

1
00:00:13,009 --> 00:00:07,369
people I'd like to apologize for all the

2
00:00:22,450 --> 00:00:13,019
interruptions so popular I'm always

3
00:00:37,280 --> 00:00:32,690
right so okay so we're at the point in

4
00:00:40,100 --> 00:00:37,290
time where my grandma is a yonder is

5
00:00:45,430 --> 00:00:40,110
just that had a heart attack stroke

6
00:00:49,729 --> 00:00:45,440
thing yeah so because I was absolutely

7
00:00:52,670 --> 00:00:49,739
devastated when my grandma died at the

8
00:00:56,479 --> 00:00:52,680
funeral I was you know really really

9
00:00:58,849 --> 00:00:56,489
upset I can't remember it um they

10
00:01:01,700 --> 00:00:58,859
thought that probably best that I didn't

11
00:01:06,080 --> 00:01:01,710
go cynic run that's you know turn my

12
00:01:11,149 --> 00:01:06,090
head he's not really dead then the lion

13
00:01:15,469 --> 00:01:11,159

because weights of the MRD and he's got

14

00:01:17,690 --> 00:01:15,479

to run a special mission and that's

15

00:01:24,640 --> 00:01:17,700

where everyone's got to pretend that

16

00:01:30,010 --> 00:01:24,650

he's dead I absolutely believe that

17

00:01:33,230 --> 00:01:30,020

right so I won't pray you want that ya

18

00:01:36,920 --> 00:01:33,240

know so obviously that one right you

19

00:01:38,420 --> 00:01:36,930

know they were like I remember my mom

20

00:01:40,580 --> 00:01:38,430

and dad talking and wondering if she

21

00:01:42,319 --> 00:01:40,590

attempted to see child psychologist what

22

00:01:54,620 --> 00:01:42,329

I thought that was like the child

23

00:01:57,109 --> 00:01:54,630

catcher from Chitty Bang Bang oh bloody

24

00:02:00,260 --> 00:01:57,119

hell somebody's that doll now just give

25

00:02:08,859 --> 00:02:00,270

me one monster keep talking keep talking

26

00:02:38,050 --> 00:02:31,569

I will keep my sanity I will be immersed

27

00:02:41,380 --> 00:02:38,060

rama's sanity I mean really really it's

28

00:02:44,229 --> 00:02:41,390

not connected ah-ah Coakley's rule of

29

00:02:51,400 --> 00:02:44,239

virus what the hell is going on tonight

30

00:02:52,599 --> 00:02:51,410

on the English are meant to happen right

31

00:03:04,080 --> 00:02:52,609

Oh

32

00:03:15,150 --> 00:03:04,090

glitch in the matrix so okay right so

33

00:03:19,990 --> 00:03:15,160

the grandparents are dead right he's off

34

00:03:22,150 --> 00:03:20,000

saving the world so one day and the

35

00:03:23,069 --> 00:03:22,160

youth club it is important for another

36

00:03:25,750 --> 00:03:23,079

reason

37

00:03:28,089 --> 00:03:25,760

me me sister walking up to see my

38

00:03:29,890 --> 00:03:28,099

grandmother my great grandma on my mom

39

00:03:31,409 --> 00:03:29,900

psych so my grandma there were my

40

00:03:36,430 --> 00:03:31,419

grandma and granddad on my dad sighs

41

00:03:38,199 --> 00:03:36,440

yeah and it's he crafted Center there

42

00:03:40,330 --> 00:03:38,209

was a block of flats opposite the big

43

00:03:42,640 --> 00:03:40,340

shopping thing was like a walkway that

44

00:03:46,000 --> 00:03:42,650

went on and we run leaves bake run for

45

00:03:50,530 --> 00:03:46,010

the high Slammers so we were walking up

46

00:03:52,780 --> 00:03:50,540

paths from the pretty green which bit

47

00:03:58,119 --> 00:03:52,790

behind us walking up the path past the

48

00:04:00,819 --> 00:03:58,129

youth club boom sisters just a little

49

00:04:05,710 --> 00:04:00,829

bit behind me and my grandma and my

50

00:04:07,330 --> 00:04:05,720

granddad walk pastors together now he

51
00:04:11,550 --> 00:04:07,340
had at least had one of them things you

52
00:04:15,099 --> 00:04:11,560
know do the caps of the Jews where yeah

53
00:04:19,750 --> 00:04:15,109
it was it was one like a bar when he had

54
00:04:21,379 --> 00:04:19,760
been traveling and danta Vegas and we

55
00:04:23,719 --> 00:04:21,389
Grandin won the jackpot

56
00:04:25,219 --> 00:04:23,729
one of the machines so they just stayed

57
00:04:29,290 --> 00:04:25,229
and then they went all over the place

58
00:04:31,879 --> 00:04:29,300
yeah hey how come to them

59
00:04:33,379 --> 00:04:31,889
fans from sperm used to play with all

60
00:04:36,379 --> 00:04:33,389
these little things that they brought

61
00:04:39,529 --> 00:04:36,389
back these little silver need one of

62
00:04:43,189 --> 00:04:39,539
them and it was blue and red it might

63
00:04:47,499 --> 00:04:43,199

have even been anyway whatever it was

64

00:04:49,999 --> 00:04:47,509

and it was like blue felt with red

65

00:04:53,239 --> 00:04:50,009

things with the gold bits and some

66

00:04:57,140 --> 00:04:53,249

detail I can't remember on some of the

67

00:04:59,959 --> 00:04:57,150

panels you know and they add that on so

68

00:05:01,909 --> 00:04:59,969

it's not distinctive there's no way that

69

00:05:07,179 --> 00:05:01,919

it wasn't the warm that we've been

70

00:05:19,100 --> 00:05:14,179

so what pastors and or anything and I'm

71

00:05:21,110 --> 00:05:19,110

like you know and I'm gonna remember my

72

00:05:29,149 --> 00:05:21,120

granddad seeing him looking down like

73

00:05:30,860 --> 00:05:29,159

that lightly yeah I like she's just

74

00:05:32,570 --> 00:05:30,870

certain we took a couple of sacks of

75

00:05:35,809 --> 00:05:32,580

stops and I'd say around so my sister

76

00:05:40,369 --> 00:05:35,819

and I said did you see that and she went

77

00:05:41,209 --> 00:05:40,379

like that completely terrified we looked

78

00:05:44,240 --> 00:05:41,219

was nobody there

79

00:05:45,950 --> 00:05:44,250

it wasn't another couple walking away it

80

00:05:51,189 --> 00:05:45,960

was like someone Oh

81

00:05:53,779 --> 00:05:51,199

I'm like go have a look or whatever but

82

00:05:55,850 --> 00:05:53,789

so then obviously I've seen them

83

00:05:59,320 --> 00:05:55,860

together and the new my grandma was

84

00:06:02,809 --> 00:05:59,330

there's yeah even with granddad was dead

85

00:06:09,769 --> 00:06:02,819

he wasn't on the secret mission you know

86

00:06:12,019 --> 00:06:09,779

and but they youth club was run by oh my

87

00:06:15,709 --> 00:06:12,029

god I remember there used to carve a

88

00:06:20,719 --> 00:06:15,719

little it left this woman and we all

89

00:06:24,339 --> 00:06:20,729

know she used to relate with this guy

90

00:06:28,509 --> 00:06:24,349

John and we all used to go every week

91

00:06:32,779 --> 00:06:28,519

was absolutely nothing else to do and we

92

00:06:34,790 --> 00:06:32,789

would all go and we'd like yeah John had

93

00:06:37,159 --> 00:06:34,800

2 CB radio so we don't

94

00:06:41,360 --> 00:06:37,169

little girls on that and I'm shaking

95

00:06:44,710 --> 00:06:41,370

make it yeah holds and then pain the

96

00:06:48,790 --> 00:06:44,720

things remember doing that with him and

97

00:06:51,950 --> 00:06:48,800

there's all sorts of activities you know

98

00:06:54,379 --> 00:06:51,960

pretty basic but but you know it was

99

00:06:57,140 --> 00:06:54,389

just done to that was running it well

100

00:07:01,640 --> 00:06:57,150

you know when when we get forward in

101
00:07:04,999 --> 00:07:01,650
time and get some 1997 when and seeing

102
00:07:09,619 --> 00:07:05,009
Steve he's and we've got a Wales and see

103
00:07:14,020 --> 00:07:09,629
the UFOs yeah it was his uncle John that

104
00:07:21,860 --> 00:07:14,030
was the guy who was doing CB and shaking

105
00:07:24,890 --> 00:07:21,870
it was a little bit we were really

106
00:07:28,899 --> 00:07:24,900
little and then we ended swimming in

107
00:07:36,760 --> 00:07:31,189
that's when I was going out across the

108
00:07:43,850 --> 00:07:40,730
so I think we've had it going on already

109
00:07:45,499 --> 00:07:43,860
found somewhere and we just swung back

110
00:07:49,700 --> 00:07:45,509
into each other's eyes and it was one

111
00:07:53,809 --> 00:07:49,710
big like we like that forever

112
00:07:56,870 --> 00:07:53,819
still got fallout now no we don't bother

113
00:07:59,629 --> 00:07:56,880

nowt but the fallout I mean so it's

114

00:08:04,909 --> 00:07:59,639

weird al' these things and these people

115

00:08:08,390 --> 00:08:04,919

keep so swimming round nations yet it

116

00:08:13,129 --> 00:08:08,400

has what we didn't meet in secret or

117

00:08:15,200 --> 00:08:13,139

anything like that the thing I knew step

118

00:08:17,119 --> 00:08:15,210

when our little news to play with this

119

00:08:21,920 --> 00:08:17,129

girl who were like six years older than

120

00:08:24,170 --> 00:08:21,930

me oh and oh my gosh it's a stuck in the

121

00:08:27,050 --> 00:08:24,180

air and then she like six years older

122

00:08:28,969 --> 00:08:27,060

than me and you default should have well

123

00:08:31,939 --> 00:08:28,979

you know I'm about with the kids that

124

00:08:34,219 --> 00:08:31,949

were my sisters age you know to an hour

125

00:08:36,769 --> 00:08:34,229

four years older ass you know I made a

126

00:08:38,810 --> 00:08:36,779

bit older and she always on it along

127

00:08:41,509 --> 00:08:38,820

with me so anyway lose to sleep at each

128

00:08:43,339 --> 00:08:41,519

others house and the mum loved it abates

129

00:08:44,960 --> 00:08:43,349

surely you shall we said are you know

130

00:08:46,310 --> 00:08:44,970

she looks after and this I know she will

131

00:08:52,340 --> 00:08:46,320

look like

132

00:08:55,759 --> 00:08:52,350

yes lair I like not usually mean but yes

133

00:09:01,490 --> 00:08:55,769

a girl rather from now I had a date with

134

00:09:03,410 --> 00:09:01,500

a lad own council and we didn't go well

135

00:09:05,749 --> 00:09:03,420

pretty that way one day it would think

136

00:09:07,759 --> 00:09:05,759

girl well he talked about his ex all

137

00:09:14,480 --> 00:09:07,769

[h__\h] night while I were looking for

138

00:09:16,340 --> 00:09:14,490

an escape route out of approach so we

139

00:09:20,769 --> 00:09:16,350

didn't talk to each other for yet what

140

00:09:23,960 --> 00:09:20,779

is it 7 year and it's only recently that

141

00:09:26,300 --> 00:09:23,970

we started talking to each other

142

00:09:28,490 --> 00:09:26,310

so now bubbly [h__h] day away you know

143

00:09:30,650 --> 00:09:28,500

what I mean but we started looking at

144

00:09:35,449 --> 00:09:30,660

each other and it will only open it

145

00:09:38,509 --> 00:09:35,459

Sunday when he wronged me up someday

146

00:09:41,600 --> 00:09:38,519

no but it might be Sunday and he rung me

147

00:09:44,449 --> 00:09:41,610

up and he said oh are you keeping and

148

00:09:47,120 --> 00:09:44,459

all this other and went fine we run farm

149

00:09:49,220 --> 00:09:47,130

friend I would an ass and [h__h] and then

150

00:09:52,879 --> 00:09:49,230

we got on about families than that and

151

00:09:55,430 --> 00:09:52,889

this advice is that it's as I remember

152

00:09:59,000 --> 00:09:55,440

it's just me I'm in Arrhenius to play on

153

00:10:01,340 --> 00:09:59,010

your stray oh well well as a little

154

00:10:05,120 --> 00:10:01,350

collected in a thoughtful kilo it would

155

00:10:08,180 --> 00:10:05,130

ease and all that time I didn't know

156

00:10:11,420 --> 00:10:08,190

that it was his on earth that used to

157

00:10:15,350 --> 00:10:11,430

play we mean how will you do say you

158

00:10:17,559 --> 00:10:15,360

know it's like yeah you know note to do

159

00:10:19,790 --> 00:10:17,569

with abductions but it's just house

160

00:10:25,309 --> 00:10:19,800

small you know I mean you're out

161

00:10:28,670 --> 00:10:25,319

actually that's thinking small yeah and

162

00:10:35,929 --> 00:10:28,680

12 that connection from such a young age

163

00:10:40,189 --> 00:10:35,939

up until you know yeah I just don't

164

00:10:44,449 --> 00:10:40,199

believe it like so this guy John he's

165

00:10:47,090 --> 00:10:44,459

not even alive anymore kiss we all went

166

00:10:52,100 --> 00:10:47,100

we all went well we were all traumatized

167

00:10:54,410 --> 00:10:52,110

yeah yeah nothing completely I don't

168

00:10:57,410 --> 00:10:54,420

even know why I know why I am cuz I run

169

00:11:00,080 --> 00:10:57,420

from your life but nobody else had a

170

00:11:03,370 --> 00:11:00,090

traumatic moment it was all

171

00:11:08,840 --> 00:11:03,380

even though the thing was overwhelming

172

00:11:17,110 --> 00:11:08,850

when I talking to them I was surprised

173

00:11:22,970 --> 00:11:19,550

and works for charity

174

00:11:29,210 --> 00:11:22,980

well I volunteered people in action in

175

00:11:31,130 --> 00:11:29,220

Leeds and the beasts and champions with

176

00:11:34,730 --> 00:11:31,140

kids with autism and what-have-you and

177

00:11:38,600 --> 00:11:34,740

we would do role activities and and I

178

00:11:41,930 --> 00:11:38,610

was doing an art thing with them so I

179

00:11:45,790 --> 00:11:41,940

ended up being on newsletter and that

180

00:11:49,670 --> 00:11:45,800

exhibition and I was on the front page

181

00:11:52,640 --> 00:11:49,680

and John was on the back page as a

182

00:11:54,110 --> 00:11:52,650

snooze laughter and I saw him and when

183

00:11:58,790 --> 00:11:54,120

we were all there because we'd all

184

00:12:00,740 --> 00:11:58,800

fallen out it was like I saw him and I

185

00:12:03,350 --> 00:12:00,750

thought oh my god it's him it's John

186

00:12:07,820 --> 00:12:03,360

because I couldn't find than here our

187

00:12:10,730 --> 00:12:07,830

Steve I did up to John because I thought

188

00:12:15,410 --> 00:12:10,740

at the time he said it was the aurora

189

00:12:18,560 --> 00:12:15,420

borealis and we are a massive argument

190

00:12:21,320 --> 00:12:18,570

and fell out so I didn't dare talk to

191

00:12:27,730 --> 00:12:21,330

him it was he was suffering as much as I

192

00:12:30,170 --> 00:12:27,740

was I kicked myself kicked myself and

193

00:12:32,720 --> 00:12:30,180

but he didn't get in touch with me then

194

00:12:36,130 --> 00:12:32,730

we knew it were me and I knew it was in

195

00:12:38,750 --> 00:12:36,140

he kept there's no way

196

00:12:44,410 --> 00:12:38,760

weirdo things right that Apple was

197

00:12:53,060 --> 00:12:48,460

absolutely well we were well I did get a

198

00:12:57,710 --> 00:12:53,070

grant to do bigger exhibition with them

199

00:13:01,310 --> 00:12:57,720

but yeah just weird just weird though

200

00:13:05,090 --> 00:13:01,320

people keep whizzing by you know and

201
00:13:08,300 --> 00:13:05,100
they'll play like out of the blue last

202
00:13:11,030 --> 00:13:08,310
year is Stephen done you know I've never

203
00:13:12,199 --> 00:13:11,040
wanted to put them out in the firing

204
00:13:15,889 --> 00:13:12,209
line

205
00:13:18,650 --> 00:13:15,899
just to you know prove me right up not

206
00:13:22,249 --> 00:13:18,660
spook me right but to you know to back

207
00:13:25,519 --> 00:13:22,259
me up or whatever why would I want to

208
00:13:30,280 --> 00:13:25,529
subject them to this insanity and only

209
00:13:37,600 --> 00:13:30,290
one hatred in the bullying and you know

210
00:13:41,840 --> 00:13:37,610
no way so I had to concede that well I

211
00:13:45,519 --> 00:13:41,850
might always be the only one who ever

212
00:13:49,309 --> 00:13:45,529
talks about Lisa van you know he's like

213
00:13:51,739 --> 00:13:49,319

comes out of the blue boom hello and I

214

00:13:54,679 --> 00:13:51,749

want to talk about these just as Gary

215

00:13:55,970 --> 00:13:54,689

does we do a documentary on that and I

216

00:13:58,460 --> 00:13:55,980

was like yeah let's do it

217

00:13:59,600 --> 00:13:58,470

he's really good he thinks of all kinds

218

00:14:04,400 --> 00:13:59,610

of things that I would never even think

219

00:14:06,829 --> 00:14:04,410

of so they he popped up just as gary

220

00:14:08,929 --> 00:14:06,839

said you wanna do this i said i'll jorah

221

00:14:14,269 --> 00:14:08,939

do this with Gary and he was like yeah

222

00:14:17,449 --> 00:14:14,279

totally let's do it yeah so that was mad

223

00:14:19,129 --> 00:14:17,459

how I won't fit Natalie asked if anyone

224

00:14:21,769 --> 00:14:19,139

had ever done than the artwork and he

225

00:14:23,119 --> 00:14:21,779

was doing the CGI he's got a new

226

00:14:26,389 --> 00:14:23,129

software that he's getting his hair

227

00:14:35,210 --> 00:14:26,399

drowned you know so he's gonna do some

228

00:14:38,169 --> 00:14:35,220

artwork for what we saw and I have a

229

00:14:40,489 --> 00:14:38,179

child in the kitchen what you doing

230

00:14:47,480 --> 00:14:40,499

no you're not doing that just get some

231

00:14:59,720 --> 00:14:47,490

food I'm just yeah please it's alright

232

00:15:02,119 --> 00:14:59,730

okay so Finn's gonna do me out working

233

00:15:04,189 --> 00:15:02,129

yes at the same time as Gary we do a

234

00:15:07,579 --> 00:15:04,199

little documentary investigation and

235

00:15:09,859 --> 00:15:07,589

just as Steve popped up and run right I

236

00:15:14,059 --> 00:15:09,869

want to do something about this Honest

237

00:15:15,499 --> 00:15:14,069

Hearts here so we got together hops and

238

00:15:17,840 --> 00:15:15,509

talks and talks and talks

239

00:15:21,530 --> 00:15:17,850

I always thought these Tommy happened

240

00:15:25,519 --> 00:15:21,540

differently but they were like no that's

241

00:15:27,829 --> 00:15:25,529

exactly what happened with a little bit

242

00:15:34,939 --> 00:15:27,839

knocking at the outer limits conference

243

00:15:42,309 --> 00:15:34,949

in September now it's happening it's

244

00:15:47,210 --> 00:15:42,319

very funny one there's a roller virus I

245

00:15:50,900 --> 00:15:47,220

might come with yeah yeah for weekend

246

00:16:06,019 --> 00:15:50,910

Steve's talking with me please hurry up

247

00:16:10,280 --> 00:16:06,029

child so who moved that elites far a bit

248

00:16:12,559 --> 00:16:10,290

after all that it was Oh God some people

249

00:16:18,230 --> 00:16:12,569

really hurried something else really

250

00:16:23,059 --> 00:16:18,240

hurries happens and this guy tried to

251

00:16:28,420 --> 00:16:23,069

abduct me and my sister in a blue car

252

00:16:30,650 --> 00:16:28,430

Tina remember oh honey you know it Ben

253

00:16:35,119 --> 00:16:30,660

what have you been doing he doesn't it a

254

00:16:40,309 --> 00:16:35,129

lot to a lot of kids so my description

255

00:16:42,889 --> 00:16:40,319

of his car and him up some campus it was

256

00:16:47,710 --> 00:16:42,899

in like a really pale blue I think it

257

00:16:52,759 --> 00:16:47,720

was a car Tina yeah but after that my

258

00:16:53,809 --> 00:16:52,769

mom but mom was pregnant and baby was

259

00:16:57,199 --> 00:16:53,819

born stillborn

260

00:17:00,170 --> 00:16:57,209

that was another horror it all just

261

00:17:02,269 --> 00:17:00,180

sings her everything just seemed to boom

262

00:17:05,049 --> 00:17:02,279

no family left all at once

263

00:17:08,809 --> 00:17:05,059

and then that happening with that guy

264

00:17:12,139 --> 00:17:08,819

thought of losing those two as well was

265

00:17:15,500 --> 00:17:12,149

just like right especially after what

266

00:17:16,939 --> 00:17:15,510

I've done when they were far so let me

267

00:17:18,679 --> 00:17:16,949

sister her daddy really

268

00:17:20,179 --> 00:17:18,689

Harley time when she was a baby as well

269

00:17:21,020 --> 00:17:20,189

why they didn't know whether she lived

270

00:17:24,710 --> 00:17:21,030

or nothin

271

00:17:28,669 --> 00:17:24,720

but was don't know what I was want back

272

00:17:31,039 --> 00:17:28,679

scenes because she was vaccinated yeah

273

00:17:35,889 --> 00:17:31,049

it was lots of horror stories going

274

00:17:38,110 --> 00:17:35,899

around so don't know what happened there

275

00:17:43,049 --> 00:17:38,120

so

276

00:17:45,940 --> 00:17:43,059

I mean you know quite dramatic yeah

277

00:17:49,860 --> 00:17:45,950

and they decided to move out into the

278

00:17:53,740 --> 00:17:49,870

countryside and just go right we're safe

279

00:17:58,019 --> 00:17:53,750

there's no pedophiles we can get over

280

00:18:02,350 --> 00:17:58,029

everything that's going on well yeah

281

00:18:07,810 --> 00:18:02,360

going on but you know like you know they

282

00:18:13,649 --> 00:18:07,820

just wanted a fresh start the house

283

00:18:16,630 --> 00:18:13,659

called the triangle where were they

284

00:18:21,639 --> 00:18:16,640

without any weights as well no it was

285

00:18:23,169 --> 00:18:21,649

caught in North Yorkshire in a little

286

00:18:27,820 --> 00:18:23,179

village in North Yorkshire between

287

00:18:33,909 --> 00:18:27,830

Google and scum [h__h] right so relieved

288

00:18:41,110 --> 00:18:33,919

we went there yeah is this the one where

289

00:18:46,110 --> 00:18:41,120

do we the crop circle yeah but I think I

290

00:18:53,470 --> 00:18:51,180

right house called the triangle now

291

00:18:55,120 --> 00:18:53,480

there was two rooms in that house

292

00:18:57,639 --> 00:18:55,130

downstairs or there was three it was the

293

00:18:59,680 --> 00:18:57,649

kitchen it was the living room and then

294

00:19:02,279 --> 00:18:59,690

there was like the back room back room

295

00:19:06,010 --> 00:19:02,289

nobody ever wanted to be in there I

296

00:19:09,669 --> 00:19:06,020

didn't like it yeah in that room at all

297

00:19:13,389 --> 00:19:09,679

that's not what I know it was nicely

298

00:19:17,950 --> 00:19:13,399

decorated spent a lot of money you know

299

00:19:19,419 --> 00:19:17,960

it was it was a beautiful house it was

300

00:19:24,519 --> 00:19:19,429

in a little village probably only about

301
00:19:26,350 --> 00:19:24,529
200 people and houses up the road some

302
00:19:28,360 --> 00:19:26,360
of them didn't even have any electricity

303
00:19:30,519 --> 00:19:28,370
still there were two sisters who like

304
00:19:31,779 --> 00:19:30,529
they were really old you just lived like

305
00:19:35,970 --> 00:19:31,789
they always lived

306
00:19:41,049 --> 00:19:35,980
no outside toilet all that kind thing

307
00:19:44,169 --> 00:19:41,059
and we lived on a road called West End

308
00:19:46,870 --> 00:19:44,179
and at the top of West End it was a

309
00:19:49,899 --> 00:19:46,880
field road that went up that way and

310
00:19:51,880 --> 00:19:49,909
then there was a little cops of trees

311
00:19:54,510 --> 00:19:51,890
there was a Victorian bottled

312
00:19:57,190 --> 00:19:54,520
and now he's not thinking about in there

313
00:20:01,000 --> 00:19:57,200

but the top of the road it was just the

314

00:20:04,240 --> 00:20:01,010

farm and then the field and it was like

315

00:20:05,620 --> 00:20:04,250

if it's this area on a flat or is it

316

00:20:09,940 --> 00:20:05,630

quite hilly ah

317

00:20:12,880 --> 00:20:09,950

he's absolutely flat out there right and

318

00:20:15,190 --> 00:20:12,890

when the Dutch moved in they just wasn't

319

00:20:19,330 --> 00:20:15,200

that completely and they built every all

320

00:20:23,020 --> 00:20:19,340

the fields on thanks there was no

321

00:20:28,450 --> 00:20:23,030

anywhere yeah it was completely totally

322

00:20:30,730 --> 00:20:28,460

flat and so our road is I don't know

323

00:20:34,660 --> 00:20:30,740

maybe six to eight hundred yards long

324

00:20:41,890 --> 00:20:34,670

before he got to the farmer's house and

325

00:20:45,910 --> 00:20:41,900

then the dirt track and there was a tree

326

00:20:48,070 --> 00:20:45,920

with a rope swing in it put it there but

327

00:20:51,580 --> 00:20:48,080

you know he's to go on it and we were on

328

00:20:52,900 --> 00:20:51,590

the rope swing and I looked like

329

00:20:56,830 --> 00:20:52,910

swinging about and I could see these

330

00:20:59,590 --> 00:20:56,840

three perfect circles in the car so I

331

00:21:01,330 --> 00:20:59,600

don't know when I'll come look at these

332

00:21:03,220 --> 00:21:01,340

so we're running there's only another

333

00:21:04,170 --> 00:21:03,230

two of us some sister and someone can't

334

00:21:09,490 --> 00:21:04,180

remember

335

00:21:13,890 --> 00:21:09,500

and we had one each and we were running

336

00:21:16,930 --> 00:21:13,900

around it yeah carrying obviously

337

00:21:19,450 --> 00:21:16,940

farmers out just the hair it's like is

338

00:21:22,540 --> 00:21:19,460

literally like we will remain around in

339

00:21:24,460 --> 00:21:22,550

his garden I was like yeah so it comes

340

00:21:26,740 --> 00:21:24,470

out and go what are you doing out in the

341

00:21:28,390 --> 00:21:26,750

field you know so we were like oh we're

342

00:21:32,140 --> 00:21:28,400

just running around in these what is it

343

00:21:39,040 --> 00:21:32,150

and literally three perfect circles

344

00:21:40,840 --> 00:21:39,050

maybe 15 feet across each one and he

345

00:21:43,210 --> 00:21:40,850

sort of stood there and he had his hands

346

00:21:46,090 --> 00:21:43,220

on his hips and he's looking at him and

347

00:21:50,050 --> 00:21:46,100

he went because by mini tornadoes in the

348

00:21:52,720 --> 00:21:50,060

car and we went all right I run off yeah

349

00:21:55,270 --> 00:21:52,730

he took that word for it yeah yeah never

350

00:22:00,490 --> 00:21:55,280

thought anything again and so like in

351
00:22:02,380 --> 00:22:00,500
the late nineties UFO magazine and these

352
00:22:05,010 --> 00:22:02,390
crop circles on the front and I was like

353
00:22:10,650 --> 00:22:08,210
I saw that at the top of our street

354
00:22:15,780 --> 00:22:10,660
literally just wanted to see hours away

355
00:22:19,040 --> 00:22:15,790
from our house though and that's up just

356
00:22:21,990 --> 00:22:19,050
out there in the middle of nowhere and

357
00:22:25,799 --> 00:22:22,000
everyone just see the wet summer farms

358
00:22:28,380 --> 00:22:25,809
you know Cade going to school parents

359
00:22:32,130 --> 00:22:28,390
just doing the doom you know a lot of

360
00:22:34,110 --> 00:22:32,140
the women worked on the farms and and

361
00:22:36,510 --> 00:22:34,120
that's what the village was like you

362
00:22:37,620 --> 00:22:36,520
know what full of weirdos are anything

363
00:22:41,760 --> 00:22:37,630

yeah

364

00:22:45,780 --> 00:22:41,770

that's not mean weirdoes but no nobody

365

00:22:48,570 --> 00:22:45,790

you would expect like say Dean huh any

366

00:22:50,700 --> 00:22:48,580

other guys who do the crop circles you

367

00:22:53,190 --> 00:22:50,710

know down it down in Wiltshire yeah

368

00:22:56,370 --> 00:22:53,200

nobody like that lived in the village

369

00:23:01,980 --> 00:22:56,380

Oh so I thought but then I remembered

370

00:23:04,230 --> 00:23:01,990

was a couple called Ben and Fleur and I

371

00:23:05,940 --> 00:23:04,240

think they were I think they were from

372

00:23:11,400 --> 00:23:05,950

Glastonbury I think they'd moved there

373

00:23:14,520 --> 00:23:11,410

from western pieces that's in that right

374

00:23:18,630 --> 00:23:14,530

because the Athens started down that way

375

00:23:20,370 --> 00:23:18,640

doesn't it in Wiltshire and so I thought

376

00:23:25,049 --> 00:23:20,380

well maybe maybe they're done that I

377

00:23:29,760 --> 00:23:25,059

don't know no no that the comic fancy

378

00:23:35,910 --> 00:23:29,770

ones and I know no off and know some of

379

00:23:39,000 --> 00:23:35,920

the people do them and I'm not upon

380

00:23:43,430 --> 00:23:39,010

these crop circle things is where I just

381

00:23:48,150 --> 00:23:43,440

think like yeah maybe there is a

382

00:23:53,400 --> 00:23:48,160

phenomena a reason why there might

383

00:23:57,600 --> 00:23:53,410

appear naturally very simple ones I mean

384

00:24:02,549 --> 00:23:57,610

there's they is a thing called the devil

385

00:24:04,260 --> 00:24:02,559

mowing and it's a woodcut and it shows a

386

00:24:07,919 --> 00:24:04,270

crop like a crop circle but in the

387

00:24:11,190 --> 00:24:07,929

middle the devil so I wonder if come

388

00:24:14,159 --> 00:24:11,200

across this circle and thought it was

389

00:24:18,610 --> 00:24:14,169

the devil's work right yeah I get you

390

00:24:20,980 --> 00:24:18,620

yeah yeah yeah thing so I

391

00:24:23,140 --> 00:24:20,990

that if there were any like witch trials

392

00:24:30,780 --> 00:24:23,150

in connections so crop circles if these

393

00:24:37,930 --> 00:24:34,750

mm-hmm so I don't know I'm not saying

394

00:24:43,090 --> 00:24:37,940

that was anything other than it's just a

395

00:24:45,910 --> 00:24:43,100

fairly spooky time and we saw the UFO

396

00:24:48,790 --> 00:24:45,920

just a like a very very small pin light

397

00:24:51,340 --> 00:24:48,800

of sky flying erratically zigzagging

398

00:24:56,560 --> 00:24:51,350

about possibly you know from here to

399

00:24:59,080 --> 00:24:56,570

here and we had Viking radio on and

400

00:25:00,910 --> 00:24:59,090

people ringing in and saying that they

401
00:25:04,480 --> 00:25:00,920
were seeing this think is out lies there

402
00:25:07,210 --> 00:25:04,490
was just no black pollution the song yes

403
00:25:11,049 --> 00:25:07,220
this guy is amazing I don't lie it's

404
00:25:13,210 --> 00:25:11,059
just millions of stars and it was a

405
00:25:14,590 --> 00:25:13,220
summer night because we were taking the

406
00:25:15,910 --> 00:25:14,600
washing in in them it was mere mom

407
00:25:19,630 --> 00:25:15,920
that's all wait and said look at that

408
00:25:25,990 --> 00:25:19,640
also we seen these things you can about

409
00:25:29,440 --> 00:25:26,000
so Pat to me for a while was my first

410
00:25:31,660 --> 00:25:29,450
UFO thing but when I remembered about

411
00:25:34,600 --> 00:25:31,670
the one that I saw when I was you know

412
00:25:44,710 --> 00:25:34,610
thinking about in the dirt the copper a

413
00:25:53,350 --> 00:25:44,720

calm so I did not like that room

414

00:26:00,070 --> 00:25:53,360

downstairs are really funny happens now

415

00:26:03,430 --> 00:26:00,080

you know when you absolutely nothing to

416

00:26:08,140 --> 00:26:03,440

do at all so yeah me and a couple of

417

00:26:10,390 --> 00:26:08,150

girls Leslie and capture used to sort of

418

00:26:13,900 --> 00:26:10,400

roam around together a I'm just taking

419

00:26:16,530 --> 00:26:13,910

office will you sell lots of power cuts

420

00:26:19,419 --> 00:26:16,540

and it's always you know power going out

421

00:26:22,120 --> 00:26:19,429

so there were no streetlights where I'll

422

00:26:25,600 --> 00:26:22,130

work conspires together and we can see

423

00:26:31,550 --> 00:26:25,610

this dot of light it's bright orange

424

00:26:33,920 --> 00:26:31,560

light and is then you know like ace yeah

425

00:26:51,350 --> 00:26:33,930

okay classroom class to us we all

426
00:26:54,950 --> 00:26:51,360
screamed it's a and the other one was we

427
00:26:59,170 --> 00:26:54,960
didn't we each apart unless unless Li's

428
00:27:02,600 --> 00:26:59,180
bums out okay Roundtable all that

429
00:27:07,460 --> 00:27:02,610
Leslie's mom sherry glasses and it was

430
00:27:09,650 --> 00:27:07,470
like stop what was came out at was stop

431
00:27:12,770 --> 00:27:09,660
doing what we're doing we had to break

432
00:27:18,170 --> 00:27:12,780
the glass we didn't glass what bad was

433
00:27:20,090 --> 00:27:18,180
gonna weapon at four o'clock right bad

434
00:27:23,690 --> 00:27:20,100
these those who happen that four o'clock

435
00:27:26,840 --> 00:27:23,700
so I'm like yeah whatever pushed around

436
00:27:29,390 --> 00:27:26,850
but obviously being about thirty so

437
00:27:30,650 --> 00:27:29,400
superstitious as well so we were all

438
00:27:32,480 --> 00:27:30,660

suck though she's never gone I'm not

439

00:27:34,700 --> 00:27:32,490

breaking that glass my mom will kill me

440

00:27:37,250 --> 00:27:34,710

it's one of her best sherry glasses so

441

00:27:40,190 --> 00:27:37,260

at four o'clock everything is this woman

442

00:27:42,470 --> 00:27:40,200

and everything starts you know like and

443

00:27:45,350 --> 00:27:42,480

then all these brass plates on the wall

444

00:27:47,630 --> 00:27:45,360

in the living room when the god cheating

445

00:27:50,300 --> 00:27:47,640

on the wall and we all screamed and ran

446

00:27:52,120 --> 00:27:50,310

outside it was a massive combine now

447

00:28:02,000 --> 00:27:52,130

mister committee

448

00:28:04,430 --> 00:28:02,010

bang on four o'clock I did wage about

449

00:28:06,890 --> 00:28:04,440

Romney on in this house

450

00:28:10,100 --> 00:28:06,900

my grandma would sat where my kitchen is

451
00:28:12,350 --> 00:28:10,110
you know where my kids and it won't a

452
00:28:16,820 --> 00:28:12,360
kitchen it with a little kitchenette so

453
00:28:21,230 --> 00:28:16,830
it only fit it cold water tap sync and

454
00:28:23,450 --> 00:28:21,240
cooker and so W da bears for this bit of

455
00:28:25,730 --> 00:28:23,460
like a cabinet and what have you and so

456
00:28:29,420 --> 00:28:25,740
forward a bit a it up so I used to

457
00:28:32,300 --> 00:28:29,430
Claire behind sofa and I caught a lot a

458
00:28:35,090 --> 00:28:32,310
little little shirts out you know a

459
00:28:38,260 --> 00:28:35,100
little squares with alphabet on and I've

460
00:28:43,340 --> 00:28:38,270
got a little tumbler lightweight tumbler

461
00:28:45,139 --> 00:28:43,350
well what a fool do you this but I would

462
00:28:46,969 --> 00:28:45,149
I was saying it in me Edmund

463
00:28:49,909 --> 00:28:46,979

you know that were playing with coloring

464

00:28:53,899 --> 00:28:49,919

books you know pens and accents got the

465

00:28:56,779 --> 00:28:53,909

Pens out stilted let him know I'll never

466

00:28:59,779 --> 00:28:56,789

forget this at all that the glass

467

00:29:02,509 --> 00:28:59,789

actually started steaming up you know

468

00:29:04,519 --> 00:29:02,519

like there was smoke filling it well it

469

00:29:08,989 --> 00:29:04,529

won't even smoke it's like a steamie

470

00:29:12,369 --> 00:29:08,999

sort of thing condensation and it just

471

00:29:15,789 --> 00:29:12,379

tip holds really fast and smashed in a

472

00:29:20,320 --> 00:29:15,799

thing I'm what car away

473

00:29:23,899 --> 00:29:20,330

come on it button up about moat fire

474

00:29:24,769 --> 00:29:23,909

going bad and it smashed boom straight

475

00:29:27,829 --> 00:29:24,779

back

476

00:29:29,899 --> 00:29:27,839

I don't let it's wood everywhere I mean

477

00:29:32,479 --> 00:29:29,909

I'm shouting at me what the hell are you

478

00:29:34,669 --> 00:29:32,489

doing it back are there well you know

479

00:29:37,430 --> 00:29:34,679

what I mean she's gone looking ballistic

480

00:29:41,209 --> 00:29:37,440

me grandma you know what I mean and you

481

00:29:43,369 --> 00:29:41,219

know I am never ever ever doing that

482

00:29:46,279 --> 00:29:43,379

again I can't remember what questions I

483

00:29:49,129 --> 00:29:46,289

asked to don't like that and a fart no I

484

00:29:58,759 --> 00:29:49,139

am never ever doing anything like at me

485

00:30:00,529 --> 00:29:58,769

I'm Leslie house because there is an air

486

00:30:02,629 --> 00:30:00,539

out and then there was like the yard I

487

00:30:02,959 --> 00:30:02,639

used to park up the tractors and what

488

00:30:08,950 --> 00:30:02,969

have you

489

00:30:12,409 --> 00:30:08,960

yeah so much just felt about that place

490

00:30:16,849 --> 00:30:12,419

they still run under the village to the

491

00:30:19,430 --> 00:30:16,859

other and my mum she's bring up Leslie's

492

00:30:26,049 --> 00:30:19,440

mom and say send her own person today

493

00:30:33,889 --> 00:30:30,529

would it be dark at this poin yeah yeah

494

00:30:41,779 --> 00:30:33,899

I would run like chav through the

495

00:30:43,039 --> 00:30:41,789

village like and then one day it's just

496

00:30:47,959 --> 00:30:43,049

said to me where've you been

497

00:30:50,989 --> 00:30:47,969

I said watch me just yeah now we're a

498

00:30:55,909 --> 00:30:50,999

girl I've just I've just left

499

00:30:58,259 --> 00:30:55,919

now I've just Botti I've just left I

500

00:31:02,759 --> 00:30:58,269

remember that I was fuming because

501
00:31:08,549 --> 00:31:02,769
like what's it to me

502
00:31:15,529 --> 00:31:08,559
a madwoman right yeah um ya know an hour

503
00:31:19,259 --> 00:31:15,539
I tell you I used to run because it was

504
00:31:22,229 --> 00:31:19,269
village you like a myth a Google Earth

505
00:31:29,879 --> 00:31:22,239
thing about no like sorry these days I

506
00:31:31,499 --> 00:31:29,889
went back me eight nine year ago and a

507
00:31:33,779 --> 00:31:31,509
little drive was mad because there was a

508
00:31:35,099 --> 00:31:33,789
somebody planted some trees and they

509
00:31:39,419 --> 00:31:35,109
were only a little at the time now

510
00:31:41,819 --> 00:31:39,429
they're all big so yes the road that I

511
00:31:43,289 --> 00:31:41,829
lived on it seems so very narrow I

512
00:31:45,060 --> 00:31:43,299
remember it being a little bit wider the

513
00:31:47,339 --> 00:31:45,070

month at the trees had really grown and

514

00:31:49,619 --> 00:31:47,349

as I'm driving past the house I want it

515

00:31:52,649 --> 00:31:49,629

to get a picture of the house you know

516

00:31:56,849 --> 00:31:52,659

to do part of a collection of my you

517

00:31:58,589 --> 00:31:56,859

know what's happened and we're at the

518

00:32:03,659 --> 00:31:58,599

dawn she was my line she was looking at

519

00:32:06,509 --> 00:32:03,669

me as I drove past I was like I want to

520

00:32:08,789 --> 00:32:06,519

see it's like a picture at the field so

521

00:32:11,310 --> 00:32:08,799

that I could draw my way circles where

522

00:32:15,479 --> 00:32:11,320

it was just a massive concrete carpark

523

00:32:17,190 --> 00:32:15,489

and the farms expose it obviously

524

00:32:20,819 --> 00:32:17,200

they've got loads of work Suns all

525

00:32:23,329 --> 00:32:20,829

packed up all with the same you know

526

00:32:28,079 --> 00:32:23,339

logos on the side so I was like whoa

527

00:32:31,019 --> 00:32:28,089

grant yeah it was just a little farm I

528

00:32:33,659 --> 00:32:31,029

don't know how much land eeeh the found

529

00:32:35,639 --> 00:32:33,669

house was there and it's not a big

530

00:32:38,699 --> 00:32:35,649

village not a long street at all

531

00:32:41,940 --> 00:32:38,709

so yeah spooky spooky

532

00:32:50,329 --> 00:32:41,950

I've got freaked out a lot I felt a lot

533

00:32:56,759 --> 00:32:50,339

of weird things remember why would Carl

534

00:32:59,089 --> 00:32:56,769

I think because the patch of land that

535

00:33:04,259 --> 00:32:59,099

the built Leon was actually the

536

00:33:07,409 --> 00:33:04,269

triangular the garden went to yeah big

537

00:33:08,700 --> 00:33:07,419

at the house and then they went down it

538

00:33:10,659 --> 00:33:08,710

got smaller and smaller so there was

539

00:33:13,570 --> 00:33:10,669

just like a little gay and a little

540

00:33:18,399 --> 00:33:13,580

eh and then you get out it's just

541

00:33:20,769 --> 00:33:18,409

literally a road I don't you know and no

542

00:33:23,019 --> 00:33:20,779

pavement or anything it just feels

543

00:33:29,289 --> 00:33:23,029

there's nothing but feels around there

544

00:33:33,609 --> 00:33:29,299

yeah oh no you suck this weird thing

545

00:33:37,989 --> 00:33:33,619

that you said bother me even me dreams

546

00:33:39,609 --> 00:33:37,999

and I would feel it it was like I've

547

00:33:42,879 --> 00:33:39,619

wondered about the sound

548

00:33:44,499 --> 00:33:42,889

now who's breathing it was hates me it

549

00:33:47,799 --> 00:33:44,509

sounded like somebody breathing down a

550

00:33:50,830 --> 00:33:47,809

tube I don't know if it was was also

551
00:33:55,899 --> 00:33:50,840
breathing in a mask sounds the same

552
00:34:00,639 --> 00:33:55,909
yeah but I used to have this horrible

553
00:34:05,979 --> 00:34:00,649
dream and about this thing it was okay

554
00:34:10,270 --> 00:34:05,989
and if you imagine Betelgeuse starved to

555
00:34:13,480 --> 00:34:10,280
a skeleton says spiky white background

556
00:34:16,510 --> 00:34:13,490
hollow eyes and around black mouths and

557
00:34:18,490 --> 00:34:16,520
it's all just sinews and it's breathing

558
00:34:21,490 --> 00:34:18,500
sounds like he's breathing down a tube

559
00:34:23,109 --> 00:34:21,500
and I would hear it kwasind you know

560
00:34:26,379 --> 00:34:23,119
that this was just like a recurring

561
00:34:28,089 --> 00:34:26,389
nightmare poppies just told me she had a

562
00:34:30,129 --> 00:34:28,099
dream about a ghost at the bottom of the

563
00:34:31,899 --> 00:34:30,139

garden might add round eyes in their own

564

00:34:35,139 --> 00:34:31,909

my health and it was all white she had

565

00:34:36,909 --> 00:34:35,149

arms and legs like his Gustov arms and

566

00:34:40,569 --> 00:34:36,919

legs just sheets I don't weigh in

567

00:34:43,210 --> 00:34:40,579

children's eyes yeah so she was like I

568

00:34:46,720 --> 00:34:43,220

thought needs to do the house and garden

569

00:34:50,940 --> 00:34:46,730

again special after the other night even

570

00:34:52,990 --> 00:34:50,950

woken up I thought the two cats were

571

00:34:54,579 --> 00:34:53,000

jumping about you know chasing each

572

00:34:57,120 --> 00:34:54,589

other on the surfer cause they do that

573

00:35:00,460 --> 00:34:57,130

sometimes himself is in the living room

574

00:35:03,400 --> 00:35:00,470

one - yeah me on this valley and then

575

00:35:06,700 --> 00:35:03,410

one that's behind me going that way yeah

576

00:35:10,559 --> 00:35:06,710

and I'd fallen asleep watching I in a

577

00:35:13,920 --> 00:35:10,569

tiger or something like that and this

578

00:35:17,500 --> 00:35:13,930

woke me up and I thought it was cats oh

579

00:35:20,049 --> 00:35:17,510

sure yeah

580

00:35:24,100 --> 00:35:20,059

and then it happened again like even

581

00:35:28,750 --> 00:35:24,110

louder and harder Sarsat oh my

582

00:35:36,460 --> 00:35:28,760

is there at my feet going yeah what we

583

00:35:39,220 --> 00:35:36,470

woke up he's like that right like half

584

00:35:40,750 --> 00:35:39,230

asleep look it's not much it's not and

585

00:35:42,630 --> 00:35:40,760

neither then we're jumping about don't

586

00:35:51,670 --> 00:35:42,640

know what that was

587

00:35:53,680 --> 00:35:51,680

so yeah I need to do some well you uh we

588

00:35:57,340 --> 00:35:53,690

attract it didn't mean oh yeah

589

00:35:59,710 --> 00:35:57,350

definitely it's not just me when I moved

590

00:36:02,770 --> 00:35:59,720

in here put all barriers up around the

591

00:36:03,750 --> 00:36:02,780

garden salt black salt salt and other

592

00:36:08,620 --> 00:36:03,760

stuff

593

00:36:15,370 --> 00:36:08,630

sage other things that was burning all

594

00:36:18,010 --> 00:36:15,380

around perimeter top around also because

595

00:36:19,780 --> 00:36:18,020

I've got a great outside my kitchen

596

00:36:21,850 --> 00:36:19,790

window that goes into the service I'll

597

00:36:27,480 --> 00:36:21,860

call it my a zombie apocalypse a scary

598

00:36:34,330 --> 00:36:27,490

patch that's a light in the fat berries

599

00:36:35,910 --> 00:36:34,340

you know is beyond no idea what I'm

600

00:36:43,870 --> 00:36:35,920

laughing about my phone they were know

601
00:36:47,890 --> 00:36:43,880
something about zombie apocalypse yeah

602
00:36:50,950 --> 00:36:47,900
oh yeah see in the fact that we've got

603
00:36:54,490 --> 00:36:50,960
that sewer thing of thunder stuffer for

604
00:36:56,380 --> 00:36:54,500
that as well but I just feel a little

605
00:36:59,590 --> 00:36:56,390
bit uneasy because today the fire alarm

606
00:37:02,830 --> 00:36:59,600
started going up so he went off I went

607
00:37:05,140 --> 00:37:02,840
upstairs and I thought walking around

608
00:37:09,340 --> 00:37:05,150
and there's nothing going on so a flat I

609
00:37:10,660 --> 00:37:09,350
thought to poppies Peppa Pig blanket

610
00:37:13,510 --> 00:37:10,670
yeah

611
00:37:15,730 --> 00:37:13,520
oh so I went downstairs then they

612
00:37:19,270 --> 00:37:15,740
started again so I'm welcome with a half

613
00:37:21,550 --> 00:37:19,280

way up the stairs and it stopped so I

614

00:37:24,640 --> 00:37:21,560

don't know if I'm just looking a little

615

00:37:27,490 --> 00:37:24,650

bit spooked and putting two together and

616

00:37:29,620 --> 00:37:27,500

coming up with 57 or I thought really

617

00:37:35,430 --> 00:37:29,630

won't hurt go around the house saying

618

00:37:37,720 --> 00:37:35,440

you know you must leave now let's go way

619

00:37:40,270 --> 00:37:37,730

right

620

00:37:43,930 --> 00:37:40,280

to do that you know we carry dreams are

621

00:37:52,240 --> 00:37:43,940

now yeah I'm gonna bring our mind up

622

00:37:56,340 --> 00:37:52,250

when paranormal yeah well we had mom at

623

00:38:00,430 --> 00:37:56,350

some these Japanese ornaments beautiful

624

00:38:03,400 --> 00:38:00,440

fine and there were three and there was

625

00:38:04,060 --> 00:38:03,410

a set and she kept them in a certain

626
00:38:07,480 --> 00:38:04,070
order

627
00:38:09,630 --> 00:38:07,490
right and every time he went out and

628
00:38:14,650 --> 00:38:09,640
came back in they were a different order

629
00:38:18,130 --> 00:38:14,660
yeah and I think I don't know if it was

630
00:38:21,580 --> 00:38:18,140
like what the guys activity

631
00:38:24,280 --> 00:38:21,590
cuz me being a teenager and you know all

632
00:38:27,310 --> 00:38:24,290
that stuff going on yeah when you yeah

633
00:38:28,270 --> 00:38:27,320
train their house and that's why we

634
00:38:30,790 --> 00:38:28,280
didn't like that back room because

635
00:38:34,780 --> 00:38:30,800
nobody ever used it never went in that

636
00:38:43,390 --> 00:38:34,790
room I'll just you know lived in the

637
00:38:48,090 --> 00:38:43,400
kitchen in the other room so I don't

638
00:38:55,320 --> 00:38:48,100

know what year this was but mid-teens

639

00:39:00,580 --> 00:38:55,330

talks about in show you about the beige

640

00:39:03,300 --> 00:39:00,590

normal ID alien at home with the

641

00:39:10,270 --> 00:39:03,310

expressions and the emotions and yeah

642

00:39:12,280 --> 00:39:10,280

yeah yeah I don't really know I know I

643

00:39:14,650 --> 00:39:12,290

had a lot of times when I would wake up

644

00:39:22,120 --> 00:39:14,660

that I said a friend's house one night

645

00:39:26,040 --> 00:39:22,130

and I woke up completely like something

646

00:39:29,740 --> 00:39:26,050

in that room and I can feel it all over

647

00:39:30,370 --> 00:39:29,750

terrified I just stay like completely

648

00:39:33,820 --> 00:39:30,380

frozen

649

00:39:38,800 --> 00:39:33,830

I don't know I fell asleep but was too

650

00:39:41,170 --> 00:39:38,810

far when I sleep so can't really

651
00:39:43,420 --> 00:39:41,180
remember much else I might think of all

652
00:39:49,180 --> 00:39:43,430
those little things that nothing major

653
00:39:50,710 --> 00:39:49,190
yeah well I've nothing major is it

654
00:39:51,579 --> 00:39:50,720
because every one of those tiny little

655
00:39:56,670 --> 00:39:51,589
things

656
00:40:02,200 --> 00:39:56,680
significant yeah you know obviously as

657
00:40:06,910 --> 00:40:02,210
as a child I was very uneasy although my

658
00:40:11,440 --> 00:40:06,920
job you know going into places and and

659
00:40:16,809 --> 00:40:11,450
feeling afraid or sick no get in the

660
00:40:21,489 --> 00:40:16,819
headache you know just stuff like that I

661
00:40:24,249 --> 00:40:21,499
had a lot of that like to go to certain

662
00:40:37,509 --> 00:40:24,259
places I've got past there and places I

663
00:40:41,700 --> 00:40:37,519

like to run past buildings and bloodied

664

00:40:45,759 --> 00:40:41,710

on pompe you know unveiling its right

665

00:40:51,989 --> 00:40:45,769

weeble wobble Bert I'm out of breath

666

00:41:02,969 --> 00:40:51,999

three runs and that's a breeze yeah so

667

00:41:06,309 --> 00:41:02,979

now skipping on to 1981 see I was told

668

00:41:09,579 --> 00:41:06,319

when I was 17 but I hadn't Thomas

669

00:41:13,509 --> 00:41:09,589

recoveries a lot of abductees are you

670

00:41:15,329 --> 00:41:13,519

know never our kids yeah ovaries just a

671

00:41:21,420 --> 00:41:15,339

mask

672

00:41:28,180 --> 00:41:21,430

no you wanna yeah these problems

673

00:41:31,839 --> 00:41:28,190

swelling stomach no periods everything

674

00:41:38,499 --> 00:41:31,849

going all weird like that all the time

675

00:41:43,359 --> 00:41:38,509

not pregnant you know so when I was 20

676
00:41:45,910 --> 00:41:43,369
they did a lot rasca pee yeah what he's

677
00:41:47,979 --> 00:41:45,920
going on because why am I having all

678
00:41:52,690 --> 00:41:47,989
easily really early you know whatever

679
00:41:56,920 --> 00:41:52,700
was going on and you know absent periods

680
00:41:59,170 --> 00:41:56,930
just erratic everything lots of weird

681
00:42:02,410 --> 00:41:59,180
pains

682
00:42:06,540 --> 00:42:02,420
I get a stitch sometimes on the sides

683
00:42:10,059 --> 00:42:06,550
and I just won't be able to even move so

684
00:42:11,829 --> 00:42:10,069
that's how it's 20 I had done operations

685
00:42:13,240 --> 00:42:11,839
and they were did you know the camera

686
00:42:17,020 --> 00:42:13,250
and everything and they were going to do

687
00:42:21,099 --> 00:42:17,030
a dilation in Carter II and no like just

688
00:42:22,630 --> 00:42:21,109

do whatever see what was going on

689

00:42:27,400 --> 00:42:22,640

basically they needed to have a proper

690

00:42:32,470 --> 00:42:27,410

look with their eyes not just with the

691

00:42:35,620 --> 00:42:32,480

tile may not one singles list um

692

00:42:40,390 --> 00:42:35,630

marah's even when the scans assured they

693

00:42:42,940 --> 00:42:40,400

were covered absolutely covered and ruin

694

00:42:47,130 --> 00:42:42,950

I was told I would never have children

695

00:42:49,210 --> 00:42:47,140

because of the state my ovaries right

696

00:42:50,200 --> 00:42:49,220

but they wanted to know where I was

697

00:42:54,160 --> 00:42:50,210

having all the weight

698

00:42:56,410 --> 00:42:54,170

pains and all the rest of that so have a

699

00:43:00,670 --> 00:42:56,420

look my elders are absolutely perfect

700

00:43:05,140 --> 00:43:00,680

there's not one cyst on them at all but

701
00:43:08,109 --> 00:43:05,150
you know if you suffer any bleed in you

702
00:43:10,359 --> 00:43:08,119
need to come back and because it might

703
00:43:12,370 --> 00:43:10,369
have punctured the uterus or something

704
00:43:16,809 --> 00:43:12,380
you know you're not supposed to bleed so

705
00:43:21,430 --> 00:43:16,819
please come back okay so I start

706
00:43:23,680 --> 00:43:21,440
bleeding so I went back and explained

707
00:43:26,440 --> 00:43:23,690
you know about this and you want to do a

708
00:43:34,079 --> 00:43:26,450
couple urine tests and blah blah blah

709
00:43:38,650 --> 00:43:34,089
and back and I said yeah you pregnant

710
00:43:40,539 --> 00:43:38,660
I'd be pregnant yeah way because I had

711
00:43:46,690 --> 00:43:40,549
the dilation incarcerated by dollar

712
00:43:50,200 --> 00:43:46,700
surgery we haven't had sex since this is

713
00:43:53,079 --> 00:43:50,210

just no way so it's like oh well maybe

714

00:43:55,510 --> 00:43:53,089

the egg was fertilized you know in the a

715

00:43:57,609 --> 00:43:55,520

fallopian tube when we were doing the

716

00:44:02,349 --> 00:43:57,619

operation basically it kind of seemed

717

00:44:06,789 --> 00:44:02,359

like some excuse whatever he said you

718

00:44:10,299 --> 00:44:06,799

know you must only be like what what was

719

00:44:12,670 --> 00:44:10,309

it about 1415 days pregnant that was the

720

00:44:15,370 --> 00:44:12,680

maximum that I could be

721

00:44:17,170 --> 00:44:15,380

when I went and had the scam I was

722

00:44:21,670 --> 00:44:17,180

actually seven weeks pregnant

723

00:44:24,660 --> 00:44:21,680

yes the lady that discovered that I was

724

00:44:30,059 --> 00:44:24,670

pregnant come for the oaf

725

00:44:33,250 --> 00:44:30,069

you know he fine whatever don't know but

726

00:44:36,280 --> 00:44:33,260

said that didn't have any of any

727

00:44:42,010 --> 00:44:36,290

anything wrong with my ovaries and no I

728

00:44:49,710 --> 00:44:42,020

was pregnant so I had my son Louie we

729

00:44:54,970 --> 00:44:49,720

lived in a flat in Bromley and it was

730

00:44:56,980 --> 00:44:54,980

maybe like March 1992 because as a

731

00:44:59,049 --> 00:44:56,990

particular baby girl that it was wearing

732

00:45:24,339 --> 00:44:59,059

I remember it I loved it I hate the fact

733

00:45:26,020 --> 00:45:24,349

that it was Austin and every time he

734

00:45:27,880 --> 00:45:26,030

went for sleep I went to sleep I was

735

00:45:29,950 --> 00:45:27,890

something yummy no it was three days

736

00:45:32,170 --> 00:45:29,960

before my 21st birthday when I had him

737

00:45:33,030 --> 00:45:32,180

didn't know my ass from a hole in the

738

00:45:36,069 --> 00:45:33,040

ground

739

00:45:37,750 --> 00:45:36,079

never mind what to do with the baby you

740

00:45:39,220 --> 00:45:37,760

know I had a terrible time all the way

741

00:45:41,200 --> 00:45:39,230

through pregnancy getting somewhere to

742

00:45:43,839 --> 00:45:41,210

live it was just absolute nightmare

743

00:45:50,109 --> 00:45:43,849

every time every man so we've got this

744

00:45:53,890 --> 00:45:50,119

flap and he may have gone to work not no

745

00:45:56,680 --> 00:45:53,900

way was working that I remember I'm fast

746

00:45:59,380 --> 00:45:56,690

asleep every time he went to sleep I got

747

00:46:03,309 --> 00:45:59,390

some sleep I can sleep all night was

748

00:46:07,359 --> 00:46:03,319

like me just no no sleeping we are we

749

00:46:10,720 --> 00:46:07,369

are night people so um I'm laid in bed

750

00:46:13,990 --> 00:46:10,730

he's on me something my luck used to

751

00:46:15,849 --> 00:46:14,000

look like yeah gotta sleep like that I

752

00:46:22,000 --> 00:46:15,859

need just two sounds and these legs just

753

00:46:26,550 --> 00:46:22,010

flop yeah you never you never fully

754

00:46:30,160 --> 00:46:26,560

asleep you don't think but y'all

755

00:46:37,570 --> 00:46:30,170

Aaron stuff outside and ya know you can

756

00:46:42,150 --> 00:46:37,580

be trained you know anyway so here at

757

00:46:50,530 --> 00:46:42,160

this Sasha wake up now and I got my eyes

758

00:46:55,630 --> 00:46:50,540

those yeah there's this blue saying well

759

00:46:59,190 --> 00:46:55,640

this tall you know yeah thanks for your

760

00:47:04,660 --> 00:46:59,200

not feet money but about this white

761

00:47:09,300 --> 00:47:04,670

right that right blue be slash mouths

762

00:47:13,030 --> 00:47:09,310

like all massive black eyes like really

763

00:47:15,670 --> 00:47:13,040

bacon long black eyes he's just some

764

00:47:21,430 --> 00:47:15,680

wrinkles all over its far right it was

765

00:47:23,650 --> 00:47:21,440

like pop Matt and his chest as they

766

00:47:27,990 --> 00:47:23,660

expose you know I'd like a bit like you

767

00:47:30,940 --> 00:47:28,000

know where like a gorilla oh yeah

768

00:47:33,220 --> 00:47:30,950

sort of nipples you know but everything

769

00:47:35,050 --> 00:47:33,230

was just wrinkled no like her all it was

770

00:47:38,130 --> 00:47:35,060

just like wrinkled after wrinkled after

771

00:47:40,540 --> 00:47:38,140

wrinkle they'd say yeah really really I

772

00:47:42,990 --> 00:47:40,550

don't know I've never seen the blue is

773

00:47:49,150 --> 00:47:43,000

feeling like cobalt blue and it had a

774

00:47:52,060 --> 00:47:49,160

gray cloak oh yeah it wasn't fastened or

775

00:47:54,460 --> 00:47:52,070

anything it was just heard was on and it

776

00:48:01,810 --> 00:47:54,470

was just something the shoulders so I

777

00:48:05,620 --> 00:48:01,820

saw my like an actual shots crumbles bad

778

00:48:06,660 --> 00:48:05,630

turn around to you know come from it and

779

00:48:12,190 --> 00:48:06,670

it's gone

780

00:48:15,790 --> 00:48:12,200

so obviously I'm thinking what my dreams

781

00:48:18,310 --> 00:48:15,800

I'm shouting same then walking you know

782

00:48:21,160 --> 00:48:18,320

what's happened bedroom went into the

783

00:48:24,040 --> 00:48:21,170

kitchen he's not there when opening the

784

00:48:28,660 --> 00:48:24,050

living room he's not like there's nobody

785

00:48:32,650 --> 00:48:28,670

in that flat it's just me a baby and

786

00:48:35,110 --> 00:48:32,660

they're like well some that was a mad

787

00:48:42,220 --> 00:48:35,120

dream that powerful you know really

788

00:48:53,960 --> 00:48:51,319

it was midweek midday much ish 1982 so

789

00:48:58,819 --> 00:48:53,970

it's not all about night time it's not

790

00:49:06,380 --> 00:48:58,829

all the night tone that I can yeah yeah

791

00:49:08,569 --> 00:49:06,390

so you know when I in 2005 when I first

792

00:49:14,630 --> 00:49:08,579

went on the farm I started talking about

793

00:49:17,180 --> 00:49:14,640

the UFO thing in Wales we say I started

794

00:49:19,430 --> 00:49:17,190

talking about all the stuff as well and

795

00:49:23,390 --> 00:49:19,440

remembered that we were talking about it

796

00:49:25,579 --> 00:49:23,400

because Steve Johnson he that thing

797

00:49:28,970 --> 00:49:25,589

where one of them was riding around on

798

00:49:30,200 --> 00:49:28,980

his track and he was and he was like

799

00:49:34,760 --> 00:49:30,210

worried you weren't gonna get his trike

800

00:49:36,500 --> 00:49:34,770

back we'd all seen these things you know

801
00:49:40,549 --> 00:49:36,510
saying have you seen Communion and the

802
00:49:42,770 --> 00:49:40,559
said Norma so watch communion don't

803
00:49:47,059 --> 00:49:42,780
forget about Trump blockbusters on some

804
00:49:48,920 --> 00:49:47,069
that I don't know yeah I think we got it

805
00:49:55,460 --> 00:49:48,930
to the post you know they used to post

806
00:49:58,460 --> 00:49:55,470
you know about David days videos no Isis

807
00:50:02,150 --> 00:49:58,470
I think night with DVDs I'm pretty sure

808
00:50:05,420 --> 00:50:02,160
yeah so get the community and DVD you

809
00:50:11,059 --> 00:50:05,430
know sat with my fellow T :

810
00:50:13,730 --> 00:50:11,069
and watching this communion you know I

811
00:50:19,359 --> 00:50:13,740
love Christopher Walken I mean I just

812
00:50:32,030 --> 00:50:19,369
adore Batman it it was that hot in there

813
00:50:34,099 --> 00:50:32,040

yeah surprise yeah anyway so I'm

814

00:50:36,260 --> 00:50:34,109

watching the film there's a kitchen

815

00:50:38,349 --> 00:50:36,270

table with vowels on it and that little

816

00:50:43,880 --> 00:50:38,359

thing comes out from behind there and

817

00:50:46,280 --> 00:50:43,890

just boom case we go a while mapping

818

00:50:48,440 --> 00:50:46,290

dream I don't really know how can it be

819

00:50:51,289 --> 00:50:48,450

a little bit but when you know that all

820

00:50:52,549 --> 00:50:51,299

the people of sitting it nice like how

821

00:50:54,920 --> 00:50:52,559

can it be a dream

822

00:50:57,559 --> 00:50:54,930

that clay it's not a dream you know it's

823

00:50:59,509 --> 00:50:57,569

not a dream that's what I used to think

824

00:51:01,309 --> 00:50:59,519

it would dreams and and then when you

825

00:51:02,959 --> 00:51:01,319

you and all the peoples and you're like

826

00:51:06,579 --> 00:51:02,969

oh [\h__\h]

827

00:51:09,229 --> 00:51:06,589

I could accept what a [\h__\h] dream

828

00:51:12,199 --> 00:51:09,239

because of the people know it's somewhat

829

00:51:16,039 --> 00:51:12,209

you imagination cannot make up so it's

830

00:51:20,269 --> 00:51:16,049

not a dreams no um

831

00:51:23,779 --> 00:51:20,279

and the blow thing popped out well just

832

00:51:26,569 --> 00:51:23,789

a communion things elves I was not

833

00:51:28,339 --> 00:51:26,579

broken because I was I mean so many we

834

00:51:32,479 --> 00:51:28,349

wouldn't watch that film because I

835

00:51:36,650 --> 00:51:32,489

started talking about is you know as you

836

00:51:38,209 --> 00:51:36,660

open you're opening a door like not that

837

00:51:40,400 --> 00:51:38,219

it was ever really shocked because I've

838

00:51:42,799 --> 00:51:40,410

always had experiences but I'm really

839

00:51:44,539 --> 00:51:42,809

good at putting them out of my mind

840

00:51:46,219 --> 00:51:44,549

forgetting about them not thinking about

841

00:51:53,059 --> 00:51:46,229

them I mean I've lived in a few haunted

842

00:51:54,890 --> 00:51:53,069

houses but I don't know how why don't

843

00:52:03,880 --> 00:51:54,900

you stay in them as long as I did you

844

00:52:11,479 --> 00:52:07,669

yeah the blue dude in the flat and my

845

00:52:13,309 --> 00:52:11,489

son would say that there was an old lady

846

00:52:15,499 --> 00:52:13,319

that was going through the Wardrobe

847

00:52:17,599 --> 00:52:15,509

going through our blankets in the

848

00:52:19,400 --> 00:52:17,609

wardrobe there was a woman who lived in

849

00:52:22,549 --> 00:52:19,410

that flat from there that they were Bell

850

00:52:26,870 --> 00:52:22,559

she died there I don't know if it was

851
00:52:30,799 --> 00:52:26,880
her I never encountered her but my kids

852
00:52:36,410 --> 00:52:30,809
have all were weird you know the weird

853
00:52:43,219 --> 00:52:36,420
with the why well the next one's an

854
00:52:46,929 --> 00:52:43,229
absolutely epic multifaceted look me

855
00:52:51,169 --> 00:52:46,939
like Amityville style

856
00:52:54,439 --> 00:52:51,179
nightmare so I think for my end here

857
00:53:00,569 --> 00:52:54,449
because we've done the Tarot and start

858
00:53:05,599 --> 00:53:00,579
they on the oh my god this house

859
00:53:10,949 --> 00:53:05,609
this house I swear my life and my soul

860
00:53:13,410 --> 00:53:10,959
was an Alex of hell yeah I don't know

861
00:53:16,620 --> 00:53:13,420
like I've just been a few hours it's

862
00:53:22,049 --> 00:53:16,630
like I'm moving I'm moving everything

863
00:53:28,130 --> 00:53:22,059

kicks off everybody um and the one that

864

00:53:32,219 --> 00:53:28,140

I went to and no no no this was like

865

00:53:37,489 --> 00:53:32,229

1994 it was right it was in the same

866

00:53:48,390 --> 00:53:42,620

so this but next episode they know hey

867

00:53:53,910 --> 00:53:48,400

you can take now we're living in that

868

00:53:57,120 --> 00:53:53,920

flat yeah thing and Tim's brother said

869

00:53:59,849 --> 00:53:57,130

his friend one age to sell his house

870

00:54:00,959 --> 00:53:59,859

because he's been living in it with his

871

00:54:05,160 --> 00:54:00,969

girlfriend

872

00:54:07,199 --> 00:54:05,170

it had a you know a rough town a bit we

873

00:54:10,969 --> 00:54:07,209

didn't they're about 15 months had a

874

00:54:14,189 --> 00:54:10,979

massive argument one day and the hitter

875

00:54:19,829 --> 00:54:14,199

no doubt and she said I am not moving

876

00:54:21,959 --> 00:54:19,839

back into that house right so you know

877

00:54:26,849 --> 00:54:21,969

it was like just a shame because it was

878

00:54:29,880 --> 00:54:26,859

bad memories the argument whatever so we

879

00:54:33,169 --> 00:54:29,890

want it to get out of this flat Tim was

880

00:54:35,939 --> 00:54:33,179

working he had a good job you know he

881

00:54:39,120 --> 00:54:35,949

didn't really have quite enough money

882

00:54:41,669 --> 00:54:39,130

cuz back in the like early nineties

883

00:54:42,390 --> 00:54:41,679

there were no like tax credits there was

884

00:54:45,929 --> 00:54:42,400

no nothing

885

00:54:48,419 --> 00:54:45,939

you know oh right on the edge of the

886

00:54:51,620 --> 00:54:48,429

Nicole so we probably shouldn't about it

887

00:54:55,439 --> 00:54:51,630

because really could just afford it and

888

00:54:57,319 --> 00:54:55,449

the guy that we were buying it off lent

889

00:54:59,939 --> 00:54:57,329

as the money for the deposit

890

00:55:02,099 --> 00:54:59,949

but we got a mortgage further like a

891

00:55:07,829 --> 00:55:02,109

Fame amount so we bought the house we'll

892

00:55:10,310 --> 00:55:07,839

make 30,000 we've got anyway that was so

893

00:55:13,610 --> 00:55:10,320

much so we've got these hounds

894

00:55:18,950 --> 00:55:13,620

and we lived there and it was the most

895

00:55:25,550 --> 00:55:18,960

awful insidious place ever and in the

896

00:55:28,430 --> 00:55:25,560

end I I left a massive argument and they

897

00:55:30,710 --> 00:55:28,440

hit me and it was exact same pattern and

898

00:55:34,190 --> 00:55:30,720

same amount the time as it was for the

899

00:55:40,730 --> 00:55:34,200

couple yeah I didn't know that till

900

00:55:45,140 --> 00:55:40,740

afterwards but there was one of the

901
00:55:47,870 --> 00:55:45,150
neighbors slipped up somebody on my

902
00:55:49,940 --> 00:55:47,880
street I fell in love with the guy in

903
00:55:51,140 --> 00:55:49,950
Spain the guy from Spain came to live

904
00:55:54,050 --> 00:55:51,150
with them they were living together got

905
00:55:58,100 --> 00:55:54,060
married whatever he stabbed or 11 times

906
00:56:02,030 --> 00:55:58,110
and set face of the house yeah so she

907
00:56:05,780 --> 00:56:02,040
didn't die but this awful violent thing

908
00:56:11,120 --> 00:56:05,790
you see van happened yeah somewhere Oh

909
00:56:15,860 --> 00:56:11,130
what chance was it and she went oh and I

910
00:56:19,220 --> 00:56:15,870
thought oh my god our house ya know and

911
00:56:20,780 --> 00:56:19,230
so I can't find any information that was

912
00:56:22,790 --> 00:56:20,790
she'd lived there forever I didn't

913
00:56:26,420 --> 00:56:22,800

really know anybody so I thought you

914

00:56:29,450 --> 00:56:26,430

know things would always be kicking off

915

00:56:32,000 --> 00:56:29,460

in there losing stuff all the time and

916

00:56:36,500 --> 00:56:32,010

it appearing you know things moving

917

00:56:39,640 --> 00:56:36,510

around I won't press the cap on their

918

00:56:42,920 --> 00:56:39,650

niche fast asleep on the computer

919

00:56:46,370 --> 00:56:42,930

screamed it screamed jumped in the air

920

00:56:49,940 --> 00:56:46,380

like a horseshoe shape shut up come on

921

00:56:54,620 --> 00:56:49,950

me out for three days yeah oh my god

922

00:56:58,040 --> 00:56:54,630

one night I can hear and banging down

923

00:57:00,170 --> 00:56:58,050

stairs so I thought was weird it was

924

00:57:01,640 --> 00:57:00,180

like coming the garden you've got the

925

00:57:03,980 --> 00:57:01,650

steps you've got your living room and

926

00:57:07,280 --> 00:57:03,990

then they like a galley kitchen the old

927

00:57:10,220 --> 00:57:07,290

Victorians hairy sales is well that was

928

00:57:12,110 --> 00:57:10,230

an office and downstairs in the cellar

929

00:57:14,000 --> 00:57:12,120

the cellar was converted into a big

930

00:57:17,270 --> 00:57:14,010

kitchen and the bathroom and there was a

931

00:57:18,800 --> 00:57:17,280

covered it right so downstairs was you

932

00:57:22,349 --> 00:57:18,810

know the kitchen and it was all wood

933

00:57:25,480 --> 00:57:22,359

paneled and smoked glass

934

00:57:29,170 --> 00:57:25,490

chin cabinet doors you know all I was

935

00:57:31,349 --> 00:57:29,180

nice so I'm I mean all this like nice it

936

00:57:34,660 --> 00:57:31,359

sounded like pots and pans back in and

937

00:57:36,670 --> 00:57:34,670

because it's a warden flower I thought I

938

00:57:40,470 --> 00:57:36,680

stand up on but you know like I can my

939

00:57:44,230 --> 00:57:40,480

heavy man whoever it is I'll run out

940

00:57:45,609 --> 00:57:44,240

yeah so I got to the light the kitchen

941

00:57:47,799 --> 00:57:45,619

done which will be the old kitchen does

942

00:57:57,660 --> 00:57:47,809

the office start and I got there and

943

00:58:05,920 --> 00:57:57,670

this voice whispered let me and I just

944

00:58:08,950 --> 00:58:05,930

right there in my head I said no I'll

945

00:58:14,200 --> 00:58:08,960

attend and I run and I shot upstairs and

946

00:58:18,240 --> 00:58:14,210

awake somebody downstairs yeah you know

947

00:58:20,650 --> 00:58:18,250

like I mean and you know whispering I

948

00:58:23,109 --> 00:58:20,660

heard the whispering right in here

949

00:58:24,430 --> 00:58:23,119

so he went downstairs there's not a

950

00:58:26,349 --> 00:58:24,440

downstairs nothing that place

951

00:58:29,500 --> 00:58:26,359

everything's fine doors locked in the

952

00:58:32,799 --> 00:58:29,510

kitchen you know like you also like to

953

00:58:35,039 --> 00:58:32,809

tell you I was telling was not on as she

954

00:58:38,079 --> 00:58:35,049

shoots a second major didn't remember

955

00:58:39,460 --> 00:58:38,089

not until recent years ever been one for

956

00:58:47,339 --> 00:58:39,470

sitting and watching telling how it

957

00:58:51,220 --> 00:58:50,470

and the telling her whispered right in

958

00:58:57,549 --> 00:58:51,230

my face

959

00:59:01,240 --> 00:58:57,559

move over let me in oh I heard I got

960

00:59:06,099 --> 00:59:01,250

halfway downstairs one day going into

961

00:59:10,380 --> 00:59:06,109

the kitchen and it's noise of like

962

00:59:13,630 --> 00:59:10,390

everything smashing hit me in the face

963

00:59:17,890 --> 00:59:13,640

mmm right like it was in midair like

964

00:59:21,519 --> 00:59:17,900

every single pop Cup play everything and

965

00:59:25,480 --> 00:59:21,529

that happened again as I thought because

966

00:59:27,160 --> 00:59:25,490

the glass cupboards I thought one of

967

00:59:30,339 --> 00:59:27,170

them falling off the wall

968

00:59:33,549 --> 00:59:30,349

yeah it's much so I went running

969

00:59:36,940 --> 00:59:33,559

downstairs expecting to see it she you

970

00:59:42,200 --> 00:59:36,950

know with everything all over the place

971

00:59:44,720 --> 00:59:42,210

yeah then I saw but I'm asking for pair

972

00:59:47,030 --> 00:59:44,730

of trousers and backup slippers Bacchus

973

00:59:51,710 --> 00:59:47,040

all these feet walking into the bathroom

974

00:59:56,089 --> 00:59:51,720

no body no nothing else I caught a face

975

00:59:58,849 --> 00:59:56,099

on the steps like it was like a negative

976

01:00:02,620 --> 00:59:58,859

image you know but like a boy's face

977

01:00:04,609 --> 01:00:02,630

you know like purty haircut yes like

978

01:00:09,020 --> 01:00:04,619

almost like an make it even the

979

01:00:14,030 --> 01:00:09,030

photograph okay then I was telling my

980

01:00:15,230 --> 01:00:14,040

friend Holly about it and you know was

981

01:00:17,170 --> 01:00:15,240

talking but she said that she was

982

01:00:19,490 --> 01:00:17,180

suffering from what and remember this

983

01:00:23,120 --> 01:00:19,500

she said she was suffering from water

984

01:00:26,780 --> 01:00:23,130

retention and I had like a nice green

985

01:00:28,880 --> 01:00:26,790

soap in the cupboard in the kitchen with

986

01:00:33,380 --> 01:00:28,890

some tablets that I'm called aqua BAM

987

01:00:36,410 --> 01:00:33,390

right actually makes his and ladies you

988

01:00:39,319 --> 01:00:36,420

know what water retention and they are

989

01:00:43,370 --> 01:00:39,329

like bright blue yeah right blue and

990

01:00:45,170 --> 01:00:43,380

they're in a white box so I said I've

991

01:00:45,589 --> 01:00:45,180

got some downstairs okay let's go in the

992

01:00:47,660 --> 01:00:45,599

kitchen

993

01:00:51,230 --> 01:00:47,670

I'll get the box out the cupboard pull

994

01:00:52,220 --> 01:00:51,240

everything out then you they were that

995

01:00:54,880 --> 01:00:52,230

because that's what I kept everything

996

01:00:57,470 --> 01:00:54,890

like that uh-huh

997

01:00:58,970 --> 01:00:57,480

maybe that maybe they're in my makeup

998

01:01:01,490 --> 01:00:58,980

bag in the bathroom so I went in the

999

01:01:07,940 --> 01:01:01,500

bathroom and I pulled everything out my

1000

01:01:10,970 --> 01:01:07,950

makeup bag boom there's the taupe

1001
01:01:13,250 --> 01:01:10,980
tablets in them facing up right blue and

1002
01:01:15,980 --> 01:01:13,260
I went Alec I said the bear she went no

1003
01:01:20,000 --> 01:01:15,990
way I said I swear to [\h__\h] god they

1004
01:01:21,230 --> 01:01:20,010
were not in there and everything out and

1005
01:01:26,539 --> 01:01:21,240
she went oh just because we're talking

1006
01:01:29,539 --> 01:01:26,549
about yeah you know and like just all

1007
01:01:34,160 --> 01:01:29,549
all the time always freaked me out like

1008
01:01:40,339 --> 01:01:34,170
I could hear like a and they go on for

1009
01:01:42,250 --> 01:01:40,349
ages and I thought and is it like a tap

1010
01:01:45,500 --> 01:01:42,260
well Pepe

1011
01:01:48,000 --> 01:01:45,510
you know like go and you just couldn't

1012
01:01:50,070 --> 01:01:48,010
locate it one day I'm sorry

1013
01:01:52,290 --> 01:01:50,080

so as I'm reading them up and see me

1014

01:01:56,120 --> 01:01:52,300

show what sucks have been nice

1015

01:02:01,650 --> 01:01:56,130

yeah I wouldn't do anything as well yeah

1016

01:02:04,290 --> 01:02:01,660

even moving them reading yeah and that

1017

01:02:10,940 --> 01:02:04,300

one night I was absolutely couldn't move

1018

01:02:14,100 --> 01:02:10,950

and the whole of bedroom filled so fast

1019

01:02:16,530 --> 01:02:14,110

billowing black smoke and I couldn't

1020

01:02:17,880 --> 01:02:16,540

move so I couldn't scream and tell him

1021

01:02:22,980 --> 01:02:17,890

that the house was on fire or anything

1022

01:02:27,270 --> 01:02:22,990

and this fish went out of this mob and

1023

01:02:27,900 --> 01:02:27,280

then let him move again like and Jesus

1024

01:02:33,420 --> 01:02:27,910

Christ

1025

01:02:36,060 --> 01:02:33,430

I don't and then I was having a bad day

1026

01:02:38,220 --> 01:02:36,070

and things that like you know you'd say

1027

01:02:40,170 --> 01:02:38,230

something like Oh God just can't get any

1028

01:02:43,530 --> 01:02:40,180

worse than the next-door neighbor's

1029

01:02:47,160 --> 01:02:43,540

unarmored know and they won't be able to

1030

01:02:50,130 --> 01:02:47,170

get it off yeah it's just being battered

1031

01:02:53,880 --> 01:02:50,140

and so anyway wait I was finding it

1032

01:02:55,770 --> 01:02:53,890

difficult slow but it was a you know

1033

01:02:59,400 --> 01:02:55,780

attacks and frightened he didn't believe

1034

01:03:02,510 --> 01:02:59,410

me we had an argument but a fight one

1035

01:03:09,030 --> 01:03:02,520

morning he's swatting around the face I

1036

01:03:12,650 --> 01:03:09,040

I left split up so I want to go back to

1037

01:03:15,120 --> 01:03:12,660

the house to get some toys for Louie

1038

01:03:17,580 --> 01:03:15,130

he's doesn't move down he's doesn't move

1039

01:03:21,140 --> 01:03:17,590

being with his woman dad the house is

1040

01:03:25,350 --> 01:03:21,150

completely abundant at this point yeah I

1041

01:03:29,670 --> 01:03:25,360

just run away from it and so I went in

1042

01:03:33,320 --> 01:03:29,680

and it was so close in I did not mean

1043

01:03:34,770 --> 01:03:33,330

like I could I was like walking into I

1044

01:03:39,210 --> 01:03:34,780

don't know

1045

01:03:48,240 --> 01:03:39,220

how ya mean you know I mean it was a

1046

01:03:50,270 --> 01:03:48,250

moody house it was heavy went into the

1047

01:03:52,710 --> 01:03:50,280

kitchen went downstairs

1048

01:03:55,680 --> 01:03:52,720

you know I'm looking around the kitchen

1049

01:03:59,350 --> 01:03:55,690

thinking anything

1050

01:04:01,570 --> 01:03:59,360

I opened a cupboard door

1051

01:04:09,540 --> 01:04:01,580

potatoes it being left in there then

1052

01:04:17,800 --> 01:04:15,460

so I was totally on edge well when it

1053

01:04:19,180 --> 01:04:17,810

working out bedroom floor but you know

1054

01:04:21,310 --> 01:04:19,190

what I don't even want anything from

1055

01:04:24,340 --> 01:04:21,320

here I went into the it's a Louie's

1056

01:04:26,590 --> 01:04:24,350

bedroom and I swear to God everything

1057

01:04:29,470 --> 01:04:26,600

was upended it was a little bedroom

1058

01:04:31,690 --> 01:04:29,480

yeah is single bed and then he had just

1059

01:04:33,160 --> 01:04:31,700

a drug it's my box I think it's all

1060

01:04:36,400 --> 01:04:33,170

compact and it was like something

1061

01:04:39,100 --> 01:04:36,410

they've gone through it was all like oh

1062

01:04:43,060 --> 01:04:39,110

you know the mattress and the toys were

1063

01:04:45,040 --> 01:04:43,070

all over like a child to come to being

1064

01:04:47,080 --> 01:04:45,050

in their plane like that with the

1065

01:04:50,950 --> 01:04:47,090

mattress the way it was and it was

1066

01:04:53,950 --> 01:04:50,960

literally like something it's lifted our

1067

01:04:58,960 --> 01:04:53,960

shot through the floor and upended

1068

01:05:01,600 --> 01:04:58,970

everything so I ran right the door so

1069

01:05:06,520 --> 01:05:01,610

loose was that door under yeah we had a

1070

01:05:08,830 --> 01:05:06,530

Yale what comics because you could not

1071

01:05:13,510 --> 01:05:08,840

get that door open and I could feel this

1072

01:05:17,380 --> 01:05:13,520

wall of evil just coming behind like

1073

01:05:21,400 --> 01:05:17,390

that billowing smoke shot the door

1074

01:05:24,010 --> 01:05:21,410

behind me yeah I just ran jumped in the

1075

01:05:27,370 --> 01:05:24,020

car and drove off like never ever went

1076

01:05:31,570 --> 01:05:27,380

back did you watch when it state what or

1077

01:05:33,690 --> 01:05:31,580

is name telling did you ever ask him but

1078

01:05:38,770 --> 01:05:33,700

you know did they leave it in that state

1079

01:05:40,600 --> 01:05:38,780

upside down no I'm not you may would

1080

01:05:47,020 --> 01:05:40,610

have gotten in Louie's room and away

1081

01:05:48,100 --> 01:05:47,030

yeah absolutely house we did take off

1082

01:05:50,080 --> 01:05:48,110

the panel you know like you have

1083

01:05:52,260 --> 01:05:50,090

normal-weight wooden doors with the

1084

01:05:56,770 --> 01:05:52,270

panel's

1085

01:05:59,110 --> 01:05:56,780

bars on them think they may be yeah well

1086

01:06:01,480 --> 01:05:59,120

it looked like all of the darling living

1087

01:06:06,210 --> 01:06:01,490

room was scorched when we took the panel

1088

01:06:12,550 --> 01:06:09,430

there was no justification remember know

1089

01:06:16,109 --> 01:06:12,560

a lot about a body experiences as well

1090

01:06:18,250 --> 01:06:16,119

in there lots and lots of nightmares

1091

01:06:23,760 --> 01:06:18,260

sleep paralysis

1092

01:06:27,010 --> 01:06:23,770

you know everything absolutely rancid

1093

01:06:28,870 --> 01:06:27,020

oppressing and what even go anywhere

1094

01:06:30,880 --> 01:06:28,880

near the house like the one in Leeds as

1095

01:06:33,550 --> 01:06:30,890

well out the other one that you went to

1096

01:06:34,710 --> 01:06:33,560

I won't even go near that place I'm so

1097

01:06:41,980 --> 01:06:34,720

terrified

1098

01:06:46,210 --> 01:06:41,990

not scared of that what I am NOT one in

1099

01:06:49,780 --> 01:06:46,220

he's another attachment to some life to

1100

01:06:53,020 --> 01:06:49,790

[h__\h] because I've got to fight for this

1101
01:06:57,339 --> 01:06:53,030
normalcy you know I mean ya know a Dave

1102
01:06:59,710 --> 01:06:57,349
is exactly what I've never had it's

1103
01:07:06,640 --> 01:06:59,720
coming here as soon as I moved in there

1104
01:07:22,030 --> 01:07:06,650
I was like a weird stuff foot seas over

1105
01:07:27,480 --> 01:07:22,040
I'll come over anyway again like I think

1106
01:07:30,280 --> 01:07:27,490
I just think that everywhere is harm it

1107
01:07:34,410 --> 01:07:30,290
everything's on repeat some people are

1108
01:07:40,020 --> 01:07:34,420
still it's not whatever is going on but

1109
01:07:42,819 --> 01:07:40,030
you know and so I think that's why

1110
01:07:46,750 --> 01:07:42,829
whenever I go anywhere all you go

1111
01:07:49,000 --> 01:07:46,760
anywhere it kicks off because we've got

1112
01:07:51,010 --> 01:07:49,010
that energy we can tune into it or it

1113
01:07:56,130 --> 01:07:51,020

consumed into us or whatever it's a

1114

01:08:00,750 --> 01:07:56,140

clash it's just a laugh so that voice oh

1115

01:08:03,460 --> 01:08:00,760

my god I've been scared out of my mind

1116

01:08:06,660 --> 01:08:03,470

people wonder why I'm like I am it's

1117

01:08:20,970 --> 01:08:18,059

you know he's after us we brain does

1118

01:08:22,950 --> 01:08:20,980

damaged right that's a but there were a

1119

01:08:25,769 --> 01:08:22,960

comment on yo Joe Panik Ackerman I

1120

01:08:31,459 --> 01:08:25,779

wouldn't yield to one of these they've

1121

01:08:38,999 --> 01:08:36,510

some diplomat amar is it malignant are

1122

01:08:46,229 --> 01:08:39,009

whatever in Bradford I can't remember

1123

01:08:48,510 --> 01:08:46,239

Oh put it and you know why I said there

1124

01:08:51,120 --> 01:08:48,520

must have missed that comment Bradford

1125

01:08:56,789 --> 01:08:51,130

is the oldest city in the world

1126

01:09:01,589 --> 01:08:56,799

it was busiest city in the world the

1127

01:09:05,609 --> 01:09:01,599

word malevolent maybe it would a karma

1128

01:09:08,939 --> 01:09:05,619

sort of a karma know in well answer it

1129

01:09:13,589 --> 01:09:08,949

will be opposite which is cama cama and

1130

01:09:16,589 --> 01:09:13,599

um I mean answer that now nor the well

1131

01:09:19,280 --> 01:09:16,599

that all the certificates mine as what

1132

01:09:23,939 --> 01:09:19,290

they are is Sasha is is just that I I

1133

01:09:25,800 --> 01:09:23,949

can control it there because I don't

1134

01:09:30,510 --> 01:09:25,810

have all this do to do to do going on

1135

01:09:34,579 --> 01:09:30,520

around me and I think because I'm M I I

1136

01:09:37,410 --> 01:09:34,589

don't have the ADHD I don't I've saw it

1137

01:09:40,620 --> 01:09:37,420

it's not constantly going in me brain

1138

01:09:43,010 --> 01:09:40,630

you know what I mean it's not so it's

1139

01:09:58,040 --> 01:09:43,020

easy for me to control it and not be is

1140

01:10:01,800 --> 01:09:58,050

you know up down and shapes everything

1141

01:10:05,669 --> 01:10:01,810

whereas I am other as a child I haven't

1142

01:10:08,669 --> 01:10:05,679

at that so my experiences have been

1143

01:10:11,700 --> 01:10:08,679

abducted her only in that moment of time

1144

01:10:14,879 --> 01:10:11,710

and not things that's within my

1145

01:10:19,379 --> 01:10:14,889

childhood growing up you know you know I

1146

01:10:21,830 --> 01:10:19,389

mean so no in in easier you know they're

1147

01:10:24,959 --> 01:10:21,840

not coming I mean being our airy-fairy

1148

01:10:27,959 --> 01:10:24,969

it's exactly the same as Sasha's trauma

1149

01:10:29,910 --> 01:10:27,969

except she's Kareem our trauma because

1150

01:10:31,830 --> 01:10:29,920

of this life what's up and in this

1151

01:10:34,109 --> 01:10:31,840

instant as well

1152

01:10:39,899 --> 01:10:34,119

not just the abduction side of it so

1153

01:10:43,770 --> 01:10:39,909

that's the answer it's a question yeah

1154

01:10:45,000 --> 01:10:43,780

but you know some really shitty people

1155

01:10:48,359 --> 01:10:45,010

in my life you've done some shitty

1156

01:10:54,359 --> 01:10:48,369

things yeah there's what ever lasting

1157

01:10:57,839 --> 01:10:54,369

effects on my body yeah you know I've

1158

01:11:00,180 --> 01:10:57,849

had a lot of you know people in

1159

01:11:06,899 --> 01:11:00,190

relationships when you have this [h__h]

1160

01:11:08,760 --> 01:11:06,909

going on like I have any and you know

1161

01:11:12,149 --> 01:11:08,770

what he gets together and it's like this

1162

01:11:14,879 --> 01:11:12,159

is good this is very getting on and you

1163

01:11:18,660 --> 01:11:14,889

want a normal family life and then

1164

01:11:21,390 --> 01:11:18,670

something happens and no that's all over

1165

01:11:24,320 --> 01:11:21,400

with literally gone start again start

1166

01:11:27,149 --> 01:11:24,330

again start again and it always yeah

1167

01:11:30,479 --> 01:11:27,159

outside like machole's that make it look

1168

01:11:33,209 --> 01:11:30,489

as if you know it's always me but

1169

01:11:35,160 --> 01:11:33,219

actually I've left relationships because

1170

01:11:38,729 --> 01:11:35,170

they've been violent or there's being

1171

01:11:43,020 --> 01:11:38,739

alcohol or some don't be that they're

1172

01:11:44,550 --> 01:11:43,030

like the eyes the violence you know all

1173

01:11:48,390 --> 01:11:44,560

of that the betrayal

1174

01:11:53,430 --> 01:11:48,400

you know people people are [\h__\h]

1175

01:11:55,560 --> 01:11:53,440

so not everyone but and then on top all

1176

01:11:57,600 --> 01:11:55,570

of the paranormal stuff and it's

1177

01:12:02,540 --> 01:11:57,610

happening to Dan and calling me all

1178

01:12:05,280 --> 01:12:02,550

names you know for coming in I'm a freak

1179

01:12:10,010 --> 01:12:05,290

you know no one's ever gonna love me I'm

1180

01:12:13,220 --> 01:12:10,020

a freak well I even think that

1181

01:12:16,589 --> 01:12:13,230

relationship anymore so you know I'm not

1182

01:12:18,570 --> 01:12:16,599

you know I'm like no no I'm not suppose

1183

01:12:20,490 --> 01:12:18,580

it's not supposed to happen it I'm not

1184

01:12:23,040 --> 01:12:20,500

supposed to be in a relationship but

1185

01:12:26,609 --> 01:12:23,050

that's all the grace made me feel that

1186

01:12:29,510 --> 01:12:26,619

it's been an or other person you know

1187

01:12:35,160 --> 01:12:29,520

what I mean so Oh give it up because

1188

01:12:37,339 --> 01:12:35,170

it's sad if they're not in the same

1189

01:12:40,200 --> 01:12:37,349

situation as you you know for the

1190

01:12:44,760 --> 01:12:40,210

abductees contact Jesus they will never

1191

01:12:45,510 --> 01:12:44,770

know you as a person no matter you know

1192

01:12:47,130 --> 01:12:45,520

I

1193

01:12:50,160 --> 01:12:47,140

the big weird-looking people he's 20 a

1194

01:12:52,220 --> 01:12:50,170

year if they are not like you they will

1195

01:12:57,990 --> 01:12:52,230

never know the true you

1196

01:13:01,050 --> 01:12:58,000

so Davies you know he's like paranormal

1197

01:13:04,890 --> 01:13:01,060

stuff all his life as well he's like

1198

01:13:07,140 --> 01:13:04,900

there's no you know if you if you

1199

01:13:09,030 --> 01:13:07,150

calling me names by becoming soft man's

1200

01:13:15,060 --> 01:13:09,040

about it cuz he's up weird stuff happen

1201

01:13:16,740 --> 01:13:15,070

all his life he's you know boom we've

1202

01:13:19,170 --> 01:13:16,750

got some weird stuff happened since we

1203

01:13:25,560 --> 01:13:19,180

were together which I'll get into a

1204

01:13:29,340 --> 01:13:25,570

later day you know he you know what

1205

01:13:32,360 --> 01:13:29,350

karma but I also pulled myself away from

1206

01:13:34,590 --> 01:13:32,370

it and I've stopped looking because

1207

01:13:37,140 --> 01:13:34,600

absolutely sick to death I seen someone

1208

01:13:39,720 --> 01:13:37,150

I'm sick of it people I used to think

1209

01:13:42,660 --> 01:13:39,730

God how could people see something all

1210

01:13:44,310 --> 01:13:42,670

the time I don't believe him and then

1211

01:13:46,350 --> 01:13:44,320

when I got a bit obsessed with

1212

01:13:48,990 --> 01:13:46,360

chemtrails in there like 10 years girls

1213

01:13:50,970 --> 01:13:49,000

but on one about them yeah looking at

1214

01:13:53,910 --> 01:13:50,980

the sky I was I'm seeing stuff all sorts

1215

01:13:58,620 --> 01:13:53,920

of weird stuff really really long you

1216

01:14:03,450 --> 01:13:58,630

know which chemtrail that I took that

1217

01:14:08,250 --> 01:14:03,460

train going oh yeah yeah this you know

1218

01:14:10,200 --> 01:14:08,260

in yeah it depends on via tightened at

1219

01:14:13,470 --> 01:14:10,210

that moment I think you know what I mean

1220

01:14:27,840 --> 01:14:13,480

if you've got go outside you know when I

1221

01:14:29,730 --> 01:14:27,850

was a smoker go outside that's what

1222

01:14:32,640 --> 01:14:29,740

we're supposed to think if I'm like oh

1223

01:14:34,920 --> 01:14:32,650

you real that you know yeah hello

1224

01:14:38,070 --> 01:14:34,930

how many times how many times Jeff to do

1225

01:14:39,860 --> 01:14:38,080

this what you in my head you trying to

1226

01:14:42,840 --> 01:14:39,870

drive my mouth

1227

01:14:44,220 --> 01:14:42,850

what am i isn't something wrong with my

1228

01:14:48,030 --> 01:14:44,230

ice is is something wrong with my liver

1229

01:14:52,470 --> 01:14:48,040

about Romney opens completely fine so

1230

01:14:57,040 --> 01:14:52,480

many times are you see your light and

1231

01:15:12,600 --> 01:15:02,740

so right so we cut a night then yes

1232

01:15:18,450 --> 01:15:12,610

because I think now yeah I shall have to

1233

01:15:27,130 --> 01:15:18,460

you know write down my next yeah

1234

01:15:30,460 --> 01:15:27,140

WTF what yeah up at the house and beast

1235

01:15:37,240 --> 01:15:30,470

and man oh my god servile up like that

1236

01:15:40,000 --> 01:15:37,250

entire town is rancid wrong so I think

1237

01:15:42,190 --> 01:15:40,010

some magically you know like somebody

1238

01:15:46,450 --> 01:15:42,200

probably the chaos temple they're all

1239

01:15:50,470 --> 01:15:46,460

over leads chaos was the can be so

1240

01:15:54,850 --> 01:15:50,480

arrogant and dangerous and thoughtless

1241

01:15:58,180 --> 01:15:54,860

so God knows but anyway the chaos stuff
