

1  
00:00:05,390 --> 00:00:02,810  
hello and welcome to paranormal

2  
00:00:08,059 --> 00:00:05,400  
mysteries on access Northwest community

3  
00:00:10,730 --> 00:00:08,069  
radio here in lovely Liverpool tonight

4  
00:00:12,770 --> 00:00:10,740  
my guest is Earl Grey Anderson who is

5  
00:00:15,259 --> 00:00:12,780  
move forms chief investigator and

6  
00:00:18,830 --> 00:00:15,269  
assistant State Director for Southern

7  
00:00:22,040 --> 00:00:18,840  
California he has personally closed 400

8  
00:00:24,259 --> 00:00:22,050  
UFO cases for MUFON and is also a member

9  
00:00:26,689 --> 00:00:24,269  
of Mullins experience a research team

10  
00:00:29,300 --> 00:00:26,699  
Earl is a professional musician

11  
00:00:31,600 --> 00:00:29,310  
songwriter and recording artist and

12  
00:00:35,209 --> 00:00:31,610  
works as the hands-on licensed nurse

13  
00:00:37,700 --> 00:00:35,219

earl is also a UFO witness himself and

14

00:00:40,670 --> 00:00:37,710

not only that his mother had a rather

15

00:00:44,030 --> 00:00:40,680

interesting job she was one of Howard he

16

00:00:46,010 --> 00:00:44,040

uses private secretaries and also works

17

00:00:49,069 --> 00:00:46,020

in a deep underground military base

18

00:00:50,020 --> 00:00:49,079

under the desert along with Wernher von

19

00:00:53,540 --> 00:00:50,030

Braun

20

00:00:55,549 --> 00:00:53,550

hello al welcome to the show hi Sasha

21

00:00:57,260 --> 00:00:55,559

how are you doing I'm alright I was

22

00:01:05,600 --> 00:00:57,270

falling over my words a bit there but we

23

00:01:07,969 --> 00:01:05,610

got there in the end so we've just

24

00:01:09,980 --> 00:01:07,979

recently started to get to know each

25

00:01:11,719 --> 00:01:09,990

other they haven't way on Facebook kind

26

00:01:16,160 --> 00:01:11,729

of being in each other's orbit for a

27

00:01:20,740 --> 00:01:16,170

while but due to recent revelations and

28

00:01:22,880 --> 00:01:20,750

whatnot we've kind of found ourselves in

29

00:01:27,260 --> 00:01:22,890

communication which has been rather

30

00:01:28,850 --> 00:01:27,270

interesting your mom well that was a bit

31

00:01:30,310 --> 00:01:28,860

of an interesting article that I read

32

00:01:33,530 --> 00:01:30,320

that you sent me

33

00:01:36,620 --> 00:01:33,540

hmm yeah my mom was really interesting

34

00:01:40,130 --> 00:01:36,630

and and often times people ask me how I

35

00:01:43,520 --> 00:01:40,140

ever got interested in UFOs and and

36

00:01:47,210 --> 00:01:43,530

really it's I'm sort of a second

37

00:01:49,340 --> 00:01:47,220

generation UFO person although my mom

38

00:01:51,770 --> 00:01:49,350

wouldn't have considered herself a UFO

39

00:01:54,730 --> 00:01:51,780

buff of any kind you know she just

40

00:01:57,980 --> 00:01:54,740

happened to know that it was a real

41

00:02:00,760 --> 00:01:57,990

anomalous thing that was happening that

42

00:02:04,249 --> 00:02:00,770

people were experiencing and seen and

43

00:02:06,670 --> 00:02:04,259

she she knows that she knew that the

44

00:02:13,220 --> 00:02:06,680

government was interested in them very

45

00:02:13,820 --> 00:02:13,230

interested and so you know it kind of it

46

00:02:16,700 --> 00:02:13,830

goes

47

00:02:18,920 --> 00:02:16,710

in hand growing up around that at a

48

00:02:21,200 --> 00:02:18,930

early age my mom started talking about

49

00:02:25,940 --> 00:02:21,210

her employment for her with Howard

50

00:02:27,710 --> 00:02:25,950

Hughes and and she you know she when she

51  
00:02:29,780 --> 00:02:27,720  
told me about working in the underground

52  
00:02:33,890 --> 00:02:29,790  
base she knew that she was breaking

53  
00:02:36,110 --> 00:02:33,900  
security oaths that she had taken but

54  
00:02:38,770 --> 00:02:36,120  
you know I was I was just maybe four

55  
00:02:41,060 --> 00:02:38,780  
years old when she first talked about it

56  
00:02:43,430 --> 00:02:41,070  
so I think that she kind of thought that

57  
00:02:46,130 --> 00:02:43,440  
I would forget about it that she would

58  
00:02:48,920 --> 00:02:46,140  
get a pass but she wanted to talk talk

59  
00:02:53,480 --> 00:02:48,930  
with somebody about it so I guess that I

60  
00:02:55,310 --> 00:02:53,490  
was it in communicating with my sister

61  
00:02:58,910 --> 00:02:55,320  
years later I found out that she never

62  
00:03:02,720 --> 00:02:58,920  
even told my sister about you know what

63  
00:03:06,110 --> 00:03:02,730

she had done but this sort of led my mom

64

00:03:08,240 --> 00:03:06,120

into a career she wound up working as a

65

00:03:12,920 --> 00:03:08,250

headhunter for Lockheed skunkworks

66

00:03:14,960 --> 00:03:12,930

Boeing Northrop Rockwell all the major

67

00:03:17,780 --> 00:03:14,970

aerospace groups and I think it's

68

00:03:21,199 --> 00:03:17,790

because you know they back when my mom

69

00:03:24,460 --> 00:03:21,209

got involved in this they were a little

70

00:03:27,470 --> 00:03:24,470

more lacs about about

71

00:03:29,270 --> 00:03:27,480

compartmentalization of things I don't

72

00:03:33,170 --> 00:03:29,280

think that that one person would have

73

00:03:36,350 --> 00:03:33,180

known as much as my mom knew back say in

74

00:03:38,630 --> 00:03:36,360

the mid-1970s when she started working

75

00:03:41,840 --> 00:03:38,640

as a headhunter for you know corporate

76  
00:03:43,550 --> 00:03:41,850  
headhunter for these aerospace groups so

77  
00:03:46,400 --> 00:03:43,560  
I think that they liked to sort of

78  
00:03:51,160 --> 00:03:46,410  
corral these people that knew stuff and

79  
00:03:54,110 --> 00:03:51,170  
keep them and use them and rather than

80  
00:03:56,449 --> 00:03:54,120  
exposing other people to the information

81  
00:03:59,030 --> 00:03:56,459  
that's above top secret we know you know

82  
00:04:02,390 --> 00:03:59,040  
it is above top secret more highly

83  
00:04:04,940 --> 00:04:02,400  
classified than the atomic bomb Wow I

84  
00:04:06,770 --> 00:04:04,950  
know they like to keep kind of cradle to

85  
00:04:10,190 --> 00:04:06,780  
grave policy going with people that they

86  
00:04:16,099 --> 00:04:10,200  
employ these days and I guess it was a

87  
00:04:17,210 --> 00:04:16,109  
little bit more kind of renegade I don't

88  
00:04:19,340 --> 00:04:17,220

think they knew what they were dealing

89

00:04:22,070 --> 00:04:19,350

with I know what they're dealing with

90

00:04:24,620 --> 00:04:22,080

now yeah I mean I think that you know

91

00:04:26,840 --> 00:04:24,630

when they're so effusive about their

92

00:04:27,650 --> 00:04:26,850

information and it's always soft

93

00:04:30,290 --> 00:04:27,660

disclosed

94

00:04:33,920 --> 00:04:30,300

you know it's it's for instance we got

95

00:04:37,700 --> 00:04:33,930

the we found out that the Pentagon had

96

00:04:41,180 --> 00:04:37,710

this program the the eight hit program

97

00:04:43,460 --> 00:04:41,190

that was going on and we know that

98

00:04:45,290 --> 00:04:43,470

senators you know Harry Reid and and

99

00:04:47,720 --> 00:04:45,300

John Podesta people that were really

100

00:04:49,400 --> 00:04:47,730

high in government were involved in this

101  
00:04:53,960 --> 00:04:49,410  
that it was funded and that it was a

102  
00:04:56,510 --> 00:04:53,970  
very real thing and I think that they're

103  
00:04:59,780 --> 00:04:56,520  
giving us little hints but they still

104  
00:05:02,480 --> 00:04:59,790  
want to have that that that ability to

105  
00:05:06,140 --> 00:05:02,490  
deny you know the feasible deniability

106  
00:05:08,330 --> 00:05:06,150  
about themselves back in the old days

107  
00:05:13,130 --> 00:05:08,340  
when my mom was involved back in the mid

108  
00:05:15,680 --> 00:05:13,140  
1950s I really think that they didn't

109  
00:05:18,260 --> 00:05:15,690  
quite have have it together as far as

110  
00:05:20,210 --> 00:05:18,270  
the secrecy goes so they kind of you

111  
00:05:22,220 --> 00:05:20,220  
know my mom worked you know she did

112  
00:05:26,600 --> 00:05:22,230  
dictation and in highly classified

113  
00:05:28,700 --> 00:05:26,610

meetings she did work I mean she I'll

114

00:05:32,570 --> 00:05:28,710

tell you this story for your listeners

115

00:05:34,730 --> 00:05:32,580

if you'd like me to oh yes please

116

00:05:37,390 --> 00:05:34,740

well the way that my mom explained it to

117

00:05:40,340 --> 00:05:37,400

me and she talked about this a few times

118

00:05:42,800 --> 00:05:40,350

as I got older I would have to push a

119

00:05:44,240 --> 00:05:42,810

little bit more to hear it because you

120

00:05:47,210 --> 00:05:44,250

know she thought I was gonna forget

121

00:05:49,280 --> 00:05:47,220

about it and and of course you know some

122

00:05:51,770 --> 00:05:49,290

kids might have but I have a pretty good

123

00:05:53,840 --> 00:05:51,780

memory and and and to be you know it

124

00:05:55,730 --> 00:05:53,850

just opened this whole other angle of

125

00:05:58,550 --> 00:05:55,740

the world to me you know I was always

126

00:06:01,310 --> 00:05:58,560

interested in extraterrestrial life I

127

00:06:03,740 --> 00:06:01,320

was always interested in spaceships and

128

00:06:05,930 --> 00:06:03,750

and it was just that kind of a boy you

129

00:06:09,050 --> 00:06:05,940

know and part of that is growing up in

130

00:06:11,620 --> 00:06:09,060

the early 1960s and you know the space

131

00:06:15,260 --> 00:06:11,630

race was in full throttle at that point

132

00:06:17,120 --> 00:06:15,270

but but the way my mom explained it was

133

00:06:20,110 --> 00:06:17,130

was that she was working for Howard

134

00:06:23,030 --> 00:06:20,120

Hughes she was one of two secretaries

135

00:06:25,040 --> 00:06:23,040

and they would communicate over an

136

00:06:28,160 --> 00:06:25,050

intercom even though their offices were

137

00:06:30,620 --> 00:06:28,170

next to each other in all the years that

138

00:06:34,130 --> 00:06:30,630

my mom worked for him she only saw him

139

00:06:38,330 --> 00:06:34,140

once and she wasn't supposed to wow

140

00:06:39,950 --> 00:06:38,340

that's interesting yes now I guess that

141

00:06:41,180 --> 00:06:39,960

the other secretary that worked for him

142

00:06:43,550 --> 00:06:41,190

that he wound up in

143

00:06:45,590 --> 00:06:43,560

actually having a relationship with her

144

00:06:48,410 --> 00:06:45,600

and my mom went on to marry my father

145

00:06:51,530 --> 00:06:48,420

and she quit working for Hughes Aircraft

146

00:06:55,910 --> 00:06:51,540

at that point but she said that you know

147

00:06:59,120 --> 00:06:55,920

at this it was about 1955-56 when Howard

148

00:07:01,430 --> 00:06:59,130

Hughes was just reclusive and he would

149

00:07:03,260 --> 00:07:01,440

send my mom out to do his bidding for

150

00:07:06,710 --> 00:07:03,270

him so he would send her out to

151  
00:07:10,670 --> 00:07:06,720  
different you know military sites and

152  
00:07:12,380 --> 00:07:10,680  
things like that yeah and and and also

153  
00:07:14,360 --> 00:07:12,390  
my mom said that you know part of that

154  
00:07:16,400 --> 00:07:14,370  
was was because she had really good

155  
00:07:18,590 --> 00:07:16,410  
instincts and she could tell if somebody

156  
00:07:22,340 --> 00:07:18,600  
was lying or not or if they were hiding

157  
00:07:26,510 --> 00:07:22,350  
things and I could attest to that as a

158  
00:07:28,310 --> 00:07:26,520  
teenager it was pretty it could be

159  
00:07:30,860 --> 00:07:28,320  
pretty miserable she would know exactly

160  
00:07:32,710 --> 00:07:30,870  
what was going on you know and yeah I

161  
00:07:36,710 --> 00:07:32,720  
couldn't really get away with anything

162  
00:07:38,600 --> 00:07:36,720  
but but anyhow he sent her on this one

163  
00:07:42,260 --> 00:07:38,610

assignment he didn't tell her much about

164

00:07:44,390 --> 00:07:42,270

it and the way she explained it was was

165

00:07:49,460 --> 00:07:44,400

they sent her out to the middle of the

166

00:07:51,470 --> 00:07:49,470

great American desert that they that she

167

00:07:54,320 --> 00:07:51,480

had a little security detail with her

168

00:07:56,390 --> 00:07:54,330

and it was the middle of nowhere and

169

00:07:59,450 --> 00:07:56,400

they took her out to this little shack

170

00:08:02,090 --> 00:07:59,460

and when the doors of the shack were

171

00:08:04,159 --> 00:08:02,100

opened there was this elevator shaft it

172

00:08:07,580 --> 00:08:04,169

was like an otis elevator like you would

173

00:08:11,810 --> 00:08:07,590

see in a high-rise building but there

174

00:08:13,940 --> 00:08:11,820

was no high-rise building the desert and

175

00:08:17,210 --> 00:08:13,950

and that was this kind of it the desert

176

00:08:20,840 --> 00:08:17,220

scrub and and and fauna and and heat and

177

00:08:22,730 --> 00:08:20,850

this shack with an elevator so my mom

178

00:08:26,150 --> 00:08:22,740

gets into the elevator with a security

179

00:08:28,040 --> 00:08:26,160

detail and she said that the elevators

180

00:08:31,520 --> 00:08:28,050

started going down and it just kept

181

00:08:33,650 --> 00:08:31,530

going down and she explained that she

182

00:08:36,320 --> 00:08:33,660

felt butterflies in her stomach that she

183

00:08:37,909 --> 00:08:36,330

felt vertigo as this thing was was going

184

00:08:40,579 --> 00:08:37,919

down now she thought she might be going

185

00:08:44,290 --> 00:08:40,589

down two floors or something like that

186

00:08:46,910 --> 00:08:44,300

first but this was going deep

187

00:08:48,920 --> 00:08:46,920

she said when the doors opened up that

188

00:08:50,840 --> 00:08:48,930

there was this little city down there

189

00:08:53,650 --> 00:08:50,850

that there were all these people that

190

00:08:55,070 --> 00:08:53,660

were working and that they had cafes

191

00:08:59,480 --> 00:08:55,080

bowling now

192

00:09:01,190 --> 00:08:59,490

the barbershop drugstore she talked

193

00:09:04,610 --> 00:09:01,200

about this one cafe where they had these

194

00:09:06,260 --> 00:09:04,620

yellow umbrellas over patio type tables

195

00:09:09,410 --> 00:09:06,270

I could see out in front of a French

196

00:09:11,000 --> 00:09:09,420

sidewalk cafe and it struck her as kind

197

00:09:16,880 --> 00:09:11,010

of hilarious because you don't really

198

00:09:18,860 --> 00:09:16,890

need to worry about the Sun your and I

199

00:09:20,540 --> 00:09:18,870

don't know if my mom was exaggerating or

200

00:09:22,970 --> 00:09:20,550

not but she did express that it was a

201

00:09:26,120 --> 00:09:22,980

mile under the desert and this is back

202

00:09:28,370 --> 00:09:26,130

in the 1950s you know what what what do

203

00:09:32,720 --> 00:09:28,380

they have now why would you need to be

204

00:09:34,940 --> 00:09:32,730

so deep underground as well I'm I'm

205

00:09:36,290 --> 00:09:34,950

honestly not sure and the way she

206

00:09:40,160 --> 00:09:36,300

expressed it was was that they were

207

00:09:42,320 --> 00:09:40,170

working on a satiric projects she did in

208

00:09:45,080 --> 00:09:42,330

fact work with she knew Wernher von

209

00:09:48,500 --> 00:09:45,090

Braun she knew

210

00:09:50,270 --> 00:09:48,510

Oberth and you know tech never mentioned

211

00:09:52,100 --> 00:09:50,280

the word Operation Paperclip

212

00:09:55,610 --> 00:09:52,110

but I just kind of put two and two

213

00:09:57,890 --> 00:09:55,620

together yeah once I heard about you

214

00:09:59,930 --> 00:09:57,900

know Operation Paperclip it was kind of

215

00:10:01,940 --> 00:09:59,940

obvious that this was a part of that

216

00:10:04,280 --> 00:10:01,950

because you know why else would they

217

00:10:06,830 --> 00:10:04,290

have these guys screen it under the

218

00:10:11,360 --> 00:10:06,840

desert floor all these miles and you

219

00:10:12,590 --> 00:10:11,370

know a mile or however deep it was but

220

00:10:16,340 --> 00:10:12,600

she said that they would get around in

221

00:10:19,760 --> 00:10:16,350

little golf carts and and that it was a

222

00:10:21,770 --> 00:10:19,770

bustling the city the other thing that

223

00:10:25,300 --> 00:10:21,780

my mom would talk about that was really

224

00:10:29,300 --> 00:10:25,310

really strange and even scary as a kid

225

00:10:33,050 --> 00:10:29,310

was alien life she would talk about it

226

00:10:35,210 --> 00:10:33,060

with with great Authority she wasn't

227

00:10:37,340 --> 00:10:35,220

talking about something that was a hype

228

00:10:38,960 --> 00:10:37,350

you know that was hypothetical to her

229

00:10:42,980 --> 00:10:38,970

she was talking about something that she

230

00:10:44,540 --> 00:10:42,990

knew it was some just deep knowledge it

231

00:10:47,240 --> 00:10:44,550

would be the same way that she would

232

00:10:51,800 --> 00:10:47,250

talk about about you know you better do

233

00:10:53,840 --> 00:10:51,810

your taxes or you'll get in trouble or

234

00:10:56,510 --> 00:10:53,850

you know is the same kind of tone of

235

00:10:59,690 --> 00:10:56,520

voice of you know I know this and she

236

00:11:02,060 --> 00:10:59,700

said that you know later on I found out

237

00:11:05,240 --> 00:11:02,070

like like one time I heard her talking

238

00:11:07,520 --> 00:11:05,250

with my aunt it was my my aunt's and my

239

00:11:08,960 --> 00:11:07,530

I was with playing with my three cousins

240

00:11:11,509 --> 00:11:08,970

so we were outside playing

241

00:11:15,429 --> 00:11:11,519

spaceman of course I remember what we

242

00:11:18,319 --> 00:11:15,439

played you know lost in space right and

243

00:11:19,369 --> 00:11:18,329

and we heard this heated argument going

244

00:11:23,090 --> 00:11:19,379

on in the kitchen

245

00:11:26,210 --> 00:11:23,100

so like cousins will do it's like we

246

00:11:29,809 --> 00:11:26,220

snuck around the corner and and we are

247

00:11:32,509 --> 00:11:29,819

you know our ears pressed to the screen

248

00:11:36,499 --> 00:11:32,519

door and my mom and aunt were talking

249

00:11:38,569 --> 00:11:36,509

and my aunt had brought over the there

250

00:11:42,110 --> 00:11:38,579

was a Look magazine that came out with a

251  
00:11:43,910 --> 00:11:42,120  
story of Betty and Barney Hill and she

252  
00:11:46,600 --> 00:11:43,920  
was asking my mom about this so

253  
00:11:50,030 --> 00:11:46,610  
apparently my can't knew that my mom

254  
00:11:52,300 --> 00:11:50,040  
knew that this was a thing and I

255  
00:11:54,379 --> 00:11:52,310  
remember her just kind of with this

256  
00:11:56,960 --> 00:11:54,389  
excoriating you know well how could this

257  
00:12:00,110 --> 00:11:56,970  
be true you know how could this be true

258  
00:12:02,420 --> 00:12:00,120  
Betty and I remember my mom saying well

259  
00:12:05,090 --> 00:12:02,430  
we know that there is life out there we

260  
00:12:07,550 --> 00:12:05,100  
you know and and they're interacting

261  
00:12:10,249 --> 00:12:07,560  
with with people on earth and the sounds

262  
00:12:12,829 --> 00:12:10,259  
like a real thing this sounds like it

263  
00:12:17,210 --> 00:12:12,839

could actually be a real thing that

264

00:12:18,920 --> 00:12:17,220

happened and I remember my and then you

265

00:12:20,780 --> 00:12:18,930

know my aunt was was reading from the

266

00:12:24,400 --> 00:12:20,790

article I talked about them you know

267

00:12:27,829 --> 00:12:24,410

doing now we know it's an amniocentesis

268

00:12:30,410 --> 00:12:27,839

with a needle through the navel and I I

269

00:12:38,540 --> 00:12:30,420

remember I elbow might my cousin said

270

00:12:41,210 --> 00:12:38,550

what's a navel what's a navel standing

271

00:12:43,189 --> 00:12:41,220

there and kind of feeling the willies

272

00:12:45,590 --> 00:12:43,199

for the first time in my life where the

273

00:12:47,439 --> 00:12:45,600

hair kind of stood on my arm stood up

274

00:12:49,970 --> 00:12:47,449

and I just had this deep sense of

275

00:12:52,939 --> 00:12:49,980

strangeness that things weren't quite

276  
00:12:57,769 --> 00:12:52,949  
what they seemed that there was another

277  
00:13:00,139 --> 00:12:57,779  
aspect to the world that most people

278  
00:13:02,059 --> 00:13:00,149  
didn't know about and it it wasn't the

279  
00:13:06,740 --> 00:13:02,069  
little cartoon Martians you know this

280  
00:13:09,949 --> 00:13:06,750  
had it had actual sort of a scary even

281  
00:13:12,110 --> 00:13:09,959  
possibly monovalent feel about it you

282  
00:13:15,559 --> 00:13:12,120  
know these people were captured him and

283  
00:13:18,710 --> 00:13:15,569  
their memories erased and and that they

284  
00:13:20,569 --> 00:13:18,720  
had to retrieve them but my mom spoke

285  
00:13:22,670 --> 00:13:20,579  
about that like she thought that that

286  
00:13:28,970 --> 00:13:22,680  
fell in line with what she already

287  
00:13:33,019 --> 00:13:28,980  
knew about our visitors as my wife went

288  
00:13:35,389 --> 00:13:33,029

on as I got older my mom clammed up she

289

00:13:38,329 --> 00:13:35,399

stopped talking and I think part of that

290

00:13:42,170 --> 00:13:38,339

was because you know we do a thing in

291

00:13:44,870 --> 00:13:42,180

grade school here in the states where

292

00:13:50,060 --> 00:13:44,880

they'll do like what do your parents do

293

00:13:54,920 --> 00:13:50,070

and show and tell a little bit about my

294

00:13:58,850 --> 00:13:54,930

mom and I was I was 10 years old

295

00:14:01,430 --> 00:13:58,860

well the teacher after the I roles and

296

00:14:04,310 --> 00:14:01,440

all that and the classroom got kind of

297

00:14:05,829 --> 00:14:04,320

hushed and kids started actually kind of

298

00:14:08,930 --> 00:14:05,839

teasing me about it

299

00:14:13,370 --> 00:14:08,940

well she she scheduled a parent-teacher

300

00:14:14,990 --> 00:14:13,380

conference with my mom and you know they

301  
00:14:16,610 --> 00:14:15,000  
actually used to have a couple of UFO

302  
00:14:18,920 --> 00:14:16,620  
books in the school library which

303  
00:14:21,139 --> 00:14:18,930  
quickly were lately disappeared them

304  
00:14:23,090 --> 00:14:21,149  
they were they weren't there anymore

305  
00:14:25,070 --> 00:14:23,100  
and I got the talking to for my mom

306  
00:14:27,050 --> 00:14:25,080  
where she said you know Earl I was never

307  
00:14:29,360 --> 00:14:27,060  
supposed to tell you this I thought you

308  
00:14:30,949 --> 00:14:29,370  
were gonna forget about it I told you

309  
00:14:34,640 --> 00:14:30,959  
about this one you were really really

310  
00:14:36,590 --> 00:14:34,650  
small but here we are and you're really

311  
00:14:38,360 --> 00:14:36,600  
not supposed to talk about this and you

312  
00:14:40,820 --> 00:14:38,370  
can get your mom into really terrible

313  
00:14:43,910 --> 00:14:40,830

trouble by talking about it so

314

00:14:46,460 --> 00:14:43,920

thankfully your teacher thinks that you

315

00:14:48,710 --> 00:14:46,470

were making this up and I kind of went

316

00:14:52,130 --> 00:14:48,720

along with that but for God's sake never

317

00:14:54,680 --> 00:14:52,140

ever ever talk about this again

318

00:14:57,019 --> 00:14:54,690

and that was when the doors kind of

319

00:15:10,880 --> 00:14:57,029

closed and my mom became very quiet

320

00:15:13,069 --> 00:15:10,890

about what she did serious business and

321

00:15:15,050 --> 00:15:13,079

especially you know at that point my mom

322

00:15:17,000 --> 00:15:15,060

wasn't working in aerospace she had

323

00:15:18,560 --> 00:15:17,010

taken a little respite there she tried

324

00:15:21,110 --> 00:15:18,570

to be a great you know American

325

00:15:24,050 --> 00:15:21,120

housewife and and do the Ozzie and

326

00:15:26,449 --> 00:15:24,060

Harriet TV show thing and and you could

327

00:15:29,150 --> 00:15:26,459

see a restlessness about my mom and she

328

00:15:33,260 --> 00:15:29,160

really didn't fit in with that mold and

329

00:15:36,650 --> 00:15:33,270

back in the 1970s like the mid-1970s she

330

00:15:38,450 --> 00:15:36,660

got back into sheshe became

331

00:15:40,940 --> 00:15:38,460

she started working for a for a

332

00:15:42,980 --> 00:15:40,950

temporary employment agency but she

333

00:15:44,960 --> 00:15:42,990

wound up taking it over and most of what

334

00:15:48,650 --> 00:15:44,970

she was doing was getting people out to

335

00:15:53,120 --> 00:15:48,660

aerospace jobs and I watched her build

336

00:15:55,370 --> 00:15:53,130

this business and before I knew it you

337

00:15:57,740 --> 00:15:55,380

know she was she was working for you

338

00:15:59,690 --> 00:15:57,750

know people like Lockheed skunkworks and

339

00:16:01,820 --> 00:15:59,700

and all them you know I mean it was a

340

00:16:05,180 --> 00:16:01,830

lot of secret government black projects

341

00:16:10,310 --> 00:16:05,190

that my mom was peopling with scientists

342

00:16:12,770 --> 00:16:10,320

and and with people that had I guess I

343

00:16:15,410 --> 00:16:12,780

would say just natural genius types I

344

00:16:18,170 --> 00:16:15,420

knew one guy from my school that my mom

345

00:16:20,000 --> 00:16:18,180

got out to Northrop and he had a

346

00:16:22,610 --> 00:16:20,010

propensity for being able to look at a

347

00:16:25,130 --> 00:16:22,620

giant column of numbers like from a

348

00:16:28,010 --> 00:16:25,140

computer readout sheet and being able to

349

00:16:31,070 --> 00:16:28,020

tell which one didn't belong there there

350

00:16:33,170 --> 00:16:31,080

was a glitch or problem and I and my mom

351

00:16:35,810 --> 00:16:33,180

got him out to one job and he was gone

352

00:16:39,230 --> 00:16:35,820

for three months he came back with a new

353

00:16:41,420 --> 00:16:39,240

car with money but while he was gone his

354

00:16:45,020 --> 00:16:41,430

mom knew that my mom is who had gotten

355

00:16:47,480 --> 00:16:45,030

him out to work and yeah I got this

356

00:16:50,180 --> 00:16:47,490

frantic phone call from her where is my

357

00:16:54,200 --> 00:16:50,190

son he's been gone for four months and

358

00:16:56,720 --> 00:16:54,210

he doesn't call and I don't know and my

359

00:16:58,460 --> 00:16:56,730

mom couldn't say anything but that was

360

00:17:00,470 --> 00:16:58,470

the kind of stuff that you know my mom

361

00:17:02,540 --> 00:17:00,480

would do you know when he finally came

362

00:17:05,319 --> 00:17:02,550

back he said well you want to see what I

363

00:17:08,870 --> 00:17:05,329

was doing he brought out this long

364

00:17:11,059 --> 00:17:08,880

folded sheet from from a but like the

365

00:17:13,520 --> 00:17:11,069

old computer system readouts that they

366

00:17:15,920 --> 00:17:13,530

used to have and it just all these pages

367

00:17:17,420 --> 00:17:15,930

were dropping onto the sidewalk you know

368

00:17:19,819 --> 00:17:17,430

you're out there in his front yard when

369

00:17:22,280 --> 00:17:19,829

he's showing me and this was before when

370

00:17:24,470 --> 00:17:22,290

people really used marker pens he'd had

371

00:17:26,390 --> 00:17:24,480

like taking that orange grease pencil

372

00:17:28,940 --> 00:17:26,400

and it's circled this one number and he

373

00:17:31,370 --> 00:17:28,950

said this didn't belong here said this

374

00:17:33,770 --> 00:17:31,380

screwed up their their computer systems

375

00:17:36,710 --> 00:17:33,780

for four months and they couldn't get

376

00:17:39,740 --> 00:17:36,720

past it and that's what you you know

377

00:17:46,460 --> 00:17:39,750

your mom sent me out to fix and and I

378

00:17:48,620 --> 00:17:46,470

fixed it Wow so I would ask my mom I'm

379

00:17:51,409 --> 00:17:48,630

sorry but I

380

00:17:53,360 --> 00:17:51,419

and last thing because the the alien

381

00:17:55,129 --> 00:17:53,370

life you know is was what I became

382

00:17:57,470 --> 00:17:55,139

obsessed with and I wanted to know more

383

00:18:01,610 --> 00:17:57,480

about and I wasn't taking my mom's

384

00:18:03,350 --> 00:18:01,620

closed lip policy well so I found out

385

00:18:05,180 --> 00:18:03,360

that if I take her to a movie like I

386

00:18:06,980 --> 00:18:05,190

took her to see Star Wars when it came

387

00:18:10,519 --> 00:18:06,990

out it was a second day that was out

388

00:18:13,129 --> 00:18:10,529

it's back in 1977 and when the film

389

00:18:15,889 --> 00:18:13,139

ended my mom became very voluble and

390

00:18:18,139 --> 00:18:15,899

talkative about about it she said son

391

00:18:21,879 --> 00:18:18,149

you have no idea

392

00:18:24,649 --> 00:18:21,889

Star Wars is not very far-fetched

393

00:18:26,269 --> 00:18:24,659

touched at all she said there is

394

00:18:29,090 --> 00:18:26,279

intelligent life in the universe

395

00:18:31,970 --> 00:18:29,100

and they actually got a lot of things

396

00:18:35,930 --> 00:18:31,980

right in this film and my mom kept

397

00:18:38,299 --> 00:18:35,940

talking it was scary at the you know I

398

00:18:41,269 --> 00:18:38,309

didn't think that it's gonna get this

399

00:18:44,840 --> 00:18:41,279

you know this lecture this talk but she

400

00:18:46,580 --> 00:18:44,850

was very excited about it so I would you

401  
00:18:48,649 --> 00:18:46,590  
know I would take my mom to see other

402  
00:18:51,919 --> 00:18:48,659  
films to see if she would talk more

403  
00:18:54,289 --> 00:18:51,929  
after that I took her to see et when it

404  
00:18:56,269 --> 00:18:54,299  
came out and all she had to say about

405  
00:18:58,070 --> 00:18:56,279  
the film was she said well it's a cute

406  
00:19:05,240 --> 00:18:58,080  
movie son but I don't think they're all

407  
00:19:09,460 --> 00:19:05,250  
that nice interesting comment now I was

408  
00:19:16,009 --> 00:19:09,470  
sent at a recording of a conversation

409  
00:19:19,159 --> 00:19:16,019  
between someone I remember was now but

410  
00:19:22,519 --> 00:19:19,169  
this lady she'd been abducted she'd been

411  
00:19:28,460 --> 00:19:22,529  
taken into an underground base in the

412  
00:19:29,840 --> 00:19:28,470  
50s and she was she said that that there

413  
00:19:32,029 --> 00:19:29,850

was an alien there she saw an alien

414

00:19:35,060 --> 00:19:32,039

there it was black and they had golden

415

00:19:38,869 --> 00:19:35,070

eyes and it was like a scaly lizard type

416

00:19:41,299 --> 00:19:38,879

thing and that there were people there

417

00:19:44,840 --> 00:19:41,309

as well and it was the Navy that were on

418

00:19:46,789 --> 00:19:44,850

in there and that was in the 50s now

419

00:19:48,289 --> 00:19:46,799

I'll have to send you the recording

420

00:19:52,970 --> 00:19:48,299

because I did discover that I still had

421

00:19:55,549 --> 00:19:52,980

the actual I chopped it up and I use it

422

00:19:57,750 --> 00:19:55,559

in another radio show when I was at a

423

00:20:00,180 --> 00:19:57,760

show called cities in the same

424

00:20:02,490 --> 00:20:00,190

kind of like put it into segments and

425

00:20:05,519 --> 00:20:02,500

commented on these segments because I've

426  
00:20:07,080 --> 00:20:05,529  
had some extremely unusual experiences

427  
00:20:10,409 --> 00:20:07,090  
and some of the mirrored a little bit

428  
00:20:13,610 --> 00:20:10,419  
what I'd been through but it was kind of

429  
00:20:16,139 --> 00:20:13,620  
interesting what you were saying about

430  
00:20:18,690 --> 00:20:16,149  
where she went and where she was working

431  
00:20:20,340 --> 00:20:18,700  
and the base and everything it just

432  
00:20:23,159 --> 00:20:20,350  
reminded me of this Ricardian and I

433  
00:20:24,629 --> 00:20:23,169  
wondered you know well what kind of

434  
00:20:27,870 --> 00:20:24,639  
things would you mom have seen if they

435  
00:20:31,049 --> 00:20:27,880  
were like not quite as compartmentalize

436  
00:20:33,299 --> 00:20:31,059  
as they are now whereas you know you

437  
00:20:35,549 --> 00:20:33,309  
could be in a room with 10 people and

438  
00:20:39,649 --> 00:20:35,559

all 10 would not know what anyone else

439

00:20:42,659 --> 00:20:39,659

in the room was up to mmm

440

00:20:45,629 --> 00:20:42,669

she never really talked about what they

441

00:20:47,340 --> 00:20:45,639

looked like or if she had met one or if

442

00:20:49,769 --> 00:20:47,350

she had but but she spoke with great

443

00:20:52,080 --> 00:20:49,779

authority that it was a very real thing

444

00:20:53,460 --> 00:20:52,090

and she spoke with great authority and

445

00:20:55,769 --> 00:20:53,470

now you have to remember she was working

446

00:20:57,690 --> 00:20:55,779

for the military so they're gonna see

447

00:21:00,000 --> 00:20:57,700

they're gonna see this as a threat I

448

00:21:02,610 --> 00:21:00,010

mean it could be like The Day the Earth

449

00:21:05,610 --> 00:21:02,620

Stood Still and all peace love and

450

00:21:11,009 --> 00:21:05,620

understanding and and Reese's Pieces

451  
00:21:13,950 --> 00:21:11,019  
yeah you know as soon as you're you're

452  
00:21:15,930 --> 00:21:13,960  
working with the military with with this

453  
00:21:18,899 --> 00:21:15,940  
phenomenon of course it's a national

454  
00:21:22,950 --> 00:21:18,909  
security threat so I'm not sure if her

455  
00:21:26,360 --> 00:21:22,960  
opinion was that they're that they're

456  
00:21:30,090 --> 00:21:26,370  
not all that nice son was her own

457  
00:21:33,379 --> 00:21:30,100  
experience all opinion or if that's

458  
00:21:36,299 --> 00:21:33,389  
really what she was taught about them

459  
00:21:38,870 --> 00:21:36,309  
and she would never really expand on

460  
00:21:41,190 --> 00:21:38,880  
that frustratingly enough I mean my mom

461  
00:21:43,440 --> 00:21:41,200  
you know I was able to get other things

462  
00:21:47,220 --> 00:21:43,450  
out of her but not a whole lot more you

463  
00:21:49,860 --> 00:21:47,230

know when she was on her deathbed my mom

464

00:21:51,149 --> 00:21:49,870

goes she kept having cancers and and

465

00:21:54,750 --> 00:21:51,159

they were all unrelated they were

466

00:21:56,310 --> 00:21:54,760

cancers that metastasized it would be 10

467

00:21:58,710 --> 00:21:56,320

years would go by and then she would

468

00:22:01,080 --> 00:21:58,720

have it would pop cancer would pop up

469

00:22:07,019 --> 00:22:01,090

somewhere else as though she'd been

470

00:22:09,899 --> 00:22:07,029

irradiated and I around it was 1999 when

471

00:22:11,730 --> 00:22:09,909

she was you know she passed away in

472

00:22:14,460 --> 00:22:11,740

April 1999

473

00:22:16,500 --> 00:22:14,470

and I was trying to get her a lawyer up

474

00:22:18,299 --> 00:22:16,510

and to go after the government because

475

00:22:21,990 --> 00:22:18,309

somebody else there's a group of workers

476  
00:22:24,149 --> 00:22:22,000  
from area 51 that successfully sued the

477  
00:22:28,890 --> 00:22:24,159  
government and this was during Bill

478  
00:22:31,200 --> 00:22:28,900  
Clinton's stint as president and yeah

479  
00:22:32,909 --> 00:22:31,210  
and and and these it was the same thing

480  
00:22:36,180 --> 00:22:32,919  
they kept having cancer after cancer

481  
00:22:39,299 --> 00:22:36,190  
after cancer and it was finally revealed

482  
00:22:41,970 --> 00:22:39,309  
that yes they were exposed to you know

483  
00:22:45,870 --> 00:22:41,980  
carcinogens and and it was our fault and

484  
00:22:48,480 --> 00:22:45,880  
and they would they won the lawsuit and

485  
00:22:50,460 --> 00:22:48,490  
at that point it wasn't until then that

486  
00:22:53,669 --> 00:22:50,470  
we even knew there was such a thing as

487  
00:22:56,490 --> 00:22:53,679  
area 51 they simply said it was nonsense

488  
00:22:59,330 --> 00:22:56,500

and then suddenly if it was cents you

489

00:23:02,250 --> 00:22:59,340

know it was a real thing

490

00:23:05,250 --> 00:23:02,260

so but my mom's whole opinion was she

491

00:23:07,289 --> 00:23:05,260

said son she said when somebody joins

492

00:23:10,440 --> 00:23:07,299

the military you know that you could

493

00:23:12,779 --> 00:23:10,450

you're putting your life at risk and she

494

00:23:15,060 --> 00:23:12,789

said when I went and I did this job I

495

00:23:18,000 --> 00:23:15,070

knew that there were risks involved

496

00:23:20,640 --> 00:23:18,010

it was my patriotic duty as a way that I

497

00:23:22,860 --> 00:23:20,650

fell and just like somebody could go to

498

00:23:24,899 --> 00:23:22,870

war and not come back I knew that that

499

00:23:27,630 --> 00:23:24,909

something bad could possibly happen to

500

00:23:30,270 --> 00:23:27,640

me and that was you know it was never

501  
00:23:32,789 --> 00:23:30,280  
hidden from me I knew what I was going

502  
00:23:35,610 --> 00:23:32,799  
into but I was doing my patriotic duty

503  
00:23:43,860 --> 00:23:35,620  
and I would never sue my government for

504  
00:23:47,340 --> 00:23:43,870  
this still really was very very

505  
00:23:50,399 --> 00:23:47,350  
upsetting to me yeah my mom could be

506  
00:23:53,880 --> 00:23:50,409  
exposed to this and and and and they

507  
00:23:56,340 --> 00:23:53,890  
didn't take that good care of her you

508  
00:23:58,380 --> 00:23:56,350  
know I mean later on in life I mean we

509  
00:24:01,140 --> 00:23:58,390  
knew that mom had money coming in that

510  
00:24:03,120 --> 00:24:01,150  
was you know she would she she would

511  
00:24:05,640 --> 00:24:03,130  
actually go she would go to Britain

512  
00:24:08,310 --> 00:24:05,650  
every summer and she would spend three

513  
00:24:10,560 --> 00:24:08,320

months in Britain she she would do this

514

00:24:14,070 --> 00:24:10,570

regularly she would you know rent a flat

515

00:24:15,810 --> 00:24:14,080

she had her friends out there and to the

516

00:24:17,760 --> 00:24:15,820

best of my knowledge a lot of the money

517

00:24:22,080 --> 00:24:17,770

that she got through her aerospace work

518

00:24:24,690 --> 00:24:22,090

went towards that for her little you

519

00:24:25,520 --> 00:24:24,700

know her her addiction with with you

520

00:24:27,850 --> 00:24:25,530

guys that

521

00:24:32,950 --> 00:24:27,860

[Laughter]

522

00:24:38,780 --> 00:24:36,530

proprietor and and he spent a lot of

523

00:24:42,770 --> 00:24:38,790

time there so they would go on sort of a

524

00:24:44,270 --> 00:24:42,780

mutual trip and rent a flat and and they

525

00:24:47,450 --> 00:24:44,280

would actually rent a flat from a

526

00:24:51,350 --> 00:24:47,460

convent that was in London and it was

527

00:24:54,080 --> 00:24:51,360

sort of near everything and and so you

528

00:24:56,660 --> 00:24:54,090

know I mean my mom did there were perks

529

00:24:58,970 --> 00:24:56,670

to her job but we were certainly not a

530

00:25:01,430 --> 00:24:58,980

rich family we were you know lower

531

00:25:04,790 --> 00:25:01,440

middle-class really

532

00:25:09,590 --> 00:25:04,800

my mom's annual trip was was sort of an

533

00:25:11,890 --> 00:25:09,600

anomaly in itself it probably was I mean

534

00:25:17,510 --> 00:25:11,900

antiques dealer that's quite a good

535

00:25:19,370 --> 00:25:17,520

cover I think that was what he was doing

536

00:25:22,250 --> 00:25:19,380

but my mom was doing something else I'm

537

00:25:24,020 --> 00:25:22,260

not sure if there was something official

538

00:25:26,450 --> 00:25:24,030

that she was doing in Britain or she was

539

00:25:30,500 --> 00:25:26,460

having an affair even maybe that was

540

00:25:33,740 --> 00:25:30,510

going on or you know there was something

541

00:25:36,320 --> 00:25:33,750

that was you know that she couldn't talk

542

00:25:40,670 --> 00:25:36,330

about but I know that she just that was

543

00:25:42,710 --> 00:25:40,680

her her own time that was enjoyed doing

544

00:25:46,160 --> 00:25:42,720

and I wanted to ask you about something

545

00:25:51,410 --> 00:25:46,170

because she sent me an article that Jeff

546

00:25:54,650 --> 00:25:51,420

had written and and it he talks about an

547

00:25:57,920 --> 00:25:54,660

experience that you mom had with like a

548

00:25:59,330 --> 00:25:57,930

basketball sized ball of electricity

549

00:26:01,550 --> 00:25:59,340

could you tell us about that please

550

00:26:06,380 --> 00:26:01,560

because I've actually got something else

551  
00:26:08,300 --> 00:26:06,390  
to add to that very interesting well

552  
00:26:10,280 --> 00:26:08,310  
this was a story that my mom that my

553  
00:26:13,190 --> 00:26:10,290  
sister didn't know about she was a

554  
00:26:16,130 --> 00:26:13,200  
little more open in talking about it and

555  
00:26:20,120 --> 00:26:16,140  
maybe she didn't connect it with the UFO

556  
00:26:24,230 --> 00:26:20,130  
phenomena she always referred to it as

557  
00:26:27,320 --> 00:26:24,240  
her experience with ball lightning but

558  
00:26:29,930 --> 00:26:27,330  
my mom when she was a young she's grown

559  
00:26:32,870 --> 00:26:29,940  
up in a little town in Iowa Muscatine

560  
00:26:36,050 --> 00:26:32,880  
Iowa and it's very very hot and humid

561  
00:26:38,540 --> 00:26:36,060  
during the summer months so my

562  
00:26:42,380 --> 00:26:38,550  
grandmother and grandfather had a

563  
00:26:44,570 --> 00:26:42,390

Green didn't porch and my mom and her

564

00:26:48,830 --> 00:26:44,580

sister would sleep out on the screen and

565

00:26:50,870 --> 00:26:48,840

porch when it got real hot and the way

566

00:26:53,600 --> 00:26:50,880

that my mom described it it was middle

567

00:26:56,900 --> 00:26:53,610

of the night and she woke up to this

568

00:26:58,520 --> 00:26:56,910

buzzing sound and she saw this ball of

569

00:27:01,400 --> 00:26:58,530

light that was the size of a basketball

570

00:27:05,140 --> 00:27:01,410

and she said it was sparking and just

571

00:27:07,550 --> 00:27:05,150

sparkling like like a like it's like a

572

00:27:09,560 --> 00:27:07,560

sparkler firework you know the little

573

00:27:12,110 --> 00:27:09,570

things that you you know hold in your

574

00:27:14,330 --> 00:27:12,120

hand those things but it was a ball of

575

00:27:16,070 --> 00:27:14,340

electricity and that she saw it come

576  
00:27:19,850 --> 00:27:16,080  
through the screen door and she said it

577  
00:27:23,210 --> 00:27:19,860  
just squeezed through the screen while

578  
00:27:27,410 --> 00:27:23,220  
retain its shape and buzzing like a hive

579  
00:27:29,570 --> 00:27:27,420  
of bees and it traveled around the porch

580  
00:27:32,300 --> 00:27:29,580  
it hovered over her sister for a little

581  
00:27:34,790 --> 00:27:32,310  
while then it came over towards my mom

582  
00:27:36,980 --> 00:27:34,800  
and my mom was sitting up I guess she'd

583  
00:27:38,330 --> 00:27:36,990  
make a little bed roll for herself and

584  
00:27:40,070 --> 00:27:38,340  
she was said that she was sitting up

585  
00:27:43,220 --> 00:27:40,080  
watching this thing that just hung there

586  
00:27:45,920 --> 00:27:43,230  
and as if it were observing her for a

587  
00:27:48,290 --> 00:27:45,930  
little bit she said then this this ball

588  
00:27:51,140 --> 00:27:48,300

of electricity went back to the screen

589

00:27:54,650 --> 00:27:51,150

and it pushed its way back out through

590

00:27:56,630 --> 00:27:54,660

the screen the screened-in porch the

591

00:28:00,110 --> 00:27:56,640

whole time buzzing like a hive of bees

592

00:28:02,870 --> 00:28:00,120

and shooting off sparks so my mom got up

593

00:28:05,960 --> 00:28:02,880

she was about 16 or 17 years old when

594

00:28:07,580 --> 00:28:05,970

this had happened and she ran after it

595

00:28:10,340 --> 00:28:07,590

the baldest started moving

596

00:28:12,470 --> 00:28:10,350

they had a cornfield adjacent to their

597

00:28:15,250 --> 00:28:12,480

house and she said that she had run out

598

00:28:17,630 --> 00:28:15,260

into the cornfield and and the ball of

599

00:28:21,050 --> 00:28:17,640

electricity had stopped and I was

600

00:28:22,880 --> 00:28:21,060

hanging about 20 feet in the air and she

601  
00:28:24,620 --> 00:28:22,890  
got right under it and she was watching

602  
00:28:26,630 --> 00:28:24,630  
it she said that it smelled like an

603  
00:28:29,870 --> 00:28:26,640  
electric train which is the scent of

604  
00:28:33,920 --> 00:28:29,880  
ozone I know now just you know like an

605  
00:28:36,950 --> 00:28:33,930  
electric transformer so she said that it

606  
00:28:40,280 --> 00:28:36,960  
hung there for for a few seconds and

607  
00:28:42,620 --> 00:28:40,290  
then it rose up to maybe 40 feet and

608  
00:28:46,400 --> 00:28:42,630  
that there was a pop that there was a

609  
00:28:48,410 --> 00:28:46,410  
pop sound that that she felt like that

610  
00:28:50,630 --> 00:28:48,420  
even the atmosphere had changed a little

611  
00:28:52,490 --> 00:28:50,640  
bit like her ears had popped like she

612  
00:28:55,549 --> 00:28:52,500  
had gone up to a high elevation

613  
00:28:59,360 --> 00:28:55,559

and and she used to like to tell this

614

00:29:03,080 --> 00:28:59,370

story you know that and and now I know

615

00:29:06,200 --> 00:29:03,090

that ball lightning is not a good

616

00:29:09,140 --> 00:29:06,210

explanation of what she had seen because

617

00:29:11,480 --> 00:29:09,150

it doesn't last long for one thing it

618

00:29:16,220 --> 00:29:11,490

doesn't retain its shape while going

619

00:29:17,600 --> 00:29:16,230

through a screen as a screen and it just

620

00:29:22,510 --> 00:29:17,610

acted like it was under intelligent

621

00:29:27,020 --> 00:29:22,520

control according to my mom's old story

622

00:29:30,529 --> 00:29:27,030

well really piques my interest because I

623

00:29:33,950 --> 00:29:30,539

have a friend Paula green and she's an

624

00:29:36,020 --> 00:29:33,960

experiencer and we met in 2012 and

625

00:29:39,080 --> 00:29:36,030

somebody gave her my number because she

626  
00:29:42,200 --> 00:29:39,090  
was having experiences and she wanted to

627  
00:29:44,510 --> 00:29:42,210  
talk to somebody about them the way that

628  
00:29:46,130 --> 00:29:44,520  
she talks about it all I assumed that

629  
00:29:49,490 --> 00:29:46,140  
she already knew what was going on with

630  
00:29:52,810 --> 00:29:49,500  
her and so when I said so much something

631  
00:29:56,270 --> 00:29:52,820  
about aliens she kind of looked shocked

632  
00:29:57,620 --> 00:29:56,280  
you know okay and I was like oh I

633  
00:29:59,240 --> 00:29:57,630  
thought you knew because you were

634  
00:30:01,490 --> 00:29:59,250  
talking about the little greys or the

635  
00:30:03,260 --> 00:30:01,500  
black eyes etc and she was like no no

636  
00:30:07,640 --> 00:30:03,270  
that's what I wanted to know what is it

637  
00:30:10,580 --> 00:30:07,650  
but she told me that well that was how

638  
00:30:12,200 --> 00:30:10,590

we met but anyway she told me about this

639

00:30:15,080 --> 00:30:12,210

experience that she said one day when

640

00:30:18,049 --> 00:30:15,090

she taking her daughter to school with a

641

00:30:21,080 --> 00:30:18,059

friend who lived by her aunt's daughter

642

00:30:22,760 --> 00:30:21,090

went to the same school came back to

643

00:30:24,950 --> 00:30:22,770

Paula's house for a cup of coffee and

644

00:30:28,010 --> 00:30:24,960

Paula she's got this kind of like you

645

00:30:29,570 --> 00:30:28,020

know stone fireplace and it's kind of

646

00:30:31,250 --> 00:30:29,580

got these little bits that come out so

647

00:30:34,070 --> 00:30:31,260

there's a soft shelf either side of the

648

00:30:36,740 --> 00:30:34,080

fire and she was sat on one of those and

649

00:30:38,750 --> 00:30:36,750

a friend was sat by the window and this

650

00:30:41,169 --> 00:30:38,760

kind of she said she looked up above her

651  
00:30:43,970 --> 00:30:41,179  
friend's head and she saw this kind of

652  
00:30:46,640 --> 00:30:43,980  
circular thing coming through the window

653  
00:30:51,380 --> 00:30:46,650  
and she said it extended like a

654  
00:30:54,890 --> 00:30:51,390  
telescopic tube so you know like an old

655  
00:30:55,610 --> 00:30:54,900  
you know not be locking us watch Carla

656  
00:30:59,840 --> 00:30:55,620  
telescope

657  
00:31:03,260 --> 00:30:59,850  
so it's telescopic and it came out for

658  
00:31:04,870 --> 00:31:03,270  
about three feet and then from this ball

659  
00:31:07,200 --> 00:31:04,880  
emerged

660  
00:31:11,230 --> 00:31:07,210  
and it was Albert a ball of electricity

661  
00:31:14,290 --> 00:31:11,240  
and it hung above her head and then it

662  
00:31:16,270 --> 00:31:14,300  
came down and the tube detracted you

663  
00:31:20,080 --> 00:31:16,280

know it disappeared it kind of folded

664

00:31:23,110 --> 00:31:20,090

back in on itself this bowl of like it

665

00:31:24,760 --> 00:31:23,120

kind of popped over her and a friend she

666

00:31:25,510 --> 00:31:24,770

said so a friend did you say that she

667

00:31:26,920 --> 00:31:25,520

went yes I did

668

00:31:28,690 --> 00:31:26,930

she said I'm out of here she's I'm

669

00:31:28,990 --> 00:31:28,700

coming with you she didn't want to be on

670

00:31:31,360 --> 00:31:29,000

her own

671

00:31:32,230 --> 00:31:31,370

so she went to the shop local shop with

672

00:31:33,910 --> 00:31:32,240

a friend and the friend was getting

673

00:31:37,330 --> 00:31:33,920

whatever she want whatever she was

674

00:31:39,700 --> 00:31:37,340

getting and paula was walking along an

675

00:31:41,590 --> 00:31:39,710

aisle and had all these freezers you

676

00:31:45,760 --> 00:31:41,600

know the metal rim fronts

677

00:31:47,710 --> 00:31:45,770

she put her hand on the the rim as she

678

00:31:49,210 --> 00:31:47,720

was walking along the south freezer so

679

00:31:51,850 --> 00:31:49,220

her hand was sort of sliding along it

680

00:31:53,590 --> 00:31:51,860

and it made a crackling sound and she

681

00:31:55,960 --> 00:31:53,600

put her hands in the freezer it started

682

00:31:58,450 --> 00:31:55,970

making a really loud crackling so she

683

00:32:00,220 --> 00:31:58,460

snaps a hand away and a you know it's

684

00:32:01,690 --> 00:32:00,230

going to hit again she's she's doing it

685

00:32:03,730 --> 00:32:01,700

again she didn't it follows the shop

686

00:32:05,230 --> 00:32:03,740

when it's all crackling and wrecking

687

00:32:07,360 --> 00:32:05,240

this noise Wow

688

00:32:09,190 --> 00:32:07,370

she was completely super Cheshire said

689

00:32:10,950 --> 00:32:09,200

she's never felt so good in our life it

690

00:32:16,330 --> 00:32:10,960

was the you know she's never felt so

691

00:32:18,700 --> 00:32:16,340

happy so fit so well you know I never

692

00:32:20,350 --> 00:32:18,710

and she a friend well she found her on

693

00:32:21,910 --> 00:32:20,360

Facebook probably about five years ago

694

00:32:23,400 --> 00:32:21,920

now is just a friend if she remembered

695

00:32:26,410 --> 00:32:23,410

it she said yes she did

696

00:32:30,100 --> 00:32:26,420

so and I've talked to that woman as well

697

00:32:32,230 --> 00:32:30,110

now but it happened to me as well not

698

00:32:34,720 --> 00:32:32,240

like that not like that I'm not like

699

00:32:36,970 --> 00:32:34,730

your mom it was I was when I first

700

00:32:40,030 --> 00:32:36,980

started seeing my partner now Dave and

701  
00:32:41,260 --> 00:32:40,040  
he lived with his mom his mom was old he

702  
00:32:44,200 --> 00:32:41,270  
was looking after her and he built

703  
00:32:46,570 --> 00:32:44,210  
himself this thing in the garden so it

704  
00:32:49,150 --> 00:32:46,580  
was like a man cave a really large man

705  
00:32:51,910 --> 00:32:49,160  
cave big TV surfer gym equipment all the

706  
00:32:53,830 --> 00:32:51,920  
rest of it so when I started staying

707  
00:32:57,580 --> 00:32:53,840  
over he got a bed and he put that in

708  
00:32:59,350 --> 00:32:57,590  
there and it was a full moon and

709  
00:33:02,320 --> 00:32:59,360  
remember the curtain will open it on the

710  
00:33:03,700 --> 00:33:02,330  
lake this double blaster and the curtain

711  
00:33:05,530 --> 00:33:03,710  
was open a little bit and there was a

712  
00:33:07,510 --> 00:33:05,540  
big shard of light and it was all on

713  
00:33:10,030 --> 00:33:07,520

part of the wall was lit up so it was

714

00:33:14,190 --> 00:33:10,040

quite bright and we were just led their

715

00:33:17,489 --> 00:33:14,200

chat chatting and be Haring Dave

716

00:33:20,970 --> 00:33:17,499

this ball of electricity this bolt it

717

00:33:23,310 --> 00:33:20,980

just popped and it was there and it was

718

00:33:27,539 --> 00:33:23,320

about the size of a basketball and it

719

00:33:29,340 --> 00:33:27,549

had like swirling lines inside it I

720

00:33:31,259 --> 00:33:29,350

don't really know how to describe it but

721

00:33:34,139 --> 00:33:31,269

everything inside it was moving

722

00:33:36,810 --> 00:33:34,149

Dave jump top thinking it was a security

723

00:33:39,869 --> 00:33:36,820

light outside because of the brightness

724

00:33:42,180 --> 00:33:39,879

and I'm good and it just popped and

725

00:33:47,310 --> 00:33:42,190

vanished again so he's looking out of

726

00:33:50,369 --> 00:33:47,320

the window and I when Dave Dave anything

727

00:33:55,560 --> 00:33:50,379

like that security like I said it's not

728

00:33:56,690 --> 00:33:55,570

the security like intubated you're not

729

00:33:59,159 --> 00:33:56,700

gonna like it

730

00:34:01,229 --> 00:33:59,169

this is a big ball of light just to pay

731

00:34:04,710 --> 00:34:01,239

a fee I do just wait pop and then

732

00:34:06,389 --> 00:34:04,720

arrived and then that's it he he reacted

733

00:34:08,069 --> 00:34:06,399

to it dropped out of bed and he can't

734

00:34:11,010 --> 00:34:08,079

see it cuz it was to his back behind his

735

00:34:12,510 --> 00:34:11,020

back and it was you know he jumps up

736

00:34:14,339 --> 00:34:12,520

thinking that the security like to come

737

00:34:16,740 --> 00:34:14,349

on outside and it just popped again and

738

00:34:21,559 --> 00:34:16,750

vanished for what is what are these

739

00:34:25,889 --> 00:34:21,569

balls of electricity very interesting

740

00:34:29,069 --> 00:34:25,899

you know I I renig odd she just put out

741

00:34:31,919 --> 00:34:29,079

a new book recently but she had the book

742

00:34:34,200 --> 00:34:31,929

before her her new book is called sacred

743

00:34:36,869 --> 00:34:34,210

corridors she actually tells my mom's

744

00:34:39,720 --> 00:34:36,879

story sure she talks about it a little

745

00:34:42,389 --> 00:34:39,730

bit but in her the book before is called

746

00:34:43,919 --> 00:34:42,399

inside the lightning ball and she and

747

00:34:46,200 --> 00:34:43,929

her sister when they were children they

748

00:34:49,200 --> 00:34:46,210

hadn't experienced much like the one

749

00:34:51,240 --> 00:34:49,210

that you're talking about and a lot like

750

00:34:54,960 --> 00:34:51,250

the one you know what my mom told you

751  
00:34:56,819 --> 00:34:54,970  
know and and Irina went on to have she

752  
00:34:59,460 --> 00:34:56,829  
was I mean I believe she was probably

753  
00:35:03,180 --> 00:34:59,470  
abducted she's she's she went on to work

754  
00:35:08,670 --> 00:35:03,190  
for the DIA and for she worked she has a

755  
00:35:11,130 --> 00:35:08,680  
PhD she's a full-on scientist and but

756  
00:35:14,010 --> 00:35:11,140  
she she and her sister had had an

757  
00:35:15,990 --> 00:35:14,020  
experience together that was very much

758  
00:35:18,030 --> 00:35:16,000  
exactly like what you're talking about

759  
00:35:19,890 --> 00:35:18,040  
their little ball their ball of light

760  
00:35:21,990 --> 00:35:19,900  
was smaller they thought of it as Tinker

761  
00:35:25,140 --> 00:35:22,000  
Bell or or something but both she and

762  
00:35:27,089 --> 00:35:25,150  
her sister remember it they were

763  
00:35:27,710 --> 00:35:27,099

entranced by it but then they became

764

00:35:30,650 --> 00:35:27,720

skier

765

00:35:32,359 --> 00:35:30,660

of it and they ran downstairs and of

766

00:35:34,099 --> 00:35:32,369

course the parents kind of calmed them

767

00:35:36,320 --> 00:35:34,109

down and told them they were imagine

768

00:35:38,140 --> 00:35:36,330

inna but you you know two people don't

769

00:35:42,710 --> 00:35:38,150

have the same dream at the same time

770

00:35:45,440 --> 00:35:42,720

people don't share hallucinations and

771

00:35:48,320 --> 00:35:45,450

we're talking to PhD an immense emember

772

00:35:52,490 --> 00:35:48,330

here so you know I have a lot of respect

773

00:35:54,260 --> 00:35:52,500

for dr. Irina and apparently I mean you

774

00:35:56,180 --> 00:35:54,270

know it sounds like the Foo Fighters

775

00:35:59,870 --> 00:35:56,190

that fighter pilots were seen during

776

00:36:02,599 --> 00:35:59,880

World War two you know my dad was a b-17

777

00:36:05,030 --> 00:36:02,609

tail gunner and he expressed that he'd

778

00:36:07,460 --> 00:36:05,040

seen you know Foo Fighters he he thought

779

00:36:08,690 --> 00:36:07,470

it was a natural phenomenon but it did

780

00:36:10,220 --> 00:36:08,700

seem like they would follow the

781

00:36:13,220 --> 00:36:10,230

airplanes and that they were being

782

00:36:20,599 --> 00:36:13,230

observed maybe it's an alien probe but

783

00:36:23,599 --> 00:36:20,609

maybe it's the aliens themselves in

784

00:36:27,320 --> 00:36:23,609

certain ways because of the shape of

785

00:36:30,200 --> 00:36:27,330

their cones in our eyes so yes we really

786

00:36:33,589 --> 00:36:30,210

don't know a lot of what's going on

787

00:36:37,370 --> 00:36:33,599

around us the way I see it now is is

788

00:36:39,560 --> 00:36:37,380

it's they tell a story about when when

789

00:36:43,790 --> 00:36:39,570

Cortez came to the new world for the

790

00:36:47,060 --> 00:36:43,800

first time that the that the American

791

00:36:49,820 --> 00:36:47,070

Indians were not able to actually see

792

00:36:52,220 --> 00:36:49,830

the big giant ships that they had sailed

793

00:36:54,800 --> 00:36:52,230

over the ocean but they didn't recognize

794

00:36:58,370 --> 00:36:54,810

them and or understand them it was like

795

00:37:01,609 --> 00:36:58,380

it was a blind spot in their psyche they

796

00:37:03,230 --> 00:37:01,619

didn't see the conch we stood oars until

797

00:37:05,599 --> 00:37:03,240

they were actually growing up to the

798

00:37:07,609 --> 00:37:05,609

shore and their small boats those they

799

00:37:11,300 --> 00:37:07,619

could understand it was like a canoe and

800

00:37:13,609 --> 00:37:11,310

they knew about those but I think that

801  
00:37:16,670 --> 00:37:13,619  
there's a blind spot of perception that

802  
00:37:18,620 --> 00:37:16,680  
humans have and that maybe our visitors

803  
00:37:24,230 --> 00:37:18,630  
actually use that as a form of

804  
00:37:27,020 --> 00:37:24,240  
camouflage yeah and and and so maybe

805  
00:37:30,230 --> 00:37:27,030  
maybe everything you know flying saucers

806  
00:37:32,480 --> 00:37:30,240  
that people saw during the 1950's I mean

807  
00:37:34,550 --> 00:37:32,490  
there's I believe there's an interactive

808  
00:37:38,060 --> 00:37:34,560  
thing that's going on between us and our

809  
00:37:40,160 --> 00:37:38,070  
visitors and and that they can use that

810  
00:37:42,380 --> 00:37:40,170  
to their convenience sometimes and and

811  
00:37:44,900 --> 00:37:42,390  
that will see what they want us to see

812  
00:37:47,270 --> 00:37:44,910  
or what we're capable of seeing and and

813  
00:37:49,579 --> 00:37:47,280

but we're only capable of seeing so much

814

00:37:51,109 --> 00:37:49,589

we're like you know two-dimensional

815

00:37:53,270 --> 00:37:51,119

creatures trying to understand a

816

00:37:57,410 --> 00:37:53,280

three-dimensional form you know we're

817

00:38:04,910 --> 00:37:57,420

we're all Flatlanders really there's a

818

00:38:07,820 --> 00:38:04,920

flat earth I don't believe but it's I

819

00:38:09,950 --> 00:38:07,830

think that it may be a dimensional

820

00:38:11,570 --> 00:38:09,960

phenomenon it's all outer space to me

821

00:38:15,200 --> 00:38:11,580

you know yeah I mean they're it's

822

00:38:18,589 --> 00:38:15,210

light-years or dimensions over who

823

00:38:21,260 --> 00:38:18,599

wherever our visitors come from their

824

00:38:23,780 --> 00:38:21,270

technology is higher than us and and we

825

00:38:27,349 --> 00:38:23,790

may not even be able to understand or

826

00:38:29,210 --> 00:38:27,359

see them in their true form and given

827

00:38:32,750 --> 00:38:29,220

maybe this kind of a reasonable

828

00:38:35,839 --> 00:38:32,760

facsimile for us well I know that the do

829

00:38:40,849 --> 00:38:35,849

you know we only see what they want us

830

00:38:43,520 --> 00:38:40,859

to see in 2012 and January I woke up and

831

00:38:46,339 --> 00:38:43,530

I felt like somebody was drilling inside

832

00:38:49,190 --> 00:38:46,349

my head you know

833

00:38:50,839 --> 00:38:49,200

a really really strong vibration it

834

00:38:55,550 --> 00:38:50,849

knocked me for six

835

00:39:00,589 --> 00:38:55,560

could really hardly move was trying to

836

00:39:02,839 --> 00:39:00,599

move and as the as I looked to my feet

837

00:39:04,910 --> 00:39:02,849

at the bottom of the bed was the doorway

838

00:39:06,680 --> 00:39:04,920

and the light I always had the light on

839

00:39:08,390 --> 00:39:06,690

in the hall was a very spooky house I

840

00:39:10,579 --> 00:39:08,400

didn't like to have the white on above

841

00:39:13,370 --> 00:39:10,589

me and in the room so I left the door

842

00:39:15,980 --> 00:39:13,380

open and the whole light arm and then I

843

00:39:17,990 --> 00:39:15,990

would be able to see the room and so I

844

00:39:19,820 --> 00:39:18,000

woke up this time and had this buzzing

845

00:39:22,070 --> 00:39:19,830

and drilling in my eye but I have a lot

846

00:39:24,589 --> 00:39:22,080

of stuff Lee happens that's weird you

847

00:39:26,180 --> 00:39:24,599

know when I'm asleep and sometimes I

848

00:39:27,620 --> 00:39:26,190

think I'm acting things out I don't know

849

00:39:30,320 --> 00:39:27,630

what's going on it's hard to you know

850

00:39:31,880 --> 00:39:30,330

get a grip of what's going on so as I

851  
00:39:34,430 --> 00:39:31,890  
can see somebody stood in the doorway

852  
00:39:36,560 --> 00:39:34,440  
and I thought it was a Power Ranger and

853  
00:39:39,740 --> 00:39:36,570  
I've got a little boy so Power Rangers a

854  
00:39:41,960 --> 00:39:39,750  
part of my life you know especially them

855  
00:39:45,020 --> 00:39:41,970  
so that's I was like it's a Power Ranger

856  
00:39:47,900 --> 00:39:45,030  
no it's a baker and then I thought what

857  
00:39:50,960 --> 00:39:47,910  
is it no it's not like oh my god

858  
00:39:52,780 --> 00:39:50,970  
and I as I was like they're looking at

859  
00:39:55,990 --> 00:39:52,790  
this thing in the doorway I was

860  
00:39:58,750 --> 00:39:56,000  
thinking to myself this is ridiculous

861  
00:40:00,520 --> 00:39:58,760  
that I'm actually looking at an alien in

862  
00:40:02,380 --> 00:40:00,530  
a silver suit with a helmet

863  
00:40:04,720 --> 00:40:02,390

you know there's silly stories you think

864

00:40:06,370 --> 00:40:04,730

that's silly silly stuff why would the

865

00:40:09,550 --> 00:40:06,380

wear clothes and things like that you

866

00:40:14,260 --> 00:40:09,560

know so um I'd realized what I was

867

00:40:17,890 --> 00:40:14,270

looking at and I was just saying like go

868

00:40:19,570 --> 00:40:17,900

away leave me alone you know he didn't

869

00:40:23,980 --> 00:40:19,580

want anything to do with me it was there

870

00:40:25,960 --> 00:40:23,990

for the other people in the house and so

871

00:40:27,100 --> 00:40:25,970

I was I was thinking to myself this is

872

00:40:30,100 --> 00:40:27,110

ridiculous

873

00:40:31,630 --> 00:40:30,110

they it's wearing this well I'm trying

874

00:40:33,520 --> 00:40:31,640

to get up I'm trying to pull myself up

875

00:40:35,650 --> 00:40:33,530

but all I'm doing is grabbing handfuls

876

00:40:37,090 --> 00:40:35,660

of the duvet cover and not the quilt I

877

00:40:41,200 --> 00:40:37,100

couldn't actually get a purchase and

878

00:40:42,640 --> 00:40:41,210

anything to sit up and see how could I

879

00:40:45,040 --> 00:40:42,650

like in memories but legs maybe mouths

880

00:40:48,900 --> 00:40:45,050

moving and not a lot happening you know

881

00:40:52,120 --> 00:40:48,910

well I'm looking at this thing and so

882

00:40:54,490 --> 00:40:52,130

one part first it was staring at me you

883

00:40:56,500 --> 00:40:54,500

know so it's like face onto me and then

884

00:40:58,090 --> 00:40:56,510

it was looking down the stairs because

885

00:41:00,130 --> 00:40:58,100

the staircase was literally right

886

00:41:02,650 --> 00:41:00,140

outside my bedroom door and I was in the

887

00:41:05,350 --> 00:41:02,660

attic and it was looking down the stairs

888

00:41:08,410 --> 00:41:05,360

and I'm thinking this is ridiculous

889

00:41:11,530 --> 00:41:08,420

he's got a helmet and the silver so you

890

00:41:13,030 --> 00:41:11,540

know he looked at me and as soon as it

891

00:41:17,800 --> 00:41:13,040

looked something on us our big buck eyes

892

00:41:21,460 --> 00:41:17,810

and this huge visor and it was like warm

893

00:41:25,120 --> 00:41:21,470

water trickling inside my head that's

894

00:41:28,570 --> 00:41:25,130

sorry it felt like like a bomb of water

895

00:41:31,240 --> 00:41:28,580

and it was information and that's

896

00:41:33,160 --> 00:41:31,250

telepathy I understand this now there

897

00:41:36,690 --> 00:41:33,170

were no words it was not words

898

00:41:39,550 --> 00:41:36,700

it was images and it was like and just

899

00:41:42,460 --> 00:41:39,560

it was just like an information bomb so

900

00:41:45,570 --> 00:41:42,470

I knew something without being told it

901  
00:41:49,750 --> 00:41:45,580  
or having to read it it was a case of

902  
00:41:51,850 --> 00:41:49,760  
suit the silver threads that were

903  
00:41:55,170 --> 00:41:51,860  
running through it they send out an

904  
00:42:00,940 --> 00:41:55,180  
electrical current it bends light around

905  
00:42:06,290 --> 00:42:00,950  
itself so it can mask it can be can't be

906  
00:42:09,480 --> 00:42:06,300  
seen in infrared things like that

907  
00:42:12,349 --> 00:42:09,490  
and it protects them from other forms of

908  
00:42:14,640 --> 00:42:12,359  
light which can penetrate into their

909  
00:42:16,650 --> 00:42:14,650  
internal organs or whatever they've got

910  
00:42:19,589 --> 00:42:16,660  
going on in there and that can affect

911  
00:42:21,540 --> 00:42:19,599  
them so it keeps in heat so there's no

912  
00:42:24,150 --> 00:42:21,550  
heat signature it bends light so that

913  
00:42:29,370 --> 00:42:24,160

there's no everything you can't see it

914

00:42:32,520 --> 00:42:29,380

and you know it just basically makes

915

00:42:36,720 --> 00:42:32,530

them invisible to any kind of technology

916

00:42:38,730 --> 00:42:36,730

and the helmet I kind of got a close-up

917

00:42:42,300 --> 00:42:38,740

somehow I can see it like it was like a

918

00:42:44,550 --> 00:42:42,310

Nike swoosh with a circle in it and it

919

00:42:48,089 --> 00:42:44,560

was a filter an air filter because the

920

00:42:52,020 --> 00:42:48,099

air is toxic to them but the helmet was

921

00:42:56,370 --> 00:42:52,030

for because there's a signal being

922

00:42:59,790 --> 00:42:56,380

emitted that disrupts their mental

923

00:43:02,130 --> 00:42:59,800

function and I don't know if they can

924

00:43:05,339 --> 00:43:02,140

become separated or you know it

925

00:43:09,089 --> 00:43:05,349

basically this high-pitched tone affects

926

00:43:13,109 --> 00:43:09,099

their mental function the is toxic to

927

00:43:17,520 --> 00:43:13,119

them and the suit basically masks them

928

00:43:19,710 --> 00:43:17,530

and it had shown itself to me because I

929

00:43:21,180 --> 00:43:19,720

knew they were around and you were I

930

00:43:22,470 --> 00:43:21,190

could feel them I knew that was

931

00:43:24,089 --> 00:43:22,480

something was going on and I knew

932

00:43:27,720 --> 00:43:24,099

something was going on with my children

933

00:43:30,240 --> 00:43:27,730

and I just knew it and I all night I was

934

00:43:32,309 --> 00:43:30,250

in the kitchen and I can remember

935

00:43:34,319 --> 00:43:32,319

thinking I know yeah I know yeah I could

936

00:43:37,380 --> 00:43:34,329

feel them and I said you were

937

00:43:38,250 --> 00:43:37,390

cowards hiding hmm you know

938

00:43:42,210 --> 00:43:38,260

you're pathetic

939

00:43:44,400 --> 00:43:42,220

hiding from me oh you know hiding from a

940

00:43:46,980 --> 00:43:44,410

little woman with a children on her own

941

00:43:48,300 --> 00:43:46,990

at home you know at you bridge and so

942

00:43:50,010 --> 00:43:48,310

the shirt themselves to make because I

943

00:43:52,380 --> 00:43:50,020

challenged him like that I said that no

944

00:43:58,109 --> 00:43:52,390

you are here I can feel you

945

00:44:01,170 --> 00:43:58,119

and then so a little while later after

946

00:44:03,480 --> 00:44:01,180

this parlor my friend she's telling me

947

00:44:07,079 --> 00:44:03,490

about this experience she has with this

948

00:44:09,120 --> 00:44:07,089

little alien the little gray that he

949

00:44:14,300 --> 00:44:09,130

sometimes makes himself look human and

950

00:44:20,700 --> 00:44:18,260

little Tobey alien and Wow he

951  
00:44:22,710 --> 00:44:20,710  
actually I mean that's that's actually a

952  
00:44:29,160 --> 00:44:22,720  
Whitley Strieber had had some of those

953  
00:44:30,810 --> 00:44:29,170  
little guys yeah as well but she said

954  
00:44:32,430 --> 00:44:30,820  
that she's kind of like on the street

955  
00:44:34,020 --> 00:44:32,440  
and she knew it was in America you know

956  
00:44:36,060 --> 00:44:34,030  
she's never been it was in America and

957  
00:44:38,100 --> 00:44:36,070  
there are these skyscrapers and there

958  
00:44:39,630 --> 00:44:38,110  
were groups of people on the pavement

959  
00:44:41,130 --> 00:44:39,640  
you know either side of the road and

960  
00:44:44,640 --> 00:44:41,140  
they were talking to each other they

961  
00:44:46,530 --> 00:44:44,650  
were just like a normal scene but this

962  
00:44:49,590 --> 00:44:46,540  
Danny DeVito and they had this thing in

963  
00:44:51,300 --> 00:44:49,600

the hand it was like a jellyfish and he

964

00:44:53,310 --> 00:44:51,310

said put it to your eyes so she picked

965

00:44:55,260 --> 00:44:53,320

it up and she took it did she put it in

966

00:44:57,750 --> 00:44:55,270

front of her face and it came to life

967

00:44:59,310 --> 00:44:57,760

and suckered itself on so around her

968

00:45:01,860 --> 00:44:59,320

eyes and over and those not all of her

969

00:45:05,430 --> 00:45:01,870

nostrils think of her nostrils being

970

00:45:07,350 --> 00:45:05,440

suckered itself onto her face and she

971

00:45:09,390 --> 00:45:07,360

said she looked up and in between these

972

00:45:12,240 --> 00:45:09,400

buildings she could see geometric shapes

973

00:45:17,670 --> 00:45:12,250

hanging in the air like square you know

974

00:45:22,130 --> 00:45:17,680

like cubes in the clouds there were fish

975

00:45:24,000 --> 00:45:22,140

swimming in between the buildings and

976

00:45:25,650 --> 00:45:24,010

she said she could hear the

977

00:45:27,600 --> 00:45:25,660

conversations of all of these different

978

00:45:28,800 --> 00:45:27,610

people that were around her but she

979

00:45:30,360 --> 00:45:28,810

could understand what they were all

980

00:45:33,150 --> 00:45:30,370

talking about it wasn't a jumble of

981

00:45:35,280 --> 00:45:33,160

noise it's suddenly become separated and

982

00:45:36,630 --> 00:45:35,290

she could hear everything and she

983

00:45:38,840 --> 00:45:36,640

understood what was going on around her

984

00:45:42,150 --> 00:45:38,850

behind her in front of air above her

985

00:45:44,220 --> 00:45:42,160

she's just knew 3:16 what was going on

986

00:45:45,780 --> 00:45:44,230

and could hear all these individual

987

00:45:47,250 --> 00:45:45,790

different conversations without it

988

00:45:49,560 --> 00:45:47,260

getting confused and messed up in the

989

00:45:51,240 --> 00:45:49,570

head so I said well that's interesting

990

00:45:54,960 --> 00:45:51,250

because we've got now we've got the suit

991

00:45:57,030 --> 00:45:54,970

the helmet and the eyes between us so

992

00:46:00,960 --> 00:45:57,040

you know it's it's important that we

993

00:46:04,440 --> 00:46:00,970

talk as abductees because we find these

994

00:46:05,790 --> 00:46:04,450

little things out like that yeah well I

995

00:46:08,910 --> 00:46:05,800

think that we're being visited by

996

00:46:12,090 --> 00:46:08,920

multiple races and I think that there's

997

00:46:15,330 --> 00:46:12,100

different different you know various

998

00:46:17,760 --> 00:46:15,340

intent even in the same races sometimes

999

00:46:19,980 --> 00:46:17,770

I mean some people will you know I

1000

00:46:23,610 --> 00:46:19,990

working with the experimenter research

1001

00:46:26,550 --> 00:46:23,620

team I hear a lot of a lot of people's

1002

00:46:28,950 --> 00:46:26,560

stories about their visitations and and

1003

00:46:32,010 --> 00:46:28,960

some of them it's a continual horror

1004

00:46:34,620 --> 00:46:32,020

show and for other people it's like

1005

00:46:37,500 --> 00:46:34,630

it's their Angel overseers they couldn't

1006

00:46:39,210 --> 00:46:37,510

imagine not having them there and this

1007

00:46:40,710 --> 00:46:39,220

was a mystery to me it still is a

1008

00:46:42,660 --> 00:46:40,720

mystery I mean if I told you I

1009

00:46:44,820 --> 00:46:42,670

understood it I would be lying to you I

1010

00:46:46,920 --> 00:46:44,830

mean I feel like I have a better

1011

00:46:50,610 --> 00:46:46,930

understanding of it than I used to I was

1012

00:46:53,130 --> 00:46:50,620

very naive about it but but I think that

1013

00:46:56,370 --> 00:46:53,140

there's there's it's almost like some of

1014

00:46:58,230 --> 00:46:56,380

us are tagged for some reason it's a

1015

00:47:00,540 --> 00:46:58,240

lifelong thing I think that that

1016

00:47:01,980 --> 00:47:00,550

happened with my mom it probably

1017

00:47:03,840 --> 00:47:01,990

happened with you and your friend as

1018

00:47:06,420 --> 00:47:03,850

well I I don't think there's anything

1019

00:47:10,560 --> 00:47:06,430

random about the visitations that people

1020

00:47:12,300 --> 00:47:10,570

are experiencing well the way that Paul

1021

00:47:15,660 --> 00:47:12,310

occurrence in real life was very strange

1022

00:47:18,240 --> 00:47:15,670

as well because at that time it was

1023

00:47:20,310 --> 00:47:18,250

wedding you know I'd seen that gray in

1024

00:47:23,130 --> 00:47:20,320

the January it was the following July

1025

00:47:25,050 --> 00:47:23,140

that I met Paula and she didn't know

1026  
00:47:26,760 --> 00:47:25,060  
what was going on with her and I'd never

1027  
00:47:29,730 --> 00:47:26,770  
had anything to do with the Grays before

1028  
00:47:31,650 --> 00:47:29,740  
I'd add reptilians the little blue guys

1029  
00:47:36,630 --> 00:47:31,660  
and the little beige one with like human

1030  
00:47:39,840 --> 00:47:36,640  
eyes but you know she's a nice life long

1031  
00:47:42,240 --> 00:47:39,850  
situation with greys and it was all new

1032  
00:47:44,240 --> 00:47:42,250  
to me was this one and it wasn't even

1033  
00:47:47,130 --> 00:47:44,250  
about me it was about one of my children

1034  
00:47:49,080 --> 00:47:47,140  
so I didn't know what was going on and

1035  
00:47:51,390 --> 00:47:49,090  
and we came into each other's lives

1036  
00:47:52,980 --> 00:47:51,400  
in such a strange way that we kind of

1037  
00:47:57,960 --> 00:47:52,990  
really fit it together at that time

1038  
00:48:00,120 --> 00:47:57,970

because I knew about aliens and she even

1039

00:48:01,740 --> 00:48:00,130

though it's hard to believe you know

1040

00:48:03,420 --> 00:48:01,750

somebody's describing these little

1041

00:48:04,920 --> 00:48:03,430

three-foot brave things with big black

1042

00:48:07,080 --> 00:48:04,930

eyes and they still don't know that it's

1043

00:48:10,830 --> 00:48:07,090

aliens you know you need it saying to

1044

00:48:13,100 --> 00:48:10,840

you sometimes but I was lost I was

1045

00:48:15,780 --> 00:48:13,110

completely lost I was a single mom and

1046

00:48:17,700 --> 00:48:15,790

you know I didn't know what to do and I

1047

00:48:20,670 --> 00:48:17,710

just knew they were there just knew

1048

00:48:22,410 --> 00:48:20,680

something was going on and the house I

1049

00:48:24,750 --> 00:48:22,420

was I've been so much paranormal stuff

1050

00:48:27,000 --> 00:48:24,760

going on as well I'm a little bit we're

1051  
00:48:28,380 --> 00:48:27,010  
seeing a dead body behind the surfer and

1052  
00:48:30,960 --> 00:48:28,390  
you know all this kind of weird stuff

1053  
00:48:32,610 --> 00:48:30,970  
for Paula's a medium so she's used to

1054  
00:48:34,260 --> 00:48:32,620  
all these things even though she's not

1055  
00:48:36,840 --> 00:48:34,270  
she doesn't do readings are anything

1056  
00:48:38,760 --> 00:48:36,850  
like doesn't have any profession in it

1057  
00:48:39,920 --> 00:48:38,770  
she is wrong and she has these

1058  
00:48:43,130 --> 00:48:39,930  
experiences

1059  
00:48:45,620 --> 00:48:43,140  
and it was weird weird weird how we

1060  
00:48:49,220 --> 00:48:45,630  
ended up together right at that point in

1061  
00:48:53,660 --> 00:48:49,230  
time and my little boy he walks up to

1062  
00:48:56,349 --> 00:48:53,670  
her dear girl do you see the aliens you

1063  
00:48:58,640 --> 00:48:56,359

know it's not talking to her about them

1064

00:49:00,710 --> 00:48:58,650

as he talked to me about though he was

1065

00:49:03,200 --> 00:49:00,720

crazy when he was 3 years old

1066

00:49:05,029 --> 00:49:03,210

telling me this stuff and this one

1067

00:49:08,049 --> 00:49:05,039

particular on that day told me all these

1068

00:49:10,789 --> 00:49:08,059

things that had happened to him and I

1069

00:49:12,559 --> 00:49:10,799

was in the bathroom upstairs and I was

1070

00:49:13,760 --> 00:49:12,569

cleaning their bathroom because the kids

1071

00:49:15,440 --> 00:49:13,770

have their own bathroom had to another

1072

00:49:17,390 --> 00:49:15,450

one massive massive house that I lived

1073

00:49:21,950 --> 00:49:17,400

in all alone with you see me children

1074

00:49:23,750 --> 00:49:21,960

and it comes up behind mine and I'm

1075

00:49:26,329 --> 00:49:23,760

thinking how can I stop this what can I

1076

00:49:27,769 --> 00:49:26,339

do I can't sit outside the bedroom door

1077

00:49:30,319 --> 00:49:27,779

with a knife all night you know these

1078

00:49:31,730 --> 00:49:30,329

kind of thinking like how can I stop him

1079

00:49:35,029 --> 00:49:31,740

how could I get him to leave him alone

1080

00:49:36,710 --> 00:49:35,039

and and he just walked up behind me and

1081

00:49:39,230 --> 00:49:36,720

he wasn't even anywhere near me I'm not

1082

00:49:41,870 --> 00:49:39,240

saying anything out loud and he goes you

1083

00:49:43,400 --> 00:49:41,880

can't stop him mommy and I just turned

1084

00:49:45,680 --> 00:49:43,410

around and I looked at him and I said

1085

00:49:47,359 --> 00:49:45,690

why not and he said because the bigger

1086

00:49:50,960 --> 00:49:47,369

than you and he turned around and walked

1087

00:49:53,450 --> 00:49:50,970

off I just lost it I lost it that night

1088

00:49:57,049 --> 00:49:53,460

I've never lost it like that in my life

1089

00:49:59,329 --> 00:49:57,059

I did not make a sound but I screamed

1090

00:50:02,809 --> 00:49:59,339

and carried on and said all sorts of

1091

00:50:05,420 --> 00:50:02,819

things you know and you know he's

1092

00:50:07,690 --> 00:50:05,430

talking about it like he'd talk about

1093

00:50:09,529 --> 00:50:07,700

something he'd seen on TV but you know

1094

00:50:12,799 --> 00:50:09,539

something that had happened to a friend

1095

00:50:15,470 --> 00:50:12,809

or whatever just like he's going to

1096

00:50:17,660 --> 00:50:15,480

school soon and he's gonna talk about it

1097

00:50:19,760 --> 00:50:17,670

like oh my god you know I've just my

1098

00:50:21,410 --> 00:50:19,770

brain flicked it was like you've got to

1099

00:50:21,859 --> 00:50:21,420

do something about this this is your

1100

00:50:23,750 --> 00:50:21,869

fault

1101

00:50:26,150 --> 00:50:23,760

y'all gonna messes I don't like you've

1102

00:50:28,130 --> 00:50:26,160

messed mind up blah blah blah you know I

1103

00:50:32,599 --> 00:50:28,140

kind of stuff but I was crazy I was a

1104

00:50:34,670 --> 00:50:32,609

crazy person and the next day or a

1105

00:50:36,890 --> 00:50:34,680

couple of days later and I think I'm

1106

00:50:40,519 --> 00:50:36,900

sure it was the next day and parlour

1107

00:50:42,500 --> 00:50:40,529

will come around and ice because he

1108

00:50:43,970 --> 00:50:42,510

talks about in front of her I just

1109

00:50:46,300 --> 00:50:43,980

mentioned something I don't put it in

1110

00:50:48,940 --> 00:50:46,310

his head and I've never remain

1111

00:50:49,810 --> 00:50:48,950

and he went oh they went in my room mama

1112

00:50:51,310 --> 00:50:49,820

don't be silly

1113

00:50:55,960 --> 00:50:51,320

anyway they said bye-bye now they've

1114

00:50:57,849 --> 00:50:55,970

gone away and I thought wow it worked so

1115

00:51:00,069 --> 00:50:57,859

I don't know if that works forever

1116

00:51:03,190 --> 00:51:00,079

because I've not heard anything out it

1117

00:51:05,620 --> 00:51:03,200

does work for some people I mean the the

1118

00:51:10,510 --> 00:51:05,630

things that seem to work if you want to

1119

00:51:13,150 --> 00:51:10,520

make visitations stop if the person has

1120

00:51:15,069 --> 00:51:13,160

a religious background they can call on

1121

00:51:18,190 --> 00:51:15,079

their deity and that seems to work

1122

00:51:22,810 --> 00:51:18,200

whether it's a Christian or or Buddhist

1123

00:51:25,000 --> 00:51:22,820

or Hindu or anything that seems to be

1124

00:51:28,599 --> 00:51:25,010

one way that you can you know bind it

1125

00:51:33,960 --> 00:51:28,609

like a spirit and and cast it out if you

1126

00:51:36,880 --> 00:51:33,970

have a background in say like paganism

1127

00:51:39,730 --> 00:51:36,890

you can do the same burning of sage and

1128

00:51:42,849 --> 00:51:39,740

the rain of salt around the house and

1129

00:51:45,400 --> 00:51:42,859

and banishing it from your house that's

1130

00:51:48,670 --> 00:51:45,410

supposed to work and some people just

1131

00:51:50,950 --> 00:51:48,680

say like like your like your son said to

1132

00:51:53,680 --> 00:51:50,960

you that all you have to do is ask and

1133

00:51:57,250 --> 00:51:53,690

just tell them this is interrupting

1134

00:52:00,010 --> 00:51:57,260

my life it's it's it's doing a harm and

1135

00:52:03,059 --> 00:52:00,020

to myself and my family and you have to

1136

00:52:05,890 --> 00:52:03,069

stop and sometimes that works

1137

00:52:08,890 --> 00:52:05,900

unfortunately for some people though it

1138

00:52:13,300 --> 00:52:08,900

that it seems like nothing really can

1139

00:52:16,120 --> 00:52:13,310

stop it and I've met people that that

1140

00:52:18,370 --> 00:52:16,130

just wanted to strangle or shoot their

1141

00:52:20,859 --> 00:52:18,380

aliens you know I there there was one

1142

00:52:22,780 --> 00:52:20,869

guy that started sleeping with a pistol

1143

00:52:25,390 --> 00:52:22,790

and he was just thinking well if I can

1144

00:52:27,910 --> 00:52:25,400

just you know get them before I go into

1145

00:52:29,950 --> 00:52:27,920

total paralysis maybe I can kill them

1146

00:52:32,140 --> 00:52:29,960

you know it's like well you probably

1147

00:52:33,910 --> 00:52:32,150

don't want to do that you know you the

1148

00:52:35,770 --> 00:52:33,920

bullet will go through the wall and kill

1149

00:52:39,040 --> 00:52:35,780

a neighbor or you might start an

1150

00:52:40,230 --> 00:52:39,050

interstellar war or something that's

1151

00:52:44,530 --> 00:52:40,240

such a good idea

1152

00:52:46,180 --> 00:52:44,540

Paul Paul I managed to kick one who

1153

00:52:48,400 --> 00:52:46,190

should get a leg free you know the kind

1154

00:52:50,410 --> 00:52:48,410

of like that he can't move really she

1155

00:52:53,170 --> 00:52:50,420

sort of she kicked it she said he just

1156

00:52:55,150 --> 00:52:53,180

flew backwards so you know like she

1157

00:52:57,520 --> 00:52:55,160

didn't kick it really really hard it was

1158

00:52:59,410 --> 00:52:57,530

kind of like more like a leg jerk

1159

00:53:02,830 --> 00:52:59,420

is she didn't have full control over her

1160

00:53:06,040 --> 00:53:02,840

body and it came back as a cat and you

1161

00:53:08,290 --> 00:53:06,050

know because she's a cat lady so she's

1162

00:53:12,990 --> 00:53:08,300

going now did you do it like that and

1163

00:53:17,560 --> 00:53:15,250

normal thing to it you know I mean

1164

00:53:19,570 --> 00:53:17,570

that's the thing and I I've recently

1165

00:53:21,550 --> 00:53:19,580

taken the saying that it's not so much

1166

00:53:24,580 --> 00:53:21,560

paranormal as that we just need to

1167

00:53:27,700 --> 00:53:24,590

expand our idea of what normal is yeah

1168

00:53:29,850 --> 00:53:27,710

you look at physics you know it's is it

1169

00:53:32,770 --> 00:53:29,860

a wave or a particle I mean this drove

1170

00:53:34,990 --> 00:53:32,780

Einstein nuts he said I can't believe

1171

00:53:37,090 --> 00:53:35,000

this you know God doesn't play dice with

1172

00:53:40,210 --> 00:53:37,100

the universe but apparently God does

1173

00:53:42,100 --> 00:53:40,220

like to play dice with the universe and

1174

00:53:44,440 --> 00:53:42,110

you know they would they had like this

1175

00:53:46,540 --> 00:53:44,450

double slit experiment they did where

1176  
00:53:51,010 --> 00:53:46,550  
you know it would be a a particle would

1177  
00:53:52,900 --> 00:53:51,020  
go in and then by looking at it and

1178  
00:53:54,760 --> 00:53:52,910  
observing it the scientists would

1179  
00:53:56,380 --> 00:53:54,770  
actually they would they would get the

1180  
00:53:58,150 --> 00:53:56,390  
result that they were expecting maybe

1181  
00:54:00,010 --> 00:53:58,160  
they would think of it should act like a

1182  
00:54:03,040 --> 00:54:00,020  
wave and the particle which would have

1183  
00:54:05,110 --> 00:54:03,050  
the appearance of a wave and they came

1184  
00:54:08,410 --> 00:54:05,120  
up with a nonsense word called a wave

1185  
00:54:10,600 --> 00:54:08,420  
achill to explain it but it doesn't make

1186  
00:54:13,090 --> 00:54:10,610  
any sense and they know that you want

1187  
00:54:16,630 --> 00:54:13,100  
some entanglement stuff and I think that

1188  
00:54:18,970 --> 00:54:16,640

the the phenomenon is is large things

1189

00:54:21,790 --> 00:54:18,980

acting like the smallest things that

1190

00:54:24,580 --> 00:54:21,800

exist it's like the shire cat or like

1191

00:54:26,740 --> 00:54:24,590

Schrodinger's cat you know I mean you

1192

00:54:28,690 --> 00:54:26,750

can go out there is a UFO investigator

1193

00:54:31,300 --> 00:54:28,700

and hope to catch you know something

1194

00:54:33,520 --> 00:54:31,310

with a net that's physical and as soon

1195

00:54:35,440 --> 00:54:33,530

as you know swooped down goes the net it

1196

00:54:39,490 --> 00:54:35,450

takes on the attributes of something

1197

00:54:41,110 --> 00:54:39,500

like a ghost and this is not unusual you

1198

00:54:43,090 --> 00:54:41,120

know Jacques Vallee is written about

1199

00:54:47,650 --> 00:54:43,100

this is talked about it for many many

1200

00:54:50,740 --> 00:54:47,660

years and I've experienced this and I

1201  
00:54:52,690 --> 00:54:50,750  
know other people have as well that but

1202  
00:54:55,690 --> 00:54:52,700  
it's almost like you know it's quantum

1203  
00:54:58,930 --> 00:54:55,700  
physics brought up to a level that is

1204  
00:55:00,730 --> 00:54:58,940  
physical and observable to humans it's

1205  
00:55:02,860 --> 00:55:00,740  
it's huge things acting like the

1206  
00:55:05,680 --> 00:55:02,870  
smallest things in the universe

1207  
00:55:07,780 --> 00:55:05,690  
these don't they'll repeat that they

1208  
00:55:10,000 --> 00:55:07,790  
they look like stuff I've got an album

1209  
00:55:10,570 --> 00:55:10,010  
on Facebook with things that I blow my

1210  
00:55:14,650 --> 00:55:10,580  
mind

1211  
00:55:16,180 --> 00:55:14,660  
cult stuff that looks like stuff you

1212  
00:55:18,580 --> 00:55:16,190  
know you got a clock that looks like a

1213  
00:55:20,320 --> 00:55:18,590

galaxy and you know there's all those

1214

00:55:25,960 --> 00:55:20,330

kind of things that micro macro and the

1215

00:55:28,450 --> 00:55:25,970

micro that there's little it's like

1216

00:55:30,340 --> 00:55:28,460

looking at a Mandelbrot fractal you know

1217

00:55:32,890 --> 00:55:30,350

I mean it's repeated patterns and they

1218

00:55:35,890 --> 00:55:32,900

go on and on and on and it's the same

1219

00:55:38,350 --> 00:55:35,900

patterns but it's minuscule to two grand

1220

00:55:40,390 --> 00:55:38,360

and and you look at the whole pattern

1221

00:55:43,000 --> 00:55:40,400

from a distance and and all the the

1222

00:55:47,830 --> 00:55:43,010

entirety of it looks like the smallest

1223

00:55:49,480 --> 00:55:47,840

little tributary of the fractal and it's

1224

00:55:52,140 --> 00:55:49,490

the same thing with with with this

1225

00:55:55,270 --> 00:55:52,150

phenomenon it's it's very very strange

1226

00:56:00,520 --> 00:55:55,280

but it's no stranger than popular

1227

00:56:02,440 --> 00:56:00,530

physics right now well I actually liked

1228

00:56:04,690 --> 00:56:02,450

you know the skin walk around your

1229

00:56:06,460 --> 00:56:04,700

investigation that the dead now I

1230

00:56:07,960 --> 00:56:06,470

thought that was interesting some of the

1231

00:56:11,320 --> 00:56:07,970

stuff that they'd seen there with the

1232

00:56:13,180 --> 00:56:11,330

big like the the orange circle that

1233

00:56:14,890 --> 00:56:13,190

opened it was like a heart beating and

1234

00:56:18,190 --> 00:56:14,900

it was Paulson and pulsing and then

1235

00:56:20,920 --> 00:56:18,200

something stepped out of it right

1236

00:56:23,680 --> 00:56:20,930

well Paula friend she's seen that in

1237

00:56:26,500 --> 00:56:23,690

Bradford which is a city you know it

1238

00:56:30,040 --> 00:56:26,510

leaves us kind of it's not very fancy

1239

00:56:32,950 --> 00:56:30,050

city you know you go you are there no

1240

00:56:34,720 --> 00:56:32,960

way so this phenomena is not exclusive

1241

00:56:37,450 --> 00:56:34,730

to places like that I think it needs a

1242

00:56:39,610 --> 00:56:37,460

living agent as well so depending on

1243

00:56:41,680 --> 00:56:39,620

who's living in the areas depends on the

1244

00:56:44,740 --> 00:56:41,690

kind of nature of the activity that

1245

00:56:46,600 --> 00:56:44,750

might go on around there but the thing

1246

00:56:48,400 --> 00:56:46,610

that they did the thing that they did

1247

00:56:50,350 --> 00:56:48,410

was they stuck to a very strict

1248

00:56:52,510 --> 00:56:50,360

guideline of what they would accept as

1249

00:56:55,540 --> 00:56:52,520

evidence and then they discounted

1250

00:56:58,030 --> 00:56:55,550

everything else but everything else is

1251  
00:56:59,950 --> 00:56:58,040  
all a part of what was going on and I

1252  
00:57:03,040 --> 00:56:59,960  
really wish that they would take all

1253  
00:57:05,680 --> 00:57:03,050  
that data and marry it so the stuff that

1254  
00:57:07,780 --> 00:57:05,690  
they they left you know they left into

1255  
00:57:11,380 --> 00:57:07,790  
in the their findings and brought about

1256  
00:57:13,630 --> 00:57:11,390  
in the book and what was all the papers

1257  
00:57:16,030 --> 00:57:13,640  
that they've discounted that's what I

1258  
00:57:19,330 --> 00:57:16,040  
want to know because that's where I

1259  
00:57:21,130 --> 00:57:19,340  
think we will make most headway not the

1260  
00:57:22,840 --> 00:57:21,140  
big things the little things the little

1261  
00:57:26,040 --> 00:57:22,850  
traces left behind

1262  
00:57:28,570 --> 00:57:26,050  
you know the vapors literally vapors

1263  
00:57:32,560 --> 00:57:28,580

you've seen that loot the film loopers

1264

00:57:35,020 --> 00:57:32,570

whether jumping from jump from place to

1265

00:57:37,210 --> 00:57:35,030

place and they can follow that they can

1266

00:57:39,970 --> 00:57:37,220

trace that I mean that's the kind of

1267

00:57:42,610 --> 00:57:39,980

thing that I'm kind of picturing in my

1268

00:57:45,490 --> 00:57:42,620

head when I say that these vapors has

1269

00:57:48,340 --> 00:57:45,500

got to be something measurable they're

1270

00:57:50,380 --> 00:57:48,350

with the right equipment you know all

1271

00:57:51,880 --> 00:57:50,390

right so - I think it's a physical

1272

00:57:54,790 --> 00:57:51,890

phenomena it's not all just

1273

00:57:57,630 --> 00:57:54,800

psychological I think they can use you

1274

00:58:01,090 --> 00:57:57,640

know our our own psyches as a form of

1275

00:58:03,250 --> 00:58:01,100

camouflage sometimes or that perhaps

1276

00:58:05,260 --> 00:58:03,260

they appear to us in a way that we can

1277

00:58:08,950 --> 00:58:05,270

understand is simply because we couldn't

1278

00:58:11,290 --> 00:58:08,960

understand otherwise or maybe just the

1279

00:58:14,620 --> 00:58:11,300

way that our minds interpret seen

1280

00:58:18,400 --> 00:58:14,630

something that's ineffable you know but

1281

00:58:20,650 --> 00:58:18,410

but I agree I and I think that that the

1282

00:58:23,290 --> 00:58:20,660

phenomenon it seems to open up a portal

1283

00:58:26,650 --> 00:58:23,300

and that that strange stuff comes

1284

00:58:29,680 --> 00:58:26,660

through and it's not just in our

1285

00:58:32,530 --> 00:58:29,690

lifetimes or our parents lifetimes I

1286

00:58:34,660 --> 00:58:32,540

mean the RAND Corporation for instance

1287

00:58:37,120 --> 00:58:34,670

which was a part of Hughes Aircraft at

1288

00:58:39,310 --> 00:58:37,130

one time it was you know the the

1289

00:58:43,570 --> 00:58:39,320

research and development wing of the

1290

00:58:47,200 --> 00:58:43,580

army they used to give new workers a

1291

00:58:49,120 --> 00:58:47,210

little pamphlet that was about UFOs and

1292

00:58:51,610 --> 00:58:49,130

I actually have a copy of the pamphlet

1293

00:58:57,070 --> 00:58:51,620

all right I have a you know copy of it

1294

00:58:59,770 --> 00:58:57,080

that I got it as a PDF file but in in in

1295

00:59:03,550 --> 00:58:59,780

the the pamphlet talked about religious

1296

00:59:06,070 --> 00:59:03,560

sightings like Waterloo Bay the Virgin

1297

00:59:09,250 --> 00:59:06,080

of Guadalupe where a whole town saw this

1298

00:59:12,070 --> 00:59:09,260

had this religious experience saw this

1299

00:59:15,250 --> 00:59:12,080

saw the virgin come down in the sky and

1300

00:59:17,100 --> 00:59:15,260

was there over them and it was had every

1301  
00:59:19,510 --> 00:59:17,110  
single attribute that you would have

1302  
00:59:23,020 --> 00:59:19,520  
with something like say the Phoenix

1303  
00:59:28,330 --> 00:59:23,030  
lights or the Chicago O'Hare flying

1304  
00:59:31,630 --> 00:59:28,340  
saucer that people saw back in 2004 I

1305  
00:59:33,100 --> 00:59:31,640  
think that was or 2007 I I forget but

1306  
00:59:36,190 --> 00:59:33,110  
but you know when you have mass

1307  
00:59:38,680 --> 00:59:36,200  
sightings of a UFO it's very much

1308  
00:59:41,650 --> 00:59:38,690  
like some of the mass sightings that

1309  
00:59:43,150 --> 00:59:41,660  
happened around a religious figure and I

1310  
00:59:44,740 --> 00:59:43,160  
don't know that it's any different I

1311  
00:59:47,200 --> 00:59:44,750  
think that we're being interacted with

1312  
00:59:50,349 --> 00:59:47,210  
by something that's greater than us as

1313  
00:59:54,370 --> 00:59:50,359

far as they're more technologically

1314

00:59:57,490 --> 00:59:54,380

advanced but that it's been going on for

1315

00:59:59,589 --> 00:59:57,500

four millennia you know good you can

1316

01:00:03,339 --> 00:59:59,599

really you know ezekiel's you know

1317

01:00:05,950 --> 01:00:03,349

vision of the wheel in the sky as a UFO

1318

01:00:08,530 --> 01:00:05,960

sighting and and it holds up very very

1319

01:00:11,740 --> 01:00:08,540

well or that you know you go back into

1320

01:00:15,670 --> 01:00:11,750

Sanskrit from India from 5,000 years ago

1321

01:00:18,160 --> 01:00:15,680

and it pretty much describes UFOs coming

1322

01:00:19,900 --> 01:00:18,170

down from the sky and interacting with

1323

01:00:21,940 --> 01:00:19,910

the people it's beings that are

1324

01:00:24,220 --> 01:00:21,950

interacting with them and it actually

1325

01:00:27,520 --> 01:00:24,230

describes a nuclear war that happened

1326

01:00:30,250 --> 01:00:27,530

and people have taken soil samples from

1327

01:00:32,980 --> 01:00:30,260

those areas in India and in yes indeed

1328

01:00:36,370 --> 01:00:32,990

there's radioactivity that you can still

1329

01:00:38,290 --> 01:00:36,380

find in the soil so I don't think this

1330

01:00:40,420 --> 01:00:38,300

is a new phenomena I don't think that it

1331

01:00:42,490 --> 01:00:40,430

started with Roswell or anything like

1332

01:00:45,490 --> 01:00:42,500

that I think it's probably been tracking

1333

01:00:51,190 --> 01:00:45,500

us since maybe since we I mean maybe

1334

01:00:53,770 --> 01:00:51,200

it's what created us and yeah and the

1335

01:00:57,130 --> 01:00:53,780

paranoia the paranormal elements seem to

1336

01:00:59,890 --> 01:00:57,140

be a part of it and and paranormal is

1337

01:01:03,460 --> 01:00:59,900

just beyond our sense of what normal is

1338

01:01:05,530 --> 01:01:03,470

and I think we just need to expand our

1339

01:01:08,230 --> 01:01:05,540

idea of what normal is because modern

1340

01:01:10,599 --> 01:01:08,240

physics certainly are not what people

1341

01:01:14,230 --> 01:01:10,609

normally experience in their lives you

1342

01:01:16,120 --> 01:01:14,240

know but the phenomena certainly seems

1343

01:01:18,099 --> 01:01:16,130

to work on the basis of quantum

1344

01:01:19,859 --> 01:01:18,109

entanglement and and and some of these

1345

01:01:24,040 --> 01:01:19,869

things that we've learned over the last

1346

01:01:26,200 --> 01:01:24,050

few decades and in physics what works on

1347

01:01:29,109 --> 01:01:26,210

a small level also works in a large

1348

01:01:32,050 --> 01:01:29,119

level you know the microcosm is you're

1349

01:01:35,440 --> 01:01:32,060

you were saying earlier is is is

1350

01:01:37,510 --> 01:01:35,450

absolutely the same same as the

1351

01:01:41,589 --> 01:01:37,520

macrocosm they're interconnected it's

1352

01:01:43,329 --> 01:01:41,599

the same thing yeah it's crazy we don't

1353

01:01:46,750 --> 01:01:43,339

even know what we are but we think that

1354

01:01:48,920 --> 01:01:46,760

we know that some people they go that

1355

01:01:52,160 --> 01:01:48,930

things are impossible

1356

01:01:55,280 --> 01:01:52,170

you know aliens how ridiculous I just

1357

01:01:59,390 --> 01:01:55,290

think how how absurd away how absurd is

1358

01:02:03,140 --> 01:01:59,400

anything where we live our solar system

1359

01:02:05,810 --> 01:02:03,150

our Sun is hurtling through blackness

1360

01:02:08,660 --> 01:02:05,820

and we're all whizzing around it and you

1361

01:02:14,750 --> 01:02:08,670

know it's crazy that any life can live

1362

01:02:17,540 --> 01:02:14,760

under these conditions it's just a big

1363

01:02:19,430 --> 01:02:17,550

image of what Adam looks like really you

1364

01:02:22,040 --> 01:02:19,440

know I mean that you've got the neutron

1365

01:02:24,170 --> 01:02:22,050

and a positron and you've got ya the

1366

01:02:26,510 --> 01:02:24,180

proton and everything's revolving and

1367

01:02:29,510 --> 01:02:26,520

and it's like a miniature solar system

1368

01:02:32,270 --> 01:02:29,520

and again you know you port you know

1369

01:02:34,100 --> 01:02:32,280

cream into your tea or your coffee and

1370

01:02:36,680 --> 01:02:34,110

it's a little galaxy there it's just

1371

01:02:38,480 --> 01:02:36,690

repeated patterns yeah that happens on a

1372

01:02:42,170 --> 01:02:38,490

small scale it happens in the grand

1373

01:02:45,530 --> 01:02:42,180

scale and I think patterns happen

1374

01:02:47,740 --> 01:02:45,540

through everything they kind of have you

1375

01:02:50,900 --> 01:02:47,750

know as far as the paranormal and things

1376

01:02:53,330 --> 01:02:50,910

and even religion we have these

1377

01:02:58,790 --> 01:02:53,340

archetypal patterns that seem to be

1378

01:03:01,970 --> 01:02:58,800

consistent and reflected in most major

1379

01:03:03,530 --> 01:03:01,980

films star wars and you know all of it

1380

01:03:05,990 --> 01:03:03,540

you've got all the V archetypal

1381

01:03:08,900 --> 01:03:06,000

characters all these patterns that

1382

01:03:11,990 --> 01:03:08,910

repeat themselves throughout everything

1383

01:03:13,820 --> 01:03:12,000

you can you know there's a mirror

1384

01:03:17,420 --> 01:03:13,830

through all religions as well as the

1385

01:03:19,310 --> 01:03:17,430

characters are the stories etc this is

1386

01:03:22,400 --> 01:03:19,320

just everything is a pattern I think I

1387

01:03:24,560 --> 01:03:22,410

don't think anything is chaos so the

1388

01:03:26,390 --> 01:03:24,570

hero with a thousand faces I mean you

1389

01:03:29,090 --> 01:03:26,400

know Joseph Campbell talked about this

1390

01:03:31,070 --> 01:03:29,100

stuff Paul Young talked about it Carl

1391

01:03:34,430 --> 01:03:31,080

Jung believed that UFOs that there was

1392

01:03:36,620 --> 01:03:34,440

something to it all and you know you

1393

01:03:38,810 --> 01:03:36,630

meeting your friend Paula that's a

1394

01:03:40,940 --> 01:03:38,820

perfect example of synchronicity I mean

1395

01:03:43,880 --> 01:03:40,950

you'd have this astounding experience

1396

01:03:46,190 --> 01:03:43,890

that just kind of you know you went

1397

01:03:49,340 --> 01:03:46,200

through in a form of ontological shock

1398

01:03:52,190 --> 01:03:49,350

where you're just all of your walls fell

1399

01:03:55,190 --> 01:03:52,200

down in the face of that encounter that

1400

01:03:57,830 --> 01:03:55,200

you had and and your son mouthing the

1401

01:03:59,590 --> 01:03:57,840

things that he did that kind of

1402

01:04:02,120 --> 01:03:59,600

explained it for you and and

1403

01:04:02,360 --> 01:04:02,130

corroborated that it wasn't just you

1404

01:04:06,370 --> 01:04:02,370

that

1405

01:04:09,530 --> 01:04:06,380

is going through this I mean this is not

1406

01:04:11,480 --> 01:04:09,540

this happens all the time and you know

1407

01:04:14,750 --> 01:04:11,490

it's it's just a good example of

1408

01:04:16,870 --> 01:04:14,760

synchronicity and synchronicity is is I

1409

01:04:21,440 --> 01:04:16,880

mean Carl Jung explained it as a as a

1410

01:04:24,590 --> 01:04:21,450

meaningful coincidence and it seems that

1411

01:04:27,980 --> 01:04:24,600

when people are open themselves up to

1412

01:04:32,570 --> 01:04:27,990

the phenomenon or it opens itself up to

1413

01:04:35,450 --> 01:04:32,580

us that synchronicities just follow in

1414

01:04:37,160 --> 01:04:35,460

tow and and it happens to me every

1415

01:04:39,470 --> 01:04:37,170

single day as I've gotten to the point

1416

01:04:42,380 --> 01:04:39,480

where it's it's not just a pedestrian

1417

01:04:45,980 --> 01:04:42,390

thing to me I still feel like it's magic

1418

01:04:48,770 --> 01:04:45,990

but but it happens and and it's a sign

1419

01:04:52,010 --> 01:04:48,780

that that you are in contact with with

1420

01:04:54,740 --> 01:04:52,020

another intelligence Jacque fillet

1421

01:04:57,860 --> 01:04:54,750

talked about it quite a bit and then the

1422

01:05:01,370 --> 01:04:57,870

longer that I research the the more I

1423

01:05:05,330 --> 01:05:01,380

kind of appreciate Jacque fillets point

1424

01:05:07,430 --> 01:05:05,340

of view but it's a very strange

1425

01:05:10,040 --> 01:05:07,440

phenomena it's nothing new it didn't

1426

01:05:12,290 --> 01:05:10,050

start with the Atomic Age it's always

1427

01:05:16,070 --> 01:05:12,300

been with us it ramped up after the

1428

01:05:18,370 --> 01:05:16,080

atomic age began but it's the same as

1429

01:05:23,360 --> 01:05:18,380

when people were seeing fairies or

1430

01:05:26,270 --> 01:05:23,370

having visions of you know Ezekiel's

1431

01:05:28,280 --> 01:05:26,280

wheel again you know it's the same

1432

01:05:31,750 --> 01:05:28,290

intelligences that we're dealing with I

1433

01:05:34,040 --> 01:05:31,760

believe it just appears more

1434

01:05:37,400 --> 01:05:34,050

technological to us now because we're at

1435

01:05:42,530 --> 01:05:37,410

a level where we can understand that you

1436

01:05:45,050 --> 01:05:42,540

know also those evidences these UFOs in

1437

01:05:47,720 --> 01:05:45,060

the arts not necessarily the cave

1438

01:05:54,880 --> 01:05:47,730

drawings I mean but you know Renaissance

1439

01:06:00,470 --> 01:05:57,320

thousands of years actually but we know

1440

01:06:04,730 --> 01:06:00,480

in the past several hundred because of

1441

01:06:08,030 --> 01:06:04,740

being this pictorial evidence of them in

1442

01:06:09,980 --> 01:06:08,040

that works that there's a there's a good

1443

01:06:13,070 --> 01:06:09,990

website I think it's just called UFO art

1444

01:06:13,920 --> 01:06:13,080

and it's got the full collection of all

1445

01:06:15,809 --> 01:06:13,930

a little you know

1446

01:06:17,790 --> 01:06:15,819

the close-ups on the rest of it a little

1447

01:06:20,190 --> 01:06:17,800

the guy walking his dog looking up at

1448

01:06:22,200 --> 01:06:20,200

the thing behind the Virgin Mary that

1449

01:06:24,690 --> 01:06:22,210

one's amazing what on earth is that yeah

1450

01:06:26,910 --> 01:06:24,700

that's that's a great I've seen that

1451

01:06:30,299 --> 01:06:26,920

painting that's a wonderful running and

1452

01:06:32,730 --> 01:06:30,309

the cave art as well I mean I've been

1453

01:06:34,109 --> 01:06:32,740

through to the red centre of Australia

1454

01:06:36,480 --> 01:06:34,119

and I've I've seen some of the

1455

01:06:40,440 --> 01:06:36,490

aboriginal you know they're the

1456

01:06:43,620 --> 01:06:40,450

pictographs that are we're talking forty

1457

01:06:45,630 --> 01:06:43,630

thousand years old some of these things

1458

01:06:48,359 --> 01:06:45,640

and the stories that are behind them of

1459

01:06:52,140 --> 01:06:48,369

lightning man coming down from the sky

1460

01:06:54,660 --> 01:06:52,150

and bringing fire and civilization it

1461

01:06:56,609 --> 01:06:54,670

just matches the same stories that we

1462

01:06:59,220 --> 01:06:56,619

hear in every single culture it's it's

1463

01:07:02,880 --> 01:06:59,230

just something that's not it's it's

1464

01:07:05,609 --> 01:07:02,890

worldwide it's not just a local thing

1465

01:07:07,950 --> 01:07:05,619

that's going on it's it's happening to

1466

01:07:11,400 --> 01:07:07,960

humankind and has been happening to

1467

01:07:13,290 --> 01:07:11,410

humankind what their ultimate goal is

1468

01:07:16,319 --> 01:07:13,300

I'm not sure you know I hope that it's

1469

01:07:20,069 --> 01:07:16,329

to expand us and that perhaps there's

1470

01:07:21,960 --> 01:07:20,079

some form of evolution that we have not

1471

01:07:25,200 --> 01:07:21,970

quite gone through yet that we're in a

1472

01:07:27,059 --> 01:07:25,210

process of and and I you know my my

1473

01:07:30,180 --> 01:07:27,069

better angels tell me that that's what's

1474

01:07:33,240 --> 01:07:30,190

going on and then the grand picture but

1475

01:07:35,099 --> 01:07:33,250

you know some of the stories I hear you

1476

01:07:38,039 --> 01:07:35,109

know also sound like you know they're

1477

01:07:40,589 --> 01:07:38,049

there some of them are energy vampires I

1478

01:07:45,210 --> 01:07:40,599

mean I had a really strange experience

1479

01:07:48,450 --> 01:07:45,220

myself and I've had a few and I didn't

1480

01:07:52,470 --> 01:07:48,460

really have any personal UFO sightings

1481

01:07:55,859 --> 01:07:52,480

until I became a UFO investigator but

1482

01:07:57,690 --> 01:07:55,869

when I became a UFO investigator it's as

1483

01:07:59,789 --> 01:07:57,700

soon as I had passed the field

1484

01:08:03,900 --> 01:07:59,799

investigators tests that you take at

1485

01:08:07,370 --> 01:08:03,910

MUFON to begin getting your little queue

1486

01:08:10,440 --> 01:08:07,380

of UFO reports that you go in and and

1487

01:08:13,109 --> 01:08:10,450

investigate and you know where I'll talk

1488

01:08:17,550 --> 01:08:13,119

to the witnesses and and accrue evidence

1489

01:08:21,510 --> 01:08:17,560

it was that very week that that I had a

1490

01:08:26,270 --> 01:08:21,520

very very strange experience and my wife

1491

01:08:31,590 --> 01:08:29,250

after you know I was very naive about

1492

01:08:33,599 --> 01:08:31,600

the phenomenon at that time and I was

1493

01:08:36,450 --> 01:08:33,609

hoping that it was like space brothers

1494

01:08:38,670 --> 01:08:36,460

or you know that it was this this very

1495

01:08:40,890 --> 01:08:38,680

benevolent thing that was out there you

1496

01:08:43,140 --> 01:08:40,900

know I maybe read too many arthur c

1497

01:08:48,180 --> 01:08:43,150

clarke books or something that like you

1498

01:08:51,660 --> 01:08:48,190

know and so but i i went to bed one

1499

01:08:54,660 --> 01:08:51,670

evening i hadn't you know taken any

1500

01:08:56,670 --> 01:08:54,670

weird psychotropic drugs or i i wasn't

1501

01:09:00,120 --> 01:08:56,680

drinking i just i just went to bed and i

1502

01:09:02,520 --> 01:09:00,130

wasn't asleep yet i and i just at the

1503

01:09:04,770 --> 01:09:02,530

time i had had a hip surgery done a few

1504

01:09:07,890 --> 01:09:04,780

months before so i would sort of go in a

1505

01:09:09,300 --> 01:09:07,900

semi-recumbent position while i was

1506

01:09:12,690 --> 01:09:09,310

sleeping so I had a bunch of pillows

1507

01:09:14,640 --> 01:09:12,700

behind my back and I was lying there you

1508

01:09:17,550 --> 01:09:14,650

know we had a cricket problem at our old

1509

01:09:23,160 --> 01:09:17,560

house he would always hear the crickets

1510

01:09:29,340 --> 01:09:23,170

going and the rafters actually was a bit

1511

01:09:31,290 --> 01:09:29,350

of a Jenny and but things started

1512

01:09:32,880 --> 01:09:31,300

getting very quiet now I had already

1513

01:09:34,590 --> 01:09:32,890

turned the lights out I was getting

1514

01:09:35,970 --> 01:09:34,600

ready to go to sleep but I wasn't asleep

1515

01:09:38,460 --> 01:09:35,980

yet you know I was still going through

1516

01:09:40,470 --> 01:09:38,470

my thoughts of the day and and I was

1517

01:09:44,910 --> 01:09:40,480

thinking about I just received my first

1518

01:09:46,530 --> 01:09:44,920

UFO sighting report from MUFON and I had

1519

01:09:51,660 --> 01:09:46,540

already figured it out it was it was a

1520

01:09:53,250 --> 01:09:51,670

mylar balloon well you know now I talked

1521

01:09:54,810 --> 01:09:53,260

to this guy and I feel bad I'm gonna

1522

01:09:57,030 --> 01:09:54,820

have to bust his chops and tell them

1523

01:10:00,690 --> 01:09:57,040

that you know yeah you you actually saw

1524

01:10:02,820 --> 01:10:00,700

a star-shaped mylar balloon as going

1525

01:10:05,850 --> 01:10:02,830

through this when things became very

1526

01:10:10,970 --> 01:10:05,860

very quiet the crickets you couldn't

1527

01:10:14,550 --> 01:10:10,980

care and the room started getting bright

1528

01:10:17,010 --> 01:10:14,560

it's kind of a blue light although it

1529

01:10:19,080 --> 01:10:17,020

wasn't so much the color of blue as it

1530

01:10:21,600 --> 01:10:19,090

was just like the the word blue is the

1531

01:10:24,510 --> 01:10:21,610

best way I can express it it was sort of

1532

01:10:28,160 --> 01:10:24,520

this peacefulness or just like this just

1533

01:10:33,660 --> 01:10:28,170

a very quiet space that I was going into

1534

01:10:36,090 --> 01:10:33,670

I was lying there and suddenly I'm a

1535

01:10:39,840 --> 01:10:36,100

nurse and I take I've taken care of many

1536

01:10:42,570 --> 01:10:39,850

quadriplegics I suddenly could not move

1537

01:10:46,350 --> 01:10:42,580

I could move my arms I could not move I

1538

01:10:48,540 --> 01:10:46,360

was in total paralysis I've never

1539

01:10:51,450 --> 01:10:48,550

experienced sleep paralysis in my entire

1540

01:10:54,870 --> 01:10:51,460

life it's not something that happens to

1541

01:10:58,620 --> 01:10:54,880

me but I had the horror of not being

1542

01:11:00,150 --> 01:10:58,630

able to move and I was lying there and I

1543

01:11:02,100 --> 01:11:00,160

was looking at the corner of the room

1544

01:11:04,980 --> 01:11:02,110

and it seemed like it was swirling

1545

01:11:07,410 --> 01:11:04,990

around and the corner of the room kept

1546

01:11:09,330 --> 01:11:07,420

swirling around and it looked sort of

1547

01:11:10,560 --> 01:11:09,340

like the scooby-doo cartoons where

1548

01:11:13,050 --> 01:11:10,570

they're you know the below a little

1549

01:11:15,660 --> 01:11:13,060

little thing was going on with it uh

1550

01:11:17,940 --> 01:11:15,670

yeah but was real it was really

1551  
01:11:21,660 --> 01:11:17,950  
happening now I've got to sit on the

1552  
01:11:24,150 --> 01:11:21,670  
other side of our house maybe like 15

1553  
01:11:25,740 --> 01:11:24,160  
feet away was the next house so it had

1554  
01:11:28,410 --> 01:11:25,750  
to have been an interdimensional thing

1555  
01:11:31,200 --> 01:11:28,420  
that was going on here there was there

1556  
01:11:35,250 --> 01:11:31,210  
wasn't a spaceship parked outside of our

1557  
01:11:37,620 --> 01:11:35,260  
room but the room kept flooding with

1558  
01:11:39,540 --> 01:11:37,630  
life it seemed to be pervading through

1559  
01:11:41,370 --> 01:11:39,550  
the very walls it wasn't coming through

1560  
01:11:43,740 --> 01:11:41,380  
the window although there was light

1561  
01:11:45,540 --> 01:11:43,750  
coming through the window as well but it

1562  
01:11:50,010 --> 01:11:45,550  
seemed like everything was taking on

1563  
01:11:53,880 --> 01:11:50,020

this Sheen and this swirling was going

1564

01:11:56,370 --> 01:11:53,890

on in the corner the best I can put it

1565

01:11:59,220 --> 01:11:56,380

is is that I seemed to go into sort of a

1566

01:12:02,040 --> 01:11:59,230

hypnagogic state where it wasn't like a

1567

01:12:03,930 --> 01:12:02,050

dream state but it wasn't it was

1568

01:12:09,570 --> 01:12:03,940

somewhere in between a dream state and

1569

01:12:14,280 --> 01:12:09,580

being awake and I could not move and the

1570

01:12:16,830 --> 01:12:14,290

way that anyhow though the wall opened

1571

01:12:20,100 --> 01:12:16,840

up and there was distance there was

1572

01:12:23,060 --> 01:12:20,110

light and there was distance looked like

1573

01:12:27,150 --> 01:12:23,070

you know hundreds of feet maybe you know

1574

01:12:30,090 --> 01:12:27,160

that was going on behind this this

1575

01:12:37,500 --> 01:12:30,100

portal for a lack of a better term for

1576

01:12:40,260 --> 01:12:37,510

it to my abject horror these little

1577

01:12:42,810 --> 01:12:40,270

creatures didn't walk up they didn't

1578

01:12:44,790 --> 01:12:42,820

they just like slid in almost like they

1579

01:12:47,190 --> 01:12:44,800

were on ice skates and somebody was

1580

01:12:49,410 --> 01:12:47,200

pushing them or something you know where

1581

01:12:50,919 --> 01:12:49,420

they slid up around my bed there was

1582

01:12:53,350 --> 01:12:50,929

four of them

1583

01:12:56,320 --> 01:12:53,360

and then there was a tall entity that

1584

01:12:59,229 --> 01:12:56,330

was standing in the door in the portal

1585

01:13:04,090 --> 01:12:59,239

on the side watching like an overlooker

1586

01:13:06,669 --> 01:13:04,100

a watcher and they had these long tubes

1587

01:13:10,870 --> 01:13:06,679

that they connected around my body and I

1588

01:13:14,470 --> 01:13:10,880

couldn't move and I they were taking my

1589

01:13:17,080 --> 01:13:14,480

blood and they kept taking my blood and

1590

01:13:18,640 --> 01:13:17,090

I was feeling light-headed at first I

1591

01:13:22,689 --> 01:13:18,650

was you know I mean the whole thing was

1592

01:13:24,370 --> 01:13:22,699

such a shock that and they were I just

1593

01:13:26,620 --> 01:13:24,380

there were there was no experience I had

1594

01:13:28,149 --> 01:13:26,630

ever had to compare it to and I there

1595

01:13:31,330 --> 01:13:28,159

was a last thing I ever thought would

1596

01:13:31,630 --> 01:13:31,340

ever happen to me and then but I was

1597

01:13:33,939 --> 01:13:31,640

just

1598

01:13:37,149 --> 01:13:33,949

I wasn't thinking anything except I was

1599

01:13:39,790 --> 01:13:37,159

horrified I didn't get a calming message

1600

01:13:41,439 --> 01:13:39,800

from anybody like I knew about you know

1601  
01:13:43,120 --> 01:13:41,449  
people who had been abducted and stuff

1602  
01:13:44,830 --> 01:13:43,130  
that that they would get you know a

1603  
01:13:47,410 --> 01:13:44,840  
calming message like we're not going to

1604  
01:13:50,020 --> 01:13:47,420  
harm you you're gonna be okay this is

1605  
01:13:50,709 --> 01:13:50,030  
for a greater good and it will all be

1606  
01:13:53,260 --> 01:13:50,719  
over soon

1607  
01:13:55,630 --> 01:13:53,270  
nothing like that they just stood there

1608  
01:13:56,560 --> 01:13:55,640  
they kept taking my blood and after a

1609  
01:14:00,490 --> 01:13:56,570  
while I thought they're gonna

1610  
01:14:03,459 --> 01:14:00,500  
exsanguinate me I read some of Linda

1611  
01:14:06,310 --> 01:14:03,469  
Moulton Howe stuff about you know they

1612  
01:14:08,530 --> 01:14:06,320  
did find the cow dissections and stuff

1613  
01:14:10,600 --> 01:14:08,540

and I and where they there wasn't any

1614

01:14:12,100 --> 01:14:10,610

blood to be found in the animal I was

1615

01:14:14,560 --> 01:14:12,110

wondering if that's what they were doing

1616

01:14:18,610 --> 01:14:14,570

to me because I had gotten a calming

1617

01:14:21,360 --> 01:14:18,620

message but after a while that the tubes

1618

01:14:24,459 --> 01:14:21,370

deccan they disconnected from me and

1619

01:14:26,290 --> 01:14:24,469

just like they had come in they left

1620

01:14:27,939 --> 01:14:26,300

backwards they were staring at me the

1621

01:14:31,780 --> 01:14:27,949

whole time and it was the little three

1622

01:14:34,780 --> 01:14:31,790

and a half foot four foot tall gray guys

1623

01:14:37,750 --> 01:14:34,790

with the big black eyes a slit for a

1624

01:14:42,700 --> 01:14:37,760

mouth no expression no emotion no

1625

01:14:44,050 --> 01:14:42,710

nothing just like worker bees and and I

1626

01:14:45,880 --> 01:14:44,060

felt like they had treated me like an

1627

01:14:49,620 --> 01:14:45,890

animal it was the opposite of space

1628

01:14:52,990 --> 01:14:49,630

brothers it was it was it was horrified

1629

01:14:55,209 --> 01:14:53,000

I never was able to delineate any

1630

01:14:58,689 --> 01:14:55,219

details of a taller creature that was

1631

01:15:00,640 --> 01:14:58,699

standing in the portal I didn't even see

1632

01:15:02,950 --> 01:15:00,650

him move out of the way he just kept

1633

01:15:04,450 --> 01:15:02,960

standing there and the wall closed back

1634

01:15:09,970 --> 01:15:04,460

up

1635

01:15:12,670 --> 01:15:09,980

um the room turned dark again and as

1636

01:15:16,479 --> 01:15:12,680

soon as I could move I start shaking my

1637

01:15:18,910 --> 01:15:16,489

wife I was ELISA I was yelling and

1638

01:15:20,560 --> 01:15:18,920

screaming at her and I think that you

1639

01:15:22,540 --> 01:15:20,570

know I'm surprised that the neighbors

1640

01:15:26,080 --> 01:15:22,550

didn't call the police or anything you

1641

01:15:29,530 --> 01:15:26,090

know because I was screaming my wife is

1642

01:15:32,440 --> 01:15:29,540

a very very very light sleeper she's got

1643

01:15:35,140 --> 01:15:32,450

insomnia problems and and and yeah you

1644

01:15:37,180 --> 01:15:35,150

know she was it was like there was no

1645

01:15:40,420 --> 01:15:37,190

muscle tone to her is almost like she

1646

01:15:43,930 --> 01:15:40,430

was dead and but finally she roused and

1647

01:15:46,720 --> 01:15:43,940

she was so angry she was so angry it's

1648

01:15:49,060 --> 01:15:46,730

like oh my god Earl you know is this

1649

01:15:54,340 --> 01:15:49,070

what's gonna happen now you do join this

1650

01:15:56,620 --> 01:15:54,350

crazy MUFON group and oh my god and what

1651

01:15:58,540 --> 01:15:56,630

have you gotten yourself into and as far

1652

01:16:03,610 --> 01:15:58,550

as she was concerned I had just had in a

1653

01:16:05,560 --> 01:16:03,620

mental episode well this is a this you

1654

01:16:07,810 --> 01:16:05,570

know I told my state director about this

1655

01:16:09,970 --> 01:16:07,820

and he was all raised eyebrows and like

1656

01:16:13,420 --> 01:16:09,980

oh god you know he's a nut

1657

01:16:16,630 --> 01:16:13,430

okay he's old you know he's yeah I think

1658

01:16:19,030 --> 01:16:16,640

he's opened his stuff now yeah I knew

1659

01:16:22,300 --> 01:16:19,040

Peter Robbins and even Peter Robbins was

1660

01:16:24,370 --> 01:16:22,310

sort of like really you know and how am

1661

01:16:27,160 --> 01:16:24,380

i how am I gonna explain this to anybody

1662

01:16:29,170 --> 01:16:27,170

I just became a UFO investigator and I

1663

01:16:33,790 --> 01:16:29,180

get the visit from alien it's evil

1664

01:16:35,890 --> 01:16:33,800

aliens and so I kept it to myself I kept

1665

01:16:38,260 --> 01:16:35,900

it to myself for you know I mean I've

1666

01:16:40,330 --> 01:16:38,270

talked about this on maybe two others

1667

01:16:42,130 --> 01:16:40,340

show he's like I started telling my

1668

01:16:44,200 --> 01:16:42,140

other field investigators about it

1669

01:16:46,180 --> 01:16:44,210

because I felt like it was a cat of yet

1670

01:16:48,580 --> 01:16:46,190

that they needed to know that you know

1671

01:16:51,010 --> 01:16:48,590

that this phenomena is interactive and

1672

01:16:53,560 --> 01:16:51,020

if you draw close to it this is what

1673

01:16:56,080 --> 01:16:53,570

happened to me you know I had a visit

1674

01:17:00,610 --> 01:16:56,090

and and it was it was not fun it was

1675

01:17:03,190 --> 01:17:00,620

scary but the same week um you know my

1676

01:17:07,530 --> 01:17:03,200

wife was just rolling her eyes at me and

1677

01:17:10,930 --> 01:17:07,540

just oh you know you've gone insane

1678

01:17:14,920 --> 01:17:10,940

two nights later our house was lit up

1679

01:17:18,069 --> 01:17:14,930

again this time my wife shook me awake

1680

01:17:20,200 --> 01:17:18,079

and the room was still wet it was

1681

01:17:21,850 --> 01:17:20,210

was like the light was pervading through

1682

01:17:24,160 --> 01:17:21,860

the walls

1683

01:17:25,930 --> 01:17:24,170

there wasn't an object in the room that

1684

01:17:29,080 --> 01:17:25,940

the light was coming from and it wasn't

1685

01:17:31,209 --> 01:17:29,090

coming just from the window she shook me

1686

01:17:34,419 --> 01:17:31,219

and my wife said Earl you need to tell

1687

01:17:40,209 --> 01:17:34,429

your little friends to leave us the F

1688

01:17:44,859 --> 01:17:40,219

alone you need to say that on air but

1689

01:17:47,140 --> 01:17:44,869

she said leave us the F alone I already

1690

01:17:51,760 --> 01:17:47,150

have insomnia as it is and I don't need

1691

01:17:54,310 --> 01:17:51,770

this the light faded and I saw the light

1692

01:17:56,770 --> 01:17:54,320

so now at least while my wife had seen

1693

01:17:59,109 --> 01:17:56,780

something strange I mean at least I'm

1694

01:18:00,129 --> 01:17:59,119

not the only person that has a story

1695

01:18:02,649 --> 01:18:00,139

yeah

1696

01:18:05,799 --> 01:18:02,659

two nights after that we had the third

1697

01:18:08,109 --> 01:18:05,809

time where we both woke up the room was

1698

01:18:11,020 --> 01:18:08,119

lit with light it was sparkly it was a

1699

01:18:12,790 --> 01:18:11,030

same blue color to it this time I ran to

1700

01:18:15,339 --> 01:18:12,800

the window I'm looking around it's

1701

01:18:17,080 --> 01:18:15,349

coming from above our house and then it

1702

01:18:21,370 --> 01:18:17,090

just blinks off it's like somebody

1703

01:18:23,910 --> 01:18:21,380

turned the light off and I noticed that

1704

01:18:26,919 --> 01:18:23,920

the neighbor's porch light was on and

1705

01:18:29,770 --> 01:18:26,929

this thought goes into my head oh it was

1706

01:18:32,799 --> 01:18:29,780

it was the neighbor's porch light all

1707

01:18:40,479 --> 01:18:32,809

the time we're talking about a little

1708

01:18:43,330 --> 01:18:40,489

tiny porch light like it was maybe it

1709

01:18:45,280 --> 01:18:43,340

was an excuse given to me by them you

1710

01:18:47,109 --> 01:18:45,290

know I mean it's like people will see

1711

01:18:50,589 --> 01:18:47,119

something and what they they get a

1712

01:18:54,459 --> 01:18:50,599

screen of memory of of dewy-eyed ear or

1713

01:18:56,760 --> 01:18:54,469

four foot tall owls or what have you and

1714

01:18:59,220 --> 01:18:56,770

so for whatever reason they want that

1715

01:19:02,709 --> 01:18:59,230

you know reasonable deniability

1716

01:19:04,600 --> 01:19:02,719

available for you to hold on to there

1717

01:19:07,120 --> 01:19:04,610

was a sighting that happened back in the

1718

01:19:10,000 --> 01:19:07,130

early nineteen sixty 63 I think it was

1719

01:19:13,479 --> 01:19:10,010

an Eagle River sighting where this guy

1720

01:19:15,189 --> 01:19:13,489

saw a flying saucer these entities they

1721

01:19:17,620 --> 01:19:15,199

asked him for water he brought them

1722

01:19:25,479 --> 01:19:17,630

water they cooked him little alien

1723

01:19:29,410 --> 01:19:25,489

pancakes on a it's just so absurd and so

1724

01:19:31,700 --> 01:19:29,420

crazy a remark of an actual UFO sighting

1725

01:19:34,700 --> 01:19:31,710

because there is an element of absurd

1726

01:19:36,770 --> 01:19:34,710

every one of them I swear there's just

1727

01:19:40,070 --> 01:19:36,780

it's it's like is it a wave or a

1728

01:19:41,020 --> 01:19:40,080

particle you know we have words to

1729

01:19:44,120 --> 01:19:41,030

describe it

1730

01:19:46,520 --> 01:19:44,130

and his entities told him they said well

1731

01:19:52,400 --> 01:19:46,530

we want you to believe in us but not

1732

01:19:54,470 --> 01:19:52,410

that much and I think the reasonable

1733

01:19:57,680 --> 01:19:54,480

deniability that they want to and us

1734

01:20:01,990 --> 01:19:57,690

that they don't want it to they don't

1735

01:20:04,940 --> 01:20:02,000

want to completely interrupt our lives

1736

01:20:07,220 --> 01:20:04,950

you know maybe we're just you know it

1737

01:20:09,560 --> 01:20:07,230

maybe we're sort of like a game you know

1738

01:20:12,100 --> 01:20:09,570

a Game Preserve or a wild animal

1739

01:20:14,420 --> 01:20:12,110

Preserve where you know though they'll

1740

01:20:16,750 --> 01:20:14,430

tranquelize this they'll they'll track

1741

01:20:19,910 --> 01:20:16,760

us they'll put in tracking objects

1742

01:20:21,560 --> 01:20:19,920

they'll interact but when they leave

1743

01:20:23,810 --> 01:20:21,570

they don't want you to remember they

1744

01:20:26,390 --> 01:20:23,820

want you to only remember the miniscule

1745

01:20:28,760 --> 01:20:26,400

bit because they want to watch us being

1746

01:20:30,620 --> 01:20:28,770

humans they don't want us to they don't

1747

01:20:35,660 --> 01:20:30,630

want to watch us being humans that know

1748

01:20:42,620 --> 01:20:35,670

that we're being observed do in some

1749

01:20:45,170 --> 01:20:42,630

cases they knew that I knew I mean I

1750

01:20:47,959 --> 01:20:45,180

laughed at the neighbor's porch light it

1751

01:20:50,420 --> 01:20:47,969

was it was absurd it was it was crazier

1752

01:20:52,010 --> 01:20:50,430

than believing that the aliens and we

1753

01:20:54,550 --> 01:20:52,020

had been hovering over the house and

1754

01:20:57,440 --> 01:20:54,560

shining a light that yeah went through

1755

01:20:59,209 --> 01:20:57,450

material objects you know to think that

1756

01:21:02,150 --> 01:20:59,219

a little porch light could flood the

1757

01:21:06,440 --> 01:21:02,160

house with light and anger my wife so

1758

01:21:08,090 --> 01:21:06,450

and the walk you know little creatures

1759

01:21:11,330 --> 01:21:08,100

sliding through you know how do you

1760

01:21:13,760 --> 01:21:11,340

explain that you know you know I haven't

1761

01:21:15,530 --> 01:21:13,770

done it you know I haven't done

1762

01:21:21,800 --> 01:21:15,540

mushrooms or anything since I was in

1763

01:21:25,070 --> 01:21:21,810

high school on 60 years old after a

1764

01:21:26,900 --> 01:21:25,080

group event in Wales there was a group

1765

01:21:29,209 --> 01:21:26,910

of us and we went to a cottage in Wales

1766

01:21:33,310 --> 01:21:29,219

on top of but a mountain four miles from

1767

01:21:36,080 --> 01:21:33,320

Bowen and we did this ridiculous

1768

01:21:38,900 --> 01:21:36,090

encounter with a UFO absolutely huge

1769

01:21:40,340 --> 01:21:38,910

over the top of us and then a little one

1770

01:21:43,520 --> 01:21:40,350

the sphere that landed on the ground

1771

01:21:46,940 --> 01:21:43,530

behind us and we went through this epic

1772

01:21:48,680 --> 01:21:46,950

event and then the next day we gone out

1773

01:21:50,750 --> 01:21:48,690

walking and we were walking around the

1774

01:21:52,190 --> 01:21:50,760

village and then we went up this hill we

1775

01:21:54,830 --> 01:21:52,200

saw this little hill with the tree on

1776

01:21:58,100 --> 01:21:54,840

there and we kind of went up there and

1777

01:22:00,350 --> 01:21:58,110

we were you know it was impossible

1778

01:22:03,020 --> 01:22:00,360

what happened to us was impossible and

1779

01:22:05,270 --> 01:22:03,030

there we are on this hill in the middle

1780

01:22:07,040 --> 01:22:05,280

of nowhere on a mountain in Wales where

1781

01:22:09,380 --> 01:22:07,050

there's literally nothing for miles and

1782

01:22:12,980 --> 01:22:09,390

miles of miles hoping that we're gonna

1783

01:22:14,990 --> 01:22:12,990

from that altitude be able to see down

1784

01:22:21,710 --> 01:22:15,000

across the valley and find a nightclub

1785

01:22:23,870 --> 01:22:21,720

with a laser on the roof so we were just

1786

01:22:28,090 --> 01:22:23,880

like scrabbling for anything please let

1787

01:22:32,200 --> 01:22:28,100

us find a reason for a good you know

1788

01:22:36,500 --> 01:22:32,210

what you do you try and rationalize it

1789

01:22:38,240 --> 01:22:36,510

you know and in every event that I've

1790

01:22:41,300 --> 01:22:38,250

had happen

1791

01:22:42,470 --> 01:22:41,310

I'm they're still trying to make sense

1792

01:22:45,350 --> 01:22:42,480

of things

1793

01:22:47,300 --> 01:22:45,360

from the perspective that were how the

1794

01:22:51,260 --> 01:22:47,310

situation was before when sped or

1795

01:22:54,040 --> 01:22:51,270

whatever thinking when I was taken by

1796

01:22:57,560 --> 01:22:54,050

the reptilians from a friend's house and

1797

01:22:59,720 --> 01:22:57,570

I'm in this kind of dentist's chair and

1798

01:23:02,960 --> 01:22:59,730

I think to myself because I can't move

1799

01:23:07,280 --> 01:23:02,970

properly and I felt I felt completely

1800

01:23:09,170 --> 01:23:07,290

dropped and disorientated and like not

1801  
01:23:11,540 --> 01:23:09,180  
really we're there and I was trying to

1802  
01:23:14,860 --> 01:23:11,550  
move and speak at the same time and I

1803  
01:23:17,480 --> 01:23:14,870  
couldn't do both and I thought just

1804  
01:23:19,190 --> 01:23:17,490  
concentrate and making a nice just shout

1805  
01:23:22,040 --> 01:23:19,200  
because you're in a room a house full of

1806  
01:23:23,440 --> 01:23:22,050  
people if you shout someone little hey

1807  
01:23:26,660 --> 01:23:23,450  
and they'll come running

1808  
01:23:29,080 --> 01:23:26,670  
I wasn't in the house anymore

1809  
01:23:31,010 --> 01:23:29,090  
I was somewhere over the dentist's chair

1810  
01:23:32,930 --> 01:23:31,020  
but that's how I was trying to

1811  
01:23:36,320 --> 01:23:32,940  
rationalize the situation at the time

1812  
01:23:37,580 --> 01:23:36,330  
and you do you just and when you look

1813  
01:23:38,750 --> 01:23:37,590

like you just think that was ridiculous

1814

01:23:40,850 --> 01:23:38,760

I even thought that there was a power

1815

01:23:44,030 --> 01:23:40,860

injury bedroom although I was going to

1816

01:23:47,720 --> 01:23:44,040

find a nightclub in Berwyn Mountain you

1817

01:23:50,020 --> 01:23:47,730

know well you know I mean you're right

1818

01:23:53,060 --> 01:23:50,030

we do try to rationalize it and and I

1819

01:23:55,730 --> 01:23:53,070

especially you know I've been trained as

1820

01:23:56,580 --> 01:23:55,740

a field investigator and you know we get

1821

01:24:01,260 --> 01:23:56,590

hoaxes

1822

01:24:06,270 --> 01:24:01,270

unfortunately you know I had somebody

1823

01:24:08,520 --> 01:24:06,280

try to run a CGI hoax past me and you

1824

01:24:10,080 --> 01:24:08,530

know I found there their public profile

1825

01:24:12,209 --> 01:24:10,090

up on the Internet

1826

01:24:15,000 --> 01:24:12,219

you know you know CGI realer than life

1827

01:24:16,890 --> 01:24:15,010

and and that was what you know I when I

1828

01:24:18,839 --> 01:24:16,900

first looked at this case that was the

1829

01:24:21,240 --> 01:24:18,849

way that it hit me as I saw it was like

1830

01:24:23,129 --> 01:24:21,250

this is a little too good and how did

1831

01:24:25,260 --> 01:24:23,139

they get this film of this thing because

1832

01:24:27,000 --> 01:24:25,270

people don't get film

1833

01:24:29,550 --> 01:24:27,010

I mean people the last thing that you

1834

01:24:31,859 --> 01:24:29,560

think of when you're seeing a UFO is oh

1835

01:24:33,660 --> 01:24:31,869

I'm gonna grab my iPhone and I know

1836

01:24:36,240 --> 01:24:33,670

because that's happened to me you know

1837

01:24:38,339 --> 01:24:36,250

I've I've had other sightings since the

1838

01:24:40,169 --> 01:24:38,349

initial one and it's the further

1839

01:24:42,120 --> 01:24:40,179

furthest thing from your mind you know

1840

01:24:44,850 --> 01:24:42,130

the it's a psychological thing that

1841

01:24:46,680 --> 01:24:44,860

happens when you see a UFO I don't think

1842

01:24:48,959 --> 01:24:46,690

that people see them randomly I think

1843

01:24:50,760 --> 01:24:48,969

that were chosen to see them and one

1844

01:24:52,500 --> 01:24:50,770

person can see a UFO and the other

1845

01:24:56,250 --> 01:24:52,510

people that are standing around them

1846

01:24:59,609 --> 01:24:56,260

will not see it and that person is not

1847

01:25:02,810 --> 01:24:59,619

drunk that person's not on some drug or

1848

01:25:07,080 --> 01:25:02,820

going through some some mental you know

1849

01:25:09,870 --> 01:25:07,090

episode it's just that they are being

1850

01:25:12,479 --> 01:25:09,880

shown something by the phenomenon and

1851

01:25:13,919 --> 01:25:12,489

it's meant for whoever is seeing it so

1852

01:25:15,839 --> 01:25:13,929

you can have a sighting like the Phoenix

1853

01:25:18,030 --> 01:25:15,849

lights where hundreds and hundreds of

1854

01:25:21,240 --> 01:25:18,040

people thousands of people see something

1855

01:25:23,490 --> 01:25:21,250

and then again you can have a group of

1856

01:25:25,260 --> 01:25:23,500

people where something manifests and

1857

01:25:27,959 --> 01:25:25,270

only one of them will see it you know

1858

01:25:30,149 --> 01:25:27,969

and I think that it's it's a personal

1859

01:25:34,500 --> 01:25:30,159

phenomenon that it targets certain

1860

01:25:36,149 --> 01:25:34,510

people for whatever reason and and it

1861

01:25:38,129 --> 01:25:36,159

always has that little element of

1862

01:25:42,720 --> 01:25:38,139

absurdity to it so we have to make

1863

01:25:44,669 --> 01:25:42,730

excuses to ourselves and I had a lot of

1864

01:25:46,919 --> 01:25:44,679

trouble talking about my own sightings

1865

01:25:49,589 --> 01:25:46,929

for a long time because I'm always

1866

01:25:52,859 --> 01:25:49,599

trying to bust everybody's stuff you

1867

01:25:56,280 --> 01:25:52,869

know when I get a crazy UFO story that

1868

01:25:58,709 --> 01:25:56,290

comes in my first thing is this I have

1869

01:26:00,930 --> 01:25:58,719

to look at from every angle and make

1870

01:26:04,709 --> 01:26:00,940

sure that I'm not you know sitting on a

1871

01:26:07,439 --> 01:26:04,719

hoax when it happens in front of your

1872

01:26:09,750 --> 01:26:07,449

eyes and you're part of it and and and

1873

01:26:10,590 --> 01:26:09,760

and I've learned something about how I

1874

01:26:15,150 --> 01:26:10,600

approach my

1875

01:26:17,250 --> 01:26:15,160

UFO cases that as absurd as the case may

1876

01:26:19,770 --> 01:26:17,260

be it does not mean that it didn't

1877

01:26:24,440 --> 01:26:19,780

happen it could be completely absurd and

1878

01:26:28,550 --> 01:26:24,450

and still that was an actual sighting

1879

01:26:33,750 --> 01:26:28,560

it's just a very very strange phenomenon

1880

01:26:34,260 --> 01:26:33,760

when when we went swales and we'd seen

1881

01:26:36,990 --> 01:26:34,270

those

1882

01:26:40,470 --> 01:26:37,000

there's a massive craft that came Suarez

1883

01:26:44,540 --> 01:26:40,480

and was above us not once I don't

1884

01:26:46,860 --> 01:26:44,550

remember ever thinking always the camera

1885

01:26:49,700 --> 01:26:46,870

or anything like that even though it

1886

01:26:52,560 --> 01:26:49,710

went on for probably close to an hour

1887

01:26:54,660 --> 01:26:52,570

not a single thought in my head about

1888

01:26:56,490 --> 01:26:54,670

protecting a photograph or film in it

1889

01:26:59,040 --> 01:26:56,500

and then other people find that very

1890

01:27:02,750 --> 01:26:59,050

difficult to believe it just didn't

1891

01:27:05,100 --> 01:27:02,760

occur to me and when we got back we

1892

01:27:08,130 --> 01:27:05,110

walked him through the door of the house

1893

01:27:11,310 --> 01:27:08,140

and the video camera was on the floor in

1894

01:27:14,100 --> 01:27:11,320

the middle of the hallway like it was

1895

01:27:16,530 --> 01:27:14,110

the only thing that we'd forgotten but

1896

01:27:18,510 --> 01:27:16,540

it never occurred to us to go get it

1897

01:27:23,490 --> 01:27:18,520

anyway thinking that we have had it

1898

01:27:26,850 --> 01:27:23,500

there it's so common I mean that's why

1899

01:27:29,790 --> 01:27:26,860

when I see a really good photograph of a

1900

01:27:31,830 --> 01:27:29,800

supposed UFO I always questioned it

1901

01:27:34,320 --> 01:27:31,840

because it just it doesn't occur to

1902

01:27:37,700 --> 01:27:34,330

people you know the state of mind that

1903

01:27:41,760 --> 01:27:37,710

that people go into or they're put into

1904

01:27:46,280 --> 01:27:41,770

by our visitors and it sort of precludes

1905

01:27:51,320 --> 01:27:46,290

that it does not include photographs

1906

01:27:55,170 --> 01:27:53,700

everybody everything makes mistakes so

1907

01:28:00,990 --> 01:27:55,180

we're not dealing with God's here

1908

01:28:03,480 --> 01:28:01,000

they've got like no because in 2012 I

1909

01:28:05,400 --> 01:28:03,490

think it was July I in that house that I

1910

01:28:08,100 --> 01:28:05,410

told you about very tall house it had

1911

01:28:11,640 --> 01:28:08,110

far flaws I had the entire upstairs so I

1912

01:28:15,270 --> 01:28:11,650

had the Attic I was moving stuff around

1913

01:28:17,310 --> 01:28:15,280

the bedroom cleaning stuff up and I used

1914

01:28:19,710 --> 01:28:17,320

to take a lot of photographs because I

1915

01:28:22,230 --> 01:28:19,720

just have so much to second photograph

1916

01:28:23,689 --> 01:28:22,240

so I was so high so high up and there

1917

01:28:25,700 --> 01:28:23,699

was a bit mental about country

1918

01:28:28,130 --> 01:28:25,710

at the time and I've caught quite a few

1919

01:28:31,220 --> 01:28:28,140

little weird things not quite sure what

1920

01:28:33,919 --> 01:28:31,230

they were in photographs but this

1921

01:28:37,189 --> 01:28:33,929

particular day I'm not thinking about

1922

01:28:38,840 --> 01:28:37,199

anything I'm just cleaning up and then

1923

01:28:40,280 --> 01:28:38,850

nothing can take some photographs

1924

01:28:42,110 --> 01:28:40,290

okay this urge at the back of my brain

1925

01:28:44,150 --> 01:28:42,120

it's go take some pictures take some

1926

01:28:46,310 --> 01:28:44,160

pictures take some pictures and I'm like

1927

01:28:47,689 --> 01:28:46,320

ignoring my brain urging me to do this

1928

01:28:50,240 --> 01:28:47,699

because I'm just on one you know I'm

1929

01:28:53,240 --> 01:28:50,250

cleaning up and the end they had to

1930

01:28:55,580 --> 01:28:53,250

actually give in to these urgency that I

1931

01:28:59,000 --> 01:28:55,590

was feeling and I took some photographs

1932

01:29:00,860 --> 01:28:59,010

and I couldn't see anything in the

1933

01:29:02,570 --> 01:29:00,870

pictures until i zoomed right in and

1934

01:29:05,600 --> 01:29:02,580

there's a silver sphere with a little

1935

01:29:06,680 --> 01:29:05,610

black object and they're out of persue I

1936

01:29:09,320 --> 01:29:06,690

think I talked about several photographs

1937

01:29:11,120 --> 01:29:09,330

that had something in it and ones the

1938

01:29:12,169 --> 01:29:11,130

sphere ones a little black thing and it

1939

01:29:15,140 --> 01:29:12,179

looks like the little black things

1940

01:29:17,689 --> 01:29:15,150

either moving around the sphere or is

1941

01:29:20,410 --> 01:29:17,699

merged with it at one point it looks

1942

01:29:23,240 --> 01:29:20,420

like it's a sphere in a black triangle

1943

01:29:26,209 --> 01:29:23,250

then it's a sphere in a black bowl and

1944

01:29:28,729 --> 01:29:26,219

then a sphere with a black line but then

1945

01:29:31,130 --> 01:29:28,739

two dots as well because it was kind of

1946

01:29:32,810 --> 01:29:31,140

must have been moving about the sky I

1947

01:29:36,080 --> 01:29:32,820

wouldn't have got anything you've got

1948

01:29:38,000 --> 01:29:36,090

have got if it just took a video I

1949

01:29:43,250 --> 01:29:38,010

wouldn't have seen it because it was so

1950

01:29:45,290 --> 01:29:43,260

far away so how on earth did I feel the

1951

01:29:46,610 --> 01:29:45,300

need to take pictures and then took

1952

01:29:49,790 --> 01:29:46,620

pictures of something's there

1953

01:29:52,910 --> 01:29:49,800

I did have an academic say maybe your

1954

01:29:54,919 --> 01:29:52,920

subjective need to see something made it

1955

01:29:58,280 --> 01:29:54,929

appear and I was like well that's

1956

01:30:00,350 --> 01:29:58,290

paranormal in itself I can transfer

1957

01:30:06,169 --> 01:30:00,360

images onto my camera whoa

1958

01:30:13,760 --> 01:30:06,179

move over here we go ah so I don't know

1959

01:30:15,320 --> 01:30:13,770

you probably can't do that because let

1960

01:30:18,650 --> 01:30:15,330

people get photographs I mean Scott

1961

01:30:20,900 --> 01:30:18,660

Brown has some amazing photographs that

1962

01:30:23,720 --> 01:30:20,910

he's got and but he works really hard at

1963

01:30:26,240 --> 01:30:23,730

it he's got a lot of equipment and he's

1964

01:30:29,030 --> 01:30:26,250

always you know snapping photographs of

1965

01:30:32,000 --> 01:30:29,040

and and and usually it's nothing but

1966

01:30:34,310 --> 01:30:32,010

once in a while he'll get something that

1967

01:30:37,430 --> 01:30:34,320

another friend of mine in Australia he's

1968

01:30:39,650 --> 01:30:37,440

always bashing other people's UFO photo

1969

01:30:42,620 --> 01:30:39,660

graphs and then he got a video of

1970

01:30:44,810 --> 01:30:42,630

something and for God's sake I'll send

1971

01:30:47,479 --> 01:30:44,820

it to you I mean I took us still from

1972

01:30:51,560 --> 01:30:47,489

the video and this thing changes its

1973

01:30:54,920 --> 01:30:51,570

shape it starts going into this black

1974

01:30:56,479 --> 01:30:54,930

cloud and disappears but when it starts

1975

01:30:58,670 --> 01:30:56,489

entering this black cloud you can

1976

01:31:01,939 --> 01:30:58,680

clearly see it and I took a screenshot

1977

01:31:04,010 --> 01:31:01,949

of the video it's a flying saucer I mean

1978

01:31:12,640 --> 01:31:04,020

it's like a disc with a little cupola on

1979

01:31:16,250 --> 01:31:12,650

top it's like from from a movie cloud oh

1980

01:31:17,660 --> 01:31:16,260

there you go well they highly hide and

1981

01:31:19,310 --> 01:31:17,670

sometimes they'll disappear into clouds

1982

01:31:21,530 --> 01:31:19,320

and and sometimes they'll create their

1983

01:31:23,780 --> 01:31:21,540

own cloud and maybe as a portal and

1984

01:31:26,990 --> 01:31:23,790

maybe they're leaping into another

1985

01:31:29,900 --> 01:31:27,000

universe or hole or something but the

1986

01:31:32,810 --> 01:31:29,910

guy that got this video is a debunker he

1987

01:31:34,850 --> 01:31:32,820

he he sent me the video he said you know

1988

01:31:36,950 --> 01:31:34,860

just look at this mate tell me what you

1989

01:31:39,620 --> 01:31:36,960

think tell me what you think and you

1990

01:31:42,080 --> 01:31:39,630

know and and he won't even let me share

1991

01:31:44,990 --> 01:31:42,090

his name behind it I I sent the

1992

01:31:47,630 --> 01:31:45,000

screenshot to Johar's and the executive

1993

01:31:49,640 --> 01:31:47,640

director of MUFON is is a pretty good

1994

01:31:51,500 --> 01:31:49,650

friend of mine and I wanted Jan to see

1995

01:31:53,540 --> 01:31:51,510

it and he was excited he's like it's a

1996

01:31:56,000 --> 01:31:53,550

perfect photograph of a flying saucer

1997

01:31:58,760 --> 01:31:56,010

and you know did you get this guy's case

1998

01:32:01,430 --> 01:31:58,770

and and I had to tell him he won't let

1999

01:32:04,450 --> 01:32:01,440

me do it the guy it's a debunker but he

2000

01:32:06,830 --> 01:32:04,460

he saw this it is inexplicable and he

2001

01:32:08,750 --> 01:32:06,840

said well you can share it with a couple

2002

01:32:10,640 --> 01:32:08,760

of friends sure you can share it with

2003

01:32:12,320 --> 01:32:10,650

Jan Harrison but no I don't want to put

2004

01:32:15,350 --> 01:32:12,330

a case out because I don't want anybody

2005

01:32:24,200 --> 01:32:15,360

to do to me what I'm always doing to

2006

01:32:26,810 --> 01:32:24,210

them photographs but I think that where

2007

01:32:28,670 --> 01:32:26,820

maybe those are maybe little gifts or

2008

01:32:30,470 --> 01:32:28,680

they want us to believe in them but not

2009

01:32:34,520 --> 01:32:30,480

that much but they do want us to believe

2010

01:32:37,189 --> 01:32:34,530

in them and yeah I don't understand how

2011

01:32:39,470 --> 01:32:37,199

that I could have had that urge to take

2012

01:32:42,439 --> 01:32:39,480

something take those pictures and then

2013

01:32:44,209 --> 01:32:42,449

maybe something I want yeah it was

2014

01:32:46,580 --> 01:32:44,219

another time and I think it was the same

2015

01:32:47,840 --> 01:32:46,590

year and I was at my friend's house and

2016

01:32:50,000 --> 01:32:47,850

she lives at the bottom of the street

2017

01:32:53,180 --> 01:32:50,010

whereas I lived at the top of the street

2018

01:32:56,330 --> 01:32:53,190

and you know about quarter of a mile

2019

01:32:57,830 --> 01:32:56,340

away there was some allotments witcha

2020

01:32:59,960 --> 01:32:57,840

Gardens where people grow their

2021

01:33:02,240 --> 01:32:59,970

vegetables than they if you don't have a

2022

01:33:03,800 --> 01:33:02,250

garden you can rent a plot of land from

2023

01:33:08,060 --> 01:33:03,810

the local council and grow your veg

2024

01:33:11,300 --> 01:33:08,070

there and and so we always had birds

2025

01:33:12,800 --> 01:33:11,310

hovering red kites hovering over the

2026

01:33:13,190 --> 01:33:12,810

allotments because of the mice a lot of

2027

01:33:18,890 --> 01:33:13,200

you

2028

01:33:20,870 --> 01:33:18,900

so I'm stood on Mel's doorstep and out

2029

01:33:23,210 --> 01:33:20,880

the corner of my eye I've seen this bird

2030

01:33:26,030 --> 01:33:23,220

hovering over the allotment so I thought

2031

01:33:29,210 --> 01:33:26,040

and we're talking away and there's

2032

01:33:30,530 --> 01:33:29,220

another guy there Robert and I looked

2033

01:33:32,090 --> 01:33:30,540

again and it was still there wasn't

2034

01:33:34,700 --> 01:33:32,100

exactly the same place that has been

2035

01:33:36,530 --> 01:33:34,710

there a little while longer you know the

2036

01:33:38,930 --> 01:33:36,540

normally move a little bit you know and

2037

01:33:40,820 --> 01:33:38,940

then lots again another minute or so

2038

01:33:44,600 --> 01:33:40,830

later and I said some Ella said well can

2039

01:33:47,300 --> 01:33:44,610

you see that I went oh yeah I don't know

2040

01:33:50,240 --> 01:33:47,310

it's been there just hovering there like

2041

01:33:52,220 --> 01:33:50,250

that first about five minutes now but as

2042

01:33:54,410 --> 01:33:52,230

soon as we started talking about a it

2043

01:33:57,110 --> 01:33:54,420

started to move and it moved forwards

2044

01:34:01,070 --> 01:33:57,120

then down then up then backwards and it

2045

01:34:04,310 --> 01:34:01,080

moved like probably like a drone and

2046

01:34:05,930 --> 01:34:04,320

then we watched it for ages and the

2047

01:34:07,130 --> 01:34:05,940

choice I said get your cameras because I

2048

01:34:09,260 --> 01:34:07,140

didn't have my phone with me or anything

2049

01:34:10,940 --> 01:34:09,270

so I borrowed a camera and I took

2050

01:34:14,000 --> 01:34:10,950

photographs of it and it just looks like

2051

01:34:15,800 --> 01:34:14,010

an insect it just looks like a blob but

2052

01:34:17,810 --> 01:34:15,810

we're all talking about a tries to video

2053

01:34:18,920 --> 01:34:17,820

way but because of the brightness and

2054

01:34:20,390 --> 01:34:18,930

everything I couldn't really see what

2055

01:34:23,720 --> 01:34:20,400

was going on on the screen and it was

2056

01:34:26,090 --> 01:34:23,730

just a little digital you know not a

2057

01:34:28,580 --> 01:34:26,100

camcorder but at the facility to take

2058

01:34:30,979 --> 01:34:28,590

shot videos so I was trying to do that

2059

01:34:33,290 --> 01:34:30,989

and oh you can hear all that video is

2060

01:34:35,420 --> 01:34:33,300

good far is us saying where's it gone oh

2061

01:34:37,190 --> 01:34:35,430

it's there where is it well that chimney

2062

01:34:40,130 --> 01:34:37,200

there you know like that kind of

2063

01:34:42,800 --> 01:34:40,140

conversation and so we watched it and it

2064

01:34:44,780 --> 01:34:42,810

it was like a black line and then it

2065

01:34:47,060 --> 01:34:44,790

bumped along the front of this huge

2066

01:34:50,000 --> 01:34:47,070

cloud it was just in front of the house

2067

01:34:53,479 --> 01:34:50,010

and it stopped and went inside it and

2068

01:34:55,040 --> 01:34:53,489

that was all we'd seen when I got back

2069

01:34:58,400 --> 01:34:55,050

to my house and I got the photographs

2070

01:35:01,429 --> 01:34:58,410

off that camera there were three and one

2071

01:35:03,439 --> 01:35:01,439

of them is literally like a disc

2072

01:35:07,250 --> 01:35:03,449

and it looks like it's got three lines

2073

01:35:09,890 --> 01:35:07,260

on top of it with lights like three

2074

01:35:12,679 --> 01:35:09,900

aerial looks like three aerals likes

2075

01:35:13,939 --> 01:35:12,689

but people say they're insects it looks

2076

01:35:16,129 --> 01:35:13,949

like an animal it's like no you don't

2077

01:35:17,899 --> 01:35:16,139

understand what it was doing I wish we

2078

01:35:20,149 --> 01:35:17,909

could have had a video of it because you

2079

01:35:22,429 --> 01:35:20,159

de seen how strange the behavior was it

2080

01:35:24,469 --> 01:35:22,439

wasn't an insect it was too big and I

2081

01:35:28,370 --> 01:35:24,479

calculate that it must have been about

2082

01:35:32,600 --> 01:35:28,380

the same size no that's a calculate

2083

01:35:34,219 --> 01:35:32,610

isn't it really the cloud was - I mean

2084

01:35:37,270 --> 01:35:34,229

the hardest thing to calculate her

2085

01:35:39,859 --> 01:35:37,280

lights in the sky and my son saw

2086

01:35:42,379 --> 01:35:39,869

something that was strange and and and

2087

01:35:44,089 --> 01:35:42,389

but you know it he got a photograph and

2088

01:35:46,279 --> 01:35:44,099

it was your proverbial light in the sky

2089

01:35:48,770 --> 01:35:46,289

it could have been Venus it could've

2090

01:35:51,919 --> 01:35:48,780

been Jupiter it could have been a drone

2091

01:35:54,109 --> 01:35:51,929

it it just you know it's like a star and

2092

01:35:56,379 --> 01:35:54,119

and and what can I do with that that's

2093

01:35:58,459 --> 01:35:56,389

not a whole lot you know and and

2094

01:36:02,209 --> 01:35:58,469

unfortunately you know I mean we do err

2095

01:36:04,520 --> 01:36:02,219

on the side of you know we're very

2096

01:36:07,040 --> 01:36:04,530

critical about photographs that move on

2097

01:36:09,379 --> 01:36:07,050

we have to be you know because have we

2098

01:36:12,049 --> 01:36:09,389

have you know intentional hoaxers and

2099

01:36:14,390 --> 01:36:12,059

stuff sometimes it's just gonna you know

2100

01:36:16,939 --> 01:36:14,400

get a kick out of out of fooling us so

2101

01:36:19,609 --> 01:36:16,949

I'm sure that I've had UFOs have gotten

2102

01:36:22,189 --> 01:36:19,619

away from me certain cases that I've you

2103

01:36:25,640 --> 01:36:22,199

know called you know identified flying

2104

01:36:29,839 --> 01:36:25,650

objects that because just for lack of

2105

01:36:32,859 --> 01:36:29,849

the criteria and lack of anything other

2106

01:36:35,750 --> 01:36:32,869

than just a light in the sky it just

2107

01:36:38,540 --> 01:36:35,760

unfortunately there's not a lot to go on

2108

01:36:41,239 --> 01:36:38,550

there except personal testimony but

2109

01:36:43,819 --> 01:36:41,249

personal testimony is is really strong

2110

01:36:47,390 --> 01:36:43,829

and I mean that'll hold up in a la you

2111

01:36:50,270 --> 01:36:47,400

know court of law I mean some of my

2112

01:36:52,339 --> 01:36:50,280

better cases I mean of course I mean we

2113

01:36:55,759 --> 01:36:52,349

love it when we have aerospace engineers

2114

01:36:57,439 --> 01:36:55,769

or or pilots or astronauts I mean I have

2115

01:37:00,819 --> 01:36:57,449

an astronaut that had a sighting that

2116

01:37:03,620 --> 01:37:00,829

I've been talking with recently and and

2117

01:37:05,600 --> 01:37:03,630

you know but the way that I'll handle

2118

01:37:07,879 --> 01:37:05,610

witness testimony is is it I'll go back

2119

01:37:10,159 --> 01:37:07,889

to the person and I'll cold call them

2120

01:37:12,709 --> 01:37:10,169

after doing my initial interview and

2121

01:37:14,239 --> 01:37:12,719

I'll talk with them again and if

2122

01:37:15,020 --> 01:37:14,249

somebody's making something up they're

2123

01:37:17,720 --> 01:37:15,030

going to get one of the

2124

01:37:19,040 --> 01:37:17,730

details wrong if you cold call them

2125

01:37:21,080 --> 01:37:19,050

they're not going to have a script in

2126

01:37:22,939 --> 01:37:21,090

front of themselves and you can tell if

2127

01:37:25,490 --> 01:37:22,949

somebody's going back in their memory

2128

01:37:28,779 --> 01:37:25,500

and remembering an event or reading off

2129

01:37:32,089 --> 01:37:28,789

a sheet of paper or repeating a

2130

01:37:33,830 --> 01:37:32,099

fabrication that they made up so that

2131

01:37:36,649 --> 01:37:33,840

there's always you know witness

2132

01:37:38,750 --> 01:37:36,659

testimony I think is stronger than even

2133

01:37:40,910 --> 01:37:38,760

a photograph because usually the

2134

01:37:43,609 --> 01:37:40,920

photographs are fuzzy blurry and it's

2135

01:37:47,959 --> 01:37:43,619

you know is that a planet or is that it

2136

01:37:49,790 --> 01:37:47,969

you know starship I don't know yeah yeah

2137

01:37:51,859 --> 01:37:49,800

the photographs that I have are fuzzy as

2138

01:37:54,290 --> 01:37:51,869

well they're never they're not clear I

2139

01:37:57,020 --> 01:37:54,300

only I don't carry around a posh camera

2140

01:37:58,669 --> 01:37:57,030

just over the camera on my phone you

2141

01:38:02,839 --> 01:37:58,679

know so you're never gonna get anything

2142

01:38:05,870 --> 01:38:02,849

great but in Ivan's drain the battery is

2143

01:38:08,060 --> 01:38:05,880

drained if you're up close Sommelier UFO

2144

01:38:09,589 --> 01:38:08,070

I've heard this a million times I went

2145

01:38:11,810 --> 01:38:09,599

to grab my phone I was going to take a

2146

01:38:14,149 --> 01:38:11,820

video and my phone was dead and I had

2147

01:38:17,060 --> 01:38:14,159

just charged it and it's just like the

2148

01:38:18,709 --> 01:38:17,070

electrical thing that you you

2149

01:38:20,959 --> 01:38:18,719

experienced where after you had your

2150

01:38:24,370 --> 01:38:20,969

your close encounter when you were in

2151

01:38:31,419 --> 01:38:24,380

the store you know it's yeah that was

2152

01:38:38,589 --> 01:38:35,299

yeah yeah batteries do drain a lot don't

2153

01:38:41,660 --> 01:38:38,599

they and also that like you say you get

2154

01:38:46,819 --> 01:38:41,670

so stunned it doesn't even occur see

2155

01:38:48,890 --> 01:38:46,829

estate photographs so are there any

2156

01:38:52,879 --> 01:38:48,900

photographs that you've have that you've

2157

01:38:55,819 --> 01:38:52,889

had sent to you in as in your position

2158

01:39:03,109 --> 01:38:55,829

as the MUFON director that you are

2159

01:39:05,180 --> 01:39:03,119

absolutely convinced real usually I mean

2160

01:39:08,180 --> 01:39:05,190

I haven't gotten so many photographs

2161

01:39:11,299 --> 01:39:08,190

that impressed me usually their lights

2162

01:39:14,000 --> 01:39:11,309

in the sky which you know again are

2163

01:39:18,200 --> 01:39:14,010

really there's not a whole lot I can do

2164

01:39:20,450 --> 01:39:18,210

with those but I've gotten you know the

2165

01:39:22,339 --> 01:39:20,460

few photographs that I've seen that I

2166

01:39:25,640 --> 01:39:22,349

the one that I was telling you about

2167

01:39:28,160 --> 01:39:25,650

that my one friend in Australia took

2168

01:39:28,669 --> 01:39:28,170

that is to me unequivocally if the

2169

01:39:30,560 --> 01:39:28,679

flying

2170

01:39:33,049 --> 01:39:30,570

ah sir yeah there's no other way to

2171

01:39:35,179 --> 01:39:33,059

interpret it and it's strange because

2172

01:39:37,040 --> 01:39:35,189

you actually do see it shape-shift I

2173

01:39:40,939 --> 01:39:37,050

mean it starts off where it looks sort

2174

01:39:43,219 --> 01:39:40,949

of like like a long cylinder and then it

2175

01:39:45,859 --> 01:39:43,229

switches you know it becomes a flying

2176  
01:39:49,219 --> 01:39:45,869  
saucer and it goes into this black cloud

2177  
01:39:52,489 --> 01:39:49,229  
and then it pop it's gone and and you

2178  
01:39:55,339 --> 01:39:52,499  
know the guy got the full video but

2179  
01:39:59,810 --> 01:39:55,349  
that's really an uncommon thing we had

2180  
01:40:03,020 --> 01:39:59,820  
one one video that a young girl took in

2181  
01:40:05,239 --> 01:40:03,030  
Los Angeles and it's really cute when

2182  
01:40:07,339 --> 01:40:05,249  
she's talking on the video with you you

2183  
01:40:09,799 --> 01:40:07,349  
know it took a child to get this you

2184  
01:40:12,469 --> 01:40:09,809  
know if she's talking to her aunt who's

2185  
01:40:15,199 --> 01:40:12,479  
driving the car and she says look look

2186  
01:40:18,679 --> 01:40:15,209  
look at that spaceship it's about ready

2187  
01:40:21,649 --> 01:40:18,689  
to go behind that building and she got

2188  
01:40:24,259 --> 01:40:21,659

this video of this thing and you know

2189

01:40:26,149 --> 01:40:24,269

some people went crazy on it you know

2190

01:40:29,839 --> 01:40:26,159

saying well it's an illuminated blimp

2191

01:40:32,089 --> 01:40:29,849

it's this and it's that and but she took

2192

01:40:35,299 --> 01:40:32,099

photographs as well and we had the exif

2193

01:40:38,239 --> 01:40:35,309

data that was on the photographs now

2194

01:40:41,689 --> 01:40:38,249

this was a case that was that was closed

2195

01:40:44,569 --> 01:40:41,699

by my state director Jeff Crouse and it

2196

01:40:47,120 --> 01:40:44,579

it it actually made the MUFON Journal

2197

01:40:51,589 --> 01:40:47,130

the next month it was the cover story

2198

01:40:54,890 --> 01:40:51,599

and and you know it it looks like a

2199

01:40:58,429 --> 01:40:54,900

flying saucer to me the thing was bright

2200

01:41:00,350 --> 01:40:58,439

as an are like a welders arc is the way

2201  
01:41:04,160 --> 01:41:00,360  
that the aunt described it she saw it as

2202  
01:41:06,410 --> 01:41:04,170  
well the little girl got it on video and

2203  
01:41:09,979 --> 01:41:06,420  
she got photographs and I was I was

2204  
01:41:12,290 --> 01:41:09,989  
pretty impressed with that one but again

2205  
01:41:14,239 --> 01:41:12,300  
you know unless you can walk up to it

2206  
01:41:16,879 --> 01:41:14,249  
and take samples and have a Geiger

2207  
01:41:18,589 --> 01:41:16,889  
counter and get readings and that sort

2208  
01:41:21,919 --> 01:41:18,599  
of stuff there's always the element of

2209  
01:41:24,560 --> 01:41:21,929  
question out there and I find personal

2210  
01:41:28,100 --> 01:41:24,570  
testimony to be a greater asset than

2211  
01:41:30,640 --> 01:41:28,110  
even photographs because usually iPhones

2212  
01:41:34,009 --> 01:41:30,650  
go out that they are just drained of

2213  
01:41:36,439 --> 01:41:34,019

every bit of power that was in them if

2214

01:41:37,910 --> 01:41:36,449

it's close up and personal if it's in

2215

01:41:41,239 --> 01:41:37,920

the distance like some of the stuff that

2216

01:41:42,199 --> 01:41:41,249

does you know Scott Brown gets using you

2217

01:41:45,049 --> 01:41:42,209

know

2218

01:41:47,899 --> 01:41:45,059

strong telescope and and and infrared

2219

01:41:50,899 --> 01:41:47,909

and things like that and he has some

2220

01:41:52,729 --> 01:41:50,909

pretty impressive photos of UFOs but

2221

01:41:54,469 --> 01:41:52,739

people you know just on the street

2222

01:41:56,569 --> 01:41:54,479

driving in their car or whatever they

2223

01:42:01,520 --> 01:41:56,579

usually don't are unable to get anything

2224

01:42:03,620 --> 01:42:01,530

but just a blob you know and the

2225

01:42:05,989 --> 01:42:03,630

personal testimony plays really strongly

2226

01:42:09,739 --> 01:42:05,999

though I mean I you know just recently I

2227

01:42:12,979 --> 01:42:09,749

had a spate of of aerospace engineers

2228

01:42:16,189 --> 01:42:12,989

that have come forward with sightings of

2229

01:42:18,819 --> 01:42:16,199

you know black triangles one guy saw a

2230

01:42:22,250 --> 01:42:18,829

black triangle and out in Palmdale

2231

01:42:24,649 --> 01:42:22,260

California near the Lockheed plant and

2232

01:42:26,839 --> 01:42:24,659

he said that he saw this thing land and

2233

01:42:31,819 --> 01:42:26,849

he said it landed behind gate number

2234

01:42:36,140 --> 01:42:31,829

eight in the in a locking plant property

2235

01:42:38,359 --> 01:42:36,150

that was there this guy is a veteran

2236

01:42:42,709 --> 01:42:38,369

aerospace engineer he was scared to tell

2237

01:42:44,689 --> 01:42:42,719

his story he he you know I was able to

2238

01:42:46,850 --> 01:42:44,699

interview him twice and then he felt

2239

01:42:48,770 --> 01:42:46,860

like you know I've told you what I saw I

2240

01:42:50,629 --> 01:42:48,780

don't even feel comfortable talking on

2241

01:42:52,549 --> 01:42:50,639

the phone about this anymore because I'm

2242

01:42:55,129 --> 01:42:52,559

scared because I have a pension I could

2243

01:42:58,699 --> 01:42:55,139

lose I'm afraid that I saw something

2244

01:43:01,310 --> 01:42:58,709

that I wasn't supposed to see especially

2245

01:43:02,929 --> 01:43:01,320

you know if it's a black project of ours

2246

01:43:05,390 --> 01:43:02,939

and I think that we have been trying to

2247

01:43:08,449 --> 01:43:05,400

reverse engineer stuff and we probably

2248

01:43:11,330 --> 01:43:08,459

have been successful yeah I I had

2249

01:43:14,509 --> 01:43:11,340

another aerospace guy who is more of a

2250

01:43:19,149 --> 01:43:14,519

Riveter type but he'd been in doing this

2251

01:43:22,520 --> 01:43:19,159

for many many you know years who who saw

2252

01:43:23,569 --> 01:43:22,530

he and two friends were out in the

2253

01:43:26,149 --> 01:43:23,579

middle of nowhere

2254

01:43:28,370 --> 01:43:26,159

three three o'clock in the morning of

2255

01:43:32,839 --> 01:43:28,380

course where a lot of these are seeing

2256

01:43:35,270 --> 01:43:32,849

is 3 8 at 3:00 a.m. for some reason but

2257

01:43:37,040 --> 01:43:35,280

he saw this thing from a distance

2258

01:43:39,350 --> 01:43:37,050

started as a point of light it got

2259

01:43:40,759 --> 01:43:39,360

brighter and brighter they were all

2260

01:43:43,310 --> 01:43:40,769

standing on the bumper of the car

2261

01:43:44,989 --> 01:43:43,320

watching it and he said that it looked

2262

01:43:48,169 --> 01:43:44,999

like a giant pair of wraparound

2263

01:43:51,199 --> 01:43:48,179

sunglasses but it was like half a mile

2264

01:43:53,929 --> 01:43:51,209

across this thing went right over their

2265

01:43:55,819 --> 01:43:53,939

vehicle he said that you could see the

2266

01:43:58,579 --> 01:43:55,829

front of it was transparent

2267

01:44:01,219 --> 01:43:58,589

like it had a glassed-in wall or a

2268

01:44:03,619 --> 01:44:01,229

transparent wall and you could see four

2269

01:44:06,770 --> 01:44:03,629

different decks that were delineating

2270

01:44:08,509 --> 01:44:06,780

and obvious decks with with he said I

2271

01:44:11,779 --> 01:44:08,519

didn't know if they were humans walking

2272

01:44:13,609 --> 01:44:11,789

or or aliens because it was still it was

2273

01:44:15,679 --> 01:44:13,619

way up there was you know hundreds of

2274

01:44:21,109 --> 01:44:15,689

feet up there but the thing blocked out

2275

01:44:22,250 --> 01:44:21,119

the sky it was so huge they felt they

2276

01:44:25,369 --> 01:44:22,260

could they could feel a very

2277

01:44:28,189 --> 01:44:25,379

uncomfortable feeling and hurt um when

2278

01:44:30,319 --> 01:44:28,199

it was directly over their car and then

2279

01:44:35,209 --> 01:44:30,329

it kept on going and traveling off

2280

01:44:37,520 --> 01:44:35,219

towards towards the the South you know a

2281

01:44:40,969 --> 01:44:37,530

lot of a lot of these we see going

2282

01:44:43,639 --> 01:44:40,979

towards the ocean that that's a thing

2283

01:44:45,679 --> 01:44:43,649

yeah you know a lot of the sightings and

2284

01:44:48,379 --> 01:44:45,689

whether we have a base it's off Catalina

2285

01:44:50,299 --> 01:44:48,389

Island like many people say we do or or

2286

01:44:53,119 --> 01:44:50,309

there's something that's out there that

2287

01:44:55,149 --> 01:44:53,129

these go to I I don't know but they do

2288

01:44:58,219 --> 01:44:55,159

seem to be traveling towards the ocean

2289

01:45:00,379 --> 01:44:58,229

towards the Baja Peninsula in particular

2290

01:45:04,879 --> 01:45:00,389

sometimes where and that that's where

2291

01:45:07,279 --> 01:45:04,889

the tic-tac UFO is seen you know the it

2292

01:45:10,069 --> 01:45:07,289

was it was a story in The New York Times

2293

01:45:12,770 --> 01:45:10,079

where a lot of people consider that that

2294

01:45:14,989 --> 01:45:12,780

was us and getting full on disclosure

2295

01:45:17,359 --> 01:45:14,999

you know the government never denied

2296

01:45:19,879 --> 01:45:17,369

that it happened we have the testimony

2297

01:45:23,479 --> 01:45:19,889

from multiple pilots and the radar man

2298

01:45:27,699 --> 01:45:23,489

that the strike force commander who was

2299

01:45:30,049 --> 01:45:27,709

on that the USS Nimitz they they all

2300

01:45:33,409 --> 01:45:30,059

corroborated that this had happened and

2301  
01:45:36,489 --> 01:45:33,419  
and we know that the government funded

2302  
01:45:38,599 --> 01:45:36,499  
the Pentagon funded a research

2303  
01:45:42,529 --> 01:45:38,609  
investigation into this sighting that

2304  
01:45:45,109 --> 01:45:42,539  
was I believe it was twenty four million

2305  
01:45:49,459 --> 01:45:45,119  
dollars it was appropriated for that one

2306  
01:45:51,020 --> 01:45:49,469  
sighting so yeah it's it's something

2307  
01:45:53,929 --> 01:45:51,030  
that the government takes very seriously

2308  
01:45:56,540 --> 01:45:53,939  
and and when you have an aerospace

2309  
01:45:58,489 --> 01:45:56,550  
veteran who talks about seeing something

2310  
01:46:02,060 --> 01:45:58,499  
like that and there's corroborating

2311  
01:46:04,040 --> 01:46:02,070  
witnesses you have to stop and think you

2312  
01:46:06,139 --> 01:46:04,050  
know it's it's why would they spend

2313  
01:46:08,950 --> 01:46:06,149

twenty four million dollars looking at

2314

01:46:13,060 --> 01:46:08,960

something than you it was

2315

01:46:15,130 --> 01:46:13,070

exactly exactly you know and I'm sure

2316

01:46:17,440 --> 01:46:15,140

that part of it as well as the Russians

2317

01:46:21,700 --> 01:46:17,450

is Chinese but no I don't think that

2318

01:46:24,160 --> 01:46:21,710

anybody has nobody has technology that

2319

01:46:28,120 --> 01:46:24,170

can defy gravity not that we know of

2320

01:46:30,190 --> 01:46:28,130

anyway so it's either a black project

2321

01:46:33,550 --> 01:46:30,200

that we're not privy to or else it's our

2322

01:46:36,360 --> 01:46:33,560

our visitors I think they'll go to

2323

01:46:41,950 --> 01:46:36,370

technology I think the Griffin takes

2324

01:46:43,840 --> 01:46:41,960

completely understood I was doing

2325

01:46:46,660 --> 01:46:43,850

underground I mean that's my opinion

2326

01:46:50,729 --> 01:46:46,670

I mean I you know I recently I've

2327

01:46:54,070 --> 01:46:50,739

actually found a guy who knows the other

2328

01:46:56,620 --> 01:46:54,080

Secretary's son and he tells the exact

2329

01:46:59,470 --> 01:46:56,630

same story I have the email that my

2330

01:47:01,959 --> 01:46:59,480

friend got from him and he tells the

2331

01:47:04,900 --> 01:47:01,969

exact same story that my mom told he

2332

01:47:07,150 --> 01:47:04,910

actually gave a location for it was out

2333

01:47:10,270 --> 01:47:07,160

near Las Vegas it was technically where

2334

01:47:12,430 --> 01:47:10,280

area 51 is and he said that you know

2335

01:47:15,430 --> 01:47:12,440

they take an elevator down under the

2336

01:47:18,160 --> 01:47:15,440

desert floor it was a deep deep site and

2337

01:47:19,959 --> 01:47:18,170

that it was like James Bond but real

2338

01:47:22,300 --> 01:47:19,969

that they were working on a so tarik

2339

01:47:24,910 --> 01:47:22,310

stuff and this was back in the 50s yeah

2340

01:47:27,250 --> 01:47:24,920

and he described it as a little city he

2341

01:47:30,580 --> 01:47:27,260

said it was called Star City he actually

2342

01:47:30,880 --> 01:47:30,590

put a name to it the guy won't talk to

2343

01:47:34,540 --> 01:47:30,890

me

2344

01:47:36,130 --> 01:47:34,550

now he's RAF pilot he wound up you know

2345

01:47:38,620 --> 01:47:36,140

I can't tell you too much about him

2346

01:47:40,300 --> 01:47:38,630

because I had to respect that he wants

2347

01:47:41,830 --> 01:47:40,310

to remain anonymous I mean he doesn't

2348

01:47:48,400 --> 01:47:41,840

want to go there because he's got a

2349

01:47:50,920 --> 01:47:48,410

pension so but it's not just about money

2350

01:47:53,440 --> 01:47:50,930

is it it's about what it does see life

2351

01:47:56,020 --> 01:47:53,450

it's when you start talking publicly it

2352

01:47:59,200 --> 01:47:56,030

completely changes your life and even

2353

01:48:03,010 --> 01:47:59,210

people in that position they will you

2354

01:48:05,440 --> 01:48:03,020

know we've got like people like Paul

2355

01:48:07,690 --> 01:48:05,450

Dean and Isaac Cohen all of you know

2356

01:48:10,510 --> 01:48:07,700

that kind of caliber they're all safe

2357

01:48:12,459 --> 01:48:10,520

but at the same time it changes

2358

01:48:14,320 --> 01:48:12,469

everything doesn't it changes your life

2359

01:48:16,240 --> 01:48:14,330

when you start talking about I don't

2360

01:48:18,070 --> 01:48:16,250

blame people for not talking about it

2361

01:48:19,780 --> 01:48:18,080

and I keep hearing people saying about

2362

01:48:21,280 --> 01:48:19,790

the Rendlesham witnesses that they

2363

01:48:22,389 --> 01:48:21,290

should all get together and they should

2364

01:48:23,830 --> 01:48:22,399

all do

2365

01:48:25,239 --> 01:48:23,840

this and the ship we're doing that and

2366

01:48:27,639 --> 01:48:25,249

the other and telling us all about it

2367

01:48:29,080 --> 01:48:27,649

well if they all got together and they

2368

01:48:30,729 --> 01:48:29,090

didn't want to say a single word so

2369

01:48:33,129 --> 01:48:30,739

anybody after that that would be their

2370

01:48:37,299 --> 01:48:33,139

prerogative but you would not old

2371

01:48:39,850 --> 01:48:37,309

anything and this is so life-changing if

2372

01:48:42,159 --> 01:48:39,860

people don't want to talk about it I

2373

01:48:44,049 --> 01:48:42,169

completely get that I don't know what I

2374

01:48:45,850 --> 01:48:44,059

did only find if at my time over and the

2375

01:48:47,139 --> 01:48:45,860

knowledge that I've got now and know

2376

01:48:51,819 --> 01:48:47,149

that I would have done things very very

2377

01:48:54,639 --> 01:48:51,829

differently yes yes well it's taken my

2378

01:48:57,429 --> 01:48:54,649

life over I mean I I for most of my life

2379

01:48:59,859 --> 01:48:57,439

I was you know I'm a musician and I was

2380

01:49:04,330 --> 01:48:59,869

kind of trying to follow that you know

2381

01:49:07,000 --> 01:49:04,340

catch that gold ring and and now I'm so

2382

01:49:08,560 --> 01:49:07,010

busy with my UFO investigations that

2383

01:49:11,500 --> 01:49:08,570

there's hardly any time to even pick up

2384

01:49:14,139 --> 01:49:11,510

a guitar no I mean it just really took

2385

01:49:16,659 --> 01:49:14,149

over everything but I love it yeah and

2386

01:49:18,819 --> 01:49:16,669

it is my passion it's my passion you

2387

01:49:21,100 --> 01:49:18,829

know I love it now that I can cope with

2388

01:49:23,259 --> 01:49:21,110

it I couldn't cope with it before I was

2389

01:49:27,100 --> 01:49:23,269

a very angry person and I was very you

2390

01:49:30,609 --> 01:49:27,110

know PTSD and I was you know almost

2391

01:49:32,679 --> 01:49:30,619

permanently triggered and I found it

2392

01:49:35,290 --> 01:49:32,689

very difficult to be in the UFO

2393

01:49:39,040 --> 01:49:35,300

community because you could just feel

2394

01:49:41,109 --> 01:49:39,050

that like 90% of it is just rubbish it's

2395

01:49:43,389 --> 01:49:41,119

not wrong it's nonsense it's a sea of

2396

01:49:46,479 --> 01:49:43,399

nonsense and in that sea of nonsense

2397

01:49:51,399 --> 01:49:46,489

there's little you know you common boys

2398

01:49:53,949 --> 01:49:51,409

don't little boys of of community but it

2399

01:49:56,109 --> 01:49:53,959

is a singham insanity it's been very

2400

01:49:57,600 --> 01:49:56,119

very very difficult and also they fill

2401

01:50:00,129 --> 01:49:57,610

your head full of rubbish as well

2402

01:50:01,839 --> 01:50:00,139

there's a circus out there around it

2403

01:50:03,759 --> 01:50:01,849

unfortunate when you don't know anything

2404

01:50:06,069 --> 01:50:03,769

and all you know is what you see and you

2405

01:50:08,830 --> 01:50:06,079

don't know who anyone is are you know

2406

01:50:10,179 --> 01:50:08,840

you go out there and and that all of the

2407

01:50:12,009 --> 01:50:10,189

people that you really don't need in

2408

01:50:13,869 --> 01:50:12,019

your life are the ones that are flock

2409

01:50:16,239 --> 01:50:13,879

around you first and the ones that you

2410

01:50:17,259 --> 01:50:16,249

really really want to talk to they don't

2411

01:50:18,639 --> 01:50:17,269

want to talk to people who don't know

2412

01:50:20,439 --> 01:50:18,649

anything because they just think that

2413

01:50:22,629 --> 01:50:20,449

you know what and then that what can

2414

01:50:25,029 --> 01:50:22,639

they do anyway you know what can anyone

2415

01:50:27,369 --> 01:50:25,039

do for anyone what can you tell from the

2416

01:50:29,679 --> 01:50:27,379

outside of a craft what can you do for

2417

01:50:33,009 --> 01:50:29,689

somebody who has been you know at the

2418

01:50:35,089 --> 01:50:33,019

life completely dismantled by you know

2419

01:50:37,489 --> 01:50:35,099

years and years of abductions and

2420

01:50:39,020 --> 01:50:37,499

it everything's a process there's no

2421

01:50:42,469 --> 01:50:39,030

quick fixes and I think that's what

2422

01:50:46,489 --> 01:50:42,479

people expect a lot at the time but it

2423

01:50:48,949 --> 01:50:46,499

it just changes everything and the tip

2424

01:50:50,479 --> 01:50:48,959

and the people that I was with they

2425

01:50:52,009 --> 01:50:50,489

don't want to talk about it publicly I

2426

01:50:54,559 --> 01:50:52,019

don't blame em they see what's something

2427

01:50:57,139 --> 01:50:54,569

to me you know the right one day I know

2428

01:51:00,259 --> 01:50:57,149

that Steve wants to and I've done years

2429

01:51:03,859 --> 01:51:00,269

a little bit more vocal these days um my

2430

01:51:06,469 --> 01:51:03,869

facebook but it's scary it's a scary

2431

01:51:08,989 --> 01:51:06,479

thing and and talking about it as well

2432

01:51:10,639 --> 01:51:08,999

actually makes it more real and a lot of

2433

01:51:12,979 --> 01:51:10,649

people don't want the reality of a is

2434

01:51:14,719 --> 01:51:12,989

like you can see you can hide you can

2435

01:51:18,319 --> 01:51:14,729

hide behind a lot when you haven't made

2436

01:51:20,270 --> 01:51:18,329

up your mind what is it can amp up the

2437

01:51:22,369 --> 01:51:20,280

it can amp up your experiences just

2438

01:51:25,189 --> 01:51:22,379

talking about it just acknowledging it

2439

01:51:28,039 --> 01:51:25,199

you know I never had an experience until

2440

01:51:30,829 --> 01:51:28,049

I kind of drew close to to the phenomena

2441

01:51:33,559 --> 01:51:30,839

myself I mean it was sort of on a lark I

2442

01:51:36,259 --> 01:51:33,569

you know was watching a hold hain or one

2443

01:51:39,139 --> 01:51:36,269

episode with my wife and you know it was

2444

01:51:41,509 --> 01:51:39,149

a MUFON produced show and it was more or

2445

01:51:43,279 --> 01:51:41,519

less just talking about people's various

2446

01:51:45,289 --> 01:51:43,289

UFO sightings and I turned to my wife

2447

01:51:49,669 --> 01:51:45,299

and I said you know I could do that I

2448

01:51:52,009 --> 01:51:49,679

could do this you know and and I had

2449

01:51:55,669 --> 01:51:52,019

read the day after Roswell by Philip

2450

01:51:59,569 --> 01:51:55,679

Corso just recently at that point and it

2451

01:52:01,969 --> 01:51:59,579

was kind of an amazing book to me

2452

01:52:03,859 --> 01:52:01,979

because a lot of what philip corso was

2453

01:52:05,629 --> 01:52:03,869

talking about was this stuff my mom was

2454

01:52:08,750 --> 01:52:05,639

talking about you know the underground

2455

01:52:11,479 --> 01:52:08,760

bases and and Wernher von Braun and and

2456

01:52:15,079 --> 01:52:11,489

Oberth and these guys it was just it was

2457

01:52:18,020 --> 01:52:15,089

it was too many similar points in his

2458

01:52:21,469 --> 01:52:18,030

story for it to have been coincidental

2459

01:52:23,779 --> 01:52:21,479

so everything kind of you know sent me

2460

01:52:26,209 --> 01:52:23,789

in this direction and and I did I

2461

01:52:29,449 --> 01:52:26,219

embraced it and I decided I'm gonna I'm

2462

01:52:33,619 --> 01:52:29,459

gonna do this it was a lark at first but

2463

01:52:35,629 --> 01:52:33,629

it wound up kind of taken over and you

2464

01:52:39,289 --> 01:52:35,639

know and there's a ridicule factor too I

2465

01:52:42,500 --> 01:52:39,299

mean a lot of friends you know I I have

2466

01:52:45,079 --> 01:52:42,510

a lot of smart friends yeah yeah you

2467

01:52:47,119 --> 01:52:45,089

know is what one one sighting that I had

2468

01:52:48,919 --> 01:52:47,129

and I'll you know if you have me on

2469

01:52:52,070 --> 01:52:48,929

again and maybe I'll tell you about

2470

01:52:55,399 --> 01:52:52,080

because it was just it's kind of an

2471

01:52:57,320 --> 01:52:55,409

in-depth thing that I saw but you know

2472

01:52:59,450 --> 01:52:57,330

our friend was driving the car and she

2473

01:53:01,760 --> 01:52:59,460

was in the middle of sort of you know

2474

01:53:03,260 --> 01:53:01,770

the conversation was as well how can you

2475

01:53:07,700 --> 01:53:03,270

investigate something that doesn't even

2476

01:53:10,100 --> 01:53:07,710

exist or all yeah my husband on many

2477

01:53:12,740 --> 01:53:10,110

many you know black projects and he you

2478

01:53:15,740 --> 01:53:12,750

know he's astrophysicist and and he says

2479

01:53:17,810 --> 01:53:15,750

it's a bunch of rubbish it doesn't exist

2480

01:53:22,000 --> 01:53:17,820

it's a made-up thing it's like

2481

01:53:24,950 --> 01:53:22,010

leprechauns and you know dragons and and

2482

01:53:28,820 --> 01:53:24,960

and while she's talking and I'm having a

2483

01:53:30,709 --> 01:53:28,830

sighting at the same time there's a lot

2484

01:53:32,959 --> 01:53:30,719

of irony in this and those are the

2485

01:53:35,660 --> 01:53:32,969

things that people that people go I'll

2486

01:53:38,390 --> 01:53:35,670

get lost but that's actually how it is

2487

01:53:42,649 --> 01:53:38,400

it's always so ironic everything about

2488

01:53:45,830 --> 01:53:42,659

it is really ironic when in hindsight is

2489

01:53:48,439 --> 01:53:45,840

crazy stuff but our friend our friend

2490

01:53:50,660 --> 01:53:48,449

later on she she admitted that she had a

2491

01:53:53,959 --> 01:53:50,670

sighting when she was a girl she's a

2492

01:53:56,899 --> 01:53:53,969

little girl again and she but she was

2493

01:53:58,910 --> 01:53:56,909

where was it I think in Kansas where she

2494

01:54:02,090 --> 01:53:58,920

was living and and again she was out in

2495

01:54:03,979 --> 01:54:02,100

a cornfield and she saw this giant blimp

2496

01:54:06,050 --> 01:54:03,989

shaped object and it was 1:00 in the

2497

01:54:09,229 --> 01:54:06,060

morning and she's going well maybe it

2498

01:54:10,790 --> 01:54:09,239

was a blimp and it's like well you can

2499

01:54:16,130 --> 01:54:10,800

kind of tell that's a good year on the

2500

01:54:18,140 --> 01:54:16,140

side that's a little you know yeah and a

2501  
01:54:19,729 --> 01:54:18,150  
rotor and a gondola under it's like well

2502  
01:54:21,560 --> 01:54:19,739  
no it didn't have a gondola it was just

2503  
01:54:23,720 --> 01:54:21,570  
like a football shape but it was hanging

2504  
01:54:26,240 --> 01:54:23,730  
there as in the middle of nowhere and it

2505  
01:54:28,520 --> 01:54:26,250  
was just glowing but you know I mean

2506  
01:54:30,950 --> 01:54:28,530  
maybe it was a blimp maybe it was a

2507  
01:54:32,840 --> 01:54:30,960  
blimp she just can't quite embrace the

2508  
01:54:35,510 --> 01:54:32,850  
fact that she saw something and maybe it

2509  
01:54:36,709 --> 01:54:35,520  
wasn't a blimp yeah what wimple be doing

2510  
01:54:40,250 --> 01:54:36,719  
at 1:00 in the morning

2511  
01:54:42,050 --> 01:54:40,260  
hovering over a cornfield in Kansas for

2512  
01:54:44,450 --> 01:54:42,060  
God's sake you know I've seen something

2513  
01:54:46,370 --> 01:54:44,460

similar myself and I couldn't say forgot

2514

01:54:49,160 --> 01:54:46,380

I've had a lot going on in my life and I

2515

01:54:50,899 --> 01:54:49,170

was just kind of smoking at the window

2516

01:54:54,950 --> 01:54:50,909

looking out the window and I just saw

2517

01:54:58,459 --> 01:54:54,960

these bright white egg go over the top

2518

01:54:59,899 --> 01:54:58,469

if the feels like and I felt so sad when

2519

01:55:00,740 --> 01:54:59,909

he had gone it was really weird it was

2520

01:55:16,070 --> 01:55:00,750

like

2521

01:55:19,160 --> 01:55:16,080

we'll always cry take me with you take

2522

01:55:20,450 --> 01:55:19,170

me away from all this well we've got to

2523

01:55:22,190 --> 01:55:20,460

the end of the show and it's been

2524

01:55:24,260 --> 01:55:22,200

absolutely wonderful and I think we need

2525

01:55:26,270 --> 01:55:24,270

another two hours so I will definitely

2526

01:55:28,130 --> 01:55:26,280

have you back home there's a lot of

2527

01:55:29,360 --> 01:55:28,140

other things that we'll know it's what

2528

01:55:30,710 --> 01:55:29,370

I've written down from what you were

2529

01:55:32,810 --> 01:55:30,720

saying but we haven't got time to cover

2530

01:55:36,830 --> 01:55:32,820

all that and I definitely want to hear

2531

01:55:39,050 --> 01:55:36,840

about year more in depth sighting I did

2532

01:55:40,340 --> 01:55:39,060

see that you brought that on Facebook

2533

01:55:45,260 --> 01:55:40,350

the other day actually I read though it

2534

01:55:47,540 --> 01:55:45,270

was for me thank you for coming on thank

2535

01:55:49,940 --> 01:55:47,550

you so much for having me Sasha was my

2536

01:55:53,050 --> 01:55:49,950

pleasure and my honor to be on your show

2537

01:55:56,300 --> 01:55:53,060

and you are the state director for

2538

01:55:57,950 --> 01:55:56,310

California as I write assistant state

2539

01:56:01,310 --> 01:55:57,960

you know you don't want to take my

2540

01:56:07,550 --> 01:56:01,320

boss's job and I don't want I don't want

2541

01:56:09,350 --> 01:56:07,560

his job yes to coordinate all of us but

2542

01:56:11,780 --> 01:56:09,360

I am assistant director and chief

2543

01:56:13,580 --> 01:56:11,790

investigators if people look to get out

2544

01:56:16,460 --> 01:56:13,590

of you they can find your face book or

2545

01:56:20,150 --> 01:56:16,470

contact MUFON direct yeah I see

2546

01:56:22,310 --> 01:56:20,160

something be sure to you will have an

2547

01:56:24,710 --> 01:56:22,320

investigator look into it just go to

2548

01:56:27,920 --> 01:56:24,720

MUFON comm click on the link that says

2549

01:56:30,500 --> 01:56:27,930

report a UFO and it's it's very easy

2550

01:56:32,120 --> 01:56:30,510

it'll take you ten minutes and might

2551

01:56:34,480 --> 01:56:32,130

change your whole life it might change

2552

01:56:36,530 --> 01:56:34,490

the way that we look at the phenomenon

2553

01:56:40,190 --> 01:56:36,540

everyone's got a little piece of the

2554

01:56:42,410 --> 01:56:40,200

puzzle I think yeah yeah thanks very
