

1
00:00:09,560 --> 00:00:05,660
back this is part 8 and before we get on

2
00:00:12,410 --> 00:00:09,570
with talking about how the eyes work and

3
00:00:14,030 --> 00:00:12,420
why the way close then once a couple of

4
00:00:18,830 --> 00:00:14,040
questions that would be last

5
00:00:22,070 --> 00:00:18,840
so parlor Hugh first right Simon see

6
00:00:25,370 --> 00:00:22,080
railay question one after an abduction

7
00:00:32,979 --> 00:00:25,380
do you have the smell of rotten ways in

8
00:00:35,990 --> 00:00:32,989
your nose well that's quite a smell

9
00:00:49,369 --> 00:00:36,000
smell that something it's the sour this

10
00:00:51,740 --> 00:00:49,379
a bit like wet cardboard hmm stuffy's

11
00:00:53,750 --> 00:00:51,750
really quite like rotten egg geez I

12
00:00:57,700 --> 00:00:53,760
don't know if that's what it means but

13
00:01:05,090 --> 00:00:57,710

not rotten stinking egg but like sour

14

00:01:08,450 --> 00:01:05,100

wet cardboard mmm yeah it's like this so

15

00:01:11,480 --> 00:01:08,460

right I think yeah probably a bit a

16

00:01:18,920 --> 00:01:11,490

couple of times but rotting vegetation

17

00:01:24,320 --> 00:01:18,930

yeah but no some say it's all for dirty

18

00:01:27,140 --> 00:01:24,330

as well I smelt that probably twice or

19

00:01:29,990 --> 00:01:27,150

three smell baits of all that I've gone

20

00:01:34,940 --> 00:01:30,000

through it it's very small amount

21

00:01:39,170 --> 00:01:34,950

whether it is experiences not just to

22

00:01:48,620 --> 00:01:42,020

cigarette smells yeah I smoke cigarettes

23

00:01:55,060 --> 00:01:48,630

but when I'm not the tobacco yeah you

24

00:02:00,200 --> 00:01:55,070

know flowers flowers flowers a few times

25

00:02:04,580 --> 00:02:00,210

with taste oh oh when I was it render

26
00:02:06,830 --> 00:02:04,590
bottlers oh my job having something to

27
00:02:09,619 --> 00:02:06,840
say hidden a spot I didn't mean it like

28
00:02:13,040 --> 00:02:09,629
bread does help house smell I got

29
00:02:17,360 --> 00:02:13,050
actually a whiff of something really

30
00:02:20,180 --> 00:02:17,370
rotten like I don't know what it was and

31
00:02:23,720 --> 00:02:20,190
I went in the I said to her that I've

32
00:02:25,550 --> 00:02:23,730
got this really strong smell me means I

33
00:02:28,220 --> 00:02:25,560
think something weird is just happened

34
00:02:30,550 --> 00:02:28,230
and so I went around the house trying to

35
00:02:34,850 --> 00:02:30,560
see if it was anything in the house and

36
00:02:36,770 --> 00:02:34,860
obviously I not me Twiggy in that I just

37
00:02:48,650 --> 00:02:36,780
told somebody that there are smells I

38
00:02:53,660 --> 00:02:48,660

don't like I was like I'm in a spot

39

00:03:01,430 --> 00:02:53,670

something yeah it was a weird smell I

40

00:03:06,790 --> 00:03:01,440

don't know what I said it was yeah we're

41

00:03:10,009 --> 00:03:06,800

done that a question and write up

42

00:03:17,300 --> 00:03:10,019

electronics in your home archive being

43

00:03:23,930 --> 00:03:17,310

affected after being taken my old house

44

00:03:25,369 --> 00:03:23,940

in Leeds in the cellar in the candle

45

00:03:27,530 --> 00:03:25,379

there's a while obviously while they

46

00:03:33,140 --> 00:03:27,540

were at the stacks where see this bit

47

00:03:36,670 --> 00:03:33,150

here there was a pile from the floor to

48

00:03:39,770 --> 00:03:36,680

the ceiling of broken electronic things

49

00:03:42,710 --> 00:03:39,780

so many impacts that I was gonna get

50

00:03:44,089 --> 00:03:42,720

because my back in the day I tell he's

51
00:03:46,130 --> 00:03:44,099
been like this with it they were

52
00:03:49,369 --> 00:03:46,140
massively why I try it this big silver

53
00:03:51,550 --> 00:03:49,379
white TV that had blown up probably due

54
00:03:54,530 --> 00:03:51,560
to age I don't know I might have done it

55
00:03:56,539 --> 00:03:54,540
but it was so big inside and so massive

56
00:03:59,600 --> 00:03:56,549
and I had all these electronics I was

57
00:04:04,030 --> 00:03:59,610
gonna make like an electronic you know

58
00:04:10,250 --> 00:04:08,539
Jesus no telephone weight into it so if

59
00:04:16,129 --> 00:04:10,260
you curled it and you could listen to it

60
00:04:18,710 --> 00:04:16,139
be like you I call the 1 billion please

61
00:04:21,199 --> 00:04:18,720
wait you know I was gonna do this like

62
00:04:29,270 --> 00:04:21,209
mud installation with all the broken

63
00:04:37,760 --> 00:04:34,460

so yep light bulbs and also once he I

64

00:04:40,129 --> 00:04:37,770

don't know if he and the boyfriend that

65

00:04:42,350 --> 00:04:40,139

I once got in his car and I don't think

66

00:04:46,010 --> 00:04:42,360

it's tense and I don't know if that

67

00:04:49,700 --> 00:04:46,020

being recently I'd have to figure out

68

00:04:53,629 --> 00:04:49,710

dates but I got in his car and I wiped

69

00:04:56,300 --> 00:04:53,639

his USB stereo way and he couldn't

70

00:04:58,940 --> 00:04:56,310

even use that stereo again because it

71

00:05:00,830 --> 00:04:58,950

had reset it and he needed the car but

72

00:05:03,860 --> 00:05:00,840

he bought the car I can and didn't

73

00:05:07,480 --> 00:05:03,870

have the current for the stereo

74

00:05:11,510 --> 00:05:07,490

itself so just me getting into his car

75

00:05:14,719 --> 00:05:11,520

just white his stereo to death and I

76

00:05:17,450 --> 00:05:14,729

remember once when I was little I might

77

00:05:20,270 --> 00:05:17,460

remember this I saw my mom's name what's

78

00:05:22,640 --> 00:05:20,280

that right near the telly and the BBC

79

00:05:24,140 --> 00:05:22,650

world came up you know get on the blue

80

00:05:26,750 --> 00:05:24,150

background with the yellow world that

81

00:05:28,909 --> 00:05:26,760

used to spin for some reason creepy

82

00:05:30,560 --> 00:05:28,919

little weird over I am I'm putting my

83

00:05:33,050 --> 00:05:30,570

finger right in the middle of the

84

00:05:34,760 --> 00:05:33,060

television screen and the picture came

85

00:05:37,310 --> 00:05:34,770

in like that you know made it my cue

86

00:05:39,409 --> 00:05:37,320

like a timer and my mom went do that

87

00:05:39,890 --> 00:05:39,419

again now touched it again and it didn't

88

00:05:42,620 --> 00:05:39,900

do anything

89

00:05:44,450 --> 00:05:42,630

probably something about I'm not saying

90

00:05:46,760 --> 00:05:44,460

that that was a paranormal thing I'm

91

00:05:50,750 --> 00:05:46,770

just saying that's how much static I

92

00:05:53,600 --> 00:05:50,760

carry my body everything into that one

93

00:05:57,320 --> 00:05:53,610

point in the middle of the CBS 3 and I

94

00:06:03,129 --> 00:05:57,330

was probably about 6 then something like

95

00:06:11,510 --> 00:06:03,139

that so oh oh oh my God my favorite

96

00:06:15,920 --> 00:06:11,520

self-checkouts in supermarkets whatever

97

00:06:18,940 --> 00:06:15,930

News one it always spells out yeah they

98

00:06:27,260 --> 00:06:18,950

just don't like me so I don't use them

99

00:06:30,800 --> 00:06:27,270

yeah not as dramatic mine was the

100

00:06:33,080 --> 00:06:30,810

electronics okay well I got of a car so

101
00:06:36,140 --> 00:06:33,090
yeah it's electronics after if you

102
00:06:37,959 --> 00:06:36,150
watched the one Simon where the ball of

103
00:06:39,110 --> 00:06:37,969
light come through the window and

104
00:06:41,510 --> 00:06:39,120
hovered

105
00:06:46,970 --> 00:06:41,520
over me eight and I went to the

106
00:06:49,180 --> 00:06:46,980
supermarket and affected the made the

107
00:06:53,180 --> 00:06:49,190
static noise our way along the fridge

108
00:06:55,730 --> 00:06:53,190
top and then it went about a foot away

109
00:06:59,030 --> 00:06:55,740
from a tin of chocolate roses and the

110
00:07:01,280 --> 00:06:59,040
old thing just went tumbling down put

111
00:07:07,180 --> 00:07:01,290
like as if some far solution it away

112
00:07:11,719 --> 00:07:07,190
from so ask me and the height of me

113
00:07:14,600 --> 00:07:11,729

experiences I am just like if I get my

114

00:07:16,850 --> 00:07:14,610

mom's car are anyone's car I'd only have

115

00:07:22,129 --> 00:07:16,860

to kind of even go to Worlds the doll

116

00:07:26,450 --> 00:07:22,139

Randall and I'd get a blue AK and then

117

00:07:30,040 --> 00:07:26,460

if I did touch oh yeah that that will a

118

00:07:32,480 --> 00:07:30,050

lot of over that period of time

119

00:07:34,180 --> 00:07:32,490

forty three-year-old where that he does

120

00:07:36,710 --> 00:07:34,190

that a lot

121

00:07:46,600 --> 00:07:36,720

that's my cat I want to give my cat a

122

00:07:46,610 --> 00:07:51,580

[Laughter]

123

00:07:55,909 --> 00:07:54,020

think that's just a seeking an itchy

124

00:08:02,629 --> 00:07:55,919

think we've got you know I mean I think

125

00:08:06,409 --> 00:08:02,639

just like this time you know we all

126

00:08:11,930 --> 00:08:06,419

carried that static electricity but it

127

00:08:14,120 --> 00:08:11,940

seems to build up more when MIT for me

128

00:08:16,339 --> 00:08:14,130

personally when I do have experiences

129

00:08:19,490 --> 00:08:16,349

it's kind of hiked up a bit MA

130

00:08:22,190 --> 00:08:19,500

so that's it you know edge far it's

131

00:08:25,850 --> 00:08:22,200

three fight so far it one when it were

132

00:08:29,450 --> 00:08:25,860

giving it large I had a lot of vacuum

133

00:08:32,449 --> 00:08:29,460

cleaners I had to replace every place

134

00:08:42,740 --> 00:08:32,459

but same as it steadily gone down this

135

00:08:45,410 --> 00:08:42,750

area for now these I've been okay just

136

00:08:47,090 --> 00:08:45,420

that work he recently so I was like oh

137

00:08:51,530 --> 00:08:47,100

my god I'll have to dry my hair with me

138

00:08:56,240 --> 00:08:51,540

and it was actually be dollars skinny

139

00:09:15,410 --> 00:08:56,250

straightness they died why didn't the

140

00:09:18,110 --> 00:09:15,420

toaster died just need replacing you

141

00:09:18,889 --> 00:09:18,120

know I made anyway so you ready for the

142

00:09:25,129 --> 00:09:18,899

next question

143

00:09:28,970 --> 00:09:25,139

yeah I'm alligator I can say yes to this

144

00:09:32,120 --> 00:09:28,980

definitely but once have you been in the

145

00:09:35,090 --> 00:09:32,130

craft our stood with a crowd with the

146

00:09:39,710 --> 00:09:35,100

crowd on the craft watching a screen

147

00:09:45,410 --> 00:09:39,720

some type of prophetic meaning AJ global

148

00:09:48,139 --> 00:09:45,420

devastation no no but I have been I did

149

00:09:52,040 --> 00:09:48,149

have an experience where I was on a

150

00:09:54,319 --> 00:09:52,050

craft with a lot of people I was having

151

00:09:58,550 --> 00:09:54,329

the flying dream I thought was a flying

152

00:10:02,480 --> 00:09:58,560

dream and I was I was already flying and

153

00:10:05,930 --> 00:10:02,490

everything was black well all all the

154

00:10:09,199 --> 00:10:05,940

grass and the trees and everything had

155

00:10:12,949 --> 00:10:09,209

its own like like like a luminescent

156

00:10:17,300 --> 00:10:12,959

bluey white phosphorescence type blur to

157

00:10:19,939 --> 00:10:17,310

it so I was looking at this and thinking

158

00:10:21,590 --> 00:10:19,949

wow wow this is beautiful everything is

159

00:10:25,009 --> 00:10:21,600

going its own light and then I thought

160

00:10:26,449 --> 00:10:25,019

the stars I want to see the stars so as

161

00:10:30,050 --> 00:10:26,459

soon as I thought I want to see the

162

00:10:32,509 --> 00:10:30,060

stars I was shooting upwards really fast

163

00:10:33,170 --> 00:10:32,519

it was like being on a motorbike without

164

00:10:35,300 --> 00:10:33,180

a helmet

165

00:10:38,720 --> 00:10:35,310

and I could feel my hair flap him I

166

00:10:42,319 --> 00:10:38,730

could feel clothes flapping and I don't

167

00:10:45,199 --> 00:10:42,329

remember feeling any temperature but and

168

00:10:47,480 --> 00:10:45,209

as I was looking at the Stars all these

169

00:10:49,879 --> 00:10:47,490

there was just loads of them the way and

170

00:10:53,269 --> 00:10:49,889

pouted until there was a big black

171

00:10:56,439 --> 00:10:53,279

circle my brain went all the moved out

172

00:11:01,240 --> 00:10:56,449

of the way so I don't crash into him I

173

00:11:04,759 --> 00:11:01,250

remember telling me that yeah oh like

174

00:11:06,559 --> 00:11:04,769

what monkey brain does is so amazing

175

00:11:08,780 --> 00:11:06,569

when you're in these situations anyway

176

00:11:11,119 --> 00:11:08,790

so that and the next thing I know I'm

177

00:11:14,329 --> 00:11:11,129

sat on the bench in a curved corridor

178

00:11:18,259 --> 00:11:14,339

and the cat seems to be like there's a

179

00:11:22,160 --> 00:11:18,269

red like happy are flooring and then

180

00:11:23,840 --> 00:11:22,170

it's all molded there's no it's like

181

00:11:26,179 --> 00:11:23,850

it's a bench but it's not actually a

182

00:11:28,609 --> 00:11:26,189

bench that's made it's like it comes up

183

00:11:30,919 --> 00:11:28,619

off the floor they're round and then

184

00:11:32,929 --> 00:11:30,929

like that and then it goes up and the

185

00:11:37,939 --> 00:11:32,939

sat on this thing that sort of all just

186

00:11:41,269 --> 00:11:37,949

on one piece and in front of me there's

187

00:11:45,139 --> 00:11:41,279

like these big square panels that are

188

00:11:48,350 --> 00:11:45,149

glowing a kind of yellow really gentle

189

00:11:51,889 --> 00:11:48,360

yellow a white light it's not like a

190

00:11:55,220 --> 00:11:51,899

light light from a light bulb it's a

191

00:11:57,590 --> 00:11:55,230

different kind of way it's hard to it it

192

00:12:02,569 --> 00:11:57,600

wasn't casting the new light it was just

193

00:12:04,819 --> 00:12:02,579

like and I was this woman and all the

194

00:12:06,470 --> 00:12:04,829

way around this peer corridor it was

195

00:12:09,079 --> 00:12:06,480

just loads of other people and we all

196

00:12:12,230 --> 00:12:09,089

stood some of them were sat up like just

197

00:12:14,480 --> 00:12:12,240

so staring at the floor and some of them

198

00:12:16,730 --> 00:12:14,490

were still talking to each other and I

199

00:12:19,220 --> 00:12:16,740

was sat on this bench and I'm saying to

200

00:12:22,069 --> 00:12:19,230

this woman sat next to my own this is

201
00:12:25,299 --> 00:12:22,079
mad I know I mean bed I'm in bed asleep

202
00:12:27,739 --> 00:12:25,309
I know that I'm in at home in bed asleep

203
00:12:29,269 --> 00:12:27,749
she's kind of stuck forward with their

204
00:12:51,079 --> 00:12:29,279
hands on their knees and she just sort

205
00:12:54,470 --> 00:12:51,089
of smiles how how childish and simple

206
00:13:00,319 --> 00:12:54,480
our brains are the way sort of crash

207
00:13:03,650 --> 00:13:00,329
into him what a thing to think I don't

208
00:13:06,409 --> 00:13:03,660
have any recollection of anything else

209
00:13:07,309 --> 00:13:06,419
or why we were all there Oh what

210
00:13:12,379 --> 00:13:07,319
happened next

211
00:13:16,460 --> 00:13:12,389
yeah I just don't know well mine is yeah

212
00:13:18,569 --> 00:13:16,470
I have once okay I don't know whether I

213
00:13:22,489 --> 00:13:18,579

was sat with a crowd of people but

214

00:13:24,689 --> 00:13:22,499

there was a scream and I me being

215

00:13:29,100 --> 00:13:24,699

whatever you want to call it experience

216

00:13:31,979 --> 00:13:29,110

lab duty when I first heard about this

217

00:13:33,749 --> 00:13:31,989

sort of a people you know they had this

218

00:13:35,429 --> 00:13:33,759

prophetic thing that stood in front of

219

00:13:37,619 --> 00:13:35,439

the screen I'll sat down and you're

220

00:13:40,350 --> 00:13:37,629

watching it starts off lovely and

221

00:13:42,329 --> 00:13:40,360

Annie's different that were bola same

222

00:13:47,939 --> 00:13:42,339

week big4 I need to think of a bullet

223

00:13:50,400 --> 00:13:47,949

coming from me you know so yeah I was

224

00:13:54,590 --> 00:13:50,410

sat down and there was this it like a

225

00:13:56,850 --> 00:13:54,600

drop-down screen like pull it down I

226

00:13:58,350 --> 00:13:56,860

didn't pull it down I don't know pulled

227

00:14:02,910 --> 00:13:58,360

it down but it pulled down the list it

228

00:14:05,939 --> 00:14:02,920

went on its own and there was people

229

00:14:08,519 --> 00:14:05,949

around me but I had no finger to look

230

00:14:12,509 --> 00:14:08,529

and say because I was just drawn at this

231

00:14:15,960 --> 00:14:12,519

screen it was the way that I was

232

00:14:18,660 --> 00:14:15,970

positioned and sat down was like the

233

00:14:22,229 --> 00:14:18,670

dentist's chair experience it were

234

00:14:24,720 --> 00:14:22,239

comfortable and it started off

235

00:14:27,109 --> 00:14:24,730

everything will off-screen and this

236

00:14:31,049 --> 00:14:27,119

lovely rivers flowing and beautiful

237

00:14:33,919 --> 00:14:31,059

flowers and so as I'm kind of rushing

238

00:14:36,989 --> 00:14:33,929

down this you know but everything's like

239

00:14:42,749 --> 00:14:36,999

all the colors are overdramatic you know

240

00:14:46,559 --> 00:14:42,759

it's you know what I mainly Adam super

241

00:14:48,030 --> 00:14:46,569

HD yeah yeah and it feels like you're

242

00:14:52,769 --> 00:14:48,040

well it doesn't yeah actually feels like

243

00:14:54,449 --> 00:14:52,779

you've got yeah yeah they've set on

244

00:14:56,340 --> 00:14:54,459

that's what it feels like but yet you

245

00:14:58,530 --> 00:14:56,350

know it seems from yeah you can't see

246

00:15:02,819 --> 00:14:58,540

its sides but feels like you're in there

247

00:15:05,400 --> 00:15:02,829

and so I'm going down this river and

248

00:15:08,579 --> 00:15:05,410

dang it kind of stops and it goes on to

249

00:15:10,829 --> 00:15:08,589

the next thing where the rivers and the

250

00:15:12,780 --> 00:15:10,839

sea and it's black and it's oil and

251

00:15:16,079 --> 00:15:12,790

these birds that you know stuck in the

252

00:15:19,919 --> 00:15:16,089

oil and then you know I mean there's

253

00:15:23,059 --> 00:15:19,929

just devastation everywhere it's awful I

254

00:15:27,150 --> 00:15:23,069

mean I'm not talking people here it's

255

00:15:29,489 --> 00:15:27,160

the earth basically you know but I

256

00:15:32,500 --> 00:15:29,499

haven't been backwards looking at the

257

00:15:34,600 --> 00:15:32,510

earth but we've been there

258

00:15:38,070 --> 00:15:34,610

looking at the devastation what I'm

259

00:15:43,300 --> 00:15:38,080

seeing around me so yeah but that one's

260

00:15:45,090 --> 00:15:43,310

yeah I don't ever look to see if

261

00:15:50,640 --> 00:15:45,100

anyone's with me and not another yeas

262

00:15:56,620 --> 00:15:53,140

just reminded me of something that I did

263

00:16:00,670 --> 00:15:56,630

say oh I don't know how it these things

264

00:16:02,980 --> 00:16:00,680

come about and I found myself and I was

265

00:16:04,810 --> 00:16:02,990

standing on like it was like a glass

266

00:16:07,300 --> 00:16:04,820

platform but it wasn't plastic it was

267

00:16:10,360 --> 00:16:07,310

like made of energy and I could see

268

00:16:12,520 --> 00:16:10,370

through it and it was just stars it was

269

00:16:17,650 --> 00:16:12,530

space I was like in space I was in

270

00:16:19,600 --> 00:16:17,660

something whatever I was in had you know

271

00:16:20,920 --> 00:16:19,610

the ability to show me what was

272

00:16:22,570 --> 00:16:20,930

underneath and what was in front of me

273

00:16:26,230 --> 00:16:22,580

so it was literally like I was standing

274

00:16:29,770 --> 00:16:26,240

out in space but I wasn't an angle

275

00:16:32,500 --> 00:16:29,780

towards the planet and I was absolutely

276

00:16:37,030 --> 00:16:32,510

like being punched in the gut when you

277

00:16:40,090 --> 00:16:37,040

see this beauty of it how bright and I

278

00:16:42,610 --> 00:16:40,100

come okay I can't believe how bright

279

00:16:44,800 --> 00:16:42,620

this is I cannot believe how bright it

280

00:16:46,990 --> 00:16:44,810

glows people don't know I'll brighten

281

00:16:49,180 --> 00:16:47,000

this oh my god if people could see what

282

00:16:51,510 --> 00:16:49,190

we were living on it was look after it

283

00:16:54,310 --> 00:16:51,520

you know that it was just so ah

284

00:17:01,390 --> 00:16:54,320

literally by the true definition awesome

285

00:17:04,060 --> 00:17:01,400

because it's so beautiful there's no

286

00:17:07,350 --> 00:17:04,070

words to describe it and no picture that

287

00:17:10,090 --> 00:17:07,360

I've ever seen has ever shown the glow

288

00:17:13,480 --> 00:17:10,100

that that looks like there's a bubble

289

00:17:17,189 --> 00:17:13,490
around it but it's so bright like I've

290

00:17:20,140 --> 00:17:17,199
got goosebumps it's so bright it's so I

291

00:17:21,819 --> 00:17:20,150
mean it struck you know it's the most

292

00:17:24,340 --> 00:17:21,829
striking thing that I've ever seen

293

00:17:25,780 --> 00:17:24,350
and I always say nothing nice ever

294

00:17:28,360 --> 00:17:25,790
happens to me I've never had anything

295

00:17:32,050 --> 00:17:28,370
nice happens to me well I think that was

296

00:17:34,210 --> 00:17:32,060
probably something that I can say was

297

00:17:37,660 --> 00:17:34,220
and that I was shown and it made me

298

00:17:40,000 --> 00:17:37,670
realize how precious it was and that it

299

00:17:42,940 --> 00:17:40,010
is unique and there might be other

300

00:17:45,880 --> 00:17:42,950
planets in the solar system but I think

301
00:17:48,340 --> 00:17:45,890
we're all unique

302
00:17:51,160 --> 00:17:48,350
it was the most amazing thing I've ever

303
00:17:53,110 --> 00:17:51,170
seen like on the screen when it were

304
00:17:55,180 --> 00:17:53,120
down and when I when we set off and

305
00:17:56,950 --> 00:17:55,190
everything would just Lucius green and

306
00:18:01,080 --> 00:17:56,960
so I can understand I could say the

307
00:18:09,340 --> 00:18:01,090
vibrancy in it and everything you know

308
00:18:12,630 --> 00:18:09,350
so Eileen Moffat question he's talking

309
00:18:18,340 --> 00:18:12,640
about this impacting on our health

310
00:18:22,410 --> 00:18:18,350
talking about it is now well yeah in a

311
00:18:27,970 --> 00:18:22,420
way is he

312
00:18:29,650 --> 00:18:27,980
it brings up a lot of feelings because

313
00:18:31,420 --> 00:18:29,660

when we stop talking about it

314

00:18:34,570 --> 00:18:31,430

and we go okay that's it we don't back

315

00:18:38,200 --> 00:18:34,580

right I'm thinking about what we've

316

00:18:41,140 --> 00:18:38,210

talked about I'm feeling it again

317

00:18:43,120 --> 00:18:41,150

even thinking if it was today or

318

00:18:45,910 --> 00:18:43,130

yesterday oh god I've got to talk about

319

00:18:48,520 --> 00:18:45,920

all my stuff yeah and then make some

320

00:18:52,060 --> 00:18:48,530

bubble inside you know I can talk about

321

00:18:56,050 --> 00:18:52,070

it sometimes I couldn't really off like

322

00:18:59,410 --> 00:18:56,060

it's like it's not mining yeah like when

323

00:19:01,150 --> 00:18:59,420

I went on the top to table Johnson and I

324

00:19:03,550 --> 00:19:01,160

wasn't quite high spirits when I started

325

00:19:05,950 --> 00:19:03,560

talking to him anyway so it just I just

326

00:19:12,910 --> 00:19:05,960

kind of was a bit more you know matter

327

00:19:18,400 --> 00:19:12,920

of fact about it and but this this it's

328

00:19:20,650 --> 00:19:18,410

like well when do you put any of it what

329

00:19:22,300 --> 00:19:20,660

you bring it out and you look at it and

330

00:19:31,390 --> 00:19:22,310

then you go right okay so where does it

331

00:19:34,120 --> 00:19:31,400

go yeah yeah so yeah in a way it does

332

00:19:36,760 --> 00:19:34,130

impact me but in a way it doesn't in a

333

00:19:40,050 --> 00:19:36,770

way it doesn't because the more I talk

334

00:19:44,820 --> 00:19:40,060

about it the more bearable it becomes

335

00:19:47,350 --> 00:19:44,830

yeah Tamura talk about air and me

336

00:19:50,650 --> 00:19:47,360

experiences rather you know having a go

337

00:19:52,750 --> 00:19:50,660

in a detail about the experiences I'm

338

00:19:55,870 --> 00:19:52,760

not just talking about snot verbal I

339

00:19:58,510 --> 00:19:55,880

have to I'm replaying it yeah you know

340

00:19:59,860 --> 00:19:58,520

in my at the moment I'm talking about it

341

00:20:03,760 --> 00:19:59,870

so it's bringing

342

00:20:06,670 --> 00:20:03,770

I'm emotions so in a way it's golden in

343

00:20:08,440 --> 00:20:06,680

another way it's bad so it's been making

344

00:20:09,880 --> 00:20:08,450

me think about all the things that I've

345

00:20:12,460 --> 00:20:09,890

been through because I know that I've

346

00:20:16,120 --> 00:20:12,470

got a talk it's my turn that just to

347

00:20:19,960 --> 00:20:16,130

talk about you know what I've I've had

348

00:20:25,090 --> 00:20:19,970

first yeah a few easy stuff was the

349

00:20:29,740 --> 00:20:25,100

paranormal then it all changed but I've

350

00:20:33,340 --> 00:20:29,750

I've been I feel like I've been super

351

00:20:39,810 --> 00:20:33,350

damaged by it you know like mentally

352

00:20:43,360 --> 00:20:39,820

emotionally literally tortured and then

353

00:20:45,310 --> 00:20:43,370

they need to know this because I'm I'm

354

00:20:47,530 --> 00:20:45,320

hyperactive I don't know if you charmer

355

00:20:48,820 --> 00:20:47,540

that's little walkway it's like 60

356

00:20:51,190 --> 00:20:48,830

billion things are going on in my head

357

00:20:52,690 --> 00:20:51,200

at any one time and most of them it's

358

00:20:54,669 --> 00:20:52,700

all like working the point where can I

359

00:20:57,100 --> 00:20:54,679

put it and then I'll listen somewhere

360

00:20:59,169 --> 00:20:57,110

and then out I'll hear somebody say

361

00:21:01,120 --> 00:20:59,179

something and it'll set something off of

362

00:21:02,500 --> 00:21:01,130

my brain and it's got to figure it out

363

00:21:05,380 --> 00:21:02,510

gotta figure it out got it

364

00:21:07,000 --> 00:21:05,390

so it's kind of mentally exhausting for

365

00:21:10,210 --> 00:21:07,010

me and I think you can see it in my eyes

366

00:21:14,049 --> 00:21:10,220

you go like you watch video 1 and you

367

00:21:16,750 --> 00:21:14,059

watch then you see now it's like I do

368

00:21:18,910 --> 00:21:16,760

feel it's like it's taking something out

369

00:21:24,310 --> 00:21:18,920

of me and I've hardly even spoken about

370

00:21:30,060 --> 00:21:24,320

myself wearisome and more relaxed about

371

00:21:32,590 --> 00:21:30,070

it my trauma talking about it was

372

00:21:36,419 --> 00:21:32,600

leading up to me Enya and that's when I

373

00:21:39,549 --> 00:21:36,429

knew I had to reach out to someone but

374

00:21:41,740 --> 00:21:39,559

after being with you a lot a lot years

375

00:21:44,950 --> 00:21:41,750

and spent a lot of time with you and

376

00:21:49,660 --> 00:21:44,960

repeated the same and can't it's all for

377

00:21:53,680 --> 00:21:49,670

an orphan again to me personally I'm

378

00:21:55,720 --> 00:21:53,690

getting more easy with there even having

379

00:22:03,910 --> 00:21:55,730

replay in the aid it is traumatic

380

00:22:06,910 --> 00:22:03,920

because I'm yeah yeah yes I just like

381

00:22:10,900 --> 00:22:06,920

I'll be talking about it and then all of

382

00:22:13,780 --> 00:22:10,910

a sudden boom tears and I think did you

383

00:22:15,960 --> 00:22:13,790

think you're at USANA and then you know

384

00:22:20,050 --> 00:22:15,970

and I think people can understand how

385

00:22:25,090 --> 00:22:20,060

small it makes you feel how powerless

386

00:22:27,340 --> 00:22:25,100

and me I've always been you know if I

387

00:22:28,570 --> 00:22:27,350

had have been born rich in it and a

388

00:22:30,610 --> 00:22:28,580

couple of hundred years ago I'd have

389

00:22:32,800 --> 00:22:30,620

been an adventurer I'd have been one of

390

00:22:35,470 --> 00:22:32,810

them people discovering new lands and

391

00:22:42,030 --> 00:22:35,480

doing ridiculous things you know me now

392

00:22:46,840 --> 00:22:42,040

I'm just that I'm kind of a hermit now

393

00:22:50,790 --> 00:22:46,850

because it's overwhelm it that much

394

00:22:54,360 --> 00:22:50,800

the too much hustle and bustle I can't

395

00:22:57,670 --> 00:22:54,370

you know again step for action

396

00:22:59,260 --> 00:22:57,680

you don't you well it's like it's like

397

00:23:01,330 --> 00:22:59,270

being hit on the head with a hammer and

398

00:23:03,220 --> 00:23:01,340

then every time you get hit with it you

399

00:23:05,020 --> 00:23:03,230

go down a little bit any bit about it a

400

00:23:06,820 --> 00:23:05,030

bit more and a bit more but ya have to

401
00:23:09,450 --> 00:23:06,830
the end ones when the hammer stops

402
00:23:12,490 --> 00:23:09,460
hitting you you have to pull yourself up

403
00:23:17,820 --> 00:23:12,500
up and out again but you're not the same

404
00:23:24,340 --> 00:23:22,240
with those two because I think yo-yo ma

405
00:23:26,500 --> 00:23:24,350
well I'm gonna say martyr Amma ties in

406
00:23:29,830 --> 00:23:26,510
it I think I've become more hardened to

407
00:23:31,720 --> 00:23:29,840
where and I think that's where we've

408
00:23:34,090 --> 00:23:31,730
discussed it with Albert each other

409
00:23:39,130 --> 00:23:34,100
because of the different ways it's

410
00:23:49,510 --> 00:23:39,140
affected us as well so we have helped

411
00:23:52,110 --> 00:23:49,520
each other a lot really and foundation

412
00:23:56,790 --> 00:23:52,120
by myself face-to-face with the greys

413
00:23:59,560 --> 00:23:56,800

and never been that before and they are

414

00:24:04,360 --> 00:23:59,570

like from anything else that I've ever

415

00:24:06,400 --> 00:24:04,370

encountered the greys scary and and I

416

00:24:08,700 --> 00:24:06,410

know why people think the evil but I

417

00:24:11,530 --> 00:24:08,710

don't think the evil

418

00:24:16,380 --> 00:24:11,540

capacity to give a [\h__\h] the like

419

00:24:19,900 --> 00:24:16,390

insectoid the kind of like logical and

420

00:24:22,060 --> 00:24:19,910

perfunctory but not emotional they don't

421

00:24:25,090 --> 00:24:22,070

have that emotional they don't know what

422

00:24:30,030 --> 00:24:25,100

I did though you know you're standing

423

00:24:36,480 --> 00:24:33,940

as being evil or whatever they give off

424

00:24:38,980 --> 00:24:36,490

such a no large amount of energy

425

00:24:42,070 --> 00:24:38,990

controllers with their energy they have

426
00:24:46,570 --> 00:24:42,080
got it out completely down to you know

427
00:24:48,760 --> 00:24:46,580
the micro micro the very soft

428
00:24:51,280 --> 00:24:48,770
that's I can do things that they do

429
00:24:53,830 --> 00:24:51,290
exactly can watch whilst caught through

430
00:24:57,120 --> 00:24:53,840
flowers you know take people through

431
00:24:59,980 --> 00:24:57,130
windows well in all of that all of that

432
00:25:02,080 --> 00:24:59,990
it's all about frequency and like

433
00:25:07,150 --> 00:25:02,090
everything that they do is frequency

434
00:25:09,400 --> 00:25:07,160
unlike our environment yeah and they

435
00:25:12,970 --> 00:25:09,410
I've got so much an intense amount of

436
00:25:15,280 --> 00:25:12,980
energy people go like people look like

437
00:25:17,590 --> 00:25:15,290
they would handle meeting the Grey's eat

438
00:25:19,600 --> 00:25:17,600

really well and that they'd be able to

439

00:25:20,410 --> 00:25:19,610

ask them a question you you want do a

440

00:25:22,930 --> 00:25:20,420

[h__\h] thing

441

00:25:28,720 --> 00:25:22,940

you only thing I'll do whatever they

442

00:25:30,340 --> 00:25:28,730

allow you to do I think you might have a

443

00:25:36,670 --> 00:25:30,350

little bit of movement a little bit of

444

00:25:38,770 --> 00:25:36,680

Russian but you can't get to meet the

445

00:25:43,180 --> 00:25:38,780

world like you move because humans are

446

00:25:46,300 --> 00:25:43,190

that volatile and and we can show at any

447

00:25:51,370 --> 00:25:46,310

time even during an argument one word

448

00:25:56,800 --> 00:25:51,380

contributors to go boom you know and the

449

00:25:59,740 --> 00:25:56,810

North AI volatile humans are deep prasad

450

00:26:01,930 --> 00:25:59,750

is the guy on twitter is a physicist he

451
00:26:04,330 --> 00:26:01,940
had an experience and he said that one

452
00:26:07,270 --> 00:26:04,340
walked up was just really really

453
00:26:08,860 --> 00:26:07,280
cautiously like he was an animal you

454
00:26:11,050 --> 00:26:08,870
know I've put all these stuff to one

455
00:26:11,800 --> 00:26:11,060
side to write about it because I want to

456
00:26:15,280 --> 00:26:11,810
say to him

457
00:26:17,710 --> 00:26:15,290
we too old to them we are animals and we

458
00:26:19,630 --> 00:26:17,720
are animals we have a product of this

459
00:26:20,290 --> 00:26:19,640
environment content within it we're not

460
00:26:22,600 --> 00:26:20,300
above it

461
00:26:25,840 --> 00:26:22,610
we're not in control of it we are part

462
00:26:29,200 --> 00:26:25,850
of it you know this is people seem to

463
00:26:33,700 --> 00:26:29,210

think that would not we're separate from

464

00:26:36,250 --> 00:26:33,710

it but we're not animals and they a weak

465

00:26:38,920 --> 00:26:36,260

like you say freak out boom I went and

466

00:26:40,370 --> 00:26:38,930

learn how to do confirm I didn't we jump

467

00:26:42,380 --> 00:26:40,380

over to he his

468

00:26:45,320 --> 00:26:42,390

because I wanted to fight for my life I

469

00:26:48,470 --> 00:26:45,330

want you to be able to to protect my

470

00:26:49,610 --> 00:26:48,480

family to protect myself and and I think

471

00:26:57,500 --> 00:26:49,620

they knew it and that's why they were

472

00:26:59,390 --> 00:26:57,510

super super brutal place confrontational

473

00:27:02,750 --> 00:26:59,400

and I'm saying to them you [h__h]

474

00:27:05,990 --> 00:27:02,760

cowards hide hide him from me hiding

475

00:27:08,330 --> 00:27:06,000

from a woman you know and so the shadows

476

00:27:11,029 --> 00:27:08,340

ask me and they made me feel the power

477

00:27:16,039 --> 00:27:11,039

that they've got and I never will ever

478

00:27:20,440 --> 00:27:16,049

ever ever say that again ever defense

479

00:27:23,570 --> 00:27:20,450

with them a few times and quite frankly

480

00:27:25,640 --> 00:27:23,580

that's the worst of it like that is the

481

00:27:33,250 --> 00:27:25,650

worst of it the way how intimidating

482

00:27:37,279 --> 00:27:33,260

they are yeah definitely powerful oh

483

00:27:37,610 --> 00:27:37,289

here it comes oh my gosh what let me get

484

00:27:44,299 --> 00:27:37,620

a drink

485

00:27:48,409 --> 00:27:44,309

that's very mouth guard right so now

486

00:27:51,470 --> 00:27:48,419

we're gonna talk about how the eyes work

487

00:27:54,830 --> 00:27:51,480

now I am saying this is a definite this

488

00:27:58,820 --> 00:27:54,840

is what I've been shown and which is in

489

00:28:06,430 --> 00:27:58,830

conjunction with Sasha's and counter so

490

00:28:12,049 --> 00:28:06,440

I will click on so this is one of the

491

00:28:17,149 --> 00:28:12,059

experience that was it what year what do

492

00:28:17,990 --> 00:28:17,159

you know it's it's in me it's for it one

493

00:28:20,810 --> 00:28:18,000

fighter

494

00:28:25,039 --> 00:28:20,820

it was after meeting me I was at the

495

00:28:32,480 --> 00:28:25,049

farm thinking me in yo I'm sorry well

496

00:28:34,370 --> 00:28:32,490

I'm sorry well you know that remember

497

00:28:36,320 --> 00:28:34,380

because it will age for it so when I met

498

00:28:38,990 --> 00:28:36,330

you but that boy in our and that massive

499

00:28:41,390 --> 00:28:39,000

spirit of them so it could have been

500

00:28:45,289 --> 00:28:41,400

after I'm not sure but I think it being

501

00:28:49,340 --> 00:28:45,299

I think it might have been noticin yes

502

00:28:52,520 --> 00:28:49,350

looking back at those drawings I'm oh he

503

00:28:55,240 --> 00:28:52,530

did the drawings no three

504

00:28:57,830 --> 00:28:55,250

came or would your drawing that came

505

00:29:00,470 --> 00:28:57,840

after not before you know when you were

506

00:29:03,470 --> 00:29:00,480

in my house and you told you were

507

00:29:08,390 --> 00:29:03,480

drawing them out yeah you didn't draw

508

00:29:12,130 --> 00:29:08,400

that one out that came later then in

509

00:29:17,840 --> 00:29:12,140

Finnish so it was after Weidman yeah

510

00:29:20,750 --> 00:29:17,850

yeah so this is how mine goes I don't

511

00:29:24,430 --> 00:29:20,760

know where I have these sometimes have

512

00:29:26,600 --> 00:29:24,440

these in count isn'ta to do with America

513

00:29:28,340 --> 00:29:26,610

I've never been to America

514

00:29:30,560 --> 00:29:28,350

it's not like I'm not bothered about

515

00:29:34,370 --> 00:29:30,570

going to America it's not somewhere a

516

00:29:36,230 --> 00:29:34,380

book on holiday are you know but some

517

00:29:41,450 --> 00:29:36,240

reason America does come in all the way

518

00:29:41,930 --> 00:29:41,460

a lot anyway um I don't know did I fall

519

00:29:48,830 --> 00:29:41,940

asleep

520

00:29:53,570 --> 00:29:48,840

did I I don't know but I was walking

521

00:29:55,280 --> 00:29:53,580

down a street in America and I know it's

522

00:29:58,610 --> 00:29:55,290

a very clear because we've got the

523

00:30:01,220 --> 00:29:58,620

number place you got yellow cabs you've

524

00:30:05,150 --> 00:30:01,230

got the skyscraper sweet irony is that

525

00:30:08,660 --> 00:30:05,160

awfully yet I think nervous thing a

526

00:30:11,290 --> 00:30:08,670

yellow vehicles it's a school buses you

527

00:30:16,580 --> 00:30:11,300

know the yeah that's about it really and

528

00:30:20,270 --> 00:30:16,590

and so I was going down there and I was

529

00:30:23,420 --> 00:30:20,280

with the little grid that I called Danny

530

00:30:25,070 --> 00:30:23,430

DeVito now don't get me wrong not stupid

531

00:30:27,980 --> 00:30:25,080

or out like that when a phrase Danny

532

00:30:30,710 --> 00:30:27,990

defeat us it's because sometimes he

533

00:30:32,780 --> 00:30:30,720

wears this hat and his smile and his

534

00:30:36,170 --> 00:30:32,790

quiet clunked and it looks like Danny

535

00:30:40,520 --> 00:30:36,180

DeVito it reminds me of Danny DeVito and

536

00:30:43,220 --> 00:30:40,530

he's very wrinkly and he's got to me

537

00:30:46,870 --> 00:30:43,230

he's got a lot of wisdom anyway yeah so

538

00:30:50,900 --> 00:30:46,880

I was walking down a road nobody saw was

539

00:30:54,260 --> 00:30:50,910

nice bright sunny day and we stops and

540

00:30:55,910 --> 00:30:54,270

opposite is this a skyscraper well

541

00:30:57,440 --> 00:30:55,920

they're all over but this particular

542

00:31:02,800 --> 00:30:57,450

woman were right there

543

00:31:05,990 --> 00:31:02,810

and it was just this one and I were like

544

00:31:10,460 --> 00:31:06,000

looking at it I'm you that I had to look

545

00:31:16,160 --> 00:31:10,470

at the skyscraper next minute I'm seeing

546

00:31:19,730 --> 00:31:16,170

a giant like a tap fish over you

547

00:31:26,710 --> 00:31:19,740

jameelah yay it's so so ridiculous it is

548

00:31:28,910 --> 00:31:26,720

flying around this skyscraper and

549

00:31:31,550 --> 00:31:28,920

there's a lot of these stuff now that

550

00:31:36,020 --> 00:31:31,560

I'm trying to get gay because a lot of

551

00:31:39,020 --> 00:31:36,030

it allows so my little gray said if you

552

00:31:46,840 --> 00:31:39,030

came if you put the alien basically he

553

00:31:54,080 --> 00:31:50,180

it's like a welders visor you know the

554

00:31:59,150 --> 00:31:54,090

black bear that it's that [h__h] it's like

555

00:32:00,950 --> 00:31:59,160

a welders kind of bit of an arch and and

556

00:32:03,680 --> 00:32:00,960

it's just like that it's a bit rubbery

557

00:32:06,560 --> 00:32:03,690

and it said if you if you put that on

558

00:32:10,190 --> 00:32:06,570

you'll be able to see all the things in

559

00:32:12,790 --> 00:32:10,200

sky and but you didn't tell me that I'd

560

00:32:16,250 --> 00:32:12,800

be able whatever else I'd be able to see

561

00:32:19,370 --> 00:32:16,260

so you just told me about these things

562

00:32:22,130 --> 00:32:19,380

in sky so as I'm I've got this visor

563

00:32:24,710 --> 00:32:22,140

takes it off and and I get sick to about

564

00:32:29,540 --> 00:32:24,720

there on my first about an inch aware

565

00:32:31,070 --> 00:32:29,550

and it went and sucked right on my face

566

00:32:36,260 --> 00:32:31,080

I felt it

567

00:32:42,770 --> 00:32:36,270

Andreea round over and I could I'm

568

00:32:47,300 --> 00:32:42,780

seeing is then I can see all the way

569

00:32:50,540 --> 00:32:47,310

around there 360 all the way around me

570

00:32:54,470 --> 00:32:50,550

without up in a turn me out so I'm still

571

00:32:57,380 --> 00:32:54,480

amazed at the same time as I'm looking

572

00:33:00,380 --> 00:32:57,390

at this skyscraper with this giant cat

573

00:33:03,800 --> 00:33:00,390

going round there and I'm seeing like

574

00:33:07,250 --> 00:33:03,810

craft in the sky and I'm seeing you know

575

00:33:09,440 --> 00:33:07,260

you triangles you discs and and they're

576

00:33:13,760 --> 00:33:09,450

all like moving about within each other

577

00:33:15,800 --> 00:33:13,770

and and let them I don't ask me what

578

00:33:19,270 --> 00:33:15,810

description the abacus to me they all

579

00:33:21,250 --> 00:33:19,280

look black you know and

580

00:33:23,770 --> 00:33:21,260

then I'm seeing even though I'm looking

581

00:33:25,810 --> 00:33:23,780

straight forward I can see all the way

582

00:33:27,960 --> 00:33:25,820

around me I can see this guy I can see

583

00:33:32,440 --> 00:33:27,970

him if they I don't have to move an inch

584

00:33:36,340 --> 00:33:32,450

these groups are people and to talking

585

00:33:38,590 --> 00:33:36,350

in on street corners oh no next to us or

586

00:33:41,320 --> 00:33:38,600

whatever so they said these seven groups

587

00:33:42,580 --> 00:33:41,330

of people these seven conversations

588

00:33:45,670 --> 00:33:42,590

going on at once

589

00:33:49,330 --> 00:33:45,680

every one of these conversations I can

590

00:33:53,340 --> 00:33:49,340

decipher without having a block six out

591

00:33:55,660 --> 00:33:53,350

and listen alone I can decipher each

592

00:34:01,660 --> 00:33:55,670

conversation that they are talking about

593

00:34:04,300 --> 00:34:01,670

at once and I said but basically I said

594

00:34:07,720 --> 00:34:04,310

well how does it how does it work you

595

00:34:13,690 --> 00:34:07,730

know what I mean in it they said it it

596

00:34:17,010 --> 00:34:13,700

blocks black light and something I can't

597

00:34:21,669 --> 00:34:17,020

remember what I said Eva brings

598

00:34:26,110 --> 00:34:21,679

ultraviolet in and in or out but he said

599

00:34:27,669 --> 00:34:26,120

it definitely blocks black light we live

600

00:34:31,409 --> 00:34:27,679

in a black light don't we because you

601
00:34:35,320 --> 00:34:31,419
got your line is black light yeah and

602
00:34:38,970 --> 00:34:35,330
what the way they were saying that what

603
00:34:44,440 --> 00:34:38,980
it's like we're not actually living in

604
00:34:52,060 --> 00:34:44,450
lie we live in black and it's smoked it

605
00:34:54,159 --> 00:34:52,070
and changed in lie and so the only way

606
00:34:56,200 --> 00:34:54,169
that I can describe this like a word and

607
00:34:59,980 --> 00:34:56,210
I've never worn a big allied set until

608
00:35:02,020 --> 00:34:59,990
this year now with even with a VR set

609
00:35:05,050 --> 00:35:02,030
you've got a turn and to see what sit

610
00:35:07,090 --> 00:35:05,060
back here yet you know what I mean you

611
00:35:08,920 --> 00:35:07,100
you've got to think that right okay I'm

612
00:35:10,540 --> 00:35:08,930
looking straight forward back and see

613
00:35:15,340 --> 00:35:10,550

all the way around

614

00:35:19,210 --> 00:35:15,350

damn this is why it says to me this is

615

00:35:21,250 --> 00:35:19,220

why we'll never get caught and basically

616

00:35:25,510 --> 00:35:21,260

because I can see here yet everything

617

00:35:27,400 --> 00:35:25,520

what's going on around him so one says

618

00:35:30,160 --> 00:35:27,410

you know some days coming at Worlds and

619

00:35:32,400 --> 00:35:30,170

boom they're gone they're gone you know

620

00:35:34,500 --> 00:35:32,410

and now whether that

621

00:35:37,559 --> 00:35:34,510

[h__\h] or whether that's something

622

00:35:40,470 --> 00:35:37,569

they've basically [h__\h] me about I

623

00:35:43,380 --> 00:35:40,480

don't know I really don't know I at want

624

00:35:46,200 --> 00:35:43,390

to say is fact but what session is gonna

625

00:35:49,529 --> 00:35:46,210

tell ya will coincide with what I've

626

00:35:51,900 --> 00:35:49,539

said so a make of it as you will so I

627

00:35:53,240 --> 00:35:51,910

heard Sasha well this happened in

628

00:35:55,890 --> 00:35:53,250

January

629

00:35:57,299 --> 00:35:55,900

well actually before I start I want to

630

00:35:59,579 --> 00:35:57,309

say something because when you were

631

00:36:01,950 --> 00:35:59,589

saying that it made me think about when

632

00:36:03,920 --> 00:36:01,960

I was just a Netaji about when I was

633

00:36:07,109 --> 00:36:03,930

flying and everything had its own light

634

00:36:09,150 --> 00:36:07,119

yeah life has its own light so when

635

00:36:11,220 --> 00:36:09,160

people say well Light Beings I think

636

00:36:14,220 --> 00:36:11,230

that's actually true but it's not in

637

00:36:18,240 --> 00:36:14,230

there like who really can not in that

638

00:36:22,680 --> 00:36:18,250

way it's just fact by biological things

639

00:36:24,390 --> 00:36:22,690

give off some kind of phosphorescence so

640

00:36:27,569 --> 00:36:24,400

I think with the visor

641

00:36:28,920 --> 00:36:27,579

it's an organisation other thing so it

642

00:36:31,410 --> 00:36:28,930

makes sense of everything

643

00:36:34,819 --> 00:36:31,420

it makes your mind make sense of

644

00:36:42,750 --> 00:36:34,829

everything that's going on around you so

645

00:36:44,940 --> 00:36:42,760

so and this was January 2012 I don't

646

00:36:48,569 --> 00:36:44,950

know it was because actually sent Joe my

647

00:36:50,670 --> 00:36:48,579

mom told her and an email because I used

648

00:36:53,039 --> 00:36:50,680

to tell him about anything that happened

649

00:36:54,930 --> 00:36:53,049

to me know the guy who completely [h__h]

650

00:36:57,480 --> 00:36:54,940

on me a few years a couple years ago

651
00:37:05,279 --> 00:36:57,490
he's Mary Warren don't wait for my upper

652
00:37:13,200 --> 00:37:05,289
back well anyway I told him when I can

653
00:37:15,569 --> 00:37:13,210
well it's not a lie so I'm in bed and I

654
00:37:20,630 --> 00:37:15,579
wake up because my head is buzzing it's

655
00:37:24,839 --> 00:37:20,640
like really buzzing not like a vibration

656
00:37:29,430 --> 00:37:24,849
like this inside my head and it's like

657
00:37:32,579 --> 00:37:29,440
surely like a dentist drill on your

658
00:37:33,870 --> 00:37:32,589
teeth if it was just bouncing through it

659
00:37:35,910 --> 00:37:33,880
that's what it felt like baby was in the

660
00:37:36,510 --> 00:37:35,920
center of my head and that's what woke

661
00:37:41,940 --> 00:37:36,520
me up

662
00:37:44,220 --> 00:37:41,950
so I woke up and um I remember bad and

663
00:37:46,020 --> 00:37:44,230

at the bottom of my bed is my bedroom to

664

00:37:48,870 --> 00:37:46,030

go away I always have the line

665

00:37:51,330 --> 00:37:48,880

in the hallway the kids are downstairs I

666

00:37:53,460 --> 00:37:51,340

lived in the FASTA a huge Victorian

667

00:37:57,530 --> 00:37:53,470

house at the whole top floor to myself

668

00:37:59,670 --> 00:37:57,540

but the house was haunted and I think

669

00:38:03,480 --> 00:37:59,680

well whatever was in the bedroom

670

00:38:04,859 --> 00:38:03,490

opposite me I didn't want my kids in

671

00:38:05,550 --> 00:38:04,869

that room and I didn't want to be in

672

00:38:09,839 --> 00:38:05,560

that room

673

00:38:11,010 --> 00:38:09,849

whole time that we lived there and I

674

00:38:14,040 --> 00:38:11,020

didn't want them in there cuz I didn't

675

00:38:16,320 --> 00:38:14,050

want to fall out at the top because it's

676

00:38:20,370 --> 00:38:16,330

like three stories down and it's just

677

00:38:22,200 --> 00:38:20,380

concrete so I was upstairs and my kids

678

00:38:27,570 --> 00:38:22,210

are on the middle level then there's

679

00:38:29,940 --> 00:38:27,580

downstairs front door so I woke up with

680

00:38:31,640 --> 00:38:29,950

this buzzing and I'm looking at the

681

00:38:33,839 --> 00:38:31,650

doorway and as a silhouette of a person

682

00:38:35,190 --> 00:38:33,849

somebody stood in the doorway and I can

683

00:38:41,849 --> 00:38:35,200

see it it's just very black-and-white

684

00:38:43,910 --> 00:38:41,859

Lee very striking and my brain thought

685

00:38:47,250 --> 00:38:43,920

actor Power Ranger

686

00:38:48,150 --> 00:38:47,260

it's just like a power engines in the

687

00:38:52,380 --> 00:38:48,160

silhouette

688

00:38:57,300 --> 00:38:52,390

then I thought actually it can't be a

689

00:38:59,430 --> 00:38:57,310

Power Ranger it's a biker and then as it

690

00:39:02,130 --> 00:38:59,440

can I came out of the shadow a little

691

00:39:05,220 --> 00:39:02,140

bit so it wasn't so black and just

692

00:39:10,730 --> 00:39:05,230

bright white light I just literally

693

00:39:16,050 --> 00:39:10,740

thought oh and then I was looking this

694

00:39:21,240 --> 00:39:16,060

tall gray wearing silver suits on the

695

00:39:24,359 --> 00:39:21,250

helmet and my brains go in no way no way

696

00:39:27,200 --> 00:39:24,369

silver suit and helmet get out of her

697

00:39:30,990 --> 00:39:27,210

head you know that he is ridiculous

698

00:39:32,910 --> 00:39:31,000

seeing seeing an alien in this all the

699

00:39:36,329 --> 00:39:32,920

soot in the helmet this is stuff that

700

00:39:37,950 --> 00:39:36,339

crazy people talk about you know not

701
00:39:39,150 --> 00:39:37,960
really thinking that everything else

702
00:39:41,849 --> 00:39:39,160
that I've ever said in my life has been

703
00:39:44,370 --> 00:39:41,859
crazy but you see an alien in the silver

704
00:39:47,940 --> 00:39:44,380
suit with a helmet he's just too 1950s

705
00:39:50,790 --> 00:39:47,950
sci-fi you know the brains

706
00:39:53,310 --> 00:39:50,800
arguing with you with what you see him

707
00:39:56,310 --> 00:39:53,320
because determined I rationalize it but

708
00:39:58,800 --> 00:39:56,320
all of the [h__\h] that's in your head just

709
00:40:00,060 --> 00:39:58,810
comes up like it does this is how

710
00:40:02,610 --> 00:40:00,070
thoughts come up

711
00:40:04,440 --> 00:40:02,620
so I'm thinking how ridiculous this

712
00:40:07,770 --> 00:40:04,450
situation is already I'm straight away

713
00:40:10,350 --> 00:40:07,780

but I'm obviously scared and I'm saying

714

00:40:13,590 --> 00:40:10,360

like no go away you know leave me alone

715

00:40:16,620 --> 00:40:13,600

go away and I'm trying to sit up I can

716

00:40:18,930 --> 00:40:16,630

move a little bit and I'm like you know

717

00:40:22,950 --> 00:40:18,940

trying to grab the quilt cover so if I

718

00:40:24,780 --> 00:40:22,960

can grab it upon myself or I do

719

00:40:27,150 --> 00:40:24,790

something about this situation I don't

720

00:40:30,930 --> 00:40:27,160

even know what my mission was to get out

721

00:40:34,260 --> 00:40:30,940

get up and so I'm saying

722

00:40:38,070 --> 00:40:34,270

leave me alone go away you know and then

723

00:40:39,750 --> 00:40:38,080

the thought [h__h] kids I better shut up

724

00:40:41,880 --> 00:40:39,760

because if I worked there more it's

725

00:40:44,550 --> 00:40:41,890

between me and them and I can't move

726

00:40:47,490 --> 00:40:44,560

so I went quiet but we're still trying

727

00:40:49,650 --> 00:40:47,500

to get over and then while I'm laying

728

00:40:52,230 --> 00:40:49,660

there and I've got a handful of quilt

729

00:40:53,940 --> 00:40:52,240

cover and nod not to do very all I've

730

00:40:55,680 --> 00:40:53,950

done he's bunched up the quilt cover and

731

00:40:59,550 --> 00:40:55,690

just got through handfults and nothing

732

00:41:04,830 --> 00:40:59,560

basically every my walls changing

733

00:41:07,770 --> 00:41:04,840

patterns stripes flowers you know like

734

00:41:09,600 --> 00:41:07,780

all these different things

735

00:41:11,520 --> 00:41:09,610

basically it's changing is that

736

00:41:14,100 --> 00:41:11,530

everything that you've had to be far or

737

00:41:15,840 --> 00:41:14,110

is a state you know the one thing that

738

00:41:21,150 --> 00:41:15,850

makes me think that that might be the

739

00:41:23,910 --> 00:41:21,160

case is the one time in one house

740

00:41:28,260 --> 00:41:23,920

I had a chimney breast and I paint I

741

00:41:31,290 --> 00:41:28,270

think you know like a zebra yeah yeah so

742

00:41:36,450 --> 00:41:31,300

it was black of my like his Empress skin

743

00:41:39,930 --> 00:41:36,460

fireplace and the wall the walls it was

744

00:41:41,550 --> 00:41:39,940

it was wet coverings as well that were

745

00:41:44,730 --> 00:41:41,560

changing the walls and the bed cover

746

00:41:46,080 --> 00:41:44,740

just like rippling through rippling

747

00:41:46,590 --> 00:41:46,090

through at least and every time it was

748

00:41:50,220 --> 00:41:46,600

different

749

00:41:53,040 --> 00:41:50,230

why all time it was Emperor stripes so

750

00:41:57,510 --> 00:41:53,050

that made me think that maybe it was I

751
00:41:58,050 --> 00:41:57,520
mean it changed a lot just yeah yeah all

752
00:42:03,450 --> 00:41:58,060
the time

753
00:42:06,660 --> 00:42:03,460
so then it's gone from facing on to

754
00:42:09,420 --> 00:42:06,670
being sight sideways on to it and it's

755
00:42:11,400 --> 00:42:09,430
looking down the stairs so I'm wanting

756
00:42:14,050 --> 00:42:11,410
to get up because I can outside I can

757
00:42:17,650 --> 00:42:14,060
air all these people talking I can they

758
00:42:19,990 --> 00:42:17,660
a party and I can hear music and I know

759
00:42:22,570 --> 00:42:20,000
it's out in the street so I think in

760
00:42:26,410 --> 00:42:22,580
fact if I can get to the window I can

761
00:42:29,590 --> 00:42:26,420
get some help you know you just turn

762
00:42:33,400 --> 00:42:29,600
rush I saw I'm literally crawling across

763
00:42:35,770 --> 00:42:33,410

the bedroom floor and I got my hands on

764

00:42:40,120 --> 00:42:35,780

the radiators in the staggering and I

765

00:42:41,220 --> 00:42:40,130

can't even tell you that it's going on

766

00:42:44,320 --> 00:42:41,230

in your head

767

00:42:46,570 --> 00:42:44,330

so look out the window finally pull

768

00:42:50,940 --> 00:42:46,580

myself up when there's all these men and

769

00:42:53,650 --> 00:42:50,950

this I don't know maybe 10 or 12 and

770

00:42:56,320 --> 00:42:53,660

they're all exactly the same they're all

771

00:42:59,170 --> 00:42:56,330

wearing a black t-shirt black jeans have

772

00:43:01,380 --> 00:42:59,180

all got sharp black hair and they've all

773

00:43:05,650 --> 00:43:01,390

got a drink and they all stood like this

774

00:43:08,800 --> 00:43:05,660

yeah apart from one opposite he was sat

775

00:43:09,600 --> 00:43:08,810

right on the on the on the floor like he

776

00:43:12,280 --> 00:43:09,610

sat on the gutter

777

00:43:15,550 --> 00:43:12,290

you know these feet on the road and he's

778

00:43:19,030 --> 00:43:15,560

backside on the pavement so I lived on a

779

00:43:24,040 --> 00:43:19,040

bike a t-junction and on did you say one

780

00:43:28,300 --> 00:43:24,050

of them before add egg phones on no no

781

00:43:30,640 --> 00:43:28,310

no all right okay yeah so I'm looking

782

00:43:33,400 --> 00:43:30,650

out the window and I seen all these man

783

00:43:35,850 --> 00:43:33,410

and then there's a black Lincoln car

784

00:43:37,990 --> 00:43:35,860

parked

785

00:43:39,820 --> 00:43:38,000

opposite my house oh this is the road

786

00:43:40,360 --> 00:43:39,830

that comes up and then you go right it's

787

00:43:43,840 --> 00:43:40,370

there

788

00:43:46,060 --> 00:43:43,850

oh yeah house opposite me the windows

789

00:43:48,040 --> 00:43:46,070

and and the music's coming out of it and

790

00:43:50,260 --> 00:43:48,050

it's some sort of popular tune it's done

791

00:43:52,270 --> 00:43:50,270

Sheeran I'm thinking I don't know why I

792

00:43:54,550 --> 00:43:52,280

was thinking this but I was thinking I

793

00:43:55,780 --> 00:43:54,560

know this tune I know these two we've

794

00:43:57,750 --> 00:43:55,790

got to remember what it is I've must

795

00:44:00,820 --> 00:43:57,760

remember this I've got to remember this

796

00:44:07,690 --> 00:44:00,830

and then the next thing on our back in

797

00:44:10,000 --> 00:44:07,700

bed and then I wake up and I think the

798

00:44:12,400 --> 00:44:10,010

light in the bedroom was on I don't

799

00:44:13,660 --> 00:44:12,410

remember a fine ain't no I didn't I

800

00:44:16,840 --> 00:44:13,670

didn't put the light on because I walk

801
00:44:19,870 --> 00:44:16,850
up because I couldn't actually move at

802
00:44:23,800 --> 00:44:19,880
first i sat on the side of my bed and I

803
00:44:26,900 --> 00:44:23,810
know the light was on and I was this was

804
00:44:30,950 --> 00:44:26,910
in things I know forgotten about well I

805
00:44:32,630 --> 00:44:30,960
I was in bed and then I woke up and I

806
00:44:36,140 --> 00:44:32,640
could still hear this music in this tiny

807
00:44:37,520 --> 00:44:36,150
nineties I had somebody saying oh you

808
00:44:39,760 --> 00:44:37,530
have just found out we're having a baby

809
00:44:43,190 --> 00:44:39,770
and this other bloke goes all

810
00:44:44,900 --> 00:44:43,200
congratulations mate and I say oh and it

811
00:44:51,079 --> 00:44:44,910
goes like that

812
00:44:55,789 --> 00:44:51,089
like a doctor said ways that happened

813
00:44:57,620 --> 00:44:55,799

so it was silence so like 10 and I

814

00:45:00,980 --> 00:44:57,630

suppose it's still going to mad and I

815

00:45:03,289 --> 00:45:00,990

feel so sick and I feel like I feel like

816

00:45:07,069 --> 00:45:03,299

I'm full of some weird drugs or

817

00:45:09,529 --> 00:45:07,079

something and I really disorientated

818

00:45:12,559 --> 00:45:09,539

motor skills are all over the place

819

00:45:14,390 --> 00:45:12,569

and I'm literally still got this was in

820

00:45:16,609 --> 00:45:14,400

and I'm sat on the side of the bed and

821

00:45:20,720 --> 00:45:16,619

they have slapping myself hard in the

822

00:45:22,730 --> 00:45:20,730

face I mean really hard because I know

823

00:45:24,140 --> 00:45:22,740

this has happened and I I don't know

824

00:45:28,370 --> 00:45:24,150

where my kids are and I don't know

825

00:45:31,069 --> 00:45:28,380

what's going on so I staggered to the

826

00:45:33,829 --> 00:45:31,079

window and I'm thinking do not open that

827

00:45:35,329 --> 00:45:33,839

window remember I hope I am you do not

828

00:45:36,680 --> 00:45:35,339

want if you want that window you're

829

00:45:39,920 --> 00:45:36,690

going out of it you're dead

830

00:45:42,049 --> 00:45:39,930

yeah so like all over the place

831

00:45:47,720 --> 00:45:42,059

literally staggering around that's the

832

00:45:51,380 --> 00:45:47,730

weird and or nothing so I go downstairs

833

00:45:53,359 --> 00:45:51,390

and the kids are fine I got back up I

834

00:45:54,950 --> 00:45:53,369

get back into bed they go back to sleep

835

00:45:59,200 --> 00:45:54,960

get up in the morning I've forgotten

836

00:46:02,660 --> 00:45:59,210

about it boom took the kids to school

837

00:46:05,029 --> 00:46:02,670

and like that day when I go pick him up

838

00:46:11,140 --> 00:46:05,039

I'm still at the gate and I'm waiting

839

00:46:20,299 --> 00:46:15,380

the alien when I'd looked at it and I

840

00:46:21,880 --> 00:46:20,309

was thinking how ridiculous it was that

841

00:46:27,410 --> 00:46:21,890

it was wearing a silver silver helmet

842

00:46:31,609 --> 00:46:27,420

I've got this fear like I could bump it

843

00:46:34,430 --> 00:46:31,619

was like Walmart er she leans up in my

844

00:46:37,400 --> 00:46:34,440

hand and then I was sort of a new white

845

00:46:40,640 --> 00:46:37,410

was wearing the same it was dark

846

00:46:43,789 --> 00:46:40,650

gunmetal grey and I'm very very sorry

847

00:46:45,230 --> 00:46:43,799

silver how hell I could see this detail

848

00:46:48,710 --> 00:46:45,240

you dodo

849

00:46:52,519 --> 00:46:48,720

yeah you don't like close-ups of the

850

00:46:55,760 --> 00:46:52,529

material I've gone metal gray with a

851
00:46:59,750 --> 00:46:55,770
very very fine silver face going through

852
00:47:01,579 --> 00:46:59,760
it it actually held on as well yeah it

853
00:47:04,130 --> 00:47:01,589
was like it was sewn into the material

854
00:47:07,510 --> 00:47:04,140
it wasn't a deed arm it wasn't an extra

855
00:47:12,099 --> 00:47:07,520
it was part of what was throwing up and

856
00:47:14,210 --> 00:47:12,109
the helmet was so long it was so high it

857
00:47:16,640 --> 00:47:14,220
ridiculous it was like you know like

858
00:47:20,660 --> 00:47:16,650
this long from the top to the bottom and

859
00:47:23,029 --> 00:47:20,670
the visor was absolutely massive so I'm

860
00:47:25,760 --> 00:47:23,039
I'm in bed and I'm saying no go away

861
00:47:27,410 --> 00:47:25,770
blah blah you know leave me alone he

862
00:47:29,839 --> 00:47:27,420
turned and it looked at me and that's

863
00:47:32,269 --> 00:47:29,849

when I saw its massive black eyes and

864

00:47:35,029 --> 00:47:32,279

the dirt go up like that coming out like

865

00:47:40,819 --> 00:47:35,039

that the Bulge that's why it looks like

866

00:47:43,279 --> 00:47:40,829

going up and it looked at me and looked

867

00:47:48,700 --> 00:47:43,289

at me in the eye and I what's it now it

868

00:47:52,210 --> 00:47:48,710

was they material it hides them from

869

00:47:56,599 --> 00:47:52,220

every knee and every type of camera or

870

00:47:58,579 --> 00:47:56,609

radar or anything it can scatter like on

871

00:48:02,000 --> 00:47:58,589

a photon level it can make themselves

872

00:48:04,460 --> 00:48:02,010

invisible hide heat signatures you

873

00:48:08,440 --> 00:48:04,470

cannot see them you do not know they're

874

00:48:12,260 --> 00:48:08,450

there and it's not like a pixelated

875

00:48:14,089 --> 00:48:12,270

predator thing is you would not see them

876

00:48:18,049 --> 00:48:14,099

because they can manipulate light a

877

00:48:21,289 --> 00:48:18,059

photon well known it was wearing it they

878

00:48:23,510 --> 00:48:21,299

said it was wearing it because it's

879

00:48:25,460 --> 00:48:23,520

harmed by a light it can be damaged by

880

00:48:28,160 --> 00:48:25,470

like this internal are Cobbins

881

00:48:30,410 --> 00:48:28,170

absorb light they're getting that energy

882

00:48:32,569 --> 00:48:30,420

it didn't say it was it didn't say

883

00:48:36,289 --> 00:48:32,579

anything at all but the information is

884

00:48:40,460 --> 00:48:36,299

that it's not chlorophyll it acts like

885

00:48:44,240 --> 00:48:40,470

class light absorbs tens into energy

886

00:48:47,059 --> 00:48:44,250

right so the certain types of light that

887

00:48:49,279 --> 00:48:47,069

we use that damage them and one of them

888

00:48:52,609 --> 00:48:49,289

and people keep saying to me you mean

889

00:48:53,109 --> 00:48:52,619

blue ray no blue blue tooth and it's

890

00:48:59,049 --> 00:48:53,119

like no

891

00:49:01,839 --> 00:48:59,059

to blu-ray light it said blue light it

892

00:49:04,180 --> 00:49:01,849

hams them they have to protect

893

00:49:06,970 --> 00:49:04,190

themselves from this blue light and I

894

00:49:09,339 --> 00:49:06,980

don't think it's as we are intentionally

895

00:49:15,910 --> 00:49:09,349

using this blue light because we know it

896

00:49:20,349 --> 00:49:15,920

is a disruptor the helmet is because it

897

00:49:21,940 --> 00:49:20,359

protects them from an a signal yeah we

898

00:49:23,140 --> 00:49:21,950

made it in the air districts their

899

00:49:25,420 --> 00:49:23,150

mental patterns and they've become

900

00:49:27,640 --> 00:49:25,430

detached from each other because they do

901
00:49:29,829 --> 00:49:27,650
have a hive mind I think that's because

902
00:49:32,710 --> 00:49:29,839
the clothes when they say we are woman

903
00:49:34,359 --> 00:49:32,720
with one who is all yeah I'm not sure as

904
00:49:38,410 --> 00:49:34,369
I thought I just try to say of God our

905
00:49:39,759 --> 00:49:38,420
if the Creator who made them using you

906
00:49:46,120 --> 00:49:39,769
know that the first one of its kind

907
00:49:53,170 --> 00:49:46,130
whatever happened yeah so so their

908
00:50:00,009 --> 00:49:53,180
insides are almost like pump like to me

909
00:50:01,420 --> 00:50:00,019
like insects and plants mmm yeah they

910
00:50:04,059 --> 00:50:01,430
remind me I don't know why I keep

911
00:50:08,079 --> 00:50:04,069
getting a gecko lizard in my head gecko

912
00:50:10,329 --> 00:50:08,089
keeps coming into it just on the ad but

913
00:50:13,720 --> 00:50:10,339

I don't know why I did dumb when I was

914

00:50:16,720 --> 00:50:13,730

in Thailand I've seen them all over and

915

00:50:20,319 --> 00:50:16,730

alone just kind of gray with these big

916

00:50:24,430 --> 00:50:20,329

black eyes pointy faces and they look

917

00:50:27,400 --> 00:50:24,440

like the greys a bit to me but anyway so

918

00:50:29,559 --> 00:50:27,410

and also what I saw was like a Nike

919

00:50:33,729 --> 00:50:29,569

swoosh but in the swoosh was a little

920

00:50:36,069 --> 00:50:33,739

tiny circle as a filter yeah that must

921

00:50:39,220 --> 00:50:36,079

mean that they do breathe in some level

922

00:50:42,220 --> 00:50:39,230

because it was because the air is toxic

923

00:50:45,249 --> 00:50:42,230

so the air is toxic there's a signal

924

00:50:47,140 --> 00:50:45,259

that is being emitted it disrupts their

925

00:50:52,900 --> 00:50:47,150

mental patterns at the tap and they can

926
00:50:55,089 --> 00:50:52,910
become not behave and they wear these

927
00:51:01,900 --> 00:50:55,099
clothes even your clothes when you seen

928
00:51:06,520 --> 00:51:01,910
them they come here to here or go

929
00:51:10,570 --> 00:51:06,530
throwing up to the throat is

930
00:51:13,750 --> 00:51:10,580
Oh up to at least here yeah Oh protected

931
00:51:17,140 --> 00:51:13,760
either by black leotards or blue leotard

932
00:51:20,140 --> 00:51:17,150
type things silver suits its whatever

933
00:51:21,850 --> 00:51:20,150
other like things that probably are

934
00:51:25,630 --> 00:51:21,860
going on stuff that you've been talking

935
00:51:28,230 --> 00:51:25,640
about which based on what you said I'm

936
00:51:31,540 --> 00:51:28,240
quite sure somebody was a scientist

937
00:51:34,660 --> 00:51:31,550
could figure a little bit more out about

938
00:51:37,360 --> 00:51:34,670

why it's we we live in black light we

939

00:51:40,930 --> 00:51:37,370

live in UV no UV light is black light

940

00:51:43,720 --> 00:51:40,940

we live in the dark is when the sun is

941

00:51:45,670 --> 00:51:43,730

shining on us this is at that plummet we

942

00:51:47,320 --> 00:51:45,680

don't think it like think of it like

943

00:51:49,120 --> 00:51:47,330

that when you were telling me it I was

944

00:51:49,930 --> 00:51:49,130

like that makes perfect sense it makes

945

00:51:52,720 --> 00:51:49,940

perfect sense

946

00:51:55,300 --> 00:51:52,730

we live in the dark but we are eyes and

947

00:51:59,920 --> 00:51:55,310

our biology doesn't see it like that

948

00:52:02,470 --> 00:51:59,930

oh my experience have been in a and when

949

00:52:06,040 --> 00:52:02,480

everything is black well all of life has

950

00:52:10,720 --> 00:52:06,050

its own light yeah I think that's

951
00:52:13,930 --> 00:52:10,730
another the clue of the visors by the

952
00:52:18,580 --> 00:52:13,940
way and that also makes me think it's it

953
00:52:21,070 --> 00:52:18,590
was a living thing it was a well you

954
00:52:23,080 --> 00:52:21,080
know it gets it gets an inch away from

955
00:52:28,570 --> 00:52:23,090
affairs and all of a sudden eat socks

956
00:52:31,930 --> 00:52:28,580
itself on a mess the thing is I was old

957
00:52:33,760 --> 00:52:31,940
in it and it went and I obviously I had

958
00:52:37,630 --> 00:52:33,770
to let go because it was that powerful

959
00:52:40,570 --> 00:52:37,640
it's just gone on am affairs a molded

960
00:52:44,530 --> 00:52:40,580
itself to fill my face

961
00:52:47,740 --> 00:52:44,540
now everybody as we've all got different

962
00:52:49,570 --> 00:52:47,750
you know as cheekbones are some of more

963
00:52:52,090 --> 00:52:49,580

prominent than others are saying with

964

00:53:00,640 --> 00:52:52,100

the brow some of my prominent that

965

00:53:03,250 --> 00:53:00,650

they're you know it's pretty nose yeah

966

00:53:09,010 --> 00:53:03,260

and you know it's got to fit that way

967

00:53:12,070 --> 00:53:09,020

and so like you say I think it is kind

968

00:53:14,950 --> 00:53:12,080

of a sort of a living thing that can do

969

00:53:16,859 --> 00:53:14,960

that and shape itself to that you know

970

00:53:20,609 --> 00:53:16,869

what

971

00:53:22,680 --> 00:53:20,619

you know no one when I talked about

972

00:53:24,559 --> 00:53:22,690

talks about having money I'm out with

973

00:53:27,599 --> 00:53:24,569

that little black dog biting my fingers

974

00:53:30,150 --> 00:53:27,609

kiss of y'all livin Weiser

975

00:53:32,549 --> 00:53:30,160

I wondered if there's some way that

976
00:53:43,620 --> 00:53:32,559
they're using biological creatures to

977
00:53:46,680 --> 00:53:43,630
use somehow a day a collection but we're

978
00:53:51,299 --> 00:53:46,690
seeing these things we're living things

979
00:53:53,099 --> 00:53:51,309
are playing the park mechanical some

980
00:53:56,930 --> 00:53:53,109
mechanism some process that they're

981
00:53:58,229 --> 00:53:56,940
doing some experiment or you know

982
00:54:01,589 --> 00:53:58,239
whatever

983
00:54:04,499 --> 00:54:01,599
I mean I've even in with the reptilian

984
00:54:06,569 --> 00:54:04,509
they even wondered because I couldn't

985
00:54:09,120 --> 00:54:06,579
see Bram on this side in the ad all the

986
00:54:11,309 --> 00:54:09,130
puncture max did I have something fused

987
00:54:15,719 --> 00:54:11,319
to my central nerve into my nerve

988
00:54:19,650 --> 00:54:15,729

bundles here and was that testing for no

989

00:54:22,170 --> 00:54:19,660

function yeah you know like you bring

990

00:54:23,940 --> 00:54:22,180

goes all kinds of places when when all

991

00:54:24,989 --> 00:54:23,950

you've got is what's in your head and

992

00:54:26,039 --> 00:54:24,999

you're trying to figure out well what

993

00:54:29,819 --> 00:54:26,049

does it mean and what could have been

994

00:54:34,650 --> 00:54:29,829

happening yeah yeah you were stuff of

995

00:54:37,709 --> 00:54:34,660

other people and and you think then I

996

00:54:42,359 --> 00:54:37,719

got okay I can't know that and if I knew

997

00:54:44,640 --> 00:54:42,369

that my hand amputated cuz I'd be so

998

00:54:46,920 --> 00:54:44,650

freaked out by the fact that I you know

999

00:54:57,120 --> 00:54:46,930

some people say have you been tested did

1000

00:54:59,400 --> 00:54:57,130

that so there's and then there's various

1001
00:55:04,489 --> 00:54:59,410
with the green lasers which are calm too

1002
00:55:07,259 --> 00:55:04,499
as well which I know they use like the

1003
00:55:10,259 --> 00:55:07,269
frequency and light but nearly

1004
00:55:14,339 --> 00:55:10,269
everything and we are talking quantum

1005
00:55:19,109 --> 00:55:14,349
manipulation of our environment yes wait

1006
00:55:22,469 --> 00:55:19,119
wait like clubbing literally like Eggman

1007
00:55:24,779 --> 00:55:22,479
with the quantum sciences that we're

1008
00:55:29,070 --> 00:55:24,789
going in the right direction but they

1009
00:55:30,870 --> 00:55:29,080
have got it sussed they've got it sussed

1010
00:55:32,760 --> 00:55:30,880
I don't know how to do it with

1011
00:55:36,780 --> 00:55:32,770
everything but this song definitely they

1012
00:55:39,540 --> 00:55:36,790
can modulate frequency whatever use

1013
00:55:42,420 --> 00:55:39,550

light in any way that they want

1014

00:55:45,000 --> 00:55:42,430

there can be manipulate their

1015

00:55:48,750 --> 00:55:45,010

surroundings our surroundings and

1016

00:55:58,590 --> 00:55:48,760

colorful disguise themselves bit like

1017

00:56:04,800 --> 00:55:58,600

Bigfoot I'll be like yeah we have a

1018

00:56:09,000 --> 00:56:04,810

break but I think that's really

1019

00:56:12,060 --> 00:56:09,010

important information yeah the elves

1020

00:56:14,640 --> 00:56:12,070

could make more of it than we can and

1021

00:56:17,340 --> 00:56:14,650

maybe somebody else could say maybe even

1022

00:56:19,440 --> 00:56:17,350

have a question you could ask is that we

1023

00:56:24,210 --> 00:56:19,450

once it said but we're not even thinking

1024

00:56:28,800 --> 00:56:24,220

to say it you know cause often people

1025

00:56:31,080 --> 00:56:28,810

ask a question and I'll go oh where did

1026
00:56:43,710 --> 00:56:31,090
that come from

1027
00:56:45,330 --> 00:56:43,720
I want to break and a yeah crack on with

1028
00:56:49,530 --> 00:56:45,340
whatever we're cooking on live after

1029
00:56:52,680 --> 00:56:49,540
that Lane yeah well people want to know

1030
00:56:59,610 --> 00:56:52,690
stuff gently they want to know how it

1031
00:57:02,040 --> 00:56:59,620
always uh yeah well I am some people

1032
00:57:05,220 --> 00:57:02,050
think that you know it's hard to believe

1033
00:57:07,610 --> 00:57:05,230
it's at for us to even believe but

1034
00:57:10,500 --> 00:57:07,620
playing I couldn't understand why these

1035
00:57:14,880 --> 00:57:10,510
they said you know people are put comes

1036
00:57:23,630 --> 00:57:14,890
down yeah ac for vendetta's I don't
