

1

00:00:00,000 --> 00:00:03,000

Move away from me.

2

00:00:03,000 --> 00:00:07,000

Everything bad happens here.

3

00:00:07,000 --> 00:00:09,000

I need help.

4

00:00:09,000 --> 00:00:11,000

Have you ever heard of possession?

5

00:00:11,000 --> 00:00:13,000

Did you guys hear something?

6

00:00:13,000 --> 00:00:15,000

She came to us one night.

7

00:00:15,000 --> 00:00:16,000

Something was wrong.

8

00:00:16,000 --> 00:00:18,000

There's something else going on.

9

00:00:18,000 --> 00:00:20,000

I noticed an eom.

10

00:00:20,000 --> 00:00:22,000

I thought she was a little bit more serious.

11

00:00:22,000 --> 00:00:24,000

I thought she was a little bit more serious.

12

00:00:24,000 --> 00:00:26,000

I thought she was a little bit more serious.

13

00:00:26,000 --> 00:00:28,000

I thought she was a little bit more serious.

14

00:00:28,000 --> 00:00:30,000

There's something else going on.

15

00:00:30,000 --> 00:00:31,000

I noticed an emf spike.

16

00:00:31,000 --> 00:00:34,000

This is a hundred times stronger than normal.

17

00:00:34,000 --> 00:00:37,000

I don't even know what I believe in what exists.

18

00:00:37,000 --> 00:00:41,000

The door to the supernatural or the occult has been opened several times.

19

00:00:41,000 --> 00:00:43,000

Do you believe in the devil?

20

00:00:43,000 --> 00:00:45,000

There's stuff going on.

21

00:00:45,000 --> 00:00:49,000

My name is Ryan and I'm a paranormal investigator.

22

00:00:49,000 --> 00:00:53,000

When I was a kid, my experiences with the supernatural terrified me.

23

00:00:53,000 --> 00:00:55,000

And I've been searching for answers ever since.

24

00:00:55,000 --> 00:00:59,000

When I got to Penn State, I realized I wasn't alone in my quest.

25

00:00:59,000 --> 00:01:01,000

So I founded the Paranormal Research Society,

26

00:01:01,000 --> 00:01:04,000

dedicated to helping those who are haunted like I was.

27

00:01:04,000 --> 00:01:06,000

We are students.

28

00:01:06,000 --> 00:01:08,000

We are seekers.

29

00:01:08,000 --> 00:01:11,000

And sometimes we're warriors.

30

00:01:11,000 --> 00:01:15,000

And each time we help someone, I feel like I'm one step closer to finding the truth.

31

00:01:15,000 --> 00:01:18,000

This is Paranormal State.

32

00:01:18,000 --> 00:01:25,000

This case involves a mother named Janice Altieri.

33

00:01:25,000 --> 00:01:28,000

They live in Allentown, Pennsylvania.

34

00:01:28,000 --> 00:01:31,000

Janice has a daughter named Leanna who's 16 years old.

35

00:01:31,000 --> 00:01:34,000

She used the direct focus of the activity.

36

00:01:34,000 --> 00:01:39,000

Some of the phenomena include Leanna laying in bed,

37

00:01:39,000 --> 00:01:44,000

and she saw this black shadow that came towards her.

38

00:01:44,000 --> 00:01:50,000

She's suffering from anxiety disorders, depression, panic attacks.

39

00:01:50,000 --> 00:01:52,000

If you've taken her all these doctors and they say,

40

00:01:52,000 --> 00:01:55,000

we can't figure out what's wrong with her.

41

00:01:55,000 --> 00:02:02,000

The mom thinks that the haunting may be a component of Leanna's illness.

42

00:02:02,000 --> 00:02:05,000

In other words, they go hand in hand.

43

00:02:05,000 --> 00:02:10,000

Is the thing that she's going through, the early stages of demonic possession,

44

00:02:10,000 --> 00:02:15,000

or is it psychological?

45

00:02:28,000 --> 00:02:30,000

Hi, I'm Janice.

46

00:02:30,000 --> 00:02:31,000

Hi, nice to meet you.

47

00:02:31,000 --> 00:02:32,000

Hi.

48

00:02:32,000 --> 00:02:35,000

I'm from Penn State Paranormal Research Society.

49

00:02:35,000 --> 00:02:37,000

This is my son, Evan, by the way.

50

00:02:37,000 --> 00:02:38,000

Nice to meet you, Evan.

51

00:02:38,000 --> 00:02:40,000

I'm my daughter, Maris.

52

00:02:40,000 --> 00:02:41,000

Hi, Maris.

53

00:02:41,000 --> 00:02:42,000

I'm Leanna.

54

00:02:42,000 --> 00:02:44,000

Hi, Leanna.

55

00:02:44,000 --> 00:02:47,000

This is a room where a lot of things took place.

56

00:02:47,000 --> 00:02:53,000

The big thing in this room is that in either that corner or this corner over here,

57

00:02:53,000 --> 00:02:56,000

I could see something like a kind of like billowing cloud start to form,

58

00:02:56,000 --> 00:02:58,000

and I was like, what is that?

59

00:02:58,000 --> 00:03:00,000

I couldn't make out any like features or anything.

60

00:03:00,000 --> 00:03:03,000

I didn't know if it had a face, if it didn't,

61

00:03:03,000 --> 00:03:09,000

except I could feel something pushing down until I could feel that coming up around me.

62

00:03:13,000 --> 00:03:14,000

She came to us one night.

63

00:03:14,000 --> 00:03:19,000

She was crying and told us that she needed help,

64

00:03:19,000 --> 00:03:24,000

and she feels tired, generally just feeling sick.

65

00:03:24,000 --> 00:03:30,000

I've been having a lot of difficulty emotionally and physically.

66

00:03:30,000 --> 00:03:35,000

The whole paranormal thing basically started happening is when it started,

67

00:03:35,000 --> 00:03:38,000

which leads me to believe that maybe it is connected.

68

00:03:39,000 --> 00:03:43,000

There's no abuse or hasn't been any traumatic events in her life.

69

00:03:43,000 --> 00:03:44,000

No.

70

00:03:44,000 --> 00:03:48,000

We've gone to all kinds of doctors for all kinds of testing,

71

00:03:48,000 --> 00:03:52,000

and everything comes back normal.

72

00:03:52,000 --> 00:03:55,000

I don't know what else to do.

73

00:03:55,000 --> 00:03:58,000

Maybe it's not her, it's something else.

74

00:03:58,000 --> 00:04:03,000

Tuning into her, have you ever heard of possession?

75

00:04:05,000 --> 00:04:08,000

There's many different types of possession.

76

00:04:08,000 --> 00:04:12,000

A spirit is attracted to an energy or force,

77

00:04:12,000 --> 00:04:18,000

especially emotional people, that almost makes them have bouts of depression,

78

00:04:18,000 --> 00:04:20,000

cry for no reason.

79

00:04:20,000 --> 00:04:24,000

The black mist, to me that's a little bit of a warning sign

80

00:04:24,000 --> 00:04:26,000

that there's something else going on here.

81

00:04:26,000 --> 00:04:30,000

Negative things tend to have some sort of intelligence behind it.

82

00:04:30,000 --> 00:04:32,000

It could be a negative spirit.

83

00:04:33,000 --> 00:04:36,000

I don't even know what I believe in, what exists.

84

00:04:36,000 --> 00:04:38,000

Do you believe in a God?

85

00:04:38,000 --> 00:04:42,000

I definitely think after death, there has to be at least something.

86

00:04:42,000 --> 00:04:44,000

Do you believe in a devil?

87

00:04:45,000 --> 00:04:47,000

I don't know.

88

00:04:48,000 --> 00:04:50,000

Could you do me a favor?

89

00:04:50,000 --> 00:04:52,000

Can you pull out your hand?

90

00:04:57,000 --> 00:05:00,000

Feeling anything different or unusual?

91

00:05:09,000 --> 00:05:12,000

What is it that you guys found?

92

00:05:12,000 --> 00:05:17,000

From Sergei's laptop, I noticed an EMF spike decided to investigate.

93

00:05:18,000 --> 00:05:24,000

EMF is electromagnetic fields, which are generated every time current is going through a wire.

94

00:05:24,000 --> 00:05:28,000

So if you've got a wire, it's got a pulse through it, it'll create an EMF.

95

00:05:28,000 --> 00:05:32,000

It doesn't necessarily mean it's a spirit, but it's something for us to investigate.

96

00:05:32,000 --> 00:05:39,000

We noticed that it peeked out this side, which brought us over to walking through a crawl space.

97

00:05:39,000 --> 00:05:41,000

Is there a crawl space where?

98

00:05:41,000 --> 00:05:42,000

Behind this.

99

00:05:42,000 --> 00:05:44,000

Through here, and it leads to Leanna's room.

100

00:05:54,000 --> 00:05:59,000

High EMF can induce anxiety, nervousness.

101

00:05:59,000 --> 00:06:02,000

We tracked it down to right over there.

102

00:06:02,000 --> 00:06:05,000

It actually pegs the EMF detector.

103

00:06:05,000 --> 00:06:07,000

You know where this spot is right here?

104

00:06:07,000 --> 00:06:10,000

That's her bed, Leanna's.

105

00:06:10,000 --> 00:06:14,000

This is basically right where Leanna puts her head.

106

00:06:14,000 --> 00:06:17,000

Peaks near Leanna's bed.

107

00:06:17,000 --> 00:06:20,000

Could be causing some of the headaches in the nausea.

108

00:06:20,000 --> 00:06:24,000

It sounds like you're trying to suggest this is more paranormal than natural.

109

00:06:24,000 --> 00:06:28,000

This is about a hundred times stronger than the normal.

110

00:06:31,000 --> 00:06:33,000

I don't know what's going on here yet.

111

00:06:35,000 --> 00:06:40,000

This just might be my imagination, but when I handed her the metal, I took it back.

112

00:06:40,000 --> 00:06:42,000

She gave me a grin.

113

00:06:44,000 --> 00:06:47,000

I'm going to put some blessed medallions underneath her bed.

114

00:06:48,000 --> 00:06:54,000

If she's suffering from sort of demonic oppression, possession, and obsession,

115

00:06:54,000 --> 00:06:57,000

she should have some sort of negative reaction to the metals.

116

00:06:58,000 --> 00:07:04,000

Directors log, we'll have to wait until tomorrow to see if there are any reactions to the metals under the bed.

117

00:07:04,000 --> 00:07:07,000

In the meantime, we're setting up multiple cameras for dead time.

118

00:07:07,000 --> 00:07:12,000

Josh and Sergey will monitor from the basement while the rest of us begin in the dining room.

119

00:07:18,000 --> 00:07:21,000

Everyone's out of the house. We're commencing dead time.

120

00:07:26,000 --> 00:07:29,000

I'm speaking to whomevers in this house.

121

00:07:29,000 --> 00:07:33,000

I'm speaking to the one that communicates with Leanna.

122

00:07:33,000 --> 00:07:37,000

We want you to come forward now and communicate with us.

123

00:07:42,000 --> 00:07:44,000

Give us a sign of your presence.

124

00:07:48,000 --> 00:07:57,000

Let's go into the craft room where Leanna feels very uneasy.

125

00:08:05,000 --> 00:08:10,000

I'm speaking to whomever is in this house, the Black Force.

126

00:08:10,000 --> 00:08:13,000

Come out now where I can see you.

127

00:08:14,000 --> 00:08:16,000

What was that?

128

00:08:18,000 --> 00:08:20,000

Did you hear that weird noise?

129

00:08:20,000 --> 00:08:21,000

Yeah.

130

00:08:21,000 --> 00:08:22,000

That was a pain.

131

00:08:22,000 --> 00:08:23,000

Where?

132

00:08:23,000 --> 00:08:25,000

It sounded like it came from up the hallway.

133

00:08:25,000 --> 00:08:44,000

There's any force in this house, any spirit here. Make yourself known now.

134

00:08:46,000 --> 00:08:48,000

Do you feel Katrina?

135

00:08:48,000 --> 00:08:50,000

I mean, I don't like the room.

136

00:08:50,000 --> 00:08:51,000

Why?

137

00:08:52,000 --> 00:08:54,000

I don't like that door.

138

00:08:55,000 --> 00:08:57,000

I don't like that door.

139

00:09:26,000 --> 00:09:31,000

Someone's failed to finish the word hello.

140

00:09:31,000 --> 00:09:32,000

It's her.

141

00:09:32,000 --> 00:09:34,000

Well, so far nothing.

142

00:09:34,000 --> 00:09:37,000

We're going to end dead time here over.

143

00:09:43,000 --> 00:09:47,000

I didn't tell you this, but I wanted to just be sure.

144

00:09:47,000 --> 00:09:51,000

I put holy metals underneath Leanna's bed to see if there was a reaction.

145

00:09:51,000 --> 00:09:56,000

You put holy metals under the bed because if someone's being attacked, sometimes they'll have a reaction.

146

00:09:56,000 --> 00:10:00,000

They won't be able to lay down in the area that holy metals are being placed.

147

00:10:00,000 --> 00:10:07,000

The interesting thing is that she said she slept very, very well, so it was just something to look out for.

148

00:10:11,000 --> 00:10:17,000

Because Leanna did not react to the metals, I'm beginning to steer away from my original theory of possession.

149

00:10:17,000 --> 00:10:20,000

I've invited Chip Coffee to join our investigation.

150

00:10:20,000 --> 00:10:24,000

As usual, I haven't told him anything about the case.

151

00:10:35,000 --> 00:10:36,000

Is she the target?

152

00:10:36,000 --> 00:10:37,000

Possibly.

153

00:10:37,000 --> 00:10:40,000

So I'm drawn to this little girl for some reason.

154

00:10:40,000 --> 00:10:41,000

Okay.

155

00:10:41,000 --> 00:10:46,000

Keep getting drawn more than anything, Ryan. I keep getting drawn to the kids rooms.

156

00:10:46,000 --> 00:10:51,000

Probably the most active place I've seen so far is here.

157

00:10:51,000 --> 00:10:55,000

The door's been opened a couple of times in this house.

158

00:10:55,000 --> 00:10:59,000

Is the older one the one that's presenting the most activity?

159

00:10:59,000 --> 00:11:01,000

Yes.

160

00:11:01,000 --> 00:11:04,000

She's got some mediumistic abilities.

161

00:11:04,000 --> 00:11:07,000

I'm not sure if she's the one that's the most active.

162

00:11:07,000 --> 00:11:10,000

She's got some mediumistic abilities.

163

00:11:13,000 --> 00:11:20,000

As far as spirit and her gene, I'm picking up there's a female, a teenage girl.

164

00:11:20,000 --> 00:11:24,000

It's an African American female who also did some ritualistic work.

165

00:11:29,000 --> 00:11:34,000

The minute that I walked into the house, I started picking up a lot of activity in the upstairs area.

166

00:11:34,000 --> 00:11:37,000

I feel like kind of centers on here.

167

00:11:37,000 --> 00:11:40,000

I feel like you've been touched.

168

00:11:40,000 --> 00:11:44,000

I picked up most of the stuff that I got in your room.

169

00:11:44,000 --> 00:11:55,000

But I sat in your back room, in your sun room, and watched an African American woman, a younger female that was a teen, go through your back door.

170

00:11:55,000 --> 00:11:58,000

And I'm going to hit you with a bit of information also.

171

00:11:58,000 --> 00:12:02,000

And that is, I think you have some abilities as a medium.

172

00:12:02,000 --> 00:12:06,000

You kind of feel things and sense things.

173

00:12:08,000 --> 00:12:10,000

Can't you?

174

00:12:14,000 --> 00:12:16,000

Landor, are you alright?

175

00:12:26,000 --> 00:12:28,000

It's okay.

176

00:12:29,000 --> 00:12:31,000

It's alright.

177

00:12:33,000 --> 00:12:35,000

She just gets the sweat.

178

00:12:35,000 --> 00:12:38,000

And this is one of the things that just happens sometimes like this.

179

00:12:38,000 --> 00:12:41,000

I think she's a little scared.

180

00:12:41,000 --> 00:12:42,000

Are you scared?

181

00:12:42,000 --> 00:12:44,000

A little.

182

00:12:46,000 --> 00:12:51,000

When he was talking about, like, he sensed a girl in the house.

183

00:12:51,000 --> 00:12:53,000

Like, I just, like, already knew about that.

184

00:12:53,000 --> 00:12:56,000

And that's something I never told anyone, like, in the house.

185

00:12:58,000 --> 00:13:03,000

One thing I've got to ask you is to see something from our own benefit.

186

00:13:03,000 --> 00:13:07,000

We have two cameramen in the room with us and four living human beings in this room.

187

00:13:07,000 --> 00:13:09,000

Anyone else?

188

00:13:10,000 --> 00:13:31,000

I was sensing something over kind of near the couch, a little bit when we were talking at the table too.

189

00:13:31,000 --> 00:13:35,000

If you're having psychic experiences or paranormal experiences,

190

00:13:35,000 --> 00:13:39,000

you're in a lot better position than I was because my parents didn't want to hear it.

191

00:13:39,000 --> 00:13:41,000

You're not alone in this.

192

00:13:45,000 --> 00:13:47,000

The light of God surrounds us.

193

00:13:47,000 --> 00:13:50,000

The love of God enfolds us.

194

00:13:50,000 --> 00:13:53,000

The power of God protects us.

195

00:13:53,000 --> 00:13:55,000

Amen.

196

00:13:55,000 --> 00:13:58,000

I'd like to open up the floor and speak to you.

197

00:13:59,000 --> 00:14:04,000

I'd like to open up the floor and speak to whatever force might be in this home.

198

00:14:04,000 --> 00:14:11,000

Any spirit or person who's listening, you may come forward now and join us.

199

00:14:11,000 --> 00:14:14,000

Give us a sign of your presence.

200

00:14:14,000 --> 00:14:26,000

I'm kind of feeling like I'm being drawn to, like, this kind of room.

201

00:14:26,000 --> 00:14:28,000

Like, I want to lean this way.

202

00:14:28,000 --> 00:14:31,000

Okay, what did it give to you?

203

00:14:31,000 --> 00:14:38,000

The only thing that I keep getting is the letter A for some reason.

204

00:14:38,000 --> 00:14:40,000

Associated with her?

205

00:14:44,000 --> 00:14:45,000

Humming.

206

00:14:45,000 --> 00:14:47,000

Did you hear that humming?

207

00:14:47,000 --> 00:14:49,000

Yeah.

208

00:14:49,000 --> 00:14:51,000

Yeah, exactly.

209

00:14:51,000 --> 00:14:56,000

Did you guys hear something over, like a humming of a girl?

210

00:14:56,000 --> 00:14:58,000

Three notes is what I heard.

211

00:14:58,000 --> 00:15:00,000

It sounded like a girl was humming over.

212

00:15:02,000 --> 00:15:04,000

Tell us your name.

213

00:15:14,000 --> 00:15:22,000

This is Sergei. In Janice's room we saw a strange light anomaly by the window behind the bed over.

214

00:15:22,000 --> 00:15:24,000

She'll come up with me really quickly.

215

00:15:32,000 --> 00:15:34,000

Who it is?

216

00:15:36,000 --> 00:15:38,000

Move away from me.

217

00:15:45,000 --> 00:15:51,000

Joe, you're going to have to go to sleep at my mom's house for a little while.

218

00:15:55,000 --> 00:15:56,000

Holy hell.

219

00:15:56,000 --> 00:15:58,000

There's stuff going on.

220

00:16:04,000 --> 00:16:07,000

Holy hell, the bed is totally messed up.

221

00:16:08,000 --> 00:16:11,000

It was not like that.

222

00:16:11,000 --> 00:16:17,000

The pillow is disheveled. This is messed up.

223

00:16:17,000 --> 00:16:21,000

There's just, like, four distinct prints.

224

00:16:21,000 --> 00:16:24,000

Her tugs are, like, little pockets.

225

00:16:26,000 --> 00:16:28,000

Before anyone touches, use a thermal cam.

226

00:16:32,000 --> 00:16:33,000

It's still there.

227

00:16:33,000 --> 00:16:36,000

Like, fully solid. It's like there's a hand there.

228

00:16:37,000 --> 00:16:39,000

Did you see that?

229

00:16:43,000 --> 00:16:44,000

Okay.

230

00:16:46,000 --> 00:16:48,000

Your bed's messed up.

231

00:16:48,000 --> 00:16:52,000

Well, I guess the question is, did you do anything to it before we started Dead Time?

232

00:16:52,000 --> 00:16:54,000

No, I didn't. I didn't notice.

233

00:16:54,000 --> 00:16:59,000

I think we've done everything that we can tonight, so we'll wrap up Dead Time now.

234

00:17:08,000 --> 00:17:11,000

Alright, so, Janice's bed.

235

00:17:11,000 --> 00:17:13,000

Video, it's the same.

236

00:17:13,000 --> 00:17:14,000

The entire time?

237

00:17:14,000 --> 00:17:18,000

Yeah. Nothing, like, seemed to have moved the pillow state the same.

238

00:17:18,000 --> 00:17:23,000

A negative on the bed lights that's explainable was coming from outside.

239

00:17:23,000 --> 00:17:30,000

The only one that has it right now is unexplainable is the humming sound, the source of the humming sound.

240

00:17:30,000 --> 00:17:31,000

Did you even find it?

241

00:17:31,000 --> 00:17:34,000

Yeah, but we can actually hear it through the speakers.

242

00:17:38,000 --> 00:17:41,000

Did someone hear something that way?

243

00:17:43,000 --> 00:17:45,000

I heard that.

244

00:17:47,000 --> 00:17:48,000

Hmm.

245

00:17:50,000 --> 00:17:53,000

That's definitely coming from in the house. You hear the echo.

246

00:17:54,000 --> 00:17:56,000

Now I want to hear it with headphones.

247

00:18:00,000 --> 00:18:02,000

Did someone hear something that way?

248

00:18:04,000 --> 00:18:06,000

I heard that.

249

00:18:08,000 --> 00:18:11,000

So we've got a humming spirit.

250

00:18:14,000 --> 00:18:20,000

Well, Chip, they went on talking about, like, supposedly younger spirits sing song voice.

251

00:18:20,000 --> 00:18:22,000

You know what, Chip said that?

252

00:18:22,000 --> 00:18:25,000

Yeah, they're talking a sing-song voice. That's what he said.

253

00:18:28,000 --> 00:18:33,000

Chip's theory that Leanna is a medium could explain some of the paranormal activity that she has experienced,

254

00:18:33,000 --> 00:18:37,000

including the visions of the girl that both she and Chip shared.

255

00:18:37,000 --> 00:18:41,000

I just got in my head, like, kind of, like, just coming into my head, like, oh, something with an A.

256

00:18:41,000 --> 00:18:45,000

But then I couldn't get any more than that. I was like, fine, I'm going to call you Anna then,

257

00:18:45,000 --> 00:18:47,000

because I don't know what it is.

258

00:18:48,000 --> 00:18:50,000

I picked up her name was Amanda.

259

00:18:52,000 --> 00:18:57,000

My main concern is, if Leanna has abilities that have opened doors to the paranormal,

260

00:18:57,000 --> 00:19:00,000

then she needs to learn how to manage them.

261

00:19:01,000 --> 00:19:07,000

The key to managing what's going on in this house to a great extent over a long period of time,

262

00:19:07,000 --> 00:19:09,000

rest on you.

263

00:19:09,000 --> 00:19:16,000

You'll evolve quicker than you're given yourself credit for, so don't kick your own butt too much, Miss Leanna.

264

00:19:16,000 --> 00:19:18,000

Just let it evolve on its own.

265

00:19:18,000 --> 00:19:22,000

You'll be okay. I really do believe you'll be okay if you just learn that balance.

266

00:19:24,000 --> 00:19:28,000

I've also arranged for some family therapy sessions with the local psychologist,

267

00:19:28,000 --> 00:19:32,000

so that Leanna has a solid support system in place.

268

00:19:32,000 --> 00:19:37,000

Okay, I know what it is now, but what am I supposed to do to move on?

269

00:19:37,000 --> 00:19:41,000

It's about knowing yourself. It's not like something can hit you a manual, you know?

270

00:19:41,000 --> 00:19:46,000

There's no boilerplate. The more you have a chance to get to know the different sides of you

271

00:19:46,000 --> 00:19:49,000

and become friends and integrated, there's much less anxiety.

272

00:19:49,000 --> 00:19:53,000

You just feel, there's much more of a true self-anchoring you,

273

00:19:53,000 --> 00:19:57,000

and you'll be much less symptomatic without any kind of medication.

274

00:19:59,000 --> 00:20:06,000

So Leanna, after everything that you were bombarded with, how do you feel about last night?

275

00:20:06,000 --> 00:20:10,000

I feel like I still need time to digest everything, I mean.

276

00:20:10,000 --> 00:20:13,000

I think last night was a real important night for Leanna.

277

00:20:13,000 --> 00:20:19,000

Your gift, do you feel as if that's possible? Do you think that you might have some abilities?

278

00:20:19,000 --> 00:20:22,000

Um, yeah, I think it's possible. It's something that I have to explore.

279

00:20:22,000 --> 00:20:25,000

I'm not just going to let it go without looking into it.

280

00:20:25,000 --> 00:20:29,000

Everyone goes through their own journey of that, you know,

281

00:20:29,000 --> 00:20:35,000

but whenever you're experiencing something negative, especially when you're talking about black mists

282

00:20:35,000 --> 00:20:39,000

and something being intrusive on you, there are things that you can do.

283

00:20:39,000 --> 00:20:42,000

You know, you can bring in positive reinforcements like we were talking about last night.

284

00:20:42,000 --> 00:20:45,000

Your parents are here for you, your boyfriends here, your siblings are here,

285

00:20:45,000 --> 00:20:49,000

and we're always a phone call or email away if you don't want to call, you can email.

286

00:20:49,000 --> 00:20:50,000

Thank you.

287

00:20:50,000 --> 00:20:51,000

No problem.

288

00:20:51,000 --> 00:20:52,000

Oh, it's really nice.

289

00:20:52,000 --> 00:20:53,000

I need a hug.

290

00:20:53,000 --> 00:20:54,000

Thank you.

291

00:20:54,000 --> 00:20:57,000

Final director's log for the Altieri case.

292

00:20:57,000 --> 00:21:02,000

Leanna's reports of the supernatural first raised my suspicions of demonic possession.

293

00:21:02,000 --> 00:21:09,000

However, it now seems more likely that if there is paranormal activity, Leanna might be a sensitive.

294

00:21:09,000 --> 00:21:14,000

For now, the main thing is that she has the support she needs.

295

00:21:24,000 --> 00:21:31,000

Thank you.
