

1

00:00:00,000 --> 00:00:02,000

I

2

00:00:19,400 --> 00:00:21,400

Buried the dead

3

00:00:22,680 --> 00:00:28,920

The boatman that carries people over the river sticks I take them to their final resting place

4

00:00:30,600 --> 00:00:32,600

I

5

00:00:35,720 --> 00:00:38,920

Condend you to the dry place where you belong

6

00:00:45,440 --> 00:00:48,320

My name is Ryan and I'm a paranormal investigator

7

00:00:49,440 --> 00:00:55,200

When I was a kid my experiences with the supernatural terrified me that I've been searching for answers ever since

8

00:00:55,760 --> 00:00:59,360

When I got to Penn State, I realized I wasn't alone in my quest

9

00:01:00,040 --> 00:01:04,560

So I founded the paranormal research society dedicated to helping those who are haunted like I was

10

00:01:05,320 --> 00:01:07,320

We are students

11

00:01:07,320 --> 00:01:09,320

We are seekers

12

00:01:09,480 --> 00:01:16,080

And sometimes we're warriors and each time we help someone I feel like I'm one step closer to finding the truth

13

00:01:16,360 --> 00:01:18,440

This is paranormal state

14

00:01:26,520 --> 00:01:28,520

There you go. Oh wow

15

00:01:30,400 --> 00:01:32,400

Three tickets together

16

00:01:49,400 --> 00:01:51,400

This is case file

17

00:01:51,720 --> 00:01:57,480

2006 11.26 f we also code name it the cemetery case

18

00:01:57,800 --> 00:02:05,840

This one involves a cemetery caretaker Matt took over the family business his great great grandfather was a caretaker

19

00:02:05,880 --> 00:02:09,320

His great grandfather was a caretaker his grandfather was a caretaker

20

00:02:09,560 --> 00:02:16,720

His father wasn't his father's a successful banker fiance Chandra moved in and she started complaining of

21

00:02:17,400 --> 00:02:19,400

Back pain foot pain

22

00:02:19,400 --> 00:02:20,760

inflammatory hands and feet

23

00:02:20,760 --> 00:02:26,000

There are a few other things too and Matt experiences what he he calls hallucinations and the first

24

00:02:26,560 --> 00:02:33,840

hallucination was of a woman climbing out of his closed basket now are these hypnagogic images or

25

00:02:34,240 --> 00:02:39,440

Sleep deprivation hallucination. I don't know but Matt and Chandra feel threatened

26

00:02:39,440 --> 00:02:41,520

They feel as if there's some sort of presence

27

00:02:41,520 --> 00:02:44,440

They are harming them when you're dealing with the spirit world you have to remember

28

00:02:44,440 --> 00:02:48,080

They were humans and you have to remember that not all of them were happy go lucky deaths

29

00:02:48,080 --> 00:02:53,320

You have to stay alert do not go out on your own in this family. They're born again Christians

30

00:02:53,440 --> 00:02:57,480

They don't want to work with anything outside of their practice

31

00:02:57,600 --> 00:03:04,120

Elfie obviously we don't want to let them know that you're a pagan so leave your cauldron and broom at home

32

00:03:04,840 --> 00:03:08,360

Okay, Heather if you can help surge you with tech again

33

00:03:08,600 --> 00:03:13,400

And then Emily will also be doing tech when she's not doing interviews Katrina

34

00:03:13,400 --> 00:03:21,040

You'll be shadowing myself and Emily working on interviews. We have a whole cemetery to ourselves now to do an investigation

35

00:03:22,040 --> 00:03:24,880

It's the director's log 1242 p.m.

36

00:03:25,600 --> 00:03:28,920

We're heading out to meet man Chandra at the cemetery where they live

37

00:03:28,920 --> 00:03:34,400

We'll need to explore the disturbances and rule out any natural explanations before we look to the paranormal

38

00:03:35,320 --> 00:03:41,320

Our first step is having Chandra examined by a chiropractor to rule out any obvious medical reasons

for her pain

39

00:03:42,600 --> 00:03:45,020

Tell me about your pain that you're experiencing right now

40

00:03:45,020 --> 00:03:52,100

It's like inflamed all the time and it's hard for me to like function. I can hardly get out of bed in the morning

41

00:03:52,900 --> 00:03:56,020

Did a MRI on my right foot and it came back?

42

00:03:57,180 --> 00:04:04,580

Nothing nothing and they did a blood test last week and it basically came back in conclusive

43

00:04:05,020 --> 00:04:10,340

They can't explain that at all. No, and this was about the same time that you got married

44

00:04:10,860 --> 00:04:15,800

The pain started around July and then did you move into the house June?

45

00:04:16,460 --> 00:04:22,100

June I can see that the scan showed nothing nothing any other stress in your life that you can

46

00:04:23,340 --> 00:04:29,980

Sounds kind of crazy, but I mean there been like unexplained noises and a spirit of a woman in our house

47

00:04:30,900 --> 00:04:37,900

The doctor couldn't find any medical cause for Chandra's condition. Our next step is to interview Matt about his supernatural experiences

48

00:04:40,540 --> 00:04:42,540

So

49

00:04:43,020 --> 00:04:47,500

This cemetery is pretty old right 1882 1881

50

00:04:48,740 --> 00:04:52,180

And your family's been in charge of this place ever since right yes

51

00:04:52,220 --> 00:04:58,820

I've never actually met a caretaker. So I just wanted what does it like to live on the grounds and to deal with death every day?

52

00:04:58,820 --> 00:05:00,820

Day in and day out

53

00:05:00,980 --> 00:05:02,980

Customers never complain

54

00:05:03,500 --> 00:05:07,740

It's a special job. It's like, you know, I buried a dead for a living

55

00:05:07,740 --> 00:05:13,820

I compare it to the boatman that carries people over the river stick. I take them to the final resting place

56

00:05:14,700 --> 00:05:17,820

In all honesty, what do you think you're being haunted all of a sudden?

57

00:05:17,820 --> 00:05:20,900

I speculated that maybe this like ghost

58

00:05:21,340 --> 00:05:26,300

Woman could be like fixated on me and when my wife moved in a few months ago

59

00:05:26,340 --> 00:05:33,340

Maybe this ghost got jealous or something. I believe it was two weeks after we got married

60

00:05:33,340 --> 00:05:35,840

We heard the noises for the first time

61

00:05:38,740 --> 00:05:43,260

Mainly the activity has been upstairs. Where did you see the first one?

62

00:05:43,260 --> 00:05:46,780

The woman in my clothes basket was right here in this corner

63

00:05:48,300 --> 00:05:54,940

The pain's plaguing Chandra have taken a heavy toll on the couple preventing them from enjoying

what should be the happiest time in their lives

64

00:05:56,380 --> 00:06:00,700

You have some wedding pictures. Can we see some of them? Mm-hmm. Yeah. Yeah

65

00:06:01,420 --> 00:06:03,420

This is the fun part

66

00:06:03,740 --> 00:06:05,740

Oh, that was cute

67

00:06:05,740 --> 00:06:08,220

Which one yeah, that's really cute

68

00:06:09,020 --> 00:06:12,940

It seems like since Chandra's coming the picture that there has been more

69

00:06:14,300 --> 00:06:19,820

Paranormal activity, I guess you call it. Are you working now or with your pains and stuff?

70

00:06:19,820 --> 00:06:26,460

Are you kind of just taking it easy? No, I mean I'm 26 years old. There's no reason why I should be feeling like an 80 every day

71

00:06:27,100 --> 00:06:29,100

Why do you think this is happening? Do you have any idea?

72

00:06:29,980 --> 00:06:31,980

honestly, I just think it's because

73

00:06:33,420 --> 00:06:38,460

Of the cemetery. I just think it's the spirit of somebody that's maybe buried up here

74

00:06:39,260 --> 00:06:43,500

And do you believe what he's experiencing? I believe him sure

75

00:06:44,140 --> 00:06:46,140

And how often do you hear noises?

76

00:06:46,700 --> 00:06:49,340

For the last couple weeks, it's been at least every other day

77

00:06:50,380 --> 00:06:54,940

And do these experiences make you feel uneasy or frightened or anything? Yes. Yeah

78

00:06:56,140 --> 00:07:02,380

Matt's jealousy theory and the paranormal activity coinciding with his marriage brings a specific aspect of the paranormal to mind

79

00:07:03,420 --> 00:07:06,300

Could the turmoil they're experiencing be the work of a jealous entity?

80

00:07:06,860 --> 00:07:11,580

I'm not really sold in that theory just yet. They live on a cemetery. So there are a lot of possibilities

81

00:07:12,220 --> 00:07:19,180

We're setting up equipment for dead time to capture any potential evidence such as evps also known as electronic voice phenomenon. That works

82

00:07:19,660 --> 00:07:22,460

Our recorders are designed to capture what the human ear might miss

83

00:07:22,700 --> 00:07:27,260

They allow us to distinguish between potentially paranormal sounds and noises that the team might make

84

00:07:27,820 --> 00:07:30,460

There's not enough guys in this room for me to feel comfortable

85

00:07:30,700 --> 00:07:35,980

My aunt wanted to marry me off to some girl in russia to so she can get her citizenship

86

00:07:36,380 --> 00:07:38,380

That was gonna be a husband

87

00:07:38,380 --> 00:07:41,340

Kind of girl to go for surge. I don't like the girl that we're too flirty

88

00:07:42,620 --> 00:07:44,620

Only with me

89

00:07:44,700 --> 00:07:46,700

Why are you seeing anyone now?

90

00:07:47,020 --> 00:07:47,980

No time

91

00:07:47,980 --> 00:07:50,140

So would you have a girlfriend that was in prs?

92

00:07:51,420 --> 00:07:54,220

Well, I feel it's awkward saying that in the corner of all four girls

93

00:07:54,300 --> 00:08:00,700

Plus like I feel that uh, my time is so preoccupied with so much stuff that I wouldn't be able to give

94

00:08:00,860 --> 00:08:06,700

An appropriate enough time to the girl. I feel like if I don't give enough time to her then there's no point

95

00:08:07,180 --> 00:08:08,300

I don't know

96

00:08:08,300 --> 00:08:10,300

Oh stop stop stop

97

00:08:16,380 --> 00:08:19,260

If it is demonic, I think that you're in a great position

98

00:08:20,140 --> 00:08:26,060

To be attacked. I mean look at what you do. You compared your job to the man on the boat who takes people through the river sticks

99

00:08:26,140 --> 00:08:28,540

That's kind of true. It's an important job

100

00:08:29,100 --> 00:08:35,340

One of my biggest problems is like I do bottle up a lot of stuff inside and then I just kind of stew

101

00:08:36,460 --> 00:08:38,700

When i'm all alone, I just kind of lash out

102

00:08:39,420 --> 00:08:41,740

You know, I can see satan coming in right there

103

00:08:42,540 --> 00:08:44,540

You know, I bet he feeds off that

104

00:08:45,500 --> 00:08:49,660

Ultimately, you know, I just think that you totally have the tools to get through this

105

00:08:49,980 --> 00:08:53,740

A lot of people think that we can come in and get rid of the phenomena. It all lies in the person

106

00:08:54,060 --> 00:08:58,460

Yeah, it's your house. It's your property. It's your will that is trying to get at

107

00:08:59,180 --> 00:09:01,180

It's all up to you

108

00:09:02,620 --> 00:09:07,020

How do you feel I feel good. I'm ready to fight this son of a bitch

109

00:09:07,180 --> 00:09:18,460

We prepare for dead time all electronic devices are turned off to reduce interference. It's not a seance

110

00:09:18,620 --> 00:09:22,780

It's designed to aid communication with entities that might already be on the location

111

00:09:22,860 --> 00:09:27,980

If we hope to confront the entity head on now is the time. Are we ready to go downstairs over?

112

00:09:29,420 --> 00:09:31,180

Yep, ready when you are

113

00:09:31,180 --> 00:09:33,180

And everyone imagine

114

00:09:33,340 --> 00:09:36,060

A white light surrounding you you can pray

115

00:09:36,780 --> 00:09:42,140

You can ask for guidance. You can ask for the assistance of the angels the saints

116

00:09:42,700 --> 00:09:49,580

Focus that prayer and that energy into a white light of protection. If anything tries to start a list try not to panic

117

00:09:52,060 --> 00:09:54,700

I'm speaking to whoever is in this house

118

00:09:55,420 --> 00:09:59,420

Come into this room and tell us your name. Are you a demon here?

119

00:10:00,380 --> 00:10:02,380

To torment me and my wife

120

00:10:03,900 --> 00:10:07,900

Are you angry with somebody?

121

00:10:13,420 --> 00:10:14,940

Did you feel that

122

00:10:14,940 --> 00:10:20,700

I feel like my blood pressure went up like my hips started feeling like really tight. I feel it's him

123

00:10:21,340 --> 00:10:27,580

Matt does not want you here. You don't have a choice. We are ordering you to leave

124

00:10:28,460 --> 00:10:30,700

If you are a demonic force

125

00:10:31,260 --> 00:10:36,860

In the name of Jesus Christ, I can then view the dry place where you belong

126

00:10:37,580 --> 00:10:39,580

Did you hear something?

127

00:10:39,580 --> 00:10:41,580

Up!

128

00:10:43,580 --> 00:10:47,180

Directors log 10 a.m. One of our recorders detected a noise during the session

129

00:10:47,180 --> 00:10:51,020

The levels are very faint, but it sounds like we may have captured something

130

00:10:51,580 --> 00:10:54,140

Can you zoom in on that? I'll see if we can try to hear this one

131

00:10:54,860 --> 00:11:00,060

Or are you a demon here to torment me and my wife?

132

00:11:05,180 --> 00:11:07,180

Yeah

133

00:11:07,420 --> 00:11:10,460

Did we hear any whistling at all upstairs? No

134

00:11:12,540 --> 00:11:14,540

Don't know what to say

135

00:11:15,340 --> 00:11:18,540

The evidence is intriguing but a promising new lead is developing now

136

00:11:18,700 --> 00:11:21,820

Matt's informed us about a mysterious urn he buried on the grounds

137

00:11:22,140 --> 00:11:24,140

Chandra moved in right around the time of the burial

138

00:11:24,780 --> 00:11:29,820

That's also when the paranormal activity began an urn was found down by the river

139

00:11:30,060 --> 00:11:37,580

The chief of police asked me if I would just bury it someplace and it just sat in the barn on one of the shelves for five years

140

00:11:38,220 --> 00:11:40,620

This urn just might be the missing piece of our puzzle

141

00:11:41,500 --> 00:11:44,700

You buried the urn when again july 27th

142

00:11:45,260 --> 00:11:47,260

Um, can you tell us about the urn?

143

00:11:47,820 --> 00:11:53,020

The police officer found it in the river and they brought it to my husband about five years ago

144

00:11:53,580 --> 00:11:57,420

He kept it in the garage until almost the end of july

145

00:11:58,060 --> 00:12:04,060

Since there was nobody to pay for you know proper burial. He just buried it in the yard, you know

146

00:12:04,300 --> 00:12:08,940

Do you think it has anything to do with what's going on in the house? I think it could yeah

147

00:12:09,420 --> 00:12:11,980

I was single for six and a half years

148

00:12:12,380 --> 00:12:17,100

I mean it sounds really strange, but maybe this woman this ghost or whatever

149

00:12:17,260 --> 00:12:19,260

became attached to me

150

00:12:19,340 --> 00:12:23,740

And whenever chandra came along, you know, she got jealous and

151

00:12:24,620 --> 00:12:30,780

It wasn't until after we got married that chandra started hearing these noises a couple nights ago

152

00:12:31,020 --> 00:12:37,260

She woke up in the middle of the night and told me that she thought she heard a woman say her name

153

00:12:37,900 --> 00:12:45,180

Do you think you could show us where the police discovered the urn? Yeah. Yeah. It was a lot more shallow then

154

00:12:45,740 --> 00:12:51,100

But I believe it was right around this area that they found the urn

155

00:12:51,420 --> 00:12:54,620

I think they might have thought that someone threw it over the bridge or something

156

00:12:55,500 --> 00:12:57,500

Over there. Yeah

157

00:12:57,740 --> 00:13:03,660

The timeline of the urn is presenting more questions. Is it somehow related to the spirit of the woman matt saw inside the house?

158

00:13:04,380 --> 00:13:06,380

Are the remains inside even human?

159

00:13:06,700 --> 00:13:11,580

So when did the police drop this urn off? I was october 11th, uh, 2001

160

00:13:11,580 --> 00:13:17,180

2001 there's no way to know who or what is really inside the urn without digging it up

161

00:13:42,460 --> 00:13:44,460

So they just asked for you to keep it here

162

00:13:45,180 --> 00:13:47,340

Yeah, the the chief of police asked me

163

00:13:48,220 --> 00:13:50,300

If I would just bury it someplace

164

00:13:50,540 --> 00:13:53,740

I thought that if I went out and buried it that someone would claim it

165

00:13:53,820 --> 00:13:55,180

I'd have to dig it back up again

166

00:13:55,180 --> 00:14:01,980

So it just sat in the barn on one of the shelves in there for five years and then in July 27th of this year

167

00:14:02,060 --> 00:14:04,140

I decided it was time to bury it

168

00:14:04,140 --> 00:14:07,660

So we brought it out here and then I just poured this cement over it

169

00:14:07,660 --> 00:14:09,660

So I'd know where it was in the yard

170

00:14:10,140 --> 00:14:15,100

And when this was buried it was around the same time shawndra started experiencing her illness

171

00:14:15,820 --> 00:14:19,900

Okay, yes her physical problems got worse after we buried this urn

172

00:14:20,860 --> 00:14:24,140

We still need to establish that the remains inside the urn aren't fact human

173

00:14:24,380 --> 00:14:27,500

There's only one way to know for certain and that's by looking inside

174

00:14:27,740 --> 00:14:31,420

So we're taking it to a local funeral home for a much closer examination

175

00:14:32,220 --> 00:14:34,220

Creepy

176

00:14:34,940 --> 00:14:38,860

Hello, hi, you bill. Yeah, I'm bill almost got lost down here

177

00:14:39,340 --> 00:14:43,740

So we have this urn here that's unidentified. Let me see how this is

178

00:14:44,620 --> 00:14:49,500

Would you be able to look at the insides of there and be able to tell us anything about it?

179

00:14:50,140 --> 00:14:52,140

Uh-huh, whoa

180

00:14:55,660 --> 00:15:00,140

Yeah, the the cremains are in this within this bag and these are definitely human remains

181

00:15:00,540 --> 00:15:02,940

Um, I would say so from the ones I have seen

182

00:15:05,020 --> 00:15:07,020

Is this a is this a bone?

183

00:15:09,260 --> 00:15:13,100

Yes, I would say so. Yeah, because it's very brittle. So that means it's been burned

184

00:15:15,500 --> 00:15:19,740

Starving that's a person. That's a person

185

00:15:22,060 --> 00:15:24,380

Kind of figure out what it may be. What is this?

186

00:15:25,820 --> 00:15:28,140

And it looks like it could have been the staple

187

00:15:28,780 --> 00:15:31,900

Surgery or whatever. That seems like a major surgery because there were a lot

188

00:15:32,300 --> 00:15:38,300

It looks like a piece of jewelry

189

00:15:39,660 --> 00:15:44,780

I would have to assume with that bracelet or part of necklace as tiny as it is and delicate as it is

190

00:15:44,860 --> 00:15:46,860

That's more of a woman's than it is a man's

191

00:15:47,980 --> 00:15:53,820

Because mad report is seeing a female apparition and we've just learned that the contents inside the urn are that of a woman

192

00:15:54,300 --> 00:15:58,460

It now seems more likely that this urn is the source of the haunting

193

00:16:02,860 --> 00:16:06,540

That's more of a woman's than it is a man's you're probably doing with a woman

194

00:16:06,780 --> 00:16:11,420

We now believe the remains from the urn are female surgical staples were found in the remains

195

00:16:11,740 --> 00:16:16,700

That means whoever is in the urn had surgery. This is no coincidence. I think mad is right

196

00:16:17,580 --> 00:16:21,020

The urn is the source of the spirit. However, it's not a jealous spirit

197

00:16:21,100 --> 00:16:27,100

But rather a spirit was failed to move on now. It has been disturbed. It's now attached to shandra

198

00:16:27,340 --> 00:16:29,340

Thus explaining her mysterious illness

199

00:16:29,660 --> 00:16:36,380

I think it's important for us to just go ahead and bury the urn and just move on more importantly have matt and his wife move on

200

00:16:36,700 --> 00:16:40,540

Bottom line is that spirit or demon. It doesn't need to be here

201

00:16:40,860 --> 00:16:44,700

Are you gonna bury it in the same place that you guys dug it up? At least give it a proper ceremony

202

00:16:44,940 --> 00:16:47,340

Save to assume that whoever is buried in there

203

00:16:47,980 --> 00:16:55,020

Comes from a christian background because of the the decoration around the urn. I think it's it's totally fine to have some sort of christian

204

00:16:55,260 --> 00:16:57,020

right of passage

205

00:16:57,980 --> 00:17:01,420

I've never done this before I've never had to bury

206

00:17:01,900 --> 00:17:06,460

Never had to do a crash funeral. So what I was thinking

207

00:17:07,420 --> 00:17:12,220

Was having a christian burial if you want to be there you can be there just to you know, pay respects or whatever

208

00:17:12,460 --> 00:17:15,980

I think that's one of the main things is we don't know who the person was

209

00:17:16,140 --> 00:17:21,420

But at least whoever's in the urn gives them respectful bury and says throwing them in a hole or something

210

00:17:21,500 --> 00:17:26,380

I think that might help the client and make them feel better and possibly put the person to rest.
Okay

211

00:17:27,020 --> 00:17:32,140

Then I'll do that. I've never been to a funeral before a funeral. No. Oh, well here you go

212

00:17:32,860 --> 00:17:37,420

Without a proper rite of passage a spirit can sometimes get trapped between this world and the next

213

00:17:37,740 --> 00:17:40,300

For the woman inside the urn. It was time to move on

214

00:17:40,780 --> 00:17:44,220

Hopefully this will bring peace to her as well as matt and shondra

215

00:17:44,700 --> 00:17:48,220

After some thought we wanted to go ahead and just bury the urn. Yeah

216

00:17:49,260 --> 00:17:56,140

Okay, that's the map of the cemetery, right? Yeah, like maybe up on that upper edge there the top part. Yeah

217

00:17:56,860 --> 00:18:03,020

Okay, I have a few prayers that we can say and hopefully that'll help or at least put that mystery down to rest

218

00:18:04,220 --> 00:18:06,780

One thing I wanted to leave with you. I know you're not catholic

219

00:18:07,100 --> 00:18:11,980

But um, it's a bandicti and metal and it's the only metal that actually has a

220

00:18:12,620 --> 00:18:18,780

Exorcism prayer etched on it that rebukes satan and evil spirits and it's been blessed already. Thank you. No problem

221

00:18:19,260 --> 00:18:24,780

How do you feel now? I feel good. Okay. I feel happier about everything. Yes, I don't want

222

00:18:25,340 --> 00:18:31,340

About burying the urn and then also you seem to have a bit more strength with you too. Well, you know, I had uh

223

00:18:31,980 --> 00:18:36,540

I had let my guard down and over the years I have taken god for granted

224

00:18:36,620 --> 00:18:41,820

I'm allowed the steaming to come in this house and cause problems, but now this has kind of been a

225

00:18:45,340 --> 00:18:47,340

It's been a rebirth for me

226

00:18:49,020 --> 00:18:51,020

And I'm ready to fight

227

00:18:51,020 --> 00:18:55,580

So I got my bearings back

228

00:19:21,500 --> 00:19:23,500

Oh

229

00:19:41,740 --> 00:19:43,340

Into your hands, oh lord

230

00:19:43,340 --> 00:19:45,900

We humbly entrust our brother and sisters

231

00:19:46,300 --> 00:19:48,300

Deliver them now from every evil

232

00:19:48,940 --> 00:19:54,380

And bid them enter eternal rest where there will be no sorrow. No weeping nor pain

233

00:19:55,100 --> 00:19:57,100

amen

234

00:19:57,420 --> 00:19:59,420

Do you guys want to say anything?

235

00:20:01,420 --> 00:20:03,420

This is my first time actually

236

00:20:03,500 --> 00:20:04,780

At a funeral

237

00:20:04,780 --> 00:20:07,180

I feel like little things that I've been worried about

238

00:20:07,660 --> 00:20:12,700

Sought trivial and I really hope that we've done the right thing and I hope that they are in a better place right now

239

00:20:13,260 --> 00:20:18,620

Man Shondra, do you have anything to say? I think the whoever this was should be at rest now

240

00:20:29,340 --> 00:20:35,500

See it's true charity doing something for someone you don't know at all with nothing to gain

241

00:20:36,060 --> 00:20:44,300

But the reburial of the earth we've done all we can for Matt and Shondra at least for now

242

00:20:44,860 --> 00:20:46,860

Thanks for everything

243

00:20:47,420 --> 00:20:53,260

Our work at the cemetery is done now time for the PRS crew to get back to school and campus life

244

00:20:58,060 --> 00:21:04,140

Hey, man, how are you? I'm doing great. How are things? We haven't spoken in a while. Are you experiencing anything?

245

00:21:04,300 --> 00:21:10,860

I know whatever present business causing us problems is no longer in the house and we haven't had any problems with them

246

00:21:11,100 --> 00:21:15,660

No, what about um her illness? She's doing a lot better than she wants. Oh, that's good

247

00:21:16,140 --> 00:21:18,140

100%
