

1
00:00:04,970 --> 00:00:02,629
hello welcome to paranormal mysteries on

2
00:00:07,369 --> 00:00:04,980
access Northwest community radio here in

3
00:00:10,250 --> 00:00:07,379
lovely liverpol my guest tonight is an

4
00:00:11,900 --> 00:00:10,260
extremely interesting person he was born

5
00:00:14,509 --> 00:00:11,910
in Rhodesia and was in the Rhodesian

6
00:00:16,730 --> 00:00:14,519
army he's a kung fu master and the

7
00:00:18,890 --> 00:00:16,740
Guinness Book of Records holder for

8
00:00:22,010 --> 00:00:18,900
smashing I don't know how many slabs it

9
00:00:22,870 --> 00:00:22,020
was think 19 or 20 concrete slabs with

10
00:00:25,160 --> 00:00:22,880
one hand

11
00:00:28,339 --> 00:00:25,170
something chopsticks on his throat is

12
00:00:30,650 --> 00:00:28,349
another one and he's also an abductee a

13
00:00:33,470 --> 00:00:30,660

healer and their paranormal experience

14

00:00:35,479 --> 00:00:33,480

er although it's not paranormal some of

15

00:00:39,350 --> 00:00:35,489

us it's just normal it does become a

16

00:00:42,110 --> 00:00:39,360

norm and I first met Frank around 2006

17

00:00:44,119 --> 00:00:42,120

at a conference where mi5 agent Alan

18

00:00:47,119 --> 00:00:44,129

Sean was speaking about spies and lies

19

00:00:48,740 --> 00:00:47,129

and I passed didn't cross again until a

20

00:00:51,020 --> 00:00:48,750

couple of years ago at the height of the

21

00:00:53,209 --> 00:00:51,030

drama of the lorry warren investigation

22

00:00:55,279 --> 00:00:53,219

when Warren threatened him and his

23

00:00:57,080 --> 00:00:55,289

little girl anger which was an

24

00:01:00,139 --> 00:00:57,090

interesting turn their face for kung-fu

25

00:01:02,240 --> 00:01:00,149

expert and soldier all right we've

26
00:01:03,979 --> 00:01:02,250
become very good friends and I'd like to

27
00:01:06,469 --> 00:01:03,989
get to know him a little better because

28
00:01:08,870 --> 00:01:06,479
we do have certain things in common so

29
00:01:10,640 --> 00:01:08,880
without any more waffle I'd like to

30
00:01:13,240 --> 00:01:10,650
introduce Frank Willy's to the show hiya

31
00:01:17,660 --> 00:01:13,250
Frank hey Sascha

32
00:01:21,070 --> 00:01:17,670
telenet say you said I'm really not

33
00:01:25,179 --> 00:01:21,080
guilty oh I've never claimed it and a

34
00:01:27,170 --> 00:01:25,189
mile above but no no I'm not aware of it

35
00:01:29,090 --> 00:01:27,180
all right I thought it was because of

36
00:01:32,480 --> 00:01:29,100
the stuff that you talk about the

37
00:01:37,640 --> 00:01:32,490
reptilians she assumed that you've been

38
00:01:40,460 --> 00:01:37,650

abducted by them no I the only one I saw

39

00:01:42,859 --> 00:01:40,470

was the guy she had shifted hidden in my

40

00:01:50,990 --> 00:01:42,869

lounge that night was about Saul was

41

00:01:55,819 --> 00:01:51,000

meditating it was at that time about 15

42

00:01:59,630 --> 00:01:55,829

year ago now but at that time I was told

43

00:02:03,020 --> 00:01:59,640

about the reptilians and I was like okay

44

00:02:06,530 --> 00:02:03,030

I know aliens exist on all UFOs a real

45

00:02:08,359 --> 00:02:06,540

book like dis lock on me and then when

46

00:02:12,700 --> 00:02:08,369

that guy shape-shifted

47

00:02:15,430 --> 00:02:12,710

I was in blew my mind

48

00:02:19,480 --> 00:02:15,440

all sorts went through my head you know

49

00:02:24,010 --> 00:02:19,490

I always you know I'm a spiritual healer

50

00:02:26,550 --> 00:02:24,020

and other time the meditation group I

51
00:02:31,900 --> 00:02:26,560
was training these people to be healers

52
00:02:33,580 --> 00:02:31,910
so I am in a deep meditation stay and I

53
00:02:36,340 --> 00:02:33,590
was just looking around the room to see

54
00:02:38,710 --> 00:02:36,350
how they're all doing and I was looking

55
00:02:44,560 --> 00:02:38,720
at their energies just making sure that

56
00:02:46,900 --> 00:02:44,570
all okay and this guy looked at me and I

57
00:02:54,390 --> 00:02:46,910
thought why is he looking at me and he

58
00:02:59,190 --> 00:02:54,400
changed plain as day into I was like oh

59
00:03:02,920 --> 00:02:59,200
mama what are my scenes you know yes I

60
00:03:06,760 --> 00:03:02,930
was like wow you know and I had to walk

61
00:03:10,960 --> 00:03:06,770
whelming it was trying to intimidate me

62
00:03:15,640 --> 00:03:10,970
China control me and it was just like no

63
00:03:17,770 --> 00:03:15,650

this isn't my house get out you know the

64

00:03:21,160 --> 00:03:17,780

minute my thought went to that of

65

00:03:26,350 --> 00:03:21,170

Defense he disappeared and he changed

66

00:03:30,100 --> 00:03:26,360

Mike you know even to this day are still

67

00:03:34,000 --> 00:03:30,110

trying to work out exactly what happens

68

00:03:36,810 --> 00:03:34,010

and I have a theory and you know I don't

69

00:03:41,170 --> 00:03:36,820

like anybody else with zero degree of

70

00:03:43,410 --> 00:03:41,180

that these reptilians do come through in

71

00:03:46,210 --> 00:03:43,420

certain people like in a trance

72

00:03:49,840 --> 00:03:46,220

figuration medium okay

73

00:03:51,670 --> 00:03:49,850

well affirm you saw me giving it at the

74

00:03:54,880 --> 00:03:51,680

probe conference where I explained where

75

00:03:57,970 --> 00:03:54,890

I seen them coming out of Jason Andrews

76

00:04:00,640 --> 00:03:57,980

so they actually trouble with people

77

00:04:03,550 --> 00:04:00,650

inside people to experience what they're

78

00:04:05,620 --> 00:04:03,560

experiencing so these people might not

79

00:04:08,320 --> 00:04:05,630

even know that they've got this going on

80

00:04:10,150 --> 00:04:08,330

you know it's surely quite disturbing

81

00:04:12,340 --> 00:04:10,160

and I know it sounds like complete crazy

82

00:04:13,720 --> 00:04:12,350

talk but I have actually seen it with my

83

00:04:16,870 --> 00:04:13,730

own eyes and I've tried to rationalize

84

00:04:19,300 --> 00:04:16,880

it in so many different ways but I care

85

00:04:22,480 --> 00:04:19,310

and I know what I saw and I know what

86

00:04:24,050 --> 00:04:22,490

I've felt and experienced and my friend

87

00:04:27,050 --> 00:04:24,060

Paula

88

00:04:30,770 --> 00:04:27,060

another woman Len and obviously Jason

89

00:04:35,090 --> 00:04:30,780

got to know him and it happened to Paula

90

00:04:38,210 --> 00:04:35,100

when we were Burton's house and Andrews

91

00:04:41,270 --> 00:04:38,220

and one of them just walked through her

92

00:04:43,520 --> 00:04:41,280

into the living room and it was it's

93

00:04:45,409 --> 00:04:43,530

just this I think even believe it but I

94

00:04:47,090 --> 00:04:45,419

wonder if that's what the chips are

95

00:04:50,440 --> 00:04:47,100

about if there's some kind of like

96

00:04:55,879 --> 00:04:50,450

synchronizing energy feels are something

97

00:04:59,719 --> 00:04:55,889

I would say research I'm doing I'm going

98

00:05:02,150 --> 00:04:59,729

to talk about it probing March the

99

00:05:03,830 --> 00:05:02,160

different frequencies and I'll each

100

00:05:08,810 --> 00:05:03,840

individual perceives something

101
00:05:14,240 --> 00:05:08,820
differently yeah you know yeah before I

102
00:05:16,150 --> 00:05:14,250
go on sit up sake let's say stop healing

103
00:05:19,580 --> 00:05:16,160
session all we're doing we and people

104
00:05:22,010 --> 00:05:19,590
yeah at the end of it was one of the

105
00:05:24,890 --> 00:05:22,020
women she says to me can I have a word

106
00:05:27,469 --> 00:05:24,900
with ya you know when we everybody's

107
00:05:30,409 --> 00:05:27,479
gone alright yeah sure so everybody

108
00:05:32,990 --> 00:05:30,419
wanna Medgar Evers Ramos what's the

109
00:05:35,600 --> 00:05:33,000
mother like she said what what's your

110
00:05:37,460 --> 00:05:35,610
thoughts on shape-shifting I was like

111
00:05:39,469 --> 00:05:37,470
well you know I'm being interested in

112
00:05:43,880 --> 00:05:39,479
wheel balls for nuts at the thing and

113
00:05:46,550 --> 00:05:43,890

you know still Carlos Castaneda role and

114

00:05:49,219 --> 00:05:46,560

sure alright so you won't laugh at me

115

00:05:51,380 --> 00:05:49,229

alright what she says well you know I

116

00:05:54,320 --> 00:05:51,390

mean that guy my mother than their name

117

00:05:57,500 --> 00:05:54,330

just cuz it's not well you not being

118

00:05:59,330 --> 00:05:57,510

that guy we're having another all right

119

00:06:01,850 --> 00:05:59,340

yeah I figured that out

120

00:06:03,740 --> 00:06:01,860

she said well me the other night we were

121

00:06:05,710 --> 00:06:03,750

making looks to me and he's starting

122

00:06:08,480 --> 00:06:05,720

getting really rough and aggressive I

123

00:06:10,850 --> 00:06:08,490

opened my eyes and he said I kid you not

124

00:06:15,409 --> 00:06:10,860

right it was a reptilian on top of me

125

00:06:17,320 --> 00:06:15,419

and I'm free so I was just like blown

126

00:06:21,830 --> 00:06:17,330

away we was quite

127

00:06:27,350 --> 00:06:21,840

confirmation of what I saw yeah you know

128

00:06:31,670 --> 00:06:27,360

I saw where tell ya I thought oh I'm I'm

129

00:06:34,219 --> 00:06:31,680

not crazy you know something there you

130

00:06:36,260 --> 00:06:34,229

know yeah whatever phenomenon you want

131

00:06:37,290 --> 00:06:36,270

to call it or whatever it was there is

132

00:06:39,600 --> 00:06:37,300

something there

133

00:06:44,820 --> 00:06:39,610

and it's the old adage is not smart

134

00:06:47,820 --> 00:06:44,830

without my you know I think that nectar

135

00:06:49,140 --> 00:06:47,830

people would notice them you know I'm

136

00:06:51,600 --> 00:06:49,150

not saying that the picture I don't know

137

00:06:56,790 --> 00:06:51,610

if they did or not but like I know it's

138

00:07:00,570 --> 00:06:56,800

them but that that conference and then I

139

00:07:03,240 --> 00:07:00,580

ended up seeing them in the flesh a year

140

00:07:06,960 --> 00:07:03,250

later you know and I think I keep

141

00:07:11,460 --> 00:07:06,970

thinking that I was tagged virginal

142

00:07:14,400 --> 00:07:11,470

named yeah I do believe the target

143

00:07:16,770 --> 00:07:14,410

certain people and you know the research

144

00:07:21,210 --> 00:07:16,780

I've got into me it's usually people

145

00:07:24,840 --> 00:07:21,220

were you're rhesus negative online which

146

00:07:28,320 --> 00:07:24,850

my mom s yeah yeah which most Royals are

147

00:07:30,330 --> 00:07:28,330

as well you know I don't really want to

148

00:07:33,570 --> 00:07:30,340

get on Saddam boys it comes from the

149

00:07:36,480 --> 00:07:33,580

design the blue blurs and apparently

150

00:07:42,900 --> 00:07:36,490

rhesus negative when double crystallizes

151

00:07:51,800 --> 00:07:42,910

he's a blue cooler the reptilians I saw

152

00:07:58,860 --> 00:07:56,190

I must say partly know and what parlor

153

00:08:01,380 --> 00:07:58,870

when she saw it and Anne's how she said

154

00:08:05,340 --> 00:08:01,390

it looked like grayish plasticine

155

00:08:08,010 --> 00:08:05,350

because they are fairy are they they

156

00:08:14,610 --> 00:08:08,020

kind of snake like skin

157

00:08:17,030 --> 00:08:14,620

yeah that's scaly China yeah this phony

158

00:08:20,880 --> 00:08:17,040

you know as a kid growing up in Malaysia

159

00:08:23,220 --> 00:08:20,890

we had servants and the arson alley I

160

00:08:26,040 --> 00:08:23,230

used to chase around the house via

161

00:08:28,890 --> 00:08:26,050

chameleon and never really knew the

162

00:08:31,710 --> 00:08:28,900

meaning of what it was all about what

163

00:08:34,410 --> 00:08:31,720

the well certainly the mother Bailey

164

00:08:36,930 --> 00:08:34,420

tribe were frightened to death for the

165

00:08:40,490 --> 00:08:36,940

chameleon because it represents the

166

00:08:42,900 --> 00:08:40,500

chittering lives only in an e shape he's

167

00:08:45,350 --> 00:08:42,910

shape-shifting or changing calories and

168

00:08:50,610 --> 00:08:47,880

he went till grade on what we spoke

169

00:08:52,800 --> 00:08:50,620

about anything to you day we like

170

00:08:55,500 --> 00:08:52,810

suddenly made sense tonight you know

171

00:09:00,630 --> 00:08:55,510

some of the other stuff that were going

172

00:09:05,280 --> 00:09:00,640

on we some of the Africans yeah I'm

173

00:09:06,630 --> 00:09:05,290

African boy it's the over there you know

174

00:09:10,400 --> 00:09:06,640

when we were growing up they were able

175

00:09:15,329 --> 00:09:10,410

wise would be called Europeans and then

176

00:09:19,740 --> 00:09:15,339

Asians were Indians Pakistanis Chinese

177

00:09:28,550 --> 00:09:19,750

Japanese and then blacks would call that

178

00:09:33,150 --> 00:09:31,050

well you said something there that

179

00:09:34,470 --> 00:09:33,160

actually remind me I don't think of

180

00:09:36,480 --> 00:09:34,480

something that I've not actually thought

181

00:09:39,150 --> 00:09:36,490

before when you said that the color

182

00:09:42,030 --> 00:09:39,160

changing to the environment so the sort

183

00:09:43,440 --> 00:09:42,040

of shape shifts in well when I was kind

184

00:09:46,230 --> 00:09:43,450

of in this dentist chair with whatever

185

00:09:48,240 --> 00:09:46,240

was going on around me when I thought

186

00:09:49,860 --> 00:09:48,250

back so that all I could see was blue

187

00:09:52,019 --> 00:09:49,870

everything was just seemed to be blue

188

00:09:54,960 --> 00:09:52,029

around me and I can't figure it out and

189

00:09:57,600 --> 00:09:54,970

then one day I was thinking about it I

190

00:09:59,400 --> 00:09:57,610

remembered seeing this piece of

191

00:10:02,010 --> 00:09:59,410

equipment that the blue had kind of

192

00:10:04,370 --> 00:10:02,020

covered over it was almost like the blue

193

00:10:08,400 --> 00:10:04,380

cleared a little and I saw this I

194

00:10:11,670 --> 00:10:08,410

remembered this thing that was plotting

195

00:10:15,269 --> 00:10:11,680

a graph but the thing that I saw was

196

00:10:16,860 --> 00:10:15,279

blue and my mom had a dream that night

197

00:10:19,320 --> 00:10:16,870

that that was happening to me and I've

198

00:10:23,430 --> 00:10:19,330

been abducted and she said that she

199

00:10:26,070 --> 00:10:23,440

opened a door to she was in the house I

200

00:10:28,170 --> 00:10:26,080

was on the sofa and she opened her

201
00:10:31,140 --> 00:10:28,180
Dhahran that two people in two men in

202
00:10:34,019 --> 00:10:31,150
and we'll not a big like fedora hat said

203
00:10:36,930 --> 00:10:34,029
his skin was really blue and ripped that

204
00:10:39,630 --> 00:10:36,940
wrinkled it looked knitted so I just

205
00:10:42,030 --> 00:10:39,640
sort of I don't know if they use some

206
00:10:45,600 --> 00:10:42,040
sort of technique of masking everything

207
00:10:48,449 --> 00:10:45,610
with a sheet of blue in your mind you

208
00:10:50,280 --> 00:10:48,459
know and they've all been blue because

209
00:10:52,829 --> 00:10:50,290
that's the color that they used I don't

210
00:10:54,840 --> 00:10:52,839
know this is only just occurred to me so

211
00:10:57,630 --> 00:10:54,850
I don't really know what I'm saying but

212
00:10:59,130 --> 00:10:57,640
I can remember a lot of blue around me

213
00:11:02,730 --> 00:10:59,140

like the walls were blue and everything

214

00:11:03,600 --> 00:11:02,740

sensibly blue and then my mom saw a blue

215

00:11:06,890 --> 00:11:03,610

man

216

00:11:16,080 --> 00:11:06,900

and I saw a blue reptilian it's just

217

00:11:18,030 --> 00:11:16,090

interesting thing hmm yes yeah he's kind

218

00:11:21,890 --> 00:11:18,040

of like him you know the frequencies we

219

00:11:26,490 --> 00:11:21,900

were when I hit on ya

220

00:11:27,060 --> 00:11:26,500

it struck me one one night he was 20

221

00:11:30,420 --> 00:11:27,070

years ago

222

00:11:35,100 --> 00:11:30,430

we've got something you know a pubbing

223

00:11:38,280 --> 00:11:35,110

Kirkham and there's a girl there I used

224

00:11:41,370 --> 00:11:38,290

to work with and she was interested in

225

00:11:43,530 --> 00:11:41,380

what would we do well I think suppose a

226

00:11:47,820 --> 00:11:43,540

friend of hers one got killed in a

227

00:11:49,020 --> 00:11:47,830

Mahamaya caisson and he he he cannot we

228

00:11:52,170 --> 00:11:49,030

don't really know what happened but he

229

00:11:59,160 --> 00:11:52,180

came off his motorbike the turn off of

230

00:12:02,340 --> 00:11:59,170

Michael freckles and wrong junction in

231

00:12:05,190 --> 00:12:02,350

the middle there's a triangle vegetation

232

00:12:07,440 --> 00:12:05,200

and you know bushes only his body and

233

00:12:13,170 --> 00:12:07,450

Mike and little dirt and didn't find him

234

00:12:15,180 --> 00:12:13,180

for three days no I picked up and he

235

00:12:18,240 --> 00:12:15,190

would give him a message for him and I

236

00:12:21,420 --> 00:12:18,250

described there and then this solid

237

00:12:24,750 --> 00:12:21,430

medium uh no she she come out we Massey

238

00:12:29,280 --> 00:12:24,760

use for which she described him when he

239

00:12:35,220 --> 00:12:29,290

was a lot younger so it was guess of

240

00:12:38,010 --> 00:12:35,230

like I would even differently or is that

241

00:12:40,500 --> 00:12:38,020

spirit betraying himself differently to

242

00:12:42,870 --> 00:12:40,510

uh support so that the message could get

243

00:12:46,550 --> 00:12:42,880

across to to the person we were talking

244

00:12:51,150 --> 00:12:46,560

to but you struck me that he's frequency

245

00:12:53,750 --> 00:12:51,160

he does to me and quantum physics bikes

246

00:12:57,990 --> 00:12:53,760

he dog that everything is a frequency

247

00:13:01,770 --> 00:12:58,000

yes yes the reptilians and certainly the

248

00:13:04,970 --> 00:13:01,780

government know about rep you know about

249

00:13:09,750 --> 00:13:04,980

frequencies only to do use them

250

00:13:12,470 --> 00:13:09,760

certainly adult fit low and Churchill

251
00:13:15,770 --> 00:13:12,480
was using frequencies and using

252
00:13:17,670 --> 00:13:15,780
Sonic's you know psychic warfare program

253
00:13:22,079 --> 00:13:17,680
against each other

254
00:13:25,590 --> 00:13:22,089
please lay lies to send our energy do

255
00:13:27,300 --> 00:13:25,600
you know I can influence each other yeah

256
00:13:31,730 --> 00:13:27,310
I've read a bit a little bit about all

257
00:13:34,590 --> 00:13:31,740
their magic and astrology that they use

258
00:13:36,030 --> 00:13:34,600
just predict each other's behaviors or

259
00:13:39,870 --> 00:13:36,040
whatever they were gonna do next

260
00:13:41,720 --> 00:13:39,880
yeah so it kind of goes in we you know

261
00:13:43,500 --> 00:13:41,730
the martial arts training I live in

262
00:13:46,110 --> 00:13:43,510
g.push cheese

263
00:13:49,290 --> 00:13:46,120

yeah then he's our frequency well you

264

00:13:52,350 --> 00:13:49,300

also our frequency in you can kill with

265

00:13:57,269 --> 00:13:52,360

it or you can heal with it you know I

266

00:14:00,560 --> 00:13:57,279

lost the ingen yang of chief so you know

267

00:14:05,160 --> 00:14:00,570

I'm well aware of the frequencies and

268

00:14:07,650 --> 00:14:05,170

people's energy feels and roars you know

269

00:14:10,590 --> 00:14:07,660

the effect to each other and how we

270

00:14:12,810 --> 00:14:10,600

interact and why we don't like people

271

00:14:16,380 --> 00:14:12,820

why we don't like certain people in our

272

00:14:21,420 --> 00:14:16,390

personal space how we are all aware

273

00:14:22,410 --> 00:14:21,430

people we're not you know and I've just

274

00:14:26,970 --> 00:14:22,420

said to somebody

275

00:14:30,540 --> 00:14:26,980

oh here's sorry no public room like a

276

00:14:33,269 --> 00:14:30,550

cafe or a full or whatever you got a

277

00:14:35,130 --> 00:14:33,279

feeling somebody staring at you and you

278

00:14:42,329 --> 00:14:35,140

turn round and the eye staring at you

279

00:14:45,480 --> 00:14:42,339

how do you know you know people haven't

280

00:14:47,750 --> 00:14:45,490

really thought of that well psychology

281

00:14:52,110 --> 00:14:47,760

something or if I explain it and

282

00:14:57,810 --> 00:14:52,120

certainly governments and being well

283

00:14:59,160 --> 00:14:57,820

aware of it you know it was only last

284

00:15:02,190 --> 00:14:59,170

night I was talking with him brother

285

00:15:06,150 --> 00:15:02,200

he's he's not seen that film than many

286

00:15:09,780 --> 00:15:06,160

stir and gods I said yeah so he's based

287

00:15:11,370 --> 00:15:09,790

on the truth it's all about energies you

288

00:15:13,800 --> 00:15:11,380

know the opening scene the guys trying

289

00:15:15,570 --> 00:15:13,810

to run through the brick wall he's on

290

00:15:18,510 --> 00:15:15,580

here he's trying to get him the same

291

00:15:19,110 --> 00:15:18,520

frequency as the brick wall after the

292

00:15:21,720 --> 00:15:19,120

exams

293

00:15:24,660 --> 00:15:21,730

I wasn't even attempting the old white

294

00:15:26,460 --> 00:15:24,670

book you know some other research was

295

00:15:28,560 --> 00:15:26,470

going you know everybody thought he was

296

00:15:31,260 --> 00:15:28,570

crazy book there came out with some

297

00:15:31,769 --> 00:15:31,270

magnificent stuff which you still not

298

00:15:34,319 --> 00:15:31,779

being

299

00:15:37,410 --> 00:15:34,329

release to the general public you know

300

00:15:43,949 --> 00:15:37,420

they're just little snippets from people

301

00:15:48,449 --> 00:15:43,959

like colonel philip corso up what was

302

00:15:52,290 --> 00:15:48,459

that they had Saturday yeah the more he

303

00:15:56,519 --> 00:15:52,300

was more on about very more viewing all

304

00:16:00,660 --> 00:15:56,529

right that's interesting that yeah

305

00:16:06,239 --> 00:16:00,670

that's interested in his remote me yeah

306

00:16:07,199 --> 00:16:06,249

I used to do it with me excellent she's

307

00:16:09,780 --> 00:16:07,209

a businesswoman

308

00:16:13,710 --> 00:16:09,790

you know she travels quite a lot did you

309

00:16:18,179 --> 00:16:13,720

from all right we talk features are porn

310

00:16:19,920 --> 00:16:18,189

or Skype or whatever she just say all

311

00:16:22,470 --> 00:16:19,930

right I have one more word in that one a

312

00:16:24,869 --> 00:16:22,480

disc Lowry as you got you do my heading

313

00:16:26,309 --> 00:16:24,879

you you're right every time I said yeah

314

00:16:28,920 --> 00:16:26,319

you can do it

315

00:16:32,220 --> 00:16:28,930

so he's dirty doing she was she was

316

00:16:35,850 --> 00:16:32,230

doing it but it was a very good link

317

00:16:37,889 --> 00:16:35,860

between Mason yeah yeah well you know it

318

00:16:43,139 --> 00:16:37,899

can be long as they're within the human

319

00:16:46,710 --> 00:16:43,149

potential all very interesting Germa

320

00:16:51,449 --> 00:16:46,720

conical where he talked about remote for

321

00:16:52,799 --> 00:16:51,459

you in and somehow thinks that was a

322

00:16:56,819 --> 00:16:52,809

part of what was going on

323

00:16:59,460 --> 00:16:56,829

awesome some experiment that was going

324

00:17:01,049 --> 00:16:59,470

on on the Bentwaters basis but I don't

325

00:17:05,309 --> 00:17:01,059

know anything about that but do you know

326

00:17:08,850 --> 00:17:05,319

that there's been some amazing

327

00:17:11,069 --> 00:17:08,860

experiments and demonstrations that you

328

00:17:13,020 --> 00:17:11,079

just can't believe it that the drawing

329

00:17:17,850 --> 00:17:13,030

there's a guy called what's up John

330

00:17:19,679 --> 00:17:17,860

Oliver he's like if we stuck there and

331

00:17:21,720 --> 00:17:19,689

he'll be talking about a place that he's

332

00:17:23,699 --> 00:17:21,730

never been to and then he takes a deep

333

00:17:25,770 --> 00:17:23,709

breath and fantastic sees chest out on

334

00:17:28,470 --> 00:17:25,780

his hands up to thing and then he's

335

00:17:30,930 --> 00:17:28,480

looking down from in the air and and he

336

00:17:33,539 --> 00:17:30,940

draws these maps she's trying to locate

337

00:17:36,180 --> 00:17:33,549

you know people or whatever yeah I have

338

00:17:39,389 --> 00:17:36,190

never seen anything okay he blows my

339

00:17:42,230 --> 00:17:39,399

mind I mean I was watching this stuff

340

00:17:48,450 --> 00:17:42,240

and I just watching everything kid earth

341

00:17:50,760 --> 00:17:48,460

you know just take a deep breath is like

342

00:17:53,310 --> 00:17:50,770

go up in the air but you're not actually

343

00:17:56,460 --> 00:17:53,320

up in the air and you're not even like

344

00:17:58,260 --> 00:17:56,470

in right now you've mentally or in

345

00:18:01,470 --> 00:17:58,270

whatever way energetically

346

00:18:04,440 --> 00:18:01,480

come back in time and observing an event

347

00:18:09,240 --> 00:18:04,450

that happened to a person maybe 40 years

348

00:18:15,560 --> 00:18:09,250

ago yeah it's just wow that some people

349

00:18:22,470 --> 00:18:15,570

can do yeah I just recently I watched

350

00:18:26,159 --> 00:18:22,480

it's a TV show I come over the name of

351

00:18:28,860 --> 00:18:26,169

it it was a you don't act it and because

352

00:18:32,250 --> 00:18:28,870

looking the things where we used to

353

00:18:35,490 --> 00:18:32,260

songs and they went to a remote viewer

354

00:18:38,430 --> 00:18:35,500

and they were trainer Imam living in Las

355

00:18:45,330 --> 00:18:38,440

Vegas and he got it you know about 80

356

00:18:49,159 --> 00:18:45,340

percent right blue they're on - yeah it

357

00:18:54,840 --> 00:18:49,169

was did this what files he's called

358

00:18:57,630 --> 00:18:54,850

files no all right no I don't know I

359

00:18:59,610 --> 00:18:57,640

mean I've not I lost out whatever it is

360

00:19:02,190 --> 00:18:59,620

yeah it needs to fly I think you will

361

00:19:04,770 --> 00:19:02,200

want to do that like you know like

362

00:19:10,820 --> 00:19:04,780

Kiefer Sutherland and all that what you

363

00:19:16,470 --> 00:19:10,830

were one of them thank you you know

364

00:19:18,690 --> 00:19:16,480

it'll come to me it's quite an

365

00:19:21,720 --> 00:19:18,700

interesting show actually you know the

366

00:19:26,010 --> 00:19:21,730

it's the usual hype of Hollywood and all

367

00:19:28,289 --> 00:19:26,020

that but you bringing quietly subject to

368

00:19:30,899 --> 00:19:28,299

therefore you know people excites us

369

00:19:36,720 --> 00:19:30,909

questions about it so it's quite

370

00:19:40,980 --> 00:19:36,730

interesting I think I've seen it I do

371

00:19:43,940 --> 00:19:40,990

like things that are exploring this sort

372

00:19:47,460 --> 00:19:43,950

of thing is the human potential is just

373

00:19:52,259 --> 00:19:47,470

unknown isn't it and if we've all got

374

00:19:54,570 --> 00:19:52,269

these abilities and we could unlock them

375

00:19:58,979 --> 00:19:54,580

got away but have you ever seen the

376

00:20:01,169 --> 00:19:58,989

program the dead files without Amy Amy

377

00:20:04,079 --> 00:20:01,179

Alan it's the woman she's a psychic she

378

00:20:06,180 --> 00:20:04,089

goes to these places and she can just

379

00:20:11,039 --> 00:20:06,190

see everything anything that's gone on

380

00:20:13,379 --> 00:20:11,049

ever in that place and she gets a sketch

381

00:20:15,180 --> 00:20:13,389

artist to draw some of the things that

382

00:20:17,489 --> 00:20:15,190

she's seen and some of the things that

383

00:20:19,619 --> 00:20:17,499

she's saying are so horrific and you

384

00:20:21,810 --> 00:20:19,629

would think oh what a load of rubbish

385

00:20:24,539 --> 00:20:21,820

you know but she works with the

386

00:20:29,369 --> 00:20:24,549

detective and he goes and does all this

387

00:20:30,899 --> 00:20:29,379

kind of research and it come together at

388

00:20:33,269 --> 00:20:30,909

the end and she says what she's seen and

389

00:20:36,119 --> 00:20:33,279

he says what is found out and she can

390

00:20:38,339 --> 00:20:36,129

just she just knows this stuff I have to

391

00:20:40,799 --> 00:20:38,349

I just think how could anybody live in

392

00:20:45,359 --> 00:20:40,809

the world where this thing's crawl in

393

00:20:48,599 --> 00:20:45,369

the walls and you know people walking

394

00:20:51,810 --> 00:20:48,609

around looking like zombies and mostly

395

00:20:57,629 --> 00:20:51,820

very difficult to kind of stay sane with

396

00:20:59,669 --> 00:20:57,639

that kind of ability yeah it's hard you

397

00:21:05,209 --> 00:20:59,679

know when they were young and I'll wreck

398

00:21:09,019 --> 00:21:05,219

spirits and things and I remember from

399

00:21:11,430 --> 00:21:09,029

probably about the age of five or six I

400

00:21:13,649 --> 00:21:11,440

would say anything in the bedroom and

401
00:21:16,979 --> 00:21:13,659
stuff Ivan ferns

402
00:21:19,399 --> 00:21:16,989
there were Catholics and do going are

403
00:21:22,919 --> 00:21:19,409
you in mind get in there and and still

404
00:21:26,190 --> 00:21:22,929
something scared me something and it

405
00:21:29,579 --> 00:21:26,200
would in the end I thought he down soon

406
00:21:32,069 --> 00:21:29,589
everybody was like up he went to her

407
00:21:37,190 --> 00:21:32,079
about sixteen seventeen realizing that I

408
00:21:42,119 --> 00:21:37,200
was different from other people you know

409
00:21:45,180 --> 00:21:42,129
he you know I still was like 100 percent

410
00:21:46,499 --> 00:21:45,190
skeptical on things but I realized I would

411
00:21:54,719 --> 00:21:46,509
have been different and I just bring

412
00:21:59,690 --> 00:21:54,729
down to our Monti social and in a sense

413
00:22:07,820 --> 00:22:02,299

sort of things were you saying

414

00:22:10,039 --> 00:22:07,830

oh one of the earliest memories like my

415

00:22:12,560 --> 00:22:10,049

brother he's a few years older than me

416

00:22:13,940 --> 00:22:12,570

I remember seeing a little old man

417

00:22:19,999 --> 00:22:13,950

talking to him every night

418

00:22:21,739 --> 00:22:20,009

in the bedroom he you know he knew it

419

00:22:23,330 --> 00:22:21,749

well mother told me I'll go to sleep

420

00:22:26,419 --> 00:22:23,340

you're all right you're up and he

421

00:22:27,169 --> 00:22:26,429

talking for always when they rule it my

422

00:22:30,320 --> 00:22:27,179

brother

423

00:22:34,310 --> 00:22:30,330

vaguely remembers a person he was only

424

00:22:38,180 --> 00:22:34,320

two maybe three at the time only my

425

00:22:40,279 --> 00:22:38,190

father yeah he 89 was a and the ended up

426

00:22:43,579 --> 00:22:40,289

getting a priest to cover and bless the

427

00:22:46,249 --> 00:22:43,589

house and do what we do whatever he was

428

00:22:48,499 --> 00:22:46,259

doing no no I don't know I'm not know he

429

00:22:51,950 --> 00:22:48,509

blasts the house whether he did anything

430

00:22:57,589 --> 00:22:51,960

else how long uh he it made no

431

00:23:01,609 --> 00:22:57,599

difference your girl got I found that

432

00:23:04,459 --> 00:23:01,619

out as well you know I like a Catholics

433

00:23:09,049 --> 00:23:04,469

ask the Catholic priest to do it it will

434

00:23:12,709 --> 00:23:09,059

work very well most Catholic priests

435

00:23:17,299 --> 00:23:12,719

laundering fanatically well yeah I've

436

00:23:19,579 --> 00:23:17,309

been in a announced where priestly work

437

00:23:22,159 --> 00:23:19,589

I'm blessing the house we accomplish

438

00:23:23,749 --> 00:23:22,169

various funding new work laughing I

439

00:23:26,479 --> 00:23:23,759

leave her out they were more interesting

440

00:23:29,779 --> 00:23:26,489

what he was doing which I found

441

00:23:31,700 --> 00:23:29,789

fascinating and when I had the

442

00:23:37,459 --> 00:23:31,710

conversation with the preach the valley

443

00:23:41,180 --> 00:23:37,469

after azisa YES on Santa so he was aware

444

00:23:47,719 --> 00:23:41,190

of it you're not yeah I was gonna bite

445

00:23:52,190 --> 00:23:47,729

ya yes they did more often with you in

446

00:23:56,119 --> 00:23:52,200

private and I found that with me uncle

447

00:24:00,499 --> 00:23:56,129

sister she was a nun and I did some

448

00:24:04,339 --> 00:24:00,509

healing on it about 20 euro Ghana and

449

00:24:07,579 --> 00:24:04,349

these four years and you know I made the

450

00:24:09,409 --> 00:24:07,589

knees right so she's saying I cycled get

451
00:24:11,960 --> 00:24:09,419
from God and you know because she's a

452
00:24:16,070 --> 00:24:11,970
Catholic Nam and that was their belief

453
00:24:22,250 --> 00:24:16,080
which is like you know whatever happened

454
00:24:26,360 --> 00:24:22,260
I'm out before you know I gotta sit down

455
00:24:31,210 --> 00:24:26,370
two more outs it was a positive thing

456
00:24:34,640 --> 00:24:31,220
and did not even approve it in the world

457
00:24:37,130 --> 00:24:34,650
yeah as funny that sounds swiped stills

458
00:24:38,960 --> 00:24:37,140
with things as well so your Apple

459
00:24:41,570 --> 00:24:38,970
listening that's a mutual friend of ours

460
00:24:42,890 --> 00:24:41,580
he yeah like when I've been scared a

461
00:24:45,320 --> 00:24:42,900
couple of times to some what's going on

462
00:24:48,080 --> 00:24:45,330
he says just think happy thoughts nice

463
00:24:49,640 --> 00:24:48,090

thoughts think of love they says he

464

00:24:51,080 --> 00:24:49,650

fondled something up and throw it out

465

00:24:54,160 --> 00:24:51,090

the car window once for laughing

466

00:24:56,390 --> 00:24:54,170

wouldn't really really weird in the back

467

00:24:58,040 --> 00:24:56,400

to see your friends business their

468

00:25:01,250 --> 00:24:58,050

friends and I started to feel really ill

469

00:25:04,310 --> 00:25:01,260

in the house and real about headache and

470

00:25:06,680 --> 00:25:04,320

like paying across and shoulders and it

471

00:25:08,330 --> 00:25:06,690

was struggling and I was like aha stay

472

00:25:12,020 --> 00:25:08,340

here partner

473

00:25:15,500 --> 00:25:12,030

lines and so you know speaking upon his

474

00:25:16,790 --> 00:25:15,510

discomfort and then we were in the car

475

00:25:19,250 --> 00:25:16,800

we were chatting away and then both of

476
00:25:21,860 --> 00:25:19,260
us just went quiet at the same time and

477
00:25:25,870 --> 00:25:21,870
I would you feel that anyway yeah just

478
00:25:30,740 --> 00:25:28,130
was like oh my god it was really weird

479
00:25:34,310 --> 00:25:30,750
it was like I barely pulled up because

480
00:25:37,100 --> 00:25:34,320
it was so overwhelming the feeling that

481
00:25:41,150 --> 00:25:37,110
I was panicking about how I was driving

482
00:25:43,670 --> 00:25:41,160
it was no I just felt so like I'm sure

483
00:25:45,890 --> 00:25:43,680
about everything and it was very very

484
00:25:48,440 --> 00:25:45,900
weird and then after a minute or so I

485
00:25:52,460 --> 00:25:48,450
felt fine again I thought what I was

486
00:25:57,470 --> 00:25:52,470
glad not come away from her home on my

487
00:26:09,650 --> 00:25:57,480
own you know it was really really weird

488
00:26:13,730 --> 00:26:09,660

so wipes is scarier than if you're aware

489

00:26:17,540 --> 00:26:13,740

of it you say you feel like you know

490

00:26:19,670 --> 00:26:17,550

unfortunately most well depends how you

491

00:26:21,410 --> 00:26:19,680

look at it out sometimes I think you

492

00:26:24,620 --> 00:26:21,420

have people are fortunate you don't have

493

00:26:28,500 --> 00:26:24,630

a tip but most people go through life

494

00:26:31,020 --> 00:26:28,510

and you don't want to know

495

00:26:36,270 --> 00:26:31,030

you know that that's what I love about

496

00:26:38,940 --> 00:26:36,280

skeptics because you know I I in the

497

00:26:42,860 --> 00:26:38,950

past allowed skeptics be the cover art

498

00:26:47,580 --> 00:26:42,870

we all saw it so still just trying you

499

00:26:50,340 --> 00:26:47,590

know just put you down and so I said I

500

00:26:52,860 --> 00:26:50,350

start looking at them about 12 inches on

501
00:26:54,960 --> 00:26:52,870
both of the red well I'm talking to him

502
00:26:56,910 --> 00:26:54,970
they start getting paranoid in the like

503
00:27:03,420 --> 00:26:56,920
were you doing in reading remind you

504
00:27:06,780 --> 00:27:03,430
something something in the human psyche

505
00:27:09,240 --> 00:27:06,790
and pleasures like Hollywood play on it

506
00:27:11,960 --> 00:27:09,250
you know they come out with these films

507
00:27:17,160 --> 00:27:11,970
and people some bloody depth of them

508
00:27:22,620 --> 00:27:17,170
yeah true yeah I think I keep the

509
00:27:25,140 --> 00:27:22,630
skeptics as well Oh Jew skeptic is

510
00:27:27,540 --> 00:27:25,150
somebody believed in whatever but

511
00:27:29,310 --> 00:27:27,550
doesn't believe in just anything I mean

512
00:27:37,100 --> 00:27:29,320
unless you know like a hardened skeptic

513
00:27:42,320 --> 00:27:39,950

whereabouts in the Bible you come from

514

00:27:50,220 --> 00:27:42,330

youth from China

515

00:27:54,860 --> 00:27:50,230

she energies accessway yes anything

516

00:27:58,520 --> 00:27:54,870

cheap now if you mention it in the West

517

00:28:02,910 --> 00:27:58,530

[Laughter]

518

00:28:05,100 --> 00:28:02,920

very strange creatures over here we

519

00:28:07,740 --> 00:28:05,110

don't it's like we don't believe in

520

00:28:10,070 --> 00:28:07,750

anything it's like we went there like

521

00:28:14,070 --> 00:28:10,080

pushed away from believing in anything

522

00:28:16,530 --> 00:28:14,080

spiritual anything you know wholesome so

523

00:28:18,330 --> 00:28:16,540

we're going duck disconnected from

524

00:28:26,040 --> 00:28:18,340

nature that we've forgotten that we are

525

00:28:29,510 --> 00:28:26,050

nature yeah I'm sorry I believe you

526

00:28:32,840 --> 00:28:29,520

you know the history of Medicine and

527

00:28:37,800 --> 00:28:32,850

this goes back to life Pythagoras and

528

00:28:41,100 --> 00:28:37,810

Socrates they their practice medicine of

529

00:28:43,860 --> 00:28:41,110

the mind body and spirit

530

00:28:47,130 --> 00:28:43,870

yeah you know it's apparent in the

531

00:28:51,770 --> 00:28:47,140

caduceus the medical professions symbol

532

00:28:54,420 --> 00:28:51,780

is the seven chakras a yin and yang

533

00:28:57,240 --> 00:28:54,430

energy going off the spine around the

534

00:29:02,160 --> 00:28:57,250

seven chakras to the gada the wing yeah

535

00:29:06,510 --> 00:29:02,170

so it's apparent there and he was ramen

536

00:29:10,620 --> 00:29:06,520

15 seeking century and he's separated

537

00:29:13,110 --> 00:29:10,630

into the different medicines you know

538

00:29:16,230 --> 00:29:13,120

medicines of the mind medicines of the

539

00:29:18,360 --> 00:29:16,240

body and then the Vatican which was a

540

00:29:22,160 --> 00:29:18,370

major player was I wrong

541

00:29:25,770 --> 00:29:22,170

we'll take control of the spirit and

542

00:29:29,010 --> 00:29:25,780

King James II Rory into the Bible about

543

00:29:32,010 --> 00:29:29,020

witchcraft Nora sup played a major part

544

00:29:32,700 --> 00:29:32,020

in the Splane of the mind/body/spirit

545

00:29:39,030 --> 00:29:32,710

medicine

546

00:29:42,300 --> 00:29:39,040

ya know which is a shame and it still

547

00:29:45,630 --> 00:29:42,310

exists today and it's unfortunate but

548

00:29:50,550 --> 00:29:45,640

you know it's changing where there are

549

00:29:55,680 --> 00:29:50,560

doctors and medical profession who more

550

00:29:58,470 --> 00:29:55,690

often minded and right not the GP I got

551
00:30:02,850 --> 00:29:58,480
Nam what moldy pea he actually practiced

552
00:30:05,400 --> 00:30:02,860
I keep on sure as well just so you know

553
00:30:09,170 --> 00:30:05,410
I did work closely waiting on some of

554
00:30:13,410 --> 00:30:09,180
these passions wheeling himself and

555
00:30:15,930 --> 00:30:13,420
amazing results actually which he was

556
00:30:18,630 --> 00:30:15,940
well interested you know a very open

557
00:30:23,340 --> 00:30:18,640
minded book he Kurt about his passions

558
00:30:25,440 --> 00:30:23,350
and yeah he was a true believer that the

559
00:30:28,740 --> 00:30:25,450
patient knew more about the body than

560
00:30:37,620 --> 00:30:28,750
anybody else did and it was down to them

561
00:30:40,350 --> 00:30:37,630
to find the actual problem yeah you are

562
00:30:42,810 --> 00:30:40,360
he was brilliant doctor and you know

563
00:30:49,050 --> 00:30:42,820

with personal friends as well a toy in

564

00:30:53,640 --> 00:30:49,060

Tai Chi you know there are some cousins

565

00:30:54,450 --> 00:30:53,650

out there but he you're constrained by

566

00:30:57,810 --> 00:30:54,460

the

567

00:31:04,519 --> 00:30:57,820

profession by Big Pharma you know this

568

00:31:07,799 --> 00:31:04,529

that yeah it's like a big bucket about

569

00:31:10,409 --> 00:31:07,809

because you know I've been recently as

570

00:31:12,779 --> 00:31:10,419

you know being all in her like a couple

571

00:31:15,629 --> 00:31:12,789

years ago I was on like 18 tablets a day

572

00:31:18,409 --> 00:31:15,639

prescribed and some of them was because

573

00:31:21,960 --> 00:31:18,419

of side effects and blah blah blah and

574

00:31:24,899 --> 00:31:21,970

it was just how I like my blood turned

575

00:31:27,299 --> 00:31:24,909

into this toxic soup and it just got

576

00:31:28,039 --> 00:31:27,309

sicker and sicker I can't live like this

577

00:31:33,560 --> 00:31:28,049

anymore

578

00:31:35,519 --> 00:31:33,570

so I started researching what plants

579

00:31:39,600 --> 00:31:35,529

would have the same effect as the

580

00:31:44,509 --> 00:31:39,610

medications that I was taking how to

581

00:31:48,149 --> 00:31:44,519

heal from this United detox all the

582

00:31:52,470 --> 00:31:48,159

chemicals and other way metals and lvo

583

00:31:56,430 --> 00:31:52,480

that's in these tablets and then I don't

584

00:31:59,909 --> 00:31:56,440

I can of not on this journey of learning

585

00:32:02,460 --> 00:31:59,919

about plants and healing and resins and

586

00:32:06,330 --> 00:32:02,470

all that I realize that we have been

587

00:32:09,359 --> 00:32:06,340

absolutely and deliberately cut off on

588

00:32:14,700 --> 00:32:09,369

that and all I thought like synergy with

589

00:32:19,710 --> 00:32:14,710

our bodies and we were absolutely we're

590

00:32:22,430 --> 00:32:19,720

discouraged from using plants and even

591

00:32:25,560 --> 00:32:22,440

in some medications if you read the

592

00:32:28,560 --> 00:32:25,570

instructions and them it will say do not

593

00:32:30,450 --> 00:32:28,570

eat this are that are the other and when

594

00:32:32,720 --> 00:32:30,460

you look at why it's like because that

595

00:32:38,970 --> 00:32:32,730

does the same thing as the medication

596

00:32:43,859 --> 00:32:38,980

yeah well take that burn I might as well

597

00:32:47,669 --> 00:32:43,869

as that combination of things we had

598

00:32:49,560 --> 00:32:47,679

round some of these pharmaceutical sick

599

00:32:56,489 --> 00:32:49,570

describe to people about suicidal

600

00:33:00,629 --> 00:32:56,499

tendencies sorry fake suicide what one

601
00:33:04,660 --> 00:33:00,639
of those was instant death yeah honestly

602
00:33:10,910 --> 00:33:08,300
well bookies are all they big you are

603
00:33:11,450 --> 00:33:10,920
about cannabis or some pharmaceutical

604
00:33:15,860 --> 00:33:11,460
cool

605
00:33:16,910 --> 00:33:15,870
yeah makes you synthetic cannabis they

606
00:33:20,630 --> 00:33:16,920
kill two people

607
00:33:22,700 --> 00:33:20,640
I know oh my garden Archana there's

608
00:33:24,740 --> 00:33:22,710
never ever been a death from garbage in

609
00:33:27,950 --> 00:33:24,750
the history of mankind

610
00:33:31,420 --> 00:33:27,960
yeah there you go see people who died

611
00:33:34,820 --> 00:33:31,430
Oh although I think he might have been

612
00:33:37,520 --> 00:33:34,830
George Carlin or one of them comedians

613
00:33:40,190 --> 00:33:37,530

he said actually there has been one that

614

00:33:43,160 --> 00:33:40,200

from cannabis who had silver calories

615

00:33:49,550 --> 00:33:43,170

fell out looking plated like the guy

616

00:33:52,340 --> 00:33:49,560

over yet taking the mickey out of Bill

617

00:33:53,480 --> 00:33:52,350

Clinton and he's cocaine dealings in

618

00:33:58,090 --> 00:33:53,490

Minnesota

619

00:34:03,140 --> 00:33:58,100

oh yeah wow that was another Kabbalah

620

00:34:05,960 --> 00:34:03,150

yeah absolutely

621

00:34:09,080 --> 00:34:05,970

because I when I when Jay and I were

622

00:34:10,550 --> 00:34:09,090

moved into this house and it's not the

623

00:34:15,140 --> 00:34:10,560

biggest band and and felt in my life

624

00:34:19,810 --> 00:34:15,150

it's you know it's it's massive for an

625

00:34:24,800 --> 00:34:19,820

inner city its massive it's also organic

626

00:34:26,630 --> 00:34:24,810

it's like a fairy posture it's not you

627

00:34:31,370 --> 00:34:26,640

know and I've been so enamored with the

628

00:34:33,320 --> 00:34:31,380

garden that I felt really connected back

629

00:34:35,600 --> 00:34:33,330

into things are even connected into

630

00:34:38,540 --> 00:34:35,610

things for the first time ever because

631

00:34:41,480 --> 00:34:38,550

after vui first off in 97 I was

632

00:34:43,880 --> 00:34:41,490

literally frightened out of her mind so

633

00:34:48,110 --> 00:34:43,890

I wasn't in my mind you know I was a

634

00:34:50,659 --> 00:34:48,120

kind of just snapped off from everything

635

00:34:52,280 --> 00:34:50,669

instantly because I didn't know anything

636

00:34:54,770 --> 00:34:52,290

what anything was anymore and I was just

637

00:34:59,330 --> 00:34:54,780

kind of but a wall around myself between

638

00:35:04,190 --> 00:34:59,340

me in life and as I moved here and I

639

00:35:06,800 --> 00:35:04,200

just got to know my mouth and got some

640

00:35:08,180 --> 00:35:06,810

other weather it kind of had some flows

641

00:35:11,010 --> 00:35:08,190

throughout the years

642

00:35:13,650 --> 00:35:11,020

know that I thought how on earth could I

643

00:35:15,570 --> 00:35:13,660

ever think that I wasn't connected to

644

00:35:17,340 --> 00:35:15,580

anything you know you felt so

645

00:35:18,270 --> 00:35:17,350

disconnected that I wasn't even a part

646

00:35:21,030 --> 00:35:18,280

of nature

647

00:35:22,860 --> 00:35:21,040

do you know what I mean and that's

648

00:35:26,460 --> 00:35:22,870

deliberate that's done to us

649

00:35:32,100 --> 00:35:26,470

deliberately yeah I certainly believe

650

00:35:34,890 --> 00:35:32,110

that and reading up on the and the lines

651
00:35:40,100 --> 00:35:34,900
is like stuff like agenda 21 is

652
00:35:44,190 --> 00:35:40,110
explainers day he talks of farmers and

653
00:35:49,080 --> 00:35:44,200
Gerald heavenly subsidized the best way

654
00:35:51,870 --> 00:35:49,090
to sit on their asses you know this

655
00:35:55,140 --> 00:35:51,880
comes from farmers themselves Oh one

656
00:35:57,390 --> 00:35:55,150
farmer is all for exit because she says

657
00:35:59,690 --> 00:35:57,400
it'll get us all off her ass she's

658
00:36:02,190 --> 00:35:59,700
working again more than the one

659
00:36:04,170 --> 00:36:02,200
producing rather than relying on

660
00:36:07,170 --> 00:36:04,180
subsidies yeah

661
00:36:10,350 --> 00:36:07,180
so it's you know the up and away and I

662
00:36:11,220 --> 00:36:10,360
certainly not to say we coming from

663
00:36:17,640 --> 00:36:11,230

Rhodesia

664

00:36:19,320 --> 00:36:17,650

yeah I grew up where I went camping in

665

00:36:25,440 --> 00:36:19,330

the world and you know in the middle

666

00:36:28,860 --> 00:36:25,450

emotion and stuff and you know what nan

667

00:36:31,980 --> 00:36:28,870

she's like I feel it I love it and come

668

00:36:35,850 --> 00:36:31,990

to England and you know I went to live

669

00:36:37,440 --> 00:36:35,860

in an inner city and stuff oh my god

670

00:36:40,140 --> 00:36:37,450

doesn't the ending I had cost of all

671

00:36:42,930 --> 00:36:40,150

week sometimes won't go away I'm doing

672

00:36:48,510 --> 00:36:42,940

so much I just need to get out and back

673

00:36:54,170 --> 00:36:48,520

in nature I understand that no although

674

00:36:56,640 --> 00:36:54,180

I did like going you know man but just

675

00:36:58,710 --> 00:36:56,650

like I said built them all around myself

676
00:37:03,330 --> 00:36:58,720
so I was completely disconnected from

677
00:37:05,070 --> 00:37:03,340
everything but even living in a city and

678
00:37:06,600 --> 00:37:05,080
I think you know I wonder now with all

679
00:37:08,670 --> 00:37:06,610
these health problems people have you

680
00:37:11,070 --> 00:37:08,680
with fibromyalgia and what have you and

681
00:37:14,490 --> 00:37:11,080
I think is it the stuff that's moving

682
00:37:17,340 --> 00:37:14,500
through our bodies all these radar and

683
00:37:18,510 --> 00:37:17,350
Wi-Fi and you know every time if you

684
00:37:21,970 --> 00:37:18,520
live near an airport and you've got

685
00:37:24,740 --> 00:37:21,980
overhead traffic they using radar

686
00:37:26,840 --> 00:37:24,750
Photography I was so we're exposed to

687
00:37:31,250 --> 00:37:26,850
that we're exposed to that from planes

688
00:37:33,500 --> 00:37:31,260

coming in to land all the Wi-Fi routers

689

00:37:36,310 --> 00:37:33,510

that we've got all of the masts with all

690

00:37:41,510 --> 00:37:36,320

the stuff on them there's just all this

691

00:37:43,570 --> 00:37:41,520

slight electronic smug it's all of it

692

00:37:45,530 --> 00:37:43,580

moves through our bodies through

693

00:37:48,080 --> 00:37:45,540

literally through our system

694

00:37:50,360 --> 00:37:48,090

and I just think it's that what's

695

00:37:55,010 --> 00:37:50,370

causing it is that's why people are

696

00:38:00,500 --> 00:37:55,020

getting all these pains and we had

697

00:38:03,380 --> 00:38:00,510

burning sensations and you know all the

698

00:38:05,030 --> 00:38:03,390

kind of thing and I read her an article

699

00:38:07,720 --> 00:38:05,040

she really really started about an 11

700

00:38:10,100 --> 00:38:07,730

year old girl who took her own life

701
00:38:13,430 --> 00:38:10,110
because she was always in pain and

702
00:38:16,600 --> 00:38:13,440
they'd identified that it was Wi-Fi and

703
00:38:20,480 --> 00:38:16,610
things like that those kind of

704
00:38:24,140 --> 00:38:20,490
electronic signals was actually making

705
00:38:27,080 --> 00:38:24,150
her body hurt and she broke up with it

706
00:38:28,520 --> 00:38:27,090
anymore she was in eleven and then I

707
00:38:31,490 --> 00:38:28,530
thought one day if that's what

708
00:38:35,230 --> 00:38:31,500
fibromyalgia is all this kind of chronic

709
00:38:37,700 --> 00:38:35,240
widespread pain syndrome and yeah

710
00:38:39,290 --> 00:38:37,710
because like you say energy needs to

711
00:38:41,680 --> 00:38:39,300
flow through your body in a certain way

712
00:38:44,210 --> 00:38:41,690
and these things they must disrupt it

713
00:38:47,780 --> 00:38:44,220

yeah definitely there's not an actual

714

00:38:50,300 --> 00:38:47,790

energy and even the natural energies

715

00:38:52,730 --> 00:38:50,310

Canaria you know you

716

00:38:57,380 --> 00:38:52,740

he's not gonna like live in a uranium I

717

00:39:01,990 --> 00:38:57,390

know it oh yeah yeah so there are

718

00:39:06,130 --> 00:39:02,000

natural energies what are try for it but

719

00:39:11,150 --> 00:39:06,140

interestingly it was about 1819 year ago

720

00:39:16,670 --> 00:39:11,160

thanks wife was doing a course on sports

721

00:39:19,220 --> 00:39:16,680

therapies and stuff and there was a day

722

00:39:20,330 --> 00:39:19,230

out to lead university so it's just me I

723

00:39:22,550 --> 00:39:20,340

wanted to come true

724

00:39:25,430 --> 00:39:22,560

it was mailing to filled with the boss

725

00:39:26,900 --> 00:39:25,440

hope so that they could go you know make

726

00:39:31,220 --> 00:39:26,910

it financially viable

727

00:39:33,330 --> 00:39:31,230

alright anyway lead University Medical

728

00:39:36,990 --> 00:39:33,340

University and

729

00:39:39,590 --> 00:39:37,000

they they were going into the morgue

730

00:39:43,020 --> 00:39:39,600

part where he wanted to look at the

731

00:39:47,250 --> 00:39:43,030

muscles on a human body so the whole

732

00:39:51,360 --> 00:39:47,260

thing and the most have been about 30 40

733

00:39:55,230 --> 00:39:51,370

Molly's on tables and also professor

734

00:39:58,590 --> 00:39:55,240

Kaman introduced him salary sites many

735

00:40:02,490 --> 00:39:58,600

good questions and answers I said is ooh

736

00:40:04,590 --> 00:40:02,500

any Pacific reason why all these good

737

00:40:07,520 --> 00:40:04,600

others area anyway

738

00:40:10,140 --> 00:40:07,530

yes I'm researching along comes sir

739

00:40:10,890 --> 00:40:10,150

Howard the awesome or cuz anyone no none

740

00:40:14,510 --> 00:40:10,900

of them are

741

00:40:17,690 --> 00:40:14,520

oh we gotta be talking a bit more and

742

00:40:19,980 --> 00:40:17,700

between New York Chanel's and London

743

00:40:23,220 --> 00:40:19,990

there's a 10-year difference in

744

00:40:29,060 --> 00:40:23,230

mortality rates and he pulled that down

745

00:40:32,370 --> 00:40:29,070

to environmental pollution yeah

746

00:40:35,790 --> 00:40:32,380

so what else they're putting on top of

747

00:40:38,310 --> 00:40:35,800

it were these frequencies and like he

748

00:40:41,300 --> 00:40:38,320

said you are going through our bodies we

749

00:40:44,790 --> 00:40:41,310

just not aware of them like radio webs

750

00:40:46,890 --> 00:40:44,800

we're much like a radio if we want to

751
00:40:50,190 --> 00:40:46,900
whisper certain radio station we tuned

752
00:40:55,530 --> 00:40:50,200
into that frequency you're using that

753
00:40:58,440 --> 00:40:55,540
radio now we natural energies certainly

754
00:41:00,810 --> 00:40:58,450
through Tai Chi mana linked into that

755
00:41:03,090 --> 00:41:00,820
energy so find a nice place where it

756
00:41:08,880 --> 00:41:03,100
feels good and it's right and you do the

757
00:41:13,160 --> 00:41:08,890
Tai Chi oh you wanna like utilize our

758
00:41:16,320 --> 00:41:13,170
energy more you build them these places

759
00:41:18,690 --> 00:41:16,330
usually the crossing of ley lines these

760
00:41:22,380 --> 00:41:18,700
are indeed spirals upwards where the

761
00:41:26,070 --> 00:41:22,390
energy crosses no interestingly the

762
00:41:29,130 --> 00:41:26,080
churches knew this and they built the

763
00:41:31,830 --> 00:41:29,140

church is on the the costal Airlines and

764

00:41:35,610 --> 00:41:31,840

the spires of the church the church

765

00:41:39,840 --> 00:41:35,620

steeple a song names because sanity

766

00:41:43,590 --> 00:41:39,850

aspires his spiral upwards yes and the

767

00:41:46,089 --> 00:41:43,600

Sydney cameras player so you know he

768

00:41:49,450 --> 00:41:46,099

would be normal this

769

00:41:52,719 --> 00:41:49,460

and there's still allowing like the

770

00:41:54,460 --> 00:41:52,729

latest ones a5g we got really always

771

00:41:58,180 --> 00:41:54,470

gonna do to the jet yeah they're going

772

00:42:00,099 --> 00:41:58,190

over you not really into this that much

773

00:42:02,680 --> 00:42:00,109

of people been doing you know I've been

774

00:42:04,180 --> 00:42:02,690

really busy but I keep seeing things

775

00:42:07,140 --> 00:42:04,190

light and posture don't really know what

776

00:42:10,299 --> 00:42:07,150

is going on what's going on with that I

777

00:42:15,190 --> 00:42:10,309

don't know myself to be honest a [\h__\h]

778

00:42:19,329 --> 00:42:15,200

the thing was struck me was through his

779

00:42:21,460 --> 00:42:19,339

process in Sheffield why she do locals

780

00:42:24,190 --> 00:42:21,470

and that they were protesting about the

781

00:42:26,049 --> 00:42:24,200

council causing down trees now the

782

00:42:29,410 --> 00:42:26,059

council said the trees were deceased

783

00:42:30,999 --> 00:42:29,420

elderly weren't and the real reason came

784

00:42:32,769 --> 00:42:31,009

to light would be recording down the

785

00:42:35,969 --> 00:42:32,779

trees because to interfere with the

786

00:42:40,509 --> 00:42:38,950

anyway common sense prevailed me you've

787

00:42:45,039 --> 00:42:40,519

kept the trees and they're not cause him

788

00:42:47,620 --> 00:42:45,049

down though but it was like well why do

789

00:42:50,709 --> 00:42:47,630

you need to cut a tree down for a 5g

790

00:42:52,059 --> 00:42:50,719

signal if the tree stopping that signal

791

00:42:56,410 --> 00:42:52,069

what the hell's it can I do to a human

792

00:42:58,329 --> 00:42:56,420

body and that's all I could think of I'm

793

00:43:01,900 --> 00:42:58,339

not research another that something

794

00:43:05,640 --> 00:43:01,910

really look into input at the end of it

795

00:43:08,219 --> 00:43:05,650

is you don't know what not what

796

00:43:11,170 --> 00:43:08,229

frequency is gonna do to you even means

797

00:43:12,219 --> 00:43:11,180

I'm going might turn up little girl is

798

00:43:15,400 --> 00:43:12,229

in sight

799

00:43:18,130 --> 00:43:15,410

yeah more and more people will you know

800

00:43:24,420 --> 00:43:18,140

sad week back home from stuff like this

801

00:43:31,900 --> 00:43:24,430

and did not seem to Kerr putting that

802

00:43:35,950 --> 00:43:31,910

into perspective is remember about 30

803

00:43:41,319 --> 00:43:35,960

years ago the old oak only about she

804

00:43:43,450 --> 00:43:41,329

died he put he down sue ecstasy he made

805

00:43:45,819 --> 00:43:43,460

a big thing of it and he still do to

806

00:43:47,469 --> 00:43:45,829

this day and you were arresting people

807

00:43:50,859 --> 00:43:47,479

who supplied it a lot

808

00:43:55,150 --> 00:43:50,869

nice a big farmer brings out a drug and

809

00:43:59,290 --> 00:43:55,160

it kills people nobody gives a damn dude

810

00:44:03,180 --> 00:43:59,300

is horrible would joy prefer the test

811

00:44:07,120 --> 00:44:03,190

I'm not sure there's a law that actually

812

00:44:13,060 --> 00:44:07,130

means that we've come so far more for

813

00:44:18,010 --> 00:44:13,070

injuries yeah it's crazy world we live

814

00:44:23,380 --> 00:44:18,020

in him you know with literally since

815

00:44:24,880 --> 00:44:23,390

about 1980 exchanged and you know I saw

816

00:44:30,220 --> 00:44:24,890

almost like we've been socially

817

00:44:33,520 --> 00:44:30,230

engineered to live in stupidity and then

818

00:44:36,340 --> 00:44:33,530

these people like us is like no we're

819

00:44:38,500 --> 00:44:36,350

not bowing to that we were careful

820

00:44:43,240 --> 00:44:38,510

enforce Holden we kind of like to eat

821

00:44:50,020 --> 00:44:43,250

things differently yeah you know it's

822

00:45:01,890 --> 00:44:50,030

like the old adage the matrix yeah it's

823

00:45:11,610 --> 00:45:07,090

about six seven years ago I met a few

824

00:45:15,550 --> 00:45:11,620

people like rocky and rusty dumped key

825

00:45:21,910 --> 00:45:15,560

they were oh hi the Freeman movement guy

826

00:45:25,000 --> 00:45:21,920

Taylor yeah a lot of my mind to the laws

827

00:45:28,930 --> 00:45:25,010

of this country and how we have been

828

00:45:34,170 --> 00:45:28,940

manipulated into submission just bend

829

00:45:39,150 --> 00:45:34,180

over and take it and be thankful for it

830

00:45:43,330 --> 00:45:39,160

yeah where's the chromosome meknes yeah

831

00:45:44,740 --> 00:45:43,340

learning about this law you know it was

832

00:45:47,830 --> 00:45:44,750

fight yeah fascinating

833

00:45:49,960 --> 00:45:47,840

hey I was I was a very light at which

834

00:45:53,230 --> 00:45:49,970

cracks in all right now it got repealed

835

00:45:57,160 --> 00:45:53,240

and stuff but a little more interested

836

00:45:59,500 --> 00:45:57,170

in common law and do you know a good

837

00:46:03,130 --> 00:45:59,510

friend of mine she she used to teach law

838

00:46:06,010 --> 00:46:03,140

at University she said you know it is

839

00:46:09,010 --> 00:46:06,020

English common law is the mother boiler

840

00:46:10,840 --> 00:46:09,020

the computer and then anything else was

841

00:46:12,400 --> 00:46:10,850

talking to it you know all your

842

00:46:16,719 --> 00:46:12,410

different cards

843

00:46:20,589 --> 00:46:16,729

very statute laws and how I write

844

00:46:23,079 --> 00:46:20,599

brilliant so why can we not use common

845

00:46:25,870 --> 00:46:23,089

law and arrest all of Parliament for the

846

00:46:27,640 --> 00:46:25,880

trees and they're doing now you know

847

00:46:31,450 --> 00:46:27,650

none of them are working for the

848

00:46:34,059 --> 00:46:31,460

electorate and the deeper I got into

849

00:46:36,309 --> 00:46:34,069

this law and how the courts were

850

00:46:40,289 --> 00:46:36,319

operating and stuff and it's like yeah

851
00:46:43,390 --> 00:46:40,299
it's just one in criminal come out

852
00:46:46,930 --> 00:46:43,400
manila lated on a mind body and spirit

853
00:46:50,410 --> 00:46:46,940
level it is frightening

854
00:46:55,180 --> 00:46:50,420
well it's during black and white for

855
00:46:57,969 --> 00:46:55,190
people to see and realize and you know

856
00:47:02,259 --> 00:46:57,979
waiting when I started realizing what it

857
00:47:06,849 --> 00:47:02,269
was about I was like wow yeah wording

858
00:47:09,819 --> 00:47:06,859
and legalese and it it's all witchcraft

859
00:47:16,779 --> 00:47:09,829
that's why he called words is now which

860
00:47:20,880 --> 00:47:16,789
language I was like wow so yeah not my

861
00:47:24,299 --> 00:47:20,890
body spirit manipulation is incredible

862
00:47:26,709 --> 00:47:24,309
and he's like Boop any fish from it

863
00:47:32,109 --> 00:47:26,719

somebody does always follow the money

864

00:47:34,599 --> 00:47:32,119

trail just overwhelm is that they would

865

00:47:36,999 --> 00:47:34,609

get so overwhelmed with everything that

866

00:47:39,519 --> 00:47:37,009

we don't want to fight back for like

867

00:47:42,249 --> 00:47:39,529

example every single advert every single

868

00:47:48,880 --> 00:47:42,259

shop from every single queueing system

869

00:47:50,680 --> 00:47:48,890

as I'll psychologically engineered to to

870

00:47:54,430 --> 00:47:50,690

trick you into thinking that you're not

871

00:47:56,109 --> 00:47:54,440

gonna be waiting as long or to deeply

872

00:47:59,769 --> 00:47:56,119

get into your psyche to make you want

873

00:48:02,799 --> 00:47:59,779

things you know market in psychology and

874

00:48:06,359 --> 00:48:02,809

I think that that it becomes so

875

00:48:10,269 --> 00:48:06,369

overwhelming that our brains never can

876

00:48:12,789 --> 00:48:10,279

process their environment properly

877

00:48:14,499 --> 00:48:12,799

because everything's straight in there

878

00:48:16,539 --> 00:48:14,509

everything's at the deepest part of your

879

00:48:20,079 --> 00:48:16,549

mind and it's psychologically designed

880

00:48:22,390 --> 00:48:20,089

to be there and if like me tune myself

881

00:48:24,099 --> 00:48:22,400

out that much that and sometimes

882

00:48:26,140 --> 00:48:24,109

completely unaware of my environment

883

00:48:29,710 --> 00:48:26,150

like what shops that just

884

00:48:31,870 --> 00:48:29,720

pastor you know anything because I've

885

00:48:35,319 --> 00:48:31,880

gone so I've gone into myself because

886

00:48:37,120 --> 00:48:35,329

it's just too much and then you know

887

00:48:40,180 --> 00:48:37,130

there's this think on Facebook at the

888

00:48:43,900 --> 00:48:40,190

moment like the brain needs silence and

889

00:48:46,420 --> 00:48:43,910

it does it does we all need no noise at

890

00:48:49,240 --> 00:48:46,430

times I when the kids go to bed I sit in

891

00:48:54,130 --> 00:48:49,250

the quiet for a couple of hours you know

892

00:48:55,559 --> 00:48:54,140

just to defrag from all of the events of

893

00:48:58,480 --> 00:48:55,569

the day

894

00:49:02,049 --> 00:48:58,490

and that's one of the ways that I kind

895

00:49:04,510 --> 00:49:02,059

of cope with my hyperactivity as well

896

00:49:06,400 --> 00:49:04,520

you know is sitting in silence rather

897

00:49:09,579 --> 00:49:06,410

than jumping about doing twenty five

898

00:49:11,289 --> 00:49:09,589

things at once but I think that's

899

00:49:13,870 --> 00:49:11,299

because we need we need that because

900

00:49:17,620 --> 00:49:13,880

when we go out when we go anywhere then

901
00:49:19,630 --> 00:49:17,630
you pump deep into our minds you can

902
00:49:21,400 --> 00:49:19,640
never properly rest because your brain

903
00:49:23,950 --> 00:49:21,410
is always trying to dump all the crap

904
00:49:26,819 --> 00:49:23,960
that it doesn't let you saw that day or

905
00:49:29,109 --> 00:49:26,829
whatever do you not I mean yeah Oh

906
00:49:32,890 --> 00:49:29,119
Jorgie calling sometimes they don't

907
00:49:36,670 --> 00:49:32,900
nicely he says something along the lines

908
00:49:39,010 --> 00:49:36,680
of you wanting work and I'm when we're

909
00:49:42,010 --> 00:49:39,020
out where it is not alleged we just want

910
00:49:43,539 --> 00:49:42,020
to sleep hang go back to work and he's

911
00:49:46,000 --> 00:49:43,549
getting more and more lined up because

912
00:49:49,089 --> 00:49:46,010
wages of the wind-down people are having

913
00:49:52,930 --> 00:49:49,099

to like work two three jobs just to stay

914

00:49:55,870 --> 00:49:52,940

alive so do not get any time to wind out

915

00:49:59,859 --> 00:49:55,880

they're not getting time to think and

916

00:50:02,559 --> 00:49:59,869

you know just that in and helping but

917

00:50:04,960 --> 00:50:02,569

the people in the white coughs the drug

918

00:50:08,230 --> 00:50:04,970

pushes for the big farmer said well take

919

00:50:10,599 --> 00:50:08,240

these yeah it's frightening how many

920

00:50:16,900 --> 00:50:10,609

people are on antidepressants and still

921

00:50:20,500 --> 00:50:16,910

is to live yeah a friend of mine he's

922

00:50:24,430 --> 00:50:20,510

only a young one that he were working in

923

00:50:25,109 --> 00:50:24,440

a bank for a while and he got depressed

924

00:50:30,069 --> 00:50:25,119

lately

925

00:50:32,410 --> 00:50:30,079

he took a bit of time well I can he met

926

00:50:34,680 --> 00:50:32,420

always very equally my to work anyway

927

00:50:36,339 --> 00:50:34,690

yeah well doctor wants to give me

928

00:50:38,289 --> 00:50:36,349

antidepressants and he said I don't

929

00:50:39,520 --> 00:50:38,299

worry about it we all saying from your

930

00:50:43,690 --> 00:50:39,530

life

931

00:50:45,550 --> 00:50:43,700

well cook yes doing

932

00:50:47,980 --> 00:50:45,560

you'd be serious so do you like yeah

933

00:50:53,130 --> 00:50:47,990

sure do a wiped out on antidepressants

934

00:50:55,720 --> 00:50:53,140

working foot Bank I say not amazing it's

935

00:50:58,300 --> 00:50:55,730

been so normalized that they're not even

936

00:51:01,090 --> 00:50:58,310

recognizing that this guy is in some

937

00:51:03,340 --> 00:51:01,100

sort of distress it's like you know

938

00:51:04,810 --> 00:51:03,350

screw you depression man you know just

939

00:51:08,830 --> 00:51:04,820

get off drugs yes and we're all like

940

00:51:17,530 --> 00:51:08,840

that you know last month no it's not oh

941

00:51:19,360 --> 00:51:17,540

my god sorry May that's wild

942

00:51:26,650 --> 00:51:19,370

you know these same kind of fate but

943

00:51:28,810 --> 00:51:26,660

we're going to small families yeah I'm

944

00:51:30,570 --> 00:51:28,820

sorry yeah yeah Eddie that bud though

945

00:51:39,760 --> 00:51:30,580

he's like they're back off

946

00:51:43,240 --> 00:51:39,770

you know I used to wine people up on

947

00:51:45,850 --> 00:51:43,250

Bertha's you know see you know Kathy you

948

00:51:49,630 --> 00:51:45,860

are in a pub and just get to back her

949

00:51:52,420 --> 00:51:49,640

out and roll a cigarette won't be aware

950

00:51:53,500 --> 00:51:52,430

of all the people watching you the way

951
00:51:58,150 --> 00:51:53,510
in to pounce

952
00:52:00,760 --> 00:51:58,160
the minute you lightly and Hounds it's

953
00:52:03,610 --> 00:52:00,770
just hilarious so I I used to roll with

954
00:52:05,830 --> 00:52:03,620
me in common in Kathy's amount and put

955
00:52:08,380 --> 00:52:05,840
it in my mouth and play with lighter and

956
00:52:11,760 --> 00:52:08,390
you can see him there I'm starting

957
00:52:20,020 --> 00:52:11,770
blocks ready to go that's how they dig

958
00:52:27,340 --> 00:52:20,030
it makes license to say are us are we

959
00:52:29,770 --> 00:52:27,350
socially engineered people are like so

960
00:52:31,420 --> 00:52:29,780
ready to like help the people off these

961
00:52:33,340 --> 00:52:31,430
days is sort of all it's none of my

962
00:52:35,980 --> 00:52:33,350
business or whatever like it used to be

963
00:52:38,320 --> 00:52:35,990

when I was a kid now everyone's business

964

00:52:41,320 --> 00:52:38,330

is everybody's this thus it seems you

965

00:52:42,970 --> 00:52:41,330

get told off by complete strangers for

966

00:52:49,540 --> 00:52:42,980

whatever personal hobbies that you've

967

00:52:52,360 --> 00:52:49,550

got and the I'm offended Brigade yeah

968

00:52:53,080 --> 00:52:52,370

that's all what I don't even know what's

969

00:52:55,600 --> 00:52:53,090

going on in the world

970

00:53:00,490 --> 00:52:55,610

at the moment with all up where people's

971

00:53:02,200 --> 00:53:00,500

opinions becoming law you know against

972

00:53:06,220 --> 00:53:02,210

al are like well I was laughing

973

00:53:08,860 --> 00:53:06,230

yesterday I'm a page about it being a

974

00:53:10,030 --> 00:53:08,870

hate crime to be wolf-whistle doubt you

975

00:53:11,140 --> 00:53:10,040

know I said well you know we're taking

976

00:53:13,420 --> 00:53:11,150

where we could get it where were

977

00:53:19,330 --> 00:53:13,430

knocking over 50 I'm not wearing a

978

00:53:21,880 --> 00:53:19,340

snapchat filter every word on the page

979

00:53:25,840 --> 00:53:21,890

was going oh yeah give me a wolf Lisa

980

00:53:30,280 --> 00:53:25,850

let me be a dope or whatever yeah all

981

00:53:34,390 --> 00:53:30,290

right and if you have a beautiful would

982

00:53:37,230 --> 00:53:34,400

it be baby annoying you know what some

983

00:53:39,490 --> 00:53:37,240

people intimidate it maybe I guess but

984

00:53:44,110 --> 00:53:39,500

general consensus is that is a

985

00:53:54,570 --> 00:53:44,120

ridiculous to make it like I like you is

986

00:54:04,630 --> 00:53:59,560

0:07 a year ago it was a few is it wrong

987

00:54:07,270 --> 00:54:04,640

at mine no I got friends bikers and then

988

00:54:08,620 --> 00:54:07,280

outside the biker community of different

989

00:54:13,060 --> 00:54:08,630

friends over you know I'm leaving

990

00:54:15,490 --> 00:54:13,070

different circles but friends is a

991

00:54:18,940 --> 00:54:15,500

Palestinian I see all the friends over

992

00:54:22,450 --> 00:54:18,950

from Montserrat realm night and the

993

00:54:24,790 --> 00:54:22,460

Robin Indian bouncer oh my ex-girlfriend

994

00:54:27,130 --> 00:54:24,800

she says silly when I meant likes

995

00:54:30,070 --> 00:54:27,140

Michael your son Bruce she pulling

996

00:54:33,460 --> 00:54:30,080

kitchen with me she says you love racist

997

00:54:35,620 --> 00:54:33,470

I don't know you laughing our way

998

00:54:36,490 --> 00:54:35,630

should we call angel it is she going

999

00:54:41,050 --> 00:54:36,500

uh-huh

1000

00:54:44,080 --> 00:54:41,060

yes called bum to exist impossible to

1001
00:54:46,330 --> 00:54:44,090
think about what you've just said how's

1002
00:54:48,850 --> 00:54:46,340
the possible that appointments call in

1003
00:54:54,370 --> 00:54:48,860
another black man and then and you think

1004
00:54:57,250 --> 00:54:54,380
it's racist sure I you know I just feel

1005
00:55:00,490 --> 00:54:57,260
like this banter between us it's nothing

1006
00:55:04,570 --> 00:55:00,500
to doing anybody else or in the

1007
00:55:06,880 --> 00:55:04,580
conversation oh I went on to I was

1008
00:55:12,310 --> 00:55:06,890
eating at Preston College

1009
00:55:17,490 --> 00:55:12,320
I got in be over who are we women Boston

1010
00:55:21,580 --> 00:55:17,500
it was all over the the word whiteboard

1011
00:55:26,290 --> 00:55:21,590
so actually he's against for Worcester

1012
00:55:28,900 --> 00:55:26,300
say he's racist and these two from

1013
00:55:29,410 --> 00:55:28,910

Montserrat who like mouths off there

1014

00:55:31,540 --> 00:55:29,420

right

1015

00:55:33,520 --> 00:55:31,550

he winding us up again we know what

1016

00:55:36,670 --> 00:55:33,530

you're like you lie why new this up I

1017

00:55:40,210 --> 00:55:36,680

know I'm being honest Palestinian

1018

00:55:42,880 --> 00:55:40,220

friendly he's a solicitor and he said no

1019

00:55:45,250 --> 00:55:42,890

he's true it's against the law these

1020

00:55:49,630 --> 00:55:45,260

went whiteboard you go use awake job

1021

00:55:53,580 --> 00:55:49,640

Boyd sort of morph like well what did we

1022

00:55:56,530 --> 00:55:53,590

write on when we were kids did this

1023

00:55:58,090 --> 00:55:56,540

display that with Mike even Whitewood

1024

00:56:01,450 --> 00:55:58,100

all right

1025

00:56:07,270 --> 00:56:01,460

oh no that's housekeeping a fight EC is

1026

00:56:11,650 --> 00:56:07,280

God yeah and it's no longer you know

1027

00:56:14,620 --> 00:56:11,660

crimes were crimes of intent you know ye

1028

00:56:18,760 --> 00:56:14,630

you say it I'll kill you well you don't

1029

00:56:23,320 --> 00:56:18,770

mean it but if the intense feeling must

1030

00:56:25,660 --> 00:56:23,330

the crime now yeah people getting done

1031

00:56:26,940 --> 00:56:25,670

after time you don't realize they've

1032

00:56:33,340 --> 00:56:26,950

done anything wrong

1033

00:56:36,540 --> 00:56:33,350

you know I few a few year ago I had the

1034

00:56:39,910 --> 00:56:36,550

police on me for non-violence harassment

1035

00:56:43,690 --> 00:56:39,920

and I'm like I'll be serious

1036

00:56:46,750 --> 00:56:43,700

and he went yes and new laws come in and

1037

00:56:49,720 --> 00:56:46,760

I'm like or what what's the nonviolent

1038

00:56:54,250 --> 00:56:49,730

harassment are you sent your

1039

00:56:57,730 --> 00:56:54,260

ex-girlfriend a text message and I'm

1040

00:57:01,630 --> 00:56:57,740

like you serious anyway yeah so I backed

1041

00:57:06,310 --> 00:57:01,640

off like you know I did that he was it

1042

00:57:07,840 --> 00:57:06,320

was sort of like well golly God's got

1043

00:57:09,550 --> 00:57:07,850

you something you Doris look here do you

1044

00:57:12,130 --> 00:57:09,560

want me to drop it off or I'll drop it

1045

00:57:15,730 --> 00:57:12,140

off at your mom's house or whatever you

1046

00:57:20,280 --> 00:57:15,740

know just be amicable oh yeah yeah all

1047

00:57:22,260 --> 00:57:20,290

right Shepard's from you

1048

00:57:25,110 --> 00:57:22,270

when European and US where I come from

1049

00:57:31,880 --> 00:57:25,120

would have been security so the police

1050

00:57:35,100 --> 00:57:31,890

is like proverbial front door basically

1051
00:57:38,570 --> 00:57:35,110
she didn't know how I was gonna react

1052
00:57:42,510 --> 00:57:38,580
when she finished earlier on I just like

1053
00:57:43,230 --> 00:57:42,520
it's okay I'm upset well I you know get

1054
00:57:47,100 --> 00:57:43,240
over it

1055
00:57:49,680 --> 00:57:47,110
let's just be unreachable but she run

1056
00:57:51,440 --> 00:57:49,690
into our protection you know yes sir

1057
00:57:55,200 --> 00:57:51,450
well then I

1058
00:57:57,240 --> 00:57:55,210
so you bit overboard but I understand

1059
00:58:03,150 --> 00:57:57,250
her because of her past and now she was

1060
00:58:04,950 --> 00:58:03,160
hurt you know it was never legally which

1061
00:58:08,580 --> 00:58:04,960
happens for a lot of people in this

1062
00:58:11,720 --> 00:58:08,590
country the knee go through trauma and

1063
00:58:15,600 --> 00:58:11,730

this stuff up meaning people's lives and

1064

00:58:20,100 --> 00:58:15,610

it is kind of like sweat and God my

1065

00:58:24,030 --> 00:58:20,110

society and you know in this person's

1066

00:58:26,040 --> 00:58:24,040

case it does sexually abused her and he

1067

00:58:29,280 --> 00:58:26,050

went to court and everything and he got

1068

00:58:32,760 --> 00:58:29,290

off and he was still living in same town

1069

00:58:37,140 --> 00:58:32,770

as or not at all that time when one was

1070

00:58:40,710 --> 00:58:37,150

in denial of it right you know I would

1071

00:58:45,450 --> 00:58:40,720

say she never had any counseling for it

1072

00:58:47,820 --> 00:58:45,460

and William um say are Shalaby never

1073

00:58:50,180 --> 00:58:47,830

happens you imagine it you know

1074

00:58:55,140 --> 00:58:50,190

obviously the girl's gonna be strudel

1075

00:59:00,750 --> 00:58:55,150

yeah you know I understand where her

1076

00:59:02,820 --> 00:59:00,760

paranoia of vehicle from you know and

1077

00:59:06,480 --> 00:59:02,830

you know unfortunately there's a lot of

1078

00:59:08,040 --> 00:59:06,490

people in this country are gonna know

1079

00:59:11,210 --> 00:59:08,050

there's no mental health services

1080

00:59:17,190 --> 00:59:11,220

there's nothing of any use really no Oh

1081

00:59:20,880 --> 00:59:17,200

ace God be sixteen seventeen year ago on

1082

00:59:25,170 --> 00:59:20,890

our our like social services because I

1083

00:59:29,040 --> 00:59:25,180

was discussing the way mental health was

1084

00:59:32,930 --> 00:59:29,050

going and it's virtually non-existent

1085

00:59:41,760 --> 00:59:36,480

when I am at the wobble a few years ago

1086

00:59:44,070 --> 00:59:41,770

and crisis team was supposed to be

1087

00:59:48,300 --> 00:59:44,080

involved and there was a weigh-in list

1088

00:59:51,720 --> 00:59:48,310

of 18 months yeah price for crisis team

1089

00:59:55,110 --> 00:59:51,730

I was like wow so if I'm not about to

1090

00:59:57,270 --> 00:59:55,120

jump off a building I'm okay is that the

1091

00:59:59,400 --> 00:59:57,280

that's the way that having a roommate

1092

01:00:00,870 --> 00:59:59,410

and then I found out that there were

1093

01:00:05,730 --> 01:00:00,880

four psychologists or psychiatrists

1094

01:00:08,490 --> 01:00:05,740

sorry in liverpool one for north of the

1095

01:00:11,580 --> 01:00:08,500

South all three sore for West everybody

1096

01:00:13,470 --> 01:00:11,590

here I was like are you joking and then

1097

01:00:15,570 --> 01:00:13,480

they've got a few people underfoot

1098

01:00:20,670 --> 01:00:15,580

literally talking like a handful of

1099

01:00:23,280 --> 01:00:20,680

people in each district to deal with

1100

01:00:25,350 --> 01:00:23,290

everybody's mental health issues yeah

1101
01:00:28,140 --> 01:00:25,360
which obviously everyone's getting worse

1102
01:00:29,730 --> 01:00:28,150
or more and more people becoming

1103
01:00:32,730 --> 01:00:29,740
depressed because of all the things that

1104
01:00:34,380 --> 01:00:32,740
we've talked about basically life life

1105
01:00:36,090 --> 01:00:34,390
isn't easy isn't it it's deliberately

1106
01:00:41,400 --> 01:00:36,100
difficult with different we feel

1107
01:00:42,300 --> 01:00:41,410
isolated we feel cut off from everything

1108
01:00:47,100 --> 01:00:42,310
that's real

1109
01:00:50,160 --> 01:00:47,110
yeah and around us like I said before

1110
01:00:53,820 --> 01:00:50,170
people just just want you to finish work

1111
01:00:59,760 --> 01:00:53,830
and just shut down and see what the TV

1112
01:01:01,680 --> 01:00:59,770
or whatever yeah and it's not bad that

1113
01:01:05,760 --> 01:01:01,690

they're having to run a campaign called

1114

01:01:08,100 --> 01:01:05,770

fit for life where they encourage you to

1115

01:01:11,610 --> 01:01:08,110

not do that to get out to do things like

1116

01:01:14,460 --> 01:01:11,620

you know go for a walk go play football

1117

01:01:17,220 --> 01:01:14,470

in the park don't eat this don't drink

1118

01:01:21,510 --> 01:01:17,230

that and you know all about and it's

1119

01:01:23,910 --> 01:01:21,520

like this huge campaign because we've

1120

01:01:30,020 --> 01:01:23,920

become surplus to our own requirements

1121

01:01:35,880 --> 01:01:30,030

in life pretty much replaces everything

1122

01:01:40,680 --> 01:01:35,890

we like to believe that it is the

1123

01:01:45,110 --> 01:01:40,690

discernments apathy in society today you

1124

01:01:49,080 --> 01:01:45,120

know I'll always we like when

1125

01:01:51,900 --> 01:01:49,090

fact you got into power they I'm not

1126

01:01:55,490 --> 01:01:51,910

gonna blame thank you because it's just

1127

01:01:58,410 --> 01:01:55,500

the way society like we went from

1128

01:02:01,410 --> 01:01:58,420

communities - there's only any

1129

01:02:04,280 --> 01:02:01,420

communities left now where everybody's

1130

01:02:08,970 --> 01:02:04,290

in it well I'm all right Jack's on you

1131

01:02:12,030 --> 01:02:08,980

yeah your people is stepping on people

1132

01:02:15,410 --> 01:02:12,040

dying on the streets reading to her and

1133

01:02:25,430 --> 01:02:19,670

it's just so scary that we can be that

1134

01:02:29,400 --> 01:02:25,440

covertly pushed into switching off yeah

1135

01:02:34,010 --> 01:02:29,410

you know I I think he was a member I

1136

01:02:38,700 --> 01:02:34,020

read last night it was something like

1137

01:02:41,340 --> 01:02:38,710

how did we let this happen and money

1138

01:02:46,320 --> 01:02:41,350

died for it frozen to death because it

1139

01:02:48,120 --> 01:02:46,330

was harmless yeah and there mmm great we

1140

01:02:56,280 --> 01:02:48,130

wouldn't why they don't do this wouldn't

1141

01:02:57,990 --> 01:02:56,290

we I think she's right yeah then I say

1142

01:02:59,790 --> 01:02:58,000

people said don't give money don't give

1143

01:03:08,100 --> 01:02:59,800

him money cuz they're gonna have a drink

1144

01:03:10,800 --> 01:03:08,110

well they're only gonna do drugs save us

1145

01:03:16,170 --> 01:03:10,810

were already there it's so mobile

1146

01:03:22,860 --> 01:03:16,180

someone yeah you know they ask why a

1147

01:03:25,650 --> 01:03:22,870

leader you know it goes I can't get my

1148

01:03:29,580 --> 01:03:25,660

head round this Sasha I'm gonna try and

1149

01:03:32,550 --> 01:03:29,590

simplify it or the other

1150

01:03:37,830 --> 01:03:32,560

a gardener comes in he works the alarms

1151

01:03:41,430 --> 01:03:37,840

away he pay hundred pound and then as

1152

01:03:45,540 --> 01:03:41,440

time goes on he's only doing off the job

1153

01:03:46,890 --> 01:03:45,550

but you're still painting 100 pound now

1154

01:03:51,600 --> 01:03:46,900

you're gonna get rid of him or you gonna

1155

01:03:53,280 --> 01:03:51,610

suck him off yes somebody else now the

1156

01:03:57,910 --> 01:03:53,290

British people have been doing this

1157

01:04:00,549 --> 01:03:57,920

years we're paying out this

1158

01:04:03,819 --> 01:04:00,559

amount of money and we're getting West

1159

01:04:06,430 --> 01:04:03,829

back for it now yeah and we'll tell boys

1160

01:04:09,220 --> 01:04:06,440

austerity we're all in this together

1161

01:04:10,510 --> 01:04:09,230

well right at the top of getting richer

1162

01:04:13,470 --> 01:04:10,520

and richer and richer

1163

01:04:18,700 --> 01:04:13,480

the ones right at the bottom and dang

1164

01:04:24,670 --> 01:04:18,710

yeah you is just something is seriously

1165

01:04:26,500 --> 01:04:24,680

wrong and a lot of people who you know I

1166

01:04:31,000 --> 01:04:26,510

get excited I'm alright Jackie don't

1167

01:04:35,609 --> 01:04:31,010

thank me but it does and you got realize

1168

01:04:39,099 --> 01:04:35,619

it what I do living in denial of it is

1169

01:04:41,920 --> 01:04:39,109

you've got like of apathy is there now

1170

01:04:46,630 --> 01:04:41,930

in society where yeah we do stuff or

1171

01:04:47,470 --> 01:04:46,640

almost people I am I'll eat myself a few

1172

01:04:52,000 --> 01:04:47,480

years ago

1173

01:04:54,579 --> 01:04:52,010

I'm yourself wall outside of and some of

1174

01:04:56,920 --> 01:04:54,589

my friends are waiting for them and

1175

01:04:59,020 --> 01:04:56,930

they're a group oh I sent someone tossed

1176

01:05:02,319 --> 01:04:59,030

a coin at me any say like they said

1177

01:05:05,620 --> 01:05:02,329

there's one for harmless and I thought

1178

01:05:09,220 --> 01:05:05,630

what kind of mentality is that it's kind

1179

01:05:11,410 --> 01:05:09,230

of mentally idiot who jumped on them to

1180

01:05:16,289 --> 01:05:11,420

godless people sleeping in a tent you

1181

01:05:19,359 --> 01:05:16,299

know he's fighting with honey that's

1182

01:05:21,190 --> 01:05:19,369

it's like what is society coming to that

1183

01:05:25,690 --> 01:05:21,200

where we have these kind of people

1184

01:05:29,980 --> 01:05:25,700

living amongst us that find it funny

1185

01:05:32,829 --> 01:05:29,990

that human miseries is this for me yeah

1186

01:05:34,990 --> 01:05:32,839

I think when you look at programs on TV

1187

01:05:37,589 --> 01:05:35,000

like I'm a celebrity kept me out of here

1188

01:05:42,309 --> 01:05:37,599

a Big Brother and the way that their

1189

01:05:45,010 --> 01:05:42,319

their tasks things are cruel a lot of

1190

01:05:47,920 --> 01:05:45,020

the ones in Big Brother a psychological

1191

01:05:50,530 --> 01:05:47,930

cruelty who can survive the most you

1192

01:05:53,620 --> 01:05:50,540

know psychological cruel say ill cancer

1193

01:05:57,520 --> 01:05:53,630

fear letter and people like will vote

1194

01:05:59,740 --> 01:05:57,530

for horrible things to happen rather

1195

01:06:02,140 --> 01:05:59,750

than nice things happen rather than

1196

01:06:04,260 --> 01:06:02,150

putting a lot of people in a house I'm

1197

01:06:06,190 --> 01:06:04,270

making them up a brilliant time and

1198

01:06:07,960 --> 01:06:06,200

being able to have a right laugh at

1199

01:06:11,150 --> 01:06:07,970

whatever they were getting up so it's

1200

01:06:14,180 --> 01:06:11,160

all about who's being punished

1201

01:06:17,140 --> 01:06:14,190

losing the plot you know and the

1202

01:06:21,280 --> 01:06:17,150

bullying that goes on in there yeah

1203

01:06:27,080 --> 01:06:21,290

that's that's a reflection of current

1204

01:06:28,520 --> 01:06:27,090

psyche of people that miseries from then

1205

01:06:31,610 --> 01:06:28,530

I think we'll have we always been like

1206

01:06:33,440 --> 01:06:31,620

that because you know if you go back to

1207

01:06:36,230 --> 01:06:33,450

ancient Rome and the Colosseum where

1208

01:06:39,290 --> 01:06:36,240

people were being forced to fight to the

1209

01:06:42,080 --> 01:06:39,300

death or you know be talking to pieces

1210

01:06:44,300 --> 01:06:42,090

by lions and everybody's cheering when

1211

01:06:45,770 --> 01:06:44,310

there's somebody's getting home the ten

1212

01:06:48,050 --> 01:06:45,780

thousand people turned up to watch them

1213

01:06:53,060 --> 01:06:48,060

being home you know have we always been

1214

01:06:54,320 --> 01:06:53,070

that disturbed you don't tell us off

1215

01:06:56,380 --> 01:06:54,330

civilized and that with all these

1216

01:06:59,870 --> 01:06:56,390

progression and all these fancy things

1217

01:07:04,580 --> 01:06:59,880

but deep down inside there's this aspect

1218

01:07:09,230 --> 01:07:04,590

to Humanity is quite dark and cruel yeah

1219

01:07:11,990 --> 01:07:09,240

very dark and cruel the other what the

1220

01:07:15,340 --> 01:07:12,000

Romans were doing it it is as you say

1221

01:07:17,990 --> 01:07:15,350

[h__\h] what an extension of it where

1222

01:07:19,130 --> 01:07:18,000

people feed off the energy of watching

1223

01:07:25,760 --> 01:07:19,140

other people's misery

1224

01:07:29,840 --> 01:07:25,770

yeah so the energy of it all as well

1225

01:07:32,000 --> 01:07:29,850

doesn't it and how if you become if

1226

01:07:34,940 --> 01:07:32,010

you're surrounded by a certain kind of

1227

01:07:39,050 --> 01:07:34,950

energy you will start to take on those

1228

01:07:44,720 --> 01:07:39,060

characteristics eventually yeah because

1229

01:07:48,710 --> 01:07:44,730

it permeates yeah so yeah you know it's

1230

01:07:50,510 --> 01:07:48,720

you can become monster that you despise

1231

01:07:52,730 --> 01:07:50,520

if you're surrounded by the monsters

1232

01:07:54,110 --> 01:07:52,740

when I used to be quite political and

1233

01:07:56,930 --> 01:07:54,120

people would said to me you should be a

1234

01:08:01,040 --> 01:07:56,940

politician and I said no I don't want to

1235

01:08:06,200 --> 01:08:01,050

be in the energy of those people I will

1236

01:08:08,390 --> 01:08:06,210

become that monster yes to be a

1237

01:08:10,520 --> 01:08:08,400

politician well to the high ranking

1238

01:08:15,080 --> 01:08:10,530

politician you know there are some 130

1239

01:08:18,040 --> 01:08:15,090

of our yeah you know none of them is

1240

01:08:21,500 --> 01:08:18,050

squeaky clean that there's something

1241

01:08:24,230 --> 01:08:21,510

psychopathy weakly sociology about them

1242

01:08:24,919 --> 01:08:24,240

where you have no apathy through their

1243

01:08:30,249 --> 01:08:24,929

actions

1244

01:08:33,019 --> 01:08:30,259

yeah yeah Laurie kind of compassion and

1245

01:08:35,300 --> 01:08:33,029

it just doesn't exist anymore does it

1246

01:08:36,769 --> 01:08:35,310

it's being batted out of ism where is

1247

01:08:38,539 --> 01:08:36,779

obviously you know we don't all agree

1248

01:08:40,640 --> 01:08:38,549

with religion because of how it's being

1249

01:08:42,289 --> 01:08:40,650

used as a tool for a while but it did

1250

01:08:46,160 --> 01:08:42,299

have some really good suggestions like

1251

01:08:48,590 --> 01:08:46,170

you know don't kill and do until there's

1252

01:08:50,390 --> 01:08:48,600

a turn love thy neighbor and now it's

1253

01:08:52,280 --> 01:08:50,400

shock that never I am your neighbor

1254

01:08:54,439 --> 01:08:52,290

isn't number to report your neighbor if

1255

01:08:58,099 --> 01:08:54,449

you just image IND that they're going to

1256

01:09:01,370 --> 01:08:58,109

do something you know illegal are some

1257

01:09:04,220 --> 01:09:01,380

sort of imagined terrorist activity or

1258

01:09:08,720 --> 01:09:04,230

if you just don't like you know you can

1259

01:09:11,959 --> 01:09:08,730

do an anonymous call and why I love them

1260

01:09:14,240 --> 01:09:11,969

people investigated all right you know

1261

01:09:18,050 --> 01:09:14,250

that's that's we've gone from love our

1262

01:09:19,300 --> 01:09:18,060

neighbor and community to don't trust

1263

01:09:27,890 --> 01:09:19,310

anybody

1264

01:09:30,769 --> 01:09:27,900

yeah quite fully either because you

1265

01:09:32,720 --> 01:09:30,779

already you live in communities and

1266

01:09:35,809 --> 01:09:32,730

stuff where you know our crimes being

1267

01:09:39,260 --> 01:09:35,819

committed oh I'll say somebody's a

1268

01:09:40,010 --> 01:09:39,270

virtual wife believer and then she ends

1269

01:09:42,380 --> 01:09:40,020

up dead

1270

01:09:45,079 --> 01:09:42,390

and the first thing everybody else's

1271

01:09:48,499 --> 01:09:45,089

well why did you not do anything and she

1272

01:09:51,169 --> 01:09:48,509

was mean me you know and it is it is

1273

01:09:51,950 --> 01:09:51,179

that you know you had you know that's

1274

01:09:59,380 --> 01:09:51,960

not my business

1275

01:10:04,160 --> 01:09:59,390

yeah he's kind of like so lovey Warren

1276

01:10:11,689 --> 01:10:04,170

facade no you know people I use pointed

1277

01:10:14,660 --> 01:10:11,699

out the Frog the she lies we're warning

1278

01:10:20,149 --> 01:10:14,670

people you know he's a snake oil

1279

01:10:21,320 --> 01:10:20,159

salesman and people are like uh I can't

1280

01:10:24,380 --> 01:10:21,330

make army

1281

01:10:28,280 --> 01:10:24,390

I think he's fight when he get stung

1282

01:10:34,189 --> 01:10:28,290

he's like well why did not sell me the

1283

01:10:37,770 --> 01:10:34,199

thing is we are telling is yeah Peter

1284

01:10:42,750 --> 01:10:37,780

Robbins I say it my opted up man yeah

1285

01:10:47,189 --> 01:10:42,760

because he he admitted he calm he had a

1286

01:10:49,830 --> 01:10:47,199

sort of person he's sorry - you know

1287

01:10:52,169 --> 01:10:49,840

people that would come but don't be

1288

01:10:55,830 --> 01:10:52,179

sorry be so because like everybody else

1289

01:10:59,180 --> 01:10:55,840

you work on your mug knock just stand up

1290

01:11:03,450 --> 01:10:59,190

there and say my hat is off to you may

1291

01:11:06,839 --> 01:11:03,460

yeah it's not easy that's it I mean I I

1292

01:11:09,750 --> 01:11:06,849

look back now and I cringe at the amount

1293

01:11:12,569 --> 01:11:09,760

of effort that I put into promoting them

1294

01:11:17,540 --> 01:11:12,579

I'm defending him and explained in his

1295

01:11:20,129 --> 01:11:17,550

behavior away to certain people you know

1296

01:11:22,859 --> 01:11:20,139

god I was sorta loaded have a chance to

1297

01:11:26,310 --> 01:11:22,869

be ever I saw what I wanted to see and

1298

01:11:30,479 --> 01:11:26,320

but at the same time he's a really good

1299

01:11:33,510 --> 01:11:30,489

liar he is so good at her you know and I

1300

01:11:36,270 --> 01:11:33,520

met him and I looked in his eyes and I

1301

01:11:37,859 --> 01:11:36,280

believed him it was like it wasn't like

1302

01:11:39,899 --> 01:11:37,869

I bought the ball couldn't read the book

1303

01:11:45,089 --> 01:11:39,909

and knew about him or anything anything

1304

01:11:47,279 --> 01:11:45,099

I didn't honestly didn't so it's just

1305

01:11:49,020 --> 01:11:47,289

wild to think that somebody that may

1306

01:11:51,479 --> 01:11:49,030

exist like that I'm the comment and you

1307

01:11:57,660 --> 01:11:51,489

and you think it would be rare but it's

1308

01:12:03,540 --> 01:11:57,670

really not yeah you thought you saw a

1309

01:12:08,729 --> 01:12:03,550

writer you know I did he feed off other

1310

01:12:13,439 --> 01:12:08,739

people's misery and the teachest one

1311

01:12:16,169 --> 01:12:13,449

little thing better you know he was not

1312

01:12:19,950 --> 01:12:16,179

kind of like power of you in the process

1313

01:12:21,899 --> 01:12:19,960

as well now we were in himself

1314

01:12:25,560 --> 01:12:21,909

alright I've listened to some of these

1315

01:12:29,220 --> 01:12:25,570

steps and so yeah yeah I he's very

1316

01:12:32,510 --> 01:12:29,230

convincing he's a good liar but he

1317

01:12:35,010 --> 01:12:32,520

shoots him selling therefore because oh

1318

01:12:37,069 --> 01:12:35,020

you and obviously doing it funny to know

1319

01:12:40,890 --> 01:12:37,079

otherwise he actually tells himself

1320

01:12:42,779 --> 01:12:40,900

which he does I you listen to one talk

1321

01:12:46,379 --> 01:12:42,789

and you listen to these other and he's

1322

01:12:49,290 --> 01:12:46,389

contradicting himself yeah you know the

1323

01:12:51,540 --> 01:12:49,300

classic for me was the Archos I'm

1324

01:12:56,720 --> 01:12:51,550

Metallica and there are half a million

1325

01:12:56,730 --> 01:13:04,980

he's trying to say he didn't say it did

1326

01:13:14,360 --> 01:13:08,790

Duffy you know that yes - that month

1327

01:13:17,460 --> 01:13:14,370

Larry Warren he's a pathological liar

1328

01:13:21,450 --> 01:13:17,470

any any a surrounds himself with people

1329

01:13:23,520 --> 01:13:21,460

who were like oh I'll just block her

1330

01:13:26,340 --> 01:13:23,530

because I don't want to see her rubbish

1331

01:13:28,320 --> 01:13:26,350

I don't read her [h__h] oh this lot and

1332

01:13:32,370 --> 01:13:28,330

I'm doing it out of like Oh

1333

01:13:35,070 --> 01:13:32,380

is she a blocker so not even doing

1334

01:13:38,490 --> 01:13:35,080

anything at all about educating

1335

01:13:40,740 --> 01:13:38,500

themselves as to what is going on and

1336

01:13:42,450 --> 01:13:40,750

they believe this rabbit if I say that

1337

01:13:44,340 --> 01:13:42,460

you're rubbish about Ruby as I said no

1338

01:13:46,920 --> 01:13:44,350

by different people and another source

1339

01:13:49,740 --> 01:13:46,930

of it and I think you're all researchers

1340

01:13:52,650 --> 01:13:49,750

right and you all expect us to expect

1341

01:13:56,180 --> 01:13:52,660

your research methods and your ability

1342

01:13:58,890 --> 01:13:56,190

to discern and you know collate and

1343

01:14:02,070 --> 01:13:58,900

evidence and you know present some

1344

01:14:05,580 --> 01:14:02,080

findings when you just wrote in and

1345

01:14:09,750 --> 01:14:05,590

gossiped yes that's it

1346

01:14:11,670 --> 01:14:09,760

Wednesday we did you know since last

1347

01:14:15,230 --> 01:14:11,680

year when I called him out about me in a

1348

01:14:18,000 --> 01:14:15,240

house annual yeah I'm so getting people

1349

01:14:26,610 --> 01:14:18,010

messaging me saying oh yeah he'll then

1350

01:14:29,730 --> 01:14:26,620

you sure we get blown away when I tell

1351

01:14:33,960 --> 01:14:29,740

this story about what what happens and

1352

01:14:36,240 --> 01:14:33,970

why just recently this week somebody was

1353

01:14:40,050 --> 01:14:36,250

saying to me oh I saw him he was wearing

1354

01:14:43,800 --> 01:14:40,060

his collagen II's AI's annual I don't

1355

01:14:45,780 --> 01:14:43,810

know he's not you know I'm like I've

1356

01:14:48,420 --> 01:14:45,790

been down to alphas Angels clubhouse in

1357

01:14:52,950 --> 01:14:48,430

Liverpool and or some of them they're

1358

01:14:56,940 --> 01:14:52,960

personal friends you might know you men

1359

01:15:00,680 --> 01:14:56,950

came you look boy evilly oh my god

1360

01:15:04,830 --> 01:15:00,690

well these are kind of people you know

1361

01:15:06,780 --> 01:15:04,840

yeah doesn't mind me or you know

1362

01:15:09,750 --> 01:15:06,790

I just know these people IDs in the

1363

01:15:12,780 --> 01:15:09,760

world and I'm beyond bothering about I'm

1364

01:15:18,390 --> 01:15:12,790

kind of painful or I feel sorry for you

1365

01:15:23,150 --> 01:15:18,400

because you get bullied by them and it's

1366

01:15:25,530 --> 01:15:23,160

I'm gonna say this how in the public now

1367

01:15:28,110 --> 01:15:25,540

[h__\h] silent bully you

1368

01:15:31,410 --> 01:15:28,120

Warren is bull again all these are only

1369

01:15:36,000 --> 01:15:31,420

gear ready big man

1370

01:15:40,970 --> 01:15:36,010

bullying a woman girl I want you three

1371

01:15:44,220 --> 01:15:40,980

home he's pointing out the truth

1372

01:15:47,460 --> 01:15:44,230

something that you guys don't like and

1373

01:15:51,660 --> 01:15:47,470

then you threaten people have addressed

1374

01:15:57,060 --> 01:15:51,670

me Scott over threats off Warren I'll

1375

01:16:02,390 --> 01:15:57,070

just recently Alice Smith he's Fred put

1376

01:16:07,980 --> 01:16:04,500

America's a big place I was thinking

1377

01:16:10,920 --> 01:16:07,990

they do comes find your way to shoot

1378

01:16:13,230 --> 01:16:10,930

yeah it's ridiculous well at first he

1379

01:16:15,210 --> 01:16:13,240

was funny though one on a on my on

1380

01:16:18,410 --> 01:16:15,220

mullen me when he didn't beat me and

1381

01:16:21,030 --> 01:16:18,420

what me arson that so I offered to

1382

01:16:22,560 --> 01:16:21,040

charity cage by him on get an amazing

1383

01:16:23,190 --> 01:16:22,570

health and bring me more words of

1384

01:16:28,260 --> 01:16:23,200

England

1385

01:16:33,510 --> 01:16:28,270

now he's now he's like our news and my

1386

01:16:35,700 --> 01:16:33,520

car fly a car fight it's like ah are you

1387

01:16:39,630 --> 01:16:35,710

gonna shut your mouth and stop coming

1388

01:16:42,510 --> 01:16:39,640

out we you know it's like you supposed

1389

01:16:45,990 --> 01:16:42,520

to be a copper or an ex-cop or something

1390

01:16:50,580 --> 01:16:46,000

you know about shooting somebody because

1391

01:16:57,360 --> 01:16:50,590

we don't agree with you these people

1392

01:17:00,780 --> 01:16:57,370

would be really in it yes he attacked me

1393

01:17:04,230 --> 01:17:00,790

because I said something about Steve La

1394

01:17:07,160 --> 01:17:04,240

Plume being a mercenary which he is and

1395

01:17:10,110 --> 01:17:07,170

he's even said a himself you know in the

1396

01:17:11,670 --> 01:17:10,120

conference talk that he gave all right

1397

01:17:14,310 --> 01:17:11,680

and I said something about that and he

1398

01:17:16,830 --> 01:17:14,320

was one of the officers the

1399

01:17:20,190 --> 01:17:16,840

arrested Stevo did whatever it was on

1400

01:17:22,800 --> 01:17:20,200

the base of Bentwaters when he he said

1401

01:17:24,210 --> 01:17:22,810

he deliberately did this psycho act

1402

01:17:28,320 --> 01:17:24,220

because he wanted to get out here today

1403

01:17:31,400 --> 01:17:28,330

and then he got out and the difficult

1404

01:17:34,920 --> 01:17:31,410

things sort of very interesting life and

1405

01:17:35,940 --> 01:17:34,930

you know he's a racer gotta turn a races

1406

01:17:39,510 --> 01:17:35,950

mark bikes

1407

01:17:43,350 --> 01:17:39,520

he's a in movies it's a mercenary he's

1408

01:17:46,530 --> 01:17:43,360

you know all this stuff and I and he's

1409

01:17:49,440 --> 01:17:46,540

going now he isn't that like little weak

1410

01:17:51,300 --> 01:17:49,450

Punk blah blah blah right he was 18

1411

01:17:56,490 --> 01:17:51,310

right when they met him and knew him and

1412

01:17:59,690 --> 01:17:56,500

that hiding his old and he's now 54 55

1413

01:18:03,530 --> 01:17:59,700

and that guy that you're talking about

1414

01:18:08,130 --> 01:18:03,540

thinks that he can know somebody's life

1415

01:18:12,360 --> 01:18:08,140

after you know after 30 odd years or

1416

01:18:15,870 --> 01:18:12,370

whatever yeah I'm one incident no we

1417

01:18:18,780 --> 01:18:15,880

don't you know it's just crazy talk so I

1418

01:18:21,270 --> 01:18:18,790

said yes no Assateague was I said he was

1419

01:18:22,830 --> 01:18:21,280

all those things and he's like no he was

1420

01:18:25,410 --> 01:18:22,840

and then I have to do something because

1421

01:18:27,740 --> 01:18:25,420

I have life and you think it's out or

1422

01:18:30,870 --> 01:18:27,750

whatever and then when I came back

1423

01:18:32,970 --> 01:18:30,880

online and they were like five or six

1424

01:18:35,880 --> 01:18:32,980

perservere wrote in and shot me not me

1425

01:18:37,950 --> 01:18:35,890

do mom didn't me answering things I was

1426

01:18:41,430 --> 01:18:37,960

like whoa and there's people going easy

1427

01:18:44,490 --> 01:18:41,440

now and do is with a kids so you know

1428

01:18:46,200 --> 01:18:44,500

like people coming in and interjecting

1429

01:18:48,270 --> 01:18:46,210

and telling him to calm down and he was

1430

01:18:49,530 --> 01:18:48,280

crazy I just looked a I was like I'm not

1431

01:18:52,920 --> 01:18:49,540

talking somebody who talks to me like

1432

01:18:55,860 --> 01:18:52,930

that and I blocked a yeah Wow others

1433

01:19:04,050 --> 01:18:55,870

that's when you know meet friends and

1434

01:19:14,280 --> 01:19:04,060

influence people I know I know he's very

1435

01:19:19,770 --> 01:19:14,290

poorly and but Wow you know threatening

1436

01:19:22,440 --> 01:19:19,780

people so many threats though Evan I

1437

01:19:25,830 --> 01:19:22,450

mean I've had some ones concrete and

1438

01:19:28,299 --> 01:19:25,840

chains in a construction job a slow

1439

01:19:30,890 --> 01:19:28,309

bullet behind the evident

1440

01:19:35,049 --> 01:19:30,900

like sit there and try and push it

1441

01:19:46,000 --> 01:19:39,219

out of this loophole a book about

1442

01:19:50,379 --> 01:19:46,010

worried only people like Rico yeah oh

1443

01:19:53,359 --> 01:19:50,389

yeah put my windpipe through my spine

1444

01:19:57,529 --> 01:19:53,369

Buster the vanu security like is some

1445

01:20:03,439 --> 01:19:57,539

sort of ninja yeah I didn't wake people

1446

01:20:07,609 --> 01:20:03,449

up recon these people who saw a lariat

1447

01:20:09,640 --> 01:20:07,619

army well you know at that time though I

1448

01:20:14,089 --> 01:20:09,650

thought it was housing Joan you know

1449

01:20:16,699 --> 01:20:14,099

yeah and all this like my reach is long

1450

01:20:18,379 --> 01:20:16,709

you would say like you everybody around

1451

01:20:22,100 --> 01:20:18,389

the world and he could get an onion of

1452

01:20:24,500 --> 01:20:22,110

them to do whatever he's bidding was and

1453

01:20:26,060 --> 01:20:24,510

you know he threatened James with I

1454

01:20:27,890 --> 01:20:26,070

think he said ten by cuz there's

1455

01:20:31,729 --> 01:20:27,900

something gonna go to his address and

1456

01:20:32,959 --> 01:20:31,739

the Audis address yeah and got

1457

01:20:35,810 --> 01:20:32,969

frightened him to death

1458

01:20:38,449 --> 01:20:35,820

yeah there was I slept on the sofa for

1459

01:20:40,699 --> 01:20:38,459

ages because I was convinced some what

1460

01:20:44,719 --> 01:20:40,709

was gonna happen to the area bed yeah

1461

01:20:47,719 --> 01:20:44,729

yeah and then over time I found out

1462

01:20:50,359 --> 01:20:47,729

there were our lies you know and it was

1463

01:20:53,239 --> 01:20:50,369

actually a Hells Angel from America

1464

01:20:58,279 --> 01:20:53,249

asked me have you ever seen him on a

1465

01:21:00,140 --> 01:20:58,289

bike you know unless I've never said is

1466

01:21:02,629 --> 01:21:00,150

never be the Hells Angels over Al's

1467

01:21:05,179 --> 01:21:02,639

Angela Maria yeah

1468

01:21:11,089 --> 01:21:05,189

well he's supposed to been in that big

1469

01:21:14,929 --> 01:21:11,099

fight in Chicago no way it's just

1470

01:21:17,479 --> 01:21:14,939

unbelievable we were yet Lachlan in

1471

01:21:20,500 --> 01:21:17,489

Nevada is all Enoch is a you know the

1472

01:21:28,489 --> 01:21:25,250

yeah he's been everywhere on he speaking

1473

01:21:32,689 --> 01:21:28,499

they lost when he was at the last MUFON

1474

01:21:35,959 --> 01:21:32,699

in Phoenix in 2010 conference that and a

1475

01:21:38,060 --> 01:21:35,969

speaker have pulled out and so they are

1476

01:21:39,800 --> 01:21:38,070

slurries to get up and talk and that's

1477

01:21:42,320 --> 01:21:39,810

very sad that he'd never said

1478

01:21:45,440 --> 01:21:42,330

you'd seen aliens never been in an alien

1479

01:21:47,660 --> 01:21:45,450

underground base all that never happened

1480

01:21:50,900 --> 01:21:47,670

this is because I never said it and it's

1481

01:21:55,090 --> 01:21:50,910

book yes so then the next thing is going

1482

01:21:59,710 --> 01:21:55,100

he's talking about he says anyway so I

1483

01:22:02,090 --> 01:21:59,720

I'm not a believer I'm and Noah

1484

01:22:04,070 --> 01:22:02,100

he says there's anybody else you know

1485

01:22:05,720 --> 01:22:04,080

and they all went yeah the whole room

1486

01:22:07,640 --> 01:22:05,730

gave it a round of applause and they

1487

01:22:10,460 --> 01:22:07,650

went I stole that from my good friend

1488

01:22:14,180 --> 01:22:10,470

Sasha Christie he was a soldier for

1489

01:22:17,440 --> 01:22:14,190

Rendlesham that was in 2010 so that's

1490

01:22:20,710 --> 01:22:17,450

nine years ago in saying that about me

1491

01:22:23,990 --> 01:22:20,720

and then he said oh it's just all

1492

01:22:26,300 --> 01:22:24,000

Internet when they lived in my house and

1493

01:22:34,040 --> 01:22:26,310

so then they started saying that was his

1494

01:22:35,600 --> 01:22:34,050

long Blair day tweeting things and

1495

01:22:39,530 --> 01:22:35,610

making them into something else

1496

01:22:42,590 --> 01:22:39,540

on his behalf lying for him okay can I

1497

01:22:47,960 --> 01:22:42,600

just start [h__h] Oh obviously like Gary

1498

01:22:53,410 --> 01:22:47,970

[h__h] time all those how many of them

1499

01:23:05,020 --> 01:22:57,130

exactly and this supposin researchers

1500

01:23:08,510 --> 01:23:05,030

yeah here at York did the wrong

1501

01:23:11,750 --> 01:23:08,520

George injury you know they did you

1502

01:23:13,840 --> 01:23:11,760

listen to Warren and detect it in and

1503

01:23:16,070 --> 01:23:13,850

you know i acting like the way you are

1504

01:23:19,670 --> 01:23:16,080

especially yes inside being an

1505

01:23:25,640 --> 01:23:19,680

ex-policeman he's a [\h__\h] big sorry

1506

01:23:27,200 --> 01:23:25,650

he's a disgrace yeah i feel embarrassed

1507

01:23:30,020 --> 01:23:27,210

for him but I just can't stand him

1508

01:23:32,630 --> 01:23:30,030

anymore yeah at first I wanted to say to

1509

01:23:34,640 --> 01:23:32,640

him look it'll take you to hell with him

1510

01:23:37,460 --> 01:23:34,650

you know I think he's finding out

1511

01:23:40,670 --> 01:23:37,470

because he started saying that actually

1512

01:23:43,790 --> 01:23:40,680

a personal friend of Larry Warren it's

1513

01:23:46,250 --> 01:23:43,800

all just about this it's like it shot a

1514

01:23:48,320 --> 01:23:46,260

distance himself from them and that film

1515

01:23:50,210 --> 01:23:48,330

was about supposed to be about Larry

1516

01:23:53,220 --> 01:23:50,220

Warren and he's experienced at capable

1517

01:23:54,990 --> 01:23:53,230

Green it's now about

1518

01:23:56,310 --> 01:23:55,000

it's called carpal green and it's about

1519

01:23:57,660 --> 01:23:56,320

all these other events that have

1520

01:23:59,850 --> 01:23:57,670

happened to all the people on the base

1521

01:24:05,990 --> 01:23:59,860

over the years and in the area as well

1522

01:24:12,390 --> 01:24:06,000

so you know I was talking to timox and

1523

01:24:18,720 --> 01:24:12,400

about all that and I forgot what I was

1524

01:24:20,790 --> 01:24:18,730

saying about wore it up but all they

1525

01:24:22,260 --> 01:24:20,800

well about the twisting of it all and

1526

01:24:24,510 --> 01:24:22,270

about all them making out these little

1527

01:24:28,770 --> 01:24:24,520

things and it's all to do with me and my

1528

01:24:31,110 --> 01:24:28,780

craziness and he's really got a step up

1529

01:24:33,990 --> 01:24:31,120

now and and look at some of the evidence

1530

01:24:37,200 --> 01:24:34,000

of all the noise that's been made but

1531

01:24:39,600 --> 01:24:37,210

you know they exaggerated everything and

1532

01:24:43,230 --> 01:24:39,610

I said to him that film if it had been

1533

01:24:46,170 --> 01:24:43,240

called something else and was about all

1534

01:24:49,200 --> 01:24:46,180

of those people and their own valid

1535

01:24:52,020 --> 01:24:49,210

experiences and whatever went on at my

1536

01:24:55,410 --> 01:24:52,030

weekend then nobody would ever be for

1537

01:25:00,050 --> 01:24:55,420

that yeah but it was because it was

1538

01:25:03,810 --> 01:25:00,060

started that film concept was started

1539

01:25:06,240 --> 01:25:03,820

when as Larry Warren's credibility was

1540

01:25:08,610 --> 01:25:06,250

going down the pan but now they're

1541

01:25:10,290 --> 01:25:08,620

leading people to believe that we've

1542

01:25:12,390 --> 01:25:10,300

started attacking the phone because of

1543

01:25:13,260 --> 01:25:12,400

the films since the film's inception but

1544

01:25:19,140 --> 01:25:13,270

that's not true

1545

01:25:21,810 --> 01:25:19,150

yes so that's what I was saying you know

1546

01:25:23,070 --> 01:25:21,820

it does people believe them oh I don't

1547

01:25:25,980 --> 01:25:23,080

believe that they had all those

1548

01:25:29,120 --> 01:25:25,990

experiences and the area is like that so

1549

01:25:32,640 --> 01:25:29,130

that that would be a great you know

1550

01:25:34,230 --> 01:25:32,650

concepts for a documentary but say that

1551

01:25:37,080 --> 01:25:34,240

it was all about this man's life and

1552

01:25:39,060 --> 01:25:37,090

slowly but surely it's becoming less

1553

01:25:42,060 --> 01:25:39,070

about him and more about everybody else

1554

01:25:44,580 --> 01:25:42,070

so there's some some things happen

1555

01:25:48,930 --> 01:25:44,590

between them something's going on for

1556

01:25:51,270 --> 01:25:48,940

that to change you know because that to

1557

01:25:54,000 --> 01:25:51,280

me it kind of thought that Larry was a

1558

01:25:55,770 --> 01:25:54,010

very small part of it all was that watch

1559

01:26:06,300 --> 01:25:55,780

I mean it was like supposed to be all

1560

01:26:09,840 --> 01:26:06,310

about him it's to me as

1561

01:26:12,720 --> 01:26:09,850

sighing he's invested a lot on him so

1562

01:26:14,430 --> 01:26:12,730

he's put his reputation on pride in him

1563

01:26:17,160 --> 01:26:14,440

selling and being an ex-policeman enough

1564

01:26:21,300 --> 01:26:17,170

and then awesome these presented via log

1565

01:26:25,220 --> 01:26:21,310

of evidence and he is actually like an

1566

01:26:27,990 --> 01:26:25,230

idiot to be honest instead of like

1567

01:26:30,120 --> 01:26:28,000

standing up smart like Peter Robbins did

1568

01:26:31,160 --> 01:26:30,130

you know go hang on I've made a mistake

1569

01:26:35,640 --> 01:26:31,170

here

1570

01:26:37,460 --> 01:26:35,650

you know none of this a denying

1571

01:26:39,780 --> 01:26:37,470

Rendlesham happened something happened

1572

01:26:43,860 --> 01:26:39,790

it was certainly not what Warren's view

1573

01:26:47,220 --> 01:26:43,870

is so it's like the evidence is

1574

01:26:52,560 --> 01:26:47,230

overwhelming that Warren is Wayne you

1575

01:26:55,020 --> 01:26:52,570

know he's even given a proven that is

1576

01:26:56,370 --> 01:26:55,030

like I've I've proven that is said two

1577

01:26:59,220 --> 01:26:56,380

different things in lots of different

1578

01:27:00,750 --> 01:26:59,230

areas and I'm there's so many more of

1579

01:27:04,200 --> 01:27:00,760

those are moments that I'm actually

1580

01:27:06,990 --> 01:27:04,210

going to be presenting and but they're

1581

01:27:10,140 --> 01:27:07,000

saying it's my opinion yeah how do you

1582

01:27:12,660 --> 01:27:10,150

think because you're presenting today

1583

01:27:13,490 --> 01:27:12,670

and then like me I've presented a bit of

1584

01:27:17,370 --> 01:27:13,500

evidence

1585

01:27:22,100 --> 01:27:17,380

she's our I'm firing mine they're on you

1586

01:27:24,600 --> 01:27:22,110

Pauline and the like or why you know

1587

01:27:25,080 --> 01:27:24,610

it's like said I'm not gonna go into

1588

01:27:27,750 --> 01:27:25,090

Wham

1589

01:27:29,790 --> 01:27:27,760

I've got limo hire well it's always

1590

01:27:32,580 --> 01:27:29,800

something very simple and something

1591

01:27:35,370 --> 01:27:32,590

which struck me and he saw me from the

1592

01:27:38,040 --> 01:27:35,380

trailer and I was just like wow I'm

1593

01:27:40,380 --> 01:27:38,050

sorry asking questions so because I've

1594

01:27:43,680 --> 01:27:40,390

called him a liar on it which I'm not

1595

01:27:45,890 --> 01:27:43,690

gonna go into on here I'm thinking of

1596

01:27:50,030 --> 01:27:45,900

making a short film about it and

1597

01:27:52,830 --> 01:27:50,040

presenting my evidence on it ya know

1598

01:27:55,830 --> 01:27:52,840

whenever he saw that night or whatever

1599

01:27:58,860 --> 01:27:55,840

happened not on huh I went there and you

1600

01:28:01,890 --> 01:27:58,870

know if he got security osgood whatever

1601

01:28:04,410 --> 01:28:01,900

it was well or he said just didn't ring

1602

01:28:09,020 --> 01:28:04,420

right were they and call him out on me

1603

01:28:14,790 --> 01:28:12,240

well Barry Haskel times backing these

1604

01:28:21,350 --> 01:28:19,520

it's like watching The Godfather

1605

01:28:24,230 --> 01:28:21,360

I'm gonna cut you I'm gonna do this I'm

1606

01:28:28,430 --> 01:28:24,240

gonna do that and you know that's all

1607

01:28:32,390 --> 01:28:28,440

times bodies I think he's I think he's

1608

01:28:35,720 --> 01:28:32,400

slowly way he don't cities like you know

1609

01:28:38,870 --> 01:28:35,730

like were Warren's concerned what is a a

1610

01:28:42,380 --> 01:28:38,880

cork ed you know ice snorting cocaine op

1611

01:28:45,740 --> 01:28:42,390

he said he sees drink going down while

1612

01:28:49,250 --> 01:28:45,750

and in Louisville and you know getting

1613

01:28:52,250 --> 01:28:49,260

off his face Oh somebody like [h__h]

1614

01:28:55,400 --> 01:28:52,260

time would not associate themselves we

1615

01:29:00,890 --> 01:28:55,410

warrant you know right in routing why

1616

01:29:02,780 --> 01:29:00,900

you ditched on do it when I firstly

1617

01:29:06,650 --> 01:29:02,790

knock off or people you know friends

1618

01:29:11,240 --> 01:29:06,660

from years ago that became problems we

1619

01:29:12,890 --> 01:29:11,250

cocaine and you just distancing himself

1620

01:29:15,080 --> 01:29:12,900

from you know you don't want to be

1621

01:29:17,000 --> 01:29:15,090

associated we the crap began eating

1622

01:29:20,240 --> 01:29:17,010

wrong with him what they're up to and

1623

01:29:23,120 --> 01:29:20,250

whatnot you know thankfully both my

1624

01:29:26,170 --> 01:29:23,130

friends if they're off it now they paid

1625

01:29:32,360 --> 01:29:26,180

the back to really were you know they

1626
01:29:36,200 --> 01:29:32,370
regret doing it now Oren as far as you

1627
01:29:39,280 --> 01:29:36,210
know what message I a lobotomy still

1628
01:29:50,390 --> 01:29:39,290
Bank again down learning Liverpool I

1629
01:29:54,650 --> 01:29:50,400
thought it started himself out yeah yeah

1630
01:29:57,110 --> 01:29:54,660
it is a shame you know I you know I is

1631
01:30:00,500 --> 01:29:57,120
something people will say well he's

1632
01:30:04,070 --> 01:30:00,510
these self-induced these it's like self

1633
01:30:07,760 --> 01:30:04,080
farming so I think it's nice diction is

1634
01:30:09,590 --> 01:30:07,770
a very real thing there's this physical

1635
01:30:13,490 --> 01:30:09,600
addiction there's mental addiction the

1636
01:30:15,230 --> 01:30:13,500
spiritual addiction we if the problem is

1637
01:30:19,520 --> 01:30:15,240
not the druggie some of the problem is

1638
01:30:20,750 --> 01:30:19,530

why it didn't want to take it why did he

1639

01:30:25,610 --> 01:30:20,760

want to mess up when they know he's

1640

01:30:29,600 --> 01:30:25,620

gonna do it well I think it comes down

1641

01:30:32,820 --> 01:30:29,610

to numbing feelings doesn't it anything

1642

01:30:34,980 --> 01:30:32,830

like that I mean on an energetic level

1643

01:30:39,900 --> 01:30:34,990

solving your emotions he's taken them

1644

01:30:44,280 --> 01:30:39,910

back into yourself yeah obviously if

1645

01:30:48,660 --> 01:30:44,290

you've been caught out I mean in a wet a

1646

01:30:50,850 --> 01:30:48,670

literal web of lies you'd have a look

1647

01:30:52,470 --> 01:30:50,860

for you uncontrollable feelings about my

1648

01:30:54,330 --> 01:30:52,480

if you see in your life collapsing in

1649

01:30:59,070 --> 01:30:54,340

front of you because your lies have been

1650

01:31:01,050 --> 01:30:59,080

revealed yeah but I mean I don't know

1651
01:31:02,760 --> 01:31:01,060
that I don't know what I don't know what

1652
01:31:04,740 --> 01:31:02,770
he's doing you know I've seen pictures

1653
01:31:07,050 --> 01:31:04,750
recently he seems to put on weight and

1654
01:31:09,810 --> 01:31:07,060
stuff so I thought probably I thought

1655
01:31:13,440 --> 01:31:09,820
you know there comes a time when you it

1656
01:31:15,240 --> 01:31:13,450
the back that hard you just can't do

1657
01:31:20,520 --> 01:31:15,250
anything other than changed the way you

1658
01:31:23,400 --> 01:31:20,530
are yeah obviously you know it's gonna

1659
01:31:28,710 --> 01:31:23,410
be interesting to see the film see what

1660
01:31:29,610 --> 01:31:28,720
is is set in concrete story is because

1661
01:31:33,780 --> 01:31:29,620
it is a story

1662
01:31:36,330 --> 01:31:33,790
yeah and some of the things that I

1663
01:31:39,600 --> 01:31:36,340

realized what he does through listening

1664

01:31:42,600 --> 01:31:39,610

to him and you think that he's talking

1665

01:31:44,370 --> 01:31:42,610

you know like just if he's on a

1666

01:31:46,290 --> 01:31:44,380

conference talking you think that he's

1667

01:31:48,240 --> 01:31:46,300

just stop off-the-cuff everything he's

1668

01:31:50,400 --> 01:31:48,250

saying is to make that often is that you

1669

01:31:53,340 --> 01:31:50,410

know but it's not I've heard him he

1670

01:31:56,730 --> 01:31:53,350

repeats the same things over and over

1671

01:32:00,240 --> 01:31:56,740

it just sounds as if he's just saying it

1672

01:32:04,590 --> 01:32:00,250

off the top of his head yeah so he's an

1673

01:32:08,940 --> 01:32:04,600

actor and he's got a script no it's

1674

01:32:13,680 --> 01:32:08,950

these scripts but he keeps changing the

1675

01:32:16,560 --> 01:32:13,690

players in the in the play and different

1676
01:32:19,230 --> 01:32:16,570
elements he'll say so the armored

1677
01:32:21,990 --> 01:32:19,240
vehicle was here and we split up into

1678
01:32:23,970 --> 01:32:22,000
groups of far man and then the next one

1679
01:32:28,310 --> 01:32:23,980
is we split up into groups of five men

1680
01:32:30,840 --> 01:32:28,320
what was a far-our five you know and

1681
01:32:33,360 --> 01:32:30,850
it's just things like that and there's

1682
01:32:35,550 --> 01:32:33,370
another line he says that he goes sort

1683
01:32:37,410 --> 01:32:35,560
of px to get this camera because he's

1684
01:32:39,780 --> 01:32:37,420
got one that he took with me with him

1685
01:32:42,150 --> 01:32:39,790
from when he was a kid and it just was

1686
01:32:43,620 --> 01:32:42,160
garbage I've heard him say that just was

1687
01:32:46,450 --> 01:32:43,630
garbage about that camera in the way

1688
01:32:51,410 --> 01:32:46,460

that he says it three or five times

1689

01:32:53,750 --> 01:32:51,420

yes you know but because unless you're

1690

01:32:56,810 --> 01:32:53,760

like a big weirdo

1691

01:32:59,569 --> 01:32:56,820

you don't literally follow a person and

1692

01:33:00,229 --> 01:32:59,579

watch and listen to every single thing

1693

01:33:03,709 --> 01:33:00,239

they do

1694

01:33:06,919 --> 01:33:03,719

like oh well maybe not big weirdo if

1695

01:33:09,020 --> 01:33:06,929

people talk about different things all

1696

01:33:11,239 --> 01:33:09,030

the time then yeah fair enough but

1697

01:33:13,399 --> 01:33:11,249

suppose listen to the same person

1698

01:33:15,799 --> 01:33:13,409

telling the same thing over and over I

1699

01:33:18,169 --> 01:33:15,809

don't think many people didn't know and

1700

01:33:19,399 --> 01:33:18,179

he relies on the facts because that's

1701

01:33:21,620 --> 01:33:19,409

how he can get away with these little

1702

01:33:24,430 --> 01:33:21,630

details because nobody knows his sorry

1703

01:33:27,140 --> 01:33:24,440

word for word but I did that many times

1704

01:33:29,779 --> 01:33:27,150

from him and the arguments that have

1705

01:33:33,020 --> 01:33:29,789

been involved with only drag me into him

1706

01:33:34,370 --> 01:33:33,030

when he you know created a situation and

1707

01:33:35,450 --> 01:33:34,380

then blaming it on somebody else and

1708

01:33:36,290 --> 01:33:35,460

getting somebody else to fight his

1709

01:33:40,459 --> 01:33:36,300

battles for him

1710

01:33:41,930 --> 01:33:40,469

that was me at one point and so I got to

1711

01:33:44,779 --> 01:33:41,940

know what he was he will say so when he

1712

01:33:47,720 --> 01:33:44,789

was here and he's going oh you know as a

1713

01:33:49,040 --> 01:33:47,730

pair dreams account we agreed I would

1714

01:33:52,209 --> 01:33:49,050

get it out there because the story

1715

01:33:55,910 --> 01:33:52,219

needed to be told and then in the same

1716

01:33:59,120 --> 01:33:55,920

conversation said that he thought it

1717

01:34:01,549 --> 01:33:59,130

needed to be told and that you know and

1718

01:34:04,399 --> 01:34:01,559

then they they agreed that he would tell

1719

01:34:06,890 --> 01:34:04,409

it and then he said it wasn't where he

1720

01:34:08,540 --> 01:34:06,900

said it was which is in that field it

1721

01:34:09,890 --> 01:34:08,550

was at the other side he got mixed up

1722

01:34:11,720 --> 01:34:09,900

and I've been doing a bit of research

1723

01:34:13,220 --> 01:34:11,730

and I've been looking at maps in careful

1724

01:34:15,439 --> 01:34:13,230

Green isn't that field where said the

1725

01:34:17,779 --> 01:34:15,449

UFO unded it's over there like the other

1726

01:34:20,120 --> 01:34:17,789

side yeah

1727

01:34:21,560 --> 01:34:20,130

so now we'll know what he was saying and

1728

01:34:24,500 --> 01:34:21,570

now he's denying that he ever said it

1729

01:34:27,109 --> 01:34:24,510

and now he's denying seen a bit of a

1730

01:34:29,870 --> 01:34:27,119

clip of him I think 2015 interviewed by

1731

01:34:33,200 --> 01:34:29,880

Gary SL time and then Gary says to him

1732

01:34:34,669 --> 01:34:33,210

did you ever absorb Adrian's story did

1733

01:34:38,839 --> 01:34:34,679

you say any of that

1734

01:34:41,299 --> 01:34:38,849

nope nope nope nope oh well there's

1735

01:34:44,720 --> 01:34:41,309

instances of it judging the roommate she

1736

01:34:46,790 --> 01:34:44,730

I would him for it Linda Moulton Howe

1737

01:34:49,549 --> 01:34:46,800

these are all people that have done this

1738

01:34:50,419 --> 01:34:49,559

before me and he has said to Linda

1739

01:34:53,149 --> 01:34:50,429

Moulton Howe

1740

01:34:55,419 --> 01:34:53,159

that if all this underground base stuff

1741

01:34:57,859 --> 01:34:55,429

turns out to be not true

1742

01:34:58,560 --> 01:34:57,869

it's the Adrian's fault because Adrian

1743

01:35:01,800 --> 01:34:58,570

light

1744

01:35:05,940 --> 01:35:01,810

so it's done all this and then set

1745

01:35:08,370 --> 01:35:05,950

Beijing up for the fall out and then

1746

01:35:10,470 --> 01:35:08,380

accused Adrien of putting it on him yeah

1747

01:35:12,900 --> 01:35:10,480

I've got all of this disease I'm gonna

1748

01:35:15,810 --> 01:35:12,910

put them all together he said everything

1749

01:35:17,790 --> 01:35:15,820

he says is different and you know and

1750

01:35:23,010 --> 01:35:17,800

then and all the names of people in

1751

01:35:27,060 --> 01:35:23,020

different parts keep changing it's not

1752

01:35:30,060 --> 01:35:27,070

me yeah apart from himself he's worse

1753

01:35:36,050 --> 01:35:30,070

than ever easy internet because people

1754

01:35:42,540 --> 01:35:39,510

that's what you know people like that's

1755

01:35:45,450 --> 01:35:42,550

all signed on yeah you know it's like

1756

01:35:47,550 --> 01:35:45,460

just watch a few of these talks or

1757

01:35:48,950 --> 01:35:47,560

whatever you can say the blatant

1758

01:35:52,680 --> 01:35:48,960

contradictions

1759

01:35:54,960 --> 01:35:52,690

you know why he's just pointed out and

1760

01:35:57,450 --> 01:35:54,970

then for me he's got a story off

1761

01:35:59,700 --> 01:35:57,460

everything else you say yeah why don't

1762

01:36:02,160 --> 01:35:59,710

you admitting Larry the whole story has

1763

01:36:04,500 --> 01:36:02,170

been got off of the people and you're

1764

01:36:06,570 --> 01:36:04,510

kind of put together in a cellar you

1765

01:36:11,280 --> 01:36:06,580

know why this is snake oil salesman that

1766

01:36:14,850 --> 01:36:11,290

you are the the story that he tells is

1767

01:36:17,250 --> 01:36:14,860

from about five different people five

1768

01:36:23,130 --> 01:36:17,260

different events from three different

1769

01:36:25,740 --> 01:36:23,140

nights yeah and they all in one lump and

1770

01:36:27,150 --> 01:36:25,750

put it all up in the field that he's

1771

01:36:28,890 --> 01:36:27,160

called careful green but she's actually

1772

01:36:35,010 --> 01:36:28,900

careful some Andrews and careful greens

1773

01:36:36,690 --> 01:36:35,020

at the other side of the road you know I

1774

01:36:38,640 --> 01:36:36,700

can now with the documents have been

1775

01:36:40,500 --> 01:36:38,650

sent from Barry green will do Rosa

1776
01:36:44,640 --> 01:36:40,510
citizens against you were first secrecy

1777
01:36:46,860 --> 01:36:44,650
cars I can actually figure out I figured

1778
01:36:49,200 --> 01:36:46,870
out a few bits of where he's got what

1779
01:36:53,340 --> 01:36:49,210
from and who stole you stole what bit

1780
01:36:56,130 --> 01:36:53,350
from you know some people that normally

1781
01:36:57,690 --> 01:36:56,140
mentioned much in the narrative but

1782
01:37:00,540 --> 01:36:57,700
don't belittle all that and put it all

1783
01:37:03,390 --> 01:37:00,550
out there and it's not like I'm taking

1784
01:37:06,060 --> 01:37:03,400
things out of context paint in a picture

1785
01:37:09,030 --> 01:37:06,070
because what I'm doing is creating a

1786
01:37:11,160 --> 01:37:09,040
catalog of all the evidences so people

1787
01:37:11,560 --> 01:37:11,170
can double and treble check in the

1788
01:37:13,330 --> 01:37:11,570

probable

1789

01:37:15,189 --> 01:37:13,340

find them I can be bothered pointing out

1790

01:37:18,459 --> 01:37:15,199

you know that's just everything he's a

1791

01:37:21,669 --> 01:37:18,469

lie he said man sits an immense job and

1792

01:37:27,419 --> 01:37:21,679

you know the topic people realize how

1793

01:37:33,990 --> 01:37:27,429

how missing it is how convoluted and

1794

01:37:38,589 --> 01:37:34,000

devious the whole thing has been and

1795

01:37:41,350 --> 01:37:38,599

only actions afterwards you know from me

1796

01:37:44,530 --> 01:37:41,360

me repeating stuff that other people

1797

01:37:47,109 --> 01:37:44,540

have said you know my blog it tells me

1798

01:37:51,689 --> 01:37:47,119

the words that people have searched and

1799

01:37:55,859 --> 01:37:51,699

google to find they find their way to me

1800

01:37:59,470 --> 01:37:55,869

I'm one of them was Georgina Bruni and

1801
01:38:02,680 --> 01:37:59,480
plagiarism so somebody's thinking that

1802
01:38:04,990 --> 01:38:02,690
um plagiarizing her work within actual

1803
01:38:07,709 --> 01:38:05,000
facts I've ruined it a little bit but

1804
01:38:12,370 --> 01:38:07,719
I'm gonna reference a hell of a lot more

1805
01:38:13,169 --> 01:38:12,380
because she she she hasn't like bang to

1806
01:38:15,819 --> 01:38:13,179
rights

1807
01:38:20,859 --> 01:38:15,829
completely found out between dot and

1808
01:38:25,270 --> 01:38:20,869
Brenda himself very greenwood very far

1809
01:38:26,649 --> 01:38:25,280
set they all found him out as well Chuck

1810
01:38:29,319 --> 01:38:26,659
de Caro he keeps throwing his name

1811
01:38:31,109 --> 01:38:29,329
around but Chuck de Caro said that there

1812
01:38:35,169 --> 01:38:31,119
was no point in sending the refer

1813
01:38:37,450 --> 01:38:35,179

polygraph to film class because he'd

1814

01:38:38,770 --> 01:38:37,460

failed the voice-stress test analysis so

1815

01:38:39,939 --> 01:38:38,780

there was no point the origin knew who

1816

01:38:43,780 --> 01:38:39,949

was lying in sports the point in doing

1817

01:38:45,550 --> 01:38:43,790

the polygraph you know an EEG says that

1818

01:38:53,649 --> 01:38:45,560

all these faux stress analysis things

1819

01:38:58,870 --> 01:38:56,770

polygraph says that he took I've come so

1820

01:39:03,189 --> 01:38:58,880

laughing it who it was without very

1821

01:39:06,760 --> 01:39:03,199

tough he's just like literally got those

1822

01:39:12,280 --> 01:39:06,770

license from Nigeria yeah it's almost

1823

01:39:15,010 --> 01:39:12,290

like he created it for that purpose you

1824

01:39:17,200 --> 01:39:15,020

know you couldn't make it up it's like

1825

01:39:21,250 --> 01:39:17,210

why not go to a reputable one you know a

1826

01:39:25,089 --> 01:39:21,260

decent one well long I was in the Mickey

1827

01:39:28,930 --> 01:39:25,099

Mouse back string but they've done that

1828

01:39:30,970 --> 01:39:28,940

yeah you know cuz cloud she up to say

1829

01:39:33,069 --> 01:39:30,980

that it was a family matter and she

1830

01:39:36,669 --> 01:39:33,079

didn't want to discuss it until she was

1831

01:39:38,709 --> 01:39:36,679

strapped up in the room you know and

1832

01:39:40,510 --> 01:39:38,719

she's she had to take three and she

1833

01:39:44,050 --> 01:39:40,520

passed all three and went to carry

1834

01:39:46,240 --> 01:39:44,060

hassle time and he said he brought set a

1835

01:39:47,470 --> 01:39:46,250

photograph it's not an expert progress

1836

01:39:50,290 --> 01:39:47,480

but he said it wasn't good enough

1837

01:39:52,629 --> 01:39:50,300

anybody else who that other world of

1838

01:39:54,339 --> 01:39:52,639

Veritas but she said to even she'd found

1839

01:39:56,770 --> 01:39:54,349

out that there was a fraud warning on it

1840

01:39:59,560 --> 01:39:56,780

and and Hesselstine said that she's done

1841

01:40:01,629 --> 01:39:59,570

mm polygraphs but her business is worth

1842

01:40:06,510 --> 01:40:01,639

fiddler pass so what is she doing

1843

01:40:10,120 --> 01:40:06,520

charging 50 pence a girl yeah you know

1844

01:40:12,790 --> 01:40:10,130

so it's just another Annie and then if

1845

01:40:17,290 --> 01:40:12,800

he can convince people to go to her then

1846

01:40:19,209 --> 01:40:17,300

it kind of validates the one that is

1847

01:40:21,850 --> 01:40:19,219

done with Warren even more so he's not

1848

01:40:25,629 --> 01:40:21,860

you know it's all very tenuous yeah I

1849

01:40:32,379 --> 01:40:25,639

think is in British law the polygraph

1850

01:40:35,890 --> 01:40:32,389

isn't admissible because yeah I mean so

1851

01:40:40,270 --> 01:40:35,900

much stuff I said about [\h__\h] sign

1852

01:40:42,250 --> 01:40:40,280

about capital grain about Warren any of

1853

01:40:44,680 --> 01:40:42,260

these people are welcome to take me to

1854

01:40:47,439 --> 01:40:44,690

court you know of this Wonderlab or

1855

01:40:50,439 --> 01:40:47,449

whatever because but I thought you'd

1856

01:40:53,260 --> 01:40:50,449

Clement flakes into court and yeah we've

1857

01:40:57,010 --> 01:40:53,270

got any yeah no you haven't gotten my

1858

01:40:57,910 --> 01:40:57,020

ass is here say exactly Sascha you know

1859

01:41:02,680 --> 01:40:57,920

yeah

1860

01:41:05,439 --> 01:41:02,690

I think he was Warren said 2018 will be

1861

01:41:09,490 --> 01:41:05,449

the big turning point you know it's like

1862

01:41:11,290 --> 01:41:09,500

well he's still wearing his 2019 and you

1863

01:41:13,000 --> 01:41:11,300

know you might be right people I thought

1864

01:41:16,209 --> 01:41:13,010

think he's gonna turned away new running

1865

01:41:17,859 --> 01:41:16,219

that we keep saying that about second

1866

01:41:20,770 --> 01:41:17,869

meets a car like hit saying go on then

1867

01:41:22,660 --> 01:41:20,780

yeah because it's you know I want to get

1868

01:41:25,510 --> 01:41:22,670

in front of a judge I want to put this

1869

01:41:27,459 --> 01:41:25,520

in evidence in front of a judge and then

1870

01:41:29,800 --> 01:41:27,469

they say no there's been no prosecution

1871

01:41:31,270 --> 01:41:29,810

so there's no proof you know I'm like

1872

01:41:32,859 --> 01:41:31,280

Ronnie ducktail said there's pedophiles

1873

01:41:35,919 --> 01:41:32,869

running around they're not convicted

1874

01:41:37,930 --> 01:41:35,929

yeah we still pedophiles yeah you know

1875

01:41:39,970 --> 01:41:37,940

he's still a wrong one

1876

01:41:42,100 --> 01:41:39,980

and you know it's down to the Crown

1877

01:41:44,890 --> 01:41:42,110

Prosecution Service and whether they

1878

01:41:47,140 --> 01:41:44,900

think they can ambition and his instance

1879

01:41:48,130 --> 01:41:47,150

but we need to live it and somebody else

1880

01:41:52,260 --> 01:41:48,140

discovered that they bought something

1881

01:41:55,410 --> 01:41:52,270

that's you know not not genuine yeah

1882

01:41:59,229 --> 01:41:55,420

there's just no way it's a prosecutor

1883

01:42:01,510 --> 01:41:59,239

unless you get them to investigate and

1884

01:42:05,610 --> 01:42:01,520

then the discover through his bank

1885

01:42:07,479 --> 01:42:05,620

account or whatever that it has been

1886

01:42:11,830 --> 01:42:07,489

since the following through these

1887

01:42:13,330 --> 01:42:11,840

auctions so you need there's just so

1888

01:42:15,340 --> 01:42:13,340

many elements that go into an

1889

01:42:18,520 --> 01:42:15,350

investigation and that you actually need

1890

01:42:22,780 --> 01:42:18,530

to have in front of you before you can

1891

01:42:25,600 --> 01:42:22,790

actually action an investigation yeah so

1892

01:42:28,209 --> 01:42:25,610

you know it's it's their only impossible

1893

01:42:33,850 --> 01:42:28,219

he's found himself a little niche there

1894

01:42:40,090 --> 01:42:33,860

that is it seems to be untouchable you

1895

01:42:47,790 --> 01:42:40,100

know you know live lighthouse interlayer

1896

01:42:50,920 --> 01:42:47,800

yo got your weird yeah yeah you know I

1897

01:42:54,209 --> 01:42:50,930

think that you don't we you know I wake

1898

01:42:59,080 --> 01:42:54,219

up and realize I thought I'd go wider

1899

01:43:01,150 --> 01:42:59,090

you know you just recently but I didn't

1900

01:43:05,200 --> 01:43:01,160

tell you about a friend of mine you know

1901

01:43:08,350 --> 01:43:05,210

I thought he dropped on and he said I

1902

01:43:12,160 --> 01:43:08,360

can't believe how much Warren has

1903

01:43:15,820 --> 01:43:12,170

persecuted you you know she said he's an

1904

01:43:19,060 --> 01:43:15,830

evil month and it's like well Ian you

1905

01:43:21,120 --> 01:43:19,070

know he must be kind of seeking out to

1906

01:43:24,430 --> 01:43:21,130

put somebody through that kind of thing

1907

01:43:28,810 --> 01:43:24,440

or he's not a worthy in on actions which

1908

01:43:29,320 --> 01:43:28,820

use you know is you knows exactly what

1909

01:43:31,270 --> 01:43:29,330

he's doing

1910

01:43:33,010 --> 01:43:31,280

people have said that summer before I

1911

01:43:35,709 --> 01:43:33,020

said no because if it was a solid

1912

01:43:39,459 --> 01:43:35,719

delusion and he really believed it all

1913

01:43:45,189 --> 01:43:39,469

of the elements stay the same yeah you

1914

01:43:50,669 --> 01:43:47,800

but yet did try to destroy my life twice

1915

01:43:52,959 --> 01:43:50,679

over kids think of money right off me

1916

01:43:55,300 --> 01:43:52,969

disability benefits tops all about

1917

01:43:57,669 --> 01:43:55,310

saying that I was weren't you know and I

1918

01:44:00,310 --> 01:43:57,679

had to go and explain why what I do on

1919

01:44:03,700 --> 01:44:00,320

the Internet to somebody in the Job

1920

01:44:07,390 --> 01:44:03,710

Center I'm like I'm at home all the time

1921

01:44:11,020 --> 01:44:07,400

do anything I'm trying to hopefully

1922

01:44:14,320 --> 01:44:11,030

maybe engineer some sort of career in

1923

01:44:15,550 --> 01:44:14,330

radio or whatever you know I'm I'm no

1924

01:44:17,380 --> 01:44:15,560

good to an employer because they're the

1925

01:44:20,740 --> 01:44:17,390

things that I've got wrong with me but I

1926

01:44:24,970 --> 01:44:20,750

could maybe make something out of what I

1927

01:44:28,090 --> 01:44:24,980

do and that's never going to happen if

1928

01:44:29,860 --> 01:44:28,100

they keep doing this you know she said

1929

01:44:31,660 --> 01:44:29,870

well no it doesn't matter what you're

1930

01:44:35,530 --> 01:44:31,670

doing as long as you're not being paid

1931

01:44:38,080 --> 01:44:35,540

for it yeah you know and if you are then

1932

01:44:40,419 --> 01:44:38,090

you ought to tell us and you're also a

1933

01:44:46,780 --> 01:44:40,429

hundred pounds a week when you're on the

1934

01:44:50,010 --> 01:44:46,790

sa apparently no I don't know how do you

1935

01:44:53,470 --> 01:44:50,020

know I didn't work 16 hours a week I

1936

01:44:56,200 --> 01:44:53,480

don't think you could work oh so that

1937

01:44:59,880 --> 01:44:56,210

was news to me you know so I was like oh

1938

01:45:04,870 --> 01:44:59,890

and she said look it did it five times

1939

01:45:06,939 --> 01:45:04,880

for time no action no interview and when

1940

01:45:08,979 --> 01:45:06,949

they phone social services and told them

1941

01:45:11,229 --> 01:45:08,989

I was a drug addicts and abusing my

1942

01:45:13,000 --> 01:45:11,239

children and live they lived in filth I

1943

01:45:14,110 --> 01:45:13,010

just got a letter saying that had

1944

01:45:16,060 --> 01:45:14,120

happened and that they were going to

1945

01:45:18,490 --> 01:45:16,070

take no action because the knew who I

1946

01:45:19,990 --> 01:45:18,500

was because when we went bankrupt and

1947

01:45:21,490 --> 01:45:20,000

that's a move house and I just had a

1948

01:45:22,750 --> 01:45:21,500

baby and we had would go in and we had

1949

01:45:25,930 --> 01:45:22,760

Larry Libby with us

1950

01:45:27,810 --> 01:45:25,940

I went and I asked them for some help so

1951

01:45:31,660 --> 01:45:27,820

they've been involved with us and

1952

01:45:33,459 --> 01:45:31,670

scientists off you know the society we

1953

01:45:35,260 --> 01:45:33,469

just needed a bit of support going

1954

01:45:37,630 --> 01:45:35,270

through all that purrs you know it's

1955

01:45:40,209 --> 01:45:37,640

really complicated applying for benefits

1956

01:45:42,340 --> 01:45:40,219

if you get anything wrong it delays it

1957

01:45:44,650 --> 01:45:42,350

and all the rest of it so I thought I've

1958

01:45:46,810 --> 01:45:44,660

got ADHD and these farms just think that

1959

01:45:48,960 --> 01:45:46,820

might as well written in a foreign

1960

01:45:51,250 --> 01:45:48,970

language you know

1961

01:45:52,450 --> 01:45:51,260

so that's why I asked for some help but

1962

01:45:54,340 --> 01:45:52,460

that's why they were like with always

1963

01:45:55,840 --> 01:45:54,350

that true and they even knew about him

1964

01:45:58,000 --> 01:45:55,850

anyway in what you've been doing and

1965

01:46:00,040 --> 01:45:58,010

upholding but white being kicked out of

1966

01:46:02,620 --> 01:46:00,050

her house and stuff so they just didn't

1967

01:46:05,170 --> 01:46:02,630

believe him anyway but if and if I and

1968

01:46:06,280 --> 01:46:05,180

if I wasn't known to them then God knows

1969

01:46:08,380 --> 01:46:06,290

what would have happened in that

1970

01:46:10,390 --> 01:46:08,390

situation so they literally tried to

1971

01:46:14,530 --> 01:46:10,400

destroy my life yeah

1972

01:46:18,220 --> 01:46:14,540

you know certainly really that this

1973

01:46:24,970 --> 01:46:18,230

Western yeah well I say just about

1974

01:46:27,400 --> 01:46:24,980

creature doing it probably got somebody

1975

01:46:29,170 --> 01:46:27,410

else's make all the phone calls are you

1976

01:46:31,210 --> 01:46:29,180

know he never does anything himself

1977

01:46:32,740 --> 01:46:31,220

doesn't nothing ever leaves but swim

1978

01:46:34,680 --> 01:46:32,750

you always put somebody in between him

1979

01:46:36,790 --> 01:46:34,690

and whatever he's doing yeah I guess

1980

01:46:39,580 --> 01:46:36,800

memorabilia sells getting somebody

1981

01:46:41,200 --> 01:46:39,590

else's on their email account or I'll

1982

01:46:44,080 --> 01:46:41,210

pretending that it's because I'm trying

1983

01:46:47,200 --> 01:46:44,090

to ruin his established business it

1984

01:46:48,610 --> 01:46:47,210

doesn't even have but I think he's been

1985

01:46:53,650 --> 01:46:48,620

caught out with that and I think he's

1986

01:46:55,150 --> 01:46:53,660

being sued by somebody good I mean it's

1987

01:46:57,040 --> 01:46:55,160

gonna be a private that's gonna be

1988

01:46:57,760 --> 01:46:57,050

private prosecution because it's not a

1989

01:47:01,060 --> 01:46:57,770

police matter

1990

01:47:03,750 --> 01:47:01,070

yeah you know one carries that there's

1991

01:47:07,270 --> 01:47:03,760

been no conviction then there's no crime

1992

01:47:08,590 --> 01:47:07,280

yeah don't work like that he should know

1993

01:47:13,200 --> 01:47:08,600

better than anybody what the Crown

1994

01:47:17,470 --> 01:47:13,210

Prosecution Service has need exactly but

1995

01:47:20,410 --> 01:47:17,480

he himself being a copper or an ex-cop

1996

01:47:22,840 --> 01:47:20,420

NORs know these people were guilty

1997

01:47:23,920 --> 01:47:22,850

walking around it's just a maritime

1998

01:47:27,970 --> 01:47:23,930

printer catch him

1999

01:47:31,180 --> 01:47:27,980

and that's where police work it's not

2000

01:47:33,430 --> 01:47:31,190

self funding as well no funding a

2001
01:47:35,530 --> 01:47:33,440
tenuous investigation into some guy who

2002
01:47:36,850 --> 01:47:35,540
might be selling memorabilia father oh

2003
01:47:39,820 --> 01:47:36,860
you have to have it analyzed about

2004
01:47:42,670 --> 01:47:39,830
theism all the rest of it because nobody

2005
01:47:44,800 --> 01:47:42,680
not because nobody's being physically

2006
01:47:46,229 --> 01:47:44,810
hurt really is not a criminal

2007
01:47:49,770 --> 01:47:46,239
investigation

2008
01:47:55,510 --> 01:47:49,780
you know I know it goes under offing

2009
01:47:59,680 --> 01:47:55,520
well because like the way Warren is the

2010
01:48:01,149 --> 01:47:59,690
way just method you know the bullying

2011
01:48:04,350 --> 01:48:01,159
tactics

2012
01:48:08,169 --> 01:48:04,360
who actually start to cause a tort and

2013
01:48:12,030 --> 01:48:08,179

under English law a tort is a serious

2014

01:48:14,169 --> 01:48:12,040

thing but it's not something used by

2015

01:48:17,140 --> 01:48:14,179

barristers and solicitors because

2016

01:48:19,060 --> 01:48:17,150

there's no money in it for but suddenly

2017

01:48:21,250 --> 01:48:19,070

a line may you knows a little bit of our

2018

01:48:24,220 --> 01:48:21,260

a it's like well if you're on the same

2019

01:48:26,950 --> 01:48:24,230

unit court sent me liqueur of ordinary

2020

01:48:29,649 --> 01:48:26,960

schedule which is ten thousand family

2021

01:48:31,450 --> 01:48:29,659

and because she calls it me it's or I'll

2022

01:48:33,459 --> 01:48:31,460

claiming rolling off million pounding

2023

01:48:39,129 --> 01:48:33,469

liens so if you want to go out call it

2024

01:48:44,100 --> 01:48:39,139

fine and it's breaking it all down is as

2025

01:48:47,080 --> 01:48:44,110

simple as that but the law is a law you

2026

01:48:50,520 --> 01:48:47,090

know these people don't rise it well a

2027

01:48:54,640 --> 01:48:50,530

lot of people don't realize it you know

2028

01:48:57,820 --> 01:48:54,650

a lot of people I've got the bill is

2029

01:49:00,939 --> 01:48:57,830

something do I do so I don't the only

2030

01:49:02,340 --> 01:49:00,949

him nicely back or if he can't say

2031

01:49:06,790 --> 01:49:02,350

nothing

2032

01:49:10,600 --> 01:49:06,800

you know I said Bill of Rights 1668 the

2033

01:49:15,729 --> 01:49:10,610

bailiffs or anybody appointed cannot say

2034

01:49:18,610 --> 01:49:15,739

goods or mushy other conviction so you

2035

01:49:21,520 --> 01:49:18,620

know people who they're like suffering

2036

01:49:24,070 --> 01:49:21,530

with it council tax you know who have

2037

01:49:26,770 --> 01:49:24,080

been trying by barracks and that all it

2038

01:49:30,450 --> 01:49:26,780

is is bullying by a criminal

2039

01:49:33,550 --> 01:49:30,460
organization which pretends to be

2040

01:49:36,160 --> 01:49:33,560
legitimate yeah

2041

01:49:39,280 --> 01:49:36,170
so it's unlawful and there's a

2042

01:49:41,290 --> 01:49:39,290
difference between what went illegal so

2043

01:49:43,899 --> 01:49:41,300
toughs how one has been getting away

2044

01:49:45,870 --> 01:49:43,909
weeks off for the police don't really

2045

01:49:49,050 --> 01:49:45,880
want any involved because civil matter

2046

01:49:56,140 --> 01:49:49,060
there are laws in place to protect you

2047

01:49:58,600 --> 01:49:56,150
you know from promised but if I want to

2048

01:50:01,270 --> 01:49:58,610
do anything about what has happened to

2049

01:50:05,429 --> 01:50:01,280
me I have to do it privately as a

2050

01:50:10,649 --> 01:50:08,879
it's just insane yeah so these people

2051
01:50:12,089 --> 01:50:10,659
could just go running around breaking

2052
01:50:15,000 --> 01:50:12,099
the law shout in the mouth off

2053
01:50:18,049 --> 01:50:15,010
threatening lives you know being the

2054
01:50:23,189 --> 01:50:18,059
worst kind of person ever and it's just

2055
01:50:26,219 --> 01:50:23,199
behind a lot of it goes back to cyclin

2056
01:50:29,370 --> 01:50:26,229
times he started what was called Han

2057
01:50:30,479 --> 01:50:29,380
Geng and if they're a dispute between

2058
01:50:33,359 --> 01:50:30,489
two people

2059
01:50:35,969 --> 01:50:33,369
he called whole gang with a getting a

2060
01:50:40,649 --> 01:50:35,979
square you know much like a boxing ring

2061
01:50:43,649 --> 01:50:40,659
and he fight to the death and you know

2062
01:50:45,509 --> 01:50:43,659
became is God's will if he's telling the

2063
01:50:46,040 --> 01:50:45,519

truth gonna let you live so you fight to

2064

01:50:49,310 --> 01:50:46,050

the death

2065

01:50:52,379 --> 01:50:49,320

so the modern-day arena is the course

2066

01:50:56,219 --> 01:50:52,389

you know fight then you knew a child

2067

01:50:59,040 --> 01:50:56,229

child by fighting now it's you trial in

2068

01:50:59,750 --> 01:50:59,050

court so he said essentially that's what

2069

01:51:03,299 --> 01:50:59,760

you're doing

2070

01:51:06,359 --> 01:51:03,309

so al ghad' is a third party which is

2071

01:51:08,429 --> 01:51:06,369

the police and CPS they decide whether

2072

01:51:11,129 --> 01:51:08,439

he's a criminal or a civil mother

2073

01:51:16,709 --> 01:51:11,139

he still bounced you to go into that

2074

01:51:20,909 --> 01:51:16,719

arena and I you know trial be civil or

2075

01:51:29,540 --> 01:51:20,919

criminal you know civil courts are well

2076

01:51:33,479 --> 01:51:29,550

interesting because the laws of war yeah

2077

01:51:36,330 --> 01:51:33,489

it's some of the laws around it and

2078

01:51:38,089 --> 01:51:36,340

there are laws there that they can they

2079

01:51:41,909 --> 01:51:38,099

could have used for what was going on

2080

01:51:47,419 --> 01:51:41,919

but then turned down to fund in Iraq

2081

01:51:51,709 --> 01:51:47,429

yeah fight finally as old and the police

2082

01:51:56,189 --> 01:51:51,719

won't act unless the CPF souls and so

2083

01:51:58,169 --> 01:51:56,199

now a CPS again it's the funding if the

2084

01:51:59,899 --> 01:51:58,179

CPS think they'll lose the cash they

2085

01:52:03,479 --> 01:51:59,909

won't take you on board

2086

01:52:08,549 --> 01:52:03,489

yeah honestly it's not a strong enough

2087

01:52:11,279 --> 01:52:08,559

case yeah well I mean it's a strong

2088

01:52:14,040 --> 01:52:11,289

enough evidence but at the end of the

2089

01:52:17,850 --> 01:52:14,050

day you need the actual

2090

01:52:21,479 --> 01:52:17,860

evidence yeah and that you know it's

2091

01:52:25,589 --> 01:52:21,489

just not gonna be possible in this way

2092

01:52:28,410 --> 01:52:25,599

unless I can prove fraud feet so a

2093

01:52:31,280 --> 01:52:28,420

police officer the other week it was a

2094

01:52:35,129 --> 01:52:31,290

Chief Inspector and counterterrorism

2095

01:52:36,899 --> 01:52:35,139

officer and he said it's fraud you need

2096

01:52:39,479 --> 01:52:36,909

to leave out all the stuff about the

2097

01:52:42,000 --> 01:52:39,489

personal attacks and make it about fraud

2098

01:52:45,569 --> 01:52:42,010

and the actions and then if you get

2099

01:52:49,129 --> 01:52:45,579

their interest and you make a good ok so

2100

01:52:55,890 --> 01:52:51,390

you know the good prosecuted for fraud

2101
01:52:59,879 --> 01:52:55,900
am an attack on all of the attacks and

2102
01:53:02,609 --> 01:52:59,889
all the rest of it at the end so you

2103
01:53:05,189 --> 01:53:02,619
know the could be away but it's

2104
01:53:07,020 --> 01:53:05,199
Constanza Fonda and so it's just and the

2105
01:53:11,189 --> 01:53:07,030
fact that is an American citizen living

2106
01:53:13,500 --> 01:53:11,199
in this country but it's just a mess to

2107
01:53:15,569 --> 01:53:13,510
get involved in anything like that so

2108
01:53:22,020 --> 01:53:15,579
you know you can just do whatever he

2109
01:53:26,359 --> 01:53:22,030
wants and he does yeah next day you know

2110
01:53:29,879 --> 01:53:26,369
watch you you know visit or breezeways

2111
01:53:35,399 --> 01:53:29,889
yeah you know anyways off that lightly

2112
01:53:40,169 --> 01:53:35,409
as well flashy patches on YouTube

2113
01:53:42,600 --> 01:53:40,179

and they're not legitimate and that was

2114

01:53:46,379 --> 01:53:42,610

actively a David Young went into a good

2115

01:53:50,250 --> 01:53:46,389

though yeah he did the language thing

2116

01:53:51,629 --> 01:53:50,260

that I did he know and he said the only

2117

01:53:59,600 --> 01:53:51,639

reason that he wasn't at that party

2118

01:54:03,120 --> 01:53:59,610

because he was out a sound you know we

2119

01:54:08,549 --> 01:54:03,130

yeah we didn't even talk about any of

2120

01:54:13,410 --> 01:54:08,559

this yeah definitely

2121

01:54:14,970 --> 01:54:13,420

no worries all all energy and Wing Chun

2122

01:54:22,760 --> 01:54:14,980

and Chi and all that kind of and

2123

01:54:33,080 --> 01:54:27,400

yeah Jesus you're promoting a future

2124

01:54:35,660 --> 01:54:33,090

yeah yeah you're speaking at a big

2125

01:54:39,620 --> 01:54:35,670

conference in March only what date can

2126
01:54:41,930 --> 01:54:39,630
you remember I can't I think it might be

2127
01:54:43,700 --> 01:54:41,940
nine I'm not sure about that though

2128
01:54:46,460 --> 01:54:43,710
people checked but if you want to see

2129
01:54:51,800 --> 01:54:46,470
Frank in action it'll be at lism

2130
01:54:54,860 --> 01:54:51,810
suntan's YMCA at the felix probe

2131
01:54:57,770 --> 01:54:54,870
international cannot the International

2132
01:55:01,360 --> 01:54:57,780
Phoenix probe and I'll be there as well

2133
01:55:05,570 --> 01:55:01,370
so we'll have a chat with me if you

2134
01:55:08,060 --> 01:55:05,580
anybody feels like it so well that's

2135
01:55:12,100 --> 01:55:08,070
another show for this just they all just

2136
01:55:15,980 --> 01:55:12,110
go so quickly I can't believe it yeah

2137
01:55:18,020 --> 01:55:15,990
talk for it I can talk for days so well

2138
01:55:22,670 --> 01:55:18,030

I'll see you all next week there another

2139

01:55:24,830 --> 01:55:22,680

guest star another drama who knows so
