

1

00:00:00,000 --> 00:00:02,000

I

2

00:00:23,320 --> 00:00:25,840

There's something in this house that keeps touching me

3

00:00:26,840 --> 00:00:30,680

He paces here at night. Well, how do you know he's because I can see him

4

00:00:31,320 --> 00:00:37,200

When I found out how afraid she was I was ready to go to war one day. He said help me

5

00:00:37,640 --> 00:00:41,520

There was an accident. He was thrown out the window that is blood from his head

6

00:00:42,160 --> 00:00:48,800

It's time for you to give us your grand entrance. Whoa. I just saw something go into the bathroom.  
I did too

7

00:00:49,320 --> 00:00:51,320

Turn the light on

8

00:00:51,840 --> 00:00:52,960

Oh

9

00:00:52,960 --> 00:00:55,840

My name is Ryan and I'm a paranormal investigator

10

00:00:57,080 --> 00:01:02,800

When I was a kid my experiences with the supernatural terrified me I've been searching for answers ever since

11

00:01:03,320 --> 00:01:07,080

So when I got to Penn State, I realized I wasn't alone in my quest

12

00:01:07,240 --> 00:01:12,200

So I founded the paranormal research society dedicated to helping those who were haunted like I was

13

00:01:12,960 --> 00:01:14,960

We are students

14

00:01:14,960 --> 00:01:16,960

We are seekers

15

00:01:17,600 --> 00:01:19,600

Sometimes we're warriors

16

00:01:19,760 --> 00:01:26,000

It's time we help someone I feel like I'm one step closer to finding the truth. This is paranormal state

17

00:01:29,440 --> 00:01:34,800

This case involves the clients Kelly and Riley Ryan both of whom are retired

18

00:01:35,320 --> 00:01:42,600

They moved up here to Oregon into what they called their dream home soon after Kelly began experiencing paranormal phenomena

19

00:01:43,320 --> 00:01:49,360

And she walked out of the sewing room. She thought she saw a person at first. She thought I was a

streetlight casting a shadow

20

00:01:50,000 --> 00:01:52,000

Now happens on a daily basis

21

00:01:52,480 --> 00:01:57,720

According to Kelly's testimony this shadow man that she sees it's headless

22

00:01:58,800 --> 00:02:01,520

Why on earth would a spirit manifest itself?

23

00:02:02,480 --> 00:02:04,480

But without a head

24

00:02:12,800 --> 00:02:16,280

Hi, you must be Kelly nice to meet you. I'm Ryan

25

00:02:17,360 --> 00:02:21,240

And this is my team Surgey. Hi there. Hi. Hi. Nice to meet you

26

00:02:21,800 --> 00:02:25,480

So the shadow figure has been moving things in your kitchen. Yes

27

00:02:25,720 --> 00:02:30,640

This is also where you threw a canister off the counter on the floor. You saw this. Yes

28

00:02:32,160 --> 00:02:37,160

It's lit across the counter and fell right down on the floor and broke he'll bend pots

29

00:02:37,640 --> 00:02:44,400

It's the one that bent you could drop it from the roof of the second story up here on the concrete that isn't gonna bend

30

00:02:45,440 --> 00:02:47,440

This is the bathroom that

31

00:02:48,040 --> 00:02:52,760

When I used to take a shower down here, I always felt like somebody was in the room watching

32

00:02:53,280 --> 00:02:56,800

So I quit showering down here and just I do everything upstairs

33

00:02:57,600 --> 00:03:02,880

The last night that I cleaned it at night the door slammed shut and I just couldn't get out fast enough

34

00:03:03,200 --> 00:03:05,200

And it was terrifying

35

00:03:05,480 --> 00:03:11,600

And we can see the shadow going over through this glass that's where the laundry room is so he actually walks

36

00:03:12,280 --> 00:03:17,840

Pretty well along here and he paces here at night. Well, how do you know he's because I can see him

37

00:03:19,840 --> 00:03:25,240

The man that I see I see his entire body with no head the entire time you see him

38

00:03:25,240 --> 00:03:27,960

He's never had a head no head. He's never had a head

39

00:03:29,920 --> 00:03:34,560

At first I thought it was her imagination and I started seeing the canister fly

40

00:03:35,200 --> 00:03:39,600

And I've seen some dark shadows out of the corner of my eyes. I knew there was something

41

00:03:40,880 --> 00:03:47,520

So do you think maybe he was trying to get your attention very much so and now that he's got your attention he's

42

00:03:48,280 --> 00:03:49,440

talking

43

00:03:49,440 --> 00:03:52,280

One day he said help me. I

44

00:03:53,080 --> 00:03:55,860

Just froze. He's never said anything else

45

00:03:57,000 --> 00:03:58,920

Yes, he

46

00:03:58,920 --> 00:04:02,720

He said things that I could never understand what he was saying because it would sound like

47

00:04:03,240 --> 00:04:07,960

Chim chim chim but it's in a whisper so it was hard to

48

00:04:09,240 --> 00:04:12,120

Understand and when did this happen? I?

49

00:04:12,840 --> 00:04:15,760

Would say to happen probably a month ago really

50

00:04:16,800 --> 00:04:23,800

Has she ever talked to you about you know, I guess being sensitive or being intuitive or yeah

51

00:04:23,800 --> 00:04:29,520

I knew that she was and I knew that she was sensitive enough to give very accurate readings

52

00:04:30,280 --> 00:04:33,080

There's something about him

53

00:04:34,280 --> 00:04:36,280

That seems threatening

54

00:04:36,520 --> 00:04:41,080

If he doesn't get what he wants, he's perfectly capable of doing mean things

55

00:04:41,080 --> 00:04:46,880

I can feel like I can't breathe even though I don't feel hands on me. I feel like I'm

56

00:04:47,360 --> 00:04:49,360

Nearly being strangled

57

00:04:49,400 --> 00:04:51,900

My husband gets bruises on his arms

58

00:04:52,560 --> 00:04:54,560

Here and here like

59

00:04:54,600 --> 00:04:56,040

finger

60

00:04:56,040 --> 00:04:57,280

marks

61

00:04:57,280 --> 00:05:01,360

When I found out how afraid she was I was ready to go to war really yeah

62

00:05:01,360 --> 00:05:05,640

I was I had no idea that she was as afraid of this thing as she was

63

00:05:06,640 --> 00:05:10,320

This is an every day seven days a week

64

00:05:11,840 --> 00:05:13,840

Unrelenting

65

00:05:13,960 --> 00:05:15,460

Condition

66

00:05:15,460 --> 00:05:21,480

It gets to a point where he isn't living in our house anymore. We're living in his

67

00:05:23,000 --> 00:05:24,720

Director's log

68

00:05:24,760 --> 00:05:27,600

Spears are known to feed off certain energies in a home

69

00:05:28,000 --> 00:05:34,400

So I've invited Michelle Boulanger a paranormal researcher who specializes in energy work to join our investigation

70

00:05:34,560 --> 00:05:37,440

Once you explain a little bit about what you're going to be trying to do

71

00:05:37,560 --> 00:05:44,520

What Elphi and I are going to do is to gather energy of our own and then to work with one another in order to fill that room

72

00:05:44,520 --> 00:05:46,520

we're going to actually give it something to work with

73

00:05:46,880 --> 00:05:48,880

in the hopes of

74

00:05:49,200 --> 00:05:54,500

Helping it manifest powerful enough for for something of our gadgetry to pick it up

75

00:05:55,040 --> 00:05:57,040

I

76

00:05:58,680 --> 00:06:00,360

For dead time

77

00:06:00,360 --> 00:06:06,640

Elphi and Michelle will attempt to conjure the alleged spirit in the living room while Heather monitors the bathroom alone

78

00:06:07,120 --> 00:06:09,120

Heather that time has begun

79

00:06:10,040 --> 00:06:11,400

Okay

80

00:06:11,400 --> 00:06:16,240

Michelle and Elphi I'm gonna be trying to communicate with the spirit while you're doing this go right ahead

81

00:06:19,000 --> 00:06:22,280

I'm speaking to the man in this house

82

00:06:25,520 --> 00:06:27,680

The man who watches I

83

00:06:30,360 --> 00:06:33,080

Invite you to communicate with us

84

00:06:34,960 --> 00:06:36,960

I'm gonna ask a series of questions

85

00:06:37,480 --> 00:06:40,800

You may knock once for yes or twice

86

00:06:41,440 --> 00:06:46,700

For no if you'd like or you can answer if you're able to speak use the energy

87

00:06:47,360 --> 00:06:50,400

That Michelle and Elphi across from you are giving

88

00:06:51,760 --> 00:06:53,760

What do you need help with?

89

00:06:55,240 --> 00:06:57,240

Did you live in this house?

90

00:07:05,080 --> 00:07:07,240

Was that you that made that banging sound

91

00:07:08,520 --> 00:07:14,120

Hey, sir, is there anything around headquarters that would account for any kind of tapping sound?

92

00:07:17,800 --> 00:07:19,800

Negative Josh

93

00:07:20,400 --> 00:07:30,280

You've asked for help you want attention we're giving it to you now give us something in return

94

00:07:32,360 --> 00:07:35,040

Did you just feel what we're doing like just get cold again

95

00:07:36,720 --> 00:07:38,720

What's wrong with shell?

96

00:07:50,240 --> 00:07:56,480

It's time for you to give us your grand entrance

97

00:08:00,360 --> 00:08:04,920

If you don't feel comfortable giving us a sign because there are so many people

98

00:08:05,800 --> 00:08:08,960

Then we have someone in the bathroom right over there

99

00:08:20,800 --> 00:08:23,960

Heather yeah, what did you feel?

100

00:08:25,120 --> 00:08:28,760

Leaning on the sink with my arms straight and I thought something like

101

00:08:33,280 --> 00:08:36,200

Did you feel like something touched you about yeah

102

00:08:37,200 --> 00:08:39,200

I

103

00:08:47,520 --> 00:08:49,520

Was probably right about

104

00:08:49,680 --> 00:08:52,480

Here and I'm just leaning and I had my arms straight

105

00:08:52,480 --> 00:08:57,640

And I was I felt something like touch my elbow enough to like bend it you really think it was something that touched you

106

00:08:57,640 --> 00:08:59,640

Yeah, like paranormal. Yeah

107

00:09:06,520 --> 00:09:10,080

So have I told you anything about this case you've told me nothing about this case

108

00:09:24,040 --> 00:09:30,240

What is this room is this just like a guest room yep, I would not stay in this room I

109

00:09:30,720 --> 00:09:37,400

Would not stay in this room I would feel watched all the time out this window

110

00:09:40,720 --> 00:09:44,000

He said you saw a walking over there right walking

111

00:09:45,600 --> 00:09:52,520

This direction and back so it goes up and down this little yes corner this little alley yes

112

00:09:56,280 --> 00:09:58,080

Wow

113

00:09:58,160 --> 00:10:05,560

There's something in this house that keeps touching me. I'm sorry. It's like I'm feeling the energy on the back of my neck and my hair

114

00:10:08,280 --> 00:10:10,280

Weird very weird

115

00:10:12,360 --> 00:10:17,720

Was the history of this property picking up on anybody who's associated with the history of this property

116

00:10:22,680 --> 00:10:26,920

The only thing when I focus on on that and I don't know the validity of what I'm about to tell you

117

00:10:27,040 --> 00:10:29,040

But I'm either getting an M or a double you

118

00:10:30,840 --> 00:10:32,840

It's two double use

119

00:10:33,960 --> 00:10:40,640

Directors log the deeds are in this order search for the previous owners yielded only one name that match ships reading

120

00:10:41,360 --> 00:10:42,960

William Wells

121

00:10:42,960 --> 00:10:45,320

Who died under tragic circumstances?

122

00:10:46,560 --> 00:10:48,560

These are our car files

123

00:10:48,920 --> 00:10:50,920

I

124

00:10:55,040 --> 00:10:58,200

There it is that's the accident the Wells accidents

125

00:10:59,240 --> 00:11:02,080

Wells was the passenger and the vehicle was driven by Jim

126

00:11:02,720 --> 00:11:05,200

they were coming down the road after a hunting trip and

127

00:11:06,040 --> 00:11:12,320

The vehicle left the road rolling over and came to a rest on its back 66 feet down below the road

128

00:11:12,400 --> 00:11:18,720

They were headed down from the camp back down towards town

129

00:11:19,240 --> 00:11:23,480

They came around the curve and still are making it. They went straight off

130

00:11:25,560 --> 00:11:30,400

Was Bill found dead on site, but was he still alive? No

131

00:11:31,200 --> 00:11:36,440

When I checked Bill's pulse that night he was there was not hit. He was dead

132

00:11:38,240 --> 00:11:42,000

How many passengers were in the car as far as I know there was only two

133

00:11:43,320 --> 00:11:45,800

So how is it that one died and one survived?

134

00:11:46,520 --> 00:11:50,520

It's a miracle that both of them weren't killed period

135

00:11:52,040 --> 00:11:56,240

So you think that was like his head coming out of the vehicle. It's not a handprint

136

00:11:58,360 --> 00:11:59,920

We had to go down

137

00:11:59,920 --> 00:12:06,040

Like say good 65 feet and you see where the bumper gouged into the tree tearing chunks off

138

00:12:06,040 --> 00:12:10,000

And so what they just lost control of the vehicle they come around and smooth gravel

139

00:12:10,000 --> 00:12:12,240

And then they just shot right straight off over the hill

140

00:12:13,760 --> 00:12:20,880

Okay, the other the driver was Jim able to walk anything like that. Oh, yeah, he walked out in his

own Wow

141

00:12:26,040 --> 00:12:32,400

The creepy thing about it is in the police report Jim basically ended up with Bill's head in his lap

142

00:12:32,920 --> 00:12:37,320

As Bill lay dying at some point when the car was going end over end

143

00:12:37,680 --> 00:12:45,040

Bill's head ended up outside of that window just long enough to get crushed in one of the rolls down the hill

144

00:12:45,560 --> 00:12:49,800

So he was thrown out the window that is blood from his head. No, is that what the police report?

145

00:12:49,800 --> 00:12:52,120

Yes, severe head trauma is what killed him

146

00:12:53,880 --> 00:12:57,120

There is a history to some of the former owners of this house

147

00:12:57,680 --> 00:13:02,000

One of the former owners was named bill wells. There was an accident

148

00:13:02,560 --> 00:13:04,560

Bill was pronounced dead

149

00:13:04,920 --> 00:13:06,920

Somehow the driver Jim

150

00:13:07,880 --> 00:13:11,880

That's who he's asking because it would sound like Jim Jim

151

00:13:12,920 --> 00:13:17,920

And I I really couldn't understand what it sounds like is Jim. Yes, I

152

00:13:18,960 --> 00:13:20,960

Couldn't have known that

153

00:13:21,200 --> 00:13:27,440

It's a person I don't know and I couldn't know these things about these people

154

00:13:31,440 --> 00:13:33,920

Could you tell me if he had any kind of a head injury

155

00:13:34,920 --> 00:13:36,920

Yes

156

00:13:38,760 --> 00:13:40,760

My ghost has no head

157

00:13:42,120 --> 00:13:48,160

And I think this is him you're thinking that the spirit here is Bill I believe it is

158

00:13:50,600 --> 00:13:54,800

Because Kelly claims she's a sensitive and has communicated with Bill's beer in the past

159

00:13:55,120 --> 00:13:59,240

I've invited her to join ship Michelle and me as we try to contact him

160

00:13:59,840 --> 00:14:03,120

I'm speaking to the man in this house

161

00:14:05,080 --> 00:14:07,760

What is your purpose here?

162

00:14:13,320 --> 00:14:15,440

Is your name bill wells

163

00:14:22,920 --> 00:14:28,640

You heard that too right? Mm-hmm. Is there anyone out there because I was hearing movement in the kitchen

164

00:14:31,720 --> 00:14:33,720

Negative on that

165

00:14:34,760 --> 00:14:41,200

We're getting movement in the kitchen again if your name is bill wells

166

00:14:42,280 --> 00:14:45,400

You have every opportunity to communicate with us

167

00:15:15,240 --> 00:15:17,240

Not even deeper

172

00:15:21,840 --> 00:15:23,840

I heard it again

173

00:15:24,360 --> 00:15:30,960

If your name is bill wells and you have a message whoa

174

00:15:32,120 --> 00:15:34,680

You just had a like oh shoot down this hallway

175

00:15:35,440 --> 00:15:40,840

He saw I'm out of the corner of his eye and I could see it, but he lurks in the hallway

176

00:15:42,120 --> 00:15:49,200

You've got some weird going on in this hallway. I just saw shadow stuff. Yeah. Yeah, I just saw some go into the bathroom

177

00:15:49,840 --> 00:15:50,960

180

00:16:12,120 --> 00:16:16,200

He's getting mad he doesn't like this he's pissed

181

00:16:21,960 --> 00:16:23,960

Oh

182

00:16:24,320 --> 00:16:26,320

What is that?

183

00:16:30,880 --> 00:16:39,280

There's something very very cold colder by 10 degrees on the bed turn the light on

184

00:16:39,400 --> 00:16:41,400

Wow

185

00:16:49,480 --> 00:16:51,480

There's something

186

00:16:51,680 --> 00:16:56,040

Very very cold colder by 10 degrees on the bed

187

00:16:57,080 --> 00:16:59,080

Turn the light on

188

00:16:59,200 --> 00:17:03,040

Wow, I saw the human outline. I did too

189

00:17:03,640 --> 00:17:06,120

There was this huge trying to communicate with us

190

00:17:07,120 --> 00:17:14,440

191

00:17:17,320 --> 00:17:22,840

So what's your message do you want us to contact Jim

192

00:17:26,080 --> 00:17:30,080

I can speak and you know you can you've spoken to me enough here

193

00:17:30,080 --> 00:17:31,240

I

194

00:17:31,240 --> 00:17:33,480

think that what needs to be done now is

195

00:17:34,480 --> 00:17:38,840

You reclaiming your house with all your energy in you

196

00:17:43,600 --> 00:17:46,160

But she just go in she's down at the end of the hallway

197

00:17:48,080 --> 00:17:52,360

Bill is that you what do you need?

198

00:17:56,560 --> 00:17:59,960

He's talking started talking

199

00:18:00,720 --> 00:18:02,720

He wants something

200

00:18:03,600 --> 00:18:05,600

Anything else

201

00:18:07,520 --> 00:18:14,600

He wants his friend he wants his friend he wants his friend to know that he loves him

202

00:18:15,880 --> 00:18:18,920

And that he wants him to be happy

203

00:18:22,920 --> 00:18:24,920

I'll make a deal with you

204

00:18:25,800 --> 00:18:27,800

leave this place and

205

00:18:28,480 --> 00:18:30,480

I will help you

206

00:18:30,480 --> 00:18:34,240

Deliver your message to your best friend leave me alone

207

00:18:34,440 --> 00:18:40,800

You have my word leave this place that I will help you. This is my house. You don't belong here

208

00:18:43,040 --> 00:18:46,760

It's okay, it's all right and you can go

209

00:18:47,120 --> 00:18:49,120

You

210

00:18:54,680 --> 00:18:59,400

Gotta listen and tell me when you hear it. It should be about the right time

211

00:19:00,840 --> 00:19:04,120

You got our attention now keep our attention

212

00:19:08,280 --> 00:19:12,760

There it is again, they just say there it is again mm-hmm

213

00:19:13,760 --> 00:19:15,760

But that's not what I heard

214

00:19:16,000 --> 00:19:18,920

In the head that's not what I heard, but it's distorted. Yeah, right

215

00:19:18,920 --> 00:19:23,160

But you notice how it's all clear and then it gets distorted and then becomes clear again

216

00:19:24,440 --> 00:19:27,320

What I heard was a deep male voice go

217

00:19:28,000 --> 00:19:31,040

Mm-hmm, and it really affirmed that I was hearing something

218

00:19:31,720 --> 00:19:36,040

And that's when you got the distortion that then you have you have at least a phenomenon

219

00:19:36,600 --> 00:19:40,880

You have a phenomenon. It's not the phenomenon we want but another one, but you've recorded something

220

00:19:42,760 --> 00:19:44,760

You

221

00:19:46,240 --> 00:19:48,720

When I came downstairs this morning

222

00:19:48,720 --> 00:19:56,880

I came downstairs not thinking about anything not dreading anything and making the coffee and getting the tea and just all happy again

223

00:19:57,400 --> 00:20:01,760

And when Riley walked down the stairs, I'm going it's gone. It's just it's all gone

224

00:20:02,120 --> 00:20:04,760

Do you think it was the confrontation you had last night?

225

00:20:04,880 --> 00:20:10,400

It made all the difference in the world just saying you can't do this anymore go away

226

00:20:11,320 --> 00:20:13,320

And I'm just

227

00:20:13,440 --> 00:20:16,720

happy like I I got me back and

228

00:20:17,880 --> 00:20:20,680

You got me a house too. How do you feel Riley?

229

00:20:20,720 --> 00:20:24,640

I'm very happy to have my wife back to being happy like she used to be

230

00:20:25,160 --> 00:20:27,400

When there was no one to help

231

00:20:28,280 --> 00:20:35,360

We made a call and it was answered and it's just like you're all angels who came and helped us

232

00:20:36,200 --> 00:20:38,200

And I can't thank you enough

233

00:20:38,200 --> 00:20:41,280

Well, that means a lot to me Kelly. I really appreciate that

234

00:20:42,640 --> 00:20:47,320

Final directors log our investigation validates most of Kelly's experiences

235

00:20:48,240 --> 00:20:53,360

Having received a clear message from Bill Wells. She's decided to write a letter to his friend Jim

236

00:21:00,720 --> 00:21:06,120

We may never know for sure whether Jim receives the letter or what impact it might have on him

237

00:21:07,000 --> 00:21:09,360

Kelly thank you so much. We're gonna head out

238

00:21:10,440 --> 00:21:14,920

Enjoy your new home. Thank you Riley Ryan. Thank you

239

00:21:15,520 --> 00:21:21,120

But for Kelly her job is done and now maybe Bill can rest in peace

240

00:21:36,120 --> 00:21:39,120

You
