

1

00:00:00,000 --> 00:00:02,000

You

2

00:00:22,340 --> 00:00:27,880

People died here who shouldn't have died here. Do you know how bad these people want our help?

3

00:00:30,000 --> 00:00:33,200

The first patient 1866 was a woman naked in a cage

4

00:00:34,440 --> 00:00:36,440

It's like they're right here

5

00:00:37,600 --> 00:00:39,980

When I first started working here, I heard a noise

6

00:00:41,520 --> 00:00:45,940

You do that is there anything else here? There's a demon a strong demon

7

00:00:47,440 --> 00:00:49,440

Chip

8

00:00:54,840 --> 00:00:57,640

My name is Ryan and I'm a paranormal investigator

9

00:00:58,640 --> 00:01:04,500

When I was a kid my experiences with the supernatural terrified me that I've been searching for answers ever since

10

00:01:05,080 --> 00:01:08,680

When I got to Penn State, I realized I wasn't alone in my quest

11

00:01:08,920 --> 00:01:13,880

So I founded the paranormal research society dedicated to helping those who are haunted like I was

12

00:01:14,640 --> 00:01:16,640

We are students

13

00:01:16,640 --> 00:01:18,640

We are seekers

14

00:01:19,280 --> 00:01:25,400

Sometimes we're warriors and each time we help someone I feel like I'm one step closer to finding the truth

15

00:01:25,680 --> 00:01:27,760

This is paranormal state

16

00:01:32,680 --> 00:01:40,040

PRS has been contacted by the Willard drug treatment center. It's formerly one of New York State's mental institutions

17

00:01:44,400 --> 00:01:47,920

Remnants and memories that it was once an insane asylum

18

00:01:48,960 --> 00:01:50,960

Are still present

19

00:01:51,040 --> 00:01:54,760

Some of the staff members they say there's a lot of disturbing activity at nighttime

20

00:01:54,760 --> 00:01:58,480

And they're so terrified that they don't even want to stay on the grounds

21

00:01:58,920 --> 00:02:01,080

What the activity is what we got to find out?

22

00:02:01,680 --> 00:02:05,520

Now remember mental health rights didn't go into effect until much later

23

00:02:05,800 --> 00:02:13,120

So if you have an individual who spent his entire life in this asylum under horrible conditions possibly tortured

24

00:02:13,320 --> 00:02:17,240

That doesn't really make for a good life and maybe they're still there

25

00:02:20,960 --> 00:02:22,960

I

26

00:02:32,320 --> 00:02:34,800

Willard is a 90-day drug treatment facility

27

00:02:35,880 --> 00:02:38,720

This building is the original building on the compound

28

00:02:39,480 --> 00:02:41,480

It was built in 1860

29

00:02:42,840 --> 00:02:47,440

Dr. Willard who's a psychiatrist went to the New York State Legislature asked them if they couldn't become

30

00:02:47,440 --> 00:02:50,880

insane asylum

31

00:02:51,880 --> 00:02:57,240

And while he was asking that to be done he died of a heart attack in front of the New York State Legislature

32

00:03:00,480 --> 00:03:04,280

The first patient 1866 was a woman naked in a cage

33

00:03:05,240 --> 00:03:09,320

Eventually or 3,500 patients were here literally thousands over the years

34

00:03:11,120 --> 00:03:15,960

This was dormitory wing originally patients were here and what is it now now?

35

00:03:16,360 --> 00:03:18,720

We have a dormitory with some of our sergeants stay

36

00:03:19,440 --> 00:03:23,320

Okay, the reason why you got called is we hear a lot of ploy problems all the time

37

00:03:23,520 --> 00:03:27,200

Where did they have the experiences here in this room this room?

38

00:03:28,520 --> 00:03:32,840

Two sergeant lieutenants said they saw something they heard a woman screaming at them

39

00:03:32,840 --> 00:03:36,680

They packed up left the next day really gone. How long ago was this?

40

00:03:37,200 --> 00:03:41,320

I'm saying like maybe two months ago two months ago. Wow very recently

41

00:03:43,280 --> 00:03:45,280

When I first started working here

42

00:03:45,960 --> 00:03:50,960

The building that I work in I was in one of the classrooms and heard a noise and

43

00:03:51,600 --> 00:03:58,680

Walked out of the classroom. I saw someone standing. There was a woman very slender and she screamed

44

00:03:59,880 --> 00:04:06,440

I was sitting in the rec room watching the news and just felt like someone was standing over my shoulder

45

00:04:07,360 --> 00:04:13,920

And the lock on the knob clipped the door was pushed open and when I turned I didn't say anyone

46

00:04:13,960 --> 00:04:15,960

These have happened in the past week

47

00:04:21,000 --> 00:04:27,240

This building if those walls could talk could tell you a lot stories I'm sure the people that were first housed up here

48

00:04:28,640 --> 00:04:34,800

Were a sad sad group of folks sad group of folks. Do you ever have any suicide cases here? Oh, yes

49

00:04:35,000 --> 00:04:38,640

And we did unfortunately and some people we've had people drowned in the lake

50

00:04:40,120 --> 00:04:42,120

We had to go out and

51

00:04:42,280 --> 00:04:44,480

search for a female patient who was

52

00:04:45,880 --> 00:04:52,560

Depressed so we did a ground search and I happened to go in one of the buildings over in back there and this

53

00:04:53,120 --> 00:04:55,120

Female had she had hung herself

54

00:04:55,640 --> 00:04:57,640

So you were the one who found her? Yes

55

00:05:00,640 --> 00:05:05,880

This is the cemetery for the psych center these are all patients these are patients

56

00:05:06,880 --> 00:05:14,480

There's well over 5,000 people are the buried up here this whole field right here everything you see is all cemetery Wow everywhere

57

00:05:15,240 --> 00:05:19,600

They're all in marks. Well, that's what they did when people died. There was no one who really

cared about them

58

00:05:20,240 --> 00:05:26,200

Were they at least given some sort of proper memorial service or were they just dumped in a hole wasn't here? I do not know

59

00:05:26,800 --> 00:05:32,480

These were an unwanted people and they sent them someplace where you have to see them anymore dealing than they want

60

00:05:35,960 --> 00:05:37,960

You

61

00:05:42,000 --> 00:05:45,240

Thank you very much for coming Chip. What do you know about the place so far?

62

00:05:46,240 --> 00:05:50,200

Absolutely nothing except there's barbed wire. I'm gonna take you through the entire building Chip

63

00:05:52,160 --> 00:05:55,840

Did this place used to be a metal facility? Mm-hmm. Yeah

64

00:06:00,840 --> 00:06:02,840

Hmm

65

00:06:02,880 --> 00:06:06,840

There's such overwhelming anger and sadness in this building

66

00:06:09,920 --> 00:06:12,840

Getting yelled at stop

67

00:06:14,880 --> 00:06:18,320

Okay, I gotta just get a little stop. I'm just getting yelled at all over the place

68

00:06:19,960 --> 00:06:22,760

God what are they saying? Let me out

69

00:06:24,320 --> 00:06:27,080

So there are active spirits here absolutely there are

70

00:06:27,480 --> 00:06:32,640

People died here who shouldn't have died here. This was a dumping ground

71

00:06:38,320 --> 00:06:43,720

Okay, I just picked up the woman spirit that's active in this building and she

72

00:06:44,800 --> 00:06:47,040

She's she's a nurse

73

00:06:48,840 --> 00:06:53,440

It's almost as though she's a guardian in this building or someone who's come back to try to alleviate

74

00:06:54,280 --> 00:07:01,280

The other people that are in this building. She's come back to try to help them to actually physically not be here anymore

75

00:07:01,880 --> 00:07:05,280

This is their prison. They still feel like they're trapped here. Yes

76

00:07:08,760 --> 00:07:11,280

They're ready to go and help them

77

00:07:18,880 --> 00:07:23,280

I don't know about you, but I feel for these people to have lived your life here

78

00:07:23,840 --> 00:07:26,960

Someone dumped you and you're thrown somewhere unmarked

79

00:07:27,520 --> 00:07:30,480

That's where you remain and no one's ever remembered you or honored you

80

00:07:30,920 --> 00:07:36,160

Frank's box directors log because there are so many potential spirits here that could need our help

81

00:07:36,320 --> 00:07:42,040

We're going to try something we've never tried before a controversial new tool called Frank's box

82

00:07:42,560 --> 00:07:48,840

It's also been called a telephone to the dead. Would you mind giving them just kind of a rundown on what it is when it does

83

00:07:49,080 --> 00:07:52,880

Yeah, absolutely runs on an RVG a random voltage generator

84

00:07:53,680 --> 00:07:55,680

Basically pulls white noise pink noise

85

00:07:55,840 --> 00:08:00,800

Radio fragment all through the same unit. It takes the raw signal runs it through an echo box

86

00:08:00,800 --> 00:08:04,320

It's within the unit and that's where their voices will actually come back out through there

87

00:08:09,000 --> 00:08:11,760

Okay, here we go take a minute to warm

88

00:08:14,920 --> 00:08:16,920

Okay, let's go

89

00:08:24,440 --> 00:08:32,160

How many spirits we have here with us just we know going in there were seven here

90

00:08:34,680 --> 00:08:39,360

Questions from anyone right off the bat what are the what are there the spirits names?

91

00:08:41,040 --> 00:08:43,440

One's Lucy we have a Lucy heard that

92

00:08:45,120 --> 00:08:47,120

Is there anything else here?

93

00:08:47,880 --> 00:08:49,880

I

94

00:08:52,800 --> 00:08:54,800

There's a demon strong

95

00:09:05,880 --> 00:09:08,880

Questions from anyone right off of that. What are the spirits names?

96

00:09:10,600 --> 00:09:14,040

One's Lucy we have a Lucy is there anything else here?

97

00:09:17,840 --> 00:09:20,560

Demon there's a demon a strong demon

98

00:09:23,360 --> 00:09:26,880

Is that what's holding them back is the demon what's holding you here?

99

00:09:28,800 --> 00:09:32,080

Yes, yes, she thinks Lucy speaking for all of them

100

00:09:35,560 --> 00:09:40,720

We'll come down Lucy she's begging us to go on the basement. I don't know what our research on a trap

101

00:09:42,440 --> 00:09:44,840

Can't tell it's a trap. We'll go down

102

00:09:47,120 --> 00:09:49,800

Just thing goes on like a maze Chris just like now

103

00:09:53,600 --> 00:10:00,320

You still with us I like it down here Lucy can you hear us Lucy?

104

00:10:03,920 --> 00:10:09,920

Can you hear me there's something bad bad bad down here my holy water in my pocket

105

00:10:14,320 --> 00:10:16,920

Whoa whoa whoa whoa whoa

106

00:10:17,640 --> 00:10:20,240

Just got a shadow back here that just shot across the wall

107

00:10:21,400 --> 00:10:25,720

They just shot across the wall came back went straight through I know where it's at

108

00:10:26,600 --> 00:10:28,520

chip

109

00:10:28,520 --> 00:10:30,520

Chip

110

00:10:32,080 --> 00:10:34,080

Chip

111

00:10:34,200 --> 00:10:36,200

What is that?

112

00:10:40,600 --> 00:10:44,640

Chip I would love to see what's on the other side of that space

113

00:10:48,120 --> 00:10:51,480

Lucy talks to me please

114

00:10:58,480 --> 00:11:00,480

Lucy are you still here?

115

00:11:03,320 --> 00:11:06,160

The demons blocking us right now he doesn't want anything coming through

116

00:11:13,240 --> 00:11:15,240

So stop that spring

117

00:11:17,640 --> 00:11:19,640

I

118

00:11:22,480 --> 00:11:27,280

This is not good we need to get out of here. Yeah, we do okay. I'm turning off for now

119

00:11:38,520 --> 00:11:43,720

So what's your opinion on the box? I don't know I mean one thing that's interesting is when I hear it clearly

120

00:11:43,920 --> 00:11:47,880

It does valid lead it's not like it's talking about something that we're talking about

121

00:11:48,120 --> 00:11:51,800

You know, why isn't it saying you know different random things?

122

00:11:51,800 --> 00:11:56,680

It's actually giving you a number when you're asking for the number. All right. You said 110. Yeah

123

00:12:03,560 --> 00:12:07,320

Josh, what do you think all this is to say I was skeptical is

124

00:12:08,240 --> 00:12:14,640

Putting it mildly but there is a few clips that are very very clear so I can't discount them

125

00:12:18,480 --> 00:12:23,240

We need to try to verify these names because we want to get that information to see if it matches up

126

00:12:24,520 --> 00:12:27,760

Maybe there's some sort of a record of a Lucy who worked here as a nurse

127

00:12:31,240 --> 00:12:33,360

I'll send the team in here see what they can find

128

00:12:38,120 --> 00:12:40,120

I

129

00:12:49,960 --> 00:12:57,360

Was an interesting experience so far last night if anything special happened to you personally or we got in contact with a couple spirits one named Lucy

130

00:12:58,240 --> 00:13:03,840

Lucy, you know that name is known on the compound Lucy's people talked about Lucy before really. Yeah, huh?

131

00:13:03,880 --> 00:13:07,080

The psychic picked up on Lucy then this box picked up on Lucy

132

00:13:07,680 --> 00:13:09,200

That's interesting

133

00:13:09,200 --> 00:13:14,640

Was she a nurse here? I don't think about I just know the name. What's the rumor about her? What

would people talk about her?

134

00:13:14,640 --> 00:13:16,640

She's a ghost

135

00:13:20,000 --> 00:13:25,000

So you worked here I did work here. That's right 37 years

136

00:13:25,520 --> 00:13:29,800

Did you ever know a woman who worked here in this building named Lucy?

137

00:13:30,800 --> 00:13:32,800

Well, you're asking me a hard question

138

00:13:33,240 --> 00:13:39,240

I'm sure there are Lucy's that worked here, but I can't you know right off hand think of somebody named Lucy, right?

139

00:13:39,400 --> 00:13:43,600

No, I imagine you got to know a lot of patients. I did I had a lot of patient friends

140

00:13:43,640 --> 00:13:50,280

But the mental illness is very very difficult. It's difficult for the person who has it and it's difficult for the person who has to watch them

141

00:13:50,280 --> 00:13:56,760

Have it how you deal with that. Well, you grow with the place you you become a part of it and it becomes a part of you

142

00:13:57,200 --> 00:14:06,400

So far we've been unable to confirm the identity of Lucy but because of the possibility of her and others being trapped here by demonic entity

143

00:14:06,400 --> 00:14:09,440

I've invited Lorraine Warren to join the investigation

144

00:14:14,320 --> 00:14:16,320

Oh god, no, oh

145

00:14:16,640 --> 00:14:24,620

This is oh god help us. This is awful in here, honey. It's like these people are actually crying out for help

146

00:14:26,760 --> 00:14:28,760

The demon type thing

147

00:14:29,000 --> 00:14:33,280

That's what I feel here here. Yes, and the human spirit

148

00:14:33,600 --> 00:14:37,440

They can't escape because of these demonic things that are here

149

00:14:39,320 --> 00:14:41,520

We're splitting in the teams for dead time

150

00:14:42,120 --> 00:14:46,480

One team will be in the basement and tech headquarters is setting up in an old classroom

151

00:14:47,040 --> 00:14:52,640

Chip Lorraine and I will be stationed in one of the patient rooms. Hi, sir. Gee. We're ready to commence dead time

152

00:14:53,320 --> 00:14:56,040

Chip is there any spirit that wants to communicate with us?

153

00:14:57,040 --> 00:15:00,040

I'm actually going to ask Lucy

154

00:15:00,720 --> 00:15:02,720

the spirit of the woman

155

00:15:03,520 --> 00:15:09,720

Did I encounter it in this room to come to me and see if she can give me any information if we can get her we can get the others

156

00:15:17,400 --> 00:15:19,400

What is your name

157

00:15:22,640 --> 00:15:24,640

What did they do to you

158

00:15:25,200 --> 00:15:28,360

We're not here to do you a harm right here to help if we can

159

00:15:29,120 --> 00:15:31,660

But give us a sign that you're here without doing us a

160

00:15:32,400 --> 00:15:34,400

harm

161

00:15:37,560 --> 00:15:40,360

Sounded like a thud upstairs. Yeah

162

00:15:45,720 --> 00:15:47,720

She keeps moving

163

00:15:48,240 --> 00:15:56,320

Very close and makes contact with me and then she's not fully investing I feel female energy

164

00:16:08,360 --> 00:16:10,360

I heard talking so did I

165

00:16:11,480 --> 00:16:13,480

It sounded like a woman

166

00:16:13,480 --> 00:16:17,800

I mean it was a higher pitch voice. I heard it the second time you did

167

00:16:18,440 --> 00:16:23,040

Hey, sir, this is basement. Is there anybody walking around on the floor above the basement?

168

00:16:23,040 --> 00:16:25,040

Oh

169

00:16:38,600 --> 00:16:43,620

So what's wrong are you choking now he's

170

00:16:46,960 --> 00:16:48,960

Who's he

171

00:16:49,400 --> 00:16:54,800

You know he's not a person is he

172

00:16:57,960 --> 00:17:01,680

What's the name of the spirit pin chip now or near chip now

173

00:17:13,440 --> 00:17:15,440

One out of this chip

174

00:17:19,800 --> 00:17:25,880

Do you want out of this chip yes, thank you

175

00:17:27,880 --> 00:17:29,880

Something nasty

176

00:17:31,960 --> 00:17:33,960

It came up to me

177

00:17:45,760 --> 00:17:48,800

Lucy died trying to protect people

178

00:17:48,960 --> 00:17:50,720

here

179

00:17:50,720 --> 00:17:54,200

If you want help you also need to ask for it

180

00:17:56,240 --> 00:18:00,400

You need to be determined you need to be strong you can get out of this place

181

00:18:01,240 --> 00:18:07,360

What I would suggest that you do is make a circle of energy and everyone draw the energies of the spirits into that circle and

182

00:18:07,800 --> 00:18:09,800

Send them up

183

00:18:09,840 --> 00:18:13,200

You know how to do this create the vortex. Can we do it right here?

184

00:18:13,200 --> 00:18:18,720

I would suggest that what you do is you do it with with all the energy that's in this building

185

00:18:19,320 --> 00:18:21,840

I would suggest that you do it with your entire PRS team

186

00:18:23,280 --> 00:18:25,520

Imagine the powerful white light of energy

187

00:18:26,640 --> 00:18:34,120

If there are anyone here in the Lord levels, I asked you now, please move upstairs to where Ryan rain and chip are

188

00:18:34,960 --> 00:18:42,380

St. Michael the Archangel defend us in battle be our protection against the wickedness and snares of the devil

189

00:18:42,500 --> 00:18:50,060

Make God review come re humbly pray and do thou a prince of the heavenly host by the divine power of God

190

00:18:50,740 --> 00:18:53,900

Cast into hell Satan all evil spirits

191

00:18:58,780 --> 00:19:02,980

If you want to leave this place you can do it there's a door here now

192

00:19:04,500 --> 00:19:06,500

You're all free to go

193

00:19:12,820 --> 00:19:14,820

I

194

00:19:15,100 --> 00:19:20,700

Directors log so tonight we marked a new era for Willard an era of healing

195

00:19:21,100 --> 00:19:26,620

It's difficult to imagine what the people here went through, but I feel like it's time. We did something for them

196

00:19:27,620 --> 00:19:35,500

We're asking surviving friends and family members of the patients who died here and the local community to join us in a ceremony on the cemetery grounds

197

00:19:42,940 --> 00:19:44,940

You

198

00:19:49,100 --> 00:19:54,220

Ladies and gentlemen we fill out what we're doing today is very important that we are gonna be honoring

199

00:19:54,780 --> 00:19:56,460

the men and women

200

00:19:56,460 --> 00:19:58,780

Who lived and died at Willard?

201

00:19:59,740 --> 00:20:04,160

The field that we're standing in has many of these individuals buried here

202

00:20:04,160 --> 00:20:09,060

But as you can see they aren't marked so together as a group we would like to honor them

203

00:20:09,300 --> 00:20:11,300

We just want to bring closure to this place

204

00:20:12,060 --> 00:20:16,580

To the people who suffered here and also to the men and women who worked here and tried to make a difference

205

00:20:17,460 --> 00:20:19,460

Almighty Father eternal God

206

00:20:20,020 --> 00:20:21,940

Hear our prayers

207

00:20:21,940 --> 00:20:25,700

For your sons and daughters that are buried here

208

00:20:30,060 --> 00:20:33,580

We honor those who are buried here

209

00:20:34,420 --> 00:20:38,460

We honor the dead and in doing so we honor and respect life

210

00:20:39,180 --> 00:20:42,440

Every life is sacred we offer this prayer

211

00:20:43,420 --> 00:20:45,420

Aming amen. Amen

212

00:20:50,580 --> 00:20:53,660

This is the final directors log for the Willard haunting

213

00:20:53,660 --> 00:20:59,280

I sincerely hope that the work that we've done here has helped these people move on with the dignity that they deserve

214

00:20:59,280 --> 00:21:03,200

I also hope that by acknowledging them. Maybe we can correct

215

00:21:03,820 --> 00:21:07,220

the mistakes of the past as for PRS our

216

00:21:07,220 --> 00:21:09,780

Mission continues
