

1

00:00:00,000 --> 00:00:02,000

You

2

00:00:23,260 --> 00:00:26,860

There has to be some reason why the property was turned over so many times

3

00:00:27,860 --> 00:00:33,660

Is there more than one dog you're getting is there a live dog in a dead dog

4

00:00:34,780 --> 00:00:36,780

What is that? What is that?

5

00:00:37,020 --> 00:00:39,020

The head supper decapitation

6

00:00:39,820 --> 00:00:42,660

Who would want to live in this house?

7

00:00:50,620 --> 00:00:53,540

My name is Ryan and I'm a paranormal investigator

8

00:00:54,540 --> 00:01:00,400

When I was a kid my experiences with the supernatural terrified me that I've been searching for answers ever since

9

00:01:00,980 --> 00:01:04,580

When I got to Penn State, I realized I wasn't alone in my quest

10

00:01:04,820 --> 00:01:09,780

So I founded the paranormal research society dedicated to helping those who are haunted like I was

11

00:01:10,540 --> 00:01:12,540

We are students

12

00:01:12,540 --> 00:01:14,540

We are seekers

13

00:01:15,180 --> 00:01:21,300

Sometimes we're warriors and each time we help someone I feel like I'm one step closer to finding the truth

14

00:01:22,020 --> 00:01:24,020

This is paranormal state

15

00:01:26,900 --> 00:01:32,300

All right guys, this is case file to zero zero seven zero nine dot thirty eight F

16

00:01:32,740 --> 00:01:39,060

This involves a woman named Sibyl Howell. She is 52 years old. This woman is so frightened

17

00:01:39,180 --> 00:01:43,220

She won't even go into her home. She said that the phenomena started almost immediately

18

00:01:43,780 --> 00:01:49,780

And that her dog reacted almost immediately Sibyl would wake up in the middle of the night to her dog

19

00:01:50,500 --> 00:01:52,500

Like on guard on the bed

20

00:01:53,140 --> 00:01:55,140

traditionally in paranormal literature

21

00:01:55,780 --> 00:02:00,180

Animals are famous for being able to detect spirits, but rarely is it on this level

22

00:02:00,820 --> 00:02:05,420

The bottom line is that there's a woman now in Maine who's so terrified of her house

23

00:02:05,820 --> 00:02:08,100

That she won't even go on the property

24

00:02:08,100 --> 00:02:10,100

I

25

00:02:16,420 --> 00:02:21,220

Simple hi nice to meet you nice to meet you and Ryan and this must be Lucy

26

00:02:22,740 --> 00:02:27,260

So what was Lucy doing in the house? She was limping at one point. She was limping at one point

27

00:02:27,260 --> 00:02:30,740

She was constantly begging me not to leave her. She's very fearful

28

00:02:31,420 --> 00:02:36,500

Especially if anybody goes to the second floor she gets very very uneasy just not herself at all

29

00:02:36,580 --> 00:02:40,300

And this was right away right away the very first day that I moved in

30

00:02:40,420 --> 00:02:46,060

I've had footsteps over my head at night had bells ringing the night lights going on and off all by themselves

31

00:02:46,060 --> 00:02:51,220

I would have odors of feces falling me throughout the house. It was just becoming very uncomfortable

32

00:02:51,660 --> 00:02:53,660

Well, why haven't you sold the house now?

33

00:02:53,660 --> 00:03:00,020

I don't think it's fair to sell someone this problem because I just cannot in good faith pass this problem on to somebody else

34

00:03:00,460 --> 00:03:05,700

Do you mind if we go back to the house? No, you want to go in you're welcome to but I think I'll stay on the porch

35

00:03:06,820 --> 00:03:08,820

I

36

00:03:11,700 --> 00:03:20,020

This is for case file two zero zero seven zero nine thirty eight F. I am in Sybil's house is completely abandoned

37

00:03:22,540 --> 00:03:24,540

Lucy

38

00:03:24,540 --> 00:03:29,500

Lucy come on come here. Yeah, not doing it. Come here Lucy

39

00:03:31,420 --> 00:03:33,420

Come on

40

00:03:34,340 --> 00:03:36,840

No, I'm gonna go upstairs

41

00:03:42,820 --> 00:03:50,180

Yeah, I know I know I know I know I told him to go but directors know just walked up the stairs and

42

00:03:50,620 --> 00:03:52,620

Lucy the dogs are

43

00:03:52,620 --> 00:03:54,620

I know

44

00:04:01,780 --> 00:04:05,020

We'll have this entire house to ourself. It's not the biggest house

45

00:04:05,380 --> 00:04:11,620

There are a couple hot spots in the house that we need to cover. What about this historical research of what's interesting is

46

00:04:12,060 --> 00:04:18,020

Here is a list to the previous owners since 1893 as you can notice

47

00:04:18,700 --> 00:04:26,020

Changes hands quite a bit. No one stays in very long. Yeah, there has to be some reason why the property was turned over so many times

48

00:04:28,180 --> 00:04:32,860

Do you know who the previous owners were my son and daughter-in-law so they own the house they gave it to you

49

00:04:32,860 --> 00:04:39,060

I purchased it from them. Yes. Okay. Did she have any pets that she had two dogs and they both were killed

50

00:04:39,780 --> 00:04:41,780

They were both killed freak accidents

51

00:04:41,780 --> 00:04:43,780

So

52

00:04:44,460 --> 00:04:50,740

How soon after you guys moved in did you start noticing something was off never really noticed anything until our dog died

53

00:04:50,740 --> 00:04:57,500

Your dog Zeus got out and then how did he die? He got hit by a car and then about a month afterward

54

00:04:57,500 --> 00:05:02,740

We got another dog Bailey and she got hit by a car too and then right after that

55

00:05:03,460 --> 00:05:10,340

Coley developed a friend that he's oh that'd be a seven who's that be so who's that be so that be so though

56

00:05:10,340 --> 00:05:15,380

Oh, he is. Yeah. Yeah. Did you see Debbie so today? Yeah. Yeah, what do you say?

57

00:05:20,140 --> 00:05:22,740

I don't want to die on the road. You don't want to die in the road

58

00:05:31,780 --> 00:05:34,420

Did you experience anything strange on this property?

59

00:05:35,380 --> 00:05:38,620

Yeah, a few things like what if you don't mind me asking

60

00:05:39,220 --> 00:05:45,300

You could hear music in the woods, which was like choral music and then my dog died when I was on vacation

61

00:05:46,660 --> 00:05:50,580

I got a call and the house sitter said I don't know what happened

62

00:05:50,580 --> 00:05:56,860

He ran out into the middle of the street. Bam. That was I think the weirdest thing because nobody ever drove this road

63

00:05:56,860 --> 00:05:59,020

Unless they lived on it. It's a very quiet town

64

00:06:02,020 --> 00:06:07,900

Directors know we now know of three dogs who've met their entirely death in front of Sybil's isolated home

65

00:06:08,620 --> 00:06:11,940

Alpheus tracked down another couple who owned the house in the late 80s

66

00:06:12,580 --> 00:06:16,100

Did you ever hear any rumors about something strange happening on the property?

67

00:06:16,580 --> 00:06:17,580

No

68

00:06:17,580 --> 00:06:19,820

Was it just you two who lived here? Yes

69

00:06:20,740 --> 00:06:25,340

That and the dog the dog had an aversion to the upstairs. She didn't like the upstairs

70

00:06:25,460 --> 00:06:32,060

She would sit at the base of the stairs while we were up there and whine the whole time she was fine and the rest of the house

71

00:06:32,060 --> 00:06:37,260

Yeah, fine the rest of the house. It's a little odd, but it's your dog get hit by a car

72

00:06:38,660 --> 00:06:39,740

Yeah

73

00:06:39,740 --> 00:06:44,420

She got hit right from the house a little while over there and she'll bury her on the property

74

00:06:44,420 --> 00:06:49,060

No, she went to the vats. She died at the vats that night for dead dogs

75

00:06:49,140 --> 00:06:52,500

Is it just a bizarre coincidence or something paranormal?

76

00:06:52,940 --> 00:07:00,140

I'm bringing in ship coffee a psychic medium to get us read on the location. So as usual, I haven't told you anything about the case

77

00:07:00,140 --> 00:07:03,420

I'm just gonna go in and I'm gonna ask you a couple questions. That's fine

78

00:07:08,620 --> 00:07:24,420

What's up here, um, you want to go up there we can I go yep, so I'm being drawn somewhere

79

00:07:31,620 --> 00:07:36,540

Is there someone associated with this a female with an M name

80

00:07:38,620 --> 00:07:40,620

Is that like Margaret

81

00:07:40,860 --> 00:07:43,860

Margaret to my knowledge. No, I don't know

82

00:07:44,660 --> 00:07:50,040

Keep keep Margaret down and just let's see if there's anything to do with anything to with Margaret. Okay

83

00:07:51,420 --> 00:07:55,740

All right, I turned the picture of the dog. I looked at the picture of the dog

84

00:07:57,580 --> 00:08:00,460

Is there more than one dog what are you getting?

85

00:08:02,260 --> 00:08:04,260

Is there a live dog in the dead dog

86

00:08:05,260 --> 00:08:07,260

I believe so

87

00:08:08,260 --> 00:08:13,940

Getting something to do with something to do and I'm hearing dogs rather than one dog

88

00:08:15,380 --> 00:08:17,780

Do you know if there's been anything ritualistic done?

89

00:08:18,580 --> 00:08:23,620

You know cold wise I just hear the word ritualistic. There's been something ritualistic done on

90

00:08:24,900 --> 00:08:26,900

this land

91

00:08:27,060 --> 00:08:29,060

What's buried on this ground?

92

00:08:30,580 --> 00:08:33,020

Are you picking something up that might be buried here?

93

00:08:33,460 --> 00:08:37,220

Where back in this direction

94

00:08:38,220 --> 00:08:42,260

Interestingly enough, it's got something to do with animals too. Would you be able to pinpoint?

95

00:08:59,580 --> 00:09:02,840

Margaret what Margaret

96

00:09:03,020 --> 00:09:05,020

I

97

00:09:15,780 --> 00:09:18,700

Margaret Margaret

98

00:09:23,820 --> 00:09:25,820

Okay, I got the chills

99

00:09:27,180 --> 00:09:30,460

Chip what was the significance with Margaret? I don't know

100

00:09:30,460 --> 00:09:34,540

It's just the name I picked up in the house. I just find it very curious that we stumble upon it here

101

00:09:35,260 --> 00:09:37,260

Okay

102

00:09:37,500 --> 00:09:39,500

Find out who Margaret is

103

00:09:44,540 --> 00:09:47,860

This is directors log day two of the investigation

104

00:09:48,060 --> 00:09:50,320

We now have more information to go on

105

00:09:50,740 --> 00:09:57,300

Previous owners have told us about four separate dogs who died in the road and chip psychic intuition of a Margaret

106

00:09:57,300 --> 00:10:03,300

Let us to a gravestone with her name on it. Still we've been unable to connect Margaret directly to Sybil's house

107

00:10:03,740 --> 00:10:08,500

I'm sending Elphi back to research whether anyone in town knows of this mysterious old woman

108

00:10:10,300 --> 00:10:13,700

Meanwhile Chip has asked to meet with Sybil and Lucy

109

00:10:15,380 --> 00:10:21,660

Hi, I'm Chip. I'm Sybil nice to meet you. Hey Lucy. How are you? It's good to meet you, too

110

00:10:22,660 --> 00:10:26,620

So question that you may or may not know the answer to do you know if there was any sort of

111

00:10:27,020 --> 00:10:32,580

Ritualistic things have been done out here any sort of other people have told me that in the 60s that there was a woman who lived here

112

00:10:32,580 --> 00:10:34,580

Who was very mean and

113

00:10:34,620 --> 00:10:39,220

Had a strange man that lived with her that used to kill dogs in the neighborhood

114

00:10:39,700 --> 00:10:41,980

But I don't have any facts to fall back on

115

00:10:42,500 --> 00:10:44,500

What about the name Margaret?

116

00:10:44,820 --> 00:10:46,820

I don't know

117

00:10:48,420 --> 00:10:50,020

I've decided to bring

118

00:10:50,020 --> 00:10:56,900

Demonologist Lorraine Warren hit on this case if there was ritualistic abuse on the property then we'll need Lorraine's guidance

119

00:10:56,900 --> 00:10:59,300

Do you want to go straight into the house? Yes

120

00:11:03,220 --> 00:11:08,300

You're drawing straight up here why is it all right if I go up there sure

121

00:11:08,820 --> 00:11:16,060

There's an older lady that I sense I don't know what her association is with this house. Oh my god.
Oh

122

00:11:17,060 --> 00:11:22,540

This is horrible up here. What are you feeling Lorraine? I don't know how to describe this I

123

00:11:23,820 --> 00:11:30,300

Feel being choked you mean like someone was choked up here. Yes, I feel that kind of a feeling

124

00:11:30,860 --> 00:11:33,940

I even feel that hurt in my throat

125

00:11:34,460 --> 00:11:37,380

Who would want to live in this house?

126

00:11:38,380 --> 00:11:43,020

I couldn't live in here. I wouldn't even want one of my animals in here. Why animals?

127

00:11:44,060 --> 00:11:47,460

Because I think they would be so vulnerable

128

00:11:48,220 --> 00:11:55,500

Alfie's research may be paying off we've received word that a long time neighbor is coming forward with important information on this case

129

00:11:55,500 --> 00:11:58,500

Hi, I'm Ryan. Hi. I'm Ferd. Ferd?

130

00:11:58,500 --> 00:12:00,500

Yes, I'm Ferd.

131

00:12:00,500 --> 00:12:06,620

Hi, I'm Ryan. Hi, I'm Ferd. Is there anything you can tell us about this property?

132

00:12:06,620 --> 00:12:09,780

Because we've been trying to research. The only thing I can tell you is that was an old lady

133

00:12:09,780 --> 00:12:12,420

And I was 10 years old that used to live here

134

00:12:12,420 --> 00:12:17,220

And she had a male friend that used to ride on a bicycle and come up and see her and

135

00:12:17,940 --> 00:12:19,940

I mean if I had to kill our dog

136

00:12:20,420 --> 00:12:25,860

He killed her. How did he kill it? He had a stick with a nail on the end

137

00:12:26,620 --> 00:12:28,060

He just

138

00:12:28,060 --> 00:12:29,860

got her

139

00:12:29,860 --> 00:12:32,060

Can you tell us the lady's name that lived in the house?

140

00:12:33,140 --> 00:12:35,140

Margaret

141

00:12:38,380 --> 00:12:40,260

Confirmation of a murdered dog

142

00:12:40,260 --> 00:12:43,900

But could the spirit of that tortured animal be felt by other living dogs?

143

00:12:44,300 --> 00:12:49,620

I've decided to hold dead time to reach out to whatever entity seems to be haunting civil and Lucy

144

00:12:55,300 --> 00:12:57,500

Does anyone here wishes talk with us?

145

00:12:59,900 --> 00:13:01,900

Is there anyone here named Margaret?

146

00:13:03,220 --> 00:13:05,220

It's a weird feeling in this room

147

00:13:06,540 --> 00:13:09,700

The interesting thing about it is I feel like there was somebody at the bottom of the stairs

148

00:13:09,700 --> 00:13:12,380

It was kind of waiting to be invited into what's going on here

149

00:13:12,980 --> 00:13:14,980

It's definitely an energy at the bottom of the steps

150

00:13:15,900 --> 00:13:18,140

Is there someone down here at these steps?

151

00:13:19,900 --> 00:13:22,020

It's got a really weird shiver on my back

152

00:13:23,220 --> 00:13:25,260

Kind of like I did when there's something around me

153

00:13:25,260 --> 00:13:30,140

Do something to make us know that you were here

154

00:13:31,860 --> 00:13:33,860

What was that?

155

00:13:33,860 --> 00:13:36,620

Let the record show that there was a dog just barking in the distance

156

00:13:39,500 --> 00:13:41,500

Are you afraid of the road?

157

00:13:43,220 --> 00:13:45,500

Why are the dogs afraid to be here?

158

00:13:50,380 --> 00:13:54,900

That's weird what the light just went on in here for the motion thing

159

00:13:55,340 --> 00:14:02,340

Hey, Ryan what the motion detector is going on. I know I'm watching it. It's constantly going on and off

160

00:14:07,220 --> 00:14:11,420

Ship can you focus in on this can we bring it to one spot?

161

00:14:11,980 --> 00:14:15,540

One thing I offered to do is something I don't do that often

162

00:14:17,100 --> 00:14:21,060

And that's physically channel you've had experience doing this

163

00:14:22,060 --> 00:14:25,660

This is for case file to zero zero seven zero nine

164

00:14:26,220 --> 00:14:31,740

F ship has said that he's comfortable and attempting physical mediumship

165

00:14:32,980 --> 00:14:35,500

Asking whatever energy is in this house

166

00:14:36,980 --> 00:14:39,900

To use me as a vessel to communicate

167

00:14:52,060 --> 00:14:59,540

I'm speaking to whomever is inside of chip the body directly across from me

168

00:15:01,460 --> 00:15:03,460

Communicate with us now

169

00:15:04,180 --> 00:15:10,300

If you can't speak you can just nod up and down for yes and shake your head for no

170

00:15:12,780 --> 00:15:17,180

Is there someone with us up here right now

171

00:15:18,900 --> 00:15:20,900

Why are you crying?

172

00:15:22,060 --> 00:15:24,060

Where is this bad entity

173

00:15:28,860 --> 00:15:30,860

Is it to your left

174

00:15:34,060 --> 00:15:36,060

Is it human

175

00:15:37,100 --> 00:15:41,540

No, it's not a person is it a demon

176

00:15:44,180 --> 00:15:46,180

No, it's not a demon

177

00:15:47,780 --> 00:15:49,780

Is it a dog

178

00:15:51,580 --> 00:15:53,580

I

179

00:15:57,820 --> 00:16:04,020

Need you to pull all of your energy together now for this one can you give us a sign or a clue?

180

00:16:04,700 --> 00:16:06,700

What's going on here?

181

00:16:15,660 --> 00:16:19,900

Can you give us a sign or a clue what's going on here?

182

00:16:21,980 --> 00:16:23,980

Yeah

183

00:16:26,260 --> 00:16:30,020

Chip this is Chip. Yeah, I think there's something in the woods

184

00:16:42,820 --> 00:16:44,180

Oh my

185

00:16:44,180 --> 00:16:46,100

It's not unmarked grave

186

00:16:46,700 --> 00:16:51,620

If it's not a grave then what would it be could be a marker for trail it could be a

187

00:16:52,460 --> 00:16:55,220

Fire pit filled in there's actually a hole

188

00:17:02,580 --> 00:17:04,580

And brought a shovel

189

00:17:06,700 --> 00:17:10,540

If it was a fire pit, I don't see any char signs like

190

00:17:12,780 --> 00:17:14,780

What is that?

191

00:17:14,980 --> 00:17:17,940

Shibri getting this I like it

192

00:17:19,260 --> 00:17:24,740

As you asked the dogs were buried on this property the one dog is the other one they had a berry somewhere else because it was winter

193

00:17:24,740 --> 00:17:26,740

This is not the dog

194

00:17:28,020 --> 00:17:35,420

You just feel all this out. Oh God. Oh God doesn't sound like a good thing. Yeah

195

00:17:38,380 --> 00:17:41,780

Please don't dump out whatever you are. Oh, there's something in there. Yeah

196

00:17:42,660 --> 00:17:44,660

Yeah

197

00:17:45,460 --> 00:17:47,460

Oh, there's

198

00:17:49,380 --> 00:17:55,020

What is that? All right, what is that deep breath everybody?

199

00:17:58,820 --> 00:18:00,820

I see blood

200

00:18:04,660 --> 00:18:09,980

That's all yeah, okay now how old do you think this is this was really recent?

201

00:18:10,980 --> 00:18:15,500

Oh my god, so there's another dead dog in this property

202

00:18:17,140 --> 00:18:20,180

Yeah, doesn't have a head it's the head separate

203

00:18:21,380 --> 00:18:26,460

Decapitation these are the ribs right here. Yeah, so the ribs front section

204

00:18:28,580 --> 00:18:30,580

Why would somebody bury that so deep

205

00:18:31,220 --> 00:18:38,220

We found one dead dog buried underneath the pile of rocks this dog still fresh it's still decomposing

206

00:18:38,220 --> 00:18:43,240

There were roots from trees that already grown over it, so I don't know how long it's been there

207

00:18:44,780 --> 00:18:50,180

You're telling me that you found the body of an animal that was still decomposing

208

00:18:50,780 --> 00:18:52,780

There was roots growing through

209

00:18:53,460 --> 00:18:59,860

There's the roots that's characteristic of ritualistic the fact that it's taking forever for a bite and decompose

210

00:19:00,020 --> 00:19:06,500

That's why animals that would come in here would be so terrified. I hope nothing was buried alive here, hun

211

00:19:08,940 --> 00:19:10,940

I

212

00:19:12,780 --> 00:19:14,780

Never had to say a prayer for an animal

213

00:19:15,700 --> 00:19:17,700

God loving creator of all life

214

00:19:18,100 --> 00:19:22,100

Help us to treat with compassion the living creatures entrusted to our care

215

00:19:22,620 --> 00:19:29,620

May they never be subjected to cruelty and neglect so that through them we come to a greater appreciation of your glory and creation

216

00:19:30,300 --> 00:19:32,300

Amen

217

00:19:32,700 --> 00:19:38,420

From the four corners of your property we're going to bury blessed metals I

218

00:19:39,980 --> 00:19:46,180

Want to do this by the road okay because of the amount of animals have lost their life here. Yes

219

00:19:47,300 --> 00:19:49,300

St. Michael the Archangel

220

00:19:49,500 --> 00:19:56,060

Defend us in battle be our protection against the wickedness and snares of the devil by the divine power of God

221

00:19:56,700 --> 00:19:59,900

Cast into house Satan and all the evil spirits

222

00:20:02,300 --> 00:20:04,300

Ruler souls

223

00:20:05,820 --> 00:20:12,780

Last but not least now the perimeter of the property is protected now to the house

224

00:20:16,940 --> 00:20:23,340

Oh my god definitely feels lighter up here definitely lighter doesn't even feel like the same place

225

00:20:23,340 --> 00:20:26,220

No, it doesn't feel like the same place

226

00:20:27,340 --> 00:20:30,620

Phenomenal definitely I cannot believe

227

00:20:30,700 --> 00:20:38,300

How this feels now it's much lighter much lighter having us no oppression no no

228

00:20:44,580 --> 00:20:46,580

Thank you so much

229

00:20:51,300 --> 00:20:57,260

Final directors log a research and covered a number of suspicious deaths of dogs and symbols property

230

00:20:57,420 --> 00:21:03,980

Was it a result of ritualistic animal abuse I wish I knew my gut tells me that there's still more to this case

231

00:21:04,460 --> 00:21:06,540

Should simple decide to sell this house

232

00:21:06,660 --> 00:21:12,900

We can only hope that our efforts were effective and ending the string of bizarre occurrences that have taken place here

233

00:21:27,260 --> 00:21:30,220

You
