

1

00:00:00,000 --> 00:00:02,000

I

2

00:00:18,520 --> 00:00:26,060

Ryan down here now shadow movement something is here I keep seeing bones

3

00:00:26,720 --> 00:00:33,700

You think someone's buried here we see like what appears to be ahead I

4

00:00:35,540 --> 00:00:40,620

Can't do this anymore. There's anybody in this house. Give us a sign of your presence

5

00:00:42,140 --> 00:00:44,140

No, it's up here right now, man

6

00:00:45,540 --> 00:00:49,660

Whoa, whoa, whoa, what what? It's closet doors open. Holy

7

00:00:50,500 --> 00:00:53,380

My name is Ryan and I'm a paranormal investigator

8

00:00:54,380 --> 00:01:00,340

When I was a kid my experiences with the supernatural terrified me I've been searching for answers ever since

9

00:01:00,820 --> 00:01:04,500

So when I got to Penn State, I realized I wasn't alone in my quest

10

00:01:04,740 --> 00:01:09,700

So I founded the paranormal research society dedicated to helping those who are haunted like I was

11

00:01:10,460 --> 00:01:12,460

We are students

12

00:01:12,460 --> 00:01:14,460

We are seekers

13

00:01:15,140 --> 00:01:17,140

Sometimes we're warriors

14

00:01:17,260 --> 00:01:21,220

Anytime we help someone I feel like I'm one step closer to finding the truth

15

00:01:21,500 --> 00:01:23,540

This is paranormal state

16

00:01:28,980 --> 00:01:30,980

We have a client named Julie Colavito

17

00:01:31,540 --> 00:01:37,940

Married homemaker in her mid 40s has three children Julie moved into this house about six years ago on Labor Day

18

00:01:37,940 --> 00:01:41,980

And she said almost immediately she started having experiences mainly it was the feelings of being watched

19

00:01:42,420 --> 00:01:49,100

Hearing banging sounds smelling fire Julie's claims that she has activity happening as recently as a few days ago

20

00:01:49,100 --> 00:01:54,180

She's afraid for herself and she's also afraid for her kids Julie contacted another

21

00:01:54,980 --> 00:01:58,620

Paranormal team first the invest gear that I've been talking to his name is Mark

22

00:01:58,620 --> 00:02:04,260

He's at a loss as to what to do hopefully we'll have better luck and give the client to help that she needs

23

00:02:19,900 --> 00:02:22,580

Hey Julie nice to meet you, I'm Ryan

24

00:02:33,060 --> 00:02:37,500

I consider this hallway the hot spot I

25

00:02:38,060 --> 00:02:41,900

Saw an apparition of a man facing me. He was levitated

26

00:02:42,100 --> 00:02:45,460

He was in a long white sleeping gown. He was an elderly man

27

00:02:45,460 --> 00:02:51,140

Maybe I would say in his 60s or 70s. He had long gray hair and he was just there staring at me

28

00:02:52,460 --> 00:02:56,460

My children have experienced things here as well my youngest one

29

00:02:56,460 --> 00:03:00,500

I was getting his book back together. He came down and then he said to me mommy. He goes

30

00:03:01,100 --> 00:03:04,340

Somebody hug me upstairs at that point it became frightened

31

00:03:05,300 --> 00:03:11,900

He's had a couple of experiences with the hugs. I had another experience here. I was folding laundry

32

00:03:11,900 --> 00:03:19,540

I looked over and then I noticed the handle was continuously turning probably for about 15 seconds

33

00:03:19,540 --> 00:03:23,540

And I'm watching this thinking it's my younger son in the closet

34

00:03:23,980 --> 00:03:27,140

Trying to scare me so I opened the door like honey

35

00:03:27,940 --> 00:03:29,940

Apparently there was nobody there

36

00:03:31,700 --> 00:03:33,220

When you bought the house

37

00:03:33,220 --> 00:03:38,540

Did you feel anything odd or unusual at that time? Um, no not at all. I fell in love with the house immediately

38

00:03:38,820 --> 00:03:42,500

When did you first start to say my house might be haunted?

39

00:03:43,380 --> 00:03:48,260

Within the first couple of months. I felt presence. I felt as if I was being watched

40

00:03:48,940 --> 00:03:56,020

And I told my husband something is here my children are very very afraid of even going upstairs at night time by themselves

41

00:03:56,980 --> 00:03:59,620

Having that presence around me often

42

00:04:00,220 --> 00:04:06,460

Scares me. I don't know who he is. I don't know why he's here. I just know that it's really getting to me

43

00:04:06,740 --> 00:04:08,740

It's changed my life

44

00:04:08,980 --> 00:04:10,980

It affects everything that I do

45

00:04:11,860 --> 00:04:18,340

And your husband, what's this take on that? He wants to move. I don't I want I want to stay here

46

00:04:18,340 --> 00:04:21,580

I love the house. He wants to move. Yes. Okay. Why does he want to move?

47

00:04:22,180 --> 00:04:24,180

Because he's fearful for me and the kids

48

00:04:25,300 --> 00:04:30,660

I've just to the point where I just I just don't want to live like this anymore. I'm scared

49

00:04:36,900 --> 00:04:41,980

You've kind of been Julie's I don't know keep you seem like you've been kind of keeping her together

50

00:04:42,620 --> 00:04:45,940

You know, she doesn't really have anyone else to talk to now because

51

00:04:46,540 --> 00:04:50,060

People don't want to hear about it and I do think there's a lot of people out there

52

00:04:50,700 --> 00:04:54,180

That have it happening to them and they're afraid to say anything

53

00:04:54,340 --> 00:04:59,340

You have people that have said unless they come up and bite me on my behind, right? I

54

00:05:00,340 --> 00:05:05,300

Don't buy it and it's disheartening. What do you think's going on here?

55

00:05:05,540 --> 00:05:10,260

We felt it was something with the lien. There was something about it

56

00:05:10,380 --> 00:05:14,820

Let's go online and find out I came across North Jersey Power Normal

57

00:05:17,940 --> 00:05:20,820

Now we caught a lot of EVP in this house

58

00:05:21,300 --> 00:05:22,980

We also had a lot of

59

00:05:22,980 --> 00:05:25,940

Auditory phenomenon that we heard while we were doing the investigation

60

00:05:26,660 --> 00:05:31,300

This particular one was an EVP that I'm convinced it's not speaking English

61

00:05:31,380 --> 00:05:36,260

And and by the inflection and the tone it almost sounds like a Native American language

62

00:05:47,700 --> 00:05:50,740

Sounds very menacing whatever it is where it was it coming from

63

00:05:50,980 --> 00:05:56,300

It almost sounded like it came in where the clients were sitting in the kitchen the clients were here with you when it happened

64

00:05:56,300 --> 00:06:00,580

Yeah, Julie and her husband were sitting in the kitchen, which was what 12 feet away

65

00:06:00,820 --> 00:06:04,460

Then there's the course of the video clips from that night

66

00:06:04,460 --> 00:06:10,300

I'm gonna play for you the raw video of what we consider to be a partial apparition captured in the main bedroom

67

00:06:11,180 --> 00:06:13,340

But this is the raw footage with the audio

68

00:06:14,660 --> 00:06:16,660

And as the camera pans over

69

00:06:17,020 --> 00:06:22,020

We see like what appears to be a head that slides out of frame once the camera comes

70

00:06:25,580 --> 00:06:30,260

What do you think Chad I've been looking at video footage specifically for 20 years

71

00:06:30,580 --> 00:06:36,420

My first take on this is that this is very compelling. Okay, this may very well be legitimate

72

00:06:39,940 --> 00:06:44,700

Directors log there's a lot of evidence here that suggests that something supernatural is going on

73

00:06:44,940 --> 00:06:49,340

But as to who or what might be here. I just don't have a solid answer

74

00:06:49,540 --> 00:06:54,700

So I'm bringing in psychic Michelle Balaise to see if she can reveal more about the cause of the phenomena

75

00:06:55,500 --> 00:06:57,500

So you haven't told me anything about the place

76

00:07:00,580 --> 00:07:02,580

I

77

00:07:06,500 --> 00:07:11,220

Get the sense there shouldn't be anybody on the stairs with the sense that there's motion going up and down

78

00:07:12,340 --> 00:07:16,180

I've here a foot on the stairs. I hear a step on the stairs, but there's nobody there

79

00:07:18,060 --> 00:07:21,700

Most of what I've picked up so far is from male presence

80

00:07:23,020 --> 00:07:25,020

Can you tell me anything more about him?

81

00:07:25,700 --> 00:07:33,780

Most of the time quiet just kind of I get the sense of like walking behind people looking at things just sort of an observer most of the time

82

00:07:36,700 --> 00:07:38,700

Okay, that's weird I keep getting under

83

00:07:39,180 --> 00:07:47,460

Under underground under is there something buried or I'm thinking it's got to be something in the backyard or underneath the house itself

84

00:07:47,460 --> 00:07:54,860

See what I think I

85

00:08:05,900 --> 00:08:08,820

Keep I'm picking up a couple of different things out here

86

00:08:09,740 --> 00:08:15,060

The sense that there's there is some sort of like really old connection to just something Native American

87

00:08:15,060 --> 00:08:17,060

I think that he

88

00:08:17,460 --> 00:08:19,460

Buried something out here

89

00:08:19,980 --> 00:08:24,540

You think someone's buried here I keep seeing bones

90

00:08:33,100 --> 00:08:38,700

I think that he buried something out here you think someone's buried here I

91

00:08:39,860 --> 00:08:41,860

Keep seeing bones

92

00:08:43,140 --> 00:08:46,980

My attention keeps getting attracted but about here

93

00:08:48,140 --> 00:08:50,140

I

94

00:08:51,740 --> 00:08:53,740

Okay

95

00:08:58,940 --> 00:09:06,580

Directors log we've decided to bring in some high-tech equipment to test Michelle psychic impressions that there are bones buried in Julie's backyard

96

00:09:08,500 --> 00:09:12,660

How does this thing exactly work well, this is a grump entering radar system

97

00:09:12,660 --> 00:09:17,660

We're actually using radio waves that emit from an antenna that's inside this orange box here

98

00:09:17,660 --> 00:09:20,340

So all you got to do is push it forward and it's gonna collect data

99

00:09:22,740 --> 00:09:28,580

Meanwhile I'm sending Elphi into Bloomingdale to find out more about the history of the town and Julie's house

100

00:09:32,380 --> 00:09:35,620

Do you know of any local legends there was this wire

101

00:09:36,420 --> 00:09:38,420

the 1905 fire and

102

00:09:38,540 --> 00:09:43,860

That just went right through the whole whole complex of buildings. No one was killed or injured

103

00:09:44,100 --> 00:09:46,700

But everybody lost their possessions

104

00:09:47,020 --> 00:09:51,100

Since you know Julian do you know anything interesting surrounding their house?

105

00:09:51,100 --> 00:09:56,500

We do have a legend in the neighborhood of an Indian being buried in Julie's yard

106

00:09:56,820 --> 00:10:03,420

When that house was originally built they found the remains of an Indian after they uncovered this

107

00:10:03,420 --> 00:10:05,780

They still wanted to build the house in the same spot

108

00:10:06,380 --> 00:10:10,460

So they simply removed his remains and reburied him in the yard

109

00:10:13,300 --> 00:10:17,380

So I understand you guys have lived in this house the longest 20 years okay

110

00:10:17,380 --> 00:10:21,780

Yes, and during your time living here. Did you ever experience anything odd or unusual?

111

00:10:22,940 --> 00:10:24,260

Well

112

00:10:24,260 --> 00:10:31,260

We felt from time to time as though the house was occupied by something other than us

113

00:10:31,700 --> 00:10:34,060

So we kind of named a mr. Riley

114

00:10:35,060 --> 00:10:37,060

Where did the name mr. Riley come from

115

00:10:38,300 --> 00:10:40,300

Mr.. Riley was

116

00:10:40,940 --> 00:10:43,260

Okay, mr. Riley built the house

117

00:10:43,620 --> 00:10:48,100

So your theory is that the spirit here is the original owner Riley. Yes, absolutely

118

00:10:48,380 --> 00:10:53,060

Did you ever here if the Riley family found bones when they were building the house?

119

00:10:53,060 --> 00:11:01,060

I was told one time that when they were digging for the foundation for the house that they did find bones

120

00:11:04,060 --> 00:11:06,060

There's another one

121

00:11:06,820 --> 00:11:09,940

There's a circular feature that's down about 38 inches that's about

122

00:11:10,820 --> 00:11:12,820

20 feet wide

123

00:11:12,820 --> 00:11:15,620

We need a circular feature you'll see it and it can't be like a septic tanker

124

00:11:15,620 --> 00:11:19,620

We already know from the pictures that they've taken a septic tank out

125

00:11:23,060 --> 00:11:30,380

We're watching this area here and you'll see the high amplitude which is going to be white in this color form and your circle is right here

126

00:11:30,820 --> 00:11:35,860

Also on that circle that there's like a point. There's actually like a 90 degree point right there

127

00:11:36,300 --> 00:11:40,900

We thought it was just something with the data, but I just realized that that's north and just kind of strange

128

00:11:42,100 --> 00:11:44,100

Anything

129

00:11:44,100 --> 00:11:46,100

Yeah

130

00:11:46,100 --> 00:11:50,860

Like what there's that circle right and that one of the circles there's a little point that goes points that way

131

00:11:50,860 --> 00:11:54,100

Which it happens to be west north north

132

00:11:55,220 --> 00:11:57,220

I'm trying to say it's pointed to the north

133

00:11:57,500 --> 00:11:59,020

Nori

134

00:11:59,020 --> 00:12:06,580

I'm trying to say it's pointing exactly north. It's like a huge sundial. It could be something ceremonial

135

00:12:10,540 --> 00:12:12,900

Did you guys confirm anything Native American?

136

00:12:12,900 --> 00:12:18,600

I don't think it was in any point recorded at all because it is not until like I saw until

137

00:12:18,900 --> 00:12:23,660

1970s when they started actually excavating burial grounds there would be no way to

138

00:12:24,580 --> 00:12:31,020

Historically find out if there was someone buried there because there's one way well not historically, but that's the only thing

139

00:12:36,380 --> 00:12:39,460

We have a theory that there might be something land-based

140

00:12:39,580 --> 00:12:43,260

We also found some connections having Native American ties to this hill

141

00:12:43,260 --> 00:12:46,580

But what's interesting is that when we use this ground penetrating radar

142

00:12:47,180 --> 00:12:50,740

There's something we don't know what it is, but there's something in your backyard

143

00:12:54,660 --> 00:12:55,980

I

144

00:12:55,980 --> 00:12:57,980

Can't do this anymore, you know

145

00:12:58,340 --> 00:13:02,540

Just to fear behind it of living here like this and just

146

00:13:03,180 --> 00:13:08,500

It's it's really really starting to affect me and it's getting worse and worse and I

147

00:13:09,380 --> 00:13:11,380

needed to end

148

00:13:15,060 --> 00:13:17,060

What is that

149

00:13:18,620 --> 00:13:21,380

That's not the anomaly is it it's not deep enough

150

00:13:23,660 --> 00:13:25,660

I don't know what exactly it is dude

151

00:13:26,380 --> 00:13:28,580

Well the Indian Barrel could be underneath that

152

00:13:43,460 --> 00:13:45,180

Directors log

153

00:13:45,180 --> 00:13:49,420

Unfortunately, we've run out of daylight and resources to continue digging in Julie's backyard

154

00:13:50,060 --> 00:13:52,580

How deep it's a two foot ten inches

155

00:13:53,180 --> 00:13:55,500

Stuff you're gonna find it's it's further than that

156

00:13:56,980 --> 00:13:59,580

So now we're going to attempt spirit communication

157

00:13:59,900 --> 00:14:04,380

Is there a Native American spirit here or maybe it's the former owner mr. Riley?

158

00:14:04,940 --> 00:14:08,380

Hopefully if provoked the spirit will reveal itself tonight

159

00:14:11,620 --> 00:14:16,900

This is the Heather cam in the living room hopefully we'll experience something tonight

160

00:14:17,900 --> 00:14:20,540

We're here to communicate with whoever's in this house

161

00:14:20,820 --> 00:14:26,340

We need you to make an effort now to try to communicate with us as we're trying to communicate with you

162

00:14:27,780 --> 00:14:30,780

Is there anyone here who wishes to make their presence known

163

00:14:33,460 --> 00:14:35,460

Can you make a knocking sound for us

164

00:14:38,940 --> 00:14:43,540

All right Riley Julie says that you've turned that door knob before

165

00:14:43,820 --> 00:14:52,700

So I invite you to move that door knob to acknowledge that you're here with us

166

00:15:01,940 --> 00:15:03,940

All right

167

00:15:04,700 --> 00:15:10,660

This is Chad whoo, okay, there's a creepy feeling right here

168

00:15:14,180 --> 00:15:17,780

We're sitting your spot because I think I saw you when I first came through here

169

00:15:21,340 --> 00:15:23,340

Is your name Riley

170

00:15:25,180 --> 00:15:27,180

Are you here because you built this house

171

00:15:30,260 --> 00:15:33,220

He's present but just kind of hanging around in the background

172

00:15:37,380 --> 00:15:42,300

I'm all alone in here. We've asked you nicely enough times to show yourself

173

00:15:43,540 --> 00:15:47,980

I don't think you're this room. I think you're hiding somewhere in fact. I don't even believe you here

174

00:15:50,380 --> 00:15:55,820

Ryan down here now shadow movement down here now big time big time

175

00:15:56,940 --> 00:16:04,060

Big time this completely right here completely covered over and there was nothing in this room to move it nothing

176

00:16:04,060 --> 00:16:10,220

What do you mean something okay? See see how this light is here? Yeah, like if look my shadow like if I crossed it

177

00:16:10,380 --> 00:16:17,500

How blacks it out right here dude completely blacked out like that like look at it right now that

178

00:16:22,300 --> 00:16:29,560

What I'm blaming you for scaring her we know you don't really mean to but we'd like to be scared I mean go right ahead

179

00:16:32,100 --> 00:16:36,780

That was not the only one that heard whatever that was just pop right loud crack. Yeah that

180

00:16:37,180 --> 00:16:39,180

Okay, I

181

00:16:39,740 --> 00:16:46,260

Heard something like a door or something move but it or just a kind of a wood on wood sound

182

00:16:46,260 --> 00:16:49,060

I'm telling you it's like you walk through him on that landing

183

00:16:53,500 --> 00:16:56,660

You my friend are no longer welcome in this house

184

00:16:57,700 --> 00:16:59,260

Whoa

185

00:16:59,260 --> 00:17:03,860

Whoa, whoa, what what this closet doors open? Holy shit

186

00:17:04,860 --> 00:17:11,100

I saw something move. It's up here right now man. Any cameras that were on this?

187

00:17:12,300 --> 00:17:16,340

Oh, no, we have one set up right here Ryan what right here

188

00:17:17,460 --> 00:17:19,900

Really? That's an I are right there. It's great

189

00:17:20,700 --> 00:17:23,980

Rather we need you to look at something on the surveillance ASAP

190

00:17:23,980 --> 00:17:33,660

Yo, dude Wow

191

00:17:43,580 --> 00:17:48,540

Five different people these are investigators. I trust these individuals are level-headed people

192

00:17:49,060 --> 00:17:53,980

We all felt something on your stairway. Yes, but I went back up again

193

00:17:53,980 --> 00:18:01,820

Okay, and when I went up to the top of the stairs, I noticed something okay, I noticed that your closet door by the bathroom

194

00:18:02,660 --> 00:18:07,140

Was completely wide open now we had been up there just moments before it was closed

195

00:18:19,420 --> 00:18:30,820

So I think this kind of in theory validates a few things it's definitely active here now

196

00:18:31,180 --> 00:18:35,140

What does this mean? I think this thing was trying to get our attention

197

00:18:35,740 --> 00:18:39,380

But it opened the doorway didn't hit any of us didn't harm any of us

198

00:18:39,780 --> 00:18:45,420

The key thing is now you have that validation now that you know now it's time to start focusing on

199

00:18:45,820 --> 00:18:47,820

How do you deal with this?

200

00:18:48,900 --> 00:18:56,140

Here's my predicament as a paranormal investigator, you know, we're not just trying to get evidence

201

00:18:56,140 --> 00:19:01,940

We're trying to at least get our clients help a piece of mind to get rid of that emotional turmoil

202

00:19:01,940 --> 00:19:06,700

I think we've gotten a lot of evidence that suggests something supernatural is going on there

203

00:19:06,900 --> 00:19:12,380

But aside from that, how do we put these clients back at ease? I need a good theory the main spirit?

204

00:19:12,380 --> 00:19:18,180

I think is a male who built Julie's house is someone who is possessive of the property

205

00:19:18,660 --> 00:19:23,620

And takes an interest in the people who live on that property and he's tied to it because he built it

206

00:19:23,620 --> 00:19:26,700

I do think that there is an underlying

207

00:19:27,180 --> 00:19:30,940

Issue with the land itself and that may go back to Indian times

208

00:19:31,460 --> 00:19:34,620

Could it be them getting creeped out makes it even worse

209

00:19:34,620 --> 00:19:39,580

It could be that there's sort of a feedback loop going where they start getting frightened and they're feeding

210

00:19:39,860 --> 00:19:44,700

Into that maybe getting a negative response from the spirit because they're not responding positively to it

211

00:19:44,700 --> 00:19:45,420

Yeah

212

00:19:45,420 --> 00:19:47,420

well what I was thinking about doing is

213

00:19:47,900 --> 00:19:50,900

Since she's Catholic doing some sort of Catholic ceremony

214

00:19:57,700 --> 00:20:03,740

St. Michael the Archangel defend us in battle be our protection against the wickedness and snares of the devil

215

00:20:03,860 --> 00:20:10,140

May God rebuke him we humbly pray and do thou a prince of the heavenly host by the divine power of God

216

00:20:10,700 --> 00:20:17,140

Cast into hell Satan and all the evil spirits who roam throughout the world seeking the ruin of souls. Amen

217

00:20:17,700 --> 00:20:22,820

Whatever's here in this hallway. You're no longer allowed to come into this space. I just

218

00:20:23,260 --> 00:20:28,240

Want him to respect our wishes here my wishes here that this is my home

219

00:20:28,660 --> 00:20:31,840

My family lives here. I don't want him frightening me anymore

220

00:20:31,840 --> 00:20:37,820

I don't want to frighten my children anymore and I'm just seeking peace and I need him to move on

221

00:20:37,860 --> 00:20:39,860

This is my home now

222

00:20:44,580 --> 00:20:46,580

Final directors log

223

00:20:47,060 --> 00:20:50,220

Sometimes it's hard to determine exactly why a spirit stays behind

224

00:20:50,940 --> 00:20:52,940

This is one of those cases

225

00:20:53,620 --> 00:20:59,940

Regardless, we've come across some clear evidence that is at least convinced me that Julie is genuinely experiencing a haunting

226

00:21:01,020 --> 00:21:08,420

The bottom line for me is that we're helping Julie overcome her fears and hopefully have the spirit move on in peace

227

00:21:16,580 --> 00:21:18,580

You
