

1
00:00:09,240 --> 00:00:06,720
I always did that you always vanishes it

2
00:00:13,230 --> 00:00:09,250
goes off and then it comes back on Dom

3
00:00:28,080 --> 00:00:13,240
that yeah well this is no frills this is

4
00:00:49,650 --> 00:00:28,090
you know just your basic videos and

5
00:00:52,410 --> 00:00:49,660
you've got all these things I'm just I

6
00:00:56,790 --> 00:00:52,420
don't know if it's laziness impatience

7
00:01:00,450 --> 00:00:56,800
or whatever when it comes just sitting

8
00:01:08,190 --> 00:01:00,460
and editing videos I just kind of yeah

9
00:01:10,200 --> 00:01:08,200
yeah yeah so anyway if I had a social

10
00:01:12,060 --> 00:01:10,210
media manager of some sort they would

11
00:01:14,850 --> 00:01:12,070
quickly have a nervous breakdown

12
00:01:18,270 --> 00:01:14,860
and yeah we can't be doing that so

13
00:01:19,580 --> 00:01:18,280

anyone so now this is how is he so this

14

00:01:27,570 --> 00:01:19,590

is how it rolls

15

00:01:33,359 --> 00:01:27,580

yeah and to recap back to the end we

16

00:01:37,140 --> 00:01:33,369

rewind was when you were playing hide

17

00:01:42,810 --> 00:01:37,150

and seek in like caravan park was I'd

18

00:01:47,130 --> 00:01:42,820

finished that one yeah so then I had a

19

00:01:49,289 --> 00:01:47,140

lot going on the edge 43 it kind of

20

00:01:54,899 --> 00:01:49,299

stopped for years a few years after it's

21

00:02:02,039 --> 00:01:54,909

like far five six well if I in a minute

22

00:02:05,490 --> 00:02:02,049

if I do like you know like someone said

23

00:02:07,710 --> 00:02:05,500

to me today when you would describe in

24

00:02:13,500 --> 00:02:07,720

what was going on at Anne's when he said

25

00:02:18,030 --> 00:02:13,510

that I was on the bed and you were off

26

00:02:22,559 --> 00:02:18,040

into the sky no I don't have any

27

00:02:26,309 --> 00:02:22,569

recollection of that so yes yeah so it's

28

00:02:28,619 --> 00:02:26,319

really really weird and feels very

29

00:02:39,569 --> 00:02:28,629

strange somebody telling you something

30

00:02:42,990 --> 00:02:39,579

about yourself like that when as soon as

31

00:02:45,270 --> 00:02:43,000

you saw that thing that little great

32

00:02:47,610 --> 00:02:45,280

side to me and I said it's there in an

33

00:02:50,729 --> 00:02:47,620

attorney ever really slow you'll just

34

00:02:55,020 --> 00:02:50,739

when I just went that's when I felt the

35

00:03:02,550 --> 00:02:55,030

grub on buffet and a pull and you know

36

00:03:05,970 --> 00:03:02,560

just when I looked at you again about

37

00:03:08,580 --> 00:03:05,980

the way that I was just so I had not

38

00:03:10,490 --> 00:03:08,590

much of an expression on my face when

39
00:03:13,589 --> 00:03:10,500
you were saying about me a voice because

40
00:03:17,130 --> 00:03:13,599
it's not in me it's not in here

41
00:03:20,190 --> 00:03:17,140
yeah like you're telling me I'm sort of

42
00:03:23,640 --> 00:03:20,200
like I'm detached from it completely

43
00:03:25,860 --> 00:03:23,650
because like my head so I can't feel it

44
00:03:27,900 --> 00:03:25,870
it does feel very weird it does feel

45
00:03:30,930 --> 00:03:27,910
very strange to have someone be saying

46
00:03:33,300 --> 00:03:30,940
something about you sir well I think

47
00:03:34,680 --> 00:03:33,310
just the way that I've trained myself to

48
00:03:37,860 --> 00:03:34,690
think over the years

49
00:03:40,559 --> 00:03:37,870
I don't girl to certain places because

50
00:03:42,839 --> 00:03:40,569
there's literally zero point there's no

51
00:03:45,599 --> 00:03:42,849
point in me sitting and worrying of that

52
00:03:49,589 --> 00:03:45,609
thing I can't remember and creating a

53
00:03:51,839 --> 00:03:49,599
load Sharma and myself yeah yes you know

54
00:03:55,379 --> 00:03:51,849
I've got enough drama to deal with so

55
00:03:58,199 --> 00:03:55,389
there's things that like one time when I

56
00:04:00,119 --> 00:03:58,209
found myself with my legs in the air you

57
00:04:02,520 --> 00:04:00,129
might have heard of that one I don't go

58
00:04:06,930 --> 00:04:02,530
there either because what can I possibly

59
00:04:09,839 --> 00:04:06,940
know from that situation not a lot but

60
00:04:13,170 --> 00:04:09,849
my brain could conjure up a billion

61
00:04:15,210 --> 00:04:13,180
scenarios and every single one of them

62
00:04:16,560 --> 00:04:15,220
would be trauma sick even though they

63
00:04:19,770 --> 00:04:16,570

were just imagine things I would feel

64

00:04:22,680 --> 00:04:19,780

them so I'm good at not doing that to

65

00:04:24,839 --> 00:04:22,690

himself so that's why I just sat there

66

00:04:27,030 --> 00:04:24,849

and I wasn't going like well whatever

67

00:04:35,760 --> 00:04:27,040

you expected me to be doing because

68

00:04:38,300 --> 00:04:35,770

don't know what you set my face to do no

69

00:04:41,700 --> 00:04:38,310

I do pick up a dog under normal

70

00:04:44,070 --> 00:04:41,710

circumstances as a concession what you

71

00:04:46,710 --> 00:04:44,080

doing I'm talking to you don't be rude

72

00:04:55,530 --> 00:04:46,720

that didn't just jibba jabba dog in that

73

00:04:59,510 --> 00:04:55,540

one normal so none of it well no we're

74

00:05:05,430 --> 00:05:02,760

it's not it's not it doesn't feel like

75

00:05:07,980 --> 00:05:05,440

my experience because literally no

76

00:05:13,080 --> 00:05:07,990

recall and my body doesn't freak out

77

00:05:16,610 --> 00:05:13,090

either I think when you first told me it

78

00:05:20,460 --> 00:05:16,620

was with me a bit you know tremble Abel

79

00:05:22,380 --> 00:05:20,470

right now I think I've just sort of put

80

00:05:24,690 --> 00:05:22,390

it in that place wherever it goes in my

81

00:05:26,850 --> 00:05:24,700

brain that is like we don't need to a

82

00:05:29,160 --> 00:05:26,860

lot this box is the only thing in there

83

00:05:32,760 --> 00:05:29,170

is your imaginings and every single one

84

00:05:48,780 --> 00:05:32,770

of them is going to do your damage so so

85

00:05:50,910 --> 00:05:48,790

that's that's why yeah because I've got

86

00:05:54,300 --> 00:05:50,920

weeks don't know which comes first

87

00:05:58,710 --> 00:05:54,310

because I know these were all aged 43

88

00:06:01,260 --> 00:05:58,720

but that's because I'm right in all

89

00:06:06,150 --> 00:06:01,270

these years I've written on scrappy bits

90

00:06:08,550 --> 00:06:06,160

of paper I've got to kind of put them in

91

00:06:15,750 --> 00:06:08,560

a hole that best way I can you know when

92

00:06:19,500 --> 00:06:15,760

I brought them down you know since you

93

00:06:21,120 --> 00:06:19,510

got in touch with me and then join UFO

94

00:06:24,330 --> 00:06:21,130

community do you feel that your

95

00:06:27,000 --> 00:06:24,340

experiences have become more often and

96

00:06:30,570 --> 00:06:27,010

more intense are about the same

97

00:06:33,180 --> 00:06:30,580

it felt same on enough not not any worse

98

00:06:35,460 --> 00:06:33,190

not any better it's just the same but

99

00:06:37,740 --> 00:06:35,470

I've come alone the one thing is that

100

00:06:40,860 --> 00:06:37,750

I've come alone to accept that I'm not

101
00:06:45,090 --> 00:06:40,870
the only one which makes me feel 100%

102
00:06:47,400 --> 00:06:45,100
I'm less fearful it'll be less fearful

103
00:06:50,700 --> 00:06:47,410
well and Blair but while sat there

104
00:06:54,990 --> 00:06:50,710
thinking about unless that fearful you

105
00:06:57,270 --> 00:06:55,000
know my experience is ramped up you see

106
00:06:58,920 --> 00:06:57,280
when I joined the community so I just

107
00:07:01,770 --> 00:06:58,930
wondered if you'd felt that there had

108
00:07:04,110 --> 00:07:01,780
been any sort of increase in your

109
00:07:07,290 --> 00:07:04,120
activity right I think that's something

110
00:07:10,469 --> 00:07:07,300
that I'm gonna watch every day because I

111
00:07:12,870 --> 00:07:10,479
you know what a lot going on age twelve

112
00:07:16,740 --> 00:07:12,880
thirteen fourteen I want in any group

113
00:07:18,719 --> 00:07:16,750

that because I was only one and then you

114

00:07:20,219 --> 00:07:18,729

know forty three far it's pretty fun

115

00:07:23,790 --> 00:07:20,229

it's pretty fun three fifty five forty

116

00:07:26,520 --> 00:07:23,800

five I had a massive and that was during

117

00:07:30,180 --> 00:07:26,530

the time that you know a year after me

118

00:07:33,090 --> 00:07:30,190

in you you know it wasn't fight itself

119

00:07:35,550 --> 00:07:33,100

re and I had a big thing going on and

120

00:07:38,580 --> 00:07:35,560

they know that past few years it's count

121

00:07:40,770 --> 00:07:38,590

right down I know it'll happen again I

122

00:07:43,740 --> 00:07:40,780

know it will you know but it ain't got

123

00:07:46,560 --> 00:07:43,750

any worse ain't got any better it's just

124

00:07:56,610 --> 00:07:46,570

I think I'll be fat that moment it's

125

00:07:59,820 --> 00:07:56,620

gone right down and you know it's you

126
00:08:03,180 --> 00:07:59,830
know because I want to know if some of

127
00:08:05,520 --> 00:08:03,190
its to do like with it just you know cuz

128
00:08:07,500 --> 00:08:05,530
I've had five kids so I've seen stuff

129
00:08:10,710 --> 00:08:07,510
going on with them and it always seems

130
00:08:12,779 --> 00:08:10,720
to be a particular ages and it's edges

131
00:08:14,550 --> 00:08:12,789
that stages of development so I don't

132
00:08:16,830 --> 00:08:14,560
know if it's something to do with maybe

133
00:08:19,200 --> 00:08:16,840
hormones or something to do with the way

134
00:08:22,350 --> 00:08:19,210
that this at processing things now

135
00:08:25,589 --> 00:08:22,360
whether I want to kind of plot a graph

136
00:08:27,870 --> 00:08:25,599
of what ages people remember having

137
00:08:30,330 --> 00:08:27,880
their experiences and see if there is a

138
00:08:33,149 --> 00:08:30,340

correlation with that between this say

139

00:08:35,820 --> 00:08:33,159

like twelve seems to be a year for quite

140

00:08:38,699 --> 00:08:35,830

a few people five seems to be five and

141

00:08:44,449 --> 00:08:38,709

twelve and then in the 2020s

142

00:08:49,020 --> 00:08:44,459

so I would like to kind of plot a graph

143

00:08:51,360 --> 00:08:49,030

to know I don't know ask the internet

144

00:08:54,390 --> 00:08:51,370

because you can't get accuracy from

145

00:08:57,450 --> 00:08:54,400

asking just anybody because now

146

00:09:02,010 --> 00:08:57,460

I just want to know between us the

147

00:09:04,410 --> 00:09:02,020

people that we know legit if they can

148

00:09:07,110 --> 00:09:04,420

remember particular ages are stages and

149

00:09:09,690 --> 00:09:07,120

not necessarily ET stuff because I had

150

00:09:13,610 --> 00:09:09,700

lured the paranormal stuff loads of it

151
00:09:17,130 --> 00:09:13,620
you know ma then I seen UFOs but nothing

152
00:09:21,600 --> 00:09:17,140
ever new mega memories come from just

153
00:09:26,340 --> 00:09:21,610
ghosts and things like that so I want to

154
00:09:28,680 --> 00:09:26,350
kind of collect data from talking to you

155
00:09:30,360 --> 00:09:28,690
and my stuff there's a few other people

156
00:09:33,000 --> 00:09:30,370
that I know I've got things that really

157
00:09:37,020 --> 00:09:33,010
need to be put into the pile of what

158
00:09:41,580 --> 00:09:37,030
could be yeah actually technologies

159
00:09:44,130 --> 00:09:41,590
things you know and the fact that like

160
00:09:46,950 --> 00:09:44,140
with Phil Kinsella he's seen the grays

161
00:09:48,960 --> 00:09:46,960
and the reptilians together so they are

162
00:09:52,320 --> 00:09:48,970
working together they're not different

163
00:09:56,130 --> 00:09:52,330

factions it might be factions but there

164

00:09:58,820 --> 00:09:56,140

is a faction where they are working

165

00:10:05,390 --> 00:09:58,830

together and they're working with people

166

00:10:08,310 --> 00:10:05,400

yeah yeah so much going on there but

167

00:10:10,980 --> 00:10:08,320

we'll probably never know what but we

168

00:10:16,200 --> 00:10:10,990

can at least try and get a little

169

00:10:19,740 --> 00:10:16,210

glimpse of something how I yeah yeah

170

00:10:22,560 --> 00:10:19,750

we'll do a graph definitely and as to go

171

00:10:28,710 --> 00:10:22,570

by year really mouths an edge I don't

172

00:10:31,410 --> 00:10:28,720

know a thing I want to know if it's some

173

00:10:33,180 --> 00:10:31,420

correlation to hormones different

174

00:10:35,190 --> 00:10:33,190

hormonal stages that you know like

175

00:10:36,900 --> 00:10:35,200

because that's all our bodies are ruled

176

00:10:39,330 --> 00:10:36,910

by but you get to set an age and

177

00:10:41,010 --> 00:10:39,340

different hormones come about so I don't

178

00:10:43,260 --> 00:10:41,020

know if something that they're doing is

179

00:10:45,840 --> 00:10:43,270

harvesting hormones because synthetic

180

00:10:49,020 --> 00:10:45,850

ones really probably were being what

181

00:10:50,640 --> 00:10:49,030

they need for what they needed far and

182

00:10:52,590 --> 00:10:50,650

if the reason would start a breeding

183

00:10:55,620 --> 00:10:52,600

program and they've got children that

184

00:10:59,490 --> 00:10:55,630

are hybrids and they might need stuff

185

00:11:02,700 --> 00:10:59,500

it's certainly just for them from you

186

00:11:04,860 --> 00:11:02,710

know us so you don't know what did

187

00:11:06,720 --> 00:11:04,870

change the one thing that they change

188

00:11:07,800 --> 00:11:06,730

when they had to talk this direct to me

189

00:11:11,640 --> 00:11:07,810

and

190

00:11:15,120 --> 00:11:11,650

the organs missing the change to bear

191

00:11:19,920 --> 00:11:15,130

that the one about stuff and so it will

192

00:11:24,320 --> 00:11:19,930

mount of the one is rough you know I've

193

00:11:27,840 --> 00:11:24,330

come these bruises and triangles and but

194

00:11:30,030 --> 00:11:27,850

after that it changed like the one to

195

00:11:33,750 --> 00:11:30,040

really want as Rufus what the Walkman

196

00:11:36,090 --> 00:11:33,760

handling mais so it will mother this

197

00:11:37,800 --> 00:11:36,100

stood at the side of me and not run they

198

00:11:42,390 --> 00:11:37,810

did rag me about when they'll shove me I

199

00:11:45,600 --> 00:11:42,400

drove it bed and stuff like that but it

200

00:11:52,890 --> 00:11:45,610

won't as manhandle it were my showing me

201
00:11:56,610 --> 00:11:52,900
stuff you know whether whether I don't

202
00:12:01,829 --> 00:11:56,620
know you know previous to hysterectomy I

203
00:12:04,350 --> 00:12:01,839
can't I leave that so well I know they

204
00:12:07,100 --> 00:12:04,360
didn't experience and I woke up with my

205
00:12:11,550 --> 00:12:07,110
legs in the air and my arms evening that

206
00:12:14,430 --> 00:12:11,560
and an impossible angle but still with

207
00:12:15,960 --> 00:12:14,440
my sleepiness and laughed because I

208
00:12:19,650 --> 00:12:15,970
thought I was acting out some sort a

209
00:12:22,170 --> 00:12:19,660
crazy dream and I went to put my limbs

210
00:12:24,720 --> 00:12:22,180
back down I couldn't feel my body

211
00:12:27,960 --> 00:12:24,730
it wasn't like there was any resistance

212
00:12:30,060 --> 00:12:27,970
or any sleep paralysis because in sleep

213
00:12:35,700 --> 00:12:30,070

paralysis you can feel your body being

214

00:12:38,340 --> 00:12:35,710

crushed yeah and and there was somebody

215

00:12:42,420 --> 00:12:38,350

stood somebody very tall and thin stood

216

00:12:45,000 --> 00:12:42,430

between my fate and I'm asking them to

217

00:12:46,920 --> 00:12:45,010

put the light on but the light I put the

218

00:12:50,010 --> 00:12:46,930

light on you know like that because I

219

00:12:58,650 --> 00:12:50,020

thought put light on us snap out of this

220

00:13:00,960 --> 00:12:58,660

yeah who is this person does I live on

221

00:13:03,150 --> 00:13:00,970

my own and why isn't my room bright

222

00:13:04,980 --> 00:13:03,160

orange because a streetlight I was a

223

00:13:06,870 --> 00:13:04,990

streetlight outside my bedroom window so

224

00:13:11,340 --> 00:13:06,880

it should have been orange there was a

225

00:13:13,500 --> 00:13:11,350

very dark was misty this I don't know if

226

00:13:16,350 --> 00:13:13,510

this sort of thing it was because my

227

00:13:19,860 --> 00:13:16,360

eyelids was almost shut and I could see

228

00:13:21,570 --> 00:13:19,870

them or if it was a curved roof and I

229

00:13:27,540 --> 00:13:21,580

had a green laser

230

00:13:28,830 --> 00:13:27,550

pointed on my inner arm and I've got

231

00:13:32,400 --> 00:13:28,840

more to say on that but that's at a

232

00:13:35,520 --> 00:13:32,410

later date but it was somebody in

233

00:13:40,140 --> 00:13:35,530

between my legs doing something to me

234

00:13:42,410 --> 00:13:40,150

down there and I don't ever go there

235

00:13:46,500 --> 00:13:42,420

that's that's another thing in my box

236

00:13:49,050 --> 00:13:46,510

you know like yeah I can't and all I can

237

00:13:51,450 --> 00:13:49,060

do is in mad gym especially after

238

00:13:53,490 --> 00:13:51,460

reading what other people have gone

239

00:13:57,660 --> 00:13:53,500

through and what they've been shown and

240

00:14:00,270 --> 00:13:57,670

seen I don't I don't want to do that to

241

00:14:01,620 --> 00:14:00,280

myself so you know there's a lot of

242

00:14:03,990 --> 00:14:01,630

where we have to just put a full-stop

243

00:14:10,170 --> 00:14:04,000

after an experience don't William move

244

00:14:15,470 --> 00:14:10,180

on because the alternative in summary it

245

00:14:24,840 --> 00:14:15,480

is it's facing in silently everyday yeah

246

00:14:39,330 --> 00:14:24,850

that's why negative just anyway usually

247

00:14:42,030 --> 00:14:39,340

my men carry on tioman of mommy and

248

00:14:44,070 --> 00:14:42,040

right okay so we've got possibly great

249

00:14:48,420 --> 00:14:44,080

yarmouth kind of unpack incident where

250

00:14:54,290 --> 00:14:48,430

the small gray cut in front am a plane I

251
00:14:58,500 --> 00:14:54,300
don't see anyway um so the next one is

252
00:15:01,530 --> 00:14:58,510
this age 43 as well so this is like a

253
00:15:03,090 --> 00:15:01,540
massive duction in some woods don't know

254
00:15:05,130 --> 00:15:03,100
where the woods our never been a worm

255
00:15:10,140 --> 00:15:05,140
don't know the people that were with me

256
00:15:14,010 --> 00:15:10,150
and please a lot of American people

257
00:15:17,130 --> 00:15:14,020
because the kind of talking really slow

258
00:15:18,180 --> 00:15:17,140
and their actions are slow but mine seem

259
00:15:21,330 --> 00:15:18,190
to be normal

260
00:15:23,340 --> 00:15:21,340
I won't slow down it was like watching

261
00:15:27,020 --> 00:15:23,350
but maybe if they were watching me I

262
00:15:29,730 --> 00:15:27,030
might look like I was slow you know and

263
00:15:32,370 --> 00:15:29,740

but yeah there were a lot of Americans

264

00:15:35,250 --> 00:15:32,380

and I mixed English in American accents

265

00:15:37,700 --> 00:15:35,260

so dr. way

266

00:15:40,560 --> 00:15:37,710

these woods well but there was sort of

267

00:15:42,150 --> 00:15:40,570

the trees that you do get in America

268

00:15:44,220 --> 00:15:42,160

like the color like them redwoods or

269

00:15:51,300 --> 00:15:44,230

whatever the column we don't get any

270

00:15:53,010 --> 00:15:51,310

year that you know huge anywhere I don't

271

00:15:55,170 --> 00:15:53,020

know they started I don't even always

272

00:15:59,160 --> 00:15:55,180

start it but anyway I'll remember he's

273

00:16:01,770 --> 00:15:59,170

been in a monsters crowd or like maybe

274

00:16:05,910 --> 00:16:01,780

am a apart from each other

275

00:16:07,890 --> 00:16:05,920

and you know not oh were together or at

276

00:16:11,070 --> 00:16:07,900

were all separate and the all up night

277

00:16:13,290 --> 00:16:11,080

clothes on and some of them were Nair

278

00:16:14,760 --> 00:16:13,300

kid so I'm assuming that the net you

279

00:16:16,620 --> 00:16:14,770

know this is how they slept evil with

280

00:16:19,770 --> 00:16:16,630

the night clothes on on air kid so you

281

00:16:22,080 --> 00:16:19,780

know and I don't know what I add on I

282

00:16:26,820 --> 00:16:22,090

won't compelled to look down like that

283

00:16:28,710 --> 00:16:26,830

so anyway and what I saw just right

284

00:16:31,860 --> 00:16:28,720

clothes was like well I could describe

285

00:16:33,180 --> 00:16:31,870

as a moon on the floor but it didn't

286

00:16:36,060 --> 00:16:33,190

have the pattern of the moon you know

287

00:16:41,490 --> 00:16:36,070

you get that then little you know what

288

00:16:43,680 --> 00:16:41,500

I'm a dump moon but it like dark in

289

00:16:46,380 --> 00:16:43,690

patches and then Lord really bought

290

00:16:47,970 --> 00:16:46,390

bright in averse and so you can you know

291

00:16:52,230 --> 00:16:47,980

I mean it get a picture of what I'm

292

00:16:58,110 --> 00:16:52,240

trying to say and it was probably it

293

00:17:05,760 --> 00:16:58,120

won't bake it was maybe but for me as by

294

00:17:09,300 --> 00:17:05,770

far me as I and I just remember sitting

295

00:17:11,610 --> 00:17:09,310

down on that getting panicky and I don't

296

00:17:14,310 --> 00:17:11,620

know whether I fell back but they would

297

00:17:18,569 --> 00:17:14,320

have like a mom de Grasse going up know

298

00:17:21,270 --> 00:17:18,579

like a bank sort of same and I felt kind

299

00:17:26,760 --> 00:17:21,280

of back or sat back I don't know and

300

00:17:29,910 --> 00:17:26,770

they had me knees up and you know I mean

301
00:17:33,950 --> 00:17:29,920
knees in air with me elbows leaning on

302
00:17:37,350 --> 00:17:33,960
my knees and I was getting like a bit

303
00:17:40,320 --> 00:17:37,360
feeling that drugged up you know it

304
00:17:42,150 --> 00:17:40,330
means sir I just remember crying sat

305
00:17:44,220 --> 00:17:42,160
there crying and crying and crying and

306
00:17:48,090 --> 00:17:44,230
watching these people kind of moving

307
00:17:48,560 --> 00:17:48,100
about not seem to be going anywhere it's

308
00:17:52,370 --> 00:17:48,570
just

309
00:17:55,519 --> 00:17:52,380
moving about aimlessly and sir

310
00:17:57,499 --> 00:17:55,529
I remember these about eighth grade kind

311
00:18:03,350 --> 00:17:57,509
of coming towards me really fast like

312
00:18:06,529 --> 00:18:03,360
that motion and they all stood in a row

313
00:18:10,159 --> 00:18:06,539

but you know in a kind of circle sort of

314

00:18:12,159 --> 00:18:10,169

thing but you know a semicircle and they

315

00:18:13,519 --> 00:18:12,169

all looked down at me and all at once

316

00:18:17,210 --> 00:18:13,529

telepathically

317

00:18:20,509 --> 00:18:17,220

they all said remember remember kept

318

00:18:24,950 --> 00:18:20,519

repeating it remember remember and I

319

00:18:27,470 --> 00:18:24,960

know they were all saying it at once but

320

00:18:30,860 --> 00:18:27,480

I was saying in telepathically I can't

321

00:18:35,269 --> 00:18:30,870

remember I can't remember because it

322

00:18:38,629 --> 00:18:35,279

said one word one word and I don't I do

323

00:18:43,430 --> 00:18:38,639

not notably stare what this word wha it

324

00:18:45,080 --> 00:18:43,440

were one word and I'm not supposed to

325

00:18:46,940 --> 00:18:45,090

remember obviously because the kept

326

00:18:49,159 --> 00:18:46,950

don't remember remember

327

00:18:50,470 --> 00:18:49,169

and then they'd repeat this word and

328

00:18:53,720 --> 00:18:50,480

they'll remember remember remember

329

00:18:56,509 --> 00:18:53,730

repeat the word and that every time they

330

00:18:58,970 --> 00:18:56,519

said a me mine thinking remember what

331

00:19:02,180 --> 00:18:58,980

the word said for the next time they're

332

00:19:05,180 --> 00:19:02,190

going to say yes but I said no God can't

333

00:19:07,879 --> 00:19:05,190

remember it straightaway and then and

334

00:19:09,919 --> 00:19:07,889

then a kind of come round black child

335

00:19:12,200 --> 00:19:09,929

whatever whatever happened I don't know

336

00:19:13,970 --> 00:19:12,210

after that but to this day I can't

337

00:19:15,499 --> 00:19:13,980

remember what that one word were but

338

00:19:17,360 --> 00:19:15,509

they will tell him it remember it and I

339

00:19:26,409 --> 00:19:17,370

was saying I can't remember it and

340

00:19:33,169 --> 00:19:30,139

remember once seeing something which

341

00:19:35,480 --> 00:19:33,179

I'll talk about a later date but it was

342

00:19:38,210 --> 00:19:35,490

all squiggles and black lines and dots

343

00:19:40,460 --> 00:19:38,220

at the bottom of a painting and when I

344

00:19:43,789 --> 00:19:40,470

moved to being front of it it changed

345

00:19:47,779 --> 00:19:43,799

into words and they all scrolled up yeah

346

00:19:49,580 --> 00:19:47,789

I got smaller and smaller till it's

347

00:19:54,919 --> 00:19:49,590

ending so birds or flew off into the

348

00:19:58,009 --> 00:19:54,929

Karma it's on me I would want to go back

349

00:20:00,889 --> 00:19:58,019

and read what I actually said on that

350

00:20:02,409 --> 00:20:00,899

pain and remember the word blessings the

351

00:20:03,549 --> 00:20:02,419

only reason I come

352

00:20:06,609 --> 00:20:03,559

remember that word is because I cast

353

00:20:16,779 --> 00:20:06,619

some that makes me engine people I just

354

00:20:19,960 --> 00:20:16,789

think that's why I remembered it so no

355

00:20:29,169 --> 00:20:19,970

no even if it was my subconscious

356

00:20:34,029 --> 00:20:29,179

telling me something oh but I involved

357

00:20:37,659 --> 00:20:34,039

graze so it's a quite a convoluted story

358

00:20:40,359 --> 00:20:37,669

but anyway that's just a bit of it yeah

359

00:20:42,849 --> 00:20:40,369

wish I wish it nerves this at work and I

360

00:20:45,340 --> 00:20:42,859

wish it was someone that was literally

361

00:20:47,979 --> 00:20:45,350

like rewinding you bring to a point in

362

00:21:01,629 --> 00:20:47,989

time so you could press play and see oh

363

00:21:04,840 --> 00:21:01,639

because I mean nobody can get me no but

364

00:21:07,389 --> 00:21:04,850

but well the second parts of this is the

365

00:21:11,560 --> 00:21:07,399

night after and have been abducted again

366

00:21:13,960 --> 00:21:11,570

into the and I remember this time I did

367

00:21:17,590 --> 00:21:13,970

fall asleep I've got a bed were like a

368

00:21:19,599 --> 00:21:17,600

flash a light in my bedroom I've done a

369

00:21:21,609 --> 00:21:19,609

sleigh not gonna sleep at all what kind

370

00:21:23,950 --> 00:21:21,619

of me I should read it a girl asleep and

371

00:21:26,049 --> 00:21:23,960

remember this I never kind of work you

372

00:21:29,649 --> 00:21:26,059

know I mean and again I mean that was

373

00:21:32,379 --> 00:21:29,659

the same words same people now whether

374

00:21:36,039 --> 00:21:32,389

it followed on from that night but then

375

00:21:38,999 --> 00:21:36,049

why would I dream it the night after you

376

00:21:41,739 --> 00:21:39,009

know I mean I don't get it so there

377

00:21:44,639 --> 00:21:41,749

night after night for short periods of

378

00:21:55,299 --> 00:21:48,909

do come do like a few months at a time

379

00:21:59,169 --> 00:21:55,309

sometimes yeah and so yeah so anyway I

380

00:22:01,779 --> 00:21:59,179

say the same thing the moon on the floor

381

00:22:04,810 --> 00:22:01,789

again this light for me are by far me a

382

00:22:08,320 --> 00:22:04,820

moon and you it with a different time

383

00:22:11,529 --> 00:22:08,330

you know but yet it was like ice that

384

00:22:14,440 --> 00:22:11,539

moon again and I remember saying that

385

00:22:16,270 --> 00:22:14,450

this man there was stood next to me it's

386

00:22:18,010 --> 00:22:16,280

it we are didn't we

387

00:22:19,630 --> 00:22:18,020

this last night is something it was

388

00:22:22,570 --> 00:22:19,640

somewhat like that anyway and he said

389

00:22:27,220 --> 00:22:22,580

yes shut up like this and I'm like wow

390

00:22:30,430 --> 00:22:27,230

and like I don't remember much about

391

00:22:35,230 --> 00:22:30,440

this one but all I remember is waking up

392

00:22:37,270 --> 00:22:35,240

and they had the square patch on the arm

393

00:22:40,630 --> 00:22:37,280

perfectly square patch

394

00:22:42,670 --> 00:22:40,640

I've got far away I can show you it

395

00:22:45,610 --> 00:22:42,680

that's the one where people saying well

396

00:22:48,130 --> 00:22:45,620

looks like you know Nicorette patch I

397

00:22:55,870 --> 00:22:48,140

don't wanna look and have no reason to

398

00:22:56,710 --> 00:22:55,880

wear one of them wrong seed corn is

399

00:22:59,710 --> 00:22:56,720

gonna start

400

00:23:03,310 --> 00:22:59,720

Mac was perfectly square and I had

401
00:23:09,850 --> 00:23:03,320
bruise on my arm you know finger finger

402
00:23:14,380 --> 00:23:09,860
blows that's that's yeah but I have got

403
00:23:15,310 --> 00:23:14,390
the pictures yeah so if anyone wants to

404
00:23:23,850 --> 00:23:15,320
say them

405
00:23:29,200 --> 00:23:27,010
well we can of the production's things I

406
00:23:32,470 --> 00:23:29,210
can put give him a yen you can put mum

407
00:23:35,700 --> 00:23:32,480
you know it's video with a little tags

408
00:23:49,120 --> 00:23:45,540
yeah we're not polished it's all random

409
00:24:00,400 --> 00:23:49,130
anyway so then the next one is the one

410
00:24:02,920 --> 00:24:00,410
that I pushed in it kicked in well I

411
00:24:10,200 --> 00:24:02,930
nearly didn't it was [h__\h] so floor

412
00:24:15,370 --> 00:24:10,210
and saw heavy so I goes to bed again and

413
00:24:17,470 --> 00:24:15,380

next minute these a gray stood it won't

414

00:24:23,050 --> 00:24:17,480

right next to me here they were a bit

415

00:24:26,560 --> 00:24:23,060

you know black maybe five feet away from

416

00:24:29,970 --> 00:24:26,570

me bait and there were two smaller ones

417

00:24:33,690 --> 00:24:29,980

at the other side of the bed so

418

00:24:37,169 --> 00:24:33,700

to it that side that bed and this one

419

00:24:39,600 --> 00:24:37,179

now again he looks like the taller ones

420

00:24:41,549 --> 00:24:39,610

they weren't the ones at that side what

421

00:24:43,350 --> 00:24:41,559

I'll call rookies like the roar for

422

00:24:45,360 --> 00:24:43,360

lookers and watching and what girls

423

00:24:47,519 --> 00:24:45,370

aren't I don't know whether they do or

424

00:24:50,220 --> 00:24:47,529

not I am saying the do but that's what

425

00:24:55,230 --> 00:24:50,230

I'd call them anywhere because I don't

426

00:24:58,139 --> 00:24:55,240

see a doe mulch anyway so when I can't

427

00:25:02,269 --> 00:24:58,149

remember much it's it's getting sort of

428

00:25:06,659 --> 00:25:02,279

vacant now it's like what what and I

429

00:25:08,310 --> 00:25:06,669

remember a look to him and I kind of

430

00:25:11,009 --> 00:25:08,320

open me eyes look to him is that boom

431

00:25:14,220 --> 00:25:11,019

even though it were about five foot

432

00:25:17,700 --> 00:25:14,230

aware it felt like he's fierce we're

433

00:25:19,500 --> 00:25:17,710

right yeah you know it won't bend over

434

00:25:21,509 --> 00:25:19,510

out like that but I could still see his

435

00:25:24,620 --> 00:25:21,519

body there but its first we'll do you

436

00:25:27,240 --> 00:25:24,630

then you know what I mean it kind of

437

00:25:30,480 --> 00:25:27,250

what happened after that it's somewhat

438

00:25:34,500 --> 00:25:30,490

like you sat and you were suddenly bad

439

00:25:37,110 --> 00:25:34,510

edge of the bed no no I will it lying on

440

00:25:39,330 --> 00:25:37,120

me back and I never lie on me back it's

441

00:25:43,980 --> 00:25:39,340

like when I woke up and a nun drills and

442

00:25:46,470 --> 00:25:43,990

it's lying on me back and I thought no

443

00:25:50,129 --> 00:25:46,480

I'm not having this I'm not having it

444

00:25:56,460 --> 00:25:50,139

and I lifted my leg and it were really

445

00:25:58,560 --> 00:25:56,470

really really heavy really ever and it's

446

00:26:01,409 --> 00:25:58,570

like it's gone back down again and I

447

00:26:03,600 --> 00:26:01,419

felt right but I think in your what are

448

00:26:06,629 --> 00:26:03,610

we gonna do what I were tempted to do at

449

00:26:12,049 --> 00:26:06,639

that moment and he got Majed from the

450

00:26:18,810 --> 00:26:15,330

a JPEG boom some it

451

00:26:20,820 --> 00:26:18,820

Majed is on the edge of the

452

00:26:25,500 --> 00:26:20,830

bed son basically looking at the floor

453

00:26:27,360 --> 00:26:25,510

you know I'm not sure whether I put my

454

00:26:30,509 --> 00:26:27,370

head back I can't remember now

455

00:26:32,970 --> 00:26:30,519

I put me back or what but anyway all I

456

00:26:37,259 --> 00:26:32,980

remember then is right no not having a I

457

00:26:39,990 --> 00:26:37,269

lifted me for and it was so hard and I'm

458

00:26:43,500 --> 00:26:40,000

watching myself doing it lifting me leg

459

00:26:45,240 --> 00:26:43,510

up and he's in the right place to kick

460

00:26:48,090 --> 00:26:45,250

you know what I mean he's like five feet

461

00:26:55,230 --> 00:26:48,100

away so you know that's about my life

462

00:26:57,780 --> 00:26:55,240

anywhere and my I so I really really

463

00:27:04,140 --> 00:26:57,790

really really really really slow it's

464

00:27:06,540 --> 00:27:04,150

like really slow and I just kicked him

465

00:27:08,610 --> 00:27:06,550

but it was a hard cake I didn't have the

466

00:27:09,180 --> 00:27:08,620

strength to boot him and you know it's

467

00:27:10,950 --> 00:27:09,190

goners

468

00:27:13,920 --> 00:27:10,960

in a flaming you know I'm a little

469

00:27:17,940 --> 00:27:13,930

cabinet well nowhere I had that strength

470

00:27:21,210 --> 00:27:17,950

to do that so you know I've kicked him

471

00:27:23,250 --> 00:27:21,220

in like this but it's like a full-on

472

00:27:26,340 --> 00:27:23,260

wait thoughts I've gone boom when before

473

00:27:31,020 --> 00:27:26,350

but it ain't you know it's really slow

474

00:27:35,010 --> 00:27:31,030

and he's gone or in the air called a pin

475

00:27:36,780 --> 00:27:35,020

or a ball so you know like a little a

476

00:27:40,280 --> 00:27:36,790

jog you know I'm in the curl in a ball

477

00:27:44,190 --> 00:27:40,290

and his touches are down it's gonna be

478

00:27:46,110 --> 00:27:44,200

serving right tight little ball gone

479

00:27:49,800 --> 00:27:46,120

into the cabinet now when I say had gone

480

00:27:51,930 --> 00:27:49,810

into the cabinet is a blended is blended

481

00:27:55,700 --> 00:27:51,940

in the cabinet you know so like the

482

00:28:01,350 --> 00:27:55,710

cabinets kind of just made a nothing and

483

00:28:04,800 --> 00:28:01,360

I'm looking you know what I mean it I

484

00:28:09,780 --> 00:28:04,810

knew that I ain't kicked him to add and

485

00:28:11,790 --> 00:28:09,790

the next its first this face appeal then

486

00:28:14,130 --> 00:28:11,800

it kind of girls it sorry then kind of

487

00:28:16,230 --> 00:28:14,140

girls all I can see then is cabinet so

488

00:28:20,190 --> 00:28:16,240

it looks like he's inside the cabinet

489

00:28:25,200 --> 00:28:20,200

fared it in aware so next minute this

490

00:28:28,700 --> 00:28:25,210

first comes where the drawers are this

491

00:28:31,710 --> 00:28:28,710

first starts appearing a cat the cat

492

00:28:38,490 --> 00:28:31,720

comes out like that's a you know what I

493

00:28:42,360 --> 00:28:38,500

mean I like calling the cat and then a

494

00:28:45,930 --> 00:28:42,370

real light and a thought I don't have

495

00:28:48,330 --> 00:28:45,940

any stripy cats it had stripes like a

496

00:28:51,180 --> 00:28:48,340

tiger do you get what I mean

497

00:28:56,180 --> 00:28:51,190

oh I don't try pika

498

00:28:59,149 --> 00:28:56,190

but and then it would that instant where

499

00:29:01,249 --> 00:28:59,159

gosh right up to me again didn't see

500

00:29:03,320 --> 00:29:01,259

that Martian of coming towards me

501
00:29:12,289 --> 00:29:03,330
because it's absolutely quick it's gonna

502
00:29:13,909 --> 00:29:12,299
do and a stun and straight on me for it

503
00:29:23,139 --> 00:29:13,919
but I'm out

504
00:29:31,580 --> 00:29:26,389
so when I reacted to that little girl it

505
00:29:33,619 --> 00:29:31,590
was that reptilian like I reacted like

506
00:29:35,840 --> 00:29:33,629
in the normal where as you would to a

507
00:29:41,149 --> 00:29:35,850
child like your EOC like you would to a

508
00:29:43,639 --> 00:29:41,159
cat hisses it's it's crazy how a monkey

509
00:29:47,810 --> 00:29:43,649
brain tries to make everything normal

510
00:29:50,330 --> 00:29:47,820
I mean think he would occur anywhere why

511
00:29:52,340 --> 00:29:50,340
would why would he not know that my cats

512
00:29:54,799 --> 00:29:52,350
are black and why I would do not know

513
00:30:03,230 --> 00:29:54,809

that you know what I mean why present in

514

00:30:16,430 --> 00:30:03,240

the [h__h] cat woody based on have no

515

00:30:19,519 --> 00:30:16,440

idea you know so there's our I'm having

516

00:30:31,940 --> 00:30:19,529

to trust them off with me yeah like me

517

00:30:37,100 --> 00:30:31,950

yeah Sharpay I found a song I think it

518

00:30:40,070 --> 00:30:37,110

might be like word files or something

519

00:30:42,619 --> 00:30:40,080

you know that you're her cloud yeah

520

00:30:44,810 --> 00:30:42,629

it's often you I don't even know what's

521

00:30:49,009 --> 00:30:44,820

in mine I think this is where it is

522

00:30:51,259 --> 00:30:49,019

where I wrote down all of the different

523

00:30:55,460 --> 00:30:51,269

weird experiences that I died include

524

00:30:58,129 --> 00:30:55,470

like including the ghostly ones yeah it

525

00:31:00,320 --> 00:30:58,139

went on and on and on and on and then I

526

00:31:02,360 --> 00:31:00,330

found it a few years ago they're ready

527

00:31:04,549 --> 00:31:02,370

and the thought oh my god have forgotten

528

00:31:07,850 --> 00:31:04,559

laughing yeah

529

00:31:10,220 --> 00:31:07,860

and it's fine she just is so much goes

530

00:31:12,980 --> 00:31:10,230

on he's not like

531

00:31:15,409 --> 00:31:12,990

million-mile weird experiences it's just

532

00:31:21,530 --> 00:31:15,419

life has happened on top Janine and

533

00:31:24,230 --> 00:31:21,540

sometimes tragic so in older and years

534

00:31:27,409 --> 00:31:24,240

of passing you know these abductions I'm

535

00:31:31,190 --> 00:31:27,419

I'm forgetting bits of stuff but yet I'm

536

00:31:41,419 --> 00:31:31,200

remembering not sister we yeah what

537

00:31:49,159 --> 00:31:41,429

means people would say well Shawn I'm

538

00:31:51,140 --> 00:31:49,169

gay that you think you have to get up

539

00:31:56,630 --> 00:31:51,150

and go to work or you have to do

540

00:31:58,070 --> 00:31:56,640

whatever yeah I'm saying I never wanted

541

00:32:01,450 --> 00:31:58,080

to read it back I didn't want to know

542

00:32:21,970 --> 00:32:01,460

what my life was now I wish I had my

543

00:32:26,210 --> 00:32:21,980

things but at the same time there we are

544

00:32:29,090 --> 00:32:26,220

I'm going in a white key chain with

545

00:32:34,250 --> 00:32:29,100

Americans again the thing is I don't

546

00:32:38,120 --> 00:32:34,260

know Americans ever but I'm in America

547

00:32:40,730 --> 00:32:38,130

again and I'm sit with friends and

548

00:32:44,510 --> 00:32:40,740

another names of fire you know a normal

549

00:32:46,820 --> 00:32:44,520

but not in this life but I'm no I'm

550

00:32:52,220 --> 00:32:46,830

because I'm in other scenarios in

551

00:32:54,260 --> 00:32:52,230

abduction stuff yeah anyway so I'm

552

00:32:57,020 --> 00:32:54,270

suddenly white kitchen adult now which

553

00:32:59,419 --> 00:32:57,030

starts but I'm setting this white

554

00:33:02,870 --> 00:32:59,429

kitchen it's really bright white

555

00:33:05,990 --> 00:33:02,880

furnitures white and the chairs are

556

00:33:10,190 --> 00:33:06,000

white tables why and there's a lot of

557

00:33:13,580 --> 00:33:10,200

blonde haired people sat with me and I'm

558

00:33:15,470 --> 00:33:13,590

that and this one particular girl and

559

00:33:17,539 --> 00:33:15,480

she's got long blonde and she's been

560

00:33:21,110 --> 00:33:17,549

with me a few times you know are a

561

00:33:23,450 --> 00:33:21,120

sailor at a distance and I'm sat next to

562

00:33:25,520 --> 00:33:23,460

this girl and

563

00:33:28,760 --> 00:33:25,530

we'll talk in aware and then the next

564

00:33:31,220 --> 00:33:28,770

minute there's some little lights I got

565

00:33:34,330 --> 00:33:31,230

those kitchen it well anyway there's

566

00:33:37,750 --> 00:33:34,340

some glow lights jamayne blue lights

567

00:33:43,760 --> 00:33:37,760

will lights coming from the ceiling like

568

00:33:45,140 --> 00:33:43,770

searchlights from this yeah but cats

569

00:33:47,960 --> 00:33:45,150

obviously where they're coming from

570

00:33:50,420 --> 00:33:47,970

because what can penetrate a ceiling you

571

00:33:52,910 --> 00:33:50,430

know but it's like as if the so these

572

00:33:57,380 --> 00:33:52,920

lights going to do you know scattering

573

00:34:01,340 --> 00:33:57,390

about like searching and bit like touch

574

00:34:02,630 --> 00:34:01,350

light the one like flipping at tubes so

575

00:34:06,830 --> 00:34:02,640

you know what I mean this light touch

576

00:34:10,640 --> 00:34:06,840

light and then they but that somebody

577

00:34:13,250 --> 00:34:10,650

said oh [\h__\h] that a year again and I'm

578

00:34:15,680 --> 00:34:13,260

like what see ya what I don't god I

579

00:34:17,720 --> 00:34:15,690

didn't know what we're going on and then

580

00:34:22,130 --> 00:34:17,730

it hit me one of these blue lights hit

581

00:34:24,170 --> 00:34:22,140

me but I don't know how I got managed to

582

00:34:26,990 --> 00:34:24,180

get from the seat back to the back of

583

00:34:29,690 --> 00:34:27,000

the chair and I were all Dean on to the

584

00:34:32,030 --> 00:34:29,700

you know the wooden top bit of the chair

585

00:34:34,100 --> 00:34:32,040

I don't even know why I did that

586

00:34:38,120 --> 00:34:34,110

unless in me subconscious and you what

587

00:34:41,870 --> 00:34:38,130

were going to happen and I fell the blue

588

00:34:46,160 --> 00:34:41,880

light had got me and it's with me

589

00:34:49,970 --> 00:34:46,170

it had sparkly sparkly shimmer to wear

590

00:34:53,840 --> 00:34:49,980

and it would like lit me like I could

591

00:34:57,340 --> 00:34:53,850

feel back of me legs it like okay it

592

00:35:00,170 --> 00:34:57,350

won't it won't

593

00:35:03,290 --> 00:35:00,180

strong enough to lift the chair up with

594

00:35:04,970 --> 00:35:03,300

me if you know what I mean if it'll mean

595

00:35:06,980 --> 00:35:04,980

stood on my own I could have gone up but

596

00:35:08,930 --> 00:35:06,990

because I rolled it like as if I'm all

597

00:35:14,900 --> 00:35:08,940

do not that chair but the chairs too

598

00:35:16,910 --> 00:35:14,910

heavy for it to lift so um back of me

599

00:35:19,430 --> 00:35:16,920

like started going up so now I'm holding

600

00:35:22,190 --> 00:35:19,440

on to this chair and my legs a little

601
00:35:25,100 --> 00:35:22,200
peering you know what I mean yeah and

602
00:35:27,470 --> 00:35:25,110
I'm like screaming you know it's getting

603
00:35:29,990 --> 00:35:27,480
get me down there help me help me get me

604
00:35:33,860 --> 00:35:30,000
down and everyone had gone to the other

605
00:35:35,390 --> 00:35:33,870
side of the room away from me because

606
00:35:37,040 --> 00:35:35,400
there you could see them all panicking

607
00:35:39,470 --> 00:35:37,050
and the you know

608
00:35:41,950 --> 00:35:39,480
all screaming and boys like you know

609
00:35:45,920 --> 00:35:41,960
it's okay it's okay calm down

610
00:35:49,970 --> 00:35:45,930
and next minute it's kind of got a full

611
00:35:55,070 --> 00:35:49,980
hold on there Anna let go of the back of

612
00:35:58,310 --> 00:35:55,080
the chair and then I'm flooring I don't

613
00:36:00,950 --> 00:35:58,320

know I would got me flung I don't know

614

00:36:03,470 --> 00:36:00,960

when that took place I don't know but my

615

00:36:07,670 --> 00:36:03,480

face and body I could see meters when I

616

00:36:09,980 --> 00:36:07,680

look down and my body is my face is

617

00:36:13,910 --> 00:36:09,990

right next to the ceiling like that all

618

00:36:17,510 --> 00:36:13,920

my body is next to the ceiling and I

619

00:36:19,820 --> 00:36:17,520

felt totally weightless and and it's

620

00:36:30,010 --> 00:36:19,830

that's it just block out that's it gone

621

00:36:36,320 --> 00:36:30,020

finished make what you will of it yeah

622

00:36:40,820 --> 00:36:36,330

it's interesting it's like the people

623

00:36:44,840 --> 00:36:40,830

that you know you don't know I don't

624

00:36:47,480 --> 00:36:44,850

know yeah you know when this girl with

625

00:36:54,790 --> 00:36:47,490

long blonde day is actually my friend in

626

00:36:57,080 --> 00:36:54,800

previous things in life you know and

627

00:36:57,920 --> 00:36:57,090

whether or not I've ever bumped in it

628

00:36:59,660 --> 00:36:57,930

would be far

629

00:37:01,100 --> 00:36:59,670

you know jarring this has been up and

630

00:37:07,330 --> 00:37:01,110

I've no idea because it's not like I've

631

00:37:22,030 --> 00:37:13,070

yeah and then we've got the one with the

632

00:37:32,510 --> 00:37:27,550

funny one so I don't we took on that one

633

00:37:36,800 --> 00:37:32,520

yeah yeah okay anyway I've got a bade

634

00:37:41,360 --> 00:37:36,810

and whether or not I went sleep I don't

635

00:37:44,960 --> 00:37:41,370

know and there's agree I it's like I'm

636

00:37:49,550 --> 00:37:44,970

in a dentist's chair yeah don't its

637

00:37:50,779 --> 00:37:49,560

chair and I say some like tools you know

638

00:37:52,699 --> 00:37:50,789

like you typical dead

639

00:37:59,569 --> 00:37:52,709

stuff for your - let's make yeah you

640

00:38:01,569 --> 00:37:59,579

know what I mean yeah this is first time

641

00:38:05,239 --> 00:38:01,579

I've added the dentist's chair

642

00:38:09,380 --> 00:38:05,249

experience you know and the man what a

643

00:38:11,659 --> 00:38:09,390

man stood by me da now between my bed

644

00:38:13,549 --> 00:38:11,669

you know my bedroom between my bed and

645

00:38:16,370 --> 00:38:13,559

my dogs not much distance at all is

646

00:38:18,919 --> 00:38:16,380

there but it looked like it were a long

647

00:38:23,509 --> 00:38:18,929

way away you know what I mean buffet

648

00:38:28,729 --> 00:38:23,519

even look like they were a long way it

649

00:38:33,289 --> 00:38:28,739

was when I was in I'm pretty sure drugs

650

00:38:38,900 --> 00:38:33,299

are involved in that scenario like

651
00:38:44,779 --> 00:38:38,910
ketamine or something I mean anyway so

652
00:38:47,089 --> 00:38:44,789
when and tall I mean when I say it's all

653
00:38:48,739 --> 00:38:47,099
gray what's all it was all because I

654
00:38:53,839 --> 00:38:48,749
remember him having to bend over like

655
00:38:57,259 --> 00:38:53,849
this baby like a ma of the which gives

656
00:39:05,959 --> 00:38:57,269
me a worm I like it and not a gray gray

657
00:39:07,939 --> 00:39:05,969
it was an it's not a ton okay like the

658
00:39:11,149 --> 00:39:07,949
mushroom the color like not quite white

659
00:39:13,459 --> 00:39:11,159
I've seen one of them yeah it was that

660
00:39:19,130 --> 00:39:13,469
they were like that but a bit darker

661
00:39:22,699 --> 00:39:19,140
than a mushroom a color so he was a it's

662
00:39:27,349 --> 00:39:22,709
a man straight forward up Modar who's

663
00:39:29,149 --> 00:39:27,359

got a beard it's got a bigot but you

664

00:39:35,289 --> 00:39:29,159

know it's kind of gone oh right right

665

00:39:38,140 --> 00:39:35,299

right trimmed you are Jesus fears I

666

00:39:45,559 --> 00:39:38,150

don't know what it is anyway right so

667

00:39:49,969 --> 00:39:45,569

and so I mean so anyway and I remember

668

00:39:52,159 --> 00:39:49,979

he has a color a high purple color when

669

00:39:54,829 --> 00:39:52,169

I looked at rest of him he's got I call

670

00:39:56,779 --> 00:39:54,839

it quality straight purple because it's

671

00:40:01,609 --> 00:39:56,789

like the rapper's in quality Street it

672

00:40:04,489 --> 00:40:01,619

is exactly that purple and so this eye

673

00:40:04,640 --> 00:40:04,499

color comes right up here you know some

674

00:40:06,049 --> 00:40:04,650

of

675

00:40:10,339 --> 00:40:06,059

that really bugged me and I'd get

676

00:40:13,849 --> 00:40:10,349

scissors and cut it off but and this

677

00:40:16,099 --> 00:40:13,859

robe and it didn't have arms it's just

678

00:40:20,960 --> 00:40:16,109

like a robe that's you know gonna offer

679

00:40:22,970 --> 00:40:20,970

him and his hair like is it called a

680

00:40:26,450 --> 00:40:22,980

widow's peak somewhat comes down high

681

00:40:29,059 --> 00:40:26,460

but it were really back really back and

682

00:40:30,589 --> 00:40:29,069

he had really dark shot I mean short air

683

00:40:35,450 --> 00:40:30,599

but thick hair you could see it with

684

00:40:37,760 --> 00:40:35,460

fake and I don't know what this guy this

685

00:40:40,519 --> 00:40:37,770

alien gray thing we're doing it side a

686

00:40:44,480 --> 00:40:40,529

match but all of a sudden I know it's

687

00:40:48,109 --> 00:40:44,490

this eyes as they said even though it

688

00:40:50,839 --> 00:40:48,119

looked far away it I could see his

689

00:40:53,930 --> 00:40:50,849

piercing blue eyes really light blue

690

00:40:55,670 --> 00:40:53,940

eyes on this man with purple robe and it

691

00:40:58,160 --> 00:40:55,680

were like as if I were drawn and so that

692

00:41:00,440 --> 00:40:58,170

instant when I saw all these eyes I'd

693

00:41:04,069 --> 00:41:00,450

gone you know like them usually go like

694

00:41:07,849 --> 00:41:04,079

that icon and the search is right in

695

00:41:10,130 --> 00:41:07,859

front of haze right I don't know whether

696

00:41:15,190 --> 00:41:10,140

or still set on the bloody den it's

697

00:41:17,750 --> 00:41:15,200

chair that's the dope I have no idea but

698

00:41:19,640 --> 00:41:17,760

because the great did that were me I

699

00:41:22,160 --> 00:41:19,650

didn't go anywhere near that grave

700

00:41:24,019 --> 00:41:22,170

I got zoom close-ups of certain things

701

00:41:27,019 --> 00:41:24,029

that it had on so I think that's

702

00:41:28,519 --> 00:41:27,029

something that the do mentally yeah yeah

703

00:41:34,309 --> 00:41:28,529

tell her the claim that was partners

704

00:41:38,660 --> 00:41:34,319

telepathy with images oh yeah so I

705

00:41:40,730 --> 00:41:38,670

noticed his eyes and his eyes was just a

706

00:41:43,549 --> 00:41:40,740

slightly bit bigger than as an arm but a

707

00:41:47,390 --> 00:41:43,559

normal shape you know the one I'll about

708

00:41:49,640 --> 00:41:47,400

them but the date of they instead of us

709

00:41:55,250 --> 00:41:49,650

having the round pupils I did after the

710

00:42:02,480 --> 00:41:55,260

like cat's-eye pupil yeah yeah the slit

711

00:42:05,420 --> 00:42:02,490

pupil and the blue bear was bigger than

712

00:42:10,910 --> 00:42:05,430

ours so you could only see tiny bit of

713

00:42:16,640 --> 00:42:10,920

why each side and in the blue bear it

714

00:42:18,380 --> 00:42:16,650

look pixelated and yeah it moved it kept

715

00:42:22,069 --> 00:42:18,390

moving about this but

716

00:42:24,170 --> 00:42:22,079

all different hues of blue so you get a

717

00:42:26,660 --> 00:42:24,180

light blue medium blue dark blue you're

718

00:42:28,700 --> 00:42:26,670

not meant to be is so many different use

719

00:42:32,539 --> 00:42:28,710

of this blue

720

00:42:37,009 --> 00:42:32,549

yeah and and but the one a pixelated do

721

00:42:38,630 --> 00:42:37,019

like rectangle inside when each other

722

00:42:40,940 --> 00:42:38,640

but it's like because if the most

723

00:42:43,190 --> 00:42:40,950

awfulest positions then let's go up and

724

00:42:45,470 --> 00:42:43,200

go out and down and up and down and the

725

00:42:47,480 --> 00:42:45,480

girl like that and I was just an inch

726

00:42:49,069 --> 00:42:47,490

but it like as if I were getting class

727

00:42:51,259 --> 00:42:49,079

from clothes from clothes to tell her

728

00:42:55,630 --> 00:42:51,269

like literally there at his eyes and

729

00:42:58,099 --> 00:42:55,640

then that's it gone don't remember else

730

00:43:00,440 --> 00:42:58,109

that these eyes and this man really

731

00:43:04,039 --> 00:43:00,450

throw up I mean the first time I saw it

732

00:43:05,960 --> 00:43:04,049

last time I saw it sir and the eyes and

733

00:43:13,720 --> 00:43:05,970

what saw what about what it looks all

734

00:43:16,640 --> 00:43:13,730

Pixlr 18 and the moving about and yeah

735

00:43:27,380 --> 00:43:16,650

yeah in your room you were in your house

736

00:43:29,319 --> 00:43:27,390

- yeah yeah like they're not coming into

737

00:43:34,640 --> 00:43:29,329

our front door with dentists chairs

738

00:43:36,880 --> 00:43:34,650

below so I would rather but when we look

739

00:43:39,380 --> 00:43:36,890

around it was like our own surroundings

740

00:43:42,349 --> 00:43:39,390

well not to me because when I was in the

741

00:43:44,029 --> 00:43:42,359

dentist's chair all I could see was blue

742

00:43:47,900 --> 00:43:44,039

everything was this really brilliant

743

00:43:50,960 --> 00:43:47,910

bright blue and apart from what I could

744

00:43:54,799 --> 00:43:50,970

see it was almost like you know like

745

00:43:58,069 --> 00:43:54,809

that green screen it's almost like it

746

00:44:00,200 --> 00:43:58,079

was blue but it kind of blended over

747

00:44:03,640 --> 00:44:00,210

things but I could still see stuff like

748

00:44:06,529 --> 00:44:03,650

I saw anything that was put in the graph

749

00:44:08,960 --> 00:44:06,539

gonna come out of the blue so it was

750

00:44:10,579 --> 00:44:08,970

like well no because I had forgotten

751

00:44:13,460 --> 00:44:10,589

about that for a little while and then

752

00:44:15,829 --> 00:44:13,470

when I remembered I was so shocked like

753

00:44:18,319 --> 00:44:15,839

how could I forgot how could I forgot to

754

00:44:23,089 --> 00:44:18,329

seen that it was like the blue moved

755

00:44:24,950 --> 00:44:23,099

apart and there was this machine still

756

00:44:31,040 --> 00:44:24,960

all around everything was bright blue

757

00:44:34,170 --> 00:44:31,050

while I was i bent his chair so the play

758

00:44:38,250 --> 00:44:34,180

scenarios out around us you know I've

759

00:44:40,620 --> 00:44:38,260

heard it from so many you know from an

760

00:44:41,579 --> 00:44:40,630

with her dog and bret oldham with his

761

00:44:44,730 --> 00:44:41,589

stepdad

762

00:44:48,569 --> 00:44:44,740

you know there's lots of people who

763

00:44:53,579 --> 00:44:48,579

about these things playing out you know

764

00:44:59,819 --> 00:44:53,589

when we're not sometimes do stuff to us

765

00:45:01,680 --> 00:44:59,829

when we're at home there are only this

766

00:45:05,730 --> 00:45:01,690

planet they don't want to be you know

767

00:45:08,069 --> 00:45:05,740

the the most have some way of taking us

768

00:45:09,660 --> 00:45:08,079

away like there's the thing that used to

769

00:45:10,550 --> 00:45:09,670

happen to me years ago it doesn't happen

770

00:45:13,710 --> 00:45:10,560

anymore

771

00:45:22,440 --> 00:45:13,720

because I stopped fighting it and it

772

00:45:26,460 --> 00:45:22,450

would be like yeah but it'd be an

773

00:45:27,930 --> 00:45:26,470

intense pressure in your heart and then

774

00:45:30,270 --> 00:45:27,940

it just feels like you know and it's

775

00:45:32,309 --> 00:45:30,280

like squelching noise and then all of a

776

00:45:35,730 --> 00:45:32,319

sudden it's like you've been pulled

777

00:45:37,740 --> 00:45:35,740

backwards through the race of go through

778

00:45:40,710 --> 00:45:37,750

the bed and that's why it feels like

779

00:45:43,800 --> 00:45:40,720

it's really brutally out of your body so

780

00:45:46,920 --> 00:45:43,810

don't really know what that is but at

781

00:45:48,690 --> 00:45:46,930

that time so many people were reporting

782

00:45:51,530 --> 00:45:48,700

humming that I'm not heard so many

783

00:45:54,150 --> 00:45:51,540

people saying it these days my son

784

00:45:57,059 --> 00:45:54,160

downstairs any were dicks he would say

785

00:45:59,609 --> 00:45:57,069

that that is going on and once when he

786

00:46:02,700 --> 00:45:59,619

was a he told me if it didn't stop he

787

00:46:04,980 --> 00:46:02,710

was gonna kill himself you know this

788

00:46:09,140 --> 00:46:04,990

falling back through the bed panicking

789

00:46:12,630 --> 00:46:09,150

like freaking out properly freaking out

790

00:46:22,099 --> 00:46:12,640

now that was in the period of time in

791

00:46:27,630 --> 00:46:24,630

seems to fit like it in the air and the

792

00:46:30,420 --> 00:46:27,640

noise I'm pretty sure it's actually

793

00:46:33,140 --> 00:46:30,430

pressure change and it's the eardrum

794

00:46:36,180 --> 00:46:33,150

it's killing the you know when yeah

795

00:46:37,829 --> 00:46:36,190

Eagle air and I think it's ramping up

796

00:46:41,819 --> 00:46:37,839

because their work on a faster frequency

797

00:46:44,790 --> 00:46:41,829

than we do I mean I think yeah do

798

00:46:46,590 --> 00:46:44,800

hundreds in one second

799

00:46:48,380 --> 00:46:46,600

if they're integrating with us in any

800

00:46:51,990 --> 00:46:48,390

kind of we're like with the reptilians

801
00:46:55,500 --> 00:46:52,000
when they integrate insiders I don't

802
00:46:58,400 --> 00:46:55,510
know if we have to kind of be weeded up

803
00:47:02,250 --> 00:46:58,410
a little bit for that mesh to happen or

804
00:47:03,780 --> 00:47:02,260
if it's some kind of that sounds crass

805
00:47:09,300 --> 00:47:03,790
don't know I guess something now to

806
00:47:12,270 --> 00:47:09,310
explain it soul extraction or mind the

807
00:47:15,030 --> 00:47:12,280
extraction whatever our mind is it can

808
00:47:18,690 --> 00:47:15,040
leave the body like NDEs prove this and

809
00:47:20,130 --> 00:47:18,700
leave the body isn't see 360 it can see

810
00:47:22,140 --> 00:47:20,140
it and know everything that's going on

811
00:47:25,500 --> 00:47:22,150
and then you can come back into the body

812
00:47:28,140 --> 00:47:25,510
and out of the mouth everything that

813
00:47:30,480 --> 00:47:28,150

this thing is seeing when you were no

814

00:47:33,390 --> 00:47:30,490

hack for example everybody completely

815

00:47:37,980 --> 00:47:33,400

clinically dead and but you're not and

816

00:47:41,010 --> 00:47:37,990

so that's that bit that is involved in

817

00:47:42,990 --> 00:47:41,020

the NBA I think that when we're not

818

00:47:45,210 --> 00:47:43,000

being interfered with physically or

819

00:47:47,070 --> 00:47:45,220

we're taking somewhere else that's what

820

00:47:51,030 --> 00:47:47,080

them working with and I think that's our

821

00:47:52,470 --> 00:47:51,040

consciousness yeah our consciousness and

822

00:47:57,870 --> 00:47:52,480

that is what they're working with a lot

823

00:47:59,550 --> 00:47:57,880

of the time and yeah definitely I'm just

824

00:48:01,800 --> 00:47:59,560

writing some it down because I forgot

825

00:48:03,870 --> 00:48:01,810

one yeah how can I forget this the

826

00:48:13,260 --> 00:48:03,880

moment about the eyes work but that will

827

00:48:15,570 --> 00:48:13,270

come where and the helmet and you've got

828

00:48:18,990 --> 00:48:15,580

well the eyes work so that yeah

829

00:48:22,170 --> 00:48:19,000

he's the one man I know that quite a few

830

00:48:24,660 --> 00:48:22,180

people are interested in some

831

00:48:38,430 --> 00:48:24,670

interesting people are interested in

832

00:48:40,290 --> 00:48:38,440

that information yeah yeah to know who

833

00:48:42,690 --> 00:48:40,300

that information was going so but I find

834

00:48:44,880 --> 00:48:42,700

it interesting that people like that

835

00:48:48,030 --> 00:48:44,890

need the information from a couple of

836

00:48:50,850 --> 00:48:48,040

housewives yeah and it tells me two

837

00:48:53,850 --> 00:48:50,860

things one they know it's going on they

838

00:48:54,680 --> 00:48:53,860

believe the greys are real yeah they

839

00:48:58,260 --> 00:48:54,690

don't know [\h__\h]

840

00:49:00,240 --> 00:48:58,270

yes don't know

841

00:49:02,340 --> 00:49:00,250

but the grunt deception and the cover-up

842

00:49:03,810 --> 00:49:02,350

for me is not a it's not a cover-up of

843

00:49:08,270 --> 00:49:03,820

information it's a good we're up of a

844

00:49:13,940 --> 00:49:08,280

lack of information that's my feeling

845

00:49:29,790 --> 00:49:13,950

so yeah would be an interesting little

846

00:49:31,710 --> 00:49:29,800

it's gonna be a big blocks innate in so

847

00:49:37,260 --> 00:49:31,720

do one more and then we're gonna have a

848

00:49:41,000 --> 00:49:37,270

break and I need to make a brew anyway

849

00:49:57,060 --> 00:49:41,010

so the next one is I've gone to bed

850

00:49:58,320 --> 00:49:57,070

dream questionnaire no cuz in right so I

851

00:50:00,180 --> 00:49:58,330

had to dream a day and it would then

852

00:50:05,520 --> 00:50:00,190

flipping weird but it you know these

853

00:50:07,830 --> 00:50:05,530

were about dresses and I you know Elaine

854

00:50:12,330 --> 00:50:07,840

so I knew that would a dream because it

855

00:50:14,880 --> 00:50:12,340

was so stupid so anyway so go to sleep

856

00:50:18,810 --> 00:50:14,890

question Matt dream question it

857

00:50:24,990 --> 00:50:18,820

so anyway next minute I mean a corridor

858

00:50:27,900 --> 00:50:25,000

a rounded white massive corridor and

859

00:50:30,090 --> 00:50:27,910

it's like as if I'm floor in down I

860

00:50:30,660 --> 00:50:30,100

don't know whether I was just saying a

861

00:50:32,880 --> 00:50:30,670

day

862

00:50:36,000 --> 00:50:32,890

how long have been there or out Floyd

863

00:50:39,270 --> 00:50:36,010

dope from it I I don't know but I

864

00:50:42,109 --> 00:50:39,280

couldn't see me bald a I'd no impulse to

865

00:50:54,960 --> 00:50:42,119

look down at me bout there but I nearly

866

00:50:57,599 --> 00:50:54,970

you are it was the yeah and it was the

867

00:51:01,020 --> 00:50:57,609

rounded earnest of the corridor you know

868

00:51:03,720 --> 00:51:01,030

it went round and it were also round you

869

00:51:05,460 --> 00:51:03,730

know and just like me up the one where

870

00:51:07,770 --> 00:51:05,470

I'm operating the craft I could see the

871

00:51:10,590 --> 00:51:07,780

windows but it was in the dark at this

872

00:51:12,120 --> 00:51:10,600

point it is dark so I'm seeing the

873

00:51:19,620 --> 00:51:12,130

roundness of the

874

00:51:23,160 --> 00:51:19,630

Linder like mold thing and and the C's -

875

00:51:25,620 --> 00:51:23,170

what up - I sees three main further down

876

00:51:28,230 --> 00:51:25,630

this rounded corridor just before it

877

00:51:31,170 --> 00:51:28,240

went to a point where I couldn't see and

878

00:51:33,270 --> 00:51:31,180

they add black suits on this is like an

879

00:51:38,910 --> 00:51:33,280

old cliché you know what I mean black so

880

00:51:42,930 --> 00:51:38,920

it'd be gasps you are black Yeah right

881

00:51:45,840 --> 00:51:42,940

and it's just you it's right so I say

882

00:51:47,730 --> 00:51:45,850

he's a saint Saint Nick seems except you

883

00:51:49,980 --> 00:51:47,740

know the times when I'd actually saw

884

00:51:52,290 --> 00:51:49,990

MiG's what you call them but they were

885

00:51:55,530 --> 00:51:52,300

dressed normal and I knew that there

886

00:51:56,790 --> 00:51:55,540

were following map but and I approached

887

00:51:58,620 --> 00:51:56,800

one of them and said know what you're

888

00:52:02,640 --> 00:51:58,630

doing and they never came back so and

889

00:52:06,060 --> 00:52:02,650

there's a bleep soul damn phone and so

890

00:52:10,320 --> 00:52:06,070

anyway so these three men and the other

891

00:52:14,130 --> 00:52:10,330

black souls on the white shirts I bigger

892

00:52:16,830 --> 00:52:14,140

hat with a brim and we all stood like in

893

00:52:19,410 --> 00:52:16,840

the triangle formation and there wasn't

894

00:52:21,540 --> 00:52:19,420

talking they were just like staring at

895

00:52:26,000 --> 00:52:21,550

each other tell me what it's like you

896

00:52:28,440 --> 00:52:26,010

know them weep is it angels of a

897

00:52:32,910 --> 00:52:28,450

doctoral with the I'll stare at each

898

00:52:34,410 --> 00:52:32,920

other you know it was it was a bit like

899

00:52:36,990 --> 00:52:34,420

that from Doctor Who you know where they

900

00:52:40,890 --> 00:52:37,000

all stared at each one stop but it was

901
00:52:43,230 --> 00:52:40,900
that sort of thing and I'm coming down -

902
00:52:44,030 --> 00:52:43,240
at this point I'm flooring down to floor

903
00:52:47,550 --> 00:52:44,040
level

904
00:52:50,070 --> 00:52:47,560
now the actual height of this want that

905
00:52:52,470 --> 00:52:50,080
big but it seemed to take me ages to get

906
00:52:56,390 --> 00:52:52,480
down as a child girls just gone past

907
00:53:03,470 --> 00:52:56,400
[Laughter]

908
00:53:09,720 --> 00:53:07,440
anyway right so when ate something edges

909
00:53:11,880 --> 00:53:09,730
to get down Nathan door with you know

910
00:53:16,800 --> 00:53:11,890
flirting it nah worry I'll be floor at

911
00:53:21,500 --> 00:53:16,810
normal pace but you know so in my other

912
00:53:21,510 --> 00:53:30,620
[Laughter]

913
00:53:45,020 --> 00:53:34,340

so didn't have a little chili Melissa

914

00:54:07,980 --> 00:53:56,640

might be a wild okay okay neighbors are

915

00:54:13,080 --> 00:54:07,990

screaming as arguing anyways right we

916

00:54:15,860 --> 00:54:13,090

can carry on though right so one of them

917

00:54:19,290 --> 00:54:15,870

I guess eventually alums on the floor

918

00:54:20,760 --> 00:54:19,300

not me eight I music than would a body

919

00:54:22,800 --> 00:54:20,770

somewhere but I didn't look it's not

920

00:54:26,760 --> 00:54:22,810

like we had were then it's just you know

921

00:54:29,340 --> 00:54:26,770

I mean that's and one of them turned it

922

00:54:31,290 --> 00:54:29,350

said and look directly at me lifted it

923

00:54:36,990 --> 00:54:31,300

kind of lifted up because some kind of

924

00:54:39,360 --> 00:54:37,000

the hats billowy yeah so then the local

925

00:54:41,310 --> 00:54:39,370

popper you slip brim girls but they have

926
00:54:43,770 --> 00:54:41,320
to kind of lift it more up like that if

927
00:54:48,600 --> 00:54:43,780
weird are even that others moved it

928
00:54:54,870 --> 00:54:48,610
somehow the heart and they the grace big

929
00:54:59,160 --> 00:54:54,880
eyes the black eyes and afar awful the

930
00:55:02,610 --> 00:54:59,170
same I like you say no frills so there

931
00:55:06,420 --> 00:55:02,620
might be a bit of swelling Oh miss Amy

932
00:55:09,150 --> 00:55:06,430
but during this moment I see he's open

933
00:55:11,850 --> 00:55:09,160
opening next to me whether it was there

934
00:55:13,770 --> 00:55:11,860
before I don't know because I would

935
00:55:16,380 --> 00:55:13,780
still concentrating on these three that

936
00:55:20,760 --> 00:55:16,390
was stood before Matt and it like a

937
00:55:28,140 --> 00:55:20,770
Slade not not walking over like such a

938
00:55:32,250 --> 00:55:28,150

slightly doing yeah sleeping at this

939

00:55:34,930 --> 00:55:32,260

room oh you know I mean right smooth

940

00:55:38,410 --> 00:55:34,940

move anyway yeah

941

00:55:45,370 --> 00:55:38,420

and it was novella can describe it is a

942

00:55:50,309 --> 00:55:45,380

very subtle below lie very subtle and it

943

00:55:56,890 --> 00:55:54,240

it's oh I can't explain you could just

944

00:55:58,900 --> 00:55:56,900

barely see you feel for eight feet in

945

00:56:03,099 --> 00:55:58,910

front of you it would that sort all

946

00:56:05,789 --> 00:56:03,109

where they sly and I remember movement

947

00:56:08,410 --> 00:56:05,799

just it's kind of someone pulling back

948

00:56:09,940 --> 00:56:08,420

you know like a system just being

949

00:56:13,630 --> 00:56:09,950

shocked and like oh [h__h]

950

00:56:16,749 --> 00:56:13,640

no [h__h] and when I look like that there

951
00:56:19,799 --> 00:56:16,759
was a tallish figure bit taller than me

952
00:56:22,180 --> 00:56:19,809
and a smaller these are trees

953
00:56:26,230 --> 00:56:22,190
these are what I call trumpet mouths

954
00:56:30,220 --> 00:56:26,240
because the mouth come out like a

955
00:56:34,109 --> 00:56:30,230
trumpet with all you know

956
00:56:39,069 --> 00:56:34,119
oh [h__h] mouth and they have tiny little

957
00:56:41,799 --> 00:56:39,079
beady eyes little black tiny little tiny

958
00:56:44,079 --> 00:56:41,809
little black eyes not to be scared of

959
00:56:45,599 --> 00:56:44,089
you know and I think it's with the Grizz

960
00:56:50,799 --> 00:56:45,609
I think it's more of the eyes that

961
00:56:53,589 --> 00:56:50,809
they're like so prominent shot by em but

962
00:56:55,769 --> 00:56:53,599
they's nothing and there was like even

963
00:57:01,960 --> 00:56:55,779

though the blue light was cast on them

964

00:57:05,980 --> 00:57:01,970

they were like the lobby the Adams

965

00:57:12,999 --> 00:57:05,990

I don't recall scene fee but the atoms

966

00:57:15,519 --> 00:57:13,009

and they were like a blobby sort of okay

967

00:57:19,150 --> 00:57:15,529

I explained it's just a blobby so the

968

00:57:20,859 --> 00:57:19,160

other had you know long neck but the

969

00:57:24,370 --> 00:57:20,869

rest of it were like a blobby sort of

970

00:57:31,059 --> 00:57:24,380

chick with arms long arms and there were

971

00:57:32,980 --> 00:57:31,069

bluey green but Mar green so I don't

972

00:57:36,099 --> 00:57:32,990

know whether that blue light changed the

973

00:57:38,829 --> 00:57:36,109

look of the color of it are via what

974

00:57:43,690 --> 00:57:38,839

actually this bluey green color don't

975

00:57:47,049 --> 00:57:43,700

know and it was like it was a sand

976

00:57:48,790 --> 00:57:47,059

timaya it said mother and child right

977

00:57:51,880 --> 00:57:48,800

mine are bein and

978

00:57:54,310 --> 00:57:51,890

hold it with and that's when an r8 this

979

00:57:57,490 --> 00:57:54,320

child when she kind of pulled back and

980

00:58:01,330 --> 00:57:57,500

you it with a female some reason I knew

981

00:58:03,430 --> 00:58:01,340

that was a female and so its mouth were

982

00:58:07,420 --> 00:58:03,440

right it was right long and then it come

983

00:58:09,760 --> 00:58:07,430

wide like a chump it round and I said

984

00:58:11,380 --> 00:58:09,770

it's okay it's okay I mean don't be

985

00:58:13,530 --> 00:58:11,390

frightened of me don't be frightened of

986

00:58:17,530 --> 00:58:13,540

me and I put my hands up like that and

987

00:58:20,290 --> 00:58:17,540

this child she she put a Rams kind of

988

00:58:24,250 --> 00:58:20,300

round you know that you know they spit a

989

00:58:26,740 --> 00:58:24,260

yeah yeah pull pulled it towards and

990

00:58:29,230 --> 00:58:26,750

this child died what it looked exactly

991

00:58:32,580 --> 00:58:29,240

like her bit with childlike child farm

992

00:58:37,060 --> 00:58:32,590

child I and it out it were holding

993

00:58:41,950 --> 00:58:37,070

around I don't even know what this thing

994

00:58:46,450 --> 00:58:41,960

is but it was holding around sort of

995

00:58:48,850 --> 00:58:46,460

disc disconnect hand with like a another

996

00:58:53,020 --> 00:58:48,860

disc in between and the disc in middle

997

00:58:55,030 --> 00:58:53,030

was like royalty in really fast with her

998

00:58:58,840 --> 00:58:55,040

and but the other one which were all

999

00:59:02,080 --> 00:58:58,850

didn't kept still and the elder it kind

1000

00:59:05,680 --> 00:59:02,090

of pulled it up and held it like that

1001
00:59:08,410 --> 00:59:05,690
what you say yeah ain't got clear will

1002
00:59:09,190 --> 00:59:08,420
hit that bar I don't have a clue what

1003
00:59:11,620 --> 00:59:09,200
that Wow

1004
00:59:17,020 --> 00:59:11,630
but yet it's just I dick to it so yeah

1005
00:59:22,870 --> 00:59:17,030
like and then it I just blacked out woke

1006
00:59:26,350 --> 00:59:22,880
up that's all I remember is that yeah

1007
00:59:28,150 --> 00:59:26,360
saying I made you feel really sad it's

1008
00:59:30,700 --> 00:59:28,160
sad yeah because I would getting it off

1009
00:59:33,850 --> 00:59:30,710
them and I think one partly sounded like

1010
00:59:34,270 --> 00:59:33,860
it were like a prison cell that what you

1011
00:59:41,320 --> 00:59:34,280
felt

1012
00:59:43,210 --> 00:59:41,330
yeah been held you know and it well it

1013
00:59:45,400 --> 00:59:43,220

was sad because I remember where cannot

1014

00:59:46,000 --> 00:59:45,410

remember in it and crying you know what

1015

00:59:48,520 --> 00:59:46,010

I mean

1016

00:59:52,330 --> 00:59:48,530

feeling for them how they were feeling

1017

00:59:53,830 --> 00:59:52,340

not how I were feeling it like in

1018

00:59:58,690 --> 00:59:53,840

empathy you picking up off their

1019

01:00:01,030 --> 00:59:58,700

emotions you know and but whatever this

1020

01:00:02,670 --> 01:00:01,040

child thing were old and it went like

1021

01:00:08,920 --> 01:00:02,680

that

1022

01:00:11,289 --> 01:00:08,930

kind of made me blackout or something

1023

01:00:12,210 --> 01:00:11,299

that come behind me I've no idea I've no

1024

01:00:20,109 --> 01:00:12,220

idea

1025

01:00:20,769 --> 01:00:20,119

mmm yeah okay let's stop get another

1026

01:00:26,700 --> 01:00:20,779

drink

1027

01:00:34,809 --> 01:00:26,710

what we are okay what's next

1028

01:00:38,440 --> 01:00:34,819

be um I've got to find it now because

1029

01:00:40,109 --> 01:00:38,450

it's sudden taste now this and I love to

1030

01:00:43,269 --> 01:00:40,119

read ow

1031

01:00:45,940 --> 01:00:43,279

I'm gonna read there it's saying it
