

1
00:00:08,810 --> 00:00:08,120
okay so 900 million billion nine anyway

2
00:00:13,730 --> 00:00:08,820
right

3
00:00:15,770 --> 00:00:13,740
so we are going to start talking about

4
00:00:17,810 --> 00:00:15,780
my experience - can it man have ended of

5
00:00:23,509 --> 00:00:17,820
disjointed what about to chip in some of

6
00:00:26,060 --> 00:00:23,519
them - because my weights kind of like

7
00:00:29,080 --> 00:00:26,070
wrapped up in it it's almost like we've

8
00:00:32,870 --> 00:00:29,090
been given little snippets yeah and and

9
00:00:38,840 --> 00:00:32,880
like just we're talking to you jump into

10
00:00:41,479 --> 00:00:38,850
another one when I figured stuff out I

11
00:00:45,400 --> 00:00:41,489
think figured just little bits of things

12
00:00:47,720 --> 00:00:45,410
out so that's just three people now

13
00:00:52,750 --> 00:00:47,730

we're doing this we want to check all

14

00:00:55,580 --> 00:00:52,760

this out where to others like us because

15

00:00:57,529 --> 00:00:55,590

it doesn't know like disrespect man but

16

00:00:58,040 --> 00:00:57,539

if you don't believe it doesn't really

17

00:01:00,020 --> 00:00:58,050

matter

18

00:01:15,200 --> 00:01:00,030

we're not published we're not your

19

00:01:18,530 --> 00:01:15,210

prophit we're not we don't know ed okay

20

00:01:21,499 --> 00:01:18,540

yeah but there's people out there like

21

00:01:26,710 --> 00:01:21,509

us who were in states Oh

22

00:01:30,380 --> 00:01:26,720

in a state like we both were yeah oh

23

00:01:32,660 --> 00:01:30,390

yeah but people attack my mental health

24

00:01:33,440 --> 00:01:32,670

oh she's crazy don't listen to her I've

25

00:01:35,030 --> 00:01:33,450

been crazy

26

00:01:36,980 --> 00:01:35,040

I've been to the edge of madness and

27

00:01:41,450 --> 00:01:36,990

I've come back and gone back and come

28

00:01:43,340 --> 00:01:41,460

back you know an entirety of what has

29

00:01:46,819 --> 00:01:43,350

happened or worse it's entirely

30

00:01:49,490 --> 00:01:46,829

authentic isn't it yeah girl when you're

31

00:01:51,050 --> 00:01:49,500

trapped and you've got honest men into

32

00:01:53,420 --> 00:01:51,060

your house and they're interfering with

33

00:01:55,639 --> 00:01:53,430

you and your children and you can't do a

34

00:01:59,270 --> 00:01:55,649

damn thing to stop it and none of your

35

00:02:03,080 --> 00:01:59,280

relationships ever survive the trauma of

36

00:02:05,480 --> 00:02:03,090

what happens but people of like thought

37

00:02:07,340 --> 00:02:05,490

oh we can you know deal with it look

38

00:02:09,559 --> 00:02:07,350

after it believe me look after me blah

39

00:02:14,600 --> 00:02:09,569

blah when it happens to him it's a

40

00:02:16,890 --> 00:02:14,610

Chriskukkah cacophony ma I yep

41

00:02:18,570 --> 00:02:16,900

yeah and they have the script written

42

00:02:26,970 --> 00:02:18,580

farmed out there anyway because you just

43

00:02:29,790 --> 00:02:26,980

go anyway yeah well people we don't care

44

00:02:32,370 --> 00:02:29,800

we've heard it all before over 30 years

45

00:02:39,690 --> 00:02:32,380

so do you know it just got straight

46

00:02:42,440 --> 00:02:39,700

offices age Oh thing they even if you're

47

00:02:46,260 --> 00:02:42,450

not like us even if you've not been

48

00:02:50,160 --> 00:02:46,270

abducted if you're interested this is

49

00:02:54,420 --> 00:02:50,170

this is our ways you know yeah and and

50

00:02:56,910 --> 00:02:54,430

so you know obviously I've got my trials

51
00:03:03,060 --> 00:02:56,920
their goodness a whatever that's a block

52
00:03:06,540 --> 00:03:03,070
one off yeah you are yeah it's not far

53
00:03:08,130 --> 00:03:06,550
it's not far then I don't people out

54
00:03:09,660 --> 00:03:08,140
there that are like us it's for the

55
00:03:13,640 --> 00:03:09,670
people who want to know further people

56
00:03:17,550 --> 00:03:13,650
who should know because it's Oded and

57
00:03:20,759 --> 00:03:17,560
speak all I asked how the great grows

58
00:03:25,590 --> 00:03:20,769
eyes work right I'm somebody connected

59
00:03:29,640 --> 00:03:25,600
to TSA right

60
00:03:32,039 --> 00:03:29,650
Lockheed Martin Scott works CIA right

61
00:03:33,870 --> 00:03:32,049
there are well-connected people if they

62
00:03:36,300 --> 00:03:33,880
don't know how the greys eyes work they

63
00:03:39,630 --> 00:03:36,310

don't know [\h__\h] why does that offer

64

00:03:40,830 --> 00:03:39,640

house why I think little Paul you know I

65

00:03:43,380 --> 00:03:40,840

mean so there's people out there they're

66

00:03:46,050 --> 00:03:43,390

arts and all this stuff that they

67

00:03:47,460 --> 00:03:46,060

obviously don't know this stuff it tells

68

00:03:51,720 --> 00:03:47,470

me that they're saying the greys are

69

00:03:56,610 --> 00:03:51,730

real mmm-hmm yeah they know they're real

70

00:03:59,479 --> 00:03:56,620

and so there's people out there like

71

00:04:03,360 --> 00:03:59,489

that as well they wouldn't ordinarily

72

00:04:07,050 --> 00:04:03,370

listen to people like us because we're

73

00:04:10,770 --> 00:04:07,060

not credible you know the bottom of the

74

00:04:16,969 --> 00:04:10,780

shitty but we're all the glory is and

75

00:04:19,800 --> 00:04:16,979

all the academia and just the plebs so

76

00:04:22,980 --> 00:04:19,810

well it happens to the worst of is done

77

00:04:24,190 --> 00:04:22,990

a lot of people and there's a lot of

78

00:04:27,010 --> 00:04:24,200

people who never Bielsa

79

00:04:29,290 --> 00:04:27,020

I often wonder about well what happened

80

00:04:32,500 --> 00:04:29,300

to Robbie Williams for example because I

81

00:04:34,300 --> 00:04:32,510

wanted to talk on D along it it you know

82

00:04:36,840 --> 00:04:34,310

the radicchio factor is massive just

83

00:04:39,580 --> 00:04:36,850

because the famous already and whatever

84

00:04:40,390 --> 00:04:39,590

yeah when you to contacts with this

85

00:04:41,770 --> 00:04:40,400

phenomena

86

00:04:44,830 --> 00:04:41,780

it changes you in ways that you could

87

00:04:47,220 --> 00:04:44,840

just never even imagined yeah everything

88

00:04:50,830 --> 00:04:47,230

you know like there would be the time if

89

00:04:52,170 --> 00:04:50,840

like you know I was so depressed I would

90

00:04:55,000 --> 00:04:52,180

have had to be a dancer my knees

91

00:04:57,430 --> 00:04:55,010

shuffling around in the same pair of

92

00:05:00,460 --> 00:04:57,440

slippers for the last six years you know

93

00:05:03,910 --> 00:05:00,470

me he sends you cuckoo and you have to

94

00:05:05,410 --> 00:05:03,920

call your sanity back the only way that

95

00:05:07,240 --> 00:05:05,420

I managed to do that is by talking to

96

00:05:08,560 --> 00:05:07,250

other people like me and so it's

97

00:05:11,650 --> 00:05:08,570

important that we do this for the other

98

00:05:14,050 --> 00:05:11,660

people like us and everyone else it's

99

00:05:18,700 --> 00:05:14,060

just entertainment looking for a feeling

100

00:05:20,470 --> 00:05:18,710

like watching a horror film you know for

101
00:05:21,730 --> 00:05:20,480
the adrenaline rush to whatever but

102
00:05:25,650 --> 00:05:21,740
there's people out there we want to know

103
00:05:27,190 --> 00:05:25,660
and and it's about time people like us

104
00:05:30,880 --> 00:05:27,200
were hurt

105
00:05:37,200 --> 00:05:30,890
yeah I'd say this one because you know

106
00:05:40,990 --> 00:05:37,210
this in banyoles and the Roswell come on

107
00:05:43,480 --> 00:05:41,000
he's millions MA to be told and in just

108
00:05:46,720 --> 00:05:43,490
through me and you it through other

109
00:05:48,070 --> 00:05:46,730
people as well and get it across because

110
00:05:50,650 --> 00:05:48,080
otherwise he's still going to be that

111
00:05:53,910 --> 00:05:50,660
one that's in significant to the bigger

112
00:05:59,800 --> 00:05:53,920
people so if you want to get it across

113
00:06:01,800 --> 00:05:59,810

do what don't know are people retelling

114

00:06:05,580 --> 00:06:01,810

that story so don't do it properly

115

00:06:10,630 --> 00:06:05,590

yeah to get paid to retell our stories

116

00:06:13,000 --> 00:06:10,640

does they put it in my books thanks bye

117

00:06:15,220 --> 00:06:13,010

and all right no I don't know really any

118

00:06:18,490 --> 00:06:15,230

people who make money out of writing

119

00:06:20,320 --> 00:06:18,500

books but at the same time they do get

120

00:06:24,070 --> 00:06:20,330

their conference circuits they do get

121

00:06:26,650 --> 00:06:24,080

their attention that you get back moment

122

00:06:33,250 --> 00:06:26,660

of glory and their moment of glory is

123

00:06:39,840 --> 00:06:33,260

all of our misery yeah we don't need

124

00:06:47,580 --> 00:06:43,590

witnesses are doing it for themselves

125

00:06:52,650 --> 00:06:47,590

[Laughter]

126

00:07:03,700 --> 00:06:52,660

yeah just broken some glasses over there

127

00:07:11,860 --> 00:07:03,710

that were - tamed up question that yeah

128

00:07:14,140 --> 00:07:11,870

what your actions no idea all right

129

00:07:18,130 --> 00:07:14,150

is this a question from someone else are

130

00:07:25,300 --> 00:07:18,140

you it's for you paalam idea yeah no but

131

00:07:29,850 --> 00:07:25,310

from me because I City said when I'm

132

00:07:32,260 --> 00:07:29,860

mooching about social media cracy so um

133

00:07:36,700 --> 00:07:32,270

when I say to see you

134

00:07:39,370 --> 00:07:36,710

holla - stop your abductions all you

135

00:07:42,550 --> 00:07:39,380

have to do is raise your vibration to be

136

00:07:52,990 --> 00:07:42,560

that above et technology and they will

137

00:07:56,080 --> 00:07:53,000

stop no it will never stop I can't stop

138

00:08:00,000 --> 00:07:56,090

it if I can't stop it and I'm strong

139

00:08:03,670 --> 00:08:00,010

nobody else is gonna do it from there oh

140

00:08:05,470 --> 00:08:03,680

can we can we raise our vibrations to be

141

00:08:08,050 --> 00:08:05,480

that above our own technology so I can

142

00:08:10,930 --> 00:08:08,060

sit and go and it telly comes online by

143

00:08:14,410 --> 00:08:10,940

itself and I could go and change

144

00:08:17,800 --> 00:08:14,420

channels like hmm no I don't think I can

145

00:08:30,030 --> 00:08:17,810

do that so let's see ET technology which

146

00:08:37,450 --> 00:08:33,250

basic oh we are still playing with VTech

147

00:08:41,010 --> 00:08:37,460

toys be gentle please that's what it is

148

00:08:45,160 --> 00:08:41,020

that's a no compared to those

149

00:08:48,060 --> 00:08:45,170

fisher-price you take fisher-price yeah

150

00:08:55,760 --> 00:08:48,070

that's what we're on

151
00:08:55,770 --> 00:09:03,710

[Laughter]

152
00:09:12,990 --> 00:09:06,840

do you think like you know these things

153
00:09:16,140 --> 00:09:13,000

that can modulate frequencies and and

154
00:09:18,540 --> 00:09:16,150

walk through solid matter all we have to

155
00:09:21,630 --> 00:09:18,550

do is raise our vibration to be that

156
00:09:25,250 --> 00:09:21,640

about bats and then and then everything

157
00:09:28,290 --> 00:09:25,260

will stop the life will be and you'll be

158
00:09:29,490 --> 00:09:28,300

levitating or something where does it

159
00:09:31,500 --> 00:09:29,500

come from this [\h__\h]

160
00:09:40,500 --> 00:09:31,510

look in words of [\h__\h] money if I

161
00:09:43,980 --> 00:09:40,510

could just told no I'm sorry okay okay

162
00:09:45,090 --> 00:09:43,990

I can tell a publicly talk while I'm in

163
00:09:47,640 --> 00:09:45,100

their presence

164

00:09:49,400 --> 00:09:47,650

that's about as technology as it gets

165

00:10:13,160 --> 00:09:49,410

from my department

166

00:10:27,360 --> 00:10:21,540

stroke a big meeting blue light on is to

167

00:10:31,560 --> 00:10:27,370

say some of the light because not with

168

00:10:39,030 --> 00:10:31,570

the way it affects et's unit in ago bins

169

00:10:42,540 --> 00:10:39,040

yes and I woke up right a strange dream

170

00:10:46,860 --> 00:10:42,550

in my head of sitting on the chair

171

00:10:49,530 --> 00:10:46,870

staring a painted black wall and on this

172

00:10:52,770 --> 00:10:49,540

wall were blue lights flashing I'll turn

173

00:10:54,090 --> 00:10:52,780

it was like a ring like a polar so it

174

00:10:57,570 --> 00:10:54,100

was black in the middle so it was like a

175

00:11:02,370 --> 00:10:57,580

ring it was maybe a boy like me comes

176

00:11:05,520 --> 00:11:02,380

okay so to one it

177

00:11:09,210 --> 00:11:05,530

it was slowing down so it was like in a

178

00:11:11,280 --> 00:11:09,220

rhythm it was in a rhythm yeah yeah yeah

179

00:11:13,590 --> 00:11:11,290

so I'm sitting two-chair staring at a

180

00:11:15,660 --> 00:11:13,600

painted black wall because it was all

181

00:11:17,700 --> 00:11:15,670

bumpy and no messed up it wasn't they

182

00:11:19,920 --> 00:11:17,710

can't smooth or anything like somebody

183

00:11:21,780 --> 00:11:19,930

it just got some black gloss pen Italy

184

00:11:25,140 --> 00:11:21,790

on the wall suck me in front of it and

185

00:11:27,150 --> 00:11:25,150

projected these lights right yes sir

186

00:11:29,100 --> 00:11:27,160

you know we have freaky dreams and all

187

00:11:31,380 --> 00:11:29,110

that well when I was putting trainers

188

00:11:33,960 --> 00:11:31,390

are now is getting me just got the kids

189

00:11:36,300 --> 00:11:33,970

to school I could see them on my

190

00:11:38,340 --> 00:11:36,310

trainers swimming around like you know

191

00:11:42,270 --> 00:11:38,350

when you get camera flash and wherever

192

00:11:45,750 --> 00:11:42,280

you you've got that little thing yeah in

193

00:11:49,740 --> 00:11:45,760

my eyes I thought this Catalina dream

194

00:11:52,020 --> 00:11:49,750

because why am i literally my retinas

195

00:11:53,670 --> 00:11:52,030

I've got this imprint in them because

196

00:11:56,430 --> 00:11:53,680

I'm looking at my dream there's a man

197

00:12:01,620 --> 00:11:56,440

and I'm singing this bloom well this

198

00:12:05,070 --> 00:12:01,630

circle moving around the only reason

199

00:12:07,890 --> 00:12:05,080

that I'm not out there is because it

200

00:12:10,010 --> 00:12:07,900

must mean something to somebody right

201
00:12:13,800 --> 00:12:10,020
can I just in a finger there because

202
00:12:16,890 --> 00:12:13,810
instead did you like my dear we're right

203
00:12:19,920 --> 00:12:16,900
there were me enough time so anywhere

204
00:12:23,910 --> 00:12:19,930
and getting so you got your blue like

205
00:12:26,130 --> 00:12:23,920
poem in effect does I had one I were

206
00:12:30,840 --> 00:12:26,140
really extremely poor way with

207
00:12:35,940 --> 00:12:30,850
depression face was because my grandma

208
00:12:39,780 --> 00:12:35,950
died I was 21 and I start seeing things

209
00:12:44,060 --> 00:12:39,790
as more prominent things so I was

210
00:12:50,190 --> 00:12:44,070
experience a lot of likely stashing and

211
00:12:54,090 --> 00:12:50,200
stuff like that and I think I is senses

212
00:12:56,580 --> 00:12:54,100
were heightened and I saw I was doing

213
00:12:59,610 --> 00:12:56,590

somewhere could might be making a sake

214

00:13:02,940 --> 00:12:59,620

McKenna drug and I looked up and right

215

00:13:07,800 --> 00:13:02,950

in front of me was a big massive gold

216

00:13:09,750 --> 00:13:07,810

ring coral ring yeah and like a lot of

217

00:13:12,150 --> 00:13:09,760

sparkly things and the gold that comes

218

00:13:14,820 --> 00:13:12,160

in away it will like that it would just

219

00:13:16,200 --> 00:13:14,830

replace second bump it were a massive

220

00:13:21,870 --> 00:13:16,210

rammed gold

221

00:13:24,269 --> 00:13:21,880

and come and the feeling that I got from

222

00:13:25,680 --> 00:13:24,279

it I was said my grammar died I would

223

00:13:28,860 --> 00:13:25,690

depress do you know I mean it is just

224

00:13:34,190 --> 00:13:28,870

anxiety anxiety and the feeling I got

225

00:13:38,699 --> 00:13:36,810

now that's not me imagining it because I

226

00:13:41,010 --> 00:13:38,709

know exactly how I felt from one minute

227

00:13:43,139 --> 00:13:41,020

to next you can be happy as you know I

228

00:13:47,280 --> 00:13:43,149

mean depression does not make you sad

229

00:13:48,630 --> 00:13:47,290

all the time yeah it's like waves it

230

00:13:50,850 --> 00:13:48,640

comes in waves beats they're

231

00:13:53,490 --> 00:13:50,860

continuously one minute you'll be

232

00:13:54,780 --> 00:13:53,500

laughing and having a joke next minute

233

00:13:56,550 --> 00:13:54,790

you've got tears in your eyes you're

234

00:13:58,860 --> 00:13:56,560

filling up you next something you want

235

00:14:02,820 --> 00:13:58,870

to punch the wall it's all your human

236

00:14:06,990 --> 00:14:02,830

emotions and traits so Overlord they

237

00:14:11,250 --> 00:14:07,000

basically and but after seeing this huge

238

00:14:14,220 --> 00:14:11,260

ring it filled me front room I know that

239

00:14:17,490 --> 00:14:14,230

that helped me with my depression why

240

00:14:21,840 --> 00:14:17,500

what I don't know but it was a huge gold

241

00:14:26,970 --> 00:14:21,850

sparkly ring so I don't know whether

242

00:14:29,610 --> 00:14:26,980

that will you know ATT your spirit type

243

00:14:33,030 --> 00:14:29,620

or anything paranormal so I don't know

244

00:14:35,400 --> 00:14:33,040

but it did help me not to the point it

245

00:14:43,160 --> 00:14:35,410

got me out of it that split-second but I

246

00:14:47,060 --> 00:14:43,170

felt a great release coming aware yeah

247

00:14:50,970 --> 00:14:47,070

well we know that they can hang just

248

00:14:53,010 --> 00:14:50,980

it's a construct that we have and you

249

00:14:56,550 --> 00:14:53,020

know the thing that really it gives us

250

00:15:00,000 --> 00:14:56,560

time is motion yeah it's spinning and

251
00:15:04,530 --> 00:15:00,010
we've measured it they chopped it up

252
00:15:06,990 --> 00:15:04,540
into little bits and but the moments I

253
00:15:13,440 --> 00:15:07,000
mean there seem to be able to see ahead

254
00:15:17,790 --> 00:15:13,450
of time they can manipulate time I mean

255
00:15:23,310 --> 00:15:17,800
that were where we gained I don't know

256
00:15:25,680 --> 00:15:23,320
how much time just take well over is

257
00:15:29,960 --> 00:15:25,690
over an hour to get from your house to

258
00:15:33,740 --> 00:15:29,970
my house god I thought we'd get wrong

259
00:15:41,240 --> 00:15:33,750
I'd say we gained 45 minutes must've

260
00:15:45,080 --> 00:15:41,250
been about 45 minutes just makes no

261
00:15:53,000 --> 00:15:45,090
sense I mean like leave your house go

262
00:15:55,760 --> 00:15:53,010
wrong mystery 12 twice time we got on

263
00:15:59,930 --> 00:15:55,770

the suits and bright motor ways to get

264

00:16:07,360 --> 00:15:59,940

to Liverpool yeah and then get there and

265

00:16:11,510 --> 00:16:07,370

Dave goes you were quick I mean it was

266

00:16:13,730 --> 00:16:11,520

an hour yeah exactly this one when I

267

00:16:18,320 --> 00:16:13,740

realized then when I got checking out of

268

00:16:23,510 --> 00:16:18,330

that window that time and speed and

269

00:16:27,950 --> 00:16:23,520

distance doesn't exist it it's just a

270

00:16:30,410 --> 00:16:27,960

bit of matter there that you didn't live

271

00:16:36,530 --> 00:16:30,420

a pearl you didn't Bradford do you know

272

00:16:38,480 --> 00:16:36,540

what and also in that thing drop off

273

00:16:44,570 --> 00:16:38,490

that things don't behind Jason Andrews

274

00:16:46,550 --> 00:16:44,580

and watch drop straight down but I can't

275

00:16:50,200 --> 00:16:46,560

even tell you how bizarre it is to see

276

00:16:56,270 --> 00:16:53,240

racing it when they're there and they're

277

00:17:05,150 --> 00:16:56,280

you know what I mean you ain't seen a

278

00:17:08,090 --> 00:17:05,160

move but you have its comprehend you

279

00:17:11,030 --> 00:17:08,100

know that most young just can't go now a

280

00:17:13,280 --> 00:17:11,040

wouldn't die mention it at next you know

281

00:17:15,830 --> 00:17:13,290

because you can see him getting closer

282

00:17:20,180 --> 00:17:15,840

but you can't remember that physical

283

00:17:22,760 --> 00:17:20,190

moment just it's not it doesn't exist to

284

00:17:29,420 --> 00:17:22,770

say it just done you can't complain that

285

00:17:33,170 --> 00:17:29,430

speed that you can okay I'm sat on a

286

00:17:36,260 --> 00:17:33,180

chair and I'm staring uh so did that I

287

00:17:38,930 --> 00:17:36,270

know on Facebook right and basically it

288

00:17:41,700 --> 00:17:38,940

was how we looked in their profile

289

00:17:43,650 --> 00:17:41,710

picture and kind

290

00:17:45,780 --> 00:17:43,660

is another person stuck there somebody

291

00:17:49,860 --> 00:17:45,790

that I know on Facebook again looking

292

00:17:54,630 --> 00:17:49,870

like the face profile picture and he's

293

00:17:57,270 --> 00:17:54,640

he's hung there and I'm okay and I I

294

00:18:01,440 --> 00:17:57,280

said gone them prove it

295

00:18:06,030 --> 00:18:01,450

I don't know what you know what I'll be

296

00:18:08,700 --> 00:18:06,040

far go on then prove it and then he's

297

00:18:10,440 --> 00:18:08,710

the face that will see he was like all

298

00:18:11,570 --> 00:18:10,450

lines like you know you get interference

299

00:18:15,780 --> 00:18:11,580

on the CV

300

00:18:18,270 --> 00:18:15,790

thus are gray and then it went back to

301

00:18:20,790 --> 00:18:18,280

the picture the face and I went [h__h]

302

00:18:22,920 --> 00:18:20,800

out face changed and he came out and

303

00:18:25,110 --> 00:18:22,930

he's fertile and all a bit droopy like

304

00:18:27,990 --> 00:18:25,120

weed not quite not quite right

305

00:18:30,420 --> 00:18:28,000

anyway let's have a look and stepped out

306

00:18:33,750 --> 00:18:30,430

from behind her and he was a sharp fat

307

00:18:36,840 --> 00:18:33,760

dumpy alien but like what early alien

308

00:18:38,760 --> 00:18:36,850

but he said let's have a look and as

309

00:18:43,290 --> 00:18:38,770

soon as he stepped out from behind a

310

00:18:46,080 --> 00:18:43,300

witch like that yeah I could feel it

311

00:18:48,840 --> 00:18:46,090

feel the warmth in the skin my eyes were

312

00:18:51,300 --> 00:18:48,850

pulled upwards so much the actual

313

00:18:53,190 --> 00:18:51,310

muscles were hurting and I was looking

314

00:18:55,590 --> 00:18:53,200

right look like this into these two

315

00:18:58,290 --> 00:18:55,600

white cups in these big black hangs to

316

00:19:00,690 --> 00:18:58,300

tiny white little pins of white and then

317

00:19:03,300 --> 00:19:00,700

I was looking and then my mind went

318

00:19:03,570 --> 00:19:03,310

white it was not on you Eliza that was

319

00:19:05,820 --> 00:19:03,580

it

320

00:19:07,410 --> 00:19:05,830

but in that film they know that they do

321

00:19:10,020 --> 00:19:07,420

this but they put it for the whole white

322

00:19:11,700 --> 00:19:10,030

is from the outside so they in the men

323

00:19:13,710 --> 00:19:11,710

in black they've got that thing and it

324

00:19:25,410 --> 00:19:13,720

the gadget and he goes there's a flash

325

00:19:27,390 --> 00:19:25,420

it was behind my eyes why it was just

326

00:19:31,890 --> 00:19:27,400

white is white is a piece of paper not a

327

00:19:34,920 --> 00:19:31,900

bright light and then not and I remember

328

00:19:37,440 --> 00:19:34,930

like how so it said today I have been

329

00:19:38,820 --> 00:19:37,450

talking to somebody you know they dream

330

00:19:41,820 --> 00:19:38,830

in like I've been talking to somebody

331

00:19:44,070 --> 00:19:41,830

every night this week and then the next

332

00:19:48,990 --> 00:19:44,080

day I set up and I was like oh my god

333

00:19:51,630 --> 00:19:49,000

this is just happened yeah we're using

334

00:19:53,970 --> 00:19:51,640

the faces of people that I trusted at

335

00:19:54,780 --> 00:19:53,980

the time and that made me trust that

336

00:19:56,310 --> 00:19:54,790

person which

337

00:20:01,050 --> 00:19:56,320

shouldn't have done because that person

338

00:20:05,190 --> 00:20:01,060

then infiltrated my life yeah and wrote

339

00:20:09,090 --> 00:20:05,200

a book about me pretending that she was

340

00:20:12,240 --> 00:20:09,100

my alien haven't learned it well for all

341

00:20:13,560 --> 00:20:12,250

of my pregnancies and like you would not

342

00:20:15,840 --> 00:20:13,570

say that to me

343

00:20:17,640 --> 00:20:15,850

if you because you would know that I

344

00:20:18,330 --> 00:20:17,650

would actually kill you for ruin in my

345

00:20:22,050 --> 00:20:18,340

life

346

00:20:27,990 --> 00:20:22,060

no if my if an alien it was real I would

347

00:20:30,680 --> 00:20:28,000

do I would I mean yeah yeah just time to

348

00:20:34,170 --> 00:20:30,690

tie me up because I I would be furious

349

00:20:37,260 --> 00:20:34,180

for the damage for the trauma to the

350

00:20:39,000 --> 00:20:37,270

malfunctioning you know for all of the

351

00:20:41,160 --> 00:20:39,010

other things that come with all of that

352

00:20:44,370 --> 00:20:41,170

when you're not functioning problem you

353

00:20:47,190 --> 00:20:44,380

life you know the things that people had

354

00:20:50,550 --> 00:20:47,200

recently because I outed a liar it taken

355

00:20:53,870 --> 00:20:50,560

all of my you know reactions to trauma

356

00:20:56,760 --> 00:20:53,880

in the past and bundled them up together

357

00:21:00,660 --> 00:20:56,770

my entire life to make me look like some

358

00:21:04,170 --> 00:21:00,670

kind of crazy freak kids the way that I

359

00:21:06,660 --> 00:21:04,180

reacted yeah I mean to stare monsters in

360

00:21:09,330 --> 00:21:06,670

the eyes and I've I'm coming in my harm

361

00:21:14,070 --> 00:21:09,340

and interfering with all of my family

362

00:21:17,220 --> 00:21:14,080

and and dreams and the nerves bleeds and

363

00:21:21,180 --> 00:21:17,230

in the fear management with my children

364

00:21:27,750 --> 00:21:21,190

and when I'm a single mom living in a

365

00:21:31,890 --> 00:21:27,760

haunted house yeah like you can't my

366

00:21:34,970 --> 00:21:31,900

life has been a [h__h] sure like a horror

367

00:21:40,190 --> 00:21:34,980

sure from SATs finish basically yeah

368

00:21:45,410 --> 00:21:40,200

from being four years old and dying and

369

00:21:52,140 --> 00:21:50,190

many times things that have happened

370

00:21:55,710 --> 00:21:52,150

that I've done to myself as well I

371

00:22:01,770 --> 00:21:55,720

should not be here it's almost like they

372

00:22:04,470 --> 00:22:01,780

will not let me go yeah yeah where

373

00:22:10,789 --> 00:22:04,480

things above and

374

00:22:13,369 --> 00:22:10,799

and I can't explain now I'm still here

375

00:22:17,009 --> 00:22:13,379

even falling off a cliff in Thailand

376

00:22:18,659 --> 00:22:17,019

right here here in Thailand and the tree

377

00:22:25,169 --> 00:22:18,669

that had fallen over stopped me from

378

00:22:33,989 --> 00:22:25,179

from dying that I mean yeah I have

379

00:22:34,669 --> 00:22:33,999

crashed and it will appear did you did

380

00:22:42,810 --> 00:22:34,679

you do

381

00:22:43,710 --> 00:22:42,820

electronic you know like a kids computer

382

00:22:46,549 --> 00:22:43,720

it make sense

383

00:22:50,220 --> 00:22:46,559

you did you did nothing going on here

384

00:22:54,779 --> 00:22:50,230

yeah well at my size yeah and I'm kind

385

00:22:58,619 --> 00:22:54,789

awful say you know I'll tell you what it

386

00:23:01,529 --> 00:22:58,629

will like you know when you get um oh my

387

00:23:05,789 --> 00:23:01,539

god what the Carla you ring a fax

388

00:23:07,369 --> 00:23:05,799

machine and it makes their noises it

389

00:23:11,849 --> 00:23:07,379

will like that

390

00:23:14,999 --> 00:23:11,859

like a fax machine noise well you need

391

00:23:16,349 --> 00:23:15,009

to bring something at least you know you

392

00:23:19,769 --> 00:23:16,359

forgot a bit about one of your

393

00:23:21,690 --> 00:23:19,779

experiences will you were like ah say

394

00:23:24,259 --> 00:23:21,700

about that yeah because it would

395

00:23:32,310 --> 00:23:24,269

mentioned on Toby sure one it's uh

396

00:23:37,590 --> 00:23:32,320

another thing I forgot about that the

397

00:23:41,479 --> 00:23:37,600

Bates yeah with this in episode 1 of

398

00:23:52,169 --> 00:23:48,499

I think it well let me have a look beats

399

00:23:54,330 --> 00:23:52,179

what would it the ball a lie it might be

400

00:23:59,489 --> 00:23:54,340

in a piece up to it were very one Otto

401
00:24:02,249 --> 00:23:59,499
and previous to this me my friends on

402
00:24:06,239 --> 00:24:02,259
each side at fireplace and the what the

403
00:24:08,070 --> 00:24:06,249
tuba light coming through um I'm gonna

404
00:24:10,970 --> 00:24:08,080
make this drink I don't know why I'd

405
00:24:13,619 --> 00:24:10,980
forgot this cuz I get buzzing

406
00:24:16,529 --> 00:24:13,629
continuously anywhere you know we are

407
00:24:22,820 --> 00:24:16,539
swish you know whooshing and and I know

408
00:24:26,970 --> 00:24:25,500
where the you know I mean I'm not in

409
00:24:28,470 --> 00:24:26,980
that because I don't suffer from it and

410
00:24:31,680 --> 00:24:28,480
I know damn well they don't met this

411
00:24:33,419 --> 00:24:31,690
nice but me my friends were sat there

412
00:24:35,190 --> 00:24:33,429
drinking his coffee previous to making

413
00:24:38,360 --> 00:24:35,200

another one services we're on the second

414

00:24:41,070 --> 00:24:38,370

coffered before that ball comes and

415

00:24:42,960 --> 00:24:41,080

which she's at this moment I'm certain

416

00:24:48,360 --> 00:24:42,970

the sulfur and she sat on the fireplace

417

00:24:53,760 --> 00:24:48,370

and is this like an electronic beeping

418

00:24:59,240 --> 00:24:53,770

noise if he PBB PBB baby and I couldn't

419

00:25:03,060 --> 00:24:59,250

even it were my it won't even electronic

420

00:25:07,200 --> 00:25:03,070

it like somewhat wound up you know what

421

00:25:09,990 --> 00:25:07,210

I mean it when I can't explain it anyway

422

00:25:13,110 --> 00:25:10,000

like you own somewhat open it kind of

423

00:25:15,570 --> 00:25:13,120

comes back bearing in mind that my

424

00:25:18,060 --> 00:25:15,580

mobile phone were on charged upstairs

425

00:25:20,130 --> 00:25:18,070

and it were taught with flour and my

426

00:25:21,570 --> 00:25:20,140

friends had left I mean these are when

427

00:25:25,440 --> 00:25:21,580

we could have you know when we first

428

00:25:28,950 --> 00:25:25,450

could afford them about the firm's you

429

00:25:30,930 --> 00:25:28,960

know what I mean so it's not the Android

430

00:25:35,940 --> 00:25:30,940

or out like that you've got your basic

431

00:25:39,690 --> 00:25:35,950

talk and text and it's like 25p get deep

432

00:25:43,740 --> 00:25:39,700

texture so much you know what I mean we

433

00:25:53,100 --> 00:25:43,750

didn't have Teresa don't think so so

434

00:25:57,000 --> 00:25:53,110

yeah people never saw quality only side

435

00:26:01,799 --> 00:25:57,010

black and white to think when I would

436

00:26:05,610 --> 00:26:01,809

say uh so anywhere any years these boy I

437

00:26:08,610 --> 00:26:05,620

knew what life all the world on so I

438

00:26:11,220 --> 00:26:08,620

knew that it would like say three foot

439

00:26:13,500 --> 00:26:11,230

above the flower or six foot above the

440

00:26:16,560 --> 00:26:13,510

floor or it will offer it would over

441

00:26:20,430 --> 00:26:16,570

there and I knew so every time I

442

00:26:22,789 --> 00:26:20,440

approach this it's going eat eat eat eat

443

00:26:27,030 --> 00:26:22,799

eat eat eat eat but it my like

444

00:26:30,539 --> 00:26:27,040

mechanical asset mechanical wind-up

445

00:26:31,800 --> 00:26:30,549

mechanical and it were you know

446

00:26:35,300 --> 00:26:31,810

different turns

447

00:26:38,190 --> 00:26:35,310

the every time I approached this noise

448

00:26:40,200 --> 00:26:38,200

it got with different part at room so it

449

00:26:43,080 --> 00:26:40,210

would be like six foot I get up and I

450

00:26:47,610 --> 00:26:43,090

knew exactly where the noise where and

451
00:26:50,670 --> 00:26:47,620
what level high it would on our bill

452
00:26:53,100 --> 00:26:50,680
that I don't know but it like you know

453
00:26:54,810 --> 00:26:53,110
I'm a healer just directed at his beats

454
00:26:58,590 --> 00:26:54,820
on me friendly say what he says at the

455
00:27:02,160 --> 00:26:58,600
door no I really do not know we every

456
00:27:04,050 --> 00:27:02,170
time we approach this beep it has moved

457
00:27:06,780 --> 00:27:04,060
somewhere else lower down there at that

458
00:27:10,050 --> 00:27:06,790
side of that side and it got to the

459
00:27:13,890 --> 00:27:10,060
stage where we took all the cushions off

460
00:27:16,230 --> 00:27:13,900
the surfer the chairs took out you know

461
00:27:18,360 --> 00:27:16,240
see in bit the back pay off tipped it

462
00:27:21,420 --> 00:27:18,370
upside down even looked underneath it

463
00:27:23,430 --> 00:27:21,430

pulled the cabinet out we did everything

464

00:27:26,460 --> 00:27:23,440

to find where these the one even any

465

00:27:29,460 --> 00:27:26,470

kids toys there were nothing in there

466

00:27:31,140 --> 00:27:29,470

that a dude this noise even my child did

467

00:27:37,080 --> 00:27:31,150

another tide that could make them

468

00:27:40,950 --> 00:27:37,090

beeping noises like mechanical and it

469

00:27:43,230 --> 00:27:40,960

were and then we'd strict everything and

470

00:27:46,710 --> 00:27:43,240

it kind of that's when it stopped

471

00:27:49,050 --> 00:27:46,720

we've gone upstairs no we'd stood and

472

00:27:52,560 --> 00:27:49,060

listened like it looks like it's you

473

00:27:54,180 --> 00:27:52,570

know what I mean nothing and when I made

474

00:27:58,110 --> 00:27:54,190

this next coffee and I went and sat on

475

00:28:01,350 --> 00:27:58,120

the fireplace it were like you know five

476

00:28:04,470 --> 00:28:01,360

minutes laughter that you know this ball

477

00:28:07,100 --> 00:28:04,480

come to polite come through my window

478

00:28:10,260 --> 00:28:07,110

so I've no idea what these blokes are

479

00:28:12,870 --> 00:28:10,270

but then we're another time I were lying

480

00:28:17,040 --> 00:28:12,880

in bed and this were a couple year ago

481

00:28:18,900 --> 00:28:17,050

and I felt a presence in the room but I

482

00:28:22,980 --> 00:28:18,910

won't compel to open the eyes I had

483

00:28:27,890 --> 00:28:22,990

Lawler at the side of me and she's fast

484

00:28:30,660 --> 00:28:27,900

asleep maybe two and a half three and

485

00:28:34,260 --> 00:28:30,670

she's fast asleep not a sound

486

00:28:37,850 --> 00:28:34,270

and like I said felt this presence in

487

00:28:40,890 --> 00:28:37,860

that where I can write heavy presence I

488

00:28:44,130 --> 00:28:40,900

didn't open my eyes ignore compeller and

489

00:28:45,020 --> 00:28:44,140

I heard what sounded like a bull's a

490

00:28:52,760 --> 00:28:45,030

real

491

00:28:55,790 --> 00:28:52,770

Bulls like that and what is it but it

492

00:28:58,880 --> 00:28:55,800

we're going to call them the egg from me

493

00:29:00,320 --> 00:28:58,890

right side as soon as I thought that

494

00:29:03,560 --> 00:29:00,330

what is that noise

495

00:29:08,240 --> 00:29:03,570

it stopped stopped for a few seconds

496

00:29:10,460 --> 00:29:08,250

when in Evalia hmm right bass and I just

497

00:29:14,120 --> 00:29:10,470

come I couldn't figure it out why I was

498

00:29:16,520 --> 00:29:14,130

good and it did it the same exact same

499

00:29:21,050 --> 00:29:16,530

line for time in each area with a field

500

00:29:25,220 --> 00:29:21,060

second gap in its weighing no idea I've

501
00:29:34,490 --> 00:29:25,230
no idea but this is I believe it is part

502
00:29:40,310 --> 00:29:34,500
of it you know yeah I remember Harry

503
00:29:42,680 --> 00:29:40,320
like you know like a radio been going to

504
00:29:45,800 --> 00:29:42,690
tuning few different frequencies you

505
00:29:47,960 --> 00:29:45,810
know in my head it was like I heard the

506
00:29:51,440 --> 00:29:47,970
taxi rank and then the local radio

507
00:29:54,980 --> 00:29:51,450
station and then yeah al what else and I

508
00:29:57,320 --> 00:29:54,990
was just laid in bed with all this my

509
00:29:58,510 --> 00:29:57,330
head I was awake wasn't it wasn't a

510
00:30:02,900 --> 00:29:58,520
dream

511
00:30:05,870 --> 00:30:02,910
and it was like somehow I was going

512
00:30:08,390 --> 00:30:05,880
through all the frequencies all the

513
00:30:11,360 --> 00:30:08,400

frequency bands in the area go and that

514

00:30:13,700 --> 00:30:11,370

obviously I don't think I was I don't

515

00:30:16,670 --> 00:30:13,710

know I don't know what that was but that

516

00:30:18,170 --> 00:30:16,680

was at the same in that same period of

517

00:30:23,600 --> 00:30:18,180

time I was having a lot of like

518

00:30:25,910 --> 00:30:23,610

out-of-body stuff and it was you know

519

00:30:27,920 --> 00:30:25,920

the one with not met Jason and that's

520

00:30:29,720 --> 00:30:27,930

that what may it had been peeled like an

521

00:30:31,490 --> 00:30:29,730

orange and something that gone through

522

00:30:34,850 --> 00:30:31,500

my body it was all around back that time

523

00:30:36,020 --> 00:30:34,860

and I had this download I had to but I

524

00:30:40,310 --> 00:30:36,030

can't remember the second one the first

525

00:30:43,490 --> 00:30:40,320

one was really really straight kid yes

526

00:30:46,160 --> 00:30:43,500

it was a bright blue sky with a big

527

00:30:47,930 --> 00:30:46,170

yellow sunflower and then it went from

528

00:30:51,500 --> 00:30:47,940

the sunflower to the center of the

529

00:30:53,810 --> 00:30:51,510

sunflower I think it was like sacred

530

00:30:57,950 --> 00:30:53,820

geometry type thing so it showed me the

531

00:30:59,100 --> 00:30:57,960

center and then then the little pockets

532

00:31:02,200 --> 00:30:59,110

where the seeds were

533

00:31:04,510 --> 00:31:02,210

yeah yeah how they all fit together

534

00:31:07,930 --> 00:31:04,520

oh it's like a little bit honeycomb and

535

00:31:09,640 --> 00:31:07,940

then it went from low to be in like a

536

00:31:11,860 --> 00:31:09,650

black background like a black computer

537

00:31:15,910 --> 00:31:11,870

background was data streaming down this

538

00:31:19,300 --> 00:31:15,920

side like watch in the margin there but

539

00:31:22,420 --> 00:31:19,310

in front of you know what was he was a a

540

00:31:26,650 --> 00:31:22,430

I think a ball that was turning it was

541

00:31:29,770 --> 00:31:26,660

all pockets on it like the song flour so

542

00:31:32,320 --> 00:31:29,780

to me it was like in my mind when I

543

00:31:37,060 --> 00:31:32,330

think about it now it's like if you were

544

00:31:39,880 --> 00:31:37,070

to have a craft in space you know if

545

00:31:41,800 --> 00:31:39,890

anything may hit it if it had if it was

546

00:31:44,190 --> 00:31:41,810

not all section if it was a little tiny

547

00:31:49,270 --> 00:31:44,200

pockets like this it would only damage

548

00:31:52,600 --> 00:31:49,280

that area rupture throughout the whole

549

00:31:56,080 --> 00:31:52,610

skin of the whole of the craft attack

550

00:31:58,240 --> 00:31:56,090

and this is how it comes to me to two

551
00:32:00,430 --> 00:31:58,250
layers of the honeycomb so that if

552
00:32:03,270 --> 00:32:00,440
anything hits it's on these small

553
00:32:07,150 --> 00:32:03,280
pockets that need repairing and not all

554
00:32:10,780 --> 00:32:07,160
yeah the hole then it was like wiring

555
00:32:13,540 --> 00:32:10,790
diagrams and it got so fast with it he

556
00:32:15,810 --> 00:32:13,550
started off quite slow like faster

557
00:32:20,470 --> 00:32:15,820
faster and it was just flashing images

558
00:32:22,780 --> 00:32:20,480
yeah I know I'm a lay down and I said in

559
00:32:25,180 --> 00:32:22,790
my head he's too fast I can't read it I

560
00:32:28,360 --> 00:32:25,190
can't see it and then these voice are

561
00:32:34,810 --> 00:32:28,370
these thought said don't worry about it

562
00:32:37,840 --> 00:32:34,820
just needs to be in there stop what were

563
00:32:39,940 --> 00:32:37,850

a cease it's there it's bad I don't know

564

00:32:44,470 --> 00:32:39,950

what I don't know it was all too quick

565

00:32:48,880 --> 00:32:44,480

but the first thing it was like I think

566

00:32:51,220 --> 00:32:48,890

the sacred geometry into technology yeah

567

00:33:04,840 --> 00:32:51,230

I don't know if that I mean anything to

568

00:33:07,930 --> 00:33:04,850

anybody me I am of that but I understood

569

00:33:10,030 --> 00:33:07,940

that like a geometry thing in it just

570

00:33:21,520 --> 00:33:10,040

come at me and I'm not gonna stuff like

571

00:33:23,170 --> 00:33:21,530

that you know and I don't know why I did

572

00:33:25,810 --> 00:33:23,180

it because I'm not into that sort of

573

00:33:30,070 --> 00:33:25,820

thing so why it's just one of them

574

00:33:34,930 --> 00:33:30,080

things that kind of up them you know

575

00:33:38,500 --> 00:33:34,940

yeah like when I do he ah repair I

576
00:33:42,400 --> 00:33:38,510
always have one live tree when one tree

577
00:33:46,750 --> 00:33:42,410
that's alive and one dead tree all of my

578
00:33:51,730 --> 00:33:46,760
paintings all of them that you know why

579
00:33:54,280 --> 00:33:51,740
I do it I don't know why you do one like

580
00:33:58,890 --> 00:33:54,290
a tree with no leaves on the other Hill

581
00:34:07,870 --> 00:34:02,370
early in through and I painted that

582
00:34:10,210 --> 00:34:07,880
picture of a hill in the field with one

583
00:34:12,670 --> 00:34:10,220
tree on it and it was no leaves on it

584
00:34:16,230 --> 00:34:12,680
and I I've just stopped dead when I saw

585
00:34:19,650 --> 00:34:16,240
it I was like oh my god

586
00:34:24,880 --> 00:34:19,660
98 with they what you were thinking and

587
00:34:27,760 --> 00:34:24,890
when you went to Wales four miles to go

588
00:34:29,410 --> 00:34:27,770

and to be up on the side of please held

589

00:34:35,350 --> 00:34:29,420

so you could have a look around to see

590

00:34:37,240 --> 00:34:35,360

if we could see a nightclub with lasers

591

00:34:39,700 --> 00:34:37,250

on the roof or something to explain what

592

00:34:42,130 --> 00:34:39,710

we see and then we we went and we were

593

00:34:44,110 --> 00:34:42,140

stood on this little hill in the middle

594

00:34:45,820 --> 00:34:44,120

east massive field with that one train

595

00:34:47,680 --> 00:34:45,830

it had no leaves are there and that's

596

00:34:50,230 --> 00:34:47,690

where the ginger cap came up side roping

597

00:35:02,260 --> 00:34:50,240

itself on me like and I just went I'm so

598

00:35:07,360 --> 00:35:02,270

freaked out right now we yeah yeah it

599

00:35:16,360 --> 00:35:07,370

was freaky hey Sam

600

00:35:19,180 --> 00:35:16,370

nine o'clock nearly nine in that yeah so

601
00:35:21,310 --> 00:35:19,190
I'll talk about one that is not even in

602
00:35:22,450 --> 00:35:21,320
the chronology of what would be my life

603
00:35:24,610 --> 00:35:22,460
because I can't remember when it

604
00:35:26,350 --> 00:35:24,620
happened apart from you know when I was

605
00:35:28,240 --> 00:35:26,360
teenager and this because we're talking

606
00:35:33,010 --> 00:35:28,250
about drawings that it pops into my head

607
00:35:39,610 --> 00:35:33,020
yeah when I was about 15 I once drew

608
00:35:42,460 --> 00:35:39,620
this alien right and I remembered I drew

609
00:35:46,570 --> 00:35:42,470
it because I had in my head like I've

610
00:35:50,380 --> 00:35:46,580
seen it and it was and it was gentle it

611
00:35:52,150 --> 00:35:50,390
was very very old it was a brownie color

612
00:35:56,410 --> 00:35:52,160
but not quite brown my like and

613
00:36:00,580 --> 00:35:56,420

mushroomy brown ha ice blue eyes like

614

00:36:05,290 --> 00:36:00,590

round pupils like normal eyes and little

615

00:36:07,480 --> 00:36:05,300

wastes of hair it just to me felt like

616

00:36:10,330 --> 00:36:07,490

about a billion years old what it was

617

00:36:14,230 --> 00:36:10,340

and it there any facial expressions

618

00:36:16,960 --> 00:36:14,240

had an air of emotion about it I can

619

00:36:18,640 --> 00:36:16,970

remember it I can feel it that's a bit

620

00:36:20,670 --> 00:36:18,650

like night that done it little Danny

621

00:36:23,350 --> 00:36:20,680

DeVito by icarly's

622

00:36:27,340 --> 00:36:23,360

yeah but it's so hard to remember the

623

00:36:29,680 --> 00:36:27,350

actual being that I saw because every

624

00:36:32,140 --> 00:36:29,690

time I remember it it's drawing that I

625

00:36:35,140 --> 00:36:32,150

drew it's not a slides over the top of

626

00:36:38,250 --> 00:36:35,150

it so it's like the drawings the thing

627

00:36:41,590 --> 00:36:38,260

that I can remember the most and that I

628

00:36:44,380 --> 00:36:41,600

find another it's that's kind of sad

629

00:36:46,240 --> 00:36:44,390

because you know of all the scary stuff

630

00:36:46,510 --> 00:36:46,250

that I've had and all and run for my

631

00:36:49,260 --> 00:36:46,520

life

632

00:36:54,820 --> 00:36:49,270

and I've been terrified out of my mind

633

00:36:58,540 --> 00:36:54,830

that didn't feel bad also the blue the

634

00:37:03,880 --> 00:36:58,550

blue one that I saw in 1992 the blue

635

00:37:06,570 --> 00:37:03,890

goblin feel bad the only thing that I

636

00:37:11,910 --> 00:37:06,580

thought was the but Chileans are scary

637

00:37:16,180 --> 00:37:11,920

yeah they're scary but like because

638

00:37:17,740 --> 00:37:16,190

bacon the you know and they're scary

639

00:37:18,550 --> 00:37:17,750

thinking like something next to a

640

00:37:22,480 --> 00:37:18,560

dinosaur

641

00:37:23,740 --> 00:37:22,490

are you are that yeah there are yeah it

642

00:37:26,470 --> 00:37:23,750

Gray's are different because the

643

00:37:29,770 --> 00:37:26,480

reptilians they actually have emotion

644

00:37:31,690 --> 00:37:29,780

they have feelings you know might not

645

00:37:33,430 --> 00:37:31,700

operate the same way as we do but

646

00:37:37,339 --> 00:37:33,440

they're more like us than the greys are

647

00:37:43,039 --> 00:37:37,349

yeah they are yeah so like

648

00:37:45,469 --> 00:37:43,049

nothing no just the lights bog you know

649

00:37:47,690 --> 00:37:45,479

me relentless I think they are like the

650

00:37:50,660 --> 00:37:47,700

bog in my where's that one that they

651
00:37:52,130 --> 00:37:50,670
assimilate like you know the hybrid

652
00:37:53,509 --> 00:37:52,140
thing that the do I don't think they do

653
00:37:55,130 --> 00:37:53,519
it with just us I think they do it if

654
00:37:58,339 --> 00:37:55,140
they find any life on any other planet

655
00:38:04,249 --> 00:37:58,349
anywhere yeah there would be messing

656
00:38:08,359 --> 00:38:04,259
with the Bob assimilated them people

657
00:38:10,999 --> 00:38:08,369
with you know mechanical bits they do it

658
00:38:13,519 --> 00:38:11,009
genetically yeah I don't know why I

659
00:38:18,489 --> 00:38:13,529
think that I may be a crazy person

660
00:38:24,680 --> 00:38:18,499
it's not how to Darrell possibility what

661
00:38:27,229 --> 00:38:24,690
about the like so that's not pence those

662
00:38:28,789 --> 00:38:27,239
humans if there was other wife

663
00:38:32,239 --> 00:38:28,799

it was intelligent which there will be

664

00:38:34,599 --> 00:38:32,249
and all the planets in other solar

665

00:38:37,849 --> 00:38:34,609
systems they'll get the same treatment

666

00:38:40,759 --> 00:38:37,859
the same treatment as we do and there's

667

00:38:44,289 --> 00:38:40,769
no like you know kiss when I freaked out

668

00:38:47,120 --> 00:38:44,299
and that's threatened to kill myself and

669

00:38:49,400 --> 00:38:47,130
you know if you don't leave us alone I'm

670

00:38:52,609 --> 00:38:49,410
gonna do this that I'm you're there when

671

00:38:54,709 --> 00:38:52,619
you don't know no I was confused by that

672

00:38:57,380 --> 00:38:54,719
cuz I thought maybe they do care

673

00:38:59,479 --> 00:38:57,390
I've ever thought no no I don't think

674

00:39:02,359 --> 00:38:59,489
they do I don't think they do it's just

675

00:39:05,150 --> 00:39:02,369
like protecting them asset yeah I mean

676

00:39:10,579 --> 00:39:05,160

it's like no we've we've got too much

677

00:39:11,989 --> 00:39:10,589

invested in this yeah yeah if you if

678

00:39:14,779 --> 00:39:11,999

you've worked a long time with a

679

00:39:17,450 --> 00:39:14,789

chimpanzee in a lab or whatever whatever

680

00:39:22,069 --> 00:39:17,460

you were doing you know you won't do

681

00:39:23,690 --> 00:39:22,079

something to bring that experiment to an

682

00:39:28,489 --> 00:39:23,700

end that it wasn't going to come to the

683

00:39:30,109 --> 00:39:28,499

you know a little unnatural end I think

684

00:39:33,529 --> 00:39:30,119

it's like oh we're all chosen was

685

00:39:37,039 --> 00:39:33,539

special or anything I think to me with

686

00:39:41,950 --> 00:39:37,049

the greys the like scientists in the lab

687

00:39:48,430 --> 00:39:46,329

I don't like him all right look but that

688

00:39:53,400 --> 00:39:48,440

other one you know the little lumpy fat

689

00:39:56,500 --> 00:39:53,410

one doesn't seem to be like the others

690

00:39:59,319 --> 00:39:56,510

don't like them that well in like them

691

00:40:02,650 --> 00:39:59,329

but like then when I were going down

692

00:40:05,530 --> 00:40:02,660

that through that corridor saw the three

693

00:40:08,920 --> 00:40:05,540

bread but they wouldn't Fedor ups and

694

00:40:10,960 --> 00:40:08,930

you know I mean you've Mimi type things

695

00:40:13,870 --> 00:40:10,970

and I went in at that room and they were

696

00:40:16,450 --> 00:40:13,880

very Placid creatures I'd say creature I

697

00:40:18,790 --> 00:40:16,460

don't know which some pit mouths at

698

00:40:22,540 --> 00:40:18,800

little things that they had a lot of

699

00:40:24,609 --> 00:40:22,550

emotion you know I know the yard because

700

00:40:29,799 --> 00:40:24,619

I was scared there was scared to my

701
00:40:31,809 --> 00:40:29,809
prisons yeah stirs I'm assuming just as

702
00:40:37,900 --> 00:40:31,819
like I'm scared of the greys presence

703
00:40:41,200 --> 00:40:37,910
they were scared to mine some are very

704
00:40:45,760 --> 00:40:41,210
scary we are we can be so pure beautiful

705
00:40:49,299 --> 00:40:45,770
and angelic and I was people like it

706
00:40:51,789 --> 00:40:49,309
literally any single one of us could go

707
00:40:54,880 --> 00:40:51,799
from being the most wonderful person

708
00:40:57,849 --> 00:40:54,890
ever to the most purest evil depending

709
00:41:01,000 --> 00:40:57,859
on what what happens to a person what

710
00:41:06,220 --> 00:41:01,010
backers of down here you know being that

711
00:41:08,710 --> 00:41:06,230
way so we do need controlling especially

712
00:41:11,140 --> 00:41:08,720
like when I gotta learn Wing John gongfu

713
00:41:13,180 --> 00:41:11,150

because I felt like I needed to fight

714

00:41:16,599 --> 00:41:13,190

for my life and one time had an

715

00:41:18,760 --> 00:41:16,609

operation hide in one of them nor plant

716

00:41:22,120 --> 00:41:18,770

implants put him in the early nineties

717

00:41:24,130 --> 00:41:22,130

where it made me so parley yeah after

718

00:41:25,390 --> 00:41:24,140

like months and months and months of me

719

00:41:29,380 --> 00:41:25,400

begging please to carry out placed

720

00:41:31,750 --> 00:41:29,390

account they were going to perform in an

721

00:41:33,430 --> 00:41:31,760

operation so it's rather like an M

722

00:41:34,870 --> 00:41:33,440

alright like her you know like a

723

00:41:39,940 --> 00:41:34,880

mammogram but on my arm

724

00:41:43,059 --> 00:41:39,950

yeah a piece of metal in Timonium also

725

00:41:45,520 --> 00:41:43,069

and the and the kind of like tagged

726
00:41:47,049 --> 00:41:45,530
where the thing was because instead of

727
00:41:49,780 --> 00:41:47,059
it sort of sitting just underneath my

728
00:41:54,680 --> 00:41:49,790
skin it actually gone inside my muscle I

729
00:41:56,750 --> 00:41:54,690
add on yeah so I had to have a proper

730
00:41:58,640 --> 00:41:56,760
an aesthetic operation because they were

731
00:42:01,130 --> 00:41:58,650
going to have to go into my myself and

732
00:42:03,560 --> 00:42:01,140
find it so did this operation

733
00:42:06,530 --> 00:42:03,570
they usually they're slicing the muscle

734
00:42:09,500 --> 00:42:06,540
up and got to the end of this wire and

735
00:42:11,480 --> 00:42:09,510
it wasn't there so they had to stay a

736
00:42:14,120 --> 00:42:11,490
lot all that muscle and then they had to

737
00:42:16,010 --> 00:42:14,130
find it and then go to it get it out in

738
00:42:18,560 --> 00:42:16,020

the end I've been under general

739

00:42:22,400 --> 00:42:18,570

anaesthetic for three hours for them

740

00:42:26,420 --> 00:42:22,410

getting out you know um the mess of my

741

00:42:28,640 --> 00:42:26,430

arm anyway when I came round I woke up

742

00:42:31,430 --> 00:42:28,650

in the hospital bed and the chief

743

00:42:35,480 --> 00:42:31,440

gynecologist because obviously it was to

744

00:42:37,070 --> 00:42:35,490

do with reproductive he was I put my

745

00:42:38,840 --> 00:42:37,080

eyes and looked and he's on the

746

00:42:41,750 --> 00:42:38,850

windowsill and he's looking out and he's

747

00:42:43,370 --> 00:42:41,760

like stroking his beard like this and I

748

00:42:50,450 --> 00:42:43,380

looked at him and he looked down at me

749

00:42:53,360 --> 00:42:50,460

and he said you had I can't remember his

750

00:42:55,370 --> 00:42:53,370

exact words basically told me that when

751

00:42:58,040 --> 00:42:55,380

I come around from my anaesthetic I

752

00:43:02,690 --> 00:42:58,050

kicked the anisa taste in the face

753

00:43:05,570 --> 00:43:02,700

I took the nurse hostage by a hair I was

754

00:43:07,520 --> 00:43:05,580

over I was screaming get your filthy

755

00:43:11,810 --> 00:43:07,530

hands off me you dirty bastards

756

00:43:14,150 --> 00:43:11,820

yes upon meeting today at May right when

757

00:43:16,850 --> 00:43:14,160

I came round I'm kicked off again I was

758

00:43:20,150 --> 00:43:16,860

literally out of an anaesthetic and

759

00:43:22,220 --> 00:43:20,160

fighting I was fighting people yeah yeah

760

00:43:27,230 --> 00:43:22,230

time to get away from me and they had to

761

00:43:29,180 --> 00:43:27,240

sedate me twice now he I think he was

762

00:43:37,240 --> 00:43:29,190

expecting me to say something to him

763

00:43:42,920 --> 00:43:42,230

wow you know I'd beaten up beating

764

00:43:46,210 --> 00:43:42,930

people up

765

00:43:51,980 --> 00:43:46,220

I kicked the anesthetist in the face

766

00:43:53,750 --> 00:43:51,990

jumped off the table but I was on the

767

00:43:58,100 --> 00:43:53,760

operating what are whatever whatever

768

00:44:01,250 --> 00:43:58,110

pain no Maria I know and my notes are

769

00:44:02,840 --> 00:44:01,260

missing but you know when you go and you

770

00:44:04,430 --> 00:44:02,850

guys to hospital they do a print out

771

00:44:07,370 --> 00:44:04,440

they do you know of all the little

772

00:44:08,510 --> 00:44:07,380

visits that you've had you go missing

773

00:44:16,880 --> 00:44:08,520

and it's

774

00:44:20,780 --> 00:44:16,890

period of time no I mean I don't

775

00:44:22,280 --> 00:44:20,790

okay why me no right no right they soon

776

00:44:24,680 --> 00:44:22,290

yeah yeah

777

00:44:30,890 --> 00:44:24,690

what who did I think they were who did I

778

00:44:34,970 --> 00:44:30,900

think that I was very far that was 1990

779

00:44:36,740 --> 00:44:34,980

said this before way before I got

780

00:44:42,710 --> 00:44:36,750

involved in the UFO community and it was

781

00:44:44,810 --> 00:44:42,720

oh well no he had to my operation at far

782

00:44:46,690 --> 00:44:44,820

because I had all you know you chill

783

00:44:49,700 --> 00:44:46,700

MERS and the army units checking out

784

00:44:52,340 --> 00:44:49,710

when I come round the third you face

785

00:44:55,250 --> 00:44:52,350

but when I come round I were in a

786

00:44:59,270 --> 00:44:55,260

darkened room and this room look [h__\h]

787

00:45:02,180 --> 00:44:59,280

massive and it were darkened and I

788

00:45:05,330 --> 00:45:02,190

remember I've gone right at an appalled

789

00:45:09,710 --> 00:45:05,340

in this little Chinese man come running

790

00:45:14,330 --> 00:45:09,720

over but yeah the dark the black ray

791

00:45:16,820 --> 00:45:14,340

eyes and it was just that moment that it

792

00:45:18,890 --> 00:45:16,830

might have been a few seconds and a

793

00:45:21,710 --> 00:45:18,900

panic and a lot you know trying to fight

794

00:45:24,620 --> 00:45:21,720

him off but then it will again then I

795

00:45:27,650 --> 00:45:24,630

knew we were a little Chinese man but

796

00:45:31,240 --> 00:45:27,660

why would I have seen those black eyes

797

00:45:35,810 --> 00:45:31,250

under the circumstances in previous

798

00:45:38,810 --> 00:45:35,820

moments where I've loved that done me by

799

00:45:40,730 --> 00:45:38,820

then you know what I mean so that's

800

00:45:45,440 --> 00:45:40,740

probably where I freaked out and saw

801
00:45:49,820 --> 00:45:45,450
that you know you remind me of I won't

802
00:45:51,430 --> 00:45:49,830
mention the name km and her experiences

803
00:45:53,660 --> 00:45:51,440
she might

804
00:45:55,310 --> 00:45:53,670
she's such a Jewish oh of me I don't

805
00:46:00,140 --> 00:45:55,320
know if she'll do a video with me

806
00:46:02,270 --> 00:46:00,150
yeah but I've known her right from 2005

807
00:46:03,730 --> 00:46:02,280
as well it's like we all found each

808
00:46:07,460 --> 00:46:03,740
other as soon as we find each other

809
00:46:09,320 --> 00:46:07,470
there's no letting go yeah yeah my all

810
00:46:12,050 --> 00:46:09,330
the people that were with me when the

811
00:46:15,470 --> 00:46:12,060
first started talking right in 2005

812
00:46:18,830 --> 00:46:15,480
you know the car people still with me

813
00:46:21,470 --> 00:46:18,840

today yeah in years like a consignment

814

00:46:25,559 --> 00:46:21,480

is one of them Italia

815

00:46:28,440 --> 00:46:25,569

pretty sure you fo sho and the first one

816

00:46:30,540 --> 00:46:28,450

in 2005 which was my first ever UFO

817

00:46:33,870 --> 00:46:30,550

conference and I went on my own I just

818

00:46:36,900 --> 00:46:33,880

thought I just have to I can't you know

819

00:46:41,339 --> 00:46:36,910

I've got um I've got at least how I mean

820

00:46:43,170 --> 00:46:41,349

I mean in seasons in the UI furs and I

821

00:46:46,440 --> 00:46:43,180

was sat with Jeanette France and I was

822

00:46:48,630 --> 00:46:46,450

sat with Jason I don't know if Jason was

823

00:46:51,480 --> 00:46:48,640

talking now maybe somebody was talking

824

00:46:57,650 --> 00:46:51,490

but I was sat with Paul and Annette

825

00:47:01,349 --> 00:46:57,660

France John Hanson and Dom and I

826

00:47:03,569 --> 00:47:01,359

remember who else but I said oh yeah

827

00:47:05,220 --> 00:47:03,579

Andrews and Paul so stay friends I

828

00:47:06,930 --> 00:47:05,230

thought were the first people that and

829

00:47:10,079 --> 00:47:06,940

then and they kind of cuz I was on my

830

00:47:13,620 --> 00:47:10,089

own so I took me come sit with us you

831

00:47:15,660 --> 00:47:13,630

know so I did and I saw what's up I

832

00:47:19,740 --> 00:47:15,670

could feel like somebody was trying to

833

00:47:22,349 --> 00:47:19,750

get into my head I had trained ya know

834

00:47:28,349 --> 00:47:22,359

someone's like staring at you like you

835

00:47:31,589 --> 00:47:28,359

could feel it I didn't want to be too

836

00:47:33,089 --> 00:47:31,599

obvious she's not mean I'm I really am I

837

00:47:35,730 --> 00:47:33,099

just a crazy person at this point in

838

00:47:38,130 --> 00:47:35,740

time I thought I was mad yeah okay

839

00:47:46,170 --> 00:47:38,140

looking around and then the end I was

840

00:47:48,510 --> 00:47:46,180

like this I don't know who isn't the

841

00:47:50,339 --> 00:47:48,520

doctor what they want in my head so I

842

00:47:53,099 --> 00:47:50,349

put my hand up to kind of protect me

843

00:47:55,440 --> 00:47:53,109

brain anyway whoever it was who was

844

00:47:56,700 --> 00:47:55,450

talking stop talking and that could

845

00:48:08,579 --> 00:47:56,710

properly look rather than those like

846

00:48:10,680 --> 00:48:08,589

that and he's like good feeling when he

847

00:48:20,400 --> 00:48:10,690

was like going like Sasha knows I said

848

00:48:22,740 --> 00:48:20,410

look at me turn around so you know we

849

00:48:29,370 --> 00:48:22,750

went top we don't talk for years and

850

00:48:32,609 --> 00:48:29,380

then on someone went way you never you

851
00:48:34,920 --> 00:48:32,619
know you live alone say you don't

852
00:48:38,670 --> 00:48:34,930
once I think when she found that

853
00:49:01,079 --> 00:48:38,680
either if that's alive ya know sometimes

854
00:49:02,339 --> 00:49:01,089
we might not talk for Korea around me

855
00:49:05,940 --> 00:49:02,349
24/7

856
00:49:09,089 --> 00:49:05,950
you know I'm a Facebook ad or carry it

857
00:49:11,339 --> 00:49:09,099
around with me cuz I have a slide hey

858
00:49:14,250 --> 00:49:11,349
you know what I mean otherwise I'd go

859
00:49:15,660 --> 00:49:14,260
mental well people go oh my god I didn't

860
00:49:17,069 --> 00:49:15,670
know any all this about you how come I

861
00:49:20,069 --> 00:49:17,079
didn't know about this cuz I don't wear

862
00:49:22,620 --> 00:49:20,079
it like a costume yeah yeah that's a

863
00:49:25,500 --> 00:49:22,630

queued up it's my life it's what I've

864

00:49:29,309 --> 00:49:25,510

been through it's not who I am

865

00:49:31,230 --> 00:49:29,319

yeah exactly I got a lot of personas on

866

00:49:32,730 --> 00:49:31,240

Facebook you don't get to know about the

867

00:49:36,870 --> 00:49:32,740

real lives you don't get to know about

868

00:49:39,319 --> 00:49:36,880

any of them so like I'll get friend

869

00:49:43,319 --> 00:49:39,329

requests and I think that I

870

00:49:46,799 --> 00:49:43,329

after these shows I think that expecting

871

00:49:49,620 --> 00:49:46,809

me page you know me pages are full of

872

00:49:52,799 --> 00:49:49,630

full of paranormal stuff and it's not

873

00:49:56,579 --> 00:49:52,809

you know no Nagaina my face somewhere

874

00:49:58,620 --> 00:49:56,589

but the majority this is this on Archer

875

00:50:02,339 --> 00:49:58,630

now all these you know episodes that

876

00:50:04,829 --> 00:50:02,349

we've done it's the most ever ever in my

877

00:50:08,400 --> 00:50:04,839

life besides talking about it your

878

00:50:10,980 --> 00:50:08,410

personal way is it's what I've done you

879

00:50:13,589 --> 00:50:10,990

know what I mean I I beat ya be none of

880

00:50:15,260 --> 00:50:13,599

the shores but I've never got as far as

881

00:50:19,680 --> 00:50:15,270

what I have now

882

00:50:23,099 --> 00:50:19,690

to be done yeah now I'm repair gym full

883

00:50:28,440 --> 00:50:23,109

of paranormals and ets I'm sorry but

884

00:50:30,710 --> 00:50:28,450

it's not cuz I Who I am is on that page

885

00:50:36,599 --> 00:50:30,720

you know what I mean on my Facebook page

886

00:50:40,109 --> 00:50:36,609

you know yeah I use Facebook as a coping

887

00:50:43,260 --> 00:50:40,119

mechanism really well on it I am on it

888

00:50:44,390 --> 00:50:43,270

often I go through periods like yeah not

889

00:50:48,839 --> 00:50:44,400

on it

890

00:51:01,259 --> 00:50:57,120

Jobin in all aliens tomar videos now you

891

00:51:04,769 --> 00:51:01,269

know he's like I was just searching at

892

00:51:06,719 --> 00:51:04,779

one point talking I think we got you a

893

00:51:12,140 --> 00:51:06,729

period of where we just need to talk and

894

00:51:14,460 --> 00:51:12,150

talk and talk and talk and then people

895

00:51:16,650 --> 00:51:14,470

it's like right I need to hear from you

896

00:51:18,539 --> 00:51:16,660

I've heard from you oh my god you've me

897

00:51:21,120 --> 00:51:18,549

to talk to so-and-so you need to talk to

898

00:51:23,279 --> 00:51:21,130

service' we all need to get together we

899

00:51:27,509 --> 00:51:23,289

are you know that there's some people

900

00:51:30,289 --> 00:51:27,519

now and I'll see him there's that happen

901
00:51:33,390 --> 00:51:30,299
to them and then so it's like you two

902
00:51:35,579 --> 00:51:33,400
medicines [h__h] like you Bullock

903
00:51:37,079 --> 00:51:35,589
Kinsella I want to get Phil on with you

904
00:51:38,969 --> 00:51:37,089
I was going to do recording with him on

905
00:51:42,329 --> 00:51:38,979
something but I just felt so wiped out

906
00:51:47,819 --> 00:51:42,339
so I'll have them in knock it in a

907
00:51:50,099 --> 00:51:47,829
little bit you know but we so I've

908
00:51:53,249 --> 00:51:50,109
called it offers we will do it but I

909
00:51:54,650 --> 00:51:53,259
want to get all the people talking like

910
00:51:58,709 --> 00:51:54,660
worth talking now

911
00:52:00,479 --> 00:51:58,719
yeah Jen I want you to talk to parlor

912
00:52:02,370 --> 00:52:00,489
about this or you to talks feel about

913
00:52:04,349 --> 00:52:02,380

that I want you to start to feel about

914

00:52:07,799 --> 00:52:04,359

that so there's there's crossovers that

915

00:52:11,039 --> 00:52:07,809

I'm seeing do everybody and having none

916

00:52:14,430 --> 00:52:11,049

and no I'm feel very long but the rest

917

00:52:17,059 --> 00:52:14,440

I've known a long time so it's like when

918

00:52:21,749 --> 00:52:17,069

you know I get to know the whole story

919

00:52:23,910 --> 00:52:21,759

then when they is somebody else say and

920

00:52:29,279 --> 00:52:23,920

I thought he had a suit and the helmet

921

00:52:31,979 --> 00:52:29,289

elements like boom you know I think it's

922

00:52:34,430 --> 00:52:31,989

important without all the other noise of

923

00:52:36,930 --> 00:52:34,440

all the other people being involved in

924

00:52:38,489 --> 00:52:36,940

changing conversations as a kind of like

925

00:52:40,950 --> 00:52:38,499

unfolding on face but you can't really

926
00:52:44,969 --> 00:52:40,960
do it because someone I'm coming in to

927
00:52:48,509 --> 00:52:44,979
get right off cast so I feel like this

928
00:52:51,690 --> 00:52:48,519
is the only way a do it we can get it

929
00:52:53,219 --> 00:52:51,700
done and you know you knew but the

930
00:52:57,719 --> 00:52:53,229
others as well and I don't mean in like

931
00:53:01,300 --> 00:52:57,729
a miles Johnston Amash know he only of

932
00:53:04,590 --> 00:53:01,310
that kind of way this is a

933
00:53:09,630 --> 00:53:04,600
teas talkin top deputies and it's not

934
00:53:14,890 --> 00:53:12,490
sounds that we found ourselves in yeah

935
00:53:17,050 --> 00:53:14,900
the only the only thing that was you

936
00:53:19,360 --> 00:53:17,060
know that we aren't planting shells as

937
00:53:23,560 --> 00:53:19,370
such of it we've just done them in order

938
00:53:25,870 --> 00:53:23,570

the best where we can yes you know we

939

00:53:28,270 --> 00:53:25,880

want it to be authentic don't want it to

940

00:53:33,030 --> 00:53:28,280

be all no we

941

00:53:40,150 --> 00:53:33,040

it's just this is like raw meditate just

942

00:53:45,880 --> 00:53:40,160

as was our real life and not pretend not

943

00:53:48,250 --> 00:53:45,890

polished not nothing just nothing and

944

00:53:50,020 --> 00:53:48,260

just as it is because I'm nearly choked

945

00:53:56,880 --> 00:53:50,030

on my lemon tea only here but I managed

946

00:54:07,320 --> 00:54:00,610

think we're going to start talking about

947

00:54:11,260 --> 00:54:07,330

your experiences after this sure but

948

00:54:13,900 --> 00:54:11,270

what we want to do is get some of the

949

00:54:18,990 --> 00:54:13,910

pictures I've got you know what I've

950

00:54:23,320 --> 00:54:19,000

been through some ways yeah you know

951
00:54:25,600 --> 00:54:23,330
somewhere because it's alright I was

952
00:54:29,260 --> 00:54:25,610
talking about it and you're kind of

953
00:54:31,120 --> 00:54:29,270
getting so yes some idea but to actually

954
00:54:32,770 --> 00:54:31,130
show yeah you can't get in it was brain

955
00:54:35,080 --> 00:54:32,780
so we'd have to show you

956
00:54:43,420 --> 00:54:35,090
you know um pictures that have drawn and

957
00:54:48,250 --> 00:54:43,430
stuff like that yeah we might do a

958
00:54:49,920 --> 00:54:48,260
second edit of each original recording

959
00:54:54,340 --> 00:54:49,930
where Oh

960
00:54:56,290 --> 00:54:54,350
imagery in yeah yeah I'm a it the

961
00:54:59,770 --> 00:54:56,300
science yeah I know some other stuff

962
00:55:03,010 --> 00:54:59,780
that I will be saying yeah because I was

963
00:55:05,110 --> 00:55:03,020

you know had experiences and then found

964

00:55:12,270 --> 00:55:05,120

out years like this is a natural thing

965

00:55:16,200 --> 00:55:12,280

now you know but years after the fact

966

00:55:19,050 --> 00:55:16,210

I mean it's also when we're talking

967

00:55:21,390 --> 00:55:19,060

about as experiences that these also the

968

00:55:26,190 --> 00:55:21,400

aspects of its spirit coming in away

969

00:55:28,410 --> 00:55:26,200

because I believe it's all connected but

970

00:55:30,720 --> 00:55:28,420

we have to talk about that as well so

971

00:55:32,850 --> 00:55:30,730

it's not all going to be abductions and

972

00:55:40,590 --> 00:55:32,860

you know we've got it up all things

973

00:55:47,270 --> 00:55:40,600

paranormal I really do I'm interested I

974

00:55:56,520 --> 00:55:51,680

stuff that we've been to you know and

975

00:56:00,000 --> 00:55:56,530

all of us have paranormal has just been

976
00:56:01,950 --> 00:56:00,010
so bizarre yeah oh you need to write a

977
00:56:07,320 --> 00:56:01,960
book you need to write books okay you

978
00:56:09,660 --> 00:56:07,330
won't believe it to stage now what I

979
00:56:16,890 --> 00:56:09,670
don't care whether believe it or not I'm

980
00:56:19,530 --> 00:56:16,900
not a year so change anybody's mind you

981
00:56:22,830 --> 00:56:19,540
know to prove oh because I can't prove

982
00:56:28,920 --> 00:56:22,840
it um but I'm just to get my side of the

983
00:56:31,320 --> 00:56:28,930
story out to anybody else and see if

984
00:56:34,860 --> 00:56:31,330
they can make more of it in the

985
00:56:37,230 --> 00:56:34,870
scientific way we could because of our

986
00:56:38,700 --> 00:56:37,240
knowledge base isn't you know like that

987
00:56:42,750 --> 00:56:38,710
blue flashing light thing that might

988
00:56:45,450 --> 00:56:42,760

mean something to somebody small or a

989

00:56:48,030 --> 00:56:45,460

big it's the somebody out there who

990

00:56:51,120 --> 00:56:48,040

thought that things that we say openly

991

00:56:54,120 --> 00:56:51,130

be triggers for that oh I thought that

992

00:56:57,000 --> 00:56:54,130

and i've got that yeah yeah i hope i

993

00:56:59,700 --> 00:56:57,010

mean we can't guarantee that he's gonna

994

00:57:03,720 --> 00:56:59,710

spread that wide and far you know in her

995

00:57:05,670 --> 00:57:03,730

at least some someone somewhere you've

996

00:57:07,140 --> 00:57:05,680

got something relatable it's got some

997

00:57:09,870 --> 00:57:07,150

information that would make something

998

00:57:13,110 --> 00:57:09,880

that we've said make more sense yeah

999

00:57:15,840 --> 00:57:13,120

EMU's because we can't say there's no

1000

00:57:19,680 --> 00:57:15,850

definitive we can just talk in

1001
00:57:24,540 --> 00:57:19,690
probabilities and possibilities and you

1002
00:57:26,660 --> 00:57:24,550
know we can't know the actuality but we

1003
00:57:32,570 --> 00:57:26,670
might be able to figure

1004
00:57:39,840 --> 00:57:32,580
something yeah we just want to try

1005
00:57:44,850 --> 00:57:39,850
younger answers me saying have the eyes

1006
00:57:50,100 --> 00:57:44,860
work is then telling me that but is that

1007
00:57:53,220 --> 00:57:50,110
deception or is a I cannot personally

1008
00:57:56,070 --> 00:57:53,230
say that in my own brain I could not

1009
00:58:01,260 --> 00:57:56,080
make that up either so there's some

1010
00:58:08,250 --> 00:58:01,270
truth to it but is it under percent you

1011
00:58:15,180 --> 00:58:08,260
know no no the nature of it we can

1012
00:58:21,450 --> 00:58:15,190
suspect the other if somebody said what

1013
00:58:24,450 --> 00:58:21,460

is it no I I'm not gonna you know I mean

1014

00:58:28,740 --> 00:58:24,460

I could assume but I can say yeah it's

1015

00:58:30,720 --> 00:58:28,750

definitely that no I'm sorry oh yeah the

1016

00:58:33,690 --> 00:58:30,730

physical every girl you can touch them

1017

00:58:34,620 --> 00:58:33,700

they can touch here physical so there's

1018

00:58:36,240 --> 00:58:34,630

nothing spirit

1019

00:58:38,130 --> 00:58:36,250

alright so people building belief

1020

00:58:39,810 --> 00:58:38,140

systems around it's I believe in the

1021

00:58:44,570 --> 00:58:39,820

belief system around the dentist or

1022

00:58:47,360 --> 00:58:44,580

doctor apologist yeah you know I mean

1023

00:58:52,350 --> 00:58:47,370

it's a physical thing they are

1024

00:58:57,620 --> 00:58:52,360

physically real and did not drink it's

1025

00:59:01,050 --> 00:58:59,250

it's just dreams

1026

00:59:03,270 --> 00:59:01,060

if James traumatized people like this

1027

00:59:07,230 --> 00:59:03,280

science is woefully behind in the study

1028

00:59:09,840 --> 00:59:07,240

of this damaging condition that ruins my

1029

00:59:13,590 --> 00:59:09,850

eyes just cuz I don't dream I don't

1030

00:59:17,010 --> 00:59:13,600

believe it you cannot let as the end of

1031

00:59:18,960 --> 00:59:17,020

your name doctor oh you can have these

1032

00:59:22,350 --> 00:59:18,970

magnificent where is it under your name

1033

00:59:24,840 --> 00:59:22,360

you can look academia you can have all

1034

00:59:29,310 --> 00:59:24,850

this [h__h] going on in your life but

1035

00:59:31,520 --> 00:59:29,320

with the real scientists oz because

1036

00:59:34,040 --> 00:59:31,530

we're actually [h__h] going through it

1037

00:59:39,750 --> 00:59:34,050

they're walking living breathing

1038

00:59:44,370 --> 00:59:42,660

it's off there's no room for us because

1039

00:59:46,410 --> 00:59:44,380

we're upset about it there's no room for

1040

00:59:48,240 --> 00:59:46,420

us because we're angry oh my god no

1041

00:59:49,890 --> 00:59:48,250

negative go away we don't like your

1042

00:59:50,640 --> 00:59:49,900

negativity don't talk to her she's so

1043

00:59:54,210 --> 00:59:50,650

negative

1044

01:00:01,830 --> 00:59:54,220

she's a hostile abductee [h__h] right

1045

01:00:05,400 --> 01:00:01,840

yeah my life my life you know my

1046

01:00:07,680 --> 01:00:05,410

relationships with people depends on the

1047

01:00:11,099 --> 01:00:07,690

level of PTSD that I'm going through at

1048

01:00:17,190 --> 01:00:11,109

any point in time and how well I'm

1049

01:00:19,770 --> 01:00:17,200

managing myself okay it's telling me

1050

01:00:21,359 --> 01:00:19,780

that I have to it's just because you're

1051
01:00:23,460 --> 01:00:21,369
so negative is because you're negative

1052
01:00:26,970 --> 01:00:23,470
it's happening to you know I'm wrong

1053
01:00:33,590 --> 01:00:26,980
like this I'm hurt I'm damaged I've been

1054
01:00:38,609 --> 01:00:36,930
yeah not tell me how I can and can't

1055
01:00:44,580 --> 01:00:38,619
feel about it don't tell me I can't be

1056
01:00:46,590 --> 01:00:44,590
angry about it and everyone I'll check

1057
01:00:49,500 --> 01:00:46,600
it different I got saying that you're

1058
01:00:54,090 --> 01:00:49,510
gonna bet you know everyone's gonna be

1059
01:00:56,250 --> 01:00:54,100
all figuring that but then you know

1060
01:00:59,250 --> 01:00:56,260
everyone everyone I'm a bit stronger

1061
01:01:01,680 --> 01:00:59,260
than you like that you know what I mean

1062
01:01:04,890 --> 01:01:01,690
but you do it I said that I ants off the

1063
01:01:14,520 --> 01:01:04,900

doll that trauma you know I've kind of

1064

01:01:18,120 --> 01:01:14,530

looked to control but not you know to

1065

01:01:19,859 --> 01:01:18,130

contain it all and then have a normal

1066

01:01:21,780 --> 01:01:19,869

life and be normal and then people have

1067

01:01:23,849 --> 01:01:21,790

expectations of you about how you should

1068

01:01:26,520 --> 01:01:23,859

and shouldn't be ever no you shouldn't

1069

01:01:29,730 --> 01:01:26,530

said tell me how I come and can't talk

1070

01:01:32,460 --> 01:01:29,740

about my promise

1071

01:01:34,410 --> 01:01:32,470

it's a [h__h] privilege actually I'm

1072

01:01:36,750 --> 01:01:34,420

even telling you don't tell me how to

1073

01:01:44,060 --> 01:01:36,760

tell you oh I'm sorry am i upsetting

1074

01:01:48,250 --> 01:01:44,070

your news feed my life this is my actual

1075

01:01:53,590 --> 01:01:51,100

want to destroy me and you so we a

1076

01:01:55,660 --> 01:01:53,600

malfunction that much that we can't talk

1077

01:01:57,850 --> 01:01:55,670

and then they can carry on with their

1078

01:02:00,490 --> 01:01:57,860

fakery because when you get in your

1079

01:02:02,410 --> 01:02:00,500

chamber and a fake Gucci bag next to

1080

01:02:06,850 --> 01:02:02,420

each other you can tell which is the

1081

01:02:08,740 --> 01:02:06,860

real one which is the [h__h] yeah yeah you

1082

01:02:12,790 --> 01:02:08,750

know I'll be sanitized I should have the

1083

01:02:16,090 --> 01:02:12,800

same the UFO community is censored it's

1084

01:02:18,220 --> 01:02:16,100

ruled by an elite group it would

1085

01:02:20,560 --> 01:02:18,230

probably Human Centipede and they just

1086

01:02:22,300 --> 01:02:20,570

feed each other each other's [h__h] and

1087

01:02:24,070 --> 01:02:22,310

then whatever spews out of the other end

1088

01:02:40,740 --> 01:02:24,080

we're supposed to be grateful for and

1089

01:02:51,850 --> 01:02:43,720

telling us how we can and can't be you

1090

01:02:53,440 --> 01:02:51,860

know our information is selling it on I

1091

01:02:55,990 --> 01:02:53,450

was shut up

1092

01:02:58,120 --> 01:02:56,000

because I my name on one okay are young

1093

01:03:00,730 --> 01:02:58,130

and this helping you make that you can

1094

01:03:03,490 --> 01:03:00,740

swear it met you can [h__h] at my

1095

01:03:05,650 --> 01:03:03,500

facebook do what the [h__h] you like but

1096

01:03:08,500 --> 01:03:05,660

I'm still standing and I'll [h__h] stay

1097

01:03:12,610 --> 01:03:08,510

here yeah and I will speak as much as I

1098

01:03:14,350 --> 01:03:12,620

want about my life a little opaque all

1099

01:03:18,280 --> 01:03:14,360

trauma all good

1100

01:03:20,860 --> 01:03:18,290

I ain't stopping for nobody normally I

1101

01:03:25,330 --> 01:03:20,870

will not let everything that I have been

1102

01:03:26,320 --> 01:03:25,340

through be for nothing and and just let

1103

01:03:28,360 --> 01:03:26,330

it go to waste

1104

01:03:31,150 --> 01:03:28,370

how did you manage to cope well actually

1105

01:03:33,370 --> 01:03:31,160

it was micromanagement but these are the

1106

01:03:35,710 --> 01:03:33,380

little tiny tools that I've used to stop

1107

01:03:37,390 --> 01:03:35,720

myself from going completely insane you

1108

01:03:38,920 --> 01:03:37,400

know I've had all the therapies throw

1109

01:03:41,830 --> 01:03:38,930

myself in front of all the doctors I

1110

01:03:43,360 --> 01:03:41,840

wish I was a crazy person because then

1111

01:03:45,100 --> 01:03:43,370

they would be able to treat me and give

1112

01:03:46,990 --> 01:03:45,110

me some drugs and tell me how to live

1113

01:03:49,300 --> 01:03:47,000

and everything will be fine but I've

1114

01:03:51,490 --> 01:03:49,310

thrown myself and my last therapy said

1115

01:03:52,780 --> 01:03:51,500

to me Sasha there's no cure for sanity

1116

01:04:01,630 --> 01:03:52,790

you're going to have to learn to live in

1117

01:04:03,630 --> 01:04:01,640

your own skin yeah anybody I'm mad

1118

01:04:06,160 --> 01:04:03,640

but it's the only place I've got to hide

1119

01:04:10,299 --> 01:04:06,170

to six new hiding places

1120

01:04:14,019 --> 01:04:10,309

I don't know and I'm to almost be just

1121

01:04:16,839 --> 01:04:14,029

crazy yeah my only there's my only

1122

01:04:21,640 --> 01:04:16,849

safety zones is hiding behind something

1123

01:04:24,579 --> 01:04:21,650

I just I don't know my brain goes you

1124

01:04:35,920 --> 01:04:24,589

don't actually know that Sasha the

1125

01:04:38,499 --> 01:04:35,930

intellectual thing body goes you didn't

1126

01:04:43,180 --> 01:04:38,509

see an alien so you don't actually know

1127

01:04:46,440 --> 01:04:43,190

for part you know I'm trying to stop

1128

01:04:54,190 --> 01:04:46,450

doing that to myself I want to try and

1129

01:04:56,140 --> 01:04:54,200

deliver there is a context if I didn't

1130

01:04:57,729 --> 01:04:56,150

go to work in the morning which at the

1131

01:05:02,229 --> 01:04:57,739

moment I can't work because of what

1132

01:05:05,470 --> 01:05:02,239

locked me down sheets going on but we're

1133

01:05:08,890 --> 01:05:05,480

up served me work getting up for work

1134

01:05:11,160 --> 01:05:08,900

and having a not switch off because I

1135

01:05:16,269 --> 01:05:11,170

had to go into that work environment

1136

01:05:19,299 --> 01:05:16,279

that is what served me and if you know

1137

01:05:22,499 --> 01:05:19,309

and now because I learn to control it

1138

01:05:25,210 --> 01:05:22,509

off at you yes by going forward and by

1139

01:05:27,099 --> 01:05:25,220

switching off right if I'm watching

1140

01:05:28,749 --> 01:05:27,109

YouTube I'm not watching all these

1141

01:05:31,089 --> 01:05:28,759

sci-fi [h__h] you know what I mean I'm

1142

01:05:33,729 --> 01:05:31,099

watching of the things you know what I

1143

01:05:36,220 --> 01:05:33,739

mean there's nothing I do with it and

1144

01:05:38,620 --> 01:05:36,230

that say of me as well so it's learning

1145

01:05:40,900 --> 01:05:38,630

to control get you know control switch

1146

01:05:45,519 --> 01:05:40,910

that bit off and put that bit on you

1147

01:05:47,109 --> 01:05:45,529

know what I mean yeah everyone controls

1148

01:05:48,819 --> 01:05:47,119

it different some people still can't

1149

01:05:51,489 --> 01:05:48,829

control it because they're going through

1150

01:05:55,390 --> 01:05:51,499

what we went through a year ago

1151
01:05:58,029 --> 01:05:55,400
seven years ago you know and and you

1152
01:06:01,539 --> 01:05:58,039
know there are we all get to that stage

1153
01:06:02,229 --> 01:06:01,549
we've been through it but we had come

1154
01:06:04,779 --> 01:06:02,239
out of it

1155
01:06:08,640 --> 01:06:04,789
we've just learned it control it that

1156
01:06:13,599 --> 01:06:10,599
whereas before we weren't we weren't

1157
01:06:15,730 --> 01:06:13,609
being able to do they wanted to get out

1158
01:06:19,000 --> 01:06:15,740
there but it's

1159
01:06:20,650 --> 01:06:19,010
being trying to make sense of it I mean

1160
01:06:23,770 --> 01:06:20,660
we've got so many conversations I mean

1161
01:06:26,020 --> 01:06:23,780
the minute we get together it's all be

1162
01:06:28,480 --> 01:06:26,030
platinum going over it or going over and

1163
01:06:30,850 --> 01:06:28,490

go oh well maybe well we can take this

1164

01:06:33,880 --> 01:06:30,860

away from that that they know about

1165

01:06:36,640 --> 01:06:33,890

events ahead of time and little tiny

1166

01:06:40,180 --> 01:06:36,650

things like this give us some sort of

1167

01:06:42,670 --> 01:06:40,190

clues but we re-examine and we examine

1168

01:06:45,370 --> 01:06:42,680

and we examine our experiences together

1169

01:06:47,290 --> 01:06:45,380

her and then it's like make me a little

1170

01:06:50,980 --> 01:06:47,300

realizations about things

1171

01:06:53,200 --> 01:06:50,990

No thank you I went to bed on oxide and

1172

01:06:57,310 --> 01:06:53,210

then woke up on that side up how did

1173

01:07:02,620 --> 01:06:57,320

that happen you know but things by

1174

01:07:06,280 --> 01:07:02,630

myself you need somebody to bounce off I

1175

01:07:13,870 --> 01:07:06,290

think sometime soon you know okay get it

1176

01:07:26,380 --> 01:07:13,880

all out yes I love to start my [h__\h] in
