

00:42:01,160 --> 00:41:57,520

and the company and I do believe that

922

00:42:03,470 --> 00:42:01,170

when trying to form the I little more

923

00:42:05,269 --> 00:42:03,480

yes patty music Caro offers cut-price

924

00:42:07,609 --> 00:42:05,279

law detector test there will always be

925

00:42:09,819 --> 00:42:07,619

other examiner's to get work this is a

926
00:42:15,109 --> 00:42:09,829
concern as you get what you pay in life

927
00:42:17,000 --> 00:42:15,119
and it says in this report it says she

928
00:42:18,890 --> 00:42:17,010
falsely claims her experience for police

929
00:42:21,349 --> 00:42:18,900
and security forces in the USA

930
00:42:23,089 --> 00:42:21,359
we know this he fabricated lies all of

931
00:42:25,279 --> 00:42:23,099
the organization she is claimed to work

932
00:42:27,400 --> 00:42:25,289
for have their own examiners in claim to

933
00:42:30,650 --> 00:42:27,410
know nothing about petty music or rope

934
00:42:32,329 --> 00:42:30,660
and it says further it says to examine

935
00:42:37,519 --> 00:42:32,339
carefully and not one whose background

936
00:42:39,740 --> 00:42:37,529
is based on lies and fraud so that's the

937
00:42:43,339 --> 00:42:39,750
that's the expert are used in the film

938
00:42:46,160 --> 00:42:43,349

is quite funny because and say and they

939

00:42:49,910 --> 00:42:46,170

actually call her UK's leading polygraph

940

00:42:51,980 --> 00:42:49,920

examiner which is not true no because

941

00:42:52,640 --> 00:42:51,990

it's not mommy anyway if you do a search

942

00:42:55,279 --> 00:42:52,650

on it now

943

00:42:57,710 --> 00:42:55,289

look I looked into the actual accounts

944

00:43:00,620 --> 00:42:57,720

for the for the company their total

945

00:43:03,859 --> 00:43:00,630

liabilities were four point three K

946

00:43:06,769 --> 00:43:03,869

fruit three eight K the total s sorry

947

00:43:09,170 --> 00:43:06,779

you know only a debt ratio was seventy

948

00:43:12,620 --> 00:43:09,180

two point nine one percent then their

949

00:43:14,240 --> 00:43:12,630

assets were one point six three k but

950

00:43:21,710 --> 00:43:14,250

there are total liabilities were four

951
00:43:24,470 --> 00:43:21,720
four point three K so yeah I mean how

952
00:43:32,329 --> 00:43:24,480
you could be the top researcher in the

953
00:43:34,220 --> 00:43:32,339
UK and that financial because some of

954
00:43:35,990 --> 00:43:34,230
the tests I mean when you go to a proper

955
00:43:39,940 --> 00:43:36,000
person they cost like a couple of

956
00:43:43,819 --> 00:43:39,950
thousand it's not like Oh in a garage

957
00:43:45,230 --> 00:43:43,829
botched job now for people who have

958
00:43:48,049 --> 00:43:45,240
listened to all of my shows you know

959
00:43:50,569 --> 00:43:48,059
that when I spots a cows Clark who is a

960
00:43:54,099 --> 00:43:50,579
witness to the pendrick incident she

961
00:43:58,279 --> 00:43:54,109
approached Gary hustle sign with a

962
00:44:02,170 --> 00:43:58,289
Lafayette five thousand polygraph which

963
00:44:05,269 --> 00:44:02,180

she'd had to jump through hoops to get

964

00:44:07,039 --> 00:44:05,279

she took three polygraphs and she went

965

00:44:09,109 --> 00:44:07,049

to Gary Heseltine with these polygraphs

966

00:44:12,079 --> 00:44:09,119

and he rejected them and told her to go

967

00:44:14,359 --> 00:44:12,089

to party at Veritas he would have

968

00:44:15,109 --> 00:44:14,369

accepted that but not the one that she

969

00:44:19,609 --> 00:44:15,119

paid for

970

00:44:23,059 --> 00:44:19,619

to far from the actual top polygraph

971

00:44:25,579 --> 00:44:23,069

test in this country now what I have to

972

00:44:30,559 --> 00:44:25,589

say here as well is that they don't

973

00:44:32,539 --> 00:44:30,569

detect lies they detect dress so you

974

00:44:34,849 --> 00:44:32,549

know you can actually put yourself in a

975

00:44:36,980 --> 00:44:34,859

place where you're not stressed

976

00:44:39,650 --> 00:44:36,990

I mean I've learnt how to do it through

977

00:44:42,589 --> 00:44:39,660

all of this you know because as you know

978

00:44:45,230 --> 00:44:42,599

yourself when you've been attacked by

979

00:44:47,749 --> 00:44:45,240

endless people it becomes very stressful

980

00:44:49,579 --> 00:44:47,759

my blood pressure went up collapse a

981

00:44:50,930 --> 00:44:49,589

couple of times ended up in hospital it

982

00:44:58,329 --> 00:44:50,940

was all a good joke for them they

983

00:45:03,920 --> 00:44:58,339

thought that was hilarious so it's like

984

00:45:05,749 --> 00:45:03,930

she's been out a few times okay I have

985

00:45:07,660 --> 00:45:05,759

to not care about these people I have to

986

00:45:10,489 --> 00:45:07,670

not care about them saying these things

987

00:45:14,960 --> 00:45:10,499

otherwise I'm gonna get parley you know

988

00:45:17,539 --> 00:45:14,970

and I've learned how to kind of not let

989

00:45:19,069 --> 00:45:17,549

it inside if you know what I mean so if

990

00:45:22,069 --> 00:45:19,079

I can get to that state when I'm being

991

00:45:24,140 --> 00:45:22,079

like bashed about by God knows how many

992

00:45:25,880 --> 00:45:24,150

people who was telling everybody that

993

00:45:29,509 --> 00:45:25,890

I'm mentally ill and that I'm a drug

994

00:45:33,680 --> 00:45:29,519

addict who abuses her children and lives

995

00:45:36,589 --> 00:45:33,690

in filth and he's a Larry Warren fanatic

996

00:45:39,049 --> 00:45:36,599

and I'm just a fatal attraction is just

997

00:45:42,049 --> 00:45:39,059

a fatal attraction and all of that stuff

998

00:45:44,479 --> 00:45:42,059

that they said all of them they wanted

999

00:45:46,549 --> 00:45:44,489

me to be so a malfunctioning that I

1000

00:45:48,319 --> 00:45:46,559

couldn't speak and wouldn't speak and

1001
00:45:50,329 --> 00:45:48,329
[h__\h] was chased off the scene that's

1002
00:45:50,930 --> 00:45:50,339
what they tried to do Gary Heseltine did

1003
00:45:53,450 --> 00:45:50,940
that as well

1004
00:45:55,460 --> 00:45:53,460
Gary Heseltine calling me saying it's a

1005
00:45:57,940 --> 00:45:55,470
fatal attraction thing I'm just a body

1006
00:46:00,499 --> 00:45:57,950
boiler basically is what it's saying

1007
00:46:02,210 --> 00:46:00,509
when I'll jump in here I'll beam up into

1008
00:46:03,890 --> 00:46:02,220
your house I'll see now they'll use up

1009
00:46:06,410 --> 00:46:03,900
the kids and they're well they're treat

1010
00:46:08,779 --> 00:46:06,420
there must say love you and and how I

1011
00:46:12,440 --> 00:46:08,789
mean Dave spends all this time but you

1012
00:46:14,029 --> 00:46:12,450
both do you dote on those cats and for

1013
00:46:15,670 --> 00:46:14,039

them to be saying stuff like that I

1014

00:46:20,029 --> 00:46:15,680

think he's absolutely disgusting I

1015

00:46:22,309 --> 00:46:20,039

really do I mean I really makes my blood

1016

00:46:24,470 --> 00:46:22,319

ball hit her when I when actually saw

1017

00:46:26,539 --> 00:46:24,480

what what they were saying

1018

00:46:29,620 --> 00:46:26,549

and and what I actually saw for myself

1019

00:46:32,210 --> 00:46:29,630

you know and they just completely

1020

00:46:33,680 --> 00:46:32,220

well you know it's uh it wasn't

1021

00:46:36,740 --> 00:46:33,690

explosives to me about I mean I just

1022

00:46:39,530 --> 00:46:36,750

received the men men a bit but you know

1023

00:46:41,390 --> 00:46:39,540

like I can't do everything because of

1024

00:46:43,640 --> 00:46:41,400

the physical problems that I've got you

1025

00:46:45,950 --> 00:46:43,650

know meaning so Dave does pick up the

1026

00:46:47,720 --> 00:46:45,960

slack a lot and he does a lot with the

1027

00:46:49,250 --> 00:46:47,730

kids you know we got together and there

1028

00:46:52,280 --> 00:46:49,260

was no parties he never thought he'd be

1029

00:46:55,340 --> 00:46:52,290

a dad so you know he done some poppy and

1030

00:46:57,710 --> 00:46:55,350

um you know my son as well and they and

1031

00:47:01,370 --> 00:46:57,720

they go out on the do a lot he's

1032

00:47:03,020 --> 00:47:01,380

brilliant he's a brilliant dad I've seen

1033

00:47:04,760 --> 00:47:03,030

the post he's always he's always doing

1034

00:47:07,160 --> 00:47:04,770

something they're taking her out and

1035

00:47:07,820 --> 00:47:07,170

about and you can see she's a happy

1036

00:47:13,820 --> 00:47:07,830

little kid

1037

00:47:16,880 --> 00:47:13,830

she's you soon know if anyone was being

1038

00:47:18,710 --> 00:47:16,890

abused yeah yeah well this is an

1039

00:47:23,270 --> 00:47:18,720

interesting thing that you say as well

1040

00:47:26,660 --> 00:47:23,280

because you know when he was living here

1041

00:47:28,370 --> 00:47:26,670

I didn't know this but he was watching

1042

00:47:30,410 --> 00:47:28,380

porn in the living room with my daughter

1043

00:47:32,150 --> 00:47:30,420

in the living room and she was so

1044

00:47:33,400 --> 00:47:32,160

freaked out by that she slept with a

1045

00:47:35,600 --> 00:47:33,410

knife under her bed

1046

00:47:38,390 --> 00:47:35,610

you know I mean I didn't know this until

1047

00:47:41,090 --> 00:47:38,400

afterwards I didn't know and about any

1048

00:47:43,600 --> 00:47:41,100

of that but so you know it's not me it

1049

00:47:46,190 --> 00:47:43,610

was the abuser it's not me it was there

1050

00:47:49,430 --> 00:47:46,200

you know making my kids feel

1051
00:47:53,240 --> 00:47:49,440
uncomfortable quite the opposite but

1052
00:47:55,730 --> 00:47:53,250
yeah so that and that is what they told

1053
00:47:59,090 --> 00:47:55,740
everybody at the conference in Scotland

1054
00:48:01,940 --> 00:47:59,100
that you know this drug addled lunatic

1055
00:48:04,850 --> 00:48:01,950
and that I actually love Laurie and I

1056
00:48:06,970 --> 00:48:04,860
moved him in here with Dave mmm and

1057
00:48:10,940 --> 00:48:06,980
that's the best offense

1058
00:48:12,530 --> 00:48:10,950
mmm I mean obviously a few of us were

1059
00:48:14,480 --> 00:48:12,540
actually taken in by that we were we'll

1060
00:48:18,080 --> 00:48:14,490
saw we thought I was telling the truth

1061
00:48:21,740 --> 00:48:18,090
eh but as I said we will know very

1062
00:48:23,390 --> 00:48:21,750
differently now most of us you know our

1063
00:48:25,270 --> 00:48:23,400

dear old Chris do you remember you

1064

00:48:29,780 --> 00:48:25,280

remember Chris who died years ago

1065

00:48:33,580 --> 00:48:29,790

almost almost of the day it was probably

1066

00:48:36,500 --> 00:48:33,590

a week or so ago he died two years ago

1067

00:48:39,050 --> 00:48:36,510

we were often talking about you and the

1068

00:48:42,020 --> 00:48:39,060

Warrens situation and then the firma

1069

00:48:42,620 --> 00:48:42,030

gone as well and quite often I used to

1070

00:48:45,799 --> 00:48:42,630

say Oh

1071

00:48:47,870 --> 00:48:45,809

no talking about you but saying that I

1072

00:48:49,579 --> 00:48:47,880

think session makes a lot of stuff up

1073

00:48:50,930 --> 00:48:49,589

you know I'm studying it now because I

1074

00:48:52,009 --> 00:48:50,940

told you I've said though I'm not saying

1075

00:48:54,170 --> 00:48:52,019

anything different though I haven't said

1076

00:48:56,480 --> 00:48:54,180

before and Chris used to sell she's

1077

00:48:58,759 --> 00:48:56,490

alright and everything and then he you

1078

00:49:00,970 --> 00:48:58,769

know then he sort of I don't know it

1079

00:49:03,980 --> 00:49:00,980

tries to swing me around and I'll say yo

1080

00:49:05,299 --> 00:49:03,990

warrants you know I thought go along

1081

00:49:09,319 --> 00:49:05,309

with the warran story and everything

1082

00:49:12,230 --> 00:49:09,329

anyway and when Chris died at that time

1083

00:49:14,960 --> 00:49:12,240

and we had that barbecue at the at the

1084

00:49:16,490 --> 00:49:14,970

east gate in in his memory base in his

1085

00:49:18,890 --> 00:49:16,500

honor because that was his favorite

1086

00:49:23,180 --> 00:49:18,900

place and then we started getting all

1087

00:49:26,140 --> 00:49:23,190

those awful comments from war about we

1088

00:49:30,349 --> 00:49:26,150

were insulted his brothers everything

1089

00:49:32,390 --> 00:49:30,359

yeah he come back and I sort of fired

1090

00:49:34,430 --> 00:49:32,400

back I said well he's got absolutely

1091

00:49:36,380 --> 00:49:34,440

nothing I thought to do with you we were

1092

00:49:38,029 --> 00:49:36,390

doing this for him because it was his

1093

00:49:40,069 --> 00:49:38,039

favorite place he's got nothing at all

1094

00:49:43,039 --> 00:49:40,079

to do we you you don't own he's gained

1095

00:49:44,390 --> 00:49:43,049

as as a place you know but he was

1096

00:49:46,819 --> 00:49:44,400

totally calling all the people together

1097

00:49:48,140 --> 00:49:46,829

there lot of scam and he's holding these

1098

00:49:51,589 --> 00:49:48,150

brothers and God knows what else and

1099

00:49:53,900 --> 00:49:51,599

that is when I basically went to what

1100

00:49:56,690 --> 00:49:53,910

was I won't say we went to war with it

1101
00:49:59,779 --> 00:49:56,700
but that's when I really want you to get

1102
00:50:02,120 --> 00:49:59,789
involved and join you and we started

1103
00:50:04,370 --> 00:50:02,130
talking more about everything didn't we

1104
00:50:07,160 --> 00:50:04,380
and you started showing me more stuff

1105
00:50:08,779 --> 00:50:07,170
and it was then I started realizing that

1106
00:50:11,809 --> 00:50:08,789
what you were saying was actually true

1107
00:50:13,940 --> 00:50:11,819
you know I know and I know you now I

1108
00:50:16,460 --> 00:50:13,950
don't think you could lie if you wanted

1109
00:50:18,079 --> 00:50:16,470
to right the way I know you now and also

1110
00:50:19,130 --> 00:50:18,089
debt so anyone out there who's listening

1111
00:50:22,940 --> 00:50:19,140
who doesn't know setia

1112
00:50:23,539 --> 00:50:22,950
I would trust her anything she says I

1113
00:50:25,880 --> 00:50:23,549

would trust

1114

00:50:34,309 --> 00:50:25,890

yeah I mean we're not gonna be seen I

1115

00:50:36,650 --> 00:50:34,319

thought I owned absolutely but on this

1116

00:50:39,950 --> 00:50:36,660

particular day I know that she believes

1117

00:50:42,349 --> 00:50:39,960

exactly what she says and she doesn't

1118

00:50:43,880 --> 00:50:42,359

she wouldn't allow a [h__h] about anything

1119

00:50:45,829 --> 00:50:43,890

so he's I wouldn't I mean I don't see

1120

00:50:47,089 --> 00:50:45,839

the point in yeah you know because

1121

00:50:50,839 --> 00:50:47,099

because he's gonna come back and bite

1122

00:50:53,390 --> 00:50:50,849

you in the bum at some point you know

1123

00:50:56,890 --> 00:50:53,400

and also we've got no careers to look

1124

00:50:59,210 --> 00:50:56,900

after these people

1125

00:51:02,089 --> 00:50:59,220

they're feathery in their own nest in

1126

00:51:04,609 --> 00:51:02,099

this story with the story all we're

1127

00:51:06,500 --> 00:51:04,619

doing is trying to that's especially

1128

00:51:10,430 --> 00:51:06,510

Sasha he's just trying to expose the

1129

00:51:13,040 --> 00:51:10,440

lies that simple yeah because you know

1130

00:51:14,359 --> 00:51:13,050

like I said before I don't like I'm not

1131

00:51:15,830 --> 00:51:14,369

gonna I don't like because I don't want

1132

00:51:17,450 --> 00:51:15,840

to carry lies in me and I'm certainly

1133

00:51:18,890 --> 00:51:17,460

not going to carry anybody else's and I

1134

00:51:20,109 --> 00:51:18,900

think he thought that I won't I think

1135

00:51:22,430 --> 00:51:20,119

your missionary when he first started

1136

00:51:25,670 --> 00:51:22,440

you know it's not saying that Adrienne

1137

00:51:30,230 --> 00:51:25,680

it's adopted Adrienne story and then he

1138

00:51:31,730 --> 00:51:30,240

told me that What did he say didn't

1139

00:51:33,109 --> 00:51:31,740

happen they care for greenie somewhere

1140

00:51:35,000 --> 00:51:33,119

they didn't happen on careful greenness

1141

00:51:37,310 --> 00:51:35,010

as I got mixed up it happened at the

1142

00:51:38,720 --> 00:51:37,320

other side and I was like this is one

1143

00:51:41,960 --> 00:51:38,730

part other stuff that he was rewriting

1144

00:51:44,839 --> 00:51:41,970

when somebody was interested in making a

1145

00:51:47,030 --> 00:51:44,849

film and then he also said that he got

1146

00:51:50,359 --> 00:51:47,040

the memo out and he got the tape out the

1147

00:51:52,450 --> 00:51:50,369

Hult saying yes to my face in my own

1148

00:51:54,920 --> 00:51:52,460

Herman and I'm saying to Dave

1149

00:51:56,330 --> 00:51:54,930

he's completely changing everything now

1150

00:51:57,980 --> 00:51:56,340

that these films come about he's gonna

1151
00:51:58,370 --> 00:51:57,990
be the Larry Warren show if he gets his

1152
00:52:00,020 --> 00:51:58,380
way

1153
00:52:02,000 --> 00:52:00,030
Brenda was quite convinced that he was

1154
00:52:06,770 --> 00:52:02,010
going to get his own way as well you

1155
00:52:09,680 --> 00:52:06,780
know because he got all this kind of

1156
00:52:12,770 --> 00:52:09,690
support from people but you know a lot

1157
00:52:15,589 --> 00:52:12,780
of us pushed him forward into the public

1158
00:52:17,089 --> 00:52:15,599
eye I don't even know how many radio

1159
00:52:22,130 --> 00:52:17,099
shows when he was doing nothing I

1160
00:52:24,680 --> 00:52:22,140
remember lko on phenomenon magazine or

1161
00:52:29,089 --> 00:52:24,690
Katy PF maybe I'm not sure which one

1162
00:52:30,770 --> 00:52:29,099
Katy PF I think it was on the

1163
00:52:33,380 --> 00:52:30,780

anniversary of it he was at our house

1164

00:52:35,930 --> 00:52:33,390

and not doing any radio shows nobody had

1165

00:52:37,250 --> 00:52:35,940

wanted to talk to him and Steve Mira

1166

00:52:38,900 --> 00:52:37,260

said something that says what the bloody

1167

00:52:41,980 --> 00:52:38,910

hell does Steve Mira now about Larry

1168

00:52:44,270 --> 00:52:41,990

Warren's life and so he ended up like

1169

00:52:47,599 --> 00:52:44,280

talking to him talking to them on this

1170

00:52:50,930 --> 00:52:47,609

on their show because you know and that

1171

00:52:53,120 --> 00:52:50,940

pushed him forward loads when that time

1172

00:52:56,210 --> 00:52:53,130

when Colonel Holt well on the Jimmy

1173

00:52:58,240 --> 00:52:56,220

Church sure seen Larry Warren was a drug

1174

00:53:01,370 --> 00:52:58,250

addict and we had it on good authority

1175

00:53:03,079 --> 00:53:01,380

so I told Larry this and then I ended up

1176
00:53:05,270 --> 00:53:03,089
getting him on the Germont Aldo show

1177
00:53:10,029 --> 00:53:05,280
where I called Chuck

1178
00:53:14,630 --> 00:53:12,589
laughed in his face basically about what

1179
00:53:18,289 --> 00:53:14,640
a ridiculous money is and all the rest

1180
00:53:22,579 --> 00:53:18,299
of it which you know I've apologized for

1181
00:53:27,109 --> 00:53:22,589
it's okay all in good humor but you know

1182
00:53:29,720 --> 00:53:27,119
if that was me I did that it's amazing

1183
00:53:31,910 --> 00:53:29,730
well Chuck no Chuck I say Chuck knows he

1184
00:53:33,799 --> 00:53:31,920
understands why people were taking him

1185
00:53:36,440 --> 00:53:33,809
by war and he's you know he he knows

1186
00:53:39,760 --> 00:53:36,450
he's extended in front of you it tells

1187
00:53:43,099 --> 00:53:39,770
you a good story it takes people in a

1188
00:53:45,470 --> 00:53:43,109

very friendly and joking and very

1189

00:53:46,880 --> 00:53:45,480

convincing in these stories but it's

1190

00:53:49,279 --> 00:53:46,890

actually when you actually get to know a

1191

00:53:52,450 --> 00:53:49,289

little bit about Oren you get to you

1192

00:53:55,700 --> 00:53:52,460

know and you actually need to actually

1193

00:53:59,410 --> 00:53:55,710

know I'm not doing well when you were

1194

00:54:04,250 --> 00:53:59,420

nowhere near the way you knew him but I

1195

00:54:06,589 --> 00:54:04,260

just I just know but you do get a little

1196

00:54:09,500 --> 00:54:06,599

bit of knowledge about him and how

1197

00:54:12,470 --> 00:54:09,510

anyone such as Gary has a time and these

1198

00:54:14,779 --> 00:54:12,480

other friends can actually sit there and

1199

00:54:17,000 --> 00:54:14,789

take it there all I can say is they're

1200

00:54:19,819 --> 00:54:17,010

complete idiots or they're after

1201
00:54:21,170 --> 00:54:19,829
something else well I think with some of

1202
00:54:24,410 --> 00:54:21,180
them it's all that kind of bros before

1203
00:54:27,049 --> 00:54:24,420
hos mentality because Tina mogera

1204
00:54:29,720 --> 00:54:27,059
done this show with him this interview

1205
00:54:31,549 --> 00:54:29,730
where he asks Larry all of these

1206
00:54:33,230 --> 00:54:31,559
questions that we wanted to ask him

1207
00:54:35,210 --> 00:54:33,240
apart from the John Lennon one apart

1208
00:54:38,510 --> 00:54:35,220
from the Hells Angels things you know

1209
00:54:40,400 --> 00:54:38,520
heat he did ask him all the right

1210
00:54:43,370 --> 00:54:40,410
questions and he asked him about

1211
00:54:46,069 --> 00:54:43,380
Metallica now we know Michael allaha

1212
00:54:50,180 --> 00:54:46,079
sign Metallica a film was made about the

1213
00:54:52,039 --> 00:54:50,190

guy we know how all that happened so

1214

00:54:54,019 --> 00:54:52,049

we've called him out for saying him and

1215

00:54:56,870 --> 00:54:54,029

his friend Richard got half a million

1216

00:54:59,750 --> 00:54:56,880

each so on this show when Tina asks him

1217

00:55:03,039 --> 00:54:59,760

about this question he goes oh what

1218

00:55:06,440 --> 00:55:03,049

these people do what I actually said was

1219

00:55:08,779 --> 00:55:06,450

my friend Richard got paid a million and

1220

00:55:12,950 --> 00:55:08,789

I should have got half of it because I

1221

00:55:14,359 --> 00:55:12,960

introduced them to him best or what but

1222

00:55:15,589 --> 00:55:14,369

it's obviously not what he said though

1223

00:55:16,250 --> 00:55:15,599

is it because we've got the audience

1224

00:55:20,120 --> 00:55:16,260

okay

1225

00:55:22,760 --> 00:55:20,130

but the point is is that that's still a

1226

00:55:23,450 --> 00:55:22,770

lot of crap and we already know and has

1227

00:55:26,180 --> 00:55:23,460

been said him

1228

00:55:30,460 --> 00:55:26,190

public and proven in public michael--ah

1229

00:55:33,130 --> 00:55:30,470

lago is the guy who sang metallica

1230

00:55:38,540 --> 00:55:33,140

discovered them sign them you know

1231

00:55:39,230 --> 00:55:38,550

whatever he's the guy so it's just

1232

00:55:42,110 --> 00:55:39,240

ludicrous

1233

00:55:45,610 --> 00:55:42,120

that is told one lie I told a different

1234

00:55:48,560 --> 00:55:45,620

lie but around the same kind of story

1235

00:55:50,540 --> 00:55:48,570

when the truth is and and he no didn't

1236

00:55:53,030 --> 00:55:50,550

do anything he didn't say well who's

1237

00:55:55,610 --> 00:55:53,040

Michael a lager then and how does he fit

1238

00:55:59,990 --> 00:55:55,620

into this it just went okay next

1239

00:56:02,480 --> 00:56:00,000

question you know like that's it you

1240

00:56:05,360 --> 00:56:02,490

know it was almost pointless doing that

1241

00:56:07,010 --> 00:56:05,370

show it's like okay there it's not the

1242

00:56:13,070 --> 00:56:07,020

Beach Boys but the Dennis Wilson thing

1243

00:56:13,790 --> 00:56:13,080

isn't it in being six foot is that your

1244

00:56:17,030 --> 00:56:13,800

father

1245

00:56:17,630 --> 00:56:17,040

Oh what these people you see what they

1246

00:56:20,510 --> 00:56:17,640

do

1247

00:56:23,930 --> 00:56:20,520

I was there because I knew him you know

1248

00:56:30,950 --> 00:56:23,940

I was there I know it looks like well I

1249

00:56:33,700 --> 00:56:30,960

think probably not actually so I'm

1250

00:56:37,280 --> 00:56:33,710

thinking some of the otherwise he told

1251

00:56:39,380 --> 00:56:37,290

but as far as they the big thought one

1252

00:56:43,310 --> 00:56:39,390

is a good one yeah there's four

1253

00:56:46,400 --> 00:56:43,320

different versions of that the 100 where

1254

00:56:48,310 --> 00:56:46,410

he told me that for the author was an

1255

00:56:51,080 --> 00:56:48,320

area yeah it's the most fantastic

1256

00:56:53,390 --> 00:56:51,090

Bigfoot sorry never when he gets he gets

1257

00:56:55,190 --> 00:56:53,400

it with book waste seeds look Bigfoot

1258

00:56:59,900 --> 00:56:55,200

and I solder only chases after a deer

1259

00:57:01,940 --> 00:56:59,910

and rips it apart it's not even got his

1260

00:57:04,850 --> 00:57:01,950

feet on the floor and it's really in it

1261

00:57:06,650 --> 00:57:04,860

like Phil 30 40 50 miles an hour

1262

00:57:10,010 --> 00:57:06,660

whichever version you listening reading

1263

00:57:12,470 --> 00:57:10,020

and it he's like it catches the deer it

1264

00:57:18,350 --> 00:57:12,480

breaks its back and takes a bite out of

1265

00:57:19,940 --> 00:57:18,360

it all in midair I presume yeah I've got

1266

00:57:24,410 --> 00:57:19,950

that recorded on my YouTube in it they

1267

00:57:28,100 --> 00:57:24,420

fancy put it under comedy I didn't do

1268

00:57:31,730 --> 00:57:28,110

that they could hear but well I've heard

1269

00:57:34,490 --> 00:57:31,740

is and I can't give you my sauce is that

1270

00:57:35,920 --> 00:57:34,500

actually it was his mom who had a

1271

00:57:38,319 --> 00:57:35,930

Bigfoot so um

1272

00:57:40,299 --> 00:57:38,329

well this is the guy I think I know you

1273

00:57:42,970 --> 00:57:40,309

source who says that you can remember

1274

00:57:47,170 --> 00:57:42,980

when JFK got shot and he was 2 years old

1275

00:57:50,970 --> 00:57:47,180

oh yeah yes losing his hair and his mom

1276
00:57:53,440 --> 00:57:50,980
stomped on all the presence in her shock

1277
00:57:56,470 --> 00:57:53,450
walking sua's the TV II don't remember

1278
00:58:00,130 --> 00:57:56,480
that well he's probably not near 61

1279
00:58:12,670 --> 00:58:00,140
I mean when was Kennedy 63 over 63 so

1280
00:58:15,549 --> 00:58:12,680
it'd have been just under 2 oh no you

1281
00:58:18,970 --> 00:58:15,559
just don't know where to go next with

1282
00:58:21,160 --> 00:58:18,980
you well so either we have established

1283
00:58:22,839 --> 00:58:21,170
that is alike but Gary Heseltine says

1284
00:58:27,609 --> 00:58:22,849
there's no proof that he's lying and

1285
00:58:30,039 --> 00:58:27,619
then puts our which is absolutely so

1286
00:58:31,900 --> 00:58:30,049
makes copies well this is it because he

1287
00:58:34,990 --> 00:58:31,910
sees an ex transplant police by the way

1288
00:58:38,260 --> 00:58:35,000

people but he he used to tell people

1289

00:58:44,680 --> 00:58:38,270

that he was CID that Stefan something

1290

00:58:46,870 --> 00:58:44,690

with CID and he also said that he had

1291

00:58:49,690 --> 00:58:46,880

this post up I'm gonna just quickly find

1292

00:58:58,079 --> 00:58:49,700

it because I want to read it because he

1293

00:59:05,079 --> 00:59:00,370

is it the response to neat Pope's

1294

00:59:08,529 --> 00:59:05,089

comments well he says that no no no it

1295

00:59:11,769 --> 00:59:08,539

was the a10 photo that all right now I

1296

00:59:12,970 --> 00:59:11,779

put out some images and said that

1297

00:59:15,329 --> 00:59:12,980

there's something wrong with all this

1298

00:59:17,680 --> 00:59:15,339

blah blah blah been a million germs

1299

00:59:20,079 --> 00:59:17,690

discovered a reflection in one of them

1300

00:59:23,349 --> 00:59:20,089

and they tries to say that it was me or

1301
00:59:26,109 --> 00:59:23,359
Nick Pope but their needs said that this

1302
00:59:27,700 --> 00:59:26,119
was the inner - yeah with the yeah they

1303
00:59:30,549 --> 00:59:27,710
said that we're looking for a man in

1304
00:59:33,789 --> 00:59:30,559
with shark grey hair glasses a pointy

1305
00:59:36,099 --> 00:59:33,799
nose and chain on his wrist and tattoos

1306
00:59:37,839 --> 00:59:36,109
okay so you just described Larry Warren

1307
00:59:40,539 --> 00:59:37,849
but you know obviously and the

1308
00:59:43,450 --> 00:59:40,549
reflection of the camera what mother was

1309
00:59:46,539 --> 00:59:43,460
was it an altar or something they can't

1310
00:59:47,829 --> 00:59:46,549
call no nickel yeah so then they're

1311
00:59:49,750 --> 00:59:47,839
going on about this photo

1312
00:59:51,130 --> 00:59:49,760
I spoke to Barry Greenwood

1313
00:59:53,490 --> 00:59:51,140

was who the person that I got these

1314

00:59:57,640 --> 00:59:53,500

photos from and he wrote clear intent in

1315

01:00:01,150 --> 00:59:57,650

1983 with Larry Fossett they interviewed

1316

01:00:04,599 --> 01:00:01,160

Larry Warren and dismissed him as you

1317

01:00:07,090 --> 01:00:04,609

know he admitted that he lied basically

1318

01:00:07,950 --> 01:00:07,100

so they didn't want anything to do with

1319

01:00:12,940 --> 01:00:07,960

him

1320

01:00:15,190 --> 01:00:12,950

so the 810 photo so the Larry produces

1321

01:00:17,859 --> 01:00:15,200

this photograph because I've got this

1322

01:00:20,200 --> 01:00:17,869

picture and there's no UFO above it now

1323

01:00:21,940 --> 01:00:20,210

in the eighth and the photo that Larry's

1324

01:00:25,630 --> 01:00:21,950

peddling he's got the little UFO above

1325

01:00:27,010 --> 01:00:25,640

it isn't it yeah so that's the one that

1326
01:00:31,540 --> 01:00:27,020
was putting out there for somebody to

1327
01:00:33,130 --> 01:00:31,550
find the UFO wasn't the original copy

1328
01:00:35,320 --> 01:00:33,140
has got square edges but then he

1329
01:00:38,230 --> 01:00:35,330
produces this copy and it's got rounded

1330
01:00:40,060 --> 01:00:38,240
edges and it produces oh I found it in

1331
01:00:43,120 --> 01:00:40,070
the box of stuff at his ex-wife's house

1332
01:00:45,550 --> 01:00:43,130
and then obviously even the original

1333
01:00:47,380 --> 01:00:45,560
photograph his color and the picture

1334
01:00:47,980 --> 01:00:47,390
that he's peddling around it was black

1335
01:00:52,450 --> 01:00:47,990
and white

1336
01:00:55,210 --> 01:00:52,460
so Gary had to concede and he said have

1337
01:00:57,940 --> 01:00:55,220
you ever told a lie perhaps a white lie

1338
01:01:00,520 --> 01:00:57,950

I doubt that any adult alive who was

1339

01:01:02,920 --> 01:01:00,530

never told to lie in their life the

1340

01:01:04,780 --> 01:01:02,930

question is why did you lie and is the

1341

01:01:06,790 --> 01:01:04,790

former police special a specialist

1342

01:01:09,810 --> 01:01:06,800

police interviewer believe me there are

1343

01:01:13,960 --> 01:01:09,820

many genuine reasons why some people lie

1344

01:01:15,880 --> 01:01:13,970

at times I wonder how many UFO

1345

01:01:17,620 --> 01:01:15,890

enthusiasts have been left up for their

1346

01:01:19,230 --> 01:01:17,630

beliefs and have chosen to say nothing

1347

01:01:21,550 --> 01:01:19,240

or lie about their interest

1348

01:01:23,500 --> 01:01:21,560

unfortunately in life things are not

1349

01:01:25,390 --> 01:01:23,510

always black and white they are filled

1350

01:01:26,500 --> 01:01:25,400

with gray well how ironic when we're

1351
01:01:28,660 --> 01:01:26,510
talking about a black and white

1352
01:01:30,760 --> 01:01:28,670
photograph that should be in color so he

1353
01:01:32,770 --> 01:01:30,770
does know that he's lied he's saying now

1354
01:01:34,060 --> 01:01:32,780
there's no evidence of any lies apart

1355
01:01:37,900 --> 01:01:34,070
from all of the evidence that I've

1356
01:01:39,730 --> 01:01:37,910
provided no of course yeah this room is

1357
01:01:41,680 --> 01:01:39,740
awesome sure I've just had you found a

1358
01:01:44,470 --> 01:01:41,690
latent picture and it was a there's a

1359
01:01:46,330 --> 01:01:44,480
comment here from Jim Weber Zane it says

1360
01:01:48,790 --> 01:01:46,340
someone with Photoshop could really

1361
01:01:51,760 --> 01:01:48,800
enhance that there's that picture and

1362
01:01:53,500 --> 01:01:51,770
paint French best I can do he said he's

1363
01:01:55,660 --> 01:01:53,510

the one that sent it looks like he's the

1364

01:01:57,340 --> 01:01:55,670

one that enhanced their picture and then

1365

01:01:58,840 --> 01:01:57,350

bent Benham Lynn Jones comes along he

1366

01:02:01,090 --> 01:01:58,850

says thanks for doing that and French

1367

01:02:03,099 --> 01:02:01,100

yes something very papal about the image

1368

01:02:05,589 --> 01:02:03,109

and this was in January

1369

01:02:08,950 --> 01:02:05,599

January 15 well you know that must have

1370

01:02:12,339 --> 01:02:08,960

been quite sure what year it was to be

1371

01:02:14,499 --> 01:02:12,349

in there at 2015 and French been Amy

1372

01:02:16,539 --> 01:02:14,509

Jones it does look like Pope and the

1373

01:02:21,370 --> 01:02:16,549

same point you nose and glasses but it's

1374

01:02:22,809 --> 01:02:21,380

nothing like you can see a little thingy

1375

01:02:28,660 --> 01:02:22,819

over and I probably put the glasses out

1376

01:02:29,799 --> 01:02:28,670

on a foot um on his face but you know

1377

01:02:32,819 --> 01:02:29,809

they were trying to say it was me they

1378

01:02:35,440 --> 01:02:32,829

have definitive proof that I'd I'd

1379

01:02:39,460 --> 01:02:35,450

tampered with this picture I have

1380

01:02:41,349 --> 01:02:39,470

definitive proof it was me and accuse me

1381

01:02:43,960 --> 01:02:41,359

of tampering with his military records

1382

01:02:46,509 --> 01:02:43,970

and he accused Peter of tampering with

1383

01:02:47,979 --> 01:02:46,519

his military record yeah I mean that the

1384

01:02:49,150 --> 01:02:47,989

big thing is there that he says that

1385

01:02:53,109 --> 01:02:49,160

they had been tampered with

1386

01:02:55,809 --> 01:02:53,119

exactly yeah but when and then he said

1387

01:02:57,400 --> 01:02:55,819

that you know well I would say well show

1388

01:02:59,829 --> 01:02:57,410

us the copies that you've got now then

1389

01:03:02,200 --> 01:02:59,839

show was what you've got now and then

1390

01:03:05,259 --> 01:03:02,210

we'll sit and point out where it's been

1391

01:03:07,180 --> 01:03:05,269

changed by us and he couldn't do it and

1392

01:03:10,420 --> 01:03:07,190

then I wouldn't do it because obviously

1393

01:03:13,120 --> 01:03:10,430

they've been no difference so we were

1394

01:03:15,700 --> 01:03:13,130

quite naive at the beginning but we

1395

01:03:18,069 --> 01:03:15,710

thought well somebody could look at this

1396

01:03:19,420 --> 01:03:18,079

handwriting and to figure out that the

1397

01:03:23,950 --> 01:03:19,430

same person has written all these

1398

01:03:27,160 --> 01:03:23,960

different things and we go we set up a

1399

01:03:29,499 --> 01:03:27,170

GoFundMe didn't weigh 600 pounds because

1400

01:03:32,229 --> 01:03:29,509

we read that it was just under 600 so

1401

01:03:34,569 --> 01:03:32,239

that's you know as used of China of

1402

01:03:39,190 --> 01:03:34,579

robbery people yeah we raised them on

1403

01:03:41,109 --> 01:03:39,200

the in 10 days and I went to quite a few

1404

01:03:43,569 --> 01:03:41,119

places and they all said no we can't do

1405

01:03:44,979 --> 01:03:43,579

this we'll need the originals so we sort

1406

01:03:46,450 --> 01:03:44,989

of like put that out there we need the

1407

01:03:48,549 --> 01:03:46,460

originals come on we'll pay for it

1408

01:03:50,710 --> 01:03:48,559

put your money we'll put out everyone

1409

01:03:52,870 --> 01:03:50,720

else's money where your mouth is no

1410

01:03:54,670 --> 01:03:52,880

chance not letting it out and say well

1411

01:03:56,589 --> 01:03:54,680

what about if you choose the person that

1412

01:03:58,210 --> 01:03:56,599

is sending to you send them so we don't

1413

01:04:01,210 --> 01:03:58,220

even need to have anything to do with

1414

01:04:04,779 --> 01:04:01,220

them get it all analyzed and we'll pay

1415

01:04:07,930 --> 01:04:04,789

for it and you know surely if you are

1416

01:04:09,160 --> 01:04:07,940

not a liar then all of this is going to

1417

01:04:10,749 --> 01:04:09,170

come back great and we're going to look

1418

01:04:11,499 --> 01:04:10,759

ridiculous and we were paid to look

1419

01:04:13,200 --> 01:04:11,509

ridiculous

1420

01:04:15,609 --> 01:04:13,210

where was having none of it was they

1421

01:04:16,960 --> 01:04:15,619

yeah how many could have anything could

1422

01:04:18,640 --> 01:04:16,970

they could have only done him good could

1423

01:04:21,750 --> 01:04:18,650

you know I mean I think if it was me and

1424

01:04:25,809 --> 01:04:21,760

I wanted to prove something there you go

1425

01:04:28,540 --> 01:04:25,819

yeah so instead of doing that and he

1426

01:04:34,210 --> 01:04:28,550

went to a solicitor didn't they and he

1427

01:04:37,240 --> 01:04:34,220

he you know supposedly well he did he

1428

01:04:39,280 --> 01:04:37,250

did he went to a solicitor and he we all

1429

01:04:40,690 --> 01:04:39,290

got letters didn't we telling he says

1430

01:04:43,180 --> 01:04:40,700

stop talking about him because we were

1431

01:04:45,370 --> 01:04:43,190

ruining his memorabilia business so

1432

01:04:48,670 --> 01:04:45,380

which I replied what memorabilia

1433

01:04:51,040 --> 01:04:48,680

business we also we all phoned him up

1434

01:04:54,430 --> 01:04:51,050

anyways yeah and and I think he's boss

1435

01:04:59,230 --> 01:04:54,440

got a bit upset well I said I sent in

1436

01:04:59,680 --> 01:04:59,240

some evidence and I said you know he's

1437

01:05:02,260 --> 01:04:59,690

lying

1438

01:05:03,609 --> 01:05:02,270

and no I won't shut up because all of

1439

01:05:05,620 --> 01:05:03,619

this is a lie and he doesn't have a

1440

01:05:07,900 --> 01:05:05,630

business and I explained to him because

1441

01:05:09,640 --> 01:05:07,910

he said for the past 18 months and I

1442

01:05:13,410 --> 01:05:09,650

said now it's not 18 months it's 18

1443

01:05:15,880 --> 01:05:13,420

months since mayor pang said that the

1444

01:05:19,180 --> 01:05:15,890

sketch that is sold for ten thousand

1445

01:05:21,460 --> 01:05:19,190

pounds was not done by John Lennon

1446

01:05:23,380 --> 01:05:21,470

I said that's 18 months since then and

1447

01:05:25,510 --> 01:05:23,390

all I've done is repeat that news which

1448

01:05:30,040 --> 01:05:25,520

it was news because it was in Wales

1449

01:05:32,109 --> 01:05:30,050

online news outlet online so how could I

1450

01:05:33,819 --> 01:05:32,119

be in trouble and now can i how is it me

1451

01:05:35,410 --> 01:05:33,829

who's ruined his memorabilia business

1452

01:05:38,800 --> 01:05:35,420

when all I'm doing is repeating what

1453

01:05:42,790 --> 01:05:38,810

somebody else has said yeah yep so that

1454

01:05:44,589 --> 01:05:42,800

was but then you see Laurie says things

1455

01:05:47,520 --> 01:05:44,599

like oh they harass my solicitor and he

1456

01:05:53,140 --> 01:05:47,530

had to block him no it costs at least

1457

01:05:54,670 --> 01:05:53,150

150 pounds per letter to be read by a

1458

01:05:56,170 --> 01:05:54,680

solicitor they charge you for everything

1459

01:05:57,309 --> 01:05:56,180

they do they don't just read things in

1460

01:05:58,900 --> 01:05:57,319

Carl that's not important I'm not

1461

01:06:01,740 --> 01:05:58,910

charging no this is a charge for that

1462

01:06:05,170 --> 01:06:01,750

and he sent them out so far of us and I

1463

01:06:06,880 --> 01:06:05,180

found out that a consultation for a

1464

01:06:08,890 --> 01:06:06,890

solicitor for this kind of thing is

1465

01:06:10,329 --> 01:06:08,900

2,000 pounds just for the consultation

1466

01:06:13,329 --> 01:06:10,339

never mind

1467

01:06:16,000 --> 01:06:13,339

they letters each and then reading

1468

01:06:18,819 --> 01:06:16,010

responses from far people you talking

1469

01:06:24,150 --> 01:06:18,829

maybe even 5,000 there and he would

1470

01:06:26,740 --> 01:06:24,160

rather then take out 600 pounds and

1471

01:06:29,109 --> 01:06:26,750

maybe even you know think oh yeah

1472

01:06:30,550 --> 01:06:29,119

actually I've got some money now I can

1473

01:06:34,200 --> 01:06:30,560

pay some of my own documents

1474

01:06:36,310 --> 01:06:34,210

and prove to them that I'm not a thing

1475

01:06:39,220 --> 01:06:36,320

that would be a way to go wouldn't it

1476

01:06:41,110 --> 01:06:39,230

yeah I mean he did say that he says it

1477

01:06:44,980 --> 01:06:41,120

was a friend of his so maybe he had some

1478

01:06:46,720 --> 01:06:44,990

sort of discount you think but we do I

1479

01:06:48,730 --> 01:06:46,730

do know that when I phoned that I spoke

1480

01:06:50,770 --> 01:06:48,740

to the boss and I don't think he wasn't

1481

01:06:52,960 --> 01:06:50,780

very happy at all and whether the I

1482

01:06:56,350 --> 01:06:52,970

can't me what the name I can't remember

1483

01:06:58,180 --> 01:06:56,360

what the company was now but he wasn't

1484

01:07:01,540 --> 01:06:58,190

very happy and soon after that we were

1485

01:07:04,960 --> 01:07:01,550

all blocked because we were harassing

1486

01:07:06,640 --> 01:07:04,970

them and we were because it wasn't gonna

1487

01:07:10,210 --> 01:07:06,650

read any more of the letters that was

1488

01:07:12,400 --> 01:07:10,220

what the thing was so I'm gonna tell you

1489

01:07:20,880 --> 01:07:12,410

I don't know his name but I did write a

1490

01:07:23,680 --> 01:07:20,890

blog about Kakinada fail by Warren

1491

01:07:30,790 --> 01:07:23,690

wasn't it will only work of support that

1492

01:07:32,710 --> 01:07:30,800

I'm talking about but it but the sole

1493

01:07:42,430 --> 01:07:32,720

solicitor was actually Welsh wasn't it

1494

01:07:44,770 --> 01:07:42,440

and he was yeah yeah I mean it was all

1495

01:07:46,450 --> 01:07:44,780

collect um in our minds at the time but

1496

01:07:48,370 --> 01:07:46,460

soon as times gone on with everything

1497

01:07:55,150 --> 01:07:48,380

else going on it sort of just be

1498

01:07:56,680 --> 01:07:55,160

confused about such a big break and

1499

01:07:59,680 --> 01:07:56,690

that's just literally needed to dump it

1500

01:08:01,030 --> 01:07:59,690

all out on my head because Oh God you

1501
01:08:02,910 --> 01:08:01,040
get to a point where you just can't take

1502
01:08:05,230 --> 01:08:02,920
anymore

1503
01:08:07,510 --> 01:08:05,240
like you say well you were talking about

1504
01:08:10,390 --> 01:08:07,520
that but what they did what Warren did

1505
01:08:11,980 --> 01:08:10,400
he got the what I would what I've seen

1506
01:08:15,130 --> 01:08:11,990
just a village idiot so put them out on

1507
01:08:19,570 --> 01:08:15,140
Facebook oh man yeah I did didn't I yeah

1508
01:08:22,780 --> 01:08:19,580
and obviously Warren didn't do himself

1509
01:08:26,530 --> 01:08:22,790
why did he get bends occurs because that

1510
01:08:28,120 --> 01:08:26,540
day somebody sent me a screenshot but it

1511
01:08:32,710 --> 01:08:28,130
was so tiny I couldn't even see what was

1512
01:08:36,490 --> 01:08:32,720
written on it and I was like oh and I

1513
01:08:41,260 --> 01:08:36,500

didn't even realize that it was letters

1514

01:08:44,259 --> 01:08:41,270

to us they yeah so it so everyone else

1515

01:08:46,140 --> 01:08:44,269

could be saved a letter through the post

1516

01:08:48,609 --> 01:08:46,150

well before Ben had put them up online

1517

01:08:50,620 --> 01:08:48,619

it if Ida looked at that and if I'd have

1518

01:08:53,680 --> 01:08:50,630

been able to go to pens page I would

1519

01:08:56,229 --> 01:08:53,690

read that letter to me online before it

1520

01:09:00,099 --> 01:08:56,239

even came through the our da which is

1521

01:09:02,289 --> 01:09:00,109

also compromised his situation with his

1522

01:09:07,239 --> 01:09:02,299

solicitor because we're told him that as

1523

01:09:09,749 --> 01:09:07,249

well and and we all complain to the

1524

01:09:14,109 --> 01:09:12,819

well if in the world mean I got quite a

1525

01:09:15,789 --> 01:09:14,119

bit of support for the Suffolk police

1526

01:09:18,279 --> 01:09:15,799

but they like you say they didn't do it

1527

01:09:20,249 --> 01:09:18,289

at the end of the day I put it on record

1528

01:09:22,509 --> 01:09:20,259

and say boy if anything else happens

1529

01:09:24,430 --> 01:09:22,519

we'll take you out from there but they

1530

01:09:25,989 --> 01:09:24,440

didn't issue a lock crime number for it

1531

01:09:28,749 --> 01:09:25,999

but as far as it went

1532

01:09:31,209 --> 01:09:28,759

yeah well they kept giving me crime

1533

01:09:32,319 --> 01:09:31,219

numbers well they didn't actually they

1534

01:09:34,299 --> 01:09:32,329

gave me one crime number in the

1535

01:09:36,970 --> 01:09:34,309

beginning and then with each new threat

1536

01:09:39,209 --> 01:09:36,980

and each new different thing an incident

1537

01:09:42,009 --> 01:09:39,219

they kept putting it with the first one

1538

01:09:44,680 --> 01:09:42,019

so I was saying now it's different

1539

01:09:45,939 --> 01:09:44,690

these are different incidents and the

1540

01:09:49,499 --> 01:09:45,949

print with the first one and written it

1541

01:09:52,479 --> 01:09:49,509

off and then when Malky smithson

1542

01:09:53,529 --> 01:09:52,489

threatened mick saya threatened to shoot

1543

01:09:57,700 --> 01:09:53,539

him in the face

1544

01:10:00,279 --> 01:09:57,710

I cut his nails off family and said and

1545

01:10:04,660 --> 01:10:00,289

then if you do anything to retaliate to

1546

01:10:07,330 --> 01:10:04,670

me I'm gonna go for Christie do the same

1547

01:10:10,239 --> 01:10:07,340

and gave him my home address he gave mix

1548

01:10:13,149 --> 01:10:10,249

a a my home address to prove that he

1549

01:10:15,580 --> 01:10:13,159

knew where I lived so there were you

1550

01:10:19,600 --> 01:10:15,590

know I found there's obviously shared on

1551

01:10:21,339 --> 01:10:19,610

my son so I found the police in Bradford

1552

01:10:23,919 --> 01:10:21,349

and spoke to them because that's where

1553

01:10:25,299 --> 01:10:23,929

this idiot lives and they were quite

1554

01:10:28,450 --> 01:10:25,309

happy to go around and arrest him

1555

01:10:31,000 --> 01:10:28,460

because he's an idiot anyway and he's

1556

01:10:34,239 --> 01:10:31,010

got a farm for you know smashing

1557

01:10:36,930 --> 01:10:34,249

people's owls stone owls in the garden

1558

01:10:44,500 --> 01:10:36,940

and screaming in the face is the most

1559

01:10:51,000 --> 01:10:44,510

traffic probably online train train

1560

01:10:55,569 --> 01:10:53,680

when so I found the police and they were

1561

01:10:57,069 --> 01:10:55,579

quite happy to arrest him and they asked

1562

01:10:58,149 --> 01:10:57,079

Merseyside to come one sec a statement

1563

01:11:00,100 --> 01:10:58,159

off me

1564

01:11:02,050 --> 01:11:00,110

which they refused to do and the officer

1565

01:11:05,649 --> 01:11:02,060

came around and this is what the victim

1566

01:11:08,470 --> 01:11:05,659

blame no I consider myself to be a

1567

01:11:10,419 --> 01:11:08,480

victim but I don't you know but well

1568

01:11:12,250 --> 01:11:10,429

then I felt the same but you at the same

1569

01:11:15,939 --> 01:11:12,260

time you just wanted to play that victim

1570

01:11:16,930 --> 01:11:15,949

you know what does it get situation

1571

01:11:19,800 --> 01:11:16,940

because this is getting out of control

1572

01:11:21,760 --> 01:11:19,810

they are handing out my address and

1573

01:11:22,390 --> 01:11:21,770

saying that they're going to shoot me in

1574

01:11:24,640 --> 01:11:22,400

the face

1575

01:11:27,070 --> 01:11:24,650

Oh slow bullet behind the ear deal with

1576

01:11:28,959 --> 01:11:27,080

me NYC stylee something to do with the

1577

01:11:31,270 --> 01:11:28,969

construction sites and chains and

1578

01:11:34,060 --> 01:11:31,280

concrete you know all of these little

1579

01:11:36,970 --> 01:11:34,070

fantasies about me dying and he even put

1580

01:11:39,490 --> 01:11:36,980

a picture up of Elmer Fudd shooting this

1581

01:11:41,410 --> 01:11:39,500

woman in the face who looked like me so

1582

01:11:43,419 --> 01:11:41,420

you know when I told the police all this

1583

01:11:46,570 --> 01:11:43,429

they were going to go and arrest him but

1584

01:11:48,850 --> 01:11:46,580

then my police force didn't want to know

1585

01:11:50,200 --> 01:11:48,860

because Larry Warren's got family in the

1586

01:11:52,689 --> 01:11:50,210

police and he's hanging out with the

1587

01:11:56,910 --> 01:11:52,699

police officer a next police officer

1588

01:11:59,680 --> 01:11:56,920

so you know I got shouted out and then

1589

01:12:01,360 --> 01:11:59,690

the police officer so you want you want

1590

01:12:07,899 --> 01:12:01,370

to say at this point anyone deliver poor

1591

01:12:09,580 --> 01:12:07,909

police out there yeah so it's just that

1592

01:12:13,959 --> 01:12:09,590

it varies like alluding to police

1593

01:12:16,330 --> 01:12:13,969

corruption but the officer that I spoke

1594

01:12:18,820 --> 01:12:16,340

to and Bradford actually went round to

1595

01:12:22,689 --> 01:12:18,830

his house and said that he was stuck

1596

01:12:24,310 --> 01:12:22,699

that I told he's gone into the house mal

1597

01:12:27,459 --> 01:12:24,320

keys upstairs you could hear him running

1598

01:12:31,570 --> 01:12:27,469

around and he comes down all dressed in

1599

01:12:33,669 --> 01:12:31,580

like a shirt and suit pants and his mom

1600

01:12:35,740 --> 01:12:33,679

says what you go just like that for well

1601

01:12:36,910 --> 01:12:35,750

I'm going to car I see he actually

1602

01:12:39,970 --> 01:12:36,920

thought it was going to get arrested for

1603

01:12:41,020 --> 01:12:39,980

it so because they didn't have a

1604

01:12:42,490 --> 01:12:41,030

statement they couldn't do anything

1605

01:12:44,560 --> 01:12:42,500

about it so they just went around not a

1606

01:12:45,520 --> 01:12:44,570

word with him so she chased him around

1607

01:12:48,820 --> 01:12:45,530

the room with a rolled-up newspaper

1608

01:12:51,010 --> 01:12:48,830

smacking around the end and rich Tsuruta

1609

01:12:55,479 --> 01:12:51,020

out of the wall and phoned up from

1610

01:12:56,910 --> 01:12:55,489

Calais all their internet service which

1611

01:13:01,570 --> 01:12:56,920

didn't last long

1612

01:13:03,459 --> 01:13:01,580

it was back on again yes so he said to

1613

01:13:06,580 --> 01:13:03,469

me this guy's an idiot

1614

01:13:07,899 --> 01:13:06,590

it was about as much as a crisp and if

1615

01:13:09,840 --> 01:13:07,909

you turned up at his door

1616

01:13:12,070 --> 01:13:09,850

it's our world that fall out of his ass

1617

01:13:14,680 --> 01:13:12,080

that was the officers were

1618

01:13:29,800 --> 01:13:14,690

some friends I've got in Keithley says

1619

01:13:31,690 --> 01:13:29,810

the way we'll go kidnap him you know be

1620

01:13:39,580 --> 01:13:31,700

that person sometimes in your mind you

1621

01:13:41,230 --> 01:13:39,590

just think yes don't worry about his

1622

01:13:43,540 --> 01:13:41,240

life he's crap you can't get a

1623

01:13:45,370 --> 01:13:43,550

girlfriend he lives with his mom who

1624

01:13:52,180 --> 01:13:45,380

hates him because he's an idiot

1625

01:13:54,040 --> 01:13:52,190

oh crap in his life be so but these this

1626

01:13:55,900 --> 01:13:54,050

is the thing though because it was

1627

01:13:58,510 --> 01:13:55,910

pretty intense wasn't it all that abuse

1628

01:13:59,770 --> 01:13:58,520

oh absolutely yeah I mean different if

1629

01:14:02,440 --> 01:13:59,780

front-and-center wasn't here and the

1630

01:14:04,660 --> 01:14:02,450

last I know the one that you told me

1631

01:14:06,760 --> 01:14:04,670

about which was aimed at me was well

1632

01:14:09,100 --> 01:14:06,770

there's gonna free my wife from me and

1633

01:14:12,460 --> 01:14:09,110

come and take my property I actually

1634

01:14:14,440 --> 01:14:12,470

been put I'll just lost you because I

1635

01:14:16,090 --> 01:14:14,450

actually made a complete complaint the

1636

01:14:18,280 --> 01:14:16,100

police and I made a big post on online

1637

01:14:21,850 --> 01:14:18,290

about it and it was shortly after that

1638

01:14:26,740 --> 01:14:21,860

that Frank made his video which is yeah

1639

01:14:29,740 --> 01:14:26,750

which it you know which I mean Frank's

1640

01:14:33,190 --> 01:14:29,750

great I mean he's a rough diamond via

1641

01:14:34,660 --> 01:14:33,200

the end you know Frank and he actually

1642

01:14:35,980 --> 01:14:34,670

brought tears to my eyes some of the

1643

01:14:37,990 --> 01:14:35,990

things he said on that video

1644

01:14:43,570 --> 01:14:38,000

it was tough I mean it's hard to listen

1645

01:14:47,800 --> 01:14:43,580

to I mean Frank doesn't he just laid it

1646

01:14:50,800 --> 01:14:47,810

on the line and he said because I think

1647

01:14:53,140 --> 01:14:50,810

it followed the trip to Liverpool that I

1648

01:14:55,870 --> 01:14:53,150

made to when I was invited to the HEA

1649

01:14:59,830 --> 01:14:55,880

with Frank and you've been as well since

1650

01:15:02,800 --> 01:14:59,840

and we've sort of made up and everything

1651

01:15:08,020 --> 01:15:02,810

and I didn't warrant said that we didn't

1652

01:15:11,260 --> 01:15:08,030

go yeah he didn't go as well because he

1653

01:15:13,630 --> 01:15:11,270

wasn't in town we always said he was in

1654

01:15:16,840 --> 01:15:13,640

town yeah just arrived back in town

1655

01:15:18,730 --> 01:15:16,850

under otherwise he'd be my room but we

1656

01:15:24,610 --> 01:15:18,740

say what he did to Frank was he told him

1657

01:15:25,540 --> 01:15:24,620

about his little girl learns about his

1658

01:15:31,630 --> 01:15:25,550

little go simple

1659

01:15:34,420 --> 01:15:31,640

and women for everybody else's benefit

1660

01:15:38,260 --> 01:15:34,430

Frank Willis he is Guinness World Book

1661

01:15:42,490 --> 01:15:38,270

of Records champion for smashing 20

1662

01:15:46,450 --> 01:15:42,500

concrete slabs with one hand loose lips

1663

01:15:49,630 --> 01:15:46,460

brutal slabs concrete slabs yeah a

1664

01:15:57,070 --> 01:15:49,640

really long kind of slabs of concrete

1665

01:15:59,350 --> 01:15:57,080

and they were yeah holds the record for

1666

01:16:04,540 --> 01:15:59,360

smashing them with one hand

1667

01:16:06,850 --> 01:16:04,550

boys and girls one hand in shame because

1668

01:16:10,480 --> 01:16:06,860

he's a kung fu master with his little

1669

01:16:13,390 --> 01:16:10,490

girl anger and he also holds the world

1670

01:16:17,890 --> 01:16:13,400

record for breaking chopsticks on his

1671

01:16:20,560 --> 01:16:17,900

throat with his hand right in the palm

1672

01:16:21,310 --> 01:16:20,570

of her hand the tip of the chopsticks in

1673

01:16:22,690 --> 01:16:21,320

his throat

1674

01:16:24,880 --> 01:16:22,700

the tip of the chopsticks in the palm of

1675

01:16:29,290 --> 01:16:24,890

his hand with his other hand he is

1676
01:16:31,030 --> 01:16:29,300
smacking him and these chopsticks are

1677
01:16:34,750 --> 01:16:31,040
just flying all over the place in bits

1678
01:16:37,180 --> 01:16:34,760
right he's chili scary to watch isn't it

1679
01:16:38,830 --> 01:16:37,190
it's intense but I mean I did do kung

1680
01:16:40,450 --> 01:16:38,840
foo and I've seen this canister before

1681
01:16:44,950 --> 01:16:40,460
and I just think it's the most amazing

1682
01:16:48,580 --> 01:16:44,960
like unbelievable at achievement it

1683
01:16:51,760 --> 01:16:48,590
takes years and years and years years to

1684
01:16:54,940 --> 01:16:51,770
get like that and and he used to be a

1685
01:16:57,400 --> 01:16:54,950
soldier of fortune and he's not going to

1686
01:16:59,140 --> 01:16:57,410
mess with so you know he was in touch

1687
01:17:00,370 --> 01:16:59,150
with the Hells Angels all this time all

1688
01:17:03,310 --> 01:17:00,380

that time and he took you to the Hells

1689

01:17:05,350 --> 01:17:03,320

Angels clubhouse which is where Warren

1690

01:17:09,940 --> 01:17:05,360

said that you didn't go blah blah blah

1691

01:17:11,170 --> 01:17:09,950

then I got invited because well there

1692

01:17:15,960 --> 01:17:11,180

was all that kerfuffle Frank put

1693

01:17:18,670 --> 01:17:15,970

Warren's address up online didn't he oh

1694

01:17:20,020 --> 01:17:18,680

what a winner when I complained to the

1695

01:17:22,540 --> 01:17:20,030

police about their desperate are you

1696

01:17:26,380 --> 01:17:22,550

here to be Warren raw and sold dim that

1697

01:17:28,450 --> 01:17:26,390

I put it up that's not true yeah Frank

1698

01:17:31,240 --> 01:17:28,460

got old of his address and put it up

1699

01:17:33,180 --> 01:17:31,250

online and I said well if that goes then

1700

01:17:39,010 --> 01:17:33,190

you know that he actually lives there

1701

01:17:42,760 --> 01:17:41,020

angels thangka old of his address

1702

01:17:44,710 --> 01:17:42,770

because he'd been saying that he was

1703

01:17:47,050 --> 01:17:44,720

hells angels and that flushed his

1704

01:17:48,730 --> 01:17:47,060

patches on this youtube video with

1705

01:17:51,550 --> 01:17:48,740

Germont Aldo and Christine

1706

01:17:53,410 --> 01:17:51,560

George which I mentioned before so they

1707

01:17:55,630 --> 01:17:53,420

saw her and they went round and took him

1708

01:17:57,670 --> 01:17:55,640

off him and told him don't you ever say

1709

01:17:59,050 --> 01:17:57,680

that you are angels again because you're

1710

01:18:01,300 --> 01:17:59,060

not and it's the second time he's done

1711

01:18:04,750 --> 01:18:01,310

it second time they've partly I'm out

1712

01:18:09,070 --> 01:18:04,760

doing it he'll die for a liar I lie in

1713

01:18:10,720 --> 01:18:09,080

that month you will mm-hmm probably

1714

01:18:18,010 --> 01:18:10,730

insulting them third nurse is a Tolkien

1715

01:18:21,070 --> 01:18:18,020

after him so yeah and anyway there's

1716

01:18:22,810 --> 01:18:21,080

been this kind of spate of shows that

1717

01:18:24,820 --> 01:18:22,820

they were doing which have all kind of

1718

01:18:27,460 --> 01:18:24,830

calmed down I hope I'm very quiet as an

1719

01:18:30,370 --> 01:18:27,470

it after yeah well since that actually

1720

01:18:32,770 --> 01:18:30,380

since that um since that show which all

1721

01:18:34,510 --> 01:18:32,780

grants older and christinageorge

1722

01:18:36,940 --> 01:18:34,520

we haven't heard any more of we from all

1723

01:18:39,820 --> 01:18:36,950

really as far as radio shows it seems

1724

01:18:43,540 --> 01:18:39,830

like he's been at a gate you know just

1725

01:18:48,240 --> 01:18:43,550

shut down or something I think they told

1726

01:18:53,800 --> 01:18:51,670

but anyway it was after that that going

1727

01:18:56,350 --> 01:18:53,810

us all Tyne started doing all these

1728

01:18:57,210 --> 01:18:56,360

shows and that's when he did the journal

1729

01:19:01,600 --> 01:18:57,220

Lmax

1730

01:19:04,600 --> 01:19:01,610

interview where he refused to answer any

1731

01:19:07,480 --> 01:19:04,610

questions puts him in the chat room he

1732

01:19:11,140 --> 01:19:07,490

refused and they were all like really

1733

01:19:13,120 --> 01:19:11,150

really kind of normal questions so

1734

01:19:14,590 --> 01:19:13,130

weren't anything that's the one where he

1735

01:19:20,460 --> 01:19:14,600

looks so uncomfortable it's like he's

1736

01:19:22,690 --> 01:19:20,470

playing about me being a bunny boiler

1737

01:19:24,250 --> 01:19:22,700

and he's bouncing up and down in his

1738

01:19:26,110 --> 01:19:24,260

arms are waving everywhere and these

1739

01:19:27,970 --> 01:19:26,120

dogs jump up directly and start back in

1740

01:19:29,890 --> 01:19:27,980

the thing someone's coming in the window

1741

01:19:33,250 --> 01:19:29,900

attacking miles away and I was like oh

1742

01:19:35,980 --> 01:19:33,260

my god he's right I'm right under his

1743

01:19:39,210 --> 01:19:35,990

skin he hates me he hates me why do you

1744

01:19:41,710 --> 01:19:39,220

hate me Gary why do you hate me so much

1745

01:19:44,320 --> 01:19:41,720

but why did he know because he did this

1746

01:19:47,830 --> 01:19:44,330

he did this on purpose it's either he's

1747

01:19:52,689 --> 01:19:47,840

seen how much blog traffic I was getting

1748

01:19:54,790 --> 01:19:52,699

in or he's because he can't stand

1749

01:19:56,890 --> 01:19:54,800

women are it cat's tongue me or

1750

01:19:59,049 --> 01:19:56,900

something like that because why would he

1751

01:20:00,969 --> 01:19:59,059

even take up with him he says he's not a

1752

01:20:03,759 --> 01:20:00,979

friend of mine we're not friends in life

1753

01:20:05,109 --> 01:20:03,769

so why are you doing this and now this

1754

01:20:08,529 --> 01:20:05,119

whole film was being born

1755

01:20:12,100 --> 01:20:08,539

Capel Green has been born and it's all

1756

01:20:13,919 --> 01:20:12,110

the Larry Warren sure and he's in the

1757

01:20:16,239 --> 01:20:13,929

Vince of you 20 people who weren't there

1758

01:20:19,000 --> 01:20:16,249

and I've heard him say I think he's

1759

01:20:21,279 --> 01:20:19,010

interviewed by Grant Cameron and he's

1760

01:20:23,949 --> 01:20:21,289

saying well we have to say Larry Warren

1761

01:20:26,620 --> 01:20:23,959

out of the picture to see if gable green

1762

01:20:29,739 --> 01:20:26,630

still works and then interviews 20

1763

01:20:33,609 --> 01:20:29,749

people who were even there and as added

1764

01:20:36,000 --> 01:20:33,619

an alien so it's just lots of crap

1765

01:20:37,989 --> 01:20:36,010

before he even gets off the ground

1766

01:20:40,029 --> 01:20:37,999

well you have to question this person

1767

01:20:42,100 --> 01:20:40,039

Theon Johnson as well as good the

1768

01:20:42,850 --> 01:20:42,110

producer of this film he's been told by

1769

01:20:45,520 --> 01:20:42,860

Colonel Holt

1770

01:20:46,870 --> 01:20:45,530

but Warren's a liar and he wasn't there

1771

01:20:48,969 --> 01:20:46,880

and everything and yet he still went

1772

01:20:50,469 --> 01:20:48,979

ahead because I believe they tried to

1773

01:20:53,469 --> 01:20:50,479

get Colonel Holt involved in the first

1774

01:20:56,439 --> 01:20:53,479

place well we're in the film probably to

1775

01:21:02,729 --> 01:20:56,449

say you know to be part of it

1776

01:21:05,500 --> 01:21:02,739

of course Colonel Holt refused yeah

1777

01:21:07,029 --> 01:21:05,510

think Jim Penniston and Burroughs are

1778

01:21:09,180 --> 01:21:07,039

pretty much the same thing as well do

1779

01:21:11,739 --> 01:21:09,190

not talk about I don't know about John

1780

01:21:15,310 --> 01:21:11,749

actually I know that Jim ELLs and he's

1781

01:21:19,120 --> 01:21:15,320

been complaining about Gary using his

1782

01:21:20,439 --> 01:21:19,130

material mmm well just recently was it

1783

01:21:23,799 --> 01:21:20,449

because Gary Harris I was trying to turn

1784

01:21:28,299 --> 01:21:23,809

it into a photo four day event now well

1785

01:21:32,080 --> 01:21:28,309

actually so is John Burroughs but just

1786

01:21:34,120 --> 01:21:32,090

to digress slightly my idea of it with

1787

01:21:36,279 --> 01:21:34,130

the military testing they would have

1788

01:21:37,479 --> 01:21:36,289

need to need it to be a day for to clear

1789

01:21:40,239 --> 01:21:37,489

up all the stuff that they've been using

1790

01:21:44,919 --> 01:21:40,249

for the over the weekend so that's quite

1791

01:21:49,299 --> 01:21:44,929

likely but Larry Warren wasn't involved

1792

01:21:50,770 --> 01:21:49,309

in it no no I don't know you know what

1793

01:21:55,839 --> 01:21:50,780

this film's gonna be about it'll be

1794

01:21:58,209 --> 01:21:55,849

interesting I guess from a you know from

1795

01:21:59,949 --> 01:21:58,219

our point of view because it is now set

1796

01:22:02,709 --> 01:21:59,959

in stone isn't it he's setting me in

1797

01:22:05,500 --> 01:22:02,719

stone because based on what Laura and

1798

01:22:06,450 --> 01:22:05,510

Laura Warren's testimony and he said

1799

01:22:08,070 --> 01:22:06,460

that he's up to take

1800

01:22:09,680 --> 01:22:08,080

or an out of the picture and they're not

1801
01:22:13,440 --> 01:22:09,690
friends on Facebook anymore apparently

1802
01:22:15,800 --> 01:22:13,450
you know so yes I understand I don't

1803
01:22:19,500 --> 01:22:15,810
know what's what's going on there

1804
01:22:22,050 --> 01:22:19,510
because it's not his film it's not about

1805
01:22:23,610 --> 01:22:22,060
him anymore it's about yeah I can't have

1806
01:22:26,430 --> 01:22:23,620
these stories being stolen well not

1807
01:22:35,510 --> 01:22:26,440
stolen maybe but sort of lifted off of

1808
01:22:41,640 --> 01:22:37,709
so financially I don't know what's

1809
01:22:45,920 --> 01:22:41,650
happening the Philippine finance store

1810
01:22:51,990 --> 01:22:48,720
yeah but then they need to get some sort

1811
01:22:53,760 --> 01:22:52,000
of distribution distribution and an

1812
01:22:57,780 --> 01:22:53,770
insurance for it at the end of the day

1813
01:23:03,959 --> 01:22:57,790

so as I understand y'all think they're

1814

01:23:07,020 --> 01:23:03,969

having trouble doing that there's so

1815

01:23:10,080 --> 01:23:07,030

much information out there that contests

1816

01:23:15,120 --> 01:23:10,090

everything that he said and in my last

1817

01:23:16,170 --> 01:23:15,130

blog about all of this the open letter

1818

01:23:19,910 --> 01:23:16,180

to Gary Heseltine

1819

01:23:22,500 --> 01:23:19,920

when I use clips of Warren talked him

1820

01:23:26,729 --> 01:23:22,510

say different things he notes to do

1821

01:23:29,970 --> 01:23:26,739

versions of everything and that's where

1822

01:23:32,130 --> 01:23:29,980

I'm at I'll talk where he in his usual

1823

01:23:36,090 --> 01:23:32,140

narrative was the bit far he goes it's

1824

01:23:37,890 --> 01:23:36,100

of the field with Adrian and you know he

1825

01:23:41,459 --> 01:23:37,900

says that you say on these way back from

1826

01:23:45,260 --> 01:23:41,469

all of that he sees Colonel halt in his

1827

01:23:50,490 --> 01:23:45,270

aviators sunglasses and that's where

1828

01:23:54,390 --> 01:23:50,500

goodnight that's when Adrian went off

1829

01:23:56,610 --> 01:23:54,400

with Charles halt John and that's how it

1830

01:23:58,530 --> 01:23:56,620

even further sort of further adds in and

1831

01:24:02,010 --> 01:23:58,540

that's how Adrian could have been

1832

01:24:04,170 --> 01:24:02,020

everywhere all in one night but he says

1833

01:24:06,300 --> 01:24:04,180

that he heard certain things coming over

1834

01:24:09,390 --> 01:24:06,310

the radio while he was still on his

1835

01:24:11,640 --> 01:24:09,400

guard post and then while he's out there

1836

01:24:12,900 --> 01:24:11,650

but what he could hear what he says he

1837

01:24:15,990 --> 01:24:12,910

could hear coming over that he's

1838

01:24:19,509 --> 01:24:16,000

verbatim what he said on Charles Holt's

1839

01:24:22,750 --> 01:24:19,519

tape which is when he's with Adrian so

1840

01:24:25,359 --> 01:24:22,760

if you write out his narrative it

1841

01:24:27,399 --> 01:24:25,369

doesn't make any sense at all how can

1842

01:24:29,529 --> 01:24:27,409

how can that be how can he have heard

1843

01:24:33,279 --> 01:24:29,539

what he's being said by Colonel Hall and

1844

01:24:34,959 --> 01:24:33,289

Adrienne and John well well who was on

1845

01:24:36,819 --> 01:24:34,969

the tape you know the people they were

1846

01:24:39,700 --> 01:24:36,829

actually on the same he couldn't have

1847

01:24:44,950 --> 01:24:39,710

heard any of that while he was on his

1848

01:24:48,189 --> 01:24:44,960

guard post if it was all said after he'd

1849

01:24:50,290 --> 01:24:48,199

left the field with Adrian which he said

1850

01:24:51,669 --> 01:24:50,300

was about how far in the morning and he

1851
01:24:53,529 --> 01:24:51,679
was covered in March and they went back

1852
01:24:55,180 --> 01:24:53,539
to the Dom then he can't remember going

1853
01:24:59,970 --> 01:24:55,190
back to the Dom then he can't remember

1854
01:25:02,919 --> 01:24:59,980
leaving the field so it's just got

1855
01:25:07,080 --> 01:25:02,929
completely different stories all of the

1856
01:25:11,040 --> 01:25:07,090
time and I think that Oh

1857
01:25:13,810 --> 01:25:11,050
David wouldn't miss it up there

1858
01:25:18,879 --> 01:25:13,820
we've missed one of the most important

1859
01:25:23,020 --> 01:25:18,889
by blaming myself am I not taking it out

1860
01:25:24,759 --> 01:25:23,030
of it okay this is special this is very

1861
01:25:30,279 --> 01:25:24,769
very special this a little bit

1862
01:25:32,080 --> 01:25:30,289
Larry Warren at 9/11 oh yeah if anything

1863
01:25:33,669 --> 01:25:32,090

I was actually thinking about it a

1864

01:25:35,439 --> 01:25:33,679

little bit earlier when you were talking

1865

01:25:45,720 --> 01:25:35,449

about so will be we must make sure the

1866

01:25:50,589 --> 01:25:45,730

9/11 thing so in 2001 9/11 when the

1867

01:25:53,830 --> 01:25:50,599

atrocities occurred Larry Warren said in

1868

01:25:56,739 --> 01:25:53,840

this it barged into a conference here in

1869

01:25:59,229 --> 01:25:56,749

Liverpool where a Nima Sean and David

1870

01:25:59,919 --> 01:25:59,239

Shayler were talking and their ex mi5

1871

01:26:03,729 --> 01:25:59,929

agents

1872

01:26:06,000 --> 01:26:03,739

so he goes steaming in because he

1873

01:26:11,020 --> 01:26:06,010

doesn't believe 9/11 was an inside job

1874

01:26:13,540 --> 01:26:11,030

they do and so he said he was there he

1875

01:26:16,660 --> 01:26:13,550

was there I was there man and he puts on

1876

01:26:18,189 --> 01:26:16,670

this Brooklyn accent it's like oh so he

1877

01:26:19,890 --> 01:26:18,199

wasn't invited to a conference and he

1878

01:26:23,560 --> 01:26:19,900

just sort of being by himself

1879

01:26:27,100 --> 01:26:23,570

I didn't know I thought you were him boy

1880

01:26:31,000 --> 01:26:27,110

no no he went in into the thingy into

1881

01:26:33,069 --> 01:26:31,010

the hall where it was and started coming

1882

01:26:33,350 --> 01:26:33,079

on and he went up to the front and they

1883

01:26:40,760 --> 01:26:33,360

like

1884

01:26:43,459 --> 01:26:40,770

speak so he says that he was there in

1885

01:26:49,310 --> 01:26:43,469

the immediate aftermath because of his

1886

01:26:50,990 --> 01:26:49,320

expertise in the steel industry does it

1887

01:26:54,620 --> 01:26:51,000

go into any detail about what his

1888

01:27:07,760 --> 01:26:54,630

expertise in the steel industry is they

1889

01:27:09,320 --> 01:27:07,770

say ste a as a as a group of people we

1890

01:27:11,870 --> 01:27:09,330

were all working together to try and

1891

01:27:12,800 --> 01:27:11,880

expose the lives of this man when this

1892

01:27:15,709 --> 01:27:12,810

came to light

1893

01:27:18,439 --> 01:27:15,719

calimary and myself at a couple of

1894

01:27:21,709 --> 01:27:18,449

others we did as much background

1895

01:27:24,439 --> 01:27:21,719

searching as we could on 9/11 and the

1896

01:27:26,930 --> 01:27:24,449

registers and who was there who helped

1897

01:27:31,669 --> 01:27:26,940

who did what this photo albums

1898

01:27:34,220 --> 01:27:31,679

there's memorials everything and a very

1899

01:27:38,300 --> 01:27:34,230

very high percentage of those people are

1900

01:27:41,390 --> 01:27:38,310

all ill from they stuff that they were

1901

01:27:43,070 --> 01:27:41,400

breathing in lots of people that I mean

1902

01:27:44,359 --> 01:27:43,080

the death toll is still rising isn't it

1903

01:27:46,669 --> 01:27:44,369

because people are dying from these

1904

01:27:50,680 --> 01:27:46,679

diseases that were literally because of

1905

01:27:52,820 --> 01:27:50,690

this incident but not Larry

1906

01:27:57,740 --> 01:27:52,830

yesterday he says he spent four months

1907

01:28:01,790 --> 01:27:57,750

in that hot wasn't it yes mother effers

1908

01:28:07,100 --> 01:28:01,800

he were just on my way to work was poor

1909

01:28:08,750 --> 01:28:07,110

I mean am i right am i right you got to

1910

01:28:11,169 --> 01:28:08,760

listen to how he speaks to people is

1911

01:28:13,459 --> 01:28:11,179

shocking so he goes steaming in there oh

1912

01:28:13,850 --> 01:28:13,469

and don't forget he was raised in the

1913

01:28:15,979 --> 01:28:13,860

Bronx

1914

01:28:20,840 --> 01:28:15,989

yeah perhaps for me says that he was

1915

01:28:21,979 --> 01:28:20,850

ready now in New York the comments on

1916

01:28:23,870 --> 01:28:21,989

that first of all he's raised in the

1917

01:28:27,620 --> 01:28:23,880

promise somebody absolutely watch this

1918

01:28:32,300 --> 01:28:27,630

who knows him and they said oh my god

1919

01:28:35,390 --> 01:28:32,310

he's putting on a Bronx accent I mean

1920

01:28:38,120 --> 01:28:35,400

I'm pretty ignorant to different accents

1921

01:28:40,370 --> 01:28:38,130

from a mariko-chan a train okay

1922

01:28:44,450 --> 01:28:40,380

this locker gates Jackson but I wouldn't

1923

01:28:47,150 --> 01:28:44,460

know a Bronx accent from a you know for

1924

01:28:55,740 --> 01:28:53,430

really so there's nothing I mean right

1925

01:28:57,690 --> 01:28:55,750

for a start there were no planes in

1926

01:28:58,410 --> 01:28:57,700

flight there were no flights so how did

1927

01:29:01,740 --> 01:28:58,420

he get there

1928

01:29:04,490 --> 01:29:01,750

was it a special flight for him and what

1929

01:29:06,990 --> 01:29:04,500

about his garments all done

1930

01:29:07,590 --> 01:29:07,000

did he just leave his wife for four

1931

01:29:10,890 --> 01:29:07,600

months

1932

01:29:12,990 --> 01:29:10,900

well she had a baby to go and see body

1933

01:29:17,910 --> 01:29:13,000

parts being pulled out and all the rest

1934

01:29:19,680 --> 01:29:17,920

of it you know I mean I somebody that's

1935

01:29:27,120 --> 01:29:19,690

hard to support well the funny thing is

1936

01:29:28,830 --> 01:29:27,130

a week later Peter was speaking about

1937

01:29:31,530 --> 01:29:28,840

Hopkins were speaking and Laurie was

1938

01:29:33,600 --> 01:29:31,540

there yeah and so he couldn't have been

1939

01:29:44,610 --> 01:29:33,610

in New York and man unless it's two of

1940

01:29:46,290 --> 01:29:44,620

him it's disgraceful many piece of

1941

01:29:47,640 --> 01:29:46,300

Robbie's was taken back when he found

1942

01:29:50,550 --> 01:29:47,650

out about all that thing I don't think

1943

01:29:52,110 --> 01:29:50,560

he heard of that because otherwise when

1944

01:29:55,590 --> 01:29:52,120

if they had actually happened what and

1945

01:29:57,840 --> 01:29:55,600

Peter Robbins have been because I mean

1946

01:30:01,980 --> 01:29:57,850

Peter obviously lived in Manhattan at

1947

01:30:04,680 --> 01:30:01,990

the time and he was actually discussed

1948

01:30:10,260 --> 01:30:04,690

eater as many New Yorkers were when it

1949

01:30:13,670 --> 01:30:10,270

was being it was found out yeah I mean

1950

01:30:16,200 --> 01:30:13,680

what you call that would be stolen valor

1951

01:30:19,560 --> 01:30:16,210

hmm people get into trouble for lying

1952

01:30:22,260 --> 01:30:19,570

about things like that yeah you know but

1953

01:30:24,300 --> 01:30:22,270

I mean if he was in America and say in

1954

01:30:27,240 --> 01:30:24,310

arles there'd be somebody there to jump

1955

01:30:30,390 --> 01:30:27,250

on him but isn't he the UK and he can

1956

01:30:35,490 --> 01:30:30,400

get away with that this is nobody you

1957

01:30:40,520 --> 01:30:35,500

know legally or morally keeping a check

1958

01:30:42,750 --> 01:30:40,530

on anybody over here making stories up

1959

01:30:44,510 --> 01:30:42,760

yeah and I think that that word moral

1960

01:30:47,370 --> 01:30:44,520

evil what you just said when when you

1961

01:30:49,590 --> 01:30:47,380

put that to all the people that still

1962

01:30:53,010 --> 01:30:49,600

support him and they've got a lot to

1963

01:30:56,760 --> 01:30:53,020

answer for I believe but the other side

1964

01:30:59,669 --> 01:30:56,770

of it is the Stolen Valor of the Air

1965

01:31:02,429 --> 01:30:59,679

Force I mean

1966

01:31:04,799 --> 01:31:02,439

you see this is where I found it very

1967

01:31:07,109 --> 01:31:04,809

difficult with Gary assaults I'm saying

1968

01:31:10,739 --> 01:31:07,119

that there's no lies and all the rest of

1969

01:31:13,469 --> 01:31:10,749

it when he knows that Mary Warren was in

1970

01:31:16,020 --> 01:31:13,479

the Air Force from the very first day of

1971

01:31:23,250 --> 01:31:16,030

training to the day that he was booted

1972

01:31:26,549 --> 01:31:23,260

out for 134 days 19 weeks right I'm in

1973

01:31:30,330 --> 01:31:26,559

the film cable green they putted Air

1974

01:31:35,129 --> 01:31:30,340

Force retired security so tired you

1975

01:31:36,689 --> 01:31:35,139

tired no that's a lie that is a lie

1976

01:31:38,219 --> 01:31:36,699

I wonder if they've changed that god I

1977

01:31:42,000 --> 01:31:38,229

did see a trailer net would that have

1978

01:31:44,040 --> 01:31:42,010

been gone it was xx oh I think I put

1979

01:31:50,040 --> 01:31:44,050

ex-servicemen or something now well with

1980

01:31:51,899 --> 01:31:50,050

us there as well where did he where did

1981

01:31:54,239 --> 01:31:51,909

he serve where was he where did he sit

1982

01:31:57,449 --> 01:31:54,249

well was he sat hmm and he reckons it

1983

01:32:01,739 --> 01:31:57,459

was given a m16 used in the Tet

1984

01:32:03,389 --> 01:32:01,749

Offensive yeah what they were faced

1985

01:32:06,919 --> 01:32:03,399

pulled him up on that as well yeah Frank

1986

01:32:10,850 --> 01:32:06,929

will this does Frank knows about m16 and

1987

01:32:25,020 --> 01:32:10,860

he said that was from like the Vietnam

1988

01:32:26,639 --> 01:32:25,030

War Suzy's from I just was me where I

1989

01:32:30,119 --> 01:32:26,649

was I just kind of think of these things

1990

01:32:32,279 --> 01:32:30,129

I just think oh my god he's crazy I know

1991

01:32:33,959 --> 01:32:32,289

this is the whole trouble with the hold

1992

01:32:35,489 --> 01:32:33,969

of this thing you can jump from one

1993

01:32:38,609 --> 01:32:35,499

place to another and you end up just

1994

01:32:41,100 --> 01:32:38,619

going many circles because it's just so

1995

01:32:44,369 --> 01:32:41,110

many lies it's such a tangle tangle of

1996

01:32:47,219 --> 01:32:44,379

lies that it's just caught on pick up

1997

01:32:49,469 --> 01:32:47,229

most of the time then why why we confirm

1998

01:32:54,449 --> 01:32:49,479

why we can see them and people like Gary

1999

01:32:57,149 --> 01:32:54,459

has a time Kong I just don't see them

2000

01:33:01,560 --> 01:32:57,159

yeah and I wrote that blog alphabet it's

2001

01:33:03,359 --> 01:33:01,570

a Gary Heseltine and in it there are so

2002

01:33:05,729 --> 01:33:03,369

many clips of so many things all right i

2003

01:33:14,550 --> 01:33:05,739

would on quite a bit I must admit I'm

2004

01:33:26,830 --> 01:33:17,530

Summa Clinton like I'm going on because

2005

01:33:31,470 --> 01:33:26,840

it really paid off everything the

2006

01:33:42,669 --> 01:33:34,840

the bravery and courage in ufology

2007

01:33:45,970 --> 01:33:42,679

forties oh don't take no please be

2008

01:33:47,800 --> 01:33:45,980

subscribed but so I and my open license

2009

01:33:50,620 --> 01:33:47,810

to carry a cell sign I do actually

2010

01:33:52,990 --> 01:33:50,630

waffle on a bit at Gary because it's

2011

01:33:56,910 --> 01:33:53,000

kind of me a body boiler for God's sake

2012

01:34:00,129 --> 01:33:56,920

mm-hmm you know I'm just

2013

01:34:01,840 --> 01:34:00,139

you see I can't even read out any of

2014

01:34:08,350 --> 01:34:01,850

these things of Larry's because of the

2015

01:34:10,500 --> 01:34:08,360

language mm-hmm yeah it's pretty

2016

01:34:14,140 --> 01:34:10,510

disgusting but Gary's not looked at this

2017

01:34:17,439 --> 01:34:14,150

he's not looked at this at all

2018

01:34:21,459 --> 01:34:17,449

one of the things that he did to me with

2019

01:34:25,149 --> 01:34:21,469

his this is Larry now his little gang of

2020

01:34:27,790 --> 01:34:25,159

hench was to just like because I

2021

01:34:30,010 --> 01:34:27,800

explained before my partner day of his

2022

01:34:34,360 --> 01:34:30,020

business went bankrupt well Warren was

2023

01:34:38,110 --> 01:34:34,370

living with us and so we had to go on

2024

01:34:39,520 --> 01:34:38,120

benefits so I'm Larry said about me one

2025

01:34:41,200 --> 01:34:39,530

part one of the things that he was doing

2026

01:34:42,760 --> 01:34:41,210

and was trying to say that there was

2027

01:34:44,850 --> 01:34:42,770

nothing wrong with me because I am I've

2028

01:34:47,260 --> 01:34:44,860

got physical issues can't walk very far

2029

01:34:50,320 --> 01:34:47,270

all the rest of it my knees dislocate

2030

01:34:52,959 --> 01:34:50,330

the other you know lowers the problems

2031

01:34:54,430 --> 01:34:52,969

and because I'm nearly 50 now you know

2032

01:34:56,590 --> 01:34:54,440

I've had these problems all my life and

2033

01:34:58,810 --> 01:34:56,600

so I've got arthritis all over the place

2034

01:35:00,700 --> 01:34:58,820

because you know I've got hypermobility

2035

01:35:03,970 --> 01:35:00,710

my bones do move around a bit the clanks

2036

01:35:07,030 --> 01:35:03,980

together and so I've got quite a few

2037

01:35:10,959 --> 01:35:07,040

issues so the reports he'd mean three

2038

01:35:16,209 --> 01:35:10,969

times for working for running around on

2039

01:35:18,879 --> 01:35:16,219

stage in high heels talking about UFOs

2040

01:35:21,640 --> 01:35:18,889

and what have you three times the

2041

01:35:23,259 --> 01:35:21,650

reported me to social services for

2042

01:35:26,020 --> 01:35:23,269

abusing my children I mean

2043

01:35:31,359 --> 01:35:26,030

they told me about that and Tommy letter

2044

01:35:33,609 --> 01:35:31,369

said they are taking no action you know

2045

01:35:36,580 --> 01:35:33,619

I had to go into this bloody office so

2046

01:35:40,149 --> 01:35:36,590

this woman and said three times I said

2047

01:35:43,600 --> 01:35:40,159

you know they've been watching me that

2048

01:35:45,669 --> 01:35:43,610

you know officers sort of watching the

2049

01:35:47,290 --> 01:35:45,679

house to see what was going on and all

2050

01:35:47,770 --> 01:35:47,300

this I was Dave taking the kids to

2051
01:35:52,359 --> 01:35:47,780
school

2052
01:35:54,850 --> 01:35:52,369
going to doctors appointments you know

2053
01:35:58,660 --> 01:35:54,860
the normal going on of a person in a

2054
01:36:04,020 --> 01:35:58,670
sitting people in our situation dragged

2055
01:36:06,549 --> 01:36:04,030
his wife into it she's also saying that

2056
01:36:08,649 --> 01:36:06,559
because he's saying oh she's obsessed to

2057
01:36:12,759 --> 01:36:08,659
me some people thought she was my wife

2058
01:36:15,700 --> 01:36:12,769
now this is like 10 years ago no no no

2059
01:36:19,290 --> 01:36:15,710
eight years ago on the Rendlesham forest

2060
01:36:21,970 --> 01:36:19,300
incident farm that used to exist

2061
01:36:24,549 --> 01:36:21,980
somebody asked me if I was Larry's

2062
01:36:26,680 --> 01:36:24,559
ex-wife and I'd laughed I was like well

2063
01:36:28,600 --> 01:36:26,690

no because there was a bit like 10 years

2064

01:36:30,790 --> 01:36:28,610

old when all that went off unless you're

2065

01:36:33,180 --> 01:36:30,800

accusing him as something else now so it

2066

01:36:35,739 --> 01:36:33,190

used to joke about that it was a joke

2067

01:36:39,759 --> 01:36:35,749

right oh my wife and I used to go

2068

01:36:41,890 --> 01:36:39,769

where's my where's my alimony [h__h] blah

2069

01:36:44,470 --> 01:36:41,900

blah blah what we in this forest with

2070

01:36:47,140 --> 01:36:44,480

these seven little kids splat you know

2071

01:36:47,589 --> 01:36:47,150

like 7th snow-white 7th are just big

2072

01:36:53,140 --> 01:36:47,599

stupid

2073

01:36:55,930 --> 01:36:53,150

that into a real thing that somebody

2074

01:36:57,669 --> 01:36:55,940

that people fart that I was execs wife

2075

01:36:59,290 --> 01:36:57,679

because I was so clingy with him because

2076

01:37:01,689 --> 01:36:59,300

I was so all I was and never stop

2077

01:37:04,779 --> 01:37:01,699

talking about him la la la to the point

2078

01:37:07,120 --> 01:37:04,789

where right our joking

2079

01:37:09,970 --> 01:37:07,130

wound his ex-wife or because I was going

2080

01:37:13,989 --> 01:37:09,980

on about where as was my money

2081

01:37:16,779 --> 01:37:13,999

ouch you know because he never pays me

2082

01:37:20,100 --> 01:37:16,789

alimony dur dur dur she thought that

2083

01:37:23,379 --> 01:37:20,110

that was a directed to her as a gibe

2084

01:37:25,589 --> 01:37:23,389

because he never paid her he's my my you

2085

01:37:27,540 --> 01:37:25,599

know the money yeah and so her

2086

01:37:31,239 --> 01:37:27,550

ex-boyfriend

2087

01:37:32,859 --> 01:37:31,249

Dominique chances messaged me and asked

2088

01:37:34,959 --> 01:37:32,869

me have you've got a problem with sue

2089

01:37:36,850 --> 01:37:34,969

blah blah blah I was like no no why

2090

01:37:38,500 --> 01:37:36,860

would I have you know and

2091

01:37:40,780 --> 01:37:38,510

like in these so he said what it was

2092

01:37:42,220 --> 01:37:40,790

about this ex-wife thing I said I said

2093

01:37:44,470 --> 01:37:42,230

it's just a joke it's just some idiot

2094

01:37:46,690 --> 01:37:44,480

asked me and this farm years ago it's

2095

01:37:50,470 --> 01:37:46,700

just a bit of banter our sound you know

2096

01:37:53,290 --> 01:37:50,480

in our problem and so ii was told that's

2097

01:37:54,790 --> 01:37:53,300

what it was but now he's been a ball

2098

01:37:58,930 --> 01:37:54,800

brought back to life to make me look

2099

01:38:01,230 --> 01:37:58,940

like a crazy person but you know she

2100

01:38:05,320 --> 01:38:01,240

knows that's not true so she's lying and

2101
01:38:08,700 --> 01:38:05,330
dom jumped on to it so he's lying they

2102
01:38:11,320 --> 01:38:08,710
all started why he concert today

2103
01:38:13,570 --> 01:38:11,330
yeah so some well for about a year or so

2104
01:38:18,510 --> 01:38:13,580
ago now and oh just be so we get lost

2105
01:38:24,760 --> 01:38:21,310
shut up shove off

2106
01:38:29,110 --> 01:38:24,770
you're talking about so he was I

2107
01:38:40,510 --> 01:38:29,120
suddenly got this call from and I think

2108
01:38:41,980 --> 01:38:40,520
you told me yeah because he can't fight

2109
01:38:45,100 --> 01:38:41,990
his own battles he creates these little

2110
01:38:50,020 --> 01:38:45,110
lies and then sending people it's about

2111
01:38:51,550 --> 01:38:50,030
old for him you know but it's blatant

2112
01:38:53,050 --> 01:38:51,560
relying he's putting the light about a

2113
01:38:56,290 --> 01:38:53,060

lot of things a lot of things that we

2114

01:38:58,600 --> 01:38:56,300

can prove is Lionel a exaggerations so

2115

01:39:00,820 --> 01:38:58,610

you know how can you actually trust this

2116

01:39:02,140 --> 01:39:00,830

man in anything at all especially

2117

01:39:04,420 --> 01:39:02,150

Whitney talk about his military

2118

01:39:05,440 --> 01:39:04,430

documents there at the SI and they say

2119

01:39:12,580 --> 01:39:05,450

CIA

2120

01:39:15,100 --> 01:39:12,590

MF I tell you why even even if they

2121

01:39:16,660 --> 01:39:15,110

escaped is this there's there's a sign

2122

01:39:18,430 --> 01:39:16,670

of things to come is in there where

2123

01:39:22,270 --> 01:39:18,440

Peter Robbins interviewed Colonel Hall

2124

01:39:24,520 --> 01:39:22,280

and takes Warren's paperwork with him to

2125

01:39:26,080 --> 01:39:24,530

show to Colonel whole Colonel whole

2126
01:39:28,150 --> 01:39:26,090
produces a completely different set of

2127
01:39:31,030 --> 01:39:28,160
paperwork asking Peter where he got

2128
01:39:32,650 --> 01:39:31,040
those from and so there's obviously a

2129
01:39:36,010 --> 01:39:32,660
sign of things to come as in there with

2130
01:39:39,880 --> 01:39:36,020
problems for the paper well to Charles

2131
01:39:43,660 --> 01:39:39,890
about that he said there were a dinner

2132
01:39:45,490 --> 01:39:43,670
or something an event and Peter kind of

2133
01:39:46,990 --> 01:39:45,500
showed him to him any other quick look

2134
01:39:50,159 --> 01:39:47,000
through and he said yeah they look

2135
01:39:52,199 --> 01:39:50,169
alright but like he said to me he said

2136
01:39:54,060 --> 01:39:52,209
okay I can't say that that's genuine

2137
01:39:55,560 --> 01:39:54,070
that's not but the thing is is that in

2138
01:39:57,479 --> 01:39:55,570

these knocking actually admits to having

2139

01:39:58,949 --> 01:39:57,489

stolen them and thought he copied them

2140

01:40:01,979 --> 01:39:58,959

so they're not genuine they're not the

2141

01:40:03,509 --> 01:40:01,989

originals but both the copies anyway

2142

01:40:05,370 --> 01:40:03,519

because he first two copied them and

2143

01:40:07,409 --> 01:40:05,380

stole them so can you trust somebody

2144

01:40:17,339 --> 01:40:07,419

who's a thief he stolen what as he

2145

01:40:21,659 --> 01:40:17,349

stolen and yes quite secure yeah they

2146

01:40:28,439 --> 01:40:21,669

put your social security clearance up so

2147

01:40:30,779 --> 01:40:28,449

he's also stealing some well and he was

2148

01:40:33,149 --> 01:40:30,789

getting out on the separation or

2149

01:40:36,169 --> 01:40:33,159

whatever but they put him in the

2150

01:40:39,600 --> 01:40:36,179

warehouse they put him on Ziggler's gang

2151

01:40:41,969 --> 01:40:39,610

he said that he was in an office doing

2152

01:40:44,159 --> 01:40:41,979

some office work and that's how he ended

2153

01:40:47,009 --> 01:40:44,169

up being able to come across his own

2154

01:40:52,620 --> 01:40:47,019

documents get them out first to copy

2155

01:40:55,830 --> 01:40:52,630

them and you know and basically walk off

2156

01:40:57,540 --> 01:40:55,840

base with them he's got all the fake

2157

01:40:59,609 --> 01:40:57,550

photographs that he said over the years

2158

01:41:02,790 --> 01:40:59,619

that he said that you had that there's

2159

01:41:05,069 --> 01:41:02,800

photographs Amman of the incidents at

2160

01:41:07,319 --> 01:41:05,079

Rendlesham from an accountant called

2161

01:41:09,659 --> 01:41:07,329

Mike who was a civilian didn't want to

2162

01:41:12,060 --> 01:41:09,669

be known he sent them to Georgina brunet

2163

01:41:14,759 --> 01:41:12,070

who accepted them she was quite excited

2164

01:41:18,299 --> 01:41:14,769

about them for a week later to ring her

2165

01:41:22,080 --> 01:41:18,309

up and say actually I took those and I

2166

01:41:25,379 --> 01:41:22,090

got he smuggled them out of a Germans in

2167

01:41:28,500 --> 01:41:25,389

a German Stein that he got when he went

2168

01:41:30,569 --> 01:41:28,510

to Germany that Christmas weekend he got

2169

01:41:33,889 --> 01:41:30,579

back from Germany went straight answer

2170

01:41:36,569 --> 01:41:33,899

duty and then the uf first have happened

2171

01:41:38,850 --> 01:41:36,579

that's in one version the other version

2172

01:41:41,489 --> 01:41:38,860

is that he was actually in Ipswich and

2173

01:41:44,429 --> 01:41:41,499

he's gone to acts records to haggle over

2174

01:41:47,189 --> 01:41:44,439

an amp on a Sunday when he was shot and

2175

01:41:50,009 --> 01:41:47,199

then now it's a case of on the way back

2176

01:41:51,600 --> 01:41:50,019

from that trip to its which was when he

2177

01:41:53,850 --> 01:41:51,610

took the photograph and took me a

2178

01:41:58,049 --> 01:41:53,860

photograph of the a-10 and didn't know

2179

01:42:01,439 --> 01:41:58,059

that there was a UFO in the picture but

2180

01:42:04,109 --> 01:42:01,449

actually in Barry Greenwood records that

2181

01:42:07,770 --> 01:42:04,119

Larry gave him and he he

2182

01:42:11,220 --> 01:42:07,780

scans of that photograph of the ATM was

2183

01:42:12,510 --> 01:42:11,230

taken in 1985 when he went to when he

2184

01:42:14,700 --> 01:42:12,520

came to England with his first wife

2185

01:42:18,600 --> 01:42:14,710

Cindy and he was on their honeymoon so

2186

01:42:19,979 --> 01:42:18,610

he took it in 1985 and now it's and it

2187

01:42:23,939 --> 01:42:19,989

was a collar photograph and now it's

2188

01:42:25,800 --> 01:42:23,949

black and white and was taken in 1982 it

2189

01:42:27,720 --> 01:42:25,810

was a bit of an issue that you see

2190

01:42:31,770 --> 01:42:27,730

leaves on the tree who has been taking a

2191

01:42:33,870 --> 01:42:31,780

December yeah the foliage in the

2192

01:42:36,570 --> 01:42:33,880

foreground wouldn't it would have been

2193

01:42:38,070 --> 01:42:36,580

much more sparse than it was and the

2194

01:42:42,180 --> 01:42:38,080

tree in the background wasn't have had

2195

01:42:46,470 --> 01:42:42,190

any leaves on it at all so you know

2196

01:42:51,229 --> 01:42:46,480

there are very very many lies about his

2197

01:42:56,689 --> 01:42:51,239

service it's not just the memorabilia

2198

01:43:01,770 --> 01:42:59,430

which is not just an assumption is it we

2199

01:43:03,990 --> 01:43:01,780

can actually prove this been fake

2200

01:43:07,050 --> 01:43:04,000

memorabilia even Peter Robbins has been

2201

01:43:11,330 --> 01:43:07,060

a victim of it what was it about nine

2202

01:43:18,839 --> 01:43:11,340

months ago wasn't it when the fates his

2203

01:43:21,149 --> 01:43:18,849

sisters on a flyer that you given Warren

2204

01:43:22,830 --> 01:43:21,159

which was blank at the time and all

2205

01:43:27,629 --> 01:43:22,840

sorts of other names appeared on it was

2206

01:43:29,399 --> 01:43:27,639

it one of them Katharine Hepburn which I

2207

01:43:30,899 --> 01:43:29,409

think she was about 85 at the time she

2208

01:43:35,100 --> 01:43:30,909

would have been at an event like there

2209

01:43:45,689 --> 01:43:35,110

anyway there was I can't remember all

2210

01:43:47,910 --> 01:43:45,699

that you know but it was told us that I

2211

01:43:50,490 --> 01:43:47,920

didn't actually realise that they were

2212

01:43:52,169 --> 01:43:50,500

his I found them in an auction put them

2213

01:43:52,680 --> 01:43:52,179

out online said look he's dead he's at

2214

01:43:55,979 --> 01:43:52,690

it again

2215

01:43:58,290 --> 01:43:55,989

Peter saw them and was like I gave him

2216

01:44:02,040 --> 01:43:58,300

those and there was nothing on them

2217

01:44:03,660 --> 01:44:02,050

other than a stamp of authenticity to

2218

01:44:05,970 --> 01:44:03,670

say that they came from the estate of

2219

01:44:08,490 --> 01:44:05,980

Helen wheels with Peter Robbins sister

2220

01:44:11,729 --> 01:44:08,500

the steel wheels was her band very

2221

01:44:13,830 --> 01:44:11,739

famous in New York in the 80s and he

2222

01:44:16,609 --> 01:44:13,840

reckons it he was on tar with her well

2223

01:44:18,979 --> 01:44:16,619

she never did a tar and

2224

01:44:20,810 --> 01:44:18,989

yeah he tried to sell these Flyers that

2225

01:44:22,490 --> 01:44:20,820

Petrie given him that were blanked but

2226

01:44:23,570 --> 01:44:22,500

they were covered in signatures when he

2227

01:44:26,720 --> 01:44:23,580

put them in the auction

2228

01:44:29,089 --> 01:44:26,730

so there's proof there is faked it then

2229

01:44:32,080 --> 01:44:29,099

there's a Jerry I've got I've actually

2230

01:44:38,300 --> 01:44:35,720

it says I see yet one more thing I gave

2231

01:44:40,729 --> 01:44:38,310

Larry because I knew he likes such bits

2232

01:44:43,370 --> 01:44:40,739

of memorabilia and once again that my

2233

01:44:45,080 --> 01:44:43,380

sister never never signed know a

2234

01:44:47,359 --> 01:44:45,090

significant details that she never

2235

01:44:49,370 --> 01:44:47,369

underlined the ginger in any case that

2236

01:44:51,229 --> 01:44:49,380

was that I was ever aware you are

2237

01:44:53,510 --> 01:44:51,239

welcome to share comments and responses

2238

01:44:56,089 --> 01:44:53,520

to this matter I gave him that

2239

01:44:58,070 --> 01:44:56,099

invitation and it was not signed by

2240

01:45:00,740 --> 01:44:58,080

anyone when I gave it to him period

2241

01:45:03,560 --> 01:45:00,750

and neither Warhol nor HIPPA attended

2242

01:45:06,680 --> 01:45:03,570

that event I know I am seeded a little

2243

01:45:08,570 --> 01:45:06,690

shy and what a shame these businesses

2244

01:45:10,550 --> 01:45:08,580

could care less about such things and

2245

01:45:12,140 --> 01:45:10,560

nothing comes up when he says about the

2246

01:45:14,089 --> 01:45:12,150

he couldn't find it when he talked to

2247

01:45:16,910 --> 01:45:14,099

the lot number but it just shows you how

2248

01:45:19,370 --> 01:45:16,920

a shows you and I've got a picture of it

2249

01:45:23,030 --> 01:45:19,380

here he's got at the top he's got Andy

2250

01:45:26,870 --> 01:45:23,040

Warhol it's also with their cables

2251

01:45:31,010 --> 01:45:26,880

Soutine on there it's and I think what

2252

01:45:34,010 --> 01:45:31,020

was it going for I got 2,000 2,000 to

2253

01:45:41,030 --> 01:45:34,020

4,000 pounds on whether it was actually

2254

01:45:43,580 --> 01:45:41,040

sold on top of all these options and I

2255

01:45:45,890 --> 01:45:43,590

know people were looking at them all the

2256

01:45:48,260 --> 01:45:45,900

time and we kept finding stuff then

2257

01:45:50,359 --> 01:45:48,270

there was the leather jacket at John

2258

01:45:51,649 --> 01:45:50,369

Lennon's and they smoking jacket of Jimi

2259

01:45:55,790 --> 01:45:51,659

Hendrix and the ring of Jimi Hendrix

2260

01:45:58,490 --> 01:45:55,800

right so it was my mom my mom said Sasha

2261

01:46:00,080 --> 01:45:58,500

you need to watch BBC News tonight

2262

01:46:01,700 --> 01:46:00,090

there's a piece on it about an auction

2263

01:46:03,290 --> 01:46:01,710

in Scarborough and it's got all these

2264

01:46:05,589 --> 01:46:03,300

John Wayne stuff and all this you know

2265

01:46:08,060 --> 01:46:05,599

Jimi Hendrix painting blah blah blah and

2266

01:46:09,470 --> 01:46:08,070

so I thought oh wait what we got you

2267

01:46:14,540 --> 01:46:09,480

don't mean anyway I looked it was like

2268

01:46:16,160 --> 01:46:14,550

holy [h__h] it's all that stuff he said so

2269

01:46:18,169 --> 01:46:16,170

it got I got in touch with the auction

2270

01:46:20,149 --> 01:46:18,179

house it was Rydal auctions and I told

2271

01:46:21,470 --> 01:46:20,159

them and I put it all over the face book

2272

01:46:22,669 --> 01:46:21,480

pro so they couldn't ignore me and

2273

01:46:25,120 --> 01:46:22,679

that's why I kept doing with all these

2274

01:46:27,680 --> 01:46:25,130

auctions they kept sabotaging them now

2275

01:46:29,839 --> 01:46:27,690

and we kept Sherry them did we so make

2276

01:46:33,109 --> 01:46:29,849

sure you got

2277

01:46:35,689 --> 01:46:33,119

traffic people were looking at it so you

2278

01:46:37,280 --> 01:46:35,699

know kept sabotaging these options and

2279

01:46:41,479 --> 01:46:37,290

the last one when the jacket went for

2280

01:46:44,120 --> 01:46:41,489

15,000 the pin I don't know I think it

2281

01:46:44,419 --> 01:46:44,130

holds 36,000 pounds or something like

2282

01:46:51,770 --> 01:46:44,429

that

2283

01:46:53,450 --> 01:46:51,780

auctioneer had said there are some

2284

01:46:56,030 --> 01:46:53,460

issues surrounding this if you've seen

2285

01:46:58,520 --> 01:46:56,040

our Facebook page so you've got a month

2286

01:47:00,229 --> 01:46:58,530

to check it over and decide whether you

2287

01:47:03,680 --> 01:47:00,239

want to shell out for it or not whether

2288

01:47:06,050 --> 01:47:03,690

it's genuine or not so the Jimi Hendrix

2289

01:47:07,609 --> 01:47:06,060

community will laughing at this jacket

2290

01:47:10,069 --> 01:47:07,619

saying he'd have been better off flying

2291

01:47:12,530 --> 01:47:10,079

in to say that he belongs to Oscar Wilde

2292

01:47:14,689 --> 01:47:12,540

because Jimmy never wore a jacket like

2293

01:47:17,450 --> 01:47:14,699

that he did have a black suede a black

2294

01:47:20,419 --> 01:47:17,460

velvet jacket but it was not a smoking

2295

01:47:22,220 --> 01:47:20,429

jacket and it was tailored so I got sent

2296

01:47:25,160 --> 01:47:22,230

some pictures of Anna leather jacket of

2297

01:47:26,689 --> 01:47:25,170

John Lennon's and this sweat and that's

2298

01:47:29,660 --> 01:47:26,699

where Tommy keeps saying that done I

2299

01:47:31,700 --> 01:47:29,670

velvet black Jimi Hendrix jacket so I

2300

01:47:33,319 --> 01:47:31,710

jumped on this said I'm really really

2301

01:47:36,050 --> 01:47:33,329

sorry to have to infer me but I do think

2302

01:47:39,260 --> 01:47:36,060

these items are not genuine and these

2303

01:47:42,260 --> 01:47:39,270

are my reasons why and I got looking

2304

01:47:43,370 --> 01:47:42,270

back and where did you get the

2305

01:47:44,479 --> 01:47:43,380

information properly it was these

2306

01:47:46,370 --> 01:47:44,489

jackets and they sent me these

2307

01:47:47,899 --> 01:47:46,380

photographs and I was like oh my god

2308

01:47:49,669 --> 01:47:47,909

it's not them jackets it's not the same

2309

01:47:51,589 --> 01:47:49,679

thing so I wrote back and I said ah I

2310

01:47:54,200 --> 01:47:51,599

said now I know where he's got the idea

2311

01:47:55,750 --> 01:47:54,210

of these items from because it's a

2312

01:47:59,419 --> 01:47:55,760

leather jacket just like that and a

2313

01:48:02,120 --> 01:47:59,429

velvet black jacket similar to this so I

2314

01:48:05,540 --> 01:48:02,130

said really apologize I can't apologize

2315

01:48:07,850 --> 01:48:05,550

enough but these are my reasons and I

2316

01:48:09,680 --> 01:48:07,860

sent him the documents that compiled of

2317

01:48:11,330 --> 01:48:09,690

all these sales activity and the thing

2318

01:48:13,160 --> 01:48:11,340

the items that I knew that he had and

2319

01:48:14,660 --> 01:48:13,170

things that he put through action that

2320

01:48:17,810 --> 01:48:14,670

didn't sell and all of this stuff is

2321

01:48:20,419 --> 01:48:17,820

online so I thought oh my god I'm an

2322

01:48:23,930 --> 01:48:20,429

idiot because every time I stopped an

2323

01:48:27,530 --> 01:48:23,940

auction I'm stopping a crime so sell

2324

01:48:30,260 --> 01:48:27,540

away sell sell sell yes you like because

2325

01:48:32,330 --> 01:48:30,270

I'm hoping one day this is gonna get on

2326

01:48:33,859 --> 01:48:32,340

top a victim will come forward yeah

2327

01:48:34,669 --> 01:48:33,869

because it's only a victim that can come

2328

01:48:39,709 --> 01:48:34,679

forward isn't it

2329

01:48:41,780 --> 01:48:39,719

the police are not interested of sale

2330

01:48:43,190 --> 01:48:41,790

they need a sale but not only a sale

2331

01:48:45,410 --> 01:48:43,200

they need the person

2332

01:48:48,770 --> 01:48:45,420

who's bought the item to know that they

2333

01:48:49,930 --> 01:48:48,780

bought a lemon and then to report it to

2334

01:48:54,770 --> 01:48:49,940

the police

2335

01:48:57,080 --> 01:48:54,780

so when Gary goes he's not a con man con

2336

01:48:57,500 --> 01:48:57,090

man means convicted no Gary you big

2337

01:48:59,930 --> 01:48:57,510

idiot

2338

01:49:03,320 --> 01:48:59,940

it actually means confidence trickster

2339

01:49:06,890 --> 01:49:03,330

confidence man you know what honey you

2340

01:49:10,820 --> 01:49:06,900

are mr. police officer when you don't

2341

01:49:12,710 --> 01:49:10,830

even know con man is confidence man the

2342

01:49:16,150 --> 01:49:12,720

confident they're so confident you

2343

01:49:19,820 --> 01:49:16,160

believe what they say and have my money

2344

01:49:21,790 --> 01:49:19,830

and this fall for a little think about

2345

01:49:24,920 --> 01:49:21,800

the sound of it no there's been no

2346

01:49:26,270 --> 01:49:24,930

police prosecution because all those

2347

01:49:29,780 --> 01:49:26,280

people that have invested that money

2348

01:49:32,210 --> 01:49:29,790

into you know all right I just keep

2349

01:49:33,770 --> 01:49:32,220

thinking somebody like you know Dave he

2350

01:49:37,190 --> 01:49:33,780

had a few items that were worth a bit of

2351

01:49:38,720 --> 01:49:37,200

money which he wanted to sell when we

2352

01:49:40,970 --> 01:49:38,730

were in trouble which he didn't in the

2353

01:49:43,370 --> 01:49:40,980

end but you know he was considering it

2354

01:49:45,290 --> 01:49:43,380

so I was thinking oh my god

2355

01:49:47,690 --> 01:49:45,300

right because they weren't it worth

2356

01:49:49,220 --> 01:49:47,700

enough for it to get us out of the

2357

01:49:50,510 --> 01:49:49,230

situation where it's what it's like well

2358

01:49:54,860 --> 01:49:50,520

you might as well keep them then you

2359

01:49:57,380 --> 01:49:54,870

know so I keep thinking well oh my god

2360

01:49:59,780 --> 01:49:57,390

right imagine if these items were worth

2361

01:50:01,490 --> 01:49:59,790

like ten thousand pounds each that was

2362

01:50:05,420 --> 01:50:01,500

enough to get us out of trouble now we

2363

01:50:06,950 --> 01:50:05,430

go sell these things so you know all

2364

01:50:09,410 --> 01:50:06,960

right we'll take a loss might get eight

2365

01:50:11,000 --> 01:50:09,420

for each nice sixteen thousand that

2366

01:50:12,500 --> 01:50:11,010

would solve our problems right we could

2367

01:50:14,960 --> 01:50:12,510

get out of this hole that we're in I

2368

01:50:17,060 --> 01:50:14,970

just keep thinking there's somebody

2369

01:50:18,890 --> 01:50:17,070

somewhere as paid fifteen thousand

2370

01:50:20,150 --> 01:50:18,900

pounds to repenting or eight thousand

2371

01:50:23,780 --> 01:50:20,160

pounds for a painting that the think is

2372

01:50:27,680 --> 01:50:23,790

by Jerry Garcia or Bob Dylan or whoever

2373

01:50:30,410 --> 01:50:27,690

Jimi Hendrix right and it's not it's not

2374

01:50:31,910 --> 01:50:30,420

at all and what you know and the police

2375

01:50:34,610 --> 01:50:31,920

said to me don't take it so personally

2376

01:50:37,760 --> 01:50:34,620

it's like are you mad there's people out

2377

01:50:40,010 --> 01:50:37,770

there buying things for people for

2378

01:50:42,710 --> 01:50:40,020

themselves rainy day I've got a bit of

2379

01:50:46,880 --> 01:50:42,720

money invest it let's invest in some

2380

01:50:48,920 --> 01:50:46,890

stuff and that's what people do I think

2381

01:50:51,200 --> 01:50:48,930

the travel you said sure this ain't war

2382

01:50:54,200 --> 01:50:51,210

just one of them the trouble is there's

2383

01:50:55,730 --> 01:50:54,210

so many forces out there as you know if

2384

01:50:56,520 --> 01:50:55,740

you read the book yeah you read the book

2385

01:50:59,640 --> 01:50:56,530

didn't you

2386

01:51:00,840 --> 01:50:59,650

operational paneled oppression ball pain

2387

01:51:04,850 --> 01:51:00,850

you've only got to read there to realize

2388

01:51:14,400 --> 01:51:04,860

how much stuff is out there there's fake

2389

01:51:16,200 --> 01:51:14,410

only so wouldn't buy anything on ebay on

2390

01:51:18,630 --> 01:51:16,210

this you can actually see something

2391

01:51:21,570 --> 01:51:18,640

being signed in front of ya if you're

2392

01:51:31,290 --> 01:51:21,580

buying something signed up of ebay be

2393

01:51:32,970 --> 01:51:31,300

very careful anyone to read operation

2394

01:51:36,030 --> 01:51:32,980

ball P because all the pulling away by I

2395

01:51:39,900 --> 01:51:36,040

thought I just didn't understand how and

2396

01:51:41,430 --> 01:51:39,910

now you see because I remembered warrant

2397

01:51:44,250 --> 01:51:41,440

telling me that he did not so far just

2398

01:51:46,050 --> 01:51:44,260

in New York but they got busted so I

2399

01:51:48,210 --> 01:51:46,060

kind of did a little Google search it

2400

01:51:50,190 --> 01:51:48,220

came up operation brawl pan and he told

2401
01:51:51,870 --> 01:51:50,200
me he told me that he used to sell

2402
01:51:53,160 --> 01:51:51,880
beanie babies and breasts ball cards in

2403
01:51:57,450 --> 01:51:53,170
New York when he split up with his wife

2404
01:52:01,710 --> 01:51:57,460
Cindy in my you know and mid-90s early

2405
01:52:04,050 --> 01:52:01,720
early 90s and and when I was reading

2406
01:52:06,240 --> 01:52:04,060
that operation bullpen does this guy

2407
01:52:07,500 --> 01:52:06,250
know whose name has been hidden disease

2408
01:52:10,740 --> 01:52:07,510
the LA the blabbermouth

2409
01:52:12,810 --> 01:52:10,750
and he's cognate and he saw beanie

2410
01:52:15,240 --> 01:52:12,820
babies on baseball cards in New York I

2411
01:52:16,650 --> 01:52:15,250
knew this guy Wayne who get Laurie said

2412
01:52:18,600 --> 01:52:16,660
he knew and he said that in you this

2413
01:52:20,070 --> 01:52:18,610

guy's done the man and I was like oh my

2414

01:52:21,540 --> 01:52:20,080

friend's dog skull Stan the man

2415

01:52:24,480 --> 01:52:21,550

so I remember that and I remember

2416

01:52:26,700 --> 01:52:24,490

telling Colonel halt something going on

2417

01:52:28,350 --> 01:52:26,710

in this and I think he's something to do

2418

01:52:30,180 --> 01:52:28,360

with it I said I keep thinking that I

2419

01:52:33,330 --> 01:52:30,190

can't get them there Mickey Rooney out

2420

01:52:37,590 --> 01:52:33,340

of my head in it and when I you know

2421

01:52:41,070 --> 01:52:37,600

found the the files on the bust

2422

01:52:43,050 --> 01:52:41,080

the guy's name was Mickey and Reena so I

2423

01:52:45,540 --> 01:52:43,060

was nearly right I did you know I got

2424

01:52:48,480 --> 01:52:45,550

this incredible brain that needs a bit

2425

01:52:50,370 --> 01:52:48,490

poking sometimes it's in there I'll come

2426

01:52:54,030 --> 01:52:50,380

back up to there and I was like that's

2427

01:52:55,890 --> 01:52:54,040

it so he's either don't worry it's done

2428

01:52:57,450 --> 01:52:55,900

with everything else with these security

2429

01:53:02,850 --> 01:52:57,460

guard stories which he's got from

2430

01:53:07,290 --> 01:53:02,860

biographies and he's absorbed this song

2431

01:53:07,290 --> 01:53:07,300

he is named in ether grass and

2432

01:53:14,260 --> 01:53:10,990

you know and and that is when he sold

2433

01:53:15,700 --> 01:53:14,270

that guitar in New York that he said the

2434

01:53:17,800 --> 01:53:15,710

Stevie Ray Vaughan's that used to belong

2435

01:53:20,110 --> 01:53:17,810

to Jimi Hendrix or something it's not

2436

01:53:22,840 --> 01:53:20,120

about 10 different provenances now so

2437

01:53:25,890 --> 01:53:22,850

that was sold in 1995 and that's to be

2438

01:53:29,200 --> 01:53:25,900

refunded because it was proven to be

2439

01:53:32,740 --> 01:53:29,210

they've never been anywhere near see the

2440

01:53:44,170 --> 01:53:32,750

Ray Vaughn was wrong so you know that

2441

01:53:51,430 --> 01:53:44,180

money or something and it was it was a

2442

01:53:55,840 --> 01:53:51,440

Jimi Hendrix and Noel Redding as well

2443

01:53:57,700 --> 01:53:55,850

that was spelt wrong way if you want to

2444

01:54:02,050 --> 01:53:57,710

read any of it right I will say to you

2445

01:54:03,520 --> 01:54:02,060

right if you read start in his eyes the

2446

01:54:08,050 --> 01:54:03,530

adventures of Larry Warren and the

2447

01:54:09,880 --> 01:54:08,060

doctored photographs if you read John

2448

01:54:16,050 --> 01:54:09,890

Lennon mystery the sketch mystery is

2449

01:54:18,610 --> 01:54:16,060

over if you read my blog which I was

2450

01:54:20,740 --> 01:54:18,620

Peter Robbins splits with Larry Warren

2451

01:54:22,300 --> 01:54:20,750

it's official that's got some good stuff

2452

01:54:23,950 --> 01:54:22,310

as what should we add to look at that

2453

01:54:26,380 --> 01:54:23,960

sedan do you realize that I'd put this

2454

01:54:32,080 --> 01:54:26,390

much into it and you can get LP you can

2455

01:54:36,070 --> 01:54:32,090

get old piece of Peters statements as

2456

01:54:38,890 --> 01:54:36,080

well and there are those P P Robbins NY

2457

01:54:41,470 --> 01:54:38,900

I think that's his blog isn't it Robins

2458

01:54:43,870 --> 01:54:41,480

New York no so you can read Peter

2459

01:54:47,470 --> 01:54:43,880

statement on there I actually wrote an

2460

01:54:49,650 --> 01:54:47,480

open letter to Peter which changed quite

2461

01:54:52,180 --> 01:54:49,660

a few things as well

2462

01:54:53,620 --> 01:54:52,190

yeah there's there's just lots out there

2463

01:54:55,600 --> 01:54:53,630

if he and they open letter to go

2464

01:54:59,200 --> 01:54:55,610

rehearsals and all the video clips Oh

2465

01:55:00,750 --> 01:54:59,210

Mary Warren lion is excited off

2466

01:55:03,460 --> 01:55:00,760

basically and telling different stories

2467

01:55:05,920 --> 01:55:03,470

I mean even if you do not read a single

2468

01:55:12,040 --> 01:55:05,930

word that I put in that blog and you

2469

01:55:15,220 --> 01:55:12,050

just watch the clips because I put a lot

2470

01:55:17,470 --> 01:55:15,230

into it but I do go on about it because

2471

01:55:19,270 --> 01:55:17,480

it can't be a bunny boiler for god sakes

2472

01:55:19,990 --> 01:55:19,280

I'm like arson saying this about me are

2473

01:55:21,490 --> 01:55:20,000

you going

2474

01:55:23,890 --> 01:55:21,500

what about this then and what about that

2475

01:55:25,510 --> 01:55:23,900

then so you know even if you if you

2476

01:55:28,150 --> 01:55:25,520

don't want to read all that kind of

2477

01:55:31,840 --> 01:55:28,160

personal stuff personal it's just

2478

01:55:33,400 --> 01:55:31,850

factual then just watch the clips just

2479

01:55:35,590 --> 01:55:33,410

watch and listen to the clips you don't

2480

01:55:37,510 --> 01:55:35,600

have to go into like every single blog

2481

01:55:41,260 --> 01:55:37,520

if you want to know that Larry Warren

2482

01:55:43,210 --> 01:55:41,270

Lanny's just go to that last one open

2483

01:55:45,820 --> 01:55:43,220

letter to Gary Heseltine and just listen

2484

01:55:47,770 --> 01:55:45,830

to the clips and you will absolutely see

2485

01:55:52,810 --> 01:55:47,780

what I'm saying without even reading a

2486

01:55:54,910 --> 01:55:52,820

word that I said another one just come

2487

01:55:57,400 --> 01:55:54,920

to mind on the second night he was in a

2488

01:56:00,580 --> 01:55:57,410

know we've got a version from the

2489

01:56:02,140 --> 01:56:00,590

finally conference where he was in an

2490

01:56:03,850 --> 01:56:02,150

office on the second night and that

2491

01:56:09,250 --> 01:56:03,860

bonny champion came into the office

2492

01:56:18,700 --> 01:56:09,260

shaken shaken up he was guys for a

2493

01:56:21,550 --> 01:56:18,710

fallen cabinet so yeah let me just recap

2494

01:56:23,980 --> 01:56:21,560

now so they the read Michelle that you

2495

01:56:26,020 --> 01:56:23,990

want to listen to so here they're doing

2496

01:56:28,660 --> 01:56:26,030

in Boston's assay his own event is

2497

01:56:31,600 --> 01:56:28,670

Adrian Boston's a full radio interview

2498

01:56:34,620 --> 01:56:31,610

on the Rendlesham forest incident and

2499

01:56:37,780 --> 01:56:34,630

it's Rodney McKay is channel on YouTube

2500

01:56:39,790 --> 01:56:37,790

because over the next couple of weeks I

2501
01:56:44,020 --> 01:56:39,800
wanted to get all this out and just give

2502
01:56:45,640 --> 01:56:44,030
you an idea of the mess that this is you

2503
01:56:47,920 --> 01:56:45,650
know talk to David because David has

2504
01:56:49,720 --> 01:56:47,930
been the best friend anybody put out

2505
01:56:51,100 --> 01:56:49,730
throughout all of this and we aren't

2506
01:56:56,520 --> 01:56:51,110
always seen eye-to-eye but we've always

2507
01:57:01,330 --> 01:56:58,750
you've kept it all alive

2508
01:57:03,310 --> 01:57:01,340
well I second a break because I couldn't

2509
01:57:05,260 --> 01:57:03,320
continue I have to separate myself from

2510
01:57:08,440 --> 01:57:05,270
it I know it's to give everybody else a

2511
01:57:10,300 --> 01:57:08,450
break alright alright is a lie oh we

2512
01:57:14,050 --> 01:57:10,310
know right okay but not everybody knows

2513
01:57:16,230 --> 01:57:14,060

and that's wrong so now I've got some

2514

01:57:18,610 --> 01:57:16,240

evidence and is absolutely irrefutable

2515

01:57:19,810 --> 01:57:18,620

I'm not gonna say what and I'm not gonna

2516

01:57:22,000 --> 01:57:19,820

say where it's come from I'm not gonna

2517

01:57:24,460 --> 01:57:22,010

say anything because I want it to be a

2518

01:57:26,320 --> 01:57:24,470

complete surprise which it's going to be

2519

01:57:28,720 --> 01:57:26,330

I don't know if it'll be next week on

2520

01:57:32,710 --> 01:57:28,730

week after but it is yeah even I don't

2521

01:57:33,730 --> 01:57:32,720

know nobody knows because that's just

2522

01:57:36,580 --> 01:57:33,740

the way it's up to be

2523

01:57:39,040 --> 01:57:36,590

and you know I keep my promises so

2524

01:57:43,090 --> 01:57:39,050

nobody knows right from me and one other

2525

01:57:45,550 --> 01:57:43,100

person and then me and that other person

2526

01:57:49,210 --> 01:57:45,560

are gonna be talking about all of this

2527

01:57:50,740 --> 01:57:49,220

and the evidence and I'm gonna have to

2528

01:57:53,500 --> 01:57:50,750

leave it there unfortunately I can't

2529

01:57:56,470 --> 01:57:53,510

even believe that you know it's flown by

2530

01:57:57,850 --> 01:57:56,480

again I knew it would I hope we haven't

2531

01:57:59,620 --> 01:57:57,860

jumped about too much I hope we haven't

2532

01:58:01,840 --> 01:57:59,630

been sealed confusing it is very

2533

01:58:03,460 --> 01:58:01,850

difficult even with notes in front of me

2534

01:58:05,680 --> 01:58:03,470

to stay and keep everything in order

2535

01:58:08,440 --> 01:58:05,690

because there's just so much of it and

2536

01:58:10,510 --> 01:58:08,450

and and it all ties into other stuff

2537

01:58:12,550 --> 01:58:10,520

it's just like one big ball and I'll

2538

01:58:15,310 --> 01:58:12,560

we've done is shown you like one

2539

01:58:17,680 --> 01:58:15,320

quadrant of the ball so there's the

2540

01:58:19,740 --> 01:58:17,690

entire whole story that needs to be told

2541

01:58:21,820 --> 01:58:19,750

which it will be when I write the book

2542

01:58:23,290 --> 01:58:21,830

you know I'm not it's not finished

2543

01:58:27,780 --> 01:58:23,300

because it can't be finished because

2544

01:58:29,890 --> 01:58:27,790

this is still unfolding and you know

2545

01:58:32,290 --> 01:58:29,900

after all shall I leave it till after

2546

01:58:35,500 --> 01:58:32,300

the film but I thought no I'll just kind

2547

01:58:36,850 --> 01:58:35,510

of do a recap after the film so I'm

2548

01:58:41,640 --> 01:58:36,860

really I'm going to get it out of my

2549

01:58:43,840 --> 01:58:41,650

life now they say they said new evidence

2550

01:58:50,020 --> 01:58:43,850

can't be argued with I'm sure they'll

2551

01:58:52,390 --> 01:58:50,030

find ways so idea with it yes lady doth

2552

01:58:53,740 --> 01:58:52,400

protest too much so thank you for coming

2553

01:59:03,550 --> 01:58:53,750

on David I know you're not feeling very

2554

01:59:13,330 --> 01:59:03,560

well I've come back I've been ill for

2555

01:59:15,460 --> 01:59:13,340

the last three or four days got

2556

01:59:19,960 --> 01:59:15,470

something going on is the time for now

2557

01:59:24,880 --> 01:59:19,970

revised but thanks for listening

2558

01:59:27,250 --> 01:59:24,890
