

1
00:00:05,510 --> 00:00:03,830
oh here we are

2
00:00:08,390 --> 00:00:05,520
oh

3
00:00:18,290 --> 00:00:12,110
here we are stevieve early Stevie Stevie

4
00:00:18,300 --> 00:00:34,910
just reminiscing

5
00:00:40,369 --> 00:00:37,490
oh no

6
00:00:51,470 --> 00:00:40,379
oh boy

7
00:00:51,480 --> 00:00:56,830
wonder what we can get rifles

8
00:01:01,729 --> 00:00:59,229
that's the same vehicle

9
00:01:06,590 --> 00:01:01,739
that was there I'm sure that's the same

10
00:01:06,600 --> 00:01:11,170
that's the house

11
00:01:17,030 --> 00:01:13,730
I knew we could walk up bucket you know

12
00:01:19,429 --> 00:01:17,040
what that is so weird okay I lost it

13
00:01:21,410 --> 00:01:19,439

last time I was like I've got a swine

14

00:01:23,510 --> 00:01:21,420

could walk up there

15

00:01:25,630 --> 00:01:23,520

say it oh my God that's where it all

16

00:01:30,350 --> 00:01:25,640

happened

17

00:01:35,530 --> 00:01:32,270

they've put an extension on there aren't

18

00:01:38,690 --> 00:01:35,540

they well that's the main house

19

00:01:40,850 --> 00:01:38,700

and use them at a change yeah well that

20

00:01:44,870 --> 00:01:40,860

was a little bit mad so we drove up to

21

00:01:46,850 --> 00:01:44,880

the house and his Stevie boy so we drove

22

00:01:48,830 --> 00:01:46,860

up to the house okay so have a little

23

00:01:50,450 --> 00:01:48,840

look and anyway the people were on the

24

00:01:53,810 --> 00:01:50,460

house that were there so we had a little

25

00:01:56,210 --> 00:01:53,820

chat with them oh we've been actually on

26
00:01:58,010 --> 00:01:56,220
the land stood where we were done to do

27
00:01:59,749 --> 00:01:58,020
I mean a lot of it's changed there's so

28
00:02:03,590 --> 00:01:59,759
many more buildings on that property now

29
00:02:06,649 --> 00:02:03,600
uh so we couldn't actually walk any of

30
00:02:08,029 --> 00:02:06,659
the bits where I you know where I ran uh

31
00:02:10,070 --> 00:02:08,039
because that's all been built on now

32
00:02:12,110 --> 00:02:10,080
that doesn't exist anymore but the

33
00:02:13,430 --> 00:02:12,120
little corner where I was stood that's

34
00:02:15,170 --> 00:02:13,440
still kind of there even though it's not

35
00:02:16,610 --> 00:02:15,180
the same everything's grown the Wall's

36
00:02:18,770 --> 00:02:16,620
gone

37
00:02:20,630 --> 00:02:18,780
um the chicken wire fence Etc that's not

38
00:02:22,010 --> 00:02:20,640

there anymore either so but the trees

39

00:02:23,930 --> 00:02:22,020

are still there so I've got a photograph

40

00:02:26,630 --> 00:02:23,940

of the trees we had a good chat with

41

00:02:28,010 --> 00:02:26,640

them they were really really nice and

42

00:02:29,869 --> 00:02:28,020

weren't freaked out or anything thank

43

00:02:33,410 --> 00:02:29,879

God but

44

00:02:35,750 --> 00:02:33,420

um so so now we're just gonna have a

45

00:02:37,369 --> 00:02:35,760

little mooch about and do some filming

46

00:02:41,750 --> 00:02:37,379

and take some pictures and see if we can

47

00:02:43,910 --> 00:02:41,760

kind of get the angles of where we first

48

00:02:46,610 --> 00:02:43,920

saw saw the lights as they were coming

49

00:02:48,830 --> 00:02:46,620

over towards us maybe even a little bit

50

00:02:50,930 --> 00:02:48,840

of a mooch of the the walk that we did

51
00:02:52,750 --> 00:02:50,940
the next day when we were looking for

52
00:02:55,670 --> 00:02:52,760
any reason to explain these lights which

53
00:03:01,930 --> 00:02:55,680
ridiculously included a nightclub with

54
00:03:06,830 --> 00:03:04,190
anything come on we've got to find a

55
00:03:09,229 --> 00:03:06,840
reason for this because what what it

56
00:03:11,089 --> 00:03:09,239
appeared to be is impossible so

57
00:03:13,009 --> 00:03:11,099
but obviously not impossible because it

58
00:03:15,050 --> 00:03:13,019
was there but

59
00:03:16,970 --> 00:03:15,060
so that was a bit mental

60
00:03:18,410 --> 00:03:16,980
stop shaking I was shaking like mad when

61
00:03:19,850 --> 00:03:18,420
I was on the property but they were a

62
00:03:21,530 --> 00:03:19,860
lovely couple they were really really

63
00:03:23,570 --> 00:03:21,540

nice people

64

00:03:25,149 --> 00:03:23,580

so uh yeah I didn't expect to be able to

65

00:03:27,890 --> 00:03:25,159

do that

66

00:03:30,589 --> 00:03:27,900

we were here were these trees this

67

00:03:32,330 --> 00:03:30,599

groceries this is like here

68

00:03:33,050 --> 00:03:32,340

I'm pretty sure that's kind of where we

69

00:03:35,509 --> 00:03:33,060

were

70

00:03:36,970 --> 00:03:35,519

so it's come from here and the furthest

71

00:03:40,550 --> 00:03:36,980

part of the

72

00:03:44,270 --> 00:03:40,560

Horizon and then moved in inwards put

73

00:03:46,309 --> 00:03:44,280

zigzags in and to here

74

00:03:47,809 --> 00:03:46,319

okay it's a little bit windy so

75

00:03:49,970 --> 00:03:47,819

hopefully

76

00:03:52,009 --> 00:03:49,980

uh you'll be able to hear what you're

77

00:03:54,110 --> 00:03:52,019

saying so here we are

78

00:03:57,289 --> 00:03:54,120

over the valley

79

00:04:04,149 --> 00:04:00,410

where do you think it came in Steve okay

80

00:04:07,670 --> 00:04:04,159

we will have been just located down here

81

00:04:10,070 --> 00:04:07,680

uh so we could actually overlook

82

00:04:15,909 --> 00:04:10,080

Valley in front of the valley over to

83

00:04:21,650 --> 00:04:19,310

when I saw the lights appear

84

00:04:24,469 --> 00:04:21,660

I was looking over this way in between

85

00:04:28,370 --> 00:04:24,479

the valleys and this is when it became

86

00:04:32,830 --> 00:04:28,380

prominent in the sky uh

87

00:04:40,270 --> 00:04:36,170

observing this is when I decided to call

88

00:04:43,850 --> 00:04:40,280

to Paul sash because to me I can explain

89

00:04:47,450 --> 00:04:43,860

what's going on so that was the lay of

90

00:04:49,129 --> 00:04:47,460

the land and the valley comes around and

91

00:04:51,590 --> 00:04:49,139

this is where the light in the sky

92

00:04:55,670 --> 00:04:51,600

became more prominent moving over

93

00:04:59,390 --> 00:04:55,680

following the valley until

94

00:05:00,890 --> 00:04:59,400

long behold it was above us this took

95

00:05:03,469 --> 00:05:00,900

great time

96

00:05:06,170 --> 00:05:03,479

how long do you think it's up

97

00:05:07,550 --> 00:05:06,180

how long do you think it took because

98

00:05:10,430 --> 00:05:07,560

I've never been able to really

99

00:05:13,430 --> 00:05:10,440

guesstimate this it must have been half

100

00:05:15,290 --> 00:05:13,440

an hour to 40 minutes until it was

101
00:05:18,409 --> 00:05:15,300
actually a boogers but to say that would

102
00:05:21,530 --> 00:05:18,419
return back in around half six

103
00:05:24,590 --> 00:05:21,540
phone call towards family of family and

104
00:05:26,210 --> 00:05:24,600
friends took place around 9 30. we've

105
00:05:29,090 --> 00:05:26,220
got to take into account it could have

106
00:05:30,490 --> 00:05:29,100
been between two and a half or two to

107
00:05:33,650 --> 00:05:30,500
two and a half hours

108
00:05:36,290 --> 00:05:33,660
at least yeah and that's without any

109
00:05:38,990 --> 00:05:36,300
extra time added on there where Sasha

110
00:05:40,430 --> 00:05:39,000
has gone out you know

111
00:05:43,070 --> 00:05:40,440
this is

112
00:05:45,290 --> 00:05:43,080
it's obviously he didn't seem to be that

113
00:05:47,629 --> 00:05:45,300

long but looking at the time frame of

114

00:05:49,909 --> 00:05:47,639

when I made the phone calls back to

115

00:05:52,550 --> 00:05:49,919

Leeds at the time we arrived back home

116

00:05:56,029 --> 00:05:52,560

given that it was February and it was

117

00:05:57,650 --> 00:05:56,039

dark and miserable yeah there's a fair

118

00:06:01,010 --> 00:05:57,660

few hours which we've actually gone into

119

00:06:03,469 --> 00:06:01,020

this site in you know most of the time I

120

00:06:10,990 --> 00:06:08,110

I felt numb Shell Shocked Maybe

121

00:06:13,850 --> 00:06:11,000

hypnotized by what was going on yeah

122

00:06:15,170 --> 00:06:13,860

that's a good way of describing it yeah

123

00:06:16,909 --> 00:06:15,180

I've actually mentioned that before

124

00:06:19,189 --> 00:06:16,919

because it occurred to me right after I

125

00:06:20,810 --> 00:06:19,199

mean yeah there's a certain form of

126
00:06:22,610 --> 00:06:20,820
hypnosis because everybody was known

127
00:06:26,150 --> 00:06:22,620
people were acting strange why would

128
00:06:28,790 --> 00:06:26,160
this be why would we felt that way we

129
00:06:31,850 --> 00:06:28,800
can't say what it is but it obviously

130
00:06:33,890 --> 00:06:31,860
something happened and the hypnotism of

131
00:06:36,969 --> 00:06:33,900
the numbness of Life what should be said

132
00:06:39,409 --> 00:06:36,979
what should be done something as

133
00:06:41,270 --> 00:06:39,419
ridiculous is when Sasha has returned

134
00:06:43,850 --> 00:06:41,280
back into the house after venturing out

135
00:06:45,650 --> 00:06:43,860
there you know my initial reaction well

136
00:06:47,930 --> 00:06:45,660
you know there's no missed time but the

137
00:06:49,370 --> 00:06:47,940
missed time may already have occurred

138
00:06:51,170 --> 00:06:49,380

because

139

00:06:53,870 --> 00:06:51,180

this happened

140

00:06:55,129 --> 00:06:53,880

evening time

141

00:06:57,230 --> 00:06:55,139

we weren't going to stay out there

142

00:06:59,689 --> 00:06:57,240

walking in the dark we weren't too far

143

00:07:02,510 --> 00:06:59,699

away we're just along the along the

144

00:07:05,830 --> 00:07:02,520

valley we've been to Clan gothland we've

145

00:07:09,110 --> 00:07:05,840

been to Padley also that particular day

146

00:07:10,490 --> 00:07:09,120

uh so you know why would we be out in

147

00:07:12,890 --> 00:07:10,500

the colder mad drizzle when we had to

148

00:07:14,809 --> 00:07:12,900

lock fire open some good food to eat and

149

00:07:16,490 --> 00:07:14,819

two small children yeah taking

150

00:07:20,409 --> 00:07:16,500

everything we wouldn't be out late with

151

00:07:22,850 --> 00:07:20,419

two small children not at all

152

00:07:25,070 --> 00:07:22,860

and the other part like you know you're

153

00:07:27,230 --> 00:07:25,080

saying about the hypnotism are like it

154

00:07:29,629 --> 00:07:27,240

was like hypnotism

155

00:07:32,270 --> 00:07:29,639

um one thing that really disturbs me is

156

00:07:34,309 --> 00:07:32,280

that the urge that you had to actually

157

00:07:35,870 --> 00:07:34,319

go outside

158

00:07:38,089 --> 00:07:35,880

what were you doing when you had that

159

00:07:40,370 --> 00:07:38,099

urge I just felt the need I mean this

160

00:07:41,570 --> 00:07:40,380

has happened before but it's almost as

161

00:07:43,430 --> 00:07:41,580

if you need to go and do something

162

00:07:45,230 --> 00:07:43,440

sometimes I'll listen to that other

163

00:07:47,689 --> 00:07:45,240

times I won't I'd already established

164

00:07:49,670 --> 00:07:47,699

that night oh no it's overcast there I

165

00:07:53,089 --> 00:07:49,680

won't see anything a little boy says

166

00:07:55,249 --> 00:07:53,099

well you never know oh yeah okay not

167

00:07:57,050 --> 00:07:55,259

being negative about it I just felt the

168

00:07:59,749 --> 00:07:57,060

need to go out at that moment in time

169

00:08:03,309 --> 00:07:59,759

and just have that moment for myself and

170

00:08:07,070 --> 00:08:03,319

that's when this effect in the sky

171

00:08:09,830 --> 00:08:07,080

became became visible and then became

172

00:08:11,930 --> 00:08:09,840

more obvious I had to stand there

173

00:08:13,370 --> 00:08:11,940

for a good few minutes observing

174

00:08:16,070 --> 00:08:13,380

thinking hey

175

00:08:18,409 --> 00:08:16,080

what is this before I actually alerted

176

00:08:19,570 --> 00:08:18,419

anybody out with Sasha

177

00:08:23,390 --> 00:08:19,580

um

178

00:08:30,170 --> 00:08:23,400

come on what is this no I can't explain

179

00:08:34,969 --> 00:08:32,690

and so he expands that I mean we've been

180

00:08:37,250 --> 00:08:34,979

passed that way in The Valleys but to

181

00:08:38,290 --> 00:08:37,260

actually see it from this article and at

182

00:08:42,230 --> 00:08:38,300

this height

183

00:08:45,710 --> 00:08:42,240

or so it was a mess it was a maintenance

184

00:08:48,889 --> 00:08:45,720

because even from say

185

00:08:52,130 --> 00:08:48,899

50 to 100 meters lower from here you can

186

00:08:54,889 --> 00:08:52,140

still see the expense of

187

00:08:57,170 --> 00:08:54,899

the valley range you can see that

188

00:09:00,110 --> 00:08:57,180

he was covered in the sky there's no

189

00:09:02,590 --> 00:09:00,120

doubt about that or the effect of what

190

00:09:04,370 --> 00:09:02,600

was going on

191

00:09:07,370 --> 00:09:04,380

clouds

192

00:09:12,710 --> 00:09:10,730

the entire Sky yeah we couldn't see this

193

00:09:15,829 --> 00:09:12,720

much of the sky really could we because

194

00:09:18,590 --> 00:09:15,839

of some of it is obscured by the hills

195

00:09:20,810 --> 00:09:18,600

because you know that we were not at the

196

00:09:24,470 --> 00:09:20,820

highest point over you went over to the

197

00:09:27,470 --> 00:09:24,480

Horizon we could see it did Cover

198

00:09:29,329 --> 00:09:27,480

um so what was the central part of the

199

00:09:33,290 --> 00:09:29,339

actual spectacular which was there

200

00:09:39,889 --> 00:09:38,090

Amplified over it's like a it's just a

201
00:09:41,990 --> 00:09:39,899
continuation is this the effect it's

202
00:09:44,150 --> 00:09:42,000
given from the center the epicenter of

203
00:09:46,610 --> 00:09:44,160
it is it moving out

204
00:09:48,350 --> 00:09:46,620
obviously so because the effect was

205
00:09:51,590 --> 00:09:48,360
there it was a month

206
00:09:54,590 --> 00:09:51,600
we are now because unfortunately you

207
00:09:56,690 --> 00:09:54,600
can't make it on Saturday due to work

208
00:09:59,269 --> 00:09:56,700
and life getting in the way of you

209
00:10:02,570 --> 00:09:59,279
living and so I'm going to ask you a few

210
00:10:04,850 --> 00:10:02,580
questions that I think the audience

211
00:10:07,430 --> 00:10:04,860
might have asked you

212
00:10:11,509 --> 00:10:07,440
had you been here today

213
00:10:17,090 --> 00:10:14,570

first question I'm going to ask is what

214

00:10:18,829 --> 00:10:17,100

made you go outside

215

00:10:20,630 --> 00:10:18,839

why were you out there looking at this

216

00:10:24,829 --> 00:10:20,640

guy

217

00:10:28,490 --> 00:10:24,839

well initially young returned to the to

218

00:10:32,389 --> 00:10:28,500

the cottage that that particular evening

219

00:10:34,310 --> 00:10:32,399

I uh got out of the car and died lots of

220

00:10:36,650 --> 00:10:34,320

things and skating you know no look at

221

00:10:38,630 --> 00:10:36,660

this solver counts

222

00:10:41,329 --> 00:10:38,640

my God I ain't going to say nothing

223

00:10:43,370 --> 00:10:41,339

tonight I'd like to see the stars see if

224

00:10:46,430 --> 00:10:43,380

there's any kind of activity

225

00:10:48,949 --> 00:10:46,440

but unfortunately no it was overcast

226

00:10:50,389 --> 00:10:48,959

and it was like this little voice inside

227

00:10:53,810 --> 00:10:50,399

the head

228

00:10:59,710 --> 00:10:55,910

don't be stupid

229

00:11:02,990 --> 00:10:59,720

you know taking a thing

230

00:11:06,350 --> 00:11:03,000

to use as some form of camouflage and

231

00:11:09,050 --> 00:11:06,360

it's like oh get in the house I thought

232

00:11:11,750 --> 00:11:09,060

you actually thought that the clouds

233

00:11:15,949 --> 00:11:11,760

would be camouflage that was this is in

234

00:11:19,610 --> 00:11:15,959

your head yeah it wasn't maybe it was in

235

00:11:23,930 --> 00:11:19,620

a subconscious part of mine yeah

236

00:11:26,389 --> 00:11:23,940

because it was I was doubting the fact

237

00:11:29,569 --> 00:11:26,399

you know it was always nice to make the

238

00:11:31,550 --> 00:11:29,579

star guys I'm an astronomer I'm no

239

00:11:33,769 --> 00:11:31,560

specialist in these things but it's just

240

00:11:35,930 --> 00:11:33,779

nice sometimes it's relaxing and it's

241

00:11:38,210 --> 00:11:35,940

something I enjoy to do but eventually I

242

00:11:43,250 --> 00:11:38,220

do it but it's it's overcast what the

243

00:11:49,490 --> 00:11:47,050

that was this little inkling this little

244

00:11:54,110 --> 00:11:49,500

voice this

245

00:11:55,970 --> 00:11:54,120

well okay I shut down obviously we all

246

00:12:00,110 --> 00:11:55,980

entered d

247

00:12:05,990 --> 00:12:02,389

I just remember being inside for a while

248

00:12:07,910 --> 00:12:06,000

and it was a sensation of

249

00:12:10,310 --> 00:12:07,920

I need to go out for a breath of fresh

250

00:12:15,350 --> 00:12:10,320

air I just need to go out

251
00:12:17,630 --> 00:12:15,360
and I went out so we while this was the

252
00:12:20,269 --> 00:12:17,640
front the actual front of the cottage

253
00:12:28,430 --> 00:12:24,410
still being overcast now very much dark

254
00:12:31,009 --> 00:12:28,440
it's just glaring

255
00:12:32,290 --> 00:12:31,019
over to the valley into the darkness to

256
00:12:36,050 --> 00:12:32,300
see

257
00:12:39,949 --> 00:12:36,060
then some form of

258
00:12:44,930 --> 00:12:39,959
life which was appearing through this I

259
00:12:50,569 --> 00:12:47,690
uh in the beginning I I actually thought

260
00:12:53,629 --> 00:12:50,579
it was some form of blanket lightning

261
00:12:55,069 --> 00:12:53,639
you know you know in the beginning hey

262
00:12:56,930 --> 00:12:55,079
there's some kind of activity there's

263
00:13:00,829 --> 00:12:56,940

going to be a storm

264

00:13:03,230 --> 00:13:00,839

where in actual fact it's like

265

00:13:05,870 --> 00:13:03,240

I was

266

00:13:07,550 --> 00:13:05,880

almost at the point of just coming back

267

00:13:09,470 --> 00:13:07,560

inside and I thought well I'm just gonna

268

00:13:13,069 --> 00:13:09,480

stay here for a few more moments so I'm

269

00:13:15,710 --> 00:13:13,079

just gonna hey what is the rush you know

270

00:13:18,769 --> 00:13:15,720

with this daily routine I'm just gonna

271

00:13:21,170 --> 00:13:18,779

but hey this is getting slightly bigger

272

00:13:23,750 --> 00:13:21,180

what is actually going on

273

00:13:26,690 --> 00:13:23,760

also you can see the silhouette of the

274

00:13:29,389 --> 00:13:26,700

valleys and

275

00:13:31,610 --> 00:13:29,399

it started to come over gradually

276

00:13:35,150 --> 00:13:31,620

it was at this point

277

00:13:36,970 --> 00:13:35,160

of course I I came into the house and I

278

00:13:40,850 --> 00:13:36,980

said to yourself hey

279

00:13:42,970 --> 00:13:40,860

but there's something going on up there

280

00:13:45,470 --> 00:13:42,980

yeah

281

00:13:47,509 --> 00:13:45,480

take a look take a look what do you

282

00:13:50,810 --> 00:13:47,519

think what what is this

283

00:13:54,790 --> 00:13:50,820

am I going Lulu what is actually going

284

00:13:57,889 --> 00:13:54,800

on here is because you know

285

00:14:00,949 --> 00:13:57,899

so that was the initial reaction it was

286

00:14:03,530 --> 00:14:00,959

like you know kind of I was quite

287

00:14:06,410 --> 00:14:03,540

astonished because

288

00:14:08,750 --> 00:14:06,420

no I want to be it doesn't seem normal I

289

00:14:10,370 --> 00:14:08,760

can't explain it but it could be one of

290

00:14:12,710 --> 00:14:10,380

the different forms of electrical

291

00:14:16,329 --> 00:14:12,720

activity which is going on up there what

292

00:14:19,250 --> 00:14:16,339

is there but no just hang on a minute

293

00:14:21,290 --> 00:14:19,260

I feel like lightning in the clouds it

294

00:14:24,350 --> 00:14:21,300

looked like far away a little little

295

00:14:26,269 --> 00:14:24,360

Flicker and then it was gone and then it

296

00:14:27,949 --> 00:14:26,279

came back on but then it went off and it

297

00:14:30,889 --> 00:14:27,959

came back on it went off that's what it

298

00:14:32,870 --> 00:14:30,899

was doing that's what I remember so

299

00:14:35,210 --> 00:14:32,880

that's why when it started to expand in

300

00:14:37,550 --> 00:14:35,220

the sky it became more apparent this is

301
00:14:39,470 --> 00:14:37,560
why when I first went out there I mean

302
00:14:42,889 --> 00:14:39,480
obviously it's like you look at

303
00:14:45,410 --> 00:14:42,899
something you look away it's not enough

304
00:14:47,269 --> 00:14:45,420
to actually catch the eye but it has

305
00:14:49,490 --> 00:14:47,279
actually caught the eye

306
00:14:51,490 --> 00:14:49,500
so to say because you wouldn't look back

307
00:14:55,310 --> 00:14:51,500
at 7 otherwise

308
00:14:57,889 --> 00:14:55,320
and that I did and I realized this is

309
00:15:00,650 --> 00:14:57,899
different it's

310
00:15:02,629 --> 00:15:00,660
something is actually happening it's not

311
00:15:05,090 --> 00:15:02,639
interesting when it was coming towards

312
00:15:07,129 --> 00:15:05,100
us it's actually expanded

313
00:15:09,790 --> 00:15:07,139

yeah describe that describe what that

314

00:15:17,150 --> 00:15:13,370

uh to me as it first started coming over

315

00:15:20,150 --> 00:15:17,160

the over the over the valley

316

00:15:22,069 --> 00:15:20,160

it was more illuminating the cloud

317

00:15:23,629 --> 00:15:22,079

around it and obviously this silhouette

318

00:15:25,970 --> 00:15:23,639

of the valley but

319

00:15:28,850 --> 00:15:25,980

as we went

320

00:15:32,710 --> 00:15:28,860

around the back inside around the back

321

00:15:36,230 --> 00:15:32,720

and we told the others we then well I

322

00:15:38,329 --> 00:15:36,240

personally remember that's when it

323

00:15:43,670 --> 00:15:38,339

started to

324

00:15:47,150 --> 00:15:43,680

get more expanse the expanse of this

325

00:15:49,090 --> 00:15:47,160

this effect which I've seen which I've

326

00:15:53,269 --> 00:15:49,100

seen up in the sky it was just

327

00:15:56,930 --> 00:15:53,279

manifesting muscle and

328

00:15:59,030 --> 00:15:56,940

um well you know yourself but when the

329

00:16:01,370 --> 00:15:59,040

others were there they were observing

330

00:16:04,610 --> 00:16:01,380

what was going on there was various

331

00:16:06,410 --> 00:16:04,620

reasons why this could be happening you

332

00:16:08,990 --> 00:16:06,420

know I even questioned myself that that

333

00:16:11,150 --> 00:16:09,000

was after could it be a deformed

334

00:16:21,610 --> 00:16:11,160

radiation a residues which are being let

335

00:16:27,170 --> 00:16:24,889

as it started

336

00:16:29,449 --> 00:16:27,180

covered in the sky

337

00:16:32,329 --> 00:16:29,459

it was

338

00:16:38,889 --> 00:16:32,339

it seemed to take a certain pattern to

339

00:16:38,899 --> 00:16:46,069

revolving in

340

00:16:46,079 --> 00:16:50,990

and

341

00:16:55,910 --> 00:16:53,269

block wise

342

00:16:59,090 --> 00:16:55,920

but within the clockwise there was an

343

00:17:01,189 --> 00:16:59,100

anti-clockwise World effect but in the

344

00:17:03,889 --> 00:17:01,199

middle it became more apparent than

345

00:17:06,010 --> 00:17:03,899

there was some form of activity which to

346

00:17:08,329 --> 00:17:06,020

me the easiest thing to actually

347

00:17:09,710 --> 00:17:08,339

explain that would be more like a

348

00:17:12,409 --> 00:17:09,720

jellyfish effect

349

00:17:16,449 --> 00:17:12,419

it was strange it wasn't just the white

350

00:17:16,459 --> 00:17:21,470

non-electric blue like a pale

351
00:17:25,250 --> 00:17:23,150
gray blue

352
00:17:30,350 --> 00:17:25,260
it

353
00:17:32,630 --> 00:17:30,360
of the cloud that's why the full of

354
00:17:35,630 --> 00:17:32,640
Shades were changing but there was some

355
00:17:37,430 --> 00:17:35,640
there was somewhat some thought some

356
00:17:38,810 --> 00:17:37,440
form of formation

357
00:17:41,330 --> 00:17:38,820
going on

358
00:17:44,990 --> 00:17:41,340
and

359
00:17:48,770 --> 00:17:45,000
so that I became quite hypnotized it was

360
00:17:51,650 --> 00:17:48,780
it was just there it was expanded that's

361
00:17:58,850 --> 00:17:56,270
so as I remember it I thought

362
00:18:00,770 --> 00:17:58,860
um I thought it was getting bigger but I

363
00:18:02,570 --> 00:18:00,780

realized it was getting closer

364

00:18:04,909 --> 00:18:02,580

you know and then when it was in front

365

00:18:08,049 --> 00:18:04,919

of us it was literally the whole of the

366

00:18:11,210 --> 00:18:08,059

sky and there was like a central

367

00:18:13,970 --> 00:18:11,220

activity as you were saying but it kind

368

00:18:17,450 --> 00:18:13,980

of rippled through the clouds the light

369

00:18:20,029 --> 00:18:17,460

expanding through the clouds to the

370

00:18:23,870 --> 00:18:20,039

different thickness of the clouds they

371

00:18:25,850 --> 00:18:23,880

were brighter parts so it appeared like

372

00:18:27,590 --> 00:18:25,860

there were lines that were brighter but

373

00:18:30,190 --> 00:18:27,600

it was actually the different densities

374

00:18:33,110 --> 00:18:30,200

of the clouds

375

00:18:35,750 --> 00:18:33,120

definitely a formation the central point

376

00:18:37,789 --> 00:18:35,760

was the Epitaph of it all

377

00:18:39,430 --> 00:18:37,799

so it looks like jellyfish in a way

378

00:18:42,950 --> 00:18:39,440

didn't it was like yeah

379

00:18:44,930 --> 00:18:42,960

that all was a central point everything

380

00:18:48,169 --> 00:18:44,940

else just seemed like some form of

381

00:18:51,049 --> 00:18:48,179

oscillation which was there but it most

382

00:18:53,090 --> 00:18:51,059

definitely as I say as it did

383

00:18:55,850 --> 00:18:53,100

the rest of the valley

384

00:18:58,310 --> 00:18:55,860

and came above us

385

00:18:59,830 --> 00:18:58,320

it's like what the hell

386

00:19:03,169 --> 00:18:59,840

you know

387

00:19:07,430 --> 00:19:03,179

uh that is why

388

00:19:10,610 --> 00:19:07,440

obviously we all were suspecting what

389

00:19:12,770 --> 00:19:10,620

could it be there were miners there you

390

00:19:16,370 --> 00:19:12,780

know four or five years old you know

391

00:19:17,870 --> 00:19:16,380

back asking questions and I think they

392

00:19:19,490 --> 00:19:17,880

seem to know what was going on and we

393

00:19:21,830 --> 00:19:19,500

were just kind of too

394

00:19:26,650 --> 00:19:21,840

blown sideways to

395

00:19:33,470 --> 00:19:30,289

to to kind of protect them at one point

396

00:19:36,590 --> 00:19:33,480

because we didn't really know exactly

397

00:19:39,289 --> 00:19:36,600

what was going on

398

00:19:41,810 --> 00:19:39,299

and that was a strange

399

00:19:45,830 --> 00:19:41,820

that was a strange

400

00:19:48,289 --> 00:19:45,840

part of it is how can you explain it's

401
00:19:52,669 --> 00:19:48,299
there what is actually going on I don't

402
00:19:54,909 --> 00:19:52,679
believe this did I ask you this yeah

403
00:19:56,750 --> 00:19:54,919
did I

404
00:20:00,529 --> 00:19:56,760
foresee

405
00:20:02,870 --> 00:20:00,539
this event happened

406
00:20:07,669 --> 00:20:02,880
it's there

407
00:20:08,810 --> 00:20:07,679
and obviously from there on obviously

408
00:20:11,330 --> 00:20:08,820
you know

409
00:20:14,270 --> 00:20:11,340
certain things occurred

410
00:20:18,590 --> 00:20:14,280
things started to go a bit strange yeah

411
00:20:21,590 --> 00:20:18,600
well the strobe light so I you were you

412
00:20:25,490 --> 00:20:21,600
were kind of like to the back of me and

413
00:20:28,490 --> 00:20:25,500

I saw so um you know

414

00:20:30,890 --> 00:20:28,500

on my right

415

00:20:35,210 --> 00:20:30,900

um a strobe like bouncing off the side

416

00:20:37,549 --> 00:20:35,220

of the house so you start facing this

417

00:20:41,570 --> 00:20:37,559

way so you were kind of behind me but

418

00:20:44,210 --> 00:20:41,580

facing this way and it was there

419

00:20:46,610 --> 00:20:44,220

so this strobe light hit you full in the

420

00:20:50,270 --> 00:20:47,630

um

421

00:20:51,650 --> 00:20:50,280

it hit my back but I kind of turned

422

00:20:52,610 --> 00:20:51,660

around and said oh look there's another

423

00:20:55,850 --> 00:20:52,620

one

424

00:20:57,950 --> 00:20:55,860

now that's when it all got weird like

425

00:21:00,770 --> 00:20:57,960

super weird because it was already weird

426
00:21:03,350 --> 00:21:00,780
like you started to feel uncomfortable

427
00:21:04,850 --> 00:21:03,360
then didn't you and you say you can't

428
00:21:08,870 --> 00:21:04,860
really remember much past this point

429
00:21:11,150 --> 00:21:08,880
right before I was so fixed

430
00:21:12,770 --> 00:21:11,160
excited on what was actually going on

431
00:21:14,570 --> 00:21:12,780
the boat so that's when the strobe light

432
00:21:17,750 --> 00:21:14,580
appeared wherever it came something

433
00:21:20,870 --> 00:21:17,760
appeared to come to my left side of me

434
00:21:23,150 --> 00:21:20,880
it reflected me whatever it is it just

435
00:21:25,370 --> 00:21:23,160
totally shocked me I I wasn't expecting

436
00:21:28,730 --> 00:21:25,380
anything I'm there

437
00:21:31,070 --> 00:21:28,740
quite excited on what the hell is this

438
00:21:33,950 --> 00:21:31,080

this is just like

439

00:21:35,690 --> 00:21:33,960

is something gonna happen what's going

440

00:21:40,370 --> 00:21:35,700

to happen is anything going to happen

441

00:21:43,430 --> 00:21:40,380

what is this just to

442

00:21:46,549 --> 00:21:43,440

then moving on so much

443

00:21:49,250 --> 00:21:46,559

what what

444

00:21:50,750 --> 00:21:49,260

and the next moment it's just I think

445

00:21:54,770 --> 00:21:50,760

building up to this obviously people

446

00:21:59,510 --> 00:21:56,810

but I mean we're taking it now to the

447

00:22:01,909 --> 00:21:59,520

latter part of our experience or my

448

00:22:04,970 --> 00:22:01,919

experience at that moment in time I just

449

00:22:08,330 --> 00:22:04,980

remember being inside trying to well I

450

00:22:11,930 --> 00:22:08,340

actually hold uh one of my own balls and

451
00:22:19,010 --> 00:22:11,940
I called my friends from the house back

452
00:22:27,350 --> 00:22:23,930
around 9 30. now estimate that we must

453
00:22:31,490 --> 00:22:27,360
have got back in almost the right back

454
00:22:33,070 --> 00:22:31,500
to the cottage around 6 30 7 o'clock

455
00:22:36,409 --> 00:22:33,080
maximum

456
00:22:37,850 --> 00:22:36,419
it was going on for quite a while

457
00:22:41,390 --> 00:22:37,860
because

458
00:22:45,289 --> 00:22:41,400
within the first half an hour

459
00:22:47,450 --> 00:22:45,299
is being cited but it took about what

460
00:22:49,610 --> 00:22:47,460
how long did you reckon about 30 to 40

461
00:22:50,870 --> 00:22:49,620
minutes from where we saw it on the

462
00:22:54,890 --> 00:22:50,880
furthest point

463
00:23:00,890 --> 00:22:58,669

I would actually say so because

464

00:23:03,409 --> 00:23:00,900

we could have been no longer than an

465

00:23:05,029 --> 00:23:03,419

hour observing this at this point but I

466

00:23:06,350 --> 00:23:05,039

mean to the time we actually arrived

467

00:23:08,810 --> 00:23:06,360

back home I mean

468

00:23:10,789 --> 00:23:08,820

none of us were experts in this

469

00:23:18,669 --> 00:23:10,799

so it's not the kind of thing that

470

00:23:24,470 --> 00:23:21,710

but when you recap on things you want to

471

00:23:27,470 --> 00:23:24,480

start to relate and you think hey

472

00:23:29,630 --> 00:23:27,480

okay uh six quarter to seven

473

00:23:33,289 --> 00:23:29,640

there's a big difference there there's

474

00:23:36,590 --> 00:23:33,299

two hours and 45 minutes

475

00:23:39,470 --> 00:23:36,600

because during or just after this

476
00:23:41,750 --> 00:23:39,480
experience I'm actually calling one of

477
00:23:45,470 --> 00:23:41,760
my uncles my son

478
00:23:47,710 --> 00:23:45,480
a house my housemates hey

479
00:23:50,810 --> 00:23:47,720
look I just want to say something's been

480
00:23:54,230 --> 00:23:50,820
something's going on here I just want

481
00:24:00,169 --> 00:23:57,430
so it was quite a big time lapse I mean

482
00:24:03,169 --> 00:24:00,179
from an appointment to strobe effect I

483
00:24:07,970 --> 00:24:06,169
well I don't vet much after that I've

484
00:24:10,669 --> 00:24:07,980
mentioned the hurt

485
00:24:13,250 --> 00:24:10,679
yeah and whatever happened thereafter is

486
00:24:14,870 --> 00:24:13,260
just another story altogether I mean

487
00:24:17,029 --> 00:24:14,880
he's not looking for something you know

488
00:24:19,730 --> 00:24:17,039

starting to tell it is

489

00:24:22,250 --> 00:24:19,740

pure experience

490

00:24:22,260 --> 00:24:28,210

it's just pure

491

00:24:34,730 --> 00:24:31,370

it's just

492

00:24:35,870 --> 00:24:34,740

I can't explain if you don't know what's

493

00:24:38,990 --> 00:24:35,880

going on

494

00:24:41,450 --> 00:24:39,000

but in a State of Shock when you relate

495

00:24:45,169 --> 00:24:41,460

the states of shock I mean

496

00:24:46,250 --> 00:24:45,179

we can act irrational we can be very

497

00:24:49,909 --> 00:24:46,260

calm

498

00:24:53,090 --> 00:24:49,919

in a stressful situation or a situation

499

00:24:55,490 --> 00:24:53,100

be known to ourselves something which is

500

00:24:58,490 --> 00:24:55,500

you know which is different

501
00:25:00,169 --> 00:24:58,500
it was just the occurrence just in

502
00:25:02,630 --> 00:25:00,179
general was just completely what do you

503
00:25:06,890 --> 00:25:02,640
think to everybody's behavior that night

504
00:25:10,250 --> 00:25:06,900
uh is it actually yes and after like I'm

505
00:25:11,990 --> 00:25:10,260
dead after the following the day but

506
00:25:13,610 --> 00:25:12,000
people were affected tonight as well

507
00:25:18,049 --> 00:25:13,620
what do you think

508
00:25:20,570 --> 00:25:18,059
that particular night I mean witnessing

509
00:25:23,750 --> 00:25:20,580
you know

510
00:25:25,310 --> 00:25:23,760
a family member

511
00:25:29,330 --> 00:25:25,320
yeah

512
00:25:32,149 --> 00:25:29,340
allowing a minor to

513
00:25:35,330 --> 00:25:32,159

basically deface

514

00:25:38,029 --> 00:25:35,340

with an ax which is a part of the the

515

00:25:40,130 --> 00:25:38,039

hounds and thinking boss got into you

516

00:25:44,750 --> 00:25:40,140

you wouldn't do this

517

00:25:46,490 --> 00:25:44,760

what is going on he was taking himself

518

00:25:49,789 --> 00:25:46,500

out of the event wasn't he putting his

519

00:25:56,649 --> 00:25:49,799

back to it and getting it but it were

520

00:26:01,430 --> 00:25:59,870

you went straight to the sink

521

00:26:03,409 --> 00:26:01,440

the kids went back to where they were

522

00:26:04,669 --> 00:26:03,419

playing when I came downstairs and John

523

00:26:05,810 --> 00:26:04,679

and Dania just walked straight into the

524

00:26:07,250 --> 00:26:05,820

living room and sat down and started

525

00:26:10,190 --> 00:26:07,260

watching TV

526
00:26:12,830 --> 00:26:10,200
so I looked at you a lot thinking

527
00:26:15,950 --> 00:26:12,840
what the hell are you doing

528
00:26:19,250 --> 00:26:15,960
like you I was like you're all behaving

529
00:26:22,549 --> 00:26:19,260
weird not that this was weird and I

530
00:26:25,970 --> 00:26:22,559
thought that it was a normal thing

531
00:26:28,909 --> 00:26:25,980
to just walk out by myself walk back up

532
00:26:31,789 --> 00:26:28,919
the garden stand right underneath it and

533
00:26:33,529 --> 00:26:31,799
like you say and you said earlier that

534
00:26:35,570 --> 00:26:33,539
you were like oh what's gonna happen

535
00:26:37,430 --> 00:26:35,580
what now that's exactly what I was

536
00:26:40,250 --> 00:26:37,440
thinking looking at it but I was just

537
00:26:42,769 --> 00:26:40,260
like like awestruck I wasn't even

538
00:26:46,130 --> 00:26:42,779

frightened at all but when I had those

539

00:26:48,529 --> 00:26:46,140

feet that those footsteps that was when

540

00:26:51,529 --> 00:26:48,539

all of a sudden Boom the chest just

541

00:26:55,130 --> 00:26:51,539

exploded with adrenaline when it hit me

542

00:26:57,529 --> 00:26:55,140

whatever it was I was out of there I was

543

00:26:59,450 --> 00:26:57,539

gone and my brain was like run I was

544

00:27:01,909 --> 00:26:59,460

already running I was already running

545

00:27:04,070 --> 00:27:01,919

back to the house and then you said and

546

00:27:06,110 --> 00:27:04,080

I got in uh well you weren't being out

547

00:27:08,450 --> 00:27:06,120

there long so you haven't had any

548

00:27:10,669 --> 00:27:08,460

missing time which totally just broke my

549

00:27:13,250 --> 00:27:10,679

brain that was the end of me then that

550

00:27:15,049 --> 00:27:13,260

that it was like I don't care okay like

551
00:27:19,669 --> 00:27:15,059
why would you even say that lock the

552
00:27:20,510 --> 00:27:19,679
doors shut the kids boom we are holding

553
00:27:23,570 --> 00:27:20,520
up now

554
00:27:27,289 --> 00:27:23,580
like this as well and you what do you

555
00:27:30,049 --> 00:27:27,299
say about that after then because I was

556
00:27:32,390 --> 00:27:30,059
in the state of absolute Terror and how

557
00:27:36,230 --> 00:27:32,400
are you feeling

558
00:27:40,510 --> 00:27:36,240
well I think was a certain

559
00:27:46,190 --> 00:27:43,549
bouncing around one's head at that

560
00:27:48,409 --> 00:27:46,200
moment in time because obviously I said

561
00:27:51,409 --> 00:27:48,419
to you there's no missing time you know

562
00:27:54,350 --> 00:27:51,419
how could you relate that that was my

563
00:27:56,210 --> 00:27:54,360

I I became numb

564

00:27:57,890 --> 00:27:56,220

I could understand that they were

565

00:28:00,289 --> 00:27:57,900

sitting in the living room watching the

566

00:28:02,750 --> 00:28:00,299

TV it's to shut something off you can't

567

00:28:04,490 --> 00:28:02,760

explain what do you do it's like when a

568

00:28:06,049 --> 00:28:04,500

person is traumatized okay we know

569

00:28:09,830 --> 00:28:06,059

there's a little bit about psychology we

570

00:28:09,840 --> 00:28:15,830

how how

571

00:28:19,750 --> 00:28:18,110

so you said that you felt watched as

572

00:28:22,370 --> 00:28:19,760

well didn't you you said

573

00:28:24,350 --> 00:28:22,380

observed and this I mentioned to you

574

00:28:29,870 --> 00:28:24,360

because

575

00:28:33,529 --> 00:28:29,880

after the initial observation and

576

00:28:35,450 --> 00:28:33,539

the event it hadn't gone away it was

577

00:28:37,909 --> 00:28:35,460

still there

578

00:28:40,490 --> 00:28:37,919

it didn't go away

579

00:28:42,470 --> 00:28:40,500

you know we've related it could it have

580

00:28:43,850 --> 00:28:42,480

been the house no it's not the house

581

00:28:49,730 --> 00:28:43,860

it's

582

00:28:52,430 --> 00:28:49,740

observed did you remember quite rightly

583

00:28:55,070 --> 00:28:52,440

I I said to you this is strange I feel

584

00:28:56,269 --> 00:28:55,080

weird I don't feel kind of comfortable

585

00:28:59,450 --> 00:28:56,279

right now

586

00:29:01,490 --> 00:28:59,460

it's as if the walls are transparent I

587

00:29:02,570 --> 00:29:01,500

just feel as if I'm being watched what's
