

1  
00:00:09,449 --> 00:00:06,300  
there we go we are recording hello

2  
00:00:14,750 --> 00:00:09,459  
everyone this is episode 10 part 1

3  
00:00:18,390 --> 00:00:14,760  
Sascha Chris J this is my chronology now

4  
00:00:20,550 --> 00:00:18,400  
parlours well I was given a salary T

5  
00:00:24,990 --> 00:00:20,560  
stuff and not a lot of the paranormal

6  
00:00:26,760 --> 00:00:25,000  
which we will go back and touches yes

7  
00:00:29,790 --> 00:00:26,770  
you know because probably stuff I say

8  
00:00:35,239 --> 00:00:29,800  
will trigger stuff in your head from

9  
00:00:40,200 --> 00:00:35,249  
what you've got to put up way yeah so

10  
00:00:46,309 --> 00:00:40,210  
yeah right mines mostly paranormal at

11  
00:00:52,590 --> 00:00:50,579  
every UFO and ete oh I don't remember

12  
00:00:55,049 --> 00:00:52,600  
much as I've got a couple of little

13  
00:00:56,639 --> 00:00:55,059

memories which augo answer I've got a

14

00:00:59,389 --> 00:00:56,649

few things written to Anita writes went

15

00:01:04,369 --> 00:00:59,399

down that I remember just a second ago I

16

00:01:08,160 --> 00:01:04,379

got involved with a Kaos temple nights

17

00:01:10,080 --> 00:01:08,170

you know weird way wasn't actually part

18

00:01:14,069 --> 00:01:10,090

of the temple I wasn't an initiate I

19

00:01:16,880 --> 00:01:14,079

wasn't you know K up not unofficial but

20

00:01:20,609 --> 00:01:16,890

I did do some stuff with them and also

21

00:01:23,099 --> 00:01:20,619

my magical working groups so you know

22

00:01:25,109 --> 00:01:23,109

like people who say oh he did magic keep

23

00:01:28,649 --> 00:01:25,119

attracted it to here but it's been

24

00:01:31,170 --> 00:01:28,659

around me since I was a kid so that

25

00:01:35,190 --> 00:01:31,180

argument falls on its ass completely cuz

26

00:01:39,139 --> 00:01:35,200

about this from even literally a baby

27

00:01:41,669 --> 00:01:39,149

they cared so I was born in November

28

00:01:48,419 --> 00:01:41,679

1970 I was actually born on the day of

29

00:01:51,090 --> 00:01:48,429

the dead that doesn't surprise me so I

30

00:01:58,080 --> 00:01:51,100

think you know sometimes I wonder about

31

00:02:06,389 --> 00:01:58,090

that girl would you side I should be on

32

00:02:13,449 --> 00:02:06,399

in November and I didn't want to come

33

00:02:19,250 --> 00:02:16,520

yeah I was talking to Phil Costello

34

00:02:24,259 --> 00:02:19,260

about a book that I read called et 101

35

00:02:26,150 --> 00:02:24,269

and it's like a you know like a manual

36

00:02:28,070 --> 00:02:26,160

for people who weren't paying attention

37

00:02:31,339 --> 00:02:28,080

in class we father came to earth to be

38

00:02:32,420 --> 00:02:31,349

human and it's for me because it's like

39

00:02:35,780 --> 00:02:32,430

walk-ins

40

00:02:47,949 --> 00:02:35,790

there's like crawling and I said I'm not

41

00:02:52,819 --> 00:02:47,959

crawling the crawl out it's too scary so

42

00:02:56,150 --> 00:02:52,829

when I was on I'm not sure what happened

43

00:02:59,830 --> 00:02:56,160

but anyway we ended up living in Leake

44

00:03:05,180 --> 00:03:02,930

basically being a complete [h\_\_\h] it

45

00:03:08,180 --> 00:03:05,190

got knocked down after not in that many

46

00:03:10,580 --> 00:03:08,190

years because it was that bad the

47

00:03:12,110 --> 00:03:10,590

convict maternity Hank so make of that

48

00:03:17,000 --> 00:03:12,120

what you will it was that kind of place

49

00:03:19,039 --> 00:03:17,010

lots of people on benefits but people

50

00:03:22,069 --> 00:03:19,049

with low wages good my father owned

51  
00:03:24,319 --> 00:03:22,079  
houses I think you know most people who

52  
00:03:26,720 --> 00:03:24,329  
ended up in there were kind of like my

53  
00:03:32,180 --> 00:03:26,730  
parents you know just young couples of

54  
00:03:35,809 --> 00:03:32,190  
the baby so like I say I was born back

55  
00:03:38,990 --> 00:03:35,819  
end of 1970 so at some point in my

56  
00:03:44,150 --> 00:03:39,000  
little baby doom I used to go dysphasia

57  
00:03:46,520 --> 00:03:44,160  
vanish from my car and you know they

58  
00:03:49,430 --> 00:03:46,530  
would literally ransack the entire

59  
00:03:53,270 --> 00:03:49,440  
flight looking for me and I can remember

60  
00:03:54,620 --> 00:03:53,280  
the flash it was quite a size then I'm

61  
00:03:56,479 --> 00:03:54,630  
gonna show if they did phone the police

62  
00:03:59,809 --> 00:03:56,489  
other ones and I found the police and I

63  
00:04:02,479 --> 00:03:59,819

just walked up behind them and found me

64

00:04:05,180 --> 00:04:02,489

in a wardrobe remember them really old

65

00:04:07,220 --> 00:04:05,190

wood and heavy walnut wardrobes know

66

00:04:09,490 --> 00:04:07,230

they had this wardrobe you what would

67

00:04:12,199 --> 00:04:09,500

you open you had all these little

68

00:04:16,759 --> 00:04:12,209

drawers ll and these little signs and

69

00:04:19,789 --> 00:04:16,769

cranky chief and all that kind of thing

70

00:04:24,590 --> 00:04:19,799

it was like not very similar like that

71

00:04:29,890 --> 00:04:24,600

yeah and on it and

72

00:04:34,100 --> 00:04:29,900

so I am worth a few Bob that now anyway

73

00:04:38,240 --> 00:04:34,110

and it was it took me dad and another

74

00:04:43,150 --> 00:04:38,250

man to my dad you know massive six foot

75

00:04:45,830 --> 00:04:43,160

three richest house basically so it took

76

00:04:48,560 --> 00:04:45,840

two people to move that wardrobe that

77

00:04:51,170 --> 00:04:48,570

was the wild joke I ended up in under

78

00:04:53,540 --> 00:04:51,180

blankets with the - shot I mean out put

79

00:05:01,280 --> 00:04:53,550

shut the door don't know and there was a

80

00:05:05,630 --> 00:05:01,290

baby so it weird so we have a lot of

81

00:05:08,120 --> 00:05:05,640

memories in that place like well I don't

82

00:05:10,330 --> 00:05:08,130

I don't remember a lot of anything weird

83

00:05:14,600 --> 00:05:10,340

but there's one thing that happened and

84

00:05:17,510 --> 00:05:14,610

my whole body screams that it was

85

00:05:18,800 --> 00:05:17,520

influenced this place where we lived was

86

00:05:23,780 --> 00:05:18,810

very negative there was a lot of

87

00:05:25,610 --> 00:05:23,790

negative stuff going on as if some this

88

00:05:28,670 --> 00:05:25,620

black guy was kicking my mom starring

89

00:05:30,590 --> 00:05:28,680

right that doesn't work she found the

90

00:05:31,730 --> 00:05:30,600

police just said somebody was kicking

91

00:05:32,840 --> 00:05:31,740

her dog she didn't know who it was she

92

00:05:37,520 --> 00:05:32,850

just knew someone he was kicking her

93

00:05:38,990 --> 00:05:37,530

during this guy and they said it's my

94

00:05:40,640 --> 00:05:39,000

mom that she was just trying to get him

95

00:05:42,530 --> 00:05:40,650

in trouble I'm pretending that she

96

00:05:45,200 --> 00:05:42,540

didn't know who he was and that she did

97

00:05:49,430 --> 00:05:45,210

know who he was you know and that just

98

00:05:50,930 --> 00:05:49,440

being trouble trying to get him arrested

99

00:05:53,540 --> 00:05:50,940

for nothing because she's falling out

100

00:05:55,760 --> 00:05:53,550

with him or whatever so if the police

101  
00:05:59,630 --> 00:05:55,770  
didn't believe women which it was the

102  
00:06:03,470 --> 00:05:59,640  
seventies I mean you know but that was

103  
00:06:05,390 --> 00:06:03,480  
the can't place it was so this one

104  
00:06:11,870 --> 00:06:05,400  
particular - need to drink one asked

105  
00:06:15,440 --> 00:06:11,880  
Andre so at least a tequila day it was

106  
00:06:20,810 --> 00:06:15,450  
too far for November 1974 which was two

107  
00:06:24,020 --> 00:06:20,820  
days after my fast birthday and so I was

108  
00:06:28,550 --> 00:06:24,030  
four years old two days boggling the Day

109  
00:06:30,380 --> 00:06:28,560  
of the Dead castle would be one time so

110  
00:06:33,170 --> 00:06:30,390  
I remember every single thing about this

111  
00:06:34,970 --> 00:06:33,180  
like it's like literally isn't I was

112  
00:06:38,330 --> 00:06:34,980  
thinking about earlier it's like this is

113  
00:06:41,480 --> 00:06:38,340

so clear in my head

114

00:06:43,430 --> 00:06:41,490

like like looking at you I haven't

115

00:06:45,860 --> 00:06:43,440

probably haven't got another memory as

116

00:06:48,409 --> 00:06:45,870

clear as this insert it's like Karma's

117

00:06:50,930 --> 00:06:48,419

like my body's telling me something as I

118

00:06:53,210 --> 00:06:50,940

I can't say this for sure I think this

119

00:06:55,850 --> 00:06:53,220

was an influenced event think about how

120

00:06:58,640 --> 00:06:55,860

negative the place was where I lived and

121

00:07:01,129 --> 00:06:58,650

then I get Macy's attract negative

122

00:07:04,370 --> 00:07:01,139

things that place would have been

123

00:07:11,530 --> 00:07:04,380

crawling like it is in Bradford down it

124

00:07:14,030 --> 00:07:11,540

you know that I could not yeah so anyway

125

00:07:17,750 --> 00:07:14,040

so my mom and dad have gone out and my

126

00:07:21,469 --> 00:07:17,760

uncle is babysit him and far I sleep in

127

00:07:23,420 --> 00:07:21,479

their bed with them and I would always

128

00:07:24,920 --> 00:07:23,430

get out of my bed and you know end up

129

00:07:27,020 --> 00:07:24,930

screaming running into their room for

130

00:07:30,529 --> 00:07:27,030

whatever reason but they said they've

131

00:07:32,659 --> 00:07:30,539

gone out so remember when I would

132

00:07:35,860 --> 00:07:32,669

remember seeing a bottle on top of this

133

00:07:40,640 --> 00:07:35,870

on well not I think it was well not

134

00:07:44,840 --> 00:07:40,650

cupboard yeah what's that

135

00:07:47,960 --> 00:07:44,850

so I went and got the stool no my mom at

136

00:07:50,090 --> 00:07:47,970

this kidney-shaped dressing table would

137

00:07:52,430 --> 00:07:50,100

have like three mirrors on it and it had

138

00:07:54,379 --> 00:07:52,440

a long Curt and went to the other little

139

00:07:56,810 --> 00:07:54,389

flowers I mean it was like actually the

140

00:08:01,250 --> 00:07:56,820

same color as your top yeah a little

141

00:08:04,339 --> 00:08:01,260

flowers on that yeah that's a pale green

142

00:08:06,140 --> 00:08:04,349

and the stool itself also had the

143

00:08:09,260 --> 00:08:06,150

curtain thing on there really Chris a

144

00:08:11,150 --> 00:08:09,270

yeah and then so that's there underneath

145

00:08:13,070 --> 00:08:11,160

the window then there's my dad's bed

146

00:08:15,260 --> 00:08:13,080

next to the bed is this coffee table

147

00:08:18,260 --> 00:08:15,270

that my dad's made which is basically

148

00:08:22,040 --> 00:08:18,270

just four bits of foie gras with a flat

149

00:08:34,399 --> 00:08:22,050

top on it and some tiles yeah yeah

150

00:08:36,829 --> 00:08:34,409

everything what I got the stool and I

151

00:08:39,230 --> 00:08:36,839

put it on the coffee table I got on the

152

00:08:41,449 --> 00:08:39,240

bed I got on the stool and I got off on

153

00:08:43,219 --> 00:08:41,459

that cupboard and I got them tablets I

154

00:08:46,850 --> 00:08:43,229

hope them this help didn't have

155

00:08:50,420 --> 00:08:46,860

childproof leads in the 70s it was top

156

00:08:51,740 --> 00:08:50,430

and remember putting him in my mouth and

157

00:08:55,340 --> 00:08:51,750

count into 10

158

00:09:00,830 --> 00:08:55,350

and we talk excited to burn it back come

159

00:09:06,410 --> 00:09:00,840

back up on the cupboard got off got the

160

00:09:08,360 --> 00:09:06,420

stool put it back laid on the bed I mean

161

00:09:12,400 --> 00:09:08,370

woman dad came back however many hours

162

00:09:15,980 --> 00:09:12,410

later as a four-year-old I'd taken ten

163

00:09:20,150 --> 00:09:15,990

mo garden tablets sleeping tablets of my

164

00:09:21,710 --> 00:09:20,160

mom son won't tell me about this I don't

165

00:09:26,930 --> 00:09:21,720

really know the full story

166

00:09:28,790 --> 00:09:26,940

yeah I was in a coma and I don't you

167

00:09:32,210 --> 00:09:28,800

know I don't know if I was clinically

168

00:09:34,940 --> 00:09:32,220

dead at any point but anyway I was in a

169

00:09:40,580 --> 00:09:34,950

very bad way and I almost didn't live in

170

00:09:44,510 --> 00:09:40,590

fact it's bit of a miracle I did survive

171

00:09:47,720 --> 00:09:44,520

ten Malka dongs cuz so super tablets in

172

00:09:54,980 --> 00:09:47,730

the seventh is you know heavy-duty jumps

173

00:09:59,480 --> 00:09:54,990

anyway so it's so clear in my head I

174

00:10:00,620 --> 00:09:59,490

feel like you know when you body you

175

00:10:03,290 --> 00:10:00,630

feel like your body's telling you

176  
00:10:04,790 --> 00:10:03,300  
something and I'm Gary mumble friends

177  
00:10:07,220 --> 00:10:04,800  
doing nothing that it does like you

178  
00:10:09,440 --> 00:10:07,230  
can't accept that as as an actual aid

179  
00:10:11,960 --> 00:10:09,450  
because you don't know it you just think

180  
00:10:13,940 --> 00:10:11,970  
it as I can I don't think this I'm not

181  
00:10:16,730 --> 00:10:13,950  
thinking this I'm feeling it my thoughts

182  
00:10:18,440 --> 00:10:16,740  
are going you don't know that but you

183  
00:10:22,700 --> 00:10:18,450  
know it's my body that it's making my

184  
00:10:28,960 --> 00:10:22,710  
brain they set this thing so you know

185  
00:10:31,790 --> 00:10:28,970  
anyway I think because the fun event I

186  
00:10:36,950 --> 00:10:31,800  
opened a door that the doors meet opens

187  
00:10:40,190 --> 00:10:36,960  
yeah yeah you know you go over there and

188  
00:10:43,940 --> 00:10:40,200

you come back I mean in some cultures

189

00:10:46,220 --> 00:10:43,950

that have a name for me I would be some

190

00:10:50,900 --> 00:10:46,230

shadow a walker or something like that

191

00:10:56,829 --> 00:10:50,910

probably and I think that's probably why

192

00:10:59,750 --> 00:10:56,839

about all these paranormal stuff I mean

193

00:11:01,910 --> 00:10:59,760

you know in the cut where are you going

194

00:11:03,510 --> 00:11:01,920

in the car man you know some people just

195

00:11:05,340 --> 00:11:03,520

got you just

196

00:11:08,600 --> 00:11:05,350

not fortunately but you just saying you

197

00:11:11,010 --> 00:11:08,610

know where else but I don't really but

198

00:11:12,630 --> 00:11:11,020

don't believe it because I've seen so

199

00:11:15,720 --> 00:11:12,640

much stuff and I have tries to convince

200

00:11:18,260 --> 00:11:15,730

every doctor in the world that I'm a

201  
00:11:24,420 --> 00:11:18,270  
crazy person and non-living Maracana

202  
00:11:26,850 --> 00:11:24,430  
exactly you know really I'd really

203  
00:11:28,080 --> 00:11:26,860  
thought a lot of mine and nobody all of

204  
00:11:29,640 --> 00:11:28,090  
the people that I've ever watched any

205  
00:11:31,530 --> 00:11:29,650  
video of me

206  
00:11:34,230 --> 00:11:31,540  
ending me saying anything and then

207  
00:11:36,450 --> 00:11:34,240  
questioning my sanity if I times like my

208  
00:11:37,950 --> 00:11:36,460  
attend it might be somewhere near the

209  
00:11:41,220 --> 00:11:37,960  
amount of times I've questioned my own

210  
00:11:43,830 --> 00:11:41,230  
son that a so I don't walk around going

211  
00:11:57,200 --> 00:11:43,840  
I know this is a fact and I'm like

212  
00:12:01,500 --> 00:11:57,210  
worker are just stranger from history so

213  
00:12:02,730 --> 00:12:01,510

another time I'm in that flat my mom had

214

00:12:06,270 --> 00:12:02,740

some friends I think they were Carl

215

00:12:08,190 --> 00:12:06,280

Katherine Jed and that woman dad had

216

00:12:10,500 --> 00:12:08,200

gone out and left we were staying there

217

00:12:13,050 --> 00:12:10,510

and then we were in the room and my

218

00:12:14,550 --> 00:12:13,060

sister you know topping and tailing and

219

00:12:18,690 --> 00:12:14,560

the bed but there was no Kurt and at the

220

00:12:21,330 --> 00:12:18,700

window I'm like LEDs I can't sleep can't

221

00:12:23,190 --> 00:12:21,340

sleep oh I could never sleep used to

222

00:12:25,440 --> 00:12:23,200

play little games in me Ed and breathing

223

00:12:33,390 --> 00:12:25,450

things I found out as an adult learn

224

00:12:36,030 --> 00:12:33,400

meditation techniques anyway so I'm

225

00:12:38,370 --> 00:12:36,040

staring at this light out of this window

226

00:12:40,890 --> 00:12:38,380

it's quite a long you know quite a long

227

00:12:42,930 --> 00:12:40,900

window and I'm just looking up at the

228

00:12:45,210 --> 00:12:42,940

lightness I can see the other sadness

229

00:12:49,140 --> 00:12:45,220

flats the walkway as you can see there's

230

00:12:51,960 --> 00:12:49,150

like you know like oh the lights that

231

00:12:53,910 --> 00:12:51,970

they have it's not like come from the

232

00:12:58,410 --> 00:12:53,920

same an hour from the wall but not you

233

00:13:01,770 --> 00:12:58,420

can't really see you know so I could see

234

00:13:04,350 --> 00:13:01,780

the opposite balcony just the top of it

235

00:13:06,000 --> 00:13:04,360

and the top of the building and then I

236

00:13:09,870 --> 00:13:06,010

was looking at this light and I thought

237

00:13:11,640 --> 00:13:09,880

I'm gonna make that like get bigger and

238

00:13:12,900 --> 00:13:11,650

I'm gonna make it you know I was just so

239

00:13:15,420 --> 00:13:12,910

I'm gonna make it get bigger and I

240

00:13:16,889 --> 00:13:15,430

stared he got we get and bigger and

241

00:13:19,049 --> 00:13:16,899

bigger and bigger and bigger

242

00:13:23,329 --> 00:13:19,059

and it like fill the whole window so the

243

00:13:27,900 --> 00:13:23,339

whole window was white right duh I was

244

00:13:33,989 --> 00:13:27,910

far maybe at the time my head I thought

245

00:13:37,109 --> 00:13:33,999

I have superpowers fly downstairs at

246

00:13:41,699 --> 00:13:37,119

stunned it's up at 6 days and let's

247

00:13:44,429 --> 00:13:41,709

start flying and a jump but I'd always

248

00:13:47,460 --> 00:13:44,439

think the wall at the bar oh no I never

249

00:13:51,720 --> 00:13:47,470

got anywhere but I honestly because of

250

00:13:55,549 --> 00:13:51,730

the plane incidence I always thought

251

00:13:57,780 --> 00:13:55,559

that in this slide I could actually fly

252

00:14:00,299 --> 00:13:57,790

just totally freaked me out

253

00:14:03,689 --> 00:14:00,309

I was talking to Philip Kinsella there

254

00:14:06,150 --> 00:14:03,699

before yesterday and I was little

255

00:14:09,210 --> 00:14:06,160

it used to piss me off that I couldn't

256

00:14:12,179 --> 00:14:09,220

fly and I would be like playing around

257

00:14:14,609 --> 00:14:12,189

in my head I knew I could fly and I

258

00:14:23,100 --> 00:14:14,619

couldn't see where why can't I do it

259

00:14:25,889 --> 00:14:23,110

now used to run like mad that I couldn't

260

00:14:32,340 --> 00:14:25,899

do it and it's really really agitate me

261

00:14:35,910 --> 00:14:32,350

because I think you can do it but

262

00:14:38,999 --> 00:14:35,920

obviously not in this yeah and that's

263

00:14:42,119 --> 00:14:39,009

exactly what I would like I took stakes

264

00:14:47,610 --> 00:14:42,129

and then used to run fanatic get it top

265

00:14:49,379 --> 00:14:47,620

start looking fluffy me arms out there

266

00:14:51,869 --> 00:14:49,389

but it's the only way that I'm you but I

267

00:14:52,769 --> 00:14:51,879

knew I could fly but obviously I

268

00:14:55,199 --> 00:14:52,779

couldn't

269

00:15:16,710 --> 00:14:55,209

so I'd end up with in a heap vomits

270

00:15:21,720 --> 00:15:16,720

Tatsumi so yeah that was that then we

271

00:15:24,720 --> 00:15:21,730

moved to a cottage which was 300 years

272

00:15:30,540 --> 00:15:24,730

old in secrecy right all right safe

273

00:15:32,700 --> 00:15:30,550

craft so if I was old you'll give me

274

00:15:34,320 --> 00:15:32,710

where it is well because I want to

275

00:15:44,010 --> 00:15:34,330

goggle it and see what's around that

276

00:15:47,820 --> 00:15:44,020

area you know yeah so right so we bought

277

00:15:54,510 --> 00:15:47,830

this house three years old now it was

278

00:15:59,370 --> 00:15:54,520

just a little cottage brick you know it

279

00:16:02,430 --> 00:15:59,380

was like maybe about ten and this was

280

00:16:04,590 --> 00:16:02,440

the old old village and our house was

281

00:16:08,760 --> 00:16:04,600

called at the time stocks rise it was

282

00:16:11,340 --> 00:16:08,770

three stocks rise number three and the

283

00:16:15,690 --> 00:16:11,350

yeah I think he maybe had something to

284

00:16:17,610 --> 00:16:15,700

do with local village law whatever you

285

00:16:19,890 --> 00:16:17,620

know with it being the stock because it

286

00:16:23,490 --> 00:16:19,900

was literally the stocks the next to the

287

00:16:28,170 --> 00:16:23,500

house so maybe somebody who lived in

288

00:16:31,950 --> 00:16:28,180

that house meted out justice or whatever

289

00:16:33,540 --> 00:16:31,960

not know yeah so been mom in mama she

290

00:16:36,150 --> 00:16:33,550

said that I remember even telling us

291

00:16:39,690 --> 00:16:36,160

that she'd woken up and she'd seen these

292

00:16:42,960 --> 00:16:39,700

fluorescent green like corkscrews that

293

00:16:45,360 --> 00:16:42,970

were like pigs tails but there was just

294

00:16:48,740 --> 00:16:45,370

loads of them they were all like all in

295

00:16:53,370 --> 00:16:48,750

the air and just turning you know like

296

00:16:55,140 --> 00:16:53,380

Nick in the bedroom in their bedroom

297

00:16:58,080 --> 00:16:55,150

right right yeah

298

00:17:00,650 --> 00:16:58,090

when we moved in this house right it was

299

00:17:04,170 --> 00:17:00,660

like a mistake

300

00:17:04,590 --> 00:17:04,180

they literally the steps came out of the

301  
00:17:06,990 --> 00:17:04,600  
world

302  
00:17:08,670 --> 00:17:07,000  
there was no banister on this side it

303  
00:17:11,610 --> 00:17:08,680  
was just like planks of wood sticking

304  
00:17:13,290 --> 00:17:11,620  
out in the wall which we made the hatch

305  
00:17:15,449 --> 00:17:13,300  
bigger because it was just like one up

306  
00:17:18,060 --> 00:17:15,459  
one down basically so the minute the

307  
00:17:19,770 --> 00:17:18,070  
hunt again and put the staircase so you

308  
00:17:21,510 --> 00:17:19,780  
opened the door and then there was the

309  
00:17:25,860 --> 00:17:21,520  
staircase he said they've opening the

310  
00:17:27,750 --> 00:17:25,870  
door and they steps up coming out of

311  
00:17:29,790 --> 00:17:27,760  
like that this world now I don't even

312  
00:17:32,150 --> 00:17:29,800  
remember the steps coming out of that

313  
00:17:36,980 --> 00:17:32,160

wall I have no memory of that at all

314

00:17:39,060 --> 00:17:36,990

that's important so we moved and we once

315

00:17:40,620 --> 00:17:39,070

there was something to split the bedroom

316

00:17:42,330 --> 00:17:40,630

at the split the top floor so there's

317

00:17:44,100 --> 00:17:42,340

been with us bedroom a bedroom and a

318

00:17:47,340 --> 00:17:44,110

really tiny bathroom week

319

00:17:52,590 --> 00:17:47,350

just fit the loo sink in a shower and

320

00:17:55,020 --> 00:17:52,600

you're like oh yeah I think we only even

321

00:17:59,910 --> 00:17:55,030

had to Corrine for a while on that door

322

00:18:01,740 --> 00:17:59,920

but anyway so my mom's in their bedroom

323

00:18:03,450 --> 00:18:01,750

and she's seen all these green Karp's

324

00:18:05,910 --> 00:18:03,460

groups you can see that I can remember

325

00:18:08,789 --> 00:18:05,920

that we always a little weird things

326

00:18:11,130 --> 00:18:08,799

happening push them off all of them

327

00:18:13,049 --> 00:18:11,140

because it was so common we just switch

328

00:18:15,630 --> 00:18:13,059

a girl like oh that was you know wait

329

00:18:18,299 --> 00:18:15,640

yeah yeah that's like well now once that

330

00:18:20,360 --> 00:18:18,309

number 16 which is unlisted for people

331

00:18:24,900 --> 00:18:20,370

of Darkness to live on the same street

332

00:18:27,210 --> 00:18:24,910

which 16 is opposite and my house was

333

00:18:29,669 --> 00:18:27,220

very much like that one it's a Sheena

334

00:18:33,200 --> 00:18:29,679

not as bad here but it were really bad

335

00:18:41,970 --> 00:18:33,210

over there for things like that oh yeah

336

00:18:47,640 --> 00:18:41,980

it's a lot worse than that yeah yeah

337

00:18:50,730 --> 00:18:47,650

yeah moments and times so right that was

338

00:18:53,700 --> 00:18:50,740

the green at some point in time in

339

00:18:58,140 --> 00:18:53,710

living in that house right

340

00:18:59,850 --> 00:18:58,150

he used to leave the house all the time

341

00:19:02,700 --> 00:18:59,860

in the middle of the night mom and dad

342

00:19:04,680 --> 00:19:02,710

had to hide the keys because I was just

343

00:19:06,870 --> 00:19:04,690

going out in the middle of the night

344

00:19:08,340 --> 00:19:06,880

getting you know getting dressed and I

345

00:19:11,159 --> 00:19:08,350

could remember waiting for people to go

346

00:19:13,260 --> 00:19:11,169

to sleep and listening because know who

347

00:19:14,909 --> 00:19:13,270

was coming up the stairs even if it was

348

00:19:16,230 --> 00:19:14,919

my dad spends every single one of them

349

00:19:20,090 --> 00:19:16,240

people it needs to come around to our

350

00:19:24,180 --> 00:19:20,100

ass and knew by the sound it was yeah

351

00:19:27,000 --> 00:19:24,190

noise over another like that's Keith

352

00:19:31,380 --> 00:19:27,010

that's Peter yeah cuz I could never

353

00:19:32,430 --> 00:19:31,390

sleep so yeah I believe the house in the

354

00:19:34,049 --> 00:19:32,440

middle of night when everyone had come

355

00:19:36,840 --> 00:19:34,059

to sleep so the silent hiding the keys

356

00:19:40,200 --> 00:19:36,850

so I went out the kitchen window because

357

00:19:42,150 --> 00:19:40,210

like it's not 300 year old cottage the

358

00:19:45,270 --> 00:19:42,160

kitchen windows about my eye off the go

359

00:19:47,159 --> 00:19:45,280

off the floor literally and so to choose

360

00:19:50,760 --> 00:19:47,169

to open it go out in the back and around

361

00:19:56,770 --> 00:19:50,770

and then I'd cross the road and go into

362

00:20:02,590 --> 00:19:56,780

the field school playing field army on

363

00:20:03,700 --> 00:20:02,600

I remember three oblong not orange not

364

00:20:08,470 --> 00:20:03,710

yellow

365

00:20:11,919 --> 00:20:08,480

not white yeah I know I can make yeah

366

00:20:14,289 --> 00:20:11,929

three oblongs like that next to each

367

00:20:16,990 --> 00:20:14,299

other right now I in my four years

368

00:20:19,810 --> 00:20:17,000

thought they were like halogen

369

00:20:21,460 --> 00:20:19,820

floodlights right and you know but

370

00:20:25,240 --> 00:20:21,470

there's never been any in Monfils

371

00:20:28,180 --> 00:20:25,250

at all ever never been any halogen

372

00:20:30,700 --> 00:20:28,190

lights and I don't even and I think back

373

00:20:34,900 --> 00:20:30,710

then that would have been extremely

374

00:20:38,770 --> 00:20:34,910

fancy for a school playing field

375

00:20:42,400 --> 00:20:38,780

laughs yeah I wasn't going what was I

376

00:20:46,840 --> 00:20:42,410

doing what were them lights anything

377

00:20:50,020 --> 00:20:46,850

after that seen those like one time

378

00:20:52,000 --> 00:20:50,030

being in the room what like what like

379

00:20:54,370 --> 00:20:52,010

walk into a room and there were all

380

00:20:55,720 --> 00:20:54,380

these kids all sat down on the floor and

381

00:20:58,630 --> 00:20:55,730

they all like sweat in there and it's

382

00:21:01,480 --> 00:20:58,640

like a puzzle the wall was like a silver

383

00:21:03,130 --> 00:21:01,490

bit had to kind of wet pink this to it

384

00:21:06,730 --> 00:21:03,140

but that's where the light came from but

385

00:21:08,140 --> 00:21:06,740

there was no like my poor no light come

386

00:21:11,830 --> 00:21:08,150

from anywhere but it's into the coming

387

00:21:14,289 --> 00:21:11,840

from the walls and I just sat down next

388

00:21:16,390 --> 00:21:14,299

to this little girl those stats Inge

389

00:21:18,250 --> 00:21:16,400

might have been from Pakistan also

390

00:21:23,140 --> 00:21:18,260

weren't sure do you know them big frilly

391

00:21:25,600 --> 00:21:23,150

dresses on not the pajamas on I remember

392

00:21:29,740 --> 00:21:25,610

I remember having like day clothes on

393

00:21:31,690 --> 00:21:29,750

and me having day clothes on so I don't

394

00:21:33,400 --> 00:21:31,700

really know what that was but no one was

395

00:21:35,470 --> 00:21:33,410

you know like kids are all know easy out

396

00:21:39,010 --> 00:21:35,480

they can't keep toddlers quiet and there

397

00:21:42,250 --> 00:21:39,020

was a lot that room and don't remember

398

00:21:45,060 --> 00:21:42,260

there being any noise so I'm doing I'm

399

00:21:47,140 --> 00:21:45,070

sitting down just opposite this girl and

400

00:21:49,750 --> 00:21:47,150

getting on with whatever it was that was

401  
00:21:53,159 --> 00:21:49,760  
in my hand which I can't remember now so

402  
00:21:59,650 --> 00:21:53,169  
you know I don't know what that was and

403  
00:22:01,630 --> 00:21:59,660  
then I remember there was started

404  
00:22:05,350 --> 00:22:01,640  
building a housing estate around us and

405  
00:22:10,090 --> 00:22:05,360  
so there was like a lot of you know

406  
00:22:12,730 --> 00:22:10,100  
cabins the workman's yeah and yes

407  
00:22:17,350 --> 00:22:12,740  
and Tyler and that acts of bricks and

408  
00:22:19,600 --> 00:22:17,360  
like said there was no safety nothing no

409  
00:22:21,370 --> 00:22:19,610  
fences nothing all's in the ground

410  
00:22:23,289 --> 00:22:21,380  
nobody there's watch any what you know

411  
00:22:26,650 --> 00:22:23,299  
it was it was a terrible terrible mess

412  
00:22:29,159 --> 00:22:26,660  
anyway I was next with a stack of bricks

413  
00:22:31,120 --> 00:22:29,169

and I just have a stick and I was just

414

00:22:32,770 --> 00:22:31,130

digging about in the world I mean a

415

00:22:36,940 --> 00:22:32,780

little think to myself about whatever I

416

00:22:41,610 --> 00:22:36,950

don't even know and looking up at the

417

00:22:45,700 --> 00:22:41,620

sky and seeing this copper looking icon

418

00:22:49,029 --> 00:22:45,710

just hang in there like so let's say if

419

00:22:55,870 --> 00:22:49,039

a little one it move laughter the size

420

00:22:58,029 --> 00:22:55,880

of eater could you kind of its it was

421

00:23:01,060 --> 00:22:58,039

very it was very small it was only like

422

00:23:02,649 --> 00:23:01,070

like that big mini from where I was I

423

00:23:04,870 --> 00:23:02,659

don't know how high up it was or

424

00:23:08,169 --> 00:23:04,880

anything I don't think it was but it was

425

00:23:08,890 --> 00:23:08,179

like shape of an egg calm yeah what was

426  
00:23:15,940 --> 00:23:08,900  
copper

427  
00:23:18,610 --> 00:23:15,950  
and then I look down and I look back up

428  
00:23:20,380 --> 00:23:18,620  
again it had gone I don't know when that

429  
00:23:27,010 --> 00:23:20,390  
Olivia might have been about six like my

430  
00:23:33,419 --> 00:23:27,020  
time in about 1976 so in that spooky

431  
00:23:39,460 --> 00:23:36,640  
in the bedroom we have bunk beds yeah

432  
00:23:41,740 --> 00:23:39,470  
yeah I would want to go to the toilet

433  
00:23:43,840 --> 00:23:41,750  
but I would look on the floor and I

434  
00:23:45,580 --> 00:23:43,850  
could see all these things slithering

435  
00:23:49,390 --> 00:23:45,590  
like this and they all fit into each

436  
00:23:52,149 --> 00:23:49,400  
other like there was a kid on the end

437  
00:23:54,100 --> 00:23:52,159  
and they are all sort of fit as they

438  
00:23:55,630 --> 00:23:54,110

moved to right across the plaza I

439

00:23:57,120 --> 00:23:55,640

wouldn't go to the toilet because

440

00:24:00,310 --> 00:23:57,130

everyone

441

00:24:03,010 --> 00:24:00,320

Hana waking up in night because I know

442

00:24:07,060 --> 00:24:03,020

damn well she saying and she walked in

443

00:24:09,549 --> 00:24:07,070

my regular news said is some bumps some

444

00:24:12,279 --> 00:24:09,559

flour and said they'd be kind of like

445

00:24:13,990 --> 00:24:12,289

figures were rising all and then they'd

446

00:24:21,060 --> 00:24:14,000

go back down and another one had to come

447

00:24:23,950 --> 00:24:21,070

up in it you know these were flat like

448

00:24:28,090 --> 00:24:23,960

but they were very wide

449

00:24:31,450 --> 00:24:28,100

snakes we kinda came to a point like

450

00:24:34,090 --> 00:24:31,460

that yeah and they're just sort of as

451  
00:24:37,150 --> 00:24:34,100  
the wiggled they were all in you know

452  
00:24:39,840 --> 00:24:37,160  
like like a pattern yeah that'd just be

453  
00:24:42,850 --> 00:24:39,850  
somewhat then I forgot about one of my

454  
00:24:49,060 --> 00:24:42,860  
abduction things and I hate that word

455  
00:24:52,300 --> 00:24:49,070  
but when I was at work once and I said

456  
00:24:54,310 --> 00:24:52,310  
omnibus enough me lunch anyway at the

457  
00:24:59,410 --> 00:24:54,320  
yard were totally amped in opposite

458  
00:25:02,290 --> 00:24:59,420  
sorry I'm back to you in life I've

459  
00:25:04,810 --> 00:25:02,300  
remembered and then I say me boss

460  
00:25:08,160 --> 00:25:04,820  
because I were in a work stepper so

461  
00:25:11,530 --> 00:25:08,170  
that's about it say it boss says and

462  
00:25:14,050 --> 00:25:11,540  
minibuses and obviously other fuel pumps

463  
00:25:17,290 --> 00:25:14,060

where you know all of the council fellow

464

00:25:20,230 --> 00:25:17,300

you've got you've been wagons and you're

465

00:25:23,740 --> 00:25:20,240

straight cleaners and so they all feel

466

00:25:26,170 --> 00:25:23,750

looking out that far and this particular

467

00:25:30,190 --> 00:25:26,180

day right nice clear sunny day no

468

00:25:34,120 --> 00:25:30,200

nobody's about and a Phase two like

469

00:25:37,960 --> 00:25:34,130

arrows white white arrows were like this

470

00:25:40,150 --> 00:25:37,970

I can't explain it's somewhat coming out

471

00:25:43,210 --> 00:25:40,160

a back end of them and they're together

472

00:25:45,790 --> 00:25:43,220

flying together one two like that and

473

00:25:47,860 --> 00:25:45,800

the co-main straight past fuel pumps and

474

00:25:50,290 --> 00:25:47,870

it's like as if the gun into an

475

00:25:52,360 --> 00:25:50,300

invisible wall you know so I got the

476

00:25:54,130 --> 00:25:52,370

middle bait the back end of it and have

477

00:26:05,410 --> 00:25:54,140

gone I don't know what the hell they're

478

00:26:08,740 --> 00:26:05,420

were they reminded me of these compared

479

00:26:10,810 --> 00:26:08,750

to the size of traffic its eyes that

480

00:26:13,030 --> 00:26:10,820

feel prompts which is pretty big they're

481

00:26:15,840 --> 00:26:13,040

probably about two vets up the fence and

482

00:26:19,980 --> 00:26:15,850

that wide and I've said they'll probably

483

00:26:25,770 --> 00:26:19,990

probably wait you know sort of pre-baked

484

00:26:28,810 --> 00:26:25,780

you know yeah what the WHA God knows

485

00:26:31,060 --> 00:26:28,820

just prompted a memory there's something

486

00:26:38,789 --> 00:26:31,070

that happened in 1999 solicitor I didn't

487

00:26:46,090 --> 00:26:42,280

all right so yes the okay little gate I

488

00:26:50,470 --> 00:26:46,100

was and so like I say we're a very small

489

00:26:52,330 --> 00:26:50,480

bathroom and I was not scared to the

490

00:26:54,720 --> 00:26:52,340

dock or anything you know I mean I was

491

00:26:58,810 --> 00:26:54,730

not happened doesn't when I got older

492

00:27:00,520 --> 00:26:58,820

there I went into the bathroom I like

493

00:27:03,070 --> 00:27:00,530

just stared in the mirror and the stared

494

00:27:04,870 --> 00:27:03,080

in me or mine so it's not like um I'm

495

00:27:06,520 --> 00:27:04,880

just there staring into this man

496

00:27:09,340 --> 00:27:06,530

remember the mirror had the bamboo frame

497

00:27:12,730 --> 00:27:09,350

and he had like all these little lines

498

00:27:21,430 --> 00:27:12,740

and a bit of like bamboo painted on the

499

00:27:23,799 --> 00:27:21,440

glass I'm Southern Comfort mirror it's

500

00:27:32,140 --> 00:27:23,809

of Uncle it reminds me then pop mirrors

501  
00:27:36,610 --> 00:27:32,150  
the ottoman post in the behind optics in

502  
00:27:38,590 --> 00:27:36,620  
the house it looked cool that quite

503  
00:27:41,350 --> 00:27:38,600  
actually because it was all bare brick

504  
00:27:44,950 --> 00:27:41,360  
with just painted over it stuff over it

505  
00:27:47,740 --> 00:27:44,960  
and then painted it white yeah Japanese

506  
00:27:50,200 --> 00:27:47,750  
art and it was like really striking

507  
00:27:56,049 --> 00:27:50,210  
stuff on the walls I remember pretty

508  
00:28:02,560 --> 00:27:56,059  
cool I'm staring myself in the eyes in

509  
00:28:05,830 --> 00:28:02,570  
spooky weird uh seven our eight ultimate

510  
00:28:08,710 --> 00:28:05,840  
like that yes I'm my face is changing

511  
00:28:10,450 --> 00:28:08,720  
changing tu-tu-tu-tu-tu changed a lot of

512  
00:28:13,330 --> 00:28:10,460  
times and then it stopped

513  
00:28:16,720 --> 00:28:13,340

ooh and it was this old man and he had

514

00:28:21,700 --> 00:28:16,730

like a bit of area and he had a big like

515

00:28:23,890 --> 00:28:21,710

white mustache maybe yeah his eyes I can

516

00:28:26,890 --> 00:28:23,900

remember the crow's feet his eyes and

517

00:28:29,500 --> 00:28:26,900

these well so she can remember it in so

518

00:28:36,280 --> 00:28:29,510

clearly and it like her white shirt and

519

00:28:38,880 --> 00:28:36,290

a shoelace I packed my pants and never

520

00:28:42,070 --> 00:28:38,890

looks in that room again it would like

521

00:28:47,190 --> 00:28:42,080

like they share like spaceship and

522

00:28:56,230 --> 00:28:52,680

mine three of em I told you earn on my

523

00:28:59,380 --> 00:28:56,240

and so David Essex leaves to air when

524

00:29:01,330 --> 00:28:59,390

I'm sorry the cat's down the guy but it

525

00:29:20,919 --> 00:29:01,340

is about him back at stunned everyday

526

00:29:22,980 --> 00:29:20,929

speaks yeah oh right yeah now the

527

00:29:26,169 --> 00:29:22,990

staircase yeah

528

00:29:27,880 --> 00:29:26,179

couple years ago I mean the cow be done

529

00:29:30,159 --> 00:29:27,890

that day it's all like this right

530

00:29:31,690 --> 00:29:30,169

me and my mom get into it dad walks

531

00:29:34,390 --> 00:29:31,700

office that's looking at the plants

532

00:29:39,250 --> 00:29:34,400

anything Adam II just can't deal with it

533

00:29:39,669 --> 00:29:39,260

right he's an atheist when you dead you

534

00:29:46,450 --> 00:29:39,679

dead

535

00:29:48,909 --> 00:29:46,460

that's it so I said to me you know I

536

00:29:51,159 --> 00:29:48,919

said that I had a out-of-body experience

537

00:29:52,899 --> 00:29:51,169

in my house I said that I just thought

538

00:29:56,440 --> 00:29:52,909

I've got to the top of the stairs and I

539

00:29:58,960 --> 00:29:56,450

went down oh [h\_\_\h]

540

00:30:02,039 --> 00:29:58,970

we're on the wrong wall stairs along the

541

00:30:04,539 --> 00:30:02,049

opposite well and they went oh he says

542

00:30:07,330 --> 00:30:04,549

yo remember when we moved in the stairs

543

00:30:09,610 --> 00:30:07,340

are on the opposite well I was like no I

544

00:30:16,600 --> 00:30:09,620

own everyone but the same opposite the

545

00:30:20,039 --> 00:30:16,610

darnit but hey we'll do rubbish or

546

00:30:23,320 --> 00:30:20,049

whatever because yeah I you know I mean

547

00:30:26,260 --> 00:30:23,330

it was definitely experience that I

548

00:30:27,539 --> 00:30:26,270

remember playing on fall of a place all

549

00:30:30,520 --> 00:30:27,549

the time

550

00:30:36,159 --> 00:30:30,530

I could never sleep so used to do it

551  
00:30:37,750 --> 00:30:36,169  
like it's I used to still do this now

552  
00:30:39,610 --> 00:30:37,760  
but I've got told by a psychic to stop

553  
00:30:43,570 --> 00:30:39,620  
it I know man

554  
00:30:45,490 --> 00:30:43,580  
and then I can make myself rock and then

555  
00:30:47,500 --> 00:30:45,500  
I rock him a spin and then I'll spin

556  
00:30:49,060 --> 00:30:47,510  
this way and I'll spin later when and I

557  
00:30:52,120 --> 00:30:49,070  
stopped myself or then I go the other

558  
00:30:54,970 --> 00:30:52,130  
way and it's a sensation only roll

559  
00:30:57,220 --> 00:30:54,980  
around well then they used to do that as

560  
00:30:59,740 --> 00:30:57,230  
a kid all the time and then I just took

561  
00:31:01,630 --> 00:30:59,750  
some point I'd feel it like in every

562  
00:31:04,120 --> 00:31:01,640  
cell it's like power boots you know like

563  
00:31:08,680 --> 00:31:04,130

you see I'm the hits campus is what it

564

00:31:14,359 --> 00:31:12,139

what cat behind it latisha me then cuz

565

00:31:18,590 --> 00:31:14,369

all I could say with these what is it

566

00:31:22,460 --> 00:31:18,600

white fella like us so much ID I know in

567

00:31:24,980 --> 00:31:22,470

in room it look like a scenario white

568

00:31:36,580 --> 00:31:24,990

snake but it's cat I think it's cat

569

00:31:42,169 --> 00:31:36,590

anywhere talking about though forgot

570

00:31:46,159 --> 00:31:42,179

spinning round so like yep laying on the

571

00:31:48,440 --> 00:31:46,169

bed at like say can I stop myself

572

00:31:50,779 --> 00:31:48,450

breathing and then I just guess I was

573

00:31:53,359 --> 00:31:50,789

getting the most shallow Express and

574

00:31:56,029 --> 00:31:53,369

then they said visualizing all kinds of

575

00:32:00,320 --> 00:31:56,039

stuff I used to visualize this brass bed

576

00:32:01,850 --> 00:32:00,330

with a like a patchwork quilt on a that

577

00:32:03,739 --> 00:32:01,860

was on and it was spinning and spinning

578

00:32:04,970 --> 00:32:03,749

and falling there spinning and falling

579

00:32:07,190 --> 00:32:04,980

that's been in the Farley then that

580

00:32:11,359 --> 00:32:07,200

would be I would try and get myself to

581

00:32:15,109 --> 00:32:11,369

sleep yeah spitting and swimming and

582

00:32:18,200 --> 00:32:15,119

flying and stuff so I was doing that a

583

00:32:20,299 --> 00:32:18,210

lot because I just I just couldn't get

584

00:32:21,919 --> 00:32:20,309

to sleep I was always the wait my mom

585

00:32:24,590 --> 00:32:21,929

said that she'd get up even when I was a

586

00:32:26,090 --> 00:32:24,600

little sad where I'd be sneaking out her

587

00:32:28,159 --> 00:32:26,100

bed to put my money's on get me

588

00:32:42,220 --> 00:32:28,169

breakfast you know sitting on the

589

00:32:45,830 --> 00:32:42,230

doorstep and mama B I mean I attack so

590

00:32:50,570 --> 00:32:45,840

the next one's actually it's one my

591

00:32:52,310 --> 00:32:50,580

granddad died and you just have to walk

592

00:32:56,509 --> 00:32:52,320

quite a little away to get the boss to

593

00:32:58,789 --> 00:32:56,519

go to school and let this man in anyway

594

00:33:01,310 --> 00:32:58,799

well as I walked up to get to see

595

00:33:04,600 --> 00:33:01,320

Crescenta to get school I would walk up

596

00:33:10,310 --> 00:33:04,610

red Meyer drive but my granddad lived

597

00:33:12,770 --> 00:33:10,320

this was after we gonna died dad before

598

00:33:16,550 --> 00:33:12,780

he died

599

00:33:19,130 --> 00:33:16,560

I have in that so anyway he comes to the

600

00:33:20,540 --> 00:33:19,140

gate he sees me coming give Mary a

601  
00:33:21,950 --> 00:33:20,550  
pomegranate you always used to give me a

602  
00:33:24,500 --> 00:33:21,960  
piece of fruit on the Marmon we had a

603  
00:33:27,860 --> 00:33:24,510  
little chat whatever that's around I got

604  
00:33:31,130 --> 00:33:27,870  
off anyway miss the boss school was like

605  
00:33:33,380 --> 00:33:31,140  
a billion miles where so I walk into

606  
00:33:36,770 --> 00:33:33,390  
school I'll just walk back home again

607  
00:33:41,600 --> 00:33:36,780  
so back back home same way around dad's

608  
00:33:43,520 --> 00:33:41,610  
gay and I stopped dead and just does any

609  
00:33:51,830 --> 00:33:43,530  
I could eat in the room with you when

610  
00:33:55,190 --> 00:33:51,840  
I'm at the island rooms that ya know I

611  
00:33:56,840 --> 00:33:55,200  
better go straight oh why why did I just

612  
00:33:58,640 --> 00:33:56,850  
walk into the gun doesn't ii that's

613  
00:34:03,410 --> 00:33:58,650

obviously boss bring me mom

614

00:34:04,700 --> 00:34:03,420

blah yeah however if i walked into his

615

00:34:17,450 --> 00:34:04,710

house and found him dead

616

00:34:20,720 --> 00:34:17,460

yeah I don't my return whether to go in

617

00:34:22,220 --> 00:34:20,730

or not which is weird because we used to

618

00:34:26,960 --> 00:34:22,230

live in Montgomery and Rhonda

619

00:34:29,149 --> 00:34:26,970

there is no reason why I would not just

620

00:34:30,619 --> 00:34:29,159

walk through that gate like you thinking

621

00:34:33,169 --> 00:34:30,629

well what going to my grandma's when you

622

00:34:35,840 --> 00:34:33,179

live there do not mean it's like that

623

00:34:42,649 --> 00:34:35,850

patient about that yeah but like you'll

624

00:34:44,960 --> 00:34:42,659

finish a little yeah I you know I just

625

00:34:47,990 --> 00:34:44,970

thought know about enough I'll go

626

00:34:50,780 --> 00:34:48,000

straight um so I won't get the phone

627

00:34:52,100 --> 00:34:50,790

call screams walk down thing and she

628

00:34:54,830 --> 00:34:52,110

says I've just got go out and walk along

629

00:34:56,840 --> 00:34:54,840

she walks out that door so she wants to

630

00:34:59,630 --> 00:34:56,850

have that door Iverson it says I was

631

00:35:05,720 --> 00:34:59,640

absolutely inconsolable daddy yeah I

632

00:35:06,680 --> 00:35:05,730

knew open met sorry when I would 21 my

633

00:35:10,190 --> 00:35:06,690

grandma died

634

00:35:12,740 --> 00:35:10,200

so wait before I had two journeys to

635

00:35:15,730 --> 00:35:12,750

Jake first premonition I add what

636

00:35:18,260 --> 00:35:15,740

Lockerbie disaster yeah

637

00:35:20,660 --> 00:35:18,270

first premonition and Mitama grandma

638

00:35:22,220 --> 00:35:20,670

about this anywhere so well I'll talk

639

00:35:26,180 --> 00:35:22,230

about that when it comes to paranormal

640

00:35:28,190 --> 00:35:26,190

side but will night

641

00:35:30,770 --> 00:35:28,200

gonna new dates like mammogram were in

642

00:35:32,720 --> 00:35:30,780

this house machinist of a big double bed

643

00:35:34,819 --> 00:35:32,730

I had the single bed in the corner which

644

00:35:36,230 --> 00:35:34,829

I had to have me mattress on the floor I

645

00:35:41,839 --> 00:35:36,240

would not have a bed

646

00:35:44,839 --> 00:35:41,849

I don't know why anyway so I had a

647

00:35:46,370 --> 00:35:44,849

really really [h\_\_h] horrible dream

648

00:35:49,700 --> 00:35:46,380

that at work all because I were at

649

00:35:54,500 --> 00:35:49,710

Bradford College doing air dressing and

650

00:35:55,730 --> 00:35:54,510

I'm in the second year when it and so I

651  
00:35:57,770 --> 00:35:55,740  
thought well I've got a crack on with

652  
00:36:00,319 --> 00:35:57,780  
this you know I mean I've got a girl B

653  
00:36:04,130 --> 00:36:00,329  
exam time soon and that's okay

654  
00:36:05,960 --> 00:36:04,140  
I always this dream and the dream that

655  
00:36:08,510 --> 00:36:05,970  
had actually physically got out of bed I

656  
00:36:10,490 --> 00:36:08,520  
looked at me grandma and I said I'm not

657  
00:36:12,770 --> 00:36:10,500  
going to college today and she said way

658  
00:36:15,829 --> 00:36:12,780  
and I went because you know well as I'm

659  
00:36:18,470 --> 00:36:15,839  
alright what's up will ya so I girls off

660  
00:36:20,960 --> 00:36:18,480  
to college this is a me dream girls off

661  
00:36:23,380 --> 00:36:20,970  
to college don't remember though about

662  
00:36:25,970 --> 00:36:23,390  
that after that away excel and then

663  
00:36:28,460 --> 00:36:25,980

telling me friends I've got that poor

664

00:36:29,750 --> 00:36:28,470

you know it when a Friday night must

665

00:36:32,720 --> 00:36:29,760

have been because it's only time when

666

00:36:34,670 --> 00:36:32,730

I'd go out and and I said to my friends

667

00:36:36,050 --> 00:36:34,680

I were worried all day me grandma's

668

00:36:38,030 --> 00:36:36,060

gonna die my grandma's gonna die you

669

00:36:42,050 --> 00:36:38,040

know and I knew it the way that it

670

00:36:43,940 --> 00:36:42,060

played out and I said are don't be silly

671

00:36:45,470 --> 00:36:43,950

you know you grandma's healthy and fit

672

00:36:47,930 --> 00:36:45,480

and this and over I should know she's

673

00:36:52,010 --> 00:36:47,940

gonna die and I stopped going out for

674

00:36:54,290 --> 00:36:52,020

about two week there come and I got out

675

00:36:58,400 --> 00:36:54,300

but you know that deja vu moment you get

676

00:37:02,180 --> 00:36:58,410

well this would a DejaVu three hours so

677

00:37:04,670 --> 00:37:02,190

I get so obeyed sets me alarm gets outta

678

00:37:08,510 --> 00:37:04,680

bed I looked at me now as I did in me

679

00:37:10,670 --> 00:37:08,520

dream and I went and she'd looked ill I

680

00:37:13,160 --> 00:37:10,680

said I'm not going to college and she

681

00:37:15,740 --> 00:37:13,170

said why not I said because you Paulie

682

00:37:16,819 --> 00:37:15,750

you can see your polyhedra quite you

683

00:37:19,250 --> 00:37:16,829

know what I mean she said oh no I'm

684

00:37:20,859 --> 00:37:19,260

alright you'll get yourself off if I

685

00:37:23,240 --> 00:37:20,869

need to meet and I'll give her a ring

686

00:37:25,309 --> 00:37:23,250

that that had made me grandma haven't

687

00:37:28,460 --> 00:37:25,319

come downstairs you know what I mean so

688

00:37:30,109 --> 00:37:28,470

I like to mines and I thought no no no

689

00:37:33,770 --> 00:37:30,119

no she's right you know she'll ring me

690

00:37:35,359 --> 00:37:33,780

sister if our opponents had got to

691

00:37:40,130 --> 00:37:35,369

college and all of a sudden I'm starting

692

00:37:43,940 --> 00:37:40,140

class and I get this it's that way

693

00:37:50,030 --> 00:37:43,950

an AMA in writing quorum e8 not I take

694

00:37:51,770 --> 00:37:50,040

it were in like that and I couldn't see

695

00:37:53,480 --> 00:37:51,780

and I'm like enough this ain't no

696

00:37:55,490 --> 00:37:53,490

migraine because I have suffered a lot

697

00:37:58,340 --> 00:37:55,500

of migraines over McGee is this ain't no

698

00:38:00,500 --> 00:37:58,350

[h\_\_h] migraine and I'm like and I'm

699

00:38:03,800 --> 00:38:00,510

feeling sick and I get so right

700

00:38:07,100 --> 00:38:03,810

Oh campaigner Yeah right Yeah right and

701  
00:38:09,350 --> 00:38:07,110  
I'm like oh god what is enough I'm gonna

702  
00:38:10,880 --> 00:38:09,360  
throw up I've got pain and me I'm with

703  
00:38:16,540 --> 00:38:10,890  
her in the Middle East you know what I

704  
00:38:19,540 --> 00:38:16,550  
mean everything was just down and about

705  
00:38:23,660 --> 00:38:19,550  
ten minutes later at teach come at da

706  
00:38:26,390 --> 00:38:23,670  
another head principal can I have a word

707  
00:38:28,460 --> 00:38:26,400  
with her Allah and teachers that well

708  
00:38:33,320 --> 00:38:28,470  
she feeling - well he could say all

709  
00:38:36,530 --> 00:38:33,330  
right you know what made this and this

710  
00:38:38,540 --> 00:38:36,540  
is no no no I don't you and and next

711  
00:38:41,060 --> 00:38:38,550  
minute I could see my sister stood

712  
00:38:44,240 --> 00:38:41,070  
behind her and I went she's dead I

713  
00:38:45,830 --> 00:38:44,250

looked up and I'll me mates alight sat

714

00:38:48,620 --> 00:38:45,840

round there and I wait she's dead

715

00:38:51,170 --> 00:38:48,630

insurer and now me it's gonna come out

716

00:38:53,420 --> 00:38:51,180

come out and I'll go no no I don't need

717

00:38:55,010 --> 00:38:53,430

to come out I know what's happened and

718

00:38:58,010 --> 00:38:55,020

literally they had to drag me out of

719

00:39:00,410 --> 00:38:58,020

that class to tell me what I'd already

720

00:39:02,900 --> 00:39:00,420

knew but even though I've told people

721

00:39:05,690 --> 00:39:02,910

already this is what's gonna happen this

722

00:39:09,050 --> 00:39:05,700

is how it's going to play out you know

723

00:39:12,440 --> 00:39:09,060

so your premonitions are there you know

724

00:39:20,060 --> 00:39:12,450

I had that one

725

00:39:21,710 --> 00:39:20,070

oh it's 2017 October I went to the

726

00:39:25,220 --> 00:39:21,720

bathroom don't know I was doing the

727

00:39:29,390 --> 00:39:25,230

bathroom to the toilet or whatever I got

728

00:39:34,600 --> 00:39:29,400

this boom my friend was dead called him

729

00:39:37,610 --> 00:39:34,610

hit I was like I know he's dead and

730

00:39:40,040 --> 00:39:37,620

anyway I was talking to my mum I said oh

731

00:39:41,810 --> 00:39:40,050

my god I've got this awful feeling awful

732

00:39:44,780 --> 00:39:41,820

he's not he's not dead he's all right

733

00:39:48,740 --> 00:39:44,790

she's but I can't it was so right all

734

00:39:52,220 --> 00:39:48,750

that omission so long and yet anyway he

735

00:39:54,270 --> 00:39:52,230

wasn't he was fine until three weeks

736

00:39:59,070 --> 00:39:54,280

later when he hung himself

737

00:40:03,360 --> 00:39:59,080

I think the day I think that would a

738

00:40:07,350 --> 00:40:03,370

nice map it's when he does he know Karl

739

00:40:08,880 --> 00:40:07,360

it going dark side yeah dark side he'd

740

00:40:15,840 --> 00:40:08,890

said that he was walking the black dog

741

00:40:20,310 --> 00:40:15,850

guy from dark side and so I he'd had an

742

00:40:22,230 --> 00:40:20,320

argument with his girlfriend really you

743

00:40:28,080 --> 00:40:22,240

know big and he it just snaps

744

00:40:30,930 --> 00:40:28,090

he had tendencies anyway bipolar but I

745

00:40:35,010 --> 00:40:30,940

knew I knew I knew and then we go out

746

00:40:36,630 --> 00:40:35,020

comes up and she went I've got to tell

747

00:40:38,520 --> 00:40:36,640

you somewhere although I and well I knew

748

00:40:42,090 --> 00:40:38,530

what she wasn't there to appear and we

749

00:40:44,310 --> 00:40:42,100

know when and she went it was like

750

00:40:47,160 --> 00:40:44,320

yesterday I knew it didn't ask

751

00:40:48,690 --> 00:40:47,170

I knew it knew it I knew it like three

752

00:40:49,080 --> 00:40:48,700

weeks and there was nothing what could I

753

00:40:51,720 --> 00:40:49,090

do

754

00:40:54,240 --> 00:40:51,730

like the time before I got a feeling

755

00:40:55,440 --> 00:40:54,250

like that about him it was off walking

756

00:40:58,830 --> 00:40:55,450

around round apparent looking for

757

00:41:01,680 --> 00:40:58,840

somewhere so I'm himself we understand I

758

00:41:04,590 --> 00:41:01,690

mean yeah and I said you know like Nkosi

759

00:41:07,950 --> 00:41:04,600

er you'll come see me or whatever yes

760

00:41:09,840 --> 00:41:07,960

such table by Carla but there's no

761

00:41:12,750 --> 00:41:09,850

mental health services for men is just

762

00:41:14,600 --> 00:41:12,760

like so [h\_\_\h] by you know if you're not

763

00:41:18,360 --> 00:41:14,610

going to jump off a roof right now then

764

00:41:21,600 --> 00:41:18,370

there's no room for you but one time you

765

00:41:24,390 --> 00:41:21,610

know I got I went to his doctors with

766

00:41:26,850 --> 00:41:24,400

him and I said he's he's gonna kill us

767

00:41:29,370 --> 00:41:26,860

absolutely this weekend he is get a

768

00:41:31,050 --> 00:41:29,380

mount now I can't do anything I can't do

769

00:41:33,240 --> 00:41:31,060

that's up to tell you what IP guys this

770

00:41:37,260 --> 00:41:33,250

weekend I'm coming for your job

771

00:41:39,090 --> 00:41:37,270

yeah she's got him in hospital so it

772

00:41:42,330 --> 00:41:39,100

seemed enough girl looking at all the

773

00:41:44,610 --> 00:41:42,340

leaflets on there a lot this gripping

774

00:41:46,080 --> 00:41:44,620

rack of all these different leaflets for

775

00:41:47,780 --> 00:41:46,090

all different types of people with

776

00:41:51,450 --> 00:41:47,790

different types of mental health issues

777

00:41:54,570 --> 00:41:51,460

single man not a thing one-legged

778

00:41:59,160 --> 00:41:54,580

Vietnamese guy people you know there was

779

00:42:02,700 --> 00:41:59,170

a looking Vietnamese amputee there and I

780

00:42:07,079 --> 00:42:02,710

was like so a Vietnamese amputee has got

781

00:42:11,309 --> 00:42:07,089

a support system but a single man hasn't

782

00:42:13,799 --> 00:42:11,319

anyway so I used to up spooky connection

783

00:42:16,229 --> 00:42:13,809

with him yeah we get that later because

784

00:42:19,739 --> 00:42:16,239

that's that said like in the name is

785

00:42:24,180 --> 00:42:19,749

it'll get to that absolutely mouth [h\_\_\h]

786

00:42:26,789 --> 00:42:24,190

happened weird right sir

787

00:42:30,630 --> 00:42:26,799

so right my granddad died now my grandma

788

00:42:32,959 --> 00:42:30,640

died at least six months before my

789

00:42:36,120 --> 00:42:32,969

granddad but she died of cancer right

790

00:42:39,269 --> 00:42:36,130

pancreatic cancer it was horrible

791

00:42:42,170 --> 00:42:39,279

you know she it took forever

792

00:42:46,259 --> 00:42:42,180

she just withered away it was just a

793

00:42:48,900 --> 00:42:46,269

rancid death yeah and I knew she was

794

00:42:51,029 --> 00:42:48,910

dead and I went to a funeral and then I

795

00:42:52,890 --> 00:42:51,039

was absolutely out broke and my girl my

796

00:42:55,319 --> 00:42:52,900

granddad to me were my absolute world

797

00:42:57,299 --> 00:42:55,329

you know my granddad was my hero he was

798

00:43:00,120 --> 00:42:57,309

in the Navy I was champion Boxter

799

00:43:03,690 --> 00:43:00,130

champion polo player you know it was a

800

00:43:07,200 --> 00:43:03,700

sergeant in the mo D and I was little

801  
00:43:09,259 --> 00:43:07,210  
you know like to me he was you know hero

802  
00:43:17,430 --> 00:43:09,269  
all the men in our family being military

803  
00:43:19,109 --> 00:43:17,440  
so you know yeah but this military and a

804  
00:43:21,450 --> 00:43:19,119  
lot of people do have that connection

805  
00:43:26,539 --> 00:43:21,460  
you know with the abduction thing and

806  
00:43:30,029 --> 00:43:26,549  
military that my sight my grandma side

807  
00:43:34,019 --> 00:43:30,039  
fewer military well it were in that time

808  
00:43:38,579 --> 00:43:34,029  
one you know but we also have that gypsy

809  
00:43:40,289 --> 00:43:38,589  
connection as well in my family there

810  
00:43:42,660 --> 00:43:40,299  
was many people who couldn't say that

811  
00:43:47,969 --> 00:43:42,670  
they weren't connected to somebody in

812  
00:43:50,459 --> 00:43:47,979  
the military as well because they say

813  
00:43:52,739 --> 00:43:50,469

you know like side of it and you say I

814

00:43:55,259 --> 00:43:52,749

don't know whether which part of the

815

00:43:58,979 --> 00:43:55,269

gypsies it Roman ER the Irish side I

816

00:44:01,319 --> 00:43:58,989

don't know but there's also some sort of

817

00:44:05,839 --> 00:44:01,329

connection with abductions in that as

818

00:44:10,709 --> 00:44:05,849

well and so it possibly yeah

819

00:44:15,959 --> 00:44:10,719

yeah yeah like say it's very small

820

00:44:18,660 --> 00:44:15,969

island and you know in the 1970s 1946

821

00:44:19,960 --> 00:44:18,670

wasn't that far away that's like talking

822

00:44:22,900 --> 00:44:19,970

about the eighties

823

00:44:24,309 --> 00:44:22,910

you know after all so stuff that

824

00:44:26,849 --> 00:44:24,319

happened in the eighties it could still

825

00:44:50,060 --> 00:44:26,859

be reeling from it now you know I mean

826

00:44:53,730 --> 00:44:53,130

again it's Janelle summer I don't get a

827

00:44:57,270 --> 00:44:53,740

cold

828

00:45:01,170 --> 00:44:57,280

oh bloody dare and then bloody neighbor

829

00:45:14,370 --> 00:45:01,180

rings it's still recording this call you

830

00:45:19,110 --> 00:45:14,380

know okay okay I'll tell you what break
