

1
00:00:11,270 --> 00:00:03,740
here we are got two of whatever is the

2
00:00:17,689 --> 00:00:11,280
doing okay

3
00:00:21,200 --> 00:00:17,699
so Pat - hello hello hello everybody and

4
00:00:25,189 --> 00:00:21,210
though right so the littlest cuz there's

5
00:00:30,410 --> 00:00:25,199
so much do you have me too so much

6
00:00:34,580 --> 00:00:30,420
it's totally redid and we got to where

7
00:00:38,450 --> 00:00:34,590
you were twelve in your bed had the

8
00:00:41,200 --> 00:00:38,460
needle thing in you back right okay so

9
00:00:45,260 --> 00:00:41,210
that's where we've got to so the next

10
00:00:47,420 --> 00:00:45,270
thing is when you solve them I've

11
00:00:51,590 --> 00:00:47,430
actually got some images of this because

12
00:00:53,540 --> 00:00:51,600
village but our IP bill he actually did

13
00:00:55,700 --> 00:00:53,550

the out work did some at work didn't

14

00:00:57,680 --> 00:00:55,710

they sir yeah I'm not I found that not

15

00:01:03,439 --> 00:00:57,690

long ago so we can watch what that

16

00:01:12,010 --> 00:01:03,449

somehow I'll figure out which is up so

17

00:01:23,600 --> 00:01:18,859

alien think garden even know I don't

18

00:01:27,289 --> 00:01:23,610

even it won't add gun ain't gonna bait I

19

00:01:31,210 --> 00:01:27,299

ant and it kind of just come at me face

20

00:01:34,730 --> 00:01:31,220

one so it won't like I was twelve

21

00:01:38,240 --> 00:01:34,740

remember it from twelve it's later on in

22

00:01:43,789 --> 00:01:38,250

life and he just thought it was there

23

00:01:46,370 --> 00:01:43,799

and I was in the room in my room in a

24

00:01:47,990 --> 00:01:46,380

yeah it's just my grandma's I don't

25

00:01:49,280 --> 00:01:48,000

never told you before it's my grandma's

26

00:01:53,240 --> 00:01:49,290

old house is this

27

00:01:56,030 --> 00:01:53,250

so I've lived a year since or what on

28

00:01:57,770 --> 00:01:56,040

and off since I were six I lived a bit

29

00:02:01,789 --> 00:01:57,780

at my mom's but yeah but we're all on

30

00:02:04,760 --> 00:02:01,799

same street because norm worked

31

00:02:07,570 --> 00:02:04,770

full-time and we had to go somewhere

32

00:02:12,500 --> 00:02:07,580

basically so anywhere my grandma's and

33

00:02:13,350 --> 00:02:12,510

where I'm sat now was is the table that

34

00:02:16,830 --> 00:02:13,360

I've got now what

35

00:02:23,640 --> 00:02:16,840

the table that were there you know when

36

00:02:25,470 --> 00:02:23,650

there were 12 so that window there this

37

00:02:29,880 --> 00:02:25,480

is in the daytime that I'm remembering

38

00:02:31,680 --> 00:02:29,890

it I'm going to the window there and it

39

00:02:35,520 --> 00:02:31,690

were really hot it were really soon

40

00:02:37,200 --> 00:02:35,530

there and I know it sounds a bit so I

41

00:02:38,520 --> 00:02:37,210

come jump in but I'm nice because I

42

00:02:42,949 --> 00:02:38,530

can't remember little bits in between

43

00:02:49,460 --> 00:02:42,959

anywhere so there I am at the window and

44

00:02:52,350 --> 00:02:49,470

I sees three children in McCadden and

45

00:02:55,500 --> 00:02:52,360

like why why did the three kids like

46

00:02:59,310 --> 00:02:55,510

were like not neatly

47

00:03:02,250 --> 00:02:59,320

kneeling down and they all had what

48

00:03:06,390 --> 00:03:02,260

looked like the same saw a cart with a

49

00:03:09,000 --> 00:03:06,400

hoods up and because I pulled the

50

00:03:11,310 --> 00:03:09,010

curtain back and pulled the neck and

51
00:03:17,670 --> 00:03:11,320
back and a why what was it doing in the

52
00:03:20,729 --> 00:03:17,680
garden and when I'll kind of I kind of

53
00:03:22,830 --> 00:03:20,739
looking down like they see you know

54
00:03:25,080 --> 00:03:22,840
trying to get my mom to change you know

55
00:03:26,670 --> 00:03:25,090
my sisters are my grandma's because I

56
00:03:28,259 --> 00:03:26,680
know it would have Sunday because that's

57
00:03:35,520 --> 00:03:28,269
probably time when we all sat together

58
00:03:38,850 --> 00:03:35,530
it's a bill and it's like why is he all

59
00:03:42,660 --> 00:03:38,860
got that I remember being grandma having

60
00:03:44,490 --> 00:03:42,670
this core on a no she added shutting it

61
00:03:47,400 --> 00:03:44,500
for years it was a black and white dog

62
00:03:50,460 --> 00:03:47,410
check but it were big salt a dog check

63
00:03:55,740 --> 00:03:50,470

pattern and they had big black buttons

64

00:03:58,680 --> 00:03:55,750

and the left pocket I remember it was a

65

00:04:00,780 --> 00:03:58,690

big tonic knee you know and you put so

66

00:04:03,690 --> 00:04:00,790

much in your pocket oh every tears down

67

00:04:05,400 --> 00:04:03,700

at bottom and they stick to no come

68

00:04:06,870 --> 00:04:05,410

undone so they're a bit of a tear like

69

00:04:09,210 --> 00:04:06,880

that because they always do stuffing I

70

00:04:10,370 --> 00:04:09,220

wish me none had sir back oh you know

71

00:04:14,630 --> 00:04:10,380

what I mean

72

00:04:19,140 --> 00:04:14,640

okay this only this shot rounded collar

73

00:04:21,060 --> 00:04:19,150

and it will winter car bearing in mind

74

00:04:22,730 --> 00:04:21,070

it's for adults somewhere outside so

75

00:04:26,970 --> 00:04:22,740

nothing made sense

76

00:04:33,390 --> 00:04:26,980

my sister had like appalled

77

00:04:36,180 --> 00:04:33,400

neck really thick rigid Paula neck no it

78

00:04:38,550 --> 00:04:36,190

would like it to material because my mom

79

00:04:40,230 --> 00:04:38,560

bought me one at the same time and I

80

00:04:42,660 --> 00:04:40,240

remember dad buying it from Max and

81

00:04:44,130 --> 00:04:42,670

Spencer's because she always wanted to

82

00:04:46,350 --> 00:04:44,140

dresses like twins

83

00:04:51,180 --> 00:04:46,360

so I needed where there's and I won't

84

00:04:56,450 --> 00:04:51,190

wear Manx each anyway so she had this

85

00:05:00,180 --> 00:04:56,460

blue ribbed it was like speckles on it

86

00:05:04,470 --> 00:05:00,190

pink what I can't think of life what my

87

00:05:09,000 --> 00:05:04,480

mom Adam but I remember I had a thick

88

00:05:10,560 --> 00:05:09,010

jumper on as well and I had some like it

89

00:05:13,230 --> 00:05:10,570

wasn't a Nietzsche jumper but I had some

90

00:05:15,300 --> 00:05:13,240

like rusty colored cards were like

91

00:05:22,320 --> 00:05:15,310

fit-and-flare I wish I had them now

92

00:05:26,850 --> 00:05:22,330

because I regard to these cards anyway I

93

00:05:30,630 --> 00:05:26,860

forget the cards Fetzer their own thing

94

00:05:35,100 --> 00:05:30,640

chatting away between them and it kind

95

00:05:39,180 --> 00:05:35,110

of everything kind of it won't real it

96

00:05:42,080 --> 00:05:39,190

won't the atmosphere like it it will

97

00:05:47,460 --> 00:05:42,090

like have a looking through a pin a

98

00:05:50,000 --> 00:05:47,470

fuzzy glass if even I were looking at my

99

00:05:54,990 --> 00:05:50,010

mom and my grandma and my sister it were

100

00:06:00,660 --> 00:05:55,000

very full say well I could be like NOLA

101
00:06:03,420 --> 00:06:00,670
gram sort of that but when I looked

102
00:06:06,960 --> 00:06:03,430
outside everything were normal this

103
00:06:09,930 --> 00:06:06,970
reality star thing circuit looking at

104
00:06:11,760 --> 00:06:09,940
these well I thought with children in my

105
00:06:16,110 --> 00:06:11,770
garden and then I kept looking this way

106
00:06:17,910 --> 00:06:16,120
and it looked like when I was looking at

107
00:06:20,910 --> 00:06:17,920
her me look like the ad still were

108
00:06:23,580 --> 00:06:20,920
missing about with something that I

109
00:06:27,110 --> 00:06:23,590
couldn't see at that moment but I know

110
00:06:31,320 --> 00:06:27,120
that the were observing somewhere

111
00:06:33,210 --> 00:06:31,330
between them so I just couldn't work it

112
00:06:36,480 --> 00:06:33,220
out so I would try to get me mom's

113
00:06:38,580 --> 00:06:36,490

attention and I was saying mom mom come

114

00:06:43,189 --> 00:06:38,590

look at these kids ain't guardin my

115

00:06:49,679 --> 00:06:47,969

so where it will I ate and we're

116

00:06:53,010 --> 00:06:49,689

thinking right so I'm looking at window

117

00:06:56,249 --> 00:06:53,020

say monkeys kids and gathered and it

118

00:06:58,379 --> 00:06:56,259

like well is she coming and also I got

119

00:07:02,010 --> 00:06:58,389

back and they're still talking carrying

120

00:07:08,909 --> 00:07:02,020

on and what mom come and look at these

121

00:07:11,309 --> 00:07:08,919

and it like not nothing nothing not

122

00:07:15,540 --> 00:07:11,319

knowledge in May

123

00:07:17,969 --> 00:07:15,550

it were me that were on out and I was so

124

00:07:20,129 --> 00:07:17,979

late you know what I mean but the way

125

00:07:24,240 --> 00:07:20,139

that I were it worried like they didn't

126

00:07:25,350 --> 00:07:24,250

see me but I could see them like you

127

00:07:27,480 --> 00:07:25,360

know one of the mirrors that they

128

00:07:34,760 --> 00:07:27,490

haven't placed tuition where you think

129

00:07:37,320 --> 00:07:34,770

you know sort of thing and I would

130

00:07:40,709 --> 00:07:37,330

totally confused it went on for a few

131

00:07:42,689 --> 00:07:40,719

minutes looking at this and so in an and

132

00:07:44,519 --> 00:07:42,699

then I thought right well they're not

133

00:07:48,300 --> 00:07:44,529

gonna help me you know what I mean only

134

00:07:54,050 --> 00:07:48,310

way I can see what the doing is to go to

135

00:07:56,670 --> 00:07:54,060

the letterbox she's just saying and

136

00:08:02,159 --> 00:07:56,680

different dar now but the letterbox is

137

00:08:06,950 --> 00:08:02,169

now at the bottom where is it would

138

00:08:09,480 --> 00:08:06,960

kneel down open it up because I'm using

139

00:08:11,519 --> 00:08:09,490

well I'm used to do it are a little sad

140

00:08:14,010 --> 00:08:11,529

whenever younger and he was to kneel

141

00:08:28,200 --> 00:08:14,020

down open letter box and if anyone well

142

00:08:29,909 --> 00:08:28,210

asked her car a shout obscene the nails

143

00:08:34,680 --> 00:08:29,919

down nobody would pay attention

144

00:08:40,230 --> 00:08:34,690

whatsoever so you know weird so I open

145

00:08:45,230 --> 00:08:40,240

this letter box and what I saw was the

146

00:08:47,699 --> 00:08:45,240

most bizarre thing I'd ever seen

147

00:08:51,559 --> 00:08:47,709

sane you know what I mean I mean I see

148

00:08:53,720 --> 00:08:51,569

some bizarre [h__\h] going on but they just

149

00:08:57,710 --> 00:08:53,730

know this was going on

150

00:08:59,870 --> 00:08:57,720

yeah and and you buy the clothes that I

151
00:09:01,430 --> 00:08:59,880
were wearing because I remember wearing

152
00:09:05,390 --> 00:09:01,440
them when I were 12

153
00:09:12,550 --> 00:09:05,400
you know yeah I'm looking now and what I

154
00:09:15,130 --> 00:09:12,560
see straight away is the first thing was

155
00:09:19,790 --> 00:09:15,140
fingers fingers

156
00:09:22,970 --> 00:09:19,800
you know great long spindly burning

157
00:09:26,180 --> 00:09:22,980
knuckles and it like as if my eyes had

158
00:09:29,630 --> 00:09:26,190
zoomed in and I could say like I said

159
00:09:35,300 --> 00:09:29,640
before they the immaculate fingernails

160
00:09:37,130 --> 00:09:35,310
very sharp macula we failed so I will

161
00:09:39,140 --> 00:09:37,140
only have some reason I'm always drawn

162
00:09:43,930 --> 00:09:39,150
to these fingernails I don't know what

163
00:09:47,680 --> 00:09:43,940

it is whether it's a distraction or well

164

00:09:52,460 --> 00:09:47,690

then it's the fingers I say and then

165

00:09:59,320 --> 00:09:52,470

they Brown it looks like SE and sach rub

166

00:10:05,630 --> 00:09:59,330

I see in sock but a darker brown or a

167

00:10:11,950 --> 00:10:05,640

monk's have it yeah and the slate bell

168

00:10:16,120 --> 00:10:11,960

sleeves and there were three days

169

00:10:19,910 --> 00:10:16,130

kneeling down and then I noticed that

170

00:10:22,760 --> 00:10:19,920

they had like a gold rope around the

171

00:10:27,770 --> 00:10:22,770

center of em which were all knotted to

172

00:10:30,710 --> 00:10:27,780

the left side of them and so when was

173

00:10:33,620 --> 00:10:30,720

facing me the other two were like that

174

00:10:36,470 --> 00:10:33,630

so I could see all of them but I

175

00:10:41,240 --> 00:10:36,480

couldn't see the Pharisees and what as a

176
00:10:43,280 --> 00:10:41,250
Salem playing well it was a alpha deli a

177
00:10:49,100 --> 00:10:43,290
record player where you took the lid off

178
00:10:51,080 --> 00:10:49,110
and it were raid and so the I don't know

179
00:10:54,590 --> 00:10:51,090
where the lead work saved that bit but

180
00:10:58,010 --> 00:10:54,600
then I'm seeing that one of them has got

181
00:11:00,710 --> 00:10:58,020
the stylus and he's going my aunt

182
00:11:04,550 --> 00:11:00,720
pricking his finger with it then the

183
00:11:06,780 --> 00:11:04,560
other one as the plug and you know the

184
00:11:09,930 --> 00:11:06,790
prongs is

185
00:11:13,080 --> 00:11:09,940
looking at in traffic route and then the

186
00:11:20,580 --> 00:11:13,090
other one was it could have made music

187
00:11:25,680 --> 00:11:20,590
who were messing about which slit was it

188
00:11:28,220 --> 00:11:25,690

like if it is if I I saw some you buy a

189

00:11:33,270 --> 00:11:28,230

record play in the red one at that and

190

00:11:36,480 --> 00:11:33,280

then it I'm drowning like these fingers

191

00:11:41,760 --> 00:11:36,490

again and then I thought and then one of

192

00:11:44,550 --> 00:11:41,770

them puts a dope that's uh oh my god I

193

00:11:49,500 --> 00:11:44,560

felt sake I mean even I can even see it

194

00:11:53,510 --> 00:11:49,510

now there's it's the slow motion up

195

00:11:57,090 --> 00:11:53,520

looks directly at me the hood kind of

196

00:12:03,030 --> 00:11:57,100

comes down like this just kind of open

197

00:12:08,220 --> 00:12:03,040

billion in dummy and all i sees is the

198

00:12:11,010 --> 00:12:08,230

big guys now these were the tongue

199

00:12:16,850 --> 00:12:11,020

colored ones with a very wrinkly scheme

200

00:12:19,980 --> 00:12:16,860

I mean Chandler I'm gonna Tammy's got a

201
00:12:21,930 --> 00:12:19,990
it's got a kind of ready change to it so

202
00:12:25,260 --> 00:12:21,940
all right orange eating jar yellowy

203
00:12:29,880 --> 00:12:25,270
change but this is more of a Brownlee

204
00:12:33,840 --> 00:12:29,890
tinge if you know what I mean so I would

205
00:12:37,050 --> 00:12:33,850
just horrified absolutely horrified when

206
00:12:43,640 --> 00:12:37,060
I saw the face of this thing next minute

207
00:12:46,680 --> 00:12:43,650
um it goes boom boom boom and it's right

208
00:12:51,720 --> 00:12:46,690
when she's away from her face these eyes

209
00:12:56,040 --> 00:12:51,730
and a film I'm going with desert is a

210
00:13:00,030 --> 00:12:56,050
disease is it is a bump I'm gone that

211
00:13:02,430 --> 00:13:00,040
that's it that is it so I I have no idea

212
00:13:08,820 --> 00:13:02,440
what a hell that were all about the

213
00:13:13,200 --> 00:13:08,830

fidelity record player wasn't a record

214

00:13:16,230 --> 00:13:13,210

player no and then I don't even think I

215

00:13:19,320 --> 00:13:16,240

were actually in this environment

216

00:13:20,610 --> 00:13:19,330

no you look back at anything all that

217

00:13:22,350 --> 00:13:20,620

time I was you know

218

00:13:26,360 --> 00:13:22,360

can you ever in my grandma's house than

219

00:13:31,290 --> 00:13:26,370

anything I know why where did this

220

00:13:33,360 --> 00:13:31,300

pickup from and where was why would they

221

00:13:35,790 --> 00:13:33,370

ignoring me when I'm shouting am you

222

00:13:39,230 --> 00:13:35,800

know come on another look you know with

223

00:13:43,290 --> 00:13:39,240

these kids in garden and try and they

224

00:13:45,060 --> 00:13:43,300

the thing is it's like I could see them

225

00:13:47,850 --> 00:13:45,070

they couldn't see me but it were my like

226

00:13:54,120 --> 00:13:47,860

her looking back now it's my like a

227

00:13:56,550 --> 00:13:54,130

hologram effect but not as hologram yeah

228

00:13:59,610 --> 00:13:56,560

I know that other people have kind of

229

00:14:04,860 --> 00:13:59,620

had these weird insertions whatever they

230

00:14:09,360 --> 00:14:04,870

are Brett told him he he had one where

231

00:14:12,510 --> 00:14:09,370

it was he set out on Andrews had well

232

00:14:16,830 --> 00:14:12,520

where doctor is there but both of those

233

00:14:20,040 --> 00:14:16,840

that died so it was impossible yeah it

234

00:14:25,740 --> 00:14:20,050

was a real kind of situation but how

235

00:14:29,310 --> 00:14:25,750

they were interacting with like people

236

00:14:33,420 --> 00:14:29,320

of animals that are died yes it's not

237

00:14:36,450 --> 00:14:33,430

it's really hard to tell people that

238

00:14:38,040 --> 00:14:36,460

these things are not dreams and with and

239

00:14:43,980 --> 00:14:38,050

I understand why they think that they

240

00:14:46,860 --> 00:14:43,990

are dreams sleeping awake dreaming and

241

00:14:48,510 --> 00:14:46,870

not the difference it's not the

242

00:14:51,870 --> 00:14:48,520

difference I had to it's very rare that

243

00:14:54,020 --> 00:14:51,880

a dream nowadays but I do dream a lot

244

00:14:57,390 --> 00:14:54,030

when I've got a favor I don't know why

245

00:14:59,940 --> 00:14:57,400

but you know so I had to train me of an

246

00:15:03,050 --> 00:14:59,950

eye and I knew it when it woke up on me

247

00:15:06,510 --> 00:15:03,060

when I drain but when you have these

248

00:15:10,590 --> 00:15:06,520

they're not dreams not you just know

249

00:15:13,860 --> 00:15:10,600

they're not you know totally different

250

00:15:17,490 --> 00:15:13,870

things to wear that you feel you know

251

00:15:18,500 --> 00:15:17,500

how you can control stuff while you're

252

00:15:22,080 --> 00:15:18,510

in control

253

00:15:23,720 --> 00:15:22,090

hmm odd lucid dreams as well so know

254

00:15:29,340 --> 00:15:23,730

what they are and another difference

255

00:15:31,430 --> 00:15:29,350

yeah flying dreams but yeah you're aware

256

00:15:34,170 --> 00:15:31,440

that you're asleep and you're flying in

257

00:15:37,950 --> 00:15:34,180

that outer body kind of

258

00:15:39,900 --> 00:15:37,960

and then I thought oh my god I can't

259

00:15:42,840 --> 00:15:39,910

believe I don't woken up he's normally

260

00:15:46,260 --> 00:15:42,850

as soon as you realize you wake up yeah

261

00:15:58,140 --> 00:15:46,270

so but that's like being asleep and

262

00:16:03,150 --> 00:15:58,150

being away can you dream I know what are

263

00:16:05,790 --> 00:16:03,160

you just you know random one I remember

264

00:16:09,960 --> 00:16:05,800

walking down the corridor and it was

265

00:16:12,270 --> 00:16:09,970

like old Formica tables you know the

266

00:16:13,560 --> 00:16:12,280

panels they had two walls that were like

267

00:16:16,650 --> 00:16:13,570

that and they were joined together with

268

00:16:19,110 --> 00:16:16,660

a strip it was like that and it was how

269

00:16:20,070 --> 00:16:19,120

do yellow me and I just I don't know

270

00:16:23,100 --> 00:16:20,080

what made me do it

271

00:16:27,270 --> 00:16:23,110

I stuck my arms out and they went

272

00:16:30,350 --> 00:16:27,280

straight through the walls like real I

273

00:16:33,360 --> 00:16:30,360

felt the tingle go all over my body from

274

00:16:37,200 --> 00:16:33,370

my house into whatever it was that was

275

00:16:40,110 --> 00:16:37,210

creating this illusion mm-hmm you just

276

00:16:42,600 --> 00:16:40,120

find the ad to remember him and there's

277

00:16:50,040 --> 00:16:42,610

something different about these things

278

00:16:54,450 --> 00:16:50,050

but the sir random yeah yeah he is a so

279

00:16:56,070 --> 00:16:54,460

it's gonna be totally random and yeah I

280

00:17:00,660 --> 00:16:56,080

mean the things that have gone through

281

00:17:03,900 --> 00:17:00,670

an icon even him in now I couldn't even

282

00:17:06,930 --> 00:17:03,910

imagine that sort of [h__h] I've been

283

00:17:10,130 --> 00:17:06,940

making millions of pounds like in movies

284

00:17:11,490 --> 00:17:10,140

than that doing a Steven Spielberg no

285

00:17:19,650 --> 00:17:11,500

yeah

286

00:17:24,650 --> 00:17:19,660

so I ain't got my generation that's got

287

00:17:29,190 --> 00:17:24,660

[Laughter]

288

00:17:33,270 --> 00:17:29,200

so you had three kind of town wrinkly

289

00:17:38,510 --> 00:17:33,280

aliens wearing brown robes and their

290

00:17:42,120 --> 00:17:38,520

that golden card yes I did yeah yes I

291

00:17:44,310 --> 00:17:42,130

can't remember why I remembering confu

292

00:17:48,360 --> 00:17:44,320

we always up to tie us actually left

293

00:17:57,269 --> 00:17:48,370

yeah and I forgot where that is

294

00:17:57,600 --> 00:17:57,279

but I have to just Google God so let's

295

00:18:01,820 --> 00:17:57,610

do it

296

00:18:05,039 --> 00:18:01,830

it's gonna be stupid energy you know

297

00:18:18,990 --> 00:18:05,049

just has to because so confuse about

298

00:18:22,260 --> 00:18:19,000

energy that's interesting yeah right so

299

00:18:27,120 --> 00:18:22,270

then after that one who skipped forward

300

00:18:30,470 --> 00:18:27,130

to your 19 age 19 and the rugby ball oh

301

00:18:34,169 --> 00:18:30,480

right okay I actually want to say that

302

00:18:36,060 --> 00:18:34,179

you've just told ya see only through the

303

00:18:38,779 --> 00:18:36,070

light box you were 12 when it happened

304

00:18:42,269 --> 00:18:38,789

but you were 25 when you remembered it

305

00:18:42,899 --> 00:18:42,279

something like that yeah it's somewhat

306

00:18:49,350 --> 00:18:42,909

like that

307

00:19:01,549 --> 00:18:49,360

I know it will lay it wrong yeah so I'm

308

00:19:17,269 --> 00:19:04,769

remember them at the exact time it

309

00:19:24,029 --> 00:19:17,279

happened I remember him being slapped

310

00:19:29,940 --> 00:19:24,039

yeah it's just all of these [h__h]

311

00:19:33,269 --> 00:19:29,950

weird innit never gonna know why yeah

312

00:19:41,779 --> 00:19:33,279

sure well it is probably unknowable and

313

00:19:49,440 --> 00:19:45,990

disclosure a popular thing what if we

314

00:19:51,060 --> 00:19:49,450

all acknowledge everything then because

315

00:19:52,760 --> 00:19:51,070

I've obviously been terrified in this

316

00:19:56,490 --> 00:19:52,770

care that bejesus out of me

317

00:20:01,560 --> 00:19:56,500

hey it's like open season then she don't

318

00:20:04,080 --> 00:20:01,570

mean the all bets are off the whole

319

00:20:05,610 --> 00:20:04,090

the interacting doing whatever and it

320

00:20:07,740 --> 00:20:05,620

easily belieber like it is on Star Trek

321

00:20:09,990 --> 00:20:07,750

when everybody said like and where and

322

00:20:13,110 --> 00:20:10,000

they all look nice you know yeah it's

323

00:20:17,820 --> 00:20:13,120

not going to be like that everyone's

324

00:20:21,060 --> 00:20:17,830

panicking now about the coronavirus in

325

00:20:25,560 --> 00:20:21,070

rupp gym if it was aliens were talking

326

00:20:38,730 --> 00:20:25,570

about a book you know no I'm not an

327

00:20:40,530 --> 00:20:38,740

advocate of full disclosure at all if

328

00:20:42,240 --> 00:20:40,540

you can till the toilet roll you're not

329

00:20:46,100 --> 00:20:42,250

gonna handle a little gray stored in

330

00:20:55,590 --> 00:20:46,110

your [h__h] bathroom yeah see we all

331

00:21:01,440 --> 00:20:55,600

because we've all seen you know we know

332

00:21:03,240 --> 00:21:01,450

and it is like it's shocking even if you

333

00:21:04,620 --> 00:21:03,250

believe it we fall I can't believe

334

00:21:07,230 --> 00:21:04,630

didn't [h__h] because I think some it were

335

00:21:09,630 --> 00:21:07,240

my mom when I was like 12 so then it

336

00:21:14,010 --> 00:21:09,640

comes to 1997 so it's so close enough

337

00:21:21,890 --> 00:21:14,020

like Little Italy nostrils so it's not

338

00:21:32,580 --> 00:21:27,810

everything you know is ruptured yes is

339

00:21:35,120 --> 00:21:32,590

the biggest secret ever yeah and I don't

340

00:21:38,340 --> 00:21:35,130

believe it's all I was I don't know

341

00:21:41,940 --> 00:21:38,350

Bobby my brain goes you don't know that

342

00:21:43,800 --> 00:21:41,950

and you know the intellect says you

343

00:21:55,890 --> 00:21:43,810

don't know these things that nobody

344

00:21:57,900 --> 00:21:55,900

think I don't know what I have sense of

345

00:22:00,240 --> 00:21:57,910

the fact that I actually believe it's

346

00:22:04,740 --> 00:22:00,250

real I've tried to sit on the fence and

347

00:22:06,240 --> 00:22:04,750

I've tried to extract yourself from the

348

00:22:09,320 --> 00:22:06,250

moments but I think that's patently

349

00:22:12,800 --> 00:22:09,330

trying to manage a charmer of it is wear

350

00:22:14,770 --> 00:22:12,810

yourself out of it but you can aside

351

00:22:18,570 --> 00:22:14,780

times on Facebook

352

00:22:22,720 --> 00:22:18,580

but I'm not talking about it anymore and

353

00:22:27,340 --> 00:22:22,730

there we go a few times but it's just

354

00:22:29,350 --> 00:22:27,350

time because the body's alive with it no

355

00:22:31,540 --> 00:22:29,360

matter what my brain tries to

356

00:22:34,810 --> 00:22:31,550

intellectualize my whole body is alive

357

00:22:37,300 --> 00:22:34,820

with it and you know I like to hide

358

00:22:40,390 --> 00:22:37,310

behind I don't know I like to hide

359

00:22:45,190 --> 00:22:40,400

behind I'm just tracing I don't like to

360

00:22:50,680 --> 00:22:45,200

think so real because that makes me yeah

361

00:22:58,300 --> 00:22:50,690

I it's just just a constant argument

362

00:23:08,260 --> 00:22:58,310

with myself versus the body shock

363

00:23:12,370 --> 00:23:08,270

remembering and I don't and even if it's

364

00:23:15,910 --> 00:23:12,380

not like aliens or whatever I want to

365

00:23:24,220 --> 00:23:15,920

know if it's people pretending to be

366

00:23:26,650 --> 00:23:24,230

aliens I want to know how does the

367

00:23:39,040 --> 00:23:26,660

Galleon if it's people pretending to be

368

00:23:41,410 --> 00:23:39,050

aliens out masquerade I think part of it

369

00:23:45,460 --> 00:23:41,420

is the masquerade but when you've like

370

00:23:48,100 --> 00:23:45,470

had contact they want to know what kind

371

00:23:51,340 --> 00:23:48,110

of contacts they want to know everything

372

00:23:53,500 --> 00:23:51,350

about what you've seen felt means you

373

00:23:56,230 --> 00:23:53,510

had done to you and I think that's what

374

00:23:58,330 --> 00:23:56,240

they will color my laps but I don't know

375

00:24:00,310 --> 00:23:58,340

if it is the military the way uniform

376

00:24:04,540 --> 00:24:00,320

let's just put it that way if they

377

00:24:19,590 --> 00:24:04,550

column yeah what is it what they call it

378

00:24:19,600 --> 00:24:31,570

[Laughter]

379

00:24:37,310 --> 00:24:34,419

some Romanick in this venereum curler

380

00:24:39,080 --> 00:24:37,320

were like something about doing a

381

00:24:42,259 --> 00:24:39,090

festival in Nadine borough and like a

382

00:24:44,869 --> 00:24:42,269

UFO festival and the money from

383

00:24:47,629 --> 00:24:44,879

coca-cola sponsoring and blah blah blah

384

00:24:51,139 --> 00:24:47,639

and the a Stanford get three thousand

385

00:24:57,710 --> 00:24:51,149

bombs on seats I don't even get three

386

00:25:00,259 --> 00:24:57,720

hundred so anyway it was gonna be this

387

00:25:03,289 --> 00:25:00,269

huge symposium thing loads of [h__\h]

388

00:25:05,239 --> 00:25:03,299

loads of [h__h] and then one day when

389

00:25:07,700 --> 00:25:05,249

I was talking to them there was an

390

00:25:13,070 --> 00:25:07,710

interruption and our do the alien who

391

00:25:14,470 --> 00:25:13,080

talked to she and said that the whole

392

00:25:18,019 --> 00:25:14,480

thing was going to be such a success

393

00:25:20,899 --> 00:25:18,029

that they were going to show up for

394

00:25:22,700 --> 00:25:20,909

starting with sound like this is gonna

395

00:25:25,210 --> 00:25:22,710

be they want it like weekly streamer

396

00:25:27,499 --> 00:25:25,220

Travis Wall and you know everybody

397

00:25:30,889 --> 00:25:27,509

everyone there but they were going to

398

00:25:33,710 --> 00:25:30,899

turn up for Sam by so this is like

399

00:25:36,950 --> 00:25:33,720

Wednesday afternoon in a nurse but like

400

00:25:39,139 --> 00:25:36,960

midweek weekday and oh yeah and I'm

401
00:25:41,060 --> 00:25:39,149
talking to an alien Oh silly me

402
00:25:45,889 --> 00:25:41,070
this conference is could it be boss

403
00:25:49,460 --> 00:25:45,899
laughs and and it was like a really

404
00:25:52,159 --> 00:25:49,470
metallic voice Audrey the alien and then

405
00:25:56,060 --> 00:25:52,169
I sent it today but dave was like that's

406
00:26:04,090 --> 00:25:56,070
actually a software that's called Audrey

407
00:26:12,950 --> 00:26:08,419
and the conference never one had oh yeah

408
00:26:16,479 --> 00:26:12,960
spinning loser loads of [h__h] totally and

409
00:26:19,789 --> 00:26:16,489
then I just said this is actually did a

410
00:26:26,810 --> 00:26:19,799
little Facebook post saying this is all

411
00:26:29,450 --> 00:26:26,820
bollocks all of it you know I just put

412
00:26:35,200 --> 00:26:29,460
it down run away Jesus Christ

413
00:26:38,000 --> 00:26:35,210

frogs now you know to pounce doesn't

414

00:26:48,100 --> 00:26:38,010

look tonight they have

415

00:27:26,539 --> 00:27:00,320

yeah yeah well it's all true the alien

416

00:27:35,090 --> 00:27:26,549

decide you don't need to make it up well

417

00:27:46,610 --> 00:27:35,100

you do just so is this where we got onto

418

00:27:49,750 --> 00:27:46,620

the flame thing look so yes I'm away cuz

419

00:28:03,889 --> 00:27:55,399

this is real time so I'm age 19 and this

420

00:28:07,240 --> 00:28:03,899

is me mum's right or wrong I must have

421

00:28:10,279 --> 00:28:07,250

been because it cafe au lived next door

422

00:28:15,980 --> 00:28:10,289

bros for me and then you say yeah

423

00:28:18,409 --> 00:28:15,990

just go anyway um Kathy you lift next

424

00:28:20,480 --> 00:28:18,419

star she wouldn't have been able to see

425

00:28:22,279 --> 00:28:20,490

here this says I don't why will it be

426

00:28:24,490 --> 00:28:22,289

moms she might have gone uh no idea now

427

00:28:28,539 --> 00:28:24,500

we're looking after house somewhere and

428

00:28:37,850 --> 00:28:35,360

but next morning cafe was stood next

429

00:28:41,840 --> 00:28:37,860

door in her garden and she calls me over

430

00:28:44,210 --> 00:28:41,850

come here quick so another and I said

431

00:28:46,519 --> 00:28:44,220

what's up she says I saw something right

432

00:28:50,480 --> 00:28:46,529

we had last night I said well what did

433

00:28:51,980 --> 00:28:50,490

you say she says well what worries at

434

00:28:54,500 --> 00:28:51,990

first you sure whatever she said

435

00:28:56,480 --> 00:28:54,510

but a like one o'clock in morning she

436

00:28:58,580 --> 00:28:56,490

always had the outside cigarette before

437

00:29:02,390 --> 00:28:58,590

she went to bed and it was about 1

438

00:29:05,510 --> 00:29:02,400

o'clock in morning and so a clear sky in

439

00:29:12,140 --> 00:29:05,520

that and then she sees like dropping

440

00:29:15,410 --> 00:29:12,150

down this like rugby ball [h__h] and it

441

00:29:20,390 --> 00:29:15,420

said it was like a dull silver sort of

442

00:29:24,140 --> 00:29:20,400

color yes and the way that we're getting

443

00:29:27,650 --> 00:29:24,150

closer to over my house

444

00:29:30,230 --> 00:29:27,660

dropping down it were making that rugby

445

00:29:33,140 --> 00:29:30,240

bear rugby ball saw a Martian you know

446

00:29:37,160 --> 00:29:33,150

you know when you kicking it makes that

447

00:29:40,610 --> 00:29:37,170

light Ruby Paul Marsh and that's why I

448

00:29:43,340 --> 00:29:40,620

say it's a rugby ball no yeah and

449

00:29:49,610 --> 00:29:43,350

there's it drops it then drops on at the

450

00:29:51,380 --> 00:29:49,620

roof and my roof and slowly goes down

451
00:29:54,080 --> 00:29:51,390
like that

452
00:30:01,190 --> 00:29:54,090
she said well wha it will as wide as a

453
00:30:04,850 --> 00:30:01,200
person would then so relate to be that

454
00:30:10,700 --> 00:30:04,860
wide it's going to that Lane the person

455
00:30:13,220 --> 00:30:10,710
it would pretty wide as well to make it

456
00:30:15,230 --> 00:30:13,230
look like the rugby ball ship because if

457
00:30:18,440 --> 00:30:15,240
it was wide as a person as long as a

458
00:30:22,820 --> 00:30:18,450
person it would be slim 1:8 but it

459
00:30:26,290 --> 00:30:22,830
wasn't so obviously woo anyway so it's

460
00:30:30,620 --> 00:30:26,300
drop it's really going that really slow

461
00:30:34,970 --> 00:30:30,630
down Maroof and it gets to where the

462
00:30:38,120 --> 00:30:34,980
good to race and it kind of kind of

463
00:30:41,240 --> 00:30:38,130

rolls up and then starts dropping down

464

00:30:47,299 --> 00:30:41,250

again but it's really slow until it gets

465

00:30:50,000 --> 00:30:47,309

to outside my bedroom window and it kind

466

00:30:52,430 --> 00:30:50,010

of just I don't know I really honestly

467

00:30:55,580 --> 00:30:52,440

can't remember whether she said she

468

00:30:58,760 --> 00:30:55,590

can't remember what happened oh it went

469

00:31:02,030 --> 00:30:58,770

straight up I really can't remember that

470

00:31:03,799 --> 00:31:02,040

bit so that without really so I don't

471

00:31:05,460 --> 00:31:03,809

know she said they did stay there for a

472

00:31:07,320 --> 00:31:05,470

few say

473

00:31:10,890 --> 00:31:07,330

because she couldn't take her eyes off

474

00:31:13,950 --> 00:31:10,900

her she was that overwhelmed with what

475

00:31:15,659 --> 00:31:13,960

she was saying it would you know I mean

476
00:31:18,570 --> 00:31:15,669
so I really don't know whether she said

477
00:31:19,890 --> 00:31:18,580
it did go straight back up she can't

478
00:31:23,700 --> 00:31:19,900
remember I can't remember what she said

479
00:31:29,610 --> 00:31:23,710
after that yes well I have a

480
00:31:32,450 --> 00:31:29,620
recollection of we like Quinto all sorts

481
00:31:36,140 --> 00:31:32,460
of activity going on around me to my

482
00:31:37,380 --> 00:31:36,150
left at the back there were three Grey's

483
00:31:41,669 --> 00:31:37,390
panel

484
00:31:45,690 --> 00:31:41,679
out like I don't know why I don't it but

485
00:31:49,560 --> 00:31:45,700
they were all on it yeah I was stood in

486
00:31:55,080 --> 00:31:49,570
front of this thing that was this shirt

487
00:31:58,020 --> 00:31:55,090
right yeah and it was gray like silvery

488
00:32:02,909 --> 00:31:58,030

gray it was like shark skin it was a

489

00:32:05,250 --> 00:32:02,919

life I knew it was alive Wade didn't

490

00:32:08,880 --> 00:32:05,260

have a face there was nothing you know

491

00:32:12,539 --> 00:32:08,890

like not even where it might open up but

492

00:32:14,850 --> 00:32:12,549

I know they opens up and you when I was

493

00:32:19,980 --> 00:32:14,860

studying front of it that was for me but

494

00:32:26,610 --> 00:32:19,990

I was to get in that yeah yeah oh no

495

00:32:28,560 --> 00:32:26,620

right I don't know just in my head

496

00:32:30,899 --> 00:32:28,570

it's like a clown but I can't say that I

497

00:32:34,350 --> 00:32:30,909

remember seeing that opening or anything

498

00:32:37,140 --> 00:32:34,360

but you know like I know that was like

499

00:32:44,370 --> 00:32:37,150

weird out of sharks game and it was

500

00:32:46,140 --> 00:32:44,380

alive and I was in fact was moving in

501
00:32:49,860 --> 00:32:46,150
spinning that would look like a rugby

502
00:32:52,140 --> 00:32:49,870
ball shirt as well we met yeah when you

503
00:32:58,020 --> 00:32:52,150
sort of it's not quite [h__\h] because

504
00:33:00,060 --> 00:32:58,030
it was more like slightly more a little

505
00:33:05,100 --> 00:33:00,070
bit flat on the top and then down and

506
00:33:10,409 --> 00:33:05,110
then yeah but it was right there yeah I

507
00:33:13,560 --> 00:33:10,419
mean it would eat well over other side

508
00:33:15,180 --> 00:33:13,570
it's tree so I don't know whether she's

509
00:33:16,770 --> 00:33:15,190
just said it's a rugby ball shape it

510
00:33:19,799 --> 00:33:16,780
could have had a flat top a flat bottom

511
00:33:22,320 --> 00:33:19,809
and been squashed area but

512
00:33:24,419 --> 00:33:22,330
what she's saying is what I'm just

513
00:33:25,349 --> 00:33:24,429

repeating and it stops outside my

514

00:33:27,209 --> 00:33:25,359

bedroom window

515

00:33:30,200 --> 00:33:27,219

that's a would it picking me up would it

516

00:33:32,549 --> 00:33:30,210

dropping me off would it just doing no

517

00:33:41,219 --> 00:33:32,559

survey a little smart you know

518

00:33:43,950 --> 00:33:41,229

yeah well yeah just makes me wonder if

519

00:33:50,450 --> 00:33:43,960

that's part of how we get shuttled

520

00:33:54,079 --> 00:33:50,460

around literally yeah nothing happened I

521

00:33:57,629 --> 00:33:54,089

mean even now it's just crazy even

522

00:34:01,950 --> 00:33:57,639

sometimes my brain just starts to do all

523

00:34:03,119 --> 00:34:01,960

its own little speculations like so at

524

00:34:07,159 --> 00:34:03,129

what point does it stop

525

00:34:10,769 --> 00:34:07,169

and do I just do I stand up and get hit

526

00:34:27,859 --> 00:34:10,779

yeah how the hell does any of it

527

00:34:47,669 --> 00:34:45,629

billion questions good because this is

528

00:34:48,960 --> 00:34:47,679

why we do be in this anyway apparently

529

00:35:01,740 --> 00:34:48,970

why I'm doing it

530

00:35:03,960 --> 00:35:01,750

it's justice yeah well we need people

531

00:35:06,510 --> 00:35:03,970

use to talk about reptilians and Vanya's

532

00:35:09,299 --> 00:35:06,520

to think yeah right people needs to talk

533

00:35:12,059 --> 00:35:09,309

about but you know Bigfoot a nine years

534

00:35:14,789 --> 00:35:12,069

ago yeah right and then when I look at

535

00:35:16,620 --> 00:35:14,799

myself and I think it's me talk about

536

00:35:22,609 --> 00:35:16,630

[h__\h] aliens

537

00:35:30,390 --> 00:35:27,890

yeah we know we know how we sound

538

00:35:33,300 --> 00:35:30,400

there's other people out there look at

539

00:35:35,190 --> 00:35:33,310

what happened when we met you know

540

00:35:38,400 --> 00:35:35,200

like oh my god I was going to I was in

541

00:35:41,070 --> 00:35:38,410

hell I was it I was in hell grants come

542

00:35:43,230 --> 00:35:41,080

in interfering with my family and then

543

00:35:50,580 --> 00:35:43,240

you tender who knew that all that and

544

00:35:53,810 --> 00:35:50,590

then we've really out to each other we

545

00:35:57,090 --> 00:35:53,820

have definitely definite way

546

00:35:59,270 --> 00:35:57,100

cuz you question your song son let's say

547

00:36:04,980 --> 00:35:59,280

every single second of every single day

548

00:36:07,620 --> 00:36:04,990

yeah it's just it's oscillation I am

549

00:36:10,160 --> 00:36:07,630

questioning me Sunday but a good

550

00:36:12,990 --> 00:36:10,170

question my son a mass times and I have

551
00:36:15,030 --> 00:36:13,000
made myself in front of so many doctors

552
00:36:17,130 --> 00:36:15,040
and I just phone you're not mad you

553
00:36:20,220 --> 00:36:17,140
ought to be working in this profession

554
00:36:22,530 --> 00:36:20,230
he will you know I mean I put myself in

555
00:36:24,090 --> 00:36:22,540
the hospital because just so I'm a crazy

556
00:36:26,580 --> 00:36:24,100
person there must be a mess because kids

557
00:36:28,470 --> 00:36:26,590
are funny class something and you know

558
00:36:34,170 --> 00:36:28,480
I'm seeing things hearing things

559
00:36:37,470 --> 00:36:34,180
yeah I'm really lost lost me yeah lost

560
00:36:40,140 --> 00:36:37,480
me job people and nearly lost my job

561
00:36:45,720 --> 00:36:40,150
because of the interview

562
00:36:48,840 --> 00:36:45,730
yeah with the place or work for cuz you

563
00:36:50,790 --> 00:36:48,850

put Exopolitics ISM interest on your

564

00:36:56,430 --> 00:36:50,800

hobbies in the interest just XO politics

565

00:36:58,380 --> 00:36:56,440

not I'm Bailey is basically when you go

566

00:37:01,800 --> 00:36:58,390

to an interview you gonna tell her to

567

00:37:04,410 --> 00:37:01,810

shy anywhere just to get that job but

568

00:37:06,810 --> 00:37:04,420

you know I'm being truthful I'm sick of

569

00:37:15,570 --> 00:37:06,820

saying no yeah go up late sandy so yeah

570

00:37:17,310 --> 00:37:15,580

go at James yeah and I was sick all

571

00:37:19,650 --> 00:37:17,320

[h__h] me we're through wait suffer

572

00:37:22,950 --> 00:37:19,660

you know what a ghost of this interview

573

00:37:24,090 --> 00:37:22,960

but it's within the company that worked

574

00:37:27,630 --> 00:37:24,100

for because it's all different

575

00:37:31,830 --> 00:37:27,640

departments girls to this interview and

576
00:37:34,590 --> 00:37:31,840
you know say what I do and obvious and

577
00:37:38,480 --> 00:37:34,600
interests and one of my interests the

578
00:37:44,370 --> 00:37:38,490
first time ever when I said Exopolitics

579
00:37:46,480 --> 00:37:44,380
well this panel three alike the mused

580
00:37:48,790 --> 00:37:46,490
what the hell's that

581
00:37:50,950 --> 00:37:48,800
so I had to go into detail of what it

582
00:37:54,160 --> 00:37:50,960
was you know studying life and of the

583
00:37:59,890 --> 00:37:54,170
planets are you know what I mean any

584
00:38:02,500 --> 00:37:59,900
possibilities there there there so by

585
00:38:04,210 --> 00:38:02,510
the end of the interview I don't even

586
00:38:08,109 --> 00:38:04,220
think we finished interview because they

587
00:38:09,430 --> 00:38:08,119
were more interested in what why I think

588
00:38:13,690 --> 00:38:09,440

lattice and what I were going through

589

00:38:17,079 --> 00:38:13,700

you know so I guess back to work

590

00:38:22,780 --> 00:38:17,089

a weekly or I gets a phone call off my

591

00:38:24,940 --> 00:38:22,790

boss can have a word with you commits

592

00:38:27,520 --> 00:38:24,950

some of some reason and you what were

593

00:38:31,800 --> 00:38:27,530

going to be saved yes I just knew you

594

00:38:35,290 --> 00:38:31,810

and you what we're going to happen and

595

00:38:38,470 --> 00:38:35,300

yet all week I'm playing on my mind and

596

00:38:42,490 --> 00:38:38,480

I just come out of that interview dummy

597

00:38:44,290 --> 00:38:42,500

on saying I'm bothered about a role so

598

00:38:46,450 --> 00:38:44,300

yeah it gets his phone call can you come

599

00:38:48,520 --> 00:38:46,460

in when he finished he work on us say

600

00:38:49,240 --> 00:38:48,530

yes girls in us I don't know what it's

601
00:38:51,760 --> 00:38:49,250
about

602
00:38:57,430 --> 00:38:51,770
and she says what I say it so I told her

603
00:39:04,839 --> 00:38:57,440
about the interview and she went it said

604
00:39:09,520 --> 00:39:04,849
that you know God what words health

605
00:39:11,200 --> 00:39:09,530
problems we concerned that one of you

606
00:39:17,109 --> 00:39:11,210
staff all came for an interview blah

607
00:39:18,880 --> 00:39:17,119
blah blah and health problems didn't

608
00:39:21,640 --> 00:39:18,890
think that you were fit to do the job

609
00:39:22,839 --> 00:39:21,650
that you were doing I've been doing for

610
00:39:29,310 --> 00:39:22,849
ten years

611
00:39:32,950 --> 00:39:29,320
look away I add I have a boss the

612
00:39:35,230 --> 00:39:32,960
appreciates the worker do and has no

613
00:39:38,170 --> 00:39:35,240

problem with me whatsoever and to the

614

00:39:42,720 --> 00:39:38,180

point as Lou she told the interview

615

00:39:45,130 --> 00:39:42,730

panel what she's exactly thought of them

616

00:39:48,430 --> 00:39:45,140

you know if this had have been any of

617

00:39:53,020 --> 00:39:48,440

the boss that wasn't like mine

618

00:39:54,579 --> 00:39:53,030

oh she she refreshed me and didn't show

619

00:39:57,940 --> 00:39:54,589

so they nice

620

00:40:00,290 --> 00:39:57,950

I think face yeah well said I want it's

621

00:40:05,930 --> 00:40:00,300

at this further

622

00:40:07,400 --> 00:40:05,940

happy now padam what do you say love you

623

00:40:12,440 --> 00:40:07,410

should have sued them it's always a harm

624

00:40:17,780 --> 00:40:12,450

you you to be a traffic warden and ask

625

00:40:22,040 --> 00:40:17,790

to the Soudan but anyway um but sure I

626

00:40:26,450 --> 00:40:22,050

said I wanted to his fares there so like

627

00:40:27,920 --> 00:40:26,460

first week it got cancelled and then

628

00:40:33,920 --> 00:40:27,930

second when I come

629

00:40:36,080 --> 00:40:33,930

they only one of them turned up and it's

630

00:40:38,830 --> 00:40:36,090

aware of the toe what little chicken

631

00:40:44,030 --> 00:40:38,840

[h__h] to face my cousin what they're done

632

00:40:48,020 --> 00:40:44,040

so I sat was about eight people in an

633

00:40:54,710 --> 00:40:48,030

office with this one of these people are

634

00:41:00,290 --> 00:40:54,720

interviewed man and and he's what the

635

00:41:04,460 --> 00:41:00,300

Karla where the technology and and and

636

00:41:09,560 --> 00:41:04,470

our stuff yeah and basically and I said

637

00:41:14,180 --> 00:41:09,570

I want to know why one of you run my

638

00:41:16,370 --> 00:41:14,190

boss and said that that I'm incapable of

639

00:41:19,310 --> 00:41:16,380

doing my job that you don't even know

640

00:41:22,880 --> 00:41:19,320

what my job entails but I'm incapable of

641

00:41:26,150 --> 00:41:22,890

doing it why you said you think I've got

642

00:41:28,880 --> 00:41:26,160

mental health problems so therefore I'm

643

00:41:34,190 --> 00:41:28,890

not capable of doing my job only when

644

00:41:36,800 --> 00:41:34,200

well you talked about it's another so my

645

00:41:37,430 --> 00:41:36,810

boss who sat next to me has got around

646

00:41:40,460 --> 00:41:37,440

on me

647

00:41:43,670 --> 00:41:40,470

I mean II you know what I mean she's

648

00:41:45,590 --> 00:41:43,680

okay you know it's a female I calm down

649

00:41:48,890 --> 00:41:45,600

because every time I realize move I'd

650

00:41:52,430 --> 00:41:48,900

like hand down basically so I said I

651
00:41:58,340 --> 00:41:52,440
want an apology so I said you were

652
00:42:00,590 --> 00:41:58,350
expecting my boss to side we owe us as

653
00:42:03,250 --> 00:42:00,600
well pissed on your bonfire because she

654
00:42:07,640 --> 00:42:03,260
sided with me assistant as a boss you

655
00:42:11,690 --> 00:42:07,650
should have more of an open mind as I

656
00:42:13,410 --> 00:42:11,700
said to him I says it's a Muslim guys no

657
00:42:15,300 --> 00:42:13,420
against Muslims and

658
00:42:18,030 --> 00:42:15,310
no thence Christians be whatever you

659
00:42:21,450 --> 00:42:18,040
want to be I says but as a person I said

660
00:42:26,190 --> 00:42:21,460
you'll believe in God he said yeah so I

661
00:42:28,140 --> 00:42:26,200
says what I've got nothing against your

662
00:42:29,490 --> 00:42:28,150
billon even in God's acid so what makes

663
00:42:33,780 --> 00:42:29,500

you think I've got mental health

664

00:42:36,870 --> 00:42:33,790

problems because I see aliens so you

665

00:42:38,640 --> 00:42:36,880

know how can you judge me when you are

666

00:42:44,610 --> 00:42:38,650

sat there praying as someone that young

667

00:42:46,290 --> 00:42:44,620

even sane you know okay so it didn't

668

00:42:49,380 --> 00:42:46,300

want to say I said all I want is an

669

00:42:51,480 --> 00:42:49,390

apology and he won Goldie's way out of

670

00:42:52,050 --> 00:42:51,490

it now of it and out of it until he said

671

00:42:57,480 --> 00:42:52,060

I'm sorry

672

00:43:00,210 --> 00:42:57,490

so I said okay yeah yeah I said I can't

673

00:43:08,160 --> 00:43:00,220

hear ya and my boss kind of trap me on

674

00:43:11,370 --> 00:43:08,170

me as if say give oh I'm sorry for what

675

00:43:13,740 --> 00:43:11,380

a day tell what will you do whereas that

676

00:43:16,170 --> 00:43:13,750

were ended that sausage you know well in

677

00:43:18,840 --> 00:43:16,180

end of it that's enough okay so I'll

678

00:43:22,140 --> 00:43:18,850

just kind of push there the rest of the

679

00:43:23,730 --> 00:43:22,150

parts out well maybe followed me and she

680

00:43:26,100 --> 00:43:23,740

said well Paul you did really really

681

00:43:28,380 --> 00:43:26,110

well in there she's I'm surprised she

682

00:43:32,460 --> 00:43:28,390

kept you cold that that long you know

683

00:43:35,310 --> 00:43:32,470

that she said I'm on your side and you

684

00:43:37,790 --> 00:43:35,320

do a brilliant job so that were that

685

00:43:40,350 --> 00:43:37,800

yeah I should the suit ass off them bet

686

00:43:42,810 --> 00:43:40,360

and you know why I know that there were

687

00:43:47,280 --> 00:43:42,820

culpable or something because they

688

00:43:50,190 --> 00:43:47,290

removed that question from the from any

689

00:43:52,200 --> 00:43:50,200

farms in applications for jobs with a

690

00:43:58,170 --> 00:43:52,210

second outlet what are your hobbies and

691

00:44:01,110 --> 00:43:58,180

interests using messed up yeah it's like

692

00:44:04,650 --> 00:44:01,120

one day is well when we have to do every

693

00:44:09,060 --> 00:44:04,660

year we have to do these health and

694

00:44:12,300 --> 00:44:09,070

safety like manual under lane and child

695

00:44:15,150 --> 00:44:12,310

protection and all these classes though

696

00:44:19,710 --> 00:44:15,160

first aid and all these classes that we

697

00:44:25,710 --> 00:44:19,720

have to do and we need to get this piece

698

00:44:26,460 --> 00:44:25,720

of paper and it said how did your I'll

699

00:44:30,390 --> 00:44:26,470

do

700

00:44:33,180 --> 00:44:30,400

your trend training person is it

701

00:44:36,839 --> 00:44:33,190

training I'll try no ever it was just

702

00:44:40,049 --> 00:44:36,849

you know I mean sir it gave you like one

703

00:44:42,900 --> 00:44:40,059

of five on a scarlet one a five did he

704

00:44:43,859 --> 00:44:42,910

teach you good or did you understand

705

00:44:46,380 --> 00:44:43,869

what it was saying

706

00:44:49,859 --> 00:44:46,390

so everyone were put in five because

707

00:44:53,250 --> 00:44:49,869

every time we go I will work shape back

708

00:44:55,260 --> 00:44:53,260

even though we do make alright it were

709

00:44:59,099 --> 00:44:55,270

never good enough you creditor as afar

710

00:45:01,920 --> 00:44:59,109

because II said that these are I said

711

00:45:04,829 --> 00:45:01,930

why if he graded his all were afar when

712

00:45:07,650 --> 00:45:04,839

we've all done it perfect answered every

713

00:45:10,289 --> 00:45:07,660

question perfect right not one question

714

00:45:12,779 --> 00:45:10,299

wrong and he said because it's always

715

00:45:15,960 --> 00:45:12,789

room for improvement so this particular

716

00:45:17,640 --> 00:45:15,970

time with Eastern so I'm I'm feeling and

717

00:45:20,039 --> 00:45:17,650

out did you training good if you

718

00:45:24,839 --> 00:45:20,049

understand what it was saying to do this

719

00:45:26,190 --> 00:45:24,849

so I gave him it and I put a far so it

720

00:45:29,819 --> 00:45:26,200

looked written this is what we put a

721

00:45:32,839 --> 00:45:29,829

father I says Paul is always room for

722

00:45:43,890 --> 00:45:39,630

let's start it laughing yeah as well

723

00:45:46,410 --> 00:45:43,900

when we got the questions through he

724

00:45:48,240 --> 00:45:46,420

created us a nice simple West ones to

725

00:46:01,970 --> 00:45:48,250

create you it's just all we don't do it

726

00:46:22,680 --> 00:46:06,750

- aliens so go figure we've got a bit of

727

00:46:27,089 --> 00:46:22,690

your math in there you know it's flying

728

00:46:29,670 --> 00:46:27,099

alien beach party time I I'm not I am

729

00:46:32,910 --> 00:46:29,680

making a cigarette this is quite a long

730

00:46:35,010 --> 00:46:32,920

one people so this involves a mum with a

731

00:46:37,150 --> 00:46:35,020

stiff so it looks like it's made out

732

00:46:43,860 --> 00:46:37,160

bloody car bird

733

00:46:51,670 --> 00:46:49,240

I've gone to bed and I don't even

734

00:46:55,300 --> 00:46:51,680

remember going this you know just enough

735

00:46:58,660 --> 00:46:55,310

for out like that but next minute I'm

736

00:47:01,060 --> 00:46:58,670

walking out at supper my stray I can

737

00:47:03,100 --> 00:47:01,070

feel the cold it's not cold baby you

738

00:47:05,080 --> 00:47:03,110

know that summer cold breeze that you

739

00:47:05,830 --> 00:47:05,090

have on and I and you like oh that's

740

00:47:11,050 --> 00:47:05,840

lovely

741

00:47:16,540 --> 00:47:11,060

you know what MAME and it gets to in

742

00:47:20,380 --> 00:47:16,550

dirt roads and directly over the side

743

00:47:24,370 --> 00:47:20,390

that main road is what you called record

744

00:47:32,110 --> 00:47:24,380

and my old friend used to live on there

745

00:47:34,960 --> 00:47:32,120

saw um seen loads of people seen I'm

746

00:47:41,950 --> 00:47:34,970

seeing lots of people and they and I'm

747

00:47:44,020 --> 00:47:41,960

seeing two wagons and you know the

748

00:47:47,170 --> 00:47:44,030

wagons that bring like building

749

00:47:51,520 --> 00:47:47,180

materials and the earth like sand in

750

00:47:55,900 --> 00:47:51,530

banks and found I did yeah it would them

751

00:48:01,720 --> 00:47:55,910

two of them and when we carry in war or

752

00:48:06,090 --> 00:48:01,730

another carried along the flat itself

753

00:48:17,770 --> 00:48:06,100

sort of art was just there we didn't

754

00:48:20,890 --> 00:48:17,780

know and say the dumps Sunday there's

755

00:48:24,010 --> 00:48:20,900

some there's some there but the tip the

756

00:48:27,190 --> 00:48:24,020

war in like a big puddle in Pearl you

757

00:48:28,600 --> 00:48:27,200

know children's purple in tow and I'm

758

00:48:30,880 --> 00:48:28,610

like what the hell's going on the

759

00:48:35,980 --> 00:48:30,890

assassins my friends oh she said Oh what

760

00:48:38,530 --> 00:48:35,990

happened a beach party achill name so it

761

00:48:40,390 --> 00:48:38,540

was like wow we lose lots of people and

762

00:48:44,590 --> 00:48:40,400

loads of kids running about remember

763

00:48:46,480 --> 00:48:44,600

kids but and so I kind of joins in a

764

00:48:49,090 --> 00:48:46,490

mingles with them but it's like as if

765

00:48:50,080 --> 00:48:49,100

nobody could see me again that sort of

766

00:48:52,660 --> 00:48:50,090

thing

767

00:48:54,130 --> 00:48:52,670

but I'm seeing all these people and kids

768

00:49:00,490 --> 00:48:54,140

and people that I've never seen before

769

00:49:03,630 --> 00:49:00,500

and I sit down and I'm playing in sand

770

00:49:08,470 --> 00:49:03,640

with you know the book in speared and in

771

00:49:11,020 --> 00:49:08,480

making sand castles in there and some of

772

00:49:13,540 --> 00:49:11,030

these beach balls are flying about and

773

00:49:17,680 --> 00:49:13,550

musics on and everyone's having a laugh

774

00:49:22,690 --> 00:49:17,690

and I'm just but when I sat down it felt

775

00:49:25,240 --> 00:49:22,700

like ad combats being a child you know

776

00:49:27,100 --> 00:49:25,250

that when we sit down enemy Armour cause

777

00:49:30,760 --> 00:49:27,110

Sun castle that I ain't done they since

778

00:49:36,100 --> 00:49:30,770

our what sakes is somewhere but it with

779

00:49:37,810 --> 00:49:36,110

that moment I sat down and I did I it

780

00:49:39,670 --> 00:49:37,820

felt it just felt like her a little

781

00:49:44,260 --> 00:49:39,680

child not because I were playing in sand

782

00:49:45,610 --> 00:49:44,270

I love making sand castles it was a it

783

00:49:49,780 --> 00:49:45,620

was just the way that were feeling that

784

00:49:52,930 --> 00:49:49,790

were like a child I'm sure I look at

785

00:49:55,840 --> 00:49:52,940

this I see this man coming from where I

786

00:50:00,760 --> 00:49:55,850

just come from I'm being rude and he's

787

00:50:06,630 --> 00:50:00,770

really really really tall and I remember

788

00:50:12,190 --> 00:50:06,640

him his ass all slicked back and it's

789

00:50:12,940 --> 00:50:12,200

why like man I'm not sure what but it's

790

00:50:17,610 --> 00:50:12,950

like behind

791

00:50:22,030 --> 00:50:17,620

he isn't to about there anyway I

792

00:50:24,640 --> 00:50:22,040

remember him we were immaculate is

793

00:50:27,400 --> 00:50:24,650

faithful immaculate it's not that sort

794

00:50:30,100 --> 00:50:27,410

of look when you know you're fancy

795

00:50:32,200 --> 00:50:30,110

someone it's it's even though that

796

00:50:35,110 --> 00:50:32,210

absolutely built it would absolutely be

797

00:50:44,340 --> 00:50:35,120

able to fill it we're not like a fancy

798

00:50:52,270 --> 00:50:49,690

and as this coming towards me a little

799

00:50:55,660 --> 00:50:52,280

is walking a bit with very straight very

800

00:50:59,680 --> 00:50:55,670

straight Steve this is about I'd say

801
00:51:03,460 --> 00:50:59,690
what about seven foot tall and he's got

802
00:51:04,180 --> 00:51:03,470
this what looked like a blue really

803
00:51:09,370 --> 00:51:04,190
doubt blue

804
00:51:11,829 --> 00:51:09,380
so um I don't remember a tie I don't

805
00:51:13,660 --> 00:51:11,839
remember to tell Matt being one I don't

806
00:51:17,319 --> 00:51:13,670
know but it's got anyway it's got this

807
00:51:22,960 --> 00:51:17,329
so I mean it's blue and it's got like

808
00:51:24,730 --> 00:51:22,970
white pinstripes and black shows I

809
00:51:30,430 --> 00:51:24,740
remember but black shows right shiny

810
00:51:31,930 --> 00:51:30,440
black shows and but when you bend you

811
00:51:34,329 --> 00:51:31,940
know when he bends around and he got

812
00:51:38,109 --> 00:51:34,339
clothes on it gets that Crais say I'm at

813
00:51:42,220 --> 00:51:38,119

Bucky Inez you know you're gonna get

814

00:51:45,120 --> 00:51:42,230

creases in there so even oh but this guy

815

00:51:48,190 --> 00:51:45,130

doing it and the shoulders were that

816

00:51:54,000 --> 00:51:48,200

square the one he's the one even didn't

817

00:51:57,760 --> 00:51:54,010

even go down like Louis Square so

818

00:51:59,079 --> 00:51:57,770

everything looked Cadfael cool out it

819

00:52:01,569 --> 00:51:59,089

look like he's got his piece of

820

00:52:08,589 --> 00:52:01,579

cardboard and he's managed to somehow

821

00:52:10,750 --> 00:52:08,599

get him away and I'm thinking wow but it

822

00:52:13,539 --> 00:52:10,760

were walking stiff as well it won't like

823

00:52:16,390 --> 00:52:13,549

you were been doing this but is he what

824

00:52:20,470 --> 00:52:16,400

bending his back of his legs is is so

825

00:52:23,680 --> 00:52:20,480

one even bending his trousers it was

826

00:52:25,690 --> 00:52:23,690

stiff as well and it kinda wore that way

827

00:52:26,980 --> 00:52:25,700

looking straight forward not did not

828

00:52:29,950 --> 00:52:26,990

it's Tim except me

829

00:52:33,400 --> 00:52:29,960

so I'm looking up at him and he stopped

830

00:52:37,660 --> 00:52:33,410

right in front of me and looks down and

831

00:52:42,279 --> 00:52:37,670

he went if you ever been flying and I

832

00:52:45,190 --> 00:52:42,289

went no me thinking aeroplanes I said no

833

00:52:49,319 --> 00:52:45,200

I'm scared of being so said what you

834

00:52:53,200 --> 00:52:49,329

want to go fly-in but it were telepathic

835

00:52:55,990 --> 00:52:53,210

don't go flying and I went no I'm scared

836

00:52:59,170 --> 00:52:56,000

to fly in it's the only flying I knew

837

00:53:01,950 --> 00:52:59,180

you know what mean anyway no and it kind

838

00:53:04,930 --> 00:53:01,960

of looks at me went no no no I think

839

00:53:08,980 --> 00:53:04,940

he's gone in my mind some out then and

840

00:53:14,500 --> 00:53:08,990

he said no not that kind of flying you

841

00:53:16,510 --> 00:53:14,510

know sir I went well what else

842

00:53:18,160 --> 00:53:16,520

else flying Lisa I mean I were talking

843

00:53:20,410 --> 00:53:18,170

telepathically back to him

844

00:53:22,690 --> 00:53:20,420

well sort of flying is very said come I

845

00:53:24,820 --> 00:53:22,700

mean I'll show ya and I trusted him

846

00:53:27,990 --> 00:53:24,830

hundred-percent trusted him there were

847

00:53:30,970 --> 00:53:28,000

nothing that just you know there were no

848

00:53:32,770 --> 00:53:30,980

thing is said that just him don't know

849

00:53:34,570 --> 00:53:32,780

that that did it to be honest he didn't

850

00:53:36,310 --> 00:53:34,580

even crossed my mind so I just went

851
00:53:38,560 --> 00:53:36,320
along with him fell through the crowd

852
00:53:41,350 --> 00:53:38,570
you know that were playing beach ball

853
00:53:43,600 --> 00:53:41,360
and play music and dancing and he in and

854
00:53:46,270 --> 00:53:43,610
and we just walked straight through him

855
00:53:48,280 --> 00:53:46,280
and they don't say yes still didn't say

856
00:53:52,180 --> 00:53:48,290
yes so it gets to end it's Nick it where

857
00:53:55,690 --> 00:53:52,190
it's cool lace it's only off at word and

858
00:53:58,690 --> 00:53:55,700
it's Nick here and he says do you want

859
00:54:02,140 --> 00:53:58,700
to go flying and for some reason I

860
00:54:04,660 --> 00:54:02,150
didn't look it stood next to me but I

861
00:54:08,080 --> 00:54:04,670
didn't look at him I was just too

862
00:54:10,900 --> 00:54:08,090
focused in going that way and I couldn't

863
00:54:12,700 --> 00:54:10,910

understand about a relaxed enough to go

864

00:54:15,550 --> 00:54:12,710

through whatever we're gonna go through

865

00:54:20,620 --> 00:54:15,560

but anyway so I said yeah this is right

866

00:54:24,040 --> 00:54:20,630

he said close your eyes and if you want

867

00:54:26,500 --> 00:54:24,050

you can owe me and so I went okay so

868

00:54:30,660 --> 00:54:26,510

eldest and close my eyes I said you

869

00:54:33,910 --> 00:54:30,670

couldn't but it's I've closed he's

870

00:54:36,420 --> 00:54:33,920

telling me you're gonna fail really like

871

00:54:39,790 --> 00:54:36,430

like you're gonna lose you body where

872

00:54:42,010 --> 00:54:39,800

you're not gonna feel like like it urrr

873

00:54:43,990 --> 00:54:42,020

you're just gonna lose it you know what

874

00:54:48,100 --> 00:54:44,000

I mean it's not gonna be nowhere or

875

00:54:52,510 --> 00:54:48,110

whatever and so I just stood there next

876

00:54:53,770 --> 00:54:52,520

minute it feels like anyway it's just

877

00:54:57,040 --> 00:54:53,780

coming off me

878

00:55:00,970 --> 00:54:57,050

and I could feel I would lifting I've

879

00:55:02,830 --> 00:55:00,980

got me I shot its keep me I should you

880

00:55:05,650 --> 00:55:02,840

just feels that I'm floating up very

881

00:55:10,120 --> 00:55:05,660

slowly and when I looked down I will

882

00:55:11,740 --> 00:55:10,130

lean in forward and I like oh but I'm

883

00:55:15,820 --> 00:55:11,750

still coming up you know what mainly

884

00:55:17,680 --> 00:55:15,830

it's weird and it says if it makes you

885

00:55:19,990 --> 00:55:17,690

feel more comfortable with LA I'm

886

00:55:21,820 --> 00:55:20,000

starting to flirt forward very slow and

887

00:55:25,150 --> 00:55:21,830

it said if it makes you feel more

888

00:55:27,520 --> 00:55:25,160

comfortable put your arms in front

889

00:55:30,520 --> 00:55:27,530

yeah but the

890

00:55:32,590 --> 00:55:30,530

holding his arm I said I can't do that

891

00:55:34,870 --> 00:55:32,600

I'd let go of all you know that main

892

00:55:39,430 --> 00:55:34,880

sigh I put one arm in front and carried

893

00:55:43,270 --> 00:55:39,440

down old in his hand and that's got a

894

00:55:46,240 --> 00:55:43,280

treetop high and then still we're

895

00:55:48,880 --> 00:55:46,250

following this Snicket throw and as I

896

00:55:51,580 --> 00:55:48,890

seize few leaf blowing about I remember

897

00:55:54,400 --> 00:55:51,590

seeing a mouse running out at wall and

898

00:55:58,150 --> 00:55:54,410

then in the first down in a little bit

899

00:56:01,540 --> 00:55:58,160

and still that part it going on behind

900

00:56:04,150 --> 00:56:01,550

me and then we're coming to ally in

901
00:56:07,300 --> 00:56:04,160
sneak here and there now just thought I

902
00:56:12,100 --> 00:56:07,310
am Ethan I kind of just went like that

903
00:56:15,100 --> 00:56:12,110
and I looked at him and then I look to

904
00:56:18,100 --> 00:56:15,110
him it would agree it were no longer

905
00:56:20,680 --> 00:56:18,110
this person in this pin strike so wit

906
00:56:22,660 --> 00:56:20,690
blonde air that was slicked back it were

907
00:56:26,310 --> 00:56:22,670
a little grin I went a bit startled by

908
00:56:28,540 --> 00:56:26,320
it and he yelled me I'm tired because I

909
00:56:29,590 --> 00:56:28,550
thought we're gonna fall off somewhere I

910
00:56:33,580 --> 00:56:29,600
would a bit you know

911
00:56:37,030 --> 00:56:33,590
I'm gonna go off balancer I bet you

912
00:56:39,400 --> 00:56:37,040
yelled on try and they just kind of

913
00:56:42,070 --> 00:56:39,410

inand I felt at ease then and we just

914

00:56:45,190 --> 00:56:42,080

glided through this Snicket and I could

915

00:56:48,850 --> 00:56:45,200

feel breathe lumière and I'm with skin

916

00:56:50,970 --> 00:56:48,860

and then it felt will flare I'm not to

917

00:56:54,160 --> 00:56:50,980

be scared of it were lovely were just

918

00:56:56,350 --> 00:56:54,170

with us dream experience II so you know

919

00:56:59,890 --> 00:56:56,360

what I mean but I know it won't a dream

920

00:57:00,520 --> 00:56:59,900

and it'll feel I was feeling it all I

921

00:57:04,750 --> 00:57:00,530

would

922

00:57:06,850 --> 00:57:04,760

you know everything was there and as we

923

00:57:11,920 --> 00:57:06,860

got nearer and it's Nick here just

924

00:57:14,890 --> 00:57:11,930

started blocking out and what were you

925

00:57:18,250 --> 00:57:14,900

told me that he told you that you want

926
00:57:20,200 --> 00:57:18,260
to remember how to do this to remember

927
00:57:23,980 --> 00:57:20,210
yeah I forgot about that yeah you have

928
00:57:25,720 --> 00:57:23,990
to remember out to him there I'm

929
00:57:30,520 --> 00:57:25,730
forgetting [h__\h] things as I'm getting

930
00:57:38,770 --> 00:57:30,530
older so yeah yeah sliver Denise in so

931
00:57:41,080 --> 00:57:38,780
why Kinsella's saying that he was

932
00:57:45,180 --> 00:57:41,090
actually stood in this opening

933
00:57:52,750 --> 00:57:50,080
jump out or whatever we fly down but

934
00:57:55,150 --> 00:57:52,760
Phil was just completely traumatized

935
00:57:57,640 --> 00:57:55,160
insightly crying because he didn't know

936
00:58:00,040 --> 00:57:57,650
what to do and lately it seemed that

937
00:58:02,140 --> 00:58:00,050
they were confused at the fact that he

938
00:58:04,380 --> 00:58:02,150

didn't know what to do he said maybe you

939

00:58:09,100 --> 00:58:04,390

know kind of like flunked out states

940

00:58:10,750 --> 00:58:09,110

those activities not a problem

941

00:58:13,000 --> 00:58:10,760

but when were kind of conscious and

942

00:58:15,670 --> 00:58:13,010

aware of what's going on and in our

943

00:58:19,630 --> 00:58:15,680

monkey brain which freaks out everything

944

00:58:21,400 --> 00:58:19,640

okay can't remember you know like like

945

00:58:24,960 --> 00:58:21,410

Phil's like how on earth can we go

946

00:58:30,730 --> 00:58:24,970

through solids oh you know solid walls

947

00:58:34,360 --> 00:58:30,740

window up and it was strep throat yeah

948

00:58:38,950 --> 00:58:34,370

well I went through a wall Brenda

949

00:58:41,320 --> 00:58:38,960

bottlers well I assure you and I did

950

00:58:46,570 --> 00:58:41,330

because when I got pulled by my feet

951

00:58:49,750 --> 00:58:46,580

down the bed oh it was a while so you

952

00:58:51,700 --> 00:58:49,760

know I don't know I couldn't move that

953

00:58:56,790 --> 00:58:51,710

far down when I would have literally
