

1

00:00:00,000 --> 00:00:28,720

We've had thousands of people come here because it's like paranormal central.

2

00:00:30,720 --> 00:00:34,720

From behind the one set of pine trees came this huge thing in the sky.

3

00:00:36,240 --> 00:00:37,120

What the hell was that?

4

00:00:39,200 --> 00:00:41,760

I experienced this and I'm not the only one.

5

00:00:43,280 --> 00:00:44,480

God, what is that?

6

00:00:45,600 --> 00:00:46,320

Are you serious?

7

00:00:46,960 --> 00:00:47,520

Look at that.

8

00:00:47,520 --> 00:00:48,480

What's that noise?

9

00:00:48,480 --> 00:00:48,880

Power up.

10

00:00:48,880 --> 00:00:49,120

Get it.

11

00:00:49,120 --> 00:00:50,640

Holy s***.

12

00:00:50,640 --> 00:00:51,200

I'm scared.

13

00:00:51,840 --> 00:00:54,480

My name is Ryan and I'm a paranormal investigator.

14

00:00:55,920 --> 00:00:59,520

When I was a kid, my experiences with the supernatural terrified me.

15

00:00:59,600 --> 00:01:01,440

I've been searching for answers ever since.

16

00:01:02,160 --> 00:01:06,080

So when I got to Penn State, I realized I wasn't alone in my quest.

17

00:01:06,080 --> 00:01:08,480

So I founded the Paranormal Research Society,

18

00:01:08,480 --> 00:01:10,800

dedicated to helping those who were haunted like I was.

19

00:01:11,840 --> 00:01:12,640

We are students.

20

00:01:13,840 --> 00:01:14,640

We are seekers.

21

00:01:16,080 --> 00:01:17,600

And sometimes we're warriors.

22

00:01:18,160 --> 00:01:22,880

And each time we help someone, I feel like I'm one step closer to finding the truth.

23

00:01:22,880 --> 00:01:24,640

This is paranormal state.

24

00:01:24,800 --> 00:01:30,720

We're at a place called Gilliland's Ranch.

25

00:01:30,720 --> 00:01:32,400

It's owned by James Gilliland.

26

00:01:33,040 --> 00:01:36,240

And this ranch is known for being a hotbed for UFO activity.

27

00:01:36,880 --> 00:01:40,320

This is a case that I was told about by Dave Schrader,

28

00:01:40,320 --> 00:01:41,840

who's a paranormal radio host.

29

00:01:43,040 --> 00:01:44,800

I've known Dave for a while.

30

00:01:44,800 --> 00:01:49,600

When he told me what he experienced here, I think he was shaken up about it.

31

00:01:49,600 --> 00:01:51,760

And it's not just the UFO sightings.

32

00:01:52,480 --> 00:01:54,240

We're talking about creatures in the woods.

33

00:01:54,640 --> 00:01:57,200

Sasquatch, things like that.

34

00:01:57,200 --> 00:02:01,200

People from all over the world have come here to try to debunk what's going on here.

35

00:02:01,200 --> 00:02:04,000

And they can't find any explanation for what they see.

36

00:02:04,720 --> 00:02:08,480

It's not just something happening at James Gilliland's Ranch,

37

00:02:08,480 --> 00:02:12,480

but if there is something happening at his ranch, what does this mean?

38

00:02:13,520 --> 00:02:15,600

Everyone wants to know if we're alone.

39

00:02:15,600 --> 00:02:18,960

And I'm hoping here, over these next few days, we can find the answers.

40

00:02:19,600 --> 00:02:23,440

This isn't just like a haunted house down some street that affects a family.

41

00:02:23,440 --> 00:02:26,000

This is of interest to everybody on Earth.

42

00:02:39,520 --> 00:02:41,520

Hi James, I'm Ryan. Nice to meet you.

43

00:02:42,560 --> 00:02:46,000

So I guess if you wouldn't mind just giving us a tour of some of the hot spots.

44

00:02:46,000 --> 00:02:46,480

Definitely.

45

00:02:48,640 --> 00:02:52,560

This is like the field of dreams, we call it, because it's like paranormal central.

46

00:02:53,280 --> 00:02:55,600

The ships are engaging us here, they know we're here.

47

00:02:56,240 --> 00:02:58,720

So when they come in, they power up and they let us see them.

48

00:02:58,720 --> 00:03:00,240

They make their presence known.

49

00:03:00,960 --> 00:03:05,200

You'll see on your cameras a lot of paranormal activity here in this field.

50

00:03:05,200 --> 00:03:06,320

A lot of things happen here.

51

00:03:07,440 --> 00:03:09,360

So you have guests to stay here regularly?

52

00:03:09,360 --> 00:03:10,880

Yeah, yeah, on a regular basis.

53

00:03:10,880 --> 00:03:15,680

We've had thousands of people come here from skeptics to very sincere scientists

54

00:03:15,680 --> 00:03:18,880

that are real dedicated, you know, that want to document the experience.

55

00:03:18,880 --> 00:03:22,800

So we've had Air Force Base Commanders come here.

56

00:03:22,800 --> 00:03:26,480

We had triple PhD Boeing engineers, Skunk Works people.

57

00:03:26,480 --> 00:03:27,040

Really?

58

00:03:27,040 --> 00:03:31,680

They came on record and said, look, we saw the ships, they're here and they're not ours.

59

00:03:31,680 --> 00:03:34,000

You know, they said, we don't know who is there, but they're not ours.

60

00:03:36,480 --> 00:03:40,240

How did you hear about this ranch and like what made you decide to go?

61

00:03:40,240 --> 00:03:44,000

Well, hosting the radio show, Darkness Radio, somebody was telling me you got to talk to this guy

62

00:03:44,000 --> 00:03:46,960

about UFOs. He's got a lot of activity over his property.

63

00:03:47,200 --> 00:03:49,040

To be truthful, I thought he was kind of nuts.

64

00:03:49,040 --> 00:03:51,760

You know, I mean, oh yeah, there's UFOs here all the time.

65

00:03:51,760 --> 00:03:55,840

So I came up and I said, hey, James Dave from Darkness Radio, show me what you got.

66

00:03:55,840 --> 00:03:59,920

And going on two years later, I still haven't been able to wrap my head around what I saw.

67

00:04:03,600 --> 00:04:05,600

I've had several experiences.

68

00:04:06,240 --> 00:04:10,800

When I lived here years ago, I went to bed one night and looked out the window.

69

00:04:11,520 --> 00:04:15,200

And I saw what I presumed to be a shooting star and it came down.

70

00:04:15,840 --> 00:04:19,280

And then on all of a sudden, it shot straight up and out.

71

00:04:20,800 --> 00:04:24,000

It looked like a star, like a satellite moving across the sky.

72

00:04:24,000 --> 00:04:28,000

And then it just got, I'd say, at least 10 times bigger and brighter.

73

00:04:28,560 --> 00:04:29,680

And then just changed.

74

00:04:29,680 --> 00:04:30,640

The direction then shot off.

75

00:04:32,560 --> 00:04:36,080

The way it moved, it wasn't in a straight line like satellites.

76

00:04:36,080 --> 00:04:41,680

And then when it was hit with the laser, the way that it responded, it was almost like

77

00:04:41,680 --> 00:04:43,040

saying, yeah, I'm here.

78

00:04:43,040 --> 00:04:43,600

It grew.

79

00:04:43,600 --> 00:04:48,160

It went from like a size of a grain of rice to like the size of a dime.

80

00:04:49,040 --> 00:04:52,400

And I experienced this and I'm not the only one.

81

00:04:53,040 --> 00:04:58,080

So you would say that the experience you had here at the ranch sort of made you more of a believer?

82

00:04:58,960 --> 00:05:00,320

It does change your life.

83

00:05:00,320 --> 00:05:01,120

It really does.

84

00:05:02,880 --> 00:05:07,040

There were things in the sky flying that would signal back to James when he would flash his

85

00:05:07,040 --> 00:05:08,000

light at them.

86

00:05:08,000 --> 00:05:12,640

And then the part that really got me, it was from behind the one set of pine trees

87

00:05:12,640 --> 00:05:15,200

came this huge thing in the sky.

88

00:05:15,200 --> 00:05:15,840

It was flying.

89

00:05:15,840 --> 00:05:19,120

It was like a, I mean, from 200 yards, it was about this big.

90

00:05:19,120 --> 00:05:25,200

So it had to be about human size fluttered and flew through the sky right behind the trees.

91

00:05:26,240 --> 00:05:28,240

You grew up being told this is fantasy.

92

00:05:28,240 --> 00:05:30,720

And when you see it yourself, it really shakes you.

93

00:05:32,560 --> 00:05:37,280

Directors log, if the witness testimony is accurate, we could be dealing with multiple

94

00:05:37,360 --> 00:05:42,480

paranormal phenomena on this ranch, including creatures in the woods and possible alien

95

00:05:42,480 --> 00:05:43,760

spacecraft.

96

00:05:43,760 --> 00:05:46,880

So I'll be splitting my team up to explore the grounds later tonight.

97

00:05:49,440 --> 00:05:51,760

We got cameras man on all sides.

98

00:05:51,760 --> 00:05:52,000

Right.

99

00:05:52,960 --> 00:05:54,480

So we have three cameras?

100

00:05:54,480 --> 00:05:55,200

So far.

101

00:05:55,200 --> 00:05:59,520

And essentially what's great about it is that we can take these cameras and run if we need to.

102

00:05:59,520 --> 00:05:59,840

Yeah.

103

00:05:59,840 --> 00:06:02,800

As in like if we're driving out and we see something we need to be mobile,

104

00:06:03,360 --> 00:06:04,800

the truck can't get us to.

105

00:06:05,680 --> 00:06:06,400

Pop right off.

106

00:06:06,400 --> 00:06:06,880

Pop off.

107

00:06:07,280 --> 00:06:07,760

There you go.

108

00:06:10,160 --> 00:06:12,240

All right, guys, you'll obviously remember Chad.

109

00:06:12,240 --> 00:06:16,080

I don't really need to introduce him, but he is one of our tech specialists who's coming in and

110

00:06:16,080 --> 00:06:18,320

he's going to help us look for this creature.

111

00:06:18,320 --> 00:06:21,040

Dave Schrader, he's the reason why we're out here right now.

112

00:06:21,040 --> 00:06:26,960

So he's going to kind of tag along a little bit and see if we can experience what he experiences.

113

00:06:38,240 --> 00:06:40,160

Let's do this.

114

00:06:41,520 --> 00:06:44,400

All right, we have to walk through this space.

115

00:06:45,840 --> 00:06:47,280

Do you want to head like this way?

116

00:06:47,280 --> 00:06:47,520

Sure.

117

00:06:49,840 --> 00:06:50,880

Hey, this is PRS.

118

00:06:50,880 --> 00:06:52,560

Just let us know if you see something over.

119

00:06:56,320 --> 00:06:57,040

You all right?

120

00:06:57,040 --> 00:06:57,840

You have the spotlight.

121

00:06:57,840 --> 00:06:58,480

You guys see that?

122

00:07:00,000 --> 00:07:01,600

That's something right up in here.

123

00:07:01,600 --> 00:07:02,400

I see it moving.

124

00:07:02,400 --> 00:07:02,800

That one.

125

00:07:02,800 --> 00:07:03,200

Holy.

126

00:07:04,240 --> 00:07:06,160

Hey Josh, do you think it's a satellite?

127

00:07:06,160 --> 00:07:08,000

I checked the satellite feed.

128

00:07:08,000 --> 00:07:09,280

Nothing till 1040.

129

00:07:09,280 --> 00:07:09,840

Really?

130

00:07:09,840 --> 00:07:10,160

Yeah.

131

00:07:11,920 --> 00:07:12,640

Hello.

132

00:07:12,640 --> 00:07:16,240

So guys, just for your 20, if you flash your lights.

133

00:07:17,360 --> 00:07:17,760

Oh.

134

00:07:22,960 --> 00:07:23,680

Did you see that?

135

00:07:25,280 --> 00:07:26,000

Yeah, we're good.

136

00:07:26,000 --> 00:07:26,320

Okay.

137

00:07:27,840 --> 00:07:28,560

Hey, there we go.

138

00:07:28,560 --> 00:07:28,880

Right up here.

139

00:07:28,880 --> 00:07:29,680

We got one moving.

140

00:07:29,680 --> 00:07:30,240

Right up here.

141

00:07:31,760 --> 00:07:32,640

Right there.

142

00:07:32,640 --> 00:07:33,120

You got it?

143

00:07:33,120 --> 00:07:33,840

Yes, sir.

144

00:07:34,480 --> 00:07:34,720

Whoa.

145

00:07:35,600 --> 00:07:37,280

That thing's cruising, bro.

146

00:07:37,280 --> 00:07:39,040

It's going between two stars right now.

147

00:07:42,640 --> 00:07:43,840

What the hell was that?

148

00:07:43,840 --> 00:07:44,080

What?

149

00:07:44,640 --> 00:07:45,760

What the hell was that?

150

00:07:45,760 --> 00:07:46,560

In the woods?

151

00:07:46,560 --> 00:07:46,800

Yeah.

152

00:07:47,520 --> 00:07:48,400

It was a body.

153

00:07:48,400 --> 00:07:48,960

Point me.

154

00:07:48,960 --> 00:07:49,600

A body.

155

00:07:49,600 --> 00:07:51,120

It went right behind the trees.

156

00:07:51,680 --> 00:07:52,400

Are you serious?

157

00:07:53,200 --> 00:07:54,000

Yes.

158

00:07:54,000 --> 00:07:54,960

You want to go check it out?

159

00:07:58,480 --> 00:07:59,920

Elfie and Heather, come in over.

160

00:08:00,880 --> 00:08:01,120

Yes.

161

00:08:02,240 --> 00:08:03,200

What's your position?

162

00:08:04,000 --> 00:08:06,240

We are way back through the woods.

163

00:08:06,880 --> 00:08:07,520

Be careful.

164

00:08:07,520 --> 00:08:09,200

I saw something go into the woods.

165

00:08:09,200 --> 00:08:09,520

Over.

166

00:08:11,440 --> 00:08:12,080

What was it?

167

00:08:12,960 --> 00:08:13,360

I don't know.

168

00:08:13,360 --> 00:08:14,560

I saw it with my own eyes.

169

00:08:14,560 --> 00:08:15,840

It was pretty big.

170

00:08:15,840 --> 00:08:17,360

I have no idea where it is now.

171

00:08:17,360 --> 00:08:19,040

It literally went through the tree

172

00:08:19,040 --> 00:08:19,760

and then it was gone.

173

00:08:19,760 --> 00:08:20,640

I lost sight of it.

174

00:08:20,640 --> 00:08:21,840

Which direction?

175

00:08:21,840 --> 00:08:22,720

Toward where we're at.

176

00:08:23,520 --> 00:08:25,040

Then let's head back that way.

177

00:08:25,040 --> 00:08:26,880

You want to head toward whatever just came into the woods?

178

00:08:26,880 --> 00:08:27,360

What?

179

00:08:27,360 --> 00:08:29,040

Dude, that's what we're looking for.

180

00:08:29,920 --> 00:08:30,880

God, what was that?

181

00:08:31,200 --> 00:08:33,120

There's a place around the back here I noticed.

182

00:08:33,120 --> 00:08:33,680

All right.

183

00:08:34,480 --> 00:08:35,600

Right back here.

184

00:08:35,600 --> 00:08:36,800

Let's go in the damn thing.

185

00:08:36,800 --> 00:08:38,400

What the f*** is this?

186

00:08:38,400 --> 00:08:39,600

I don't know.

187

00:08:40,400 --> 00:08:41,680

It's kind of an odd place.

188

00:08:44,000 --> 00:08:44,960

This is almost like...

189

00:08:44,960 --> 00:08:46,000

Like a den?

190

00:08:46,000 --> 00:08:48,080

Yeah, like a dinner, nest type thing.

191

00:08:48,080 --> 00:08:48,720

Yes.

192

00:08:51,120 --> 00:08:51,840

What's that noise?

193

00:08:52,880 --> 00:08:54,080

Sounds like it's not moving.

194

00:08:55,200 --> 00:08:56,080

What is that?

195

00:08:56,080 --> 00:08:56,800

Whoa.

196

00:08:56,800 --> 00:08:57,600

I didn't notice that.

197

00:08:57,600 --> 00:08:58,400

Hear that?

198

00:08:58,400 --> 00:08:58,800

What?

199

00:08:58,800 --> 00:09:00,240

That's a little bit of a noise.

200

00:09:00,720 --> 00:09:03,360

It was like branches like cracked or pushed or something.

201

00:09:03,360 --> 00:09:05,120

Girls, just wherever you are, just be on the look.

202

00:09:05,920 --> 00:09:06,880

Can you hear me? Over.

203

00:09:06,880 --> 00:09:07,600

What the heck is that?

204

00:09:08,720 --> 00:09:10,320

It sounds like someone's swashing around.

205

00:09:11,040 --> 00:09:12,480

Alfie, Heather, come in. Over.

206

00:09:13,040 --> 00:09:13,840

Oh, f***.

207

00:09:13,840 --> 00:09:14,800

Are you serious?

208

00:09:14,800 --> 00:09:15,520

What?

209

00:09:15,520 --> 00:09:16,000

Where are they at?

210

00:09:16,000 --> 00:09:17,120

They just lost power to everything.

211

00:09:19,760 --> 00:09:20,960

Can you try and light on?

212

00:09:22,880 --> 00:09:23,680

Oh my God.

213

00:09:23,680 --> 00:09:24,400

What the heck is that?

214

00:09:25,280 --> 00:09:26,640

Alf, get your knife out.

215

00:09:26,640 --> 00:09:28,080

Alfie, Heather, come in. Over.

216

00:09:28,400 --> 00:09:29,120

I'm scared.

217

00:09:30,320 --> 00:09:32,320

Alfie, Heather, come in. Over.

218

00:09:34,320 --> 00:09:36,080

Alfie, Heather, come in. Over.

219

00:09:36,080 --> 00:09:37,120

Oh, f***.

220

00:09:37,120 --> 00:09:38,240

Are you serious?

221

00:09:38,240 --> 00:09:38,960

What?

222

00:09:38,960 --> 00:09:39,840

Where are they at?

223

00:09:39,840 --> 00:09:41,200

They just lost power to everything.

224

00:09:43,360 --> 00:09:44,880

Can you try and light on?

225

00:09:46,080 --> 00:09:46,960

Oh my God.

226

00:09:46,960 --> 00:09:48,000

What the heck is that?

227

00:09:48,640 --> 00:09:49,840

Alf, get your knife out.

228

00:09:49,840 --> 00:09:51,440

Alfie, Heather, come in. Over.

229

00:09:52,720 --> 00:09:53,760

I'm scared.

230

00:09:54,960 --> 00:09:56,160

Alfie, Heather, come in.

231

00:09:56,160 --> 00:09:57,360

Alfie, Heather, come in.

232

00:09:58,080 --> 00:09:59,440

Alfie, Heather, come in. Over.

233

00:10:01,440 --> 00:10:02,480

I guess it's just water.

234

00:10:03,760 --> 00:10:04,560

Crazy.

235

00:10:04,560 --> 00:10:07,280

It sounded like something really bad.

236

00:10:07,280 --> 00:10:08,880

Alfie, Heather, come in. Over.

237

00:10:08,880 --> 00:10:09,600

Yeah.

238

00:10:09,600 --> 00:10:10,640

Oh, all right.

239

00:10:10,640 --> 00:10:12,080

Where are you going to get off that?

240

00:10:13,360 --> 00:10:15,440

We're walking toward the woods, toward you guys.

241

00:10:15,440 --> 00:10:16,960

Let's go pick them up.

242

00:10:16,960 --> 00:10:18,800

Director's log.

243

00:10:18,800 --> 00:10:20,880

I'm not sure what I saw in the woods,

244

00:10:20,880 --> 00:10:23,360

but we could not find any proof of a creature.

245

00:10:23,360 --> 00:10:24,800

As for the lights in the sky,

246

00:10:24,800 --> 00:10:26,800

NASA reported no satellite activity

247

00:10:26,800 --> 00:10:29,200

at that time, and these were not airplanes.

248

00:10:29,200 --> 00:10:31,040

The source of the lights remains unknown.

249

00:10:32,960 --> 00:10:35,360

See, I know like Native Americans have stories

250

00:10:35,360 --> 00:10:37,520

of UFOs and all these sightings.

251

00:10:37,520 --> 00:10:38,800

What we are seeing could be stuff

252

00:10:38,800 --> 00:10:40,080

that they could have been seeing back then.

253

00:10:40,080 --> 00:10:40,480

They could.

254

00:10:41,040 --> 00:10:43,040

Alfie, explain to us a little bit

255

00:10:43,040 --> 00:10:44,560

about the historical research.

256

00:10:44,560 --> 00:10:46,000

We got Mount Adams here.

257

00:10:46,640 --> 00:10:48,880

And the closest tribe in Mount Adams

258

00:10:48,880 --> 00:10:50,560

is the Yakama tribe.

259

00:10:50,560 --> 00:10:53,920

They considered this mountain a sacred mountain,

260

00:10:53,920 --> 00:10:57,120

and it could be a connection to aliens and such

261

00:10:57,120 --> 00:10:59,280

and UFOs and whatever's been going on this land.

262

00:10:59,840 --> 00:11:00,720

What about this creature?

263

00:11:00,720 --> 00:11:02,720

I think you had a drawing of a creature.

264

00:11:02,720 --> 00:11:04,640

Called Bat Squash.

265

00:11:04,640 --> 00:11:06,000

Bat Squash.

266

00:11:06,000 --> 00:11:06,720

Yeah.

267

00:11:06,720 --> 00:11:09,440

Basically, this thing is like big purple creature

268

00:11:09,440 --> 00:11:10,320

with wings.

269

00:11:10,320 --> 00:11:11,600

Is that similar to the creature

270

00:11:11,600 --> 00:11:13,200

that people have seen around here?

271

00:11:13,200 --> 00:11:15,760

Well, Dave said he saw a creature with wings.

272

00:11:15,760 --> 00:11:16,400

In your research,

273

00:11:16,400 --> 00:11:17,760

how did you come across the tribes

274

00:11:17,760 --> 00:11:21,680

having some sort of encounters with aliens or?

275

00:11:21,680 --> 00:11:25,520

Apparently, there's always been some sort of UFO activity

276

00:11:26,320 --> 00:11:27,920

since at least the late 40s.

277

00:11:30,560 --> 00:11:32,480

We're up here at Gillan's Ranch.

278

00:11:32,480 --> 00:11:33,600

Are you familiar with this ranch?

279

00:11:33,600 --> 00:11:34,720

Have you heard of it before?

280

00:11:34,720 --> 00:11:35,040

Yes.

281

00:11:35,680 --> 00:11:37,920

I feel there is something going on there.

282

00:11:37,920 --> 00:11:38,800

I don't know why.

283

00:11:39,360 --> 00:11:40,560

And you've seen some footage

284

00:11:40,560 --> 00:11:42,080

that's come out of this ranch, right?

285

00:11:42,080 --> 00:11:43,600

I've seen a lot of photos, yes.

286

00:11:44,080 --> 00:11:45,520

What do you think of the photos?

287

00:11:45,520 --> 00:11:46,880

Any of them of interest?

288

00:11:46,880 --> 00:11:47,920

Oh, absolutely.

289

00:11:48,480 --> 00:11:50,000

Some photos are quite compelling.

290

00:11:50,000 --> 00:11:52,960

I've also seen photos taken by other people down there

291

00:11:52,960 --> 00:11:55,520

that, in my mind, they defy explanation.

292

00:11:58,640 --> 00:11:59,440

So what do you got?

293

00:11:59,440 --> 00:12:00,080

OK, well, I...

294

00:12:00,080 --> 00:12:01,120

This is the James stuff, right?

295

00:12:01,120 --> 00:12:02,320

Yeah, I went through all of his evidence.

296

00:12:02,320 --> 00:12:04,480

There's a couple pieces that I think are really interesting

297

00:12:04,480 --> 00:12:05,120

which I'll get to.

298

00:12:05,120 --> 00:12:08,400

And there's a couple that I think are pretty easily debunked.

299

00:12:08,960 --> 00:12:09,840

Like this photo.

300

00:12:09,840 --> 00:12:11,120

This is interesting at first,

301

00:12:11,600 --> 00:12:13,600

but you've got to stop and consider a few things.

302

00:12:13,600 --> 00:12:15,360

You've got hot air meeting cold air

303

00:12:15,360 --> 00:12:17,680

at the top of this mountain that's blowing up, right?

304

00:12:17,680 --> 00:12:18,400

At this point.

305

00:12:18,400 --> 00:12:20,400

It just looks like atmospheric phenomenon.

306

00:12:20,400 --> 00:12:21,920

Like a cloud type of thing.

307

00:12:21,920 --> 00:12:24,160

These are the couple pieces that are really interesting to me.

308

00:12:24,160 --> 00:12:25,200

This one specifically.

309

00:12:25,760 --> 00:12:26,640

I pull it up Photoshop.

310

00:12:26,640 --> 00:12:28,240

It's not been photoshopped.

311

00:12:28,240 --> 00:12:30,480

Whatever this is, I don't know where the light source is coming from.

312

00:12:31,280 --> 00:12:33,120

For that reason, this is very, very unique.

313

00:12:33,120 --> 00:12:34,080

I don't know what that is.

314

00:12:34,880 --> 00:12:36,800

And I'm basing this off what we saw last night.

315

00:12:37,360 --> 00:12:40,880

It is a video where you will hear James talking about

316

00:12:41,440 --> 00:12:43,520

these two lights that are flying through the sky, right?

317

00:12:44,880 --> 00:12:45,920

I don't know what that is.

318

00:12:46,640 --> 00:12:48,880

That is very bizarre.

319

00:12:49,520 --> 00:12:50,560

Complains or just?

320

00:12:50,560 --> 00:12:52,640

They're our military craft that can sure that can hover.

321

00:12:52,640 --> 00:12:56,560

But the problem with this is these things, as we witnessed, are way up there.

322

00:12:56,560 --> 00:12:58,720

I mean, they're comparative with the stars.

323

00:12:58,720 --> 00:13:03,680

So whatever we're looking at, my guess is it's 100,000 plus feet up in the air.

324

00:13:03,680 --> 00:13:05,600

Planes fly usually 28 to 38,000.

325

00:13:07,440 --> 00:13:08,720

Director's log.

326

00:13:08,720 --> 00:13:10,720

I'm bringing in psychic chip coffee,

327

00:13:10,720 --> 00:13:13,920

hoping he can help us understand what we experienced last night

328

00:13:13,920 --> 00:13:17,040

and tap into whatever paranormal phenomenon may be active here.

329

00:13:17,680 --> 00:13:18,640

Do you know where we are?

330

00:13:18,640 --> 00:13:20,160

I have no idea where am I?

331

00:13:20,160 --> 00:13:21,360

It's called Gillian's Ranch.

332

00:13:22,320 --> 00:13:25,520

Why don't you just walk around and let me know what you think.

333

00:13:29,680 --> 00:13:32,400

So although I don't know where I'm at necessarily,

334

00:13:32,400 --> 00:13:36,080

I'm gathering that this is kind of like some sort of retreat.

335

00:13:37,360 --> 00:13:38,160

When you get out of here.

336

00:13:38,960 --> 00:13:42,800

It feels like the land has got a lot of inherent energy in it.

337

00:13:43,840 --> 00:13:47,120

It feels like the people here are very open and receptive to it

338

00:13:47,120 --> 00:13:48,880

and are actually calling it in.

339

00:13:49,600 --> 00:13:50,400

Them in.

340

00:13:51,280 --> 00:13:53,280

Okay, can you be a little more specific?

341

00:13:54,880 --> 00:13:55,600

ETs.

342

00:13:56,160 --> 00:13:57,600

I mean, extraterrestrials.

343

00:13:58,480 --> 00:13:59,280

ETs.

344

00:14:00,560 --> 00:14:01,040

Uh-huh.

345

00:14:01,040 --> 00:14:01,840

Whoever's up there.

346

00:14:05,920 --> 00:14:07,920

I think I'm going to get a little more of that.

347

00:14:08,160 --> 00:14:08,960

We've got a lot of stuff here.

348

00:14:09,920 --> 00:14:11,120

What do you mean by a lot?

349

00:14:11,840 --> 00:14:14,400

After the sun goes down, look to the east.

350

00:14:20,640 --> 00:14:24,880

Tonight is our last chance to make contact with whatever is flying over Gillian's Ranch.

351

00:14:25,760 --> 00:14:30,480

Some colleges believe that playing music can help raise spiritual and paranormal energies.

352

00:14:30,480 --> 00:14:34,480

Maybe we'll also heighten our chances for a close encounter with the unknown.

353

00:14:38,400 --> 00:14:43,120

What's really nice about here is when you use the drums or you bring out the music,

354

00:14:43,920 --> 00:14:47,840

it kind of unifies people and that's the kind of energy that actually brings in the ships.

355

00:14:48,560 --> 00:14:50,080

So when do you usually see the ships?

356

00:14:50,800 --> 00:14:52,160

It should be around 10 o'clock.

357

00:14:52,160 --> 00:14:55,200

We'll see some things coming in and saying hi to us.

358

00:15:05,440 --> 00:15:06,000

Right here.

359

00:15:06,720 --> 00:15:07,360

What?

360

00:15:07,440 --> 00:15:08,320

You see one?

361

00:15:08,320 --> 00:15:09,120

Yep.

362

00:15:09,120 --> 00:15:11,440

Is that a plane or is that a plane?

363

00:15:11,440 --> 00:15:12,000

That's a plane.

364

00:15:13,040 --> 00:15:15,760

Yeah, it's blinking red and it's strobing.

365

00:15:16,480 --> 00:15:20,320

There's a lot of potential satellite movement at this time.

366

00:15:21,440 --> 00:15:23,040

Guys, I'm going to break out the laptop.

367

00:15:28,640 --> 00:15:29,680

Oh, whoa.

368

00:15:29,680 --> 00:15:30,560

Holy.

369

00:15:30,560 --> 00:15:30,960

Okay.

370

00:15:30,960 --> 00:15:31,600

That was a meteorite.

371

00:15:31,600 --> 00:15:32,160

Meteorite?

372

00:15:32,160 --> 00:15:32,640

Yeah.

373

00:15:32,640 --> 00:15:33,360

False alarm.

374

00:15:34,560 --> 00:15:35,760

Where the hell are these things at?

375

00:15:38,080 --> 00:15:40,080

What about that right there?

376

00:15:40,080 --> 00:15:40,720

What?

377

00:15:40,720 --> 00:15:40,960

Look.

378

00:15:42,640 --> 00:15:43,920

There's one right there.

379

00:15:44,720 --> 00:15:45,520

Right there.

380

00:15:45,520 --> 00:15:46,080

Oh yeah.

381

00:15:46,080 --> 00:15:46,640

See it?

382

00:15:46,640 --> 00:15:47,280

Yep.

383

00:15:47,280 --> 00:15:48,000

Right there.

384

00:15:51,280 --> 00:15:55,600

Hey guys, no satellites according to NASA's J-Tracker.

385

00:15:55,600 --> 00:15:56,800

No satellites.

386

00:15:56,800 --> 00:15:57,920

Ron's East Societ or?

387

00:15:58,960 --> 00:16:00,640

Oh yeah, it's so faint.

388

00:16:00,640 --> 00:16:02,640

Yeah, it's tough with the full moon right now.

389

00:16:02,640 --> 00:16:06,000

It's really, they're going to have to really power up to Sam.

390

00:16:08,240 --> 00:16:09,600

And it's just about gone.

391

00:16:10,640 --> 00:16:10,960

All right.

392

00:16:11,760 --> 00:16:13,600

It was visible for six minutes.

393

00:16:14,240 --> 00:16:15,120

All right.

394

00:16:15,120 --> 00:16:15,840

So we got one.

395

00:16:18,240 --> 00:16:19,760

It's almost 10 guys.

396

00:16:19,760 --> 00:16:20,240

Yeah.

397

00:16:29,600 --> 00:16:30,880

Oh, who's that?

398

00:16:30,880 --> 00:16:32,160

I think it's one right there.

399

00:16:32,160 --> 00:16:32,400

Where?

400

00:16:32,400 --> 00:16:33,040

Right here.

401

00:16:33,040 --> 00:16:33,360

You got one?

402

00:16:33,360 --> 00:16:35,200

Right above the Big Dipper, right up there.

403

00:16:35,200 --> 00:16:35,760

No way.

404

00:16:35,760 --> 00:16:36,640

Oh yeah, dude.

405

00:16:36,640 --> 00:16:37,120

Right there.

406

00:16:37,600 --> 00:16:38,240

Big time.

407

00:16:38,240 --> 00:16:38,720

Right here.

408

00:16:38,720 --> 00:16:39,200

See it?

409

00:16:39,200 --> 00:16:39,760

Got it.

410

00:16:39,760 --> 00:16:41,600

My God, what is that, man?

411

00:16:42,320 --> 00:16:44,400

It's slowing down.

412

00:16:45,600 --> 00:16:46,800

It's really hard to see now.

413

00:16:47,520 --> 00:16:48,640

All right, I lost sight of it.

414

00:16:49,680 --> 00:16:52,000

What you were looking at became stationary.

415

00:16:52,000 --> 00:16:52,560

It stopped.

416

00:16:53,120 --> 00:16:53,360

Yep.

417

00:16:54,400 --> 00:16:55,280

Wait, no, it's moving.

418

00:16:55,280 --> 00:16:55,680

It's, I see it.

419

00:16:55,680 --> 00:16:56,000

It's moving.

420

00:16:56,000 --> 00:16:57,520

It's stopped and it moved.

421

00:16:57,520 --> 00:16:58,880

Yep, now it's started again.

422

00:16:58,880 --> 00:16:59,760

Now it just disappeared.

423

00:16:59,760 --> 00:17:00,640

Oh my God.

424

00:17:00,640 --> 00:17:00,720

It just blinked.

425

00:17:00,720 --> 00:17:01,440

It just blinked.

426

00:17:02,080 --> 00:17:03,360

Whoa, did you just see that?

427

00:17:03,360 --> 00:17:04,560

No, no way.

428

00:17:05,600 --> 00:17:06,000

All right.

429

00:17:06,000 --> 00:17:07,120

What is that, man?

430

00:17:07,360 --> 00:17:08,320

It's just getting really bright.

431

00:17:08,320 --> 00:17:08,480

Wow.

432

00:17:08,480 --> 00:17:08,720

Wow.

433

00:17:08,720 --> 00:17:09,200

Look at that.

434

00:17:09,200 --> 00:17:10,000

Brian.

435

00:17:10,000 --> 00:17:10,880

Oh my God.

436

00:17:10,880 --> 00:17:11,520

That was crazy.

437

00:17:11,520 --> 00:17:14,320

Chad, it just did the same thing again.

438

00:17:22,720 --> 00:17:24,640

What you were looking at became stationary.

439

00:17:24,640 --> 00:17:26,080

It stopped, huh?

440

00:17:26,080 --> 00:17:26,320

Yep.

441

00:17:27,360 --> 00:17:28,320

Wait, no, it's moving.

442

00:17:28,320 --> 00:17:28,960

It's, I see it.

443

00:17:28,960 --> 00:17:29,520

It's moving.

444

00:17:29,520 --> 00:17:30,560

It's stopped and it moved.

445

00:17:30,560 --> 00:17:30,800

Yep.

446

00:17:30,800 --> 00:17:31,920

Now it's started again.

447

00:17:31,920 --> 00:17:32,480

It just disappeared.

448

00:17:32,480 --> 00:17:32,880

Oh my God.

449

00:17:32,880 --> 00:17:33,440

It just blinked.

450

00:17:33,440 --> 00:17:34,400

What was that?

451

00:17:34,400 --> 00:17:36,080

Wow, did you just see that?

452

00:17:36,080 --> 00:17:37,440

No, no way.

453

00:17:37,440 --> 00:17:39,140

It looks like...

454

00:17:39,140 --> 00:17:41,520

But now is it changing direction?

455

00:17:41,520 --> 00:17:43,420

It almost looks like it's heading east.

456

00:17:43,420 --> 00:17:45,920

Well, Chip said, look to the east.

457

00:17:45,920 --> 00:17:47,680

Bring it on, more.

458

00:17:47,680 --> 00:17:50,360

Oh, there's another one moving in opposite direction.

459

00:17:50,360 --> 00:17:51,480

Wow!

460

00:17:51,480 --> 00:17:52,320

Where?

461

00:17:53,960 --> 00:17:55,860

Ah, there it is.

462

00:17:55,860 --> 00:17:57,160

Whoa, look at it, look at it.

463

00:17:57,160 --> 00:17:58,960

Whoa, there it is, there's the power up!

464

00:17:58,960 --> 00:18:00,200

Oh, nice!

465

00:18:00,200 --> 00:18:01,400

How was the power up?

466

00:18:01,400 --> 00:18:02,440

Did you see it?

467

00:18:02,440 --> 00:18:03,540

Did you guys see it light up?

468

00:18:03,540 --> 00:18:04,100

Yeah.

469

00:18:04,100 --> 00:18:05,300

Very nice.

470

00:18:05,320 --> 00:18:06,720

What is that, man?

471

00:18:06,720 --> 00:18:07,960

Is that it still moving right there?

472

00:18:07,960 --> 00:18:08,800

Yeah.

473

00:18:08,800 --> 00:18:09,800

Yeah.

474

00:18:09,800 --> 00:18:11,440

Hey, I would like to point out that James

475

00:18:11,440 --> 00:18:12,900

did say at 10 o'clock.

476

00:18:12,900 --> 00:18:13,740

Yeah, what time is it?

477

00:18:13,740 --> 00:18:14,740

10 o'clock.

478

00:18:18,400 --> 00:18:20,340

Yeah, they're gone.

479

00:18:20,340 --> 00:18:21,540

Wow, that was pretty amazing.

480

00:18:21,540 --> 00:18:22,340

That was amazing.

481

00:18:22,340 --> 00:18:24,280

Whatever that was, that was pretty cool.

482

00:18:30,420 --> 00:18:31,860

You know, I think one of the amazing things

483

00:18:31,860 --> 00:18:34,860

is that you said they're coming from the east.

484

00:18:34,880 --> 00:18:36,880

And then I told the whole crew here

485

00:18:36,880 --> 00:18:39,720

that they're coming at 10 o'clock.

486

00:18:39,720 --> 00:18:42,060

And sure enough, right at 10, they

487

00:18:42,060 --> 00:18:46,600

appeared to the east, closer to the mountain, right on cue.

488

00:18:46,600 --> 00:18:51,160

And we both had that communication.

489

00:18:51,160 --> 00:18:53,800

I definitely saw things in the sky last night,

490

00:18:53,800 --> 00:18:56,940

but I cannot understand.

491

00:18:56,940 --> 00:19:01,240

I cannot, you know, unidentified blind objects.

492

00:19:01,240 --> 00:19:04,480

So historically, we know that this place is a hot spot.

493

00:19:04,500 --> 00:19:06,300

Or UFO activity.

494

00:19:06,300 --> 00:19:09,540

And then Dave said he saw something.

495

00:19:09,540 --> 00:19:12,140

And then, of course, we have James claiming

496

00:19:12,140 --> 00:19:14,580

there's unusual unexplained lights in the sky.

497

00:19:14,580 --> 00:19:15,780

And I think we've all seen that.

498

00:19:15,780 --> 00:19:17,980

So what do you guys think?

499

00:19:17,980 --> 00:19:19,880

Something weird is going on or what?

500

00:19:19,880 --> 00:19:21,120

Whatever's flying up in the sky,

501

00:19:21,120 --> 00:19:22,920

we know that that is legitimate, and the fact

502

00:19:22,920 --> 00:19:24,260

that there's something flying up there.

503

00:19:24,260 --> 00:19:28,060

By definition, it is an unidentified flying object.

504

00:19:28,060 --> 00:19:30,700

But I think it's very important not to make the jump from UFO

505

00:19:30,700 --> 00:19:31,740

to extraterrestrial.

506

00:19:31,740 --> 00:19:33,300

Those are two very different things.

507

00:19:33,300 --> 00:19:33,960

Yep.

508

00:19:33,980 --> 00:19:35,480

Doesn't take away from the fact that there is a lot

509

00:19:35,480 --> 00:19:37,480

of weird stuff flying around the sky.

510

00:19:37,480 --> 00:19:40,920

And to cover the entire sky at 180 degrees in six minutes,

511

00:19:40,920 --> 00:19:41,920

I don't know what we have.

512

00:19:41,920 --> 00:19:44,320

I can move that fast.

513

00:19:44,320 --> 00:19:45,420

Satellites are very slow.

514

00:19:45,420 --> 00:19:46,220

That's a thing, too.

515

00:19:46,220 --> 00:19:48,420

If you look at satellites, they're extremely slow.

516

00:19:48,420 --> 00:19:50,660

They take forever to get across.

517

00:19:50,660 --> 00:19:52,800

So I think we can make a compelling argument

518

00:19:52,800 --> 00:19:56,000

that there are unidentified flying objects that

519

00:19:56,000 --> 00:19:57,200

are flying around this ranch.

520

00:20:00,800 --> 00:20:03,200

I'm beginning to see why you like this place so much.

521

00:20:03,240 --> 00:20:05,760

There's a sense of peace here, and there's

522

00:20:05,760 --> 00:20:07,640

a sense of awe and wonder.

523

00:20:07,640 --> 00:20:08,340

Sure.

524

00:20:08,340 --> 00:20:09,720

And I want to share this with other people

525

00:20:09,720 --> 00:20:12,760

so that they can start to open their minds to the possibilities

526

00:20:12,760 --> 00:20:15,520

that maybe we aren't alone, and maybe it's

527

00:20:15,520 --> 00:20:17,800

time we start taking a more positive look to what's

528

00:20:17,800 --> 00:20:18,920

going on out there.

529

00:20:18,920 --> 00:20:21,080

In the moment I set foot on this property,

530

00:20:21,080 --> 00:20:25,360

I knew something was going to happen, whatever that would be.

531

00:20:25,360 --> 00:20:27,960

You know, the thing that I saw around to the woods,

532

00:20:27,960 --> 00:20:29,640

that was huge whatever it was.

533

00:20:29,640 --> 00:20:32,280

And it was a little creepy, whatever I saw.

534

00:20:32,280 --> 00:20:34,440

And this is why I've been pushing for two years

535

00:20:34,440 --> 00:20:36,360

to try to have somebody come out here and do what you guys did.

536

00:20:36,360 --> 00:20:37,880

Just spend a weekend and experiment

537

00:20:37,880 --> 00:20:40,200

and see what we can experience.

538

00:20:40,200 --> 00:20:43,080

You know, if we could get more people here under one consciousness,

539

00:20:43,080 --> 00:20:46,560

under one direction, hoping and opening ourselves up

540

00:20:46,560 --> 00:20:48,560

for this experience, I'm wondering

541

00:20:48,560 --> 00:20:50,080

if maybe that's when they're going to start

542

00:20:50,080 --> 00:20:52,040

making more of an appearance.

543

00:20:52,040 --> 00:20:54,800

I feel that there's something big coming.

544

00:20:54,800 --> 00:20:58,480

And when it does, I want to be here to see it happen.

545

00:20:58,480 --> 00:21:00,120

Final director's log.

546

00:21:00,120 --> 00:21:02,560

We couldn't find any explanation for the anomalies

547

00:21:02,560 --> 00:21:04,760

we experienced here at Gilliland's Ranch.

548

00:21:04,760 --> 00:21:06,480

For me personally, I'd like to believe

549

00:21:06,480 --> 00:21:09,480

that we're one step closer to proving we're not alone.

550

00:21:09,480 --> 00:21:10,480

Thank you very much.

551

00:21:10,480 --> 00:21:11,320

Thank you for coming.

552

00:21:11,320 --> 00:21:11,920

Thanks, James.

553

00:21:11,920 --> 00:21:12,320

Thank you.

554

00:21:12,320 --> 00:21:12,960

I had a lot of fun.

555

00:21:12,960 --> 00:21:14,120

I'll definitely want to come back.

556

00:21:14,120 --> 00:21:17,080

Definitely come back.

557

00:21:17,080 --> 00:21:19,480

And if Dave is right when he said something big is coming,

558

00:21:19,480 --> 00:21:21,080

then I hope the world will be ready.
