

1  
00:00:06,230 --> 00:00:03,619  
hello welcome to paranormal mysteries on

2  
00:00:08,900 --> 00:00:06,240  
access Northwest community radio here in

3  
00:00:11,180 --> 00:00:08,910  
lovely Liverpool I'd just like to say a

4  
00:00:12,620 --> 00:00:11,190  
big thank you to polymer Ghana for

5  
00:00:16,540 --> 00:00:12,630  
sponsoring the show with her book

6  
00:00:19,370 --> 00:00:16,550  
doctors they'll be more to come on that

7  
00:00:21,920 --> 00:00:19,380  
Tonight Show it's probably long overdue

8  
00:00:24,620 --> 00:00:21,930  
and will not be nearly long enough to

9  
00:00:26,990 --> 00:00:24,630  
cover the 70 billion issues but we will

10  
00:00:29,150 --> 00:00:27,000  
give it the old college try it's been a

11  
00:00:31,730 --> 00:00:29,160  
completely bonkers few years very

12  
00:00:34,340 --> 00:00:31,740  
dramatic very ugly and beyond anyone's

13  
00:00:36,139 --> 00:00:34,350

scope of understanding from the outside

14

00:00:38,569 --> 00:00:36,149

it could look like a big gossip fight

15

00:00:40,639 --> 00:00:38,579

but when you get into the details you

16

00:00:42,799 --> 00:00:40,649

quickly understand that this is the most

17

00:00:45,619 --> 00:00:42,809

convoluted calm the world has ever seen

18

00:00:48,080 --> 00:00:45,629

I have been investigating Larry Warren

19

00:00:50,209 --> 00:00:48,090

for three years and I'm uncovering stuff

20

00:00:52,760 --> 00:00:50,219

on a daily basis and my jaw is

21

00:00:54,170 --> 00:00:52,770

permanently bruised aside from

22

00:00:56,959 --> 00:00:54,180

everything that has gone before

23

00:00:59,450 --> 00:00:56,969

last week Gary Heseltine posted a video

24

00:01:02,150 --> 00:00:59,460

on Facebook of himself on Warren

25

00:01:04,039 --> 00:01:02,160

discussing his so-called evidence the

26

00:01:06,289 --> 00:01:04,049

pile is getting smaller and many things

27

00:01:07,820 --> 00:01:06,299

are being ignored by Gary Heseltine as

28

00:01:09,590 --> 00:01:07,830

he desperately tries to convince

29

00:01:12,320 --> 00:01:09,600

everyone Larry is not a liar

30

00:01:15,020 --> 00:01:12,330

well one man who knows even better than

31

00:01:17,090 --> 00:01:15,030

I do about that is peter robbins who was

32

00:01:20,980 --> 00:01:17,100

Warren's co arthur and staunch supporter

33

00:01:23,630 --> 00:01:20,990

for around 28 years he wrote three books

34

00:01:26,690 --> 00:01:23,640

one was left at Eastgate which is about

35

00:01:28,910 --> 00:01:26,700

Warren's account of a UFO event and also

36

00:01:30,710 --> 00:01:28,920

his life the other two were both written

37

00:01:33,890 --> 00:01:30,720

defending Warren against the many

38

00:01:36,520 --> 00:01:33,900

detractors he has always had none of

39

00:01:39,410 --> 00:01:36,530

those detractors who were farmer friends

40

00:01:41,719 --> 00:01:39,420

no matter what Gary Heseltine says about

41

00:01:43,969 --> 00:01:41,729

him being told the fact of the matter is

42

00:01:46,760 --> 00:01:43,979

that this hasn't absolutely nothing to

43

00:01:49,789 --> 00:01:46,770

do with Gary Gary didn't even come into

44

00:01:51,590 --> 00:01:49,799

this until the a10 photo debacle where

45

00:01:54,440 --> 00:01:51,600

it was fully understood that that photo

46

00:01:56,539 --> 00:01:54,450

was in fact a total fake since that

47

00:02:00,410 --> 00:01:56,549

point Gary has declared us all to be

48

00:02:02,630 --> 00:02:00,420

trolls this was initially about me

49

00:02:05,030 --> 00:02:02,640

discovering I had been lied to by a man

50

00:02:07,010 --> 00:02:05,040

hides I had supported for nine years and

51  
00:02:09,770 --> 00:02:07,020  
put a roof over his head for months

52  
00:02:11,809 --> 00:02:09,780  
I called Warren out directly he

53  
00:02:13,699 --> 00:02:11,819  
immediately threatened my home and set

54  
00:02:16,309 --> 00:02:13,709  
about lying to everyone about me

55  
00:02:18,470 --> 00:02:16,319  
then I saw that Mei pang had said in an

56  
00:02:20,360 --> 00:02:18,480  
online news outlet that the Lenin sketch

57  
00:02:23,569 --> 00:02:20,370  
draw scallop bought from Warren was a

58  
00:02:24,920 --> 00:02:23,579  
fake I repeated the news and then I was

59  
00:02:26,449 --> 00:02:24,930  
accused of trying to ruin his

60  
00:02:29,119 --> 00:02:26,459  
memorabilia business

61  
00:02:32,179 --> 00:02:29,129  
I called Warren out in a Facebook post

62  
00:02:36,020 --> 00:02:32,189  
at the beginning of February 2016

63  
00:02:38,959 --> 00:02:36,030

I wrote left out at Eastgate in May 2016

64

00:02:43,099 --> 00:02:38,969  
the a 10 thing was discovered in January

65

00:02:45,259 --> 00:02:43,109  
2017 and Gary got involved then in

66

00:02:48,199 --> 00:02:45,269  
November he announced the capable green

67

00:02:50,479 --> 00:02:48,209  
film was a thing then in January set

68

00:02:53,240 --> 00:02:50,489  
about trolling myself and my friends

69

00:02:56,449 --> 00:02:53,250  
like I said this had nothing to do with

70

00:03:00,500 --> 00:02:56,459  
Gary it was never about Capel green he

71

00:03:02,839 --> 00:03:00,510  
made it about the film and himself gary

72

00:03:04,909 --> 00:03:02,849  
keeps calling me the lead troll but how

73

00:03:07,490 --> 00:03:04,919  
can I be the trial when I am talking

74

00:03:10,339 --> 00:03:07,500  
about events that happened in my own

75

00:03:13,330 --> 00:03:10,349  
life and he's trying to only all for his

76

00:03:16,009 --> 00:03:13,340

own public notoriety and financial gain

77

00:03:18,619 --> 00:03:16,019

now he has leveled his attacks at Peter

78

00:03:20,990 --> 00:03:18,629

Robbins who was a longtime friend the

79

00:03:23,689 --> 00:03:21,000

co-author and UFO investigator in his

80

00:03:25,339 --> 00:03:23,699

own right people seem to think that they

81

00:03:27,189 --> 00:03:25,349

were joined at the hip are possibly

82

00:03:30,610 --> 00:03:27,199

living together like Bert and Ernie

83

00:03:33,740 --> 00:03:30,620

nothing could be further from the truth

84

00:03:35,839 --> 00:03:33,750

the book left Eastgate was written 20

85

00:03:37,610 --> 00:03:35,849

odd years ago and even now Peter and

86

00:03:39,979 --> 00:03:37,620

Warren have been friends all that time

87

00:03:43,039 --> 00:03:39,989

the last time they spoke together was at

88

00:03:45,409 --> 00:03:43,049

2014 at the second UFO truth conference

89

00:03:49,219 --> 00:03:45,419

and the time before that was at the

90

00:03:51,949 --> 00:03:49,229

weird weekend in 2007 they would have

91

00:03:54,890 --> 00:03:51,959

been speaking together in 2016 at the

92

00:03:56,780 --> 00:03:54,900

Scottish SBI conference in Glasgow but

93

00:03:59,960 --> 00:03:56,790

Warren was banned for making threats of

94

00:04:02,119 --> 00:03:59,970

violence at the venue most of their

95

00:04:03,920 --> 00:04:02,129

interaction on Facebook was when Warren

96

00:04:06,319 --> 00:04:03,930

dragged pizza into his fights with the

97

00:04:08,599 --> 00:04:06,329

people who did not believe him or simply

98

00:04:10,520 --> 00:04:08,609

didn't know the Rendlesham story and so

99

00:04:15,619 --> 00:04:10,530

he would resort to insults and threats

100

00:04:18,319 --> 00:04:15,629

in May 2017 just a year after left out

101  
00:04:20,899 --> 00:04:18,329  
at Eastgate I wrote an open letter to

102  
00:04:23,120 --> 00:04:20,909  
Peter he had written a letter to Warren

103  
00:04:25,490 --> 00:04:23,130  
in the previous October or November I

104  
00:04:27,030 --> 00:04:25,500  
read that letter and said those are my

105  
00:04:28,800 --> 00:04:27,040  
questions too

106  
00:04:31,800 --> 00:04:28,810  
eventually Peter had to look at the

107  
00:04:33,510 --> 00:04:31,810  
evidence and here we are today Peter

108  
00:04:36,180 --> 00:04:33,520  
thanks for hanging in there where I got

109  
00:04:38,340 --> 00:04:36,190  
all this out of the way now one of the

110  
00:04:40,830 --> 00:04:38,350  
reasons that we are talking today guess

111  
00:04:43,530 --> 00:04:40,840  
the catalyst is because of the video

112  
00:04:45,660 --> 00:04:43,540  
published last week I know none of us

113  
00:04:47,220 --> 00:04:45,670

because some to hear his voice so I will

114

00:04:49,440 --> 00:04:47,230

be reading out some segments and

115

00:04:51,210 --> 00:04:49,450

referring to others where he talks about

116

00:04:52,080 --> 00:04:51,220

you and your sister Helen who sadly

117

00:04:54,810 --> 00:04:52,090

passed away

118

00:04:57,240 --> 00:04:54,820

the huge builder and waffle was all to

119

00:05:00,150 --> 00:04:57,250

establish he knew Helen himself which we

120

00:05:01,860 --> 00:05:00,160

knew but it is the reason why and the

121

00:05:04,260 --> 00:05:01,870

way he does this that is so sinister

122

00:05:06,500 --> 00:05:04,270

it's a single most passive-aggressive

123

00:05:09,690 --> 00:05:06,510

display I think I have seen in my entire

124

00:05:12,600 --> 00:05:09,700

48 years of bumbling around this planet

125

00:05:14,490 --> 00:05:12,610

he is acting that he cares about you and

126

00:05:17,190 --> 00:05:14,500

that he is appalled about what you have

127

00:05:19,200 --> 00:05:17,200

done to him but what a nice guy and how

128

00:05:21,390 --> 00:05:19,210

generous he is talking in such a nice

129

00:05:24,060 --> 00:05:21,400

way when he names all the members of

130

00:05:27,900 --> 00:05:24,070

your family and blatantly lies about you

131

00:05:30,630 --> 00:05:27,910

but before we go into all that I think

132

00:05:33,810 --> 00:05:30,640

we should start with the first time that

133

00:05:38,400 --> 00:05:33,820

we actually met in 2007 in Liverpool

134

00:05:41,580 --> 00:05:38,410

when my friend and I we actually came to

135

00:05:44,340 --> 00:05:41,590

Liverpool to collect yourself and Larry

136

00:05:46,440 --> 00:05:44,350

to drive you down to Devon because you

137

00:05:49,080 --> 00:05:46,450

were both speaking at the weird weekend

138

00:05:51,990 --> 00:05:49,090

and Sarah and I had bought tickets to go

139

00:05:56,910 --> 00:05:52,000

to that event because we were both weird

140

00:05:59,970 --> 00:05:56,920

and it sounded like a laugh so welcome

141

00:06:02,970 --> 00:05:59,980

to the show thank you thank you it's

142

00:06:07,530 --> 00:06:02,980

good to be on the show and even though

143

00:06:09,690 --> 00:06:07,540

you restated it I co-authored left that

144

00:06:13,170 --> 00:06:09,700

he skate and then wrote two follow-up

145

00:06:16,470 --> 00:06:13,180

books on my own continuing to defend

146

00:06:19,440 --> 00:06:16,480

Larry but yes I I remember our meeting

147

00:06:22,440 --> 00:06:19,450

very well and the pleasant right through

148

00:06:24,660 --> 00:06:22,450

the night drive that we had to get down

149

00:06:26,790 --> 00:06:24,670

to Devon one of the reasons I wanted to

150

00:06:30,450 --> 00:06:26,800

speak at the conference was because

151  
00:06:32,550 --> 00:06:30,460  
after probably 15 visits to the United

152  
00:06:35,310 --> 00:06:32,560  
Kingdom this was going to be my

153  
00:06:37,370 --> 00:06:35,320  
opportunity to visit Devon an area that

154  
00:06:39,630 --> 00:06:37,380  
I had not visited previously and I

155  
00:06:40,770 --> 00:06:39,640  
respected John Downs in his work and

156  
00:06:44,160 --> 00:06:40,780  
looking forward to speaking at

157  
00:06:45,870 --> 00:06:44,170  
conference I remember besides the

158  
00:06:50,220 --> 00:06:45,880  
conversation through the night we were

159  
00:06:53,390 --> 00:06:50,230  
listening to the then new CD by the late

160  
00:06:57,060 --> 00:06:53,400  
great Amy Winehouse Back to Black which

161  
00:07:00,390 --> 00:06:57,070  
I was very moved by and it was my first

162  
00:07:04,170 --> 00:07:00,400  
you know deep repeated listening to that

163  
00:07:08,610 --> 00:07:04,180

amazing artist but as we had mentioned

164

00:07:13,080 --> 00:07:08,620

in chatting before going on the air that

165

00:07:15,720 --> 00:07:13,090

evening right before you and Sara pulled

166

00:07:19,710 --> 00:07:15,730

up to the house and Larry and I headed

167

00:07:21,870 --> 00:07:19,720

out with you two things I remember

168

00:07:25,050 --> 00:07:21,880

earlier that afternoon Larry and I

169

00:07:29,150 --> 00:07:25,060

either coming out or heading out to have

170

00:07:32,640 --> 00:07:29,160

a bite to eat at a local restaurant and

171

00:07:37,380 --> 00:07:32,650

there was a harley-davidson motorcycle

172

00:07:39,480 --> 00:07:37,390

parked on the street very near the

173

00:07:42,450 --> 00:07:39,490

building where he had his little bed

174

00:07:45,120 --> 00:07:42,460

sitting room and he told me it was his

175

00:07:47,580 --> 00:07:45,130

bike Wow cool

176

00:07:49,110 --> 00:07:47,590

why would he lie about anything like

177

00:07:52,440 --> 00:07:49,120

that well why would he lie about

178

00:07:55,110 --> 00:07:52,450

anything night no better now anyway

179

00:07:57,510 --> 00:07:55,120

a few minutes before you literally

180

00:08:00,540 --> 00:07:57,520

picked us up he was doing some

181

00:08:04,680 --> 00:08:00,550

last-minute stuff and I noticed in the

182

00:08:05,940 --> 00:08:04,690

corner an article of clothing that

183

00:08:08,130 --> 00:08:05,950

looked like it had just been cloned

184

00:08:10,080 --> 00:08:08,140

thrown into the corner what drew my

185

00:08:12,390 --> 00:08:10,090

attention to it was kind of stood out

186

00:08:14,580 --> 00:08:12,400

there was nothing else around it it was

187

00:08:16,500 --> 00:08:14,590

you know part the material was dungaree

188

00:08:18,150 --> 00:08:16,510

but there was a flash of color and I

189

00:08:20,400 --> 00:08:18,160

went over out of curiosity and picked it

190

00:08:22,650 --> 00:08:20,410

up and you could knock me over with a

191

00:08:25,290 --> 00:08:22,660

feather when I turned it around and held

192

00:08:27,659 --> 00:08:25,300

it and I saw that it was a jean jacket

193

00:08:31,170 --> 00:08:27,669

with the sleeves cut off and on the back

194

00:08:36,860 --> 00:08:31,180

was sown the large patch identifying it

195

00:08:40,140 --> 00:08:36,870

as Hells Angels motorcycle club

196

00:08:42,270 --> 00:08:40,150

Manchester and I was holding it when

197

00:08:45,510 --> 00:08:42,280

Larry came out of the bathroom and he

198

00:08:49,170 --> 00:08:45,520

looked at me and I looked at him and I

199

00:08:53,610 --> 00:08:49,180

was kind of in shock and said are you

200

00:08:54,480 --> 00:08:53,620

Ethel's angel and he said yeah and I

201  
00:08:57,470 --> 00:08:54,490  
said

202  
00:09:01,160 --> 00:08:57,480  
how long have you been a Hells Angel and

203  
00:09:06,420 --> 00:09:01,170  
I think he said three and a half years I

204  
00:09:09,420 --> 00:09:06,430  
I was totally taken aback and I said

205  
00:09:11,970 --> 00:09:09,430  
when were you going to tell me like your

206  
00:09:14,100 --> 00:09:11,980  
dear friend and your co-author and your

207  
00:09:18,930 --> 00:09:14,110  
business partner and all that stuff and

208  
00:09:22,079 --> 00:09:18,940  
he said I'm telling you now and what I

209  
00:09:25,380 --> 00:09:22,089  
thought to myself I can't repeat but I

210  
00:09:28,620 --> 00:09:25,390  
was intimidated like Hells Angel Wow

211  
00:09:29,460 --> 00:09:28,630  
that's kind of intense and you never

212  
00:09:31,590 --> 00:09:29,470  
talked about it

213  
00:09:35,220 --> 00:09:31,600

therefore I can only assume that you

214

00:09:38,100 --> 00:09:35,230

didn't want me to know anyway we started

215

00:09:40,740 --> 00:09:38,110

the ride with me being very glad I had

216

00:09:44,790 --> 00:09:40,750

other people to talk to because this had

217

00:09:48,110 --> 00:09:44,800

totally weirded me out again as you know

218

00:09:50,579 --> 00:09:48,120

we'll discuss the main thing about Larry

219

00:09:54,150 --> 00:09:50,589

if there's a thread that runs through

220

00:09:56,880 --> 00:09:54,160

everything about him is he's a liar he

221

00:10:00,329 --> 00:09:56,890

lies about anything he lies with

222

00:10:02,640 --> 00:10:00,339

conviction with intensity he'll do it

223

00:10:05,220 --> 00:10:02,650

looking right into your eyes and he'll

224

00:10:08,550 --> 00:10:05,230

double down if you call him on it and if

225

00:10:12,150 --> 00:10:08,560

ultimately you can present proof that he

226

00:10:13,949 --> 00:10:12,160

is lying he will attack you he will

227

00:10:18,600 --> 00:10:13,959

threaten you he will change the subject

228

00:10:22,190 --> 00:10:18,610

or come up with some excuse or reasoning

229

00:10:25,040 --> 00:10:22,200

or rationale to take your attention away

230

00:10:29,790 --> 00:10:25,050

and that's who he is

231

00:10:32,730 --> 00:10:29,800

mm-hmm now the reason that I wanted to

232

00:10:38,040 --> 00:10:32,740

go back to that point in time was

233

00:10:40,590 --> 00:10:38,050

because when we turned up outside the

234

00:10:42,150 --> 00:10:40,600

flats you've never said anything about

235

00:10:46,410 --> 00:10:42,160

the harley-davidson I don't even

236

00:10:49,290 --> 00:10:46,420

remember seeing it but when we watch

237

00:10:50,910 --> 00:10:49,300

Awards at the the front door he kind of

238

00:10:52,410 --> 00:10:50,920

like gestured with his hand sort of

239

00:10:55,769 --> 00:10:52,420

waved it around in the air and said oh

240

00:10:59,610 --> 00:10:55,779

this is all mine I rent it out so he was

241

00:11:02,220 --> 00:10:59,620

telling us that this building and that

242

00:11:04,680 --> 00:11:02,230

he was the landlord and he rented it out

243

00:11:06,750 --> 00:11:04,690

and I thought well you know when I I

244

00:11:07,220 --> 00:11:06,760

kind of realized while after that that

245

00:11:10,400 --> 00:11:07,230

wasn't

246

00:11:12,410 --> 00:11:10,410

case and it happens a lot and a lot of

247

00:11:14,810 --> 00:11:12,420

girls are women I'll actually you know

248

00:11:15,770 --> 00:11:14,820

back me up here sometimes when we meet

249

00:11:20,210 --> 00:11:15,780

guys

250

00:11:21,650 --> 00:11:20,220

they tell fibs to make them know they

251  
00:11:23,300 --> 00:11:21,660  
think that it's going to make you more

252  
00:11:26,600 --> 00:11:23,310  
attractive to us that we're going to be

253  
00:11:41,060 --> 00:11:26,610  
impressed with great wealth fabulous car

254  
00:11:44,600 --> 00:11:41,070  
whatever it is yeah that's the you know

255  
00:11:47,540 --> 00:11:44,610  
the for the whole Arang and you're your

256  
00:11:50,750 --> 00:11:47,550  
original initiative for so viciously

257  
00:11:54,770 --> 00:11:50,760  
attacking Larry after you know he had

258  
00:11:58,250 --> 00:11:54,780  
just been a guest in your home was your

259  
00:12:02,050 --> 00:11:58,260  
ulterior motive which I understand a

260  
00:12:04,940 --> 00:12:02,060  
number of other women at this point also

261  
00:12:08,630 --> 00:12:04,950  
have kind of gotten in his grad bit and

262  
00:12:13,970 --> 00:12:08,640  
bad graces about that they have wanted

263  
00:12:17,000 --> 00:12:13,980

very much to sleep with him and he has

264

00:12:19,730 --> 00:12:17,010

rejected them and then as they say

265

00:12:22,910 --> 00:12:19,740

they're you know he'll have no scorn or

266

00:12:27,020 --> 00:12:22,920

no something like scorn whatever that

267

00:12:30,860 --> 00:12:27,030

that statement is and what always struck

268

00:12:34,010 --> 00:12:30,870

me is quirky about your obvious ulterior

269

00:12:36,680 --> 00:12:34,020

motives in in your rage at being

270

00:12:39,170 --> 00:12:36,690

rejected sexually by Larry was how are

271

00:12:42,650 --> 00:12:39,180

your then boyfriend now husband kind of

272

00:12:44,930 --> 00:12:42,660

accommodated you by welcome Larry into

273

00:12:48,170 --> 00:12:44,940

your home and then helping it back at

274

00:12:52,100 --> 00:12:48,180

him by faking all those photoshopped

275

00:13:02,570 --> 00:12:52,110

pictures of him and op stars I I think

276

00:13:08,780 --> 00:13:02,580

David I'm going back in time because

277

00:13:11,390 --> 00:13:08,790

it's so outrageous that this well

278

00:13:12,950 --> 00:13:11,400

obviously you know we have a small house

279

00:13:14,960 --> 00:13:12,960

we have a very large garden but we have

280

00:13:17,180 --> 00:13:14,970

a very small house and to suggest that

281

00:13:19,400 --> 00:13:17,190

I'd moved him in here so I could have an

282

00:13:20,820 --> 00:13:19,410

affair with him under Dave's nose in

283

00:13:22,860 --> 00:13:20,830

front of the children

284

00:13:24,900 --> 00:13:22,870

funnily because I've known him for nine

285

00:13:30,470 --> 00:13:24,910

years not been single a lot of the times

286

00:13:32,580 --> 00:13:30,480

of them and I've literally never but

287

00:13:36,810 --> 00:13:32,590

another thing that I wanted to talk

288

00:13:38,250 --> 00:13:36,820

about about the weird weekend was and I

289

00:13:41,400 --> 00:13:38,260

don't want to go too deeply into this

290

00:13:44,040 --> 00:13:41,410

but obviously there was the whole Jew

291

00:13:46,800 --> 00:13:44,050

[h\_\_h] boy thing that went on that was

292

00:13:48,390 --> 00:13:46,810

said about you but one of the things

293

00:13:51,240 --> 00:13:48,400

that he did used to say all the time is

294

00:13:54,360 --> 00:13:51,250

how tight you were now you're right in

295

00:13:57,600 --> 00:13:54,370

the book with him for him he asked you

296

00:14:00,150 --> 00:13:57,610

to write it for him and now he acts like

297

00:14:04,580 --> 00:14:00,160

right with him right sorry with him and

298

00:14:07,530 --> 00:14:04,590

that he now acts like somehow you were

299

00:14:11,130 --> 00:14:07,540

kind of parasitic life-form because you

300

00:14:14,150 --> 00:14:11,140

didn't fund this book for him so this

301  
00:14:18,500 --> 00:14:14,160  
tight Jew thing has been said to me

302  
00:14:21,810 --> 00:14:18,510  
right from that point in time and the

303  
00:14:23,490 --> 00:14:21,820  
the fact that you fell awkward and

304  
00:14:25,200 --> 00:14:23,500  
didn't quite know where to place

305  
00:14:27,860 --> 00:14:25,210  
yourself with Larry anymore because of

306  
00:14:31,680 --> 00:14:27,870  
his revelation of being a Hells Angel

307  
00:14:33,540 --> 00:14:31,690  
you know which I already thought was you

308  
00:14:35,010 --> 00:14:33,550  
know well-known fact because that's one

309  
00:14:39,890 --> 00:14:35,020  
of the things that it said right from

310  
00:14:42,450 --> 00:14:39,900  
the R so we were down there we were like

311  
00:14:44,340 --> 00:14:42,460  
all over the place there was lots of

312  
00:14:50,580 --> 00:14:44,350  
people Nick Redfern was there Matt

313  
00:14:53,640 --> 00:14:50,590

William and we did spend a lot of time

314

00:14:54,990 --> 00:14:53,650

in the pub you know and but we weren't

315

00:14:57,240 --> 00:14:55,000

we've gone down there we weren't

316

00:14:59,280 --> 00:14:57,250

speakers we Sarah and I had gone down

317

00:15:02,550 --> 00:14:59,290

there for a holiday basically you know

318

00:15:05,010 --> 00:15:02,560

like three four days away but because

319

00:15:07,560 --> 00:15:05,020

you kind of were avoiding worry because

320

00:15:10,890 --> 00:15:07,570

you were so annoyed and you know

321

00:15:12,480 --> 00:15:10,900

obviously shocked by his revelation the

322

00:15:16,680 --> 00:15:12,490

way that he actually told you with his

323

00:15:19,290 --> 00:15:16,690

I'm telling you now yeah so he used your

324

00:15:22,290 --> 00:15:19,300

avoidance as proof that you were rude

325

00:15:24,600 --> 00:15:22,300

and that you kind of like to stayed away

326

00:15:26,160 --> 00:15:24,610

from us and there was no like look he's

327

00:15:26,940 --> 00:15:26,170

not buying your drink he'll never buy

328

00:15:29,070 --> 00:15:26,950

you a drink

329

00:15:31,380 --> 00:15:29,080

he's never bought me a drink in all the

330

00:15:34,310 --> 00:15:31,390

blardy blar years that I've known it Wow

331

00:15:36,710 --> 00:15:34,320

I've paid for everything

332

00:15:39,050 --> 00:15:36,720

and you know at that time I didn't know

333

00:15:41,720 --> 00:15:39,060

anything about anything but when I look

334

00:15:44,510 --> 00:15:41,730

back now I think well why would you be

335

00:15:47,000 --> 00:15:44,520

paying for anything some guys come up to

336

00:15:49,400 --> 00:15:47,010

you at a conference and gone hi I really

337

00:15:50,780 --> 00:15:49,410

like you and I'd like you to write a

338

00:15:53,630 --> 00:15:50,790

book for me even though you're not a

339

00:15:55,700 --> 00:15:53,640

writer I'm gonna choose you because

340

00:15:59,560 --> 00:15:55,710

there's summat about you something about

341

00:16:02,390 --> 00:15:59,570

a kid and you know you've got all this

342

00:16:04,610 --> 00:16:02,400

you know and I just look back I think oh

343

00:16:06,890 --> 00:16:04,620

my god he's zeroed in on you because if

344

00:16:09,110 --> 00:16:06,900

you're my style he goes on about your

345

00:16:11,540 --> 00:16:09,120

early days in New York and it was all so

346

00:16:14,300 --> 00:16:11,550

hip and all the rest of it and he

347

00:16:16,610 --> 00:16:14,310

actually even said in this video that he

348

00:16:19,880 --> 00:16:16,620

saw you at this conference in 87 even

349

00:16:22,490 --> 00:16:19,890

though you'd met before in 84 he said

350

00:16:28,460 --> 00:16:22,500

that you fought your way up into this

351

00:16:31,460 --> 00:16:28,470

panel debate about your sister let me

352

00:16:34,940 --> 00:16:31,470

stop you right there for a moment the

353

00:16:37,010 --> 00:16:34,950

panel raider was dr. David Jacobs a

354

00:16:40,370 --> 00:16:37,020

well-known presence in UFO abduction

355

00:16:43,130 --> 00:16:40,380

work and by then a friend of mine and a

356

00:16:46,520 --> 00:16:43,140

colleague who I knew for years through

357

00:16:49,100 --> 00:16:46,530

Budd Hopkins a better note abduction

358

00:16:52,580 --> 00:16:49,110

researcher whose assistant I was for

359

00:16:54,740 --> 00:16:52,590

many years by that point when I learned

360

00:16:58,640 --> 00:16:54,750

there was going to be a panel discussion

361

00:17:00,530 --> 00:16:58,650

on abduction as an investigator working

362

00:17:05,540 --> 00:17:00,540

with Hopkins but more important as

363

00:17:09,050 --> 00:17:05,550

somebody representing the unique aspect

364

00:17:12,380 --> 00:17:09,060

of being of growing up with an abductee

365

00:17:15,800 --> 00:17:12,390

in the family I spoke to Dave and I

366

00:17:18,110 --> 00:17:15,810

asked him if he felt I'd be appropriate

367

00:17:24,290 --> 00:17:18,120

on the panel and he said absolutely get

368

00:17:31,010 --> 00:17:24,300

a chair and come on up and I did the the

369

00:17:35,330 --> 00:17:31,020

wording and the fact that I'm it was it

370

00:17:37,670 --> 00:17:35,340

incredibly rude or you just knew that

371

00:17:43,460 --> 00:17:37,680

you had to talk I'm not paneled about it

372

00:17:45,390 --> 00:17:43,470

so you kind of like you know everybody

373

00:17:51,630 --> 00:17:45,400

that knows me knows

374

00:17:59,160 --> 00:17:51,640

and again the word that you used because

375

00:18:01,200 --> 00:17:59,170

I'm a tight Jew and I was it rude

376

00:18:03,390 --> 00:18:01,210

I don't know but anybody that knows me

377

00:18:10,100 --> 00:18:03,400

knows of course that I'm very pushy and

378

00:18:14,250 --> 00:18:10,110

very rude I it's just breathtaking but

379

00:18:17,340 --> 00:18:14,260

there you go he says right I didn't know

380

00:18:19,740 --> 00:18:17,350

if he was a writer he puts out that he

381

00:18:22,500 --> 00:18:19,750

was a user I oh I didn't know the guy

382

00:18:24,390 --> 00:18:22,510

was and this is when he's talking about

383

00:18:25,860 --> 00:18:24,400

87 but he did because he just said a

384

00:18:30,840 --> 00:18:25,870

little bit before that he'd met you in

385

00:18:32,880 --> 00:18:30,850

84 so he says but I'm thinking there's

386

00:18:34,620 --> 00:18:32,890

something about this guy it's one of

387

00:18:40,140 --> 00:18:34,630

them things I can't tell you any more

388

00:18:42,660 --> 00:18:40,150

about it just happened you know so he

389

00:18:44,730 --> 00:18:42,670

says it didn't know you were but he did

390

00:18:48,450 --> 00:18:44,740

because he'd already mentioned you and

391

00:18:50,400 --> 00:18:48,460

you know and he said he was going

392

00:18:53,220 --> 00:18:50,410

through a divorce or a separation or

393

00:18:58,110 --> 00:18:53,230

whatever and so if the book had to be

394

00:19:01,290 --> 00:18:58,120

and but what he said was that the book

395

00:19:03,120 --> 00:19:01,300

had been in process for a year because

396

00:19:06,000 --> 00:19:03,130

he goes [h\_\_h] building process really

397

00:19:12,000 --> 00:19:06,010

yeah I had a title the first thing I did

398

00:19:16,410 --> 00:19:12,010

was saw a title yes when he came to me

399

00:19:19,110 --> 00:19:16,420

he had idols to things first as far as

400

00:19:22,440 --> 00:19:19,120

him covering the expenses one of the

401  
00:19:25,650 --> 00:19:22,450  
absolute agreements of writing this book

402  
00:19:27,660 --> 00:19:25,660  
with him was that I would work with him

403  
00:19:30,960 --> 00:19:27,670  
on this project a book about his

404  
00:19:33,840 --> 00:19:30,970  
experience and that he would cover

405  
00:19:36,930 --> 00:19:33,850  
expenses it didn't work out quite that

406  
00:19:40,050 --> 00:19:36,940  
way though he covered most of the

407  
00:19:41,310 --> 00:19:40,060  
expenses I write about it very clearly

408  
00:19:43,800 --> 00:19:41,320  
in left at Eastgate

409  
00:19:47,640 --> 00:19:43,810  
and anybody that has read the book knows

410  
00:19:51,360 --> 00:19:47,650  
that I'm on record as saying I became as

411  
00:19:53,700 --> 00:19:51,370  
obsessed as I thought he was I went

412  
00:19:55,780 --> 00:19:53,710  
through all the money in my bank account

413  
00:19:57,250 --> 00:19:55,790

I

414

00:19:59,740 --> 00:19:57,260

[Music]

415

00:20:03,220 --> 00:19:59,750

took my retirement fund what we call an

416

00:20:06,009 --> 00:20:03,230

IRA in the States and vaporized it I

417

00:20:08,799 --> 00:20:06,019

then started to sell things that I owned

418

00:20:11,379 --> 00:20:08,809

I borrowed money and ended up living

419

00:20:16,029 --> 00:20:11,389

with my sister in order to save money to

420

00:20:18,100 --> 00:20:16,039

finish the book so no he didn't he

421

00:20:19,990 --> 00:20:18,110

didn't fund the book he funded most of

422

00:20:21,789 --> 00:20:20,000

the writing of the book these things

423

00:20:24,879 --> 00:20:21,799

don't really matter to him but the

424

00:20:27,250 --> 00:20:24,889

details as far as the accuracy goes do

425

00:20:30,310 --> 00:20:27,260

matter to me that people know exactly

426

00:20:32,440 --> 00:20:30,320

the truth and not his version of it and

427

00:20:35,080 --> 00:20:32,450

of course you were expecting this

428

00:20:38,710 --> 00:20:35,090

project to last between a one and two

429

00:20:42,039 --> 00:20:38,720

years and not drag on for ten years and

430

00:20:43,419 --> 00:20:42,049

then be however many years it was until

431

00:20:46,330 --> 00:20:43,429

it was published I'm not quite sure of

432

00:20:48,549 --> 00:20:46,340

all the dates on that the book the book

433

00:20:54,750 --> 00:20:48,559

literally took nine years to produce

434

00:20:58,210 --> 00:20:54,760

part of the reason for that was Larry as

435

00:21:02,080 --> 00:20:58,220

the senior partner so to say in terms of

436

00:21:03,850 --> 00:21:02,090

his name or going above mine that was

437

00:21:06,549 --> 00:21:03,860

originally not going to be the way it

438

00:21:11,200 --> 00:21:06,559

was but he made that a condition later

439

00:21:14,649 --> 00:21:11,210

on he insisted that our literary agent

440

00:21:17,590 --> 00:21:14,659

keep presenting it to publishers even

441

00:21:20,680 --> 00:21:17,600

though we only had three chapters in an

442

00:21:23,350 --> 00:21:20,690

outline to show I told him repeatedly

443

00:21:26,110 --> 00:21:23,360

that we needed to really develop this we

444

00:21:29,320 --> 00:21:26,120

were promising so much on such an

445

00:21:32,620 --> 00:21:29,330

outrageous topic that no matter how good

446

00:21:35,769 --> 00:21:32,630

three basic chapters were we didn't have

447

00:21:37,720 --> 00:21:35,779

a chance unless we really had most of

448

00:21:41,169 --> 00:21:37,730

the manuscript or a considerable amount

449

00:21:44,590 --> 00:21:41,179

done the result of that was even though

450

00:21:47,190 --> 00:21:44,600

our literary agent who was the best and

451

00:21:49,840 --> 00:21:47,200

who I secured for us

452

00:21:53,200 --> 00:21:49,850

he kept submitting it to the best

453

00:21:55,299 --> 00:21:53,210

publishers in America and I have very

454

00:21:57,519 --> 00:21:55,309

thoughtful very encouraging rejection

455

00:22:00,970 --> 00:21:57,529

letters from each one of them at a

456

00:22:03,970 --> 00:22:00,980

certain point two years in Perry felt

457

00:22:07,029 --> 00:22:03,980

number one that Larry should do this

458

00:22:09,039 --> 00:22:07,039

book on his own he was just getting very

459

00:22:10,280 --> 00:22:09,049

frustrated with the rejections he was

460

00:22:12,920 --> 00:22:10,290

getting

461

00:22:15,200 --> 00:22:12,930

and if I wanted to keep doing it that's

462

00:22:18,110 --> 00:22:15,210

the way he wanted to do it Larry who

463

00:22:20,210 --> 00:22:18,120

couldn't write the book on his own made

464

00:22:21,800 --> 00:22:20,220

it sound very magnanimous that he wanted

465

00:22:25,250 --> 00:22:21,810

me to continue doing it but he really

466

00:22:28,450 --> 00:22:25,260

had no choice and so we ended up with

467

00:22:31,010 --> 00:22:28,460

his decision we had two choices one was

468

00:22:34,780 --> 00:22:31,020

the agent that we ended up with a nice

469

00:22:37,580 --> 00:22:34,790

enough guy who was not a great agent or

470

00:22:40,850 --> 00:22:37,590

an agent who represented both Timothy

471

00:22:44,600 --> 00:22:40,860

good and Nick Pope and England as our

472

00:22:48,410 --> 00:22:44,610

agent and Larry chose the former we got

473

00:22:51,650 --> 00:22:48,420

a very mediocre book deal and our

474

00:22:54,230 --> 00:22:51,660

publishing history in this country was

475

00:22:56,270 --> 00:22:54,240

you know like a lot of UFO books that

476

00:22:58,250 --> 00:22:56,280

didn't do great in England where we

477

00:22:59,840 --> 00:22:58,260

ended up with a publisher a small press

478

00:23:02,900 --> 00:22:59,850

in London but one that really believed

479

00:23:15,070 --> 00:23:02,910

in us we ended up having a smash top ten

480

00:23:23,150 --> 00:23:18,140

just need to drink myself actually all

481

00:23:26,300 --> 00:23:23,160

very crazy stuff so I think we should go

482

00:23:34,820 --> 00:23:26,310

back to some of the stuff that he's been

483

00:23:38,950 --> 00:23:34,830

saying on the on this video because yeah

484

00:23:43,570 --> 00:23:38,960

I have heard some fibs in my time but

485

00:23:46,460 --> 00:23:43,580

these are being completely special yeah

486

00:23:48,770 --> 00:23:46,470

as we just discussed the whole jew thing

487

00:23:51,050 --> 00:23:48,780

that's how it kind of starts off but

488

00:23:53,380 --> 00:23:51,060

it's obviously a lot more brutal than

489

00:23:58,100 --> 00:23:53,390

that and we were going to it again but

490

00:24:01,090 --> 00:23:58,110

we have actually had several people say

491

00:24:04,570 --> 00:24:01,100

that they have heard him use those terms

492

00:24:08,270 --> 00:24:04,580

often and in front of groups of people

493

00:24:09,920 --> 00:24:08,280

but he says that he's appalled at what

494

00:24:13,610 --> 00:24:09,930

you've done in him Peter how could you

495

00:24:15,920 --> 00:24:13,620

do this how could you read my stuff how

496

00:24:20,630 --> 00:24:15,930

could you believe me you are under the

497

00:24:22,960 --> 00:24:20,640

power of dark forces hmm I know I know

498

00:24:26,379 --> 00:24:22,970

it's awful isn't it

499

00:24:31,210 --> 00:24:26,389

the assumption that Larry and Gary would

500

00:24:33,789 --> 00:24:31,220

like people to make is that after more

501  
00:24:36,639 --> 00:24:33,799  
than a quarter of a century of absolute

502  
00:24:41,099 --> 00:24:36,649  
dedication to taking his account

503  
00:24:44,320 --> 00:24:41,109  
seriously to putting my all into

504  
00:24:47,979 --> 00:24:44,330  
defending it into promoting it and let's

505  
00:24:49,869 --> 00:24:47,989  
look at my back history here I'm not a

506  
00:24:53,259 --> 00:24:49,879  
very practical person I've been running

507  
00:24:55,719 --> 00:24:53,269  
primarily by my idealism I am somebody

508  
00:25:01,599 --> 00:24:55,729  
who came of age in the 60s

509  
00:25:04,089 --> 00:25:01,609  
I put living a life of principle and I'd

510  
00:25:09,070 --> 00:25:04,099  
like to think of value to others as well

511  
00:25:10,450 --> 00:25:09,080  
as to myself before what common sense

512  
00:25:12,639 --> 00:25:10,460  
should have directed me more toward

513  
00:25:18,039 --> 00:25:12,649

which was making a good living you know

514

00:25:21,489 --> 00:25:18,049

saving money and you know having a solid

515

00:25:26,769 --> 00:25:21,499

material base for the life that I'm

516

00:25:30,219 --> 00:25:26,779

living I chose after this life-changing

517

00:25:35,950 --> 00:25:30,229

event of this return memory from

518

00:25:37,930 --> 00:25:35,960

childhood of the overwhelmingly real UFO

519

00:25:43,799 --> 00:25:37,940

sighting that my sister Helen and I had

520

00:25:47,649 --> 00:25:43,809

had as kids my career as a aspiring

521

00:25:49,479 --> 00:25:47,659

artist in New York City kind of jumped

522

00:25:52,330 --> 00:25:49,489

the tracks and I became obsessed with

523

00:25:54,969 --> 00:25:52,340

what happened to Helen and what was the

524

00:25:57,549 --> 00:25:54,979

story about this whole UFO subject why

525

00:26:01,139 --> 00:25:57,559

was it being covered up became an

526

00:26:05,739 --> 00:26:01,149

activist and again in an extraordinarily

527

00:26:08,349 --> 00:26:05,749

impractical move decided to become the

528

00:26:11,320 --> 00:26:08,359

assistant to somebody who had become a

529

00:26:14,919 --> 00:26:11,330

good friend a fellow artist who had

530

00:26:18,070 --> 00:26:14,929

broken very big in UFO studies with the

531

00:26:22,180 --> 00:26:18,080

publication of his first book in 1981 a

532

00:26:25,349 --> 00:26:22,190

book called missing time followed in 87

533

00:26:28,830 --> 00:26:25,359

by the international bestseller

534

00:26:31,409 --> 00:26:28,840

intruders to work with Budd Hopkins and

535

00:26:34,389 --> 00:26:31,419

over the 35 years of our friendship

536

00:26:36,249 --> 00:26:34,399

about half of that time I worked for him

537

00:26:43,180 --> 00:26:36,259

on and off

538

00:26:45,820 --> 00:26:43,190

often hung at no payment for a year or

539

00:26:49,539 --> 00:26:45,830

so I guess

540

00:26:51,879 --> 00:26:49,549

late eighties early 90s after he had

541

00:26:54,669 --> 00:26:51,889

founded his nonprofit organization the

542

00:26:56,320 --> 00:26:54,679

intruders foundation with mandates to

543

00:26:58,930 --> 00:26:56,330

help educate people about the

544

00:27:03,789 --> 00:26:58,940

seriousness and reality of the abduction

545

00:27:07,330 --> 00:27:03,799

phenomena and to be there for outreach

546

00:27:10,359 --> 00:27:07,340

for abductees he created the very first

547

00:27:13,330 --> 00:27:10,369

that I'm aware of abductees support

548

00:27:15,519 --> 00:27:13,340

group that branched into a number of

549

00:27:18,190 --> 00:27:15,529

groups until they were so large and

550

00:27:21,789 --> 00:27:18,200

unmanageable and overwhelming that he

551

00:27:25,359 --> 00:27:21,799

had to return to the literature and to

552

00:27:26,320 --> 00:27:25,369

writing however by then thank goodness a

553

00:27:29,830 --> 00:27:26,330

number of mental health professionals

554

00:27:31,979 --> 00:27:29,840

and good people with the skills were

555

00:27:38,379 --> 00:27:31,989

starting to do these groups on their own

556

00:27:40,539 --> 00:27:38,389

my point here is that a year or so into

557

00:27:42,190 --> 00:27:40,549

having established the foundation which

558

00:27:45,009 --> 00:27:42,200

technically I was working for as a

559

00:27:48,039 --> 00:27:45,019

volunteer we received a contribution

560

00:27:50,019 --> 00:27:48,049

from a gentleman in Europe of several

561

00:27:52,960 --> 00:27:50,029

thousand dollars to continue doing the

562

00:27:56,109 --> 00:27:52,970

work and but earmarked that some of that

563

00:27:59,080 --> 00:27:56,119

money should go to me and so after years

564

00:28:02,710 --> 00:27:59,090

of working from as a volunteer I started

565

00:28:04,269 --> 00:28:02,720

to work for him for \$8 an hour about the

566

00:28:07,570 --> 00:28:04,279

same amount that I would have gotten

567

00:28:11,259 --> 00:28:07,580

paid had I worked as a cashier at

568

00:28:14,560 --> 00:28:11,269

McDonald's at the time after some months

569

00:28:17,580 --> 00:28:14,570

my salary in the interest of full

570

00:28:19,840 --> 00:28:17,590

disclosure shot up to \$10 an hour and

571

00:28:22,029 --> 00:28:19,850

some months later we ran out of money

572

00:28:26,080 --> 00:28:22,039

and for the rest of my life I continued

573

00:28:28,299 --> 00:28:26,090

to work for him for no money I'm again

574

00:28:29,560 --> 00:28:28,309

not that most practical person but if I

575

00:28:34,149 --> 00:28:29,570

believe in something I will dedicate

576

00:28:35,680 --> 00:28:34,159

myself to it left at Eastgate was hardly

577

00:28:37,840 --> 00:28:35,690

going to be an opportunity to become

578

00:28:41,320 --> 00:28:37,850

rich and the longer I worked on it the

579

00:28:42,489 --> 00:28:41,330

more I realized that I'm if I was in the

580

00:28:49,119 --> 00:28:42,499

Peace Corps I'd be doing better

581

00:28:49,900 --> 00:28:49,129

financially but Larry and Gary seem to

582

00:28:52,810 --> 00:28:49,910

want us to under

583

00:28:55,630 --> 00:28:52,820

Stan that at a certain point all my

584

00:28:59,380 --> 00:28:55,640

idealism and my belief in him was

585

00:29:01,930 --> 00:28:59,390

completely derailed because I fell under

586

00:29:05,970 --> 00:29:01,940

the influence of people that they refer

587

00:29:09,250 --> 00:29:05,980

to by the term trolls who somehow

588

00:29:13,540 --> 00:29:09,260

convinced me by I guess sheer willpower

589

00:29:15,610 --> 00:29:13,550

that I had been incorrect and that I

590

00:29:18,330 --> 00:29:15,620

shouldn't be supporting you know my

591

00:29:22,270 --> 00:29:18,340

former brother and friend anymore as

592

00:29:27,820 --> 00:29:22,280

opposed to that I finally started to

593

00:29:31,000 --> 00:29:27,830

read the investigations that independent

594

00:29:33,220 --> 00:29:31,010

investigators all amateurs like I was

595

00:29:36,040 --> 00:29:33,230

when I started we're putting together

596

00:29:38,380 --> 00:29:36,050

and imploring me to read and that I was

597

00:29:40,780 --> 00:29:38,390

increasingly digging my heels in as you

598

00:29:43,960 --> 00:29:40,790

know better than anybody and saying I

599

00:29:45,880 --> 00:29:43,970

you know I said parallel quote Stanton

600

00:29:47,470 --> 00:29:45,890

Freight of Friedman my mind don't bother

601  
00:29:50,170 --> 00:29:47,480  
me with the facts my mind's already made

602  
00:29:53,320 --> 00:29:50,180  
up and how dare you you know all I knew

603  
00:29:56,560 --> 00:29:53,330  
about you is you some woman I met from

604  
00:29:59,910 --> 00:29:56,570  
Liverpool once who you know Larry said

605  
00:30:03,310 --> 00:29:59,920  
was crazy and on meds for some kind of

606  
00:30:04,870 --> 00:30:03,320  
psychological condition and that you

607  
00:30:06,220 --> 00:30:04,880  
wanted to sleep with him and that you

608  
00:30:09,580 --> 00:30:06,230  
couldn't believe anything that you said

609  
00:30:12,790 --> 00:30:09,590  
and I know I didn't need this I didn't

610  
00:30:15,250 --> 00:30:12,800  
want it and so I did my best to ignore

611  
00:30:18,190 --> 00:30:15,260  
you and ignore the other people but then

612  
00:30:21,490 --> 00:30:18,200  
people who were my friends people who

613  
00:30:24,130 --> 00:30:21,500

all began with tremendous admiration for

614

00:30:26,830 --> 00:30:24,140

Larry Warren and myself who were genuine

615

00:30:29,550 --> 00:30:26,840

fans of the book but finding

616

00:30:33,310 --> 00:30:29,560

discrepancies and doing their own

617

00:30:36,370 --> 00:30:33,320

research projects and asking me to read

618

00:30:40,930 --> 00:30:36,380

them one of the most poignant for me was

619

00:30:46,600 --> 00:30:40,940

a guy in Norfolk who Larry and I met in

620

00:30:49,690 --> 00:30:46,610

2010 a reader of ours and an all-around

621

00:30:51,640 --> 00:30:49,700

good guy named Ronnie Dugdale well

622

00:30:56,130 --> 00:30:51,650

Ronnie and I hit it off and became good

623

00:30:59,680 --> 00:30:56,140

friends and we started to correspond and

624

00:31:03,370 --> 00:30:59,690

some years later at the point where he

625

00:31:06,240 --> 00:31:03,380

was literally begging me to

626  
00:31:09,070 --> 00:31:06,250  
what he had written and uncovered and

627  
00:31:10,180 --> 00:31:09,080  
Larry Singh can't trust him I didn't

628  
00:31:13,060 --> 00:31:10,190  
trust him you know I've got these

629  
00:31:16,300 --> 00:31:13,070  
intuitions about people I know that you

630  
00:31:19,120 --> 00:31:16,310  
know he's not telling the truth I'm it

631  
00:31:21,580 --> 00:31:19,130  
was one of the lowest moments as far as

632  
00:31:24,910 --> 00:31:21,590  
me perceiving myself and seeing myself

633  
00:31:28,720 --> 00:31:24,920  
as somebody not worthy of my own respect

634  
00:31:30,850 --> 00:31:28,730  
at that point and basically saying I'm

635  
00:31:34,210 --> 00:31:30,860  
you know I'm not going to be friends

636  
00:31:37,620 --> 00:31:34,220  
with you anymore which I think really

637  
00:31:40,960 --> 00:31:37,630  
hurt Ronnie and was obviously insulting

638  
00:31:42,820 --> 00:31:40,970

and I just went on with my life and felt

639

00:31:45,310 --> 00:31:42,830

really guilty about it but oh well what

640

00:31:48,670 --> 00:31:45,320

the hell and then some months later

641

00:31:51,760 --> 00:31:48,680

after I started reading what you and

642

00:31:54,330 --> 00:31:51,770

other people were sending me I read what

643

00:31:59,950 --> 00:31:54,340

Ronnie had written and I was horrified

644

00:32:04,720 --> 00:31:59,960

not at him at myself that I had wronged

645

00:32:07,720 --> 00:32:04,730

somebody who not only was a good man and

646

00:32:09,600 --> 00:32:07,730

an honest person but who had done a

647

00:32:14,590 --> 00:32:09,610

brilliant piece of investigation

648

00:32:17,950 --> 00:32:14,600

examples were that readers have left

649

00:32:21,670 --> 00:32:17,960

Eddie's gate may remember that Warren

650

00:32:23,560 --> 00:32:21,680

starts the day of the event that he was

651

00:32:27,040 --> 00:32:23,570

involved in that night so called third

652

00:32:29,650 --> 00:32:27,050

nights of N by heading into Ipswich he

653

00:32:32,230 --> 00:32:29,660

had an electric guitar or a bass I don't

654

00:32:33,550 --> 00:32:32,240

remember but he wanted to get a new amp

655

00:32:37,180 --> 00:32:33,560

for it they checked him out

656

00:32:40,450 --> 00:32:37,190

and went to a music store called ash

657

00:32:42,940 --> 00:32:40,460

music and then you know ended up back on

658

00:32:45,880 --> 00:32:42,950

bass blah blah blah what Ronnie

659

00:32:50,710 --> 00:32:45,890

established was going through town

660

00:32:55,000 --> 00:32:50,720

records and that there was no store

661

00:32:59,680 --> 00:32:55,010

called ash music at that time and never

662

00:33:04,090 --> 00:32:59,690

was in the city of Ipswich and that the

663

00:33:05,860 --> 00:33:04,100

event was on a Sunday I've been going to

664

00:33:08,650 --> 00:33:05,870

Great Britain not since I started

665

00:33:12,040 --> 00:33:08,660

working with Larry it predates my left

666

00:33:14,530 --> 00:33:12,050

that he's gate experienced by a dozen

667

00:33:16,330 --> 00:33:14,540

years my sister Ann did her junior year

668

00:33:18,460 --> 00:33:16,340

abroad at the University of

669

00:33:24,580 --> 00:33:18,470

Basheer and i spent a good part of the

670

00:33:26,049 --> 00:33:24,590

summer of 76 and about a week good part

671

00:33:29,260 --> 00:33:26,059

of the summer in Scotland and about a

672

00:33:32,529 --> 00:33:29,270

week in England and I remember Sunday

673

00:33:34,930 --> 00:33:32,539

closing this is something that younger

674

00:33:37,350 --> 00:33:34,940

Britons you know may know as history

675

00:33:42,580 --> 00:33:37,360

Americans aren't aware of but on Sundays

676  
00:33:45,519 --> 00:33:42,590  
stores closed and so we have a double

677  
00:33:48,789 --> 00:33:45,529  
lie that I had simply accepted in my

678  
00:33:50,110 --> 00:33:48,799  
initial research of sure okay you went

679  
00:33:53,409 --> 00:33:50,120  
to this music store it was named this

680  
00:33:57,310 --> 00:33:53,419  
and I really hadn't put together the

681  
00:33:59,950 --> 00:33:57,320  
sunday closing thing at the time Ronnie

682  
00:34:03,970 --> 00:33:59,960  
is a bigger guy than I am and I mean

683  
00:34:06,700 --> 00:34:03,980  
that very seriously in terms of heart

684  
00:34:10,690 --> 00:34:06,710  
and character and I am very thankful

685  
00:34:13,480 --> 00:34:10,700  
that when I contacted him about a year

686  
00:34:15,879 --> 00:34:13,490  
after I had dumped him as a friend he's

687  
00:34:18,310 --> 00:34:15,889  
a big enough guy to accept me back as a

688  
00:34:20,109 --> 00:34:18,320

friend and understand what had happened

689

00:34:23,470 --> 00:34:20,119

and I looked back at the correspondence

690

00:34:26,619 --> 00:34:23,480

we had had before then I don't know 100

691

00:34:28,149 --> 00:34:26,629

200 pages I mean we were very regular

692

00:34:31,240 --> 00:34:28,159

correspondence with each other we wrote

693

00:34:35,230 --> 00:34:31,250

regularly I confided to him a lot of

694

00:34:38,619 --> 00:34:35,240

stuff concerns I had about Larry but

695

00:34:41,109 --> 00:34:38,629

more about you know if I have one major

696

00:34:42,639 --> 00:34:41,119

regret and one thing that really irks me

697

00:34:47,139 --> 00:34:42,649

about my history with Warren

698

00:34:52,419 --> 00:34:47,149

it's the countless hours that I spent

699

00:34:55,899 --> 00:34:52,429

worrying about his State of Mind his

700

00:34:58,839 --> 00:34:55,909

state of physical health that he was

701  
00:35:02,140 --> 00:34:58,849  
going to get himself hurt his drinking

702  
00:35:05,040 --> 00:35:02,150  
it was it really consumed me at times

703  
00:35:08,640 --> 00:35:05,050  
and for him too

704  
00:35:12,130 --> 00:35:08,650  
you know I I listened to the recording

705  
00:35:14,140 --> 00:35:12,140  
that you're referring to and there were

706  
00:35:17,079 --> 00:35:14,150  
points where I did find myself gasping

707  
00:35:20,050 --> 00:35:17,089  
with the outrageous lies and they're

708  
00:35:21,640 --> 00:35:20,060  
often just a simple lie woven into a

709  
00:35:24,339 --> 00:35:21,650  
thread of something that actually

710  
00:35:27,790 --> 00:35:24,349  
happened but you know there's no hiccup

711  
00:35:30,339 --> 00:35:27,800  
there's no break if you don't know the

712  
00:35:32,799 --> 00:35:30,349  
truth you have no way to serve it

713  
00:35:36,999 --> 00:35:32,809

and he's good but I found myself

714

00:35:40,660 --> 00:35:37,009

thinking you know it is he actually

715

00:35:44,890 --> 00:35:40,670

thinking that this approach is going to

716

00:35:48,420 --> 00:35:44,900

get under my skin or get me you know all

717

00:35:54,190 --> 00:35:48,430

irate for me it's kind of pathetic and

718

00:35:56,229 --> 00:35:54,200

Gary who is somebody who I considered an

719

00:35:58,690 --> 00:35:56,239

esteemed colleague a good friend

720

00:36:01,299 --> 00:35:58,700

somebody who I was proud to be

721

00:36:04,329 --> 00:36:01,309

associated with somebody who confided to

722

00:36:06,430 --> 00:36:04,339

me while he was still serving as law

723

00:36:09,130 --> 00:36:06,440

enforcement officer in the UK that he

724

00:36:12,460 --> 00:36:09,140

had a dream when he retired of creating

725

00:36:18,219 --> 00:36:12,470

a publication based on the publication

726

00:36:20,019 --> 00:36:18,229

that for me is still the finest magazine

727

00:36:23,789 --> 00:36:20,029

in the history of the English language

728

00:36:27,460 --> 00:36:23,799

lai publications it's not you know a

729

00:36:31,239 --> 00:36:27,470

scholarly publication and it ran for

730

00:36:33,910 --> 00:36:31,249

years which is of course UFO magazine as

731

00:36:35,829 --> 00:36:33,920

published by the late great grand

732

00:36:37,719 --> 00:36:35,839

Birdsall that that was his hero and he

733

00:36:41,079 --> 00:36:37,729

knew that I had been good friends with

734

00:36:43,989 --> 00:36:41,089

gram and life and asked me if I would be

735

00:36:46,089 --> 00:36:43,999

his American correspondent and so I

736

00:36:47,650 --> 00:36:46,099

signed on and I did that for a year

737

00:36:51,670 --> 00:36:47,660

because I wanted to support him in his

738

00:36:55,239 --> 00:36:51,680

work when he told me he wanted to have

739

00:36:57,249 --> 00:36:55,249

his first UFO truth conference I was

740

00:36:59,920 --> 00:36:57,259

honored to accept the invitation to be a

741

00:37:02,410 --> 00:36:59,930

speaker at that conference at that

742

00:37:04,989 --> 00:37:02,420

conference he asked me if I could help

743

00:37:06,819 --> 00:37:04,999

him secure the American speaker that he

744

00:37:09,130 --> 00:37:06,829

wanted for the following year somebody

745

00:37:10,989 --> 00:37:09,140

who he had never met but admired that

746

00:37:11,529 --> 00:37:10,999

being Stanton Friedman and I made that

747

00:37:13,749 --> 00:37:11,539

happen

748

00:37:18,039 --> 00:37:13,759

although Stan was less than pleased with

749

00:37:20,259 --> 00:37:18,049

the way that it worked out and when Gary

750

00:37:24,849 --> 00:37:20,269

started to drink the Larry Warren

751

00:37:29,769 --> 00:37:24,859

kool-aid it broke my heart it made me

752

00:37:33,719 --> 00:37:29,779

really angry at myself for doing such a

753

00:37:37,269 --> 00:37:33,729

good job in the work that I had done

754

00:37:39,910 --> 00:37:37,279

that Gary was one of thousands of people

755

00:37:42,759 --> 00:37:39,920

who believed it but has made a career of

756

00:37:43,450 --> 00:37:42,769

it he's my little Frankenstein he has

757

00:37:44,170 --> 00:37:43,460

taken over

758

00:37:47,770 --> 00:37:44,180

he is the new

759

00:37:53,620 --> 00:37:47,780

Peter Robbins and the poignancy of

760

00:37:55,390 --> 00:37:53,630

beginning that little discussion that

761

00:37:57,599 --> 00:37:55,400

you've made available to people that you

762

00:38:01,230 --> 00:37:57,609

know is out there between Gary and Larry

763

00:38:06,880 --> 00:38:01,240

yet once again not only begins with a

764

00:38:10,150 --> 00:38:06,890

photo of me and a a quoted line a meme

765

00:38:12,280 --> 00:38:10,160

of me yet once again supporting Larry

766

00:38:15,819 --> 00:38:12,290

Warren and talking about you know I

767

00:38:18,329 --> 00:38:15,829

forget what it is but the admiration

768

00:38:21,670 --> 00:38:18,339

that he's worthy of etc yes of course

769

00:38:26,230 --> 00:38:21,680

what Gary wants you to not know or

770

00:38:29,079 --> 00:38:26,240

forget or discount is that and a

771

00:38:30,970 --> 00:38:29,089

thousand other lines supporting Larry

772

00:38:34,240 --> 00:38:30,980

Warren or talking about him in

773

00:38:38,109 --> 00:38:34,250

conferences in a laudatory way or on the

774

00:38:44,430 --> 00:38:38,119

radio or you know on screen in one way

775

00:38:47,710 --> 00:38:44,440

or another were written or said before I

776

00:38:51,039 --> 00:38:47,720

conducted my investigation based on your

777

00:38:54,339 --> 00:38:51,049

collective investigations so why he

778

00:38:57,789 --> 00:38:54,349

keeps doing that is only to deceive and

779

00:39:00,670 --> 00:38:57,799

only to undermine and I now know of

780

00:39:05,549 --> 00:39:00,680

course that a week or so before

781

00:39:10,359 --> 00:39:05,559

Christmas last he sent out a email

782

00:39:12,309 --> 00:39:10,369

taking me down that was sent to many

783

00:39:17,289 --> 00:39:12,319

colleagues of mine I don't know who all

784

00:39:19,750 --> 00:39:17,299

of them were to undermine me with all of

785

00:39:22,839 --> 00:39:19,760

these doubts and again he can spend the

786

00:39:24,640 --> 00:39:22,849

rest of his life posting things that I

787

00:39:27,730 --> 00:39:24,650

said about Larry Warren that were

788

00:39:31,720 --> 00:39:27,740

positive completely ignoring the fact

789

00:39:35,280 --> 00:39:31,730

that they're completely countered by

790

00:39:40,380 --> 00:39:35,290

everything I've written and said since

791

00:39:46,559 --> 00:39:40,390

which you actually have on your website

792

00:39:54,000 --> 00:39:46,569

your letter to Larry that you wrote know

793

00:40:00,940 --> 00:39:57,579

well the that the letter is not posted

794

00:40:04,390 --> 00:40:00,950

anywhere the most recent statement was

795

00:40:09,130 --> 00:40:04,400

written in October and early November

796

00:40:14,200 --> 00:40:09,140

past and ironically that was important

797

00:40:19,030 --> 00:40:14,210

enough to me to respond to the really

798

00:40:21,309 --> 00:40:19,040

ugly anti-semitic tack against me which

799

00:40:24,099 --> 00:40:21,319

in its own way traces back to things

800

00:40:26,170 --> 00:40:24,109

that Larry and only Larry has ever said

801  
00:40:28,780 --> 00:40:26,180  
about me although it involved a

802  
00:40:33,190 --> 00:40:28,790  
different individual that was actually

803  
00:40:37,480 --> 00:40:33,200  
posted all over the Internet on November

804  
00:40:39,970 --> 00:40:37,490  
9th just past which was less than a day

805  
00:40:44,200 --> 00:40:39,980  
before my father who I was taking care

806  
00:40:46,660 --> 00:40:44,210  
of passed away that you are making

807  
00:40:48,640 --> 00:40:46,670  
available to people right now and I hope

808  
00:40:52,839 --> 00:40:48,650  
that you will EE get it out there

809  
00:40:56,349 --> 00:40:52,849  
however everybody listening especially

810  
00:40:59,950 --> 00:40:56,359  
if you are reading what Gary is writing

811  
00:41:03,250 --> 00:40:59,960  
or what Larry and Gary are saying goes

812  
00:41:07,630 --> 00:41:03,260  
it to yourself to go to my website which

813  
00:41:11,829 --> 00:41:07,640

is Peter Robbins and like calm and read

814

00:41:15,220 --> 00:41:11,839

the post that I made after assimilating

815

00:41:18,220 --> 00:41:15,230

and digesting all of the material that

816

00:41:19,480 --> 00:41:18,230

completely turned me around and made me

817

00:41:23,200 --> 00:41:19,490

realize what a fool I have been

818

00:41:24,880 --> 00:41:23,210

regarding my former co-author it's right

819

00:41:27,309 --> 00:41:24,890

there where it's been for the past year

820

00:41:31,510 --> 00:41:27,319

and a half front and center on the

821

00:41:35,650 --> 00:41:31,520

website the questions that I asked Larry

822

00:41:39,010 --> 00:41:35,660

Warren directly he has evaded every one

823

00:41:42,309 --> 00:41:39,020

of them as any reader can see I began

824

00:41:44,859 --> 00:41:42,319

writing that still holding on to the

825

00:41:48,400 --> 00:41:44,869

fact that I cared about this guy as a

826

00:41:53,109 --> 00:41:48,410

friend that I was concerned about him

827

00:41:57,130 --> 00:41:53,119

that he had gotten himself into a really

828

00:41:59,020 --> 00:41:57,140

awkward corner by not only lying about

829

00:42:02,859 --> 00:41:59,030

certain things but then by attacking

830

00:42:05,410 --> 00:42:02,869

people who called him on his lies and a

831

00:42:07,750 --> 00:42:05,420

number of them women and in the most

832

00:42:10,940 --> 00:42:07,760

hideous and ugly and destructive ways

833

00:42:13,250 --> 00:42:10,950

which completely disgusted me and

834

00:42:16,390 --> 00:42:13,260

after three months of imploring him to

835

00:42:21,470 --> 00:42:16,400

answer the simple questions I was asking

836

00:42:23,960 --> 00:42:21,480

he just completely refused Gary who when

837

00:42:26,180 --> 00:42:23,970

we were corresponding I asked the same

838

00:42:26,930 --> 00:42:26,190

thing to answer any one of these

839

00:42:28,670 --> 00:42:26,940

questions

840

00:42:32,150 --> 00:42:28,680

another close associate of theirs as

841

00:42:35,690 --> 00:42:32,160

well and they liked Warren completely

842

00:42:38,270 --> 00:42:35,700

went silent so I'm asking you the

843

00:42:40,970 --> 00:42:38,280

listener to this show to read what I've

844

00:42:43,819 --> 00:42:40,980

written and the next time that Larry or

845

00:42:48,950 --> 00:42:43,829

Gary are on the air posed any of those

846

00:42:52,609 --> 00:42:48,960

questions to them yourself and see how

847

00:42:57,109 --> 00:42:52,619

they respond to you their standard

848

00:43:00,380 --> 00:42:57,119

response is to block and delete you and

849

00:43:03,440 --> 00:43:00,390

questions as well he's actually avoid

850

00:43:09,950 --> 00:43:03,450

him many questions that we've all been

851  
00:43:11,750 --> 00:43:09,960  
asking and you know the this the pile of

852  
00:43:16,960 --> 00:43:11,760  
questions that they're using to prove

853  
00:43:20,300 --> 00:43:16,970  
his innocence he's getting smaller and

854  
00:43:23,300 --> 00:43:20,310  
obviously in this video they spent over

855  
00:43:26,809 --> 00:43:23,310  
30 minutes which it's only an hour and

856  
00:43:30,079 --> 00:43:26,819  
26 minutes 35 minutes at least we're

857  
00:43:32,180 --> 00:43:30,089  
talking about how he knew Helen which is

858  
00:43:33,290 --> 00:43:32,190  
this is the question how did you know

859  
00:43:36,859 --> 00:43:33,300  
Helen wheels

860  
00:43:39,950 --> 00:43:36,869  
she's Peter Robbins sister boom

861  
00:43:42,109 --> 00:43:39,960  
right okay so great big spiel about all

862  
00:43:45,200 --> 00:43:42,119  
of that but there's a lot of questions

863  
00:43:47,720 --> 00:43:45,210

that I've asked and on my blog at the

864

00:43:53,270 --> 00:43:47,730

moment I've got one called question time

865

00:43:56,210 --> 00:43:53,280

for Gary Heseltine you know there's lots

866

00:43:58,430 --> 00:43:56,220

of things they kind of skirts around the

867

00:44:00,410 --> 00:43:58,440

brought the 8fo talk for a little bit

868

00:44:04,550 --> 00:44:00,420

but that was actually proven to be a

869

00:44:09,050 --> 00:44:04,560

fake and I was accused by Larry Warren

870

00:44:11,150 --> 00:44:09,060

of faking this picture and taking his

871

00:44:13,640 --> 00:44:11,160

shame on you they'd left on Dave's

872

00:44:16,099 --> 00:44:13,650

laptop and messing around with them

873

00:44:18,370 --> 00:44:16,109

getting in his time machine that he left

874

00:44:20,770 --> 00:44:18,380

here going back in time

875

00:44:22,570 --> 00:44:20,780

and it's actually space-time machine

876

00:44:25,030 --> 00:44:22,580

because it delivered me in a different

877

00:44:26,860 --> 00:44:25,040

area and I was kind of like snuck into

878

00:44:29,050 --> 00:44:26,870

Larry's house in this time machine when

879

00:44:31,240 --> 00:44:29,060

he was asleep and uploaded all these

880

00:44:34,930 --> 00:44:31,250

photographs onto his Facebook account

881

00:44:38,200 --> 00:44:34,940

and somehow with his military records

882

00:44:41,140 --> 00:44:38,210

managed to change every single upload of

883

00:44:42,640 --> 00:44:41,150

it and the entire internet when he said

884

00:44:44,560 --> 00:44:42,650

that yes they have been tampered with

885

00:44:45,220 --> 00:44:44,570

but the neither been tampered with by me

886

00:44:48,550 --> 00:44:45,230

are you

887

00:44:51,280 --> 00:44:48,560

so the a10 photograph they say he said

888

00:44:54,220 --> 00:44:51,290

we have definitive proof that sv has

889

00:44:57,430 --> 00:44:54,230  
manipulated this image while showing

890

00:45:00,280 --> 00:44:57,440  
this reflection of M Larry Warren

891

00:45:03,130 --> 00:45:00,290  
basically and aunt French who's

892

00:45:05,980 --> 00:45:03,140  
supposedly doing this great analysis is

893

00:45:08,530 --> 00:45:05,990  
saying so well he was right actually he

894

00:45:10,150 --> 00:45:08,540  
said so we're looking for a guy with

895

00:45:13,600 --> 00:45:10,160  
sharp gray hair pointing those glasses

896

00:45:22,390 --> 00:45:13,610  
with a chain on his left wrist or right

897

00:45:24,460 --> 00:45:22,400  
wrist whichever and then you know he's

898

00:45:32,140 --> 00:45:24,470  
gone yeah thanks hound we knew it was

899

00:45:34,480 --> 00:45:32,150  
her and then they all go right like that

900

00:45:36,190 --> 00:45:34,490  
that it's me who's taking this pill and

901  
00:45:47,920 --> 00:45:36,200  
then they go well maybe it was Nick Pope

902  
00:45:50,200 --> 00:45:47,930  
I was like yeah because we then Ben got

903  
00:45:52,540 --> 00:45:50,210  
involved and Ben was like oh yes and he

904  
00:45:54,760 --> 00:45:52,550  
drew this most ridiculous sort of

905  
00:45:57,370 --> 00:45:54,770  
outline of somebody and it looked like

906  
00:46:00,340 --> 00:45:57,380  
they you know that Kilroy what what no

907  
00:46:04,240 --> 00:46:00,350  
you know it was kind of around in the

908  
00:46:06,070 --> 00:46:04,250  
70s so you know peeping over a wall just

909  
00:46:07,930 --> 00:46:06,080  
the nose and the head and the fingers it

910  
00:46:11,980 --> 00:46:07,940  
was just like that were these fingers on

911  
00:46:13,870 --> 00:46:11,990  
there so I was like I didn't even eat I

912  
00:46:15,850 --> 00:46:13,880  
didn't even spot that it was Ben that

913  
00:46:18,280 --> 00:46:15,860

found it I was looking through the

914

00:46:20,560 --> 00:46:18,290

photographs that Barry Greenwood his

915

00:46:22,420 --> 00:46:20,570

file that somebody had sent me and I was

916

00:46:24,580 --> 00:46:22,430

looking through the photographs and I

917

00:46:27,040 --> 00:46:24,590

thought I saw this circle on it and I

918

00:46:29,290 --> 00:46:27,050

thought it was one of these aging

919

00:46:31,600 --> 00:46:29,300

technique things that he does he what

920

00:46:32,260 --> 00:46:31,610

stuff all over things and you know like

921

00:46:34,120 --> 00:46:32,270

you learn when you

922

00:46:36,460 --> 00:46:34,130

like in primary school with the old tea

923

00:46:37,870 --> 00:46:36,470

bags and stuff like that so there was

924

00:46:39,730 --> 00:46:37,880

like it looks to me I saw it was a

925

00:46:41,410 --> 00:46:39,740

coffee cup ring but I was looking at

926

00:46:44,470 --> 00:46:41,420

these other two images at the bottom

927

00:46:46,660 --> 00:46:44,480

which were kind of zoomed in on the

928

00:46:49,390 --> 00:46:46,670

computer and photographs of a computer

929

00:46:51,670 --> 00:46:49,400

screen with the reflection of Larry and

930

00:46:53,910 --> 00:46:51,680

the paintings of his on the wall in the

931

00:46:57,490 --> 00:46:53,920

background I was more interested in that

932

00:46:59,680 --> 00:46:57,500

and it was Ben who found this reflection

933

00:47:01,780 --> 00:46:59,690

in this other photograph that I don't

934

00:47:03,940 --> 00:47:01,790

loaded and how didn't even realize

935

00:47:05,590 --> 00:47:03,950

because I've not looked at that that for

936

00:47:07,420 --> 00:47:05,600

me is first class research

937

00:47:10,090 --> 00:47:07,430

I mean sometimes we just stumble on

938

00:47:12,580 --> 00:47:10,100

these days but that's rageous I mean

939

00:47:17,890 --> 00:47:12,590

that is absolutely is incriminating it

940

00:47:21,070 --> 00:47:17,900

could be he said it's real the one in

941

00:47:23,590 --> 00:47:21,080

Barry Greenwood smiles was color and the

942

00:47:27,640 --> 00:47:23,600

one that he was brandishing around was

943

00:47:29,040 --> 00:47:27,650

black and white and hang on it's not

944

00:47:31,480 --> 00:47:29,050

color it's supposed to be color and

945

00:47:35,860 --> 00:47:31,490

besides that photograph was taken in

946

00:47:37,690 --> 00:47:35,870

1985 on his honeymoon with Barry Green

947

00:47:40,420 --> 00:47:37,700

was just an old man and what does he

948

00:47:46,690 --> 00:47:40,430

know he can't remember anything you know

949

00:47:48,550 --> 00:47:46,700

so yeah and so obviously time machines

950

00:47:53,170 --> 00:47:48,560

involved a lot and then Garry put out

951  
00:47:55,000 --> 00:47:53,180  
this this Facebook post when it became

952  
00:47:56,710 --> 00:47:55,010  
apparent because he said oh yes this is

953  
00:47:58,810 --> 00:47:56,720  
the real photograph and obviously it

954  
00:48:01,210 --> 00:47:58,820  
wasn't because by then Gary had spoken

955  
00:48:03,940 --> 00:48:01,220  
to Barry Greenwood and looked at all the

956  
00:48:05,440 --> 00:48:03,950  
photographs and they were all color so

957  
00:48:09,340 --> 00:48:05,450  
whatever had gone there

958  
00:48:11,920 --> 00:48:09,350  
oh man I don't know but Gary you know he

959  
00:48:15,700 --> 00:48:11,930  
put out this status of have you ever

960  
00:48:18,760 --> 00:48:15,710  
told a lie we've all told lies but he's

961  
00:48:21,430 --> 00:48:18,770  
not what the light it's why the lie and

962  
00:48:23,860 --> 00:48:21,440  
I'm like yes absolutely it is that but

963  
00:48:27,400 --> 00:48:23,870

you're saying that he's told this verb

964

00:48:30,099 --> 00:48:27,410

because oh somebody was picking on

965

00:48:32,259 --> 00:48:30,109

and because you just wanted to prove

966

00:48:34,779 --> 00:48:32,269

that he wasn't lying you know or

967

00:48:36,549 --> 00:48:34,789

whatever whinging victim crap that you

968

00:48:39,039 --> 00:48:36,559

will have come out with because that's

969

00:48:41,230 --> 00:48:39,049

his default position you know everyone's

970

00:48:45,309 --> 00:48:41,240

a liar and just picking on him just

971

00:48:48,039 --> 00:48:45,319

because exactly you know so I thought

972

00:48:49,720 --> 00:48:48,049

all that was just absolutely wild that

973

00:48:51,309 --> 00:48:49,730

they all just kind of like went along

974

00:48:51,640 --> 00:48:51,319

with it and then it's like oh well never

975

00:48:53,559 --> 00:48:51,650

mind

976

00:48:57,099 --> 00:48:53,569

so they don't really go into that in any

977

00:48:59,940 --> 00:48:57,109

depth in he doesn't even mention things

978

00:49:01,410 --> 00:48:59,950

like Metallica or John Lennon photo

979

00:49:04,630 --> 00:49:01,420

[Music]

980

00:49:11,289 --> 00:49:04,640

they're just pretending that Dwayne

981

00:49:13,960 --> 00:49:11,299

doesn't exist you're referring to people

982

00:49:19,930 --> 00:49:13,970

that some of your audience may not be

983

00:49:22,089 --> 00:49:19,940

aware of Dwayne was he's an American he

984

00:49:25,539 --> 00:49:22,099

was a friend of Larry's who lived in the

985

00:49:27,490 --> 00:49:25,549

same town that Larry did in Vermont as

986

00:49:29,529 --> 00:49:27,500

part of the early years the early 90s

987

00:49:33,220 --> 00:49:29,539

when Larry and I were working on left

988

00:49:36,430 --> 00:49:33,230

that he skate who has offered

989

00:49:39,849 --> 00:49:36,440

devastating evidence as far as that

990

00:49:43,809 --> 00:49:39,859

early part of Larry's career as a forger

991

00:49:47,829 --> 00:49:43,819

and as somebody that was creating fake

992

00:49:50,349 --> 00:49:47,839

memorabilia and fake provenance pathetic

993

00:49:56,650 --> 00:49:50,359

as it was to start with to back it up

994

00:50:00,940 --> 00:49:56,660

and it brings me into something I want

995

00:50:02,799 --> 00:50:00,950

to be on record about here my sister's

996

00:50:06,999 --> 00:50:02,809

name has come up several times here

997

00:50:10,140 --> 00:50:07,009

Helen was a brilliant singer songwriter

998

00:50:15,099 --> 00:50:10,150

who earlier was a brilliant poet

999

00:50:17,410 --> 00:50:15,109

extremely creative and who was not just

1000

00:50:20,109 --> 00:50:17,420

my sister but as close a friend as I've

1001  
00:50:24,819 --> 00:50:20,119  
ever had we were particularly closed for

1002  
00:50:28,299 --> 00:50:24,829  
siblings and she was as welcoming and

1003  
00:50:32,789 --> 00:50:28,309  
supportive of Larry as if he were family

1004  
00:50:36,309 --> 00:50:32,799  
the fact that he betrayed that and then

1005  
00:50:41,019 --> 00:50:36,319  
doubly insulted her after she was dead

1006  
00:50:43,419 --> 00:50:41,029  
by faking her signature and others on

1007  
00:50:46,419 --> 00:50:43,429  
memorabilia that would make him maybe a

1008  
00:50:48,789 --> 00:50:46,429  
couple of hundred pounds is disgusting

1009  
00:50:51,880 --> 00:50:48,799  
and let me be specific here several

1010  
00:50:55,209 --> 00:50:51,890  
years after Helen died knowing that

1011  
00:50:56,829 --> 00:50:55,219  
Larry really liked all of memorabilia

1012  
00:51:01,449 --> 00:50:56,839  
popular culture related

1013  
00:51:04,929 --> 00:51:01,459

I gave him among other things two cards

1014

00:51:08,579 --> 00:51:04,939

they were going to the mail like

1015

00:51:12,519 --> 00:51:08,589

slightly enlarged postcards for two

1016

00:51:14,620 --> 00:51:12,529

openings of plays that were being

1017

00:51:16,509 --> 00:51:14,630

performed by a group called the mirror

1018

00:51:19,539 --> 00:51:16,519

repertory company which I was proud to

1019

00:51:26,219 --> 00:51:19,549

be the house manager of in New York City

1020

00:51:29,049 --> 00:51:26,229

and both of them were being held at a

1021

00:51:31,630 --> 00:51:29,059

wonderfully sleazy nightclub that was

1022

00:51:35,769 --> 00:51:31,640

kind of a mini studio 54 back in the day

1023

00:51:38,589 --> 00:51:35,779

it was a an old church building in New

1024

00:51:41,469 --> 00:51:38,599

York that had been deconsecrated so it

1025

00:51:44,649 --> 00:51:41,479

had you know extraordinary interior to

1026

00:51:47,439 --> 00:51:44,659

make into a nightclub and in one of the

1027

00:51:50,229 --> 00:51:47,449

plays helen had a part

1028

00:51:52,499 --> 00:51:50,239

she had a high billing because she was

1029

00:51:55,630 --> 00:51:52,509

well known but it was a small part

1030

00:51:58,359 --> 00:51:55,640

opposite a brilliant actress who is a

1031

00:52:01,120 --> 00:51:58,369

member of our company who many of your

1032

00:52:06,939 --> 00:52:01,130

listeners will know even if they're not

1033

00:52:08,769 --> 00:52:06,949

American as being a legendary role in a

1034

00:52:11,279 --> 00:52:08,779

great American film called guess who's

1035

00:52:14,559 --> 00:52:11,289

coming for dinner Katharine Houghton

1036

00:52:18,039 --> 00:52:14,569

played the aunjanue opposite Sidney

1037

00:52:23,229 --> 00:52:18,049

Poitier in the Katharine Hepburn Spencer

1038

00:52:25,299 --> 00:52:23,239

Tracy 1966 movie that was historic it

1039

00:52:28,599 --> 00:52:25,309

was one of the last big Hollywood studio

1040

00:52:32,589 --> 00:52:28,609

movies but for what it's worth now it

1041

00:52:36,149 --> 00:52:32,599

was the first major American studio film

1042

00:52:39,729 --> 00:52:36,159

where a white woman kissed a black man

1043

00:52:41,890 --> 00:52:39,739

again some of your listeners will know

1044

00:52:45,089 --> 00:52:41,900

this film it's a beloved film and and

1045

00:52:47,069 --> 00:52:45,099

still a very special film anyway

1046

00:52:53,140 --> 00:52:47,079

Katharine Houghton's

1047

00:52:54,670 --> 00:52:53,150

aunt was Katharine Hepburn who came to

1048

00:52:57,730 --> 00:52:54,680

see the play at one point

1049

00:53:00,820 --> 00:52:57,740

I knew miss Hepburn a little bit at that

1050

00:53:04,810 --> 00:53:00,830

time she was in her 80s she was famous

1051  
00:53:06,430 --> 00:53:04,820  
for not signing autographs she also did

1052  
00:53:10,960 --> 00:53:06,440  
not go out to nightclubs

1053  
00:53:15,520 --> 00:53:10,970  
she also wasn't quite reclusive but she

1054  
00:53:19,750 --> 00:53:15,530  
did not attend public events anyway I

1055  
00:53:22,180 --> 00:53:19,760  
gave Larry one announcement card for

1056  
00:53:23,800 --> 00:53:22,190  
each of these two plays one of them the

1057  
00:53:26,110 --> 00:53:23,810  
time of your life that I just described

1058  
00:53:29,800 --> 00:53:26,120  
with Houghton and with my sister and

1059  
00:53:32,740 --> 00:53:29,810  
another one and the thing that

1060  
00:53:36,970 --> 00:53:32,750  
distinguished them from any other cards

1061  
00:53:40,210 --> 00:53:36,980  
like them was that after my sister had

1062  
00:53:42,940 --> 00:53:40,220  
passed away among other things I had a

1063  
00:53:45,670 --> 00:53:42,950

small rubber stamp made that simply said

1064

00:53:47,580 --> 00:53:45,680

in small letters from the estate of

1065

00:53:49,810 --> 00:53:47,590

Helen wheels

1066

00:53:52,030 --> 00:53:49,820

that was her performing name Helen

1067

00:53:55,300 --> 00:53:52,040

Robbins the pun being hell on wheels

1068

00:53:56,830 --> 00:53:55,310

which she could certainly be no

1069

00:53:59,550 --> 00:53:56,840

association with the famous Paul

1070

00:54:04,060 --> 00:53:59,560

McCartney song as people have asked and

1071

00:54:06,250 --> 00:54:04,070

on certain items paper items that I was

1072

00:54:08,710 --> 00:54:06,260

archiving or giving to people that knew

1073

00:54:12,880 --> 00:54:08,720

my sister's gifts I would use that

1074

00:54:15,730 --> 00:54:12,890

rubber stamp and so I gave one card each

1075

00:54:19,510 --> 00:54:15,740

to Larry let me say here that there was

1076  
00:54:23,080 --> 00:54:19,520  
nothing written on them last December it

1077  
00:54:25,600 --> 00:54:23,090  
was called to my attention to click on a

1078  
00:54:28,110 --> 00:54:25,610  
link to an auction catalog for an

1079  
00:54:31,480 --> 00:54:28,120  
auction house in Yorkshire as I recall

1080  
00:54:36,430 --> 00:54:31,490  
so it would have been December a year

1081  
00:54:38,530 --> 00:54:36,440  
ago and I think it was go to page

1082  
00:54:42,130 --> 00:54:38,540  
such-and-such which was the rock and

1083  
00:54:46,960 --> 00:54:42,140  
roll memorabilia in one case where I got

1084  
00:54:49,420 --> 00:54:46,970  
very angry I saw that a a small card

1085  
00:54:52,420 --> 00:54:49,430  
with the signature of the doors from the

1086  
00:54:54,490 --> 00:54:52,430  
collection of somebody who was not just

1087  
00:54:57,280 --> 00:54:54,500  
a friend of mine but a good friend of

1088  
00:54:58,570 --> 00:54:57,290

mine going back over 50 years we were

1089

00:55:02,140 --> 00:54:58,580

roommates when we were in art school

1090

00:55:03,670 --> 00:55:02,150

together who Larry met once at a party

1091

00:55:06,460 --> 00:55:03,680

that Helen and I had had probably 30

1092

00:55:07,720 --> 00:55:06,470

years ago but he keeps this stuff in his

1093

00:55:11,680 --> 00:55:07,730

mind

1094

00:55:13,480 --> 00:55:11,690

and Stan had enough believability as far

1095

00:55:15,400 --> 00:55:13,490

as provenance went because he had worked

1096

00:55:17,499 --> 00:55:15,410

with the incredible string band as their

1097

00:55:20,109 --> 00:55:17,509

roadie at first and on their final album

1098

00:55:22,509 --> 00:55:20,119

he was their bass player incredible

1099

00:55:24,160 --> 00:55:22,519

string band a band of the late 60s who

1100

00:55:24,700 --> 00:55:24,170

some of your listeners will know others

1101

00:55:27,700 --> 00:55:24,710

will not

1102

00:55:30,640 --> 00:55:27,710

anyway Sam did not collect autographs

1103

00:55:33,609 --> 00:55:30,650

Stan had not given anything to this

1104

00:55:36,519 --> 00:55:33,619

catalogue this auction in Yorkshire and

1105

00:55:39,849 --> 00:55:36,529

yet there he was of course it was Larry

1106

00:55:42,130 --> 00:55:39,859

doing his mischief well I was I was

1107

00:55:43,960 --> 00:55:42,140

pissed off at that but that level of

1108

00:55:47,339 --> 00:55:43,970

being pissed off was dwarfed when I saw

1109

00:55:50,130 --> 00:55:47,349

these two cards that I had given Larry

1110

00:55:55,230 --> 00:55:50,140

filled with signatures including

1111

00:55:58,870 --> 00:55:55,240

Katharine Hepburn my sister Andy Warhol

1112

00:56:03,009 --> 00:55:58,880

with a little Campbell Soup drawing this

1113

00:56:05,650 --> 00:56:03,019

oh I don't know 25 years after he was

1114

00:56:08,319 --> 00:56:05,660

famous for that and was no longer doing

1115

00:56:10,539 --> 00:56:08,329

little sketches like that and Andy was

1116

00:56:13,960 --> 00:56:10,549

smart enough to know how to spell the

1117

00:56:16,660 --> 00:56:13,970

word Campbell's correctly and my sister

1118

00:56:18,880 --> 00:56:16,670

signature was not a very good one and I

1119

00:56:21,039 --> 00:56:18,890

thought to myself something I can't say

1120

00:56:25,120 --> 00:56:21,049

on the air relative to my former

1121

00:56:28,089 --> 00:56:25,130

co-author but how dare you how dare you

1122

00:56:29,319 --> 00:56:28,099

I don't know whether this was just

1123

00:56:32,410 --> 00:56:29,329

another way for him to score a little

1124

00:56:34,809 --> 00:56:32,420

extra bucks or to try to get you know

1125

00:56:39,519 --> 00:56:34,819

under my skin but as you know better

1126  
00:56:42,849 --> 00:56:39,529  
than most the big-ticket item in that

1127  
00:56:43,359 --> 00:56:42,859  
particular auction was a drawing a

1128  
00:56:47,400 --> 00:56:43,369  
painting

1129  
00:56:50,950 --> 00:56:47,410  
I'm sorry done I think in 1967 allegedly

1130  
00:56:53,170 --> 00:56:50,960  
by the legendary legendary Jimi Hendrix

1131  
00:56:55,690 --> 00:56:53,180  
now you were very familiar with that

1132  
00:56:57,700 --> 00:56:55,700  
painting as I recall because somehow

1133  
00:57:01,210 --> 00:56:57,710  
again through the use of your time

1134  
00:57:03,249 --> 00:57:01,220  
machine you saw it painted except that

1135  
00:57:10,019 --> 00:57:03,259  
it wasn't Jimi Hendrix who painted it

1136  
00:57:14,200 --> 00:57:12,190  
correct you on something that you said

1137  
00:57:16,960 --> 00:57:14,210  
about the cards that your sister's a few

1138  
00:57:21,210 --> 00:57:16,970

hundred pounds he was estimated between

1139

00:57:28,779 --> 00:57:21,220

two and four thousand pounds oh Christ

1140

00:57:32,670 --> 00:57:28,789

yeah and the Hendrix painting was 15,000

1141

00:57:37,390 --> 00:57:32,680

there was an alleged Jimi Hendrix

1142

00:57:41,920 --> 00:57:37,400

costume jewelry ring that was 8000 there

1143

00:57:45,400 --> 00:57:41,930

were several John Lennon items I've put

1144

00:57:48,460 --> 00:57:45,410

some of these on my facebook page was

1145

00:57:52,210 --> 00:57:48,470

that the one that had the the John

1146

00:57:55,870 --> 00:57:52,220

Lennon sunglasses that Mae pang that

1147

00:57:57,430 --> 00:57:55,880

Larry had faked the provenance in his

1148

00:57:58,569 --> 00:57:57,440

handwriting alleging that it was her

1149

00:58:05,079 --> 00:57:58,579

handwriting whoo that was another

1150

00:58:10,029 --> 00:58:05,089

auction in 2016 when I found his option

1151  
00:58:13,930 --> 00:58:10,039  
activity between 2011 and 2013 then the

1152  
00:58:18,430 --> 00:58:13,940  
end of break then it starts up again in

1153  
00:58:23,170 --> 00:58:18,440  
2014 late on with the you know and then

1154  
00:58:26,140 --> 00:58:23,180  
sorry 2015 with the Lennon sketch then

1155  
00:58:29,109 --> 00:58:26,150  
erupted again from there because he says

1156  
00:58:31,749 --> 00:58:29,119  
in the video that some big hitters got

1157  
00:58:33,339 --> 00:58:31,759  
his stuff back from this auction that

1158  
00:58:35,440 --> 00:58:33,349  
had robbed him but actually what

1159  
00:58:37,180 --> 00:58:35,450  
happened was he put Jerry Garcia

1160  
00:58:41,499 --> 00:58:37,190  
painting in that he'd done himself oh

1161  
00:58:43,349 --> 00:58:41,509  
yes Green Machine and the Coal Miner's

1162  
00:58:46,150 --> 00:58:43,359  
Daughter

1163  
00:58:48,789 --> 00:58:46,160

he said the auction house had said that

1164

00:58:51,339 --> 00:58:48,799

it was a forgery and I said to him well

1165

00:58:55,839 --> 00:58:51,349

and he said well I didn't know I love

1166

00:58:57,910 --> 00:58:55,849

and he'll give me it well I said there's

1167

00:58:59,799 --> 00:58:57,920

a buyer beware

1168

00:59:04,089 --> 00:58:59,809

I've been watching this program on TV

1169

00:59:12,660 --> 00:59:04,099

about fine forgeries and I said that

1170

00:59:18,579 --> 00:59:16,509

developed into these guys have kept it

1171

00:59:19,839 --> 00:59:18,589

from him they brought him he was going

1172

00:59:20,170 --> 00:59:19,849

to phone the police he kept going on

1173

00:59:23,799 --> 00:59:20,180

about

1174

00:59:26,589 --> 00:59:23,809

Berlin the police so you know in the end

1175

00:59:28,390 --> 00:59:26,599

I wrote to them and I wrote so there

1176

00:59:30,640 --> 00:59:28,400

were a couple of times and that didn't

1177

00:59:33,130 --> 00:59:30,650

happen and then a big hitter that he's

1178

00:59:36,490 --> 00:59:33,140

talking about is am a film producer and

1179

00:59:40,599 --> 00:59:36,500

a director and I you know I was talking

1180

00:59:42,309 --> 00:59:40,609

to him and together well I told him all

1181

00:59:45,400 --> 00:59:42,319

the stuff that it was blabber by then he

1182

00:59:48,130 --> 00:59:45,410

said he's he's something letter from his

1183

00:59:52,690 --> 00:59:48,140

legal department then all of the stuff

1184

00:59:54,880 --> 00:59:52,700

arrived at our house and Dave said well

1185

00:59:57,370 --> 00:59:54,890

it'd be a good idea to film it because

1186

00:59:59,740 --> 00:59:57,380

then if anything is lost stolen or

1187

01:00:01,780 --> 00:59:59,750

damaged you've got a record of you

1188

01:00:06,059 --> 01:00:01,790

opening the box and then they can't say

1189

01:00:09,760 --> 01:00:06,069

it wasn't like that when we sent it good

1190

01:00:12,400 --> 01:00:09,770

now he's we had a twisted plan all along

1191

01:00:15,880 --> 01:00:12,410

but it wasn't just like it was just a

1192

01:00:18,190 --> 01:00:15,890

kind of sensible thing to do so Dave

1193

01:00:19,420 --> 01:00:18,200

video team taking all this stuff out of

1194

01:00:22,930 --> 01:00:19,430

the box

1195

01:00:25,000 --> 01:00:22,940

and he's passing around all these

1196

01:00:27,190 --> 01:00:25,010

glasses of John Lennon's that are all

1197

01:00:30,910 --> 01:00:27,200

battered which have now got lenses in

1198

01:00:32,740 --> 01:00:30,920

and they're being fixed on them and

1199

01:00:35,200 --> 01:00:32,750

threw them in the bin and Charlie his

1200

01:00:39,130 --> 01:00:35,210

uncle Charlie Lennon got them out of the

1201

01:00:45,880 --> 01:00:39,140

bin and give them to Larry along of

1202

01:00:47,620 --> 01:00:45,890

course John's hat John he said that he

1203

01:00:49,329 --> 01:00:47,630

had the other hat at Sue's why would he

1204

01:00:51,099 --> 01:00:49,339

want to keep that himself I don't know

1205

01:00:53,200 --> 01:00:51,109

and why would Charlie want to give them

1206

01:01:03,000 --> 01:00:53,210

away when they were worth so Charlie no

1207

01:01:08,500 --> 01:01:06,190

he died in poverty and he wrote a letter

1208

01:01:12,819 --> 01:01:08,510

to John Lennon asked him for money which

1209

01:01:17,200 --> 01:01:12,829

was optioned in 2013 after he died so

1210

01:01:18,309 --> 01:01:17,210

that was a genuine one so and no reason

1211

01:01:20,319 --> 01:01:18,319

why I'd want to keep that letter

1212

01:01:22,630 --> 01:01:20,329

material for himself or solitaire of

1213

01:01:26,289 --> 01:01:22,640

himself a man just jump in here for a

1214

01:01:31,870 --> 01:01:26,299

moment at the post throw on these items

1215

01:01:33,080 --> 01:01:31,880

of my sister's created by Warren number

1216

01:01:38,960 --> 01:01:33,090

one

1217

01:01:41,660 --> 01:01:38,970

after I saw them in a catalog I informed

1218

01:01:43,970 --> 01:01:41,670

my friend Stan about this deception

1219

01:01:46,880 --> 01:01:43,980

where his name had been used his

1220

01:01:48,920 --> 01:01:46,890

reaction was a lot more sophisticated

1221

01:01:51,620 --> 01:01:48,930

than mine was he just laughed and said I

1222

01:01:53,780 --> 01:01:51,630

wished I would have saved autographs but

1223

01:01:55,520 --> 01:01:53,790

I will of course contact the auction

1224

01:01:58,370 --> 01:01:55,530

house as I did as well

1225

01:02:00,800 --> 01:01:58,380

and to the best of my knowledge these

1226

01:02:01,760 --> 01:02:00,810

items did not sell at least I hope

1227

01:02:05,870 --> 01:02:01,770

that's the case

1228

01:02:11,000 --> 01:02:05,880

however well there you go then

1229

01:02:15,530 --> 01:02:11,010

however to add insult to injury and not

1230

01:02:20,360 --> 01:02:15,540

for you or I but for Larry Warren

1231

01:02:23,810 --> 01:02:20,370

professional forger after he after I

1232

01:02:26,240 --> 01:02:23,820

went on record about this little problem

1233

01:02:29,840 --> 01:02:26,250

about the rubber stamp from the estate

1234

01:02:33,740 --> 01:02:29,850

of Helen wheels he has gone on record as

1235

01:02:37,850 --> 01:02:33,750

saying that she while she was alive gave

1236

01:02:39,470 --> 01:02:37,860

him those two cards and other things you

1237

01:02:44,540 --> 01:02:39,480

know that and have been able to confirm

1238

01:02:46,040 --> 01:02:44,550

that the one that you gave him and the

1239

01:02:48,920 --> 01:02:46,050

one that he's got that signed by

1240

01:02:50,450 --> 01:02:48,930

everyone was signed for Helen by one of

1241

01:02:52,790 --> 01:02:50,460

Helen's friends who took it round again

1242

01:02:53,720 --> 01:02:52,800

that got all the signals okay then she

1243

01:02:56,090 --> 01:02:53,730

gave it to Larry

1244

01:02:59,750 --> 01:02:56,100

okay very good well that's just fine

1245

01:03:02,120 --> 01:02:59,760

except for one problem the rubber stamp

1246

01:03:04,820 --> 01:03:02,130

saying the estate from the estate of

1247

01:03:08,240 --> 01:03:04,830

Helen Robbins was created after my

1248

01:03:10,460 --> 01:03:08,250

sister was dead I did not make it up

1249

01:03:12,230 --> 01:03:10,470

when she was alive

1250

01:03:16,220 --> 01:03:12,240

she died very tragically and very

1251

01:03:19,190 --> 01:03:16,230

quickly and I was not anticipating my

1252

01:03:24,260 --> 01:03:19,200

sister as they say pre D ceasing me I

1253

01:03:27,830 --> 01:03:24,270

was in despair I was heartbroken and it

1254

01:03:30,350 --> 01:03:27,840

poses a problem for Warren because for

1255

01:03:33,080 --> 01:03:30,360

the countless whatever time he has now

1256

01:03:35,600 --> 01:03:33,090

not only been caught in another outright

1257

01:03:37,970 --> 01:03:35,610

lie but one that there's no way to

1258

01:03:40,730 --> 01:03:37,980

wiggle out of the only thing I've been

1259

01:03:44,450 --> 01:03:40,740

thinking in my mind how can he get out

1260

01:03:46,640 --> 01:03:44,460

of this one the card that she gave him

1261

01:03:49,999 --> 01:03:46,650

that was taken a

1262

01:03:51,769 --> 01:03:50,009

quote unquote and signed how they got to

1263

01:03:54,890 --> 01:03:51,779

miss Hepburn when she was not signing

1264

01:03:57,319 --> 01:03:54,900

autographs and living in Connecticut at

1265

01:03:58,759 --> 01:03:57,329

that point is beyond me but of course

1266

01:04:03,279 --> 01:03:58,769

there's an excuse there's an explanation

1267

01:04:06,380 --> 01:04:03,289

I'm sure that he has now made it clear

1268

01:04:09,259 --> 01:04:06,390

that that was his before the fact from

1269

01:04:13,309 --> 01:04:09,269

her how did that rubber stamp get on it

1270

01:04:15,349 --> 01:04:13,319

either he's lying and that it is the one

1271

01:04:18,440 --> 01:04:15,359

that I gave him with the rubber stamp on

1272

01:04:22,099 --> 01:04:18,450

it after she died or there's only one

1273

01:04:27,529 --> 01:04:22,109

other possibility that he created an

1274

01:04:29,359 --> 01:04:27,539

absolutely identical rubber stamp and of

1275

01:04:30,920 --> 01:04:29,369

course that's not the case because he's

1276

01:04:35,450 --> 01:04:30,930

an honest fellow would never do things

1277

01:04:36,950 --> 01:04:35,460

like that so you know he's damned if he

1278

01:04:38,690 --> 01:04:36,960

does he damned if he doesn't and it's

1279

01:04:41,120 --> 01:04:38,700

one more question he will never answer

1280

01:04:44,569 --> 01:04:41,130

he'll change the topic he'll get angry

1281

01:04:48,109 --> 01:04:44,579

and Gary the same thing they really are

1282

01:04:52,329 --> 01:04:48,119

outrageous so well I want to go on to

1283

01:04:55,430 --> 01:04:52,339

now with because we will stay on this is

1284

01:04:58,279 --> 01:04:55,440

you know apart from the fact that Warren

1285

01:05:03,099 --> 01:04:58,289

had about 20 items in the auction and

1286

01:05:07,489 --> 01:05:03,109

sold 36,000 pounds worth of stuff my god

1287

01:05:09,710 --> 01:05:07,499

he actually said Gary's up there with

1288

01:05:11,410 --> 01:05:09,720

him and they he's got this stuff and he

1289

01:05:15,319 --> 01:05:11,420

keeps producing all these little items

1290

01:05:19,970 --> 01:05:15,329

like there's a flexi disc he said

1291

01:05:28,420 --> 01:05:19,980

there's a folder so you know Warren is

1292

01:05:35,210 --> 01:05:32,509

and that was it okay so he says that he

1293

01:05:39,079 --> 01:05:35,220

had song lyrics of Helens that she

1294

01:05:41,150 --> 01:05:39,089

tacked them all out and you know he kept

1295

01:05:44,269 --> 01:05:41,160

all them she gave him Emmy and all kinds

1296

01:05:47,839 --> 01:05:44,279

of things and then he said that you gave

1297

01:05:51,380 --> 01:05:47,849

him this stuff this folder of stuff to

1298

01:05:53,870 --> 01:05:51,390

sell for him he said he was not able to

1299

01:05:57,700 --> 01:05:53,880

because the market for Helen was not big

1300

01:06:00,470 --> 01:05:57,710

in England so I still have the stuff and

1301

01:06:05,540 --> 01:06:00,480

he can have it all back

1302

01:06:08,210 --> 01:06:05,550

Oh support being I'm glad I saved it

1303

01:06:10,430 --> 01:06:08,220

because I wasn't supposed to know Helen

1304

01:06:12,050 --> 01:06:10,440

apparently well actually nobody has said

1305

01:06:16,339 --> 01:06:12,060

that and it's ridiculous to say that

1306

01:06:19,099 --> 01:06:16,349

because Helen was your sister and so of

1307

01:06:21,680 --> 01:06:19,109

course he said oh I can't remember our

1308

01:06:26,180 --> 01:06:21,690

matter is in some big apartment in new

1309

01:06:28,730 --> 01:06:26,190

course because it's too it's too

1310

01:06:30,770 --> 01:06:28,740

convenient to forget that she's actually

1311

01:06:32,990 --> 01:06:30,780

your sister he doesn't hide that fact

1312

01:06:38,960 --> 01:06:33,000

what to say that he doesn't know how he

1313

01:06:41,380 --> 01:06:38,970

met her is outrageous my apartment she

1314

01:06:44,300 --> 01:06:41,390

says was her apartment that's another

1315

01:06:46,040 --> 01:06:44,310

thing that he would have us believe it

1316

01:06:50,300 --> 01:06:46,050

had been her apartment but she had moved

1317

01:06:53,960 --> 01:06:50,310

on and I had moved in he met Helen

1318

01:06:57,290 --> 01:06:53,970

shortly after he came to New York to

1319

01:07:02,450 --> 01:06:57,300

have his first meeting with me and that

1320

01:07:05,150 --> 01:07:02,460

would have been I believe the weekend

1321

01:07:07,160 --> 01:07:05,160

after July 4th or the July 4th weekend I

1322

01:07:12,319 --> 01:07:07,170

can look that up because I keep all of

1323

01:07:16,790 --> 01:07:12,329

my appointment books but yes and being

1324

01:07:19,309 --> 01:07:16,800

Larry that very first visit the one

1325

01:07:21,950 --> 01:07:19,319

thing that I remember that he absolutely

1326

01:07:25,460 --> 01:07:21,960

had to do was have me take a picture of

1327

01:07:27,890 --> 01:07:25,470

him and Helen together and we had a roof

1328

01:07:30,530 --> 01:07:27,900

garden on the building that I lived in

1329

01:07:32,510 --> 01:07:30,540

on he's 46 Street and we went up there

1330

01:07:34,940 --> 01:07:32,520

and I took a very nice picture of him

1331

01:07:36,829 --> 01:07:34,950

and Helen together which he has had

1332

01:07:40,250 --> 01:07:36,839

bragging rights relative to my sister

1333

01:07:42,200 --> 01:07:40,260

ever since by showing them there are no

1334

01:07:45,020 --> 01:07:42,210

other pictures of him and Helen if there

1335

01:07:47,210 --> 01:07:45,030

are I'd like him to let us know as far

1336

01:07:51,170 --> 01:07:47,220

as me giving him a lot of stuff of

1337

01:07:53,930 --> 01:07:51,180

Helens cell guess what folks that is a

1338

01:07:57,170 --> 01:07:53,940

lie I didn't give him a lot of stuff

1339

01:08:00,470 --> 01:07:57,180

however several years after my sister

1340

01:08:04,270 --> 01:08:00,480

passed he asked me if there was anything

1341

01:08:08,150 --> 01:08:04,280

of Helens that I would like to sell I

1342

01:08:11,059 --> 01:08:08,160

consulted with our other sister and we

1343

01:08:14,150 --> 01:08:11,069

agreed to put together a single lot of

1344

01:08:17,329 --> 01:08:14,160

three items one was

1345

01:08:21,530 --> 01:08:17,339

a beautiful photograph and printed

1346

01:08:24,559 --> 01:08:21,540

photograph I think was 11 by 14 by the

1347

01:08:28,070 --> 01:08:24,569

photographer who just happened to be the

1348

01:08:30,349 --> 01:08:28,080

guy whose provenance he faked with his

1349

01:08:35,870 --> 01:08:30,359

fake doors signature in that same

1350

01:08:40,099 --> 01:08:35,880

auction as the to Helen wheels party

1351

01:08:44,479 --> 01:08:40,109

announcement cards and we paired it up

1352

01:08:46,910 --> 01:08:44,489

with the actual custom item she was

1353

01:08:53,180 --> 01:08:46,920

wearing a beautiful leather bustier and

1354

01:08:56,360 --> 01:08:53,190

as I recall a a punk or music business

1355

01:08:59,329 --> 01:08:56,370

publication with a photo of Helen

1356

01:09:02,570 --> 01:08:59,339

wearing that costume item so it was the

1357

01:09:04,610 --> 01:09:02,580

costume item it was the bustier and it

1358

01:09:05,959 --> 01:09:04,620

was this beautiful original print which

1359

01:09:09,200 --> 01:09:05,969

I think might have been signed on the

1360

01:09:12,050 --> 01:09:09,210

back not sure by the photographer that

1361

01:09:13,729 --> 01:09:12,060

was it and I think that's really nice

1362

01:09:16,640 --> 01:09:13,739

that I can have that back whenever I

1363

01:09:21,229 --> 01:09:16,650

wanted I want it back send it to me

1364

01:09:27,019 --> 01:09:21,239

and you know what if you do I will then

1365

01:09:32,180 --> 01:09:27,029

send you a money order or transfer funds

1366

01:09:35,959 --> 01:09:32,190

to your account on the exact amount on

1367

01:09:38,930 --> 01:09:35,969

the stamps or on the postal meter

1368

01:09:41,809 --> 01:09:38,940

I will document the whole thing I will

1369

01:09:43,579 --> 01:09:41,819

share it with you so that you can see it

1370

01:09:46,010 --> 01:09:43,589

all and share it with the people that

1371

01:09:48,979 --> 01:09:46,020

listen to you so that they know that I

1372

01:09:52,939 --> 01:09:48,989

made good on my paying for the shipping

1373

01:10:00,709 --> 01:09:52,949

of that item and the to supporting items

1374

01:10:04,330 --> 01:10:00,719

back to me and my family he's got this

1375

01:10:08,300 --> 01:10:04,340

red folder with a picture of Helen on it

1376

01:10:09,770 --> 01:10:08,310

inside it there was the black and white

1377

01:10:12,919 --> 01:10:09,780

photo that you're talking about with the

1378

01:10:15,550 --> 01:10:12,929

provenance on the back he still has that

1379

01:10:20,870 --> 01:10:15,560

there's no bus lanes in bastia in sight

1380

01:10:27,320 --> 01:10:20,880

but there were a few records you know

1381

01:10:28,040 --> 01:10:27,330

any same things over the years they were

1382

01:10:31,820 --> 01:10:28,050

not

1383

01:10:34,370 --> 01:10:31,830

given to him for sale they were given as

1384

01:10:37,820 --> 01:10:34,380

a friend the only thing that was ever

1385

01:10:40,940 --> 01:10:37,830

given to him to potentially put on sale

1386

01:10:43,580 --> 01:10:40,950

were those three items together that

1387

01:10:46,730 --> 01:10:43,590

with the agreement of my sister other

1388

01:10:48,710 --> 01:10:46,740

sister but again you know he's got the

1389

01:10:54,910 --> 01:10:48,720

items so he changes the story classic

1390

01:11:01,520 --> 01:10:59,720

so Gary says and they've got the stump

1391

01:11:04,310 --> 01:11:01,530

and they're clearly old black-and-white

1392

01:11:06,350 --> 01:11:04,320

photographs of Palin and another one

1393

01:11:09,410 --> 01:11:06,360

here this is more or less on the card

1394

01:11:11,480 --> 01:11:09,420

but again photograph so it is original

1395

01:11:13,130 --> 01:11:11,490

and it's being printed off and it's got

1396

01:11:15,260 --> 01:11:13,140

the stick assigned by Peter Robbins on

1397

01:11:18,650 --> 01:11:15,270

the back and that's the prominence on it

1398

01:11:20,180 --> 01:11:18,660

and provenance and again the stamp of

1399

01:11:22,820 --> 01:11:20,190

provenance it keeps going on about then

1400

01:11:24,860 --> 01:11:22,830

both of him a talking and he said you

1401

01:11:26,570 --> 01:11:24,870

see if I had to solve this property then

1402

01:11:27,920 --> 01:11:26,580

they would have needed this and that's

1403

01:11:29,510 --> 01:11:27,930

the thing with the provenance and then

1404

01:11:31,100 --> 01:11:29,520

Garrett and Gary says the provenance

1405

01:11:35,330 --> 01:11:31,110

part yet again since this word

1406

01:11:37,130 --> 01:11:35,340

provenance I said about ten and it's not

1407

01:11:39,410 --> 01:11:37,140

my word because it's coming from Peter

1408

01:11:42,200 --> 01:11:39,420

and that's enough and he knows the

1409

01:11:45,020 --> 01:11:42,210

histories and Gary says so basically

1410

01:11:48,170 --> 01:11:45,030

Peter Robbins gave you quite a lot of

1411

01:11:50,510 --> 01:11:48,180

Helens stuff as material to sell because

1412

01:11:55,670 --> 01:11:50,520

he knew your memorabilia connections

1413

01:12:01,130 --> 01:11:55,680

Warren said of course exactly the fact

1414

01:12:04,130 --> 01:12:01,140

is that that is a lie on both of their

1415

01:12:07,700 --> 01:12:04,140

parts you know this is really disgusting

1416

01:12:10,190 --> 01:12:07,710

but so you were the guy in the business

1417

01:12:12,710 --> 01:12:10,200

so it would make sense he would give you

1418

01:12:17,600 --> 01:12:12,720

stuff and Warren says it wasn't for me

1419

01:12:20,210 --> 01:12:17,610

so that's a lie it was specifically for

1420

01:12:23,360 --> 01:12:20,220

him yeah I got these things from Helen

1421

01:12:26,120 --> 01:12:23,370

also I think oh so there's a folder here

1422

01:12:29,120 --> 01:12:26,130

with like a publicity thing some

1423

01:12:31,990 --> 01:12:29,130

handwritten notations and Ron says

1424

01:12:34,790 --> 01:12:32,000

that's a flat flexi disc and Barry says

1425

01:12:37,070 --> 01:12:34,800

okay shows you what I know about music

1426

01:12:39,500 --> 01:12:37,080

exactly Gary right so you're sitting

1427

01:12:41,450 --> 01:12:39,510

there and you're going oh yes this is

1428

01:12:44,390 --> 01:12:41,460

real this is really you don't know any

1429

01:12:47,420 --> 01:12:44,400

think about anything to do with anything

1430

01:12:49,850 --> 01:12:47,430

to do with that and quite apparently you

1431

01:12:51,920 --> 01:12:49,860

don't know anything about investigating

1432

01:12:54,200 --> 01:12:51,930

because you ask him a question he

1433

01:12:55,550 --> 01:12:54,210

answers the question and you go well

1434

01:12:58,880 --> 01:12:55,560

that makes sense

1435

01:13:01,790 --> 01:12:58,890

and now with there's no critical

1436

01:13:04,310 --> 01:13:01,800

thinking there's no have you asked Peter

1437

01:13:07,400 --> 01:13:04,320

have you spoken to Peter about this what

1438

01:13:11,720 --> 01:13:07,410

does he say it's just I Warren will lie

1439

01:13:14,510 --> 01:13:11,730

and Gary's just accepts it so you know

1440

01:13:16,790 --> 01:13:14,520

one of the things about sociopaths and

1441

01:13:18,890 --> 01:13:16,800

like a number of people who have been

1442

01:13:23,230 --> 01:13:18,900

caught in Larry's wake I've tried to

1443

01:13:27,980 --> 01:13:23,240

educate myself a bit on what this term

1444

01:13:31,490 --> 01:13:27,990

actually means is when cornered or a

1445

01:13:37,250 --> 01:13:31,500

question or attacked they will ascribe

1446

01:13:38,780 --> 01:13:37,260

to you characteristics that are part of

1447

01:13:43,100 --> 01:13:38,790

the way that they operate

1448

01:13:45,530 --> 01:13:43,110

I accept for again the time that Larry

1449

01:13:48,560 --> 01:13:45,540

said is there anything that you would

1450

01:13:51,350 --> 01:13:48,570

like me to sell for you Anne and I

1451

01:13:54,970 --> 01:13:51,360

decided let's try this one group of

1452

01:13:59,570 --> 01:13:54,980

three items I never gave Larry Warren

1453

01:14:02,360 --> 01:13:59,580

anything of my sister's to sell for me

1454

01:14:05,270 --> 01:14:02,370

or anybody else aside from those items

1455

01:14:07,520 --> 01:14:05,280

Helen who gave him quite a number of

1456

01:14:09,920 --> 01:14:07,530

lovely little you know parts of her

1457

01:14:13,700 --> 01:14:09,930

career whether it was ephemera different

1458

01:14:17,060 --> 01:14:13,710

memorabilia yes at the time and that she

1459

01:14:18,890 --> 01:14:17,070

made that single on a flexible record

1460

01:14:21,740 --> 01:14:18,900

glued to a piece of cardboard called a

1461

01:14:24,640 --> 01:14:21,750

flexi disc yeah we got one or more of

1462

01:14:28,850 --> 01:14:24,650

those they were not given to him to

1463

01:14:31,670 --> 01:14:28,860

resell Helen never gave him anything to

1464

01:14:34,040 --> 01:14:31,680

sell she gave him things as she did to

1465

01:14:38,210 --> 01:14:34,050

other friends from had to do with her

1466

01:14:42,170 --> 01:14:38,220

career or her work or the archives as

1467

01:14:45,380 --> 01:14:42,180

gifts she didn't think like that I don't

1468

01:14:47,780 --> 01:14:45,390

think like that Warren does and hassle

1469

01:14:55,750 --> 01:14:47,790

time buys it and that's what we're

1470

01:15:00,979 --> 01:14:58,939

literally avoiding asking him there's

1471

01:15:03,169 --> 01:15:00,989

the micktaylor photo he says he worked

1472

01:15:04,580 --> 01:15:03,179

for McTell in the Mikaela ban for two

1473

01:15:06,770 --> 01:15:04,590

years but the whole thing I've been

1474

01:15:10,069 --> 01:15:06,780

working for Atlantic Records for twenty

1475

01:15:13,609 --> 01:15:10,079

years if he started in 1982 when Charlie

1476

01:15:14,930 --> 01:15:13,619

comer picked him up and he worked for 20

1477

01:15:17,930 --> 01:15:14,940

years for the same company

1478

01:15:20,029 --> 01:15:17,940

then at the time we were working and

1479

01:15:21,830 --> 01:15:20,039

never mentioned it to me cluding he's

1480

01:15:26,479 --> 01:15:21,840

overseeing the event at Madison Square

1481

01:15:30,140 --> 01:15:26,489

Garden gosh that's amazing

1482

01:15:33,350 --> 01:15:30,150

so that would take him to 2002 when he

1483

01:15:38,020 --> 01:15:33,360

moved to this country in 99 2000 had

1484

01:15:42,589 --> 01:15:38,030

Dennis and then he goes scooting off to

1485

01:15:46,479 --> 01:15:42,599

Ground Zero at 9/11 after 9/11 because

1486

01:15:50,299 --> 01:15:46,489

of his expertise in the steel industry

1487

01:15:54,620 --> 01:15:50,309

managed to get that qualification job

1488

01:15:58,700 --> 01:15:54,630

experience to become so educated on

1489

01:16:01,279 --> 01:15:58,710

steel and whatever that he was accepted

1490

01:16:02,089 --> 01:16:01,289

as part of the cleanup crew at Ground

1491

01:16:04,339 --> 01:16:02,099

Zero

1492

01:16:07,310 --> 01:16:04,349

if he was doing all this stuff with

1493

01:16:10,339 --> 01:16:07,320

Charlie coma Stevie Ray Vaughan for nine

1494

01:16:13,160 --> 01:16:10,349

years the kinks he said he worked by

1495

01:16:16,069 --> 01:16:13,170

sight it's like he worked for guess who

1496

01:16:18,859 --> 01:16:16,079

he started as a roadie but guess who in

1497

01:16:21,020 --> 01:16:18,869

the late in the 70s but in actual fact

1498

01:16:29,989 --> 01:16:21,030

he said that when he was still in high

1499

01:16:32,089 --> 01:16:29,999

school I guess the year before he went

1500

01:16:34,609 --> 01:16:32,099

into the Air Force he did is a year in

1501

01:16:38,569 --> 01:16:34,619

England as a next that's true right

1502

01:16:42,229 --> 01:16:38,579

no he was 10 days because the letter

1503

01:16:44,330 --> 01:16:42,239

from where he went and stayed the mom

1504

01:16:46,100 --> 01:16:44,340

wrote a letter to his mom saying how

1505

01:16:49,209 --> 01:16:46,110

lovely it been for the 10 days that

1506

01:16:52,520 --> 01:16:49,219

Larry had stayed there so he's saying

1507

01:16:56,750 --> 01:16:52,530

you know it was the year before and well

1508

01:17:00,319 --> 01:16:56,760

in actual fact in England until recently

1509

01:17:02,390 --> 01:17:00,329

we are left school aged 16 so he would

1510

01:17:05,779 --> 01:17:02,400

have been a seventeen net going on 18

1511

01:17:07,069 --> 01:17:05,789

year old in a class full of 15 year olds

1512

01:17:08,459 --> 01:17:07,079

going on 16

1513

01:17:10,169 --> 01:17:08,469

so that just doesn't

1514

01:17:12,239 --> 01:17:10,179

even making me since he's forgotten or

1515

01:17:14,339 --> 01:17:12,249

didn't realize that we don't leave

1516

01:17:16,529 --> 01:17:14,349

school in England as one we're 80 well

1517

01:17:19,560 --> 01:17:16,539

we do now but this is a very recent

1518

01:17:25,020 --> 01:17:19,570

thing in the past few years so that just

1519

01:17:28,229 --> 01:17:25,030

can't have happened you know I I I want

1520

01:17:31,040 --> 01:17:28,239

to bring up something here because I can

1521

01:17:32,219 --> 01:17:31,050

visualize some of your listeners going

1522

01:17:34,290 --> 01:17:32,229

boy

1523

01:17:36,750 --> 01:17:34,300

a lot of vitriol flying here and you

1524

01:17:39,180 --> 01:17:36,760

know we haven't even talked about the

1525

01:17:41,339 --> 01:17:39,190

UFO incident that he is alleged to have

1526

01:17:45,540 --> 01:17:41,349

been involved in except in passing

1527

01:17:49,379 --> 01:17:45,550

references but you know um you're

1528

01:17:52,319 --> 01:17:49,389

talking about all this other stuff for

1529

01:17:56,640 --> 01:17:52,329

me unlike some people

1530

01:18:01,020 --> 01:17:56,650

if you are caught in criminal behavior

1531

01:18:04,350 --> 01:18:01,030

or lies or you know Larry's specialty

1532

01:18:06,479 --> 01:18:04,360

forgery which not only has been involved

1533

01:18:10,739 --> 01:18:06,489

in for decades but he has been caught in

1534

01:18:13,919 --> 01:18:10,749

and I as well as many other people look

1535

01:18:17,069 --> 01:18:13,929

forward to the publication of what will

1536

01:18:20,669 --> 01:18:17,079

literally be a catalogue of all of this

1537

01:18:22,319 --> 01:18:20,679

information with the actual proofs with

1538

01:18:25,169 --> 01:18:22,329

the exhibits with the appropriate

1539

01:18:28,049 --> 01:18:25,179

provenance etc with firsthand testimony

1540

01:18:30,390 --> 01:18:28,059

from real people backed up by other real

1541

01:18:32,069 --> 01:18:30,400

people etc that we will be seeing coming

1542

01:18:34,919 --> 01:18:32,079

at us later this year which is very

1543

01:18:36,719 --> 01:18:34,929

exciting my point here is this for some

1544

01:18:39,540 --> 01:18:36,729

people and I've heard the argument being

1545

01:18:41,370 --> 01:18:39,550

made that okay so he strayed off the

1546

01:18:44,189 --> 01:18:41,380

path in his private life but that

1547

01:18:46,859 --> 01:18:44,199

doesn't negate you know his account of

1548

01:18:50,100 --> 01:18:46,869

his involvement in this UFO incident

1549

01:18:53,160 --> 01:18:50,110

that occurred with 40-plus other people

1550

01:18:56,279 --> 01:18:53,170

that is his number not mine and yet here

1551

01:18:59,009 --> 01:18:56,289

we are absolutely none of them coming

1552

01:19:03,810 --> 01:18:59,019

forward to back him up when you lie

1553

01:19:06,689 --> 01:19:03,820

you're a liar and to assume that your

1554

01:19:10,080 --> 01:19:06,699

pristine in one area of your life and

1555

01:19:13,649 --> 01:19:10,090

that you're completely unethical in the

1556

01:19:16,219 --> 01:19:13,659

other is my even the extreme it's not an

1557

01:19:20,250 --> 01:19:16,229

argument that can even begin to be made

1558

01:19:22,130 --> 01:19:20,260

to support his account that I bought so

1559

01:19:25,310 --> 01:19:22,140

willingly for so many years

1560

01:19:27,170 --> 01:19:25,320

mm-hmm yeah and also there are people

1561

01:19:29,240 --> 01:19:27,180

that are coming forward now like we've

1562

01:19:31,940 --> 01:19:29,250

had Dwayne he's come forward he's quite

1563

01:19:33,950 --> 01:19:31,950

oppositely public and he's given as the

1564

01:19:36,680 --> 01:19:33,960

jacket that Larry gave him with a

1565

01:19:41,240 --> 01:19:36,690

hundred and letter from him from New

1566

01:19:42,860 --> 01:19:41,250

York or LA or wherever saying that he

1567

01:19:46,750 --> 01:19:42,870

gave him the jacket he was going to make

1568

01:19:50,030 --> 01:19:46,760

him famous so I was talking to some

1569

01:19:54,980 --> 01:19:50,040

autographed guys recently and I said I'm

1570

01:19:58,520 --> 01:19:54,990

trying to find out you know if these oh

1571

01:20:00,860 --> 01:19:58,530

you know these images fabricated fate

1572

01:20:04,430 --> 01:20:00,870

and um what is wrong with them so that I

1573

01:20:07,700 --> 01:20:04,440

can present why these are fake not being

1574

01:20:11,390 --> 01:20:07,710

an expert but experts repeating what

1575

01:20:14,330 --> 01:20:11,400

they're saying and we do not have a lot

1576

01:20:18,560 --> 01:20:14,340

of original stuff Duane has already paid

1577

01:20:22,340 --> 01:20:18,570

for this jacket to be authenticated so

1578

01:20:23,900 --> 01:20:22,350

I'm talking to these guys and so I've

1579

01:20:27,530 --> 01:20:23,910

kind of give him a rundown of the

1580

01:20:30,580 --> 01:20:27,540

situation and they go oh him we've known

1581

01:20:34,370 --> 01:20:30,590

about him for 25 years

1582

01:20:36,050 --> 01:20:34,380

Wow okay with Stevie Ray Vaughan's stuff

1583

01:20:38,420 --> 01:20:36,060

oh and he was good

1584

01:20:41,150 --> 01:20:38,430

and so I was like what in those guys

1585

01:20:43,310 --> 01:20:41,160

yeah this guy such as such knows all

1586

01:20:45,350 --> 01:20:43,320

about him and I'll put you in touch with

1587

01:20:47,300 --> 01:20:45,360

this other guy and they'll help you out

1588

01:20:48,800 --> 01:20:47,310

so you know there's things like that

1589

01:20:51,350 --> 01:20:48,810

going on there's a couple of other

1590

01:20:53,990 --> 01:20:51,360

things that I can't even say and I don't

1591

01:20:56,990 --> 01:20:54,000

even want to jinx them but hopefully

1592

01:20:58,880 --> 01:20:57,000

coming up but this is rolling now this

1593

01:21:01,430 --> 01:20:58,890

has got a kind of a life of its own I

1594

01:21:04,280 --> 01:21:01,440

have got so much evidence that prove he

1595

01:21:09,470 --> 01:21:04,290

is the forger and that I've got about I

1596

01:21:13,880 --> 01:21:09,480

don't know maybe maybe 50 items have

1597

01:21:16,520 --> 01:21:13,890

your own handwriting and obviously that

1598

01:21:19,520 --> 01:21:16,530

will increase with time but we've got

1599

01:21:22,910 --> 01:21:19,530

this wonderful set of from my auction

1600

01:21:28,400 --> 01:21:22,920

that we're talking about before John

1601  
01:21:31,730 --> 01:21:28,410  
Lennon sketch of a sheep and it's like

1602  
01:21:33,650 --> 01:21:31,740  
Oh quite obviously Larry Warren's

1603  
01:21:35,359 --> 01:21:33,660  
handwriting and everything if you ever

1604  
01:21:39,260 --> 01:21:35,369  
you know like I've seen any of

1605  
01:21:42,979 --> 01:21:39,270  
so this is very distinctive 4000 to 6000

1606  
01:21:49,240 --> 01:21:42,989  
pounds for a scribble of a sheep on a

1607  
01:21:52,490 --> 01:21:49,250  
cloud with the Little John face yeah

1608  
01:21:55,430 --> 01:21:52,500  
certain point in time even says the

1609  
01:21:57,350 --> 01:21:55,440  
flying sheep by John Lennon has drawn

1610  
01:22:00,589 --> 01:21:57,360  
for John Lennon's personal assistant

1611  
01:22:04,689 --> 01:22:00,599  
Fred seaman for his birthday in 1978 a

1612  
01:22:07,339 --> 01:22:04,699  
year before tried work for the Lennon's

1613  
01:22:10,010 --> 01:22:07,349

I'm not quite sure what that was his

1614

01:22:16,729 --> 01:22:10,020

aunt Helen was Sean's nanny or spoke

1615

01:22:21,290 --> 01:22:16,739

Naini this put this work was purchase of

1616

01:22:24,490 --> 01:22:21,300

from Fred inspected by Yoko Ono due to

1617

01:22:27,410 --> 01:22:24,500

bad blood between them in brackets and

1618

01:22:30,680 --> 01:22:27,420

authenticated by her with no claim made

1619

01:22:32,209 --> 01:22:30,690

Larry Warren so it can't leave himself

1620

01:22:35,750 --> 01:22:32,219

out of these things anymore

1621

01:22:37,939 --> 01:22:35,760

no become so egotistical about it even

1622

01:22:40,899 --> 01:22:37,949

had a little plaque made that said it

1623

01:22:44,810 --> 01:22:40,909

was John Lennon a Beatles Authenticator

1624

01:22:52,689 --> 01:22:44,820

so you know that's another thing as you

1625

01:22:56,330 --> 01:22:52,699

know it wasn't until he posted the

1626  
01:22:58,180 --> 01:22:56,340  
embarrassingly poorly photoshopped

1627  
01:23:01,040 --> 01:22:58,190  
picture of him and John Lennon that

1628  
01:23:05,570 --> 01:23:01,050  
anybody with a reverse image search can

1629  
01:23:09,770 --> 01:23:05,580  
find the original photo of where he

1630  
01:23:11,060 --> 01:23:09,780  
purports to be 19 years old but his the

1631  
01:23:13,070 --> 01:23:11,070  
shape of his face is completely

1632  
01:23:16,640 --> 01:23:13,080  
different it's taken at least 10 years

1633  
01:23:20,330 --> 01:23:16,650  
after that and when I first saw that I

1634  
01:23:22,850 --> 01:23:20,340  
was still I mean I I was hanging on to

1635  
01:23:26,750 --> 01:23:22,860  
the dream I was still trying to find a

1636  
01:23:29,600 --> 01:23:26,760  
way to believe him and he I I you know

1637  
01:23:32,390 --> 01:23:29,610  
okay so Sasha and her evil boyfriend

1638  
01:23:34,370 --> 01:23:32,400

they you know did all this photoshopping

1639

01:23:39,050 --> 01:23:34,380

to embarrass you and make you look bad

1640

01:23:45,080 --> 01:23:39,060

okay here's a photo that I can

1641

01:23:48,650 --> 01:23:45,090

absolutely prove is you know a forgery

1642

01:23:51,230 --> 01:23:48,660

and get behind you in standing again

1643

01:23:52,850 --> 01:23:51,240

them and his response was no man that's

1644

01:23:56,270 --> 01:23:52,860

that's a real one get your story

1645

01:23:58,640 --> 01:23:56,280

straight and my reaction was wait a

1646

01:24:01,160 --> 01:23:58,650

minute we've known each other for more

1647

01:24:03,110 --> 01:24:01,170

than a quarter of a century you are more

1648

01:24:05,750 --> 01:24:03,120

obsessed with John Lennon than anybody I

1649

01:24:08,360 --> 01:24:05,760

have ever met in my entire life

1650

01:24:12,170 --> 01:24:08,370

you're a self-proclaimed Beatles and

1651

01:24:15,530 --> 01:24:12,180

John Lennon scholar you allege that you

1652

01:24:17,210 --> 01:24:15,540

had an affair with Mae pang that didn't

1653

01:24:20,180 --> 01:24:17,220

end well but she gave you a bunch of

1654

01:24:23,330 --> 01:24:20,190

John's stuff and which I bought back in

1655

01:24:25,010 --> 01:24:23,340

the day because me I knew her in passing

1656

01:24:27,460 --> 01:24:25,020

she lived just a few blocks north of me

1657

01:24:30,350 --> 01:24:27,470

when they had their alleged affair and

1658

01:24:31,850 --> 01:24:30,360

she gave him things of John's which of

1659

01:24:35,090 --> 01:24:31,860

course she is now on record as saying

1660

01:24:37,340 --> 01:24:35,100

she never did that you never bothered to

1661

01:24:41,240 --> 01:24:37,350

mention to me all these years that you

1662

01:24:43,400 --> 01:24:41,250

met John Lennon and his response was

1663

01:24:47,120 --> 01:24:43,410

well I was saving that for another book

1664

01:24:50,570 --> 01:24:47,130

and I thought to myself write em pigs

1665

01:24:55,070 --> 01:24:50,580

fly now since then of course you know

1666

01:24:58,190 --> 01:24:55,080

that to everything since then I have

1667

01:25:01,220 --> 01:24:58,200

seen accounts where he is on record as

1668

01:25:04,340 --> 01:25:01,230

saying that he met John Lennon no he met

1669

01:25:08,140 --> 01:25:04,350

John Lennon twice no he met John Lennon

1670

01:25:14,060 --> 01:25:11,840

oh whatever

1671

01:25:15,590 --> 01:25:14,070

no no he said although it's at least but

1672

01:25:17,570 --> 01:25:15,600

even once he said he's met him a couple

1673

01:25:19,910 --> 01:25:17,580

of times he studies Matt is three times

1674

01:25:24,320 --> 01:25:19,920

I've got all the evidence of that and

1675

01:25:26,720 --> 01:25:24,330

now he's just said he met him once it's

1676

01:25:30,400 --> 01:25:26,730

brehtaking it really is and it would

1677

01:25:39,440 --> 01:25:30,410

be funny or entertaining if it wasn't so

1678

01:25:41,390 --> 01:25:39,450

disgusting and infuriating the poor

1679

01:25:45,020 --> 01:25:41,400

sucker I you know I pity these people

1680

01:25:48,770 --> 01:25:45,030

they are I'm sure over all great people

1681

01:25:50,750 --> 01:25:48,780

who are enamored with certain figures in

1682

01:25:53,300 --> 01:25:50,760

pop culture god bless them and the idea

1683

01:25:55,730 --> 01:25:53,310

of owning something by somebody you

1684

01:25:57,440 --> 01:25:55,740

admire I know it

1685

01:26:00,350 --> 01:25:57,450

I'm a bibliophile I have a large

1686

01:26:02,130 --> 01:26:00,360

collection of books that I read I also

1687

01:26:05,850 --> 01:26:02,140

have a collection of books

1688

01:26:08,340 --> 01:26:05,860

I have because they mean something to me

1689

01:26:11,460 --> 01:26:08,350

emotionally and in some cases they're

1690

01:26:15,630 --> 01:26:11,470

signed or inscribed by authors I value

1691

01:26:18,780 --> 01:26:15,640

them the idea of being taken for a ride

1692

01:26:20,460 --> 01:26:18,790

by somebody who's just doing this to rob

1693

01:26:22,620 --> 01:26:20,470

people of their money with the thought

1694

01:26:26,370 --> 01:26:22,630

that if you're enough of a sucker which

1695

01:26:30,420 --> 01:26:26,380

reminds me in you discuss in your

1696

01:26:35,370 --> 01:26:30,430

treatment of the the recent Garry Larry

1697

01:26:40,290 --> 01:26:35,380

exchange that Larry talks about an

1698

01:26:43,880 --> 01:26:40,300

auction dealer early on who cheated him

1699

01:26:46,890 --> 01:26:43,890

I remember this event very well because

1700

01:26:50,490 --> 01:26:46,900

the guy's name as I recall was Michael

1701

01:26:51,870 --> 01:26:50,500

and Warren was oh he was so excited and

1702

01:26:53,910 --> 01:26:51,880

this was going to be a really big thing

1703

01:26:55,530 --> 01:26:53,920

for him and he had given the guy things

1704

01:26:57,150 --> 01:26:55,540

on consignment which may have been real

1705

01:27:00,090 --> 01:26:57,160

or may not have

1706

01:27:02,070 --> 01:27:00,100

but then the guy stiffed him and it was

1707

01:27:04,650 --> 01:27:02,080

thousands and whatever how many money

1708

01:27:07,830 --> 01:27:04,660

allegedly that he had been taken a ride

1709

01:27:12,540 --> 01:27:07,840

on at one point he was staying with me

1710

01:27:14,070 --> 01:27:12,550

in New York and he asked Helen and I my

1711

01:27:16,440 --> 01:27:14,080

sister and I were having a party we

1712

01:27:19,200 --> 01:27:16,450

shared an apartment at that time and he

1713

01:27:20,730 --> 01:27:19,210

asked if he could invite this auction

1714

01:27:22,680 --> 01:27:20,740

dealer you know trying to get him good

1715

01:27:27,960 --> 01:27:22,690

with them and everything who brought a

1716

01:27:29,550 --> 01:27:27,970

friend as well Helen I you know the guy

1717

01:27:33,090 --> 01:27:29,560

stank I mean there was something about

1718

01:27:35,280 --> 01:27:33,100

him that was just I'm not the most

1719

01:27:38,130 --> 01:27:35,290

cautious person in many respects God

1720

01:27:41,340 --> 01:27:38,140

knows but this guy gave off signals that

1721

01:27:43,020 --> 01:27:41,350

you know he was a total fraud and we

1722

01:27:46,800 --> 01:27:43,030

brought our concerns to Larry's

1723

01:27:48,860 --> 01:27:46,810

attention no no he's the goods I wonder

1724

01:27:53,280 --> 01:27:48,870

sometimes in retrospect whether or not

1725

01:27:56,910 --> 01:27:53,290

Larry getting taken for a ride

1726

01:27:58,800 --> 01:27:56,920

early on in his career by that guy made

1727

01:28:01,170 --> 01:27:58,810

him feel it was okay to do the same

1728

01:28:03,900 --> 01:28:01,180

thing to other people and you know black

1729

01:28:07,770 --> 01:28:03,910

him if they get caught Wow

1730

01:28:09,950 --> 01:28:07,780

we know you said yes it was a it was

1731

01:28:15,150 --> 01:28:09,960

early in the it was mid-80s wasn't that

1732

01:28:16,020 --> 01:28:15,160

well no it couldn't have been mid

1733

01:28:17,730 --> 01:28:16,030

eighties because we didn't

1734

01:28:20,670 --> 01:28:17,740

knowing each other then and he didn't

1735

01:28:23,520 --> 01:28:20,680

get into the business until 87 or 88

1736

01:28:28,170 --> 01:28:23,530

that I'm aware of but it was at a party

1737

01:28:31,650 --> 01:28:28,180

at 88 or 89 at our apartment in Upper

1738

01:28:33,000 --> 01:28:31,660

Manhattan that we met this guy and what

1739

01:28:35,070 --> 01:28:33,010

about the stuff that he brought back

1740

01:28:37,230 --> 01:28:35,080

from me they said that may pack had

1741

01:28:41,160 --> 01:28:37,240

given him the that would have been

1742

01:28:45,330 --> 01:28:41,170

eighty eight eighty it would have been

1743

01:28:47,370 --> 01:28:45,340

88 yeah because have this relationship

1744

01:28:57,110 --> 01:28:47,380

with her and staying with me at the time

1745

01:29:05,460 --> 01:29:02,700

once it records and I please indulge me

1746

01:29:07,860 --> 01:29:05,470

I need to read this out I stood on stage

1747

01:29:10,050 --> 01:29:07,870

with Led Zeppelin in 88 where they were

1748

01:29:12,960 --> 01:29:10,060

when they were united the first time

1749

01:29:15,660 --> 01:29:12,970

with Jason Bonham literally behind pages

1750

01:29:18,360 --> 01:29:15,670

amp I was an artist coordinator for

1751

01:29:20,130 --> 01:29:18,370

Atlantic Records 40th anniversary so

1752

01:29:22,940 --> 01:29:20,140

what he's saying is he organized the

1753

01:29:26,490 --> 01:29:22,950

band's the the Madison Square Gardens

1754

01:29:28,650 --> 01:29:26,500

Records 40th anniversary right this is

1755

01:29:30,570 --> 01:29:28,660

so amazing this story and he I'm

1756

01:29:31,920 --> 01:29:30,580

guessing he would have been staying with

1757

01:29:38,640 --> 01:29:31,930

me because he had nowhere to play a

1758

01:29:39,990 --> 01:29:38,650

place to stay in New York one thing that

1759

01:29:41,670 --> 01:29:40,000

you should and we could of course find

1760

01:29:43,500 --> 01:29:41,680

out that date easy enough it's part of

1761

01:29:45,960 --> 01:29:43,510

rock and roll history although maybe yes

1762

01:29:48,300 --> 01:29:45,970

maybe yes but one thing you should be

1763

01:29:51,600 --> 01:29:48,310

aware of because I'm gonna make them

1764

01:29:53,520 --> 01:29:51,610

available to you is if Larry knows

1765

01:29:57,030 --> 01:29:53,530

because I mentioned it to him although I

1766

01:29:59,670 --> 01:29:57,040

don't know if I ever did friends joke

1767

01:30:01,500 --> 01:29:59,680

with me still because I'm one of the

1768

01:30:03,720 --> 01:30:01,510

only people they know who does not have

1769

01:30:06,560 --> 01:30:03,730

a smartphone I have a dumb phone that

1770

01:30:10,680 --> 01:30:06,570

runs on coal or squirrel power whatever

1771

01:30:13,170 --> 01:30:10,690

and most of my friends keep their

1772

01:30:16,770 --> 01:30:13,180

appointments for years now in their

1773

01:30:19,260 --> 01:30:16,780

phones very good I am an analog man

1774

01:30:23,550 --> 01:30:19,270

stuck in a digital world and I still

1775

01:30:25,110 --> 01:30:23,560

keep a date book you know with my

1776

01:30:28,680 --> 01:30:25,120

appointments written in it

1777

01:30:29,819 --> 01:30:28,690

I have kept date books like many of us

1778

01:30:32,490 --> 01:30:29,829

going back to

1779

01:30:34,709 --> 01:30:32,500

before we had smartphones but in my case

1780

01:30:38,010 --> 01:30:34,719

have done something different for more

1781

01:30:39,209 --> 01:30:38,020

than 40 years I have saved every single

1782

01:30:42,359 --> 01:30:39,219

appointment book

1783

01:30:46,229 --> 01:30:42,369

I have kept I have every appointment

1784

01:30:50,160 --> 01:30:46,239

book for every moment since I have known

1785

01:30:52,560 --> 01:30:50,170

Larry Warren every weekend that he would

1786

01:30:55,649 --> 01:30:52,570

come to stay with me in New York for

1787

01:30:56,910 --> 01:30:55,659

years or every time we went to England

1788

01:31:00,240 --> 01:30:56,920

together or spoke at a conference

1789

01:31:03,030 --> 01:31:00,250

together or what have you is dutifully

1790

01:31:06,689 --> 01:31:03,040

noted in my appointment book as one

1791

01:31:09,479 --> 01:31:06,699

would expect all of those indications in

1792

01:31:13,709 --> 01:31:09,489

different kinds of ink and pencil can be

1793

01:31:16,760 --> 01:31:13,719

verified as authentic or not I am going

1794

01:31:20,370 --> 01:31:16,770

to loan those to you as you move forward

1795

01:31:24,120 --> 01:31:20,380

just to have is one more tool to verify

1796

01:31:27,089 --> 01:31:24,130

or not and I can tell you and your

1797

01:31:30,350 --> 01:31:27,099

audience I am not making any additions

1798

01:31:32,580 --> 01:31:30,360

or changes before I send them out also

1799

01:31:35,010 --> 01:31:32,590

you should be aware and your audience

1800

01:31:37,379 --> 01:31:35,020

should be aware of the following one of

1801

01:31:39,660 --> 01:31:37,389

the first lies that Larry told me and it

1802

01:31:42,799 --> 01:31:39,670

was literally when we were making our

1803

01:31:46,589 --> 01:31:42,809

agreement to write this book together

1804

01:31:49,560 --> 01:31:46,599

was he as long as he got to write his

1805

01:31:51,899 --> 01:31:49,570

part I was for you to organize and

1806

01:31:54,419 --> 01:31:51,909

assemble the book based on you know his

1807

01:31:58,890 --> 01:31:54,429

final say-so anyway that I wanted

1808

01:32:01,319 --> 01:31:58,900

however one of my terms not wanting any

1809

01:32:04,770 --> 01:32:01,329

more work than I was taking on was that

1810

01:32:09,149 --> 01:32:04,780

he deliver every chapter to me on a

1811

01:32:11,280 --> 01:32:09,159

floppy disk as we had back then typed

1812

01:32:13,350 --> 01:32:11,290

out and double-spaced he said that would

1813

01:32:14,939 --> 01:32:13,360

be no problem and then told me he typed

1814

01:32:18,149 --> 01:32:14,949

X number of words a minute and it was a

1815

01:32:20,490 --> 01:32:18,159

very high number when I finally got the

1816

01:32:24,200 --> 01:32:20,500

first chapter from him it was written

1817

01:32:26,939 --> 01:32:24,210

out by hand on yellow legal pad

1818

01:32:29,459 --> 01:32:26,949

single-spaced and I called to his

1819

01:32:32,549 --> 01:32:29,469

attention that was not our agreement no

1820

01:32:35,149 --> 01:32:32,559

sorry man I forgot I worked around it

1821

01:32:38,100 --> 01:32:35,159

and with it as well as I could it was

1822

01:32:40,319 --> 01:32:38,110

not very good Larry got better as the

1823

01:32:42,850 --> 01:32:40,329

writers we went on but the early

1824

01:32:46,840 --> 01:32:42,860

chapters were not well written

1825

01:32:50,440 --> 01:32:46,850

I made a large number of suggested

1826

01:32:52,030 --> 01:32:50,450

changes in my own handwriting squeezing

1827

01:32:55,300 --> 01:32:52,040

it in where I could because it was

1828

01:32:57,490 --> 01:32:55,310

single spaced the huge majority of which

1829

01:33:01,830 --> 01:32:57,500

he okayed and you will see in left at

1830

01:33:04,300 --> 01:33:01,840

Eastgate the second one was handed in

1831

01:33:07,030 --> 01:33:04,310

after agreeing yes you know give you

1832

01:33:10,350 --> 01:33:07,040

double space type single spaced written

1833

01:33:13,240 --> 01:33:10,360

and once again I said this was not okay

1834

01:33:15,910 --> 01:33:13,250

it was with that second one he basically

1835

01:33:17,500 --> 01:33:15,920

said I don't even have the money for a

1836

01:33:20,130 --> 01:33:17,510

computer this is the way it's going to

1837

01:33:24,040 --> 01:33:20,140

be like it or not take it or leave it I

1838

01:33:28,890 --> 01:33:24,050

wanted to help tell that story it ran my

1839

01:33:33,850 --> 01:33:28,900

life for years and I basically you know

1840

01:33:37,210 --> 01:33:33,860

agreed unhappily and did it so every

1841

01:33:39,190 --> 01:33:37,220

single chapter that Larry wrote that's

1842

01:33:42,880 --> 01:33:39,200

in left that he escaped the first draft

1843

01:33:48,730 --> 01:33:42,890

is not typed it's longhand with all of

1844

01:33:53,470 --> 01:33:48,740

my suggested changes on it I also have

1845

01:33:55,780 --> 01:33:53,480

every single note and letter and card or

1846

01:33:57,850 --> 01:33:55,790

whatever he ever wrote and gave me or

1847

01:34:00,910 --> 01:33:57,860

sent to me I guess what I'm saying here

1848

01:34:03,340 --> 01:34:00,920

is next to Larry Warren I probably have

1849

01:34:06,430 --> 01:34:03,350

the largest collection of Larry Warren's

1850

01:34:10,060 --> 01:34:06,440

handwriting in the world it's in a box

1851  
01:34:11,500 --> 01:34:10,070  
in storage where it's been for years but

1852  
01:34:13,690 --> 01:34:11,510  
I've been thinking and I'm gonna say it

1853  
01:34:16,630 --> 01:34:13,700  
here now I'm loaning you all of this

1854  
01:34:19,840 --> 01:34:16,640  
material Sasha I want you to scan it so

1855  
01:34:21,850 --> 01:34:19,850  
you have a permanent record I want for

1856  
01:34:24,310 --> 01:34:21,860  
any verification purposes for as long as

1857  
01:34:27,070 --> 01:34:24,320  
you need it to draw from this huge

1858  
01:34:28,570 --> 01:34:27,080  
archive which spans years of his

1859  
01:34:33,670 --> 01:34:28,580  
handwriting

1860  
01:34:38,470 --> 01:34:33,680  
his you know quirky syntaxes classic

1861  
01:34:41,140 --> 01:34:38,480  
spelling errors etc etc and the flowery

1862  
01:34:44,440 --> 01:34:41,150  
complains and says that this is his and

1863  
01:34:48,190 --> 01:34:44,450

that he should be having it returned to

1864

01:34:49,930 --> 01:34:48,200

him I will respond by saying no it's not

1865

01:34:52,270 --> 01:34:49,940

yours it's mine

1866

01:34:55,180 --> 01:34:52,280

you made me work for it you absolutely

1867

01:34:55,860 --> 01:34:55,190

violated our agreement by forcing me to

1868

01:34:59,730 --> 01:34:55,870

have the X

1869

01:35:03,720 --> 01:34:59,740

to work and you've never wanted it back

1870

01:35:07,530 --> 01:35:03,730

if he wants I'll be happy to make copies

1871

01:35:10,620 --> 01:35:07,540

for him as well and if he will pay for

1872

01:35:14,310 --> 01:35:10,630

the postage I will be happy to send it

1873

01:35:15,810 --> 01:35:14,320

to him so that he has records of the

1874

01:35:18,330 --> 01:35:15,820

things that you will have a record of

1875

01:35:22,800 --> 01:35:18,340

and at a certain point should be made

1876

01:35:27,840 --> 01:35:22,810

public and go on one thank you very much

1877

01:35:29,790 --> 01:35:27,850

I will do all of that and more I'm kind

1878

01:35:31,680 --> 01:35:29,800

of hoping that little scribbled now or

1879

01:35:36,150 --> 01:35:31,690

what however it was presented to you

1880

01:35:47,460 --> 01:35:36,160

that he forged that steve la plue

1881

01:35:49,170 --> 01:35:47,470

broats yes but he will happily say

1882

01:35:53,130 --> 01:35:49,180

whether that's his or not unsure some

1883

01:35:55,860 --> 01:35:53,140

handwriting samples of his own well

1884

01:35:57,240 --> 01:35:55,870

because he's been you know very angry

1885

01:35:59,730 --> 01:35:57,250

about some of the things that have been

1886

01:36:01,320 --> 01:35:59,740

said and done oh no he's been very open

1887

01:36:03,720 --> 01:36:01,330

of course

1888

01:36:07,650 --> 01:36:03,730

Larry's accused him of lying as well oh

1889

01:36:11,850 --> 01:36:07,660

yeah but actually got an amazing memory

1890

01:36:14,400 --> 01:36:11,860

and he's also one of the most honorable

1891

01:36:17,070 --> 01:36:14,410

and firstly moral people I know I mean

1892

01:36:18,870 --> 01:36:17,080

he is a Christian word indeed and

1893

01:36:22,890 --> 01:36:18,880

somebody who got his life straight after

1894

01:36:24,900 --> 01:36:22,900

a lot of years of being half crazy I

1895

01:36:26,310 --> 01:36:24,910

have tremendous admiration for him and

1896

01:36:28,530 --> 01:36:26,320

for those people that are not aware of

1897

01:36:32,420 --> 01:36:28,540

we're talking about let me take a minute

1898

01:36:34,650 --> 01:36:32,430

or two to lay it out and the updated

1899

01:36:37,170 --> 01:36:34,660

expanded version of left that he escaped

1900

01:36:41,630 --> 01:36:37,180

published in 2005 the version that many

1901

01:36:45,630 --> 01:36:41,640

people have from Cosmo press in New York

1902

01:36:47,970 --> 01:36:45,640

the additions to the book this is the

1903

01:36:51,030 --> 01:36:47,980

way that print-on-demand works it's a

1904

01:36:53,610 --> 01:36:51,040

little annoying but it's cheaper all of

1905

01:36:55,880 --> 01:36:53,620

the updates are not where they should be

1906

01:36:59,550 --> 01:36:55,890

you know in sequence of the chronology

1907

01:37:01,850 --> 01:36:59,560

of the story or where they you know

1908

01:37:06,750 --> 01:37:01,860

makes sense they're all up front and

1909

01:37:09,180 --> 01:37:06,760

there's essentially a note to readers

1910

01:37:09,810 --> 01:37:09,190

that they might want to bypass all of

1911

01:37:11,610 --> 01:37:09,820

this material

1912

01:37:14,610 --> 01:37:11,620

and then come back to it at the end

1913

01:37:19,320 --> 01:37:14,620

where it logically fits in some people

1914

01:37:21,050 --> 01:37:19,330

do some people don't not long after the

1915

01:37:24,230 --> 01:37:21,060

book was published and after our

1916

01:37:27,120 --> 01:37:24,240

triumphant tour of the United Kingdom

1917

01:37:29,850 --> 01:37:27,130

and then returning a second time at the

1918

01:37:33,270 --> 01:37:29,860

end of the summer to speak at before a

1919

01:37:35,600 --> 01:37:33,280

conference Larry gave me once again

1920

01:37:41,360 --> 01:37:35,610

handwritten in his handwriting on a

1921

01:37:45,660 --> 01:37:41,370

number of sheets of regular legal pad

1922

01:37:48,960 --> 01:37:45,670

excerpts from letters and emails that he

1923

01:37:52,170 --> 01:37:48,970

said that he had received from a number

1924

01:37:57,660 --> 01:37:52,180

of the men who were either in the book

1925

01:38:02,580 --> 01:37:57,670

or were legitimately you know there at

1926

01:38:04,260 --> 01:38:02,590

the time I received several also most of

1927

01:38:08,090 --> 01:38:04,270

them of course went till hereas would

1928

01:38:12,390 --> 01:38:08,100

have been appropriate why he didn't

1929

01:38:16,440 --> 01:38:12,400

simply make copies of any letters that

1930

01:38:18,570 --> 01:38:16,450

had come in to him or print out emails I

1931

01:38:22,170 --> 01:38:18,580

didn't really question you know he

1932

01:38:26,010 --> 01:38:22,180

wanted to write it out fine I could oh

1933

01:38:28,460 --> 01:38:26,020

yes it's all okay now one or two of them

1934

01:38:31,580 --> 01:38:28,470

I verified and indeed they were accurate

1935

01:38:35,610 --> 01:38:31,590

the one that comes to my mind right now

1936

01:38:38,210 --> 01:38:35,620

was a gentleman who I don't think was

1937

01:38:42,540 --> 01:38:38,220

mentioned in the book but Timothy agaric

1938

01:38:45,060 --> 01:38:42,550

was on site at the time may have been in

1939

01:38:46,830 --> 01:38:45,070

the weapons storage area at the time but

1940

01:38:48,780 --> 01:38:46,840

he verified a certain amount of this is

1941

01:38:51,210 --> 01:38:48,790

and that's and that's and we correspond

1942

01:38:54,540 --> 01:38:51,220

it a bit one of the things was from

1943

01:38:58,380 --> 01:38:54,550

Steve lipu who was also a security cop

1944

01:39:01,440 --> 01:38:58,390

also D Flight as I recall not involved

1945

01:39:04,700 --> 01:39:01,450

on the night Larry says he was but had

1946

01:39:08,340 --> 01:39:04,710

his own UFO incident some weeks later

1947

01:39:12,680 --> 01:39:08,350

that had a tremendously negative impact

1948

01:39:15,300 --> 01:39:12,690

on women and to leave the service anyway

1949

01:39:19,140 --> 01:39:15,310

I'm not even going to take the time to

1950

01:39:20,820 --> 01:39:19,150

pull it out but you know G X number of

1951

01:39:22,610 --> 01:39:20,830

years really blew by and I'm glad

1952

01:39:25,130 --> 01:39:22,620

somebody wrote about this

1953

01:39:26,630 --> 01:39:25,140

and you know you're right I remember the

1954

01:39:28,550 --> 01:39:26,640

debriefing you know the guy saying

1955

01:39:31,070 --> 01:39:28,560

bullets are cheap you know if only blah

1956

01:39:34,430 --> 01:39:31,080

blah blah okay great

1957

01:39:37,760 --> 01:39:34,440

it was fell on me to organize all of

1958

01:39:39,650 --> 01:39:37,770

this material and I started literally

1959

01:39:43,220 --> 01:39:39,660

the day after we handed the manuscript

1960

01:39:46,760 --> 01:39:43,230

in 1996 just opened a new file you know

1961

01:39:49,940 --> 01:39:46,770

new stuff on Rendlesham and much of it

1962

01:39:53,180 --> 01:39:49,950

went into the revised updated edition of

1963

01:39:55,160 --> 01:39:53,190

the book so the book is published I've

1964

01:39:56,180 --> 01:39:55,170

been corresponding for Steve with years

1965

01:39:58,430 --> 01:39:56,190

for years

1966

01:40:00,140 --> 01:39:58,440

we then meet each other in New York City

1967

01:40:02,240 --> 01:40:00,150

his older daughter is looking at

1968

01:40:04,370 --> 01:40:02,250

colleges he's been living in China all

1969

01:40:07,550 --> 01:40:04,380

right a woman there and had two lovely

1970

01:40:10,400 --> 01:40:07,560

daughters marriage got divorce custody

1971

01:40:13,310 --> 01:40:10,410

of the kids and he and they are in the

1972

01:40:16,220 --> 01:40:13,320

States now anyway our friendship became

1973

01:40:21,410 --> 01:40:16,230

more cordial and then sometime after

1974

01:40:23,090 --> 01:40:21,420

that he agreed to speak on his

1975

01:40:25,060 --> 01:40:23,100

experiences and memories and thoughts

1976

01:40:27,050 --> 01:40:25,070

regarding his own experience and

1977

01:40:29,510 --> 01:40:27,060

reflections on the greater one but

1978

01:40:33,830 --> 01:40:29,520

mostly his own and it was a particularly

1979

01:40:36,230 --> 01:40:33,840

memorable and poignant talk he had only

1980

01:40:40,210 --> 01:40:36,240

spoken publicly one time before and it

1981

01:40:43,880 --> 01:40:40,220

was with Larry at a MUFON meeting in

1982

01:40:47,780 --> 01:40:43,890

Massachusetts in 1984 I think so here we

1983

01:40:51,260 --> 01:40:47,790

are now this is maybe four years five

1984

01:40:53,690 --> 01:40:51,270

years ago whatever and it's in his

1985

01:40:56,300 --> 01:40:53,700

hometown that's the thing a place called

1986

01:40:58,790 --> 01:40:56,310

Leominster Massachusetts which now has

1987

01:41:01,160 --> 01:40:58,800

an annual UFO conference so the people

1988

01:41:03,620 --> 01:41:01,170

in that audience in many cases were

1989

01:41:06,320 --> 01:41:03,630

people who knew him from the time he was

1990

01:41:08,540 --> 01:41:06,330

born people who went to high school with

1991

01:41:12,130 --> 01:41:08,550

his sister who's a retired police

1992

01:41:15,710 --> 01:41:12,140

officer in town it was very poignant and

1993

01:41:19,130 --> 01:41:15,720

after we were talking I was really quite

1994

01:41:22,510 --> 01:41:19,140

knocked out by his talk and I gave him a

1995

01:41:25,190 --> 01:41:22,520

copy of left that he's gay as a gift

1996

01:41:27,230 --> 01:41:25,200

Steve reacts Steve's reaction and says

1997

01:41:30,560 --> 01:41:27,240

something about him and his character

1998

01:41:34,130 --> 01:41:30,570

was thank you and I'm gonna hold off on

1999

01:41:36,020 --> 01:41:34,140

reading it why well I know that Colonel

2000

01:41:39,020 --> 01:41:36,030

halt is working on a book

2001

01:41:40,790 --> 01:41:39,030

and I'm trying not to take I'm not

2002

01:41:42,800 --> 01:41:40,800

taking sides here I want to read his

2003

01:41:44,180 --> 01:41:42,810

book and evaluate it and want to read

2004

01:41:46,910 --> 01:41:44,190

you as a Larry book and I'm evaluating

2005

01:41:51,560 --> 01:41:46,920

so I'm gonna wait until Colonel Hoff's

2006

01:41:53,420 --> 01:41:51,570

book comes out his book took another two

2007

01:41:56,840 --> 01:41:53,430

or three years to come out as I recall

2008

01:42:01,040 --> 01:41:56,850

be that as it may I go home Steve goes

2009

01:42:03,920 --> 01:42:01,050

home and a few days later I get an email

2010

01:42:07,640 --> 01:42:03,930

from him and granted we have a history

2011

01:42:09,710 --> 01:42:07,650

of communicating goes back years this

2012

01:42:12,260 --> 01:42:09,720

was not like any email that I had ever

2013

01:42:14,830 --> 01:42:12,270

received from him and I really had an

2014

01:42:18,170 --> 01:42:14,840

impact on me the gist of it was even

2015

01:42:20,000 --> 01:42:18,180

though I said I wasn't going to start

2016

01:42:23,800 --> 01:42:20,010

reading your and Larry's book until I

2017

01:42:28,130 --> 01:42:23,810

got halts book I was curious so I read

2018

01:42:32,870 --> 01:42:28,140

the the new stuff the added stuff first

2019

01:42:35,870 --> 01:42:32,880

I just wanted you to know I have no

2020

01:42:40,190 --> 01:42:35,880

intention at this point of reading the

2021

01:42:42,710 --> 01:42:40,200

rest of your book I really have to say

2022

01:42:44,510 --> 01:42:42,720

I'm very disappointed in you I'm what

2023

01:42:48,080 --> 01:42:44,520

respect I had for you I don't have any

2024

01:42:50,660 --> 01:42:48,090

more and I won't be contacting you again

2025

01:42:54,140 --> 01:42:50,670

don't contact me again it was that kind

2026

01:42:56,330 --> 01:42:54,150

of email I was mortified I mean I really

2027

01:42:58,010 --> 01:42:56,340

like the guy he's a good I thought he

2028

01:43:01,490 --> 01:42:58,020

was a friend at that point we had a real

2029

01:43:02,930 --> 01:43:01,500

rapport it's really wonderful to see how

2030

01:43:05,180 --> 01:43:02,940

he'd gotten his life together at that

2031

01:43:08,150 --> 01:43:05,190

point and I immediately wrote him back

2032

01:43:10,730 --> 01:43:08,160

asking him what he didn't want to talk

2033

01:43:12,650 --> 01:43:10,740

about it but finally on the second email

2034

01:43:16,040 --> 01:43:12,660

please tell me what I've done and what

2035

01:43:18,500 --> 01:43:16,050

he told me was this I got to the point

2036

01:43:21,500 --> 01:43:18,510

where you're talking about

2037

01:43:23,090 --> 01:43:21,510

after your book came out in 97 that

2038

01:43:25,790 --> 01:43:23,100

people started writing to you and Larry

2039

01:43:29,600 --> 01:43:25,800

guys you know who I knew who they were

2040

01:43:33,770 --> 01:43:29,610

who were involved and then you quote me

2041

01:43:37,160 --> 01:43:33,780

and you say that I wrote what's credited

2042

01:43:39,170 --> 01:43:37,170

to me in the book I never wrote Larry I

2043

01:43:40,160 --> 01:43:39,180

never wrote you I never wrote anything

2044

01:43:44,740 --> 01:43:40,170

like that

2045

01:43:49,180 --> 01:43:44,750

I thought oh my god my first thought was

2046

01:43:50,979 --> 01:43:49,190

because I take responsibility

2047

01:43:54,189 --> 01:43:50,989

things that I think I should take

2048

01:43:56,920 --> 01:43:54,199

responsibility for I'm the guy that put

2049

01:44:00,670 --> 01:43:56,930

it all together what did I do wrong

2050

01:44:04,360 --> 01:44:00,680

how did I screw this up and I went

2051

01:44:06,820 --> 01:44:04,370

through all of my notes I I couldn't

2052

01:44:10,689 --> 01:44:06,830

figure it out I mean I had Larry's

2053

01:44:11,950 --> 01:44:10,699

original writing with him there and then

2054

01:44:15,450 --> 01:44:11,960

I got it

2055

01:44:17,800 --> 01:44:15,460

I thought oh my god either he or I

2056

01:44:19,450 --> 01:44:17,810

Larry's dyslexic in some ways i'm

2057

01:44:24,729 --> 01:44:19,460

dyslexic in other ways a lot of people

2058

01:44:28,030 --> 01:44:24,739

are I thought wow there were two Steve

2059

01:44:30,760 --> 01:44:28,040

ELLs Steve's with the first with the

2060

01:44:33,820 --> 01:44:30,770

last initial L who were involved in this

2061

01:44:37,020 --> 01:44:33,830

story even peripherally there was Steve

2062

01:44:42,010 --> 01:44:37,030

look loom and there was Steve Leung zero

2063

01:44:44,110 --> 01:44:42,020

who was not with Larry in that circle of

2064

01:44:48,729 --> 01:44:44,120

men Larry was alleging but he was out

2065

01:44:53,170 --> 01:44:48,739

there and he was I think taken full

2066

01:44:55,689 --> 01:44:53,180

advantage of by being a highly touted

2067

01:44:57,340 --> 01:44:55,699

speaker at Gary's last conference I'm

2068

01:44:59,740 --> 01:44:57,350

sure he had a great time who wouldn't

2069

01:45:02,770 --> 01:44:59,750

free trip to England and all but I

2070

01:45:05,590 --> 01:45:02,780

thought well that's it somehow it was

2071

01:45:07,959 --> 01:45:05,600

Steve Leung Jarrow who wrote that to

2072

01:45:10,510 --> 01:45:07,969

Larry and I screwed it up somehow God

2073

01:45:13,030 --> 01:45:10,520

how could I do that but I did how what

2074

01:45:16,120 --> 01:45:13,040

else could be the answer and I contacted

2075

01:45:18,580 --> 01:45:16,130

Steve's lawn Jarrow who I also had a

2076

01:45:21,400 --> 01:45:18,590

rapport with at that point but I'm a

2077

01:45:23,260 --> 01:45:21,410

little more superficial you know we were

2078

01:45:26,140 --> 01:45:23,270

back and forth to each other every year

2079

01:45:29,620 --> 01:45:26,150

or two years how's the family

2080

01:45:33,010 --> 01:45:29,630

primarily through being Facebook friends

2081

01:45:35,350 --> 01:45:33,020

and I contacted him and just said I

2082

01:45:39,250 --> 01:45:35,360

think I made a mistake in the book can

2083

01:45:41,320 --> 01:45:39,260

you confirm for me or deny that you

2084

01:45:43,810 --> 01:45:41,330

wrote or didn't write this thing that I

2085

01:45:45,100 --> 01:45:43,820

had ascribed to Steve La Plume and he

2086

01:45:48,670 --> 01:45:45,110

got right back to me said nope

2087

01:45:50,560 --> 01:45:48,680

wasn't me and it was then that I

2088

01:45:54,189 --> 01:45:50,570

realized that weren't completely faked

2089

01:45:56,950 --> 01:45:54,199

it it was total bull and it was

2090

01:45:59,320 --> 01:45:56,960

something that he added in with some of

2091

01:46:00,970 --> 01:45:59,330

the ones that he had in fact gotten that

2092

01:46:02,430 --> 01:46:00,980

were authentic I haven't checked them

2093

01:46:07,080 --> 01:46:02,440

all out maybe some of them aren't

2094

01:46:12,690 --> 01:46:07,090

some of them are that one wasn't one

2095

01:46:17,400 --> 01:46:12,700

more line in the book insane so there's

2096

01:46:19,440 --> 01:46:17,410

another thing that you said that he'd

2097

01:46:30,180 --> 01:46:19,450

done you know I'm gonna because we've

2098

01:46:36,560 --> 01:46:30,190

got about let me see about twelve

2099

01:46:43,640 --> 01:46:38,790

he's there's a couple of things that he

2100

01:46:47,990 --> 01:46:43,650

said that he said now that his father

2101  
01:46:52,770 --> 01:46:48,000  
was a legal guy in the music industry

2102  
01:46:58,440 --> 01:46:52,780  
Larry's father yes as far as an

2103  
01:47:01,490 --> 01:46:58,450  
insurance adjuster right so a guy in the

2104  
01:47:08,010 --> 01:47:01,500  
insurance industry no it's a legal guy

2105  
01:47:11,010 --> 01:47:08,020  
yeah that is how he met John Lennon as a

2106  
01:47:14,190 --> 01:47:11,020  
child he's gone from never meeting him

2107  
01:47:16,620 --> 01:47:14,200  
so every man for three times so told me

2108  
01:47:19,350 --> 01:47:16,630  
when I pushed him on and he told me he

2109  
01:47:21,780 --> 01:47:19,360  
met John Lennon the first time through

2110  
01:47:27,150 --> 01:47:21,790  
his dad but know his dad was always a

2111  
01:47:29,490 --> 01:47:27,160  
very respected adjuster of insurance

2112  
01:47:31,560 --> 01:47:29,500  
situations and the example Larry gave me

2113  
01:47:34,110 --> 01:47:31,570

which left me with endless respect for

2114

01:47:36,600 --> 01:47:34,120

his dad was some of your listeners may

2115

01:47:40,200 --> 01:47:36,610

remember I don't know 30 years ago and

2116

01:47:42,180 --> 01:47:40,210

longer there was a volcanic eruption I

2117

01:47:44,130 --> 01:47:42,190

think in the Philippines and the

2118

01:47:47,220 --> 01:47:44,140

Americans had had a base there since

2119

01:47:50,070 --> 01:47:47,230

world war ii called Subic Bay if I'm

2120

01:47:52,050 --> 01:47:50,080

remembering correctly and the base was

2121

01:47:55,020 --> 01:47:52,060

totaled I mean it was just basically

2122

01:47:59,610 --> 01:47:55,030

covered with lava and ash and they had

2123

01:48:04,110 --> 01:47:59,620

to establish the loss and his father so

2124

01:48:07,110 --> 01:48:04,120

Larry told me led the team of insurance

2125

01:48:09,660 --> 01:48:07,120

adjusters that are qualified to come up

2126  
01:48:11,280 --> 01:48:09,670  
with numbers like that which I obviously

2127  
01:48:14,820 --> 01:48:11,290  
would be a very highly trained and

2128  
01:48:16,319 --> 01:48:14,830  
specialized job that is the only thing

2129  
01:48:19,020 --> 01:48:16,329  
that he has ever told

2130  
01:48:21,510 --> 01:48:19,030  
that he ever told me about his father's

2131  
01:48:23,609 --> 01:48:21,520  
career certainly no involvement in the

2132  
01:48:24,959 --> 01:48:23,619  
law and no involvement in the music

2133  
01:48:26,609 --> 01:48:24,969  
industry but of course that probably

2134  
01:48:31,589 --> 01:48:26,619  
something he was saving for his next

2135  
01:48:34,109 --> 01:48:31,599  
book he said he met Jonathan as a child

2136  
01:48:38,970 --> 01:48:34,119  
and then but you know we know that in

2137  
01:48:41,819 --> 01:48:38,980  
the in 2011 he had a hat and glasses for

2138  
01:48:44,189 --> 01:48:41,829

sale it went in NME and where he quoted

2139

01:48:46,109 --> 01:48:44,199

that he was a bodyguard for John then in

2140

01:48:48,629 --> 01:48:46,119

the picture that he put on Facebook he

2141

01:48:52,370 --> 01:48:48,639

wasn't bodyguard for John that's right

2142

01:48:56,010 --> 01:48:52,380

yeah close protection of security and

2143

01:48:57,990 --> 01:48:56,020

yeah and then he said but he met him at

2144

01:49:00,209 --> 01:48:58,000

Cafe Fortuna two days before he was

2145

01:49:06,030 --> 01:49:00,219

supposed to come into Bentwaters because

2146

01:49:20,040 --> 01:49:06,040

he's fine everybody who takes pictures

2147

01:49:27,450 --> 01:49:20,050

of Larry and famous people so his first

2148

01:49:30,359 --> 01:49:27,460

wedding to Cindy Steve was first see he

2149

01:49:37,350 --> 01:49:30,369

was at the evening dew and there was no

2150

01:49:40,379 --> 01:49:37,360

mention of so I'm gonna check the date

2151  
01:49:41,819 --> 01:49:40,389  
on this because I don't know 1986 just

2152  
01:49:45,810 --> 01:49:41,829  
before about he wasn't there and you

2153  
01:49:51,319 --> 01:49:45,820  
know what he was doing what you 86 right

2154  
01:49:59,189 --> 01:49:56,000  
shake hands and say hi after he gave his

2155  
01:50:01,740 --> 01:49:59,199  
public account had a break during an

2156  
01:50:03,990 --> 01:50:01,750  
open meeting on the Westchester New York

2157  
01:50:06,689 --> 01:50:04,000  
UFO sightings then that was three years

2158  
01:50:09,689 --> 01:50:06,699  
till we actually meant so yeah we met in

2159  
01:50:12,839 --> 01:50:09,699  
passing in 84 then we met in earnest the

2160  
01:50:15,600 --> 01:50:12,849  
summer of 87 when we decided shortly

2161  
01:50:21,270 --> 01:50:15,610  
after two I would accept his invitation

2162  
01:50:24,270 --> 01:50:21,280  
to work on the book with him contact

2163  
01:50:29,729 --> 01:50:27,870

Bob Jovi and he was at a party was on

2164

01:50:31,709 --> 01:50:29,739

this stage and he was a

2165

01:50:32,940 --> 01:50:31,719

Carlin and Whitehurst because there one

2166

01:50:34,440 --> 01:50:32,950

Mississippi Alliance airplane but they

2167

01:50:35,820 --> 01:50:34,450

were never going to be in like Zeppelin

2168

01:50:39,570 --> 01:50:35,830

so they're this big

2169

01:50:42,300 --> 01:50:39,580

Zeppelin party and you know they

2170

01:50:43,950 --> 01:50:42,310

emulated the infamous Zeppelin party

2171

01:50:46,620 --> 01:50:43,960

which obviously it wary will have beena

2172

01:50:51,000 --> 01:50:46,630

because he was that our publicist even

2173

01:50:52,950 --> 01:50:51,010

though he's like a child so yeah also he

2174

01:50:56,760 --> 01:50:52,960

did live a did you know my it was a live

2175

01:51:03,560 --> 01:50:56,770

version philadelphia backstage i was i

2176  
01:51:09,860 --> 01:51:07,340  
yeah oh oh the beautiful thing about the

2177  
01:51:12,959 --> 01:51:09,870  
[Music]

2178  
01:51:15,630 --> 01:51:12,969  
Atlantic Records gig was that when he

2179  
01:51:18,209 --> 01:51:15,640  
was studying the queue in the for a beer

2180  
01:51:20,310 --> 01:51:18,219  
Henry Kissinger was stood behind him and

2181  
01:51:27,300 --> 01:51:20,320  
he looked over and he saw David Gilmer

2182  
01:51:37,920 --> 01:51:27,310  
with a tear in his eye what a memory no

2183  
01:51:39,720 --> 01:51:37,930  
no 1993 I just bombed around for seven

2184  
01:51:41,430 --> 01:51:39,730  
years until he moved to England sir

2185  
01:51:46,229 --> 01:51:41,440  
how was he working for at once it

2186  
01:51:49,080 --> 01:51:46,239  
records but of course all of you know

2187  
01:51:51,229 --> 01:51:49,090  
see what you kind of like do the math it

2188  
01:51:58,080 --> 01:51:51,239

boggles the mind

2189

01:52:00,330 --> 01:51:58,090

steel industry as well but then he said

2190

01:52:03,870 --> 01:52:00,340

what that thing that I did it's kill me

2191

01:52:06,420 --> 01:52:03,880

I did that but I didn't like it no you

2192

01:52:10,050 --> 01:52:06,430

had on stage that you were there in your

2193

01:52:14,760 --> 01:52:10,060

capacity as consultant in the steel

2194

01:52:16,830 --> 01:52:14,770

industry and then he said I was in that

2195

01:52:21,450 --> 01:52:16,840

pit with my brother who works for the

2196

01:52:24,620 --> 01:52:21,460

CIA and we recovered the bodies of nine

2197

01:52:34,050 --> 01:52:29,750

what are you heroic now I understand now

2198

01:52:36,840 --> 01:52:34,060

because I've learned since that over

2199

01:52:39,770 --> 01:52:36,850

that period of time that he was in New

2200

01:52:42,180 --> 01:52:39,780

York working at Ground Zero and

2201  
01:52:43,439 --> 01:52:42,190  
recovering all those bodies and helping

2202  
01:52:49,560 --> 01:52:43,449  
everybody out

2203  
01:52:50,729 --> 01:52:49,570  
he was living in the Bronx and that one

2204  
01:52:54,660 --> 01:52:50,739  
little detail

2205  
01:52:59,520 --> 01:52:54,670  
among others troubles me which is I was

2206  
01:53:02,129 --> 01:52:59,530  
on Manhattan when those planes hit that

2207  
01:53:06,509 --> 01:53:02,139  
was a neighborhood that I knew well I

2208  
01:53:08,969 --> 01:53:06,519  
had friends in the building Larry was by

2209  
01:53:11,549 --> 01:53:08,979  
then living in Liverpool and married to

2210  
01:53:14,580 --> 01:53:11,559  
sue do we know how much time he took off

2211  
01:53:17,549 --> 01:53:14,590  
from his important life in Liverpool to

2212  
01:53:20,790 --> 01:53:17,559  
be in New York City he made four trips

2213  
01:53:24,810 --> 01:53:20,800

to New York four separate trips in New

2214

01:53:28,350 --> 01:53:24,820

York between October and March 2001 now

2215

01:53:29,759 --> 01:53:28,360

I think that he means October not 2001

2216

01:53:34,319 --> 01:53:29,769

yeah that's right

2217

01:53:41,939 --> 01:53:34,329

October 2001 and March 2002 a wonderful

2218

01:53:44,279 --> 01:53:41,949

flew him over and back now isn't he

2219

01:53:49,109 --> 01:53:44,289

isn't he on the record as saying that he

2220

01:53:50,580 --> 01:53:49,119

and I had lunch one of those you know

2221

01:53:56,250 --> 01:53:50,590

I'm getting old and I don't remember

2222

01:53:57,870 --> 01:53:56,260

everything but I think also yes oh no

2223

01:53:59,819 --> 01:53:57,880

question you'll have them and you'll see

2224

01:54:02,339 --> 01:53:59,829

that there are no entries for that the

2225

01:54:08,729 --> 01:54:02,349

other thing is and I'd like to pose this

2226

01:54:11,040 --> 01:54:08,739

as an invitation to Larry so that you

2227

01:54:14,250 --> 01:54:11,050

and I can get straight with the truth

2228

01:54:17,489 --> 01:54:14,260

and offer our public apologies to him

2229

01:54:19,080 --> 01:54:17,499

for basically having you know a little

2230

01:54:21,750 --> 01:54:19,090

fun at the expense of his outrageous

2231

01:54:25,649 --> 01:54:21,760

lies here and I'm being serious here now

2232

01:54:29,339 --> 01:54:25,659

if he came and left four times then his

2233

01:54:32,580 --> 01:54:29,349

passport from that period of time has

2234

01:54:35,339 --> 01:54:32,590

entry and exit stamps from the UK and

2235

01:54:38,729 --> 01:54:35,349

the United States covering that period

2236

01:54:42,359 --> 01:54:38,739

he can resolve this for us in a moment

2237

01:54:45,719 --> 01:54:42,369

and I know I will be the first to make

2238

01:54:49,080 --> 01:54:45,729

my public absolutely heartfelt apologies

2239

01:54:51,299 --> 01:54:49,090

and reevaluate everything that you know

2240

01:54:55,439 --> 01:54:51,309

derogatory people like you have led me

2241

01:54:57,330 --> 01:54:55,449

to believe about him if he simply has

2242

01:55:01,200 --> 01:54:57,340

somebody with a smartphone

2243

01:55:04,919 --> 01:55:01,210

or a camera film him showing us the

2244

01:55:10,620 --> 01:55:04,929

passport opening it up he can certainly

2245

01:55:13,320 --> 01:55:10,630

you know take a piece of a post-it and

2246

01:55:15,510 --> 01:55:13,330

cover whatever numbers passport number

2247

01:55:18,359 --> 01:55:15,520

whatever we shouldn't be seeing and then

2248

01:55:21,930 --> 01:55:18,369

turn the pages so that we see those

2249

01:55:24,240 --> 01:55:21,940

stamps now I'm going to guess of course

2250

01:55:26,160 --> 01:55:24,250

that he will never address this

2251

01:55:30,149 --> 01:55:26,170

it will never be something that it

2252

01:55:33,359 --> 01:55:30,159

responds to but if he did somebody's dog

2253

01:55:35,760 --> 01:55:33,369

ate it it was destroyed in a flood in

2254

01:55:38,459 --> 01:55:35,770

somebody's basement it was confiscated

2255

01:55:43,439 --> 01:55:38,469

because of the high-security nature was

2256

01:55:46,320 --> 01:55:43,449

a special passport discharge code and

2257

01:55:48,570 --> 01:55:46,330

that it's an eyes-only kind of thing it

2258

01:55:52,439 --> 01:55:48,580

would be so easy for him to rectify

2259

01:55:55,919 --> 01:55:52,449

these outrageous claims by simply making

2260

01:55:58,530 --> 01:55:55,929

good and proving to us and everybody

2261

01:56:01,919 --> 01:55:58,540

listening and everybody who follows this

2262

01:56:06,030 --> 01:56:01,929

story that we're wrong and that he's

2263

01:56:09,000 --> 01:56:06,040

right and that I made a big mistake when

2264

01:56:11,729 --> 01:56:09,010

I veered off the true course and stopped

2265

01:56:15,540 --> 01:56:11,739

championing his cause and I will also of

2266

01:56:19,410 --> 01:56:15,550

course owe a huge huge apology to Gary

2267

01:56:21,209 --> 01:56:19,420

Heseltine as well of course but it's

2268

01:56:26,280 --> 01:56:21,219

just one last thing I want to bring up

2269

01:56:28,800 --> 01:56:26,290

before we quit this he said in the video

2270

01:56:30,810 --> 01:56:28,810

with Gary Heseltine that he wouldn't

2271

01:56:33,240 --> 01:56:30,820

know how he doesn't have any need for

2272

01:56:36,200 --> 01:56:33,250

signatures and he wouldn't know how I

2273

01:56:41,160 --> 01:56:36,210

would like to remind everybody of his

2274

01:56:44,160 --> 01:56:41,170

July post in 2017 the way he said they

2275

01:56:46,169 --> 01:56:44,170

are thirty years of dealing with rock

2276

01:56:48,870 --> 01:56:46,179  
and roll at the Hard Rock Cafe

2277

01:56:50,970 --> 01:56:48,880  
headquarters in Orlando dealing and

2278

01:56:53,550 --> 01:56:50,980  
making deals with the estates of very

2279

01:56:56,790 --> 01:56:53,560  
famous artists authenticating for major

2280

01:56:59,609 --> 01:56:56,800  
houses worldwide attending an FBI

2281

01:57:02,550 --> 01:56:59,619  
sponsored forensic handwriting school in

2282

01:57:05,160 --> 01:57:02,560  
New York City to understand the art of

2283

01:57:07,470 --> 01:57:05,170  
forgery I a learn to swap the eight

2284

01:57:09,959 --> 01:57:07,480  
markers of it and lastly sending people

2285

01:57:11,189 --> 01:57:09,969  
to prison for fraud then getting accused

2286

01:57:13,109 --> 01:57:11,199  
of all of the above by you

2287

01:57:15,330 --> 01:57:13,119  
Oh Charles whom knows Nero about the

2288

01:57:18,120 --> 01:57:15,340

business to start with these folks

2289

01:57:20,279 --> 01:57:18,130

specialize in Reverse facts and lay it

2290

01:57:23,189 --> 01:57:20,289

out for folks who know sono zero to

2291

01:57:26,549 --> 01:57:23,199

spout off about so this is where he's

2292

01:57:28,310 --> 01:57:26,559

sat on the UFO monument where he has

2293

01:57:30,839 --> 01:57:28,320

written himself the Jimi Hendrix

2294

01:57:33,479 --> 01:57:30,849

signature which is absolutely accurate

2295

01:57:36,209 --> 01:57:33,489

to Jimi Hendrix except the signature but

2296

01:57:38,370 --> 01:57:36,219

it's written in lipstick so the picture

2297

01:57:40,379 --> 01:57:38,380

below is a direct kick in the face for

2298

01:57:42,449 --> 01:57:40,389

the above-mentioned trolls who may have

2299

01:57:44,850 --> 01:57:42,459

told reported me to the UK government

2300

01:57:47,310 --> 01:57:44,860

for defacing a National Monument wall

2301  
01:57:49,500 --> 01:57:47,320  
you can't make this [h\_\_h] up folks first

2302  
01:57:51,989 --> 01:57:49,510  
how do they know I did it well he sat

2303  
01:57:54,270 --> 01:57:51,999  
there with linking with his thumb up I'm

2304  
01:57:56,609 --> 01:57:54,280  
told it's done in I'm told it's done in

2305  
01:58:00,029 --> 01:57:56,619  
lipstick he's sat there next to it thus

2306  
01:58:03,299 --> 01:58:00,039  
not permanent anyway as an expert in

2307  
01:58:05,699 --> 01:58:03,309  
SIG's of Jimi Hendrix and others I also

2308  
01:58:08,279 --> 01:58:05,709  
can see this signature does not even

2309  
01:58:18,509 --> 01:58:08,289  
pass three points of authentic of course

2310  
01:58:23,250 --> 01:58:18,519  
because he's been dead since 1969 Jimi

2311  
01:58:26,040 --> 01:58:23,260  
died in 70 in September all I can say is

2312  
01:58:27,779 --> 01:58:26,050  
I'm impressed FBI school I mean the

2313  
01:58:35,609 --> 01:58:27,789

guy's got credentials like nobody else

2314

01:58:40,799 --> 01:58:35,619

it's amazing and so silly and so out of

2315

01:58:43,259 --> 01:58:40,809

time two outs of otherwise we could have

2316

01:58:45,029 --> 01:58:43,269

used in something productive well I

2317

01:58:46,799 --> 01:58:45,039

think this was quite productive to be

2318

01:58:49,979 --> 01:58:46,809

honest because it dispels a lot of myths

2319

01:58:52,589 --> 01:58:49,989

and garrage can't just accept that oh

2320

01:58:55,379 --> 01:58:52,599

well if Larry says it it must be true

2321

01:58:57,930 --> 01:58:55,389

but it's not how a detective operates

2322

01:59:01,410 --> 01:58:57,940

there is critical thinking and he just

2323

01:59:05,219 --> 01:59:01,420

accepts him blindly is actually really

2324

01:59:07,770 --> 01:59:05,229

crap so we want people to look at your

2325

01:59:09,049 --> 01:59:07,780

blog and read this

2326

01:59:12,870 --> 01:59:09,059

[Music]

2327

01:59:15,449 --> 01:59:12,880

I've lost a page yeah well your new book

2328

01:59:17,910 --> 01:59:15,459

Peter Robbins investigative writer and

2329

01:59:20,160 --> 01:59:17,920

it's no no new book although I am

2330

01:59:22,140 --> 01:59:20,170

working on one that has nothing to do

2331

01:59:24,500 --> 01:59:22,150

with Rendlesham know what we're talking

2332

01:59:27,520 --> 01:59:24,510

about is a long stay

2333

01:59:30,380 --> 01:59:27,530

that I posted after evaluating the

2334

01:59:33,440 --> 01:59:30,390

evidence and after going through that

2335

01:59:35,810 --> 01:59:33,450

mortifying period of time of realizing

2336

01:59:37,960 --> 01:59:35,820

how wrong I had been and spending a year

2337

01:59:40,280 --> 01:59:37,970

and a half after publicly and privately

2338

01:59:42,530 --> 01:59:40,290

apologizing to individuals all over the

2339

01:59:45,170 --> 01:59:42,540

world for having helped to mislead them

2340

01:59:48,680 --> 01:59:45,180

now we're talking about a long post that

2341

01:59:51,979 --> 01:59:48,690

is still front and center on my website

2342

01:59:57,470 --> 01:59:51,989

posted a year and a half ago that you

2343

02:00:01,940 --> 01:59:57,480

simply need to go to Peter Robbins n Y

2344

02:00:04,790 --> 02:00:01,950

dot com it is a website very much in

2345

02:00:07,490 --> 02:00:04,800

need of updating but that piece is front

2346

02:00:10,700 --> 02:00:07,500

and center right there as for the more

2347

02:00:13,340 --> 02:00:10,710

recent response to the outrageous

2348

02:00:17,630 --> 02:00:13,350

anti-semitic attack on me

2349

02:00:20,270 --> 02:00:17,640

Sascha is making that available and we

2350

02:00:24,380 --> 02:00:20,280

will follow with interest the continuing

2351  
02:00:29,240 --> 02:00:24,390  
drama coming at us from Yorkshire and

2352  
02:00:30,920 --> 02:00:29,250  
Liverpool back on at some point and

2353  
02:00:33,620 --> 02:00:30,930  
probably talk about some more stuff to

2354  
02:00:34,940 --> 02:00:33,630  
do with what's going on but also about

2355  
02:00:47,180 --> 02:00:34,950  
what you're going to be doing in the

2356  
02:00:48,920 --> 02:00:47,190  
future yes no longer attached to Larry

2357  
02:00:50,690 --> 02:00:48,930  
Warren at the hip as you obviously have

2358  
02:00:52,550 --> 02:00:50,700  
been for the past 40 odd years or

2359  
02:00:54,500 --> 02:00:52,560  
however long it is but thank you for

2360  
02:00:57,800 --> 02:00:54,510  
coming on Peter and thank you for

2361  
02:01:02,720 --> 02:00:57,810  
helping unravel some more of this

2362  
02:01:04,760 --> 02:01:02,730  
nonsense and obviously with the material

2363  
02:01:07,430 --> 02:01:04,770

that you'll be sending me I will be able

2364

02:01:10,610 --> 02:01:07,440

to cross-reference all of his geek stuff

2365

02:01:12,229 --> 02:01:10,620

that he says he's been doing and many

2366

02:01:14,840 --> 02:01:12,239

other dates and things that he keeps

2367

02:01:16,750 --> 02:01:14,850

throwing around will be myths that have
