

1
00:00:05,150 --> 00:00:02,929
the views opinions and research

2
00:00:07,249 --> 00:00:05,160
conclusions expressed on this show are

3
00:00:09,169 --> 00:00:07,259
those of the show host and not

4
00:00:12,169 --> 00:00:09,179
necessarily those of the network access

5
00:00:15,350 --> 00:00:12,179
Northwest Community Radio are any of its

6
00:00:17,630 --> 00:00:15,360
associates the author and host is solely

7
00:00:19,099 --> 00:00:17,640
responsible for its content the author

8
00:00:21,140 --> 00:00:19,109
has made every endeavor to be

9
00:00:23,450 --> 00:00:21,150
historically accurate and factually

10
00:00:25,269 --> 00:00:23,460
correct based on the written audio and

11
00:00:27,410 --> 00:00:25,279
video claims of the person in question

12
00:00:29,990 --> 00:00:27,420
the playing of this show does not

13
00:00:46,850 --> 00:00:30,000

constitute as an endorsement by Access

14

00:00:48,619 --> 00:00:46,860

Northwest radio I recently heard him

15

00:00:50,660 --> 00:00:48,629

talk at the Outer Limits conferences

16

00:00:52,880 --> 00:00:50,670

somewhere I found his talk particularly

17

00:00:54,709 --> 00:00:52,890

interesting due to the fact that he was

18

00:00:57,650 --> 00:00:54,719

talking about his experiences with the

19

00:00:58,849 --> 00:00:57,660

greys I could go on but to be honest I'd

20

00:01:01,610 --> 00:00:58,859

rather just get straight into the

21

00:01:06,410 --> 00:01:01,620

conversation so hi Phil welcome to my

22

00:01:11,330 --> 00:01:06,420

slice of life thank you very much for

23

00:01:20,120 --> 00:01:11,340

having me yeah I mean I've loved meeting

24

00:01:22,219 --> 00:01:20,130

new companies I've been looking forward

25

00:01:25,700 --> 00:01:22,229

to speaking to here because we've got

26
00:01:29,810 --> 00:01:25,710
some things in common and you're trying

27
00:01:32,350 --> 00:01:29,820
to kind of find an overall picture of

28
00:01:37,520 --> 00:01:32,360
what might be going on with the Grays as

29
00:01:40,490 --> 00:01:37,530
most of us experiences but you'll be

30
00:01:42,319 --> 00:01:40,500
interesting to go over that for my

31
00:01:47,420 --> 00:01:42,329
listeners because they like that kind of

32
00:01:50,030 --> 00:01:47,430
thing so I mean one of the things is

33
00:01:52,639 --> 00:01:50,040
after that you know when someone does

34
00:01:55,580 --> 00:01:52,649
have and what is called an abduction

35
00:01:58,039 --> 00:01:55,590
that at the point that it happens you

36
00:02:01,609 --> 00:01:58,049
know with myself back in the winter of

37
00:02:05,600 --> 00:02:01,619
1989 I didn't understand what actually

38
00:02:08,150 --> 00:02:05,610

had happened it's only when you start to

39

00:02:09,740 --> 00:02:08,160

realize that the experience seemed to

40

00:02:12,949 --> 00:02:09,750

change you in some way and leave you

41

00:02:13,820 --> 00:02:12,959

with physical marks and when system that

42

00:02:15,590 --> 00:02:13,830

we serve tell

43

00:02:18,170 --> 00:02:15,600

sooo that there are no such things as

44

00:02:20,930 --> 00:02:18,180

UFOs there are no such things as aliens

45

00:02:22,670 --> 00:02:20,940

and that you know that the the taboo

46

00:02:24,770 --> 00:02:22,680

subject on life after death

47

00:02:26,000 --> 00:02:24,780

well it's blatantly clear to the

48

00:02:27,950 --> 00:02:26,010

individual who's gone through the

49

00:02:31,310 --> 00:02:27,960

experience that either you're lying or

50

00:02:33,740 --> 00:02:31,320

the system's lying and I discovered that

51
00:02:35,390 --> 00:02:33,750
actually it's not you as the individual

52
00:02:38,510 --> 00:02:35,400
who's lying but we are being lied to

53
00:02:41,150 --> 00:02:38,520
that there is a consensus to conceal

54
00:02:44,870 --> 00:02:41,160
this information from the general public

55
00:02:47,240 --> 00:02:44,880
and I like the way Sachi brought into

56
00:02:49,880 --> 00:02:47,250
the greys because that is what I

57
00:02:52,370 --> 00:02:49,890
experience so I can't talk for other

58
00:02:54,410 --> 00:02:52,380
areas of the UFO phenomena like other

59
00:02:56,660 --> 00:02:54,420
life-forms that certain people have

60
00:02:59,240 --> 00:02:56,670
experienced but the greys seemed to be

61
00:03:01,310 --> 00:02:59,250
the main area of interest and certainly

62
00:03:04,370 --> 00:03:01,320
very famous within the field of

63
00:03:06,550 --> 00:03:04,380

ufological research so that's where I

64

00:03:09,590 --> 00:03:06,560

got interested with regards to the greys

65

00:03:14,180 --> 00:03:09,600

the experience itself that I had back in

66

00:03:16,850 --> 00:03:14,190

1989 was very very bizarre I'd come back

67

00:03:19,100 --> 00:03:16,860

from work and at that time we'd lived in

68

00:03:21,680 --> 00:03:19,110

a small village and of Mastan more tane

69

00:03:23,630 --> 00:03:21,690

which is some miles outside of Bedford

70

00:03:25,880 --> 00:03:23,640

sure and and in order to get to work I

71

00:03:28,190 --> 00:03:25,890

used to have to get the train from Mill

72

00:03:31,100 --> 00:03:28,200

Brook to Bedford and on this particular

73

00:03:33,890 --> 00:03:31,110

night that I'd come back it was winter

74

00:03:36,380 --> 00:03:33,900

so it would have been dark I've made my

75

00:03:38,449 --> 00:03:36,390

way home and the only people in the

76
00:03:41,570 --> 00:03:38,459
house was my brother and my sister and

77
00:03:43,580 --> 00:03:41,580
our dog Benji and we we lived on a

78
00:03:46,699 --> 00:03:43,590
corner in a cul-de-sac so it's quite a

79
00:03:48,949 --> 00:03:46,709
big house so I I walked up to the drive

80
00:03:50,449 --> 00:03:48,959
went inside you know say hello walk

81
00:03:52,220 --> 00:03:50,459
through the hall and then into the

82
00:03:53,720 --> 00:03:52,230
kitchen and we're just having a drink

83
00:03:56,930 --> 00:03:53,730
and talking about the normal stuff that

84
00:03:59,120 --> 00:03:56,940
people normally talk about and all of a

85
00:04:01,340 --> 00:03:59,130
sudden where I'm stood within the

86
00:04:03,350 --> 00:04:01,350
kitchen and Stroke diner the the dining

87
00:04:05,000 --> 00:04:03,360
room door is opened which leads out to

88
00:04:07,820 --> 00:04:05,010

the hall and we had frosted glass

89

00:04:10,729 --> 00:04:07,830

windows that lead out to be to the

90

00:04:13,220 --> 00:04:10,739

driveway and I I suddenly felt this

91

00:04:15,440 --> 00:04:13,230

strange atmosphere it was almost as if

92

00:04:20,060 --> 00:04:15,450

it was electrical current that started

93

00:04:23,090 --> 00:04:20,070

running around the room and my brother

94

00:04:25,370 --> 00:04:23,100

went into some type of strange trance

95

00:04:26,749 --> 00:04:25,380

and and he was at the corner so he

96

00:04:29,689 --> 00:04:26,759

didn't have

97

00:04:31,429 --> 00:04:29,699

the the central observations where I was

98

00:04:32,689 --> 00:04:31,439

but he went into his trance and he

99

00:04:34,129 --> 00:04:32,699

lifted his head up and said there's

100

00:04:37,040 --> 00:04:34,139

going to be an earthquake or grandma's

101
00:04:40,129 --> 00:04:37,050
gonna die and at that point it was so

102
00:04:41,929 --> 00:04:40,139
quick this light came up from what I

103
00:04:43,760 --> 00:04:41,939
thought was a car light from out the

104
00:04:45,439 --> 00:04:43,770
front through the frosted glass windows

105
00:04:47,779 --> 00:04:45,449
and the light started to increase in

106
00:04:51,200 --> 00:04:47,789
intensity through the glass doors of the

107
00:04:55,189 --> 00:04:51,210
house and then I could see the glass

108
00:04:57,170 --> 00:04:55,199
door starting to bends like it like it's

109
00:04:59,450 --> 00:04:57,180
weird it was like bending like something

110
00:05:01,670 --> 00:04:59,460
was trying to come through at this point

111
00:05:05,480 --> 00:05:01,680
the dog was really barking and yelping

112
00:05:07,459 --> 00:05:05,490
and and I at that moment I didn't know

113
00:05:10,219 --> 00:05:07,469

how to react to this very strange

114

00:05:12,439 --> 00:05:10,229

experience and then it became even more

115

00:05:14,839 --> 00:05:12,449

bizarre when I saw this small figure

116

00:05:16,879 --> 00:05:14,849

that was about three foot tall clad all

117

00:05:19,129 --> 00:05:16,889

in black with what I thought was a black

118

00:05:22,550 --> 00:05:19,139

motorcycle helmet on its head

119

00:05:25,490 --> 00:05:22,560

very thin body and it came through the

120

00:05:28,550 --> 00:05:25,500

glass door like it just popped through

121

00:05:30,230 --> 00:05:28,560

and ran through to the bottom of what

122

00:05:32,450 --> 00:05:30,240

was then my brother's and mine

123

00:05:36,379 --> 00:05:32,460

study stroke bedroom it was a big room

124

00:05:39,260 --> 00:05:36,389

downstairs huge room and at that point I

125

00:05:42,230 --> 00:05:39,270

froze I you know when you're met with

126

00:05:44,029 --> 00:05:42,240

something that challenges the normal

127

00:05:46,070 --> 00:05:44,039

processing of everyday life and you're

128

00:05:50,269 --> 00:05:46,080

met with something so besides like well

129

00:05:52,820 --> 00:05:50,279

what's just happened but anyway I the

130

00:05:55,189 --> 00:05:52,830

dogs going mad crazy really mad and then

131

00:05:58,249 --> 00:05:55,199

I see this thing come from the corner of

132

00:06:00,860 --> 00:05:58,259

the room in the hall and I ran across up

133

00:06:02,629 --> 00:06:00,870

the stairs and at that point I freaked

134

00:06:04,339 --> 00:06:02,639

out I took a knife from the drawer

135

00:06:06,950 --> 00:06:04,349

behind me and I shouted there's an

136

00:06:08,629 --> 00:06:06,960

intruder in the house and I shouted

137

00:06:12,920 --> 00:06:08,639

again there's an intruder in the house

138

00:06:15,260 --> 00:06:12,930

and when we had made you know search of

139

00:06:17,209 --> 00:06:15,270

the house upstairs all the rooms there

140

00:06:20,240 --> 00:06:17,219

was nothing and I remembered that night

141

00:06:23,320 --> 00:06:20,250

I broke down because I couldn't

142

00:06:26,469 --> 00:06:23,330

understand what it meant and then heart

143

00:06:28,879 --> 00:06:26,479

initially I thought that was it until

144

00:06:30,529 --> 00:06:28,889

the early hours of the morning and

145

00:06:33,559 --> 00:06:30,539

something that was even more bizarre

146

00:06:36,170 --> 00:06:33,569

that occurred that I had that I've paid

147

00:06:38,870 --> 00:06:36,180

the price for unfortunately when the

148

00:06:40,340 --> 00:06:38,880

media machine got involved with with the

149

00:06:44,180 --> 00:06:40,350

fine finer aspects

150

00:06:46,100 --> 00:06:44,190

what we call an abduction so we couldn't

151

00:06:48,470 --> 00:06:46,110

find any evidence of this thing my

152

00:06:50,180 --> 00:06:48,480

brother had come out of his trance he

153

00:06:51,920 --> 00:06:50,190

doesn't understand why he said what he

154

00:06:53,600 --> 00:06:51,930

said because our maternal grandmother

155

00:06:55,940 --> 00:06:53,610

was still alive at that point and it

156

00:06:57,200 --> 00:06:55,950

certainly was no earthquake my sister

157

00:06:59,360 --> 00:06:57,210

had been in the far corner of the room

158

00:07:01,610 --> 00:06:59,370

that had witnessed and everything that

159

00:07:04,190 --> 00:07:01,620

had occurred bar from seeing the being I

160

00:07:08,780 --> 00:07:04,200

have I was the only one and the dog I'm

161

00:07:10,520 --> 00:07:08,790

sorry to say to top the being come

162

00:07:12,950 --> 00:07:10,530

through the door and then run up through

163

00:07:15,620 --> 00:07:12,960

the hall up the stairs to UPS to that up

164

00:07:18,460 --> 00:07:15,630

of the house so in the early hours of

165

00:07:21,070 --> 00:07:18,470

the morning I then found myself because

166

00:07:25,550 --> 00:07:21,080

our room was downstairs

167

00:07:28,010 --> 00:07:25,560

floating on my back and I woke up on my

168

00:07:31,550 --> 00:07:28,020

back and I was probably about three foot

169

00:07:33,770 --> 00:07:31,560

off the floor and I was coming through

170

00:07:35,990 --> 00:07:33,780

the hall it was all dark and I

171

00:07:38,510 --> 00:07:36,000

remembered thinking well this is weird

172

00:07:42,890 --> 00:07:38,520

because I can't move and something's

173

00:07:45,650 --> 00:07:42,900

moving me my head was facing the going

174

00:07:48,740 --> 00:07:45,660

towards the hall so as I went through

175

00:07:52,010 --> 00:07:48,750

the closed glass doors to the kitchen

176

00:07:54,230 --> 00:07:52,020

because it's all glass I kept thinking

177

00:07:57,260 --> 00:07:54,240

well how am I able to get through solid

178

00:07:59,240 --> 00:07:57,270

matter how is this possible and still I

179

00:08:01,550 --> 00:07:59,250

went through I was being pulled through

180

00:08:03,080 --> 00:08:01,560

the kitchen through to the conservatory

181

00:08:04,880 --> 00:08:03,090

doors through to the conservatory and

182

00:08:07,730 --> 00:08:04,890

out to the garden and we had a very big

183

00:08:10,340 --> 00:08:07,740

garden with a pond and as I was being

184

00:08:13,160 --> 00:08:10,350

taken outside I remembered being circled

185

00:08:16,250 --> 00:08:13,170

upright so I was now looking up at the

186

00:08:18,710 --> 00:08:16,260

sky that was pitch black and there were

187

00:08:21,740 --> 00:08:18,720

UFOs flying across the sky and I'm

188

00:08:25,070 --> 00:08:21,750

thinking in this state UFOs are real

189

00:08:27,200 --> 00:08:25,080

they're real they actually exist and as

190

00:08:29,450 --> 00:08:27,210

all these crafts were flying through the

191

00:08:31,450 --> 00:08:29,460

sky there was one main one that seemed

192

00:08:34,540 --> 00:08:31,460

stationary and caught my attention and

193

00:08:38,659 --> 00:08:34,550

Osuna had I focused upon the the

194

00:08:40,850 --> 00:08:38,669

spherical silver object Weis pulled up

195

00:08:42,110 --> 00:08:40,860

so it felt like you know when you're on

196

00:08:45,050 --> 00:08:42,120

a roller coaster and you get that

197

00:08:46,760 --> 00:08:45,060

feeling I should taking the dip down and

198

00:08:49,460 --> 00:08:46,770

it felt like I was going up and I was

199

00:08:52,190 --> 00:08:49,470

getting moving much faster towards it

200

00:08:54,230 --> 00:08:52,200

and then I blacked out the next part is

201
00:08:56,960 --> 00:08:54,240
the most horrific

202
00:08:59,120 --> 00:08:56,970
and this is where this is what led me

203
00:09:01,850 --> 00:08:59,130
into a lifelong study and investigation

204
00:09:04,730 --> 00:09:01,860
of the facts and the fantasy and all the

205
00:09:07,880 --> 00:09:04,740
rubbish of UF ology I wanted to find out

206
00:09:11,000 --> 00:09:07,890
what the abduction phenomena meant and

207
00:09:16,300 --> 00:09:11,010
what that these entities were shall I

208
00:09:19,730 --> 00:09:16,310
explain what happened I awoke

209
00:09:23,150 --> 00:09:19,740
disorientated and I found myself in a

210
00:09:25,520 --> 00:09:23,160
room that was very hot and slightly very

211
00:09:27,170 --> 00:09:25,530
dull I couldn't I couldn't see a great

212
00:09:30,380 --> 00:09:27,180
deal of what was what was in the room

213
00:09:33,350 --> 00:09:30,390

because I found myself strapped to a bed

214

00:09:37,070 --> 00:09:33,360

and the the sudden shock and realization

215

00:09:39,470 --> 00:09:37,080

of finding myself strapped naked to this

216

00:09:41,480 --> 00:09:39,480

bed horrified me because it was like you

217

00:09:43,670 --> 00:09:41,490

know when you're in one of those dreams

218

00:09:46,040 --> 00:09:43,680

and you wake up and then you you you you

219

00:09:47,900 --> 00:09:46,050

can't work out what's happened around

220

00:09:50,150 --> 00:09:47,910

you like when you wake sometimes do you

221

00:09:53,060 --> 00:09:50,160

think what day of the week is what day

222

00:09:56,120 --> 00:09:53,070

of the week is it or woke up on this bed

223

00:10:00,650 --> 00:09:56,130

and I'm strapped to it and it's hot it's

224

00:10:04,190 --> 00:10:00,660

very very hot it's like a sauna and I

225

00:10:06,350 --> 00:10:04,200

then realize that they that something

226

00:10:09,800 --> 00:10:06,360

has been put in the lower part of my

227

00:10:12,320 --> 00:10:09,810

anatomy and the the actual object itself

228

00:10:14,810 --> 00:10:12,330

I could feel within my stomach so I

229

00:10:17,270 --> 00:10:14,820

realized there was something inside me

230

00:10:19,250 --> 00:10:17,280

but seemed to be pulsating within my

231

00:10:23,750 --> 00:10:19,260

stomach and at this point I freaked

232

00:10:26,480 --> 00:10:23,760

huh dn't move and I was hot and I

233

00:10:28,940 --> 00:10:26,490

remembered lifting my head up to see

234

00:10:33,650 --> 00:10:28,950

what was going on and when I turned to

235

00:10:35,900 --> 00:10:33,660

my right there were I paid the price for

236

00:10:37,970 --> 00:10:35,910

this there were three reptilians and

237

00:10:40,640 --> 00:10:37,980

they were very tall they didn't

238

00:10:42,580 --> 00:10:40,650

communicate they were moving backwards

239

00:10:45,920 --> 00:10:42,590

and forwards in this very strange

240

00:10:47,900 --> 00:10:45,930

ritualistic trance movement but they

241

00:10:50,750 --> 00:10:47,910

were covered in fog there was a lot of

242

00:10:52,730 --> 00:10:50,760

steam everywhere and I started to scream

243

00:10:55,820 --> 00:10:52,740

and asked them to remove this thing out

244

00:10:59,870 --> 00:10:55,830

of me I want them to get this out of me

245

00:11:02,360 --> 00:10:59,880

I was petrified I can't express the fear

246

00:11:03,620 --> 00:11:02,370

that I had gone through and it's a

247

00:11:05,780 --> 00:11:03,630

nightmare that I will always remember

248

00:11:07,519 --> 00:11:05,790

for as long as I live even all the way

249

00:11:09,889 --> 00:11:07,529

back in 1989

250

00:11:11,780 --> 00:11:09,899

and they it was like I was a piece of

251
00:11:14,420 --> 00:11:11,790
meat I didn't matter to them I was

252
00:11:16,069 --> 00:11:14,430
nothing to them but this thing inside me

253
00:11:18,429 --> 00:11:16,079
I wanted out and then there were this

254
00:11:21,739 --> 00:11:18,439
gray but it was more of a cream-colored

255
00:11:25,960 --> 00:11:21,749
gray that came yeah

256
00:11:29,210 --> 00:11:25,970
and it came forward and I can't remember

257
00:11:32,420 --> 00:11:29,220
you know what was going on at that point

258
00:11:34,730 --> 00:11:32,430
because I was so horrified I wanted it

259
00:11:36,949 --> 00:11:34,740
out but he came forward and I assumed it

260
00:11:39,259 --> 00:11:36,959
was a he and the straps were released

261
00:11:41,809 --> 00:11:39,269
and his mechanism had gone off the come

262
00:11:44,210 --> 00:11:41,819
out and gone across the floor and I was

263
00:11:46,189 --> 00:11:44,220

ordered to sit I was ordered to dress

264

00:11:47,840 --> 00:11:46,199

and I was ordered to follow it but you

265

00:11:50,710 --> 00:11:47,850

know what I felt kind of like a little

266

00:11:54,110 --> 00:11:50,720

bit empathic because I felt that this

267

00:11:58,249 --> 00:11:54,120

smaller being people call the gray had

268

00:12:00,290 --> 00:11:58,259

released me from this nightmare when he

269

00:12:03,170 --> 00:12:00,300

asked me to follow him I remembered

270

00:12:06,170 --> 00:12:03,180

walking through this to this room that

271

00:12:07,670 --> 00:12:06,180

had no windows there were no doors there

272

00:12:09,679 --> 00:12:07,680

were these very dull lights that was

273

00:12:12,889 --> 00:12:09,689

coming through the the steam of the room

274

00:12:15,530 --> 00:12:12,899

and then he came to this wall and the

275

00:12:17,049 --> 00:12:15,540

wall opened and we're getting to the

276

00:12:21,559 --> 00:12:17,059

last part of this very strange

277

00:12:24,920 --> 00:12:21,569

experience the wall opened and I could

278

00:12:27,920 --> 00:12:24,930

see the village now that wherever we

279

00:12:30,740 --> 00:12:27,930

were was above the house and when I

280

00:12:33,710 --> 00:12:30,750

looked out there was another craft that

281

00:12:36,230 --> 00:12:33,720

was hanging very low to our conservatory

282

00:12:40,129 --> 00:12:36,240

and I could just make out the forming of

283

00:12:43,549 --> 00:12:40,139

another being gray took me to a wall and

284

00:12:45,889 --> 00:12:43,559

the wall opened up and when I looked out

285

00:12:48,049 --> 00:12:45,899

I could see that we that we were at a

286

00:12:50,389 --> 00:12:48,059

height and we were above our house and

287

00:12:52,850 --> 00:12:50,399

that when I looked to the corner I could

288

00:12:56,019 --> 00:12:52,860

see there was another cylindrical craft

289

00:12:59,030 --> 00:12:56,029

hanging very low by our conservatory

290

00:13:00,590 --> 00:12:59,040

conservatory building and it was another

291

00:13:02,509 --> 00:13:00,600

smaller being I couldn't make out much

292

00:13:04,369 --> 00:13:02,519

from from that but the being was saying

293

00:13:06,499 --> 00:13:04,379

right get out and I'm like you want me

294

00:13:07,939 --> 00:13:06,509

to get out I have a fear about Heights

295

00:13:11,239 --> 00:13:07,949

you want me to leave my stuff and get

296

00:13:12,860 --> 00:13:11,249

upset I knew was that they'd it wasn't a

297

00:13:15,199 --> 00:13:12,870

push but it was like I was shoved out

298

00:13:18,829 --> 00:13:15,209

and I was amazed that I could float down

299

00:13:20,389 --> 00:13:18,839

to through the air and to the garden and

300

00:13:21,360 --> 00:13:20,399

there were two graves beside me they

301

00:13:23,940 --> 00:13:21,370

told me I wasn't

302

00:13:26,310 --> 00:13:23,950

look at them and as I came down to the

303

00:13:29,490 --> 00:13:26,320

ground I was this is the the last part

304

00:13:31,620 --> 00:13:29,500

to this very bizarre experience there

305

00:13:33,120 --> 00:13:31,630

was another gray standing in front of me

306

00:13:34,470 --> 00:13:33,130

and these are the two bugs had cleared

307

00:13:36,960 --> 00:13:34,480

off I don't know what happened to them

308

00:13:39,570 --> 00:13:36,970

they just went but this other gray

309

00:13:43,050 --> 00:13:39,580

seemed a little bit more human

310

00:13:45,690 --> 00:13:43,060

his face was pear-shaped it had slightly

311

00:13:46,680 --> 00:13:45,700

smaller eyes from the big almond shaped

312

00:13:49,260 --> 00:13:46,690

eyes the gray SAFF

313

00:13:51,329 --> 00:13:49,270

but it wore this pointed hat on its head

314

00:13:53,460 --> 00:13:51,339

and it wore a one-piece uniform with

315

00:13:55,710 --> 00:13:53,470

with knee length boots and it had his

316

00:13:57,240 --> 00:13:55,720

arms folded across its chest and it was

317

00:13:59,730 --> 00:13:57,250

looking at me really angry and I thought

318

00:14:01,860 --> 00:13:59,740

well who the hell are you I mean I just

319

00:14:04,769 --> 00:14:01,870

come from up there and you know he was

320

00:14:06,720 --> 00:14:04,779

looking at me so angry and so nasty I

321

00:14:08,940 --> 00:14:06,730

could feel it within my solar plexus or

322

00:14:10,650 --> 00:14:08,950

my stomach I felt like I wanted to go to

323

00:14:12,780 --> 00:14:10,660

the loo I know it sounds embarrassing

324

00:14:14,190 --> 00:14:12,790

but he scared me that much and I thought

325

00:14:16,380 --> 00:14:14,200

what are you looking at me like that for

326

00:14:18,120 --> 00:14:16,390

I've just been through all this and I

327

00:14:20,730 --> 00:14:18,130

kept thinking I need to ask him

328

00:14:23,010 --> 00:14:20,740

something I need to find out if

329

00:14:24,840 --> 00:14:23,020

something about them if he can give me

330

00:14:27,780 --> 00:14:24,850

the answer I will know what they are I

331

00:14:31,350 --> 00:14:27,790

will know where they come from and I

332

00:14:33,750 --> 00:14:31,360

said to him how the hell am I able to

333

00:14:37,500 --> 00:14:33,760

get through locked and bolted doors and

334

00:14:39,900 --> 00:14:37,510

his face turned to surprise if you can

335

00:14:42,180 --> 00:14:39,910

imagine animated plastic moving

336

00:14:45,260 --> 00:14:42,190

I poured him Noddy he didn't look like

337

00:14:48,240 --> 00:14:45,270

Noddy but the way that he moved was so

338

00:14:51,120 --> 00:14:48,250

horrible and I then found myself

339

00:14:53,940 --> 00:14:51,130

crashing through going through really

340

00:14:56,250 --> 00:14:53,950

fast the conservative glass doors the

341

00:14:58,920 --> 00:14:56,260

kitchen glass doors and then through to

342

00:15:01,260 --> 00:14:58,930

the bedroom and bang I was up I had a

343

00:15:04,490 --> 00:15:01,270

nosebleed instantly I got up and I had

344

00:15:09,540 --> 00:15:04,500

to go to the loo and I felt very

345

00:15:11,940 --> 00:15:09,550

violated now the next day I kept

346

00:15:17,280 --> 00:15:11,950

suffering nosebleeds severe nosebleeds

347

00:15:19,170 --> 00:15:17,290

and I had a mark on the back of my right

348

00:15:21,600 --> 00:15:19,180

ear that was in the shape of a perfect

349

00:15:23,250 --> 00:15:21,610

triangle and my brother tried to take a

350

00:15:26,430 --> 00:15:23,260

poll do you remember the old Polaroid

351

00:15:29,040 --> 00:15:26,440

and and it wouldn't come out and I've

352

00:15:30,600 --> 00:15:29,050

got three marks on my arm and I needless

353

00:15:32,220 --> 00:15:30,610

to say I couldn't walk very well and

354

00:15:34,290 --> 00:15:32,230

someone said to me why don't you go to

355

00:15:35,340 --> 00:15:34,300

the doctors and I thought yeah I'll go

356

00:15:37,350 --> 00:15:35,350

to the doctors and

357

00:15:38,760 --> 00:15:37,360

sorry I've got to say this yeah I've

358

00:15:40,320 --> 00:15:38,770

been probed by aliens like they're going

359

00:15:45,180 --> 00:15:40,330

to take me seriously there was no one

360

00:15:47,610 --> 00:15:45,190

you could really talk to but in a pointy

361

00:15:50,490 --> 00:15:47,620

hat and another one with the helmet on

362

00:15:52,890 --> 00:15:50,500

you know like people have said this to

363

00:15:55,350 --> 00:15:52,900

me in the past oh if you get traumatized

364

00:15:55,740 --> 00:15:55,360

by go see a psychologist they can't tell

365

00:16:00,690 --> 00:15:55,750

anyone

366

00:16:11,040 --> 00:16:00,700

yeah they can if you've got children you

367

00:16:14,850 --> 00:16:11,050

know I suppose there are people that

368

00:16:17,340 --> 00:16:14,860

kind of situation yeah even though I

369

00:16:19,980 --> 00:16:17,350

have talked to therapists before about

370

00:16:22,410 --> 00:16:19,990

the two of them I knew that it was safe

371

00:16:24,900 --> 00:16:22,420

to talk to them because of the kind of

372

00:16:27,150 --> 00:16:24,910

people that they were but you're not

373

00:16:29,130 --> 00:16:27,160

guaranteed to get any understand if I

374

00:16:32,070 --> 00:16:29,140

went to my GP and then I told him all

375

00:16:34,920 --> 00:16:32,080

this he was literally think I was a

376

00:16:36,900 --> 00:16:34,930

crazy person yeah well there's more to

377

00:16:40,140 --> 00:16:36,910

it than that and I realized I wasn't

378

00:16:41,850 --> 00:16:40,150

going crazy because at that point Sascha

379

00:16:45,030 --> 00:16:41,860

like yourself when you have been

380

00:16:47,310 --> 00:16:45,040

violated I couldn't work out years later

381

00:16:49,800 --> 00:16:47,320

when people talked about an abduction

382

00:16:51,930 --> 00:16:49,810

whether or not why it felt like a dream

383

00:16:54,810 --> 00:16:51,940

state and yet you still suffered the

384

00:16:57,360 --> 00:16:54,820

physical scarring and the emotional

385

00:16:58,860 --> 00:16:57,370

disruption that we all go through

386

00:17:01,680 --> 00:16:58,870

through this type of thing no one can

387

00:17:03,510 --> 00:17:01,690

understand that so that led me then into

388

00:17:05,580 --> 00:17:03,520

the sphere of what we were dealing with

389

00:17:08,010 --> 00:17:05,590

like you I don't deal with rubbish I

390

00:17:09,600 --> 00:17:08,020

deal with black and white and if we have

391

00:17:12,300 --> 00:17:09,610

to go forward into uncomfortable

392

00:17:14,970 --> 00:17:12,310

territory then so be it but I did start

393

00:17:20,250 --> 00:17:14,980

to many years later I had problems with

394

00:17:22,440 --> 00:17:20,260

my right ear and a few years ago I'd

395

00:17:24,390 --> 00:17:22,450

gone to the doctors on several occasions

396

00:17:26,670 --> 00:17:24,400

because my right ear felt like there was

397

00:17:30,270 --> 00:17:26,680

something in it and it felt waterlogged

398

00:17:31,920 --> 00:17:30,280

and and they'd gone in and they looked

399

00:17:33,240 --> 00:17:31,930

at it they looked at it and they said

400

00:17:34,740 --> 00:17:33,250

well there's something that seems to be

401
00:17:36,240 --> 00:17:34,750
healing but they never once sent me to

402
00:17:39,300 --> 00:17:36,250
the hospital now on the last occasion

403
00:17:41,010 --> 00:17:39,310
I'd gone about my ear they've looked

404
00:17:42,780 --> 00:17:41,020
into it and then the nurse brought a

405
00:17:44,160 --> 00:17:42,790
doctor down to have a good look so

406
00:17:45,750 --> 00:17:44,170
they're looking in my right ear and

407
00:17:47,160 --> 00:17:45,760
they're aiming and are and I'm thinking

408
00:17:47,850 --> 00:17:47,170
well what if they what are they looking

409
00:17:49,740 --> 00:17:47,860
at in there

410
00:17:51,780 --> 00:17:49,750
you know you start to worry about things

411
00:17:55,110 --> 00:17:51,790
like the dreaded c-word or anything like

412
00:17:57,600 --> 00:17:55,120
and said the doctor said with it well it

413
00:17:59,850 --> 00:17:57,610

looks like there's some crystalline sub

414

00:18:02,310 --> 00:17:59,860

substance to it and it looks like it's

415

00:18:03,600 --> 00:18:02,320

still healing well I didn't understand

416

00:18:06,090 --> 00:18:03,610

what they were talking about and I'm

417

00:18:08,370 --> 00:18:06,100

kind of like sitting upright and it was

418

00:18:09,960 --> 00:18:08,380

only when the doctor had left they

419

00:18:11,670 --> 00:18:09,970

looked she left she didn't say anything

420

00:18:12,990 --> 00:18:11,680

more about going to get it analyzed or

421

00:18:14,700 --> 00:18:13,000

go and get it checked out at the

422

00:18:17,010 --> 00:18:14,710

hospital to take a further examination

423

00:18:19,140 --> 00:18:17,020

of it and the nurse who knows that I'm a

424

00:18:21,270 --> 00:18:19,150

medium she doesn't know about me UFO

425

00:18:22,620 --> 00:18:21,280

research because you know a lot of

426

00:18:24,360 --> 00:18:22,630

people I mean I I'm not one of those

427

00:18:26,040 --> 00:18:24,370

people but she turned around she said

428

00:18:27,690 --> 00:18:26,050

have you been abducted by aliens and

429

00:18:29,130 --> 00:18:27,700

I've got to tell you I walked back to my

430

00:18:33,450 --> 00:18:29,140

car far worse than I went into the

431

00:18:35,760 --> 00:18:33,460

doctor with this so is there something

432

00:18:37,980 --> 00:18:35,770

in there I believe there is and because

433

00:18:40,380 --> 00:18:37,990

at one point I felt it move and I'm not

434

00:18:42,630 --> 00:18:40,390

one for sensationalism or you know this

435

00:18:45,150 --> 00:18:42,640

happened to me I report facts as they

436

00:18:47,910 --> 00:18:45,160

occur but certainly with the abduction

437

00:18:50,340 --> 00:18:47,920

phenomena there seems to be two parts to

438

00:18:52,890 --> 00:18:50,350

this one part that seems to operate on a

439

00:18:54,930 --> 00:18:52,900

physical level of reality and the other

440

00:18:57,360 --> 00:18:54,940

part when the abduction takes place

441

00:19:00,750 --> 00:18:57,370

seems almost a thrill and dream like

442

00:19:02,970 --> 00:19:00,760

almost at the point where you you're

443

00:19:05,040 --> 00:19:02,980

kind of like put in a situation where

444

00:19:06,810 --> 00:19:05,050

they don't want you to see it as a

445

00:19:10,140 --> 00:19:06,820

reality they want you to see it as

446

00:19:13,380 --> 00:19:10,150

fantasy but unfortunately with my very

447

00:19:15,930 --> 00:19:13,390

not unique experience taught me a lot

448

00:19:17,040 --> 00:19:15,940

more and from that moment onwards and

449

00:19:19,440 --> 00:19:17,050

there have been other things that

450

00:19:21,780 --> 00:19:19,450

happened in my past I wanted to find out

451

00:19:24,570 --> 00:19:21,790

what the greys were where they come from

452

00:19:27,570 --> 00:19:24,580

why that why they are here and why the

453

00:19:29,430 --> 00:19:27,580

cover-up and and it was I was not more I

454

00:19:31,260 --> 00:19:29,440

was not interested about the things that

455

00:19:33,990 --> 00:19:31,270

happened to me I was more interested in

456

00:19:37,590 --> 00:19:34,000

the truth of the reality and at that

457

00:19:40,320 --> 00:19:37,600

point onwards I made it my mission to

458

00:19:43,170 --> 00:19:40,330

find out the truth of what we are

459

00:19:45,150 --> 00:19:43,180

dealing with so that that is like

460

00:19:49,320 --> 00:19:45,160

yourself Sarah I know that you've had

461

00:19:52,440 --> 00:19:49,330

you know a pretty intense experiences

462

00:19:55,680 --> 00:19:52,450

with you know what we call aliens and

463

00:19:58,800 --> 00:19:55,690

UFOs but when as you know it happens to

464

00:20:01,170 --> 00:19:58,810

you it changes you it's it kind of like

465

00:20:01,620 --> 00:20:01,180

you're on a mission now to find out what

466

00:20:07,130 --> 00:20:01,630

the hell

467

00:20:09,810 --> 00:20:07,140

things about it with the UFO community

468

00:20:12,360 --> 00:20:09,820

because there's so many people try to

469

00:20:14,610 --> 00:20:12,370

sell their ideas when they've not even

470

00:20:16,799 --> 00:20:14,620

experienced anything fair enough you

471

00:20:19,110 --> 00:20:16,809

know there's a market for that stuff and

472

00:20:21,390 --> 00:20:19,120

they are entitled to muse bubble to

473

00:20:23,580 --> 00:20:21,400

their heart's content but when you're

474

00:20:25,830 --> 00:20:23,590

talking to me and you're telling me how

475

00:20:26,760 --> 00:20:25,840

it is when I don't even know and I've

476

00:20:29,190 --> 00:20:26,770

been through it

477

00:20:31,830 --> 00:20:29,200

that is what educates me and the other

478

00:20:35,250 --> 00:20:31,840

thing is is all of the pollution it is

479

00:20:37,320 --> 00:20:35,260

obscuring the actuality and that is what

480

00:20:39,360 --> 00:20:37,330

I want to know and this is why I'm like

481

00:20:41,789 --> 00:20:39,370

nope don't talk to you like you know

482

00:20:44,039 --> 00:20:41,799

what other people that have said things

483

00:20:45,899 --> 00:20:44,049

like oh I have an implant in my neck and

484

00:20:46,620 --> 00:20:45,909

it sets off alarms at the airport ha ha

485

00:20:48,870 --> 00:20:46,630

ha ha

486

00:20:50,159 --> 00:20:48,880

no you haven't and if you are you'd be

487

00:20:51,930 --> 00:20:50,169

freaking out about it

488

00:20:53,010 --> 00:20:51,940

yeah you wouldn't be happy you wouldn't

489

00:20:55,140 --> 00:20:53,020

think it was funny

490

00:20:56,640 --> 00:20:55,150

certainly not triggering alarms when

491

00:21:00,060 --> 00:20:56,650

you're going through the airport what

492

00:21:03,480 --> 00:21:00,070

kind of you know and that's that's what

493

00:21:05,490 --> 00:21:03,490

I can't cope with that's I think that's

494

00:21:07,049 --> 00:21:05,500

also the thing I someone said to me are

495

00:21:08,700 --> 00:21:07,059

you gonna get it checked and I said to

496

00:21:09,450 --> 00:21:08,710

them actually I don't care I've got

497

00:21:12,120 --> 00:21:09,460

nothing to prove

498

00:21:13,919 --> 00:21:12,130

no if it's it and it's in me for a

499

00:21:16,620 --> 00:21:13,929

reason has it helped with the psychic

500

00:21:19,200 --> 00:21:16,630

stuff I couldn't tell you but I feel as

501
00:21:21,390 --> 00:21:19,210
though you know I try to look at the

502
00:21:23,520 --> 00:21:21,400
parallels with with certain individuals

503
00:21:25,049 --> 00:21:23,530
with regards to abductions and you get

504
00:21:26,399 --> 00:21:25,059
some people who claim they're abducted

505
00:21:27,930 --> 00:21:26,409
every day of the week which I think I'll

506
00:21:30,870 --> 00:21:27,940
really give me a break

507
00:21:33,659 --> 00:21:30,880
I also understand that I may have had

508
00:21:36,510 --> 00:21:33,669
another episode but I can't prove that

509
00:21:39,120 --> 00:21:36,520
because I only recall a very small part

510
00:21:41,340 --> 00:21:39,130
of it and that was it UFOs my twin

511
00:21:43,260 --> 00:21:41,350
brother and I have seen most of our

512
00:21:45,750 --> 00:21:43,270
lives the last one was on the 9th of

513
00:21:47,990 --> 00:21:45,760

April 2016 which Jason Gleaves

514

00:21:50,010 --> 00:21:48,000

analyzed the footage which my niece took

515

00:21:51,779 --> 00:21:50,020

and that is something else I'm very

516

00:21:53,490 --> 00:21:51,789

proud about because we actually got some

517

00:21:55,620 --> 00:21:53,500

form of physical documentation with

518

00:21:57,930 --> 00:21:55,630

regards to that but I understand there

519

00:21:59,520 --> 00:21:57,940

are people out there who will make you

520

00:22:02,370 --> 00:21:59,530

believe anything and this is the really

521

00:22:04,470 --> 00:22:02,380

sad thing about it what we are looking

522

00:22:06,690 --> 00:22:04,480

for is evidence what we're looking for

523

00:22:09,060 --> 00:22:06,700

is truth and the only way that we're

524

00:22:11,730 --> 00:22:09,070

able to apply that is through some form

525

00:22:14,730 --> 00:22:11,740

of theoretical application because I

526
00:22:16,680 --> 00:22:14,740
wanted to find out what these greys were

527
00:22:18,750 --> 00:22:16,690
and the more I did the research yeah

528
00:22:20,640 --> 00:22:18,760
we're still researching we don't have

529
00:22:22,740 --> 00:22:20,650
any answers none of us know what we're

530
00:22:25,410 --> 00:22:22,750
dealing with but is important to have

531
00:22:27,990 --> 00:22:25,420
some form of theoretical model to work

532
00:22:31,049 --> 00:22:28,000
towards and studying other case studies

533
00:22:32,820 --> 00:22:31,059
with regards to genuine people who have

534
00:22:36,870 --> 00:22:32,830
experienced this and then trying to put

535
00:22:40,260 --> 00:22:36,880
the pieces together and in some years

536
00:22:43,710 --> 00:22:40,270
later in 1996 and I never would have

537
00:22:45,990 --> 00:22:43,720
believed it but I had my first and what

538
00:22:48,750 --> 00:22:46,000

I consider to be my only download and

539

00:22:51,450 --> 00:22:48,760

for your good listeners out there a

540

00:22:55,560 --> 00:22:51,460

download is seems to be some type of

541

00:22:58,020 --> 00:22:55,570

information that is distributed to you

542

00:22:59,970 --> 00:22:58,030

that you can possibly have known about

543

00:23:02,400 --> 00:22:59,980

it's almost like an enlightening moment

544

00:23:05,040 --> 00:23:02,410

where there's a flash of realization and

545

00:23:07,020 --> 00:23:05,050

parts to an intricate piece to part to a

546

00:23:08,730 --> 00:23:07,030

puzzle comes together and this is

547

00:23:11,280 --> 00:23:08,740

exactly what happened with me with

548

00:23:14,070 --> 00:23:11,290

regards to the greys because from the

549

00:23:17,910 --> 00:23:14,080

moment that I had my abduction in 1989

550

00:23:20,100 --> 00:23:17,920

and from the limited connections because

551

00:23:22,190 --> 00:23:20,110

there wasn't really any internet or you

552

00:23:25,380 --> 00:23:22,200

know connections that we have today I

553

00:23:26,880 --> 00:23:25,390

struggled and worked to try and find out

554

00:23:28,980 --> 00:23:26,890

what they were and then this flash of

555

00:23:32,130 --> 00:23:28,990

inspiration came and I thought my

556

00:23:34,680 --> 00:23:32,140

goodness may I I think I may have a very

557

00:23:37,410 --> 00:23:34,690

small piece to the puzzle so I typed

558

00:23:42,270 --> 00:23:37,420

this all up in it in an article sent it

559

00:23:45,480 --> 00:23:42,280

to a UFO magazine I can't remember the

560

00:23:47,370 --> 00:23:45,490

name of it I was quite hot back then you

561

00:23:50,190 --> 00:23:47,380

were oh I can't remember session what it

562

00:23:52,049 --> 00:23:50,200

was called my brain's done a nuclear and

563

00:23:54,450 --> 00:23:52,059

they called it revolutionary within its

564

00:23:56,250 --> 00:23:54,460

speculation and it was just speculation

565

00:23:58,620 --> 00:23:56,260

did the greys give it to me I couldn't

566

00:24:00,630 --> 00:23:58,630

tell you all I know is that the pieces

567

00:24:03,120 --> 00:24:00,640

seem to fit together with regards to one

568

00:24:05,220 --> 00:24:03,130

aspect of this phenomenon and I know

569

00:24:07,200 --> 00:24:05,230

that when you go in when you were

570

00:24:07,740 --> 00:24:07,210

invited on television which when I was

571

00:24:10,110 --> 00:24:07,750

younger

572

00:24:12,600 --> 00:24:10,120

seemed like wow there was no one to tell

573

00:24:13,140 --> 00:24:12,610

you about how TV worked or how the media

574

00:24:15,720 --> 00:24:13,150

worked

575

00:24:17,580 --> 00:24:15,730

I was quite naive by the experience but

576
00:24:19,710 --> 00:24:17,590
it was only after there's several

577
00:24:23,840 --> 00:24:19,720
programs I've been on that I realized

578
00:24:26,580 --> 00:24:23,850
that I was being used as a laughs and

579
00:24:28,080 --> 00:24:26,590
truly suffered with one particular

580
00:24:30,060 --> 00:24:28,090
program

581
00:24:33,210 --> 00:24:30,070
was live and I was with Nick Pope and

582
00:24:35,550 --> 00:24:33,220
georgina Bruni Malcom Robinson was there

583
00:24:38,070 --> 00:24:35,560
and Omar Fowler he was lovely

584
00:24:39,690 --> 00:24:38,080
and they we all knew that we've been set

585
00:24:41,280 --> 00:24:39,700
up because they'd seen us on some other

586
00:24:43,830 --> 00:24:41,290
programs they thought oh you're a good

587
00:24:45,390 --> 00:24:43,840
speaker you come on board and they the

588
00:24:47,760 --> 00:24:45,400

other programs were very nice you know

589

00:24:49,890 --> 00:24:47,770

discussions and but this was just a

590

00:24:54,030 --> 00:24:49,900

circus and they called the program

591

00:24:57,330 --> 00:24:54,040

x-files or X fools and I felt broken I

592

00:25:01,200 --> 00:24:57,340

felt a jet belt really because the way

593

00:25:04,650 --> 00:25:01,210

that they'd taken the program was to

594

00:25:08,100 --> 00:25:04,660

focus upon my experience they called

595

00:25:11,790 --> 00:25:08,110

probing and that's what they did and I

596

00:25:14,400 --> 00:25:11,800

realized afterwards okay so the system

597

00:25:18,090 --> 00:25:14,410

that controls the television networks

598

00:25:21,180 --> 00:25:18,100

has got this program in place to

599

00:25:24,000 --> 00:25:21,190

discredit the subject and individuals to

600

00:25:27,000 --> 00:25:24,010

take away the emphasis of the reality of

601
00:25:29,370 --> 00:25:27,010
the experience and make it a laughing

602
00:25:33,330 --> 00:25:29,380
stop so at that point again I thought

603
00:25:34,980 --> 00:25:33,340
you know what saju I'm gonna try and

604
00:25:36,870 --> 00:25:34,990
find out the answers myself and

605
00:25:38,490 --> 00:25:36,880
thankfully now you know we're with a

606
00:25:41,790 --> 00:25:38,500
group of wonderful people yourself

607
00:25:44,970 --> 00:25:41,800
included Sasha who are after the truth

608
00:25:47,250 --> 00:25:44,980
and nothing but the truth so I mean you

609
00:25:49,620 --> 00:25:47,260
know theoretically I've created a model

610
00:25:52,050 --> 00:25:49,630
but it is just a model and I know that

611
00:25:54,840 --> 00:25:52,060
most people won't like it but we have to

612
00:25:57,060 --> 00:25:54,850
look at all aspects of this because when

613
00:25:59,850 --> 00:25:57,070

you're dealing with the greys and the

614

00:26:01,980 --> 00:25:59,860

UFO experience are we dealing with

615

00:26:03,660 --> 00:26:01,990

something on a physical nuts and bolts

616

00:26:06,540 --> 00:26:03,670

level I believe that we do but then they

617

00:26:09,090 --> 00:26:06,550

also can you know transgress all of that

618

00:26:11,490 --> 00:26:09,100

to a non-physical experience and this is

619

00:26:13,440 --> 00:26:11,500

this is what really got me involved with

620

00:26:32,700 --> 00:26:13,450

the research with regards to what we

621

00:26:34,960 --> 00:26:32,710

call the greys I when I was just laying

622

00:26:37,690 --> 00:26:34,970

in bed like meditating

623

00:26:39,549 --> 00:26:37,700

basically and then on their cervix it

624

00:26:41,740 --> 00:26:39,559

was almost like looking at a TV screen

625

00:26:45,250 --> 00:26:41,750

it was when I you know trying to

626

00:26:48,640 --> 00:26:45,260

visualize things it's a bit sketchy you

627

00:26:50,980 --> 00:26:48,650

know yeah super concentrate to do it and

628

00:26:53,590 --> 00:26:50,990

practice but this was just like this

629

00:26:58,630 --> 00:26:53,600

really clear blue sky with a bright

630

00:27:01,149 --> 00:26:58,640

yellow big beautiful sunflower I was

631

00:27:06,100 --> 00:27:01,159

stunned at how clear and perfect it was

632

00:27:09,190 --> 00:27:06,110

then it changed to like a wiring diagram

633

00:27:12,730 --> 00:27:09,200

and then what looked like a map and then

634

00:27:14,919 --> 00:27:12,740

this rotating sphere that was made of it

635

00:27:17,230 --> 00:27:14,929

looked like honeycomb and there was like

636

00:27:20,860 --> 00:27:17,240

data streams going down the side of it

637

00:27:23,110 --> 00:27:20,870

and this was a black with the sphere was

638

00:27:25,779 --> 00:27:23,120

like orange types that you know but it

639

00:27:27,909 --> 00:27:25,789

wasn't the data was orange typeset but

640

00:27:29,890 --> 00:27:27,919

they this fear was the same orange so

641

00:27:31,299 --> 00:27:29,900

it's orange on black and then all this

642

00:27:33,970 --> 00:27:31,309

other stuff and it got faster and faster

643

00:27:36,760 --> 00:27:33,980

and faster and I thought I can't see it

644

00:27:38,350 --> 00:27:36,770

all it's too fast and then I thought it

645

00:27:40,510 --> 00:27:38,360

doesn't matter it just has to be in

646

00:27:44,919 --> 00:27:40,520

there so I just laid still and let it

647

00:27:48,460 --> 00:27:44,929

happen and I've no idea anything but it

648

00:27:50,230 --> 00:27:48,470

was a real like it was like really

649

00:27:52,480 --> 00:27:50,240

really really fast images of different

650

00:27:55,600 --> 00:27:52,490

things that I barely got a glimpse of

651
00:27:57,640 --> 00:27:55,610
that was crazy yeah I think to be honest

652
00:27:59,860 --> 00:27:57,650
with you Sascha that when you have one

653
00:28:02,260 --> 00:27:59,870
of these experiences or multiple

654
00:28:04,270 --> 00:28:02,270
experiences I wanted to find out you

655
00:28:05,649 --> 00:28:04,280
know you're yourself as well you

656
00:28:07,419 --> 00:28:05,659
understand that when you have these

657
00:28:11,110 --> 00:28:07,429
experiences you go through some type of

658
00:28:12,760 --> 00:28:11,120
not a breakdown but some type of former

659
00:28:15,700 --> 00:28:12,770
within your life but one of the things

660
00:28:18,130 --> 00:28:15,710
that I had a big hang-up about was the

661
00:28:20,380 --> 00:28:18,140
fact that you know that we were born

662
00:28:22,029 --> 00:28:20,390
that we lived that we died and that was

663
00:28:24,220 --> 00:28:22,039

the end that we were afforded a small

664

00:28:26,380 --> 00:28:24,230

glimpse of reality and then complete

665

00:28:28,570 --> 00:28:26,390

nullification of consciousness that

666

00:28:33,100 --> 00:28:28,580

scared the crap out of me sorry got to

667

00:28:37,149 --> 00:28:33,110

use that word but I have tell you that

668

00:28:40,390 --> 00:28:37,159

the the UFO phenomena that we have kind

669

00:28:43,270 --> 00:28:40,400

of like boxed into very small you know

670

00:28:45,370 --> 00:28:43,280

areas it's almost like saying well you

671

00:28:47,740 --> 00:28:45,380

know this is this and life after death

672

00:28:48,640 --> 00:28:47,750

is that soul survival but what I was

673

00:28:51,940 --> 00:28:48,650

doing was

674

00:28:55,000 --> 00:28:51,950

I believe that I was trying to put the

675

00:28:57,340 --> 00:28:55,010

parts together because it doesn't make

676

00:29:00,100 --> 00:28:57,350

any sense - it never made any sense to

677

00:29:01,960 --> 00:29:00,110

me that we lived and we died and and

678

00:29:04,630 --> 00:29:01,970

then that was it there had to be more

679

00:29:06,970 --> 00:29:04,640

and that that realization happened when

680

00:29:10,060 --> 00:29:06,980

I'd been younger when my grandfather of

681

00:29:13,390 --> 00:29:10,070

mine on my stepfather's side had passed

682

00:29:15,730 --> 00:29:13,400

over no one spoke about death and and I

683

00:29:17,920 --> 00:29:15,740

think not jumping here but with regards

684

00:29:20,410 --> 00:29:17,930

to the graves what we've understood

685

00:29:22,690 --> 00:29:20,420

about them is that they cannot reproduce

686

00:29:24,820 --> 00:29:22,700

and yet we are a species that does

687

00:29:27,580 --> 00:29:24,830

reproduce and that the greys are

688

00:29:30,610 --> 00:29:27,590

interested within our reproduction or

689

00:29:33,310 --> 00:29:30,620

what they call hybridization and that

690

00:29:35,440 --> 00:29:33,320

was something that really interested me

691

00:29:37,240 --> 00:29:35,450

because I'm thinking well you know most

692

00:29:39,010 --> 00:29:37,250

people put them in the bracket of alien

693

00:29:41,830 --> 00:29:39,020

well of course they would be alien but

694

00:29:44,620 --> 00:29:41,840

let's let's just imagine for a moment if

695

00:29:47,320 --> 00:29:44,630

you know the way that they appear to us

696

00:29:50,169 --> 00:29:47,330

is an alien but really in fact there's

697

00:29:52,780 --> 00:29:50,179

something quite different and with

698

00:29:55,960 --> 00:29:52,790

regards to the soul because the greys

699

00:29:57,549 --> 00:29:55,970

appear rather prosaic they don't seem to

700

00:30:00,250 --> 00:29:57,559

have any personality they're almost

701
00:30:01,720 --> 00:30:00,260
robotic in nature and there is the

702
00:30:05,290 --> 00:30:01,730
argument of whether or not we are

703
00:30:08,560 --> 00:30:05,300
dealing with androids or we are dealing

704
00:30:10,840 --> 00:30:08,570
with some form of cloned entity now my

705
00:30:14,620 --> 00:30:10,850
understanding is that if you had some

706
00:30:17,290 --> 00:30:14,630
kind of robotic mechanism the idea of

707
00:30:19,660 --> 00:30:17,300
the soul would be oh and also

708
00:30:23,200 --> 00:30:19,670
reproduction would be too complex for

709
00:30:27,460 --> 00:30:23,210
the mechanism to deal with if you had

710
00:30:30,820 --> 00:30:27,470
something that was perhaps a clone you

711
00:30:33,190 --> 00:30:30,830
know a cloned entity then it would kind

712
00:30:35,020 --> 00:30:33,200
of like it made more sense to me and of

713
00:30:37,060 --> 00:30:35,030

course my research was trying to is

714

00:30:39,250 --> 00:30:37,070

still trying to work out whether or not

715

00:30:41,260 --> 00:30:39,260

they are clones whether they are demons

716

00:30:42,880 --> 00:30:41,270

whether or not they are robots whether

717

00:30:45,130 --> 00:30:42,890

or not they are us from Cooper and I

718

00:30:47,770 --> 00:30:45,140

swayed more to the fact of clone because

719

00:30:50,590 --> 00:30:47,780

the theoretical application that I

720

00:30:53,560 --> 00:30:50,600

created the model suggests that the

721

00:30:55,480 --> 00:30:53,570

dangers of us as species have we begin

722

00:30:59,169 --> 00:30:55,490

to clone ourselves I'm not talking about

723

00:31:02,050 --> 00:30:59,179

organs but I'm about a whole human being

724

00:31:06,430 --> 00:31:02,060

and I think that perhaps the

725

00:31:09,430 --> 00:31:06,440

Ray's had or have paid the price through

726

00:31:13,300 --> 00:31:09,440

the process of cloning that they are now

727

00:31:17,050 --> 00:31:13,310

trying to harvest new DNA to recreate

728

00:31:19,630 --> 00:31:17,060

themselves or at least try to bring

729

00:31:22,030 --> 00:31:19,640

themselves back to source to what they

730

00:31:23,980 --> 00:31:22,040

have been before they became clones and

731

00:31:25,960 --> 00:31:23,990

of course when you're dealing with this

732

00:31:28,180 --> 00:31:25,970

subject matter you will have all sorts

733

00:31:30,790 --> 00:31:28,190

of people you know banging on your door

734

00:31:33,550 --> 00:31:30,800

saying you're wrong it can't be this but

735

00:31:35,860 --> 00:31:33,560

let's just be patient for a moment and

736

00:31:38,740 --> 00:31:35,870

look at all aspects which I also have

737

00:31:40,420 --> 00:31:38,750

looked into and I am NOT suggesting that

738

00:31:42,820 --> 00:31:40,430

it is this or that we have to be

739

00:31:45,610 --> 00:31:42,830

open-minded by the whole phenomena so

740

00:31:48,520 --> 00:31:45,620

the grasing you work on a program and to

741

00:31:51,070 --> 00:31:48,530

my mind it doesn't seem like it's good

742

00:31:54,070 --> 00:31:51,080

because their intent to keep their modus

743

00:31:57,100 --> 00:31:54,080

operandi top secret and of course we

744

00:32:00,160 --> 00:31:57,110

have the military establishments that

745

00:32:02,050 --> 00:32:00,170

also want to keep this top secret so are

746

00:32:04,210 --> 00:32:02,060

they protecting the public from a

747

00:32:05,620 --> 00:32:04,220

terrible secret or are they just wanting

748

00:32:08,110 --> 00:32:05,630

to keep it secretly because they don't

749

00:32:10,570 --> 00:32:08,120

want to know about it we don't know but

750

00:32:13,540 --> 00:32:10,580

the understanding of the greys is that

751
00:32:18,070 --> 00:32:13,550
they are very clever they know they know

752
00:32:20,200 --> 00:32:18,080
how to you you know infiltrate physical

753
00:32:21,940 --> 00:32:20,210
matter they know how to connect with us

754
00:32:24,900 --> 00:32:21,950
consciously now know how the human mind

755
00:32:28,630 --> 00:32:24,910
works but in terms of personality

756
00:32:30,910 --> 00:32:28,640
memories experiences age taste colour

757
00:32:31,870 --> 00:32:30,920
the things that make us what we are as

758
00:32:36,040 --> 00:32:31,880
human beings

759
00:32:38,050 --> 00:32:36,050
something the greys have lost and I

760
00:32:41,230 --> 00:32:38,060
believe that they want that they want to

761
00:32:44,820 --> 00:32:41,240
be a part of us but not go through the

762
00:32:47,440 --> 00:32:44,830
cycle of death as we do as it were so

763
00:32:49,210 --> 00:32:47,450

you know and and you know I know people

764

00:32:51,640 --> 00:32:49,220

say well the greys work with other

765

00:32:53,260 --> 00:32:51,650

reptilians and the greys work with the

766

00:32:55,630 --> 00:32:53,270

mantas and they're this that and the

767

00:32:59,440 --> 00:32:55,640

other but as I said we have to look at

768

00:33:01,750 --> 00:32:59,450

it from a real technical point of view

769

00:33:03,520 --> 00:33:01,760

you know forget the reptilians for the

770

00:33:05,380 --> 00:33:03,530

moment or the mantas or whatever because

771

00:33:07,030 --> 00:33:05,390

the gray seemed to be the main ones that

772

00:33:09,940 --> 00:33:07,040

are given us more clues than any other

773

00:33:13,000 --> 00:33:09,950

entity that we've examined within the

774

00:33:16,000 --> 00:33:13,010

UFO arena so that's why I'd kind of like

775

00:33:18,880 --> 00:33:16,010

try to study them so they are interested

776

00:33:20,830 --> 00:33:18,890

in us as a reproductive species and it

777

00:33:23,380 --> 00:33:20,840

was the reproductive cycle and the

778

00:33:26,080 --> 00:33:23,390

hybridization program that really got me

779

00:33:29,470 --> 00:33:26,090

thinking and I thought well why would an

780

00:33:32,410 --> 00:33:29,480

organism that can't reproduce will

781

00:33:35,080 --> 00:33:32,420

suddenly want to create a new species

782

00:33:38,920 --> 00:33:35,090

and it got me thinking and of course in

783

00:33:41,260 --> 00:33:38,930

the download that I had seemed to reveal

784

00:33:45,490 --> 00:33:41,270

more with regards to a possible

785

00:33:48,130 --> 00:33:45,500

connection with that puzzle now with

786

00:33:50,650 --> 00:33:48,140

human sacha we have different types of

787

00:33:53,410 --> 00:33:50,660

humans we have different races we also

788

00:33:55,330 --> 00:33:53,420

are under the belief that when we die we

789

00:33:57,580 --> 00:33:55,340

have a soul I'm not going to get into

790

00:34:00,700 --> 00:33:57,590

the religious ideology ideology here

791

00:34:02,740 --> 00:34:00,710

leap out that we have a soul and that we

792

00:34:06,540 --> 00:34:02,750

when we die the soul returns back to

793

00:34:11,770 --> 00:34:06,550

source I think that's been proven yeah

794

00:34:14,740 --> 00:34:11,780

but if we float you Sasha a hundred a

795

00:34:16,840 --> 00:34:14,750

thousand times you yourself is the

796

00:34:19,300 --> 00:34:16,850

genuine copy that have come through the

797

00:34:22,570 --> 00:34:19,310

correct birthing channel and carry the

798

00:34:24,610 --> 00:34:22,580

memories from perhaps past lives and the

799

00:34:27,220 --> 00:34:24,620

present to future lives you are a

800

00:34:29,649 --> 00:34:27,230

natural process of creation so when you

801
00:34:33,040 --> 00:34:29,659
physically die your consciousness will

802
00:34:35,649 --> 00:34:33,050
be propelled back to source okay so your

803
00:34:39,250 --> 00:34:35,659
copies the clones the physical clones

804
00:34:42,280 --> 00:34:39,260
may only have a spark of what you you

805
00:34:45,520 --> 00:34:42,290
you were and they will only have the

806
00:34:46,960 --> 00:34:45,530
memory of one life experience because

807
00:34:50,080 --> 00:34:46,970
they would have only evolved in one

808
00:34:53,470 --> 00:34:50,090
single unit of time and therefore when

809
00:34:55,720 --> 00:34:53,480
they die my understanding is that the

810
00:34:57,760 --> 00:34:55,730
spark of consciousness is not strong

811
00:35:01,210 --> 00:34:57,770
enough to be propelled back to where

812
00:35:03,100 --> 00:35:01,220
you've gone but maybe this consciousness

813
00:35:07,150 --> 00:35:03,110

is amalgamated itself to all these other

814

00:35:11,830 --> 00:35:07,160

clone souls that have found a world that

815

00:35:14,830 --> 00:35:11,840

can reproduce and thus the reproductive

816

00:35:18,850 --> 00:35:14,840

program that the greys are working on is

817

00:35:21,880 --> 00:35:18,860

a project to try to perhaps slingshot

818

00:35:25,630 --> 00:35:21,890

their soul into a orjust state into an

819

00:35:28,150 --> 00:35:25,640

organism that has come through the

820

00:35:29,690 --> 00:35:28,160

correct channel of reproduction now

821

00:35:33,680 --> 00:35:29,700

there are different theories

822

00:35:35,450 --> 00:35:33,690

I met dr. david jacobs who in Arizona

823

00:35:38,120 --> 00:35:35,460

who told me that his research is very

824

00:35:42,440 --> 00:35:38,130

much on the idea that the greys are

825

00:35:44,480 --> 00:35:42,450

creating a new hybrid organism to take

826

00:35:47,359 --> 00:35:44,490

over the planet now I don't dispute that

827

00:35:49,250 --> 00:35:47,369

I believe that there are aliens among us

828

00:35:50,960 --> 00:35:49,260

I know people will say well I think that

829

00:35:54,349 --> 00:35:50,970

it's lost the plot but I believe that

830

00:35:57,170 --> 00:35:54,359

but there has to be more to this than

831

00:36:00,710 --> 00:35:57,180

what we've been told and I believe that

832

00:36:04,250 --> 00:36:00,720

it has everything to do with harvesting

833

00:36:08,510 --> 00:36:04,260

DNA the soul the human soul and remember

834

00:36:10,160 --> 00:36:08,520

also as a whole unit the greys aren't a

835

00:36:13,880 --> 00:36:10,170

danger to themselves because they're

836

00:36:15,859 --> 00:36:13,890

able to link with one mind with humans

837

00:36:18,410 --> 00:36:15,869

we are very unpredictable

838

00:36:20,050 --> 00:36:18,420

we are very dangerous because no one

839

00:36:24,380 --> 00:36:20,060

knows what the other person is thinking

840

00:36:28,040 --> 00:36:24,390

and the in which we serve is creating or

841

00:36:31,490 --> 00:36:28,050

travel one mind hive consciousness with

842

00:36:33,109 --> 00:36:31,500

us as humans through you know computer

843

00:36:35,960 --> 00:36:33,119

through technology getting rid of

844

00:36:40,460 --> 00:36:35,970

empathy and the emotions so you know as

845

00:36:42,770 --> 00:36:40,470

I say it's a very multi complex subject

846

00:36:44,870 --> 00:36:42,780

and you know trying to put the pieces

847

00:36:47,270 --> 00:36:44,880

together but it is fascinating with

848

00:36:49,220 --> 00:36:47,280

regards to the glades and also that only

849

00:36:51,980 --> 00:36:49,230

the theoretical application that we can

850

00:36:54,819 --> 00:36:51,990

work on you know with regards to the

851

00:36:57,200 --> 00:36:54,829

abduction itself which is very suspect

852

00:36:58,520 --> 00:36:57,210

and I know we have arguments from people

853

00:36:59,930 --> 00:36:58,530

saying it's the government doing this

854

00:37:07,180 --> 00:36:59,940

and making out well what a waste of time

855

00:37:16,220 --> 00:37:09,440

absolutely I mean there's so many things

856

00:37:20,359 --> 00:37:16,230

that you said that over this you know as

857

00:37:23,420 --> 00:37:20,369

far as their physical abilities I mean

858

00:37:27,680 --> 00:37:23,430

they are very strong and they're very

859

00:37:31,400 --> 00:37:27,690

small they're very light but they are

860

00:37:33,680 --> 00:37:31,410

actually affected by light and I think

861

00:37:36,920 --> 00:37:33,690

that's you know when we hear people

862

00:37:40,160 --> 00:37:36,930

talking about grace wearing all black

863

00:37:43,200 --> 00:37:40,170

some like black leotards that maybe come

864

00:37:45,480 --> 00:37:43,210

to the knees but like a roll neck and

865

00:37:48,930 --> 00:37:45,490

got the helmet on now I've heard that

866

00:37:52,040 --> 00:37:48,940

from a few people personally I've seen

867

00:37:56,670 --> 00:37:52,050

one in a silver suit in a silver helmet

868

00:38:00,630 --> 00:37:56,680

and it was a tall gray and I woke up in

869

00:38:02,220 --> 00:38:00,640

my bed and I my bed was opposite the

870

00:38:04,559 --> 00:38:02,230

bedroom door and I always have the whole

871

00:38:09,030 --> 00:38:04,569

item because the house was haunted

872

00:38:12,650 --> 00:38:09,040

I just didn't wanna be asleep so I like

873

00:38:15,089 --> 00:38:12,660

I wake up because I've got this terrible

874

00:38:18,930 --> 00:38:15,099

buzzing in my head and it's like

875

00:38:23,609 --> 00:38:18,940

somebody's you know a dentist's drill

876

00:38:27,690 --> 00:38:23,619

basically in my brain and I woke up and

877

00:38:32,960 --> 00:38:27,700

I was I felt you know sort of drugged I

878

00:38:36,660 --> 00:38:32,970

guess yeah my my my motor skills were

879

00:38:39,120 --> 00:38:36,670

limited I could speak and I could lift

880

00:38:42,180 --> 00:38:39,130

my head up but I was trying to sit up

881

00:38:43,440 --> 00:38:42,190

and I'm trying to pull myself up on the

882

00:38:45,420 --> 00:38:43,450

quilt but all I could do is like move my

883

00:38:47,040 --> 00:38:45,430

hands a bit so I was trying to pull

884

00:38:49,650 --> 00:38:47,050

myself up on the quilt but I just undid

885

00:38:51,809 --> 00:38:49,660

it with a handful at the duvet cover and

886

00:38:55,440 --> 00:38:51,819

not the actual there was nothing for me

887

00:38:59,250 --> 00:38:55,450

to kind of like grip and pull up then as

888

00:39:02,480 --> 00:38:59,260

I am looking at the doorway I think I'm

889

00:39:03,690 --> 00:39:02,490

seeing a Power Ranger and then I thought

890

00:39:08,400 --> 00:39:03,700

ridiculous

891

00:39:12,329 --> 00:39:08,410

it's a biker and I thought no and I

892

00:39:14,099 --> 00:39:12,339

realize what it was it was like it was

893

00:39:16,589 --> 00:39:14,109

all black at first because of the the

894

00:39:18,000 --> 00:39:16,599

light just in the white was behind it

895

00:39:21,450 --> 00:39:18,010

was literally there was a light bulb

896

00:39:23,099 --> 00:39:21,460

right behind it and then I kind of

897

00:39:26,520 --> 00:39:23,109

realized what it was and started

898

00:39:28,859 --> 00:39:26,530

panicking and I'm like saying no no go

899

00:39:32,039 --> 00:39:28,869

you know like go away leave me alone go

900

00:39:33,480 --> 00:39:32,049

away and trying to sit up and trying to

901
00:39:35,870 --> 00:39:33,490
move and trying to do everything at once

902
00:39:40,170 --> 00:39:35,880
you know like you do when you panic in

903
00:39:42,240 --> 00:39:40,180
and it's like based on that first and

904
00:39:44,190 --> 00:39:42,250
then it sort of turned to the side and

905
00:39:45,660 --> 00:39:44,200
it was looking down the stairs and as

906
00:39:49,170 --> 00:39:45,670
I'm looking at here and as I'm trying to

907
00:39:52,190 --> 00:39:49,180
get up my whole bedroom is like the

908
00:39:56,150 --> 00:39:52,200
walls and there and the quilt cover a

909
00:39:57,980 --> 00:39:56,160
changing patterns like I remember

910
00:39:59,779 --> 00:39:57,990
and white stripes going across but

911
00:40:03,740 --> 00:39:59,789
whatever was on the walls it was on the

912
00:40:06,020 --> 00:40:03,750
bed cover as well then I remember black

913
00:40:07,579 --> 00:40:06,030

and white almost like zebra stripes and

914

00:40:11,390 --> 00:40:07,589

I knew exactly what that was because I'd

915

00:40:14,589 --> 00:40:11,400

painted it in the 90s I had a house with

916

00:40:17,870 --> 00:40:14,599

the fireplace

917

00:40:20,779 --> 00:40:17,880

you know the chimney I painted it all

918

00:40:24,770 --> 00:40:20,789

like a zebra just like a black and white

919

00:40:27,020 --> 00:40:24,780

really dramatic and it was that pattern

920

00:40:28,510 --> 00:40:27,030

that went across the room and and I kind

921

00:40:30,680 --> 00:40:28,520

of think back and I thought I wonder

922

00:40:32,510 --> 00:40:30,690

because the pink and white stripe was

923

00:40:35,450 --> 00:40:32,520

wallpaper that I had in the bedroom once

924

00:40:37,520 --> 00:40:35,460

so I don't remember the rest of it but

925

00:40:39,559 --> 00:40:37,530

I've actually thought since I wonder if

926

00:40:47,000 --> 00:40:39,569

it was like all of the bedrooms that had

927

00:40:49,819 --> 00:40:47,010

ever been in you know the deck are gone

928

00:40:50,960 --> 00:40:49,829

and all this is flashing around the room

929

00:40:54,770 --> 00:40:50,970

you know all these different patterns

930

00:40:59,059 --> 00:40:54,780

and I don't thinking he's got a silver

931

00:40:59,839 --> 00:40:59,069

suit on and a helmet like yeah that's

932

00:41:03,109 --> 00:40:59,849

ridiculous

933

00:41:06,230 --> 00:41:03,119

yes no one's gonna believe this how

934

00:41:08,180 --> 00:41:06,240

stupid and it just turned that's what

935

00:41:11,660 --> 00:41:08,190

they want and I'll tell you something as

936

00:41:13,460 --> 00:41:11,670

well is that you know we've been led to

937

00:41:16,640 --> 00:41:13,470

believe that they are physical in nature

938

00:41:18,650 --> 00:41:16,650

I'm not doubting that but one of the

939

00:41:21,710 --> 00:41:18,660

interesting things is that I've spoke to

940

00:41:24,230 --> 00:41:21,720

research Earl Grey al gray Anderson and

941

00:41:26,359 --> 00:41:24,240

also Paul Sinclair we've been talking

942

00:41:28,250 --> 00:41:26,369

about this light now that many people

943

00:41:31,339 --> 00:41:28,260

see this light and the light sometimes

944

00:41:34,450 --> 00:41:31,349

changes and we believe that the Grays

945

00:41:38,900 --> 00:41:34,460

utilize this light as a way of basically

946

00:41:40,880 --> 00:41:38,910

creating some type of anaesthetic so

947

00:41:43,160 --> 00:41:40,890

that the vigil can't move they're sort

948

00:41:44,720 --> 00:41:43,170

of consciously aware but they can't move

949

00:41:46,670 --> 00:41:44,730

and other people around them are knocked

950

00:41:50,750 --> 00:41:46,680

out even if their life speed their light

951
00:41:54,160 --> 00:41:50,760
sleepers now the Grays also will use

952
00:41:56,480 --> 00:41:54,170
your mind to screw things up basically

953
00:41:58,390 --> 00:41:56,490
they'll be able to they'll be able to go

954
00:42:01,039 --> 00:41:58,400
through your mind to find things that

955
00:42:03,260 --> 00:42:01,049
they can utilize to try and make it look

956
00:42:05,120 --> 00:42:03,270
like you know you're you're having a bad

957
00:42:07,760 --> 00:42:05,130
nightmare but really actually they're

958
00:42:09,960 --> 00:42:07,770
here now they also are inter dimensional

959
00:42:12,030 --> 00:42:09,970
in nature because they're able to open

960
00:42:15,510 --> 00:42:12,040
portals that is an incredible feat that

961
00:42:18,150 --> 00:42:15,520
my argument is the fact you said Sasha

962
00:42:20,160 --> 00:42:18,160
and I I have heard of of your your

963
00:42:21,900 --> 00:42:20,170

experience before with regards to the

964

00:42:24,180 --> 00:42:21,910

Power Ranger which is very unique no

965

00:42:28,230 --> 00:42:24,190

different from the small motorcyclists

966

00:42:30,240 --> 00:42:28,240

that I saw the thin one is that as they

967

00:42:32,280 --> 00:42:30,250

come in they have to be present around

968

00:42:34,470 --> 00:42:32,290

you know if they had this technology

969

00:42:36,570 --> 00:42:34,480

where like on Star Trek they that could

970

00:42:38,550 --> 00:42:36,580

beam you up why not do it but for some

971

00:42:41,160 --> 00:42:38,560

reason the Grays have to be in very

972

00:42:43,650 --> 00:42:41,170

close proximity to you as the individual

973

00:42:52,290 --> 00:42:43,660

because they need to make some kind of

974

00:42:55,589 --> 00:42:52,300

conscious connection with you was coming

975

00:42:58,950 --> 00:42:55,599

from and it was the sheer volume of the

976
00:43:01,470 --> 00:42:58,960
energy coming from it was causing that

977
00:43:06,000 --> 00:43:01,480
that was my reaction to that frequency

978
00:43:08,730 --> 00:43:06,010
so yeah and also a lot of the times that

979
00:43:12,930 --> 00:43:08,740
we discovered is that when someone has

980
00:43:16,560 --> 00:43:12,940
had a UFO stroke alien experience it

981
00:43:18,240 --> 00:43:16,570
normally is centered around you know an

982
00:43:20,880 --> 00:43:18,250
individual as yourself who is very

983
00:43:23,400 --> 00:43:20,890
psychic who is I'm not saying that with

984
00:43:25,980 --> 00:43:23,410
nearly with all of what we call

985
00:43:28,680 --> 00:43:25,990
abductees or experiencers but certainly

986
00:43:30,450 --> 00:43:28,690
a lot of people not to the point where

987
00:43:32,280 --> 00:43:30,460
all they can speak to the dead or do

988
00:43:34,140 --> 00:43:32,290

this all do that but people who are

989

00:43:35,670 --> 00:43:34,150

generally quite different from you know

990

00:43:37,349 --> 00:43:35,680

a lot of the other folks who just go

991

00:43:40,079 --> 00:43:37,359

about their business and they're happy

992

00:43:41,790 --> 00:43:40,089

with their lives but the event when the

993

00:43:43,740 --> 00:43:41,800

UFO experience has happened

994

00:43:45,420 --> 00:43:43,750

normally I believe what the Grays are

995

00:43:48,300 --> 00:43:45,430

doing is that they're ripping open a

996

00:43:51,150 --> 00:43:48,310

dimensional portal that can become

997

00:43:54,359 --> 00:43:51,160

unstable after a short period of time so

998

00:43:56,270 --> 00:43:54,369

when they move you towards their their

999

00:43:58,520 --> 00:43:56,280

vibrational frequency or

1000

00:44:01,620 --> 00:43:58,530

inter-dimensionally into their domain

1001
00:44:04,530 --> 00:44:01,630
time most people can't remember what's

1002
00:44:07,020 --> 00:44:04,540
happened simply because the brain has

1003
00:44:10,230 --> 00:44:07,030
been taking out of its normal physical

1004
00:44:11,849 --> 00:44:10,240
processing of time the Grays don't help

1005
00:44:13,500 --> 00:44:11,859
either because they know this and

1006
00:44:17,099 --> 00:44:13,510
they're able to kind of like stuff a

1007
00:44:18,510 --> 00:44:17,109
load of images in your head to try and

1008
00:44:21,349 --> 00:44:18,520
mix the experience up so you won't

1009
00:44:23,549 --> 00:44:21,359
remember it but also the the very

1010
00:44:25,559 --> 00:44:23,559
careful poor

1011
00:44:27,089 --> 00:44:25,569
they've opened the very delicate portal

1012
00:44:28,769 --> 00:44:27,099
they've opened in order to get you into

1013
00:44:31,289 --> 00:44:28,779

their realm or bring you into their

1014

00:44:33,299 --> 00:44:31,299

vibrational frequency that can become

1015

00:44:35,699 --> 00:44:33,309

unstable and this might explain why

1016

00:44:38,819 --> 00:44:35,709

after you have experienced that there is

1017

00:44:42,809 --> 00:44:38,829

a lot of paranormal activity that's the

1018

00:44:44,849 --> 00:44:42,819

opening itself and become unstable that

1019

00:44:51,209 --> 00:44:44,859

one thing that I think we have to take

1020

00:44:58,349 --> 00:44:51,219

as a possibility house that I was in was

1021

00:44:59,999 --> 00:44:58,359

actually haunted absolutely crazy place

1022

00:45:05,209 --> 00:45:00,009

Oh Andy don't running away from Kristen

1023

00:45:09,620 --> 00:45:05,219

we we just was terrified but this sir

1024

00:45:13,289 --> 00:45:09,630

they the gray in the doorway it told me

1025

00:45:17,099 --> 00:45:13,299

why it was wearing the suit and why it

1026

00:45:20,279 --> 00:45:17,109

was wearing the hell man oh my god eight

1027

00:45:24,319 --> 00:45:20,289

it was like a bump it was like a warm

1028

00:45:28,709 --> 00:45:24,329

bump in my brain and then I kind of just

1029

00:45:33,209 --> 00:45:28,719

came to understand why it was wearing it

1030

00:45:37,259 --> 00:45:33,219

and it so like a dark gray metal

1031

00:45:39,029 --> 00:45:37,269

material that's soft and it has these

1032

00:45:40,799 --> 00:45:39,039

silver threads running through it now I

1033

00:45:43,259 --> 00:45:40,809

don't know that it is silver the

1034

00:45:45,839 --> 00:45:43,269

material itself but that was the color

1035

00:45:47,370 --> 00:45:45,849

of it very fine threads now if you

1036

00:45:50,309 --> 00:45:47,380

remember our set see the light was

1037

00:45:52,049 --> 00:45:50,319

behind it so I couldn't see this

1038

00:45:53,880 --> 00:45:52,059

properly because it was all in shadow

1039

00:45:58,499 --> 00:45:53,890

when it turned and looked at me I saw

1040

00:46:01,109 --> 00:45:58,509

how how long and you know that they the

1041

00:46:03,150 --> 00:46:01,119

clear bit of the visor was in the helmet

1042

00:46:07,939 --> 00:46:03,160

and how long the point was that kinda

1043

00:46:11,579 --> 00:46:07,949

came to mid-chest the helmet itself so

1044

00:46:16,799 --> 00:46:11,589

how I saw these details I don't know it

1045

00:46:18,959 --> 00:46:16,809

was like I could see the material close

1046

00:46:24,469 --> 00:46:18,969

up add a belt as well which I found

1047

00:46:26,999 --> 00:46:24,479

totally ridiculous then but what the

1048

00:46:30,929 --> 00:46:27,009

material does is it scatters like it

1049

00:46:33,440 --> 00:46:30,939

scatters photons I think that's how they

1050

00:46:35,480 --> 00:46:33,450

make themselves vanished

1051
00:46:37,940 --> 00:46:35,490
you know become invisible but they're

1052
00:46:40,010 --> 00:46:37,950
not invisible they're they're just

1053
00:46:44,480 --> 00:46:40,020
scattered the light around them yeah

1054
00:46:46,670 --> 00:46:44,490
also it also stops any kind of heat any

1055
00:46:49,339 --> 00:46:46,680
thermal detector so there was no change

1056
00:46:50,930 --> 00:46:49,349
in temperature it would automatically

1057
00:46:54,170 --> 00:46:50,940
reflect the temperature of the space

1058
00:46:57,890 --> 00:46:54,180
that it's in and it protects them from

1059
00:47:01,190 --> 00:46:57,900
light because we have all these gadgets

1060
00:47:05,900 --> 00:47:01,200
and they're dangerous to them what I

1061
00:47:08,960 --> 00:47:05,910
what it's gave to me was blu-ray you

1062
00:47:11,180 --> 00:47:08,970
know the blu-ray discs you know

1063
00:47:14,930 --> 00:47:11,190

Playstations of the blu-ray in there

1064

00:47:17,390 --> 00:47:14,940

it's blue light particularly the damages

1065

00:47:21,140 --> 00:47:17,400

their internal organs of their internal

1066

00:47:22,609 --> 00:47:21,150

mechanism I can't say organs because I

1067

00:47:24,799 --> 00:47:22,619

don't know that they have organs but I

1068

00:47:27,589 --> 00:47:24,809

just know it was saying all the

1069

00:47:32,660 --> 00:47:27,599

information was it damages them

1070

00:47:36,849 --> 00:47:32,670

internally so the light is important the

1071

00:47:39,799 --> 00:47:36,859

helmet was because the air is toxic and

1072

00:47:42,859 --> 00:47:39,809

there are frequencies that are being

1073

00:47:45,079 --> 00:47:42,869

emitted that actually disrupt their

1074

00:47:49,430 --> 00:47:45,089

mental patterns and with their hive

1075

00:47:51,349 --> 00:47:49,440

minds but also they have this ability to

1076

00:47:53,450 --> 00:47:51,359

be able to hear everything that's going

1077

00:47:56,920 --> 00:47:53,460

on wherever it's going on around them

1078

00:48:00,620 --> 00:47:56,930

and know what's going on the rather than

1079

00:48:03,380 --> 00:48:00,630

360 degrees now for that information I

1080

00:48:05,720 --> 00:48:03,390

have to default in my friend Paula who

1081

00:48:07,880 --> 00:48:05,730

had an experience with the Grays who was

1082

00:48:10,940 --> 00:48:07,890

wearing she cause it was Danny did the

1083

00:48:12,470 --> 00:48:10,950

Danny DeVito alien because it was kind

1084

00:48:14,120 --> 00:48:12,480

of like trying to make himself look like

1085

00:48:20,000 --> 00:48:14,130

a human and it just ended up look like a

1086

00:48:23,660 --> 00:48:20,010

really weird lumpy you know shot that

1087

00:48:25,910 --> 00:48:23,670

handed her this jelly stuff she looked a

1088

00:48:28,910 --> 00:48:25,920

bit like a jellyfish she felt that like

1089

00:48:32,960 --> 00:48:28,920

a jellyfish and he told her to put it to

1090

00:48:34,400 --> 00:48:32,970

her face so she did and as soon as she

1091

00:48:36,740 --> 00:48:34,410

got it to be a couple of inches away

1092

00:48:38,870 --> 00:48:36,750

from her face it came to life and so

1093

00:48:43,680 --> 00:48:38,880

could suction done to her eyes and

1094

00:48:46,420 --> 00:48:43,690

around her face from that point on

1095

00:48:47,890 --> 00:48:46,430

she could hear everything that was going

1096

00:48:49,690 --> 00:48:47,900

on with all these people that were only

1097

00:48:52,750 --> 00:48:49,700

like it was like their work she was in

1098

00:48:55,410 --> 00:48:52,760

she said she was in America uh in a

1099

00:48:58,060 --> 00:48:55,420

scene set up to look like America and

1100

00:48:59,230 --> 00:48:58,070

there was all the tall buildings there

1101
00:49:01,630 --> 00:48:59,240
were groups of people that were all

1102
00:49:04,060 --> 00:49:01,640
talking around her I think that was to

1103
00:49:05,440 --> 00:49:04,070
demonstrate that she could hear every

1104
00:49:06,940 --> 00:49:05,450
single conversation understand

1105
00:49:10,710 --> 00:49:06,950
everything that was going on with every

1106
00:49:14,410 --> 00:49:10,720
single person around her many just knew

1107
00:49:17,680 --> 00:49:14,420
and then they told her that the eyes and

1108
00:49:19,690 --> 00:49:17,690
this substance they put on this thing

1109
00:49:21,520 --> 00:49:19,700
that she put on the face what it does is

1110
00:49:24,820 --> 00:49:21,530
it filters the light because we live in

1111
00:49:27,580 --> 00:49:24,830
black light blue light damages their

1112
00:49:29,890 --> 00:49:27,590
internal ovens but black light I don't

1113
00:49:31,510 --> 00:49:29,900

know damages their eyes or they can't

1114

00:49:35,860 --> 00:49:31,520

see because everything's too bright

1115

00:49:38,860 --> 00:49:35,870

these this thing that changes the way

1116

00:49:43,240 --> 00:49:38,870

that their eyes function so that they

1117

00:49:45,190 --> 00:49:43,250

can see in our reality because we live

1118

00:49:50,110 --> 00:49:45,200

in the dark we're not only not in the

1119

00:49:53,140 --> 00:49:50,120

dark when the Sun shines on us it's all

1120

00:49:54,940 --> 00:49:53,150

about the light yeah and it's it reminds

1121

00:49:57,100 --> 00:49:54,950

me when you were we were telling me this

1122

00:49:59,140 --> 00:49:57,110

incredible information that you know the

1123

00:50:01,540 --> 00:49:59,150

guy who created those special suits to

1124

00:50:07,980 --> 00:50:01,550

go into the water to try and deflect the

1125

00:50:12,790 --> 00:50:11,350

credible I know but I don't know about

1126
00:50:14,050 --> 00:50:12,800
the gloves all the shoes or anything

1127
00:50:17,020 --> 00:50:14,060
like that because I didn't even notice

1128
00:50:20,170 --> 00:50:17,030
them I was just caught up in this

1129
00:50:22,060 --> 00:50:20,180
experience and it's kind of distracting

1130
00:50:24,910 --> 00:50:22,070
as well because I always found myself

1131
00:50:29,860 --> 00:50:24,920
I'm still laying there but I'm thinking

1132
00:50:32,620 --> 00:50:29,870
about what is put in my head yeah I mean

1133
00:50:35,170 --> 00:50:32,630
and then I could hear music and it was

1134
00:50:36,910 --> 00:50:35,180
like modern music and it was like party

1135
00:50:39,070 --> 00:50:36,920
music and I could hear people talking

1136
00:50:41,470 --> 00:50:39,080
there was a conversation somebody said

1137
00:50:44,290 --> 00:50:41,480
oh yeah we're having a baby and another

1138
00:50:46,900 --> 00:50:44,300

guy goes oh congratulations man you know

1139

00:50:47,800 --> 00:50:46,910

like normal conversation and I've heard

1140

00:50:51,400 --> 00:50:47,810

that before

1141

00:50:53,650 --> 00:50:51,410

party noise other object other abductees

1142

00:50:54,910 --> 00:50:53,660

of it is party noise people talking

1143

00:50:57,250 --> 00:50:54,920

music

1144

00:51:01,049 --> 00:50:57,260

you know so I don't know what that was

1145

00:51:04,750 --> 00:51:01,059

about really well there's some type of

1146

00:51:07,599 --> 00:51:04,760

making you all aware that they are able

1147

00:51:09,370 --> 00:51:07,609

to you know connect with every thought

1148

00:51:11,980 --> 00:51:09,380

everything that's going on around them

1149

00:51:14,530 --> 00:51:11,990

which is incredible I think to be honest

1150

00:51:16,990 --> 00:51:14,540

with you with regards to the experiences

1151
00:51:20,440 --> 00:51:17,000
that you've had the greys themselves are

1152
00:51:22,930 --> 00:51:20,450
our masters at deception they're very

1153
00:51:25,780 --> 00:51:22,940
very clever but what's also interesting

1154
00:51:28,750 --> 00:51:25,790
is that they come in very a variety of

1155
00:51:31,960 --> 00:51:28,760
forms the light is very interesting as

1156
00:51:34,210 --> 00:51:31,970
you said and that is really incredible I

1157
00:51:36,579 --> 00:51:34,220
certainly will think long and hard now

1158
00:51:38,589 --> 00:51:36,589
about the you know what you've told me

1159
00:51:39,970 --> 00:51:38,599
with regards to the light and I'm one of

1160
00:51:41,740 --> 00:51:39,980
these people who starts the mud over

1161
00:51:46,089 --> 00:51:41,750
things you know because I think every

1162
00:51:53,799 --> 00:51:46,099
single thing an aspect of experience is

1163
00:51:55,180 --> 00:51:53,809

very important yeah that would be it

1164

00:51:57,609 --> 00:51:55,190

that would be really interesting because

1165

00:52:00,970 --> 00:51:57,619

you know the likes of you and I am and

1166

00:52:02,950 --> 00:52:00,980

and you know hopefully and I know that

1167

00:52:06,400 --> 00:52:02,960

you and I but over the other good and

1168

00:52:08,500 --> 00:52:06,410

honest researchers are after that truth

1169

00:52:10,750 --> 00:52:08,510

of what they are but they still elude us

1170

00:52:12,700 --> 00:52:10,760

and and you know even to this day that

1171

00:52:14,859 --> 00:52:12,710

they must have some type of interest

1172

00:52:18,250 --> 00:52:14,869

within the abductee and I believe that

1173

00:52:19,990 --> 00:52:18,260

and I do agree that they do come on

1174

00:52:22,089 --> 00:52:20,000

multiple occasions I don't think it's

1175

00:52:24,309 --> 00:52:22,099

just a one-off thing I think that there

1176

00:52:25,990 --> 00:52:24,319

is something that goes beyond the

1177

00:52:29,170 --> 00:52:26,000

physical nuts and bolts and perhaps

1178

00:52:32,380 --> 00:52:29,180

we're seeing something that has you know

1179

00:52:34,870 --> 00:52:32,390

connected with our our ancestors going

1180

00:52:36,339 --> 00:52:34,880

back into the past but you know what is

1181

00:52:38,170 --> 00:52:36,349

it what is what is it that they're

1182

00:52:47,020 --> 00:52:38,180

looking for this is this is the big

1183

00:52:50,620 --> 00:52:47,030

question what do they want so there's no

1184

00:52:52,839 --> 00:52:50,630

there's still take her so that the

1185

00:52:54,760 --> 00:52:52,849

hybridization or the breeding program

1186

00:52:57,130 --> 00:52:54,770

thing is not the only thing that they

1187

00:53:00,430 --> 00:52:57,140

have going on but you know I think that

1188

00:53:02,500 --> 00:53:00,440

through my experiences in my life and

1189

00:53:03,870 --> 00:53:02,510

the people that I've spoken to that and

1190

00:53:06,059 --> 00:53:03,880

they were genuine

1191

00:53:10,769 --> 00:53:06,069

since a home at stages of development as

1192

00:53:12,509 --> 00:53:10,779

well so it's I think it's hormones have

1193

00:53:14,809 --> 00:53:12,519

got something to do with it because of

1194

00:53:17,069 --> 00:53:14,819

the ages that we all seem to have these

1195

00:53:19,440 --> 00:53:17,079

experiences you know those of us that

1196

00:53:24,529 --> 00:53:19,450

remember they've you know from being

1197

00:53:27,539 --> 00:53:24,539

young there seems to be ages there

1198

00:53:29,759 --> 00:53:27,549

they're taken they forget then they

1199

00:53:30,990 --> 00:53:29,769

remember say like they'll forget all the

1200

00:53:35,359 --> 00:53:31,000

teenage stuff

1201
00:53:37,380 --> 00:53:35,369
then they'll remember when the 25

1202
00:53:39,690 --> 00:53:37,390
they've had this thing when they were a

1203
00:53:41,490 --> 00:53:39,700
kid you know and it all comes tumbling

1204
00:53:45,240 --> 00:53:41,500
back there's always some sort of between

1205
00:53:49,880 --> 00:53:45,250
25 27 where people start having all

1206
00:53:52,200 --> 00:53:49,890
these memories more experiences yes

1207
00:53:55,230 --> 00:53:52,210
absolutely and it's almost as if the

1208
00:53:58,019 --> 00:53:55,240
Grays themselves connect all the UFO

1209
00:54:00,210 --> 00:53:58,029
phenomena definitely seems to draw to

1210
00:54:02,849 --> 00:54:00,220
people who think outside the box were

1211
00:54:11,910 --> 00:54:02,859
very different and and this is what

1212
00:54:14,220 --> 00:54:11,920
we're trying to look at in terms of you

1213
00:54:16,170 --> 00:54:14,230

know a child that was extremely

1214

00:54:18,779 --> 00:54:16,180

telepathic when they were very young

1215

00:54:20,999 --> 00:54:18,789

it's kind of grown up now but I would

1216

00:54:24,720 --> 00:54:21,009

and I know that that child was an

1217

00:54:28,589 --> 00:54:24,730

abductee so they use telepathy so I

1218

00:54:30,960 --> 00:54:28,599

think it's almost second nature you know

1219

00:54:32,940 --> 00:54:30,970

it's second nature for some abductees

1220

00:54:35,039 --> 00:54:32,950

because they've been taken from being

1221

00:54:35,849 --> 00:54:35,049

children and the communication is

1222

00:54:41,039 --> 00:54:35,859

telepathic

1223

00:54:43,319 --> 00:54:41,049

so telepathy is a natural thing and they

1224

00:54:44,700 --> 00:54:43,329

know what you're thinking and freaking

1225

00:54:47,579 --> 00:54:44,710

people out because they're saying what

1226

00:54:50,970 --> 00:54:47,589

you thinking you know so that's been

1227

00:54:54,870 --> 00:54:50,980

something that has come up so I think

1228

00:54:58,890 --> 00:54:54,880

telepathy as well it's part of I think

1229

00:55:01,349 --> 00:54:58,900

the psychic ability is in that were just

1230

00:55:04,529 --> 00:55:01,359

tuning into people I am something that

1231

00:55:06,660 --> 00:55:04,539

we've done for a long time because that

1232

00:55:09,839 --> 00:55:06,670

has been triggered in our minds oh it's

1233

00:55:11,880 --> 00:55:09,849

been used whereas we if we don't believe

1234

00:55:13,890 --> 00:55:11,890

in that kind of thing and families who

1235

00:55:15,069 --> 00:55:13,900

don't have the phenomena the brains

1236

00:55:17,799 --> 00:55:15,079

don't work in that way

1237

00:55:20,380 --> 00:55:17,809

have never been made - exactly and

1238

00:55:22,809 --> 00:55:20,390

you're absolutely right because the

1239

00:55:25,930 --> 00:55:22,819

phenomenon itself seems to draw - people

1240

00:55:28,599 --> 00:55:25,940

who are and I quote on quote very

1241

00:55:31,029 --> 00:55:28,609

respectfully we are different because we

1242

00:55:33,549 --> 00:55:31,039

seem to be growing outside of the box of

1243

00:55:36,069 --> 00:55:33,559

of this system that's maddening that

1244

00:55:38,979 --> 00:55:36,079

controls human thought of controls our

1245

00:55:41,259 --> 00:55:38,989

emotions that you know you do this do

1246

00:55:43,839 --> 00:55:41,269

that he taught this we taught that and

1247

00:55:47,380 --> 00:55:43,849

and yet there are those people who are

1248

00:55:50,289 --> 00:55:47,390

so out of that box and I and I do

1249

00:55:52,329 --> 00:55:50,299

believe the system that we serve is very

1250

00:55:55,059 --> 00:55:52,339

much aware of individuals like yourself

1251
00:55:56,499 --> 00:55:55,069
who probably have fouls on you and and

1252
00:55:59,140 --> 00:55:56,509
it's true I've heard this from other

1253
00:56:00,640 --> 00:55:59,150
higher sources it's no ego or anything

1254
00:56:03,309 --> 00:56:00,650
but I've heard this from other higher

1255
00:56:05,349 --> 00:56:03,319
sources that investigators researchers

1256
00:56:07,359 --> 00:56:05,359
experiences are tact they're kind of

1257
00:56:09,459 --> 00:56:07,369
like watched and they they're you know

1258
00:56:11,289 --> 00:56:09,469
that they're because they they we bolted

1259
00:56:13,120 --> 00:56:11,299
we're getting outside of the hood

1260
00:56:15,009 --> 00:56:13,130
there's holding us together and I

1261
00:56:16,749 --> 00:56:15,019
believe the system must know a little

1262
00:56:18,069 --> 00:56:16,759
bit more about what's going on but maybe

1263
00:56:20,289 --> 00:56:18,079

can't control it

1264

00:56:35,650 --> 00:56:20,299

but they want to know what they know the

1265

00:56:39,370 --> 00:56:35,660

researchers know they want to know what

1266

00:56:42,459 --> 00:56:39,380

we know yes absolutely and it's like you

1267

00:56:44,319 --> 00:56:42,469

know this whole war on war you've got

1268

00:56:46,660 --> 00:56:44,329

the military you've got the government's

1269

00:56:49,630 --> 00:56:46,670

you've got a very few select people and

1270

00:56:52,089 --> 00:56:49,640

as we know dare I mention it but there

1271

00:56:54,339 --> 00:56:52,099

is a lot of darkness in this world at

1272

00:56:58,239 --> 00:56:54,349

the moment and I do believe that a lot

1273

00:57:02,339 --> 00:56:58,249

of people and high up people are very

1274

00:57:05,769 --> 00:57:02,349

much aware of you know professing to

1275

00:57:07,569 --> 00:57:05,779

worship a darker force now there has

1276
00:57:09,640 --> 00:57:07,579
been also the argument of whether or not

1277
00:57:13,779 --> 00:57:09,650
we are dealing with genomic demonic

1278
00:57:16,719 --> 00:57:13,789
entities now I I would say no I'm not

1279
00:57:17,949 --> 00:57:16,729
saying that for every one of them but

1280
00:57:20,259 --> 00:57:17,959
what I'm saying is that there's a

1281
00:57:21,939 --> 00:57:20,269
delicate balance between good and bad

1282
00:57:24,249 --> 00:57:21,949
you have the same with humans you might

1283
00:57:26,259 --> 00:57:24,259
have it the same with the greys Cathleen

1284
00:57:28,390 --> 00:57:26,269
Martin Anissa Betty and Barney Hill they

1285
00:57:28,960 --> 00:57:28,400
did make me laugh once when she said

1286
00:57:30,880 --> 00:57:28,970
they

1287
00:57:32,620 --> 00:57:30,890
a rogue group of grades and I had this

1288
00:57:33,970 --> 00:57:32,630

scene in my head of these badass Grey's

1289

00:57:41,740 --> 00:57:33,980

going around kicking the crap out of

1290

00:57:45,280 --> 00:57:41,750

everyone yeah so leave that you know

1291

00:57:48,370 --> 00:57:45,290

with regards to the abductee it is very

1292

00:57:50,530 --> 00:57:48,380

difficult for the experimenter to try to

1293

00:57:52,420 --> 00:57:50,540

come to terms with understanding this

1294

00:57:55,050 --> 00:57:52,430

but I believe that because we've been

1295

00:57:59,320 --> 00:57:55,060

equipped through our educational

1296

00:58:01,510 --> 00:57:59,330

programs that has you know bled us with

1297

00:58:03,700 --> 00:58:01,520

this rubbish about this is this and that

1298

00:58:05,620 --> 00:58:03,710

is that and when these experiences come

1299

00:58:07,420 --> 00:58:05,630

to you there's a part of your mind

1300

00:58:09,609 --> 00:58:07,430

that's fighting and rebelling saying

1301
00:58:12,760 --> 00:58:09,619
well you know this is what happened and

1302
00:58:15,220 --> 00:58:12,770
I believe that after some time and you

1303
00:58:16,780 --> 00:58:15,230
seem to grow from the experience is no

1304
00:58:20,230 --> 00:58:16,790
different from someone who's gone

1305
00:58:23,440 --> 00:58:20,240
through some real tragic event and later

1306
00:58:25,720 --> 00:58:23,450
on in life it changes them you know so

1307
00:58:28,180 --> 00:58:25,730
so I believe that this change with us

1308
00:58:31,510 --> 00:58:28,190
through this experiences the greys or

1309
00:58:34,150 --> 00:58:31,520
whatever they are are coming in and they

1310
00:58:34,750 --> 00:58:34,160
can see that certain souls are very

1311
00:58:37,240 --> 00:58:34,760
different

1312
00:58:39,970 --> 00:58:37,250
maybe the souls are much brighter than

1313
00:58:42,310 --> 00:58:39,980

others and they're interested in in

1314

00:58:45,820 --> 00:58:42,320

those souls for whatever reason we still

1315

00:58:48,910 --> 00:58:45,830

don't understand and I go I go back to

1316

00:58:52,030 --> 00:58:48,920

you know the the process of evolution

1317

00:58:53,500 --> 00:58:52,040

what makes me laugh and I know we could

1318

00:58:57,370 --> 00:58:53,510

argue about this until the cows come

1319

00:59:00,040 --> 00:58:57,380

home but one simple simple thing is the

1320

00:59:03,400 --> 00:59:00,050

fact that everyone argues about how we

1321

00:59:06,220 --> 00:59:03,410

developed as a species coming from Homo

1322

00:59:07,540 --> 00:59:06,230

erectus to homo sapien and you know and

1323

00:59:10,030 --> 00:59:07,550

they're trying to find this missing link

1324

00:59:11,829 --> 00:59:10,040

and I can sit back and laugh thinking

1325

00:59:14,470 --> 00:59:11,839

you know what they will try it it's like

1326

00:59:16,859 --> 00:59:14,480

the EU really they will try it they can

1327

00:59:21,099 --> 00:59:16,869

to make something fit when it doesn't

1328

00:59:23,800 --> 00:59:21,109

one of the main areas that that does

1329

00:59:25,870 --> 00:59:23,810

that is not postulated for some very

1330

00:59:28,990 --> 00:59:25,880

strange reason is the fact that we could

1331

00:59:31,720 --> 00:59:29,000

have been fashioned and modified by an

1332

00:59:34,210 --> 00:59:31,730

extraterrestrial species through some

1333

00:59:38,170 --> 00:59:34,220

gene splicing and I've always believed

1334

00:59:40,690 --> 00:59:38,180

that we had been probably fashioned from

1335

00:59:42,790 --> 00:59:40,700

the ape that you know these beings saw

1336

00:59:45,610 --> 00:59:42,800

as the the most prospective suit

1337

00:59:49,390 --> 00:59:45,620

and brought part of us from there into

1338

00:59:52,620 --> 00:59:49,400

this from this planet so because if we

1339

00:59:55,180 --> 00:59:52,630

had been the the direct descendants of

1340

00:59:57,100 --> 00:59:55,190

through natural selection we wouldn't

1341

00:59:58,990 --> 00:59:57,110

have to shy from our very own Sun and

1342

01:00:01,780 --> 00:59:59,000

certainly with our bodies will be

1343

01:00:06,880 --> 01:00:01,790

equipped we would have a secondary

1344

01:00:09,400 --> 01:00:06,890

eyelid yes that's right but you see they

1345

01:00:12,340 --> 01:00:09,410

know one it's like the UFO phenomena the

1346

01:00:14,650 --> 01:00:12,350

abduction phenomena creation ilysm know

1347

01:00:17,530 --> 01:00:14,660

what these people are like no doubt

1348

01:00:19,450 --> 01:00:17,540

they're like their narrow tunnel vision

1349

01:00:21,550 --> 01:00:19,460

sorry they're going down that narrow

1350

01:00:23,470 --> 01:00:21,560

road I can't see it doesn't exist yet

1351

01:00:27,940 --> 01:00:23,480

the phenomena is growing it's becoming

1352

01:00:29,200 --> 01:00:27,950

more prevalent with regards to people

1353

01:00:30,700 --> 01:00:29,210

around the world getting through these

1354

01:00:45,880 --> 01:00:30,710

experiences and seeing more and more

1355

01:00:48,790 --> 01:00:45,890

UFOs years ago take photographs of the

1356

01:00:54,640 --> 01:00:48,800

farthest reaches of space and you know

1357

01:00:56,860 --> 01:00:54,650

the the kind of artists yes yes so the

1358

01:00:59,440 --> 01:00:56,870

system that we live in that we were you

1359

01:01:02,170 --> 01:00:59,450

know every time we're being talked about

1360

01:01:04,750 --> 01:01:02,180

all we see a model of the solar system

1361

01:01:07,180 --> 01:01:04,760

it's a very Placid looking place it's a

1362

01:01:09,130 --> 01:01:07,190

Suns in the middle all the planets are

1363

01:01:12,640 --> 01:01:09,140

all out on these rings that go around

1364

01:01:14,410 --> 01:01:12,650

and it's all flat and it's all Placid

1365

01:01:16,600 --> 01:01:14,420

but when you actually see what's going

1366

01:01:18,550 --> 01:01:16,610

on it's like holy hell spit it's like

1367

01:01:20,170 --> 01:01:18,560

the best roller coaster you know

1368

01:01:22,630 --> 01:01:20,180

fairground ride that you could ever have

1369

01:01:24,310 --> 01:01:22,640

you know you've got a staff hurtling

1370

01:01:25,780 --> 01:01:24,320

through space it's going forwards and

1371

01:01:28,690 --> 01:01:25,790

we're are whipping around this thing

1372

01:01:31,330 --> 01:01:28,700

like you know in this really crazy crazy

1373

01:01:32,890 --> 01:01:31,340

right manner and I looked at that and I

1374

01:01:35,740 --> 01:01:32,900

just start what are we

1375

01:01:38,080 --> 01:01:35,750

no man were aliens what the hell are we

1376

01:01:40,330 --> 01:01:38,090

we live there that's ridiculous

1377

01:01:43,360 --> 01:01:40,340

what his space was you know when when

1378

01:01:46,600 --> 01:01:43,370

the UFO experienced in 1997 it was so

1379

01:01:48,940 --> 01:01:46,610

close sir up from and in your face that

1380

01:01:51,130 --> 01:01:48,950

he took the lid off my life so from the

1381

01:01:53,020 --> 01:01:51,140

top of my head there's nothing out into

1382

01:01:55,420 --> 01:01:53,030

those big columns of dust that you see

1383

01:01:57,700 --> 01:01:55,430

in the pictures from Hubble right

1384

01:02:03,400 --> 01:01:57,710

that my head is connected to that with

1385

01:02:05,589 --> 01:02:03,410

space you know you feel your actual size

1386

01:02:10,240 --> 01:02:05,599

which is very very small in the scheme

1387

01:02:12,730 --> 01:02:10,250

of things so you know like that just

1388

01:02:15,549 --> 01:02:12,740

completely changed my perspective on

1389

01:02:17,710 --> 01:02:15,559

everything and I started to wonder what

1390

01:02:20,230 --> 01:02:17,720

we were and all these people saying

1391

01:02:23,620 --> 01:02:20,240

about things that are impossible and if

1392

01:02:28,120 --> 01:02:23,630

you explained our actual reality our

1393

01:02:30,460 --> 01:02:28,130

physical actuality as as it is to people

1394

01:02:32,589 --> 01:02:30,470

300 years ago they would have thought

1395

01:02:34,809 --> 01:02:32,599

you were an absolutely insane person

1396

01:02:36,790 --> 01:02:34,819

because you know if you've been thrown

1397

01:02:38,230 --> 01:02:36,800

around like that in space then we would

1398

01:02:41,559 --> 01:02:38,240

know we'd feel it how hair would be

1399

01:02:44,200 --> 01:02:41,569

flying around all over the place falling

1400

01:02:47,650 --> 01:02:44,210

off the table all the time you know but

1401
01:02:49,420 --> 01:02:47,660
you know it would be ludicrous and it is

1402
01:02:51,880 --> 01:02:49,430
ludicrous when you look at it so I just

1403
01:02:54,309 --> 01:02:51,890
think well you know Ellen musk saying

1404
01:02:56,470 --> 01:02:54,319
well I think we live in a simulation and

1405
01:02:59,039 --> 01:02:56,480
your next breath it says no there are no

1406
01:03:01,270 --> 01:02:59,049
aliens if there were any aliens I'd know

1407
01:03:12,700 --> 01:03:01,280
so who does he think showing the

1408
01:03:14,799 --> 01:03:12,710
simulation on space I mean you're

1409
01:03:18,039 --> 01:03:14,809
absolutely correct Sasha you know

1410
01:03:20,020 --> 01:03:18,049
totally you're on my level completely I

1411
01:03:21,789 --> 01:03:20,030
mean when I was a kid I remembered I

1412
01:03:24,099 --> 01:03:21,799
grabbed a chair when the teachers said

1413
01:03:26,349 --> 01:03:24,109

that we lived on a planet and I thought

1414

01:03:29,200 --> 01:03:26,359

the earth was flat and went on forever I

1415

01:03:31,630 --> 01:03:29,210

had this idea now when you go out into

1416

01:03:33,460 --> 01:03:31,640

space it gets even more scary because I

1417

01:03:36,430 --> 01:03:33,470

was asking questions when I was a kid

1418

01:03:38,170 --> 01:03:36,440

very much like you had been with the end

1419

01:03:39,940 --> 01:03:38,180

of the universe where's the end of it

1420

01:03:41,680 --> 01:03:39,950

and it's like you know well what's first

1421

01:03:43,420 --> 01:03:41,690

the chicken of the egg and then you get

1422

01:03:44,680 --> 01:03:43,430

into the Big Bang hypothesis but now

1423

01:03:45,609 --> 01:03:44,690

what we're discovering you're absolutely

1424

01:03:48,579 --> 01:03:45,619

right

1425

01:03:50,319 --> 01:03:48,589

going into the quantum of reality we're

1426
01:03:52,480 --> 01:03:50,329
looking at interdimensional matter and

1427
01:03:54,160 --> 01:03:52,490
and this is this is something that's

1428
01:03:56,140 --> 01:03:54,170
very interesting because you know

1429
01:03:59,230 --> 01:03:56,150
certain research has speculated as to

1430
01:04:02,620 --> 01:03:59,240
whether or not the UFOs themselves can

1431
01:04:04,450 --> 01:04:02,630
bend or warp space-time item but also

1432
01:04:06,190 --> 01:04:04,460
the intervention interdimensional

1433
01:04:09,230 --> 01:04:06,200
hypothesis is very interesting because

1434
01:04:11,120 --> 01:04:09,240
that means that we may be seeing layers

1435
01:04:13,040 --> 01:04:11,130
to the universe that one we both took

1436
01:04:20,840 --> 01:04:13,050
one we're going into another and another

1437
01:04:24,260 --> 01:04:20,850
and it goes on forever the layers of the

1438
01:04:27,190 --> 01:04:24,270

frequency yeah and I think I think

1439

01:04:30,080 --> 01:04:27,200

everything in life is probably like that

1440

01:04:30,530 --> 01:04:30,090

from the micro to the macro like it

1441

01:04:33,410 --> 01:04:30,540

layers

1442

01:04:34,940 --> 01:04:33,420

well that would if I went too deep into

1443

01:04:36,290 --> 01:04:34,950

that I would definitely end up in a

1444

01:04:40,520 --> 01:04:36,300

psychiatric ward

1445

01:04:43,640 --> 01:04:40,530

oh no register with all of that we have

1446

01:04:47,240 --> 01:04:43,650

the general idea that the fact is that

1447

01:04:49,609 --> 01:04:47,250

we are being visited by intelligences

1448

01:04:51,500 --> 01:04:49,619

that are not from this world whether or

1449

01:04:53,720 --> 01:04:51,510

not they are from another planet or they

1450

01:04:56,480 --> 01:04:53,730

are from another lower dimensional

1451

01:04:58,190 --> 01:04:56,490

frequency or a higher frequency we're

1452

01:05:00,800 --> 01:04:58,200

not sure but one of the things that we

1453

01:05:02,840 --> 01:05:00,810

are absolutely certain about taking away

1454

01:05:05,210 --> 01:05:02,850

all the disinformation their lives and

1455

01:05:07,070 --> 01:05:05,220

the fakery is that you know we are

1456

01:05:09,050 --> 01:05:07,080

dealing with a real phenomenon and

1457

01:05:11,390 --> 01:05:09,060

you're absolutely right sir sure you're

1458

01:05:14,570 --> 01:05:11,400

correct we have come in leaps and bounds

1459

01:05:16,160 --> 01:05:14,580

now through our kkona like more of an

1460

01:05:18,200 --> 01:05:16,170

understanding of what we're dealing with

1461

01:05:21,020 --> 01:05:18,210

because before it was very much the nuts

1462

01:05:23,270 --> 01:05:21,030

and bolts aspect you know now we're

1463

01:05:26,540 --> 01:05:23,280

starting to or the greys have given

1464

01:05:28,010 --> 01:05:26,550

signs that you know some of them come on

1465

01:05:30,320 --> 01:05:28,020

a physical level and some of them come

1466

01:05:33,260 --> 01:05:30,330

on a non-physical level and you know

1467

01:05:35,390 --> 01:05:33,270

some of them send this light in and you

1468

01:05:37,730 --> 01:05:35,400

know the light as you've quite correctly

1469

01:05:39,140 --> 01:05:37,740

stated is very important to researchers

1470

01:05:40,940 --> 01:05:39,150

at the moment because that's an area

1471

01:05:49,880 --> 01:05:40,950

they're looking into because light

1472

01:05:53,750 --> 01:05:49,890

carries information now I had an

1473

01:05:56,140 --> 01:05:53,760

experience in 2007 with the reptilians

1474

01:05:58,880 --> 01:05:56,150

insect at the end of September actually

1475

01:06:03,050 --> 01:05:58,890

we've just gone past the anniversary of

1476

01:06:06,910 --> 01:06:03,060

it and on the 4th of October I had

1477

01:06:11,109 --> 01:06:06,920

another experience so that's tomorrow

1478

01:06:14,900 --> 01:06:11,119

right and what it was was I woke up and

1479

01:06:16,130 --> 01:06:14,910

I noticed that I had my legs and my arms

1480

01:06:17,660 --> 01:06:16,140

in the air and I laughed at myself

1481

01:06:20,440 --> 01:06:17,670

because I thought I was acting out some

1482

01:06:23,980 --> 01:06:20,450

crazy kind of dream you know

1483

01:06:27,520 --> 01:06:23,990

like oh you doing you idiot you know so

1484

01:06:28,930 --> 01:06:27,530

I want kind of you know the automatic

1485

01:06:31,329 --> 01:06:28,940

thing to put your arms and legs down but

1486

01:06:34,030 --> 01:06:31,339

I couldn't feel my body at all and then

1487

01:06:36,790 --> 01:06:34,040

I notice like you saying far you know

1488

01:06:38,800 --> 01:06:36,800

the gray mist this all kind of steamy

1489

01:06:41,440 --> 01:06:38,810

you can't quite see anything it's very

1490

01:06:44,710 --> 01:06:41,450

very dark she's getting a vague outline

1491

01:06:46,900 --> 01:06:44,720

it's like shadows of light not shadows

1492

01:06:48,819 --> 01:06:46,910

of darks like something's reflecting or

1493

01:06:52,470 --> 01:06:48,829

something just a little bit it's just

1494

01:06:58,660 --> 01:06:52,480

like this tall weird-looking figure in

1495

01:07:02,579 --> 01:06:58,670

between my feet so I said put the light

1496

01:07:05,079 --> 01:07:02,589

on thinking if they put the light on

1497

01:07:08,620 --> 01:07:05,089

I'll be able to move I'll snap out of

1498

01:07:09,670 --> 01:07:08,630

this funk that I've got myself in it did

1499

01:07:12,040 --> 01:07:09,680

occur to me that there shouldn't have

1500

01:07:13,990 --> 01:07:12,050

been anybody in my bedroom and didn't

1501

01:07:17,440 --> 01:07:14,000

care to me that there's an orange light

1502

01:07:20,170 --> 01:07:17,450

outside my bedroom where's that gone and

1503

01:07:22,000 --> 01:07:20,180

that's stuff and I just kept saying put

1504

01:07:25,480 --> 01:07:22,010

the light on put the light on and then

1505

01:07:27,790 --> 01:07:25,490

my head sort of flock to the right and I

1506

01:07:30,849 --> 01:07:27,800

noticed that I had a green dot of light

1507

01:07:33,130 --> 01:07:30,859

in the crook of my elbow and then my

1508

01:07:35,319 --> 01:07:33,140

eyes I remember my eyes closing and

1509

01:07:43,569 --> 01:07:35,329

that's the end of it so that was fourth

1510

01:07:48,760 --> 01:07:43,579

of October 2007 then in August 2011 I

1511

01:07:53,109 --> 01:07:48,770

went to Leeds Excel politics conference

1512

01:07:55,450 --> 01:07:53,119

and this woman called Sonya was speaking

1513

01:07:59,170 --> 01:07:55,460

now I've been talking to her for years

1514

01:08:01,420 --> 01:07:59,180

and I went to meet her and I've got to

1515

01:08:04,690 --> 01:08:01,430

the University such a never listening to

1516

01:08:06,309 --> 01:08:04,700

a talk and you know we talked on the

1517

01:08:08,890 --> 01:08:06,319

phone and she'd said this stuff before

1518

01:08:10,540 --> 01:08:08,900

and were like you know just shine about

1519

01:08:12,130 --> 01:08:10,550

what it's like you know you fears all

1520

01:08:13,839 --> 01:08:12,140

the silly little things we talked a lot

1521

01:08:16,180 --> 01:08:13,849

about that and just got to know each

1522

01:08:18,610 --> 01:08:16,190

other so what she'd said about the

1523

01:08:22,240 --> 01:08:18,620

lasers didn't really hit home until I'm

1524

01:08:25,959 --> 01:08:22,250

seeing this drawing in front of me where

1525

01:08:28,269 --> 01:08:25,969

she's saying that she's on this table or

1526

01:08:30,610 --> 01:08:28,279

bed and she's got a legs in the air and

1527

01:08:32,499 --> 01:08:30,620

there's green lasers all over the place

1528

01:08:37,269 --> 01:08:32,509

and

1529

01:08:39,820 --> 01:08:37,279

oh I've seen green lasers so that day I

1530

01:08:42,160 --> 01:08:39,830

went home and I got on the internet and

1531

01:08:44,430 --> 01:08:42,170

I'm thinking right green light green

1532

01:08:47,650 --> 01:08:44,440

light green like what would it be like

1533

01:08:49,930 --> 01:08:47,660

Medical okay green light medical use

1534

01:08:53,559 --> 01:08:49,940

that's what attacks him into a Google

1535

01:08:57,700 --> 01:08:53,569

search it came up in the previous May in

1536

01:09:00,729 --> 01:08:57,710

2011 they'd use they've approved green

1537

01:09:05,559 --> 01:09:00,739

light therapy for pelvic health in women

1538

01:09:09,309 --> 01:09:05,569

and prostate health in men boom that is

1539

01:09:12,579 --> 01:09:09,319

what the probe is Wow lean light it

1540

01:09:14,079 --> 01:09:12,589

reset something and there and the pelvic

1541

01:09:16,090 --> 01:09:14,089

health I've got my legs in there she's

1542

01:09:19,019 --> 01:09:16,100

got a legs in the air this green light

1543

01:09:20,860 --> 01:09:19,029

pelvic health in women it was just like

1544

01:09:22,269 --> 01:09:20,870

whoa okay

1545

01:09:24,640 --> 01:09:22,279

I wonder sort something about what

1546

01:09:26,349 --> 01:09:24,650

they're doing is that whatever they're

1547

01:09:29,829 --> 01:09:26,359

doing I don't know I'm not saying that

1548

01:09:31,479 --> 01:09:29,839

I'm part of any projects with babies or

1549

01:09:34,380 --> 01:09:31,489

anything like I have literally zero

1550

01:09:44,260 --> 01:09:34,390

recollection it's just one instance and

1551

01:09:45,670 --> 01:09:44,270

it was the Green Line I can't I probably

1552

01:09:49,150 --> 01:09:45,680

take me two hours to explain what I

1553

01:09:49,690 --> 01:09:49,160

understood so we will do that another

1554

01:09:58,540 --> 01:09:49,700

time

1555

01:10:01,750 --> 01:09:58,550

but yeah yeah healing for cleansing or

1556

01:10:05,080 --> 01:10:01,760

for making sure the frequencies of

1557

01:10:08,200 --> 01:10:05,090

things don't change or do change if the

1558

01:10:10,930 --> 01:10:08,210

frequency is off say like in the sperm

1559

01:10:14,320 --> 01:10:10,940

so it resets the cells frequencies it's

1560

01:10:20,560 --> 01:10:14,330

so it's you know oh he's healthy and

1561

01:10:22,900 --> 01:10:20,570

then say the over healthy or whatever

1562

01:10:25,240 --> 01:10:22,910

you know we we have lots of toxins were

1563

01:10:26,890 --> 01:10:25,250

exposed to lots of toxins in the air

1564

01:10:28,390 --> 01:10:26,900

just walking around we sprayed them

1565

01:10:31,510 --> 01:10:28,400

around our living room we put them in

1566

01:10:33,160 --> 01:10:31,520

our washing machine you know so wonder

1567

01:10:35,620 --> 01:10:33,170

because we absorb these things through

1568

01:10:38,170 --> 01:10:35,630

our skin Wow well that certainly is

1569

01:10:41,459 --> 01:10:38,180

something that I you know good Lord sash

1570

01:10:43,950 --> 01:10:41,469

I mean tell your dad to talk to you

1571

01:10:46,470 --> 01:10:43,960

yeah blind I never do know I never

1572

01:10:48,360 --> 01:10:46,480

thought about that but I I really under

1573

01:10:51,090 --> 01:10:48,370

I think you're absolutely correct I

1574

01:10:53,700 --> 01:10:51,100

think you know as a species we are not

1575

01:10:55,500 --> 01:10:53,710

helping ourselves and certainly we may

1576

01:10:57,240 --> 01:10:55,510

be in danger of destroying ourselves and

1577

01:10:59,610 --> 01:10:57,250

there is also the question of whether or

1578

01:11:02,100 --> 01:10:59,620

not the greys are salvaging what they

1579

01:11:04,920 --> 01:11:02,110

can before you know I'm not a doomsday

1580

01:11:07,729 --> 01:11:04,930

person but I mean things that happen but

1581

01:11:09,660 --> 01:11:07,739

also something interesting you just

1582

01:11:12,030 --> 01:11:09,670

reminded me of something when I was

1583

01:11:15,439 --> 01:11:12,040

coming back from Arizona from the UFO

1584

01:11:18,090 --> 01:11:15,449

conference over there some years ago now

1585

01:11:19,830 --> 01:11:18,100

you know I remembered I was on the plane

1586

01:11:22,050 --> 01:11:19,840

and you know sometimes do you ever get

1587

01:11:24,060 --> 01:11:22,060

those experiences where you look at

1588

01:11:25,680 --> 01:11:24,070

something it could be anything that you

1589

01:11:28,770 --> 01:11:25,690

think is random and all of a sudden it

1590

01:11:30,270 --> 01:11:28,780

seems to strike a chord or a memory of

1591

01:11:34,200 --> 01:11:30,280

something else do you ever get that

1592

01:11:36,060 --> 01:11:34,210

sometimes I yeah so I I get that quite a

1593

01:11:39,030 --> 01:11:36,070

lot and sometimes the imagery that you

1594

01:11:41,820 --> 01:11:39,040

get beyond the of what beyond what

1595

01:11:43,800 --> 01:11:41,830

you're looking at seems to remind you of

1596

01:11:45,240 --> 01:11:43,810

something or there's something person

1597

01:11:47,700 --> 01:11:45,250

it's not just you know oh it's a figment

1598

01:11:50,160 --> 01:11:47,710

of my imagination there's a deep core

1599

01:11:52,680 --> 01:11:50,170

part that pulls you towards it now I saw

1600

01:11:54,450 --> 01:11:52,690

the greys and when I was on the plane I

1601
01:11:56,310 --> 01:11:54,460
didn't see the greys there but I saw the

1602
01:11:58,200 --> 01:11:56,320
grace within the triggering of the

1603
01:12:00,390 --> 01:11:58,210
memory of seeing the top part of where

1604
01:12:02,010 --> 01:12:00,400
the luggage compartment goes in and I

1605
01:12:05,880 --> 01:12:02,020
had this impression that the greys are

1606
01:12:08,610 --> 01:12:05,890
very very very old and there is also the

1607
01:12:11,820 --> 01:12:08,620
other suggestion that we have to look at

1608
01:12:14,939 --> 01:12:11,830
are they are creators where they you

1609
01:12:17,729 --> 01:12:14,949
know guardians of us that are still you

1610
01:12:21,420 --> 01:12:17,739
know looking out for us now most people

1611
01:12:23,760 --> 01:12:21,430
will reject a lot of the hypotheses that

1612
01:12:25,650 --> 01:12:23,770
are brought to the table but I

1613
01:12:28,110 --> 01:12:25,660

understand that you know in the new book

1614

01:12:30,540 --> 01:12:28,120

that I'm working on I'm trying to take

1615

01:12:32,520 --> 01:12:30,550

each aspect and angle that may fit in

1616

01:12:34,260 --> 01:12:32,530

with a particular person's belief

1617

01:12:35,790 --> 01:12:34,270

systems because I think it's important

1618

01:12:38,250 --> 01:12:35,800

to look at the whole as opposed to a

1619

01:12:40,080 --> 01:12:38,260

part there are there are the theories

1620

01:12:41,520 --> 01:12:40,090

there could be our creators there is a

1621

01:12:43,709 --> 01:12:41,530

theory that they are just out for

1622

01:12:45,810 --> 01:12:43,719

themselves which I think more I'm

1623

01:12:47,400 --> 01:12:45,820

inclined to believe though there's

1624

01:12:49,590 --> 01:12:47,410

suggestion that they're trying to

1625

01:12:53,310 --> 01:12:49,600

salvage what they can before things go

1626

01:12:55,229 --> 01:12:53,320

you know all up in the air or they could

1627

01:12:57,660 --> 01:12:55,239

be demons the other thing is that you

1628

01:12:59,520 --> 01:12:57,670

we have a lot of these people I'm not

1629

01:13:02,550 --> 01:12:59,530

getting involved in religion here but

1630

01:13:04,380 --> 01:13:02,560

you know of the demonology aspect of a

1631

01:13:06,570 --> 01:13:04,390

lot of the elite people in the world are

1632

01:13:08,700 --> 01:13:06,580

using bad energy to bring in you know

1633

01:13:12,180 --> 01:13:08,710

these specters and we've heard this all

1634

01:13:13,920 --> 01:13:12,190

about the G and now I'm not denouncing I

1635

01:13:15,840 --> 01:13:13,930

do believe that there are dark elements

1636

01:13:18,930 --> 01:13:15,850

out there however I believe that the

1637

01:13:22,410 --> 01:13:18,940

greys themselves are far more advanced

1638

01:13:25,020 --> 01:13:22,420

they they don't seem to be connected

1639

01:13:28,950 --> 01:13:25,030

through my understanding of the world of

1640

01:13:31,650 --> 01:13:28,960

demonology that is not to say that you

1641

01:13:33,360 --> 01:13:31,660

know that they you know we're all we're

1642

01:13:49,530 --> 01:13:33,370

all connected as a species on a soul

1643

01:13:50,729 --> 01:13:49,540

level different energies and I do some

1644

01:13:53,190 --> 01:13:50,739

of these things have actually been

1645

01:13:55,530 --> 01:13:53,200

created by us because whether we know it

1646

01:13:59,100 --> 01:13:55,540

or not or accept it or not we kick off a

1647

01:14:00,840 --> 01:13:59,110

lot of energy its thought energy is you

1648

01:14:03,720 --> 01:14:00,850

know our physical energy it's our

1649

01:14:05,760 --> 01:14:03,730

emotional energy and if you are like a

1650

01:14:08,490 --> 01:14:05,770

powerhouse or you are repressing

1651
01:14:11,430 --> 01:14:08,500
something and this is spiking out of you

1652
01:14:15,620 --> 01:14:11,440
then these things that can be manifested

1653
01:14:18,959 --> 01:14:15,630
into something else it becomes like not

1654
01:14:21,060 --> 01:14:18,969
necessarily conscious but the root of

1655
01:14:25,700 --> 01:14:21,070
your emotions and then that you can

1656
01:14:28,200 --> 01:14:25,710
actually yourself and then when you die

1657
01:14:30,390 --> 01:14:28,210
mmm yeah that is a very strong

1658
01:14:33,000 --> 01:14:30,400
possibility session I mean if you you

1659
01:14:36,330 --> 01:14:33,010
think about it I mean as human beings my

1660
01:14:39,330 --> 01:14:36,340
idea is that the soul or the the energy

1661
01:14:41,459 --> 01:14:39,340
source that you know that we are in this

1662
01:14:42,900 --> 01:14:41,469
life we operate on a very limited flow

1663
01:14:44,310 --> 01:14:42,910

of conscious awareness and what's

1664

01:14:46,500 --> 01:14:44,320

happening is that everything has been

1665

01:14:49,670 --> 01:14:46,510

recorded within this life we just a tape

1666

01:14:51,600 --> 01:14:49,680

recorder basically and we die that my

1667

01:14:54,090 --> 01:14:51,610

understanding is that that information

1668

01:14:56,940 --> 01:14:54,100

is sent back to the pool of creation and

1669

01:15:04,229 --> 01:14:56,950

that we continue onwards on whatever you

1670

01:15:06,280 --> 01:15:04,239

know whatever so you know we believe it

1671

01:15:09,310 --> 01:15:06,290

like a ghost file

1672

01:15:18,970 --> 01:15:09,320

our meat machine when we pop our clocks

1673

01:15:21,400 --> 01:15:18,980

but another meat machine I love it so we

1674

01:15:23,860 --> 01:15:21,410

leave this kind of imprint of the energy

1675

01:15:26,620 --> 01:15:23,870

of the the meat machine but there are

1676

01:15:30,150 --> 01:15:26,630

conscious energy it is a part of a

1677

01:15:33,100 --> 01:15:30,160

collective so you know your thoughts

1678

01:15:36,210 --> 01:15:33,110

whether you know the lower frequency

1679

01:15:41,550 --> 01:15:36,220

thinking negative things are completely

1680

01:15:46,000 --> 01:15:41,560

high-end positivity you know that is

1681

01:15:48,760 --> 01:15:46,010

what is next so for example Buddhists

1682

01:15:50,050 --> 01:15:48,770

have their own collective consciousness

1683

01:15:52,020 --> 01:15:50,060

of what they think is going to happen

1684

01:15:55,080 --> 01:15:52,030

and will happen when they die

1685

01:15:59,260 --> 01:15:55,090

Christianity you know you live forever

1686

01:16:04,800 --> 01:15:59,270

in the kingdom of God and then you know

1687

01:16:07,300 --> 01:16:04,810

I mean yeah it reminds me that film the

1688

01:16:09,970 --> 01:16:07,310

The Forbidden Planet with Robby the

1689

01:16:11,979 --> 01:16:09,980

Robot and where the doctor was creating

1690

01:16:14,020 --> 01:16:11,989

his own demons to remember that were at

1691

01:16:16,330 --> 01:16:14,030

the end that it was it was him himself

1692

01:16:19,600 --> 01:16:16,340

who've been creating this deme demon

1693

01:16:21,370 --> 01:16:19,610

this monster that was terrorizing the

1694

01:16:25,050 --> 01:16:21,380

place and destroying everything so you

1695

01:16:30,250 --> 01:16:28,690

it's an old film 1950s phone but I like

1696

01:16:33,160 --> 01:16:30,260

Robby the Robot he was kind of cool

1697

01:16:35,560 --> 01:16:33,170

robot but this self was really very cool

1698

01:16:37,270 --> 01:16:35,570

but you know in terms the other thing

1699

01:16:39,760 --> 01:16:37,280

that I found of interest Sasha with

1700

01:16:42,130 --> 01:16:39,770

regards to the UFO phenomenon is that it

1701

01:16:45,190 --> 01:16:42,140

is sporadic and it happens entirely in

1702

01:16:47,110 --> 01:16:45,200

its own time as a point medium when I

1703

01:16:48,310 --> 01:16:47,120

when those on the other side I mean I

1704

01:16:50,260 --> 01:16:48,320

always say to people I couldn't raise

1705

01:16:52,380 --> 01:16:50,270

the skin of rice pudding because the way

1706

01:16:54,880 --> 01:16:52,390

that the other side relay information

1707

01:16:57,370 --> 01:16:54,890

consciously is is like downloading a

1708

01:16:59,500 --> 01:16:57,380

signal into the TV set of your hardware

1709

01:17:02,200 --> 01:16:59,510

basically from the software but

1710

01:17:04,540 --> 01:17:02,210

sometimes see lights and I've spoken

1711

01:17:06,670 --> 01:17:04,550

doctor to doctor arena thought about

1712

01:17:09,070 --> 01:17:06,680

these lights around people now the

1713

01:17:11,890 --> 01:17:09,080

energy that I'd pick up around my the

1714

01:17:14,590 --> 01:17:11,900

club my clients or the people I read for

1715

01:17:16,870 --> 01:17:14,600

is very different from the UFO phenomena

1716

01:17:19,360 --> 01:17:16,880

the UFO phenomena on the varied

1717

01:17:20,149 --> 01:17:19,370

occasions that I've seen them seems to

1718

01:17:24,439 --> 01:17:20,159

operate on a more

1719

01:17:28,339 --> 01:17:24,449

powerful more overpowering energy filled

1720

01:17:31,429 --> 01:17:28,349

frequency and I will tell you that in on

1721

01:17:33,830 --> 01:17:31,439

the 9th of April 2016 when we'd seen

1722

01:17:35,629 --> 01:17:33,840

those three huge lights that were

1723

01:17:37,279 --> 01:17:35,639

hovering over our house when I come back

1724

01:17:39,140 --> 01:17:37,289

and my niece had film them in Mastan was

1725

01:17:41,419 --> 01:17:39,150

trying to get hold of me the story's out

1726

01:17:43,850 --> 01:17:41,429

you know what happened but it was as

1727

01:17:45,739 --> 01:17:43,860

though time had stopped there was no one

1728

01:17:47,299 --> 01:17:45,749

walking their dog there was no one

1729

01:17:49,819 --> 01:17:47,309

coming back from the pub it was about

1730

01:17:51,919 --> 01:17:49,829

quarter past 9:00 a quarter past 11 at

1731

01:17:54,169 --> 01:17:51,929

night sorry no one coming back from the

1732

01:17:56,120 --> 01:17:54,179

pub no one walking their dogs there was

1733

01:17:58,040 --> 01:17:56,130

no one just me and my brother and I'm

1734

01:17:59,750 --> 01:17:58,050

telling you it's correct is like the

1735

01:18:02,839 --> 01:17:59,760

awesome actress like they created this

1736

01:18:04,640 --> 01:18:02,849

bubble rather like a medium I suppose

1737

01:18:06,379 --> 01:18:04,650

when they start to connect with the

1738

01:18:08,299 --> 01:18:06,389

client and then the information comes

1739

01:18:10,489 --> 01:18:08,309

through cops Lee from the departed loved

1740

01:18:12,020 --> 01:18:10,499

one but there is a difference because

1741

01:18:14,149 --> 01:18:12,030

when people say all you're dealing with

1742

01:18:17,000 --> 01:18:14,159

demons no we're not there are there are

1743

01:18:18,799 --> 01:18:17,010

two different aspects here one is the

1744

01:18:20,390 --> 01:18:18,809

psychic that can be operated to bring

1745

01:18:21,979 --> 01:18:20,400

people through from the other side and

1746

01:18:23,569 --> 01:18:21,989

I've not once ever brought a grave

1747

01:18:26,060 --> 01:18:23,579

through from the other side which is

1748

01:18:28,819 --> 01:18:26,070

interesting has been you have you have

1749

01:18:30,679 --> 01:18:28,829

used I had a I had a conversation with

1750

01:18:32,810 --> 01:18:30,689

some people in America thankfully the

1751

01:18:35,299 --> 01:18:32,820

last never again I mean they had it all

1752

01:18:37,370 --> 01:18:35,309

worked out you know that did every day

1753

01:18:38,899 --> 01:18:37,380

of the week and she dealt with love and

1754

01:18:41,149 --> 01:18:38,909

light and it was all lovely and the

1755

01:18:43,969 --> 01:18:41,159

gentleman was telling me you know how

1756

01:18:45,830 --> 01:18:43,979

wrong I was and that he kept speaking

1757

01:18:47,270 --> 01:18:45,840

and speaking about all his theories got

1758

01:18:49,790 --> 01:18:47,280

it all worked out and I thought you know

1759

01:18:51,770 --> 01:18:49,800

what I can't deal with this I can't

1760

01:18:54,469 --> 01:18:51,780

there's no room for intellectual debate

1761

01:18:56,509 --> 01:18:54,479

there's all worked out and I'm thinking

1762

01:18:59,659 --> 01:18:56,519

to myself this is the problem that we

1763

01:19:02,689 --> 01:18:59,669

have now Sasha on our planet okay we

1764

01:19:06,500 --> 01:19:02,699

have our very different experiences but

1765

01:19:08,449 --> 01:19:06,510

there is a key denominator a pattern to

1766

01:19:10,040 --> 01:19:08,459

most of these and you can tell you can

1767

01:19:12,649 --> 01:19:10,050

tell Sasha when you're dealing with

1768

01:19:18,859 --> 01:19:12,659

someone who is genuine you know I can

1769

01:19:21,859 --> 01:19:18,869

small but you know know the day at the

1770

01:19:24,560 --> 01:19:21,869

end of the day our humility and our

1771

01:19:27,169 --> 01:19:24,570

empathy sometimes can get in the way of

1772

01:19:30,529 --> 01:19:27,179

that I fell for that what I'm saying

1773

01:19:32,299 --> 01:19:30,539

that another know roughly those people

1774

01:19:34,100 --> 01:19:32,309

who are telling the truth and those who

1775

01:19:36,170 --> 01:19:34,110

are not but it's these people that like

1776

01:19:38,180 --> 01:19:36,180

often attend gym oh I was abducted last

1777

01:19:39,380 --> 01:19:38,190

week or you know day in and day out and

1778

01:19:41,960 --> 01:19:39,390

it's all love and light and I'm thinking

1779

01:19:43,310 --> 01:19:41,970

well that's not quite what I'm getting

1780

01:19:45,590 --> 01:19:43,320

from this because a lot of the

1781

01:19:47,120 --> 01:19:45,600

experiences are quite terrifying I'm not

1782

01:19:49,970 --> 01:19:47,130

saying that's all of them but the greys

1783

01:19:51,710 --> 01:19:49,980

themselves do scare people because when

1784

01:19:54,980 --> 01:19:51,720

you when you if you've seen one which

1785

01:19:57,890 --> 01:19:54,990

you have and I have it's not like all

1786

01:19:59,540 --> 01:19:57,900

unscared it's it's a deep deep feeling

1787

01:20:12,740 --> 01:19:59,550

of dread it's like oh my god what the

1788

01:20:14,810 --> 01:20:12,750

hell is this overwhelms and and you know

1789

01:20:15,530 --> 01:20:14,820

in any few is like going back into my

1790

01:20:17,840 --> 01:20:15,540

past

1791

01:20:20,030 --> 01:20:17,850

there are even parts that I remember

1792

01:20:22,040 --> 01:20:20,040

that I haven't written about and they're

1793

01:20:24,230 --> 01:20:22,050

kind of like remind me of key points to

1794

01:20:26,180 --> 01:20:24,240

things that have turned up can I tell

1795

01:20:29,930 --> 01:20:26,190

you of a vision that I had about the

1796

01:20:32,900 --> 01:20:29,940

UFOs well I still trying to work it out

1797

01:20:36,110 --> 01:20:32,910

and I you know I'm I can't but I had

1798

01:20:38,630 --> 01:20:36,120

these two dreams and and I had them

1799

01:20:40,640 --> 01:20:38,640

twice one after the other I can't

1800

01:20:42,260 --> 01:20:40,650

remember how long how long apart they

1801

01:20:45,980 --> 01:20:42,270

were but they were the same and

1802

01:20:48,290 --> 01:20:45,990

basically I'm standing by this window

1803

01:20:50,150 --> 01:20:48,300

and I'm looking out and it's dark and

1804

01:20:52,730 --> 01:20:50,160

then I suddenly see this UFO and I'm

1805

01:20:55,400 --> 01:20:52,740

saying to myself my god again they're

1806

01:20:57,650 --> 01:20:55,410

real they're real I'm so excited Sasha

1807

01:20:59,210 --> 01:20:57,660

I'm amazed I'm like putting my arms up

1808

01:21:01,370 --> 01:20:59,220

thinking they're here everyone they're

1809

01:21:02,960 --> 01:21:01,380

here these debunkers those those people

1810

01:21:05,810 --> 01:21:02,970

that don't believe they're here and then

1811

01:21:08,360 --> 01:21:05,820

as the UFO comes closer to me it gets

1812

01:21:11,420 --> 01:21:08,370

smaller and I'm thinking I can hold this

1813

01:21:16,130 --> 01:21:11,430

thing I can hold it and then it turns

1814

01:21:19,400 --> 01:21:16,140

into a piece of old rusting lead the

1815

01:21:21,650 --> 01:21:19,410

second one again was the same thing that

1816

01:21:24,350 --> 01:21:21,660

happens again exactly the same but it

1817

01:21:26,330 --> 01:21:24,360

turned into an old bottle and my mind is

1818

01:21:28,190 --> 01:21:26,340

trying to think you know dear God we're

1819

01:21:30,620 --> 01:21:28,200

all racing for the Holy Grail of what

1820

01:21:33,590 --> 01:21:30,630

this all means does this mean that this

1821

01:21:35,750 --> 01:21:33,600

that we will never get what this subject

1822

01:21:37,400 --> 01:21:35,760

matter is because you know it's staring

1823

01:21:39,950 --> 01:21:37,410

us right in the face and we can't work

1824

01:21:42,410 --> 01:21:39,960

it out so that that's something that I

1825

01:21:44,720 --> 01:21:42,420

feel wasn't just a dream as people say

1826

01:21:46,700 --> 01:21:44,730

oh you just have a dream or I believe

1827

01:21:47,780 --> 01:21:46,710

there was something like use well you

1828

01:21:51,320 --> 01:21:47,790

had that vision

1829

01:21:53,630 --> 01:21:51,330

the sunflower and all of the information

1830

01:21:56,600 --> 01:21:53,640

coming in with that I believe that

1831

01:21:59,480 --> 01:21:56,610

there's some type of download on a on a

1832

01:22:01,310 --> 01:21:59,490

very deep subconscious level where

1833

01:22:03,560 --> 01:22:01,320

there's a part of your mind saying this

1834

01:22:05,150 --> 01:22:03,570

is what the truth is we can't try and

1835

01:22:06,530 --> 01:22:05,160

bring it out in your language but we'll

1836

01:22:08,840 --> 01:22:06,540

try and bring it out in a way that

1837

01:22:10,640 --> 01:22:08,850

you'll understand so Sasha have you can

1838

01:22:12,670 --> 01:22:10,650

break that form if you come you can you

1839

01:22:22,010 --> 01:22:12,680

can sort that out for me I'd be happy

1840

01:22:24,250 --> 01:22:22,020

because I don't know why but when you

1841

01:22:27,560 --> 01:22:24,260

were talking about that piece of lead

1842

01:22:32,240 --> 01:22:27,570

they brought back a dream that I had

1843

01:22:34,580 --> 01:22:32,250

that was like it was water on this Lake

1844

01:22:38,660 --> 01:22:34,590

it was like a speaker it was admitted

1845

01:22:40,820 --> 01:22:38,670

sound and frequencies and the water

1846

01:22:43,310 --> 01:22:40,830

jumped up in the air and it started

1847

01:22:45,550 --> 01:22:43,320

wobbling all over like it looked like an

1848

01:22:48,740 --> 01:22:45,560

amoeba but was moving with it so I'm so

1849

01:22:51,410 --> 01:22:48,750

freaking out and changing shape and then

1850

01:22:53,960 --> 01:22:51,420

it kept going up and open open open

1851

01:22:56,090 --> 01:22:53,970

in this the noise I mean the freak and

1852

01:22:57,560 --> 01:22:56,100

the sound of the frequency that was you

1853

01:23:02,480 --> 01:22:57,570

know they do those things with the sound

1854

01:23:04,640 --> 01:23:02,490

and it makes all the oh yeah well this

1855

01:23:07,300 --> 01:23:04,650

was the sound making the water takes

1856

01:23:15,860 --> 01:23:07,310

shape and then it hit this pitch and

1857

01:23:20,420 --> 01:23:15,870

held farm in a perfect egg Wow vii

1858

01:23:22,280 --> 01:23:20,430

frequency that's what yeah yeah and it

1859

01:23:23,990 --> 01:23:22,290

you're right you're absolutely right

1860

01:23:29,480 --> 01:23:24,000

it's to do with frequency and this is

1861

01:23:32,390 --> 01:23:29,490

the thing this is the really was the

1862

01:23:35,000 --> 01:23:32,400

words yeah and it's the harmonic

1863

01:23:36,800 --> 01:23:35,010

frequencies of the body system so this

1864

01:23:40,340 --> 01:23:36,810

is where it gets a bit deep but let's

1865

01:23:45,530 --> 01:23:40,350

look let's look at the facts we are not

1866

01:23:47,780 --> 01:23:45,540

just and I love that so I've got to use

1867

01:23:50,240 --> 01:23:47,790

that but you know Sasha Christie's two

1868

01:23:52,520 --> 01:23:50,250

courses meet machines but there is the

1869

01:23:55,070 --> 01:23:52,530

genuine belief that we and I know that

1870

01:23:56,360 --> 01:23:55,080

we have a soul that we are you and I and

1871

01:23:58,700 --> 01:23:56,370

many other people are still trying to

1872

01:24:00,710 --> 01:23:58,710

work that out we know there is one and

1873

01:24:01,640 --> 01:24:00,720

maybe these experiences of China's to

1874

01:24:03,980 --> 01:24:01,650

take us out of the

1875

01:24:05,570 --> 01:24:03,990

reality was starting to tell us you know

1876

01:24:07,280 --> 01:24:05,580

there's a whole lot more to your life

1877

01:24:10,400 --> 01:24:07,290

and about the journey that you're you're

1878

01:24:12,230 --> 01:24:10,410

you're going you're you're moving it I

1879

01:24:14,630 --> 01:24:12,240

can't get the words out there similar to

1880

01:24:16,280 --> 01:24:14,640

your life and a long journey ahead and

1881

01:24:17,960 --> 01:24:16,290

we're trying to tell you that you know

1882

01:24:20,480 --> 01:24:17,970

you're part of something much bigger and

1883

01:24:22,700 --> 01:24:20,490

much grander now you know and I believe

1884

01:24:26,570 --> 01:24:22,710

that you know although that we are

1885

01:24:29,390 --> 01:24:26,580

guilty of of labeling this phenomena as

1886

01:24:32,810 --> 01:24:29,400

quite disturbing but there again we can

1887

01:24:37,370 --> 01:24:32,820

be forgiven because it to our mind to us

1888

01:24:40,100 --> 01:24:37,380

as processing beings we do see it that

1889

01:24:43,130 --> 01:24:40,110

way whether it really is on a larger

1890

01:24:45,710 --> 01:24:43,140

scale we don't know but at the same

1891

01:24:47,180 --> 01:24:45,720

token you know we're battling the

1892

01:24:49,580 --> 01:24:47,190

question and you hear it again and again

1893

01:24:51,470 --> 01:24:49,590

in the media circles you know yes

1894

01:24:52,070 --> 01:24:51,480

there's life after death next minute no

1895

01:24:54,260 --> 01:24:52,080

there isn't

1896

01:24:56,540 --> 01:24:54,270

oh there's life out there but it's too

1897

01:24:58,250 --> 01:24:56,550

far away that can't get here Islam you

1898

01:25:00,320 --> 01:24:58,260

know give it to the public then slap it

1899

01:25:03,020 --> 01:25:00,330

in their face again this whole thing has

1900

01:25:05,420 --> 01:25:03,030

to change because you know this

1901

01:25:08,090 --> 01:25:05,430

disclosure movement I don't know how

1902

01:25:10,490 --> 01:25:08,100

that's gonna work you know Christ you

1903

01:25:12,440 --> 01:25:10,500

tell the public in the media there is

1904

01:25:14,120 --> 01:25:12,450

going to be water salt shortage they're

1905

01:25:16,070 --> 01:25:14,130

all out there buying the water or a fuel

1906

01:25:18,320 --> 01:25:16,080

shortage so how they're they're going to

1907

01:25:21,140 --> 01:25:18,330

cope with a phenomena that we we don't

1908

01:25:23,210 --> 01:25:21,150

yet fully understand and that will send

1909

01:25:30,770 --> 01:25:23,220

them over the edge won't it really when

1910

01:25:33,050 --> 01:25:30,780

you think an emotional reaction these

1911

01:25:35,180 --> 01:25:33,060

days you just have to look at the way

1912

01:25:43,720 --> 01:25:35,190

that politics has developed over social

1913

01:25:49,580 --> 01:25:46,820

yeah yeah and and also the when you

1914

01:25:51,470 --> 01:25:49,590

talked going back not not you know

1915

01:25:53,510 --> 01:25:51,480

jumping around here but when you said

1916

01:25:55,220 --> 01:25:53,520

about the harmonic frequencies that is

1917

01:25:57,350 --> 01:25:55,230

also very interesting thing cuz I will

1918

01:25:59,660 --> 01:25:57,360

tell you which you're probably aware of

1919

01:26:02,570 --> 01:25:59,670

is well that in order to satisfy my

1920

01:26:06,080 --> 01:26:02,580

curiosity with regards to these aliens

1921

01:26:08,360 --> 01:26:06,090

as we call them we my brother and I and

1922

01:26:11,000 --> 01:26:08,370

Susan have met the fabulous Peter

1923

01:26:12,560 --> 01:26:11,010

Robbins many years ago and he's when he

1924

01:26:14,630 --> 01:26:12,570

came to England and he said you know you

1925

01:26:15,560 --> 01:26:14,640

guys have got a go to Reynolds from for

1926

01:26:16,520 --> 01:26:15,570

us you got a goal there

1927

01:26:17,810 --> 01:26:16,530

you know there's a lot of things

1928

01:26:20,209 --> 01:26:17,820

happening out there and we said okay

1929

01:26:21,979 --> 01:26:20,219

Peter will do that so we went out there

1930

01:26:24,410 --> 01:26:21,989

and we did a lot of experiments out

1931

01:26:26,149 --> 01:26:24,420

there and one one time I remembered I

1932

01:26:29,899 --> 01:26:26,159

heard Karen Carpenter's song calling

1933

01:26:32,300 --> 01:26:29,909

occupants and I wonder if we could so

1934

01:26:35,359 --> 01:26:32,310

what we did was that we had meditated at

1935

01:26:37,189 --> 01:26:35,369

home here in in Bedfordshire and a week

1936

01:26:40,100 --> 01:26:37,199

before we were going out I'm sure it was

1937

01:26:43,850 --> 01:26:40,110

about a week and the day had arrived and

1938

01:26:46,850 --> 01:26:43,860

was it June the 8th 1998 I think we went

1939

01:26:49,220 --> 01:26:46,860

out there then and we'd send out our

1940

01:26:50,930 --> 01:26:49,230

intentions consciously for them to

1941

01:26:52,729 --> 01:26:50,940

appear to us we weren't going to take

1942

01:26:54,800 --> 01:26:52,739

any camera equipment or anything at all

1943

01:26:56,780 --> 01:26:54,810

we just wanted to be on a personal level

1944

01:27:00,140 --> 01:26:56,790

to see them and you get people satoru

1945

01:27:02,390 --> 01:27:00,150

say wow I don't believe well that's fine

1946

01:27:04,250 --> 01:27:02,400

but I hope to god that people understand

1947

01:27:05,870 --> 01:27:04,260

that I don't deal like me with rubbish I

1948

01:27:08,089 --> 01:27:05,880

just deal with black and white so we've

1949

01:27:10,430 --> 01:27:08,099

gone out there on this day and we

1950

01:27:13,280 --> 01:27:10,440

weren't expecting anything I'd gone out

1951
01:27:15,800 --> 01:27:13,290
into the farmer's field where I assumed

1952
01:27:17,839 --> 01:27:15,810
that most of this had happened I didn't

1953
01:27:19,819 --> 01:27:17,849
know where in hell it was and I used a

1954
01:27:23,000 --> 01:27:19,829
pair of dowsing wants to find an area in

1955
01:27:26,359 --> 01:27:23,010
the dark where where we could sit in a

1956
01:27:30,040 --> 01:27:26,369
circle to meditate again after our

1957
01:27:32,540 --> 01:27:30,050
initial meditation one week earlier and

1958
01:27:34,609 --> 01:27:32,550
so we had to be careful because the

1959
01:27:36,229 --> 01:27:34,619
farmers renowned for seeing people in

1960
01:27:38,030 --> 01:27:36,239
his field he doesn't like this is just

1961
01:27:40,430 --> 01:27:38,040
outside the sphere of the forest

1962
01:27:42,890 --> 01:27:40,440
so we've now I found this spot because

1963
01:27:44,390 --> 01:27:42,900

the the dowsing rods moved across and I

1964

01:27:46,729 --> 01:27:44,400

thought well if they're moving across it

1965

01:27:49,100 --> 01:27:46,739

must be working because it's found some

1966

01:27:51,140 --> 01:27:49,110

things before I'll just rely on that so

1967

01:27:53,689 --> 01:27:51,150

we sat in this circle in the dark of a

1968

01:27:56,810 --> 01:27:53,699

moonlit night on this date and it was

1969

01:27:59,839 --> 01:27:56,820

just before quarter to 10:00 where we

1970

01:28:02,839 --> 01:27:59,849

meditated and we got up you know we saw

1971

01:28:06,020 --> 01:28:02,849

this red light that was coming from the

1972

01:28:07,550 --> 01:28:06,030

farmers house and I thought crap he's

1973

01:28:09,410 --> 01:28:07,560

seen us he's got in a car and he's

1974

01:28:11,810 --> 01:28:09,420

coming across because half the field was

1975

01:28:13,370 --> 01:28:11,820

crop and half the field was barren we

1976

01:28:14,510 --> 01:28:13,380

were on the barren part so he started

1977

01:28:17,390 --> 01:28:14,520

running back and I stopped and thought

1978

01:28:24,799 --> 01:28:17,400

hang on just a minute hang on I I that's

1979

01:28:30,229 --> 01:28:28,819

like you know we we would like well you

1980

01:28:33,680 --> 01:28:30,239

know anyone would when they it's not our

1981

01:28:36,200 --> 01:28:33,690

land so we're watching red light and it

1982

01:28:38,930 --> 01:28:36,210

started to come closer towards us and I

1983

01:28:41,060 --> 01:28:38,940

thought oh my god and that that bit of

1984

01:28:43,850 --> 01:28:41,070

fear and excitement starts coming in you

1985

01:28:46,129 --> 01:28:43,860

and then it shot really fast across the

1986

01:28:47,839 --> 01:28:46,139

field and went through the crop and

1987

01:28:50,270 --> 01:28:47,849

disappeared to the other end of the

1988

01:28:52,160 --> 01:28:50,280

field where the crop was the end of the

1989

01:28:54,470 --> 01:28:52,170

crop was and and that was it we thought

1990

01:28:56,299 --> 01:28:54,480

oh my god Susan our friend Susan my

1991

01:28:59,450 --> 01:28:56,309

brother were like gee that was amazing

1992

01:29:01,970 --> 01:28:59,460

well at quarter past ten and it was

1993

01:29:04,879 --> 01:29:01,980

quarter past ten there was a flash of

1994

01:29:06,830 --> 01:29:04,889

light above the trees that are very tall

1995

01:29:08,510 --> 01:29:06,840

there I could point out where exactly

1996

01:29:09,740 --> 01:29:08,520

where it was if I went there are know

1997

01:29:12,229 --> 01:29:09,750

exactly where it happened

1998

01:29:15,229 --> 01:29:12,239

and there was this object and it

1999

01:29:17,720 --> 01:29:15,239

appeared and it was like a pyramid and

2000

01:29:21,379 --> 01:29:17,730

it would the pyramid was glowing like a

2001

01:29:23,959 --> 01:29:21,389

yellowy gold color light color and

2002

01:29:25,970 --> 01:29:23,969

underneath that was a gap and a circular

2003

01:29:28,459 --> 01:29:25,980

appendage that was dis shaped with these

2004

01:29:32,629 --> 01:29:28,469

blue lights around its Bank and it just

2005

01:29:34,459 --> 01:29:32,639

remains motionless it didn't move at all

2006

01:29:36,439 --> 01:29:34,469

like north south east west

2007

01:29:39,649 --> 01:29:36,449

it was motionless but it started to turn

2008

01:29:41,660 --> 01:29:39,659

like a clock so the top part turned one

2009

01:29:44,029 --> 01:29:41,670

way and the bottom part turned the other

2010

01:29:47,689 --> 01:29:44,039

well we got it in the binoculars and

2011

01:29:49,189 --> 01:29:47,699

that was it I started to bolt towards it

2012

01:29:53,540 --> 01:29:49,199

I'll never forget it I've written about

2013

01:29:56,089 --> 01:29:53,550

this and as I ran I kept shouting Mac

2014

01:29:58,189 --> 01:29:56,099

tell me it's a pyramid tell me it's

2015

01:29:59,810 --> 01:29:58,199

glowing tell me it hasn't circular

2016

01:30:03,109 --> 01:29:59,820

undercarriage because I want to confirm

2017

01:30:04,850 --> 01:30:03,119

that what I seeing was what Susan Arnold

2018

01:30:09,950 --> 01:30:04,860

was seeing and they panicked because I

2019

01:30:11,540 --> 01:30:09,960

was shouting and I I start unto the my

2020

01:30:14,720 --> 01:30:11,550

jeans and I got closer and closer to

2021

01:30:16,850 --> 01:30:14,730

this amazing device whatever you want to

2022

01:30:20,060 --> 01:30:16,860

call it and then when I got underneath

2023

01:30:20,390 --> 01:30:20,070

it it I tripped and it went out like a

2024

01:30:23,209 --> 01:30:20,400

light

2025

01:30:26,560 --> 01:30:23,219

I tripped fell took in a mouthful of mud

2026

01:30:30,379 --> 01:30:26,570

and then spat it out and then I cried

2027

01:30:32,149 --> 01:30:30,389

because I was so when I was running

2028

01:30:35,060 --> 01:30:32,159

towards that was a half placed hominid I

2029

01:30:39,370 --> 01:30:35,070

I didn't I could have been come I was

2030

01:30:42,380 --> 01:30:39,380

like you know like a guy this low Oh

2031

01:30:44,540 --> 01:30:42,390

yeah literally I didn't think think

2032

01:30:46,580 --> 01:30:44,550

about anything but when it went out it

2033

01:30:49,340 --> 01:30:46,590

just flipped out like someone turning

2034

01:30:51,920 --> 01:30:49,350

the lights out and then like I cried and

2035

01:30:53,960 --> 01:30:51,930

then I started laughing and Susan one

2036

01:30:55,760 --> 01:30:53,970

where we were all quite amazed by what

2037

01:30:57,770 --> 01:30:55,770

have happened I knew no one would

2038

01:31:00,050 --> 01:30:57,780

believe us now what happened was what

2039

01:31:02,300 --> 01:31:00,060

happened were sasha was the next day I

2040

01:31:04,790 --> 01:31:02,310

come back two more anything to eat I was

2041

01:31:06,530 --> 01:31:04,800

so stunned I contacted UFO magazine and

2042

01:31:08,480 --> 01:31:06,540

I spoke to them and they were very

2043

01:31:09,860 --> 01:31:08,490

interested I said hey what it's not it

2044

01:31:11,600 --> 01:31:09,870

you've got a we've got to tell you about

2045

01:31:13,940 --> 01:31:11,610

this because my mind was racing with

2046

01:31:16,730 --> 01:31:13,950

like do you guys have gotta understand

2047

01:31:18,800 --> 01:31:16,740

what happened so this guy called Green

2048

01:31:20,570 --> 01:31:18,810

Forbes asked me to write and draw

2049

01:31:22,520 --> 01:31:20,580

everything and send it to him who had

2050

01:31:24,380 --> 01:31:22,530

parted to Peter Robbins he didn't know

2051

01:31:26,660 --> 01:31:24,390

that I'd met Peter Robbins he said he

2052

01:31:28,520 --> 01:31:26,670

would pass it to him well nothing

2053

01:31:31,540 --> 01:31:28,530

happened and it's no conspiracy it's

2054

01:31:34,040 --> 01:31:31,550

just kind of strange a month or so later

2055

01:31:35,840 --> 01:31:34,050

it could have been a bit more I'm not

2056

01:31:37,970 --> 01:31:35,850

sure such because I didn't take a record

2057

01:31:39,680 --> 01:31:37,980

of when I you know how long it was but

2058

01:31:41,600 --> 01:31:39,690

iPhone magazine back up and I said oh

2059

01:31:42,800 --> 01:31:41,610

can I speak to bream for this and they

2060

01:31:45,050 --> 01:31:42,810

said well we don't have anyone by that

2061

01:31:47,900 --> 01:31:45,060

name and it's that Hitchcock moment with

2062

01:31:49,580 --> 01:31:47,910

a knife when it goes hurt hurt hurt no

2063

01:31:51,800 --> 01:31:49,590

one by that name I said no and I said

2064

01:31:54,830 --> 01:31:51,810

well I sent some stuff to you I was like

2065

01:31:57,740 --> 01:31:54,840

we haven't had any stuff so you know now

2066

01:31:59,690 --> 01:31:57,750

you know another conspiracy but how

2067

01:32:01,910 --> 01:31:59,700

could there be a conspiracy who would

2068

01:32:04,010 --> 01:32:01,920

believe three people out in the middle

2069

01:32:07,370 --> 01:32:04,020

of nowhere in a field but we documented

2070

01:32:11,630 --> 01:32:07,380

and we recorded everything and that then

2071

01:32:13,460 --> 01:32:11,640

I told me consciously we are able to

2072

01:32:16,450 --> 01:32:13,470

connect with them on a conscious level

2073

01:32:18,590 --> 01:32:16,460

and that unlike thoughts snapped into

2074

01:32:20,660 --> 01:32:18,600

whatever it was I couldn't tell you if

2075

01:32:23,450 --> 01:32:20,670

it was a time machine if it was a UFO

2076

01:32:25,580 --> 01:32:23,460

and you know people say oh you know

2077

01:32:27,290 --> 01:32:25,590

you're just jumping on the bandwagon we

2078

01:32:29,150 --> 01:32:27,300

actually went out there session we did

2079

01:32:30,980 --> 01:32:29,160

our field research that's where I met

2080

01:32:32,210 --> 01:32:30,990

Brendan Butler I got out the car I

2081

01:32:34,280 --> 01:32:32,220

didn't know where she was in the world

2082

01:32:35,720 --> 01:32:34,290

one night it's not the same night and I

2083

01:32:37,760 --> 01:32:35,730

said I'd love to meet Brenda back there

2084

01:32:41,300 --> 01:32:37,770

and who'd you think we met that night in

2085

01:32:44,560 --> 01:32:41,310

in the forest with Pete I think it was

2086

01:32:48,380 --> 01:32:44,570

Peter right and there she had a white

2087

01:32:50,090 --> 01:32:48,390

Alsatian and I I went back and said are

2088

01:32:51,650 --> 01:32:50,100

you looking for the orbs because we

2089

01:32:52,250 --> 01:32:51,660

thought it was the UFO we was seeing it

2090

01:32:53,959 --> 01:32:52,260

was just too

2091

01:33:01,629 --> 01:32:53,969

and there were the torch and this music

2092

01:33:08,120 --> 01:33:05,240

started I think all of us are connected

2093

01:33:12,350 --> 01:33:08,130

through delicate synchronicities libel

2094

01:33:15,709 --> 01:33:12,360

that on some very unique level that your

2095

01:33:18,529 --> 01:33:15,719

life your experiences sasha are unique

2096

01:33:21,589 --> 01:33:18,539

to you and they are unfolding within

2097

01:33:24,919 --> 01:33:21,599

themselves for you and personally you

2098

01:33:27,490 --> 01:33:24,929

and as mine are for me and I think a lot

2099

01:33:30,560 --> 01:33:27,500

of us follow gist's are looking for

2100

01:33:32,839 --> 01:33:30,570

something that can fit all into that one

2101

01:33:46,990 --> 01:33:32,849

box when actually it may be very

2102

01:33:50,080 --> 01:33:47,000

multifaceted anyway and there seem to be

2103

01:33:53,060 --> 01:33:50,090

intellectually frightened of

2104

01:33:55,790 --> 01:33:53,070

entertaining certain thoughts you know

2105

01:33:58,509 --> 01:33:55,800

like oh if I think that for a moment

2106

01:34:03,259 --> 01:33:58,519

then I might lose my mind forever

2107

01:34:05,390 --> 01:34:03,269

you know entertain an idea and let it

2108

01:34:10,009 --> 01:34:05,400

float through your head and out again

2109

01:34:11,149 --> 01:34:10,019

without any life changes so I think

2110

01:34:12,589 --> 01:34:11,159

people are frightened so of the

2111

01:34:15,649 --> 01:34:12,599

conversations because it's all been

2112

01:34:20,000 --> 01:34:15,659

ridiculed so much and still is even like

2113

01:34:22,520 --> 01:34:20,010

the you know TT essay a lot with the

2114

01:34:24,890 --> 01:34:22,530

Elba Navy coming out all these people

2115

01:34:27,259 --> 01:34:24,900

doing all these things guy from the CIA

2116

01:34:28,970 --> 01:34:27,269

the guy from where you know Lockheed

2117

01:34:31,549 --> 01:34:28,980

Martin the guy from you know the skunk

2118

01:34:34,069 --> 01:34:31,559

works they're all you know together

2119

01:34:37,870 --> 01:34:34,079

doing this stuff but they don't want to

2120

01:34:41,930 --> 01:34:37,880

or speculate not be inside these things

2121

01:34:45,259 --> 01:34:41,940

you know like well it's a really logical

2122

01:34:47,419 --> 01:34:45,269

thing to sort of connect that there

2123

01:34:48,770 --> 01:34:47,429

might be something we don't know what it

2124

01:34:50,540 --> 01:34:48,780

is we don't know what the technology is

2125

01:34:58,089 --> 01:34:50,550

we've got all the best stuff in the

2126

01:35:06,040 --> 01:35:02,770

talk about that oh man

2127

01:35:08,320 --> 01:35:06,050

well the third UI and a lot of other

2128

01:35:11,620 --> 01:35:08,330

people have suffered in silence through

2129

01:35:13,810 --> 01:35:11,630

the might of the media machine and that

2130

01:35:16,090 --> 01:35:13,820

is something that I woke up to very very

2131

01:35:19,930 --> 01:35:16,100

quickly after I've you know gone through

2132

01:35:21,820 --> 01:35:19,940

a very negative experience you know and

2133

01:35:24,040 --> 01:35:21,830

through television through the major

2134

01:35:26,950 --> 01:35:24,050

media outlets and it's not something

2135

01:35:29,380 --> 01:35:26,960

that I would entertain in the future at

2136

01:35:30,820 --> 01:35:29,390

all unless it was actually under we were

2137

01:35:42,150 --> 01:35:30,830

in control of it because some people

2138

01:35:44,230 --> 01:35:42,160

have just helped damage people

2139

01:35:47,890 --> 01:35:44,240

traumatized people who were already

2140

01:35:50,590 --> 01:35:47,900

traumatized yeah and you know under you

2141

01:35:52,900 --> 01:35:50,600

know certain conditions you know it

2142

01:35:54,820 --> 01:35:52,910

takes someone to c1 for them to change

2143

01:35:57,130 --> 01:35:54,830

it's rather like someone god forbid who

2144

01:35:59,530 --> 01:35:57,140

gets involved in as an accident that

2145

01:36:01,570 --> 01:35:59,540

changes their entire life but someone

2146

01:36:04,600 --> 01:36:01,580

who hasn't had the accident cannot

2147

01:36:06,820 --> 01:36:04,610

relate to that so I get that to a degree

2148

01:36:08,980 --> 01:36:06,830

but I think the system that we serve has

2149

01:36:12,400 --> 01:36:08,990

been damaging because what it's doing

2150

01:36:14,050 --> 01:36:12,410

now it's crushing empathy it's crushing

2151

01:36:16,600 --> 01:36:14,060

our emotional connections with one

2152

01:36:19,870 --> 01:36:16,610

another it's trying to really force down

2153

01:36:21,760 --> 01:36:19,880

now on on certain subjects to boost that

2154

01:36:24,070 --> 01:36:21,770

they consider to boost subjects about

2155

01:36:26,800 --> 01:36:24,080

life after death and what a world we

2156

01:36:29,740 --> 01:36:26,810

would live in if we could just try to

2157

01:36:32,680 --> 01:36:29,750

work together in uniting in truth and in

2158

01:36:34,840 --> 01:36:32,690

harmony more about what we represent as

2159

01:36:39,340 --> 01:36:34,850

opposed to the you know the meat machine

2160

01:36:40,540 --> 01:36:39,350

as you call us or you know the spiritual

2161

01:36:42,490 --> 01:36:40,550

part as well and I use the word

2162

01:36:44,200 --> 01:36:42,500

spiritual very loosely I mean that in

2163

01:36:46,780 --> 01:36:44,210

the sense of soul survival or the

2164

01:36:49,120 --> 01:36:46,790

continuation of consciousness so on a

2165

01:36:51,370 --> 01:36:49,130

grander level I do feel really excited

2166

01:36:53,320 --> 01:36:51,380

by a lot of what's going on and

2167

01:36:56,800 --> 01:36:53,330

especially people like yourself Sasha

2168

01:36:58,930 --> 01:36:56,810

who go out there to look and search for

2169

01:37:01,840 --> 01:36:58,940

the truth and and even though we don't

2170

01:37:04,510 --> 01:37:01,850

have the answers I think to a degree on

2171

01:37:06,940 --> 01:37:04,520

a personal level that we can't explain

2172

01:37:09,010 --> 01:37:06,950

in words we have some form of

2173

01:37:11,290 --> 01:37:09,020

understanding that we can't yet relate

2174

01:37:13,780 --> 01:37:11,300

to and I did like the idea that you

2175

01:37:15,880 --> 01:37:13,790

suggested also sesor about you know

2176
01:37:16,540 --> 01:37:15,890
building up that we leave some parts of

2177
01:37:19,510 --> 01:37:16,550
ourselves

2178
01:37:21,460 --> 01:37:19,520
and I really understand that and that's

2179
01:37:26,020 --> 01:37:21,470
the film you have to watch The Forbidden

2180
01:37:27,580 --> 01:37:26,030
Planet and with dr. Morbius and and what

2181
01:37:30,580 --> 01:37:27,590
happened there and that might give you

2182
01:37:32,350 --> 01:37:30,590
an idea of or generalized the idea of

2183
01:37:34,780 --> 01:37:32,360
what you were talking about but

2184
01:37:36,580 --> 01:37:34,790
certainly you know I think with regards

2185
01:37:39,100 --> 01:37:36,590
to a lot of the mysteries on our planet

2186
01:37:42,100 --> 01:37:39,110
a lot of the stuff that we can't yet

2187
01:37:45,310 --> 01:37:42,110
understand this this experience seems to

2188
01:37:47,320 --> 01:37:45,320

play with us it seems to toy with us it

2189

01:38:00,760 --> 01:37:47,330

seems to know that with we're looking

2190

01:38:03,880 --> 01:38:00,770

for it and yet it it's so elusive as

2191

01:38:05,350 --> 01:38:03,890

well like steaming it that is exactly

2192

01:38:07,210 --> 01:38:05,360

what he said are we dealing with

2193

01:38:09,460 --> 01:38:07,220

something like that and I love the way

2194

01:38:11,650 --> 01:38:09,470

that you put that session because the

2195

01:38:13,150 --> 01:38:11,660

way you're right and a lot of people

2196

01:38:15,640 --> 01:38:13,160

people of aardman apps are the same

2197

01:38:17,860 --> 01:38:15,650

thing isn't it strange how when you

2198

01:38:21,040 --> 01:38:17,870

start becoming interested in it it

2199

01:38:22,750 --> 01:38:21,050

becomes interested in you but it's

2200

01:38:27,570 --> 01:38:22,760

something that we can't control

2201

01:38:30,490 --> 01:38:27,580

unlike clairvoyance or the discarnate

2202

01:38:33,010 --> 01:38:30,500

communication that that happens on an

2203

01:38:35,470 --> 01:38:33,020

autumn or automatic response I suppose

2204

01:38:38,410 --> 01:38:35,480

because the the nose on the other side

2205

01:38:41,350 --> 01:38:38,420

are facilitating their thoughts into our

2206

01:38:43,930 --> 01:38:41,360

matrix and through to this mechanism but

2207

01:38:46,960 --> 01:38:43,940

when it comes to the UFO field it has it

2208

01:38:49,330 --> 01:38:46,970

must be separate in some way because it

2209

01:38:52,240 --> 01:38:49,340

it operates on a completely different

2210

01:38:54,850 --> 01:38:52,250

level of reality that that I am aware of

2211

01:38:57,210 --> 01:38:54,860

on a psychic level and I've spoken to

2212

01:39:00,910 --> 01:38:57,220

some other very brilliant mediums that I

2213

01:39:01,840 --> 01:39:00,920

used to know who said the same thing the

2214

01:39:04,830 --> 01:39:01,850

you know they've had these experiences

2215

01:39:07,840 --> 01:39:04,840

quite frightening experiences with UFOs

2216

01:39:10,300 --> 01:39:07,850

and that they don't understand what they

2217

01:39:13,330 --> 01:39:10,310

are where they come from but my modus

2218

01:39:17,020 --> 01:39:13,340

operandi myself has been to try to merge

2219

01:39:19,480 --> 01:39:17,030

the UFO phenomenon with the psychic

2220

01:39:23,140 --> 01:39:19,490

phenomena because they seem to go hand

2221

01:39:25,840 --> 01:39:23,150

in claw with one another there seems to

2222

01:39:29,110 --> 01:39:25,850

be a connection and even if we are wrong

2223

01:39:30,580 --> 01:39:29,120

and I will admit that I'm a person who

2224

01:39:33,940 --> 01:39:30,590

will you know be open

2225

01:39:35,710 --> 01:39:33,950

to the truth whatever truth that Beth it

2226

01:39:39,640 --> 01:39:35,720

comes in whatever form it comes in

2227

01:39:42,520 --> 01:39:39,650

but the Grays are interested in us as a

2228

01:39:44,590 --> 01:39:42,530

species because they are interested in

2229

01:39:46,810 --> 01:39:44,600

what makes us tick they're interested in

2230

01:39:48,640 --> 01:39:46,820

our reproduction they're interested in

2231

01:39:50,560 --> 01:39:48,650

our responses they're interested in in

2232

01:39:52,180 --> 01:39:50,570

color and empathy and taste and age

2233

01:39:54,430 --> 01:39:52,190

these are the attributes that these

2234

01:39:57,250 --> 01:39:54,440

prosaic life ones don't have and I've

2235

01:40:00,520 --> 01:39:57,260

also made a correlation perhaps that

2236

01:40:03,550 --> 01:40:00,530

when we came into being if we go back

2237

01:40:06,310 --> 01:40:03,560

into creation where we ourselves prosaic

2238

01:40:08,680 --> 01:40:06,320

and we have amalgamated ourselves to a

2239

01:40:11,680 --> 01:40:08,690

life form where we could ingest and

2240

01:40:14,110 --> 01:40:11,690

create and become you know into the

2241

01:40:16,870 --> 01:40:14,120

physical the greats themselves maybe

2242

01:40:19,870 --> 01:40:16,880

trying to bypass or cheating the process

2243

01:40:21,340 --> 01:40:19,880

of reincarnation because they don't want

2244

01:40:24,130 --> 01:40:21,350

to go through the many varied levels

2245

01:40:27,310 --> 01:40:24,140

that we as humans go through so there is

2246

01:40:30,010 --> 01:40:27,320

also that can that theory that we have

2247

01:40:31,960 --> 01:40:30,020

to take into consideration that if we

2248

01:40:35,260 --> 01:40:31,970

ourselves tried to clone and cheat the

2249

01:40:37,180 --> 01:40:35,270

process of reproduction and continuous

2250

01:40:39,070 --> 01:40:37,190

recycling of souls coming in and out in

2251

01:40:40,840 --> 01:40:39,080

different lives that we want one single

2252

01:40:43,060 --> 01:40:40,850

life that we may pay the price for that

2253

01:40:46,870 --> 01:40:43,070

and obviously also with regards to

2254

01:40:49,990 --> 01:40:46,880

cloning you know the question is if we

2255

01:40:52,000 --> 01:40:50,000

clone humans where does that lead us are

2256

01:40:54,970 --> 01:40:52,010

we then leading ourselves into a down

2257

01:40:57,460 --> 01:40:54,980

downward spiral to a devolution as

2258

01:40:59,110 --> 01:40:57,470

opposed to evolution so certainly

2259

01:41:03,580 --> 01:40:59,120

there's a lot that you know we got to

2260

01:41:07,000 --> 01:41:03,590

consider and take into a in some form of

2261

01:41:09,010 --> 01:41:07,010

hypothesis and you know it's a subject

2262

01:41:10,630 --> 01:41:09,020

matter that can go on and on and you can

2263

01:41:22,990 --> 01:41:10,640

bang it on I sometimes banged my head

2264

01:41:25,000 --> 01:41:23,000

against the wall this is literally

2265

01:41:27,340 --> 01:41:25,010

piecing fragments together it's like

2266

01:41:29,410 --> 01:41:27,350

getting a piece of paper and poking a

2267

01:41:31,510 --> 01:41:29,420

little tiny hole in it and then spying

2268

01:41:33,790 --> 01:41:31,520

through that hole and you can kind of

2269

01:41:37,060 --> 01:41:33,800

make out what's going on but not quite

2270

01:41:39,040 --> 01:41:37,070

and that's what it feels like yeah so

2271

01:41:40,960 --> 01:41:39,050

your expenses especially to your

2272

01:41:44,330 --> 01:41:40,970

listeners as well I would say to them

2273

01:41:45,919 --> 01:41:44,340

that you know you have to be true to you

2274

01:41:48,260 --> 01:41:45,929

yourself and when you are true to

2275

01:41:51,410 --> 01:41:48,270

yourself then you know you can't go

2276

01:41:53,109 --> 01:41:51,420

wrong the abduction experience I always

2277

01:41:56,689 --> 01:41:53,119

thought that it was a very physical

2278

01:41:59,030 --> 01:41:56,699

phenomenon I always assumed that it was

2279

01:42:02,120 --> 01:41:59,040

some fantastic you know a physical

2280

01:42:04,640 --> 01:42:02,130

interaction with aliens but the truth

2281

01:42:07,250 --> 01:42:04,650

that I found that I went through

2282

01:42:09,140 --> 01:42:07,260

suggested well hang on a minute if this

2283

01:42:11,000 --> 01:42:09,150

was an abduction why did it seem very

2284

01:42:12,680 --> 01:42:11,010

different to real-life but after the

2285

01:42:16,310 --> 01:42:12,690

abduction I've been left with physical

2286

01:42:18,620 --> 01:42:16,320

arts now we know that healers can heal

2287

01:42:20,750 --> 01:42:18,630

people without touching them they can

2288

01:42:23,660 --> 01:42:20,760

change the molecular structure of their

2289

01:42:26,689 --> 01:42:23,670

you know their body systems their organs

2290

01:42:29,959 --> 01:42:26,699

and the greys themselves are able to

2291

01:42:32,390 --> 01:42:29,969

penetrate our reality by breaking

2292

01:42:34,520 --> 01:42:32,400

through to the physical and perhaps you

2293

01:42:37,040 --> 01:42:34,530

know taking a part of our spirituality

2294

01:42:38,270 --> 01:42:37,050

our soul into their domain so that when

2295

01:42:40,790 --> 01:42:38,280

we are linked with them we're on the

2296

01:42:42,800 --> 01:42:40,800

same level we intercept we interconnect

2297

01:42:45,200 --> 01:42:42,810

on the same level and that when we

2298

01:42:47,089 --> 01:42:45,210

brought back because you know whatever

2299

01:42:49,189 --> 01:42:47,099

they do to the blueprint of the soul

2300

01:42:50,959 --> 01:42:49,199

that is you will still affect its

2301

01:42:55,040 --> 01:42:50,969

physical counterpart because it's still

2302

01:42:58,129 --> 01:42:55,050

attached to it so the argument is my

2303

01:43:01,010 --> 01:42:58,139

argument is they're definitely the Grays

2304

01:43:03,770 --> 01:43:01,020

are interested in us as a viable and

2305

01:43:06,020 --> 01:43:03,780

also reproductive species but they

2306

01:43:09,109 --> 01:43:06,030

themselves seem like a prosaic

2307

01:43:11,300 --> 01:43:09,119

form they're like a blank canvas I know

2308

01:43:13,820 --> 01:43:11,310

of what we have and I think and feel

2309

01:43:16,370 --> 01:43:13,830

that the answer is there somewhere I may

2310

01:43:18,439 --> 01:43:16,380

be wrong but you know generally looking

2311

01:43:22,100 --> 01:43:18,449

into that I'm trying to piece together

2312

01:43:24,649 --> 01:43:22,110

the soul issue and also a lot more that

2313

01:43:27,859 --> 01:43:24,659

it takes a you know we'll be here for

2314

01:43:30,379 --> 01:43:27,869

hours trying to saw you know you

2315

01:43:32,540 --> 01:43:30,389

understand and it's like your

2316

01:43:34,370 --> 01:43:32,550

experiences and other people's

2317

01:43:36,800 --> 01:43:34,380

experiences are just as important

2318

01:43:39,200 --> 01:43:36,810

although we're trying to put everything

2319

01:43:41,180 --> 01:43:39,210

together like a puzzle it still becomes

2320

01:43:43,220 --> 01:43:41,190

multi complex because like your

2321

01:43:46,070 --> 01:43:43,230

experience as sasha is so unique and

2322

01:43:49,700 --> 01:43:46,080

different to my experiences yet they're

2323

01:43:52,580 --> 01:43:49,710

telling the same thing so I believe that

2324

01:43:55,520 --> 01:43:52,590

your unique experiences are unique to

2325

01:43:57,799 --> 01:43:55,530

your soul level as it does with someone

2326

01:44:01,069 --> 01:43:57,809

else's in someone else's and

2327

01:44:03,260 --> 01:44:01,079

people's but I really believe that you

2328

01:44:05,240 --> 01:44:03,270

and I and many other people are looking

2329

01:44:07,339 --> 01:44:05,250

for that answer and trying to put these

2330

01:44:09,830 --> 01:44:07,349

very small pieces to the puzzle together

2331

01:44:13,669 --> 01:44:09,840

will we make it I don't know I'm not

2332

01:44:16,520 --> 01:44:13,679

sure if we will Ben certainly you you

2333

01:44:19,700 --> 01:44:16,530

must be heralded for you know carrying

2334

01:44:22,459 --> 01:44:19,710

that torch Sasha to truth and to honesty

2335

01:44:25,040 --> 01:44:22,469

and to integrity with regards to a very

2336

01:44:28,490 --> 01:44:25,050

multi complex problem that can't be

2337

01:44:30,609 --> 01:44:28,500

solved you know anytime soon so yeah

2338

01:44:32,750 --> 01:44:30,619

hats off to you sash you've done a

2339

01:44:34,939 --> 01:44:32,760

marvelous job in your work on what

2340

01:44:36,799 --> 01:44:34,949

you're doing so we're grateful today and

2341

01:44:39,169 --> 01:44:36,809

I remember we met because you know I was

2342

01:44:41,569 --> 01:44:39,179

speaking to someone and and I said all

2343

01:45:04,010 --> 01:44:41,579

you you Joe you don't look like Sasha

2344

01:45:06,020 --> 01:45:04,020

Christine you said I am believe me all

2345

01:45:07,910 --> 01:45:06,030

over I could be talking to one who I

2346

01:45:10,600 --> 01:45:07,920

believe is a complete stranger yet is

2347

01:45:21,709 --> 01:45:10,610

the holy grail of what I'm looking for

2348

01:45:24,470 --> 01:45:21,719

oh yeah yeah just makes you laugh stuff

2349

01:45:26,149 --> 01:45:24,480

when our environment seems to interact

2350

01:45:28,250 --> 01:45:26,159

or there's a trigger thoughts but then

2351

01:45:30,200 --> 01:45:28,260

it could just be a bumbling along one

2352

01:45:42,140 --> 01:45:30,210

day and then all this stuff will unfold

2353

01:45:44,870 --> 01:45:42,150

if I want it to go back to left right

2354

01:45:55,879 --> 01:45:44,880

you know when you said that use you with

2355

01:45:58,100 --> 01:45:55,889

the gray house yeah so you were kind of

2356

01:46:02,750 --> 01:45:58,110

a Scottie down and then the Noddy was

2357

01:46:05,330 --> 01:46:02,760

cross at the bottom yes well an

2358

01:46:07,260 --> 01:46:05,340

experience of a friend Paula you see I

2359

01:46:11,130 --> 01:46:07,270

really have to get you two together

2360

01:46:14,190 --> 01:46:11,140

she was playing with sons he was like

2361

01:46:17,040 --> 01:46:14,200

outside her house somebody had made it

2362

01:46:18,750 --> 01:46:17,050

into a beach and there was lots of kids

2363

01:46:21,390 --> 01:46:18,760

played in the sand and she kind of

2364

01:46:24,330 --> 01:46:21,400

walked out there and I think I'm getting

2365

01:46:26,730 --> 01:46:24,340

this right there was a blonde guy was

2366

01:46:28,830 --> 01:46:26,740

really good-looking and he had this suit

2367

01:46:30,540 --> 01:46:28,840

on but he was immaculate but two

2368

01:46:32,000 --> 01:46:30,550

immaculate there were no creases there

2369

01:46:36,780 --> 01:46:32,010

were no bends in anything he was just

2370

01:46:39,870 --> 01:46:36,790

totally kind of like perfect and so

2371

01:46:43,710 --> 01:46:39,880

anyway he took her hand and they ended

2372

01:46:48,380 --> 01:46:43,720

up flying and so she's flying in and he

2373

01:46:59,960 --> 01:46:52,740

turned into a grey oh my god he said

2374

01:47:06,720 --> 01:47:04,710

Wow that is spooky and I do know that

2375

01:47:09,290 --> 01:47:06,730

when I went to go and see a medium for

2376

01:47:12,060 --> 01:47:09,300

the varium thank God she was a good one

2377

01:47:14,430 --> 01:47:12,070

she used to work for the FBI in America

2378

01:47:15,750 --> 01:47:14,440

cold soul cases and I've gone to see

2379

01:47:17,760 --> 01:47:15,760

when my maternal grandmother had passed

2380

01:47:21,510 --> 01:47:17,770

over and who do you think was the first

2381

01:47:24,090 --> 01:47:21,520

there from the media notes is she the

2382

01:47:26,390 --> 01:47:24,100

medium said to me she didn't know me she

2383

01:47:29,880 --> 01:47:26,400

was absolutely brilliant Sasha she said

2384

01:47:31,920 --> 01:47:29,890

she said UFO she said I see UFOs with

2385

01:47:33,510 --> 01:47:31,930

you and she said I can see edgar cayce

2386

01:47:35,160 --> 01:47:33,520

written across your head she said are

2387

01:47:38,850 --> 01:47:35,170

you on page 92 of his book well I nearly

2388

01:47:40,800 --> 01:47:38,860

fell off the chair she said to me but

2389

01:47:43,890 --> 01:47:40,810

she said the greys she said I'm seeing

2390

01:47:46,380 --> 01:47:43,900

the greys and she said would it surprise

2391

01:47:48,090 --> 01:47:46,390

you to know that you once were one now

2392

01:47:49,530 --> 01:47:48,100

at that point I think we're going back

2393

01:47:51,300 --> 01:47:49,540

to what my grandmother died I didn't

2394

01:47:53,750 --> 01:47:51,310

quite understand what she was talking

2395

01:47:56,610 --> 01:47:53,760

about and I certainly would never enter

2396

01:47:58,590 --> 01:47:56,620

take the thought of being a grey but she

2397

01:48:00,390 --> 01:47:58,600

said that and she said she said to me

2398

01:48:02,250 --> 01:48:00,400

you're working on a theory she said it's

2399

01:48:04,410 --> 01:48:02,260

gonna take a long time but she said I'm

2400

01:48:07,140 --> 01:48:04,420

gonna tell you she said you'll be able

2401

01:48:08,760 --> 01:48:07,150

to connect a very very small piece to

2402

01:48:10,170 --> 01:48:08,770

this together with this psychic and I

2403

01:48:12,180 --> 01:48:10,180

said what you mean psychic she said you

2404

01:48:15,390 --> 01:48:12,190

gonna be a medium I said no I don't want

2405

01:48:18,690 --> 01:48:15,400

to be a medium I don't want to be right

2406

01:48:20,820 --> 01:48:18,700

you know she she she said well as you

2407

01:48:22,920 --> 01:48:20,830

know with genuine the

2408

01:48:24,510 --> 01:48:22,930

the genuine article and you meet a lot

2409

01:48:26,850 --> 01:48:24,520

of genuine articles with your apologies

2410

01:48:31,140 --> 01:48:26,860

so it makes you think about the greys

2411

01:48:33,420 --> 01:48:31,150

that wanted me to I had good look at

2412

01:48:40,920 --> 01:48:33,430

them and they just spoke it off

2413

01:48:43,140 --> 01:48:40,930

somewhere but that is spook I would see

2414

01:48:45,660 --> 01:48:43,150

a psychic in Leeds called tress Connor

2415

01:48:47,190 --> 01:48:45,670

and she was amazing she told me

2416

01:48:50,040 --> 01:48:47,200

everything that she said - totally is

2417

01:48:54,110 --> 01:48:50,050

it's happened but one day she said some

2418

01:48:57,540 --> 01:48:54,120

air reptilians are real you know like

2419

01:48:59,520 --> 01:48:57,550

I've not said anything about UFO and

2420

01:49:02,760 --> 01:48:59,530

I've never been abducted by reptilians

2421

01:49:05,010 --> 01:49:02,770

at that point but anyway she said we

2422

01:49:08,630 --> 01:49:05,020

were at a party and my husband said to

2423

01:49:12,150 --> 01:49:08,640

another psychic why do I always say UFOs

2424

01:49:31,080 --> 01:49:12,160

so the psychic said to him have you ever

2425

01:49:34,560 --> 01:49:31,090

looked in the mirror to speculate would

2426

01:49:37,500 --> 01:49:34,570

be that maybe souls are recycled into

2427

01:49:46,140 --> 01:49:37,510

all kinds of different beings and not

2428

01:49:48,530 --> 01:49:46,150

just humans great possibility because

2429

01:49:51,150 --> 01:49:48,540

you know we think we're the only

2430

01:49:53,580 --> 01:49:51,160

intelligence in this universe you said

2431

01:49:55,350 --> 01:49:53,590

earlier Sasha about space and how

2432

01:49:57,150 --> 01:49:55,360

frightened I think we would be just to

2433

01:50:00,030 --> 01:49:57,160

know how far that goes where it goes

2434

01:50:03,270 --> 01:50:00,040

what it is what I do Eve that we are

2435

01:50:05,460 --> 01:50:03,280

linked into not just the human species I

2436

01:50:07,830 --> 01:50:05,470

think we have evolved in this form

2437

01:50:09,720 --> 01:50:07,840

through a genetic manipulation through

2438

01:50:11,640 --> 01:50:09,730

some form of experiment where we slaves

2439

01:50:13,830 --> 01:50:11,650

I always say that we probably were

2440

01:50:15,720 --> 01:50:13,840

created as slaves this terrestrials and

2441

01:50:20,490 --> 01:50:15,730

not much has changed today is it because

2442

01:50:22,650 --> 01:50:20,500

we're still selected you know on a soul

2443

01:50:25,200 --> 01:50:22,660

level we we got to look at this on a

2444

01:50:27,660 --> 01:50:25,210

much larger scope I think we're -

2445

01:50:29,670 --> 01:50:27,670

contained at the moment I think there's

2446

01:50:32,010 --> 01:50:29,680

a much bigger picture to all of this and

2447

01:50:33,330 --> 01:50:32,020

certainly in one lifetime you know

2448

01:50:36,149 --> 01:50:33,340

there's

2449

01:50:39,390 --> 01:50:36,159

to be a huge distraction from it and

2450

01:50:44,879 --> 01:50:39,400

that's why is absolutely laughter when

2451
01:50:48,510 --> 01:50:44,889
those few black sheep and the things

2452
01:50:51,570 --> 01:50:48,520
that make you think what about this like

2453
01:50:54,180 --> 01:50:51,580
DMT are any of those kind of things that

2454
01:50:58,740 --> 01:50:54,190
literally I mean I've never taken it but

2455
01:51:01,740 --> 01:50:58,750
I've seen people change massively even

2456
01:51:03,510 --> 01:51:01,750
Mike Tyson right Mike Tyson did DMT he's

2457
01:51:06,660 --> 01:51:03,520
gone from being from what chewing

2458
01:51:07,830 --> 01:51:06,670
people's ears off to growing kind of

2459
01:51:08,339 --> 01:51:07,840
hiss and floating around like a big

2460
01:51:13,950 --> 01:51:08,349
fairy

2461
01:51:17,010 --> 01:51:13,960
you know he's mighty has completely

2462
01:51:21,959 --> 01:51:17,020
changed his aggression has gone it's all

2463
01:51:25,640 --> 01:51:21,969

like boom that and that is illegal we're

2464

01:51:29,939 --> 01:51:25,650

not allowed to do that actually become

2465

01:51:37,379 --> 01:51:29,949

authentic you might actually become a

2466

01:51:39,060 --> 01:51:37,389

girl yeah I was right with robots to a

2467

01:51:40,859 --> 01:51:39,070

system the system wants us to be robots

2468

01:51:42,750 --> 01:51:40,869

and I his book robots rebellion many

2469

01:51:45,149 --> 01:51:42,760

years ago and I thought my god my god

2470

01:51:48,390 --> 01:51:45,159

this guy's on the right page here I know

2471

01:51:50,370 --> 01:51:48,400

you know we all have different thoughts

2472

01:51:52,439 --> 01:51:50,380

about things but the way I see it is

2473

01:51:54,300 --> 01:51:52,449

that we are investigators UFO

2474

01:52:01,410 --> 01:51:54,310

investigators researchers it is not ego

2475

01:52:03,720 --> 01:52:01,420

it's not sensationalism and they and I

2476
01:52:05,820 --> 01:52:03,730
had some of my work compromised which

2477
01:52:08,160 --> 01:52:05,830
shocked me into the realization that you

2478
01:52:10,649 --> 01:52:08,170
know what this stuff is real there is

2479
01:52:14,700 --> 01:52:10,659
there is obviously some aspects to spurn

2480
01:52:16,470 --> 01:52:14,710
areas that the system does not want the

2481
01:52:19,189 --> 01:52:16,480
public to know about and you know I'm

2482
01:52:21,780 --> 01:52:19,199
I'm just the I'm just a very small piece

2483
01:52:23,310 --> 01:52:21,790
and all of this and I'm so pleased and

2484
01:52:25,260 --> 01:52:23,320
honored to be connected with a lot of

2485
01:52:27,180 --> 01:52:25,270
good people who are out looking for the

2486
01:52:30,629 --> 01:52:27,190
same thing and you know it's interesting

2487
01:52:33,109 --> 01:52:30,639
to listen to their experiences and share

2488
01:52:35,669 --> 01:52:33,119

within their experiences that I really

2489

01:52:37,620 --> 01:52:35,679

empathize with because you know when

2490

01:52:40,680 --> 01:52:37,630

you're there which I have been back in

2491

01:52:43,200 --> 01:52:40,690

1989 you know I've had a few other UFO

2492

01:52:47,250 --> 01:52:43,210

experiences quite a number of them some

2493

01:52:49,229 --> 01:52:47,260

of them are so strong they've never left

2494

01:52:51,120 --> 01:52:49,239

that one the one with our grandmother in

2495

01:52:55,320 --> 01:52:51,130

the garden with the silver sphere and

2496

01:52:57,180 --> 01:52:55,330

you know the ones that came in 2016 love

2497

01:52:59,070 --> 01:52:57,190

the life of April they're things that

2498

01:53:00,720 --> 01:52:59,080

you you remember like it was yesterday

2499

01:53:02,520 --> 01:53:00,730

and yet there are certain things I can't

2500

01:53:06,479 --> 01:53:02,530

remember that I said that I spoke about

2501
01:53:08,040 --> 01:53:06,489
yesterday so certainly it tells you as

2502
01:53:10,620 --> 01:53:08,050
yourself that when these experiences

2503
01:53:12,990 --> 01:53:10,630
come in they are real because they make

2504
01:53:14,940 --> 01:53:13,000
such an impression upon your psyche they

2505
01:53:17,040 --> 01:53:14,950
will never leave that and there is a

2506
01:53:26,630 --> 01:53:17,050
reason I believe for that happening most

2507
01:53:32,010 --> 01:53:30,090
we don't know okay so you're giving me

2508
01:53:38,070 --> 01:53:32,020
an unexplained thing to explain an

2509
01:53:45,210 --> 01:53:38,080
unexplained thing and you want me to

2510
01:53:48,330 --> 01:53:45,220
listen to you but it's been great though

2511
01:53:50,130 --> 01:53:48,340
I really I really enjoyed and and

2512
01:53:52,350 --> 01:53:50,140
grateful to the time that you've given

2513
01:53:53,970 --> 01:53:52,360

me Sasha on your wonderful show I mean

2514

01:53:56,400 --> 01:53:53,980

you know to a lot of people who come

2515

01:53:58,530 --> 01:53:56,410

into this new it's kind of like you get

2516

01:54:00,390 --> 01:53:58,540

into the deep waters because their

2517

01:54:06,900 --> 01:54:00,400

psyche is programmed with what the

2518

01:54:09,390 --> 01:54:06,910

system has taught them his truth I'm not

2519

01:54:11,130 --> 01:54:09,400

being crazy because again they we know

2520

01:54:23,280 --> 01:54:11,140

that we're not we know that we're

2521

01:54:25,950 --> 01:54:23,290

bringing her about it she believed me

2522

01:54:29,130 --> 01:54:25,960

she was into all that kind of stuff as

2523

01:54:32,700 --> 01:54:29,140

well she was relieved to have clay I was

2524

01:54:34,710 --> 01:54:32,710

doing mindfulness and she said to me you

2525

01:54:36,690 --> 01:54:34,720

know like because I was saying but I

2526

01:54:38,880 --> 01:54:36,700

just feel like it's calm I just feel

2527

01:54:41,070 --> 01:54:38,890

crazy sometimes my Hades that will

2528

01:54:45,450 --> 01:54:41,080

control all these thoughts and these

2529

01:54:48,690 --> 01:54:45,460

ideas and my brain just you hands to

2530

01:54:52,650 --> 01:54:48,700

have an answer it's not satisfied like I

2531

01:54:56,130 --> 01:54:52,660

I can accept certain things but my brain

2532

01:54:57,780 --> 01:54:56,140

goes no I really want to know so I'm not

2533

01:55:00,030 --> 01:54:57,790

gonna stop doing it over

2534

01:55:04,650 --> 01:55:00,040

it makes me feel crazy she said to me

2535

01:55:06,360 --> 01:55:04,660

there's no cure for Sun let's say like

2536

01:55:08,700 --> 01:55:06,370

you have to learn to live in your own

2537

01:55:12,420 --> 01:55:08,710

skin oh oh my god where do I go from

2538

01:55:14,880 --> 01:55:12,430

there I need to be what's a night behind

2539

01:55:17,580 --> 01:55:14,890

the crazy lady somedays because I'll get

2540

01:55:24,450 --> 01:55:17,590

so much sugar nope I'm just crazy I'm

2541

01:55:26,670 --> 01:55:24,460

mental and then I think you could see in

2542

01:55:28,230 --> 01:55:26,680

the world when especially at work as

2543

01:55:31,020 --> 01:55:28,240

well in other areas of people working

2544

01:55:33,780 --> 01:55:31,030

like people just switch off and I can

2545

01:55:34,980 --> 01:55:33,790

understand but you know we you and

2546

01:55:36,570 --> 01:55:34,990

people like yourself or many other

2547

01:55:38,580 --> 01:55:36,580

people are pioneers into the truth and

2548

01:55:40,350 --> 01:55:38,590

thank God for people like you because

2549

01:55:48,930 --> 01:55:40,360

without you that would still be going

2550

01:55:51,600 --> 01:55:48,940

around in circles as many pumps to that

2551
01:55:52,950 --> 01:55:51,610
and hopefully I mean I I certainly have

2552
01:55:55,320 --> 01:55:52,960
never been one for the limelight or

2553
01:55:57,750 --> 01:55:55,330
sensationalism but there is a deep need

2554
01:56:01,200 --> 01:55:57,760
inside my soul for that truth and I

2555
01:56:03,450 --> 01:56:01,210
think to to dam the system that tells us

2556
01:56:06,480 --> 01:56:03,460
that no we are right and you are wrong

2557
01:56:09,030 --> 01:56:06,490
and I'd like no actually mate but you

2558
01:56:12,030 --> 01:56:09,040
are wrong and we are right and you know

2559
01:56:18,010 --> 01:56:12,040
I'd love to to get into all of that you

2560
01:56:24,030 --> 01:56:20,750
[Laughter]

2561
01:56:25,500 --> 01:56:24,040
any with the research with the soul with

2562
01:56:28,650 --> 01:56:25,510
the abduction phenomena with the

2563
01:56:30,540 --> 01:56:28,660

theoretical aspects behind that and you

2564

01:56:32,550 --> 01:56:30,550

know trying to piece more parts to the

2565

01:56:34,740 --> 01:56:32,560

puzzles together I am I'm working on a

2566

01:56:36,810 --> 01:56:34,750

book that I've almost finished for

2567

01:56:38,400 --> 01:56:36,820

Philip mental's flying this press called

2568

01:56:40,800 --> 01:56:38,410

you the public to see the grand you

2569

01:56:43,080 --> 01:56:40,810

afraid I said so much deals a lot with

2570

01:56:44,670 --> 01:56:43,090

old cases and new cases then coming into

2571

01:56:47,430 --> 01:56:44,680

the theoretical aspect of that but I

2572

01:56:50,400 --> 01:56:47,440

will be working on another UFO but which

2573

01:56:53,160 --> 01:56:50,410

I hope will be able to explore this in

2574

01:56:55,320 --> 01:56:53,170

much much finer detail but that's going

2575

01:56:56,520 --> 01:56:55,330

to take some time but I'm also halfway

2576

01:56:58,950 --> 01:56:56,530

through a spiritual book called

2577

01:57:02,460 --> 01:56:58,960

guardians of the Dead but I hope to get

2578

01:57:04,740 --> 01:57:02,470

finished late next year because this UFO

2579

01:57:06,180 --> 01:57:04,750

one has come in before while I was

2580

01:57:08,310 --> 01:57:06,190

writing that one so I've had to kind of

2581

01:57:10,400 --> 01:57:08,320

like put the other one on hold for a

2582

01:57:15,500 --> 01:57:10,410

minute

2583

01:57:18,380 --> 01:57:15,510

out there now there's science-fiction

2584

01:57:20,540 --> 01:57:18,390

children's the this the ones that were

2585

01:57:22,850 --> 01:57:20,550

published to do with was reaching for

2586

01:57:24,890 --> 01:57:22,860

the divine that was a psychic book then

2587

01:57:26,810 --> 01:57:24,900

there was believed bridging the gap

2588

01:57:29,930 --> 01:57:26,820

between the psychic and UFO phenomena

2589

01:57:32,420 --> 01:57:29,940

and sky crash throughout time which I

2590

01:57:33,830 --> 01:57:32,430

co-authored with Brenda Butler which is

2591

01:57:36,020 --> 01:57:33,840

a continued investigation to the

2592

01:57:37,370 --> 01:57:36,030

Wrentham UFO mystery and then I brought

2593

01:57:40,610 --> 01:57:37,380

out to Amazon because I lost my

2594

01:57:43,130 --> 01:57:40,620

publishers they both died a passage to

2595

01:57:43,750 --> 01:57:43,140

Eternity the Enigma of the dead UFOs and

2596

01:57:46,760 --> 01:57:43,760

aliens

2597

01:57:49,670 --> 01:57:46,770

so that explored more of the the soul

2598

01:57:53,060 --> 01:57:49,680

part and the theoretical application of

2599

01:57:55,100 --> 01:57:53,070

the abduction phenomena in in more

2600

01:57:57,740 --> 01:57:55,110

detail but as I said we're still putting

2601
01:58:00,590 --> 01:57:57,750
parts to the theoretical model together

2602
01:58:02,870 --> 01:58:00,600
and that might take some time so you

2603
01:58:04,310 --> 01:58:02,880
know it's interesting and I enjoy doing

2604
01:58:06,050 --> 01:58:04,320
it I love meeting people I love

2605
01:58:08,450 --> 01:58:06,060
listening to their experiences and you

2606
01:58:10,580 --> 01:58:08,460
know I I really am grateful to the

2607
01:58:12,050 --> 01:58:10,590
opportunities that you know people like

2608
01:58:14,600 --> 01:58:12,060
yourself and other people have given me

2609
01:58:16,460 --> 01:58:14,610
in having a small voice to help towards

2610
01:58:23,690 --> 01:58:16,470
something that we can bring to the table

2611
01:58:24,650 --> 01:58:23,700
basically all of us want to have these

2612
01:58:26,810 --> 01:58:24,660
conversations

2613
01:58:29,210 --> 01:58:26,820

they're just frightened of doing so

2614

01:58:31,880 --> 01:58:29,220

because of the ridicule factor you know

2615

01:58:34,310 --> 01:58:31,890

and I think that's an area that we've

2616

01:58:43,460 --> 01:58:34,320

got to do a lot of work on and the

2617

01:58:46,400 --> 01:58:43,470

community is just you know talk all the

2618

01:58:47,810 --> 01:58:46,410

ideas around and that's how I I think it

2619

01:58:50,120 --> 01:58:47,820

should work with honesty and integrity

2620

01:58:51,380 --> 01:58:50,130

and honor and I think that's the only

2621

01:58:58,160 --> 01:58:51,390

way that we're going to make any headway

2622

01:59:00,290 --> 01:58:58,170

into this phenomena definitely oh yeah

2623

01:59:02,150 --> 01:59:00,300

so twin souls I do that with my twin

2624

01:59:04,850 --> 01:59:02,160

brother Ronald who's the artist and

2625

01:59:07,550 --> 01:59:04,860

author himself and we that we do that

2626

01:59:09,380 --> 01:59:07,560

once a month because obviously there's a

2627

01:59:11,870 --> 01:59:09,390

lot of work in between them and doing

2628

01:59:13,640 --> 01:59:11,880

other stuff as well so yeah that's a

2629

01:59:15,470 --> 01:59:13,650

great opportunity with the paranormal UK

2630

01:59:17,090 --> 01:59:15,480

radio network so we're very honored for

2631

01:59:18,200 --> 01:59:17,100

that as well we've got some very

2632

01:59:20,600 --> 01:59:18,210

interesting guests on there as well

2633

01:59:22,490 --> 01:59:20,610

which is fantastic

2634

01:59:25,040 --> 01:59:22,500

well he's been an absolute pleasure and

2635

01:59:28,280 --> 01:59:25,050

I've got so much more to tell you but

2636

01:59:31,010 --> 01:59:28,290

for now we are over and done and thank

2637

01:59:33,169 --> 01:59:31,020

you for being my guest lesson thank you
