

1
00:00:11,240 --> 00:00:07,340
back paw paw hello everybody we're gonna

2
00:00:17,630 --> 00:00:11,250
do a few days ago but I've been run over

3
00:00:23,509 --> 00:00:17,640
pain face well we we've just done the

4
00:00:31,970 --> 00:00:23,519
show as well the station Oh screen brown

5
00:00:36,590 --> 00:00:31,980
taupe Johnson yeah I think you said that

6
00:00:44,470 --> 00:00:36,600
be next week yes the interview that you

7
00:00:55,549 --> 00:00:48,380
yeah yes always hot a couple of things

8
00:01:02,389 --> 00:00:55,559
on there that you've you Paula

9
00:01:05,030 --> 00:01:02,399
you know if we if we watch over the

10
00:01:07,429 --> 00:01:05,040
videos again and and then you realize

11
00:01:10,570 --> 00:01:07,439
that you've missed something out we'll

12
00:01:15,560 --> 00:01:10,580
just do a little add-on you know that

13
00:01:17,380 --> 00:01:15,570

maybe even figure out how to glue two

14

00:01:24,760 --> 00:01:17,390

videos together at some point in time

15

00:01:36,859 --> 00:01:31,039

software brain in diminishing somewhere

16

00:01:38,870 --> 00:01:36,869

I don't know but I think actually

17

00:01:41,929 --> 00:01:38,880

talking about what we've been talking

18

00:01:45,499 --> 00:01:41,939

about is this is where I'm having a pain

19

00:01:47,330 --> 00:01:45,509

flier part of the reason I'm probably

20

00:01:51,980 --> 00:01:47,340

four I felt sick of the night anyway so

21

00:01:53,510 --> 00:01:51,990

it's like a lot and then both of us just

22

00:01:58,609 --> 00:01:53,520

sort of fell apart don't weigh for a

23

00:02:05,929 --> 00:01:58,619

little bit but I'm same time for hours

24

00:02:07,969 --> 00:02:05,939

and do you remember you body remembers

25

00:02:13,840 --> 00:02:07,979

more than you bread you got like you

26

00:02:20,150 --> 00:02:13,850

know the memory I'll never stop

27

00:02:21,920 --> 00:02:20,160

yeah yeah yeah it's well map you know

28

00:02:25,460 --> 00:02:21,930

like smiley you know hahahaha [h__\h]

29

00:02:27,650 --> 00:02:25,470

about it but actually when we talk about

30

00:02:29,870 --> 00:02:27,660

it when we're on our own it's not for

31

00:02:35,810 --> 00:02:29,880

public it can get quite emotional can't

32

00:02:38,270 --> 00:02:35,820

because yeah basically changed our lives

33

00:02:43,700 --> 00:02:38,280

in ways you just would never imagine

34

00:02:47,390 --> 00:02:43,710

there by changing us it changes us yeah

35

00:02:49,310 --> 00:02:47,400

you cast me misbehaving yeah can you

36

00:02:52,090 --> 00:02:49,320

tell I'm trying not to look but I'm like

37

00:02:59,530 --> 00:02:52,100

which one is it now that's been appeared

38

00:03:14,680 --> 00:03:07,780

around spring fever anyway get back to

39

00:03:18,370 --> 00:03:14,690

the grays okay oh my god and

40

00:03:24,800 --> 00:03:18,380

interactions with you which is just

41

00:03:27,800 --> 00:03:24,810

incredible we got the alien in the get

42

00:03:29,840 --> 00:03:27,810

the bucket in the back straight up in

43

00:03:46,190 --> 00:03:29,850

our house yeah

44

00:03:48,380 --> 00:03:46,200

the two aliens and the drug dealers so I

45

00:03:52,460 --> 00:03:48,390

think this is more like a psychic thing

46

00:03:54,949 --> 00:03:52,470

than there so this is the ED near the

47

00:03:57,440 --> 00:03:54,959

gap when our edge far chase so now we're

48

00:04:01,910 --> 00:03:57,450

getting onto the far it ones I went

49

00:04:03,860 --> 00:04:01,920

through a stage like period of time you

50

00:04:10,900 --> 00:04:03,870

know you get so many and then it stops

51
00:04:14,180 --> 00:04:10,910
and but between 38 for it for a 142

52
00:04:16,550 --> 00:04:14,190
they're quite a few work 42 that's when

53
00:04:21,340 --> 00:04:16,560
I started contacting you'll get off my

54
00:04:26,720 --> 00:04:21,350
phone thank you not you you know that

55
00:04:31,130 --> 00:04:26,730
anyway so aliens

56
00:04:35,240 --> 00:04:31,140
fifteen right so when I lived at sixteen

57
00:04:38,330 --> 00:04:35,250
which was next up my mom's old house I'd

58
00:04:42,470 --> 00:04:38,340
come home from work and it will just

59
00:04:45,370 --> 00:04:42,480
like rest to wake Spain you know not a

60
00:04:48,880 --> 00:04:45,380
cloud in sky and beautiful weather

61
00:04:51,440 --> 00:04:48,890
anyway I come home from work and I get

62
00:04:56,080 --> 00:04:51,450
changed and because I wear a work

63
00:05:00,560 --> 00:04:56,090

uniform and now you got changed into

64

00:05:02,060 --> 00:05:00,570

just my normal everyday clothes with our

65

00:05:08,150 --> 00:05:02,070

intention they're going to sit outside

66

00:05:10,460 --> 00:05:08,160

before some girls down and somewhere may

67

00:05:15,040 --> 00:05:10,470

I've just got changed and something made

68

00:05:18,230 --> 00:05:15,050

me look at as a bedroom window and okay

69

00:05:21,710 --> 00:05:18,240

well now sorry this is the day after one

70

00:05:24,470 --> 00:05:21,720

it when I'm thinking about the car yeah

71

00:05:31,210 --> 00:05:24,480

all right no confuse let me go back and

72

00:05:36,740 --> 00:05:31,220

I and they're right so gross debate

73

00:05:38,990 --> 00:05:36,750

girls debate and ghost it goes into a

74

00:05:43,460 --> 00:05:39,000

deep sleep and then I will remember from

75

00:05:46,910 --> 00:05:43,470

that is I am floating in the middle of

76

00:05:49,820 --> 00:05:46,920

the street at bedroom high and I don't

77

00:05:55,190 --> 00:05:49,830

remember seeing my legs right get off my

78

00:05:56,960 --> 00:05:55,200

screen again I don't know but I come and

79

00:06:24,730 --> 00:05:56,970

I can't see you then because it cuts it

80

00:06:28,870 --> 00:06:24,740

off so anyway yeah serious mode so I'm

81

00:06:31,850 --> 00:06:28,880

outside my bedroom window floor in

82

00:06:35,870 --> 00:06:31,860

middle at night I'm a human is its dads

83

00:06:39,170 --> 00:06:35,880

nothing else about and I can't see my

84

00:06:41,499 --> 00:06:39,180

body but then there's no way to me

85

00:06:46,249 --> 00:06:44,659

thing which I've had when I were 12

86

00:06:52,960 --> 00:06:46,259

anywhere but we will get back to that

87

00:06:54,820 --> 00:06:52,970

paranormal stuff after they yeah so I

88

00:07:02,689 --> 00:06:54,830

see

89

00:07:10,189 --> 00:07:02,699

little greys I mean these were the like

90

00:07:11,719 --> 00:07:10,199

fawful FreeNAS awful and one was in the

91

00:07:14,089 --> 00:07:11,729

middle of the street so I looks directly

92

00:07:27,050 --> 00:07:14,099

down at him and another was stood

93

00:07:28,939 --> 00:07:27,060

outside its next opposite where you live

94

00:07:31,040 --> 00:07:28,949

now so you were looking back at where

95

00:07:36,619 --> 00:07:31,050

you actually live now see y'all next on

96

00:07:42,469 --> 00:07:36,629

over yeah but it wasn't him it was a

97

00:07:43,879 --> 00:07:42,479

weight whereas cows block and it were

98

00:07:53,990 --> 00:07:43,889

really free where the driving instructor

99

00:07:58,309 --> 00:07:54,000

bit with a big drug dealer as well the I

100

00:08:01,059 --> 00:07:58,319

didn't at the time yes like you know

101
00:08:04,129 --> 00:08:01,069
it's a funny guy were really fulness and

102
00:08:07,519 --> 00:08:04,139
right tracking sensor you me you know

103
00:08:09,170 --> 00:08:07,529
sir just took it

104
00:08:10,670 --> 00:08:09,180
eyes name with Steve it just took it

105
00:08:12,860 --> 00:08:10,680
stays Steve is a driving instructor

106
00:08:18,409 --> 00:08:12,870
nothing MA you know you can never laugh

107
00:08:20,899 --> 00:08:18,419
with him so anywhere reached this one of

108
00:08:26,990 --> 00:08:20,909
these little Kantor grey aliens kind of

109
00:08:29,959 --> 00:08:27,000
girls Oh an inter neck stars garden open

110
00:08:31,700 --> 00:08:29,969
but they were walking like they were

111
00:08:34,399 --> 00:08:31,710
just human you know what I mean

112
00:08:37,370 --> 00:08:34,409
one of them same went to the wall so

113
00:08:39,439 --> 00:08:37,380

this one I have walking up the garden

114

00:08:43,310 --> 00:08:39,449

and the other one is actually leaning on

115

00:08:46,460 --> 00:08:43,320

well I watching him I don't know how

116

00:08:50,030 --> 00:08:46,470

because if the three three not far for

117

00:08:52,340 --> 00:08:50,040

and the wall is about the same I is the

118

00:08:53,570 --> 00:08:52,350

guy that you know the alien there now

119

00:08:55,880 --> 00:08:53,580

it's out there

120

00:08:58,010 --> 00:08:55,890

alright that and then it must have got

121

00:09:02,930 --> 00:08:58,020

bharden Chase position in the ADIZ are

122

00:09:05,570 --> 00:09:02,940

Mwalimu naman 8 you know what lady says

123

00:09:08,540 --> 00:09:05,580

a smile like that they look him it's a

124

00:09:12,020 --> 00:09:08,550

little great will you make a new garden

125

00:09:14,690 --> 00:09:12,030

and this is what baffled me because it

126

00:09:16,250 --> 00:09:14,700

were really really funny I remember when

127

00:09:18,950 --> 00:09:16,260

I'm looking down I'm flirting I'm

128

00:09:21,650 --> 00:09:18,960

looking at him laughing you know cuz he

129

00:09:23,150 --> 00:09:21,660

just want a normal thing you wouldn't

130

00:09:30,170 --> 00:09:23,160

expect that sort of thing you know

131

00:09:31,700 --> 00:09:30,180

I'll just the Abner where doc normally

132

00:09:40,580 --> 00:09:31,710

said they're flattered what I've seen

133

00:09:45,950 --> 00:09:40,590

him you know the blue typical gray body

134

00:09:49,160 --> 00:09:45,960

sort of thing and the first one who went

135

00:09:52,220 --> 00:09:49,170

got to the gay sorry the door of the

136

00:09:55,490 --> 00:09:52,230

house burning inside the doll is there

137

00:09:57,680 --> 00:09:55,500

and we've got a wall right outside that

138

00:10:02,920 --> 00:09:57,690

door just like mine such as you know

139

00:10:06,260 --> 00:10:02,930

it's right outside the door and it

140

00:10:10,130 --> 00:10:06,270

strand Joey did this because it put they

141

00:10:13,670 --> 00:10:10,140

had really extra long arms oh when it my

142

00:10:16,130 --> 00:10:13,680

perception I don't know but a as small

143

00:10:19,160 --> 00:10:16,140

as a wall and as tall as the diaries he

144

00:10:21,620 --> 00:10:19,170

put his arms up started in the middle I

145

00:10:23,840 --> 00:10:21,630

can't really show you from it so started

146

00:10:26,630 --> 00:10:23,850

in the middle and come down and down and

147

00:10:29,750 --> 00:10:26,640

down with his long fingers and he

148

00:10:32,330 --> 00:10:29,760

stopped and then he kind of went up

149

00:10:35,330 --> 00:10:32,340

again with that hand across the dark

150

00:10:39,980 --> 00:10:35,340

hair seen down again to that and and

151
00:10:43,940 --> 00:10:39,990
then he did it again Oh across town and

152
00:10:46,490 --> 00:10:43,950
then where'd the DA run delays it kind

153
00:10:49,490 --> 00:10:46,500
of it kind of put his under them I

154
00:10:53,000 --> 00:10:49,500
couldn't see that much but I could see

155
00:10:55,220 --> 00:10:53,010
that his hand were near at the wall and

156
00:10:58,270 --> 00:10:55,230
the DA Randall if you know I'm not on

157
00:11:01,610 --> 00:10:58,280
the door under but man there's a wall

158
00:11:04,160 --> 00:11:01,620
and then I looked at the other little

159
00:11:05,960 --> 00:11:04,170
prayer Oh snout it was still like that

160
00:11:07,340 --> 00:11:05,970
as it said come on it a up you know but

161
00:11:11,590 --> 00:11:07,350
they were looking up and dance

162
00:11:20,060 --> 00:11:11,600
like this you know like so do possess

163
00:11:21,860 --> 00:11:20,070

hey yeah sure wow that's that's strange

164

00:11:25,730 --> 00:11:21,870

that may set the theater leave comes

165

00:11:30,350 --> 00:11:25,740

down the path the birth it shows him

166

00:11:33,740 --> 00:11:30,360

what he's got you know it is grace and

167

00:11:35,270 --> 00:11:33,750

then the walk us together well other

168

00:11:38,270 --> 00:11:35,280

ones the kind of births like that you

169

00:11:40,820 --> 00:11:38,280

know a bit dodgy looking walk you know I

170

00:11:42,530 --> 00:11:40,830

don't remember though after that so now

171

00:11:45,890 --> 00:11:42,540

we get to the bit where I comes home

172

00:11:49,970 --> 00:11:45,900

from work the day I forget supreme

173

00:11:53,090 --> 00:11:49,980

planning goes to work comes on gets

174

00:11:55,610 --> 00:11:53,100

changed the only farm a skirts and my

175

00:11:57,380 --> 00:11:55,620

normal clothes but it goes the outside

176

00:12:01,190 --> 00:11:57,390

the know and I've just went straight to

177

00:12:03,620 --> 00:12:01,200

the window for no I don't know why I

178

00:12:04,700 --> 00:12:03,630

just went sat window you know sometimes

179

00:12:07,220 --> 00:12:04,710

you'll sit there and you'll say I'll

180

00:12:09,770 --> 00:12:07,230

Garvin or the outlet window but I don't

181

00:12:12,980 --> 00:12:09,780

even think I'm them lines close to when

182

00:12:16,400 --> 00:12:12,990

I say he's a little red car coming up

183

00:12:18,140 --> 00:12:16,410

the street not the typical type what

184

00:12:21,140 --> 00:12:18,150

you'd see is a drug dealer you know it's

185

00:12:24,650 --> 00:12:21,150

just a little crappy little little

186

00:12:28,460 --> 00:12:24,660

micros it will only some [h__\h] with it

187

00:12:33,980 --> 00:12:28,470

yeah i crap write it were about a dull

188

00:12:36,800 --> 00:12:33,990

thing and oh that's a strange cat forget

189

00:12:41,030 --> 00:12:36,810

in the dream that I had the night before

190

00:12:44,950 --> 00:12:41,040

um well it to me I'd no connection so

191

00:12:47,570 --> 00:12:44,960

why would I think of it and these two

192

00:12:50,480 --> 00:12:47,580

lads got out of this car now there were

193

00:12:53,330 --> 00:12:50,490

fairly big bill I mean when I say big

194

00:12:57,740 --> 00:12:53,340

bill I don't mean muscular I mean quite

195

00:12:59,300 --> 00:12:57,750

chunky you know so I guess well it made

196

00:13:02,270 --> 00:12:59,310

me laugh because I got up at this car

197

00:13:06,050 --> 00:13:02,280

nice to you know that film snatch where

198

00:13:08,750 --> 00:13:06,060

the the laddies the getaway allowed and

199

00:13:11,260 --> 00:13:08,760

you can get in and out that car and yeah

200

00:13:14,600 --> 00:13:11,270

I think it was a bit like that

201
00:13:16,700 --> 00:13:14,610
oh we're quite calm because it got me

202
00:13:18,860 --> 00:13:16,710
straight to that film name watching him

203
00:13:21,319 --> 00:13:18,870
trying to get in and out this car so he

204
00:13:24,379 --> 00:13:21,329
gets out it crosses the road is

205
00:13:29,389 --> 00:13:24,389
the parts at my side of the street it

206
00:13:33,710 --> 00:13:29,399
crosses the roads a walks up the pass

207
00:13:35,840 --> 00:13:33,720
meanwhile that number 15 still no

208
00:13:39,859 --> 00:13:35,850
connection we walk the greys have showed

209
00:13:42,979 --> 00:13:39,869
me the night before and then the other

210
00:13:46,460 --> 00:13:42,989
lads gets out of the car goes to the

211
00:13:47,019 --> 00:13:46,470
wall and it's like they slightly like

212
00:13:51,169 --> 00:13:47,029
this

213
00:13:53,269 --> 00:13:51,179

the other lad

214

00:13:56,660 --> 00:13:53,279

it's gone to the door and he's doing

215

00:13:58,970 --> 00:13:56,670

exactly same thing but a quick my human

216

00:14:01,519 --> 00:13:58,980

type of we're not hmm

217

00:14:03,739 --> 00:14:01,529

you know it's kind of like that and then

218

00:14:10,309 --> 00:14:03,749

he goes to that it would quick it what

219

00:14:13,549 --> 00:14:10,319

quick but it don't exact same thing yeah

220

00:14:16,489 --> 00:14:13,559

yeah and you got it by the door and then

221

00:14:21,319 --> 00:14:16,499

it clicked it clicked and I thought they

222

00:14:25,720 --> 00:14:21,329

showed me this last night and it was

223

00:14:34,939 --> 00:14:25,730

like wow wow well is this [h__h] real

224

00:14:37,249 --> 00:14:34,949

shameless when it's got it that's when

225

00:14:40,069 --> 00:14:37,259

it clicked and I thought oh my god I'm

226

00:14:41,539 --> 00:14:40,079

you what we're gonna whup her next so I

227

00:14:44,629 --> 00:14:41,549

knew what they were going to walk down

228

00:14:49,220 --> 00:14:44,639

the path shows me both walk off together

229

00:14:51,710 --> 00:14:49,230

to the car so that's exactly what

230

00:14:55,689 --> 00:14:51,720

happens he walks down and he shows his

231

00:14:59,139 --> 00:14:55,699

man but it didn't make it like

232

00:15:04,039 --> 00:14:59,149

inconspicuous it was just out in open

233

00:15:06,199 --> 00:15:04,049

and puts it in his pocket and open

234

00:15:08,239 --> 00:15:06,209

circuit off he goes crosses over the

235

00:15:12,369 --> 00:15:08,249

street to my side and gets in there what

236

00:15:16,239 --> 00:15:12,379

a red car are we it is that well that

237

00:15:22,609 --> 00:15:16,249

demonstrated to you their ability to see

238

00:15:23,419 --> 00:15:22,619

forward in time yes yes they knew that

239

00:15:26,869 --> 00:15:23,429

was gonna happen

240

00:15:30,859 --> 00:15:26,879

so they did that so you saw it

241

00:15:33,859 --> 00:15:30,869

bloody phone sorry

242

00:15:35,210 --> 00:15:33,869

and so they've shown you the day before

243

00:15:36,889 --> 00:15:35,220

something's happened

244

00:15:42,619 --> 00:15:36,899

things happening that you know mimicking

245

00:15:44,929 --> 00:15:42,629

something so that is so this like they

246

00:15:49,100 --> 00:15:44,939

can see forward in time they know what

247

00:15:51,110 --> 00:15:49,110

is gonna happen you know because I just

248

00:15:52,610 --> 00:15:51,120

found eyelid bizarre thereby why would

249

00:15:55,100 --> 00:15:52,620

two grades want to show me it looked

250

00:16:00,259 --> 00:15:55,110

deal that we're going to go on so the

251

00:16:02,150 --> 00:16:00,269

day after well no it with that now I've

252

00:16:05,389 --> 00:16:02,160

gone on I'm amongst and I system on

253

00:16:09,350 --> 00:16:05,399

moment what's ugly asses did you say

254

00:16:12,790 --> 00:16:09,360

that red car outside like between my

255

00:16:17,240 --> 00:16:12,800

house and yours so she went yes ELISA

256

00:16:19,040 --> 00:16:17,250

sitting with two lads I says I said I

257

00:16:21,920 --> 00:16:19,050

didn't mention the greys are out like

258

00:16:24,470 --> 00:16:21,930

that I said early enough s it's a trend

259

00:16:26,569 --> 00:16:24,480

that last night they I didn't want to

260

00:16:29,119 --> 00:16:26,579

say it involved the grace you know what

261

00:16:32,509 --> 00:16:29,129

I mean but yesterday saw City

262

00:16:35,800 --> 00:16:32,519

I think stay struggling and she went you

263

00:16:38,929 --> 00:16:35,810

know she says I've always thought that

264

00:16:43,160 --> 00:16:38,939

but you know never discussed it between

265

00:16:46,790 --> 00:16:43,170

us you know that was a bit weird as well

266

00:16:48,590 --> 00:16:46,800

you know yeah it's like she could have

267

00:16:51,799 --> 00:16:48,600

said ah do you think Steve's a drug

268

00:16:54,829 --> 00:16:51,809

dealer but I never thought about it

269

00:17:01,160 --> 00:16:54,839

until the gray assured me yeah a memo

270

00:17:03,170 --> 00:17:01,170

said I always thought that that without

271

00:17:06,590 --> 00:17:03,180

bit yeah

272

00:17:20,720 --> 00:17:06,600

definitely a thingy in time a thingy in

273

00:17:23,960 --> 00:17:20,730

time on some level owner thingy so what

274

00:17:26,750 --> 00:17:23,970

would be next then cuz this is where you

275

00:17:30,680 --> 00:17:26,760

this is about the time you met me isn't

276

00:17:33,110 --> 00:17:30,690

it yeah remember they will move about

277

00:17:41,029 --> 00:17:33,120

the rabbits and the baby aliens with the

278

00:17:43,070 --> 00:17:41,039

old woman thank Allah yeah yeah so this

279

00:17:46,520 --> 00:17:43,080

is another because I have quite a few

280

00:17:48,530 --> 00:17:46,530

that have connections to America I've

281

00:17:52,610 --> 00:17:48,540

never been

282

00:17:55,700 --> 00:17:52,620

one even though you know but she was

283

00:17:59,000 --> 00:17:55,710

American she looked like do you know

284

00:18:01,820 --> 00:17:59,010

that patent would it sweetie pie and

285

00:18:03,890 --> 00:18:01,830

they were little old lady in there she

286

00:18:06,500 --> 00:18:03,900

when I think about it she would a bit

287

00:18:10,610 --> 00:18:06,510

like I mean as a child I don't ever

288

00:18:11,690 --> 00:18:10,620

really bother watching cartoons anywhere

289

00:18:14,720 --> 00:18:11,700

didn't interest me

290

00:18:17,090 --> 00:18:14,730

my junk hey they never did did your ex

291

00:18:21,050 --> 00:18:17,100

have said he saw an old lady when you

292

00:18:24,170 --> 00:18:21,060

saw a gray that was the school filled

293

00:18:26,300 --> 00:18:24,180

with the orange job yeah I just wondered

294

00:18:33,620 --> 00:18:26,310

in my head my brain went oh I wonder if

295

00:18:36,890 --> 00:18:33,630

it was the same old lady described it as

296

00:18:42,650 --> 00:18:36,900

the same as what the next one's gonna be

297

00:18:48,020 --> 00:18:42,660

so was she a gray was she you know what

298

00:18:57,650 --> 00:18:48,030

but anyway so somehow it's kind of bad

299

00:19:00,310 --> 00:18:57,660

gotta slow but I ended up in like how

300

00:19:09,680 --> 00:19:00,320

can I describe it a lot a wooden watch

301
00:19:11,330 --> 00:19:09,690
the wooden cubby house thing so don't

302
00:19:18,490 --> 00:19:11,340
really have a meal unless you gone over

303
00:19:24,200 --> 00:19:18,500
there away leaving them we just you know

304
00:19:35,510 --> 00:19:24,210
so yeah and the instead might be called

305
00:19:38,150 --> 00:19:35,520
in America no idea but anyway so I want

306
00:19:40,220 --> 00:19:38,160
to go I some reason I was thinking I

307
00:19:44,630 --> 00:19:40,230
want to buy a rabbit I've no reason to

308
00:19:48,010 --> 00:19:44,640
buy a rabbit no my things cats but ended

309
00:19:51,910 --> 00:19:48,020
up going in to this little caffeine and

310
00:19:59,310 --> 00:19:51,920
is this little American old woman and

311
00:20:10,410 --> 00:19:59,320
she was this really strong come on is it

312
00:20:13,140 --> 00:20:10,420
I can't do it because I say yeah like he

313
00:20:18,780 --> 00:20:13,150

um and so I don't know what accent is

314

00:20:21,300 --> 00:20:18,790

and super horrible little okay so she

315

00:20:24,870 --> 00:20:21,310

will only small very small like a size

316

00:20:29,100 --> 00:20:24,880

of me and I said Oh what have you got in

317

00:20:31,440 --> 00:20:29,110

this like while purple what there were a

318

00:20:34,650 --> 00:20:31,450

bit of it where there was wallpaper but

319

00:20:39,260 --> 00:20:34,660

the wood behind it and I'm thinking why

320

00:20:42,990 --> 00:20:39,270

would the wallpaper on on wooden panels

321

00:20:44,850 --> 00:20:43,000

you know what it can be peel enough and

322

00:20:51,210 --> 00:20:44,860

it we write de la today it doesn't stuff

323

00:20:55,890 --> 00:20:51,220

so I sees this basket on floor and it

324

00:20:58,080 --> 00:20:55,900

would by your log open fire and I says

325

00:21:00,930 --> 00:20:58,090

to her ah damn rabbits acute I want a

326

00:21:04,110 --> 00:21:00,940

rabbit like this so she saw yeah they're

327

00:21:06,690 --> 00:21:04,120

for sale and then they're like this that

328

00:21:10,230 --> 00:21:06,700

she changed when I wanted a daily and

329

00:21:12,600 --> 00:21:10,240

you know so they but there are white

330

00:21:17,550 --> 00:21:12,610

rubbish and they've got these but no I

331

00:21:20,040 --> 00:21:17,560

have red eyes like twice as big you know

332

00:21:22,620 --> 00:21:20,050

with these red eyes and they were like a

333

00:21:26,040 --> 00:21:22,630

weenie rated not a red where the catch

334

00:21:28,710 --> 00:21:26,050

why are there were ma no matter what

335

00:21:30,090 --> 00:21:28,720

angle do looked at these big eyes on

336

00:21:34,260 --> 00:21:30,100

these because they look really strange

337

00:21:36,930 --> 00:21:34,270

we're right like a glowing and wrench so

338

00:21:39,680 --> 00:21:36,940

like I went down and I would kind of

339

00:21:42,480 --> 00:21:39,690

stroke in a couple of them that and that

340

00:21:45,090 --> 00:21:42,490

can only a few kept popping up these

341

00:21:47,010 --> 00:21:45,100

little ball dead things I never like

342

00:21:49,440 --> 00:21:47,020

what the hello baby I I thought they

343

00:21:50,660 --> 00:21:49,450

were baby rabbits you know that had just

344

00:21:55,020 --> 00:21:50,670

been born

345

00:21:56,820 --> 00:21:55,030

no no no so when and I went oh uh wonder

346

00:22:00,990 --> 00:21:56,830

them to sell cute but I couldn't see the

347

00:22:03,690 --> 00:22:01,000

face at the time and no Jonah I've been

348

00:22:08,730 --> 00:22:03,700

one of them nobody's having them and she

349

00:22:12,610 --> 00:22:08,740

really went nasty you know and so all

350

00:22:15,370 --> 00:22:12,620

right all right chill are what

351

00:22:17,560 --> 00:22:15,380

that way really but when when they

352

00:22:20,110 --> 00:22:17,570

actually turned round right you know

353

00:22:22,900 --> 00:22:20,120

right slow like a baby it's like bit

354

00:22:26,920 --> 00:22:22,910

slow you know even when babies blink the

355

00:22:28,660 --> 00:22:26,930

slow and other actions are slow and when

356

00:22:31,120 --> 00:22:28,670

it turned jammed they never like you

357

00:22:34,420 --> 00:22:31,130

know what I mean it you know these

358

00:22:36,970 --> 00:22:34,430

little like little tiny little aliens

359

00:22:40,080 --> 00:22:36,980

but I wouldn't even said that there were

360

00:22:42,310 --> 00:22:40,090

baby aliens you know they're like

361

00:22:53,470 --> 00:22:42,320

dependent on anything because we're like

362

00:23:01,770 --> 00:22:56,140

I don't remember much about that but why

363

00:23:05,980 --> 00:23:01,780

would the dream that you know you know

364

00:23:07,780 --> 00:23:05,990

hmm nothing else to that but just a

365

00:23:11,230 --> 00:23:07,790

strange I suppose it might fit in

366

00:23:13,320 --> 00:23:11,240

somewhere but we've got to say people

367

00:23:16,120 --> 00:23:13,330

maybe haven't seen all the videos that

368

00:23:18,850 --> 00:23:16,130

you've had a hysterectomy so there's no

369

00:23:22,299 --> 00:23:18,860

breeding program whatever kind of thing

370

00:23:28,240 --> 00:23:22,309

going on with you so there's you know

371

00:23:31,330 --> 00:23:28,250

you I did have a total hysterectomy at

372

00:23:32,860 --> 00:23:31,340

age 40 so I went far they won't fight

373

00:23:35,620 --> 00:23:32,870

that one fight they won't fight to fight

374

00:23:40,560 --> 00:23:35,630

to fight to fight so so after the

375

00:23:43,330 --> 00:23:40,570

hysterectomy I had a lot of experiences

376

00:23:46,690 --> 00:23:43,340

and none of them involved even before

377

00:23:52,960 --> 00:23:46,700

that involved well he wasn't just a

378

00:23:54,580 --> 00:23:52,970

hysterectomy wasn't you know - well this

379

00:23:56,950 --> 00:23:54,590

is quite common this kind of health

380

00:24:00,400 --> 00:23:56,960

problem that women have when they find

381

00:24:02,560 --> 00:24:00,410

that got cysts all over not just all

382

00:24:03,760 --> 00:24:02,570

over their ovaries but like on their

383

00:24:07,840 --> 00:24:03,770

internal organs

384

00:24:17,490 --> 00:24:07,850

yaws work together I mean you know - yes

385

00:24:21,760 --> 00:24:20,410

every woman I've talked to said that at

386

00:24:24,520 --> 00:24:21,770

some point in time they've been told

387

00:24:25,770 --> 00:24:24,530

about polycystic ovaries and then all of

388

00:24:29,190 --> 00:24:25,780

a sudden they happen

389

00:24:36,990 --> 00:24:29,200

and I was older I was told I would never

390

00:24:39,630 --> 00:24:37,000

I'm so joined I've got 5 octa bass so

391

00:24:41,970 --> 00:24:39,640

yeah I add there I've got our first um

392

00:24:44,760 --> 00:24:41,980

ok to have pieces cut off my kidneys

393

00:24:49,020 --> 00:24:44,770

because I won't stop them as well

394

00:24:51,300 --> 00:24:49,030

me large intestine me bowel so basically

395

00:24:54,360 --> 00:24:51,310

there's a lot in and thoughtless

396

00:24:56,310 --> 00:24:54,370

directionally saw this is quite a lot of

397

00:25:01,560 --> 00:24:56,320

it it make me seen a lot of it made me

398

00:25:05,310 --> 00:25:01,570

sing well they were very interested

399

00:25:13,710 --> 00:25:05,320

after that because it'll all list of

400

00:25:18,360 --> 00:25:13,720

things happen and they saw yeah and I

401
00:25:20,130 --> 00:25:18,370
forgot what we're talking about the baby

402
00:25:21,830 --> 00:25:20,140
aliens all the little aliens that

403
00:25:30,000 --> 00:25:21,840
weren't necessarily babies thought

404
00:25:34,320 --> 00:25:30,010
seemed babyish maybe maybe maybe I mean

405
00:25:37,980 --> 00:25:34,330
people talk about you know like all

406
00:25:41,420 --> 00:25:37,990
those great little I bleed why I mean

407
00:25:45,210 --> 00:25:41,430
I've never seen one but there might be

408
00:25:54,240 --> 00:25:45,220
no they might just be little baby aliens

409
00:25:56,850 --> 00:25:54,250
I don't know you know I can't say we get

410
00:26:00,150 --> 00:25:56,860
into the dunny DeVito but yeah and we

411
00:26:04,140 --> 00:26:00,160
were a few are from that oh no no no

412
00:26:06,750 --> 00:26:04,150
that's a lot a lot way up yet so I think

413
00:26:12,330 --> 00:26:06,760

before we've got to that we've we've got

414

00:26:21,450 --> 00:26:12,340

a light chain oh god maybe channel if I

415

00:26:25,740 --> 00:26:21,460

don't know today oh just does it have to

416

00:26:28,020 --> 00:26:25,750

be in order because you know the next

417

00:26:32,310 --> 00:26:28,030

one is actually the orange gloves which

418

00:26:40,769 --> 00:26:32,320

were talked about on algún is a special

419

00:26:43,480 --> 00:26:40,779

brew to talk about even though

420

00:26:48,389 --> 00:26:43,490

because this is the chronological order

421

00:26:50,799 --> 00:26:48,399

of all of and this is important because

422

00:26:53,500 --> 00:26:50,809

this is something that was seen on the

423

00:26:58,149 --> 00:26:53,510

skinwalker ranch and I keep saying that

424

00:27:04,389 --> 00:26:58,159

place is not unique it happened they the

425

00:27:06,960 --> 00:27:04,399

island blinking like pulsing light it on

426
00:27:09,480 --> 00:27:06,970
the skinwalker ranch which opened and

427
00:27:12,610 --> 00:27:09,490
some sort of creature came out of it

428
00:27:16,899 --> 00:27:12,620
yeah one orange glow up on the

429
00:27:17,860 --> 00:27:16,909
skinwalker ranch a new hat three so it's

430
00:27:23,169 --> 00:27:17,870
not unique

431
00:27:26,350 --> 00:27:23,179
happens all over the place and it's my

432
00:27:28,539 --> 00:27:26,360
belief that it needs a living agent

433
00:27:31,049 --> 00:27:28,549
somebody like you me you know you'll

434
00:27:33,759 --> 00:27:31,059
there's some of you as an abductee

435
00:27:35,889 --> 00:27:33,769
they're in the area so when the

436
00:27:38,350 --> 00:27:35,899
neighbors come and go over years and

437
00:27:41,139 --> 00:27:38,360
it's the activity starts I think it

438
00:27:44,590 --> 00:27:41,149

could be because they haven't got you

439

00:27:47,139 --> 00:27:44,600

know an abductee are contacting whatever

440

00:27:50,440 --> 00:27:47,149

you want got it in the in the locality

441

00:27:52,090 --> 00:27:50,450

that dinner in yours is in part the

442

00:27:58,750 --> 00:27:52,100

other super impartment because it's

443

00:28:00,039 --> 00:27:58,760

exactly what was described yeah so it's

444

00:28:01,750 --> 00:28:00,049

important that one that we're not

445

00:28:03,190 --> 00:28:01,760

skipping over that one yes because you

446

00:28:08,500 --> 00:28:03,200

said it the other day on another show

447

00:28:12,789 --> 00:28:08,510

that we did and these two well that we

448

00:28:17,470 --> 00:28:12,799

forgot to mention but anyway so orange

449

00:28:20,860 --> 00:28:17,480

gloves on school field so at this time I

450

00:28:23,649 --> 00:28:20,870

was with cave-in in fact the rabbits and

451
00:28:28,570 --> 00:28:23,659
baby aliens when I was with him also so

452
00:28:32,110 --> 00:28:28,580
he has gone through a lot with me some

453
00:28:35,350 --> 00:28:32,120
of it is well copy it's like being a

454
00:28:37,750 --> 00:28:35,360
dream we both like at the dream at the

455
00:28:40,320 --> 00:28:37,760
same thing you know what I mean I mean

456
00:28:43,269 --> 00:28:40,330
yeah it was horrible horrible person

457
00:28:47,070 --> 00:28:43,279
that it couldn't ever deny what we'd

458
00:28:53,220 --> 00:28:47,080
gone through together you know aren't

459
00:29:01,220 --> 00:28:53,230
all right no no

460
00:29:08,030 --> 00:29:01,230
and as much as they well at all it would

461
00:29:18,030 --> 00:29:08,040
I don't any great not in front of me the

462
00:29:21,240 --> 00:29:18,040
stuff in my house yeah he was he was you

463
00:29:23,550 --> 00:29:21,250

know and for something like that then

464

00:29:26,940 --> 00:29:23,560

usually and generally pull up his oh

465

00:29:29,310 --> 00:29:26,950

this not Caesar Lien's are this you know

466

00:29:35,940 --> 00:29:29,320

the fine T weakest vulnerable this time

467

00:29:39,860 --> 00:29:35,950

I made in I'm not sure whether they were

468

00:29:42,360 --> 00:29:39,870

wonderful Salwa I really don't know no

469

00:29:44,790 --> 00:29:42,370

but anyways I'll get back to the orange

470

00:29:52,700 --> 00:29:44,800

gloves so at that time I was seeing

471

00:29:55,290 --> 00:29:52,710

heavy cycle keV and I've gotta slay

472

00:29:57,840 --> 00:29:55,300

another sleep one bearing in mind these

473

00:30:00,540 --> 00:29:57,850

are not dreams so when I say I've gone

474

00:30:02,970 --> 00:30:00,550

to sleep and other difference another

475

00:30:08,340 --> 00:30:02,980

difference between a dream and someone

476

00:30:10,710 --> 00:30:08,350

that's real miss Lee yeah so when they

477

00:30:15,600 --> 00:30:10,720

say about but we know the difference we

478

00:30:19,380 --> 00:30:15,610

know the difference and was what now not

479

00:30:25,890 --> 00:30:19,390

far from where I am now is a school and

480

00:30:28,590 --> 00:30:25,900

a primary school and it's like I would

481

00:30:36,860 --> 00:30:28,600

ever would that say 400 yards up where

482

00:30:40,080 --> 00:30:36,870

and last time I'm you add a little brown

483

00:30:43,290 --> 00:30:40,090

fence you know the little like made out

484

00:30:46,440 --> 00:30:43,300

the stakes with a little bit of wire

485

00:30:49,200 --> 00:30:46,450

through one you know yeah and that will

486

00:30:52,770 --> 00:30:49,210

only about maybe five foot tall with

487

00:30:55,830 --> 00:30:52,780

some things and that would the last time

488

00:30:58,800 --> 00:30:55,840

I went there before I had to go check

489

00:31:03,780 --> 00:30:58,810

out if this other fence actually existed

490

00:31:07,020 --> 00:31:03,790

that were in their dream so I it started

491

00:31:11,610 --> 00:31:07,030

off basically the other end of the

492

00:31:13,470 --> 00:31:11,620

as you call it and we were talking me

493

00:31:14,340 --> 00:31:13,480

and careful talking then and then and

494

00:31:17,700 --> 00:31:14,350

there don't know what they're talking

495

00:31:22,100 --> 00:31:17,710

about it were dark and as it gets to the

496

00:31:24,420 --> 00:31:22,110

school of no interest to go that way so

497

00:31:28,140 --> 00:31:24,430

probably every few years I've got

498

00:31:30,060 --> 00:31:28,150

somewhere to go about where about and I

499

00:31:31,830 --> 00:31:30,070

looked at the phone first thing I notice

500

00:31:36,440 --> 00:31:31,840

really was a fence and if I change

501
00:31:42,330 --> 00:31:36,450
school fence which is now like six for

502
00:31:46,290 --> 00:31:42,340
aluminium you know it spikes yeah so

503
00:31:48,450 --> 00:31:46,300
bars so they've changed it to that so

504
00:31:52,470 --> 00:31:48,460
that were the only time or not it's that

505
00:31:55,590 --> 00:31:52,480
was in the dream that I had and as a

506
00:31:59,330 --> 00:31:55,600
walking on I can I'm talking in but I'm

507
00:32:03,180 --> 00:31:59,340
also getting a peripheral vision of

508
00:32:05,310 --> 00:32:03,190
someone would come in awards but next to

509
00:32:10,160 --> 00:32:05,320
us it's like a buncha trees

510
00:32:13,230 --> 00:32:10,170
no I trees you know just like bushes and

511
00:32:15,570 --> 00:32:13,240
some getting first along like it kind of

512
00:32:18,330 --> 00:32:15,580
caught me I didn't look well it's you

513
00:32:21,440 --> 00:32:18,340

know where I am

514

00:32:24,900 --> 00:32:21,450

well then and carried on walk him and

515

00:32:28,140 --> 00:32:24,910

they were one appeared because trees

516

00:32:30,330 --> 00:32:28,150

there so it's you know then what one and

517

00:32:34,560 --> 00:32:30,340

then the next one appeared and the one

518

00:32:37,710 --> 00:32:34,570

after that appeared so behind this fence

519

00:32:41,160 --> 00:32:37,720

it's a flop they were slow up not a deep

520

00:32:45,620 --> 00:32:41,170

slope it was for girls up and then they

521

00:32:49,950 --> 00:32:45,630

kinda it filled the bill on a wait a bit

522

00:32:54,840 --> 00:32:49,960

after that so this thing was actually on

523

00:32:59,130 --> 00:32:54,850

the skill field and what I saw was Irish

524

00:33:03,420 --> 00:32:59,140

clubs there wasn't reflecting any light

525

00:33:07,500 --> 00:33:03,430

of the glass grass so where you do you

526

00:33:10,220 --> 00:33:07,510

need to get this lie it don't matter how

527

00:33:18,990 --> 00:33:10,230

dull it is it reflect that little bit of

528

00:33:20,280 --> 00:33:19,000

yeah I'll bet you know it won't in it in

529

00:33:23,760 --> 00:33:20,290

the didn't

530

00:33:30,870 --> 00:33:23,770

there were double arched or like like 10

531

00:33:33,140 --> 00:33:30,880

foot by 10 foot and but kind of to what

532

00:33:38,040 --> 00:33:33,150

it would look like it would be iron over

533

00:33:40,650 --> 00:33:38,050

so the one there one a year and but

534

00:33:45,270 --> 00:33:40,660

because this one was behind this one

535

00:33:48,210 --> 00:33:45,280

this one looks slightly smaller so then

536

00:33:50,310 --> 00:33:48,220

the other one was here was a gap in bit

537

00:33:57,870 --> 00:33:50,320

of a gap not much but ever gap in

538

00:34:00,840 --> 00:33:57,880

between and then we were seeing my list

539

00:34:05,100 --> 00:34:00,850
of like in awe looking at this thing

540

00:34:07,320 --> 00:34:05,110
that's like 20 foot away from us and the

541

00:34:10,710 --> 00:34:07,330
first one that was at this side not them

542

00:34:13,919 --> 00:34:10,720
till they're at this side and descent I

543

00:34:17,669 --> 00:34:13,929
started pulsing up and really slow but

544

00:34:21,840 --> 00:34:17,679
every time it it it will live in I'd say

545

00:34:23,850 --> 00:34:21,850
to live in it like a happy arms but you

546

00:34:26,010 --> 00:34:23,860
know it started off this smile all and

547

00:34:28,560 --> 00:34:26,020
then it get bigger and every time it

548

00:34:33,419 --> 00:34:28,570
went in again it'll come out bigger and

549

00:34:37,379 --> 00:34:33,429
then bigger and bigger until it were a

550

00:34:41,310 --> 00:34:37,389
whole kind of door not [h__\h] but a

551
00:34:49,050 --> 00:34:41,320
circular bit were more martyr the ground

552
00:34:51,810 --> 00:34:49,060
and center if that make sense and then I

553
00:34:53,850 --> 00:34:51,820
could see it's roundedness within it

554
00:34:57,570 --> 00:34:53,860
kind of went like a door not just kind

555
00:34:59,820 --> 00:34:57,580
of goes in and appeared I could see

556
00:35:02,370 --> 00:34:59,830
through that which I could see grasp

557
00:35:04,890 --> 00:35:02,380
even though it's pitch black outside

558
00:35:08,280 --> 00:35:04,900
there's no none of this orange light

559
00:35:12,500 --> 00:35:08,290
reflecting off the grass at all and yet

560
00:35:14,940 --> 00:35:12,510
through it I could see the grass which

561
00:35:17,520 --> 00:35:14,950
doesn't make any sense because I could

562
00:35:20,610 --> 00:35:17,530
see it with green like you would see

563
00:35:24,450 --> 00:35:20,620

things if it was daylight but it's not

564

00:35:27,660 --> 00:35:24,460

daylight perfectly seen you know that I

565

00:35:29,550 --> 00:35:27,670

shouldn't been able to see and next

566

00:35:34,260 --> 00:35:29,560

minute I don't remember much about that

567

00:35:36,540 --> 00:35:34,270

but then this gray appeared now in this

568

00:35:40,560 --> 00:35:36,550

entrance of this thing that's up and

569

00:35:43,500 --> 00:35:40,570

dirt there were no swirling or anything

570

00:35:49,670 --> 00:35:43,510

like that it would like it were a solid

571

00:35:54,510 --> 00:35:49,680

color but it it was alive you know and

572

00:36:02,580 --> 00:35:54,520

they were really tall in this open bit

573

00:36:04,680 --> 00:36:02,590

and tall thing I can't see anything that

574

00:36:08,310 --> 00:36:04,690

you were wearing well when it got to me

575

00:36:12,210 --> 00:36:08,320

wasn't it it was just a great thing but

576

00:36:15,140 --> 00:36:12,220

as he's coming down the hill

577

00:36:29,700 --> 00:36:15,150

it seemed a bit getting smaller whereas

578

00:36:33,720 --> 00:36:29,710

if he started where of what it should

579

00:36:35,609 --> 00:36:33,730

have been because a distance person

580

00:36:37,410 --> 00:36:35,619

looked smaller and then the as he come

581

00:36:39,720 --> 00:36:37,420

in closer they're getting taller but

582

00:36:42,060 --> 00:36:39,730

this was the opposite way around so a

583

00:36:43,740 --> 00:36:42,070

distance it were really tall but it is

584

00:36:47,340 --> 00:36:43,750

getting closer it's getting smaller

585

00:36:49,410 --> 00:36:47,350

it kind of messed with my head at the

586

00:36:52,770 --> 00:36:49,420

start you know what I mean but it's like

587

00:36:56,060 --> 00:36:52,780

as if its stature had changed as well so

588

00:37:00,270 --> 00:36:56,070

this long tall being with long arms and

589

00:37:05,599 --> 00:37:00,280

long legs had now changed in were it's a

590

00:37:14,090 --> 00:37:08,250

childlike body but more muscular you

591

00:37:17,190 --> 00:37:14,100

know with the gray eyes and he starts

592

00:37:20,099 --> 00:37:17,200

walking at the side of her sees at that

593

00:37:22,920 --> 00:37:20,109

side of the fence sir let's say it's a

594

00:37:26,250 --> 00:37:22,930

good three foot away from me where's

595

00:37:28,920 --> 00:37:26,260

Kevin stood at that side and me and he's

596

00:37:31,050 --> 00:37:28,930

got a wall at his side anyway sir and

597

00:37:34,440 --> 00:37:31,060

he's and it's looking at them we're all

598

00:37:36,030 --> 00:37:34,450

kind of walking on together and it was

599

00:37:37,980 --> 00:37:36,040

just like a normal thing there are

600

00:37:42,630 --> 00:37:37,990

tagging out you child along we yeah you

601
00:37:45,300 --> 00:37:42,640
know and it goes I went oh look it's a

602
00:37:47,549 --> 00:37:45,310
grey it's a little grey like this and he

603
00:37:49,679 --> 00:37:47,559
went what you're about

604
00:37:52,469 --> 00:37:49,689
a little gray you know it was just and

605
00:37:55,259 --> 00:37:52,479
then he went I said anyway no it's a

606
00:37:58,920 --> 00:37:55,269
little a woman I went solo hello woman

607
00:38:03,239 --> 00:37:58,930
it's a great that could feel the dirt

608
00:38:05,969 --> 00:38:03,249
the doctor a Martian in the face the

609
00:38:08,699 --> 00:38:05,979
dirt so it was a body reaction the don't

610
00:38:12,660 --> 00:38:08,709
show Albert I could feel that little bit

611
00:38:14,309 --> 00:38:12,670
of a humor coming off it and I've

612
00:38:22,709 --> 00:38:14,319
mentioned it before where they do have

613
00:38:28,400 --> 00:38:22,719

slight bit of so I know from the altar I

614

00:38:30,809 --> 00:38:28,410

know that that ones that are seen before

615

00:38:33,959 --> 00:38:30,819

into the one even though they look

616

00:38:37,679 --> 00:38:33,969

exactly same some of them I know that

617

00:38:40,079 --> 00:38:37,689

one a stream before even though the

618

00:38:43,880 --> 00:38:40,089

other one I've never seen before but yet

619

00:38:51,900 --> 00:38:43,890

they look because of the energy is their

620

00:38:54,419 --> 00:38:51,910

personality yeah and so walking on and

621

00:38:56,219 --> 00:38:54,429

these good night no it's a it's a little

622

00:38:58,949 --> 00:38:56,229

old woman and I'm going it's not it's a

623

00:39:00,870 --> 00:38:58,959

grey like this and it's kind of bubbling

624

00:39:03,689 --> 00:39:00,880

it said to marking on with us and we

625

00:39:07,049 --> 00:39:03,699

gets to know where the friend starts

626
00:39:09,959 --> 00:39:07,059
going up that we're so the school ground

627
00:39:16,140 --> 00:39:09,969
is actually finishing now own this

628
00:39:21,689 --> 00:39:16,150
little great delicious love you buy it

629
00:39:24,209 --> 00:39:21,699
were telepathic so I'm not saying by any

630
00:39:27,209 --> 00:39:24,219
all means that I know this is it's love

631
00:39:30,839 --> 00:39:27,219
and roses in bass and old sparkles you

632
00:39:35,039 --> 00:39:30,849
know cuz it's not all as much as I said

633
00:39:37,079 --> 00:39:35,049
love you buy it it's still well you told

634
00:39:41,219 --> 00:39:37,089
me that you thought he said that because

635
00:39:45,989 --> 00:39:41,229
you were with him and it was like not

636
00:39:48,569 --> 00:39:45,999
happy you said you out like he was

637
00:39:50,959 --> 00:39:48,579
saying goodbyes here like and you said

638
00:39:59,209 --> 00:39:50,969

to me you felt like we're saying goodbye

639

00:40:00,510 --> 00:39:59,219

until you and him Ed's but like it was

640

00:40:06,870 --> 00:40:00,520

it

641

00:40:10,110 --> 00:40:06,880

because I always when I will be same I

642

00:40:12,690 --> 00:40:10,120

had a lot of things paranormal activity

643

00:40:15,000 --> 00:40:12,700

going on with their and the were a

644

00:40:17,310 --> 00:40:15,010

certain thought attack and now I smashed

645

00:40:20,790 --> 00:40:17,320

that camera which I would gutted about

646

00:40:22,710 --> 00:40:20,800

and it brought me a camera ones for me

647

00:40:27,540 --> 00:40:22,720

birthday baby with a control thing

648

00:40:31,230 --> 00:40:27,550

anyway so and I said on debate and it

649

00:40:34,020 --> 00:40:31,240

would being a dick and I took this photo

650

00:40:36,660 --> 00:40:34,030

of him and on this floor I wish to this

651
00:40:41,430 --> 00:40:36,670
day I still have that picture and he had

652
00:40:44,490 --> 00:40:41,440
blue orbs stalk all over him like

653
00:40:48,120 --> 00:40:44,500
somebody had thrown a lot of him he like

654
00:40:52,490 --> 00:40:48,130
velcro boom and there was just bright

655
00:40:57,960 --> 00:40:52,500
blue orbs everywhere all over him

656
00:41:01,370 --> 00:40:57,970
picture because it you showed me some

657
00:41:04,140 --> 00:41:01,380
photos when you were both together yeah

658
00:41:09,870 --> 00:41:04,150
and when you come to my house you add to

659
00:41:17,970 --> 00:41:09,880
camera yeah you remember the blue balls

660
00:41:22,020 --> 00:41:17,980
there obstacle over him Oh have like a

661
00:41:27,390 --> 00:41:22,030
dark blue top I don't know but these ops

662
00:41:29,730 --> 00:41:27,400
were like stop to his aid stickiest no I

663
00:41:33,840 --> 00:41:29,740

wish I you know but I smashed that

664

00:41:38,700 --> 00:41:33,850

camera up anywhere along with the bloody

665

00:41:41,070 --> 00:41:38,710

pictures with it and that without really

666

00:41:43,170 --> 00:41:41,080

but I think that were like a lot of

667

00:41:46,680 --> 00:41:43,180

stuff that I went through with him was I

668

00:41:49,080 --> 00:41:46,690

believe because it was abusive I believe

669

00:41:52,530 --> 00:41:49,090

it was for me to get away from him

670

00:41:54,270 --> 00:41:52,540

because they were giving me hell that

671

00:41:56,160 --> 00:41:54,280

was just a day someone with that but

672

00:42:02,030 --> 00:41:56,170

majority of it he would giving me yell

673

00:42:04,830 --> 00:42:02,040

and there were more there than often and

674

00:42:06,780 --> 00:42:04,840

well I was having a heavy state of it

675

00:42:08,610 --> 00:42:06,790

all as well a heavy spirit of activity

676

00:42:11,430 --> 00:42:08,620

which actually lasted months and months

677

00:42:13,650 --> 00:42:11,440

which has never happened before ever in

678

00:42:18,180 --> 00:42:13,660

my life on earth

679

00:42:20,220 --> 00:42:18,190

years apart yes Lori well this was like

680

00:42:23,150 --> 00:42:20,230

on and on and on and on and on and then

681

00:42:26,609 --> 00:42:23,160

I met you and you were still with him

682

00:42:31,109 --> 00:42:26,619

but what I've been that I assured I

683

00:42:37,799 --> 00:42:31,119

would have been mine I feel it how could

684

00:42:42,900 --> 00:42:37,809

we come together at that time well like

685

00:42:49,859 --> 00:42:42,910

with Grey's never ever had them in my

686

00:42:58,589 --> 00:42:49,869

past that yeah sort of brownie olds

687

00:43:00,720 --> 00:42:58,599

lucky ones yeah never the Grayson it was

688

00:43:02,370 --> 00:43:00,730

been on and on and on and on and I knew

689

00:43:03,599 --> 00:43:02,380

it and I was shouting because I could

690

00:43:06,150 --> 00:43:03,609

feel them I knew they were that it's

691

00:43:08,339 --> 00:43:06,160

weird I didn't because I didn't know cuz

692

00:43:12,000 --> 00:43:08,349

I've not seen them but in the end I just

693

00:43:13,289 --> 00:43:12,010

went mad insane why you I didn't you

694

00:43:17,250 --> 00:43:13,299

[h__\h] cowards

695

00:43:19,470 --> 00:43:17,260

yeah sure themselves they and then not

696

00:43:21,240 --> 00:43:19,480

long after that well actually that was

697

00:43:24,089 --> 00:43:21,250

in the January and we met in the July

698

00:43:26,160 --> 00:43:24,099

but he wasn't until the May that's

699

00:43:29,609 --> 00:43:26,170

wigged then the kids have gone through

700

00:43:31,140 --> 00:43:29,619

something as well so and then it took me

701
00:43:33,529 --> 00:43:31,150
a little while to put it together that

702
00:43:36,960 --> 00:43:33,539
oh my god that was that like in January

703
00:43:49,670 --> 00:43:36,970
right yeah that was when I met you and

704
00:43:54,359 --> 00:43:49,680
so I was slightly insane anyway yes oh

705
00:43:57,450 --> 00:43:54,369
the next one on this edge fought it so

706
00:43:59,279 --> 00:43:57,460
but from that one of the orange gloves

707
00:44:01,559 --> 00:43:59,289
was aged far it will mean X when he

708
00:44:04,079 --> 00:44:01,569
fought it so but I can tell ya how many

709
00:44:08,400 --> 00:44:04,089
month gap he is because Alabama in

710
00:44:10,890 --> 00:44:08,410
December so you know beginning a new

711
00:44:16,319 --> 00:44:10,900
year and would they have been far

712
00:44:18,049 --> 00:44:16,329
it won't are you know month gap other 12

713
00:44:23,789 --> 00:44:18,059

month gap but there you go

714

00:44:26,910 --> 00:44:23,799

so yeah I'm Andrews which we was both

715

00:44:30,930 --> 00:44:26,920

involved in yeah

716

00:44:33,509 --> 00:44:30,940

uh-huh so like you spoke that one well

717

00:44:40,230 --> 00:44:33,519

okay that means I have to go back a

718

00:44:44,130 --> 00:44:40,240

little while to 2005 and I first started

719

00:44:46,859 --> 00:44:44,140

talking and the far room about what had

720

00:44:49,829 --> 00:44:46,869

happened to his in Wales which what was

721

00:44:53,970 --> 00:44:49,839

that's an epic story in itself book UFO

722

00:44:57,990 --> 00:44:53,980

event in Wales and broken my leg

723

00:44:59,670 --> 00:44:58,000

couldn't work the operations blah blah

724

00:45:01,289 --> 00:44:59,680

blah was a chef so I couldn't work

725

00:45:03,509 --> 00:45:01,299

I was bored out my mind got a computer

726

00:45:07,620 --> 00:45:03,519

this thing I did was weren't looking at

727

00:45:10,289 --> 00:45:07,630

UFOs ended up on a forum UFO magazine

728

00:45:14,490 --> 00:45:10,299

and the weird word farm World Wide Web

729

00:45:18,180 --> 00:45:14,500

and started talking on their their name

730

00:45:20,279 --> 00:45:18,190

when than a joined the UFO day and forum

731

00:45:23,460 --> 00:45:20,289

which was Callaghan and the old UFO

732

00:45:25,769 --> 00:45:23,470

magazine la reine birds'll you magazine

733

00:45:29,549 --> 00:45:25,779

after he died was Callaghan set up this

734

00:45:31,319 --> 00:45:29,559

UFO data so they had a UFO conference

735

00:45:34,620 --> 00:45:31,329

called the great British UFO show and

736

00:45:37,259 --> 00:45:34,630

that was 2005 in the October and I first

737

00:45:41,160 --> 00:45:37,269

started talking in the gym yeah what's

738

00:45:46,349 --> 00:45:41,170

the friends and I met Jason Andrews and

739

00:45:48,839 --> 00:45:46,359

Andrews Jason's wife at that time did

740

00:45:52,109 --> 00:45:48,849

net in Paul France I met lots of people

741

00:45:55,589 --> 00:45:52,119

it was great I was listening to Jason

742

00:45:59,309 --> 00:45:55,599

talk and it was like some of the stuff

743

00:46:02,370 --> 00:45:59,319

he was saying it was like my mom said

744

00:46:04,980 --> 00:46:02,380

that I used to disappear on a night when

745

00:46:07,200 --> 00:46:04,990

I was a baby and did by meeting the way

746

00:46:11,370 --> 00:46:07,210

places like an cupboards with dasha

747

00:46:13,710 --> 00:46:11,380

under blankets things like they'd

748

00:46:16,230 --> 00:46:13,720

ransacked the flat looking for me and

749

00:46:18,059 --> 00:46:16,240

the turnip wherever plastered up against

750

00:46:25,349 --> 00:46:18,069

the wall behind a double bed or

751
00:46:27,120 --> 00:46:25,359
something you know like places so I was

752
00:46:31,140 --> 00:46:27,130
listen to talk and he was coming up with

753
00:46:32,789 --> 00:46:31,150
all this stuff and I remember what it

754
00:46:35,309 --> 00:46:32,799
was it was saying but anyway I felt

755
00:46:37,349 --> 00:46:35,319
pretty rattled by what he said because

756
00:46:39,420 --> 00:46:37,359
it reminded me some of those funny

757
00:46:40,829 --> 00:46:39,430
stories that have been told about what a

758
00:46:42,539 --> 00:46:40,839
little monkey I wasn't

759
00:46:46,319 --> 00:46:42,549
was little and growing up and all the

760
00:46:50,099 --> 00:46:46,329
rest of it the following year I went to

761
00:46:52,440 --> 00:46:50,109
probe conference with Vitaly Safarov who

762
00:46:54,630 --> 00:46:52,450
had met on my farm well it wasn't mine

763
00:46:56,729 --> 00:46:54,640

but I was at me on the UFO magazine

764

00:46:58,349 --> 00:46:56,739

forum because I didn't stop talking as

765

00:47:02,039 --> 00:46:58,359

soon as I got on each side did not be an

766

00:47:03,630 --> 00:47:02,049

admin and we went and we saw Jason

767

00:47:06,950 --> 00:47:03,640

talking now

768

00:47:09,900 --> 00:47:06,960

jay says I'm on the front row and

769

00:47:12,989 --> 00:47:09,910

upstairs in the YMCA at lives and sons

770

00:47:15,660 --> 00:47:12,999

and Jason's kind of suit about ten to

771

00:47:19,229 --> 00:47:15,670

twelve feet to my left I'm gonna stop

772

00:47:22,890 --> 00:47:19,239

here he's over there and he's he's just

773

00:47:26,160 --> 00:47:22,900

there the microphone it's not on stage

774

00:47:29,239 --> 00:47:26,170

or anything same level as us the room

775

00:47:32,759 --> 00:47:29,249

was actually full two sets of seats

776

00:47:35,249 --> 00:47:32,769

maybe that one bad bit and I know which

777

00:47:36,839 --> 00:47:35,259

one you're on about yeah upstairs it

778

00:47:39,029 --> 00:47:36,849

used to be able to upstairs and it was a

779

00:47:43,759 --> 00:47:39,039

it was quite big this one it was quite a

780

00:47:46,259 --> 00:47:43,769

fall so Jason stop there talking and

781

00:47:49,529 --> 00:47:46,269

watch kids in that way I think it's

782

00:47:52,380 --> 00:47:49,539

notifications so anyway I'm watching him

783

00:47:55,950 --> 00:47:52,390

and I can see this kind of blue around

784

00:48:04,380 --> 00:47:55,960

him and in my if you're sick they either

785

00:48:08,549 --> 00:48:04,390

say it's our view it like special yeah I

786

00:48:10,140 --> 00:48:08,559

thought oh my god I've seen anyway so

787

00:48:13,229 --> 00:48:10,150

watching and he's getting bigger and

788

00:48:15,719 --> 00:48:13,239

bigger and bigger but he's spiking like

789

00:48:18,150 --> 00:48:15,729

you know and it's coming out to be quite

790

00:48:20,400 --> 00:48:18,160

far away from him so it's not just like

791

00:48:22,920 --> 00:48:20,410

when I first saw it was like pulsing

792

00:48:26,099 --> 00:48:22,930

like this surrounding very good close to

793

00:48:29,069 --> 00:48:26,109

me got bigger and bigger so I'm at this

794

00:48:32,130 --> 00:48:29,079

point like kind of looking you know

795

00:48:35,069 --> 00:48:32,140

looking back now I can still see it is

796

00:48:36,930 --> 00:48:35,079

it because I'm staring at him is it like

797

00:48:39,690 --> 00:48:36,940

you know when you go and imprint in Iraq

798

00:48:41,549 --> 00:48:39,700

is that what it is so I was looking away

799

00:48:44,099 --> 00:48:41,559

looking back and think you know I can

800

00:48:46,049 --> 00:48:44,109

actually see this then I realized it

801
00:48:49,950 --> 00:48:46,059
wasn't around him it was actually behind

802
00:48:52,739 --> 00:48:49,960
him yeah it was no if you know Jason's

803
00:48:54,240 --> 00:48:52,749
story said that he allows to ETS in

804
00:48:58,109 --> 00:48:54,250
their energy farms

805
00:49:01,310 --> 00:48:58,119
in him so experiences yes I know it's

806
00:49:04,349 --> 00:49:01,320
out there and no I didn't believe it

807
00:49:05,910 --> 00:49:04,359
first I thought well I didn't know what

808
00:49:10,410 --> 00:49:05,920
to believe but I thought it was a bit of

809
00:49:13,290 --> 00:49:10,420
a stretch so this thing is like a big

810
00:49:16,800 --> 00:49:13,300
blue humanoid shape things got quite a

811
00:49:19,410 --> 00:49:16,810
big head and it's all spiky around the

812
00:49:21,300 --> 00:49:19,420
edges it's kind of stood there like this

813
00:49:23,070 --> 00:49:21,310

and it's a little bit that I can hear

814

00:49:26,810 --> 00:49:23,080

where the eyes might be but there's no

815

00:49:30,450 --> 00:49:26,820

eyes it's just it's like a shadow

816

00:49:33,300 --> 00:49:30,460

projection and yeah how to describe it

817

00:49:35,700 --> 00:49:33,310

like a shadow in the air then I realized

818

00:49:39,270 --> 00:49:35,710

that there was something else in front

819

00:49:41,760 --> 00:49:39,280

of this blue shadow nothing and it was

820

00:49:43,910 --> 00:49:41,770

small it was about three feet tall and

821

00:49:48,960 --> 00:49:43,920

it was a grey and it was glittery

822

00:49:51,870 --> 00:49:48,970

sparkly yes we've got the sparkles

823

00:49:53,730 --> 00:49:51,880

before with the grace so it was fast it

824

00:49:56,940 --> 00:49:53,740

was like so we got one of them twisted

825

00:50:01,710 --> 00:49:56,950

arms and shake it up and it's all with

826

00:50:03,810 --> 00:50:01,720

shallots broccoli and so I'm obviously

827

00:50:05,790 --> 00:50:03,820

watching this by now fussing their head

828

00:50:07,230 --> 00:50:05,800

and this thing starts to come out of the

829

00:50:09,240 --> 00:50:07,240

side of it and it's growing out like

830

00:50:11,880 --> 00:50:09,250

this like and like an animal

831

00:50:13,740 --> 00:50:11,890

I don't know didn't have an elbow it

832

00:50:15,780 --> 00:50:13,750

wasn't bent it was straight and it so it

833

00:50:18,839 --> 00:50:15,790

was straight out and then the end of it

834

00:50:20,820 --> 00:50:18,849

it kind of drooped and a bit dropped off

835

00:50:24,390 --> 00:50:20,830

it and I saw it drop straight down it

836

00:50:26,300 --> 00:50:24,400

dropped straight down 12 feet away from

837

00:50:35,849 --> 00:50:26,310

me it landed at my feet

838

00:50:37,890 --> 00:50:35,859

yeah and it's like a teardrop shape with

839

00:50:40,020 --> 00:50:37,900

the point at me but this is spiky as

840

00:50:41,849 --> 00:50:40,030

well yeah well I'm looking at this thing

841

00:50:45,200 --> 00:50:41,859

and I'm looking at them over there and

842

00:50:47,970 --> 00:50:45,210

I'm looking at this and I'm thinking

843

00:50:50,250 --> 00:50:47,980

like I'm mad the way can I actually see

844

00:50:53,130 --> 00:50:50,260

this am I actually seen it is it my eyes

845

00:50:55,320 --> 00:50:53,140

all the time I'm questioning is it my

846

00:50:57,480 --> 00:50:55,330

eyes and I'm looking away and looking

847

00:50:59,070 --> 00:50:57,490

back and trying anything ever looked at

848

00:51:03,270 --> 00:50:59,080

something that's got an imprint in my

849

00:51:05,690 --> 00:51:03,280

eyes so anyway if it's a talk I don't

850

00:51:07,990 --> 00:51:05,700

even know if I can remember what he said

851

00:51:10,120 --> 00:51:08,000

then I went back

852

00:51:11,770 --> 00:51:10,130

to the table where we were selling UFO

853

00:51:14,530 --> 00:51:11,780

debt and magazines and Michael book we

854

00:51:18,070 --> 00:51:14,540

were Sattler and there was a piece of

855

00:51:21,070 --> 00:51:18,080

paper or a little book it was open you

856

00:51:23,410 --> 00:51:21,080

know with the drawing at this thing with

857

00:51:25,900 --> 00:51:23,420

the little thing in front of it and I

858

00:51:29,110 --> 00:51:25,910

said who do that and he said Vitali and

859

00:51:33,430 --> 00:51:29,120

I'd actually gone with Vitaly I ended up

860

00:51:37,200 --> 00:51:33,440

going to Anders and Jason's with him it

861

00:51:40,150 --> 00:51:37,210

was all because it was kind of a bit of

862

00:51:42,010 --> 00:51:40,160

an explosion between me and battalion

863

00:51:44,500 --> 00:51:42,020

like it was very very intense friendship

864

00:51:47,260 --> 00:51:44,510

but then it all got so weird and messed

865

00:51:52,030 --> 00:51:47,270

up because he obviously it was the

866

00:51:53,290 --> 00:51:52,040

reptilians on his case that fell out we

867

00:52:00,660 --> 00:51:53,300

haven't really spoken since

868

00:52:04,630 --> 00:52:00,670

and so that was 2006 so I go home from

869

00:52:07,180 --> 00:52:04,640

conference and I think he must be the

870

00:52:09,040 --> 00:52:07,190

next day I'm late on the bed and I feel

871

00:52:13,480 --> 00:52:09,050

like someone's gotta line up with that

872

00:52:21,190 --> 00:52:13,490

skin on my head and pulled it okay just

873

00:52:23,800 --> 00:52:21,200

felt my hair it's here okay and then I

874

00:52:26,080 --> 00:52:23,810

felt this pushing on the top of my head

875

00:52:27,310 --> 00:52:26,090

so I can sit back as I was meditating at

876

00:52:30,840 --> 00:52:27,320

the time because I was like do you know

877

00:52:34,960 --> 00:52:30,850

like you know like you do New Age black

878

00:52:39,010 --> 00:52:34,970

clueless know anything about any of this

879

00:52:41,050 --> 00:52:39,020

is just that was happening so I'm like

880

00:52:43,450 --> 00:52:41,060

then I felt this pressure go up through

881

00:52:43,810 --> 00:52:43,460

my face you know through my head and my

882

00:52:46,150 --> 00:52:43,820

body

883

00:52:48,990 --> 00:52:46,160

it's must've left the room feeling sick

884

00:52:51,880 --> 00:52:49,000

and agitated it and wanting to move and

885

00:52:55,030 --> 00:52:51,890

it was just kind of like just lie still

886

00:52:56,320 --> 00:52:55,040

I just knew I had to lie still I felt

887

00:52:58,900 --> 00:52:56,330

this push to go all the way through my

888

00:53:01,810 --> 00:52:58,910

body and then as soon as he got til my

889

00:53:05,410 --> 00:53:01,820

fate it was boom dreaming the gum was at

890

00:53:08,080 --> 00:53:05,420

the house weird next day about later

891

00:53:12,280 --> 00:53:08,090

that day it's hard to remember I got an

892

00:53:14,350 --> 00:53:12,290

email from Linda she said to me I'd

893

00:53:16,750 --> 00:53:14,360

really weird experience all snakes I

894

00:53:19,510 --> 00:53:16,760

told my father about what happened and

895

00:53:21,070 --> 00:53:19,520

what I felt and I got an email off her

896

00:53:21,620 --> 00:53:21,080

saying that she felt like suddenly

897

00:53:24,109 --> 00:53:21,630

appealed

898

00:53:26,779 --> 00:53:24,119

head like an orange and that she had

899

00:53:29,029 --> 00:53:26,789

this a feeling of something pushing

900

00:53:31,970 --> 00:53:29,039

through a body so I said it's my father

901
00:53:33,589 --> 00:53:31,980
Oni where would you like you know like

902
00:53:38,870 --> 00:53:33,599
totally freaked out by it it was like

903
00:53:44,089 --> 00:53:38,880
what's that pushed off you know so it's

904
00:53:47,299 --> 00:53:44,099
just a weird thing then in 2007 in a

905
00:53:50,660 --> 00:53:47,309
September Powell Harris was talking for

906
00:53:54,380 --> 00:53:50,670
the Norfolk you were first society do

907
00:53:57,499 --> 00:53:54,390
you think it was so she come over from

908
00:54:01,400 --> 00:53:57,509
America stay in an unarmed Russia got

909
00:54:03,680 --> 00:54:01,410
bled the day before me but when I got

910
00:54:06,799 --> 00:54:03,690
there she was like I am not staying in

911
00:54:09,950 --> 00:54:06,809
this house another night to me and Paul

912
00:54:11,749 --> 00:54:09,960
and husband drove her to a trouble large

913
00:54:13,460 --> 00:54:11,759

checks into the trouble has got back

914

00:54:14,749 --> 00:54:13,470

some weird stuff going on with Alice

915

00:54:17,539 --> 00:54:14,759

Taylor who've just turned up at this

916

00:54:19,549 --> 00:54:17,549

point we've been stuck lost out in the

917

00:54:24,490 --> 00:54:19,559

rain what rain has been absolutely

918

00:54:31,160 --> 00:54:29,509

so anyway that night I went to bed it

919

00:54:36,220 --> 00:54:31,170

was was that before the conference a

920

00:54:38,240 --> 00:54:36,230

mouse giant up talking about lenders so

921

00:54:40,880 --> 00:54:38,250

weird Alden in the living room that

922

00:54:47,240 --> 00:54:40,890

James and then with her again it was my

923

00:54:55,009 --> 00:54:47,250

ro and Fran is mrs. James Lynn would be

924

00:54:57,380 --> 00:54:55,019

an ALICE me was a pollen and some people

925

00:55:06,430 --> 00:54:57,390

left then it was case of right who was

926
00:55:13,519 --> 00:55:10,999
you know I mean I've seen UFOs it was

927
00:55:17,329 --> 00:55:13,529
later on that I remembered overseeing

928
00:55:19,339 --> 00:55:17,339
all the stuff but at this point I said

929
00:55:21,980 --> 00:55:19,349
I'll sleep in Jason's room so I went up

930
00:55:23,900 --> 00:55:21,990
set and then I woke up because I felt

931
00:55:26,089 --> 00:55:23,910
the covers are sliding off me but it was

932
00:55:27,769 --> 00:55:26,099
like it was like a sheet that was fold

933
00:55:31,640 --> 00:55:27,779
isn't it was being pulled down in the

934
00:55:33,349 --> 00:55:31,650
fold so the yeah is the quilt that is on

935
00:55:34,740 --> 00:55:33,359
the bed it was like a sheet that was

936
00:55:37,080 --> 00:55:34,750
being pulled down like this

937
00:55:38,730 --> 00:55:37,090
I felt it and the hair day and they

938
00:55:40,080 --> 00:55:38,740

started to come round and as soon as I

939

00:55:43,260 --> 00:55:40,090

started to come round

940

00:55:46,530 --> 00:55:43,270

like Oprah she went boom straight over

941

00:55:49,859 --> 00:55:46,540

the top of my pin my arms in place so

942

00:55:52,440 --> 00:55:49,869

all of the air out of my lungs it

943

00:55:54,480 --> 00:55:52,450

literally but the other thing I could

944

00:55:57,390 --> 00:55:54,490

move was like my legs and I was kicking

945

00:56:03,359 --> 00:55:57,400

my legs and remembered the pain because

946

00:56:04,800 --> 00:56:03,369

of ruptured money in 2002 so and they

947

00:56:09,599 --> 00:56:04,810

hadn't had a reconstruction at that

948

00:56:12,390 --> 00:56:09,609

point so that that was there was pain

949

00:56:15,240 --> 00:56:12,400

but it was old pain and panic you know

950

00:56:17,849 --> 00:56:15,250

meme the next thing I remember is that I

951
00:56:20,849 --> 00:56:17,859
felt cold on my skin but then the cold

952
00:56:23,700 --> 00:56:20,859
went through my skin into my body and it

953
00:56:26,520 --> 00:56:23,710
went all the way into the middle I felt

954
00:56:29,940 --> 00:56:26,530
my heart is it like a bit like the

955
00:56:31,859 --> 00:56:29,950
feeling of the cold a bit like if you

956
00:56:37,080 --> 00:56:31,869
ever had an epidural where it kind of

957
00:56:40,260 --> 00:56:37,090
freezes and then it kind of goes up with

958
00:56:44,520 --> 00:56:40,270
an epidural the of it the BSE is fine

959
00:56:47,670 --> 00:56:44,530
and it it you can feel it going through

960
00:56:48,359 --> 00:56:47,680
your body but it kind of it's freezing

961
00:56:50,160 --> 00:56:48,369
cold

962
00:56:52,500 --> 00:56:50,170
and it's lovely at the same time because

963
00:56:54,540 --> 00:56:52,510

when you're in labor your red dot is

964

00:56:56,780 --> 00:56:54,550

where am you know you you just want ice

965

00:57:01,310 --> 00:56:56,790

you want ice that's the only one in that

966

00:57:06,540 --> 00:57:01,320

but with this epidural when this star

967

00:57:10,910 --> 00:57:06,550

the painkiller it bare c-spine and it

968

00:57:13,650 --> 00:57:10,920

feels like it's going up up you back up

969

00:57:18,890 --> 00:57:13,660

no this went through my skin and they

970

00:57:24,839 --> 00:57:18,900

went right in yeah yeah you know like

971

00:57:30,630 --> 00:57:24,849

literally it's hard to describe to the

972

00:57:32,640 --> 00:57:30,640

car basically is something slashed just

973

00:57:39,329 --> 00:57:32,650

at where the mouth was and I took a big

974

00:57:42,690 --> 00:57:39,339

gulp of air so if I if I had time to

975

00:57:44,670 --> 00:57:42,700

think I would have assumed that I'd been

976

00:57:46,880 --> 00:57:44,680

an idiot go to somebody's house on the

977

00:57:50,940 --> 00:57:46,890

internet and I would be murdered

978

00:57:52,470 --> 00:57:50,950

is that bad right anyone else would

979

00:57:55,770 --> 00:57:52,480

assume that they were being murdered if

980

00:57:58,109 --> 00:57:55,780

you've got that time to even think in

981

00:58:03,030 --> 00:57:58,119

your panic because it's just so sudden

982

00:58:04,079 --> 00:58:03,040

you know that that I was well this is

983

00:58:05,730 --> 00:58:04,089

the thing you say I've had some

984

00:58:13,349 --> 00:58:05,740

terrifying [h__\h] up and then people

985

00:58:15,809 --> 00:58:13,359

wonder why I'm edgy and the opposite I'm

986

00:58:23,210 --> 00:58:15,819

not AG I'm it's like somebody couldn't

987

00:58:35,970 --> 00:58:26,910

yeah I'm not that dude I'm used to bear

988

00:58:40,050 --> 00:58:35,980

every note but now I'm just like you

989

00:58:42,930 --> 00:58:40,060

know anyway so this song I'm gonna dump

990

00:58:44,490 --> 00:58:42,940

this chair like it feels like it's no

991

00:58:49,230 --> 00:58:44,500

position there's being in the dentist's

992

00:58:50,849 --> 00:58:49,240

chair yeah ma my head's like to this

993

00:58:51,420 --> 00:58:50,859

side don't really know what's going on

994

00:58:55,020 --> 00:58:51,430

over here

995

00:58:57,920 --> 00:58:55,030

my arms stretched out to do that

996

00:59:01,620 --> 00:58:57,930

movement anyway man you stretched out

997

00:59:05,280 --> 00:59:01,630

it's on a tall thin about this wide

998

00:59:08,010 --> 00:59:05,290

steel table that's about that long and

999

00:59:09,630 --> 00:59:08,020

about that wide and it's really tall is

1000

00:59:14,099 --> 00:59:09,640

that a blue coffin ll just like you'd

1001
00:59:15,930 --> 00:59:14,109
expect to see in there operating theater

1002
00:59:19,920 --> 00:59:15,940
you know the steel and low cost that

1003
00:59:22,680 --> 00:59:19,930
they have yeah on the cloth on the steel

1004
00:59:24,630 --> 00:59:22,690
table stretched out in the way that I

1005
00:59:30,720 --> 00:59:24,640
can't do it I do really sound stretched

1006
00:59:41,839 --> 00:59:30,730
out and that I can feel like needles in

1007
00:59:48,569 --> 00:59:45,540
and I can see like well look what I

1008
00:59:50,670 --> 00:59:48,579
thought initially was a black dog it

1009
00:59:53,339 --> 00:59:50,680
wasn't because it didn't have any legs

1010
00:59:59,280 --> 00:59:53,349
it didn't have a tail it didn't alpha

1011
01:00:00,180 --> 00:59:59,290
body shape it was just ya know Mahan and

1012
01:00:02,490 --> 01:00:00,190
the hair

1013
01:00:05,069 --> 01:00:02,500

it was a little damp weren't this now to

1014

01:00:09,589 --> 01:00:05,079

the UK and you can google this up that

1015

01:00:11,910 --> 01:00:09,599

actually you see what it's an insurance

1016

01:00:13,290 --> 01:00:11,920

it's an insurance company and they've

1017

01:00:15,960 --> 01:00:13,300

got a little creature in the backseat

1018

01:00:18,120 --> 01:00:15,970

and it's called nagging doubt he sees it

1019

01:00:19,620 --> 01:00:18,130

in the rearview mirror and it's certain

1020

01:00:21,329 --> 01:00:19,630

the backseat it's talking about got a

1021

01:00:24,480 --> 01:00:21,339

vermin sure if you ain't got any showing

1022

01:00:26,940 --> 01:00:24,490

you know make you feel paranoid anyway

1023

01:00:30,780 --> 01:00:26,950

so I seen that thing and I was like that

1024

01:00:32,940 --> 01:00:30,790

is pretty much bit cartoony but pretty

1025

01:00:36,569 --> 01:00:32,950

much exactly what I saw

1026

01:00:38,430 --> 01:00:36,579

chewing on my guess is my ostrich at but

1027

01:00:40,740 --> 01:00:38,440

I think I must have been drugged because

1028

01:00:43,650 --> 01:00:40,750

my arm looked like it was about 1 feet

1029

01:00:47,490 --> 01:00:43,660

it was really far of my hand was really

1030

01:00:49,530 --> 01:00:47,500

far away it felt yeah things blow all

1031

01:00:52,559 --> 01:00:49,540

around Malecha sees blue but then

1032

01:00:54,990 --> 01:00:52,569

there's this like machine front of me

1033

01:00:57,030 --> 01:00:55,000

and it's it's it's like it comes in two

1034

01:00:59,940 --> 01:00:57,040

parts so you've got the bottom half it's

1035

01:01:01,829 --> 01:00:59,950

got a lip that goes around it but the

1036

01:01:08,059 --> 01:01:01,839

top I mean it would fit inside the lip

1037

01:01:13,980 --> 01:01:08,069

so looks a bit like a gas meter it's big

1038

01:01:16,470 --> 01:01:13,990

and it's on like tubular steel legs just

1039

01:01:20,520 --> 01:01:16,480

sort of welded to the side of it it's

1040

01:01:23,490 --> 01:01:20,530

not unlike its you know like between the

1041

01:01:25,890 --> 01:01:23,500

two tube it was steel squares basically

1042

01:01:27,059 --> 01:01:25,900

and it's got a window in there with a

1043

01:01:30,599 --> 01:01:27,069

black line

1044

01:01:37,309 --> 01:01:30,609

no red line and black ink what in the

1045

01:01:42,390 --> 01:01:37,319

graph right yeah yeah like my lab say no

1046

01:01:47,280 --> 01:01:42,400

no because well possibly if they were

1047

01:01:50,690 --> 01:01:47,290

working together so I'm I'm like there

1048

01:01:54,750 --> 01:01:50,700

I'm on this thing and then like totally

1049

01:01:56,579 --> 01:01:54,760

know what's going on and I'm saying help

1050

01:01:57,900 --> 01:01:56,589

me I'm trying to say help me but I can't

1051

01:02:01,319 --> 01:01:57,910

it's just like a little whisper coming

1052

01:02:03,120 --> 01:02:01,329

out I am trying to move as long till

1053

01:02:04,829 --> 01:02:03,130

they get up and I'm trying to talk so I

1054

01:02:06,180 --> 01:02:04,839

thought stop trying to move just

1055

01:02:07,380 --> 01:02:06,190

concentrate if you shout you're in a

1056

01:02:08,970 --> 01:02:07,390

house for the people if you shout

1057

01:02:12,339 --> 01:02:08,980

somebody will hear you and there will

1058

01:02:14,319 --> 01:02:12,349

come and you can snap out of this

1059

01:02:17,109 --> 01:02:14,329

we instead that you're in because my

1060

01:02:20,319 --> 01:02:17,119

brain still trying to rationalize what's

1061

01:02:21,999 --> 01:02:20,329

going on and I mean I have some Ann's

1062

01:02:25,779 --> 01:02:22,009

and I'm in the bedroom and I'm just

1063

01:02:29,650 --> 01:02:25,789

having a weird dream and so I shout it

1064

01:02:32,920 --> 01:02:29,660

loud help me and then I don't remember

1065

01:02:37,390 --> 01:02:32,930

anything after that until I'm standing

1066

01:02:39,849 --> 01:02:37,400

up and I'm looking directly ahead of me

1067

01:02:44,019 --> 01:02:39,859

just here yeah there's like in front of

1068

01:02:45,640 --> 01:02:44,029

me but there's like a a silver pole but

1069

01:02:49,809 --> 01:02:45,650

my hip hold on simple about the same

1070

01:02:52,210 --> 01:02:49,819

size there's 3 wheatly tall light panels

1071

01:02:55,509 --> 01:02:52,220

that go from floor to ceiling there's a

1072

01:02:58,749 --> 01:02:55,519

gap in between it's just yeah I coming

1073

01:03:00,430 --> 01:02:58,759

from it the somebody stood here which

1074

01:03:02,349 --> 01:03:00,440

believed in zealous but I can't remember

1075

01:03:06,539 --> 01:03:02,359

whose face I can't say it was definitely

1076

01:03:09,249 --> 01:03:06,549

him well like I see was like skin turn

1077

01:03:12,339 --> 01:03:09,259

that's all I can remember just skin skin

1078

01:03:15,039 --> 01:03:12,349

turn somebody stood there in front of me

1079

01:03:16,839 --> 01:03:15,049

there was a little girl and she had

1080

01:03:20,640 --> 01:03:16,849

blonde pigtails she had a little dress

1081

01:03:23,229 --> 01:03:20,650

on with a collar type thing in it and a

1082

01:03:26,700 --> 01:03:23,239

problem that went around P and it kind

1083

01:03:37,150 --> 01:03:26,710

of down a little bit little puffy sleeve

1084

01:03:39,339 --> 01:03:37,160

dress with little it wasn't anything

1085

01:03:43,029 --> 01:03:39,349

liking but it's similar kind of style to

1086

01:03:45,249 --> 01:03:43,039

UM my grandma made in the 70s on my seat

1087

01:03:46,809 --> 01:03:45,259

for my sixth birthday it was that you

1088

01:03:49,529 --> 01:03:46,819

know end of the party dresses with a

1089

01:03:52,959 --> 01:03:49,539

little sash that comes around just yeah

1090

01:03:54,700 --> 01:03:52,969

like that she had a doll or a teddy cat

1091

01:03:59,170 --> 01:03:54,710

remember what she had shared something

1092

01:04:02,049 --> 01:03:59,180

in their arms so behind her is this

1093

01:04:03,640 --> 01:04:02,059

giant blue set of shoulders and spine I

1094

01:04:05,739 --> 01:04:03,650

can see the bumps of the barn in the

1095

01:04:08,620 --> 01:04:05,749

span and this thing is enormous and it's

1096

01:04:13,269 --> 01:04:08,630

oil it's muscle to muscle and it's like

1097

01:04:15,910 --> 01:04:13,279

blue and I can't see her at all it's

1098

01:04:19,089 --> 01:04:15,920

like it's these forward like this

1099

01:04:20,650 --> 01:04:19,099

so I've I've got a little girl I had a

1100

01:04:24,130 --> 01:04:20,660

little girl it was about seven at the

1101

01:04:26,050 --> 01:04:24,140

time so this little girl looked about

1102

01:04:29,080 --> 01:04:26,060

same age as my daughter

1103

01:04:31,270 --> 01:04:29,090

uh so I kind of just took a few steps

1104

01:04:32,710 --> 01:04:31,280

forward said grubber to get real weights

1105

01:04:34,780 --> 01:04:32,720

pull her away from the singing like a

1106

01:04:38,410 --> 01:04:34,790

motherly instinct kind of thing and

1107

01:04:41,710 --> 01:04:38,420

there's a got right up to her a face

1108

01:04:45,430 --> 01:04:41,720

changed completely so the eyes were

1109

01:04:49,750 --> 01:04:45,440

bright bright gold really like gold and

1110

01:04:52,270 --> 01:04:49,760

the pupils were round and they were when

1111

01:04:54,250 --> 01:04:52,280

I got really close up to it and it was

1112

01:04:57,310 --> 01:04:54,260

like he got a kick out of it you know I

1113

01:05:00,640 --> 01:04:57,320

mean we could realize and is it grinned

1114

01:05:03,400 --> 01:05:00,650

all the skin bunched up here behind the

1115

01:05:06,730 --> 01:05:03,410

ears and this like and a mouth came out

1116

01:05:09,700 --> 01:05:06,740

like that like same thing and all its

1117

01:05:12,220 --> 01:05:09,710

teeth about this long about that wide

1118

01:05:15,940 --> 01:05:12,230

all completely uniform all the way

1119

01:05:19,980 --> 01:05:15,950

around no saliva no slime no nothing

1120

01:05:22,510 --> 01:05:19,990

completely dry like old bum and

1121

01:05:25,210 --> 01:05:22,520

obviously I just took a few steps back

1122

01:05:26,440 --> 01:05:25,220

and looked like this whoever it was that

1123

01:05:31,150 --> 01:05:26,450

was there which I'm pretty sure was

1124

01:05:35,110 --> 01:05:31,160

Ali's yeah the next morning I wake up

1125

01:05:36,910 --> 01:05:35,120

and I'm thinking so what's happened to

1126

01:05:38,440 --> 01:05:36,920

me some what's happens around no that

1127

01:05:42,580 --> 01:05:38,450

wasn't you know and I remembered they

1128

01:05:44,500 --> 01:05:42,590

are naturally go to the toilet I get so

1129

01:05:45,400 --> 01:05:44,510

they had to flush I was out of that

1130

01:05:49,300 --> 01:05:45,410

bedroom duh

1131

01:05:50,980 --> 01:05:49,310

unlike Luna take him barreling out Alex

1132

01:05:57,160 --> 01:05:50,990

it was sucked out just in these boxer

1133

01:05:59,140 --> 01:05:57,170

shorts lesson I was what's happened you

1134

01:06:00,730 --> 01:05:59,150

know I'm like wild woman in one go my

1135

01:06:06,700 --> 01:06:00,740

hair was totally bright red it was I'm

1136

01:06:10,120 --> 01:06:06,710

like boy I it was so it was mud on the

1137

01:06:12,610 --> 01:06:10,130

Marling with Maya anyway so I came like

1138

01:06:14,710 --> 01:06:12,620

that with Jason's bedroom so we go

1139

01:06:16,990 --> 01:06:14,720

downstairs with coffee sat talking in

1140

01:06:19,150 --> 01:06:17,000

the living room and he said they've been

1141

01:06:20,620 --> 01:06:19,160

laid there and the bottle of wine and

1142

01:06:22,390 --> 01:06:20,630

been drinking and that we farm moved

1143

01:06:24,850 --> 01:06:22,400

across the table paint itself

1144

01:06:30,370 --> 01:06:24,860

well the way up our stuff don't worry

1145

01:06:34,600 --> 01:06:30,380

we're just standing up yeah like to tune

1146

01:06:37,090 --> 01:06:34,610

it out or not freak out but then saw

1147

01:06:39,340 --> 01:06:37,100

anything what happened and I said some I

1148

01:06:42,850 --> 01:06:39,350

said about the black dog anyway

1149

01:06:45,010 --> 01:06:42,860

lapdogs said I remember there was stood

1150

01:06:47,800 --> 01:06:45,020

out the back that when you go through

1151

01:06:51,190 --> 01:06:47,810

his kitchen there's that doll lots of

1152

01:06:53,590 --> 01:06:51,200

the side of the house when paddock is he

1153

01:06:56,080 --> 01:06:53,600

was stood there and he said he looked

1154

01:06:59,350 --> 01:06:56,090

down and had like dog licking and

1155

01:07:06,910 --> 01:06:59,360

chewing his fingers just yeah chewing my

1156

01:07:08,680 --> 01:07:06,920

fingers those the black dogs that you're

1157

01:07:18,360 --> 01:07:08,690

on about because of the ball things that

1158

01:07:24,250 --> 01:07:18,370

the black fluffy spike you saw walking

1159

01:07:26,910 --> 01:07:24,260

walk between worlds he just used to call

1160

01:07:30,910 --> 01:07:26,920

him when he was a kid co-op fuzzy koalas

1161

01:07:32,800 --> 01:07:30,920

didn't know how to describe yeah because

1162

01:07:35,770 --> 01:07:32,810

the kind of indistinct just like a bowl

1163

01:07:41,950 --> 01:07:35,780

yeah and basically it was little black

1164

01:07:46,570 --> 01:07:41,960

eyes and mouths of black um so he's got

1165

01:07:49,900 --> 01:07:46,580

this like red squares on his chest here

1166

01:07:54,730 --> 01:07:49,910

like that way yeah like a burn

1167

01:08:02,020 --> 01:07:54,740

yeah anyway so to get heads together

1168

01:08:04,060 --> 01:08:02,030

we've got to go have you told him about

1169

01:08:06,910 --> 01:08:04,070

it oh my god I'll let you know

1170

01:08:08,710 --> 01:08:06,920

Oh everyone's busy putting on the

1171

01:08:10,120 --> 01:08:08,720

conference so we all that's a ship half

1172

01:08:11,040 --> 01:08:10,130

out of the house pretty early in the

1173

01:08:14,260 --> 01:08:11,050

morning

1174

01:08:18,910 --> 01:08:14,270

Powell is doing a talk halfway through

1175

01:08:23,020 --> 01:08:18,920

with a break so I thought 6:00 then and

1176

01:08:24,430 --> 01:08:23,030

so sat outside Jason and Jackie smoking

1177

01:08:27,880 --> 01:08:24,440

and say again at the table where they've

1178

01:08:30,400 --> 01:08:27,890

been taking money to go in and I noticed

1179

01:08:32,290 --> 01:08:30,410

that I had all these max puncture marks

1180

01:08:34,470 --> 01:08:32,300

on the backs of my mind you know our

1181

01:08:37,450 --> 01:08:34,480

word bruises it was like one two three

1182

01:08:42,280 --> 01:08:37,460

and one there and then one there and one

1183

01:08:44,530 --> 01:08:42,290

there and then one there right and I was

1184

01:08:46,660 --> 01:08:44,540

like well it god what's that I thought

1185

01:08:50,470 --> 01:08:46,670

maybe I've done it on the train you know

1186

01:08:53,090 --> 01:08:50,480

lifting me case about whatever and then

1187

01:08:55,099 --> 01:08:53,100

mom rings me and she goes I just

1188

01:08:57,980 --> 01:08:55,109

is that this terrible dream last night

1189

01:08:59,870 --> 01:08:57,990

since you're late on the sofa and you

1190

01:09:03,830 --> 01:08:59,880

look like just you have like cling film

1191

01:09:05,630 --> 01:09:03,840

love you all you were sweating I mumble

1192

01:09:08,000 --> 01:09:05,640

and she was furious because she thought

1193

01:09:10,280 --> 01:09:08,010

I've been doing drugs again so obviously

1194

01:09:12,349 --> 01:09:10,290

after the thing in Wales I think when I

1195

01:09:15,740 --> 01:09:12,359

got asleep ever saw a static second

1196

01:09:17,690 --> 01:09:15,750

speed is there the way car like she you

1197

01:09:19,700 --> 01:09:17,700

know I'm mumbling away and I'm on this

1198

01:09:21,320 --> 01:09:19,710

sofa she said that she could see me on

1199

01:09:23,120 --> 01:09:21,330

the surf and there was mumbling away and

1200

01:09:25,400 --> 01:09:23,130

we were in the house she's brought the

1201

01:09:26,990 --> 01:09:25,410

windows were really high up didn't make

1202

01:09:28,730 --> 01:09:27,000

any sense why the windows would be up

1203

01:09:30,890 --> 01:09:28,740

there and there was a knock on the door

1204

01:09:33,770 --> 01:09:30,900

so she opened the door and the man with

1205

01:09:37,430 --> 01:09:33,780

the big black track watch in and the

1206

01:09:42,230 --> 01:09:37,440

curl and he was with another another man

1207

01:09:45,130 --> 01:09:42,240

whose skin was bright blue and it was so

1208

01:09:48,830 --> 01:09:45,140

wrinkly it looked like it was knitted

1209

01:09:50,810 --> 01:09:48,840

she said that no other son was there my

1210

01:09:52,790 --> 01:09:50,820

oldest she said he was sat on the steel

1211

01:09:54,440 --> 01:09:52,800

table she says just what's happening

1212

01:09:57,560 --> 01:09:54,450

like completely blank like I didn't know

1213

01:09:59,870 --> 01:09:57,570

who I was jumped off and famished like

1214

01:10:01,760 --> 01:09:59,880

that just and then the man with the

1215

01:10:02,900 --> 01:10:01,770

black hat and the blue man was in the

1216

01:10:05,090 --> 01:10:02,910

corner and they were having a

1217

01:10:06,470 --> 01:10:05,100

conversation about me now while I'd been

1218

01:10:08,840 --> 01:10:06,480

in that chair

1219

01:10:10,280 --> 01:10:08,850

I could hear two men talking but I

1220

01:10:15,530 --> 01:10:10,290

couldn't work out what they were saying

1221

01:10:18,230 --> 01:10:15,540

you know like in just over its am i

1222

01:10:21,410 --> 01:10:18,240

right I couldn't you know I couldn't

1223

01:10:28,490 --> 01:10:21,420

move my head because I was just messed

1224

01:10:32,330 --> 01:10:28,500

up so that was that really it was like

1225

01:10:35,620 --> 01:10:32,340

well she just had a dream about pretty

1226

01:10:40,240 --> 01:10:35,630

much everything that happened you know

1227

01:10:42,770 --> 01:10:40,250

that's everywhere so obviously you know

1228

01:10:44,690 --> 01:10:42,780

Jason was 12 and the family first

1229

01:10:47,480 --> 01:10:44,700

started talking about this and he got a

1230

01:10:49,220 --> 01:10:47,490

lot of creepy followers and is a death

1231

01:10:51,710 --> 01:10:49,230

threats and things like that had some

1232

01:10:54,230 --> 01:10:51,720

really horrible [h__h] go on like you you

1233

01:10:58,820 --> 01:10:54,240

know the chase is off the scene we all

1234

01:11:00,380 --> 01:10:58,830

get will not talk ever again I made a

1235

01:11:02,720 --> 01:11:00,390

different stuff y'all made a different

1236

01:11:06,740 --> 01:11:02,730

stuff well how many people do we know

1237

01:11:09,530 --> 01:11:06,750

that just will not talk because about

1238

01:11:11,150 --> 01:11:09,540

the abuse and defending them sounds all

1239

01:11:14,720 --> 01:11:11,160

the time to these nobodies

1240

01:11:18,020 --> 01:11:14,730

so anyway Jason wasn't very well then

1241

01:11:20,090 --> 01:11:18,030

Alan got in touch with me oh god there's

1242

01:11:22,930 --> 01:11:20,100

so much to go there's a missing that a

1243

01:11:28,040 --> 01:11:22,940

huge bit of wit psychic stuff here but

1244

01:11:30,650 --> 01:11:28,050

about you so jess is not well I got oh

1245

01:11:35,090 --> 01:11:30,660

man Alice's there we'll go in and we see

1246

01:11:38,420 --> 01:11:35,100

him he's not very well then go back down

1247

01:11:41,240 --> 01:11:38,430

again at this time I'm going and you

1248

01:11:46,970 --> 01:11:41,250

want to call so I'm saying to you

1249

01:11:55,760 --> 01:11:46,980

parlor it's weirder than chair is where

1250

01:12:02,830 --> 01:11:55,770

did the fish fish you know like that

1251
01:12:06,200 --> 01:12:02,840
house is like it smacked yeah so I

1252
01:12:08,840 --> 01:12:06,210
listen to you really consider what

1253
01:12:11,330 --> 01:12:08,850
you're doing because a cat you know I

1254
01:12:12,440 --> 01:12:11,340
was also thinking what's the likelihood

1255
01:12:15,130 --> 01:12:12,450
of it happening again

1256
01:12:19,250 --> 01:12:15,140
well I thought I thought was likely

1257
01:12:23,860 --> 01:12:19,260
happening when we always as an example

1258
01:12:26,180 --> 01:12:23,870
we always look at somebody else's

1259
01:12:30,020 --> 01:12:26,190
experiences molar if ik than there's

1260
01:12:33,410 --> 01:12:30,030
armor like well you know but yeah I can

1261
01:12:35,480 --> 01:12:33,420
tell me from Andy it just flows out you

1262
01:12:40,910 --> 01:12:35,490
you know and you're probably all my god

1263
01:12:51,230 --> 01:12:40,920

you know and so for me I thought I won't

1264

01:12:57,200 --> 01:12:51,240

happen to you you know what a horrible

1265

01:13:00,140 --> 01:12:57,210

horrific frightening so traumatic yes

1266

01:13:05,360 --> 01:13:00,150

a year my head was mess for about a year

1267

01:13:07,280 --> 01:13:05,370

I yeah Oh chronically forgetful I stand

1268

01:13:08,900 --> 01:13:07,290

up and immediately I don't know why I've

1269

01:13:11,990 --> 01:13:08,910

stirred up you know it was like that

1270

01:13:13,550 --> 01:13:12,000

frayed just I had a nice right like

1271

01:13:18,380 --> 01:13:13,560

whatever it was I was gonna do when I

1272

01:13:19,600 --> 01:13:18,390

got here like I'm gonna stand up and I'm

1273

01:13:21,370 --> 01:13:19,610

gonna go make myself some

1274

01:13:23,580 --> 01:13:21,380

food or I'm gonna go make myself a cup

1275

01:13:29,620 --> 01:13:23,590

of tea you know you know like whatever

1276

01:13:36,580 --> 01:13:29,630

so anyway you said you it's calm so we

1277

01:13:39,700 --> 01:13:36,590

went and regret regret because it was

1278

01:13:42,390 --> 01:13:39,710

just not that I like the experiences but

1279

01:13:46,990 --> 01:13:42,400

it's just another experience to I don't

1280

01:13:51,280 --> 01:13:47,000

you know right anyway so yeah we girls

1281

01:13:54,550 --> 01:13:51,290

down there don't we we had no missing

1282

01:14:01,720 --> 01:13:54,560

time dates in between that time we got

1283

01:14:16,109 --> 01:14:01,730

there my daughter decided to lose a

1284

01:14:20,470 --> 01:14:16,119

bloody dorky I'll fix it when I get back

1285

01:14:22,660 --> 01:14:20,480

so anyway yeah I really believe that no

1286

01:14:24,970 --> 01:14:22,670

adapt into me because that house is

1287

01:14:27,609 --> 01:14:24,980

connected to Jason and as that sit as

1288

01:14:29,490 --> 01:14:27,619

far as I'm concerned so if it was going

1289

01:14:34,870 --> 01:14:29,500

to happen it's going to happen when our

1290

01:14:39,160 --> 01:14:34,880

ease more more aware you know sir from

1291

01:14:41,290 --> 01:14:39,170

down there and I don't remember butcher

1292

01:14:43,359 --> 01:14:41,300

I just remember walking in tar and I'm

1293

01:14:46,450 --> 01:14:43,369

just oh yeah yeah and I see this figure

1294

01:15:09,729 --> 01:14:46,460

of a movement in the other diabaté there

1295

01:15:12,939 --> 01:15:09,739

and and it were like AIT's a box I

1296

01:15:20,060 --> 01:15:12,949

didn't allow me surroundings you know it

1297

01:15:22,770 --> 01:15:20,070

was just to see the slight movement

1298

01:15:32,919 --> 01:15:22,780

[Laughter]

1299

01:15:35,300 --> 01:15:32,929

sorry PO yeah and then

1300

01:15:37,040 --> 01:15:35,310

do you know what we'd all sat down

1301

01:15:41,569 --> 01:15:37,050

stairs now this is where I'm getting

1302

01:15:43,189 --> 01:15:41,579

confused again was it tonight I was sat

1303

01:15:46,339 --> 01:15:43,199

in that chair and that thing come

1304

01:15:49,729 --> 01:15:46,349

through me now so we have her out with

1305

01:15:51,140 --> 01:15:49,739

that the same night as we slay yeah but

1306

01:15:52,970 --> 01:15:51,150

you started off in the kitchen

1307

01:15:56,330 --> 01:15:52,980

you started freaking out because you're

1308

01:16:01,180 --> 01:15:56,340

70 looks at your feet look like long and

1309

01:16:04,850 --> 01:16:01,190

gray and then and James was like kind of

1310

01:16:07,970 --> 01:16:04,860

Charlie whatever with you and then we

1311

01:16:11,120 --> 01:16:07,980

end up in the living room I went to the

1312

01:16:13,910 --> 01:16:11,130

toilet and then when I came downstairs

1313

01:16:16,129 --> 01:16:13,920

and I walked in that room of energy in

1314

01:16:26,089 --> 01:16:16,139

that room I don't know what happened

1315

01:16:28,339 --> 01:16:26,099

I just around and then I just walked

1316

01:16:31,700 --> 01:16:28,349

back into the office but through the

1317

01:16:39,850 --> 01:16:31,710

kitchen around into the hall straight up

1318

01:16:45,200 --> 01:16:42,439

sleep in the dark in that room well

1319

01:16:52,729 --> 01:16:45,210

always just going off downstairs sorry

1320

01:16:56,830 --> 01:16:52,739

that's not right listen yes they kind of

1321

01:17:03,859 --> 01:17:01,220

it'll be all right on the m5 we need

1322

01:17:06,919 --> 01:17:03,869

time out and make a brew and then we can
