

1
00:00:06,860 --> 00:00:04,849
hello and welcome to paranormal

2
00:00:09,070 --> 00:00:06,870
mysteries here on access Northwest

3
00:00:11,690 --> 00:00:09,080
community radio here in lovely Liverpool

4
00:00:16,640 --> 00:00:11,700
tonight I've got very very interesting

5
00:00:18,470 --> 00:00:16,650
guests on match the 25 1967 Captain

6
00:00:21,349 --> 00:00:18,480
Robert Salas was on duty

7
00:00:23,599 --> 00:00:21,359
60 feet on the ground at the ICB launch

8
00:00:25,880 --> 00:00:23,609
control facility and maelstrom Air Force

9
00:00:28,939 --> 00:00:25,890
Base when the missile started to go

10
00:00:31,640 --> 00:00:28,949
offline Bob has been a member of the

11
00:00:35,479 --> 00:00:31,650
experience and UFO communities with his

12
00:00:38,630 --> 00:00:35,489
wife Marilyn for many years in 1985 he

13
00:00:41,450 --> 00:00:38,640

had an experience that I'm hoping that

14

00:00:43,520 --> 00:00:41,460

we might be able to talk about but Bob

15

00:00:45,260 --> 00:00:43,530

having been captain and the man with his

16

00:00:47,119 --> 00:00:45,270

finger on the button so to speak he's

17

00:00:49,160 --> 00:00:47,129

not prone to flights of fancy and so I

18

00:00:52,069 --> 00:00:49,170

consider him to be a very important

19

00:01:01,549 --> 00:00:52,079

experience ER and witness so welcome to

20

00:01:15,310 --> 00:01:01,559

the show Bob it's been a little while

21

00:01:19,960 --> 00:01:15,320

since we had the conversation volume up

22

00:01:37,999 --> 00:01:26,590

not really should I call your Skype then

23

00:01:43,760 --> 00:01:38,009

check all your Skype yeah job it's a

24

00:02:04,790 --> 00:01:43,770

calling you back on skype then oh we

25

00:02:23,449 --> 00:02:07,650

is there any better I don't know can you

26

00:02:39,780 --> 00:02:34,830

okay oh if I will be able to hear myself

27

00:02:47,690 --> 00:02:39,790

talking can you hear me okay I can hear

28

00:02:57,300 --> 00:02:55,199

we're good we're good hello welcome to

29

00:02:59,610 --> 00:02:57,310

paranormal mysteries here on access

30

00:03:02,729 --> 00:02:59,620

Northwest community radio here in lovely

31

00:03:04,320 --> 00:03:02,739

Liverpool tonight my guest is a special

32

00:03:07,770 --> 00:03:04,330

friend I've known him quite a while now

33

00:03:09,630 --> 00:03:07,780

I met him in 2010 personally when we

34

00:03:14,039 --> 00:03:09,640

were speaking at the conference in

35

00:03:17,580 --> 00:03:14,049

Suffolk in 2012 so his story is that on

36

00:03:20,100 --> 00:03:17,590

the March 25 1967 Captain Robert Salas

37

00:03:22,830 --> 00:03:20,110

was on duty 60 feet underground at the

38

00:03:25,560 --> 00:03:22,840

ICB launch control facility on monstrem

39

00:03:28,680 --> 00:03:25,570

s US Air Force Base when the missile

40

00:03:30,390 --> 00:03:28,690

started to go offline bob has been a

41

00:03:32,370 --> 00:03:30,400

member of the experience in UFO

42

00:03:35,580 --> 00:03:32,380

communities with his mouth with his wife

43

00:03:37,530 --> 00:03:35,590

Marilyn for many years and has had some

44

00:03:39,720 --> 00:03:37,540

unusual experiences himself which I'm

45

00:03:43,440 --> 00:03:39,730

hoping that we maybe we'll talk about

46

00:03:44,759 --> 00:03:43,450

later with Bob having been the man with

47

00:03:46,800 --> 00:03:44,769

the finger on the button so to speak

48

00:03:49,199 --> 00:03:46,810

he's definitely not prone to flights of

49

00:03:53,220 --> 00:03:49,209

fancy and so I consider him to be one

50

00:03:53,699 --> 00:03:53,230

very important experience and witness hi

51

00:03:57,780 --> 00:03:53,709

Bob

52

00:04:01,470 --> 00:03:57,790

welcome to the show thank you really

53

00:04:07,800 --> 00:04:01,480

pleasure to be with you and to speak

54

00:04:09,460 --> 00:04:07,810

with you again a long time maybe about

55

00:04:10,510 --> 00:04:09,470

four years ago yeah

56

00:04:14,500 --> 00:04:10,520

a long time since we've had a

57

00:04:16,509 --> 00:04:14,510

conversation a lot has happened since

58

00:04:19,539 --> 00:04:16,519

then kids I think a lot of what we were

59

00:04:21,370 --> 00:04:19,549

talking about there's still things that

60

00:04:25,690 --> 00:04:21,380

are still going on now a different

61

00:04:29,110 --> 00:04:25,700

situation with the you know armed with

62

00:04:30,790 --> 00:04:29,120

nuclear weapons country situation we

63

00:04:33,400 --> 00:04:30,800

talked about that before haven't worried

64

00:04:37,480 --> 00:04:33,410

about you know nuclear disarmament and

65

00:04:40,360 --> 00:04:37,490

how dangerous things are but you

66

00:04:44,200 --> 00:04:40,370

actually had a really incredible event

67

00:04:45,940 --> 00:04:44,210

in 1967 and the chronology of events of

68

00:04:49,180 --> 00:04:45,950

that actually coming out is a really

69

00:04:51,480 --> 00:04:49,190

interesting story so I thought if we

70

00:04:57,550 --> 00:04:51,490

could go back to kind of the beginning

71

00:05:01,600 --> 00:04:57,560

of everything and go from there so you

72

00:05:02,400 --> 00:05:01,610

know what happened that night yes of

73

00:05:08,260 --> 00:05:02,410

course

74

00:05:10,030 --> 00:05:08,270

I'll tell the story again supermind

75

00:05:12,210 --> 00:05:10,040

listen there's a local so they probably

76

00:05:18,400 --> 00:05:12,220

haven't heard before

77

00:05:23,350 --> 00:05:18,410

yeah I know no worries in 1967 I was in

78

00:05:29,560 --> 00:05:23,360

the US Air Force as a missile launch

79

00:05:34,870 --> 00:05:29,570

officer which means that my main duty

80

00:05:38,800 --> 00:05:34,880

was to go on alert status I mean about

81

00:05:43,570 --> 00:05:38,810

every three days and two of us would be

82

00:05:46,930 --> 00:05:43,580

a team and we'd go out to this what we

83

00:05:52,150 --> 00:05:46,940

called the launch control center and I

84

00:05:57,790 --> 00:05:52,160

was on this occasion at Oscar flight we

85

00:06:03,159 --> 00:05:57,800

had about C we had about 15 launch

86

00:06:04,930 --> 00:06:03,169

control centers around the mountain base

87

00:06:07,510 --> 00:06:04,940

controlled by the Malmstrom Air Force

88

00:06:15,550 --> 00:06:07,520

Base and that's in the center of Montana

89
00:06:19,630 --> 00:06:15,560
and so on this day my commander was Fred

90
00:06:23,439 --> 00:06:19,640
my Walt and myself and he was taking a

91
00:06:26,159 --> 00:06:23,449
rest break by the way it's capsule

92
00:06:29,830 --> 00:06:26,169
was underground about 60 feet it's a

93
00:06:32,200 --> 00:06:29,840
hardened site but we call a hardened

94
00:06:36,339 --> 00:06:32,210
site in that it was supposed to

95
00:06:41,350 --> 00:06:36,349
withstand an input a blast we had about

96
00:06:47,679 --> 00:06:41,360
six guards upstairs who were responsible

97
00:06:49,420 --> 00:06:47,689
for security the facility so my

98
00:06:55,269 --> 00:06:49,430
commander was taking a rest break I was

99
00:06:59,339 --> 00:06:55,279
in charge of the facility and I get a

100
00:07:07,329 --> 00:07:03,189
sometime in the evening hours I don't

101
00:07:11,140 --> 00:07:07,339
know exactly what time and he says the

102
00:07:15,159 --> 00:07:12,969
he didn't think they were airplanes

103
00:07:18,010 --> 00:07:15,169
because they were going so fast they

104
00:07:19,839 --> 00:07:18,020
were making maneuvers the airplane

105
00:07:22,089 --> 00:07:19,849
simply can't do in other words stopping

106
00:07:27,219 --> 00:07:22,099
in midair reversing course immediately

107
00:07:31,589 --> 00:07:27,229
and and making 90-degree turns there was

108
00:07:37,510 --> 00:07:31,599
no engine noise there were simply lights

109
00:07:40,800 --> 00:07:37,520
flying above the facility well I even

110
00:07:45,670 --> 00:07:40,810
said what do you mean like UFOs because

111
00:07:49,600 --> 00:07:45,680
we had had we had reports in the local

112
00:07:51,579 --> 00:07:49,610
area the newspaper reports in the Great

113
00:07:57,999 --> 00:07:51,589

Falls area

114

00:08:00,579 --> 00:07:58,009

for a few days a week to people mm you

115

00:08:04,110 --> 00:08:00,589

know ordinary people farmers and other

116

00:08:07,959 --> 00:08:04,120

people seeing lights in the sky and so

117

00:08:11,439 --> 00:08:07,969

they had recorded to the newspapers so

118

00:08:14,199 --> 00:08:11,449

we don't read about that but that's the

119

00:08:16,989 --> 00:08:14,209

kind of thing in kind of you know

120

00:08:19,449 --> 00:08:16,999

discounting said oh that's interesting

121

00:08:22,659 --> 00:08:19,459

one ball that's basically what I did I

122

00:08:26,649 --> 00:08:22,669

told well that's interesting but you

123

00:08:30,309 --> 00:08:26,659

know call me back when you say anything

124

00:08:32,920 --> 00:08:30,319

more and so I hung up on him and I went

125

00:08:34,900 --> 00:08:32,930

back to my book firstly while I was

126

00:08:39,520 --> 00:08:34,910

doing down there reading her

127

00:08:41,020 --> 00:08:39,530

studying and then he calls back about

128

00:08:44,200 --> 00:08:41,030

five minutes later this time he's

129

00:08:46,720 --> 00:08:44,210

screaming into the phone he's frightened

130

00:08:51,010 --> 00:08:46,730

and I can tell by his voice that he's

131

00:08:53,560 --> 00:08:51,020

very frightened knowing that he's got

132

00:08:58,090 --> 00:08:53,570

all his guards up and they're looking

133

00:09:02,230 --> 00:08:58,100

above the fence the gate front gate and

134

00:09:07,440 --> 00:09:02,240

they see this red orange pulsating light

135

00:09:15,370 --> 00:09:12,700

kind of shocked at this but he was so

136

00:09:22,570 --> 00:09:15,380

frightened he what he wanted me to tell

137

00:09:26,620 --> 00:09:22,580

him what to do next I was more less

138

00:09:27,820 --> 00:09:26,630

stunned I you know I thought of course

139

00:09:30,640 --> 00:09:27,830

and thought I couldn't either we were

140

00:09:35,160 --> 00:09:30,650

under some sort of attack by some

141

00:09:37,420 --> 00:09:35,170

somebody or something I told him simply

142

00:09:42,040 --> 00:09:37,430

protect the perimeter I don't let

143

00:09:43,900 --> 00:09:42,050

anything inside the fenced area and then

144

00:09:47,260 --> 00:09:43,910

he hung up said one of his cards got

145

00:09:50,440 --> 00:09:47,270

injured hung up the phone I went over to

146

00:09:54,190 --> 00:09:50,450

wake up my commander was taking a little

147

00:09:56,140 --> 00:09:54,200

rest and then all of a sudden we get

148

00:09:59,770 --> 00:09:56,150

bells and whistles going off inside the

149

00:10:04,390 --> 00:09:59,780

capsule you look over at our status

150

00:10:07,090 --> 00:10:04,400

board and all the missiles are going red

151
00:10:10,900 --> 00:10:07,100
instead of green green meaning of course

152
00:10:15,340 --> 00:10:10,910
if they're ready in the launch and red

153
00:10:19,660 --> 00:10:15,350
meaning they're unable to launch no-go

154
00:10:22,900 --> 00:10:19,670
so within the span of a few seconds all

155
00:10:29,890 --> 00:10:22,910
our missiles shut down now this is not

156
00:10:34,270 --> 00:10:29,900
supposed to happen those are independent

157
00:10:36,640 --> 00:10:34,280
in other words we had cabling systems

158
00:10:39,810 --> 00:10:36,650
and control systems that we're going to

159
00:10:42,280 --> 00:10:39,820
each missile independently they're not

160
00:10:45,520 --> 00:10:42,290
you know one shutdown does mean what

161
00:10:47,920 --> 00:10:45,530
effect in the others in the three years

162
00:10:54,430 --> 00:10:47,930
I was there that never

163
00:10:58,470 --> 00:10:54,440

so we were shocked we reported that we

164

00:11:00,880 --> 00:10:58,480

also had some to the sites had

165

00:11:03,960 --> 00:11:00,890

encouraging lights which means the

166

00:11:07,030 --> 00:11:03,970

possibility of something or someone in

167

00:11:08,530 --> 00:11:07,040

intruding into two of the launch

168

00:11:11,470 --> 00:11:08,540

facilities that's where the missiles

169

00:11:14,500 --> 00:11:11,480

were actually located about a mile or so

170

00:11:19,150 --> 00:11:14,510

in a ring a general ring around this

171

00:11:21,550 --> 00:11:19,160

launch control center so while my

172

00:11:25,540 --> 00:11:21,560

commander called the command post to

173

00:11:29,520 --> 00:11:25,550

report this incident I called upstairs

174

00:11:33,700 --> 00:11:29,530

and ordered guards out to those two

175

00:11:37,030 --> 00:11:33,710

facilities and asked about the UFO and

176

00:11:41,530 --> 00:11:37,040

then I said it was gone and had gone

177

00:11:48,270 --> 00:11:41,540

away but when the guards got out there

178

00:11:52,540 --> 00:11:50,680

and then my commander turns to me and

179

00:11:54,640 --> 00:11:52,550

says you know the same thing happened at

180

00:11:58,150 --> 00:11:54,650

another flight I just heard from command

181

00:12:01,450 --> 00:11:58,160

post and that's all he said so I assumed

182

00:12:05,890 --> 00:12:01,460

it was that evening but when I was

183

00:12:07,990 --> 00:12:05,900

researching this later on it was eight

184

00:12:11,260 --> 00:12:08,000

days earlier than that was called Echo

185

00:12:14,530 --> 00:12:11,270

flight and the same thing had happened

186

00:12:18,010 --> 00:12:14,540

there about eight days earlier never

187

00:12:20,890 --> 00:12:18,020

reported to us the crews which we

188

00:12:23,079 --> 00:12:20,900

usually got very extensive reports the

189

00:12:26,920 --> 00:12:23,089

briefings every day every day we went

190

00:12:28,770 --> 00:12:26,930

out all hurt but in this case we had

191

00:12:39,070 --> 00:12:28,780

never heard of the echo flight incident

192

00:12:40,030 --> 00:12:39,080

until I researched and after that I'll

193

00:12:40,990 --> 00:12:40,040

tell you a little bit more about the

194

00:12:46,060 --> 00:12:41,000

echo flight

195

00:12:48,550 --> 00:12:46,070

basically the there were two maintenance

196

00:12:54,100 --> 00:12:48,560

teams out there

197

00:12:57,370 --> 00:12:54,110

in command was Walter Fiegel who by the

198

00:13:00,880 --> 00:12:57,380

way has come forward and he's publicly

199

00:13:04,210 --> 00:13:00,890

admitted the incident

200

00:13:06,720 --> 00:13:04,220

in addition to my commander Ford my Wang

201
00:13:13,680 --> 00:13:06,730
who is deceased now but I've got him on

202
00:13:16,180 --> 00:13:13,690
audio confirming it but I don't like

203
00:13:19,900 --> 00:13:16,190
they had main screws in stayed over

204
00:13:27,670 --> 00:13:19,910
tonight and and then early in the

205
00:13:29,500 --> 00:13:27,680
morning well March 16 1967 one of the

206
00:13:32,710 --> 00:13:29,510
missiles went down he called out there

207
00:13:34,720 --> 00:13:32,720
and complained because they weren't

208
00:13:37,270 --> 00:13:34,730
supposed to do anything until he gave me

209
00:13:42,190 --> 00:13:37,280
okay and they said we didn't do anything

210
00:13:45,120 --> 00:13:42,200
a UFO just above us and and then all

211
00:13:48,730 --> 00:13:45,130
kind of things missiles went down so

212
00:14:00,220 --> 00:13:48,740
within the span of eight days we

213
00:14:02,260 --> 00:14:00,230

launched 20 nuclear missiles - but these

214

00:14:13,780 --> 00:14:02,270

things are not of Defense significance

215

00:14:16,360 --> 00:14:13,790

apparently in 1969 as you know the

216

00:14:22,570 --> 00:14:16,370

course the US Air Force came out with a

217

00:14:25,060 --> 00:14:22,580

statement saying you know after review

218

00:14:28,590 --> 00:14:25,070

and the scientific so-called scientific

219

00:14:32,200 --> 00:14:28,600

study called the Condon investigation

220

00:14:34,690 --> 00:14:32,210

they determined they determined that no

221

00:14:37,660 --> 00:14:34,700

UFO incident has affected national

222

00:14:40,930 --> 00:14:37,670

security well that's just a lie and

223

00:14:45,010 --> 00:14:40,940

that's what I've been talking about from

224

00:14:47,620 --> 00:14:45,020

these twenty years or so there there is

225

00:14:49,180 --> 00:14:47,630

an ongoing cover-up and it's it's not

226

00:14:55,180 --> 00:14:49,190

just in the US but I think it's

227

00:14:59,970 --> 00:14:55,190

worldwide you know I know the the mo D

228

00:15:06,360 --> 00:14:59,980

in your country has claimed released

229

00:15:18,240 --> 00:15:15,770

they may had not released although I

230

00:15:21,780 --> 00:15:18,250

mean it's quite interesting what's

231

00:15:25,190 --> 00:15:21,790

happening at the moment with the after

232

00:15:32,760 --> 00:15:25,200

you know the unidentified series the

233

00:15:35,340 --> 00:15:32,770

revelations of the nimitz UFOs unmoor a

234

00:15:40,800 --> 00:15:35,350

more recently as well in 2015 with the

235

00:15:43,830 --> 00:15:40,810

girl fast and the flare one and Gimbel

236

00:15:57,030 --> 00:15:43,840

is the other one i think there's radar

237

00:16:00,120 --> 00:15:57,040

I'm not really it's interesting I think

238

00:16:04,590 --> 00:16:00,130

that's a step forward really the fact

239

00:16:08,880 --> 00:16:04,600

that the Navy released those videos now

240

00:16:12,990 --> 00:16:08,890

since then we've heard very little from

241

00:16:16,200 --> 00:16:13,000

the US Navy the why we have in the

242

00:16:19,950 --> 00:16:16,210

public supposedly they have given

243

00:16:23,610 --> 00:16:19,960

briefings to some congressmen some

244

00:16:29,600 --> 00:16:23,620

senators in government secretly things

245

00:16:32,880 --> 00:16:29,610

of course but here again the question is

246

00:16:37,980 --> 00:16:32,890

how much do they do they really feel

247

00:16:41,130 --> 00:16:37,990

about what they think they have admitted

248

00:16:44,160 --> 00:16:41,140

that they issued new instructions to

249

00:16:49,260 --> 00:16:44,170

pilots on how to report these what they

250

00:16:55,650 --> 00:16:49,270

call unidentified aerial phenomenon new

251

00:16:59,670 --> 00:16:55,660

AP so that's that's a positive step I

252

00:17:02,790 --> 00:16:59,680

see it but it's a very small step well

253

00:17:06,470 --> 00:17:02,800

we'll see how far it goes what we have

254

00:17:09,120 --> 00:17:06,480

seen their reports from one or two

255

00:17:12,530 --> 00:17:09,130

congressmen or senators saying they want

256

00:17:20,039 --> 00:17:17,250

so I well we could start off from the

257

00:17:23,189 --> 00:17:20,049

show here with an announcement I will

258

00:17:29,190 --> 00:17:23,199

running for Congress to try to win a

259

00:17:35,039 --> 00:17:29,200

seat in government yeah that's a good

260

00:17:37,970 --> 00:17:35,049

that's a good thing yeah yeah because I

261

00:17:43,289 --> 00:17:37,980

certainly want to bring this subject

262

00:17:46,830 --> 00:17:43,299

front center yeah by being a part of the

263

00:17:48,869 --> 00:17:46,840

government so that's my objective I

264

00:17:51,119 --> 00:17:48,879

don't know if I'll succeed but I'm gonna

265

00:17:53,190 --> 00:17:51,129

give it a try and what might want

266

00:17:55,609 --> 00:17:53,200

motivated you to take a step in that

267

00:18:09,119 --> 00:18:05,249

well frustration for one thing 25 years

268

00:18:10,200 --> 00:18:09,129

will motivate you know but so that's

269

00:18:15,289 --> 00:18:10,210

part of it

270

00:18:18,509 --> 00:18:15,299

and I see also the there's so much

271

00:18:23,789 --> 00:18:18,519

critical things I think facing us in the

272

00:18:25,769 --> 00:18:23,799

world today global warming the

273

00:18:28,619 --> 00:18:25,779

integration problems so they have a

274

00:18:31,799 --> 00:18:28,629

world world class right now that's going

275

00:18:33,659 --> 00:18:31,809

to get worse because of droughts and

276

00:18:37,139 --> 00:18:33,669

food shortages

277

00:18:43,529 --> 00:18:37,149

you name it so there's a lot of things

278

00:18:45,379 --> 00:18:43,539

facing us as civilization that need

279

00:18:49,289 --> 00:18:45,389

attention immediate attention we're not

280

00:18:50,970 --> 00:18:49,299

we're not getting much satisfaction from

281

00:18:53,369 --> 00:18:50,980

our governments and the government's

282

00:18:57,149 --> 00:18:53,379

seem to be and I'm talking about buying

283

00:19:01,919 --> 00:18:57,159

of course seem to be getting a more more

284

00:19:04,799 --> 00:19:01,929

secretive holding back and not being

285

00:19:07,289 --> 00:19:04,809

empathetic to the these worldwide

286

00:19:10,669 --> 00:19:07,299

problems so that is also more than

287

00:19:15,090 --> 00:19:10,679

anything and of course the UFO

288

00:19:18,899 --> 00:19:15,100

phenomenon itself is attached or

289

00:19:22,739 --> 00:19:18,909

associated with some of those issues

290

00:19:26,749 --> 00:19:22,749

like nuclear weapons for example that

291

00:19:30,889 --> 00:19:26,759

you mentioned that's a serious serious

292

00:19:33,520 --> 00:19:30,899

situation that we were facing today and

293

00:19:38,490 --> 00:19:33,530

extreme secrecy in government

294

00:19:49,300 --> 00:19:38,500

the other major issue I'm inspired by

295

00:19:51,580 --> 00:19:49,310

fighting for so yeah well you know we

296

00:19:54,300 --> 00:19:51,590

keep having these congressional type

297

00:19:58,600 --> 00:19:54,310

hearings don't win I think to have

298

00:20:02,190 --> 00:19:58,610

somebody who's actually I mean affected

299

00:20:06,160 --> 00:20:02,200

by the issue you know it's important

300

00:20:08,350 --> 00:20:06,170

it's it's like having there's you know a

301

00:20:11,140 --> 00:20:08,360

social worker who's had problems in

302

00:20:15,360 --> 00:20:11,150

childhood you know I mean they've been

303

00:20:23,620 --> 00:20:15,370

there they know what it's like therefore

304

00:20:27,850 --> 00:20:23,630

make the most impact so but I mean when

305

00:20:29,740 --> 00:20:27,860

you first started talking about this it

306

00:20:33,250 --> 00:20:29,750

was kind of by accident wasn't it

307

00:20:36,340 --> 00:20:33,260

because you were you'd read something in

308

00:20:41,230 --> 00:20:36,350

a book it was it Tim goods above top

309

00:20:46,810 --> 00:20:41,240

secret yes that's right

310

00:20:49,690 --> 00:20:46,820

I had died spoken about my incident and

311

00:20:52,530 --> 00:20:49,700

then in 1994 of course we were ordered

312

00:20:56,290 --> 00:20:52,540

not only ordered but we had to sign

313

00:21:00,430 --> 00:20:56,300

non-disclosure documents stating we

314

00:21:06,580 --> 00:21:00,440

would never speak about this incident my

315

00:21:12,580 --> 00:21:06,590

commander and I so we did I never told

316

00:21:17,890 --> 00:21:12,590

my wife I never told anybody really and

317

00:21:22,210 --> 00:21:17,900

and then in 1994 I'd worked for the

318

00:21:25,050 --> 00:21:22,220

government as aircraft certification

319

00:21:27,400 --> 00:21:25,060

engineer and aircraft structures and I

320

00:21:31,420 --> 00:21:27,410

was getting a little tired of that and

321

00:21:34,660 --> 00:21:31,430

so I wanted to retire I was eligible to

322

00:21:36,660 --> 00:21:34,670

retire and get into something else and I

323

00:21:43,090 --> 00:21:36,670

was had to become a teacher of

324

00:21:46,299 --> 00:21:43,100

mathematics and so I was at the

325

00:21:48,130 --> 00:21:46,309

University of Washington bookstore

326

00:21:52,000 --> 00:21:48,140

you're strolling through the bookstore

327

00:21:55,270 --> 00:21:52,010

and had this title caught my eye a bug

328

00:21:59,470 --> 00:21:55,280

top-secret by Timothy good so I picked

329

00:22:02,680 --> 00:21:59,480

up the book and this is true I know

330

00:22:10,240 --> 00:22:02,690

you'll be shocked but I opened up the

331

00:22:12,970 --> 00:22:10,250

book to page 301 and they're on page 301

332

00:22:14,680 --> 00:22:12,980

with a short paragraph stating that

333

00:22:17,500 --> 00:22:14,690

newer phones have been involved in the

334

00:22:21,880 --> 00:22:17,510

shutdown on a nuclear missile site in

335

00:22:27,280 --> 00:22:21,890

Montana in 1967 it was just very short

336

00:22:29,440 --> 00:22:27,290

very brief but it was enough to get me

337

00:22:32,049 --> 00:22:29,450

excited about the possibility that the

338

00:22:34,180 --> 00:22:32,059

Air Force had Declassified this incident

339

00:22:39,100 --> 00:22:34,190

and I thought it was my incident the way

340

00:22:41,860 --> 00:22:39,110

it was described so I contacted the

341

00:22:45,280 --> 00:22:41,870

mutual UFO network in the area and

342

00:22:51,460 --> 00:22:45,290

finally talked to an investigator by the

343

00:22:53,680 --> 00:22:51,470

name James Quats and asked him if he

344

00:22:56,020 --> 00:22:53,690

could file a Freedom of Information Act

345

00:23:01,810 --> 00:22:56,030

request and so requested the government

346

00:23:04,930 --> 00:23:01,820

for information and but don't say

347

00:23:08,890 --> 00:23:04,940

anything about UFOs just ask about this

348

00:23:11,260 --> 00:23:08,900

particular incident and sure enough the

349

00:23:14,799 --> 00:23:11,270

Air Force looked back and said you know

350

00:23:18,640 --> 00:23:14,809

this is classified but since it's been

351
00:23:22,270 --> 00:23:18,650
so long go ahead declassify it and send

352
00:23:26,460 --> 00:23:22,280
me documents so they did they started

353
00:23:30,700 --> 00:23:26,470
sending me some messages documents

354
00:23:32,320 --> 00:23:30,710
records of the when I call the echo

355
00:23:38,770 --> 00:23:32,330
flight incident that's the one that

356
00:23:43,240 --> 00:23:38,780
happened in March 16th of 1967 so at

357
00:23:46,630 --> 00:23:43,250
that point I considered the my incident

358
00:23:50,409 --> 00:23:46,640
had been Declassified and therefore I

359
00:23:55,600 --> 00:23:50,419
started speaking publicly to the press

360
00:23:57,280 --> 00:23:55,610
and media about it as being a UFO

361
00:24:02,650 --> 00:23:57,290
incident

362
00:24:04,620 --> 00:24:02,660
which it was but it wasn't until two

363
00:24:06,820 --> 00:24:04,630

years later that I found out from my

364

00:24:10,090 --> 00:24:06,830

commander when I finally got a hold of

365

00:24:13,150 --> 00:24:10,100

him that we had that Benedetto fight we

366

00:24:15,280 --> 00:24:13,160

had been an oscar client you have to

367

00:24:17,890 --> 00:24:15,290

understand all these facilities look

368

00:24:18,660 --> 00:24:17,900

pretty much the same and it had been so

369

00:24:24,280 --> 00:24:18,670

long

370

00:24:28,780 --> 00:24:24,290

27 years had passed and so I had very

371

00:24:33,040 --> 00:24:28,790

tainted memories and part of that time I

372

00:24:37,020 --> 00:24:33,050

had contact other people and who I knew

373

00:24:39,760 --> 00:24:37,030

and recovered memories that went along

374

00:24:42,430 --> 00:24:39,770

because of course I had tried that non

375

00:24:47,740 --> 00:24:42,440

disclosure statement so I had

376

00:24:52,240 --> 00:24:47,750

deliberately tried to forget it so

377

00:24:55,240 --> 00:24:52,250

that's the story on why I was able to

378

00:24:58,990 --> 00:24:55,250

finally go forward and but at that time

379

00:25:02,080 --> 00:24:59,000

and after I find out we were at Oscar I

380

00:25:07,110 --> 00:25:02,090

decided just to keep talking so but

381

00:25:13,780 --> 00:25:10,680

yeah it's quite interesting that you

382

00:25:34,930 --> 00:25:13,790

opened the page just right where you did

383

00:25:36,880 --> 00:25:34,940

as well so when it was happening you

384

00:25:38,560 --> 00:25:36,890

know it's it must have been quite a

385

00:25:39,910 --> 00:25:38,570

fraught situation because you've got

386

00:25:42,549 --> 00:25:39,920

somebody screaming down the phone and

387

00:25:44,490 --> 00:25:42,559

somebody's injured you don't know did

388

00:25:46,750 --> 00:25:44,500

you know what kind of injury it was or

389

00:25:53,710 --> 00:25:46,760

you know did it just seemed like you

390

00:25:57,730 --> 00:25:53,720

were under attack well yeah we were I'd

391

00:26:01,930 --> 00:25:57,740

say concerned very concerned about what

392

00:26:05,140 --> 00:26:01,940

was going on because it seemed like we

393

00:26:08,340 --> 00:26:05,150

were under attack and we couldn't

394

00:26:10,030 --> 00:26:08,350

understand it I mean we're weak field

395

00:26:13,480 --> 00:26:10,040

Montana

396

00:26:21,640 --> 00:26:13,490

the US and we're there's nothing about

397

00:26:25,540 --> 00:26:21,650

any enemy forces approaching yeah so it

398

00:26:28,030 --> 00:26:25,550

was a shock the guy who got injured

399

00:26:32,710 --> 00:26:28,040

later found out from talking to guard

400

00:26:34,990 --> 00:26:32,720

upstairs after we were there was a

401
00:26:37,870 --> 00:26:35,000
changeover first now we went upstairs

402
00:26:42,280 --> 00:26:37,880
and I talked to the guard and he said

403
00:26:44,650 --> 00:26:42,290
that one of the guards had cut his hand

404
00:26:47,800 --> 00:26:44,660
on the barbed wire fence that we had

405
00:26:51,490 --> 00:26:47,810
surrounding the facility I know how that

406
00:26:54,490 --> 00:26:51,500
happened he didn't go into details but

407
00:26:58,090 --> 00:26:54,500
that was that was it it wasn't that the

408
00:27:00,820 --> 00:26:58,100
UFO had taken a shot at him or done

409
00:27:03,700 --> 00:27:00,830
anything to him but he was I think

410
00:27:04,420 --> 00:27:03,710
pretty frightened and he tried to climb

411
00:27:08,310 --> 00:27:04,430
that fence

412
00:27:10,480 --> 00:27:08,320
yeah yeah it was frightening I mean

413
00:27:12,580 --> 00:27:10,490

they're like see described them as

414

00:27:14,980 --> 00:27:12,590

zipping around and turning on a dime

415

00:27:19,450 --> 00:27:14,990

really weren't they 90-degree angles

416

00:27:22,750 --> 00:27:19,460

changes of direction did if you you must

417

00:27:27,660 --> 00:27:22,760

have talked to Colonel Charles halt

418

00:27:30,760 --> 00:27:27,670

about what what was saying this is some

419

00:27:31,650 --> 00:27:30,770

comparison in what we're saying do you

420

00:27:35,410 --> 00:27:31,660

think

421

00:27:41,290 --> 00:27:35,420

yeah we've been in contact over the

422

00:27:44,770 --> 00:27:41,300

years with Colonel halt and at first he

423

00:27:49,800 --> 00:27:44,780

was reluctant to admit they were nuclear

424

00:27:53,500 --> 00:27:49,810

weapons at Woodbridge but eventually he

425

00:27:58,140 --> 00:27:53,510

he has admitted I think publicly now

426
00:28:07,060 --> 00:27:58,150
that we did indeed have nuclear weapons

427
00:28:12,040 --> 00:28:07,070
there at the time 1980 and I understand

428
00:28:18,340 --> 00:28:12,050
it was a tower nearby were one of the

429
00:28:21,060 --> 00:28:18,350
guards at Woodridge did see the UFO fly

430
00:28:23,260 --> 00:28:21,070
by and shine a beam of light on the

431
00:28:26,290 --> 00:28:23,270
storage facility

432
00:28:29,440 --> 00:28:26,300
when the weapons were kept so yeah very

433
00:28:36,010 --> 00:28:29,450
similar to other incidents Aviano Air

434
00:28:38,230 --> 00:28:36,020
Force Base in Italy 1979 same kind of

435
00:28:40,360 --> 00:28:38,240
thing happened UFO comes over the

436
00:28:47,320 --> 00:28:40,370
weapons storage facility shines of being

437
00:28:50,169 --> 00:28:47,330
white and simply flies off and again in

438
00:28:54,480 --> 00:28:50,179

my book unidentified the UFO phenomenon

439

00:28:58,240 --> 00:28:54,490

I list about fourteen other cases were

440

00:29:04,510 --> 00:28:58,250

UFOs were seen in and around nuclear

441

00:29:06,910 --> 00:29:04,520

facilities and but you know and and and

442

00:29:12,299 --> 00:29:06,920

showing themselves in one way or another

443

00:29:16,360 --> 00:29:12,309

but in a benign manner in other words

444

00:29:18,070 --> 00:29:16,370

doing no damage but making sure

445

00:29:23,560 --> 00:29:18,080

everybody's aware that they were there

446

00:29:26,410 --> 00:29:23,570

so again no say so none of the ordinance

447

00:29:28,840 --> 00:29:26,420

was actually affected in any way apart

448

00:29:31,180 --> 00:29:28,850

from in your incident and the occur

449

00:29:33,930 --> 00:29:31,190

flight whether you got to figure out to

450

00:29:37,299 --> 00:29:33,940

get back online

451
00:29:44,610 --> 00:29:37,309
how did it take before you got them back

452
00:30:00,130 --> 00:29:56,440
running an even scarier thought to think

453
00:30:02,770 --> 00:30:00,140
that there's something that's zipping

454
00:30:06,870 --> 00:30:02,780
about that can actually interfere in

455
00:30:10,560 --> 00:30:06,880
that way and also makes me wonder why

456
00:30:14,290 --> 00:30:10,570
they don't interfere in that way when

457
00:30:16,720 --> 00:30:14,300
there's so much whoa I'm the planet I

458
00:30:19,990 --> 00:30:16,730
mean I know it's fairly quiet at the

459
00:30:22,600 --> 00:30:20,000
moment but you know there's been a lot

460
00:30:25,390 --> 00:30:22,610
of bloodshed and a lot of weapons fired

461
00:30:26,860 --> 00:30:25,400
and I hear people saying that they you

462
00:30:28,540 --> 00:30:26,870
know these ETS opposed that they're

463
00:30:30,760 --> 00:30:28,550

gonna save us from ourselves at some

464

00:30:32,680 --> 00:30:30,770

point but I'm not quite sure what the

465

00:30:35,080 --> 00:30:32,690

thing the way in far

466

00:30:37,300 --> 00:30:35,090

I don't sure how bad it has to get and

467

00:30:39,130 --> 00:30:37,310

how scarier in dangerous

468

00:30:45,910 --> 00:30:39,140

it has to be before they do anything I

469

00:30:48,130 --> 00:30:45,920

think exactly so that's what keeps me

470

00:30:51,370 --> 00:30:48,140

motivated I just want to keep talking

471

00:30:56,590 --> 00:30:51,380

about this every chance I get

472

00:30:59,050 --> 00:30:56,600

really you can't emphasize the threat of

473

00:31:00,250 --> 00:30:59,060

nuclear war enough a lot of people just

474

00:31:03,490 --> 00:31:00,260

kind of put that on the back burner

475

00:31:06,880 --> 00:31:03,500

because it's it's too difficult to think

476

00:31:11,590 --> 00:31:06,890

about isn't it you can't really imagine

477

00:31:15,580 --> 00:31:11,600

it the destruction that would occur from

478

00:31:20,830 --> 00:31:15,590

in the war but we're getting closer and

479

00:31:26,020 --> 00:31:20,840

closer to that horrible possibility it

480

00:31:28,330 --> 00:31:26,030

seems we've got India and Pakistan at

481

00:31:31,140 --> 00:31:28,340

war with each other they both have

482

00:31:35,380 --> 00:31:31,150

nuclear weapons and very recently the

483

00:31:40,450 --> 00:31:35,390

Defense Minister of India we get his

484

00:31:42,850 --> 00:31:40,460

name came out and basically threatened

485

00:31:46,090 --> 00:31:42,860

Pakistan was the use of nuclear weapons

486

00:31:49,030 --> 00:31:46,100

he stated that in the past they had had

487

00:31:53,350 --> 00:31:49,040

no first strike policy meaning they

488

00:31:58,570 --> 00:31:53,360

would shoot first with nukes but he said

489

00:32:02,740 --> 00:31:58,580

that's now changed to a policy of we'll

490

00:32:06,300 --> 00:32:02,750

see something like that so then they've

491

00:32:09,430 --> 00:32:06,310

gotten rid of the no first strike policy

492

00:32:13,450 --> 00:32:09,440

Pakistan does not have a no first strike

493

00:32:17,230 --> 00:32:13,460

policy neither does the US and neither

494

00:32:21,820 --> 00:32:17,240

does Soviet Union and certainly not

495

00:32:25,150 --> 00:32:21,830

North Korea and North Korea is a growing

496

00:32:26,860 --> 00:32:25,160

threat of using nukes and they're

497

00:32:34,810 --> 00:32:26,870

threatening South Korea this with

498

00:32:38,820 --> 00:32:34,820

threatening Japan and now Japan indeed

499

00:32:42,520 --> 00:32:38,830

is thinking about maybe

500

00:32:46,080 --> 00:32:42,530

reinvigorating the military structure

501
00:32:48,040 --> 00:32:46,090
you know they have been only a

502
00:32:50,760 --> 00:32:48,050
peacekeeping organization they're

503
00:32:54,330 --> 00:32:50,770
military but but

504
00:33:01,620 --> 00:32:54,340
now that seems to be changing and of

505
00:33:03,060 --> 00:33:01,630
course Iran Iran now has been well you

506
00:33:11,450 --> 00:33:03,070
know what's happened there they've

507
00:33:15,990 --> 00:33:11,460
started up their sights when they come

508
00:33:19,410 --> 00:33:16,000
their ability to enrich uranium they've

509
00:33:23,850 --> 00:33:19,420
increased that activity so now they're

510
00:33:28,110 --> 00:33:23,860
going to have weapons-grade uranium as

511
00:33:31,980 --> 00:33:28,120
opposed to Iranian that's used for power

512
00:33:35,330 --> 00:33:31,990
plants so they're in Russia of course

513
00:33:42,900 --> 00:33:35,340

Russia is developing new nuclear weapons

514

00:33:45,650 --> 00:33:42,910

and probably the u.s. under trump so I

515

00:33:50,130 --> 00:33:45,660

think they're getting worse considerably

516

00:33:55,020 --> 00:33:50,140

yeah I mean the threat does not seem to

517

00:34:03,290 --> 00:33:55,030

be a deterrent anyway you know we have

518

00:34:13,530 --> 00:34:08,369

deterrence is intended to keep other

519

00:34:16,200 --> 00:34:13,540

countries at bay from attacking us if we

520

00:34:18,960 --> 00:34:16,210

have a superior nuclear force but well

521

00:34:21,810 --> 00:34:18,970

that only leads to you so what it led to

522

00:34:28,010 --> 00:34:21,820

during the Cold War it is led to an arms

523

00:34:37,409 --> 00:34:33,590

I'm thinking about 70,000 nuclear

524

00:34:43,710 --> 00:34:37,419

weapons and that was basically between

525

00:34:49,590 --> 00:34:43,720

the US and Russia yeah 70 think about

526

00:34:53,280 --> 00:34:49,600

that the bombs that attacked we used to

527

00:34:55,430 --> 00:34:53,290

attack Hiroshima and Nagasaki that

528

00:34:58,930 --> 00:34:55,440

killed a hundred thousand people

529

00:35:00,140 --> 00:34:58,940

initially were about 15 kilotons

530

00:35:04,740 --> 00:35:00,150

[Music]

531

00:35:08,279 --> 00:35:04,750

equivalent 15 kilotons of tnt

532

00:35:12,089 --> 00:35:08,289

well now the bombs that I had on my

533

00:35:16,470 --> 00:35:12,099

missiles I know or on the order of 800

534

00:35:21,960 --> 00:35:16,480

kilotons well move it up to a Megaton

535

00:35:27,299 --> 00:35:21,970

and today we have two Megaton bombs the

536

00:35:36,510 --> 00:35:27,309

US has about 7,000 operational they're

537

00:35:40,140 --> 00:35:36,520

about 15,000 operational worldwide bombs

538

00:35:50,640 --> 00:35:40,150

that would absolutely obliterate major

539

00:36:00,839 --> 00:35:50,650

cities world so it's high stupidity this

540

00:36:04,500 --> 00:36:00,849

whole idea of having a good force so

541

00:36:07,920 --> 00:36:04,510

large just just try to keep other people

542

00:36:09,839 --> 00:36:07,930

from attacking us with nuclear weapons

543

00:36:13,049 --> 00:36:09,849

well it's accomplished that but it

544

00:36:15,120 --> 00:36:13,059

hasn't accomplished other countries from

545

00:36:19,349 --> 00:36:15,130

wanting them so eventually there's going

546

00:36:21,990 --> 00:36:19,359

to be a tipping point I think and and

547

00:36:25,519 --> 00:36:22,000

somewhere somehow they're going to be

548

00:36:31,109 --> 00:36:25,529

used again if we don't make a change

549

00:36:33,900 --> 00:36:31,119

well we've seen in Iraq the devastation

550

00:36:35,940 --> 00:36:33,910

of the weapons they were using then

551
00:36:40,620 --> 00:36:35,950
apart from the white phosphorus they

552
00:36:43,559 --> 00:36:40,630
were using uranium depleted uranium by

553
00:36:46,170 --> 00:36:43,569
the looks of it they you know the

554
00:36:47,460 --> 00:36:46,180
childhood illnesses and deformities and

555
00:36:50,640 --> 00:36:47,470
all the rest of it that are coming out

556
00:36:54,539 --> 00:36:50,650
now so it's kind of it's just one step

557
00:36:57,900 --> 00:36:54,549
away from a nuclear war if you're you

558
00:37:00,569 --> 00:36:57,910
know my mind when you kind of spreading

559
00:37:04,970 --> 00:37:00,579
the dirt about anyway without the the

560
00:37:07,200 --> 00:37:04,980
major explosion so we don't you know

561
00:37:09,350 --> 00:37:07,210
there are no morals in there near this

562
00:37:14,030 --> 00:37:09,360
is a

563
00:37:19,390 --> 00:37:14,040

oh yes I'm fine you mentioned that we

564

00:37:24,610 --> 00:37:19,400

need to establish levels of behavior

565

00:37:28,850 --> 00:37:24,620

what you mentioned using bullets that

566

00:37:35,330 --> 00:37:28,860

using depleted uranium is clearly an

567

00:37:39,920 --> 00:37:35,340

immoral thing to do one of many immoral

568

00:37:43,310 --> 00:37:39,930

things we're doing we're just plain

569

00:37:48,020 --> 00:37:43,320

immoral yeah yeah present company

570

00:37:49,580 --> 00:37:48,030

excepted of course it's quite a

571

00:37:54,200 --> 00:37:49,590

responsibility that you've got there

572

00:37:57,050 --> 00:37:54,210

though Bob you know that's did you know

573

00:38:00,320 --> 00:37:57,060

it's gonna be a high-pressure job I mean

574

00:38:03,560 --> 00:38:00,330

but at the same time a no-pressure job

575

00:38:05,390 --> 00:38:03,570

because you kind of just on duty waiting

576

00:38:10,880 --> 00:38:05,400

for that moment really aren't ya there's

577

00:38:13,880 --> 00:38:10,890

a lot of I don't know it's like a

578

00:38:15,680 --> 00:38:13,890

nucleobase security he can be quite

579

00:38:18,890 --> 00:38:15,690

tedious because you're just doubting

580

00:38:25,100 --> 00:38:18,900

things you know wow you're not you know

581

00:38:28,210 --> 00:38:25,110

in conflict so sometimes yeah in the

582

00:38:32,690 --> 00:38:28,220

military just following orders of course

583

00:38:38,090 --> 00:38:32,700

you know in 1967 I was considered myself

584

00:38:42,200 --> 00:38:38,100

a professional military guy and was

585

00:38:50,110 --> 00:38:42,210

gonna make military my career but so you

586

00:38:59,480 --> 00:38:56,270

what our government is doing intending

587

00:39:03,710 --> 00:38:59,490

to do and you think it's proper at the

588

00:39:06,620 --> 00:39:03,720

time so yeah what I could have would

589

00:39:09,290 --> 00:39:06,630

have launched those missiles and started

590

00:39:11,600 --> 00:39:09,300

World War 3 and given the other no

591

00:39:17,050 --> 00:39:11,610

question and the same thing with the

592

00:39:21,500 --> 00:39:17,060

people that are in those positions today

593

00:39:27,430 --> 00:39:24,020

I feel about like having been that

594

00:39:30,140 --> 00:39:27,440

person haven't been the person who would

595

00:39:37,280 --> 00:39:30,150

you know change the face of the world

596

00:39:39,650 --> 00:39:37,290

basically I feel you know I thank God

597

00:39:45,020 --> 00:39:39,660

that I was not put in the position of

598

00:39:49,540 --> 00:39:45,030

having to launch those and I'm trying to

599

00:39:52,820 --> 00:39:49,550

atone for it by moving forward and

600

00:39:55,550 --> 00:39:52,830

publicly pronouncing and we ought to

601
00:39:58,250 --> 00:39:55,560
abolish nuclear weapons worldwide I

602
00:40:00,560 --> 00:39:58,260
still feel that way of course and and

603
00:40:12,349 --> 00:40:00,570
that's the message I would bring to to

604
00:40:17,060 --> 00:40:12,359
the US Congress absolutely should you

605
00:40:19,400 --> 00:40:17,070
can't call that weaponry and I I think

606
00:40:21,490 --> 00:40:19,410
no sense of warfare if there is such a

607
00:40:25,940 --> 00:40:21,500
thing

608
00:40:27,859 --> 00:40:25,950
that's just plain suicide for the human

609
00:40:32,450 --> 00:40:27,869
civilization that's that's all it is

610
00:40:34,490 --> 00:40:32,460
it's we would be committing suicide it

611
00:40:35,720 --> 00:40:34,500
seems like we are sometimes anyway the

612
00:40:37,160 --> 00:40:35,730
way that we treat the plumbing you'd

613
00:40:40,510 --> 00:40:37,170

think that we've got another one to move

614

00:40:45,609 --> 00:40:40,520

to and when they all goes wrong you know

615

00:40:47,599 --> 00:40:45,619

this we're in a crisis at the moment and

616

00:40:49,700 --> 00:40:47,609

we're kind of looking at the wrong

617

00:40:54,230 --> 00:40:49,710

things in the wrong way I think we need

618

00:40:57,349 --> 00:40:54,240

to really start knocking down and making

619

00:41:01,130 --> 00:40:57,359

the changes but we know we're dependent

620

00:41:07,790 --> 00:41:01,140

on government and corporations to be the

621

00:41:10,070 --> 00:41:07,800

ones that make the changes how do you do

622

00:41:12,400 --> 00:41:10,080

that how do you make these corporations

623

00:41:14,870 --> 00:41:12,410

that's a giant the beyond themselves

624

00:41:22,160 --> 00:41:14,880

start to look after the only home that

625

00:41:25,010 --> 00:41:22,170

we have encouraged by things happening

626
00:41:29,260 --> 00:41:25,020
when people power is used like what's

627
00:41:32,660 --> 00:41:29,270
going on in Hong Kong right now the

628
00:41:34,030 --> 00:41:32,670
determination of those people living

629
00:41:39,430 --> 00:41:34,040
there

630
00:41:42,820 --> 00:41:39,440
I'm saying you know we want to be free

631
00:41:45,310 --> 00:41:42,830
of these ridiculous regulates

632
00:41:48,910 --> 00:41:45,320
regulations we want to take control of

633
00:41:54,490 --> 00:41:48,920
our own destiny we want to those kinds

634
00:41:56,980 --> 00:41:54,500
of ideas need to take hold and so you

635
00:42:02,340 --> 00:41:56,990
know each of us has to fight for what we

636
00:42:06,130 --> 00:42:02,350
believe in as best we can and like I say

637
00:42:13,030 --> 00:42:06,140
I think ethics and morality really are a

638
00:42:15,130 --> 00:42:13,040

part of the solution we have to value no

639

00:42:19,540 --> 00:42:15,140

no and we can start with ourselves of

640

00:42:23,820 --> 00:42:19,550

course you know our own integrity a set

641

00:42:26,860 --> 00:42:23,830

of values that we hold dear and and then

642

00:42:28,240 --> 00:42:26,870

spread that you know now I'm not talking

643

00:42:31,630 --> 00:42:28,250

about religion of course I'm just

644

00:42:37,210 --> 00:42:31,640

talking about ethical things like

645

00:42:52,420 --> 00:42:37,220

honesty and integrity and truth fight

646

00:42:56,680 --> 00:42:52,430

for the truth she joined the UFO

647

00:42:58,270 --> 00:42:56,690

community and you've been with Marilyn a

648

00:43:04,030 --> 00:42:58,280

very long time haven't you

649

00:43:14,080 --> 00:43:04,040

is it 49 50 years no see

650

00:43:16,300 --> 00:43:14,090

I started speaking publicly in 1996 no

651
00:43:18,670 --> 00:43:16,310
oh it's just saying when you came to the

652
00:43:25,570 --> 00:43:18,680
UFO community and you came with your

653
00:43:29,190 --> 00:43:25,580
account of what happened and then you

654
00:43:32,800 --> 00:43:29,200
had an experience in the mid-eighties

655
00:43:40,240 --> 00:43:32,810
yes of course yeah I can speak about

656
00:43:44,059 --> 00:43:40,250
that because it's in my wings board and

657
00:43:58,349 --> 00:43:52,949
2013 conference here in the u.s. well

658
00:44:02,549 --> 00:43:58,359
here's my story in 1985 Maryland I I had

659
00:44:05,819 --> 00:44:02,559
two small children living with us in and

660
00:44:11,399 --> 00:44:05,829
at Beach California at a particular home

661
00:44:13,499 --> 00:44:11,409
the winner number because well I

662
00:44:19,559 --> 00:44:13,509
remember the location of the home and

663
00:44:25,709 --> 00:44:19,569

what it looked like and so I can nail

664

00:44:30,529 --> 00:44:25,719

down the date sometime in 1985 so in the

665

00:44:33,299 --> 00:44:30,539

middle of the night I wake up and notice

666

00:44:39,709 --> 00:44:33,309

there's a strange blue light in our

667

00:44:43,469 --> 00:44:39,719

living room and I wake Marilyn up and

668

00:44:48,809 --> 00:44:43,479

ask her if she sees the blue light and

669

00:44:51,239 --> 00:44:48,819

she says yes and so so I'm gonna get up

670

00:44:53,639 --> 00:44:51,249

and investigate there might be somebody

671

00:44:58,949 --> 00:44:53,649

in the house and of course we had two

672

00:45:01,499 --> 00:44:58,959

small kids in other bedrooms so I try to

673

00:45:08,129 --> 00:45:01,509

get up and all of a sudden I'm paralyzed

674

00:45:11,509 --> 00:45:08,139

I can't move and I remember this was not

675

00:45:15,779 --> 00:45:11,519

a dream because I remember struggling

676

00:45:19,289 --> 00:45:15,789

struggling with all the strength I had

677

00:45:23,219 --> 00:45:19,299

to try to get my mobility back I even

678

00:45:30,929 --> 00:45:23,229

turned my head over to Maryland but she

679

00:45:33,749 --> 00:45:30,939

was now unconscious asleep which is you

680

00:45:36,689 --> 00:45:33,759

know doesn't make any sense

681

00:45:41,549 --> 00:45:36,699

because we had just talked about my

682

00:45:42,359 --> 00:45:41,559

getting up and were both nervous about

683

00:45:45,749 --> 00:45:42,369

that right

684

00:45:50,249 --> 00:45:45,759

so I struggled and struggled could not

685

00:45:53,590 --> 00:45:50,259

do anything we couldn't move and the

686

00:45:57,550 --> 00:45:53,600

next thing I recall was seeing us

687

00:45:58,480 --> 00:45:57,560

person or being in in the doorway and it

688

00:46:00,700 --> 00:45:58,490

was dark

689

00:46:03,490 --> 00:46:00,710

of course so I could not make out the

690

00:46:09,000 --> 00:46:03,500

face so I could make out was it was a

691

00:46:12,240 --> 00:46:09,010

hooded figure and at the same time I

692

00:46:17,830 --> 00:46:12,250

thought there were others in the room

693

00:46:19,170 --> 00:46:17,840

small being small childlike beings and

694

00:46:21,330 --> 00:46:19,180

[Music]

695

00:46:24,160 --> 00:46:21,340

they seemed to me

696

00:46:27,510 --> 00:46:24,170

childlike now I can't describe what they

697

00:46:30,400 --> 00:46:27,520

look like exactly because well I just

698

00:46:33,160 --> 00:46:30,410

don't recall exactly what they look like

699

00:46:36,970 --> 00:46:33,170

but I do remember I'm sensing that they

700

00:46:40,860 --> 00:46:36,980

were childlike yeah well these childlike

701
00:46:46,090 --> 00:46:40,870
beings somehow lifted me off to the bed

702
00:46:49,510 --> 00:46:46,100
and took me towards the window now this

703
00:46:51,820 --> 00:46:49,520
is the funny part I was thinking to

704
00:46:54,640 --> 00:46:51,830
myself while this was going on that

705
00:46:57,310 --> 00:46:54,650
these children don't know how to open

706
00:46:59,700 --> 00:46:57,320
the window because I had latched that

707
00:47:04,590 --> 00:46:59,710
window I remember watching the window

708
00:47:10,390 --> 00:47:04,600
the night before so like that at night

709
00:47:15,310 --> 00:47:10,400
so they probably got a kick out of that

710
00:47:18,660 --> 00:47:15,320
too because they took me right through

711
00:47:22,420 --> 00:47:18,670
the window I know this sounds ridiculous

712
00:47:24,940 --> 00:47:22,430
but that means what I recall happening I

713
00:47:27,810 --> 00:47:24,950

went right through the window they did

714

00:47:44,940 --> 00:47:36,360

next thing I know I I guess had bed like

715

00:47:50,110 --> 00:47:44,950

emergency room bed steel steel bed and a

716

00:47:55,960 --> 00:47:50,120

be shown on needle a long needle at

717

00:47:57,910 --> 00:47:55,970

least a foot long and they're

718

00:48:00,700 --> 00:47:57,920

deliberately shocking this needle like

719

00:48:03,790 --> 00:48:00,710

that placing event for my eyes this one

720

00:48:05,950 --> 00:48:03,800

being and he's holding it with long bony

721

00:48:08,300 --> 00:48:05,960

fingers I remember the long bony fingers

722

00:48:14,820 --> 00:48:08,310

more than me

723

00:48:17,640 --> 00:48:14,830

nice because it was startling and I was

724

00:48:20,340 --> 00:48:17,650

told telepathically that they were going

725

00:48:24,480 --> 00:48:20,350

to suit this into my groin area

726

00:48:26,760 --> 00:48:24,490

it wouldn't hurt so actually that

727

00:48:30,210 --> 00:48:26,770

happened to insert this needle into my

728

00:48:36,120 --> 00:48:30,220

groin area and it looked like hell and

729

00:48:40,890 --> 00:48:36,130

when I when I complained about that pain

730

00:48:46,980 --> 00:48:40,900

seemed to go away so almost immediately

731

00:48:51,960 --> 00:48:46,990

so that was basically it I think I was

732

00:48:55,860 --> 00:48:51,970

taken to another little cubicle shorts

733

00:48:59,810 --> 00:48:55,870

and another being

734

00:49:02,370 --> 00:48:59,820

I guess he's with greys

735

00:49:05,640 --> 00:49:02,380

turned me around and then poked his

736

00:49:11,280 --> 00:49:05,650

fingers down my spine why he did that

737

00:49:15,870 --> 00:49:11,290

I'm not sure but after that I was taking

738

00:49:18,240 --> 00:49:15,880

taken escorted basically to these graves

739

00:49:21,260 --> 00:49:18,250

on either side of me and we were

740

00:49:29,700 --> 00:49:21,270

floating by the way we weren't walking

741

00:49:31,650 --> 00:49:29,710

we were floating along a pathway and all

742

00:49:36,240 --> 00:49:31,660

of a sudden there a bright light and I'm

743

00:49:40,170 --> 00:49:36,250

back in my bed the next morning neither

744

00:49:42,300 --> 00:49:40,180

Marilyn or I remembered any of this was

745

00:49:43,370 --> 00:49:42,310

a complete blank to us we didn't speak

746

00:49:53,150 --> 00:49:43,380

about it

747

00:49:57,210 --> 00:49:53,160

nothing and then 2007 so this was 1985

748

00:50:04,160 --> 00:49:57,220

so 22 years later 2007 we were at a

749

00:50:06,810 --> 00:50:04,170

conference and are you still there yeah

750

00:50:10,670 --> 00:50:06,820

I'm just behaving myself can only a

751
00:50:16,019 --> 00:50:13,920
so we're this conference in Ireland and

752
00:50:18,359 --> 00:50:16,029
there was a speaker stating that she had

753
00:50:23,490 --> 00:50:18,369
seen a blue light the room before she

754
00:50:26,519 --> 00:50:23,500
was abducted and that turned on a light

755
00:50:28,319 --> 00:50:26,529
in my head that blue light and I turned

756
00:50:30,120 --> 00:50:28,329
the Maryland who's sitting next to me

757
00:50:38,130 --> 00:50:30,130
and said have you ever seen a blue light

758
00:50:42,299 --> 00:50:38,140
a room she said yes remember that and so

759
00:50:48,839 --> 00:50:42,309
at that point I decided to get to talk

760
00:50:54,839 --> 00:50:48,849
to take no therapist trying to think of

761
00:51:03,509 --> 00:50:59,370
Mary Mary Rodwell was there so I asked

762
00:51:05,609 --> 00:51:03,519
Mary if she would do a session with me

763
00:51:09,599 --> 00:51:05,619

and she did and that's how I started

764

00:51:14,910 --> 00:51:09,609

getting some of these memories back and

765

00:51:15,749 --> 00:51:14,920

and then I had three other sessions Avon

766

00:51:25,109 --> 00:51:15,759

Smith

767

00:51:29,069 --> 00:51:25,119

couple and then one was David David we

768

00:51:31,589 --> 00:51:29,079

got he worked with Budd Hopkins but

769

00:51:33,450 --> 00:51:31,599

anyway I had that for hypnotherapy

770

00:51:37,049 --> 00:51:33,460

sessions and that's how I was able to

771

00:51:40,529 --> 00:51:37,059

recover what I just told you that's

772

00:51:42,809 --> 00:51:40,539

interesting because I've never had any

773

00:51:44,630 --> 00:51:42,819

regression and I don't really know how I

774

00:51:49,620 --> 00:51:44,640

feel about

775

00:51:53,370 --> 00:51:49,630

gnosis and regression I've you know I've

776

00:51:57,690 --> 00:51:53,380

never been fully convinced of its it

777

00:52:00,180 --> 00:51:57,700

being a good tool I don't know I think

778

00:52:01,349 --> 00:52:00,190

he's probably because I don't know how

779

00:52:04,170 --> 00:52:01,359

the brain works

780

00:52:07,259 --> 00:52:04,180

and I don't understand the process and I

781

00:52:09,779 --> 00:52:07,269

don't trust the you know what we would

782

00:52:13,410 --> 00:52:09,789

come out with would be an actual memory

783

00:52:16,089 --> 00:52:13,420

or something that our brain is just

784

00:52:20,640 --> 00:52:16,099

conjuring up but

785

00:52:23,289 --> 00:52:20,650

like I told you a little while ago that

786

00:52:27,009 --> 00:52:23,299

recently had a little run of events

787

00:52:30,219 --> 00:52:27,019

where somebody asked if they could do an

788

00:52:32,650 --> 00:52:30,229

investigation into the sighting that I

789

00:52:35,489 --> 00:52:32,660

had with my friends but obviously it

790

00:52:37,989 --> 00:52:35,499

would just be based on my testimony

791

00:52:41,499 --> 00:52:37,999

because they haven't spoken at all in

792

00:52:42,999 --> 00:52:41,509

public for since it happened and I kind

793

00:52:47,469 --> 00:52:43,009

of had to accept that there probably

794

00:52:50,170 --> 00:52:47,479

never would and then a friend came to me

795

00:52:53,799 --> 00:52:50,180

in the same week and asked if anyone had

796

00:52:57,849 --> 00:52:53,809

done any of any out work of what we saw

797

00:53:01,599 --> 00:52:57,859

and I said well did a rough one for the

798

00:53:02,979 --> 00:53:01,609

2012 conference in Rendlesham but it was

799

00:53:05,769 --> 00:53:02,989

very rough and it didn't really look

800

00:53:12,189 --> 00:53:05,779

like what it looked like it was just

801
00:53:15,160 --> 00:53:12,199
basically for size and then about ten

802
00:53:18,400 --> 00:53:15,170
days to two weeks later one of the other

803
00:53:20,499 --> 00:53:18,410
witnesses Steve who was my partner at

804
00:53:23,349 --> 00:53:20,509
the time of it happened then he got back

805
00:53:26,559 --> 00:53:23,359
in touch with me and he said he wanted

806
00:53:29,319 --> 00:53:26,569
to talk to me and he wanted to see me he

807
00:53:33,609 --> 00:53:29,329
wanted to go back there he wanted to you

808
00:53:38,259 --> 00:53:33,619
know explore what happened with me

809
00:53:40,749 --> 00:53:38,269
because we've all had you know we've all

810
00:53:42,699 --> 00:53:40,759
had to keep it to ourselves basically he

811
00:53:45,609 --> 00:53:42,709
said his sister done you to talk to but

812
00:53:48,749 --> 00:53:45,619
they don't really go there very often so

813
00:53:52,809 --> 00:53:48,759

you know for all of us it's a completely

814

00:53:55,390 --> 00:53:52,819

it's just being packed away and and it's

815

00:53:58,660 --> 00:53:55,400

just what it is because none of us were

816

00:54:01,719 --> 00:53:58,670

talking together so the whole story is

817

00:54:04,059 --> 00:54:01,729

still unknown even to me because I only

818

00:54:06,729 --> 00:54:04,069

remember what I remember but they all

819

00:54:10,209 --> 00:54:06,739

love their memories as well so with all

820

00:54:17,529 --> 00:54:10,219

of us together it would be a you know a

821

00:54:19,420 --> 00:54:17,539

fuller encounter so I told him where I'm

822

00:54:22,089 --> 00:54:19,430

doing a little documentary investigation

823

00:54:24,249 --> 00:54:22,099

with Gary Jones he's his investigations

824

00:54:28,839 --> 00:54:24,259

are very good he leaves no stone

825

00:54:30,010 --> 00:54:28,849

untuned so I said I'd agreed to do this

826

00:54:31,930 --> 00:54:30,020

so woody

827

00:54:35,170 --> 00:54:31,940

Speak to Gary because Gary would like

828

00:54:37,720 --> 00:54:35,180

that and he agreed yeah and then a week

829

00:54:40,780 --> 00:54:37,730

later he told me that his sister dunya

830

00:54:44,530 --> 00:54:40,790

wants to be involved as well so we're

831

00:54:46,510 --> 00:54:44,540

all going to be talking then as you know

832

00:54:49,300 --> 00:54:46,520

last weekend I've been down to Suffolk

833

00:54:51,100 --> 00:54:49,310

again and I've spoken at the Colonel

834

00:54:56,890 --> 00:54:51,110

halt returns to Woodbridge Conference

835

00:55:01,480 --> 00:54:56,900

and the cameraman who filmed it all he

836

00:55:05,530 --> 00:55:01,490

only has a business in treating PTSD and

837

00:55:09,480 --> 00:55:05,540

trauma of the traumas with hypnosis and

838

00:55:12,490 --> 00:55:09,490

so he's offered to do this regression

839

00:55:14,230 --> 00:55:12,500

which obviously I've got my concerns

840

00:55:18,300 --> 00:55:14,240

about but one of the things that Steve

841

00:55:22,840 --> 00:55:18,310

said was that he would like to try that

842

00:55:24,820 --> 00:55:22,850

so I just thought well it's kind of

843

00:55:28,210 --> 00:55:24,830

crazy it's like you opening that book on

844

00:55:31,330 --> 00:55:28,220

three page 301 and that chronology of

845

00:55:33,700 --> 00:55:31,340

events happening it's a similar kind of

846

00:55:36,460 --> 00:55:33,710

thing the way that it's all come up with

847

00:55:38,560 --> 00:55:36,470

the investigation the artwork Steve

848

00:55:41,670 --> 00:55:38,570

getting in touch done you coming into it

849

00:55:47,140 --> 00:55:41,680

and there's some guy who does

850

00:55:48,670 --> 00:55:47,150

hypnotherapy popping up I'm tempted

851
00:55:52,270 --> 00:55:48,680
because of the way that it's come about

852
00:55:55,990 --> 00:55:52,280
and I thought well there is a little

853
00:55:58,420 --> 00:55:56,000
event that wasn't scary at all that I

854
00:56:00,130 --> 00:55:58,430
would like to try a test drive I'll go

855
00:56:02,440 --> 00:56:00,140
back to that and they'll see cuz I read

856
00:56:03,880 --> 00:56:02,450
something on the wall and I can't

857
00:56:06,130 --> 00:56:03,890
remember what I read and I would really

858
00:56:16,470 --> 00:56:06,140
like to be able to read that again I

859
00:56:21,940 --> 00:56:19,480
this fella David and I apologized so

860
00:56:26,550 --> 00:56:21,950
much I can't remember his last name at

861
00:56:31,270 --> 00:56:26,560
this point the one I had the last

862
00:56:35,650 --> 00:56:31,280
session with he did not use hypnosis on

863
00:56:37,290 --> 00:56:35,660

me he his approach again like I

864

00:56:39,760 --> 00:56:37,300

mentioned we worked with Budd Hopkins

865

00:56:43,720 --> 00:56:39,770

and I don't know what Hopkins approach

866

00:56:48,039 --> 00:56:43,730

was but this guy

867

00:56:51,220 --> 00:56:48,049

we just sat down and he relaxed me it

868

00:56:56,230 --> 00:56:51,230

was just a matter of getting to the

869

00:57:01,720 --> 00:56:56,240

point where I was fairly relaxed no no

870

00:57:03,940 --> 00:57:01,730

alcohol involved but I was completely

871

00:57:06,579 --> 00:57:03,950

relaxed and then he kind of walked me

872

00:57:10,030 --> 00:57:06,589

through or what do you remember you know

873

00:57:15,329 --> 00:57:10,040

we start there and so I started with

874

00:57:17,950 --> 00:57:15,339

what I did remember at that point and

875

00:57:23,700 --> 00:57:17,960

and then he kept asking me a series of

876

00:57:30,700 --> 00:57:28,000

confidential setting and and that's how

877

00:57:32,589 --> 00:57:30,710

I was able to retrieve more memories

878

00:57:37,089 --> 00:57:32,599

those memories are still there such as

879

00:57:40,930 --> 00:57:37,099

youth and they had just been subdued and

880

00:57:43,680 --> 00:57:40,940

it's just a matter of tweaking your

881

00:57:48,309 --> 00:57:43,690

brain a little but encouraging it to

882

00:57:52,000 --> 00:57:48,319

release those memories so there are

883

00:57:56,559 --> 00:57:52,010

different approaches if you're concerned

884

00:57:58,359 --> 00:57:56,569

about going under hypnosis well the one

885

00:58:00,579 --> 00:57:58,369

thing that does make me feel a little

886

00:58:03,849 --> 00:58:00,589

bit better with this particular person

887

00:58:07,210 --> 00:58:03,859

is that his entire business is around

888

00:58:15,370 --> 00:58:07,220

treating PTSD so I'm not going to be

889

00:58:18,220 --> 00:58:15,380

redrawn attached by it because if I

890

00:58:20,079 --> 00:58:18,230

remember anything else then I think he's

891

00:58:31,420 --> 00:58:20,089

probably got techniques to help me kind

892

00:58:35,289 --> 00:58:31,430

of cope with let's say dreams strange

893

00:58:37,109 --> 00:58:35,299

dreams you know I mean I know it's

894

00:58:39,849 --> 00:58:37,119

probably shirts

895

00:58:42,520 --> 00:58:39,859

it's the coincidences that make me feel

896

00:58:44,740 --> 00:58:42,530

unreal so I try not I don't really keep

897

00:58:57,550 --> 00:58:44,750

a journal because I wouldn't feel real

898

00:58:59,320 --> 00:58:57,560

as well what I call a weird dream

899

00:59:03,910 --> 00:58:59,330

you know those kind of dreams this kind

900

00:59:06,670 --> 00:59:03,920

of you know they stick out and you

901
00:59:10,990 --> 00:59:06,680
remember the nice morning so I read him

902
00:59:15,400 --> 00:59:11,000
down and so I I've got other thoughts

903
00:59:19,120 --> 00:59:15,410
about what might have happened when I

904
00:59:22,510 --> 00:59:19,130
was abducted and and possibly probably

905
00:59:26,410 --> 00:59:22,520
have had other abduction experiences and

906
00:59:29,200 --> 00:59:26,420
I just you know don't remember but they

907
00:59:32,710 --> 00:59:29,210
may come back in that kind of a dream

908
00:59:36,370 --> 00:59:32,720
state which those dreams happen when

909
00:59:45,280 --> 00:59:36,380
your brain is very relaxed and in the

910
00:59:50,290 --> 00:59:45,290
sleep state by the way I think I could

911
00:59:58,360 --> 00:59:50,300
encourage Maryland to come on and talk

912
01:00:03,190 --> 00:59:58,370
about a couple of her if you wish

913
01:00:07,300 --> 01:00:03,200

absolutely well do you want to take a

914

01:00:17,680 --> 01:00:07,310

little break at this point if I can talk

915

01:01:07,230 --> 01:00:17,690

her into it yes okay all right okay I'll

916

01:01:14,670 --> 01:01:11,070

I love Marilyn how are you today I'm

917

01:01:15,900 --> 01:01:14,680

great oh it's lovely to talk to you you

918

01:01:19,470 --> 01:01:15,910

too you too

919

01:01:25,560 --> 01:01:19,480

i I guess Bob kind of opened the door on

920

01:01:27,120 --> 01:01:25,570

some of my experiences well he had you

921

01:01:29,099 --> 01:01:27,130

know he's the first one that you recall

922

01:01:31,490 --> 01:01:29,109

with the blue light that you remembered

923

01:01:35,400 --> 01:01:31,500

it's funny because I was thinking today

924

01:01:37,950 --> 01:01:35,410

I was thinking about doing the show with

925

01:01:41,010 --> 01:01:37,960

the other halves of the witnesses

926

01:01:44,220 --> 01:01:41,020

because quite often they have just as

927

01:01:47,160 --> 01:01:44,230

much happening to them as they say like

928

01:01:48,660 --> 01:01:47,170

Bob or myself with my patent Dave you

929

01:01:48,990 --> 01:01:48,670

know but we never hear from the other

930

01:01:52,140 --> 01:01:49,000

side

931

01:01:53,970 --> 01:01:52,150

so it's right interesting that Bob's

932

01:01:59,510 --> 01:01:53,980

pops you arm because I was thinking that

933

01:02:04,349 --> 01:01:59,520

it would be a good idea anyway yeah my

934

01:02:06,410 --> 01:02:04,359

have been quite a few not not just the

935

01:02:11,700 --> 01:02:06,420

one with the blue light yeah actually

936

01:02:15,840 --> 01:02:11,710

what I remember is a misty greyish blue

937

01:02:17,460 --> 01:02:15,850

light that filled the hallway so and

938

01:02:19,470 --> 01:02:17,470

there may have been more than one

939

01:02:21,180 --> 01:02:19,480

occasion but but that's the one in

940

01:02:23,070 --> 01:02:21,190

particular that I remember because we

941

01:02:27,420 --> 01:02:23,080

had no lights that we kept on in the

942

01:02:30,990 --> 01:02:27,430

house and it was just a very weird

943

01:02:35,430 --> 01:02:31,000

experience seeing that that light but

944

01:02:39,300 --> 01:02:35,440

fast fast forward to when you know we

945

01:02:43,830 --> 01:02:39,310

moved to that was in Manhattan Beach we

946

01:02:47,420 --> 01:02:43,840

now live in Ojai California and that is

947

01:02:51,960 --> 01:02:47,430

when a lot of other paranormal

948

01:02:56,310 --> 01:02:51,970

experiences started to happen yeah so I

949

01:02:59,460 --> 01:02:56,320

think going back a number of years we've

950

01:03:03,180 --> 01:02:59,470

lived in this house about 20 it'll be 20

951
01:03:06,690 --> 01:03:03,190
years this coming spring

952
01:03:10,770 --> 01:03:06,700
and one morning Bob had left for work

953
01:03:14,070 --> 01:03:10,780
and I was awake but still hadn't gotten

954
01:03:17,310 --> 01:03:14,080
out of bed and and all of a sudden I

955
01:03:18,510 --> 01:03:17,320
heard this tone and it went dah dah dah

956
01:03:22,820 --> 01:03:18,520
dah dah

957
01:03:25,650 --> 01:03:22,830
and I thought is that somebody cellphone

958
01:03:28,530 --> 01:03:25,660
and it's like we live in a single-family

959
01:03:30,150 --> 01:03:28,540
home so that I just counted that quickly

960
01:03:33,090 --> 01:03:30,160
but I couldn't figure out where that

961
01:03:36,000 --> 01:03:33,100
sound was coming from and then within a

962
01:03:38,280 --> 01:03:36,010
minute it repeated itself the same tone

963
01:03:41,190 --> 01:03:38,290

dah dah dah dah dah

964

01:03:45,030 --> 01:03:41,200

only this time instead of just hearing

965

01:03:48,690 --> 01:03:45,040

it I felt the vibration of it in the

966

01:03:50,700 --> 01:03:48,700

back of my head where the skull attaches

967

01:03:54,000 --> 01:03:50,710

to the spine that's that area I think

968

01:03:57,150 --> 01:03:54,010

it's called the medulla oblongata and it

969

01:03:59,640 --> 01:03:57,160

did it one more time and then I've never

970

01:04:03,690 --> 01:03:59,650

experienced it again so it was three

971

01:04:06,450 --> 01:04:03,700

times in a row and it was a very weird

972

01:04:08,160 --> 01:04:06,460

experience to say the least and I always

973

01:04:11,940 --> 01:04:08,170

felt that there was some sort of a

974

01:04:14,460 --> 01:04:11,950

possible implant that might have been

975

01:04:17,550 --> 01:04:14,470

placed you know in my head at that time

976

01:04:21,600 --> 01:04:17,560

and then in later years like I come to

977

01:04:24,960 --> 01:04:21,610

find out that not all implants are a

978

01:04:26,430 --> 01:04:24,970

material form not you know metals or

979

01:04:30,180 --> 01:04:26,440

anything like that that they could be

980

01:04:31,190 --> 01:04:30,190

energetic or they could be a soft tissue

981

01:04:34,530 --> 01:04:31,200

type thing

982

01:04:37,350 --> 01:04:34,540

so that because Bob and I both had

983

01:04:39,900 --> 01:04:37,360

x-rays done of us to see if there were

984

01:04:42,720 --> 01:04:39,910

any implants in our body and there was

985

01:04:45,180 --> 01:04:42,730

nothing metallic that could be found so

986

01:04:47,790 --> 01:04:45,190

I I'm just left with the assumption that

987

01:04:49,560 --> 01:04:47,800

it was either an energetic implant or

988

01:04:53,010 --> 01:04:49,570

something that could not be picked up

989

01:04:54,630 --> 01:04:53,020

you know through an x-ray yes so that

990

01:04:56,610 --> 01:04:54,640

that was another experience another

991

01:05:01,050 --> 01:04:56,620

experience I had is you know I'm an

992

01:05:04,260 --> 01:05:01,060

energy healer and I used our guest room

993

01:05:07,650 --> 01:05:04,270

as healing rooms at least I have I just

994

01:05:10,520 --> 01:05:07,660

healing worked for over 20 years but

995

01:05:14,940 --> 01:05:10,530

what happened is I would have a certain

996

01:05:16,930 --> 01:05:14,950

I don't want to call it a format but you

997

01:05:19,390 --> 01:05:16,940

know every every healer has their own

998

01:05:22,630 --> 01:05:19,400

way of preparing for and carrying out a

999

01:05:26,260 --> 01:05:22,640

healing session and part of mine because

1000

01:05:28,780 --> 01:05:26,270

I worked with crystals and stones on on

1001
01:05:31,240 --> 01:05:28,790
the massage table as well as I placed

1002
01:05:34,089 --> 01:05:31,250
them in little colored bags appropriate

1003
01:05:37,120 --> 01:05:34,099
to the chakra system on top of the

1004
01:05:40,000 --> 01:05:37,130
chakra areas of each person I would work

1005
01:05:42,579 --> 01:05:40,010
on so that those stones appropriate to

1006
01:05:46,300 --> 01:05:42,589
those chakras would be helping with the

1007
01:05:48,970 --> 01:05:46,310
healing process well I had a client that

1008
01:05:50,589 --> 01:05:48,980
I worked on and then about generally

1009
01:05:54,040 --> 01:05:50,599
speaking I have to remove all those

1010
01:05:57,309 --> 01:05:54,050
stones both on top of the body and that

1011
01:06:00,550 --> 01:05:57,319
the ones that surround the body and

1012
01:06:03,460 --> 01:06:00,560
place them back on the bed in a basket

1013
01:06:06,220 --> 01:06:03,470

you know when the session is over so

1014

01:06:09,190 --> 01:06:06,230

about two days after that I come back

1015

01:06:13,120 --> 01:06:09,200

into the room and there are all these

1016

01:06:15,849 --> 01:06:13,130

stones crystal stones it laid out in

1017

01:06:18,550 --> 01:06:15,859

formation on the massage table

1018

01:06:20,859 --> 01:06:18,560

basically a group of them up around the

1019

01:06:23,620 --> 01:06:20,869

heart chakra and then the other ones

1020

01:06:27,400 --> 01:06:23,630

further down around the hip area on the

1021

01:06:30,940 --> 01:06:27,410

right side so it's I called Bob and I

1022

01:06:32,349 --> 01:06:30,950

said have you been in here you've been

1023

01:06:34,809 --> 01:06:32,359

in this room mess around with my

1024

01:06:39,910 --> 01:06:34,819

crystals don't know I haven't been in

1025

01:06:43,300 --> 01:06:39,920

here he said and so that again I have no

1026

01:06:45,250 --> 01:06:43,310

idea how that happened all I know is

1027

01:06:47,500 --> 01:06:45,260

that it was some sort of a message for

1028

01:06:49,720 --> 01:06:47,510

me I am a heart patient and I think that

1029

01:06:53,410 --> 01:06:49,730

the message was basically you know to

1030

01:06:57,190 --> 01:06:53,420

start taking better care of myself my

1031

01:07:01,089 --> 01:06:57,200

heart so very clearly placed around that

1032

01:07:05,530 --> 01:07:01,099

that upper left area by the heart and so

1033

01:07:10,540 --> 01:07:05,540

that was another one and then about five

1034

01:07:15,040 --> 01:07:10,550

years ago yeah about five years ago we

1035

01:07:17,380 --> 01:07:15,050

had gone to bed and I genuinely I know I

1036

01:07:21,309 --> 01:07:17,390

dream every night but recalling the

1037

01:07:24,099 --> 01:07:21,319

dreams is most difficult unless I focus

1038

01:07:27,460 --> 01:07:24,109

on it as soon as I you know wake up it

1039

01:07:28,650 --> 01:07:27,470

you know it's bleeding that goes way for

1040

01:07:37,050 --> 01:07:28,660

me

1041

01:07:39,180 --> 01:07:37,060

clearly this dream that I had and in the

1042

01:07:41,910 --> 01:07:39,190

dream the dream state which later on

1043

01:07:45,270 --> 01:07:41,920

again I found out that when 80s come to

1044

01:07:48,020 --> 01:07:45,280

visit many times they they they or

1045

01:07:52,110 --> 01:07:48,030

shield the person and the experience

1046

01:07:53,910 --> 01:07:52,120

feels or seems like a dream so that it I

1047

01:07:57,270 --> 01:07:53,920

guess doesn't scare them or something I

1048

01:08:01,680 --> 01:07:57,280

don't know yeah but anyway in the dream

1049

01:08:06,870 --> 01:08:01,690

at all fight comes to visit me and I

1050

01:08:10,430 --> 01:08:06,880

call this being a she or her because I

1051

01:08:14,280 --> 01:08:10,440

felt a very loving and feminine energy

1052

01:08:14,730 --> 01:08:14,290

and she was completely no hair on her

1053

01:08:17,130 --> 01:08:14,740

head

1054

01:08:19,620 --> 01:08:17,140

the eyes were much smaller than the

1055

01:08:23,010 --> 01:08:19,630

typical greys that most people know

1056

01:08:26,460 --> 01:08:23,020

about and so what happened is that she

1057

01:08:30,540 --> 01:08:26,470

took me by the hand and she took me out

1058

01:08:33,960 --> 01:08:30,550

through either the wall behind me or

1059

01:08:35,970 --> 01:08:33,970

through a dimension I'm still not I'm

1060

01:08:38,400 --> 01:08:35,980

still not totally sure exactly what

1061

01:08:40,410 --> 01:08:38,410

happened but I do know that in the

1062

01:08:45,390 --> 01:08:40,420

process of being taken through either

1063

01:08:49,020 --> 01:08:45,400

the dimension or the wall that there was

1064

01:08:50,870 --> 01:08:49,030

this explosion of light that from the

1065

01:08:54,060 --> 01:08:50,880

core the center of it

1066

01:08:56,520 --> 01:08:54,070

everything was shooting outward and so

1067

01:08:59,640 --> 01:08:56,530

it was all white and this just this

1068

01:09:02,070 --> 01:08:59,650

motion of everything you know being you

1069

01:09:06,740 --> 01:09:02,080

know coming out from the center of that

1070

01:09:09,450 --> 01:09:06,750

that vision and so after that I

1071

01:09:11,550 --> 01:09:09,460

remembered nothing I don't I don't know

1072

01:09:15,720 --> 01:09:11,560

where I was taken I don't know anything

1073

01:09:18,270 --> 01:09:15,730

else but when I woke up I remembered

1074

01:09:23,670 --> 01:09:18,280

those details and then I happen to

1075

01:09:25,560 --> 01:09:23,680

notice on my right wrist area on the

1076

01:09:27,230 --> 01:09:25,570

under part of the wrist not the top of

1077

01:09:30,120 --> 01:09:27,240

the hand or the wrist but underneath

1078

01:09:33,210 --> 01:09:30,130

there were punctures in the form of a

1079

01:09:36,300 --> 01:09:33,220

triangle so it's like somebody had taken

1080

01:09:39,630 --> 01:09:36,310

a needle but there was no blood it was

1081

01:09:42,030 --> 01:09:39,640

just you know marks on on my wrist and

1082

01:09:44,280 --> 01:09:42,040

then a few inches above that

1083

01:09:47,520 --> 01:09:44,290

it's like somebody had taken an exacto

1084

01:09:49,500 --> 01:09:47,530

knife and went across my skin and there

1085

01:09:52,559 --> 01:09:49,510

was a probably a mark that was at least

1086

01:09:54,630 --> 01:09:52,569

two to three inches in length not far

1087

01:09:57,120 --> 01:09:54,640

from that puncture

1088

01:09:58,920 --> 01:09:57,130

looked like a triangle and then on my

1089

01:10:04,010 --> 01:09:58,930

upper right or a left arm

1090

01:10:08,000 --> 01:10:04,020

I had essentially another triangular

1091

01:10:11,880 --> 01:10:08,010

representation with punctures and then a

1092

01:10:13,830 --> 01:10:11,890

redness in my arm was so quite after

1093

01:10:16,950 --> 01:10:13,840

that more redness as though I had been

1094

01:10:19,230 --> 01:10:16,960

perhaps restrained I'm you know very

1095

01:10:22,470 --> 01:10:19,240

light skinned and so you know I bruise

1096

01:10:24,780 --> 01:10:22,480

easily and and you know my skin skin

1097

01:10:29,220 --> 01:10:24,790

redness if there's any compromise to it

1098

01:10:34,020 --> 01:10:29,230

and then on top of that about two days

1099

01:10:36,060 --> 01:10:34,030

later I was just putting my hand up on

1100

01:10:38,430 --> 01:10:36,070

my head scratching my head or something

1101
01:10:42,450 --> 01:10:38,440
and all of a sudden I realized that

1102
01:10:45,630 --> 01:10:42,460
every hair on the top of my head hurt

1103
01:10:48,630 --> 01:10:45,640
and there was a bump up there so

1104
01:10:50,610 --> 01:10:48,640
immediately I went to my husband and I I

1105
01:10:52,680 --> 01:10:50,620
didn't tell him what I felt I said would

1106
01:10:56,520 --> 01:10:52,690
you just please touch the top of my head

1107
01:11:02,670 --> 01:10:56,530
and he said yeah so he did and he said

1108
01:11:04,410 --> 01:11:02,680
there's a bump up there yeah yeah

1109
01:11:06,150 --> 01:11:04,420
there's a bump up there and every hair

1110
01:11:08,970 --> 01:11:06,160
on my head hurts to move it on the top

1111
01:11:12,540 --> 01:11:08,980
of my head so that gave me more

1112
01:11:14,400 --> 01:11:12,550
confirmation about the fact that I had

1113
01:11:17,250 --> 01:11:14,410

been taken through something whether it

1114

01:11:20,100 --> 01:11:17,260

be the wall or a dimension I still don't

1115

01:11:22,980 --> 01:11:20,110

know for sure but that was another

1116

01:11:27,360 --> 01:11:22,990

occasion and then about two to three

1117

01:11:30,450 --> 01:11:27,370

years ago I had gone to bed at night and

1118

01:11:32,280 --> 01:11:30,460

Bob was already asleep and I had my eyes

1119

01:11:35,040 --> 01:11:32,290

closed trying to go to sleep

1120

01:11:37,890 --> 01:11:35,050

but I wasn't there yet and all of a

1121

01:11:40,740 --> 01:11:37,900

sudden my I heard this sound in the room

1122

01:11:42,600 --> 01:11:40,750

it was right next to me and and here in

1123

01:11:45,630 --> 01:11:42,610

the United States we have something

1124

01:11:47,160 --> 01:11:45,640

called the amber alert system that if

1125

01:11:49,890 --> 01:11:47,170

you know a child has been abducted

1126

01:11:52,650 --> 01:11:49,900

everybody get this message on their cell

1127

01:11:54,780 --> 01:11:52,660

phone and it's with two big beeps yeah

1128

01:11:55,560 --> 01:11:54,790

now we don't keep our cell phones in our

1129

01:11:58,440 --> 01:11:55,570

rooms there

1130

01:12:00,950 --> 01:11:58,450

nothing in there that would would you

1131

01:12:03,600 --> 01:12:00,960

know have a noise like that so

1132

01:12:05,340 --> 01:12:03,610

immediately I popped my eyes open

1133

01:12:08,670 --> 01:12:05,350

because of this sound and it was right

1134

01:12:11,580 --> 01:12:08,680

next to me and I popped my eyes open and

1135

01:12:14,400 --> 01:12:11,590

in front of me about two feet away two

1136

01:12:17,940 --> 01:12:14,410

to three feet no more than three there's

1137

01:12:20,730 --> 01:12:17,950

this lighted symbol and it just lasted

1138

01:12:25,200 --> 01:12:20,740

for a matter of seconds and the symbol

1139

01:12:28,830 --> 01:12:25,210

was in the shape of again it was an

1140

01:12:32,340 --> 01:12:28,840

upside-down triangle with a curved top

1141

01:12:34,770 --> 01:12:32,350

to it in all the lines there were lines

1142

01:12:37,980 --> 01:12:34,780

of light and then darkness and and light

1143

01:12:43,170 --> 01:12:37,990

again and darkness and in a big circle

1144

01:12:45,750 --> 01:12:43,180

at the bottom of it in light and so the

1145

01:12:48,740 --> 01:12:45,760

next morning I told my husband about it

1146

01:12:52,940 --> 01:12:48,750

and trying to figure out you know what

1147

01:12:57,270 --> 01:12:52,950

what are they trying to tell me tell me

1148

01:13:00,390 --> 01:12:57,280

so he he was teaching at that time and

1149

01:13:02,490 --> 01:13:00,400

he came home and he said he said you

1150

01:13:04,410 --> 01:13:02,500

know what that symbol is and I said it

1151

01:13:07,200 --> 01:13:04,420

looks familiar but honestly I don't know

1152

01:13:09,000 --> 01:13:07,210

what it means and he said well you know

1153

01:13:15,780 --> 01:13:09,010

think about it and I said okay I thought

1154

01:13:19,020 --> 01:13:15,790

about it so tell me what he said that's

1155

01:13:22,860 --> 01:13:19,030

the Wi-Fi symbol I said oh my god you're

1156

01:13:25,230 --> 01:13:22,870

right and so we concluded that the

1157

01:13:28,740 --> 01:13:25,240

message that they were trying to send me

1158

01:13:32,820 --> 01:13:28,750

at that time and this was not a small

1159

01:13:36,930 --> 01:13:32,830

symbol it probably was about a good 18

1160

01:13:42,090 --> 01:13:36,940

inches to 2 feet in height and and about

1161

01:13:44,400 --> 01:13:42,100

the same in width so it I think what we

1162

01:13:46,560 --> 01:13:44,410

decided that that they just wanted to

1163

01:13:48,810 --> 01:13:46,570

let me know that I'm in communication

1164

01:13:52,220 --> 01:13:48,820

with them are they're in communication

1165

01:14:00,800 --> 01:13:52,230

with me so kind of a cause a cosmic

1166

01:14:06,990 --> 01:14:04,110

but you know just over time I had

1167

01:14:09,569 --> 01:14:07,000

bruises on my body I can't explain other

1168

01:14:13,290 --> 01:14:09,579

scratches on my body

1169

01:14:17,339 --> 01:14:13,300

and and that's really funny because Bob

1170

01:14:21,629 --> 01:14:17,349

and I recently purchased a you know what

1171

01:14:24,689 --> 01:14:21,639

I call Bobby a radio frequency meter an

1172

01:14:28,910 --> 01:14:24,699

RF meter because I'm curious about our

1173

01:14:32,339 --> 01:14:28,920

property and where there is significant

1174

01:14:34,169 --> 01:14:32,349

frequencies where they're you know above

1175

01:14:36,770 --> 01:14:34,179

normal frequencies and so we also

1176

01:14:43,859 --> 01:14:36,780

started scanning our own bodies

1177

01:14:47,189 --> 01:14:43,869

and it turns out that my readings the

1178

01:14:49,109 --> 01:14:47,199

crown of my head on my arms my hands you

1179

01:14:50,459 --> 01:14:49,119

know different different parts so I

1180

01:14:53,399 --> 01:14:50,469

don't know

1181

01:14:57,120 --> 01:14:53,409

that's an EF electric you know yes

1182

01:15:00,450 --> 01:14:57,130

frequency electrical frequencies so it's

1183

01:15:02,310 --> 01:15:00,460

because I'm a healer and have that gift

1184

01:15:05,459 --> 01:15:02,320

and an inability to bring through energy

1185

01:15:07,649 --> 01:15:05,469

and help people I think that maybe my

1186

01:15:10,109 --> 01:15:07,659

frequencies might be higher than the

1187

01:15:12,060 --> 01:15:10,119

average person I don't know yeah but I

1188

01:15:16,080 --> 01:15:12,070

was trying to figure out why because we

1189

01:15:18,839 --> 01:15:16,090

did Bob and his his readings were were

1190

01:15:23,970 --> 01:15:18,849

you know pretty normal compared to what

1191

01:15:26,489 --> 01:15:23,980

mine work so so anyway that's kind of my

1192

01:15:30,899 --> 01:15:26,499

I should probably write a little little

1193

01:15:34,529 --> 01:15:30,909

journal about this but yeah I I feel

1194

01:15:38,189 --> 01:15:34,539

like I am in you know communication with

1195

01:15:41,609 --> 01:15:38,199

them on you know that mental level and

1196

01:15:45,779 --> 01:15:41,619

and also an emotional level I I do find

1197

01:15:48,299 --> 01:15:45,789

them to be loving and helpful and that

1198

01:15:52,919 --> 01:15:48,309

they are they are here to help humanity

1199

01:15:55,950 --> 01:15:52,929

yeah well I've not had any experiences

1200

01:15:59,459 --> 01:15:55,960

really that have been that Pleasant the

1201

01:16:00,629 --> 01:15:59,469

one like I was just telling Bob that you

1202

01:16:03,720 --> 01:16:00,639

know there's a little chronology of

1203

01:16:06,390 --> 01:16:03,730

events has come up with regards to the

1204

01:16:09,450 --> 01:16:06,400

experience the UFO encounter that I had

1205

01:16:14,310 --> 01:16:09,460

with friends they other people with me

1206

01:16:17,180 --> 01:16:14,320

they've now come forward and so you know

1207

01:16:19,500 --> 01:16:17,190

we're going to explore what happened

1208

01:16:23,360 --> 01:16:19,510

from all our different perspectives

1209

01:16:29,459 --> 01:16:23,370

because obviously we've all got

1210

01:16:32,459 --> 01:16:29,469

different memories of the same event you

1211

01:16:36,030 --> 01:16:32,469

know at the same time is all this coming

1212

01:16:40,800 --> 01:16:36,040

about somebody that we've just met and

1213

01:16:43,860 --> 01:16:40,810

is he treats people who have PTSD using

1214

01:16:46,260 --> 01:16:43,870

hypnosis so and it knee just happens to

1215

01:16:47,360 --> 01:16:46,270

be going to leads which is where I'm

1216

01:16:52,020 --> 01:16:47,370

from

1217

01:16:55,470 --> 01:16:52,030

mm-hmm next week so I was like okay I'm

1218

01:16:57,930 --> 01:16:55,480

not sure that I either trust hip now

1219

01:17:01,350 --> 01:16:57,940

says no you know I don't know if there's

1220

01:17:03,090 --> 01:17:01,360

any validity to it I don't know if I

1221

01:17:05,939 --> 01:17:03,100

really want to remember anything else

1222

01:17:08,540 --> 01:17:05,949

because of other hard time right placing

1223

01:17:11,520 --> 01:17:08,550

the things that I I can't remember

1224

01:17:14,939 --> 01:17:11,530

there's still there's no pigeonhole for

1225

01:17:17,189 --> 01:17:14,949

them but there was an incident I don't

1226

01:17:19,919 --> 01:17:17,199

know what how you know these things come

1227

01:17:22,110 --> 01:17:19,929

about like you say they kind of end up

1228

01:17:24,840 --> 01:17:22,120

feeling very dreamlike afterwards but

1229

01:17:27,419 --> 01:17:24,850

they come on come up a staircase and I

1230

01:17:30,360 --> 01:17:27,429

was on a roof but there was a lot of

1231

01:17:33,030 --> 01:17:30,370

people on this roof and the it had a

1232

01:17:36,300 --> 01:17:33,040

wall that was taller than me taller than

1233

01:17:38,370 --> 01:17:36,310

Oliver's and it had a brick building in

1234

01:17:41,910 --> 01:17:38,380

the center which looked like it sure

1235

01:17:44,850 --> 01:17:41,920

told air conditioning unit and opposite

1236

01:17:47,580 --> 01:17:44,860

now was this table and on the table was

1237

01:17:49,530 --> 01:17:47,590

a giant concertina camera and a really

1238

01:17:52,500 --> 01:17:49,540

old-fashioned looking camera it was

1239

01:17:56,669 --> 01:17:52,510

massive about two feet square you know

1240

01:17:59,220 --> 01:17:56,679

and then behind the table was two people

1241

01:18:03,570 --> 01:17:59,230

wearing long black marks and fedora hats

1242

01:18:05,340 --> 01:18:03,580

and they looked very waxy faced like you

1243

01:18:06,990 --> 01:18:05,350

know he's typical many black kind of

1244

01:18:08,970 --> 01:18:07,000

thing but I don't know if they were yeah

1245

01:18:11,330 --> 01:18:08,980

I can't remember if they were wearing

1246

01:18:14,130 --> 01:18:11,340

sunglasses or if they had big black eyes

1247

01:18:16,200 --> 01:18:14,140

but anyway so come up the staircase and

1248

01:18:17,850 --> 01:18:16,210

we're all coming this staircase and

1249

01:18:20,340 --> 01:18:17,860

we're all walking along this wall and

1250

01:18:21,870 --> 01:18:20,350

each of us has got a paper folder in our

1251

01:18:23,459 --> 01:18:21,880

hands and show file which looks like

1252

01:18:26,850 --> 01:18:23,469

it's been taken out of a filing cabinet

1253

01:18:28,770 --> 01:18:26,860

and I and I'd seen them as I come up the

1254

01:18:30,540 --> 01:18:28,780

stairs and then Kerry don't walk in but

1255

01:18:32,939 --> 01:18:30,550

then as I kind of got parallel to them I

1256

01:18:34,940 --> 01:18:32,949

looked at them and when I looked they

1257

01:18:36,830 --> 01:18:34,950

turned towards me and this

1258

01:18:39,230 --> 01:18:36,840

stay in the camera was pointing right at

1259

01:18:43,100 --> 01:18:39,240

me and these big blue hearts of light

1260

01:18:45,410 --> 01:18:43,110

came like like twisting forwards like in

1261

01:18:48,680 --> 01:18:45,420

a beam but they were kind of like

1262

01:18:50,960 --> 01:18:48,690

showers of crystal and I put the file up

1263

01:18:53,180 --> 01:18:50,970

to my face you know to protect myself

1264

01:18:59,570 --> 01:18:53,190

from it and then I walked over to them

1265

01:19:01,310 --> 01:18:59,580

and I said what did you do that for one

1266

01:19:03,650 --> 01:19:01,320

of them yeah one of them just sort of

1267

01:19:05,540 --> 01:19:03,660

raised it sound really slowly to a point

1268

01:19:08,660 --> 01:19:05,550

that was pointing towards this brick

1269

01:19:10,370 --> 01:19:08,670

building that it was opposite so I

1270

01:19:13,550 --> 01:19:10,380

turned around and I walked into this

1271

01:19:16,010 --> 01:19:13,560

build this brick room and there was a

1272

01:19:17,510 --> 01:19:16,020

kind of bench with some tools on it and

1273

01:19:19,460 --> 01:19:17,520

what have you and it was old brick there

1274

01:19:21,560 --> 01:19:19,470

was nothing nothing in there apart from

1275

01:19:24,230 --> 01:19:21,570

a painting on the wall which was about

1276

01:19:26,810 --> 01:19:24,240

three feet in height but about a foot

1277

01:19:29,300 --> 01:19:26,820

and a half wide and it was bright orange

1278

01:19:32,060 --> 01:19:29,310

but fading to the top it was kind of

1279

01:19:33,380 --> 01:19:32,070

getting a little bit lighter and at the

1280

01:19:37,400 --> 01:19:33,390

bottom there were all these squiggles

1281

01:19:40,490 --> 01:19:37,410

and dots in black and it just looked

1282

01:19:43,130 --> 01:19:40,500

like weird just weird symbols but as I

1283

01:19:45,950 --> 01:19:43,140

kind of moved forwards towards it and it

1284

01:19:49,430 --> 01:19:45,960

came and you know it came to be faced on

1285

01:19:52,250 --> 01:19:49,440

with it all of those squiggles and dots

1286

01:19:55,250 --> 01:19:52,260

kind of moved together and became words

1287

01:19:57,770 --> 01:19:55,260

and the word scrolled up these painting

1288

01:19:59,210 --> 01:19:57,780

and they got there were big at first and

1289

01:20:01,130 --> 01:19:59,220

then as they went up they've got smaller

1290

01:20:03,200 --> 01:20:01,140

and smaller and they turn to birds and

1291

01:20:05,630 --> 01:20:03,210

they flew off into the corner now I

1292

01:20:08,420 --> 01:20:05,640

remember holding that and I remember it

1293

01:20:10,280 --> 01:20:08,430

the word blessings because that makes me

1294

01:20:11,870 --> 01:20:10,290

feel a bit uncomfortable because of the

1295

01:20:14,170 --> 01:20:11,880

types of people that use it in the way

1296

01:20:18,440 --> 01:20:14,180

that I don't you know it's not right so

1297

01:20:20,000 --> 01:20:18,450

you know I'm a bit anyway I remember

1298

01:20:22,760 --> 01:20:20,010

that word because of the feeling that it

1299

01:20:26,360 --> 01:20:22,770

gave me is like eek as soon as I see it

1300

01:20:30,830 --> 01:20:26,370

I think eek but I said that to

1301

01:20:31,940 --> 01:20:30,840

test-drive the hypnosis I will go back

1302

01:20:34,970 --> 01:20:31,950

to that because nothing actually

1303

01:20:37,160 --> 01:20:34,980

happened to me it was just weird weird

1304

01:20:40,130 --> 01:20:37,170

random thing I don't know the nature of

1305

01:20:43,280 --> 01:20:40,140

it but I want to know what was said on

1306

01:20:46,220 --> 01:20:43,290

that painting and you know it's

1307

01:20:48,230 --> 01:20:46,230

important that I go back to that and

1308

01:20:48,699 --> 01:20:48,240

I've always thought I might go back to

1309

01:20:52,750 --> 01:20:48,709

that if

1310

01:20:55,359 --> 01:20:52,760

forget the opportunity so you know Stu

1311

01:20:58,929 --> 01:20:55,369

so which has just come up

1312

01:21:06,399 --> 01:20:58,939

so so have you have hypnotherapy

1313

01:21:08,830 --> 01:21:06,409

sessions around this not yet it

1314

01:21:11,709 --> 01:21:08,840

basically treats PTSD he said there's no

1315

01:21:14,410 --> 01:21:11,719

D in PTSD it's just trauma so let's deal

1316

01:21:16,569 --> 01:21:14,420

with that yeah which is made me feel a

1317

01:21:19,419 --> 01:21:16,579

little bit safer because obviously if

1318

01:21:20,770 --> 01:21:19,429

something traumatic does come up I'm

1319

01:21:22,390 --> 01:21:20,780

hoping that he's gonna be able to help

1320

01:21:25,270 --> 01:21:22,400

me deal with all that anyway because

1321

01:21:27,850 --> 01:21:25,280

I've just bottled it up it's it's um

1322

01:21:40,179 --> 01:21:27,860

dealt with how can you deal with trauma

1323

01:21:42,489 --> 01:21:40,189

from aliens on your own it's kind of

1324

01:21:45,759 --> 01:21:42,499

just you just spin around your own head

1325

01:21:48,370 --> 01:21:45,769

and tarts people and sometimes talking

1326

01:21:51,040 --> 01:21:48,380

to people you know you discover more

1327

01:21:53,100 --> 01:21:51,050

things because things you know your

1328

01:21:55,509 --> 01:21:53,110

experiences mirror each other but then

1329

01:22:02,979 --> 01:21:55,519

you just left with the same questions

1330

01:22:05,500 --> 01:22:02,989

you just said somebody else so I said

1331

01:22:07,689 --> 01:22:05,510

well Steve and I and dunya I don't know

1332

01:22:10,390 --> 01:22:07,699

if dunya will go for this they hypnosis

1333

01:22:12,120 --> 01:22:10,400

I'm not sure but you know Steve and I

1334

01:22:14,500 --> 01:22:12,130

said it would be a good control

1335

01:22:18,279 --> 01:22:14,510

experiment because neither was got any

1336

01:22:20,040 --> 01:22:18,289

recollection of anything right so if

1337

01:22:25,299 --> 01:22:20,050

anything did happen then we should

1338

01:22:28,060 --> 01:22:25,309

separately say very similar things right

1339

01:22:29,799 --> 01:22:28,070

right you know I think so of course

1340

01:22:34,089 --> 01:22:29,809

again everybody has their own

1341

01:22:35,739 --> 01:22:34,099

interpretation of any event but there

1342

01:22:39,629 --> 01:22:35,749

should be some common threads there of

1343

01:22:41,310 --> 01:22:39,639

some kind yeah that you can say yeah

1344

01:22:45,580 --> 01:22:41,320

that's right

1345

01:22:48,069 --> 01:22:45,590

but I have never know I know that you

1346

01:22:53,709 --> 01:22:48,079

know Bobbie has had some hypnotherapy

1347

01:22:55,989 --> 01:22:53,719

sessions but I I never felt that I

1348

01:22:58,029 --> 01:22:55,999

needed to go and explore anything

1349

01:23:00,489 --> 01:22:58,039

because what happened to me in that

1350

01:23:02,560 --> 01:23:00,499

dream state was a very loving experience

1351

01:23:05,979 --> 01:23:02,570

and what happened afterwards I have no

1352

01:23:09,250 --> 01:23:05,989

idea a complete blank and memory on that

1353

01:23:11,830 --> 01:23:09,260

one but I'm satisfied I guess that that

1354

01:23:15,669 --> 01:23:11,840

there was no trauma around it whatsoever

1355

01:23:22,720 --> 01:23:15,679

and and so except for the bump on my

1356

01:23:24,459 --> 01:23:22,730

head but there was one other thing I

1357

01:23:29,050 --> 01:23:24,469

also wanted to mention that I had my own

1358

01:23:31,149 --> 01:23:29,060

UFO experience here in Ojai about 10 to

1359

01:23:32,319 --> 01:23:31,159

15 years ago when I was coming home and

1360

01:23:35,800 --> 01:23:32,329

I was alone in the car

1361

01:23:38,620 --> 01:23:35,810

I had just been in Los Angeles visiting

1362

01:23:40,390 --> 01:23:38,630

with my sister-in-law and on the way

1363

01:23:44,020 --> 01:23:40,400

home it was about 10:00 10:30 at night

1364

01:23:46,540 --> 01:23:44,030

and Ojai is a very it's not a well lit

1365

01:23:48,450 --> 01:23:46,550

community except for the towns itself

1366

01:23:51,339 --> 01:23:48,460

but you know it's more of a rural area

1367

01:23:54,189 --> 01:23:51,349

and so there's not a lot of lighting and

1368

01:23:56,770 --> 01:23:54,199

then all of a sudden I seen this craft

1369

01:23:59,890 --> 01:23:56,780

about the height of a helicopter where a

1370

01:24:02,919 --> 01:23:59,900

helicopter would fly wasn't that far up

1371

01:24:06,040 --> 01:24:02,929

off the horizon and it was a complete

1372

01:24:10,390 --> 01:24:06,050

circle of colored lights going across

1373

01:24:13,600 --> 01:24:10,400

the highway and that was an experience

1374

01:24:15,879 --> 01:24:13,610

I'll never forget because it it was it

1375

01:24:19,030 --> 01:24:15,889

to me it wasn't really flying flying it

1376

01:24:21,609 --> 01:24:19,040

was floating and then it went behind a

1377

01:24:23,319 --> 01:24:21,619

hill and as soon as a few seconds later

1378

01:24:24,970 --> 01:24:23,329

I rounded the hill I thought well

1379

01:24:26,800 --> 01:24:24,980

there's a street coming up I can take

1380

01:24:30,760 --> 01:24:26,810

that and try to follow it well it was

1381

01:24:32,919 --> 01:24:30,770

gone it was in a flash but it was like

1382

01:24:35,169 --> 01:24:32,929

Christmas tree lights to me you know it

1383

01:24:38,919 --> 01:24:35,179

just and I never seen anything like that

1384

01:24:43,839 --> 01:24:38,929

in the air before so to me it was it was

1385

01:24:45,700 --> 01:24:43,849

you know a UFO so yeah this is oh oh hi

1386

01:24:48,640 --> 01:24:45,710

has a lot of stories like that a lot of

1387

01:24:50,919 --> 01:24:48,650

people have experiences you know we have

1388

01:24:54,669 --> 01:24:50,929

mountains that surround us and people

1389

01:24:57,030 --> 01:24:54,679

see things frequently here I think that

1390

01:25:00,399 --> 01:24:57,040

they hide out in them there hills

1391

01:25:03,430 --> 01:25:00,409

well I'm from Yorkshire and it's very

1392

01:25:05,709 --> 01:25:03,440

you know there's the peaks the lakes and

1393

01:25:08,859 --> 01:25:05,719

there's a lot of open ground space where

1394

01:25:11,920 --> 01:25:08,869

there's nothing there you know we've

1395

01:25:14,800 --> 01:25:11,930

been campaign and seeing weird things

1396

01:25:17,440 --> 01:25:14,810

and they you just reminded me of one

1397

01:25:19,540 --> 01:25:17,450

with the floating because it took me a

1398

01:25:21,430 --> 01:25:19,550

while to put my brain to register that

1399

01:25:24,250 --> 01:25:21,440

what obviously was unusual because I was

1400

01:25:26,260 --> 01:25:24,260

just kind of staring out a like because

1401

01:25:28,060 --> 01:25:26,270

it was just floating like a feather but

1402

01:25:30,130 --> 01:25:28,070

he wasn't dropping no it's kind of

1403

01:25:32,500 --> 01:25:30,140

floating down and it kept popping up

1404

01:25:34,300 --> 01:25:32,510

from behind the cloud and then going

1405

01:25:36,190 --> 01:25:34,310

back behind the cloud and then coming

1406

01:25:38,560 --> 01:25:36,200

back and then but now when I think about

1407

01:25:40,810 --> 01:25:38,570

it I think I think that was a cloud I

1408

01:25:43,870 --> 01:25:40,820

think it was something that it created

1409

01:25:48,340 --> 01:25:43,880

itself because right that seemed to

1410

01:25:51,220 --> 01:25:48,350

disappear as the these three lights and

1411

01:25:53,620 --> 01:25:51,230

it looked a bit pinkish but the Sun was

1412

01:25:56,350 --> 01:25:53,630

setting so I don't know if that was just

1413

01:26:01,030 --> 01:25:56,360

a kind of reflection of the color of the

1414

01:26:03,970 --> 01:26:01,040

sky as it moved around as it kind of

1415

01:26:10,650 --> 01:26:03,980

floated its way swinging around to the

1416

01:26:14,170 --> 01:26:10,660

right it just blinked out and just gone

1417

01:26:16,450 --> 01:26:14,180

there and then it's not yeah didn't sue

1418

01:26:20,260 --> 01:26:16,460

ma for anything it was just not there

1419

01:26:23,650 --> 01:26:20,270

anymore it's really hard to describe and

1420

01:26:26,110 --> 01:26:23,660

the way that it kind of jolts your brain

1421

01:26:29,020 --> 01:26:26,120

because it's like oh I didn't see it

1422

01:26:31,390 --> 01:26:29,030

move off you didn't see it close down

1423

01:26:34,060 --> 01:26:31,400

gets smaller and blink out it just was

1424

01:26:36,520 --> 01:26:34,070

gone yeah it was just gone yeah yeah

1425

01:26:38,020 --> 01:26:36,530

that was my experience within two or

1426
01:26:41,590 --> 01:26:38,030
three seconds after getting around that

1427
01:26:44,170 --> 01:26:41,600
hill I thought yeah it's actually the

1428
01:26:46,480 --> 01:26:44,180
the shock of that was more so than

1429
01:26:48,700 --> 01:26:46,490
actually seeing the crimson yeah it's

1430
01:26:50,770 --> 01:26:48,710
like how come back how can that

1431
01:26:53,560 --> 01:26:50,780
disappear so quickly but I'm just moving

1432
01:26:55,480 --> 01:26:53,570
that fast that I you know it should be

1433
01:27:01,240 --> 01:26:55,490
gone like that but yeah that's what

1434
01:27:02,980 --> 01:27:01,250
happened anyway well when I was on my

1435
01:27:05,380 --> 01:27:02,990
way to work with morning and it was

1436
01:27:08,350 --> 01:27:05,390
three yellow lights in the cluster and

1437
01:27:11,470 --> 01:27:08,360
we we went around abandoned a very thin

1438
01:27:16,030 --> 01:27:11,480

birch tree with a few branches kind of

1439

01:27:21,520 --> 01:27:16,040

obscured the view for a second and as we

1440

01:27:23,710 --> 01:27:21,530

got turn that bend it was gone yeah no

1441

01:27:24,270 --> 01:27:23,720

it wasn't gone it's just such a shock to

1442

01:27:26,910 --> 01:27:24,280

you bro

1443

01:27:28,380 --> 01:27:26,920

because he kind of is that's not

1444

01:27:33,090 --> 01:27:28,390

supposed to happen and the brain doesn't

1445

01:27:36,900 --> 01:27:33,100

like it when things no no that's not the

1446

01:27:38,850 --> 01:27:36,910

reality you know everything is kind of

1447

01:27:41,010 --> 01:27:38,860

predictable in some ways you know like

1448

01:27:45,720 --> 01:27:41,020

the movement of objects they just don't

1449

01:27:49,470 --> 01:27:45,730

disappear in any way we live it we live

1450

01:27:52,890 --> 01:27:49,480

in strange times and I think you know

1451
01:27:56,970 --> 01:27:52,900
we're just being alerted and tested and

1452
01:28:00,420 --> 01:27:56,980
and you know hopefully they will really

1453
01:28:03,720 --> 01:28:00,430
make their their presence on higher

1454
01:28:05,400 --> 01:28:03,730
levels you know through government and

1455
01:28:08,160 --> 01:28:05,410
it's a matter of the government you know

1456
01:28:10,740 --> 01:28:08,170
messaging up and telling the truth about

1457
01:28:13,160 --> 01:28:10,750
it which it looks like there are some

1458
01:28:17,550 --> 01:28:13,170
cracks in that disclosure or

1459
01:28:20,190 --> 01:28:17,560
non-disclosure wall for instance you

1460
01:28:23,940 --> 01:28:20,200
know the the Navy here has has now

1461
01:28:28,500 --> 01:28:23,950
initiated guidelines for naval personnel

1462
01:28:32,580 --> 01:28:28,510
to report unidentified aerial phenomena

1463
01:28:53,040 --> 01:28:32,590

is what they call it so that that's a

1464

01:29:17,310 --> 01:28:53,050

step forward okay will you take care of

1465

01:29:19,440 --> 01:29:17,320

my part that we do talk because you know

1466

01:29:22,470 --> 01:29:19,450

I have two friends who are genuine

1467

01:29:24,720 --> 01:29:22,480

abductees and talking just those two

1468

01:29:26,790 --> 01:29:24,730

people we've discovered quite a few

1469

01:29:29,760 --> 01:29:26,800

things between us and that's just two

1470

01:29:32,700 --> 01:29:29,770

people so I keep thinking if we all

1471

01:29:38,310 --> 01:29:32,710

could just sit down and compare notes

1472

01:29:40,920 --> 01:29:38,320

and it's some kind of data from what

1473

01:29:44,610 --> 01:29:40,930

we're seeing because people ignore us

1474

01:29:51,390 --> 01:29:44,620

you know think we're crazy deluded or

1475

01:29:53,430 --> 01:29:51,400

ill or whatever we're really not I mean

1476

01:29:55,470 --> 01:29:53,440

nobody could question my son I say any

1477

01:29:58,620 --> 01:29:55,480

more times that I have question my son

1478

01:30:00,180 --> 01:29:58,630

is throughout my life question which

1479

01:30:01,560 --> 01:30:00,190

I've tried to convince so many

1480

01:30:03,870 --> 01:30:01,570

therapists that there's something wrong

1481

01:30:06,510 --> 01:30:03,880

with me so many doctors and they're not

1482

01:30:09,270 --> 01:30:06,520

having any of it my last therapist told

1483

01:30:10,950 --> 01:30:09,280

me there's no cure for sanity I'm just

1484

01:30:13,770 --> 01:30:10,960

going to have to learn to live in my own

1485

01:30:23,340 --> 01:30:13,780

skin so I don't really know where to go

1486

01:30:34,280 --> 01:30:23,350

from that pop-up and they just become

1487

01:30:38,100 --> 01:30:34,290

bigger than themselves and we have to

1488

01:30:42,480 --> 01:30:38,110

come together as a community and and

1489

01:30:45,210 --> 01:30:42,490

take this or of secrecy out in other

1490

01:30:51,150 --> 01:30:45,220

words just be more open

1491

01:30:53,220 --> 01:30:51,160

like you say compare notes just bring it

1492

01:30:56,970 --> 01:30:53,230

out in the open and then we can come to

1493

01:31:02,340 --> 01:30:56,980

some idea of what the heck's going on

1494

01:31:04,400 --> 01:31:02,350

here because that's what we're all

1495

01:31:08,220 --> 01:31:04,410

interested in we just want to know what

1496

01:31:11,490 --> 01:31:08,230

what what is their agenda what what are

1497

01:31:14,670 --> 01:31:11,500

they trying to do with us so or to us or

1498

01:31:19,520 --> 01:31:14,680

they're just observers or are they

1499

01:31:23,490 --> 01:31:19,530

trying to somehow control our lives or

1500

01:31:26,750 --> 01:31:23,500

our futures what the heck's going on and

1501

01:31:30,720 --> 01:31:26,760

and disclosure or getting governments to

1502

01:31:34,920 --> 01:31:30,730

tell the truth about the matter of

1503

01:31:39,060 --> 01:31:34,930

course is one part of it but of course

1504

01:31:43,490 --> 01:31:39,070

the other part is you and I and millions

1505

01:31:47,730 --> 01:31:43,500

of others that have been had experiences

1506

01:31:50,910 --> 01:31:47,740

coming together and then trying to

1507

01:31:53,850 --> 01:31:50,920

you know get some details nailed down

1508

01:31:56,750 --> 01:31:53,860

yeah the ridicule factor needs to be

1509

01:32:01,230 --> 01:31:56,760

erased and you know notice this with the

1510

01:32:03,060 --> 01:32:01,240

the unidentified TTS a and and they take

1511

01:32:06,030 --> 01:32:03,070

all that they want to stay as far away

1512

01:32:08,130 --> 01:32:06,040

from aliens as possible which you know I

1513

01:32:10,170 --> 01:32:08,140

understand but we shouldn't be staying

1514

01:32:13,230 --> 01:32:10,180

as far away from it as possible we

1515

01:32:15,480 --> 01:32:13,240

should be trying to make it in a you

1516

01:32:17,280 --> 01:32:15,490

know look at it in a way that it's okay

1517

01:32:19,230 --> 01:32:17,290

to talk about this it's okay to have

1518

01:32:21,330 --> 01:32:19,240

these conversations we're not saying

1519

01:32:23,640 --> 01:32:21,340

that you know this is what we think it

1520

01:32:26,160 --> 01:32:23,650

is we just got to explore that we have

1521

01:32:27,870 --> 01:32:26,170

to have the conversations because one we

1522

01:32:33,050 --> 01:32:27,880

have the conversations we do find out

1523

01:32:37,170 --> 01:32:33,060

things you know it's this ridicule that

1524

01:32:39,690 --> 01:32:37,180

to go because it's it's not nothing you

1525

01:32:42,060 --> 01:32:39,700

know it some of it might be some dreams

1526

01:32:45,780 --> 01:32:42,070

some of it might be some funky mind

1527

01:32:49,410 --> 01:32:45,790

stuff but you know what is them how can

1528

01:32:52,920 --> 01:32:49,420

the mind leave bruises and puncture

1529

01:32:55,680 --> 01:32:52,930

marks marks and people walking through

1530

01:32:58,520 --> 01:32:55,690

doors of not walls and windows I mean

1531

01:33:01,320 --> 01:32:58,530

you know how I've got a friend parlor

1532

01:33:02,520 --> 01:33:01,330

when you said they you know your moment

1533

01:33:04,890 --> 01:33:02,530

when you were being walk through the

1534

01:33:06,450 --> 01:33:04,900

window my friend parlor we would we had

1535

01:33:09,540 --> 01:33:06,460

not to stay at someone's house and we

1536

01:33:10,980 --> 01:33:09,550

would we had an event I was unconscious

1537

01:33:12,570 --> 01:33:10,990

on the bed while she got pulled

1538

01:33:14,490 --> 01:33:12,580

backwards by her feet through the window

1539

01:33:16,230 --> 01:33:14,500

she said there was a second where

1540

01:33:20,070 --> 01:33:16,240

everything seemed to slow right down and

1541

01:33:21,960 --> 01:33:20,080

stop just as their eyeballs became level

1542

01:33:24,750 --> 01:33:21,970

with the glass and she said she could

1543

01:33:27,690 --> 01:33:24,760

just see endless gray from in a

1544

01:33:30,090 --> 01:33:27,700

peripheral vision like her eyeballs were

1545

01:33:31,440 --> 01:33:30,100

fused into the glass and then boom she

1546

01:33:35,040 --> 01:33:31,450

was pulled backwards and out of the

1547

01:33:37,290 --> 01:33:35,050

window you know and she said the speech

1548

01:33:39,480 --> 01:33:37,300

she was going should have been 200 miles

1549

01:33:42,930 --> 01:33:39,490

away but then she only ended up being

1550

01:33:45,600 --> 01:33:42,940

over the field in front of the house so

1551
01:33:49,800 --> 01:33:45,610
and and I've been pulled through a wall

1552
01:33:51,750 --> 01:33:49,810
as well a brick wall with a window but

1553
01:33:56,940 --> 01:33:51,760
where my feet were it would have hit the

1554
01:33:58,200 --> 01:33:56,950
wall so I I don't care if other people

1555
01:34:02,430 --> 01:33:58,210
don't believe me

1556
01:34:06,240 --> 01:34:02,440
but to talk to people like you and Paula

1557
01:34:08,610 --> 01:34:06,250
and others that have had things that

1558
01:34:10,350 --> 01:34:08,620
have married the stuff that I've had you

1559
01:34:13,260 --> 01:34:10,360
know we will give her find some answers

1560
01:34:16,310 --> 01:34:13,270
at least into how or what they're doing

1561
01:34:19,500 --> 01:34:16,320
in certain parts of the abductions

1562
01:34:23,970 --> 01:34:19,510
you know maybe not figuring out how they

1563
01:34:25,970 --> 01:34:23,980

do it but what are they doing to us you

1564

01:34:29,310 --> 01:34:25,980

know I mean y'all needle in the groin

1565

01:34:31,890 --> 01:34:29,320

that's horrific but then we have to go

1566

01:34:37,709 --> 01:34:31,900

about our day and the rest of our lives

1567

01:34:41,420 --> 01:34:37,719

without knowing why that happened what's

1568

01:34:48,870 --> 01:34:41,430

our yes yes

1569

01:34:53,600 --> 01:34:48,880

so yeah that's gonna work hard with the

1570

01:34:56,459 --> 01:34:53,610

school here by running for Congress but

1571

01:35:00,930 --> 01:34:56,469

but we just you know I have to keep

1572

01:35:03,260 --> 01:35:00,940

spreading the word to encourage people

1573

01:35:06,440 --> 01:35:03,270

to come forward more witnesses there are

1574

01:35:10,620 --> 01:35:06,450

plenty of people out there I'm sure that

1575

01:35:16,340 --> 01:35:10,630

have very interesting stories that would

1576

01:35:19,229 --> 01:35:16,350

rather not speak openly about them but

1577

01:35:31,080 --> 01:35:19,239

we'll just keep trying to encourage

1578

01:35:42,900 --> 01:35:31,090

those the powers that are going to give

1579

01:35:45,630 --> 01:35:42,910

us the information that's true they may

1580

01:35:51,690 --> 01:35:45,640

not have all the answers either I'm sure

1581

01:35:55,220 --> 01:35:51,700

they don't they have some and which

1582

01:35:58,790 --> 01:35:55,230

might lead to other answers what basic

1583

01:36:02,700 --> 01:35:58,800

thing is that pull all the information

1584

01:36:05,610 --> 01:36:02,710

and make it accessible to everybody and

1585

01:36:10,020 --> 01:36:05,620

I think we could pretty much figure out

1586

01:36:11,440 --> 01:36:10,030

what's what's going on yeah but there's

1587

01:36:18,610 --> 01:36:11,450

no doubt

1588

01:36:22,150 --> 01:36:18,620

phenomenon is real that is we are indeed

1589

01:36:28,630 --> 01:36:22,160

being visited by extraterrestrial beings

1590

01:36:32,620 --> 01:36:28,640

on fantastic craft they could do some

1591

01:36:38,260 --> 01:36:32,630

very unusual things that physics tells

1592

01:36:40,270 --> 01:36:38,270

us they shouldn't be able to do and

1593

01:36:45,760 --> 01:36:40,280

that's that's certain there's no

1594

01:36:47,830 --> 01:36:45,770

question about that yeah well I like to

1595

01:36:56,800 --> 01:36:47,840

hide behind I don't know because it's a

1596

01:36:58,600 --> 01:36:56,810

safe place for me I don't know my brain

1597

01:37:00,490 --> 01:36:58,610

says you don't know because you can't go

1598

01:37:03,010 --> 01:37:00,500

back to that moment and interacting with

1599

01:37:06,040 --> 01:37:03,020

it on a meaningful level and extrapolate

1600

01:37:22,450 --> 01:37:06,050

any data whatsoever so you don't know

1601
01:37:25,210 --> 01:37:22,460
you think my whole body goes exactly

1602
01:37:27,490 --> 01:37:25,220
what you're saying it took me a while

1603
01:37:32,290 --> 01:37:27,500
actually after I started speaking

1604
01:37:37,600 --> 01:37:32,300
publicly about this it took me a while

1605
01:37:39,850 --> 01:37:37,610
many many years and we just watch and

1606
01:37:43,560 --> 01:37:39,860
going to conferences and listening to

1607
01:37:46,960 --> 01:37:43,570
other speakers I finally hit me that

1608
01:37:52,360 --> 01:37:46,970
cave this is real you know this is

1609
01:37:54,670 --> 01:37:52,370
really truly real and so it's a process

1610
01:37:59,040 --> 01:37:54,680
I think like you say you're you're

1611
01:38:02,590 --> 01:37:59,050
fighting with you your rational self

1612
01:38:04,240 --> 01:38:02,600
your own thoughts and ideas and things

1613
01:38:10,450 --> 01:38:04,250

that you have to do every day like you

1614

01:38:12,670 --> 01:38:10,460

say a normal course of living it takes

1615

01:38:18,420 --> 01:38:12,680

time it just takes time for this to

1616

01:38:21,130 --> 01:38:18,430

really sink in so we cannot just go

1617

01:38:24,160 --> 01:38:21,140

publicly and talk to the person on the

1618

01:38:25,240 --> 01:38:24,170

street and shake them and say this is

1619

01:38:27,790 --> 01:38:25,250

real they

1620

01:38:32,590 --> 01:38:27,800

had to accept this in their own way in

1621

01:38:35,440 --> 01:38:32,600

their own time yeah I just hope it's not

1622

01:38:38,320 --> 01:38:35,450

when we have a thousand UFOs in the air

1623

01:38:56,440 --> 01:38:38,330

and it's here's your disclosure if we've

1624

01:39:00,580 --> 01:38:56,450

turned up oh if you know if if we have

1625

01:39:05,110 --> 01:39:00,590

disclosure then religion would go mad

1626

01:39:11,470 --> 01:39:05,120

and Wall Street would crash and all

1627

01:39:14,440 --> 01:39:11,480

those are the things that's

1628

01:39:16,510 --> 01:39:14,450

fear-mongering yes fear mongering and

1629

01:39:21,190 --> 01:39:16,520

that's the technique that's been used

1630

01:39:25,300 --> 01:39:21,200

for a long long time by we're not well

1631

01:39:30,870 --> 01:39:25,310

called the International UFO cabal it's

1632

01:39:34,750 --> 01:39:30,880

a it is an international organization

1633

01:39:37,030 --> 01:39:34,760

then exists in hi sequencing throughout

1634

01:39:43,120 --> 01:39:37,040

the world they are exchanging

1635

01:39:49,210 --> 01:39:43,130

information on what they have on on UFOs

1636

01:39:52,750 --> 01:39:49,220

and their occupants and of course if you

1637

01:39:57,660 --> 01:39:52,760

allow these secret organizations to do

1638

01:40:00,280 --> 01:39:57,670

their well they may have already

1639

01:40:03,760 --> 01:40:00,290

interacted with these beings in in such

1640

01:40:06,100 --> 01:40:03,770

a way where the people you know a

1641

01:40:09,310 --> 01:40:06,110

greater mass of the populace of the

1642

01:40:12,010 --> 01:40:09,320

planet does not want to see that in

1643

01:40:16,420 --> 01:40:12,020

other words they may consider them the

1644

01:40:19,030 --> 01:40:16,430

enemy and had little fights of battles

1645

01:40:23,250 --> 01:40:19,040

with the moon who knows what's going on

1646

01:40:28,210 --> 01:40:23,260

but I do know that the the root of this

1647

01:40:34,210 --> 01:40:28,220

cabal at the root is is greed and power

1648

01:40:37,540 --> 01:40:34,220

is what they're all about greed because

1649

01:40:38,890 --> 01:40:37,550

some of the technology can be used to to

1650

01:40:42,580 --> 01:40:38,900

go up

1651
01:40:45,640 --> 01:40:42,590
new and exotic weaponry or something

1652
01:40:49,980 --> 01:40:45,650
like it and make money through that

1653
01:40:54,700 --> 01:40:49,990
and other applications and technology

1654
01:40:56,530 --> 01:40:54,710
and enrich themselves that's a great

1655
01:41:00,070 --> 01:40:56,540
part and then the power part of course

1656
01:41:03,730 --> 01:41:00,080
is all secrets especially secrets of

1657
01:41:09,610 --> 01:41:03,740
this nature would be very powerful tools

1658
01:41:15,520 --> 01:41:09,620
to extract secrets from from other

1659
01:41:19,450 --> 01:41:15,530
countries in exchange so I think those

1660
01:41:37,840 --> 01:41:19,460
two factors greed and power are the main

1661
01:41:43,150 --> 01:41:37,850
drivers for this international cabal you

1662
01:41:47,230 --> 01:41:43,160
know it's ever been more sane less say I

1663
01:41:51,430 --> 01:41:47,240

don't know if life just rolls like this

1664

01:41:54,910 --> 01:41:51,440

always but there's definitely sinister

1665

01:41:57,190 --> 01:41:54,920

things the thoughts and you know the

1666

01:41:59,280 --> 01:41:57,200

fact that they spend this is one thing

1667

01:42:01,630 --> 01:41:59,290

that confuses me they spent so much time

1668

01:42:06,130 --> 01:42:01,640

generating this level of secrecy and

1669

01:42:10,720 --> 01:42:06,140

disinformation around the phenomena and

1670

01:42:12,700 --> 01:42:10,730

not some vaults UFOs so you know

1671

01:42:16,660 --> 01:42:12,710

whenever there's any kind of admission

1672

01:42:19,960 --> 01:42:16,670

it always makes me suspicious why are

1673

01:42:22,840 --> 01:42:19,970

they allowing the Navy to tell us about

1674

01:42:25,510 --> 01:42:22,850

these events that they've had you know

1675

01:42:29,080 --> 01:42:25,520

why is it they all of a sudden to talk

1676

01:42:31,720 --> 01:42:29,090

about this mm-hmm I just feel like

1677

01:42:35,920 --> 01:42:31,730

there's some justification needed for

1678

01:42:40,480 --> 01:42:35,930

something and you know why

1679

01:42:47,380 --> 01:42:40,490

you know why are we gonna trust you know

1680

01:42:50,460 --> 01:42:47,390

oh you can't you can't trust that's the

1681

01:42:54,870 --> 01:42:50,470

problem that's why we need more openness

1682

01:42:57,810 --> 01:42:54,880

in government and make that a primary

1683

01:42:59,730 --> 01:42:57,820

issue which I'm going to do in my

1684

01:43:03,200 --> 01:42:59,740

campaign that's going to be one of the

1685

01:43:07,890 --> 01:43:03,210

prime issues that I talked about is

1686

01:43:10,460 --> 01:43:07,900

excessive secrecy again in many many

1687

01:43:14,090 --> 01:43:10,470

different areas but of course especially

1688

01:43:18,570 --> 01:43:14,100

this regarding the Yorkville phenomenon

1689

01:43:20,340 --> 01:43:18,580

know there's some objective in the

1690

01:43:23,700 --> 01:43:20,350

background that we don't understand why

1691

01:43:27,180 --> 01:43:23,710

the maybe is agreed to at least admit

1692

01:43:30,900 --> 01:43:27,190

that they are studying the issue again I

1693

01:43:33,450 --> 01:43:30,910

mean of course the Air Force studied

1694

01:43:35,790 --> 01:43:33,460

this up until 1969 like I mentioned and

1695

01:43:38,460 --> 01:43:35,800

then they proclaimed that they would no

1696

01:43:42,210 --> 01:43:38,470

longer be studying the phenomenon but

1697

01:43:46,280 --> 01:43:42,220

they have indeed been studying it

1698

01:43:52,320 --> 01:43:46,290

because I've got documents showing that

1699

01:43:55,910 --> 01:43:52,330

they have had studies in secret so like

1700

01:43:59,220 --> 01:43:55,920

I said a lot of this stuff is being

1701

01:44:02,730 --> 01:43:59,230

carrying is carrying on and secrecy high

1702

01:44:05,420 --> 01:44:02,740

secrecy and there's disinformation

1703

01:44:09,570 --> 01:44:05,430

campaigns going on there's ridicule

1704

01:44:15,150 --> 01:44:09,580

continuing from the government and the

1705

01:44:17,690 --> 01:44:15,160

press and the media and so like I said I

1706

01:44:20,340 --> 01:44:17,700

I just got very frustrated with all that

1707

01:44:23,610 --> 01:44:20,350

decided I'm mad as hell and I'm gonna do

1708

01:44:28,190 --> 01:44:23,620

something about it I'm going to run for

1709

01:44:30,770 --> 01:44:28,200

government and by the very act of my

1710

01:44:34,080 --> 01:44:30,780

running for government I'm going to be

1711

01:44:37,500 --> 01:44:34,090

speaking openly about the UFO phenomenon

1712

01:44:41,970 --> 01:44:37,510

I know that that doesn't sound like a

1713

01:44:44,850 --> 01:44:41,980

very good strategy but that's exactly

1714

01:44:50,340 --> 01:44:44,860

what I'm going to do because I I want to

1715

01:44:53,600 --> 01:44:50,350

get more of this in the public yeah and

1716

01:44:57,570 --> 01:44:53,610

I think the climate is right as well no

1717

01:45:02,520 --> 01:44:57,580

can they put the foot forward because of

1718

01:45:05,580 --> 01:45:02,530

the Navy yeah UFO you know being these

1719

01:45:09,840 --> 01:45:05,590

encounters being released and others you

1720

01:45:12,120 --> 01:45:09,850

know these these people I mean I spoke

1721

01:45:14,520 --> 01:45:12,130

to Sean Cahill a couple of weeks ago

1722

01:45:17,040 --> 01:45:14,530

Michelle you know he was the top

1723

01:45:20,610 --> 01:45:17,050

security guy on one of the ships that

1724

01:45:23,310 --> 01:45:20,620

they have does he cannot be a freaky

1725

01:45:25,800 --> 01:45:23,320

geek if you've got your in a position of

1726

01:45:28,800 --> 01:45:25,810

responsibility like that you know and

1727

01:45:30,990 --> 01:45:28,810

and this their having other experiences

1728

01:45:32,370 --> 01:45:31,000

as well as some of these fellows it's

1729

01:45:35,250 --> 01:45:32,380

not the only thing that they've seen

1730

01:45:36,870 --> 01:45:35,260

they've had other stuff happen to them

1731

01:45:39,170 --> 01:45:36,880

as well which they really want to talk

1732

01:45:43,110 --> 01:45:39,180

about and explore but they're dense

1733

01:45:46,050 --> 01:45:43,120

because you know it's dodgy territory we

1734

01:45:48,080 --> 01:45:46,060

want to remain credible but we still

1735

01:45:51,600 --> 01:45:48,090

need to have those conversations because

1736

01:45:54,300 --> 01:45:51,610

the the phenomena doesn't just end with

1737

01:45:57,570 --> 01:45:54,310

seeing something in the sky it leaves

1738

01:45:59,700 --> 01:45:57,580

you with a ripple effect that actually

1739

01:46:01,170 --> 01:45:59,710

seems to invite the phenomena even more

1740

01:46:03,990 --> 01:46:01,180

because it's put you on some sort of

1741

01:46:05,430 --> 01:46:04,000

conscious level where you've like

1742

01:46:09,540 --> 01:46:05,440

Marilyn was saying earlier about

1743

01:46:12,570 --> 01:46:09,550

frequencies changing you know it's is

1744

01:46:16,320 --> 01:46:12,580

that what's happening to us you know but

1745

01:46:18,570 --> 01:46:16,330

the fear factor of mentioning any of it

1746

01:46:25,350 --> 01:46:18,580

that is where we really need to do our

1747

01:46:28,410 --> 01:46:25,360

hardest work yes yes you're right and

1748

01:46:33,270 --> 01:46:28,420

and that's why the Cabal has been so

1749

01:46:38,060 --> 01:46:33,280

effective because they know this is

1750

01:46:44,730 --> 01:46:38,070

sounds ridiculous to ordinary years

1751

01:46:48,830 --> 01:46:44,740

common use and we've got to overcome

1752

01:46:51,960 --> 01:46:48,840

that fear factor you know those of us I

1753

01:46:53,700 --> 01:46:51,970

look at it as responsibility those of us

1754

01:46:57,600 --> 01:46:53,710

that have had experiences have a

1755

01:47:02,160 --> 01:46:57,610

responsibility to come forward and tell

1756

01:47:04,490 --> 01:47:02,170

the public and but that's up to us we

1757

01:47:09,540 --> 01:47:04,500

need to recognize that responsibility

1758

01:47:11,580 --> 01:47:09,550

and and share it with the public and

1759

01:47:15,870 --> 01:47:11,590

this comes under the heading of all all

1760

01:47:19,080 --> 01:47:15,880

of us working together to find the truth

1761

01:47:22,320 --> 01:47:19,090

and that's what I'm inspired by people

1762

01:47:24,350 --> 01:47:22,330

power basically and I think that's

1763

01:47:29,750 --> 01:47:24,360

that's the answer

1764

01:47:32,970 --> 01:47:29,760

people have to speak out yeah they can I

1765

01:47:35,340 --> 01:47:32,980

know it's so isolating as well at these

1766

01:47:37,050 --> 01:47:35,350

events at first you know most people

1767

01:47:37,620 --> 01:47:37,060

will say that they've just felt so alone

1768

01:47:40,830 --> 01:47:37,630

with it

1769

01:47:42,510 --> 01:47:40,840

so there's you know there's there is

1770

01:47:44,310 --> 01:47:42,520

comfort in finding the right people to

1771

01:47:46,680 --> 01:47:44,320

talk to but it's actually finding those

1772

01:47:50,040 --> 01:47:46,690

people who is the right person to go to

1773

01:47:53,340 --> 01:47:50,050

it with all of this you know there are

1774

01:47:55,830 --> 01:47:53,350

so many frauds and people that just want

1775

01:48:00,570 --> 01:47:55,840

to make a name for themselves and become

1776

01:48:04,500 --> 01:48:00,580

the beginning very dangerous places the

1777

01:48:08,030 --> 01:48:04,510

UFO community it's not safe at all no

1778

01:48:11,070 --> 01:48:08,040

you're absolutely right and the

1779

01:48:13,890 --> 01:48:11,080

so-called UFO community has been

1780

01:48:17,070 --> 01:48:13,900

infiltrated no question about it

1781

01:48:23,210 --> 01:48:17,080

there are disinformation and folks that

1782

01:48:25,640 --> 01:48:23,220

are involved in telling these wild tales

1783

01:48:28,890 --> 01:48:25,650

based on no evidence or no

1784

01:48:31,950 --> 01:48:28,900

substantiation at all and they they do

1785

01:48:35,400 --> 01:48:31,960

us more harm they really do and that and

1786

01:48:39,360 --> 01:48:35,410

that's why I think you and I others have

1787

01:48:42,330 --> 01:48:39,370

had to make judgments about people let's

1788

01:48:45,830 --> 01:48:42,340

say which I know I I hate to do I don't

1789

01:48:49,140 --> 01:48:45,840

like to judge people but in this case

1790

01:48:55,260 --> 01:48:49,150

when people are doing harm to the cause

1791

01:48:58,740 --> 01:48:55,270

of disclosure by telling telling wild

1792

01:49:04,050 --> 01:48:58,750

tales let's say that they just took out

1793

01:49:07,100 --> 01:49:04,060

of thin air is harming all of us so we

1794

01:49:10,620 --> 01:49:07,110

have to call that out when we see it

1795

01:49:13,500 --> 01:49:10,630

because the phenomena is real and how

1796

01:49:15,630 --> 01:49:13,510

can we see it for what it is when

1797

01:49:19,110 --> 01:49:15,640

there's so much pollution it's just

1798

01:49:21,480 --> 01:49:19,120

noises you know it and it's not just

1799

01:49:24,960 --> 01:49:21,490

deliberate it's not I know that there is

1800

01:49:27,870 --> 01:49:24,970

an effort to disrupt the hope the entire

1801
01:49:29,540 --> 01:49:27,880
scene but also the people that they want

1802
01:49:31,370 --> 01:49:29,550
to have you know

1803
01:49:32,720 --> 01:49:31,380
lives are maybe a little bit dull they

1804
01:49:34,280 --> 01:49:32,730
want to feel different they want to feel

1805
01:49:38,180 --> 01:49:34,290
like they belong to something so they

1806
01:49:40,339 --> 01:49:38,190
might you know elaborate or make things

1807
01:49:42,500 --> 01:49:40,349
up just so that they can talk and be a

1808
01:49:45,770 --> 01:49:42,510
part of this thing that they think is

1809
01:49:49,100 --> 01:49:45,780
something really cool and groovy but all

1810
01:49:54,080 --> 01:49:49,110
of that is is pollution and and I find

1811
01:50:02,209 --> 01:49:54,090
it very hard to bite my soul when it

1812
01:50:09,560 --> 01:50:02,219
comes to this I don't see why I should

1813
01:50:13,100 --> 01:50:09,570

have to bite my tongue when I don't bite

1814

01:50:15,439 --> 01:50:13,110

your tongue speak out about it I

1815

01:50:19,760 --> 01:50:15,449

encourage you to speak out when they see

1816

01:50:22,010 --> 01:50:19,770

some or ask questions basically and you

1817

01:50:25,310 --> 01:50:22,020

know get to the bottom of it do you have

1818

01:50:30,260 --> 01:50:25,320

any substantiating evidence you know

1819

01:50:32,950 --> 01:50:30,270

that way you can order no that way you

1820

01:50:38,299 --> 01:50:32,960

can order the evidence in other words

1821

01:50:43,220 --> 01:50:38,309

place more value on on some what I call

1822

01:50:45,740 --> 01:50:43,230

evidence from the phenomenon based on

1823

01:50:49,520 --> 01:50:45,750

you know documents the number of

1824

01:50:51,319 --> 01:50:49,530

witnesses the credulity of the

1825

01:50:54,770 --> 01:50:51,329

individual the integrity of the

1826
01:50:58,580 --> 01:50:54,780
individual those kinds of things what I

1827
01:51:03,319 --> 01:50:58,590
call the judgmental of course but

1828
01:51:07,010 --> 01:51:03,329
necessary to evaluate the truth of the

1829
01:51:08,660 --> 01:51:07,020
matter and we're just we're just

1830
01:51:11,169 --> 01:51:08,670
listening to people that are spotting

1831
01:51:15,109 --> 01:51:11,179
are making wild claims without any

1832
01:51:24,220 --> 01:51:15,119
supporting evidence for information and

1833
01:51:27,319 --> 01:51:24,230
well we can put that down in the order I

1834
01:51:30,350 --> 01:51:27,329
think it's gonna be interesting in the

1835
01:51:33,890 --> 01:51:30,360
future for myself Steve and onion

1836
01:51:36,620 --> 01:51:33,900
because we don't know what the whole

1837
01:51:39,520 --> 01:51:36,630
story is you know we only have our own

1838
01:51:41,320 --> 01:51:39,530

personal recollections

1839

01:51:43,060 --> 01:51:41,330

it's going to be interesting that

1840

01:51:46,570 --> 01:51:43,070

there's a third party coming into this

1841

01:51:47,950 --> 01:51:46,580

so sew it all together and what what are

1842

01:51:50,710 --> 01:51:47,960

we going to see at the end of this

1843

01:51:53,260 --> 01:51:50,720

investigation and in this documentary

1844

01:51:56,170 --> 01:51:53,270

you know because all I know is what I

1845

01:51:59,290 --> 01:51:56,180

remember and all Steve knows what he

1846

01:52:09,460 --> 01:51:59,300

remembers and dunya is the same so you

1847

01:52:14,080 --> 01:52:09,470

know we've never but you have it's gonna

1848

01:52:17,380 --> 01:52:14,090

be when all of our accounts put together

1849

01:52:22,210 --> 01:52:17,390

it's gonna be fuller if you know I mean

1850

01:52:23,800 --> 01:52:22,220

I don't know it's not really gonna make

1851
01:52:29,320 --> 01:52:23,810
any difference at the end of the day

1852
01:52:33,729 --> 01:52:29,330
because there's still no yeah I mean an

1853
01:52:37,479 --> 01:52:33,739
emotional level summer sea level it

1854
01:52:42,040 --> 01:52:37,489
still happened and that having trouble

1855
01:52:46,050 --> 01:52:42,050
believing it still 23 years later it's

1856
01:52:48,550 --> 01:52:46,060
it's wild

1857
01:52:52,000 --> 01:52:48,560
but I'm looking forward to see how it

1858
01:52:54,370 --> 01:52:52,010
develops and how and whether it allowing

1859
01:52:58,600 --> 01:52:54,380
us to rest for all of us because we all

1860
01:53:01,630 --> 01:52:58,610
have them from it I applaud you starship

1861
01:53:07,720 --> 01:53:01,640
for doing that it takes courage takes

1862
01:53:10,180 --> 01:53:07,730
guts to get out there and tell your

1863
01:53:13,960 --> 01:53:10,190

story and and the other people involved

1864

01:53:17,890 --> 01:53:13,970

also to come out and this is what we

1865

01:53:21,010 --> 01:53:17,900

need we need people to exercise a bit of

1866

01:53:27,880 --> 01:53:21,020

courage and and come out and tell these

1867

01:53:29,200 --> 01:53:27,890

toys because I think now after all of

1868

01:53:31,540 --> 01:53:29,210

the crap that I've actually been through

1869

01:53:33,820 --> 01:53:31,550

well are being in ufology I think I've

1870

01:53:37,840 --> 01:53:33,830

got to a level now where it's not going

1871

01:53:40,600 --> 01:53:37,850

to be and dangerous for Steve and Danny

1872

01:53:43,110 --> 01:53:40,610

to come forward because I'm already

1873

01:53:48,450 --> 01:53:43,120

known there's they're not going to get

1874

01:53:50,460 --> 01:53:48,460

beaten up verbally the way that I have

1875

01:53:53,400 --> 01:53:50,470

you know the clashes that I've had with

1876

01:53:54,990 --> 01:53:53,410

people whatever my stories already known

1877

01:53:59,330 --> 01:53:55,000

so these are just bringing another

1878

01:54:03,780 --> 01:53:59,340

element to it and you know as far as

1879

01:54:06,720 --> 01:54:03,790

incidents go it's a really wild one and

1880

01:54:10,200 --> 01:54:06,730

now you know anybody who may not have

1881

01:54:13,140 --> 01:54:10,210

believed me might actually now accept

1882

01:54:16,470 --> 01:54:13,150

that something that crazy did happen and

1883

01:54:17,790 --> 01:54:16,480

does happen and now that there's people

1884

01:54:19,320 --> 01:54:17,800

who come forward in the said they've

1885

01:54:20,790 --> 01:54:19,330

seen this really huge thing and everyone

1886

01:54:23,340 --> 01:54:20,800

does the air whatever we believe the

1887

01:54:26,550 --> 01:54:23,350

phenomena but we don't believe you you

1888

01:54:27,930 --> 01:54:26,560

know I think there's a Penn Turk

1889

01:54:29,910 --> 01:54:27,940

incident I don't know if you've seen

1890

01:54:33,030 --> 01:54:29,920

anything about that was a great big

1891

01:54:38,430 --> 01:54:33,040

black pyramid type craft in Wales in

1892

01:54:39,810 --> 01:54:38,440

2016 but you know yeah yeah I'll send

1893

01:54:42,300 --> 01:54:39,820

you some information about it it's

1894

01:54:44,010 --> 01:54:42,310

absolutely wild I believer people say oh

1895

01:54:46,980 --> 01:54:44,020

she's too confident she's like no she's

1896

01:54:49,050 --> 01:54:46,990

not she's got this indignant this is

1897

01:54:51,690 --> 01:54:49,060

anger but behind there this you know

1898

01:54:53,730 --> 01:54:51,700

this is happening wake up everybody but

1899

01:54:55,200 --> 01:54:53,740

because she's like that people say oh no

1900

01:54:57,480 --> 01:54:55,210

she's not believable because she should

1901
01:54:59,730 --> 01:54:57,490
be this way you should be that way you

1902
01:55:02,640 --> 01:54:59,740
know but I'm going to see her in a

1903
01:55:04,980 --> 01:55:02,650
fortnight I'm gonna go when to where it

1904
01:55:12,960 --> 01:55:04,990
actually happened and just have a little

1905
01:55:13,440 --> 01:55:12,970
poke about now I will mention to you

1906
01:55:24,390 --> 01:55:13,450
real quick

1907
01:55:28,770 --> 01:55:24,400
you mentioned the pyramid actually I

1908
01:55:31,830 --> 01:55:28,780
think two people saw the same thing and

1909
01:55:53,270 --> 01:55:31,840
it was a pyramid over the Pentagon in

1910
01:56:01,470 --> 01:55:56,880
nor than one witness and national video

1911
01:56:02,490 --> 01:56:01,480
take this three dimensional pyramid

1912
01:56:10,830 --> 01:56:02,500
looking

1913
01:56:12,750 --> 01:56:10,840

object going on in Washington yeah the

1914

01:56:14,460 --> 01:56:12,760

problem is is that we have so much CGI

1915

01:56:16,230 --> 01:56:14,470

and he all looks so good I mean I've

1916

01:56:19,020 --> 01:56:16,240

seen a few pyramid videos and then

1917

01:56:21,600 --> 01:56:19,030

turned out to be fake but you know I

1918

01:56:22,770 --> 01:56:21,610

think that it's not that I'm saying I

1919

01:56:32,970 --> 01:56:22,780

don't think they're out there because I

1920

01:56:37,110 --> 01:56:34,920

yeah I've got some good people around me

1921

01:56:38,820 --> 01:56:37,120

that do some really good analysis so I'm

1922

01:56:41,100 --> 01:56:38,830

looking in that way that I can just keep

1923

01:56:44,120 --> 01:56:41,110

muttering them I will never see a video

1924

01:56:47,100 --> 01:56:44,130

go what's this usually I've already

1925

01:56:48,660 --> 01:56:47,110

explained it away but you know and

1926

01:56:50,610 --> 01:56:48,670

that's another thing as well you

1927

01:56:52,790 --> 01:56:50,620

shouldn't get so hung up on a video that

1928

01:56:55,200 --> 01:56:52,800

you really really believe it and then

1929

01:56:57,000 --> 01:56:55,210

react in a very bad way when you find

1930

01:56:58,920 --> 01:56:57,010

out that it's not real

1931

01:57:01,050 --> 01:56:58,930

you know there's a lot of that goes on

1932

01:57:17,750 --> 01:57:01,060

that there is a phenomena we just have

1933

01:57:17,760 --> 01:57:30,680

I wish you every success in your next

1934

01:57:43,020 --> 01:57:32,750

[Music]

1935

01:57:46,680 --> 01:57:43,030

the UFO show successful but even if I'm

1936

01:57:50,520 --> 01:57:46,690

not successful I'll be blabbing about it

1937

01:57:54,390 --> 01:57:50,530

for another year in my campaign so yeah

1938

01:57:59,690 --> 01:57:54,400

thank you for thank you for inviting me

1939

01:58:03,050 --> 01:57:59,700

on the show I have very high regard and

1940

01:58:11,490 --> 01:58:03,060

we wish you the best

1941

01:58:14,920 --> 01:58:11,500

likewise it's mutual respect you know

1942

01:58:19,600 --> 01:58:14,930

and thank you for your disclosure

1943

01:58:22,150 --> 01:58:19,610

you bet happy to do it it's my job haha

1944

01:58:27,340 --> 01:58:22,160

this is my mission and I chose to accept

1945

01:58:32,190 --> 01:58:27,350

it okay everyone we'll see you next week
