

1
00:00:07,940 --> 00:00:05,930
I'm alive Paula okay everyone we got a

2
00:00:09,200 --> 00:00:07,950
little bit bored of the scene it's the

3
00:00:12,799 --> 00:00:09,210
same I'll facings

4
00:00:16,460 --> 00:00:12,809
same old places same old cases we

5
00:00:19,029 --> 00:00:16,470
decided we wanted to have some

6
00:00:24,830 --> 00:00:19,039
conversations I met some people recently

7
00:00:26,570 --> 00:00:24,840
Philip Kinsella and NK crammed Earl Grey

8
00:00:28,849 --> 00:00:26,580
you know quite a lot of people that

9
00:00:31,279 --> 00:00:28,859
probably feel a little bit more

10
00:00:33,889 --> 00:00:31,289
enthusiastic about writing about my own

11
00:00:37,010 --> 00:00:33,899
stuff about talking about my own stuff

12
00:00:39,410 --> 00:00:37,020
and actually bringing people out and

13
00:00:42,790 --> 00:00:39,420

talking to people who we don't see all

14

00:00:45,380 --> 00:00:42,800

the time you know I mean no probably

15

00:00:49,310 --> 00:00:45,390

somebody Kaveri about what happened to

16

00:00:51,709 --> 00:00:49,320

me but this year the other two witnesses

17

00:00:53,299 --> 00:00:51,719

are coming forward but until that time

18

00:00:56,240 --> 00:00:53,309

we thought we'd do something different

19

00:00:58,220 --> 00:00:56,250

and we're just going to do these videos

20

00:01:03,200 --> 00:00:58,230

and have chats and talk about our

21

00:01:05,090 --> 00:01:03,210

experiences parlor I met in 2012 where

22

00:01:09,050 --> 00:01:05,100

she was having experiences with the

23

00:01:11,149 --> 00:01:09,060

greys and they just sort of turned up in

24

00:01:12,980 --> 00:01:11,159

my life as well and I didn't really even

25

00:01:14,840 --> 00:01:12,990

though obviously I knew what I'd read

26
00:01:18,710 --> 00:01:14,850
about the grace my experiences when was

27
00:01:20,330 --> 00:01:18,720
such so we met a really fortuitous time

28
00:01:24,590 --> 00:01:20,340
which makes us think that it wasn't

29
00:01:29,120 --> 00:01:24,600
altogether like accidental and we had

30
00:01:31,340 --> 00:01:29,130
some ideas together and Polly is a truly

31
00:01:34,069 --> 00:01:31,350
fascinating person and their experiences

32
00:01:36,260 --> 00:01:34,079
just need to be heard so I want let's

33
00:01:40,310 --> 00:01:36,270
just kick this off by talking to her

34
00:01:43,249 --> 00:01:40,320
about this for a while about cataloging

35
00:01:44,749 --> 00:01:43,259
things would be writing them down both

36
00:01:46,280 --> 00:01:44,759
videos are good everyone likes to watch

37
00:02:06,950 --> 00:01:46,290
a video so we thought we'd start with

38
00:02:15,670 --> 00:02:06,960

the video so here we are in 2012

39

00:02:34,460 --> 00:02:24,530

yeah and you give me at least banker for

40

00:02:36,679 --> 00:02:34,470

that at least you'd also be having some

41

00:02:40,339 --> 00:02:36,689

weird experiences and like little

42

00:02:41,660 --> 00:02:40,349

psychic moments and knowing you got my

43

00:02:48,890 --> 00:02:41,670

house because you've lived in the same

44

00:02:51,050 --> 00:02:48,900

street Avenue all your life you know so

45

00:02:55,250 --> 00:02:51,060

your daughter was having little moments

46

00:02:57,259 --> 00:02:55,260

of kind of like psychic clarity and you

47

00:02:59,479 --> 00:02:57,269

were told you told me that you were told

48

00:03:05,830 --> 00:02:59,489

that they were called time slips I was

49

00:03:15,520 --> 00:03:10,580

Jay yes he said that the time slips and

50

00:03:23,680 --> 00:03:18,199

when I can't remember

51
00:03:26,629 --> 00:03:23,690
I think she's psychic basically and

52
00:03:28,330 --> 00:03:26,639
intuitive ah we know we have talked

53
00:03:31,699 --> 00:03:28,340
about this before ever worry about

54
00:03:35,449 --> 00:03:31,709
telepathy psychic Tbilisi about it being

55
00:03:36,610 --> 00:03:35,459
telepathy and obviously when we interact

56
00:03:40,520 --> 00:03:36,620
with the grace from a very young age

57
00:03:42,309 --> 00:03:40,530
they don't talk they use apathy so we

58
00:03:46,550 --> 00:03:42,319
probably communicate telepathically

59
00:03:48,559 --> 00:03:46,560
before we can speak you know use of deaf

60
00:03:51,530 --> 00:03:48,569
people they can sign before they can

61
00:03:53,420 --> 00:03:51,540
speak but so I think that's why a lot of

62
00:03:56,000 --> 00:03:53,430
us have these abilities don't be able to

63
00:03:59,559 --> 00:03:56,010

read each other three situations places

64

00:04:03,949 --> 00:04:02,360

so think that's pretty much what was

65

00:04:07,369 --> 00:04:03,959

actually going on but that's what

66

00:04:10,490 --> 00:04:07,379

brought us together anyway and you came

67

00:04:20,240 --> 00:04:10,500

to visit me in my house and then blew my

68

00:04:22,760 --> 00:04:20,250

mind you know kind of talking about

69

00:04:25,730 --> 00:04:22,770

their experiences like we live in it you

70

00:04:26,510 --> 00:04:25,740

know they're not like you know you're

71

00:04:29,960 --> 00:04:26,520

not telling us

72

00:04:33,230 --> 00:04:29,970

UPenn in a picture is the difference and

73

00:04:34,909 --> 00:04:33,240

by the picture I was just John on the

74

00:04:36,860 --> 00:04:34,919

floor like this woman is saw something

75

00:04:37,610 --> 00:04:36,870

the truth with painstaking detail every

76

00:04:40,399 --> 00:04:37,620

little bit

77

00:04:44,510 --> 00:04:40,409

you wanted me there in the moment so

78

00:04:46,460 --> 00:04:44,520

yeah just say you know I wish that thing

79

00:04:48,619 --> 00:04:46,470

could happen where one day it might

80

00:04:51,680 --> 00:04:48,629

happen where we can see each other you

81

00:04:55,089 --> 00:04:51,690

know when I'm talking about somebody

82

00:04:57,379 --> 00:04:55,099

will happen in future where we can

83

00:05:00,800 --> 00:04:57,389

technology because it's kind of go into

84

00:05:04,399 --> 00:05:00,810

the way where it can you know my brain

85

00:05:06,589 --> 00:05:04,409

waves and recreate images images that

86

00:05:09,200 --> 00:05:06,599

are on the net obviously but that's in

87

00:05:11,930 --> 00:05:09,210

its infancy when the technology develops

88

00:05:15,860 --> 00:05:11,940

I would really like to have my brain

89

00:05:18,320 --> 00:05:15,870

plugged into it right now you know what

90

00:05:20,990 --> 00:05:18,330

the nature of them are because you know

91

00:05:23,469 --> 00:05:21,000

some of them don't feel real some of

92

00:05:25,580 --> 00:05:23,479

them feel more like inserts I feel like

93

00:05:29,899 --> 00:05:25,590

setup Sofia

94

00:05:32,930 --> 00:05:29,909

yeah you know is it a dream is it is it

95

00:05:35,809 --> 00:05:32,940

something else and when we can map the

96

00:05:39,439 --> 00:05:35,819

brain wave of an abductee we can tell

97

00:05:41,719 --> 00:05:39,449

our that's false memory are you dreamt

98

00:05:45,080 --> 00:05:41,729

my oh no you were wide awake when that

99

00:05:46,279 --> 00:05:45,090

happens you know over with you know I'm

100

00:05:49,219 --> 00:05:46,289

looking forward to that kind of thing

101
00:05:52,550 --> 00:05:49,229
and I don't see why anybody would refuse

102
00:05:54,589 --> 00:05:52,560
to subject themselves to it if they're

103
00:05:58,939 --> 00:05:54,599
genuinely want to know the nature of

104
00:06:15,529 --> 00:05:58,949
what happens to them they think yeah

105
00:06:15,539 --> 00:06:37,029
can you give me a moment

106
00:06:55,089 --> 00:06:40,980
no no no sorry

107
00:07:02,359 --> 00:06:58,489
well you know this is not a professional

108
00:07:04,549 --> 00:07:02,369
outfit is it we're not in Australia just

109
00:07:07,719 --> 00:07:04,559
we may new van weird stuff happen to us

110
00:07:11,929 --> 00:07:07,729
and we're just sort of like trying to

111
00:07:15,169 --> 00:07:11,939
figure out the nature of our experiences

112
00:07:20,389 --> 00:07:15,179
and it's actually out because we've got

113
00:07:24,290 --> 00:07:20,399

half a life even though that laughter

114

00:07:27,409 --> 00:07:24,300

with no way said it's like living into a

115

00:07:31,699 --> 00:07:27,419

wise yeah and not knowing what one of

116

00:07:35,659 --> 00:07:31,709

them is yes we have to get you know we

117

00:07:38,600 --> 00:07:35,669

have to be okay with a lot of stuff like

118

00:07:41,569 --> 00:07:38,610

not ever having any answers we have to

119

00:07:45,589 --> 00:07:41,579

be okay with cat doesn't matter if we

120

00:07:48,079 --> 00:07:45,599

lock our dough you know yeah this

121

00:07:51,019 --> 00:07:48,089

there's no safety anymore there's no

122

00:07:56,949 --> 00:07:51,029

bubble you know we have to be up well

123

00:08:02,569 --> 00:07:59,769

right

124

00:08:09,709 --> 00:08:02,579

your first experience what do you

125

00:08:13,669 --> 00:08:09,719

remember from right from the first one

126

00:08:18,079 --> 00:08:13,679

while sitting on the outside toilets

127

00:08:20,719 --> 00:08:18,089

meeting top your meeting is actually a

128

00:08:25,009 --> 00:08:20,729

Gaston that sits on the out on top of

129

00:08:29,239 --> 00:08:25,019

the outside toilet and then talking it

130

00:08:35,420 --> 00:08:29,249

were bird probably hours are going to

131

00:08:39,439 --> 00:08:35,430

laugh anyway but yeah where I am not

132

00:08:40,120 --> 00:08:39,449

verbally speaking it's telepathy so it's

133

00:08:45,430 --> 00:08:40,130

normal

134

00:08:48,699 --> 00:08:45,440

at that part but then his her grew as

135

00:08:54,569 --> 00:08:48,709

days went on I'm actually doing after we

136

00:09:00,460 --> 00:08:54,579

pass a half verbal I could do both yeah

137

00:09:03,309 --> 00:09:00,470

so I just remember the very first bit

138

00:09:09,280 --> 00:09:03,319

was i'm sat on the midden on the outside

139

00:09:12,340 --> 00:09:09,290

toilet top wall and a bird Blackbird

140

00:09:15,879 --> 00:09:12,350

being sat next well it won't air black

141

00:09:19,620 --> 00:09:15,889

bear disease Sochi was a black bird the

142

00:09:25,809 --> 00:09:19,630

color black but I'm totally sure what

143

00:09:29,559 --> 00:09:25,819

bird it well you know anyway it just you

144

00:09:32,829 --> 00:09:29,569

sit right next to me and ask me

145

00:09:35,350 --> 00:09:32,839

questions and I just thought this one

146

00:09:37,059 --> 00:09:35,360

Armel so everyday questions like how is

147

00:09:40,689 --> 00:09:37,069

your family do you like your family do

148

00:09:42,970 --> 00:09:40,699

you like school blah blah blah and to me

149

00:09:46,030 --> 00:09:42,980

it wasn't unusual because it fell year

150

00:09:49,840 --> 00:09:46,040

old I didn't know any different so I

151

00:09:56,139 --> 00:09:49,850

didn't know that our was speaking

152

00:10:01,120 --> 00:09:56,149

through it in my mind was not normal

153

00:10:04,900 --> 00:10:01,130

everybody else you know sir this and

154

00:10:09,460 --> 00:10:04,910

then it off safe yeah I'll come back

155

00:10:12,519 --> 00:10:09,470

whatever go off over the roof so much

156

00:10:15,670 --> 00:10:12,529

misfit a bit on the sleigh sunroof

157

00:10:18,790 --> 00:10:15,680

opposite and then I Kelly I'm doing me

158

00:10:20,620 --> 00:10:18,800

I'm saying playing you know you get a

159

00:10:22,809 --> 00:10:20,630

little bit of stone and he is scratching

160

00:10:26,379 --> 00:10:22,819

it on storm you know I'm writing your

161

00:10:29,170 --> 00:10:26,389

name and stuff like that and new Mahmud

162

00:10:33,460 --> 00:10:29,180

shout me in you know for me dinner or

163

00:10:36,730 --> 00:10:33,470

whatever so because this one I used to

164

00:10:41,980 --> 00:10:36,740

got a nursery in the mornings so I'd be

165

00:10:44,889 --> 00:10:41,990

free all afternoon and then it happened

166

00:10:47,439 --> 00:10:44,899

again the day after that I'd sit on the

167

00:10:49,900 --> 00:10:47,449

mid lane the either the bird would be

168

00:10:53,890 --> 00:10:49,910

sat there with we're in for me to go up

169

00:10:56,320 --> 00:10:53,900

to where I come down

170

00:10:58,060 --> 00:10:56,330

you know it's it watch me because I am

171

00:11:01,450 --> 00:10:58,070

you it with that some reason it's like

172

00:11:03,730 --> 00:11:01,460

at four years old yeah you tend to

173

00:11:06,400 --> 00:11:03,740

forget what happened yesterday you know

174

00:11:08,800 --> 00:11:06,410

what I mean it was like but somehow I

175

00:11:11,620 --> 00:11:08,810

used to know a look up there and then it

176

00:11:15,730 --> 00:11:11,630

had come down and it had asked the same

177

00:11:18,930 --> 00:11:15,740

questions but in a different sort away

178

00:11:22,090 --> 00:11:18,940

so the light did you enjoy school Adair

179

00:11:24,130 --> 00:11:22,100

do you like it mommy and dad they you

180

00:11:27,460 --> 00:11:24,140

know what I mean it's stuff like that

181

00:11:28,900 --> 00:11:27,470

and not what I was doing sat there why

182

00:11:31,269 --> 00:11:28,910

it was sat there play game you know I

183

00:11:33,820 --> 00:11:31,279

mean if if I were to ask a question if

184

00:11:34,540 --> 00:11:33,830

someone had sale what you doing you know

185

00:11:37,900 --> 00:11:34,550

what I mean

186

00:11:39,910 --> 00:11:37,910

why Sam Europe I'm the meeting top what

187

00:11:41,290 --> 00:11:39,920

you know know it well number that what I

188

00:11:45,130 --> 00:11:41,300

were doing there and then it was like

189

00:11:50,769 --> 00:11:45,140

all based on family and what I was doing

190

00:11:54,070 --> 00:11:50,779

it you know you like school yeah and it

191

00:11:57,820 --> 00:11:54,080

were every day sometimes it didn't even

192

00:11:59,530 --> 00:11:57,830

talk it were every day through the

193

00:12:01,810 --> 00:11:59,540

somewhere in that when it were raining

194

00:12:04,290 --> 00:12:01,820

and that I didn't play out but I'd still

195

00:12:07,900 --> 00:12:04,300

see the bird outside the window looking

196

00:12:10,750 --> 00:12:07,910

and then away one particular time this

197

00:12:13,480 --> 00:12:10,760

has gone on art we're through six up six

198

00:12:14,530 --> 00:12:13,490

week Allah days my mom said this must

199

00:12:16,930 --> 00:12:14,540

have had a good summer because I

200

00:12:22,420 --> 00:12:16,940

remember it there being no that all the

201
00:12:24,850 --> 00:12:22,430
time you know and this particular time

202
00:12:27,010 --> 00:12:24,860
the birds come down old I can't remember

203
00:12:30,310 --> 00:12:27,020
have rights up there first up birds sat

204
00:12:31,750 --> 00:12:30,320
there first I can't remember and my

205
00:12:34,150 --> 00:12:31,760
neighbor up the street

206
00:12:37,090 --> 00:12:34,160
this is I will remember this one in

207
00:12:44,460 --> 00:12:37,100
particular me never denied far I'd give

208
00:12:48,480 --> 00:12:44,470
mates used to go to rock and roll like

209
00:12:51,060 --> 00:12:48,490
it won't want a dance it what no idea

210
00:12:54,430 --> 00:12:51,070
competitions and that for dancing yeah

211
00:12:57,640 --> 00:12:54,440
alright yeah one of them and they it

212
00:13:00,550 --> 00:12:57,650
were a flare Downton in West and I mean

213
00:13:03,760 --> 00:13:00,560

obviously like 12 times size is too big

214

00:13:06,780 --> 00:13:03,770

and these little that were massive you

215

00:13:13,920 --> 00:13:06,790

know scrape along as I'm walking

216

00:13:15,600 --> 00:13:13,930

and so I put that on and it's Deva come

217

00:13:20,820 --> 00:13:15,610

down no it would that befall me but then

218

00:13:22,230 --> 00:13:20,830

I was sat then it said the same question

219

00:13:23,550 --> 00:13:22,240

again but in a different I don't know

220

00:13:26,640 --> 00:13:23,560

how many times you can a caesarian

221

00:13:29,940 --> 00:13:26,650

questions in you know six life week

222

00:13:35,010 --> 00:13:29,950

worth of different ways I always

223

00:13:38,970 --> 00:13:35,020

understood by this pine I were verbally

224

00:13:44,100 --> 00:13:38,980

talking and telepathically talking so I

225

00:13:47,460 --> 00:13:44,110

could do both bilingual so anyway a man

226

00:13:51,090 --> 00:13:47,470

named at some point and must have been

227

00:13:56,040 --> 00:13:51,100

looking at kitchen window and she said

228

00:13:58,550 --> 00:13:56,050

oh you're talking and this bird gone it

229

00:14:03,390 --> 00:13:58,560

would just gone straight up on that roof

230

00:14:05,280 --> 00:14:03,400

and then you've come back down looking

231

00:14:08,520 --> 00:14:05,290

at my mom new bad thing because I've

232

00:14:18,510 --> 00:14:08,530

been talking a tinker now if you put

233

00:14:21,720 --> 00:14:18,520

that bit in we could check it we were

234

00:14:23,460 --> 00:14:21,730

all together and your mom just came out

235

00:14:26,310 --> 00:14:23,470

with it you did we weren't talking about

236

00:14:28,410 --> 00:14:26,320

it she said do you remember when you

237

00:14:31,950 --> 00:14:28,420

used to sit and talk it talks of that

238

00:14:34,770 --> 00:14:31,960

bird and you ain't yeah it's just said

239

00:14:37,710 --> 00:14:34,780

you called it inker and you couldn't you

240

00:14:40,200 --> 00:14:37,720

forgotten that bit I couldn't well I

241

00:14:45,780 --> 00:14:40,210

don't even I don't even remember ate

242

00:14:49,080 --> 00:14:45,790

nevermind forgot yeah yeah you called

243

00:14:51,090 --> 00:14:49,090

the Inca so now I went and I was

244

00:14:53,370 --> 00:14:51,100

googling all that kind of stuff trying

245

00:14:55,890 --> 00:14:53,380

to figure out why why would you call it

246

00:14:58,350 --> 00:14:55,900

Inca I was googling all kinds of things

247

00:15:02,490 --> 00:14:58,360

and it turns out the Incas actually the

248

00:15:04,560 --> 00:15:02,500

name of a type of black bird so that was

249

00:15:07,580 --> 00:15:04,570

really interesting because how would you

250

00:15:13,530 --> 00:15:07,590

even know that far old

251
00:15:19,580 --> 00:15:13,540
yeah I remember you know the things that

252
00:15:25,550 --> 00:15:22,760
if I remember call an Inca now it to me

253
00:15:28,280 --> 00:15:25,560
that is fairly unusual not to remember a

254
00:15:30,410 --> 00:15:28,290
name yeah I remember all the other

255
00:15:32,990 --> 00:15:30,420
little bits that come with it all the

256
00:15:35,900 --> 00:15:33,000
other bit of details and you know my mom

257
00:15:39,380 --> 00:15:35,910
say you know going out and remember so

258
00:15:41,030 --> 00:15:39,390
we been talking that inker again you

259
00:15:50,079 --> 00:15:41,040
know what that's what she say I'd said

260
00:15:55,130 --> 00:15:50,089
yeah in kurogane and so she'd heard me

261
00:15:59,260 --> 00:15:55,140
talking so sometime talking verbally so

262
00:16:01,430 --> 00:15:59,270
they Blackbird I was talking

263
00:16:07,490 --> 00:16:01,440

telepathically so I'm answering

264

00:16:13,130 --> 00:16:07,500

something to her very silent and they

265

00:16:13,850 --> 00:16:13,140

under it just sat there it didn't say a

266

00:16:19,340 --> 00:16:13,860

word

267

00:16:21,400 --> 00:16:19,350

just say I had one of them little stones

268

00:16:28,520 --> 00:16:21,410

in me and I was just kind of scratching

269

00:16:29,900 --> 00:16:28,530

you know made in topper toilet and we'll

270

00:16:32,180 --> 00:16:29,910

just sat there looking at each other

271

00:16:34,400 --> 00:16:32,190

going laughs and it lockdown Willie said

272

00:16:37,790 --> 00:16:34,410

look at what put me look down look up at

273

00:16:41,900 --> 00:16:37,800

me and it would asylum I don't know long

274

00:16:45,590 --> 00:16:41,910

it's at there it was just silent and

275

00:16:47,660 --> 00:16:45,600

then it said I've got to go I'll be back

276

00:16:50,810 --> 00:16:47,670

at some point you know what I mean it

277

00:16:53,390 --> 00:16:50,820

was not that exact words I can't

278

00:16:56,660 --> 00:16:53,400

remember the exact words but I would

279

00:16:59,750 --> 00:16:56,670

absolutely destroy oh no say I'll come

280

00:17:02,329 --> 00:16:59,760

I'll see you'll be seeing the alert or

281

00:17:04,730 --> 00:17:02,339

something it was somewhat to that effect

282

00:17:09,919 --> 00:17:04,740

anywhere and I never saw it again after

283

00:17:12,550 --> 00:17:09,929

that but it was in it twelve upwards

284

00:17:15,890 --> 00:17:12,560

that's when I started seeing the grace

285

00:17:20,660 --> 00:17:15,900

sir he's thinking it's that it will

286

00:17:23,090 --> 00:17:20,670

either one of them it was connected to

287

00:17:29,090 --> 00:17:23,100

that it's coming through that I have no

288

00:17:30,890 --> 00:17:29,100

idea his even just we weren't talking

289

00:17:36,610 --> 00:17:30,900

about it and haven't even been talking

290

00:17:42,790 --> 00:17:39,710

she go I won't bother talking about in

291

00:17:47,390 --> 00:17:42,800

front of my mom she don't believe her

292

00:17:50,870 --> 00:17:47,400

own weakness me talking over bird but

293

00:17:54,490 --> 00:17:50,880

that bird would not less if anybody come

294

00:17:57,410 --> 00:17:54,500

a while to be gone you know it's a

295

00:18:01,070 --> 00:17:57,420

totally unapproachable it was a people

296

00:18:04,580 --> 00:18:01,080

but it were like it's always someone

297

00:18:07,880 --> 00:18:04,590

else to me you know I mean I it's not

298

00:18:11,780 --> 00:18:07,890

always about aliens it's not always

299

00:18:15,770 --> 00:18:11,790

about paranormal events things moving

300

00:18:18,560 --> 00:18:15,780

does summon their invoices I mean you

301
00:18:20,900 --> 00:18:18,570
can't get much weirder than talking to a

302
00:18:29,590 --> 00:18:20,910
bird and the classic sounds bonkers but

303
00:18:40,220 --> 00:18:36,650
it was tündi and the pig yeah that's six

304
00:18:42,320 --> 00:18:40,230
years old it still oh god I totally

305
00:18:45,230 --> 00:18:42,330
forgot about that because I'm getting

306
00:18:47,090 --> 00:18:45,240
old that I'm thinking oh god yes so

307
00:19:09,010 --> 00:18:47,100
you've gotta pull it out for me remember

308
00:19:12,980 --> 00:19:09,020
now the candy and the weird one but it's

309
00:19:16,850 --> 00:19:12,990
terrifying familiar and for the dog so

310
00:19:22,430 --> 00:19:16,860
he had the golden retriever and my mom

311
00:19:24,620 --> 00:19:22,440
mister excuse me sir my mom used to do

312
00:19:27,260 --> 00:19:24,630
washing every night I think she did up

313
00:19:27,560 --> 00:19:27,270

until she did she caught Polly last year

314

00:19:30,020 --> 00:19:27,570

yeah

315

00:19:31,610 --> 00:19:30,030

but she's sitting the keychain with the

316

00:19:36,350 --> 00:19:31,620

washing machine I'm just watching the

317

00:19:38,720 --> 00:19:36,360

washed you go around and round anyway so

318

00:19:40,280 --> 00:19:38,730

what do you do it six-year-old these

319

00:19:43,460 --> 00:19:40,290

notes are do you know what I mean

320

00:19:45,110 --> 00:19:43,470

so my sister I don't know why she well

321

00:19:46,830 --> 00:19:45,120

she might have been playing upstairs or

322

00:19:48,660 --> 00:19:46,840

out with a friend

323

00:19:51,030 --> 00:19:48,670

that's it babe map because it were quite

324

00:19:56,100 --> 00:19:51,040

little pretty lit when it happened so

325

00:20:01,430 --> 00:19:56,110

anyway um I mean they live in Rome with

326

00:20:06,770 --> 00:20:01,440

the golden retriever whatever Carla

327

00:20:14,760 --> 00:20:09,540

golden Labrador sorry got me all mixed

328

00:20:18,300 --> 00:20:14,770

up now so cold it can day and it all

329

00:20:20,640 --> 00:20:18,310

works happily would I buy anywhere so we

330

00:20:22,440 --> 00:20:20,650

did saying we can't we won't scold their

331

00:20:26,160 --> 00:20:22,450

cats are we in it works out it would a

332

00:20:26,700 --> 00:20:26,170

boy so anyway yeah so I'm playing with

333

00:20:31,170 --> 00:20:26,710

me dog

334

00:20:33,690 --> 00:20:31,180

chem day and that's it and me mum used

335

00:20:36,360 --> 00:20:33,700

to have like me now I still have my

336

00:20:39,030 --> 00:20:36,370

curtains open a bit cuz I absolutely

337

00:20:42,450 --> 00:20:39,040

feel locked in of the ways totally a

338

00:20:48,270 --> 00:20:42,460

group if I can't see anything outside

339

00:20:54,060 --> 00:20:48,280

even if it is that so my mum at the gap

340

00:20:56,570 --> 00:20:54,070

like this so the I of me my I'd probably

341

00:21:00,750 --> 00:20:56,580

come just above the windowsill like that

342

00:21:03,630 --> 00:21:00,760

and I'm used to say candy come on this a

343

00:21:05,280 --> 00:21:03,640

pig at winter and abused to tap on the

344

00:21:08,640 --> 00:21:05,290

window cell you know come to come on

345

00:21:11,640 --> 00:21:08,650

Lisa pick up wind and it goes go

346

00:21:15,560 --> 00:21:11,650

bounding of a big floppy legs and jump

347

00:21:17,850 --> 00:21:15,570

upon a windowsill and look out like that

348

00:21:21,240 --> 00:21:17,860

forget it I'm going you know what I mean

349

00:21:26,430 --> 00:21:21,250

so I'd like my mum's in kitchen again

350

00:21:30,170 --> 00:21:26,440

where she sat watching washer candy

351
00:21:33,120 --> 00:21:30,180
these I think it window compounded age

352
00:21:35,730 --> 00:21:33,130
I'm going down this went on for days

353
00:21:37,740 --> 00:21:35,740
and tell me mum used to shout at me

354
00:21:40,650 --> 00:21:37,750
parlor stop it without don't you know

355
00:21:42,780 --> 00:21:40,660
winding no go sir

356
00:21:45,560 --> 00:21:42,790
no in a bit good [h__h] about that but an

357
00:21:49,830 --> 00:21:45,570
edge of a few more in bit Farah stopped

358
00:21:52,620 --> 00:21:49,840
so anywhere it's particular night now

359
00:21:56,499 --> 00:21:52,630
I'm not sure I'm losing it there because

360
00:21:59,859 --> 00:21:56,509
it would ever fix up a stay

361
00:22:02,379 --> 00:21:59,869
and the streets were a lot quiet as a

362
00:22:04,389 --> 00:22:02,389
min 7/8 you know they know people

363
00:22:05,169 --> 00:22:04,399

shouldn't ask that's the stair doing

364

00:22:07,749 --> 00:22:05,179

that with it

365

00:22:11,339 --> 00:22:07,759

you know the little shops up and they

366

00:22:16,659 --> 00:22:11,349

all shut at 6 or 5 or whatever and

367

00:22:18,729 --> 00:22:16,669

anyway sir I caused the dog in cheese

368

00:22:21,310 --> 00:22:18,739

while showing again or doing were a

369

00:22:24,659 --> 00:22:21,320

viewing keychain candy litter pickup

370

00:22:29,019 --> 00:22:24,669

window in an area bound impasse on

371

00:22:31,629 --> 00:22:29,029

flower stilts at window cell and it

372

00:22:40,149 --> 00:22:31,639

didn't have the same reaction as what it

373

00:22:43,449 --> 00:22:40,159

had all them of the times and oh wait

374

00:22:46,899 --> 00:22:43,459

we're not still wagging and you know

375

00:22:49,479 --> 00:22:46,909

excite in and it just stopped and it

376

00:22:52,989 --> 00:22:49,489

were floors they still don't work they'd

377

00:22:56,949 --> 00:22:52,999

the the me and tie your dog just for us

378

00:22:59,799 --> 00:22:56,959

and I'm looking at it likely normally

379

00:23:03,969 --> 00:22:59,809

you'd get down you know new go back in

380

00:23:07,239 --> 00:23:03,979

keep him you know nothing and I'd say it

381

00:23:10,569 --> 00:23:07,249

would like that 10 seconds don't same a

382

00:23:13,629 --> 00:23:10,579

long time but when you stood on there

383

00:23:16,539 --> 00:23:13,639

watching it it's like forever you know

384

00:23:19,509 --> 00:23:16,549

and then all of a sudden it started

385

00:23:23,379 --> 00:23:19,519

yelping and it slowly

386

00:23:25,149 --> 00:23:23,389

come away I mean really slow come away

387

00:23:29,409 --> 00:23:25,159

from the window is that point where it's

388

00:23:30,389 --> 00:23:29,419

pushing Windell age drops down under its

389

00:23:34,599 --> 00:23:30,399

fate

390

00:23:38,919 --> 00:23:34,609

backs off not not taking its eyes off at

391

00:23:41,049 --> 00:23:38,929

window just totally backs away and when

392

00:23:45,939 --> 00:23:41,059

it gets to middle at room spins around

393

00:23:48,279 --> 00:23:45,949

and that she's often at keychain and my

394

00:23:49,689 --> 00:23:48,289

mom so what we done of the dog and done

395

00:23:51,939 --> 00:23:49,699

anything as a dog what if you don't know

396

00:23:55,779 --> 00:23:51,949

they don't I'm thinking right what is

397

00:23:59,199 --> 00:23:55,789

out there what is he saying you know so

398

00:24:01,509 --> 00:23:59,209

I gets to the window I opened the

399

00:24:04,119 --> 00:24:01,519

curtain a bit more and I could hear him

400

00:24:07,359 --> 00:24:04,129

up because he could clatter at top rail

401
00:24:09,850 --> 00:24:07,369
and I heard my mom say stop messing

402
00:24:12,850 --> 00:24:09,860
about with I'm Curt and you know

403
00:24:17,470 --> 00:24:12,860
so I get stuck to the window and I'm

404
00:24:20,980 --> 00:24:17,480
looking now right no couldn't see oh so

405
00:24:24,399 --> 00:24:20,990
I did see kind of a shadow movement in

406
00:24:27,399 --> 00:24:24,409
front at winter but know that I could

407
00:24:29,980 --> 00:24:27,409
focus on without going like that yeah

408
00:24:32,889 --> 00:24:29,990
obviously didn't wear glasses then so

409
00:24:34,960 --> 00:24:32,899
check my glasses off now a bit rail chat

410
00:24:38,080 --> 00:24:34,970
window like that's a block the light

411
00:24:41,529 --> 00:24:38,090
that willing to live in room that we had

412
00:24:43,899 --> 00:24:41,539
on cause it's not big light well um it's

413
00:24:45,519 --> 00:24:43,909

blocking that light and there were no

414

00:24:49,720 --> 00:24:45,529

other light coming from the outside

415

00:24:53,789 --> 00:24:49,730

except to feel you know windows up and

416

00:24:57,850 --> 00:24:53,799

down straight and all I could see then

417

00:25:01,919 --> 00:24:57,860

was a Faris looking at right back at me

418

00:25:07,240 --> 00:25:01,929

about the same height as me and it adds

419

00:25:10,299 --> 00:25:07,250

bold eight bigger than mine the black

420

00:25:12,430 --> 00:25:10,309

eyes now when I said there's a pig at

421

00:25:17,710 --> 00:25:12,440

the window there's a pig at the window

422

00:25:20,289 --> 00:25:17,720

this didn't it now okay it's not asked

423

00:25:22,720 --> 00:25:20,299

and all I could see were two walls now

424

00:25:29,919 --> 00:25:22,730

when you look at a pig it's the big

425

00:25:33,549 --> 00:25:29,929

tools in ya flap so and it's looking

426
00:25:37,840 --> 00:25:33,559
right so between those we've got about

427
00:25:42,909 --> 00:25:37,850
that much yeah you know and the Parana

428
00:25:48,129 --> 00:25:42,919
glass in between I don't know what's

429
00:25:51,330 --> 00:25:48,139
that of most me RA this sort of thing

430
00:25:57,070 --> 00:25:51,340
but as I'm pulling away I could see it

431
00:25:59,350 --> 00:25:57,080
pulling away but the world that we had

432
00:26:04,060 --> 00:25:59,360
outside the house is still there now is

433
00:26:10,740 --> 00:26:04,070
about maybe three feet tall stone wall

434
00:26:14,950 --> 00:26:10,750
and I saw where kind of go backwards and

435
00:26:20,549 --> 00:26:14,960
glide backwards but even though the lake

436
00:26:23,350 --> 00:26:20,559
was the legs were in the motion of

437
00:26:23,590 --> 00:26:23,360
movement if it was actually moving on

438
00:26:27,430 --> 00:26:23,600

the

439

00:26:30,460 --> 00:26:27,440

slaw it wasn't it was it it glided but

440

00:26:34,919 --> 00:26:30,470

with the lights been Merton and it was

441

00:26:38,350 --> 00:26:34,929

so smooth and soft the way that it did

442

00:26:42,450 --> 00:26:38,360

and it was slow as well they're pretty

443

00:26:46,690 --> 00:26:42,460

slow and all of a sudden it lund eight

444

00:26:53,190 --> 00:26:46,700

turn to face up the straight looks right

445

00:26:55,840 --> 00:26:53,200

at me like that and it went right over

446

00:27:00,730 --> 00:26:55,850

but it's a it's great you said to apply

447

00:27:04,659 --> 00:27:00,740

it up looking forward and it all I could

448

00:27:06,700 --> 00:27:04,669

see if it was saying was a blue navy

449

00:27:09,010 --> 00:27:06,710

blue I mean I could say it's nearly blow

450

00:27:11,740 --> 00:27:09,020

because the light from the house is

451
00:27:14,740 --> 00:27:11,750
outside the window now as I can see you

452
00:27:15,820 --> 00:27:14,750
know my eyes of it just stayed it's very

453
00:27:19,240 --> 00:27:15,830
navy blue

454
00:27:24,460 --> 00:27:19,250
let's go around chorus it's got long

455
00:27:26,740 --> 00:27:24,470
sleeves and as it starts running well

456
00:27:31,899 --> 00:27:26,750
it's running up the street with it bent

457
00:27:35,440 --> 00:27:31,909
right up looking at me like that I guess

458
00:27:38,049 --> 00:27:35,450
I can see so far as to the gear and when

459
00:27:40,510 --> 00:27:38,059
it gets past the gear I can see that

460
00:27:44,890 --> 00:27:40,520
what it's wearing is like a one-piece

461
00:27:47,620 --> 00:27:44,900
thing and the the blue type don't finish

462
00:27:51,130 --> 00:27:47,630
is adjustable for me so it's like a

463
00:28:14,830 --> 00:27:51,140

cyclists like lycra thing that's like

464

00:28:17,230 --> 00:28:14,840

swear you know it one I didn't see only

465

00:28:20,289 --> 00:28:17,240

its kind of insignia on there or

466

00:28:23,770 --> 00:28:20,299

anything but then it were too quick as

467

00:28:27,730 --> 00:28:23,780

it were moving anywhere but I've got a

468

00:28:32,080 --> 00:28:27,740

good look at the fee as well so that

469

00:28:35,799 --> 00:28:32,090

stirred him in mind the fee I'd have to

470

00:28:37,240 --> 00:28:35,809

drive that explain now how they actually

471

00:28:42,420 --> 00:28:37,250

look because to me fingers

472

00:28:45,820 --> 00:28:42,430

capture that kind of motion yeah yeah

473

00:28:49,420 --> 00:28:45,830

but it actually glided but then it did

474

00:28:56,560 --> 00:28:49,430

run you know like the straight actually

475

00:28:58,660 --> 00:28:56,570

run down six-six yeah and I like quick

476

00:29:01,210 --> 00:28:58,670

shopkins I'm going to shoot women

477

00:29:03,520 --> 00:29:01,220

warming keychain

478

00:29:05,200 --> 00:29:03,530

I don't remember Sheila probably

479

00:29:07,990 --> 00:29:05,210

questioned me and said you know what

480

00:29:09,790 --> 00:29:08,000

would be messing about in there and you

481

00:29:11,680 --> 00:29:09,800

know it succeed all can you tell some

482

00:29:13,410 --> 00:29:11,690

parents might be a talk to the mom about

483

00:29:16,420 --> 00:29:13,420

them sort of things

484

00:29:18,550 --> 00:29:16,430

my mum won't like that you know she was

485

00:29:21,040 --> 00:29:18,560

a very private woman and she never

486

00:29:26,860 --> 00:29:21,050

discussed birds and bays never mind all

487

00:29:30,640 --> 00:29:26,870

else I couldn't bring myself to tell her

488

00:29:38,560 --> 00:29:30,650

you know so that would that with that at

489

00:29:39,640 --> 00:29:38,570

six yeah Wow so yeah let's experience

490

00:29:43,680 --> 00:29:39,650

what I've been when you were about

491

00:29:46,270 --> 00:29:43,690

twelve right there's a few at twelve

492

00:29:49,750 --> 00:29:46,280

right so

493

00:29:57,960 --> 00:29:49,760

oh is it one at 12 - at 12 one at 13 and

494

00:30:02,560 --> 00:29:59,110

Madhavi

495

00:30:04,690 --> 00:30:02,570

so this one is that me and my friend so

496

00:30:08,980 --> 00:30:04,700

at this gap sorry like start again we've

497

00:30:10,480 --> 00:30:08,990

got this you know six year gap something

498

00:30:17,620 --> 00:30:10,490

might have happened if it as I don't

499

00:30:20,620 --> 00:30:17,630

recall every single night well I mean I

500

00:30:24,100 --> 00:30:20,630

think the little periods of time maybe

501
00:30:30,580 --> 00:30:24,110
you taken a lot but then there's massive

502
00:30:36,810 --> 00:30:30,590
gaps in between years I must tell you

503
00:30:41,920 --> 00:30:40,300
me a friend she would have been older

504
00:30:44,170 --> 00:30:41,930
think about two and a half year older

505
00:30:47,530 --> 00:30:44,180
than me and should have been

506
00:30:49,680 --> 00:30:47,540
irresponsible my a was so she kind of

507
00:30:53,190 --> 00:30:49,690
led me astray you know

508
00:30:55,950 --> 00:30:53,200
and so she says come on work it Oh me

509
00:30:59,630 --> 00:30:55,960
whoever down in woods Judy would say

510
00:31:02,370 --> 00:30:59,640
Carla it's not the person judy was

511
00:31:05,640 --> 00:31:02,380
actually would seem Bradford

512
00:31:09,150 --> 00:31:05,650
he's a if you look it up people it is a

513
00:31:12,120 --> 00:31:09,160

well-known spot for UFOs in the past in

514

00:31:15,800 --> 00:31:12,130

the eighties in which case they're fast

515

00:31:18,570 --> 00:31:15,810

that is when I had my experience so I

516

00:31:21,870 --> 00:31:18,580

think him alone sees people we're going

517

00:31:23,280 --> 00:31:21,880

to me you know I mean I had no idea so

518

00:31:25,860 --> 00:31:23,290

um you know I'm checking it we're

519

00:31:29,400 --> 00:31:25,870

meeting some some of her mates are some

520

00:31:32,490 --> 00:31:29,410

words that we fancied so no one thinking

521

00:31:35,610 --> 00:31:32,500

like that so vain you know I mean I'm

522

00:31:39,540 --> 00:31:35,620

like well go with floor you know so

523

00:31:40,860 --> 00:31:39,550

anyway we sets off and is quite a when

524

00:31:43,470 --> 00:31:40,870

you're twelve years old it's quite a

525

00:31:50,840 --> 00:31:43,480

long walk so for me yet Judi once at

526

00:31:54,090 --> 00:31:50,850

Woodside I'd say 45 minutes to get there

527

00:31:56,970 --> 00:31:54,100

by 4:00 so if that's if you know well

528

00:32:01,140 --> 00:31:56,980

little D meals to go down you know cut

529

00:32:03,390 --> 00:32:01,150

through Alice's and stuff so now I'm

530

00:32:04,830 --> 00:32:03,400

just losing it now on timing

531

00:32:06,660 --> 00:32:04,840

it's all written down in a journal

532

00:32:09,270 --> 00:32:06,670

upstairs you've seen the piece of paper

533

00:32:12,780 --> 00:32:09,280

but as I'm getting older I'm losing that

534

00:32:18,120 --> 00:32:12,790

time in thing you know it's kind of bit

535

00:32:19,920 --> 00:32:18,130

blurry and everywhere so when the times

536

00:32:26,730 --> 00:32:19,930

it didn't match up so I thinking what

537

00:32:31,230 --> 00:32:26,740

about whopper six f / six I don't know

538

00:32:34,530 --> 00:32:31,240

anyway when we set off and by the time

539

00:32:37,740 --> 00:32:34,540

we got there know it were dark and we've

540

00:32:41,220 --> 00:32:37,750

got to the age now I'll remember from

541

00:32:42,630 --> 00:32:41,230

daddy's from setting off we walking and

542

00:32:47,490 --> 00:32:42,640

talking and then all I remember is

543

00:32:50,240 --> 00:32:47,500

getting the edge of a Snicket again will

544

00:32:53,970 --> 00:32:50,250

whatever you wanna call it and there's

545

00:32:55,860 --> 00:32:53,980

there's a big face each side there's

546

00:32:58,860 --> 00:32:55,870

only enough room well there's enough

547

00:33:02,070 --> 00:32:58,870

room for two people at a posh to walk

548

00:33:03,960 --> 00:33:02,080

down this little path and then it

549

00:33:06,389 --> 00:33:03,970

narrows to UM

550

00:33:09,690 --> 00:33:06,399

so other person's got walking from our

551
00:33:12,529 --> 00:33:09,700
behind yeah so if it's fence I've I

552
00:33:14,730 --> 00:33:12,539
think I've been about a beam pretty tall

553
00:33:16,740 --> 00:33:14,740
sitting so what about twelve it I don't

554
00:33:23,940 --> 00:33:16,750
think I've grown much since I were 12 in

555
00:33:26,460 --> 00:33:23,950
our I mean everyone it's our least in

556
00:33:31,950 --> 00:33:26,470
over it okay I think same I get any

557
00:33:34,019 --> 00:33:31,960
bigger so this this fence and it's

558
00:33:37,669 --> 00:33:34,029
pretty I'd say it's about a good six

559
00:33:39,810 --> 00:33:37,679
four and these houses

560
00:33:41,610 --> 00:33:39,820
you know like they'll have a bit of a

561
00:33:43,529 --> 00:33:41,620
bad and then I'll so you could see

562
00:33:45,629 --> 00:33:43,539
distance we take ounce and out see

563
00:33:48,119 --> 00:33:45,639

because if his guard and you know

564

00:33:51,509 --> 00:33:48,129

there's a garden there and it's a mat

565

00:33:54,690 --> 00:33:51,519

that side and as he getting kind of

566

00:33:57,899 --> 00:33:54,700

lower down the Alice's are getting

567

00:34:01,200 --> 00:33:57,909

further back so I'm assuming the gardens

568

00:34:04,139 --> 00:34:01,210

are ever getting bigger ah I don't know

569

00:34:09,230 --> 00:34:04,149

how it works but I'm just carrying I'm

570

00:34:11,399 --> 00:34:09,240

following this fence and then trees

571

00:34:12,450 --> 00:34:11,409

appear so we're actually getting into

572

00:34:15,690 --> 00:34:12,460

the woods now

573

00:34:18,690 --> 00:34:15,700

so and then the kind of fence kind of

574

00:34:21,869 --> 00:34:18,700

it's getting back a whole lot darker so

575

00:34:24,240 --> 00:34:21,879

all we kind of following is like moon

576

00:34:27,030 --> 00:34:24,250

why are you know we didn't have mobile

577

00:34:36,210 --> 00:34:27,040

phones and so a matter if you ate your

578

00:34:38,399 --> 00:34:36,220

carrots I can say yeah Somalia from

579

00:34:42,030 --> 00:34:38,409

both from below we're down this little

580

00:34:43,859 --> 00:34:42,040

you know sneaky thing until the outs is

581

00:34:47,069 --> 00:34:43,869

diminished and I will were left way

582

00:34:50,780 --> 00:34:47,079

we're like trees and then the trees just

583

00:34:53,879 --> 00:34:50,790

suddenly stopped now

584

00:34:57,480 --> 00:34:53,889

because I couldn't see it that far in

585

00:35:00,329 --> 00:34:57,490

front of us I think she will be I me at

586

00:35:03,960 --> 00:35:00,339

this moment so when it kind of the fence

587

00:35:08,400 --> 00:35:03,970

stop they opened up she's uh Nora she's

588

00:35:10,250 --> 00:35:08,410

come Saida me and it's because I was

589

00:35:14,640 --> 00:35:10,260

carrying I'm walking and I kind of

590

00:35:17,609 --> 00:35:14,650

realized I could hear water so I ate

591

00:35:20,249 --> 00:35:17,619

kind of it Oh God yeah I mean nope nope

592

00:35:25,859 --> 00:35:20,259

makes that kind of sushi so you know I

593

00:35:30,329 --> 00:35:25,869

mean jump back a bit and you know in the

594

00:35:33,809 --> 00:35:30,339

lines of [h__h] you know so anyway we kind

595

00:35:36,359 --> 00:35:33,819

of stood there on age and you know a bit

596

00:35:38,970 --> 00:35:36,369

of a conversation we go back now with no

597

00:35:41,279 --> 00:35:38,980

saying well what we're for anywhere and

598

00:35:43,079 --> 00:35:41,289

idea what you know what I mean I don't

599

00:35:45,150 --> 00:35:43,089

know gum because I was so focused on

600

00:35:54,059 --> 00:35:45,160

trying to fumble my way down this

601
00:35:56,279 --> 00:35:54,069
Snicket so next minute I sees 24 no it's

602
00:35:57,089 --> 00:35:56,289
not even 24 I'd sit with ten foot in

603
00:36:02,940 --> 00:35:57,099
front a man

604
00:36:07,559 --> 00:36:02,950
all of a sudden it were like something

605
00:36:12,269 --> 00:36:07,569
had lit the dewatered up ten foot in

606
00:36:16,380 --> 00:36:12,279
front of me in a circular but it wasn't

607
00:36:20,579 --> 00:36:16,390
penetrating under the water you know

608
00:36:24,089 --> 00:36:20,589
what I mean in a MOOC a lake or

609
00:36:26,789 --> 00:36:24,099
reservoir or whatever it is in Makkah

610
00:36:29,670 --> 00:36:26,799
enough sites you know it's not murkier

611
00:36:31,589 --> 00:36:29,680
out like they should have been able see

612
00:36:32,789 --> 00:36:31,599
with this light but it didn't it didn't

613
00:36:36,450 --> 00:36:32,799

penetrate the water at all

614

00:36:41,549 --> 00:36:36,460

so don't it will like oh and there were

615

00:36:43,920 --> 00:36:41,559

kind of a how can I put it you know when

616

00:36:48,359 --> 00:36:43,930

you get double even on reservoirs you

617

00:36:53,400 --> 00:36:48,369

get the waves it still effects it with

618

00:36:56,460 --> 00:36:53,410

that but it like growing away so we're

619

00:37:00,180 --> 00:36:56,470

coming this way but in in this circle

620

00:37:02,609 --> 00:37:00,190

bit it it kind of bubbly a bit and the

621

00:37:04,499 --> 00:37:02,619

waves were going outwards so like

622

00:37:08,549 --> 00:37:04,509

somebody pushing some it down and

623

00:37:11,640 --> 00:37:08,559

causing okay little ways I'm not talking

624

00:37:14,370 --> 00:37:11,650

you know tsunamis you know I mean they

625

00:37:23,819 --> 00:37:14,380

could see what it were doing and these

626

00:37:26,579 --> 00:37:23,829

little tiny bubbles within and it would

627

00:37:30,860 --> 00:37:26,589

pressure some sort of force that was

628

00:37:36,110 --> 00:37:30,870

causing the movement in the water

629

00:37:38,150 --> 00:37:36,120

no idea I've not but when I'm looking at

630

00:37:41,420 --> 00:37:38,160

these like tiny little bubbles appearing

631

00:37:42,890 --> 00:37:41,430

or like I think it's fish that cause

632

00:37:46,460 --> 00:37:42,900

them little bubbles to come up now and

633

00:37:50,060 --> 00:37:46,470

again they say I don't know okay tiny

634

00:37:53,660 --> 00:37:50,070

bubbles and I could see sparkly sort of

635

00:37:56,750 --> 00:37:53,670

Sheen to it within this circle and water

636

00:37:59,450 --> 00:37:56,760

and then is I'm like where's that from

637

00:38:02,120 --> 00:37:59,460

it took me a few seconds to think was

638

00:38:07,010 --> 00:38:02,130

this light coming from and they kind of

639

00:38:09,620 --> 00:38:07,020

looked old and I've never ever seen

640

00:38:14,960 --> 00:38:09,630

anything like it in my life

641

00:38:17,420 --> 00:38:14,970

is this thing now I think you once said

642

00:38:20,960 --> 00:38:17,430

the way that I could only describe it is

643

00:38:25,460 --> 00:38:20,970

like a boomerang with another lake on

644

00:38:31,880 --> 00:38:25,470

their inner sites yeah as rounded and

645

00:38:33,710 --> 00:38:31,890

then it goes like that and so it's not a

646

00:38:43,730 --> 00:38:33,720

triangle but if he squashed the side

647

00:38:45,880 --> 00:38:43,740

same got three yeah it's everywhere like

648

00:38:51,440 --> 00:38:45,890

a bit like a propeller but there's three

649

00:38:54,770 --> 00:38:51,450

yeah yeah so I can't describe things as

650

00:38:56,150 --> 00:38:54,780

could do some reason so I'm seeing this

651
00:39:00,470 --> 00:38:56,160
and it's nice

652
00:39:05,390 --> 00:39:00,480
Oh cry it's not like it's flat it's

653
00:39:08,360 --> 00:39:05,400
straight up right 20 feet that way 20

654
00:39:11,090 --> 00:39:08,370
feet that where the beam of light I

655
00:39:14,690 --> 00:39:11,100
can't even see which part of that craft

656
00:39:17,300 --> 00:39:14,700
is coming from but it's like that in its

657
00:39:22,670 --> 00:39:17,310
this is not a man you know it's not a

658
00:39:29,080 --> 00:39:22,680
massive beam it's just maybe about that

659
00:39:33,980 --> 00:39:29,090
big the beam yeah anyway well anyway

660
00:39:36,440 --> 00:39:33,990
it's a this thing as a as I described it

661
00:39:38,810 --> 00:39:36,450
the other day and one of the one of the

662
00:39:41,960 --> 00:39:38,820
videos I did about the triangle when I

663
00:39:43,089 --> 00:39:41,970

with that cave with a black circle in

664

00:39:46,779 --> 00:39:43,099

the center

665

00:39:50,549 --> 00:39:46,789

and they add our straight word that's

666

00:39:57,160 --> 00:39:50,559

what analysts own was this deep dense

667

00:40:00,160 --> 00:39:57,170

black black circling sand and on each of

668

00:40:03,309 --> 00:40:00,170

these things it were growing round

669

00:40:07,210 --> 00:40:03,319

really really really slow

670

00:40:10,059 --> 00:40:07,220

likewise really slow really slow when

671

00:40:14,019 --> 00:40:10,069

that green light will not red light on a

672

00:40:19,390 --> 00:40:14,029

blue light absolutely no noise

673

00:40:23,499 --> 00:40:19,400

whatsoever no noise at all I could

674

00:40:26,349 --> 00:40:23,509

actually hear my breathing and no noise

675

00:40:31,210 --> 00:40:26,359

of the water lapping as I heard it when

676

00:40:35,380 --> 00:40:31,220

I first got there and I remember a look

677

00:40:39,279 --> 00:40:35,390

at there were no light shining of us as

678

00:40:41,559 --> 00:40:39,289

such but I could say well now looked at

679

00:40:42,249 --> 00:40:41,569

me framed it everything just slowed

680

00:40:45,099 --> 00:40:42,259

right down

681

00:40:46,870 --> 00:40:45,109

I will acting normal and then I went you

682

00:40:50,049 --> 00:40:46,880

know I don't know long ago I stood there

683

00:40:58,509 --> 00:40:50,059

and I looked at my friend it well I

684

00:41:05,499 --> 00:40:58,519

could say if I'd gone and she had this

685

00:41:08,469 --> 00:41:05,509

blue light I bathed in a blue light but

686

00:41:13,150 --> 00:41:08,479

I could see it also on me but when I

687

00:41:16,450 --> 00:41:13,160

kind of look to the object you can see

688

00:41:24,299 --> 00:41:16,460

this blue light only on the-- it only

689

00:41:32,799 --> 00:41:28,170

it sounds exactly like you know in Wales

690

00:41:34,589 --> 00:41:32,809

yes and obviously in my experience well

691

00:41:37,120 --> 00:41:34,599

it was our group experience

692

00:41:38,620 --> 00:41:37,130

Danya was stood on the wall next to me

693

00:41:41,920 --> 00:41:38,630

we were looking up at this light which

694

00:41:44,650 --> 00:41:41,930

was just worried but everything that the

695

00:41:52,660 --> 00:41:44,660

light shone on was blue so even though I

696

00:41:54,670 --> 00:41:52,670

I it was blue so struck me now I'm doing

697

00:41:56,559 --> 00:41:54,680

it because it were at a red light

698

00:41:59,919 --> 00:41:56,569

a green light and the blue line

699

00:42:03,400 --> 00:41:59,929

but these lights won't even bright there

700

00:42:07,479 --> 00:42:03,410

was so dull don't believe light don't

701
00:42:09,339 --> 00:42:07,489
get me wrong do it like cool is that you

702
00:42:11,679 --> 00:42:09,349
wouldn't expect you know like the one a

703
00:42:15,130 --> 00:42:11,689
bright green another one a piercing blue

704
00:42:19,659 --> 00:42:15,140
while there were more of a pastel a kind

705
00:42:22,769 --> 00:42:19,669
of you know anyway and so they won't

706
00:42:27,099 --> 00:42:22,779
bright enough to kind of go on worse

707
00:42:29,380 --> 00:42:27,109
yeah no I mean yeah when I looked in

708
00:42:33,759 --> 00:42:29,390
that thing

709
00:42:36,359 --> 00:42:33,769
Oh obviously you can't see if it were on

710
00:42:40,599 --> 00:42:36,369
me fast but when I look straight forward

711
00:42:45,429 --> 00:42:40,609
it's not there and then all of a sudden

712
00:42:50,259 --> 00:42:45,439
I went in for Marshall and I don't know

713
00:42:55,229 --> 00:42:50,269

I did it s this room and they were like

714

00:42:58,329 --> 00:42:55,239

we turned really slow and it's a moving

715

00:43:02,439 --> 00:42:58,339

it's like I'm getting lower and lower

716

00:43:09,130 --> 00:43:02,449

and lower down in as if I'm running

717

00:43:12,219 --> 00:43:09,140

myself in it round honey shunt I'm gone

718

00:43:15,219 --> 00:43:12,229

Oh black everything's flat next minute

719

00:43:19,599 --> 00:43:15,229

I'm at the bottom of my stray it's like

720

00:43:22,899 --> 00:43:19,609

as if I've one date and I don't remember

721

00:43:24,999 --> 00:43:22,909

Oh in between that my friends not with

722

00:43:27,370 --> 00:43:25,009

me I have no idea

723

00:43:32,289 --> 00:43:27,380

I didn't even think where's my friend

724

00:43:35,620 --> 00:43:32,299

gone so I could do it all this carrying

725

00:43:39,579 --> 00:43:35,630

on on straight and so cause I'm just

726

00:43:43,089 --> 00:43:39,589

Frank corner sacré de aqui ciao in and

727

00:43:45,329 --> 00:43:43,099

you know I'm thinking what the old do we

728

00:43:49,390 --> 00:43:45,339

know my thoughts um do we live in a pair

729

00:43:51,609 --> 00:43:49,400

so I starts walking up straight and I

730

00:43:53,949 --> 00:43:51,619

could date and I'll adults wear out and

731

00:43:56,140 --> 00:43:53,959

the doorstep and people go no oh and

732

00:43:59,769 --> 00:43:56,150

they heard a few people say well nobody

733

00:44:02,409 --> 00:43:59,779

saner last time she went out with her

734

00:44:03,789 --> 00:44:02,419

work give names aware but last time she

735

00:44:06,939 --> 00:44:03,799

went out with a weather you know what I

736

00:44:10,330 --> 00:44:06,949

mean and nobody's seen and then this kid

737

00:44:12,130 --> 00:44:10,340

or were on this if it won't be ma

738

00:44:16,330 --> 00:44:12,140

the time because I always won it will

739

00:44:18,760 --> 00:44:16,340

this keep it under this BMX thing six

740

00:44:19,800 --> 00:44:18,770

you see your policy yeah policy is she's

741

00:44:22,570 --> 00:44:19,810

armed

742

00:44:23,800 --> 00:44:22,580

so you know kids are hanging around me

743

00:44:28,930 --> 00:44:23,810

where have you been where have you been

744

00:44:29,770 --> 00:44:28,940

I was thinking because it was such a

745

00:44:32,710 --> 00:44:29,780

shock

746

00:44:34,660 --> 00:44:32,720

I would totally confused walking up that

747

00:44:37,000 --> 00:44:34,670

Street cuz I've got kids saying where've

748

00:44:45,550 --> 00:44:37,010

you been I don't say your mom's been

749

00:44:48,250 --> 00:44:45,560

looking figure I'm like wow right but me

750

00:44:50,770 --> 00:44:48,260

say enough at quarter past half past six

751
00:44:54,970 --> 00:44:50,780
so whatever time it won't we're only tea

752
00:44:58,060 --> 00:44:54,980
time ish for me going there

753
00:45:01,570 --> 00:44:58,070
three-quarters of an hour a me London

754
00:45:03,670 --> 00:45:01,580
backward a while me thinking that rebel

755
00:45:07,750 --> 00:45:03,680
it with that bar in that in between bed

756
00:45:09,490 --> 00:45:07,760
I don't remember time it should about no

757
00:45:15,070 --> 00:45:09,500
later than eight o'clock quarter past

758
00:45:17,020 --> 00:45:15,080
aid yeah so I'm walking obviously I've

759
00:45:18,940 --> 00:45:17,030
got kids surrounding me oh you should

760
00:45:22,390 --> 00:45:18,950
tell him mum where you were going no

761
00:45:25,210 --> 00:45:22,400
Nina and I my house that baffled I

762
00:45:27,520 --> 00:45:25,220
couldn't even answer as I'm walking up

763
00:45:28,840 --> 00:45:27,530

the street it looks to me oh I'm getting

764

00:45:33,640 --> 00:45:28,850

it world's my grandma's this is the

765

00:45:34,660 --> 00:45:33,650

answer I mean now is me grandmas so as

766

00:45:36,940 --> 00:45:34,670

I'm getting closer

767

00:45:41,500 --> 00:45:36,950

oh wow so she's welcome policeman stood

768

00:45:43,390 --> 00:45:41,510

at UH so I'm walking up and out then my

769

00:45:52,840 --> 00:45:43,400

sister without she says she's gonna

770

00:45:56,470 --> 00:45:52,850

[h__h] kill you now you know I mean so

771

00:45:59,290 --> 00:45:56,480

as I'm walking in the house mean um

772

00:46:01,120 --> 00:45:59,300

pushed me back Allegan at policemen went

773

00:46:02,860 --> 00:46:01,130

at all thinks and grabbed me by the arm

774

00:46:07,150 --> 00:46:02,870

where have you been

775

00:46:10,230 --> 00:46:07,160

and I told me none that that I've been

776
00:46:12,070 --> 00:46:10,240
in the woods because I would get that

777
00:46:16,180 --> 00:46:12,080
know what I mean

778
00:46:20,170 --> 00:46:16,190
yeah so seen ah so I said well let me

779
00:46:22,420 --> 00:46:20,180
friends well well we're only friend she

780
00:46:23,540 --> 00:46:22,430
would outweigh opava blah where have you

781
00:46:25,850 --> 00:46:23,550
been

782
00:46:28,610 --> 00:46:25,860
she'll never be with a but I don't know

783
00:46:31,100 --> 00:46:28,620
I just come out with it I don't know I'd

784
00:46:33,020 --> 00:46:31,110
rather say I don't know than said that

785
00:46:35,290 --> 00:46:33,030
what in words because I would be in

786
00:46:40,190 --> 00:46:35,300
their [h__h] you know what I mean

787
00:46:43,820 --> 00:46:40,200
so anyway eventually I just burst out

788
00:46:46,730 --> 00:46:43,830

crying because I was frustrated the

789

00:46:49,220 --> 00:46:46,740

policeman men said do you realize what

790

00:46:52,910 --> 00:46:49,230

time it is do you know what time it is

791

00:46:54,860 --> 00:46:52,920

and I look to him and I'm like no they

792

00:46:57,130 --> 00:46:54,870

still thinking it's quite apostate are

793

00:47:00,920 --> 00:46:57,140

they having a laugh you know what me I

794

00:47:02,860 --> 00:47:00,930

don't know what is and he says it's 5:00

795

00:47:10,190 --> 00:47:02,870

to midnight

796

00:47:13,370 --> 00:47:10,200

have you been I went I don't know

797

00:47:16,520 --> 00:47:13,380

through tears and everything eventually

798

00:47:18,260 --> 00:47:16,530

be none let me through : stay upstairs

799

00:47:20,420 --> 00:47:18,270

to me because there's no way I'm getting

800

00:47:25,310 --> 00:47:20,430

a Ebola came you know what I made for

801
00:47:29,570 --> 00:47:25,320
going no one and I'm like wait where did

802
00:47:31,430 --> 00:47:29,580
Pauline go but then I'd forgotten about

803
00:47:34,160 --> 00:47:31,440
a thing I'd forgotten

804
00:47:35,840 --> 00:47:34,170
so I guess up the next morning and I'm

805
00:47:37,430 --> 00:47:35,850
thinking oh no I mean I was gonna kill

806
00:47:40,240 --> 00:47:37,440
me and I was gonna question me where

807
00:47:45,550 --> 00:47:40,250
have you been you know been nothing

808
00:47:49,790 --> 00:47:45,560
absolutely nothing nothing at all and

809
00:47:53,000 --> 00:47:49,800
then it like I didn't see me friend for

810
00:47:55,930 --> 00:47:53,010
the ages and I don't know why I really

811
00:47:59,750 --> 00:47:55,940
did not know why I did not see my friend

812
00:48:01,910 --> 00:47:59,760
for ages it might have been weeks it

813
00:48:04,610 --> 00:48:01,920

might have been months it but she didn't

814

00:48:08,630 --> 00:48:04,620

even cross my mind they were not there

815

00:48:10,730 --> 00:48:08,640

they were like me Pauline whatever see

816

00:48:13,700 --> 00:48:10,740

what's up and where are you know what I

817

00:48:21,380 --> 00:48:13,710

mean nothing nothing at all that crossed

818

00:48:24,830 --> 00:48:21,390

my mind and it were only like it could

819

00:48:27,500 --> 00:48:24,840

have been like years later that of you

820

00:48:32,030 --> 00:48:27,510

know mum slur I know it were a long time

821

00:48:34,040 --> 00:48:32,040

that had gone by and I eventually got in

822

00:48:36,270 --> 00:48:34,050

contact with us you know live down road

823

00:48:38,070 --> 00:48:36,280

and I said room

824

00:48:44,930 --> 00:48:38,080

that time that we got the Jodi words bah

825

00:48:49,940 --> 00:48:44,940

bah blah but it's like she was at home

826

00:48:55,650 --> 00:48:49,950

at quarter past nine yeah I got a yeah

827

00:49:00,530 --> 00:48:55,660

at five to twelve what where what how

828

00:49:02,940 --> 00:49:00,540

Wayne know how does that work how yeah

829

00:49:07,950 --> 00:49:02,950

moment in time where she can't remember

830

00:49:10,170 --> 00:49:07,960

either but she Wilma she were on a lot

831

00:49:15,510 --> 00:49:10,180

earlier than me so where would where

832

00:49:17,010 --> 00:49:15,520

would I wear daikon so that were into

833

00:49:18,540 --> 00:49:17,020

that one it will like oh we all

834

00:49:21,780 --> 00:49:18,550

forgotten about not to mentioned it

835

00:49:23,910 --> 00:49:21,790

again end of so you know how come you

836

00:49:26,190 --> 00:49:23,920

say you know I were really expecting my

837

00:49:28,920 --> 00:49:26,200

grandma in the morning I was dreading

838

00:49:31,230 --> 00:49:28,930

coming downstairs I thought I am gonna

839

00:49:33,240 --> 00:49:31,240

get no biggest bulletin and my life for

840

00:49:34,740 --> 00:49:33,250

going to them woods are question

841

00:49:38,750 --> 00:49:34,750

question question where did it go where

842

00:49:42,620 --> 00:49:38,760

did it go where'd it go I let nothing

843

00:49:45,210 --> 00:49:42,630

not even of my mom not even of my sister

844

00:49:50,790 --> 00:49:45,220

smarter than you had about so you had

845

00:49:53,700 --> 00:49:50,800

three four hours you see in time yep

846

00:49:56,130 --> 00:49:53,710

still cat thinks this day what happened

847

00:49:58,350 --> 00:49:56,140

I would just start running up this

848

00:50:01,560 --> 00:49:58,360

Snicket felt like I was kind of running

849

00:50:03,210 --> 00:50:01,570

in at ground really slow blackout next

850

00:50:11,790 --> 00:50:03,220

minute I'm at the bottom of mystery

851

00:50:15,480 --> 00:50:11,800

walking up yeah good

852

00:50:17,700 --> 00:50:15,490

no weird one more time dude way yeah

853

00:50:19,740 --> 00:50:17,710

talking about what would be your next

854

00:50:31,700 --> 00:50:19,750

experience when it happened

855

00:50:34,530 --> 00:50:31,710

yeah thing ever so I can't pick you up

856

00:50:38,970 --> 00:50:34,540

anything Liverpool II live in Bradford

857

00:50:41,160 --> 00:50:38,980

it's over an hour in between yeah we got

858

00:50:42,900 --> 00:50:41,170

to the end er Street and I said I'll

859

00:50:43,380 --> 00:50:42,910

just text Dave and they know that we're

860

00:50:48,300 --> 00:50:43,390

on our way

861

00:50:50,700 --> 00:50:48,310

so set it off see so Wow

862

00:50:54,150 --> 00:50:50,710

so I get to Junction 12f to come off

863

00:50:56,630 --> 00:50:54,160

Junction 12 then you go right and then

864

00:50:59,130 --> 00:50:56,640

you get onto the m62 towards Liverpool

865

00:51:04,620 --> 00:50:59,140

we have to go to a chamber which is the

866

00:51:11,850 --> 00:51:04,630

most nightmarish disaster of a rail

867

00:51:18,440 --> 00:51:11,860

system and just outside Bradford drop me

868

00:51:21,420 --> 00:51:18,450

back so we're on now it's my house and

869

00:51:23,010 --> 00:51:21,430

we're chatting away about everything and

870

00:51:25,710 --> 00:51:23,020

I was like oh you've got the wrong way

871

00:51:27,870 --> 00:51:25,720

so we salute back round all the way up

872

00:51:32,610 --> 00:51:27,880

all the way back down and we have

873

00:51:35,160 --> 00:51:32,620

roundabouts in in this country so you

874

00:51:36,900 --> 00:51:35,170

know so go backward loop round come back

875

00:51:47,810 --> 00:51:36,910

loop round get back answer the right

876

00:52:01,140 --> 00:51:54,870

everything just went weird silent which

877

00:52:04,070 --> 00:52:01,150

were never normally totally silent we

878

00:52:08,880 --> 00:52:04,080

did somewhere and somewhat changed I

879

00:52:11,100 --> 00:52:08,890

demand Chester right Edie yeah and but

880

00:52:13,590 --> 00:52:11,110

it was all because you don't drive so

881

00:52:16,350 --> 00:52:13,600

and you didn't know that very well you

882

00:52:16,680 --> 00:52:16,360

the exact second I knew something wasn't

883

00:52:23,780 --> 00:52:16,690

right

884

00:52:29,580 --> 00:52:23,790

yes I was like back onto that m600

885

00:52:32,190 --> 00:52:29,590

Junction 12 yeah it also to Liverpool so

886

00:52:35,160 --> 00:52:32,200

very amount on this three times now I

887

00:52:37,650 --> 00:52:35,170

stopped three times we were quiet all

888

00:52:43,080 --> 00:52:37,660

the way back and that last stretch we

889

00:52:45,330 --> 00:52:43,090

were like just weird

890

00:52:51,660 --> 00:52:45,340

and when we did speak it was the odd

891

00:52:55,080 --> 00:52:51,670

word yeah yeah no it was no it was so

892

00:53:01,140 --> 00:52:55,090

weird until we got home it changed back

893

00:53:02,670 --> 00:53:01,150

again yeah you know it was a relief

894

00:53:04,950 --> 00:53:02,680

yeah but you didn't know

895

00:53:08,970 --> 00:53:04,960

how you knew that something wasn't right

896

00:53:11,970 --> 00:53:08,980

but at the very same second so yeah got

897

00:53:24,780 --> 00:53:11,980

to my house and Dave said you were quick

898

00:53:28,920 --> 00:53:24,790

we were like what's young about three

899

00:53:31,500 --> 00:53:28,930

times should have taken two hours so

900

00:53:35,600 --> 00:53:31,510

yeah we found to tell him that more time

901
00:53:41,670 --> 00:53:35,610
had passed then each realized and that

902
00:53:43,500 --> 00:53:41,680
said one hour is no way unless I Drive

903
00:53:47,730 --> 00:53:43,510
at 300 miles an hour

904
00:53:51,120 --> 00:53:47,740
which I would if I could it was no way

905
00:53:53,070 --> 00:53:51,130
there yeah we messed up three times I

906
00:53:55,830 --> 00:53:53,080
messed up sweet sounds got from Bradford

907
00:54:11,370 --> 00:53:55,840
to Liverpool in one hour

908
00:54:19,460 --> 00:54:11,380
like it's not it's not that was designed

909
00:54:24,360 --> 00:54:19,470
Splenda so do you want me to talk about

910
00:54:26,760 --> 00:54:24,370
when I was 13 then me next is it 12 Amy

911
00:54:30,690 --> 00:54:26,770
next one after that we were talking

912
00:54:34,800 --> 00:54:30,700
about is this the one with the back yeah

913
00:54:37,230 --> 00:54:34,810

yes right so it was you socket you were

914

00:54:40,140 --> 00:54:37,240

just saying so I went round to pull it

915

00:54:42,290 --> 00:54:40,150

out on my back and boom that's when the

916

00:54:45,270 --> 00:54:42,300

atmosphere changed in there in the car

917

00:54:50,000 --> 00:54:45,280

yes sorry now that you were about to

918

00:54:54,180 --> 00:54:50,010

sound start yeah yeah

919

00:54:56,070 --> 00:54:54,190

anywhere sure we were twelve thirteen

920

00:55:00,540 --> 00:54:56,080

that I said me as I'm getting old to be

921

00:55:03,560 --> 00:55:00,550

I'm losing it now but it's at times

922

00:55:07,680 --> 00:55:03,570

irrelevant now so I don't care anymore

923

00:55:10,880 --> 00:55:07,690

but anyway I'd say let me see how fair

924

00:55:20,410 --> 00:55:15,160

back in 212 so anyway I've got a bed and

925

00:55:23,450 --> 00:55:20,420

still were living with my grandma and I

926
00:55:27,620 --> 00:55:23,460
said a lot weird experiences before that

927
00:55:30,920 --> 00:55:27,630
you know like it just from talking or

928
00:55:33,950 --> 00:55:30,930
bird to see me first you I thought candy

929
00:55:36,859 --> 00:55:33,960
and the pagan this light little bits in

930
00:55:40,069 --> 00:55:36,869
between you know like a pendant bedroom

931
00:55:41,779 --> 00:55:40,079
so it's like it I've been in under the

932
00:55:45,170 --> 00:55:41,789
duvet because I'm used to sleep there

933
00:55:47,059 --> 00:55:45,180
was that scared I don't know what but I

934
00:55:50,870 --> 00:55:47,069
was that scared and sleep until I can't

935
00:55:54,470 --> 00:55:50,880
breathe and I mean get me a doubted over

936
00:55:56,599 --> 00:55:54,480
yeah but so many times where it felt

937
00:56:00,470 --> 00:55:56,609
like and we didn't even have cats at

938
00:56:03,019 --> 00:56:00,480

that moment well it felt like Simba day

939

00:56:05,930 --> 00:56:03,029

I've got the runs and we're going like

940

00:56:08,809 --> 00:56:05,940

that um they don't but with me bed and

941

00:56:12,650 --> 00:56:08,819

then I've gone right one two three four

942

00:56:18,859 --> 00:56:12,660

five and as soon as I've gone that that

943

00:56:22,900 --> 00:56:18,869

stop and I've been way to work so you

944

00:56:26,450 --> 00:56:22,910

know there is a little bits in between

945

00:56:30,170 --> 00:56:26,460

anyway so I get back to age twelve

946

00:56:31,999 --> 00:56:30,180

thirteen one sir and I've gone about

947

00:56:35,180 --> 00:56:32,009

this the ocean well in it and this is

948

00:56:38,390 --> 00:56:35,190

what this is a between 12 and far Ain

949

00:56:43,490 --> 00:56:38,400

was a very heightened moment now I think

950

00:56:50,690 --> 00:56:43,500

that's because ammonal and pure Besson

951
00:56:58,180 --> 00:56:50,700
and you know I mean yeah got about gon

952
00:57:04,640 --> 00:56:58,190
asleep next minute I remember Spain on a

953
00:57:07,039 --> 00:57:04,650
like a metal steering with steel like a

954
00:57:12,730 --> 00:57:07,049
bench but with my like a terrible but

955
00:57:18,289 --> 00:57:12,740
bench it when either than a bones yeah

956
00:57:21,380 --> 00:57:18,299
not as bigger cetera so you know and you

957
00:57:24,049 --> 00:57:21,390
could have faced three people my size on

958
00:57:24,500 --> 00:57:24,059
their spit whether or not you could it

959
00:57:26,150 --> 00:57:24,510
was

960
00:57:28,609 --> 00:57:26,160
supposed to be they're full of the

961
00:57:31,730 --> 00:57:28,619
people at back of me I don't know but

962
00:57:33,680 --> 00:57:31,740
anyway so it's a metal the metal thing

963
00:57:37,819 --> 00:57:33,690

I'd I can't even tell you whether lit up

964

00:57:40,700 --> 00:57:37,829

lakes or it floor a dyke about wow I

965

00:57:42,710 --> 00:57:40,710

don't know I can't even think of that

966

00:57:45,710 --> 00:57:42,720

because I'm actually sat on there so

967

00:57:48,589 --> 00:57:45,720

cats the Oh anywhere so every bit at

968

00:57:50,480 --> 00:57:48,599

room is light I don't know where it's

969

00:57:53,660 --> 00:57:50,490

coming from but it's a fuse to me it's

970

00:57:57,279 --> 00:57:53,670

not dry it's pretty dull actually and

971

00:58:01,130 --> 00:57:57,289

this light that somewhere and I've got

972

00:58:03,829 --> 00:58:01,140

some start when the arms in front of

973

00:58:09,680 --> 00:58:03,839

member at me it's like an hour can do it

974

00:58:15,819 --> 00:58:09,690

smoothly eyes anywhere but beyond this

975

00:58:18,740 --> 00:58:15,829

lie it's very dark I know I'm in a room

976

00:58:21,470 --> 00:58:18,750

but I can't see where the room Felicia's

977

00:58:22,930 --> 00:58:21,480

because the further back it gets the

978

00:58:30,829 --> 00:58:22,940

blacker it gets

979

00:58:36,440 --> 00:58:30,839

yeah yeah and I'm just sat there and all

980

00:58:39,200 --> 00:58:36,450

of a sudden what feels like the tube I

981

00:58:43,960 --> 00:58:39,210

can I can feel it now as I'm thinking

982

00:58:47,539 --> 00:58:43,970

about it right at the bottom of me spine

983

00:58:48,200 --> 00:58:47,549

know where your coccyx she's alright

984

00:58:56,240 --> 00:58:48,210

yeah

985

00:59:00,099 --> 00:58:56,250

and I felt somewhere cold been pushed in

986

00:59:04,309 --> 00:59:00,109

through my skin nuts at point where I'm

987

00:59:06,319 --> 00:59:04,319

in agony it did a little bit not much

988

00:59:09,019 --> 00:59:06,329

I can't see no I really not gonna I was

989

00:59:12,740 --> 00:59:09,029

screaming and all that but it enough to

990

00:59:15,349 --> 00:59:12,750

me to know it's a come up right down

991

00:59:22,569 --> 00:59:15,359

there and I can feel it and I could feel

992

00:59:24,079 --> 00:59:22,579

it going through and then what I just

993

00:59:27,400 --> 00:59:24,089

found

994

00:59:30,049 --> 00:59:27,410

and then I kind of felt this stickiness

995

00:59:35,269 --> 00:59:30,059

going down you know don't

996

00:59:38,150 --> 00:59:35,279

Scooby room don't crack your ass it's

997

00:59:42,530 --> 00:59:38,160

like a sticking hole

998

00:59:46,850 --> 00:59:42,540

then it'd be warm and I think I'll start

999

00:59:51,650 --> 00:59:46,860

let me out down there I've just found

1000

00:59:55,400 --> 00:59:51,660

the strength to get me arms and put um

1001
01:00:00,460 --> 00:59:55,410
it took me ages to get pick me arms up

1002
01:00:03,650 --> 01:00:00,470
to pull back yeah

1003
01:00:05,500 --> 01:00:03,660
so it's took me ages to pick me arms up

1004
01:00:15,280 --> 01:00:05,510
off me legs

1005
01:00:17,990 --> 01:00:15,290
Yakima and I fell like hands but born a

1006
01:00:22,100 --> 01:00:18,000
bony things you know what I mean it was

1007
01:00:27,110 --> 01:00:22,110
cold cold but I remember me grandma sons

1008
01:00:29,450 --> 01:00:27,120
always feeling cold and born right and

1009
01:00:31,460 --> 01:00:29,460
she did she I don't know why cuz she

1010
01:00:35,350 --> 01:00:31,470
would a big layer doing grandma but she

1011
01:00:38,030 --> 01:00:35,360
always had right seen born eons and

1012
01:00:43,340 --> 01:00:38,040
because Allah Borneo knuckles look big

1013
01:00:47,600 --> 01:00:43,350

and so the feel of them reminded me

1014

01:00:52,040 --> 01:00:47,610

immigrant grandma's arms so I puts and I

1015

01:00:58,870 --> 01:00:52,050

went like this and a feelin I got older

1016

01:01:01,730 --> 01:00:58,880

my arms gently brought him back put mama

1017

01:01:04,040 --> 01:01:01,740

the tears I mean what would I could feel

1018

01:01:08,630 --> 01:01:04,050

him pissing about the bottom of me back

1019

01:01:15,140 --> 01:01:08,640

and this damp wet clam a sticker warm

1020

01:01:18,260 --> 01:01:15,150

weird stuff moving and soap on there and

1021

01:01:20,930 --> 01:01:18,270

I'm like that still suffer I want to

1022

01:01:25,250 --> 01:01:20,940

know what it is so again I used to get

1023

01:01:27,830 --> 01:01:25,260

round to me back and again they've got

1024

01:01:30,230 --> 01:01:27,840

one of them got that and it went like

1025

01:01:32,870 --> 01:01:30,240

that I don't know if it was same thing

1026

01:01:37,280 --> 01:01:32,880

that got that and and put it on top of

1027

01:01:43,070 --> 01:01:37,290

me over and like that and then they a

1028

01:01:46,070 --> 01:01:43,080

bare hand hovering over the touch me but

1029

01:01:49,600 --> 01:01:46,080

the faster even though their hand I

1030

01:01:51,490 --> 01:01:49,610

could see now Claire is there it's old

1031

01:01:54,250 --> 01:01:51,500

its wrinkly

1032

01:01:57,430 --> 01:01:54,260

it's got long fingers I can't say how

1033

01:02:00,130 --> 01:01:57,440

many fingers it's got hmm it's the

1034

01:02:04,360 --> 01:02:00,140

brownie change not the time

1035

01:02:06,730 --> 01:02:04,370

but the brownie change and I could see

1036

01:02:10,150 --> 01:02:06,740

him and I would like one set us outside

1037

01:02:11,950 --> 01:02:10,160

there John and the fingernails you know

1038

01:02:14,680 --> 01:02:11,960

the ones that I saw down in the garden

1039

01:02:17,380 --> 01:02:14,690

they say he's because I'm gonna do it

1040

01:02:19,540 --> 01:02:17,390

without looking at ants and no matter

1041

01:02:23,080 --> 01:02:19,550

how much I tried to move I could not

1042

01:02:26,260 --> 01:02:23,090

lift my arms away from my legs 11 it

1043

01:02:30,040 --> 01:02:26,270

well then were carrying on listen about

1044

01:02:31,600 --> 01:02:30,050

down me back but these fingernails and I

1045

01:02:33,820 --> 01:02:31,610

seen him there and they always look

1046

01:02:37,210 --> 01:02:33,830

right clean-cut like you just Adam

1047

01:02:39,670 --> 01:02:37,220

sinned Allah and failed yeah

1048

01:02:46,470 --> 01:02:39,680

and I'll never forget at the look at

1049

01:02:51,730 --> 01:02:46,480

them and so these bone if it anywhere I

1050

01:02:53,890 --> 01:02:51,740

just remember dane struggling struggling

1051
01:02:56,080 --> 01:02:53,900
struggling to get my hands-free and it

1052
01:03:00,210 --> 01:02:56,090
just went happening at this point name

1053
01:03:04,540 --> 01:03:00,220
I'm seeing me peripheral feel and where

1054
01:03:07,570 --> 01:03:04,550
something stood there but now my eyes

1055
01:03:11,050 --> 01:03:07,580
aren't working enough to be able like

1056
01:03:13,690 --> 01:03:11,060
that you know certainly eyes sir and

1057
01:03:18,790 --> 01:03:13,700
then I'm feeling myself going deeper and

1058
01:03:24,370 --> 01:03:18,800
deeper into darkness and I'm gone next

1059
01:03:27,460 --> 01:03:24,380
morning I wake up and I get so obeyed I

1060
01:03:29,250 --> 01:03:27,470
said he was gone at window doing summer

1061
01:03:31,840 --> 01:03:29,260
because me me grandma shared a bedroom

1062
01:03:35,650 --> 01:03:31,850
so the single bed at least side my

1063
01:03:40,900 --> 01:03:35,660

grammar added that she says Paula you

1064

01:03:43,300 --> 01:03:40,910

better get to the bathroom I went why so

1065

01:03:45,820 --> 01:03:43,310

she says I think you know you you've

1066

01:03:50,200 --> 01:03:45,830

having a woman's problem you know what I

1067

01:03:54,580 --> 01:03:50,210

mean and I'm like look you know when you

1068

01:03:59,170 --> 01:03:54,590

know I'm you know Don uniting yet there

1069

01:04:02,860 --> 01:03:59,180

were blood all over their back so with

1070

01:04:06,250 --> 01:04:02,870

me laying down that's in there if so it

1071

01:04:09,260 --> 01:04:06,260

looks like a blood through it

1072

01:04:11,090 --> 01:04:09,270

so she better go get changed blah blah

1073

01:04:13,880 --> 01:04:11,100

blah I'm sinking ghosts it's all about

1074

01:04:18,140 --> 01:04:13,890

yeah I ain't got notes happen to me I'm

1075

01:04:20,240 --> 01:04:18,150

not come on my period and I'm a bit

1076

01:04:22,580 --> 01:04:20,250

confused myself at this point you know

1077

01:04:25,790 --> 01:04:22,590

so he had one of them remember them

1078

01:04:28,730 --> 01:04:25,800

plastic cupboards that like you put you

1079

01:04:32,540 --> 01:04:28,740

two rushing and we had a bit of a run

1080

01:04:35,630 --> 01:04:32,550

from you know what I mean the plastic

1081

01:04:38,960 --> 01:04:35,640

they were honorable and I think as a lot

1082

01:04:40,670 --> 01:04:38,970

a blue a color and it would pretty

1083

01:04:42,590 --> 01:04:40,680

lowdown cuz my grandma was smile

1084

01:04:46,040 --> 01:04:42,600

anywhere so she does it put down a bit

1085

01:04:49,610 --> 01:04:46,050

so I lifted my nitrous up and I went

1086

01:04:53,290 --> 01:04:49,620

like that and there's blood all the way

1087

01:04:56,090 --> 01:04:53,300

where that little thing wah there's a

1088

01:05:01,130 --> 01:04:56,100

like a little tiny scab or four right

1089

01:05:04,370 --> 01:05:01,140

and three scratches it look like

1090

01:05:06,590 --> 01:05:04,380

fingernails I never grew my I bet my

1091

01:05:09,830 --> 01:05:06,600

nails until I would a middle a is until

1092

01:05:13,750 --> 01:05:09,840

it got the got septic because I bit him

1093

01:05:18,860 --> 01:05:13,760

that much so they want my fingernails

1094

01:05:24,260 --> 01:05:18,870

from the top of me spine right down to

1095

01:05:29,360 --> 01:05:24,270

the bottom in the middle the fingernails

1096

01:05:30,770 --> 01:05:29,370

scratch marks and I'm like but I

1097

01:05:33,890 --> 01:05:30,780

remember what happened

1098

01:05:36,020 --> 01:05:33,900

I remember that what happened in night

1099

01:05:39,800 --> 01:05:36,030

to me but I couldn't tell

1100

01:05:41,180 --> 01:05:39,810

no I am come on my period I couldn't

1101
01:05:43,280 --> 01:05:41,190
tell about because she'd say well what

1102
01:05:46,390 --> 01:05:43,290
was blood from then so that's another

1103
01:05:52,940 --> 01:05:46,400
thing I had to keep her you know quiet

1104
01:05:54,710 --> 01:05:52,950
yeah you know so I wish I could now I

1105
01:05:56,630 --> 01:05:54,720
wish I could go back to me now now as a

1106
01:05:58,490 --> 01:05:56,640
diet this up and that up and over and

1107
01:06:00,470 --> 01:05:58,500
she won't be surprised at all

1108
01:06:03,530 --> 01:06:00,480
he's looking back now she wondered then

1109
01:06:05,600 --> 01:06:03,540
you know I made obscene aspera I don't

1110
01:06:09,950 --> 01:06:05,610
mean one of them grits every corner

1111
01:06:16,010 --> 01:06:09,960
balls say that she'd seen something over

1112
01:06:19,140 --> 01:06:16,020
this the answer I don't know whether

1113
01:06:21,450 --> 01:06:19,150

this would be far hour after I'd gone

1114

01:06:25,790 --> 01:06:21,460

bed one particular in one particular

1115

01:06:27,420 --> 01:06:25,800

night I mean for 1213 before aim and

1116

01:06:31,260 --> 01:06:27,430

same again

1117

01:06:36,180 --> 01:06:31,270

and I'd gone in such a deep sleep saw

1118

01:06:37,950 --> 01:06:36,190

quake and I all I remember is there's a

1119

01:06:44,490 --> 01:06:37,960

factory the one that set on fire you're

1120

01:06:46,830 --> 01:06:44,500

not so long ago a video yeah the chimney

1121

01:06:54,810 --> 01:06:46,840

that goes with there yeah so this is

1122

01:06:57,030 --> 01:06:54,820

like industrial Victorian makes a big

1123

01:07:03,510 --> 01:06:57,040

chimney just for people watching that's

1124

01:07:06,750 --> 01:07:03,520

kind of typical Bradford it was a city

1125

01:07:11,460 --> 01:07:06,760

you see in the world at one point it was

1126

01:07:20,520 --> 01:07:11,470

like all industry and work houses and

1127

01:07:27,600 --> 01:07:20,530

grimness but anyway and in fact so in in

1128

01:07:31,140 --> 01:07:27,610

this dream I'm stood on the roof of this

1129

01:07:38,240 --> 01:07:31,150

factory my night race I've gotten

1130

01:07:41,910 --> 01:07:38,250

engaged and installed in front of a big

1131

01:07:44,460 --> 01:07:41,920

if I go out with me arms they it's that

1132

01:07:47,670 --> 01:07:44,470

big you know what as well as I can put

1133

01:07:51,900 --> 01:07:47,680

my arms a circular I think it would

1134

01:07:54,420 --> 01:07:51,910

orangey yellow ally it were on in G Ella

1135

01:07:58,800 --> 01:07:54,430

but it won't bright like I said it was

1136

01:08:01,710 --> 01:07:58,810

it with that the coolers that I could

1137

01:08:08,040 --> 01:08:01,720

see from kind of that bit in that bit

1138

01:08:11,850 --> 01:08:08,050

and was like a pasta Lisa they're not

1139

01:08:13,950 --> 01:08:11,860

bright and so it's up like the but I

1140

01:08:16,380 --> 01:08:13,960

have to look straight at it it's in

1141

01:08:20,970 --> 01:08:16,390

she's from and I have to look straight

1142

01:08:24,320 --> 01:08:20,980

up please big lie yeah the peripheral of

1143

01:08:29,550 --> 01:08:24,330

view I could see a man coming home from

1144

01:08:31,240 --> 01:08:29,560

pub slain about working up button going

1145

01:08:33,190 --> 01:08:31,250

on

1146

01:08:36,099 --> 01:08:33,200

but I'm still looking for some kind of

1147

01:08:39,099 --> 01:08:36,109

mark concentrating now on what's going

1148

01:08:44,920 --> 01:08:39,109

on there in the peripheral and I could

1149

01:08:49,809 --> 01:08:44,930

see me nan da calling the car you know

1150

01:08:53,320 --> 01:08:49,819

so she's happy but she couldn't go she

1151
01:08:59,920 --> 01:08:53,330
could make that noise I'll shake how the

1152
01:09:03,309 --> 01:08:59,930
cat was I remember that clear is that

1153
01:09:07,499 --> 01:09:03,319
Ana Guevara and I'm thinking of myself

1154
01:09:10,930 --> 01:09:07,509
I wish me none could call a cat proper

1155
01:09:12,999 --> 01:09:10,940
call him depart the cat I could see

1156
01:09:17,320 --> 01:09:13,009
chill in a crossroad me none stood at

1157
01:09:21,400 --> 01:09:17,330
Darwin she looks down where I am

1158
01:09:24,340 --> 01:09:21,410
oh for the factory so I'm looking at her

1159
01:09:26,550 --> 01:09:24,350
at my peripheral she's just seen what

1160
01:09:33,030 --> 01:09:26,560
she's seen and looks apart for the male

1161
01:09:35,499 --> 01:09:33,040
comes clear aim star I'm assuming sir

1162
01:09:39,490 --> 01:09:35,509
I'm just stood there in front of this

1163
01:09:41,230 --> 01:09:39,500

thing it then it just it's strong I

1164

01:09:44,680 --> 01:09:41,240

don't remember how in between that I

1165

01:09:49,749 --> 01:09:44,690

wakes up in the morning doom and while I

1166

01:09:51,940 --> 01:09:49,759

am in it Manang were already downstairs

1167

01:09:56,140 --> 01:09:51,950

she'll making a cup of tea or wherever

1168

01:09:59,920 --> 01:09:56,150

sir I come running down steps and I

1169

01:10:02,980 --> 01:09:59,930

remember it were like the blood draining

1170

01:10:05,100 --> 01:10:02,990

from there and me nan said you look like

1171

01:10:08,260 --> 01:10:05,110

you've seen a ghost

1172

01:10:10,930 --> 01:10:08,270

anyway I went no no I just don't feel a

1173

01:10:12,760 --> 01:10:10,940

bit well I think this is when I was

1174

01:10:15,040 --> 01:10:12,770

starting to realize that this was not

1175

01:10:19,900 --> 01:10:15,050

normal what we're going through so will

1176

01:10:23,380 --> 01:10:19,910

I all you know that rush of you know sir

1177

01:10:25,330 --> 01:10:23,390

um and they were sat there don't suffer

1178

01:10:28,270 --> 01:10:25,340

and I remember me now never Ill put on

1179

01:10:30,850 --> 01:10:28,280

table and oh she says all she says oh

1180

01:10:32,860 --> 01:10:30,860

you look a bit pale and you alright I'm

1181

01:10:36,910 --> 01:10:32,870

not yeah so she says you'll never guess

1182

01:10:38,500 --> 01:10:36,920

what I saw last night and then what did

1183

01:10:39,880 --> 01:10:38,510

you say what did you say like this

1184

01:10:42,919 --> 01:10:39,890

because I'm you what you're gonna say

1185

01:10:46,520 --> 01:10:42,929

she said I saw flying saucer

1186

01:10:48,350 --> 01:10:46,530

I saw a flying saucer you like this you

1187

01:10:50,680 --> 01:10:48,360

know I mean it she's going on a nun

1188

01:10:54,050 --> 01:10:50,690

forget that bit where did you say yet

1189

01:10:58,640 --> 01:10:54,060

offered the mail at the bottom of the

1190

01:11:01,070 --> 01:10:58,650

stre and it was all different colors she

1191

01:11:03,700 --> 01:11:01,080

said it was so beautiful it were the

1192

01:11:06,950 --> 01:11:03,710

most beautiful thing she'd ever seen

1193

01:11:10,430 --> 01:11:06,960

orange light blue light pink light gold

1194

01:11:14,560 --> 01:11:10,440

like silver light whatever lie different

1195

01:11:19,310 --> 01:11:14,570

hues of but not bright bright the way

1196

01:11:21,200 --> 01:11:19,320

that said like passed away again and you

1197

01:11:23,149 --> 01:11:21,210

know I can't remember whether she said

1198

01:11:26,990 --> 01:11:23,159

it was spinning but while I'm studying

1199

01:11:29,930 --> 01:11:27,000

from that lie I don't recover lies it to

1200

01:11:33,260 --> 01:11:29,940

be moving around on earth but I would

1201

01:11:35,720 --> 01:11:33,270

stood there so I didn't get to the point

1202

01:11:37,520 --> 01:11:35,730

I don't remember or what whether she

1203

01:11:39,590 --> 01:11:37,530

said it were going round or anything but

1204

01:11:43,870 --> 01:11:39,600

she said it were absolutely beautiful

1205

01:11:48,200 --> 01:11:43,880

and thats how she described beautiful

1206

01:11:57,760 --> 01:11:48,210

and it didn't don emit a Sarah where now

1207

01:12:04,490 --> 01:12:00,439

yeah so while I'm on that roof for this

1208

01:12:11,810 --> 01:12:04,500

UFO she's a doll watching that well I'm

1209

01:12:16,040 --> 01:12:11,820

upstairs asleep I still never ever got

1210

01:12:20,660 --> 01:12:16,050

around to telling her about you know

1211

01:12:23,840 --> 01:12:20,670

something going on in my brains and she

1212

01:12:26,630 --> 01:12:23,850

the Judy woods thing yeah boomerang

1213

01:12:35,180 --> 01:12:26,640

types was like a boomerang with three

1214

01:12:38,620 --> 01:12:35,190

arms saying now if you imagine that

1215

01:12:45,320 --> 01:12:38,630

we're excited rotating really quickly I

1216

01:12:48,470 --> 01:12:45,330

danced oh my god yeah yeah so if it was

1217

01:12:50,510 --> 01:12:48,480

up in the air and flat spin it's like

1218

01:12:55,430 --> 01:12:50,520

you look at fidget spin it's the same

1219

01:12:56,830 --> 01:12:55,440

sort of so you turn that really fast

1220

01:13:04,070 --> 01:12:56,840

it's just one bow

1221

01:13:06,050 --> 01:13:04,080

yeah yeah oh so we don't know what shape

1222

01:13:09,260 --> 01:13:06,060

they're really doing when we see them

1223

01:13:13,040 --> 01:13:09,270

all you know we say it's a disc I'd not

1224

01:13:17,209 --> 01:13:13,050

be not all of them some of them will be

1225

01:13:24,800 --> 01:13:17,219

yeah yeah yeah but this is what would

1226

01:13:29,870 --> 01:13:24,810

they snipe in 82 in 82

1227

01:13:36,560 --> 01:13:29,880

hello 12 I had mostly paranormal stuff

1228

01:13:42,169 --> 01:13:36,570

it wasn't until 1992 I saw an alien and

1229

01:13:43,910 --> 01:13:42,179

it was like midweek midday you know I

1230

01:13:48,470 --> 01:13:43,920

had a baby

1231

01:13:52,640 --> 01:13:48,480

my son Louie he was about he had that

1232

01:13:55,459 --> 01:13:52,650

little baby grow on that and so I think

1233

01:13:59,209 --> 01:13:55,469

he was about five months old he was body

1234

01:14:03,620 --> 01:13:59,219

knocked over something about about this

1235

01:14:05,990 --> 01:14:03,630

time of year actually and I woke up

1236

01:14:07,220 --> 01:14:06,000

because I heard I was having an

1237

01:14:09,050 --> 01:14:07,230

afternoon nap and I would always

1238

01:14:09,830 --> 01:14:09,060

everyone which se would lay on a stomach

1239

01:14:12,979 --> 01:14:09,840

on my chest

1240

01:14:22,100 --> 01:14:12,989

go to sleep if he hadn't know I'd have

1241

01:14:24,770 --> 01:14:22,110

enough Sasha wake up now just like that

1242

01:14:27,919 --> 01:14:24,780

so out my eyes right in front of me and

1243

01:14:29,859 --> 01:14:27,929

I'm laying on my side is this little

1244

01:14:34,490 --> 01:14:29,869

blue goblin yeah

1245

01:14:36,859 --> 01:14:34,500

really mushy black eyes yeah the lying

1246

01:14:38,750 --> 01:14:36,869

of a mouth it was just all wrinkles

1247

01:14:41,840 --> 01:14:38,760

everything about it was kind of like

1248

01:14:43,910 --> 01:14:41,850

these wobbly ring cousin yeah the chest

1249

01:14:47,780 --> 01:14:43,920

a little bit like really you know that

1250

01:14:52,669 --> 01:14:47,790

kind of critter yeah I can't wait the

1251

01:14:56,570 --> 01:14:52,679

brown Hadid cake thing on there okay

1252

01:14:58,609 --> 01:14:56,580

describe how blue I've never seen that

1253

01:15:00,800 --> 01:14:58,619

kind of blue anyway it's really really

1254

01:15:06,370 --> 01:15:00,810

deep but really really bright and it was

1255

01:15:09,760 --> 01:15:06,380

just wrinkly house is just a slash

1256

01:15:12,280 --> 01:15:09,770

because I've seen that in the tan ones

1257

01:15:15,070 --> 01:15:12,290

yeah well I shot this other one about

1258

01:15:16,480 --> 01:15:15,080

varietals or louie and I just scrambled

1259

01:15:18,760 --> 01:15:16,490

to the bottom of the bed and stood at

1260

01:15:21,790 --> 01:15:18,770

the back of the bed and there was

1261

01:15:23,560 --> 01:15:21,800

nothing now I was like wow

1262

01:15:25,510 --> 01:15:23,570

and that's how I'm shouting for Tim I'm

1263

01:15:27,610 --> 01:15:25,520

thinking he must have come on my knee

1264

01:15:30,130 --> 01:15:27,620

and he's walking went from a crazy dream

1265

01:15:34,300 --> 01:15:30,140

saying Sasha wake up there was nobody

1266

01:15:37,870 --> 01:15:34,310

there no one in the flats also there

1267

01:15:40,930 --> 01:15:37,880

like this is bizarre this something you

1268

01:15:43,630 --> 01:15:40,940

know like felt really really weird so I

1269

01:15:46,480 --> 01:15:43,640

just start with a dream you know kind of

1270

01:15:49,780 --> 01:15:46,490

relegated to a dream until about 2006

1271

01:15:52,450 --> 01:15:49,790

when Steve Johnson and friends Ellen

1272

01:15:56,860 --> 01:15:52,460

Russell and Steve Johnson we were on UFO

1273

01:15:59,490 --> 01:15:56,870

day Sephora I was Callahan and might

1274

01:16:02,140 --> 01:15:59,500

look like after green bears all died

1275

01:16:04,360 --> 01:16:02,150

they set up UFO dates the magazine which

1276

01:16:06,430 --> 01:16:04,370

ended up writing for them about anyway

1277

01:16:09,340 --> 01:16:06,440

they were we were all talking on the far

1278

01:16:12,100 --> 01:16:09,350

room and Steve Johnson said that he'd

1279

01:16:15,520 --> 01:16:12,110

had a dream about one of these little

1280

01:16:16,750 --> 01:16:15,530

blue things riding his tricycle and they

1281

01:16:18,190 --> 01:16:16,760

did not think he was going to get it

1282

01:16:22,600 --> 01:16:18,200

back he was bothered about getting it

1283

01:16:24,820 --> 01:16:22,610

back so they said you need to watch

1284

01:16:28,210 --> 01:16:24,830

communion which doesn't watch communion

1285

01:16:30,360 --> 01:16:28,220

and so with my little thing popped out

1286

01:16:34,990 --> 01:16:30,370

from behind the vows with the flowers oh

1287

01:16:38,890 --> 01:16:35,000

my god just knew it wasn't a dream well

1288

01:16:41,800 --> 01:16:38,900

now now I get accused of stealing

1289

01:16:46,840 --> 01:16:41,810

witless Reapers account all always gonna

1290

01:16:54,450 --> 01:16:46,850

get she's nothing like she was account I

1291

01:17:01,780 --> 01:16:57,490

when people write of the dough that you

1292

01:17:10,740 --> 01:17:01,790

know you why would you want nobody wants

1293

01:17:16,360 --> 01:17:13,300

also it doesn't happen - might want to

1294

01:17:18,970 --> 01:17:16,370

be in there but will [h__h] in there - see

1295

01:17:22,660 --> 01:17:18,980

it's not that cool right

1296

01:17:23,580 --> 01:17:22,670

another joke about this you know it's

1297

01:17:29,370 --> 01:17:23,590

not some

1298

01:17:34,020 --> 01:17:29,380

being vain a lot of always said to you

1299

01:17:37,530 --> 01:17:34,030

and after the time when them being uh

1300

01:17:58,890 --> 01:17:37,540

you know I miss some really bad but

1301

01:18:03,990 --> 01:17:58,900

Wednesday and I'm like just you don't

1302

01:18:06,470 --> 01:18:04,000

know yeah but now we don't because the

1303

01:18:15,030 --> 01:18:06,480

aunt visited for quite a while Oh

1304

01:18:16,650 --> 01:18:15,040

wherever have come from I'm not I'm not

1305

01:18:21,300 --> 01:18:16,660

bothered with the dough coming out now

1306

01:18:24,200 --> 01:18:21,310

any marks like I think calcium a

1307

01:18:28,230 --> 01:18:24,210

deathbed I don't know what it is saying

1308

01:18:29,940 --> 01:18:28,240

you know know between now and then I'm

1309

01:18:33,210 --> 01:18:29,950

not really bothered with him again

1310

01:18:40,230 --> 01:18:33,220

enough I miss them bad but not as bad as

1311

01:18:43,200 --> 01:18:40,240

an oyster so when we met in 2012 well a

1312

01:18:45,420 --> 01:18:43,210

god that was the hardest time of my life

1313

01:18:48,660 --> 01:18:45,430

I was even harder than what was going on

1314

01:18:51,660 --> 01:18:48,670

in Wales yeah and I want to talk about

1315

01:18:55,200 --> 01:18:51,670

half of what was going on but it was

1316

01:18:59,720 --> 01:18:55,210

just really fall to assess that you

1317

01:19:02,160 --> 01:18:59,730

turned up on my doorstep and because I

1318

01:19:06,420 --> 01:19:02,170

had anything to do with the grace up

1319

01:19:09,000 --> 01:19:06,430

until that point just after when I met

1320

01:19:11,790 --> 01:19:09,010

you was just before that is when I saw

1321

01:19:14,580 --> 01:19:11,800

the triangle at games and I think that's

1322

01:19:16,530 --> 01:19:14,590

the one that topped it off after see no

1323

01:19:18,930 --> 01:19:16,540

you know what I've gone through because

1324

01:19:21,300 --> 01:19:18,940

it's all in between as well which love

1325

01:19:26,310 --> 01:19:21,310

to discussion on another and the other

1326

01:19:31,500 --> 01:19:26,320

card him but these are in between but it

1327

01:19:35,790 --> 01:19:31,510

was the triangle oh no because then I've

1328

01:19:37,129 --> 01:19:35,800

got baby Robbie aliens and baby rabbits

1329

01:19:39,950 --> 01:19:37,139

and then the three

1330

01:19:43,790 --> 01:19:39,960

old son at the skull but they sat as

1331

01:19:46,640 --> 01:19:43,800

well sold that kind of come in a row of

1332

01:19:48,950 --> 01:19:46,650

and don't know where I go don't know a

1333

01:19:52,070 --> 01:19:48,960

turn and then that's when I got put on

1334

01:19:59,050 --> 01:19:52,080

you old that add up and just before I

1335

01:20:04,430 --> 01:19:59,060

met you yeah you know well time 2012

1336

01:20:06,649 --> 01:20:04,440

because I took those photos those craft

1337

01:20:49,879 --> 01:20:06,659

whatever the where those objects in 2012

1338

01:20:51,410 --> 01:20:49,889

in July in July in a Bob I think you

1339

01:21:00,919 --> 01:20:51,420

should know anyway I think you should

1340

01:21:06,950 --> 01:21:00,929

because hairy hairy creature yeah well

1341

01:21:12,120 --> 01:21:06,960

we'll call it yeah so much must say oh

1342

01:21:20,890 --> 01:21:12,130

my god so many things so much good at

1343

01:21:29,689 --> 01:21:25,220

you know the UFO community is amazing

1344

01:21:32,899 --> 01:21:29,699

but it's also seriously [h__h] yeah Dave

1345

01:21:36,410 --> 01:21:32,909

and stuck and fast and there's so much

1346

01:21:42,830 --> 01:21:36,420

going on we ever talks about ugly any of

1347

01:21:45,750 --> 01:21:42,840

my stuff no in the next episode about

1348

01:21:50,219 --> 01:21:48,359

I mean I've got so much amounted oh but

1349

01:21:51,899 --> 01:21:50,229

I'm also you know it I want to talk

1350

01:21:53,879 --> 01:21:51,909

about yours as well you know they ain't

1351

01:21:55,890 --> 01:21:53,889

just gonna be about me I don't want it

1352

01:21:57,899 --> 01:21:55,900

to be just me about me it's me and yo

1353

01:22:07,529 --> 01:21:57,909

Sasha because we've gone through a lot

1354

01:22:11,040 --> 01:22:07,539

anyway yeah you know you know what this

1355

01:22:17,790 --> 01:22:11,050

stuff and I don't blame people for not

1356

01:22:20,489 --> 01:22:17,800

believing it's out there but at the same

1357

01:22:22,439 --> 01:22:20,499

time you went through hell you were in

1358

01:22:24,209 --> 01:22:22,449

hell I've been through hell lived in

1359

01:22:28,169 --> 01:22:24,219

hell you know there's people out there

1360

01:22:30,899 --> 01:22:28,179

who were in hell and our words for those

1361

01:22:32,930 --> 01:22:30,909

people now everyone else then anyone

1362

01:22:36,149 --> 01:22:32,940

else can believe or not believe support

1363

01:22:39,509 --> 01:22:36,159

partners whatever you know totally get

1364

01:22:42,439 --> 01:22:39,519

it at the end of the day now it's a game

1365

01:22:46,290 --> 01:22:42,449

changer because we can all communicate

1366

01:22:49,680 --> 01:22:46,300

and we talk we discover things this yes

1367

01:22:51,899 --> 01:22:49,690

stuff that technologies and all kinds of

1368

01:22:53,969 --> 01:22:51,909

things that we've figured out just

1369

01:22:56,299 --> 01:22:53,979

fighting me talking to you talking to

1370

01:23:00,750 --> 01:22:56,309

another woman just talking to two women

1371

01:23:04,199 --> 01:23:00,760

yeah that's quite a lot of stuff so yeah

1372

01:23:07,890 --> 01:23:04,209

I think what we'll do is get our

1373

01:23:11,790 --> 01:23:07,900

messages now bring this to a close now

1374

01:23:14,580 --> 01:23:11,800

and we will do some more recording again

1375

01:23:35,910 --> 01:23:14,590

very soon but this is that word of

1376

01:23:41,419 --> 01:23:35,920

whatever it is we're doing maybe Friday

1377

01:23:47,370 --> 01:23:45,390

yeah do that cuz I am I I'm self

1378

01:23:50,459 --> 01:23:47,380

isolating so I need someone to fill me

1379

01:23:52,620 --> 01:23:50,469

time you know yeah yeah well there's a
