

1  
00:00:10,180 --> 00:00:04,460  
welcome back a call of nature

2  
00:00:15,740 --> 00:00:10,190  
okay so we were talking about the stiff

3  
00:00:18,260 --> 00:00:15,750  
alien man with no creases right so the

4  
00:00:23,090 --> 00:00:18,270  
remembering flying thing got remember

5  
00:00:26,000 --> 00:00:23,100  
how to fly yeah I mentioned briefly

6  
00:00:27,620 --> 00:00:26,010  
about Phillip Kinsella and his moment

7  
00:00:30,439 --> 00:00:27,630  
where I think he was expected to do that

8  
00:00:33,410 --> 00:00:30,449  
and didn't know what the hell was going

9  
00:00:35,299 --> 00:00:33,420  
on and then they were irritated with

10  
00:00:38,270 --> 00:00:35,309  
them he's felt that they were irritated

11  
00:00:43,069 --> 00:00:38,280  
with them for not you know being out of

12  
00:00:47,180 --> 00:00:43,079  
this thing yeah I know you know I money

13  
00:00:52,010 --> 00:00:47,190

speculate in everybody jokes all over me

14

00:01:04,070 --> 00:00:52,020

for you know just observations Meuse

15

00:01:07,640 --> 00:01:04,080

bubble so after what was that light ball

16

00:01:10,190 --> 00:01:07,650

in me room oh my god that one some

17

00:01:12,890 --> 00:01:10,200

people have seen them not not like

18

00:01:16,219 --> 00:01:12,900

nobody describe what you've opened but

19

00:01:18,289 --> 00:01:16,229

the light ball thing yeah even had one

20

00:01:24,850 --> 00:01:18,299

of them this is not this one this is

21

00:01:32,690 --> 00:01:28,429

and we'd be friend and we dropped off

22

00:01:34,789 --> 00:01:32,700

our kids at nursery hammer at will our

23

00:01:38,600 --> 00:01:34,799

would have been like four year old at

24

00:01:40,940 --> 00:01:38,610

the time and we'd come back to my house

25

00:01:44,749 --> 00:01:40,950

I've always had the other house of a

26  
00:01:47,990 --> 00:01:44,759  
triage next so Imams and we've always

27  
00:01:50,420 --> 00:01:48,000  
had some like weird I've always had

28  
00:01:52,609 --> 00:01:50,430  
Goths their spirits whatever you want to

29  
00:01:54,440 --> 00:01:52,619  
call and all sorts of weird stuff going

30  
00:01:57,139 --> 00:01:54,450  
down in that house it because even me

31  
00:01:59,090 --> 00:01:57,149  
mom who really want bothered about

32  
00:02:02,300 --> 00:01:59,100  
paranormal and that lot used to see

33  
00:02:05,590 --> 00:02:02,310  
spirits and stuff over there so anyway

34  
00:02:09,260 --> 00:02:05,600  
so made this fireplace and it was dawn

35  
00:02:12,960 --> 00:02:09,270  
did top of it come all about yeah

36  
00:02:15,810 --> 00:02:12,970  
and it were stone

37  
00:02:22,020 --> 00:02:15,820  
and I thought the way but it took like

38  
00:02:26,610 --> 00:02:22,030

min woman's out five-year build because

39

00:02:33,360 --> 00:02:26,620

I think only ah which was also stone it

40

00:02:36,840 --> 00:02:33,370

needs to put one drill engines we always

41

00:02:39,210 --> 00:02:36,850

a projects going that were never Anila

42

00:02:43,260 --> 00:02:39,220

got finished you know what I mean five

43

00:02:46,320 --> 00:02:43,270

years build a stone fireplace but in

44

00:02:48,390 --> 00:02:46,330

each end of this fireplace was like a

45

00:02:53,490 --> 00:02:48,400

little bench and a little bench at the

46

00:02:55,500 --> 00:02:53,500

other side now so we dropped our kids

47

00:02:58,800 --> 00:02:55,510

off and it worked my turn and make the

48

00:03:00,300 --> 00:02:58,810

coffee's at my house but I'm used to

49

00:03:02,520 --> 00:03:00,310

kick off about that because I was a very

50

00:03:04,350 --> 00:03:02,530

RC days so it will like any I'll finish

51  
00:03:07,020 --> 00:03:04,360  
you drink me to wash it up put it in

52  
00:03:08,490 --> 00:03:07,030  
cupboard you know I mean you know I'm

53  
00:03:10,830 --> 00:03:08,500  
gonna be skip because they fight if you

54  
00:03:18,090 --> 00:03:10,840  
have a biscuit dropper chrome I have to

55  
00:03:22,460 --> 00:03:18,100  
clean the alligator can't we go out out

56  
00:03:24,330 --> 00:03:22,470  
get out it's your turn sir anyway so

57  
00:03:27,270 --> 00:03:24,340  
gets kettle on

58  
00:03:30,449 --> 00:03:27,280  
she sits at that side I mean it would

59  
00:03:32,460 --> 00:03:30,459  
add all there it had been raining but it

60  
00:03:35,100 --> 00:03:32,470  
won't ruin at the time when this happens

61  
00:03:40,199 --> 00:03:35,110  
it won't doll it were pretty crap there

62  
00:03:44,850 --> 00:03:40,209  
there were no wind and so everything had

63  
00:03:49,860 --> 00:03:44,860

that damn muggy air to it so um she sat

64

00:03:53,790 --> 00:03:49,870

on nearest window side a fireplace where

65

00:03:55,620 --> 00:03:53,800

as I said the kitchen side of it as I

66

00:04:00,509 --> 00:03:55,630

might sees drink sits down passes her

67

00:04:02,340 --> 00:04:00,519

drink we're drinking aware and by the

68

00:04:08,490 --> 00:04:02,350

way it's not alcohol it's a cup of

69

00:04:10,740 --> 00:04:08,500

coffee so so we're talking we're only

70

00:04:14,640 --> 00:04:10,750

talking about quarter past nine in mommy

71

00:04:20,909 --> 00:04:14,650

when this happened and oh no sorry and

72

00:04:24,450 --> 00:04:20,919

by the fireplace by the windows she's at

73

00:04:26,520 --> 00:04:24,460

that side so I'm talking we're like that

74

00:04:28,410 --> 00:04:26,530

so the window

75

00:04:31,560 --> 00:04:28,420

when I'm turning that with the windows

76

00:04:32,879 --> 00:04:31,570

right behind me and I'm we just talking

77

00:04:34,470 --> 00:04:32,889

and talking I don't know what to talk

78

00:04:37,710 --> 00:04:34,480

about it's irrelevant to what's gonna

79

00:04:41,159 --> 00:04:37,720

happen next so anywhere and as I'm

80

00:04:44,100 --> 00:04:41,169

talking aware and she's looking at me

81

00:04:45,990 --> 00:04:44,110

but looking then she's drawn a summer at

82

00:04:50,159 --> 00:04:46,000

the top of the window that bit where you

83

00:04:54,930 --> 00:04:50,169

open it up and she stops talking and I'm

84

00:04:57,960 --> 00:04:54,940

looking at a lab so weird

85

00:05:06,570 --> 00:04:57,970

so kind of turns me head and looks and

86

00:05:09,780 --> 00:05:06,580

what appeared to be a Cuba lie extending

87

00:05:12,990 --> 00:05:09,790

it and just turned on like a torch it's

88

00:05:17,010 --> 00:05:13,000

coming from the windowpane top window

89

00:05:19,200 --> 00:05:17,020

and there's nothing on the outside not

90

00:05:21,900 --> 00:05:19,210

that I can see that there's anything on

91

00:05:27,960 --> 00:05:21,910

the outside to cause this light to come

92

00:05:31,770 --> 00:05:27,970

through and it retracts down is probably

93

00:05:34,350 --> 00:05:31,780

about that wide and it's retracting down

94

00:05:35,190 --> 00:05:34,360

down down down down there so there's an

95

00:05:38,580 --> 00:05:35,200

end to it

96

00:05:42,630 --> 00:05:38,590

it's like someone's just cut off this

97

00:05:44,550 --> 00:05:42,640

bit right down down down down until

98

00:05:48,210 --> 00:05:44,560

it gets above me Eddie so I'm watching

99

00:05:50,070 --> 00:05:48,220

it going so both of us a speechless I

100

00:05:53,460 --> 00:05:50,080

don't know at this point I don't know

101  
00:05:55,230 --> 00:05:53,470  
what her face is like so I'm watching it

102  
00:05:58,890 --> 00:05:55,240  
and it just I thought where's it going

103  
00:06:03,000 --> 00:05:58,900  
and it kind of just stops there and then

104  
00:06:07,500 --> 00:06:03,010  
this like thing come out of it like a

105  
00:06:11,540 --> 00:06:07,510  
ball it would bit bigger than my eight I

106  
00:06:16,110 --> 00:06:11,550  
know that for sure and it would probably

107  
00:06:21,480 --> 00:06:16,120  
top of it just come aver and it would

108  
00:06:28,469 --> 00:06:21,490  
like ELISA go this describe it swirling

109  
00:06:29,790 --> 00:06:28,479  
it's a swirlie live live that's

110  
00:06:32,279 --> 00:06:29,800  
something where I can describe it it's

111  
00:06:35,159 --> 00:06:32,289  
alive is this and

112  
00:06:38,879 --> 00:06:35,169  
it's got tiny the tiniest little sparks

113  
00:06:42,689 --> 00:06:38,889

coming off it you know what when you

114

00:06:45,059 --> 00:06:42,699

throw glitter everybody it's clear cuz

115

00:06:47,689 --> 00:06:45,069

he got have clean it up but you know if

116

00:06:51,029 --> 00:06:47,699

you get mister can you throw his [h\_\_h]

117

00:06:55,739 --> 00:06:51,039

it's like when it catches the light it

118

00:06:58,469 --> 00:06:55,749

can look a bit spammy what I mean when

119

00:07:04,290 --> 00:06:58,479

it's in movement it looks back okay

120

00:07:07,799 --> 00:07:04,300

so we're a bit like that but like you're

121

00:07:11,909 --> 00:07:07,809

white sparks and it will everywhere

122

00:07:14,670 --> 00:07:11,919

coming off it and this swirl a bit it's

123

00:07:17,969 --> 00:07:14,680

something I would say it's alive and so

124

00:07:23,939 --> 00:07:17,979

kind of moving round around above me aid

125

00:07:27,149 --> 00:07:23,949

and the chill they kind of come out of

126

00:07:30,749 --> 00:07:27,159

started retracting back so it's

127

00:07:32,730 --> 00:07:30,759

retracting back towards the window but

128

00:07:35,790 --> 00:07:32,740

this hurried on and on and on and I'm

129

00:07:38,610 --> 00:07:35,800

stopped looking and one scared it would

130

00:07:42,480 --> 00:07:38,620

just it was such a peaceful thing that

131

00:07:45,139 --> 00:07:42,490

nothing made me feel scared about it I

132

00:07:47,759 --> 00:07:45,149

don't even think I felt all except

133

00:07:52,139 --> 00:07:47,769

comfortable with it a pace with it

134

00:07:54,209 --> 00:07:52,149

whatever it what I'm I don't even know

135

00:07:55,589 --> 00:07:54,219

how long it was there far I don't know

136

00:07:58,889 --> 00:07:55,599

it could have been minutes it could have

137

00:08:03,089 --> 00:07:58,899

been seconds I don't know and it kind of

138

00:08:06,089 --> 00:08:03,099

went a little bit in a nothing and it

139

00:08:10,499 --> 00:08:06,099

gone and I looked at my friend and her

140

00:08:14,609 --> 00:08:10,509

face would reply I mean why right the

141

00:08:19,290 --> 00:08:14,619

color had just drained and she said

142

00:08:22,320 --> 00:08:19,300

basically what the [\h\_\_\h] with a thumbs up

143

00:08:24,480 --> 00:08:22,330

I'm laughing I starts laughing and I

144

00:08:24,989 --> 00:08:24,490

don't know why I don't know why I'm

145

00:08:28,409 --> 00:08:24,999

laughing

146

00:08:30,359 --> 00:08:28,419

I really don't she stands up ice

147

00:08:34,949 --> 00:08:30,369

bursting what the [\h\_\_\h] was that it's

148

00:08:38,189 --> 00:08:34,959

done so what's da story I sat there

149

00:08:40,889 --> 00:08:38,199

laughing and she goes out she says [\h\_\_\h]

150

00:08:44,069 --> 00:08:40,899

this I'm going I'm never come back here

151  
00:08:46,110 --> 00:08:44,079  
again sauces so when me same sister to

152  
00:08:48,180 --> 00:08:46,120  
come to I said

153  
00:08:51,960 --> 00:08:48,190  
[h\_\_h] lazy me I'm coming with yes sir

154  
00:08:55,410 --> 00:08:51,970  
I comes out and we kind of stood outside

155  
00:09:06,570 --> 00:08:55,420  
Koenig and he get his bearings together

156  
00:09:06,580 --> 00:09:14,120  
[Music]

157  
00:09:28,380 --> 00:09:23,820  
nothing in between that straight and I'm

158  
00:09:32,040 --> 00:09:28,390  
right up here I'm like another why but

159  
00:09:34,260 --> 00:09:32,050  
you know I was just so happy about

160  
00:09:37,260 --> 00:09:34,270  
whatever I don't even know what it was

161  
00:09:41,040 --> 00:09:37,270  
but whatever it was made me happy you

162  
00:09:44,600 --> 00:09:41,050  
know it will I ever it was a self

163  
00:09:49,470 --> 00:09:44,610

looking weird so he goes over at co-op

164

00:09:51,120 --> 00:09:49,480

and then then free cheese that the news

165

00:09:54,540 --> 00:09:51,130

to have now they have them with dolls

166

00:09:58,860 --> 00:09:54,550

doctor in that you've a slaved up he

167

00:10:01,829 --> 00:09:58,870

freezes sorrow freezes you slide them up

168

00:10:07,050 --> 00:10:01,839

and are you pull it up and are they're

169

00:10:08,940 --> 00:10:07,060

not as deep because Keaton used to fall

170

00:10:11,970 --> 00:10:08,950

in deep free he said you know if the

171

00:10:14,820 --> 00:10:11,980

moment said will you get me you know the

172

00:10:19,800 --> 00:10:14,830

goth scream and then it'll be two legs

173

00:10:25,829 --> 00:10:19,810

in not a stick that's what the well but

174

00:10:29,460 --> 00:10:25,839

yeah update now but anyway they had this

175

00:10:32,820 --> 00:10:29,470

metal strip from top to bottom and they

176  
00:10:35,699 --> 00:10:32,830  
were pretty long these phrases and she

177  
00:10:38,730 --> 00:10:35,709  
just walks open talking about anyway

178  
00:10:40,019 --> 00:10:38,740  
didn't exist what has just happened it

179  
00:10:44,610 --> 00:10:40,029  
never happened

180  
00:10:47,490 --> 00:10:44,620  
I puts me and as I'm going up I'm older

181  
00:10:49,650 --> 00:10:47,500  
it were freezing with this strength but

182  
00:10:51,990 --> 00:10:49,660  
we only have to do it put his hands up

183  
00:10:53,970 --> 00:10:52,000  
and go along with it but as soon as I

184  
00:10:57,210 --> 00:10:53,980  
put me under on it started making that

185  
00:11:00,230 --> 00:10:57,220  
is aesthetically right staticky loud

186  
00:11:03,750 --> 00:11:00,240  
crackling noise so I took me

187  
00:11:09,480 --> 00:11:03,760  
and I put it on the game and it did it

188  
00:11:14,340 --> 00:11:09,490

gonna but it was so loud it one quiet

189

00:11:17,550 --> 00:11:14,350

thing it will be loud and I walked oh oh

190

00:11:19,860 --> 00:11:17,560

mm it's totally she's like what how do

191

00:11:23,460 --> 00:11:19,870

you do with that and I did it all the

192

00:11:28,590 --> 00:11:23,470

way up the aisle and it was that it's

193

00:11:30,660 --> 00:11:28,600

really loud and do it again so she tries

194

00:11:34,519 --> 00:11:30,670

to win it wouldn't have no effect so

195

00:11:41,220 --> 00:11:34,529

girls I'll so with it being so loud it's

196

00:11:44,810 --> 00:11:41,230

attracted some sort of roundish what's

197

00:11:52,350 --> 00:11:49,139

it's making that noise so sadly shame to

198

00:11:54,870 --> 00:11:52,360

say don't do all so she says what she's

199

00:11:57,630 --> 00:11:54,880

play it under its own that putting Alka

200

00:12:00,210 --> 00:11:57,640

oh no she puts it undone it does the

201  
00:12:03,660 --> 00:12:00,220  
assistant nothing of assistant comes

202  
00:12:05,310 --> 00:12:03,670  
nothing so by the time we messed about

203  
00:12:13,410 --> 00:12:05,320  
with it for the whole ten minutes her

204  
00:12:17,939 --> 00:12:13,420  
only me could do it cuz I'm great so we

205  
00:12:20,370 --> 00:12:17,949  
gonna get sister at no connection of a

206  
00:12:24,240 --> 00:12:20,380  
static with this ball thing whatsoever I

207  
00:12:26,069 --> 00:12:24,250  
do it was that and even so anyway it

208  
00:12:29,850 --> 00:12:26,079  
goes and gets the stuff as I'm stood in

209  
00:12:35,370 --> 00:12:29,860  
the queue there was like tins you know

210  
00:12:39,389 --> 00:12:35,380  
big round teens arose age and Louis

211  
00:12:41,910 --> 00:12:39,399  
stacked up in like a pyramid farm the

212  
00:12:45,540 --> 00:12:41,920  
cool about my I did those teens arose is

213  
00:12:49,259 --> 00:12:45,550

well I only stood like a foot away if my

214

00:12:53,579 --> 00:12:49,269

fault was about a thought away from the

215

00:12:55,530 --> 00:12:53,589

first team on the floor and nobody else

216

00:12:57,210 --> 00:12:55,540

were around that fair I was just like

217

00:12:58,829 --> 00:12:57,220

stood in a queue in a minute would in

218

00:13:02,040 --> 00:12:58,839

front of me and then it went backwards

219

00:13:04,620 --> 00:13:02,050

there were nobody else around it and add

220

00:13:06,660 --> 00:13:04,630

insult chair I didn't do well and all of

221

00:13:11,160 --> 00:13:06,670

a sudden the entire thing kind of

222

00:13:13,830 --> 00:13:11,170

wobbled a bit like like somebody shaking

223

00:13:16,500 --> 00:13:13,840

somewhere and

224

00:13:19,320 --> 00:13:16,510

really quickly like vibration Martineau

225

00:13:24,210 --> 00:13:19,330

like the old thing in a kind of like

226

00:13:27,870 --> 00:13:24,220

hell's going on there yeah and every one

227

00:13:42,330 --> 00:13:27,880

of them fell over from top to bottom and

228

00:13:46,200 --> 00:13:42,340

the bottom ones kind of tipped right for

229

00:13:53,790 --> 00:13:46,210

us that will that pushed it away from me

230

00:13:56,010 --> 00:13:53,800

you know what I mean yeah oh no it's me

231

00:13:59,100 --> 00:13:56,020

so everyone turns round of uses its

232

00:14:01,650 --> 00:13:59,110

almighty cluster things everyone looks

233

00:14:03,450 --> 00:14:01,660

at me in the body - oh you know I'm a

234

00:14:05,730 --> 00:14:03,460

devil are you get out of here get out of

235

00:14:13,110 --> 00:14:11,010

so again so no never be so embarrassed

236

00:14:21,480 --> 00:14:13,120

in the merit said you are [h\_\_h] weird

237

00:14:23,850 --> 00:14:21,490

you I says can I come yours for a drink

238

00:14:26,580 --> 00:14:23,860

she says no I've got shits go there was

239

00:14:45,780 --> 00:14:26,590

summer so every time sir it's kind of

240

00:14:52,320 --> 00:14:45,790

good now gotten about so let's talk

241

00:14:55,440 --> 00:14:52,330

about it again not the two ball forgive

242

00:14:59,010 --> 00:14:55,450

like anything what people had seen this

243

00:15:04,020 --> 00:14:59,020

like I've seen it when I first I seemed

244

00:15:06,690 --> 00:15:04,030

there he had this like man cave built at

245

00:15:11,310 --> 00:15:06,700

the back of the house we stared out

246

00:15:13,230 --> 00:15:11,320

there and he jumped out because he

247

00:15:16,650 --> 00:15:13,240

thought was secure away come on

248

00:15:18,420 --> 00:15:16,660

I was like they're just talking and

249

00:15:21,480 --> 00:15:18,430

these baller like this big appeared

250

00:15:27,160 --> 00:15:21,490

behind them and they add all like you

251  
00:15:31,479 --> 00:15:29,319  
and he jumps out about thinking security

252  
00:15:34,119 --> 00:15:31,489  
like come on he's looking at window one

253  
00:15:38,799 --> 00:15:34,129  
dead yeah I can make it he's got the

254  
00:15:43,659 --> 00:15:38,809  
security like it just appeared and I

255  
00:15:57,489 --> 00:15:43,669  
went it was audible sound and was gone

256  
00:16:00,329 --> 00:15:57,499  
after people out there any by the light

257  
00:16:07,090 --> 00:16:00,339  
the coming down Lena retracting tube

258  
00:16:12,429 --> 00:16:07,100  
yeah when you suck past nine and for the

259  
00:16:15,699 --> 00:16:12,439  
coffee William air yeah and you're going

260  
00:16:22,389 --> 00:16:15,709  
to co-op and tins of roses or throwing

261  
00:16:26,439 --> 00:16:22,399  
them Souls that's really because I've

262  
00:16:28,659 --> 00:16:26,449  
done that before and then all of a

263  
00:16:29,289 --> 00:16:28,669

sudden he's like even in you at any

264

00:16:32,739 --> 00:16:29,299

moment

265

00:16:37,259 --> 00:16:32,749

yeah like a bit letting it's so weird

266

00:16:38,919 --> 00:16:37,269

how we just like go back tracks as

267

00:16:47,079 --> 00:16:38,929

normal as possible

268

00:16:50,789 --> 00:16:47,089

yeah happen the only time I had that

269

00:16:53,019 --> 00:16:50,799

witness them was I lost contact with her

270

00:16:56,949 --> 00:16:53,029

you know as kids it's great you know you

271

00:16:59,409 --> 00:16:56,959

grow apart and I felt do many many years

272

00:17:03,249 --> 00:16:59,419

ago again on Facebook and she come and

273

00:17:05,259 --> 00:17:03,259

visit it mean I said room the first word

274

00:17:08,439 --> 00:17:05,269

was do you remember

275

00:17:12,629 --> 00:17:08,449

and she went that Bolla like yeah she

276

00:17:15,250 --> 00:17:12,639

finished what I were going to ask sir

277

00:17:25,299 --> 00:17:15,260

well question in there did he actually

278

00:17:27,429 --> 00:17:25,309

happen and she read yeah yeah you always

279

00:17:33,759 --> 00:17:27,439

hope that something's gonna say no what

280

00:17:36,519 --> 00:17:33,769

might not yeah but I uh I found Steve

281

00:17:39,369 --> 00:17:36,529

and dunya that they would say that

282

00:17:40,960 --> 00:17:39,379

didn't happen you know he didn't you

283

00:17:42,820 --> 00:17:40,970

mind yeah

284

00:17:47,230 --> 00:17:42,830

but I played it down in my mind I've

285

00:17:51,010 --> 00:17:47,240

tried to shrink it was a small list yeah

286

00:17:54,640 --> 00:17:51,020

but my mate said that she said he is it

287

00:17:57,610 --> 00:17:54,650

was worse than that well it might have

288

00:18:01,570 --> 00:17:57,620

been horrific for her but why would

289

00:18:03,490 --> 00:18:01,580

either till opposite yeah yeah yeah she

290

00:18:05,890 --> 00:18:03,500

was horrified and ice up left in

291

00:18:11,110 --> 00:18:05,900

laughing and it will um practically

292

00:18:12,340 --> 00:18:11,120

there and then it didn't bother me

293

00:18:17,020 --> 00:18:12,350

whatsoever

294

00:18:18,669 --> 00:18:17,030

it would only fried a public come out of

295

00:18:26,830 --> 00:18:18,679

a mouth and all it she said [h\_\_h] this

296

00:18:31,120 --> 00:18:26,840

I'm off I was like that when we were in

297

00:18:34,750 --> 00:18:31,130

Wales the was like coming over towards

298

00:18:37,500 --> 00:18:34,760

know what there was no oh [h\_\_h] we might

299

00:18:41,890 --> 00:18:37,510

be in trouble and the comment car

300

00:18:47,440 --> 00:18:41,900

anything it was just like pure gold

301  
00:18:51,070 --> 00:18:47,450  
oh like you know even I even remember

302  
00:19:02,740 --> 00:18:51,080  
laughing a bit like and shaking that you

303  
00:19:06,520 --> 00:19:02,750  
know hey this is really really like my

304  
00:19:10,240 --> 00:19:06,530  
way what time with that I think the

305  
00:19:14,730 --> 00:19:10,250  
state of disbelief is a safety zone for

306  
00:19:19,690 --> 00:19:14,740  
the brain because if you don't quite

307  
00:19:23,350 --> 00:19:19,700  
know gonna snap you know yes did you

308  
00:19:24,850 --> 00:19:23,360  
[h\_\_\h] completely it's that kind of even

309  
00:19:26,649 --> 00:19:24,860  
after things happen and we walk around

310  
00:19:28,299 --> 00:19:26,659  
questioning even though we know it

311  
00:19:31,149 --> 00:19:28,309  
happened and other people have seen it

312  
00:19:33,700 --> 00:19:31,159  
but in that disbelief it's a bit of a

313  
00:19:37,180 --> 00:19:33,710

safe place to be

314

00:19:41,110 --> 00:19:37,190

then for like sectors because you know

315

00:19:44,380 --> 00:19:41,120

access something you have behind that

316

00:19:47,130 --> 00:19:44,390

there's something else like oh how far

317

00:19:52,020 --> 00:19:47,140

how far how far does this go

318

00:19:54,880 --> 00:19:52,030

no the like I said before with the

319

00:19:56,590 --> 00:19:54,890

government and the other secrecy

320

00:19:58,870 --> 00:19:56,600

the rest of it and I don't think it's a

321

00:20:02,230 --> 00:19:58,880

cover-up of information I think it's a

322

00:20:08,260 --> 00:20:02,240

cover-up the lack of information yeah

323

00:20:11,860 --> 00:20:08,270

yeah then go scuba do really although

324

00:20:14,670 --> 00:20:11,870

some some us because you know the work

325

00:20:18,730 --> 00:20:14,680

together yeah

326

00:20:22,210 --> 00:20:18,740

so it's so confusing so contradictory

327

00:20:24,180 --> 00:20:22,220

and confusing it's contradictory yet I

328

00:20:31,920 --> 00:20:24,190

can definitely vouch for that

329

00:20:39,010 --> 00:20:31,930

I don't we're just in a [h\_\_h] journey

330

00:20:41,170 --> 00:20:39,020

on you mark but you gotta carry on

331

00:20:44,020 --> 00:20:41,180

living as well at same time because if

332

00:20:47,260 --> 00:20:44,030

you didn't you just go Matt how'd it go

333

00:20:49,720 --> 00:20:47,270

Matt don't know but I got to point when

334

00:20:54,610 --> 00:20:49,730

a contact idea is where I was going mad

335

00:20:58,900 --> 00:20:54,620

so I was just because I was on my own

336

00:21:00,550 --> 00:20:58,910

and you know I had the kids and I've

337

00:21:18,460 --> 00:21:00,560

been to school and waiting outside

338

00:21:18,940 --> 00:21:18,470

school and then you've got the kid

339

00:21:22,450 --> 00:21:18,950

anyway

340

00:21:29,230 --> 00:21:22,460

oh hi if you have ice time at school the

341

00:21:32,590 --> 00:21:29,240

talking I think you know like it's just

342

00:21:34,570 --> 00:21:32,600

crazy it's crazy but I think that's more

343

00:21:36,670 --> 00:21:34,580

if ik than actually going thrilled at

344

00:21:38,920 --> 00:21:36,680

what you know I mean because you you're

345

00:21:41,680 --> 00:21:38,930

not expecting it at that moment and

346

00:21:45,670 --> 00:21:41,690

another thing is and you never ever get

347

00:21:49,630 --> 00:21:45,680

used to seeing the grey you never get

348

00:21:51,580 --> 00:21:49,640

used to it you know a lot of people say

349

00:21:52,870 --> 00:21:51,590

well you know the more times you have it

350

00:21:53,800 --> 00:21:52,880

then now you get used to it guys

351

00:21:59,050 --> 00:21:53,810

bollocks

352

00:22:08,470 --> 00:21:59,060

you don't know if people like you jump

353

00:22:15,669 --> 00:22:09,909

raises them you're not gonna sell so you

354

00:22:17,950 --> 00:22:15,679

say no oh yeah and this looks like you

355

00:22:21,549 --> 00:22:17,960

finally chewed it over and um I'm gonna

356

00:22:29,260 --> 00:22:21,559

relegate it to a dream or whatever

357

00:22:30,940 --> 00:22:29,270

whatever you know well I like the way of

358

00:22:47,040 --> 00:22:30,950

people telling us what it is that we're

359

00:23:01,900 --> 00:23:00,130

okay hello hello we're back I don't know

360

00:23:08,740 --> 00:23:01,910

about you had the phone calls somebody

361

00:23:13,720 --> 00:23:08,750

asking for grace I never ever had a

362

00:23:18,430 --> 00:23:13,730

phone call someday oh yeah you know I

363

00:23:28,450 --> 00:23:18,440

may not know that's not Chris he said I

364

00:23:30,460 --> 00:23:28,460

went no I don't know what grace right

365

00:23:34,170 --> 00:23:30,470

okay I don't ever know what was

366

00:23:36,910 --> 00:23:34,180

blithering about now anyway

367

00:23:38,740 --> 00:23:36,920

tangents probably about that but you do

368

00:23:57,010 --> 00:23:38,750

to cut off I didn't cut it off by

369

00:24:02,960 --> 00:23:57,020

answering it right well we've got on

370

00:24:11,560 --> 00:24:04,530

[Music]

371

00:24:14,680 --> 00:24:11,570

the black cubes right no edge this one

372

00:24:18,220 --> 00:24:14,690

age 35 fires gone off and I'm cold age

373

00:24:22,060 --> 00:24:18,230

35 with a black cube and age 36 is a

374

00:24:29,310 --> 00:24:22,070

black cube the age 35 one is quite a

375

00:24:45,850 --> 00:24:38,140

ten yeah well sure I don't know if them

376

00:24:49,090 --> 00:24:45,860

to whatever right so anyway um I've got

377

00:24:52,770 --> 00:24:49,100

a bed gonna sleep and I had the dream

378

00:25:01,390 --> 00:24:58,660

my jaw with come this I said a dream

379

00:25:03,100 --> 00:25:01,400

because I'd got paid now whether or not

380

00:25:13,300 --> 00:25:03,110

I've gone into a dream I can't remember

381

00:25:15,130 --> 00:25:13,310

but I had taken my daughter to this I've

382

00:25:18,400 --> 00:25:15,140

come with a boyfriend I don't know wait

383

00:25:20,740 --> 00:25:18,410

wow I don't even know who he is looking

384

00:25:31,290 --> 00:25:20,750

at him now but I'm you will well in the

385

00:25:34,090 --> 00:25:31,300

dream I don't know him in this life so

386

00:25:40,900 --> 00:25:34,100

at the cone and we're tucking him to

387

00:25:45,460 --> 00:25:40,910

this like really old some sort of

388

00:25:48,160 --> 00:25:45,470

village medieval village right but it

389

00:25:52,030 --> 00:25:48,170

won't like sail to be a medieval II

390

00:25:55,840 --> 00:25:52,040

actually exist stayed and so we'd gone

391

00:25:57,520 --> 00:25:55,850

down this road and I'm knew where they

392

00:25:59,650 --> 00:25:57,530

were going and you exactly where I were

393

00:26:02,880 --> 00:25:59,660

going what what road to go down in these

394

00:26:05,920 --> 00:26:02,890

semi-detached houses and big owl Z's and

395

00:26:09,880 --> 00:26:05,930

and then he's you go down this road and

396

00:26:13,150 --> 00:26:09,890

he turn right and left in this medieval

397

00:26:15,250 --> 00:26:13,160

village but the oldest normal you know

398

00:26:18,580 --> 00:26:15,260

the one in medieval gear out like that

399

00:26:21,550 --> 00:26:18,590

and it were real it really really old so

400

00:26:24,070 --> 00:26:21,560

through this church any other like a

401  
00:26:25,870 --> 00:26:24,080  
such truth I don't know whether in

402  
00:26:31,570 --> 00:26:25,880  
medieval times they had such droves I

403  
00:26:34,780 --> 00:26:31,580  
don't know so but they had getting made

404  
00:26:37,120 --> 00:26:34,790  
in in stone on it and on the roof it

405  
00:26:39,280 --> 00:26:37,130  
kind of went up but it went flat at the

406  
00:26:39,280 --> 00:26:39,290  
top

407  
00:26:46,420 --> 00:26:43,200  
so we'll look bit like the piece it'll

408  
00:26:49,590 --> 00:26:46,430  
all right yeah I mean it was that sort

409  
00:26:51,790 --> 00:26:49,600  
of shape looking at it from side and

410  
00:26:55,000 --> 00:26:51,800  
there were happening some man in and

411  
00:27:00,370 --> 00:26:55,010  
stone on this roof so then all they

412  
00:27:03,730 --> 00:27:00,380  
found at the top so scaffolding and some

413  
00:27:06,020 --> 00:27:03,740

ladders going up to it and I remember

414

00:27:08,360 --> 00:27:06,030

Hannah making a friend

415

00:27:11,960 --> 00:27:08,370

I don't know this friend why we're a boy

416

00:27:14,840 --> 00:27:11,970

and she'd gone up to these ladders and

417

00:27:17,990 --> 00:27:14,850

I'll go no honey don't go up there this

418

00:27:21,170 --> 00:27:18,000

is safety buddy around it you know for a

419

00:27:24,950 --> 00:27:21,180

reason so earning this little kid went

420

00:27:30,860 --> 00:27:24,960

up well obviously I to go with him to

421

00:27:34,130 --> 00:27:30,870

chase him get him back down and next

422

00:27:35,810 --> 00:27:34,140

minute there was these as group lads I

423

00:27:38,540 --> 00:27:35,820

think they were about to work two or

424

00:27:42,560 --> 00:27:38,550

three labs and the teenagers and the add

425

00:27:45,260 --> 00:27:42,570

Rockies fireworks and there was setting

426

00:27:48,080 --> 00:27:45,270

him off on the roof and they were saying

427

00:27:50,000 --> 00:27:48,090

honey come down come down quick these so

428

00:27:53,000 --> 00:27:50,010

I went over to these lads I said what

429

00:27:55,070 --> 00:27:53,010

you doing and they said well can do it

430

00:27:57,110 --> 00:27:55,080

if with him on blah blah blasted he

431

00:27:59,240 --> 00:27:57,120

can't do that your honor that's truth

432

00:28:00,980 --> 00:27:59,250

you know what I mean well why are you

433

00:28:04,880 --> 00:28:00,990

saying fireworks off when the thatched

434

00:28:07,070 --> 00:28:04,890

roof anywhere it's at least favorite but

435

00:28:11,510 --> 00:28:07,080

wouldn't fireworks just tipped over and

436

00:28:13,700 --> 00:28:11,520

set the roof on fire but hammer risk and

437

00:28:15,680 --> 00:28:13,710

around the other side cheese by time I'm

438

00:28:18,320 --> 00:28:15,690

telling these lads of her and a friend

439

00:28:21,470 --> 00:28:18,330

is run run of the side of these lads and

440

00:28:25,700 --> 00:28:21,480

I'm kind of going back thinking I don't

441

00:28:29,750 --> 00:28:25,710

want a foul throat Rove so next minute

442

00:28:32,780 --> 00:28:29,760

the roof care saying so you can imagine

443

00:28:38,180 --> 00:28:32,790

my distraught and horror when I see my

444

00:28:42,020 --> 00:28:38,190

child going down this roof you know in

445

00:28:45,680 --> 00:28:42,030

in it the actual church itself so old

446

00:28:50,120 --> 00:28:45,690

kids went down all I remember saying is

447

00:28:51,830 --> 00:28:50,130

stunned in gamma one is a honor we're

448

00:28:53,990 --> 00:28:51,840

sorry I was running round

449

00:28:56,450 --> 00:28:54,000

I've got down these ladders somehow I

450

00:28:58,460 --> 00:28:56,460

don't remember getting down them and I'm

451  
00:29:00,710 --> 00:28:58,470  
running around this straight screaming

452  
00:29:04,190 --> 00:29:00,720  
you know my child my child she's died

453  
00:29:06,080 --> 00:29:04,200  
and it were horrific horrific it were

454  
00:29:08,840 --> 00:29:06,090  
awful and I remember tears in my eyes

455  
00:29:14,720 --> 00:29:08,850  
and blah and screaming and shouting help

456  
00:29:17,030 --> 00:29:14,730  
me out man and like nobody nobody taking

457  
00:29:19,670 --> 00:29:17,040  
any notice nobody saw me it's that usual

458  
00:29:23,000 --> 00:29:19,680  
dot seemed a sort of thing

459  
00:29:24,620 --> 00:29:23,010  
and then I'm walking off again it just

460  
00:29:27,620 --> 00:29:24,630  
tears I thought a character well about

461  
00:29:29,240 --> 00:29:27,630  
it I've got to go on you know it's not

462  
00:29:31,580 --> 00:29:29,250  
know was the thing I can do I couldn't

463  
00:29:35,030 --> 00:29:31,590

get in church I couldn't do anything the

464

00:29:36,830 --> 00:29:35,040

old thing where I'm failure and as I'm

465

00:29:41,630 --> 00:29:36,840

walking back up one of these wears a

466

00:29:43,580 --> 00:29:41,640

semi says I'm Xiao in Hanna Hanna open

467

00:29:45,650 --> 00:29:43,590

that she's going to be somewhere and

468

00:29:49,250 --> 00:29:45,660

then all of a sudden when I turned

469

00:29:52,250 --> 00:29:49,260

around this red Indian woman is well

470

00:29:55,790 --> 00:29:52,260

I've no interest in Red Indians are you

471

00:29:59,180 --> 00:29:55,800

know it's not my interest but she's

472

00:30:03,380 --> 00:29:59,190

walking down the driveway of one of

473

00:30:07,280 --> 00:30:03,390

these semi-detached houses the big ones

474

00:30:10,990 --> 00:30:07,290

and walking down and she's got the

475

00:30:16,780 --> 00:30:11,000

feathers and they singing in a plane and

476

00:30:23,230 --> 00:30:16,790

and she's carrying summer and ICC's

477

00:30:26,570 --> 00:30:23,240

children a plane in this garden and I

478

00:30:29,210 --> 00:30:26,580

swear I could see Hannah running about

479

00:30:32,000 --> 00:30:29,220

with him all happy and jolly and you

480

00:30:34,900 --> 00:30:32,010

know I mean so she's walking down and

481

00:30:38,000 --> 00:30:34,910

she's all doing summer in and I know

482

00:30:39,230 --> 00:30:38,010

kind of watching her but trying to kind

483

00:30:41,000 --> 00:30:39,240

of look rounder

484

00:30:43,100 --> 00:30:41,010

see what because she's getting closer so

485

00:30:47,690 --> 00:30:43,110

I'm going like it's looking at Kate's

486

00:30:49,880 --> 00:30:47,700

and she's getting closer to me and she

487

00:30:53,540 --> 00:30:49,890

said it's okay I'm looking after them

488

00:30:55,880 --> 00:30:53,550

now and I went what Jemaine oh she says

489

00:30:59,090 --> 00:30:55,890

it's okay I look after their children

490

00:31:01,250 --> 00:30:59,100

now well that were ray I thought she's

491

00:31:06,050 --> 00:31:01,260

I've got confirmation my daughter's dead

492

00:31:08,060 --> 00:31:06,060

you know what I mean so I said I won't

493

00:31:10,790 --> 00:31:08,070

be child blooming my child back she said

494

00:31:15,620 --> 00:31:10,800

look I can't bring her back we look

495

00:31:18,650 --> 00:31:15,630

after we then we look after her now look

496

00:31:21,470 --> 00:31:18,660

after all these children you know it's

497

00:31:26,060 --> 00:31:21,480

just our lose this woman and she comes

498

00:31:29,690 --> 00:31:26,070

out this black cube so it was probably

499

00:31:31,240 --> 00:31:29,700

about that if I do it to me it went

500

00:31:37,190 --> 00:31:31,250

about that big

501  
00:31:39,980 --> 00:31:37,200  
this black cube and she sold in it out

502  
00:31:41,600 --> 00:31:39,990  
like it's flat a veranda of three

503  
00:31:45,080 --> 00:31:41,610  
incidents with the black killed because

504  
00:31:47,270 --> 00:31:45,090  
an alien else offered me black kill and

505  
00:31:50,300 --> 00:31:47,280  
she's holding it out was boss around in

506  
00:31:52,130 --> 00:31:50,310  
a pan and she says it's you know it's

507  
00:31:54,590 --> 00:31:52,140  
black cube and I went I don't want the

508  
00:31:56,600 --> 00:31:54,600  
black cube I want my child back oh she

509  
00:31:59,180 --> 00:31:56,610  
says well you can't have your child but

510  
00:32:02,510 --> 00:31:59,190  
she's she's in heaven she that well not

511  
00:32:04,790 --> 00:32:02,520  
Evan but she's with us she's in more of

512  
00:32:07,490 --> 00:32:04,800  
a paradise he sought a place and she's

513  
00:32:09,920 --> 00:32:07,500

happy and you know what means sir and

514

00:32:12,080 --> 00:32:09,930

I'm like no I won't be child and it were

515

00:32:15,130 --> 00:32:12,090

going on and on and on anyway so she's

516

00:32:17,720 --> 00:32:15,140

somehow she calmed me right down and I

517

00:32:20,690 --> 00:32:17,730

opened this black you but you're kind of

518

00:32:22,340 --> 00:32:20,700

weird oh wait are we opened I can't

519

00:32:26,540 --> 00:32:22,350

describe but you have to flick it open

520

00:32:31,370 --> 00:32:26,550

it come sliding I don't know and when I

521

00:32:35,390 --> 00:32:31,380

looked in it it had like pearls and gold

522

00:32:38,860 --> 00:32:35,400

in this thing well it's ready

523

00:32:42,680 --> 00:32:38,870

Grier but I'll tell that story later

524

00:32:44,600 --> 00:32:42,690

silver strength in it but anyway so I

525

00:32:46,640 --> 00:32:44,610

will want my supposed to deal with

526

00:32:50,300 --> 00:32:46,650

pearls and gold you know I mean I don't

527

00:32:53,720 --> 00:32:50,310

understand where that fits in because

528

00:32:56,720 --> 00:32:53,730

for one golden interest me pills don't

529

00:33:02,030 --> 00:32:56,730

interest me you know I'm a silver person

530

00:33:03,740 --> 00:33:02,040

so know that it kind of I kind of

531

00:33:07,340 --> 00:33:03,750

looking at it but when I were looking in

532

00:33:10,580 --> 00:33:07,350

there it were must save it freaking

533

00:33:12,380 --> 00:33:10,590

TARDIS you know it's a little car box on

534

00:33:15,410 --> 00:33:12,390

outside when he's stepping it's a

535

00:33:17,540 --> 00:33:15,420

massive room but they were it were a bit

536

00:33:21,440 --> 00:33:17,550

that's when he looked in this cube this

537

00:33:25,310 --> 00:33:21,450

black cube it would like just black him

538

00:33:30,440 --> 00:33:25,320

inside and it won't just to feel pearls

539

00:33:32,060 --> 00:33:30,450

and gold it were quite a lot of it but

540

00:33:33,950 --> 00:33:32,070

it were never-ending if you know what I

541

00:33:37,360 --> 00:33:33,960

mean it we're going down down down down

542

00:33:44,860 --> 00:33:37,370

so at different angles you could say

543

00:33:45,950 --> 00:33:44,870

that it would like glass the floor weird

544

00:33:48,049 --> 00:33:45,960

but

545

00:33:56,840 --> 00:33:48,059

then I don't remember Oh after that I

546

00:34:02,299 --> 00:33:56,850

don't remember oh yeah so we had the

547

00:34:07,940 --> 00:34:02,309

thatched roof Church red Indian but yeah

548

00:34:12,409 --> 00:34:07,950

and death but I did wake up absolutely

549

00:34:15,349 --> 00:34:12,419

crying my eyes out if we're actually me

550

00:34:20,119 --> 00:34:15,359

craned that what myself thought yeah you

551

00:34:34,520 --> 00:34:20,129

know yeah what was the other part

552

00:34:35,990 --> 00:34:34,530

oops very black box was that's the

553

00:34:38,359 --> 00:34:36,000

church that's that

554

00:34:43,310 --> 00:34:38,369

oh do you know what mister now we're

555

00:34:50,200 --> 00:34:43,320

yeah we missed another black cube um but

556

00:34:56,599 --> 00:34:52,790

somebody else under me a black heel but

557

00:34:59,450 --> 00:34:56,609

it ad kinda light coming coming out at

558

00:35:02,450 --> 00:34:59,460

saints of it if you know what I mean in

559

00:35:05,170 --> 00:35:02,460

it were like white light just coming out

560

00:35:08,740 --> 00:35:05,180

it seems but I can't remember the full

561

00:35:11,750 --> 00:35:08,750

thing about was that occurred you know

562

00:35:13,370 --> 00:35:11,760

so I cat I'm gonna miss that one cuz I'm

563

00:35:25,790 --> 00:35:13,380

just gonna sit and think about that

564

00:35:30,310 --> 00:35:25,800

[h\_\_\h] it is that I don't it's kind of

565

00:35:35,180 --> 00:35:30,320

gone asleep as Neely sure well and I'm

566

00:35:37,430 --> 00:35:35,190

presented a gray it's about five four

567

00:35:41,329 --> 00:35:37,440

it's not a smaller one is about five

568

00:35:46,099 --> 00:35:41,339

foot honey and he's put his hand out and

569

00:35:52,089 --> 00:35:46,109

it took this but it were kind of bigger

570

00:35:54,620 --> 00:35:52,099

than the woman with a red Indian and I

571

00:35:58,339 --> 00:35:54,630

don't know I think I said no I'm not

572

00:35:59,780 --> 00:35:58,349

taking it and he says it take it you

573

00:36:02,810 --> 00:35:59,790

know I mean babies I'll tell it

574

00:36:05,500 --> 00:36:02,820

I'm not checking it and they said take

575

00:36:08,000 --> 00:36:05,510

it I won't know cuz I know what's in it

576

00:36:12,740 --> 00:36:08,010

and I said all what's in it

577

00:36:16,490 --> 00:36:12,750

I said knowledge and I could see without

578

00:36:18,110 --> 00:36:16,500

opening it up I could say there was so

579

00:36:20,510 --> 00:36:18,120

it's like as if I'm seeing through it

580

00:36:23,810 --> 00:36:20,520

like x-ray vision and they were like

581

00:36:29,720 --> 00:36:23,820

silver threads going through it

582

00:36:33,440 --> 00:36:29,730

oh and gold bit straight but you know

583

00:36:36,020 --> 00:36:33,450

what ma'am yeah and but I didn't even

584

00:36:38,840 --> 00:36:36,030

have to open it to know what would in

585

00:36:41,720 --> 00:36:38,850

that and I said it's knowledge but as

586

00:36:47,150 --> 00:36:41,730

I'm looking like x-rays I could see

587

00:36:49,520 --> 00:36:47,160

through it and silver threads why do I

588

00:37:24,230 --> 00:36:49,530

look like Camilla parker-bowles with

589

00:37:27,320 --> 00:37:24,240

this air box either with a pop group

590

00:37:30,650 --> 00:37:27,330

they're called black box yeah this is

591

00:37:42,410 --> 00:37:30,660

the right you're right on time you know

592

00:37:45,140 --> 00:37:42,420

because you ride our next one yeah right

593

00:37:52,460 --> 00:37:45,150

next one's age 36 as well so we've got a

594

00:37:55,820 --> 00:37:52,470

bit going on throws out the hand and so

595

00:38:00,080 --> 00:37:55,830

sorry short on face and um I've got a

596

00:38:01,670 --> 00:38:00,090

page when I lived at 16 of it world the

597

00:38:03,500 --> 00:38:01,680

one where you first met me that's where

598

00:38:07,340 --> 00:38:03,510

I lived one it of their seeing you it

599

00:38:10,220 --> 00:38:07,350

were a bit weed [h\_\_h] over there I've

600

00:38:12,380 --> 00:38:10,230

gone about and and I haven't even gone

601  
00:38:13,609 --> 00:38:12,390  
asleep you know it would I would just

602  
00:38:17,839 --> 00:38:13,619  
kind of lined out

603  
00:38:19,880 --> 00:38:17,849  
at darkness but I had doll up and I

604  
00:38:23,420 --> 00:38:19,890  
always had the door open the jar left

605  
00:38:25,700 --> 00:38:23,430  
that lie bits of used like come in ink

606  
00:38:32,150 --> 00:38:25,710  
but I can't sleep in total doubt and

607  
00:38:34,339 --> 00:38:32,160  
it's like a lot of us but so I'm lying

608  
00:38:36,739 --> 00:38:34,349  
on my side like that and I'm gonna get

609  
00:38:38,599 --> 00:38:36,749  
paid even though I've got a double bed a

610  
00:38:40,549 --> 00:38:38,609  
cat of some reason I've never been able

611  
00:38:43,640 --> 00:38:40,559  
to sleep in middle of the bed and Siva

612  
00:38:45,620 --> 00:38:43,650  
one side or other and I think that's

613  
00:38:52,210 --> 00:38:45,630

because when I were little always a

614

00:39:00,499 --> 00:38:56,870

so I'm lying there and no I mean even

615

00:39:04,960 --> 00:39:00,509

attempted to go asleep I'm just not even

616

00:39:08,210 --> 00:39:04,970

thinking about oh and next minute I'm

617

00:39:11,239 --> 00:39:08,220

looking and the sun's coming inside is

618

00:39:14,989 --> 00:39:11,249

they someone's Lynam flower and it's

619

00:39:21,650 --> 00:39:14,999

coming up yeah it's coming up from

620

00:39:25,400 --> 00:39:21,660

flower any girls like that and I'm lying

621

00:39:30,549 --> 00:39:25,410

there in a kind of open me eyes and he's

622

00:39:34,489 --> 00:39:30,559

this hand it's a great hand and it's

623

00:39:36,410 --> 00:39:34,499

definitely three fingers I don't

624

00:39:38,799 --> 00:39:36,420

remember seeing some my royal finger

625

00:39:44,630 --> 00:39:38,809

base three fingers where's that bit well

626

00:39:49,150 --> 00:39:44,640

the right long boner me out just went oh

627

00:39:52,430 --> 00:39:49,160

my doom you know what I mean that yeah

628

00:39:56,749 --> 00:39:52,440

instant like some discipline she chests

629

00:40:02,150 --> 00:39:56,759

it with that so I'm lying down and well

630

00:40:03,739 --> 00:40:02,160

it's because I'm lying that way and it

631

00:40:08,930 --> 00:40:03,749

just went like that straight on and

632

00:40:09,380 --> 00:40:08,940

before eight I'm out no nothing more

633

00:40:12,319 --> 00:40:09,390

than that

634

00:40:27,620 --> 00:40:12,329

that's it but what were you doing on

635

00:40:31,969 --> 00:40:27,630

floor when I was looking a friend

636

00:40:34,749 --> 00:40:31,979

an ex-friend you know Luna you wrote the

637

00:40:42,049 --> 00:40:34,759

book about many claimants be my alien

638

00:40:44,839 --> 00:40:42,059

her she sat there and there's another

639

00:40:47,569 --> 00:40:44,849

person that we know sub behind her and

640

00:40:50,900 --> 00:40:47,579

he's not he's hung with her so that

641

00:40:54,410 --> 00:40:50,910

thing goes there like that like right

642

00:40:57,910 --> 00:40:54,420

and then just on the forehead sounds

643

00:41:01,430 --> 00:40:57,920

like that and these specials a bit

644

00:41:04,309 --> 00:41:01,440

droopy and weird-looking but I'm looking

645

00:41:09,049 --> 00:41:04,319

and all I remember he saying is don't

646

00:41:10,999 --> 00:41:09,059

then prove it yeah and face her face

647

00:41:16,940 --> 00:41:11,009

kind of wicked you know like you get

648

00:41:20,329 --> 00:41:16,950

lines on the screen it was a gray no way

649

00:41:21,829 --> 00:41:20,339

[h\_\_h] Ella face changed yeah and here

650

00:41:25,519 --> 00:41:21,839

comes that from be anyway oh let's have

651  
00:41:29,599 --> 00:41:25,529  
a look steps out there's always a little

652  
00:41:31,219 --> 00:41:29,609  
P weird shapes like shape and like like

653  
00:41:34,719 --> 00:41:31,229  
just try to look like something but

654  
00:41:37,940 --> 00:41:34,729  
can't quite do it and within one second

655  
00:41:43,039 --> 00:41:37,950  
from being over there it was there like

656  
00:41:44,359 --> 00:41:43,049  
that my forehead and my eyes was just

657  
00:41:46,579 --> 00:41:44,369  
pulled off but there was nothing that I

658  
00:41:48,890 --> 00:41:46,589  
my eyes are no controllers around hours

659  
00:41:51,589 --> 00:41:48,900  
hold right up looking right up so it

660  
00:41:53,690 --> 00:41:51,599  
sure it was hurting those muscles at the

661  
00:41:56,749 --> 00:41:53,700  
back of my eyes and I was looking into

662  
00:41:59,900 --> 00:41:56,759  
these two little dots these two pins of

663  
00:42:02,870 --> 00:41:59,910

white light in their eyes like teeny

664

00:42:10,099 --> 00:42:02,880

tiny pinhole pupils that will right and

665

00:42:16,609 --> 00:42:10,109

then everything just went white flash in

666

00:42:19,069 --> 00:42:16,619

my eyes it was behind outsiders like

667

00:42:21,229 --> 00:42:19,079

that it was like only as white as a

668

00:42:26,719 --> 00:42:21,239

piece of paper it wasn't a bright light

669

00:42:29,390 --> 00:42:26,729

yes then because I remember saying today

670

00:42:31,249 --> 00:42:29,400

waking up going I've been talking to

671

00:42:32,870 --> 00:42:31,259

somebody every night this week you know

672

00:42:35,170 --> 00:42:32,880

I've been dreams of just talking all

673

00:42:37,910 --> 00:42:35,180

night it's just someone like

674

00:42:41,680 --> 00:42:37,920

conversations in using me dreams you

675

00:42:50,090 --> 00:42:46,810

so I happened something that happened

676

00:42:53,359 --> 00:42:50,100

but up until that point had just been

677

00:42:59,800 --> 00:42:53,369

sat having conversations but then that

678

00:43:02,390 --> 00:42:59,810

that particular night that happened and

679

00:43:10,130 --> 00:43:02,400

teeny tiny white pupils and all that

680

00:43:13,100 --> 00:43:10,140

black shininess that was a whole weird

681

00:43:20,770 --> 00:43:13,110

episode I mean I don't ask for some

682

00:43:28,190 --> 00:43:26,140

transgender - I'm a hybrid I was like

683

00:43:29,450 --> 00:43:28,200

you know I don't know what I believe

684

00:43:32,780 --> 00:43:29,460

about hybrids

685

00:43:36,410 --> 00:43:32,790

I don't think I don't think you would

686

00:43:39,109 --> 00:43:36,420

know if you were one that's just my

687

00:43:41,600 --> 00:43:39,119

identity issues going on there you know

688

00:43:45,590 --> 00:43:41,610

my iron itself out but then it went the

689

00:43:47,870 --> 00:43:45,600

other way from like me thinking that she

690

00:43:52,580 --> 00:43:47,880

won't realize it was just some sort of

691

00:43:54,830 --> 00:43:52,590

identity crisis being a fall alien and

692

00:43:57,590 --> 00:43:54,840

then my alien hunter who's responsible

693

00:43:59,240 --> 00:43:57,600

for my children and all the rest of it

694

00:44:01,730 --> 00:43:59,250

and I was like wow

695

00:44:04,280 --> 00:44:01,740

would you dare ever admit to somebody

696

00:44:07,400 --> 00:44:04,290

that Hank it was me that absolutely

697

00:44:10,540 --> 00:44:07,410

screwed your head in y'all - cuz like I

698

00:44:13,580 --> 00:44:10,550

don't believe for a second that that

699

00:44:16,970 --> 00:44:13,590

person was actually what they said they

700

00:44:19,460 --> 00:44:16,980

would I would kill them because it

701

00:44:22,370 --> 00:44:19,470

really everything's all ruined me ruin

702

00:44:24,440 --> 00:44:22,380

my life you know it's not all like fun

703

00:44:27,349 --> 00:44:24,450

engage make the best out of it but at

704

00:44:30,620 --> 00:44:27,359

the end of the day you know this is not

705

00:44:32,720 --> 00:44:30,630

something I like which actually brings

706

00:44:35,200 --> 00:44:32,730

us to a question that was asked earlier

707

00:44:39,770 --> 00:44:35,210

of my Facebook page

708

00:44:41,480 --> 00:44:39,780

Eileen do they feel like family to you

709

00:44:46,520 --> 00:44:41,490

the aliens that they feel like family's

710

00:44:47,510 --> 00:44:46,530

here oh no question dose at a fight well

711

00:44:51,170 --> 00:44:47,520

[h\_\_\h] mother

712

00:44:53,440 --> 00:44:51,180

Eiling Eileen you know she's on my

713

00:44:56,840 --> 00:44:53,450

facebook

714

00:45:00,770 --> 00:44:56,850

finally do the feel like family yeah but

715

00:45:04,820 --> 00:45:00,780

in that other life not this life yeah

716

00:45:08,270 --> 00:45:04,830

was it answer me we have different you

717

00:45:19,010 --> 00:45:08,280

say that say we have different as did

718

00:45:22,670 --> 00:45:19,020

you get two very different connected to

719

00:45:30,680 --> 00:45:22,680

but in a way that's kind of not like I'm

720

00:45:33,800 --> 00:45:30,690

not all like I feel very threatened and

721

00:45:34,700 --> 00:45:33,810

intimidated and abused by armies in that

722

00:45:41,420 --> 00:45:34,710

way I do

723

00:45:43,730 --> 00:45:41,430

but then in another way I feel do you

724

00:45:47,870 --> 00:45:43,740

know that I trust them then what I do

725

00:45:50,540 --> 00:45:47,880

just some Muslim Ottomans and I think

726

00:45:55,430 --> 00:45:50,550

that's why I have what the color is it

727

00:45:57,950 --> 00:45:55,440

like something like arm syndrome yeah

728

00:46:01,609 --> 00:45:57,960

and you know I mean so ever it's that

729

00:46:06,140 --> 00:46:01,619

that I suffer from I I don't know but I

730

00:46:09,230 --> 00:46:06,150

do feel not as is such like a sister or

731

00:46:12,580 --> 00:46:09,240

a brother type thing but it's I do feel

732

00:46:15,800 --> 00:46:12,590

that solid connection these summit there

733

00:46:20,150 --> 00:46:15,810

within a what you would get in a family

734

00:46:23,780 --> 00:46:20,160

but not the same sort of sister brother

735

00:46:31,190 --> 00:46:23,790

sir thing you know I mean yeah whereas I

736

00:46:34,730 --> 00:46:31,200

would happily throttle them some humans

737

00:46:36,230 --> 00:46:34,740

and because I've never actually the

738

00:46:38,930 --> 00:46:36,240

matter startled me

739

00:46:42,170 --> 00:46:38,940

you know the matter to refine me at

740

00:46:45,410 --> 00:46:42,180

times and whatever but I've been hurt

741

00:46:52,280 --> 00:46:45,420

more by the humans than way of them I'd

742

00:46:57,710 --> 00:46:52,290

say same time whether to me my family

743

00:47:02,720 --> 00:46:57,720

was [h\_\_h] and torturous yeah want to die

744

00:47:06,000 --> 00:47:02,730

and this I I don't feel any affinity at

745

00:47:08,490 --> 00:47:06,010

all yeah and

746

00:47:10,830 --> 00:47:08,500

I screamed at him and said all the

747

00:47:14,340 --> 00:47:10,840

terrible things that I said they got

748

00:47:17,490 --> 00:47:14,350

away what this but I was literally

749

00:47:22,650 --> 00:47:17,500

pushed to the point of where I wanted to

750

00:47:25,680 --> 00:47:22,660

drive my parents over as well I mean

751

00:47:28,260 --> 00:47:25,690

think that because I feel like yeah oh

752

00:47:31,080 --> 00:47:28,270

yeah I feel like you know the some sort

753

00:47:33,240 --> 00:47:31,090

of family days all loving Rosie's

754

00:47:35,850 --> 00:47:33,250

because it's the total opposite I don't

755

00:47:39,510 --> 00:47:35,860

feel that love and rule says you know

756

00:47:41,700 --> 00:47:39,520

what I mean is as you know in in how you

757

00:47:43,530 --> 00:47:41,710

perceive it to be liked of the feel part

758

00:47:48,600 --> 00:47:43,540

of family well you love your family

759

00:47:53,400 --> 00:47:48,610

don't ya you care for your family but

760

00:47:57,300 --> 00:47:53,410

it's not that kind of family connection

761

00:47:58,860 --> 00:47:57,310

it's a different connection that I got

762

00:48:02,090 --> 00:47:58,870

it I can't really explain

763

00:48:05,040 --> 00:48:02,100

there's no lovin Rosie's there but it's

764

00:48:08,610 --> 00:48:05,050

yeah so they should answer Eileen thank

765

00:48:14,730 --> 00:48:08,620

you for the question and another

766

00:48:17,190 --> 00:48:14,740

question from Philip Kinsella was what I

767

00:48:21,630 --> 00:48:17,200

was gonna say who them but what do you

768

00:48:27,650 --> 00:48:21,640

think the greys are I do yeah I've

769

00:48:33,060 --> 00:48:29,420

personality

770

00:48:47,160 --> 00:48:33,070

yeah then you've come you see your

771

00:48:49,500 --> 00:48:47,170

little great right yeah called an insect

772

00:48:51,660 --> 00:48:49,510

like they remind me

773

00:48:58,200 --> 00:48:51,670

officially the remind me of gecko

774

00:49:02,910 --> 00:48:58,210

lizards yeah a little okay the skin so

775

00:49:04,770 --> 00:49:02,920

smooth eyes go up like that they just

776

00:49:06,720 --> 00:49:04,780

bulge out that much that when the

777

00:49:10,590 --> 00:49:06,730

command it kind of gives the appearance

778

00:49:12,810 --> 00:49:10,600

of being ailment the goal yeah yeah I

779

00:49:16,080 --> 00:49:12,820

know I know because when I put them

780

00:49:18,330 --> 00:49:16,090

visors on a the flatulence of they're

781

00:49:19,680 --> 00:49:18,340

not a the they're really rounded a bear

782

00:49:22,620 --> 00:49:19,690

but they're not

783

00:49:25,349 --> 00:49:22,630

don't actually go up that [h\_\_h] yeah

784

00:49:28,010 --> 00:49:25,359

where'd that you look at and where you

785

00:49:39,390 --> 00:49:28,020

are at that particular time

786

00:49:41,849 --> 00:49:39,400

so where did I get to where will I see I

787

00:49:44,730 --> 00:49:41,859

think a lot of them are clones but I

788

00:49:52,950 --> 00:49:44,740

think there's subsets of them different

789

00:49:54,809 --> 00:49:52,960

sets of them back yeah I I've gone

790

00:49:57,660 --> 00:49:54,819

through all these different theories in

791

00:50:09,890 --> 00:49:57,670

my life and now I just think I don't

792

00:50:18,569 --> 00:50:14,339

hive mind is they'll be from the same

793

00:50:20,910 --> 00:50:18,579

one yeah which might makes them so that

794

00:50:26,339 --> 00:50:20,920

we are one with one who is all things

795

00:50:28,380 --> 00:50:26,349

that they say I had that's a woman but

796

00:50:33,300 --> 00:50:28,390

you know we could interpret that as

797

00:50:38,520 --> 00:50:33,310

being could be interpreted dis universal

798

00:50:40,079 --> 00:50:38,530

connection can there be I mean I can't

799

00:50:42,150 --> 00:50:40,089

say what they are Philip I don't know

800

00:50:47,280 --> 00:50:42,160

what they own I can't even think of what

801  
00:50:49,740 --> 00:50:47,290  
they are you know I've gone through all

802  
00:50:58,829 --> 00:50:49,750  
these fairies I've tried and it's not

803  
00:51:02,630 --> 00:50:58,839  
happening safety you know I don't know

804  
00:51:05,160 --> 00:51:02,640  
like the safety in disbelief yeah yeah

805  
00:51:09,359 --> 00:51:05,170  
like sometimes I think yes it's

806  
00:51:13,099 --> 00:51:09,369  
definitely alien zombie people I know

807  
00:51:19,680 --> 00:51:13,109  
it's not nothing is a face it from

808  
00:51:21,690 --> 00:51:19,690  
dementia yeah okay I can't I can't on

809  
00:51:23,910 --> 00:51:21,700  
straight Phillip I'm sorry yeah I was a

810  
00:51:26,640 --> 00:51:23,920  
species anyway look at where we live

811  
00:51:30,420 --> 00:51:26,650  
bloody subpoena was in round a ball if I

812  
00:51:32,490 --> 00:51:30,430  
have this new space that's all would

813  
00:51:33,370 --> 00:51:32,500

seemingly be impossible that we would

814

00:51:36,039 --> 00:51:33,380

even exist

815

00:51:39,359 --> 00:51:36,049

but here we are arguing about what may

816

00:51:52,839 --> 00:51:50,069

oh we know is it's a murder [h\_\_h] so

817

00:51:58,719 --> 00:51:52,849

we've got wooden Eliot another hour oh

818

00:52:00,339 --> 00:51:58,729

yeah you wanna call this one a day oh

819

00:52:07,109 --> 00:52:00,349

gee when they go into another one what's

820

00:52:11,829 --> 00:52:07,119

next what would be nice to Riccardi yeah

821

00:52:16,979 --> 00:52:11,839

so regarding um let's talk what did I

822

00:52:23,489 --> 00:52:16,989

just talk about all that hand one yeah

823

00:52:31,870 --> 00:52:27,670

do you know what it's so my only saw

824

00:52:34,710 --> 00:52:31,880

ones and they absolutely terrified me it

825

00:52:38,650 --> 00:52:34,720

will it will earn it were weird because

826

00:52:42,339 --> 00:52:38,660

you know that film that is it spirits

827

00:52:43,809 --> 00:52:42,349

odyssey away yeah yeah anywhere saying

828

00:52:49,959 --> 00:52:43,819

they ever watched it once cuz I didn't

829

00:52:51,759 --> 00:52:49,969

understand it so anyway this was it were

830

00:52:53,739 --> 00:52:51,769

only years and years back that he

831

00:52:56,289 --> 00:52:53,749

actually watched it I've never actually

832

00:52:58,839 --> 00:52:56,299

seen it before they and it were like you

833

00:53:05,349 --> 00:52:58,849

know that film sound of music I only

834

00:53:08,559 --> 00:53:05,359

watched it last year yeah so much space

835

00:53:10,479 --> 00:53:08,569

so this sec you know what I mean really

836

00:53:17,140 --> 00:53:10,489

couple years ago I watched it a lot I

837

00:53:22,180 --> 00:53:17,150

don't get it not much going on in it to

838

00:53:23,589 --> 00:53:22,190

me anyway as some people should say well

839

00:53:25,989 --> 00:53:23,599

she shall get it you know what I mean

840

00:53:29,920 --> 00:53:25,999

but I don't know some things I don't get

841

00:53:34,359 --> 00:53:29,930

but anyway um so this black mana wings

842

00:53:36,789 --> 00:53:34,369

and a now I'm not even sure where they

843

00:53:40,599 --> 00:53:36,799

were gone Abed one of them thought

844

00:53:41,799 --> 00:53:40,609

things that had come through but I don't

845

00:53:43,900 --> 00:53:41,809

know when it would come through you know

846

00:53:46,460 --> 00:53:43,910

I can't said that was studying wherever

847

00:53:57,230 --> 00:53:46,470

are I will at work or whatever it just

848

00:53:59,230 --> 00:53:57,240

and I was flooring of a floor in on the

849

00:54:04,280 --> 00:53:59,240

street but a bit higher up the new yeah

850

00:54:07,010 --> 00:54:04,290

and I could say there's a curry shop at

851  
00:54:09,770 --> 00:54:07,020  
bucket those houses over world there's a

852  
00:54:12,530 --> 00:54:09,780  
back of the curry shop and then if you

853  
00:54:14,599 --> 00:54:12,540  
got from the curry shop its main road so

854  
00:54:18,559 --> 00:54:14,609  
at the back of the curry shop I coulda

855  
00:54:25,490 --> 00:54:18,569  
shot a closed and above the door I could

856  
00:54:28,490 --> 00:54:25,500  
say a flat totally black oblong so it's

857  
00:54:30,339 --> 00:54:28,500  
you know I mean it's like a black mano

858  
00:54:33,740 --> 00:54:30,349  
in fact I could see the top of it else

859  
00:54:39,230 --> 00:54:33,750  
so there you are black mano Ling's and

860  
00:54:42,710 --> 00:54:39,240  
it was wider than the door and it was on

861  
00:54:46,609 --> 00:54:42,720  
fire but the fire was coming out all the

862  
00:54:48,970 --> 00:54:46,619  
way around the edges flames now flames

863  
00:54:54,309 --> 00:54:48,980

had to go up there but these were coming

864

00:54:58,309 --> 00:54:54,319

straight out and it was it was just a

865

00:55:02,390 --> 00:54:58,319

cat and it were just so and we're just

866

00:55:08,870 --> 00:55:02,400

drawn a looking at it but it there was

867

00:55:19,550 --> 00:55:08,880

some evil about how it just say evil is

868

00:55:23,829 --> 00:55:19,560

it right word it won't what evil I think

869

00:55:26,540 --> 00:55:23,839

that's not the right word malevolent

870

00:55:28,430 --> 00:55:26,550

that's probably you could that I said

871

00:55:30,829 --> 00:55:28,440

before you can describe stuff better

872

00:55:36,290 --> 00:55:30,839

than me and I just can't find where it's

873

00:55:38,390 --> 00:55:36,300

sometimes so yeah it would that only it

874

00:55:40,609 --> 00:55:38,400

was just badness it was just bad and

875

00:55:43,880 --> 00:55:40,619

that's all I remember about these black

876

00:55:45,790 --> 00:55:43,890

modeling's they were flirting because it

877

00:55:48,980 --> 00:55:45,800

would kind of what pulling a bear is

878

00:55:52,010 --> 00:55:48,990

there that's all I can remember about

879

00:55:54,970 --> 00:55:52,020

that black mana length it might be shot

880

00:55:59,780 --> 00:55:54,980

what I've just told ya but it's

881

00:56:02,030 --> 00:55:59,790

significant where you know yeah that

882

00:56:17,940 --> 00:56:04,790

like Minoans

883

00:56:23,700 --> 00:56:17,950

that would age 38 so what's next right

884

00:56:26,849 --> 00:56:23,710

hated need to get the wah hate near the

885

00:56:34,770 --> 00:56:26,859

gates when I were picking pegs alright

886

00:56:37,680 --> 00:56:34,780

yeah yeah that's age for Sue all about

887

00:56:40,410 --> 00:56:37,690

six o'clock right summer morning right

888

00:56:43,170 --> 00:56:40,420

you know mid at midsummer where it got

889

00:56:46,500 --> 00:56:43,180

he gets like at like a plus three four

890

00:56:48,660 --> 00:56:46,510

o'clock in Arlen and before I went to

891

00:56:50,820 --> 00:56:48,670

work I decided to put some washi now

892

00:56:54,690 --> 00:56:50,830

I've done washing in you know night

893

00:56:57,089 --> 00:56:54,700

before left embossed and decided then

894

00:57:02,839 --> 00:56:57,099

I'll go hang out cuz it's gonna be a hot

895

00:57:05,849 --> 00:57:02,849

sunny day so there's me pegs with me and

896

00:57:08,040 --> 00:57:05,859

wash him bask in that anyway so girls in

897

00:57:10,200 --> 00:57:08,050

her backyard and this is it the al surf

898

00:57:12,240 --> 00:57:10,210

there again this is where I'm only a

899

00:57:15,960 --> 00:57:12,250

dark weird [h\_\_h] going on

900

00:57:20,599 --> 00:57:15,970

so when goes in at that guard and he can

901  
00:57:24,930 --> 00:57:20,609  
it birds tweeting and so the big fence

902  
00:57:27,780 --> 00:57:24,940  
probably comes to about a year while

903  
00:57:32,010 --> 00:57:27,790  
each side to meet at near bears and I

904  
00:57:34,680 --> 00:57:32,020  
puts me washing down and we pegs on top

905  
00:57:37,200 --> 00:57:34,690  
of it so as I'm putting I'm putting

906  
00:57:42,000 --> 00:57:37,210  
washing up pegging and put an ill peg in

907  
00:57:43,740 --> 00:57:42,010  
them and I dropped a peg nothing no

908  
00:57:47,540 --> 00:57:43,750  
atmosphere to change birds are still

909  
00:57:50,490 --> 00:57:47,550  
twee in and but anyway drops this peg

910  
00:57:54,570 --> 00:57:50,500  
down it goes as fuel swear words in

911  
00:57:57,540 --> 00:57:54,580  
between girls down to pick it up and I'm

912  
00:58:02,040 --> 00:57:57,550  
near enough the gay side said the gay is

913  
00:58:03,720 --> 00:58:02,050

a good what 5 foot away from and cuz

914

00:58:04,980 --> 00:58:03,730

I've kind of worked from the dark I mean

915

00:58:09,150 --> 00:58:04,990

down with washing

916

00:58:14,080 --> 00:58:09,160

yes she's preggers and some reason I

917

00:58:21,190 --> 00:58:14,090

turned to look towards again

918

00:58:25,420 --> 00:58:21,200

and this ahead fold the eyes little

919

00:58:26,880 --> 00:58:25,430

mouse looking looking out get at me like

920

00:58:31,240 --> 00:58:26,890

that

921

00:58:33,190 --> 00:58:31,250

well I would just so god smart tip I

922

00:58:36,760 --> 00:58:33,200

would just I must have been crouched

923

00:58:41,470 --> 00:58:36,770

down this peg in me and I don't know I

924

00:58:43,690 --> 00:58:41,480

know what's up there and everything had

925

00:58:47,260 --> 00:58:43,700

just gone out of my mind and I just know

926  
00:58:50,590 --> 00:58:47,270  
it they give me and so I'm on the same

927  
00:58:54,550 --> 00:58:50,600  
level is it looking at me through gate

928  
00:59:01,060 --> 00:58:54,560  
like that and all of a sudden it just

929  
00:59:05,170 --> 00:59:01,070  
moved it said back and I could scuttle

930  
00:59:08,400 --> 00:59:05,180  
in and where they went and I just like

931  
00:59:11,680 --> 00:59:08,410  
it stood up really slow and I thought

932  
00:59:18,430 --> 00:59:11,690  
what the [h\_\_h] do I do with ace well not

933  
00:59:20,770 --> 00:59:18,440  
the peg some rest I was actually feeling

934  
00:59:27,640 --> 00:59:20,780  
a bit rational way you know what I mean

935  
00:59:30,850 --> 00:59:27,650  
oh I had some it's going down the times

936  
00:59:33,100 --> 00:59:30,860  
you kind of switch often there no they

937  
00:59:36,700 --> 00:59:33,110  
were actually and I won't scared

938  
00:59:39,490 --> 00:59:36,710

I won't it was just a idiot running off

939

00:59:42,370 --> 00:59:39,500

and I thought okay I'm gonna chase see

940

00:59:45,400 --> 00:59:42,380

where he's gone so he opens gay I gets

941

00:59:50,470 --> 00:59:45,410

to right-click open sketch and I looks

942

00:59:52,780 --> 00:59:50,480

down look so nothing nothing and that I

943

00:59:55,690 --> 00:59:52,790

were on a mission again it's great you

944

00:59:57,280 --> 00:59:55,700

know what made so a walks down a bit and

945

01:00:00,280 --> 00:59:57,290

I'm looking Inc Gardens looking at

946

01:00:04,330 --> 01:00:00,290

Gardens looking at GAD as nothing

947

01:00:06,760 --> 01:00:04,340

nothing so just went um carried on

948

01:00:08,820 --> 01:00:06,770

putting me washing out and in got ready

949

01:00:12,280 --> 01:00:08,830

go at work

950

01:00:16,900 --> 01:00:12,290

you know I'll them try who's that a cat

951  
01:00:21,990 --> 01:00:16,910  
mover you know full of even thought that

952  
01:00:24,220 --> 01:00:22,000  
was just that one time where I decided

953  
01:00:25,970 --> 01:00:24,230  
I'm gonna go for it

954  
01:00:29,200 --> 01:00:25,980  
nothing

955  
01:00:33,220 --> 01:00:29,210  
it's blocking me mind they were you know

956  
01:00:45,800 --> 01:00:33,230  
so just startled I want horrified I want

957  
01:00:50,330 --> 01:00:45,810  
just black clothes like a cycling well

958  
01:00:52,370 --> 01:00:50,340  
that was no that was the one that I we

959  
01:00:59,660 --> 01:00:52,380  
recorded over there when it went

960  
01:01:03,620 --> 01:00:59,670  
backward so for me wall yeah dot that

961  
01:01:07,609 --> 01:01:03,630  
that blue yeah so it was black sake is

962  
01:01:10,330 --> 01:01:07,619  
once again bill it Kinsella the woman

963  
01:01:15,740 --> 01:01:10,340

that came through his front door yes

964

01:01:18,290 --> 01:01:15,750

outfit on like the helmet on like the

965

01:01:20,570 --> 01:01:18,300

one I saw to helmet on and you sir with

966

01:01:23,810 --> 01:01:20,580

that chemistry on so I've got to get you

967

01:01:26,300 --> 01:01:23,820

and fill it together talking brandy

968

01:01:27,430 --> 01:01:26,310

booked into to record within next

969

01:01:31,310 --> 01:01:27,440

weekend

970

01:01:35,060 --> 01:01:31,320

yeah maybe maybe I'll get you on with

971

01:01:38,990 --> 01:01:35,070

him as well for a bit yeah talk about

972

01:01:41,390 --> 01:01:39,000

that because I think they covered him

973

01:01:42,680 --> 01:01:41,400

with the experience that I had when he

974

01:01:47,359 --> 01:01:42,690

was telling me what you were the

975

01:01:49,280 --> 01:01:47,369

information yeah the material that the

976  
01:01:51,290 --> 01:01:49,290  
way I protected internal organs because

977  
01:01:53,840 --> 01:01:51,300  
we internal organs are affected by

978  
01:01:58,460 --> 01:01:53,850  
different types of light especially

979  
01:02:02,540 --> 01:01:58,470  
things like blue light blue ray yes and

980  
01:02:04,460 --> 01:02:02,550  
I think that's why they wear something

981  
01:02:05,050 --> 01:02:04,470  
to protect this bit you know all the way

982  
01:02:08,770 --> 01:02:05,060  
down

983  
01:02:14,440 --> 01:02:08,780  
yeah weather whatever their internals

984  
01:02:17,750 --> 01:02:14,450  
needs to be protected from would blow

985  
01:02:21,620 --> 01:02:17,760  
that going up backwards off at well at

986  
01:02:23,300 --> 01:02:21,630  
the round neck but a lot of people see

987  
01:02:27,020 --> 01:02:23,310  
with fuller neck

988  
01:02:30,770 --> 01:02:27,030

well not you know what I mean it don't

989

01:02:32,810 --> 01:02:30,780

know what I said oh I know where that

990

01:02:38,400 --> 01:02:32,820

one today it's a bit more cool what

991

01:02:55,140 --> 01:02:51,930

yes you know I don't know yeah right

992

01:03:01,820 --> 01:02:55,150

we're over an hour this is this is the

993

01:03:05,670 --> 01:03:01,830

third part because stop recording now

994

01:03:07,530 --> 01:03:05,680

we've shall parent where we left off

995

01:03:13,470 --> 01:03:07,540

because there's so much mom I'm really

996

01:03:16,470 --> 01:03:13,480

not into anything of mine what we do

997

01:03:19,260 --> 01:03:16,480

have an epic adventures together which I

998

01:03:29,220 --> 01:03:19,270

reckon when we start telling that that's

999

01:03:34,980 --> 01:03:29,230

when I'll have to come in and tell my I

1000

01:03:57,350 --> 01:03:34,990

know God will make it through a lockdown

1001  
01:04:03,930 --> 01:03:57,360  
anyway episodes of twenty first nineteen

1002  
01:04:06,570 --> 01:04:03,940  
yep yeah so this is the end of part

1003  
01:04:09,690 --> 01:04:06,580  
three of whatever is this we're doing I

1004  
01:04:14,220 --> 01:04:09,700  
think he's quite well develop into

1005  
01:04:17,160 --> 01:04:14,230  
something like you know video diary

1006  
01:04:18,450 --> 01:04:17,170  
might do paranormal something people

1007  
01:04:22,260 --> 01:04:18,460  
just don't you know I've seen the ghost

1008  
01:04:29,100 --> 01:04:22,270  
Il ones and go bring we will bring gusty

1009  
01:04:31,440 --> 01:04:29,110  
ones and away and you know only go in

1010  
01:04:39,600 --> 01:04:31,450  
order of with Sasha really so it's like

1011  
01:04:43,380 --> 01:04:39,610  
bits of scraps of them with you make a

1012  
01:04:45,210 --> 01:04:43,390  
few little notes because otherwise I

1013  
01:04:48,450 --> 01:04:45,220

forget what we're talking about Anna do

1014

01:04:51,160 --> 01:04:48,460

you know but what they were willing so

1015

01:04:54,970 --> 01:04:51,170

you did same story twice

1016

01:05:03,780 --> 01:04:54,980

you know yeah we'll get round to the

1017

01:05:33,400 --> 01:05:06,670

everybody has a taste of us paranormal

1018

01:05:38,590 --> 01:05:33,410

as well this that's why where else was

1019

01:05:40,390 --> 01:05:38,600

clean before these came along alright so

1020

01:05:42,340 --> 01:05:40,400

we will set up another task ricard

1021

01:05:43,570 --> 01:05:42,350

everybody thanks for tuning in and

1022

01:05:46,650 --> 01:05:43,580

thanks for your comments if you've got

1023

01:05:51,310 --> 01:05:46,660

any questions message me on Facebook and
