paranormal mysteries on access Northwest

16

00:00:42,799 --> 00:00:39,300

community radio here in lovely Liverpool

17

00:00:44,569 --> 00:00:42,809

how are we all this week tonight my

18

00:00:46,970 --> 00:00:44,579

guest is somebody that I came to know

19

00:00:49,490 --> 00:00:46,980

during the start of my investigation

20

00:00:54,560 --> 00:00:49,500

into the Larry Warren fraud and once

21

00:00:56,869 --> 00:00:54,570

upon a time we clashed but this was

22

00:00:59,840 --> 00:00:56,879

because of the dramatics caused by Larry

23

00:01:01,610 --> 00:00:59,850

Warren and and the little fibs that he

24

00:01:06,370 --> 00:01:01,620

started to tell to me and I cannot

25

00:01:10,969 --> 00:01:06,380

reveal the truth and Allison was once on

26

00:01:14,240 --> 00:01:10,979

Larry Warren's side but until he

27

00:01:16,130 --> 00:01:14,250

disgraced himself a conference or B just

28

00:01:18,800 --> 00:01:16,140

before the conference it was all very

29

00:01:20,719 --> 00:01:18,810

dramatic but this is that was what she

30

00:01:22,789 --> 00:01:20,729

when she saw his atrocious behavior for

31

00:01:25,520 --> 00:01:22,799

herself and she wrote a statement to the

32

00:01:28,039 --> 00:01:25,530

public where she had to admit that he

33

00:01:30,950 --> 00:01:28,049

was indeed the aggressor and revealed a

34

00:01:34,399 --> 00:01:30,960

whole heap of issues that he went on to

35

00:01:37,940 --> 00:01:34,409

deny she then became a target of this

36

00:01:39,830 --> 00:01:37,950

vitriol herself ironically when we

37

00:01:41,840 --> 00:01:39,840

started talking we found out we had so

38

00:01:43,819 --> 00:01:41,850

many commonalities that was almost

39

00:01:46,130 --> 00:01:43,829

supernatural in itself it was really

40

00:01:49,249 --> 00:01:46,140

funny so we've become firm friends on

41

00:01:51,710 --> 00:01:49,259

supporters of each other and she's been

42

00:01:54,230 --> 00:01:51,720

instrumental in invaluable throughout

43

00:01:57,530 --> 00:01:54,240

the whole affair and is the only radio

44

00:01:59,929 --> 00:01:57,540

show with the bald the radio shows with

45

00:02:02,410 --> 00:01:59,939

the balls to talk about any of it

46

00:02:05,420 --> 00:02:02,420

actually with me you know because

47

00:02:08,960 --> 00:02:05,430

everybody has everybody else on but

48

00:02:12,949 --> 00:02:08,970

nobody talks to me that's quite familiar

49

00:02:13,670 --> 00:02:12,959

anyway tonight we're going to be talking

50

00:02:16,819 --> 00:02:13,680

about all

51  
00:02:20,000 --> 00:02:16,829  
things spooky and I've got no idea where

52  
00:02:22,039 --> 00:02:20,010  
the conversation will go one of our most

53  
00:02:24,920 --> 00:02:22,049  
common things in life is the parent

54  
00:02:28,849 --> 00:02:24,930  
paranormal but more specifically

55  
00:02:31,039 --> 00:02:28,859  
hauntings and demonic entities and both

56  
00:02:35,629 --> 00:02:31,049  
of us have the deepest interest in

57  
00:02:39,110 --> 00:02:35,639  
exorcisms and recently she was ordained

58  
00:02:42,530 --> 00:02:39,120  
by the church her congratulations and

59  
00:02:43,879 --> 00:02:42,540  
please welcome Alison Dunlop our guest

60  
00:02:46,550 --> 00:02:43,889  
hi Alison

61  
00:02:47,300 --> 00:02:46,560  
hi sure thank you very much for having

62  
00:02:49,339 --> 00:02:47,310  
me on the show

63  
00:02:54,259 --> 00:02:49,349

well it's great to have you on my show

64

00:02:56,059 --> 00:02:54,269

for a check well or not no just before

65

00:02:58,339 --> 00:02:56,069

we Benny filed on I have to say that I

66

00:03:02,059 --> 00:02:58,349

think this actually it ridiculous that

67

00:03:04,659 --> 00:03:02,069

no other radio show host has invited you

68

00:03:07,209 --> 00:03:04,669

on to talk about the lhari warden

69

00:03:08,599 --> 00:03:07,219

investigation I think that's absolutely

70

00:03:11,000 --> 00:03:08,609

appalling

71

00:03:14,860 --> 00:03:11,010

I really do when they can invite people

72

00:03:17,689 --> 00:03:14,870

like Larry warden and Gary Heseltine and

73

00:03:21,680 --> 00:03:17,699

Cristina is it christinageorge

74

00:03:25,580 --> 00:03:21,690

so I know yeah and I just think to not

75

00:03:26,030 --> 00:03:25,590

invite you all and I mean what is that

76

00:03:29,000 --> 00:03:26,040

all about

77

00:03:32,719 --> 00:03:29,010

it's not I want to see it's insulting it

78

00:03:36,619 --> 00:03:32,729

as insulting but I don't know what else

79

00:03:39,530 --> 00:03:36,629

it actually says about these radio show

80

00:03:41,649 --> 00:03:39,540

hosts well the deal I'll say at the

81

00:03:44,360 --> 00:03:41,659

beginning of their shells don't leave it

82

00:03:46,580 --> 00:03:44,370

there I'm afraid to ask the questions

83

00:03:49,129 --> 00:03:46,590

and they're jaded and all these promises

84

00:03:53,830 --> 00:03:49,139

but they're naturally the marble that

85

00:03:56,089 --> 00:03:53,840

allow offending the bigger names in you

86

00:03:59,569 --> 00:03:56,099

you know it's all this professional

87

00:04:03,020 --> 00:03:59,579

courtesy which is what allows this kind

88

00:04:07,759 --> 00:04:03,030

of behavior to continue to carry on yeah

89  
00:04:10,249 --> 00:04:07,769  
mm-hmm so it's a case of you know oh you

90  
00:04:14,119 --> 00:04:10,259  
can't talk to the sauce because the

91  
00:04:17,199 --> 00:04:14,129  
sauce is you can't be controlled and I

92  
00:04:20,870 --> 00:04:17,209  
think that's what it is not you know I

93  
00:04:23,750 --> 00:04:20,880  
think actually that's a lot of it to

94  
00:04:27,260 --> 00:04:23,760  
them I'm unpredictable because I'm not

95  
00:04:28,790 --> 00:04:27,270  
this polished persona that a lot of the

96  
00:04:30,860 --> 00:04:28,800  
people

97  
00:04:42,500 --> 00:04:30,870  
ufology and the paranormal saying kind

98  
00:04:45,890 --> 00:04:42,510  
of put forward because I'm not a

99  
00:04:50,080 --> 00:04:45,900  
professional researcher I'm not a

100  
00:04:52,670 --> 00:04:50,090  
professional UFO anything how can you be

101  
00:04:55,159 --> 00:04:52,680  
professional about something that's

102  
00:04:59,240 --> 00:04:55,169  
happened to you in your life you know

103  
00:05:02,600 --> 00:04:59,250  
it's an event it's an incident it's

104  
00:05:05,020 --> 00:05:02,610  
something that's around me you know it's

105  
00:05:11,210 --> 00:05:05,030  
not actually something that I've chosen

106  
00:05:14,719 --> 00:05:11,220  
so I'm not a polished polished act am I

107  
00:05:18,190 --> 00:05:14,729  
you know and I don't have books and

108  
00:05:20,690 --> 00:05:18,200  
conferences all hanging on my behavior

109  
00:05:22,250 --> 00:05:20,700  
which I find to be very liberating

110  
00:05:24,050 --> 00:05:22,260  
because that means that you can actually

111  
00:05:26,600 --> 00:05:24,060  
tell the truth and do something about

112  
00:05:30,680 --> 00:05:26,610  
the situation rather than just sitting

113  
00:05:32,510 --> 00:05:30,690

on a fence watching it all go on but not

114

00:05:34,250 --> 00:05:32,520

getting involved because you know I

115

00:05:37,430 --> 00:05:34,260

don't want to I don't want to be

116

00:05:39,980 --> 00:05:37,440

bothered with that it's very frustrating

117

00:05:41,840 --> 00:05:39,990

that coming up to that conference that

118

00:05:43,219 --> 00:05:41,850

you were talking about and it did feel

119

00:05:46,670 --> 00:05:43,229

like I was sitting on the fence a little

120

00:05:49,250 --> 00:05:46,680

bit because I had this event coming up I

121

00:05:51,230 --> 00:05:49,260

would have not me personally but the

122

00:05:54,140 --> 00:05:51,240

conference would have lost a huge amount

123

00:05:57,560 --> 00:05:54,150

of money and all these people would have

124

00:06:00,560 --> 00:05:57,570

been there that had no place to you know

125

00:06:04,370 --> 00:06:00,570

take them to it would just been a

126  
00:06:06,170 --> 00:06:04,380  
complete nutter disaster and so a lot of

127  
00:06:07,909 --> 00:06:06,180  
the time I felt I was having to keep my

128  
00:06:11,659 --> 00:06:07,919  
mouth shut and just carry on and carry

129  
00:06:14,029 --> 00:06:11,669  
on until it was all over at which point

130  
00:06:18,050 --> 00:06:14,039  
I just kind of collapsed and a bit of a

131  
00:06:21,020 --> 00:06:18,060  
heap and they hit over but I was so glad

132  
00:06:24,980 --> 00:06:21,030  
that we did get that sorted out and we

133  
00:06:27,710 --> 00:06:24,990  
talked about it and realized what was

134  
00:06:32,750 --> 00:06:27,720  
you know been say it had been a hoarder

135  
00:06:35,450 --> 00:06:32,760  
lies yeah I think it's it just goes to

136  
00:06:38,360 --> 00:06:35,460  
show how the scene operates as well

137  
00:06:40,279 --> 00:06:38,370  
because it's kind of like the one and

138  
00:06:42,109 --> 00:06:40,289

we're all guilty of AIDS I'm not

139

00:06:44,450 --> 00:06:42,119

the finger at you are saying that all

140

00:06:47,600 --> 00:06:44,460

that you know Oh people do this you know

141

00:06:50,989 --> 00:06:47,610

I've done it myself is that we react we

142

00:06:54,829 --> 00:06:50,999

don't choose our actions we react to

143

00:06:56,629 --> 00:06:54,839

things and we react out of you know

144

00:07:01,339 --> 00:06:56,639

there's a little pile of reasons that

145

00:07:03,739 --> 00:07:01,349

usually dunno how we will respond or

146

00:07:06,350 --> 00:07:03,749

jump to a person's side we have these

147

00:07:08,559 --> 00:07:06,360

professional courtesies and our will

148

00:07:10,999 --> 00:07:08,569

they've done that for me or you know

149

00:07:14,209 --> 00:07:11,009

they've got a conference so I don't want

150

00:07:20,320 --> 00:07:14,219

to upset them and you know all that kind

151  
00:07:22,760 --> 00:07:20,330  
of thing but the scene is a bit

152  
00:07:24,799 --> 00:07:22,770  
nightmare because well it's a lot of a

153  
00:07:27,790 --> 00:07:24,809  
nightmare isn't it because like I said

154  
00:07:30,409 --> 00:07:27,800  
before and like we've both said a lot

155  
00:07:32,510 --> 00:07:30,419  
there's kind of like a wall of

156  
00:07:35,959 --> 00:07:32,520  
protection that comes up around people

157  
00:07:37,999 --> 00:07:35,969  
but you know it used to be you and it

158  
00:07:39,320 --> 00:07:38,009  
used to be me when it comes to our own

159  
00:07:44,540 --> 00:07:39,330  
we were part of that wall of protection

160  
00:07:47,119 --> 00:07:44,550  
so yeah well you know we didn't question

161  
00:07:49,549 --> 00:07:47,129  
it I didn't question him I believed him

162  
00:07:51,350 --> 00:07:49,559  
because I met him and I listened to him

163  
00:07:52,820 --> 00:07:51,360

and I looked to him and I thought this

164

00:07:59,110 --> 00:07:52,830

guy's telling the truth this guy's got

165

00:08:04,399 --> 00:08:02,719

he's not like one of them but these are

166

00:08:06,049 --> 00:08:04,409

the untouchables the ones that don't

167

00:08:08,600 --> 00:08:06,059

respond to anymore because I've had

168

00:08:10,189 --> 00:08:08,610

years and years and years of it and it's

169

00:08:13,009 --> 00:08:10,199

the same thing for them over and over

170

00:08:15,079 --> 00:08:13,019

isn't it no matter who you talk to

171

00:08:16,489 --> 00:08:15,089

they Travis Walton imagine how many

172

00:08:22,820 --> 00:08:16,499

times he's got to talk about his

173

00:08:25,519 --> 00:08:22,830

experience so people don't reply to you

174

00:08:27,259 --> 00:08:25,529

you know they don't they don't often get

175

00:08:36,649 --> 00:08:27,269

the emails either you might be sent into

176

00:08:39,980 --> 00:08:36,659

an old email address or whatever so do I

177

00:08:42,350 --> 00:08:39,990

do but you know I can't entirely this

178

00:08:44,259 --> 00:08:42,360

and you see this wall of defense that

179

00:08:46,879 --> 00:08:44,269

surround and these people that are

180

00:08:49,370 --> 00:08:46,889

around and they're perhaps even new to

181

00:08:51,800 --> 00:08:49,380

the subject I can't entirely hold them

182

00:08:53,330 --> 00:08:51,810

to blame because as you see but we've

183

00:08:55,700 --> 00:08:53,340

been in that position at one

184

00:08:59,090 --> 00:08:55,710

but just hopefully through same they

185

00:09:03,230 --> 00:08:59,100

will read a little bit more and you know

186

00:09:07,519 --> 00:09:03,240

take a step back not get to you know

187

00:09:11,540 --> 00:09:07,529

jump on the bandwagon and and become up

188

00:09:16,670 --> 00:09:11,550

about that a good if P I've probably I

189

00:09:18,920 --> 00:09:16,680

did you know because you can have look

190

00:09:21,200 --> 00:09:18,930

up to the space and and they represent

191

00:09:24,680 --> 00:09:21,210

something to you and that's completely

192

00:09:26,210 --> 00:09:24,690

understandable but and he does kind of

193

00:09:29,690 --> 00:09:26,220

make himself out to be a bit of a rock

194

00:09:32,600 --> 00:09:29,700

star so that's yeah yeah or very you

195

00:09:35,780 --> 00:09:32,610

know if it's a new person to you and

196

00:09:39,320 --> 00:09:35,790

you're impressed by that then you may

197

00:09:43,430 --> 00:09:39,330

fall for it but hopefully people are not

198

00:09:47,960 --> 00:09:43,440

falling for it other than rock star no

199

00:09:50,630 --> 00:09:47,970

not no not the ones not even the people

200

00:09:53,540 --> 00:09:50,640

around him because if you look at that

201  
00:10:01,940 --> 00:09:53,550  
and christinageorge interview with him

202  
00:10:04,400 --> 00:10:01,950  
with German child Gary yeah so in the

203  
00:10:06,320 --> 00:10:04,410  
late 70s I was the PA to the Beach Boys

204  
00:10:09,560 --> 00:10:06,330  
and if that was true you'd be going Oh

205  
00:10:11,360 --> 00:10:09,570  
God really wow you know and and I knew

206  
00:10:13,130 --> 00:10:11,370  
John Lennon and I met him three times

207  
00:10:14,900 --> 00:10:13,140  
and I did this and you be going wow

208  
00:10:17,329 --> 00:10:14,910  
that's amazing Wow and they're just like

209  
00:10:23,660 --> 00:10:17,339  
going they've got this rolling eyes oh

210  
00:10:26,870 --> 00:10:23,670  
my gosh oh stop talking but every day in

211  
00:10:28,610 --> 00:10:26,880  
Italy there's new people you know join

212  
00:10:30,500 --> 00:10:28,620  
in his page and because you see new

213  
00:10:32,480 --> 00:10:30,510

names coming up and you think but you've

214

00:10:34,550 --> 00:10:32,490

obviously not read anything yet you know

215

00:10:36,740 --> 00:10:34,560

we're doing a new bit of the subject but

216

00:10:40,610 --> 00:10:36,750

hopefully one day you will you'll see

217

00:10:43,130 --> 00:10:40,620

through all this all these lies

218

00:10:46,400 --> 00:10:43,140

well Gary's were saying that if there's

219

00:10:49,730 --> 00:10:46,410

no evidence of him lying but there he

220

00:10:51,380 --> 00:10:49,740

was there right there with the PDA to

221

00:10:56,600 --> 00:10:51,390

the Beach Boys he goes are you were a

222

00:10:58,990 --> 00:10:56,610

kid they want you Lowry yes he was a

223

00:11:03,110 --> 00:10:59,000

child he just our school and apparently

224

00:11:04,310 --> 00:11:03,120

he was in England as well and also he

225

00:11:06,390 --> 00:11:04,320

was running around with the Beach Boys

226

00:11:09,120 --> 00:11:06,400

and met John

227

00:11:13,710 --> 00:11:09,130

just all kind of accidentally you know

228

00:11:16,760 --> 00:11:13,720

like well I mean it's almost like it

229

00:11:19,530 --> 00:11:16,770

could it be and related to suddenly and

230

00:11:22,260 --> 00:11:19,540

what you call them when people think

231

00:11:24,240 --> 00:11:22,270

that they're Napoleon or God or whatever

232

00:11:28,380 --> 00:11:24,250

you know it's like he thinks he was

233

00:11:34,820 --> 00:11:28,390

friends with John Lennon I make sure

234

00:11:42,210 --> 00:11:39,630

the Beach Boys or other fans as well I

235

00:11:49,560 --> 00:11:42,220

can't remember now yeah they come try

236

00:11:53,130 --> 00:11:49,570

think of trying to block all and the

237

00:11:57,120 --> 00:11:53,140

best one is the Jimi Hendrix gave Stevie

238

00:12:10,820 --> 00:11:57,130

Ray Vaughan his her signed up someone

239

00:12:17,010 --> 00:12:15,390

then when he no I stole them questions

240

00:12:18,720 --> 00:12:17,020

in that show that he did with him that

241

00:12:20,310 --> 00:12:18,730

kind of like podcaster did and he asked

242

00:12:23,340 --> 00:12:20,320

him all these questions when he cousin

243

00:12:25,710 --> 00:12:23,350

asked him about that he said I didn't

244

00:12:29,460 --> 00:12:25,720

say that oh you see this is what these

245

00:12:32,370 --> 00:12:29,470

people do he said I said I should have

246

00:12:35,430 --> 00:12:32,380

been paid half a million but my friend

247

00:12:38,400 --> 00:12:35,440

Richard signed them he said I introduced

248

00:12:41,130 --> 00:12:38,410

them and I should have been given half a

249

00:12:42,900 --> 00:12:41,140

million but I wasn't and you know it was

250

00:12:47,400 --> 00:12:42,910

like actually a guy called Michael a

251  
00:12:51,030 --> 00:12:47,410  
lager signed Metallica and they've never

252  
00:12:52,650 --> 00:12:51,040  
heard of Larry Warren you know you know

253  
00:12:56,790 --> 00:12:52,660  
until I make sure you've got a good

254  
00:12:58,650 --> 00:12:56,800  
memory well how can you lie about why

255  
00:13:01,500 --> 00:12:58,660  
even lie about that you know why even

256  
00:13:06,210 --> 00:13:01,510  
lie about Metallica and it's so easy to

257  
00:13:08,640 --> 00:13:06,220  
find out who but that bit history from

258  
00:13:10,440 --> 00:13:08,650  
start to finish if that band and

259  
00:13:16,950 --> 00:13:10,450  
everybody who has ever been involved in

260  
00:13:19,780 --> 00:13:16,960  
them and I can you know maybe Taylor's

261  
00:13:22,810 --> 00:13:19,790  
that there is something else

262  
00:13:35,740 --> 00:13:22,820  
you're not going on there well there are

263  
00:13:38,680 --> 00:13:35,750

some Metallica memorabilia the things

264

00:13:41,680 --> 00:13:38,690

that we have to deal with it's some

265

00:13:45,370 --> 00:13:41,690

situation is some situation I'm quite

266

00:13:53,710 --> 00:13:45,380

glad it's and well for me the majority

267

00:13:56,170 --> 00:13:53,720

of its its past no making the Fayette

268

00:14:00,550 --> 00:13:56,180

film kettle green which is based on the

269

00:14:03,190 --> 00:14:00,560

lie for those who don't know and you

270

00:14:04,510 --> 00:14:03,200

know that quite a storage to some of the

271

00:14:07,990 --> 00:14:04,520

people that have like you need to take

272

00:14:12,240 --> 00:14:08,000

part in it but that's just up my body

273

00:14:14,530 --> 00:14:12,250

apart from the actual witnesses yeah no

274

00:14:19,890 --> 00:14:14,540

John Burroughs there's no Jim Penniston

275

00:14:21,910 --> 00:14:19,900

there's no Colonel halt and Jim and

276

00:14:25,410 --> 00:14:21,920

Colonel halt of both said they're not

277

00:14:30,700 --> 00:14:25,420

allowed to use and he named them yeah

278

00:14:32,800 --> 00:14:30,710

anything yeah read a horse email back to

279

00:14:36,130 --> 00:14:32,810

the guy or later back to the guy saying

280

00:14:38,620 --> 00:14:36,140

no you can't use anything I mean and

281

00:14:43,000 --> 00:14:38,630

seeing to him that you know you realize

282

00:14:44,710 --> 00:14:43,010

that that's this whole rubbish maybe not

283

00:14:47,230 --> 00:14:44,720

in those warrants well Jim Penniston

284

00:14:50,200 --> 00:14:47,240

even put a post out the other day say in

285

00:14:53,200 --> 00:14:50,210

the Gary's spreading disinformation in

286

00:14:54,520 --> 00:14:53,210

Portugal and you know to the he's got to

287

00:14:57,310 --> 00:14:54,530

go further afield to all the other

288

00:15:01,300 --> 00:14:57,320

countries the Brazil Portugal Japan you

289

00:15:03,790 --> 00:15:01,310

know Japanese that X poll and because

290

00:15:10,120 --> 00:15:03,800

nobody in America or Britain or you know

291

00:15:14,260 --> 00:15:10,130

anywhere else wants to know the rest of

292

00:15:16,270 --> 00:15:14,270

the world should northern Jim's point

293

00:15:17,950 --> 00:15:16,280

lead out there at Gary's using Jim's

294

00:15:21,100 --> 00:15:17,960

intellectual property without permission

295

00:15:23,760 --> 00:15:21,110

and spreading disinformation which is

296

00:15:28,090 --> 00:15:23,770

true is what he's doing and this whole

297

00:15:32,200 --> 00:15:28,100

film cable green is total and utter

298

00:15:33,710 --> 00:15:32,210

fabrication and disinformation and every

299

00:15:36,710 --> 00:15:33,720

single person that

300

00:15:40,519 --> 00:15:36,720

interviewed none of them were with Larry

301  
00:15:49,699 --> 00:15:40,529  
that night ya know or as some day called

302  
00:15:56,389 --> 00:15:49,709  
it crapple green Johnson's complicit in

303  
00:15:59,630 --> 00:15:56,399  
any kind of fraud I think he's yeah yeah

304  
00:16:03,889 --> 00:15:59,640  
I just think he's you know he believes

305  
00:16:07,819 --> 00:16:03,899  
that it's not an investigation it's a

306  
00:16:09,860 --> 00:16:07,829  
tack of the trolls and why would he

307  
00:16:11,420 --> 00:16:09,870  
bother wasting his time reading a load

308  
00:16:12,759 --> 00:16:11,430  
of rubbish written by a woman who was

309  
00:16:15,800 --> 00:16:12,769  
insane

310  
00:16:17,900 --> 00:16:15,810  
well you know I have to say that was

311  
00:16:20,569 --> 00:16:17,910  
initially quite I don't need the block

312  
00:16:22,699 --> 00:16:20,579  
you know honestly because that was what

313  
00:16:25,970 --> 00:16:22,709

that was my impression that was what I

314

00:16:28,610 --> 00:16:25,980

had been told so I can understand him

315

00:16:30,410 --> 00:16:28,620

initially know it written your blog and

316

00:16:35,540 --> 00:16:30,420

hopefully one day you'll get around to

317

00:16:39,889 --> 00:16:35,550

you know probably after this nonsenses

318

00:16:41,840 --> 00:16:39,899

come out and we've all had something to

319

00:16:46,069 --> 00:16:41,850

say about yeah

320

00:16:53,480 --> 00:16:46,079

so I said people saying so I was in it I

321

00:16:57,470 --> 00:16:53,490

was in it and I'm and then she seems to

322

00:17:00,680 --> 00:16:57,480

be in short supply or people really do

323

00:17:04,520 --> 00:17:00,690

blindly believe and that's a real

324

00:17:06,730 --> 00:17:04,530

eye-opener as well for people who look

325

00:17:11,299 --> 00:17:06,740

into these people for honest information

326

00:17:14,120 --> 00:17:11,309

and structured research and you know

327

00:17:17,000 --> 00:17:14,130

findings they don't need any they just

328

00:17:22,040 --> 00:17:17,010

need a little bit of gossip and this way

329

00:17:25,790 --> 00:17:22,050

and then this one Swamp Thing yeah but

330

00:17:30,919 --> 00:17:25,800

it just shows you people have got more

331

00:17:32,570 --> 00:17:30,929

agendas than simply the truth you know

332

00:17:36,190 --> 00:17:32,580

they have other agendas whether it's

333

00:17:39,650 --> 00:17:36,200

just to be seen have their voice here'd

334

00:17:42,620 --> 00:17:39,660

or or whatever it is that you know

335

00:17:44,870 --> 00:17:42,630

they're doing it for but the truth is

336

00:17:46,290 --> 00:17:44,880

not a top priority and that is quite

337

00:17:47,970 --> 00:17:46,300

disappointing

338

00:17:50,750 --> 00:17:47,980

concern some of the people up here that

339

00:17:54,600 --> 00:17:50,760

are going to be enough yeah

340

00:17:57,210 --> 00:17:54,610

and that's all I've got to say on this

341

00:18:01,680 --> 00:17:57,220

well you know next year will be

342

00:18:05,940 --> 00:18:01,690

interesting because David Young and John

343

00:18:08,790 --> 00:18:05,950

Hanson putting on a conference would

344

00:18:12,800 --> 00:18:08,800

bridge and it's going to be Charles hull

345

00:18:18,600 --> 00:18:12,810

and Gary Baker he was a radar operator

346

00:18:21,960 --> 00:18:18,610

and Tim HS and a few others me included

347

00:18:24,540 --> 00:18:21,970

now we'll be talking about the Larry

348

00:18:27,600 --> 00:18:24,550

Warren fraud but the Rendlesham side of

349

00:18:30,630 --> 00:18:27,610

things because that is the focus so all

350

00:18:35,910 --> 00:18:30,640

his fibs about that and how we can

351

00:18:41,180 --> 00:18:35,920

deduce that they are folks hope you

352

00:18:49,530 --> 00:18:46,980

but you know John's going down the

353

00:18:53,010 --> 00:18:49,540

similar sort of Road I did as far as it

354

00:18:56,340 --> 00:18:53,020

being that you know maybe being a weapon

355

00:19:01,020 --> 00:18:56,350

systems test and aptitude kind of thing

356

00:19:02,970 --> 00:19:01,030

but he talks again once again Dave he

357

00:19:04,920 --> 00:19:02,980

said how John Burroughs I just said this

358

00:19:07,770 --> 00:19:04,930

in the post and it was about something

359

00:19:09,690 --> 00:19:07,780

and that I'd said so I corrected him

360

00:19:11,160 --> 00:19:09,700

because he keeps saying that I said that

361

00:19:13,560 --> 00:19:11,170

he wasn't there on the third night I've

362

00:19:15,750 --> 00:19:13,570

never ever said that I said the writer

363

00:19:17,610 --> 00:19:15,760

said but he wasn't there as in on

364

00:19:19,560 --> 00:19:17,620

careful green with Larry so you know

365

00:19:22,260 --> 00:19:19,570

like they all say to each other you were

366

00:19:24,600 --> 00:19:22,270

there you were there where I was

367

00:19:27,060 --> 00:19:24,610

that's what I meant I've never said that

368

00:19:31,110 --> 00:19:27,070

John was in it you know I actually know

369

00:19:32,910 --> 00:19:31,120

that Larry got the John and Jim not

370

00:19:37,050 --> 00:19:32,920

challenged I'm sorry John and Adrian and

371

00:19:41,840 --> 00:19:37,060

then Colonel Holtz Park was adapted to

372

00:19:44,760 --> 00:19:41,850

be he said of it John it was Warren and

373

00:19:49,440 --> 00:19:44,770

Adrian and then Colonel Holt was

374

00:19:51,540 --> 00:19:49,450

replaced by some mystery officer so I

375

00:19:54,120 --> 00:19:51,550

can totally see what he's done with all

376

00:19:58,800 --> 00:19:54,130

of it but it's what I shall be focusing

377

00:19:59,850 --> 00:19:58,810

on heavily that should be good needs to

378

00:20:00,930 --> 00:19:59,860

be done well

379

00:20:02,850 --> 00:20:00,940

because there's so many contradictions

380

00:20:04,650 --> 00:20:02,860

that I found laughs I just got a pile of

381

00:20:06,210 --> 00:20:04,660

them and I thought well I can either

382

00:20:08,510 --> 00:20:06,220

keep blogging all this stuff I can just

383

00:20:11,400 --> 00:20:08,520

put it together and put it out as a book

384

00:20:12,990 --> 00:20:11,410

and then obviously a YouTube video needs

385

00:20:18,480 --> 00:20:13,000

to be done for those people who don't

386

00:20:21,299 --> 00:20:18,490

want to read it would be good to have

387

00:20:23,910 --> 00:20:21,309

like a book available you know to say oh

388

00:20:26,669 --> 00:20:23,920

you're doing there though it's I don't

389

00:20:28,770 --> 00:20:26,679

know what your intentions are yeah you

390

00:20:33,450 --> 00:20:28,780

know an e-book basically but they need

391

00:20:35,600 --> 00:20:33,460

to have a solid base for the documents

392

00:20:38,400 --> 00:20:35,610

to live you know I can't keep relying on

393

00:20:42,590 --> 00:20:38,410

the flakiness of other people's YouTube

394

00:20:47,419 --> 00:20:42,600

channels and etc lots of transcribing

395

00:20:49,260 --> 00:20:47,429

because I always use people's you know

396

00:20:52,020 --> 00:20:49,270

broadcasts but we can use the

397

00:20:53,520 --> 00:20:52,030

transcripts just roses there's all sorts

398

00:20:56,880 --> 00:20:53,530

of little bits like that but it's going

399

00:20:59,039 --> 00:20:56,890

to be mostly video clips audio clips and

400

00:21:02,520 --> 00:20:59,049

images there's gonna be a lot of that

401  
00:21:05,190 --> 00:21:02,530  
because it's not me postulating about

402  
00:21:07,080 --> 00:21:05,200  
him it's him actually saying all these

403  
00:21:13,799 --> 00:21:07,090  
different things so I'm just gonna put

404  
00:21:16,230 --> 00:21:13,809  
them all next to each other you know

405  
00:21:18,840 --> 00:21:16,240  
there's no escapin it's it's him in his

406  
00:21:22,230 --> 00:21:18,850  
own voice that similar words that's him

407  
00:21:23,730 --> 00:21:22,240  
there in that video he said that yeah

408  
00:21:26,220 --> 00:21:23,740  
and of course some of the things that

409  
00:21:30,690 --> 00:21:26,230  
you say it's have been taken down off a

410  
00:21:37,110 --> 00:21:30,700  
certain website by a certain radio show

411  
00:21:38,940 --> 00:21:37,120  
host and which a few of you know you

412  
00:21:43,880 --> 00:21:38,950  
know because tidying up all the mistakes

413  
00:21:46,020 --> 00:21:43,890

oh they all the slanderous libelous

414

00:21:46,470 --> 00:21:46,030

defamation that's what they've been

415

00:21:51,659 --> 00:21:46,480

doing

416

00:21:53,430 --> 00:21:51,669

yeah I'm sure those things are still out

417

00:22:03,630 --> 00:21:53,440

there the probably been downloaded or

418

00:22:05,039 --> 00:22:03,640

recorded more than necessary but you

419

00:22:10,490 --> 00:22:05,049

need to keep on top of the picture oh

420

00:22:12,580 --> 00:22:10,500

yeah you do know there's a lot of them

421

00:22:16,480 --> 00:22:12,590

there's a lot of badness

422

00:22:18,970 --> 00:22:16,490

and mythology just well I don't know

423

00:22:22,630 --> 00:22:18,980

just know you know I'm sure it's always

424

00:22:24,850 --> 00:22:22,640

been there but it just seems to have got

425

00:22:27,430 --> 00:22:24,860

worse and worse and come to our head you

426

00:22:32,740 --> 00:22:27,440

know yeah and that's why I've moved away

427

00:22:35,200 --> 00:22:32,750

from it really I am NOT a ufologist and

428

00:22:37,840 --> 00:22:35,210

do not research UFOs what is that a

429

00:22:41,320 --> 00:22:37,850

research about them what can you tell

430

00:22:43,360 --> 00:22:41,330

from the outside of a craft photograph

431

00:22:45,850 --> 00:22:43,370

of the outside a craft a video of the

432

00:22:49,180 --> 00:22:45,860

outside of a craft are a tiny blob of

433

00:22:54,100 --> 00:22:49,190

something or whatever you know you can't

434

00:22:57,430 --> 00:22:54,110

deduce anything about its function its

435

00:22:59,889 --> 00:22:57,440

ability or its contents there's there's

436

00:23:03,430 --> 00:22:59,899

just nothing to know it's just a lot of

437

00:23:08,889 --> 00:23:03,440

people arguing about what they think all

438

00:23:10,450 --> 00:23:08,899

of this is I got nothing to offer I've

439

00:23:12,940 --> 00:23:10,460

got nothing to say

440

00:23:16,990 --> 00:23:12,950

I don't even you know want to be

441

00:23:21,580 --> 00:23:17,000

bothered and is so deeply into the kind

442

00:23:24,159 --> 00:23:21,590

of postulation of any of that because

443

00:23:27,820 --> 00:23:24,169

it's just completely useless in my life

444

00:23:29,799 --> 00:23:27,830

I've seen one but I can't go back in

445

00:23:31,330 --> 00:23:29,809

time in the TARDIS and interact with

446

00:23:34,320 --> 00:23:31,340

that moment so there's nothing I can

447

00:23:38,560 --> 00:23:34,330

know about it yeah I think all the

448

00:23:41,110 --> 00:23:38,570

apologists can really do is log down

449

00:23:44,440 --> 00:23:41,120

what you know what the tame the dead and

450

00:23:46,149 --> 00:23:44,450

all the information about who saw it you

451  
00:23:48,250 --> 00:23:46,159  
know what the experience was when they

452  
00:23:50,940 --> 00:23:48,260  
saw it I've heard that it's not much

453  
00:23:53,380 --> 00:23:50,950  
more that you can do apart from that a

454  
00:23:55,960 --> 00:23:53,390  
lot of them are not even interested in

455  
00:23:57,850 --> 00:23:55,970  
the experience of seeing it they don't

456  
00:23:59,039 --> 00:23:57,860  
want to know that they're just kind of

457  
00:24:02,260 --> 00:23:59,049  
nuts-and-bolts

458  
00:24:05,860 --> 00:24:02,270  
but and they experience of it as nothing

459  
00:24:10,330 --> 00:24:05,870  
because apparently we have no idea how

460  
00:24:12,820 --> 00:24:10,340  
to observe this is a misnomer that is

461  
00:24:15,159 --> 00:24:12,830  
spread around if you're not some sort of

462  
00:24:19,029 --> 00:24:15,169  
academic you've got no ability to

463  
00:24:21,399 --> 00:24:19,039

observe well most academics I know

464

00:24:23,409 --> 00:24:21,409

they're not very observant at all there

465

00:24:25,370 --> 00:24:23,419

might be completely intellectual but as

466

00:24:28,610 --> 00:24:25,380

far as things going up around them there

467

00:24:35,510 --> 00:24:28,620

I'll tell about it I'm okay

468

00:24:43,490 --> 00:24:35,520

academic and I'm so unobserved there you

469

00:24:45,350 --> 00:24:43,500

go you just keep singing this thing

470

00:24:47,150 --> 00:24:45,360

about the scientific method and I keep

471

00:24:50,000 --> 00:24:47,160

calling [h\_\_h] on it because there's

472

00:24:54,980 --> 00:24:50,010

nothing there's no empirical data so

473

00:24:57,590 --> 00:24:54,990

there's this little bit maybe from you

474

00:25:02,470 --> 00:24:57,600

know the very beginning of it all in the

475

00:25:05,900 --> 00:25:02,480

40s and 50s when observable speeds were

476  
00:25:09,310 --> 00:25:05,910  
insane you know thousands of miles an

477  
00:25:11,270 --> 00:25:09,320  
hour and we couldn't achieve that all we

478  
00:25:14,720 --> 00:25:11,280  
assumed that we couldn't achieve that

479  
00:25:17,150 --> 00:25:14,730  
then so you know there are little bits

480  
00:25:20,500 --> 00:25:17,160  
of things that we can deduce like well

481  
00:25:25,640 --> 00:25:20,510  
it was there and it was fast

482  
00:25:30,310 --> 00:25:25,650  
there was actually a module up on

483  
00:25:34,180 --> 00:25:30,320  
YouTube and it's Jake Valley and he's

484  
00:25:37,010 --> 00:25:34,190  
you know trying to move ufology forward

485  
00:25:39,230 --> 00:25:37,020  
with the kind of research and what it

486  
00:25:42,530 --> 00:25:39,240  
can tailors and things like that and it

487  
00:25:44,870 --> 00:25:42,540  
was quite an interesting video to the

488  
00:25:46,430 --> 00:25:44,880

point when I thought you know it might

489

00:25:49,270 --> 00:25:46,440

be harmless some of that and put

490

00:25:51,860 --> 00:25:49,280

together a course for SPI Scotland and

491

00:25:54,100 --> 00:25:51,870

maybe even to make it a jane little

492

00:25:57,320 --> 00:25:54,110

course not just you aim for

493

00:26:01,610 --> 00:25:57,330

investigation and research but some you

494

00:26:04,370 --> 00:26:01,620

know other aspects of the paranormal you

495

00:26:06,140 --> 00:26:04,380

know but it was very interesting I wish

496

00:26:08,180 --> 00:26:06,150

I could remember the name or you know

497

00:26:11,000 --> 00:26:08,190

what it's on to remember but no day off

498

00:26:13,070 --> 00:26:11,010

faint again but you just seem to have

499

00:26:15,320 --> 00:26:13,080

the right idea about the direction that

500

00:26:18,920 --> 00:26:15,330

we should be gone in mmm can you

501  
00:26:21,380 --> 00:26:18,930  
remember what they said no not offhand

502  
00:26:27,710 --> 00:26:21,390  
knowing it's actually been several years

503  
00:26:31,550 --> 00:26:27,720  
since I watched it yeah but you know if

504  
00:26:34,130 --> 00:26:31,560  
if fork what you know do a section on

505  
00:26:38,190 --> 00:26:34,140  
uShip for anything like that use that

506  
00:26:40,769 --> 00:26:38,200  
he's gone then they come across up

507  
00:26:42,810 --> 00:26:40,779  
it's well didn't he isn't neither person

508  
00:26:45,090 --> 00:26:42,820  
new mentioned the trickster being a part

509  
00:26:48,419 --> 00:26:45,100  
of it because you know there's there's

510  
00:26:51,690 --> 00:26:48,429  
like there's there's kind of these

511  
00:26:53,970 --> 00:26:51,700  
themes in life isn't there you know and

512  
00:26:56,090 --> 00:26:53,980  
it kind of Burgess on what we're going

513  
00:26:59,220 --> 00:26:56,100

to be talking about anyway we're kind of

514

00:27:00,989 --> 00:26:59,230

archetypes yeah pop album and the tricks

515

00:27:04,440 --> 00:27:00,999

to being one of them but then it's not

516

00:27:06,840 --> 00:27:04,450

an actual thing it's not like a man in a

517

00:27:10,619 --> 00:27:06,850

in a silly suit it was went a bit cheeky

518

00:27:13,889 --> 00:27:10,629

you know and kind of tripping you up on

519

00:27:18,859 --> 00:27:13,899

things like lies you know it's it that

520

00:27:21,379 --> 00:27:18,869

is deeper than that that is they all

521

00:27:23,879 --> 00:27:21,389

interacting with us this is that kind of

522

00:27:27,019 --> 00:27:23,889

synesthesia type thing where your

523

00:27:30,210 --> 00:27:27,029

environment is interacting with you and

524

00:27:33,570 --> 00:27:30,220

that and playing tricks on you that well

525

00:27:37,229 --> 00:27:33,580

that's what kind of I perceived him to

526

00:27:41,960 --> 00:27:37,239

mean I don't know that this is the only

527

00:27:48,629 --> 00:27:41,970

person that I've had and using that term

528

00:27:53,279 --> 00:27:48,639

I told you my memories really bad it's

529

00:28:12,060 --> 00:27:53,289

the guy that that investigated the

530

00:28:14,009 --> 00:28:12,070

Highgate vampire stuff Empire no nor the

531

00:28:21,239 --> 00:28:14,019

other guys the guy that opposes Amanda

532

00:28:22,889 --> 00:28:21,249

was Justin Justin swales uh-huh and he

533

00:28:24,989 --> 00:28:22,899

is a whole nother person of hair juice

534

00:28:31,919 --> 00:28:24,999

in that town and he used it in reference

535

00:28:37,940 --> 00:28:31,929

to the the other guy that we can't

536

00:28:45,419 --> 00:28:37,950

remember the name yes

537

00:28:47,039 --> 00:28:45,429

David hadn't hadn't maybe I don't know

538

00:28:48,899 --> 00:28:47,049

should it sure is

539

00:28:51,060 --> 00:28:48,909

I'm sure that's stupid yeah he thinks

540

00:28:51,810 --> 00:28:51,070

he's a vampire people yeah an actual

541

00:28:53,790 --> 00:28:51,820

when he lives in

542

00:28:58,470 --> 00:28:53,800

was it Bournemouth where all the old

543

00:29:03,270 --> 00:28:58,480

people live he's quite old Dutch yes I

544

00:29:05,310 --> 00:29:03,280

saw him doughnut reading I met both just

545

00:29:09,030 --> 00:29:05,320

an aunt aunt Marjan actually meet him

546

00:29:12,720 --> 00:29:09,040

but I don't listen to his lecture and he

547

00:29:15,060 --> 00:29:12,730

said on it that he doesn't believe he's

548

00:29:19,350 --> 00:29:15,070

a vampire he believes that he saw

549

00:29:21,150 --> 00:29:19,360

something that that was it doesn't

550

00:29:24,860 --> 00:29:21,160

believe in vampires I think the spot he

551  
00:29:28,950 --> 00:29:24,870  
said but he saw something in there that

552  
00:29:32,520 --> 00:29:28,960  
resembled one or something something to

553  
00:29:35,580 --> 00:29:32,530  
that effect but he is quite old no and

554  
00:29:37,620 --> 00:29:35,590  
he actually looks very ill to be honest

555  
00:29:41,130 --> 00:29:37,630  
I don't know how he's doing just no but

556  
00:29:46,710 --> 00:29:41,140  
he looked very old when I saw him but

557  
00:29:51,830 --> 00:29:46,720  
Justin said that he felt that David was

558  
00:29:56,490 --> 00:29:51,840  
come under the category of texture and

559  
00:30:01,410 --> 00:29:56,500  
he also said in relation to Lhari as

560  
00:30:04,950 --> 00:30:01,420  
well so and so with the he washes and

561  
00:30:07,670 --> 00:30:04,960  
and and in relation to actual people

562  
00:30:13,430 --> 00:30:07,680  
yeah and it coming through their

563  
00:30:17,430 --> 00:30:13,440

personality that that there is always in

564

00:30:22,050 --> 00:30:17,440

society there is a person somebody who

565

00:30:24,660 --> 00:30:22,060

will take on these attributes well there

566

00:30:28,650 --> 00:30:24,670

are like sixteen personality types

567

00:30:30,960 --> 00:30:28,660

aren't there that were so there's kind

568

00:30:34,050 --> 00:30:30,970

of like far with far subsets and fast

569

00:30:36,870 --> 00:30:34,060

also so far whatever I cut him forgotten

570

00:30:42,690 --> 00:30:36,880

I how this what the scales called but

571

00:30:45,180 --> 00:30:42,700

basically each one could be overlaid

572

00:30:50,720 --> 00:30:45,190

with an archetype you know the people

573

00:30:55,290 --> 00:30:50,730

have behaviors and morals bit and

574

00:30:57,330 --> 00:30:55,300

deviances and good bits you know there's

575

00:30:57,990 --> 00:30:57,340

a whole chunk which i could say for you

576

00:31:00,960 --> 00:30:58,000

Sasha

577

00:31:02,130 --> 00:31:00,970

I have I no ideas you know because I

578

00:31:03,870 --> 00:31:02,140

don't even know how to see myself

579

00:31:05,290 --> 00:31:03,880

because I've got about twenty five

580

00:31:07,600 --> 00:31:05,300

billion things going

581

00:31:12,640 --> 00:31:07,610

so I don't even know who I am I don't

582

00:31:19,330 --> 00:31:12,650

even know what I am you know I tell all

583

00:31:23,290 --> 00:31:19,340

these people you know I am Sapna [h\_\_h]

584

00:31:25,920 --> 00:31:23,300

Wow yeah maybe that so market I don't

585

00:31:30,040 --> 00:31:25,930

know what kind of I don't know what

586

00:31:32,590 --> 00:31:30,050

anything is unimaginably I've seen so

587

00:31:34,450 --> 00:31:32,600

many weird things and and then everyone

588

00:31:36,280 --> 00:31:34,460

just stood out the soul the system works

589

00:31:38,620 --> 00:31:36,290

and it isn't this kind of flat plate of

590

00:31:41,140 --> 00:31:38,630

you know everything little marbles

591

00:31:43,780 --> 00:31:41,150

rolling around a ball of fire he's crazy

592

00:31:47,770 --> 00:31:43,790

comic activity with us spinning around

593

00:31:51,190 --> 00:31:47,780

like in a spiral vortex and I saw that I

594

00:31:53,710 --> 00:31:51,200

thought I just thought what are we that

595

00:31:56,800 --> 00:31:53,720

yeah I think Japan is done would

596

00:32:08,530 --> 00:31:56,810

probably be something like the Shaymin

597

00:32:11,680 --> 00:32:08,540

archetype or shaman I love you the world

598

00:32:15,130 --> 00:32:11,690

is crazy I don't know how to see it you

599

00:32:19,810 --> 00:32:15,140

know so as an archetype I don't think

600

00:32:21,610 --> 00:32:19,820

I'm fixed I think I'm mutable like I

601  
00:32:24,640 --> 00:32:21,620  
think I like to think that the shame in

602  
00:32:27,370 --> 00:32:24,650  
us yeah in that respect there they

603  
00:32:30,100 --> 00:32:27,380  
remain just completely you know open to

604  
00:32:32,530 --> 00:32:30,110  
all possibilities well and to all

605  
00:32:37,690 --> 00:32:32,540  
influences because if these energies are

606  
00:32:40,810 --> 00:32:37,700  
real and you know we are this spirit

607  
00:32:44,650 --> 00:32:40,820  
having a human experience that means the

608  
00:32:46,540 --> 00:32:44,660  
Spirit is eternal or it's just there all

609  
00:32:51,810 --> 00:32:46,550  
the time and this is something that's

610  
00:32:55,930 --> 00:32:51,820  
happening physically but in reality our

611  
00:32:57,640 --> 00:32:55,940  
spirit is you know it's not this body

612  
00:32:59,740 --> 00:32:57,650  
this it doesn't exist because of the

613  
00:33:07,660 --> 00:32:59,750

body the body exists because of the

614

00:33:10,770 --> 00:33:07,670

spirit so you know all of when we die we

615

00:33:14,889 --> 00:33:10,780

go back to that state so all of this

616

00:33:17,739 --> 00:33:14,899

experience and all of this kind of

617

00:33:20,100 --> 00:33:17,749

stuff that comes up as like aliens and

618

00:33:23,259 --> 00:33:20,110

ghosts and things like that are

619

00:33:26,379 --> 00:33:23,269

incidents in our lives that not

620

00:33:29,680 --> 00:33:26,389

necessarily well they're usually not at

621

00:33:31,690 --> 00:33:29,690

all what we think they are we live in a

622

00:33:35,320 --> 00:33:31,700

series of delusions don't we that we've

623

00:33:37,690 --> 00:33:35,330

created as a parameter of life so that

624

00:33:39,789 --> 00:33:37,700

we understand where everything is and

625

00:33:43,119 --> 00:33:39,799

feel like we know how everything works

626  
00:33:53,950 --> 00:33:43,129  
and that makes us feel real and here and

627  
00:33:57,249 --> 00:33:53,960  
you know like solid or valid but we do

628  
00:33:59,049 --> 00:33:57,259  
kind of like I think sometimes I do

629  
00:34:00,669 --> 00:33:59,059  
things and I think why did I do that it

630  
00:34:03,639 --> 00:34:00,679  
was like it was not me and I feel almost

631  
00:34:05,710 --> 00:34:03,649  
like a Sims character that somebody's

632  
00:34:07,869 --> 00:34:05,720  
picked up another game for a while and

633  
00:34:11,530 --> 00:34:07,879  
then forgotten about me again because I

634  
00:34:14,980 --> 00:34:11,540  
do things and I feel like it was an

635  
00:34:17,260 --> 00:34:14,990  
influence thing and I wonder it was you

636  
00:34:19,500 --> 00:34:17,270  
know is that me wanting to do that I'm a

637  
00:34:23,079 --> 00:34:19,510  
just a puppet to these archetypes who

638  
00:34:24,790 --> 00:34:23,089

playing the game like you know in Jason

639

00:34:26,379 --> 00:34:24,800

and the Argonauts the gods were playing

640

00:34:31,300 --> 00:34:26,389

with Manny it feels a little bit like

641

00:34:34,510 --> 00:34:31,310

that to me sometimes mm-hmm okay that's

642

00:34:37,059 --> 00:34:34,520

interest and I'm not I'm not here Dana

643

00:34:38,940 --> 00:34:37,069

whenever you're not describe it like

644

00:34:42,599 --> 00:34:38,950

that well that won't be the archetypes

645

00:34:46,180 --> 00:34:42,609

existing as they exist influencing man

646

00:34:49,089 --> 00:34:46,190

but we don't influence man on Mass it's

647

00:34:51,250 --> 00:34:49,099

on an individual basis isn't it so we

648

00:34:52,960 --> 00:34:51,260

kind of embody these archetypes for a

649

00:34:56,260 --> 00:34:52,970

while could be a little bit Joan of Arc

650

00:35:00,849 --> 00:34:56,270

one day and you know and Mother Teresa

651  
00:35:02,530 --> 00:35:00,859  
the next but then you know a little bit

652  
00:35:09,640 --> 00:35:02,540  
I can't think of anybody really bad but

653  
00:35:12,339 --> 00:35:09,650  
I can say for a day a little bit

654  
00:35:13,270 --> 00:35:12,349  
militant for a day or you know is he's

655  
00:35:17,170 --> 00:35:13,280  
like personally

656  
00:35:21,250 --> 00:35:17,180  
is this the is if the archetypes acting

657  
00:35:23,440 --> 00:35:21,260  
out their thing using us to do that are

658  
00:35:26,050 --> 00:35:23,450  
you know because it does feel sometimes

659  
00:35:27,800 --> 00:35:26,060  
that free will is a total illusion and

660  
00:35:30,380 --> 00:35:27,810  
that everything is mmm

661  
00:35:31,760 --> 00:35:30,390  
down because when you look back on life

662  
00:35:33,020 --> 00:35:31,770  
you think that had to go like that

663  
00:35:37,790 --> 00:35:33,030

mm-hmm

664

00:35:43,130 --> 00:35:37,800

yep yeah it's Osterley totally I give

665

00:35:45,140 --> 00:35:43,140

you it it's it's all too easy to we're

666

00:35:47,330 --> 00:35:45,150

talking about where you are joking there

667

00:35:50,540 --> 00:35:47,340

about what what personality take just

668

00:35:54,590 --> 00:35:50,550

say you are a butt and it's all too easy

669

00:35:57,860 --> 00:35:54,600

to try to fit someone in a box and and

670

00:35:59,930 --> 00:35:57,870

and make all black and white but not

671

00:36:02,240 --> 00:35:59,940

only is life not black and white people

672

00:36:07,120 --> 00:36:02,250

are not black and white in their

673

00:36:09,920 --> 00:36:07,130

personalities they are and are we all

674

00:36:13,160 --> 00:36:09,930

personalities and a real of their

675

00:36:16,880 --> 00:36:13,170

attributes a little pile of bits and

676

00:36:18,530 --> 00:36:16,890

bobs it's almost like a joke it and when

677

00:36:22,130 --> 00:36:18,540

they need something they can pull that

678

00:36:24,970 --> 00:36:22,140

out and and and that's you know that's

679

00:36:28,820 --> 00:36:24,980

what they sure that that's what surfaces

680

00:36:32,410 --> 00:36:28,830

but it doesn't mean saw it means so say

681

00:36:35,410 --> 00:36:32,420

sometimes some dick and pepper nasty and

682

00:36:39,650 --> 00:36:35,420

but that doesn't mean that they are just

683

00:36:40,940 --> 00:36:39,660

100% a nasty person they also might be

684

00:36:43,490 --> 00:36:40,950

quite a lot in person

685

00:36:46,970 --> 00:36:43,500

then you know in another situation and

686

00:36:51,560 --> 00:36:46,980

so it is easy to look upon people as

687

00:36:54,070 --> 00:36:51,570

being you know 100 percent something and

688

00:36:58,460 --> 00:36:54,080

it doesn't give you the whole picture

689

00:37:01,370 --> 00:36:58,470

no no well my my my foundations have

690

00:37:03,140 --> 00:37:01,380

been sort of not shaken I don't know

691

00:37:05,660 --> 00:37:03,150

what it is maybe strengthened who knows

692

00:37:08,390 --> 00:37:05,670

when I started doing this course with

693

00:37:12,650 --> 00:37:08,400

this Exorcist this Exorcist Bishop Brian

694

00:37:15,740 --> 00:37:12,660

Juliet I'm sure that so say anyway yeah

695

00:37:18,770 --> 00:37:15,750

if you watch gossip and she's been on

696

00:37:22,520 --> 00:37:18,780

that a couple of times so you know I'm

697

00:37:24,950 --> 00:37:22,530

at the beginning of the course and he's

698

00:37:27,410 --> 00:37:24,960

kind of telling me a lot of the things I

699

00:37:29,450 --> 00:37:27,420

already know and it's quite interesting

700

00:37:30,770 --> 00:37:29,460

because he's telling people in the group

701  
00:37:32,840 --> 00:37:30,780  
you know he got to throw all your

702  
00:37:35,570 --> 00:37:32,850  
beliefs away because they're all wrong

703  
00:37:37,700 --> 00:37:35,580  
everything you believe is wrong and and

704  
00:37:39,590 --> 00:37:37,710  
he's in you know you think oh that's a

705  
00:37:41,300 --> 00:37:39,600  
bit strong and people are having these

706  
00:37:44,180 --> 00:37:41,310  
little crisis of faith but

707  
00:37:46,790 --> 00:37:44,190  
he was right we just think we know what

708  
00:37:49,480 --> 00:37:46,800  
things are but we don't the actuality is

709  
00:37:54,350 --> 00:37:49,490  
completely different to the perception

710  
00:37:56,360 --> 00:37:54,360  
you know and so it is kind of saying

711  
00:37:58,880 --> 00:37:56,370  
that we are a spirit having a human

712  
00:38:01,370 --> 00:37:58,890  
experience of what is completely true so

713  
00:38:04,820 --> 00:38:01,380

that it means that we exist in spirit

714

00:38:08,840 --> 00:38:04,830

already and then this is the human

715

00:38:10,250 --> 00:38:08,850

experience so when you die you're gonna

716

00:38:12,830 --> 00:38:10,260

meet yourself you're going to be there

717

00:38:14,660 --> 00:38:12,840

waiting for you because you were a

718

00:38:17,770 --> 00:38:14,670

spirit having the human experience so

719

00:38:21,940 --> 00:38:17,780

you're already there and I was just like

720

00:38:24,440 --> 00:38:21,950

[Laughter]

721

00:38:26,600 --> 00:38:24,450

I don't know if he's right I'm not

722

00:38:28,850 --> 00:38:26,610

saying that I'm gone all I'm not I'm not

723

00:38:30,860 --> 00:38:28,860

saying that immediately I'm starting to

724

00:38:32,840 --> 00:38:30,870

go to church and I'm gonna be baptized

725

00:38:35,900 --> 00:38:32,850

and become Catholic and all the rest of

726

00:38:38,000 --> 00:38:35,910

it but he's kind of going through all

727

00:38:40,190 --> 00:38:38,010

the different types of religions and the

728

00:38:43,040 --> 00:38:40,200

ages of them and the repetitiveness of

729

00:38:48,680 --> 00:38:43,050

this and he made an interesting point

730

00:38:50,630 --> 00:38:48,690

and a distinction the it just never

731

00:38:52,700 --> 00:38:50,640

occurred to me before that say like in

732

00:38:55,640 --> 00:38:52,710

Wicker and you know kind of pagan

733

00:39:00,470 --> 00:38:55,650

beliefs and that sort of kind of funky

734

00:39:05,420 --> 00:39:00,480

convo believes that I've got wicker and

735

00:39:08,360 --> 00:39:05,430

those things they they worship God's

736

00:39:11,270 --> 00:39:08,370

products is what he's done not what he

737

00:39:13,850 --> 00:39:11,280

is so we as you worship the earth the

738

00:39:16,460 --> 00:39:13,860

Sun the Moon you know the food they

739

00:39:18,320 --> 00:39:16,470

start on the other and so that's not

740

00:39:20,690 --> 00:39:18,330

actually worshiping God I just thought

741

00:39:23,180 --> 00:39:20,700

that was really interesting and because

742

00:39:25,430 --> 00:39:23,190

Saudi gone and because of that that's

743

00:39:27,470 --> 00:39:25,440

why I wanted to talk to you because I

744

00:39:32,300 --> 00:39:27,480

thought oh I know a lot for some good

745

00:39:34,940 --> 00:39:32,310

ideas about this well I think that's

746

00:39:40,550 --> 00:39:34,950

like a great way to and put it because

747

00:39:45,680 --> 00:39:40,560

and being peak and that was how I felt

748

00:39:49,790 --> 00:39:45,690

that the you know it's it's more about

749

00:39:55,400 --> 00:39:49,800

the the material why don't the you know

750

00:39:58,800 --> 00:39:58,200

you know what the trees the nature

751  
00:40:04,380 --> 00:39:58,810  
whatever

752  
00:40:06,710 --> 00:40:04,390  
and because paganism is is primarily me

753  
00:40:11,130 --> 00:40:06,720  
you know in nature based religion and

754  
00:40:14,340 --> 00:40:11,140  
for most peak and say enemy but I did

755  
00:40:16,650 --> 00:40:14,350  
feel like you know but what what about

756  
00:40:22,320 --> 00:40:16,660  
the it Bowl if you're polytheistic the

757  
00:40:26,330 --> 00:40:22,330  
gods monotheistic what God and you know

758  
00:40:28,650 --> 00:40:26,340  
and and that was I think why and

759  
00:40:32,640 --> 00:40:28,660  
Gnosticism was was quite appealing

760  
00:40:35,460 --> 00:40:32,650  
because it's almost like a pagan take on

761  
00:40:37,980 --> 00:40:35,470  
a well you could apply it to any

762  
00:40:40,620 --> 00:40:37,990  
religion but and the you know if he can

763  
00:40:43,650 --> 00:40:40,630

take on Christianity because I felt

764

00:40:45,810 --> 00:40:43,660

myself being pulled towards that just

765

00:40:49,680 --> 00:40:45,820

because I was investigating that trying

766

00:40:52,650 --> 00:40:49,690

to you know find out what I just get my

767

00:40:54,570 --> 00:40:52,660

hair drained what Christianity was and

768

00:40:57,750 --> 00:40:54,580

I'd never you know managed to do that

769

00:41:02,060 --> 00:40:57,760

before I was draw a Protestant but it

770

00:41:04,859 --> 00:41:02,070

wasn't really you know forced towards me

771

00:41:09,390 --> 00:41:04,869

but you know became peak and later on

772

00:41:13,980 --> 00:41:09,400

but you know Gnosticism to apply that to

773

00:41:19,170 --> 00:41:13,990

Christianity it's to look at the

774

00:41:25,680 --> 00:41:19,180

symbolism behind you know the mythology

775

00:41:30,450 --> 00:41:25,690

and the you know the church itself the

776

00:41:32,970 --> 00:41:30,460

the Eucharist and and it just it opens

777

00:41:35,580 --> 00:41:32,980

are all not to you you can you can walk

778

00:41:38,880 --> 00:41:35,590

into any church and get something from

779

00:41:40,500 --> 00:41:38,890

it when you do that whereas just to walk

780

00:41:43,800 --> 00:41:40,510

in touch I shouldn't be told certain

781

00:41:47,910 --> 00:41:43,810

things and I didn't really you know take

782

00:41:50,490 --> 00:41:47,920

much from that it's all about the kind

783

00:41:53,180 --> 00:41:50,500

of spiritual stuff as well isn't it's

784

00:41:56,940 --> 00:41:53,190

like salvation spiritual salvation so

785

00:42:01,800 --> 00:41:56,950

for example the Eucharist

786

00:42:03,480 --> 00:42:01,810

now before you you know consume the body

787

00:42:06,300 --> 00:42:03,490

of Christ and the blood of Christ

788

00:42:07,300 --> 00:42:06,310

etcetera you have to go through a

789

00:42:09,570 --> 00:42:07,310

certain process

790

00:42:12,910 --> 00:42:09,580

you have to be baptized and you have to

791

00:42:15,610 --> 00:42:12,920

you know there is a process you have to

792

00:42:18,310 --> 00:42:15,620

earn that right this is kind of magic

793

00:42:21,930 --> 00:42:18,320

and what I say right I mean it our ite

794

00:42:25,060 --> 00:42:21,940

not righ T because all of this is

795

00:42:30,240 --> 00:42:25,070

ceremony and ceremony is essentially

796

00:42:33,400 --> 00:42:30,250

magic and if you skip steps then

797

00:42:37,360 --> 00:42:33,410

spiritually that's unsafe

798

00:42:39,730 --> 00:42:37,370

you know yeah and so this is about this

799

00:42:41,680 --> 00:42:39,740

is I've kind of been learning about the

800

00:42:46,620 --> 00:42:41,690

dangers that I've been putting myself in

801  
00:42:49,840 --> 00:42:46,630  
because I've been unskilled and unsafe

802  
00:42:51,850 --> 00:42:49,850  
and and that doesn't stand just for

803  
00:42:56,560 --> 00:42:51,860  
Christ that's for any of these things

804  
00:42:57,400 --> 00:42:56,570  
any of these archetypes building or you

805  
00:42:59,440 --> 00:42:57,410  
know all of that

806  
00:43:03,370 --> 00:42:59,450  
whatever you kind of the wrapping that

807  
00:43:05,890 --> 00:43:03,380  
I'd put on God was sort of it was a

808  
00:43:08,860 --> 00:43:05,900  
distraction because I thought I don't

809  
00:43:12,640 --> 00:43:08,870  
believe in God I think Oh like God's a

810  
00:43:17,910 --> 00:43:12,650  
narcissist and you know love me all the

811  
00:43:20,350 --> 00:43:17,920  
rest of it so I deluded myself so

812  
00:43:22,240 --> 00:43:20,360  
beautifully into thinking that that God

813  
00:43:24,130 --> 00:43:22,250

wasn't me but this one was it's the same

814

00:43:26,530 --> 00:43:24,140

damn thing it's just a course of

815

00:43:36,550 --> 00:43:26,540

wrapping so I'm like oh my god do I

816

00:43:41,050 --> 00:43:36,560

actually believe in God with me I

817

00:43:43,180 --> 00:43:41,060

suddenly thought wow I'd even like a few

818

00:43:48,570 --> 00:43:43,190

months before I would never have ever

819

00:43:52,270 --> 00:43:48,580

thought of myself as being Christian and

820

00:43:57,310 --> 00:43:52,280

and then all of a sudden I was it was a

821

00:44:00,400 --> 00:43:57,320

whole process and something that I do

822

00:44:04,410 --> 00:44:00,410

you may be doing a spell but when I feel

823

00:44:07,990 --> 00:44:04,420

in need of something help in some way

824

00:44:10,240 --> 00:44:08,000

then I'll ask the angels and I can just

825

00:44:12,550 --> 00:44:10,250

be certain you know sitting on the couch

826

00:44:17,110 --> 00:44:12,560

seemed like all right can you help me

827

00:44:20,900 --> 00:44:17,120

here maple or or Raphael or whatever and

828

00:44:25,300 --> 00:44:20,910

and there will be a response some

829

00:44:28,280 --> 00:44:25,310

Boyet sometimes it's the next day so it

830

00:44:31,610 --> 00:44:28,290

came to the point where I had you know

831

00:44:36,020 --> 00:44:31,620

worked with the Angels I had realized

832

00:44:39,320 --> 00:44:36,030

that the the dead help I had had an

833

00:44:42,200 --> 00:44:39,330

unchaste and Mary as well and I knew

834

00:44:43,960 --> 00:44:42,210

that she could help too and I thought

835

00:44:46,760 --> 00:44:43,970

you know I'm looking all this

836

00:44:48,680 --> 00:44:46,770

Christianity stuff I can see that going

837

00:44:50,480 --> 00:44:48,690

to church doing the start the next thing

838

00:44:51,920 --> 00:44:50,490

I was looking at it from an outside

839

00:44:54,830 --> 00:44:51,930

point of view what are people getting

840

00:44:56,240 --> 00:44:54,840

from this and and I realized that they

841

00:44:59,900 --> 00:44:56,250

were getting something very therapeutic

842

00:45:01,850 --> 00:44:59,910

from it but it still wasn't I thought I

843

00:45:04,220 --> 00:45:01,860

was great it's therapeutic and they'll

844

00:45:07,340 --> 00:45:04,230

get advice when they go to to church or

845

00:45:10,850 --> 00:45:07,350

whatever but um the rest' oh it was

846

00:45:14,510 --> 00:45:10,860

still kind of you know the essential

847

00:45:17,480 --> 00:45:14,520

element and so I thought right okay the

848

00:45:21,470 --> 00:45:17,490

time has come out the thought and and

849

00:45:26,090 --> 00:45:21,480

asked Jesus to reveal himself to me as I

850

00:45:29,300 --> 00:45:26,100

would understand him as a pagan and that

851  
00:45:31,610 --> 00:45:29,310  
is exactly what happened the very next

852  
00:45:35,300 --> 00:45:31,620  
day that was exactly what happened at

853  
00:45:39,260 --> 00:45:35,310  
all the jigsaw pieces came together so I

854  
00:45:43,160 --> 00:45:39,270  
I think part of it is and you given your

855  
00:45:46,640 --> 00:45:43,170  
brain permission to accept what it as

856  
00:45:48,380 --> 00:45:46,650  
you're looking at because I don't know

857  
00:45:50,900 --> 00:45:48,390  
what it is that you're looking at so I

858  
00:45:53,420 --> 00:45:50,910  
kind of you know instead of saying oh

859  
00:45:57,230 --> 00:45:53,430  
that God is old you know God is Allah

860  
00:46:01,190 --> 00:45:57,240  
God is God or God is Jesus I'm Mary I'm

861  
00:46:03,320 --> 00:46:01,200  
bloody whatever that's not actually it

862  
00:46:07,850 --> 00:46:03,330  
because what we we just think that we

863  
00:46:13,550 --> 00:46:07,860

know the actuality is unknowable but we

864

00:46:18,590 --> 00:46:13,560

need to put a face on it yeah yeah

865

00:46:21,530 --> 00:46:18,600

as I say the whole and the whole thing

866

00:46:25,040 --> 00:46:21,540

Matos just doesn't is that you know you

867

00:46:30,250 --> 00:46:25,050

can apply it to all religions but it

868

00:46:34,609 --> 00:46:30,260

basically is unconfident is it seen that

869

00:46:41,180 --> 00:46:34,619

the it's about the internal spiritual

870

00:46:45,140 --> 00:46:41,190

Johnny but it's more than that I'm a la

871

00:46:47,779 --> 00:46:45,150

I look at it as more than that as a sia

872

00:46:52,220 --> 00:46:47,789

look at it has been able to identify

873

00:46:55,549 --> 00:46:52,230

what the symbolism within the church

874

00:46:58,999 --> 00:46:55,559

with an Christianity actually means and

875

00:47:05,720 --> 00:46:59,009

it is that when you when you tap into it

876

00:47:07,759 --> 00:47:05,730

it's it's a treasure trove of the you

877

00:47:10,839 --> 00:47:07,769

know spirituality and spiritual

878

00:47:14,329 --> 00:47:10,849

awareness it just really opens up to you

879

00:47:16,999 --> 00:47:14,339

which you know an order legend really

880

00:47:19,999 --> 00:47:17,009

including paganism had actually managed

881

00:47:22,099 --> 00:47:20,009

to get me before well it was sufficient

882

00:47:24,079 --> 00:47:22,109

that I was talking so now but he's you

883

00:47:25,309 --> 00:47:24,089

know we've gone through all this what

884

00:47:27,579 --> 00:47:25,319

you've just been saying with them and

885

00:47:30,049 --> 00:47:27,589

but you know the whole thing of the

886

00:47:32,539 --> 00:47:30,059

denying this sort of part of yourself

887

00:47:35,930 --> 00:47:32,549

that it needs to kind of interact with

888

00:47:40,160 --> 00:47:35,940

these archetypes through divination and

889

00:47:42,950 --> 00:47:40,170

you know so tarot cards etc he's at the

890

00:47:45,739 --> 00:47:42,960

opinion is as the Word of God has killed

891

00:47:48,499 --> 00:47:45,749

more man than any tarot card are any

892

00:47:52,069 --> 00:47:48,509

witch could ever do you know that is not

893

00:47:54,620 --> 00:47:52,079

the problem the problem is being

894

00:47:56,749 --> 00:47:54,630

unskilled about it being dangerous about

895

00:47:59,059 --> 00:47:56,759

about thinking that you know what it is

896

00:48:00,680 --> 00:47:59,069

that you're dealing with and then

897

00:48:02,269 --> 00:48:00,690

pretending to yourself that that's

898

00:48:04,729 --> 00:48:02,279

actually true and going through the

899

00:48:07,940 --> 00:48:04,739

motions like it is when you actually

900

00:48:11,839 --> 00:48:07,950

have no real clear clue of your

901  
00:48:14,539 --> 00:48:11,849  
environment as a human being even your

902  
00:48:16,220 --> 00:48:14,549  
eyes can't tell you the truth about your

903  
00:48:18,769 --> 00:48:16,230  
environment they just tell you what you

904  
00:48:20,539 --> 00:48:18,779  
need to know you know there's so much

905  
00:48:22,729 --> 00:48:20,549  
more going on that we can't see in

906  
00:48:27,200 --> 00:48:22,739  
different spectrums and think we've got

907  
00:48:28,910 --> 00:48:27,210  
no idea you know he also quite

908  
00:48:30,289 --> 00:48:28,920  
interestingly says they're aliens are

909  
00:48:31,460 --> 00:48:30,299  
not from elsewhere they're actually from

910  
00:48:36,410 --> 00:48:31,470  
here they're just in a different

911  
00:48:39,819 --> 00:48:36,420  
frequency it's the same place and I just

912  
00:48:44,599 --> 00:48:39,829  
I just find that it's totally totally

913  
00:48:47,660 --> 00:48:44,609

refreshing because as far as I have been

914

00:48:48,520 --> 00:48:47,670

concerned religion as I already decried

915

00:48:52,710 --> 00:48:48,530

all of the

916

00:48:55,420 --> 00:48:52,720

things that seem to come naturally to me

917

00:48:58,030 --> 00:48:55,430

depends on I suppose it depends on what

918

00:49:00,310 --> 00:48:58,040

you know religion you're talking about

919

00:49:03,040 --> 00:49:00,320

well he's a Catholic

920

00:49:06,790 --> 00:49:03,050

it certainly Catholic Roman Catholic

921

00:49:11,830 --> 00:49:06,800

religion yeah when it comes to a the

922

00:49:14,350 --> 00:49:11,840

liberal Catholic tradition then it would

923

00:49:19,770 --> 00:49:14,360

it would be very different you know

924

00:49:30,970 --> 00:49:26,050

what we're trying to say is yeah and you

925

00:49:34,810 --> 00:49:30,980

can interpret scripture how you wish to

926

00:49:38,260 --> 00:49:34,820

interpret whatever you get out of it you

927

00:49:41,260 --> 00:49:38,270

know it's not you're not told this is

928

00:49:46,390 --> 00:49:41,270

what it is and it's word for Martinus

929

00:49:49,090 --> 00:49:46,400

and you know let's at all you can choose

930

00:49:50,740 --> 00:49:49,100

to say that's not lateral that's that

931

00:49:55,270 --> 00:49:50,750

means this you know

932

00:49:58,690 --> 00:49:55,280

well he's explained the Bible as story

933

00:50:00,790 --> 00:49:58,700

of the archetypes that way I was like

934

00:50:03,100 --> 00:50:00,800

alright okay fine the Bible sir said

935

00:50:05,440 --> 00:50:03,110

which Bible don't need American Standard

936

00:50:14,320 --> 00:50:05,450

right okay next day I'm prying flop

937

00:50:17,470 --> 00:50:14,330

through the door I've never read it

938

00:50:18,850 --> 00:50:17,480

I've read bits of it of cherry-picks you

939

00:50:20,860 --> 00:50:18,860

know those bits that were already kind

940

00:50:22,120 --> 00:50:20,870

of already suggested to me by other

941

00:50:23,950 --> 00:50:22,130

people are things I've read on the

942

00:50:25,750 --> 00:50:23,960

internet which you know you can take

943

00:50:27,940 --> 00:50:25,760

everything out of context so I thought

944

00:50:30,610 --> 00:50:27,950

why would I read it in context you know

945

00:50:35,380 --> 00:50:30,620

I want to know what these this story of

946

00:50:38,230 --> 00:50:35,390

the archetypes is and you know the kind

947

00:50:40,060 --> 00:50:38,240

of things that you are the end of time

948

00:50:42,580 --> 00:50:40,070

stuff and I'll those are things that

949

00:50:45,610 --> 00:50:42,590

repeat themselves and various was all

950

00:50:49,300 --> 00:50:45,620

the earthquakes fires you know family

951  
00:50:49,600 --> 00:50:49,310  
and and locusts etc all that kind of

952  
00:50:52,690 --> 00:50:49,610  
stuff

953  
00:50:55,810 --> 00:50:52,700  
that just happens they you know it's not

954  
00:50:58,180 --> 00:50:55,820  
kind of an end of times thing is it but

955  
00:51:00,520 --> 00:50:58,190  
it's how how these things play out

956  
00:51:02,320 --> 00:51:00,530  
because it is kind of martyrdom of man

957  
00:51:06,070 --> 00:51:02,330  
isn't it there's

958  
00:51:08,760 --> 00:51:06,080  
a cycle that we seem to repeat or but

959  
00:51:12,010 --> 00:51:08,770  
it's not to take the Bible literally

960  
00:51:14,440 --> 00:51:12,020  
it's just a story so I thought well

961  
00:51:17,290 --> 00:51:14,450  
since this plummet into my brain that

962  
00:51:23,310 --> 00:51:17,300  
way it was before it was like in God I

963  
00:51:30,070 --> 00:51:25,360

refreshing point of view especially

964

00:51:33,640 --> 00:51:30,080

coming from a Roman Catholic bishop it's

965

00:51:40,590 --> 00:51:33,650

it's not what I would have expected it

966

00:51:44,320 --> 00:51:40,600

was very progressive yeah kind of like a

967

00:51:46,840 --> 00:51:44,330

modern very modern bishop mm-hmm you

968

00:51:49,210 --> 00:51:46,850

know he is a genuine bishop it's not you

969

00:51:52,510 --> 00:51:49,220

know it's not rubbish but the thing is

970

00:51:54,400 --> 00:51:52,520

is I've always been really kind of

971

00:51:56,500 --> 00:51:54,410

laissez about the things that I do the

972

00:52:00,070 --> 00:51:56,510

paranormal side of things especially I

973

00:52:02,680 --> 00:52:00,080

just thought that you know can't be hurt

974

00:52:05,620 --> 00:52:02,690

by these things you are alive they're

975

00:52:07,690 --> 00:52:05,630

dead you know they're not this is our

976

00:52:09,400 --> 00:52:07,700

domain so if we just believe it we've

977

00:52:11,860 --> 00:52:09,410

got more power than they have which is

978

00:52:15,580 --> 00:52:11,870

kind of true essentially but at the same

979

00:52:17,440 --> 00:52:15,590

time not because that's that's an

980

00:52:19,660 --> 00:52:17,450

assumption that you make that you will

981

00:52:21,160 --> 00:52:19,670

always be strong stronger than anything

982

00:52:23,440 --> 00:52:21,170

that you're going to come up against in

983

00:52:28,510 --> 00:52:23,450

that sort of situation and that's just

984

00:52:30,490 --> 00:52:28,520

ignorant so you know there's a lot of

985

00:52:31,900 --> 00:52:30,500

things that we don't know about life and

986

00:52:34,390 --> 00:52:31,910

the more that I've understood about the

987

00:52:37,030 --> 00:52:34,400

paranormal is that it's very difficult

988

00:52:38,530 --> 00:52:37,040

to quantify it and especially now that

989

00:52:41,190 --> 00:52:38,540

we've got these kind of technologies

990

00:52:43,270 --> 00:52:41,200

that are correlating the freezing-cold

991

00:52:45,970 --> 00:52:43,280

feelings that you get with the

992

00:52:47,950 --> 00:52:45,980

temperature shift and the structured

993

00:52:51,010 --> 00:52:47,960

light sensor cameras that outline the

994

00:52:54,520 --> 00:52:51,020

stick figures you know all that kind of

995

00:52:56,110 --> 00:52:54,530

stuff we you know we that is we've

996

00:52:57,640 --> 00:52:56,120

beginning to see that all that stuff is

997

00:53:00,640 --> 00:52:57,650

actually there and it's actually real

998

00:53:04,890 --> 00:53:00,650

and there's a little bit unnerving to

999

00:53:06,940 --> 00:53:04,900

sit on my my cockiness in the past of

1000

00:53:09,040 --> 00:53:06,950

charging into places and then

1001  
00:53:11,050 --> 00:53:09,050  
challenging things to get them out you

1002  
00:53:14,680 --> 00:53:11,060  
know and doing these rituals banishing

1003  
00:53:15,940 --> 00:53:14,690  
rituals which just the sheer fact that

1004  
00:53:18,160 --> 00:53:15,950  
those vanishing ritual

1005  
00:53:20,349 --> 00:53:18,170  
have been done so many thousands and

1006  
00:53:22,089 --> 00:53:20,359  
millions of times by other people that

1007  
00:53:24,970 --> 00:53:22,099  
gives them their strength not the facts

1008  
00:53:28,150 --> 00:53:24,980  
that I've got that strength it's the

1009  
00:53:31,900 --> 00:53:28,160  
practice isn't it's the praxis of it not

1010  
00:53:35,410 --> 00:53:31,910  
the you know me being completely

1011  
00:53:37,180 --> 00:53:35,420  
spiritually hench it's just luck that

1012  
00:53:41,410 --> 00:53:37,190  
I've chosen a particular thing that has

1013  
00:53:44,230 --> 00:53:41,420

got this kind of standing in in an

1014

00:53:48,069 --> 00:53:44,240

energetic way yeah and that's how I view

1015

00:53:54,099 --> 00:53:48,079

a socialism as well the ritual romanum

1016

00:53:56,890 --> 00:53:54,109

rate of a chasm it's been done for years

1017

00:54:00,819 --> 00:53:56,900

and years and it's like honey energy

1018

00:54:03,220 --> 00:54:00,829

this it's a very powerful magical

1019

00:54:06,069 --> 00:54:03,230

formula the Catholic Church will like me

1020

00:54:09,670 --> 00:54:06,079

seen that but I can't think of a better

1021

00:54:12,280 --> 00:54:09,680

way to describe it as a very powerful

1022

00:54:16,329 --> 00:54:12,290

magical formula but what you were saying

1023

00:54:19,380 --> 00:54:16,339

there's reminded me of a situation an

1024

00:54:23,770 --> 00:54:19,390

investigation that I did in Glasgow and

1025

00:54:26,380 --> 00:54:23,780

I was asked to go to a house I went to

1026

00:54:28,180 --> 00:54:26,390

the house I really feel a nothing much

1027

00:54:32,559 --> 00:54:28,190

going on and there's a few things but

1028

00:54:35,859 --> 00:54:32,569

not that much and but I had asked and

1029

00:54:37,329 --> 00:54:35,869

for the angels to protect me before I

1030

00:54:40,240 --> 00:54:37,339

went in and I thought that you know

1031

00:54:42,430 --> 00:54:40,250

that'll be enough a friend a psychic

1032

00:54:45,760 --> 00:54:42,440

friend had said to me that his guides

1033

00:54:49,030 --> 00:54:45,770

had immediately come in and said to tell

1034

00:54:51,579 --> 00:54:49,040

me to be very careful when I went there

1035

00:54:53,920 --> 00:54:51,589

and I said what what did he mean by that

1036

00:54:58,980 --> 00:54:53,930

and he said well they're not saying they

1037

00:55:03,760 --> 00:54:58,990

just said to be very very careful so I

1038

00:55:09,270 --> 00:55:03,770

added you know I cleanse and healing

1039

00:55:11,680 --> 00:55:09,280

with the people involved as well and I

1040

00:55:14,079 --> 00:55:11,690

come away and two days later

1041

00:55:16,240 --> 00:55:14,089

now whether letters get anything to do

1042

00:55:20,680 --> 00:55:16,250

with anything I really don't know but

1043

00:55:26,050 --> 00:55:20,690

two days later I became extremely unwell

1044

00:55:29,680 --> 00:55:26,060

and I I developed septicemia rushed into

1045

00:55:31,300 --> 00:55:29,690

hospital and luckily that that was

1046

00:55:34,090 --> 00:55:31,310

playing good you know got wonderful I

1047

00:55:38,730 --> 00:55:34,100

needed to go on and but it was when I

1048

00:55:43,470 --> 00:55:38,740

went into hospital that I then had a

1049

00:55:46,060 --> 00:55:43,480

very paranormal experience in there of

1050

00:55:47,950 --> 00:55:46,070

seeing I don't know if I've told you but

1051

00:55:51,900 --> 00:55:47,960

it's seen the dark shadow that was going

1052

00:55:53,140 --> 00:55:51,910

on towards an altar woman's room oh yeah

1053

00:55:56,350 --> 00:55:53,150

okay

1054

00:55:58,810 --> 00:55:56,360

so the room that this dark shadow was

1055

00:56:01,180 --> 00:55:58,820

going on towards and the this old lady

1056

00:56:03,880 --> 00:56:01,190

had been brought in she was a mushroom

1057

00:56:07,060 --> 00:56:03,890

that I've been and when I had my second

1058

00:56:08,950 --> 00:56:07,070

kidney transplant and it was just so I

1059

00:56:11,260 --> 00:56:08,960

can have a diagonal to the room that I

1060

00:56:16,120 --> 00:56:11,270

was in which was facing out and to the

1061

00:56:17,860 --> 00:56:16,130

corridor and the nurse's station and so

1062

00:56:20,560 --> 00:56:17,870

on I'm sent them a book I'm sitting on

1063

00:56:25,420 --> 00:56:20,570

my bed reading a book I hate to admit

1064

00:56:27,250 --> 00:56:25,430

that at 50 you see it but anyway I bet

1065

00:56:28,840 --> 00:56:27,260

you can this Vick note the family had

1066

00:56:31,120 --> 00:56:28,850

been called they were all very upset

1067

00:56:32,890 --> 00:56:31,130

they were taking tongues gone and held

1068

00:56:38,230 --> 00:56:32,900

the doctor seemed to expect the worst

1069

00:56:40,690 --> 00:56:38,240

and later oh and I think the daughter

1070

00:56:43,000 --> 00:56:40,700

was in the room and so there was no just

1071

00:56:46,660 --> 00:56:43,010

standing outside the door and I happened

1072

00:56:49,180 --> 00:56:46,670

to look up and I saw this dark shadow it

1073

00:56:51,910 --> 00:56:49,190

looked like in the shape of a second

1074

00:56:55,300 --> 00:56:51,920

and I thought am I seeing things here

1075

00:56:58,120 --> 00:56:55,310

and then it started to move towards the

1076  
00:57:01,240 --> 00:56:58,130  
room when it started to move towards the

1077  
00:57:04,000 --> 00:57:01,250  
room I thought oh this is bad this is

1078  
00:57:10,360 --> 00:57:04,010  
this I got a really really bad feeling

1079  
00:57:15,550 --> 00:57:10,370  
from it and so I called on the angels to

1080  
00:57:19,540 --> 00:57:15,560  
intervene to Michael together the

1081  
00:57:23,110 --> 00:57:19,550  
woman's strength Raphael to healer and I

1082  
00:57:28,930 --> 00:57:23,120  
told us whatever it might be this women

1083  
00:57:29,530 --> 00:57:28,940  
was protected by the angels and and to a

1084  
00:57:37,150 --> 00:57:29,540  
forth

1085  
00:57:39,700 --> 00:57:37,160  
I think were my were my words and it

1086  
00:57:41,940 --> 00:57:39,710  
started to retreat at that point I

1087  
00:57:46,859 --> 00:57:41,950  
thought start to retreat

1088  
00:57:48,180 --> 00:57:46,869

and the next day the other woman was

1089

00:57:52,069 --> 00:57:48,190

well enough to

1090

00:57:57,089 --> 00:57:52,079

Guenter ward with other people and

1091

00:58:00,210 --> 00:57:57,099

recovered so I mean a sore actually sore

1092

00:58:02,010 --> 00:58:00,220

what can i you know I mean she was a bit

1093

00:58:03,960 --> 00:58:02,020

fragile and she was you know had

1094

00:58:06,720 --> 00:58:03,970

somebody hold on her arm but she looked

1095

00:58:09,810 --> 00:58:06,730

quite happy and smiling and I thought

1096

00:58:12,990 --> 00:58:09,820

wow they would definitely worst case

1097

00:58:16,170 --> 00:58:13,000

scenario yesterday oh she's late looking

1098

00:58:21,410 --> 00:58:16,180

like banshees off to a warrant that's

1099

00:58:24,210 --> 00:58:21,420

great and so I asked one of the nurses

1100

00:58:26,609 --> 00:58:24,220

if they I told her what you know my

1101  
00:58:28,440 --> 00:58:26,619  
radio show and I was interested and and

1102  
00:58:31,109 --> 00:58:28,450  
she stole you would have loved her and

1103  
00:58:34,890 --> 00:58:31,119  
here last week and she said there was a

1104  
00:58:37,920 --> 00:58:34,900  
man and the wards down there and they we

1105  
00:58:39,599 --> 00:58:37,930  
were woken up in the middle he was he

1106  
00:58:42,810 --> 00:58:39,609  
woke up in the middle and I and we were

1107  
00:58:45,300 --> 00:58:42,820  
they acted and he was scheming out and

1108  
00:58:49,890 --> 00:58:45,310  
said that some dude been trying to pull

1109  
00:58:52,470 --> 00:58:49,900  
him out of his bed by his feet and they

1110  
00:58:54,750 --> 00:58:52,480  
gotten back and they had settled down

1111  
00:58:58,470 --> 00:58:54,760  
gave my cup of tea gotten back to sleep

1112  
00:59:01,260 --> 00:58:58,480  
and one of the nurses later on when and

1113  
00:59:04,950 --> 00:59:01,270

was putting something into a cupboard

1114

00:59:08,040 --> 00:59:04,960

and she just felt a hand go down on top

1115

00:59:09,710 --> 00:59:08,050

of her arm and I think you probably

1116

00:59:16,290 --> 00:59:09,720

can't see her dust

1117

00:59:18,180 --> 00:59:16,300

she just ran screaming and the nurse

1118

00:59:20,819 --> 00:59:18,190

that was speaking to she said there is

1119

00:59:25,490 --> 00:59:20,829

something out there and occasionally we

1120

00:59:29,880 --> 00:59:27,990

somebody had died it was trying to get

1121

00:59:36,690 --> 00:59:29,890

by no they were just trying to get back

1122

00:59:38,730 --> 00:59:36,700

in their bed yeah she pointed late from

1123

00:59:41,819 --> 00:59:38,740

left today we had I had seen that shard

1124

00:59:44,550 --> 00:59:41,829

or moving back and forth and and and

1125

00:59:45,900 --> 00:59:44,560

said that is it's out there it's out

1126  
00:59:48,300 --> 00:59:45,910  
there somewhere and I thought I don't

1127  
00:59:49,170 --> 00:59:48,310  
tell actually case they took me to the

1128  
00:59:51,960 --> 00:59:49,180  
psych ward

1129  
00:59:55,200 --> 00:59:51,970  
yeah I don't tell her what I had seen or

1130  
00:59:58,170 --> 00:59:55,210  
what happens but I just find that very

1131  
01:00:00,030 --> 00:59:58,180  
very interesting yeah well you know I've

1132  
01:00:03,120 --> 01:00:00,040  
always found all that kind of stuff

1133  
01:00:08,059 --> 01:00:03,130  
about angels really cringe-worthy you

1134  
01:00:12,089 --> 01:00:08,069  
know when I spoke at your conference

1135  
01:00:14,520 --> 01:00:12,099  
years ago well when I come when I

1136  
01:00:16,970 --> 01:00:14,530  
finished was hog and I wait to get a cup

1137  
01:00:20,460 --> 01:00:16,980  
of coffee I got collared by this guy and

1138  
01:00:22,890 --> 01:00:20,470

he was saying the other message for me

1139

01:00:25,500 --> 01:00:22,900

and he didn't know why he was there he'd

1140

01:00:28,230 --> 01:00:25,510

come on this urge and as soon as he

1141

01:00:32,030 --> 01:00:28,240

heard me talk he knew he was there

1142

01:00:36,839 --> 01:00:32,040

because I you know because of me and

1143

01:00:39,900 --> 01:00:36,849

that he had a message that I had to talk

1144

01:00:41,849 --> 01:00:39,910

to the Angels and all this stuff and I

1145

01:00:43,200 --> 01:00:41,859

was like alright okay you know funny

1146

01:00:46,079 --> 01:00:43,210

I've been thinking about the Angels

1147

01:00:48,210 --> 01:00:46,089

you'd sent me them an angel cards and I

1148

01:00:49,589 --> 01:00:48,220

thought it was quite you know ironic it

1149

01:00:51,780 --> 01:00:49,599

couldn't a bit quirky that he was

1150

01:00:55,049 --> 01:00:51,790

talking about this but you know I said

1151

01:00:58,140 --> 01:00:55,059

well I want you know I'm just standing

1152

01:01:00,079 --> 01:00:58,150

in for somebody it was weird how well

1153

01:01:03,210 --> 01:01:00,089

this talk came around and he was like

1154

01:01:05,910 --> 01:01:03,220

you're here because of me the Angels

1155

01:01:07,680 --> 01:01:05,920

arranged it from so that I could you

1156

01:01:10,890 --> 01:01:07,690

know for him it was wrong because of him

1157

01:01:13,020 --> 01:01:10,900

and I sort of thought well I thought I

1158

01:01:14,609 --> 01:01:13,030

know what you're trying to say but I was

1159

01:01:15,150 --> 01:01:14,619

just like all right yeah yeah nice one

1160

01:01:18,180 --> 01:01:15,160

Thanks

1161

01:01:20,160 --> 01:01:18,190

and then and then you know it got on my

1162

01:01:22,500 --> 01:01:20,170

nerves I've trip it I thought I've

1163

01:01:24,690 --> 01:01:22,510

actually put myself out there for years

1164

01:01:26,490 --> 01:01:24,700

and years and years and this has all

1165

01:01:28,859 --> 01:01:26,500

come about for me speak in here and now

1166

01:01:30,569 --> 01:01:28,869

not because I'm supposed to be there to

1167

01:01:32,789 --> 01:01:30,579

get this message from the Angels and

1168

01:01:41,430 --> 01:01:32,799

he's my messenger it's because of work

1169

01:01:44,789 --> 01:01:41,440

my ass off there's like a lucky that you

1170

01:01:47,579 --> 01:01:44,799

come into my life so he was telling me

1171

01:01:49,799 --> 01:01:47,589

that I need to study the nine and Saturn

1172

01:01:52,589 --> 01:01:49,809

and all this you know something cult of

1173

01:01:55,559 --> 01:01:52,599

Saturn and I was like oh yeah kinda know

1174

01:01:55,920 --> 01:01:55,569

a bit about that and it's really not my

1175

01:02:02,910 --> 01:01:55,930

thing

1176

01:02:06,180 --> 01:02:02,920

and you know it's a bit dark really but

1177

01:02:08,760 --> 01:02:06,190

I thought you know coming in telling me

1178

01:02:09,420 --> 01:02:08,770

to invite the Angels into my life and

1179

01:02:12,100 --> 01:02:09,430

then

1180

01:02:14,620 --> 01:02:12,110

Saturn was one of them and obviously sat

1181

01:02:18,310 --> 01:02:14,630

on his sayin so I don't know what his

1182

01:02:19,720 --> 01:02:18,320

deal was at all but then you'd I kind of

1183

01:02:22,000 --> 01:02:19,730

infused sent me the angel cause before

1184

01:02:24,730 --> 01:02:22,010

our after it was all about the same time

1185

01:02:26,620 --> 01:02:24,740

then a couple of the people that I know

1186

01:02:28,330 --> 01:02:26,630

who were psychics that kept saying to me

1187

01:02:29,950 --> 01:02:28,340

stuff about the angels or you need to

1188

01:02:33,130 --> 01:02:29,960

talk to the Angels you need to get to

1189

01:02:35,109 --> 01:02:33,140

know the Angels the angels you know

1190

01:02:36,400 --> 01:02:35,119

waiting for you to talk to them and all

1191

01:02:38,050 --> 01:02:36,410

this kind of stuff and it was all

1192

01:02:39,700 --> 01:02:38,060

different people I was like don't

1193

01:02:47,170 --> 01:02:39,710

believe in angels

1194

01:02:50,920 --> 01:02:47,180

but I understand archetypes and so if we

1195

01:02:52,450 --> 01:02:50,930

talk about it like that then I don't my

1196

01:02:54,609 --> 01:02:52,460

skin doesn't crawl off my body and run

1197

01:02:56,290 --> 01:02:54,619

away because I don't know I think it's

1198

01:02:59,230 --> 01:02:56,300

certain types of people that have put me

1199

01:03:01,150 --> 01:02:59,240

off the language issues I understand

1200

01:03:02,770 --> 01:03:01,160

that yeah because it would put me off if

1201  
01:03:05,260 --> 01:03:02,780  
somebody walked up to me and said and

1202  
01:03:08,170 --> 01:03:05,270  
the angels brought me here to speak to

1203  
01:03:11,680 --> 01:03:08,180  
you I would just look at them blankly

1204  
01:03:20,590 --> 01:03:11,690  
and think you know I can speak to the

1205  
01:03:23,380 --> 01:03:20,600  
Angels fine without you some people are

1206  
01:03:26,230 --> 01:03:23,390  
just a bit or didn't the way that they

1207  
01:03:29,560 --> 01:03:26,240  
put things like across and as you say it

1208  
01:03:32,620 --> 01:03:29,570  
can be quite off-putting yeah well yeah

1209  
01:03:36,220 --> 01:03:32,630  
but there's a members it's just the

1210  
01:03:39,070 --> 01:03:36,230  
whole energy around all of that that

1211  
01:03:42,150 --> 01:03:39,080  
freaks me out I can obviously feel it I

1212  
01:03:45,160 --> 01:03:42,160  
can feel that this there's some truth to

1213  
01:03:49,030 --> 01:03:45,170

whatever the angels are but they're not

1214

01:03:50,770 --> 01:03:49,040

angels in that kind of Christian

1215

01:03:55,780 --> 01:03:50,780

biblical sense

1216

01:03:58,090 --> 01:03:55,790

no they're they're independent of

1217

01:03:59,710 --> 01:03:58,100

religion mmm well this is the thing that

1218

01:04:01,810 --> 01:03:59,720

has always bothered me it's like

1219

01:04:04,510 --> 01:04:01,820

religion is a man-made thing it's a

1220

01:04:09,540 --> 01:04:04,520

construct mm-hmm and these things

1221

01:04:15,150 --> 01:04:09,550

existed before all of that they exist so

1222

01:04:18,910 --> 01:04:15,160

see the angels were an ark i young and

1223

01:04:21,220 --> 01:04:18,920

said that the angels were an archetype

1224

01:04:24,339 --> 01:04:21,230

of their own

1225

01:04:26,140 --> 01:04:24,349

they were one of the archetypes I'm sure

1226

01:04:30,150 --> 01:04:26,150

I mentioned that in my talk because my

1227

01:04:33,849 --> 01:04:30,160

talk was on angels yeah uh-huh

1228

01:04:37,690 --> 01:04:33,859

and so the you know the various

1229

01:04:42,730 --> 01:04:37,700

archetypes but I remember reading the

1230

01:04:47,410 --> 01:04:42,740

young distinguish that the angel was was

1231

01:04:49,270 --> 01:04:47,420

one of those archetypes helps to there's

1232

01:04:50,620 --> 01:04:49,280

not just one angel though is there

1233

01:04:53,530 --> 01:04:50,630

there's like a whole heap of different

1234

01:04:57,190 --> 01:04:53,540

angels with all different attributes and

1235

01:04:58,720 --> 01:04:57,200

lent their structure that that is the

1236

01:05:03,250 --> 01:04:58,730

whole point of them having different

1237

01:05:06,220 --> 01:05:03,260

attributes which can relate to that some

1238

01:05:08,170 --> 01:05:06,230

of the ancient gods as well exactly

1239

01:05:11,609 --> 01:05:08,180

there's so many mirrors that go through

1240

01:05:14,980 --> 01:05:11,619

it all there has to be some kind of

1241

01:05:20,950 --> 01:05:14,990

actuality there some truth and not just

1242

01:05:25,000 --> 01:05:20,960

this conceptual you know set of ideals

1243

01:05:30,450 --> 01:05:25,010

that become sort of you know religious

1244

01:05:33,400 --> 01:05:30,460

dogma but Sarika

1245

01:05:35,650 --> 01:05:33,410

it was probably a sleep time delete year

1246

01:05:42,970 --> 01:05:35,660

so I pesos like I meant adopting you

1247

01:05:45,640 --> 01:05:42,980

sometimes what was ii ii see ya the that

1248

01:05:48,520 --> 01:05:45,650

situation going back to that association

1249

01:05:51,819 --> 01:05:48,530

the investigation that I did and when I

1250

01:05:55,120 --> 01:05:51,829

thought I was protected yeah so I don't

1251

01:05:57,309 --> 01:05:55,130

know if that I'm my friend had said to

1252

01:05:59,650 --> 01:05:57,319

me he has his guides were seeing Taylor

1253

01:06:04,300 --> 01:05:59,660

to be careful and then two days later

1254

01:06:08,650 --> 01:06:04,310

I'm in hospital you know and very

1255

01:06:11,849 --> 01:06:08,660

seriously ill so I don't know what I did

1256

01:06:16,480 --> 01:06:11,859

wrong there to not protect myself

1257

01:06:18,819 --> 01:06:16,490

because I thought I had yeah well I

1258

01:06:20,589 --> 01:06:18,829

think that's comes down to that whole

1259

01:06:22,690 --> 01:06:20,599

process thing again isn't it of

1260

01:06:24,760 --> 01:06:22,700

connecting in with these archetypes so

1261

01:06:30,010 --> 01:06:24,770

that the working for is not against us

1262

01:06:33,339 --> 01:06:30,020

and not properly acknowledged in you

1263

01:06:34,569 --> 01:06:33,349

know them I'll just assuming that

1264

01:06:34,930 --> 01:06:34,579

they're going to help you because you've

1265

01:06:37,990 --> 01:06:34,940

decide

1266

01:06:50,380 --> 01:06:38,000

to be a dumbass and go into a haunted

1267

01:06:53,020 --> 01:06:50,390

building tells me I started watching

1268

01:06:56,349 --> 01:06:53,030

that Amy Allen recently and I was like

1269

01:06:57,790 --> 01:06:56,359

oh my god is this all is this what it is

1270

01:06:59,410 --> 01:06:57,800

all around us and we're just kind of

1271

01:07:01,240 --> 01:06:59,420

like wandering through these hospital

1272

01:07:03,550 --> 01:07:01,250

corridors and there's things crawling

1273

01:07:06,940 --> 01:07:03,560

along the walls and you know I really I

1274

01:07:09,700 --> 01:07:06,950

recently watched help my house is

1275

01:07:12,250 --> 01:07:09,710

haunted I've not seen this one it's new

1276

01:07:14,200 --> 01:07:12,260

on top on me and they use the

1277

01:07:17,349 --> 01:07:14,210

destructured light sensor camera in the

1278

01:07:19,990 --> 01:07:17,359

cellar and then this figure appears but

1279

01:07:22,150 --> 01:07:20,000

then it turned into this kind of like it

1280

01:07:23,950 --> 01:07:22,160

looks almost like it start of a box but

1281

01:07:25,960 --> 01:07:23,960

I figured it looked like a spider and

1282

01:07:27,730 --> 01:07:25,970

then when they went outside the psychic

1283

01:07:29,589 --> 01:07:27,740

had this massive spider drop on him so I

1284

01:07:32,620 --> 01:07:29,599

knew it was a spider so I thought right

1285

01:07:35,200 --> 01:07:32,630

okay so the reality of the situation is

1286

01:07:37,780 --> 01:07:35,210

all that stuff in creepy creepy horror

1287

01:07:39,760 --> 01:07:37,790

films where you know the things have got

1288

01:07:44,950 --> 01:07:39,770

long stretchy weird mouths it can be

1289

01:07:47,470 --> 01:07:44,960

half alien half spider you and be that

1290

01:07:50,500 --> 01:07:47,480

weird and and I'm walking around going

1291

01:08:02,190 --> 01:07:50,510

off you go you can't stay here

1292

01:08:08,980 --> 01:08:06,640

sex talk a little thing that has

1293

01:08:14,309 --> 01:08:08,990

actually saved my backside in those

1294

01:08:20,170 --> 01:08:14,319

situations is the banishing ritual so

1295

01:08:23,229 --> 01:08:20,180

that is set in stone as a as a way of

1296

01:08:25,720 --> 01:08:23,239

clearing a space it's an actual thing

1297

01:08:32,800 --> 01:08:25,730

now it's being done that many times

1298

01:08:36,400 --> 01:08:32,810

you know it's ancient so I think is it

1299

01:08:41,280 --> 01:08:36,410

one of the and a cruelly tight you know

1300

01:08:43,960 --> 01:08:41,290

lesser banishing and I'm tight yeah okay

1301

01:08:48,370 --> 01:08:43,970

down the line

1302

01:08:51,990 --> 01:08:48,380

knowledge in the the watchtowers and all

1303

01:08:55,330 --> 01:08:52,000

the rest of it Rafaela royale Gabrielle

1304

01:09:00,670 --> 01:08:55,340

Ezreal Mikayla whichever ones you want

1305

01:09:04,020 --> 01:09:00,680

to use so that has been something that I

1306

01:09:07,210 --> 01:09:04,030

have done without even totally

1307

01:09:11,830 --> 01:09:07,220

understanding whole thing of calling on

1308

01:09:14,770 --> 01:09:11,840

those angels mm-hmm very interesting but

1309

01:09:17,380 --> 01:09:14,780

it is so deluded and I realized that

1310

01:09:19,750 --> 01:09:17,390

most of us just are completely we pick a

1311

01:09:21,310 --> 01:09:19,760

set of things that they're convenient

1312

01:09:25,810 --> 01:09:21,320

for what we want to do

1313

01:09:29,890 --> 01:09:25,820

I was those beliefs and then we act like

1314

01:09:30,910 --> 01:09:29,900

that's an actuality but it's not it's

1315

01:09:35,470 --> 01:09:30,920

just a delusion

1316

01:09:37,080 --> 01:09:35,480

so I'm now obviously thinking well I

1317

01:09:41,110 --> 01:09:37,090

don't want to be throwing myself into a

1318

01:09:43,270 --> 01:09:41,120

nest of demons with a little bunch of

1319

01:09:47,769 --> 01:09:43,280

stay a sage and a bit of frankincense

1320

01:09:54,030 --> 01:09:47,779

and some well-meaning sigils you know

1321

01:10:05,380 --> 01:09:56,740

just feel like everything's because it's

1322

01:10:09,220 --> 01:10:05,390

all very well meanings it I know I know

1323

01:10:11,410 --> 01:10:09,230

they but do you believe that you do have

1324

01:10:14,170 --> 01:10:11,420

power over your own space and that you

1325

01:10:16,300 --> 01:10:14,180

can banish things from your own space

1326

01:10:19,150 --> 01:10:16,310

because you fill it with your energy so

1327

01:10:21,430 --> 01:10:19,160

the times when I've sent a package to

1328

01:10:25,150 --> 01:10:21,440

people in their home and and because I

1329

01:10:27,040 --> 01:10:25,160

can't go myself and do it and it's their

1330

01:10:29,800 --> 01:10:27,050

domain anyway so they've got these

1331

01:10:33,550 --> 01:10:29,810

instructions this little you know

1332

01:10:36,600 --> 01:10:33,560

procedure to do and reclaiming your

1333

01:10:39,640 --> 01:10:36,610

space pushing things out you know

1334

01:10:41,380 --> 01:10:39,650

overwrite in that energy making it so

1335

01:10:43,360 --> 01:10:41,390

uncomfortable for our energy that it

1336

01:10:45,040 --> 01:10:43,370

just doesn't want to be there anymore or

1337

01:10:47,830 --> 01:10:45,050

whatever I think that's got some

1338

01:10:49,600 --> 01:10:47,840

validity because I've actually been a

1339

01:10:51,580 --> 01:10:49,610

hamid person all my life and i have

1340

01:10:53,140 --> 01:10:51,590

weird things that come and go and I

1341

01:10:55,360 --> 01:10:53,150

think his things that have drifted in

1342

01:10:56,470 --> 01:10:55,370

and disappeared again because the

1343

01:11:01,330 --> 01:10:56,480

followed me are

1344

01:11:04,960 --> 01:11:01,340

my kids are whatever so you know my sons

1345

01:11:06,280 --> 01:11:04,970

they stuff sir kind of not all the time

1346

01:11:09,220 --> 01:11:06,290

just every now and again he's seen the

1347

01:11:10,390 --> 01:11:09,230

other thing but he since we've been in

1348

01:11:11,980 --> 01:11:10,400

this house the only thing that he's ever

1349

01:11:14,050 --> 01:11:11,990

seen as being at the other side of the

1350

01:11:15,940 --> 01:11:14,060

road so I thought well nothing's in here

1351

01:11:19,660 --> 01:11:15,950

nothing weird has happened in here apart

1352

01:11:21,550 --> 01:11:19,670

from when I brought that doll in but so

1353

01:11:24,040 --> 01:11:21,560

maybe that actually can on your own

1354

01:11:26,620 --> 01:11:24,050

demand you can keep things out of that

1355

01:11:30,010 --> 01:11:26,630

spit you're on space but I'm not sure

1356

01:11:32,680 --> 01:11:30,020

that you've got any sway you know

1357

01:11:36,610 --> 01:11:32,690

without the power of something huge

1358

01:11:38,500 --> 01:11:36,620

behind you to go into a building that

1359

01:11:43,420 --> 01:11:38,510

might be infested with the deads and

1360

01:11:47,380 --> 01:11:43,430

demons and God knows what else and clear

1361

01:11:51,580 --> 01:11:47,390

it out you know I think spiritually that

1362

01:11:54,250 --> 01:11:51,590

is dangerous and might explain why I

1363

01:11:56,860 --> 01:11:54,260

haven't been well for so long yeah yeah

1364

01:12:00,970 --> 01:11:56,870

yeah I think I've probably made a lot

1365

01:12:03,640 --> 01:12:00,980

the same mistakes too and but I did use

1366

01:12:07,300 --> 01:12:03,650

some stuff that you gave me to do a

1367

01:12:10,270 --> 01:12:07,310

cleansing and here remember that I said

1368

01:12:14,050 --> 01:12:10,280

about having something floating about

1369

01:12:15,400 --> 01:12:14,060

and it was a just I work him and that

1370

01:12:17,080 --> 01:12:15,410

had to come in and I knew there was

1371

01:12:22,840 --> 01:12:17,090

something off about him as soon as he

1372

01:12:25,900 --> 01:12:22,850

come and I I just knew and after he had

1373

01:12:30,370 --> 01:12:25,910

gone it felt like there was still

1374

01:12:34,690 --> 01:12:30,380

someone in the flat and through the

1375

01:12:38,110 --> 01:12:34,700

night and there were noises and the

1376

01:12:40,480 --> 01:12:38,120

hallway that were annoying the cars they

1377

01:12:45,400 --> 01:12:40,490

believed they wouldn't get up and going

1378

01:12:48,070 --> 01:12:45,410

look we're just all staring out into the

1379

01:12:51,130 --> 01:12:48,080

hall you know it's like oh I'll go and

1380

01:12:52,240 --> 01:12:51,140

look shallow then yeah so I got but

1381

01:12:54,640 --> 01:12:52,250

there was nothing I couldn't find

1382

01:12:57,310 --> 01:12:54,650

anything and then the next year come

1383

01:13:00,190 --> 01:12:57,320

through and as I opened the curtains and

1384

01:13:04,750 --> 01:13:00,200

went back went to the kitchen as I was

1385

01:13:07,630 --> 01:13:04,760

walking away it sounded like this a thud

1386

01:13:09,790 --> 01:13:07,640

like a book being slammed on top of

1387

01:13:12,160 --> 01:13:09,800

another book or I hands been

1388

01:13:15,450 --> 01:13:12,170

slammed on top of a book or something

1389

01:13:19,540 --> 01:13:15,460

like that and I you know I um jeito

1390

01:13:24,189 --> 01:13:19,550

weird what what was that and there was

1391

01:13:27,430 --> 01:13:24,199

nothing out of place and then the

1392

01:13:30,220 --> 01:13:27,440

kitchen flooded and at that point you

1393

01:13:33,069 --> 01:13:30,230

know I just enjoyed to the room and

1394

01:13:34,359 --> 01:13:33,079

sadly you cannot come in and take all

1395

01:13:38,319 --> 01:13:34,369

from my home this is my home

1396

01:13:40,450 --> 01:13:38,329

it's not yours and you can get out now

1397

01:13:44,830 --> 01:13:40,460

there was nothing for about a fortnight

1398

01:13:46,930 --> 01:13:44,840

after that and then when they I woke up

1399

01:13:51,549 --> 01:13:46,940

and I was being attacked by this

1400

01:13:53,919 --> 01:13:51,559

invisible force and and you know I was

1401

01:13:56,740 --> 01:13:53,929

kind of like struggling to get lit up

1402

01:14:00,069 --> 01:13:56,750

off the bed and you can say it was sleep

1403

01:14:03,250 --> 01:14:00,079

paralysis whatever but you know I had a

1404

01:14:07,419 --> 01:14:03,260

hold of my my wrists and I was

1405

01:14:09,790 --> 01:14:07,429

struggling to get up and there was

1406

01:14:11,979 --> 01:14:09,800

noises in the walls and there was like

1407

01:14:14,350 --> 01:14:11,989

it was like the bed was shaking the

1408

01:14:15,850 --> 01:14:14,360

moves like the walls were shaking and I

1409

01:14:22,479 --> 01:14:15,860

thought it's not an earthquake what's

1410

01:14:24,640 --> 01:14:22,489

going on and of course you know day one

1411

01:14:26,979 --> 01:14:24,650

of exercise in school don't invite the

1412

01:14:29,560 --> 01:14:26,989

men will what magic um I don't know

1413

01:14:34,299 --> 01:14:29,570

control over what I would think of that

1414

01:14:38,350 --> 01:14:34,309

but I will show you this thing yeah go

1415

01:14:38,360 --> 01:14:48,540

[Laughter]

1416

01:14:54,729 --> 01:14:52,479

but but I was just like so angry I think

1417

01:14:57,459 --> 01:14:54,739

yeah change your fear and anger it's

1418

01:15:01,390 --> 01:14:57,469

very powerful if you if you can harness

1419

01:15:04,720 --> 01:15:01,400

it to to do something not to be

1420

01:15:10,689 --> 01:15:04,730

destructive as such and but it is a

1421

01:15:14,350 --> 01:15:10,699

powerful force to use and yeah it's all

1422

01:15:17,319 --> 01:15:14,360

I don't think I became possessed so that

1423

01:15:20,649 --> 01:15:17,329

was plain nothing for another couple of

1424

01:15:22,030 --> 01:15:20,659

weeks and then then there was more like

1425

01:15:25,570 --> 01:15:22,040

noisy scratch

1426

01:15:28,960 --> 01:15:25,580

some noises and shaky walls and things

1427

01:15:33,640 --> 01:15:28,970

and then there was that night that that

1428

01:15:36,670 --> 01:15:33,650

I mentioned we talked about on SPI

1429

01:15:39,460 --> 01:15:36,680

Scotland that there was this noise came

1430

01:15:41,940 --> 01:15:39,470

from the ceiling and it was like it's

1431

01:15:45,070 --> 01:15:41,950

like yeah it was like hailstones

1432

01:15:45,640 --> 01:15:45,080

battered and off glass but it was on my

1433

01:15:48,400 --> 01:15:45,650

ceiling

1434

01:15:51,760 --> 01:15:48,410

and you know I'm looking up and I'm

1435

01:15:53,710 --> 01:15:51,770

going am i hallucinating this but then I

1436

01:15:57,250 --> 01:15:53,720

turned to the carts and they were both

1437

01:16:00,550 --> 01:15:57,260

looking at the ceiling I hope and out

1438

01:16:03,040 --> 01:16:00,560

their head you know and I you know you

1439

01:16:05,380 --> 01:16:03,050

can tell the clearly kids hear it as

1440

01:16:09,100 --> 01:16:05,390

well and the stove in order for quite a

1441

01:16:12,070 --> 01:16:09,110

while but this is that is something that

1442

01:16:16,120 --> 01:16:12,080

I had read about at that point I was

1443

01:16:20,500 --> 01:16:16,130

actually rating my talk on demons an

1444

01:16:23,410 --> 01:16:20,510

exorcism in possession and there was a

1445

01:16:25,810 --> 01:16:23,420

report of a similar thing though whether

1446

01:16:28,600 --> 01:16:25,820

it was just my imagination and was

1447

01:16:31,390 --> 01:16:28,610

getting the better of me but you know

1448

01:16:33,760 --> 01:16:31,400

all right other things and strange

1449

01:16:37,270 --> 01:16:33,770

paranormal things don't happen when I

1450

01:16:40,780 --> 01:16:37,280

read about other things you know but in

1451

01:16:44,500 --> 01:16:40,790

this case the this report the this

1452

01:16:48,340 --> 01:16:44,510

shaking walls scratchin signs and there

1453

01:16:51,070 --> 01:16:48,350

was this and like hailstone or no and or

1454

01:16:53,640 --> 01:16:51,080

on the ceiling there was all these

1455

01:16:58,000 --> 01:16:53,650

things were mentioned on this report and

1456

01:17:02,680 --> 01:16:58,010

it's the son said father Risinger his

1457

01:17:04,330 --> 01:17:02,690

name was it was a case back in like 1918

1458

01:17:09,940 --> 01:17:04,340

or something like that was really far

1459

01:17:11,980 --> 01:17:09,950

back and that I thought that's that's

1460

01:17:14,440 --> 01:17:11,990

very and trans maybe is just maybe it's

1461

01:17:16,930 --> 01:17:14,450

just my imagination has taken over but

1462

01:17:18,370 --> 01:17:16,940

obviously you know when the cats are

1463

01:17:21,450 --> 01:17:18,380

healed in it as well what's going on

1464

01:17:25,600 --> 01:17:21,460

there it's not just my imagination but

1465

01:17:29,680 --> 01:17:25,610

that was I don't have to do anything yes

1466

01:17:34,180 --> 01:17:29,690

I had done a massive claims and before

1467

01:17:35,979 --> 01:17:34,190

that and maybe that was that just going

1468

01:17:39,750 --> 01:17:35,989

I don't know

1469

01:17:42,700 --> 01:17:39,760

because unless report said that and

1470

01:17:44,439 --> 01:17:42,710

after I cleanse that got an exorcism

1471

01:17:48,419 --> 01:17:44,449

which was basically what I did

1472

01:17:53,830 --> 01:17:48,429

I basically did an exorcism in the house

1473

01:17:55,959 --> 01:17:53,840

that these this is not even maybe maybe

1474

01:18:01,239 --> 01:17:55,969

it's residual energy but it doesn't

1475

01:18:03,720 --> 01:18:01,249

explain it in those terms but I sure do

1476

01:18:07,600 --> 01:18:03,730

I sure it called them something like

1477

01:18:10,209 --> 01:18:07,610

night walkers or rip this up it was a

1478

01:18:13,450 --> 01:18:10,219

tearing like that that they can link it

1479

01:18:15,879 --> 01:18:13,460

up Oh after an exorcism and make these

1480

01:18:19,419 --> 01:18:15,889

noises and things like that but

1481

01:18:25,350 --> 01:18:19,429

otherwise don't seem to do any March

1482

01:18:30,430 --> 01:18:27,850

yeah I think wouldn't be open wait it's

1483

01:18:32,620 --> 01:18:30,440

like you know when you look into their

1484

01:18:34,899 --> 01:18:32,630

best their best looks unto you when you

1485

01:18:39,009 --> 01:18:34,909

start looking at the subject when you

1486

01:18:43,569 --> 01:18:39,019

start looking at the subject it it it

1487

01:18:46,149 --> 01:18:43,579

starts to manifest and so you you do

1488

01:18:48,220 --> 01:18:46,159

have to be very careful about you know

1489

01:18:49,660 --> 01:18:48,230

port your and even like what you're

1490

01:18:53,169 --> 01:18:49,670

reading and what you're watching and

1491

01:18:56,080 --> 01:18:53,179

what you're writing about I don't really

1492

01:18:57,879 --> 01:18:56,090

think if you've got you know if you're

1493

01:19:01,779 --> 01:18:57,889

very open to these things I'm not really

1494

01:19:05,549 --> 01:19:01,789

sure what much you can if there's much

1495

01:19:08,790 --> 01:19:05,559

that you can do about it I mean that

1496

01:19:11,620 --> 01:19:08,800

those may be various things like a

1497

01:19:13,660 --> 01:19:11,630

closing down your third eye and

1498

01:19:18,339 --> 01:19:13,670

protecting your still like you know

1499

01:19:22,779 --> 01:19:18,349

visualizing and protective bubbles that

1500

01:19:27,189 --> 01:19:22,789

are yourself asking the Angels what not

1501

01:19:31,899 --> 01:19:27,199

but you know there's far more religious

1502

01:19:35,410 --> 01:19:31,909

people than either you or I who have you

1503

01:19:38,979 --> 01:19:35,420

know being haunted by by various things

1504

01:19:41,879 --> 01:19:38,989

so I'm just really not sure what what

1505

01:19:45,430 --> 01:19:41,889

else you can do apart from that you know

1506

01:19:47,799 --> 01:19:45,440

yeah well you know it's like you know

1507

01:19:49,450 --> 01:19:47,809

talking about going looking for it so I

1508

01:19:51,880 --> 01:19:49,460

just stopped going looking for

1509

01:19:53,290 --> 01:19:51,890

stop going you know took a couple of

1510

01:19:55,300 --> 01:19:53,300

paranormal investigations and

1511

01:19:57,670 --> 01:19:55,310

what-have-you but you know I don't even

1512

01:19:59,170 --> 01:19:57,680

need to go looking for it because I can

1513

01:20:01,000 --> 01:19:59,180

walk into a charity shop and buy a

1514

01:20:04,500 --> 01:20:01,010

little doll that I want to decorate to

1515

01:20:06,250 --> 01:20:04,510

make it look spooky and bring it

1516

01:20:08,860 --> 01:20:06,260

whatever it was

1517

01:20:11,140 --> 01:20:08,870

into my house through my front door you

1518

01:20:13,780 --> 01:20:11,150

know you talk about inviting it in but

1519

01:20:17,110 --> 01:20:13,790

that's exactly what I did you know I've

1520

01:20:20,729 --> 01:20:17,120

become quite convinced now that because

1521

01:20:23,170 --> 01:20:20,739

I put all these barriers up out for

1522

01:20:24,670 --> 01:20:23,180

basically because someone was scared and

1523

01:20:27,010 --> 01:20:24,680

you'd seen a couple of things and I knew

1524

01:20:28,870 --> 01:20:27,020

we won't like him because he's hair was

1525

01:20:32,500 --> 01:20:28,880

shaking that you know I mean he was he

1526

01:20:34,720 --> 01:20:32,510

was trembling like mouth so I thought

1527

01:20:37,150 --> 01:20:34,730

right you know I'm not having this again

1528

01:20:39,100 --> 01:20:37,160

after that last house in leaser I would

1529

01:20:40,959 --> 01:20:39,110

really really went to town around the

1530

01:20:44,890 --> 01:20:40,969

entire property and in sight and you

1531

01:20:47,080 --> 01:20:44,900

know top to bottom and now around the

1532

01:20:49,270 --> 01:20:47,090

whole garden we've got a drain outside

1533

01:20:51,880 --> 01:20:49,280

the kitchen door so I did a bit of me

1534

01:20:55,360 --> 01:20:51,890

while we were over that as well and you

1535

01:20:58,060 --> 01:20:55,370

know kind of left on to the trees to be

1536

01:20:59,709 --> 01:20:58,070

whatever the spirituals while is because

1537

01:21:02,290 --> 01:20:59,719

it's just a big bunch of trees at the

1538

01:21:04,750 --> 01:21:02,300

bottom of the garden and but it's seen

1539

01:21:07,060 --> 01:21:04,760

half a man made of smoke walk past the

1540

01:21:08,979 --> 01:21:07,070

gate and then he said he saw a red man

1541

01:21:11,709 --> 01:21:08,989

he was all red and he had no face his

1542

01:21:13,300 --> 01:21:11,719

face was just one could read stood on

1543

01:21:17,050 --> 01:21:13,310

the car staring at him through his

1544

01:21:18,370 --> 01:21:17,060

bedroom window and you know he tried it

1545

01:21:19,690 --> 01:21:18,380

on a couple of times after that I said

1546

01:21:21,880 --> 01:21:19,700

something I know when you're lying in

1547

01:21:24,520 --> 01:21:21,890

don't even bother or I won't believe you

1548

01:21:27,070 --> 01:21:24,530

on there you know because when his hairs

1549

01:21:31,930 --> 01:21:27,080

shaking I can see that he's trembling

1550

01:21:33,370 --> 01:21:31,940

you know I mean I'm know so I know that

1551

01:21:35,170 --> 01:21:33,380

he said you know the kids you've got

1552

01:21:37,900 --> 01:21:35,180

McCarthy can encourage them there what

1553

01:21:40,060 --> 01:21:37,910

you know that actually is true because I

1554

01:21:41,620 --> 01:21:40,070

believed him a couple of times you tried

1555

01:21:44,380 --> 01:21:41,630

it Armen but I said to him don't even

1556

01:21:45,760 --> 01:21:44,390

lie I know when you're lying I said I

1557

01:21:47,020 --> 01:21:45,770

can tell your eyes your eyes do

1558

01:21:47,440 --> 01:21:47,030

something I'm not going to tell you what

1559

01:21:51,630 --> 01:21:47,450

it is

1560

01:21:54,370 --> 01:21:51,640

know them all out of me I'll believe it

1561

01:21:55,990 --> 01:21:54,380

somebody said that to me once that I did

1562

01:21:58,810 --> 01:21:56,000

something it showed them that I was line

1563

01:22:01,209 --> 01:21:58,820

mice but they told me what it was and I

1564

01:22:03,160 --> 01:22:01,219

said it's because I knew that I hadn't

1565

01:22:05,020 --> 01:22:03,170

been lying as it is not

1566

01:22:07,660 --> 01:22:05,030

I joined it out online I do that when

1567

01:22:09,940 --> 01:22:07,670

I'm uncomfortable with the question yeah

1568

01:22:12,220 --> 01:22:09,950

so it's not actually that I was lying

1569

01:22:17,830 --> 01:22:12,230

and it was when I was on Sonya I was

1570

01:22:21,640 --> 01:22:17,840

uncomfortable answering that question so

1571

01:22:23,710 --> 01:22:21,650

I think they what I've done

1572

01:22:25,480 --> 01:22:23,720

there's been nothing in the house really

1573

01:22:30,220 --> 01:22:25,490

apart from when I brought back Darlene

1574

01:22:35,140 --> 01:22:30,230

and all them flies on the door and it's

1575

01:22:36,340 --> 01:22:35,150

all that stops no well morally was some

1576

01:22:39,460 --> 01:22:36,350

up in the other day but I'm not in

1577

01:22:41,170 --> 01:22:39,470

Charlie Charlie who is paranormal my son

1578

01:22:42,910 --> 01:22:41,180

walked through the door in the living

1579

01:22:45,970 --> 01:22:42,920

room from the hallway and this little

1580

01:22:50,230 --> 01:22:45,980

doll of madara's it kind of flew past

1581

01:22:51,310 --> 01:22:50,240

him and like he'd thrown it but I knew

1582

01:22:54,370 --> 01:22:51,320

he had let's throw on it because his

1583

01:22:56,980 --> 01:22:54,380

arms were by his side like you know kind

1584

01:22:58,420 --> 01:22:56,990

of like shut the door and turned her in

1585

01:23:02,920 --> 01:22:58,430

the room and they stole just kind of

1586

01:23:04,510 --> 01:23:02,930

like flew past him I think he stopped

1587

01:23:06,670 --> 01:23:04,520

and he looked and he looked at me he

1588

01:23:10,480 --> 01:23:06,680

looked at the doll and I went you know

1589

01:23:14,560 --> 01:23:10,490

it happened but I don't know if it was

1590

01:23:16,000 --> 01:23:14,570

caught on his top I don't know I didn't

1591

01:23:16,870 --> 01:23:16,010

see the other side of it just like fly

1592

01:23:19,300 --> 01:23:16,880

across the room

1593

01:23:22,660 --> 01:23:19,310

but why would it have been on him anyway

1594

01:23:27,250 --> 01:23:22,670

because they've been you know so it just

1595

01:23:30,780 --> 01:23:27,260

didn't make sense so that's pretty much

1596

01:23:34,930 --> 01:23:30,790

the only weird thing since then but I do

1597

01:23:37,720 --> 01:23:34,940

it's sort of completely suffocate the

1598

01:23:40,080 --> 01:23:37,730

house with frankincense and stuff like

1599

01:23:43,420 --> 01:23:40,090

that you know

1600

01:23:47,710 --> 01:23:43,430

well I used you you gave me black salt

1601  
01:23:51,370 --> 01:23:47,720  
I used that on my door I used holy water

1602  
01:23:54,310 --> 01:23:51,380  
the from Caffyn grotto and that I had

1603  
01:23:57,790 --> 01:23:54,320  
also blessed as well and holy oil that I

1604  
01:23:59,710 --> 01:23:57,800  
had made myself and then you know that

1605  
01:24:04,630 --> 01:23:59,720  
all these things were rained the entire

1606  
01:24:10,480 --> 01:24:04,640  
house and salt consecrated salts and

1607  
01:24:13,420 --> 01:24:10,490  
incense well I used so many herbs that

1608  
01:24:19,120 --> 01:24:13,430  
are even know what early you know

1609  
01:24:22,550 --> 01:24:19,130  
asafoetida and synced file and you know

1610  
01:24:26,840 --> 01:24:22,560  
sage as well but I use white salt black

1611  
01:24:31,910 --> 01:24:26,850  
salt pink salt salt and sulfur and some

1612  
01:24:36,050 --> 01:24:31,920  
salt and a mile well I say that demons

1613  
01:24:40,190 --> 01:24:36,060

don't like sweet fragrances obviously

1614

01:24:45,080 --> 01:24:40,200

you know it's kind of the opposite of

1615

01:24:47,150 --> 01:24:45,090

demonic is something sweet so things

1616

01:24:50,110 --> 01:24:47,160

like frankincense and myrrh which is a

1617

01:24:54,560 --> 01:24:50,120

little bit sweet children and say

1618

01:25:01,040 --> 01:24:54,570

sandalwood would be a good thing to have

1619

01:25:03,740 --> 01:25:01,050

Behrman in the house I've gone round the

1620

01:25:06,470 --> 01:25:03,750

garden with them as well and I've got

1621

01:25:10,520 --> 01:25:06,480

brick dust and black salt and everything

1622

01:25:12,560 --> 01:25:10,530

on the doorways all around the windows

1623

01:25:14,180 --> 01:25:12,570

have been as well obviously not the

1624

01:25:17,390 --> 01:25:14,190

upstairs windows but I've done them from

1625

01:25:22,060 --> 01:25:17,400

the inside so you know you could only

1626

01:25:26,060 --> 01:25:22,070

eat it I think one of the things that

1627

01:25:28,640 --> 01:25:26,070

the bishop was saying as the the main

1628

01:25:31,850 --> 01:25:28,650

thing of it all which ties in with my

1629

01:25:37,400 --> 01:25:31,860

kind of magical and occult knowledge is

1630

01:25:39,770 --> 01:25:37,410

intent your intention is you know if you

1631

01:25:42,320 --> 01:25:39,780

have a pure intention and that's a

1632

01:25:44,090 --> 01:25:42,330

really powerful thing so maybe that's

1633

01:25:47,570 --> 01:25:44,100

carried my backside through some of

1634

01:25:50,720 --> 01:25:47,580

these instances where I put myself in

1635

01:25:55,040 --> 01:25:50,730

the path of God knows what thinking you

1636

01:25:57,350 --> 01:25:55,050

know just personal energy intent and

1637

01:26:00,590 --> 01:25:57,360

we'll we'll do it but in some instances

1638

01:26:02,840 --> 01:26:00,600

it has but there's something not to me

1639

01:26:05,690 --> 01:26:02,850

always in the back of my mind is that

1640

01:26:09,200 --> 01:26:05,700

you know when you die if this is you you

1641

01:26:12,650 --> 01:26:09,210

meet machine dies but you don't and

1642

01:26:15,650 --> 01:26:12,660

whatever you've learned in this life you

1643

01:26:18,290 --> 01:26:15,660

take back with you as knowledge and I've

1644

01:26:20,180 --> 01:26:18,300

had a lot of dealings with the chaos

1645

01:26:22,610 --> 01:26:20,190

temple and and are quite a few chaos

1646

01:26:25,220 --> 01:26:22,620

magicians and they're quite a scary

1647

01:26:25,970 --> 01:26:25,230

bunch really some of them or not but a

1648

01:26:29,090 --> 01:26:25,980

lot of them

1649

01:26:32,060 --> 01:26:29,100

quite odd it really attracts the misfits

1650

01:26:33,590 --> 01:26:32,070

and they do really strange things and I

1651

01:26:35,240 --> 01:26:33,600

don't think they really believe in what

1652

01:26:38,000 --> 01:26:35,250

the doing because if the date and the

1653

01:26:39,710 --> 01:26:38,010

new up energy they were creating and you

1654

01:26:41,390 --> 01:26:39,720

know making magical entities and things

1655

01:26:42,860 --> 01:26:41,400

like that and I don't think they'd

1656

01:26:44,360 --> 01:26:42,870

actually do it if they could see it you

1657

01:26:46,510 --> 01:26:44,370

know like in Harry Potter world if he

1658

01:26:49,730 --> 01:26:46,520

could actually see what they were doing

1659

01:26:51,830 --> 01:26:49,740

and one of the things that concerns me

1660

01:26:55,220 --> 01:26:51,840

is that I actually named one of their

1661

01:26:57,320 --> 01:26:55,230

meetings I wasn't part of the care

1662

01:26:58,850 --> 01:26:57,330

simple but I was in a temple group and

1663

01:27:03,620 --> 01:26:58,860

one of the people that was in the group

1664

01:27:09,230 --> 01:27:03,630

and it was a is an elder in the chaos

1665

01:27:13,100 --> 01:27:09,240

temple in Leeds and she was putting on

1666

01:27:15,020 --> 01:27:13,110

this event a gathering and she was

1667

01:27:17,360 --> 01:27:15,030

trying to think of a name and I was just

1668

01:27:19,010 --> 01:27:17,370

we all kind of suck my thinking or what

1669

01:27:22,760 --> 01:27:19,020

sure you know like trying to help her

1670

01:27:25,400 --> 01:27:22,770

and I never ever entered my head he came

1671

01:27:29,380 --> 01:27:25,410

out of my mouth unheard or unthought-of

1672

01:27:32,930 --> 01:27:29,390

by me at all I just said northern rites

1673

01:27:34,970 --> 01:27:32,940

and she just looked at me and wrote it

1674

01:27:37,010 --> 01:27:34,980

down and that was it then I thought and

1675

01:27:42,350 --> 01:27:37,020

ever since then I thought oh my god no

1676

01:27:45,580 --> 01:27:42,360

I've named something Oh what is the

1677

01:27:47,930 --> 01:27:45,590

spiritual backlash of that going to me I

1678

01:27:51,050 --> 01:27:47,940

don't I haven't got to that lesson yet

1679

01:27:53,750 --> 01:27:51,060

with the bishop but you know there are

1680

01:27:55,880 --> 01:27:53,760

consequences for all the things that we

1681

01:27:58,910 --> 01:27:55,890

do and we're just so unaware and they're

1682

01:28:00,470 --> 01:27:58,920

really influences and you know I'm

1683

01:28:02,660 --> 01:28:00,480

trying to get to grips of that but

1684

01:28:05,960 --> 01:28:02,670

getting to grips with it means they have

1685

01:28:10,700 --> 01:28:05,970

to get to grips with religion which I've

1686

01:28:12,500 --> 01:28:10,710

always shunned and understand that and

1687

01:28:19,010 --> 01:28:12,510

that was that was a possession that I

1688

01:28:20,450 --> 01:28:19,020

was on a few years back and decided okay

1689

01:28:23,410 --> 01:28:20,460

you know what I'm going to throw myself

1690

01:28:26,600 --> 01:28:23,420

into this I'm going to spend a year and

1691

01:28:28,760 --> 01:28:26,610

either you know at it you can actually

1692

01:28:31,520 --> 01:28:28,770

go online if you can't be bothered to

1693

01:28:33,200 --> 01:28:31,530

know or if you can't go out and you know

1694

01:28:35,919 --> 01:28:33,210

because I know you get some difficulty

1695

01:28:38,500 --> 01:28:35,929

as well so you can go online and

1696

01:28:40,899 --> 01:28:38,510

you can watch therapist is online now

1697

01:28:43,780 --> 01:28:40,909

what so what I did was I D though you

1698

01:28:47,530 --> 01:28:43,790

know take part noise so that would

1699

01:28:49,209 --> 01:28:47,540

include the nucleus so I would have but

1700

01:28:51,790 --> 01:28:49,219

I didn't wane at the appropriate time

1701

01:28:54,070 --> 01:28:51,800

and and just M joined n mother and and I

1702

01:28:56,080 --> 01:28:54,080

was as I say I was looking at it from an

1703

01:29:00,399 --> 01:28:56,090

outside point of view what are people

1704

01:29:03,390 --> 01:29:00,409

getting out of this and it really also

1705

01:29:10,590 --> 01:29:03,400

attended a church nearby

1706

01:29:13,750 --> 01:29:10,600

it really gave me um a real insight into

1707

01:29:17,830 --> 01:29:13,760

what it was a very important was doing

1708

01:29:19,660 --> 01:29:17,840

and and how it applied to me so I think

1709

01:29:22,570 --> 01:29:19,670

you know when you want to get your head

1710

01:29:25,750 --> 01:29:22,580

around something you have to throw

1711

01:29:30,760 --> 01:29:25,760

yourself into you know 100 percent

1712

01:29:34,149 --> 01:29:30,770

you know just attend services or whether

1713

01:29:38,020 --> 01:29:34,159

it's online or whether it's you know in

1714

01:29:40,090 --> 01:29:38,030

person yeah and you're probably it

1715

01:29:42,520 --> 01:29:40,100

wouldn't maybe not like the first couple

1716

01:29:45,760 --> 01:29:42,530

times it will probably be something that

1717

01:29:48,640 --> 01:29:45,770

if you just observe from a distance over

1718

01:29:52,300 --> 01:29:48,650

time it you'll realize what it as this

1719

01:29:53,890 --> 01:29:52,310

happen I have no idea what goes on

1720

01:29:55,950 --> 01:29:53,900

inside the church because I have no I

1721

01:29:59,140 --> 01:29:55,960

haven't been to a church service

1722

01:30:00,100 --> 01:29:59,150

probably since I was about seven maybe

1723

01:30:01,810 --> 01:30:00,110

even younger than that

1724

01:30:03,610 --> 01:30:01,820

I do remember actually going into a

1725

01:30:05,950 --> 01:30:03,620

church couple of times probably with my

1726

01:30:09,220 --> 01:30:05,960

grandparents summer dad's an atheist and

1727

01:30:11,770 --> 01:30:09,230

my mom's really not religious at all so

1728

01:30:13,930 --> 01:30:11,780

I you know I have assumed it's all

1729

01:30:17,560 --> 01:30:13,940

really dull and boring and and I'll just

1730

01:30:18,850 --> 01:30:17,570

fall asleep you know hour of my head

1731

01:30:23,649 --> 01:30:18,860

I'll start spinning around and I'll

1732

01:30:28,090 --> 01:30:23,659

start spewing green slime I'll have a

1733

01:30:31,060 --> 01:30:28,100

heart attack when I was baptized I had

1734

01:30:33,640 --> 01:30:31,070

an exorcism done as part of them that's

1735

01:30:35,919 --> 01:30:33,650

I just didn't think for me because

1736

01:30:38,380 --> 01:30:35,929

somebody I was talking to said to me you

1737

01:30:40,090 --> 01:30:38,390

probably need an exorcism because lived

1738

01:30:42,459 --> 01:30:40,100

in that haunted house about the laws of

1739

01:30:44,620 --> 01:30:42,469

Pontus to farm in life and I've been

1740

01:30:46,120 --> 01:30:44,630

told by a couple of people that I picked

1741

01:30:48,189 --> 01:30:46,130

this up when I was a child when I was in

1742

01:30:49,520 --> 01:30:48,199

hospital so when I was a child was and I

1743

01:30:54,080 --> 01:30:49,530

was in hospital was when I

1744

01:30:56,899 --> 01:30:54,090

almost died so you know did something

1745

01:30:58,760 --> 01:30:56,909

happen then I kind of think that I was

1746

01:30:59,600 --> 01:30:58,770

influenced into the situation where I

1747

01:31:02,180 --> 01:30:59,610

nearly died

1748

01:31:04,520 --> 01:31:02,190

so because I can remember it so clearly

1749

01:31:06,080 --> 01:31:04,530

and something's screaming at me there's

1750

01:31:08,510 --> 01:31:06,090

a reason that you can remember that so

1751

01:31:12,890 --> 01:31:08,520

clearly you know there was some sort of

1752

01:31:15,049 --> 01:31:12,900

I don't know no sound like a crazy

1753

01:31:17,680 --> 01:31:15,059

person but anyway no I mean that's the

1754

01:31:20,419 --> 01:31:17,690

shamanic thing again you know the and

1755

01:31:23,660 --> 01:31:20,429

quite often people who have had a

1756

01:31:30,109 --> 01:31:26,779

i I had one as well when I was about to

1757

01:31:38,750 --> 01:31:30,119

I choked on a on a sweetie

1758

01:31:41,319 --> 01:31:38,760

but stolen I was in bed and my dad was

1759

01:31:45,200 --> 01:31:41,329

down the stairs and and and he had this

1760

01:31:49,490 --> 01:31:45,210

coffin some strange noises and when

1761

01:31:51,649 --> 01:31:49,500

human n my face was blue and it took

1762

01:31:53,720 --> 01:31:51,659

several minutes made me time dot sight

1763

01:31:57,799 --> 01:31:53,730

down and all the rest of it and

1764

01:32:01,069 --> 01:31:57,809

eventually this sweetie Porto and there

1765

01:32:03,459 --> 01:32:01,079

it just at that fairly woman the

1766

01:32:06,200 --> 01:32:03,469

ambulance Ferrara and I remember this I

1767

01:32:09,529 --> 01:32:06,210

remember the ambulance meant walking

1768

01:32:12,080 --> 01:32:09,539

into the house and I remember it was

1769

01:32:15,950 --> 01:32:12,090

almost like an instant you know I don't

1770

01:32:18,140 --> 01:32:15,960

like well I don't remember standing

1771

01:32:21,020 --> 01:32:18,150

there like coffin and whatever I

1772

01:32:28,520 --> 01:32:21,030

remember turning around and saying this

1773

01:32:31,549 --> 01:32:28,530

is my house who are you I don't know two

1774

01:32:36,830 --> 01:32:31,559

three at the most but I remember like

1775

01:32:40,970 --> 01:32:36,840

they perfectly so this is a you know

1776

01:32:45,169 --> 01:32:40,980

what a shamanic thing to have been in a

1777

01:32:49,450 --> 01:32:45,179

near-death situation and also the shame

1778

01:32:54,470 --> 01:32:49,460

and as the the wounded healer yeah so

1779

01:32:57,919 --> 01:32:54,480

quite often or I think that there will

1780

01:33:00,700 --> 01:32:57,929

be something about us and then in our

1781

01:33:02,440 --> 01:33:00,710

case we've got a lot of health and she

1782

01:33:04,210 --> 01:33:02,450

somebody said to me is because she

1783

01:33:10,420 --> 01:33:04,220

walked into the afterlife and you

1784

01:33:13,150 --> 01:33:10,430

weren't dead yet paraphrase their engine

1785

01:33:18,040 --> 01:33:13,160

of state basically I still glow in like

1786

01:33:20,230 --> 01:33:18,050

you know I thought that was an

1787

01:33:24,100 --> 01:33:20,240

interesting comment but you know I don't

1788

01:33:27,100 --> 01:33:24,110

know it do you open the door is it the

1789

01:33:28,720 --> 01:33:27,110

door just in your mind no it can't be

1790

01:33:30,850 --> 01:33:28,730

I think it's available when you're not

1791

01:33:32,950 --> 01:33:30,860

powerful person less I think that you

1792

01:33:36,640 --> 01:33:32,960

are and you've got quite a powerful

1793

01:33:40,060 --> 01:33:36,650

personality and you and what you've been

1794

01:33:42,280 --> 01:33:40,070

involved in all this and I don't know

1795

01:33:47,110 --> 01:33:42,290

whether you do any healing or anything

1796

01:33:50,770 --> 01:33:47,120

like that but yeah so so you've got that

1797

01:33:53,380 --> 01:33:50,780

ability as well and and you've used it

1798

01:33:56,050 --> 01:33:53,390

and I think that if you you know you

1799

01:33:59,980 --> 01:33:56,060

mentioned this of shining you know

1800

01:34:02,500 --> 01:33:59,990

that's of late and I think that and this

1801  
01:34:06,280 --> 01:34:02,510  
I'm sure it can all be seen enough order

1802  
01:34:08,590 --> 01:34:06,290  
around us and buy whatever entities I

1803  
01:34:11,380 --> 01:34:08,600  
think that they are like moths to a

1804  
01:34:13,750 --> 01:34:11,390  
flame Jordan to that and perhaps

1805  
01:34:16,030 --> 01:34:13,760  
although they are negative maybe they

1806  
01:34:19,840 --> 01:34:16,040  
want some of that maybe they want to be

1807  
01:34:21,340 --> 01:34:19,850  
healed in some way do you think you're

1808  
01:34:23,470 --> 01:34:21,350  
right about the moths moths

1809  
01:34:26,410 --> 01:34:23,480  
like around a flame kind of thing

1810  
01:34:28,720 --> 01:34:26,420  
because you know one of the psychics

1811  
01:34:30,190 --> 01:34:28,730  
that I know told me I needed to do

1812  
01:34:33,550 --> 01:34:30,200  
something with the tree at the bottom of

1813  
01:34:37,600 --> 01:34:33,560

the garden turned into some sort of doll

1814

01:34:40,240 --> 01:34:37,610

way because there are blood of people

1815

01:34:43,800 --> 01:34:40,250

lining up at the wall at the side of the

1816

01:34:46,720 --> 01:34:43,810

house on the I've got a wall it's like a

1817

01:34:48,700 --> 01:34:46,730

who I don't know and didn't meet hundred

1818

01:34:53,350 --> 01:34:48,710

foot long or something maybe even my's

1819

01:34:55,810 --> 01:34:53,360

massive and I don't go down there but my

1820

01:34:58,300 --> 01:34:55,820

daughter sort of recent months has been

1821

01:34:59,950 --> 01:34:58,310

saying well I feel really creepy on that

1822

01:35:02,410 --> 01:34:59,960

room for some reason she doesn't don't

1823

01:35:04,030 --> 01:35:02,420

be far and one of the psychics that I

1824

01:35:06,460 --> 01:35:04,040

know said are there's a few people

1825

01:35:08,290 --> 01:35:06,470

lining up you live on a cross roadster

1826  
01:35:10,180 --> 01:35:08,300  
yeah and you've got a tree at the bottom

1827  
01:35:11,950 --> 01:35:10,190  
of the garden it would be a really good

1828  
01:35:13,679 --> 01:35:11,960  
idea if you turn that tree into a way

1829  
01:35:15,810 --> 01:35:13,689  
out so

1830  
01:35:17,520 --> 01:35:15,820  
kind of like went and tried to clear a

1831  
01:35:20,250 --> 01:35:17,530  
space in front of it you know sort of

1832  
01:35:22,379 --> 01:35:20,260  
like so can make it to put some energy

1833  
01:35:23,699 --> 01:35:22,389  
into it anyway and as I was clearing the

1834  
01:35:27,989 --> 01:35:23,709  
leaves and all the bits of twigs and

1835  
01:35:30,029 --> 01:35:27,999  
things away I found a door handle right

1836  
01:35:32,219 --> 01:35:30,039  
at the bottom of the tree I was like oh

1837  
01:35:34,140 --> 01:35:32,229  
right okay so there's a little groove in

1838  
01:35:36,180 --> 01:35:34,150

the tree so I just laughed and shook the

1839

01:35:41,479 --> 01:35:36,190

door underlain on the way legit our way

1840

01:35:44,399 --> 01:35:41,489

[Laughter]

1841

01:35:46,799 --> 01:35:44,409

I don't know what to do so kind of add a

1842

01:35:49,529 --> 01:35:46,809

little humbled ceremony type thing and

1843

01:35:51,149 --> 01:35:49,539

I'll do that once a week and then I got

1844

01:35:53,489 --> 01:35:51,159

freaked out by some of the stuff that

1845

01:35:55,259 --> 01:35:53,499

the bishop was saying and so I've just

1846

01:35:57,000 --> 01:35:55,269

kind of like went around the garden

1847

01:35:59,790 --> 01:35:57,010

again and made this barrier at the

1848

01:36:01,649 --> 01:35:59,800

bottom abut across the tree so that the

1849

01:36:03,689 --> 01:36:01,659

way the compost heap is and then there's

1850

01:36:06,149 --> 01:36:03,699

like a wood pile and then there's this

1851  
01:36:08,370 --> 01:36:06,159  
tree and the bottom of it is so enormous

1852  
01:36:11,699 --> 01:36:08,380  
I could only get my arms halfway around

1853  
01:36:13,890 --> 01:36:11,709  
it and that it gets to be about I don't

1854  
01:36:16,890 --> 01:36:13,900  
know just a bit taller than that I am

1855  
01:36:19,439 --> 01:36:16,900  
and then it breaks out into sort of

1856  
01:36:22,830 --> 01:36:19,449  
seven fingers that go up to the sky it's

1857  
01:36:25,109 --> 01:36:22,840  
amazing and it's like a little Bowl in

1858  
01:36:26,850 --> 01:36:25,119  
the middle of it and I thought I need to

1859  
01:36:28,640 --> 01:36:26,860  
clear that out and he said you know make

1860  
01:36:32,159 --> 01:36:28,650  
some offerings or something in there and

1861  
01:36:34,020 --> 01:36:32,169  
kind of do that thing because if I

1862  
01:36:35,549 --> 01:36:34,030  
wasn't meant to be doing this kind of

1863  
01:36:37,229 --> 01:36:35,559

thing then I wouldn't be doing it my

1864

01:36:38,819 --> 01:36:37,239

whole life wouldn't have been shoving me

1865

01:36:41,790 --> 01:36:38,829

towards it well I've been trying to run

1866

01:36:43,560 --> 01:36:41,800

away from it so I kind of figured that I

1867

01:36:46,319 --> 01:36:43,570

needed to learn more about it which is

1868

01:36:50,790 --> 01:36:46,329

how I ended up on this course with the

1869

01:36:52,979 --> 01:36:50,800

bishop and I'm going to do it but you

1870

01:36:56,909 --> 01:36:52,989

know are even joke today if I said oh

1871

01:37:01,290 --> 01:36:56,919

I've got a Bible now you know all right

1872

01:37:04,770 --> 01:37:01,300

even got a church very american standard

1873

01:37:06,839 --> 01:37:04,780

bible is it make it i am i've only kind

1874

01:37:07,859 --> 01:37:06,849

of had a little glance at it really it's

1875

01:37:10,140 --> 01:37:07,869

very difficult

1876

01:37:12,299 --> 01:37:10,150

i'm gonna have to have a word with

1877

01:37:16,319 --> 01:37:12,309

myself because it's hard for me to read

1878

01:37:20,100 --> 01:37:16,329

because I've rejected this for 48 years

1879

01:37:22,620 --> 01:37:20,110

mm-hmm you know and I need to kind of

1880

01:37:25,560 --> 01:37:22,630

get some more grips I think with what

1881

01:37:26,609 --> 01:37:25,570

he's saying about archetypes and I

1882

01:37:31,080 --> 01:37:26,619

better understand

1883

01:37:35,310 --> 01:37:31,090

that which interestingly he is doing

1884

01:37:38,520 --> 01:37:35,320

through the medium of Tarot using the

1885

01:37:42,000 --> 01:37:38,530

major arcana to describe who the

1886

01:37:46,140 --> 01:37:42,010

architects are so you know I've always

1887

01:37:48,240 --> 01:37:46,150

had trouble with Terra and it's some so

1888

01:37:55,589 --> 01:37:48,250

much information too much information 78

1889

01:38:01,080 --> 01:37:55,599

cards you might want to go to sleep just

1890

01:38:03,149 --> 01:38:01,090

thinking about them but when it come to

1891

01:38:06,089 --> 01:38:03,159

the kind of like reading the box and

1892

01:38:08,419 --> 01:38:06,099

looking at things that yeah no I

1893

01:38:13,580 --> 01:38:08,429

actually I'm quite the same I only

1894

01:38:17,570 --> 01:38:13,590

really read them intuitively so yeah so

1895

01:38:21,000 --> 01:38:17,580

there's all that kind of insight now and

1896

01:38:24,260 --> 01:38:21,010

who knows what the future holds but I we

1897

01:38:26,580 --> 01:38:24,270

had a conversation a year or so ago and

1898

01:38:27,839 --> 01:38:26,590

we know what is it that you're working

1899

01:38:29,640 --> 01:38:27,849

towards what is it that you feel

1900

01:38:33,120 --> 01:38:29,650

yourself you wanting to do when we both

1901

01:38:37,379 --> 01:38:33,130

said exorcisms not really which was so

1902

01:38:40,950 --> 01:38:37,389

never met anybody so it was say that you

1903

01:38:43,589 --> 01:38:40,960

know which is crazy because then

1904

01:38:44,700 --> 01:38:43,599

obviously some archetypal maneuverings

1905

01:38:46,589 --> 01:38:44,710

have been going on

1906

01:38:49,109 --> 01:38:46,599

so even give us that mirror you know

1907

01:38:51,689 --> 01:38:49,119

mm-hmm I just definitely because it's

1908

01:38:55,800 --> 01:38:51,699

not just that those other things that we

1909

01:38:58,350 --> 01:38:55,810

are very very similar about but yeah

1910

01:39:01,229 --> 01:38:58,360

that that is definitely I felt that for

1911

01:39:05,280 --> 01:39:01,239

the last few years and then I remember

1912

01:39:09,810 --> 01:39:05,290

that the police that I worked this guy

1913

01:39:12,359 --> 01:39:09,820

their best fish years ago had decided to

1914

01:39:14,459 --> 01:39:12,369

get us all names like nicknames and I

1915

01:39:19,890 --> 01:39:14,469

said what's my nickname and he said The

1916

01:39:22,290 --> 01:39:19,900

Exorcist and I was like what and I don't

1917

01:39:26,399 --> 01:39:22,300

know why he said thanks Lou you know

1918

01:39:31,169 --> 01:39:26,409

just maybe by my interest and horror

1919

01:39:34,260 --> 01:39:31,179

films or being you know I started the

1920

01:39:35,760 --> 01:39:34,270

the pagan society the University and you

1921

01:39:37,229 --> 01:39:35,770

know I don't know if it was that but I

1922

01:39:39,209 --> 01:39:37,239

don't know what I had together on the

1923

01:39:41,250 --> 01:39:39,219

impression and

1924

01:39:47,130 --> 01:39:41,260

- you know - call me the Exorcist

1925

01:39:52,280 --> 01:39:47,140

there's a strange one but yeah it is my

1926

01:39:55,410 --> 01:39:52,290

favorite film The Exorcist that is true

1927

01:39:58,380 --> 01:39:55,420

and but I just feel like everything has

1928

01:40:01,950 --> 01:39:58,390

kind of come together - I'm being guided

1929

01:40:03,209 --> 01:40:01,960

in that direction yeah yeah I know

1930

01:40:05,220 --> 01:40:03,219

exactly what you mean and I would

1931

01:40:06,750 --> 01:40:05,230

totally agree with you because I feel

1932

01:40:08,850 --> 01:40:06,760

like I've been shoved that way myself

1933

01:40:11,400 --> 01:40:08,860

and it doesn't matter what my interests

1934

01:40:15,030 --> 01:40:11,410

are you know I have spent a lot of time

1935

01:40:18,420 --> 01:40:15,040

in the UFO world but with the whole time

1936

01:40:20,550 --> 01:40:18,430

of in the paranormal stuff really really

1937

01:40:22,530 --> 01:40:20,560

pestered and pestered and pestered me to

1938

01:40:24,180 --> 01:40:22,540

the point where it's like okay ignore it

1939

01:40:28,950 --> 01:40:24,190

it won't go away I have to deal with

1940

01:40:30,209 --> 01:40:28,960

this so you know and I don't know I can

1941

01:40:31,490 --> 01:40:30,219

see myself going down the same route

1942

01:40:33,660 --> 01:40:31,500

which it was some point in the future

1943

01:40:35,810 --> 01:40:33,670

where I am right now but that might

1944

01:40:39,209 --> 01:40:35,820

change because I do change my mind a lot

1945

01:40:42,570 --> 01:40:39,219

and it might just be another part of my

1946

01:40:44,160 --> 01:40:42,580

learning and you know maybe once I

1947

01:40:48,660 --> 01:40:44,170

understand the energies of all these

1948

01:40:55,439 --> 01:40:48,670

archetypes etc I am going to need to be

1949

01:40:58,560 --> 01:40:55,449

in you know in a religious setting or

1950

01:41:00,780 --> 01:40:58,570

eat going to church or being baptized or

1951

01:41:02,729 --> 01:41:00,790

anything I don't know I don't know I

1952

01:41:05,720 --> 01:41:02,739

don't know what you mean no I mean

1953

01:41:08,459 --> 01:41:05,730

another quite important thing about and

1954

01:41:13,110 --> 01:41:08,469

actually physically going to church as

1955

01:41:16,470 --> 01:41:13,120

and that a you know if you want to look

1956

01:41:19,459 --> 01:41:16,480

at it magically that energy that of the

1957

01:41:25,350 --> 01:41:19,469

community it's good if energy you're all

1958

01:41:28,410 --> 01:41:25,360

it's combined it's you know hundreds

1959

01:41:31,860 --> 01:41:28,420

more hundred times more powerful than

1960

01:41:33,390 --> 01:41:31,870

you on your own you know sure come

1961

01:41:35,790 --> 01:41:33,400

together with the community and that

1962

01:41:38,580 --> 01:41:35,800

energy is building up and building up

1963

01:41:42,240 --> 01:41:38,590

and they've been put into your immediate

1964

01:41:44,010 --> 01:41:42,250

community so that is if you look at you

1965

01:41:47,700 --> 01:41:44,020

know actually physically going to a

1966

01:41:53,540 --> 01:41:47,710

service and those terms and but you know

1967

01:41:57,719 --> 01:41:53,550

you you only know that by experience

1968

01:41:59,669 --> 01:41:57,729

yeah yeah uh you know I just know that

1969

01:42:01,560 --> 01:41:59,679

there's no way that I can escape these

1970

01:42:05,939 --> 01:42:01,570

weird things that go on and that you

1971

01:42:07,919 --> 01:42:05,949

know I need to deal with this and this

1972

01:42:09,120 --> 01:42:07,929

is where I've ended up so I just have to

1973

01:42:10,709 --> 01:42:09,130

assume that this is where I'm supposed

1974

01:42:17,489 --> 01:42:10,719

to be otherwise I'd be somewhere else

1975

01:42:20,299 --> 01:42:17,499

wouldn't I and I assume that you know

1976

01:42:22,259 --> 01:42:20,309

everything that I've ever done is

1977

01:42:24,270 --> 01:42:22,269

integral to all of this and everything

1978

01:42:27,060 --> 01:42:24,280

that I've ever done is all tied in to

1979

01:42:30,239 --> 01:42:27,070

this because it's everything that's ever

1980

01:42:33,719 --> 01:42:30,249

happened to me this is not like me

1981

01:42:37,319 --> 01:42:33,729

getting a job it's me finding a way to

1982

01:42:41,580 --> 01:42:37,329

deal with situations in my actual living

1983

01:42:43,919 --> 01:42:41,590

life you know I was at someone's house

1984

01:42:46,830 --> 01:42:43,929

at the weekend and something happened I

1985

01:42:50,790 --> 01:42:46,840

can't explain what because it was just a

1986

01:42:52,890 --> 01:42:50,800

sudden difference in the air a very cold

1987

01:42:54,569 --> 01:42:52,900

the dog was frightened the dog actually

1988

01:43:00,149 --> 01:42:54,579

crapped herself in the carny was so

1989

01:43:02,580 --> 01:43:00,159

scared you know and I'm like not at home

1990

01:43:03,660 --> 01:43:02,590

and I'm like Kirk I'm not to deal with

1991

01:43:05,069 --> 01:43:03,670

this because I can't engage with

1992

01:43:06,629 --> 01:43:05,079

something in somebody else's house

1993

01:43:09,060 --> 01:43:06,639

because that's an invitation and it's

1994

01:43:13,680 --> 01:43:09,070

not my place mm-hmm just let's pretend

1995

01:43:15,509 --> 01:43:13,690

it didn't happen you know I mean I've

1996

01:43:18,810 --> 01:43:15,519

got to be able to deal with it because

1997

01:43:20,489 --> 01:43:18,820

it happens to me and it happens to me

1998

01:43:22,229 --> 01:43:20,499

kids as well at times they get all

1999

01:43:24,569 --> 01:43:22,239

freaked out they can feel it going off

2000

01:43:29,489 --> 01:43:24,579

mm-hmm we need to now to deal with it

2001  
01:43:33,089 --> 01:43:29,499  
and I think I've been extremely naive in

2002  
01:43:35,640 --> 01:43:33,099  
the past and I don't like to be naive

2003  
01:43:37,350 --> 01:43:35,650  
I like to be educated and the only way

2004  
01:43:39,989 --> 01:43:37,360  
real way that I can learn about these

2005  
01:43:45,049 --> 01:43:39,999  
kinds of things is the same way as you

2006  
01:43:50,069 --> 01:43:45,059  
have mhm well I felt that I needed the

2007  
01:43:54,029 --> 01:43:50,079  
do um the backing I don't know if that's

2008  
01:43:56,160 --> 01:43:54,039  
that I Tara but and as you said at the

2009  
01:44:02,370 --> 01:43:56,170  
start of the show I was ordained as a

2010  
01:44:06,090 --> 01:44:02,380  
deacon with a Bishop David party

2011  
01:44:09,750 --> 01:44:06,100  
of the inlets the Valentine in gnostic

2012  
01:44:13,730 --> 01:44:09,760  
church which we're trying to you know

2013  
01:44:20,730 --> 01:44:17,910

he was also ordained with the old

2014

01:44:28,830 --> 01:44:20,740

Catholic Church at push we've no all

2015

01:44:32,970 --> 01:44:28,840

left but we decided it wasn't such a

2016

01:44:35,670 --> 01:44:32,980

great place for us but um not because of

2017

01:44:37,770 --> 01:44:35,680

anything Lee obviously we you watch

2018

01:44:41,400 --> 01:44:37,780

films and it's all with the sorbus

2019

01:44:45,300 --> 01:44:41,410

Catholic Jesus but or nuns as well doing

2020

01:44:47,430 --> 01:44:45,310

it such a sense and it wasn't because of

2021

01:44:50,520 --> 01:44:47,440

that it wasn't because of the enmity it

2022

01:44:55,500 --> 01:44:50,530

was because I think that there's when

2023

01:45:00,150 --> 01:44:55,510

you're ordained and there's a certain

2024

01:45:03,510 --> 01:45:00,160

and I don't want to use about Howard

2025

01:45:07,530 --> 01:45:03,520

again but you know you're you're a

2026

01:45:10,950 --> 01:45:07,540

governess connection more of a

2027

01:45:14,250 --> 01:45:10,960

connection and I told me they know what

2028

01:45:18,090 --> 01:45:14,260

I'm trying to see here but it felt like

2029

01:45:21,420 --> 01:45:18,100

in order to be any good exorcism in

2030

01:45:26,400 --> 01:45:21,430

order to feel like I really had the

2031

01:45:29,490 --> 01:45:26,410

raped to exorcise anyone or anything any

2032

01:45:31,260 --> 01:45:29,500

whom or whatever and I had to be given

2033

01:45:35,490 --> 01:45:31,270

the authority to do that

2034

01:45:38,340 --> 01:45:35,500

by by God you know but you did to get me

2035

01:45:41,040 --> 01:45:38,350

that authority and through being

2036

01:45:45,050 --> 01:45:41,050

ordained and until that happens I did

2037

01:45:47,790 --> 01:45:45,060

not feel that I was spiritually able to

2038

01:45:51,150 --> 01:45:47,800

go and and help somebody in that

2039

01:45:53,400 --> 01:45:51,160

situation yeah this is the sort of place

2040

01:45:56,910 --> 01:45:53,410

where I am right now where I realize

2041

01:45:59,190 --> 01:45:56,920

that if I do come up against something

2042

01:46:02,000 --> 01:45:59,200

like that a situation like that because

2043

01:46:05,670 --> 01:46:02,010

I put myself out there is doing this not

2044

01:46:09,900 --> 01:46:05,680

only I had not got the knowledge I don't

2045

01:46:11,910 --> 01:46:09,910

have that it is back up it's that can is

2046

01:46:14,400 --> 01:46:11,920

power but it's not your power it's not

2047

01:46:15,690 --> 01:46:14,410

me new power is God's playing power

2048

01:46:21,690 --> 01:46:15,700

power the

2049

01:46:23,070 --> 01:46:21,700

energy is that all God yeah and you're

2050

01:46:25,620 --> 01:46:23,080

allowed to use it you are allowed to do

2051

01:46:28,800 --> 01:46:25,630

that this is official doesn't work if

2052

01:46:31,050 --> 01:46:28,810

it's not official you don't have it

2053

01:46:33,150 --> 01:46:31,060

there because it's like every single

2054

01:46:36,420 --> 01:46:33,160

thing that is done is even though I know

2055

01:46:41,100 --> 01:46:36,430

that you know this is not white it's a

2056

01:46:43,460 --> 01:46:41,110

ritual it's a magical it's magic so you

2057

01:46:47,250 --> 01:46:43,470

know it's then law it's written in

2058

01:46:49,720 --> 01:46:47,260

energy that you can't change that that's

2059

01:46:51,540 --> 01:46:49,730

how it is

2060

01:46:54,450 --> 01:46:51,550

[Music]

2061

01:46:56,730 --> 01:46:54,460

sorry I wish to go sort of wandering

2062

01:47:00,000 --> 01:46:56,740

into somebody's life saying don't worry

2063

01:47:01,710 --> 01:47:00,010

I can help you with this you know but

2064

01:47:07,320 --> 01:47:01,720

it's gonna be dangerous for even more

2065

01:47:08,460 --> 01:47:07,330

people it's not going to work but people

2066

01:47:10,070 --> 01:47:08,470

are doing it and this is the thing that

2067

01:47:13,620 --> 01:47:10,080

scares me you know

2068

01:47:17,460 --> 01:47:13,630

so I'm glad it's not to say that you

2069

01:47:21,330 --> 01:47:17,470

only have to be a Christian priest

2070

01:47:25,380 --> 01:47:21,340

priest or priestess stroke minister or

2071

01:47:27,380 --> 01:47:25,390

whatever to do something like that I

2072

01:47:29,970 --> 01:47:27,390

mean you could be pig and you could be a

2073

01:47:33,420 --> 01:47:29,980

shaming you could have you know your

2074

01:47:35,820 --> 01:47:33,430

authority could still come to you but

2075

01:47:38,670 --> 01:47:35,830

you have to know that you have to know

2076

01:47:41,580 --> 01:47:38,680

that yourself if that authority has been

2077

01:47:44,580 --> 01:47:41,590

given to you and and I didn't feel that

2078

01:47:49,260 --> 01:47:44,590

it had until you know until I had been

2079

01:47:55,110 --> 01:47:49,270

ordained I've started to be ordained as

2080

01:47:59,990 --> 01:47:55,120

a priest a a deacon as like a trainee if

2081

01:48:06,300 --> 01:48:00,000

you like yeah but but still with the

2082

01:48:14,610 --> 01:48:06,310

more or less although the duties over a

2083

01:48:17,190 --> 01:48:14,620

priestess so I done a lot I can be and

2084

01:48:18,600 --> 01:48:17,200

then I think and don't know if I'm right

2085

01:48:21,780 --> 01:48:18,610

seeing us but I think when you're

2086

01:48:24,570 --> 01:48:21,790

ordained as a priestess then it's the

2087

01:48:27,560 --> 01:48:24,580

right reference I think that I think

2088

01:48:32,990 --> 01:48:27,570

that that's because I

2089

01:48:35,810 --> 01:48:33,000

had David referring to Alan Cox as the

2090

01:48:38,300 --> 01:48:35,820

date evidence and he has been ordained

2091

01:48:42,560 --> 01:48:38,310

as a priest with the the Gnostic charge

2092

01:48:47,240 --> 01:48:42,570

saw through David again so and at the

2093

01:48:54,200 --> 01:48:47,250

moment in the UK there are only three of

2094

01:48:59,120 --> 01:48:54,210

us David Allen and myself so as far as I

2095

01:49:01,700 --> 01:48:59,130

know and as far as David knows I mean

2096

01:49:04,340 --> 01:49:01,710

there are other Gnostics I as far as I

2097

01:49:06,050 --> 01:49:04,350

know what sinners would think we've been

2098

01:49:14,390 --> 01:49:06,060

ordained about the Valentine in gnostic

2099

01:49:15,650 --> 01:49:14,400

church thoughts yes yeah so I like

2100

01:49:28,160 --> 01:49:15,660

Church of the Flying Spaghetti Monster

2101

01:49:32,480 --> 01:49:28,170

every certificate yeah have you got

2102

01:49:37,220 --> 01:49:32,490

Netflix yeah have you seen the Devlin

2103

01:49:39,770 --> 01:49:37,230

father a mort North as as th at the end

2104

01:49:43,460 --> 01:49:39,780

I think is pronounced a Mort father a

2105

01:49:46,240 --> 01:49:43,470

Mort was the the Vatican priest the old

2106

01:49:50,030 --> 01:49:46,250

Vatican police that died few years Mike

2107

01:49:55,250 --> 01:49:50,040

and it's all opposed William Friedkin

2108

01:49:57,560 --> 01:49:55,260

who directed the Exorcist and who has

2109

01:50:01,240 --> 01:49:57,570

done this documented it really speaks to

2110

01:50:04,240 --> 01:50:01,250

father Moritz and he actually and

2111

01:50:08,690 --> 01:50:04,250

witnesses and films and exorcism and

2112

01:50:11,600 --> 01:50:08,700

it's it's creep you know disturbing

2113

01:50:14,170 --> 01:50:11,610

quite a spooky but fairly interest and

2114

01:50:18,830 --> 01:50:14,180

at the same plane so you should

2115

01:50:20,650 --> 01:50:18,840

definitely check around yeah yeah the

2116

01:50:23,000 --> 01:50:20,660

devil and father a Mort

2117

01:50:25,160 --> 01:50:23,010

oh good when I showed it to my mom

2118

01:50:27,140 --> 01:50:25,170

actually and she was really cute touched

2119

01:50:29,240 --> 01:50:27,150

doesn't really like stuff like this I

2120

01:50:34,040 --> 01:50:29,250

saw like a family

2121

01:50:35,510 --> 01:50:34,050

watch and people are freaking out she's

2122

01:50:38,979 --> 01:50:35,520

my mom doesn't like really the

2123

01:50:41,410 --> 01:50:38,989

paranormal ufologist subject either but

2124

01:50:44,590 --> 01:50:41,420

when I said I want you to see this and

2125

01:50:47,770 --> 01:50:44,600

you know those new a noodle neurologists

2126  
01:50:49,479 --> 01:50:47,780  
or you're looking at a nurse too who are

2127  
01:50:54,340 --> 01:50:49,489  
saying you know this well most more

2128  
01:50:56,110 --> 01:50:54,350  
things didn't happen in ass and the they

2129  
01:50:58,870 --> 01:50:56,120  
say that you know this women she's no

2130  
01:51:02,140 --> 01:50:58,880  
she stopping on and a lot of them think

2131  
01:51:11,020 --> 01:51:02,150  
that it as some kind of noodle condition

2132  
01:51:17,470 --> 01:51:11,030  
and the or was what's the word like

2133  
01:51:18,790 --> 01:51:17,480  
hysteria or something I can to that that

2134  
01:51:21,250 --> 01:51:18,800  
the we just don't

2135  
01:51:24,120 --> 01:51:21,260  
what kind of do half a term for it they

2136  
01:51:27,040 --> 01:51:24,130  
call it trance and possession disorderly

2137  
01:51:30,640 --> 01:51:27,050  
but they do acknowledge that it is a

2138  
01:51:35,229 --> 01:51:30,650

thing yeah and the they do acknowledge

2139

01:51:37,450 --> 01:51:35,239

that exorcism can break to find that

2140

01:51:40,240 --> 01:51:37,460

they know unfortunately that women was

2141

01:51:42,820 --> 01:51:40,250

winter I think it was like 10 Thank You

2142

01:51:45,340 --> 01:51:42,830

citizen I think actually the one that

2143

01:51:47,800 --> 01:51:45,350

was filmed was the ninth exorcism and

2144

01:51:51,340 --> 01:51:47,810

father a Mort died before her tenth

2145

01:51:54,130 --> 01:51:51,350

exorcism and but it it was very

2146

01:51:55,510 --> 01:51:54,140

interesting to watch and all our family

2147

01:51:57,729 --> 01:51:55,520

were there as well you know they were

2148

01:52:01,690 --> 01:51:57,739

they were all getting and behind it too

2149

01:52:06,390 --> 01:52:01,700

and you know of course room of it very

2150

01:52:08,590 --> 01:52:06,400

or actually have any a Catholic place or

2151  
01:52:10,030 --> 01:52:08,600  
obviously is going to be a Roman

2152  
01:52:13,420 --> 01:52:10,040  
Catholic priest it's going to carry that

2153  
01:52:16,900 --> 01:52:13,430  
out I was very interested actually to em

2154  
01:52:18,220 --> 01:52:16,910  
because I wondered you know the Catholic

2155  
01:52:20,470 --> 01:52:18,230  
you were here all about you know the

2156  
01:52:23,080 --> 01:52:20,480  
Catholic Church did exorcisms I wondered

2157  
01:52:25,750 --> 01:52:23,090  
if the Protestant church does the

2158  
01:52:28,690 --> 01:52:25,760  
exorcisms and in something that I've

2159  
01:52:31,660 --> 01:52:28,700  
read an American preacher had to come

2160  
01:52:35,140 --> 01:52:31,670  
over to Scotland to Edinburgh to do a

2161  
01:52:38,910 --> 01:52:35,150  
workshop with the Church of Scotland or

2162  
01:52:41,979 --> 01:52:38,920  
in it delivered on this ministry and I

2163  
01:52:43,450 --> 01:52:41,989

emailed to the church because I didn't

2164

01:52:48,610 --> 01:52:43,460

have that information at the time of my

2165

01:52:51,310 --> 01:52:48,620

talk and a a when was that the

2166

01:52:52,600 --> 01:52:51,320

conference in July but afterwards I

2167

01:52:56,020 --> 01:52:52,610

emailed them

2168

01:53:00,370 --> 01:52:56,030

and the person that I'd email was an N

2169

01:53:03,910 --> 01:53:00,380

mayor you couldn't know n mayor it miss

2170

01:53:05,229 --> 01:53:03,920

miss in mere and I thought that was I

2171

01:53:07,419 --> 01:53:05,239

thought she's going to think I'm having

2172

01:53:09,910 --> 01:53:07,429

a laugh here asking about this you know

2173

01:53:11,800 --> 01:53:09,920

but she was very nice and she said she

2174

01:53:15,430 --> 01:53:11,810

said you actually have a report that's

2175

01:53:18,010 --> 01:53:15,440

done and he does and makes fairly

2176  
01:53:21,160 --> 01:53:18,020  
unchaste in regions so I'm going to be

2177  
01:53:24,669 --> 01:53:21,170  
hopefully using that tip and a book on

2178  
01:53:26,590 --> 01:53:24,679  
the subject but you know I said to my

2179  
01:53:28,750 --> 01:53:26,600  
mom did you realize that the Church of

2180  
01:53:32,020 --> 01:53:28,760  
Scotland's believe in evil supernatural

2181  
01:53:37,030 --> 01:53:32,030  
beings because my mom's Protestant and

2182  
01:53:38,770 --> 01:53:37,040  
she's like no really I said Jess or if

2183  
01:53:44,560 --> 01:53:38,780  
you're a Protestant then you have to

2184  
01:53:53,530 --> 01:53:44,570  
believe that too just looking at me like

2185  
01:53:55,629 --> 01:53:53,540  
are you kidding me because as most

2186  
01:53:58,510 --> 01:53:55,639  
people find out when they have something

2187  
01:54:00,070 --> 01:53:58,520  
going off in the home and the guts of

2188  
01:54:04,060 --> 01:54:00,080

the church the church just don't want to

2189

01:54:06,970 --> 01:54:04,070

know they're not interested in in that

2190

01:54:09,760 --> 01:54:06,980

case and they actually enlisted they and

2191

01:54:13,959 --> 01:54:09,770

the Episcopalian Church which say the

2192

01:54:16,570 --> 01:54:13,969

Church of England and Scotland so there

2193

01:54:18,550 --> 01:54:16,580

was the Church of Scotland there was the

2194

01:54:21,100 --> 01:54:18,560

Catholic Church there was a pesky alien

2195

01:54:23,740 --> 01:54:21,110

Church and they all had their different

2196

01:54:26,709 --> 01:54:23,750

you know they caught what the each of

2197

01:54:30,550 --> 01:54:26,719

them dead when some do presented

2198

01:54:35,080 --> 01:54:30,560

themselves to them and said I think I'm

2199

01:54:40,570 --> 01:54:35,090

possessed but you know as far as I know

2200

01:54:45,910 --> 01:54:40,580

they don't just they don't say that's

2201

01:54:49,540 --> 01:54:45,920

not a thing you can't be you know but

2202

01:54:51,250 --> 01:54:49,550

they won't go through a process of or at

2203

01:54:54,250 --> 01:54:51,260

least the Catholics to go through a

2204

01:54:57,129 --> 01:54:54,260

process of come to church for X amount

2205

01:55:00,939 --> 01:54:57,139

of weeks we need to observe you we need

2206

01:55:02,709 --> 01:55:00,949

to do a psychiatric evaluation or not

2207

01:55:05,700 --> 01:55:02,719

them but they have someone do a

2208

01:55:12,840 --> 01:55:10,100

they don't just John Penn yeah you know

2209

01:55:15,270 --> 01:55:12,850

it has happened deny appear to people

2210

01:55:18,710 --> 01:55:15,280

saying you know the they've just they've

2211

01:55:21,330 --> 01:55:18,720

done an exorcism with something and

2212

01:55:24,270 --> 01:55:21,340

without all of these things been in

2213

01:55:26,550 --> 01:55:24,280

place so if somebody is actually has a

2214

01:55:29,130 --> 01:55:26,560

psychiatric issue and you're doing an

2215

01:55:31,860 --> 01:55:29,140

exorcism one of them not only sign or

2216

01:55:35,040 --> 01:55:31,870

helpful but it's also reinforcing the

2217

01:55:38,910 --> 01:55:35,050

fact that they're possessed nor mentally

2218

01:55:40,680 --> 01:55:38,920

ill yeah so you know that's why I see

2219

01:55:44,610 --> 01:55:40,690

the Catholics have got this wrapped up

2220

01:55:46,440 --> 01:55:44,620

they know what they're doing even if

2221

01:55:49,430 --> 01:55:46,450

some decent Catholic how it's still said

2222

01:55:52,110 --> 01:55:49,440

to them go and speak to a priest yeah

2223

01:55:58,170 --> 01:55:52,120

you know unless they're in Glasgow you

2224

01:56:02,640 --> 01:55:58,180

can come and see me you know but you

2225

01:56:05,130 --> 01:56:02,650

know did you have a unsorted they've got

2226

01:56:10,590 --> 01:56:05,140

their they've got the formula you know

2227

01:56:13,320 --> 01:56:10,600

there's a formula the they've got are I

2228

01:56:17,750 --> 01:56:13,330

say it we of doing things they don't

2229

01:56:20,580 --> 01:56:17,760

just jump in yes absolutely

2230

01:56:22,170 --> 01:56:20,590

they're fairly responsible about well

2231

01:56:26,730 --> 01:56:22,180

that's what I mean about the difference

2232

01:56:29,940 --> 01:56:26,740

in being unsafe and being safe you know

2233

01:56:32,190 --> 01:56:29,950

I've been unsafe because I don't know

2234

01:56:40,110 --> 01:56:32,200

I'm doing and that formula that they

2235

01:56:42,720 --> 01:56:40,120

have works so yeah and this is what the

2236

01:56:46,140 --> 01:56:42,730

bishop personas basically if you don't

2237

01:56:46,830 --> 01:56:46,150

have all of that information that they

2238

01:57:04,230 --> 01:56:46,840

have

2239

01:57:06,470 --> 01:57:04,240

relationship with these archetypes who

2240

01:57:10,650 --> 01:57:06,480

influenced all of our affairs

2241

01:57:13,710 --> 01:57:10,660

definitely yeah and on that note we've

2242

01:57:15,480 --> 01:57:13,720

reached the end of the show um that was

2243

01:57:16,790 --> 01:57:15,490

a good conversation well thank you very

2244

01:57:18,510 --> 01:57:16,800

much for having me on

2245

01:57:24,740 --> 01:57:18,520

it's one of my

2246

01:57:27,060 --> 01:57:24,750

things to talk about very interesting

2247

01:57:29,900 --> 01:57:27,070

because I know you have a background in

2248

01:57:36,750 --> 01:57:29,910

religion in your education so you know

2249

01:57:38,970 --> 01:57:36,760

I'm probably going to be I was the

2250

01:57:39,660 --> 01:57:38,980

Bishop says you know and I ask all these

2251

01:57:42,810 --> 01:57:39,670

questions

2252

01:57:46,410 --> 01:57:42,820

oh that's in the lesson ahead and lesson

2253

01:57:48,210 --> 01:57:46,420

such-and-such cats give the process but

2254

01:58:00,060 --> 01:57:48,220

I'm too impatient I want to know

2255

01:58:04,100 --> 01:58:00,070

everything now he told me I was very

2256

01:58:06,750 --> 01:58:04,110

wordy I said yes it's bad

2257

01:58:08,610 --> 01:58:06,760

no I would like to do that courses well

2258

01:58:15,150 --> 01:58:08,620

I've done cute in O'Keefe's course and

2259

01:58:20,760 --> 01:58:15,160

that was very interesting the nuns who

2260

01:58:27,810 --> 01:58:23,540

[Music]

2261

01:58:30,300 --> 01:58:27,820

fabulous oh okay thanks for coming on

2262

01:58:35,490 --> 01:58:30,310

the show everybody next week another

2263

01:58:38,220 --> 01:58:35,500

guest does a super interesting one catch

2264

01:58:41,010 --> 01:58:38,230

me on Facebook and Twitter we've got a

2265

01:58:43,560 --> 01:58:41,020

paranormal mysteries on access Northwest

2266

01:58:46,940 --> 01:58:43,570

page and also if you want to catch any
