

1
00:00:03,949 --> 00:00:01,189

it's just a little looked at from

2
00:00:06,639 --> 00:00:03,959

yesterday if you're interested I did get

3
00:00:09,290 --> 00:00:06,649

a response from miles on a message Tim

4
00:00:10,850 --> 00:00:09,300

well actually what happened was I logged

5
00:00:12,799 --> 00:00:10,860

on to my other Facebook account Sasha

6
00:00:15,049 --> 00:00:12,809

Claire Christie and saw that I had a

7
00:00:18,980 --> 00:00:15,059

friend request of him so I accepted it

8
00:00:22,670 --> 00:00:18,990

and I posted by blog on this page the

9
00:00:26,929 --> 00:00:22,680

first message she sent me was it said 5g

10
00:00:28,339 --> 00:00:26,939

extinction events like what what does

11
00:00:30,349 --> 00:00:28,349

that got to do with anything what does

12
00:00:32,810 --> 00:00:30,359

that got to do with the fact that he's

13
00:00:34,220 --> 00:00:32,820

put out an 8 year old video about what I

14

00:00:37,250 --> 00:00:34,230

think about Rendlesham when I don't

15

00:00:40,190 --> 00:00:37,260

think that anymore so I said that to him

16

00:00:41,959 --> 00:00:40,200

and he's not even ready

17

00:00:45,470 --> 00:00:41,969

he's not even ready this is what he said

18

00:00:48,260 --> 00:00:45,480

to me right he says I will reach our

19

00:00:50,420 --> 00:00:48,270

challenge when I get back from Island my

20

00:00:52,430 --> 00:00:50,430

hometown as well cannot and a hundred

21

00:00:57,650 --> 00:00:52,440

plus people an hour where and so I'm

22

00:01:00,349 --> 00:00:57,660

assuming that's about 5g like but this

23

00:01:02,990 --> 00:01:00,359

is the interesting bit and it's actually

24

00:01:04,969 --> 00:01:03,000

probably quite sinister might be

25

00:01:07,280 --> 00:01:04,979

sinister God knows who knows what's

26

00:01:09,410 --> 00:01:07,290

going on in his head if you want to

27

00:01:13,190 --> 00:01:09,420

start I hate attack go ahead I don't

28

00:01:16,399 --> 00:01:13,200

give a damn Marie died in pain Marie

29

00:01:19,700 --> 00:01:16,409

Kylie was saying that she's dead so I

30

00:01:22,749 --> 00:01:19,710

don't know why me issuing him a

31

00:01:28,190 --> 00:01:22,759

challenge to re-interview me has to

32

00:01:31,010 --> 00:01:28,200

bring up this she's dead so I don't give

33

00:01:33,140 --> 00:01:31,020

a damn Marie died in pain she turned on

34

00:01:35,270 --> 00:01:33,150

everyone who helped her making their

35

00:01:37,520 --> 00:01:35,280

lives a nightmare if you are to do the

36

00:01:40,880 --> 00:01:37,530

same go ahead I don't give a bloody damn

37

00:01:43,490 --> 00:01:40,890

we are an invaded world so which side

38

00:01:44,090 --> 00:01:43,500

are you on enemy our friend make your

39

00:01:47,780 --> 00:01:44,100

choice

40

00:01:50,630 --> 00:01:47,790

so what you say in rails if I stand up

41

00:01:52,789 --> 00:01:50,640

to you put in our old information that

42

00:01:55,039 --> 00:01:52,799

is no longer relevant I'm going to die

43

00:01:57,789 --> 00:01:55,049

like Marie and you're actually saying

44

00:02:03,580 --> 00:01:57,799

marine hey Ally is dead

45

00:02:06,440 --> 00:02:03,590

it's like you like the Grim Reaper miles

46

00:02:08,180 --> 00:02:06,450

how do people find out about the deaths

47

00:02:11,029 --> 00:02:08,190

of loved ones to find out because you

48

00:02:12,830 --> 00:02:11,039

can't keep your mouth shut so you don't

49

00:02:15,440 --> 00:02:12,840

even know from these dead are not

50

00:02:20,930 --> 00:02:15,450

just saying it what is that about a why

51
00:02:22,490 --> 00:02:20,940
would me challenging you to be regards

52
00:02:24,740 --> 00:02:22,500
what I actually think now about

53
00:02:26,660 --> 00:02:24,750
Rendlesham bring up thoughts of Marie

54
00:02:29,420 --> 00:02:26,670
died in and you threatening me

55
00:02:32,390 --> 00:02:29,430
if I start I hate campaign it's not a

56
00:02:33,949 --> 00:02:32,400
hate campaign you're putting out

57
00:02:36,500 --> 00:02:33,959
information that is no longer valid and

58
00:02:38,539 --> 00:02:36,510
you know it and you shit-stirring

59
00:02:40,820 --> 00:02:38,549
this that's all you've got that's all

60
00:02:43,190 --> 00:02:40,830
you've got stirring everyone turns

61
00:02:45,229 --> 00:02:43,200
against you and you blame them all the
